

Court Allows Novi Protest Of Annexation

While claiming a preliminary victory last week on an annexation case in the state supreme court, the Village of Novi was dealt a stinging defeat in lower court on a disconnection suit.

Zoners OK Golf Course For Township

Northville township's zoning board approved the rezoning of 138 acres in the southeast corner of the township Monday night to clear the way for construction of a \$500,000, 18-hole golf course.

The "L" shaped property touches both Six Mile and Haggerty roads with 100 acres fronting on Haggerty and 38 acres on Six Mile. The property is south of Six Mile road.

Clarence Charest, Livonia attorney representing the three owners of the proposed project, stated that work would get underway immediately.

A \$75,000 clubhouse has already been designed and a golf course architect has drawn the course layout, he stated.

The course, to be known as Dunrovin Country Club, will be semi-private. Its owners are Harold Edwards, Anthony Reo and William Buber. Edwards, owner of Blue Grass Farms, has long been associated with the landscaping business.

According to Charest, plans call for limited play to begin by late 1961.

At Monday evening's zoning hearing the board approved a change from R-1 and R-1-F (residential) to AG (agricultural) to permit construction of the golf course.

Victims Report Heavy Losses In Area Thefts

Northville police reported the occurrence of four thefts in the past week, two involving major property loss.

Two portable television sets and two transistor radios were taken from Ellis Electronics, 110 East Main street, in a morning break-in July 17. Three radios were also damaged in the burglary. Owner Monte Ellis estimated total loss and damage at about \$600. Police said the thief gained entry by breaking a glass pane in the lower section of the front door.

While Detroit appliance shop owner Lonnie Goff watched the races at Northville Downs the evening of July 12, almost \$1,500 in television parts and equipment were stolen from his car in the Downs' parking lot. Entry was made, police said, by forcing the vent window on the driver's side of Goff's car.

Victims of two minor thefts involving the loss of auto parts were Robert Ronk, 137 North Center street, and Gib Bergstrom Incorporated, South Main street auto agency.

Village councilmen learned of its victory and defeat Monday night from Village Attorney Howard Bond.

In winning a minor but important decision by the higher court, Novi was granted permission to challenge in a supreme court trial the recent annexation of 135 acres of land near Northville Estates to the City of Northville.

Novi lost, however, its fight to keep 156 acres within its boundaries as Circuit Court Judge Frederick C. Ziem granted William Chase an order disconnecting 156 acres of his property, located at the corner of Novi and Eight Mile roads, from the village.

Bond's petition to the supreme court contained three specific points upon which the village will contest the annexation. They are:

—that petitions calling for an annexation election did not contain the proper number of village signatures; —that the notice of election should have been made by both the township and village of Novi (the secretary of state directed the township clerk to conduct the election for both the village and township areas involved); —that the entire population of the village should be permitted to vote in the election.

The primary argument rests in the final point. Bond claims that the annexation laws are in conflict and that under the law which Novi incorporated all residents—not just those in the area of the village to be annexed—may vote.

Residents of 36 homes in Northville Estates, which was part of the township, and one registered voter in the village area approved the annexation 53-9. Northville registered a 289-144 vote in favor of annexation.

Specifically, therefore, Novi is challenging the annexation of the 135-acre between Northville Estates and the city limits. Support of this by the supreme court would, of course, nullify the entire annexation including Northville Estates.

Chase was granted detachment from the village (this property is now part of the township) under a special "agricultural statute". Under this statute a property owner may withdraw from a village if land is used for farming purposes only; if the land covers 10 acres or more; if it is located on the village border; and if it has not been subdivided or platted.

Earlier this year, the court granted Mrs. Nellie Welfare disconnection of her 38-acre farm at the northeast corner of Beck road and Pontiac trail from the village.

Bond, who acknowledged that Mrs. Welfare's property fell within the statute stipulations, had argued vigorously that the Chase property did not meet state requirements because it was not sufficiently used for farming purposes.

Push Plan to Form Hospital Authority

GIDDUP!—Steven Pauli, 8, son of Mr. and Mrs. Frank G. Pauli, takes an imaginary ride on the turtle he plans to enter in the annual turtle race tomorrow at the city hall park. The turtle actually is little more than two inches in diameter, but with a few photographic touches Steven looks like a sure winner! (See story about the big race on Page 5).

Center Street Paving Still Problem to City

Although everyone concerned apparently agrees that North Center street from the new Eight Mile road cut-off past Amerman elementary school should be paved, the project is still beset by problems.

The city council thought it had found a solution two weeks ago. It had been tentatively decided to pave northward to a point past Ely drive to include the corner lot of Northville Heights subdivision.

Now, however, the council has changed its mind and decided to undertake a plan to pave northward to the limits of the school property only.

A special assessment district was to have been formed to satisfy the school board's position that it could participate financially in the project only by special assessment. Under

the original plan the school would be assessed on a per foot basis for the paving in front of its property, while all the lots in Northville Heights were to be assessed for the portion of the street extending beyond the entrance to the subdivision.

Residents along the east side of the street would not be assessed because their homes are in the original limits of the city. This share of the project would be paid from the general fund.

But Monday night several residents from Northville Heights attended the council meeting to protest the arrangement. They pointed out it was "the principle, not the money". (Cost to residents of the new subdivision has been estimated at \$25 per lot.)

Basically, the residents of the new subdivision resent the fact that they must pay for paving an arterial street while abutting residents

do not, merely because they reside in "the old city limits". They received support from one resident of the "old city", Sid Frid of Oakwood subdivision who told the council the improvement of North Center street was the responsibility of the city and school.

Specifically, the paving of the short span of North Center street is complicated by its location. The city council has adopted a policy that any street paving in newly annexed areas of the city will be paid by benefiting property owners by special assessment.

Street improvements in the original city limits have been paid from general funds. It has been the council's position that this policy will continue at least until all paving is completed, or until a general bonding plan is adopted to pave all local streets.

(Continued on Page 12)

Meeting Called to Urge November Vote on Issue

An all-out effort to form an area hospital authority by placing the issue on the November ballot will be undertaken at a "kick-off" meeting of officials from surrounding communities next Wednesday evening.

The meeting has been called by Northville's Mayor A. M. Allen, who is also president of the board of directors of Community General hospital.

Invitations were extended Tuesday upon personal call by Mayor Allen and Hospital Administrator Calvin Monfils.

Governing officials of the following communities have been asked to attend the meeting:

Farmington (city and township); Livonia (city and township); Lyon township; Milford, Northville (city and township); Novi (village and township); Plymouth (city and township); Salem, South Lyon, and Wixom.

Specifically, the officials will be asked to join in the formation of a hospital authority encompassing all the invited communities.

The state hospital authority act permits establishment of an authority by two or more cities, townships or incorporated villages thereof. Formation requires that voters of the governmental areas involved must approve a tax levy not to exceed 4/10ths of a mill annually.

Wednesday evening—at the dinner meeting to be held at Saratoga Farms in Novi—the hospital authority plan will be explained and officials will be urged to carry the story to their communities and place the measure on the November ballot. To gain a spot on the fall ballot the request must be made by September 1.

Directors of Community General hospital are behind the move. They have decided that the authority plan is the best answer to the area's hospital needs.

Such an authority—the Peoples Community Hospital Authority—now serves the Wayne county area of Taylor, Huron, Nankin, Flat Rock, Wayne, Inkster, Dearborn township, Romulus, Sumpter, Ecorse, River Rouge, Lincoln Park, Melvindale, Trenton, Allen Park, Ypsilanti, Salem, Superior and Augusta. The authority operates Beyer hospital in Ypsilanti, Annapolis and Outer Drive hospitals, and a new 85-bed hospital in Trenton.

A representative of the Peoples authority will speak to the group of officials Wednesday evening explaining the plan and answering questions.

Staunch supporters of the idea, in addition to the Community board and Administrator Monfils, have been several doctors. Dr. H. Handorf and Dr. L. W. Snow introduced the idea to city councilmen several weeks ago in a brief session before

a regular council meeting.

Monfils has pointed out that the authority will not be connected with Community General hospital in any way. If successfully formed, it could take over the local hospital if it decided to do so, but its chief concern would be to provide adequate hospital facilities for the area.

If it were decided to construct a new hospital, for example, it is highly unlikely that it would be constructed in Northville, Monfils points out.

Community directors have been struggling with tight finances ever since the facility became truly community-operated last October.

The community itself got into the hospital business shortly after it had been purchased by Dr. H. L. Bergo and Abraham Farris. Formerly Sessions hospital, the new owners completely renovated the facility and prepared to operate it as a privately-owned non-profit corporation. Blue Cross frowned on this arrangement and refused full Blue Cross membership.

Re-organization resulted in the present operation with a community board of directors leasing the building and equipment from the former owners. An option to purchase is held by the board.

For many months the board had considered launching a fund-raising campaign to support the hospital. Now, however, the board believes that long-range plans call for a larger facility than the 24-bed Community General hospital and that it cannot be expanded economically to meet those future demands. Presumably, the board is content to struggle along under the present arrangement until the authority provides fully adequate facilities.

