

WITH SMILES as broad as their jack-o-lantern Jody LeWitter and John Forrer reflect enthusiasm typical of all children as they anticipate Halloween next Monday night. Jody and John are preparing for the big "tricks or treats" day at their Cooperative Nursery class at the First Presbyterian church. Jody is the daughter of Mr. and Mrs. Robert LeWitter of Novi and John is the son of Dr. and Mrs. Gordon Forrer of Northville.

Treats 'n Games On Tap Halloween

An army of goblins and witches will ride into Northville again Monday night — and no doubt many of them will be looking for some of the treats to be handed out at the community building.

It'll be Halloween Eve — the night youngsters dress to scare the

They'll Call For UNICEF

Costumed Halloween trick-or-treaters in Northville will once again be asking local parents to drop their extra pennies, dimes and nickles into special UNICEF (United Nations International Children's Emergency fund) cartons on their "begging" rounds.

Sunday school children at the First Presbyterian, First Methodist, and First Baptist churches will receive the cartons this Sunday and return the donations Sunday, November 6.

Local contributions last year totaled \$155. The funds are used by the United Nations agency to provide eye care, glasses, milk and other medical assistance for needy children in foreign lands.

1961 Licenses on Sale Here Next Tuesday

The Northville branch of the secretary of state's license bureau has been re-opened with the appointment of Edward C. Hanson as local agent.

Hanson, owner of Oakland Paving company, will handle distribution of the plates in his office at 122 West Main street.

The location is the same as formerly occupied by John Litsenberger, who suffered a concussion last June and retired as local agent.

Hanson announced that 1961 tabs will go on sale Tuesday, November 1. His office is open daily from 9 a.m. until 5 p.m. and Saturdays from 9 a.m. until noon.

BEST HUNTING EVER — Many hunters throughout the Northville-Nowi area reported more birds and better hunting during the first week of the small game season than in previous years. And by the looks of the picture above, pheasants are either plentiful or Charles Akins, 44190 Grand River (left) and his son-in-law, Archie Richardson, 979 Allen drive, are extremely good shots.

Happy Problem Here

Poll Jam - Up Worries Officials

As November 8 draws nearer, city and township election officials are becoming increasingly fearful of a common problem — a tie-up of voters at the polls.

Though the problem is a happy one, it still leaves poll officials with a situation that can become highly disagreeable if precautions are not taken.

First of all, City and Township Clerks Mary Alexander and Marguerite Northup appeal to all residents to vote early and during mid-day hours if possible.

Polls open at 7 a.m. and close at 8 p.m.

Secondly, both officials have appealed to voters to be certain they know their voting precinct (see map).

And finally, all voters will be warned against taking too much time behind the curtains of the voting machines.

Two minutes has been determined as the absolute limit, but officials agree that one minute is sufficient.

Sidney Frid, custodian of the city voting machines, has indicated that voters will be reminded of this time limit when they enter the machines.

City and township officials point out that a voter can reduce his time behind the curtain by:

- knowing how to operate the machine properly;
- having a knowledge of what the issues are and who the candidates are and knowing how you wish to vote.

A list of all the candidates and proposals on the ballot will be published in next week's edition of The Record. An explanation of the proper manner to operate a voting machine follows in this article.

All of Northville's voting precincts now have voting machines — but only two machines per precinct.

Registration in Northville township's precinct number one is 910 and in number two, 988. The city has 946 registered voters in precinct one, 907 in two and 553 in three.

Absentee ballots are now available at both the city and township halls. Deadline for obtaining an absentee ballot is 2 p.m., Saturday, November 5. Both offices will be open on the final day.

Here are instructions for using the voting machine:

1. Turn SWITCH LEVER to Right and leave it there. This closes the curtains and unlocks machine.

2. To Vote a STRAIGHT TICKET: TURN DOWN the Lever of your party. Your Party Ticket has now been registered.

3. To Vote a SPLIT TICKET: TURN DOWN your PARTY LEVER. TURN UP the Lever at the Right of the Candidate's name you wish to eliminate and TURN DOWN the Lever at the Right of the name of the candidate for whom you desire to vote.

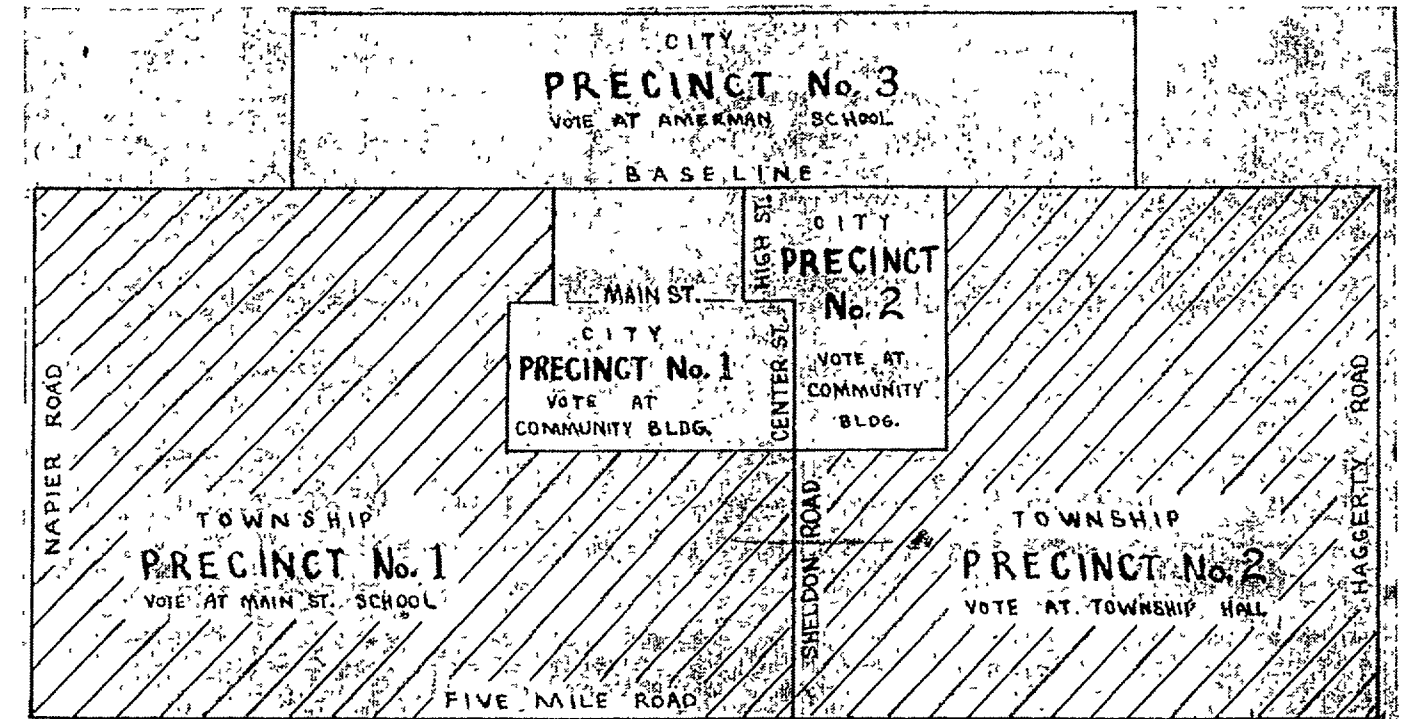

4. To Vote a MIXED TICKET: DO NOT turn any PARTY LEVER but TURN DOWN the Lever at the Right of the name of each candidate for whom you desire to vote.

5. To Vote the NON-PARTISAN BALLOT: (Located in the BLUE

SECTION of the machine) TURN DOWN the Lever at the Right of the name of each candidate for whom you desire to vote. Vote for the number of candidates to be elected as indicated under the office title.

6. To Vote the AMENDMENTS: (Located in the RED SECTION of the machine) TURN DOWN the "YES" or "NO" Lever at the Left of each question in the columns at the extreme RIGHT of the voting machine.

7. Turn SWITCH LEVER to LEFT. This records your vote, clears machine and opens curtains.

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 90, Number 23, 16 Pages

Northville, Michigan, Thursday, October 27, 1960

10c Per Copy, \$3.00 Per Year in Advance

19 PAST PRESIDENTS of the Northville Rotary club, together perhaps for the first time in the club's 34-year history, were honored Tuesday night at the First Presbyterian church. The occasion was the club's annual Guest Night dinner program. Chairman of the program was Richard Kay and principle speaker was Frank Henderson, past district governor. Picture above (front row, l. to r.) are: M. C. Gussell, T. G.

Hegge, R. H. Amerman, H. B. Smith, R. D. Lorenz, C. H. Johnson, L. C. Sullivan, and President J. M. Miller; (rear, l. to r.): C. N. Frid, C. A. Scholtz, P. R. Ogilvie, R. H. Steinhilber, A. H. Schnute, E. E. Rossow, L. G. Lee, P. C. Angove, T. R. Carrington, E. L. Mills and E. M. Bogart.

Prepare to Study Community College

Northville's Citizens Curriculum Study Group will hold its first meeting of the 1960-61 academic year next Tuesday and begin plans for its new study — the community college.

The group is composed of citizens interested in improving and advancing the local school system

and membership is open to anyone interested in their projects of study.

Now in its fifth year the group has completed a comprehensive study of the Northville elementary and secondary curriculum and also prepared a special study on the "gifted child".

Tuesday's meeting will be held at 8 p.m. in the junior high school library.

In addition to making plans for the community college study the group will elect officers. Current chairman of the group is Mrs. James Ross with Mrs. Frank Angle, vice chairman, and Jack Swan and Mrs. C. W. Whittlesey, secretaries.

For its next assignment the curriculum committee has been asked by the board of education to determine the need for a community college in the Northville area. A similar study has been conducted during the past three years by the school districts of Plymouth, Livonia, Redford Union, South Redford, Clarenceville and Garden City.

Specifically, a community college is an institution of higher learning which generally offers high school graduates a general curriculum comprised of less than four years of study.

As a result of the efforts of the six-district Northwest Wayne County Community College group Michigan law has been amended to allow school districts to join together for the purpose of establishing a community college.

In the event that the study by the Northville group shows a definite need for a community college for local high school graduates the school board has indicated it would be interested in the committee establishing such factors as proposed

(Continued on Page 4)

Board to Examine School Help Needs

A special three-man committee composed of School Board Members Wilfred Becker, James Kipfer and Edward Angove volunteered Monday night to work with Superintendent Russell Amerman and Dr. Kenneth MacLeod, assistant superintendent, on a complete survey of administrative assignments and responsibilities in the Northville school system.

The question of hiring additional personnel on the administrative level, possibly a business manager, prompted the proposed study by the two top administrators and three school board members.

At the board's Monday night meeting, members aired their views on the possible establishment of a business manager's position for local schools. Noting the prevalence of rumors and conflicting opinions stirred by the issue, Superintendent Amerman outlined his sentiments in a formal report to the board.

The superintendent offered in his written report the following matters which he deems worthy of consideration:

- "Priority on teachers' salary schedule;
- "Type of position to create and the responsibilities to be assigned. Should the position be that of business manager, or should it be purchasing agent, or something else;
- "We must spell out the qualifications of the position. For example, a purchasing agent could be a person with much less experience and professional preparation, and

OLV Mothers' club, 8 p.m., church social hall.

For UF Drive

Fourth Down Goal to Go!

With the end of Northville's 10-day United Foundation drive just two days away campaign chairmen have reason to worry about hitting their respective goals.

The drive began October 18 and closes Friday. The biggest effort — a door-to-door residential collection by some 100 volunteer workers — had netted \$1,213.82 early this week.

This is \$1,000 short of the goal.

Collections of \$674 were reported this week in the business drive. The goal is \$1142.

In the schools about \$250 has been collected of the \$400 goal.

Government and "special prospects" contributions are expected to bring about \$2,800, but no report on these campaigns has been recorded.

In total Northville's goal has been established at \$6,000 — a figure topped last year by \$200.

Individual drive chairmen are still hopeful that a last minute surge of contributions will carry the local campaign over the top.

Mrs. Harold L. Wright, chairman of the residential drive, reports that many calls remain to be made.

More than half-way to their goal, Mrs. Wright is hopeful that by Friday night the fourth annual UF drive will again have topped its goal locally.

A Russell Clarke, chairman of the business drive, reported "slow" collections, although his team of 10 solicitors still have a number of business firms to call upon.

In the schools Mrs. James Kipfer is in charge of the total collection. Wednesday she reported that approximately \$250 had been collected.

Students Sponsor 'Good Voter' Film

A 28-minute film, "Where Were You?" narrated by the late Joseph Welch, will be presented by students of Teacher Michael Abbott's seventh grade social studies class next Wednesday evening (November 2) in the Community Building.

The film, a product of the Ford Motor company, has won high acclaim for its appeal to citizens to "think before you vote".

Student Margaret Becker is chairman of the class "voter committee", formed by the junior high schoolers to boost registrations and voting in Northville. She will conduct the program that will include a demonstration of the use of voting machines.

The meeting, open to the public without charge, will begin at 7:30 p.m., and is scheduled to conclude within one hour.

School Makes Annual Report

On page 14 of this edition the Northville public school system makes its annual financial and statistical report as required by state law.

The report is "dressed-up" somewhat with several pictures showing some of the accomplishments of the past year.

Accompanying the report Superintendent of Schools Russell Amerman points out that with the purchase of the Community Center this year the school system has completed its building and equipment program undertaken in 1954.

Superintendent Amerman includes in his report to the board of education a note of important matters still to be solved. High on this list of eight items are teachers salaries, the community college, finances, the need for additional general office space and more adequate budgeting and purchasing control for the expanding system.

In examining the report the reader should note two things — one an error, the second a statement of debt retirement fund receipts that was not included in the report.

The error appears in the "total general fund balances on June 30, 1960". The figure should be a "minus" \$1,432.50. Instead the addition of the general operating fund deficit of \$-1,732.69 and the cafeteria revolving fund balance of \$291.18 is shown as \$1,432.50.

A summary of fund balances as of June 30, 1960 including the debt retirement fund is as follows:

General Fund - \$1,432.50
Building and Site Fund \$37,191.02 (cash) and \$225,000 (investments) total \$262,191.02;
Debt Retirement Fund \$84,767.83 (cash) and \$28,612.75 (investments) total \$113,380.58;
Total \$120,526.35 (cash) and \$253,612.75 (investments) for a total fund balance as of June 30, 1960 of \$374,139.10.

