2—Thursday, May 19, 1960—THE NORTHVILLE RECORD

Mrs. William Secord Becomes AAUW President Tonight

Installation of new officers will highlight the annual meeting of the Plymouth branch of the AAUW tonight at the home of Mrs. W. J. Worth, 5100 North Territorial road. The meeting will begin at 7:45.

New officers to be installed are Mrs. B. William Secord, president (of Northville); Mrs. Henry Welch, recording secretary, and Mrs. D. K. Huting, corresponding secretary. Remaining officers in 1960-61 to complete their two-year terms will be First Vice President Mrs. Richard N. Fritz, Second Vice President Mrs. W. H. Medlyn of Novi and Treasurer Mrs. Lawrence Money.

In other meeting business, Mrs. D. H. Sutherland will give her president's report of the branch's activities, achievements and highlights during the past year.

Mrs. Richard Fritz and Mrs. Secord will relate their experiences at the regional conference held in Milwaukee last month.

To "doll up" the meeting, four little girls (members' daughters) will model beautifully smocked and laced hand-made dress creations of Member Mrs. F. D. Sober's Michigan Needlework Guild.

Chairman of the co-hostesses for the tea which will precede the meeting is Mrs. F. A. Stobbe. Assisting are Mrs. John J. DeMott and Mrs. Arthur Haar.

International Development Conference

Mrs. Secord, study group member, represented the international relations study group of the branch at the International Development Conference held in Ann Arbor Sunday through Tuesday.

The opening speakers for the conference were Dr. Willard L. Thorp, director of the Merrill Center for Economics at Amherst college, and Leonard J. Saccio, deputy director, International Cooperation Administration.

Monday's speakers included Paul G. Hoffman, director of the United Nations Special Fund, Governor G. Mennen Williams, and Dr. John Hannah, president of Michigan State University.

The Michigan division International Relations committee of the AAUW was a co-sponsor of the conference, which also was an official event of Michigan Week.

Other Branch Activities
Winding up other study group activities of the Plymouth branch for the year will be a picnic meeting of the Drama Study group at the home of Mrs. Gordon Vetal on June 2. A reading of Chekov's "The Cherry Orchard", will follow the meeting.

Mrs. G. H. Froebel of Novi will hostess the International Relations Study group at her Nine Mile road home next Tuesday. The group will discuss the Conlin Report dealing with gradual admission of Red China into world affairs. Following this discussion, the group will attempt to tie together its year-long study of China and come up with "some basic opinion that may prove of interest to various congressmen."

To aid in attaining the branch's building fund goal, a block of tickets for "Flower Drum Song" will be available to area residents for the evening performance on Monday. Tickets cost \$4.85 and may be secured by calling Mrs. R. Wisniewski at GL-3-0292 before Saturday.

Local fund receipts will be sent to Washington, D.C. where a new educational center building is under construction. Association Headquarters recently announced a grant of \$50,000 to the building fund by the general education board of New York City.

The grant was the first of its kind made by this board to a private organization. Previous grants have been made only to established educational institutions.

Plan Barbeque

The Robinson group sponsored by Michigan State University Cooperative Extension Service will meet May 25 at 12:30 for a barbeque at the home of Mrs. Roy Birmingham, 11325 Melrose, Garden City.

BIRTH

A boy, Michael Andrew, was born to Dr. and Mrs. Ralph Luckett of Wyngate May 2 at Florence Crittendon hospital in Detroit. This is the fifth child for the Lucketts, four boys and one girl.

DAR OFFICERS — New officers of the Sarah Ann Cochran chapter of the DAR were elected Monday at the organization's annual meeting held at the home of Mrs. Sherwin A. Hill. They are (left to right): Mrs. Robert Utter, historian; Mrs. Claude Crusoe, registrar; Mrs. W. C. Gempertine, director; Mrs. F. R. Hoehsel, second vice regent;

Mrs. Robert Willoughby, regent; Mrs. Harry Deyo, director; Mrs. John C. Burkman, director, and Mrs. Clifford Tracey, chaplain; (seated right) Mrs. Thomas Lavery, recording secretary; Mrs. William Bake, first vice regent; Mrs. Walter Hammond, assistant registrar, and Mrs. Hill, treasurer.

NEWS AROUND NORTHVILLE

Guests of Mrs. W. Horsfall of Horton street last week were her sister, Mrs. Walter Grant of Bay City and her niece and nephew, Mr. and Mrs. Art Thompson of Kawkawlin.

A stork shower honoring Mrs. Ronald Wilkie was given last week at the Cottisford home of her mother-in-law, Mrs. Norman A. Wilkie. There were 30 guests present. After the opening of the present games were played and refreshments served.

The program committee of the Northville Woman's club was entertained at a luncheon on the terrace of the home of Mrs. William B. Crump on Timberlane last Monday. Guests included Chairman Mrs. Kallin Johnson, Mrs. L. D. Rambeau, Mrs. Alvin Wistert, Mrs. C. M. Hammond, Mrs. D. H. Clark and President Mrs. C. E. Woodruff. Mrs. Richard Martin and Mrs. R. J. Wright were unable to attend.

Mrs. Joseph L. Fritz attended the funeral of her brother, Edward Reetz in West Branch last week end.

Mr. and Mrs. Elmer DeKay and their grandson, William Earhart, spent last week end at their cottage at Rifle lake.

Mr. and Mrs. Earl Starkweather and Mrs. Aurelia Wright of Lansing were guests last Sunday of Mr. and Mrs. G. H. Cummings of Six Mile road.

Pvt. William Madigan, son of Mr. and Mrs. W. P. Madigan of Eight Mile road is home on leave from Ft. Knox, Kentucky.

The Northville Review club will meet at the home of Mrs. Max Austin, 132 Walnut street, Friday, May 27. Mrs. Wilbur Johnston will review "The Houses In-between" by Howard Spring.

Last Saturday night Mr. and Mrs. D. H. Lenheiser of Mayo court entertained 12 guests at a dessert-bridge.

The D. Hurd Clark family celebrated five birthdays in one at their home last Sunday, with a dinner and huge birthday cake. Son Douglas' birthday was May 2; Mrs. Clark, May 15; Mr. Clark's sister,

Mrs. Jack Reed of Detroit, May 18; daughter Sonia Ann, May 31 and their housekeeper, Maria Garsja the 24th.

The Northville Veterans of Foreign Wars Post 4012 and its auxiliary presented all the teachers in Northville with corsages and boutonnieres on Teachers' day May 4.

Mr. and Mrs. Jim Spagnuolo and Mr. and Mrs. Monroe Weston and family spent last Sunday in Lansing attending the first birthday party of the former's granddaughter.

Engaged

Barbara Jean Marks

The engagement of Barbara Jean Marks to Terry C. Chappell was announced May 15 at a family dinner party given by her parents, Mr. and Mrs. Edwin J. Marks of 22902 Buckingham, Dearborn.

Mr. Chappell is the son of Mr. and Mrs. Earl Chappell of 816 North Center street, Northville. The bride-elect is a graduate of Dearborn high school and her fiancé a graduate of Northville high school and obtained a bachelor of science degree in business administration from Cleary college.

Mr. Chappell is office manager of the Dearborn office of New York Life Insurance company. Miss Marks is a secretary at New York Life Insurance company and also a professional fashion and photographic model. No date for the wedding has been set.

Announce Engagement

Announcement has been made of the engagement of Katherine Petersen of San Diego to Lieut. Robert E. Spydell, son of Mr. and Mrs. Clarence F. Spydell of San Diego. Miss Petersen was graduated from Northville high school in 1953. Mr. Spydell attended the University of Southern California. A June wedding is planned.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

This "water fall" brings a refreshing touch of outdoors into the living room of Mr. and Mrs. Jack Maas, 128 Walnut.

Although Mr. and Mrs. Jack Maas have just nicely settled as new residents in Northville at 128 Walnut street, they're already making plans to leave — but only for three months and a visit to Mr. Maas' home in The Netherlands.

Jack and Marian Maas moved to Northville from Detroit. Jack is about to receive his journeyman's card as a toolmaker with the Ford Motor company in Dearborn, while Marian teaches kindergarten at Burt elementary school in Detroit.

A Hollander, Jack came to Detroit five years ago. He decided he would rather live in the United States because it offers "more opportunities" than his native country.

The Maas' were married two years ago. The summer trip back to Tilburg, The Netherlands, will give Marian, a native of Muskegon, her first opportunity to meet her in-laws. They plan to leave July 1.

Compiles Highest U-M Average

Beverly Stone, daughter of Mr. and Mrs. Roy Stone of Northville, was acclaimed for her outstanding scholastic average at the annual honors convocation at the University of Michigan last week.

Holding a straight-A record in four consecutive semesters, Beverly ranks number one among all the female students at the university.

Only two senior boys have records superior to Miss Stone's. Their records of all-A's extend over five and six semesters, respectively. As a junior, Miss Stone has been enrolled only four semesters.

A mathematics major, she hopes to become an actuary (computing and calculating risks for insurance firms) upon graduation. She will work in this field in Washington, D.C., during the summer vacation months.

Susan Shaw Russell Taylor Wed in Novi

Marriage vows were exchanged by Susan Patricia Shaw and Russell E. Taylor of Novi on May 7 at the Novi Baptist church. The Rev. Arnold Cook officiated.

The bride is the daughter of Mrs. Francis Shaw and the late Mr. Shaw of Redford. Parents of the groom are Mr. and Mrs. Russell G. Taylor, 26401 Novi road.

Russell is a graduate of Novi school, Northville high school and Ferris Institute.

Given in marriage by her brother, Robert J. Shaw, the bride wore a street-length, white nylon and lace gown and carried a bouquet of white mums and red roses.

Matron of honor was Mrs. Ian Scott, sister of the bride. She wore a green floral print nylon gown with green accessories and carried a bouquet of pink and white carnations.

The bride's mother wore a two-piece black and white check dress with white accessories, and the groom's mother wore a two-piece lavender print dress with pink accessories.

Robert D. Taylor, brother of the groom, was the best man. Ian Scott was the usher.

Some 50 guests attended a reception following the wedding in the fellowship room of the church. They included friends and relations from Lapeer, Utica, Garden City, Plymouth, New Baltimore, Redford, Walled Lake and Novi.

The bride chose a white suit and accessories for her honeymoon trip to the Upper Peninsula. The newlyweds will reside in Farmington township.

Members of Northville's branch of the Woman's National Farm and Garden association began preparations this week for their 21st annual flower show by planting some 500 evergreen seedlings in cartons. The planting "workshop" was held at the home of Mrs. George Kohs, chairman of the show to be entitled "The Orient Comes to the Flower Show". The flower show will be held June 4 in the Community Building and, according to Mrs. Kohs and Co-Chairman Mrs. N. K. Pattison, all flower enthusiasts are invited to enter plants, arrangements and

flower specimens. Shown above busily preparing the plants that will be sold at the show are (l. to r.): Mrs. Donald Ware, Mrs. Alfred Millington, Mrs. Glenn Cummings, Mrs. L. M. Eaton, Mrs. Edwin Mueller, Mrs. Ernest Wood, Mrs. Charles Ratliff, Mrs. Kohs and Mrs. Frances Jennings. On Monday evening, Mrs. D. Hurd Clark opened her home for a class on making corsages. The results will be on display at the flower show.