Board members are skeptical of the support that can be expected from Plymouth and Livonia but believe that a coalition of the other communities can solve a knotty problem for the area.

The plan has been highly successful under the Peoples Authority at an average cost per home owner of \$1.20 per year.

Members of the Community General Hospital board of directors in addition to Allen are: Russell Taylor of Novi, first vice president; Vaughan Smith of Plymouth, second vice president; Clifton Hill, secretary and Dr. L. W. Snow, treasurer, both of Northville; and Robert Jones of Livonia, Walter Tuck of Novi, and Mrs. C. E. Langfield and Leland Smith of Northville.

Elmer E. Perrin

Elmer Perrin, Mayor in 40's, Dies at 73

A former Northville mayor and village councilman died Tuesday evening following a brief illness.

Elmer E. Perrin, 73, passed away at his 236 South Center street home. He had been a lifelong resident of the community.

Funeral arrangements have not yet been completed but will be held Friday at the Casterline Funeral Home.

Perrin was a member of the village council for four years and served as mayor in 1942-43. He also served as village assessor.

For 40 years, from 1910 until 1950, he operated a trucking business. One of his contracts was the delivery of mail from the train station to the post office.

As part of a special observance of days gone by, Perrin delivered Northville air mail letters by horseback in 1938 to the Plymouth post-office where a stagecoach took the mail to Triangle airport.

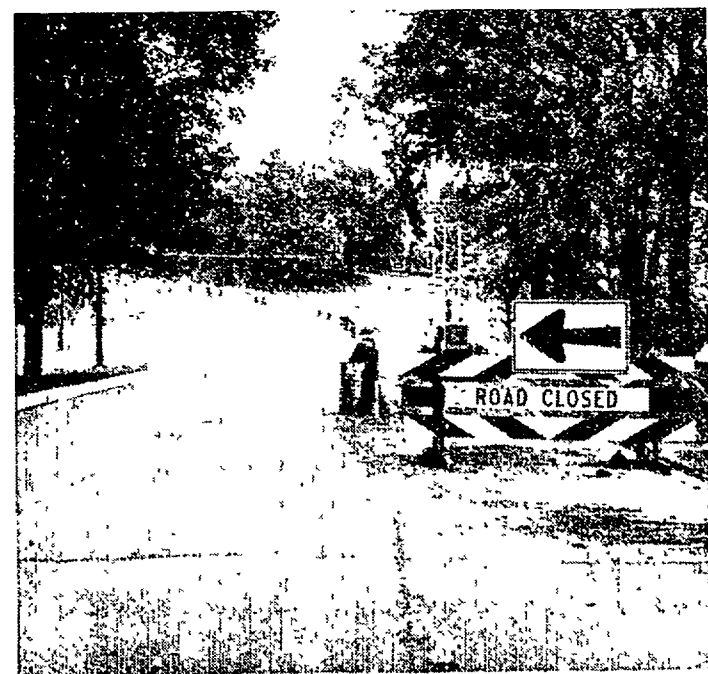

Perrin recalled at the time that as a boy he had carried mail by horseback daily for his father, who then had the mail contract.

Mr. Perrin was born on December 12, 1886 in Northville to Frank Noble and Ida Mae Perrin.

He is survived by his wife, Christine, one son, Eugene of Midland; one daughter, Mrs. Jack Reinhardt of Darien, Connecticut; and four grandchildren and one great-grandchild; and an aunt, Mrs. R. H. Johnson of South Wing street.

Mr. Perrin is a pastmaster of the Northville Masonic Lodge No. 186 and a past commander of the Northville Commandery No. 39 Knights Templar.

Road Detours Bewilder, Anger Motorists, Residents

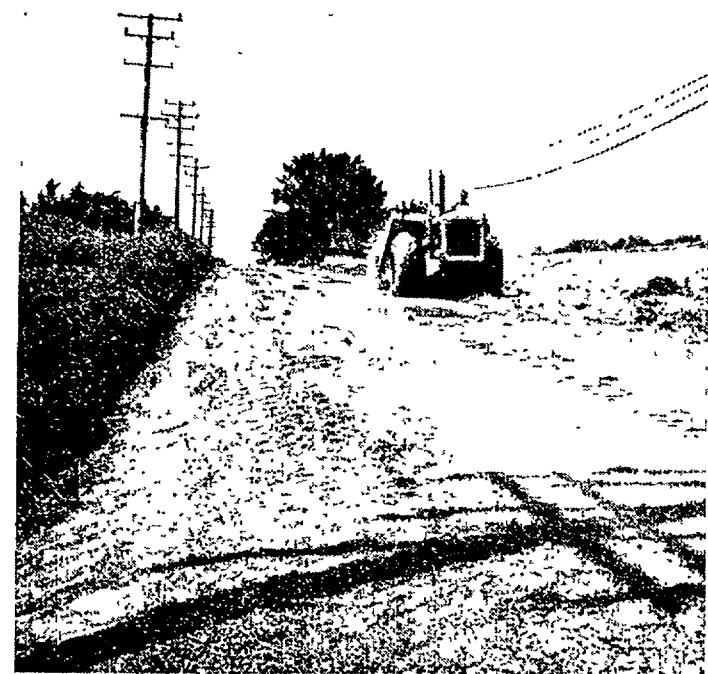

Traffic Stopped on Randolph at Taft

Road construction between Northville and Novi has left motorists bewildered and angry as they attempt to wind their way through a maze of entangling detours. And home owners along these detour routes are equally upset as they hide in their homes covered by huge clouds of dust. According to county road officials, some of these problems will remain until Novi road construction is completed in November. Presently, motorists driving east on Eight Mile road

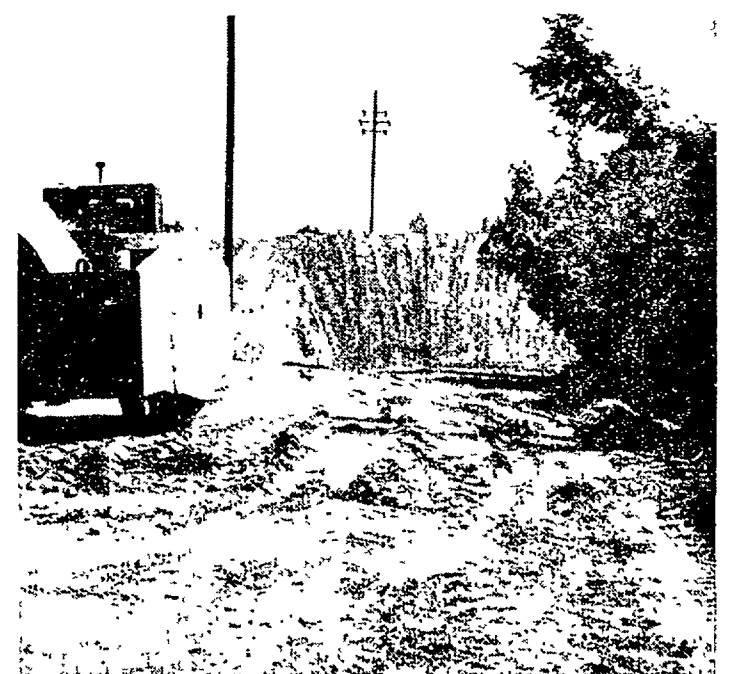

Eight Mile Ripped up Near Novi Road

at Taft must travel along the newly constructed Eight-Mile Cutoff to Center street. Randolph street at Taft is blocked while road improvements are made. To continue east from Center, motorists must turn right to Baseline and then east again. At Eight Mile near the new cutoff motorists traveling east are again detoured over a dirt trail to old Eight Mile—which also has brought complaints because of its choppy condition. Still more detours are in the offing

Construction Begins on Novi Road

along this road because officials have stated that Eight Mile from Northville to Haggerty will be improved next year. Motorists traveling north and south between Novi and Northville must use either Taft or Meadowbrook roads. Dust and bad road conditions are not limited to these detours, however. Northville Estates residents and other residents along Beck road have complained to officials of both Novi and Northville about extremely bad dust

Old Novi Road Deadends at Crossing

problems. Construction on Novi road began this week and motorists who have been "sneaking" past barricades are finding themselves dodging holes and road equipment. Another surprise is in store for drivers who have been gaining entrance to the south end of Novi road, from the newly constructed approach northeast of Novi road. According to road officials this approach is a special service drive for residents on Novi road.

IT'S VACATION TIME!!
This is the time of the year when our thoughts turn to lakes, cottages, fishing and the great outdoors.

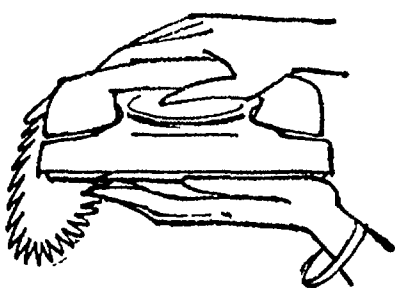

Many of us will be driving north along with thousands of other vacationers. We'll be in a hurry to spend as much time as possible at our chosen vacation spot.

