Novi Council Won't Let Anderson Quit

Catching his fellow councilmen by surprise, Councilman Philip Anderson submitted his resignation as a member of the Novi village body Monday night.

The Eight Mile road fruit farmer waited until a motion for adjournment before handing a letter to President Joseph Crupi and requesting that it be read.

After more than an hour of council discussion, during which all members joined in asking Anderson to reconsider, President Crupi returned the letter.

But Anderson vowed that his mind was made up — and that he would re-submit the resignation at the next council meeting.

Without evidencing bitterness, Anderson told his fellow councilmen that they were "too far out of line with my thinking. I sit here like a toad on a stump."

Anderson pointed specifically to these reasons for wanting to quit the council:

- disappointment that the council had not adopted a road chloriding program;

- that he did not think it would be fair to remain on the council while consideration was being given to hiring a new manager because he opposes such action;

- general dissatisfaction with road conditions;

- "a raw deal" from appeal board when his request to operate a gravel pit on his farm was denied.

A popular vote-getter, Anderson ran second to Walter Tuck in the election of the five original council members in September, 1958. His term does not expire until April, 1962.

Anderson has never hidden his unhappiness with matters as they displeased him. In May of this year he threatened to quit the council because of dissatisfaction with former Manager Fred Olson and the budget. Fellow councilmen convinced him to reconsider and finally he announced that he would "stay on for awhile."

President Crupi at first declined to read Anderson's letter aloud Monday evening.

"Do you really want me to read this," he asked Anderson, who replied that he did. "It isn't signed," Crupi pointed out.

"Here, let me sign it," said Anderson. He quickly penned his name and handed it back to Crupi. Crupi and Councilman Dean Lenheiser led the appeal to Anderson to reconsider.

"I thought everything was working out," Lenheiser told Anderson. In answer to Anderson's charge that the budget was too heavy with administrative costs, Lenheiser pointed out that this was not so. "We've spent more than the \$67,000 in road money funds for road improvements and we'd like to do more, but it isn't possible," said Lenheiser.

Anderson retorted that the time was drawing near when the council would need more than its present millage limitation to operate the village. "If you'd do something to show the people we're giving them something, they'd vote to raise the millage. But now it won't have any more chance than God's little green apples," Anderson exclaimed.

Lenheiser then pointed out that the village is trying to pay up its bills and build up a little cash. "Surely the people would rather that we operate within our income than go out and spend more than we have," he added.

Anderson continued his list of complaints, which mainly narrowed down to consideration of a manager, dusty roads, and high administrative costs.

He said he did not believe Novi was large enough to afford a man-

Councilman Philip Anderson
Wants off Novi council

ager — and certainly not at \$6500 a year; he criticized "boosting salaries and adding police" while neglecting roads that he termed "the worst I've ever seen in any community — you know when you're in Novi by the dust."

Anderson raised a hope for Novi's financial problems. He said he was deeply interested in landfills and said that he thought the village should enter the business. "That's what I had in mind when I asked for a gravel pit permit," he stated. He said that other areas made good money from properly operated landfills and that Novi could make enough money "to cut taxes."

Councilman Tuck told Anderson that he (Tuck) was in no hurry to hire a manager and urged him to say on the council. Crupi moved the resignation be accepted "effective in 1963." Councilwoman Eugenie Choquet told Anderson she had supported his chloride program, until county road officials said gravel would be more helpful.

But Anderson would not budge.

Plan Full Day of Fun At Novi Celebration

No doubt about it, Novi's second annual birthday celebration gets bigger by the day.

Just look at this list of attractions:

- a team of sky-divers featuring nearly a dozen outstanding spot-landing divers including the champion sky-diver of the Michigan Parachute team;

- popular Sagebrush Shorty of television fame and his little partner, Skinny Dugan;

- some 31 booths sponsored by area businesses and organizations;

- Detroit Disc Jockey Chuck Daugherty as MC;

- helicopter rides;
- an old fashioned hillbilly band;
- a turtle race and the traditional "greased pig chase";

Prizes galore to be given away every hour — topping the list are a prize pony, television set, Pol-

Bike Missing? It's Probably At City Hall

Bicycles without riders just aren't doing the job for which they were made.

Chief Eugene King reports that the police department has some lost bicycles which have been waiting 80 days for their owners to come down to the city hall and claim them.

If a bike has strayed from your home, you can find out whether it's one of those in police custody by writing a note to the police giving the bicycle's general description — name, color, make — and serial number. Also tell where the bike was lost and approximately when. All unclaimed bikes will be sold by the police department.

Recount Vote In Primary

The narrow victory of John A. Titus over Raymond L. Baker for the Republican nomination as state representative in the fourth district has resulted in a recount of the August primary vote.

Canvassers for Oakland county are currently checking the ballots. The district includes voters in part of Wixom, Novi and the Oakland county section of Northville.

Titus was declared the winner by a 2,697 to 2,640 margin. According to the county clerk's office, the canvass will not be completed for another week.

Don't Forget City Taxes

City taxpayers have less than one week to come up with their cash or pay a penalty.

Deadline for payment of Northville taxes is August 31. To date City Clerk Mary Alexander reports that \$68,636 of the \$121,000 total roll has been paid.

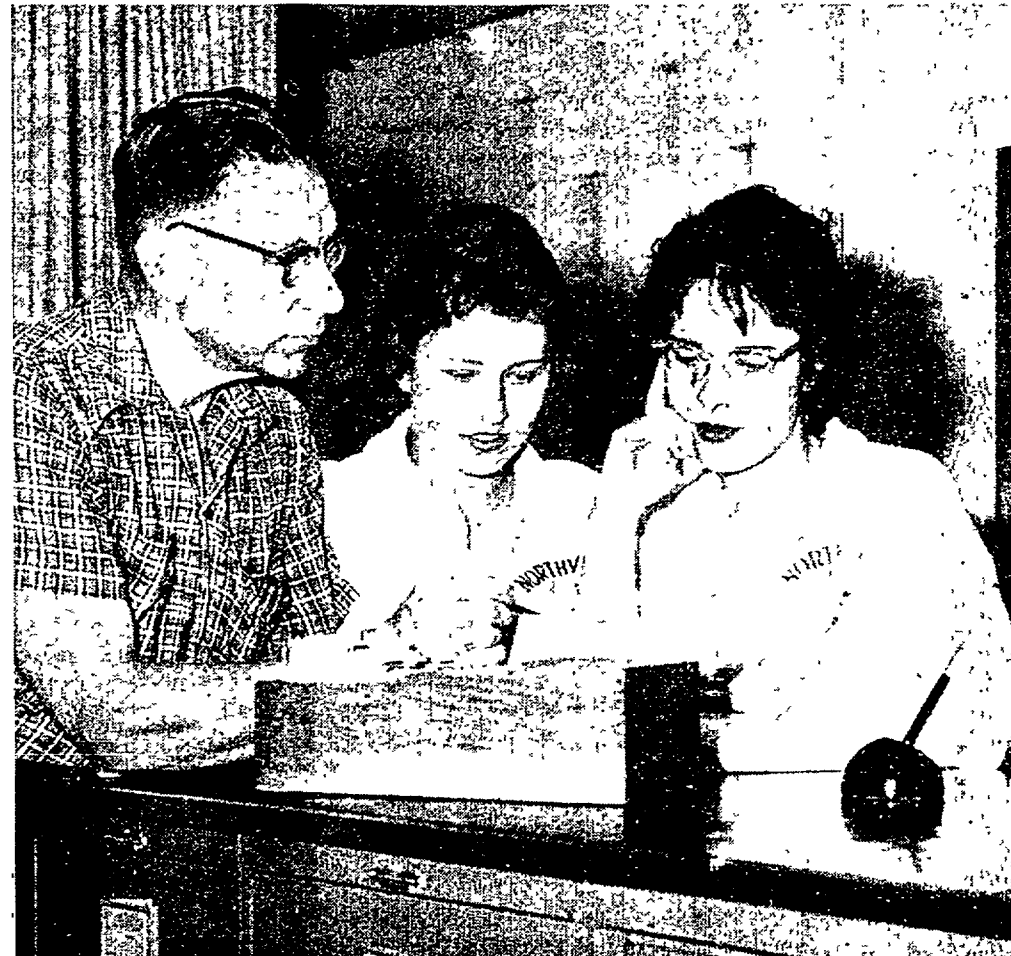

After August 31 a four percent penalty is added to all tax bills. Payment may be made at the city hall.

Visiting VFW To Parade

In conjunction with the Veterans of Foreign Wars national convention being held in Detroit this week, the VFW's 85-member Junior Drum and Bugle Corps from Coatesville, Pennsylvania, will parade on Main street at 9 o'clock tonight (Thursday). Northville's Post 4012 and auxiliary will also participate. The parade will begin at the VFW post home on South Main and end at the Community building.

A third group consisting of youngsters who are in the upper 25 percent of the population and capable of doing exceptional work but who do only average work, under-achievers as they are called, share some of the problems of the low achievers but are not discussed directly in the report.

In all three groups, reports Alex-

JUST CAN'T WAIT — Sophomores Millie Smith and Muriel LeFevre (l. to r.) couldn't wait for school to start to check their schedules so they went right to the high school office and Principal E. V. Ellison. For junior and high school students classes start September 8. Elementary students report for the first time September 9.

Says School Psychologist You Can Help Poor Student With A Little Encouragement

The best way to help the poor achiever in today's schools, in the opinion of School Psychologist Eugene Alexander, is to give that youngster experiences in which he will not always meet failure, experiences that give him some feeling of success and improve his picture of himself.

One of the most perplexing problems in today's schools, as cited by Eugene Alexander, school psychologist for Northville and Plymouth, is finding ways to help the poor achiever. Alexander defines poor achievers as students of two different categories:

- (1) those youngsters who are in the lower quarter of the population in basic intellectual ability and incapable of doing "average" work;

- (2) those individuals who are functioning considerably below grade expectations but who are in the upper 75 percent of the population in ability and are capable of doing "average" work.

A third group consisting of youngsters who are in the upper 25 percent of the population and capable of doing exceptional work but who do only average work, under-achievers as they are called, share some of the problems of the low achievers but are not discussed directly in the report.

In all three groups, reports Alex-

ander, teachers are often at a loss in finding ways to motivate these youngsters and frequently become quite frustrated after expending much time and effort with very limited success. A year of unsuccessful attempts, Alexander continues, often leads the teacher to retain or fail to pass a youngster who is "unprepared" for the next grade, hoping that he will improve enough by repeating the grade to be pushed on the next year.

Retention spells failure in more ways than one for the poor achiever, maintains the school psychologist. He notes that as a general solution retention usually not only fails to lead to improved achievement, but decreases the rate of achievement and also seems to increase the probability of drop-outs before high school graduation.

Alexander bases the observation on the ill-founded concept of retention as a blanket solution. At the same time he points out that it is erroneous to conclude from this evitable (case studies prepared by experts in the field) that it cannot be successful for individual children.

The predicament burdening the poor achiever will be more readily resolved, holds the school psychologist, if it is seen in light of the youngster's achievement potential and three sets of interacting factors, some close to the school situation, some relatively outside the school situation and others buried in the student's impression of himself.

In the first place we must keep in mind that the students we spoke of in group one may achieve to the full extent of their ability and still never be "average" students. Functioning at full capacity they usually fall below grade level. The level of expectation is higher for poor achiever of higher ability — when he works to capacity he may eventually be expected to function at grade level.

What of the constellation of other factors previously mentioned? The poor achiever's past experiences, his home life, his friends, his picture of school and the picture he has of his own worth are among considerations which Alexander says must be accounted for in understanding the poor achiever.

"A student enters the academic situation with a certain self-concept which may be good or poor, depending on his previous experience and environment. Success and failure operate on the self-concept either to enhance or to depreciate it. Generally speaking, the poorer the early environment the greater the need for a good school experience and the more difficult it is to get one. Much of this depends on the pupil-teacher relationship, Alexander states.

The school can help the poor

Biggest Enrollment Ever Returns in Two Weeks

School days are just two weeks away for a predicted student population of 1,880 in the Northville public schools.

First classes begin September 8 when all junior and high school students report at 8:30 a.m.

Elementary students report the next day.

In addition to a host of new students, Northville will have 22 new teachers. All of the teaching posts have been filled with the exception of a first grade teacher for the Main street school.

Superintendent of Schools Russell Amerman said it was anticipated that the vacancy would be filled this week.

Three new teaching posts have been added to the system, a librarian for the elementary schools, a speech correctionist and an additional shop teacher for the high school.

Margaret DeKett, formerly a fifth grade teacher in the Northville system, will take over the library job for the grade schools. Mrs. William Breytogle, whose husband is a science-math teacher in the junior high school, will handle the speech correctionist position. Last year the school was unable to obtain a teacher for the post.

A breakdown of Northville's enrollment by schools shows an anticipated student population of 486 at Amerman elementary, 450 at Main street, 286 in the junior high school and 653 in high school. Approximately 200 of the high school students will come from Novi.

Activity actually begins on September 6 when all staff members report to their respective buildings at 9 a.m. At 11 a.m. all new teachers will meet with Superintendent Amerman in the Main street elementary.

A general faculty meeting will be held at 1:30 p.m. in the high school building.

Conferences will be held all day Wednesday, September 7.

Northville's enrollment is expected to be up about three percent, or 51 students.

Superintendent Amerman noted that 1960 is the first year since the current building program was undertaken five years ago that all school buildings would be ready for opening day.

It also marks the first year that the school system has owned the Community Building, although it has used it under a lease arrangement with the city. Completion of the purchase, authorized by a school district vote in June, is expected to take place early in September.

Northville's school transportation system has been improved by the purchase of two new 71-passenger buses and one 60-passenger model. Director of Transportation E. V. Ellison has prepared the new bus schedule, which appear on page 10.

Novi schools also report an increased enrollment with 800 students expected in grades kindergarten through 8. Classes for grades 4 through 8 start September 7, while grades 1 through 3 report the next day. All classes meet September 9.