SCOUT LEADERS' POW-WOW — Leader delegates from all sections of the Southern Oakland Council of Girl Scouts held their annual meeting this year in the Novi community building Thursday afternoon. Highlighting the event was a colorful skit (above) on the meaning of scouting presented by members of three Novi groups, Troops 1027, 492 and 149.

SCHOOL FAIR — Much of the tremendous success of the annual Novi School Fair last Friday is a result of the voluntary contributions and work by scores of area residents, fair officials said this week. The trio above is one of the groups that worked hard to make it a success. Mrs. Betty Lou Lesko and her son, Larry, volunteered their ponies and time to make the fair a real adventure for the youngsters.

IN WILLOWBROOK:

Association to Erect Backstop

By Mrs. George Ames — Greenleaf 4-0830

The Willowbrook Community association held its regular May open meeting last Tuesday evening. Three candidates for the Novi school board, William Dean, Walter Ambinder and John McBride, were introduced to the association.

The association decided to erect a back stop behind the service station at Ten Mile and Meadowbrook road so that the field will be available for baseball during the summer.

A bulldozer is to be hired to level the dirt on some of the vacant lots in Willowbrook.

All Willowbrook residents will receive a bulletin about pest control in the near future.

Betty Garner was hostess to the Tuesday Pinochle club last week. Marlene MacDougall and Gladys Earl were guest players. Jean Cromer won first prize, Jean Huston second, Allie Carter third and Helen Waugh consolation.

The Episcopal churchwomen of Holy Cross church held their May meeting at the home of Maribah Garbin last Wednesday. Irene Price, Sarah Norton, Margaret Graham, Helen Barber, Barbara Marsh, Barbara Coan and Mary Frutchey were present.

There was a mother and daughter banquet at Willowbrook Community church Saturday evening. Mrs. Edwin Ebby of Elkton, Michigan provided the evening's entertainment. She is a chalk talk artist.

Mrs. Errol Myers had a birthday luncheon Wednesday for her granddaughter, Robin Luce, and Terry Baines. Robin's mother, Jackie, Terry's mother, Natalie and Pearl Conway and her daughter, Connie, made up the party.

Kay Buck entertained some of her neighbors Thursday afternoon. Her guests included Virginia Conrad, Dottie Flattery, Sophie Martin, Phyllis Berardi, Helen Waugh, Jackie Frere, Pat Harter and Mrs. Tolh.

Mr. and Mrs. Ralph Conrad spent the week end in DePaw, Indiana visiting Mr. and Mrs. Ralph Conrad, Sr.

Mr. and Mrs. James R. Bauer and their children, Vicki and Jimmy, spent last week in Willowbrook as the guests of Mr. and Mrs. John Bauer, of Mooringside drive. Lt. Bauer has just been transferred from Patrick Air Force base in Florida to Minneapolis, Minnesota.

Kathryn Ann Gould, daughter of Mr. and Mrs. William Gould of Glen Ridge court, was baptized Sunday at St. Andrew's Episcopal

church in Livonia. James and Eugenia O'Connor of Livonia are her godparents. The Goulds entertained the O'Connors, Mr. and Mrs. William Dean, Mr. and Mrs. Samuel Glass and Mr. and Mrs. John Gillespie at a dinner after the service.

Mr. and Mrs. Donald MacDougall and their children joined Mr. and Mrs. William Chenoweth, Jr. and Mr. and Mrs. John Parker for dinner at the home of Mr. and Mrs. William Chenoweth, Sr. Sunday.

The Farmington Garden club held a card party last Saturday. Millie DeHayes, Gladys Earl, Ann Hall-ick, Shirley Hurlburt, Mary Jane Goyt, Claire Miller, Paula Swenson and Sylvia Klerkx attended from Willowbrook. Millie DeHayes and Gladys Earl won the table prizes.

Claire Miller and Sophie Martin were co-hostesses to the Monday Pinochle club last week. Millie DeHayes won first prize, Claire Miller second, Sylvia Klerkx third and Vivian Musselman consolation.

Mrs. George Ames and her sons, David and Rolf, accompanied Mrs. Jane Rothwell and Mrs. Charles Brunk to the United Artists theatre Friday evening to see "Ben Hur".

SPRING came to the combined first grade classes of Mrs. Ruth Carter and Mrs. Georgia Scafuri at Main street elementary school Friday afternoon. The children presented skits with spring as the central theme. Mrs. Carter's pupils used a drawing to illustrate nature's role in spring, while Mrs. Scafuri's pupils presented "Spring in Paris", complete with French conversation. Parents of the pupils were guests at the skits which were followed by tea and refreshments.

Work of Local Art Teachers Exhibited

NOVI HIGHLIGHTS
Pfc. Hugh Crawford is home from his Marine base for three weeks to visit his parents at 23623 Novi road. He will report back to the Marine training center at Memphis, Tennessee Sunday, May 22.

Novi Rebekah Independent club will meet Wednesday, June 1 for a potluck luncheon at the home of Mrs. Eva Behrend, 28120 Meadowbrook road. The Rebekahs are planning a birthday luncheon June 22.

Mr. and Mrs. Clyde Wyatt of Novi road spent last Thursday and Friday at the new home of Mr. and Mrs. E. Wadlund of Hastings, formerly of Novi.

Two Northville art teachers currently have displays of their work in public art exhibits.

Roy Peterson, elementary and junior high teachers has two pieces of pottery exhibited at the 8th annual Regional Ceramics show in South Bend, Indiana. The exhibit is open to Michigan and Indiana artists. Toshiko Takaezu of the Cleveland Institute of Arts was judge for the May 8 to 31 exhibit.

John Van Haren, junior and senior high school teacher, has a water color painting on exhibit at the Flint Institute of Arts 14th annual Water Color show. The painting is called Oriental Shore Line, done from a sketch made in Japan.

Both artists have had their work accepted in these exhibits during the past three years.

City of Northville Public Hearing

JUNE 6, 1960

AN ORDINANCE TO ESTABLISH A ZONING MAP OF THE ANNEXED AREAS OF THE CITY OF NORTHVILLE.

AN ORDINANCE TO PROVIDE FOR THE ESTABLISHMENT OF DISTRICTS OR ZONES WITHIN WHICH THE USE OF LAND AND STRUCTURES, THE HEIGHT, THE AREA, THE SIZE AND THE LOCATION OF BUILDINGS MAY BE REGULATED AND TO ESTABLISH REGULATIONS WITHIN THESE DISTRICTS FOR THE LIGHT AND VENTILATION OF SUCH BUILDINGS AND TO REGULATE THE DENSITY OF POPULATION WITHIN THESE DISTRICTS OR ZONES; AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS.

THE CITY OF NORTHVILLE ORDAINS:

PART I. The Zoning Map of a part of the Annexed Areas of the City of Northville, attached hereto, shall be a part of the Zoning Ordinance of the City of Northville and shall designate the boundaries of the zoning districts.

PART II. The Zoning Map of a part of the Annexed Areas establishes the following districts which includes the parcels or subdivisions as designated on the Tax Roll of the Oakland County Treasurer's office, as follows:

C-2 GENERAL COMMERCIAL:

This district comprises that part of parcels CS24B lying

south of the Northville City Well site parcel, the area lying south of Allen Drive and west of the re-located Novi Road with a frontage on Novi Road of about 400 feet being the north portion of parcel CS24B, and that portion of parcel CS24A lying east of Yerkes Estates Subdivision No. 3, north of Allen Drive, west of Novi Road and south of the north City limits line, being a part of the S.E. 1/4 of Section 34, Novi Township.

M-1 LIGHT INDUSTRIAL

This district comprises that part of the S.E. 1/4 of Section 33, Novi Township, being a part of parcel CS-2, being a rectangular area of land having a frontage of 450 feet along Eight Mile Road and 600 feet along Taft Road, as measured from the center of such right-of-way.

PART III. SEVERABILITY CLAUSE. Should any section, clause or provision of this Ordinance be declared by the court to be invalid, the same shall not affect the validity of the remaining portions of such section or of this Ordinance or part thereof, other than the part so declared to be invalid.

PART IV. CONFLICTING PROVISIONS REPEALED. An Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART V. A Public Hearing on this proposed Ordinance will be held Monday, June 6, 1960, at the Northville City Hall at 8 p.m.

THE NORTHVILLE RECORD—Thursday, May 19, 1960—5

READERS SPEAK:

Budget Bad: Return to Township

To the Editor:

I am not happy over the 1960 village budget that was approved by the council by a 3-2 vote, disregarding the protests from the citizens who claim that 5400 residents cannot afford such a high outlay of taxpayers' money.

It appears that three of the councilmen are dedicated to the amass-

ing of ever greater profits for the few with its resultant 'trickle system', and the slogan of the public be damned, as their credo. This also showed up in the approval of a trailer-court in the Walled Lake area.

Just how long are we as citizens going to stand for this kind of treatment? I say the time is here to go out and go back to township status, and not just talk about it.

Some of these councilmen are going to be around for the next four years to handle your affairs, and no one knows what debt they will have you in after their terms expire. We could recall them for our own protection, but I believe going back to a township would be a lot wiser.

Herbert Koester
42780 Eight Mile Road

Job Well Done

Dear Census Worker:

Because of the services rendered by you, and the small but gallant army of census personnel like you, the United States has completed the largest and most comprehensive census in history.

I know personally that the services you performed were well done. I also know that you encountered some verbal abuse from people, some confusion, and little thanks for a job well done.

Despite these things, you made a notable contribution to your country. This may sound a little melodramatic to you, especially if you encountered more than your share of disappointments, but your assistance merits the highest praise.

The area in which you worked (the combined 16th and 17th Congressional Districts) was one of the largest in the nation. Ours was a big responsibility which we met successfully.

For all your help, your patience and courtesy in completing a big job — my sincerest thanks.

Very truly yours,
Jack H. McDonald
District Supervisor
Bureau of the Census

Speakers Available On Mentally Retarded

The establishment of a speaker's bureau at the Plymouth State Home & Training school has been announced. The bureau has been organized to promote community understanding of the mentally retarded and particularly institutional programs for the mentally retarded. Staff members from the medical, business, nursing, social service, and personnel departments will participate in the program.

The Plymouth State Home & Training school is the newest state facility for the mentally retarded and has units located both in Northville and Farmington. Groups interested in obtaining a speaker should contact George Ebling, J.F., Community Relations director, Plymouth State Home & Training school, Northville, Michigan.

Resident's Pictures Chosen for Exhibit

Carl Johnson, 19640 Clement road, has had three photographs accepted for the third annual color print exhibition for Michigan photographers now being held at the Scarab club, 217 Farnsworth, Detroit.

The exhibition is sponsored by the Detroit Academy of Advertising Arts.

Johnson took the pictures while on a recent trip to Russia. The titles of the color prints are: "Russian Cemetery"; "Largest Ferris Wheel in the World," and "May Day in Moscow".

Judges for the exhibition are Philip Fike, assistant professor of art at Wayne State university; Jane McIntyre, Detroit painter and photographer, and Arnold R. Jones, president of the Detroit Academy of Advertising Arts. The exhibition continues through Saturday.

Introduce New Luggage

The first 100 percent bonded fiberglass lightweight luggage at popular prices has been introduced at Freydl Cleaners and Men's Wear. The new line is called New Horizon by Samsonite.

Fiberglass is the same material used in missiles, planes, modern sports cars and modern speed boats. It makes luggage light and tough. The luggage comes in men's and women's styles in a variety of colors and in one-piece construction molded shape.

