

Institutions Lift Township To Census Count of 7,548

Now School Candidates Total 14

One more name was added this week to the long list of candidates seeking election to the Northville Board of Education in June.

Petitions are now being circulated for Edward F. Angove, 2018 Valencia. Angove brings the number of candidates to 14. He will run for a three-year term, dividing the hopefuls evenly — seven running for the two three-year terms and seven for the two four-year vacancies.

Other candidates who have either submitted or are circulating petitions for the school board are: (three year term) W. C. Becker, John P. Callaghan, Dr. J. K. Eastland, Charles A. Smith, Wilson D. Tyler, Mrs. George Weiss; (four year) Mrs. Frank Angle, Francis P. Gazlay, George F. Hollinger, Paul R. Hunt, Dr. Waldo T. Johnson, James Kipper and Mrs. Edmund P. Yerkes.

Only two days remain for candidates to file petitions with the board. Deadline is Saturday at 4 p.m. Petition forms are available at the board of education offices.

Because of a change in the law requiring that all fourth class school districts operating a full 12-grade program have a seven-member board of education, the Northville board must be expanded from five members in the June 13 election.

Two of the present members will complete terms in June thus creating four openings on the board. President Nelson Schrader has announced he will not seek re-election. Dr. Johnson is the lone incumbent running.

In addition to the heavy competition for the four board seats another proposal on the ballot is certain to arouse heavy interest in the June election.

The proposal asks school district voters to approve purchase of the community building from the city of Northville.

Four in Race For Novi Board

With the filing deadline set for tomorrow, only four persons have indicated their intentions to seek election to the Novi school board.

Petitions must be filed no later than 4 p.m. at the Novi school to qualify candidates for the June 13 election.

Incumbents for the two three-year offices up for re-election are circulating petitions along with two newcomers.

The incumbents are Jack Crawford and Dr. Harold Morris. Hold-over members are Edwin Erwin, President Arthur Heslip and G. Russell Taylor.

Also circulating petitions are Walter Ambinder, 23941 East LeBost, and William Dean, 23920 East LeBost.

Teachers, Board To Discuss Salary

Teachers, administrators and board of education members will meet tonight (Thursday) to conduct a "no holds barred" discussion on teachers' salaries.

Last week Teachers' Club President Donald Van Ingen asked the board for the meeting stating that the teachers were "disappointed" that their recommendation for a new salary schedule has been tabled.

Although Superintendent Russell Amerman had previously outlined to the teachers' group the reasons — largely financial — for the board's decision to delay acting on the proposed \$33,500 salary schedule boost, Van Ingen reported that many of the teachers wanted to "talk directly to the board."

The meeting will be held from 7 until 10 p.m. at the high school cafeteria.

Northville township recorded an 80 percent population increase during the past 10 years, according to the preliminary figures released this week by District Census Supervisor Jack H. McDonald.

The new township population is 7,548.

Announce Plans For Blood Bank Here Next Week

Northville's annual blood bank, which in past years has drawn the praises of Red Cross officials, will be staged Friday, May 20 at the First Methodist church.

Appointments for prospective donors are already being accepted. Area residents are urged to call either FI-9-2361 or FI-9-1330 for appointments.

All blood donated here is credited to the Northville community account through the Red Cross which acts as a banker in the blood program. However, the local branch will credit the blood to any group, account specified by the donor.

Blood is stored at the Detroit Chapter House, 153 East Elizabeth. When needed by city or township residents, the blood is released from the community account by one of three local officials. They are Mrs. A. C. Carlson, branch chairman; Mrs. C. Winter, blood bank chairman; and Mrs. Emma Reid, a board member.

There is no charge for the blood, although persons requesting blood are asked to secure donors to replace the number of pints received when the blood mobile comes to Northville.

According to Mrs. Carlson, no blood is wasted. When it approaches the out-dating period of 21 days it is sent to the Michigan Department of Health Laboratories for processing into valuable by-products, including those used in obstetrical hemorrhage and for measles, polio and hepatitis.

During the past year more than 40 pints of blood were released from the community bank to Northville residents or some members of their families. One patient required 14 pints.

Calendar

Monday, May 16
Community General hospital auxiliary meeting, OLV auditorium, 8:15.

Sarah Ann Cochran chapter of DAR, Mrs. Sherman Hill, 38125 Eight Mile road.

Wednesday, May 18
Past Matrons club, Mrs. H. A. Boyden, 230 First street, 12:30.

Thursday, May 19
Co-ordinating Council meeting. Kings Daughters luncheon, 11:30-2:00, Methodist church.

Monday, May 23
Mothers' club picnic, Mrs. James Mahoney, 45340 Northview.

FIRST POPPY — Mayor A. M. Allen bought his "poppy" a week early from the "tiniest" Tiny Tot of the Lloyd H. Green Post American Legion Junior auxiliary. She's Suzan Ann Wright, daughter of Post Commander Howard Wright, and a member of the junior auxiliary since birth. Looking on is Suzan's grandmother, Mrs. C. Oscar Hammond, ladies' auxiliary poppy chairman. David McElravy is post poppy chairman. Poppy Days are May 19, 20 and 21. Local VFW members will be selling poppies on the same days. VFW chairman is Tom Moxie.

City to Welcome 'New Mayor' In Salute to Michigan Monday

MICHIGAN'S FLAG will fly high in communities throughout the state next week in observance of the annual Michigan Week celebration, May 15-21. City Manager John Robertson, local Michigan Week chairman, and Mrs. Roy Soule inspect the city's state flag that will be flown when Mayor Cecil Cupp of Hartford takes over as exchange mayor of the day on Monday. Mrs. Soule will be in charge of mayor's exchange day arrangements.

Hartford Gets Allen In Switch

Northville will have a new mayor Monday.

His term will be extremely short, however. One day long, to be exact.

Across the state communities will be exchanging top officials as the annual Michigan Week celebration gets underway.

In Northville Mayor Cecil Cupp of Hartford will preside as chief executive, while Mayor A. M. Allen visits the Van Buren county community in the southwestern corner of the state.

This year's Michigan Week activities will be concentrated into one day, according to City Manager John Robertson, general chairman for the local observance.

Assisting Robertson in arranging the day's activities will be Mrs. Roy Soule.

Mayor Cupp, his wife, and Hartford City Clerk and Mrs. Richard Phillips are expected to arrive in Northville about 10:30 a.m. They will be greeted at the city hall by the city manager, Mrs. Soule and other community officials.

A council meeting presided over by Mayor Cupp will precede a luncheon honoring the visiting dignitaries at the First Presbyterian church. Members of the Exchange, Optimist and Rotary clubs will attend the luncheon in a combined meeting.

Principle speaker at the noon meeting will be Oakland County Prosecutor George F. Taylor. Northville Attorney Clifton Hill will act as master of ceremonies.

One of the highlights of the luncheon will be the annual presentation by the American Legion of the Citizenship Award. The recipient of the honor is never revealed until the time of the presentation. C. Oscar Hammond will present the plaque for the American Legion.

Following the luncheon ceremonies the official party will join a parade led by the high school band to the new high school, where Superintendent of Schools Russell Amerman and Principal E. V. Ellison will direct the party on a tour of the school.

Later in the afternoon a visit to Northville Laboratories is planned.

While Northville is giving Mayor Cupp and his party the "red carpet" treatment, Mayor and Mrs. Allen along with Councilman and Mrs. Richard Juday will be visiting Hartford.

Among the sites they will be shown will be the community's new 250,000-gallon water tower and three automatically-controlled wells, a three-truck fire department, a new \$840,000 high school scheduled for completion next month, and several local industries.

Hartford officials will also fete Mayor Allen and his party at a luncheon.

Northville's "new mayor" is serving his third term as chief official of the village of Hartford. He has been a village trustee or mayor for nearly 20 years. Mayor Cupp operates a television and appliance sales and service business.

MICHIGAN WEEK
MAY 15-21

MONDAY'S MAYOR—Cecil Cupp, who normally serves as mayor of village of Hartford, will take over Monday as chief executive of the city of Northville. The occasion is the annual Michigan Week mayor's exchange day. Cupp is serving his third term as Hartford's mayor.

Novi Planners Table Shopping Center Zoning Request

In a surprising turn of events, the village planning board and council tabled two zoning change requests at a public hearing held at the community building Monday evening.

Up for consideration were the requests to change two parcels of land at the corner of Novi and 10 Mile roads from a C-1 to a C-2 commercial classification.

Largest of the two parcels considered for rezoning was a 11-acre site at the northeast corner, which according to one of the property owners, Virgil Cornwell of Farmington, would eventually become the site of a 92,000-square-foot shopping center.

The other parcel is owned by Dr. and Mrs. James W. Taylor and located at the southwest corner.

Action to table the former was prompted by the absence of the owner at the hearing. The planning board members took their action on this request, which was later approved by the council, because Cornwell was not present to present his case and because there was no one else present to urge re-zoning.

In making his original request for a new zoning classification, Cornwell told board members that a supermarket chain wanted to purchase his property and erect the shopping center.

Plans that he submitted to the board called for a supermarket at the corner with adjoining stores stretching either north along Novi road or east along 10 Mile road. Cornwell said establishment of the center was not expected immediately. However, the property must be purchased and the zoning designation finalized to permit planning of the center, he explained.

According to one planner, the board "certainly" would have approved the new zoning had Cornwell been present at the hearing.

The Taylor request was first turned down by the planning board at the hearing, then tabled pending more specific information as to what kind of commercial establishment was planned for the corner.

An attorney, who represented the Taylors at the hearing, told board members that his clients were "not sure" what commercial development might occur at the corner — a site of approximately three acres.

Earlier the Taylors had told planning board members that the property would be used as a service station site.

Dig Out Trash for Pick-Up Saturday

Here's Easy Way to Help Out Beautify Northville Campaign

Would you like to do your part to help out the "Beautify Northville" campaign?

You can — and you won't even have to leave your home.

Saturday 14 trucks are going to collect trash at the curbs of every home in the city — including the newly annexed Northville Estates — to help rid the community of unsightly trash.

"Anything that can be lifted by two men and tossed into a truck will be hauled away," Collection Chairman Paul Palmer promises.

The project is part of the annual month-long Beautify Northville campaign.

General Chairman John Swain points out that this is one of the most important events of the clean-up drive because it shows immediate and visible results.

Items cluttering garages, basements, attics or backyards — that could be fire hazards, accident traps or eyesores — can be removed merely by taking a few minutes to stack the trash at the front curb, Swain reminds residents.

Palmer's pick-up crews will rendezvous on Main street with the 14-truck caravan headed by a five-piece band. The musicians are members of the high school band and call themselves the "Hungry Five".

They'll arouse residents with their lively tones and remind them that the collection trucks are coming — "so dig out the trash, man" (please excuse the pun).

Assisting Palmer in the collection will be members of

local service clubs, the OLV Men's club, high school students, boy scouts and members of the Ughashontan club.

Palmer has assigned each of his 14 trucks to designated areas of the city so that no home will be missed.

The collection will start promptly at 9:00 a.m. and continue until the job is complete.

Trucks have been donated for the collection by Palmer, the city of Northville, Bud Harner, Bill Spess, Clifford Shoebridge, Foster Ashby, Henry Budd, Lawrence Smith, Oakland Paving, G. E. Miller, A. M. Thompson, Northville Sand and Gravel, Nowels Lumber and Coal company and Ely and Sons.

Better Shopping District Aim of Retail Merchants

Action to establish a committee to improve Northville's business district was taken Tuesday evening at the monthly meeting of the Retail Merchants Association.

Pass Novi Budget By 3-2 Vote

Novi's 1960-61 fiscal village budget, which provides for a maximum levy of 5 mills, was approved Saturday at the community building by a 3-2 council vote.

The approval squeaked through after nearly four hours of questioning and angry protests by some 35 residents who attended the meeting. Most of the protests came up over road expenditures and were aimed primarily at the village manager.

Council members Miss Eugenie Choquet and Philip Anderson cast the two dissenting votes, while President Joseph Crupi and Councilmen Dean Lenheiser and Walter Tuck voted favorably.

Presumably, the budget might have drawn unanimous approval — or at least one other favorable vote — had it included an amendment by Anderson to include a provision for chloriding village roads. Miss Choquet seconded Anderson's motion to amend the budget, but the motion died as the three other members voted against it.

The approved fiscal budget calls for an outlay of \$177,772 — or approximately \$8,000 more than was included in the first fiscal budget. However, the 1959-60 budget of \$185,893 included \$25,000 for repayment of a loan used for operating the village between the time it was incorporated and the start of the fiscal year — a period of more than six months.

