

FOR SALE — A \$145,000 price tag is hanging on the Community Building and Northville school district voters must decide on June 13 whether or not it is a good buy. Owned by the city, the building has had its chief use by the school system. Currently the building is leased by the schools for \$1.00 per year. If the proposed sale of the building wins

approval, money voted in the 1956 bond issue will be used to buy the building and site. The city has indicated it will use the funds to construct a new city hall, probably on the present site. Only qualified tax-paying electors of the school district can vote on the Community Building proposal. (See page 9 for candidates' opinions).

Community Building Sale Most Equitable for All Parties Says City

This is the third of a series of articles concerning the proposed sale of the Community Building to the school district. This article was written by the City. The series, intended to gain voter support for the project, will conclude next with a jointly written resume. Both the city council and school board are unanimously supporting the transaction.

On Monday, June 13th, 1960, the voters of the Northville Public School District have an opportunity to authorize the School Board to transfer School Bond funds for the purchase of the Northville Community Building from the City of Northville.

The two voter elected bodies, the City Council and the School Board, after more than three years of discussion and deliberation, have unanimously recommended that the Community Building be owned by the School District.

At present the building is owned by the City and operated by the School District under an agreement which provides that the School will maintain and regulate the use of the building for \$1.00 per year. Since the construction of the building in 1953, the School system has used it 90 percent of the time. The remainder of the use is by various community organizations.

The City Council believes the statement of School officials that the Community Building is used mainly for school purposes; that the Community Building serves as a unit with the renovated High School building as the Junior High School area of the school district. School officials report that the \$200,000 spent in remodeling the old high school building depends upon the continued use by the school district of the Community Building.

The Community Building is by design more usable by the school district than any other organization. Ownership by the School District will permit more flexible planning of the future use of the building.

The City while owning the building has had fixed costs amounting to almost \$1,000 per year. Because of this cost and the high percentage of use for school activities, the City Council believes that the entire community is better served by school district ownership.

The Community Building is estimated to have a value of almost \$300,000. The election on June 13, 1960, will give the voters of the school district an opportunity to authorize the School Board to acquire the building for \$145,000. This figure was arrived at mutually between the City and

School representatives and reflects the amount of general City tax funds which went into the construction of the building. The other revenue coming from race track funds paid to the City.

The School District in the past has permitted use of school buildings for community activities. The School officials have assured the City that the Community Building will still be available for community activities. In fact, the School prefers that this building be used by community organizations rather than other school structures because of its central location, adequate parking and relatively lower cost of opening the Community Building. In reality school ownership insures wider community use of the existing structure.

During the three years of discussion relative to the use of the Community Building many alternatives have been presented. In brief statements, these alternatives can be summarized as follows:

1. Ownership by the School District;
2. Sale to a commercial venture as a possible commercial building;
3. Continue existing arrangement between City and School;
4. Donate the building to the School District;
5. City operate the building as a municipal building.

Each of these alternatives have advantages and disadvantages. Each alternative has been investigated and discussed by the City Council. The City Council unanimously feels that purchase of the building by the School serves the greatest need in the community and most justly and equitably protects the entire community.

In summary, the voters of the School District will vote on June 13, 1960, to authorize the School District to purchase the Community Building for \$145,000; this money to come from already voted money and will not require an increase in taxes. The major use of the building now is for school purposes and ownership by the school will permit expenditure of school funds on the building in the future when the need is present.

The sale price is a negotiated figure which is fair to both the School District and to the City. The City Council believes, since the City provides major support to the Schools, that what is good for the School District must also be good for the City.

To Name Foreman

Five members of the Northville Public Works department were given examinations Tuesday afternoon for foreman's position.

The exam is part of a selection procedure that will also include an oral examination.

Appointment of a foreman will be announced by City Manager John Robertson and Public Works Superintendent Herman Hartner after the examinations have been completed.

600 Awards to be Made At Honors Convocation

Zoning, Budget Up For Airing Monday

Two public hearings will highlight the regular meeting of the city council Monday night.

In one instance the council will act to officially approve its proposed \$362,750 budget for 1960-61.

The other hearing will be held to consider the zoning of four parcels of land in Oakland county sections annexed from Novi to the city.

Although the new budget calls for a one mill tax increase — from 11.5 to 12.5 — little, if any, controversy is expected to arise on this issue.

The council has "held the line" on the city tax rate and the one-mill boost marks the first increase since city incorporation five years ago.

The zoning hearing may be another matter.

The hearing will mark the second time the parcels have come before the council for zoning.

On April 25 the council could not agree on the classification to be assigned the parcels.

One of the four sites in question lies at the northwest corner of Taft and Eight Mile roads. The planning commission had suggested that all land in this area be zoned R-1-S (large lot, residential). Gerald Taft, owner of a large portion of the area, asked that a 450'x600' corner square be zoned M-1 to permit continuance and possible expansion of his construction business, located on the corner.

Planners had recommended that the business be permitted to operate on the corner as a "non-conforming" use so that when, and if, Taft should discontinue operation it would become residential. Taft objected to the non-conforming classification because it does not permit expansion or re-building (in case of fire) of his industrial use of the land.

Councilmen decided to call for a new hearing on this parcel with M-1 zoning proposed.

The other three parcels are owned by the D&R Building company, developers of Yerkes Estates (Village Green) and are located west of Novi road and the C&O railroad and east of the new subdivision.

Two of these three parcels had been proposed for M-1 (industrial) by the planning commission, while the third parcel was designated at C-1 (commercial).

While Councilmen John Canterbury and Richard Juday voted to uphold this suggestion, Mayor A. M. Allen and Councilmen Earl Reed and Ed Welch voted it down. The latter trio upheld the request of the D & R Building company to have all three parcels zoned C-2.

The hearing on this matter brought varied reactions from home-owners in the abutting subdivision. It brought strong protests from Northville merchants who fear new commercial development in the area and argue that proper planning calls for keeping the business district centralized.

Calendar

Friday, June 3
OES Chapter 77 potluck dinner and initiation, Masonic Temple, 6:30 p.m.

Saturday, June 4
National Farm and Garden flower show, community building, 2:30 to 9 p.m.

Tuesday, June 7
Kings Daughters picnic, Mrs. William Walker's, 39900 E. Eight Mile, 12:30.

Wednesday, June 8
Adult Camera club, library, 8:00 p.m.
Girl Scout Association "coffee", Mrs. Francis Jennings, 44111 W. 11 Mile, 10 a.m.

Sunday, June 12
St. Paul's Lutheran church picnic. Bring passing dish and table service. Games, coffee and pop will be furnished.

Official ceremonies concluding another school year will get underway Friday, June 10 when 600 awards are presented at the annual Honors Convocation at Northville high school auditorium.

Classrooms close for the 1959-60 year for Northville public schools on June 15. Commencement exercises will be held at the high school Thursday evening, June 16.

Highlighting the Honors Convocation will be the presentation of the valedictorian and salutatorian medals to Edward Proctor and Raymond Dahl, respectively.

In addition 26 scholarships, the most ever awarded, will be presented to graduating seniors. A complete list of all honored graduates and their awards will be published in the June 9 edition of The Record.

A new innovation will be introduced at the Honors Convocation when all graduates completing their four-year high school education with a "B" average or higher are given gold-colored tassels to adorn their mortar boards.

The June 10 ceremony will open with the Star Spangled Banner under the direction of Leslie G. Lee, high school music director.

Senior Class President David Nash will lead the flag salute and give the invocation.

A brief address by the Rev. Paul M. Cargo, pastor of the First Methodist church will precede the presentation of awards.

High School Principal E. V. Ellison will present each of the honored students to Superintendent of Schools Russell H. Amerman for presentation of the awards.

Honors to be accorded in addition to scholarships include athletic, cheerleading, band, special scholastic and choir awards.

Arrangements for the Honors Convocation were made by the faculty by Chairman Merritt Meaker and LaGene Quay, while student chairman was Carole Taber.

The program will begin at 8 p.m.

Library Announces New Summer Hours

The Northville public library will start its summer schedule of hours beginning this Friday.

The new hours will be: Monday through Thursday, 11:30 a.m. until 8 p.m.; Friday, 10 a.m. until 5 p.m. The library will be closed on Saturdays.

Summer hours will be observed until Labor Day.

City Ready To Test Assessment

Northville will set a precedent, which may eventually become commonplace, when initial steps are taken to establish a special assessment district on June 13.

The city council only recently adopted an ordinance giving it the power to special assess property owners for improvements which add to the value of their property.

This procedure is commonly used in many communities when streets are paved or sewers installed. Northville has maintained a policy of paying for these improvements from the general fund monies, however.

(This policy applies only to the "old" section of the city. New subdivisions and newly annexed areas pay for their own improvements.)

The city's special assessment ordinance gets its first test in a rather complicated way — to help pay for an improvement that the city has had for many years.

The assessment will be made against Oakland county residents of the city for use of the Wayne county Middle Rouge interceptor sewer.

Property owners residing in the Oakland county section of the city between Taft and Novi roads will come under the special assessment district. This area is made up chiefly of Oakwood subdivision.

Specifically, these property owners must pay for entrance into the sewer district. Wayne county residents have already paid the assessment. By contractual arrangement the charge has also been paid by developers of Northville Heights, Yerkes Estates and the school-owned property.

In dollars and cents the charge amounts to \$100 per acre plus a three percent charge for administrative costs. The fee will be collected by the city but is paid to Wayne county.

Individual lot owners will be charged according to the size of their lot in proportion to an acre. After the assessment is made the owner will have 60 days to pay without interest. Payment may be divided into installments of not less than \$10 each. Larger assessments — on open acreage in the area — may be spread over 15 years.

Property owners in this special assessment area residing within the boundaries of the original city limits (chiefly Oakwood subdivision) will pay just 50 percent of the assessment. The other half will be paid from the general fund. This arrangement has been suggested because these taxpayers have contributed to the city general fund from which some of the funds for payment of the interceptor have come.

Actually, the June 13 public hearing will be called to establish the district and give the city assessor permission to spread the assessment on the roll. Another public hearing will be necessary when the exact determination of each individual assessment is made. The average charge to Oakwood subdivision residents is expected to total \$20.

The June 13 hearing will be held at 8 p.m. at the city hall.

Local Store Owner Suffers Heart Attack

Harold Corbin, owner of Corbin's Jewelry store at 124 North Center street, was listed as "critical" this week at Community General hospital. He was taken to the hospital May 23 following a heart attack.

Corbin took over the former Lucius Blake Jewelry store three years ago, but has maintained his home in Johannesburg, near Gaylord, where his wife and three of his six children reside. Mrs. Corbin is now in Northville and is conducting business at the jewelry store.

'Old Pro' is New Coach Here

A 32-year-old father of three children, who once played half-back for the Detroit Lions' professional football team, has been appointed varsity football coach at Northville high school, Athletic Director Al Jones announced this week.

Ronald "Ron" Horwath, who has been head coach at Shrine high school in Royal Oak for the past seven years, will take up the reins dropped recently by Coach Ron Schipper who will move to Jackson next fall.

A graduate of the University of Detroit, Horwath will also teach mathematics at the high school as does Schipper.

The new Northville coach was graduated from St. Gregory high school in Detroit. He was elected to the all-state football team and was given the "most valuable" Detroit player award during his senior year.

He played football for a short period with the Michigan State Spartans before serving two years in the army. After his discharge from the service, he entered the University of Detroit where he became a star gridder.

During his junior year at the university, he was drafted by the Detroit Lions organization. He joined the Lions in 1952 as a defensive halfback, but suffered a head injury in an exhibition game shortly thereafter and was placed on the club's reserve list.

After his injury, he coached the freshman football squad at the University of Detroit for one year before taking over the coaching job at Shrine high school.

During the past two years, Horwath's high school teams lost only one league game in the First Division-West Side Catholic conference.

Shrine won the championship last season and finished second the previous year.

Horwath will replace a coach who has compiled an enviable record at Northville during the past four years. Since 1955, Schipper and Don "Dutch" Van Ingen, have turned out four championship teams in seasons of 7-1-1, 8-1, 9-0 and 8-1.

With the conclusion of the grid season last year, Northville stretched its string of league victories to 32 games.

Van Ingen, who coaches the varsity basketball team here, will continue as an assistant football coach next fall under Horwath.

WELCOME TO NORTHVILLE RON — Athletic Director Al Jones (l.) welcomes Ron Horwath, newly appointed head football coach, to Northville. Currently of Oak Park Horwath will succeed Ron Schipper as varsity coach next fall. Schipper will assume new duties at Jackson.

about WOMEN

2-Thursday, June 2, 1960—THE NORTHVILLE RECORD

It's Flower Show Time Saturday

WHEN YOU SEE the floral arrangements that make up the decorative scheme of the Woman's National Farm and Garden association flower show this Saturday, you can be pretty sure they were made by this group. The annual event, which this year has as its theme "The Orient Comes to the Flower Show", will be staged at the Community Building from 2:30 until 9 p.m. Mrs. George Kohs is general chairman and Mrs. N. K. Pattison, co-chairman. Pictured above working in the summer house of Mrs. William Walker, Jr. are (l. to r.): Mrs. T. G. Hegge, Mrs. Harvey Whipple, Mrs. Glenn Cummings, Mrs. Ernest Wood, Mrs. R. J. Wright, Mrs. John Burkman and Mrs. Orson Atchinson.

LAUNDRY AND DRY CLEANING

144 N. Center Northville FI-9-0636

Members of the Woman's National Farm and Garden Association are using their influence with the weather man this week to bring favorable conditions for roses, peonies, lilies and iris that are to be used in flower arrangements for the annual flower show next Saturday from 2:30 to 9 at the community building.

For new gardeners, the section "Down the Garden Gate" will help them to know and choose the better varieties of shrubs and perennials. Those interested in making table arrangements for special occasions will find Section B of special interest. Another section will be devoted to table settings for weddings, holidays and birthdays.

A special feature of the show will be a large display of plants grown by the boys at Wayne County Training school under the direction of Fred Burn, with his helpers — Freddie Martin, Thomas McDonald, Roger Hannan and Lonnie McBee.

Dr. Pasquale Buoniconti, director of the school, is a strong believer in the therapeutic value of horticulture in the school's program and these exhibits are intended to show the community the excellent work being done by its young people.

Juniors up to the age of 15 years are urged to exhibit. They should call Mrs. F. S. Jennings for information. All adults are invited to exhibit and to come to see what is being done in gardens of this area.

Irene Wick, daughter of Doris Wick of Six Mile road, will graduate June 9 from Michigan Lutheran Seminary, Saginaw. She has been a cheerleader for four years, class secretary for two, student council secretary during her senior year, and queen of her sophomore and senior classes. After graduation she will attend Virginia Farrell beauty school in Detroit.

