

# They're Out To Boost Vote Average

If youngsters of the seventh grade "curriculum enrichment" class of Michael Abbott have their way, Mary Alexander and Marguerite Northup will be mighty busy women during the next 10 days.

They've formed the Northville Junior Voters Committee and they're determined to see that every qualified resident is registered to vote in the November presidential election.

## It's Up to You

Dear Editor,  
Every four years the duty of voting falls upon the shoulders of Mr. and Mrs. America. Because of unsettled world conditions, we need a man of vision in the office of the President of the United States. This election may decide whether or not there will be peace or destruction of the world in years to come.

The man you elect should be intelligent. He should understand the threat of nuclear war and the threat of communism. As well as doing these things, he must be aware of other problems of the United States.

Your votes will decide our future for the next four to eight years. We can't vote, but you can. Vote!

Signed,  
Margaret Ann Becker  
Chairman, Northville  
Junior Voters  
Committee

## 250 Open P-TA Season

Northville's P-TA scored a "fantastic success" in the words of Mrs. Robert Beerbower, co-president, when some 250 parents and teachers met at the Community building last Thursday for the opening fall meeting.

The group favorably received the association's proposed new organization calling for bi-monthly meetings at individual schools and took action on the major issues of adult education and the community college (see stories elsewhere).

A motion to support a junior achievement program in Northville was given majority approval.

In an attempt to provide more cultural activities for the city's youth, the parents voted to invite a children's drama group to Northville for the first time. The Wayne Civic Players will perform "The Land of Dragons" November 12 at the Community building.

School administrators, introduced by Assistant Superintendent K. M. MacLeod, presented their new teachers to the assembly.

Individual school chairmen will conduct next month's P-TA activities in a series of open houses at Northville's three schools during National Education Week, November 10-16.

By letters, posters, pamphlets and in person the 20 junior high schoolers are promoting registrations.

They're reminding residents that October 10 is the final day to register. City residents must register with Clerk Alexander at the city hall, while township residents are registered by Clerk Northup at the township hall.

They must be making progress. Both clerks report record registrations with the city total at 2,100 and the township 1,750.

The students have also offered to appear before local service clubs. Their chairman, Margaret Ann Becker, presents a talk complete with charts reminding adults of their patriotic duty.

Furthermore, the students do not intend to stop their prodding after the registration deadline.

They've scheduled a public meeting at the Community building on November 2 at which time they'll present "Ticket to Freedom", a motion picture narrated by Edward R. Murrow. This meeting will be aimed at reminding voters that it's not enough to register — they must also vote!

Finally, on the Saturday before election, the Northville Junior Voters' Committee will climb into their self-made "sandwich sign boards" and parade down Main street.

They're a determined lot — and Margaret Ann's letter-to-the-editor pretty well sums up why.

## Calendar

Friday, September 30  
American Legion Rummage Sale, 9 a.m. - 9 p.m., Legion hall, 160 Dunlap.

Monday, October 3  
Cub Scout Pack 721, 7 p.m., VFW hall.

Tuesday, October 4  
Patients' Fair, 12 p.m. - 4 p.m., Northville State hospital.

King's Daughters fall luncheon, 12:30 p.m., Mrs. M. L. Hoysradt, 42680 Waterford road.

OLV-Mothers' club, 8 p.m., at the church hall.

Wednesday, October 5  
Patients' Fair, 12 - 4 p.m., Northville State hospital.

DAR Dessert Benefit card party, 12:30 p.m., Wayne County Training school.

Friday, October 7  
Woman's club annual luncheon, 12:30 p.m., Meadowbrook Country club.

OES Orient chapter Birthday dinner, 6:30 p.m., Northville Masonic Temple.

# The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 90, Number 19, 16 Pages

Northville, Michigan, Thursday, September 29, 1960

10c Per Copy, \$3.00 Per Year in Advance

HAVE YOU REGISTERED? — This is just one-fifth of the seventh grade class of Michael Abbott and everyone of the youngsters are determined to see that Northville area residents register and vote in the November presidential election. If you haven't heard from them yet, chances are very good that you will. The determined pupils shown above are (l. to r.): Margaret Ann Becker, Randy Soubliere, Michael Myers and Linda Knight.

## 'Tidy' Robbery Baffles Police, School Authorities

Northville police and school authorities remain baffled in their attempts to determine how thieves entered the high school this week end, cracking the office safe and causing other damages totaling around \$1,000.

After talking with school officials, police estimate the break-in occurred sometime between shortly after noon Sunday and 6 a.m. Monday, when the open vault and smashed safe were discovered by a high school janitor.

High School Principal E. V. Ellison estimated that just under \$150 had been looted from the safe including cafeteria receipts, \$31 in reading money, \$20 in student council funds, \$10 from the lost and found and \$40 he kept as treasurer of two county education associations.

He also reported two clock units valued at \$50 and \$55 each had been removed from the office area. He said it would probably cost \$500-\$600 to replace the safe.

Doors leading to the driver education and boiler rooms were also smashed. The school's only flashlight, stored in a cupboard in the driver education room was missing, leading Ellison to suspect that the intruder might have been someone familiar with the area.

The school's driver education car, with keys in the ignition, was left undisturbed. After investigating the crime scene, Chief Eugene King said marks on the safe and the absence of any signs of forced entry from outside the building led him to believe the break-in was a professional job done by one man who either had a key to the building or entered through an unlocked door.

Metal cuts that severed the inner and outer casings of the safe strengthened his theory that the thief, after slipping the pins from the hinges on the vault door and prying the door out of place, had used a "can opener" type device on the back of the safe.

The handit, described by Principal Ellison as being "as neat as a pin", restored order to the office before leaving. The only clue discovered by police was a blurred set of footprints on a carpet in the principal's office.

The break-in was the second in less than six months. In June Northville police investigated an unsuccessful attempt to crack the high school safe. Entry was gained that time by smashing a glass panel adjacent to an outside door on the west side of the school.

School board officials expressed concern over the growing number of school thefts. Superintendent Russell Amerman told them that Plymouth schools are plagued by such incidents two to six times each year.

## Board Asks For Junior College Study

The board of education decided Tuesday night to hand the citizens' curriculum study committee another assignment.

On October 4, after reviewing the committee's final report on the academically gifted child, the school board will ask the group to study the possible needs and cost of a community college.

Superintendent of Schools Russell Amerman proposed the study and after considerable discussion board members adopted the measure.

The issue was brought before the opening assembly of the Parent-Teachers association last week and referred to the executive board of the group with instructions to invite an authority on community colleges to address the P-TA.

Northville was invited to join with six other school districts to form a community college four years ago. Stopped in the details and expense of the high school building program, the board declined to join the effort at that time.

Now officially known as the Northwest Wayne County Community College committee, the group has advanced to the point where it is anticipated that a vote to build a college will be taken next June.

The six districts are: Clarenceville, Garden City, Livonia, Plymouth, Redford Union and South Redford.

In taking its action Monday night the board instructed Superintendent Amerman to draft a proposal of study for the citizens group and submit the "charge" to the board for approval. If the proposal meets with full board approval, it was indicated that the assignment would be made October 4.

Board President Robert Shafer admitted some personal misgivings with the community college idea Tuesday night, but backed the study on an "objective and unbiased basis".

Shafer and Board Member Donald Lawrence expressed deep concern over the cost of the project and

(Continued on Page 4)

# Adult Education Program OK'ed; Set Registration

A program of night classes in adult education to begin immediately was approved Tuesday night at a special meeting of Northville's board of education.

Acting on the requests by numerous area residents and the results of a questionnaire presented at the initial meeting of the P-TA last week, the board unanimously supported administrators' proposals to offer classes this year in the high school.

Dr. Kenneth MacLeod, assistant superintendent, was named director of the adult education program.

Because greatest interest has been shown in art (painting and crafts), homemaking, commercial classes and shop (woodwork and metal work), these classes have been definitely adopted.

But any other subjects with sufficient public demand will be offered, Dr. MacLeod stated.

Minimum class size will be 15 with a tuition fee of \$8 per person for a 10-week course. Classes will be held weekly, probably Monday or Tuesday from 7 p.m. until 9 p.m.

Registration will begin next Monday at 7 p.m. at the high school cafeteria with a second registration night scheduled for Wednesday. Classes are scheduled to get underway October 10.

The decision to proceed with an adult education program follows the board's adoption last year of a policy to provide classes when the demand seemed adequate.

In making his recommendation Dr. MacLeod told the board that "people are pressuring us for this program, there's no doubt about that."

He pointed out that many area residents are now attending classes in nearby communities, such as Plymouth.

Dr. MacLeod said that members of the Northville public schools' faculty would teach the courses. Except for heat, lights and janitor service, the program will be self-sustaining. Dr. MacLeod added that if response to the classes was heavy enough, it is possible that all the expenses would be offset by tuition fees.

Under the program proposed Tuesday evening three 10-week terms will be offered — fall, winter and spring. It is also possible that some classes would have to be offered twice weekly.

## Mrs. Clark, Area Leader, Dies at 80

Funeral services were held Monday for Mrs. Elizabeth Clark, a lifetime Northville resident and member of a once prominent local family.

Mrs. Clark, whose husband, Harry B. Clark, was a director of Depositors State Bank here for 25 years before his death in 1951, died last Friday at the Arnold home in Detroit. She had been in failing health several years.

Both Mrs. Clark and her late husband are best remembered for their active parts in social and civic affairs and the innumerable times they helped needy young people in the community. They had no children.

She was well known for her work with the First Presbyterian church, Woman's club and King's Daughters.

Northville had been Mrs. Clark's home since childhood. She was born August 22, 1880 in Perrinsville, Michigan to James and Sarah (Speck) Tait.

The Clarks were married in 1909 and lived on East Eight Mile road directly across from Meadowbrook Country club from 1925 until 1941 when they moved to 647 Thayer boulevard, where Mrs. Clark lived until her health began failing.

Surviving her are two brothers, Albert and Alex Tait, Canton Center road, Plymouth; a sister in Ohio, Mrs. Elsie Taylor, and several nieces and nephews.

Funeral services were conducted from the Ebert Funeral home with the Rev. Dr. Harold Fredsell officiating.

Palbearers for Mrs. Clark were Warren and Leonard Tait, both nephews, along with Donald Green, Oren Nally, Richard Davis, James Davis, Joseph Brodie and A. Russell Clarke.

Interment was at Rural Hill cemetery.

## Girl Scouts Need Leaders

Girl Scouts and Brownies in the Northville area urgently need women of the community who are willing to volunteer their time and energy to the Girl Scout program.

An appeal was issued this week by Mrs. George Zerbel, Northville organization chairman, who pointed out that the shortage of leaders threatens the existence of established senior Girl Scout troops and removes the possibility of creating new troops.

"We have some young teenagers who are eager to continue in the scouting program and would welcome mature, enthusiastic leadership to make their scouting life complete," Mrs. Zerbel emphasized.

Classes in leadership training will be held in Northville at the First Presbyterian church beginning October 13. Mrs. Zerbel asks that interested women, whether or not they have children active in the program, attend the sessions. Volunteers may contact Mrs. Zerbel at FL-9-1158.

FIRE PREVENTION PROGRAM — Members of the Novi and Northville fire departments met Sunday at Northville Downs to complete plans for a special "Fire Prevention Program" set for October 12. The two departments, as well as more than a half-dozen other area fighting units, will present a public demonstration of the many phases of fire fighting techniques. Pictured above are (rear, l. to r.): Bill Paquette, Stan Smith, Bob Hansor and Carl Tarnow. Fred Loynes, Novi fire chief, and William McGee, Northville chief, are shown in the foreground.

