Uncertainty Surrounds June School Board Vote

Unless Michigan's house of representatives pulls a rabbit out of the hat (a trick that could happen at Eastertime), Northville's board of education will be expanded from five to seven members this June.

House Bill number 51 — a measure that would have modified the new seven-member board law to require that the school district must vote for the larger board — was re-referred to committee Tuesday. Normally, this means that the bill is dead.

But the intent of the measure could pop-up again as part of another house bill. There is strong evidence that this maneuver is being tried. If successful, instead of electing a seven member board, local school district voters would vote for the regular five-member board in June and at the same time vote for expansion of the board if voters favored a seven-member board, it would become effective in June, 1961.

As matters now stand, however, it must be assumed that Northville school district voters will elect four board members at the June 13 election — two for three years and two for four-year terms — bringing the board to seven members.

Two members of the present board will complete their terms this June. President Nelson C. Schrader has indicated that he will not seek re-election. He has been a member of the Northville board for 10 years.

Dr. Waldo T. Johnson said he will run again.

Superintendent of Schools Russell Amerman stated that petitions are now available at the board of education offices for June candidates. The petitions are due May 14 at 4 p.m. and must contain 50 signatures of registered qualified school electors from the district.

The new law requires that all fourth class school districts operating a full 12 grade program be required to have a seven-member board.

A further requirement of the new law is that terms of office on the board shall be four years, instead of three. In the first election under the new system candidates will have a choice of running for either a

three-year or four-year term. The present two seats which expire in June will be open for three-year terms, while the two new seats will be for the four-year term.

In subsequent elections, voters will then elect not more than two new members each year for terms of four years. Under the seven-member board set-up, for three years out of four, two terms of office will expire and on the fourth year a single seat will be up for election.

Other board members are: Donald B. Lawrence, whose term expires in 1961; and Robert H. Shafer and William B. Crump, whose terms are up in 1962.

Teachers' Pay Hike Tabled; Plan Study

The Northville board of education decided Monday night to table the Teachers' club proposed salary increases and adopt instead a "stop-gap" measure.

A suggestion by Superintendent Russell Amerman that for the 1960-61 year a \$200 increase be allowed for teachers at the maximum level was accepted.

Amerman's proposal will cost an additional \$5,800 and can be provided without additional millage in the new budget.

The Teachers' club proposal amounted to \$33,500 and provided for salary boosts at all teaching

levels. The board had indicated that the teachers' request would call for additional voted millage — or fewer teachers with greater class loads.

Under Northville's present salary schedule all teachers receive a \$200 increase annually until they reach the "maximum" level. The scale for new teachers is \$4400 with a BA degree and \$4700 with an MA. Maximum pay is \$6400 and \$6700.

Amerman's proposal will bring the top level to \$6600 and \$6900. He pointed out that there are 29 teachers at the maximum level in the Northville system.

Amerman emphasized that his suggestion was a "stop gap" measure. He called upon the board to appoint a committee to examine the problem of preparing an adequate long-range teachers' salary schedule "in accordance with the financial ability of the Northville school district."

He proposed that representatives of the school board, administration, teachers and P-TA serve on the committee.

Presumably, the committee might suggest that the voters be asked to approve extra millage for teachers' salaries. Amerman asked that the committee have its report ready by December 1.

The study committee appointments will be made at the next board meeting.

Amerman reported that the total additional cost for teachers' salaries in the 1960-61 year will be \$39,000. This includes a \$200 yearly increase to 70 teachers (including the 29 now at maximum) and the cost of hiring five new teachers.

Churches Celebrate Holy Easter Season

The Resurrection of Christ will again be celebrated in area churches where throngs will gather Easter Sunday to conclude Holy Week observances.

Many of the churches will also hold Maundy Thursday services in the evening.

On Good Friday business firms will close from noon until 3:00 p.m. Most churches will conduct services during these hours.

Board Awards Bids For Athletic Field, School Landscaping

The Gerald F. Taft company of Northville was awarded a contract Monday night to grade the athletic field at the new high school, provide an access road and build a track around the football field.

The Taft bid of \$59,329.85 was low among 14 bidders on the alternate which provides for a bituminous asphalt track. The board decided to install the asphalt-type track because of its maintenance-free characteristic. Some money was saved, also, by the narrowing of the track from 24 feet to approximately 18 feet at certain points.

The low bid for the work with a cinder track was \$49,594.80 by Novi Building Service.

Specifically, the project includes grading and providing drainage for the football field which will be north and west of the high school across the relocated Eight Mile road. An access road from Taft road to the athletic field and the new cut-off will also be included. This road will be closed when not in use for athletic contests. A parking area will also be provided.

Work on the athletic field does not include stands, lighting or fencing. Bond issue funds are available to provide only basic development of the athletic field.

In other business Monday night the board also gave Green Ridge Nursery the green light on completion of landscaping in the high school area. Some study and consideration of plans presented by the nursery remains for Principal E. V. Ellison and Superintendent Russell Amerman to approve, but in general the plan calls for planting of 61 ornamental and shade trees, 40 flowering shrubs along the glass corridors of the school to provide shade and a decorative touch, reseeding and fertilizing of the lawn area and planter boxes in the court areas.

A Presbyterian and Methodist Union service will be held at Northville's First Methodist church Friday at 1:30 p.m. with the Rev. Dr. Samuel Carson Weir of the Littlefield Presbyterian church in Dearborn as guest speaker.

Highlights of area church services during Holy Week are as follows: (complete information may be found on page 12) —

The Northville First Methodist church will hold Maundy Thursday services at 7:30 p.m. with the sacrament of Holy Communion. Easter Sunrise services will be held at 7 a.m. with breakfast at 8 a.m. in Fellowship hall.

St. Paul's Evangelical Lutheran church — Maundy Thursday services at 7:30 p.m. with Holy Communion; Good Friday services at 1:30 p.m. The Christian Day School choir will sing at Good Friday services and at Easter Sunday's 8 a.m. service. The adult choir will sing at other services.

Eight p.m. services will be conducted Maundy Thursday by the First Presbyterian church with Holy Communion in the Sanctuary. The Communicant's class will receive their First Communion. Easter Sunrise service will be held at 7 a.m. with Easter Fellowship breakfast at 7:45 a.m.

At Our Lady of Victory, Low Mass will be held at 8 a.m. with Holy Communion and High Mass at 8 p.m. with Holy Communion. On Good Friday Liturgical services will be held at 2 p.m. with Holy Communion and Adoration of the Cross. At 7:30 p.m., Public Way of the Cross. Holy Saturday Easter Vigil services will be held at 11 p.m. and at midnight Easter Mass with Holy Communion. Confessions will be held Holy Thursday at 7:30 a.m.-7:55 a.m.; 4 p.m.-4:30 p.m.; 8:45 p.m.-9:30 p.m.; on Good Friday from 1 to 2 p.m. and 8 to 9 p.m.; and on Holy Saturday from 10:30 to 11:30 a.m.; 3:30 to 5 p.m. and 7:30 to 9 p.m.

The First Baptist church of Northville will hold Good Friday services at 7:30 p.m. with Pastor William Bennett of the Grace Bible church of Ann Arbor as guest speaker. The senior choir will sing at Good Friday services and regular Sunday services. Special Easter services will be held Friday and Saturday evenings at 8 p.m. by the Full Salvation Union with Sunday afternoon services at 3:30 p.m.

Willowbrook Community church in Novi will hold an Upper Room service at 8 p.m. Thursday. Good Friday the Rev. Marvin E. Rickert and members of the congregation will participate in three-hour services at the Methodist church in Farmington. An Easter breakfast will be held at 7:30 a.m. sponsored by the Youth Fellowship.

In Wixom the First Baptist church will hold a Union service on Good Friday at the First Methodist church. A Sunrise service and breakfast will be held at 6:30 a.m. Easter Sunday.

In Salem the Congregational church will hold special Easter services at 10 a.m. Sunday with a school hour motion picture in color depicting the Easter Story immediately following. An Easter Egg Hunt will be included with the youngsters' Easter party.

The Salem Federated church will hold Good Friday services at 1:30 p.m. with special musical numbers. Easter Sunday Sunrise service will be held in the Salem school yard at 6:30 a.m. with Easter breakfast following in the church basement. Sunday evening a film, "King of Kings", depicting the life of Christ will be shown at 7:30.

Novi's First Baptist church will have special numbers presented by their senior and junior choirs at Sunday's 11 a.m. service.

Good Friday services will be held from 12:30 until 1:30 p.m. at the Novi Methodist church. On Easter Sunday services will be conducted at 8:30 a.m. and 9:45 a.m.

Novi Maple Largest in Nation

Some 150 years ago not long after the Revolutionary War, a tiny seedling sprouted in the dense forests of Michigan.

Two weeks ago, this same plant — now a giant black maple tree — was crowned a United States champion, along with 20 other Michigan trees.

The knarled maple, which is about to produce its summer dress of green, is located on the property of Claude A. Cruseo, 43180 West Nine Mile road. It stands almost alone now, its branches spreading low over the earth it has shaded these many years.

According to Paul W. Thompson, chairman of the Michigan Botanical

Club "big tree" committee, the maple has a girth of 14 feet, two inches, stands 103 feet, and has a spread of some 80 feet.

The maple, or Acer nigrum, was first brought to the attention of the botanical club by Jack Cruseo, son of the property owner, who at first thought the tree was a sugar maple. However, upon checking Thompson learned it was a black maple.

Measured and tagged, the tree was included in a recent supplement to the club's listing of "Big Trees" of Michigan, which includes 42 species which are new Michigan champions.

The national rating was made by the American Forestry association

in Washington, D.C. Nineteen other Michigan trees, including seven in Oakland county, were crowned national champions. One of these included a White Willow on the Al Richardson farm, 3536 Union Lake, southeast of Commerce.

Thompson has urged area residents to aid his organization in gaining new records for Michigan. The botanical club is particularly interested in securing information on the following species: Hickories, sumac, dog-woods, hackberry, ash, button-bush, boxelder, aspen, black spruce, tamarack, red pine and hemlock.

"Many of these will not be large compared with white elms and oaks," he said, "but still may be records for the particular species."

Records are asked to be sent to Miss Julia Hunter, 4502 Cooper avenue, Royal Oak. Information should include: girth, location, owner's name, and when possible, the name of the tree.

Hospital Reveals Plan to Expand, Start Fund Drive

Plans for an area-wide fund drive for Community General hospital gained momentum this week as the board of directors completed arrangements to confer with a fund-raising consultant.

In recent months the board has set upon a project to determine the cost of outright purchase of the hospital and complete remodeling.

Calvin Monfils, hospital administrator, said the board hopes to install a needed sprinkler system, revitalize the second floor and add 12 beds, make other minor repairs and provide operating capital in addition to purchasing the facility.

Estimates run as high as \$225,000 to complete the project. It has been estimated that present hospital owners, Dr. H. L. Bergo and Abraham Ferris, have set the cost of the hospital building and equipment at \$121,000.

Monfils stated that a "complete" financial accounting would be made public before any fund drive is undertaken. Plans call for the drive to take place in mid-summer.

Hospital business has gained steadily, Monfils reported. Presently, the hospital is filled to near capacity. Some of the "increase is attributed to the temporary closing of Atchison hospital, a decision reached by the board of that hospital when the state fire marshal required both Atchison and Community to install automatic sprinkler systems.

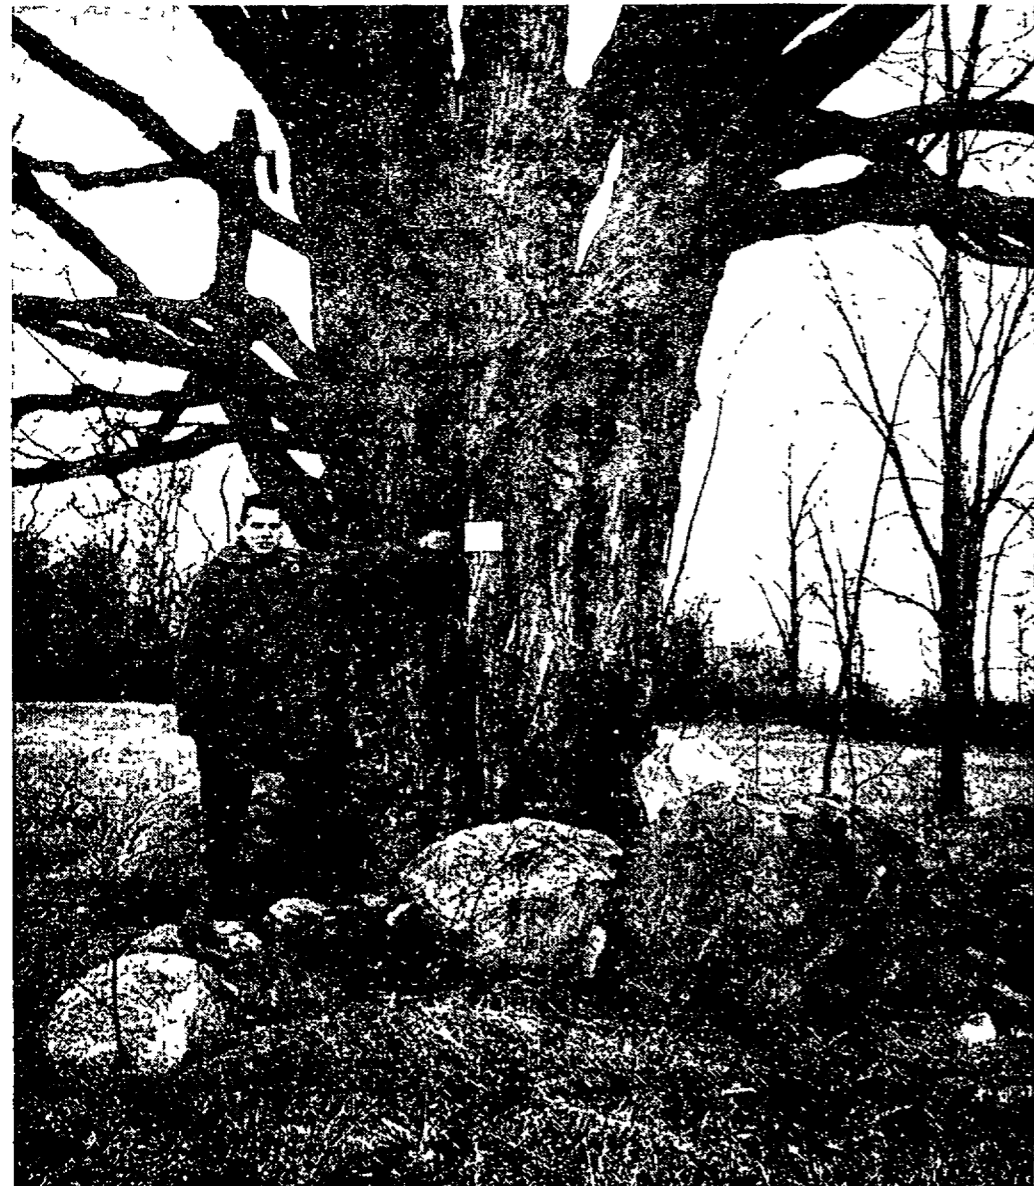

Calendar

Saturday, April 16
Safety bike check-up, 9 a.m. at Northville Downs.
Easter Egg Hunt, 10 a.m., city hall park.