Mrs. Gordon Fuller of Detroit was the honored guest at a stork shower May 22 given by her mother-in-law, Mrs. Howard Fuller, of Seven Mile. Thirty-six guests were present.

Robert Bradshaw, son of Mr. and Mrs. Bruce Bradshaw of Sheldon road, returned to Central Michigan university yesterday to resume his studies after being home for a week to attend the wedding of his brother, Lt. Kent Bradshaw.

Northville Adult Camera club's next meeting will be held at the library June 8, 8 p.m. "Around the World in 80 Days" will be shown by Jone Palmer.

Mr. and Mrs. James Littell and Dr. and Mrs. W. L. Howard spent the Decoration Day week end at the Littell cottage in Glen Arbor.

Mrs. Walter Couze was hostess to a stork shower and luncheon for Mrs. Donald Howe, the former Catherine Kampf, at her home on Seven Mile road Wednesday.

Houseguest of the William C. Sligers over the Memorial Day week end was Mrs. Sliger's mother, Mrs. William Hossfeld of Niles.

Mr. and Mrs. Wayne Wilcox of Seven Mile road entertained Mr. and Mrs. Wayne Anderson and Mr. and Mrs. Van Horn of Grosse Pointe and Mr. and Mrs. David Aubrey of Birmingham at dinner last Saturday night. Mr. and Mrs. Anderson remained as house guests over the Memorial Day week end.

A bon voyage luncheon party for Mrs. John Bruce of Los Angeles was given by the members of the Detroit Book club, at the home of Mrs. Laurence A. Masselink of Seven Mile road last Wednesday.

Mr. and Mrs. Blake Couze, Mr. and Mrs. William Secord and Mr. and Mrs. Alvin Wistert spent Memorial Day week end at the Couze cottage at Douglass lake.

Mrs. Orson Atchinson, Mrs. George Alexander of Northville and Mrs. Norman Atchinson and daughter of Plymouth attended the "Flower Drum Song" play, at the Riviera theater last Saturday.

A bridal linen shower for Sandra Burns of Plymouth township was given by Mrs. Jack Willis last Friday night at her home on Dunlap street. Mrs. Walter Palmer was co-hostess for the 25 guests.

Janice Howarth To Join Honor Society

At the annual Honors Convocation at Alma college it was announced that Janice Howarth has been selected to join the Gamma Delta Alpha Honor Society. This society is affiliated with the Mortar Board which is a National Honor Society. Miss Howarth also served as president of her sorority, Alpha Theta, this past year. She is the daughter of Mr. and Mrs. J. D. Howarth of Seven Mile road and was a member of the 1957 graduating class of Northville high school.

Mr. and Mrs. Howard Atwood and daughter, Ardyce, spent the Memorial Day week end at their cottage at Ore lake Sunday guests were Mr. and Mrs. Donald Atwood and son, Scott.

Mrs. Walter Palmer arrived last Thursday from Juniper, Florida to spend a week with her parents, Mr. and Mrs. Jack Willis of Dunlap street. Mrs. Palmer is the former Judy Junod.

You Can Help Buy Ambulance For Hospital

If a small group of area women have their way, Northville State hospital will be sporting a brand new ambulance one of these days. Behind the ambitious project to purchase an ambulance for the mental health hospital are the women of the auxiliary.

A group of volunteers, they'd like more women to join and spend part of their spare time working at the Seven Mile road hospital.

Mrs. C. M. Hammond of Northville, corresponding secretary for the auxiliary, said that volunteers to work in the lobby gift shop are now needed.

A new project, the gift shop is open daily from noon until 4:30 p.m. Mrs. Hammond explains.

"We could use women to work at the gift shop any day in the week, or if someone is able to make items that could be sold in the shop, we could use this help, too," Mrs. Hammond added.

Area women who are interested in joining the Northville State hospital auxiliary can contact Mrs. Hammond.

Install New Officers Of Plymouth C.A.R.

The Plymouth Corner's Society of the Children of the American Revolution (CAR) held its installation meeting last week Tuesday at the home of Mrs. Claude Crusee, 43180 West Nine Mile road.

Installed as new officers were: Linda Barney of Plymouth, president; Richard Martin of Northville, vice president; Debbie Older of Northville, treasurer; Vicki Merwin of Novi, secretary, and Glenn Jewell of Plymouth, chaplain.

Mrs. R. Willoughby of the Regent of Sarah Ann Cochrane, Daughters of the American Revolution (DAR), installed the new officers.

A dinner followed the installation.

To Close Scout Year With June 8 Coffee

Adult members of the Northville Girl Scout association will end this scout year with a "coffee" June 8 at 10 a.m. in the home of Mrs. Francis Jennings, 4411 West 11 Mile road.

All registered adult scouts and Northville Neighborhood association, including leaders, co-leaders and troop committees, are invited.

Eagles to Install Officers Here Friday

Installation of officers will highlight a meeting tomorrow night of the 'Eagles Aerie and Auxiliary Number 2504.

Members of the Hazel Park organization will conduct the installation exercises which will begin at 8:30 p.m. in the Union building. Lunch and refreshments will be served following the exercises.

Downing, Bradshaw Vows Spoken in Middletown, Ohio

Elizabeth Ann Downing and Lt. Kent Weldon Bradshaw were united in marriage Saturday, May 28 at the First Presbyterian church, Middletown, Ohio.

Dr. Russell Galloway officiated at the single ring rite before an altar arrangement of white gladiolus, white snapdragons and peonies. Palms, rhododendrons and potted ferns tapered in seven branched candelabra formed the background. Alternate pews were marked with clusters of white chrysanthemums and huckleberry foliage, tied with white satin ribbons.

The bride is the daughter of Mr. and Mrs. Morris James Downing of Middletown, Ohio. The groom is the son of Mr. and Mrs. Bruce Burton Bradshaw, 19051 Sheldon road, Northville.

The bride, given away by her father, wore a formal gown of silk organza featuring a basque bodice and chantilly lace, re-embroidered with pearls framing the sabrina neckline and shoulders, while short sleeves were edged with shirred organza. The full skirt of lace and organza was accented by appliques intricately placed and flowed to a chapel-length train. Her illusion veil was caught to a large organza bow trimmed with seed pearls.

She carried a triangular cascade of Fleur d'amour stephanotis and lilies of the valley, combined with trailing ivy.

Maid of honor and cousin of the bride, Becky Roof, and bridesmaids, Eleanor Carse of Chicago, Ellen Kenney and Janice Roof, cousin of the bride, both of Middletown, and Susan Donley of Columbus, wore identical gowns of apricot ice checked with silk organza. The fitted bodices featured tulip necklines and short cap sleeves. The bell-shaped redingote skirts ended in ballerina length. They wore small bands of velvet ribbon topped with a bow, streamers and circular veil. They carried white baskets filled with apricot colored roses, daisies and blue delphinium tied with apricot ribbon.

Attending the bridegroom as best man was his brother, Robert, and ushering the guests to their seats were Jerry McCarthy of Detroit, Jim Downing, brother of the bride, of Middletown; Don Frey of Evanston, Illinois; William Maxom of Lexington, Kentucky and Ralph Pritchard of Hastings, Michigan.

Mrs. Downing, mother of the bride, was dressed in green organza with matching accessories and carried white cymbidium orchids on her clutch bag.

Mrs. Bradshaw, mother of the groom, chose a gown of beige organza and carried creamy beige and green cymbidium orchids on her pearl bag.

A reception followed the ceremony at the home of the bride's parents.

The new Mrs. Bradshaw is a member of Delta Delta Delta sorority at Denison university and the groom is a lieutenant in the U.S. Air Force and is affiliated with Delta Upsilon fraternity at Denison university.

O.E.S. Will Entertain With Potluck Dinner

Orient chapter No. 77, O.E.S. will hold a "Friend's Night" potluck dinner and initiation Friday, June 3 at 6:30 p.m. in the Northville Masonic Temple.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

MR. AND MRS. SAM KARNACK and their year-old daughter, Sharon, formerly of Crystal Falls in the Upper Peninsula, now live at 224 Linden.

Sam and Susan Karnack were born and raised at Crystal Falls in the Upper Peninsula — but they find the small community atmosphere of Northville almost as pleasant as in their hometown.

The young Northville couple met in high school and were married after graduation. After their marriage, Mr. Karnack spent three years in the air force — part of

the time in the Pacific area. Immediately after his "hitch" in the service, the Karnacks moved with their little daughter, Sharon, who had her first birthday Tuesday, to Plymouth where Mr. Karnack is employed with the Burroughs corporation.

Last month the Karnacks moved to Northville to live in an apartment, at 224 Linden street.

Mrs. Karnack, who is currently employed by Gussell Drug store, took a nurses training course at Northwestern university after high school. She plans soon to complete 12 more weeks of training to qualify for a practical nurse's certificate. Mr. Karnack is a sports enthusiast, but likes to "dabble" in art. He attended art school while in the air force.

Three Student Recitals Scheduled This Week

June will be greeted in Northville by a chorus of recitals. With the conclusion of the season at hand three recitals are scheduled this week end beginning tonight by Northville music teachers. The first will be presented tonight (Thursday) at Our Lady of Victory church social hall. It will include the piano pupils of Mrs. Barbara Gantman, Mrs. John Hlohinec and Mrs. Lucille Jones.

The program will begin at 7:30 p.m. and will feature piano solos by some 37 students of the teachers. Piano selections by Mrs. Hlohinec and Mrs. Jones will conclude the program.

On Friday evening at St. Paul's Lutheran church hall the pupils of

Selma Schinute will present a piano and organ recital. The annual recital will begin at 7:30 p.m.

The program will feature 41 separate performances by Miss Schinute's pupils including organ and organ solos, a piano duet and several selections with both the piano and organ.

The Schinute recital will be opened with a welcome by Jack Keyes. Jack Fairchild, a professional musician who was for many years a member of the Cavaliers musical trio, will present a musical monologue at the organ.

Sunday at the Fellowship hall of the First Presbyterian church the G. D. Gardner Studios will present a piano recital at 4 p.m.

The recital will consist of Gardner's piano students from grades one through five.

Among the 26 selections of solos and duets that will be presented will be H.M.S. Pinafore, In a Persian Market, A Song of India, The Anvil Chorus and Tales from the Vienna Woods.

All of the recitals are open to the public.

Blood Bank Staffers Help Out at Livonia

Local blood bank officials staffed a special industrial bank yesterday (Wednesday) at the Chevrolet plant in Livonia.

The bank was one of several in Detroit area factories which are staffed by Wayne county blood bank chapters.

Participating in the bank were: Registrars, Mrs. Emma Reid, Mrs. Ivy Brown, Mrs. John Litzenberger, Mrs. Jim Green; temperatures, Mrs. Willis Bartsch, Mrs. Teresa McClintock; bottles, Mrs. J. P. Cunningham and Mrs. Robert Dixon.

History, Miss Ruth Knapp, Mrs. Dunnabeck; canteen, Mrs. Jesse Boyd, Mrs. Lydella Ely, Mrs. John Ling, Mrs. Lee Heaton; observation, Mrs. Cliff Winter; and donor room assistants, Harry Crofts and Mrs. Arthur Carlson.

Blood bank workers were guests of the management at a noon dinner.

Receives Degree At Valparaiso

Karen Louis Pelt, daughter of Mr. and Mrs. James R. Pelt, 43350 West Ten Mile, was one of 360 students to receive degrees at Valparaiso (Ind.) university commencement exercises Sunday, May 29.

Lowell Thomas, internationally famous world traveler and NBC news commentator, gave the commencement address on "The Golden Road to Samarkand". A 1910 graduate of Valparaiso university, Thomas received an honorary Doctor of Humane Letters degree during the program.

Miss Pelt was awarded a bachelor of arts degree from the college of arts and sciences.

They Learn and Enjoy Barbeque Cookery

A chicken barbeque was enjoyed by the women of the Robinson group of the Wayne County Home Economics Cooperative Extension last Wednesday noon at the home of Mrs. Roy Birmingham of Livonia. The lesson on barbeque cookery was given by Mrs. Steven Cherne, Mrs. Alfred Brewer and Mrs. Richard Scruggs.

The next lesson will be on June 29 at Mrs. Richard Scruggs of Plymouth.

KITCHEN DIARY

Best Cheese Cake You Ever Tasted!

If you like cheese cake, here's a recipe you'll surely want to try.

According to Mrs. Richard Kay, it's the best she's ever eaten!

She admits it takes quite a little time to prepare, but the results are worth the effort.

CHEESE CAKE

Mrs. Richard Kay
Combine 1 cup graham cracker crumbs (six double crackers) with ¼ cup soft butter and stir until well blended. Press into bottom and sides of 8-inch layer pan or pie pan.

For filling let stand at room temperature until soft 11 ounces of cream cheese. Add and blend until smooth two well-beaten eggs, ¼ cup sugar and ½ teaspoon vanilla.

Pour into prepared pan and bake in moderate oven of 375 degrees for 20 minutes. Cool thoroughly.

Combine 1 cup sour cream, 2 tablespoons sugar, ¼ teaspoon vanilla. Spread sour cream mixture evenly over completely cooled cheese filling.

Bake in hot oven of 475 degrees for 8 minutes. Top is not supposed to brown.

Cool at room temperature, then chill. Makes 8 servings.

Plan Spaghetti Dinner

A spaghetti dinner to help raise funds to purchase robes for the Bell Ringers of the First Presbyterian church will be sponsored Wednesday evening by the Presbyterian choir groups.

The dinner will be held between 5 and 7 p.m. at the church. Adult tickets are \$1.25 and children, 75c.

Patricia Sworthwood Weds Donald McLeod

Miss Patricia Sworthwood of Northville and Donald McLeod of Cheboygan were united in marriage by Justice E. M. Bogart on Saturday, May 29. Robert Cornican of Cheboygan and Miss Roberta Fookes of Owosso were the attending witnesses.

Men Trade Coats for Aprons

Members of the Men's club at St. Paul's Lutheran church traded coats for aprons last week — and if the compliments keep coming in, the trade may become permanent.

More than 125 persons attended the 10th annual mother-daughter banquet sponsored by the Lutheran Laymen's League. Although the entire meal, featuring swiss steak, was prepared by the temporary male cooks, not a mother or daughter complained of stomach

pains. Instead, they had nothing but compliments, officials noted.

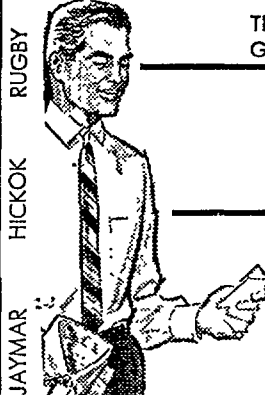

Chairman of the talented kitchen crew was Nelson Liebold. Elmer Scheunmann, chairmaned the dining room, and Floyd Taylor was chairman of the entire program.