The treasurer's bank balance for June 30, 1960 shows total bank balances of \$164,934.87 minus outstanding checks of \$44,408.52 for a net balance on hand in the bank of \$120,526.35.

about WOMEN

News Around Northville

Joseph H. Austin, father of Mrs. S. F. Campbell, returned by jet to his Los Angeles home last Tuesday morning. Since July 6 he had been visiting with Dr. and Mrs. Campbell at their Horton street home. Mr.

Austin during his stay also traveled to Sutton's Bay to see another daughter and son-in-law, Dr. and Mrs. L. B. Young.

Births

Parents of a new daughter October 19 were Mr. and Mrs. Thomas C. Goodale of 22001 Taft road. Kimberly Mae Goodale, weighing six pounds, six ounces, was born at Detroit Osteopathic hospital.

Grandparents in the area are Mr. and Mrs. H. A. Ackerman and Mr. and Mrs. Jesse Muns of Northville and Mr. and Mrs. James H. Goodale, Sr. of Plymouth.

Mr. and Mrs. F. C. Myers and Mrs. A. J. Goodale of Carpenter street are great-grandparents.

A son, Brian Patrick, was born to Mr. and Mrs. Bruce Turnbull of 350 Eaton drive October 19 at St. Mary hospital in Livonia. He weighed seven pounds, 11 ounces.

A daughter, Paula June, was born to Mr. and Mrs. Paul Palmer at University hospital in Ann Arbor October 20. She weighed eight pounds, three ounces at birth. The Palmers reside at 761 Thayer.

Mr. and Mrs. James Angevine, 42132 Six Mile road, announce the birth of a daughter, Lorann Louise, at St. Mary hospital, Livonia, on October 6.

Grandparents are Mr. and Mrs. Lawrence Riley of Novi and Mr. and Mrs. John Angevine of Plymouth.

She Reads Aloud To Club's Delight

"I like to think of him as the man who had the longest conversation with God on record."
Martha Ryan Beck, a scholarly woman who salvaged early acting

aspirations by choosing her present career as a housewife-dramatic reader, was describing Job, the Biblical character currently paralleled by playwright Archibald MacLeish's "J.B."

Mrs. Beck appeared before the Woman's club last Friday afternoon. She summoned her best dramatic bent and bounteous literary knowledge in relating the Job of old to his modern counterpart.

She dramatically sketched the lives of both men by reading selected passages from the Biblical narrative and MacLeish's text.

Compassion, intimacy and a perceptive grasp of her subjects were Mrs. Beck's dramatic pawns and she used them adeptly to captivate her Woman's club audience.

Both Job and J.B., according to Mrs. Beck's readings and commentary, knew fortune followed by famine. Both puzzled over the fate God had apparently etched out for them. And both emerged from the tragedies they experienced, regaining once more much of what they had lost.

Despite the obvious similarities between the lives of Job and J.B., Mrs. Beck maintained that the story of Job illustrated man's relationship with God, while "J.B." on the other hand, portrayed man's relationship with man.

In addition to her appearance before local groups, Mrs. Beck lectured in the Los Angeles area, Seattle and Honolulu. She holds degrees from Colorado university, Washington university and the University of Michigan and she has studied at Columbia, the Union Theological seminary and the University of Hawaii.

Northern Lites Install New Officers

Installation of officers and a "Know Your Local Government" discussion dominated the agenda at the last meeting of the Northern Lites club of Northville, Wayne county home economics extension.

Mrs. Robert Horner of South Rogers street hosted the women.

Mrs. Milton Rowe of the Cass Hough Extension group in Canton Center, installed the following officers for the year 1960-61:

Mrs. William Hensch, chairman; Mrs. Howard Atwood, vice-chairman; Mrs. Robert Horner, secretary-treasurer; Mrs. Ward Schultz, news reporter; Mrs. Harold Seden, recreation leader; Mrs. Edward Mollama, historian; Mrs. Andrew Orphan, marketing; Mrs. Floyd Gregory, fashions; Mrs. Frederick Spetz, literature; Mrs. John Ling, citizenship; Mrs. Clifford Sinden, health, and Mrs. Florence Hart, family.

Northville's city government was outlined in the project lesson presented by Mrs. Hensch and Mrs. Mollama.

The next meeting, scheduled November 21, will be at the home of Mrs. Clifford Sinden, 24740 Taft road.

Observe Anniversaries

65 YEARS of marriage were observed October 24 by Mr. and Mrs. D. C. Alshouse of 127 East Cady. The couple was married in 1895 in Goshen, Indiana. They have resided in Northville for five years. Mr. Alshouse is 89 and Mrs. Alshouse, 85. The couple enjoyed a family dinner to celebrate the occasion Sunday. Their daughter is Mrs. Henry Ward, also of 127 East Cady.

THE MAYOR and Mrs. A. M. Allen were married 25 years ago, October 19, 1935. And Sunday afternoon they celebrated the event with an open house given by their son and daughter, James and Sharon, at the Allen's 490 Griswold residence. Mr. and Mrs. Allen were married at the First Presbyterian church in Northville. Mrs. Allen is the former Inga Staman. Friends and relatives from Flint, Durand, Lincoln Park, Cadillac, Northville and Novi attended the open house.

OLV Moms to Hear Fashion Talk Tuesday

Mrs. Rosella Bannister, Wayne County Extension agent, will discuss "Fashion on a Budget" at the regular meeting of Our Lady of Victory Mothers' club next Tuesday at 8 p.m. in the church hall.

ABOUT JOB AND "J.B." — Mrs. R. J. Wright, 602 Fairbrook (left) and Mrs. James Cowle (far right) meet and compliment Mrs. Martha Ryan Beck (center), who compared and contrasted the Biblical Job and playwright Archibald MacLeish's "J.B." in her dramatic reading before the Woman's club last Friday afternoon at the Northville library. A resident of Grosse Pointe, Mrs. Beck is well known throughout the Detroit area for her literary lectures and dramatic readings.

Honorary Membership Is Garden Club's First

The honorary membership bestowed on Mrs. Glenn Cummings by the Northville branch of the Woman's National Farm and Garden association at its October meeting is the first such membership ever given by the club.

Mrs. Cummings, branch president in 1956-58, was awarded the membership in recognition of her devoted service to the organization.

She will be honored at the November meeting at the home of Mrs. John Burkman.

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

EVERYBODY'S BUSY — Since moving from Brighton two months ago, the Robert Budlongs and their four children haven't run out of things to do. Evelyn, 10; Alan, 14; Bob, 15, and Greg, 7, (left to right) are all in school. The head of the household is an engineer and student, while his wife has plans for volunteer work. They live at 4188 Quince drive, Orchard Hills.

Michigan's booming highway building program did its part in moving Robert and Josephine (Jo) Budlong and their four children from Brighton to the Northville area, but it took more than an overpass to persuade the Budlongs to pass over their communities in favor of ours.

The Budlong's Brighton home was situated a little too near an about to be revamped highway junction, so the state bought it. Their was no question about a move; their problem was where to move.

Their idea was to edge a little closer to the city without settling right in it. And having four school-age children, they would settle for nothing less than excellent schools.

Two months ago the whole family arrived at 4188 Quince drive in Orchard Hills. Today they're well settled in their new home, save for

some carpeting and furniture that is on its way.

Fifteen-year-old Bob, the Budlong's eldest son, is a junior at Northville high school and a center on the football team.

Alan, 14, is in his freshman year at Northville high, while Evelyn, 10, and Greg, 7, attend classes at Orchard Hills school.

Mr. Budlong is a student, too, but only on a part-time basis. During the day he's a project engineer with Ford Motor company in Dearborn and after work he's a student enrolled in night school classes at Henry Ford Community college.

"I'm just a housewife," sighs the lady of the house, not letting you know right off that she's already made plans to help the Novi blood bank and work with the girl scouts. "Yankee," a German shepherd

right from the old confederate stronghold of Mississippi, and "Ricky," a singing canary, are the Budlong's pets.

KITCHEN DIARY

Turkey Time is Just Around the Corner

It hardly seemed that we had a fair sampling of summer before it was time to send the youngsters back to school. And the trees and bushes hardly had time to show off their rich green cloaks before their leaves began taking on the brilliant golds, browns and reds of autumn.

Now Thanksgiving and Christmas are just around the corner. They're so close that Mrs. Walter Belasco of 790 West Main, our Kitchen Diary cook for this week, has suggested some recipes which she feels should prove very helpful for the approaching holidays and all the special menu planning they call for.

CRANBERRY, RAISIN ALMOND SALAD

Mrs. Walter K. Belasco

1 package raspberry gelatin
1 cup hot water
1 cup cold water
1 can cranberry sauce
½ cup seedless raisins (plump)
¼ cup chopped almonds.
Dissolve gelatin in hot water; add cold water; chill until partially set. Add cranberry sauce which has been beaten until smooth. Plump seedless raisins in hot water; drain; add to gelatin mixture along with nuts. Chill until firm. Sprinkle with chopped nuts before serving.

FRESH SPICED BRANDY PEACHES

6 fresh peaches
½ cup honey
½ cup water
1 cup brown sugar (firmly packed)
¼ cup vinegar

2 pieces whole stick cinnamon
2 tablespoons peach brandy
Plunge peaches into boiling water for one minute; run under cool water. (Makes skins easier to peel. Cut in half. Add peaches to mixture of honey, water, sugar and vinegar which has been simmered for 10 minutes. Add brandy; simmer 10 minutes. Keep spooning honey-brandy sauce over peaches. Serve hot or chilled as a garnish for pork, ham or poultry. Serves six.

TURKEY PIE — DANBURY STYLE

(Allow for each additional serving)
1½ ounces cooked white meat
1½ ounces cooked dark meat
1 tablespoon garden green peas
1 tablespoon young carrots (cooked tender)
1 boiled white onion, small (optional)

SAUCE

(Serves four)
4 tablespoons butter (level) or chicken fat
1 can mushrooms (small)
1 teaspoon Worcestershire sauce
Flour to thicken
Salt and pepper to taste
Turkey or chicken stock, broth

Cream butter or chicken fat with as much flour as will take up grease in a frying pan. Add salt and pepper. Gradually stir in turkey or chicken stock or broth until gravy is of desired consistency. Add mushrooms and Worcestershire sauce. Stir well;

remove from fire. Place meat, peas and carrots in casserole; divide sauce over them. Make pie pastry roll; cut to size larger than casserole; place over casserole. Perforate top slightly; trim edges; bake in oven until pastry is brown.

Girl Scout Troop 222 Meets, Elects Officers

At the first meeting of Girl Scout Troop 222 last Wednesday, October 19, the following officers were elected: Diane Crawford, president; Vicki Mueller, vice president; Kathy Miller, secretary; and Mary Lou Langtry, scribe.

They Study At Albion

Northville is well represented on the campus of Albion college according to fall enrollment figures provided by Marvin F. Pahl, registrar.

Albion juniors from Northville are Elsa U. Couse, daughter of Mr. and Mrs. Walter Couse of 45875 West Seven Mile road; James E. Hammond, son of Mr. and Mrs. C. M.

Hammond of 47100 Timberlane; and Sally D. Lemke, daughter of Mr. and Mrs. George Lemke of 20030 Westview.

Freshmen Nancy E. Beard, daughter of Mr. and Mrs. Paul M. Beard of 41261 Eight Mile road, and Raymond E. Dahl, son of Mr. and Mrs. Arthur R. Dahl of 7440 Salem road, are attending Albion for the first time.

Pontiac announces the Trophy V-8 Engine

NEW PRECISION AND ECONOMY IN THE ENGINE ROOM OF THE '61 PONTIAC!

A completely new fuel induction system gives this new free-breathing V-8 more air... to save you gas. Closer calibration of this big 389-cubic-inch engine gives you maximum thrust at half-throttle without over-carbureting.

We made the engine lighter; mounted it lower for better balance. An oil refill now takes only 4 quarts. Tailor your Pontiac power plant to your needs. There

are 11 versions to choose from. Horsepowers range from 215 to 348. (For best economy, specify the Trophy Economy V-8. Its lower compression lets you use regular gas.)

If this sounds a bit technical, just try a new Trophy engine soon. It's in all four Pontiac series. In one block, it will become clear why we've called this '61... all Pontiac!

THE ONLY WIDE-TRACK CAR!

Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure footed driving stability.

NOVI HIGHLIGHTS . . .

Mr. and Mrs. James Haas and children of West Grand River attended the 25th wedding anniversary of the latter's parents, Mr. and Mrs. Orville H. Donaghy in Redford on Sunday. There were approximately 40 relatives present for the occasion.

John Moyer of Plymouth and Howard Moyer of Lincoln Park spent Monday at the home of Mrs. Hildred Hunt on 11 Mile road.

William Hansor is slowly improving at St. Mary hospital in Livonia. He underwent major surgery Saturday, October 8.

Mr. and Mrs. Arche Richardson of Allen drive have a new daughter, Yvonne Clae. She was born at St. Mary hospital, Livonia, Saturday, October 15 Mr. and Mrs. Charles Atkins of West Grand River, Novi, are the grandparents.

Wesley Lawrence, son of Mr. and Mrs. Lawrence Boyd, Jr. and grandson of Mr. and Mrs. Lawrence Boyd, Sr. was baptized in the Novi Methodist church Sunday with the Rev. Nevin officiating. The godparents are William Boyd and Donna Harnden. Mrs. Elita Harnden is Wesley Lawrence's great-grandmother.

Novi Girl Scouts

Intermediate Troop 456 has had three meetings so far this year. The meetings are held in Mrs. Christman's room at Orchard Hills school. Their first meeting was an organizational meeting and they made plans and discussed projects for the coming year. They held an election with Kathy Erwin, president; Lynn McCormick, secretary; Becky Kwick, treasurer. The girls are working on the Dabbler badge as home project and closed with Friendship Circle. At the second meeting Kathy Erwin called the meeting to order, and had flag ceremony. Lynn McCormick took notes and Becky Kwick took dues. They each displayed articles they had made for the Dabbler badge. Kathy Erwin displayed articles from Spain in connection with 2nd class and discussed them with the group. They also talked about Juliette Lowe and made plans for a field trip. Kathy brought treats for the troop. They had two visitors, Mrs. Budmann and daughter, Evelyn, and closed with

the Friendship Circle and taps. Mrs. Kehr acted as leader during the absence of leader, Mrs. McCormick.

