

Who's Sweetest Sweet 16?

The Southeastern Michigan "Sweetest Day" committee is looking for the Northville area "sweet sixteen" girl with the sweetest smile!

The winner, along with her escort (and her parents, if she wishes), will be treated to dinner at the smart downtown Detroit restaurant, Richelieu's, and be hosted by Manager Gene Rawlins, formerly manager of Northville's Meadowbrook Country club.

Allied Florists Association will provide a dinner corsage and a floral arrangement of

sweetheart roses for her mother. There will also be a box of chocolates for the smiling girl.

It's all part of an effort to publicize "Sweetest Day", October 15, an event with the theme "Make Someone Happy".

It sounds like fun — so The Record is going along with the idea. More information will be published next week, but for now heres' all that is required:

The contest is open to any 16-year-old girl living in Northville. Just send a clear snapshot to "Sweetest Day Contest", The Record, Northville, Michigan, no later than October 3. Include name, street address but do not write on the picture.

We'll forward the snapshots to contest committee judges in Detroit and their decision will be final.

The winner will be announced in the October 13 edition of The Record.

Falling Limb Kills Donald Atwood, 22

Donald Alva Atwood
Accident Victim

Funeral services were held Tuesday afternoon for Donald Alva Atwood, 22-year-old Northville resident, who was killed by a falling branch while operating a bulldozer last Saturday.

A lifelong resident of Northville, Atwood resided at 418 South Ely drive, with his wife and 2½-year-old son, Scott Allen.

The accident occurred near Prudenville where Atwood, an employee of the S. G. Carter Construction company, was bulldozing timberland preparatory to construction of a man-made lake.

According to reports of the accident, Atwood was bulldozing near the base of a tree when a limb fell and struck him. He was pronounced dead before an ambulance could be summoned.

Atwood was born in Northville on November 15, 1938, the son of Mr. and Mrs. Howard Atwood. He was graduated from Northville high school in 1956. He was a member of the First United Presbyterian church, Morgan Horse club, Explorers and attained the rank of Eagle in the Boy Scouts.

Besides his wife, Esther Hanson Atwood, and his son, he is survived by his parents, who reside at 121 High street; a sister, Ardyce; and a brother, S/Sgt. Harold Atwood, stationed at Cannon Air Force Base, New Mexico.

Funeral services were held at 2 p.m. Tuesday from the Castlerline Funeral home with the Rev. Dr. Frank Pitt officiating. Interment was at Oakland Hills Memorial Gardens in Novi.

City Awards Street Bids

The city council acted promptly on its plan to repair all paved streets by awarding a bid for sealing to Detroit Concrete Products for \$4535.

The project is part of a fall program to patch all improved streets and install curbs and gutters on five unimproved streets preparatory to paving within the next year or two.

After opening bids Monday night the council instructed the city manager to get the project underway as soon as possible. The accepted bid was \$2200 lower than a competing bid.

In other business Monday night the council purchased a new dump truck from John Mach Ford Sales in a bid of \$3079. The dump body was purchased from the Roadway company on a bid of \$1,000.

The council also decided it will purchase another voting machine giving the city two machines in each of the three precincts.

In previous state and national elections voting in precinct three at Amerman school was done with paper ballots. The precinct will now use machines thus eliminating the use of paper ballots entirely in Northville.

A public hearing to finally zone a parcel of land owned by G. F. Taft at Baseline and Taft roads was set for October 17. Taft had objected to non-conforming residential zoning for the site because it would prevent expanding his construction business.

The planning commission has recommended special provisions under R-1-S zoning that presumably meet Taft's requests.

Grid Contest Starts

It hardly seems possible, but it's pigskin time again and another opportunity for readers to win some easy cash.

The annual football contest appears on page four this week and will continue to be a regular feature during the grid season.

There's \$15 waiting each week for the best prognosticators. So get out your pencil and read the rules carefully.

Oh yes — just as a favor to start you out right, here's a tip on the Chicago Bears - Packer contest: Green Bay, 31-24.

CHECK BRINGS SMILES — The sale of the Community Building by the city to the school district became official this week. All final details of the transaction have been completed and the \$145,000 check written and ready for delivery. City officials, Mayor A. M. Allen and City Manager John Robertson (center and right), smile as they prepare to accept the check, while Superintendent of Schools Russell Amerman takes one last look.

Pair Admits Theft Here

Thieves who stole \$72 in a night break-in at Shay's service station, 19091 South Main, early this month have been apprehended by Redford township police.

Ex-convict Carl Brauillet, 26, and his 17-year-old partner, James MacDonald, admitted the Northville break-in during questioning by Redford police who arrested the two as they attempted to pilfer a Redford township filling station.

Brauillet and MacDonald will be prosecuted in Redford.

Area Firemen To Display Equipment

Members of the Novi and Northville fire departments will meet Sunday morning at Northville Downs to complete plans for a special "Fire Prevention Program" next month.

More than a half dozen area departments are expected to have fire equipment on display during the program, set for October 12. Novi and Northville will have all of their equipment on display.

The program, which will be conducted at Northville Downs in conjunction with Fire Prevention Week, will begin at 7 p.m. with a parade.

Preliminary plans also call for demonstrations in hydrant hookup and hose laying, ladder evolution, mask and resuscitation, and an old-fashioned water battle.

Fire Chief William McGee of Northville and Chief Fred Loynes of Novi are in charge of the program.

Cash Sets Council Minds on City Hall

It's official now. The Northville school district owns the Community Building, lock, stock and gymnasium!

Details of the transaction have

been completed by School Attorney James Littell and City Attorney Philip Ogilvie, while the two governing bodies have taken the necessary steps as buyer and seller.

The check for \$145,000 has been written and is ready to deliver.

Thus the seven-year-old building, leased almost continuously since its construction to the school district, now in fact becomes school property.

"Voters of the school district approved the purchase, 488-212, last June.

Because public use of the building has been regulated by the school board in the past, no change in this policy is anticipated.

With the money nearly in their hands, city council members again directed their attention toward its eventual use Monday evening.

The council has declared its intention to use the money to provide new city hall facilities. A city hall study committee completed a report in April and unanimously agreed that there was a need for new quarters.

Although the committee's first recommendation was to construct a new city hall on the site of the present building, the council has given little study to location.

Monday night City Manager John Robertson reviewed brochures from several architects interested in the city hall project.

The council instructed the city manager to compile statistics on the architectural applicants so that a final selection may be made, presumably within a month.

Details of size, style, location, etc., will then become a matter of study between the council and the architect.