Mrs. Glenn Diebert was the toastmistress, Eunice Thurman gave the toast to the mothers, and Mrs. Donald Kreeger, toast to the daughters. Fred Fischer, president of the League, welcomed and introduced the guests.

Wixom Council Adopts Record Fiscal Budget

A fiscal budget calling for a record expenditure of \$154,723 was approved by the Wixom council Thursday night with hardly a discordant note sounded throughout the evening.

The quiet, speedy budget hearing contrasted sharply with last year's stormy session which lasted eight hours — until nearly 4:30 a.m. Last year's budget called for an outlay of \$128,180.

Wixom's 1960-61 budget, approved unanimously by the council after two hours of discussion, calls for a tax levy of 5.355 mills based upon state equalized valuation of \$19,514,480.

Under this new millage setup, the city starts with its own assessed valuation of \$11,237,155, applies the state equalized factor of 1.7366, to come up with \$19,514,480 valuation. Last year the city levied 7.88 mills based upon the city's assessed valuation of \$9,763,920 for an estimated revenue of \$74,430 from city taxes.

This year, the decreased millage applied against the greater state equalized valuation of Wixom property will result in an estimated \$103,572 taxes.

Under the charter the council has the power to levy up to eight mills. Because eight mills would not have been sufficient to meet the new budget expenditures, the council chose to use state figures, thus providing a means for raising more money.

According to Mayor Donald Brooks, taxpayers will pay fewer taxes next year even though city taxes will be higher. The reason for this small reduction, he explained is because the county's reduced equalized factor for Wixom will result in less county and school taxes.

Revenues from other sources under the budget, including such items as sales tax, highway funds, building permit fees, liquor permits, are estimated at \$51,151.

The largest single outlay — \$18,000 — is for a new paving fund. Monies from this fund, which will continue over the next five years, will be used to pave the city's major roads. Less than half of this fund is expected to be used this year for a primary hard surface on one mile of Potter road.

Part of this allocation will be lumped with another appropriated \$18,000 next year for primary surfacing of two miles of roadway.

A salary increase for the city attorney stirred the greatest disagreement among the council members. The original budget called for an increase of \$600, but Attorney David Utley urged the council to consider an \$1,100 increase as recommended by the mayor since, according to Utley, he had been working at a lesser salary than other attorneys in similar positions.

After two informal polls of the council's opinions, the members agreed to the larger increase upon cutting of the police department's gas-oil-maintenance allocation by \$500.

Other budgeted salaries include: clerk, \$3,300; treasurer, \$2,500; justice of peace, \$2,400; combined assessor and building inspector, \$5,500; police chief, \$5,500; police lieutenant, \$4,900; public works administration, \$5,500; and mayor and councilmen, \$750.

Other major outlays: Fire department, \$4,000; street lighting, \$2,400; rubbish removal, \$2,550; planning consultants, \$6,600; fire protection contracts, \$5,950; road oiling, \$5,900; and road gravel, \$4,000.

Even before considering the budget, the council took up the following matters:

Approved the mayor's recommendation to remove a third telephone line from the city offices; took initial steps calling for a public hearing on proposed rezoning of UAW property on Wixom road across from the Lincoln plant; reappointed Del Bourgeois and Henry Madigan and appointed Elwood Grubb to the city planning commission;

decided to contract with Gus McCreeley for a special trash pickup this year for \$75; informed the public that Wixom residents who secure written permission from the city hall may dump rubbish in the McCreeley landfill off 12 Mile road beginning June 10;

accepted and set into motion details of a holiday-absenteeism pay report by Councilwoman Mrs. John Chambers.

While holding various municipal offices in Wixom he has become closely associated with many of the planks in the Democratic platform as well as with a number of key Democratic officials.

A resident of Wixom for the past 17 years, Stadnik was born in Detroit and raised in Dearborn. He was a member of the Wixom village incorporation committee, city charter committee, was the first and only president of the village, became the first mayor of the city, has been Wixom's delegate to the state Democratic convention for the past two years. Currently he is a member of the Wixom planning commission, the Oakland county Democratic committee, the Southwestern Regional Planning commission, P-T-A, Lions club and the Wixom Civic association.

Married, he lives with his wife and 12-year-old son at 49438 Fourteen Mile road. He operates an auto dealership in Plymouth.

Stadnik Seeks Senate Seat

Former Wixom Mayor Joseph Stadnik has pitched his political hat into the race for the state senate.

The 39-year-old resident of Wixom began circulating petitions this week to qualify himself as a Democratic candidate for the seat in the 12th Senatorial District. The senate seat currently is held by Republican L. Harvey Lodge.

Lodge reportedly will not seek reelection. Two other Democrats are expected to run against Stadnik in his first attempt to win a state office.

Stadnik's decision to not seek reelection as mayor of Wixom earlier this year was considered by several of his friends as an indication that he would eventually carry the Democratic banner into a race for state office.

Novi Library to Get Boost

PAINTING BEE — Members of the West Shore Community association pitched in last week to paint the Novi public library building which will be opened for the first time next fall. The two-coat job took the enthusiastic members only two evenings to complete—although rain forced postponement several days.

Launch Campaign Saturday

Anxious to guarantee the success of the Novi public library to be opened next fall, library committee members wrapped up final plans Tuesday for the library week campaign which will be launched Saturday.

Plans call for some 35 volunteer men and women to start a door-to-door solicitation Saturday for financial donations to help support the library. These volunteers will attempt to visit each home in Novi.

At least five women will captain the volunteer crews. They are: Mrs. David Fried, Mrs. Dirk Groenenberg, Mrs. Robert LeWitter, Mrs. Bernard Marchetti and Mrs. Charles Wallace.

During the week-long campaign, which will end June 11, citizens will be asked to become "Friends of the Library" — members with donations of \$10 or more. However, all donations, smaller or larger, will be greatly appreciated, library officials stressed.

By becoming a "friend", a citizen will have his or her name imprinted inside the book or books purchased by the donation. Such a membership does not however, entitle a resident to free library service. Once the library is opened next-fall, a fee of \$3 per family per year will be charged.

Each volunteer solicitor will carry a book list, and if possible, will permit the donor to pick out the book or books he would like to purchase.

Other library week developments include the erection of a large banner in front of the lawn, proclaiming the campaign week, the placing of posters in business places throughout Novi, and a bake sale on the library lawn June 11 sponsored by the First Baptist church of Novi.

Donations from other churches and organizations are growing steadily, officials report. To date these organizations have either given or pledged their support:

Farm Bureau and Blue Star Mothers, a large dictionary; Methodist church, six children's chairs and \$30 worth of books; West Shore association, painting and repair of the library building; and Willowbrook association and Mothers' club, encyclopedias.

A sign designating the library as the "Novi Public Library, Frank D. Clark Memorial", will be erected soon in front of the building — donated to the township for use as a library by the National Bank of Detroit.

The late Frank Clark, a former township supervisor, left an undetermined amount of money to the township that presumably will be turned over to the library board for operation purposes.

Tonight (Thursday), the library committee will hold an incorporation meeting at 7:30 in the library building. Sanford Sawyer has been named president of the new library board, Mrs. Wardell Lyke, secretary-treasurer. The public is invited to the meeting.

Jacques Appointed Legal Court Advisor

Appointment of Emery Jacques of 40293 Mallot in Willowbrook subdivision as legal advisor to the Oakland county probate court has been approved by Judge Arthur E. Moore.

Jacques began his career with the county as probate court clerk in April 1959. In August of the same year he was appointed attorney for the adoption department.

A 1958 graduate of the University of Detroit Law school, 31-year-old Jacques is a director of the Novi Citizens' Development committee and was instrumental in the committee's action to secure a state park for the Novi area.

Registration Deadline Friday For School Board Elections

School officials reminded area residents this week that the deadline for registering for the annual school board election is tomorrow at 5 p.m.

Persons living in either the Walled Lake or the Northville school districts must register with the city clerks in their respective communities, and with the Novi township clerk if they live in the Novi school district.

With the election less than two weeks away, Monday, June 13, the Novi School Study Group announced plans this week for a "get acquainted with your candidates" meeting next week Sunday at the community building beginning at 2 p.m.

According to Mrs. Wardell Lyke, president of the study group, the meeting will consist chiefly of a panel discussion by the five candidates seeking two Novi school board posts. The candidates include the two incumbents, Jack Crawford and Dr. Harold Morris, and three newcomers, Walter Ambinder, William Dean and John MacBride.

The discussion will center around four basic questions, Mrs. Lyke said. They are:

— Should Novi have a high school — and if so when?

— Are there any changes you

might make in the budget allocations?

— What are your views on the current movement for a return to basic education in the schools?

— Would you like to see any basic changes made in the curriculum of the Novi schools?

Mrs. Lyke, who will chairmen the discussion, indicated that other questions will be asked but that they will be related to these "basic points".

The two Novi seats up for election are for three year terms.

In other area school districts, four seats are up for election in both Walled Lake and Northville where the boards will be expanded to seven-member bodies. Two of the posts are for four years and two for three years.

The two Walled Lake incumbents are John Clark and Dwight Wiseman — both seeking four

year terms. Four other candidates seeking to fill seats resulting from the increase of the board membership are: Mrs. Barbara Scully, Samuel W. Burnley Jr., Julian M. Beals and Samuel R. Gardner.

Two propositions also will appear on the school election ballots. They include: (1) a proposition to authorize the school board to borrow money and issue bonds not to exceed \$250,000 for improvement of elementary, junior and senior high school facilities; and (2) a request for permission to levy one mill to pay off the bond bonds.

In Northville voters will elect four members to its expanded seven-member board from a slate of 13 candidates. The only incumbent is Dr. Waldo T. Johnson. The newcomers are:

(Three year term): Edward F. Angove, W. C. Becker, John P. Callaghan, Dr. J. K. Eastland, Charles A. Smith, Wilson D. Tyler, Mrs. George Weiss; (four year): Francis P. Gazlay, George F. Hollinger, Paul R. Hunt, James Kipfer and Mrs. Edmund Yerkes.

Appearing on the election ballot will be a proposition in which voters will be asked to approve or disapprove purchase of the community building by the school district from the city.

Deadline for obtaining dog licenses and having dogs vaccinated has been extended from May 31 to June 15 in Wixom.

The extension has been granted to allow time for the police department to complete a city-wide dog count.

EVERYWHERE ROCKS — Take a walk on the farm of Burton Munro, 25650 South Taft road, and you're likely to think there's a rock mine nearby. Of course there isn't, it's just that Munro and his wife have found a new hobby — rock hounding.

Couple Finds New Hobby As Professional Rock Hounds

At the age of 73, ol' Burton Munro swings an ax with gusto, slices a log as easily as cutting soft butter, and throws a slow but accurate bowling ball.

But even more remarkable than these physical attributes is the enthusiasm this Novi oldtimer displays for an exciting new hobby he started two years ago — "rock hounding".

With this new hobby, the saw mill operator is finding life more exciting than he did 20 years ago. "There's nothing like it," he smiles as he proudly proclaims that he is an old but good rock hound.

Rock hunting is neither a new or unusual hobby, but not many people get "the bug" at Munro's age.

The term "rock hounding" applies to any person who collects handsome and unusual rocks and minerals. A "prospector", on the other hand, searches for mineral deposits for mining purposes.

Rock hounding goes beyond the simple collection of colorful, eye-catching rocks. Identification and classification of rocks is probably the most fascinating part of the hobby for today's rock hounds.

But for Munro, finding rocks "is more fun than anything. I'm not a geologist so I don't know too much about these rocks, but I'm learning a little bit."

Two years ago Munro and his wife joined the Central Michigan Lapidary & Mineral Society. So now once a month the Munros pile their new rocks in the car and head for Lansing to a meeting of "real smart" collectors who are happy to identify their finds. Identifying rocks for the Munros is somewhat of a deserving reward for the enthusiasm the Novi couple sparks in the lapidary organization.

Although they are constantly seeking the aid of fellow members, the Munros don't attend meetings cold to the subject. Their home at 25650 Taft road contains piles of books and literature on rocks, their formations and characteristics. And the Munros have learned enough about these things to understand the geo-

WHAT'S INSIDE? That's the question that nags Munro whenever he finds a peculiar looking rock. So what is there to do but to cut 'em open.

Expect Another Capacity Crowd

In anticipation of a capacity crowd, Novi citizens this week requested council members to hold their next meeting in larger quarters.

"We're tired of being stuffed into the village hall room — and with the big crowd expected Monday the place will really be jammed," James Straus said Tuesday.

In light of the recent crowded meetings, Police Chief Lee BeGole has indicated that he may be forced to limit the number of citizens who enter the council chambers for "safety reasons".

One of the explosive matters to come before the council Monday will be the resignation of Village Manager Fred Olson.

Elect Ramay President Of West Shore Group

Harry Ramay, 1251 West Lake drive, was elected president of the West Shore Community association last week Wednesday in a meeting at Stone Crest hall in Walled Lake. He replaces Ted Christensen, outgoing president.

Also elected were Mrs. June Woodward, vice president, and Mrs. Charles S. Wallace, secretary. Roy Crites was re-elected treasurer.

Newly elected to the board of directors are Carl Wade, Emil Arbor, David Mengyan and James Louman. Holdover board members are Fred Simon and Charles S. Wallace.

Joseph Stadnik

Honor Parents With Dinner

By Mrs. George Ames — Greenleaf 4-0830

Mr. and Mrs. Robert Waugh of LeBost drive entertained 37 guests last Sunday at a dinner in honor of Mrs. Waugh's parents, Mr. and Mrs. H. W. Peters of Kalamazoo. It was the Peters' 40th wedding anniversary. Guests were present from Kalamazoo, Chicago, Monroeville, Ohio and Britton and Blissfield, Michigan.

Mr. and Mrs. James McCormick, Mr. and Mrs. Ken Milliken, Mr. and Mrs. Robert Andressen, Mr. and Mrs. Tom Rasmussen, Mr. and Mrs. Tom Dukes and Mr. and Mrs. Ted Coan gathered at the home of the Ed Blackwells Saturday evening, from which they went to the Canopy in Brighton for dinner.

The Clifford Brodersons of Meadowbrook road went to Detroit Saturday to attend the wedding of Mr. Broderson's cousin, Robert Broderson to Miss Doris Ann DeCaire at St. Jule's church. They also attended the reception at San Marino hall.

The Faculty Wives of Farmington high school gathered at the Livonia home of Agnes Peace last Wednesday. Nancy Broderson and Phyllis Graham attended from Willowbrook.