2-FOR SALE — Real Estate

"IN BEAUTIFUL WOODED WHIPPLE ESTATES"

by owner, 20001 Springwood Dr., corner of West Main, lot 225x175, built in 1959. 3 bdrms., 2 1/2 baths, kitchen with Frigidaire oven, range, dishwasher and refrigerator, family room, living room with bay window and fireplace, carpeting, separate dining room, utility room with washer and dryer, 2 1/2-car attached garage, Gliderama thermopane windows, Cataline innercom, landscaped. FI-9-1056

A REAL BARGAIN — older home in the city, with all nice rooms and having 3 bd. rms. Should sell for \$10,500 on land contract. Owner will sell for only \$8,000 cash.

"It's gone," said the fellow next to the pick-pocket. So is that cute 2 bdrm. brick adv. last week. It pays to check with "D. J." when you're buying or selling real estate.

Don't judge this one through your windshield. This 3 bdrm. brick with 3 baths, lge. rms., rec. rm., fireplace, 2-car gar. and many other fine features warrants an "inside" look for only \$2,500 down.

Old Mother Hubbard would have no problems in this 8 rm. get-out on 3 1/2 acres of nice land and playground. Only \$2,000 dn.

By Mrs. Luther Rix

The Walled Lake elementary school P-TA will have its annual school fair Friday, May 20 at the school. All are invited to attend. Starting time is 5 p.m. Dinner will be served from 5:30 to 7:30 p.m. with Margaret McCulla, cafe supervisor, and her staff serving spaghetti and meat balls and fish & chips. There are many door prizes and games. Other attractions will be a bake sale, novelty shop, white elephant, used costume jewelry, fancy work and all kinds of potted plants (vegetable, flower and bulbs) and many other things to delight both young and old. Jane Louwman is general chairman of the fair with Maxine Brandt, Irene Holmway and Trudy Champe are co-chairmen. Many of the parents are working in the various rooms and on clean-up detail, and selling tickets. This fair is the result of the combined efforts of parents and teachers.

Mr. and Mrs. Grant Eggert of Wixom were the dinner guests of Mr. and Mrs. Charles S. Crawford of South Lake drive, Novi, at Saratoga Farms last Saturday evening.

Mr. and Mrs. Harry L. Easton of Duerson street announce the birth of a son, Brian Keith, born May 1 at Pontiac Osteopathic hospital. The Eastons have two other children, Glen, 3, and Leann, 1.

Deanna Bellinger gave a party for her classmates in Miss Penhale's sixth grade room at the home of her parents, Mr. and Mrs. Owen Bellinger, Saturday night. Some 25 guests were present.

Several Novi seniors left last Saturday for Washington D.C. and will return today, Thursday. Bonnie Bellinger went to Grand Rapids Saturday to take the state board examination as a dental assistant.

Mr. and Mrs. Cecil LaFond and sons were Sunday dinner guests of Mrs. Marie LaFond. Kenneth Bassett, Donald LaFond, Ray LaFond and David LaFond are spending a week at Bell Lake fishing.

Mrs. William Kresin of Detroit is visiting her daughter, Mrs. Gerald Race, for a few days.

Mother's Day, Mrs. Stanley Geer took her mother, Mrs. George Gleason and her mother's sister, Mrs. Ambrose Everett and Mr. and Mrs. Andrew Bourns of South Lyon to the Methodist church in Walled Lake for Mother's Day services.

A week end, visitor at the home of Mr. and Mrs. William Paquette was the former's mother, Mrs. Paquette of Livonia. They all attended the Novi school fair.

The Victor Gillett family spent Mother's Day with Mrs. Gillett's parents, Mr. and Mrs. A. J. Miller at their farm home near Dansville.

Dr. and Mrs. William Medlyn were hosts at a bridge party at their home on Novi road Saturday evening. Their guests were Mr. and Mrs. Tom Cummings and Mr. and Mrs. Bernard Bach of Northville, and Mr. and Mrs. John Hopkins, Mr. and Mrs. William Upton and Mr. and Mrs. George Kenyon of Plymouth.

Sunday the William Medlyn entertained Mr. and Mrs. Lance Erickson of Clare. Lee Minett of Taft road underwent an operation on his eyes at New Grace hospital in Detroit this week.

The Methodist WSCS honored mothers at its meeting this week, and also held its annual Experience social.

Blue Star Mothers
Mrs. Eileen Webb and Mrs. John Klaserer attended the school of instruction at Ann Arbor Veterans hospital Thursday of this week.

Several other Blue Star Mothers went to the Niki base near Commerce for a breakfast Thursday morning. The mothers scheduled to attend were Mesdames Russell Race, Fred Mandlik, Clyde Johnston, Maudie St. Onge, Gertie Lee and Margaret Williams. Baptist Church News
Eighteen ladies attended the May

morning breakfast at the church last Thursday morning. Mrs. O. Graham had charge of devotions.

A musical program was held at the church Sunday night. Special selections were by Mrs. Polak, Mrs. Foster, Mrs. Vincent and the Senior choir. Choir Director Mr. Vincent played a trombone solo.

Mother's Club
The Novi Mothers' club met at the community hall Monday evening. Principle business of the evening was the fair report and election of officers.

New officers are: president, Mrs. Florence Loynes; vice president, Mrs. Daphne Hanor; secretary, Mrs. Eleanor Fretag; treasurer, Mrs. Beverly Bumann; social chairman, Mrs. Audrey Ortwine; Goodfellow representative, Mrs. Vi Bellinger; welcoming committee, Mrs. Billy Marchetti and Mrs. Dorothy Staman; saving stamps for Orchard Hills school, Mrs. Dorothy Snow and for Novi school, Mrs. Joan Ward.

Mrs. Dianna Ward, school fair chairman, gave her report. Over \$2,700 profit was made with more expected.

Mrs. Billy Marchetti, library chairman, gave a report on library plans. Mrs. David Fried is general chairman.

John McBride will conduct classes. Reports were also given by Mrs. Marge MacGillivray, day camp representative for the girl scouts, and Mrs. Russell Taylor on the Community hospital with applications for membership on hand. The club voted to buy the World Book encyclopedia.

Novi Girl Scout News

Brownie Troop 1027 received tenderfoot requirements, made plans for a cookout and played games outside. Treats were furnished by Mrs. Bingham.

Brownie Troop 902 sang songs, played games and made plans for the rest of the year. Treats were furnished by Iris Mobarak.

Intermediate Troop 149 prepared plans for an overnight June 30 at Kensington park.

Carol Becker earned second class rank. Several girls took part in the program.

Intermediate Troop 602 had to cancel cookout, but will have a cookout this coming week. They brought cake and Koolaid for refreshments. They continued work on their knitting and planned to attend the ring-dang-do this evening. They also completed plans for an outdoor day.

Mrs. Smith's Brownie troop finished their sewing boxes they made from cigar boxes and plastic upholstery. The boxes are completely outfitted with sewing material. Treats were by Pam Stowe.

Mrs. Marge MacGillivray attended a meeting at the Southern Oakland Girl Scout office May 17 as the neighborhood day camp representative on camp council.

Novi Adult Neighborhood Girl Scout association will meet Thursday morning at 9:30 in the community building to discuss further plans for the Memorial Day parade and also make definite decision regarding day camp this year.

An Apology to the People of Novi

Dear Friends and Neighbors:

At the last local election I personally visited several of you and telephoned many more to ask you to vote for three new councilmen — Crupi, Lenheiser and Choquet.

Only Choquet has come through with what was expected by me of the new slate I asked you to vote for.

Therefore, I ask you to please accept my sincere apology for asking you to vote for Crupi and Lenheiser. I feel that they — Crupi and Lenheiser — have out-bumbled and fumbled the two men they replaced. So, if you want to recall them or throw out the village, please let me help you.

High School to Present 'Mikado'

MUSIC MAKERS — These 11 Northville students will join more than a score of other high school choir members in presenting the popular Gilbert and Sullivan operetta, "The Mikado" Friday and Saturday. They are (left to right) rear: Racena Bailey, David Andrews, Jim Drew, Kent Frid, Carol Janetzke; front, Ann Downer, Allan Korn, Karin Hill, Bonnie Boretti, Sharon Johnson and Christine Boretti.

A student presentation of "The Mikado", the popular operetta by Gilbert and Sullivan, will highlight Northville high school activities this week end.

The operetta will be staged in the high school auditorium Friday and Saturday at 8 p.m. Leslie G. Lee will direct the choir, Sam Chizmar will be the accompanist.

Leading play characters will be: David Sprunk and Ward Hummel, Jr., the Mikado; Robert Martin, umbrella bearer to the Mikado; David Andrews and Allan Korn, Nanki-Poo; David Hay, Ko-Ko; James Drew and Kent Frid, Pook-Bah; James Frisbie and Charles Hix, Pish-Tush; Sharon Johnson and Bonnie Boretti, Yum-Yum;

Racena Bailey and Karen Hill, Piti-Sung; Gail Hartner and Christine Boretti, Peep-Bo, and Carol Janetzke and Ann Downer, Katisha.

The two-act play takes place in the court yard of Ko-Ko's palace in T-tipu.

THREE HOMES

Everyone ought to have three homes. Homes to love and honor for the Lord. 1st, everyone ought to have an earthly home. The Lord said it was not good for man to live alone and therefore, He created a help mate for him. The home is one of the greatest institutions on earth and can mean the rise or the downfall of the nation. One of the greatest blessings this side of heaven is to have a Christian home. The second kind of home everyone ought to have is a church home. A church where you can worship, not only by receiving, but where you can worship God by what you give in the way of talent, service and support. In choosing a church home one should make sure the church they choose stands for "the faith" spoken of in the Word of God which is none other than Salvation, the gift of God, through faith in the person and merits of the Lord Jesus Christ; a church that stands for the Book, the Blood, His Coming again. Then, thirdly, everyone ought to have a heavenly home. Jesus said, "I go to prepare a place for you." HEAVEN IS A PREPARED PLACE FOR A PREPARED PEOPLE. Dear reader, how many homes have you?

Walled Lake Park Plans Baton Contest

There'll be shiny batons twirling, white boots strutting, music, bangles and beads as skilled young ladies from several states gather at Walled Lake Park May 22 to compete in "The National Open Baton Twirlers Championship Contest".

Sponsored in conjunction with the Drum Majorettes of America, Walled Lake Park is conducting the contest to select top twirlers in several divisions. Trophies will be awarded winners in the following classifications: Beginners, National Open Twirling, Michigan State Twirling, National Open Strutting and Michigan State Strutting. Top Michigan State Twirling and Strutting winners then advance to the Internationals.

A highlight of the day-long event will be the selection of "Miss Majorette of Michigan" and "Junior Miss Majorette of Michigan". In the senior classification entrants must be 15 to 22 years old and juniors, 12 to 14. Each contestant will be judged on an all-around score in strutting, twirling, beauty and grace as well as showmanship. The winner selected at Walled Lake this year on May 22, will compete with winners from all states in the "Majorette Queen of America Contest" to be held in August in Fayetteville, North Carolina.

NEWS FROM THE AMERICAN LEGION

Bob Collacott — Reporter
POST 147

Good news for members of Post 147 of the American Legion! We have topped the 200 mark on membership with 30 new members this year.

Our Americanism chairman tells me that he will present a flag to a group of Pioneer Scouts in the South Lyon area on Monday. This will make a total of six American flags presented to various organizations in the South Lyon area this year. At each flag presentation the film on flag etiquette is shown. Our thanks to our Americanism Chairman Jim Madigan for the good job he is doing.