Avran "Skip" Rosenthal, Livonia librarian, has been retained as a part-time library consultant. As consultant, he will assist volunteers in correct procedures for operating the library. The volunteer librarians are: Mrs. Robert Bernhardt, Mrs. Victor and Mrs. Vincent Gillett, Mrs. Dirk Groeneweg, Mrs. Ira Medlyn, Mrs. Burton Munro, Mrs. William Paquette, Mrs. Theodore Penn, Mrs. Donald Schott and Mrs. Mary Wallace.

The library contains close to 3,000 books, including those for small children as well as teenagers and adults. All of these books have either been donated or have been purchased with the more than \$1,500 contributed during or since the library campaign earlier this summer.

District leaders are: Mrs. Hugh P. Conser, 21710 Rathbone; Mrs. James Kipter, 914 Ely court; Mrs. Fred J. Hicks, 810 Horton; Mrs. R. T. Martin, 20173 Whipple; Mrs. Hurd Sutherland, 418 West Dunlap; Mrs. Rodney Grover, 361 South Wing; Mrs. Stan Schaefer, 47000 Six Mile road; Mrs. Glenn Cummings, 43525 West Six Mile; Mrs. Warren Harris, 16490 Homer road; Mrs. Howard Wisika, 39449 Six Mile road; Mrs. Glenn Deibert, 9825 Napier road; Mrs. Thomas Heslip, 51305 West Seven Mile; and Mrs. Harvey Whipple, 46280 West Main street.

Area Chairman Mrs. John Robertson is still seeking two district chairmen for the area bounded by Seven Mile road, Center street, Baseline road and Northville road-Griswold. These chairmen are responsible for finding district solicitors, distributing materials to the solicitors and reporting collections during the drive to the area chairman.

Anyone interested in such a position may contact Mrs. Robertson (FI-9-0549), or Mrs. Wright (FI-9-1276).

Digger Slips: Phones Out

Telephone service to more than 300 customers was disrupted Friday morning when city road personnel accidentally cut a telephone cable.

Bell telephone company officials reported service restored several hours after the accident. Crewmen were preparing ground for sidewalks near the Center street and Eight Mile cutoff when the power digger hit a stump, veered off and sliced into the cable.

Construction of a \$1,050,000 infirmary, an adjunct to the Plymouth State Home and Training school in Northville, is expected to begin in late October or early November, hospital officials revealed this week.

The 220-bed infirmary is one of two buildings for which state funds have been appropriated for 1960-61 fiscal year construction. Construction of the second building, a 220-bed custodial building which will cost an estimated \$1,140,000, is expected to begin next spring.

According to George Ebling, Jr., director of community relations, each of the two buildings will take about 18 months to complete.

The Plymouth State Home and Training school is the newest state facility for the mentally retarded. It presently consists of a unit located at Farmington and a unit, completed only last spring, located at the Sheldon and Phoenix road intersection.

The bed capacity of these two units is 492. The present population consists of the younger, severely mentally retarded child.

Eventually, the present unit at Northville will become a medical and surgical hospital. The majority of administrative personnel for both units are centralized at the new Northville hospital.

Officials have stated that the present Northville unit, the two additions, and some 12 related buildings which are already past the planning stage, will be similar to the state setup for the retarded at Lapeer and Coldwater.

Appropriations during the 1961-62 fiscal year are being requested to construct a laundry, to complete plans and begin construction of a store and food service building, to construct an additional 110-bed custodial building, to plan and begin construction on three additional custodial buildings of 110 beds each, and to plan for a 300-bed nursery unit and a 220-bed unit for the physically handicapped mentally retarded patient.

It is expected that all of the above units will be completed by 1964 — if the requested funds are made available as scheduled.

Planning money will be requested during the 1963-64 fiscal year for a 200-bed unit for trainable adults. Two buildings of 100 beds each are scheduled for completion by 1966.

All of these new buildings will be constructed on property directly across from the present Northville unit. The 230 acres which the state owns next to and across from the Wayne County Training school was donated to the state by the county.

Eventually, the county training school, which encompasses about 750 acres, may become part of the state institution.

Merging of the two institutions was originally scheduled for July 1, 1961. However, last spring the Wayne county board of supervisors rescinded previous action to turn over the school to the state, pending the outcome of a survey by the American Psychology association.

The association has been granted \$6,500 by the McGregor Foundation for a study to determine whether or not the state can adequately train certain training school children. This study is expected to get underway within a month or two.

The planning commission ruled that the site was not properly zoned for the recreation enterprise, thus the Ozarks dropped their plans.

Councilmen agreed that if city insurance did not cover the loss, then payment should come from the general fund.

Confusion developed after a permit was granted to build the "bounce center" on the Seven Mile road cutoff and then withdrawn. Before the permit was taken away, the Ozarks had spent \$112.50 on grading and other preparations.

RUMMAGE SALESMEN — This trio, along with other members of the Northville Rotary, will be busy Friday and Saturday conducting the club's annual rummage sale, biggest money-raising event sponsored by the local businessmen's club. Wally Westerfield (center) is chairman and Clifton D. Hill (left) and Bruce Turnbull are two of his committee members. The sale will be held at Northville Downs from 9 a.m. until 9 p.m. both days. Rotarians have been gathering items for months and predict that thrifty shoppers will find more values than ever before. Proceeds are used for the club's charitable activities.

AT LAST! — The long-awaited paving of Novi road began Tuesday and construction officials optimistically pointed to a completion date just 10 days away. Paving started at the south end of Novi road, at the approach to the Eight Mile cutoff. The road will be paved to Grand River.

about WOMEN

Evening Rite Joins Couple

Large white bouquets of gladiolus, mums and daisies set off by the soft glow of lighted candles formed the background for the September 10th evening wedding of Charlene Luella Boyd and James Alton Priest.

The bride is the daughter of Mr. and Mrs. Clej Boyd of Lake Pointe village in Plymouth. The groom's parents are Mrs. Lola Priest of Dyersburg, Tennessee, and Mr. Priest of Pontiac.

The couple exchanged vows in a double ring marriage rite at North-

ville's First Methodist church with the Rev. Paul Cargo, church pastor, officiating.

Mrs. Richard Samers provided organ music and accompanied June Ashby as she sang "The Lord's Prayer".

Escorted up the aisle by her father, the bride wore an all-white ballerina length gown of floral-embroidered nylon net over satin. The bodice of the long-sleeved gown featured a square neckline outlined with sequins and baby seed pearls. She wore a pearl and sequin headband which clasped a fingertip illusion veil. The white bible she carried was covered by a corsage-bouquet of white baby roses and carnations.

Mrs. Richard Mitchell of Northville, served as matron of honor. She was attired in a ballerina length gown of pink nylon net and lace over satin and carried pink carnation ring marriage rite at North-

Groomsmen were best man Richard Mitchell and ushers John Boyd of Lakeland, a cousin of the bride, and Robert Mapes of Detroit.