Dr. and Mrs. Paul Radjens of West LeBost are happy to announce the birth of a son, Warren Anthony, on May 20th at Mt. Sinai hospital in Detroit. The baby's birth weight was eight pounds and 11 ounces. The Radjens have two older children, Paula, 3, and Steve, 1. Mrs. Radjens is the former Joyce Leathers, daughter of Mr. and Mrs. Harold Leathers of Detroit.

Irene McCormick was hostess to the Tuesday Bridge club last week.

Madonna Graduates 42 on Saturday

Degrees will be conferred on 42 Madonna college graduates Saturday at 4 p.m. in DeSales auditorium by the Most Rev. John F. Dearden, Archbishop of Detroit. Addressing the graduates will be Merritt D. Hill, vice president of Ford Motor Motor company and general manager of the Ford tractor division.

A bachelor of arts degree will be granted to 16 lay students and 24 sisters, and a bachelor of science degree to one lay student and one sister. Graduation Mass will be celebrated at 10 a.m. in the campus chapel by Fr. James T. Shannon, head of the Theology and Philosophy division of the college. There will be a reception for the graduates and their guests after Mass.

Summer vacation will begin after graduation exercises Saturday

Goodwill Truck Pickup Scheduled for Monday

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Monday.

Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Maybury Men's club, FI-9-2682 or ask the operator for toll-free, Enterprise 7002.

Girls Seek Man

Here's an opportunity that no enterprising young man should overlook.

You can have your own "team" of young women!

Specifically, the team is the Smith Products girls' softball team. Composed of girls 16 and over, the team is seeking a male manager for the coming season.

Of course, applicants should know something about softball. The team is part of the recreation league.

Any man who believes he can qualify is urged to call FI-9-3252.

Brothers Enter Law, Business Adm. Schools

William A. Bake, Jr., son of Mr. and Mrs. William A. Bake of 418 East Main, will receive a B.A. degree June 6 from Albion college. In September William will enter the University of Michigan law school.

His brother, Robert, completes his sophomore year at Albion college this term and will enter Dearborn Center, a division of the University of Michigan, this fall as a business administration student.

OUTSTANDING OLV HISTORY STUDENTS — The two Our Lady of Victory school students are shown receiving certificates from representatives of the Sarah Ann Cochrane chapter of the Daughters of the American Revolution (DAR) for outstanding achievement in American history classes. Pictured are (l-r): Mrs. Robert Willoughby, regent of the chapter; Mrs. H. W. Blomberg, chapter historian; Patricia Carroll and Mary Heslip.

LIBRARY BOOSTERS — Members of Girl Scout Troop 149 last week planted an evergreen tree, purchased with funds from the troop treasury, in the yard of the Novi public library. More than half of the troop membership is shown above watching Betty Monger turn the first shovel of dirt. The two troop leaders are Mrs. Nancy McBride and Mrs. Diane Ward.

Nurses Graduate at Northville State Hospital

Forty-two psychiatric nurses completed a basic course of instruction and graduated May 27 at Northville State hospital.

These attendant nurses, whose employment at the hospital range from one to six years, earlier completed the orientation course of 40 hours. The basic course covers an instruction of 200 hours, given by Mrs. Betty Klingelsmith, RN, other nurses, psychiatrists, psychologists, social workers and occupational therapists.

The essential purpose of this training is to improve the class members' mastery of skills necessary for good patient care. There is also the opportunity for them to become better acquainted with the

work of the various professional people in the hospital through lectures by them. These attendant nurses also learn that many patients are not only psychiatrically ill but also physically ill, with the importance that these needs also be met.

Instructions include instructing the attendant nurse with the necessary skills to assist in intravenous feedings and in providing patients with proper bed care.

Among the graduates were: Lucy Steeper, 19320 Marilyn; Dorothy Dresselhouse, 19730 Marilyn; Sandra Christner, 734 Spring drive, and Florence MacDermid and Thelma Wurst of Walled Lake.

-In Uniform-

Pvt. Harry L. Vermillion, 19, son of Mr. and Mrs. H. E. Vermillion, 1922 Meadow Ridge road, Walled Lake, completed the camera equipment repair course May 5 at the Army Signal School, Fort Monmouth, New Jersey.

Vermillion was trained to maintain and repair still and motion picture cameras and related equipment.

He entered the army in November 1959 and completed basic training at Fort Leonard Wood, Mo.

Vermillion is a 1959 graduate of Walled Lake high school.

IN WIXOM:

First Graders Visit the Farm

By Mrs. Charles Ware — Market 4-1601

Mrs. Lowell Nicolay was hostess to the first grade pupils of Wixom elementary school Thursday of last week. The pupils were supervised by their teacher, Mrs. Underhill, and Principal Miss Mulder. The children were shown pigs and piglets and calves and chickens.

Dr. and Mrs. Val Vangieson and family were the guests of Mr. and Mrs. Merritt Marshall over the holiday week end.

Memorial Day guests of the Nicolays were Mr. and Mrs. Frank Krueger from Lincoln Park and Mr. and Mrs. Otto Krueger from Dearborn.

Mr. and Mrs. Fred Thayer were Memorial Day guests of their daughter's family, the Joseph Stadnicks.

Mr. and Mrs. George Tuck of Detroit celebrated their 25th wedding anniversary Saturday. Twelve couples helped them celebrate, including the Walter Tucks from Wixom and the William Tucks.

Mr. and Mrs. John Mills and Mrs. Bill Schultz were dinner guests of the Bill Mills honoring Bobby and Robin on their birthdays.

Mrs. William Caplinger of Flint spent a week recently with her daughter and family, the Robert Smiths.

Sunday guests of Mr. and Mrs. Everett Pearsall were Mr. and Mrs. Elmer Sturdevant from Pontiac and their son, Don, and his family.

Saturday Mr. and Mrs. Earl Pearsall from Mason and son, Harold, and family from Rives Junction were guests of the Everett Pearsalls.

Thursday Mrs. Maud Randall visited with Mrs. Nina Parker.

Friday, May 29 Mrs. Richard Weber and Mrs. Nolan Posey were hostesses at a pink and blue shower honoring Mrs. Donald Renard.

Ward Michaelig and John Ware drove to Indianapolis over the week end to watch the 500-mile race.

Mr. and Mrs. Joseph Callahan took their family to Belle Isle park Memorial Day.

Mike DePodesta spent the week end with his parents.

The Bernard Kitsons spent the week end at St. Johns as guests of Mr. and Mrs. Edgar Dunkel.

Mr. and Mrs. Michael Sullivan of Royal Oak were Sunday guests of Mrs. Charles Ware.

Episcopalians to Occupy
New Church Sunday

The Feast of the Pentecost, commonly called Whitsunday, will be observed by the members of St. John's Episcopal church with services at their new modern church located at 574 Sheldon road, Plymouth.

Ground was broken for the new church last September and the cornerstone was laid in November. Holy Communion will be celebrated by the Rev. David T. Davies at 8:00, 9:30 and 11:15 a.m. The Dedication service will take place on Thursday, September 15, with the Right Reverend Richard S. Emrich, Ph.D., S.T.D., Bishop of Michigan, performing the dedicatory rites.

2-FOR SALE-Real Estate

Too bad — four couples wanting that nice place with 3 1/2 acres. It's sold and at least one of them is real happy.

The 2 fam. nice home at the cor of W. Main and N. Rogers is priced as low as a single. Better take a look.

This neat as a pin 3 bd. rm. brick should make a prospective buyer jump to inspect faster than the fellow jumped that sat on a porcupine. A real buy in a nice home.

Or take an "inside" look at this neat and tidy 2 fam. on E. Cady. It will make the low priced home owner really prick up his ears.

Can you finance a home worth \$10,500 for sale at \$9,000. Big lot, gas heat and handy to town.

And if you are thinking of extra nice bldg. lots just out of town, better get the info. from me. I have some real nice ones.

Novi Highlights...

By Mrs. Luther Rix

Kathie Dawson celebrated her 17th birthday Sunday at a party at the home of her aunt and uncle, Mr. and Mrs. Donald LaFond, on 12 Mile road. Her guests, numbering 31, were classmates and relatives who arrived at 2 p.m. for games of croquet, archery and badminton. Many other games were in progress during the evening with the guests departing at 10 p.m.

Mr. and Mrs. R. Witteraele and three daughters from Detroit were dinner guests of the Richard Ritters on Memorial Day.

The William Rackovs spent the holiday week end at their cottage near Marion in northern Michigan.

The Russell Races were hosts at a dinner party Sunday in honor of their daughter-in-law, Mrs. Gerald Race's birthday. All members of the family were present including the honoree's mother, Mrs. William Kresin of Detroit.

Richard Ritter has completed his first year at the Arts and Crafts college, Detroit, and is home for the summer.

Two high school graduates are planning on attending Ferris Institute this coming year. They are Tommy Ritter, son of the Richard Ritters, and David LaFond, son of the Ray LaFonds, who will major in arts and crafts.

The John Pantalone and children visited the zoo in Detroit on Memorial Day.

The Duane Bells and children visited Mrs. Bell's brother and sister-in-law, Mr. and Mrs. Charles Trickey, Jr. and children in Tecumseh Sunday.

Charles Trickey, Jr. of Tecumseh was in town one day last week calling on friends and relatives.

Mrs. James Wilenius is a patient in Community hospital, Northville, for a few days this week.

Visitors at the Rex LaPlante home Monday were the Fred LaPlantes of Walled Lake, the James Wilenius and children of 11 Mile road and Elmo Richards and daughter, Marian of Southfield.

Mrs. Cora MacDonald is ill at her home on 11 Mile road.

Dinner guests of the Fred Garlicks last Sunday were Mr. Garlick's sister, Mrs. James Hagle and daughter, Marjorie, of Port Huron.

Mrs. Marie LaFond and her daughter, Mrs. Ernie Schultz, spent Sunday with the Fred Ashbys in Romulus to help Mr. Ashby celebrate his birthday. Mrs. LaFond and Mr. Ashby are brother and sister.

The Charles Klamers left for their home in Cincinnati Monday after spending three days with Mr. Klamers' brother and wife, the John Klamers of Novi road. Other visitors at the Klamers home during the holiday were the Ted Fairs and children, the William Klamers and children and the John Klamers and their son, Johnny. Cecil LaFond and son, Mark; Ray LaFond and son, David, and

Donald LaFond and Kenneth Bassett returned from a week's fishing trip to Bell lake in the Upper Peninsula with their full limit of rainbow trout.

Among the callers at the Rix home on Fonda street Sunday were Mrs. George Break of Detroit, Mrs. Erwin Petteingill, Mrs. Chas. Sdunk of New Hudson, the Rev. and Mrs. Elwyn Stringer of Ann Arbor, pastor of New Hudson Methodist church.

During the absence of Rev. and Mrs. Arnold Cook, who are on vacation, the Rev. Roy Grindell of Walled Lake will supply the pulpit at Novi Baptist church. Last Sunday Mrs. Del Vincent had a special hymn for the morning service.

The James Smarts were dinner guests of the Richard Nobles Thursday. During the evening a request hymn was sung over WMUZ-FM radio.

Clyde Button returned to his home in California Sunday by jet plane from Willow Run. He had been in Washington, D.C. on business for his company and on his return trip he spent a few days with his brothers and sisters in Michigan.

He visited his sister's family, the Gordon Blakeslees in Okemos; his brother, Rev. Ronald Button and family at Davison and Saturday evening visited his brother, Russell and family in Novi, and Sunday his sister and family, the Ray Warrens.

Debra Ward, daughter of Mr. and Mrs. Lester Ward celebrated her eighth birthday Tuesday, May 31. Attending her party were Gayle Watson, Joan Lamontagne, Linda Lewis, Barbara Berdhart, Denise Ward, Rebecca Caliguri, Sharon Freytag and Tony Brunner.

Dr. and Mrs. Walter Ambinder were honored at a luncheon at the Lester Ward home in Willowbrook last Friday. Dr. Ambinder, who is an assistant professor at Wayne State university, is being introduced as a candidate for the Novi school board.

Sunday evening ten couples were entertained at the home of Mr. and Mrs. Robert LeWitter where Mr. Ambinder was again introduced.

Friday evening, Mrs. Lester Ward will have a luncheon for several Novi folks giving them an opportunity to meet Dr. and Mrs. Ambinder.

Novi Blue Star Mothers
Novi chapter, Blue Star Mothers, will meet Monday, June 13 at the home of Mrs. Joe Gardella on 11 Mile road.

Mothers taking part in the Memorial Day parade were Mesdames Williams, Pennell, Klamers, Gardella, Race, LaFond, Smith and MacDermaid.

Novi Rebekah Lodge

The degree team will have full practice tonight (Thursday).

The birthday luncheon is scheduled for June 22 at 1 p.m. at the Novi community hall. Francis Curtis is general chairman and Margaret Marshall has charge of the tickets.

Novi Methodist News

The Commission on Education's regular meeting will be held at the church Tuesday, June 7 at 8 p.m. All teachers and officers are urged to be present.

Novi Baptist Church
The Baptist Sunday school is engaged in gathering trading stamps to be used for kitchen utensils in the new church.

The Unity Circle is sponsoring a cleaning bee at the church Saturday, June 4 under the leadership of Mrs. Nell Childress, president of the group.

Mrs. Lowell Sweeney assisted Mrs. Jack Anglin in the Junior church session and will be working with the 11 to 15 BY group Sunday evening. Mrs. Eugene Dallas is working with the younger BY group on Sunday evening. Both groups meet Sunday at 6:30 to 7:30 prior to the evening services.

Novi Girl Scouts

Intermediate Troop 149 planted a tree at the library last week. The following girls participated in the Memorial Day parade: Nancy Cotter, Janis Paquette, Carol Hector and Sharon Hazleton and Leaders Mrs. MacBride and Mrs. Ward.

Brownie Troop 902 had a cookout at Cass Benton park. The girls were accompanied by Leaders Mrs. Erwin and Mrs. Dorsey. They had sloppy joes, deviled eggs and some-mores.

Brownie Troop 1027 had a cookout in the woods near Orchard Hills. They had hamburgers and hot dogs and then played. This troop needs a leader for the fall as the present leader will not be continuing next year.

Brownie Troop 1023 is getting ready for the flyup to intermediate this coming Wednesday.

Intermediate Troop 602 made a shopping list for cookout. They also made invitations for the cookout and discussed the parade and decided who would carry flags.

Mrs. Smith's troop canceled the meeting this past week but will meet this week for the last meeting of the season.

Novi Library News

Anyone interested in spending a few hours each week in the library during the afternoon and evening contact Mary Wallace, director of staffing.

Volunteers are needed with or without library experience.

John MacBride, director of adult special activities, will conduct discussion groups on philosophy, psychology and photography.