Our organization in the past year has provided food baskets, medicines, clothing and many other numerous needs to the local needy veterans and their families. These provisions are paid for by the Poppy sales in the Northville area. Other service to this community are three modern hospital beds, wheel chairs and crutches.

We, of the American Legion, hope you will buy and wear the Poppy and remember those who gave their lives in the defense of this great country and those whom they left behind.

Poppy Days will be May 19, 20 and 21. Our friends and fellow members of the VFW will be selling their Buddy Poppies the same three days.

Obituary

EDMUND F. LOCKMAN

Edmund F. Lockman of 49675 West Seven Mile road, died May 15 at Community General hospital after an illness of six years, at the age of 53. Mr. Lockman was born May 15, 1907 in Detroit to Edward J. and Delia (Dalton) Lockman. His wife, Mildred, survives. Other survivors are two sisters, Esther, of Northville and Mrs. Mary Burns of Detroit. Mr. Lockman came to this community in 1921 and was a retired engineer of Maybury sanatorium. He was a member of Our Lady of Victory church and the Holy Name Society. The rosary was recited at Casterline Funeral home Tuesday evening and services were held from Our Lady of Victory church Wednesday, May 18 with the Rev. Fr. John Wittstock officiating. Interment was at Holy Sepulchre cemetery.

MRS. MARY WADSWORTH

Mrs. Mary Wadsworth of 409 High street died May 14 at Wayne County General hospital after an illness of 12 years. Mrs. Wadsworth was born September 3, 1877 in London, England to Albert and Sarah (Jackson) Fielding. Her husband, Harry, preceded her in death. Her only survivor is a sister in England. The Wadsworths came to this community over 60 years ago and use to own and operate the Wadsworth bakery on Main street. She was a member of the Maccabees lodge of Northville. Funeral services were held from the Casterline Funeral home May 17 with the Rev. Paul Cargo officiating. Interment was at Rural Hill cemetery.

EDWARD W. BAKER

Edward W. Baker of 23635 Farmington road, Farmington, died May 15 at Pontiac General hospital at the age of 69. Mr. Baker had been ill for seven years. He was born July 9, 1890 at Paulding, Ohio to Edward and Isabelle (Coop) Baker. His wife, Thila, preceded him in death in 1944. Two daughters, Mrs. Robert Dixon of Northville and Mrs. Herbert Dryer of Novi, survive. Other survivors are four brothers, Edward W. of Northville, Carroll B. of Garden City, Russell W. of Novi and Walter of Van Wert, Ohio, eight grandchildren and one great-grandson. Mr. Baker had lived in the Northville and Novi area for 35 years. He had retired from Evans Products company in 1949. Funeral services were held May 18 from the Casterline Funeral home with the Rev. A. G. Nevin of Novi Methodist church officiating. Interment was at Novi cemetery.

Ceremony Marks Opening of New Northville Gas Line

Greatly increased supplies of natural gas for Michigan entered the systems of two state distributing companies Wednesday.

Officials of the state of Michigan, Trunkline Gas company, Consumers Power company and the Michigan Gas Utilities company assembled at the state line near White Pigeon to watch Governor G. Mennen Williams turn the valve at the Trunkline metering station introducing supplies into a Consumers 26-inch pipeline to Northville. This will eventually almost double the quantity of gas the company now receives from the south and southwest.

The valve turning ceremony climaxes nearly two years of construction effort and an investment of more than \$110,000,000 by the three companies, which they term "part of our stake in Michigan's future."

Consumers supplies natural gas to some 300 Michigan communities in the Lower Peninsula, including most major outstate cities. Part of the supply will also reach the Michigan Gas Utilities company's southern division, which serves the Coldwater, Monroe, Sturgis and Hillsdale areas.

A. H. Aymond, Jr., chairman of the board of Consumers, said the gas supply from Trunkline will eventually total 200 million cubic feet a day, with deliveries this year at a daily rate of 100 million cubic feet. He said Consumers only other out-of-state supply is purchased by Consumers subsidiary, Michigan Gas Storage company, from Panhandle Eastern Pipe Line company.

"The significance of the new gas supply to the economy of the state is considerable," Mr. Aymond said. "The Trunkline deliveries mean that increasing demands of our customers for domestic, commercial, space heating and industrial uses will be met for some time to come and that if we have correctly judged the size of those demands, waiting lists for space heating and industrial service can be eliminated."

The new Trunkline extends 200 miles from its main system at Tuscola, Illinois, to White Pigeon. The new Consumers line, 120 miles long, takes the gas from there to a new compressor station at Northville, where it enters the company's state wide distribution system. Delivery to the Michigan Gas Utilities company is made via a line from White Pigeon to Sturgis. The Trunkline main line extends 1,200 miles from McAllen, Texas to Tuscola, and facilities along it were expanded to make possible the pumping of increased supplies for Michigan.

To Check Bikes This Saturday

Saturday the Northville Optimist club will repeat its "Bicycle Safety Day" program.

All youngsters are invited to bring their bikes to the city hall at 9:30 a.m. when Paul Rebitzke will inspect them and Police Officer Gill Glasston will present reflectors and a bicycle safety booklet.

The project, an annual event, was held earlier last month but participation was low because of rainy weather. John Mach is chairman of the club program.

-In Uniform-

Robert W. Westerfield, machinist's mate second class, USN, son of Mr. and Mrs. Wallace A. Westerfield of 50888 West Nine Mile road, and husband of the former Miss Ruth E. Stanton of Grantsville, Md., is serving aboard the experimental destroyer USS Richard E. Kraus operating out of Norfolk, Va.

The Kraus and her crew test and evaluate new equipment for the navy.

What the United Foundation means to one out of every three citizens of Metropolitan Detroit is one of the subjects being discussed by Torch Drive and civic leaders all across the tri-county area this month. Pictured at one of the 31 tea-meetings being held in Wayne, Oakland and Macomb counties are (from left to right): Mrs. Gladys Wallace, 214 North Wing; Mrs. John M. Miller, 8660 Napier; and William Countryman of Flint with his leader-dog, "Rocky". Mr. Countryman, a graduate of the Rochester Leader-Dog school, was guest speaker at the May 5 tea held at the Northwest branch of the YWCA.

Named Chairman Of Library Board

NEWLY ELECTED CHAIRMAN of the Wayne County Library Board for the coming year is Mrs. Harry Wagenschutz of Northville. She will head the five-member board in its work of determining policy for the county library system. Ranking third or fourth in the nation in size, the Wayne County library system has an annual budget of approximately \$1 million. A member of the board since 1942, Mrs. Wagenschutz is proud of the fact that Northville's library is the pioneer of the home-owned public libraries.

Even Weather Greets Visiting Mayor Cupp with Smile

With the weather cooperating 100 percent Northville showed Mayor Cecil Cupp its bright side Monday in the annual Michigan Week Mayors' Exchange Day observance.

While Mayor A. M. Allen was reigning over Hartford, that village's three-term mayor was taking a busman's holiday in Northville. The day-long program, under the

chairmanship of City Manager John Robertson and Mrs. Roy Soule, began at 10:30 a.m. with the arrival of Mayor and Mrs. Cupp and Hartford Councilman and Mrs. Victor

Knapp at the city hall. In addition to Manager Robertson and Mrs. Soule, official greeters for the visitors from Hartford, were Mayor Pro Tem John Canterbury;

Councilman Ed Welch, City Attorney Philip Ogilvie, Clerk Mary Alexander and Chief of Police Eugene King.

Acting Mayor Canterbury quickly turned over the gavel to Mayor Cupp along with a memento of the community — a marble plaque taken from an old counter in the city hall and suitably engraved by workmen at Mayor Allen's monument works.

In a brief council session the Northville and Hartford officials soon discovered they had some similar problems.

Mayor Cupp and Councilman Knapp were particularly interested in Northville Downs.

"We once had a successful trotting track in Hartford and we'd like to see it return," Mayor Cupp remarked after learning that Northville realized \$90,000 annually in state tax returns from pari-mutual betting.

Hartford's total budget is \$83,000 and both Mayor Cupp and Councilman Knapp admitted the village was pinched for funds.

They particularly asked to have the Downs included on their tour of the community.

Hartford's chamber of commerce brought envious glances from Northville officials. Although only a community of 2,200, Mayor Cupp pointed out that the chamber had been an "active force" in helping the economic development of the village.

After the council session the visitors were entertained at a combined luncheon of the Exchange, Optimist and Rotary clubs, hosted by the latter organization.

Attorney Clifton Hill acted as master of ceremonies and introduced Oakland County Prosecutor George F. Taylor who described the function of the "off the record court" for juveniles. Taylor inaugurated the idea in Oakland county and is so enthusiastic about its results in rehabilitating youngsters that he is striving to have the plan adopted in other areas.

Another highlight of the Presbyterian church luncheon was the presentation of the annual American Legion award for outstanding citizenship to a local resident.

Councilman Canterbury was named to receive the honor and the presentation was made by C. Oscar Hammond.

After the luncheon the visiting officials were greeted by the Northville high school band and paraded to the new high school.

A tour of the building was conducted by Principal E. V. Ellison and Superintendent Russell Amerman. Later Mayor Cupp and his party visited Northville Downs and C. E. Langfield's Northville Laboratories before departing for Hartford about 5:30 p.m.

Mayors' Exchange Day activities began with the arrival of Mayor Cecil Cupp and his party from Hartford at the city hall. Pictured above are (l. to r.): Mayor Pro Tem and Mrs. John Canterbury, City Manager John Robertson, Councilman Ed Welch, Hartford Mayor and

Mrs. Cecil Cupp, Mrs. Roy Soule, Hartford Councilman and Mrs. Victor Knapp (foreground), Rev. Paul Cargo, City Attorney Philip Ogilvie and Postmaster Leland Smith (background), and Police Chief Eugene King and Patrolman Gill Glasson.

Greeting Mayor Cupp and his party at the high school are Superintendent Russell Amerman (far right), and Principal E. V. Ellison.

Mayor Cupp presided over a brief council meeting at which officials compared community problems and assets.

The steep hill up to the high school didn't slow down the band, which led the motorcade of visiting officials up Center street to the campus grounds for a tour of the building.

The engine is Chevy's famous Thriftmaster 61

**Chevy hums
through Chicago
traffic to the
tune of 21 miles
to the gallon!**

Working for Bumper and Auto of Illinois, Inc., ten 1960 Chevrolet pickups battle Chicago traffic day after day. Each truck averages about 2,000 miles a month in this wearing stop-and-start delivery service. Mr. Harry Haller, General Manager of S & H Truck Leasing, who leases the trucks to the bumper firm, reports: "We provide full maintenance on the trucks—gas, oil and everything else—so it pays us to know just where we stand on costs. And our records show that the '60 Chevies are giving us as much as 21 miles per gallon . . . with an average of better than 17 miles per gallon. Mister, these are our kind of trucks!"

Truck owners have good things to say about all Chevy engines. And when they're not talking about Chevrolet performance and economy, they're telling you how great that new Torsion-Spring Ride is. How it soaks up road shock and vibration. Protects fragile loads. Lets you run at faster, safe speeds to get more work done in a day. Drive a torsion-spring Chevy soon. We'll rest our case on that one ride.

WORTH MORE BECAUSE THEY WORK MORE! CHEVROLET STURDI-BILT TRUCKS

BUILDING and Garden News

10—Thursday, May 19, 1960—THE NORTHVILLE RECORD

Patios Popular Method Of Turning In-doors Out

The stone paved patio is becoming a very popular means of extending the living room out-of-doors.