Specifically, Johnson suggested that the committee have both business and governmental representation and study procedures for redevelopment and improvement of local commercial facilities.

Ellis named Johnson temporary chairman. For several years a number of local businessmen have discussed the possibility of establishing a "shopping mall" in the Main street business district. Other efforts have been made to encourage the proposed re-location of the A&P supermarket within the present downtown shopping district. Officially, however, the Retail Merchants Association has not functioned in this area.

It is likely that a report from the newly established economic development committee — due within a month — may include suggestions for commercial development as well as industrial planning for the community.

This committee was appointed by the city council, township board and board of education to explore the need for new tax base within the school district based on the future economic outlook of the community. William Crump, head of the committee, reports that findings and suggestions of the body will be submitted early in June.

about WOMEN

2—Thursday, May 12, 1960—THE NORTHVILLE RECORD

Mr. and Mrs. R. D. Merriam of 18910 Beck road announce the engagement of their daughter, Elizabeth Lucille, to Greig L. Chapman, son of Mr. and Mrs. E. A. Chapman of 239 High street. Miss Merriam is a sophomore at Michigan State university, majoring in fine arts. She is affiliated with Kappa Delta sorority. Her fiancé is a junior at Michigan State university, majoring in psychology and is affiliated with Beta Theta Pi fraternity. No date has been set for the wedding.

Hmmm, Good

Homemade cream chicken and biscuits, green beans, cranberry salad, hot biscuits, coffee and your choice of a variety of homemade pies . . . in generous portions.

Sound good?
It's the menu for the Kings Daughters' annual luncheon that will be served next Thursday, (May 19) from 11:30 until 2:00 p.m. at the First Methodist church in Northville.

Men, women and children are all invited. The proceeds will be used to support the local charitable activities of Kings Daughters.

General chairman of the event is Mrs. Nelson C. Schrader, Jr.

Garden Club Elects Mrs. D. Hurd Clark

Mrs. D. Hurd Clark became the new president of the Northville Branch of Woman's National Farm and Garden Association, Michigan Division, at the annual meeting Monday at the home of Mrs. Ellen Scott on Seven Mile road.

Other newly elected officers are: Mrs. George Kohs, first vice president; Mrs. R. J. Wright, second vice president; Mrs. J. Northup, recording secretary; Mrs. E. O. Whittington, treasurer, and Mrs. C. Stephens, corresponding secretary.

The retiring president, Mrs. N. K. Pattison, was presented with a silver tray in appreciation of her outstanding leadership for the past two years.

Mrs. Joseph Denton displayed rare and unusual pitchers from a collection owned by Mrs. T. J. Knapp. These pitchers were gathered from all parts of the world, Africa, Japan, Wales and Oberammergau. Mrs. Denton's own hobby was a collection of spoons from England and the United States. Mrs. N. K. Pattison completed this program by reciting some of her

own poems, which have been published in magazines.

A silent prayer was offered in memory of Mrs. Pasquale Buonico.

Mrs. L. M. Eaton, chairman of conservation, is being sent as a delegate to the conference at Haven Hill next month. John Hyde, teacher in the Northville school system, was given a scholarship to attend the conservation camp at Higgins Lake this summer. Mrs. June King was chosen as alternate if he is unable to attend.

Two new members, Mrs. Dempsey Ebert and Mrs. Howard Fuller, were welcomed into the club.

Assisting Mrs. Scott as hostess were Mrs. Ernest Wood, Mrs. Merrilee Eilber, Mrs. Harry Richardson, Mrs. John Burkman and Mrs. John Haller.

NEW GARDEN CLUB OFFICERS — Mrs. N. K. Pattison (third from the left), outgoing president of the Northville Garden club, turns over the gavel of her office to the newly elected president, Mrs. D. H. Clark as other newly elected officers look on. They are (l. - r.): Mrs. R. J. Wright, second vice president; Mrs. E. O. Whittington, treasurer; Mrs. Pattison and Mrs. Clark; Mrs. George W. Kohs, first vice president; Mrs. Carl W. Stephens, corresponding secretary, and Mrs. John Northup, recording secretary.

NEWS AROUND NORTHVILLE

Guests of Mr. and Mrs. Roy Soule of South Wing street last Sunday were Mrs. Soule's mother, Mrs. D. P. Sherman and Mrs. Laura Roberts of San Diego, California.

Mrs. R. M. Atchison and daughter, Roxanne, spent last Saturday in Albion visiting Mrs. Atchison's mother, Mrs. Don Harrington.

Mrs. J. W. Reynolds of Brentwood, Plymouth, will entertain eight guests from Northville at a luncheon Friday.

The Past Matrons club meeting and dessert luncheon will be held at the home of Mrs. H. A. Boyden, 230 First street, Wednesday, May 18 at 12:30. Mrs. R. H. Johnson will be co-hostess.

To honor the birthday of Mrs. Anna Casterline a dinner party was given last Tuesday night at Hillside Inn by Mr. and Mrs. Fred Casterline.

L. M. Eaton of Eaton drive and his son, Dr. Louis Eaton of Howell, are in Tennessee this week fishing.

Attending the Plymouth Pop Symphony last Saturday night were Mr. and Mrs. Donald Ware, Mr. and Mrs. William Dake, Mr. and Mrs. William Troy, Mrs. Earl Lothamer and Mrs. Ray Hinman of Northville and Mrs. W. Bake and Mrs. A. Stecker of Plymouth. After the concert the group returned to the Ware residence for a lunch.

Mr. and Mrs. Ward Schultz and Mrs. Schultz' mother, Mrs. Louis Fisor of South Rogers street attended a wedding in Detroit last Saturday.

Mr. and Mrs. Orson Atchison of Orchard drive and Mr. and Mrs. William Seibert of West Eight Mile road attended the Kentucky Derby last week end.

Guests of Mr. and Mrs. James Spagnuolo for Mother's Day were Mrs. Spagnuolo's son and family, the Eugene Melbournes of Ypsilanti.

Frank Bongiovanni re-entered Community General hospital last Friday for further treatment.

Mrs. L. M. Eaton, representing the Northville branch of the Garden club, attended the conservation conference at Haven Hill Wednesday and Thursday.

The Community General hospital auxiliary will meet Monday, May 16 at 8:15 p.m. in Our Lady of Victory auditorium. Following a short business meeting Hospital Administrator Calvin Monfils will discuss the hospital in terms of the present and future.

Mr. and Mrs. Fred Casterline and son, Butch, and Mrs. Anna Casterline, spent Mother's Day at the home of Mrs. Casterline's mother, Mrs. Sophie Saner, of Fairwell. Mrs. Saner's brother, Albert Hugel of Plymouth, was also a guest.

The Pilgrim Shrine No. 55 will hold Supreme Inspection and co-workers dinner Monday, May 16 at the Plymouth Masonic Temple at 6:30 p.m. Ceremonial will follow at 8 o'clock. For reservations contact Evelyn Brocklehurst by Saturday, May 14, GL-3-6490.

To celebrate moving into their new home Mr. and Mrs. Robert Richardson, 19151 Meadowbrook road, held open house the evening of April 23. Those attending were Mrs. Richardson's parents, Mr. and Mrs. F. H. Martin; grandparents, Mr. and Mrs. Joseph Schwartz of and Mrs. G. Gallop, Mr. and Mrs. Sehwaiing; aunts and uncles, Mr. Orbal Zalphe and Mr. and Mrs. R. Bauman and two daughters.

Houseguest of the J. C. Burkman's on Eight Mile road last week end was Mrs. Burkman's sister, Mrs. W. L. Holden of Detroit.

Visiting the G. H. Froebels' on Nine Mile road for ten days is Mrs. Froebel's father, E. T. Yerkes of Swarthmore, Pa.

Mr. and Mrs. Laurence A. Masselink returned to their home on West Seven Mile road last Thursday evening after a week's visit with their daughter and son-in-law, Mr. and Mrs. John Shy and family in Princeton, New Jersey. On the way home they stopped in Maryland to visit Mrs. Masselink's brother, Robert Gunnell, and saw many of their friends and relatives.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

Mr. and Mrs. Harold E. Bittner recently moved from their Taylor, Michigan home to a spacious, new home at 43650 West Nine Mile road near Novi road.

If Mr. and Mrs. Harold E. Bittner, 43650 West Nine Mile road, apply the same interest in civic affairs that they did in Taylor, Michigan, the Northville-Nowi area will benefit extensively.

The Novi couple, who moved to their new home near Novi road from Taylor a little more than a month ago, were active in numerous civic projects, including scouting, P-TA and a nursery for visually handicapped children.

Working for the Penickton Nursery was very challenging, Mrs. Bittner explains. One of her jobs as a practical teacher was to teach blind children to eat — and although it may not sound like a difficult task it was very exasperating at times, she says.

"Sometimes we received children, ages 5 and 6, who had never eaten solid foods. They had been fed baby foods only. Trying to teach such a child to swallow solids takes plenty of patience and love."

But despite these difficulties, Mrs. Bittner loved her work and considers the nursery one of the finest of its kind in the nation.

Actually, Northville is not an unfamiliar place for the Bittners. Mr. Bittner has been a member of the

Foundry Flask & Equipment company here for more than six years. Currently, he is the treasurer and office manager of the firm.

Mrs. Bittner does not have an outside job, although she does occasionally do office work.

She is a member of the American Legion auxiliary, past president of an American Legion auxiliary in Ohio (her home state), and a member and past secretary and treasurer of the Women's National Farm and Garden club.

Mr. Bittner was graduated from LaCrosse, Wisconsin teachers college and later attended Wayne State university for accounting studies.

While at LaCrosse, Bittner worked in a greenhouse, acquiring a love

for plants and flowers. Today, landscaping and gardening is one of his favorite hobbies.

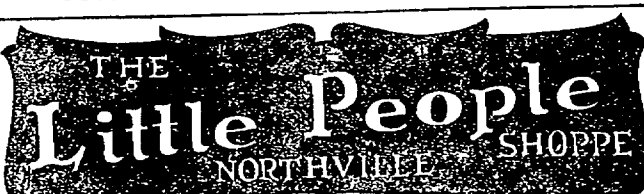

Annual DAR Election Planned Here Monday

The Sarah Ann Cochran chapter of the DAR will hold its annual meeting Monday, May 16 at the home of Mrs. Sherwin A. Hill, 38125 Eight Mile road at 1 p.m.

Annual reports will be given, followed by the election of officers for the coming year.

Tea will be served by the social committee, Mrs. Robert Yerkes of Northville and Mrs. F. R. Hoheisel of Plymouth.

Elect Mrs. Langtry Mothers' President

New officers were elected at the annual meeting of the Northville Mothers' club Monday evening at the home of Mrs. Carl Stephens, 46084 Norton.

Mrs. Edwin Langtry was named president for the coming year, while other officers are: Mrs. Robert Yoder, vice president; Mrs. John Canterbury, secretary; and Mrs. O. J. Robinson, treasurer.

A picnic at the home of Mrs. James Mahoney, 45840 Northview, on May 23 will conclude the year's activities.

Garden Club to Sponsor Three Scholarships

The Northville branch of Woman's National Farm and Garden association will give three \$250 scholarships to local students in place of two as in previous years, Mrs. D. Hurd Clark, president, announced this week.

The new scholarship, to be called the Thayer Scholarship, is made possible through the generosity of Mrs. Carl Bryan in memory of her parents, Mr. and Mrs. William (Elizabeth) Thayer.

The recipient of this scholarship will be Charles Hicks who plans to enter University of Michigan in Ann Arbor this fall.

The other two scholarships will go to Murray Lyke for his third year at Eastern Michigan university and to Mary Lamp for her second year at the same university.

KITCHEN DIARY

Chicken Loaf Casserole Is Sunday Night Treat

Do Sunday night suppers present a problem for you? If so, try this recipe on your family this week. It's a favorite in the Glenn Cummings' home, 43525 West Six Mile road.

CHICKEN LOAF (Casserole Style)

Mrs. Glenn Cummings

1 5-pound chicken
1½ cups cooked rice
2 cups fresh bread crumbs
¼ teaspoon pepper
1 teaspoon salt
¼ cup chopped pimento
¾ cups chicken broth or broth and water mixed
4 eggs, beaten
¼ cup non-fat dry milk powder

In advance: Simmer chicken until tender, cool then separate meat from bones and cut into chunks—put skin through grinder—add cooked rice well drained and rest of ingredients. Pour into well greased 3 quart casserole or two 1½-quart casseroles.

Bake 1½ to 1¾ hours in 325 degree oven or until knife inserted into center comes out clean.

Loaf can be cut and served in wedges with sauce poured over. Serves 8. Serve hot with mushroom sauce.