But don't let haste ruin your fun. Drive carefully. The old saying, "better late than never", is an important one to remember when traveling on crowded highways. One more precaution. Why not telephone ahead to make certain you'll have proper overnight accommodations.

THE PHONE RANG and a small boy answered. "I have a collect call here," said the Michigan Bell operator. "Is there anyone older at home?" "Sure," answered the boy, "Michael's here. Do you want to talk to him?" "Well, how old is Michael?" asked the operator. "Just a minute," replied the boy. In a moment, the youngster returned to the phone: "Michael says he's seventy!"

MOVE OVER, Princess Margaret and all the crowned heads of Europe... we've got our own Princess—a wonderful, new addition to our family of telephones. The lovely Princess is the latest thing in telephones. Little enough to fit on the smallest night table, it comes in five decorative colors. The built-in night light brightens when you lift the receiver. To order this new telephone, stop in or call your local business office or, ask the man on the telephone truck.

all sorts of things

By SHARON MAZANEC

Often overheard comment—"My memory's getting short. Guess I must be getting old." Oscar M. Haugh, a professor of education at the University of Kansas, would probably agree that we're all getting older, but it's doubtful that he would blame a slipping memory solely on age.

Haugh thinks anyone can learn to remember better if he's willing to exert a little more mental effort in learning to be a good listener. He recommends these practices to sharpen your listening and your memory:

(1) Form a picture in your "mind's eye" of what is being described; (2) Listen for the pattern or organization of the material; (3) Take a mental note of the most important facts and ideas; and above all, CONCENTRATE.

Traveling in academic circles, you often hear the collegian insist that the measure of success is not always in the grades achieved by the student. But Karl H. Wursching of 120 North Center street must have some feeling of accomplishment for his all-A grades of last semester which put him on the Western Michigan university honor roll. Karl will be a junior in secondary education this fall.

Homemakers have their conferences, too. Today's homemaker often finds it to her advantage to supplement the "old school" helps and hints with a refresher course such as Michigan State university's Homemaker's conference which begins in East Lansing next Tuesday.

More than 1000 Michigan homemakers are expected to attend informal classes and hear educational and entertaining programs. The Honorable Martha Griffiths, representative of the 17th Congressional district of Michigan; Karl Haas, director of fine arts at WJR, and Mrs. Anne Anderson, former associate editor of Better Homes and Gardens magazine and representative to the National Exhibition in Moscow, will be guest speakers.

If you're a homemaker concerned with being up to date on the science and technology of your fulltime profession, you might let your family fare on its own and pay a visit to the four-day conference planned for all Michigan women.

No flavor quandry—We've discovered that despite the wide variety of ice cream flavors (200 in all) "scoopable" in Michigan, ice cream eaters are more conservative in their tastes than some of the bizarre flavor-names might suggest. Vanilla, chocolate, and strawberry, in that order, are still the most popular flavors, in or out of a cone.

Summer sunbathers, forget about baby oil, mixtures of mineral oil and vinegar and other homemade concoctions. The best way to get a sun tan and not a burn is to use a protective preparation that contains a known sun-screening agent. Look at the

label—paraminobenzoic acid and its esters, the salicylates and a digalloyl trioleate compound are among the best. Protect your eyes, too. Health experts tell us that unlike your skin, your eyes cannot build up immunity and are always vulnerable to injury. Don't worry about looking "incognito", wear dark glasses.

Being able to find an open parking space within walking distance of Main street is a pleasure for a driver accustomed to Detroit and Ann Arbor traffic congestion.

The view from the high school atop the hill is extraordinary, as is the school. Looking north you can see the bright rooftops of contemporary homes dotting the valley, and to the south the lacy green foliage of the trees screens the white outlines of the homes from a much earlier architectural era.

It's nice to see porches again, the old style porches with roofs and railings. They run clear down one side of the house, and then some. Some builders report that they are becoming stylish again in their original open-air form.

News seems somewhat scarce when the people and their community are new to you. My service to you is reporting, reporting the news which springs from the people who make it in and around Northville. We all have a "nose for news", and you can help your neighbors and me stay informed by dialing FI 9-1700.

GOING HOME—The Presbyterian church parking lot was crowded with foreign exchange students from all over the state last Thursday afternoon. They were waiting to board three buses that took them to Montreal and finally abroad ship, then home by the end of this week. All the students were fêted at a Rotary club sponsored dinner the evening before they departed. More than 500 students, foster parents and Rotarians crowded the Wayne County Training School gymnasium to capacity. For the students and their American parents the event sadly marked the end of a year together, which prompted an English boy to remark, "If I have an American accent now, I'm proud of it." Dr. Kenneth MacLeod acted as master of ceremonies, while Richard Kay was general chairman of the annual Rotary event. On Wednesday evening numerous area residents opened their homes to the exchange students providing lodging for the evening. The exchange program is sponsored by the Michigan and Ann Arbor-Washtenaw councils of churches. Among the students departing were Rosemary McNelly of Ireland, who had stayed with the Ed Welch family of Wing street, and Annetta Michelsen of The Netherlands, who resided with the Charles Tremors of Napier road.

The Northville Review Club will meet at the home of Mrs. Max Austin, 132 Walnut, at 1 p.m. on Thursday, July 28. Mrs. Wilbur Johnston will review Howard Spring's book, "The Houses in Between".

Greater Northville Republican club will hold its monthly meeting Wednesday, July 27, at 8 p.m., in the American Legion hall. Plans for meetings and programs during the coming year will be the order of business.

William Duffy, Republican candidate for representative to the State legislature from Livonia will have an open house July 23, from 3-7 p.m., at the Rosedale Gardens club house, West Chicago and Hubbards roads. Light refreshments will be served, and guests are invited to bring their families.

Forty members of Northville's V.F.W. caravaned by car to the VFW National Home at Eaton Rapids last Sunday. The occasion was the annual children's carnival.

Births

Mr. and Mrs. Edmund J. Brune of Livonia announce the birth of a 7 pound, 9 ounce daughter, Diane Marie, on July 9 at St. Mary's hospital. Mrs. Brune is the former Kathleen Heatley, daughter of the Alfred S. Heatleys, 304 West Dunlap.

A daughter, Amy Lynn, was born July 12 to Mr. and Mrs. Shelby A. Harrington of Buffalo, New York.

Mrs. Harrington is the former Marlene Weiss, daughter of Mr. and Mrs. George Weiss of Grace avenue.

Mr. and Mrs. James Donald Howe of Bronxville, New York announce the birth of a daughter, Katharine Cortwright, on July 10.

Mrs. Howe is the former Katharine Kempf, daughter of Mr. and Mrs. Theodore N. Kampf, Jr. of Haggerty road.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

ECHO VALLEY WELCOMED these former Detroiters in February: Mr. and Mrs. Raymond Evans, their son Darrell, 5, and daughter Darlene, 3.

Assuming you were a little boy, say about 5, who had the choice of either living in the city and walking to kindergarten every day, or living in the country and riding to school in a bus driven by the community's fire chief, which would you take?

Darrell Evans would certainly tell you that his daily trips to school on a bus driven by Novi Fire Chief Fred Loyne have been one of the best parts of moving from Detroit.

to his new home in Echo Valley.

Last February, Mr. and Mrs. Raymond Evans with their son, Darrell and daughter Darlene, 3, left Detroit to settle in their new home at 23750 Heartwood.

Before their move, Evans and his wife, Shirley, had spent three years scouting Detroit suburbs looking for someplace in the country for their children.

"It has really been a change for us, but we've loved it from the very first," says Mrs. Evans, who like her husband and two children was born in the motor city.

"There's a closeness in smaller towns that you don't find elsewhere," she adds. "People are friendly, more than in the big city."

The Evans' enjoyed a taste of local friendliness this spring when they went to a Newcomers' dance at the Farmington Country Club and again at an Echo Valley street party this summer.

Although they have changed loca-

tions, Mr. and Mrs. Evans see no reason to modify their most important pastime—their sincere effort to be a happy family.

While Mr. Evans works as plant superintendent at Tool Industries Incorporated in Redford, Mrs. Evans works as head homemaker in the Evans' household. Meanwhile Darrell and Darlene explore elsewhere, hunting for the habitants unique to the countryside, frogs and wild flowers.

And once in awhile there's time for hobbies. For Mrs. Evans, bowling, cake decorating, sewing, and kindling a yen for objects made of driftwood.

Mr. Evans works in and around their home, sometimes building things for the children. He finished a sand box last week.

"You can usually tell when Ray's home," says Mrs. Evans. How? "The stereo's on, and the house rings with the music of Mario Lanza," she explains.

KITCHEN DIARY

Try Pound Cake, Banana Tea Bread

An Alabama Pound Cake and Banana Tea Bread are two delicious dessert treats that are often found in the Charles Altman, Jr., home at 886 Grace.

Mrs. Altman says they are a favorite of daughter, Susan, and also popular with the housewife because they are easy to prepare. You'll find the tea bread is rich and keeps well, an excellent treat to prepare for most any occasion.