Monday, April 18
WILPF meeting, Ann Blackman's, Plymouth, 1 p.m.

Thursday, April 21
OES No. 77 spring luncheon and card party, Masonic Temple, 7:30 p.m.

Thursday, April 23
International Tea, W.N.F. & G. Assn., Cranbrook school auditorium, 550 Lone Pine road, Bloomfield Hills.

NATIONAL CHAMP — Jack Cruseo, son of Mr. and Mrs. Claude Cruseo, 43180 West Nine Mile road, stands by a giant black maple tree which recently was judged the largest of its kind in the United States. The tree is on the Cruseo property.

WELCOME MAT — Eventually, the Northville Rotary club hopes all entrances to the city hall will have modern welcome signs like this one at South Main street near Seven Mile road. When completed, this initial sign will have insignia of all local service clubs and church organizations. A project of the Rotary club, the work has been largely provided by club members. John Miller of Green Ridge Nursery designed and constructed the sign, while the letters were sand-blasted at A. M. Allen's monument works. The letters are yellow and the sign itself a red-wood color. The Exchange club plans to landscape the area.

about WOMEN

6—Thursday, April 14, 1960—THE NORTHVILLE RECORD

Cynthia Gates and James Darling Married in Salem Lutheran Church

Marriage vows were exchanged by Cynthia Kay Gates and James Darling March 26 at the Salem Evangelical Lutheran church. The Rev. Walter Wacker officiated.

The bride is the daughter of Mr. and Mrs. Aubrey A. Gates of Napier road and the groom is the son of Mr. and Mrs. Lester P. Darling of Ann Arbor.

Given in marriage by her father before an altar decorated with candelabras and baskets of mixed white flowers, the bride wore a floor-length gown of white organza with square neckline and short sleeves and teardrop earrings. Her fingertip veil fell from a crown of seed pearls and sequins. She carried a cascade of white daisies centered with a white orchid.

The bride chose Mrs. David Batten of West Virginia for her matron of honor and Mrs. William St. Lawrence and Mrs. Terrance Gates, both of Northville, as bridesmaids. They wore turquoise street-length dresses with full overskirts of organza with satin cummerbunds, matching shoes and five petaled satin headpieces. The matron of honor carried a white basket with white daisies and the bridesmaids carried turquoise baskets with white daisies.

The groom chose his brother, Lawrence, from Berkeley, California for his best man. The ushers were Paul Wacker, David Staebler of Ann Arbor and Terrance Gates of Northville.

Mrs. Gates, mother of the bride, wore a maple lace street-length sheath dress with matching accessories and carried a symbidium light brown orchid. Mrs. Darling, mother of the groom, chose a royal blue lace dress with matching accessories and a blush pink symbidium orchid.

At the start of the two week Florida honeymoon the new Mrs. Darling wore a beige sheath dress, matching shoes, beige and brown checked coat and an orchid from her car-

riage. Mr. Darling graduated from Northville in 1955 and is a nurse at St. Joseph's hospital in Ann Arbor. Mr. Darling owns and operates two gas stations in Ann Arbor. They will make their future home at Independence Lake.

Mrs. James Darling

News Around Northville

John A. Crusoe, liberal arts student at Marquette university, Milwaukee, Wisconsin, is visiting his parents, Mr. and Mrs. Claude A. Crusoe, 43180 West Nine Mile road during Easter vacation.

The Past Matrons club will meet Wednesday, April 20 at 7:30 p.m. at the home of Mrs. J. L. McKinney, 131 Rayson. Miss Elsie Woodroffe and Mrs. N. K. Pattison will assist the hostess.

Dr. and Mrs. J. K. Bosch of Thornapple Lane returned home Sunday after a ten day vacation in the Smokies at Gatlenburg, Tennessee.

Mrs. Anna V. Atchison of Wallaceburg, Ontario is visiting the R. W. Amblers of Carrington drive this week. Mrs. Atchison is Mrs. Ambler's mother.

Mrs. E. B. Cavell entertained her Bolivia club at her home on West Main street last Saturday night.

Mrs. E. E. DeKay of Yerkes spent last week at the cottage at Rifle lake. Mr. DeKay and Mr. and Mrs. N. K. Pattison joined her over the week end.

Mr. and Mrs. H. F. Wagenschutz of Beal street spent last week at their cottage at Rifle lake.

Mr. and Mrs. L. M. Eaton of Eaton drive spent Palm Sunday in Toledo with Mrs. Eaton's sister-in-law, Mrs. George Conlossy.

Sunday dinner guests of Mr. and Mrs. Glenn Cummings of West Six Mile road were Mr. and Mrs. James Adams of Rhode Island, Mr. and Mrs. Cecil Cummings of Detroit, Dr. and Mrs. John Cummings and family of Suffern, New York, Mr. and Mrs. Forest Birchfield of Plainwell, Michigan and Mr. and Mrs. T. N. Cummings of Northville.

Mrs. B. W. Clute of West Main street is entertaining eight ladies at a luncheon at Saratoga Farms Thursday noon. Her guests will include Mrs. E. B. Cavell, Mrs. Luke Bathey, Mrs. Ernest Miller, Mrs. R. H. Johnson, Mrs. Mabel Miller, Mrs. T. J. Knapp and Mrs. Helen Chapman.

The workshop of the National Flower and Garden club met in the recreation room at the home of Mrs. Paul Schulz on West Seven Mile last Monday afternoon. They made decorations for the flower show which will be held Saturday, June 4.

Mr. and Mrs. Clarence Jerome and Jerry, of Duburk street, visited friends in Pittsburgh, Pa. last week end.

Mrs. Grace Eaton of Detroit was a luncheon guest of Mrs. E. B. Cavell of West Main street last Friday noon.

Mrs. H. R. Richardson of West Main street returned home last Friday after a five month vacation in Clermont, Florida. Her daughter, Mrs. Eldon Biery and Mrs. Paul Beard flew down to drive her home.

Mr. and Mrs. Charles Meyer of 127 Church street celebrated their 55th wedding anniversary last week.

Plans Underway For 'Spectacular' Novi School Fair

Preliminary plans for the annual Novi School Fair next month are nearing completion this week, Chairman Mrs. Lester Ward announced Tuesday.

Always a popular event here for both adults and children, the fair this year is going to be "even more spectacular," Mrs. Ward and her co-chairmen, Mrs. Gerald Race and Mrs. James McCormick, promise.

"Plans are being made so that there'll be something new and exciting for everyone who attends," they said. The fair is set for Friday, May 13.

In preparation for the fair, a rummage sale and "white elephant" sale will be held at the community building during the first week in May. Proceeds from the sales help defer costs of the fair.

The sales will start May 2, from 12 to 9 p.m., then continue on May 3 from 9 a.m. to 5 p.m. and throughout the remainder of the week during regular school hours. The fair itself will feature:

— A special display by the United States Air Force;

— A complete fair midway with rides and games, including Dave Carp and his palomino, booths by Walked Lake amusement park proprietors;

— Dinner at 5:30 p.m. in the community building;

— Ricky the Clown with his 50-minute show for children of all ages;

— A "teen room" in the cafeteria with a live combo, local talent, the Lancers, dancing, pop and snacks;

— Millionaires party for adults, as well as a gift, apron and candy shops, a greenhouse and a bake sale.

— Fish pond, rifle shoot, bow and arrow, bean toss, and bingo, and an unusual "sucker tree".

Clothing, white elephants and any other items for the fair may be sent to the school at any time. For pickup, call GR-4-4665, FI-9-2946, GR-4-7533 or MA-4-3087.

The fair is co-sponsored by the Novi Mothers' club and the school system.

International Tea Set for April 28

The International tea of the Woman's National Farm and Garden association will be held April 28 at the Cranbrook school auditorium, 550 Lone Pine road in Bloomfield Hills.

A program of music and folk dances from other countries will start promptly at 1:15 and tea will follow the program.

This is a benefit tea to provide funds for the farm youth exchange program which is sponsored and administered by 4-H clubs of America. It is a people to people program on the rural family level.

Tickets are \$2.50 and obtainable from the international chairman, Mrs. Orson Atchinson.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

FROM ANN ARBOR — John and Della Gustaf and their three children, Cynthia (far left) and Johnny and Diane arrived in Northville the first of the year.

The friendliness of new acquaintances and neighbors has made the John Gustafs' introduction to Northville a happy one.

John and Della Gustaf and their three youngsters: Diane, 17; Cynthia, 13, and Johnny, 9, moved into their Debra Lane home the first of the year. They are former residents of Ann Arbor.

Diane is a junior at Northville high school. Cynthia is a seventh grader in junior high and Johnny, a third grade student at Amerman where one of his favorite subjects is Spanish.

Gustaf is a salesman for the Noma Lites company and sells Christmas lights and decorations throughout Michigan.

Hobbies in the Gustaf household are pretty numerous.

Dad refinishes furniture. A recent example is the antique Victorian chest he just completed. Cynthia's hand at making sea shell jewelry. Diane likes music, and Johnny, expectedly is an all-around sports enthusiast. Mrs. Gustaf enjoys gardening.

The Gustafs are members of Our Lady of Victory church.

GETTING PRACTICE for the May 6 P-TA carnival is Kathleen Gillahan, Main street kindergartener. She's learning the "Toddlers Tess" from Ivan Ely, who is general chairman of this year's carnival, and Chester Lipa (right), assistant chairman. Awaiting their turns in the background are Martin Mueller, Janice Zayti and Robert Clarke. The annual event will again be staged in the community building, junior high school and Main street elementary.

Talks Keep Her Busy

Northville junior high librarian Ione Palmer has kept up an "around the world in 80 days" pace for the past two weeks presenting no less than a dozen travel talks to local groups based on her recent globe-circling tour with an anthropological study group.

Monday, wearing the flowered kimono made for her in Kyoto, Japan, she entertained members of Alpha Nu chapter, Delta Kappa Gamma and Kappa chapter guests with colored slides of Japan, Honk Kong, Cambodia and Thailand.

A sampling of Japanese folk tunes (on record) and Far Eastern handicrafts illustrated her report.

Friday, she gave a similar program for the Grass Lake Tourist club, and during the week, treated junior high classes to short talks on Hawaii, Burma, India, Iran, Israel and Turkey.

The workshop in social anthropology was conducted by Dr. Ethel Alpenfels of New York university and professors from the various countries visited.

Those wishing to attend the luncheon only may secure tickets for a lesser fee. Luncheon will be served at noon.

The regular meeting will be held this Friday at 7:30 p.m. and will feature a chalk artist. Refreshments and a social hour will follow the meeting.

OES Plans Spring Luncheon, Card Party

On Thursday, April 21 Orient Chapter No. 77, Order of the Eastern Star will sponsor a Spring Luncheon and Card Party at the Northville Masonic Temple.

Those wishing to attend the luncheon only may secure tickets for a lesser fee. Luncheon will be served at noon.

The regular meeting will be held this Friday at 7:30 p.m. and will feature a chalk artist. Refreshments and a social hour will follow the meeting.

KITCHEN DIARY

Try These Two Dessert, Breakfast Treats

Here are two taste-treat favorites of the Dr. Joseph Zbikowski family of 46900 Stratford court that make a hit with every member of the family.

The "birds nest" cookies are golden brown with jelly in the middle and Mrs. Zbikowski says she'll be baking a big batch for the cookie booth at the annual P-TA carnival next month.

For breakfast the apricot and walnut coffee cake is just right—not too sweet.

BIRDS NESTS

Mrs. Joseph Zbikowski
1 cup butter or margarine
1 cup sugar
1 cup brown sugar (light)
2 egg yolks
2 cups sifted all purpose flour
1 cup ground walnuts
jam or jelly

Cream butter and sugar (white and brown). Add egg yolks and mix well. Add flour. Knead until thoroughly blended.

Shape dough into small balls, slightly less than the size of a walnut.

Beat egg white until fluffy. Dip each ball of dough into egg white and roll it in ground walnut.

Next, flatten balls and make a deep indentation in center with a thimble.

Bake at 350 degrees for 15-20 minutes.

To serve, fill centers with desired jelly or jam.