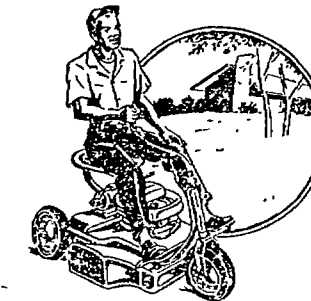

Work shop at Battle Creek is scheduled for the last week in July, July 24-29 inclusive, at St. Mary's Lake.

Used book donations must be submitted without reservations.

Novi chapter, Blue Star Mothers and South Novi Farm Bureau are donating a dictionary and stand for the new library. The WSCS of the Novi Methodist church is donating six kindergarten chairs.

SCHOOL'S OUT — The Northville Cooperative Play School Group concluded another year last Friday. The three-day per week school for youngsters between the ages of three and five is sponsored by the P-TA. It is held at the First Presbyterian church Monday, Wednesday and Friday. The school will open again next September. President of the cooperative group during the past year has been Mrs. Al Wistert.

Wins Tickets

Among the daily winners in the Shatterproof Glass corporation's annual "Suggestion Contest" was William E. Boyd, 624 Carpenter.

He has the choice of either tickets to "Ben Hur" or a Detroit Tiger baseball game. Grand Prize was an all-expense paid trip for two to Washington, D.C.

Commander Jets will be at the store to greet all the children between 10 a.m. and noon and 2 to 4.

Takes Police Course

Northville Police Officer Leonard E. Mazuchowski recently completed a 31-weeks' course in "The Police Officer and the Law" at the Detroit Police School.

The course was sponsored by Wayne State university and was given in cooperation with the Detroit police department and its corporation counsel, Nat Goldstick.

MY NAME IS
JAMES F. KIPPER

I WOULD LIKE YOUR
VOTE FOR THE NORTH-
VILLE SCHOOL BOARD
ON JUNE 13!

In asking for your support for this most important community position I believe an introduction to my qualifications is appropriate.

- Resident of Northville — 914 Ely Court — since 1958
- Two children in the Northville Public Schools
- Present Job — Coordinator, Michigan School Mental Health Project — a statewide training and research program for upgrading teacher skills in managing child behavior and improving classroom climate for learning.
- Education — Western Michigan University, AB Degree; University of Michigan, MA Degree.
- Member — State Curriculum Committee on Education of Exceptional Children — Northville Citizens Curriculum Study Committee — Board, Children's Orthogenic School, Detroit
- Veteran — U. S. Air Force — Captain (Ret.)

For my views on the Community Building referendum see page 9 of this paper.

In next week's issue of the Record I will present my reasons for seeking election to the Northville Board of Education.

American Legion News

Notes Disrespect for Flag

By Bob Collicott
Last Saturday the American Legion and auxiliary went to Maybury sanatorium to pass out cigarettes, ice cream and candy to the veterans in remembrance of Memorial Day.

Sunday the Legion, along with the Veterans of Foreign Wars, went to the annual Memorial service at the Lutheran church.

Students Attend Program on India

Friday, May 27 Miss Ione Palmer presented a program about India for Miss Kathleen Maskery's junior high school social studies class.

Gary Williams was chairman of the day and arranged an exhibit of books, pictures and souvenirs from the Middle East.

Mrs. Barbara Urbanovic's class and Mrs. Edna Huff's group were invited to participate. Records of Indian folk music opened the program.

Miss Palmer showed colored slides of the worshiping rites in the Ganges river at Benares, the Taj Mahal at Agra, the American Embassy at New Delhi. Miss Palmer wore a beautiful sari purchased in Calcutta and antique gold jewelry from Agra. Over a hundred students attended.

Jehovah Witnesses Hold Convention

The John Baddalutz family of 45065 Mayo court, Northville, was in Albion last week end where they attended a three-day convention of Jehovah's Witnesses held at the Armory. They were among the overflow crowd of 1,668 who heard witness minister, Peter D'Mura, talk on "Finding Peace in This Troubled World".

Mr. Baddalutz stated, "In view of world tensions stemming from the summit conference breakdown, this discussion of the Bible approach to peace was most timely. Mr. D'Mura interestingly described the futile plight of the nations in their quest for a lasting peace."

Said D'Mura, "Peace has eluded men like a slippery eel. Even though world leaders from both blocs of nations have waved the olive branch of peace, a world of anxiety and tension is still with us."

Basing his remarks on a Bible prophecy from Isaiah, D'Mura assured his listeners that, "Swords would become plowshares and spears become pruning knives", within our generation. He asserted, "Universal peace will become a reality, not by the efforts of men but by God's own means. His terms must be met."

Painting a word picture of the Bible promise of a peace-laden world, the speaker concluded his address by declaring, "People from all nations will mingle as one family; war and crime will be forgotten history. The Psalmist states that, 'the meek will possess the earth and they will find their delight in the abundance of peace.'"

Thirty-six persons took up the ministerial work of Jehovah's Witnesses after appointment by water baptism Saturday afternoon.

Hawthorn Nurses Attend Workshop

From six states 100 nurses and others interested in child psychiatric nursing attended the area's first workshop in that field May 27-28 in Cincinnati.

Problems that emotionally disturbed children present to their nurses were considered during the workshop, sponsored by the University of Cincinnati college of nursing and health graduate program in psychiatric nursing and the Child Guidance Home, a joint activity of Cincinnati Jewish hospital, Cincinnati university's psychiatric department, and the Community Chest of Cincinnati.

Cincinnati university's training program in child psychiatric nursing is one of three in the nation — the others being at Wayne State university and Boston university.

Participants in the workshop included Wilda Schlessman and Norma McCaffrey of Hawthorn Center.

This year as in the past the Legion and the Veterans of Foreign Wars, along with the various children's organizations in the city of Northville, held their annual Memorial Day parade. Considering the rain, it was very successful.

As a participant in the parade, I was shocked at the public disrespect paid to the flag of our country by the majority of the people of Northville. As the flag passed people of all walks of life stood with their hands in their pockets and their hats on. Actually the children made the so-called adults look bad by showing at least an effort to salute the flag in one form or another.

This has been a sore point after every Memorial Day parade. We of the American Legion do have a film on flag respect and are willing to show the film to any group at any time. Therefore, no one will in the future have the excuse of not knowing the proper way of addressing the flag of our country. Those not interested in seeing the film might like to know that when the flag passes and you are not in uniform you are to stand at attention with hat off and your right hand over your heart.

Anyone who might see the new flowers planted around the Legion Home can thank Lock Koontz, who donated them.

School Projects On Display Tonight

An exhibition of projects in art, woodworking, homemaking and other classroom activities will be on display in the Northville community building tonight from 7:30 to 10 p.m.

The exhibition, which may become an annual project if successful this year, illustrates the skills learned by students at the two Northville elementary and the junior high schools.

The public is urged to attend the free exhibition.

Obituary

MYRON J. MOAK

Funeral services were held Tuesday, May 31 for Myron J. Moak, 111 West Main, who died suddenly Saturday at Community General hospital. Mr. Moak, 58, was born September 23, 1901 at Port Huron, the son of Myron C. and Minnie (Grey) Moak. He is survived by his wife, Alta, whom he married March 4, 1922; his mother, Mrs. Minnie Moak of Flint; son Robert Moak of Novi; daughter Mrs. Orville Van Sickle of Walled Lake; three sisters, Mrs. Herbert Gledden of Roscommon, Mrs. Alice Newblatt and Mrs. Henry Ginter, both of Flint; three brothers, Chester and Harry of Port Huron and Richard of Flint; and six grandchildren. Mr. Moak, who moved to Northville from Highland Park in 1943, was employed by Foundry Plask, and previously was employed by Webber Tool in Highland Park. Funeral services were conducted from the Casterline Funeral Home, with the Rev. Peter Nieuwkoop of the First Baptist church officiating. Burial was in Rural Hill cemetery.

HOW A MUTE SAYS "JESUS"

To say "Jesus" a mute will place the middle finger of the right hand in the palm of the left, then the middle finger of the left hand in the palm of the right, signifying the nailing to the cross.

This unique way constantly reminds them each time they use the Savior's name that He was nailed to the cross for their sins. It reminds them of God's only Begotten Son who came from heaven's glory to become the sin sacrifice for a fallen human race. He bore in His own body the stripes that belonged to us. His hands and His feet were scarred with the print of the nails which should have been justly ours. Why did He do it? I Peter 3:18 tells us, "That He might bring us to God". Without Jesus Christ who sprinkled His blood upon the mercy seat for us, there would be no access to the Holy God. It was through the sufferings of Christ that man was redeemed, the penalty paid and a righteousness established that gave us the privilege of coming to God. Tell me, dear reader, does His name as Savior mean something to you?

School Candidates Give Opinions

The following comments by the 13 candidates for the Northville board of education were submitted at the request of The Record. Each candidate was asked to state his opinion of the proposed purchase of the community building by the school district from the city. The proposal will appear on the June 13 ballot, along with the names of the 13 candidates competing for four seats on the school board. Only qualified, taxpaying electors may vote on the community building issue.

Edward F. Angove

From its origination, the Community Building has been considered an integral part of the future total planning scheme of our school system. This has been manifested by its almost complete utilization and maintenance by the Schools during the past few years; a condition that is expected to continue with increased activity in the predictable future.

There can be no doubt as to the need for the space and facilities which this building makes available. For instance, a fine supplement to the very inadequate physical education plant in the Junior High would be the gymnasium and locker-rooms. Also, by virtue of not being in close proximity to academic classrooms, it seems especially suited for use by the band and music department. Lastly, its auditorium, meeting room and kitchen facilities provide space for a wide range of activities. Without this or some other adaptable structure, it would be necessary to re-evaluate our Junior High program and very likely curtail some phases of this program.

This building has been offered to the School District by the City at a very equitable figure, for it is estimated that the acquisition of property and the duplication of a comparable structural unit would involve a capital outlay of at least 2 1/2 times this amount. While realizing that it is not, perhaps, an ideal set-up regarding the proposed needs of either the City or the School District, having been erected to serve a multitude of purposes and organizations, it still appears to be a good bargain for the Schools and relieves the City of an obligation.

Thus, it seems wise and imperative to me that the School District purchase the Community Building from the City of Northville using existing bond issue reserve in order that we can insure continuance of the School Board's overall program in a most economical manner.

W. C. Becker

The possible transfer of the Community Center building to the Northville School District has aroused rumors and misconceptions which are unfortunate.

We have placed in our present School Board the responsibility for acting in our best interest. In our behalf they have carefully considered all aspects of the situation and have unanimously recommended that the purchase be made. The money has been approved and is available. But most important, this building is, and has been for some time, an integral part of a master plan for the Main Street School complex.

I am in favor of the transfer as necessary for the future Junior High growth which is now approaching from the elementary schools. The school has been aware of the impending need, but because of the decision on the part of the city government to take immediate action regarding the disposal of this building, we must act now. If the school loses the use of this land and building, it will necessitate a much greater expenditure at some future date.

If the transfer is approved, community groups will continue to have the use of the building as is currently the case. The school will still have first call as it does at present.

I strongly urge that all voters inform themselves of the needs as expressed by the Record and the Administration in the Northville Record articles. It is imperative that each elector have a full understanding of this problem before making a final decision.

John P. Callaghan

The purchase of the Community Building by the School Board would, in my estimation, be a very economical transaction for both parties for the following reasons:

1. It is the only feasible way the School System can complete the physical plant necessary at the Main Street school site;

2. The building answers the School System's needs with a minimum amount of alteration or additional cost, where as the City would have to carry out extensive alterations at quite a cost to the City, for their uses;

3. If this transaction is completed between the School System and City, it will relieve the City of all responsibility of this building, and with the funds obtained the City would be able to complete the planning for the new City Hall without a bond

issue or any additional tax to the City property owners;

4. As in the past, I believe this building would be available to responsible clubs and organizations for their functions at substantially the same charges.

J. K. Eastland

The selling of the Community Building will probably be favorable and beneficial to both the city and the Board of Education. When the Community Building was completed, the village found that they were unable to maintain it so it was immediately leased to the school.

The buying of the building by the School Board has raised several questions and I think if they can answer these in the affirmative, then the board should buy it subject to the recommendation of the administrator of the school. The questions are as follows:

1. Is the building essential to the school?

2. Can it be used to full capacity by the school?

3. Is the price the board is paying for the building satisfactory?

4. Is the building in good condition?

5. Will the people of Northville be able to use the building as they do now, when it is not being used by the school?

The reason for raising this last question — the original fund was earmarked money given by the racing association to the people of Northville for the purpose of building something that would be useful to them.

Francis P. Gazlay

I believe the question of the Community Building purchase is not related to the school board election because it is a proposal decided upon and submitted by the present board, and cannot be changed by the candidates.

However, as a separate issue, my opinion is as follows:

Having faith in the school board and the administration to recognize the needs of the children in this purchase I not only support this issue but urge you to read the articles concerning this proposal which have appeared in The Record.

The land area per child of the Junior High and the Main Street Elementary Schools is far below the state minimum. Adding the land of the Community Building helps to alleviate this problem.

Also future expansion of the Junior High, as our population increases would be impossible unless we were able to use this property. Therefore, my vote on the purchase approval will be YES.

George F. Hollinger

The school district cannot afford the expenditure of \$142,000 for the acquisition of an additional building at this time.

Our sources of revenue are uncertain due to the financial collapse of the State and the devious workings of the Wayne County Allocation Board.

Our school district is over \$3,000,000 in debt. We pay out \$190,000 per year on our debt, but, \$115,000 or 60% of our payments are for interest only.

Only \$75,000 or 40% of our payments are for principal retirement. Therefore, I propose that the Community Building question should remain status quo for an indefinite period of time. Further, the building should not be converted into a city hall.

We need a Community Building and I feel that more effort should be expended to rent our Community Building for events that will interest our citizens and the citizens of surrounding towns. The proceeds from such rentals should help defray the major building expenses.

Paul R. Hunt

The proposed purchase of the Community Building is an appropriate consideration. It is apparent that the School District needs this facility to provide an adequate program for the youth of this community.

To build a similar facility would duplicate existing available space, create problems concerning a site and present a cost to the taxpayers that would far exceed the suggested transaction price.

In addition, the school district, as part of its responsibility to the community, could coordinate the use of the building along with its other facilities thus affording greater utilization for all people in the district.

Also, the building affords a focal point for student and adult activities that otherwise might be located away from the central part of the city.

Waldo T. Johnson

As treasurer of the Northville Board of Education, it has been my policy to check all expenditures very carefully in order to be assured that the taxpayers receive full value for every dollar spent.

It is my considered opinion that, if the voters decide to purchase the Community Center building, full value will be received for every dollar expended.

