

We're Showing Off New (Type) Face Today

We hope that you didn't have to read the headline on this story to realize that The Record is sporting a brand new look.

While the general format of our pages remains the same, all new display typefaces are being initiated with this edition.

The change will, we believe, provide our subscribers with

an easier-to-read, cleaner looking newspaper. Advertisers, too, will profit from the use of the latest and most effective typefaces.

Basically, The Record will now display a family of Bodoni and Tempo typefaces.

Headlining this story is the typeface that will become most prominent in the make-up of

our pages — Bodoni Trueface Bold — and its sister face, Bodoni Trueface Bold Italic (as seen in column one story on 'Curtain Falls')

To contrast with Bodoni and provide bolder emphasis for certain news stories, Tempo Heavy Condensed typefaces will be used.

An example of this typeface

may be seen on this page heading the lead 'Council' story.

Another typeface that will replace older styles formerly used is the clean-lined Tempo Bold. A headline in column one of page two features the modern Tempo Bold face.

In conjunction with the introduction of new typefaces appearance will be improved with greater use of "white

space" in an effort to make each headline instantly readable.

The change in The Record's appearance comes about as a result of the installation of a new Ludlow typesetting machine.

The equipment, installed by the Ludlow Typograph company of Chicago last week, produces slug-cast typefaces in a wide

range of sizes. For example, the Bodoni and Tempo styles already described are available for use throughout the pages of The Record in sizes anywhere from 18 point (about three-eighths of an inch high) to 72 point (about three-quarters of an inch high).

Advantages of Ludlow cast typefaces are numerous, but

most important to the printer is the quality of a Ludlow letter.

It is always new. Unlike "foundry" or handset typefaces which must be returned to the case and used again, the Ludlow typefaces are simply melted and recast, sharp and fresh without ragged or broken edges.

To the printer, too, this means timesaving when it comes

to "tearing down" pages after the press run.

Hundreds of Ludlow typefaces are available in scripts, italics, texts and other styles to provide a variety for all forms of commercial printing.

To The Record the installation marks a step forward along a planned program to provide a better quality product for its readers and customers.

Curtain Falls On Year Visit For Two Girls

What's the best way to satisfy your curiosity about a faraway place and its people? Go and see for yourself. And that's just what Antoinette Michielsen and Rosemary McNeilly did when they left their respective homes in The Netherlands and Ireland a year ago to become American teenagers for a year.

Rosemary joined the Ed Welch family of Wing street, and Antoinette became the adopted daughter of Mr. and Mrs. Charles Tremor of Napier road.

The portrait of America, its people and their habits, now assumes a much truer and more vivid perspective for the European Exchange students. The cultural fabric, they feel, is much different than that depicted in the Hollywood films which make their way across the Atlantic.

Americans, especially those in Northville, says Rosemary, "are real friendly, and they're good and kind to strangers." They also exhibit an enthusiastic interest in Ireland, asking first if there are still little people running around in that country's marshes and meadows, she laughingly adds.

Although both find some difficulty in capturing a clear picture of their European homes for the sake of comparison the girls agree that teenagers are teenagers the world over. Dress and language may reveal their nationality, but the girls still find a universal similarity which they feel permits communication.

But American young people do

enjoy a greater measure of freedom, in the girls' opinion, in voicing their ideas and choosing their school curriculum. Both girls had achieved the equivalent of high school graduation in their home countries before coming to Northville.

Antoinette found school enjoyable here because as an American student she found a greater opportunity to develop her own academic interests and ambitions. At home, she recalls, her 12 years of schooling were spent in classes elected by the school officials. Her extensive study of English, German, French, Latin and Greek in Holland testifies to the European schools' greater emphasis on language study.

Taking courses she wanted to take, but couldn't take in Ireland, made school pleasant for Rosemary, too. One impression of American schools, which the Irish visitor said she had to correct, was that she wouldn't have any homework as a student in this country.

A new word in the girls' vocabularies and one that's found a fond place in their food appetite is pizza, that disc-shaped oddity so much akin to American teenagers. Football was a somewhat mysterious but exciting game for Antoinette, who said it was exciting to watch even though she wasn't always sure just what was happening.

Unusual experiences? The pomp and circumstance of high school graduation brought surprise. Both girls took part in the exercises. And for Rosemary, the honor of serving as a bridesmaid in the wedding of her foster sister, Dorothy Welch, was a novel happening.

What about the future for Antoinette and Rosemary? More school, they both say. Rosemary is planning to enroll at the Royal Victoria hospital nursing school in Belfast, and Antoinette is seriously considering a career as an interpreter after studying at the University of Utrecht, near her home.

Today these charming visitors begin their long trek back home after being guests at last night's Rotary club farewell banquet held for foreign exchange students throughout the state at the Wayne County Training school. They will leave by bus this afternoon for Montreal and there board ship for home.

Now that their American sojourn is over, Antoinette and Rosemary regret departing from their foster homes and parents. They leave one family to join another, but the remembrance of their stay in Northville will travel with them as they return home.

VISIT ENDS — Before returning this week to their homes in Shawsbridge, Ireland and Driebergen, Holland, exchange students Rosemary McNeilly and Antoinette Michielsen take a last look at Northville high school which they attended during their American visit.

\$20,000 LOSS — Flames consumed a large barn and two corn cribs and damaged other buildings and equipment Monday on the farm at 46779 11 Mile road. The total loss was estimated at more than \$20,000.

Flames Destroy Barns, Tools; Two Novi Firemen Injured

A three-alarm Novi fire destroyed farm buildings and equipment worth more than \$20,000 at noon Monday and then crept back to lap up the rubble hours later.

The blaze, which branded metal and wood more than 20 yards away, consumed a 40x80-foot barn, two corn cribs, and an undetermined number of tools on the farm of Vincent G. Rivard, 46779 11 Mile road near Beck.

A large tool shed, a chicken coop, a \$1,000 combine, and an automobile were damaged but saved as firemen from Novi, Northville and Walled Lake braved scorching heat to pour tons of water on the flames. Two Novi firemen suffered serious burns. Jim Hensley was burned on the arm and Bill Paquette was burned about the face and ear. Several other firemen had eyebrows singed. They were treated by Dr. Lyle Fettig.

A nearby gasoline tank, containing close to 200 gallons of gasoline, threatened the lives of firemen who worked next to it. The tank and other nearby equipment were turned red hot, and buildings and trees were scorched by the heat.

Flames leaped across the barnyard to destroy a fence, eat away the corner of the tool shed, and blistered the side of a chicken coop containing 300 laying hens. The chickens were not harmed.

According to Rivard, who has rented the farm from Donald Hines of Florida for the past three years, the large barn contained more than 200 bales of year-old hay and a great many small farm tools. A pet goat inside the barn was burned to death.

The corn cribs, one large the other small, were located next to the barn.

Mrs. Rivard said her husband was preparing to bring in a load of new hay from a back field on their 80-acre farm to store in the barn when she discovered the fire.

It "started small" in the peak of the east end of the barn next to the silo, she said, but flames swept across the roof and quickly enveloped the entire building. Two of her three young children were in the house, another was in Dearborn.

Attempts to move the combine, which was parked some 20 yards away, failed and the flames ate away the machine's leather seat

and canvas intake belt. Rivard was forced away from the machine by heat.

While firemen shuffled fire equipment back and forth from the scene, Novi, state and county police directed traffic. Hundreds of curious people flocked to the fire, visible miles away.

Once fire tankers were emptied, the farm's cistern was tapped and it too was emptied before the fire was put out.

Novi firemen, who battled the blaze from shortly before noon until almost 5 p.m., were called back at 10 p.m. when fire rekindled in the rubble of the building.

The mop-up operations took close to three hours.

Fire Chief Fred Loyne, who is continuing his investigation into the cause of the blaze, indicated that it may have resulted from defective wiring. The hay was too old to result in spontaneous combustion, he said.

The barn was insured, Mrs. Rivard said, but insurance on tools and other contents expired last month.

Two days prior to Monday's fire, flames destroyed a \$100 tool shed at 46220 West 11 Mile road — only a few houses away. The building was owned by Dicron Taffralan. Cause has not been determined.

ANNEXED TO CITY — This view of Green Valley Acres makes the 10-acre area annexed to the city by council action Monday night appear highly attractive. Actually, it's the city disposal area located between Gerald avenue (shown at left) and the C&O railroad. Because the land is owned by the city and adjacent to its borders with no residents, the council is permitted to simply declare it a part of the city and so notify county and state authorities. The city plans to construct a public works warehouse on the property in the near future.

COUNCIL, PLANNERS STILL DEADLOCKED ON ZONING ISSUES

Northville's efforts to zone recently annexed Novi township property continued to provide trouble for both the planning commission and city council Monday night as the third public hearing ended without settlement.

The hearing on the parcel owned by Gerald Taft was adjourned until July 25 in hopes a compromise can be reached.

Action on the second parcel, owned by the developers of Yerkes Estates and located between Novi road and the subdivision, was turned back to the planners by the city council for further study. It will not be considered again until the August 2 hearing of the planning commission.

Monday night the council and planners sat in session together to propose a compromise plan for zoning the northwest corner of Baseline and Taft road — a parcel 450 feet along Eight Mile and 600 feet deep on Taft.

Owner Taft, who conducts a contracting business specializing in road building and gravel excavation on the site, has objected to planners' efforts to zone the land residential to conform with the surrounding area. Despite assurances that the zoning would be drawn to assure Taft that his business could continue, or even be expanded within the confines of his present area, Taft told planners he prefers M-1 zoning.

Monday night he was represented by Attorney James Littell. The attorney was sympathetic to the planning problem but expressed fear that "ambiguity of terms" in the specially-patterned zoning for the Taft parcel might restrict some of the business uses now enjoyed on the property. He cited storage of autos and welding.

Littell then proposed a C-3 classification as more appropriate for the land.

Planning Chairman George Zerbel took exception to this idea

pointing out that C-3 permitted far broader uses than now exist. He named retailing, warehousing, gas station, light manufacturing and auto agencies.

"We tried to give Taft everything he asked for," Zerbel stated, pointing out that if additional uses were necessary to be described that the planners would be willing to do so. Taft remained firm in his position that the land was not, and would not become, desirable as residential.

Finally, Councilman Earl Reed suggested that City Attorney Philip Ogilvie and Littell confer privately on the problem and attempt to reach an agreement.

Presumably, if the planners and councilmen are to accept any compromise it will have to be R-1-S zoning as proposed with definite protection for Taft's business interests.

But whether Taft is willing to accept less than industrial zoning is not clear. At any rate, the matter must come before the planners in public hearing August 2 and then, if approved, must pass the council in public hearing at least two weeks later.

The D&R Building company's 3.75 acre parcel at the northeast corner of the city limits on Novi road has been a zoning sore-spot for months.

The developers let it be known from the start that commercial zoning was desired for the land. They have stated that the council agreed to this some five years ago in the early planning stages of the land.

In the meantime, however, the planning commission recommended R-3, multiple dwelling (or clinics, churches). Developers objected to this stating proximity to the railroad prevented financing of dwellings.