For her daughter's wedding, Mrs. Boyd wore a dark blue print dress complemented by white accessories. White bud roses and carnations formed her corsage.

KITCHEN DIARY

Can't Miss With Cookies

Sugar and molasses cookies have long been favorites of cookie munchers young and old. They don't owe their perennial popularity to any exotic ingredients or unique culinary artistry. They're just plain good to eat and easy to make if you follow recipes like these of Mrs. John W. Blackburn.

With a 13-year-old son around the house, Mrs. Blackburn says there's probably nothing that disappears as quickly at the Blackburn's Orchard drive home as a freshly baked batch of sugar or molasses cookies.

SUGAR COOKIES

Mrs. John W. Blackburn
2 cups sugar
1 cup shortening
2 eggs
1 cup sour milk
1 teaspoon vanilla
1 teaspoon soda
1 teaspoon baking powder
½ teaspoon salt
5 cups flour
Cream sugar and shortening;

add eggs. Add dry ingredients (sifted together) alternately with sour milk. Add vanilla. Mix and roll to ¼-inch thickness for large cookies. Bake 12 to 15 minutes at 375 degrees. (If dough is chilled before baking, it is easier to handle.)

MOLASSES COOKIES

½ cup sugar
½ cups molasses
3 teaspoons soda
¾ cup shortening
¾ cup boiling water
6 cups flour
1½ teaspoons salt
1 tablespoon ginger
1½ teaspoon cinnamon
Melt shortening in water. Stir soda into molasses. Mix together and add dry ingredients. Put in refrigerator until cool. Roll dough and bake at 375 degrees.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

HAVE TRAVELED, WILL AGAIN — Newcomers Stan and Marian Balsis are finding it a little difficult to settle in a permanent home due to job transfers and a natural bent for traveling. During their present sojourn in Northville they are living at 327 Debra Lane. Balsis is a Western Electric supervisor.

Although they've limited their travels to the continental United States, Stan and Marian Balsis have probably logged enough mileage on business and pleasure trips to take them around the world at least once and possibly more.

They've taken to the road like a fish to water, changing homes by order of Uncle Sam (Balsis was in the Army during World War II) and by request of Western Electric, Balsis' employer for 22 years.

Balsis is now a supervisor working out of Western Electric's Plymouth installation branch, so North-west Detroit is his territory, at least for the time being. That's why he and his wife moved to 327 Debra lane the end of last year.

Their other stops in the last several years read like a tourist's map — California, Texas, Missouri, Iowa, Michigan and many other states and cities in between. New England is about the only section of the country still awaiting a visit from Stan and Marian Balsis.

The one foreign country which has captured their interest and imagination — they may someday retire there — is Mexico.

"It's very wonderful and fascinating," Mrs. Balsis exclaimed, very much the same, she said, as the "utopia" it was reported to be in a recent issue of a national magazine.

Autumn Hues Spirit New Art Exhibit

The Northville library has a new exhibit of paintings for the fall season by members of the Three Cities Art club.

Local artists, Catherine Hartley, Marjorie Becker and Bette Spaeth, all have works in the new collection. Other paintings are those of Stan Hensch, Jessie Hudson, Lynn Dean Schmiedekne, Margaret Cramer and Mabel Bacon.

A variety of techniques is shown with some artists displaying skill in both oil and water color. A unique mosaic done by Eastern Michigan university student, Jessie Hudson, was made using broken dishes, marbles, buttons, a teapot knob and sugar bowl handles.

The villages, the shops and colorful spirit of the country and its people have charmed them. "Spectacular" is how Mrs. Balsis and her husband received the bullfights.

"Some Americans get up in the middle of them (the bullfights) and walk out but we loved to watch them," she said.

Far from the matador and el toro, Stan and Marian Balsis live in their comfortable Northville home. The area reminds Mrs. Balsis a little of Rochester, her home for many years.

When time permits — not very often in his work — Stan Balsis bowls. Mrs. Balsis likes to curl up with a good book and ride horseback. They lived in Oak Park just prior to their move to Northville.

Couple Will Repeat Vows In December

Mr. and Mrs. Charles Stillwell of Framingham, Massachusetts announce the engagement of their daughter, Linda Hope, to Gerald J. Miller of Juneau, Alaska.

Mr. Miller is the son of Mr. and Mrs. Don Miller of Northville. The couple plans a December wedding.

Miss Stillwell is a third grade teacher in Juneau. She was graduated from Oberlin college in Ohio last year.

Mr. Miller is city engineer for Juneau. He received his bachelor of science degree from the University of Michigan in 1950.

NORTHVILLE HOMEOWNERS CAN SAVE 25%-40%

This advertisement is not intended as a complete statement of coverage. For full information see policy contract.

* Aetna Casualty has combined several policies into one modern package of protection designed specifically for families who own and occupy their own homes. This has made it possible to reduce the cost to less than most people have been paying for conventional fire and extended coverage on home and contents alone. The largest savings come when you buy the new policy with \$50 deductible on all hazards except fire and lightning—but even without this optional feature, you can probably get better protection and save money, too.

CITY OF NORTHVILLE NOTICE OF PUBLIC HEARING

The City Council of the City of Northville will hold a public hearing at 8 P.M., October 17, 1960, Northville City Hall, for the purpose of zoning the northwest corner of Taft road and Eight Mile road and for an amendment to the zoning ordinance.

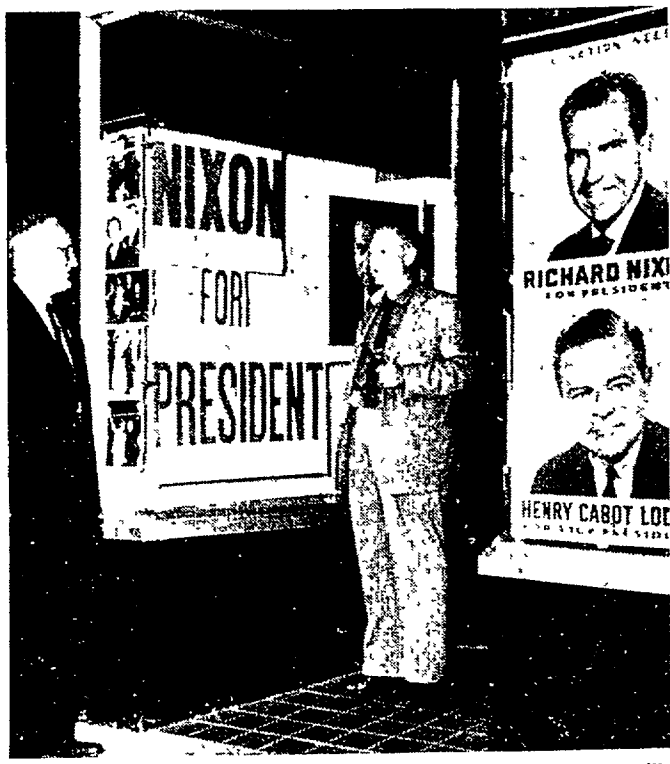

Amendment to Article III A R-1-S Suburbs, Residential District

The City of Northville ordains:

"1. Existing contractors storage, equipment and service yards and storage facilities, together with buildings in connection therewith, may be continued. The yard area as now existing, description of survey of which shall be filed with the Building Inspector, shall not be enlarged or extended. Present aggregate building floor area may be extended and new buildings may be constructed, provided the aggregate building floor area resulting from such extension or new construction shall meet the yard and percentage of lot coverage provisions of the R-1-S Suburban Residential Districts."

The City of Northville ordains:

"That a rectangular area of land having a frontage of 450 feet on the Eight Mile road and 600 feet on Taft road, as measured from the center of such right-of-way, be zoned R-1-S."

VOLUNTEERS FOR NIXON headquarters were set-up in Northville this week by Charles A. Smith (left) and Ed C. Welch, organization chairman for Novi and Northville, respectively. The group held its first meeting Tuesday night at the Community Building and heard George W. Kuhn, Oakland County Nixon Volunteer chairman. Headquarters for the group is in the Garrett Barry real estate office, 116 East Main street. Smith and Welch stated that residents interested in joining the Nixon volunteers are urged to contact them or George Merwin, Novi vice chairman.

Obituary

HAROLD B. ZELLS

Harold B. Zells, 65, a long-time Northville resident, died September 15 at St. Mary hospital in Livonia after a week's illness. He had lived seven years at 19304 Fry road. His only survivor is a brother, Walter Zells of Northville. Zells was born March 12, 1895 in Port Huron to Louis and Bertha (Witzke) Zells. He had been employed at the General Motors Transmission plant in Willow Run. Funeral services were held September 19 from the Casterline Funeral home with the Rev. Peter Nieuwkoop officiating. Interment was at Lakeside cemetery in Port Huron.

Mrs. Malley Heads GOP Fund Drive

A giant "Neighbor-to-Neighbor" Republican finance drive swings into action in the Northville-Nowi area this week with the aim of making every contributor a "shareholder" in the Republican party.

Mrs. J. P. Malley, 21633 Beck road, Northville, who is helping to spearhead the local drive, announced that all contributors to the GOP drive will automatically become members of the new Oakland County Republican Advisory committee.

Mrs. Malley called the new committee "an effective instrument to broaden the county GOP organization on a genuine grass-roots basis." "Such a committee will bring the Republican party closer to home and get people politically involved," she added.

County GOP Chairman Arthur G. Elliott, Jr. said the new advisory committee will be used as an effective sampling group to determine attitudes and opinions of party members.

The committee would be brought together periodically to hear a report of party activities and a talk by a nationally prominent speaker, he added.

With heavy emphasis on family giving, the Neighbor-to-Neighbor drive will aim at ringing every doorbell in the Northville area in search of GOP contributions.

Mrs. George Merwin, 43461 Cotisford, regional co-chairman that there will be no duplicate solicitations.

"Anyone who has already made a Republican contribution in the various commercial and industrial drives will not be called on again," she said.

Other Northville and Novi area residents participating in the drive include: Mrs. Donald Young, 43775 West Nine Mile; Mrs. Duane Butler, 21405 Summerside lane; and Eugene Choquet, 727 Eouth Lake drive, Walled Lake.

The drive will extend through the first week of October.

'Rocky' to Attend District GOP Meeting

The Rosedale Park Republican club, along with the Northwest Women's Republican club, 17th District Young Republicans and the 17th District Republican Organization, are sponsoring a huge outdoor "Meet Paul Bagwell" meeting to be held Saturday, September 24, starting at 3:00 in the afternoon at Steeple park, West Outer drive and Evergreen road.

Governor Nelson Rockefeller of New York is expected to head a list of notables including Paul Bagwell, Republican candidate for governor of Michigan; Richard E. Morell, candidate for Congress, 17th District; Weldon O. Yeager, candidate for state senator, and all the Republican legislative candidates.

Blunk's Inc. Still Active

There's still a Blunk's, Inc. in Plymouth.

With the announcement last week that Schrader's Home Furnishings of Northville had leased the Blunk's, Inc. furniture building at 825 Penniman avenue in Plymouth it was not made clear that Blunk's would continue to operate in the smaller portion of the store next door, 823 Penniman.

Although the furniture department was liquidated, Blunk's will continue to handle floor covering, hi-fi, stereo and television at the 823 Penniman address.

Officers of the reorganized Blunk's Inc. are Walter B. Rensel, president and general manager; Edna M. Blunk, vice president; Winifred Downing, treasurer; Douglas Blunk, secretary; and Otto Buiffee, assistant to the manager.

Meanwhile, Nelson C. Schrader, owner of Schrader's Home Furnishings in Northville, is undertaking remodeling of the Blunk furniture store. Schrader hopes to open the Plymouth store by November 1.

He announced this week that Dave Galin, formerly owner of D. Galin and Son furniture and appliance store in Plymouth, and Sylvester Farmer will be employed in Schrader's Plymouth store. Farmer is currently a salesman at Schrader's in Northville, but formerly was employed in the furniture department of Blunk's, Inc.

Know Your Insurance Dr. Advises

The rapidly expanding number of prepaid health insurance programs, which now includes government sponsored plans, are confusing to the doctors in the health arts and are rarely completely understood by subscribers.

In an article in the Journal of American Podiatry association, Dr. Albert G. Kalin, podiatrist of Detroit and resident of Northville, urges that health insurance policies should be studied and fully explained to patients before services are performed. Also, Dr. Kalin commends the local insurance offices for their helpfulness and recommends that doctors and patients both contact these offices when problems arise.

Dr. Kalin is a member of the Michigan State Board of Registration in Chiroprody and the Michigan Public Health Study Commission. He is a Fellow of the American College of Foot Surgeons and a past president of the Michigan Chiroprody association.

Dr. Kalin is a graduate of the Ohio College of Chiroprody and is associated with Civic, Park General, Plymouth General, Romulus and Belvill hospitals. Dr. and Mrs. Kalin and their son, Gregory, reside at 22375 Haggerty road.

A Letter To The Lord

The postal clerk took a look at the letter. Then, not knowing what else to do, he stamped it "insufficient address" and routed it to the dead letter office.