My reasons are based upon independent study of building costs, a review of present and past use and the future needs of the Northville Junior High School:

1. It will be impossible to build a structure, with the amount of floor space contained in the Community Center, for the amount of money listed;

2. The Northville School District is now paying all the operational costs for the Community Center building;

3. Purchase of the building will not increase the school taxes;

4. The building is now being used for junior high physical education, instrumental music, assemblies, and as a lunch room for the Main Street Elementary and the junior high pupils;

5. Plans for the future include the Community Center as an important part of the Main Street schools. The loss of this facility will make it necessary to buy a site in order to provide adequate housing for elementary or junior high pupils. The present land behind the junior high and Main Street Elementary schools is not large enough for further school building expansion;

6. If it becomes necessary for the City of Northville to dispose of the Community Center to commercial interests, the resultant traffic and other problems could create hazards for elementary and junior high pupils;

I voted for the resolution of intent to purchase the Community Center and I favor its purchase now.

James F. Kipler

In my opinion the question of purchase of the Community Building by the school district can be viewed from these four questions which I have answered:

1. Is the Community Building needed for school purposes?

There is no question about this. Our schools are growing. The school now gives this building more than 90% of its total use. To be deprived of this building would severely curtail space for physical education, music, drama, art and other school activities.

2. Is the proposed price of \$145,000 a fair price for both the school and for the city?

City and school officials have agreed that \$145,000 is a fair price based upon a formula which represents approximate out-of-pocket investment of city funds in the Community Building. This figure is within the present purchasing power of the school district and would supply the city adequate funds for building needs which it has.

3. Is there justification for the sale (and purchase), in terms of the history of this facility and the good of the whole community?

It would appear from the location, structure and existing "school use at token cost arrangements" for the Community Building, that the school district was by intent a favored tenant. Recent school expansion plans counted on the continued use of this building. The city government needs new well-located and functional quarters. These could be gained with monies derived from sale to, not at the expense of, the school program.

4. What are the alternatives? There are at least four alternatives:

(1) Arrangements between the city and the school district could remain status quo.

(2) The city could probably sell the building to a private party and gain funds for their building needs.

(3) The city could take over and remodel the Community Building to suit its office needs.

(4) The city could sell the building to the school district as advocated on the ballot proposal. Only under this last alternative would the needs of both the city and the school district be met.

I would, therefore, urge a "Yes" vote on this issue.

Charles A. Smith

In my opinion the community building should be an integral part of the Northville School System. My reasons being that the land area presently occupied by the elementary and junior high school is inadequate. By adding the land area on which the community building is located will permit future expansion.

Also the gymnasium and music rooms of the community building

are essential for any expanding program of the junior high school. Also ownership of the building will be a positive guarantee for the continuation of the "community recreation programs. It is well known that school buildings are traditionally used for community activities.

Also if the community building were owned outright by the school system proper maintenance of the building would be accomplished as well as alterations that may become desirable. Also lunch room facilities are essential to the system and will become increasingly more important. We consider it impossible to promote these facilities other than in the community building. We also consider the locker room facilities essential as well as various sports activities.

Where could school assemblies be held other than in the community building? Where can the hand find sufficient quarters without the community building? Where can the music classes, which are so essential to a progressive school system, find sufficient space other than the community building? We strongly urge the purchase of the community building.

Wilson D. Tyler

The proposed purchase of the Community Building by the School District appears one in which the advantages lie with the seller. This point of view is based on my understanding and estimate of the situation as follows.

First, an agreement — at the time of the erection of the building covering its use by the schools — has operated successfully for about seven years. Costs of this operation are reported as \$11,000 annually, without undue burden on the school system budget.

Second, exposure to the elements is necessary for students passing to and from the Community Building. A board member suggests a breeze-way (about 100 feet), which to me acknowledges one undesirable condition and the need for additional expenditures if the building is permanently acquired.

Third, if not purchased, continuance of the lease agreement is probable, because the price and location of this special-purpose building would hinder a sale to other interests. We all appreciate the need to improve City Hall facilities, but a purchase based on compassion for the seller is not sound business practice.

Fourth, it is to be remembered the \$147,000 purchase price was originally set aside for an additional school site as part of the proceeds of a \$3,000,000 bond issue in 1956. This provision is still desirable because of expected school needs in the areas surrounding the City. This money would build about ten rooms on a new site or an appropriate addition to the Junior High Building. During a period of decision, the funds could be invested in Government securities to earn more than \$5,000 annually.

I conclude from the foregoing, the school system should continue present lease arrangements until a better permanent utilization of the funds is developed. My conclusion stems from an earnest, businesslike approach — which may be considered a "plank" in my platform.

Mrs. George W. Weiss

The issue of the Community Building already will have been resolved when the Board of Education members to be elected take office. Therefore, in answering the request of the Northville Record that candidates submit an opinion, I wish to state that I speak only as a qualified voter.

We cannot go back. The Community Building exists, with all of its admitted inadequacies and undeniable advantages. Neither can we look forward to a time when our school children will need less space than they now do. The unremitting growth of our community cannot but bring demands for more student room.

The Wayne County Board of Education has given full approval to

V. F. W.
Northville Post 4012
438 PLYMOUTH AVE.
Regular Meetings:
First and Third Tuesday
of Each Month

the long range plan for use of the building and grounds in Northville's educational program. The Northville Board of Education and City Council members, all of whom are residents and tax payers, have devoted many hours to the exploration of the situation and have concluded that the purchase by the school of the Community Building is the best of the possible solutions.

The alternatives suggested are exceedingly distasteful, that of a supermarket being one of the more abhorrent. The conversion to a City Hall would seem to be impractical and expensive. In any case, the loss of the building and grounds to school use would be a shocking one.

Undeniably, residents are feeling themselves in a vise between the needs of the school and the city. But robbing Peter to pay Paul is no answer. Selling the building would give the City funds which otherwise would have to be raised by other methods, and if the school is not to retain use of the space it will be faced in the near future with the expense of creating it elsewhere.

Mrs. Edmund Yerkes

I do not favor the purchase of the Community Building by the school board.

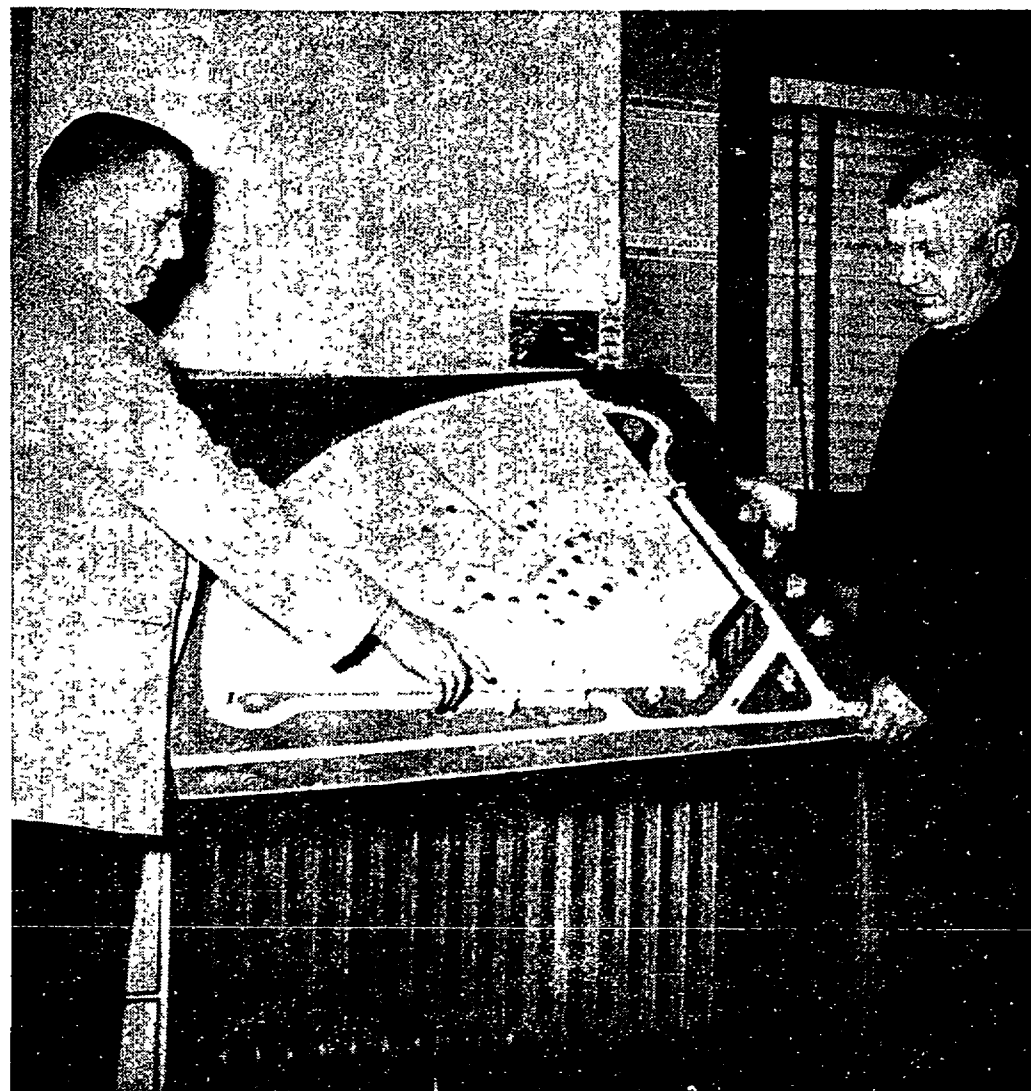

This building is not one of classrooms, which are needed, but consists of a big auditorium and a bigger gymnasium. Our new High School has its own facilities for these activities and the Junior High building also contains a gym.

Furthermore, the Community Building was built to accommodate civic enterprises, meetings, banquets and shows (which meetings have trouble scheduling time for this use).

Now that the city is planning to build a new city hall on the site of the present hall, it seems fitting that they would keep their seat of government and their showplace on the same piece of property. The city now owns a substantial block of land in the center of town and it seems to me foolish to sell it now and try to replace it later.

If the city council wants to raise money to pay for a new city hall, I have been informed that they could rent the Community Building to a chain store for a substantial sum on a ten year lease. To sell to the school district at the figure of \$145,000 would solve neither the school's overcrowding nor the city's need of revenue for a new city hall.

I know that this is an unpopular stand to take when everything is being geared to making the school system bigger and bigger. If the school district has \$145,000 to be spent, I'd rather see it put into increased classroom space and enlarged faculty.

THIS IS A MODEL of the proposed 1200-car outdoor theater in Northville township. Arthur Kobierzynski and Roy Thompson (above, l. to r.) have asked the zoning board to rezone 21 acres at the

extreme southeast corner of the township to permit construction of the drive-in. It would be located at Five Mile and the extension of Eckles road. Construction would begin in the fall with opening

planned for next spring. The theater would be named the Thunderbird. A public hearing on the zoning will be held June 14 at the township hall.

Local Trio Honored At Cleary College

Three Northville students are on the honor roll for the winter term at Cleary college, Ypsilanti, it was announced by Dr. Owen J. Cleary, president.

Patricia Willing, 19300 Smock, won honors as an all-A student. Honorable mention went to Sally Nelson, 46600 West Seven Mile road, and Carole Stuckey, 19275 Meadowbrook.

Why Look Beyond

America's

1st Choice Car

for the things you want

This is the Kingswood 4-Door
9-Passenger Station Wagon

With wagons like this one in the lineup, it's no wonder Chevrolet is the most popular car in the whole U. S. All five Chevy wagons, 6- and 9-passenger models, are widest where wagons should be wide—with comfortable seating space that becomes up to 92-cu. ft. of cargo area by a simple adjustment. All five feature all the things that are making Chevrolet first choice, too: FULL COIL SUSPENSION cushioning all four wheels... an ECONOMY TURBO-FIRE V8 that gets up to 10% more miles to the gallon on regular gas, or that well-known saver, the HI-THRIFT 6... the shift-free smoothness of TURBOGLIDE... a wider front seat and more entrance height in Chevy's ROOMIER BODY BY FISHER than you'll find in any other car of the leading low-priced 3. Now's the best time to stop by and let your dealer list all the reasons why YOU CAN'T BUY ANY CAR FOR LESS UNLESS IT'S A LOT LESS CAR! *Optional at extra cost

Get in on the hottest thing this spring... see your local authorized Chevrolet dealer

RATHBURN CHEVROLET SALES

560 SOUTH MAIN STREET

NORTHVILLE

Feldbrook 9-0033

GRAND OPENING of the new Northville shoe store of Hocking-Gillies will be held today, Friday and Saturday. Open two weeks the store (pictured above) is located at 115 East Main street. Hocking-Gillies offer a complete line of shoes for the entire family. For the three-day grand opening celebration a bicycle and an FM radio will be given away. There'll be candy for the kiddies, too. Pictured at right are Store Manager Paul Grooms and Jack Gillies, owner of the store.

Day Camp Program Plans Begin

In the expectation that the summer Day Camp will be operated again this year, in spite of a drop in Easter Seal contributions, the Easter Seal Society of western Wayne county has mailed nearly 150 registration blanks to families of physically handicapped children. Applications are also being taken from teen age volunteers who will work with the children under the supervision of D. James Greiner, Day Camp director, and Olive M. Shale, R.N., assistant director.

The Day Camp, held at the Easter Seal Center near Michigan avenue and Middlebelt, opens July 11, with the theme "Michigan's Resources—Our People and Our Products". Physically handicapped boys and girls between the ages of 6-12 years will be in camp two days a week for five weeks. Pre-school campers will have five Fridays of play school activities. The final week of camp will be devoted to boys and girls in their early teens who hope that the overnight camp-out so successful last year may be repeated. Parent institutes are also being planned.

Inquiries concerning the camp may be directed to the Easter Seal Society, P.O. Box 101, Inkster. Telephone Parkway 2-3055.

Current tabulations show Northville has contributed \$1,070.88 to the Easter Seal drive. This falls short of last year's total by less than \$10.

HELP VETERANS — The Novi chapter 47 of the Blue Star Mothers presented a television set to the fourth floor patients of the Ann Arbor Veterans hospital recently. Due to surgery, etc., veterans cannot leave this floor. Novi chapter members shop for the veterans, give parties and provide bedside therapy. A picture and a planter were donated for a room by Lois Dingman and Mrs. Virginia Verhaag, respectively. The chapter also donated all-leather foam filled pads for

wheel chairs. The chapter has been cited by the administration of the hospital for its many gifts and volunteer efforts. Pictured above with an appreciative patient and a nurse at the hospital (far left) are (l. to r.) chapter members Mrs. Joseph Gardella, past president; Mrs. Russell Race, president; Mrs. Fred Mandik, past president; Mrs. G. Webb, historian, and Mrs. John Klaserner, Sr., chaplain.