Intermediate Troop 602 met at the home of their leader and made popcorn balls, looked at a pattern book and patterns and discussed Juliette Lowe pennies. The following girls from this troop served at the Little League banquet: Linda Early, Mary Kay Smith, Lois Gattrell, Kay Gillett, Tanya Kehr and Susanne MacGillivray.

Intermediate Troop 149 is continuing their study of first aid, discussing artificial respiration and shock. They also discussed receiving of their Juliette Lowe Pennies.

Intermediate Troop 1027 had a fly-up at their meeting Those flying up were: Sylvia Lawrence, Cheryl Harris, Judy Bingham, Lynn Bentley, Annette Skellenger, Pat Henschell, Kim Kozak and Patty Trotter. Several mothers attended the meeting and were served refreshments of donuts and cider. This troop recently combined with 1023 under the leadership of Mrs. Ratcliffe.

There will be Service Team training session for Neighborhood Chairmen, Troop Organizer and Consultants at the Novi Community building Thursday from 9:30 to 2:30.

The recently scheduled Mothers meeting for third grade Brownie mothers to discuss forming new troops has been postponed from Nov. 2nd to Nov. 9th.

All meetings and registered adults are meeting at the Novi Community building at 3:30 for a party celebrating the 100th anniversary of Juliette Lowe's birthday. She was the founder of girl scouting and her birthday is October 31. The party is under the direction of Mrs. Robert Skellenger. Games and refreshments are planned as well as receiving girl scout pennies toward the Juliette Lowe World Friendship Fund. Each child and adult brings in as many pennies as they are years old to be used to further International Friendship.

Novi Baptist Church News

The Novi Baptist church is sponsoring a family Halloween party for all members of the Sunday school at Cockrum's barn. Everyone is to come in costume Saturday night, October 29, from 8 to 10. There will

be games and refreshments as well as a talent show under the leadership of Mrs. Andrew Childress and Mrs. Jack Anglin.

Last Sunday evening all teachers and workers in the Sunday school were honored at a special "thank you" service prior to the evening service. Refreshments of coffee and cake were served followed by the showing of two films, "The Visiting Teacher" and "Record keeping with the 6 point system". Approximately 26 were in attendance.

The following youngsters were promoted into junior church from primary church: Jimmy Welinius, Roger Dallas, Janet Warren, Karen Clarke, Melvin Guntzville, Keith Polak, Gary Teshka and Charles Foster.

Sunday evening Mr. and Mrs. Kenneth Wiggins of Lum, Michigan were guest speakers at the Novi Baptist church. Mr. and Mrs. Wiggins are candidates for overseas missionary work. They are being trained as missionary pilots and Wycliffe translators. Mr. and Mrs. Ted Burgess of Lum were also present Sunday evening.

Bazaar and Luncheon
The WSCS of Novi Methodist church will have their annual bazaar and luncheon next Wednesday, November 2 in the Novi community hall.

On the menu is swiss steak, mashed potatoes and gravy, green beans, tossed salad, hot rolls, homemade pumpkin and apple pies and tea, coffee and milk.

At the various booths you will find Christmas gifts, aprons, baby gifts, surprise packages, baked goods of all kinds. One pound packages of light and dark fruit cakes may be purchased from any of the members of WSCS.

Prepare

financing methods and means of supporting a community college.

The second meeting of the newly organized study group is scheduled for November 15 at which time Dr. Albert M. Ammerman, field coordinator for the Northwest Wayne County Community College citizens study committee, will be guest speaker.

In Willowbrook

By Mrs. George Ames
Greenleaf 4-0830

The Willowbrook Community Association is having its annual Halloween dance at Willowbrook Community hall, Ten Mile and Meadowbrook roads, from 9 to 11, on Friday, October 28. Music will be provided by the association. There will be door prizes and prizes for the best costumes. Admission is \$2 per couple.

Virginia Conrad was hostess to the Monday Pinochle club last week. Clara Zublick was a guest player. Sylvia Klerck won first prize, Kay Buck second, Clara Zublick third, and Vivian Musselman, booby.

Donald Thorpe and his son, Don, went hunting near Saginaw last Thursday and Friday.

Mrs. James McCloskey entertained Sue Murphy, Lucy Morrissey and Gale Lyons at luncheon Thursday.

Mr. and Mrs. Jack Tain have moved from Willowbrook to their new home in Northville township.

Mr. and Mrs. Louis Chismark and their children, Steve, Larry and

Beih attended the automobile show at Cobo hall Monday. They enjoyed dinner at Guffin's later in the evening.

Mrs. Kenneth DeHayes is a patient in Pontiac Osteopathic hospital.

June Anderson won the prize when the Thursday Bridge club met at the home of Irene McCormick last week.

Helen Brooks of Willowbrook is opening the "Helen Jane" beauty shop at Ten Mile and Meadowbrook roads November 1.

Mr. and Mrs. Jack Parent of West LeBost attended a cocktail party Sunday at the Grosse Pointe Farms home of Mr. and Mrs. Otto Hamlin.

Mr. and Mrs. Lloyd George played bridge with Mr. and Mrs. Ted Benson at their home in Livonia Hills Friday evening.

The Wednesday Bridge club met at the home of Dorothy Richmond last week. Virginia Barnes won first prize. Virginia Barnes won second, and Marguerite Parent, consolation.

Joan Gould was hostess to the Willowbrook III Bridge club Wednesday. Jerri Gilvin won first prize and Shirley Thorpe won booby.

Mr. and Mrs. George Ames and their children, David, Rolf, George and Marilyn, spent Sunday in Detroit with Mrs. Pearl Ames, Charles Ames and Mr. and Mrs. Douglas Thackway.

Gates Marks 35th Year With Mich Bell

Aubrey A. Gates, 9643 Napier road, Northville, will celebrate his 35th anniversary with Michigan Bell Telephone company November 6.

Exchange repairman in the company's office here, Gates maintains the intricate equipment, inside and outside, which provides dial service to Northville residences and businesses.

A native of Plymouth, Gates started with Michigan Bell there as a lineman. He continued working there installing telephones and repairing switchboards until he was transferred to his present position at the Northville office in 1951.

He was an active participant in the extensive work which preceded the change in Northville's telephones from manual to dial service in 1958.

Married, Gates and his wife, Doris, have two children, Terrence, of 370 Rayson, and a daughter, Cynthia, of the Napier road address. They also have three grandchildren.

AT LOCAL RALLY — Northville Area Republicans listened to remarks from three of their candidates for state and national office at a Community Building rally Tuesday night. Shown above are (l. to r.): Richard E. Morell, 17th district candidate for congress; Weldon O. Yeager, 18th district candidate for state senator; Wilson Tyler, local Republican club member who served on the rally committee, and Jack McDonald, 21st district state representative candidate.

MSU Paper Names Local Junior to Post

Bob Chamberlain, a junior at Michigan State university, has been appointed city editor of the college's student newspaper, "State News".

Bob had been the paper's assistant editor.

He is the son of Mr. and Mrs. F. A. Chamberlain, 728 Fairbrook.

Board

(Continued)

would cost us less than a business manager.

— "Determination of office space, clerical help, and other accessories to go with the job;

— "Recognition that there is no provision in this year's budget for this program,

— "Perhaps more clerical help is the answer, now that the building program is about wound up;

— "Maybe we do not need any new help, but just a rearrangement of assignments among the administrators."

Referring to the job facing the newly formed committee, Amerman stated that "insuring the greatest administrative efficiency is our foremost task."

In other business Monday night, the board decided to formally spell out a policy governing the participation of the junior high and senior high school bands at school events.

Superintendent Amerman told board members that Novi school officials had agreed to meet with the Northville board at some future date to review the school situation in both communities, particularly Novi tuition students attending school here.

John Hyde, a junior high teacher representing the school's student council, showed the board preliminary landscape sketches for the campus area occupied by the Community Building, junior high school and Main Street elementary school.

Hyde was encouraged by the board to detail the drawings and give students the go ahead on projects they may undertake to help revamp the grounds.

Some questions which had come up at the high school regarding physician's reports and the participation of injured players in athletic contests led the board to rule that coaches and school officials would have the final say whether or not a player was eligible. The board agreed that no doctor's recommendation advising an injured student to refrain from athletics should be overruled.

NOVI RADIO TOWER — A 120-foot radio tower antenna was erected at Novi last week on the apple orchard farm of George and Bruce Simmons, 46320 West 10 Mile road. The radio will serve six southeastern Michigan fruit farms, which recently incorporated under the name, Southeast Michigan Groves association. Above on the tower (l. to r.) are Paul Burton, president of the organization, and Bruce Simmons, coordinator. Looking over the edge of the wall is Lynn Matthews, member and owner of a Walled Lake orchard.

Group Names Band Fund Collectors; Plan Spaghetti Dinner November 11

At a meeting last Thursday, the Northville band uniform drive gained momentum by the appointment of a committee to accept contributions. The following list gives the names and addresses of representatives accepting contributions according to area:

Mrs. Robert Shafer, 18101 Sheldon, area east of Sheldon, south of Main; Mrs. Essie Nirider, 985 Grace, area north of Baseline; Mrs. Ivan Ely, 164 East Cady, area in the out-county district; Mrs. Charles Carrington, 220 Hill, Center street to Northville Heights;

Mrs. Clayton Myers, 359 First street, Northville Heights; Mrs. C. M. Hammond, 47100 Timberlane, area between Seven Mile and Main; Mrs. H. F. Meyer, 48120 West Eight Mile, area between Main street and Eight Mile road.

If it is not convenient to contact the representatives listed above, the committee treasurer, Mrs. Hazel Severance of 392 Fairbrook court, will accept contributions from any area.

Essie Nirider is the representative for the merchants and downtown

business establishments, and Ivan Ely is handling the light manufacturing establishments.

Contributions may also be made directly to the band uniform fund account to the Northville branch of Manufacturers National Bank.

The committee, which is headed by Clifton D. Hill with former police chief Joseph Denton named as honorary chairman, further announced plans to conduct a spaghetti dinner on November 11 at the community building.

Spaghetti will be served from 5 until 7 p.m. on the evening of the Northville football team's final home game. Mary Ann Weston will be in charge of the dinner, while musical entertainment will be provided by the high school's dance orchestra.

Proceeds from the dinner, along with other funds collected by the citizens committee, will be turned

over to the band's new uniform fund.

Another project slated for later in the winter is a rummage sale. The committee's special projects' chairman are Mr. and Mrs. J. B. Leavenworth.

The new uniform drive was given a big boost by a \$5,000 contribution from C. E. Langfield Bandmen themselves seem likely to earn \$1,000 on the sale of candy.

The committee has set a goal of \$12,000 to establish a fund for uniforms as the band expands. It is estimated that the present 85-member band can be outfitted for \$7,500

Scout Leaders To Meet Tonight

Sunset District Boy Scout leaders will hold their annual meeting at Bentley high school in Livonia tonight (Thursday) at 6:30.

The highlights of the meeting will be the presentation of two Silver Awards and showing of the official film of the 1960 National Jubilee at Colorado Springs.

James O. Wilkins of Denton who chaired the annual meeting committee, has planned for more than 600 guests. From 6:30 to 7:30 the guests will take part in a potluck dinner. The program, conducted by the Rev. Ervin Britton as master of ceremonies, will begin at 7:30. Rev. Samuel Williams, pastor of St. Clemens Episcopal church in Inkster, will give the invocation. Following a short business meeting the results of the election of district officers and members at large will be announced by Beryl Zimmerman of Wayne, chairman of the nominating committee.

Northville area scouts will be represented by Philip Ogilvie and Crispin Hammond, both vice chairmen of the Sunset district.

A color motion picture, 1960 Jubilee Jamboree, will have its first showing in the district at this meeting. This movie is the story of the Fifth National Jamboree held in Colorado Springs July 22 to 28. Five hundred Detroit area scouts took part in the Jamboree along with 60,000 from the rest of the United States.

Silver Beaver Awards, the highest award of the Detroit Area Council, will be presented to two Sunset District Scouts by F. Lloyd Smith. The names of the two recipients will not be disclosed until the moment of presentation. The Silver Beaver is an award that must be earned by long service and distinguished contribution to scouting. It is an award that seeks the man, the man may not seek the award.

Birth

Mr. and Mrs. David Hazlett of Eau Gallie, Florida, announce the birth of a seven pound, eight ounce daughter, Suzanne Kathleen, on October 21.

Northville grandparents are Mr. and Mrs. D. J. Stark, 900 Scott, and Mrs. P. L. Hazlett, 16611 Meade.

In Uniform

S/Sgt William L. Russell, now stationed at Otis Air Force base, Massachusetts, recently spent an evening visiting his cousin, Mrs. Louise Sweet and her husband, A/2C Sweet, at their home in Bermuda. Sgt. Russell's crew landed in Bermuda because of bad weather. A/2C Sweet is stationed at Kitley AFB in Bermuda. Sgt. Russell is the son of Frank Russell of Northville and Mrs. Florence Russell of Plymouth.

LIVE PHEASANT — Sylvester Hamilton, 46325 West 11 Mile road, reported "good hunting" on his farm on opening day last week. He's shown above with a Ringneck that just couldn't run fast enough to keep away from Hamilton's fleet-footed dog. The dog brought the bird back, minus a few tail feathers, but otherwise alive and in good condition.

Minutes of Northville City Council

A regular meeting of the Northville City Council was held Monday evening, Oct. 17th, 1960, at 8 p.m. at the City Hall.

Present: Mayor Allen, Councilmen Canterbury, Juday, Reed and Welch. Minutes of last regular meeting were read and approved.

Bills amounting to \$163,287.58 from the General Fund, \$1,014.25 from the Escrow, \$1,093 from the Water Fund and \$4,393.00 from the Water Construction Fund were presented for payment. It was moved by Juday, supported by Reed, that these bills be paid. Carried.

