

## Three Announce For School Board

It's official now. Northville school district voters will elect four members to the board of education this June expanding the present five-member body to seven.

And while candidates have until May 14 to file petitions for the board, thus far only three people have officially declared themselves in the race.

Petitions are now being circulated for John P. Callaghan and James Kipfer.

Dr. Waldo Johnson, member of the present board, has indicated he will obtain petitions this week. Board of Education President Nelson C. Schrader, completing a 10-year period in office, has said he will not seek re-election.

Thus the board is assured of three new faces — and possibly a majority of four.

Holdover members of the board are William B. Crump, Donald B. Lawrence and Robert Shafer.

Until late last week there was some question as to whether Northville would expand automatically to a seven-member board this June. A law requiring all fourth class school districts operating a full 12-grade program to have a seven-member board was passed in the last session of the state legislature.

Efforts to amend this law to require that the voters first approve the expansion in the June election continued until last Friday, when

the measure finally died in committee.

In the June election two candidates will seek three-year terms and two will run for four-year terms.

Incumbent Dr. Johnson has not yet indicated which he will seek.

Callaghan is a candidate for the three-year term. A supervisor with the county of Wayne, Callaghan resides at 18285 Sheldon road. He is married and has one son, age 12. A resident here for eight years, Callaghan is a native of Wayne where he was graduated from Wayne Memorial high school. He is 45 and a retired officer of the United States cavalry.

Kipfer is a newcomer to the community who has taken an active interest in school affairs. He has filed for the four-year term. Married and the father of a 13-year-old boy and a girl, age six, Kipfer resides at 914 Ely court. The Kipfers moved to Northville 1½ years ago. A native of Ft. Wayne, Indiana, Kipfer received his B.A. degree from Western Michigan college and his M.A. degree at the University of Michigan. He is coordinator for school mental health for the Michigan Society for Mental Health. During the past year both Mr. and Mrs. Kipfer have been members of the Northville Curriculum Study committee.

Petitions for board candidacy are now available at the board of education offices in the Main street elementary school. Petitions must contain 50 signatures of registered qualified school electors and be filed by May 14 at 4 p.m.

## Ready Plans for Annual Clean Up Campaign

Another "Beautify Northville" campaign stands ready for launching during the month of May with a new chairman facing the difficult task of matching two previous nation-wide winning efforts.

John W. Swain, Jr., the 1960 clean-up chairman, has announced that his committee is ready. And with a page from the book of his predecessors and a few new twists, Swain is determined to make the third annual campaign the biggest ever.

In 1958 and 1959 Chairman John Canterbury and Ed Welch, respectively, won top honors for their results in the national "Cleanest Town" contest.

While many of this year's projects will be patterned after previous campaigns, the 1960 drive will introduce several new ideas.

Perhaps the most unique is a "commercial redevelopment" contest. Swain, working with contest chairman William Becker, has outlined plans for inviting architectural students — at high school and college level — to submit drawings of the business district as they believe it should be remodeled or completely renovated.

"We'll offer attractive cash prizes and have the students visit the business district on May 14 to complete their drawings," Swain explained. "Who knows, we may get some good ideas? At least it should be a good publicity gimmick for our campaign," he added.

A major tree-planting project is

also slated for the South Main street entrance to the city.

Swain hopes to adopt a theme of "city service" so that each organization and individual taking part in the drive to help beautify the community can "serve" in their own way.

Working with Swain on the campaign are: Richard Lyon, co-chairman; Mrs. Peter Cucchetti, treasurer; Arthur Proddger, secretary; Bruce Turnbull and Harry Sedan, street clean-up; E. V. Ellison, schools; Charles Altman, merchants' eye-sore; W. C. Becker, contest chairman; George P. Head, University of Detroit professor as consultant on the commercial contest; Charles Strautz, finance chairman; Paul Palmer, trash pick-up chairman; and Dr. Georgine Moerke, before and after pictures.

Kick-off day for the drive will be April 30 when local merchants will "scrub" the business district streets with an assist from the fire department.

The tree planting project will be held May 7; the contest to remodel the business district on May 14; and the city-wide trash pick-up on May 21.

## Grid Coach Schipper Taking Win Streak to Class A Jackson

Ron Schipper

Northville's football coach, Ron Schipper, will accept the head coaching position at Class A Jackson high school, it was revealed this week.

The Jackson school board voted to appoint the highly rated Northville coach this week.

However, in a statement to this newspaper, Schipper expressed surprise at the "sudden" appointment. He said he had made no definite commitments, although he admitted he would "more than likely" accept the position tomorrow.

Athletic Director Al Jones, who has tossed repeated praises in Schipper's direction, said he has no idea who will be appointed head coach here if Schipper signs the Jackson contract.

According to Schipper, who also teaches mathematics at Northville, the appointment would mean a "considerable" increase in salary and would also mean a giant step forward in his coaching career.

Schipper, who started his coaching career at Northville, will carry one of the most successful football records in the state to Jackson. Since 1955, he and his assistant, Don "Dutch" Van Ingen, have turned out four championship teams in seasons of 7-1, 8-1, 9-0 and 8-1. With the conclusion of the grid season last year, Northville had stretched its string of league victories to 32 games. Northville teams have been rated among the top eleven of the state since Schipper's arrival.

Always popular with his players, the Northville coach has drawn a mountain of praise from local fans and opposing coaches in the Wayne-Oakland league for his coaching abilities. Most observers point to the genuine enthusiasm and spirit that Schipper builds up in his players and staff as one of his greatest assets.

Schipper came directly to Northville after graduation from Hope college and coached the reserve team in 1952 and 1953. In 1954, he assisted Coach Dick Kay, now principal of Amerman school.

He and Van Ingen first joined forces back in 1950 when the two young athletes shared the limelight as teammates on the Hope gridiron. At Jackson, Schipper faces a tough "rebuilding job. The Vikings, members of the fast Six-A league that includes Ann Arbor, Battle Creek, Kalamazoo and Lansing Sexton and Eastern, did not win a league game last year. Outside the league Jackson won three titles from weaker teams. Schipper will replace George Kiesel.

## City Hears Request For Recreation

Recreation Director Kenneth Conley took his plea for funds to the city council Monday night. He asked for the same amount as he received last year — \$6,000.

With "tongue in cheek," Councilman John Canterbury asked what the township had given in their budget. Three weeks ago the township board sliced its regular appropriation for recreation for the past two years from \$3600 to \$3000.

In past years the recreation commission has split its budget between the city and township on a 60-40 basis. Conley said there was no sure way to determine this ratio — but that this year (his first as director) he would compile these figures based on participation, by city and township residents.

Conley added that "he suspected" that city participation might be as much as double that of the township. This would make his request of \$6000 from the city compare favorably with the \$3000 granted by the township.

After examining Conley's budget (he reported that the program would not be cut despite the township reduction) the council promised to give it full consideration. The city budget is currently under study and will be completed in mid-May.

In other business Monday night the council commended Councilman Earl Reed on a report that he had secured "transfers" for three of five city-supported patients in the Wayne County General hospital. Bedridden patients unable to pay their full hospital costs come under city support and in recent months this expense has increased sharply.

Reed was able to obtain transfers to state and federal fund supported rest homes for three of the patients not confined to bed.

## Youngster Injured In Bike Accident

A 13-year-old Northville boy suffered minor injuries Tuesday afternoon when an automobile struck him while riding his bicycle on South Center street.

Curtis W. Hahn, son of Mr. and Mrs. Lawrence Hahn, 420 Griswold, was reported in "satisfactory" condition at Community General hospital Wednesday. Hospital personnel said he suffered multiple bruises.

According to police, the boy was riding south on Center behind moving traffic when he turned suddenly into the path of a car driven by Lawrence Williams, Jr. of Ypsilanti.

Williams said he was driving about 20 MPH and was unable to avoid the accident. There were no witnesses, police said. The driver was released pending further investigation.

The boy had only recently earned his new bicycle, which was damaged, in the Northville Record - Novi News subscription campaign. He was the first boy to enter the campaign.

## Oakwood Residents Hit 'Overloaded' Sewers

Flooded basements, overflowing sanitary sewers, sidewalks and traffic problems in the northern residential section of the city were questions laid before city councilmen Monday night by the year-old Oakwood Subdivision group.

Represented by their president, Elmer Balko, and Charles Altman, vice president, the citizens association wanted answers to these specific problems:

— would the council declare a four-year "moratorium" on the newly adopted sidewalk ordinance?

— what will be the traffic precautions for Grace, Carpenter and Horton streets at their intersections with the new Eight Mile road cut-off?

— what kind of relief can residents expect from basements being flooded when over-loaded sanitary sewers back-up?

— what is the city planning to do about sewage overflowing into the creek?

In the first instance, the Oakwood group had written a letter asking that residents be given more time to install walks under the city's offer to pay one-third.

The council stood fast on the ordinance requirements as set down, but explained the purpose and intent of the sidewalk ordinance, presumably to the satisfaction of the group.

It was pointed out that the ordinance does not require that sidewalks be installed, except in areas considered necessary because of heavy traffic.

Under the rules of the new ordinance the city will pay one-third the cost of installing a new sidewalk if completed within one year of the effective date of the ordinance — or one year after grade has been established for the sidewalk.

The council further pointed out that if a walk was installed and grade later changed, the council would assume full cost of replacing the walk. These instances, however, should not occur if engineering is accurate, it was pointed out.

Mayor A. M. Allen explained in answer to the traffic problems that meetings have already been held with county traffic experts and that one possibility is "looping" two

## 'Powerless' 35 Minutes

# City Gets Live Test Of Emergency Plan

Electrical failure in Northville and parts of Novi and Livonia rendered the area "powerless" for approximately 35 minutes last Friday afternoon.

Prompt emergency measures were undertaken in Northville as all means of electrical service — including telephones — were inoperative.

The mayor, city manager and police chief instituted immediate emergency procedures to safeguard the health, welfare and protection of the community.

Detroit Edison announced that the interruption resulted from lightning striking a main power line (40,000 volts) in the Northville area. The lightning followed the line into the Northville substation blowing out a connector between the substation and the power line, Edison officials stated.

Repairmen quickly isolated the damaged facility and switched to another power line.

The breakdown cut telephone service, in some cases for more

than an hour.

In quick-order fashion City Manager John Robertson, Mayor A. M. Allen and Police Chief Eugene King took the following emergency measures:

— placed "standby" firemen at the fire station — the siren, normally used to summon volunteers, was inoperative without electrical power;

— used radios in police car, fire and public works' cars for only means of communication;

— readied auxiliary gasoline engine water pumps to maintain water supply and assure supply in case of extended power failure;

— contacted Community General hospital to offer auxiliary engines for power in case needed for operating purposes;

— placed traffic officers at intersections during busy 6:30 p.m. hour where signal lights were out;

— ordered standby guard at Manufacturers National Bank because burglar alarm was inoperative.

Hospital Administrator Calvin Monfils praised the quick action of Detroit Edison and community officials in taking all emergency precautions to insure hospital service. "Actually, most of our patients were never aware of the interruption in service," he said. Monfils added that steps have been taken to have an auxiliary gasoline engine unit at the hospital "cut-in" automatically in case of future electrical breakdowns.

## Council Split On New Zoning

Monday night city councilmen will hold a public hearing to adopt a variety of proposed zoning amendments.

Developments at last Monday's regular session of the council provided a "tip-off" that a strong difference of opinion exists among councilmen on the zoning of one parcel.

This difference is almost certain to result in a split vote of the five member body.

The controversy centers around a 3-acre site located in the extreme northeast corner of the city limits between Novi road and the newly developing Yerkes Estates subdivision.

Officials of D&R Building Company, developers of Yerkes Estates, have steadfastly requested commercial zoning for the site. Northville's planning commission has recommended M-1 (light industrial) zoning.

Public hearings by the planners, several informal sessions on the matter and two joint meetings with the developers, council and planning commission have failed to change this recommendation.

Two weeks ago the council approved the planners' recommendations for publication and scheduled the public hearing.