## Northville May Form JCC Unit

Plans to re-establish a Northville Junior Chamber of Commerce will be aired Wednesday night at the community building.

The open meeting, scheduled to begin at 8 p.m., will be sponsored by the Walled Lake Jaycees.

According to officials of the Walled Lake club, the meeting was set at the request of many young Northville men who have expressed an interest in forming a Junior Chamber unit here.

Walled Lake members attending the meeting will explain various phases of their own operation, community and membership benefits, and chapter membership requirements.

A question and answer period will close the session, which is expected to last an hour and a half.

The Junior Chamber of Commerce is a civic service organization whose membership is open to all young men between the ages of 21 through 35.

Purpose of the world-wide organization is the improvement of the communities in which units are located and personal development of its members; both objectives being accomplished through a wide variety of project activities.

## Plan Clinic, Office Building Here

Construction of a clinic and professional center office building is scheduled to begin in Northville next month.

Dr. H. Lorne Dyer revealed plans to construct a 40x100 foot building at 115-117 East Dunlap. The building will contain a clinic for the medical offices of Dr. Dyer and afford space for other professional men.

According to Dr. Dyer, construction will begin as soon as final approval is received from the planning commission. The site has been approved, but planners have now scheduled a public hearing to permit professional office buildings in C-2 commercial districts. Action on the technicality is set for October 18 after which Dr. Dyer stated construction would begin.

Of contemporary design the one-story building will provide parking facilities along the west side with complete clinic facilities in the rear and entrance to the clinic from the parking area. Construction will be of brick, glass and metal.

Other professional offices will be in the front of the building with entry from Dunlap street, Dr. Dyer stated. The entire project, exclusive of furnishings, is expected to total about \$60,000.

Dr. Dyer anticipates that his clinic will occupy about one-third of the building space. He said that completion of the building is scheduled in March.

Dr. Dyer, who formerly had offices with the late Dr. V. George Chabot at 206 West Dunlap, is now located in offices above Community

General hospital until the new clinic is constructed. Dr. Dyer started his Northville practice two years ago having previously practiced medicine in Detroit and Taylor township.

## Boys Divide Grid Prize

The season's first weekly football contest was all "tied up".

There were two games that ended in ties, nine contestants tied for the fewest number of misses and finally, first and second prize money had to be divided because two entries were identical in predicting the score of the Chicago Bears - Green Bay game.

Two 13-year-olds, Dennis Anchors of 44350 Chedworth drive and Dan Bishop of 46111 Neeson, shared top honors and were awarded \$7.50 each.

Both boys missed four games, counting the two tie games as misses. And both were just seven points off in accurately predicting the outcome of the professional game.

Dennis is an eighth grader and the son of Mr. and Mrs. Raymond Anchors. He celebrated by going bowling after picking up his prize money.

A ninth grader, Dan is the son of Mr. and Mrs. Charles Bishop.

Seven others came within a whisker of winning. They all missed four games, too, but their score selection was not as close. The runners-up were: Howard Wilkinson, Larry Nitzel, Frank Pauli, Don Biery, John Robertson, John Mach and Eugene McElbourne.

A PROFESSIONAL CENTER and clinic will be constructed on the above site at 115-117 East Dunlap. One of the two residences on the site has already been torn down and workmen are in the process of removing the house shown at the right.

# about WOMEN

## News Around Northville

Mrs. Mabel Cooley and Miss Ruth Knapp attended a tea at the International Institute in Detroit. Plans were readied at the tea for the institute's annual Old World Market scheduled this year on November 17-18-19-20, from noon until 10 p.m. each day.

### You Can Help Cancer Unit

Mrs. L. M. Eaton, Northville branch chairman of the Michigan Cancer foundation, accompanied by education chairman, Mrs. Wilbur Johnston, and service chairman, Mrs. Oscar Hammond, attended the Michigan Cancer foundation bi-monthly meeting of the western Wayne unit at Livonia school, Newburg road, last week.

The meeting was devoted to training with Mrs. Harry Bartel of Plymouth presiding. Among the speakers were Mrs. Alfred R. Glancy, Jr., foundation chairman of volunteer activities, and Mr. E. W. Tiescher, executive vice president of the Michigan Cancer foundation.

Mrs. Oscar Hammond makes a plea to Northville housewives to give her white, salvage sheets, pillow cases, napkins, etc. to be used in making cancer pads which are available to cancer patients free of charge.

Mrs. Wilbur Johnston urges clubs and organizations to avail themselves of the films and programs provided by the Michigan Cancer foundation free of charge.

Mrs. L. M. Eaton will provide information regarding the Michigan Cancer foundation on request.

Mr. and Mrs. James Spagnuolo traveled to Tilbury, Ontario Sunday for the christening of their great-niece, Julia Annette Demars, and great-nephew, Brad Edward Ballard. The Spagnulos served as god-parents for both children.

S/Sgt. and Mrs. Cloyce Myers and family are visiting with their parents, Mr. and Mrs. Frank Myers, of Carpenter street, and Mrs. George Price of North Center street, this week before departing for Fairchild, California, where they will make their home. Sgt. Myers just returned September 16 from an 18-month assignment in Okinawa.

Saturday, September 17, officers of the Plymouth Corners Society of Children of the American Revolution (CAR) attended a state board meeting in Pontiac. Linda Barney of Plymouth was appointed chairman of the Television, Radio and Motion Picture committee and Vicki Merwin of Northville was named chairman of the National Merit Award committee.

Debra Older, Phyllis Barney, Rick Martin and Mrs. George Merwin, all of the Northville-Plymouth area, also attended.

Barbara Rollings, daughter of Mr. and Mrs. Clifford Rollings, was graduated Tuesday from the Del Mar School of Beauty in Detroit.

Mrs. Hubert Blackwell was honored Saturday, September 24, at a baby shower given by her mother, Mrs. Vickie Bedore, and two sisters, Mrs. Clarence Bolton and Mrs. Bill Birt, at her mother's Butler street home. Mrs. Blackwell's most prized gift was a handmade quilt made by her grandmother.

About 45 relatives and friends gathered at the Farmington home of Mr. and Mrs. William E. Thompson last Sunday to have dinner and visit with T. B. Thompson of San Jose, California.

Guests from Northville included Mr. and Mrs. Ralph Gallagher, Mr. and Mrs. F. J. Hicks and family, Mr. and Mrs. D. C. Bolton and family and Mr. and Mrs. Cass Bolton. The host and California visitor are brothers of Mrs. Cass Bolton.

Other friends and members of the family came from Plymouth, Wixom, Brighton, Dexter, Wayne and South Lyon.

Miss Leona Parmalee returned Saturday from a two-week stay in Seabrook, Texas. She had flown to Seabrook to visit with a friend, Mrs. Clifford Hyde.

James Ernest Hammond, son of Mr. and Mrs. C. M. Hammond, 47100 Timberlane, has just been elected treasurer of Delta Sigma Phi fraternity at Albion college where he is a junior.

Mr. and Mrs. Harry Shafer have returned to Eau Gallie, Florida after spending two weeks with his mother, Mrs. Elsie Shafer, 105 Linden.

Mrs. Andrew Orphan, 356 South Rogers, hosted a combination coffeeget acquainted gathering last Friday morning for her women neighbors. Mrs. Dewey Butt and Mrs. Robert Bowen, the newest residents in the 300 South Rogers block were greeted by: Mrs. R. M. Atchison, Mrs. Floyd Gregory, Mrs. Ward Schultz, Mrs. Ernest Wilsher, Mrs. John Callaghan, Mrs. Robert Horner, Mrs. K. H. Babbitt, Mrs. John Donovan and Miss Helena Christian.

## Optimists Play Role In Patients' Fair

The festive atmosphere of a real fair is rapidly enveloping the grounds of Northville State hospital as volunteer groups make final preparations for the Eighth Annual Patient Fair to be held on hospital grounds October 4 and 5.

Committees have spent months preparing for this recreation event purchasing gifts, assigning the 16 different booths and working to make it a real "outing" for even those hospital patients who have been unable to take part in other activities such as trips to the Michigan State Fair, swimming parties at Kensington park, Detroit Tiger games and the Shrine Circus.

Patients unable to visit the fair area will be served by a Shut-In committee headed by Mrs. Wanda

Thomas, chairman of the hospital's Red Cross Gray Ladies. The Northville Optimist club is contributing 60 dozen cookies to be served these patients.

Local groups sponsoring booths are Local 7, AFL-CIO; Northville State hospital auxiliary, Northville Psychiatry association, National Council of Catholic Women and the Psychiatric Attendant Nurses' association.

Louis J. Schultdt, director of community relations, is coordinator of the event. Others from the local area active in committee service are Mrs. Betty Matzen, 21937 Novi road, social service department; Miss Harriet Miller, 41001 Seven Mile road, occupational therapy department, and Mrs. Dorothy Springer, 991 Grace, food service.

## And It All Started With One Lost Pet

Whoever heard of a cat snubbing a saucer of milk?

Siamese felines actually wouldn't do just that, explained Mrs. Gerald Doub, "but they aren't permitted to have milk because their systems can't assimilate it."

Mrs. Doub was once a dog fancier until she discovered how affectionate and intelligent a furry ball of purring cat could be. Today she flourishes her attention on the eight cats and growing number of kittens at the Doub's Fairbrook road residence.

She's taken her new loyalty for cats as pets seriously, adding a cozy extension to the family garage to house her four Siamese, three Persian and one hybrid Tortoise Shell cats.

The reason for all this activity is that Mrs. Doub plans to open a cattery. "Siammew", as it will be called when registration is okayed, will eventually cater to people in search of cuddly, blue-eyed Siamese kittens.

A missing cat was actually the beginning of Siammew.

As Mrs. Doub recalled the chain of events —

"I had a male Siamese cat that got lost. I don't know whether he ran away, or if a raccoon may have gotten him. We looked and looked and couldn't find him, so we decided to get another cat."

"A woman in Berkeley who owns a cattery gave me an expectant female Siamese to keep in my home. By this arrangement I would earn a kitten by keeping the mother until she gave birth to her kittens."

As people will become attached to pets, Mrs. Doub fell in love with the little mother, finally keeping her while delivering the newborn litter to its rightful owner.

Anyone unfamiliar with a Siamese cat's disposition might wonder why a female cat awaiting her young would want human company.

They don't retreat to some dark, secluded corner to have their kittens, said Mrs. Doub. The expectant Siamese, she added, demands attention from humans, especially just before she's ready to deliver.

"Serena" was just that way said Mrs. Doub. "In fact," she went on, "Serena wanted to have them in bed, but when she started laboring we moved her to the nursery box." Three hours later she was the proud mother of four kittens.

Anxiously watching the movements of Fundee, only days away from kitten-birth, Mrs. Doub said cats were among the most punctual mothers in the animal kingdom, bearing their young 63 days from the time of conception.

They thrive on raw meat from the time they are weaned. When full grown, a prize Siamese sports dark brown feet, ears, nose and tail against a seal-colored body. They have piercing blue eyes that Mrs. Doub said fluctuate in hue with the cat's temperament.

"The happier they are the bluer their eyes are."

Mrs. Doub expected Siammew's first home-bred kittens would be ready to leave their mothers in time for Christmas.

60 DOZEN COOKIES — Northville Optimists' wives, 54 of them altogether, are busy baking cookies for the Northville State hospital's eighth annual Patients' Fair, October 4 and 5. Mrs. Donald Lawrence, Mrs. Donald Hannabarger and Mrs. George Zerbel (left to right) gather in Mrs. Zerbel's kitchen to whip up part of the 60 dozen cookies that will be served to shut-in patients by Red Cross Gray Ladies.

# NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

**FAST-GROWING FAMILY** — This week's newcomers numbered an even four when they moved from Springfield, Vermont to Northville in early August. Pictured at their Connemara drive home with their latest addition are Harry Ashbridge, four-year-old Stevie, three-year-old Susan and Mrs. (Joan) Ashbridge, holding the newest newcomer, three-week-old Bryan.

Out in the new "Old West", Easterners Joan and Harry Ashbridge a few years ago found themselves living in a town still wrangling over the controversial legend of Wyatt Earp.

Marshall Earp in his heyday had lived and reigned in Tombstone, Arizona, where Harry Ashbridge was stationed with the U.S. Army. As Mrs. Ashbridge describes the rivalry in that town set in the bleak, arid Arizona flat country — "The townspeople are split down

the middle over whether Wyatt Earp was a good guy or a bad guy. Somebody's hair is bound to bristle up the back if you say he was good."

The Ashbridges were "from the East where it's green," explained Mrs. Ashbridge. They had lived in Chester (near Philadelphia), Pennsylvania, until Uncle Sam dispatched them to the Western outpost. And after the Army stint was over, they swapped Arizona's cactus and sagebrush along with the tenuous heroism of Wyatt Earp for the brighter

foliage of the East.

Early last month they traveled West again. They left a home in Springfield, Vermont, this time stopping at 22304 Connemara drive, Northville.

Harry Ashbridge is a product planning and marketing analysis manager for Bryant Computer Products division of the ExCello corporation. He studied at Lehigh in Bethlehem, Pennsylvania and at the Illinois Institute of Technology.

Mrs. Ashbridge specialized in dietetics as a home economics major at Drexel in Philadelphia. She worked a year in the University of Pennsylvania Graduate hospital.

They have three children — Stevie, 4; Susan, 3; and Bryan, their newest addition, three weeks.

Everything but the crickets has endeared Northville to the Ashbridges, said Mrs. Ashbridge. "I hope they don't eat as much as they're supposed to," she humorously added, "or they'll eat us out of the house."

Woodworking, electronics and audio high fidelity occupy a good many of Harry Ashbridge's after-work hours. His wife brands him "a genuine hi-fi bug."

These electronic whizzes are so named in Mrs. Ashbridge's opinion for their mania "to get an entire system built and then sell it, only to begin building another just a little bit better."

"Sometimes you go for months without music," she lamented.

## Of Woman's Club

# Cuba is Subject At Fall Luncheon

Well known WJR-Newsreader Jack Hamilton will discuss the "Cuban Situation" as guest speaker at the annual fall luncheon of the Northville Woman's club October 7.

Mrs. Kalin Johnson will preside as chairman of the 12:30 p.m. luncheon at Meadowbrook Country club.

Past presidents, honorary members and new life members of 1960 will be honored. Members are reminded to make reservations for themselves and their guests with Mrs. D. P. Yerkes by October 4.

At the club's last meeting, President Mrs. C. E. Woodruff announced the following committee chairmen appointments:

Mrs. Kalin Johnson, program; Mrs. T. N. Kampl, flowers and cards; Mrs. Hurd Sutherland, civic improvement; Mrs. Robert Davis, house; Mrs. H. A. Boyden, membership; Mrs. John Blackburn, music; Mrs. D. W. Hahn, nominating; Mrs. A. R. Clarke, scholarship; Mrs. Stewart Campbell, social; Mrs. D. P. Yerkes, Jr., transportation, and Mrs. Paul M. Beard, publicity.

Representative positions named were: Mrs. Hurd Sutherland, coordinating council; Mrs. Richard Kay, student exchange committee; and Mrs. Harvey Whipple, tuberculosis stamp sales committee.

## O.E.S. Honors Birthdays

The 68th birthday of Orient chapter 77, O.E.S., will be celebrated Friday, October 7, in the Northville Masonic Temple.

Following a 6:30 dinner, the Past Matrons and Past Patrons will exemplify the degrees. Reservations may be made with Lillian Cutright, GL-3-4284.

## KITCHEN DIARY

# Shrimp Deserves Popularity

This week's recipes from Mrs. William Milne, 537 West Dunlap, somehow suggest, if you exercise your imagination a little, the exotic menu of some faraway, tropical land.

Shrimp and dates, borrowed from their native habitats and effectively combined with just the right ingredients make culinary formulas that taste and look as good as they sound.

Mrs. Milne's Date Cake is a moist cake capable of being transformed into a "lush dessert," she says, by topping it with whipped cream, chopped nuts and cherries.

Preparing a luncheon for guests or getting a light supper for her husband and two sons, Bill, 16, and Rick, 12, Mrs. Milne often uses Shrimp Green Cove. This delicious seafood dish named for the Florida city in which it was originated is particularly good when served with an aspic or molded salad of some kind. And, reminds Mrs. Milne, it can be prepared ahead of time without losing any of its exciting flavor.

The inviting pink color of Mrs. Milne's Shrimp Paste makes this chip dip look as good as it tastes.

"I call it a chip dip," explains Mrs. Milne, "even though I prefer it with pretzels."

## DATE CAKE

Mrs. William Milne

- 1 cup chopped dates
- 1 cup boiling water
- 1/2 cup shortening
- 1 egg
- 1 cup sugar
- 1 teaspoon vanilla
- 1 2/3 cups flour
- 1 teaspoon soda
- 1/2 teaspoon salt
- 1/2 cup chopped nuts.

Combine dates and boiling water; let stand until lukewarm. Cream together thoroughly shortening, egg, sugar and vanilla. Combine with date mixture and beat well.

Sift flour, soda and salt together and add to last preparation. Stir until ingredients are blended and add chopped nuts. Turn into greased and lightly-floured cake tin (8x8 or small oblong baking pan). Bake in moderate oven (350 degrees) about 40 minutes.

**SHRIMP GREEN COVE**  
4 cups cooked shrimp (fresh, about 2 pounds)  
1 tablespoon lemon juice  
1 teaspoon paprika  
1/2 cup butter  
1 teaspoon salt  
1/4 teaspoon white pepper  
1 1/2 cups coarse, buttered bread crumbs  
1 teaspoon salt  
1 teaspoon dry mustard  
4 tablespoons flour  
1/2 teaspoon salt  
2 cups rich milk or light cream  
2 tablespoons sherry, if desired.

Mix shrimp, lemon juice, salt, paprika and mustard. Let stand, covered, in refrigerator several hours or overnight to season. Melt butter; remove from heat;

blend in flour, salt and pepper. Gradually stir in milk. Blend mixture until smooth. Cook over low heat, stirring constantly, until thickened and smooth. Add shrimp. Pour into buttered casserole. Pour sherry over top of casserole and add bread crumbs. Bake in 350-degree oven 30 to 35 minutes or until top is golden brown and sauce bubbles. Serves four.

## SHRIMP PASTE

- 2 tablespoons catsup
- 2 tablespoons evaporated milk (or thin cream)
- 1/2 teaspoon cayenne
- dash of Worcestershire sauce
- 2 tablespoons mayonnaise
- 2 tablespoons lemon juice
- 1/2 small onion
- 1 5-oz. can shrimp, drained and cleaned

Place all ingredients in blender at high speed. Start and stop blender several times and scrape sides of container. Blend about one minute or until smooth. Chill before serving.

5 MILE AND NORTHVILLE ROAD

Announcing the 1961 Ford... Beautifully proportioned to the

**CLASSIC FORD LOOK**

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per l'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

## BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

## HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

**LUBRICATES ITSELF.** You'll normally go 30,000 miles without a chassis lubrication.

**CLEANS ITS OWN OIL.** You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

**ADJUSTS ITS OWN BRAKES.** New Truck Size brakes adjust themselves automatically.

**GUARDS ITS OWN MUFFLER.** Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

**PROTECTS ITS OWN BODY.** All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

**TAKES CARE OF ITS OWN FINISH.** New Diamond Lustre Finish never needs wax.

**'61 FORD**

SEE YOUR LOCAL AUTHORIZED FORD DEALER

FORD DIVISION, Ford Motor Company

**BUSHED** — Philip Ogilvie looks like a tired Rotarian as he peers out from behind a pile of shoes remaining from the Northville service club's two-day rummage sale. The annual event netted the club \$532.90. Chairman of the sale was Wally Westerfield, who reported that all left-over items were given to Goodwill. Staged at the Downs, proceeds from the sale are annually used by the club for its charitable activities, particularly in the aid of crippled children.

**REYNOLDS WATER SOFTENERS**

REYNOLDS Fully-Automatic Water Conditioners (Patented) soften more water and remove more iron, for less operating cost, than any other water softeners ever made.

Your present softener can probably be converted into a Reynolds Automatic. Investigate—No obligation.

**TUESDAY, NOVEMBER 8, 1960**

To the Qualified Electors of the Township of Novi (Precinct No. 1-2)  
COUNTY OF OAKLAND, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT THE FOLLOWING PLACE ON:

**SEPTEMBER 29 THRU OCTOBER 7, 1960**

**MONDAY THRU FRIDAY - 9 A.M. TO 5 P.M.**

**NOVI TOWNSHIP HALL**

25850 NOVI ROAD  
AND ON

**MONDAY, OCTOBER 10, 1960 — LAST DAY**

THE THIRTIETH DAY PRECEDING SAID ELECTION

As provided by Section 498, Act No. 116, Public Acts of 1954.

From 8 o'clock a.m. until 8 o'clock p.m. on said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

**HADLEY J. BACHERT, TOWNSHIP CLERK**

NEWS FROM THE

## American Legion

LLOYD H. GREEN POST 147

John F. Goss, USN  
Post Reporter

The Lloyd H. Green Post No. 147 would like to make public the proclamation by our President, Dwight D. Eisenhower, urging all citizens to join in the observance of Veterans' Day, November 11, 1960. The full text of the President's proclamation follows:

"Whereas the men and women who have served in our armed forces have contributed immeasurably to the preservation of America's freedom and to the advancement of the goal of world peace; and

"Whereas the nation is eternally grateful to our veterans for these contributions; and

"Whereas it is fitting that we set aside a special day each year to honor our veterans and give nationwide expression of our esteem for them; and

"Whereas by an act of Congress, has declared November 11 of each year to be a legal holiday and to be designated as Veterans' Day in honor of our veterans and a day dedicated to the cause of world peace;

"Now, therefore, I, Dwight D. Eisenhower, President of the United States of America, do hereby call upon all of our citizens to observe Friday, November 11, 1960 as Veterans' Day. Let us celebrate that day with appropriate ceremonies not only in tribute to our veterans but also in the rededication to the cause of peace with honor throughout the world. I also direct the appropriate officials of the government to arrange for the display of the flag of the United States on all public buildings on Veterans' Day."

## City Council Minutes

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Sept. 19, 1960 at 8 P.M.

Present: Mayor Allen, Councilmen Canterbury, Juday, Reed and Welch. Minutes of last regular meeting were read and approved. Bills amounting to \$14,385.15 from the General Fund, \$14,615.45 from the D&R Escrow, and \$11,448.00 from the Water Fund were presented for payment. Moved by Reed, supported by Canterbury, that these bills be allowed and paid. Carried.

Letters were read from Chicago Regional Office of Post Office Dept. Bureau of Operations of the Post-office Department and from Martha Griffiths, Congresswoman for this district, regarding the prospects of a new post office for City of Northville.

Bids for seal coating of streets in the City of Northville were opened, as follows:

Ward & Van Nuck, Detroit 34, Michigan \$6,798.00.

Detroit Concrete Prod. Co., Detroit, Michigan \$4,535.00.

Moved by Juday, supported by Welch that bid of Detroit Concrete Prod. Co. be accepted, subject to approval of City Manager, Attorney and Engineer. Carried.