Moved by Canterbury, supported by Reed, that the City Manager be authorized to negotiate for the sale of the old Ahrens-Fox Fire Engine, which the City no longer has any use for. Carried.

With reference to a letter read from the Optimist club regarding the City's plans for Joe Denton Park, Supt. Hartner stated that a problem still exists regarding the spring which was filled in on this property. It was decided that City Engineer would be requested to look the situation over and make suggestions as to what can be done to solve the drainage problem.

A resolution was presented authorizing John C. Robertson, City Treas., to deposit all public moneys belonging to or held for the State, County or other political units of the State or otherwise held according to law, in the Manufacturers National Bank of Detroit, Northville Branch. Moved by Reed, supported by Juday, that this resolution be adopted. Carried.

Letter was read from Frank Robinson, of 21060 Taft Rd. stating that the drainage problem created by the easement leading to the High School Athletic Field has not been corrected. Mayor Allen stated that he, the City Engineer and Supt.

Hartner would look over the situation to see what can be done to relieve the condition existing.

Under old business, the public hearing on the proposed amendment to the zoning ordinance to add a new section "I" to Article IIIA—R-1-S, Suburban Residential District, was held, and there being no one present to object to its passage, it was moved by Reed, supported by Welch, that same be adopted. Carried.

The public hearing was then held on the zoning of the parcel of land located at the northwest corner of Taft and 8-Mile Rds., having a frontage of 450 ft. on Base Line and on Taft Rd. of 600 ft. to R-1-S classification. There being no one present to object to its passage, it was moved by Reed, supported by Allen, that this parcel be zoned as recommended by the Planning Commission. Carried.

It is the City Attorney's opinion that the City Council has no authority to grant Robert Cole an exclusive permit to remove snow from city sidewalks where he wishes to contract privately with individuals to do this work.

Under new business, it was moved by Welch, supported by Juday, that a public hearing be held on the recommendation of Planning Commission to rezone Lots 276, 277 and 278 of Plat No. 3 from R-2 to R-3 classification, said hearing to be held at the City Hall Monday evening, Nov. 7th, 1960, at 8 p.m. Carried.

Chief of Police King presented an ordinance prepared by the City Attorney regulating the discharge of firearms within the City limits, except in certain areas wherein the use of firearms is regulated, and providing a penalty for violation thereof. Moved by Reed, supported by Canterbury, that this ordinance be adopted, and because same is of an emergency nature, the immediate enactment of which is necessary for the preservation of the public peace, health and safety, shall become effective immediately upon its passage by the City Council. Carried.

Communication was read from the Michigan Liquor Control Commission asking the Northville City Council to either approve or disapprove the transfer of ownership of 1960 Tavern and SDM licenses at 157 E. Main St. from John MacDonald to Charles W. and Helen E. Austin. Moved by Juday, supported by Reed, that this transfer be approved. Yeas: Juday, Reed, Allen and Canterbury. Nays: Welch. Carried.

The City Council instructed Supt. Hartner to extend a sewer line now existing in Yerkes Estates Subdivision to the creek in order to relieve a bad situation which has existed in that location for some time.

It was moved by Allen, supported by Reed, that the City advertise for bids on a second police car, same to be opened at a Special meeting to be held Monday, Oct. 31st, 1960, at 8 p.m. Carried.

An amendment to Ordinance No. 133, which is an ordinance establishing voting precinct boundaries to include the newly annexed territory extending to Beck Rd. to the west and 8 1/2 Mile Rd. to the north, was presented by Atty. Ogilvie, this amendment to be effective immediately upon passage. Moved by Juday, supported by Welch, that this amendment be published and a public hearing be held on same Oct. 31st, 1960, at 8 p.m. at the City Hall. Carried.

Petition was presented from the Northville Public Schools School District asking the City Council to vacate a part of West St. between W. Main and W. Day Sts. It was moved by Canterbury, supported by Reed, that the following resolution be adopted:

BE IT RESOLVED, That the Council of the City of Northville declare its intention to vacate West St. from the south line of W. Main St. right-of-way to the north line of W. Cady St. right-of-way, in the public interest, and that a public hearing before the final passage of this resolution to vacate shall be held on Nov. 21st, 1960, at 8 p.m. at the City Hall.

Motion was carried. Councilman Canterbury feels the public parking lots are too dark and should be more adequately lighted.

There being no further business, meeting was adjourned at 12 midnight.

Mary Alexander, City Clerk

NOTICE OF PUBLIC HEARING

MONDAY, NOVEMBER 21, 1960 at 8:00 P.M.
CITY HALL NORTHVILLE, MICHIGAN

A Public Hearing will be held by the Council for the City of Northville at the time and place indicated above to consider the adoption of a formal Resolution vacating that part of West Street in the City of Northville lying between the South line of West Main Street right-of-way and the North line of West Cady Street right-of-way.

Resolution Regarding Vacation of Portion of West Street

Whereas, the Council for the City of Northville has received a Petition from the Northville Public Schools School District requesting that the portion of West Street located in the City of Northville and lying between the South line of West Main Street right-of-way and the North line of West Cady Street right-of-way be vacated, said School District being the owner of all of the property abutting upon said portion of West Street, and

Whereas, the Council for the City of Northville did, in 1955, close the above described portion of West Street to vehicular traffic, which closing has been continuous up to the present time and has worked no hardship upon any of the citizens of the City of Northville.

Now, therefore, it is hereby resolved by the Council for the City of Northville that a Public Hearing shall be held on Monday, November 21, 1960, at 8:00 P.M. in the City Hall for the City of Northville, at which time there will be considered the adoption of a formal Resolution vacating that part of West Street in the City of Northville lying between the South line of West Main Street right-of-way and the North line of West Cady Street right-of-way.

Be it further resolved that notice of the holding of said Public Hearing shall be published in the Northville Record. Motion by Canterbury and supported by Reed, that the above resolution be adopted.

Yeas: Canterbury, Allen, Reed, Welch and Juday.
Nays: None.

(Signed) Mary Alexander, City Clerk

News From Wixom

By Mrs. Charles Ware — Market 4-1601

Mr. and Mrs. Everett Pearsall and Mr. and Mrs. Ray York have returned from a color trip through the Smokies.

Mr. and Mrs. Lloyd Nicolay, parents of the late Lowell Nicolay, and brother, Charles Nicolay, were the guests of Mrs. Nicolay during their stay in Michigan. They attended the funeral of Ernest Nicolay, whose death took place in Detroit.

The Paul DePodestas and Robert Smiths celebrated the DePodestas' wedding anniversary Saturday evening at the Roostertail in Detroit. Mrs. Charles Ware has returned from Montana, where she went to attend the funeral of her sister, Mrs. Abigail Sullivan.

The children of Wixom school will hold a Halloween party in each school room, except the sixth grade who will be on a camping trip all of that week at Froud Lake Recreation area. Accompanying the sixth graders on their camping trip will be William Whitney, sixth grade teacher, Miss Marilyn Kurtz, fifth grade teacher, and Miss Ethel Mugler, principal. Mrs. Mugler is director of outdoor education for all of the Walled Lake school system. Also accompanying the group will be Mrs. Ruth Balon, who will supervise the meals.

Ten members of the Crest club met at the home of Bill Mills, on Thursday afternoon for a session of knitting slippers for some of the patients in Novi Convalescent home. They also enjoyed a luncheon.

Mr. and Mrs. M. P. Jones of Hazel Park visited with Mrs. Earl Woodworth Saturday afternoon.

Mrs. Julius Nelson has suffered the loss of both her parents, Mr. and Mrs. Earl Woodworth of Walled Lake, who died one week apart.

Mrs. Oscar Simmons and daughter and Mr. Simmons, Sr. spent a week in Roanoke, Virginia.

Mrs. Jack Wesch substituted for Mrs. Ware at the Wixom Medical Clinic while Mrs. Ware was in Montana.

Mr. and Mrs. Bernard Kitson took a color trip through the Michigan thumb district last week stopping

one night at Port Austin.

Mr. and Mrs. Everett Pearsall and Mrs. Nina Parker were the dinner guests of the Haley Millers in Walled Lake last Sunday.

Sunday, the Bernard Kitsons and Clarence Sheltons drove to Adrian. Mr. and Mrs. Howard Coe drove to Flint Sunday to visit with Mr. and Mrs. L. L. Wise.

Mr. and Mrs. Fred Thayer are enjoying a European trip. At present they are in Germany.

Charles Ware has returned from a six months stay in Ireland and a two week stay in Scotland. He left Ireland right after it gained some freedom from England in 1921.

When he left Ireland there were no paved roads and when he returned this year he found all the roads paved. At that time there also wasn't any electricity and now the whole country enjoys secondarily in every form. The same condition exists with the schools. Ireland did not have free secondary schools and at the present time the whole country enjoys secondary schools and also technical schools. While in Scotland he was the guest of Father Tom Martin, and while there he saw Loch Lomond and the Highlands, Edinburgh and Glasgow. He said that the flower gardens of Edinburgh were the most beautiful he ever saw. He returned home on the S.S. America October 12 and visited for one day with his son, John Ware, who is with the Army at Fort Dix, New Jersey.

Mr. and Mrs. James Coon were recent dinner guests of the Walter Tuck family.

Mrs. Arthur Latham hosted the Birch Park Birthday club on Wednesday, October 19. Guest of honor was Edith Miller.

OFFICIAL MINUTES OF THE NOVI BOARD OF EDUCATION

The regular meeting of the board of education was called to order at 8:05 p.m. on Wednesday, September 14, 1960. Present were Mr. Heslip, Mr. Erwin, Mr. Taylor, Dr. Ambinder and Mr. MacBride, Mr. Knodel, Dr. Medlyn, and a large group of parents and interested persons from the community.

The minutes of previous meetings were approved with the following corrections: In the minutes of the August 10th meeting, delete the portion reading "this policy shall not apply to non-degree teachers holding life certificates". In the "prior" paragraph, insert the word "action" after the word provided. In the minutes of August 24th, the motion pertaining to the kindergarten registration form was offered by Mr. MacBride and supported by Dr. Ambinder.

The treasurer's report of fund balances which follows was approved as read:

General Fund	\$9,982.85
Lunch Fund	\$753.36
Payroll Fund	\$3,484.00
1957 Building and Site Fund	\$186,153.45
1955 Debt Retirement Fund	\$18,657.43
1957 Debt Retirement Fund	\$18,209.80
1958 Debt Retirement Fund	\$5,816.57

The citizens' committee appointments were announced as follows: Mr. MacBride's appointments:

George McCollum, special education committee; Ann Hawley, high school committee; Robert LeWitter, teacher personnel; William Dean, finances committee; William Pfaff, curriculum committee.

Dr. Ambinder's appointments: John Hood, special education; David Fried, high school committee; Ray Garcia, teacher personnel; Richard Bingham, finances; Ronald Jennings, curriculum.

Mr. Erwin's appointments: Hilda Little, teacher personnel; William MacDermid, high school committee; Edward S. Blackwell, finances; Gladys Earl, curriculum; Alma Cockrum, exceptional children (spec. educ.).

Mr. Taylor's appointments: Florence Loyne, not yet appointed to a specific committee; George Mairs, high school committee; Mrs. Doyce Ward, Mrs. Orton Bumann, Mrs. Laree Bell, not assigned to a specific committee.

Mr. Heslip's appointments (none appointed to a specific committee): Dorothe Snow, Mrs. Andrew Burgess, James Mitchell, Dieron Taffarian, Herbert Dryer.

The date of September 22nd was set for an organizational meeting of the citizens committee. The appointments were to be notified of the meeting by letter from the superintendent's office.

A report was given on the lighting recommendation from the Detroit Edison for the Novi School annex. The Detroit Edison found an intensity of 25 cubic foot candles, and recommended 70. The superintendent pointed out that the annex lighting could have been considered adequate in 1950, but that standards having changed, more light is considered desirable. The superintendent was directed to pursue the lighting problem further, to consider cold cathode and fluorescent lighting, and to obtain bids for the next regular meeting.

New registration forms for use in the schools were presented to the board for their examination.

Dr. Medlyn reported that he had contacted the Bureau of School Services of the University of Michigan and found the service of a curriculum consultant was available; he was to contact the bureau further regarding cost of the service and to bring the consultant to a board meeting.

Mrs. Verna Allen, the librarian, is preparing a list of titles and materials needed for the library; her recommendations are to be presented to the board at the next regular meeting.

The financial policy committee reported on their recommendations in regard to purchasing. The major change in procedure would be to institute a system of purchase orders. The recommendations were to be discussed further after other members of the board had an opportunity to study the proposal. Dr. Medlyn was asked to submit a sentence to include which would allow for emergency powers of the superintendent.

Mr. Taylor presented bids on the fire exit from the Novi School cafeteria, from Smith and Roux \$5289, and from Clifford Smith \$1474.90. The chairman directed Mr. Taylor to pursue the prices further, and on a steel door only. Dr. Medlyn was to consult with the fire marshal regarding proper placement of the exit.

Dr. Medlyn reported that Dr.

Hahn of Oakland County Board of Education instructional department had been contacted to meet with the board regarding the remedial reading teacher and would be available Sept. 22, 26 or 27. Dr. Ambinder pointed out that on August 24 the board had passed a resolution to discuss the cost of a remedial reading program within 30 days.

It was moved by Mr. Erwin, and supported by Mr. Taylor, to amend the previous motion of 30 days to allow Dr. Hahn to come to an open meeting on Sept. 27. The motion carried; Mr. MacBride explained that he had abstained from voting because he felt the action inappropriate to the resolution which had approved the idea of retaining a remedial reading teacher.

The chair directed Dr. Medlyn to invite Dr. Hahn to attend the meeting on Sept. 27. It was moved by Dr. Ambinder, and seconded by Mr. Erwin, that the superintendent be directed to send notices to the parents of an open meeting on Sept. 27. The motion carried.

Dr. Ambinder questioned the delay in setting up a guidance program under N.D.E.A. Dr. Medlyn was to attend a meeting in Oakland County during the next week on this matter.

A meeting date was set for September 19 with Tarapata and MacMahon to discuss the optional sites for a high school.

The recently completed audit report was discussed, with Mr. Robert Knight of the firm of Janz and Knight, Birmingham, on hand to answer questions.