At this week's regular council meeting, however, Councilman Ed Welch suggested an "informal" discussion between the council, D&R officials and planning commission to further probe the matter.

His motion was quickly supported by Mayor A. M. Allen and Councilman Earl Reed, who with Welch, have indicated a desire to support D&R's request and over-ride the planning commission.

After Councilman Welch reported to the council that the subdivisions "were willing to meet again" before the public hearing, another joint session was scheduled for Friday (tomorrow) night.

Specifically, Monday's public hearing involves three matters:

— adoption of a proposed zoning ordinance setting forth districts, use of land and structures, and general zoning regulations for the entire community (a revision and modification of the present zoning ordinance);

— establishing a C-3 zone for a block area at the southeast corner of the Seven Mile road cut-off and South Main street;

— the zoning of land in the Novi-annexed portion of the city above Baseline and between Novi road and a line 1000-feet west of Taft road.

There appears to be little or no controversy in the first two matters. In the third instance, most of the zoning is by necessity residential. Only four parcels along Novi road and the C&O railroad and east of the subdivision are zoned otherwise.

Three of these parcels are zoned M-1 and the fourth, C-1. D&R officials have sought commercial zoning for two of the proposed industrial sites and have placed strongest emphasis on the northernmost parcel at the union of old Novi road and the entrance to the new Eight Mile road cut-off.

The developers (owners of the land) maintain that the site is not suitable for industrial use; that it would be more saleable for a commercial enterprise; and that M-1 zoning would be a detriment to the abutting residences.

They have also charged the planners with zoning to "protect the present business district".

The planning commission, by a majority vote of five to two, insists that M-1 zoning is proper and offers more protection to the nearby residential areas.

Whether or not planners have sought to "protect" local retail merchants from possible new commercial development, the merchants have given strong support to the planning commission's position. The presence of a dozen retail merchants at the last joint session was undoubtedly a heavy influence on the council's vote to approve the proposed zoning for public hearing.

Throughout the discussion, Councilman John Canterbury has supported the planners' proposal. Councilman Richard Juday has remained somewhat non-committal.

Mayor Allen, Councilmen Reed and Welch have been influenced in their position by statements made several years ago when the subdivision first appeared on the planning boards. As the only members of the present council then serving on the council, they acknowledge a mutual understanding with the developers that the proposed M-1 parcel could be properly considered as a likely commercial site.

Some ground for compromise seems likely in the planning commission's position as stated by Chairman George Zerbe. He has suggested that the M-1 zoning be permitted to stand. If the developers then secure a commercial prospect for the site, a request for re-zoning would be given serious consideration, Zerbe pointed out.

Monday night's hearing is scheduled for 8 o'clock at the city hall.

## Artists Hail Northville Show

Although the "proof of the pudding" is still two days off, professional and amateur artists are hailing an upcoming Northville art show as one of the most exciting exhibits ever held in the Detroit Metropolitan area.

Much of the enthusiasm for the show has been generated by the ambitious desires of a Northville art

student and her classmates at the Detroit Society of Arts and Crafts.

The all-student suburban art show to be unveiled here at the community building Saturday and Sunday, is the brainchild of Dolores Teshka, daughter of Mr. and Mrs. Arnold Teshka, 215 West Main. It is the school's first suburban show — the largest of its kind conducted by the students.

Dolores — a fourth-year student who will graduate from the Detroit school this spring — decided to present a student show in her home town "because there are a lot of people here interested in art." Her classmates and instructors agreed it was a fine idea so they have pitched in to insure its success.

More than a thousand visitors from Detroit and surrounding areas — many of them well-known Michigan artists — are expected to be on hand for the event. And more important (for the exhibiting students), a number of "talent scouts" are expected to be present to attract student artists to their particular lines of business.

Works to be displayed in the community building lobby and west wing will cover nearly all phases of commercial and fine arts. The 200 pieces will represent the work of 44 student artists.

Exhibits will feature oils, water colors, sculpture, fashion and mechanical illustration, commercial illustration, industrial and interior design, color and design, graphics, lettering, metal crafts, jewelry and ceramics.

Quality promises to be first rate.

A number of the exhibitors are advanced students. Several others have done commissioned work already. A few have their own studios and almost all are veteran exhibitors.

The show will be open from 1 to 9 p.m. both days. Admission will be free. Some of the exhibits will be sold.

The Northville girl who initiated the suburban show idea and who is investing close to \$500 in producing it, is herself a very fine artist, according to her art school instructors.

She first became interested in art while an elementary grade student in Northville. Later, at the urging of Mrs. Donald VanIngen, then a Northville high art teacher, she enrolled in the Detroit art school after graduation in 1956.

"Enrolling at Detroit was the best and most important step of my life," she explains. "All of our teachers are the tops in their particular fields. I couldn't have had better ones even if I had gone to Paris to study."

"Anyone planning to study art," she added, "I strongly urge them to consider the Detroit art school."

While attending school at Detroit, Dolores has concentrated in commercial art. However, she is equally talented in basic drawing and water color and oil paintings.

She has been invited to enter seven different exhibits throughout the state during the past two years. Currently, she is exhibiting a pastel painting entitled "Lisa" at the Western Michigan Art Exhibit in Grand Rapids. Of the 2,000 artists invited to exhibit in this show, only 150 were accepted.

## Calendar

Thursday, April 21  
Northville - Novi Newcomers club, 7:30, community building.  
Saturday, April 23  
P-TA story hour, library, 1:30 - 2:00. Last Saturday.  
Monday, April 25  
Mothers' club meeting and guest night, Mrs. Paul Beard, 41261 8 Mile road.  
Oakwood association, Amerman school.  
Wednesday, April 27  
Adult Camera club, library, 7:45.

Dolores Teshka

She'll display her work at art show.

# about WOMEN

2—Thursday, April 21, 1980—THE NORTHVILLE RECORD

Chairman Mrs. Robert Yoder inspects a poster as final plans for Saturday night's Spring Fantasy are made. The annual dance, a fund-raising event for the Northville Mothers' club, will be staged at Meadowbrook Country club with Ralph Anthony and his orchestra. With Mrs. Yoder is Mrs. Gordon Forrer, a member of the dance planning committee.

## Mothers' Club Dance Is a 'Spring Fantasy'

Meadowbrook Country club will become a "Spring Fantasy" Saturday night as the Northville Mothers' club stages its annual major fund-raising event.

Chairman of this year's dance is Mrs. Robert Yoder.

The event, a highlight of Northville's social season, is the club's principle source of income.

Currently, the Mothers' club is planning to contribute funds toward the school resource center and the high school library. In the past the group has purchased opaque projectors for the schools and furnished teachers' rooms in the elementary schools.

Music at Saturday night's "Spring Fantasy" will be provided by Ralph Anthony and his orchestra.

A number of pre-dance parties are planned including those to be hosted by the Richard Amblers, the Robert Beerborders, the Dayton Deals, the Richard Kays, the James Mahoneys, the R. T. Martins and the Fred Schwarzes.

## News Around Northville

The employees of Manufacturers National bank are giving a miscellaneous shower for Dorothy Welch Tuesday, April 26 at the home of Mrs. C. M. Goodrich on Dunlap street. Miss Welch, daughter of Mr. and Mrs. E. C. Welch of South Wing street will marry Carroll Benink of Coopersville June 4.

The Northville Review club will meet on Thursday, April 28 at the home of Mrs. Charles Yahne, Jr., 512 Eaton drive, at one o'clock. Mrs. A. Russell Clarke will review "Hawaii" by James Michener.

Mrs. C. H. Bloom and Mrs. Ellen Scott will be the hostesses at a baby shower at the Bloom residence on Tuesday, April 26. The honored guest will be Mrs. Ronald Wick (the former Nancy Littell) of Lake Bluff, Illinois.

Mrs. Nelson Schrader, Jr. and her daughter, Sarah, returned to their home last Sunday after a ten day visit with Mrs. Schrader's parents, Mr. and Mrs. H. C. Walker of Ft. Lauderdale, Florida.

Mr. and Mrs. Perry Taylor of Pennell street spent the past two weeks in Deerfield at the bedside of Mrs. Taylor's mother, Mrs. Elizabeth Rogers. Mrs. Rogers, 87, who died last Thursday, had suffered a hip fracture a month ago. Burial was in Adrian on Monday.

Week end guests of the R. T. Martin of Novi road will be the Ed Caveys of Benton Harbor, formerly of Northville.

A week end at Niagara Falls was enjoyed recently by the Ed Welch family of South Wing street.

Richard M. Atchison and Harry

Sedan were among those home over the week end from Michigan State university. Rick is the son of Dr. and Mrs. R. M. Atchison of South Rogers and Harry is the son of Mr. and Mrs. Harry Sedan of Wing street.

Mr. and Mrs. Don Yerkes of Eight Mile road returned home recently after vacationing for over two weeks at Southern Pines, Carolina.

Mr. and Mrs. Welch, their daughters Dorothy and Mary, and Rosemary McNeilly, the Welches' foster daughter on the student exchange plan, journeyed to Niagara Falls on Thursday, Ontario where they visited relatives.

It marked the first trip to the Falls and New York State for Rosemary, a native of Ireland.

Mrs. E. E. Miller of West street entered St. Joseph's hospital in Ann Arbor last Wednesday for observation. She will be there at least another week.

Guests of Mr. and Mrs. Fred Van Atta of Cady street last week were Mr. and Mrs. Albert Hall of Lansing.

Colonel and Mrs. Ward Van Atta and sons, Peter and Fred, were Easter week end guests of his parents, Mr. and Mrs. Fred Van Atta of Cady street.

Mrs. W. L. Howard will entertain 30 guests at her home on West Eight Mile road Friday with a luncheon and stork shower honoring Mrs. Richard Lyons. Co-hostess will be Mrs. Walter Couse. Mrs. Lyons is the former Martha Bloom, daughter of Mr. and Mrs. C. H. Bloom.

Guests of Mr. and Mrs. Lawrence Hilt of West Main street last week were Mr. Hilt's sister and brother-in-law, Mr. and Mrs. Les Beare and three daughters from Markham, Ontario.

Bill Hilt, son of Mr. and Mrs. Lawrence Hilt of West Main street was home for about a week on his Easter vacation from the Kemper school, Boonville, Missouri.

## Hospital Auxiliary Starts 'Dime' Drive

An 11-day "Fifty Dimes" project was launched Monday to help publicize the work of the Community General Hospital Auxiliary and to raise funds.

During the project drive, each member will ask the first 50 persons she meets for one dime. This will give the members an excellent opportunity to explain what the auxiliary is doing and planning, Mrs. H. Lorne Dyer, chairman of the ways and means committee, explained.

"It also will provide funds for a library cart for the hospital patients," she added.

An announcement was made this week of the appointment of Mrs. Fred Kester, Mrs. Charles McDonald, Miss Elizabeth Elz, Mrs. Malcolm Allen and Mrs. William Padelford to the ways and means committee.

Mrs. Charles Freydl Jr. reported that her committee is assisting the hospital by staffing the admittance desk.

## CYO to Present 2 Comedies Saturday

The Catholic Youth Organization of Our Lady of Victory church will present two, one-act plays Saturday in the OLV social hall beginning at 8 p.m.

Both plays are comedies, one entitled "Young As You Look", and the other "Girls Must Talk".

Youngsters taking part in "Young As You Look" are: Dennis Jones, Mary Wetterstroem, Darryl Hopper, Carol Crupi, Maureen O'Brien, Gordon Hubbard and Bill Miller.

Players for the other play are: Sandy and Jackie Phillips, Jane Flattery, Pat Mulligan, Mary Lou Jones and Judy Zayti.

Tickets may be secured from club members or at the door at 10 cents for children, 75 cents for adults.

## KITCHEN DIARY

# Orange Cake is this Man's Favorite

To break the routine slightly, and prove that the kitchen isn't a woman's world alone, this week's recipe is submitted by a man.

Patrolman Gill Glasson of the Northville police department doesn't come by his culinary expertise by happenstance.