Mrs. Charles Altman, Jr. ALABAMA POUND CAKE

6 eggs
2 cups sugar
2 sticks of margine (margine works best)
2 cups sifted flour
1 tablespoon of vanilla
Cream butter and sugar well. Add 2 tablespoons flour at a time and then 1 egg at a time alternating with flour. Mix well. Bake in a greased and floured angel food cake pan at 325 degrees for 55 minutes. Cool before removing from pan.

BANANA TEA BREAD

1 1/4 cups sifted flour
2 tablespoons baking powder
1/4 teaspoon baking soda
1/2 teaspoon salt
1/3 cup shortening
2/3 cup sugar
2 eggs well beaten
1 cup mashed ripe banana (2 or 3 bananas)
Sift together flour, baking

powder, soda and salt. Beat shortening until creamy, gradually add sugar and continue beating until light and fluffy.

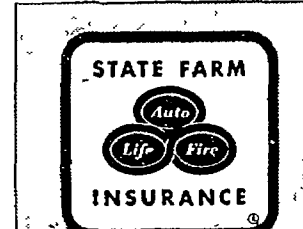

Add eggs and beat well. Add flour mixture alternately with mashed banana, small amount at a time.

Beat after each addition and turn into well-greased loaf pan. Bake at 350 degrees for 50 minutes.

How scientific prayer leads to a clearer understanding of Truth will be brought out at Christian Science services Sunday.
The Lesson-Sermon on "Truth" will include the following passages from the Bible (Luke 11:11, 13): "If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he give him a serpent? . . . If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him?"

The importance of prayer is also emphasized in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (11:27-31): "Prayer cannot change the unalterable Truth, nor can prayer alone give us understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

Witnesses To Convene

About 75 of Jehovah's witnesses from the Plymouth congregation will attend the "Peace-Pursuing District Assembly of Jehovah's Witnesses" in Detroit, July 28 through 31.

Mr. C. C. Coonce, presiding minister of the local congregation, in announcing the plans of the local delegates, said that it has been necessary to cancel all meetings at Kingdom Hall from Tuesday, July 26 to Sunday, July 31, due to many being away for the Christian assembly.

Mr. Coonce said the object of the assembly program in Detroit is to train Christian Witnesses of this 20th century in the art of pursuing a peaceful ministry to the praise of God and the benefit of the entire community.

"The convention," he said, "will further the understanding and good will among the various races and nationalities of Jehovah's Witnesses, and also will demonstrate to the world how the Bible message and Christian living in peace can unite people from all walks of life, regardless of race or other background that tends to divide the world. Only common interest in the pure worship of The Creator, Jehovah God, can do this," he concluded.

Watchtower convention officials in Detroit announced that an attendance of 40,000 persons is expected for the four-day gathering, to be held in Briggs Stadium. The minister delegates and their families will arrive from some 20 states and Canada.

DO YOU EVER BECOME DEPRESSED?

It was the day of Christ's birth; He was born in a stable — a hole in the earth for Him who made the earth. And then it happened. The Word became Flesh. The night sky was resplendent with light borrowed from heaven. Where is the soft white wool for His crib? There is none. Where are the jewels for His fingers? There are none for this King. Where are the rich drapes and the luxurious rugs from the Orient? There are none, but only the dirt floor and the thick stench of the stable. And seeing and experiencing all this, a crashing avalanche of deep humiliation rolled upon the girlish heart of God's Mother and pressed from her red eyes their first vintage — the bitter wine of tears — and the woman wept.

Twelve years roll by, years in which the heart of the great woman and that of her greater little boy were blending into One. But one day unknown to her, He had stayed behind in the Temple to be about His Father's business while she and Joseph and the rest of the worshippers had gone home after the feast in Jerusalem. Everybody with whom she came in contact was asked "Did you see my boy?" In those moments that Jesus was in the Temple confounding the Doctors and Lawyers with His answers — somewhere beneath the cold starlight, a Virgin Mother was weeping silent tears alone.

Again, many more years have come and gone. How often she was found in deep meditation. "How beautiful is the night," she thought, "but how much more beautiful is my Son who is the Maker of the

night. By Him all things were made." Then suddenly the door swings open; there He stands — by whom all things were made. In His Hands He holds not suns and mountains but a hammer and some nails. His clothes are covered with sawdust. His brow is beaded with perspiration. Could this be the Maker of the lovely night outside? As she pondered — another tear rolled down this holy mother's cheek.

Then in his public life, Mary saw the rejection of her Divine Son by the people. "In Bethsaida, mother, they call me a son of satan and of the seed of Beelzebub. In Bethany they accuse me of keeping company with sinners. Yesterday, in Jerusalem, they tried to arrest me as a disturber of the peace. Today they picked up stones to cast at me." How weak the strong God suddenly seemed as she clasped Him to her breast. Her eyes looked at His — and the Virgin Mother wept once more.

And now it is Spring again — the year is 33. The scene is the mount of Calvary. She hears His last words to her "Woman, behold thy son." She was now a Mother a second time. Oh, Mary was obedient to accept this new responsibility — But as she glances down the slope of Calvary's hill, she gets a panorama view of all her children, white and black, red and yellow races of man, and then she realizes that the sins of all those children caused the sufferings of her dying Son. She ponders in deep meditation and silently weeps again.

Mother of Sorrows, pray for all of us throughout the world, especially those of us who need your comfort.

Rev. Seamon Wins Lutheran Scholarship

Rev. Martin A. Seamon, 38632 Southfarm lane, is among Lutheran campus counselors and pastors awarded Lutheran Brotherhood scholarships for graduate study totaling nearly \$4,000.

Counselor for Lutheran students at Wayne State university, Rev. Seamon will study at Chicago Lutheran Theological seminary, Maywood, Ill.

Carl F. Granrud, president of the fraternal life insurance society, Lutheran Brotherhood, said the awards are made on the recommendations of the National Lutheran Council's division of college and university work.

They are part of Lutheran Brotherhood's expanding program of financial assistance to Lutheran higher education in the United States and Canada, he said. The society's 1960 scholarship program involves a total budget of more than \$118,000.

Rev. Seamon, resident of the Northville area since May, is married and has three sons, ages 6, 3, and 1.

Turtles Trot Into Spotlight Here Friday

They'll be off and galloping (whoops, crawling) tomorrow when some of the finest amphibious creatures in the area move into the starting gate.

Close to 50 turtles are expected to steal the racing limelight as the sixth annual turtle race gets underway at the city hall park beginning at 10 a.m.

Sponsored by the recreation department and The Northville Record, the race will see cash prizes go to all winners.

Four races will be run, with first, second and third place prizes to be awarded for each race. In addition, three prizes will be awarded for the most distinctive or unusual jobs of turtle-decorating.

There will be races for the big fellows, medium size and the not-so-big turtles. Members of the recreation department will determine sizes.

The turtle will crawl (maybe even gallop) out of the starting gate inside a 30-foot circle. First one to cross the outside line, barring physical coaxing, will be declared the winner.

In past years, many amphibious favorites have disappointed their young owners by "charging" up to the finish line and then stopping inches short—sometimes even turning around for a gallop back to the starting gate.

Children—both girls and boys—of any age may participate. Each may enter as many turtles as desired, but once a turtle wins a race it is sidelined from further competition.

Youngsters are advised to mark their entries so that winners can claim their turtles correctly. No snappers may be entered, Recreation Director Ken Conley emphasizes.

"Bring 'em back alive crews" were sent out yesterday and today—and if these recreation workers aren't eaten up in the process there'll be a few extra turtles for youngsters who have been unable to find their own, Conley said. However, children are expected to furnish their own racers.

Other recreation notes: Day camp will be closed Friday to enable all children to either enter a turtle or cheer for their favorites. Pee Wee ball players, who normally play in the morning, will take the field after the turtle race.

Some participants in activities sponsored by the Northville Recreation department have not yet registered. Recreation personnel this week urged parents to see that their children are registered immediately. The scout hall is open each weekday and Saturday morning for this purpose.

A canoeing class is scheduled for tomorrow at Whitmore Lake from noon until 3:30 p.m. Participants are asked to bring along a sack lunch. The bus will depart from the rear of the Main Street elementary school.

Two other canoeing trips are planned: Huron River, July 28, 7 a.m. until noon; and Au Sable weekend trip beginning at Grayling. This latter trip, however, is contingent upon the number of persons who sign up for it. A map of the trip, the time schedule, sponsors and a list of materials needed will be announced later.

Wanted: Any interested mother or parent who would like to take a river trip down the Au Sable. Only qualifications: Have sleeping bag, will travel by water. No canoeing experience necessary.

Night swimming classes at Whitmore Lake are held each Wednesday evening. The bus leaves from the rear of Main Street elementary school at 6:15.

2nd Place National Bank Ties Novi Leaders Twice

Anglin Earth Movers—a Novi squad which had won four straight victories and which had won 11 of its 15 starts—was forced into two ties with second-place National Bank last week.