In earlier hearings during the past several weeks both businessmen and residents of the subdivision have gotten into the act. Merchants have steadfastly backed the planners and opposed commercial zoning of the 3.75 acres. Both planners and merchants maintain that adequate commercial area exists for development in the business district and that expansion to the outskirts would hurt the present retail area.

Downs' Spill Hurts Driver; Betting Gains

An accident in the sixth race featuring two-year-old Colts Tuesday night at Northville Downs threw two drivers from their sulkies, hospitalizing one with a severe concussion.

Driver Jake Deshetsy is confined to Community General hospital with a head injury, but his condition was reported as not serious.

Deshetsy's horse "El Picaro" fell at the quarter post. George Sholy driving Dr. Lindsay hit Deshetsy's bike and was also thrown. Sholy was unhurt, however.

Betting and attendance continues to top last year with the average mutual handle through Saturday night standing at \$239,189 compared to \$237,907 for the same period last year.

Total attendance through last Saturday stood at 92,433 compared to 90,078 in 1959. The Downs' 39-night meet, three more dates than the track had last year, concludes August 3.

While planners and merchants have supported M-1 (light industry) zoning, residents of the adjoining subdivision stated last month they preferred commercial to manufacturing.

But when Councilman John Canterbury, who along with Councilman Richard Juday has opposed commercial zoning for the parcel, suggested R-3 zoning again the residents quickly expressed preference for residential over commercial.

But last Monday night Councilman Canterbury was absent. And Councilman Ed Welch let it be known at the outset that he would not support R-3 zoning for the acreage.

Stating that "my conscience won't let me go back on my word", Welch said he had promised the developers years ago that the land could be zoned commercial.

"I can't see that it would be detrimental to city business. All cities have divided commercial districts," Welch stated.

He concluded that he would not vote for R-3 zoning.

Mayor A. M. Allen pointed out that it was his understanding that R-3 zoning would provide protection against improper development of the area, but that if the developers had a definite opportunity to use the land commercially, the planning commission would carefully consider rezoning.

Speaking for the D&R Building company, Robert Crue finally asked the planners to consider zoning a portion of the 3.75 acres commercial — "so that we can get off the hook and get our money out of the land."

Crue stated that the council and planners opposed zoning the entire area commercial because they feared development of a supermarket or shopping center.

Planning Chairman Zerbel said he was not convinced the property could not be developed under R-3 zoning despite Crue's statements. Donald Funk, speaking for residents of the area, urged R-3 zoning for maximum protection to the neighboring homeowners. He reasoned that if a commercial project was later proposed for the parcel, the residents would have an opportunity to speak for or against it at the rezoning hearings. "If it's zoned commercial now, we won't have anything to say about what goes in there," Funk stated.

Despite this appeal, Councilman Welch moved to reject R-3 zoning.

The council supported the motion and Councilman Reed then proposed that Crue's suggestion that part of the land be zoned commercial be referred back to the planning commission.

Not My Car!

Douglas Slessor's first impulse was to spurn the help of Novi police when they called his home one day last week to tell him they had found his car on Meadowbrook road. The car, they said, was minus four wheels and had been the object of other vandalism.

Slessor thanked the officer at the other end of the line for his trouble, explaining that he was sorry, but that his car was where he usually parked it, in his own backyard at 330 IIII street.

Complying with the policeman's request for him to check, "just to make sure," Slessor left the phone, looked in his backyard and discovered, much to his surprise and dismay, that the officer was right — his car had been stolen.

Exhibit Features Art Work Of Barbara McKenzie

Delicate sensitivity and artistic imagination characterize the works of Northville's Barbara McKenzie, now being featured in the current exhibit of the Three Cities Art club at the Dunning-Hough library in Plymouth.

"Chinatown Duck" and "Blue Bottles", two of Mrs. McKenzie's currently displayed paintings, reflect her perceptive appreciation of color and design. Her "Red Geranium", in contrast, is a vivid and gay informal painting, and her oil, "Indian Corn" attests to her capability in this medium.

Walter Maurus, art consultant in the Livonia elementary schools and a resident of that community, is the second artist now showing works at the art club exhibit.

Principally concerned with painting, Mrs. McKenzie does not confine herself, however, to this medium. Her novel experiments in still life, portrait, landscape and abstract design are coupled with her additional hobbies of rug braiding, re-finishing antique picture frames and arranging flowers. She is a member of the Northville Garden club.

Mrs. McKenzie at one time designed greeting cards for a well-known firm in Kansas City, Missouri. Recent paintings of other Three Cities Art club members may also be seen on display in the Northville library. The public is encouraged to visit both exhibits and view the varied contributions of these local artists.

Former resident Mrs. R. L. Lee, now of San Antonio, Texas, is a houseguest of Mrs. James F. Green, 126 East Cady.

Sharon Mazanec
New Women's Editor

Sharon Mazanec Joins Record Staff

Sharon Catherine (Koski) Mazanec, almost 22 and 100 percent Finnish, has established a series of "news" in recent weeks.

She's newly graduated, newly wed and newly-named women's editor of The Northville Record and Novi News.

Sharon took up her duties with The Record-News last week and will cover a variety of general activities in addition to responsibilities as women's editor. School news and general feature writing will also be included.

Born in Atlantic Mine, a now defunct mining community in Michigan's Keeweenaw Peninsula, Sharon was graduated from Southfield high school. Her parents, Mr. and Mrs. Elmer Koski now reside in Southfield.

She attended the University of Michigan on a Regents' Alumni scholarship majoring in journalism. She was graduated in June with a B.A. and a secondary teaching certificate.

Sharon won the annual Mc-

Naught award for editorial writing as a senior for articles appearing in the Michigan Journalist publication.

She was a member of Phi Mu social sorority, Theta Sigma Phi professional journalism sorority and Kappa Tau Alpha honorary journalism sorority.

On June 18 Sharon became Mrs. Thomas Mazanec. Her husband, a 1958 graduate of the University of Michigan, is employed at Michigan Bell Telephone's accounting disbursement office in Southfield. The Mazanecs reside at Union Lake.

In previous summers Sharon has been employed as a guide at Greenfield Village and as a stenographer. Her hobbies include golf, tennis, swimming, bowling, building a mosaic table, and — for contrast — learning something about classical music via the Detroit Symphony Orchestra's free outdoor summer concerts.

News Around Northville

Gloria Clark, 235 High street, left Northville recently to begin a visit with her relatives, Mr. and Mrs. Joseph Paul of Stamford, Connecticut.

Weekend guests of Dr. and Mrs. H. Lorne Dyer, 718 Grandview, were his brother, the Rev. R. Oakley Dyer, his wife, Marilyn, and their two children, Stephen and Sheila.

Rev. Dyer has been appointed by the Overseas Mission Board of Canada to work with the Church of Christ in Africa for five years. They will be located in the copper belt region of northern Rhodesia.

The Dyers will spend a five-week vacation with friends and relatives in Scotland enroute to Africa.

Mr. and Mrs. Lewis Stewart are visiting their daughter and son-in-law, Mr. and Mrs. J. W. Reynolds of Plymouth. For many years Mr. Stewart was owner and operator of Northville Drugs. The Stewarts now reside in Tucson, Arizona.

Mrs. Mathilda Bensen and daughter, Kay, of 536 Grace street left June 30 to make their permanent home in Palos Verdes Estates, California.

Enroute they will visit Mrs. Bensen's brother, Dr. Peter Golden in Madison, Wisconsin, and her sister, Mrs. James Armstrong of Dyersville, Iowa.

Carol left earlier by jet to prepare for entrance to Our Lady of the Angels nursing school in Los Angeles.

The T. R. Carringtons of 536 West Main returned last week from two weeks of sightseeing in the Canadian Rockies and along the Pacific Coast. Stops along the way included Vancouver, Seattle, Portland, Victoria, Lake Louise and Banff.

Philadelphia, Niagara Falls and Concord, Massachusetts made up the travel itinerary of Mr. and Mrs. Dean Lenheiser and children, Scott and Reese.

The Lenheisers of 45995 Mayo court visited former residents, Mr. and Mrs. Arthur Gruner in Philadelphia and relatives in Concord during their 10-day trip.

A bon voyage garden party for Mr. and Mrs. Victor Muscat was given for them at their Walled Lake home by Mr. and Mrs. Gene Gordon, their daughter and son-in-law of Pontiac. Sixty guests attended.

The Muscats, accompanied by daughter, Deborah, left the 12th for a two month European excursion. Before sailing from New York on the 15th, they planned to see one or two Broadway shows.

Week end guests of Mr. and Mrs. C. A. Hoffman, 132 West Cady, were Dr. and Mrs. D. R. Brock from Palatine, Illinois.

The Robinson group of the Wayne County Home Economics Cooperative Extension in their June 29th

meeting made plans for a July 20th picnic.

Held at the home of Mrs. Richard Scruggs of Plymouth with Mrs. Robert Widmaier serving as co-hostess, the women also received a lesson on new fabrics and finishes.

Chest x-rays and application for their food handlers card were included in the members' trip to the Wayne County Health Center at Eloise.

Art Exhibit Entries Up

The committee for the Arts and Crafts exhibit to be held in Farmington, reports a most gratifying response to last week's request for exhibitors.

Mrs. Wanda Pusey stated that the majority of calls were requests for the following information:

The exhibit is open to anyone who wishes to exhibit original works in oils, water colors, graphics, sculpture, jewelry or ceramics; all entries must be suitably framed or mounted; there will be an entry fee of 50c per item; a 10 percent commission will be charged on any item sold; and each exhibitor will be limited to five entries.

The exhibition will be held July 31 through August 7 at the Farmington Universalist church, 23064 Warner street. Ingathering dates are Thursday, July 28 and Friday, July 29, 6-30 to 8 p.m.; and Saturday, July 30, 9 a.m. to 12 noon.

There will be a judging and prize money awarded for the works deemed best. Those who intend to enter are requested to call Stanley Hench, MA-4-2079, or Mrs. Wanda Pusey, GR-4-5099, so that space may be reserved.

Girls View Campus Life

Northville's Carole E. Tabor and Stephanie Brown, scheduled to begin studies at Western Michigan university in Kalamazoo this fall, got a two-day preview of campus life this summer.

The girls took part in Western's summer orientation designed for more than 1,500 freshmen who will enter the university for the first time next fall.

Under the direction of Dr. Paul L. Griffith, dean of students, the freshmen learn something of their future programs of study, meet with the counselors and see a bit of the campus during the visit. Some social life has also been planned.

When they return to the campus in mid-September the students will need only to complete their registration and pay their fees to begin classes.

Medal For Top Dancer

Her dancing brought Mrs. William Brassow of 5851 Six Mile road the Arthur Murray Bronze Medal award last Saturday night, July 9 at the Masonic Temple in Detroit.

Mrs. Brassow, daughter of Mrs. Guy Simmons and a member of the Ann Arbor dance studio, also belongs to the Arthur Murray lifetime club.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

NEW TO NORTHVILLE but already acquainted with several of the facilities offered by the community are these members of the Dewey Butt family: (l. to r.): Todd, 8; Mrs. Butt; Nancy, 2; Tim, 5; Mr. Butt; Tom, 6; and Toby, 10. They reside at 318 South Rogers.

