

TOP SALESMAN — By this time John Canterbury, Main street school fifth grader, has probably sold enough new subscriptions to The Northville Record to earn his Evans bicycle. He sold 13 Saturday, the first day, and had only two to go. John liked selling so much that he's considering trying to sell 25 and earn a Motorola transistor radio, too! He had his best sales' results in new subdivisions in the Northville area. He's the son of City Councilman and Mrs. John S. Canterbury of Randolph street. There's still plenty of time for youngsters — or adults — to earn either a radio or a bicycle. The Northville Record - Novi News "new subscriber" promotion continues through April 9. Sales books may be obtained at offices in Northville, Novi or Wixom on Saturdays only. (See pages 9 and 13.)

Atchison Hospital Closes 'Temporarily'

Faced with new state fire regulations that will require 13 specific changes or installations the board of directors of Atchison hospital voted to "temporarily suspend operations" of the 10-year-old institution.

The hospital, located on the second floor of Atchison Clinic at 501 West Dunlap street, dismissed or transferred its patients Friday. The main floor doctors' clinic will operate as usual.

Planners Reject Commercial Zoning

A request to rezone property located on the corner of Novi street and the re-located Eight Mile road from residential to commercial to permit construction of a gasoline station was denied Tuesday night.

Northville planning commissioners voted unanimously against the proposal after hearing the request by R. T. Martin, owner of the property, and taking a "straw vote" of some 35 residents of the area who attended the city hall meeting. The audience was strongly opposed to the rezoning.

Martin told the planners that the new highway had created a major traffic crossroad where his house is located, depreciating its value and that property "ceases to be residential and has become commercial."

Many of the other residents of the area in attendance agreed and sympathized with Martin, but stated that building a gasoline station "would only make the situation worse." Others referred to it as "spot zoning" and stated that if one lot along the highway that extends through Oakwood subdivision (along the old Carlisle) were rezoned commercial, then other requests would follow.

Planner Lynn Sullivan moved that the request be rejected on the basis that: it would constitute spot zoning; commercial use would hurt nearby residents; a traffic problem would be created; the noise would be detrimental to neighbors; and commercial use would "be out of harmony" with practice in the rest of the community.

COMING DOWN — Work began Tuesday to tear down the time-worn "clay steeple" atop the First Methodist church. In the picture at the left the clock has already been removed. At the right the first section of the steeple is carried away by a giant crane. Church officials decided to take the steeple down immediately to avoid the possibility that it might "fall down". The city council and church representatives reached an agreement this week that provides that the city will pay one-third the cost of tearing down and replacing the steeple, providing the cost to the city does not exceed \$4,000. The church will then "own" the clock and new steeple which will be erected and will be responsible to maintain the tower and clock — a responsibility the council was happy to shed. The church has not yet determined the type of steeple to be erected but estimates of about \$10,000 for the total project have been received. The clock steeple was erected in 1894, a gift to the city by a private donor.

Novi Decides to Fight Annex Election

Novi Votes Monday For Council

A record number of village voters are expected to trek to the polls Monday to pick three councilmen from a slate of eight candidates.

Clerk Mary Wallace last week reported that 1,679 residents are qualified to vote in Monday's election as compared to the 1,525 who were registered for the special city incorporation election last September.

A total of 986 voters cast their ballots in the September election. In the village incorporation election two years ago, 1,114 persons went to the polls.

Five candidates, three of whom are veterans of earlier Village election battles, will be attempting Monday to unseat three incumbents who won their council berths at the time of village incorporation.

Two of the seats up for election are for four year terms, while the third is for two years.

The challengers are: Miss Eugenie Choquet, Ted Christensen, Dean Lenheiser, Joseph Crupi and Donald Woodward.

The incumbents, all of whom were members of the original village charter commission, are: Russell Buton, Dirk Groeneweg and Dieron Taftallan.

Woodward was an unsuccessful candidate for the council at the time of village incorporation. He drew a total of 266 votes in the two precincts.

Lenheiser and Crupi were among the top five favorites for the city charter commission which was automatically scrapped because city incorporation failed.

Crupi, who led the field of 17 candidates seeking the nine charter commission seats, piled up a total of 417 votes. Lenheiser, fifth in the race, drew 321 votes.

Miss Choquet, the first woman to seek a village office, has been the principle opponent of village government in the past several months. Recently, she postponed the filing of petitions calling for the return of the village to township status pending the outcome of Monday's election.

Christensen is making his first bid for public office. President of the West Shore association, he has on occasions objected to actions of the present council.

Two years ago in the first village election, Groeneweg, Buton and Taftallan ran third, fourth and fifth with 464, 458 and 446 votes, respectively.

Polls will open at 7 a.m. and close at 8 p.m. Qualified village electors in precinct one will vote at the Novi township hall, and precinct two electors at the Novi community building.

Teachers Ask Pay Boost; Board Willing -- Not Able

Northville teachers have asked for a \$33,500 raise and the board of education would like to see them get it.

The big question is, where's the money coming from?

"For the ten years I've been on the board we've been writing new contracts to answer this problem," said President Nelson Schrader resignedly.

However, teachers and administrators alike recalled the loss in recent years of "good teachers" — particularly among the new young staff — to high paying districts.

The pay raise proposal, presented by spokesmen for the Northville Teachers club, hinged on three points: competitive scales, incentive, holding power.

Competitively, it was pointed out, Northville is lower than at least two neighboring districts on both beginning and maximum pay.

In addition, they maintained, incentive for best teaching performance and holding power are basically tied up with earnings.

Some young teachers who find the educational climate and community attractive would like to settle and teach in Northville, Elementary School Principal Richard Kay explained.

But, as Athletic Coach Ron Schipper added, "the critical question is 'where am I going to be after ten years?'"

The board's dilemma was not a matter of conviction in these areas. At present, Northville schools are operating on a tight budget and levying maximum millage.

Teachers salaries take a 62 percent chunk of the budget. All salaries amount to some 70 percent.

Assessed valuation will be higher somewhat this year Superintendent R. A. Amerman said, but extra money would be eaten up by higher maintenance costs and debt obligations.

"The maintenance salary this year is higher than the entire budget in 1948," Amerman pointed out.

From the budget standpoint, answers to the teachers' request seemed to take three lines at the moment.

Raise class loads, thus reduce the number of teachers, and increase salary per teacher; Eliminate certain classes, thus eliminate teachers and increase salary per teacher;

Propose a millage increase to voters.

It would take roughly 3 mills, based on an assessed valuation of \$20 million to cover the salary increase, Board Secretary Robert Shafer estimated.

Other suggestions mentioned were gradual increases or increases in beginning or maximum pay alone.

However, all talk Monday necessarily second-guessed the 1959-60 budget, which will not shape up until late this summer.

Specifically, the teachers are asking for increases in all starting salaries plus increases in yearly raise increments and a higher maximum.

In addition, they propose an "incentive rating" program for teachers now receiving maximum pay.

The incentive program, which spokesmen said has the support of local teachers, would enable those earning maximum pay — (automatically reached after 10 years) — to increase their salary on the basis of superior classroom performance.

Performance would be defined and evaluated by a board of review, composed of teachers, administrators and school board members.

The package proposal had the backing of teachers in a faculty survey, spokesmen said.

At present, starting salary for new teachers with a B.A. and no experience is \$4400 and with an M.A. \$4700.

Maximum pay is \$6400 with a B.A. and \$6700 with an M.A. At present there is no wage differential between those with an M.A. and Ph.D.

The proposal recommends a starting salary with no experience and a B.A. of \$4500, and \$4800 with an M.A.

Recommended maximums are \$7200 for teachers with a B.A. and \$7500 with an M.A.

This year, Livonia teachers were receiving \$5000 minimum and \$6000 maximum pay. Plymouth is expected to follow suit.

Northville measures up favorably with state and county averages. However, it was pointed out that the majority of Northville teachers are earning the maximum, thus hiking up the average.

"Northville taxpayers have willingly paid a pretty good amount for education," said Trustee Donald Lawrence, and the quality of the educational system reflects high public interest.

But would taxpayers back up the school if asked for 3 more mills?

At present, Northville school district is levying 27.75 mills (against state equalized assessments). Livonia has a 26 mill levy; Detroit, 16 mills.

Right now it looks like the question is up to the people.

Churches Observe Lent

Lenten services — which will continue for the next five or six weeks — began in most Northville churches this week.

Five local churches have weekly services planned.

A mid-week service will be held each Wednesday throughout Lent at St. Paul's Lutheran church. Services begin at 7:30 p.m.

A special Friday evening mass will be offered during Lent at Our Lady of Victory Catholic church, in addition to regular Wednesday night devotions at 7:30. The mass begins at 6:30 p.m.

A series of talks on the theme, "The Great Questions of Our Faith", will be presented by the First Presbyterian church each Tuesday through April 5.

The talks and devotions which begin at 7:30 p.m., will be preceded by a potluck family dinner at 6:30.

Lenten suppers and study classes begin tomorrow at 6:30 p.m. at the Northville First Methodist church and will continue for five consecutive Thursdays through Lent.

The suppers will be followed by devotions and Lenten talks based on Luke's Portrait of Christ.

A Bible study session started before Lent at the Willowbrook Community church will continue each Tuesday evening at 8 p.m.

How About Stork For Co-Chairman?

City Manager John Robertson almost withdrew his name Monday night when the city council appointed him chairman of the annual Michigan Week celebration.

After accepting and hearing Mayor A. M. Allen state that the event would be held during the week of May 15, Manager Robertson suddenly exclaimed, "I can't do that, I'm having a baby May 15!"

Proper explanations followed and Manager Robertson agreed to assume the chairmanship with the understanding that he would have able support in case an emergency called.

Board of Review Meets

Northville's board of review will be in session next week to hear complaints or answer questions concerning assessments placed on real and personal property in the city.

The meetings will be held in the city hall. Tuesday the board will be in session from 1 p.m. until 6 p.m. On Wednesday the hearing will be held from 7 p.m. until 9 p.m.

Good Taxpayers In City, Township

City and township residents who haven't paid their school and county taxes are doing so now with a four percent penalty tacked on — plus another half percent for every month they delay.

But delinquent taxpayers are in the minority.

In the township, Treasurer Roy Terrill collected 87.6 percent of the total roll.

He reported that his total collections of the \$351,088 assessed against real and personal property were \$307,783.87.

City residents paid their school and county taxes at the rate of 93 percent. Of the total \$367,842.07 assessed against real and personal property in the city, Clerk Mary Alexander reports that \$343,334.54 was paid before the deadline.

Township residents had until February 29 to pay taxes without penalty, while the deadline in the city was February 15. All collections are now being handled by the county.

Will Carry Protest 'To Highest Court'

If the village of Novi loses any land within its borders to the city of Northville, it will do so only by order of the courts.

This determination was reached Monday night when Novi councilmen voted unanimously to challenge the legality of the March 28 election.

Village Attorney Howard Bond will file petitions with the state supreme court this week asking that the election be called off.

If this effort is unsuccessful, and the annexation of 255 acres of Novi township and village property to Northville is approved at the polls, Attorney Bond has been instructed to fight the action "all the way to the supreme court".

The election to annex Northville Estates (120 acres located in Novi township on the northeast corner of Beck and Baseline roads) and an adjoining 135 acres of the village (which separates Northville Estates from the Northville city limits at a point 1000 feet west of Taft road) was called by the secretary of state's office after petitions for annexation were filed by the Northville Estates Civic association.

Attorney Bond said that Novi would ask the supreme court to call off the election because the "petition is void".

He said this argument was based on a belief that the petition contains only one signature from the village area to be annexed. Bond stated that the law requires that such a petition must either contain 10 signatures (of residents of the village area to be annexed) or the signatures of persons owning at least half of the property to be annexed.

While there are three separately owned parcels of land in the village area, only one of the owners, Mrs. C. A. Randall, resides on the property. She signed the petition for annexation and will be the only village voter if the election is permitted to be held.

Because of the small amount of time before the election, Attorney Bond admits that chances are slim the supreme court will act to call off the election.

"It is possible that the court will deny our request for a writ of prohibition 'without prejudice', which permits the election to be held but gives us the right to protest the proceedings through the courts if the vote for annexation carries," Bond stated.

In addition to the protest against the petitions, Bond also raised these objections to the proposed annexation:

— that the notice of election should be made by both the township and village;

— the entire population of the village should be permitted to vote in the election.

Attorney Bond pointed out that in his opinion there exists a definite "conflict of laws".

He stated that the home rule law under which the village of Novi incorporated provides that all residents of a village are permitted to vote in elections to annex any portion from its boundaries.

On the other hand, cities "under 15,000 population" are permitted by law to annex from "townships". Bond stated, by majority vote of the residents of the city and of the "township" area to be annexed.

Philip Ogilvie, city attorney for Northville and also legal representative for the Northville Estates Civic association, contends that the annexation procedure for cities under 15,000 population is the same whether the area to be annexed is in an incorporated village or township.

Monday night's action by the Novi council came as a "mild" surprise. In earlier sessions the council had indicated, unofficially, that it would not contest the election "if it was the will of the village property owners involved."

Last week the council voted 3-2 (with Councilmen Buton and Anderson opposing) to challenge the election regardless of the property-owners' attitude.

Monday night the council assumed the position that Novi had voted for incorporation with the belief that it offered protection against annexation by bordering cities, and therefore it should fight to uphold this contention.

Last week the Northville city council voted unanimously to support the annexation and encouraged

city voters to approve the bid at the March 28 election.

Attorney Bond told the Novi council that the court fight would cost the village approximately \$1500.

Officers of Northville Estates Civic association and the Northville council had indicated earlier that if legal action was taken the fees would be divided.

Board Asks Bids For High School Athletic Fields

Bids for development of the high school outdoor physical education area will be opened at the next regular meeting of the board of education.

The board met last week with LaPorte and Penn, engineers, to complete specifications. Monday night members approved advertising bids.

Work is expected to get underway as soon as possible. An August 1 completion date has been set.

Total cost of the project — which includes grading, seeding, laying of a track, drainage, and construction of a gravel roadway on the football-baseball fields — has been estimated by Harold Penn at \$89,000.

Until Monday only the type of track remained undecided.

Depending on the type, cinder or asphalt compound, cost of the track could range between \$14,000 and \$28,000.

The cinder track would be cheaper than the new asphalt type, though maintenance costs of the cinder track run higher. Specifications for both will be prepared.

In other business the board heard a report from Mrs. F. Angle, representing the curriculum study committee.

The committee is composed of 32 lay members and 11 teachers, she said. Four groups have been set up to study the academically superior-child grades K-3, 4-6, 7-9 and 10-12.

The committee hopes to have its report completed by the first of June.

The board also discussed final high school landscaping plans with John Miller of Green Ridge nurseries.

Board members Donald Lawrence, Dr. Waldo Johnson and High School Principal E. V. Ellison were named to a landscaping committee.

The board will also study arrangements for a local fluoride treatment program for certain grades.

The board approved purchase of some \$9134 worth of teaching materials under the federal National Defense Education Act Title Three program. About half the cost will be paid by the federal government.

Board President Nelson Schrader, an outspoken critic of federal aid to education, cast the only dissenting vote.

The board also heard a report on the junior high curriculum from Principal Harry Smith and teacher Donald Van Ienen.

Several of the suggestions presented in the junior high curriculum study report completed by a lay-professional group two years ago, Smith said, are being used.

GOING UP — Northville's new 400,000-gallon elevated water tower, final project in the city's \$300,000 water improvement program, is climbing skyward. The spheroid tank will probably be erected within three weeks. It stands just west of the high school and will provide adequate storage and pressure to prevent re-occurrence of summer water shortage problems.

NEWS AROUND NORTHVILLE

The Past Matrons club of Northville OES will meet at 12:30 next Wednesday, March 16 at the home of Mrs. John Litsenberger, Dunlap street. Assistant hostesses will be Mrs. Ida B. Cooke and Mrs. Charles Freydl.

Mrs. L. P. Logeman returned to her home in Sioux Falls, Iowa after a two months' visit with her son and family, the Charles Logemans of Grace street, and with her daughter.

ter and family, the William Madigans of East Eight Mile road.

Mrs. L. M. Eaton will have luncheon at her home for Mrs. John Carrillee, Women's club speaker; club president, Mrs. Charles Yahné, and program chairman, Mrs. Alex Lawrence tomorrow.