The purpose of the audit committee was questioned. Mr. Knight explained that an inspection of the invoices by board members could determine if purchases were made through the authority of the board.

In regard to the system of bookkeeping used by the district, Mr. Knight explained that in time a general ledger system would need to be instituted here. He stated that most school districts do use a general ledger system, but most districts are larger than our district.

Mr. William Dean, on behalf of Dr. Ambinder and Mr. MacBride, questioned certain procedures in bookkeeping and auditing. Mr. Knight stated that the school's bookkeeping is on a cash basis which is approved by the Municipal Finance Commission, and the auditing procedure is governed by the manual of the Department of Public Instruction.

Mr. Heslip pointed out that the child accounting is done by the County Board of Education; the count for this purpose is made on the fourth Friday in September.

Mr. Erwin suggested that Mr. Knight could meet with the citizens' committee on school finance, and this Mr. Knight agreed to do.

Miss Gloria Soulliere of the Junior High faculty was present to answer questions on the testing program carried out in the schools in May, 1960. Tests given were: first grade, Gates primary reading test; second grade, Gates advanced reading test; third, fifth and sixth grades, Iowa test of basic skills; fourth, seventh grades, California tests of mental maturity; eighth grade (given by Northville), Otis quick scoring mental ability test.

Dr. Medlyn reported on the test results. Dr. Ambinder stated that he would like to know the number of children showing discrepancy between ability and achievement. His recommendation was for achievement tests each year, and intelligence tests three or four times in a child's school career, also that testing be done early in the year to help the teacher in planning work for the students. Mr. MacBride asked if it might be possible to compare test results from our district with norms of Oakland County, the metropolitan area, or a larger regional norm if such norms are available. Dr. Medlyn was asked to provide discrepancy scores within 30 days in grades where both achievement and intelligence scores were available.

The following appointments were made to the kindergarten entrance committee: Mr. MacBride and Mr. Taylor of the board of education, Mrs. Hart and Mrs. Batzer, the two kindergarten teachers.

There was some discussion regarding prior publication of the agenda of the regular meeting of the board. It was moved by Mr. MacBride and supported by Dr. Ambinder as follows: Be it resolved that the secretary forward to the Novi News for publication in the edition prior to the regular meetings of the school board an agenda of new and old business of the meeting in sufficient detail to be understandable to the public. The motion carried. It was understood that this

service would be provided at no charge by the Novi News.

In regard to liability insurance, Dr. Medlyn explained that municipal organizations had been in the past held immune to suit; however at the present time judgments are not usually rendered against school districts, but periodically a judgment is rendered against a municipality.

Mr. Richard Bingham of the community spoke on liability insurance. He stated that the premium is determined by the number of children, the liability is of the school area. He recommended the district carry \$100,000/\$300,000 limits; that the amount carried be uniform with the liability carried in bus insurance, and that it be carried with the same company as the bus insurance.

It was moved by Dr. Ambinder and seconded by Mr. MacBride, that Dr. Medlyn be appointed to accept bids from at least three companies on public liability insurance at \$100,000/\$300,000 limits, and property damage at \$0,000, and if the bid is in line with competition, to purchase the policy from the insurance agent with whom we carry bus insurance. The motion carried.

Dr. Medlyn was also to check the boiler insurance coverage to adjoining property.

It was reported that the county had put up (on Ten Mile road) the school crossing signs, and that sidewalks are to be painted. The village police had been asked to come into the area before and after school, and a school employee had been on duty. Mr. Ackley had been asked to determine if any easements were available between W. LeBost and Meadowbrook road through which the children might cross.

Mrs. Pinner, a parent, spoke of the hazard on Meadowbrook road due to its being used as a detour, and asked that bus transportation be provided the children of Willowbrook 2.

It was moved by Dr. Ambinder and seconded by Mr. Erwin, that the superintendent be instructed to make changes necessary in bus routes, bus drivers, school opening and closing times, to allow for transportation of children in the Willowbrook 2 area during the emergency caused by construction on Novi road. The motion carried.

Mr. Heaton asked the board to

appeal to the village to enforce the 50 mile limit on Ten Mile road, so that the limit might eventually be reduced to 40 miles. Dr. Medlyn was to request a traffic survey from Grand River to Novi road on the Ten Mile road.

Mr. Heaton also pointed out to the board that Ford Motor Company will match any employee gifts to a school. Dr. Medlyn was to investigate this.

An announcement was made that the annual statistical and financial report is to be published in the Novi News.

It was moved by Dr. Ambinder, and seconded by Mr. Erwin, that prior to publication of the minutes, the minutes are to be submitted to the board members for approval or correction. Motion carried.

It was moved by Dr. Ambinder, and seconded by Mr. MacBride, to amend the motion regarding college credit for teachers, limiting the amount of course work per semester to six credit hours. The motion carried.

It was moved by Mr. Erwin and supported by Mr. Taylor, that the board renew the personal floater policy with Novi Realty. Motion carried.

Dr. Medlyn announced that enrollment in the two schools is now 772.

Duane Bell of the Community Building Recreation Board appeared before the board to discuss a conflict over use of the building. It was agreed that a letter was to be sent to the township board protesting their action in this regard, and a copy sent to the Recreation Board to indicate support.

The Auto-Owners depository resolution was read. It was moved by Mr. MacBride and supported by Mr. Taylor, that the resolution of the

Auto-Owners Insurance Company be adopted as read. The motion carried.

Dr. Medlyn presented the application for an Anticipated State Aid Loan for \$35,000. The resolution (a copy of which is on file in the board office) to borrow was offered by Mr. Erwin and supported by Mr. Taylor, and carried.

Dr. Medlyn stated that a certificate of payment of the Atkin-Ford contract had been received from Mr. Lane's office. The superintendent was directed to set up a meeting with the contractor and architect, the Oakland County sanitarian, and Mr. Carpenter, the attorney.

It was moved by Dr. Ambinder, and supported by Mr. MacBride, that the current bills be paid as pre-statement of the Oakland County Association of School Superintendents, and that of Tarapata and MacMahon. The motion carried. The bills were: general fund, \$6,769.32, and building and site, \$3,454.24.

It was moved by Mr. Taylor and seconded by Mr. Erwin, that the board pay Dr. Medlyn's dues to Oakland County Association of School Superintendents. The motion carried.

The meeting was adjourned by the president at 12:55 a.m.

Respectfully submitted, Russell Taylor, Secretary

OFF TO ATOM CONFERENCE — Maureen O'Brien, daughter of Mr. and Mrs. William O'Brien of 18831 Beek road, is shown (second from top) with her fellow Detroit Edison-sponsored delegates to the Second National Youth Conference on the Atom, being held this week at the Museum of Science and Industry in Chicago. The two educators at the foot of the ramp are Edward Skendzel, Department of Curriculum of the Detroit Catholic Schools and Miss Helen Mahoney, director of the science department at Denby high school. Maureen, a senior at Ladywood high school in Livonia, was named a delegate because of her interest and aptitude in mathematics, as evidenced by her award-winning exhibit at this year's metropolitan Detroit Science Fair. In Chicago, the Edison delegation joins some 600 junior and senior high school students and teachers who are sponsored in attendance at the conference by 60 electric companies throughout the country. This year's program, which includes tours of Argonne National Laboratory and Dresden Atomic Power Plant, is co-sponsored by the National Science Teachers Association and the Future Scientists of America Foundation.

JUNIOR RED CROSSERS — Eight Northville junior and senior high school students were among those participating in the Detroit Chapter's Junior Red Cross leadership training workshop at Greenfield Village recently. Three members of the Northville schools' teaching staff were among the adult counselors. The week-end workshop included groups, visual and oral presentations of information about Red Cross services and the part youth can play in these services. Pictured in the photo at left are: (l. to r.) Teacher-Sponsor John Hyde, Teacher Joet Sullen and Junior High School students John Hinman (standing), Susan Rein-hackel, Cathleen Utley, Ruth Ellen Carrington, Jean Louise Downer and Jill Rockafellow. In the photo at right are: (l. to r.) Teacher-Sponsor Mrs. Betty Sellers, Susan Shlager and Debby Stafford.

Education Week Plans Set

"Everybody Goes to School" is the theme selected by Northville's teachers and P-TA to spark local school activities now being planned in conjunction with the nation's 40th annual observance of American Education Week, November 6-12.

Working to accomplish American Education Week's basic purpose — "to make every American aware

of the important role education plays in a democracy and to help him realize that good schools are his personal responsibility" — a committee of teachers and P-TA parents have been spearheading preparation for school open houses that week.

Local parents are invited to attend these gatherings to meet the teachers and administrators.

Amerman and Main Street elementary school open houses are slated for Tuesday, November 8.

Individual room meetings beginning at 7:30 p.m. will be followed at 8:15 by a general tour through the Amerman building and at 8:30 parents will be invited to meet special education teachers in the school's multi-purpose room.

Main Street elementary's open house activities will commence with a general meeting at 8 p.m. November 9. Home room or class room sessions are slated from 8:30-9 p.m.

Times for the Thursday evening junior high school program will parallel Main Street elementary's Tuesday format.

Curriculum, counseling and testing discussions are a few items on tap for discussions at the high school's Thursday open house beginning at 8 p.m.

Refreshments will be served at the close of each school's open house agenda.

"Directions for the Future", a movie on America's schools, has been scheduled for screenings before local service clubs.

President Eisenhower, in his recent proclamation setting this year's American Education Week observance, urged parents to "study the progress of our schools and demon-

strate our support for the work of our dedicated teachers".

14 Groups Represented At Meeting

Fourteen Northville area organizations represented at the monthly meeting of the Coordinating Council last Thursday evening at the city hall.

Those present and the groups they represented were: Mrs. Essie Nider, Mothers' club; Mrs. E. E. Adams, Garden club; Mrs. Hurd H. Sutherland, Woman's club; Fred Sutherland, Lutheran church; John Canterbury, city council; Al Smith, Masonic Order; Ruth Knapp, Delta Kappa Gamma and DAR; Mr. and Mrs. C. Phelps Hines, P-TA; Ed Welch, First Presbyterian church; Mrs. E. W. McCarthy, Teachers' club; Mrs. O. F. Reng, King's Daughters; and Mrs. Gladys Wallace, Retail Merchants association.

A brief business meeting was conducted by Chairman Mrs. Nider and the council expressed its gratitude for the success of the Citizens' Banquet and the work of Herman Moeblman as chairman of the annual event.

Tentative plans for next year's banquet were also discussed.

The current drive to support the Northville high school band uniform fund was also discussed and organization urged to support the community effort.

The council, which meets the third Thursday of each month, adjourned at 9:15 p.m.

Obituary

GEORGE WOODWORTH

George Woodworth, a lifetime Novi resident, died Monday (October 24) at his South Lake drive residence exactly one week following the death of his wife, Ina Wilson Woodworth. Funeral services were held yesterday from the Richardson-Bird Funeral home in Walled Lake. The Rev. John Mulder, Walled Lake Methodist church, officiated. Mr. Woodworth, 84, was a retired farmer. He was born in Novi township on January 14, 1876, to George and Elizabeth Woodworth. He is survived by eight children, George Woodworth, Wesley Woodworth, Mrs. Charles Nelson, Mrs. Julius Nelson, of Wixom, Mrs. Emma Sweet, Mrs. Hugh Proctor and Miss Gertrude

Fatal Heart Attack Claims Local Man

Funeral services were held Tuesday for Arthur William Litsenberger, 63, who died at Community General hospital Saturday after suffering a heart attack Friday night.

Litsenberger, a retired Detroit Edison employee, had been a Northville resident for 50 years. He lived at 572 Randolph street with his wife, Bina, who survives him.

Born May 21, 1895 in Salem township, Litsenberger was the son of Sidney and Caroline (Parker) Litsenberger. He came to Northville around 1910 and was a member of the First Methodist church and Masonic Lodge 186 F.&A.M. here.

In addition to his wife, Litsenberger is survived by four children, nine brothers and sisters and 14 grandchildren.

Sons and daughters are Mrs. Marjorie Strautz, Northville; Mrs. Laura Jean Honey, Plymouth; Mrs. Marion Holdsworth, Birmingham; and John Litsenberger, Iron Mountain.

Survivors also include Mrs. Alfred Sibley, Mrs. Gerald Taft, Mrs. Leonard Smith and Joseph, John and Robert Litsenberger are brothers and sisters surviving in Northville. Mrs. Elmore Whipple and Marcus Litsenberger, another sister and brother, live in Plymouth.

The Rev. Paul Cargo, First Methodist church, officiated at services from the Casterline Funeral home. E. M. Bogart, Horace Boyden, Norman Denney, James Green, Harry Wagenschütz and Thomas Worley were pallbearers.

Interment was at Rural Hill cemetery.

Ex-Sessions Staff Chief Dr. Font, Dies

Funeral services for Dr. Anthony Font, once chief of surgery at Northville's old Sessions hospital and consulting surgeon at the re-organized Community General hospital, were held Monday in Detroit.

He died October 20 after a short illness in Grace hospital. He was 66. Dr. Font was a well-known obstetrician and gynecologist. He was familiar to many Northville residents during his association with Sessions hospital and continued to perform major surgery for patients of Dr. L. W. Snow of Northville. Dr. Font had his offices at 76 West Adams.

He was born in San Juan, P.R., graduated at Loyola university and completed his internship at Grace hospital in 1917.

He is survived by his wife, Carola, a son, Pierre, and daughters, Nanette and Theresa.

Woodworth, of Walled Lake; and Mrs. Lorin Long of Pontiac. Also surviving are 25 grandchildren and 20 great-grandchildren. Interment was at Oakland Hills Memorial Gardens.

MERLE C. GIGOUS

Interment at Prairie Home cemetery, Waukesha, Wisconsin Tuesday, followed Monday afternoon funeral services for Merle C. Gigous, 125 Ely drive, who died at Community General hospital October 21 after a long illness. Gigous, 56, had lived in Northville the past four years. He was employed as a marine engineer with the United States Army Engineer Corps of Detroit. His wife, Mary Elizabeth, survives him. He was a member of the First Methodist church of Waukesha, Wisconsin and belonged to Masonic Lodge 517 and Royal Arch 83 of Sault Ste. Marie. Services from the Casterline Funeral home were conducted under the auspices of Northville Lodge 186 F.&A.M. The Rev. Paul Cargo, First Methodist church, officiated.