Cooking with Patrolman Gill Glasson of the Northville police department is more than a hobby. As a matter of fact, it was once his profession!

Glasson was first class ship's cook in the navy and prepared meals for some 1,700 hungry men! Orange cake is Gill's favorite

and when he feels like having a tasty treat, he simply walks into the kitchen and bakes it himself. Here's how he does it.

## ORANGE CAKE Gill Glasson

1 1/4 cups sugar  
1 orange  
1/2 cup shortening  
2 eggs, well beaten  
1/2 teaspoon salt  
1 teaspoon baking soda  
1 cup of pitted dates or raisins  
2 cups flour  
1 cup sour milk  
1/4 cup of orange juice

Combine 1/4 cup of the sugar with 1/4 cup of orange juice and dissolve.

Cream one cup of sugar and the 1/2 cup of shortening and then add 2 eggs.

Sift measured flour with baking soda and salt and add alternately with first mixture.

Then add dates (grind in food chopper along with piece of orange peel) and mix until well blended. Pour into oiled loaf pan. Bake in medium oven, 375 degrees F., for about 45 minutes.

When cake is done pour orange juice and sugar on top before serving.

**SAFETYLINER** — A Michigan State Police mobile exhibit will be one of the attractions at the annual P-TA carnival scheduled for May 6 at the community building, junior high and Main street elementary schools. The huge, 33-foot long bus has displays demonstrating traffic safety with accompanying narrations and includes a continuous moving picture, an illuminated series of still pictures and the mounted battered remains of an automobile in which six persons died.

## New Safetyliner To be Exhibited At P-TA Carnival

Plans are well underway to make this year's annual P-TA carnival the biggest and best ever!

All of the favorite games and attractions that have been enjoyed by thousands have been retained — and a few new touches added.

One of the special attractions will be a state police mobile unit.

The "bus" contains numerous exhibits demonstrating traffic safety and in addition shows photos of other activities of the state police including police protection, criminal investigation, mercy missions, etc.

The exhibits are entirely described by public speaker narrations.

This year's carnival is under the general chairmanship of Ivan Ely with Chester Lipa as assistant chairman.

Other committee members include: Ed Angove and Dayton Deal, organizational activities; Mrs. William Davis, treasurer; E. V. Ellison, tickets; John Goss, prizes; Frank Cochran, staging; Joseph Petrock, publicity, and Mrs. Wynn Wakenhut, recording secretary.

## Green Thumbs Take Notice!

If you're wondering where to plant that new evergreen or what to plant in your new flower bed, you're likely to find an answer at a meeting tonight of the Novit-Northville Newcomers club.

John Miller of Green Ridge Nursery, a widely-known expert in the field, will be present to discuss garden problems. A question and answer period will follow his talk.

The meeting will start at 7:30 p.m. in the Northville community building on West Main. The public is invited. There will be no admission charge.

## The New China to Highlight AAUW Round-Table Talk

A round-table discussion, "China: Impatient Giant", will highlight a meeting of the AAUW next Thursday at the home of Mrs. R. E. Houston, 13991 Ridgewood drive.

The discussion meeting, originally planned for this week, was postponed one week to enable

spring vacationers to return home and be a part of the program. Participating group members for the discussion will be Thirza Cady, Bertha Clark, Twyla Hartley, Betty Webber, Ginny Froebel, Ann Doughman and Jeannette Robertson.

In describing the discussion, one official said:

"We must face the fact that China, once a backward nation, is being rebuilt by the Communists into a mighty-awesome force which ultimately may become a major world power. The discussion will be an effort to highlight past, and present developments and attitudes as they have influenced the course of Chinese history."

Questions will be invited after the discussion.

Chairman of the co-hostesses for the meeting will be Mrs. W. V. Clarke. Other co-hostesses will be Mrs. W. L. Schmidt and Mrs. W. K. Lewis.

Other upcoming study group activities include:

April 25, 8 p.m., at the home of Jeannette Hopkins, 42485 Roberta, creative study group will discuss construction of furniture, mixing of period furniture, and the recent Detroit furniture show;

April 26, 8 p.m., at the home of Mildred Levering, 300 Adams, international relations group will conclude the China study;

May 5, 7:30 p.m., at the home of Lucile McLaughlin, drama group to read and discuss "Hedda Gabler" by Ibsen;

May 10, status of women, a field trip to Watling, Lerchin, Inc. (brokerage firm). Husbands are invited. Interested persons are asked to call Peg Larson, GA-2-7785.

### Hospital to Conduct Pre-natal Lecture Course

A pre-natal, five lecture course for expectant mothers will be launched next Thursday by St. Mary hospital. Four of the classes will be held in the morning from 10:30 to 12:30 p.m. These classes are open to mothers only.

The last class of the series will be held from 7 to 9 p.m. and will be open to both the mothers and the prospective fathers. All classes will be held at the hospital on Thursdays. The course will be conducted by Miss Roberta Welsch, RN, BS.

Interested mothers are asked to present a written approval from their physician at the first class.

### NEW ARRIVALS

Mr. and Mrs. Ralph Foreman, Jr. of West Seven Mile road announce the birth of a son, Timothy Brian. The baby was born April 7 at Mt. Carmel Mercy hospital and weighed seven pounds and three ounces.

## Need Girl Scout Camp Volunteers

The deadline is drawing near for Northville girl scouts to make their reservations for summer day camp, reports Mrs. Fred Sterner, who will be director of this year's session.

The final day for reservations is April 30.

Another important need — besides reservations — is mothers who will volunteer to help at the camp. This year's Brownie and Intermediate Day Camp will be held from June 20 through 25, Mrs. Sterner stated.

Mothers of scouts willing to work during this period are asked to call Mrs. Sterner at FI-9-3679. The Girl Scout lodge is located in Cass Benton park on Plymouth road near Plymouth.

## Antique Show and Sale In Pontiac Next Week

Everything in antiques from important furniture pieces to dolls will be offered at Pontiac's 8th annual Antiques Show and Sale to be held April 28, 29 and 30. All Saints' Episcopal church, West Pike and Williams streets.

Eighteen dealers will be represented. Of special interest to men and boys will be antique swords, guns, coins, stamps and Indian relics.

The show will be open 11 a.m. to 10 p.m. daily. Women of the church, sponsors of the show, will serve lunch and tea, featuring home baked pastries.

## Cameras, Problems Will Highlight Next Club Meet

The Northville Adult Camera club will meet at the library April 27 at 7:45 p.m. Members and guests are asked to bring along their cameras and problems.

Parallax, the use of Porta lens and instructions in general photography will be given by L. C. Sullivan, W. J. Steininger and P. S. Mackenzie.

The first field shooting session and picnic of the season will be held Sunday, April 24 in the wildlife area of Kensington park.

For more details and arrangements contact Audrey Joki, FI-9-1734.

# Rain Doesn't Bother 300 Egg Hunters

Ival Cox was one of the luckier "hunters". She found two eggs, both containing slips worth a box of candy at E.M.B. Market. Leland Smith, E.M.B. owner and joint sponsor of the hunt, gives Ival her candy.

10-year-old Mike Utley was fastest when it came to catching the live rabbit turned loose during the hunt.

YUM — Marjorie and Kay Blough share a banana split at Cloverdale Farms Dairy. There was plenty for both, too! Kay found the prize egg.

Look what I found! A candy treat nestled in the grass was discovered by this small tot.

Linda French found a dollar bill inside her Easter egg.

Drizzly weather didn't dampen the spirit of some 300 area youngsters who turned out Saturday morning to hunt Easter eggs on the yard of the city hall.

Armed with baskets and sacks they waited impatiently until 10 a.m. sharp when the signal to "go" was given.

Down the lawn hill they ran — some tumbling — as they hurried to find the eggs.

Inside plastic eggs were special prizes — some money, some treats.

During the search a live rabbit was turned loose, but quickly caught by Mike Utley to keep for his own.

The turnout overwhelmed the sponsors — Cloverdale Farms Dairy, E.M.B. Market, The Little People's Shoppe and The Northville Record. And while many youngsters failed to find an egg, everyone was given a candy sucker treat.

"Next year," the sponsors promised, "the hunt will be bigger and better — with special provisions for the smaller tots."

Just the same, everyone seemed to have a wonderful time. Even if some of the younger tots were not quite sure what they were looking for!

Luanne Godfrey was the winner of a beautiful toy Easter bunny. She's shown receiving her prize from Mrs. Donald Ware, owner of The Little People's Shoppe, one of the sponsors of the hunt. Looking on are: (seated, l. to r.) Mary Lou Raubar, Maureen Pauli and Pat Raubar. Pat found a slip good for a banana split at Cloverdale Farms Dairy in her egg. The girls shared the giant treat!

Rainy weather didn't dampen the spirits of the youngsters who lined up more than a half-hour before Saturday morning's Easter Egg Hunt at the city hall park. The crowd of youngsters was estimated at 300.

## First Cooking Lesson

Too soon, little girls grow into young ladies and take on the responsibilities of home and family.

Be sure your daughter gets some early training in thrift. Start her off with a savings account of her own. Teach her the advantages of saving part of her allowance or baby-sitting income.

That way, she'll be set for the money problems she'll face, later on.

Our 3½% current rate makes savings grow faster and each account is insured to \$10,000 by the Federal Savings and Loan Insurance Corporation. Open an account with any amount.

## THE CONTINUING JOY OF EASTER

"So live that you can appreciate the joy of Easter." Perhaps you, too, have noticed this message on one set of road-side bulletin boards this current Lenten season.

It is a catching thought, isn't it? It reminds one of what the writer of the book of Hebrews said of Jesus, "for the joy that was set before him, he endured the cross."

To many, this may seem paradoxical. How can anyone find JOY in enduring the suffering on a cross, we ask? The answer lies in the fact that Jesus, having given Himself completely to the will of God, found the joy which comes from carrying through on that to which He had committed Himself. An added joy was found in the fact that the suffering which He endured was not for himself but for others. The resurrection, too, brought joy in the assurance that His faith and trust in God had been vindicated.

But the joy of Easter was not confined to the rolling away of the stone from the doorway

of the tomb. The joy became real for others when they became aware of His resurrected presence—for Mary Magdalene, for Mary the mother of Jesus, for Peter and John, for the disciples on the road to Emmaus and in the breaking of bread at supper time and for doubting Thomas.

This joy had many meanings. There was the joy that comes when one is assured that his hopes and trusts are vindicated—that the cause which one has embraced is not lost but victorious. There was the joy of discovering that abiding and indestructible presence of life's leader. There was the joy which comes through the knowledge that spiritual reality is greater than physical or, as Dr. Werner Von Braun, Operations director for our Army Ballistic Missile Agency, has put it today, "Nature does not know extinction. All it knows is transformation." Nothing is ever actually lost, it is transformed.

The living which made it possible for the disciples to appreciate the joy of Easter is the same living which they continued after Easter because of the joy of the resurrected and transformed life.

DIRECTOR  
Fleldbrook 9-0611Michigan's Factories, Farms  
and Stores Depend on Trucks

Manufacturing, farming, the retail business — all have one thing in common: each needs transportation facilities.

And, since the motor truck provides fast, flexible, direct service unequalled by any other form of transportation, more tonnage is shipped by truck in Michigan each year. (Nationally trucks haul more than 3 times as much tonnage as all other systems combined.)

Every truck you see on the road is working — working to help keep Michigan's economy humming, to help keep employment and sales high. There isn't a corner of the State that isn't served daily by trucks. And factories and shopping centers can be located anywhere and be assured of efficient truck service so long as they're on a road.

You see how vital trucks are to Michigan.

## FASCINATING FACTS ABOUT NATURAL GAS

## Modest Victorian

James Sharp demonstrated GAS for cooking in 1832 — but it was not until eight years later that the United States had its first GAS stove. By 1859, about 100 American families were using GAS for cooking. Signposts of modernization in the Victorian home were the soapstone sink and GAS stove!