Bids for Dump Truck were opened from John Mach Ford Sales, Northville \$3,079.00.

Geo. E. Miller Sales and Service, Northville, \$3,671.00, Alternate bid \$3,061.00.

At the request of Councilman Canterbury, it was moved by Allen, supported by Reed, that Mr. Canterbury be excused from voting on the truck and truck body bids because of his connection with the Ford Motor Co. Carried.

Moved by Juday, supported by Reed, that the bid of John Mach Ford Sales on Dump Truck, amount \$3,079.00, be accepted. Carried.

Bids for dump truck body were received from Roadway Mounting & Equip. Co., Warren, Mich., \$930.00.

For extras if desired, \$70.00 Total \$1,000.00

Gar Wood Detroit Truck Equip., Warren, Mich., \$973.00.

Moved by Welch, supported by Reed, that the Perfection Body, mounted, be purchased from Roadway Mounting & Equip. Co. Carried.

After careful consideration of the recommendation of the Planning Commission regarding rezoning of the property located at the corner of Taft and 8-Mi. Rds., it was moved by Reed, supported by Canterbury, that a notice of public hearing on the proposed amendment to the Zoning ordinance which consists of an additional section under the RIS classification, be published and that such hearing be held on Oct. 17th, 1960, at 8 P.M. at the City Hall. Carried.

It was then moved by Reed, supported by Welch, that a notice of public hearing on Zoning of the Taft parcel to RIS be published in the Northville Record, said hearing to be held Oct. 17th, 1960, at 8 P.M. at City Hall. Carried.

Resolution regarding sale of Community Bldg. to Northville Public Schools which was passed June 20, 1960, was re-introduced in order that same could be voted on by all members of the council; Councilman Reed having been absent at the time of the previous passage. Moved by Canterbury, supported by Allen, that this resolution be adopted. Carried unanimously.

Moved by Welch, supported by Juday, that Mayor and Clerk be authorized to execute the deed to the community building. Carried.

Under new business, it was moved by Canterbury, supported by Reed, that application for transfer of taxi franchise to John Tackett be approved, subject to complete approval of application and insurance by City Attorney. Carried.

Resolution was presented by City Manager to hold a meeting to review the Special Assessment Roll for Oakland County Middle Rouge Parkway Interceptor Sewer District No. 1. Moved by Canterbury, supported by Reed, that meeting will be held Oct. 3rd, 1960. Carried.

A second resolution was presented by City Manager to hold a meeting to review the Special Assessment Roll for Oakland County Middle

Rouge Parkway Interceptor Sewer District No. 2. Moved by Reed, supported by Canterbury, that meeting will be held Oct. 3rd, 1960. Carried.

It was decided by the City Council that an additional Shoup Voting Machine should be purchased.

Moved by Canterbury, supported by Welch, that no advantage to the City would result from competitive bidding for this machine, therefore the provision requiring competitive bids as set forth in Sec. 13.6 of the City Charter is hereby waived. Carried.

It was then moved by Allen, supported by Reed, that the City Manager, and Mr. Frid, Voting Machine Custodian, be authorized to purchase either a used machine if available, or a new one. Carried.

Moved by Allen, supported by Reed, that Ozarks be reimbursed \$125.00 for expenses of development of trampoline center due to incorrect issuance of building permit. Carried.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

## It's a First For Hospital Housekeepers

The Greater Detroit Area association of Hospital Executive Housekeepers held its regular meeting at Northville State hospital Thursday, September 15, marking the first time this group has convened in a mental rather than general hospital.

Mrs. Martha Peoples, director of housekeeping at Northville State hospital, and a charter member of the organization, served as hostess.

Dr. P. N. Brown, hospital superintendent; Dr. Jacob Miller, clinical director; and Mr. J. J. Gill, business executive, outlined the state hospital's general operation, placing special emphasis on the critical role of the hospital's Housekeeping department in creating a home-like atmosphere for the patients.

Hospital officials expressed the hope that the Housekeeping department, with its 22 employees, could be increased to keep pace with the hospital's growing patient population.

Rev. and Mrs. Arnold Cook and their house guests spent Monday evening at the home of Mr. and Mrs. Richard Noble. The Nobles, who have recently returned from a visit to Scotland, showed picture slides of places they visited abroad.

A NEW BUILDING to store and repair city of Northville public works' equipment is under construction within the fenced area of the city-owned dump on Gerald avenue. The 40x60 foot cinder block building is being contracted by the public works department. Cost has been estimated at \$10,000. Present plans call for the city to tear down frame buildings on Cady street near the cemetery now being used by the public works department and move all equipment and materials to the Gerald avenue building when it is completed.

## Board Asks

(Continued from Page 1) pointed out that homeowners' property taxes in the Northville area are already high in supporting the public school system.

President Shafer emphasized that he would like the study to concentrate on the tax cost to Northville, potential number of students from the area and cost per student.

Board Member James Kipper also pointed out that the school board had "at least one more" financial responsibility of high priority (presumably, teachers' salaries).

# News From Wixom

By Mrs. Charles Ware — Market 4-1601

Mrs. Richard Green of Birch Park, Mrs. Isaac Erickson of Birmingham and Mrs. Bob Finley of Beverly have left on an automobile trip to spend a month with Mrs. Green's niece, Mrs. G. Chamberlain of Santa Monica, California.

Mr. and Mrs. Andrew Nissen of Pontiac trail are the proud parents of a new daughter, Diane Marie, born Thursday, September 22 in Pontiac General hospital. Diane has four brothers at home. She is the first daughter.

Twelve guests enjoyed dinner and a birthday party honoring Mrs. Mae Decker of Wixom last Thursday.

Jack Chambers returned home from St. Mary hospital, Livonia, Friday.

Mr. and Mrs. Robert Hughes, 28000 Wixom road, are the proud parents of a new daughter, Roberta Ann, born September 18 in St. Joseph's hospital, Pontiac. Roberta weighed in at nine pounds, 14 ounces, and has two brothers and one sister.

A fire of unknown origin did considerable damage to the interior of the Nolan Posey home in Hickory Hills last Monday. The home was locked and Wixom police had to break into to aid the firemen. The house was covered by insurance.

Mrs. J. B. Calhoun of South Lyon spent a few days with Hilda Furman.

Mr. and Mrs. Lawrence Morris of Sarasota, Florida were dinner guests of the Everett Pearsalls September 20 and also September 23.

Luther Pearsall and family also spent Sunday evening with the Everett Pearsalls.

Mr. and Mrs. Ewing Tate were Sunday guests of the Everett Pearsalls.

All of these people had previously attended the dedication of the new

Wixom Baptist church, with some other 400 visitors.

The Invincible group of Wixom Baptist church are going out for dinner October 8. Any member desiring to attend are asked to make reservations with the VanAmbercy not later than October 3.

Willie Allen, who is serving with the U.S. Army in Fort Knox, Kentucky, spent his furlough in Wixom with his wife and parents.

Jerry Revitzer, also with the U.S. Army, spent his furlough home with his parents.

Mrs. Kenneth Burden accompanied 41 young people from Millford Baptist church on a tour of the Twin Pines Dairy, Detroit, on Saturday, September 17.

Mrs. Harry Shipley entertained friends at a party last Friday. There were eight guests present. Last Saturday Jeffrey Smith was honored at a birthday party in honor of his fifth birthday. Twenty of his little friends helped him celebrate. His grandparents, Mr. and Mrs. Joe Griffin of Flint were also present.

Mr. and Mrs. Eino Pilo entertained a Finnish exchange student, Heikki Virkkunen, Saturday evening. Mr. and Mrs. Sam Wahamaki and Mr. and Mrs. Eino Soraari were also guests of the Pilos.

The first meeting of the Wixom P-TA will be held at 8 p.m. Tuesday, October 4 at Wixom school.

At the Wixom Planning commission meeting held September 19, Johanna Ware was re-elected chairman for a one year period. Joseph Stadnik was elected vice chairman and John Erickson was re-elected secretary. There will be a special planning meeting at 7:30 p.m., Tuesday, October 4.

NEW CABS — Northville has new taxi cabs and a new cab company owner this week. Johnnie Tacket, owner of Vacationland Travel Center at 135 West Main street, has purchased the Northville Cab company, Inc. from Ross C. Bush. Tacket is shown above (right) looking on while Police Chief Eugene King completes an inspection of one of the new cabs. Driver of the cab is Bert Ehrenberg. Cab service hours are from 6 a.m. until 2:30 a.m.

## Willowbrook . . .

By Mrs. George Ames

Greenleaf 4-0830

There is a correction about the proposed swimming pool in Willowbrook which the Community Association hopes to build. The total price is \$50,000 and the pool capacity is 200 families.

Membership in the Willowbrook Community association is open to any resident. The dues are only \$3 per year. Anyone interested in joining can contact George Lewis, Ron Jennings, Roland Heaton or Gayle Smelt for further information.

Kay Riess was hostess to the Thursday Bridge club last week. Bonnie Kuick was a guest player. Carolyn Hanna had high score.

Dottie Flattery, Marilyn Vykdyal, Betty LeButt, Margaret Bunker, Marge Williams, Ruth George, Carol Pohlman, Virginia Barnes, Dorothy Richmond and Dolores Locke were among the Willowbrook residents present at the September meeting of Our Lady of Victory Mothers' club last week.

Mr. and Mrs. Edward Moloney of Ten Mile road are happy to announce the birth of a daughter, Laura Hope Irene, on September 13 at Oakwood hospital, Dearborn. Her birth weight was six pounds and 14 ounces. The Moloneys have one other daughter, Dennell, who is 2 years old. Mr. and Mrs. George Andrews and Mr. and Mrs. Thomas Moloney, all of Dearborn, are the grandparents.

Pat Pinner was coffee club hostess Thursday. Her guests included Andrae Greenwald, Jean Radtke, Eleanor Freytag, Betty LeButt, Harriet Guenther, Jean Coffee and Diane Ward.

The Willowbrook III Bridge club had its meeting at the Farmington home of Jerri Galvin. Joan Pfaff was a guest player. Joan Gould won first prize and Jerri, booby.

Congratulations to Mr. and Mrs. Raymond Stroutsos on the birth of a daughter, Lori Ann, at St. Mary hospital, Livonia, on September 16. The baby's birth weight was six pounds, 14 ounces. The Stroutsos also have a son, Gary, 6, and a daughter, Cathy Rae, 18 month old. Mr. and Mrs. Nicholas Stroutsos and Mr. and Mrs. Joseph Saliba, all of Barre, Vermont, are the grandparents. Mr. and Mrs. Saliba are spending three weeks here as guests of the Stroutsos.

Mark Daniel Richmond, son of Mr. and Mrs. Donald Richmond of McMahon Circle, was baptized Sunday at Our Lady of Victory church, Northville. Mr. and Mrs. Joe Baron of Ann Arbor are his godparents. The Barons, Mr. and Mrs. Pat Shaughnessy of Royal Oak and Mr. and Mrs. F. A. Gignac were guests at a dinner after the ceremony.

Mr. Rita Spence and her children, Larry, Ralph, Jimmy and Mary were Sunday dinner guests of Mr. and Mrs. Robert Driscoll.

Mr. and Mrs. William Crowell of Meadowbrook road are happy to announce the birth of a son, Keith Norman, on September 10 at St. Mary hospital, Livonia. His birth weight was six pounds and ten ounces. The Crowells have two other daughters, Dawn, 5, and Denise, 3. Mr. and Mrs. Norman F. Kane of Redford township and Mr. Lee Crowell of Farmington are the grandparents.

Mr. and Mrs. Lloyd George spent Sunday sailing on Lake St. Clair as the guests of Lloyd Ecclestone.