Mrs. Robert Hunter of West Main street and Mrs. Thomas Cummings of Wing court were hostesses at a stork shower honoring Mrs. A. T. Gillahan of Dubuque street Friday at the Hunters'. Forty guests from Northville, Plymouth, Livonia and Detroit attended.

The Northville Extension club will meet Monday at 7:30 p.m. at the home of Mrs. Andrew Orphan, 356 South Rogers. The project lesson "Trimming the Food Budget" will be presented by Mrs. John Ling and Mrs. Howard Atwood. Refreshments will be served by Hostesses Mrs. A. Orphan and Mrs. Harold Marks.

Cynthia Gates of Napier road will be the honoree at a miscellaneous shower Saturday night hosted by Mrs. David Butler of Alexandria Virginia at the Birmingham home of her mother.

Mrs. Dempsey B. Ebert (404 West Main street, is visiting her parents, Mr. and Mrs. J. J. Killinger of Elkhart, Indiana this week.

Mrs. William S. Lawrence of North Center street entertained 20 guests at a kitchen shower for Cynthia Gates of Napier road last Thursday. Miss Gates will be married March 26.

Mrs. Terry Gates and Mrs. Aubrey Gates entertained at a stork shower Wednesday night in honor of Mrs. Richard Measel at the Gates home.

Club Head To Talk On Edinburgh

Woman's National Farm and Garden association chairman of international cooperation, Mrs. F. G. Garrison, will speak on her recent trip to Edinburgh, Scotland at Monday's meeting of the Northville Garden club.

The guest day meeting will be held at 1 p.m. at the home of Mrs. George Kohs.

Assistant hostesses are Mrs. J. Northup, Mrs. W. Johnson, Mrs. C. Stephens, Mrs. Harvey Whipple and Mrs. D. Hurd Clark.

AAUW Approves Two Area Schools

Two additional local colleges have been added to the list of approved institutions by the American Association of University Women: Alma college, Alma, Michigan, and Marquette university, Milwaukee, Wisconsin.

All graduates are eligible for membership in the local Plymouth chapter. Thirteen other out-state schools have also been added, local spokesmen report.

For more information call Mrs. William H. Medlyn, GL-3-3649.

HOSPITAL GUILD BOARD — Two Northville women were elected officers of the St. Mary Hospital Guild at its second general meeting recently. Mrs. Albert Kalin was named president; Miss Margaret Etner, treasurer. Pictured here are members of the newly elected Guild Board and Sisters. Standing (l-r): Sr. Mary Columbine, St. Mary Hospital Administrator; Mrs. Shirley Barnes, Livonia; Mrs.

Phyllis Robinson, Livonia; Florence Zegland, Farmington; Mrs. Patricia Robinson, Plymouth; Mrs. Jeanette Podien, Redford; Sr. Mary Calasanta, Guild Moderator. Seated (l-r) Mrs. Mary Redmond, secretary, Farmington; Mrs. Dorothy Arnold, Plymouth; Mother Mary Laudine, Provincial Mother; Mrs. Kalin; Mrs. Virginia Allen, vice president, Redford. Miss Etner is absent from the picture.

Newcomer Club Bowling Gets Underway Sunday

Northville's new newcomer's club will get going in earnest this Sunday as members kick-off activities with bowling Sunday afternoon.

Other activities — from gardening to golf — are expected to get underway by next week.

All newcomers interested in bowling are invited to attend the general meeting and bowling session Sunday at 3 p.m. at Northville Lanes, said club co-president, Mrs. Charles Smith.

The first few meetings of the group will be devoted to establishing handicaps, she said. It will then split up into men's, women's and mixed leagues.

Card groups, another suggestion high on the preferred activity list, will probably get started next week with a general meeting.

Groups will then split up by games. Bridge and pinocle groups are already planned, Mrs. Smith said. Other groups may be formed after the general meeting.

For those who expressed interest in sewing classes, home economics teacher and newcomer, Mrs. Robert Redmond has agreed to supervise lessons.

Arrangements are now being made to find a suitable meeting place, Mrs. Smith said. The group may begin meeting next week.

Plans are also shaping up for square dancing, gardening, chess and golf.

A class in handwriting analysis may also be offered, Mrs. Smith said. However, enrollment will be limited to 10 or 12, she said.

Several newcomers have asked for arts and crafts instruction, Mrs. Smith added, but since spe-

cial facilities are needed, arrangements will take more time and study.

Besides the special activity groups, she continued, four all-club get-togethers like the pot-luck supper held at the community building recently, will be held each year.

A May dinner-dance is tentatively planned, she said.

"As soon as we find out how folks feel about it, we'll make more definite arrangements," she said.

A picnic-barbecue for newcomers and their families is planned for August, and a square dance-box social, for November, she said.

Those interested in activities not mentioned above are asked to call the Smiths at FI-9-2265.

For more information about planned activities call: bowling, Warren Hansen, GR-4-7907; cards, William Stein, FI-9-0187; sewing, Mrs. Richard Campbell, FI-9-3109; square dancing, Mrs. R. Redmond, GE-8-4353; gardening, Mrs. E. E. Adams, FI-9-0066; golf, Gene Cushing, FI-9-0184; chess, Charles Smith; handwriting analysis, Mrs. Charles Smith.

To Train New Moderators For Great Books Discussions

In response to local interest in the great books discussion program, a tuition-free great books leadership guidance course is now being offered to adult residents of the Detroit metropolitan and suburban areas.

Because participation in the program has grown, leaders must be trained to head new community groups.

Classes conducted by staff members of the Great Books Foundation, Chicago, will be held in the Detroit Main library auditorium every Tuesday for ten weeks beginning April 5 from 8 to 10 p.m.

The program is open to all adults, regardless of formal education, said program coordinator, Mrs. James Worley.

To register, call or write Mrs. Worley, 2433 Ferncliff, Royal Oak, LIncoln 2-2721 or Northville discussion group secretary, Mrs. George Weiss, 925 Grace, FI-9-3190.

The leadership course, sponsored by all local libraries in the Detroit area, are designed to train persons in the theory and technique of leading discussion studies of the great books.

Classes include practice discussions of works selected from the great books reading lists.

The next meeting of the Northville great books group will be held Thursday, March 17 at the Northville library.

The discussion will center on readings from Rousseau's "On the Origin of Inequality". Visitors may attend by calling Mrs. Weiss.

To Speak on Bible Flowers

"Fruits and Flowers of the Bible" will be the subject of a talk by writer, lecturer and former Detroit Women's City Club President Mrs. John Carrillee, appearing before Northville Woman's club tomorrow.

Mrs. Carrillee, now living in Pleasant Ridge, is the daughter of Dean Marquis, first Rector of Christ Church, Cranbrook, and a graduate of the University of Michigan.

Mrs. L. M. Eaton, a former college classmate and sorority sister of the speaker will be chairman of the day, acting for Program Chairman Mrs. Alex Lawrence.

Elsa Couse Elected By Albion Sorority

Elsa Couse, daughter of Mr. and Mrs. Walter Couse of West Seven Mile road, was elected treasurer of Zeta Tau Alpha, national Greek letter sorority at Albion college.

Miss Couse is a junior at Albion and graduated from Northville high school.

Willowbrook newcomers of three weeks are former Farmington residents, Ralph and Lorraine Auten and their six children.

Three of the children, Debbie, 9; Barbara, 7, and Terry, 6, attend Orchard Hills school. Debbie is a third grader, Barbara's in the second, and Terry's winding up kindergarten.

Three other youngsters are still at home, Ruthie, 4; Tommy, 3, and Jimmy, 17 months.

Auten is employed in the purchasing department of General Motors.

The Auten children and their folks like outdoor sports such as hiking and ice fishing. Debbie and Barbara will soon join a neighborhood Brownie scout troop.

The family are members of the First Methodist church, Farmington.

Troop 222 worked on projects for second class rank and made plans for the Girl Scout 48th Birthday celebration to be held March 12.

THE NORTHVILLE RECORD—Thursday, March 10, 1960—3

KITCHEN DIARY

Try Something Different Tacos and Veal Parmesan

Dinner-time at the R. G. Nelsons reads something like a travelogue.

The Nelsons, who learn their geography the tasty way, like to feature foreign dishes on the menu from time to time.

In the process, they've hit upon some pretty good finds.

Here are two that have become favorites of the Nelsons and their friends: Italian "Veal Parmesan" and Mexican "Tacos".

The Tacos are as popular with the Nelson younger set as pizza and hot dogs, mom says.

VEAL PARMESAN

Mrs. R. G. Nelson

2 lbs. veal cutlet cut in 1 in serving pieces
2 eggs, beaten
cracker crumbs
salt
pepper
Italian seasoning
cooking oil
8 oz. can tomato sauce
12 oz. mozzarella cheese, sliced
Dip veal pieces in egg and roll in cracker crumbs. Season to taste with salt, pepper and Italian seasoning.
Using cooking oil, fry until brown on both sides.
Transfer pieces to baking dish or pan.
Spoon tomato sauce over top. Cover with cheese slices.
Bake uncovered at 350 degrees for 45 minutes.

TACOS

1 can tortillas
1 lb. hamburger
2 onions, chopped
salt
pepper
cooking oil
lettuce, finely chopped
tomato, finely chopped
grated cheese
taco sauce
Fry hamburger and onions, seasoned to taste. Do not separate into hamburger patties.
In another skillet, deep-fry tortillas one by one in 1/4-inch depth

of cooking oil. Drain on paper towel.

While warm and pliable, fold tortillas into half circle.

In following order, fill with meat, cheese, lettuce, tomato and taco sauce (to taste).

Wrap with napkin for easier handling when served.

Makes enough for 12 or 15.

Tortillas and taco sauce can be bought at the J. L. Hudson company, Detroit, or Mexican specialty groceries.

The Record will publish recipes of Northville-Nowi area cooks every week of 1960. At the end chef's byline will be published in booklet form and distributed throughout the Northville-Nowi area.

Juniors to Give Play on Lincoln

A play on the life of Abraham and Mary Todd Lincoln will be presented by the Northville high school junior class April 4, 6 and 7.

The drama, "Love Is Eternal" by Ruth Sergel, is based on the best-selling novel by Irving Stone.

Director is Alvin Skow.

The story portrays Mary Todd as a high-spirited girl, well educated, witty and intelligent, whose childhood memories of slave trading move her to strong abolitionist feelings which conflict with the beliefs of her own family and friends.

She meets a man of like convictions in Lincoln, described by her sister as "not only improbable but impossible".

Their story courtship leads to a dramatic life in the White House where calculated attempts are made to smear both of them.

The popular play has been presented by hundreds of colleges and high schools throughout the country.

Local Artist Exhibits In Palette-Brush Show

Northville artist, Mrs. Joseph Sands, is among the exhibitors in the 14th annual Palette and Brush club art show being presented at the Scarab club, 217 Farnsworth at John R., through Friday.

Jurors Marco Nobili and Richard Kozlow awarded prizes to the following: Mary Sidwell, first; Lelitia Sheridan, second; Maxine Murphy, third; Jane McIntyre, Isabel Rix and Jean Speen, honorable mention.

WSG to Entertain WSCS

The WSG of the Northville First Methodist church will entertain the WSCS next Tuesday, March 15 at 8 p.m. in Fellowship hall.

Devotions will be given by Mrs. Rachel Sedan and a dessert luncheon will be served by hostess, Mrs. Roy Soule and Miss Leona Parmelee.

The program will be presented by Miss Ethel Cameron, speaking on "The Work of the Guild". Miss Ione Palmer will take the group "Around the World in 80 Days" via slides taken on her tour of the world this past year.

New Art Exhibit At Local Library

A new group of paintings by members of the Three C's Art club are now on display at the club's rotating exhibit at the Northville public library.

Northville artists exhibiting are Betty Spaeth, Catherine Hartley and Marjorie Becker.

Others are Jessie Hudson, Mable Bacon, Orville Barron, Margaret Cramer and Stanley Hench. The March meeting of the club was held at the home of Linda Kate Edgerton, Northville.

Northville art teacher Jack Van Haren showed slides taken on his recent European trip.

BANQUET PERFORMERS — Members of Girl Scout Troop 225, under the leadership of Mrs. John Lemon, are shown above at singing practice this week at the scout hall. The scouts will sing at the celebration banquet Saturday night at the community building. They are (rear) l to r: Katy Beard, Susie Hill, Linda Lemon, Carol Lipa, Beverly Spiker and Patricia Higgins; (front) Margaret Becker, Linda Secord, Diane Ambler, Jeanne Barnes, Susan Conley and Sherry Walker.

Girl Scouts To Celebrate

There'll be plenty of food, fun and entertainment in store for the nearly 350 Northville Girl Scouts, Brownies and adult leaders expected to attend a birthday celebration banquet Saturday night.

The potluck supper program, which will climax Girl Scout Week, is a birthday celebration for Juliette Low, founder of the girl scout movement.

According to Mrs. Glen Diebert, chairman of the event, the supper will be held at two different times Saturday to accommodate everyone in the community building.

Girl Scouts and their leaders will eat at 5 p.m., while Brownies and their leaders will eat one hour later. After eating the Girl Scouts will go to the gymnasium where they will dance to records until the Brownies finish their meal.

A flag ceremony will follow the supper, as well as a special birthday fund money presentation by each scouting unit. A representative of each unit will drop money collected by her group in a large pot nestled in front of a tent.

Highlighting the program will be a 40-minute film on the Girl Scout Roundup at Colorado.

The theme of the entire program will be camping. Each unit will prepare a table centerpiece based upon this theme.

Parents are invited to attend the program, which will get underway about 7 p.m.

Green Stamps
help keep
**MICHIGAN
PRICES DOWN!**

Like the ads of local merchants that you see in this newspaper, S&H Green Stamps boost business. At the same time they help keep prices down.

Here is why: When a store sells more, it can sell for less, since bigger volume brings lower costs.

Stores that use S&H Green Stamps must sell competitively. Michigan housewives are expert shoppers. They read the ads. They check and compare prices. And they can't be fooled!

Trading stamps are being saved today by two out of three American families—about 35 million in all. And their use is still growing in this and other States.

For the best values, shop at the stores in your community that give S&H Green Stamps.

Since 1896 . . .
America's Only Nationwide Stamp Plan

Novi Highlights...

Mr. and Mrs. Ray Roberts announce the birth of their sixth child, a daughter named Lisa, born in St. Joseph's hospital, Pontiac, Monday, February 22.

Mike Rackov, who is presently in New York City, is expected in Novi to visit his parents, Mr. and Mrs. William Rackov, within a few days.

Mr. and Mrs. Rex LaPlante attended a wedding reception for the former's brother, George LaPlante, and his bride, at Royal Oak Saturday evening. Mrs. LaPlante is the former Edna Roller of Royal Oak.

Clare Lockwood is a patient in Pontiac Osteopathic hospital.

Zeola Neely is back in the University hospital, Ann Arbor, for another operation on her hand.

Mrs. William Hanson, Sr. came home Sunday from New Grace hospital, Detroit, where she underwent major surgery.

Patty Henschell, daughter of the Evan Henschells of Echo Valley, celebrated her 10th birthday Sunday. Her birth date was March 1. Her guests, Kim Kozak, Charlene Ruland, Mary Ruland, Janet and Jackie Driscoll, were treated to ice cream and cake after which they all went to the show in Plymouth.

Mrs. George Atkinson substituted at Novi school all last week for Mrs. Leo Crane, who was ill.

Mrs. Gail Perkins was also a substitute teacher at Novi school for Kenneth McKay, science teacher, who is ill with pneumonia.

The Birthday club met last Tuesday night at the home of Mrs. Clarence Ortwin at Wolverine Lake. Those present were Mesdames Andy Kozak, Douglas Watson, William Paquette, Kenneth Rippey, Harold Ortwin, Robert Brown and Harry Davis.

Paul Rackov entered University hospital, Ann Arbor early this week.

After two weeks in the hospital with a hip injury Ed Shoemaker is able to get up and around again.

Mrs. James Wilenski of 11 Mile road gave a birthday party for her sons, Ronny, 4, and Jimmie, 6, on Saturday. Fifteen little playmates were present.

Herman Smith, Sr. is ill in Northville Community hospital.

Mrs. Helen Salow entered Osteopathic hospital, Pontiac, February 22.

