

# Area Churches Plan Services Thanksgiving

Northville and Novi families will pause to offer their thanks this week in local worship services marking the nation's annual Thanksgiving observance.

Most area churches will lead the prayers of thanksgiving in services Wednesday and Thursday.

Wednesday at 7:30 Northville's First Methodist and First Presbyterian churches will conduct their yearly "Union Thanksgiving service" at the Methodist church with the Rev. Paul Cargo, host pastor, directing the service.

Dr. Frank Pitt, for 27 years pastor of the Grosse Pointe Memorial Presbyterian congregation and now temporary minister at Northville Presbyterian, will preach a "Seeds and Sheaves" sermon.

The Harmony and Sanctuary, choir, with Arthur Pipok, organist, and Ervin Nichols, director, will combine to sing "We Gather Together" and "Sing to the Lord of Harvest."

The offering will be sent to CROP, the Christian Rural Overseas Program.

Novi Baptist Pastor Arnold Cook will turn to Psalm 119:62 for his "Thanksgiving at Midnight" guest sermon at Northville's First Baptist church Wednesday at 7:30 p.m.

George McDaniel will direct the church choir's singing of "Thanksgiving Prayer."

A 7:30 service will also be held Thanksgiving eve in the Novi Baptist church.

The Novi Methodist church's special worship will be at 7:30 Wednesday evening, according to the Rev. George T. Nevins, church pastor. He will deliver a sermon entitled "Too Busy to be Thankful."

Wixom Baptist will join Walled Lake churches in a Union Thanksgiving service at Walled Lake Methodist Wednesday at 7:30 p.m.

The Rev. C. C. King, pastor of the United Missionary church of Oakley, will deliver the sermon. Special music will be provided by the united choirs of Walled Lake's Methodist and First Baptist churches. The service is sponsored by the Walled Lake Ministers Fellowship.

The Salem Federated church's Wednesday Hour of Prayer at 7:30 p.m. will be devoted to Thanksgiving, announced the Rev. Richard S. Burgess, pastor.

"A Valley of Blessing and a Road of Rejoicing", based on Second Chronicles 21:26-28, will be the Rev. B. J. Pankow's sermon topic at the 10:30 a.m. service planned by St. Paul's Lutheran church on Thanksgiving morning.

"Come, Ye Thankful People, Come" and "Prayer of Thanksgiving" will be sung by the Adult choir.

An 8:15 a.m. Mass will be offered at Our Lady of Victory church on Thanksgiving Day.

That same morning St. William's of Walled Lake will hold 7:15, 8:00 and 8:30 Masses.

The Full Salvation Union's Thanksgiving Day dinner in the chancel basement will be preceded at 2 p.m. and followed at 7 p.m. by worship services, reported the Rev. James Andrews, general pastor.

At St. John's Episcopal church in Plymouth, a Holy Communion service at 10 a.m. Thursday will be coupled with traditional Thanksgiving hymns led by the Senior and Junior choirs.

A special service will be held at the First Church of Christ, Scientist, in Plymouth at 10:30 a.m. Thanksgiving Day.

Expressions of praise and gratitude will be read from the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy in a lesson-sermon entitled "Thanksgiving."

NOT ME, BOSS — O! Tom Turkey, a 40-pounder, seems to be casting a suspicious eye toward Eight Mile road Turkey Farmer Raymond Honsinger, probably fearing the worst. But like his relatives, Tom will be the center of attraction when Mom sets the traditional Thanksgiving table Thursday.

## Escapes Death As Truck Flips

A Northville truck driver narrowly escaped serious injury or death Saturday afternoon when his truck plunged into a ditch on Seven Mile road, smashed into a tree, and overturned.

The driver, Daniel Finch, 111 East Mann, suffered only minor bruises.

According to state police, Finch was driving east on Seven Mile, between Beck and Clement roads, when a tire blow-out caused him to lose control of the stake truck.

The truck, which contained bulk cans of milk, careened into the ditch, barely missing a creek, smashed into the tree and flipped upside down.

The cab was damaged only slightly, but the rear end of the truck was demolished and milk was spilled onto the ground.

## Election Time Near Again!

Believe it or not, it's election time again! Well, not really, but at least it's time for prospective city and township candidates to start circulating their petitions for office.

Although local elections are not scheduled until April, petitions declaring candidacy must be filed with city and township clerks by January 3. Petitions are now available from the respective clerks.

In the city the mayor's post and two council seats as well as the justice of the peace are up for election.

In the township the following offices will be on the spring ballot: supervisor, clerk, treasurer, one trustee, board of review member, constable and justice of the peace.

The early filing of petitions is necessary because normally under state law there would be a primary election in February.