APRICOT AND WALNUT COFFEE CAKE

1 cup lukewarm milk
¼ cup sugar
¼ cups sifted all purpose flour
½ lb. butter
6 egg yolks
2 cakes yeast
Add sugar and crumbled yeast to milk. Let stand about 15 minutes.

Place flour in large bowl and cut in butter. Blend with fingers. Add yeast mixture and beaten egg yolks. Knead together like pie dough.

If dough is sticky, add a little more flour. Shape into a ball. Divide into four portions.

FILLING

1 lb. ground walnuts
6 egg whites
juice of half lemon
¼ cup sugar
½ cup cream
apricot preserves

Beat egg whites until stiff. Combine walnuts, egg whites, and lemon juice. Add sugar and cream. Mix together lightly. Do not beat.

TO COMBINE
Roll first portion of dough to fit 9x14 lightly greased pan.

Top with half of walnut filling mixture.
Roll out second dough portion. Place over first layer of filling.

Over second layer of dough evenly spread apricot preserves.

Roll out third dough portion and place over apricot layer. Top with remainder of walnut mixture.

Cover with final portion of rolled dough.

Brush top layer (dough) with cream. If desired, sprinkle with plain walnuts and sugar.

Cover cake with a clean cloth and let raise for one hour.

Before baking, prick top layer about every two inches with toothpick (to allow air escape). Bake at 300 degrees for one hour.

Chief BeGole Will Return

Police Chief Lee BeGole will give up his Cheboygan post and return to Novi on or before May 1, the council learned last Tuesday night.

His decision to return was given to Village President Joseph Crupi by phone and relayed later to the other councilmen.

According to Crupi, BeGole has been given council assurance that he will "run his own department" but will be responsible to the manager as provided in the charter. He will stand responsible for the actions of himself and his men, in the eyes of the public and council, he said.

Should a specific operational policy of the department is yet to be "worked out" by the council and BeGole, councilmen will act as "referees" should differences come up between the manager and the chief during this interim period, he said.

Should a difference of opinion over a police matter arise, he added, the council will secure the opinion of officials in other municipalities if necessary.

The "rift" between Manager Fred Olson and BeGole, which led to the chief's request for a leave of absence, admittedly has been one of policy and not of personal enmity. Each claims the other as a friend.

Olson, on the one hand, has stated that BeGole is a "weak" administrator, unable or unwilling to demand the best performance possible from his officers and to maintain an orderly office. On the other hand, BeGole has stated that the manager unwisely demands a "clerical chief" and not a "working chief" as Novi has had in the past and needs now, and that he (Olson) overplays the part of an ex-police-man in establishing policy.

Nevertheless, both stated last week that they are "willing to co-

operate". Neither has said, however, that their positions have changed.

BeGole has been in Cheboygan since mid-February. He first resigned to accept the Cheboygan job, then withdrew his resignation and accepted a leave of absence after airing his problems with the council.

Landfill Decision Imminent

The village council is expected to act Monday upon the application for a license which would permit a landfill on 12 Mile near Novi road.

Council members hope to reach a decision — reject or grant the license — after making a personal inspection of the proposed landfill site Saturday morning. Their decision presumably will be announced Monday.

Attorneys for the landfill promoters have requested the council to consider licensing in compliance with the recent decision of Circuit Court Judge Russell Holland.

In handing down his decision, Judge Holland said he believed the village board of appeals should have approved the decision in favor of the landfill. However, since the ordinance calls for final action by the council the council and not the court should decide whether or not the license should be issued, he said.

According to Attorney David Fried, who represented protesting citizens in court, the judge's action in approving the application in place of the appeals board does not in any way suggest that the council must grant the license.

Headlines From

4—Thursday, April 14, 1960—THE NORTHVILLE RECORD

THE NOVI NEWS

TRADE PLACES — Outgoing Wixom Mayor Joseph Stadnik (dark glasses) is shown above presenting the new mayor, Donald Brooks, with the traditional gavel. Others in the picture are: Mrs. Lillian Byrd, city clerk (left), and Councilwoman Mrs. John Chambers; (standing, l. to r.): Gunnar Mettala, Oscar Simmons, and Fred Beamish, newly elected councilmen; Justice of Peace William Welke, Councilman Ray Lahti and newly elected Councilman Howard Coe.

Wixom Officials Take Office

A new mayor, four new councilmen along with a handful of other city heads were sworn into office in an impressive orientation meeting of the Wixom council Monday at the elementary school.

The well-oiled meeting, which included formal administration of the

sworn in by outgoing Mayor Joseph Stadnik were the four new councilmen. They are: Fred Beamish, Ford Motor company employee; Howard Coe, a foreman for Lincoln Mercury; Oscar Simmons, a process engineer for Ford Motor company, and Gunnar Mettala, a tool company employee.

The newly sworn councilmen then replaced outgoing councilmen, Stanley Balon (the unsuccessful candidate for mayor) and Gerald Abrams at the council table.

Justice of Peace William Welke was sworn back into office next, followed by Mayor Brooks.

Department heads and officers who were returned to office by Brooks included: Lillian Byrd, city clerk; David Utley, city attorney; Frank Jadzinski, police chief; Robert Trombley, department of public works head; Everett Pearsall, city treasurer; John Finlayson, assessor, building inspector and assistant to mayor; Robert Clark, auditor, and Robert Potter, fire chief.

Final Payments Of Assets Division Near Says Township

Arrangements for the final division of assets payments to Wixom and Northville are nearly completed, it was revealed at the township meeting Monday night.

The township, officials said, have only to receive a certified copy of a resolution from Northville before a payment of \$1,541.01 will be paid to that city.

Wixom, which was a part of Novi when Northville annexed a section of Novi, must pay part of this \$1,541 bill.

Once the Northville payment is made, the second half of a \$26,607 owed to Wixom as a result of its incorporation two years ago will be made. This final township bill of almost \$13,000 is expected to be settled before May 1, Clerk Hadley Bachert said.

Novi township paid \$10,607 to Wixom last summer. Of the remaining \$16,000 owed to that city, \$3,000 will remain with the township in lieu of a payment for fire protection provided by the township.

In other business Monday, the township board authorized Bachert to purchase 25 picnic tables for the township park near Walled Lake. It also authorized payment of \$150 to Sjaman and \$80 to Treasurer Ray Harrison for clerical help used for tax collection and assessment roll work.

The board was informed by the Michigan inspection bureau of fire insurance ratings that all areas within five miles of the Novi fire hall will be reclassified from a "10" to "9" rating. The change probably will result in a small reduction of fire insurance rates for property owners, officials said.

Raging Grass Fires Sweep Across Novi

Raging grass fires, whipped out of control by high winds, swept over wide areas of Novi Tuesday, destroying or damag-

ing an estimated 100 pine, fruit and shade trees. The fires — which occurred in five separate areas — threat-

ened to destroy scores of homes and farm buildings as well as Orchard Hills elementary school east of Novi road near 10 Mile road.

The most destructive of all the blazes started shortly before noon off 10 Mile road near Echo Valley subdivision. It swept across hundreds of acres of dry grass east to Beck road and south to Nine Mile road.

Firemen, who had been called out for three other grass fires earlier in the day, battled the blaze for four hours before it was finally quenched. Before it was out, however, the fire ate through the fruit orchard of J. E. Straus, 23883 Beck road, and for a time threatened to destroy his home and barn.

Fire Chief Fred Loynes, who called it one of the worst grass fires in recent Novi history, said several pine trees were destroyed. The fire also damaged two bee hives. The bees, frightened by the fire and smoke, swarmed on one fire truck and made fire fighting even more hazardous.

Straus, who said at least part of his fruit crop will be ruined because of the fire, estimated the total damage at close to \$2,000.

A similar but far less destructive blaze last Sunday and Tuesday's fire led him to believe "it was set by kids." He offered a \$25 reward leading to the apprehension of the guilty parties. Fire officers and police are investigating to determine the cause.

Howard Johnson, conservation officer for southwestern Oakland county, plans his own investigation. Johnson expressed alarm over the number of birds and animals which were either burned or routed from their nests. Firemen reported seeing several rabbits racing from the fire, their fur burning.

More than a dozen private citizens, including workmen from local businesses, road department and school officials, were called into service to aid tiring firemen.

Although he was greatly upset by the wanton destruction of property and wildlife, Straus expressed "deep appreciation" for the fire department and helping citizens.

Another fire burned "dangerously close" to the Orchard Hills school earlier in the day, but a wide seeded lawn protected the building.

Firemen said the flames from the blaze shot more than 20 feet in the air as they flashed across a field adjacent to the Munn Contracting company landfill. Officials said the fire was caused by sparks from the landfill.

Other Novi fires included: Two acres of grass off 12 Mile road near Haggerty, started by sparks from burning rubbish; two acres, Eight Mile near Novi road, started by burning rubbish; 10 acres, 14 Mile near Haggerty, cause undetermined.

More than a dozen fires were reported this week in adjoining Novi communities, including Wixom, Walled Lake, Farmington and Northville. Northville's fire department battled a blaze near the corner of Taft and Eight Mile roads Tuesday evening. There was no property damage.

Fire Bugs Look Out!

Police and fire officials of Novi, Wixom and Northville this week issued stern warnings to violators of municipal fire ordinances.

The warnings were prompted by several grass fires in this area during the past week.

Persons wishing to burn off dead grass must first secure permits. Violators face stiff fines, and possible jail sentences in cases where adjoining property is damaged.

Authorities also urged residents to take care that sparks from their rubbish incinerators do not fly into dry fields of grass.

Planner Suggests Solution for Rezoning

With a discussion of the proposed rezoning of Pontiac trail property set tonight and a decision due Monday, the village planning consultant this week presented the council with his analysis and suggestion.

The rezoning question concerns the request of Glenn Buffmier to rezone 108 acres of his property on Pontiac trail, between West and Beck roads, from an agricultural classification to R-3, trailer parks.

If Buffmier wins the rezoning, he plans to sell his property to a developer who in turn plans to turn it into a trailer park site.

Two weeks ago at a public hearing on the matter the village planning board voted 5-2 to recommend rezoning. However, the council at the same meeting voted 3-2 to postpone a decision until next Monday.

One of the reasons for the postponement, was the strong objections by Wixom and Walled Lake officials. In an effort to come up with a solution, the village council will meet with officials from these two cities tonight at the village hall.

The suggestion of Planning Consultant Waldemar Johnson is certain to be discussed.

His suggestion, arrived at after an analysis of what the trailer park would mean in population and traffic, is simply that the size of the trailer park itself be restricted to possibly a 10-acre site.

If the entire area is developed for a trailer park, he pointed out, it would mean some 900 mobile homes and an elementary population of 317. He estimated the total population of the trailer park — if developed over the entire 108 acres — at 2,448 persons. Based on room capacity of 30

pupils, the fully developed property would necessitate a 10 room school.

On the other hand, a ten acre site with additional area for septic tank and field, would permit about 135 trailers and an elementary school population of about 50 pupils, he said.

"No doubt there would be some traffic increase, but not to a degree where additional right-of-way or surfacing would be needed.

"A location within the confines of the area separated by other development, such as subdivided lots, (R-3 allows R-2 use) so that no part of the mobile home park is adjacent to property owned by others, may be desirable. The petitioner then takes the loss through depreciation to the area next to the mobile home park rather than the other property owners.

"We believe that a reduced area can be integrated in the plan and can be a reasonable part of the neighborhood unit."

Re-elect Mayor Of Walled Lake

Waldo Proctor was re-elected mayor of Walled Lake Monday by fellow councilmen. It is his second term.

The mayor was elected after the new council cast almost a dozen ballots.

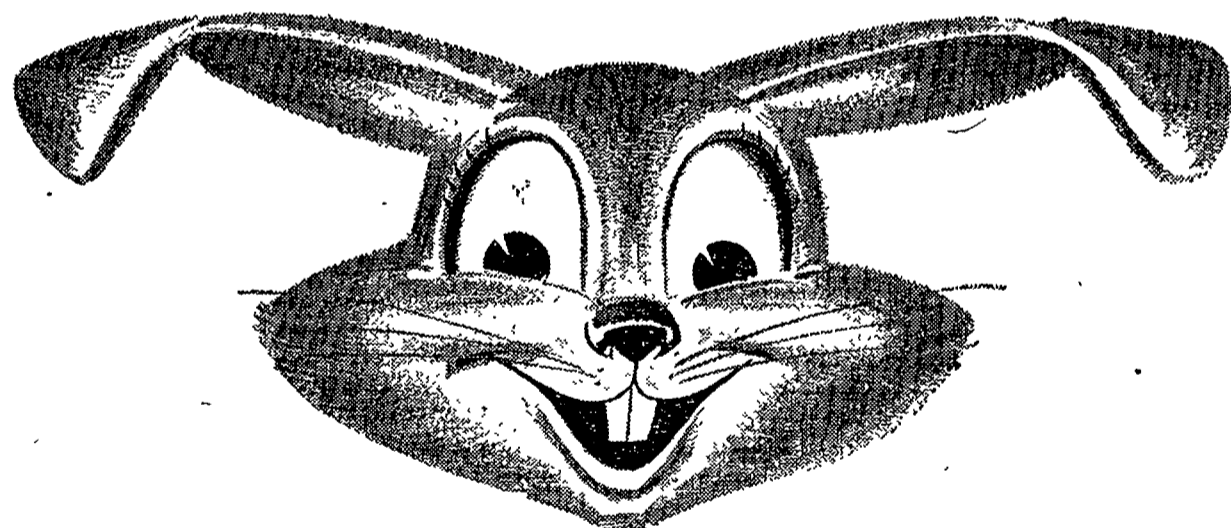

Harold Ackley, newly elected councilman and the building official for Novi, came closest to winning the mayor's post.