Mrs. Archie Kent has been in Detroit Osteopathic hospital for four weeks. She was ill for several weeks at her home on 11 Mile road previous to entering the hospital.

Penny Lou, daughter of Mr. and Mrs. Bernard Marchetti, celebrated her sixth birthday last Saturday at a party at the Marchetti home.

Her guests were Melonie Simenton, John Willacker, Dennis MacDermid, Donna Kozak, Diane Skeltis, George Garcia and Mary Beth Ross.

Last week Tuesday, Fred Skellenger, son of Mr. and Mrs. Robert Skellenger of 12 Mile road, entered Pontiac Osteopathic hospital.

Other Novi folks on the sick list are Richard Miller and David White.

Harley Boilat has been on the sick list this past week. He is staying at the home of his sister, Mrs. Myrtle Manzel of Ten Mile road.

Boy Scouts Troop 54 held its weekly meeting March 2. During the meeting committee members met to sign up for the 1960 charter. Plans were made for the Polar Bear Expedition to be held at Kensington park last Saturday.

Novi Baptist Church The Unity Circle of the Baptist

church will meet Tuesday, March 15 in the Fellowship room. This group is using the theme, "The Perfect Christian Woman of this Year". At this meeting Delmar King will discuss hair styling. There will be a question and answer period, and a display of the articles obtained through trading stamp books for the new church.

A workers conference was held last Tuesday night at the church for all teachers and heads of departments under the direction of Pastor Cook. Visual aids and instruction were discussed. Plans were made for each teacher to receive a subscription to the Baptist Bulletin from the Sunday school, to participate in additional reading programs. Mrs. Heckathorn, general secretary, completed plans for the 6-point record system for teachers.

The visitation program, under the direction of Andrew Childress, will continue Thursday nights.

Thirty-two young people and their sponsors attended the missionary banquet at the Covenant Community church Saturday night.

The junior and senior choirs are working on their Easter music.

Novi Rebekahs The Rebekah Degree team will have full practice after lodge to night (Thursday).

Don't forget the roast beef dinner to be served by the Rebekahs at the hall from one to five Sunday, March 13.

The Past Noble Grands will meet for potluck lunch at noon Thursday, March 17 at the home of Mrs. Homer Cheeseman at Wixom.

Novi School Novi School Fair rummage sale articles may be brought to the school now or call Mrs. Doris Takas, GR-4-4060 for pick-up.

Mrs. Penhale's sixth grade room spelling bee was held February 24. The winner was Rebecca Lyke and runner-up was George Simenton.

Others eligible to compete in the school bee March 9 in the sixth grade are Ronald McCollum, Roberta Willacker, Deanna Bellinger, Mark Hamer, Patty Totton, Allan Ross, Ruth Munro and Richard Ratcliffe. Rebecca will receive a Webster's dictionary from The Detroit News for first prize.

Orchard Hills School Sandra Rousakis and Catherine Creel's first graders and Frances Story's second graders enjoyed a singing time together Friday.

Thursday, Miss Story's children learned about bread by making some.

Blue Star Mothers Novi Chapter 47, Blue Star Mothers, met at the home of Mrs. Marie LaFond on 12 Mile road for their March meeting. Mrs. LaFond was assisted by her daughter-in-law, Mrs. Ray LaFond. Luncheon was served to the 12 mothers present preceding the business meeting.

The mothers planned a benefit card party for May 7. Proceeds will be used to buy a TV set for the Veterans' hospital in Ann Arbor.

The April meeting is scheduled to be held at the home of Mrs. Clyde Johnston Monday, April 4.

Novi Girl Scouts Intermediate Troop 602 started their afghan projects, also discussed their Sanders trip on Monday. Delegates Kristine Larson, Susan MacGillivray and Lynn MacDermid attended the Ringdagnadoo at Farmington Junior high with their leader Mrs. MacGillivray.

Intermediate Troop 456 is working on the flag ceremony which they will present at the Mothers' club in March.

Brownie Troop 1027 attended junior church services at Novi Baptist church in honor of Girl Scout Sunday and had its picture taken by The Novi News.

Brownie Troop 902 plans on having a birthday party this week.

Mrs. Robert Skellenger and Mrs. Richard Bingham are attending day camp training. Day camp dates for this summer are July 5-15.

All girls from the third grade and up who are interested in joining Brownie and Girl Scout troops are asked to call Mrs. William MacDermid, FI-9-2205, or Mrs. Clarke, FI-9-2598 to be placed on revised waiting lists.

The congregation of the Wixom Baptist church attended a revival last week preached by Rev. Billy Walker.

Sunday guests of the Charles Wares were Mr. and Mrs. Patrick Murphy of Garden City.

George Morris is in Osteopathic hospital, Detroit, for surgery.

Mrs. May Ruggles, Mrs. Lucetta Ruggles and Bill spent Sunday in Livonia at the home of the Glen Lints.

Mr. and Mrs. Lowell Travis and son, Brian, of Greendale, Wisconsin, were guests of Mrs. Travis' parents, the Lee Harrisons of Pontiac trail.

Mr. and Mrs. Edward Baumgarten of Howell visited the Lee Harrisons Sunday.

Miss Hilda Furman, Miss Mildred Gibson, and Mrs. Helen Smith Goodman were Sunday dinner guests at the Harold Gibson home in Farmington. Harold's children, James from Michigan State university and Louise from Eastern Michigan, and their friends were also home for the day.

Mr. and Mrs. Nevin Sturman spent Sunday in Livonia as guests of their daughter and family, the E. N. Gouls.

The bowling league bowled at Milford Saturday evening and later had lunch at the Ray Lahti home.

Mr. and Mrs. Melvin Van Amburg honored Mr. Van Amburg's mother, Mrs. Florence Van Amburg at a birthday dinner Sunday. Other guests were Mrs. Clyde Smith, Mrs. Vincent Roth and Mr. and Mrs. Walter Van Amburg and daughter.

The Lions club had its regular meeting and enjoyed a steak supper Thursday night at the VFW hall. Attorney Gene Schnitz was guest speaker.

Mr. and Mrs. Herbert Abrams attended the Ice Capades at Olympia Wednesday.

Mrs. Harold Ortwin and Mrs. Delbert Geyer were at University hospital Wednesday and Sunday visiting Pattie Randolph, who is very ill.

Sunday callers at the Charles Johnson home were Miss Sadie Hopkins and Mrs. Bert Taylor from Pontiac.

IN WILLOWBROOK:

Attend Men's Club Dance

By Mrs. John Parent Greenleaf 4-2060

The Men's club of Our Lady of Victory Catholic church, Northville, sponsored a dance last Saturday evening. Mr. and Mrs. Dick Vykadal, Mr. and Mrs. Bram LeButt, Mr. and Mrs. Robert Flattery, Mr. and Mrs. Earl Barnes, Mr. and Mrs. George Barnes and Mr. and Mrs. Donald Richmond were among those who attended from Willowbrook.

Mr. and Mrs. J. W. Galvin are happy to announce the birth of a son, Robert Michael, on February 27 at St. Mary hospital, Livonia. His birth weight was eight pounds and nine ounces. His grandparents are Mr. and Mrs. F. W. Finegan of Lakewood, Ohio. The Galvins have six other children, Larry, Kathy, Brian, Libby, Greg and Danny.

The Galvin family moved last week from Willowbrook to Farmington, where they are now living in a large and newly remodeled farm house.

Claire Miller is a patient in St. Mary hospital, Livonia, with a serious throat infection.

June Anderson was hostess to the Tuesday Bridge club last week. Nora Blackwell was a guest player. Irene McCormick won the prize.

Mr. and Mrs. James McCormick and their children, Lynn and Kim, spent the week end skiing at Gaylord.

The Tuesday Pinochle club met at the home of Helen Waugh last week.

BUSY ROTARIANS — Northville area residents will be receiving the Easter Seal campaign letters next week thanks to the efforts of the Northville Rotary club. Members, under the direction of Chairman Gil Glasson, stuffed several thousand envelopes addressed to area residents with Easter Seals and a letter appealing for support of the campaign for crippled children and adults. Coincidentally, the three Rotarians shown above are all associated with schools. They are: (l-r): Nelson Schrader, president of the Northville board of education; Russell Isbister, a visitor to the Northville club and superintendent of schools in Plymouth; and Northville Superintendent of Schools Russell Amerman.

VOTE ☒ WOODWARD ON MARCH 14

"A VOTE FOR WOODWARD IS A VOTE FOR RESPONSIBLE GOVERNMENT"

(Paid Political Advertisement)

THE CITY OF NORTHVILLE ORDAINS:

Section 1. That a certain document, copies which are on file in the office of the City Clerk of the City of Northville, being marked and designated as City of Detroit Official Gas and Oil Burner Code as Amended Through July 3, 1968, be and the same is hereby adopted by reference, including all references therein printed except those sections and appendices herein amended or added, and this document together with the provisions of this Ordinance shall be known as the official heating code of the City of Northville.

Section 2. Whenever in said reference ordinance, a municipality is mentioned, said municipality shall be construed to mean the City of Northville, Michigan. Whenever in said reference ordinance the word "Commissioner" is used it shall be construed to mean the City of Northville heating inspector. Whenever in said reference ordinance a Board of Appeals is mentioned it shall be construed to mean the City of Northville Building and Zoning. Whenever in said reference ordinance the Board of Examiners is mentioned, it shall be construed as the City of Livonia Board of Examiners which shall serve as the Board of Examiners for the City of Northville.

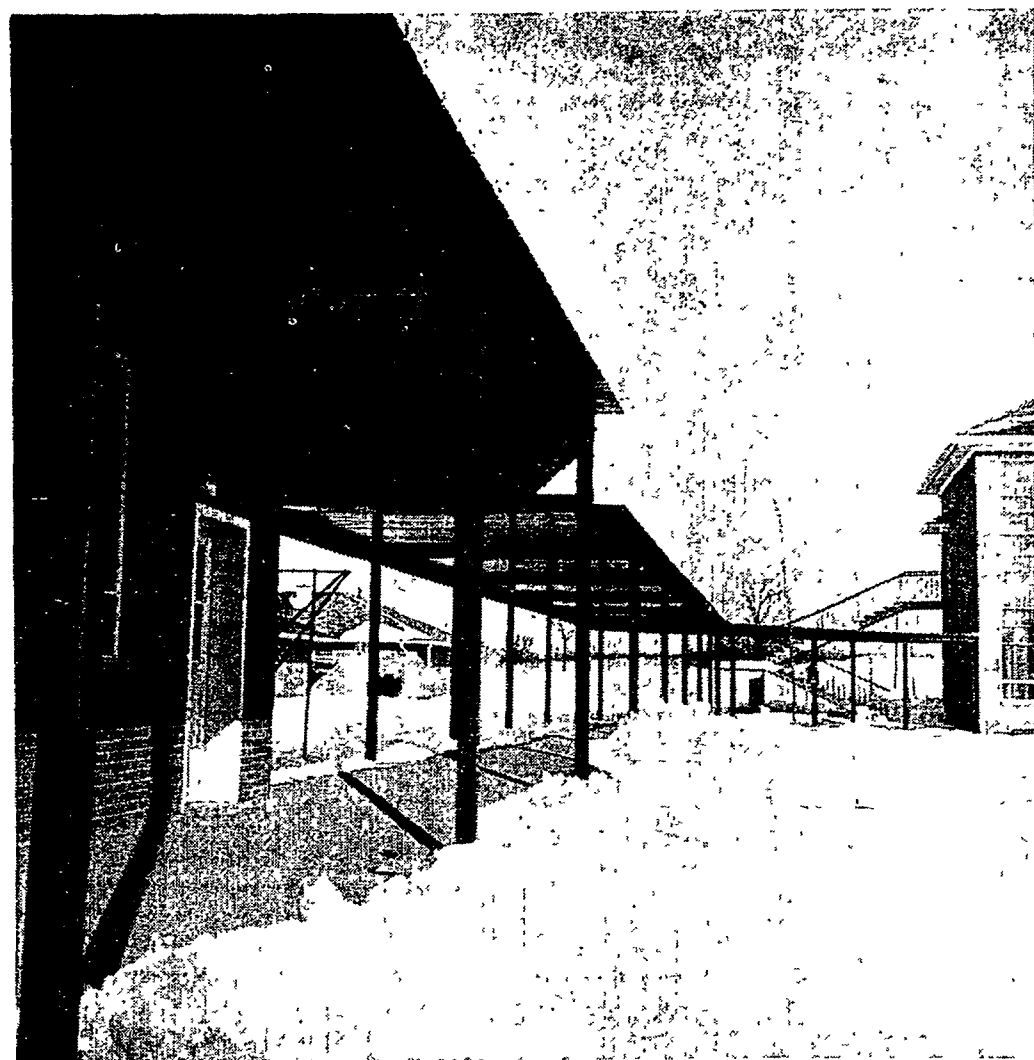

Section 3. Section 4.6: The first paragraph of this section shall be amended as follows: The fees for examinations, licenses, registrations, permits and inspections, and appeals shall be determined by the City Council, by resolution, subject to the following minimum and maximum amounts!

Section 4.7. Collection of Fees. The City Clerk shall be substituted for the Bureau of Licenses and Permits as collection agent.

Public hearing will be held on this proposed ordinance at 8 p.m., Northville City Hall, March 21, 1960.

CITY OF NORTHVILLE PROPOSED ORDINANCE

An Ordinance to regulate the design, construction, installation, maintenance and use of oil burning equipment for use in connection with all types of space heating equipment, hot water supply and steam generating equipment and appliances and appurtenances thereof; and all gas fired space heating equipment and appliances and appurtenances thereof, in the City of Northville, Michigan; to provide for a board of examiners and its powers and duties; to provide for the licensing of contractors; to provide a reciprocal arrangement for the recognition of examinations and licenses issued by other municipalities of the State of Michigan, voluntarily cooperating in the enforcement of this ordinance; to provide a penalty for the violation of the terms thereof and repealing all former ordinances and amendments thereto conflicting therewith.

BUILD CANOPY — An outdoor galvanized steel canopy over the walkway joining the main building and new residence cottage at Our Lady of Providence school, Beck road, was erected by volunteer workers Saturday. The canopy, donated by the R. C. Mahon company, Detroit, was set up by a company crew of 15 men headed by Ray Calcaterra who volunteered their time and services.

NEWS FROM THE AMERICAN LEGION

POST 147

Bob Collocott — Reporter

The Lloyd H. Green Post No. 147 of the American Legion will join in the nation-wide observance of the Legion's 41st birthday March 15-17, Post Commander Howard C. Wright announced today.

Commander Wright reported that the Lloyd H. Green post would join nearly 17,000 other posts throughout the United States and several foreign countries in the gigantic anniversary celebration of the world's largest veteran's organization. The Legion has within its ranks more than 2.7 million member veterans of World War I, World War II and the Korean conflict. Its enrollment includes the president and the vice president of the United States, 31 governors, 61 U.S. senators and 241 members of the house of representatives.

The date of the celebration coincides with the date of the Paris caucus in 1919, attended by some 1,000 weary, disgruntled, homesick members of the AEF, who breathed life into the American Legion as it is known today.

Commander Wright cited the growth in the organization's membership as an indication of public awareness and acceptance of the Legion's community service activities as well as its programs in the interest of the nation's wartime veterans. He explained the Legion enrollment in 1959 reversed a six-year trend by showing an appreciable gain over that of 1958 and that all indications pointed to an even bigger year for membership in 1960.

Although closely associated with the field of veteran's affairs the American Legion is also concerned with other services which are of benefit to the general public, Commander Wright said. Such services, he explained, include child welfare and related youth activities, the junior baseball program, and extensive citizenship programs such as Boys' Nation, Boys' State, high school oratorical contests, school award medals, etc.

Our local post will celebrate with its annual dinner put on by our hard-working auxiliary. They do a fine job and we are looking forward to a good turnout.

Time and place — Saturday evening, March 12, 8:30 p.m., Lloyd H. Green Post, 100 West Dunlap, Northville.

A display commemorating the American Legion birthday celebration will be set up in the window of Freydl Cleaners next Monday.

Name Crew Leader For Area Census

Appointment of Jessie Latter as crew leader for the 1960 Census of Population and Housing in the Northville area was announced today by District Supervisor Jack H. McDonald of the Census Bureau's district office.