Mr. and Mrs. Robert Byrd have Mrs. Byrd's mother, Mrs. Grace Hunt, of Chicago, as a house guest for a week or two.

The Wednesday Bfidge club met at the home of Marguerite Parent. Marty Ames won first prize, Margaret Bunker second and Dottie Flattery, consolation.

## Official Notice of Sale \$198,000.00

## Northville Public Schools School District

COUNTIES OF WAYNE, OAKLAND AND  
WASHTENAW, MICHIGAN

## NOTES

Sealed bids for the purchase of tax anticipation notes of Northville Public Schools School District, Michigan, of the par value of \$198,000.00 will be received by the undersigned at Board Office, 501 W. Main, Northville, Michigan until 8:00 o'clock P.M., Eastern Standard Time, on the 10th day of October, 1960, at which time and place they will be publicly opened and read.

The notes will be dated September 15, 1960, will mature June 1, 1961 and will bear interest at a rate or rates not exceeding 4% per annum. Both principal and interest will be payable at such place as may be agreed upon with the purchaser. Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time of delivery.

Said note or notes shall be subject to redemption prior to maturity in inverse numerical order at par and accrued interest on the first day of any month prior to maturity thereof, upon fifteen (15) days notice served upon the holder or holders thereof, or published in a newspaper or publication circulated in the State of Michigan, which carries as a part of its regular service notices of the sale of municipal bonds.

For the purpose of awarding the notes the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from NOVEMBER 1, 1960, to their maturity and deducting therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Northville Public Schools. No proposal for the purchase of less than all of the notes or at a price less than their par value will be considered.

**NEW VOTERS** — These 22 "new citizens" were honored last week at the Coordinating Council - Optimist club sponsored Citizenship Banquet. Each of them either recently reached the voting age of 21 or have become naturalized citizens and will vote for the first time in November. The program, held at the Lutheran church, was attended by a capacity audience (see Speaking for the Record, page 16).

Pictured above (l. to r.) are: Eleanor Dehne, Roy Hamer, Virginia Watson, Janice Hamer, Mary Cruse, Hildred Tornberg, Brenda Laux, Richard Davis, Carolyn Burkman, Linda Stanford, Roger Rathburn, Mary Malby, Beata Bihl, Ann Kaye Houser, Joan Marie Sanders, Dave Dahl, Judy Drew, Murray Lyke, Judy Leavenworth, Dorothy Bennink, John Goss and Robert Humphries.

IMPROVED PARKING and alley facilities will soon be available in Northville's business district directly behind the First Methodist church and extending from Main to Dunlap street. Grading, preparatory to blacktopping the area, was underway this week. The area in the foreground above was once the site of the Hills building. Local retail merchants pledged \$10,000 to the city to share in the cost of the project. Merchants are currently negotiating to provide another municipal lot on Main street between Northville Realty and Mainville Drugs. They propose to have an apartment house on the site torn down and lease the lot for off-street parking for shoppers.

## BPW Begins Fall Program

Northville's Business and Professional Women's association opened its fall agenda Monday night with a dinner meeting at the VFW hall.

Keynote speaker for the evening was Mrs. Ada Watson, ninth district chairman of the Michigan BPW, who discussed the numerous phases of the organization's national program.

Mrs. Florida Earehart, membership chairman of the local chapter, headed the planning committee in charge of Monday's initial fall meeting.

Mrs. Alice Ritchie is the 1960-61 president of Northville's Business and Professional Women.

## Scouts to Stage Novi Card Party

Adult Novi girl scout leaders will stage a card party tomorrow night at the community building beginning at 8 p.m.

Both men and women are urged to attend.

Proceeds from the party will be used toward sending delegates to the 35th national convention in St. Louis, Missouri November 14-18.

Tickets may be secured by calling either Mrs. Bernard Marchetti, MA-4-3087, or Mrs. Irene McCormick, GR-4-7553.

## Where Does Your Money Go?

An Illinois business man took a dollar, pinned a piece of paper to it, asking everyone who spent the money to write down what it was for, and send it back into circulation for 2 weeks. At the end of that time it came back with the following story. It was spent 5 times for salary, 5 times for tobacco, 5 times for cigarettes, 3 times for meals, once for auto parts, once for groceries, twice for shaves, once for washing, and once for tooth paste. God never had a chance with it. Millions of dollars never touch the offering plate in Church. I wonder where your money goes? If some of it ever goes to Church? The United States Government allows up to 30 percent of our income to be given to the Church and charitable purposes. Your investment in a Church that preaches the Gospel is the best investment you can make because it will draw dividends. Your money will be used not only to carry on the local work but to spread the Gospel of Jesus Christ to the heathen who never have heard. It will be used to print Bibles, tracts, and magazines, to spread the Word by this means. A portion of it also goes to assist the poor and needy. What better place can you give your money?

**First Baptist Church  
Of Northville**  
Peter Nieuwkoop, Pastor

## READERS SPEAK:

### Bravo BeGole

Mr. Editor:

We would like to use this method to publicly commend and thank Police Chief BeGole and all the other members of the Novi police force and office workers for their help in solving a case personal to us.

We would also like the citizens of Novi to know that we have a police chief who is willing to give unstintingly of his time and effort, beyond the call of his duty, to bring about the solution of this case. It originated in our village but led the police to the heart of Detroit many times before it was solved.

For about three weeks Mr. BeGole spent most of his time off duty working on this case. Other members of the police force also helped him at different times.

Mention has been made in the past about members of the police force spending so much time in coffee shops. Much time was spent in the coffee shops during this case, but for the purpose of gaining information; and, many times the coffee was not so good. Might it be that some of these other coffee shop visits had a purpose other than pleasure?

Again we would like to say "thanks" for a job well done.

Mr. and Mrs. Ray L. Warren  
27629 Haggerty Road  
Farmington, Michigan

### Poor Readers Thing of Past

To the Editor:

Illiteracy is something of the past when it was a matter of survival for young ones to leave school for work because of essential requisite.

It was stated in one of the Detroit papers by a leading professor of Wayne State university that it is a rarity to find children suffering from poor reading or spelling in our elementary schools of today. It behooves me, why are Novi schools an exception? It would be wise for Mr. Ambinder and Mr. MacBride to check into this matter before requesting a remedial teacher.

I agree with Mrs. Ritter on radios, and that Ambinder and MacBride and parents who have children going to school are taxpayers, but by the same token they should also be interested in saving taxpayers' dollars \$ \$ \$ who are not in the same category, instead of being so selfish.

Radios are not needed in school buses for enjoyment or to stop disturbance, children should be taught in schools as to proper behavior, because all the remedial teachers you can afford could not help a misbehaved child.

Herbert Koester  
42780 Eight Mile Road  
Northville, Michigan

## Obituary

KIMBERLEY LYNN PURDY

Kimberley Lynn Purdy, four-year-old daughter of Mr. and Mrs. Tom Purdy of Summerside lane, died in Detroit Tuesday at Ziegler Osteopathic hospital one day after tonsilectomy surgery. She was born in Highland Park April 2, 1956, and is survived by her parents; a brother, Jeffrey; and grandparents, Mrs. Grace V. Purdy of Detroit and Mr. and Mrs. Roy Hartwick of Berkley. The Purdys moved to Northville in 1956. Funeral services will be conducted Friday at 10 a.m. from Our Lady of Victory church. Prayers will be said at the Casterline Funeral home Friday. The Rev. John Wittstock will officiate. Burial will be at Holy Sepulchre cemetery.

### Students to Elect Officers Tomorrow

Voting by machine tomorrow will climax a week-long election campaign staged by seventh and eighth grade students at Novi school.

Officers for the two classes will be elected by students using a township voting machine. Township Clerk Hadley Bachert instructed students this week on how to use the machine.

Each year seventh and eighth grade students campaign for their favorite candidates — from a slate of more than 20 boys and girls, register to vote, and then cast their ballots.

This voting technique is all part of a program to teach history and civics students local, state and federal election procedures.

### Hunting Talk Tonight

Members of the Novi police department and interested sportsmen will hear a talk tonight by Howard Johnson of the Michigan Department of Conservation.

Johnson, who is assigned to the Novi area, will talk on problems likely to arise during the upcoming small game season.

117 WEST MAIN — NORTHVILLE

Northville's 89-year-old Landmark.

## 89-Year-Old Depot Stays as Landmark

The nostalgic memories of a Northville man may have saved one of the community's most famous landmarks from dying of old age. C. E. Langfield, owner of Northville Laboratories, Inc., has purchased the 89-year-old Chesapeake & Ohio railroad depot in hopes of preserving the famous old building, which was almost certain to be razed within the next few years.

Although Langfield plans to use a portion of the building for storage, he admits that a touch of nostalgia really prompted the purchase. He plans eventually to restore the interior rooms to their original condition.

However, the building will not become a public showroom even though Langfield would like it to be just that. C&O has stipulated that the building, which is still located on company property, cannot be used for this purpose because of the dangers involved in people crossing the tracks.

As a young boy Langfield and his companions were frequent visitors at the depot.

It was here that adventurous youngsters and curious adults gathered to watch the giant smoke-sporting engines chug into Northville. It was here where envious youngsters waved goodbye to the engineers and dreamed of far-away places.

And inside the depot itself, the c'atter of the telegraph, the smell of musty mailbags, and the exciting tales spun by oldtimers gathered

around the pot-bellied stoves — all fired the imaginations of youngsters of the day.

Actually, the Northville depot was stirring imaginations way back during the administration of President Grant — less than 10 years after the Civil War.

For it was in the summer of 1871, just two months after the first railroad tracks were laid here, that the depot was erected. Townspeople were still buzzing over the appearance of the first train when the building was completed.

In fact, the arrival of the Holly, Wayne & Monroe train so completely dominated the town conversation that very little was said about construction of the depot.

The June 10, 1871 issue of The Northville Record carried this item about the depot:

"About 50 feet east of the tumbling way bridge, standing north and south, the depot building has been erected, (that is, the frame has been put up, partly enclosed and rapidly nearing completion). It is 102 feet in length by 28 in width, beside the platforms. The washing rooms, ticket office, etc. will be in the north end, and the freight department in the south.

"Its appearance there, changing as it does the looks of that quiet locality, would convince anyone that a reaction had taken place for the better in our town."

Until the tracks north of here were completed, trains coming into Northville from Plymouth were forced to turn around at the depot. This was done by a large "turntable" mechanism which was powered by horses.

Directly across from the depot, which at that time was located west of the tracks almost at what is now the edge of South Main, just south of the spring, was a large mill pond. Part of the tracks passed over this water on a bridge parallel to the now closed Main street bridge.

The railroad depot at Novi was completed later in 1871 and the Wixom depot was not completed until either late 1872 or early 1873.

The first Northville ticket and station agent was J. Pickford and his daughter, Carrie, was the first telegraph operator.

Shortly after the turn of the Century, the depot was moved to the present location on the east side of the tracks. The tracks themselves and the depot site were raised considerably to lessen the steep grade between here and Plymouth.

The last passenger run here was made nearly a decade ago and the depot was closed about two years ago.

## The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, September 29, 1960

**PERSISTANT MOTHER** — Residents in the Norton-Clement road area are surprised — and a little touched by the determined efforts of a mother beagle to raise her three-week-old pups in drain culverts away from the prying eyes of humans. The wandering, apparently un-owned, mother, who has lived in the area for almost a year, gave birth to five pups in a culvert near the intersection. Residents came to the whimpering mother's aid recently during a cloud burst. After the rain, however, the mother carried her young to still another culvert. Then Friday rain threatened again and one pup died, so residents carried them back to a warm shelter. The mother, who refused to get within camera range, stood by Saturday when this picture was taken near the culvert. She

seemed to say, "Just wait, there's another drain down the road a piece." Shown with the

pups is eight-year-old Margaret Chase, daughter of Mr. and Mrs. Philip Chase, 19760 Clement road.