Enrollment Up 15 at St. Paul's

An increased enrollment of approximately 15 students is expected next fall at Northville's newest school, St. Paul's Lutheran elementary.

St. Paul's, which was opened only last September in a modern, split level building, is located next to the church at 201 Elm street.

The school's principal, Harold Kenow, announced last week that the total enrollment next fall will be 45 pupils. Last year, the eight-grade parochial school had 30 students.

Classes will average about six students. Last year the school had only one eighth grader, this year there will be seven.

School will open on September 7 following services in the church at 9 a.m. Regular school hours are from 8:30 a.m. to 3:30 p.m. The first semester ends January 26.

According to Kenow, there will be no significant changes in the school's curriculum. Religious subjects will be integrated with the regular school curriculum. The popular Spanish classes taught last year by the Rev. B. J. Pankow, pastor of the church, will be continued next fall.

Kenow, who teaches along with Mrs. Allen Herbst, said the school may compete this fall in the Lutheran valley ball league.

The school has two classrooms with a total student capacity of about 70 pupils. However, with the eventual conversion to classrooms of a large basement room, this total may be raised to close to 120.

OLV Expects 220 Students

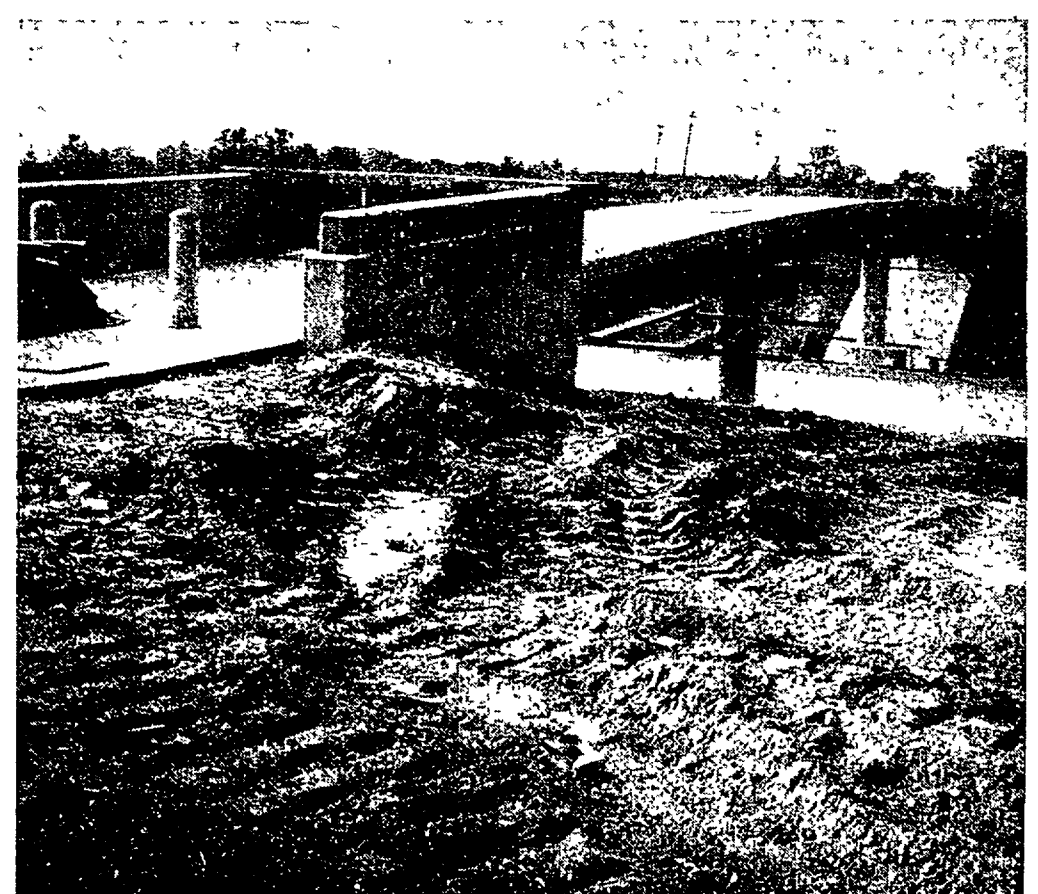

Wednesday, September 7 will mark the opening day of classes at Our Lady of Victory school, announced Sister Mary Bernarda, new principal and seventh and eighth grade teacher.

The half-day session, September 7 will begin with an 8:15 mass, Thursday and Friday classes will meet all day.

Two other new teachers will be at Our Lady of Victory school this year. They are Sister Ellen Patrice, second grade, and Mrs. Virginia Mulligan, grades three and four.

Resuming teaching duties will be Sister Joseph Virginia, grade one, and Sister Ann Nicolae, grades five and six.

Sister Mary Bernarda said an enrollment of 220 students was expected in grades one through eight. She said extra classroom provisions in the OLV social hall are expected to be completed early in the school year.

NEARLY COMPLETED—The pedestrian bridge crossing the new Eight Mile Rd. cut-off and connecting the high school and athletic field areas is nearly completed. Work has been delayed until guard rails arrive. It was originally considered that the bridge would be completely enclosed with an overhead canopy, but county officials designed the structure with side rails only.

about WOMEN

2—THE NORTHVILLE RECORD Thursday, August 25, 1960

Linda Joyce Hicks Weds Jerrie Jarvis, Jr. in Salem

Linda Joyce Hicks, daughter of Mr. and Mrs. Blaine D. Hicks, 10336 West Seven Mile road, and Jerrie Warren Jarvis, Jr., son of Mr. and Mrs. Jerrie Jarvis, Sr. of Plymouth were married August 13 at the Salem Federated church in Salem.

The Reverend Richard Burgess officiated at the 7:30 p.m. ceremony.

The bride, wearing a waltz length gown of white lace and nylon and a fingertip orange blossom veil, was given in marriage by her father. She carried a pearl-covered Bible, a gift of the groom, adorned with white gladioli and daisies.

Attired in mint green nylon and carrying a bouquet of daisies, Sue Ellen Hicks attended her sister as maid of honor. In identical mint green dresses and holding matching bouquets of daisies were bridesmaids Janet Parton and Mildred Lusk of Northville. Debbie Wilson was the flower girl.

Serving the groom as best man was his cousin, Clark Baxter of Ferndale. Seating guests were ushers Mel Stephenson and Larry Keeler of Plymouth.

Three musical selections, "Because", "I Love You Truly" and "Saviour Like a Shepherd, Lead Us", were sung by Mrs. Mary MacPherson.

For her daughter's wedding Mrs. Hicks wore navy blue with white accessories. Mrs. Jarvis, mother of the groom, chose light blue with white accessories.

Following the wedding, 200 guests from New York, Ohio and several Michigan communities, including Northville and Plymouth, attended a reception held at the church.

Light blue with white accessories was the bride's going away outfit. The couple chose northern Michigan for their wedding trip.

This fall Mrs. Jarvis will resume studies at Northville high school as a senior. Mr. Jarvis was graduated from Plymouth high school in 1956.

Mr. and Mrs. Jerrie Warren Jarvis, Jr.

all sorts of things

By SHARON MAZANEC

Oh, what honorable intentions fall by the way in the face of getting done today what has to be done. We're thinking specifically of reading, and even more specifically reading some of the great books which maintain their greatness over the centuries. Well, help is on the way.

A new idea is gaining momentum (and followers) around Detroit. It's called "Great Books Discussion Groups". Membership is open to all adults in a community, no special educational background is required and no tuition.

The groups meet every other week for a two-hour discussion of a great book. The meetings are not stilted symposiums that tax a reader's patience or spawn his boredom. Rather the thoughts and observations set down by the writer are explored for their kinship to current problems and affairs.

Right now you can join Northville's Great Books program which begins with an 8:10 p.m. meeting Thursday, September 15 at the Northville Public library on South Wing.

More information may be obtained from Mrs. Rhea Wilcox, librarian, or Mrs. George Weiss, discussion group secretary, 925 Grace or FI-9-3190.

Catherine (Mrs. Harold) Hartley is working on a series of oil paintings of familiar Northville buildings. So far she's done several churches and the city hall. Mrs. Hartley portrays the buildings on a masonite composition and uses wood frames. The paintings will be displayed soon in the Record window. She intends to sell them.

It's not too long before Torch Drive volunteers will be calling on local residents in their annual fund-raising campaign. Mrs. Harold L. Wright, 19850 Westhill, will supervise some 125 helpers as division chairman in charge of Northville.

The state of Madras, India broke into American fabric circles more than a year ago with a cotton material that, though violating the traditional color-fast, shrink-resistant guarantees of other manufacturers, caught

the fancy of the fashion-conscious. Madras plaids and stripes are colorful, exciting and guaranteed to "bleed" or fade. Some Madras will even shrink. It's being used for almost all types of wearing apparel.

The colors of the cotton fabric are born by dipping yarns in natural vegetable dyes. When Madras is washed, the dyes begin wandering, fading, running together and creating a soft muted effect.

If you choose this interesting fabric in clothes, remember that it must be washed by its lone some (the colors usually bleed onto anything else in the same wash water) and lined garments should be sent to the cleaners.

A closing thought about knowledge from the writings of Disraeli, "The more extensive a man's knowledge of what has been done, the greater will be his power of knowing what to do."

Engaged

Mr. and Mrs. James R. Pelt, 43350 West Ten Mile road, announce the engagement of their daughter, Karen Louis, to Robert W. Mai, son of Mr. and Mrs. Walter Mai of Detroit. The prospective bride and groom are both graduates of Detroit Lutheran high school and attended Valparaiso university in Indiana from which Karen is a 1960 graduate. A September 3rd wedding is planned.

Individual School Meetings To be Introduced by P-TA

In an attempt to facilitate a closer contact between a parent and the teachers and school directly serving that parent's child, the meeting schedule and structure of Northville's Parent-Teacher association will be revamped this year, reports Mrs. Robert Beerbower, co-president of the association.

Previous years have seen the P-TA holding consolidated meetings once each month with teachers and

parents of children from all four schools attending. The PTA executive board over the past few months, says Mrs. Beerbower, has been getting final arrangements whereby every other month a meeting will be conducted at one of Northville's four schools. On alternate months the meetings will be general consolidated gatherings at the Community building.

The new "building meetings," says Mrs. Beerbower, should enhance parent interest and boost attendance because they will furnish parents the opportunity to meet with teachers and school officials particularly involved with the education of their children.

Husband and wife team officers currently directing P-TA activities will be retained. Appointments of building chairmen are now being made by the P-TA executive board of Mr. and Mrs. Robert Beerbower, co-presidents; Mr. and Mrs. Harold Wright, vice presidents and program chairmen; Mr. and Mrs. Hiram Pacific, secretaries; and Mr. and Mrs. William Stein, treasurers.

At the first meeting Thursday, September 22 the new organization of the P-TA will be explained, teachers will be introduced and other general business will be followed by a social hour. The meeting is scheduled for 8 p.m. at the Community building.

KITCHEN DIARY

Make Mine A Hamburger

What's more popular with everyone and easier to prepare than a good, juicy hamburger? Mrs. Frank Oglesby of 40240 Farway Drive drive this week gives readers a recipe for open-face hamburgers which she says "has been our favorite for over 20 years." "It's surprisingly simple," she notes, "but so delicious."

And for dessert Mrs. Oglesby shares her recipe for Sour Cream Banana Cake. A banana flavored cream cheese frosting is especially good, says Mrs. Oglesby, but her family usually prefers a plain topping. To insure a real banana flavor, she suggests using real ripe fruit.

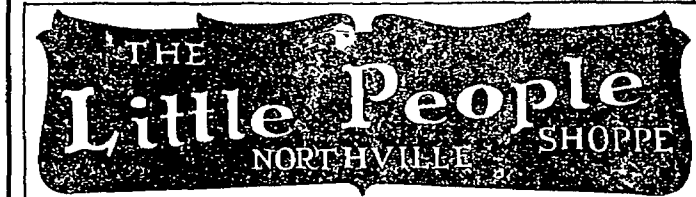

OPEN-FACE HAMBURGERS
Mrs. Frank Oglesby
½ pound hamburger
1 small onion, finely chopped
3 tablespoons chili sauce
3 tablespoons Worcestershire sauce
3 tablespoons milk (approx.)
salt and pepper
Mix ingredients and spread evenly to edges of hamburger buns to allow for meat shrinkage during broiling. Dot with butter and place under broiler until brown.

SOUR CREAM BANANA CAKE
1¼ cup sugar
¼ cup butter
2 eggs
1 teaspoon soda
4 tablespoons sour cream
1 cup mashed ripe bananas
1½ cup pastry flour
1 teaspoon vanilla
¼ teaspoon salt
Add soda to sour cream. Cream butter and sugar; add eggs beaten lightly. Add sour cream mixture and beat well. Mix in bananas, pastry flour and salt. Next add vanilla. Bake in a buttered oblong pan at 350 degrees for about 45 minutes.

P-TA PLANNERS Mrs. Robert Beerbower and Dr. Harold Wright inspect committee rosters before contacting members to acquaint them with their jobs under the revamped organization of the Parent-Teacher association. Details of changes in the association will be outlined at 8 p.m. Thursday, September 22, when the P-TA holds its first fall meeting at the Community building.

NORTHVILLE PLYMOUTH

Married Here

Ida Jean Bobbish of Garden City and Roy Charles Kasl of Inkster were wed Saturday evening, August 20 by Justice E. M. Bogart. Mr. and Mrs. Gilbert Macy of Plymouth witnessed the ceremony. Also married by Justice Bogart on Saturday were two Plymouth residents, Eugenia Mae Morrison and John Robert Pinon. Mr. and Mrs. Jack Turner, also of Plymouth, were attending witnesses.

DAR Sponsors Fall Benefit

The Northville and Plymouth Sarah Ann Cochran chapter of the Daughters of the American Revolution (DAR) have held several committee meetings at the home of Chairman Mrs. William Bake, West Main, to lay the groundwork for their Benefit Dessert Card Party at the Wayne County Training school gymnasium Wednesday, October 5.