Each crew leader will supervise about 20 enumerators in the nationwide census which begins April 1. Crew leader training begins Monday.

The crew leader is one of the key people in the field operations of the 1960 Census of Population and Housing. It is his responsibility to recruit and train the census takers, plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to handle problems of difficult enumeration.

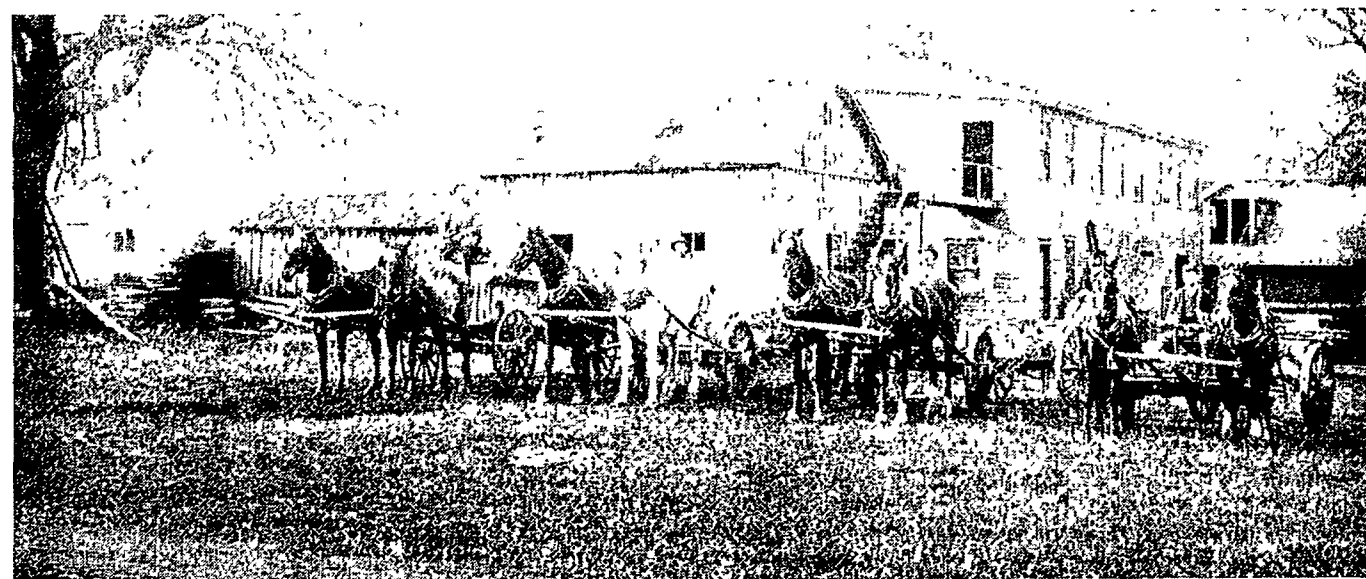

To Host Art, Craft Show

The City and Country School for gifted children at Bloomfield Hills will host a Spring Gallery of art and craft Sunday between 1 and 6 p.m.

The gallery, which is aimed at benefitting the school's gifted child project, will feature artistic, useful items from both Europe and the Far East as well as from local galleries.

Refreshments will be served, and there will be no admission charge.

Energetic Pioneers Made Area Hum with Industry 60 Years Ago

J. A. DUBUAR COMPANY — This picture of J. A. Dubuar's famous saw mill and manufacturing plant was taken about the turn of the century. The plant was located on the present site of the Ford plant, corner of Griswold and Main streets. During the 30 years Dubuar

"This is another in the series of articles on the early history of Northville written by News Editor Jack Hoffman).

Few of Northville's earliest, most optimistic pioneers envisioned the progressive little community of the late Nineteenth Century. They took pride in their farms, crude homes and bustling stores — but for the most, the hard grueling work left little time for dreaming.

Wives were content with their wood-burning stoves and "super speed" butter churns; husband treasured their crude but efficient saws, their new suspenders, and a coil of good strong rope; and children danced in delight as the Detroit peddler hawked his wares from a wagon that bounced dangerously over the rugged trails into town.

During the daylight hours there was work for young and old. At night, after supper, some family conversation, prayers, and then to bed — before the lamp fuel burned completely away. Week ends, fill the wood barrels, clean the stables, bake, baths for everyone, church and maybe a visit to the neighbor down the road.

From these early, formative years, the village of Northville emerged. Its homes, stores, banks, factories blossomed into what early historians called an "ideal resident suburb — the Switzerland of Michigan." For proof the ideal village offered in 1895:

"Best water works system in Michigan (gravity);

"Largest church furniture factory (The Globe) in the world, employing more than 200 men;

"Largest refrigerator factory (The Columbia) in this country;

"A big screen door, wheelbarrow and air gun factory (Dubuar Manufacturing company);

"An extensive dowel pin factory (The Ely);

"A large milk condenser (The Clover Leaf), the first in America to successfully sell and condense milk commercially;

"The best Gold Cure in the U.S. (The Yarnall — for treatment and cure of the alcohol, opium, cocaine, tobacco and cigarette habits);

operated the firm, millions of feet of Michigan's choicest hardwoods were turned into mast hoops, pulleys, pulley blocks, and numerous other wood products. The picture is owned by Clifford Cranson, whose father worked for Dubuar for many years.

his son John, had a two-story stone pottery erected on the present site of the hatchery. These two men, famous for their exceptionally fine work in pottery, are credited with producing the first drain tile in Michigan. They made their tile of clay dug from the banks on the opposite side of Seven Mile road.

The Harmons operated their business until 1863, then sold it to Isaac Slaght. Slaght continued in business for 20 years until the supply of suitable clay was exhausted.

Thomas B. Filkens or "Big Cooper" began manufacturing apple barrels about the turn of the Century.

One of the earliest brick yards was located on a plot of ground off Seven Mile road (hatchery road) near the Harmon pottery. Another was located on Fairbrook north of the Ambler-Ford mill pond and east of Rural Hill cemetery. The latter factory was operated by Alex Tincham. Still another yard was operated on the ground later occupied by the Gordon-Pagel condenser.

Early in the 1860's Charles G. Harrington operated a foundry for the manufacture of buzz saws and horse collars. Later, he invented the first folding school seat to become a commercial commodity in the United States.

In 1873, persuaded by F. R.

Beal, an ambitious hardware merchant, and with the backing of several local businessmen, Harrington established a firm known as the Michigan School Furniture company. Beal became

BETTER-BRAKES...BUICK '60

BRAKES HATE HEAT!

Buick's fin-cooled Aluminum Drums get rid of heat quicker so you're safer!

Brakes generate their own worst enemy — terrific heat. Excessive heat is bad because it may cause brakes to lose part of their effectiveness. So the faster you can dissipate it, the better off you are.

Buick gets rid of heat faster by using fin-cooled brake drums. On the front wheels, where most of the braking is done, the drums are aluminum. They cost more to make but they shrug off heat much faster than drums made of ordinary

metal. Buick is the only American car that makes them standard, at no extra cost, because you will be safer with them.

Best time to buy a Buick '60 is now because you will get top dollar on your old car and have a wide selection of colors and body styles from which to choose. You can own a quality Buick for less than you might think, and your Buick Dealer can arrange terms to suit your budget.

To Attend Teachers Meeting

Mrs. Ruth C. Carter, 250 Rayson, will attend the annual Delegate Assembly of the Department of Classroom Teachers, the largest affiliate organization of the Michigan Education Association, at the Union building, Michigan State university, Saturday.

About 250 teachers from all over Michigan are expected to attend the day-long meeting beginning at 9:30 a.m.

All 10 areas of the DCT, representing some 20,000 teachers, will

send delegates to the assembly. Keynote speaker of the meeting will be Clarice Kline, president-elect of the National Education Association. Miss Kline, high school teacher from Waukesha, Wisconsin, will succeed W. W. Eshelman as NEA president in July.

Highlight of the conference will be the presentation of this year's Distinguished Service Award to some Michigan teacher whose name will be revealed at the meeting. Elsie Geeting, Fremont, 1959-60 president of the DCT, will make the presentation.

Phone local news items to the Society Editor, Fieldbrook 9-1700.

Swim Pool Firm Started by Conser

A new firm, Thunderbird Pools, Inc., has been formed by Hugh P. Conser, Northville building contractor.

The company enjoyed immediate success by creating enthusiastic public interest at its exhibit at the Builders Home and Flower Show at the Detroit Artillery Armory, Conser stated.

The new firm has been appointed the franchised dealer for Wayne and Oakland counties by Universal Paradise Pools of Miami, Florida, manufacturers of pre-fabricated fiberglass swimming pools.

Milton D. West of Connemara drive is vice president and sales manager of Thunderbird. The company is the only firm in the Detroit area offering all-fiberglass pools in a variety of shapes and sizes, he said.

The pools range in size from 11 by 26 feet to 15 by 49 feet and sell for \$1635 to nearly \$6000, West stated.

The Thunderbird offices are at 21710 Rathlone drive.

Birthday Party Honors Former Resident, 80

Mrs. Floyd Northrop, a former Northville resident, celebrated her 80th birthday February 28 with a family dinner at the home of her son and daughter-in-law, Mr. and Mrs. M. Starr Northrop of Princeton, New Jersey.

A surprise tea was held later with 25 guests sharing an elaborate birthday cake in her honor. Mrs. Northrop now resides in Princeton.

Dear Friends:

Two years ago, you, the voters of Novi, elected our present five-member council to office.

Three of our members now face competition for re-election.

It is my honest conviction that your council has worked diligently

and earnestly to provide Novi with the kind of government that the majority of residents — who elected us to office — want for our community.

I hope you will see fit to let our "team" finish the assignment you have given us.

I URGE YOU TO RETURN COUNCILMEN BUTTON, GROENENBURG and TAFRALIAN TO OFFICE.

Walter Tuck
President
Novi Village Council

Canham & McDonald, Attys.
26949 Five Mile Road (39)
STATE OF MICHIGAN
County of Wayne
ss. 473,162

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the First day of March, in the year one thousand nine hundred and sixty.

Present Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of CALY M. MATHENY, Deceased.

Mary Gertrude Matheny, administratrix of said estate, having rendered to this Court her first and final account in said matter:

It is ordered, That the Fourth day of April, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ernest C. Boehm,
Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Northville, Mich.
STATE OF MICHIGAN
County of Wayne
ss. 473,277

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the sixteenth day of February, in the year one thousand nine hundred and sixty.

Present Ira G. Kaufman, Judge of Probate.

In the Matter of the Estate of ADA L. ROE, Deceased.

Thomas Carrington, executor of the last will and testament of said deceased, having rendered to this Court his first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned in accordance with the provisions of said last will:

It is ordered, That the Thirty-first day of March, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ira G. Kaufman,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

ORDINANCE ADOPTION

Village of Novi

Village Ordinance No. 19

An ordinance to provide for village planning: to create and organize a village planning board for the village of Novi, and to prescribe the duties, responsibilities and powers thereof.

Made and adopted by the village council of the village of Novi on the 7th day of March, A.D., 1960 and shall become effective upon publication.

MARY WALLACE,
VILLAGE CLERK

Obituary

HUBERT M. JOHNSTON

Funeral services were held Tuesday for Hubert M. Johnston, 60, of 23633 Taft road, Novi township. He passed away March 5 at Redford Community hospital after a heart attack. Mr. Johnston, who had made his home here since 1945, was born October 29, 1899 in Blenheim, Ontario, Canada, the son of John and Lily (Ramsden) Johnston. His wife, the former Mildred L. Satterfield, survives him. They were married December 26, 1929. He also leaves three sons, Robert and Larry of Novi and Lorne of Detroit; five daughters, Mrs. Barbara Hoskins and Mrs. Lula Bowers of Novi; Mrs. Mary Cox of Farmington, and Lily and Luella of Detroit, and five grandchildren. Mr. Johnston was a member of the Lighthouse Assembly of God, Walled Lake, and was employed by Bathey Manufacturing company of Plymouth. A prayer service was held from the Spencer J. Heene Funeral home, Farmington, Sunday. The Rev. Marion Hodgson of the Walled Lake church officiated. Services were held from the Bowman Ford Funeral home, Blenheim, Ontario, Tuesday, the Rev. Hodgson officiating. Burial was in Burke cemetery, Erie Beach, Ontario.

Mr. and Mrs. Leo Goss of Chig-widen road returned recently from a Florida vacation. They visited friends and relatives in Ft. Lauderdale, Indian Rocks, Jacksonville and Pompano. While there they also met their son, Dick Howell, and Rick Atchison.

To Present Film On Soviet Schools

Local residents will be able to take a look at Russian education next Wednesday when the Northville P-TA and Teachers' club presents a Russian-filmed account of the Soviet school system.

The movie, which has English dialogue, will be shown at 8 p.m. in the high school auditorium. Entitled "School Days", the film was made in Russia and shown first in Soviet commercial theaters.

A print of the film was presented to officials of the U.S. Comparative Education Society during the group's recent trip to the Soviet Union.

The picture professes to document the Soviet 10-year education program, showing Russian children in their schools — how they work, play and learn.

Brownies Elect Officers

Brownie Troop 209 selected new officers from the Do It and Done It box. The officers are: scribe, Theresa Vogt; treasurer, Denise Bidwell; American flag carrier, Linda LaRogue; color guard, Beverly Mar-rani; Brownie flag carrier, Linda Whitefall; color guard, Mary Pro-dger; commander, Holly McDonough. The girls also made name tags and invitations for the Girl Scout potluck supper which will be held Saturday and practiced the skit they will perform that evening.

A JOB WELL DONE — Close to 150 Cub Scouts and their parents of Pack 721 shouted rousing hup, hup, hurrahs for their outgoing leader, Art Pro-dger (with gift) at a Blue and Gold banquet at the VFW hall Monday. Francis Gazlay, community commissioner for scouting, (right) presented Pro-dger with the gift, while (l-r) Al Smith, institutional representative; Bob Beerbower, committee chairman, and Al Myers, new pack leaders, look on. Pack 721 is sponsored by the VFW.

READERS SPEAK:

Protests 'Four Corner' Rule

To the Editor,

About eight years ago, we bought the site on which our home now stands. Like many others, we were attracted by the seclusion of the area; the absence of noise, dirt, traffic, business and government that characterizes the city. Novi was a rural area at that time with a few homes and a little industry and business clustered around a stoplight at Novi road and Grand River. We lived peacefully and unconsciously of the existence of the township government. This administration operated quietly and effectively. There were no major disagreements or battles over every issue.

During the following years, many small population centers began to develop. Subdivisions mushroomed throughout the township as new residents came and liked the quiet country atmosphere. The stoplight became more and more worried about the growth in the areas outside the "four corners". Little was happening to improve the depressing sights at this intersection. Then one day came the cold realization that the stoplight might no longer be the population center of the area. Fear gripped its works. Mechanics were called to diagnose the trouble.

It was decided that nothing was wrong at the intersection, but that the potential new communities in the township should be controlled. The only solution was to create another government to insure that the newcomers were kept in line so that no new communities would be incorporated and threaten the position of the stoplight on the map. Quietly, a few people prepared and circulated incorporation petitions. It was not always easy to get signatures because some unenlightened residents did not want more government; but the perpetrators of the plot were persistent and the necessary signatures were obtained. The boundaries of the new village were set to include most of the township. Only two subdivisions escaped. It was only then that the residents of the rural areas slowly became aware of what was being done to them. THIS WAS THE END OF THEIR PEACEFUL EXISTENCE. Resistance movements were started, but it was too late. Too many were convinced of the miracle this new government could perform and the advantages it would give them. The rural areas were not yet strong enough to resist. The village was voted down the throats of many people by a narrow margin. The stoplight was safe.

The residents waited for the next

move to be made, but little of a constructive nature happened. There were no radical changes or improvements but taxes increased. As time passed, arguments began to develop. The residents found themselves spending more and more time and money in defending against the government that was supposed to represent them. The various population centers within the legal boundaries of the village were one after another antagonized by the new government as attempts were made to bring dumps, race tracks, trailer courts, and industrial zoning into their residential neighborhoods. Public hearings became louder and more resentful as the new government tried to force its ideas on an unwilling public. Executive sessions were brought into use so that objecting voices would not interfere with council actions. It became more apparent that those elected and appointed were under the spell of the stoplight and did not represent the people.