MUSHROOM SAUCE:

¼ cup butter or margarine
¼ pound fresh mushrooms or one 6-oz. can sliced mushrooms, drained
5 tablespoons flour
2 cups chicken broth or milk
¼ cup cream
2 T. minced parsley
½ teaspoon paprika
1 teaspoon lemon juice
¼ teaspoon salt
1/8 teaspoon pepper

Melt butter in top of double boiler. Add mushrooms, cook 5 minutes, stirring occasionally. Add flour, stir well; then add broth, stirring constantly until smooth and thickened. Add cream and next five ingredients. Keep warm until serving time.

Novi Highlights...

Blue Star Mothers

The Novi chapter, Blue Star Mothers, report a very successful card party at the community hall Saturday night. The money will be used toward buying a TV set for the Veterans hospital in Ann Arbor.

Novi Methodist Church

The WSCS of the Novi Methodist church will meet next Wednesday, May 18 at the church with a pot-luck luncheon at 11:30. The hostesses are Mrs. Mitchell, Mrs. Ortwine, Mrs. Whittington and Mrs. Smart.

Novi Baptist Church

Carnations were given to all ladies attending the Novi Baptist church on Mother's Day.

The Junior choir had a pow-wow party Friday, May 6. Director Mrs. Cook was assisted at rehearsal by Mrs. Sally Smith and Mrs. Freda Preston. Refreshments of ice cream and cake were served to approximately 27 youngsters. Their last practice until September will be May 20.

The Mission band will be holding its annual May Morning Breakfast at the Fellowship room Thursday, May 12. There will be devotions led by Mrs. O. Graham and music by Mrs. Alice Polak, accompanied by Miss Mary Flint. A special offering will be taken for additional chairs for the new church.

Cub Scouts

The Novi cub scouts will have their pack meeting May 20 at the community hall. All dens will take part in their "Show Boat".

AmVet Auxiliary

The AmVet auxiliary met Tuesday night at the Duane Bell home with Mrs. Audrey Ortwine as hostess. The Memorial Day parade, state convention and Clover Day were on the agenda for discussion at this meeting.

Novi School News

Mrs. Floyd Darling has been attending special meetings of the school lunch consultants at the Oakland county board of education for the past two weeks. Collective bidding has been the subject under discussion.

Gun Club News

The scores for ten shots are as follows: Robert LaFond 73, Bert Bowen 72-62, Charles Van Every 91-58-52, Bob Sprenger 42-60-36-51-26, Billy Mairs 65, Bob Roten 58.

Five shots: Robert LaFond 25-38-24, Bert Bowen 41-43, Charles Van Every 50, Jim Needham 27-42-43-23, Tom Bingham 23-40, Billy Mairs 36-31-42, Bob Roten 43, Orin Stader 48, Robert Smith 45-23, Marguerite Mil-

ler 32-22, Philip Presnell 29-30, Marilyn Bowen 30, Ronald McCollum 32-35.

Standing, ten shots: Orin Stader 57.

Girl Scout News

Intermediate Troop No. 602 planted an evergreen tree in the lawn of Novi school in honor of Arbor Day. Mrs. Ronk read the girls the material she had gathered on Arbor Day. In addition to continuing knitting they changed plans for their outdoor day to be combined with their Lincoln plant trip. Each girl is to bring a guest. They will return to Mrs. MacGillivray's house for a cookout. Three girls are working toward the first class rank: Jane Loynes, Kristine Larson and Suzann MacGillivray.

Brownie Troop No. 492 made covers for Kleenex boxes, using material and paint for Mother's Day gifts. Treats were furnished by Mrs. Willacker.

Brownie Troop No. 902 had to cancel its meeting last week due to the illness of their leader.

Brownie Troop No. 1027 walked

to their co-leader's home, Mrs. Sigmundson, and made Kleenex flowers for the school fair. Treats were furnished by Lynn Bentley. The girls practiced in the evening for the Adult Council meeting to be held Thursday morning.

67 Youngsters Enter Legion Poster Contest

Sixty-seven elementary children entered the Northville American Legion and auxiliary poster contest for Poppy Day.

Winners whose posters have been sent to the district for further competition are: (class 1) 1st — Bill Davis, 2nd — Elma Joy Van Fossen, 3rd — Dianne Geraghty; (class 11) 1st — JoPo Hildebrandt; 2nd — Carolyn Cockin; 3rd — Sally Mallette.

Bathey Names Manager

E. R. Larsen, executive vice president of Bathey Manufacturing company in Plymouth, announced the appointment of R. Winter as general factory manager. Winter formerly was resident manager of the Clearing Press plant in Hamilton, Ohio. Winter was associated with Clearing for the past 24 years.

Douglas Bathey of Northville is president of Bathey Manufacturing.

-In Uniform-

Richard A. Bailey, boilerman 3rd class, USN, son of Mrs. Robert E. Fennimore of 410 West Main street, completed a two-month tour of the Red Sea and Persian Gulf area April 27, while serving aboard the destroyer USS Putnam operating with the U.S. Sixth Fleet in the Mediterranean.

During the tour the Putnam and her crew visited many mid-East ports including the Island of Das, with an all-male population of over 500. The Putnam is scheduled to return to the states in September.

Some fabric finishes have an objectional odor. Home economists at Michigan State university say it is unlikely that such an odor will disappear with wear, so consumers must choose accordingly.

CLEAN-UP treatment for Northville continued last Saturday with local boy scouts, under the guidance of Arthur Prodder and Claude Morgan, planting 145 trees along the South Main street entrance to the city. Optimist and Exchange club members landscaped the area around the new "welcome" sign along the same entrance (above). Rotarians also got into the "Beautify Northville" act by improving the looks of the Old Spring. Rotarians Cy Frid and Jim Brummel are shown at right with Beautify Northville Chairman John Swain (right). They used their shovels to do some landscaping around the Spring. So that residents could join in the planting project, youngsters of Principal Harry Smith's junior high school sold flowering crab trees throughout the community.

NEWS FROM THE AMERICAN LEGION

Bob Collocott — Reporter
POST 147

The following is taken from the initiation ceremony of the American Legion. During this part of the ceremony the emblem of the Legion is projected upon a screen for all to see.

"There shines the emblem of the American Legion. It is your badge of distinction, honor and service. It stands for God and country, and the highest rights of man.

Of its several parts, each part has a meaning. The rays of the sun, that form the background, are emblematic of the principles of the American Legion, for loyalty, justice, freedom and democracy will dispel the darkness of violence, strife and evil.

The two gold rings around the field of blue, bearing our name, typify two of our four main objectives: rehabilitation of our sick and disabled comrades, and care for the children of America.

Within the rings is placed a wreath for remembrance of those who died that liberty might live.

Upon the wreath is set a star reflecting the glory of victory and promising to the world perpetuation of those cardinal principles of our organization.

Set upon the star are two bronze rings which typify the other two of our main objectives: a better and more loyal Americanism, and service to the community, state and nation.

The inscription demands that the wearer shall ever guard the sanctity of home and country and free institutions."

St. Mary Hospital Guild News

The regular meeting of Decorations Committee was held May 2 at Ladywood high school cafeteria. The main project underway at present concerns prizes for the card party June 2.

A spectacular evening is planned for the next meeting — June 6. The committee will be working on favors for patients' trays to mark July 4 — Independence Day. This will be the last meeting before the children are out of school. The time is 8 p.m. — the place: Ladywood Cafeteria.

Tickets are going fast for the June 2 card party at Bentley high school. Ginny Gamber, GA-1-1687, is general ticket chairman. The Ways and Means committee will present a variety show the last half hour of the evening. "Ghosts over Broadway" is a skit based on departed song writers who return to this world to haunt what they believe is an empty stage.

The aqua smock of the St. Mary Hospital volunteer is becoming a familiar sight in the corridors of the hospital. The volunteers may be seen working in the gift shop, helping at the information desk and distributing juices. Many other areas are being serviced daily by these active women.

In Honor Society

Karl H. Wursching, 120 North Center street, was recently initiated into Kappa Delta Pi, honorary education society at Western Michigan university, Kalamazoo.

A graduate of Northville high school, Karl is a junior studying secondary education. He is president of Pi Gamma Mu, honorary social studies society and is active in History club and Gamma Delta, Lutheran student organization.

Elected Commissioner To Church Assembly

The Rev. George P. Jerome, 743 Horton, has been elected a commissioner to the General Assembly of the United Presbyterian Church in the USA, which will meet in Cleveland May 18 to 25. A commissioner is an official delegate.

The General Assembly is the supreme governing body of the 3,159,562 member church. Commissioners will elect a Moderator (presiding officer) and will vote on matters affecting the prayer book and official views on racial and social issues. Speakers at the Assembly will include Dr. Charles Malik of Lebanon, former president of the United Nations General Assembly, and Bishop Lesslie Newbigin, general secretary of the International Missionary Council.

Newcomer Dance A Big Success

The newly organized, but rapidly growing "Newcomers Club" climaxed its first season's activities Saturday night at a Farmington Country club dance attended by more than 70 couples.

The organization, formed in February, now has a membership of 160. It is composed of new residents of Northville and the Novi subdivisions of Brookland Farms, Commemora Hills, Willowbrook, Orchard Hills, and the immediate area.

Officers of the group are: Mr. and Mrs. Charles Smith, president; Mr. and Mrs. William Stein, vice president; Mr. and Mrs. Warren Hanson, secretary, and Mr. and Mrs. Gene Cushing, treasurer.

FOR

STEEPLE CONSTRUCTION

FOR THE

First Methodist Church

NORTHVILLE, MICHIGAN

Sealed proposals will be received by the Board of Trustees of the First Methodist Church, Northville, Michigan, up to 7:30 P.M., Eastern Standard Time on June 2, 1960, and promptly thereafter, the proposals will be publicly opened and read aloud. The proposals will be reviewed by the Engineer and the award of the contract will be made at a later date by the Board of Trustees.

The work to be performed consists of constructing a wood frame with California Red Wood siding steeple upon an existing brick foundation. The steeple at its base is 11 feet x 11 feet. It is forty-six (46) feet high above the existing brick work, and sixty-six (66) feet plus or minus above the ground level.

No bidder may withdraw his bid within thirty (30) days after the date set for the opening thereof. Proposals shall be submitted in duplicate, on forms furnished by the owner.

Each proposal will be accompanied by a Certified Check or a Bid Bond by a recognized Surety Company in the amount of at least five per-cent (5%) of the amount of the total bid, payable to the Board of Trustees, First Methodist Church, Northville, Michigan, which Certified Check or Bid Bond will be forfeited by the successful bidder upon his failure to enter into a contract with the Board of Trustees within fifteen (15) days after the award of the contract to him.

The successful bidder will be required to furnish one hundred per-cent (100%) Performance, and one hundred per-cent (100%) Labor and Material Bonds.

The Contract Documents, Plans and Specifications will be on file and open to public inspection at the Church Office on Dunlap Street between the hours of 10:00 A.M. until 12:00 Noon each day until the bid opening, and may be obtained at the above office; or at the office of the Engineers, Laporte & Penn, 1470 Holden Avenue, Detroit 8, Michigan.

A deposit in the amount of Ten Dollars (\$10.00) is required for each set of Plans and Specifications, and will be refunded only upon submission of a bonafide bid.

The right is reserved by the Board of Trustees to reject any or all bids, or to waive informalities in the bid in the interests of the First Methodist Church.

Kappa Gamma Installs Officers

The Alpha Nu chapter of Delta Kappa Gamma installation of officers was held at the home of Mrs. Wilson Funk on Yerkes street last Monday night following a potluck supper.

New officers elected for the coming year are: Mrs. Eva Donovan, president; Mrs. Myrtle Funk, vice president; Mrs. Lucille Reeves, second vice president; Miss Kathryn Giltner, recording secretary; Mrs. Florence Keith, corresponding secretary; Mrs. Lucille McKinney, parliamentarian, and Diana Lance, treasurer.

The first meeting of the new executive board will be held at the home of Mrs. McKinney May 31.

Coin Show Includes Collections, Auction

The Double "E" Coin club will sponsor its third annual coin show on Sunday from 10 a.m. to 6 p.m. at the Holly Elementary school (M-87). Admission is free.

The show will feature a 100 item coin auction at 3 p.m. with Robert E. Whitmore as auctioneer. There will be 16 dealers selling and buying coins and they will have a complete line of books, folders and supplies for the beginner.

Give Final Totals On March of Dimes In Novi and Oakland

Final tabulations of the 1960 New March of Dimes show \$958.49 raised in Novi, according to Mrs. Bernard C. Marchetti, chairman.