Generally speaking, landscape architects favor locating the patio area in the portion of the grounds most secluded from the street and the view from the neighbors.

A technique favored by the architects of ancient Greece and Rome is finding new favor with suburban home owners who use stone flagging in their patios to match an interior stone floor. Particularly where there is an expanse of glass between the patio and the living room, this technique creates an illusion of bringing the outdoors in and vice versa — thereby giving a feeling of more abundant living space.

Creating patio flooring in geometric or random patterns no longer requires architectural planning

genius. Kits of pre-cut stone flagging are available which number the stones in addition to providing simple instructions, reports the Building Stone Institute.

Favorite stones for flooring include slate, flag stone, quartzite, blue stone, granite, sandstone, limestone and marble.

It is a favorite precept with landscape architects that flagging and walks should be of matching or harmonizing stone. For decorative interest, they prefer that the type of stone used for walls should contrast in texture with the patio flooring and walks.

TAKE OUT WARP

Hold a heat lamp close to a warp-board or cabinet door until it straightens. Immediately apply sealer to edges and sides to prevent entry of moisture.

Now Average Family Can Afford A Pool

FAMILY SUN-BASKS at pool-side, enjoying the privacy and shelter of an attractive enclosure, constructed in rough-sawn knotty western pine. The fence sections were mounted alternately on the front and back of the framework for interesting dimensional effect and were painted charcoal and white.

One of the fastest growing phases of the current trend to outdoor living is represented by the private swimming pool. Last year, some 37,000 backyard swimming pools were constructed, and industry sources estimate that this figure will zoom to 45,000 in 1960.

Only a few years back, the possession of one's own swimming pool was associated with substantial wealth, but today mass production methods have brought costs down to a point where they are within financial reach of the average family.

Pools can be built to fit within any reasonable area at prices to fit almost any budget. Few, if any, investments in family recreational facilities will pay such generous and lasting dividends in healthy fun for young and old, alike.

Types of Construction

Among the more popular types of

pool construction are waterproof-poured concrete, sprayed concrete, plastic covered concrete or concrete blocks, steel, aluminum, plastic molds or shells and other variations. Pool builders have been constantly developing stronger materials and quicker methods of construction.

New and improved equipment, developed recently, has made pool operation safer and easier and even helps extend the swimming season.

Water heaters are becoming increasingly popular. Heated water adds at least two months to family swimming fun. There are many models of both the gas and electric types. And the addition of a pool shelter can make most pools useable for almost the whole year.

Water Maintenance

Real progress has been made in helping the pool owner to always have clean and clear water. The two basic methods of water maintenance are chemical and filtration systems.

In the field of chemicals, more potent chlorine and algicide compounds have been developed, along with safer and surer methods of introducing the chemicals into the water.

Something new are liquid and powdered iodine compounds to substitute for chlorine.

Snack Bars Reduce Work In Serving Family Meals

CERAMIC TILE proved an ideal material for surfacing this combination snack bar and range counter. Proximity of food preparation and serving areas make it possible for homemaker to reach dishes and serve from cooking utensils.

The greatest thing that's happened to kitchens since all the servants took up welding is the snack bar.

This boon to the servanthess home is now considered just as important in kitchen remodeling as additional storage space, ceramic tile floor and walls and new appliances. This holds true even when a dining room is available.

The ideal location for the snack bar is alongside the food serving

center. Second choice is the range center. Although food can be delivered promptly, this location is undesirable if the range is in use during the meal. The debris usually littering both mix and sink centers disqualify these locations.

Size of the snack bar is dictated by space limitations. Every effort should be made, however, to accommodate two persons. Thus when a lull such as between breakfast for the breadwinner and departure of the family scholars there will be a place for the harassed homemaker to down a cup and sneak in an argument for increasing her household allowance.

The main purpose of the snack bar is to reduce work in preparing and serving meals by taking the strain off the dining room and bringing the diner to the food. To enhance this purpose the snack bar should be surfaced with a material like ceramic tile that wipes clean with one stroke of a damp cloth.

Consider Keeping Your High Ceilings When Remodeling

Before you decide to lower the high ceiling in your home-remodeling plan, consider its advantages. Home economists remind you that high ceilings can make rooms seem wonderfully spacious and airy, and they are a luxury seldom found in new homes. Because they are scarce they offer a mark of home individuality.

If you don't like the appearance, however, consider using color to "lower" the ceiling. If it is painted to match the walls, the color will look several tones darker on the ceiling and make it appear lower. If walls are quite light, you may darken the paint before using it on the ceiling.

For the very high ceiling, a molding can be placed about a foot or 18 inches down on the wall. Area above it and the ceiling can be painted off-white, and the area below the molding can be a darker wall color. Contrast in color value will make the ceiling seem to begin at the molding.

RUMORS

are deceiving. Like the rumor that bottle-gas is expensive for home heating. This is not true for the customers of Otwell Heating & Supply, the local Dri-Gas bottle-gas dealer. Phone today to GL-30530 and get the facts. We have names and figures to prove that country homes are just as clean and comfortable as the city for home heating, cooking, hot water and clothes drying. Full details on request.

R&M-HUNTER Electric Baseboard Heat

Heat your home this modern way

It's almost like magic... no heater in basement or attic and no heating ducts! The new R&M-Hunter ELECTRIC BASEBOARD replaces the regular baseboard in your home to give you the cleanest, safest and most healthful heat ever. Enclosed heating elements radiate warm air and circulate it where it's needed... from floor level upward and from wall to wall. Built-in thermostats give you heat control in each room, for added comfort and savings on heat bills.

TONS OF EARTH will be removed from this 35-acre site, located in Northville township at Bradner and Franklin roads. Property of the Alex Gordon Building company, it will eventually become a 120-home subdivision. While sanitary sewer facilities are now available, Gordon stated that building will not begin until Detroit water is extended to the area. This is expected in about three years. Gordon also owns 98 acres on the other side of Bradner platted for a 357-lot subdivision. Workers shown above began "balancing the land" last week removing some 19 feet from the highest point.

Local Man Named Marketing Manager Of Lincoln-Mercury

The appointment of Paul B. Hoffman as parts and service marketing manager for the Lincoln-Mercury division is announced by Chase Morsey, Jr., general marketing manager for the division.

Hoffman replaces Dennis A. Kuhn, who has been appointed Dallas district sales manager for Lincoln-Mercury.

Prior to taking over his new post directing parts and service operations for Lincoln, Continental, Mercury, Comet and imported cars, Hoffman was manager of the purchasing administration department in Ford Motor company's central purchasing office.

He entered the automotive field in 1933 when he joined American Brakeblok division of American Brake Shoe and Foundry company, rising to general sales manager of the division before he joined the navy in 1942.

He came to Ford Motor company as assistant director of parts and service in 1945. He became executive assistant to the manager of parts and accessories operations at Ford division.

A native of Chicago, Hoffman is married and lives with his wife at 21170 Chubb road in Northville.

CARS magazine reports The Lark is the best overall buy among all 23 American automobiles... including all other compacts.

BEST... After judging The Lark—"the Best of the Compacts"—the editors of CARS enlarged their enthusiasm and declared The Lark, "The Best Overall Buy." Here's how they summed up their expert opinion in the June issue of CARS:

MANY REASONS... "The Lark will do anything and go anywhere the larger cars will, at a lower cost... The Lark is styled for both today and tomorrow, and engineered for hard, economical use... On any basis, this is a tough car to beat."

FREE COPY... Pick up your free copy of CARS buyer's guide at your Studebaker Dealer's.

With five of the six compacts, you have to compromise... but with The Lark, there's no compromise on selection, roominess, performance or luxury.

Bloomfield Crushes Northville Golfers

Bloomfield Hill's mighty golf squad, fresh from a powerful victory at the state regional tournament, refused to hand out alms Monday afternoon as it clashed with a crippled Northville team.

The Barons invaded the home course, Meadowbrook Country club, to drop the Mustangs, 223-185.

Although Northville was playing without its four starters who are in Washington, D.C. on the senior trip, Bloomfield itself was playing with third-string members.

Wayne-Oakland league coaches admit that Bloomfield's second and third stringers are as "hot" as the starters on most other W-O squads. The Barons have not lost a match this season.

Individual scores for Northville were:

Harold Schmidt, 53; Donald Richardson, 55; Bill Challas, 56, and Tom Slattery, 59.

The missing starters were Mike Eastland, Dean Herman, Bill Reuter and Mike Slattery, a brother of Tom.

In the regional tournament at Farmington Country club, the Mustangs ran second through the first nine, but collapsed during the second round to finish sixth in a field of 10 teams.

Say Girls, Dig This Style

Knee pads and fancy leather gloves will be in style for Northville girls soon.

The annual call for female participants in the Northville girls recreation softball league went out this week. All interested girls are urged to call FL-9-3252 by Saturday.

A complete list of names for each team must be recorded by that date, according to Carol Sparling, recreation department worker.

Runners Open Friday at Livonia

Going like 60!

That's the theme at the Detroit Race Course, where the thoroughbred racing season gets underway tomorrow and runs through July 30.

New stakes and a sparkling list of new stakes, handicaps and feature races add up to what could be one of the finest race meetings in Michigan history.

The DRC's 26-event program of stakes, handicaps and features naturally centers around the \$50,000-added Michigan Mile on July 9.

One of the many newcomers to the list of features is the \$10,000 Michigan Mile Trial. The Trial, to be run Saturday, July 2, will be testing ground for many of the hopefuls nominated for Michigan's richest race.

Post times for the meeting are as follows: Opening day, 3 p.m.; Saturdays and holidays, 2 p.m. and week days 3:30 p.m.

Northville Hurlers Double-Up To Trip Barons on No-Hitter

With several timbers missing Northville's first place tower refused to fall Monday afternoon as the Mustangs grabbed a peculiar, 3-1, no-hit victory over Bloomfield Hills.

The victory, which brought the world's widest smile to Coach Al Jones' face, gave Northville a firmer grip on first place in the Wayne-Oakland League with a 6-2 record. Clarkston and Milford who were tied earlier with Northville for a share of first place may have dropped from the leaders' race as a result of games this week.

The next big test for the Mustangs comes up this afternoon as Northville invades Clarenceville. A victory would almost assure the local nine a piece of the W-O championship. A loss, well

Although Jones will have all of his seniors in uniform this afternoon (they returned this morning from a trip to Washington D.C.), he's not making any optimistic predictions. Students returning from a senior trip, he recalls, generally are not in top playing condition.

Despite this cautious note, the coach was obviously pleased with his squad's performance Monday. The team won without the seniors — and it won in grand style.

Ace hurler Danny Brown, who worked 6 1/3 innings, was credited with the victory. But excellent relief pitching by Tom Swiss helped Brown to the win.

Northville grabbed its first run in the third inning as Brown galloped home from third on a fielder's choice smash through the box by Fred Steeper.

Brown went on to blank the Barons until the top of the fifth. Then with two outs behind him, he walked four straight batters to force across the lone Bloomfield tally.

The Mustangs regained the lead in their half of the fifth as Steve Juday singled with bases loaded.

Going into the top of the sixth, Northville led 3-1. Brown, troubled by wild pitching, managed to remove the first batter he faced. But he hit the second, then walked the third.

Thus, with one out and the winning run at the plate, Swiss replaced Brown on the mound. Swiss quickly struck out one batter and forced a second to pop up to end the inning.