Now the stoplight is again uneasy. Another election is only a few days away. The stoplight remembers the public hearings on zoning and other changes where the council was hard

Explains Plan For Future Wixom

To the Editor:

I would like to clarify a report that appeared in The Novi News on the week of February 18, where it stated that Wixom was planning for 12 schools.

First allow me to quote the Regional Planning Commission that predicts future growth for Ohio, Indiana, Michigan and part of Illinois. They predict a population of about 8,000 for the Wixom area for the year 1980, which is a far cry from 40,000.

What the consultant stated was that "if the area had a population of 8,000 by 1980 by the year 2000 we could support a city of 40,000 if that city decided to urbanize and have sewer and water". The planners are not recommending sewer and water but in order to save future taxpayers a large amount of money by eliminating the terrific elementary school-bus problems they recommend that the city in some way or other set aside land for neighborhood schools to take care of five or six hundred children in a neighborhood where the children could walk to school and not have to cross major streets.

The planning commission is giving of their time without any compensation trying to protect the citizens from selfish exploiters. They are the humble servants of the people and all of their meetings which are held on the third Monday of the month are open to the public. They are hoping to help plan a city where the grandchildren of the present residents will find Wixom a good place to live. All that has been accomplished so far is to present a preliminary plan as a guide to a master plan. The planning commission does not zone property — all they do is recommend zoning. The city council zones and enacts the law. There is a copy of the preliminary plan in the city hall and every citizen is invited to read it over from cover to cover.

Sincerely,
Johanna Ware
Planning Commission Chairman

Services Mark 10th Year

The tenth anniversary of the dedication of St. Paul's Evangelical Lutheran church and parish hall will be observed in three services this Sunday.

The services will be conducted by pastors who once made their home in Northville.

The Rev. E. E. Rossow, pastor at the time the church was built and now institutional chaplain in Saginaw, will preach in the morning services at 8 a.m. and 10:30 a.m.

His son, the Rev. E. J. Rossow, pastor of Grace Lutheran church of Fairgrove, will speak in the 3:30 p.m. service.

The Rev. Alvin Schnute, pastor of Unity Lutheran church in Detroit, whose parents still reside in Northville and are members of St. Paul's, will serve as liturgist in the afternoon service.

The Rev. B. J. Pankow, pastor of St. Paul's, will assist as liturgist in both the morning and afternoon services. The public is cordially invited to all services.

Special anthems will be rendered in the services by the church and day school choirs and by the children of the Sunday school. An anniversary supper will be served by the ladies of the congregation at 5 p.m.

St. Paul's church and parish hall are of semi-Gothic architecture and were built at an approximate cost of \$160,000. Each building seats about 300 people.

The church, located at High and Elm streets, was built by the construction firm of Walter Couse, a Northville resident.

Last year a new education building was added to the church plant. The new structure houses the Christian day school which was opened last fall.

Cut Fuel Oil Prices Half Cent

Major suppliers of fuel oil in the western Wayne county area report a reduction in prices this week.

The new figures are 15.1 cents for No. 2 oil and 16.1 cents for No. 1 oil. During the past three months oil prices were 15.6 and 16.6 cents. This same price held in March of last year, also.

They're Wearing Orchids

Three visitors to Villa Dress Shoppe's grand opening event Friday were winners of orchid corsages.

Ruth Stroh of Napier road received a white orchid, while Mary Lou Sissom of Ely drive and Mary Ann Whiteford of Franklin road received lavender orchids.

Villa recently moved to the corner of Main and Center streets from its location on North Center.

Word is getting around fast that it's pretty easy to win a beautiful, new 1960 Evans Interceptor bicycle or Motorola "Pocketeer" transistor radio.

The Northville Record-Now News circulation campaign began Saturday. It will continue

Leon Gross of Wixom examines one of the Motorola transistor radios. Leon signed up Saturday at the Wixom office at the Wixom Barber Shop, next to the city hall. The Novi office will be changed this week from Harwood's Used Car office to Novi Rexall Drugs, 43035 Grand River. All offices, including The Record office in Northville, will be open from 9:00 a.m. until 1:00 p.m.

through Saturday, April 9 — plenty of time for anyone to earn a bicycle, radio, or both.

Young John Canterbury demonstrated just how easy it is by selling 13 new subscriptions to The Record on Saturday (see picture on page one).

The Record-News campaign is aimed at obtaining new subscribers in the local trading area only. By selling 15 new subscriptions a salesman can earn a new bicycle. And for only 10 new subscriptions he can earn a radio.

So, you can see, it isn't difficult at all. You can sell either The Record or Novi News to anyone not now subscribing to either paper. Subscriptions must be sold to residents of Northville, Novi, Walled Lake, Wixom, Salem or Plymouth, however. (See complete details on page 13).

Many more are expected to obtain their sales books this Saturday at one of the three offices located in Northville, Novi and Wixom.

This Saturday the office in Novi will be changed to Novi Rexall Drugs, 43035 Grand River. The Record office is located at 101 North Center in Northville, while the Wixom office is located at the Wixom Bar-

ber shop, next to the city hall. All three offices will be open from 9 a.m. until 1 p.m.

So far subscription salesmen have found it is not difficult to sell the newspaper to a non-subscriber. Many times, especially in the new subdivisions, the customer is a new resident and is glad to have the newspaper to become acquainted with local affairs.

Some people have been in the habit of buying the newspaper at the store and would just as soon have it delivered by mail. They save \$2.20 by subscribing, too. The newspaper costs 10c per week at the newsstands and only \$3.00 per year when delivered by mail!

All salesmen are asked to report their new subscriptions each Saturday so that subscribers may start receiving their paper as soon as possible.

A reminder to new subscribers — chances are that your paper will start arriving one full week after you sign up. Salesmen report on Saturdays only, so sales made earlier in the week are not recorded until the following Saturday.

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868—Thursday, March 10, 1960—9

SIGNING UP — William Pietron of Novi and Eric Stein and Linda Nolte of Northville were among the first to sign up for The Northville Record-Now News circulation campaign Saturday. They're shown at The Record office receiving their sales' books from Mrs. Juanita Wiseman and Mrs. Mary Donovan. Evans "Interceptor" bicycles are being given anyone selling 15 new subscriptions to The Record or News, while 10 new subscriptions earns a Motorola transistor radio. See page 9 and 13 for full details.

"Off-the-Record" Teen Court To be Explained at Rotary

The prosecuting attorney of Oakland county will be the featured speaker next Wednesday night at the Northville Rotary club's "Family Night" dinner.

George F. Taylor, elected a year ago to the top post in the Oakland county prosecutor's office, has been a staff member for 14 years. He served as chief assistant for seven years.

Prosecutor Taylor will talk about the "Off-the-Record Court" for teenagers. The court was originated by Taylor in 1953 and has been used in Canada, California and Massachusetts.

A graduate of the Detroit College of Law and Wayne university, Taylor also studied criminology at Northwestern university. He was legal clerk for the Honorable Frank L. Doty and H. Russel Holland for two years.

Program chairman for the evening will be Clifton Hill. The program will follow the same procedure of a regular Tuesday noon meeting, but with wives in attendance so that they may see what "goes on" in a normal Rotary meeting.

The "Family Night" dinner will be held at the First Presbyterian church beginning at 6:30 p.m.

FASCINATING FACTS ABOUT NATURAL GAS

1858 — First Natural Gas Corporation

In 1858, the first Natural Gas Corporation was formed near Fredonia, New York. Not until 53 years after its discovery — another 50 years before many people began to benefit from this wonderful fuel. Today, a century later, millions of Americans enjoy this "stored sunshine".

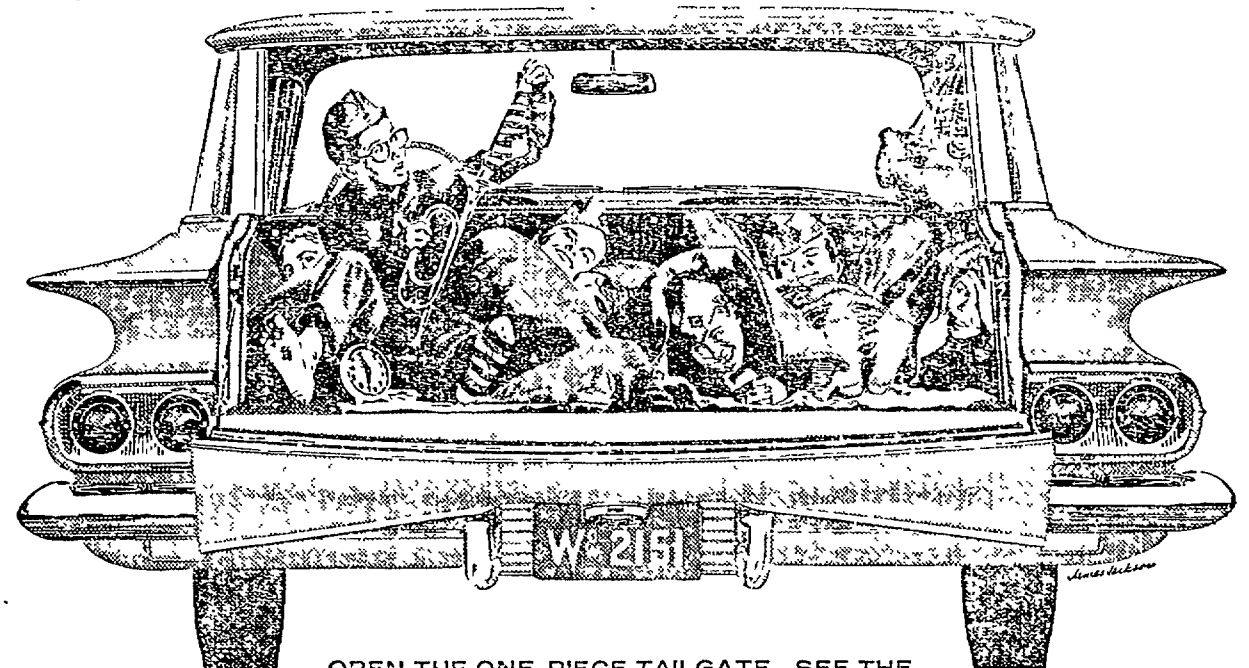

1958 — Natural Gas 28% of U.S. Energy

In 1900, Gas supplied only about 3% of the total energy needs of the nation! After 1920, its growth was greatly expanded by the development of transmission pipe (to carry the Gas to market) and the development of a superior, low-cost demand for a superior, low-cost fuel. This obliging Giant now supplies more than 1/4 of the wealth-producing energy of the nation! *

*Consumers Power Company is constantly expanding its gas facilities to meet the demands of homes, factories and commercial establishments that are making effective use of this clean, low-cost, easily-controlled fuel.

GET THE FACTS — BETTER YET — GET GAS! PG-6974-21

GET ACQUAINTED MEETING — John Goss (right), local Navy recruiter headquartered at the American Legion hall, shakes hands with Commander David W. Zimmer, who is relieving Commander Leo Schwabe as the officer in charge of Michigan naval recruiting. Commander Zimmer and Lt. Commander Guy E. Noble (left) visited Goss last week Wednesday for a "get acquainted session" and inspection of Navy recruiting office here.

-In Uniform-

Francis L. Smith, personnel man first class, USN, son of Mr. and Mrs. Leland V. Smith of 419 Yerkes avenue, took part in a large-scale anti-submarine exercise off the coast of southern California last month.

Husband of the former Miss Joanne E. Tuck of 115 Dunlap, Smith is serving aboard the destroyer USS R. B. Anderson.

The purpose of the operation, which was under the control of the US First Fleet commander, was to keep American sea power in a state of readiness.

The exercise pitted "Purple" aggressor forces, supposedly deployed from an overseas base, against "Blue" defender forces.

Marine Pvt. Robert D. Timmeney, Jr., son of Mr. and Mrs. Robert D. Timmeney, Sr. of 21500 Holmbury road, Northville, completed four weeks of individual combat training February 26 at the Marine Corps base, Camp Pendleton, California.

The course included the latest infantry tactics, first air, demolitions, field fortification and advanced schooling on weapons. The course lasted four weeks.

Jack L. Nitzel, son of Mr. and Mrs. Paul E. Nitzel of 317 River street, graduated from recruit training last month at the Naval Training Center, Great Lakes, Illinois.

The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

JVs Honored With Dinner

Northville's junior varsity quintet, which finished its season two weeks ago with a record of ten victories and five defeats, was feted at a dinner Friday evening at the home of Mr. and Mrs. Glenn Long.

On hand for the turkey and ham dinner were the 13 members of the JV squad, including Long's son, Tom, who led the team in scoring this season, and Coach Al Jones.

Long, a sophomore, ended the season in a blazing display of shooting accuracy, hitting 30 points to cap a 158 season scoring spree.

Northville Township Ordinance No. 10

ORDINANCE NO. 10 TOWNSHIP OF NORTHVILLE

AN ORDINANCE TO PROHIBIT POSSESSION, DELIVERY, OR SALE OF ALCOHOLIC BEVERAGES IN HOSPITALS AND SANATORIA IN THE TOWNSHIP OF NORTHVILLE WHEREIN PATIENTS ARE RECEIVING CARE AND TREATMENT, AND TO PROHIBIT GIFT, SALE OR DELIVERY OF ALCOHOLIC BEVERAGES TO PATIENTS IN ANY HOSPITAL OR SANATORIUM IN THE TOWNSHIP OF NORTHVILLE.

The Township of Northville ordains:

SECTION 1.

It shall be unlawful for any person to have any alcoholic beverage in his possession while on the premises of any hospital or sanatorium in the Township of Northville wherein persons are receiving care or treatment or for any person to give, sell, deliver, or offer to give, sell or deliver, directly or indirectly, any alcoholic beverage to any person while such person is receiving care or treatment in any hospital or sanatorium located within the Township of Northville, PROVIDED HOWEVER, that the foregoing shall not apply to alcoholic beverages purchased and dispensed by such hospital or sanatorium for medicinal purposes.

SECTION 2.

Any person or persons violating any of the provisions of this Ordinance shall, upon conviction thereof for each offense, be subject to a fine not to exceed One Hundred Dollars (\$100.00) or ninety (90) days in jail, or both, such fine and imprisonment in the discretion of the Court.

SECTION 3.

All Ordinances or parts of Ordinances in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

SECTION 4.

This Ordinance shall take effect thirty (30) days after the date of first publication of said Ordinance. NORTHVILLE TOWNSHIP BOARD

By George L. Clark, Supervisor

Countersigned:
Marguerite Northup,
Northville Township Clerk
I, MARGUERITE NORTHUP, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at the regular meeting thereof held on the 1st day of March, 1960, and was ordered to be given publication in the manner prescribed by law.
Marguerite Northup,
Clerk

AMENDMENT NO. 3

to

DOG ORDINANCE AS AMENDED

TOWNSHIP OF NORTHVILLE

AN ORDINANCE TO REGULATE THE POSSESSING, HARBORING, OWNERSHIP AND RUNNING AT LARGE OF DOGS; TO PROVIDE FOR THEIR VACCINATION AND FOR THE DESTRUCTION OF VICIOUS AND DISEASED DOGS IN THE TOWNSHIP OF NORTHVILLE, TO PROVIDE PENALTIES FOR VIOLATION THEREOF.

The Township of Northville ordains:

SECTION I.

That the Dog Ordinance of the Township of Northville be and it is hereby amended by adding thereto one new section to be numbered 2 (a), which will read as follows:

Section 2 (a).

When the dog is vaccinated with modified live rabies virus of chick embryo origin, proof of vaccination within two years preceding the date of the application for license shall be deemed compliance with Section 2 of this Ordinance, as amended.

SECTION II.

All Ordinances or parts of Ordinances in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

SECTION III.

Should any section, clause or provision of this Ordinance be declared to be invalid, or shall certain applications of any part of this Ordinance be deemed invalid or unconstitutional, the same shall not affect the validity of this Ordinance as a whole, or any part thereof other than the part or applications so held to be invalid or unconstitutional.

SECTION IV.

The provisions of this Ordinance are hereby ordered to take effect upon the expiration of thirty (30) days after publication in the manner prescribed by law.