IT DOESN'T take a sign to inform customers of Max and Chuck's Barber Shop, 110 West Main street, why the door is locked. The barbers always come up with a decorative idea when they make their annual trek northward to hunt deer. Back on the job this week, Barbers Max Dillenbeck and Chuck Dunn sadly admitted that they returned with no new trophies to add to their display.

## Band Fund Up to \$7,600

It's a long, tough pull but it looks as though the the campaign for new uniforms for the high school band will eventually be reached.

Band members themselves started out early in October determined to replace their shabby uniforms. It was estimated they would need about \$8,000.

The campaign was given an immediate boost when C. E. Langfield, president of Northville Laboratories, contributed \$5,000.

Buoyed by this generous gift, band members, parents and interested citizens have since sponsored numerous projects (spaghetti dinner, rummage sale, candy sale, etc.), to increase the fund.

This week the joint adult-student committee reported total contributions to date of \$7,681.97. Of this total, \$5,899.90 were direct contributions reported by the citizens committee; \$56.40 were direct contributions to the students' committee; \$1,000 from candy sales by students; \$521.67 from the spaghetti dinner; and \$202 from the rummage sale.

The drive is scheduled to continue with several projects still planned. The citizens' committee had hoped to top the total required for immediate uniform replacement so that a uniform fund might be established to purchase new uniforms as the band membership increases.

The following list of direct contributors to date was submitted by the band drive citizens' committee:

C. E. Langfield, Dr. W. L. Howard, Viola Walker, Mrs. Red Van Dyke, Mr. and Mrs. William T. Lome, Mrs. Charles (Rhea) Wilcox, Presbyterian Men's club, Mrs. Hughes, William B. Walker, Jr., Helen Litsenberger, Mr. and Mrs. John Haller.

Mrs. W. H. Cansfield, Ann Hembre, Mr. and Mrs. Wilbur Beirymann, Mrs. Bud Malone, Hurd Clark Furs, John Poulos, C. Harold Bloom, Mrs. P. R. Alexander, Mr. and Mrs. Dayton Deal, Mrs. D. H. VanHove.

Veterans of Foreign Wars Post #412, VFW Auxiliary to Post 4012, K. Rathbun, K. Cockin, Donald B. Severance, John Canterbury, Mrs. Mera V. Turney, Myrtle McCabe, Mrs. Harvey Hodge, Wayne W. Claypool, Quentin R. Biddle, Northville Retail Merchants association, Rob-

# Propose Transfer Of Jackson Racing To Downs Track

Northville Downs Executive Manager John Carlo revealed this week that negotiations are now underway to bring the 32-night Jackson trotting meet to Northville next year.

At the same time Carlo announced that he was protesting Racing Commissioner James H. Inglis' assignment of dates for the coming season.

Both matters will probably come up for public hearings, although Inglis said this week that it would take a legal ruling to bring about consideration of the Jackson move.

Last week Inglis announced the annual track schedules. He gave Northville Downs 36 nights, from

June 26 through August 5

Last year the local track had 39 but removing the slow early week nights — but the three extra days didn't make Carlo too happy either because they were Monday, Tuesday and Wednesday — non-money makers.

This year Carlo had hoped for a full extra week of dates — 42 nights in all.

In his protest Carlo has asked that Hazel Park's 46-night season be moved ahead by three days to April 27. This would give Hazel Park good starting days of Thursday, Friday and Saturday. In turn Northville would start three days earlier — Thursday, June 22. Carlo also proposed that the Northville dates run three days longer, through

Wednesday, August 9 — thus cutting down Wolverine to 42 nights but removing the slow early week nights from their schedule.

Commissioner Inglis said that Carlo's protest would be considered and a determination made before December 15.

Inglis also reported that an attorney general's opinion would be sought on the legality of moving the 32-night Jackson Trotting Association schedule from Jackson to Northville. The Jackson meet is proposed for September 29 through November 4.

But the commissioner was not overly optimistic about the chances of such a move. Even if the attorney general rules that racing dates can be transferred from one track to another, Inglis pointed out that public hearings would be conducted with all interested parties testifying.

Inglis has indicated that his attitude would be to determine whether such a move, if legally possible, would be good for racing. He pointed out that even though track racing officials might favor the move, he would want to hear comments from Jackson city officials (the track is city owned), employees, horsemen, etc. He doubted such hearings could be completed in December.

The inquiry for the transfer of dates was made by Leon Slavin, president of the Jackson Trotting Association, the organization conducting the meet at the local track.

Carlo has the backing of the Northville Driving Club (local track owners) in scheduling Jackson's dates here. Both Carlo and Driving Club officials see it as the answer to the search for additional funds for the proposed \$1½ million track improvement program.