An attractive feature of our town for Mrs. Dewey Butt, mother of five and a Northville newcomer of three weeks, is that it's a community where she can let her children enjoy some freedom outdoors and not worry over their safety.

Both natives of Illinois, Mr. and Mrs. Butt have spent a good part of their married life in Ohio, where they first moved when Mr. Butt enrolled at the University of Cincinnati. He is a 1951 electrical engineering graduate.

While in Chuyahoga Falls, just out-

side of Akron, Mr. and Mrs. Butt took an active part in civic work with the Akron Junior Chamber of Commerce.

Besides taking care of her growing children and anxiously awaiting a new addition to the family, Mrs. Butt does some occasional sewing, fashioning her more dressy attire.

Mr. Butt is also a Naval pilot in the active reserve out of Grosse Ile.

KITCHEN DIARY

Simple Cucumber Salad Refreshes Summer Menu

During these warm summer days, when preparing a meal can be a little more tedious than usual, and your family just a little harder to please, here's a simple salad idea to add a refreshing touch to warm weather menus.

Mrs. Harry C. Duerson, 312 West Main, suggests this recipe for a cooling gelatin salad, which she finds most tempting when served with fried chicken, corn bread and green peas.

CUCUMBER SOUR CREAM SALAD

Mrs. Harry C. Duerson

1 package lemon gelatin
¾ cup hot water
¼ cup lemon juice
1 cup thick sour cream
1 medium to generous size cucumber

Dissolve gelatin in hot water; add lemon juice; mix and let cool.

Grate cucumber, peel and all, and add to cooled preparation. Mix in sour cream; place entire mixture in salad mold; let it set. When firm, remove from mold and serve on lettuce.

Flatwork Ironed . . .

at No Extra Cost
with every family
bundle!

This is really a "wife-saver"!

How wonderful to make up the bed with crisp, freshly ironed sheets. It's so reasonable and practical, too. We'll wash your sheets "snow-white" and iron them to a "smooth-as-glass" finish. The housewife who has us do her laundry, has more time for the things she'd "rather do". Why not give us a call today!

Novi Highlights

Former Novi Pupils Hold Reunion

By Mrs. Leslie Clarke
FI-9-2398

The 21st reunion of former pupils of Novi school met in the Novi community building Saturday, July 9. Over 60 members were present for a potluck dinner. Members were present from Novi, Northville, Plymouth, Tecumseh, Ann Arbor, Pontiac, Detroit, Fort Huron, Wixom, Flint, Florida and Wisconsin. Officers elected for next year were William MacDermid, president; Charles Trickey, junior vice president; and Mrs. Warren Rice, secretary. Oldest member present was John Webb, 94 years old, and the youngest was Tommy Bell. Former teachers present were Mrs. Lulu Becker Going of Pontiac, Mrs. Lou Babbitt of Northville, Mrs. George Atkinson and Miss Ethyl Joscelyn of Sault Ste. Marie.

Mrs. David O'Leary, daughter of Mr. and Mrs. L. Rix is critically ill in the Florida San and hospital in Orlando, Florida. The Rixes are staying at 2709 Amsden road, Waukegan Park, Florida.

Dr. James Travis, formerly of Novi, son of Mrs. Marie Travis, has accepted a position as professor of Bible school at Blue Mountain college, Blue Mountain, Mass. Dr. Travis and his family will reside on the campus at the Stewart House. He will teach church history and philosophy of the Christian religion, etc.

Mrs. Jack Campbell and son of Austin drive returned recently from spending a week with her father at Kitchener, Ontario.

Beth Ann Newbegin, formerly of 11 Mile road, now of Oxford, Michigan, is visiting Reme Evans, daughter of the Carl Evans of 11 Mile.

Mr. and Mrs. William MacDermid and family of Stassen street attended the MacDermid - Green reunion Sunday. Approximately 75 guests were present from Novi, Utica, Farmington, Detroit, Northville and Walled Lake at Belle Creek park, Livonia.

Mr. and Mrs. Kenneth Rippey and family, formerly of Clark street, are now residing in Alhambra, California.

Mr. and Mrs. Loyne and family of Taft road spent the week end at their cabin at Gray lake.

Ronnie Loyne, now stationed at DeBry Technical school in Chicago, recently visited his parents, the Fred Loyne of Taft road.

The Birthday club met at the home of Mrs. John Williams of Glen Ridge court last week and made plans for a picnic and played pinocle.

Mr. and Mrs. Harold Ortwin of Stassen street entertained friends and relatives at a backyard picnic this past week end. Guests included the Richard Bradleys of Pontiac, the Richard Douglas family of Redford, the Clarence Ortwin and others.

The David Loutons and son, Duane, of Grand River attended the drag races at Stanton over the week end.

Recent guests of the Ray Warrens of Hagerty road were Mr. Guthrie Warren and son, Michael, of Crothersville, Indiana.

Mr. and Mrs. Louis Clarke of Taft road returned last week from a week's vacation at East Tawas, Mio and the AuSable. They visited Mr. and Mrs. Scott Elsenheimer of Elk Rapids, former Novi residents.

Mrs. George Clarke of Taft road has returned home from New Grace hospital and is recuperating at the

home of her daughter and son-in-law, Mr. and Mrs. George Stiles of Pontiac.

Mr. and Mrs. Roy Shupe and girls of Taft road, and relatives who have been visiting from the south, enjoyed a week's vacation in Canada. There were 13 in their party and they enjoyed visiting Toronto and sightseeing at Keswick lake and surrounding areas.

Mrs. Helen Salow of Novi road returned recently from a short visit with Mr. and Mrs. Floyd Salow of Farmington.

Mrs. Roberts of Detroit has been a week end guest of the Fred Garlicks on Novi road.

Novi Goodfellows

Charles Wallace, president of the Novi Goodfellows, wishes to thank the following organizations and individuals for their help on the sale of the flares for the July 4th celebration: West Shore association, Robert Norton, Orchard Hills and the Willowbrook associations.

Mr. and Mrs. Victor Gillette and families entertained former high school friends at a picnic. They included the LaVern Bartlett family from Saginaw, Mrs. Ila Tomlinson from Mason. Following the picnic they viewed pictures from Massachusetts and Florida.

Novi Methodist Church

Special music at the morning services last week was a solo by Mrs. Russell Button, who sang "The Lord's Prayer."

Next Sunday, all who attended or helped at Vacation Bible school are urged to be present as the colored slides of the group at VBS will be shown downstairs during the church hour.

Novi Library Group

The volunteer librarians have tentatively set up the following schedules as to the hours the library will be open in the fall. Tuesday and Thursday afternoon and evening from 3 to 8. Saturdays from 11 to 5. Additional librarian help is urgently needed and those wishing to attend the work shop August 12 contact Mrs. Fried or Mrs. Wallace. Books are still being accepted and will be picked up if you are unable to bring them to the library.

Novi Rebekahs

Past Noble Grands are meeting with Mrs. George Kahrl of East Lake drive Thursday, July 21 at 6:30 for potluck supper.

Tonight (Thursday) will be the last regularly scheduled lodge meeting until the second Thursday in September.

Cub Scouts

The 50th anniversary Jubilee will be held Saturday, July 23 at the playground behind the school from 2:30 until 7:30. This event is open to the public. Prior to flag raising, a uniform inspection will be held and the balance of the afternoon will have the following schedule: with prizes for winners: broad jump, still race, puddlejumper race, sack race, 3-legged race for dads and sons, 10 and 12-yard runs, roller hoop races, 25-yard dash, situps, bar pullups, pack ups, obstacle course which will include a barrel, simulated creek, walk 2x4 for 12 yards; also there will be a vault fence contest, turtle derby, clothes pin race for dads only, ball-throwing contest for mothers. Each den will provide games at 5 p.m. Barbeque will be provided, families are asked to bring enough hot dogs or hamburgers for themselves, also a passing dish. Following dinner there will be a regular pack meeting at 7:00 when awards will be presented. There will be a 50th anniversary award for each den meeting requirement, and also individual 50th anniversary award for boys meeting requirements.

The requirements are (1) Secure one boy to join his pack or another one during the year; (2) Advance one rank or earn one point; (3) Learn to swim or earn credit point in sports (elective), also participate in conservation project, and assist in "Get out the Vote" campaign if asked.

Novi Baptist Church

Mission Band will meet Thursday at noon at the Seeley road home of Mrs. Lewis King. The program will include a resume of the visit by Pastor Cook and family recently to the missionary Millers of Arizona. Ladies are asked to bring a passing dish and table service.

Daily Vacation Bible school is in progress this week with Hubert Karl directing. Teachers include Mrs. Jas. Wilenius, Mrs. Doug Stewart, Mrs. Brent Munro, Mrs. Rex LaPlante, Mrs. Eugene Dallas, Mrs. John French and Pastor Cook. Secretary and helpers include Brenda Kirk and Robert Taylor. Prizes are being given for memory work and missionary work.

A bee will be held Friday night at 5 p.m. (July 15) on the new church site. There will be brush cutting, cleaning up the grounds, and women will cook supper.

The Sunday school picnic last Saturday had about 100 in attendance. It was held at Cass Benton park. Baseball was enjoyed by all but the younger children. Winners in the penny race were Joan Waver and Tom VanSickle. Winner in the 3-legged race were Loretta Cook and Beth Newbegin. Sack race winners were Frank and Stelli Plantz and Brenda Kirk and Terry Krug won the shoe race.

TOUCH OF FRANCE — A patio addition complete with bubbling fountain adds a "sidewalk cafe" atmosphere to the Bel-Nor drive-in at South Main and the Seven Mile road cut-off. The new addition will accommodate more than 30 diners. In another improvement Owner Walter Belasco has had the entire parking area blacktopped.

Teen Clubbers Hold General Meet Tonight

A general meeting of the Novi Teen club will be held this evening at the clubhouse, corner of Meadowbrook and 10 Mile roads, at 7:30.

All area teenagers are welcome, President Dennie Bunch emphasized.

Bunch was recently elected temporary president to succeed Chris Hammond who resigned. Joanne Malik was appointed temporary vice chairman to replace Gary Pacific.

The regular election of officers will take place next month.

Chloriding Changed

Novi village officials this week revealed that the Spee Dee Oil Service company, which has been chloriding Novi roads, has asked that payments for second and third applications be made in advance.

Subdivision collectors should have money ready to be picked up at the time chloriding is requested.

According to officials, the oil company, which agreed to chloride Novi streets at a special price, has found that it spends more time collecting for small accounts than it does in chloriding the streets.

Long Agenda On Tap Tonight At Wixom

At their meeting tonight at the city hall, Wixom councilmen will take up the following matters:

A report on interest of city employees to join a group plan for Blue Cross-Blue Shield — not to be sponsored by the city this year.

Discussion and possible action in the dedication of Birch Park subdivision roads to the city.

A report on steps to purchase property for a city hall site.