A/IC WILLIAM AGAMEY

A/IC William Agamey, 30, was killed instantly last Thursday in an automobile mishap near Wurtsmith Air Force base in Oscoda. Agamey was stationed at the base. Surviving are a sister in Northville, Mrs. Betty Lou Kreeger, 9536 Chubb road, and a brother, James Dugan, of St. Petersburg, Florida. He was a member of St. Paul's Lutheran church here. A military funeral was held in Oscoda Sunday with Captain James L. Hayes, chaplain, officiating. Monday afternoon funeral services were conducted from the Casterline Funeral home with the Rev. B. J. Pankow officiating. Interment was at Rural Hill cemetery.

Plan Bagwell Rally Monday In Plymouth

Seventeenth district Republicans will stage a rally for Paul Bagwell, GOP candidate for governor, in the junior high school building in Plymouth next Monday evening.

Bagwell will be joined by GOP candidates for the state administrative board including Clarence A. Reid, William E. Krieger, Wendell A. Miles, David R. Calhoun and John V. Clements.

In addition Richard E. Morell, Weldon O. Yeager and Jack H. MacDonald, candidates for congress, state senate and state representative, respectively, will attend the rally.

Following the program refreshments will be served. The rally, open to the public, will begin at 8 p.m.

Some More Keys

Today we wish to add to the six keys for understanding your Bible better by giving you No. 7.

When the plain sense of the scriptures makes common sense, seek no other sense; therefore, take every word at its primary, ordinary usual meaning, unless the facts of the context indicate clearly otherwise. No. 8 — Recognize the fact that language changes from generation to generation. Even the English language has changed considerably during the last few hundred years. Some words become obsolete, others change in meaning, different shades of meaning are given. For instance the word "talent" used today means the ability of a person to do a certain thing. In the parable in Matt. 25 it means money of a certain weight. Again the word "conversation" in our day means to talk one with another, while the word as used in Philippians means "citizenship". We should possess a good Reference Bible to note such changes. Key No. 9 — We should recognize the Dispensational aspect of the Bible. All the Bible is for us but not to us. Some things in the Bible were written specifically for the Jews. Some things directly to individuals. Some things were addressed to certain people under certain covenants that do not apply to us, anymore than the days of England apply to the citizens of America.

He is survived by his wife, Carola, a son, Pierre, and daughters, Nanette and Theresa.

'Gifted Child' Report Submitted to Schools

In its latest report to the board of education last month, Northville's curriculum study committee submitted its findings on the gifted or "academically superior" child in the local school system.

Made up predominantly of lay citizens working with school personnel, the committee began the study several months ago guided by a two-fold purpose: (1) to survey the disposition of academically superior kindergarten through twelfth grade students and (2) to recommend specific steps that might be taken in regards to these students.

Mrs. James Ross, Mrs. Frank Angle, Mrs. C. W. Whittlesey, John W. Swain, James Kipfer, Mrs. Kenneth Conley, Mr. and Mrs. Wilfred Becker and Dr. Gordon Forrer worked on the project.

They formed four sub-committees to study gifted children at the early elementary, later elementary, junior high and senior high school levels.

The subject of their study, they agreed, was a student with superior academic achievements or an above 120 I.Q. or both characteristics.

Committee members talked with teachers, consulted school administrators, examined student records, reviewed testing programs, listened to speakers, read pertinent publications and exchanged ideas with other schools.

In the final report, each sub-committee wrote a brief preface to recommendations for gifted students in the grade grouping which it was charged to survey.

The difficulty facing the entire committee as it sought to prepare sound recommendations to encourage achievement by the academically superior child was summed up in an observation made by the kindergarten to third grade sub-committee.

"Crucial problems are encountered in fully educating the gifted. Frequently children are gifted in one area and mediocre or poor in others."

Some recommendations suggested by the sub-committee were:

Kindergarten - Grade Three —

"A serious attempt should be embarked upon to evaluate teacher effectiveness. It was the sub-committee's opinion that teachers with the highest training should work in the lowest grades, for it is in the very early years of a child's education that fundamental capacities be encouraged."

Grades Four to Six —

"The start of a pilot study in which the top three to five students in each of the grades four, five and six are withdrawn from the regular classroom and placed with the Resource Coordinator or another special teacher for two half days per week. These could be seminar and workshop activities with the coordinator providing guidance and outside resource persons from the community at large when desirable."

"This program should be evaluated regularly by a committee composed by the coordinator, the elementary school principals, the school psychologist, and two members of the Citizens' Curriculum Study group. Records would then be kept on the success of the program."

Junior High School (grades 7-8) —
"We recommend combining seventh and eighth grade material as

had been done in math in all other subject areas as soon as possible. This is an accepted form of acceleration which allows completion of all subject matter."

"Another method of grouping would be achieved by use of time during the day for classes in subjects of special value to the academically superior student (foreign language, typing, public speaking, creative writing and composition, literature and seminars)."

Senior High School (grades 9-12) —

"These students be counseled to elect a program commensurate with their abilities."

"A more adequate standardized group and individual testing program should be adopted to assist teachers and students in evaluating teaching effectiveness, pupil placement, and curriculum emphasis or change."

Identify and utilize competent persons in the community who can contribute to academic course enrichment, development of social skills and job orientation."

Pony Excites Local Breeders

The Appaloosa is a Lolla-paloosa!

PONY VS. APPALOOSA — One of the distinct differences between an Appaloosa and an ordinary pony — aside from the coloring — is size. The prize Shetland shown above is only 41 inches in height. Shetland height limitation is 47 inches. The Appaloosa, on the other hand, (below) is "in between" the size of a pony and that of a horse. For registration purposes he must be between 46 inches and 52 inches high. Both animals are stabled on a Northville farm.

Take an oversized handsome pony, toss an open bottle of black ink at him and the results are sure to be pretty staggering.

Specks of black, polka dots and large black blotches — all against a white blanket. It's odd sure, but beautiful too.

Now add a few stripes to his hoofs, do some pink on his eyes and nose and you'll come up with probably the hottest animal on four feet. He's an Appaloosa, a 4,000-year-old pony that has started a stampede of excited horsemen.

Last spring there were only about 500 of these ponies registered in America. Since then, 600 more have been registered, with new registrations coming in every week.

Currently, the "Palouse fever" is concentrated mostly in the western sections of the United States. However, there are indications that the fever is spreading eastward.

There are still less than 15 of these ponies registered in Michigan — three of them in Northville on the Seven Mile road farm of Mr. and Mrs. Earle Clarke and their daughter and son-in-law, Mr. and Mrs. George Whitefield.

The Appaloosa, once considered a "freak", was known as the "Leopard Horse" of prehistoric Libya; and the "blood sweating horse" of ancient China.

His popularity with the Indians started when the Conquistadores brought them to Mexico in the 16th century. The Nez Perce Indians of the Northwest, an area called Palouse by the French, raised a herd of 3,000 horses, with nearly half of them oddly marked.

These spotted animals were so well identified with the area that settlers would refer to one as "A Palouse" horse. Nesters hated the animal because it mated with their plow mares and shot him at every opportunity.

When finally the Nez Perce Indians were confined to a reservation, the "A Palouse" herds dwindled until they became almost extinct.

A few remained, however, and it is on these rare animals that horsemen are building their dreams. The Appaloosa, as he was soon called, is particularly attractive to horsemen because he has a strong gene, is a fine saddle horse, and is often more intelligent than other horses.

The Appaloosa pony, a breed in itself, is considered ideal for children because "they can grow with it." The pony is larger than a Shetland, smaller than a horse, thus "a growing child looks better and rides better on the Appaloosa," Mrs. Whitefield explains.

No two Appaloosas have the same markings. Some have black or red spots on white; some are white on black; some are completely spotted; and some have spotted "blankets" or small spotted areas. But all true Appaloosas have pink eyes, short ears and striped hoofs.

Another characteristic of the animal is that his colors may change; one year he may have fewer spots than the next; and he may have no markings at birth, but may acquire them later.

The Clarks and Whitefields, who are now raising Appaloosa, joined forces two years ago while living in Redford. A daughter wanted a horse, then a son.

"If we're going to have horses, we'll need a place to raise 'em," Clarke told his children. So he bought a small, 20-acre farm at 41810 East Seven Mile road. Not long afterward his son-in-law and family joined them, buying a house right next door.

One pony led to another. Soon several were galloping around the pastures. They were ordinary ponies, mostly welch size.

Then something caught Clarke's eye: a strange looking animal with spots on his body. That's when the two families decided to cultivate a business that would be handy about retirement time.

With western horsemen as excited as prospectors during the California Gold Rush, raising Appaloosas seemed like the next surest thing to an insurance policy so the families decided to buy one.

But Appaloosa are rare and expensive — a champion stallion run-

ning as high as \$20,000. And because these ponies are so rare and expensive, most raisers start in this new field by taking a solid color mare, with perhaps Welsh, Shetland or Arabian in her background, and mate her with an Appaloosa owned by someone else.

This is what the two Northville families did.

First attempts were almost successful. The first mating resulted in twins, a rare birth among horses. One colt, which had distinct markings of an Appaloosa, was born dead. The other, which might have "shown color" later in life, lived only a few days and died also.

About this same time, the families bought a young Appaloosa mare from an Ohio breeder. Mating of this pony produced a handsome colt — but without characteristic markings.

Another solid-colored sorrel was mated with an Appaloosa and this time, the result was gratifying: an Appaloosa with beautiful spotty color. Since then a young stallion, purchased from an Arizona ranch, has been added to the Northville stable.

Although the amateur-turned professional team here is well on its way in this new business, both Clarke and Whitefield predict it will be between five to 10 years before it will return their investments and provide a "livable" income.

But both families are willing to wait, confident that the Palouse fever that hit an Indian tribe hundreds of years ago, will spread throughout the nation.

Meanwhile, the two families are attempting to form a "Pony of America Club" chapter here. (An Appaloosa is called the Pony of America). An organizational meeting has been set for 1 p.m. Sunday at the farm of Chuck Snelli, 330 Orchard Ridge road in South Lyon. Invitations have gone out to dozens of Michigan horsemen. Anyone interested in this new breed is invited to attend.

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1869 Thursday, October 27, 1960

SPOT CASH — Appaloosa ponies, with their odd spotty coloring, are rare and expensive animals. It's no wonder then that this young stallion was appropriately named "Spot Cash". He was purchased by two Northville families from an Arizona breeder. Much of the families' hope to successfully raise Appaloosas is tied to "Spot Cash", held here by Gladah Clarke of 41810 East Seven Mile road.

Make laundering as easy as laundering can be—get a flameless

ELECTRIC CLOTHES DRYER

WHY A FLAMELESS ELECTRIC DRYER IS BETTER FOR YOUR WASHABLES. Whites stay white, colors stay bright. There's never any sun fading or fume yellowing. Since it's electric, there are no products of combustion. Freshly washed clothes stay clean all the way. There are models which have a temperature for every fabric, from delicate synthetics and wools to the heaviest work clothes. Dewatering cycles make ironing unnecessary for much of today's laundry.

TRULY A WORK-SAVING TEAM—AN ELECTRIC DRYER AND AN AUTOMATIC WASHER. Pre-selected, accurately controlled washing cycles and drying temperatures take the guesswork out of laundering. Gentle agitating and tumbling help fabrics last longer, stay fluffier. Drying the electric way is fast, too, because gentle radiant heat begins right away.

TAKE THE WORK OUT OF LAUNDERING AND THE LAUNDRY OUT OF HIDING.

Electric laundry appliances are so clean, good looking, and easy to operate that you don't need to hide them any more. Many homemakers want them handy in the kitchen. And that's easy when they're electric because flameless electric dryers and water heaters can be put where you want them.

10—THE NORTHVILLE RECORD Thursday, October 27, 1960

Host Mustangs Friday

Wolves Eye Third Place

Clarkston's unpredictable football eleven plays host to Northville tomorrow in a battle for third place in the Wayne-Oakland league.

A victory for either team would mean undisputed possession of third place, even though Northville currently holds down this berth with a 3-2 record.

Should Clarkston win tomorrow, the victory would give the Wolves

an edge on third place with a 3-2-1 record. Currently, the Wolves are in fourth place with a record of two wins, two losses and one tie.

In comparing the two teams by scores of like opponents, Northville comes out on top — but by only a shade. Two weeks ago the Wolves edged Brighton in the final seconds of their game, 7-6, and Northville had to fight off a Brighton threat in the final seconds last week to claim a 13-7.

Clarkston lost to second-place Holly, 14-7, and Northville lost its opener to Holly, 13-7; Clarkston trimmed Millford 27-14, while Northville wall-poled the Redskins 32-0; Clarkston lost to the league leading Lakers 33-14, and Northville dropped its game with West Bloomfield 20-0.

The Wolves claimed a 14-0 victory over non-league Oxford in the season opener, while Northville lost its non-league opener to Plymouth 25-12.

Clarkston Coach Tom Taylor admits that his team hopes to take over third place tomorrow night, but adds that "we're expecting a real battle. I've seen one of your games and I know Northville has a good team."

A Clarkston victory would help remove the smart from last year's 27-0 loss to the Mustangs here at Northville.

According to Taylor, tomorrow's starting offense will include: Don Miller and Ron Lundy; ends; Don Marsh (co-captain) and Dick Valentine; tackles; Mike Bates and Dave Galligan (co-captain); guards; Jim Johnson, center; Harold Weston, quarterback; Bill White and Willie Knox, halfbacks; and Darrel Williams, fullback.

The game will be played on the gridiron, located next to the new Clarkston high school on Waldron road. Game time: 8 p.m.

Scores of other area games last week: Southfield upset undefeated Walled Lake 15-6; Grosse Pointe won over Farmington 25-6; Allen Park turned back Plymouth 9-6; and Chelsea smothered South Lyon 47-0.

Beller Wins 15 Winners

Football "followed the form" Saturday (but not Sunday) and consequently competition in the weekly grid contest was very keen.

But only one contestant managed to call 15 of the 16 games correctly.

Thirteen-year-old Bob Beller won the \$10 first prize. He missed only one game — the Lions upset of Baltimore on Sunday. Bob, who lives at 771 Horton, is an eighth grader and had only entered the football contest once before.