The rebuilding program, which

## Even Tax Notices Have Bright Side

Brace yourselves for a surprise, taxpayers. In most cases, your annual winter tax bill will be lower than last year.

For city residents the annual notice will arrive early next week. Township taxpayers will have to wait a few days. Township Treasurer Roy Terrill reports that the county has not yet turned over the tax books.

Taxes are payable beginning December 1. Specifically, all city and township property owners will pay slightly lower winter taxes except Oakland county residents of the city.

In the township the equalized millage will be 39.82 — or \$39.82 per \$1,000 of assessed valuation. This includes the school, county and township tax. Of this the school tax is 30.87 mills. The township gets one mill.

Township residents will enjoy the biggest reduction, down 4½ mills from last year's 44.32 mill levy.

A two-mill reduction in the school tax (due to less debt retirement millage) plus the township's success in gaining some reductions in property values are responsible for the decrease. In the latter instance township officials worked with county assessors last spring in gaining what the township termed "more realistic" assessments. These reductions resulted in a lower county "equalization factor." Northville township residents of the Plymouth school district will pay a millage of 35.27 — up .32 from last year.

Both the city and the township would have had greater tax decreases had not the state increased its equalization this year. Statewide, the boost was about 15 percent, but less than that in this area where valuations were nearer the state level.

In the Wayne county section of the city the millage will be 39.07 for school and county. Last year it was 40.15.

Because of an increase in both county and state equalization the Oakland county residents of the city have a slight tax boost — 37.17 mills, compared to 36.69 last year. Their school and county tax is still lower than their fellow city residents.

## Calendar

- Friday, November 25  
J-Hop, 9 p.m. - 1 a.m., community building.
- Monday, November 28  
Northern Lites club, 7:30 p.m., Mrs. Frederick Spier, 536 Orchard.
- Northville Mothers' club, 8 p.m., Mrs. J. Petrock, 15955 W. Main.
- Thursday, December 1  
"Holly Mart" (Methodist church bazaar), 10 a.m. - 8 p.m., Fellowship hall.
- Northville Review club, Mrs. Harold Bloom, 710 West Main.
- Saturday, December 3  
"Holiday House" (O.L.V. Mothers' club bazaar), 1-5 p.m., church social hall.

GOING UP — Harry Sedan, chairman of the Northville Retail Merchants' Christmas Lighting committee, takes a look at one of the tall illuminated canes that will be added to the city's street decorations this year. The Yuletide decor was hung throughout the business district this week and will be lighted for the first time Thanksgiving evening.

## Teacher Stricken

Mrs. Lenore Uphergrove, a third grade teacher at Main Street elementary school, was stricken at her home last Tuesday and taken to Beyer Memorial hospital in Ypsilanti where her condition is reported improving.

Mrs. Keith Kraus, who has taught in the system before, is substituting for Mrs. Uphergrove.

# about WOMEN

## Students Get Ready for TV Quiz Program

Five Northville junior high students are boning up on their newspaper reading this week.

In fact, they're scrutinizing the daily newspaper stories they read about as thoroughly as a Scotland Yard detective examining clues.

The five seventh and eighth grade newspaper sleuths — Nancy Slatery, Mike Horner, Jean Downer, Roxanne Horning and Nancy Shaefer — are going to vie for big stakes next Sunday morning when they appear on "Quiz 'Em", the television question and answer program sponsored by The Detroit News.

They'll be up against Dearborn's Hoston Junior high school. Questions fired at the students will be based on this week's news as found in the paper.

The winning team will have its choice of a phonograph, tape recorder or television set for its school. As a consolation, \$50 will be awarded to the school library of the losing team for the purchase of books.

Kathleen Maskery, Northville junior high teacher, is coaching the local team. Team members were chosen, she said, by the students' social studies teachers.

Miss Maskery and Nancy Shaefer, alternate contestant, sat in on last week's "Quiz 'Em" session as judges. Mike Horner will fill in if one of the other four cannot participate and he will also be asked the deciding question in case of a tie.

The program may be seen next Sunday at 10.30 a.m. on Channel 4.

PARENTS of elementary students in Northville schools discussed the progress of their children with teachers in the annual "teacher conferences" last Thursday and Friday. The teacher-parent talks are considered an important part of the grading system used in the elementary classes, school administrators point out. Pictured above in conferences are Robert Prom, fifth grade teacher at the Main Street school, and Mrs. Leland Mills, whose son, Jeffrey, is a member of Prom's class.