## Prodigious Modern

One hundred years later, 1959, about 33 million American families used GAS for cooking! The availability of this "stored sunshine" has made dynamic, revolutionary changes — not only in the GAS range but throughout the modern home. It is so dependable, clean, safe and inexpensive that 7 out of 10 new homes today heat with GAS!

\*Natural GAS makes life easier, pleasanter, more luxurious for everyone in the United States. Call or write your Heating Equipment Dealer or Consumers Power Company for information about inexpensive, automatic GAS heat for your home.

GET THE FACTS — BETTER YET — GET GAS!

open daily except Sundays and hol-  
idays, 11:30 a.m. to 5 p.m.; 7 to 9  
p.m. Wednesday and 7 to 9 p.m.  
Friday.

How striving for spiritual perfec-  
tion gives life new meaning and pur-  
pose will be explained at Christian  
Science services this Sunday.  
Readings from the King James  
Version of the Bible and from "Sci-  
ence and Health with Key to the  
Scriptures" by Mary Baker Eddy  
will comprise the Lesson-Sermon on  
the subject "Probation After Death."

One verse to be read from the Bi-  
ble states (Matt. 5:48): "Be ye  
therefore perfect, even as your Fa-  
ther which is in heaven is perfect."  
Correlative citations from Science  
and Health will include the follow-  
ing: "The divine demand, 'Be ye  
therefore perfect,' is scientific, and  
the human footsteps leading to per-  
fection are indispensable" (253:32-2).

The Golden Text is from Matthew  
(24:13): "He that shall endure un-  
to the end, the same shall be saved."

# Steve Juday Hits 2 Homers As Mustangs Win Opener, 4-0

The wind swept out to left center as he took the first one, high and outside.

Big Jack Wren whipped his arm forward and the ball screamed for the catcher's glove. It was straight and hard, and Steve Juday, Northville's shortstop, took his stride and unleashed his new 34-inch Louisville slugger.

For all practical purposes, that second pitch and that swing ended the game and brought victory to the Northville camp.

For the ball was diving over the right field fence—220 yards away—as Juday chased teammate Roger Atchinson around the bases. It was the last half of the first inning and the Mustangs took the lead, 2-0 in the opening game of the season.

The game wasn't over for Juday, the 16-year-old sophomore who is playing his first year of varsity baseball. He smashed a second four-bagger just before Wade Deal crossed the plate to hand Northville a 4-0 victory over South Lyon.

The two baseball nines baptized the new Northville high school diamond, its winter starved grass and outfield stubble, by belting 9 hits including two sparkling homers and a double by Northville's third baseman, John White. Coach Al Jones was forced to play the opener on the still unpolished field because Cass Benton park was too wet.

Nevertheless, the Mustangs played as if they and the diamond were old friends. Playing errorless ball Northville handed South Lyon their first loss in three starts. The Lions whipped Howell in their first two games.

Almost as impressive as Juday's two homers was the performance of the three Northville hurlers who shared the seven-inning game. Dan Brown, the tall, lanky sophomore, who made his rather unimpressive debut last season, started for the who in turn was replaced by Craig Bell.

Orange and Black. He gave way to Tom Swiss in the top of the fourth,

## Adams Wins Position On Allegheny Squad

A Northville student at Allegheny college, Dave Adams, 20, has notched a starting position on the Allegheny track squad, Coach Hanson revealed last week.

Active in college track and football in past seasons, Adams will compete in the 100, 220, 440 events when Allegheny (Meadville, Penn.) clashes with Bethany and Thiel at Bethany, West Virginia Saturday. All three squads are members of the Presidents' Athletic conference.

Last year Allegheny grabbed six victories against four defeats for a fifth place finish in the eight-team conference.

Adams, a junior, is the son of Mr. and Mrs. Emerson E. Adams, 44009 Brookwood drive.

Brown, who gave up only one hit, a single by Lowell Burgess in the first inning, struck out six batters, Coach Jones' championship puzzle.

Other hitters for Northville included: Left Fielder Roger Atchinson, who walked once, cracked out a single in the third and popped out to the first baseman in the fifth;

Catcher Wade Deal was out second to first in the first inning, walked in the fourth, singled in the sixth and came home on a single by Center Fielder Dave Hay. In his first two times up, Hay popped to the shortstop and was safe at first on a fielder's choice.

Hitters for South Lyon (all singles) were Doug Peterson, Lowell Burgess and Dave Wren.

hit two others, and walked two. But for a little wildness, he looked like a veteran who may be the key to

## Baseball Nine Loses First Game Monday

An error in the last half of the third inning by Northville's first baseman, Bill Juday, gave Clarkston the lead and finally the victory Monday afternoon, 3-2.

With Northville out front 2-1, the Wolves loaded the bases. Then with two outs, Northville Shortstop Steve Juday took a grounder and whipped a perfect peg to his brother at first.

Juday fumbled the ball and by the time he made the recovery two runs had crossed the plate.

The Mustangs collected three hits, while Clarkston totaled four. All runs were unearned.

Gary Morgan and Roger Atchinson shared mound duty for the losers. Porritt, who went the full seven innings, was credited with the victory.

## Need Boys, Dads For Baseball Teams

With the familiar "play ball" chant echoing throughout the land, the Northville recreation department issued a call this week for boys and dads interested in summer baseball.

All boys who will be 11 years of age before July 1 and who will not be 14 before September 1, are asked to report to the "big" baseball field in Cass Benton park at 9 a.m. Saturday for the first practice session.

Parent managers and coaches also are needed for Class F teams, Recreation Director Ken Conley said. "If we are to continue participation in league play," he said, we need their help. So, dads, come out Saturday morning with your boys."

From the candidates who report Saturday, two teams will be selected to play in the Livonia league. The remainder of the boys will be assigned to play in the knot hole baseball league twice weekly at Cass Benton park.

## Sports Schedule

Today  
Varsity Baseball, West Bloomfield, home, 4 p.m.  
Tennis, Southfield, home, 4 p.m.

Tomorrow (Friday)  
Track, Garden City, away, 4 p.m.  
JV Baseball, Oak Park, away, 3:30 p.m.

Monday  
Golf, Oak Park, home, 3:30 p.m.  
Varsity Baseball, Bloomfield Hills, away, 4 p.m.

Tuesday  
Track, Redford Union, away, 7 p.m.  
Tennis, Clarenceville, home, 4 p.m.

## Golfers Lose Opener To Barons, 182-162

Northville dropped its opening match of the 1960 golf season Thursday as the Barons of Bloomfield Hills fired 20 fewer strokes, 182-162.

The Mustangs—an all veteran squad this year—failed to threaten the high flying Barons, who boast a squad of eight almost equally talented players.

Lack of practice obviously sliced away much of Northville's poise exhibited in the closing weeks of play last year. Coach M. F. Meaker expects steady improvement of his squad as practice picks up, however.

Bill Reuter led the losers with a 42. Teammate Dean Herman fired a 46 for the runnerup spot. Mike Eastland and Tom Slattery each carded 47.

Northville will host Oak Park Monday at Meadowbrook in the second match of the season. The match scheduled with Milford last Monday was postponed.

PLAY BALL! — Baseball, with all its thrills and disappointments, returned to Northville this past week with the opening of the high school season. Above, Northville's catcher, Wade Deal, waits for his first pitch as teammate Dave Hay awaits his turn at bat. The Mustangs won the opener, 4-0, then lost its second game, 3-2.

## Shepherd Takes Over As Meadowbrook Pro

Meadowbrook Country club reached out to California to select a successor to Melvin "Chick" Harbert, departed head professional.

Paul Shepherd, 37-year-old co-professional at El Caballero Country club in Tarzana, California, has been named to take over the reins at the local golf club.

Noted as a top teaching professional, Shepherd has served at Gowan Country club in Mt. Clemens. He has also been associated with the Bel-Aire Country club in Los Angeles and Greenhaven Country club in Minneapolis, Minnesota.

At Tarzana he worked with Jack Fleck, former national open champion.

Shepherd's appointment was announced by Meadowbrook President Linn Walter and Fred H. Schwarz, greens committee chairman. He was chosen from a field of a dozen candidates screened by the Meadowbrook board of directors. Shepherd was given a one year contract.

Scheduled to take over this week,

Shepherd will name his own assistants. Nick Bersan, assistant to Harbert for many years, resigned several weeks ago to accept the post of professional at Diplomat Country club in Florida. Harbert left Meadowbrook abruptly after a dispute concerning receipts from caddy motor carts.

Bersan, who doesn't report to Diplomat until June, is handling the pro shop until Shepherd takes over.

## 13—NOTICES

Canham & McDonald, Attys. 28049 Five Mile Rd.

Detroit

STATE OF MICHIGAN  
County of Wayne  
ss. 466,051

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the eighth day of April, in the year one thousand nine hundred and sixty.

Present Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of LAURA S. HOLMES, also known as LAURA HALL HOLMES, LAURA L. HOLMES and LAURA LOUISE HOLMES; Deceased.

Herbert K. Holmes, executor of the last will and testament of said deceased, having rendered to this Court his first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned in accordance with the provisions of said last will:

It is ordered, That the ninth day of May, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ernest C. Boehm,  
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Cecil A. Bernard,  
Deputy Probate Register

Dated April 8, 1960 50

NOTICE  
Village of Novi  
NOVI, MICHIGAN

Notice is hereby given that a Public Hearing will be held  
MAY 9, 1960 AT 8 P.M. at the Novi Community Building to  
consider requests for re-zoning of two pieces of property at the  
Northeast and Southwest corners of Novi and Ten Mile Road.

More specifically, the South 800 feet of the West 800  
feet of parcel MN 438 of the S.W. ¼ of Section 23, from  
R-1-F and C-1 to C-2, and the parcel MN 482 A2 containing  
3.25 acres of the N.E. ¼ of Section 27 from R-1-F and C-1 to  
C-2.

VILLAGE PLANNING BOARD  
Vincent Miklas, Chairman  
VILLAGE COUNCIL  
Mary Wallace, Clerk

City of Wixom  
NOTICE OF PUBLIC HEARING

MAY 12, 1960

You are hereby notified that there will be a Public Hearing  
on THURSDAY, MAY 12, 1960 AT 7 P.M. at the Wixom City Hall,  
131 North Wixom Road, Wixom, Michigan, for the purpose of re-  
zoning the following described land in the City of Wixom, Novi  
Township, Oakland County, Michigan, described as follows:

Beginning at a point at the N.E. corner of South Wixom  
Road and US-16, thence N. along South Wixom Road to the  
corner of South Wixom Road and West Road, thence East  
along West Road a distance of 1,320 ft., thence south paral-  
lel to South Wixom Road to the intersection of US-16 then  
N.W. along US-16 to the point of beginning. This property  
sought to be re-zoned is located on the east side of Wixom  
Road between West Road and the Expressway US-16.

All interested parties will be given an opportunity to be  
heard.

LILLIAN BYRD,  
CITY CLERK

ORDINANCE NO. 18.01  
PROPOSED  
AMENDMENT TO THE ZONING ORDINANCE  
OF THE VILLAGE OF NOVI

## THE VILLAGE OF NOVI ORDAINS:

PART I. That Ordinance No. 18, known as the Zoning Ordinance  
of the Village of Novi, is hereby amended by amending the Zoning  
Map as indicated on said Zoning Map No. 1, attached hereto and made  
a part of this Ordinance.