NORTHVILLE TOWNSHIP BOARD

By George L. Clark, Supervisor
Countersigned:

Marguerite Northup,
Northville Township Clerk
I, MARGUERITE NORTHUP, Clerk of the Township of Northville, do hereby certify that the above Amendment to Dog Ordinance of the Township of Northville was approved and adopted

by the Northville Township Board at the regular meeting held on the 1st day of March, 1960, and was ordered to be given publication in the manner prescribed by law.

BUY AN electric dryer NOW!

SPECIAL
INSTALLED
PRICE

INCLUDES WIRING

LIMITED TIME ONLY

If you've never owned an electric dryer, you've never known complete washday freedom because only electric dryers give you all this:

Clean—The cleanest method of drying clothes there is! There are no fumes or products of combustion to circulate. No flames to guard. Clothes dry in clean electrically heated air.

Safe for all fabrics—There's exactly the right setting for every fabric. No hot spots. No temperature fluctuation. The most accurate controls are electric.

Fast—Gentle radiant heat starts drying right away. Drying time cut to a minimum.

Low priced—Because of fewer operating parts and simple trouble-free design, electric dryer prices are surprisingly low.

Special installed price—For a limited time, the price you pay for one of these well-known electric dryers will include normal wiring installation on Detroit Edison lines in dwellings up to and including four-family. "Normal wiring installation" means one dryer (220-volt) circuit only.

Free Service—Over and above the manufacturer's warranty, you are protected by Edison's long-standing policy of service without charge for electrical parts or labor.

choose from these leading makes of electric dryers:

Lights Out for Mustangs

Bulldogs Nip Northville But Lose Tourney Crown

There was no rejoicing in Northville Thursday night. The only laughter was the gurgling sound of the showers as they mockingly slapped sweaty players with hot and cold water. Northville had lost its final basketball game of the season — a defeat that knocked the Mustangs from the district tournament.

It was the W-O champion Bulldogs who fired the final stinging blow, 62-57, before a screaming crowd of tournament spectators at the Northville high school gymnasium. The loss was the tenth in 16 starts this season, and it marked the second defeat this season at the hands of the Bulldogs.

In losing, the Mustangs fired 22 field goals to the Bulldogs' 21, but stumbled at the free throw line to hand Brighton the victory.

And the wounds of defeat were reopened Saturday night as the underdog Lions roared out of their South Lyon cages to gobble up the Bulldogs in a runaway victory, 72-52, to clinch the tournament crown and earn themselves a berth in the regional tournament at Willow Run.

Just one week before the local tournament, Northville ends its regular season with a walloping 82-55 win over these same Lions.

Thus, the season ended as it began for the Mustangs: "If only if."

After a slow start by both clubs, Brighton moved into a one-point, 10-9 lead at the conclusion of the first period.

The lead switched hands several times during the second stanza, but by intermission, the Bulldogs had stretched their thin lead to two points, 27-25.

Brighton jumped out front by five points midway in the third quarter before the Mustangs snatched the lead with three minutes to play. Then in a basket for basket exchange, the two teams tossed the lead back and forth eight consecutive times. But when the third quarter race ended, Brighton clung to its two-point lead, 46-44.

Northville threatened again late in the final period, moving to within one point of the champions, but the attack fell apart as Brighton added several quick baskets to grab an eight-point lead with little more than a minute to play.

All-suburban candidate and league scoring leader, Don Appleton, fired 25 points to grab honors for his squad.

Teammate Doug Verellen, forward, was next high for Brighton with 12 points.

Northville's Roger Atchinson pushed through six field goals and four charity shots for a total of 16 points to lead the Mustangs in their futile attack. Sophomore Steve Juday continued his scoring streak, netting 14 points.

The Mustangs attempted 27 free throws, netted 13 for a 48 percent average, while Brighton hit 20 in 30 attempts for a 66 percent average.

In the only other tournament game, South Lyon turned back Milford, one of the W-O leaders, 54-44, in the opening round. This victory, plus the playoff win over Brighton, earned the Lions a berth in the regional tournament which got underway Tuesday at Willow Run.

NOT HIGH ENOUGH DANNY — Brighton's big center, Don Appleton stretched over Center Danny Brown's shoulder to tap in this rebound for a two-pointer. Looking on are Roger Atchinson (24) and Wade Deal (54).

Sports

THE NORTHVILLE RECORD—Thursday, March 10, 1960—11

Shatter Tourney Hopes Of Northville Wrestlers

Several "bad breaks" slashed Northville's tournament hopes last week end as eight varsity wrestlers battled for state final positions at Ann Arbor.

With third or fourth place positions nearly clinched, 145-pound Gary Nichols and Terry Cherne, 154-pound Mustang, were barely clipped in the quarter finals after scoring first-round victories.

Nichols, a sophomore who Coach Chuck Shonta labels as the most improved wrestler on his squad, felled a Monroe Catholic Central wrestler in the first-round of the regional meet, 4-1.

Advanced to the quarter finals as a result of his win, Nichols was pinned by a Ypsilanti youth who went on to the finals. Because he lost to a wrestler who advanced to the finals, Nichols drew a first-round consolation match with Garden City for the runner-up positions. But he lost again, 4-1.

In Northville's best weight class, Cherne shut out River Rouge in his opening match, 7-0, but lost in the quarter final, 2-0. In a consolation match, Cherne downed Ann Arbor, 5-0, and advanced to the semi-finals where he was edged 7-6.

In the latter match, the score was 6-6 at the end of the regulation six minutes, but Cherne's opponent was handed a single point for "riding" (on top most of the time).

Bill Juday, Northville's 180-pound senior, wrestled a River Rouge youth to a 1-1 deadlock, then lost in overtime, 3-0. (Tournament overtimes are played in two periods of

one minute each. Other matches: Tom Slattery, 112 pounds, was pinned in the first round by Fordson;

Bob Stuber, 127, was beaten by Trenton, 5-0, qualified for the consolation round but failed to make an appearance because of an injured rib;

Coach Shonta and Ashby

Elected Captain

Jim Tuck, 165-pound sophomore, was elected captain of the 1960-61 varsity wrestling squad last week.

In another election, Blaine Ashby, 165-pound senior, was voted the most valuable player on this year's wrestling squad.

Tuck, who saw brief action this season, impressed Coach Chuck Shonta and fellow team members with four straight victories in exhibition meets.

Spiritual treasures are available to all - this is a theme of the Lesson-Sermon entitled "Substance" to be read at Christian Science services Sunday.
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following will be read (451:14): "Man walks in the direction toward which he looks, and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit."

Hawaii Bound!

Marine Pvt. George A. Funke, son of Mr. and Mrs. A. J. Funke, Sr. of 18303 Northville road, departed from San Francisco February 12 aboard the USNS Mann, with a replacement draft bound for duty in Hawaii.

Personnel in the draft will replace Marines who are scheduled for rotation back to the states.

from the PASTOR'S STUDY

By the Rev. James F. Andrews
Full Salvation Union Chapel

God has always been interested in making it possible for the world to believe. He had this in mind when He told Abraham that his posterity would number as the sands of the sea.

For hundreds of years God dealt with the Jews, His chosen people.

He did this not because He had lost concern for the rest of the world, but because infinite wisdom dictated that this was the way to proceed.

If the Jews had been obedient, fully surrendered to God's mind, God no doubt would have used them to represent Him on earth.

But they were a disobedient and gainsaying people, so God sent Christ to earth to demonstrate that it was possible to be in the world, yet fully controlled by the mind of God.

Christ gathered about Him a few disciples and taught them this truth: that it is no longer man that lives, but Christ Jesus that lives in him; that man becomes God manifest in the flesh, whose body is controlled by God's mind instead of his own.

God had not lost interest in making it possible for the world to believe. But, when confronted with the obstinacy and rebellion of Israel, His wisdom dictated this was the proper course to pursue.

That is the reason Jesus said (John: 17) that He prayed not for the world but for a chosen few, those that were not of the world, even as He was not of the world, and all those who should believe in Him through their word.

"That they all may be one, as Thou, Father, art in me and I in Thee; that they also may be one in us; that the world may believe Thou hast sent me"

Christ knew it was not God's plan to evangelize the world or, in displays of miraculous power, to persuade the world to believe.

But He knew it was God's plan to raise up a chosen people: a people whose God is the Lord; a people who are so fully and completely surrendered to the mind and will of God that they are able to manifest Him on earth; a people who constitute the body of Christ; a people perfectly joined in the same mind and judgment, who all speak "God's mind"; a people who fulfill

the promise of "one fold and one shepherd"; a glorious church without spot or wrinkle.

Isaiah, prophesying about such a people said they would be called by a new name which the mouth of the Lord shall name.

That name is Full Salvation Union; not necessarily those three words, but a name identical in meaning.

God's people shall be known by a new name, a name that is greater than the sound of any words, a name bespeaking full salvation, full deliverance from the bondage of natural corruption, a name declaring oneness in God's mind, a mind that is incorruptible.

It is God's plan to raise up such people through the Spirit and to make them manifest on earth, just as the Jews were raised up by God through the flesh.

Until such reality is made manifest there is no way the world can believe.

The "world-mind" cannot believe in a hidden spiritual reality because it is foolishness to such a mind.

But when God brings Full Salvation Union into full view before the world, the world will believe the reality it beholds.

There is no hope in any but God's plan. Many who have a zeal of God, but lack knowledge, get enthused over some plan of religious activity that seems to be the way to save the world.

But all such activity is really only beating the air, for until God's people are made one, and Full Salvation Union becomes real on earth, the world cannot believe.

God must answer the prayer that Jesus prayed so long ago!

Everyone who is called should "strive to enter in at the straight gate (God's mind), for many shall seek to enter and shall not be able."

Every weight, every sin that so easily besets us through the workings of our own minds, should be laid aside.

And we should run with patience the race that is set before us, looking to Jesus, the Author and Finisher of our faith. For in due season we shall reap if we faint not.

NORTHVILLE

NORTHVILLE

from Hugh Bronough, Mgr.

Folks - I am certain that many of you have seen and heard the Bell Telephone Hour TV programs that have been presented during the 1959-60 season over the N.B.C.

network. We have tried to bring not only the best in musical entertainment but world famous artists to sing and play the music we all love so well.

I thought you would like to know that our tenth program of the season will be coming your way over N.B.C., W.W.J. TV, Friday, March 11 starting at 8:30 P.M. Howard Keel, Carol Lawrence, Connie Francis and a host of other stars will be performing on the Bell Telephone Hour, so-o-o better not miss it.

SMOKE SIGNALS were a fast and easy way for Indians to talk across the hills and lakes of Michigan, but they had their limitations.

For one thing, the man sending the signal couldn't say anything beyond a pre-arranged message. Suppose, for example, a hunter told his wife that one puff of smoke would mean that he'd be coming home for dinner and two puffs meant that he wouldn't be home. If he was late, or if he wanted to bring a friend along, there was no way he could warn his wife! These smoke signals might have been our first long distance communication, but for speed and convenience, nothing can beat today's telephone call.

ON NASTY WEEKENDS in March, amateur gardeners like to get together to discuss the Spring planting. Whenever this happens, and whenever a problem comes up, they're likely to get out the handiest shopping guide there is—the Yellow Pages. Aside from numbers and addresses, there's lots of specialized information in the Yellow Pages, and it's solved many a question for amateur gardener and garage mechanic alike. So if you want a product or service, look for the detailed information in the Yellow Pages. It's put there by businessmen to help you.

PARTING SHOT: Whenever trouble comes, there's one good thing to have up your sleeve: a funny bone.

Clinic to Explain New Weed Control Methods

Is crabgrass the bane of your existence? Do you spend hours during the summer months killing crabgrass seedlings as they appear in the lawn?

This is the old-fashioned way. Plan to attend the free weed control clinic to be held in Northville at 8 p.m. Wednesday, March 16, and let the experts tell you about modern crabgrass controls which enable you to kill this pest as it germinates instead of waiting until it actually comes up.

Scheduled to take place at the Northville community building, the program will not only cover the control of crabgrass but other common

weeds, such as chickweed, dandelions, plantain and quackgrass. These clinics are designed especially for the home gardener.

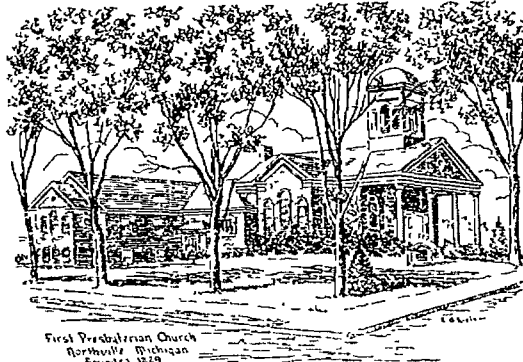

First part of the program, which is co-sponsored by the Michigan State university cooperative extension service, will cover identification of weeds. Color slides will be shown. There will be both mature and seedling weed specimens.

Herbicides to use for specific weeds will be discussed in detail. There will then be a demonstration showing how to apply these herbicides with different types of equipment, such as a spreader and hose sprayer.

The program will end with a step-by-step monthly weed control timetable for the home gardener.

Main speaker will be Don Juchartz, Wayne county horticultural agent. Also on the program will be P. R. Biebesheimer, Wayne county cooperative extension director, and Ed Kidd, Wayne county agricultural agent.

Phone local news items to the Society Editor, Fieidbrook 9-1700.

"A FUNERAL HOME LIKE YOUR OWN HOME"

PRIZES... FOR YOUNG and OLD!

(AND EVERYONE IN BETWEEN)

"BOY, IT'S EASY TO EARN A NEW EVANS BICYCLE! YOU JUST HAVE TO SELL 15 NEW SUBSCRIPTIONS TO THE RECORD OR NOVI NEWS!"

Just like the EVANS BICYCLES You see at STONE'S GAMBLE STORE!

It's The New 1960 Interceptor '300' Boys' or Girls' Models

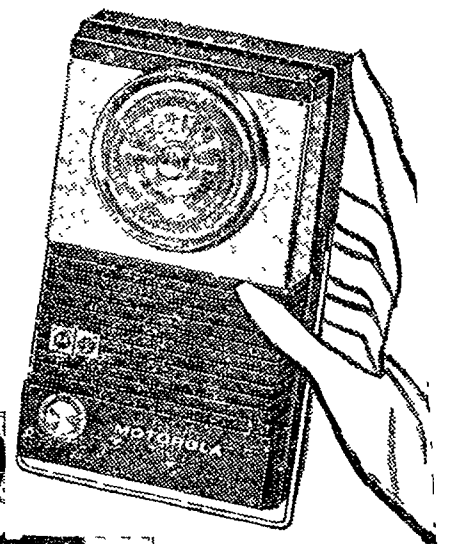

Choice of Colors — In 24 or 26-Inch Size

Earn A Nationally Famous EVANS BICYCLE

OR MOTOROLA

Transistor Radio

This powerful Motorola Transistor is sold locally at Northville Electric Shop.

You can earn a new EVANS Interceptor 300 Bicycle or a Motorola "Pocketeer" Transistor Radio — or BOTH — simply by selling 15 new subscriptions (for the bicycle) or 10 new subscriptions (for the radio) to THE NORTHVILLE RECORD or NOVI NEWS. Subscription price is \$3.00 per year — renewals of present subscriptions DO NOT COUNT. NEW SUBSCRIBERS MUST LIVE IN THIS AREA — Read Rules Carefully!

THIS IS NOT A CONTEST!

You do not have to compete with anyone. You have until APRIL 9, 1960 to sell your subscriptions. Anyone selling less than enough subscriptions to earn a prize will be paid \$1 for each subscription sold. You must obtain an official sales book — available at our offices on Saturdays — report EACH SATURDAY so that new subscriptions may be started at once.

Here Are The Rules!

To enter you must report to either our Northville, Novi or Wixom office — not before Saturday, March 5, 1960. Offices are open from 9 a.m. until 1 p.m.

To earn a bicycle you must sell 15 NEW subscriptions. To earn a transistor radio you must sell 10 NEW subscriptions.

Money must be turned in with subscription receipts each Saturday. Report sales each Saturday, whether or not you have sold enough to win a prize, so that new subscribers may start receiving their paper at once. You will receive credit each week toward the prize (or prizes) of your choice.

Anyone not selling enough to win a prize before the closing date of April 9, 1960 will be given \$1.00 for each new subscription sold.

IMPORTANT —

You may sell either The Northville Record or Novi News — but a RECORD subscriber CANNOT subscribe to The News and qualify as a new subscriber; or a NEWS subscriber CANNOT subscribe to The Record and qualify as a new subscriber.