National Hobby Show Set July 29-31 in Ohio

Northville area residents were reminded this week that the 12th annual All States National Hobby convention will be held July 29, 30, 31 this year at Youngstown, Ohio. Admission is free.

The annual show which in past years has attracted area residents is an exhibition of thousands of miscellaneous items displayed by hobbyists, designers, draftsmen and artists.

Highlighting the convention will be a parade of antique automobiles and floats at 6 p.m. on July 29.

Netters Finish 2nd in Tourney

But Win Doubles

Northville's amazing tennis squad came within one point Saturday of winning the Wayne-Oakland-Interlakes Conference tennis tournament.

But the Mustangs were forced to settle with a strong second place finish — just behind the conference champions from Berkley. Thus, for the third time this season Northville came away second best: second in the league standings, the regional tournament, and now the conference tournament.

The latest tournament, held at Cass Benton Park Friday and Saturday, spelled the finish of one of the most successful Northville tennis seasons in history. And for Coach Ron Schipper, who will move to Jackson next fall, it marked the end of a colorful Northville high school coaching career.

Highlighting the conference tournament was the victory in the finals by Northville's powerful doubles team, Tom Long and Jon Rodgers. These two Mustangs, who a week earlier swept the doubles championship in the regional tournament and earned themselves a berth in the state finals at Kalamazoo Friday and Saturday, nipped Southfield in three sets to win the conference crown.

The Northville pair drew a first round bye, then crushed Southfield's No. 1 team, 6-1, 6-2, and advanced to the finals by beating Bloomfield, 6-3, 6-3. In the championship battle, they nipped Southfield, 2-6, 6-4, 6-3.

Twelve teams entered the doubles race, two from each of the six competing schools: Berkley, Northville, Southfield, Bloomfield Hills, Pontiac Northern and Clarenceville.

Northville's second doubles team, Gary Kohs and Jim Jiggins, blanked Clarenceville in their opening match, 6-0, 6-0, then lost to Bloomfield Hills in three sets, 4-6, 7-5, 6-3.

In the exciting singles contest, a near-exhausted Dikran Ornekian carried the Orange and Black to the finals only to lose to Berkley's number two player, 6-2, 2-6, 6-3.

Competing in a field of 24 players, Ornekian opened his drive for the singles crown with a bye, then trimmed Pontiac Northern, 6-3, 6-1. He added a victory over Southfield, 6-3, 6-1, and then turned to face his stiffest opponent, Berkley's number one ace, in the semi-finals.

The young Northville freshman edged his veteran opponent, 7-5, 5-7, 6-4 in a 2½-hour marathon. "Coach Schipper said, 'but he was just too tired for the finals.'"

In other singles matches involving Northville players, Jim McCarthy won twice before losing to Berkley in the third round, 6-1, 6-4; Don Lawrence also won two before losing to the eventual singles champion, 6-1, 6-1; and Bill Sherkey lost to Berkley in his opening match, 6-0, 6-0.

PLENTY OF FUN — "But oh, these aches and pains." These were the sentiments of the faculty members and fathers who clashed with Northville's varsity baseball team last week in a scrimmage contest. When it was all over, the student players had reminded oldsters that the "old form" of earlier days is gone forever. Varsity Coach Al Jones, who pitched for the "oldtimers," said the youngsters won the game — but he doesn't recall the score. Above Richard Juday, Northville councilman, digs in for a crack at the ball.

Sports

Number of Rabid Animals On Increase in Michigan

In Michigan more than twice as many rabid animals have been found during the first quarter of this year as in the same period last year, Dr. Joseph G. Molner, city-county health commissioner states.

Eight dogs, seven skunks and three cats were found to have rabies compared with a total of seven animals at this time last year. This is a particularly high number of rabid skunks.

Dr. Molner warns against permitting your dog to chase skunks, squirrels or other animals when in the country. There is a danger of transmitting rabies from wild-life to domestic pets.

Dr. Molner suggests that everyone follow these precautions to protect both people and pets.

1. Have your dog or cat vaccinated against rabies as advised by a veterinarian.

2. Do not touch a stray or sick dog.

3. Have any dog bite treated immediately by a physician and notify the police department.

4. Report any stray dog to the dog pound.

5. Help enforce dog control laws and regulations in your community.

Here's Your Chance

All boys who wish to play recreation baseball and who will be 14 years old before September 1 — but not 16 before the same date — may start practice today, tomorrow or Saturday.

Recreation Director Ken Conley urged these boys to report to the large baseball field in Cass Benton park at 5:30 p.m. Thursday and Friday and at 9 a.m. on Saturday for organization and practice.

Junior High Nine Ends Season Undefeated

The Northville junior high school baseball team added its fourth and final victory of the season last week, downing Dublin 7-3.

Northville, coached by Chuck Shonta, won all four of its games this season, two victories over Dublin and two over Novi.

In his team's opening victory, Erick Peterson struck out 18 batters and gave up only one hit to blank Novi, 5-0. In the second contest with Novi, David Luetke was credited with the 5-hit, 7-2 win.

Boating Facilities Enlarged at Kent

Boating facilities at Kensington Metropolitan park near New Hudson began complete operations this week.

To accommodate the increased interest in boating, Huron-Clinton Metropolitan Authority is now constructing a \$100,000 boat rental building at Kensington park. When completed later this year, this modern structure will provide food service, observation deck, restrooms, rental of slips for private craft and boat rental service.

Boat rental service at Kensington park will begin operations Saturday, however, no food service is offered at this location due to construction of the new boat rental building.

The park has 120 12-foot aluminum row boats which rent for 75 cents per hour, with a minimum charge of \$15.00. No motors for boats are rented in the park and an 8 mile per hour speed limit is enforced on Kent lake. Buoyant cushions are required by law on all boats with motors, but not on row boats. Motors, which can be supplied by park visitors, are limited to 7½ horsepower.

No water skiing is permitted or other activity requiring speed in excess of 8 miles per hour. The park does not supply gasoline, fishing tackle or bait.

FASCINATING FACTS ABOUT NATURAL GAS

How Times Have Changed!

THE YEAR IS 1859 — men are drilling for GAS. They are digging with hand shovels. A white-battering ram lays close by to pound down lengths of cast iron pipe. A six-horsepower, river-bent boiler powers the salt water bit that cuts through the earth — three feet a day — to the final amazing depth of sixty-nine feet!

A HUNDRED YEARS LATER, hard teeth of a rotary drill rapidly pierce through rock, clay and sand. A stream of water cools the bit while a chemical compound speeds the drill through the hardest rocks. A large pipe, then a small pipe, is lowered. Powerful bullets shoot perforations into the earth. From Nature's reservoir, "stored sunshine" is released — sometimes from a depth of five miles!

*This "stored sunshine" is one of America's favorite fuels — seven out of ten homes built today use Natural GAS for heating. Call or write your Heating Equipment Dealer or Consumers Power Company for information about inexpensive, automatic Natural GAS heat.

Michigan Bell Improvements Run High

Michigan Bell Telephone company today announced that its construction program during 1960 will reach \$103,000,000 — second highest in company history.

Of the near-record total earmarked for service improvement and expansion this year \$130,000 will be spent in Northville, according to Hughes C. Bronaugh, manager here for Michigan Bell.

"The 1960 outlay represents the company's best estimate as to what will be required to meet customer demand for better grades of service, to place in effect many of the technological advances which have been developed to make telephone service more convenient and useful, and to provide service to customers when and where they want it," Bronaugh said.

"A program of this magnitude means much to the economy of Michigan," he said. "We are proceeding with it on the assumption that the economy will continue on its present upward trend, and in the hope that earnings on investment will permit the company to see the program through."

The \$103,000,000 to be spread throughout Michigan Bell territory this year compares with the company's \$83,000,000 construction program last year and the record \$105,000,000 in 1957.

Pointing up the scope of the 1960 program, Bronaugh said this year's construction schedules will require the installation of more than six billion conductor feet of cable — enough to stretch around the world about 50 times.

Breaking down the program for Northville, Bronaugh said Michigan Bell plans to spend \$51,000 here for cable, wire, poles, and other outside plant; \$9,000 for additional central office equipment; \$67,000 for equipment on customers' premises; and the balance for miscellaneous facilities.

On a territory-wide basis, he said, three more outstate exchanges — Big Rapids, Grand Haven and Iron Mountain — will be converted from manual to dial service, raising Michigan Bell's dial development to near the 99 percent mark. Many more customers also will be linked with the nationwide Direct Distance Dialing network, enabling them to dial their own long distance calls direct to millions of telephones from coast to coast.

Construction will begin this year on 13 new Michigan Bell buildings, the 1960 allocation for which is nearly \$4,500,000, and work will start on 20 building additions costing another \$700,000.

DOING THEIR PART to help "Beautify Northville" this crew of Ughashonton club members cleaned up after the former taxi-bus stop stand was torn down at the corner of Main and Center streets. The boys played a big role in the campaign conducted during May, helping with the city-wide trash pickup and also with the street scrub-down on the opening day of the drive. Their adult advisor is Leonard Bogotaitis.

Variety Makes Roses Home Owners Favorite

The rose is grown by home owners everywhere. Its success is due in large measure to its many uses. Its flowers can decorate inside the home, can be worn as a corsage, or beautifully outdoors on the property.

There are six principal types of roses, the home owner can choose, as follows:

1. Hybrid tea — offering the most perfectly formed flowers, though somewhat fewer in number. They are excellent for cut flowers.
2. Floribunda — offering many flowers on each plant, sometimes a hundred or more. These are also good for cut flowers and they give striking landscape effects.
3. Climbing roses — offering striking landscape effects. They make excellent plants for growing on a trellis or trained on one side of a garage, back porch, or elsewhere

on the property. They are beautiful when trained along a fence.

4. Grandiflora — this newest type offers large flowers of excellent form, color and fragrance. Plants are large and fairly tall, their uses similar to floribunda.

5. Tree roses are growing in popularity. They are used as accent plants in landscaping and along driveways where a taller plant (around four to five feet) is desired.

6. Miniature roses — offering unusually attractive borders for flower beds. The small flowers are ideal to supply boutonnières, and for feminine wear, besides providing variety of cut flowers for the home.

Polyantha and hybrid perpetual roses are often used in landscaping. Consult with your local nurseryman for the types best suited for your particular requirements.

Rain Falls on Northville, Novi Memorial Parades

Scouts were well represented in Northville's Memorial Day parade. Despite rain, the youngsters kept pace clutching 50-star American flags and keeping step to the North-

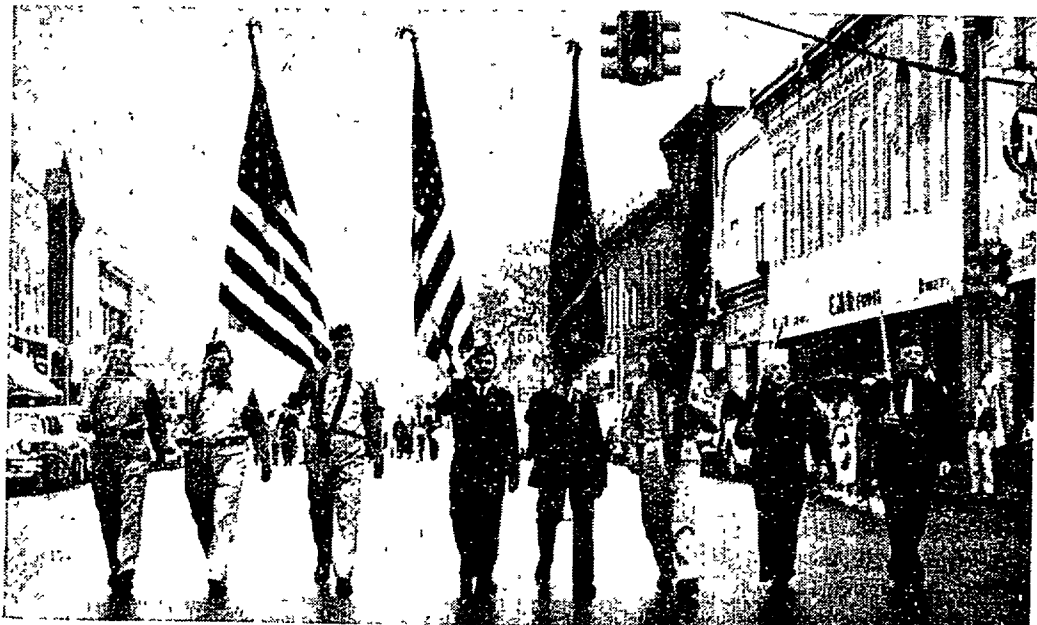

ville high school drum and bugle corps. Boy Scouts, Girl Scouts, Cub Packs, Brownies, Campfire Girls and youngsters riding decorated bicycles participated in the parade.

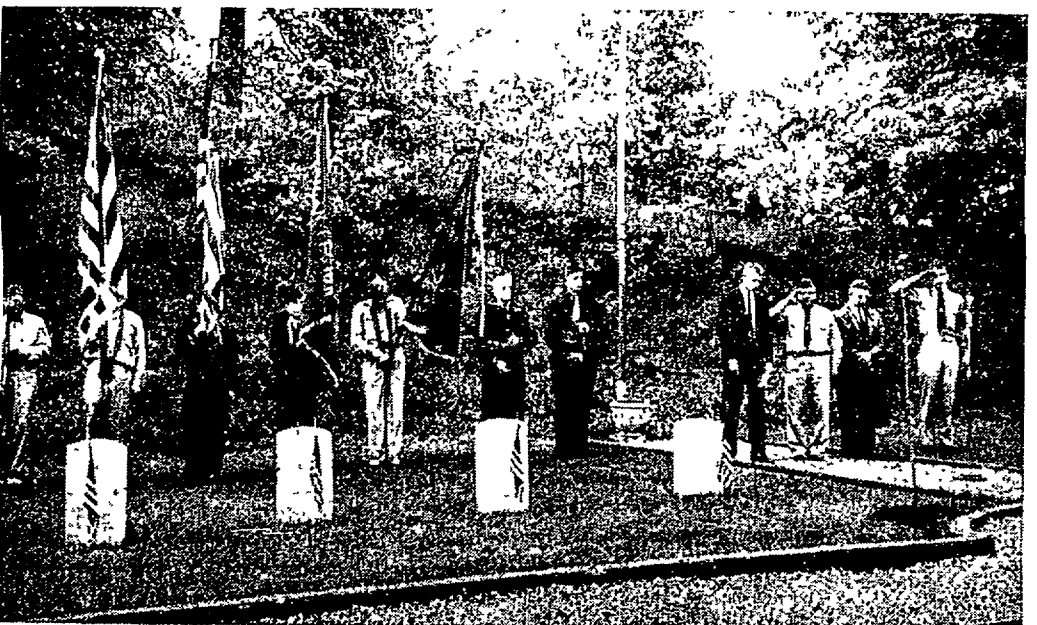

The ice cream bars were as good and popular as ever. Hundreds of children and adults were treated following the ceremonies by C. E. Langfield, president of Northville Laboratories. Helping hand out the ice cream bars are (l. to r.): Ken Conley, John Stubenvoll, Dayton Deal, Ed Angove, Earl Reed, Alton Peters and C. E. Langfield.