## News Around Northville

Receiving service awards last Wednesday at the Plymouth branch open house of the Michigan Cancer foundation were Mrs. L. M. Eaton, Northville branch chairman; Miss Mariam Randall, Mrs. Harriet Angle and Mrs. Del Hahn.

Verne and Mary Grimes, 40799 Grand River, are back home after a deer hunting trip to Gladwin in the Lower Peninsula. The Grimes' bagged two bucks before noon on the opening day of the hunting season.

Thanksgiving Day guests at the home of Mr. and Mrs. Robert Bowen of 340 South Rogers will be Captain and Mrs. Lowell Hemenway of Mt. Clemens and their two children. Mrs. Bowen and Mrs. Hemenway are sisters.

Guests in the home of Mr. and Mrs. L. M. Eaton of Eaton drive were the Walter S. Jensens of Maryland, New York Mr. and Mrs. Jensen, enroute to Denver, Colorado, spent two days last week with the Eatons.

Jacob Voelker of Saginaw and Mr. and Mrs. Rice Slater of St. Charles visited at the home of Mrs. Melinda Schrader, 209 North Wing, last Saturday.

Dr. Lyle Fettig of Novi attended the mid-year Educational Conference of the American College of General Practitioners and Osteopathic Medicine and Surgery at the Sheraton-Cadillac hotel last week.

Miss Leona Parmalee attended the Metropolitan Detroit group of the National Association of Bank Women's dinner meeting last Wednesday evening at the Flint Golf club.

The KINGS DAUGHTERS will hold their annual tea Tuesday, December 6, at the home of Mrs. Del Hahn, 548 West Main.

Mrs. Arthur Verschaeve will be the guest reviewer next Thursday, December 1, when the NORTHVILLE REVIEW CLUB meets at the home of Mrs. Harold Bloom, 710 West Main.

## KITCHEN DIARY

# Try 2-in-1 Thanksgiving Pie

Are you planning to top off your Thanksgiving Day dinner with pie for dessert? Which will it be — mincemeat or pumpkin — or both? Mrs. Stuart F. Campbell, 411 Hiram, has come up with a slick baking trick that will give you the two traditional Thanksgiving pies in one crust. She fills an unbaked pastry shell with a 1/4 to 1/2-inch layer of mincemeat filling and then

adds a layer of pumpkin filling to brim the pastry shell. Then just slip the pie into the oven and bake according to her directions for pumpkin pie.

Here are her recipes for pumpkin and mincemeat pies. The mincemeat is made right from scratch. Both fillings are suitable for the combination pie.

**MINCEMEAT PIE**  
Mrs. Stuart F. Campbell  
3 lbs. cooked, chopped beef  
1 lb. chopped beef suet  
6 lbs. peeled, chopped apples  
3 lbs. seeded raisins  
2 lbs. currants  
1 lb. citron, chopped fine  
1/2 rind from lemon and orange  
1 oz. cinnamon  
1/2 oz. ground cloves  
1 oz. nutmeg

3 lbs. brown sugar  
1 qt. boiled cider  
1 qt. molasses  
Salt to taste

Cook all ingredients for two hours and seal in glass jars. May add 1/2 cup brandy before canning. Bake filling in pie crust 40 minutes at 425 degrees.

**PUMPKIN PIE**  
2 eggs  
1 1/2 cups pumpkin  
1 can evaporated milk  
3/4 cup sugar  
1/2 teaspoon salt  
1/2 teaspoon ginger  
1/2 teaspoon cloves  
1 1/2 teaspoons cinnamon  
Mix ingredients together in order of listing. Bake in pie shell for 15 minutes at 425 degrees and for 45 minutes in 350-degree oven.

## Serve Meals At Holly Mart

Shoppers at Northville Methodist church's "Holly Mart" next Thursday will have to go no farther than the bazaar's Snack Bar for a hot lunch or supper or an afternoon coffee break.

Mrs. Jesse Boyd and Mrs. Wilson Clark, chairmen, have arranged coffee, tea, milk and sweet rolls for the morning hours; sloppy joes, hot dogs, chili, baked beans, cabbage salad, cake and beverages for lunch; and cake, coffee, milk and tea for the afternoon.

The Methodist Youth fellowship will serve a hot casserole dish, molded gelatin salad, rolls, homemade pies and beverages for supper. Christmas cards, wrappings, tags, rovelties, cookies and candy will be sold at a Wesleyan Service Guild booth.

The Holly Mart will be open from 10 a.m. until 8 p.m. in the church hall.

## Christmas Seals To Go On Sale Here

Sales of Tuberculosis and Health society Christmas seals will begin in the Northville area early next month.