The Movers continue to hold down first place in the Novi Little League race with a 11-4-2 record, National Bank second at 8-4-2, Paragon third at 6-9, and Novi Drug last, 3-11.

Of its three games played last week, National Bank came up with a lone victory over the cellar dwelling Pillers. Ricky White, who scattered four hits, was the winning pitcher. Dave McMillan was the loser.

White led his squad's hitting attack with a double and triple. Other standouts for the Bankers were George Simenton, double; Ricky Fox, double and single; and Carrie Joe Stevenson, triple.

Stan Gillett led his team's un-

Bell Hurls Plumbers To 9-2 Win

The Northville Plumbers picked up their third win in their last four games Monday night, crushing Clarenceville 9-2 behind the seven-hit pitching of Craig Bell.

Bell struck out eight batters in posting the victory. Heilman was tagged with the loss.

Leading Northville hitters included Tom Swiss who homered and doubled in four trips to the plate, Bill Elwell with a triple and a single in five times at bat, and Rick Rebitzke with a double.

In other games during the past two weeks, the Plumbers defeated Wayne, 10-5, blanked Northville Recreation, 6-0, and lost to the first-place Rosedale Tigers, 10-1.

Elwell, who fired seven strikeouts, was credited with the victory over Wayne. He and Bell were the leading Northville hitters. Elwell picked up two singles and Bell tripled and singled.

Swiss retired 10 batters and gave up only two hits in picking up the shutout over Recreation. He and Bell each collected two hits.

In winning their game, the Tigers chased Rebitzke from the mound after grabbing an early lead. Bell finished the game marked by numerous Northville errors. The Plumbers were limited to four hits.

Leaky Defense Cost "D" Team 2

Northville's defensive wall crumbled last week beneath the bulldozing tactics of two leading Class D squads.

The double loss tumbled Northville Recreation to fourth place in the five-team race for the championship with a 2-4 record.

Livonia Recreation, currently in third place with a 3-3 record, socked Northville with 13 hits to grab a 10-5 victory Tuesday at Bentley.

Bob Richman was credited with the victory, and Bob Stuber, who was lifted after yielding 10 hits in 3 2/3 innings, was saddled with the loss.

Northville managed to hold onto a 2-2 tie through the first, but were quickly overpowered as Livonia scored three runs in the second, one in the third, two in the fourth, and two in the fifth. Northville scored two in the first, one in the third, and two in the sixth.

Northville's biggest blow came off the bat of Butch Rice in the opening inning. Rice drilled a long homerun, scoring Dave Hay. John Kahler laced a triple in the sixth, but he was thrown out at the plate in an attempt to stretch his triple to a home run. Hay added two singles.

Ron Barth led Livonia's hitting attack with four singles, while Jim Bright and Bob Nye were close behind with three hits each.

Both teams committed three errors.

The first-place Plymouth Elks, who hold a 6-0 record, crushed the local nine, 13-3, Thursday at Riverside park. Pete Mononoco picked up the victory, while Butch Willing was

successful attack at the plate with a double and a single. Simenton and White went to the mound in the tie games with the Earth Movers. Jim Payton, Norm Krogg and Jim Bertoni hurled for the Movers.

In the first contest, National Bank picked up seven hits to the Movers' six. The game was called after six innings because of darkness.

Leading hitters for the Bankers were Hurler Simenton, home run and single; Fox, double; Ritter, triple and single; and for the Movers, Wayne Wolverton, home run; and Bertoni, single and triple.

In the second game, Bertoni relieved Krogg in the fifth. National Bank climbed on the two pitchers for nine hits, while the Movers settled for eight.

Leading National Bank hitters were Joe Donner, double; White, triple; Simenton, triple and double; and Ritter, double and single.

Eyes 5th Championship

Tom Long Qualifies for Finals In Detroit Tennis Tournament

A 15-year-old Northville boy, whose red hot tennis racket has captured the attention of area coaches and fans, will clash with a Hamtramck youth tomorrow in a bid for the Detroit Motor City Open tennis tournament championship.

Glenn Long, son of Mr. and Mrs. Glenn C. Long, 411 Baseline, slammed his way into the 15-and-under tournament finals by upsetting one of the strongest tennis players in the Detroit area last Saturday in the semi-finals.

If he wins tomorrow, the pint-size player will have piled up his fifth championship since he and Jon Rogers captured the regional doubles crown for the Mustangs last spring.

Long will have his hands full tomorrow, however, as he goes against favored Chuck Branard at the Northwestern high school tennis court. The match will be played in the afternoon.

In climbing to the finals, Long had to beat four top players in the state. In the opener of the Motor City Open, sponsored by the U.S. Lawn Tennis association, he downed John Burstein after losing the first

Tom Long

tagged with the loss. Northville's three runs in the sixth resulted from two walks, a triple by Dave Hay and a single off the bat of Jim Anderson. Dennis LaRoque picked up the only other Northville hit.

Plymouth's early runs resulted from a couple of walks and a number of lapses in the Northville defense. The Elks later climbed on Willing and his successor, Stuber, for several hits. Catcher Jim Monteith led the attack with two singles in three trips to the plate. His one out became the fielding play of the game.

With two out and two on base in the first, Monteith drove a pitch to deep right center. Roy Rice started back at the crack of the bat and pulled in the ball on the dead run with his back to the infield. He fell but hung onto the ball.

Tigers Nip Bears, 9-8 In Softball

The Lions and Panthers battled to a 3-2 tie through seven innings of play last week in the Knot Hole softball league.

In the only other softball contest, the Bears edged the Tigers, 9-8, to hang on to the league lead.

In the tie game, Phil Nelson and Brian Myers of the Lions each collected two hits, while Barry Deal picked up two hits and Kim Marburger smashed a double for the Panthers.

Captains for the game were Skip French of the Lions and Marburger and Deal of the Panthers.

Steve Utley and Bruce Grys each collected two hits to lead the Tigers' unsuccessful attempt to down the Bears. Eddie Beller picked up two hits for the winners. Frank Martin of the Bears smashed a two-run single with the bases loaded.

Park Building Opens

The new modern Information Building is now open at Kensington Metropolitan Park near Milford.

Designed to provide information and services to park visitors, the wood and stone structure has an office, restrooms, drinking fountains and a public telephone.

On Saturday, Sunday and holidays the Information Building will be in operation from 8 a.m. to 6 p.m., and Monday through Friday the hours of operation are 10:30 to 4:30 p.m. The building is located in the park near the main entrance from the Grand River Expressway (U.S.16).

End 4-Game Losing Streak

After taking four straight losses on the chin, the Northville Braves bounced back last Thursday to trim the Pierson Cubs, 8-3.

Glenn Deibert was the winning pitcher.

Supporting him at the plate were Gary Stobbe, Doug Swiss, Butch Pethers, Bob Tuck and John Gibson.

Pete Sutherland turned in the outstanding defensive play of the game. He recovered a line single to right center and fired to second to catch the runner trying to stretch his hit to a double.

The Braves through Monday held a 7-9 record.

THE NORTHVILLE RECORD—5 Thursday, July 21, 1960

Athletics Win 2; Tie for 1st Place

Two narrow victories pushed the Athletics into a two-way tie with the Indians for first place in the Knot Hole baseball league last week.

The Athletics clipped the Indians, 1-0, and then went on to edge the Dodgers, 3-0. The Indians' loss was the first of the season.

In other games, the Indians nipped the Yankees, 7-6, and the Yankees

blanked the Dodgers, 12-0. The Athletics' Ken Shrewsbury laced a single to the outfield in the third to score Ed Burton with the winning run against the Indians. Burton lead off the inning with a single. Bill Davis, who gave up only two hits, was credited with the victory. Jim Daniels was the loser.

Davis also picked up the win over the Dodgers. Joe Bell and Jim Peterson shared the loss.

John Beerbower smashed a double and then scored the first run on an error. George D'Haene batted in the final two runs with a single. The only two hits off Davis were singles by John Blackburn and Mike Utley.

Jim Daniels nipped a Yankee rally in the last inning to hand himself and his Indian teammates a 7-6 victory. The little righthander pulled down a hot line drive with two men on base.

Craig MacDermid won hitting and fielding honors for the Yankees with a three-run double and two exceptionally fine fielding plays at shortstop. Kevan Ling batted home two runs for the Indians, and Rick Richardson added two solid singles to the Indians' attack.

Novi Giants Nip Wayne

Jeff Crawford laced three singles in three trips to the plate last week to help his Novi teammates to a 5-4 victory over the Wayne Civic squad in the western division of Class E.

volunteers to put up shelves. Any
one able to contribute or help call
Mrs. Fried at GR. 4-8834. Last call
for volunteer librarians desiring to
take Training Work Shop August
call Mrs. Wallace at FI 9-2127.

Novi Firemen
Novi Firemen held their annual
picnic at Star Cutter picnic grounds
on Grand River, from one to six,
about 75 firemen, their families and
guests were present for a potluck
dinner. Beverage was furnished.
Silver dollars were given to winners
of all the games which included
Penny Hunt, races, baseball games,
horseshoes, and badminton and
others.

ial prize for bringing 6 youngsters
also Jannie Sorby, Lynn MacDer-
maid won 2nd prize for bringing 5
youngsters.