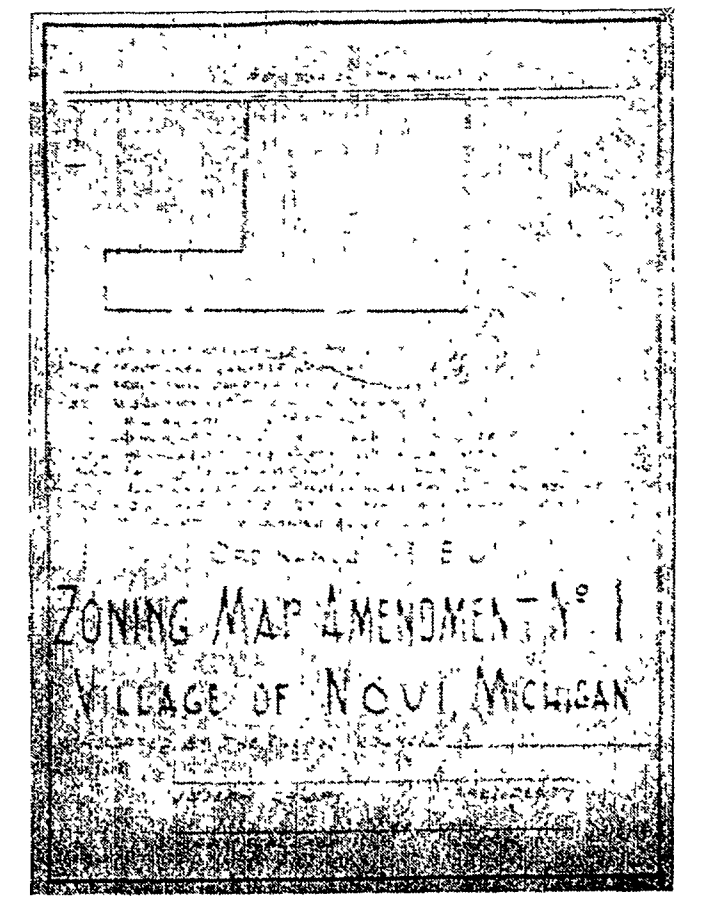

PART II. CONFLICTING PROVISIONS REPEALED. Any Or-  
dinance or parts of any Ordinance in conflict with any of the provi-  
sions of this Ordinance are hereby repealed.

PART III. WHEN EFFECTIVE. The provisions of this Ordinance  
are hereby declared to be immediately necessary for the preservation  
of the public peace, health and safety and are hereby ordered to take  
effect ten (10) days after final enactment and publication.

JOSEPH CRUPI, PRESIDENT  
MARY WALLACE, VILLAGE CLERK

I, Mary Wallace, Clerk of the Village of Novi, do hereby certify  
that the above Ordinance was approved and adopted by the Novi  
Village Council at a regular meeting thereof, duly called and held  
on the 18th day of April, 1960, A.D., and was ordered to be given  
publication in the manner prescribed by law.

MARY WALLACE, VILLAGE CLERK

## IN WILLOWBROOK:

By Mrs. George Ames  
Greenleaf 4-0830

The women's auxiliary of the Church of the Holy Cross will hold a rummage sale Saturday, April 23 at the Novi Community hall. Hours are 9 a.m. to 6 p.m. The day's events will include a bake sale, door prizes and refreshments served by the girl scouts.

Jean Huston was hostess to the Tuesday Pinochle club last week. Betty Garner won first prize, Shirley Hurlburt second, Allie Carter third and Jean Cromer booby. Esther Lippert and Joan Anderson were guest players.

The Southern Oakland county chapter of the Sweet Adelins, the "Suburbanites" held its annual spring "Men's Night" in Berkley last Saturday. Mr. and Mrs. Tom Dukes and Mr. and Mrs. Ed Frutchev attended from Willowbrook.

Mr. and Mrs. Errol Myers spent the Easter week end in Cuyahoga Falls, Ohio, where Mrs. Myers' parents, Mr. and Mrs. Walter Apple, were celebrating their 40th wedding anniversary. They were joined by Mr. and Mrs. Wilfred Clarke of Mandelino, Illinois, Mr. and Mrs. John Apple of North Tonawanda, New York, Mr. and Mrs. Carl Lewis of Cuyahoga Falls, and Mrs. Hilda Jordan of Akron, Ohio.

Kay Buck and Virginia Conrad were co-hostesses to the Monday Pinochle club last week. Kay won first prize, Sophie Martin second, Vivian Musselman third and Millie DeHayes consolation.

The women's auxiliary of the Church of the Holy Cross held its April meeting at the home of Irene Price last Wednesday. Maribah Garbin, Barbara Coan, Hazel Taylor, Helen Barber, Mrs. S. Norton, Mrs. Graham and Mrs. Dwight Weist were among those present.

Marilyn Ames accompanied her grandmother, Mrs. Charles Ames, to Byron last Sunday. They spent the day with Mr. and Mrs. Michael Brown and children, Carol Lynn and Wally.

Corrine Tucker entertained Muriel Wells, Peggy Robinson and Marty Ames at a bridge-luncheon last Wednesday.

The Tuesday Bridge club met at the home of Barbara Coan last week. Irene McCormick won first prize, Nancy Millikin second and Charlotte Rasmussen, consolation.

Mr. and Mrs. Robert Bamford are happy to announce the birth of a son, Bruce William, on April 13 at New Grace hospital, Detroit. His birth weight was five pounds, 13 ounces. The Bamfords have two older children, Alan, 4, and Lori, 2. William Jackson and Mr. and Mrs. Thomas Bamford, all of Detroit, are the grandparents.

Mike DePodesta is spending Easter vacation with his parents.

## Area Dentists To Hold Meeting

Dentists residing in western Wayne county have formed a club for the purpose of resolving community dental problems and furthering the professional advancement of participating members. Formed but a few weeks ago, the club, known as the "Western Dental Club", boasts among its membership, dentists from Plymouth, Northville, Livonia and Wayne.

An invitation is extended to dentists who wish to participate in the club and their presence at the next regular meeting Tuesday, April 26 at the Mayflower Hotel in Plymouth, will be welcomed. The meeting will commence at 8 p.m. preceded by dinner at 7.

Speaking at the meeting will be Dr. Murray Leitch, president of the Michigan Dental association, and Dr. Paul Butcher who is president of the Detroit District Dental Society. The topic of discussion will be "Pre-paid Dental Programs".

By Mrs. Charles Ware  
Market 4-1601

Sunday, April 24 St. William's Rosary Altar Society will serve a smorgasbord in the parish hall from 1 to 6 p.m.

The second Christopher leadership course will start at St. William's parish Wednesday, April 20 and run nine weeks. Total cost, including text books, is \$17.50. This course is conducted by all faiths and is open to all faiths.

The Fred Wagnitz' had all of their family home for Easter. They included Robert and family, Gerald and family, Don and family, Marvin and family and Mrs. Myron Pickard and family.

The Herbert Abrants had Easter dinner with Mr. and Mrs. Fred Henry of South Lyon.

Mr. and Mrs. Fred Thayer and Mr. and Mrs. Joseph Stadnik and Jeff had Easter dinner in Pontiac as the guests of the George Campbells.

Last Thursday the Diet club met at the home of Marge Preston and enjoyed a health lunch.

Mr. and Mrs. George Tuck of Royal Oak had Easter dinner with their son and family, the Walter Tucks.

Mr. and Mrs. Fred Hutchins had Easter dinner with their daughter's family, the William Tucks.

The Robert Merkels traveled to Monroe to have Easter dinner with Mr. Merkel's parents, the Bill Merkels.

Guests of the Cavallaros were the Oggie Valene family of Roseville. The Robert Smiths entertained Mrs. Smith's parents during Holy Week.

Wednesday, April 13 Brownie Troop 510 met at the Stafford home and made 16 Easter baskets which they took to the Oakland county tuberculosis hospital Friday.

On Friday, April 11 the HIFI group held its meeting at the VFW hall. Seventeen mothers and 20 daughters listened to Virginia Frank lecture on cosmetology.

Mrs. Val Vangiesen and Robert spent last week end in Wixom due to the illness of her father.

Mr. and Mrs. Hugh Guthrie of Racine, Wisconsin spent last week visiting at Hickory Hills.

The Bernard Kitsons entertained the Clarence Shelton family and Joe Polvin at Easter dinner.

The George Morris family, Mrs. Mae Decker, Mr. and Mrs. John Ruggles, Mrs. Luella Ruggles and Bill were dinner guests of the Glen Lints of Livonia.

On Thursday Mrs. Nevin Sturman entertained at luncheon Mrs. Etta Jones, Mrs. Meryl Jones from Pontiac and Mr. and Mrs. R. J. Porter of West Maple and Mrs. Earl Woodworth of Wixom.

The Bernard Kitsons spent a few days last week in Battle Creek as the guests of Mr. and Mrs. George Parker.

The Harold Rockers have returned from Florida after spending the winter there.

**ATOM CONFERENCE DELEGATE** — Maureen O'Brien, 16-year-old daughter of Mr. and Mrs. William O'Brien of 1831 Beck road, Northville, will be one of six Detroit Edison-sponsored delegates attending the 1960 National Youth Conference on the Atom. The conference will be held at the Museum of Science and Industry in Chicago and is scheduled for October 20-22. Maureen is shown explaining her award-winning mathematics exhibit to Harry F. Wagenschutz, local manager in the Plymouth-Northville area for Detroit Edison. Maureen, a junior at Ladywood high school in Livonia, was chosen because of her interest and aptitude in mathematics, as evidenced by her exhibit which won an award in the mathematics division of this year's Metropolitan Detroit Science Fair. The three-day National Youth Conference on the Atom is being held to inform students and teachers about the many uses of the peacetime atom, and to help advance interest in the study of science. Altogether, some 600 junior and senior high school students and teachers will be sponsored in attendance at the conference by approximately 60 electric companies throughout the country. This year's conference is being co-sponsored by the National Science Teachers Association and the Future Scientists of America Foundation.

## BROADER FIELDS PROVIDE STIMULATION

This is another in the series of articles on education prepared by W. C. Becker and John W. Swain, Jr., both members of Northville's Citizens Curriculum Study Group. This week's article concerns "Enrichment". At the conclusion of the series school administrators will present their comments and explain current practices in the local school system.

The most common method of challenging the academically superior child is known as enrichment. Where the ordinary subject matter may provide adequately for most children, the superior child needs the extra stimulation of additional investigation. Wise teachers have known and used this device for many years.

This is not merely a matter of more work. Sometimes teachers assign additional busy-work to keep idle hands out of mischief. A bright child, who finds himself doing only more of the same, soon slows his pace to that of the class.

On the other hand, the academically superior child, who needs less time for the regular classwork, can pursue individual research into related areas of interest. It takes a wise teacher to guide these children into fruitful pathways of learning instead of using them only to run messages, straighten the bookcase or clean the erasers.

The superior child needs enrichment. One of the chief advantages of this device is that it is a teaching tool rather than an administrative one. It can be used in special classes, groupings composed of children of similar ability, special seminars or regular classes.

Enrichment may be in depth, breadth or both. Enrichment in depth means that the child covers the same range of topics as his slower classmates. He is capable of and encouraged to delve more deeply into these subjects, to carry on research activities to a greater degree and to read more widely to obtain all the information possible.

Enrichment in breadth means that, in addition to the general classwork, the academically superior children explore a variety of materials and topics additional to those studied by children of average ability. It takes a fine teacher to motivate these children in a regular classroom situation for the bright child may resent the additional work, or the average children may resent the special opportunities which the gifted children are given.

A comparison of enrichment alongside the regular curriculum has been made by Spencer Brown in "How To Educate the Gifted?" He uses the illustration of a dog going for a walk in the country with his master. While the master

walks straight along the road covering five miles, the dog has run, not walked, three times as far in the same length of time. The dog has chased two real and 11 imaginary rabbits through the brush, has bristled in fear or barked in bravado at other dogs, has investigated tantalizing openings of drains and hollow logs and has scored his daily misses of a couple of squirrels. He has lived a full life while the master has merely walked five miles.

Using the same analogy, enrichment does not save time, for the dog is no further at the end of the walk than as if he had been on a leash, though he certainly enjoyed himself more and is more experienced as a result.

The dog that is allowed to run free instead of leashed can shortly run faster, and, when he returns to the road alongside his master, he soon outdistances him within a few steps. So it is with a gifted child in an enrichment program. One of the ways to judge the success of such a program is to note whether, and how much, the gap has been widened between the superior child and the average child. Since by definition the superior child has a mental age in advance of his years, it is almost impossible to teach him properly, either by enrichment of special groupings, without his being accelerated beyond his average classmates.