PICK UP YOUR SALES BOOK SATURDAY — BE THE FIRST TO EARN A PRIZE!

WHAT IS A NEW SUBSCRIBER?

Anyone who has a mailing address of Northville, Novi, Wixom, Walled Lake, Salem or Plymouth who has not been a paid subscriber on our subscription list since December 31, 1959. RENEWALS DO NOT COUNT.

SUBSCRIPTIONS SOLD OUTSIDE THE AREA LIMITS DESCRIBED ABOVE DO NOT COUNT!

Salesmen should try to sell The Northville Record in the Northville area and The Novi News in the Novi-Wixom-Walled Lake area.

NOTE — A new subscriber is one living in the defined area who has not subscribed to either paper since December 31, 1959.

In other words, a subscriber is NOT NEW if his name appears on EITHER our Record or News subscription list, or has appeared there since December 31, 1959.

Another subscription taken out in the name of the husband, a wife or child — or close relative — living in the same household already subscribing WILL NOT BE COUNTED as a new subscription.

PRIZES... FOR YOUNG and OLD!

(AND EVERYONE IN BETWEEN)

"BOY, IT'S EASY TO EARN A NEW EVANS BICYCLE! YOU JUST HAVE TO SELL 15 NEW SUBSCRIPTIONS TO THE RECORD OR NOVI NEWS!"

It's The New 1960 Interceptor '300' Boys' or Girls' Models

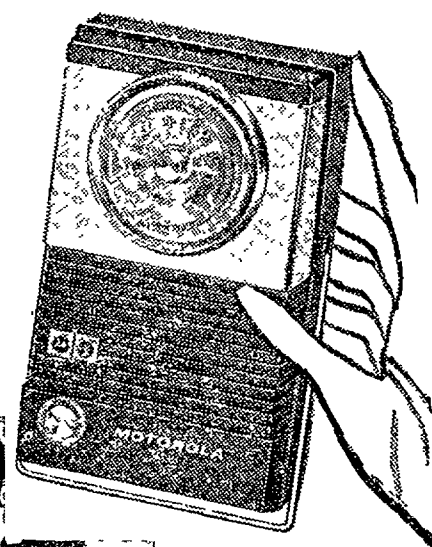

Just like the EVANS BICYCLES You see at STONE'S GAMBLE STORE!

Choice of Colors — In 24 or 26-inch Size

Earn A Nationally Famous EVANS BICYCLE

OR MOTOROLA

Transistor Radio

This powerful Motorola Transistor is sold locally at Northville Electric Shop.

You can earn a new EVANS Interceptor 300 Bicycle or a Motorola "Pocketeer" Transistor Radio - or BOTH - simply by selling 15 new subscriptions (for the bicycle) or 10 new subscriptions (for the radio) to THE NORTHVILLE RECORD or NOVI NEWS. Subscription price is \$3.00 per year - renewals of present subscriptions DO NOT COUNT. NEW SUBSCRIBERS MUST LIVE IN THIS AREA - Read Rules Carefully!

Here Are The Rules!

To enter you must report to either our Northville, Novi or Wixom office - not before Saturday, March 5, 1960. Offices are open from 9 a.m. until 1 p.m.

To earn a bicycle you must sell 15 NEW subscriptions. To earn a transistor radio you must sell 10 NEW subscriptions.

Money must be turned in with subscription receipts each Saturday. Report sales each Saturday, whether or not you have sold enough to win a prize, so that new subscribers may start receiving their paper at once. You will receive credit each week toward the prize (or prizes) of your choice.

Anyone not selling enough to win a prize before the closing date of April 9, 1960 will be given \$1.00 for each new subscription sold.

IMPORTANT - You may sell either The Northville Record or Novi News - but a RECORD subscriber CANNOT subscribe to The News and qualify as a new subscriber; or a NEWS subscriber CANNOT subscribe to The Record and qualify as a new subscriber.

PICK UP YOUR SALES BOOK SATURDAY - BE THE FIRST TO EARN A PRIZE!

WHAT IS A NEW SUBSCRIBER?

Anyone who has a mailing address of Northville, Novi, Wixom, Walled Lake, Salem or Plymouth who has not been a paid subscriber on our subscription list since December 31, 1959. RENEWALS DO NO COUNT.

SUBSCRIPTIONS SOLD OUTSIDE THE AREA LIMITS DESCRIBED ABOVE DO NOT COUNT!

Salesmen should try to sell The Northville Record in the Northville area and The Novi News in the Novi-Wixom-Walled Lake area.

NOTE - A new subscriber is one living in the defined area who has not subscribed to either paper since December 31, 1959.

In other words, a subscriber is NOT NEW if his name appears on EITHER our Record or News subscription list, or has appeared there since December 31, 1959.

Another subscription taken out in the name of the husband, a wife or child - or close relative - living in the same household already subscribing WILL NOT BE COUNTED as a new subscription.

THIS IS NOT A CONTEST!

You do not have to compete with anyone. You have until APRIL 9, 1960 to sell your subscriptions. Anyone selling less than enough subscriptions to earn a prize will be paid \$1 for each subscription sold. You must obtain an official sales book - available at our offices on Saturdays - report EACH SATURDAY so that new subscriptions may be started at once.

MARY WALLACE, CLERK

Industry Hummed Here

(Continued)

the manager of the firm, Charles Booth was his chief assistant. In 1887 the firm was re-incorporated under the name of Globe Furniture company, "for the exclusive manufacture of school and church furniture."

In 1899, after the company had been sold to the American School Furniture company, fire swept through the plant reducing it to stone and rubble. The old Globe company brought back the ruins, rebuilt the foundry, and then split up into several new organizations.

The American Bell & Foundry company emerged along with the American Shade Cloth company. The former produced bells and some time later furnaces. The Shade company folded after two years, and a baseball-hobby horse company took the reigns.

Next came the Stimpson Scale and Manufacturing company, which produced scales and power coffee mills for more than 20 years. In 1903 a new Globe factory was formed. R. C. Yerkes served as factory manager until 1923, when he disposed of his interests to C. A. Dolph.

Grandville Wood and his son, William, moved to Northville in 1884 and set up a pipe organ factory. The two men continued in business for only five years — and their wooden factory later became the brick factory for the Globe company.

Lumbering, which throughout the Nineteenth Century was a flourishing industry, reached a peak in 1889 with the establishment of the J. A. Dubuar Manufacturing company, which was located on the site of the Ford plant. The firm was, at the outset, primarily a saw mill operation. But later it expanded, producing mast hoops, pulleys and pulley blocks for the shipping companies of the East.

Seven years after he established the factory, Dubuar watched the plant burn to the ground one summer night in 1896. Although parts of the wooden structures were saved by the "famous Whitehead brigade", he was forced to move temporarily to the refrigerator factory of the

Globe company. Later, his plant was rebuilt, and he continued in business until his death in 1919.

Early Government

Northville was incorporated as a village in 1867 and W. P. Yerkes was elected its first president. In January, 1889, the village ordinances were revised under the presidency of J.W. Dolph.

Two examples of these ordinances: "No person shall ride or drive any horse, carriage, or sleigh or other vehicle through any street in this village at a rate faster than eight miles per hour; provided that this section shall not apply to the driving of cutters and sleighs through Dunlap street between the hours of two and five o'clock in the afternoon of any day except Sunday."

Another read: "No person shall allow any preen or salted hide to remain on any street, sidewalk or other place within the village longer than one hour."

One of the primary aims of the early village councils was the "proper" maintenance of village streets. Ruts were kept at a minimum and citizens were restrained from tossing garbage onto the dirt thoroughfares.

Northville streets derived their names from these early Northville men:

— Dunlap was named for Captain William Dunlap, one of the earliest pioneers;

— Cady was set aside in memory of Daniel L. Cady, whose farm comprised nearly half of what is now the southern part of Northville;

— Griswold was named to remember the life and character of "Uncle Clark Griswold, farmer and friend of man";

— Randolph was a name of a prominent family consisting of L.G.N., Merritt and Asa M. Randolph;

— Yerkes was given the name for Judge W. Purdy Yerkes;

— Beal was so designated in honor of Frances R. Beal, who became a nationally known school furniture man;

— Horton was named for Edward S. Horton, "postmaster for more terms than any other incumbent";

— Rogers was given its name for Charles Rogers, Sr.;

— Rayson was so-called after George Rayson, "shoe maker and efficient councilman";

— Dubuar was to honor James A. Dubuar, manufacturer and village president;

— Hutton was named for Lewis Hutton, blacksmith, mill owner and farmer;

— Thayer was named after William W. Thayer, fish culturist;

— Butler was named for Orange Butler, "fine host of the Park Hotel and farmer".

Township Formation

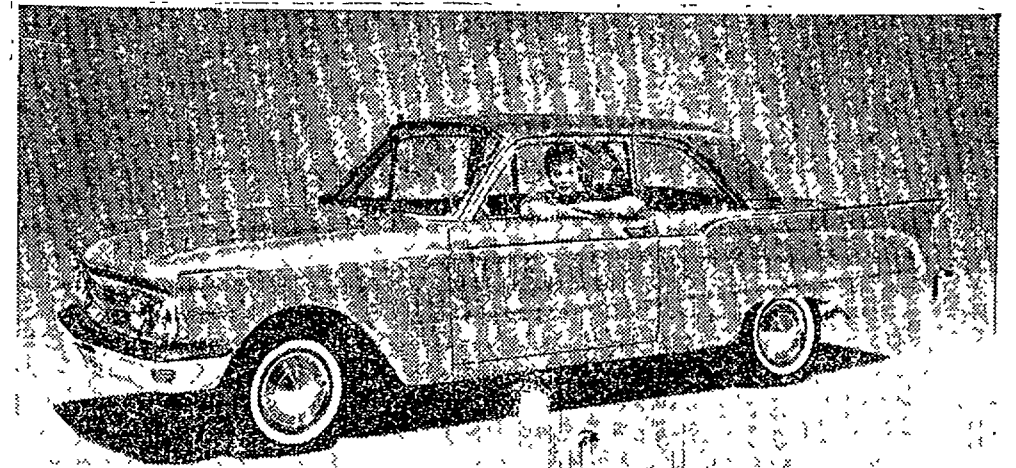

Few Michigan townships had a tougher birth than Northville. Its separation from the township of Plymouth in 1898 stirred one of the bitterest fights in the history of the state.

The former publisher of The Record, F. S. Neal, in 1897 summed up the advantages of the establishment of a new township this way:

"The country will be the benefactor by one additional supervisor and all taxpayers know what that means. They know that usually the country 'gets it in the neck' from the city supervisors anyhow but every extra supervisor from the country lends that much more influence and power in our own behalf.

"Again the township would get another set of delegates to all political conventions which is of no little consequence. Again each end of the town would be able to govern for its best interests. But perhaps one of the most important things of all to be gained is that it would do away with the 'scrapping', pulling and hauling and jealous feeling that has been going on between the two ends of town for years."

(Next week read about the early Northville schools, post offices, churches, and business places).

BIG PLANS are underway at West Bros. auto agency in Plymouth as the arrival of Mercury's new compact car, the Comet, is awaited. A special introduction will be staged March 17, meanwhile, a complete stock of parts, tools, signs, etc., are being received. Service mechanics are also being trained to service the new model. "The aristocrat" of the compact cars, the Comet combines economy with tasteful styling. Two to three feet shorter than standard size cars, the Comet has travel room for a family of six and their luggage. Comets come in two and four-door sedans as well as station wagons and are powered with a six cylinder engine.

Northville Girl to Play In WSU Band Concert

Judith Leavenworth, a graduate of Northville high school, will play in Wayne State university's Concert Band when it presents its annual Spring Concert Wednesday, March 16 at 8:15 p.m. in the large auditorium of the Detroit Institute of Arts. Dr. Angelo Cucci, conductor of the band, announced that Don Gillis and Neil Kijos will be guest conductors at the concert.

NEW OWNER — Ivan Berdan, 601 Novi street, is the new owner and manager of the Shell service station at 446 South Main. Married, Berdan comes into the service station business, after 10 years with Novi Sales and Service and Novi Equipment. His station, called City Shell, is open daily 7 a.m. to 10 p.m.

Please take notice that the Board of Review of the Village of Novi, Oakland County, Michigan, will meet at the Village Offices, 25850 Novi Road on the following dates:

MARCH 15 — 12 Noon to 6 P.M., and
from 7 P.M. to 9 P.M.

MARCH 29 — 8 A.M. to 12 Noon, and
from 1 P.M. to 5 P.M.

FOR THE PURPOSE OF REVIEWING AND ADJUSTING THE ASSESSMENT ROLLS FOR THE VILLAGE OF NOVI.

Further Notice — that the assessment rolls will be on file at the Village Clerk's office for public examination March 7 through March 15, 1960.

MARY WALLACE, VILLAGE CLERK

Meet Eugenie Choquet

CANDIDATE FOR NOVI VILLAGE COUNCIL

I am Eugenie Choquet.

I would like to represent you as your first councilwoman.

Let me tell you a little about myself.

I've lived in Novi for 12 years and have been a property owner in Novi for 21 years.

I've always been active in local community affairs.

I worked hard to progress to a village only to see our efforts thwarted by a group of office holders who only act in the interest of a privileged few. After a close check of the record and performance of our present council I decided to run. A lot of my old neighbors, knowing of my active interest in seeing our community progress, urged me to seek a council seat knowing that I would dedicate my tenure in office toward seeing that the people would once again have a voice in the operation of their community.

The real clincher was discussing Novi with many of our newest residents who moved here with big hopes only to have them dashed through ill-advised spot zonings and landfills.

Your council has turned a deaf ear on requests of the residents. We must get our community back into the hands of the people, not in the hands of a puppet council whose every action is dictated by a hired hand who proves his interest in Novi by remaining a resident of another community.

I will appreciate your vote and can sincerely say that I will work for you and our wonderful community — NOVI.

You may be sure — as must be evident by this message — that I shall speak my mind openly and frankly where the welfare of our community is concerned.

Whether you honor me with your vote, that is of course up to you, but please do yourself the honor of voting on March 14.

It's your home and your future — It's up to You!

VOTE MONDAY, MARCH 14 — FOR EUGENIE CHOQUET (RHYMES WITH "DAY")

Paid Political Advertisement

Novi Village Candidates Express Views

THE NORTHVILLE RECORD—Thursday, March 10, 1960—15

In an effort to become better acquainted with the seven candidates running for three seats on the Novi village council Monday the legislative committee of the Novi Civic Improvement association conducted interviews with each of the candidates.

The interviews were handled by a team of association members headed by Chairman Donald C. Young, Jr., which included Larry Burr, John McBride, Donald Matzen, Ed Olah, John Osland and Bill Kelly.

A brief biography and resume of the answers submitted by the candidates is published here.

Incumbent RUSSELL BUTTON, 50—44109 Grand River. Is married and has one daughter. A building contractor, Button owns the Novi Building Service. He is a graduate engineer of Michigan State university. He was a member of the village incorporation committee and charter commission, and a candidate for the city charter commission. He is a past treasurer of the board of Commerce, is a member of the AM-VETS, Oddfellows, Masons.

Because Button was vacationing in Florida when the Novi Civic Improvement association conducted its interviews, he was unable to answer the association questions in time for publication.

Incumbent DIRK GROENBERG — 45265 Twelve Mile road Groenbergs is 54 years of age and has lived in Novi for 12 years. He attended Cleveland college and is controller of Laitner Brush com-

pany.

Being a member of the council, Groenbergs did not care to comment on the activities of the present government. He believes that critics are vocal but not numerous. In his opinion, the council has worked diligently at trying to bring good government to the people of Novi. Groenbergs believes that village communications are a serious problem because the area is so large and the problems so different. He criticized the attitude and lack of cooperation of the township government.

Groenbergs believes that:

Planning is the most important problem in Novi.

Money for planning is badly needed. He does not know how it can be raised.

He would like to see a low density residential population with small plants or light industry if industry is necessary.

The dual purpose of zoning is to give some uniformity to the village and to protect property owners.

Changes in zoning are to be avoided if possible but should be in harmony with surrounding areas if they are necessary.

Zoning should be graduated from area to area.

It is a little early to plan for water and sewage disposal but they should be investigated.

Services such as trash pick-up should be offered if the people want them and the cost is within reason.