This figure contributed to a highly successful county-wide campaign which raised \$116,501 to finance the operation of the Oakland county chapter of the National Foundation for 1960.

The Foundation still provides treatment and equipment for more than 250 polio victims in Oakland county, and finances education and research in polio-fighting as well as the new targets of the campaign, arthritis and birth defects.

The campaign report was made at the annual meeting of the chapter. Mrs. Marchetti announced that the traditional Mothers' March raised nearly \$2,600 more in the county than it raised in 1959. However, due to a fall-off in corporate contributions and funds raised through special events, the campaign total was \$1,700 less than in 1959.

"However," said Mrs. Marchetti, there can be no doubt about the success of the campaign. The increase in individual contributions which saw our mothers collect \$73,116 this year as against \$71,393 in 1959 is very heartening. The Mothers' March is the heart of the New March of Dimes and its wider, warmer acceptance this year makes our campaign a good one."

"Our executive committee joins with the entire county and especially our patients in congratulating the thousands of mothers who once again have proven their genuine love of their neighbors."

Mrs. Marchetti pointed to another area of the campaign where "promising increases were noted." This, she said, was in the teen-age program which raised \$2,693, or nearly double the \$1,389 raised in 1959.

"When the mothers, the 'home-owners' and the youngsters of Oakland county increase their interest in the New March of Dimes and their support of our program," said Mrs. Marchetti, "certainly we can look forward to healthy growth and expanded service in this chapter."

Buffet Luncheon Follows Christening of Grandson

George Coleman Bulterman, infant son of Mr. and Mrs. George Bulterman, born February 23 in The Hague, Netherlands, was christened at the Presbyterian church last Sunday morning.

Following the christening a buffet lunch was served at the home of the grandparents, Mr. and Mrs. Harry Duerson for Mr. and Mrs. James Conway and Mrs. Thomas Ball of Lansing, Mr. and Mrs. James Carlton of Birmingham and Mary Harrison (the baby's godmother) of Royal Oak.

Mrs. Bulterman is the former Gay Duerson. Saturday Mr. and Mrs. Bulterman and son and Mr. and Mrs. Duerson will motor to Virginia to visit Mr. Duerson's sister and husband, Mr. and Mrs. Arthur C. Crawford for two weeks. From there the Bultermans will go to New York before returning to The Hague June 5.

Obituary

G. MERRILL EMERY
G. Merrill Emery, 46, of Detroit, husband of a former Northville woman, died Friday of a heart attack at his home, 13909 Fielding. The son-in-law of Mrs. George Price, 776 North Center, he is survived by his wife, Muriel (Price) Emery, and two daughters, Linda and Esther. He was employed with the Davis Tool company. Funeral services were conducted Monday under the auspices of the Masonic lodge. Burial was in Acacia Park cemetery, Detroit.

MRS. VICTORIA BLANCHETTE
Mrs. Victoria Blanchette of Detroit died May 4 at Wayne General hospital at the age of 85. She had been ill for about a week. Mrs. Blanchette was born September 11, 1874 at Pointe St. Anne, Quebec, to Jean and Elizabeth (Parents) Tanguay. Her husband, Joseph, preceded her in death. Mrs. Blanchette came to Northville almost three years ago to live with her daughter, Mrs. Florence Van Atta, 7778 Six Mile road, who survives. Other survivors are two grandchildren and four great-grandchildren. She was a member of Our Lady of Victory church. Services were held from the Casterline Funeral Home May 7 and Requiem Mass was held at Our Lady of Victory church with the Rev. John Wittstock officiating. Interment was at Salem Walker cemetery.

ELECTRIC

Heating is becoming popular. It works best when installed in regular duct work with registers in each room. This way the air is fresh and with correct humidity. Call GL-3-0530 today and ask Howell Heating and Cooling for a price on complete electric heating for your home. Electric furnaces with blowers come in different sizes. Details upon request.

State Hospital Open House Attracts 350

Mental Health Week activities at Northville State hospital attracted some 350 visitors during the three-day observance last week. The visitors became better acquainted with the hospital program, its current problems, and its new methods of treatment through tours, discussion groups, and the viewing of colored slides and hospital exhibits.

In addition to the members of the hospital staff who assisted in this effort, James Hodges, assistant director, and Wallace Watt, educational consultant of the Michigan Department of Mental Health, John Robertson, city manager of Northville, and Paul Harris, Royal Oak, chairman of the committee on the Exceptional Child, Michigan Congress of Parents and Teachers, spoke and served on various panels during the week.

Of particular interest this year was the program planned by presidents of Parent-Teacher Councils from Redford township, Clarenceville and Southfield, attended by 100 parents and teachers. Ample opportunity was given for questions about the hospital's role in treatment.

Tour guides composed of staff members, volunteers and patients who served throughout the week commented upon the increased number of young people on the tours this year as compared to last. They were also impressed by the interest shown through the many questions asked.

Among those who were special guests of the hospital at the Public Officials Luncheon Tuesday, May 3 were City Manager Robertson, and George L. Clark, supervisor of Northville township. Following the presentation of the "Annual Report to the Community" by Dr. Philip N. Brown, medical superintendent of the hospital, John Robertson spoke on "The Place of the Hospital in the Community". Dr. Jacob Miller, 18855 Haggerty court, co-clinical director of the hospital, conducted a program of medical interest for doctors of the community on Sunday, May 1. Father Paul Lederman, Catholic chaplain, served on the Parents Day Planning committee.

BROWNIE TROOP 209
Mrs. Sterner and Deibert, Leaders During opening ceremony, we celebrated the birthday of Nancy Funk. We also selected our May officers from the Do-It and Done-It Box. They are as follows: Scribe, Holly McDonough; treasurer, Denise Sterner; commander, Susan Galli; American flag carrier, Peggy Cook; color guard, Linda Darnell; Brownie flag carrier, Ellen Wisner; color guard, Mary Procter.

We welcomed into our troop a new girl who had been a Brownie in Dallas, Texas and is new in our community. She is Peggy Cook.

We made and painted flowers for our mothers for Mother's Day. The flowers were made from egg cartons, the stems sticks from an old bamboo shade, and leaves from green crepe paper. We played a new game and had closing circle.

3 Northville Residents Attend GOP Caucus

Representing Northville at a Republican pre-caucus convention in Detroit Tuesday night were Don Robinson, Mrs. John Northup and Mrs. Arthur Carlson.

Republicans attending the pre-caucus elected committee chairmen for the state convention, which will be held in Grand Rapids Saturday, as well as delegates to the national convention to be held in Chicago in July.

Mrs. Carlson, an alternate to the state convention, received an honorary promotion Tuesday with her election as assistant secretary for the convention of the 17th district.

SENIOR PROM — The mountain of paper above doesn't look like much now, but just wait until the Northville senior prom tomorrow night. Come dance time the mountain will spout steam just like a real volcano. This display and others too are just part of the prom theme, "Enchanted Isle". Shown above slapping on the paper are (l. to r.): Stephanie Brown, Chuck Gross, Chuck Hix and Rosemary Frost. The formal dance, which will be the last class project of the 1960 class, will be held in the community building beginning at 9 p.m. It will feature the orchestra of Tommy Baldwin and Vocalist Miss Betty Brown. Saturday afternoon at 3:30, 83 of the 140 graduating seniors will start their senior trip to Washington D.C. and Virginia. The seniors will return next Thursday morning about 9:30.

Extension Clubs Hear Mrs. Williams

Achievement night dinner of the Wayne County Extension Service held at the Mount Olivet Methodist church in Dearborn was attended by Mrs. John Ling, Mrs. Andrew Orphan, Mrs. Floyd Gregory, Mrs. Ward Schultz from the Northville club Tuesday, May 10.

Mrs. G. Mennen Williams was the speaker of the evening. Mrs. Williams' speech, "Families Fashion Our World", was based on her experiences as advisor for World Health Organization which took her on an extended tour of the Far East last summer.

The Northville club will meet on Monday, May 16 at 7:30 p.m. at the home of Mrs. H. C. Sedan, 402 Randolph. The project lesson for this meeting is "Outdoor Cookery" presented by Mrs. Ward Schultz and Mrs. Andrew Orphan.

NEW ARRIVALS

A son, James Paul, weighing seven pounds and eight ounces, was born to Mr. and Mrs. John E. Banks of Thornapple April 26 at New Grace hospital. This is the seventh child for the Banks. The grandmother is Mrs. Meda Colman of Detroit.

A daughter, Deborah Jo, was born to Mr. and Mrs. L. L. Meyer of Ann Arbor Mother's Day, May 8, at University hospital. The baby weighed eight pounds and three ounces. The maternal grandparents are Mr. and Mrs. C. M. Hammond of Timberlane and the paternal grandparents are Mr. and Mrs. Howard Meyer of Eight Mile road. Mrs. Meyer is the former Peggy Hammond.

Mr. and Mrs. Tom Stanford of Grandview announce the birth of a son, Scott Bradley. The baby was born May 7 at St. Mary hospital and weighed eight pounds. Mr. Stanford is a pharmacist at Northville Drug store.

A daughter, their third, was born to Northville City Manager and Mrs. John Robertson Tuesday morning at St. Joseph's hospital in Ann Arbor.

The new baby was named Carol Kathryn and weighed seven pounds, 12 ounces at birth.

Nixon's A "Shoo In"

Vice President Richard M. Nixon defeated Senator John Kennedy by a whopping majority... in a school newspaper poll conducted last month at Northville junior high school.

In separate polls conducted in the seventh and eighth grades, Nixon grabbed more than 60 percent of the votes. Kennedy received 24 and 26 percent of the total votes. Governor Nelson Rockefeller was the third highest vote winner.

SHE RESTED UNSATISFIED

on a bed of Money! When relatives asked Mrs. Mary Jane Drummond of Cedar Rapids, Iowa, who had been injured, if there was any money to pay a doctor, she said all her money was in her bed.

A mong canvas pieces between the mattress and pillows was discovered \$20,321.00 in gold and bills. When told the amount, Mrs. Drummond who later died, replied, "Is that all? I thought there would be \$25,000.00. That isn't much for fifty years of saving." Does not this incident reveal the fact that even if one were wealthy enough to lie on a money stuffed mattress, it would be an unsatisfactory resting place? The only perfect resting place is on the finished work of Christ. He said, "Come unto me, all ye that labor and are heavy laden, and I will give you rest." (Matt. 11:28). This rest cost Him His all but it costs you nothing. Those who have experienced what it means to be wealthy give testimony that their wealth never gave them rest and peace. And so it is with all earthly ambitions, whether it be desire for position, pleasures, houses, or land; it will never give you satisfaction and rest. Come to Him for the rest of your lives.

Perform Plastic Surgery On Jet Crash Victim

David King, 11-year-old son of Police Chief and Mrs. Eugene King, underwent plastic surgery at St. Joseph's hospital in Ann Arbor yesterday.

The youngster was scheduled to have the surgery performed in the area of his ear, where he suffered burns resulting from the army jet crash one year ago.

His sister, Bethie, 4, also seriously injured by flaming fuel from the jet, must wait longer before undergoing surgery. If David's operation is successful, it will conclude his need for medical attention resulting from the plane crash.

More Fun than Ever at Carnival

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, May 12, 1960—9

Ring the cane was a popular game that kept workers busy replacing prizes. Youngster at left has just thrown his ring and watches intently to see if it loops a cane.

People, people everywhere — standing in line waiting for their children to play one of the midway games. At right above, the pony rides were great fun for the small fry. Guide Roger Atchinson is shown with a typical "cowboy".

Bust the balloon was another of the midway favorites. Above a smiling southpaw is about to try his skill.

Athletic Director Al Jones took his job as one of the official "weight guessers" very seriously. Here he studies the scale to see if he correctly estimated the weight of a young customer.

There's no doubt about it, all previous records were broken Friday night at the P-TA's annual carnival event.

More people had more fun, spent more money and devoured more dinners than any previous carnival sponsored by the local parent-teacher group.

Tip-off that it was going to be a busy evening came when more than 550 dinners — a new high — were served. Another event, the cake walk, more than doubled its previous record.

Chairman Ivan Ely reported that in total receipts Friday's carnival appeared to be nearly \$400 above last year.

The array of events, concessions and rides were spread over the community building junior high and elementary

school area both inside and out. Dinner was served beginning at 5 p.m. and activities continued until 10 p.m.

When all bills are paid, some \$1500 should be realized to help sponsor the activities of the P-TA. Among the programs aided by the group are: scholarships for local students totaling up to \$600; support for the two grade school libraries; support of the safety patrol program; sending delegates to boys and girls state; sending teachers to conservation camp; and aid to the nursery school.

How much is "enough life insurance?"