Special honors classes at the junior or senior high school level help to provide a richer, fuller academic experience for the superior children. Within small classes at the elementary level, the teacher is able to provide more individual help for the fast as well as the slow student. The type of enrichment offered in this situation is determined by each teacher, depending on his interest, training and educational philosophy.

Ways of enrichment are too numerous to list here. In general they cover the why's and how's of regular topics, reasons behind current events, scientific investigation into known phenomena, special talent activities, creative projects beyond the scope of the class. Anything which is used for a fuller or deeper experience in gainful knowledge or expression than is generally covered by the class is termed enrichment.

The secret of a successful enrichment program rests with the wisdom and guidance of the teacher. While the gifted can "run" more quickly than the average, it does him little good to run back and forth on the road. It takes guidance to start him along the side trips of wonderment and exploration, and this requires a wise, interested, tactful teacher equipped with the necessary resources.

DRIVE IT!  
GET  
OUR  
DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor . . . real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride. Rear-engine traction . . . that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvairs recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

## ONE YEAR AGO ...

Groundbreaking ceremonies for St. Paul's Lutheran Christian day school were conducted last Sunday next to the church. The \$46,000, two-level structure is expected to be completed in time for opening classes in September.

Northville's new police chief is a family man.

He's Eugene King, father of five, and member of the Northville police department for five years.

On the eve of its repeat water bond vote and budget finalization, the Northville city council devoted most of their time Monday to old business that will face them in the new fiscal year.

An operating budget for 1959-60 of \$735,981 was approved last week by the Northville school board. The figure is \$70,000 higher than the 1958-59 budget.

An industry employing some 85 persons will be lost to Novi — and Michigan — by the end of this summer.

Despite the cold weather which hampered hitters on both sides, Northville's varsity baseball team edged Clarkston Monday in the first league game of the season, 1-0.

## FIVE YEARS AGO ...

The first inoculations with Salk anti-polio vaccine will be given at the Northville grade school Wednesday, April 27 for both public and parochial school pupils.

St. Paul's Lutheran church of Northville will be the host congregation for the annual convention of the Southeastern Michigan District Lutheran Laymen's League April 23 and 24.

The Northville Optimist club has elected Max Austin, president. Hamilton G. Snyder, 43, of Novi was crushed to death Thursday evening when his tractor overturned, pinning him to the ground.

Novi residents who for many years have lived on First street found Friday morning that they now live on Fonda street. And residents of Martin avenue have to learn to pronounce their new street name — Minerva.

A plat map showing 28 proposed building sites in the Yerkes subdivision was submitted to the Novi township board for approval last week by the D&R Building company of Detroit.

Holly high school handed Northville a decisive beating in the first game of the season 10-1 Thursday,

while its pitcher, Conklin, held the Mustangs to three hits.

## FIFTEEN YEARS AGO ...

As the guns of America's fighting forces sounded ever closer the doom of Nazi Germany and Imperial Japan, Franklin Delano Roosevelt died in Warm Springs, Georgia, where he had been resting for 10 days.

Pfc. Walter Myers, son of the Frank Myers of Carpenter avenue, has been reported missing in action, and Cpl. Milton Simpson, son of Mrs. Mable Simpson of Eastlawn San. and Grover Simpson of Lansing, killed in combat, according to information received here this past week.

Florence McCluskie and her date, Glenn Hardesty, led the grand march for the annual J-Hop.

The Seventh War Loan Drive for the schools of Michigan is scheduled for May 1 to June 5 inclusive.

## TWENTY-FIVE YEARS AGO ...

Hope that the proposed new Ford valve factory, to employ as many as 1,000 men, would be built in Northville, remained undiminished this week although high officials of the company declined to make any further comment regarding later developments.

Excavation work for the new public comfort station in Riverside park in the north shore of Newburg lake near the island is nearly completed, Wayne county park officials announce.

Arthur Sessions, son of Charles A. Sessions, is finally carrying out the ambition of his youth, having begun on the road to becoming a registered mortician.

The Northville Wolverines, who made such an outstanding showing in the Triple-A baseball league in Detroit last year, will again be together in the coming season and will play their opening game at the Northville fair grounds on Sunday, May 5, Dr. A. A. Holcomb, sponsor of the team, announced Tuesday.

Northville's village budget for the year of March 18, 1955 to March 18, 1956, was set and approved at \$50,000 by the village commission.

A new post office building, to cost considerably more than \$50,000, is soon to be erected in Plymouth, it was announced this week, as bids for construction were being received by the United States Treasury department.

## State Lags in Race for Tourists

THERE'S SOMETHING in Michigan's motto about looking about you if you seek a beautiful peninsula. Michigan people are doing this — and they're spending more of their vacation time in Michigan.

But what about those outside of Michigan in that vast reservoir of potential customers for Michigan's tourist industry?

It appears Michigan is lagging in attracting new tourists.

Nationally, the tourist industry increased 10 percent last year. In Michigan, the increase was 5 percent.

Nobody in Michigan can dispute that the state has the facilities for vacationers, the attractions and the means of getting vacationers to these facilities and attractions — once they decide to come.

Two of Michigan's boosters, Gov. G. Mennen Williams and Tourist Director Robert J. Furlong, say more people would come to Michigan if more people knew about Michigan.

"We must realize that money spent to advance our tourist business cannot be considered just an expenditure," Williams said. "It is an investment."

Furlong said Michigan's tourist industry has an annual potential of at least one billion, compared with the current income of 650 million dollars a year.

But expanded promotion is essential if Michigan is to keep pace, according to Furlong.

Furlong looks with envy at the

budgets of promoters in other states — Florida with \$1,240,000; California with \$890,000; Arkansas with \$550,000, and the Province of Ontario with \$1,750,000.

The Tourist Council's budget for the current fiscal year is \$422,191.

## EVER BEEN IN COURT?

Those who have known that litigation is expensive. Lawyers and judges say it wouldn't be quite so expensive if the Legislature would rewrite, shorten and streamline statutes governing procedures in Michigan's courts.

Modernization of the judicial code was one of the proposals that died in the 1960 Legislature. It is sure to be tried again in 1961.

Lawmakers complained they just didn't have the time to study the 649-page bill on judicial reform. Next year there will be more time and new lawmakers.

Other changes are brewing in the courts.

There appears to be bipartisan support for creation of a system of intermediate courts of appeal. A report of the Joint Committee on Michigan Procedural Revision said creation of such a court would lighten the workload of the Supreme Court and would provide a quicker and easier appeal route.

There are many who say the courts should be revamped at the highest and lowest levels: put the Justice of the Peace on a salary system and make the Supreme Court truly nonpartisan.

PIPE-SMOKING James W. Miller

## Roger Babson

## '60 Should be a Good Farm Year

Babson Park, Mass. — Outstanding in the early 1960 crop outlook is the fact that government's recent report on prospective plantings shows six increases and ten decreases, with the total for the 16 crops covered only moderately under a year ago. Here are some highlights of the outlook for the farm situation in general.

## Feed Grains

Farmers intend to plant only slightly more acreage to corn than a year ago, when a record crop of 4,361,000,000 bushels was harvested. A lot of this old-crop corn is still hanging around. Thus, barring severe damage to the 1960 crop, there should be plenty for 1960-61 needs. Sorghum grain also should be in generous supply, since planting intentions are down only 0.4 percent from the 1959 acreage, which produced a whopping 579,000,000 bushels.

Indicated acreages for barley and oats are down 3.7 and 5.2 percent, respectively, from a year ago. However, this is no cause for alarm, at least in the case of barley. Last year's crop was 32 percent above average, and total stocks recently were well over the five-year average. In the case of oats, the 1959 crop was the smallest since 1939, and total stocks are sharply under a year ago and the five-year average. Crop progress of this grain should be watched closely this year, since any extensive damage could result in a tight supply situation.

## Food Grains, Beans and Potatoes

Intended plantings of all spring wheat are down 4.6 percent from a year ago. Including acreage planted to winter wheat last fall, total acreage will be down less than 1,000,000 acres from that planted for the 1959 crop, which was well under the 1958 output, but somewhat above average. Given favorable weather, the 1960 crop, plus the carryover next July 1, should provide ample total supplies for 1960-61.

Growers intend to plant a little more acreage to rice than a year ago. Any production increase should certainly not glut the market.

There should be no dearth of dry beans next season, even though growers plan to cut acreage 1.3 percent. Last year's crop was large and competition from other protein foods will continue keen. Summer and fall potato acreage, which accounts for the bulk of the total crop, may be upped 1 percent over 1959. Potatoes, however, will retail higher.

Flaxseed Down—Soybeans Up  
The acreage trend in U.S. flax-

seed has been steadily downward since 1956. The indicated cut this year is a negligible 0.4 percent. However, since the 1959 crop was relatively small and remaining stocks recently were only about 50 percent of the five-year average for the date, supplies for 1960-61 should cause higher prices.

The star performer, as far as planting intentions go, is the versatile soybean, with an increase of 6.4 percent; this would be the second highest acreage on record. Soybean growers evidently have faith in their product, despite cuts in the price-support level. Even though a record crop could be produced on this acreage, it probably need not prove burdensome. The longer-term trend of total consumption still appears to be upward.

## Cattle and Hog Situation

The number of cattle and calves on farms hits a record high of 101,520,000 head — up 13 percent from the 1949-1958 average. Consumers should buy beef for less during 1960, although no runaway liquidation is likely this year. Outstanding in the hog situation is an indicated 11 percent cut in the 1960 spring pig crop compared with a year earlier. This could mean higher pork prices. I realize, of course, that acreages actually planted may turn out to be larger or smaller than indicated in this report; but 1960 could be a fairly good year for U.S. farmers. One thing readers may count on is lower gasoline prices, tax excluded.

is bowing out as state controller.

He will take over July 1 as secretary of Michigan State university, a position MSU President John A. Hannah once held.

Miller is one of but two controllers Williams has had since his 1948 election. The other was Robert E. Steadman, now with a financial company in New York.

Miller instituted many economy measures during his years as chief administrator of the state's purse-strings.

But he will be remembered best for his role in the 1959 Cash Crisis.

It was Miller who, back in the closing days of 1958 while Williams was vacationing in the South, announced the State simply could not pay all of its bills. And it has been Miller who has kept the State Administrative Board apprised of things financial ever since.

Other trusted advisers preceded Miller in the exodus from the Executive staff.

Ex-Press Secretary Paul W. Weber is with the Civil Service Commission as press secretary for all states employees.

Ex-Executive Lawrence L. Farrell is secretary of the Michigan employees retirement system.

Ex-Legislative aide John S. Sweeney went to Washington to work for Sen. Patrick V. McNamara (D-Mich.).

Legal Aide Alfred B. Pitt is going to Washington to work for a Senate judiciary subcommittee in a job arranged by Sen. Philip A. Hart (D-Mich.).

Everybody has a niche but Williams. And he's working on it.

PIPE-SMOKING James W. Miller

## Goodwill Truck Pickup Scheduled for Monday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Monday.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Maybury sanatorium Men's club, FI-9-2682 or ask the operator for toll-free, Enterprise 7002.

A VIVID example of the treatment that is provided for cancer patients through the facilities of the local branch of the Michigan Cancer Foundation may be seen in the lobby of the Northville office of Manufacturers National Bank of Detroit. The display is an "eye stopper" for customers casually walking in to transact business and finding themselves in a "hospital room". The display is part of the MCF's April education campaign. Funds for the foundation's work are obtained through the United Foundation drive.

## QUESTIONS & ANSWERS ABOUT BUILT-IN

# ELECTRIC HEAT

Electric heat is an advanced and superior concept of home comfort. Here are some of the questions we've been asked about it.

## WHAT DOES IT LOOK LIKE?

The four most widely used types are illustrated below. Because electric heat is built in, there is little interference with living space.

Baseboard units come in any length.

Radiant panels go in on walls.

Heating cable is buried in ceiling plaster.

Forced air units can go in walls or partitions.