Fur fashions by D. Hurd Clark of Merchant Furs will be modeled by chapter members. Prizes will be awarded. Tickets may be purchased for \$1.25 at the Little People Shoppe or by calling FI-9-3443.

Births

Mr. and Mrs. Charles H. Heiney, Brentwood drive, Lake Pointe, announce the birth of their first child, a son, William Charles, on Friday, August 19 at St. Mary hospital. Mrs. Heiney is the former Peggy Price of Northville. William Charles weighed eight pounds, one ounce at birth.

Their first child, a daughter, Monica Lee, was born recently to Mr. and Mrs. Lucien Lovewell of Berkeley, California. Grandparents are Doctors Paul and Victoria Lovewell of Northville and Mr. and Mrs. Howard Dowd of Saginaw.

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

HAMILTON, ONTARIO was the last home for newcomers Mr. and Mrs. Douglas M. Park of Thornapple lane. They lived in the Canadian city for over 20 years before moving to Northville.

This week's newcomers, Mr. and Mrs. Douglas M. Park, live at 44800 Thornapple lane with a feline friend named "Boots" that Mrs. Park fondly calls an "only cat". The Parks came to Northville from Hamilton, Ontario, where they had made their home for over 20 years. In that time Mr. Park worked for the Association Spring corporation and he and his wife formed many close friendships which they renew in the summer when they return to Hamilton's familiar locale to visit and vacation.

After residing in one community for such a creditable length of time, Mrs. Park (Alice) said she and Mr. Park did some careful shopping before settling in Northville.

Its hills and trees were part of the charm that enticed them along with its proximity to Mr. Park's place of employment. He is a manufacturing - engineering manager for Associated Spring corporation's B-G-R division in Plymouth.

Mr. and Mrs. Park have one child, a daughter, Patricia, who was

married last October. She and her husband make their home in Hamilton, Ontario.

Besides caring for her husband and home, Mrs. Park gardens. She plants, weeds and enjoys all kinds of flowers and vegetables. Eventually she says she will return to volunteer work which occupied much of her time and interest in Hamilton. Both she and Mr. Park golf and play bridge. And like so many other men, Mr. Park enjoys dropping a fishing line into a well-stocked lake or stream.

News Around Northville

Miss Maryann Weston is home from Community General hospital and is recovering nicely after surgery.

Mr. and Mrs. L. M. Eaton have just returned from a three-week vacation. The early part of their vacation took them to Estes Park, Colorado, where they visited their daughter and son-in-law, Sgt. and Mrs. R. W. Sackett and family. They followed this trip with a cruise up the St. Lawrence and Saguenay rivers in Quebec.

Mrs. E. B. Cavell of West Main street and her granddaughter, Mrs. Richard Palmer of Plymouth, spent the week end visiting Mrs. Cavell's son, Dr. Ted Cavell, in Tawas.

Miss Marianne King, Woodhill street, has returned from Wausau, Wisconsin, where she was a bridesmaid in the wedding of Miss Gale Whiting and Curtis Richards. All three were students at the University of Wisconsin this past school year.

The Community General Hospital auxiliary still has some tickets for the September 11 performance of "Goodbye Charlie", starring Eve Arden. Reserved tickets may be ordered by phoning FI-9-2659.

Mr. and Mrs. Elwyn Esslinger of Clement road were hosts at a family reunion Sunday to honor Mr. Esslinger's 94-year-old grandmother, Mrs. Stella Bullard Keeney. Those present included Mrs. Keeney's children, grandchildren and great-grandchildren from Chicago, Flint, Cadillac and Detroit. They were: Mr. and Mrs. Claude Keeney and Mr. and Mrs. Sidney Cook, Chicago; Mr. and Mrs. Ferd Salm, Flint; Mr. and Mrs. William Buck, Mr. Wesley Buck and Mrs. W. H. Curtis,

Detroit; Mr. and Mrs. Ernest Hillaker, Jr., Cadillac, and Mr. and Mrs. Ernest Hillaker, Sr., Northville.

Mrs. Keeney was formerly from St. Johns, Michigan. She now resides with her daughter, Mrs. Curtis, in Detroit.

Mr. and Mrs. Charles Van Every, Jr., 42100 Eleven Mile road, hosted a surprise birthday party Sunday for Mr. Van Every's grandmother, Mrs. Lillie Van Every, 84, of Southfield. Twenty-five guests attended, including the latter's children, grandchildren and great-grandchildren from Cheboygan, Oscoda, Southfield, Detroit, Farmington and Northville.

Sharon Teshka, daughter of Mr. and Mrs. Arnold Teshka, 215 West Main, is spending the month of August visiting her brother, Louis Herick, and his family in Santa Barbara, California.

Mr. and Mrs. Clyde Nichols of 312 Lake street have just returned from a vacation week end on Mackinac Island.

J. F. Saut, his wife and their son, Jeffrey, 11, News subscribers from Richmond, Virginia, traveled to southeastern Michigan this month for a two-week vacation. While in Northville, they visited Mr. and Mrs. E. E. Adams and the Stanley Stongs of Brookland Farms.

Mrs. George Tesge, Franklin road, and daughter, Connie, and Mrs. Herman Hartner, Jr. of South Main and daughter, Gail Ann, spent several days at Niagara Falls last week, returning by way of the Welland Canal.

Tap Merwin For GOP Job

Announcement has been made of the appointment of George Merwin, 43461 Cottisford, as one of 13 statutory members of the executive committee of the Oakland county Republican committee.

Merwin, a delegate to the county GOP convention, was elected delegate from Oakland county to the state convention in Detroit this week end.

At a meeting of Novi Republicans held at the Merwin home last Friday evening plans were outlined to organize the Republican canvas and finance drive in Novi township.

Richard Huston was named campaign organization director with Donald Young precinct No. 1 captain and Earl Dorsey precinct No. 2 captain. Mrs. J. P. Malley was named chairman of the drive for funds.

Ceremonies Mark Start Of Union Hall

Ground-breaking ceremonies took place Thursday, August 18 on the Wixom road property of Local 36 UAW whose members are employed in the Ford Lincoln Wixom plant.

The program commenced at 3:15 p.m., when members coming off of the day shift stopped by, and those on the afternoon shift dropped in before going to work.

In his opening remarks, Sam Fishman, president, stated that, "In less than 3 1/2 years after our local was chartered, we will have completed building our new local union hall."

The new building will be finished by December, 1960, at a cost of approximately \$120,000, and was designed by Architect Morris A. Lifshay.

Emil Mazey, secretary-treasurer of the International Union UAW, and Joseph McCusker, co-director of Region 1A, UAW, addressed the group and congratulated the officers and membership on this major accomplishment.

Mayor of Wixom, Donald E. Brooks, Justice of the Peace William Welke, and other Wixom and area officials took part in the festivities.

Ford plant executives, including William D. Singleton, plant manager, were guests of the union.

Midshipman Crusoe

Atlantic Fleet — a six-week summer training cruise was completed aboard the escort destroyer USS Cony August 5, operating in the Atlantic, by Midshipman Third Class John A. Crusoe, son of Mr. and Mrs. Claude A. Crusoe of 43180 West Nine Mile road. He is a member of the class of 1963 at Marquette university. During the cruise he received practical "at sea" experience in seamanship, navigation, engineering and gunnery to prepare him for a commission in the Naval service upon graduation from college. The midshipmen visited Quebec, Canada and New York City.

Willowbrook

By Mrs. George Ames
Greenleaf 4-0830

Mr. and Mrs. John Parent and their children, Mary Kay and John, are back in Willowbrook after a vacation at Harsen's Island.

Mr. and Mrs. Donald Richmond of North McMahon Circle are happy to announce the birth of a son, Mark Daniel, on August 17 at St. Mary hospital, Livonia. His birth weight was seven pounds and six ounces. The Richmonds have six older children, John, James, Theresa, Betty, Rita and Margaret. Mr. and Mrs. F. A. Gignac of Ferndale and Mr. H. E. Richmond of Clarkston are the grandparents.

The Wednesday Bridge club met last week at the home of Marty Ames. Faye Dukes and Mary McCloskey were guest players. Faye won first prize, Mary second and Virginia Barnes, consolation.

Mr. and Mrs. William Dean and their daughter, Susie, spent the week end at the family summer home on Harsen's Island.

Dr. and Mrs. Charles LaMontagne have moved from Willowbrook to their former home in Canada.

Mr. and Mrs. Ralph Morse and their children, Diane, Susie and Geoffrey spent Tuesday at Bob Lo Island. They had dinner at the Brass Rail after the boat trip.

Mr. and Mrs. William Crowell and their children, Dawn and Denise, spent last Sunday at Union Lake.

Mr. and Mrs. William Gould of Glen Ridge Court spent their vacation in Chicago. Highlights of their trip included dinner at the Pump Room and the Stockyards Inn, dancing at the Empire Room of the Palmer House and visits to the Planetarium and the Museum of Science and Industry.

Mr. and Mrs. Clifford Brodersen and their children, Terry, Judy, Vicki and Eric, spent their vacation camping in Wilderness State park in their trailer. Terry celebrated his seventh birthday while they were away.

Mr. and Mrs. Al Diebel and their children, Skippy and Robin, joined Mr. and Mrs. Robert Lavery of Milwaukee, Wisconsin at a cottage at Kettle Point on the Canadian side of Lake Huron for their vacation.

Mr. and Mrs. Robert Andreassen of Malott drive are happy to announce the birth of a daughter, Susan Jane, on July 28 at William Beaumont hospital, Royal Oak. Her birth weight was five pounds and ten ounces. She has an older brother, Robert, who is four, and a sister, Kristin, who is two. Her grandparents are Mrs. Katherine Rumpf of Ferndale and Mr. and Mrs. Carl J. Andreassen of Royal Oak.

NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fieldbrook 9-2428

Mr. and Mrs. Richard Bingham and family spent last week with the former's parents, Mr. and Mrs. A. P. Bingham at Gustavus, Ohio. Tom Bingham is staying on with his grandparents for three weeks. Billy MacDermaid and Mike Bingham visited their grandmother, Mrs. Lily Bingham, at her cabin at Baldwin this past week.

Charles Trickey, Sr. celebrated his birthday Sunday with a steak roast at the Trickey home on East Walled Lake drive. Their children, Mr. and Mrs. Duane Bell and family and Mr. and Mrs. Charles Trickey, Jr. and family from Tecumseh were in hand for the celebration.

Recently Kevin Trickey spent a few days with his relatives, Mr. and Mrs. Duane Bell and children and his grandparents, Mr. and Mrs. Charles Trickey, Sr. This week Chuck Trickey has his turn visiting the same relatives.

Last Monday Mr. and Mrs. Duane Bell and Tommy, Timmy, Kathleen and Steven spent the day with the Charles Trickey, Jr. family, who were vacationing for the week at Wampler lake.

Mrs. Victor Gillett is on the sick list this week at her home on Clark street.

Mr. and Mrs. Russell Race left Tuesday morning to visit Florida friends at Holland. Before returning home they will attend the Florida-Michigan picnic at Tonia and visit their son, Russell, Jr. and his wife and daughter, Linda, at Greenville.

The Raymond LaFond family returned last Monday from a week's vacation at their cottage at Wildwood and a week at Bell lake in the Upper Peninsula.

Mrs. Donald LaFond, Mrs. Prudence Dawson and daughter, Kathy, and Mrs. Patricia Schultz and Donna and Mike, have been spending their summer vacation at Bradford lake.

Mr. and Mrs. Clyde Johnston and Mr. and Mrs. Ted Remein and children, Beth Ann and David, attended the county fair at Adrian last Thursday. They also visited Mr. Johnston's brother and sister-in-law, Mr. and Mrs. Adam Johnston, who live in Adrian.

Mr. and Mrs. Otis Cox and three children from Colon were the week end guests of Mr. and Mrs. William Paquette. Sunday they all visited the Detroit Zoo.

Mr. and Mrs. Brent Munro and family will spend the coming three weeks at the Getchee Gurnee Bible camp near Cadillac.

Mr. and Mrs. David Banks announce the birth of a daughter, Martha Ann, August 15. Mr. and Mrs. Banks, formerly of Novi, now live on their farm near Eaton Rapids.

Ed Polak and children are visiting relatives in Birmingham, Alabama.

Mrs. Elta Harnden is a patient in Northville Community hospital. She

entered the hospital last week on Monday.

Mr. and Mrs. Kenneth Bassett are home again after a two weeks tour of the Upper Peninsula. The last week of their tour they were joined by their daughter's family, Mr. and Mrs. Douglas Dye and Patrick and David.

Mrs. Marie LaFond spent her week of vacation with her brother-in-law and his wife, Mr. and Mrs. James LaFond, at New Port. While Mrs. LaFond was there the LaFond family held their reunion.

The Al Harden family of Fonda street had their Sunday dinner at the Brighton Canopy hotel.

Mr. and Mrs. Charles Wallace were hosts at a lawn party at their home Saturday afternoon. The 65 guests were from Novi and Willowbrook. The picnic lunch consisted of shish-kabobs, pie, stuff, squash, cheese pies and many other good things. The entertainment included square and round dancing, games and singing and lasted until 2 a.m. Needless to say a good time was had by all.

Baptist Church News

David and Billy Spisak and Jay Warren are camping at the PYO camp at Taylor Lake Meadows, sponsored by the Salem Federated church. They will be there all this week.

Methodist Church News

Mrs. Glen Schenimann and Mrs. Lulu Whittington's Sunday school classes will have a booth at the Birthday celebration Saturday. The proceeds will be used to buy Bibles for the Sunday school classes. Produce may be brought to the booth from 10 to 11 a.m. Saturday or to Mrs. Schenimann and Mrs. Whittington earlier in the morning.