The dead letter clerk also took a look. He decided it should go to the postmaster.

Postmaster David R. Trevithick, of Salt Lake City, glanced at the address — then looked again. It was addressed: "To the Lord, Heaven". Trevithick reached for his letter opener, sliced it open. Printed in a childish hand, the letter read:

"Dear Lord: Make my mom well again. Please". It was signed simply "Tommy".

Whether from parents or Sunday School teachers, the child learned that the Lord is in Heaven. He knew His address! The child's faith in the Lord is revealed in his simple petition: "Make my mom well again. Please".

Oh that all who name the name of the Lord had that faith and prayed as simply, and politely! Now someone should teach the child that it is not necessary to write a letter to the Lord. It is the child's privilege to speak directly to the Lord. Jesus said, "except ye become as a little child —". This little child's prayer demonstrates such faith. "Prayer is the simplest form of speech

That infant lips can try;
Prayer, the sublimest strains that reach
The Majesty on high."

John Steimel, commander of the Lloyd H. Green Post 147, has announced the calendar of events for the last part of 1960, as follows:

October 29 — Masquerade party. This is something new, if we have a good turnout it will become an annual event;

November 11 — Annual Pancake Breakfast in the morning and the annual flag burning ceremony in the evening;

November 19 — Annual Feather Party. Lots of fun for everyone;

December 3 — Annual Hunters' Dinner. This is the night when everyone gets his fill of wild game. This dinner is also cooked by male members of our post;

December 18 — Annual Post Christmas Party. This is always fun for the kids and their parents;

December 31 — New Year's Eve Party. This will be the second one held by the post. Everyone had such a good time last year we have decided to make it an annual affair.

Also as in the past regular post meetings will be held on the second and fourth Tuesdays in every month unless notified by mail. These meetings are always held at the post home, 100 West Dunlap, Northville.

The commander was well pleased with the excellent turnout at our last meeting, September 13. Read these events carefully and try to attend as many of them as you can.

State Municipal Meeting Attracts Host of Speakers

An array of outstanding guest speakers will address themselves to various aspects of the theme "The Challenge of the 60's" at the 62nd Annual Convention of the Michigan Municipal League, which will be held on September 21-23 at the Panslind hotel in Grand Rapids.

The list of prominent speakers includes George W. Romney, president of American Motors; Robert P. Briggs, first president of the Michigan Chamber of Commerce, Lieutenant Governor John D. Swainson; Paul D. Bagwell; Carl H. Chatters, former City Controller, Chicago; Richard H. Austin, former member of the Citizens Advisory Council of the Michigan Tax Study; William Haber, professor of economics, University of Michigan; and Harold C. Taylor, director, W. E. Upjohn Institute of Employment Research.

Romney will be principal speaker at the League's annual banquet, Thursday, September 22. Speaking on "Citizens and Issues" he will direct his remarks to the economic and governmental issues facing Michigan and the part Citizens for Michigan will play in arousing citizen interest.

The two gubernatorial candidates in the November election, Democrat John D. Swainson and Republican Paul D. Bagwell, have been invited to address the convention at its closing luncheon Friday, September 23. Both candidates will speak on "The Needs of Local Government As I View Them".

Carl H. Chatters, an honorary life member of the League and an authority in the field of governmental finance, will address the opening general session of the Michigan Municipal League on Wednesday morning, September 21. He will relate what other communities throughout the country have done to meet the needs for additional sources of revenue. This will include the extent to which non-property taxes are being used in other states and how such taxes fit into an overall balanced state-local tax program.

Northville will be represented at the convention by Councilmen Richard Juday and Ed Welch and City Manager John Robertson.

Councilman R. W. Lahti and Attorney David Utley will attend from Wixom.

Recreation Director Speaks to Optimists

Ken Conley, director of Northville's recreation department which recently concluded one of its largest summer programs in the city's history, was the guest speaker last week at a meeting of the Northville Optimist club.

The recreation director described the year-around program of his department — sponsored by the city and township — and indicated areas in which service clubs such as the Optimists might help promote and support the program.

The Optimist club meets weekly at St. Paul's Lutheran church.

Mustangs Drop Opener to Rocks 25-12

Galloping to an early lead Friday night the Mustangs stumbled suddenly on a Rock wall and lost the season opener to arch-rival Plymouth 25-12.

The defeat on Plymouth's gridiron ended an eight-game Northville winning streak and spoiled the debut of Coach Ron Horwath, who replaced former Coach Ron Schipper now of Jackson.

Surveying the wreckage, Horwath promised plenty of rigorous practice for his gridders this week in an effort to "clean up our mistakes" before tomorrow's league opener with Holly.

Although Horwath was obviously disappointed by the loss, he was far from discouraged. "There were plenty of bright spots despite our mistakes," the coach said. The most encouraging sign, he indicated, was the goal-line stand that started the capacity-plus crowd buzzing in the first half. "The boys proved they can hold their own with even a heavier line."

The goal-line stand, which drew thunderous applause from both sides of the field, climaxed what eventually proved to be Northville's final impressive series of plays. The Mustangs' sparkle, which dominated much of the first two quarters, twinkled only occasionally throughout the remainder of the contest.

Displaying a new basic formation — a Fly-T line-up — Northville combined a series of effective ground and aerial attacks to grab a first quarter 6-0 lead. The opening TD was scored by Halfback Tom Darling on an 11-yard skirt around end.

Aside from its second quarter tally, Plymouth's only other threat carried the Rocks to the goal line, where the Mustangs rose up to defend its lead. Just inches away from the end zone, Plymouth failed in four attempts to punch through the lighter Northville line.

Plymouth bounced back late in the second stanza, however, as Northville's defensive unit fizzled. With only 20 seconds to play before the half, Fullback Mike Kisabeth plunged over from the six to tie the score. Gary Filmore booted the extra point to put the Rocks out front 7-6.

Coach Mike Hoben must have had plenty to say at halftime because the Rocks sparked to life in the second and third quarters, stopping short most of Northville's threats, while scoring three more touchdowns.

Art Nelson, halfback, broke through Northville's line early in the third period and scampered 30 yards for a touchdown. Minutes later Half-

Shonta Makes Grade

Chuck Shonta, a former Northville teacher who last year was granted a leave of absence to try his hand at professional football, appears to have made the grade.

The 23-year-old graduate of Eastern Michigan university was none too optimistic when he decided to take a "chance", but Coach Lou Saban of the Boston Patriots is plenty happy this week that Shonta gave the pro ranks the nod.

Last Saturday with his team trailing, Shonta scooped up a loose ball that slipped from the hands of a New York punter and raced 23 yards for the winning TD just as the game ended.