The other councilmen are: R. M. Thibedeau, Michael Mahaney and Robert Witse, Marshall Taylor and E. V. Mercer.

THE OFFICIAL top winner in The Northville Record - Novi News subscription campaign was Mrs. George Takas (left) who was responsible for selling 30 new subscriptions. She received help from the Novi Mothers' club because the two Evans bicycles earned will be used as prizes in the May 13 Novi school fair sponsored by the Mothers' group. Shown with Mrs. Takas is Mrs. Lester Ward, general chairman of the fair (see story, page two). The Record - News campaign closed Saturday with a total of 433 new subscriptions being sold. Fourteen Evans bicycles, 10 Motorola transistor radios and a total of \$122 in cash were awarded to salesmen. For complete list of new subscribers, salesmen and their prizes, see page nine.

Meet Your Firemen

Donald Walters

Mike Smith

THESE TWO FIREMEN have served a combined total of 33 years with the Novi fire department. Both are lieutenants. Donald Walters, 48, joined the force 19 years ago. For the past eight years he has held the secretary's post for the department. Married, he lives with his wife and two children at 40019 11 Mile road. He is a Standard oil truck driver. Mike Smith, 41, a village department of public works employee, has been a Novi fireman for 14 years. A life-long resident of Novi, Smith is married and lives with his wife and two children at 44975 11 Mile road.

Mr. and Mrs. Ed Behrendt of Meadowbrook road and their grandson, Jack Leavenworth of Wayne, left last Friday for three weeks of vacation in Arizona and Texas.

Mr. and Mrs. George Lien returned last week from a months vacation at Crystal River and Pompano Beach in Florida.

Mrs. Vincent Hayes entertained her pinocle club at her home on 12 Mile road last Wednesday. Mrs. George Lien won first prize, Mrs. Kenneth Cook second, Mrs. Harold Seeley third and Mrs. Devere Mitchell consolation.

Mrs. Marie LaFond left Monday evening for Mt. Clemens where she will spend the next three weeks with her great-grandchildren while their parents, Mr. and Mrs. Al Bramer, make a trip to California.

The Charles S. Crawford's of South Lake drive are home again after a two months stay in Florida.

Lana Whittle had her picture taken at Northland last week for The Detroit Free Press.

Rebekah News

Past Noble Grands will meet next Thursday evening, April 21 at the home of Mrs. James Frisbie, 11 Mile road, for a polluck dinner.

Novi Baptist Church

The Baptist Mission band will meet today (Thursday) at the home of Mrs. Clyde Johnston. Miss Mary Flint will have charge of the devotions.

At the Easter services Sunday the junior and senior choirs will sing. The junior choir will sing "Easter Bell Carol" and the adult choir will sing "He Lives".

Dress rehearsal Saturday afternoon preceding the Easter program — junior choir at 2 and senior choir at 3.

Novi Methodist Church

The Methodist church will sponsor a family night April 19 in the Novi community building beginning at 6:30. Everyone is asked to bring a passing dish and table service. Potatoes, meat and coffee will be furnished.

A 16-voice choral group, The Falconaires of Farmington, will be featured. The guest speaker will be Miss Shaw, superintendent of 30 Methodist orphanages in Korea. All area residents are invited.

The Novi Methodist church is now sponsoring the Novi boy scouts.

Five children were baptized and four adults were received into the Methodist church on Sunday, April 10.

Good Friday services will be held from 12:30 to 1:30 in the Methodist church.

The first Easter service is scheduled for 8:30 and the second service at 9:45 Sunday morning.

WSCS

The WSCS will meet April 20 at 11:30 a.m. Everyone is asked to bring along a soft toy for retarded children and a birthday gift for Marriette Gobel.

Novi School News

In connection with the study of Japan the eighth grade had the opportunity of listening to Mrs. Frank Dolsen, principal of New Hudson elementary school, tell of her visit to Japan. Mrs. Dolsen taught fourth grade children for a year at the American Army base at Sendai, Japan. She had many interesting slides to show us of life in Japan. We saw pictures taken in sequence showing the raising of rice, the silk industry, lantern making, umbrella making, as well as showing of the beautiful Japanese scenery.

Mrs. Penhale's Sixth Grade — Our room gave our teacher, Mrs. Penhale, a surprise party Friday, April 8. Some of the girls and boys were supposed to help in the library but Mrs. Allen let them come back to the room and help with the decorating. When we got back from the fashion show, which Mrs. Salow's room gave, we popped confetti

Jail, Fine Youth Here for Fighting

A 20-year-old Northville resident was sentenced to jail for 45 days and was handed a stiff fine after Judge E. M. Bogart found him guilty of disorderly conduct last week.

Terry Welch, who lives at 428 River street, was arrested Friday afternoon for fighting on the street near Center and Main. Police said he has been arrested on several other similar charges during the past year.

Judge Bogart, who reviewed his record, fined Welch \$100 and an additional \$50 to cover costs resulting from transportation and medical examination of the youth.

Other court cases before Judge Bogart included:

— Conviction of Frank Rossini, 350 East Cady, for two driving violations, sentenced to jail for five days and fined \$25 for driving under a revoked license, and \$10 for speeding.

— Conviction of David Staebler, 22, of South Lyon, who sideswiped five parked cars on Main street Friday night after suffering an epileptic attack, fined \$25 and a two-day suspended jail sentence for driving under a revoked license, and \$25 for negligent driving.

— Conviction of Lyman Larson, formerly of Northville, fined \$10 for violation of probation resulting from a family squabble.

Police Investigate Auto Parts Theft

Northville police received several complaints of thefts, including two attempted car thefts this week and last.

James E. Lewis, 341 East Main, reported someone attempted to steal his car parked near his home Friday. Ignition wires were damaged he said.

Subsequent examination of a pair of trousers found in the car disclosed they were owned by Patrick Cosgrove, an escapee from the Northville State Hospital. Cosgrove was apprehended in Detroit the following day.

Gilbert Black, 152 East Main, reported a similar theft attempt of his car parked near his home Friday.

A set of four hubcaps, valued at \$80, was reported stolen from a car owned by Mrs. Raymond Stillson, 300 Ely drive, last week Wednesday. Mrs. Stillson's car was parked in the high school parking lot.

Mrs. Donna Larson, 374 South Wing, reported a wheel and tire stolen from her car parked in front of her home Tuesday night.

In Wixom...

By Mrs. Charles Ware
Market 4-1601

Peter Croft and Charles Ware have left to visit relatives in England and Ireland. They are traveling on the S.S. America. Peter came to America and Wixom in 1906 and this is his first trip back. He will be 79 years old his next birthday, and has six sisters and one brother living in England. Take notice youngsters. Last fall, Peter mixed mortar and laid blocks for a barn 30 by 100 ft. and 14 blocks high for his son, Lloyd, who farms in Wixom.

Charles Ware came to America in the fall of 1921. He spent two years in Pittsburgh and 37 in Detroit and Wixom. He plans to visit scores of relatives and friends in Scotland. The Birch Park Hunt club held a ham shoot and fish fry Sunday. They report it a huge success.

Louis Meuther was a guest of his sister and family, Mrs. Jesse Byrd of Charms road-Saturday.

Sunday guests of the Byrds were Mr. and Mrs. Hugh Eberline and Mrs. Martha Pippert of Taylor.

Mr. and Mrs. John Lindsay, formerly of Loon Lake, have sold their business in Roscommon and are settling in Rochester, Michigan.

On Saturday, April 2 the Walter Tucks, with ten other couples, helped Mrs. Lillian Hartung celebrate her birthday at a party in Pontiac. St. William's Rosary Altar Society reports a profit of \$360.00 on their rummage sale which was held April 6 and 7.

The Harry Shippeys, James Rollos and the Paul DePodestas attended the wedding and reception of Sharon Perry and Thomas Perrin at the Milford Presbyterian church.

Sunday visitors of the Ray Burkes were Mrs. Burkes' brothers' families, Mr. and Mrs. Leo Bushaw and family and Mr. and Mrs. Joseph Bushaw.

At a special meeting of the Wixom Planning commission which was held at the city hall Friday, April 8.

The commission recommended that the property on Wixom road, 1,320 feet back from West road to US-16 be zoned to M-2 from R-F-1. There will be a public hearing on this before the council zones same property.

The commission also voted to recommend zoning additional property Lot 39 for the Handling industry on Pontiac trail and Wixom road.

The Loon Lake bowling league bowled at Milford Lanes and then enjoyed refreshments at the home of Hirvonda at Redford.

The Lions club held their regular meeting Thursday, April 7 and made plans for a big dance to be held April 30 at VFW hall, Loon Lake, Hickory Hills. Eighteen members were present.

Dicky Webber had a tonsillectomy at St. Joseph's hospital, Pontiac. The Bill Fishers (Nancy Roach) of Tucson, Arizona are the proud parents of a daughter.

The Kenneth Burdens stayed overnight at Garden City as guests of Clarence Davy.

The Sunshine Social Service group will meet April 20 at the home of Alice Cochrane.

A Saturday dinner guest of the Jack Chambers was Mildred Sanderson of Lower Straits Lake.

Sunday guests at the Ware residence were Mrs. Pierce Powers and Mrs. James Ryan from Highland Park.

Elys Announce New Business

Charles and Ivan Ely, owners and operators of C. R. Ely and Sons Coal and Fuel Oil company on North Center street, announced this week that they are adding another service — top soil, fill dirt and sod. Charles Ely said that it would be a completely separate operation from their present business but handled through the same office. "With the increased home development in our area we believe that a definite demand for this service exists here," Ely stated.

Scouts Sell Seeds For Summer Camp

Northville boys scouts are "planting seeds" now so that they will be able to go to camp this summer. "Operation Summer Camp" began this week for Troops 731 and 755. The scouts are urging area residents to place their orders for lawn products — fertilizers and seeds — through the troops.

The sales are handled through Stone's Gamble store, and the troops derive a percentage of the sale price.

Funds received from the project will be used to help finance the cost of attending scout camp this summer.

The scouts are spending their Easter vacation time delivering order forms to householders throughout the area.

Northville Board of Education Minutes

Regular Meeting April 4, 1960

The meeting was called to order at 7:30 p.m. by President Nelson C. Schrader.

Present: Mr. Nelson C. Schrader, Mr. Robert H. Shafer, Mr. William B. Crump, Mr. Donald B. Lawrence. Absent: Dr. Waldo T. Johnson.

Others Present: Supt. Amerman, Supt. MacLeod, Principals Ellison, Smith and Kay; Mr. Harold Penn of LaPorte and Penn; Mr. A. E. Jones, Athletic Director; Mr. John Miller of Green Ridge Nursery; various interested teachers, P.T.A. members and contractors.

The minutes of the last regular meeting were read by the secretary, and there being no corrections or additions to the minutes, they were approved as read.

Communications:

1. Wayne County Board of Education, school membership audit report, showing membership at October 2, 1959 as 1,828, official count.

2. Michigan Association of School Boards, legislative bulletins dated March 8th and March 18th, 1960, reporting status of education bills in the legislature.

3. Wayne County Department of Health, recommending various changes in facilities in the Junior High School and Main Street Elementary School.

4. University of Michigan, Bureau of School Services, announcing Twelfth Annual Conference for School Board Members and School Officials, March 31st.

Report of Superintendent:

1. Schoolmasters' Day: Supt. reported annual request for closing of high school on May 13 in order that high school teachers may attend Schoolmasters' Day conferences and workshops at University of Michigan. Moved by Mr. Shafer, supported by Mr. Crump, that permission be granted. Motion carried.

2. Policy Matters: Asst. Supt. MacLeod presented written policies regarding kindergarten registrations, adult education and visitors to buildings, for possible approval and adoption by the Board. Copies of the proposed policies are on file in the office of the superintendent and the whole matter was tabled for further amplification and discussion at a future meeting.

3. Testing Program: Dr. MacLeod gave a report on the results of Otis Mental Ability tests which he has given to 8th grade and 11th grade students this month. Tests show that 17 percent of the 11th grade students have an I.Q. of 120 or above, and 18 percent of the 8th grade students are in the 120 or above group.

4. Insurance: Supt. reported that almost all insurance policies are due for renewal in April and Mr. Carrington, our Agent-of-Record, is prepared to meet with the Board, or with a committee, to review our insurance needs. Mr. Schrader, it was decided, will meet with Mr. Carrington on this matter.

Report of the Secretary:

The Secretary reported the following moneys received during the month of March:

- Current Taxes:
City of Northville \$125,000.00
Northville Township \$80,000.00
- Delinquent Taxes:
Novi Township \$946.86
Northville Township \$1,776.48
School Lunch Reimbursement \$1,152.41
State Aid \$36,000.00
- Report of Treasurer:
The Treasurer reported balances in the various accounts at March 31, 1960 as follows:
1. General Fund \$141,343.52
2. 1936 Bond and Coupon Account \$1,620.00
3. 1949 Debt Retirement Fund \$2,416.22
4. 1954 Debt Retirement Fund \$10,725.99
5. 1957 Debt Retirement Fund, Series A \$26,890.88
6. 1957 Debt Retirement Fund, Series B \$89,236.48
7. 1957 Debt Retirement Fund, Series C \$35,010.46
8. 1957 Building and Site Fund \$19,908.38
9. Cafeteria Account \$7,244.81

Total Funds on Hand \$334,396.84
It was moved by Mr. Crump, supported by Mr. Shafer, that the report of the treasurer be accepted as given. Motion carried.

Report of Special Committees:

1. Curriculum Study Committee: report given by Mrs. James Ross. Sub-committees working on reports. Final report should be ready for Board of Education in June. Two new members have been added, bringing total membership of committee to 34.