Blue Star Mothers

Novi chapter, Blue Star Mothers, Mesdames Webb, Race, Mandik, Klaser and Gardella attended a lecture at the Ann Arbor Veterans' hospital in Ann Arbor Monday. The

speaker was Mr. Whittier, National Administrator of Veterans' Affairs, who spoke to the volunteer hospital workers.

The chapter will have a baked goods booth at the Saturday Birthday celebration. All donations will be gratefully received.

Novi Library News

The library board had a meeting Tuesday night. Avram Rosenthal, head librarian of Livonia library and an expert library consultant will be at the Novi library from 9:00 to 10:30 a.m. Tuesday and Thursday to help train librarians. Anyone interested in helping at the library please call Mrs. Fried or Mrs. Wallace.

AmVet Auxiliary

The Novi AmVet auxiliary met last week at the home of Mrs. Charles Trickey at Walled Lake. The auxiliary would like to remind you that they are still collecting canceled stamps. They will sell candy at their booth at the Birthday celebration Saturday.

Novi Goodfellows

Charles Wallace, chairman of the Novi Goodfellows, called a meeting for Wednesday night at the Wallace home on West Grand River. Reports were made on the flare sale and other activities and plans were outlined for the Christmas paper sale. Representatives from all the organized groups and associations in the township are invited to become Goodfellows and help make the slogan, "No Child Without a Christmas" a reality in Novi township.

After being in and out of Community General hospital in Northville and Beyer Memorial hospital in Ypsilanti since July 26, Mrs. George Kahrl is now recuperating at her home in Walled Lake.

Mr. and Mrs. Clare Love of Stanton were visitors at the home of Mr. and Mrs. George Kahrl Sunday. Mrs. Love and Mrs. Kahrl are sisters.

News From Wixom

By Mrs. Charles Ware — Market 4-1601

Howard Coe has returned home from Ford hospital where he was taken when he suffered a fractured ankle at work at the Lincoln plant.

A family reunion was held at the Fred Thayer home Sunday. Guests were from Saginaw, Flint, Pontiac and Wixom.

Father John Hoar of St. William's church is busy organizing his elementary school football team. Last year his team won the parochial league championship.

Houseguests of the Jack Chambers are Mr. and Mrs. Russell Fuller and children, Danny and Judy, from Grafton, Ohio.

Bobby Trombley is home from Pontiac Osteopathic hospital where he underwent surgery.

Mrs. LaRue Bogart has also returned to her home in Wixom after spending 12 days in Pontiac Osteopathic hospital.

Mr. and Mrs. Fred Wagnitz will accompany their daughter, Mrs. Myron Pickard and family, to New York where they will make their home.

Mike DePodesta and cousin, John Larese, accompanied another cousin, Marian Fure, to Greensburg, Pa. where they will spend a few days.

The Hickory Hills entertainment committee held a treasure hunt on Friday evening.

Ozzie Simmons won first prize and Mrs. Gertrude Walker won second prize.

Miss Janet Rocker had as her guest at the Rocker cottage on Tiptico lake Miss Shirley Eastland of Midland, Michigan.

The Norman Bowers of Pontiac trail held a Bower family reunion Sunday, August 21. Seventy guests attended the reunion.

Mrs. James Bergin is the guest of Mrs. Charles Ware on Pontiac trail.

Northville Class of '60 Sends 58 to College

OUT OF THE PAST

ONE YEAR AGO . . .

Recording near perfect scores, the Northville Topnotchers Equestrian team won the major honors of the International Junior team trials conducted over the two-mile course at the Bloomfield Hunt Club.

Oakland county road officials notified the village that it plans to start rebuilding Novi road early next spring.

New delays in renovation of Community General hospital (formerly Sessions) brought a sudden postponement to plans for an open house this week end.

However, the new owners — hurrying to complete improvements totaling \$100,000 — announced definite plans for a public showing September 6.

Northville's board of appeals granted exceptions to the city building code to four applicants but rejected another in a special meeting last week.

The city council will open — and award — bids for the sale of \$300,000 in water system improvement bonds tonight (August 27) at the city hall.

It is expected — presuming the interest rates are acceptable — that funds to permit work to begin on the project will be available within 30 days. The entire project will take 150 to 200 days.

Hundreds of members and visitors braved sweltering weather Sunday to attend the dedication services and special morning dedication ceremony for St. Paul's Evangelical Lutheran church Christian day school.

Novi's first Gala Day celebration — celebrating the first birthday of the village — attracted huge crowds Saturday. Highlighting the first annual event was a parachuting exhibition. Of particular interest to the hundreds of children attending the Chamber of Commerce sponsored event, was Sagebrush Shorty of television fame.

FIVE YEARS AGO . . .

The 8:30 bell on Monday morning, September 12 will bring approximately 1,440 students pouring into Northville's three schools.

School officials estimated about 620 students will enroll at Northville high school, 512 at Northville grade school and 308 at the new Russell H. Amerman elementary school.

Plans for the construction of a multi-million dollar Lincoln division assembly plant and office building in the northwest part of Novi township were made public by Ford Motor company officials last week.

The plant will employ between 4,000 and 5,000 persons, who will be recruited largely from the surrounding area. Its annual payroll is expected to be between \$25,000,000 and \$30,000,000.

Eight members of Explorer Scout Post 252 left Sunday for a camping trip in Minnesota's lake country. Besides the advisors, Leonard Bogotaitis and Russ Reimer, scouts Bob Watson, Bill Tierney, George Miller, Larry Green, Harry Sedan and Harold Wilson made the trek to Minnesota.

A 24-year-old Northville man was seriously injured in an unusual accident on Randolph street near Taft road, and two local policemen and a wrecker driver narrowly escaped injury in a second accident which occurred at the scene of the first.

Police said Wilber Johnson of 446 Dubuar street was driving east on Randolph when he apparently skidded 123 feet, striking a utility pole.

FIFTEEN YEARS AGO

A splendid response is being made throughout the village to the appeal for funds to complete the Veterans' Memorial Hall. As a result of early returns work is again underway. The heat is being connected up, the floor on the first story is being laid, and the inside woodwork is being set up.

Mr. and Mrs. George Guntz-viller of Taft road received word

the first part of this week saying that their son, Lieut. Harvey Guntz-viller, was seriously injured August 26 and is now in a hospital in Tacoma receiving treatment for a compound fracture of the left leg and head injuries.

Children of the Dekay school district No. 3 will attend the Northville schools which open Thursday, September 6.

The local post of the Veterans of Foreign Wars has purchased the Jim Spagnuolo building on North Center street. This is the building occupied by the restaurant and pool room previously owned by Nelson Schrader.

The master "Puff Baller" so far goes to Harley Wolfram. He asks can you beat this? and then asked us to measure the monster. The puff ball weighed 19½ pounds and measured 59½ inches in circumference one way, and 53 inches, the other.

Named as heroes in The Record were these two servicemen: Pvt. James Walden and Aviation Cadet David R. Hines.

TWENTY-FIVE YEARS AGO

All Northville and its vicinity were touched deeply by the sudden death of one of its life-long citizens, Charles T. Thornton, who passed away at his home on Nine Mile road August 20 after only a few days' illness.

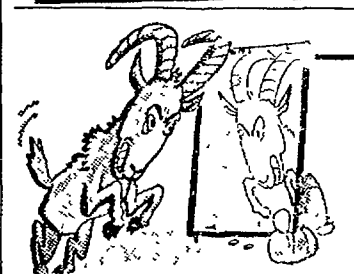

Mr. Thornton, the son of Mr. and Mrs. Charles Monroe Thornton, pioneers to this part of the state, was born in the old homestead adjoining his late home, August 15, 1872.

Detailed plans for the proposed addition to the Northville high school building, to cost \$25,000, together with specifications and cost of materials lists are being prepared now by Eberle M. Smith, Detroit architect, and will be submitted to the school board at its next meeting Tuesday, September 3.

A crowd of nearly 5,000 persons thronged the fair grounds as the 19th annual Northville Wayne County Fair gathered momentum for the two big days — today and Saturday.

The sound of motors humming and of wood being cut and shaped is being heard these days in the Northville plant of the Michigan Wood Products Co., located in the old Globe Furniture building, where "production has definitely started".

Principal E. V. Ellison's high school office reports that about 58 percent of the 1960 graduating class will be going on to college or some other institute of advanced study.

These students to date are: Jon Batzer, Ann owner; Carol Fritz, Alan Hering, Robert Hilton, Chris Krauter, Carole Lemmon, Marilyn Modos, Sharon Newton, Jackie Webb and James Wharton — Eastern Michigan university; Elaine Ashby, Shirllyn Ellison, Joann Hinman,

Curtis Kohs, Dave LaFond, Fred Mitchell, Gary Morgan and Tom Ritter — Ferris Institute; George Berryman, Terry Cherne, Harold Hartley, Dean Herman, Charles Hix,

Census Shows 10-Year Gain

Northville's school age population has jumped 143 percent in the past ten years a recent census report revealed.

A 1950-51 count of children in the 5-19 age bracket numbered 806, while the latest count showed 1,980 in that group. Similarly, the preschool population of children not yet five-years-old showed a 126 percent increase over the same ten-year period.

Since 1932-33 there has been a rise of about 100 each year in the 5-19 age group. An increase of almost five percent was recorded since the last census.

School administrators using current census figures estimate a possible enrollment growth of ten percent each year in the public schools. This would climb to a total population of almost 2,000 by 1963 with 800-900 students in elementary grades and in senior high and more than 200 in junior high.

The largest individual age groups in the May census report were in the 12-13 bracket numbering 161 and 171 for a 332 total.

No Change In Lunches

The lunch program in Northville's public schools will remain much the same for the coming school year as it was last year.

Hot lunches will once again be available in the high school cafeteria which will begin serving on the first full day of classes, September 8. The complete lunch program will include a 30-cent meal of soup, sandwich, dessert and milk, a 35-cent full hot meal offering meat, potatoes, a vegetable, dessert and milk and a third line where students may purchase additional items to supplement lunches they carry from home. All high schoolers will be required to eat their lunch in the cafeteria unless they drive to school or live within walking distance and have permission of the school authorities to leave the school grounds.

Junior high and elementary school children may carry lunches to school and buy milk there. If they live within walking distance of school, they may go home for lunch. No hot lunch provisions are available.

BOARD OF EDUCATION

Northville, Michigan

August 25, 1960

To the Citizens of the Northville Community School District:

Again, as summer draws to a close, the time arrives when the classrooms of Northville schools will be filled with students busily engaged in learning.

The 1960-61 year is significant of the growth that has taken place in our school district and the steps that have been taken to provide for this growing area.

In this regard it is important to note that we have reached the final stage of a building program that has provided ample classroom facilities for our student population.

Your willingness to support this program has given the district a new elementary school (already enlarged to meet student growth), a new high school and, by remodeling the old high school, a junior high school, and finally the authorization to purchase the Community Building.

These facilities are now completed.

Further, 1960 has brought an expanded membership on the school board giving better community representation. The addition of two positions in the June election brings our board membership total to seven.

We are grateful for the support that has made it possible to provide the school facilities needed for our community. We also appreciate the assistance given our board and administrators by citizens interested in maintaining and improving our system.

As we start another school year, we sincerely believe the result of this community effort will be a better education for our children.

1-CARD OF THANKS

We wish to thank the neighbors, Fred Casterline, Doctors, staff of St. Joseph hospital and for flowers and cards received from Maybury Sanatorium.

Myrtle Shingler

The family of Alice Hazen wishes to express sincere appreciation to the many friends and neighbors for the cards and flowers sent at the death of our beloved aunt.

Darrell Dunham and Family

I sincerely thank everyone for the kind remembrances during my recent stay in the hospital.

Mrs. Joseph Zella

I want to thank Dr. Dyer and everyone at the hospital for their kindness to my husband and his family. Especially my fellow workers at Maybury and my neighbors.

Mary Thomson

Names Former
City Resident

Dr. J. Douglas McCluskie, son of Mr. and Mrs. Joseph McCluskie, 753 Grace, was recently appointed director of environmental sanitation for the city health department of Denver, Colorado. The appointment was made by Denver's Mayor Dick Batten.

Dr. McCluskie, 37, was born and lived in Northville until his enrollment at Michigan State university from which he was graduated in 1946 with a degree in veterinary medicine. He received a master's degree in public health from the University of Michigan in 1957. Before joining the Denver health department in 1953 as chief of veterinary public health services, Dr. McCluskie worked with the Detroit health department from 1947-1951 and served two years with the Army's veterinary corps. Dr. McCluskie is married and has two children.

Long Beach, Calif. — Don W. Belanger, guided missileman, USN, son of Mr. and Mrs. William Belanger of 8925 Chubb road, is serving aboard the Pacific Fleet guided missile light cruiser USS Providence which arrived in her new homeport of Long Beach, California July 29 after commissioning and outfitting in Boston, Mass.

While in transit from Boston to Long Beach visits were made to Charleston, S.C., Houston, Texas, and Mexican and Central American ports.

The Providence will provide fire-power for the fleet in air defense.

Great Lakes, Illinois — Ray F. Hood of 520 Grace, and Ronald F. Lahr, son of Mr. and Mrs. Fred W. Lahr of 816 Carpenter street, both of Northville, graduated from recruit training August 6 at the Naval Training Center, Great Lakes.

The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

May 30—Tuesday — Memorial Day. School closed.
June 14—Wednesday — Last day of school for all pupils.
June 16—Friday — End of school year.

Law Requires Shots for All New Students

Michigan has a new immunization law for school children. Beginning this fall all students enrolling in any of the state's schools for the first time — this includes public, private, parochial and denominational schools — must show a statement signed by a physician that they have been immunized against smallpox, diphtheria, lockjaw, whooping cough and polio.

In case of religious or other objections to immunization, the school will need a statement to that effect signed by one parent or guardian.

The new law also provides that a parent or guardian may sign a request authorizing the local health department to give the needed injections.

Police Pursue Driver, Look For Thieves

Property theft and damages and a traffic mishap were major cases investigated by Northville's police department during the last several days.