Northville's slugging left fielder, Roger Atchinson, smashed two doubles against West Bloomfield last Thursday to push his hitting average up to a redhot .467 — second best record in the Wayne-Oakland league.

But despite this tremendous hitting average, the real hero in the Mustangs' 8-3 victory over the Lakers was Catcher Wade Deal.

Deal walloped one home run and a triple in four trips to the plate to grab credit for five runs batted in. Both blasts were off the Lakers' starting pitcher Kreig.

Second baseman Gary Morgan, who has shown steady improvement at the plate in recent games, clubbed two singles for two RBIs.

And while the Mustangs raised havoc with the West Bloomfield pitching staff, Northville's ace pitcher Craig Bell scattered 7 hits — all singles, struck out 3, and gave up only one walk to claim the victory.

The Lakers grabbed a 1-0 first-inning lead on two hits after the Mustangs went hitless in their half of the first.

Northville tied the score in the second on three straight walks and four wild pitches, then zoomed ahead 3-1 in the third as Atchinson doubled, Morgan singled and three other Mustangs gained first on walks.

West Bloomfield failed to hobble the Mustangs who scored twice more in the fourth and three runs in the fifth to round out the scoring.

Bell came up with the seventh and final Northville hit in the seventh inning, smashing a double off Sweetmen who relieved Kreig in the fifth.

The victory was the second this season over the luckless Lakers. Earlier the Mustangs outlasted the Lakers in a 16-11 game that was pitted with a total of 13 errors.

Netters Blank Trojans, Crush Bentley, 6-1

The fast-improving Northville tennis squad upset a strong Bentley squad on the opponent's courts Monday after bowling over Clarenceville Thursday in a shutout here.

Mike Goodrich was the only Northville player to lose Monday. He lost his singles match to Bentley, 6-3, 6-2.

Individual scores (Monday): Singles, Dikran Ornekian, 4-6, 6-3, 7-5; Jon Rodgers, 6-0, 6-2; Tom Long, 6-2, 6-2;

Doubles, Don Lawrence and Jim McCarthy, 7-5, 6-4; Gary Kohs and Jim Jiggins, 9-7, 3-6, 9-7; and Paul Rumble and Chapple, 1-6, 6-4, 7-5.

All of the Northville players gained a win in their 5-0 shutout over Clarenceville Thursday. The individual scores were:

Singles, Ornekian, 8-0, 6-1; Lawrence, 6-2, 6-1; McCarthy, 6-0, 6-2; Doubles, Rogers and Long, 6-0, 6-0, and Jiggins and Kohs, 6-0, 6-0.

A MIGHTY HEAVE — Jerry Biddle (above) grabbed third place in the shotput event of the regional tournament. The husky student heaved the shot 42 feet, 11 inches — but almost two feet short of the winning put by Tony Giacabazzi of Airport high school.

PRELIMINARY VICTORY — Northville's speed king, Tom Darling, (center) streaked to an easy victory in the warm-ups of the regional tournament held in Livonia Saturday. His 10:3 warm-up time was the best of the afternoon, but he could make only 10:5 in the finals — good enough for a third place finish.

Trackmen Place 4th In Regional at Livonia

Competing against 11 high schools in the regional tournament at Livonia Bentley Saturday, Northville's track team finished fourth behind Ecorse, Airport and Southgate.

Only seven Northville trackmen were entered in the race, while the supermen of the Ecorse squad flooded the field of events. Northville took 15 points, while Ecorse grabbed 97½.

Although the Mustangs were never a threat in the meet, Coach Ralph Redmond was pleased with his team's showing. "They made a real good showing," the coach said.

Topping the Northville entry was Tom Darling, Jim Petrock and Jerry Biddle who copped third places in the 100-yard dash, broad jump and the shot put, respectively. Darling also took a third in the 220.

Actually, Darling posted the best dash time of the day in the warm-up. His time in the preliminary was 10.3, but in the final event his time was 10.5. Biddle's best put was 42' 11", and Petrock jumped 20' 7/8".

Other Northville places in the regional:

Petrock placed fifth in the 100 with a time of 10.75; Phil Jerome shaved several more seconds from his previous Northville high school record to place fifth in the mile with a time of 4:56; and Chips Ely ran his best time of the season to cop sixth place just behind Jerome.

Last week in a triangular match with West Bloomfield and Brighton, the Mustangs turned in their best performance of the season with a second-place tie with Brighton.

The Lakers grabbed first with 65 points, Northville and Brighton were tied at 36.

Individual performance: Biddle, second, shot at 42.11%; Darling, first, broad jump at 21.4½ (a new Northville record — the old record of 19.10½ was set by Yahnne in 1957); Dave Filken, third, high hurdles at 18.5; Petrock, second, 100 at 10.5; Darling, third, 100 at 10.6;

Mike Adas, third, half mile at 2.19; Tom Ritter, second, 440 at 57.1; Jerome, first, mile at 4:57.2; Dick Kernozek, first, low hurdles at 22.3; Darling, second, 220 at 24 flat; and 880 relay, Petrock, Kernozek, Ritter and Darling, second at 1.39.

Man's age-old longing for a clearer understanding of God and of his own identity is a central theme of the Lesson-Sermon to be read at Christian Science services Sunday.
Scriptural selections in the Lesson-Sermon on the subject "Soul and Body" will include the following from Isaiah (55:6): "Seek ye the Lord while he may be found, call ye upon him while he is near."
One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states in part (429:8): "To direct thought of false trusts and material evidences in order that the spiritual facts of being may appear—this is the great attainment by means of which we shall sweep away the false and give place to the true. Thus we may establish in truth the temple, or body, whose builder and maker is God."
The Golden Text is from Psalms 84:2.

A RICH SPIRITUAL EXPERIENCE

It was my privilege recently to visit the Hawaiian Islands. They are all full of enchantment but Molokai gave me a rich spiritual experience. It was here that we visited the once forbidden peninsula of Kalaupapa which has been the Pacific area's Hansen's disease center for nearly a century. The community has its own government and is cut off from the rest of the world by ocean on three sides and sheer 2,000 feet high cliffs on the other side.

When the first company of the leper exiles arrived at Molokai in 1866, they brought with them their most precious possession—their Christian faith. A few years later a church was erected for Protestant worship and one for Catholic worship. The clergy who conducted services were dedicated men, indeed. Father Damien of world-wide fame, spent 16 years not only giving spiritual ministrations to the lepers but washed their wounds and even dug their graves to bury them. His persevering crusade for the betterment of living conditions in the colony

resulted in much greatly needed improvement. Father Damien performed burial rites of some 200 lepers every year. Today very few die from the disease of leprosy. There are only about 200 lepers on the island of Molokai, less than half of whom are active cases. The Sisters of St. Francis, with whom we conversed about an hour on the island, have spent 75 years taking care of the women and girls who have been stricken with leprosy.

I shall ever remember the two significant things about Kalaupapa. First—the beauty of the magnificent natural setting and second—the indescribable beauty of Christ's charity reflected in the works of those who have served the patients at Molokai these many years. Social work in any category is admirable but dedicating one's life to work amongst the world's outcasts and "untouchables" is inspiring indeed.

May you and I, dear reader, be inspired by this brief story of Molokai and let us whisper a prayer "O Good God, give us the grace to love our work and give us the strength to persevere in our charity toward all creatures, especially those who are poor and forsaken."

Handicapped Employment, Goodwill Aim

A new method of determining a vocational objective of physically handicapped persons will be inaugurated at Goodwill Industries of Detroit on Monday, May 16.

This is an entirely new service offered to handicapped people in the Metropolitan Detroit area. It will include a three-week course, five days a week, of vocational testing based on the Tower System of evaluation. This was developed by the Institute for the Crippled and Disabled of New York. It will be augmented by work evaluation tests perfected at Goodwill Industries of America in Washington, D.C.

The program will be under the supervision of Mrs. Ann Paterson, occupational therapist, formerly of Maybury sanatorium. She has spent the last six months setting up the new program following a study of the Tower System in New York last fall. The agents of the Division of Vocational Rehabilitation of Michigan will use this service to establish a vocational objective for their clients.

Training hours will be from 10 a.m. to 3 p.m. with one hour for lunch, which will be furnished by Goodwill Industries.

The fee will be paid either by the individual enrolling in the program or by the social agency referring the handicapped client.

The program consists of more than 100 tests covering 14 different job areas in skilled, semi-skilled, clerical and unskilled occupations. These are electronics assembly, jewelry manufacturing, lettering, power-saw mechanic, drafting, receptionist, drawing, leather goods, mail clerk, clerical, upholstery, wood shop, steam ironing, bench assembly.

"Goodwill Industries hopes that through this new program many more physically handicapped persons in the area will find eventual employment, either in private industry, a sheltered workshop such as Goodwill operates, or in home-bound occupations which will enable the individual to be self-supporting," said Mrs. Paterson.

"The factors which enter into the determination of a person's feasibility for vocational training will include basic interest, aptitude with tools, ability to follow instructions and work habits. These will be considered in conjunction with the physical handicap of each person and its relationship in the performance of a particular job," she said.

Methodists to Celebrate 125th Year in Northville

In celebration of its 125th Anniversary the First Methodist Church of Northville is having an Anniversary banquet Saturday, May 21 at 6:30 p.m.

The speaker of the evening is Dr. Robert Bruce Pierce, son of a former Northville pastor, and minister of Metropolitan Methodist Church of Detroit. His subject is "And Are We Yet Alive?"

Madonna to Present Spring Concert

Madonna college's music department will present a spring concert Sunday, May 22 at 7:30 p.m. The music festival to be held in DeSales auditorium is open to the public.

Participating in the concert will be the Madonna chorus and vocal ensembles as well as a guest-string ensemble. Miss Esther Johnson of the Detroit Institute of Musical Arts will direct the string ensemble.

The college groups will be directed by Sister M. Paulette, CSSF, head of the music department. Co-chairmen of the concert are Carol Jardine and Constance Nagy.

</

Northville Board of Education Minutes

The meeting was called to order by President Nelson C. Schrader at 7:45 p.m.

Present: All Board members. Absent: None.

Others Present: Supt. Amerman; Asst. Supt. MacLeod; Principals Ellison, Smith and Kay; 14 other interested persons.

The minutes of the last regular meeting and one special meeting were read by the secretary, and there being no additions or corrections, they were announced approved as read.

Communications:

1. Northville Recreation, requesting permission for use of the buses to facilitate summer recreation program.

2. Lloyd H. Green Post, The American Legion, expressing appreciation for use of high school auditorium for oratorical contest.

3. Oakwood Association, expressing appreciation for use of multi-purpose room at Amerman School.

4. Dept. of Public Instruction, advising that this District has been approved for collection of tuition for non-resident pupils in grades 9 through 12 for 1960-61 school year.

5. Eberle M. Smith Associates, enclosing copy of letter from State Fire Marshall, giving final approval of Northville High School.

6. Green Ridge Nursery, proposal to plant ground cover on bank along south boundary line.

7. Parent-Teacher Association, clarifying its position re teachers salary discussions.

8. Ronald Schipper, announcing his resignation from the teaching staff and coaching position.

Report of Superintendent:

1. Census: Supt. reported that the census will be taken by Mrs. Zayti, of the Junior High School office, who will enlist the assistants she finds necessary to complete this activity in the specified final 20 days of May.