The Depot about 1910.

ANOTHER SEASON — Youngsters from the Northville area will enter their fourth week of competition Saturday at Northville Lanes in a 10-team league which is growing larger every year. The boys, ages 10 to 15, bowl each Saturday morning at the Northville alley. Currently, the Dazzlers are holding down first place with a 11-1 record. Above, Richard Holcombe, 14, son of Mr. and Mrs. Al Holcombe, 46801 Joy road, throws a "sure strike" as league members look on. Richard is secretary of the league.

## Plan to 'Cut Northville Down'

# First Place Barons Promise Real Battle

For the first time since last year's upset victory over West Bloomfield, Northville will be the underdog when the Mustangs invade Bloomfield Hills tomorrow afternoon.

Northville, a team which has dropped its first two games, will face the "dark horse" of the W-O league. The Barons, who lost to the Mustangs last year 27-20 in the final two minutes of the game, are ready to "cut Northville down" veteran Quarterback Art Tregenza promised this newspaper Sunday.

Bloomfield Coach Donald Hoff and his assistant, Cece Morgan, who have piloted their squad to two victories thus far this season, are equally anxious to claim a victory over Northville.

The two coaches will use the same T-formation tomorrow that nearly upset Northville last year and that led to victories over Oak

Park and Brighton this year. And they'll field a squad of five hard-earned veterans. According to Coach Hoff, no one section of the team is outstanding or weak. "Our wins were pretty much a team effort," he added.

Heading up the Bloomfield eleven will be Tregenza, a junior quarterback who last year exploded for a 67-yard TD late in the fourth quarter to put his team back into the game. In the backfield with Tregenza will be Veteran Bill Jones, at left half; Bill Pettibone, who moved up from the junior varsity squad, at fullback; and Roger Stewart, a sophomore, at right half.

Line veterans include Paul Irvine, left end; Mark Miller, center; and Wayne Coyle, right tackle. Other starting linemen are Ty Koll, left tackle; Rick Aldred, left guard; Tom Bromley, right guard; and Bill Calhoun, right end.

The Barons had little difficulty in upsetting favored Oak Park in Bloomfield's non-league opener, 31-0. The victory over Brighton, however, was less impressive. The Bull-

dogs led 14-7 going into the last quarter when the Barons exploded for two touchdowns to clinch the victory.

Tomorrow's game will get underway at 3:30 p.m. — the only Mustang game of the season to be played during the day.

Other W-O league and area team scores were:

West Bloomfield, pre-season W-O favorite, crushed Clarenceville 26-6; Clarkston downed Milford 27-14; Plymouth topped Belleville 19-7; Walled Lake blanked Lowrey 32-0, and South Lyon lost to Romulus 26-12.

## Former Mustangs Shine

Bob Starnes

Former Northville grid star Bob Starnes, son of Mr. and Mrs. Paul Rumley, 310 Griswold, is making a concerted bid for a first-string position on the University of Louisville football team this season.

Labeled the best defensive half-back on the squad by Cardinal Coach Frank Camp, Starnes saw only limited offensive action last season during his freshman year. He carried the ball only seven times, averaging 2.6 yards.

His offensive abilities which are becoming more and more apparent prompted his coaches to use him extensively during spring drills. "If Bob continues to progress at the pace he followed during the spring, he could become a familiar figure on game nights," the coaches predicted.

The Cardinals, who crushed Eastern Kentucky last Friday, 28-7, will take on Bradley tomorrow night at Louisville.

Dave Adams

Dave Adams, son of Mr. and Mrs. Emerson Adams of 44009 Brookwood drive, is one of the reasons why head coach John Chuckran is looking forward to another successful football season at Allegheny college in Meadville, Pa.

Adams, a 155-pound senior half-back brings game experience to the Allegheny backfield as it prepares for its first game of the season with Bethany college in West Virginia Saturday.

Head Coach John Chuckran will be using Adams' experience as a runner and pass catcher as the Allegheny attempt to better the 6-2 record which placed them second in the Presidents' Athletic Conference last year.

Other teams in the conference are Western Reserve, Case, Grove City, Wayne State and Thiel.

## — SUPERINTENDENT'S SUMMARY —

The past year again reflected the serious financial condition of school districts in the State of Michigan and ours was no exception. Locally, we are faced with the problem of increasing enrollments at a time when actual monies being appropriated or levied per child is either decreasing or remaining constant. Due to the financial condition of the State, more money will have to be raised locally to (1) maintain our present program, and (2) expand our services in the areas of music, art, remedial teaching, guidance and additional supervisory personnel.

With our present classrooms, we will have adequate space for the elementary grades for a few years. However, any sudden spurt in building would rapidly wipe out any extra space we have. The housing of our junior and senior high students will be of vital concern in the immediate future.

Teacher recruitment will continue to be a problem. Although gains have been made in the past several years in salary schedules, continued emphasis will have to be placed on this vital matter if we are to remain in competition with other districts.

## More Tree Champions

The Northville - Novi area is fast becoming known for its exceptionally large trees.

Last winter a black maple growing on the Claude A. Crusoe property, 43180 West Nine Mile road, was declared the largest in the United States.

Last week, three other giants received top ratings in the state by the Michigan Botanical club.

According to Paul W. Thompson, chairman of the "Big Tree" committee, these two trees are the largest of their kinds in Michigan:

A white mulberry located on the property of C. W. Chapman, 239 High street, and a Norway spruce, located in the D. W. Matzen property, 21937 Novi road.

The mulberry measures 122 inches in girth has a spread of 68 feet, and is 69 feet tall; the spruce is 130 inches in girth, has a 67 feet spread, and is 74 feet tall.

A black walnut, located on the property of Dr. and Mrs. W. T. Johnson, has been declared the second largest of its kind in the state. This tree, according to Thompson, "is a magnificent tree with a spread much greater than the state champion which has only a 95-foot spread."

The state champion walnut is 222 inches in girth compared to 185 inches of the local tree.

# '61 CHEVY TRUCKS

WITH WORK-PROVED  
INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

Mustangs Lose 1st W-O Game in 4 Years

END RUNS — These two pictures show players from Northville and Holly executing end runs last week Friday. Both players, Northville Halfback Tom Swiss (24) above and Holly Halfback Roger Hall (32) below, made yardage on these particular plays. But when the game ended, it was Holly that dominated the ground attacks — not Northville. Other players in the picture are (above) Tackle Gilbert Gray (23) and End Donald Klemp (39), and below, Gary Nichols, Northville guard (54) and Klemp (39).

PG D 7107 27 Published by Consumers Power Company

A surprisingly strong Holly 11 took advantage of a lifeless Northville squad Friday night to become the first W-O league team in four years to whip the Mustangs.

And what's more, the under-rated Broncos carried off the celebrated coup with comparative ease.

Yet, when the curtain finally fell on the Northville tragedy, the partisan Holly fans could hardly believe the scoreboard "We did it, we did it," one adult male shouted, trying to convince himself that the game was over and the giants from Northville—not Holly—were the victims.

The jubilant Holly players joined the screams and shouts of delight, shook hands with their opponents, and then climbed aboard their bus to contemplate the significance of their victory.

Not since October 1955 had the Mustangs lost a W-O league game. Since then Northville had compiled the most outstanding area high school record in recent history — 32 straight victories without a loss.

And ironically, this phenomenal string of victories started in '55 with a 32-0 victory over the Broncos. Last year Northville crushed Holly 27-0.

Neither the Broncos nor the Mustangs appeared to have an edge on strength last Friday. The teams were pretty much an even match on paper — but Northville failed to muster anything near the spirit or winning determination that sparked Holly to victory.

And fans and coaches who have watched Northville climb to its peak over the past four years were the first to recognize this "jack of pepper." After-the-game comments seemed to boil down to this one statement: "Losing wouldn't be so bad if they'd played like they wanted to win."

Despite only spotty moments of gridiron greatness, the Mustangs were within winning distances of the Broncos up to the closing minutes of the game.

Holly knocked Northville back on its heels early in the contest, taking the kickoff on the 20 and marching methodically 80 yards to the goal line in 11 ground plays. Halfback Bob Ennis plunged over from the 2 for the TD. The Broncos picked up five first downs in the touchdown drive.

Scoring its extra point on a running play, the Broncos went out front 7-0.

Twice in the same period the Mustangs threatened, but both times fumbles spoiled dreams of overtaking Holly. After taking the kickoff at the 30, Northville pushed to the Holly 34 and fumbled. Holly recovered, moved to the 38, and then punted seven yards to the 45. Then the Mustangs moved to the 25 where they fumbled again and Holly recovered.

Late in the second period Holly threatened, driving to the Northville 10. However, Northville intercepted with 15 seconds remaining to halt the opponents' drive.

With their ground attack practically smothered in the first half, the Mustangs turned to the air in the second half. Northville used only passing plays during the third stanza and turned only occasionally to a ground attack in the final quarter.

Holly scored again late in the third quarter after Northville's defensive unit put together a brilliant series of plays, pushing the Broncos back a total of 20 yards in three successive downs. Forced to kick, Holly punted to the Northville 35 and then intercepted a Mustang pass on the first play from scrimmage. Don MacKenzie, left end, scored from the 3 yard line.

The Mustangs struck back early in the fourth quarter, as fleet-footed Tom Darling took a short screen pass from Quarterback Steve Juday and galloped 60 yards for Northville's lone touchdown. Bill Trotter's kick was good.

Northville threatened again with less than a minute to play, moving to the Holly 35. But the Broncos took over at this point and held on as the game ended.

Statistically, Holly was by far the stronger team on the ground. The Broncos compiled a total of 218 yards rushing, while the Mustangs made only 61 yards. In the air, however, with Steve Juday hurling near perfect passes throughout the contest, Northville made 169 yards to Holly's 27.

Other statistics: Northville was penalized 40 yards, Holly 25; the Mustangs picked up seven first downs to Holly's 16; and Northville fumbled four times, recovering only one of their fumbles, while Holly fumbled three times, losing the ball just once.

PLYMOUTH, MICHIGAN  
Sunday service 10:30 a.m. Sunday school at same hour.  
Also 5 p.m. service 4th Sunday of each month.  
Wednesday evening service, 8:00.  
Reading room in church edifice open daily except Sundays and holidays, 11:30 a.m. to 5 p.m.; 7 to 8 p.m. Wednesday and 7 to 9 p.m. Friday.  
That true power belongs to God, not to matter, is a central theme of the Lesson-Sermon entitled "Unreality" which will be read at Christian Science services Sunday.  
Scriptural selections will include the following: "God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea" (Psalms 46.1, 2).  
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read (192: 11-13, 17-19): "Erring power is a material belief, a blind misapprehension, the offspring of will and not of wisdom, of the mortal mind and not of the immortal...  
"Moral and spiritual might belong to Spirit, who holds the 'wind in His fists'; and this teaching accords with Science and harmony".

## from the PASTOR'S STUDY

By the Rev. James F. Andrews  
Full Salvation Union Chapel

### "CONSECRATE ME NOW"

Dr. Thomas Wyatt in the April issue of "The March of Faith" writes: "The time has come when Christianity must be presented to the world in something more than religious form and phrase."

With this thought many the world over are in agreement. But to agree with this idea does not present to the world something more than a religious form and phrase.