Call . .

The National Life and Accident Insurance Co.
Kenwood 4-1362

A new carnival event that revealed amazing talent of both youngsters and adults was the cake decorating contest. Chairman of the event was Mrs. M. L. Utley, shown above with the trio of judges (l. to r.): Councilman Earl Reed, Mayor A. Malcolm Allen and Councilman Ed Welch. It was a difficult duty for the officials but they finally selected the following winners: (adult class) 1st—Mrs. Emogene White and 2nd—Mrs. Arthur Forth; (15-18 age group) 1st—Brenda Bartski and 2nd—Carol Lamp; (14 and under) 1st—Cheryl Baker and 2nd—Martha Terry.

Storage Space Can be Created Outdoors

Where to store things seems to become a problem sooner or later for every family. Even if closet and storage space appear ample when the home-maker first moves her family into a home, it generally does not take too long before every nook and corner has reached that bulging stage.

What to do? One place where there is always space to spare is the out-of-doors. And if there is a handy do-it-yourselfer about the house, the answer of outdoor storage space can be achieved inexpensively.

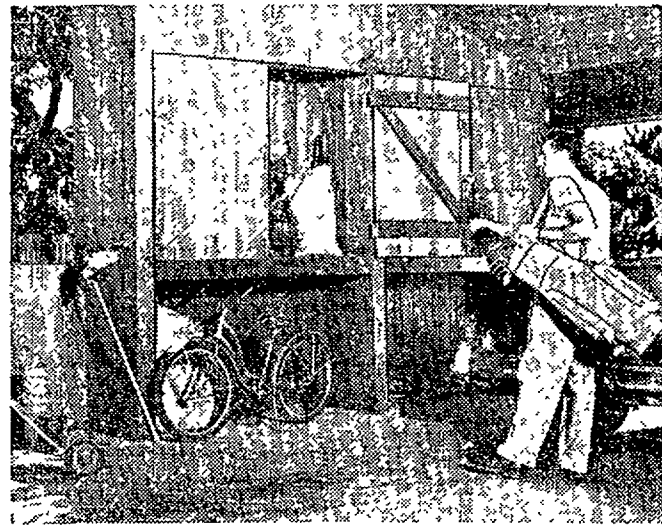

One of the favorite spots to develop added outdoor storage to the

house is the carport or garage. If the carport or garage is already full of car, you might build the storage area as an extension — extending the roof and building under it. Or the extension could be at the back end or along the side. One factor worth considering in picking the location is whether you want the storage area to serve as a wind-break, as well.

The best way to start — after determining location — is to draw a simple plan of the kind of storage structure you have in mind and take the drawing to your lumber dealer. He'll be able to tell you what kind of lumber you'll need

SIDE OF CARPORT converts into a workshop closet that closes away behind doors.

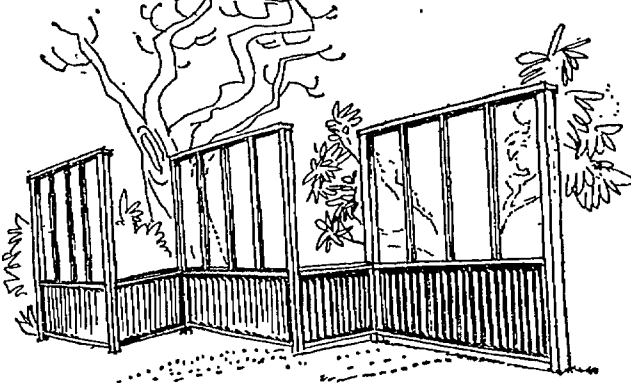

CARPORT WALL provides handy built-in storage space for gardening tools, gear, fertilizer, seeds and pots. There is even a special compartment for kids' bikes in this well-planned wall.

PAINT PROTECTION

Flies, gnats and other small insects are attracted to wet outside house paint. They stick to the surface, marring its appearance. Adding two tablespoons of oil of citronella to each gallon of paint during mixing will repel them and protect the work.

FAUCETS GLEAM

Corroded and pitted faucets gleam again when vigorously scrubbed with a damp cloth that has been saturated with automobile rubbing compound.

Patio profits from attention to its edges. Here, a distinctive fence built of red cedar vertical louvers topped with translucent plastic panels acts as divider between patio and garden beyond. Fence posts are 4x4 cedar, creosote dipped. Set in sawtooth pattern, the screen is a delight to the eye.

INSULATING GLASS

Thermopane insulating glass is 53 percent more effective than single plate glass in room insulation.

Color Contrasting To Re-Shape Room

Don't worry about "fashion" when you consider whether or not to make one wall in your living room contrast with the other three walls. The one consideration is "What will it do for the room?"

Home economists at Michigan State university note that a contrast with color or wallpaper creates a center of interest. The principle can be used to emphasize a fireplace wall or the wall behind a furniture grouping. There is little point in emphasizing a wall which offers nothing of interest to look at.

Color contrast can help "reshape" a room. If the living room is very long and narrow, consider painting all walls the same color, but use a darker value on the end walls. This will make the room appear less long.

Be careful of color contrasts where rooms and halls open into each other. The home economists suggest coordinating the areas by using one color as a central theme and following it throughout the various rooms. If green is your choice for the living room, a lighter shade of the same green can be used in a dark hall. For emphasis, one wall in the dining alcove might be papered with a blending green and white pattern. Bedrooms opening from the green hall can be painted or papered in colors that harmonize with the hall, allowing use of green accents.

One sure-fire hit for "the kids' room" is a soda fountain. Strong, yet light-weight when built of translucent plastic panels, a soda fountain can be made in many colors and put in place by the family handyman. These panels can be sawed, nailed or fastened to any surface. Ordinary screws or bolts applied with neoprene washers will anchor them securely, and they will not shatter.

Instant sweet-potato flakes are a food of the future. Just add hot water or milk and have mashed sweet-potatoes in 60 seconds. The process is being developed by the U.S. Department of Agriculture and may take another year of testing and improving.

SAFETY MEASURE

Place strips of reflector tape across the edges of porch, attic and cellar steps, and you may prevent serious falls.

Landscaping Gives Home New Look

Twenty-five million older homes need to be re-landscaped to increase their livability and maintain their values in the real estate markets, it is estimated by the American Association of Nurserymen. Re-landscaping can increase the resale value up to 25 percent or more, compared to the home whose plantings are so overgrown as to detract from realty values, it is reported.

Re-landscaping can be made to pay a bonus of a garden living room by transplanting trees and shrubs, unless they are diseased from lack of care, or unsightly, in which case they should be discarded. Often these shrubs can be grouped to provide a background for a new rose or flower garden.

Year 'Round Beauty

Strive for all-year, everlasting beauty in your renewed foundation planting. Consult your local nurseryman for shadings of foliage color as well as flower color and form. The grays and greens and light blues of foliage offer interesting contrasts.

The purpose of the foundation planting is to frame the house. It cannot do this if it has become so overgrown that it obscures windows and darkens rooms indoors.

Plan the new foundation planting in gentle curves rather than straight, rigid lines. You want a free, natural-looking planting undulating around the base of a home, supplying a wealth of color and contrast.

Your nurseryman can tell you which shrubs and trees will best be suited to the particular architecture of your home. If convenient show him a photo or a simple plan of the property that you can draw to scale.

Advise Is Helpful

You can do the re-landscaping yourself by studying other properties and adapting their most desirable points to your own area and uses. Professional advice is desirable, too. Any good landscape nurseryman can help you. Sound advice may save you mistakes, but once you have your plan of re-landscaping worked out, either in your head or on paper, the rest is easy.

New low-growing shrubs have been developed in recent years that eliminate many problems formerly connected with planting the high-growing types.

WELL-DEIGNED PLANTINGS of flowers, shrubs and trees not only provide a lovely outdoor area for dining and entertaining, but also greatly enhance the resale value of the property.

ROSES BEAUTIFY property in many ways; can make works of art out of fences, garages and other structures.

FLOWER BORDERED walk creates a pleasing atmosphere on the home grounds. The cost of such a project is very modest.

How to Combat 'Red Mites'

The first complaints against red clover mites are beginning to come into the office of the Wayne County Cooperative Extension Service.

Both the spring and the fall are times when these small red insects, that look as small as dots, plague the housewife. The mites do not do any actual damage inside the home but they can stain wallpaper, etc., if they are killed by crushing.

There are several things a homeowner can do to protect himself against this pest. First of all, a strip 18-inches wide should be cleared of grass around the house, particularly on sunny sides of the house. Shrubs and flowers are alright because the mites will not cross open soil or upright plants, but move on grass or low-growing weeds. Secondly, a thorough spraying with one of the following materials outside will help greatly:

1. A mixture of malathion and tention: follow directions on the package. This is one of the best sprays for this purpose. Spray the lawn, ground, shrubs, house, etc.;
 2. Ovev: two tablespoons per gallon of water, or 2 pounds per 100 gallons.
 3. Malathion: 50-57 percent emulsion. Use four teaspoons per gallon of water, or 2 pints per 100 gallons.
 4. Chlorobenzilate: 25 percent wettable powder. Use 3 tablespoons to one gallon of water, or 3 lbs per 100 gallons.
- Repeat as needed with these sprays. Ovev kills mainly the eggs, while malathion and chlorobenzilate kill the adults. Tention will kill both the eggs and adults. Since these are somewhat poisonous to the user, care should be taken in handling.

Build Your Own Barbecue

The present decade may well go down in history as the barbecue age as well as a space conquering era. The upsurge of interest in outdoor cooking, with the man of the family wearing the chef's hat, has now spread to just about every neighborhood in the country. In tune with this trend is the emergence of the patio barbecue as a prize point of decorative distinction.

Now that light weight modular cut stone is generally available, the construction of back yard barbecues that match the stone facades of homes and walls on the property has become an easy do-it-yourself project.

Best spot for the family barbecue is a site facing away from the prevailing winds of summer. A location near the kitchen has obvious foot-step saving advantages.

Choose Grill First
Before planning any construction pick the type of grill you want, as its size determines the size of the top opening of your barbecue.

Pick a height for the cooking surface which will be comfortable for chefs who plan to participate. The floor of the grate or firebox should be 6 to 9 inches below the grille for charcoal fuel and 9 to 12 inches for wood. Be sure to have a draft door if you don't leave the firebox front open.

Be sure to dig a foundation that is below the frost line. It is prudent, too, to check drainage; 6 to 8 inches of gravel placed under the foundation slab of concrete are recommended if the soil does not drain easily.

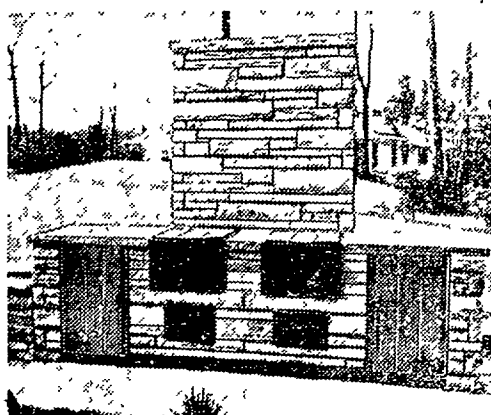

Popular types of quarried stone used for barbecues include limestone, sandstone, granite and quartzite.

How To Do It

Stake out boundaries of the foundation with sticks and string. Excavate to the required depth. Next build a level wood frame and brace the outside with stakes, so it will resist the pressure of the fluid concrete.

Pour concrete to top of the form and skim it level with a flat wooden trowel. Allow to set for 2 days. Each individual stone should be laid as it would lie naturally on the ground. In other words don't set them on end. Stones of the same size and shape should not be set side by side. The wall gains strength from bonding, which is mason terminology for the overlapping of two stones by another. Use string for guide lines.

To keep the face of the wall flush, select stones that do not project beyond the face of the wall. Joints should be made as thin as possible and filled completely with mortar.

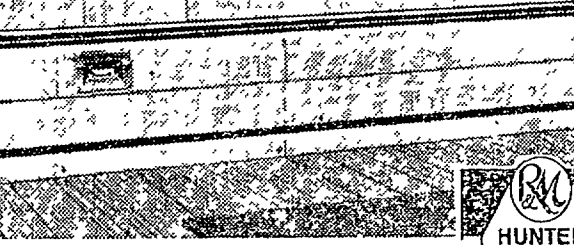

Backyard Barbecue of natural limestone provides plenty of room for storage of wood, briquets and equipment. It is well to dig below frost level before laying concrete foundation.

RUBBER HAMMER HEAD

Slip a rubber crutch tip over the head of a hammer to avoid damage to furniture or finished surfaces which require light pounding.