On August 13 a yet unknown subject or subjects unsuccessfully attempted to enter the city's new water tower by prying the tower door. The trespassers apparently tried to force the door with an iron bar which officers found nearby.

Lumber valued at \$200 was removed from a house under construction for Edward Willenborough on Chigwidden drive. Three days before the owner's August 20th report to police, neighbors said they saw and heard a truck on the Willenborough property in the early morning hours.

Last week owners of the MacDonald Valley View farm, 46000 West Eight Mile, reported that a large amount of produce had been stolen from their property by someone who smashed a gate to enter the farm.

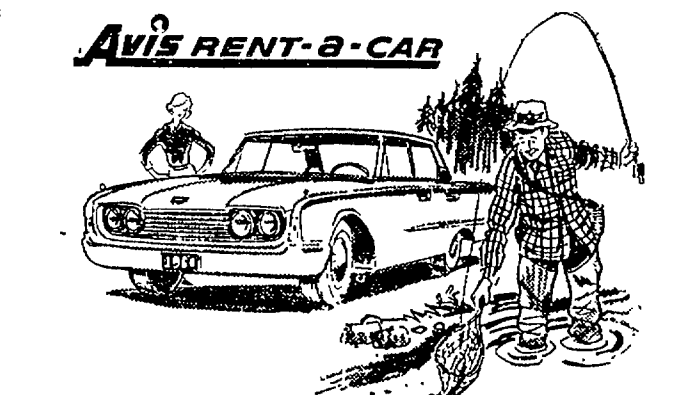

Two policemen, Sergeants Frank Heintz and Leonard Mazuchowski, were needed to apprehend a Detroit resident, Robert Lashbrook, the morning of August 21, when Lashbrook lost control of his car. He slid through the Seven Mile - Northville road intersection, crashed into a mailbox, drove across the lawn of Emil A. Nuotilla and continued traveling on Seven Mile. Sgt. Heintz, patrolling the area, pursued Lashbrook. The Detroit resident refused to pull over and Heintz called for the assistance of Sgt. Mazuchowski. The two officers finally forced Lashbrook to a halt. He was fined the next day on two counts — driving on a suspended license and doing so under the influence of alcohol.

Obituary

MRS. JENNY SCHAEFNOCKER

Mrs. Jenny Schaeffnocker, an area resident for most of her 91 years, died August 22 at the home of a nephew, Park Buchner, in Pontiac. Mrs. Schaeffnocker was born in November of 1868 to John and Helen Buchner in Oakland county, Michigan. Her husband, Clarence Schaeffnocker, preceded her in death. She is also survived by a niece and nephew in Pontiac, Mrs. Helen Simonson and Park Buchner, and a niece, Mrs. Harriet Schutt of Defiance, Ohio. Funeral services will be held today (August 25) at 2 p.m. from the Pursley Funeral home. Interment will be at Pontiac's Perry Mount Park cemetery.

A FOOLISH PATIENT

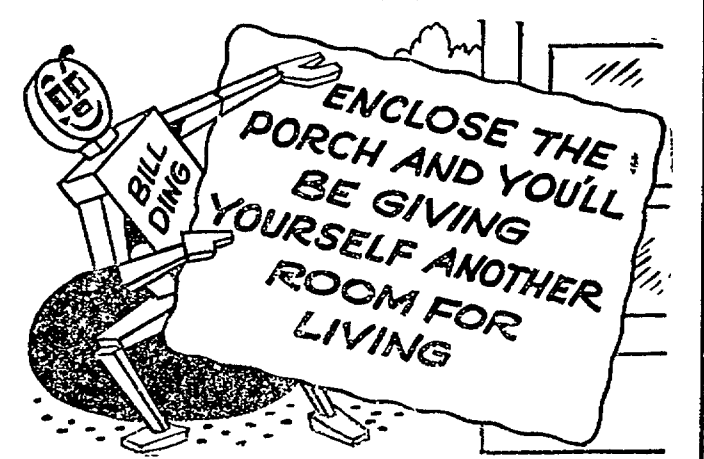

Suppose a man afflicted with a heart disease would consult a doctor who, after a thorough examination, prescribed medicine for him and advised him to take things easy and, after paying the doctor, would leave the doctor's office and forget all about the directions that were given him. Would that not be a foolish thing to do? It would be a waste of time and money. Yet, is that not like so many people do with the Gospel?

They go to a church, perhaps contribute freely, they hear their condition diagnosed in the light of the Word, they hear of the remedy (how to be saved) and go away from the church without ever intending to do anything about it. People may be classed in three ways — First, the man who does not know his spiritual condition; Second, the man who knows his lost and undone condition but refuses to accept the means of grace provided; and Third, the man who realizes his lost condition and accepts the Lord as Savior. The first man has our sympathy for he is not informed — but this second class that know what they should do and do not do something about it are certainly not behaving themselves wisely. For the eternal welfare of your undying soul do not delay to accept God's means of Grace.

Clowns, Rides, Pie, Prizes Spell Fun

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868

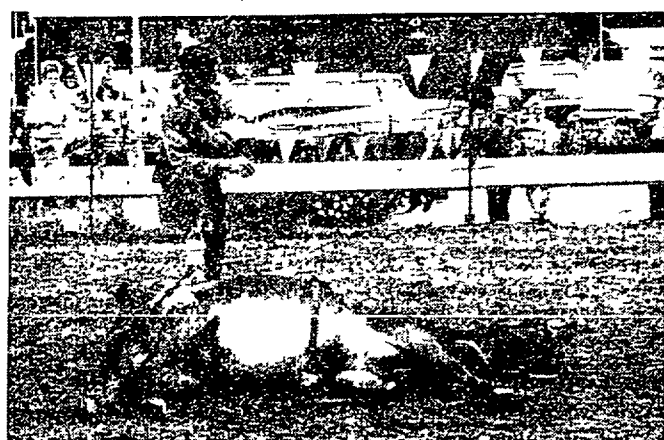

August 25, 1960-9

Robert Miller, chairman of the Legion's Homecoming celebration, gives Jean Malloy a silver dollar as winner of the girls' pie-eating contest.

Rodeo favorites were the clowns and their trick performing donkeys. In between calf-roping, bronc riding and bull-dogging acts the clowns kept the crowds laughing.

Though rain threatened the festivities Saturday and Sunday, thousands of area residents still had a week end of fun at the American Legion Homecoming and the Optimist Rodeo.

Showers Saturdays afternoon interrupted the Homecoming program, but they were resumed as planned.

Big crowds attended both performances of the rodeo on Saturday night and Sunday afternoon.

Pie-eating contests, water fights and sack races were staged at the Legion's carnival. Teams of Northville firemen and the VFW topped the Novi firemen and Legion water fighters.

A gift certificate was awarded to D. C. Alshouse of Cady street for being the oldest visitor at the Homecoming at 89. Harriet Landau of Wayne won a year's subscription to The Record as the former resident from the farthest distance. And bicycles were won by Al Smith of Northville and Kurt Kubicki of Livonia.

(Optimist Rodeo prize winners are listed elsewhere).

Stretching to watch the action, good crowds filled the Downs' stands at both performances of the Rodeo.

Hands behind their backs, boys and girls plunged their faces into cherry pies in the Legion's pie-eating contest. Winners received a silver dollar and a tummy full of pie.

Ice cold pop! Optimist Dempsey Ebert sold his soft drinks to thirsty rodeo fans in the stands.

Sisters Debbie and Cathy Nunnery rode the merry-go-round, traditional favorite of youngsters.

BEST TIME OF YEAR TO BUY!! THE YEAR'S BEST SELLER

CHEVROLET

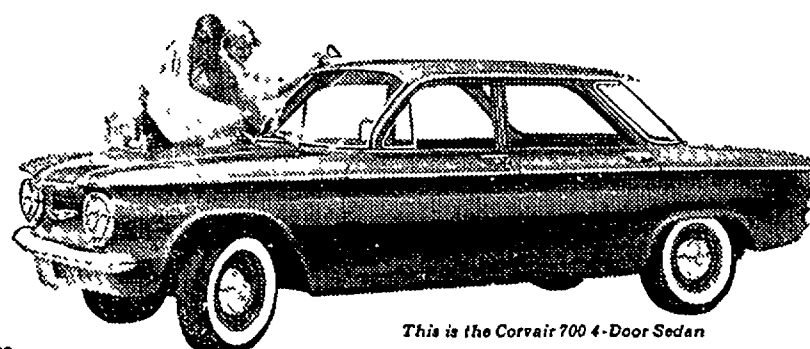

You couldn't pick a better time to buy your new Chevrolet (or Corvair) than right now when more people are buying them than ever before. Chances are good you're going

to like what Chevy's got just as much as everybody else. (Especially the money you'll save.) Check your dealer on the details while there's still a wide choice of models.

CHEVY'S CORVAIR THE YEAR'S AWARD-WINNINGEST CAR

Corvair—already proud winner of Motor Trend magazine's Car-of-the-Year award for engineering advancement—now walks away with another one: the coveted Industrial Designers Institute Gold Medal. The award was presented to William L. Mitchell, General Motors vice president in charge of Styling Staff, in recognition of Corvair's "finely scaled proportions, with a minimum of ornamentation." Your Chevy dealer's waiting to show you Corvair's everything the experts say it is.

FASCINATING FACTS ABOUT NATURAL GAS

"REBELLION"—Mother of Invention

In the early 1800's a Gas water heater (though manually-operated) was a very popular addition to any household. But in 1899 Mr. Robertshaw, a busy man with a large family, rebelled against constantly trekking to the cellar to turn the water heater on and off. He thereupon developed a thermostat which automatically regulated the flow of the Gas and maintained water temperature.

Today millions of consumers enjoy the benefits of Natural Gas through the invention and perfection of many wonderful, time-saving, automatic-controlled Gas appliances. Constant research and expenditures of millions of dollars make life more pleasant and work more efficient wherever this dependable "wonder fuel" is used to heat, air-condition, cook, refrigerate, dry clothes, heat water and incinerate.*

*Gas Service is both reliable and automatic — always responds silently, accurately and safely to all thermostatic settings on any modern, automatic Gas appliance. Call or write Consumers Power Company and learn how many ways Gas can serve you.

Boys — 1st: Terry LLaRue and Gordon Hammond; 2nd: Gary Davis and Bob Langtry; Girls — 1st: Martha Terry and Linda Mueller; 2nd: Linda Lemon and Susan Conley.

Spoon and Sponge Races

Winning team: Sharon Malloy, Sheila McCormick, Judy Utley, Dwight Hopper, Chris Keys, Randy Simpson, Martha Gazlay, Mike Conley and John Miller.

NEW TRACK — A quarter mile "Grasstex" (asphalt composition) track is being completed this week at the high school. The track encircles the football field. A contract was recently awarded to grade and seed the infield and surrounding area. A six-foot fence will surround the track, while a four-foot high fence will outline the school property in the athletic field area across the Eight Mile road cut-off from the high school. The track has a 220-yard straight-away.

Minutes of The Northville Board of Education

Regular Meeting, August 8, 1960.
The meeting was called to order by President Robert H. Shafer at 7:40 p.m.

Present: President Shafer, Dr. Johnson, Mr. Crump, Mr. Becker, Mr. Angove, Mr. Kipfer, Mr. Lawrence.

Absent: None.
Others: Supt. Amerman; High School Principal Ellison; various bidders on athletic site; Dr. Atchison; F. Gazlay; Mr. Harold Penn of LaPorte and Penn; Mr. John Robertson.

The minutes of the meetings of June 28th, July 11th and July 25th were read by the secretary and there being no additions or corrections, they were announced approved as read.

Communications:
1. Mrs. Clifford Rollings, secretary to high school principal, thanking the Board for the opportunity of attending the work conference for educational secretaries at Ferris Institute.

2. Mr. and Mrs. Charles Smith, Presidents of Newcomers Club, offering to assist in organizing adult education classes with the use of school facilities.

3. Fidelity and Casualty Co., report on inspection of boilers, recommending various corrections to the one at the Amerman School.

4. Poole, Warren, Littell and Gordon, opinion as to marketability of title to Community Center.

5. John E. Van Haren, requesting one-year leave of absence to allow him to accept a temporary position as assistant professor at Eastern Michigan University.

6. Copy of letter from Eberle M. Smith to Walter L. Couss and Co., advising them that corrections had not been made to roof of gymnasium.

Report of Superintendent:
1. Finance: Supt. recommended acceptance of offer of Manufacturers National Bank to purchase SFA Note No. 2 at 2.04 percent interest. So moved by Mr. Kipfer, supported by Mr. Lawrence. Motion carried.

Supt. recommended that a resolution be passed authorizing application to the Municipal Finance Commission to borrow against 1960 taxes, in the amount of \$198,000.00, the limit which can be borrowed. Supt. recommends that notes be dated Sept. 15, 1960, to be due June 1, 1961.

Mr. Lawrence moved that the Supt. be authorized and instructed to write a letter to the Michigan Association of School Boards at this time, and to the legislature when it reconvenes, protesting the inability of the State to meet its financial obligation to the schools, thereby necessitating the expenditure of additional money in interest on loans.

Motion supported by Dr. Johnson, and carried. Resolution to borrow, as per Supt.'s recommendation, was then moved by Mr. Crump, supported by Mr. Lawrence, and carried unanimously.

2. Tax Levy: Supt. recommended the following millage be passed for 1960 tax collections:

1954 Debt Retirement Fund	1.25 Mills
1957 Debt Retirement Fund—Series A	1.00 Mills
157 Debt Retirement Fund—Series B	4.00 Mills
1957 Debt Retirement Fund—Series C	1.60 Mills
General Fund	17.90 Mills
	25.75 Mills

Moved by Mr. Crump, supported by Mr. Angove, that superintendent's recommendation be accepted and

the tax rate be set at 25.75 mills. Motion carried.

3. Teaching Vacancies: Supt. Amerman made note of current vacancies and advised Board of what is being done to locate teachers.