Unity Circle meets Tuesday nite at
church, for a special film showing of
"Christian Homes". This film shows
basic principles for building homes,
showing their influence on family
relationships, church and commu-
nity.

Novi Boy Scouts
Boy Scout Troop No. 54 will be
participating in the Jubilee Camp-
ore on July 22, 23, and 24 which is
being held at 23 Mile Rd. and John
R. It is interesting to note that on
these dates all Boy Scouts through-
out the United States will be camp-
ing somewhere in their own local-
ity. There will be about 2000 boys
from the Clinton Valley Council tak-
ing part in the Campore of which
Novi will be a part. This will be
open to public on Saturday from
10 00 thru out the day and the pub-
lic may view displays and demon-
strations of all types from forestry,
cooking, signaling, etc. The Novi
boys have been working several
months on their project of a Prime-
tive Camp site. At the close of the
evening a special event is being
planned at the Council Fire, this is
expected to be one of the largest in
history of Scouting.

Mr. and Mrs. Al Harland and fam-
ily of Quince Drive are spending
their vacation at their cabin near
Grayling. Mrs. Harland and the
children have been there most of the
summer and were joined this week
by Mr. Harland.

Mr. and Mrs. Frank Averill of De-
troit, formerly of Novi and Mr. and
Mrs. Ted Penn of Grand River vaca-
tioned together at East Tawas re-
cently.

Mr. and Mrs. John French of Novi
Rd. entertained Mr. and Mrs. Green,
Mr. and Mrs. Eugene Dallas and
family of Wixom and Mrs. Charles
Stewart at their home for a picnic
lunch Saturday evening.

No bidder may withdraw his bid within thirty (30) days after
the date set for the opening thereof. Proposals shall be sub-
mitted in duplicate on forms furnished by the owner.

Each proposal will be accompanied by a Certified Check or
Bid Bond by a recognized Surety Company in the amount of at
least five per-cent (5%) of the amount of the total bid, payable to
the City of Northville, Michigan, which Certified Check or Bid
Bond will be forfeited by the accepted bidder upon his failure
to enter into a contract with the City of Northville, Michigan
within fifteen (15) days after the award of the contract to him.

The successful bidder will be required to furnish one hundred
per-cent (100%) Performance and one hundred per-cent (100%)
Labor and Material Bonds.

The Contract Documents, Plans and Specifications will be on
file and open to public inspection at the office of the City Clerk
at the City Hall, Northville, Michigan, and may be obtained at
the above mentioned office; or at the office of the City Engineer,
Laporte & Penn, 1470 Holden Avenue, Detroit 8, Michigan.

A deposit in the amount of Ten Dollars (\$10.00) is required
for each set of Plans and Specifications, and will be refunded
only upon submission of a bonafide bid.

The right is reserved by the City of Northville, Michigan to
reject any or all bids or to waive informalities in the bidding in
the interests of the City.

Harry A. German
He's walked 100,000 miles to retire

**Postal Worker 32 Years
Now Retiring to Farm Life**

With the retirement next week of Harry A. German, formerly of 224 Orchard drive, another tie with Northville's past will be broken. The 55-year-old postal clerk, who 32 years ago became one of Northville's first two mail carriers, will retire from the post office and move with his wife to a Belding, Michigan farm.

Although he regrets leaving Northville and his many friends, German is anxiously looking forward to the end of his postal career and the beginning of a "soft life" on his 15-acre farm which he purchased two years ago.

Father of two married children, Harry E. of Belding, and Mrs. Tullane Curtis of Iowa, he will live less than a mile from his son who owns a home in Belding. His mother also lives in Belding. A brother, Loyale, lives at 430 East Main in Northville.

German will carry many pleasant and sentimental memories — particularly of earlier days — to his new home.

He moved to Northville with his parents, sister and brother in 1918. His father, the late Harry German, Sr., a colorful figure who attracted wide acclaim as an outstanding baseball pitcher for numerous professional teams and who for two terms served as the president of the village of Northville, owned and operated an auto sales business where the Northville Recreation bowling alley now stands.

Following in his father's footsteps, German himself became a popular Northville athlete. "Oldtimers" will remember him as a star baseball and basketball player at Northville high school and later with a semi-professional baseball team.

After graduating from high school in 1925, German worked for several years in his father's sales business. Then, "because one of the few places that had a retirement plan was the post office," German began packing a mail bag.

With his employment, the post office began home delivery service — twice a day. Previously, the post office offered only box service. German and R. H. Sonnenberg, who died five years later, were each given one of the two routes in the community of 2,500 people — which meant walking more than 15 miles each day. Today the post office has four routes and four carriers.

German continued to carry mail for 28 years until four years ago, when he became a postal clerk. During these 28 years, he walked more than 100,000 miles, stumbled over dirt roads long since paved, slipped on ice, wore out an undetermined number of shoes, and worked under five postmasters: F. S. Neal, Mrs. F. S. Neal, Tom Carrington, Fred Van Atta, and the present postmaster, Leland V. Smith.

With all these experiences none seems more remarkable than the smiling postman's admission that he's never been tasted by a dog.

THINKS IT'S MARVELOUS**

GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

SPEAKING for the Record

By Bill Silger

The American Legion and Northville Optimists are joining forces to sponsor a four-day celebration August 18 to 21 that promises to be one of the biggest fun-attractions ever held locally.

Throughout the four days the Legion is planning a "homecoming" event featuring a carnival and various contests of the "pie-eating, etc.", variety.

Meanwhile, the Optimists will expand their popular annual wild west rodeo event to two days, Saturday and Sunday. The events will be staged at the Downs.

The Optimist rodeos have always attracted good crowds and keen competition from professional rodeo artists. The Legion's idea ought to compliment the Optimist rodeo providing plenty of opportunity for old-fashioned family fun. Then, too, the money you spend there goes for a good cause.

Mark the dates on your calendar.

Regardless of what Governor Williams may have thought of Senator Kennedy's choice of Texan Senator Lyndon Johnson as vice presidential running mate, 17th District Congresswoman Martha W. Griffiths seemed to approve. She sent congratulatory telegrams to both Kennedy and Johnson. She urged the Senate majority leader to visit the 17th district during his campaign.

The November race for the 17th district congressional seat could be an all-feminine contest, incidentally.

Running in the August 2 primary for the GOP nomination is Mrs. Gladys Smith, who for the past two years has been chairman of the district Republican organization.

The deadline for persons who believe they were not counted in the April federal census to submit their names is July 31.

Several state communities are now surveying their inhabitants to determine if they were counted. Additions are important—they mean approximately \$14 per capita per year for the next 10 years in locally shared, state-collected taxes.

Area communities who have additions to report should send them to the Bureau of the Census, 1008 Federal Building, Detroit.

Pollen Time Near

SOME SUMMER BREEZES will soon be loaded with sneezes for hay fever sufferers.

The southern half of the lower peninsula is considered to be almost totally a high pollen-count area. Ragweed pollen causes the discomfort, and for the several years that regular checks were made, the pollen count changed very little.

This means that hay fever tends to remain with us as communities grow.

Coldwater in Branch county was known as the hay fever capital of the United States in 1958. It had a pollen count of 190 — highest average registered anywhere.

But several other Michigan areas were not far behind and there is no indication that the pesky pollen from ragweed has let up any.

What the Michigan Health Department gaily calls the "sneezin' season" reaches a peak between the middle of August and the middle of September. Some sufferers begin to feel the telltale tickling in the nose about July, however.

Of course pollen isn't the only villain in the picture, but it's by far the most active and the most prevalent.

Some 15 species of ragweed produce most of the discomfort, but tumbleweed, fireweed, sage, hemp are also suspects. Then some people get the itchy eyes, runny nose and other discomforts from mayflies, caddis flies, mushroom flies, animal fur or feathers.

This year, as every year, the Health Department is making a plea to landowners and municipal authorities to cut down as much ragweed as possible.

This year, as in other years, people will suffer because the villainous weeds can't all be disposed of.

For those who can, going north is still one of the best ways to avoid hay fever. Northern Michigan is practically pollen-free. Shots or other remedial symptom relievers are also available.

But for the countless thousands, the only outlook is suffering until fall frosts take the pollen out of the air.

And the sufferers in southern Michigan can almost take a perverse pride in being real veterans of the hay fever wars.

BESIDES A RAFT of new names, ballots used in the Nov. 8 general election in Michigan this year will have a slightly different appearance. But the voter will have to look closely to spot it.

The Republican party has announced its vignette — the little picture labeling its candidates — will have a 50-star flag this year. Democrats made no immediate plans to follow their rivals in changing the vignette to take into consideration the fact that Hawaii and Alaska are now part of the United States.

The flag which forms the background for pictures of Abraham Lincoln and Dwight D. Eisenhower on the GOP sections of the ballot will have the extra two stars. Republican ballots for the Aug. 2 primary election will also have the new look.