To do that there must be manifest in the earth in a literal way the many-membered Body of Christ, where every member of that Body is under the control of God's mind just as Jesus Christ was controlled by God's mind during those days He walked among men as a literal fact. He said, "I do nothing of myself alone. The Father that dwelleth in Me, He doeth the works."

Jesus did not do what seemed right to Himself but He always did those things that pleased the Father, not what He thought pleased the Father but what actually did please the Father because it was the Father who did the works in Him—Willing and doing of His good pleasure."

For almost 2,000 years now we have had the privilege of having the Holy Ghost take the things of Jesus Christ and reveal them unto us for the purpose of helping us to enter into the same kind of a relationship with God that Jesus demonstrated while here on earth. Only as this is accomplished in the life of every member of the Body of Christ will we have true Christianity in the earth again.

To give all of our goods to feed the poor and our body to be burned without this reality coming

into manifest existence profits nothing.

That is the reason it is so important for all those who through the Church age have been blessed with special gifts to now advance from those high places of service into the many-membered Body of Christ.

This is a difficult step for many to take for their individual ministry has been greatly blessed of God. The more it has been blessed the more difficult it becomes for such individuals to lose their religious life in that realm and find it in the birth of the many-membered Body of Christ.

At Midnight — at the end of the Gentile Age — at the end of Church's day — the cry is made — "Behold the Bridegroom cometh. Go ye out to meet Him."

Go out of the workings of your own mind into the place where Christ stands — in God's mind. Only there will you be able to meet Him. Only there will you be able to find that for which your soul so long has craved — "Oneness in God's mind" and a service with Christ in His Kingdom which is beyond anything that has as yet entered into the heart of man.

Oh, God, help all of Thy faithful servants the world over to respond to the cry at midnight and go out to meet the Lord.

Help us to sing, "Consecrate me now to Thy service, Lord, by the power of grace Divine" — not in sentimentality coupled with a zeal of God, not according to knowledge, but as faithful servants understanding that the will of the Lord is to make us One in His mind, "That the world may believe."

127 HUTTON IN NORTHVILLE

**AN ILLEGAL KILL** — This beautiful hawk was found dead last week along Seven Mile road, the victim of a shotgun. Unofficially identified as a red-tailed hawk, this bird which had a magnificent wing span of close to four feet, and other Michigan hawks are protected by law. Persons convicted of shooting such a bird could be fined or jailed — or both, conservation department officials point out. The children in the picture, James, 8, and Jeanne, 11, son and daughter of Mr. and Mrs. Wilfred Cogar, 9339 West Seven Mile road, found the hawk Friday while walking from Wash Oak school near Currie road.

## Local Girls Top Students

Two Northville residents, Sandra Phillips and Judy Zayti, have recently been elected to Student Council positions at Ladywood high school.

Sandra Phillips, senior, was elected president of the Student Council. She is the daughter of Mr. and Mrs. Lloyd Phillips. An honor student for the past three years and an active member of the Future Nurses club and the Press club, Sandy has the loyalty of many a Ladywoodian through her thoughtfulness and co-operation.

New vice president of the Student Council is Judy Zayti, daughter of Mr. and Mrs. Benjamin Zayti. Judy, an honor student, held the office of Student Council treasurer last year. During her two years at Ladywood, she has been a member of the choral group, the Future Teachers club and the Library club.

Other new officers are: Margaret Newmeyer, secretary; and Margaret Kerr, treasurer. Installation of these officers will take place at the first student assembly.

## St. John's Plans Harvest Festival

Harvest Festival, which is one of the oldest festivals recorded in the Bible, will be observed at all the services at St. John's church, 574 Sheldon road, Plymouth, next Sunday, October 2.

In accordance with tradition, the church will be decorated with symbols of the harvest — fruit, vegetables, flowers, corn and grain which will be brought by the parishioners for the occasion.

Special music will be offered by the choir. The guest preacher will be the Rev. Robert H. Whitaker, M.A., Ph.D., director of the School of Theology of the Diocese of Michigan. The public is cordially invited.

# It's New Model Time Again!

**FORD FALCON** — This 1961 Fordor sedan features a new convex-shaped aluminum grille and new optional 101-horsepower engine. It's on display at John Mach Ford Sales in Northville.

**FORD GALAXIE** — This new Club Victoria is a new model in the Ford line featuring new styling. The new Fords are nearly four inches shorter and two inches narrower for greater maneuverability, and introduce 36,000 mile lubrication. They're on display at John Mach Ford Sales in Northville.

**OLDSMOBILE** — All new and distinctive styling motif for 1961 is exemplified by this Super 88 Holiday Sedan, a four-door hardtop. Overall length of the 88's has been reduced three inches. It's powered by the 325-horsepower Skyrocket engine. It will be seen soon at Rathburn Chevrolet Sales in Northville.

**F-85** — Entering the low price field this fall is the all-new, smaller Oldsmobile, the F-85. Built on a wheelbase of 112 inches, its overall length is 188.2 inches. Shown above is the four-door station wagon. The F-85 will be shown in Northville at Rathburn Chevrolet Sales.

**PONTIAC** — This is the rakish four-door Vista hardtop in the new 1961 Bonneville series. Curving windshield pillars, a slim line roof, and crisply defined side windows create a new custom appeal. It's coming soon to Berry Pontiac in Plymouth.

**THE TEMPEST** — Pontiac's entry in the smaller car field. It's built on a 112-inch wheelbase and features a 4-cylinder, front-mounted engine, rear transmission and an overall length of 189.3 inches. It'll be on display soon in this area at Berry Pontiac in Plymouth.

## NOTICE OF PUBLIC HEARING

TIME: TUESDAY, OCTOBER 18, 1960—8 P.M.  
PLACE: NORTHVILLE CITY HALL

The Planning Commission for the City of Northville has, on its own motion, proposed the amending of the Zoning Ordinance of the City of Northville in the following respects:

1. To amend the Text of the Zoning Ordinance to permit professional business, professional offices and clinics in a C-2 General Commercial District.

Please take notice that a Public Hearing will be held on the above described addition to the Text at the time and place specified above.

Notice is further given: That the Text showing the above proposed Amendment is on file and may be examined at the City Hall during the regular office hours.

This notice is given pursuant to the provisions of Section 4, Act 207 of the Public Acts of Michigan for 1921, as amended.

(Signed) GEORGE ZERBEL,  
Chairman, Planning Commission

## Now Is The Time to Plant Grass

## Minutes of The Northville Board of Education

The meeting was called to order at 7:30 p.m. by President Robert H. Shafer.

Present: Mr. Shafer, Mr. William B. Crump, Mr. Donald B. Lawrence, Mr. Edward F. Angove, Mr. James F. Kipfer, Mr. Wilfred C. Becker.

Absent: Dr. Waldo T. Johnson. Others Present: Superintendent Amerman; Assistant Superintendent MacLeod; Principals Ellison, Smith and Kay; Mr. William Hensch; Mrs. James Ross; Mrs. Joan Angle; Mrs. Gladys Weiss; Mr. Francis Gazlay.

The minutes of the last regular meeting and a special meeting held on August 16th were read by the secretary and there being no additions or corrections they were approved as read.

Communications:  
1. Copy of letter from Eberle M. Smith Associates to Walter L. Couse and Co., re defective hinges on high school doors.

2. Family of Joe P. Wilkinson, expressing appreciation for flowers sent to him at his death.

3. Michigan Association of School Boards, re election of officers.

4. McFadden Corporation, advising that school bus contract has been purchased by Michigan National Bank of Lansing.

5. Elementary Teachers Curriculum Committee, invitation for Board to meet with the Committee on the 28th for a dinner meeting in the high school cafeteria, at which time the teachers would like to present the curriculum guide they have been working on.

6. Northville Township, regarding renewal of lease on Waterford School building for five years.

Report of Superintendent:

1. State Aid: Supt. announced that the first payment of 1960-61 State Aid, in the amount of \$35,768.00, has been received, also reimbursement for the Driver Education program in the amount of \$3,792.00. This allows \$24 per child for 159 students. Actual cost of the program is probably nearer to \$38 per student.

2. Vocational Education Reimbursement: Supt. announced the receipt of \$1,166.

3. Supt. advised the Board that he has arranged for the calling of \$15,000 worth of bonds of the 1954 issue, as per the instructions of the bond issue.

4. Finances: application for permission to borrow against 1960 taxes has been made to the Municipal Finance Commission, but some further information is required by the attorney-general before approval can be given.

5. School Enrollments: 1,890 as of September 12. The elementary principals are recommending the employment of another kindergarten teacher for half days, but the Supt. is not ready to approve this. It was moved by Mr. Lawrence, supported by Mr. Crump, that this be left to the discretion of the administrators. Carried.

6. Tuition Rates: It was moved by Mr. Crump, supported by Mr. Angove, that maximum tuition rates for 1960-61 be set as follows: High School, \$528.27; Elementary, \$510.31. Motion carried.

7. Sale of Used Buses: Mr. Ellison reported that buses No. 3, 5 and 6 have been sold for \$300, \$500 and \$550, respectively. Mr. Ellison has been unable to obtain a better offer than \$50 for Bus No. 2, and the Board instructed him to sell it for this amount.

Report of Secretary:

The Secretary reported the following monies received during August, 1960: State Aid, balance of 1959-60, \$28,654.35; first payment of 1960-61, \$35,768.00; Delinquent Taxes, Northville Township, \$5,252.08; Novi Township, \$239.26; Vocational Ed., \$1,166; Driver Education, \$3,792.

Report of Treasurer:

The following balances were reported at August 31, 1960:  
General Fund \$100,034.54  
1936 Bond and Coupon Account 120.00  
1949 Debt Retirement Fund 2,416.22  
1954 Debt Retirement Fund 16,572.19  
1957 Debt Retirement Fund, Series A 12,442.58  
1957 Debt Retirement Fund, Series B 35,094.84  
1957 Debt Retirement Fund, Series C 13,739.99

Building and Site Fund 3,368.21  
Cafeteria Account 1,195.25

It was moved by Mr. Angove, supported by Mr. Kipfer, that the report of the treasurer be accepted as given. Motion carried.

Report of Special Committees:

1. Curriculum Committee: Mrs. James Ross, chairman of the Curriculum Committee, requested the Board to set a date to meet with the Committee to hear and discuss the Study of the Gifted which the Committee has prepared. It was decided that this meeting will be held in the Junior High library on October 4th at 8:00 p.m. Mrs. Ross also brought to the attention of the board the fact that this report will complete the work of the current curriculum committee and in order for it to continue functioning, the committee will need a new charge from the board. Board advised Mrs. Ross that they will take the matter under advisement.

Report of Auditing Committee:

The Auditing Committee reported bills and payrolls approved for payment as follows: Payrolls, \$39,400.65; General Fund bills, \$9,595.00; Building and Site bills, \$37,555.36. It was moved by Mr. Becker, supported by Mr. Lawrence, that bills and payrolls be paid. Motion carried.

Unfinished Business:

1. Community Center Purchase: Mr. Littell advised the Board that his examination of the title and abstract on the Community Center property shows that the title is good and the deed may now be consummated. The Board instructed the Supt. to have a check prepared for \$145,000 and given to Mr. Littell for transmittal to the City, and instructed Mr. Littell to prepare a formal request for the vacation of West Street, to be presented to the City when the purchase is consummated.

2. Paving of Center Street: Mr. Littell discussed this matter again with the Board and it was decided that Mr. Lawrence should attend a meeting of the City Council to officially request a formal, written proposal following the lines of the school code.

New Business:

1. Lowering of Water Main: Mr. Lawrence advised the Board that he had obtained two bids for the work of lowering the water main to the baseball field, one from Paul Palmer for \$791.50 and one from Wm. Taft & Son for \$907, and had arranged to have the work done by Mr. Taft. Board approved.