R&M-HUNTER Electric Baseboard Heat

Heat your home this modern way

It's almost like magic . . . no heater in basement or attic and no heating ducts! The new R&M-Hunter ELEC-TRIC BASEBOARD replaces the regular baseboard in your home to give you the cleanest, safest and most healthful heat ever. Enclosed heating elements radiate warm air and circulate it where it's needed . . . from floor level upward and from wall to wall. Built-in thermostats give you heat control in each room, for added comfort and savings on heat bills.

Willowbrook Association Officers Named

By Mrs. George Ames — Greenleaf 4-0830

George Lewis is the new president of the Willowbrook Community association. Ron Jennings is vice president; Carl Rowley, treasurer, and Gayle Smelt, secretary. Kenneth Rippey, Bill Smelt, Roland Heaton, Herbert Anderson, John Halleck, Leon Blackburn and Bob Bamford make up the board of directors.

Mr. and Mrs. Robert McKeon, Bill and Lynda Johns, Gay Fried, Mr. and Mrs. William Smelt and Mr. and Mrs. Vince Miklas attended the premier showing of "Wake Me When It's Over" at the Fox theater last Thursday.

Tammy Ann Brundle, daughter of Mr. and Mrs. Burt Brundle of West LeBost, was baptized Sunday at St. Paul's Lutheran church in Northville. Alice Stuhl and Harry Krogman are the godparents. The Stuhls, the Krogmans and Tammy's grandparents, Mr. and Mrs. Herbert Griebel of Roseville and Mr. and Mrs. Harry Brundle of Willowbrook attended a buffet dinner at the Brundle home after the service.

Ann Schultz was hostess to the Tuesday Bridge club at her new home in Livonia. Mary Lou Johnson and Laura MacGregor were guest players. Mary Lou was first, Faye Dukes second and Laura M. MacGregor, last.

Wednesday Bridge club was at the home of Margaret Bunker. Mary McCloskey was a guest player. Dottie Flattery won first prize, Mary second and Marty Ames booby.

Ann Diebel was hostess to the Thursday Bridge club. Ann Holmes and Mary Lou Johnson were guest players. Nancy Milliken won the prize.

Nancy Byrd, Joanne LaMontagne, Ann Gallagher, Denise Halleck, Sandra Hartschorn, Richard Barnes, Douglas George, Daniel Flattery and Larry Chismark all made their First Communion Sunday at Our Lady of Victory Catholic church in Northville.

Our Lady of Victory Mothers' club had a potluck dinner Tuesday. Ruth George, Dorothy Richmond, Dottie Flattery, Virginia Barnes, Betty LeButt, Eileen Miklas, Marilyn Vykdyal and Dee McKeon were among those who attended from Willowbrook.

Girls in Willowbrook III have organized a new bridge club which will meet once a month. They had their first session last week at the home of Alice LeWitter. The members are Alice, Shirley Thorpe, Joanne Pfaff, Corinne Tucker, Agnes Lewis, Phyllis Graham, Marge Williams and Donna Dorsey. Shirley Thorpe won the prize last week.

Mr. and Mrs. Jack Lambeth of Malott drive are happy to announce the engagement of their daughter, Carol, to Donald Frost, Jr., son of Mr. and Mrs. Donald Frost, Sr. of Detroit. The marriage will take place in August.

Sylvia Klerkx and Millie DeHayes were co-hostesses at a fund-raising luncheon for the Novi Women's Civic club Wednesday. Guests were Mrs. Marvin Rickert, Ellen Rumble, Helen Beadle, Pearl Conway, Marian Richardson, Vivian Musselman, Virginia Conrad, her mother, Pauline Giambrone, and Gladys Earl. Donations were received from Peggy Price, Sophie Martin, Claire Miller, Kay Buck, Ann Law, Jean Huston and Agnes Driscoll.

Terry Musselman was home for one week's leave. His parents, Mr. and Mrs. Ivo Musselman, accompanied him back to New York last week end.

Afternoon Pinochle club met at Sylvia Klerkx's home last Thursday. Sophie Martin and Pauline Giambrone were guest players. Sophie won first prize, Vivian Musselman second, Gladys Earl third, and Ann Halleck consolation. Sylvia won the door prize.

Mr. and Mrs. John Lees are back in Willowbrook after a month's vacation in Europe. They flew to Paris where they bought a car in which to travel. Their tour took them from France to Italy, Monaco, Switzerland, Germany and the Netherlands.

lands. They took a boat from The Hague, Netherlands to Harwich, England. On their return trip home they stopped in Iceland.

Realtors to Hear U-M Tax Expert

Paul F. Iereman, real estate tax consultant and tax accounting professor for the University of Michigan, will address the May 19 luncheon meeting of the United Northwestern Realty association — Western Wayne County Board of Realtors.

Carl Deremo, vice president and program chairman announced that the group will meet at 11:45 a.m. in Cregar's restaurant, Grand River at Outer drive.

Michigan Bell Pays Its Biggest Primary School Tax

Michigan Bell Telephone company announced its payment to the state primary school fund for 1959 was the largest in the company's history.

Amounting to a record \$13,919,359, an increase of nearly \$1,500,000 over 1958, the payment again placed Michigan Bell as the top contributor to the fund.

Hughes C. Bronaugh, manager here for the company, reported that \$12,776 of the total tax payment was allocated to the public school system of Northville.

Schools throughout Wayne county received from Michigan Bell's payment a total of \$4,670,166. Payments were based on the county school census of 690,853, and the local school census of 1,890.

The tax payment amounted to \$6.76 for each of the 2,058,028 youngsters in the state between the ages of 5 and 19 who were on the census rolls for the 1959 school year.

The state primary school fund receives payments not only from Michigan Bell but also from the railroads, Railway Express, Pullman, telegraph, and other telephone companies.

Notice of Last Day of Registration OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT

WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

To the Qualified Electors of said School District:

PLEASE TAKE NOTICE that the Annual School Election of the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, will be held Monday, June 13, 1960.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . ."

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Annual Election to be held on MONDAY, JUNE 13, 1960 is

FRIDAY, JUNE 3, 1960

Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said Friday, June 3, 1960 are not eligible to vote at said Annual Election.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city in which they reside are registered school electors. Persons planning to register with the township or city clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

ROBERT H. SHAFER, SECRETARY
BOARD OF EDUCATION

Dated this 26th day of April, 1960

Local Nine Shares 1st Place

Swamps Brighton To Gain Tie

Northville's varsity nine sandwiched 11 runs between five hits and seven errors here Thursday afternoon to claim a 11-8 victory over Brighton and a share of the league lead.

The victory gave the Mustangs a 4-2 record and a three-way tie for first with Clarkson and Milford in the Wayne-Oakland league.

Tom Swiss, who gave up only four hits in working five of the seven innings, was credited with the win. Dan Brown relieved Swiss in the fifth and was nipped for two hits.

Brighton pushed a single run across the plate in the top half of the first as two men walked and the losing pitcher, Kirchner, singled the lead-off batter home.

The Mustangs quickly regained the lead in their half of the first. Roger Atchinson piloted himself around the first two bases on two Bulldog errors and Steve Juday and Swiss clubbed doubles to account for the two runs.

Northville failed to hit in the second, but still managed to score four runs on two walks, two errors and two wild pitches.

Swiss doubled again in the third and Bob Stuber singled for another Mustang run.

The Bulldog scored a run in the fourth and fifth, while Northville scored three in the fourth, were blanked in the fifth, and one in the sixth.

Brighton's biggest threat came in the seventh. The Bulldogs collected only one hit but managed to score five runs before the final out of the game. They scored their runs on three walks, one hit, and four Northville errors.

Swiss led the Northville hitting attack with his two doubles, while teammates Juday, Wade Deal, and Stuber each hit safely in one trip to the plate.

Oops! Wrong Brother

A Northville trackster shattered a high school record two weeks ago, it was reported last week. However, the credit was given to the wrong boy.

Running in the mile against Bloomfield Hills and West Bloomfield, Phil Jerome — not his brother Dave — grabbed third place and eclipsed a Northville high school record set in 1948 by Peterie. His time was 4:59.4.

Terry Cherne Wins U-M Scholarship

Students in 375 state high schools, including one from Northville, will receive 640 Regents-Alumni scholarships to the University of Michigan, Dean of Men Walter B. Rea, chairman of the Committee on University Scholarships announced yesterday.

The Northville winner is Terry L. Cherne, son of Mr. and Mrs. Stephen Cherne, 18435 Beck road.

Last year, 513 seniors in 338 accredited high schools won the awards.

For the first time, the amount of the stipend will vary according to the financial needs of winners, ranging from an honorary \$50 entrance award to a \$500 a year grant. However, most of the scholarships will be granted for undergraduate freshman year fees.

The scholarships formerly were awarded to cover semester fees only. They are renewable for a normal length degree program if the student's academic record justifies it.

Each accredited high school is entitled to at least one Regents-Alumni scholarship if a qualified senior applies. This year, there were 1,615 applicants.

Northville Shines Through Cold Rain At Meadowbrook

Northville's high school golfers matched blows with the rain Monday afternoon in pummeling the survivor of a scheduled triangular meet, South Lyon by a score of 213-184 at Meadowbrook Country club.

Despite the cold, wet weather that forced linksters into their slickers, it was a bright day for Northville Coach M. F. Meaker.

"It wasn't their lowest score," he explained afterward, "but I think it was their best match so far" this season. "I was quite pleased with their performance," he added.

Originally scheduled as a triangular meet with Milford and South Lyon, the match was cut to two teams when Milford tasted the Northville weather and decided to wait for another day.

The victory over South Lyon was the second in a row against the Lions and the fourth straight against all opponents. Two weeks ago on a dry Meadowbrook course, the Mustangs handed South Lyon a 200-187 defeat.

Individual scores Monday were:

Mike Eastland, 43; Dean Herman, 45; Bill Reuter and Mike Slattery, 43.

State Police Urge Safety on Water

Emphasizing that May begins a hazardous five-month outdoors period in water sports, the Michigan State Police in their first annual water safety report just issued disclosed that 325 persons were drowned and another 179 injured in 457 water accidents last year.

The report covers the first full year under the state's watercraft safety law which went into effect late in 1958. The law requires that reports on all water accidents involving loss of life, personal injury and property damage be filed with the State Police.

The May through September period accounted for 83 percent of the accidents.

Included in the 325 drownings were 110 boat operators or passengers, 91 swimmers or waders, 37 who committed suicide, 39 children who strayed or slipped or fell into the water, and 48 deaths due to various other causes.

The principal causes of swimming deaths included: Physical failure, 30; non-proficiency, 27; disregard of safety rules, 18, and unfamiliar waters, 15.

In boating, operator negligence was blamed for 55 drownings, fires, explosions and equipment failure contributed to 32, and boat upsets because of waves, wakes or weather accounted for 24.

Wednesday evening service, 8:00.

Reading room in church edifice open daily except Sundays and holidays, 11:30 a.m. to 5 p.m.; 7 to 8 p.m. Wednesday and 7 to 9 p.m. Friday.

Why spiritualization of thought is essential to the peace and progress of mankind will be explained at Christian Science services Sunday.

Keynoting the Lesson-Sermon on the subject "Mortals and Immortals" is the Golden Text from Romans (8:6): "To be carnally minded is death; but to be spiritually minded is life and peace."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read: (256:1-5).

One of the opening Bible passages to be read will be Ps. 37:37.

John Titus Seeks GOP Nomination For Legislature

John A. Titus of Berkley has announced his candidacy for the Republican nomination for the Michigan State House of Representatives from Oakland county's fourth legislative district.

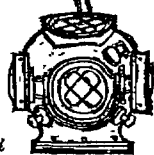

The primary will be held August 2. Oakland's fourth district is bounded by Eight Mile on the south and 14 Mile on the north, including the communities of Berkley, Oak Park, Southfield, Lathrup Village, Farmington, South Lyon, Novi and New Hudson.

Titus, who is manager of the casualty department of the Detroit Insurance agency with offices in the Fisher building, attended Indiana university and Western Reserve university.

He holds the professional designation of Chartered Property and Casualty Underwriters, is active in the Junior Chamber of Commerce, United Foundation and the teen-age road-e-o program.

The Republican candidate is married, has two children and lives with his family at 1748 Beverly boulevard in Berkley.

OUT OF THE PAST

ONE YEAR AGO . . .

A move to purchase Sessions hospital, 520 West Main street for operation as a community sponsored institution, may reach a climax tonight in a meeting of Northville area doctors and civic leaders.

The city council, by a vote of four to one, approved the rezoning of four lots on Cady street Monday night for the proposed construction of a supermarket.

Officially speaking, Northville has a new police chief.