Clarification of vacation time for city employees.

Discussion of the possibility of officially legalizing liquor in Wixom.

Discussion and possible adoption of a dog ordinance.

Steps to repeal the present trailer park Ordinance No. 31 and possibly enact a new ordinance.

Discussion of a proposed amendment to the Wixom zoning ordinance.

Setting of the amount of Judge William Welke's bond.

Spring Means Work, Excitement in Alaska

Winter in Alaska has given way to warm weather, leaving Northville's pioneering Wills' family with plenty of work with gardens, chickens and clearing of their isolated property near Kaslof.

Mr. and Mrs. Jerre R. Wills and their three young children — recently expanded to four — moved to Alaska early in 1959 with the now famous "Fifty Niners" caravan.

In a recent letter to Mr. and Mrs. Perry Taylor, 340 Pennell street, Mrs. Wills tells of building a green house, planting vegetable gardens, and raising chickens.

"We also have our dock finished," she wrote, "sure makes it easier to get water. We have been clearing land around our house and burning brush. It looks so much better now."

"We have our piling all in and our basement is dug — what a job! Now we are waiting until we can get out through our road so we can get our joists — and then our house will start going up."

"Jerry and John (a friend of the family) left on a hunting trip to a large lake about

20 miles from here this morning at 5:30 a.m. and will be back Friday. They will travel by canoe for 12 miles up a large river and then hike to the spot they chose for their camp.

"They are going after black bear."

"Our lake is entirely free of ice now and so pretty. We have decided to call it Lake Reflection — our road, Lake Reflection road or lane. The loons are back now, with their mating dances all over the lake. It is beautiful to watch."

In a later letter she wrote: "I saw my first black bear up here — about 40 yards from me, looking over our garbage pile. I had the gun but couldn't bring myself to shoot him. Timber (a pet dog) ran over to him and wagged his tail. The bear just walked away. I was so excited."

"I've been swimming a lot — two times in May — I have a nice tan. Sunday we were able to drive out our road. Boy, was I happy. From April 20 to June 5, I was back here in exile."

The Wills' Alaskan address is Box 53, Kaslof, Alaska.

First Federal Pays Record Earnings

The largest earnings' payment for a six months' period ever paid by First Federal Savings of Detroit was made to customers on June 30.

According to Perry W. Richwine, vice president and branch manager of First Federal's Plymouth office, the payment exceeded \$4,700,000. The payment is at the annual rate of 3½ percent.

"Popularity of First Federal's unique savings service is shown by the fact that more than 14,500 people opened new savings accounts at First Federal during the first half of 1960," says Richwine. This is far ahead of the same period of 1959. And during this time, savings totals increased by over \$13,933,000 after deducting all withdrawals.

"We are continuing to expand our services to customers in many ways. Just recently we announced a Vacation Savings Club that can be started anytime during the year and that, like First Federal's successful Christmas Club, pays 3½ percent current earnings on money saved and left to the end of the semi-annual earnings periods.

"This Vacation Club, unique in the Detroit area, was planned to adapt itself to America's changing way of living and to the increased interest in travel and vacations by American families. Today people can travel greater distances on their vacations, and many are taking longer vacations and going at different times of the year. As a result, vacations are more expensive than formerly, and the average family needs to save a pretty good sum of money for vacation purposes," he added.

WIXOM NEWS

Wixom has finally been fortunate in obtaining the services of a doctor with complete diagnostic facilities. Dr. Arnold Kelz, D.O., began his practice in his newly finished clinic at 646 North Wixom road on July 1. This very attractive building is located next to the new Wixom Baptist church. The doctor can be reached by calling MA-4-4594.

Mr. and Mrs. Tom Barry spent Monday with Miss Hilda Furman. Mr. and Mrs. Lee Harrison had as their Fourth of July guests, Mrs. Harrison's sister and husband, Mr. and Mrs. Clyde Falter of Flora, Illinois.

Mr. and Mrs. John Bannerman have returned from Colorado Springs having spent three weeks sight-seeing.

Edward Allen spent the week with Mr. and Mrs. Jules Nelson.

Mrs. Earl Woodworth and Walter spent the week end visiting Fenwick and East Jordan.

Mrs. Charles Ware spent Sunday at Buck lake, Hamburg, as the guest of Mr. and Mrs. James Flaherty.

The Jack Young family of Detroit visited the Gilbert Willis' Sunday.

The Paul DePodestas entertained 50 people Sunday from Detroit.

Saturday the Hugh Guthries, the Charles Thomases and Jim Rollos had a spaghetti dinner at the club beach house.

The William Smiths are home from a trip through northern Michigan.

Maryanne Fury and a girlfriend, Marie, from Pennsylvania, spent the week end with the DePodestas.

Mrs. Charles Proctor has been in St. Mary hospital, Livonia, for the past week.

Margaret Marshall is back in St. Joseph's hospital, Pontiac, suffering from a relapse. Margaret had surgery a few weeks ago.

Timmie Callahan is home from the hospital and is much improved. Timmie was injured in a lawn-mower accident a few weeks ago.

Mr. and Mrs. Henry Madigan have returned home. Mrs. Madigan was called to Prince Edward Island, Canada due to the death of her mother. Mr. Madigan drove to Bel-mont, Mass. to meet Mrs. Madigan at her sister's home, where they had come from Prince Edward Island. June Madigan is still with her aunt in Massachusetts and Henry is keeping his uncle company in Prince Edward Island.

Mrs. Mae Decker, Mrs. Lucetta Ruggles and Bill drove to see the Mackinac bridge over the week end.

Wash and wear summer suits must be wash and wear down to the last pocket lining, waistband, interfacing and shoulder pad. Mrs. Eleanor Mullikin, home economist at Michigan State university, says labels should tell you EVERYTHING in the suit is washable before you attempt to wash it.

CLINIC OPENS — Wixom's new medical clinic (top picture) officially opened last week. It will be operated by Dr. Arnold Kelz, (bottom picture) formerly of Pontiac and now a Wixom resident.

Dr. Arnold Kelz Opens New Wixom Medical Center

Wixom's new medical clinic, operated by Dr. Arnold Kelz, officially opened last week.

The 1300-square foot clinic is located on Wixom road, just north of the new Baptist church still under construction. The modern, \$26,000 building contains a private consulting office, four treatment rooms with complete laboratory facilities, and a waiting room.

It also includes facilities for emergency cases.

The exterior of the building is finished in red brick veneer, part of the interior in cherry paneling. All rooms include fluorescent lighting and are air conditioned.

Dr. Kelz, 27, formerly with Pontiac Osteopathic hospital, lives with his wife and two-year-old daughter, Sallie, at 1461 Wren in Birch Park subdivision.

Dr. Kelz, who was educated at the Chicago college of osteopathy, said the clinic "is intended to furnish the people of Wixom and surrounding areas with current and best medical care and treatment."

"The entirely air conditioned clinic will furnish facilities for all emergencies and accident cases, laboratory procedures including x-ray and EKG, and a complete physiotherapy unit including diathermy and ultrasonic therapy," he said.

Faces Trial Today

Jack E. Boddy of Farmington, arrested Saturday night in a Novi bar on charges of being disorderly and impersonating an Oakland county police officer, pleaded guilty on one charge, not guilty on the other.

Appearing before Justice of Peace Robert K. Anderson, Boddy admitted being disorderly, but denied he had impersonated an officer. Sentencing on the one charge, trial on the other was set for today.

IN WILLOWBROOK:

Neighbors Enjoy Party

By Mrs. George Ames

Greenleaf 4-0830

Mr. and Mrs. Robert McClelland, Mr. and Mrs. Richard Holmes, Mr. and Mrs. Leonard Ucinskis, Mr. and Mrs. Al LaBarge, Mr. and Mrs. Emery Jacques, Mr. and Mrs. Lloyd George, Mr. and Mrs. Dennis Killeen, Mr. and Mrs. Leon Blackburn, Mr. and Mrs. Herb Anderson, Mr. and Mrs. Carl Rowley, Mr. and Mrs. Ed Frutchey, Dr. and Mrs. Donald Wingard and Mr. and Mrs. David Fried got together for a block party last Sunday evening.

Mr. and Mrs. Adam Denny are happy to announce the birth of a daughter, Lisa Ann, on June 18 at Old Grace hospital, Detroit. The baby's birth weight was six pounds and 13 ounces. The Dennys have two other children, Linda, 6, and Laura, 21 months. Mr. and Mrs. O. E. Turner of Livonia and Mr. and Mrs. William Denny of Farmington are the grandparents.

Mrs. John Bauer and her children, Michael, Debbie, John, Tommy and Theresa are back in Willowbrook after spending two weeks in Muncie, Indiana visiting Mrs. Bauer's mother, Mrs. Ethel Newman. Mr. and Mrs. Edward Blackwell visited their Christmas tree plantation near Kalkaska last week end.

Mr. and Mrs. Robert Garbin took their older children, April and Bobby Jo, with them on a tour of Florida. They visited St. Augustine, Daytona Beach, Wintergarden, Clearwater Beach, the Cypress Gardens and Silver Springs. They came home through the Smoky Mountains stopping at Lookout Mountain.

Mr. and Mrs. Al Diebel and their children, Skippy and Robin, camped out at Sleeper State park near Port Austin last week end.

Charlotte Rasmussen was hostess to the Tuesday Bridge club last week. Lori Krause and Ruth George were guest players. Irene McCormick won the prize.

Mr. and Mrs. Tom Dukes went to the barbershop quartet show of the Freedom Festival Friday evening.

Robert Robinson of Nome, Alaska spent Tuesday here with Mr. and Mrs. George Ames.

Mr. and Mrs. Donald Simonsen and their children spent the week end in Alma with Mr. and Mrs. Bud Price.

Mr. and Mrs. Ralph Morse and their children, Diane, Susie and Geoff, went to a barbecue Sunday at the Livonia home of Mr. and Mrs. Frank Morse.

Mr. and Mrs. Rhoades Romig joined Mr. and Mrs. Ed Frutchey at Kensington park for a breakfast picnic last Sunday.

Susie Morse, daughter of Mr. and Mrs. Ralph Morse of Mooringside drive, is home after spending a week in Redford as the guest of her grandparents, Mr. and Mrs. John Morse.

NOVI SCHOOL BOARD MINUTES

The regular meeting of the board of education was called to order by president, Mr. Heslip, at 8:45 P.M. on Wednesday, June 8, 1960.

Present were Mr. Heslip, Mr. Taylor, Mr. Crawford, Mr. Erwin and Dr. Morris, and the superintendent, Dr. Medlyn. Absent none.

The minutes of the previous regular and two special meetings were approved as submitted.

The treasurer's report which was approved as read, showed the following balances:

General Fund	\$16,798.56
Lunch Fund	4,567.51
Payroll Fund	3,092.22
1957 Building and Site Fund	184,686.59
1953 Debt Retirement Fund	25,609.13
1957 Debt Retirement Fund	2,364.07
1958 Debt Retirement Fund	235.58

Dr. Medlyn reported the playground equipment had been ordered and would be received in about three weeks.