14—Thursday, June 2, 1960—THE NORTHVILLE RECORD

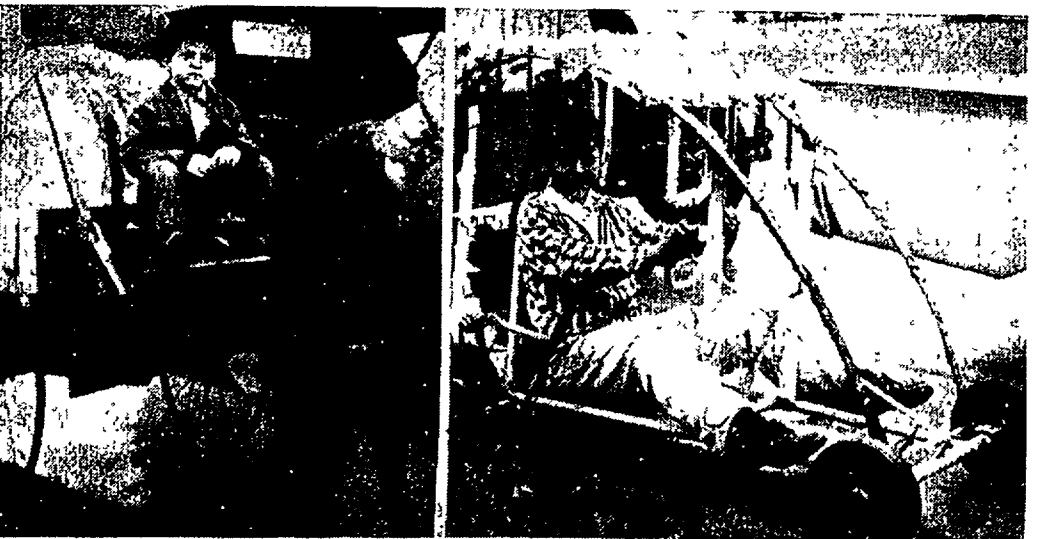

The VFW and American Legion color guards led the 10 a.m. parade which began in a steady drizzle. Skies cleared for most of the ceremonies at the two city cemeteries.

Taps sound a tribute to the war dead as members of the VFW and American Legion honor guards stand at attention. Michael Adas presented a brief tribute to veterans who gave their lives, while benediction was offered by the Rev. Peter Nieuwkoop.

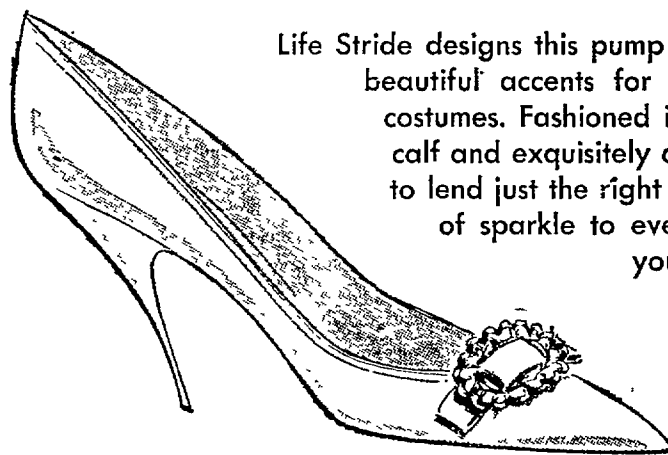

IN NOVI the Memorial Day parade and ceremonies started at 9:30 a.m. In a more persistent rain. But the program was held on schedule with the parade beginning at the Community Building and returning after conducting services at the Novi cemetery. Above, parade judges stand with the winning entries. Judges are (l. to r.): Jack Crawford, Herb Dryer and Ed Steinberger. Jim Simonsen on his pony "Diable" and Pamela Holmes each won \$5.00. The prizes were donated by the Novi board of commerce. Below are two entries that arrived too late to be judged, but still managed to take part in the parade and draw applause from the crowds. At left is John Pantalone riding a horse and wagon built by his cousins, David and Dennis Cook. At right in his gaily decorated motor vehicle is Mike Schultz.

SPEAKING for the Record

By Bill Sliger

On June 13 voters in Northville and Novi will elect new members to their respective boards of education.

Tomorrow, Friday, is the deadline for registration for the election.

Most residents, of course, are registered. To be a registered school voter one must only be recorded as a voter with his township, village or city.

For those who haven't been voting in their municipal elections, and are therefore not registered, or for those newcomers who have not yet bothered to register — Friday is the last day.

But no matter how many residents of the school district have their names duly listed, it's of little consequence if they do not bother to go to the polls on election day.

The small turn-out at the last school elections in both Northville and Novi is disgraceful. Especially when one considers the often-heard criticisms of school taxes, etc.

In Northville this year the largest field of candidates ever to run for the school board has entered the race Monday night, before a sparse crowd of about 100 persons these candidates spoke at a P-TA sponsored open meeting.

At the same meeting Superintendent of Schools Russell Amerman and City Manager John Robertson explained the proposed community building sale, which will also appear on the Northville election ballot.

I am sure that, like myself, the audience at the P-TA meeting was greatly impressed by the remarks of the candidates. It is one thing to have a great number of candidates; it is even more gratifying to know that each possesses high qualifications and abilities.

These people are taking time and effort from their private lives because they want to help make our community and school system the best possible. They know that the job is demanding and thankless, yet they have volunteered their service.

The very least that we can do as voters is become acquainted with the candidates and then VOTE.

Next week pictures and biographies of all candidates will appear in the newspaper. Look them over — then go to the polls June 13.

Notice of Last Day of Registration OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT

WAYNE, OAKLAND AND WASHTENAW COUNTIES,
MICHIGAN

To the Qualified Electors of said School District:

PLEASE TAKE NOTICE that the Annual School Election of the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, will be held Monday, June 13, 1960.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . ."

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Annual Election to be held on MONDAY, JUNE 13, 1960 is

FRIDAY, JUNE 3, 1960

Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said Friday, June 3, 1960 are not eligible to vote at said Annual Election.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city in which they reside are registered school electors. Persons planning to register with the township or city clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

ROBERT H. SHAFER, SECRETARY
BOARD OF EDUCATION

State Needs 'Playroom'

Hitler said Germany needed living room, but what Michigan outdoorsmen need is playing room.

Increased demand for outdoor recreation will outrun available facilities unless new land use policies and investment programs are adopted.

That's the national picture and Michigan, the "Water Wonderland," is highly concerned because it is top Mecca for tourists.

The state took a step toward providing more parks, beaches and recreation areas with the so-called "sticker fee" bill which became law in May. The law permits a 10 million dollar bond issue for land acquisition and park development.

However, the Conservation Department says complications in getting the program into effect mean no real significant gains can be registered at least until next year.

This is when national authorities predict a 7 percent yearly increase in visits to federal and state outdoor recreation areas.

At that rate, there will be a 13-fold increase in tourism by the beginning of the 21st century. Three ways have been proposed to take care of the campers, picnickers and hikers.

The first is adding more acres for recreation. But that costs money and raises other problems.

Another way is to intensify the use of existing facilities. More camping places, picnic areas and sanitary facilities can be added so that large numbers of people can use the parks.

This method takes away some of the wilderness qualities of the areas and can be expected to cut down wildlife populations. The competition for living space — or playing space — between animals and humans has already caused some concern to nature lovers.

The third method is to put limitations on length of stay, charge higher fees, encourage use in less busy seasons of the year and "zone" parks for certain kinds of use by campers and others.

Michigan's method encompasses all three of these.

But it's slow. One bright point is

that Michigan has more land and water that can be developed into suitable recreation areas than many states. Numerous areas just on the Great Lakes shoreline have been pegged as good sites for parks.

One site for a future park was all but bagged when the Legislature approved money to buy a surplus Coast Guard station near Tawas City.

Voting machines have a row of levers that look almost like teeth, and they are gobbling up the "paper ballot precincts" in Michigan like so many peanuts.

Secretary of State James M. Hare reports four out of five Michigan voters will cast their ballots on machines this year.

Voting, like other facets of life, is becoming automated. The advantages of using mechanical means for casting ballots are many, however. Speed and accuracy, both in counting the votes and re-counting them if necessary are two chief ones.

The human fatigue factor never enters in when the voting and counting is done practically automatically. And there is never any doubt about what a person means as was sometimes the case with handmarked paper ballots.

The danger of spreading rumors was pin-pointed recently by a speaker at Michigan State University.

Capt. Norman J. Schleigh of the Baltimore, Md., police department told a gathering of peace officers rumors, half-truths and outright lies — even when the person telling the story firmly believes he is accurate — are persistent stumbling blocks to law enforcement.

They also make many people's lives miserable. Schleigh categorized rumor's as wishful thinking, fear rumors and hate rumors. He said a way to combat falling victim to rumors was to check all things heard for accuracy, source and credibility.

The Baltimore policeman also offered one piece of advice — not only for law enforcement men but for everybody.

Don't be gullible, he said.

Storm warnings. During blizzards and flooding that marked the beginning of Michigan's spring, a new problem faced those who report road conditions. It involved whether to follow the procedure of marine weather reporters. When things got really rough in the state, should they issue a small car warning?

Analyzes Summit Split

Babson Park, Mass. — It does not seem reasonable that the Summit Conference of the four largest world governments broke up suddenly in a turmoil without a cause.

The Spy Incident
Khrushchev must have known for a long time that we were flying spy planes over Russia and that it was a routine thing with our Intelligence Service. Surely it could not have been the real reason for the Summit Conference breakup. Something else must have happened to cause Khrushchev to give President Eisenhower an ultimatum and demand the object apology which Khrushchev, of course, knew he would not get.

It also was a general surprise when President Eisenhower indicated that the U-2 spying would be suspended, at least for the time being, though many interpret this as a final cancellation. Many rumors are flying in the various capital cities as to the reasons for the collapse of the Summit Conference and the calling off of the spying.

A Real Probable Reason

When I was in Moscow a short time ago, I heard the United States bases discussed. The United States, it was said, was depending mainly upon these missile bases which surround the Russian empire. Furthermore, it was understood that in the event of the outbreak of World War III, these missile bases, would be the first targets of attack; that is, Russia would first try to destroy these.

Also while in Russia, I heard that the U.S. bombers were to be gradually withdrawn following the U.S. Defense Department's disagreement as to whether we should depend upon bombers or upon missiles and rockets. This may have been another "Eisenhower compromise."

Also when in Russia, I heard much about rocketry and missilery. Rockets are necessary to perform stunts in space, such as going around the moon; but there are various types of missiles that are sufficient for fighting on land or water. They can be fired from East Germany to any city in the United States, or from any of our cities to Russia.

What may have made Khrushchev so ugly and insistent on an apology from Eisenhower is that

he was just learning of these mobile bases. For instance, now most rocket bases are fixed. Eisenhower, however, was probably informed that the mobile rocket bases are a practical success. If this is true, the United States may have no further need of spies to discover rocket bases in Russia. Furthermore, the United States may be able to give up rocket bases in countries now surrounding Russia.

The land-based mobile rocket will work as follows: Instead of being on a fixed foundation, it will be on a heavy weighted car operating on heavy rails. This mobile base could be moved each night so that it would be constantly in a different location. Some nights it might be moved only twenty-five miles, other nights a hundred miles. Furthermore, at junction points it could be shifted to another railroad. Of course, Russia will also adopt mobile bases, but she has no such railway systems as we have. This would make the work of both the United States and Russian spies more difficult and dangerous.

Khrushchev probably had news from Moscow which caused him to destroy the meeting before it opened. It may have been some action of the President directly after he left Moscow, or he may have felt that some other man was looking for his job and he had to be home to protect it. He may have heard that the younger element in Moscow is getting aroused, as in other countries, demanding reduced armament expenditures so that they may have more consumer goods. He may have been informed before the meeting that he would not get satisfactory action on Berlin.

Finally, Khrushchev must have been anxious to get home to speed work on his submarine fleet, as submarines will eventually take the place of all land bases, fixed or mobile. The Chinese Government, too, may have passed along threats to him which he could not ignore. At any rate, knowing he was blocked on all the most crucial subjects, he saw that it would be impossible to get any agreement on a reduction of armaments.

NOTICE OF ANNUAL ELECTION MEMBERS OF BOARD OF EDUCATION

NOTICE IS HEREBY GIVEN THAT THE ANNUAL ELECTION OF MEMBERS OF THE BOARD OF EDUCATION OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, WAYNE, OAKLAND, AND WASHTENAW COUNTIES, MICHIGAN, WILL BE HELD

MONDAY, JUNE 13, 1960

AT THE
NORTHVILLE COMMUNITY CENTER

FOUR VACANCIES ON THE BOARD OF EDUCATION TO BE FILLED AS FOLLOWS: TWO VACANCIES FOR THE THREE YEAR TERM ENDING IN JUNE, 1963, AND TWO VACANCIES FOR THE FOUR YEAR TERM ENDING IN JUNE, 1964.

The following electors have qualified for the three year terms and their names will appear on the official ballot for said election:

JOHN P. CALLAGHAN
WILSON D. TYLER
CHARLES A. SMITH
WILFRED C. BECKER

J. K. EASTLAND
GLADYS W. WEISS
EDWARD F. ANGOVE

The following electors have qualified for the four year term and their names will appear on the official ballot for said election:

PAUL R. HUNT
JAMES F. KIPFER
GEORGE F. HOLLINGER

MARGARET B. YERKES
FRANCIS P. GAZLAY
WALDO T. JOHNSON

The following proposition will be submitted to the vote of the tax paying electors at said annual election:

Proposition A

Shall the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, be authorized to negotiate and purchase for school purposes from the City of Northville the Northville Community Center building and land described as: Lots 280 to 282, inclusive, Assessor's Northville Plat No. 3, for an aggregate purchase price of not to exceed \$145,000.00, and to use for such purpose existing bond proceeds remaining from the bond issue previously voted on December 18, 1956?

Tax paying qualified electors or their lawful husband or wife are eligible to vote on the above proposition.

This notice is given by order of the Board of Education, Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

Dated this 18th Day of May, 1960

ROBERT H. SHAFER, SECRETARY