Chief Eugene King was sworn in Monday night by Mayor A. Malcolm Allen as the successor to the retiring chief, Joseph Denton.

May 18 the city council will make its second attempt in three months to pass the \$300,000 water improvement program.

Novi voters will go to the polls June 16 to decide whether or not the village should incorporate as a city.

The date for the election was set Monday by the village council after Clerk Mrs. Charles Wallace reported petitions containing more than 100 signatures had been checked and certified.

FIVE YEARS AGO . . .
Residents of Northville township and the village of Northville will hereafter share the privilege of using the village dump and the cost of maintaining it.

The village commission balked Monday night when Harvey Ritchie and Mrs. A. C. Carlson, representing the Citizens Committee for City Incorporation, asked it to back formally, the movement for the village to adopt a city charter.

Approval of a \$200 per year pay increase for all Northville teachers. In addition to the contractual increase of \$170 under the regular pay schedule, highlighted the May 2 meeting of the Northville board of education.

A request for a raise in pay for the members of the Novi fire department was denied by members of the township board.

Northville won its first game of the season in the Inter-County League at Plymouth Sunday when the Plymouth Merchants bowed to the local nine, 13-9 in a 10-inning game.

Marilyn Miller, daughter of Mr. and Mrs. Willis Miller, 46489 West Grand River, has been named valedictorian of the 1955 Novi graduation class. The salutatorian is Mary Coit, daughter of Mr. and Mrs. George Coit, 2214 Austin drive.

FIFTEEN YEARS AGO . . .
Word was received April 26 from the navy department that Donald Jack Armstrong MOMM 2/c, the eldest son of Mr. and Mrs. Steven S. Armstrong of Sarasota, Florida and Northville was wounded in action.

The spring production of the Presbyterian Players will be "Too Many Relatives". Members of the cast who are being directed by Mrs.

Cystic Fibrosis Campaign Launched

The Cystic Fibrosis campaign was launched locally this week with the placing of canisters in Novi business places.

Heading the Novi area campaign, as part of the Cathy Hunt Memorial Unit, is Mrs. Ralph Hunt of Farmington township.

The Cathy Hunt unit was established following the death in January of Mrs. Hunt's 4-month-old daughter. The Hunt child died of Cystic Fibrosis — the second greatest disease killer of children in the nation.

All funds collected locally will be turned over to the Cystic Fibrosis Society in Detroit to fight this disease. It will help pay for medical aid (not to the Hunt family), further research, and public education and related services concerning the treatment and cure of Cystic Fibrosis and its allied diseases.

Cystic Fibrosis is an "incurable" disease of infants and children affecting chiefly the lungs and the pancreas. It is inherited from parents and generally shows up in the child's first year.

Persons wishing to learn more about the disease or about the Cystic Fibrosis Society, Inc. and its memorial units may call either GR-4-1585 or GR-4-1842.

All donations should be sent to the Cystic Fibrosis Society, Box 31, Detroit.

G. V. Chabut, include Mrs. Frances Bray, Mrs. Marjorie Coolman, Mrs. Sue McKay, James Littell, Paul Bayless, Mr. and Mrs. Charles Yahnne and Miss Anita Karvekkio. Miss Beatrice Lucht will act as prompter and Mrs. E. C. Welch has charge of publicity.

The entire collection of old clothes from the community has been packed and awaits shipment. With what has come in during the last week the Northville contribution will approximate the six ton mark.

This week the Petz Brothers are pouring concrete foundations for their new salesroom and service station on Northville road across from the Spring.

The Northville high baseball team lost to Walled Lake on the home diamond Tuesday, by a score of 15 to 1. The starting line-up consisted of Farrell, Hardesty, Graham, Robinson, Scliova, Graham, Hansor, Rutenbar and Cole.

Mrs. Mary Predmore celebrated her 85th birthday at her home on Cady street last week.

TWENTY-FIVE YEARS AGO . . .
The Main street business district will be beautified soon, with the setting out of about 75 small Irish juniper trees. The trees will be set in square wooden boxes painted green.

Suit against the city of Farmington and the auditor general of Michigan to declare null and void the assessment made in 1927 on the old Ely farm has been filed in the Oakland county circuit court in Pontiac by Carl R. Elv, administrator of the estate of the late Charles H. Elv.

Plans for the new Ford valve plant in Northville to employ 1,000 men are awaiting approval of Henry and Edsel Ford, pending their visit here which is expected within a few days.

The preliminary layout of the new structure on the designated location east of the present plant was staked out by surveyors Thursday, April 25, the next day after Henry Ford and his party of officials and engineers had looked over the grounds here and chosen a site.

Speaking before the Northville Rotary club, George A. Smith, superintendent of Plymouth schools, stated that the Federal Housing Act is the first real constructive attempt on the part of the New Deal to solve the problems of today.

Margaret Yefkes, eighth grader at Base Line school, writing a column for The Record explained that the school teachers had been Mrs. Crowley, Miss Larson, Miss Ely who later became Mrs. Blum, Miss Thomas, Miss Kreeger and Mrs. Egge.

Straight A's at Cleary
Patricia Willing, daughter of Mr. and Mrs. M. J. Willing of Northville, was one of only 12 students to complete the winter term at Cleary college with a scholastic average of A.

Patricia was graduated from Northville high school in the class of 1959.

Northville Township Zoning Ordinance Amendment No. 6

AMENDMENT NO. 6
TO THE
ZONING ORDINANCE
OF THE
TOWNSHIP OF NORTHVILLE
MICHIGAN

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1943 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TENTS AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HEREFTER ERECTED, THE LIGHT AND VENTILATION OF SUCH BUILDING, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED: TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS: TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

THE TOWNSHIP OF NORTHVILLE ORDAINS:

PART I. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of a new Article to appear and become known as Article IV-A, R-1-H COUNTRY HOMES DISTRICTS, as follows:

ARTICLE IV-A R-1-H COUNTRY HOMES DISTRICTS

Section 4A.01. USES PERMITTED. In all R-1-H Districts no building or land, except as otherwise provided in this Ordinance, shall be erected or used except for one or more of the following specified uses:

(a) All uses permitted in an R-1-E District, except the raising and keeping of fowl and/or rabbits or other small animals and home occupations, unless on approval of the Board of Appeals.

4A.02 BUILDING HEIGHT. No building, hereafter erected or altered, shall exceed thirty-five (35) feet in height or two and one-half (2½) stories, except as provided in Article XII of this Ordinance.

4A.03. LOT AREA PER FAMILY. In R-1-H Districts, each one family dwelling, together with its accessory buildings, hereafter erected, shall provide a lot area of not less than eighteen thousand (18,000) square feet, and said lot shall have a width of not less than one hundred (100) feet at the front or rear building line; provided, however, that these requirements shall not apply to any lot which at the time this Ordinance becomes effective is narrower at the building line or lesser in area than the specifications herein provided, if such lot was of record at the time of the adoption of this Ordinance.

4A.04. LOT COVERAGE. In R-1-H Districts each one family dwelling, together with its accessory buildings, hereafter erected on any lot, shall not cover more than twenty-

five (25%) per cent of the area of such lot.

4A.05. FRONT YARD. In R-1-H Districts each one family dwelling shall have a front yard of not less than thirty-five (35) feet in depth.

4A.06. SIDE YARDS. In R-1-H Districts there shall be provided a side yard on each side of every principal building with a minimum width of not less than eight (8) feet for one side and the aggregate width of both side yards shall not be less than twenty (20) feet, and further provided, that there shall be a distance of not less than twenty (20) feet between the principal buildings.

4A.07. SIDE YARDS — NON-RESIDENTIAL USES. Every lot on which is erected a principal building or structure used for non-dwelling purposes, such structure, other than its accessory building, shall have a side yard on each side of such structure, and each side yard shall not be less than thirty-

five (35) feet in width, with an increase of one (1) foot in width for each five (5) feet or part thereof by which the said principal building or structure exceeds thirty-five (35) feet in over-all dimension along the side yard and also an additional one (1) foot for every two (2) feet in height in excess of thirty-five (35) feet.

4A.08. SIDE YARDS ABUTTING UPON A STREET. In R-1-H Districts the width of the side yard abutting upon a side street shall not be less than thirty (30) feet.

4A.09. REAR YARDS. In R-1-H Districts each lot shall have a rear yard of not less than fifty (50) feet in depth.

4A.10. REAR YARDS ABUTTING SIDE LOT LINES. Where a side yard of an interior lot abuts a rear yard of a corner lot or an alley separating such lots, any accessory building on the corner lot shall set back from the side street as far as

the dwelling on the interior lot.
4A.11. OFF-STREET PARKING. Off-street parking shall be provided as specified in Section 3.21 of this Ordinance.

PART II. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinances in conflict, herewith, are hereby repealed.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.
Northville Township Board

George L. Clark,
Supervisor
Marguerite Northup
Clerk

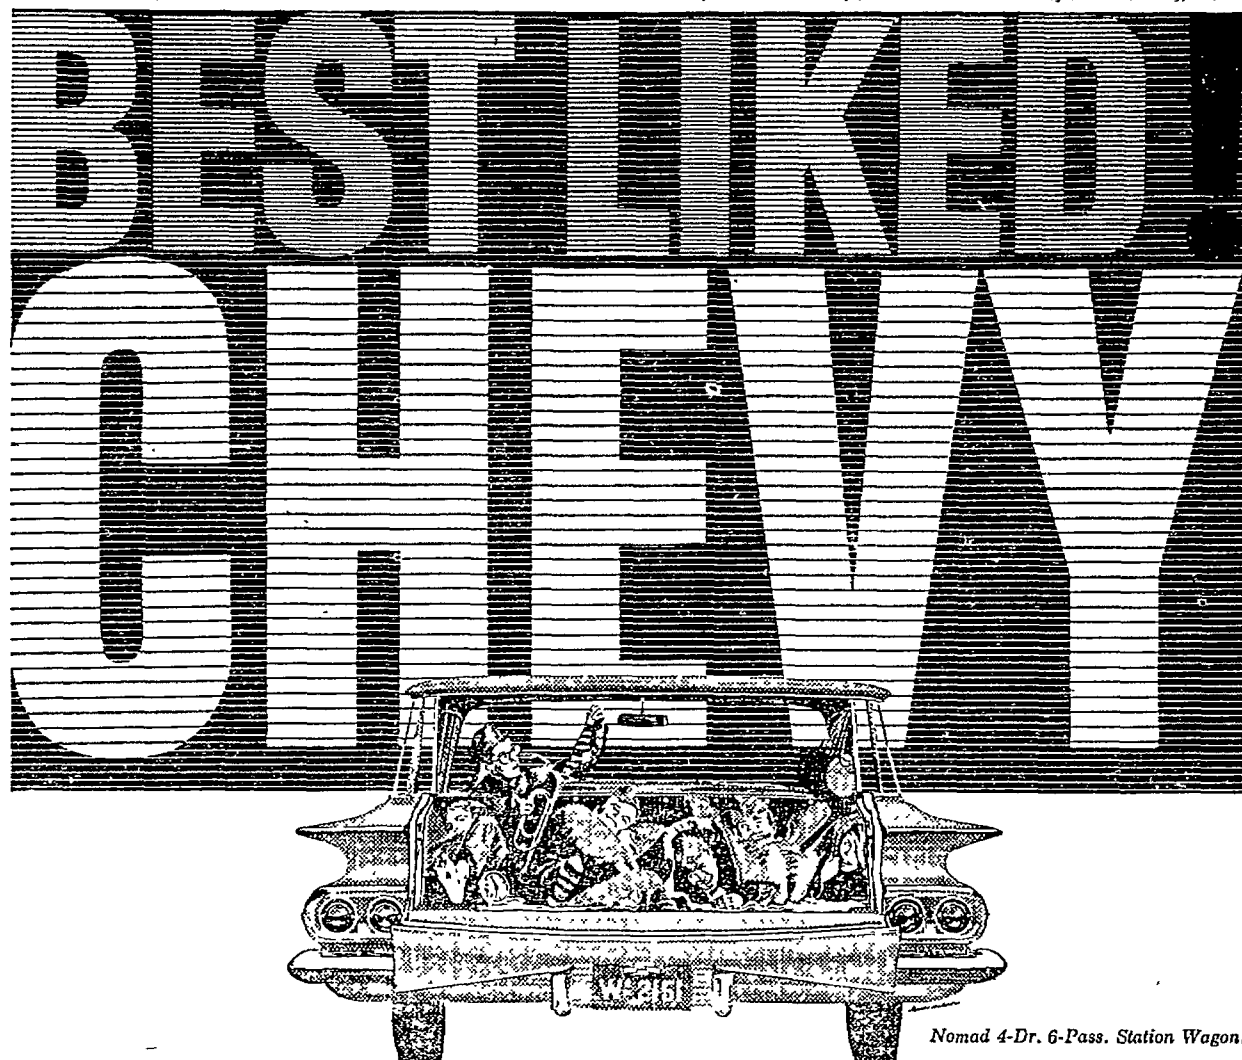

I, Marguerite Northup, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at a regular meeting thereof, duly called and held on the 3rd day of May, A.D. 1960, and was ordered to be given publication in the manner prescribed by law.