The GMC bus had been ordered. The district's bid was \$20.00 below the bid obtained by the Oakland County group.

Mr. Moore of the Southern Baptist group has requested rental of the Putnam School for a mission church. It was moved by Dr. Morris and supported by Mr. Taylor, that the rental for the Putnam School be established at \$25.00 per month for a period of not to exceed one year. The motion carried. Dr. Medlyn is to contact Mr. Moore.

Milk bids received for half-pints in glass were as follows: Guernsey Dairy 5c, Farmington Dairy 5c, Bodker Dairy Co. 5½ cents. It was moved by Mr. Crawford and seconded by Mr. Erwin that action on the milk bids be tabled until the next regular meeting.

Dr. Medlyn reported on a meeting with Mr. Fordon of the Alkin-Fordon Co. and Mr. Weiland of Chas. W. Lane and Assoc. in regard to the tile field at Orchard Hills School. Another meeting is to be held on Tuesday, June 14 with the Oakland County Health Dept. sanitary engineer.

Dr. Medlyn recommended that Don Knodle's contract as principal be renewed and with some salary adjustment, in alignment with teachers' salary increases. It was moved by Mr. Taylor and supported by Mr. Crawford that Don Knodle's contract be renewed at \$7250. The motion carried.

The school district's allocation rate has been set at 812 mills on \$12,330,473 valuation, (1959 rate was 7.98 mills on \$11,410,551 valuation). It was moved by Mr. Erwin and seconded by Dr. Morris that current bills be paid as presented. The motion carried. The bills included were general fund \$1247.94; building and site fund \$34.99; and lunch fund \$772.80.

It was moved by Mr. Taylor and supported by Mr. Crawford, that the City Glass bill be paid and the amount withheld from the general contractor's final payment. Motion carried.

The meeting was adjourned at 11 P.M.

Respectfully submitted,
Russell Taylor, Secy.

Obituary

EMMA BULMER

Former Northville resident, Mrs. Emma Bulmer, passed away Sunday, July 3 at her home in Ryphers-hills, Florida at the age of 84. She is survived by her husband, John; a sister, Rose Carrington, and three nephews and one niece.

MRS. NETTIE FISHER

Mrs. Nettie Fisher, 15766 Marilyn road, Plymouth, died July 7 at Wayne County General hospital. A resident of the Plymouth-Northville area since her birth January 15, 1910. Mrs. Fisher had been in failing health. She leaves her husband, Roy; sons, Roy, Jr. of Garden City; Norman and Donald of Redford; Charles of Detroit; and two daughters residing in Northville, Mrs. Annabelle Parmenter and Mrs. Sharon Haskins. Also surviving her are a sister, Mrs. Hazel Paddock of Northville; a sister and brother in Plymouth, Mrs. Marion White and Harry Maynard; Mrs. Lucille Toole, a sister in Wayne; Mrs. Flossie Crumb, a sister of Walled Lake, and 16 grandchildren. The Rev. Peter F. Nieuwkoop officiated at services held from the Casterline Funeral home July 9. Burial was at Newburg cemetery.

KENNETH HAROLD HOPKINS

Kenneth Hopkins, 19320 Gerald, was given a military funeral Monday, July 11 following his sudden death July 7 at Community General hospital. The ceremony, under the auspices of Northville's American Legion Post 147 and Veterans of Foreign Wars Post 4012, was given Mr. Hopkins for his service in World War II as a member of the United States Navy. The Rev. Robert Coffey of the Brighton Federated church officiated. Born March 6, 1916 in Ionia, Mr. Hopkins was married September 29, 1934 to his wife, Anna, who survives him. He is also

survived by three sons living in Northville, Roger, Kenneth and Melvin; a son, Richard, in the United States Navy; a daughter, Mrs. Bruce Stratton of Brighton; three sisters living in Jackson, Michigan, Mrs. Donna Landis, Mrs. Edith Miller and Mrs. Marjorie Abrams; two brothers, David and Everett, of Los Angeles, California, and a grandson, Harold Stratton. Mr. Hopkins had been a resident of Northville for 16 years. Services were held from the Casterline Funeral home. Interment was at Rural Hill cemetery.

MRS. EDITH JANE GRIER

Mrs. Edith Jane Grier, a well known Northville resident, died July 10 after an illness of ten months, at the summer home of her son at Camp Nelson, California. Mrs. Grier was 80 years old. She was born August 6, 1879 to Rev. William and Sarah Jane (Bale) McKay in Iona Station, Ontario, Canada. Her husband, Whyrom, preceded her in death in September, 1946. Mrs. Grier is survived by two sons, James Whyrom of Camp Nelson and Vista, California; a daughter, Mrs. Salome Britton, with whom she lived at 327 West Dunlap street. Also, three grandchildren, James Forrest Grier of California; John Harper Britton of Northville and Barbara Gale Grier of Dearborn. Mrs. Grier was a graduate of Spring Arbor seminary at Spring Arbor, Michigan and Ypsilanti Normal college. She taught for several years in Harbor Beach and Charlotte, Michigan before her marriage in 1907. She was a member of the First Methodist church, Northville. Funeral services were held from the Dempsey B. Ebert Funeral home July 13 at 2 p.m. with the Rev. Dr. Edwin Striker, Ann Arbor district superintendent of Methodist churches officiating. Interment was at Rural Hill cemetery.

To Enforce Curfew Law On Kids Here

A new curfew law to regulate juveniles loitering in public streets after dark will become effective in Northville August 17. Police Chief Eugene King announced this week. Minors under 12 must be off the streets by 10 p.m., and those under 16, unless accompanied by an adult 21 years or older delegated by a parent or guardian, by midnight according to the newly enacted legislation.

Chief King named this as one of several measures currently being adopted by state law enforcement agencies, including Northville, to cope with the growing number of juvenile crimes recently occurring.

The new juvenile law along with others important to Michigan police departments came to Chief King's attention at the 34th Annual Conference of the Michigan Association of Chiefs of Police held at the Detroit Leland hotel July 10-13.

Chiefs from all over the state attended the conference to take up business dealing with all phases of law enforcement.

In recent Chief King expressed alarm at the increase in vandalism in the area, particularly stealing of gasoline and property damage.

The city council voted last week to purchase a second car to provide better police patrol. Last month the council heard evidence of gas-stealing and property destruction from the manager of oil distributing who complained that better police protection was needed against vandalism.

Easter Seal Camp Opens

Camp E-Se-De-Ca, the Day Camp for crippled children sponsored by the Easter Seal Society at its center near Middlebelt and Michigan in Inkster will serve over 80 children between July 11th and August 19th.

A regular daily program of flag-raising, songs, crafts, games, stories and just plain play will occupy boys and girls, ages 4-11 years from 9:30 a.m. to 3 p.m. each week Monday through Thursday until August 11th.

OUT OF THE PAST — Familiar as this scene may seem to some people, it is one that most present-day children may never see. Yet, on the farm of Jacob Fuerst, 24000 North Taft road, a good, strong team of horses is still a valuable asset. And 72-year-old Fuerst maintains the tractor — he has two of them — will never completely replace the horse. Although he uses the tractors for plowing and many of the heavier jobs, Fuerst says his horses are paying for their feed by performing odd jobs that the horse-less tractor finds difficult. His team, one of the few remaining in the Detroit metropolitan area, is shown above pulling a cultivator down a row of corn. Their names? "I haven't given them any names. You name them — but call them something nice."

Feature 3-Year-Old Pacers at Downs Tonight

Michigan's three-year-old pacers share the spotlight with the open class stars tonight at Northville Downs.

The sophomores, of which the state has its best crop in several years, tangle in one of the season-long colt series sponsored by the Michigan Harness Horsemen's association.

In fact, there is a possibility that the stake may have to go in two and possibly three divisions, according to Racing Secretary Bill Connors. A total of 77 colts were nominated and at least 50 are ready for the races.

Detroit area fans already have seen several of the top stars in action in events at Northville and Hazel Park. But Thursday's meeting will be the first of the colt series in the metropolitan district.

Heading the list are such stand-outs as Brown Valley Farm's Royal McKinney; Time to Race, Danny Abbedale and Alexander from the stable of Dr. James Blanchard of

Morenci; Don McMurray's Bridgroom, Gene Brown's Kayson Hal, first colt by the speedy Russet Hal, a longtime Northville favorite; Jim Merriman's Dutch Dale, Joe Marsh's Caliber Direct, and Wally McMurray's Ypsi Red to mention a few.

Then on Saturday night the open class pacers resume their duel with the hope of halting the winning

streak of Red Robin, owned by Mainway Farm of Jackson. Robin is expected to get stiff competition from Rockette Forbes, owned by Pete Katona of Milan; Brown Valley Farm's Royal Melody; Vicki's Jet who totes the colors of Les Alford of Flint; Cold Sunday, owned by Everett Hammell of Pinckney; and the coast speedster, W. E. Cash.

Hartley Wins Photo Prize

Harold Hartley, 18, son of Mr. and Mrs. Harold Hartley, Sr., 602 Randolph, has been awarded third place in the National Scholastic Anso Photography contest.

A 1960 graduate of Northville high school and photographer for The Northville Record and Novi News, Hartley won third prize in scenes and an honorable mention in portraits.

Hartley has been a national winner in many other contests during the past four years.

Elected

NEW EXCHANGE president is Dr. T. N. Heslip, who succeeds Dempsey Ebert as head of the Northville businessmen's club. Other officers installed last week with Heslip are: Charles Freydl, Jr., first vice president; Herman Mochman, second vice president; Morritt Meaker, secretary, and C. Harold Bloom, treasurer.

"GOD" INSURANCE

Please excuse me if the title of this article sounds a bit sacrilegious to you, but it expresses the religious tendency of many people. These people know very little about God since they do not read the Bible in which God reveals himself to man. They, therefore, do not know that their sin has separated them from God so that they are "without hope and without God in this world." But since there is a certain element of risk in living and a sure time of death in which we must depart from this earth, these people hold some sort of religious belief which I have termed "God Insurance". This insurance, they think, will bring them help through prayer when they need it and heaven in eternity when they die. Their religion is often as superstitious as those in heathendom. Friend, listen! Christianity is based upon the truths as expounded in God's Word, the Bible. The matter of right standing with God according to this Faith is alone through repentance and faith in the Lord Jesus Christ. Any religion that denies the truths taught in the Bible cannot rightfully be called Christianity. I urge you readers to get first hand information by reading St. John's Gospel for yourself.

The Northville Record

SAFETY FIRST — Corporal Matt P. Hrebec of the state police's safety and traffic division uses a magnetic traffic board to help explain precautionary measures drivers should take when approaching an intersection. Looking on (left to right) are Paul Chadwick, Scott Palmer and Janette Pauli.

THINK BEFORE STARTING — Instructor Al Jones gives some last minute instructions to Murilla LeFevre before she takes a test drive. You can be sure that before Murilla turns on the key, Jones will be inside watching each of her driving steps.

120 Students Learn to Live While Driving

For many Northville high school students, alarm clocks are not collecting cobwebs this summer.