The village manager is very competent and that much of the criticism is due to Mr. Olson's desire for a good, efficient government.

If re-elected, he indicated that as he handle each situation to benefit the majority of the people and make Novi a good place to live.

Incumbent DICRON TAFFALIAN—46153 Grand River. Taffalian is 33 years of age and has lived in Novi for three years. He has a degree in accounting, teaches adult education and income tax, and is in charge of the property office of Wayne university.

Taffalian believes that: Representation of the various village areas could be improved.

Executive sessions are not for secrecy but to get some work done without the constant interruptions at the regular meetings.

The village has too many people on the payroll.

The village and township governments are getting along except for a slight difference over the fire equipment.

Financial information should be available at all times but that it would be too costly to have it published.

Taffalian has indicated that: The village could be run on less than five mills.

Rubbish collection could be done with the present employees.

New or additional services must be paid for as they are started. The need for a master plan is one of the problems facing Novi now. He is satisfied with the progress in planning and zoning made to date by the planning consultant.

It is necessary to have a portion of the community commercial and industrial so that these enterprises will take care of 40 to 60 percent of the taxes.

Public hearings are the basis for any changes in zoning laws.

Candidate EUGENIE CHOQUET—727 South Lake drive. A resident of Novi for 12 years, has owned and managed property here for 21 years. She was born in the United States and educated at Sacred Heart Convent in Europe. Has been interested and active in government and politics and has followed all meetings. Miss Choquet believes:

The present council does not represent all of the people of Novi, but

rather, only the "four corners" area and some special interests.

There is too much secrecy in village affairs and too little financial information given to the residents.

There is too much dissension among factions in Novi.

Funds are managed poorly resulting in no benefit from the increased cost of the village government.

Management of the roads is poor. Council members should not have business dealings with the government.

The council is responsible for most of the present village problems.

If elected she intends to:

Work for the good of the people of the whole community rather than special groups.

Maintain a tight control on the village manager.

Eliminate unnecessary expenditures now being made.

Oppose an increase in taxes.

Represent the will of the people of all areas in actions that will effect the character of their neighborhoods and their welfare.

Candidate TED CHRISTENSEN—1939 West Lake drive. Has lived in Novi for 14 of his 48 years. He attended college, graduated from the Detroit Real Estate School, attended several schools on plant management and supervision, and is employed by Burroughs Corporation.

Christensen believes that:

The people do not have confidence in the present council.

There is too much bickering and too little action.

The road maintenance could be improved.

The village manager is not well enough informed on village planning or managing.

The village does not have enough money to do a good job.

The residents are afraid of annexations.

Christensen indicated that: People should be kept informed of all events at regular council meetings.

Village department heads are hired because they have the ability to run their departments and should therefore have the authority to carry out their responsibility.

It is the village manager's job to keep everyone in the village government informed of what is going on.

There should be more cooperation between the village and township governments.

Creation of strong protective zoning is one of the most important functions of the village government.

The community character that should be developed is first and basically a residential one.

Taxes should be increased if necessary to give Novi good government and get the things done that are needed to plan and develop a better community.

Garbage and trash pick-up is desirable if it can be had at a reasonable cost.

Candidate JOSEPH CRUPI—41600 Nine Mile road. Crupi is 43 years of age and has been a resident of Novi for ten years. He has studied engineering and law, is a registered patent agent, and is employed at the Ford Dearborn Engineering Center. Has attended council meetings regularly.

Crupi believes that: The present council has not taken an interest in the desires and feelings of the people.

The present councilmen consider spectators at meetings to be pressure groups rather than representatives of community feeling.

The council has been slow in formulating policies with the result that the village manager has too much authority and that his responsibilities are not clearly defined.

The trial trash collection is a political move and is not sound because the village is hard-pressed for money.

Crupi indicated that: He would personally prefer that Novi develop into a residential community.

The people in each area should decide upon the kind of community they want.

The council should outline the responsibilities of the village manager and all department heads.

Each department head should run his own department. The village manager should act only as an administrator for the council.

The people should be informed about the financial affairs of the village.

Personal antagonisms which prevent cooperation between the village and township governments should be aired to the public.

Candidate DEAN LENHEISER—45095 Mayor court. Lenheiser is 36 years of age and has lived in Novi for three years, has studied business administration and is chief accountant and office manager for a manufacturing concern. Lenheiser has attended council meetings regularly.

Lenheiser believes that: The executive session has been used far too much.

Regular financial statements

should be made rather than just a report of cash on hand which ignores bills due.

Friends of the council members who think "the party line" have been chosen for appointive jobs with the result that newcomers are not represented in the present government.

The present council has been lax in its responsibility for directing the activities of the village manager.

The manager has too free a hand and goes beyond the limits of his authority.

Lenheiser indicated that: Monthly or quarterly financial statements should be available to the residents.

The council should be more aware of happenings in the village.

The council should be more responsible for the activities of the village manager.

Appointive positions should be filled on the basis of qualifications and

ability to represent the community. Changes in the community should be limited until the master plan is completed.

Residential areas should remain residential.

Water and sewers will be necessary for the healthy development of the community.

Candidate DONALD WOODWARD—149 Northaven. Woodward has lived 13 of his 36 years in Novi. He is a brick mason, past president of the West Shore Civic association, and is a board member of the recently organized Citizens' Development committee. He attends meetings regularly.

Woodward believes that:

Novi needs the best community planning that can be afforded.

The character of the village that should be encouraged is small plants and residential areas

The biggest job facing Novi is selling the people in Novi and outside on Novi. Satisfied residents are the community's best advertisement.

Department heads should have their own budget and be responsible for the operation of their own departments.

Financial information including accounts paid should be made public.

Taxes should not be increased.

The roads will be neglected during the trial trash collection.

Councilmen should represent all areas of the village.

Novi should have a system of electing a councilman from each area.

If elected, Woodward has stated that he intends to make a thorough study of the problems of all areas of the village.

Kroger MILK
TALL CAN **10¢** LIMIT 4 WITH THIS COUPON

COUPON VALID AT KROGER IN DETROIT AND EASTERN MICHIGAN THRU SAT., MAR. 12, 1960. LIMIT ONE COUPON.

The side of the meat you don't see is even better than the side you see... because Kroger packages all meat "SUNNYSIDE DOWN"

Every steak, chop and roast is packaged "SUNNYSIDE DOWN" at Kroger. It's purposely packed so that the bottom side—the side you don't see—is leaner and better looking than the side you do see!

LET KROGER PROVE IT TO YOU! When making your selection—your Kroger meat man invites you to select any package from the meat display you would like to inspect—Ring the service button. He will be happy to unwrap the package for your inspection. If the bottom side isn't as lean and every bit as red and juicy as the top side the store manager will give you the package of meat ABSOLUTELY FREE!

SPEAKING

for the Record

By Bill Sliger

Because two elections fall within two weeks in Novi, it's possible that voters could become confused as to which election is which.

This Monday, March 14, village voters will elect three councilmen from a field of seven candidates.

On Monday, March 28, residents of Northville Estates in Novi township (and one resident of the village area adjoining Northville Estates) along with voters of the city of Northville will vote on the proposed annexation of the Novi area into the city.

In this Monday's election three incumbents face competition from four candidates for their seats on the council. The two top vote-getters will be elected to four-year terms and the one receiving the third highest total will serve a two-year term.

This marks the first council election since incorporation of the village two years ago. The election can be regarded as a test of the record which has been compiled by the council in its short term of office.

Certainly the council has come under fire from some quarters as a result of its decisions in zoning and landfill problems. The council has defended its action and contended that its critics are a "minority but highly vocal" group.

On the other hand, opponents of the council believe that it has not acted "in the interest of the majority" of the people of Novi.

So now we shall see. Monday the people of Novi will have their opportunity to be heard at the polls.

Let's hope that Monday will bring forth a good example of Democracy at work — and the majority will decide what is best for Novi.

I hope area residents will read this week's "Michigan Mirror" column on this page dealing with the work of economic development committees in various communities throughout the state.

The information should be of special interest to Northville's recently formed group composed of Chairman William Crump, John Canterbury, A. Russell Clarke, Donald Lawrence, H. B. Putnam and Robert Shafer.

I have always believed that a community, by its own initiative, can do something to improve its economic welfare. Too often we leave our future fate to happenstance or some governmental unit at varying levels.

Today, if the communities of Northville, Novi or Wixom are to attract desirable industry to help offset the mounting tax burden and provide steady community employment, they must compete with surrounding cities. Plymouth has already undertaken a "regional" economic development project within the boundaries of its school district. Other nearby areas are equally concerned.

The progress of the cities as reported in "Michigan Mirror" is most gratifying. It proves that our American system of free competition can still be fruitful if enough effort is expended.

And without being "engulfed" by a government bureau, these independent committees can turn to a state agency for guidance and help.

Michigan Mirror

These Cities are Attracting Industry

MORE THAN 100 MICHIGAN communities now have industrial development corporations to construct buildings for sale or lease to industry they invite to move in. At least 20 have actually played a part in building plants this last year.

Don C. Weeks, director of the Michigan Economic Development Department, says that the greatest service a state development agency can perform is to help communities do a better job helping themselves, and he points with pleasure to the success record of many Michigan communities.

Here is a list of fruitful accomplishments:

South Haven built a new plant for the Lovejoy Flexible Coupling Co. of Chicago. This is the fourth industrial building project undertaken in that city in recent years.

The Owosso Development Organization built two additional factory buildings in 1959, one for the Shawassee Metal Finishing Co. and the other for the Owosso Container company. Muskegon, which has a record of assistance to industry going back many years, added another accomplishment during 1959 by assisting in the construction of Brunswick - Balke - Collender company's new automatic pinsetter production facility.

The village of Elk Rapids, which obtains basic financing through one-dollar-a-week contributions from members of a development corporation, built its fourth new factory last year. This plant was constructed for the Colton division of Snyder Tool company of Detroit, as a facility in which to make precision machinery for use by pharmaceutical manufacturers.

Among other communities which took part in constructing new plants through industrial development corporations or similar organizations in 1959 were: Berrien Springs which built a new plant for the Welcraft company of New Carlisle, Indiana; Brown City for Frank Motor Homes, Inc.; Marysville for Pre-Cast Concrete company; Caro for Weld-

ments-Pacific, Inc.; Imlay City for Federal Press Steel company; Kingston for Marlette Kingston Enterprises, Inc.; Cadillac for Plymouth Industries; Lexington for Redall Industries; Marlette for Metalcraft, Inc.; Rogers City for Nicolay Dancy company; Traverse City for Arca Products company; Crystal Falls for Cloverland Metal Fabricators, Inc.; West Branch for Evans Products company; Sandusky for the Elkon Box company; and Gagetown for C & B Industries.

Although this list of communities is probably not complete, it gives an indication of the widespread interest by development groups throughout the state in the local industrial development corporation as a device for assisting industries already located in the community or in bringing in new industries which also contribute to the area's growth.

ANGELS OF MERCY in Michigan would like a little more earthly goods to accompany the "heavenly accolade". In short, nurses are looking around and deciding that they could use a little mercy themselves when it comes to salaries.

Best figures available from state government and the Michigan State Nurses Association indicate that in out-state Michigan starting salary for nurses (and this may mean a woman up to 10 years experience) is between \$3,000 and \$3,600 per year. It is somewhat higher in metropolitan areas.

This is substantially below starting salaries for teachers. Average starting salary for a teacher out-state is about \$4,000 estimates the State Department of Public Instruction. Teachers start at about \$4,500 in large cities and suburbs.

Nurses point out that they work 12 months a year compared to the teacher's 10; and that their work week rotates around seven days including holidays.

Meager wages are a major factor in an increasingly acute shortage of nurses, Patricia Walsh, president of Michigan State Nurses As-

sociation, told key members of that organization. A recruitment problem is rapidly developing because other fields which require much less preparation pay much higher salaries. She said that girls who consider the income they can expect after three or four years of rigorous nursing training are more and more inclined to go into other fields where wages are higher and working hours more pleasant.

"First priority in MSNA for 1960 is higher salaries," stated Miss Walsh. The registered nurses organization realizes their success will depend in large part on the public support they can stimulate.

Members seemed a little surprised at their early experiences which indicated that the public has a certain sympathy for their position but no inclination to pay higher medical bills without resistance. They found that Mr. Citizen thinks his bill for doctors, hospitals, drugs and medical insurance is increasing too rapidly as it is.

"Everyone I've talked to blasts the doctors," reported one person. Support of the M.D.s will be very important to the R.N. cause. Nearly all 20,000 registered nurses in Michigan work directly for a doctor, in a hospital controlled by doctors or indirectly under the supervision of a doctor.

There are 15,000 more registered nurses who are not working in the medical profession. Some of these have married and are raising families. Others left for higher wages and better working conditions in other fields says MSNA. The nurses organization is sure that many of this group could be interested in returning to the patient's bedside if the pay schedule were realistic.

"The seriousness of the growing nurse shortage will depend upon how fast something is done to make the profession one where a woman can perform her important duties proudly and for an adequate salary," said Miss Walsh. "Unless something happens to bring this about, conditions will worsen."

Roger Babson

Are We Immune to Anti-Slump Pills?

Babson Park, Mass. — My associate John Henry, editor of our Washington Forecast, feels strongly that the American people are fooling themselves by overconfidence in the Federal Reserve Board — they believe that by some magic our nation can avoid further depressions.

Is the Money Market

All-Powerful?

Let me relay Mr. Henry's thoughts. The notion has become widespread that the easing and tightening of money and credit by the FRB can eliminate the dangerous hills and valleys in our economic progress thereby keeping inflation reasonably in hand and barring anything more serious than occasional mild recessions. This conclusion is supported by recent history.

Since World War II, we have had three business recessions — 1949-1954 and 1957. In each case, the FRB hastened to curb the decline by making money and credit more plentiful and cheaper. Conversely, the Fed restricted money and credit whenever spiraling inflation became a threat.

Another Depression In the Offing

Although there has been a tendency for each business decline since the war to be a little more severe than its predecessor, none has been even remotely comparable to those of 1937 and earlier. However, the Federal Reserve has been given most of the credit for keeping these recessions mild and for turning them into periods of recovery. Now that the steel strike has been settled in a manner which will inevitably mean another upward turn of the wage-price spiral, the time may not be too distant when the results will bring on another recession. Business can develop immunity to these Fed "pills", just as the doctor's pills lose potency after we depend upon them too long.

When the Next Slump Comes When the next slump comes, we may well find that changed world financial conditions will have snapped the FRB's recession-fighting power. In previous recessions, our money managers did not have to worry about the gold reserves behind our credit structure. We held gold in excess of any possible foreign claims against it. Today, how-

ever, for many reasons — swollen costs and prices here in the U.S., declining exports and rising imports, liberal foreign aid, sizable exports of capital for plants abroad — we have been running a deficit in the balance of payments between our country and other countries. This is a condition we have not faced for many years.

Foreigners have built up heavy dollar balances which — at their discretion — may be converted into gold and taken out of this country. Hence our money managers must weigh any future action in the light of its possible effect on the heavy foreign balances held here. If money is suddenly made easy, lower interest rates will be paid on foreign balances. This, of course, could induce foreigners to withdraw those balances especially if interest rates in some other country should be attractively higher. Thus, the FRB would lose its erstwhile independence of action in combatting business declines.

Loss of Confidence Caused By Steel Settlement There's an even more important danger to our economy than the possible attractiveness of higher interest rates in other nations. Should a new easy-money policy be adopted at a time when our government is running heavy international deficits, owners of dollars in other nations could lose confidence in the ability of the U.S. to manage its financial affairs, and rush to convert their dollars to gold.

Whatever the cause, heavy gold withdrawals from the U.S. would drain off the gold backing for our banking system a situation which is the normal forerunner of a money panic. For the first time since World War II, therefore, the beginning of the next business recession may find our money managers powerless to take effective anti-slump action!

During my recent trip to Europe I was impressed by the fear which European bankers feel about the control that labor leaders possess in the U.S. and South America. These business leaders believe we are headed for a Labor Government and Socialism. This also undermines confidence in the American dollar. Since the steel corporations "gave in" to political pressure from both the White House and Congress, other nations no longer respect us. When the next depression comes, will the money managers or the labor managers win? Unless we wake up, the fear of Russia, inflation, taxes and labor may lick us.