2. Election: Supt. reported that all election supplies are on hand and details are being cared for. As of this date, May 2nd, there are 11 nominating petitions out for signatures.

3. Teacher Recruitment: Dr. MacLeod gave the Board a report of remaining vacancies and indicated that all the teacher placement offices have been contacted and vacancies will all be filled in due course.

4. Budget: Supt. discussed with the Board the tentative budget which had been previously given to them for study. Board approved this budget for presentation to the Tax Allocation Board on the 13th.

5. Immunization: Supt. gave the Board an interpretation of the new law requiring that every child entering school in Michigan for the first time must be either properly immunized or legally excused from such immunization.

Report of Secretary:

Mr. Shafer reported the following taxes and state aid received during April, 1960:

Current: Lyon Twp., \$4,844.24; Salem Twp., \$810.24; City of Northville, \$47,805.23; Delinquent: City of Northville, \$4,721.88; Novi Twp., \$25.65; and Northville Twp., \$3,279.29. State Aid: \$36,600.00.

Report of Treasurer:

The treasurer reported the following balances at April 30, 1960:

General Fund \$153,577.53
1936 Bond & Coupon Acct. 1,620.00
1949 Debt Retire. Fund 2,416.22
1954 Debt Retire. Fund 14,093.63
1957 Debt Retirement Fund—Series A 29,365.56
1957 Debt Retirement Fund—Series B 100,656.34
1957 Debt Retirement Fund—Series C 39,040.62
Building and Site Fund 14,757.57
Cafeteria Account 3,940.56

\$359,450.03

Report of Special Committees:

Curriculum Committee: Mrs. James Ross gave the Board a general report of the committee's activities during the month of April and presented four additional names for approval of appointment to the committee. It was moved by Mr. Shafer that Mrs. Ross' report be accepted and the new members approved. Mr. Crump supported the motion, which was carried.

Report of Auditing Committee: approved bills and payrolls for payment as follows: Payrolls, \$53,510.72; general bills, \$15,836.17; building and site bills, \$3,693.93; cafeteria bills, \$2,893.48.

Unfinished Business:

1. A final joint meeting of the architect and general contractor of the high school, with the Board of Education, which has been pending for some time, was definitely scheduled for Thursday, June 2nd.

New Business:

1. Recreation Request: Mr. Shafer moved that the Recreation Commission be given permission to use the school buses for the summer program, subject to the discretion of the school's Director of Transportation, and with the stipulation that the Recreation Commission will care for all immediate maintenance problems. Dr. Johnson supported, motion carried.

2. The letter from the P.T.A., requesting correction of the minutes of the Board meeting of April 4, was discussed and it was decided that no correction was necessary.

3. Green Ridge Nursery: moved by Dr. Johnson, supported by Mr. Crump, that the proposal to plant ground cover on steep portions of bank along south boundary line at high school, at a cost of \$125.00 per 1,000 square feet, for 45 fragrant sumac to each 1,000 square feet, be approved, subject to approval of Site Committee. Motion carried.

4. Athletic Site: Mr. Littell reported to the Board his opinion of the contracts drawn up by LaPorte and Penn, engineers, to cover work of Gerald Taft on the athletic site. Mr. Littell approved the contract in form, subject to minor revisions. It was moved by Mr. Crump and supported by Mr. Shafer that the contracts be accepted, subject to the aforesaid revision. Motion carried.

Also in connection with the athletic site, it was announced that the revision of the contractor's figures on the cost of the track resulted in a price of \$62,479.40 for a two-coat Grastex track and \$56,095.55 for a one-coat track.

5. Paving of Center Street: matter was discussed and Board instructed Mr. Littell to contact the City or its attorney and to work out with them a contract which will permit the school legally to care for its obligation.

6. Ely Fuel Bill: Mr. Littell gave the Board an opinion on the matter of the fuel oil bill owing to C. R. Ely & Sons. The figures show that a sum of \$439.31, less the increase in the cost of the fuel oil due to the change of suppliers, is apparently due to Ely's. Supt. was instructed to continue to work on this matter.

7. Community Center Purchase:

Mr. Littell was asked to prepare a ballot covering purchase of the Community Center building, to be voted on in the June election.

8. Mr. Pressley, Mr. Mortenson and Mr. Hines, of Northville Heights, appeared to request that the Board do something about the dirt on the school property which is washing down on their back yards and spoiling their home sites. Board advised these gentlemen that it is aware of the problem and will see that it is cared for.

9. Salary Schedule: Supt. Amerman read to the Board a letter from the Teachers' Club requesting an extension of the time allowed for signing of contracts to May 17, a meeting of the faculty and Board of Education for the purpose of clarifying the proposed Salary Study Committee, and re-consideration by the Board of the original salary schedule proposed by the teachers.

It was decided that a committee of 21 people should be formed, consisting of 6 teachers, 6 Board of Education appointees, 6 P.T.A. members and 3 advisory members consisting of 1 Board member and 2 school administrators to be appointed by the school board. The faculty and the P.T.A. are to present their committee members at the June 6th Board meeting, the remaining members to be appointed at this meeting.

It was recommended by the Superintendent that the following charges be given to this committee:

(1) To design a long-range salary schedule.

(2) To advise the Board on how this schedule may be financially implemented.

A motion that the Superintendent's recommendations regarding the formation of the committee and its charges be adopted was made by Mr. Lawrence, supported by Mr. Shafer. Motion carried.

In reply to the teachers' request, it was decided to meet with them on Thursday, May 12 at 7:00 p.m., the meeting to close at 10:00 p.m. in the high school cafeteria.

10. Bus Purchases: Mr. Ellison gave the Board a report on the general condition of the fleet which indicated that two or three additional buses may need to be purchased before next fall. The McFadden Corp. has suggested to him a different plan of purchase which he will describe to the Board at the next meeting.

11. Honor Students: Mr. Ellison requested permission to purchase, at Board expense, gold tassels to be given to honor students in the graduating class which would be worn with their mortar boards at Commencement, graduate to be allowed to keep the tassels as a personal possession marking his academic achievement. Board approves.

Adjournment: meeting was adjourned at 11:45 p.m. on motion of Lawrence, supported by Crump.

Robert H. Shafer Secretary

Northville City Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., May 2nd, 1960, at 8:00 P.M.

Present: Mayor Allen, Councilmen Canterbury, Juday and Welch.

Absent: Councilman Reed.

Minutes of last regular meeting were read and approved.

Bills were presented amounting to \$7,730.79 from the General Fund, \$3,272.21 from the Water and \$1846.58 from the Water Construction Fund. It was moved by Welch, supported by Juday, that these bills be allowed and paid. Carried.

Letter was read from Northville Red Cross Chapter advising the City Council of the annual blood bank to be held at the Methodist Church Friday, May 20th, 1960 from 2:00 to 8:00 P.M., and urging that the community support this project.

Oscar Hammond of 511 N. Center St., asked the Council what they intended doing about installing curb and gutter and pavement on Walnut St. Mrs. Maxwell Austin, another Walnut St. resident, also brought to the attention of the Council more of the problems in connection with this street. The Council informed them the matter would receive consideration when the budget is discussed.

Mr. Robertson, Councilman Welch and Engineer Harold Penn were instructed to meet with Dr. Handorf regarding problems in connection with the property owned by him on which his office is located.

Mr. Robertson also reported that the Detroit Edison Co. has again appealed from the personal tax assessment placed on their property by the City of Northville; also that the City Hall Committee held its last meeting and prepared a report, which was read by the Chairman, Sydney Frid. A letter of thanks will be sent to each member of this committee, together with a mimeographed copy of the report.

Moved by Canterbury, supported by Juday, that the statement of purpose of the Zoning Ordinance presented by Mr. Robertson be approved as recommended. Carried.

Committee appointments were made to fill the vacancies of those members whose terms expired in 1960.

The following resolution was presented as to the adoption of the Special Assessment report prepared by Mr. Robertson:

"RESOLUTION REGARDING ADOPTION OF MANAGER'S REPORT AND RECOMMENDATIONS WITH RESPECT TO SPECIAL ASSESSING AGAINST CERTAIN PROPERTY LOCATED IN THE CITY OF NORTHVILLE OF THE CHARGE MADE FOR INCLUSION OF SAME WITHIN THE MIDDLE ROUGE PARKWAY INTERCEPTOR SEWER DISTRICT:

WHEREAS, The City did enter into a contract with the Wayne County Road Commission whereby, in consideration of the payment by the City of a certain sum of money, that portion of the City of Northville located in Oakland County and east of Taft Road was admitted into the Middle Rouge Parkway Interceptor Sewer District, and

WHEREAS, The City did, by resolution dated Apr. 4th, 1960, pass an initiatory resolution indicating its desire of charging all, or a portion of the cost of the inclusion of the said property within said district against the property in question and directed the City Manager to prepare a report setting forth certain information necessary to the establishment of a special assessment district, or districts, and the allocation of said costs against the properties in question by Special assessment, which report was to be made in accordance with the provisions of the Special Assessment Ordinance of the City of Northville, and

NOW, THEREFORE, IT IS RESOLVED That said Manager's report and recommendations are adopted and approved by the Council and are directed to be placed on file with the City Clerk. It is further resolved that a Public Hearing shall be held June 13, 1960, at 8:00 P.M. in the City Hall regarding the establishment of Special Assessment Districts within the above described territory in accordance with the report and recommendations made by the City Manager and that the latter is directed to notify the owners of the property to be included in said Special Assessment District, of the time and place of said Public Hearing, which notice shall be given by first class mail and not less than 10 days prior to the date of said hearing."

It was moved by Canterbury, supported by Allen, that the above resolution be adopted. Carried.

It was moved by Welch, supported by Juday, that City Atty. Ogilvie be directed to defend the suit brought by the Village of Novi against the City of Northville regarding the annexation of Mar. 28th, 1960. Carried.

Moved by Allen, supported by Juday, that the regular meeting of May 16th be postponed to May 17th, due to the fact that the regular meeting falls on Mayor's Exchange Day. Carried.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

On a four-day trip to Washington as guests of Automobile Club of Michigan, area safety patrol leaders visited the Pentagon where they were shown models of Michigan-built Ford and Chrysler military vehicles and weapons by Secretary of the Army Wilber M. Brucker. With Brucker are (left to right): Gerald Williams, Taft-Mann Elementary, Wayne; George Stripp, St. John the Baptist school, Ypsilanti; Ralph Held, Farrand school, Plymouth; and Mary Dean Harris, Wayne County Training school, Northville. The 108-member Michigan delegation joined 35,000 AAA patrolers from across the U.S. at the 24th National Safety Patrol Rally, climaxed by the largest parade held annually in the capital. Defense products pictured are the MUTT (Military Utility Tactical Truck), to be assembled this summer at Ford Motor company's Livonia plant, and the M-60 Chrysler Tank produced at Detroit Arsenal.

Wixom P-TA Plans Childrens' Exhibit Of Arts and Crafts

The May meeting of the Wixom P-TA, which will be held on Thursday, May 26th, will have as its theme, "Arts and Crafts".

The art work the children have done through the year will be exhibited in their rooms and the children are hoping to have their parents come to view their "masterpieces".

The P-TA is also asking adults in the surrounding area to contribute items of painting and handwork for display in the multipurpose room. These articles should be labeled with the name of the exhibitor and may be brought to the school any time during the week of May 23rd.

The speaker for the evening will be Mrs. John Zoner, who teaches a class in oil painting in the Walled Lake schools adult education program.