Marguerite Northup,
Clerk

why there's
no heat like

ELECTRIC HEAT

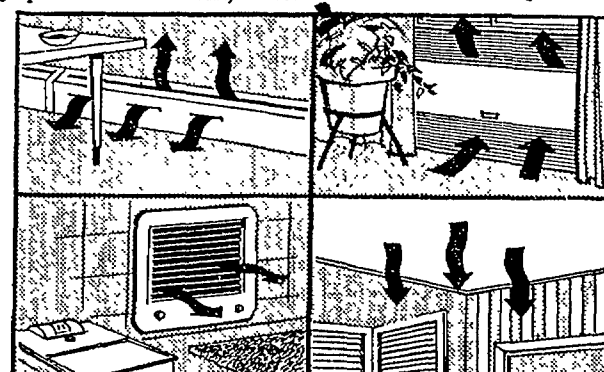

EVERY ROOM HAS ITS OWN THERMOSTAT TO HOLD ITS OWN BEST TEMPERATURE. The ideal temperature will vary according to personal taste, the use of a room and its exposure to wind or sun. Dial that temperature, and electric heat keeps you perfectly comfortable. Here's uniform heat—warmth that seldom varies more than two or three degrees in any part of the room, even

between floor and ceiling. And should conditions change, you can quickly warm up one room without overheating others. Built-in electric heat may cost more but it's worth every penny in solid comfort. And when you heat your home electrically, Edison's Budget Billing Plan equalizes heating costs over the year.

IDEAL WHEN MODERNIZING OR ADDING SPACE. Electric heating units can be built in where you want them, where they will be most efficient. Installation is simple since there's no need for connections with any existing heating system.

CHOOSE FROM SEVERAL TYPES TO MATCH YOUR NEEDS PRECISELY. Built-in electric heat systems may be baseboards; forced air units or radiant panels set in walls; cable embedded in ceilings.

SPEAKING for the Record

By Bill Sliger

Announcement last week of the assessments as determined by Wayne county stirred little more than casual interest in local taxpayers.

It created a storm in other communities — such as Livonia and Plymouth where the county boosted the local assessments by approximately 30 and 12 percent, respectively.

Basically, the reason, of course, is that in the city and township of Northville complete reappraisal programs have been undertaken to bring properties up to more realistic valuations.

But there is more to the problem than merely placing new assessments on property and then hoping for the best when county and state "equalization factors" are announced.

Evidence of this fact is the substantial reduction in equalization received this year by the township.

Last year township assessments on land were increased by \$750,000 by the county resulting in an equalization factor of 1.09. This year the county increase was only \$281,000, for a six percent drop to a factor of 1.03.

To the school and county taxpayer, this "factor" is an important figure. Eventually, (later this summer) the state will apply its own factor to the county figure and then this final "state equalization factor" determines the valuation of property for the purpose of applying the millage levy.

For example, if the state should boost county assessments by 10 percent, this added to the three percent applied by the county to township assessments would result in a 13 percent boost in local assessments. School and county millage is then applied against this valuation to determine the individual tax bill.

The trick, therefore, is to keep assessments on property in equal proportion to each other and close enough to the state level to avoid high equalization.

The responsibility for this chore falls upon the assessor and board of review in the respective communities. By coincidence, both the city and township came up with identical county factors.

The city had the same factor last year; but for the township the reduction represents hours of work, conferences and a parcel-by-parcel inspection of some 900 pieces of property.

Supervisor George Clark and board of review members Ralph Gibson and Donald Robinson were convinced that in certain instances the county had taken an "unrealistic" viewpoint of the property values in the township. In some cases, the local officials had to admit that their appraisals were low.

The result of the sessions with county tax officials was a compromise where in many specific cases the township raised its appraisal of \$300 per acre and the county lowered its \$600 assessment to \$450.

Clark, Gibson and Robinson studied recent sales of township land, talked to property owners, compared other areas and then took their arguments to the county tax officials.

After these sessions the township received a net total reduction of \$441,740 in land assessments.

Some equalization remains, of course, because complete agreement on land values could not be reached. But the township made a giant stride forward toward gaining true equity for its property-owning taxpayers.

And in the final analysis, the most this group can do is provide equality in its assessments. It has no control over the tax to be levied.

Their work deserves recognition and appreciation of township residents.

Hawaiian Economy

Babson Park, Mass. — After a long wait of about 60 years, the Hawaiian Islands finally won statehood in 1959. I have had more than a passing interest in this event for several reasons. First, missionaries from New England and their descendants were leaders in the development of the islands. Second, my seafaring ancestors stopped at Hawaii on their trips to Asia. Finally on these trans-Pacific runs my great uncles gained an early insight into the enterprising characteristics of these Orientals and told me "bed-time" stories about them.

Lessons for Democracy

On my own visits to the Orient, I have stopped in Hawaii. One thing which impressed me was the peaceful integration of the many different races. Political leaders throughout the world would do well to study the orderly manner in which Hawaii has absorbed its varying racial groups without legislation or violence.

In view of the decline in American prestige throughout the world, it might be wise to study Hawaii's marvelous social, economic, and political progress. This demonstrates what can be accomplished under a democratic form of government, if patience is utilized.

The Hawaiian Economy

Hawaii has a per-capita income rate which is about equal to the U.S. average. However, since Hawaii imports a considerable proportion of its consumption requirements, an inflow of outside funds is vital to the survival and growth of its business. The primary sources of funds are federal government spending, exports of sugar and pineapple, and tourist trade. The mushrooming tourist business now directly accounts for \$100 million a year, and in addition attracts millions of dollars from mainland interests for hotels, apartments, and other developments.

Because of Hawaii's strategic military position, federal government payrolls contribute 27 percent to personal incomes. Employment in wholesale and retail lines adds another 11 percent. Incomes from rentals account for about 10 percent of total earnings. Manufacturing and

state government payrolls each contribute 7 percent.

Hawaiian Investments

Investment opportunities are rather limited. However, the "Big Five" blue-chip companies — Alexander & Baldwin, American Factors, C. Brewer & Company, Castle & Cooke, and Theo. H. Davies & Company — participate in virtually all phases of the Hawaiian economy.

Utility stocks, such as Hawaiian Electric, Hawaiian Telephone, and Honolulu Gas, have done well. The two leading banks — Bishop National and Bank of Hawaii — also have had substantial growth.

Hawaiian Real Estate

For many years the island of Oahu has been enjoying a building and real estate boom. Property values have been steadily bid up by the influx of population from the "out-side" islands, by the increase in "mainland settlers", and even by some of the servicemen stationed in Hawaii. Superimposed upon this is the upsurge in tourist trade.

On the outside islands, where the population is sparse, there is plenty of land available. Hence, with Oahu allegedly becoming too commercialized, it may be that the maximum stimulus to realty values will accrue to the benefit of the islands of Hawaii, Maui and Kauai. There the placid atmosphere and natural beauties remain virtually untouched, while parts of Honolulu are becoming a "Coney Island".

I am not now in favor of direct investments in our Fiftieth State, but the possibility of certain indirect investments might be considered. Airlines such as United, Pan American, and Northwest serve the islands. The Sheraton and Kaiser interests own hotels there, and Hilton may soon enter the race. Certain merchandising companies, such as Sears Roebuck, maintain profitable outlets in Hawaii. Stocks of the sugar and pineapple companies which have large land holdings, particularly on Oahu, naturally have been receiving considerable investor speculative interest. But this may prove to be an unwise choice for investment at this time.

Michigan Mirror

Candidates Drag Out Familiar Political Issues

"ECONOMIC CLIMATE," a political football for two election campaigns in a row, is going to be boot-ed around in a third.

It was a central theme of the 1958 fall campaign, it was an issue during the 1959 spring election, and it will be paramount from now until the November 8 balloting.

The two candidates for the Republican gubernatorial nomination, Paul D. Bagwell and Sen. Carlton H. Morris (R-Kalamazoo), have questioned Michigan's qualifications as a place to do business.

Democrats have fanned the fire. Lt. Gov. John B. Swainson, for one, has challenged Bagwell to debate the economic climate issue. "Mr. Bagwell shouldn't be allowed to drag Michigan through the mud again," said Swainson, candidate for the Democratic nomination for governor.

Many of those concerned with Michigan's economic destiny — those on both sides of the political fence — have been doing some soul-searching about the wisdom of knocking Michigan.

Crawford H. Greenewalt, president of E. I. du Pont de Nemours & Co., said during a recent visit to a Michigan plant that the state's trouble was "politics, not poverty."

"We know that Michigan is basically healthy financially, and industrially wealthy," Greenewalt said.

The Bible for both sides of the economic climate debate is the so-called Haber Report, a study sponsored by the W. E. Upjohn Institute for Employment Research and conducted by two institute specialists and Prof. William Haber, University of Michigan.

Democrats emphasize the chapter on Michigan's potentials. Republicans emphasize the chapter on Michigan's problems.

Most quoted section of the Haber report is the one indicating Michigan needs 100,000 new jobs a year.

Most-ignored section is the one that says:

"Guard zealously the good name of the state. Stop undermining its

reputation by exaggerating its problems and minimizing its virtues. We have short-changed the state long enough."

Action programs recommended last year by the Haber report generally were ignored by the 1960 Legislature. Study programs made out better.

The major recommendations, adoption of an economic growth act, was proposed by the administration but rejected by the Legislature.

The Legislature also declined to provide funds for a stepped-up industrial promotion program.

But many of the recommendations for committees to study reasons for plant movements, existing business conditions and other aspects have been included among the missions of some legislative interim committees, including the Committee on Jobs organized by Morris.

THE LOWEST PAYING job on the State Administrative Board is the most-sought.

In 1958 there were two Democrats and one Republican in the primary race for lieutenant governor.

This year, at least three Republicans and at least five Democrats have made various moves to get their party's nominations.

Former Lt. Gov. Clarence Reid, one of the last Republicans to serve on the Administrative Board, would like to return. Sen. Edward Hutchinson (R-Fennville) would like to preside, as the lieutenant governor does, over the chamber in which he once was a page boy. Rep. George Salada (R-Ann Arbor) has been waging by far the most lively campaign for the post.

Democratic candidates include Richard F. Vander Veen, Grand Rapids lawyer and 1959 Democratic candidate for congress from the 5th district; Rep. T. John Lesinski (D-Detroit); William Coughlin, Wayne County assistant prosecutor; George H. Doherty, Flint labor leader; and Flint Mayor Robert J. Egan.

The job as lieutenant governor was a part time position until a few

years ago. Pay has been little more than a legislator's salary plus a token payment for expenses.

Philip A. Hart, who didn't need the money anyway, made it a full-time job and a springboard to the U.S. Senate.

Swainson is trying to step from the Senate rostrum to the governor's chair this year.

MICHIGAN DEMOCRATS have increased their voice in their party's national convention.

When Democrats gather July 11

in Los Angeles, the Michigan delegation will have 51 of the 1,521 votes, compared with 44 votes in 1956.

Republicans have added delegate strength to seven states. Michigan was not among them and will have 46 votes again.

Cadillac

Suppose It Were Yours... for an Hour!

Imagine yourself faced with this happy prospect.

Where would you go? What would you do?

Well, we'll wager you'd make some very special plans for the sixty minutes ahead.

For the car that stands in wait so majestically in the soft light of evening is a 1960 Cadillac. And an hour at its wheel is an enchanting prospect indeed.

But no matter where the highway might lead you, we know what your journey would be like.

It would be filled with the most wonderful comfort imaginable. You would be literally surrounded by beauty and luxury and spaciousness—with every conceivable motoring convenience in constant attendance.

You would feel marvelously rested and relaxed. For this great car is incredibly easy to drive... and it is miraculously quiet in operation.

And how proud and thrilled you'd be! For it's a remarkable experience to sit here where the world's distinguished motorists ride—and find yourself heir to the approving glances that seem inevitably to come a Cadillac's way.

A pleasant daydream, you say? Not at all.

In fact, the reality is no farther away than your nearest Cadillac dealer's showroom.

Wouldn't tomorrow be a good day to introduce yourself to the "car of cars"?