Some clocks, in fact, are shaking students out of bed at sunrise so they can make a 6 a.m. class at the high school.

Yet, according to the two driver education instructors, "We don't have any trouble filling the 6 a.m.

class. Some students seem to like the early class."

Close to 120 students — including the early risers — are participating or will participate this summer in one of four driver education sessions, one of the courses which some people consider a "frill" in the high school curriculum.

But driver training instruction, as seen by instructors Bill Hensch and Al Jones, is more than just an educational frill. For them it's a relatively inexpensive way to save a very priceless commodity — human lives.

Praised by law enforcement agencies throughout the nation, driver training is not a newcomer to Northville's course program. Initiated shortly after World War II, Northville was one of the first schools in the state to offer the instruction, which at one time included 56 hours in the classroom and nine hours behind the wheel.

Since these early beginnings, driver training has undergone some important changes. The course is now scheduled only during the summer months, and its scope has been limited to meet the state's minimum requirement of 30 hours of classroom study with six hours behind the wheel.

Eliminating driver training during the school year, said instructors Hensch and Jones, will relieve a high school scheduling problem, but, they added, the program has been hurt a certain amount by curtailing the length of the course.

"To a person who catches on at a normal rate, it's sufficient, but for anyone who learns a little slower, it's somewhat difficult," they said.

Driver training, as directed by a 1957 state law, must be provided by Northville high school for all students in the district, including those attending parochial schools.

Successful completion of both parts of the course, class and car lessons, makes the student eligible to qualify for his operator's license if he is between the ages of 16 and 18.

Students get "the feel of the road" in one or two school-owned autos equipped with standard transmission. Both cars are heavily insured, said Hensch and Jones, and every precaution is taken before the student tests his skills on public thoroughfares.

For a time, or at least until their instructors feel they are qualified to drive elsewhere, the student drivers work on their wheeling in the high school parking lot.

JOHN CARLO, EXECUTIVE MANAGER

FRIDAY, JULY 15 — PACE

REAPPOINTED CHAIRMAN — Leo Harrawood of Novi has been reappointed chairman of the Novi chapter of the National Federation of Independent Business. Above he accepts the plaque displaying his title from Henry Lipson, division manager of the Federation.

Harrawood Reappointed Business Chapter Head

Leo Harrawood, owner of Harrawood's Sales and Service, has been reappointed chairman of the Novi chapter of the National Federation of Independent Business, Henry Lipson, division manager, announced this week.

Each business and professional man member of the organization maintains a voting membership, and is polled by ballots regularly throughout the year on bills and issues that affect independent enterprise at the national and state levels.

The businessmen express their own personal opinions on the ballots each month and turn them over to Harrawood, who makes tabulations of the total number and the manner in which they voted.

These tabulations are sent, with the signed ballots, directly to the desk of Congressman William S. Broomfield in Washington, D.C. and to State Senator L. Harvey Lodge.

"By doing this," Lipson said, "independent business and professional people can keep in direct contact with their national and state legislators on measures that affect free enterprise opportunities."

The Federation is a non-profit organization with the largest membership of any business organization in the United States.

"Businessmen in the Novi chapter have indicated to me their appreciation of Mr. Harrawood's work with our organization," Lipson said. "He does this as a public service without any compensation."

In Northville 22 business firms belong to the Federation. Essie Nider, owner of Northville Hardware, heads the chapter.

ZOO TRIP HIGHLIGHTS REC PROGRAM

One of the most popular special features of the Northville summer recreation program will be launched this morning as dozens of children head for the Detroit Zoological park.

Today's trip is one of two scheduled for this summer. The second is scheduled for August 4.

Buses for the trip leave at 9:15 a.m. from behind the Main street elementary school and return about 3:30 p.m. A charge of 35-cents is made for the chimp show and train rides at the zoo.

Children are asked to bring a lunch or money to buy lunch. Because of the zoo trip, the reg-

Indians Win 2, Grab Early Knothole Lead

The Indians grabbed an early lead in the race for the Knot Hole baseball league title last week by crushing the Yankees 8-1 and by squeaking by the Dodgers, 6-5.

In other opening games, the Athletics edged the Dodgers, 6-5, and the Yankees trimmed the Athletics, 7-0.

Two solid hits by Larry Osborn and a long double by Jimmy Daniels helped the Indians to their easy victory over the Yankees. Scott Bergo and Jim Daniels picked up the victory. Fred Witt and Mike Hohenic were the losers.

Osborn's long single in the fourth helped the Indians to come from behind to clip the Dodgers, 6-5.

The close, exciting, well played game was not decided until the final out. Tom Daniels came back in relief to save his own game. The Indians' little hurler, who took the mound with one out and bases loaded, struck out the last two batters after working them to 3-2 counts.

The Indians put together six hits in the fourth to sew up the game. Osborn cracked the game winning hit to drive in the final two runs.

Mike Hohenic, who lost in his first start, came back with the first no-hit, no-run pitching performance of the season. Hohenic struck out seven batters in handing his team a 7-0 victory over the Athletics. Robert Shettler, who gave up only three hits, was tagged with the loss.

A three-run double by Norbert Parent highlighted the Yankees' hitting attack.

Tom Frowmelter of the Athletics picked up the 6-5 win over the Dodgers. He gave up three hits. John Blackburn, who was nicked for only two hits, took the loss.

An infield hit off the bat of Shettler gave the Athletics the victory.

The Dodgers committed three errors, the Athletics two.

In the only two Knot Hole softball games played last week, the Panthers outclawed the Tigers, 4-2.

Orioles Roll On; Crush Jets, Sox

Two more class F teams felt the sting of Northville bats last week as the Orioles crushed the Jets, 14-6, and the White Sox, 18-2.

Ron Vradenberg took credit for the first victory. Jerry Inslund was the winner of the second.

Although the Jets grabbed a four-run lead in the first inning, the Orioles bounced back with two of their own in the first on a triple by Dan Bishop, a walk, and a single by John Mach.

The Orioles scored four runs in the second, four more in the third, two in the fifth and two in the sixth. The Jets scored their runs in the fifth and seventh innings.

Two homers off the bat of Bishop, plus doubles by Mach and Bob Bell highlighted the Whitesox contest. Inslund gave up only three hits and struck out nine batters in picking up the victory. Only one Oriole batter struck out.

Other Northville leading hitters were Artie Forth and Gary MacDermaid, who each stroked two singles, and Billy French, Inslund, Kenny VanSickle and Sproutle, who clubbed singles.

Batter Up!

Recreation Schedule

Today
Braves vs. Pierson Cubs, diamond 1.
Smith Products (women) vs. Ypsilanti Independents, Cass Benton park.
Athletics vs. Dodgers (baseball), 9 a.m., Cass Benton park.
Indians vs. Yankees (baseball) 10:15 a.m., Cass Benton park.
Recreation vs. Plymouth Elks, Cass Benton park.
Tomorrow (Friday)
Braves vs. Roosevelt Indians, diamond 3.
Monday
Panthers vs. Tigers (softball), 9 a.m., Cass Benton park.
Lions vs. Bears (softball), 10:15 a.m., Cass Benton park.
Orioles vs. Red Sox, diamond 4.
Plumbers vs. Clarenceville Trojans, Clarenceville.
Novi vs. Wayne County Training School, Novi.

ularly scheduled day camp at Ford Field will not be held today or on August 4.

Other recreation notes:

An additional softball league will be organized next week, recreation officials announced Monday. The extra league was necessitated by the large number of seven-year-old boys who need extra help in softball fundamentals.

All interested boys are asked to meet at diamond number 2 in Cass Benton park on Monday and Wednesday at 10 a.m.

Interest in the annual turtle race, scheduled for Friday, July 22, is mounting fast, officials report. Several children have already "captured" prize runners and are busily training them for the big race.

Although some turtles will be available at the scout hall for those who cannot obtain their own, participants are expected to supply their own.

Prizes will be given for winners

in each race, largest turtle, smallest, and the best decorated. (No snappers permitted!)

Five and six-year-old boys will meet tomorrow and each Friday thereafter at 10:15 at diamond number 2 to take part in the Pee Wee baseball program.

The second trip to Briggs stadium is set for Thursday, July 21. Boys and girls from 8 to 15 years of age may sign up at the Scout hall from 9 a.m. to noon, Monday through Friday. However, children who did not go on the first trip last week will be given preference.

Parent chaperones are needed for these trips. Anyone interested is asked to call FI-91676.

Four Northville players, representing the Livonia Class D All-Star nine, took part in an all-star double-header Saturday at Adrian. They were Dave Hay, Fred Steeper, Roger Atchinson and Bob Stuber. The Livonia squad defeated Mon-

roe in the opener, 6-5, but lost to Jackson, 11-3, in the nightcap.

Hay, who delivered a game winning double in the first game, was selected by the tournament directors to compete in the second all-star tournament at Ann Arbor Saturday. Top players in the Ann Arbor game will be selected to play against Detroit all-stars at Briggs stadium. And all-stars from the Detroit game will play later this summer at Yankee stadium in New York.

A change in the canoeing class schedule was announced this week. The times and places will remain the same, but the classes will be held on Thursdays instead of on Wednesdays.

Girls softball games will be held on Wednesdays. Ages 10, 11, 12, at 8:45 to 10:15; 13 and over at 10:15 to 11:45. All games will be played at the First street diamond.

Upcoming girls recreation sports include shuffle board, badminton, croquet and horseshoes. Ages 10, 11, 12 at 8:45 to 10:15, and 13 and over, at 10:15 to 11:45, near the tennis courts in Cass Benton park.

The tennis program schedule remains the same. Ages 10, 11, 12, at 8:45 to 10:45, and 13 and over, 10:45 to 11:45, at the tennis courts, on Monday and Tuesdays. The program also is open to adult women interested in learning how to play tennis.

Hold Comfortable Lead

Earth Movers Win 4 More In Novi Little League Race

Four decisive victories catapulted the Anglin Earth Movers far out in front of the four-team race for the Novi Little League championship during the past two weeks.

The closest rival, National Bank, picked up two more wins without losing a game, but the Novi nine has a record of 7-4 as compared to the Movers' 11-1 record. In third place with a 6-9 record is Paragon Bridge and Steel, and in last place, Novi Drug at 3-10.

The latest Movers' victories included: 14-0 and 17-5 over Paragon, 10-6 and 11-4 over Rexall. Jim Payton and Norm Krogg shared mound duty and split the wins.

In the first contest with Paragon, Payton struck out nine, walked three and was nicked for only one hit. His four-bagger and sharp single put him among the top Anglin hitters.

Teammates who helped out included Ted Bunker with two doubles and a single; Jim Berton, two

singles and a double; and Chuck Sidaway, a homer and a single.

Krogg scattered five hits and himself collected three of his squad's 14 hits, including a homer, double and single, to pick up the second win over Paragon. Berton also came up with three hits, including a homer, double and single.

Joe Shuttler clubbed two singles and a double to lead his squad's limited hitting attack.

Krogg limited Rexall to six hits to take credit for the 4-1 victory. Dave Bentley was the loser.