The victory pushed Boston into a two-way tie for second in the newly formed American League, eastern division.

Labeled a "defensive specialist" by Coach Saban, Shonta was an all-conference end at Eastern when Saban first expressed interest in him.

During his one year at Northville, Shonta coached Northville's first high school wrestling team.

back Spigarelli galloped for a 46-yard TD.

The Mustangs also scored in the explosive third quarter on a 50-yard pass from Quarterback Steve Juday to End Jim Petrock.

Plymouth iced the game in the final stanza as Quarterback Dick Schryer bucked over from the one-yard line.

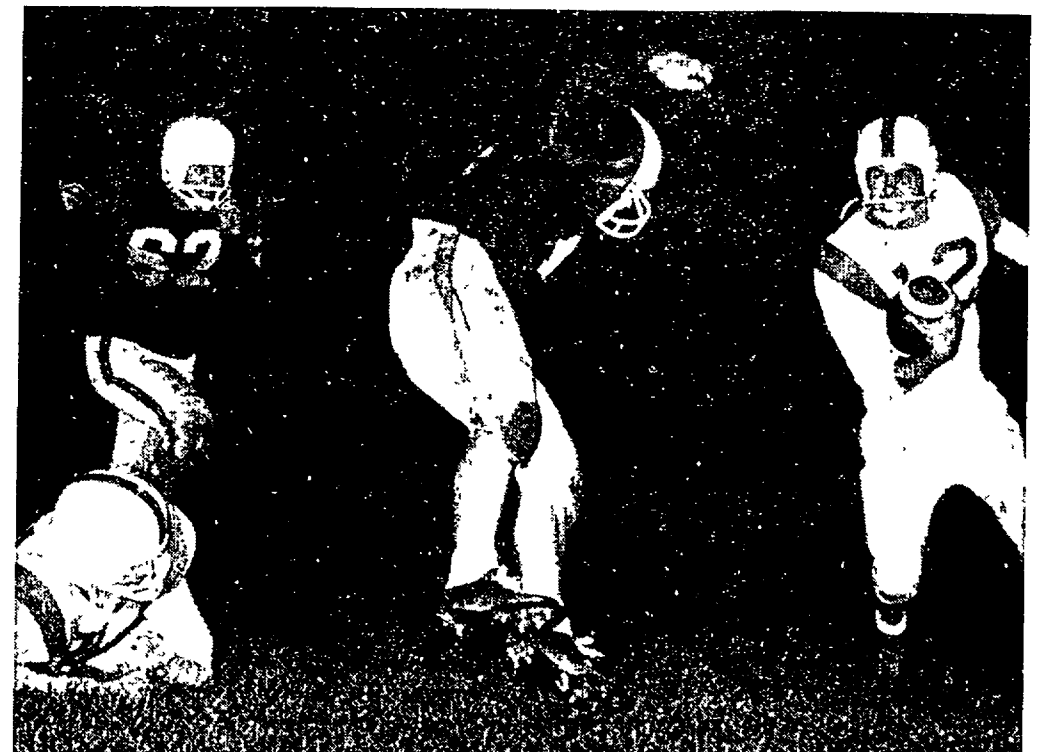

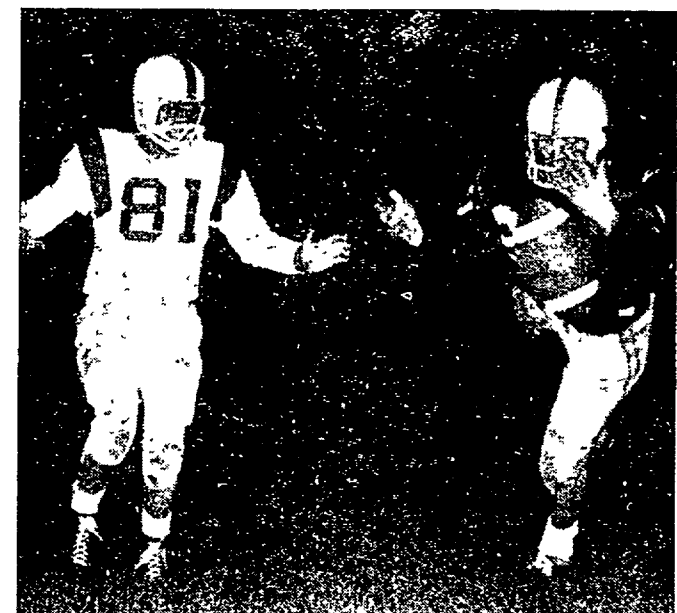

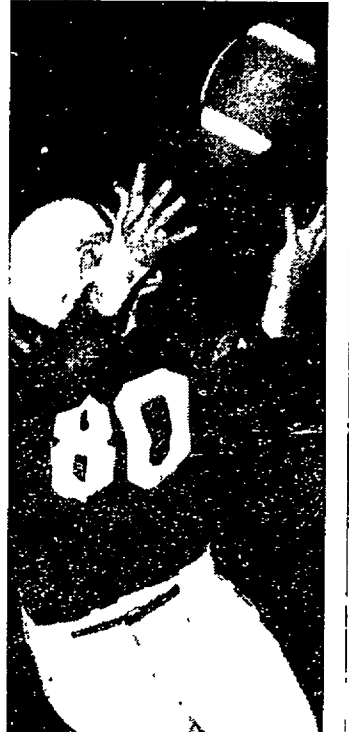

Both teams were plagued with a host of fumbles and penalties throughout the contest.

Northville attempted 15 passes, completed 8, and carried the ball 22 times for a total of 101 yards in the air and 80 yards rushing. Plymouth, on the other hand, fired 10 completions for a net gain of 102 yards in the air and carried the ball 29 times for 137 yards.

Juday led Northville's ground attack with 33 yards, with Halfback Dave Hay second with 21 yards.

The loss to Plymouth was the second in as many years. Last season the Rocks clipped the Mustangs, 9-0, to halt a 17-game winning streak. The 1959 loss to Plymouth was the lone defeat of the season.

In 1958 the Mustangs humbled Plymouth — a Class A school — 12-6. But in '57 and '56, the Rocks managed to come up with one-point victories.

GRIDIRON OPENER — It was a perfect night for a football game Friday; it was cool, the stands were packed and two arch-rivals were dueling in an opening classic. But when the game ended only the Plymouth fans and players were exuberantly happy. Northville found itself licking the wounds of a 25-12 defeat. In the picture at the top left, Northville End Jim Petrock pulls in a pass from Steve Juday; Petrock dives for a pass in the center picture; and Guard Jerry Biddle (62) and Fullback Bob Nauman move in to down a Plymouth ball carrier.