## IS IT SAFE?

It's as safe and troublefree as electric light. Electric heat devices work very much like your toaster does. However, most of them operate at relatively low temperatures—without glowing wires.

## IS IT EFFICIENT?

The heat produced by electric systems is usable heat; practically none of it is wasted within the heating equipment itself. Electric heat is just about as close to 100 percent efficiency as it's humanly possible to get.

## IS IT EXPENSIVE TO INSTALL?

In general, the original cost of an electric heating system is less than that of any other type of quality equipment. Actual installed cost will vary according to type of heating unit used, home size, method of home construction and additional insulation requirements.

A good time to install electric heat is when building a new home. But it's also very economical to install it when home alterations or additions are being made. Wiring is no problem. It's figured as part of the job.

## CAN I PUT IT IN JUST ONE ROOM?

Yes, and economically, too, as indicated above. Typical examples: when you're adding a new room, finishing an upstairs, closing in a porch or breezeway. Electric heat is especially valuable when the new living space is a long way from the central heating system, or when the central system is already working to capacity. Another good time to use electric heat is when you have a hard-to-heat area.

## CAN I PUT IT IN THE WHOLE HOUSE?

Yes, you can switch the whole house over to electric heat. In this case, additional insulation will be required, plus storm sash and storm doors all around.

For greatest heating economy and summer comfort, regardless of type of heating system, good insulation pays off. Industry-established standards for this area for insulation thickness is not less than 6" overhead; 3 1/2" in outside walls; 2" alongside and partially under concrete floor slabs. Floors above basements also need insulation.

## WHAT DOES IT COST TO USE ELECTRIC HEAT?

Various factors, including family living habits, affect operating cost, so a hard-and-fast answer is impossible. A rough rule of thumb is 25¢-28¢ per square foot of heated space, annually. But there's little need to guess. An electric heating contractor can calculate actual first cost and operating cost quickly and accurately.

Electric heat will cost more. But the cost will probably not be as high as one would imagine. Like any quality product, you pay more for electric heat but you get more benefits!

In June 1959, Detroit Edison added a new, lower step to the residential electric rate. Now, kilowatt-hours of electricity over 750 per month cost 2¢ each, gross, instead of 2 1/4¢—an 11 percent reduction.

## DOES IT NEED MUCH SERVICING?

No. There are no moving parts in the electric heating systems discussed here except in the forced air units where fans or blowers are used. Fans are not high velocity, so they are long lasting also. An added advantage of electric heat, depending upon the type, is its completely silent, or very quiet, operation.

## WHAT MAKES ELECTRIC HEAT BETTER?

**FLEXIBILITY**—Each room has its own thermostat. So each remains at the temperature you choose without affecting other areas. Temperatures can be raised or lowered in any room without overheating or chilling the rest of the house. Just a touch on the proper thermostat does it.

**SPEED**—When a thermostat is adjusted to call for more heat, the response is fast! In the systems described here, the heat source is right in each unit—only inches away instead of many feet.

**EVEN HEAT**—There will be very little temperature difference between floor and ceiling. And, wherever possible, electric heat (except ceiling cable, of course) is installed in outside walls. Then there is a curtain of warm air between the cool wall and window surfaces and room occupants. This tends off chilling drafts.

**CLEANLINESS**—Nothing is burned to make smoke, soot or fumes. Air currents will carry only whatever dust may have been introduced by other means. Nor are large quantities of outside, potentially dusty air drawn into the house to support combustion. Result: walls, draperies, furniture and floor coverings stay clean longer.

## ARE THERE OTHER TYPES OF ELECTRIC HEAT?

Yes, the flexibility of electric heat makes it applicable to many basic systems. For example, there are electric warm air and wet heat systems.

## WHERE CAN I SEE ELECTRIC HEAT?

And a feature of every Gold Medallion Home is its electric heating system. Watch for announcements of Gold Medallion Home openings.

## WHERE CAN I GET MORE INFORMATION?

There's free literature at your Edison office, or mail the coupon below. Another source, especially for a cost estimate, is the electric heating contractor who displays this emblem.

The contractor who displays the emblem has had special training which enables him to estimate your heating needs accurately. He has also pledged himself to meet industry standards of installation.

## Democrats Plan Annual Whing-Ding

The 17th District Democratic Organization will hold its 10th annual spring Whing-Ding at 8:30 p.m. Saturday, May 7 at the Redford Council Knights of Columbus hall, 25399 Fenkell, Redford township.

Honoring our 50th State, the Whing-Ding, the 17th District Democrats' annual fund-raising affair, will have a Hawaiian motif, Anita and Dave Johnson, chairmen, announced.

A special Hawaiian night program, replete with hula dancers and music by Maurice Guillemont and his Hawaiian Serenaders, has been arranged, Mr. and Mrs. Johnson revealed.

Other chairmen for the affair include Ronnie and Mary Ann Mar-diros of 10655 Camden, Livonia, co-chairmen; Richard Coopes of 18570 Whitby, Livonia, refreshments; Emery Tugab of 7752 Artesian, entertainment; Mildred Anderson of 18492 Stahelin, table decorations; and Mitchell Tendler, 18718 Hartwell, publicity.

For tickets, call district headquarters, KE-7-3156.

IF

you use SHEETS . . .

you need Laundry Service

Now you can get those hard-to-do pieces washed and ironed for just a few cents each.

Washing and ironing is a hard enough job without doing sheets, tablecloths and pillowslips. These things alone take up most of your washday time. You can rid yourself of this really unpleasant task by giving the "heavy" pieces to us. You'll get them back sparkling clean and neatly ironed. And you pay just a few pennies each. Thousands of women are using this practical approach to washday. Why don't you? Give us a call today.

**GRASS SEED, ANYONE?** — Northville Scout Troops 731 and 755 are busy selling lawn products these days. The scouts of Troop 755 will use their proceeds to purchase camping equipment, while 731 is planning a week-long outing this summer. The scouts earn 10 percent of their total sales. Shown above are six members of Scoutmaster Fred Spitz's Troop 755. They are (l. to r., bottom to top) Steve Froebel, Robert Prodder, Bob Regenhart, Glenn Diebert, Mark Byard and Ken Myers. While Mark displays the "Operation Summer Camp" sign, the other boys hold up order blanks that they are distributing door-to-door. Claude Morgan is scoutmaster of Troop 731, which is also working on the project.

## READERS SPEAK:

## Cut Administration To Save Tax Money

To the Editor:

Novi village operations today are heavy drain on tax money, as witness that current budget request is \$169,896.00. From that outlay, nothing immediately comes back to the taxpayer, or will it further the security of the village.

I realize, that the village is still in its infancy, and in nature it is still pioneering without guide lines. This can be clearly observed that the administrative and office help is overstuffed. Therefore, for economy reasons, I believe we should slash the budget all the way through, and start by first eliminating the village manager and secretary positions by where we could save \$10,320 plus the \$95 a month the manager receives for mileage to and from his home.

Total salaries and wages listed in the current budget are \$87,530,

and a large amount of these salaries are paid out of the receipts from tax and weight which amounts to \$65,000 per year and which caused are road monies to be over-spent to the tune of \$32,000, and the Dec., Jan., Feb. and March bills are not paid amounting to, from \$20,000 to \$25,000.

It has always been my belief that monies from weight and tax should be used for roads and equipment.

But still Mr. Olson raided the \$65,000 for other purposes when he was well aware of the law in this regard.

Mind you that just two years ago the township operated the same area at \$27,924.86 without village taxes — and today the combined township and village expenses amount to \$218,021.60 and increase of \$190,096.14, this does not include school tax.

I am still pleased to live with my septic tank, well and my own garbage disposal, because it kind of makes me feel at home in this wide open country atmosphere, but the above figures kind of takes the joy out of life which should not be.

Unless we do something about this, the only future that I can see for you and I is taxes and more taxes and more employees added to the payroll.

If you insist upon remaining a village and not going back to a township or charter township, then at least see to it that the budget is cut to fit our pocket books.

## Novi Highlights . . .

Danny Roberts, age five, and his sister, Dottie, four, celebrated their birthdays early Saturday afternoon at a party. Their playmates who came were Larry and Gary Gillett, Kim and Danna Kozak and Diane, Tim and Jim Skeltis. Their parents are Mr. and Mrs. Ray Roberts of Marlson street.

Mr. and Mrs. Marvin Harnden and daughter, Donna, and Mr. and Mrs. Al Harnden and family were the guests of Mrs. Elita Harnden for an Easter morning breakfast.

Mr. and Mrs. Robert Hansor entertained Easter Sunday, their parents, Mr. and Mrs. William Hansor and Mr. and Mrs. Irvine Shoebridge of Northville.

Ronny Loynes, who is attending electronic school in Chicago spent the holiday week end with his parents, Mr. and Mrs. Fred Loynes. Other visitors at the Loynes' home Sunday were their son and his wife, Mr. and Mrs. Robert Loynes of Ypsilanti.

Sue F'Geppert was 15 years old Saturday. She celebrated at the home of her parents, Mr. and Mrs. Erwin F'Geppert Saturday evening with the following friends and relatives: Mr. and Mrs. Kirk Bailey and family and Mr. and Mrs. Russell Taylor and sons.

Last week end Mrs. Hi Holmes and daughter, Mary, and Mrs. Alice Barber and son, Dick, motored to Pickford in the Upper Peninsula to visit their children, Dr. and Mrs. William Barber.

Gary, son of Mr. and Mrs. Vincent Gillett celebrated his seventh birthday, and Larry, son of Mr. and Mrs. Victor Gillett, celebrated his sixth birthday at a party at the Gillett home Saturday. Each child had a separate party and each had eight guests.

Mrs. Rhea Gillett of Brighton spent Easter Sunday with her children and grandchildren, the Vincent and Victor Gilletts.

Mr. and Mrs. Charles Trickey, Jr. and sons, Chuck and Kevin, and daughter, April, were the Easter Sunday guests of the former's parents, Mr. and Mrs. Charles Trickey, Sr.

Tim Bell is recovering from an attack of the measles. His sister, Kathie, has also been ill with yellow jaundice.

Mr. and Mrs. Russell Race had their Easter Sunday dinner with their son and his family, Mr. and Mrs. Gerald Race and children.

Mr. and Mrs. Harold Miller had a family get-together on Easter Sunday evening. Mr. and Mrs. Stanley Orzechowski and children and Mr. and Mrs. Bill Miller were their guests.

Mrs. Russell Race entertained her card club Monday evening. Her guests were Mrs. Marie Nutter, Mrs. Ella Liebetreu and Mrs. Ruth Starkweather of Northville and Mrs. Ger-tie Lee and Mrs. Luther Rix of Novi.

Mr. and Mrs. Clyde Johnston spent Easter Sunday with their daughter and son-in-law, the Ted Reineins, in Farmington.

Easter Sunday guests at the home of Mr. and Mrs. Arthur Kreger were Mr. and Mrs. Danny Laskey and

children of Taylor, Mr. and Mrs. Leland Laskey and Mr. and Mrs. James Stimpson and son of Plymouth and Mrs. Glenna Stevens of Detroit.

Mrs. John French of Novi road entered Pontiac Osteopathic hospital Monday for surgery.

Fred Garlick will be entering the hospital soon for an operation on his eye.

Kneeling, five shots: Larry Snow 15.

South Novi Farm Bureau The Novi Farm Bureau will have a card party Tuesday evening, April 26 in the Novi community hall. The proceeds will be used to sponsor 2 boys to Boys State. Mrs. H. Miller is acting chairman and Mrs. Philip Anderson has charge of the tickets.

## Blue Star Mothers

Novi chapter, Blue Star Mothers, took 200 Easter baskets to Maybury sanatorium last Friday. The baskets contained colored Easter eggs, cookies, candy and 28 plants. Making the trip were Mesdames Webb, Klesner, Gardella and Race.

On Thursday the same Mothers, including Mrs. Mandlik, visited the veterans' hospital in Ann Arbor, where they gave the patients leather to work in making purses, belts, etc., which is one of the veterans' projects.