Obituary

GRANT H. POWER

Grant H. Power, 69, of 9343 West Seven Mile road, passed away April 11 at his home. He had been ill for the past four years. Born October 23, 1890 at Farmington, he was the son of Nathan and Zoia (Hendryx) Power. He is survived by his wife Lottie whom he married June 9, 1913; a son Robert of Detroit, and five grandchildren. Mr. Crump moved to his Seven Mile road home in August 1930. A stone mason contractor by trade, he was particularly proud of his construction work on the Veterans' Memorial building at the state fairgrounds. He was a life member of Northville Lodge No. 186, F&AM. A lodge funeral service was conducted Wednesday evening from the Casterline Funeral home. Regular funeral services will be held today (Thursday) at 2 p.m. from the Casterline Funeral home, the Rev. Richard Burgess of the Salem Federated church officiating. Burial will be in the Salem Walker cemetery.

HARRY MILLINGTON

Harry Millington, 47, of 230 Lake, died suddenly April 8 at Community General hospital after a brief illness. Son of Charles and Mary (Helmuth) Millington, he was born December 12, 1912 at Berwick, Penn. He is survived by his wife Velna; two daughters, Sharon and Yvonne; two sisters, Mrs. Emil Andries of Whitmore Lake, Mrs. Allen Craig of Chicago, and four brothers, Frank of Plymouth, Tom of Livonia, Walker of Southfield and Alfred of Northville. Mr. Millington, who lived at his Lake street residence for the past 15 years, was employed by the Lower Huron Metropolitan Park Authority. Funeral services were held Tuesday from the Casterline Funeral home, the Rev. Paul Cargo of Northville Methodist church officiating. Burial was in Glen Eden cemetery, Livonia.

AGNES McCRUMB PERRY

Mrs. Agnes McCrumb Perry, 80, of 108 Florence avenue, Pontiac, passed away April 6 at Community General hospital after a brief illness. Mrs. Perry, the daughter of Philip and Frances (Crane) McCrumb was born in Novi September 4, 1879. Her husband, Charles E., preceded her in death in 1952. Mrs. Perry is survived by two daughters, Mrs. Ellen Rice of Pontiac and Mrs. Louise O'Dell of Clinton; 10 grandchildren and three great-grandchildren. Mrs. Perry had made her home in Novi for some 20 years before the death of her husband. In 1953 she moved to Pontiac. Mrs. Perry was a member of the Central Methodist church of Pontiac, Novi Rebekah lodge, Farmington Chapter No. 239 Eastern Star, and the Pontiac YWCA Golden Age group. Funeral services were held Saturday from the Casterline Funeral home, the Rev. Dr. Melton Bank of the Pontiac Central Methodist church officiating. Burial was in Oakland Hills cemetery, Novi.

Wixom P-TA to Hear Rev. Taxis Next Tuesday

The April meeting of the Wixom P-TA will be held Tuesday, April 19, instead of the usual Thursday evening.

The Rev. John Taxis of the Northville Presbyterian church, will speak on "Parents Responsibility to Their Children". Election of officers will be held.

Teachers will be in their rooms to confer with parents at 7:30 prior to the meeting. Refreshments will be served.

ACCELERATION PLAN FOR FAST STUDENTS

This is another in the series of articles on education prepared by W. C. Becker and John W. Swain, Jr., both members of Northville's Citizens Curriculum Study Group. This week's article concerns "Acceleration". At the conclusion of the series school administrators will present their comments and explain current practices in the local school system.

Acceleration is a word that educators use to describe what used to be called "skipping". But acceleration today, while it is a method for more rapid advancement, covers more than just skipping.

Simple skipping is no longer considered good practice. Formal acceleration or skipping as we now know it, consists of additional tutoring by the teachers both before and after the change of grades involved. An attempt is made to see that the child covers every fundamental which is necessary for later academic work.

Under the traditional skipping method one of the problems the child faced was the additional learning of the basic fundamentals taught in the grade he skipped. Special tutoring by the teacher was necessary, and a somewhat unfair burden of academic work was placed on the student.

Other forms of acceleration also exist. If skipping is not utilized, it implies either special grouping or enrichment, or both. One of the dangers of skipping is that for a time the academically superior child is whisked through a body of work to prepare him for a higher grade where he again slows his pace.

Spencer Brown, in "How to Educate the Gifted Child?", has compared this to passing a car in front of you at sixty, only to find the way is blocked by trucks traveling at twenty miles an hour. He suggests that acceleration should be accomplished more smoothly at a constant forty-five miles per hour. This calls for a highway without slow traveling trucks (special grouping) or a trip covering a great many extra miles through more varied scenery (enrichment).

Another form of acceleration is early entrance into the elementary school for more capable children. It has long been recognized that the chronological barrier of admission creates problems. A bright child, whose birthday falls just beyond the cut-off date, must wait a year in Northville, and throughout most of Michigan, to enter school. When a year later, he does enter he frequently finds himself with others who have just made it under the wire. An age difference of nearly a year already exists. With the academically superior child there is usually one or more years difference in mental age. The result, in effect, is that the superior child is not accelerated but is decelerated. Early entrance for these children helps them to use their superior talents.

The ungraded early "EI" also provides for acceleration. This plan allows both for a more rapid and a slower and more painstaking progression by the children through what we now know

as the first three grades. Children have time to adjust their school pace to their mental age and may take two, three, or four years to complete "three grades" depending on each one's age and capabilities. A later article will cover this more fully.

Some special schools have compressed eight normal years of elementary schooling into seven, or three years of junior high work into two. Some high school students of sufficient ability have gained early admission into college at the end of their junior year or, in exceptional cases, at the end of the sophomore year.

Experts agree that a one year acceleration of the gifted is almost always desirable. If more is unavoidable, the recommendations are that it should be done reluctantly and as late in school as possible, for age differences are less troublesome as the children grow older. Acceleration by group is also more desirable than by individuals, especially at the elementary level. This presents problems or is impossible for a small school system, however.

Some colleges are now considering an administrative acceleration. One plan, called the Trimester, would provide three full semesters per school year. A full time student could complete a traditional four-year course in two years and eight months. This would allow a year of graduate work in an additional eight months or completion of a five year college career in three and a third years. Superior students could thus accelerate at this higher level of learning quite easily, as experience in accelerated education during World War II has shown.

Unless acceleration is used in conjunction with enrichment and/or special grouping, little is accomplished. It must be remembered that no administrative device can be substituted for a skilled, highly educated, devoted teacher.

If the acceleration method is valid it is only to aid the teacher in doing the best possible job for the child.

NOVI FIFTH graders in Mrs. Glen Salow's classroom staged a style show last week to demonstrate the "right" and "wrong" way to dress. The show concluded a study of fibers, cloth and fabrics by one of the

class reading units. The show was planned and written by the pupils with the entire class taking part either as models, narrators or backstage workers. Above (at left) the "wrong" styles for classroom wear are modeled by Herbert Harbin, Carey Joe Harnden, Bruce Burgdolf

and Wayne Wolverton, while Billy Bailey narrates the scene. At right proper church clothes are modeled by Rita Ciot, Sammy Button, Sharon and Penny Marchetti, Billy Groves and Karen Tucker. The show was held in the Novi community building with many parents attending.

FRIDAY &
SATURDAY 'TIL 9 P.M.

TOP GAL BOWLERS — Winning teams in Northville high school's Girls' Athletic League bowling leagues were awarded their trophies last week at Northville Lanes. Shirley Dichen, Judy Lonn and Etta Rutlan (r. to l.) were members of the Wednesday night winning team, the "Busy Bowlers". Pictured next is Mrs. Charles Tremar, who

served as adult secretary for the leagues. Her daughter, Gail, was student manager but was not present when the picture was taken. The next four girls (l. to r.) are Linda Bell, Lauren McKarns, Linda Lepper and Edith Witt, members of the top Thursday night bowlers, the "Alley Cats".

In Golf Opener

Mustangs Tee Off Today at North Hills

Northville's all-veteran golf team will tee off for its first match of the season this afternoon at Bloomfield Hills. The Mustangs face Milford Monday.

The season opener scheduled last Monday with Redford Union was postponed because Redford was unable to make arrangements for a course.

Today's match will be played on the North Hills course in Bloomfield Hills.

Coach M. F. Meaker will send an experienced-packed four to the tee in an effort to grab honors in to-

day's opening meet with the Barons. They are: Mike Eastland, Bill Reuter, Dean Herman and Mike Slattery. Mike's brother, Tom Slattery, an alternate, is battling hard for a starting berth.

Although there will be plenty of pressure riding on starters, particularly in light of limited spring practice because of weather conditions, optimism is high.

The Mustangs ended the season last year in a blazing finale, firing a 185 total to place second in a triangular. The second place finish gave Northville a commendable 8-3-2 record for the season.

Only Bill Chizmar of the 1959 squad was lost through graduation.

In its opener with Brighton last year, Northville was forced into a tie on the ninth hole at Meadowbrook Country club. Both teams fired total scores of 187. Brighton's Bidwell fired a 40 on the par 35 back nine to take individual honors. His birdie on the ninth salvaged the tie.

Home matches this year will be played at Meadowbrook. Practice sessions, however, are held at Braeburn.

Northville to Race Trojans Wednesday

Northville's track team will step up to the starting line of another season Wednesday when it clashes with Clarenceville.

The meet will be held on the Trojan track beginning at 4 p.m.

Coach Ralph Redmond, assisted by Dick Rusche, is looking forward to a "good season" even though he won't predict one.

"I just don't know what they (his tracksters) can do. We've got a younger team than last year, a lot of freshmen and sophomores who may help out," Redmond said.

"There's plenty of spirit on this team," he added. "The weather hasn't been good for practicing, but the boys are really trying. They deserve a lot of credit."

Close to 30 players, including about 12 varsity lettermen, will travel to Clarenceville for the opener. The traveling team may be cut later.

Martin Wins Award For Mat Performance

Glenn Martin, son of Mr. and Mrs. Frank J. Martin, 45332 Byrhe drive, has been awarded a high school wrestling team squadman certificate for outstanding performance on his team this season at the Kemper school, Boonville, Mo. He was given high recognition for his wrestling ability by his coach.

The Kemper wrestling team placed second in the Missouri military schools' competition, held recently at Missouri Military Academy, Mexico, Missouri.

STUDEBAKER ECONOMY PROVED AGAIN In Mobilgas Economy Run!

THE LARK V-8...REPEATS FOR SECOND YEAR
23.28 miles per gallon with automatic transmission!
Minneapolis, Minn. (Special). For the second year in a row, the amazing Lark V-8, liveliest of all the compact cars, out-economized every V-8 car in the rigorous 5-day official mileage test. All cars entered were stock cars. The entire Mobilgas Economy Run was closely supervised by the United States Auto Club. The results? Look at the economy figures.

THE HAWK V-8...SWEEPS ITS CLASS
22.99 miles per gallon out-economizes all Low Medium Price cars made!
A smashing victory by The Hawk—over more than a dozen other cars—some costing hundreds of dollars more. And it made this impressive mileage record equipped with automatic transmission, power brakes, power steering. The Hawk by Studebaker is designed for sport—with new greater V-8 power.

THE LARK SIX...SAVES YOU MONEY TOO!
21.86 miles per gallon . . . but that's only 1/4 of the story.
Gas mileage is just one way you save with The Lark. Save on minor repairs, parts replacement, major collision work, insurance, high trade-in value. Lark Total Economy saves you four different ways!

SEE YOUR STUDEBAKER DEALER TODAY! START YOUR SAVINGS TOMORROW!

GIB BERGSTROM, INC., 200 S. MAIN STREET

Coach Eyes 'Rosy' '60 Tennis Season

Ron Schipper is no artist, but he's doing his best to paint a rosy picture of the 1960 tennis season.

The tennis coach admits his squad has a tough schedule ahead—probably tougher than last. Nevertheless, he's putting a lot of confidence in some 26 boys fighting for the starting berths.

Northville, which is part of a newly organized six-team tennis league, will open the season here Tuesday afternoon with Berkley.

Much of Schipper's optimism is based upon the steady improvement of one or two veterans and the addition of at least two stellar potentials from the freshmen class.

Veterans back from last year's team are: Tom Long, sophomore; Jon Rodgers, junior; Bill Scherkey, senior; Mike Janchick, senior; Jim McCarthy, sophomore, and Mike Goodrich, junior.

The two freshmen, according to Schipper, who have shown an unusual amount of tennis skill during spring practice are Dikran Ormekian and Jim Jiggins.

Last year, the Mustangs ended the season with a 3-9 record. Two of its victories were won in the closing week of play after the squad stumbled through most of the season.

Dr. R. T. Costello is Easter Speaker in Farmington

"Six Thousand Years of Easter—You are There" will be the theme of the Easter service Sunday at 11 a.m. at the Farmington Universalist church.

Dr. Russell T. Costello, speaker for the morning, said he would trace the history of Easter observances from early man's spring rites to the present day.

The church's choir will sing two numbers under the direction of Organist Evelyn Adams Costello, "Still, Still with Thee" by Mendelssohn, and Palestrina's "Alleluia".

The Easter program will begin with a 9 a.m. family breakfast in Adams hall at 10 a.m. The music listening group and others interested will hear a recording of Beethoven's Ninth Symphony and the morning service will follow. Sunday school classes will be in session from 10 a.m. to 12 noon.

AN EASTER MESSAGE

Only Easter, whose radiance shines backward in time as well as forward into the future, has caused the Friday just passed to be called Good Friday.

It seemed to the disciples and the friends of Jesus gathered at the foot of the cross that sin had done its worst and succeeded.

Looking up at Him they could see the blood on him, the crown of thorns, the death in his eyes, the agony of his face. They had expected to see Jesus ascend to a throne; instead, they had seen him nailed to a cross.