In W-O League Tilt

Holly Here Friday

With only six lettermen in the starting lineup, Coach Ray Figg of Holly is making no optimistic predictions as his varsity eleven prepares to invade Northville tomorrow for the league opener.

Compared to last year's Holly team, which won only two of its seven games, "we're probably a little weaker," Figg said following Holly's opening loss to Grand Blanc of the Genesee county league.

The Holly coach pointed to the line as the "weakest spot" on the team, with only three returning lettermen holding starting positions. The lettermen are Don MacKenzie, left end; Owen Bird, left tackle; and Gilbert Gray, right tackle. Other probable starters on the line are: Ed McKinley, left guard; Roy Duran, center; Darryl Anderson, right guard; and Ron Klemp, right end.

Bob Ennis, who piloted the Broncos last season, will play left half this year. Dick Canfield, a sophomore, will take Ennis' place at quarterback. Other backfield starters: Roger Hall, right half, and Jim Teague, fullback. All but Canfield are lettermen.

Although Holly lost its opener last Friday with Grand Blanc 19-6, the Broncos were "in the game" until the final quarter, Figg said. The score was 13-6 going into the fourth stanza.

Last year the Mustangs opened its league victory streak by bowling

over the Broncos 27-0. For Holly the loss was a bitter potion — for it was in October of 1955 that Northville started its unbeaten string with a resounding 32-0 victory over the Broncos.

Since 1955 the Northville gridders have pelted Holly with six straight defeats.

Scores of other games last week involving Wayne-Oakland league and area teams:

Bloomfield Hills, which last year was victorious in only one league contest, walloped Oak Park Friday 31-0, to become a darkhorse in the W-O race; Brighton edged South Lyon 18-13; Clarkston blanked Oxford 14-0; Milford lost to Avondale 20-6; West Bloomfield upset Pontiac St. Michael 19-13;

Bentley downed Farmington 13-6; Walled Lake rolled to a 32-0 victory over Redford Union; and Fenton smothered Howell 53-0.

Hunting Safety Class

The second in a two-part class on hunting safety will be conducted Tuesday at Novi school.

Classes start at 7 and end at 9 p.m. in the basement of the school. Primarily for youngsters, ages 12-17, the course is intended to teach safe methods of handling firearms and safety in the field.

Two Novi residents, Duane Bell and Homer Kent will teach the class, sponsored by the Michigan Conservation department.

'Skip' Loses Too

Former Northville Coach Ron Schipper, acquainted mostly with the sweeter gridiron delicacies, had a taste of defeat Friday night.

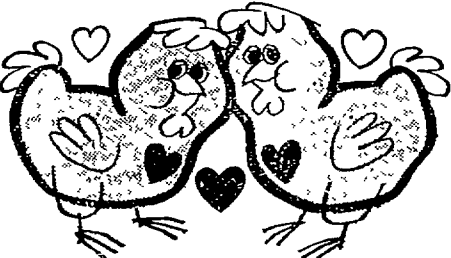

As the new head coach at Jackson, Schipper watched his newly adopted squad bow to Dearborn 20-13. The defeat was the first Schipper had tasted since last year when Plymouth claimed the opener with Northville.

lotted the Mustangs to four straight championships, including a string of 32 league victories.

The Jackson Vikings, members of the fast Six-A league that includes Ann Arbor, Battle Creek, Kalamazoo and Lansing Sexton and Eastern, failed to win a league contest last season. Outside the league, however, Jackson picked up three victories.

The eternal, harmonious nature of God's creation will be brought out in Christian Science services Sunday in the Lesson-Sermon on the subject of "Reality".
Among the Bible passages to be read are these verses from Psalms (111:7, 8): "The works of his hands are verity and judgment; all his commandments are sure. They stand fast for ever and ever, and are done in truth and uprightness."
Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this (208:20): "Let us learn of the real and eternal, and prepare for the reign of Spirit, the kingdom of heaven — the reign and rule of universal harmony, which cannot be lost nor remain forever unseen."
The Golden Text is from Lamentations (5:19): "Thou, O Lord, remainest for ever; thy throne from generation to generation."

"THREE EVILS OF OUR TIMES"

The task of naming the three worst sins of our age is a complicated one to say the least. To begin with, it is a false premise to say that sins are categorically arranged, when God says, "All unrighteousness is sin". It is man who has graded sin according to its effect upon society; consequently, we have been made to think of evils as having degree. In this we have failed to distinguish that there is sin, and there are sins. Sin is our nature, stemming from unbelief, while sins are the results manifesting that nature. Sin is the root, sins are the fruit; sin is the heart, sins are the arteries.

Standing at the head of the list as degrading evils of our day, are blasphemy, drunkenness, and murder, and yet it is not uncommon to find that a person guilty of one, is capable of all three. This fact is well illustrated by the fable of the Arabs concerning the man who fell into the clutches of the Devil, who would release him only if he committed one of three alternative sins; to get drunk, kill his father, or curse Allah. The victim could not consider killing his father nor cursing Allah, so chose to get drunk, and while drunk killed his father and cursed Allah. While this illustrates the point that sin leads to sin, we need further to examine each of these evils in the light of God's Word, and find God's thoughts concerning them.

Blasphemy, cursing, foul language is a sad commentary on our society. It is not uncommon to hear men, women and teen-agers, publicly display by word of mouth, the condition of their hearts. In Mark's gospel Jesus said, "For from

within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness . . ." Then also in the great moral code, given to Moses, "Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain."

The second evil, responsible for more chaos, and corruption, more death and destruction than many wars, is drunkenness. With the increased consumption of alcoholic liquors and intoxicants, crime and moral rot have been steadily mounting. Should there be only one verse of scripture, prohibiting the practice of an evil, that would suffice; but we have abundant Scriptural witness against drunkenness. In the Proverbs, "Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise for the drunkard and the glutton shall come to poverty." But the strongest indictment against this sin is given in 1 Cor. 6:9-10 which tells us that "such shall not inherit the kingdom of God."

Certainly, everyone knows the extent and awfulness of murder that manifests the fact that something is tragically wrong with a world such as ours, filled with such violent language and violent acts. The diagnosis of the Great Physicians cannot be disputed — "Out of the heart proceed evil thoughts, etc., etc., etc. Now, if these evils are the fruit, then the condition of the heart must be the root and only as the heart is cleansed by Him can the fruit of our lives be righteousness, and peace, therefore the need of Romans 10:9-10.

Wixom Baptist to Dedicate Church; Launch Evangelistic Campaign

The First Baptist church of Wixom is the only church in the city of Wixom.

In 1865 it built the church now located on Wixom road next to the elementary school.