For the primary, the Democratic

vignette has a picture of Franklin D. Roosevelt and Gov. G. Mennen Williams — backed by a 48-star flag. The party will probably change the vignette to include 50 stars before Sept. 20.

That's the deadline for setting the wording of local propositions which will be on the ballot and if a change were in the hands of the county clerks by that time, it could probably be made with little difficulty.

ONE-HORSE TOWNS and one-teacher schools are a part of the Michigan scene which may never completely pass out of existence.

But the number of one-teacher schools — defined by the Michigan Education association as a public elementary school with only one teacher, located in a rural or urban area, including one or more rooms and comprising one or more grades — has been whittled down.

The MEA said there were 7,206 one-teacher schools in 1918, but only 1,231 by the 1958-59 school year.

Nationally nearly 400,000 children attended one-teacher schools last year. This is about 1.1 percent of all children enrolled in public schools and 1.6 percent of all public school children in grades one through eight.

By comparison, about a quarter of all school children attended a one-teacher school in 1918.

More than 84 percent of the teachers in the one-teacher schools said they would choose the same working conditions again if given a choice. About 83 percent of them had less than four years of college.

The average salary for a Michigan teacher in a one-teacher school was \$3,649 a year in 1958-59, compared with \$5,504, which is the average salary for all Michigan public school teachers in the same period, the MEA said.

Rail Rides Fading

Babson Park, Mass. — This column first warns readers that the days of passenger trains are nearly over. Several roads now operate only one passenger train a day; while passenger service is being cut by all railroads. This is further hastened by talk of railroad mergers. Let me give you some illustrations.

The Gravity Roads

The first recent important railroad consolidation was that of the Norfolk & Western and the Virginian Railway. These two high-grade roads did not need to consolidate for financial reasons. However, they both serve the soft-coal fields of West Virginia, hauling coal to the seaboard at Norfolk, Virginia. Merger was thus very natural; in fact, the Virginian perhaps should never have been built.

I have been especially interested in the above two roads because they profit so much from Gravity, which readers know is a hobby of mine. Gravity not only enables the trains to "coast" down from the West Virginia mines, but Gravity also generates some of the electricity used in bringing the empty cars back. I believe Gravity will be a factor in many other railroad consolidations. At present, it is used industrially only in connection with water power. It surely will sometime be used for irrigation and small power requirements.

One of the largest railroads is the Baltimore & Ohio; this road duplicates the service of the Chesapeake & Ohio. The two roads can be consolidated with considerable savings to both shippers and investors. If the I.C.C. gives a "green light," and if the stockholders of the two roads and other interested railroads agree, such a consolidation will take place.

The Chesapeake & Ohio stockholders now feel that the Baltimore & Ohio needs them, rather than vice versa; they believe the Chesapeake & Ohio stock is worth considerable more than the Baltimore & Ohio is offering in exchange.

New York Central Situation
Ever since the suicide of Robert Young, the New York Central has been a great disappointment to its

stockholders. In view of the previous fight for control, most stockholders felt that the stock was very valuable and refused to sell it. This was a great mistake. (Incidentally, a proxy fight often affords a good opportunity for stockholders to take profits, as the price usually declines afterward.)

In looking for a friend, the New York Central officials have flirted with the Pennsylvania Railroad, the Baltimore & Ohio, the Chesapeake & Ohio, and the Erie, but nothing concrete exists at the moment.

Florida Railroads

Negotiations between the Atlantic Coastline and the Seaboard have proceeded almost to the point of final agreement. There is no doubt but what the Florida East Coast should also merge with the above two roads.

Both the Atlantic Coast Line and the Seaboard are in excellent financial condition. The history of the Seaboard is, from an investment point of view, truly miraculous. Large amounts of money were made by the purchase of Seaboard stock directly after the reorganization. In fact, only directly after reorganizations do I buy railroad stocks.

Northwestern Roads

There is always talk of a consolidation of the Northern Pacific, the Great Northern, and the Burlington. At one time merger was almost certain, but it was stopped by a court fight that triggered the panic of 1907. There also is constant talk of merging the Boston & Maine, the Maine Central, and the New Haven; but no one seems to want the New Haven. All of these New England railroads are "short line" roads which are being avoided by careful investors.

Railroad officials blame the I.C.C. for holding up these mergers. But the truth is that every consolidation means that certain officials, employees, and directors will be thrown out of jobs. The labor unions therefore insist on being heard, as well as certain of the small-town shippers. Such opposition, however, is largely motivated by personal selfishness rather than by consideration for the good of the nation as a whole.

Hold Bridal Shower

By Mrs. George Ames

Greenleaf 4-0830

Mrs. Robert Garbin, Miss Gay Garbin and Mrs. Robert Godette were hostesses at a bridal shower for Miss Kaye Bodenborn, Saturday evening. About 26 guests were present. Miss Bodenborn is to marry Mr. Charles Davies.

Mr. and Mrs. Harold J. LaDue are back from a two week vacation in St. Albans, Vermont. They took their daughter, Andrea, for her first visit with her grandparents, Mr. and Mrs. Harold R. LaDue.

Mr. and Mrs. Karl Weiss, of Mooringside Dr., had houseguests last week. They included Mrs. Weiss' father, Mr. Baird Myers, of Eustis, Florida; her sister, Mrs. C. I. Berry; her niece, Marion Berry; and Mrs. Robert McKay, all of Newberry, Michigan.

Mr. and Mrs. Louis Chismark joined former Willowbrook residents, Mr. and Mrs. Larry Good, for dinner at the Brass Rail and the movie

"Can Can", Friday evening. Mr. and Mrs. Douglas Foley and their children, Charles and Terri, spent their vacation at Baker's Acres Resort near Traverse City, Michigan. They also visited Sleeping Bear Dune.

Mrs. William Windhovel and her sons, Gary and Donny, spent Tuesday here with Mr. and Mrs. Robert Byrd.

Pat Pinner and Eleanor Freytag spent Friday at Burroughs Farms with Betty Le Butt and her family.

Mr. and Mrs. Walt Pinner entertained Mr. and Mrs. Thomas McAniff and their children, Kris, Kelly Lynn, Tommy and Kim, and Mr. and Mrs. Thomas Curran, and Miss Helen Curran at a back yard barbeque Sunday afternoon.

The local Wave, a former student at Eastern Michigan University, will spend a 14-day leave with her parents before reporting to Memphis, Tennessee for aviation electronics technician airman school.

While at recruit training Airman North received instructions in Naval orientation, Naval history, military bearing, military drill, ships and air craft, Navy jobs and training.

Airman North enlisted for a four year period.

Airman Carol June North

Carol June North, daughter of Mr. and Mrs. Edwin North, 320 Debra Lane, has completed nine weeks of basic training at the recruit training center, Bainbridge, Maryland and was a graduate during a military review held July 8 at Bainbridge.

The local Wave, a former student at Eastern Michigan University, will spend a 14-day leave with her parents before reporting to Memphis, Tennessee for aviation electronics technician airman school.

While at recruit training Airman North received instructions in Naval orientation, Naval history, military bearing, military drill, ships and air craft, Navy jobs and training.

Airman North enlisted for a four year period.

NEWS FROM THE

American Legion

POST 147

John Steimel, Commander of the Lloyd H. Green post 147, has made the following appointments for the coming year:

Robert Miller to the office of post service officer; this will be the third year for Bob in this office;

James Madigan, for the second time, Americanism chairman;

Linwood Snow, Jr., Boy's State chairman; Snow served as post chairman and also as the 17th district chairman for Boys State last year;

Oscar Hammond, renamed as civil defence chairman;

Ray Altenburg, post judge advocate.

The Commander congratulates these men for the splendid job they have done in the past years for the American Legion and wishes them luck in their jobs for the coming year.

A reminder to all post members our Northville homecoming is just about a month away. We will need help and a lot of it. Anyone who is not on a committee and would like to get on one, contact Robert Miller or call the post home FI. 9-1060.

Membership is getting underway to a good start this year. The post accepted Wilgus Combs as a new member at our last meeting.

Veterans who would like to join the American Legion can do so by dropping in at the American Legion hall. There is always someone on hand to take your application. If you don't get a chance to stop in and you want to join, call FI 9-1060 and we will come to your home and sign you up.

Our post slogan is "A good post in a good town". Well vets, you're in the good town. Now is the time to get in the good post.

Disc Jockey Starts Hop

A weekly record hop for area teenagers will get underway Sunday at the Walled Lake Amusement park skating rink under the sponsorship of Chuck Daugherty, WXYZ radio disc jockey.

According to Daugherty, a resident of Willowbrook subdivision, the hop will be held each Sunday

beginning at 8:30 p.m. and ending at Midnight.

The weekly dances will feature guest recording stars and free records.

Daugherty is the host for two popular radio programs, the All-Night Satellite show, and the Coca Cola HiFi Club show.

FASCINATING FACTS ABOUT NATURAL GAS

Enterprising Americans

After the first practical use of Natural GAS, it was clearly evident that this Stored Sunshine was a vital asset to home and industry. The fact that it could only service communities near the productive GAS fields, spurred engineering experiments and private enterprise to overcome transmission obstacles.