4. Mr. Amerman's authorization to attend the M.A.S.A. conference at Mackinac Island in September was moved by Mr. Angove and passed unanimously.

Treasurer's Report:
The Treasurer reported the following balances in the various accounts:

General Fund	\$ 7,246.82
1936 Bond and Coupon Account	120.00
1949 Debt Retirement Fund	2,416.22
1954 Debt Retirement Fund	16,556.40
1957 Debt Retirement Fund—Series A	12,429.32
1957 Debt Retirement Fund—Series B	36,068.10
1957 Debt Retirement Fund—Series C	13,729.30
Building and Site Fund	17,442.77
Cafeteria Account	1,195.25

It was moved by Mr. Crump, supported by Mr. Becker, that the report of the Treasurer be accepted. Motion carried.

Report of Auditing Committee:
The Auditing Committee approved bills and payrolls for payment as follows: Payrolls, \$38,732.65; General Fund Bills, \$6,186.49; Building and Site Bills, \$14,074.56. Moved by Mr. Angove, supported by Mr. Becker, that bills and payrolls be paid. Motion carried.

Old Business:
1. Heating Corrections: Supt. has clarified the misunderstanding and architects will be instructed to proceed with the corrections as previously decided.

2. Drawing Tables: permission requested for purchase of 30 art tables for use in mechanical drawing classes, at a cost of \$30.00 each, or approximately \$900.00. Moved by Lawrence, supported by Mr. Kipfer, that purchase be authorized from the General Fund. Motion carried.

3. Sound Equipment: Mr. Ellison presented a request for sound equipment for the Speech Dept. at the high school, and was given permission to investigate prices from various firms, to be presented at the August 16th meeting of the Board.

4. Mr. Crump reported to the Board his observations of the open meeting of the City Council which he attended on behalf of the Board, re paving of sidewalks, North Center Street, grade in front of Amerman School, etc. Some of these matters were discussed at considerable length. Mr. Robertson, City Manager, appeared before the Board to request a special meeting of the City Council with the Board of Education to discuss the special assessment district the City is attempting to set up to provide for the paving of North Center Street. The Council was invited to attend the special meeting of the Board on August 16th to discuss this matter.

New Business:
1. Athletic Field Grading, Seeding, etc.: The Secretary read the advertisement for bids on the grading and seeding of the high school athletic field, after which the following bids were opened and read:

N. B. Hummon, Farmington, Mich.	\$16,353.90—Alt. \$7,830.40;
Laverne Shoop, Holland, Mich.	\$19,417.00—Alt. \$10,327.00;
Ferino Excavating Co., Melvindale, Mich.	\$17,709.75—Alt. \$15,457.00;
William Reinhold, Flat Rock, Mich.	\$17,206.60—Alt. \$8,082.60;
Green Ridge Nursery, Northville, Mich.	\$10,775.60—Alt. \$18,414.80
Fulkerson Landscaping, Detroit, Mich.	\$21,102.60—Alt. \$10,182.60;
J. D. Armstrong Landscaping, Fraser, Mich.	\$19,991.90—Alt. \$8,858.40
Aaron Co., Inc., Farmington, Mich.	\$21,256.36—Alt. \$15,232.40.

It was announced that these bids would be turned over to LaPorte

and Penn, engineers in charge of the project, for analysis and recommendation.

2. Traffic Safety for Children: Dr. Atchison appeared before the Board to suggest that the school has a moral obligation to do something about the hazardous driving and walking conditions on the high school access road, which has a long grade with a steep incline. Dr. Atchison feels that there is a definite possibility of a car or school bus going out of control on this grade and plowing into a group of students either walking down the hill or clustered on the sidewalk at the corner.

The Board discussed this problem at some length and it was suggested by Mr. Lawrence that a safety expert from a highway safety department be asked to look at this situation and advise the Board the best procedure that could be used to minimize this hazard.

Supt. Amerman was instructed to contact the Wayne County Road Commission for advice on this matter.

3. Adult Education: Supt. advised the Board that the letter from the Newcomers Club may now be referred to the School Board Policy Notebook, which has recently been adopted. The administration will attempt to cooperate with the Newcomers Club in setting up adult education classes within the scope of the Board's policy on adult education.

4. Leave of Absence: on recommendation of Supt., it was moved by Dr. Johnson, supported by Mr. Crump, that Mr. Van Haren's request for a leave of absence be refused and that he be granted a release from his contract. Motion carried.

5. Fuel Oil Bids: The Secretary opened and read the following bids on fuel oil for the current school year:

Standard Oil of Indiana—	No. 2, 10½c market;
Speedway Petroleum —	No. 2, 14.1c market;
Fuel Oil Corporation —	No. 2, 10½c market No. 5, 9½c market

Mr. Penn also requested permission to increase the density of the Grasstex coating on the high school running track to 2 gallons per square yard, at an approximate additional cost of \$6,000.00 to the school. After considerable discussion, Mr. Lawrence moved that Mr. Penn, as engineer be authorized to negotiate for the two gallons per square yard at a cost not to exceed \$6,000.00. Mr. Crump supported. Motion carried.

6. Waterford Building Lease: Supt. notified the Board that the Northville Township's lease of the building is about to run out, and they would like to know if the Board is willing to renew it. Board instructed Supt. to advise the Township that they may renew their lease for five years on the building, with the proviso that they must take care of the minor maintenance costs which may occur from time to time.

Adjournment: Moved by Mr. Crump, supported by Mr. Lawrence that meeting be adjourned at 11:55 p.m.

Donald B. Lawrence,
Secretary

GOOD HOUSEKEEPING GUARANTEES

performance of
the **S&H Green**
Stamp Plan

Now, GOOD HOUSEKEEPING has added its seal of approval to that of more than 35 million American families—including many thousands here in Michigan—who save S&H Green Stamps.

Michigan housewives enthusiastically approve S&H Green Stamps because they get something extra in quality merchandise without paying a penny more for what they buy. Pick up a free copy of the beautiful S&H Green Stamp Idea Book—greatest ever published—at any store or service station that gives S&H Green Stamps and see the famous brand-name products now available to you at no added cost.

Grid Season Opener Just 3 Weeks Away

Under the guiding hand of a new football coach, Northville's varsity eleven will face nine squads next fall, including two non-league teams, Athletic Director Al Jones announced this week.

Coach Ron Horwath, who succeeds Ron Schipper at the helm, will have his hands full — right from the first whistle.

The first contest has been scheduled with the rugged rival from the south, Plymouth, September 16 on the Rocks' gridiron. Fans will recall that it was arch-rival Plymouth which last year floored the Mustangs 3-0 here before a capacity crowd.

The loss to Plymouth in the opener halted a 17-game Mustang winning streak of both league and non-league games and gave the Rocks their most decisive victory over the Mustangs since 1955 when they romped to a 36-0 victory.

Although Plymouth is not a member of the Wayne-Oakland league, this game has always been considered one of the favorites of both fans and players.

Northville's first league tilt will

be played on September 23 when the Holly Broncos gallop into town in search of a victory at Ford Field. Last year the Broncos were trampled in their own dust 27-0.

On September 30, the Mustangs will invade Bloomfield Hills for the lone day game of the season. The game will start at 3.30. Last season, Northville had to overcome a 20-20 tie in the final seconds of play to clip the Barons 27-20.

Milford will host Northville on October 7. The Mustangs crushed the Redskins in a homecoming contest a year ago 22-0.

The second home game of the season will come up on October 14, when the always tough Lakers of West Bloomfield move into town. In last year's game the Mustangs upset the heavily favored Lakers 20-6.

Brighton will invade Northville on October 21 in hopes of avenging a 20-0 defeat last season. By crushing the Bulldogs, Northville stretched its season record to five victories against one defeat.

Buses carrying local gridders will head for Clarkston on October 28.

Fathers of the Northville players watched their sons crush the Wolves 27-0 last season.

The Trojans of Clarenceville will take a trip to Northville on November 4. They'll be out to avenge last year's 33-7 defeat.

Northville will wind up the season on November 11 when the Mustangs play host to non-league Howell. Last year Northville wrapped up its fourth straight championship season with an easy 41-0 victory — despite a driving rain.

All varsity games, but the Bloomfield Hills tilt, will start at 8 p.m.

Physicals Scheduled For Sports

Students planning to play varsity football or compete on the Northville cross country squad next month were reminded this week that physical examinations begin tomorrow.

According to Athletic Director Al Jones, players should report to the high school promptly at 9 a.m.

Players who fail to show up next Friday will have to make appointments with their own physician, Jones emphasized. And all players must have these examinations, he said.

Students who expect to play junior varsity football, will receive physical examinations at the high school Monday.

All other students interested in junior high school sports will receive examinations during the first week of school in September, Jones said. Dates and times of these examinations will be announced later.

Varsity Coach Ron Horwath and his assistant, Dutch Van Ingen, will begin issuing football uniforms Monday.

All Morgan Horse Show Coming Up

The eighth annual Michigan All-Morgan horse show will be held Saturday and Sunday afternoon at the Woods and Water Farm, 22221 Pontiac trail at Nine Mile road in South Lyon.

The breed classes and some performance classes will be held Saturday, while Sunday will be devoted to performance classes. The show begins at 10 a.m. both days.

Included will be western, English, three-gait, fine harness and combination classes.

Entries are expected from throughout the Midwest. From the Northville area Ed Earehart, Milo Dugan and G. F. Taft will have entries.

The Morgan horse is known as the "all-American horse", having originated in the country and all of the breed trace their lineage to the great stallion, "Justin Morgan".

Here's 1960 Grid Schedule

Varsity Football

September 16—Plymouth, away (non-league)
September 23—Holly, home
September 30—Bloomfield Hills, away

October 7—Milford, away
October 14—West Bloomfield, here
October 21—Brighton, here
October 28—Clarkston, away
November 4—Clarenceville, here
November 11, Howell (non-league)

All games start at 8 p.m. but Bloomfield Hills which starts at 3.30.

Junior Varsity Football

September 20—Plymouth, here
September 27—Holly, away
October 4—Bloomfield Hills, here
October 11—Milford, here
October 18—South Lyon, away
October 25—Brighton, away
November 1—Clarkston, here
November 8—Clarenceville, away

All games start at 7 p.m.

Jones Announces Coach Positions

At least five new coaches will join the Northville school system next fall, Athletic Director Al Jones announced this week.

Heading the list of newcomers will be a 32-year-old former Detroit Lions' halfback. Ron Horwath will take up the reins of the varsity football team dropped at the end of last season by Ron Schipper, now at Jackson high school.

Horwath, who has been head coach at Shrine high school in Royal Oak for the past seven years, will be assisted by Dutch Van Ingen, who was the football assistant under Schipper.

Dave Longridge, a new junior high school teacher from Eastern Michigan university, will assist Horwath and Van Ingen in varsity football.

Al Calahan, former University of Michigan football captain, will direct the junior varsity eleven. Calahan, who will teach physical education classes, will replace Joe Wilkinson who died suddenly early this month following an operation.

Alex Klukach, Eastern Michigan university graduate, will coach the junior high school football team.

Currently employed at Hawthorn Center, Klukach will teach sixth grade.

Bob Prom, also an Eastern Michigan university graduate and a former Northville student, will coach the junior high school basketball team. He will also teach sixth grade.

Other coaches include:

Track, Ralph Redmond assisted by Calahan; freshman basketball, Horwath, cross country, Charles Yahne; tennis, Keith Krause; golf, Al Jones; baseball, Stan Galonka; wrestling, Longridge; junior varsity baseball, Horwath.

Win for Jim

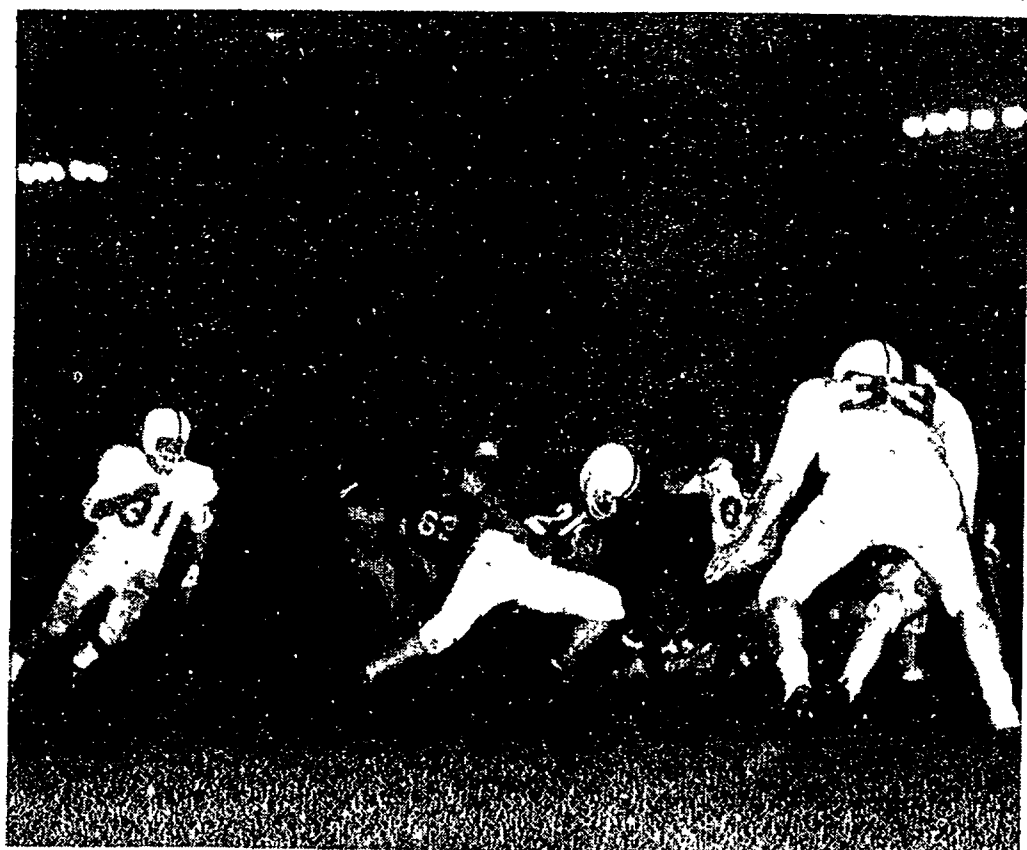

Last week The Record reported an upset victory by the last place Dodgers of the Knot Hole baseball league over the first place Indians.