Then . . . the resurrection! Easter is a day of resurrection, a day of joyous singing and ringing declaration of faith. Worship services in large churches and small throbs with life and light and God's love.

Disciples who were grief-stricken at the foot of the cross are now filled with joy as they see an empty tomb and behold a risen Lord.

When we let the stories of the Resurrection steal over our minds with the sincerity and simplicity of their telling, an Easter glow steals over us, and we share St. Paul's grateful feeling that "Christ Jesus abolished death and brought life and immortality to light."

Easter tells us that God is at the heart of life. Evil will not triumph ultimately. Life has

meaning. God is not indifferent to justice or suffering.

Beyond the cross God had a morning in view. He had a revelation to make, an empty tomb to disclose. "Lo, he is not here. He is risen!" and through the ages we have heard Him say, "Lo, I am with you always." Let your heart and your spirit respond to Easter.

Christ who brought life and immortality to light sends faith to probe the future. Without God you may be sure that the future is not worth having. But with God the future holds great marvel and surprise. True to his character and "for His Name's sake," God is a rewarder of good and truth and faith.

You won't find proofs on Easter Day of the kind used in mathematical problems. What you do find is a "deep persuasion". Where love is abundant, life is triumphant.

This is the significant faith that has given to many not only a sense of meaning at death, but a strong purpose for constructive living day by day.

Easter island is a speck of land 2,000 miles from the coast of Chile. It was named on Easter day in 1722 by a Dutch navigator, Admiral Roggeveen.

This is the way many people treat Easter. Like an island. Not so Easter is part of the mainland of our faith. Let the song and the joy of the resurrection be yours.

UNITED FOUNDATION — Members of the United Foundation Women's Organization are shown above making final arrangements for the organization's "Spring Tonic" program. They are (l. to r.): Mrs. George F. Merwin, Northville committee representative; Mrs. William E. Wilson, Northwestern regional chairman; and Mrs. Irving ImOherstag, operating committee chairman for all of western Wayne county.

Area UF Women to Meet

The Northwest branch of the YWCA and a stimulating program are the key ingredients in the "Spring Tonic" being brewed by the United Foundation Women's Organization in northwestern Wayne county.

Mrs. William E. Wilson of Livonia, the northwestern regional chairman of the United Foundation Women's Organization's Operating committee, announced plans for an "Informational Evening" to be held for Torch Drive chairmen and civic leaders at the Northwest branch of the YWCA, Grand River and Beech Daly road, May 5, 8 p.m.

According to the committee's Northville representative, Mrs. George F. Merwin, 43461 Cottisford, the "Informational Evening" is only the first phase of a newly launched public relations and education program to acquaint each community with the basic philosophy of the United Foundation and the many services made possible by their efforts in the Torch Drive.

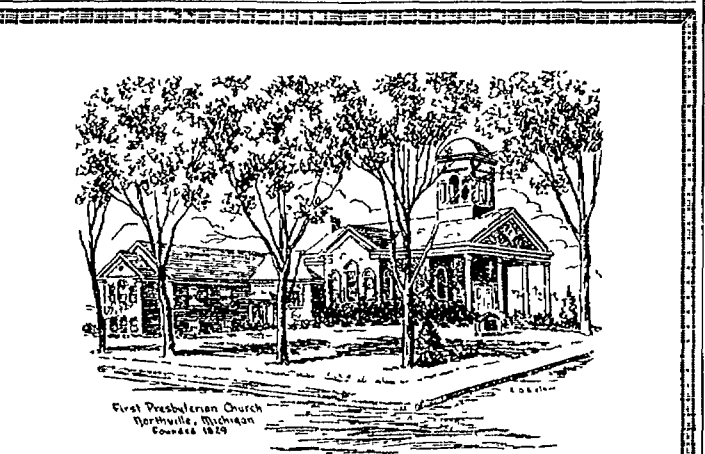

Ward McCain, Dearborn, a member of the United Foundation speakers' bureau, will present the principles of the United Foundation and its relationship with the 195 health, character-building and welfare agencies supported by the Torch Drive.

The May 5 meeting, which is invitational, is part of a tri-county program being sponsored by the United Foundation Women's Organization. Thirty-one meetings will be held during the last two weeks of April and the first of May throughout Wayne, Oakland and Macomb counties.

"Our first step in accomplishing our mission is to inform our key Torch Drive and community leaders. This will be done at the May 5 meeting," Mrs. Merwin said.

"King of Kings" Film To Be Shown at Salem

Good Friday services at the Salem Federated church will be held at 1:30 p.m. The service will consist of congregational singing, special musical numbers and a message by the Pastor, Rev. Richard Burgess.

The services on Easter Sunday will begin at 6:30 a.m. with a Sunrise service which will be held in the Salem school yard. Following this, a breakfast will be served in the church basement. The Worship service and Sunday school will be held at the regular hours. A special feature for the Sunday evening service at 7:30 will be the showing of the film, "King of Kings". This is a 90-minute film depicting with dramatic reality the life of Christ with special emphasis on His suffering, crucifixion and resurrection.

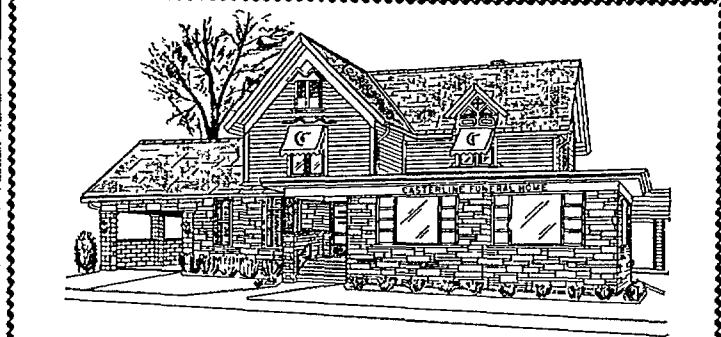

The public is cordially invited to attend these services.

Lutheran Missionary To Talk to Men's Club

The Rev. Paul M. Volz, Lutheran missionary stationed at Obot Idim, Nigeria, West Africa, temporarily in the United States on furlough, will tell of his experiences at the Men's club meeting at St. Paul's Lutheran church, High and Elm, Northville, on Friday, April 22 at 8 p.m. The entire congregation, as well as all others interested, are invited.

Missionary Volz will also be a speaker at the Michigan Southeast District convention of the Lutheran Laymen's League Sunday, April 24 at Redford Lutheran church, 22159 Grand River, Detroit.

EASTER

Greetings and Good Wishes

AS WE CELEBRATE A GLORIOUS EASTER, WE TAKE THIS OPPORTUNITY TO GREET YOU AND YOUR FAMILY WITH EVERY GOOD WISH FOR YOUR HAPPINESS AT THIS HOLY SEASON. OUR EARNEST HOPE IS THAT THE GLAD TIDINGS OF EASTER MAY GUIDE AND STRENGTHEN ALL OF US, HELPING US TO ENVISION DEEP SPIRITUAL GOALS AND TO RECOGNIZE THE GREATER TRUTHS THAT GO BEYOND OUR EVERYDAY LIFE.

TO KNOW THE TRUE JOY OF EASTER . . . TO EXPERIENCE ALL THE GLORY OF ITS MESSAGE . . . ATTEND EASTER SERVICES IN THE CHURCH OF YOUR CHOICE. BRING YOUR FAMILY . . . JOIN YOUR FRIENDS.

Fisher's

"YOUR FAMILY SHOE STORE IN PLYMOUTH"

OUT OF THE PAST

ONE YEAR AGO . . . The controversial Cady street rezoning request made its first appearance before the city council and if first reactions are any indication of things to come the proposal may have more bumpy sessions ahead.

The Northville board of education approved basic plans for remodeling of the junior high building at a special meeting with architects.

Groundbreaking ceremonies for St. Paul's Lutheran Christian Day school will be held Sunday. The \$46,000 two level structure planned to serve grades one through eight, is scheduled to open in September, Pastor B. J. Pankow said.

The kids that Northville's retiring Police Chief Joe Denton loves so much will have a park to play in named in his honor. Next week city councilmen will probably announce their choice of a new police chief.

The first full week end of spring athletics at Northville high school will get underway today with action in baseball, golf and track.

FIVE YEARS AGO With only five weeks to explain to Northville residents the merits of changing to a city form of government, the Citizens Committee on City Incorporation is planning an intensive educational program to bring a favorable vote at the special election to be held May 23.

A committee headed by Dr. Walter Belasco, John Miller, Gary Niece and Roy Stone will decorate the community building for the Rotary Golden Anniversary dance Saturday celebrating the club's 50th anniversary.

Frank Heintz of the police department sustained strained ligaments on the middle finger of his right hand last Thursday when a dog clamped his teeth on Heintz' gloved hand.

Some \$8,800 worth of furniture for the new \$300,000 Russell H. Armerman elementary school is ready for shipment upon request of school authorities.

The Northville Garden club hosted the annual Tri-Club Luncheon of the Northville, Plymouth and Rosedale Garden clubs at the com-

munity building here. **FIFTEEN YEARS AGO** . . . A village budget of \$86,000 was announced this week. Major expenditures include: \$27,000 for post war planning; \$13,000, police; \$7,500, street lighting, and \$6,000, streets. The item of post war planning allegedly covers the purchase of the Brock property at the corner of Main and West streets, and the proposed purchase of the Fred Van Atta home and Moshier apartments, giving the village ownership of the entire block bounded by Main, West, Cady and Wing streets. The property is to be used for future building sites.

"After seven tries, Herman Toussant and I have finally met," Serviceman Dale Bray wrote his parents Mr. and Mrs. Starr Bray. "I guess no one knows that he got the Bronze Star for his work on Leyte, so I'll send the word along to you. Won't his aunt and uncle, Mr. and Mrs. Ledger Brown, be proud? He's a real guy with plenty of guts, according to his buddies whom I've talked. He really looks rugged walking around with his 45 strapped on."

TWENTY-FIVE YEARS AGO A new Ford plant for Northville which may employ as many as 1,000 men became a possibility this week after a visit by Henry Ford and a party of engineers. If the plan is put into operation it is believed that all valves for all Ford cars will be manufactured here. Should the plant be constructed, the depression for Northville will be over.

The spirit of spring and Easter held sway at the post office Wednesday morning as 5,000 baby chicks arrived for local farmers. The White Leghorns and Barred Plymouth Rocks bring prices of 8-14 cents and represent a total investment of \$500. Their chorus of voices was heard throughout the building.

Drs. Robert H. Haskell and A.H. Steel of Wayne County Training school assisted recently in experiments that proved the power of a new anti-toxin to detect, and in most cases cure, spinal meningitis. Plans for a campaign to beautify Northville with flowers, narcissus as the dominant note, were outlined by the Exchange club.

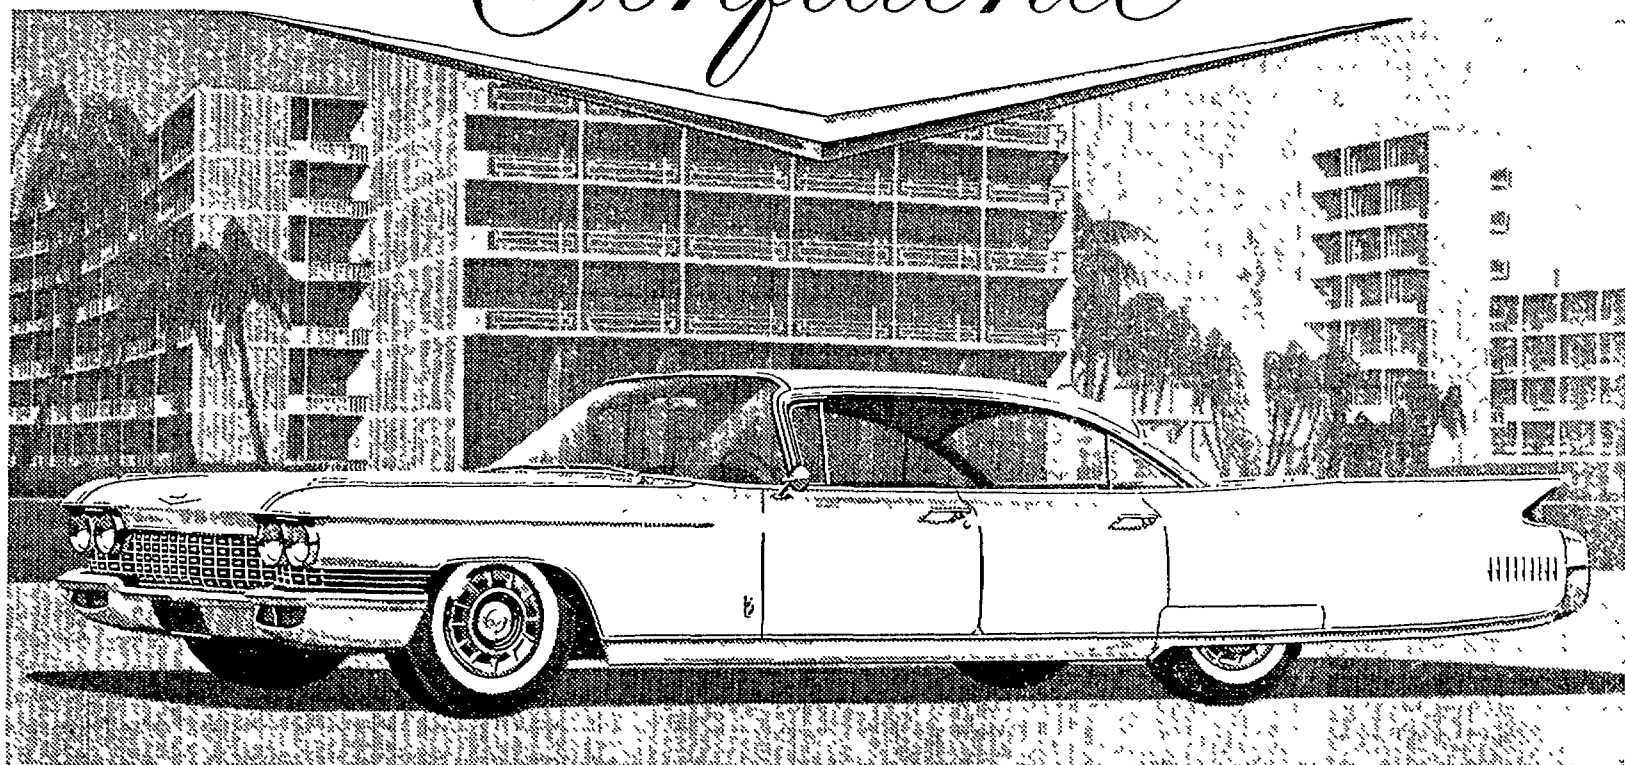

WIN SCHOLARSHIPS — The three Northville teachers pictured above have been selected from thousands of applicants to receive National Science Foundation scholarships. The scholarships, granted each year by the Foundation for the purpose of increasing the caliber of science instruction in high school and junior high school, entitles the three teachers to a tuition-paid course at colleges and universities selected by them. They are (l-r): Gene Quay, Carleton college, Northfield, Minnesota; Richard Rusche, Purdue university, and Ron Schipper, Hope college.