2. Grading of Practice Field: Secretary Lawrence read the following bids for this work: Paul Palmer, \$1,375; Wm. Taft and Son, \$1,750. It was moved by Mr. Crump, supported by Mr. Kipfer, that the bid of Paul Palmer be accepted. Carried.

3. Seeding of North Slope: Two bids, or prices, were received, one from Green Ridge Nursery for 3 1/2 c per square foot and a verbal price of \$350 per acre from N. B. Hummon. President Shafer appointed Mr. Lawrence to work out the best solution for this matter with the assistance of Mr. Penn.

4. Gate at Taft Road: prices have been obtained for a gate at the Taft

Road entrance to the athletic field, as follows: \$414 for a 30 ft. and \$300 for a 20 ft. gate, both prices from Wayne Fence Co., who installed the fencing. Mr. Kipfer and Mr. Angove and Mr. Crump were appointed to investigate this matter and proceed with the work in the best interests of the school.

5. Moving of Gasoline Pump: administration would like to move the pump from the area back of the Community Center to the high school, at a cost of approximately \$200. It was decided instead to investigate the possibility of putting a second tank and pump at the high school.

6. Backstop for Tennis: moved by Mr. Lawrence that a lining of three-

quarter inch plywood, at a cost of approximately \$200 be placed on one of the Junior High gym walls as a partial solution to the need for a tennis practice area. This to be subject to the approval of the principals and the athletic director. Supported by Mr. Crump. Motion carried.

7. Robinson Drainage Problem: Mr. Frank Robinson has called to our attention the fact that the grading of the athletic field is causing a drainage problem on his property. Mr. Penn was instructed by the Board to do whatever possible in the final grading to care for this problem.

8. Building and Site Fund Balances: discussed disposition of remaining funds. Each principal presented

a list of things needed which could be bought with the approximately \$30,000 remaining. It was decided to purchase the most immediate needs of each building, to a maximum amount of approximately \$3,000 per building.

9. Special Meeting: there being still a number of items which time did not permit caring for, it was decided to hold a special meeting of the Board on Tuesday, September 27th at 7:30 p.m.

Adjournment: It was moved by Mr. Lawrence, supported by Mr. Kipfer, that the meeting be adjourned, at 12:45 a.m.

Donald B. Lawrence  
Secretary

## In Uniform

Col. Van Atta

Army Colonel Waid H. Van Atta, son of Mr. and Mrs. Fred E. Van Atta 136 East Cady street, is attending the Army War College at Carlisle Barracks, Pa. The 10-month course is scheduled to be completed in June 1961. The army's senior school prepares selected officers for future assignments to top staff and command positions in the Armed Forces of the U.S. and other key government positions.

Colonel Van Atta entered the army in 1937 and was last stationed in Washington, D.C. The colonel is a 1932 graduate of Northville high school. He received a B.S. degree in 1937 from Michigan State university, an M.S. degree in 1947 from Harvard university.

## Tariffs Taboo

London, England — Every young person should be "protected" until he or she is 14 to 16 years of age. If the youth shows any natural resources, he or she should be protected or "subsidized" through high school and perhaps in college, but no longer.

The same economic principle should be applied by nations. The U.S. had nearly all the natural resources — including cheap labor — when it adopted a protective tariff. It had timber, oil, iron, gas, copper, water power, and the climate to raise cotton, cattle and grains. A protective tariff was then justified in order to give industry a start.

But to give the U.S. protective tariffs now, when it no longer has cheap labor, would be foolish and in the end make conditions worse. The same applies to Great Britain and most of Europe.

The formation of the six- and seven-nation European groups which have united to provide central markets for their products and eliminate trade barriers is a wonderful step forward which United States manufacturers and labor should watch.

Since my last article on Ireland, I have studied the Emerald Isle most intensely. It has three basic natural resources: Good soil, plenty of rain, and fine pasture land for cattle and sheep. It, however, lacks timber, coal, oil, gas and sunshine. It has no iron, only a trace of copper; but much cheap labor. Common labor is happy with \$3 per day and skilled labor with \$6 per day since living costs are very low.

The future of Ireland is agriculture, principally livestock. The main manufactured products which appear to pay are cement and sugar made from sugar beets. There are also great possibilities for further development of the tourist business, especially hunting, fishing and mountain climbing. Yet the Irish government is making a serious effort to attract factories — with tax

exemption to other helps. The most interesting experiment is being made eight miles north of Killarney by the "H-C" Crane Works. This is a German concern which is importing its iron, making it into cranes and heavy machines and exporting all their products (selling none in Ireland) to all parts of the world. All from 9 a.m. to 6 p.m. — for \$8 to \$12 per week. I visited a skilled carpenter, the father of a man in my office at Wellesley whom I pay \$8,000 a year. This carpenter gets \$4.28 per day.

But the living here is cheap for working people. Everyone has good food and warm clothing and a good time. The weather is bad; but the people are healthy. A person in the U.S. who is retiring on a pension Ireland hopes these Germans will succeed.

England has a small amount of iron and coal which, with good workers, has made this an industrial nation without the need of protective tariffs except as to luxuries. England's skilled labor and financial ability has made its bankers a power in world finance, insurance and shipping.

The French people are not too well informed on economics, but Southern France has a fine climate for raising grapes and other fruits. Hence, it is leading the world in making fine wines, perfumes, fashions and other luxuries. (Our California is fast catching up.)

Germany has steel and much cheap skilled labor; but Italy appeals most to me. It leads the world in plastics, and is fast developing a great business in automobiles and machines of all kinds.

Finally, just a word about leaving the U.S.A. and working in Europe. Except for young people who like farming and stock-raising, the opportunities in Ireland and France are slight. The clerks work should think of coming here to live instead of going to California, Arizona, or Florida. With a pension check coming every month from the "good old U.S.A." he could live here like a millionaire and have a long, healthy and happy life.

In West Germany and Italy there are more opportunities for young people, with progressive factories for making all kinds of machines, textiles, plastics, etc. But you must work; no coffee breaks or labor unions. Even the waitresses in the hotels run. Everyone is "on their toes". These European countries do not need protective tariffs.

## SPEAKING for the Record

By Bill Sliger

Credit for the successful Citizenship Banquet last week must go to Herman Moehlman, young Northville attorney who is vice president of the Coordinating Council.

Moehlman took his job as chairman of the annual event seriously and his hard work was rewarded with a full house on hand to pay tribute to 22 new citizens.

Principle speaker was the Honorable Theodore Souris, state supreme court justice, who proved conclusively that the average citizen doesn't know the names of his circuit and supreme court judges. Souris partially blamed the judges themselves for this anonymity, but emphasized that it was the voters' duty to be informed before casting their ballot for such an important position.

It's interesting to note that Justice Souris upheld Michigan's system of selecting its judges through its political parties.

Last year the 21'ers banquet speaker, Dr. Arthur Bromage of the political science department of the University of Michigan, advocated changing the system.

On this point, Dr. Bromage gets our vote. We would hope that this might be a consideration of the proposed constitutional convention, providing the con-con wins voter support in November.

A telegram of congratulations was read at the banquet from Mrs. Samuel Geraci, now residing in Tavares, Florida, who was honored last year for her work with the Coordinating Council. Mrs. Geraci was active in promoting the annual tribute to new voters since its beginning in 1939.

She kept the only complete scrapbook of the events and turned it over to the library when she and her husband moved to Florida last year.

At the banquet, incidentally, 21'ers and new citizens were urged to register for the November presidential election. And clerks from Novi and Northville were on hand to make it downright simple to do. Those that had not yet registered signed up and can now look forward to their first opportunity to exercise their right to vote.

Area clerks are reporting their highest registrations — the township is around 1,750 and the city 2,100 — but time is running out.

If you have moved to the area from another part of the state more than 30 days ago (or from outside the state more than six months ago), you are eligible to register with your local clerk.

If you have failed to vote in the last presidential election here and have not voted since, you must register to vote in November.

Monday, October 10 is the deadline. Your clerk will be on duty from 8 a.m. until 8 p.m. that day and will be available during regular office hours until then.

It takes but a few moments of your time. And what better reminder could we have than the current United Nations' gathering to emphasize the importance of this American heritage.

It was a field day for TV fans who like their football Sunday afternoon. But chances are none enjoyed themselves as much as Northville's Police Officer Gill Glasson and his son. "You're out of your minds," scoffed Mrs. Glasson as she walked into the living room to find three sets tuned into three different games and Gill and Larry watching every play.

Speaking of football, disloyalty to his alma mater cost City Manager John Robertson \$10 last week end.

Robertson entered the newspaper's weekly football contest and tied the top entries with only four misses. But his prediction of the score on the Green Bay-Chicago game left him out of the prize money.

A U of M graduate, Robertson picked Oregon over the Wolverines.

## Michigan Mirror

## State Declares War on Dupsters

PEOPLE WHO TAKE money from Michigan citizens on false pretenses are under attack.

Attorney General Paul L. Adams and his staff have put into operation a program to warn consumers about the schemes and gimmicks that unscrupulous salesmen use to bilk the public.

The theory behind the program is that if people know what to look out for, they won't be susceptible to fraud or near-fraud.

"It has become apparent that the rapid expansion of consumer frauds and unfair trade practices is a recognized statewide and nationwide phenomenon of concern to all of us," Adams said.

He has recruited representatives of reputable business and trade associations, lawyers, legislators, state and federal officials, educators, civic leaders and members of the press, radio and television outlets to work in the fight against fraud.

Worthwhile results of the program have already started to show up,

Adams said.

"As a part of our consumer's protection program, we have been distributing bi-weekly articles to all newspapers, radio stations and TV stations, alerting the public to various schemes and gimmicks designed to bilk the consumer," he said.

"The fine cooperation of these news agencies has been paying off," Adams said.

"We are beginning to hear from consumers who read or heard of these warnings in time to save them from falling for some fraud. It is through such cooperation between public agencies and the press, radio and TV that we can continue this fight to protect the consumer's dollars," he said.

A chief target of the attorney general's campaign has been the door-to-door salesman.

Householders are constantly in danger from persons who arrive selling anything from over-priced merchandise to complete home repair service which is either not provided or shoddy.

The scope of the battle will eventually extend to shady operators in all fields.

THE MICHIGAN STATE Chamber of Commerce has picked seven major challenges facing Michigan businessmen as problems to overcome in reaching the state's economic potential and rebuilding its national image.

Echoing politicians of both parties, the Chamber put creation of new job opportunities first on the list.

"Michigan has the manpower, the materials, the mental capacity, the management experience and the opportunity," said Harry R. Hall, executive president of the newly formed body.

"With the proper leadership, unstinted cooperation and some good old-fashioned hard work, Michigan's economic expansion is limited only by the effort we are willing to exert," he said.

Other challenges listed by the state chamber: Legislation to help bring employers to Michigan. An overhaul in the

state's tax structure. Expanded personal political participation by businessmen. Better communications to help businessmen understand the economics of doing business. Revitalizing and restyling the image of Michigan, and a united voice of businessmen to fight all the other challenges.

"Our job is to promote, publicize and sell Michigan's magnificently good qualities to the rest of the nation, and in some cases to the people of Michigan," Hall said.

MICHIGAN MISSILEMEN take a backseat to nobody when it comes to accuracy.

The Michigan National Guard said recently two Nike-Ajax missile batteries — both from the Detroit area — each scored two hits in two tries at a recent training exercise in Fort Bliss, Texas.

The four successful firings were all at ranges of more than 15 miles. "Both batteries gave an outstanding performance while on the firing range," said Major General Ronald D. McDonald, the Adjutant General of Michigan.