The win by the Dodgers marked the downfall of the Indians and helped the Yankees to the league championship.

But while reporting the tight 2-1 Dodger victory, the story neglected to mention the pitcher — Jim Beerbower. The young hurler held the Indians to a single tally. The win was only the second recorded by the Dodgers and both were over the Indians.

Let's Bowl, Girls

Women interested in joining the Women's Bowling league are urged to attend the league's first fall meeting tonight at Northville Lanes. The meeting will start at 7 p.m.

FALL'S HERE — The first annual Oakland county All Star classic at Pontiac last Friday night opened the curtain on another football season. Four former Northville high school gridders participated in the contest. Two of them, Blaine Ashby, number 31, and Gary Morgan, number 33, are shown above closing in on Halfback Doug Stott (21) of Oxford. Fred Mitchell and Dave Nash of Northville also saw action for the stars of the southern county team. The north won 19-12. Players who were graduated last year from some 25 Oakland county high schools made up the two all-star teams.

Dr. A. G. Kalin

Is Delegate

To APA Meet

Earl Kaplan, OSC, Detroit, and
Albert G. Kalin, OSC, Northville,
Michigan delegates to the annual
meeting of the House of Delegates
of the American Podiatry Associa-
tion in Chicago August 25-30, will
take with them an official invitation
of the Michigan State Podiatry As-
sociation (Michigan Chiropractic As-
sociation) to hold the 1965 APA meet-
ing in Detroit.The invitation will be extended
formally at the conclusion of the
meetings of the House of Delegates
on Tuesday, August 30. APA has not
met in Michigan in more than 30
years according to Dr. Kaplan, mem-
ber of the APA board of trustees and
former president of the Michigan
association.Dr. Kaplan also noted that each
year for the past five years the
number of registrants and exhibitors
and consequently space require-
ments at the annual conclave have
grown rapidly. He suggested that
undoubtedly the completion of De-
troit's new convention facilities may
well be the deciding factor in APA's
decision.Dr. Kalin, second half of the dele-
gate team, is also a national offi-
cer currently serving his first term
as vice president of the National
Federation of Chiropractic-Podiatry
boards.Both Drs. Kaplan and Kalin have
served as state association presi-
dent and on a number of national
councils.Dr. Kalin resides at 22375 Hag-
gerty road, Northville.ERECTION OF THE laminated wood
beams for the new First Baptist
church of Novi was undertaken
last week. Located on the corner
of Taft and Eleven Mile roads,
the new structure will seat 450
people in the sanctuary and pro-
vide 18 educational classrooms,
offices, a fellowship hall and other
facilities. The Rev. Arnold B. Cook,
pastor of the church, is hopeful
that the church may be ready for
use by the end of this year. Con-
gregation members will complete
interior work once it is enclosed.
Church membership has doubled
during the past two years and
increased attendance at Sunday
school also intensified the need for
more space. The Novi Baptist
church is now located on Novi
road across from the village offi-
ces. Oldest congregation in Novi,
it was organized in February, 1846.SEALED BIDS FOR
BITUMINOUS AGGREGATE
BASE COURSE

DENSE GRADED—TRAVEL PLANT RD. MIX

Sealed proposals will be received by the City Clerk of
Wixom, Michigan at her office up to 8 p.m., E.S.T., on August 25,
1960 for construction of approximately 5500 lin. ft. of bituminous
aggregate base course dense graded—travel plant road mix on
Potter Rd. between Wixom Rd. and a point 200 ft. south of
Potter on Beck Rd.The drawings and specifications under which the work is
to be done are on file and may be examined at the office of the
City Clerk or the office of Herbert L. Munzel, registered civil en-
gineer, 127 East Lake St., South Lyon, Mich. Copies thereof may
be obtained by making a deposit of \$5 per set. Deposit will be
refunded for each set returned in good condition within 10 days
after bidding date.A certified check or bidders bond for a sum of not less
than 5 percent of the amount of the proposal will be requested
with each proposal.The right is reserved by the City of Wixom to accept any
proposal, to reject any proposal and to waive irregularities in
proposals.No bids may be withdrawn after the above date and time
for receiving bids for a period of 30 days.CITY OF WIXOM

from the PASTOR'S STUDY

By The Reverend Paul M. Cargo,
First Methodist Church of Northville

LIVING IN THE IMPERATIVE

The world has moved forward little by little by imperatives. These are the commands that have come from others, or from above, or from within, that have prompted action. Of all the moods we have, the imperative has in it the most urgency and hope. Take it out of life and there would be such an easy-going, wish-washy way of living that we would soon grow weary of its lack of drive.

At the age of twelve years Jesus showed that he was living in the imperative. He went with his parents to the Festival of the Passover in Jerusalem. Seated among the teachers of the Temple, He listened to them and asked them questions. With the eagerness of an open mind and with simplicity of spirit the maturing mind of Jesus was thrilling to the insights of his elders. Beyond the call of home was the call of One above whom He called Father. To His parents who came for Him, Jesus said, "Did you not know that I must be in my Father's House?"

We find this imperative quality of Jesus as He moves into the ministry of preaching and teaching. It seemed as though He was in a race against time. He did not want to waste any precious hours, but He wanted to glorify them by a perfect obedience to His Father's will.

There are two things that have meant everything to the Christian faith, both at the outset and now. One is the message and the other is the man. The Christian imperative is a combination of both. It is the word made flesh. What makes the Christian faith imperative and compulsive is that a powerful message was met by a powerful life. Jesus calls us through the centuries, and the answer to an imperative message is an imperative life.

The message of God as taught by Jesus is comforting, saving, challenging and revolutionary. Peter preached it and when he had finished the people who heard him were cut to the heart. They said to one another, "Brethren, what shall we do?"

This is the truth for which you long. It is music to your ears, a symphony from above. It is bread to the hungry and cool water to quench the thirst. What shall we do with the message? Live it. Put it in your life. Make it work. Let God work in you unto the accomplishment of His designs. Living in

the imperative is to give your all to God. It re-
minds me of a modern parable.

Once upon a time there was a church down by the sea, whose members prided themselves on keeping the whole law. They met their missionary apportionments in full, and when a plea came from famine sufferers in China asking them to send a gift, they did not know that it was the Lord writing. They thought it was the district superintendent. They wrote back that they would like to help, but that they had given all they could this year for foreign missions.

The Lord uses strange instruments to open blind eyes. That same summer a ship was wrecked off the coast where this church stands, and there were friends and loved ones of the church members on the sinking craft. High on a chair on the beach sat a life guard. While anxious souls crowded the beach, the life-guard launched his boat into the sea and battled his way to the rapidly sinking ship. Ten drowning men the guard brought to loved ones on the shore. As he lay panting for a moment on the beach, one of the church members cried, "Don't stop! Don't rest! My boy's out there! Hurry!"

"I'm a tither," said the guard. "There were only one hundred out there. I brought in ten." The church members could not believe their ears. Some swore. Some prayed. Many threatened the man. They cried, "You're not fit to be a life-guard. A life-guard must keep going out till every man is saved, or until he loses his own life."

The guard, who knew the people well, and loved them all, smiled and plunged his boat again into the seething waters. Long afterward, when he had brought everyone safe to land, and hovered between life and death himself, from exposure, the tithing church members recalled a truth wrung from their own lips in the hour of need—"A life guard must keep going out till every soul is saved." When they tried to thank him he said, "That's all right. I did only that which it was my duty to do."

The church members bowed humbly, remembering the appeal which they had turned down, and said to one another, "It is the Lord speaking to us." Living in the imperative is to do always what it is our duty to do in the spirit of Christ.

A BUMPER CROP OF VALUES FOR THE APPLE OF YOUR EYE

These Kids Took A Back-to-School Shopping Tour in Northville

An orlon bulky knit sweater with matching skirt catches the eye of Grace Brinson at Villa Dress Shoppe. The sweater is priced at \$8.95 and the skirt \$6.98. Shop Owner Mrs. Gladys Wallace is shown with Grace.

Like many other youngsters, Debbie Hines carries her lunch to school. She's looking at a lunch box and thermos at Northville Hardware specially priced at \$1.88. With Debbie is Essie Nirider.

Tom Daniels visited Tewksbury Jewelers to see the Shaeffer Snorkel pen and pencil set. The set sells for \$22.75, or individually the pen is \$15.50 and the pencil \$7.25. Helping Tom is Otis Tewksbury.

A notebook and paper will be important items to Brian Tabor as soon as school starts, so he checked the supply at the D&C store. He found a host of school supplies there including tablets, rulers, erasers, pencils, etc. Esther Osborn shows Brian the popular two-ring notebook.

The highbulk orlon pullover sweater by Rugby is admired by Bob Nauman at Freydl's Cleaners and Men's Wear. Charles Freydl is showing him a pair of olive-colored matching slacks by Van Heusen. The sweater sells for \$10.95 and the slacks are priced at \$8.95.

Little Betty Jo Terry went right to The Little People Shoppe to look at school clothes. She selected a Royal O washable jumper, blouse and matching hat priced at \$12.98. Other back to school dresses are priced from \$4.98 in sizes up to 8. Mrs. Donald Ware helps Betty Jo.

Janet Wilson will be a freshman at the University of Michigan this fall so she's interested in the Lightolier study lamp at \$22.95 at Schrader's Home Furnishings. Harry Sedan is also showing Janet a blond mahogany student desk with Formica top at \$59.95 including chair.

This dress at Brader's brought a smile to the face of Maureen Pauli. It's a cotton wash-and-wear model priced at \$3.98. Other back-to-school dresses in sizes up to sub-teen are priced from \$1.98 to \$5.98. Mrs. Leo Mainville is waiting on Maureen.

It didn't take Jim Petrock long to make up his mind about this McGregor "Sunberg Zip Shawl", zipper front sweater with shawl collar. Jim Lap-ham shows him the popular model. Prices range from \$8.95 to \$15.95.

Shop These Northville Stores For Best Back-To-School Values!

PEEPERS — Pet chickens are not unusual, but Peepers, a pet owned by Ken and Bill Sproule, 47500 West Six Mile road, isn't just any chicken. He's smart, tame and lots of fun, the boys explain. Peepers is such an interesting chicken, the boys were prompted to write a story about him, which they sent to the newspaper office. Peepers is shown above sitting on Bill's hand.

Twins' Pet Bantam Rooster Is Short-Story Subject

Two Northville township youngsters, who probably have their eyes on a good grade in English next fall, brushed up on their writing last week.

Bill and Ken Sproule, 11-year-old twin sons of Mr. and Mrs. F. R. Sproule, 47500 West Six Mile road, wrote "a story about a pet chicken named 'Peepers' and sent it to the newspaper office.

Although this story was not a school assignment, youngsters in area schools probably will be asked to write about similar summer experiences — and Bill and Ken will have a head start.

Here's a sample of what a teacher might expect:

Peepers
"Peepers is a bantam rooster and he belongs to William Sproule and Kenneth Sproule on 6 Mile road.

Peepers was hatched in a one egg incubator, in the house. All he did was peep, until he was old enough to be put outside with the rest of the chickens.

He is now about five months old, and is getting along fine with the rest of the chickens.

He is the smallest rooster in the barnyard, but he can run faster than any of them.

Peepers is black and light brown with white speckled spots and has some green on his tail.

He doesn't peep any more and can crow a little bit."

Minutes of Northville City Council

A regular meeting of the Northville City Council was held at City Hall Monday evening, Aug. 15th, 1960 at 8:00 P.M.

Present: Mayor Allen, Councilmen Canterbury and Welch.
Absent: Councilmen Juday and Reed.

Minutes of last regular meeting and of Special meeting of Aug. 8th, 1960, were read and approved.

Bills amounting to \$18,788.73 from the General Fund, \$2,560.74 from the Water Fund and \$40,033.00 from the Water Construction Fund were presented for payment, and it was moved by Welch, supported by Canterbury that these bills be paid. Carried.

Regarding the seal coat for streets

Mgr. Robertson asked for a postponement of this report, as there is considerable preliminary work to be done before seal coat can be applied.

Councilman Welch was appointed delegate to the Michigan Municipal League Convention to be held in Grand Rapids Sept. 21st thru 23rd, with Councilman Juday as alternate.

Plans were presented by Engineer Harold Penn for the Public Works Bldg. which is to be erected under the supervision of the City Council. After going over these plans carefully, it was moved by Allen, supported by Welch, that same be approved. Carried.

With reference to administrative salaries, it was moved by Canterbury, supported by Welch, that the

City Manager salary be increased \$300 annually, retroactive to July 1st, 1960. Carried.

A lengthy discussion was held regarding the hospital authority proposition. Mayor Allen, who has attended the community meetings with reference to this matter, stated that a number of the communities vitally interested in forming such an authority are desirous of having Doctors of Osteopathy included as staff members, which is against the regulations of an accredited hospital. The next meeting of this group will be held at Millford High School Friday, Aug. 26th, 1960. It was moved by Canterbury, supported by Welch, that Mayor Allen be appointed to represent the Council of the City of Northville in connection with the meetings and appeals being made by the various communities looking toward the formation of a hospital authority. Carried.

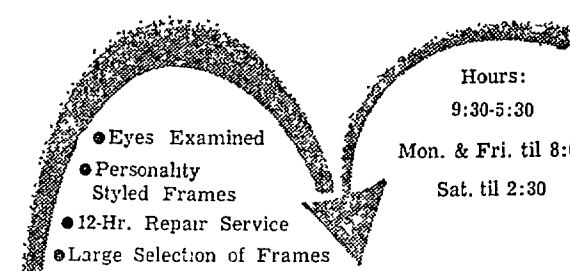

Mgr. Robertson reported he had attended a meeting of the Wayne Co. Board of Public Works last week. He came to the decision that the best way to get the sewerage plan before the Council is to get a representative of the Wayne Co. Public Works Committee to come out to talk to a joint meeting of the Township and City, which meeting will be arranged for Aug. 29th or 30th.