Leading hitters for the Movers included Payton, two doubles and a single; Bob Sprenger, double and two singles; and Berton, triple and single. Lee Snow — with a triple and single and Pete Gatter with three singles led the Rexall attack.

Payton was nicked for seven hits, but clutch hitting by his teammates helped him to the 10-6 win over Rexall. Wayne Wolverton picked up

a double, and Bunker and Berton each smashed a double.

Losing pitcher Stan Gillett led his team at the plate with two singles and a triple.

Other scores included a closely fought, 15-14 win by Paragon over Rexall, an easy 11-1 victory by National Bank over the Drug-gists, and a 11-6 National Bank win over Paragon.

Shuttler was the winning Paragon hurler, Dave McMillan the loser. Simenton and Ricky White picked up the National Bank victories while Gillett and Shuttler were tagged with the losses.

Leading Rexall hitters included Herbert Harbin, double and single, Mark Mangle and Gillett, one double each, and Gary Boyer, two singles. Outstanding for National Bank were Simenton, two doubles, a homer and a single; White, triple and single; Cliff Hawley, two triples and a single, and Bailey, a double and a single.

The way to unending peace and satisfaction will be pointed out at Christian Science churches Sunday in a Lesson-Sermon entitled "Life". The first of a series this summer devoted to synonyms for God.
Opening the Scriptural selections to be read are these verses from Psalms (36:7-9): "How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings. They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures. For with thee is the fountain of life."
Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (516:9-12): "God fashions all things, after His own likeness. Life is reflected in existence, Truth in truthfulness, God in goodness, which impart their own peace and permanence."

First Baptist Church, Northville

WHY GO TO CHURCH?

Perhaps you will be surprised to learn that the scriptures do not command people who are not Christians to go to church. There is no merit before God when non-Christians attend the services of some church. He is neither any better before God, nor any worse, whether he stays home or attends. The value of attending a church where the whole counsel of God is preached is that he hears the Gospel of Jesus Christ which is able to save his soul. If he obeys this Gospel by receiving the Lord Jesus Christ as his Lord and Saviour, then his church attending is worthwhile.

I would suggest six reasons why Christians should regularly attend the services of a true Gospel church:

A CHRISTIAN SHOULD GO TO CHURCH TO WORSHIP GOD—The Lord Jesus said, "For where there are two or three gathered together in my name, there am I in the midst of them." It is true that God is everywhere present. It is also true that God is pleased to meet with His people in a special way when they are gathered together.

A CHRISTIAN SHOULD GO TO CHURCH BECAUSE IT IS IN KEEPING WITH THE HOLY DAY. All our days belong to the Lord, but only one day is set apart as "the Lord's Day". From the beginning of the Christian Church the believers have voluntarily set aside the first day of the week for rest and worship.

A CHRISTIAN SHOULD ATTEND THE SERVICES OF THE CHURCH because it is his opportunity to be instructed, exhorted, encouraged, and if need be, rebuked from the Word of God.

When Philip the Evangelist asked the Ethiopian in Acts 8, "Understandest thou what thou readest?" He replied, "How can I except some man guide me?" . . . Pastors, who are true to God and called of God, are men selected for that very purpose.

A CHRISTIAN SHOULD ATTEND THE SERVICES OF THE CHURCH BECAUSE GOD HAS COMMANDED HIM TO DO SO. Hebrews 10:25—"Not forsaking the assembling of ourselves together as the manner of some is, but exhorting one another, and so much the more as you see that day approaching." The normal spiritually healthy Christian is a regular Church attender. He knows too that his love for God is expressed by obedience to His commands. And, church-going is one of His commandments.

A CHRISTIAN SHOULD ATTEND THE SERVICES OF THE CHURCH because it is the only way the testimony can be maintained in a community. It is only when Christians combine in unity and join effort that the work of Christ goes forward. Very little is accomplished by individual efforts of Christians. It takes a united family to send forth missionaries and maintain a sound evangelistic center.

A CHRISTIAN SHOULD ATTEND THE SERVICES OF THE CHURCH because the Holy Spirit of God prompts him to do so. I have never met a real Christian who did not believe that he should go to church. The Spirit of God which dwells in every true believer teaches him that his place is with the Lord's people on the Lord's Day.

THERE IS NO POST-EASTER SLUMP AMONG GENUINE CHRISTIANS.

Events out of the Past

ONE YEAR AGO

A "borrowers fee" for non-residents was initiated in the Northville library.

Three incumbents were voted back into office as 265 Novi electors cast their ballots in the annual school board election.

Returned to office were: Dr. Harold Morris, Arthur J. Heslip and Russell Taylor.

The re-opening of Sessions hospital will be delayed two weeks—until August 15—by the decision of the new owners to make extensive improvements totaling an estimated \$50,000.

Northville's exchange students, Ilka Hartmann and Mike Gall, joined 80 other exchange students from throughout the state in the Rotary club's annual farewell dinner.

The Northville planning commission heard protests from four residents of the southeast section of Yerkess Estates subdivision concerning zoning for land adjacent to their homes.

The tones from Northville's high school band will be enriched tonight by the use of a portable bandstand as the second of the summer series of concerts is presented at the city hall park.

Rejuvenation of the junior high school is still proceeding at a brisk clip.

FIVE YEARS AGO

Approximately 75 uses of property in Northville township were not in conformity with provisions of the new zoning ordinance adopted by the township board on February 13.

Alfred Parmenter, a resident of Northville for 35 years, died at the Aitchison Memorial hospital.

Paul Burnham, 40100 East Eight Mile road, was elected commander of the 17th district, American Legion.

Charles Chedrick was elected commander of the Lloyd H. Green post, American Legion.

Three Novi township school districts voted to request annexation to the Northville school district. They were Novi No. 8, East Novi No. 2 and Novi No. 9.

More than 100 residents from the area adjacent to the south side of Walled Lake threw the meeting of the Novi township board into a state of disorganized pandemonium.

Harry Wagenschütz, manager of the Detroit Edison office here, and his brother, Harold, with the Judy Standard service for the past five years, have purchased the Judy business at Church and Main streets from Richard Judy.

FIFTEEN YEARS AGO

Northville closed the most successful meet ever held in Michigan over a half-mile track. Not since the days of the Grand Circuit at Kalamazoo more than a decade ago have crowds turned out in such large numbers night after night to witness the 25-day meeting.

The first report of the 1945 Victory gardens credits Postmaster Fred Van Atta with the first ripe tomato, and the first peck of tomatoes picked in the locality.

Village tax bills totalling about \$58,000 were mailed to taxpayers by Village Treasurer A. Russell Clark.

The J. H. Tool and Machine company of Tremenan avenue, Detroit, which has been operating in the building at 456 East Cady for a short time, has purchased the building.

John Haller of Sheldon road is the owner of the company.

Mr. and Mrs. Howard N. West of 38845 East Nine Mile road, received word from the War Department June 29 that their son, Pfc. John H. West, previously reported a prisoner of war of the Japanese, was dead. The report read that the transport carrier on which he was a prisoner of war, was sunk by a torpedo 200 miles off the China coast in October, 1944.

The Novi township zoning ordinance was adopted July 2, 1945.

TWENTY-FIVE YEARS AGO

Forty-one persons out of a possible 3,500 turned out to the annual Northville school meeting to unanimously re-elect Sherrill W. Ambler and Dr. E. B. Cavell to the school board.

Washing and ironing machines will start humming for the first time in the Northville Laundry's new plant on North Center street, it was announced this week by Sidney Frid, who in partnership with his brother, Cyril N. Frid, owns the business.

Finishing touches were put on the new plant this week, including the distinctive name on the front door which reads "Northville Laundry: Dry Cleaning".

Two new physicians were added to the staff of the Maybury sanatorium this week, Dr. Henry S. Willis, superintendent, announced.

One of these doctors is Dr. C.E. Woodruff, who has been the associate professor of pathology at Vanderbilt university in Nashville, Tennessee, has been engaged as the pathologist for the institution and will

Church School 10:30

(Hope you remembered to phone ahead)

When you phone ahead, you travel happier. On a weekend trip or a summer vacation, sometime before you leave phone ahead to make sure your hotel or motel is expecting you. It's the easiest way to a worry-free trip.

So have a good vacation! Bon Voyage, and don't forget, while you're away a Long Distance call is a good way to keep in touch with the folks back home! You can call places a day's drive away for as little as \$1.25.

FASCINATING FACTS ABOUT NATURAL GAS

"Natural" Nuisance

To early Americans, Natural GAS was merely a phenomena. They dedicated it as a shrine or left it burning for sightseers. After the discovery of oil, producers classified Natural GAS a nuisance and ignited it — another example of man's wastefulness due to ignorance.

"Rainy Day" Surplus

Today Natural GAS is carefully guarded against waste or loss. In the summer, surplus supplies from highly productive wells are stored in underground pools (depleted oil and gas fields) near points of mass consumption. This assures a dependable, adequate supply of Miracle Fuel for winter months.

*Michigan Gas Storage Co. (a Consumers Power Co. subsidiary) has storage fields near Marion, Michigan where Natural GAS is put back in the earth under a pressure of hundreds of pounds per sq. in. and withdrawn as needed in winter when GAS consumption is highest.

GET THE FACTS — BETTER YET — GET GAS!

BEAUTY AND PROTECTION — Portable yard lights are used here to illuminate the wisteria bush in the foreground and give it a special beauty at night that's attractively different from that of the day. In the background the lower floor of the house is flooded with light from a portable fixture concealed by shrubbery. The upper floor is lighted by fixtures back of the eaves. If desired these can be controlled by timer clocks that turn the lights on and off automatically without daily resetting.

GARDEN LIGHTING emphasizes beauty spots. When lighting a garden at night, the homeowner should concentrate on points of interest. Flood lighting the entire garden gives it a flat appearance. Here statuary and tree, a flowering shrub and a bed of blossoms are accented, using bell shaped, mushroom and flood light fixtures.

Helpful Tips

PREVENT BULB RUST

To prevent out-of-door light bulbs from rusting tight in their sockets, apply a thin layer of grease or petroleum jelly over the metal threads before inserting.

STRAW OILER

To get into a tight spot with needed oil, use a soda straw. Dip straw into oil, then place finger over top. When straw is positioned and finger removed, oil will flow out freely.

NEWS FROM THE American Legion

POST 147

At our regular meeting, June 28 the following men were congratulated by our new commander, John Steimel, on the good work they did on membership: Rex Holloman, renewed 75 members; John Chedrick, 20 members, and Howard Wright, Linwood Snow, James Madigan, Oscar Hammond, Al Marsnick, John Goss and Mike Nash, all renewed 10 members each.

Commander Steimel also stated this has been one of the best years for membership the post has had in quite a few years.

It was voted by the membership to only have one meeting in July and one meeting in August. These dates are July 12 and August 9.

The 17th District American Legion held its annual election of officers at our post home July 1. The Northville post had two members running for district offices. They were Howard Wright for junior vice commander and Linwood Snow for finance officer. Both were elected.

Oscar Hammond was elected as the delegate from the 17th district to the national convention to be held in Miami, Florida.