Almost 100 years later, on September 25, 1960 to be exact, it will dedicate its new, contemporary-styled church valued at more than \$100,000.

The dedication service will begin at 3 p.m. Dr. H. H. Savage, faithful pastor of the First Baptist church, Pontiac, for many years, will deliver the dedication address.

To commemorate the dedication of

the church, Rev. Don Engram, executive director of Voice of Christian Youth, Detroit, will conduct a week of evangelistic meetings September 25 through October 2 with the exception of Friday and Saturday.

God has used Rev. Engram effectively in reaching the teens of Detroit with the gospel; his messages are straight-forward and Christ honoring, and they will be a blessing to you.

Rev. Engram's most recent overseas venture was a trip around the world visiting and preaching in the countries of Israel, India, Singapore, Hong Kong, Japan and Hawaii.

Hold Sunday School Rally At St. Pauls

The annual Sunday School Rally and Promotion Day will be held at St. Paul's Lutheran church Sunday, September 25. Sunday school and Bible classes for youth and adults will be held at 9:15 a.m. All of the Sunday school children will sing in the 10:30 a.m. service the same morning. Friends of the children are welcome to attend.

All children in the community age three and older who do not attend any Sunday school are invited to enroll next Sunday at 9 a.m. in the Sunday school office.

Sales Soar on Sidewalks

There's something about doing business out in the open that attracts customers.

Friday's "Sidewalk Sale" in Northville attracted a steady stream of shoppers from 9 a.m. until 9 p.m.

Merchants reported sales were much higher than last year's event. And although cloudy skies threatened early in the day, even the sun couldn't stay away. By noon the day was bright.

Perhaps the luckiest shopper of the day was 13-year-old Patricia Werdehoff (see cutlines below).

SHOPPERS strolled from counter to counter along the sidewalks in Northville Friday. As shown in the pictures above displays lined the walks as nearly 30 merchants participated in the annual event, reported to be the biggest ever. There's a reason for the wide smile on the face of Patricia Werdehoff, (above left). She's just selected a \$50 diamond ring set in the \$1.00 "grab bag" at Tewksbury Jewelers. Mrs. Otis Tewksbury examines the set with Patricia, who is the daughter of Mr. and Mrs. Albert Werdehoff of 919 Carrington. Because Patricia's a little young for her prize, she'll probably trade it for a new watch!

Plan Open House

State Improving Reputation

THE LONG REBUILDING JOB to repair Michigan's reputation after the year-long 1959 cash crisis is well underway.

A giant stride was recently taken when Revenue Commissioner Clarence Lock told the 1960 annual conference of the National Tax Association in New York City that it was partisan disagreement and not something basically wrong with Michigan law or Michigan people that caused the disastrous stalemate.

"Michigan is a great state with tremendous assets," Lock told the tax experts.

"Yet despite all the plus factors, we permitted ourselves the luxury of horrible national publicity because of an unwillingness to compromise our differences," he said.

While there will still be differences, Lock predicted the state will never again allow itself to pass through evil days as it did last year because of these differences.

"Michigan is on its way back," he said.

Irish are Happiest and Friendliest

Dublin, Ireland — The Steamship Mauretania, upon which Mrs. Babson and I were traveling, stopped at Cobh, Ireland to drop off a few passengers on its way to Liverpool. As neither of us had been to Ireland, we thought this was a good opportunity to spend a week there. Hence, we disembarked at Cobh.

The O'Dougherty Castle
The island which we normally

think of as "Ireland" consists of two distinct divisions politically. The Republic of Ireland (Eire) comprises four-fifths of the area; its population is independent, and largely Catholic. Northern Ireland, consisting of six counties is still a member of the British Commonwealth and is largely Protestant. It was settled chiefly by the Scotch.

The northwestern tip of this Protestant section is O'Dougherty country, which has the remnants of a Castle which Mrs. Babson's ancestors built 200 years ago. It was constantly in trouble. It was taken by the English some 40 years after it was built; then the O'Doughertys got it back for about 40 years, and thereafter the occupancy of it switched from one to the other. There is a lesson here which may apply to other countries where property has been seized by the Russians or other Communists.

Although the O'Dougherty buildings were burned and the cattle and tools stolen, the title of the real estate finally returned to the original owners. This makes me feel that well located real estate is one of the safest investments in this troubled world.

The people of Ireland are most courteous and warmhearted. They have laughter and humor as well as curious superstitions. They are known as chronic exaggerators, due to their kissing the Blarney Stone! Both the men and women are healthy, athletic and handsome. They are very trustworthy, God-fearing working people, charmingly graceful.

In my travels over the world, I have never met more friendly or happier inhabitants.

We started at Cobh and went along the South Coast, passing wonderful old castles such as the Dronoland Castle, built in the 11th Century, the Ashford Castle, and the Ballynaince Castle. Hotels are reasonable, the food is good, but bathrooms are scarce and cold. The rooms are heated by open fireplaces, burning peat rather than coal. Little wood is left in Ireland, but the fields are verdant.

Value of Pasture Land

Although Ireland is smaller in area than Pennsylvania, it has marvelous ocean frontage exceeding that of Florida. Some of this is meadow farm land extending down to the water; in other places there are high cliffs. As I worked up the West Coast and noticed this beautiful unoccupied ocean frontage, I systematically took samples of the soil. These I will bring home with me and have analyzed. This land sells at a low price per acre and is fairly rocky, suitable, from our standpoint, only for pasture. It also is difficult to purchase large tracts of a thousand acres.

However, I should think this land might be an excellent investment for those with patience who are willing to visit Ireland once every other year and talk with those to whom they rent.

I was much surprised at the temperature of Ireland. I saw palm trees growing in the southern portion, and I was told that, due to the Gulf Stream, even the northern portion is seldom freezing cold. The Killarney Lake section in Southwest Ireland is beautiful, and many other lakes abound throughout Ire-

land providing fishing, hunting and other sports.

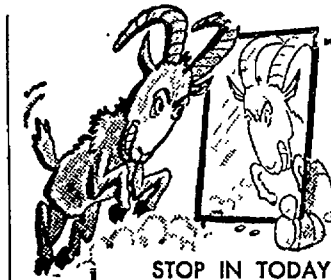

Transportation

Dublin has an excellent airport with planes going to all the leading English and Scotch cities, as well as to Paris, Rome and elsewhere. Planes from the United States land at Shannon, 160 miles southwest of Dublin, near the famous Blarney Castle. The population of Northern Ireland is almost 1,500,000, while the rest of Ireland has about 3,000,000 people. Ireland has excellent

banks, department stores and hotels. It reminds me today of what our Florida was in 1900, 60 years ago.