The members of the P-TA are urged to not only send in their own work for display, but to publicize the project among their friends and neighbors who do not have children attending Wixom school.

Cystic Fibrosis Funds

Persons wishing to contribute money to the Cystic Fibrosis campaign currently underway in Novi are asked to mail their donations to the Cystic Fibrosis Society, Box 60, Detroit 31.

A story that appeared in last week's issue of The News erroneously carried a box number of 31.

BeGole, Skellenger Attend Officers' Meet

Police Chief Lee BeGole and Robert Skellenger, chief ranger at Kensington Metropolitan park, attended a meeting of the Police Officers' Juvenile association last week Wednesday at the Detroit Youth Bureau. Officers of the bureau discussed "Delinquent Minors and Their Handling".

NOTICE OF PUBLIC HEARING

ON THE PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

PLEASE TAKE NOTICE that the Northville Township Zoning Board will hold a Public hearing on Tuesday evening, June 14, 1960, at 7:00 o'clock p.m. in the Northville Township Hall for the purpose of hearing and considering a proposed reclassification of an area of approximately twenty-one (21) acres, located at the northwest corner of Five Mile Road and the extension of Eckles Road, with a frontage of nine hundred ninety-six (996) feet along Five Mile and nine hundred fifty-eight (958) feet along the centerline of the extension of Eckles Road, from an R-1-F Small Farms District to an M-1 District for the specific purpose of establishing and constructing an Out-door Theatre thereon.

The above proposal may be examined on any week day during the hours of 1:00 p.m. to 5:00 p.m. at the Northville Township Hall. This notice is given pursuant to Act 184 of Public Act of 1943, as amended.

You can search far and wide but where can you find a state with such an abundance of natural resources and unlimited opportunities?

Did you know that Michigan boasts the greatest fresh water supply in the world? This makes it a most excellent location for industry, transportation, health and recreation.

Michigan has an abundance of rich, productive soil for farmlands and orchards... progressive cities with industries famous for job opportunities... world-renowned colleges and universities for educational and cultural advantages.

Michigan is a vacation paradise. If you like hunting, fishing, boating or other outdoor sports — if you prefer lakes, beaches at a bustling resort or a quiet Northern retreat — you can find it in Michigan.

Living conditions are unsurpassed... you can enjoy urban or suburban living, invigorating climate and convenient accessibility by railway, highway, waterway, or airway.

Take time to reflect and you, too, will observe the bright future of MICHIGAN.

SPEAKING for the Record

By Bill Sliger

Have you ever felt that the entire world is crashing down on your shoulders? That if details, problems, meetings and responsibilities don't stop piling up you'll literally explode?

Imagine for a moment the plight of this individual.

A little more than one year ago he applied for — and was awarded — his first position as manager of a municipality. From that moment he became a "marked" man.

His failure was freely predicted by influential powers in the community. A newly incorporated village with a green council faced the chore of organizing and appeasing a wide diversification of interests with an inexperienced manager.

The procedures for manager form of government were new to residents accustomed to dealing directly with elected officials or employees of the community. Even the council members were unfamiliar with the manager system and, therefore, innocently violated good practice in handling internal problems.

Matters of policy, such as zoning, voted upon by the council and lying outside the province of the manager were nevertheless sources of further aggravation.

An election swept clean the old council's majority and many voters considered it a mandate to fire the manager.

Two members of the five-member council also take this attitude and steadfastly call for his removal.

A civic improvement group has adopted a resolution asking that the manager be released. Petitions have been submitted to the council making the same request.

How can any council or individual operate effectively under these conditions?

The answer, of course, is that they cannot.

The community to which we are referring is Novi and the man with the problems is Manager Fred Olson.

He is not alone, however.

Council President Joseph Crupi, and Councilmen Dean Lenheiser and Walter Tuck have withstood the bombardment along with Olson.

But they must know that Olson is through as Novi manager. Perhaps they acknowledged this Monday night when Lenheiser's motion to table petitions calling for Olson's resignation for 90 days gained support from Crupi and Tuck.

Without knowing, it would be our guess that this trio had hoped to give Novi's first manager every opportunity to succeed. They must recognize that he has become the target for every complaint, justifiably or not.

It would appear that Novi has but one course to follow. Presumably, Councilman Lenheiser's motion paves the way to this procedure:

— critics of Manager Olson should "hold their fire" until a change can be made (we are convinced that Olson, silent throughout the upheaval, is ready to bow out);

— Novi councilmen and citizen antagonists should review and become thoroughly familiar with the function of manager form of government (we believe that understanding and acceptance of manager government is vital to the community and that no consideration should be given to its discontinuance);

— That in the interim the council attempt to solve its own differences and "close ranks" in selecting and supporting a successor to the present manager;

— that citizens of the community be less willing to accept every criticism of their governing body as the gospel and to take a constructive and sincere interest in helping to understand and solve problems of the community.

— Finally, to forget the matter of "blame" for the situation in which Novi finds itself; on the one hand we can point to vehement critics, yet is it their right as taxpayers to ask questions — just as it is a most important function of any manager to maintain good public relations.

Novi is a new village. It will learn just as all municipalities have learned — by the difficult road of experience.

Michigan Mirror

State Improves - Only \$71 Million in Red Now

MICHIGAN'S FISCAL picture continues uncertain. Figures compiled by the Citizens Research Council of Michigan indicate the \$71 million state deficit predicted for the end of this fiscal year (June 30) is accurate.

Still, this is an improvement on the picture at the end of the last fiscal year. Total estimated revenue this year is about \$411 million. Spending is expected to approximate \$386 million. The 25 million difference when applied to the \$96 million deficit the state had going into fiscal 1960 leaves a money shortage of about 71 million dollars — about what was predicted last January.

But what about the fiscal year which begins July 1, 1960, and ends June 30, 1961?

Expenditures should be fairly predictable as soon as the Legislature acts on appropriation bills for general government, public health, higher education and capital outlay.

The indicated appropriation levels are some four to nine million dollars higher than expected revenues under existing taxes.

Action is virtually certain on revenue-producing measures. One of the centers of attention is the question of a one-cent increase in the sales tax, which will be left up to voters in the November election.

IT'S EASY TO DRIVE a passenger car from Michigan into Ohio or across any other state line.

But for a trucker carrying goods from state to state, the procedure isn't quite so simple. A new law signed recently by Gov. G. Mennen Williams is designed to give Michigan truckers a break in interstate commerce.

The reason for the revised Highway Reciprocity Law is to enable Michigan to "do unto others as they do unto Michigan."

Secretary of State James M. Hare, chairman of the Highway Reciprocity Board, says passenger cars going from state to state are given free and easy passage for this reason.

A car driven into Michigan is going to need gas while here and will help pay for Michigan roads with the tax paid on gas.

In addition, especially if the car contains tourists, the occupants will spend money here. Likewise, Michigan cars going into other states will need gas and occupants will add their dollars to the economy of the state visited.

In effect, states waive registration fees for visiting cars in return for the economic boost a free exchange of travelers gives.

Not so when it comes to commercial vehicles.

States began to see the possibility of additional revenue from commercial use of their highways in the middle and late 1930's. Reciprocity was born.

The post-World War II boom in trucking increased the efforts by states to get a payment for letting commercial vehicles use their roads.

Many states now require some sort of registration, including payment of fee in one way or another. Some, like New York and Ohio, require payment of tax based on a weight-distance formula of one sort or another.

Some require that an amount of fuel comparable to the number of miles driven in that state be bought before leaving.

But most of the taxes of this sort impose only a nominal fee in return for a permit to travel commercially there.

However, the administration burden on the trucking companies, which have to keep records to be certain that none of their trucks is illegally using a state's highways, is very great.

A carrier with a large number of vehicles has to register each one each year in each state where it will travel and a permit is required. The new law liberalizes the powers of the Highway Reciprocity

Board to give Michigan officials enough authority so that they have bargaining weapons in their attempts to set up equitable agreements with other states.

THE RESULTS OF Michigan Week promotions are watched carefully by nearly everybody to note how successful the program is, but one group watches the promotions themselves to see how they could be made more effective.

The Committee on the Future Development of Michigan Week wants to make the event "an even more productive instrument in behalf of a greater Michigan."

Included in a list of actions deemed imperative to make the Michigan Week program more effective were: earlier and more complete planning and financial organization; a good sales program for prospective participants based on the results of past Michigan Weeks; more work in telling people outside Michigan about the state and then telling Michigan people how well the outside program is working, and earlier selection of a theme and motto.

The committee also comes up with a long range program of improvements that should make the annual celebration more far-reaching. More effective, too, the committee hopes.

Roger Babson

Don't 'Do-It-Yourself'

Babson Park, Mass. — The days of rugged individualism have passed. Henry Ford was noted for it. He always wanted to "go alone, across lots and on foot." He had little use for committees or associations. For many years he would not join the National Automobile Manufacturers Association; he and others were in a position to go it alone, because they had some original ideas and were patient enough to work them.

The story of advancing civilization, however, is a record of man's willingness to co-operate. The Trade Association Directory, prepared by the U.S. Department of Commerce, shows that there are 3,000 regional and 7,000 local associations of businessmen. With these are affiliated 12,000 trade associations, 5,000 local Chambers of Commerce, and 30,000 businessmen's luncheon clubs.

It seems as if everyone is a "joiner", and many join several business groups. Yet even the above figures do not cover the many purely social, church, labor and farm fraternal groups. As for employees' organizations, there are 200 national and about 80,000 local unions.

There has been much fun poked at the "Organization Man", meaning a lower-echelon executive in big business corporations. But practically every man and many women are members of organized voluntary groups. In our free U.S., these members retain a very large degree of independence; and, except in cartels and some labor unions, individuals are not coerced or regimented or herded. On the whole, ours is a nation of free individuals — though not as free as were our pioneer fathers.

Freedom to organize is one of our basic American freedoms. Special and new interests keep arising in our world of rapid changes; one new bustling area is that of Small Business, which since 1938 has been self-organized solely and specifically to protect the legitimate interests of independent small and medium-sized business people.

The largest of these Small Business organizations is the National Federation of Independent Business, with headquarters at Burlingame, California. G. Wilson Harder, president. This Federation presents its point of view to the Small Business Committees of the Senate and House. It is outstanding in its cooperation with all Senators and Representatives — and in keeping them informed of grassroots opinion on all legislation affecting small business. It has a highly respected and competent vice president in Washington giving full time to matters of legislative activity.

There was established by Congress in 1953 the Small Business Administration and a subsidiary, the Small Business Investment Administration. The latter has made total short-term loans of \$856,403,000 to upward of 20,000 individual independent small busi-

ness firms; in addition it has advanced long-term equity capital of \$3,785,000 during the past year. It is now administering over 19,000 business and disaster loans, including loans transferred from the former R.F.C.

Sixty percent of these loans were made in participation with banks. The cumulative losses through 1959 from SBA loans have been only 1.1 percent, a remarkable showing. I am convinced that the "little people" have financial responsibility and character.

Is organization "cramping the style" of individuals and reducing their initiative? Are too many of us becoming "leaners" instead of "lifters"? I believe that as long as organizations are voluntary, they will wither away when they lose their usefulness. Individuals can make their influence felt within homogeneous groups of their choosing, dealing with problems about which they have direct knowledge.

For some years — with my associate Ernest Gaunt of Orlando, Florida — I have watched these "small businessmen and women." At least once each year I like to publicly testify to their integrity, industry and importance. They are the hope of America.