NEW HONOR SOCIETY MEMBERS — These eight high school students were initiated into the Northville Honor Society Thursday. Invitation to join the society is based upon the student's scholarship ('B' average), leadership, service and citizenship. The new members are (seated, l-r): Linda Taxis, sophomore; Leslie Sheehan and Janice Campbell, juniors; standing, Dennis Gilbert, sophomore; Paul Chadwick, sophomore; Jim Tuck, junior, Scott Palmer and Ed Beard, sophomores. Faculty sponsors are: Miss Diana Lance, Miss Florence Panatoni, Richard Rusche and Gene Quay.

St. Mary Hospital Guild News

Sr. Mary Columbine, administrator, and Sr. Mary Calasantia, moderator of St. Mary hospital, met with 13 board members of the guild Tuesday evening in the hospital guild room.

Several items came under discussion. The smocks for the volunteer workers have arrived and are ready to be picked up at the hospital gift shop or guild room. The reduced price for volume buying, places the cost at \$3.66. After May 1, all volunteers must wear the regulation smock while on duty. Orders may be placed at the hospital desk or guild room.

The following new board members were appointed committee directors: Marian Cheyne, ways and means; Hazel Watson, library; Marty Lynch, sewing, Renie Hogarth, financial secretary.

The following committee was formed to make plans for National Hospital Week: Sr. Mary Calasantia, guild moderator; Margaret Kalin, president; Shirley Barnes, membership; Patricia Robinson, public relations; Phyllis Robinson, publicity.

Shirley Barnes was happy to report that renewals to date number 493, with more to be processed.

The names of the chairmen of the various committees were submitted by the directors for consideration and approval.

The board members are confident of a successful year for the Guild.

Decoration Committee

Despite poor weather, 27 members of the decoration committee were present at Ladywood cafeteria April 4.

Madeline Enterline, chairman, introduced Marie Sattler as her new co-chairman.

A vote of thanks was expressed to Helen Brooks of Livonia, florist, for flower arrangements for the general meeting March 23.

Isabelle Guigley will direct the purchase of materials for use in decorations.

Refreshments for the next meeting will be under the competent hands of Elfreda Truer. Ann Rattigan ably handled refreshments for this meeting.

Delores Weinburger is doing the reporting for the decoration committee.

Easter trays at the hospital will be sparkling with favors made by members of this committee.

3 Area Students Graduate at MSU

Michigan State university has graduated its second largest winter class in March 1960.

The 538 graduates included 378 students who received bachelors degrees and 160 who received advanced degrees.

Commencement speaker was Dr. Victor F. Spathelf, president of Ferris institute. The degrees were conferred by MSU President John A. Hannah.

Size of the winter class was exceeded only by that of the graduating class of winter 1959.

Graduates of this area include: Louis Donald Larson, son of Louis A. Larson, 44281 Grand River, B.S. dairy manufacturing.

Hugh Elvin Lockhart, son of George Lockhart, 618 Orchard drive, M.S. forest products.

Priscilla Ann Blackburn, daughter of John W. Blackburn, 456 Orchard drive, B.S. child development teaching.

NEWS FROM THE AMERICAN LEGION

POST 147

Bob Collocott — Reporter

The appraisal of child welfare events in and out of the American Legion over a period of four decades is an awesome experience, for the welfare of children is inseparably interwoven in the welfare of the nation and the society of which they are a part.

The lives of children, which are the seeds of the future, are nourished for better or worse by events and forces over which neither they nor their parents have much individual control.

The first 40 years of the American Legion's child welfare effort stands as a glittering proof of a democracy's ability to move with the times and adapt its principles to needs of the day.

When the first national convention of the American Legion was held in November 1919, the welfare of children figured in at least four of the resolutions adopted by that convention.

For example, Resolution No. 18 urged posts of the American Legion to aid widows and children of deceased veterans.

The best in hospital and medical care was often of little value to the veteran who was worried and distressed about the welfare of his family back home. At the 1922 national convention in New Orleans, the seriousness of this matter was called to the attention of delegates by a member of the American Legion auxiliary, Mrs. Donald MacRae, Jr. of Iowa, who later became national president of the auxiliary.

Although recognizing the importance of child welfare, the Legion found its finances and energies completely absorbed in the urgent problems of veterans' rehabilitation. It

was impossible to establish a separate child welfare program at that time.

Mrs. MacRae, however, enlisted the interest of the Forty and Eight to take over child welfare as its primary responsibility until the American Legion could do more.

Since that time, both the Forty and Eight and the American Legion auxiliary have been staunch supporters of the Legion's child welfare program.

From the very beginning, the Legion has been a pioneering voice and influence in child welfare. This was reflected during the 1920's and 1930's in the adoption of mothers' aid and mothers' pension laws by most states, and later, in the aid to dependent children provisions of the Federal Social Security Act and supplementary legislation in all the states.

In 1945, the Legion and its auxiliary made a \$50,000 grant to a very small, struggling organization, The American Heart Association. The gift, together with additional contributions influenced by the Legion, vitalized the organization and made possible a reorganization and re-orientation to present day needs.

Just nine years ago, the Legion made another contribution of \$25,000 — this time to the field of mental health with the provision that the major national mental health organizations then in existence be amalgamated into one organization. Those organizations accepted the provision and did join forces.

The Legion joined with many others in support of the National Foundation for Infantile Paralysis to the end that a tremendous "break-through" in the control of virus diseases was accomplished by the development of Salk vaccine.

Late in 1950 the Legion called attention to another matter having to do with the physical and moral health of our children — the use of narcotics by juveniles. In June 1951, the Legion threw a national spotlight on the problem through a special narcotics clinic held in New York City.

Founded in 1954, the American Legion Child Welfare Foundation, Inc., has already spent over \$100,000 in pursuit of two major purposes: First, to add to the sum total of man's knowledge about children and youth through research; second, to help distribute knowledge that society already possesses about children so that the information will be more widespread and effective.

Early in 1951, the Legion asked Congress for the first time to make the educational benefits of the "G.I. Bill" available to the children of men who were killed in service and thus unable to take advantage of that opportunity. In 1956 those benefits did become available to those children through the passage of the "Junior G.I. Bill" — officially known as the War Orphans Education Assistance Act.

As of June 30, last year, 13,312 students had entered training. The allowances paid amounted to \$7,663,348.

There is real need for the American Legion to continue its deep, community-centered interest in children, to find a new and perhaps presently unthought-of approach to child welfare programs. None of us know what perils and trials lie ahead for the individual, the nation and humanity. But all of us know that survival may well depend on the quality of care, education and training which we as parents and citizens provide for all children.

Child Welfare is one of the many things your Legion card pays for. Join the American Legion.

HAPPY YOUNGSTER — Thanks to Northville Local 896 Larry Crowell, high school senior, has a new electric guitar. The surprise presentation was made Saturday at the conclusion of the regular membership meeting by Bill Wilson, the union local president (shown above at left handing the guitar to Larry). Larry was one of several high school youngsters, shown in the background, who entertained the group following the meeting with several musical selections. The local members purchased the instrument for Larry after members Chet Finney, John Hykal and Tony Bongiovanni suggested the idea as a worthy project for the union.

IN WILLOWBROOK:

Easter Egg Hunt Saturday

By Mrs. George Ames — Greenleaf 4-0830

The Willowbrook Community association is sponsoring an Easter Egg Hunt Saturday at Cass Benton park. Watch for a bulletin in your mail box with the exact time and place. Donations of dyed eggs are needed. Mrs. Clifford Farrington will be glad to hear from anyone who is willing to contribute eggs to the fun.

Mrs. Ethel Newman of Muncie, Indiana is spending the week here with her daughter and son-in-law, Mr. and Mrs. John Bauer.

Mary Beth Zavicar celebrated her fifth birthday Saturday. Mrs. Charles Faybik and her daughter, Dorothy, Richie Ambinder, Beth Chismark, Peggy Barnes and John Zavicar were guest at her party.

Ann Gallegher, daughter of Mr. and Mrs. William Gallegher of Ten Mile road, was admitted to Children's hospital last Sunday for surgery Monday morning.

Mr. and Mrs. Joseph Crane of East LeBost have just returned to Willowbrook after spending a week in Acapulco, Mexico.

Afternoon pinocle was at the home of Ann Halleck last Thursday. Ann won first prize, Gladys Earl second, Virginia Conrad third and Kay Buck, consolation. Millie DeHayes won the door prize.

Mr. and Mrs. William Reiss and Mr. and Mrs. Frank Nelson spent a long week end in New York City. Highlights of their visit were dinner at Sardinia and the play, "Flower Drum Song".

Corrine Tucker, Marion Davies and Sue Rogers enjoyed luncheon and a fashion show at Stouffer's in Northland last Wednesday. Viola Bontekoe of San Juan, Puerto Rico is here for a visit with Mr. and Mrs. Howard Stine. She

Know Your Kroger Clerks

Manager Edward Barnes has been with the Kroger company for 32 years and with the Northville store for 17 of those years. Barnes is married and lives at Middle Straits Lake with his wife, Myrtle, a former Kroger employee. Barnes' son is co-manager of the Farmington store, while his daughter is a freshman at Eastern Michigan college.

Ben Sutcliffe, manager of the Kroger meat department in Northville was born in Yorkshire, England. He has been with Kroger since 1930, coming here four years ago from the Farmington store. He's married and lives in Livonia.

Mrs. Forrest (Eunice) Hill is the "scale girl" at Kroger's meat department — she weighs all the meat before it is displayed. She has been with Kroger for seven years. A resident of Plymouth, she has one son and three grandchildren.

Dallas Leach came to the Northville store three years ago from Farmington. He is a meat cutter and has been with the company for 10 years.

Mrs. James (Grace) Lower has been with the Northville Kroger store since it opened in 1951. She is a counter clerk in the meat department. The Lowers have two boys and a girl and live at 9140 Napier in Northville.

Consumers President Dan Karn to Retire

Dan E. Karn has announced that he will retire April 30 as president of Consumers Power company.

The board of directors has elected two other officers to top executive positions, effective May 1.

Alphonse H. Aymond, Jr., now executive vice president, will become chairman of the board and chief executive officer. The company has had no chairman of the board for several years.

James H. Campbell, now senior vice president, will become president and chief operating officer.

Karn will be retained by the company as a consultant. He will become chairman of the finance and budget control committee, succeeding Justin R. Whiting, former chairman of the board and president, who will retire from this chairmanship. Whiting will continue as a director. Karn, Aymond and Campbell also are members of the board.

Karn, born on a farm in Miami County, Indiana, joined Consumers Power company in 1915 following his graduation from Purdue university with a B.S. degree in mechanical engineering. His first job with the company was as superintendent of steam heating in Grand Rapids. In 1919 he took on the additional work of power engineer.

Later that year he was called to Consumers headquarters in Jackson and assigned to the rate department. Two years later he became assistant to the general manager. He was appointed division manager of the company's Kalamazoo division in 1927, recalled to Jackson as assistant general manager in 1931, and elected vice president and general manager in 1933. He was elected first vice president in 1950 and president in 1951.

Aymond, a native of St. Louis, Missouri, was graduated from Northwestern university with a bachelor of arts degree in 1935, and from the law school of the University of Michigan with a juris doctorate in 1939. After five years with a Chicago law firm he spent two years as a supply corps officer in the navy during World War II. He then joined the legal staff of the Commonwealth & Southern corporation in New York City, leaving it in 1947 to become a Consumers Power company attorney.

He was appointed general attorney for the company in 1951 and general counsel in 1955. A short time later the board of directors elected him a vice president of the company. He became executive vice president in 1957 with responsibility for the company's gas, legal and accounting operations.

Born in Jackson, Campbell joined Consumers in 1933 following his graduation from Purdue university with a B.S. degree in mechanical engineering. He was power and lighting sales engineer in the company's Lansing division until 1939 when he received an Alfred P. Sloan fellowship which took him to the Massachusetts Institute of Technology for a year of graduate study. He then went to Youngstown, Ohio as a power sales engineer for the Ohio Edison company. He was in the army from 1942 to

1946 and went through the Italian campaign with the Fifth Army. On his discharge from active service with the rank of lieutenant colonel he rejoined Consumers as assistant to the division manager of the Grand Rapids division. He was appointed division manager in 1947. Two years later he was called to Jackson as assistant to the president. He was elected a vice president in 1950 and senior vice president in 1956.