## Novi Methodist Church

On Friday, April 29 Bible School training for Sunday school teachers and helpers will be held in Pontiac. There is special training for each class. For further information call Mrs. Gillett.

## Episcopal Church News

The Episcopal church women of the Holy Cross Mission of Novi are having a rummage sale and bake sale Saturday from 9 a.m. to 6 p.m. at the Novi community hall. For information call MA-4-2018, Mrs. Charles Barber.

## Boy Scouts

Boy Scout Troop No. 54 of Novi had their weekly meeting April 13. They had a fun game and planned their April 23-24 campout.

April 16 they had a green bar meeting and made final plans for campout at Camp Heaven. The group is selling fertilizers and flags. For more information call Scoutmaster Kriedeman, GR-4-5513.

## Baptist Church News

On Easter Sunday morning the Novi Baptist were using their new hymn books entitled "Inspiring Hymns".

## Novi Rebekah Lodge

The Novi Rebekah degree team went to Milford Wednesday night, April 20 to initiate candidates.

The Past Noble Grands will have potluck dinner at the home of Mrs. Grace Frisbie on 11 Mile road tonight (Thursday) at 6:30.

## AmVet Auxiliary

The Novi AmVet auxiliary met at the home of Mrs. Duane Bell on Fonda street last Tuesday evening. They made 150 tray Easter basket favors for the Plymouth State Home in Farmington. Mrs. Pearl Callan made approximately 100 booties and Mrs. Lulu Whittington made 10 puppets out of old socks. All of the above articles and several more soft toys were delivered to the home before Easter.

Mrs. Whittington would welcome gifts of ankle socks, adult or children, to make more puppets.

## AmVets

The Novi AmVets will meet again next Monday evening at the Duane Bell home. They will complete plans for the Memorial Day parade. All veterans are invited to attend this meeting.

## Cub Scout News

Edgar Frutchey is the new Cub Scoutmaster of Novi Pack No. 54 and Mrs. Frutchey was appointed publicity chairman.

The following awards were given at the pack meeting Friday, April 8: Pat Callan and Dave Maxwell, wolf badges and gold arrows; Jeffery Adams, two silver arrows; Billy Spizak, wolf badge, and gold and

## VFW to Install Officers Sunday

New officers of the Veterans of Foreign Wars Post 4012 will be installed Sunday at special ceremonies at 1 p.m.

The new officers and their posts are: Walter Sousa, commander; Tom Moxie, senior vice commander; Charles Provis, junior vice commander; Charles Ash, quartermaster; Lawrence McArthur, post advocate; Ronald Bell, chaplain; Arthur Carlson, post surgeon; Ernest Ash, trustee (3-year term); and building

committee, 2-year terms, Clayton Myers and Pete Goudeseune. Refreshments will be served following the installation. The public is invited to attend the ceremony at the Northville VFW building.

## Wins Science Honor

Top honors in the sixth annual Northern Michigan Science Fair at Northern Michigan college, plus an expense-paid trip to the National Science Fair next month, were won last week by a former Northville student.

Lynn Kovarik, son of Mr. and Mrs. Pat Kovarik of Marquette, won first place in the boys' division of the fair with his "electronic digital computer".

The Kovariks formerly resided at 22304 Connemara drive and moved to Marquette last November. Lynn is a junior at Marquette Baraga Central. His project won in competition with boys in grades 10 through 12. Some 250 exhibits were displayed at the annual science fair. Lynn's parents also won a special air force award.

## Local Math Students Rank High in State

Results of the 1960 Michigan Mathematics Competition for some 9200 contestants in 432 high schools announced this week place Northville high school in the "above average" category.

The examinations were given to students in all high school grades.

A certificate of merit will be awarded Northville high school's highest scorer, Crispin N. Hammond.

## New State Home-School Clinical Director Appointed

Dr. Robert Jaslow, formerly of Chambersburg, Penn., has been appointed clinical director of the Plymouth State Home and Training school, school officials announced this week.

As clinical director Dr. Jaslow will be responsible for the development and supervision of the institution's medical program.

Born in Reading, Penn., Dr. Jaslow received his undergraduate training at Lehigh university and his medical training at Jefferson Medical college in Philadelphia where he specialized in pediatrics.

Following completion of his medical training, he was assigned to Camp Kilmer, New Jersey as post pediatrics officer.

After completing his army service at Camp Kilmer, Dr. Jaslow was appointed clinical director of the Pennsylvania State school Annex 1, a 400-bed unit for custodial mentally retarded children located in Chambersburg. He served as clinical director for four years prior to coming to Northville.

## To Represent Local AAUW

Representing the Plymouth branch of the American Association of University Women at the Northeast Central Region biennial conference in Milwaukee April 22 and 23 will be Mrs. Richard Fritz, first vice president and program chairman of the local branch, and Mrs. B. William Secord, president-elect of Northville.

Members from 58 branches in the Michigan division of AAUW, along with members from Illinois, Indiana, Ohio and Wisconsin, will assemble in the Schroeder hotel for the conference.

Speakers will include women who are or have been prominent on the national level of the association. Presiding over the conference and delivering the keynote address will be Miss Alice Beaman of Ann Arbor, association vice president of the region. Other speakers will include Dr. Eugenia M. Cole, chairman of the AAUW Arts committee, who is a graduate of Hillsdale college and who received her master's degree from the University of Michigan; Miss Nina Miglionico, a member of the AAUW Special and Economic Issues committee and an attorney by profession; and Dr. Laura Bornholdt, dean of women and lecturer in history at the University of Pennsylvania and a former member of the AAUW headquarters staff.

Special group sessions will be held dealing with such topics as administrative policies and procedures, program development, membership and legislation. Time will also be provided for consultation with AAUW program leaders in the various fields of AAUW interest, namely: elementary and secondary education, higher education, international relations, social and economic issues, the arts, status of women, fellowships and mass media.

## Lectures at Eastern

Keith Krauf, Northville high school English teacher, was a guest lecturer at Eastern Michigan college last week speaking before a group of seniors and future teachers.

A 1957 graduate of Eastern, Krauf addressed the students on the "Method of Teaching English."

## Obituary

### FREEMAN C. BRYANT

Freeman C. Bryant, 6291 Frederick street, Salem, died suddenly April 18 at Community General hospital at the age of 67. Mr. Bryant was born May 25, 1893 at Russellville, Kentucky to Hoscarr and Katherine Murray Bryant. He is survived by his wife, Eloise, whom he married July 14, 1920. Other survivors are two daughters, Mrs. Evelyn Sizemore and Mrs. Deloris Hopkins of Salem; five sons, Freeman C., Jr. of Detroit, Philip of Highland Park and Donald, Benjamin and John of Salem; one sister, Mrs. Greely Smith of Chicago, Illinois, and 31 grandchildren. He was preceded in death by one son, Roger, January 7, 1960. Mr. Bryant had lived 35 years in Salem and was a retired Ford Motor company employee. He was a veteran of World War I and a member of the Pentecostal church in Salem. Friends may call at the Casterline Funeral home until ten Thursday morning. Funeral services will be held Thursday, April 21 at 1 p.m. at the Salem Federated church with interment at Thayer cemetery.

PENNIES from . . . B & R! Mrs. Fred Casterline (left) holds a bowl to collect the pennies donated by B&R Hamburger Systems customers for the charitable activities of Northville's Kings Daughters. The coins are change received inside cigarette packages. B&R has taped the coins above their service counter. Mrs. James Rhodes, wife of one of the owners, starts to remove the pennies for Mrs. Casterline of Kings Daughters, while Jim Gammons, assistant manager, looks on. B&R will match the total contributed and plans to continue the practice.

## Floyd G. Shafer, 74, Succumbs Here

Floyd G. Shafer, 74, a life-long resident of Northville, died suddenly Saturday of a heart attack at his home.

Born March 19, 1886, Mr. Shafer was the son of Mr. and Mrs. Frank and Rose (Denton) Shafer.

He was married September 8, 1903. His wife, Elsie, survives him. He leaves a son, Harry, of Eau Gallie, Florida; a daughter, Rosemarie of Northville; two nieces, Joan and Katherine Rackham of Plymouth, and one grandchild, Eva Marie Shafer of Eau Gallie.

An electrical contractor by trade, Mr. Shafer was a member of the Masonic Lodge No. 186 F.&A.M. and the Plymouth Elks No. 1780.

Funeral services were held Tuesday from the Casterline Funeral home. The Rev. Peter Nieuwkoop, pastor of the First Baptist Church of Northville, officiated.

Burial was in Rural Hill cemetery.

WINS SCHOLARSHIP — Raymond Dahl, son of Mr. and Mrs. Arthur R. Dahl, 7440 Salem road, has been awarded an Alfred C. Sloan scholarship award to Albion college where he plans to start pre-medical course next fall. Dahl was named salutatorian of the 1960 Northville high school class last month. The scholarship is worth \$1,090 for the school year.

## Republicans to Meet Next Wednesday

The Greater Northville Republican club will hold its monthly meeting next Wednesday in the American Legion hall beginning at 8 p.m.

President Donald Robinson will discuss the role of the precinct delegate in county, state and national party deliberations. He also will explain the duties, responsibilities and method of election.

His talk will be followed by a coffee hour and informal discussion.

## Veterans Pension Plan To be Explained Here

A very important subject in the Veterans' world today is the new pension law, Public Law 86-211, which goes into effect July 1, 1960. Affected will be more than 47,000 Michigan veterans and their beneficiaries. Also concerned will be widows of World War II and widows of Korean conflict veterans who for the first time become eligible for pension benefits. The complicated new law provides higher benefits for some veterans, but imposes new restrictions on others. A feature of the law is that beneficiaries must decide whether to continue to receive payments under the present pension law or transfer to the new program. A decision, once made, cannot be changed. It thus becomes essential that beneficiaries be fully informed in order to avoid a costly decision.

A meeting explaining in detail the many features of the new pension law will be held at 8 p.m., Friday at the American Legion building in Northville.

The meeting is scheduled to aid local veterans and their families in making a wise decision regarding the changes included in the new law. Widows and orphans of deceased

veterans of World War II and Korea are directly or indirectly concerned in the terms of the new law and should avail themselves of the information to be presented. Advice will be given as well as individual questions answered at the meeting.

All present Veterans Administration pension beneficiaries have received a form recently on which to elect whether to continue to receive pension under the old program or transfer to the new law. A beneficiary is allowed just one election, and cannot change a second time.

The new law concerns only the payment of pensions for non-service connected disabilities, and has no effect on compensation presently paid for service incurred disabilities.

Another important feature of the new law is that widows and orphans of World War II and Korean conflict veterans are now extended the same degree of eligibility to a pension previously granted only to widows and orphans of World War I veterans.

## 'Conduct Code' To Be Discussed

A meeting of parents and students of the sixth, seventh and eighth grades will be held Monday at 7:30 p.m. in the community building to consider formulating a code of conduct for junior high students.

The session is the result of answers to questionnaires sent to parents in which such a code was suggested. Principal H. B. Smith emphasized that Monday's meeting was merely to "create an opportunity for the group to organize." He pointed out that school personnel had no intention of projecting themselves into the program.

"Future organization will be dependent upon the desires of the group in attendance Monday night," Smith said.

## A BETTER WORLD

Many new organizations have sprung up since the war and have pledged themselves to work for a better world. All of us will agree that many things are very much out of gear and in sad need of some major changes. However few agree in the method of overhauling the present system. Some advocate programs of reformation; others recommend legislation; some — this, others — that. I wonder how long it will be before people wake up to the fact that the Word of God declares that this world is doomed as a fast-sinking vessel? II Peter 3:12 declares, "Looking for and hastening into the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat? Nevertheless we, according to His promise look for new heavens and a new earth, wherein dwelleth righteousness."

If we are looking for a better world here, we will be disappointed — but we can fix our eyes upon a distant shore where our dreams of a better world can be realized. Do you, dear reader, want to enjoy that time? Then turn now to the Lord Jesus Christ as your personal Saviour for He is appointed of the Lord to be the "Way, the Truth and the Life."