Second prize and \$5 was won by Mrs. Dorothy Tuck, 46620 Stratford court, an avid football fan and mother of two boys currently playing for Northville teams. Jim is a regular on the Mustang varsity squad, while Bob plays on the junior high school team.

A dozen other contestants tied Mrs. Tuck for second place, but her prediction of the Lions-Colts score was closest.

Not a single of the top 13 entries picked the Lions to win. For that matter, the judges reported very few "Lion loyalists" after their slow start this year.

Quite a few contestants stumbled on the Michigan-Minnesota game, too. Otherwise, the outcome of the games was pretty much as expected and anyone picking upsets was out of the running Saturday.

The dozen contestants who missed two but finished "out of the money" were Jim Mazel, Arthur J. Donnelly, Steve Juday, Sharon Hinckman, D. L. Martin, Ken Conley, Bob Regenhart, Bob Orr, Dayton Deal, Seymour Orr, Fred L. White and Terry Jadzinski.

Colts Gallop To 40-0 Win Over W. B.

"It just wasn't a contest," Junior Varsity Football Coach Al Callahan said reviewing his team's latest game.

"And it wasn't because we were so good; they were the world's worst."

Whatever it was, the Colts bowled over the West Bloomfield junior varsity team with ease last week Tuesday, 40-0, on the opponent's gridiron.

The lopsided victory produced one salient conclusion: West Bloomfield's varsity eleven undefeated this season and well on its way to a league championship, may find itself scratching for recognition in the next year or two.

According to Callahan, much of West Bloomfield's difficulty resulted from attempts to inaugurate a new backfield formation. "They put out something like a double wing, with two men in motion," Callahan said, "and the officials just got tired of calling penalties."

The Northville coach emptied his bench in both halves. By intermission, the Colts held a comfortable 21-0 lead.

Halfback Ron Rice and Jim Jiggins led the Northville scoring attack, each with two touchdowns. Fullback Dave Luedke and Mike Hall each added one TD. Gary Stobbe booted three extra points, Rice one.

The Colts, who were scheduled to take on Bullpups at Brighton Tuesday, will host Clarkston here next Tuesday.

Mustangs Halt Brighton Threat To Win Here, 13-7

Synopsis: A powerful 64-yard drive for the opening touchdown in the first four minutes of play and a desperate defensive maneuver in the closing seconds of the game.

Simply expressed, this synopsis describes the both powerful and weak Mustang eleven that staved off a Brighton threat late in the game to claim a narrow 13-7 victory at Ford Field Friday night.

The victory boosted the Mustangs (3-2) to third-place in the Wayne Oakland league while dropping the Bulldogs (1-4) to a two-way tie for last place.

Clarkston, who held third place last week with a 2-1 record, slipped to fourth by losing to the undefeated Lakers of West Bloomfield Friday 33-14. Holly strengthened its hold on second place (4-1) by dumping the fast-slipping Barons of Bloomfield Hills, 15-6.

In the other league contest last week, Clarenceville rolled over last-place Milford 26-0.

Aside from its opening touchdown drive, a second-half touchdown interception, and an occasional defensive spark, Northville was far from impressive. Brighton was even less impressive.

Statistically, Northville led the ground attack, 217 yards to 137 yards. Brighton edged the Mustangs in the air, attempting nine passes, completing two, missing six and losing one by interception, while Northville failed to make a completion on four pass attempts.

Northville picked up 12 first downs to Brighton's eight.

Not counting touchdown drives, Brighton invaded Northville territory four times, while Northville camped on Brighton's half three times.

Northville committed four fumbles, recovered two and lost two. Brighton never fumbled. The Bulldogs picked up 10 penalties and lost 65 yards, while the Mustangs garnered seven and lost 70 yards.

Northville's first quarter ground attack came so fast and easy, that partisan fans buzzed with predictions of a lopsided score.

Taking the opening kickoff on the 36, the Mustangs piled up five first downs in marching uninterrupted to the Brighton two-yard line. Fullback Bill Trotter plunged over for the TD. And as his extra point kick sailed wide of the mark, the clock showed less than four minutes of playing time used up.

The ground attack was sidetracked throughout the remainder of the quarter, however, with the Bulldogs in possession on their own 39 as the period ended.

Early in the second stanza, Northville's offense once again sparked to life, driving from the Mustangs' 33 to the Brighton 21 yard line on 10 rushes and a single pass attempt. At this point Northville fumbled on a handoff and Brighton took possession.

The Bulldogs were unable to move with the ball and punted. Northville rolled to the 29, fumbled the ball and recovered it and continued to

the 10 where the ball was again fumbled and recovered.

Then on fourth down, Quarterback Steve Juday dropped back to pass, but the Brighton line broke through to smother the play well behind the line of scrimmage. Brighton was in possession two plays later when the half ended.

Early in the third quarter, Juday picked off a Brighton pass and raced 25 yards through the stunned Bulldogs for the touchdown. Trotter's kick was good.

Brighton bounced back with its longest drive of the game. Starting at their 30 yard line, the Bulldogs marched to the Northville 14 before the Mustangs' defense rose up to push them back to the 28 and hand Northville the ball seconds before the end of the quarter.

Midway through the final stanza, a Northville defender pounced on a Brighton punt, the ball squirted from his hands, and the Bulldogs covered the ball on the Northville 13. Four plays later, End Dave Hill pulled down a 10 yard touchdown pass from Halfback Randy Marx.

The extra point kick put Brighton in position for a tie or a one-point victory.

And as the final minutes ticked away, the Brighton defense sensed an impending upset, plunged through the Northville line and blocked and recovered a Mustang punt on the Northville 20.

On the first play from scrimmage, however, Northville pushed the Bulldogs back to the 28. Then three plays later, with scrimmage at the 16, Brighton made one last desperate but unsuccessful attempt to score on a pass into the endzone.

Northville took possession on the 16 and hugged the ball as the game ended.

Wednesday:
10 a.m., Midweek Holy Communion.

'Philosophy of Death' To be Sermon Topic

"A Philosophy of Death" will be the sermon topic of the Universalist Church of Farmington in the 11 a.m. service Sunday, October 30.
The Rev. Walter E. Kellison commented that some people feel hostility toward death, others refuse to think about it until forced to do so, and "most of us try to hide death in the appearance of life. We surround death with flowers, soft light and muted colors, hoping to make of mortality an illusion."
"The suggestion will be made," he added, "that death is the logical completion of life, ending the greatest gift nature can give in a sensible, humane manner."
Discussion and music listening at 10 a.m. will precede the service, with church school classes and nursery from 10 to 12.

from the PASTOR'S STUDY

By The Reverend Paul M. Cargo,
First Methodist Church of Northville

The Apostle Paul wrote a good word to his spiritual "son", Timothy, "God did not give us a spirit of timidity, but a spirit of power and love and self-control." There's evidence of a timid soul here. Paul begs him to "rekindle the gift of God that is within you." If you, dear reader, are honest with yourself, you have known many times when your soul is timid. The gift of God within you has needed to be rekindled. The trio of virtues, as stated by Paul, can aid us.

Power stands for intensity of life. Our word "dynamic" comes from the Greek word for power. The early Christian church did not begin with timid souls, unsure of their footing. There were mountains to climb, seas to cross, a culture to topple, a world to save. There were so few of them to do it, but they set about the task with God-given power. Look at Acts 4:13 and you will see that the Church was launched in daring and courage, not by the timid and cautious: "Now when they saw the boldness of Peter and John...they recognized that they had been with Jesus."

God has given to us love. God is love. The word

in the New Testament is "agape". Over 250 times the New Testament uses it, and "agape" means nothing sentimental or primarily emotional at all; it means understanding, redeeming creative good will. A great preacher said, "To see all men near and far as sons of God, to practice understanding and creative good will to all men as human beings—that is the Christian ethic."

"Well, it won't work," people say. And I say, "It's never been fully tried." I have an idea that it's love that makes the world go 'round, and anything less than that is a monkey-wrench in the machinery of God.

Paul counseled "self-control". Without discipline we are like the mythical rider who jumped on his horse and rode furiously off in all directions. How many lives are wasted! How many are frittered away on trifles of no importance! What a soul-power waste there is in the world!

"God did not give us a spirit of timidity but a spirit of power and love and self-control." II Timothy 1:7. Today there is a great need for courageous souls. Can you be one of them?

CHURCH BAZAAR—Members of the Novi Episcopal Mission have started plans for a church bazaar to be staged November 19, between noon and 7 p.m., at the Novi Community building. The mission has just recently been moved to the former Teen Town building, at the corner of 10 Mile and Meadowbrook roads. Above Mrs. Robert Garbin, 40976 Malott, (left) and Mrs. George Ames, 41008 Mooringside, begin decorations. The afghan shown on the table, along with the "money tree" being decorated, will be featured items at the bazaar.

Area Realtor Group Meets

Gare B. Reid, president of Surety Savings & Loan Association, will be guest speaker at the luncheon meeting today of the United Northwestern Realty Association—Western Wayne County Board of Realtors, announced Carl Deremo, Jr., vice president and program chairman for the real estate group.

"Appraising for Lending Institutions" will be the topic of Mr. Reid's talk at the final October luncheon. Mr. Reid is currently International president of the Society of Residential Appraisers.

The group holds its luncheons at Cregar's Restaurant on Grand River at Outer Drive at 11:45 a.m.

"All You Can Eat," Says VFW Auxiliary

Plymouth's VFW auxiliary (Mayflower Post 6695) has slated its 12th annual "all-you-can-eat" smorgasbord dinner for Sunday, November 6 at the post home, 1426 Lilley road. Dinners will be served hourly from 1-5 p.m. Tickets—adults \$1.75 in advance or \$2 at the door and children \$1—may be reserved by phoning GL-3-4843 or by contacting any member. Arrangements may be made to have them delivered.

OFFICIAL ANNUAL FINANCIAL AND STATISTICAL REPORT

**Northville Public Schools
1959 — 1960**

BOARD OF EDUCATION

ROBERT H. SHAFER — PRESIDENT
WILLIAM CRUMP — VICE PRESIDENT
DONALD LAWRENCE — SECRETARY
DR. WALDO T. JOHNSON — TREASURER
EDWARD ANGOVE
W. C. BECKER
JAMES KIPFER

A new type projector used in classroom work. Purchase was made possible by the school's participation in the National Defense Education Act. The Northville schools received \$8,000 worth of books and equipment for \$3,800. Pictured is Edward C. Mollma, social science teacher.

Elementary library resource centers are being developed in the Amerman and Main street schools. Many books on science, mathematics and foreign language were obtained under the N.D.E.A. act and others were furnished by the P-TA and Mothers' club. Pictured is Margaret DeKett.

As a result of local and national studies, Northville high school has developed a science seminar to provide a new challenge for talented students. The new equipment was obtained under the N.D.E.A. act. Pictured are LaGene Quay, science teacher, and students Carol Jones and Chris Gazlay.

LEFT — Added to the board of education 1960 by a vote of the electorate June, 1960 was the Community Building, a valuable asset to the junior high school, shown in background.

high school athletic field (top) divided from the high school (lower picture) by the new Eight Mile road cut-off. A pedestrian overpass was constructed by Wayne county across the highway between the school and the physical education field.

ABOVE — Now nearing completion is the

TO THE BOARD OF EDUCATION:

A review of the accomplishments for the school year 1959-60 will bring into focus some of the activities of the school system. A study of the accompanying financial and statistical report will provide many of the details.

We have occupied our new high school and remodeled junior high school for one full year, thus relieving the overcrowded situations of the past. With the ownership of the Community Center completed we have virtually ended the building and equipment program which was started in 1954.

These splendid facilities and competent teaching staff have enabled us to provide a well-rounded educational program for every child in the system. Also, more attention has been devoted to curriculum matters, in-service training for teachers, adoption of many of the recommendations of the various curriculum study committees, counseling, testing, etc. Teachers have and are preparing excellent curriculum guides to assist the classroom teacher.

Important matters for future consideration which I should like to point out follow.

1. The Community College.
2. The ever present problem of finances.
3. Teachers' salary schedule.
4. Additional general office space.
5. Some form or more adequate budgeting and purchasing control as our system grows.
6. Teaching machines.
7. Educational television — especially the new airborne program.
8. Language laboratories.

Respectfully submitted,
R. H. Amerman, Superintendent

Minutes of the Northville Board of Education

Regular Meeting—October 10, 1960

The meeting was called to order by President Robert H. Shafer at 7:40 p.m.

Present: President Robert H. Shafer, Vice President William B. Crump, Secretary Donald B. Lawrence, Treasurer Waldo T. Johnson, Trustees Edward F. Angove, Trustee James F. Kipfer, Trustee Wilfred C. Becker.

Absent: None.

Others Present: Assistant Superintendent Kenneth M. MacLeod, Principals Ellison, Kay and Smith, Messrs. R. Rusche, J. Barnett, F. Gazlay, C. Strautz, Mrs. G. Weiss.

The minutes of the regular meeting of September 12, 1960 and the special meetings of September 27 and October 4 were read by the secretary, and there being no additions or corrections, they were approved as read.

The Board received one bid, from the Manufacturers National Bank of Detroit, to purchase our tax anticipation note in the amount of \$198,000, due June 1, 1961, tax rate, 2.16 percent.

It was moved by Mr. Crump and seconded by Mr. Angove that the bid of the Manufacturers National Bank be accepted. Carried unanimously.

Mr. James Littell presented all legal documents pertaining to the final purchase of the Community Center. Purchase was completed on September 28, 1960. Deed has been properly recorded. All legal papers are in order.

Mr. Littell presented a petition to be presented to the City Council to vacate that portion of West Street between Cady and Main Streets. This portion of West Street which runs between the Junior High School and the Community Center has been closed to traffic since the Community Building was erected. The petition will permit the City of Northville to service existing utilities in the affected area.

It was moved by Johnson and seconded by Becker that a petition be sent to the Northville City Council requesting that West Street, between Cady and Main Street, be vacated for school purposes. Motion carried unanimously.

Mr. Littell reported on the matter of the Ely claim for fuel oil fees. He is working with Mr. Philip Ogilvie, attorney for the Ely Company, to try and resolve this matter.