"Sunshine Subway"

Now the super-abundance of Natural GAS in a few states can be shared by all states. Engineers were 100 years figuring out how to transport GAS just 100 miles—yet 30 years later, it is transported 2,000 miles. Pumping and transmission — two major problems — have been successfully solved.*

*In 1870, a wooden pipeline 25 miles long was an accomplishment. At the beginning of 1959, the industry had enough miles of pipeline to circle the earth 22 times. In Consumers Power Company's area alone, there are 7,000 miles of pipeline.

GET THE FACTS — BETTER YET — GET GAS! PG 6889-21

Center Paving
Is Problem

(Continued)

Center street divides the "old" and the "new". Assessing one side and not the other presents some legal complications. Thus the city sought to complete the project by contract arrangement with the school.

But School Attorney James Littell has maintained that the school is permitted to participate only by special assessment.

City Attorney Philip Ogilvie maintains that the city's special assessment ordinance provides for contract agreements that, when executed, are in fact special assessment contracts and thereby in accordance with the school's request. But Attorney Littell does not agree.

Efforts to get the project underway have been kept alive by residents of North Center street who appeared before the city council and the school board.

On the one hand the council has said the school has been unwilling to participate in the project, while the school has denied this, saying the initiative must be taken by the city.

The school board's statements have given rise to new efforts to undertake the project by the city council. But Monday night the council did not miss its opportunity to read a letter from the school board received prior to the appearance of Center street residents before the council and school board.

The school board letter stated: "The board is not interested in sharing in the paving of this street right now because there are more urgent demands upon our remaining funds at this particular time."

At any rate, the council agreed Monday evening that the street now has heavy traffic and should be paved.

It therefore adopted an alternate plan that calls for paving from the new cut-off to the northern edge of the school property only. Thus the city will attempt to create a special assessment plan involving the school and the city. While the school pays for its half of the street, the city will pay for the other half from general funds. The council instructed the city attorney to discuss this plan with School Attorney Littell.

In other business Monday evening the council adjourned a hearing to establish a special assessment district to pave Novi street from Hill to Maplewood and west on Maplewood for 112 feet. Besides paving, the improvements on the streets will include water, storm and sanitary sewers and curbs and gutters. The east side of the street will be paved by the D & R Building company developers of Yerkes Estates subdivision. The property along the other side of the street is owned by Donald Yerkes, who appeared before the council Monday evening to learn the extent of the assessment.

While the council did not decide upon the assessment, it was pointed out that the total cost, if charged entirely to Yerkes, would be approximately \$10,000. This would be assessed against eight lots owned by Yerkes. After Yerkes pointed out that he had paid taxes on the land for 35 years and felt some consideration should be given, the council decided to delay making a decision until August 1.

The council pointed out, however, that the improvement will greatly improve the value of the lots and that city assessed taxes on the property to date have been very normal.

Church to Clean Lot

The men's club of the First Presbyterian church will stage a "clean-up" party Saturday at 8:00 a.m. in the church-owned lot directly behind the Presbyterian church.

Chairman of the project is George W. Hill. Coffee and doughnuts will be served workers.

Obituary

MRS. BETTY SAVINA O'LEARY

Mrs. Betty Savina O'Leary, of New Hudson and Winter Park, Florida, died July 14, at the Florida San and hospital in Orlando, Florida. Before moving to Florida a short time ago, Mrs. O'Leary had been the organist at the Methodist church in New Hudson for the past ten years and had also served as past president of the Lyon township P.T.A. Born January 15, 1919, in El Centro, California, Mrs. O'Leary was the daughter of Luther and Laney (Tobias) Rix, who survive her. Other survivors are her husband, David O'Leary; a son, Rand, of Ypsilanti; and two brothers, Edward, of Plymouth, and Victor, of Falls Church, Virginia. Funeral services were held from the Phillips Funeral home in South Lyon yesterday at 2 p.m., with the Reverend E. C. Stringer officiating. Burial was at the Oakland Hills Memorial park.

MRS. ANNA MILLER

Mrs. Anna Miller, following a short illness, passed away July 14, at St. Mary's hospital. Mrs. Miller, 76 at the time of her death, was the daughter of Otto and Reka Melow. She married George F. Miller of Canada January 24, 1906. He preceded her in death in 1952. They had spent their married life at 8880 West Seven Mile road, in Northville. Survivors are a son, Roy; two sisters, Mrs. Louise Rewald and Mrs. Ella Bauman, both of Plymouth; and five grandchildren. Another son, George, died in 1952. Funeral services were held from the Phillips Funeral home last Saturday with the Reverend Richard Burgess officiating. Burial was at the Salem Walker cemetery. Pallbearers, nephews of Mrs. Miller, were, Donald Melow, Glenn Melow, Edward Bauman, Rhein Bauman, John Schroder and Elmer Scheunemann.

NATHAN ODA GRISWOLD

Nathan Oda Griswold, the infant son of former Northville residents, Mr. and Mrs. Francis Arlene Griswold, died Tuesday (July 19) at St. Mary's hospital. Mr. and Mrs. Griswold now reside in Memphis, Michigan. Seven brothers and sisters also survive as do the grandparents, Mr. and Mrs. Ward Griswold of Salem and Mrs. Clara Nipp of Northville. Services were held yesterday at 3 p.m. from the Casterline Funeral home. Burial was at Rural Hill cemetery.

JAMES EDWARD GLEASON

James Edward Gleason, 815 Scott avenue, died suddenly at his home July 14. Born June 5, 1889, Mr. Gleason was the son of Dennis and Lena (Callahan) Gleason. His wife, Julia Marie, survives him. A Northville resident for 12 years, he was employed as chief engineer for the Evans Products powerhouse in Plymouth. He was a member of Our Lady of Victory church and belonged to the Holy Name Society. Other survivors are four sisters, Mrs. Grace Gieraud and Mrs. Mildred Hopkinson of Detroit, and Mrs. Hazel Ouellette and Mrs. Evelyn Lasko of Hollywood, Florida. Rosary was given from the Casterline Funeral home last Wednesday, July 13 at 8 p.m., and a mass was offered at Our Lady of Victory church, Saturday at 10 a.m. by Father John Wittstock. Burial was at Holy Sepulchre cemetery.

Henry Tuger
Dies at 44

Funeral services were held at the Querfeld Funeral Home in Dearborn July 1 for Henry C. Tuger, 44, who had been manager of Tuger's Market, Six Mile and Northville roads for the past five months.

Tuger died suddenly following a heart attack suffered while he was waiting on a customer in his store on the evening of June 29. He was taken to Community General hospital but did not respond to emergency treatment.

Tuger has been operating the store for his mother, Mrs. Esther Tuger Bailey, who purchased the grocery business from Walter Snyder five months ago.

He is survived by his wife and three children, David, 11; Marsha, 8; and Joan, 7; a sister, Mrs. Russell Conrad of Farmington; and his mother, Mrs. Bailey, who is now operating the Northville road grocery.

Interment was at St. Louis, Michigan.

There will be an auction at the V.F.W. Hickory Hills on Saturday, July 23 starting at 10 a.m. Games will be provided for the children.

Teacher Pay
Study Group
Meets Tonight

Northville's 21-member teachers' salary study committee will hold its third regular session this evening having elected permanent officers and made definite study assignments.

The group, formulated to design a salary schedule for local teachers and decide how to finance the plan, has until December 1 to submit its report.

Creation of the committee came about at the suggestion of Superintendent of Schools Russell Amerman after a proposal for pay increases by the Teachers' Club was turned down by the board of education because of lack of funds.

At its July 7 meeting the group elected Charles Yahne, a teacher, as chairman. Paul Beard, a member representing the community at large, was named vice chairman. Teacher Patricia Bubel is secretary.

The group is composed of members representing the P.T.A., teachers and community. Board of education and administration representatives act in an advisory capacity to provide information.

Assignments of the study groups are: 1—to make comparisons of Northville's teacher salary level with comparable communities; and 2—evaluate the financing ability of the area and determine how funds may be financed for school purposes, both now and in the future.

Police Install
Loading Zones

Two "no parking" loading zones have been created in the Northville business district to help eliminate double parking of delivery trucks.

The city council approved a recommendation by the police chief Monday evening that two spaces directly in front of Gussell Drugs on Main street and one space in front of The Record newspaper office on Center street be prohibited to parking between the hours of 9 a.m. to 6 p.m. daily.

Frequent complaints by motorists concerning the double parking of delivery trucks prompted the action. The council has directed that the curbs be painted to plainly mark the loading zones.

Motorist, Niece Injured

A Marine City motorist and his 15-year-old niece from Northville were injured Tuesday night when their car crashed into a tree on Taft between 10 and 11 Mile roads.

Nelson W. Delisle, 61, suffered a severe head cut and his niece, Millie M. Smith, 149 East Cady, suffered an ankle injury and body lacerations. Both were treated at Community General Hospital.

Delisle told police he was driving south on Taft when a passing car forced him off the road, causing him to lose control.