There being no further business to come before the meeting, same was adjourned at 10:45 P.M. (Signed) Mary Alexander, Clerk

SPEAKING for the Record

By Bill Sliger

I suppose there are customs in today's schools that children will carry with them and remember fondly for years to come. But to those of us who are now parents, or even grandparents, it would be difficult to believe that there is anything in our modern school system to compare with the memories of our own elementary days.

Who can forget the clear, even-tempered toll of the school bell? Someone ought to make a recording of this sound. It was the same, no matter what school.

Many a race has been won to the classroom because a kindly janitor gave one more pull on the rope extending the ring of "last bell" just a few more seconds.

And unless you attended a country school, there was always a grocery store right across the street well stocked with a showcase full of candy.

The penny candies were especially plentiful. The nickle bars — Baby Ruth, Butterfinger, Milky Way, Hershey — were always on the bottom of the display case for seldom did the store owner have to reach for one of these.

But the one-cent candies — these were fast sellers. Bubble gum, either the chunk-type (about walnut size — I can still taste its flavor), or the "baseball card" flat squares, or red or black twisted licorice sticks, the round suckers on a stick (that you were never supposed to have in your mouth when you were running), or wax figures filled with colored liquid (they looked good, but were tasteless) these were all favorites.

As I look back I'm amazed at the patience displayed by the storekeeper, who would stand and wait while each young customer made this most important decision.

All this reminiscing comes about, of course, because this is our annual "back-to-school" edition. In two weeks area youngsters will return to classrooms — answering the call of an electric, automatic buzzer rather than the hand-pulled bell.

In Northville it marks the first time in half a dozen years that the school district has not been in the midst of a building or remodeling program.

According to Superintendent of Schools Russell Amerman, the district is "pretty well settled through 1965". It's possible by that time that another elementary school will be needed. The school district owns 22 acres on Franklin road where the township hall is located, although it is not known yet where population centers will dictate the placing of another school.

And while our physical facilities seem well in order, administrators, teachers and laymen are turning their attention to the matter of teachers' salaries. A proposed schedule is now being prepared by a study group for presentation by December 1 in hopes the recommendations can be initiated in the next school budget.

When this is successfully completed, it would appear that our "school house" would be well organized.

There will be other problems, of course. But the school board and school administrators will be ready to meet them as they arise.

I believe it is a high tribute to the work of our school administrators and board members that Northville finds itself in this position. In a job that is the frequent target for criticism, they have moved ahead, despite serious money problems, to provide modern and adequate facilities along with a deeply interested teaching staff.

They have had a good share of outside help from willing parents, but the task of making decisions and moving ahead on projects has fallen on the shoulders of a few.

So as we start another school year (and despite the fact that the buzzer has replaced the bell), it seems appropriate to commend our school officials on the job they have done.

Michigan Mirror

Bus Law Results

IT WILL PROBABLY take another year before the effectiveness of the 1958 law which makes it mandatory for motorists to stop when a school bus stops can be determined.

Figures for 1959 released recently by the State Police failed to show conclusively how well the law works.

There were more accidents last year involving school buses than in the previous year when the law went into effect. And there were more accidents involving vehicles which were influenced by the slowing or stopping of school buses.

These latter totals were the highest in 10 years, State Police said.

But fewer persons were killed while crossing the roadway to board or after getting off a school bus than in any year since 1946, the year police began keeping records of this type.

Statistics showed five persons killed and 239 injured in 562 Michigan rural school bus and related accidents in 1959.

Expanded use of school buses to get children to and from school influenced the figures, but it is hard to tell just how much.

The Department of Public Instruction estimated that 6,250 school buses carried 490,000 children more than 60 million miles during the 1959 school year.

All the figures represented increases over previous years.

Exposure to accidents was also increased because of the four percent gain in total travel by motorists in Michigan during the period.

One fact was crystal clear in the report: Motorists have to be more alert in order to avoid accidents of all types because of the fact that traffic from both directions must slow or stop according to the action of a school bus.

The greatest increase in accidents and injuries were noted in accidents not directly involving a school bus, but which took place in the vicinity of a school bus slowed or stopped.

PREDICTIONS of record attendance at Michigan's state parks this year seem to have been in error, according to figures released by the Conservation Department.

Through mid-summer, nearly eight million people had visited state parks but the number was still nearly 14 percent below 1959.

Camping permits were down 5.5 percent, the Department said. Conservation officials blamed at

least part of the decline on cold, rainy weather during the early part of the season. There was also a possibility that turn-away crowds at some state parks in the past had caused people to be leery of trying to get into one this year.

Despite the drop in overall attendance, some 11,150 potential campers had been turned away from more popular parks this year.

The state has 57 parks with campsites but campers try to jam into only about half of these, the Department said. Certain parks with 50 or more campsites, however, had seen few or no turn-aways through the middle of summer.

Included were: Baraga, Fort Wilkins, Muskallonge Lake, Porcupine Mountains, Tahquamenon Falls, Van Riper and Wells in the Upper Peninsula, and Bay City, Benzie, D.H. Day, Gladwin, Hooft and Onaway in the Lower Peninsula.

WORK GOES ON at the Health Department in an effort to find a cure for cancer.

A most promising substance, called Alpha Sarcin, has been extracted from Michigan farm soil. The material has proven effective against certain forms of cancer in mice, rats and hamsters, the department said.

Alpha Sarcin has a wide margin of safety, and has been used to inhibit the growth of at least 13 different types of malignant animal tumors, the department said.

Additional work was required before the substance would be tried on human patients, officials said.

Letters of agreement with three pharmaceutical firms, Abbott Laboratories, Parke-Davis and Company and the Upjohn Company were approved by state officials so that the commercial outfits could take over development of Alpha Sarcin in the event human trials proved successful.

It would be the job of the drug firms to make the substance available to the public.

Explosive Cuba

Babson Park, Mass. — There are several "volcanoes" throughout the world which may explode at any time. My travels to Berlin last year taught me that the situation there could be the most serious. The one nearest home, however, is Cuba. Both Mr. Nixon and Mr. Kennedy should visit Cuba at once.

Cuba A Close Neighbor

While I am at Babson Park, Florida, during the winter, the Webber college students often fly over to Havana as a part of their vacations. Cuba has seemed only a "stone's throw" from any portion of Florida. Cuba is a vital factor — for good or evil — to the Florida East Coast, with its 50 great hotels extending north and south from Miami.

I am not afraid of Florida's importing any Communism from Cuba, as the Florida people are very conservative. I seriously fear, however, that Russia may get a foothold in Cuba.

Could we afford to let Russia get a base in Cuba for submarine and launching pads for missiles, or, on the other hand, could we now afford to go to war with Russia to prevent such gradual occupation? I leave this to Richard Nixon and John Kennedy to decide after their visit to Havana.

I further advise them to consult with Governor Nelson Rockefeller, who is one of our best-posted men on Latin America.

I have visited all the countries of Central and South America. Not only are many of these people ruled by dictators, but they are very sensitive, like most Spanish people. At heart, they would like to have us keep Russia out of Cuba and even straighten out affairs in Cuba. Some of these Latin American dictators, however, might resent such an attitude on the part of the United States and make us appear more enemies than friends.

We now hear much about the Monroe Doctrine, which was announced to the world over a hundred years ago by President Monroe — namely, that we would not allow any European nation to get a new foothold in any Latin American country.

I believe that the American people would stand for a reassertion of this Monroe Doctrine, but I wish the Latin American countries would ask us to do so. The entire situation is very ticklish.

It should be one of the first things for the presidential candidates to consider seriously. The November election may turn upon Cuba. I speak with authority because I was an early supporter of the Pan Am-

U.S. Cuban Investments

Considerable U. S. money is invested in Cuba. This includes certain railway and traction properties, the Cuban telephone company, and many mercantile businesses. Several thousand American families have been living in Cuba, depending upon the protection offered by its closeness to the United States.

Many of these families, directly or indirectly, contributed to Fidel Castro in his revolution against Batista. Now the women and children are fast leaving Cuba, and the men are undecided what to do.

Much depends upon the health of Fidel Castro and what will be the real attitude of his brother in case the brother becomes Prime Minister. This can only be ascertained by waiting and watching.

The largest American investments are in the sugar lands, which, of necessity, must be operated either by large corporations or by the Cuban Government. It would be sheer nonsense to divide up these lands among small Cuban holders.

Whether President Eisenhower is handling this sugar situation properly by retaliation, I do not know. Such an action greatly helps the sugar producing companies.

One of the largest amounts of Cuban sugar lands owned by U.S. investors is that held by the United Fruit Company, which has 90,000 stockholders in the United States. The stock of the United Fruit Company — which I believe to be good — is selling close to its lowest levels of the past two decades, although I understand that only 5 percent of its earnings have recently come from Cuba. Russia wants to get Cuba as she is in great need of tropical land and warm-water bases, but she will not go to a nuclear war to get Cuba.

LIFE'S
LOTS
MORE
FUN

when you've got

Security plus 3%

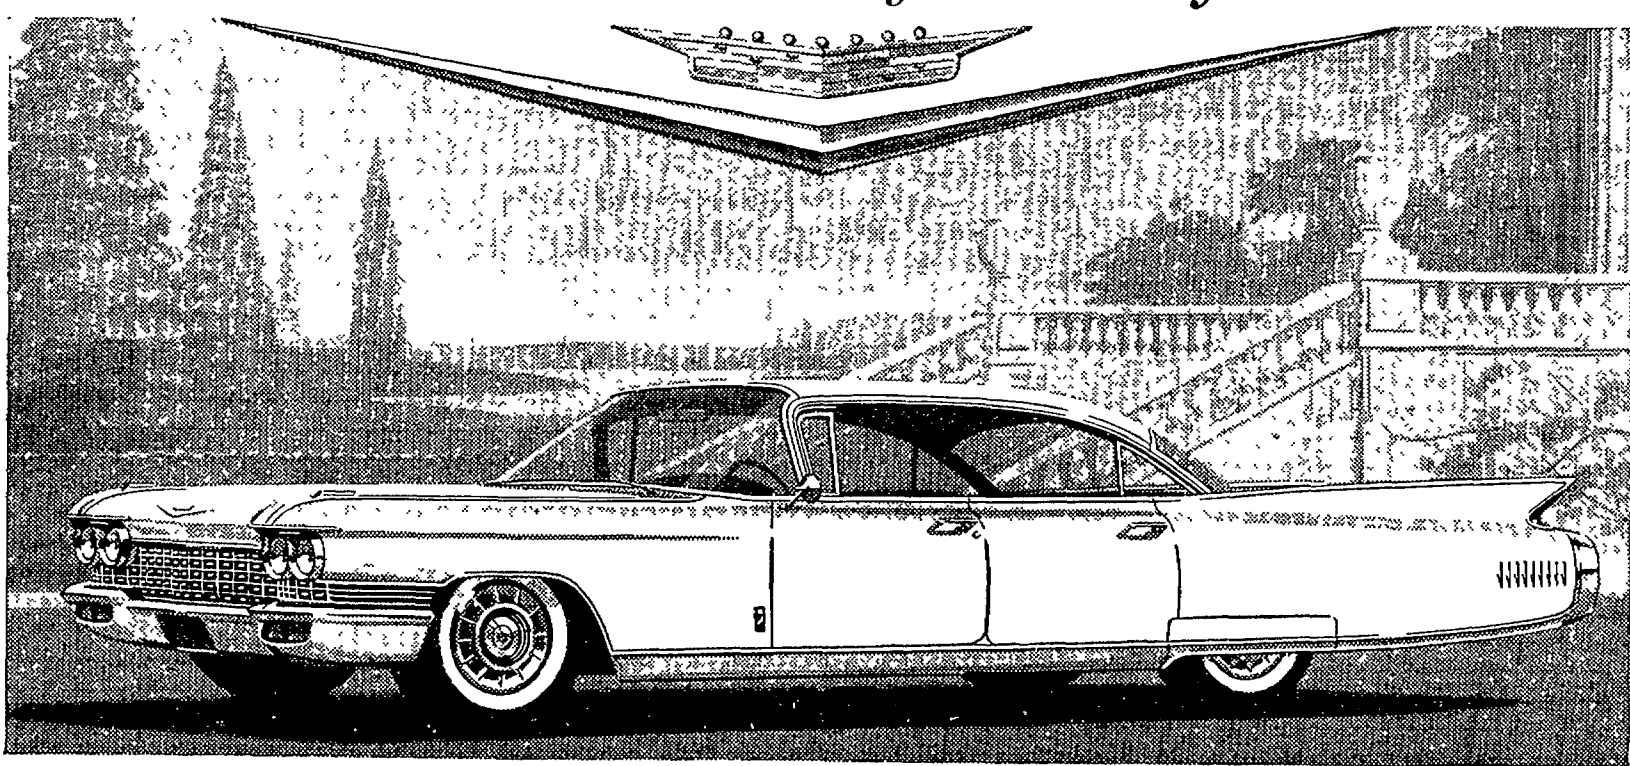

Yours in a Special Savings Account at National Bank of Detroit. It's a great feeling, a secure feeling, when you have money in the bank. For then you know you can handle emergencies and take advantage of opportunities when they come along. And you stop worrying about every cent you spend on the everyday things you and your family enjoy.

You can get this secure feeling when you save regularly at National Bank of Detroit, Michigan's leading bank. And here, your money in a special savings account earns a solid 3% interest, compounded twice a year. Here, too, you get the satisfaction of knowing that men with many years of banking experience are always ready to help and advise you.

So stop in soon and start saving at any of our 66 branch offices. See for yourself how much more fun life can be, when you've got security plus 3%.