Communications:

1. Copy of an opinion prepared by the Attorney General regarding interviewing of children in school by police officers.

Referred to Mr. J. Littell for an opinion in order that a Policy Statement might be prepared.

2. Letter from Northville Police Department regarding a reimbursement of \$161.31 (\$47 for the High School and \$114.31 for the Grade School). This amount was restitution for damages and property caused by two boys last year.

3. Letter from a local bowling alley proprietor regarding High School Bowling Leagues during the school day.

It was agreed that bowling during the school day would be impractical and unwise to schedule.

Report of Superintendent:

1. Band Uniforms: Superintendent Armerman reported that he has received a check from Mr. C. Langfield for \$5,000 to apply toward the purchase of uniforms for the Northville High School Band. This gift is to be in memory of his father, Mr. E. C. Langfield, who organized the band when a member of the school board in 1927.

A discussion ensued regarding the raising of money and acceptance of gratuities to buy band uniforms. It is believed that money contributed in the name of the school will be deductible from the Federal Income Tax.

It was moved by Mr. Kipfer and seconded by Mr. Becker that all unsolicited gratuities, gifts and monies collected or earned for the purchase of uniforms for the Northville High School be deposited in the Activities Fund in an account to be known as: Northville High School Band Uniforms Fund. Motion carried unanimously. The Superintendent reported that he had appointed a committee to act on the selection and purchase of band uniforms. A citizens committee of interested parents will also be formed. These committees will be directed to prepare rules and regulations to cover the situation.

2. Insurance: Mr. Armerman reported that he had investigated the possibility of buying burglary insurance.

Mr. George Clark informed him that burglary insurance can be included in our dishonesty bond for a premium of \$384.50. This will provide coverage for monies being handled on and off school premises, by local employees. It was moved by Lawrence and seconded by Angove that a combination Dishonesty Bond and Burglary Insurance policy be purchased as recommended by the Superintendent. Carried unanimously.

Report of Secretary:

The Secretary reported the following monies received during September, 1960: delinquent taxes, Northville Township \$5,252.08; Salem Township \$108; National Defense Education Act, \$2,678.50; Reimbursement for School Lunch Fund for June, \$346.04; sale of used Studebaker bus to Mound Wrecking Company, \$50; Michigan National Bank, interest on invested funds, \$424.41; credit on insurance for buses sold, \$119.55.

Enrollment Figures:

Assistant Superintendent MacLeod reported that the "D" Day enrollment figures were: Elementary, 961; Junior High, 291; Senior High, 644; Total of 1,896. A projected enrollment through years 1965-66 was also presented.

New Business:

1. President Shafer suggested that more consideration might be given to important matters if the Board of Education would meet twice each month. The stated meeting to be the 2nd Monday of each month and the other meeting to be on the 4th Monday. It was agreed to meet the 2nd and 4th Mondays of each month. The next meeting will be on October 24.

2. Arrangements for handling spectators at high school football games was discussed. Mr. Ellison will discuss this matter with the Chief of Police and the Director of Athletics.

Report of Treasurer:

The Treasurer reported the following balances in the various accounts as of September 30, 1960:

General Fund \$42,493.27
1949 Debt Retirement Fund 2,416.22
1954 Debt Retirement Fund 329.61
1957 Debt Retirement Fund, Series A 12,723.99
1957 Debt Retirement Fund, Series B 37,093.14
1957 Debt Retirement Fund, Series C 13,912.77
Building and Site Fund 52,861.43
Cafeteria Account 4,638.23

It was moved by Mr. Lawrence and seconded by Mr. Angove that the report of the Treasurer be approved. Motion carried unanimously.

The Auditing Committee approved bills and payrolls for payment as follows: General Bills, \$7,574.93; Payrolls, \$60,361.83; Building and Site Bills, \$8,035.56. It was moved by Mr. Lawrence and seconded by Mr. Angove that bills and payrolls be paid. Carried unanimously.

Adjournment:

It was moved by Mr. Lawrence and seconded by Mr. Angove that the meeting be adjourned at 11:30 p.m. Motion carried.

Donald B. Lawrence, Secretary

Airman Cowden

Men in Uniform

Lackland AFB, Texas — Airman James B. Cowden, son of Mr. and Mrs. G. E. Cowden of 46270 Bloomcrest drive, has been assigned to a unit of the Strategic Air Command at Ellsworth AFB, South Dakota, for duty as a fire fighter.

Airman Cowden attended Northville high school.

Airmen assigned directly to a duty station from basic training at Lackland will receive on-the-job training under highly qualified technical specialists. Airmen are selected for these assignments on the basis of their interests, aptitudes, and the needs of the air force.

Personnel assigned directly to a duty station are immediately integrated into operational or training units of the USAF Aerospace Force.

Airman Stillwell

Lackland AFB, Texas — Airman Raymond H. Stillwell, son of Mr. and Mrs. William H. Stillwell of Northville, has completed his initial course of air force basic military training here. He has been selected to attend the technical training course for Aircraft and Missile Maintenance at Amarillo AFB, Texas.

Airman Stillwell attended South Lyon high school.

Upon completion of special training at an air force technical training center, airmen are assigned to operational units of the USAF Aerospace Force.

SPEAKING for the Record

By Bill Sliger

Spring and next April may seem a long way off, especially as our days become shorter, crisper and prospects of snow are in the offing.

And with a national election just a dozen days away, it's unlikely that many residents are thinking of their April election.

Well they might, however, because spring — in terms of the April election — is only two months away for Northville.

Candidates for both city and township offices must declare themselves by the end of December.

In the township, where it is provided that if there is more than one candidate per party for any one office there will be a primary election in February, it is reasonable that candidates must file early.

But in the city a primary election is not held, regardless of the number of candidates running for the council.

Still the city attorney has ruled that Northville must abide by the state laws governing elections and efforts to exempt Northville from this unnecessary early filing have not been successful.

Therefore, any city resident interested in running for the council next April must file his petitions more than three months before the election.

It has long been our belief that more city residents should be interested in their government.

The job of conducting city business is becoming more complicated each year as our community grows and the cost of providing services increases.

A look at the record of business handled by the council in the past few years points up the outstanding job that has been done (\$300,000 water improvement program, new parking lots, street paving projects, three annexations, sale of community building, numerous ordinances, sidewalk projects, etc.).

But many knotty problems remain. Next year, for example, the council will decide upon a new city hall; serious thought will undoubtedly be given to more street paving; it's highly possible that more subdivisions will require expansion of sewer facilities; improvement of our commercial district is definitely a city council concern; our public library, more industrial base within the tax-paying limits of our school district — all of these, and many more, are problems our future councils must face.

I have no idea whether the present council members whose terms of office expire in April plan to run again. Two council seats and the mayor's post will be up for election.

But I believe it is essential to good government that we have a good field of interested and capable candidates.

The time is short. If you have read this far, then you are interested in your city.

Why don't you file for our city council? Or, if you know of a well-qualified person, encourage him (or her) to offer their time and talent to the city.

1961 LICENSE PLATES AVAILABLE NOVEMBER 1st

NEW SECRETARY
OF STATE BRANCH OPEN AT
122 W. MAIN ST. — NORTHVILLE

GENERAL ELECTION

TO THE QUALIFIED ELECTORS:

NOTICE IS HEREBY GIVEN, That a General Election will be held in the CITY OF NORTHVILLE, Counties of Wayne and Oakland on TUESDAY, NOVEMBER 8, 1960.

At the places of holding the Election in said City as indicated below, viz:

Proposed Amendment to Section 4, Article XVII of the Michigan Constitution Relative to Constitutional Conventions.

THE POLLS OF SAID ELECTION WILL BE OPEN AT 7 O'CLOCK A.M. AND WILL REMAIN OPEN UNTIL 8 O'CLOCK P.M. OF SAID DAY OF ELECTION.

MARY ALEXANDER, CITY CLERK

Michigan Mirror

Parties Split on Con-Con Amendment

THE PROS AND CONS of Con-Con could fill a library.

The issue of calling a Constitutional Convention to revise Michigan's 52-year-old basic law is the kind of a question that can make Republicans stand shoulder-to-shoulder with Democrats, or turn brother against brother — all for perfectly valid reasons.

Whether you're for it or against it, one thing that has to be remembered is that proposal three on the Nov. 8 ballot will NOT result in an immediate Con-Con if it is approved, and it does NOT

mean the Constitution can't be revised if it is turned down.

What the ballot proposal would do is this:

It would put the question, "shall a Constitutional Convention be called?" before voters for their approval or disapproval at the 1961 Spring Election. Under existing provisions of the Constitution, the question, which was turned down in 1958, would not go before voters again until 1974 — unless the Legislature voted to put it on the ballot again, or, as they did this year,

citizen groups circulated petitions to force the question on the ballot.

It would change the vote required to approve a Con-Con from a majority voting in the election to a majority voting on the question. Courts have interpreted the existing Constitution to mean a majority voting in the election must approve Con-Con to call one. The 1958 vote would have resulted in a Con-Con if a simple majority of those voting on the question were all that was needed.

The ballot proposal would change the method of selecting delegates from three for each state senatorial district to one for each state senator and one for each state representative.

It would order a special election 120 days after voter approval of a Con-Con became official in order to select the delegates to the convention.

These four changes would have to be made in the present Constitution to enable the Con-Con proposal as it stands now to go before the people. That's why these amendments to the Constitution are up for voter approval Nov. 8.

The lineups for and against proposal three show an impressive "team" on both sides.

Powerful groups worked actively to put the question on the ballot by popular referendum.

Distinguished spokesmen and leaders have taken positive and active stands on the ballot proposal, and on Con-Con itself — some of them for and some against.

Both political parties are divided on the issue.

The liberal wing of the Republican party, led by Governor Candidate Paul D. Bagwell, and certain segments of the Democratic party, led by Gov. G. Mennen Williams, say that immediate Constitutional revision is needed, and the proposal on the ballot is the quickest way to get it.

The labor wing of the Democratic

party, led by Governor Candidate John B. Swainson, and the conservative wing of the Republican party, whose chief spokesmen are in the Michigan Senate, say that Con-Con may or may not be needed, but the ballot proposal is not the way to go about it at any rate.

The chief reason behind the party opposition to the ballot proposal that neither Republicans nor Democrats would be assured of a clear majority of delegates under its selection method.

Other opposition to proposal three ranges from doubts about the cost of a Con-Con (estimated at from \$2 million to \$3 million) to fear that special Constitutional protection would be lost.

There is also the predictable inclination in some quarters to cling to the status quo.

The only safe assumption at this point is that win or lose, proposal number three on the Nov. 8 ballot is only the first round of the battle over Constitutional revision by the Convention method.

PROPOSAL NO. 2 on the Nov. 8 ballot would amend the Constitution to permit the Legislature to raise the sales tax in Michigan from 3 percent to 4 percent.

The 1959 cash crisis and trends in state government indicate that more money is needed to operate existing and proposed programs.

Democratic leaders say that a sales tax increase would hit too heavily at low and limited income groups. They say an income tax — or as some call it "a tax based on ability to pay" — would be more equitable.

Many Republicans say a one-cent hike in the sales tax is the most effective measure to keep the government solvent until more thorough tax revision can be worked out. They argue that the public prefers the sales tax increase which is collected in small amounts and simply to filling out forms for an income tax.

Roger Babson

Foreign Investors

En Route Home — My first thought as I complete my six weeks away from the United States is that we and great Britain should hold together as a solid bloc and foundation for others of the free nations who are willing to put character and courage ahead of propaganda and selfishness.

Certainly deGaulle has done wonders for France. He, however, appears to be a very conceited man and knows little about economics. If deGaulle should suddenly drop dead, most intelligent French people believe that France would revert to chaos.

Surely I would invest no money in France. Mrs. Babson, who spent her time at the hotels and stores, fears that France is "pricing herself out of business."

Personally, I have not seen much of the Germans since I spent some months there just before World War I. There is no doubt, however, that they are a most industrious people. If the French endeavor is to give a little for as much as possible, certainly the Germans are supplying the most goods possible for as lit-

tle as possible. As a result, great purchases both of machinery and of goods are being made in Germany by American manufacturers.

Italy is also forging ahead in exports to the United States and all over the world. This especially applies to plastics, for the manufacture of which Milan has very large factories. This includes not only solid plastics, which will soon compete with steel in our new lightweight automobiles, but also textiles of all kinds from tableware to dress goods and clothing.

Both the textile labor unions and the manufacturers of woven products already see the handwriting on the wall!

During my trip I met several buyers for such concerns as Sears, Roebuck, Montgomery Ward, Woolworth, McCrory-McLellan, and Macy's. These concerns are bringing goods from both Europe and Japan in shiploads to sell in the United States and South America — at low prices and at good profits. When China also breaks into these markets the competition will be very severe. This latter may be worrying Mr. K. and be one reason for certainly this situation does not

From the above, it looks as if the profits of our industrial companies will continue to decline, and be followed by dividend reductions. If competition increases, as I expect, it will result in unemployment followed by more labor strikes.

Employers may not be about to reduce wages but they surely will resist wage increases and the "fringes" which are constantly increasing. I now see no reason for a real business depression, but are contented. Spain's sandy beaches now encourage another bull market, except possibly in the merchandising and specialty stocks.

Then what is holding our U.S. stock market up? My answer is "European buying". Our gold supply is surely eroding, yet every European with whom I have talked believes that the United States is the safest country in which to invest funds. Every German and Italian manufacturer who gets surplus funds (either from the sale of goods or perhaps from the sale of his entire business to Americans) is sending a portion of those dollars to the U.S. to invest in the Dow-Jones stocks, including steels!

Such foreign buying of U.S. stocks could hold the Dow-Jones Industrials up while earnings and possibly dividends decline. But I now hesitate to recommend either the purchase or sale of active stocks for capital gains or tax losses. Of course, we will know much more after November 8th. We then, however, should not judge the true effect of the election by what happens to the stock market during the first 30 days, but should have patience to wait a few months.

P.S. — Reading over my notes, I see that I made no mention of Spain, in which we spent ten days. We liked Spain and the Spanish customs. The hotels are good, the prices are reasonable, and the people are contented. Spain's sandy beaches on the sunny blue Mediterranean Sea are heavenly. Furthermore, an American cannot get lonesome because every streetcar and bus appears to be named "Coca Cola".