Ernest Kol, blood bank chairman for the 17th district, presented the Northville post with the 17th district blood bank trophy. This trophy is given each year to the post that has the most blood donated by their post members. Conrad Acker, post blood bank chairman, is responsible for the post winning this award. It was through his planning and organizing groups to give blood that we came in first place.

Johnnie F. Goss, USN
Post Reporter

KEEPING COOL — Neighbors of the Milton D. West family were happy to join the Wests for a dip in their pool as the temperatures stayed in the 80's this week. West and Hugh P. Conser are owners of Thunderbird, Inc., fiberglass pool distributors. This pool at 21800 Connemara drive is now open for public inspection evenings or week ends. Shown above enjoying the water are Janet Wilson (on the board), Robert Nauman, Mr. and Mrs. West (right foreground), and in the background with the Conser children, Michelle and Bryan, is Marsha Zoll.

THE PROMOTION of John D. Starkweather (above) from operations engineer of power plants to technical engineer of power plants for the Detroit Edison company was announced this week by Edison President Walker L. Cislser. Starkweather, who resides at 22949 Novi road, entered the production department in 1930 and has held various engineering assignments. In 1952 he was made load scheduling engineer and became operating engineer of power plants in 1954.

SPEAKING for the Record

By Bill Sliger

A proposal to dispend with the traditional "annual meetings" for the township of Novi will appear on the August 2 ballot.

By its own motion the township board proposed the action.

It's legal to call for such a vote in townships having a population of 5,000 or more. Numerous townships throughout Oakland county are placing the issue on the ballot, I'm told by Novi Supervisor Frazer Staman.

While it may be a sad commentary on the times, it's nevertheless true that the original function of the annual meeting — in more populous areas — has been lost.

It is possible for a handful of people attending an annual meeting to discard the plans of a township board and insert the wishes of a minority group. By a simple vote of those present a budget can be raised or lowered, or completely revised.

Years ago — and even today in sparsely populated townships — nearly every resident attended the annual meeting and hashed over community problems.

But now 50 or 100 residents present is considered a huge turnout. Yet this represents between one or two percent of a township with a population of 5,000.

Even though I would favor eliminating the power that the public holds at an annual meeting, I still believe the idea is basically a good one.

Such meetings recall the very method under which our nation was founded and stand as an excellent means for the board of trustees to make an annual report to the voters and answer their questions.

Our laws make it possible for the electorate to take proper corrective steps, if necessary, without hasty minority action at the annual sessions.

In my opinion another change could be made in township government that would be highly advantageous to the constructive advancement of the community — the elimination of partisan politics.

After Graduation

Babson Park, Mass. — Now that graduates from high schools and colleges are looking for jobs, may I devote this week's column to a discussion thereof? Let me start by saying that the first step is to analyze oneself and ascertain the line of work for which one is best fitted.

Five Different Pathways

Most of today's graduates have come to a "parting of the roads" and are faced with five different paths which they may follow. (1) The Professions — If you feel you are best suited to be a doctor, dentist, lawyer, teacher or minister, you must go back to a college which specializes in one of these professions. I sometimes think there are enough lawyers in the country, but certainly the other groups are rendering a needed service and are being amply rewarded.

(2) Engineering and Building — There are many opportunities in this line provided you work in a progressive and growing community. (3) Manufacturing — This is the line of work which will probably confine you to spending your life with one or more large companies. If you like people and are not ambitious to be your own boss, it is well to get connected with a large manufacturing company. You, however, must be willing to go where you are sent and to obey orders. (4) Agriculture — At one time this meant working on a farm, but it is not so any longer. The reason is that raising both crops and livestock has become an intricate business. Those loving such work could take an additional course at an agricultural college. Every state has such a college with low tuition.

(5) Selling and Advertising — If you want to sit in an office and dictate to a blonde, you should not take up selling — not even selling advertising. If, however, you are willing to wear out shoe leather, ring door bells, and fight for business, selling offers you a great opportunity.

Importance of Salesmen
Salesmen have never needed a labor union in order to get higher wages or commissions. A salesman

can always get well paid, according as he produces. I know a salesman who earned more money than anyone who had gone into the first four of the above mentioned lines of work. A salesman must be willing to start at an average wage; but "the sky is the limit," if he will produce. This especially applies to those who secure a position with high-grade banking houses and are able to help float important underwritings.

Another thing, all of those who choose one of the first four lines of work listed above are dependent upon the selling of their products or services. This is especially true of construction, manufacturing and agriculture. The customer must be "sold" if he is to buy houses, merchandise, or even farm products. Truly, "the harvest is great," although the good salesmen are few.

The national problem of employment and in fact the prosperity of the nation are dependent, not on the Administration or the Congressmen and Senators in Washington, but rather upon the salesmen of the nation; they control its economic destiny. Some will wonder why I did not make a special sixth division for Banking, but the successful bankers must be excellent salesmen.

Importance of Patience
When climbing a ladder, use the first rung, and climb slowly upward. Do not try to start where your parents leave off. The fun of life is in the striving, rather than in the arriving. Present starting wages in all the above five groups are good at the present time; but sometime there will be a day of reckoning. "Trees do not grow to the sky" and prosperity does not continue forever.

I opened this week's message by referring to graduates who are meeting a "parting of the road". It may not be long, I fear, before these five paths may converge again into a temporary period of readjustment and unemployment. Then the travelers of all these pathways will be competing with one another, and surely with the hard-working intelligent people of Europe.

Michigan Mirror

UP Attractions Beckon the Tourist

THERE'S MUCH NEW under the sun in northern Michigan for the traveler to enjoy. One of the most fabulous summer resorts, for example, just opened its door near Sault Ste. Marie. Not far from the Soo is the rapidly expanding Kincheloe Air Base.

At the Straits of Mackinac where looms the "Mighty Mac" bridge, still new to many Michigan tourists, is the newly opened Fort Michilimackinac.

Along every road and highway appears new motels and tourist attractions. A new air of friendliness is soon sensed in upper Michigan residents by the visitor.

The famous established attractions of the north country are still there and thriving. They pleased millions of tourists in past years and serve as a foundation for the expanding resorting industry in that part of the state.

Chief among these is the Soo Locks. A ferry ride through 22 feet of elevation in the St. Mary's River is worth the trip from anywhere in the state. There is Grand Hotel at Mackinac Island and the island's colorful museums and quaint horse and buggies. There's the wilderness of Copper Harbor, the beauty of Porcupine Mountains near Ontonagon and the Pictured Rocks of Munising.

The only bridge in the world which is lower than the river it "crosses" is located on Route 2 in Manistique. Near this little city is Big Spring with a raft to float on water so clear a visitor can easily see it bubble through white sands at the bottom or watch big fish swim lazily.

Tongue twisting Tahquamenon Falls near Newberry offers a grand sight of ice tea colored water spilling rapidly in its 41 foot drop as it rushes to Lake Superior.

These and many other attractions beckon the tourist who has never visited the upper peninsula. But the newer features give cause for another trip north for those who have been there before.

Local businessmen at Sault Ste. Marie financed a new resort some 24 miles into the wilderness, along the Lake Superior shore. It is designed to operate as a ski lodge in winter and a summer resort in warmer months. Mission Hill Lodge leaves nothing lacking in luxury, but is moderately priced.

Complete with latest French imported chair lift, swimming pool, stables, nature walks, spacious dining rooms, fireplaces, and even specially woven carpets which depict summer and winter sports against a map of Michigan, the lodge is new and modern in every respect.

Mission Hill backers are more interested in using their investment to attract more people to the Soo area than in direct financial return.

At the tip of the lower peninsula in the shadow of Michigan's proud bridge stands recently reconstructed Fort Michilimackinac very much as it looked some 200 years ago.

Inside one sees human-like figures posed to resemble activities carried on by inhabitants in days when the fort played a lively part in Indian warfare. Murals, reproductions and displays tell the fort's story, including the famous massacre when Indians entertained the soldiers with a la crosse game until the ball was tossed into the fort. Then warriors grabbed weapons hidden by squaws and killed or captured all British inhabitants.

Fort Michilimackinac was abandoned by the British in 1781 when they moved to Fort Mackinac on the island which offered better natural defense.

Restoration of the old fort site began in 1959 under direction of the Mackinac Island State Park Commission and will continue for some years. A great deal is now complete and the fort was opened to the public late in June.

The most modern of military defense stations is only a few miles from the early forts of the Straits. Kincheloe Air Force Base, a short way east of Kinross and some 18 miles south of the Soo,

is rapidly expanding, permanent defense point.

Seven support squadrons are assigned as components of the 507th Fighter group stationed there. They fly F106 Delta Darts in their defense missions.

Known as Kinross Air Base from 1941 until 1959 when it was redesignated in honor of a Cassopolis war hero, Iven C. Kincheloe, Jr., the field will soon be a base for B52 jet bombers and KC135 jet tankers of the Strategic Air Command.

By 1961 the Air Force expects to have 8,800 military personnel and dependents on the base.

The "little city" which is being hacked out of the forest has its own schools, hospitals and recreational facilities. It will have a monthly payroll of \$93,000 next year, an asset welcome to nearly any community.

More than \$40 million have been appropriated by Congress for expansion of this base. Already completed are runways up to 12,000 feet in length, many dormitory-type barracks and hangars.

NOBODY WANTS to live permanently in an atom-bomb-proof air raid shelter.

But one would be nice to have in event of an attack. The State Civil Defense Office says money for such shelters is easier to borrow under liberalized rules adopted at the federal level.

Assistance is offered through loans, loan guarantees or mortgage insurance.

"It is logical and practical for

fallout shelters to be built in homes or apartments," the Michigan office said.

Complete information on plans and assistance provided by the National Fallout Shelter Program set up by the Federal Housing Administration is available.

Michigan CD offices or the federal agency can supply it.

why there's no water heater like an

ELECTRIC WATER HEATER

INSTALL ONE WHERE YOU LIKE—EVEN IN AN AIR-TIGHT CLOSET. When it's an electric water heater, there's no flame, so no air is needed to support combustion. And, of course, there are no fumes to be vented. An electric water heater is completely safe.

BUILT-IN QUALITY MAKES A BIG DIFFERENCE. Every electric water heater installed on Detroit Edison lines must meet Edison's exacting specifications. Result: long life, high performance.

HAVE YOU SEEN THE TABLE TOP MODELS? They're compact, go beneath counters or alongside laundry equipment. Other possibilities—in the kitchen next to sink or dishwasher or in that hard-to-use corner. Upright or table top model, put an electric water heater where you want it.

HOTTER WATER—PLENTY OF IT! An electric water heater is capable of going on and on, delivering really hot water—160° hot—without burning out. And heavy insulation all around keeps the outside shell of the water heater cool to the touch from top to bottom—no hot metal anywhere.

8 OUT OF 10 FAMILIES USE THE 50-GALLON SIZE. For less than 15¢ a day (estimated operating cost for this size) you can have hot water for all the family's needs. There are also 80- and 110-gallon sizes for the few families who use more water and may require heaters with greater capacity.