Talbot Hopper Honored For Academic Distinction

Northville high graduate Talbot Hopper, son of Mr. and Mrs. Robert Hopper of West Seven Mile road, has been named to the Dean's List at Massachusetts Institute of Technology for "academic distinction".

The 1959 Northville salutatorian is a freshman at MIT, majoring in aeronautical engineering.

State-Owned Lands On Sale this Month

The Conservation Department will hold four public auctions this month at Detroit, Pontiac, Flint and Kalamazoo for the sale of 571 small, state-owned land units.

Any person, firm, corporation or association authorized to acquire property in Michigan may bid for these small parcels which have reverted to the state through default of tax payments.

The first auction will be held April 19 in the old city hall at Detroit for the sale of 160 parcels in Lenawee and Wayne counties. On the following day, 132 units in Jackson, Livingston and Oakland counties will be auctioned in the county office building at Pontiac.

Another 141 units will be offered for sale April 21 at the Flint courthouse involving lands in Saginaw, Tuscola and Genesee counties. The final sale will be held April 22 at the Kalamazoo courthouse with 138 parcels in Allegan, Barry, Berrien, Calhoun, Cass, Muskegon, Ottawa, Van Buren and Kalamazoo counties to be offered.

All four auctions will begin at 10 a.m., E.S.T. All money will be returned to the counties in which the auctioned lands are located.

Northville City Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Apr. 11th, 1960 at 8:00 P.M.

Present: Mayor Allen, Councilmen Canterbury, Juday, Reed and Welch. Minutes of last regular meeting, special meeting of Mar. 28th, 1960, and the results of the canvass of the special annexation election held Mar. 28th, 1960, were read and approved.

Bills amounting to \$10,027.69 from the General Fund, \$1,265.90 from the Other Government Fund, \$1,188.21 from the Water Fund and \$204.40 from the Water Construction Fund were presented for payment. Moved by Canterbury, supported by Juday that these bills be paid. Carried.

Moved by Canterbury, supported by Reed, that the name of A. Malcolm Allen be certified to the office of the Wayne County Clerk to act as a member of the Wayne County Board of Supervisors for 1960 to represent the City of Northville. Carried.

Moved by Allen, supported by Juday, that the deposit made by Warren Products, Inc., for fire protection in 1941, be refunded to them, since they are now within the City limits. Carried.

Atty Ogilvie presented the agreement with the Methodist Church regarding the Clock Tower which he had prepared, and it was moved by Welch, supported by Reed, that same be accepted and signed by the proper city officials. Carried.

The City Council will meet with the codifiers of the City ordinances on April 19th, 1960 in the office of Atty. Ogilvie.

An amendment to City Ordinance No. 74 (the Sewer Ordinance) was presented by Atty. Ogilvie providing that septic tanks and drain fields meeting with the requirements of Article No. 3 of the Oakland Department of Health Sanitary Code shall be permitted in Northville Estate Subdivision. It was moved by Allen, supported by Welch, that this amendment be published in the Northville Record and that public hearing on same be held Monday Eve., April 18th, 1960, at 8:00 P.M. at the City Hall. Carried.

Mgr. Robertson reported that the C&O R.R. is now ready to sell the land at the entrance of the land fill to the City of Northville at the agreed purchase price of \$1,500.00. The Council authorized the City Manager and Attorney to complete the sale.

An initiatory resolution was introduced providing for the Special Assessment of property on Novi St. north of Hill St. for the following improvements:

Pave, curb and gutter street
Water line installation
Sanitary Sewer installation
Storm sewer installation

It was moved by Reed, supported by Canterbury, that this resolution be adopted. Carried.

Another initiatory resolution was introduced providing for Special assessment of land located in the southeast ¼ and the southwest ¼ of Section 34, T1N, R8E, City of Northville, Oakland County, Michigan, to cover the \$100.00 per acre which the City agreed to pay to the Wayne Co. Road Commission for the inclusion of this property in the Middle Rouge Parkway Interceptor Sewer District. It was moved by Canterbury, supported by Allen, that the foregoing resolution be adopted. Carried.

No further business appearing, meeting was adjourned at 10:30 P.M.

(Signed)
Mary Alexander, Clerk

SPEAKING for the Record

By Bill Sliger

This month local members of the Michigan Cancer Foundation are doing their part to educate area residents on the facts about cancer.

The April Cancer Crusade is headed by Mrs. L. M. Eaton, Northville branch chairman, and her education committee chairman, Mrs. Wilbur Johnston.

They have a simple message they're trying to get across to the people which they believe is the solution to cancer prevention: see your doctor at least once a year and stop the disease before it is apparent by any symptom.

Then, and only then, experts say, can you be assured of cure. Cancer MAY be cured at a later stage — many cases have been, but the best time to be assured of cure is to detect it when it is microscopic in size.

In connection with this educational drive it should be pointed out that the Michigan Cancer Foundation is not conducting a fund-raising campaign. Their funds were derived from the United Foundation Drive.

This situation has brought about some confusion — and, as is pretty generally known now — a split between the American Cancer Society and the MCF. The latter is holding firm in its position that it will not seek more funds. Meanwhile, the ACS has set up a competing branch in southeastern Michigan and its campaign literature says "Fight Cancer with a Checkup — and a Check".

In Northville, says Mrs. Eaton, you can forget the check.

T. R. Carrington, longtime area resident, says that years ago The Record conducted a contest at census time. Cash prizes were awarded for the best estimates of the population.

It sounds like it might be interesting. So let's set down the rules, very informally, for a private game for the readers of this column.

We'll use the estimates (not the final figures) that will be available in early May. Send in your estimate for the city and also the township (remember, the institution population is counted) on a postcard together with your name and address to "Census Estimate", Northville Record.

Let's do the same thing in Wixom and Novi (entire township) and send replies to The Novi News.

Cards should be postmarked by April 25. Also, it seems reasonable to make census enumerators ineligible.

Now for the prizes. To the best estimator in each community will go a dictionary. Second place will be worth a box of personalized stationery.

We'll have to get the cooperation of each local government. Only by calling the area census bureau sometime during the first week in May can governmental units under 20,000 population receive the preliminary figures.

Roger Babson Tells Best Investments

Babson Park, Mass. — I am often asked what are the best types of investments for those whose funds are limited and who need steady income to help with their living expenses or to provide a major part of such expenses. Here is my answer to these people and to others in similar circumstances.

U.S. Government Bonds Are A Buy

Among the best investments from the point of view of safety of principal and continuity of income are U.S. Government Bonds. These are available in different series and maturities to accommodate different types of investors, and are selling not far above their low prices for the past 20 years. The longer maturities now return a yield of over 4 percent, which is more than you can get by leaving your money in a savings bank.

The full faith and credit of the United States is behind these government bonds, and I am sure Uncle Sam will never default on these obligations. It is entirely possible, however, that the money in which you will one day be repaid may purchase less than it does now, but that is a risk which you must take with almost any investment you make. Of course, government bonds are taxable, but there are comparatively few investments you can make which are not taxable.

Don't Overlook Municipal Bonds. Many of the bonds of cities and towns throughout the country pay well today and should be safe investments. A further advantage is that income derived from these municipalities is non-taxable. I suggest, however, that you choose your municipal bonds carefully. It is desirable to know something about the financial affairs and tax income of the city or town whose bonds you buy; otherwise you should employ an investment counselor.

Usually, the best municipal bonds are those of localities of substantial size, though under 100,000 population. Avoid bonds issued by the larger cities. The risks involved in holding them are too great and too numerous, especially for people of moderate means and income. I also prefer bonds of interior cities which would probably not be bombed in case of World War III.

Advantages of Turnpike Issues. In my opinion, the bond issues of most of the larger turnpike authorities should prove to be safe investments for those who are really interested in them.

He is a native of Louisiana and is an ex-newspaperman. He worked for the Arkansas Gazette in the early 1930s and later was a manager for United Press in Texas, Illinois and Michigan before joining Ford in 1949.

Notable stories Forrest covered included the New London (Texas) Consolidated School explosion of March 18, 1937, in which 294 students and teachers lost their lives; the death of Henry Ford April 7, 1947; and 113-day General Motors strike of 1945-46.

At the Moscow exhibition, he supervised the installation and operation of display material for eight passenger cars, a truck, tractor and farm equipment, as well as directed the distribution of 1,500,000 pieces of Ford literature to the Russians during the 42-day run of the show.

Forrest was present during the famous "model home debate" between Vice President Nixon and Soviet Premier Khrushchev and will tell the Optimist club of his impressions of everyday life in Russia today.

Michigan Mirror Party Rules Limit Representation

Why don't more people take an active part in politics — or vote? It doesn't seem logical, but part of the answer is that they don't know how they can. Party rules, customs and state laws so regulate and restrict the activity of both citizens and political parties that many people are left out.

In Michigan, for instance, the method of choosing delegates to the national political conventions effectively prevents all but a handful of people from sharing in the nomination of a presidential candidate. And Michigan's laws governing the registration of voters, liberal as they are, keep some people from voting.

Even, the direct, open primary — designed to give everyone a share in the nomination of candidates — doesn't actually have the result. Only some of the candidates for public office are nominated in the primary where everyone can vote. Others are nominated at the state conventions of the political parties. And at the conventions only delegates vote on nominations.

If you vote in the August primary, you can help nominate the state's United States senators representatives; the governor and lieutenant governor; state senators and representatives; circuit court judges and commissioners; probate judges; and county officers.

But you must be a delegate to your party's state convention if you want to help nominate these state officials: secretary of state, attorney general, auditor general, superintendent of public instruction, highway commissioner, justice of the state supreme court, members of the governing bodies of the three major state universities, and the members of the state board of education.

In some states, Wisconsin for instance, all local and state officials are nominated in the primary. Wisconsin goes even farther and holds a presidential preference primary. But in Michigan the average voter has very little say in nominating a presidential candidate.

Delegates to the national convention of both parties will be elected by a special state convention later this spring. The delegates to the state convention will be selected by the delegates to each county convention. And these delegates were named in the August primary in 1958 — almost two years ago.

State law, and probably lack of interest on the part of the voter, prevent many persons from even voting for these county convention delegates. In the first place the names of the candidates for delegate to the county convention don't appear on all ballots. If you vote on a voting machine as a growing number do, you have to vote a separate printed ballot for this office.

In any case, you have to write in the candidate's name or use a sticker obtained from your party or the candidate. Most people don't know who the candidates are or don't bother to vote for party precinct delegates.

In one precinct of a medium-size Michigan city in 1958, only 27 people voted for their precinct delegates. Twenty of these were Republicans and seven were Democrats. Yet in the November election in the same precinct 687 persons voted for governor.

So in that precinct only 27 persons had a hand in shaping party affairs — or even indirectly will help nominate a presidential candidate this summer.

Registration laws also act to keep people from taking part in politics. You can't sign a nominating petition, or a referendum petition, or vote unless you are a registered voter.

Essential requirements for registration are that you be 21 years of age and a resident of Michigan. But you must vote or your name may be stricken from the registration list. State law says your name can be removed from the registration list after four years if you don't vote. The law also permits cities and townships to remove names after two years if they so desire. While this permits clerks to rid voting records of deadwood, it can frustrate one who wishes to renew his interest in voting.

And you will have to register at least 30 days prior to the election in which you want to vote. For instance, final registration date for the August 2 primary is July 5. Final registration date for the November 8 election is October 10.

If you move you'll have to change your registration if you want to vote.

More people should take an interest in politics — ask any candidate, as election day nears. And many citizens could do more if they knew more about the rules of the game.

One of the best studies of Michigan politics is a little paper-back called "Guide to Michigan Politics" written by Joseph G. LaPolombara of Michigan State University. A new edition of this pamphlet is coming off the press soon. It's available by writing Bureau of Social & Political Research, Morrill Hall, Michigan State University, East Lansing, Mich. Price is \$1.

On Western Honor Roll
Karl Wursching has been cited for his high academic attainment by being placed on the high scholarship list at Western Michigan university, Kalamazoo, for the fall semester.

To win a place a student must carry at least 14 hours of work, have no more than five hours of B work and with only one grade of C. Wursching lives at 120 North Center. He graduated from Northville high school.

And you will have to register at least 30 days prior to the election in which you want to vote. For instance, final registration date for the August 2 primary is July 5. Final registration date for the November 8 election is October 10.

If you move you'll have to change your registration if you want to vote.

FASCINATING FACTS ABOUT NATURAL GAS

From Rags to Riches

At one time, women cooked their food over flames that shot from holes in the ground — fantastic but true! Thousands of years ago, travelers, returning from China, told of villages built around Natural GAS seepages and of Chinese women cooking their food over these Natural GAS flames.

Amazing things have happened to Natural GAS — it is no longer an outdoor flame to cook food — but a wonder-fuel that furnishes energy for cooking, refrigeration, laundry, water heating, house heating and indoor disposal of trash and garbage — Natural GAS has made the "livin' easy" and housework fun!

*This "stored sunshine" is one of America's favorite fuels — seven out of ten homes built today use Natural GAS for heating. Call or write your Heating Equipment Dealer or Consumers Power Company for information about inexpensive, automatic GAS heat.

GET THE FACTS — BETTER YET — GET GAS! PG-7001-21

Air Conditioning—temperatures made to order—for all-weather comfort. Get a demonstration!

See The Dinah Shore Chevy Show in color Sundays, NBC-TV—the Pat Boone Chevy Showroom weekly, ABC-TV.

Brookwood 4-Door 6-Passenger Station Wagon

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS...UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you — at no extra cost — that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.