From December 9-16, Mrs. Harvey Whipple will head Woman's club Christmas seal sales at the Manufacturers National Bank and the post office.

On yet unannounced dates, Mrs. Corinne Mayer and the Northville high school Future Nurses club will direct school sales and the placement of canisters in local stores.

Mrs. W. L. Howard will be in charge of sales at the Maybury sanatorium.

## VFW Auxiliary Opens '61 Membership Drive

Miss Margaret Rager, membership chairman of Northville VFW Auxiliary to Post 4012 has announced the opening of the 1961 membership drive.

Mothers, sisters, wives, daughters and widows of deceased or honorably discharged men who have served abroad during time of war are eligible to membership in the ladies auxiliary — also eligible are women of the armed services who have had foreign service in time of war and possess an honorable discharge and their mothers, sisters or daughters. Eligible women should contact Miss Rager at 43773 Doris court or FI-9-3208.

BE AIR CONDITIONED WHILE YOUR HAIR IS CONDITIONED.

## Don't Let Fowl Get Foul

Make your Thanksgiving a happy one and know for sure that your Thanksgiving fowl is safe as well as delicious. Dr. Joseph G. Molner, City-County Health Commissioner, advises. Reserve your refrigerator space for foods in which harmful germs can multiply rapidly if not properly refrigerated. These foods include all fowl and meats — whether raw, pre-cooked — fish, milk, cream fillings, custards, puddings, salad dressings and gelatin preparations. Don't take chances just because you have left some of these foods out of the refrigerator on previous occasions with no apparent harm. Be safe and avoid spoiling your holiday with food poisoning.

If you use frozen fowl, remember that it takes about three days to thaw a 20-pound turkey in the refrigerator and this is the method recommended. In preparing your fowl, follow these rules closely for your health's sake:

1. Keep fresh fowl refrigerated until ready to put in the oven.
2. Make the dressing just before the bird is ready to cook.
3. If you must save time by preparing the dressing the night before Thanksgiving, put it in a dish and keep it in the refrigerator until time for roasting.
4. Cook the fowl and dressing separately for double protection against

food poisoning. However, if stuffed turkey is a must at your house, place the bird in the oven immediately after stuffing.

5. Left-over turkey and stuffing should be wrapped separately and refrigerated immediately.

6. To freeze left-over fowl and dressing, wrap separately and follow directions which come with your freezer. Plan to use both fowl and stuffing within four to six weeks.

Meats and other protein foods should be kept hot or cold until they are eaten. Dr. Molner says a good rule to follow is "keep them hot — keep them cold — or don't keep them".

## Married 50 Years

Mr. and Mrs. Fred C. Carter

Mr. and Mrs. Fred C. Carter, 46091 Sunset, celebrated their golden wedding anniversary last Sunday at a family turkey dinner given by their children.

The Carters were married on November 23, 1910, in Whitmore Lake and lived on a farm there for 40 years. A son, Lewis, still lives on the family homestead.

They have three other children, Robert of South Lyon, Mrs. Evelyn Wilson of Salem and Mrs. Raymond Malby of Brighton. The Carters have

16 grandchildren and six great-grandchildren.

Carter, 76, worked nine years at Ford's in Northville. After retirement in 1950 he and his wife, now 70, moved to their home on Sunset.

In the last ten years, the couple traveled extensively, including Cuba. They also worked on Mrs. Carter's button collection, one of the largest in this section of the country. Mr. Carter helps his wife in her hobby by making frames and boxes for her collection.

# NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

**FRIENDLY NEIGHBORS** — August newcomers from Springfield, Vermont, are Robert and Dorothy Bowen and their eight children. Their new neighbors have been doing a fine job of making the newcomers feel at home, said Mrs. Bowen. Pictured left to right are (front row) Diane, 11; Sara, 10; John, 8; David, 6; Glenn, 5; (back row) Judi, 17; Mr. Bowen; Laura, 11 months; Mrs. Bowen; Dale, 12; and "Wally", the cat.

The Robert Bowens will probably be having "just a family dinner" for Thanksgiving this year, according to Dorothy Bowen, housewife and mother in the family's home at 340 South Rogers.

In any event there'll be at least 10 gathered around the Bowen's table for the traditional turkey and trimmings meal Thursday. Joining Mom and Dad will be Judi, 17; Dale, 12; Diane, 11; Sara, 10; John, 8; David, 6; Glenn, 5; and Laura, 11 months.

New to Northville and the Midwest, the Bowens left the East — they lived eight years in Springfield, Vermont — and came here in August.

Since then they've appreciated the neighborliness of folks in the 300 South Rogers block.

"Everyone has been very nice, helpful and considerate," noted Mrs. Bowen. "They've gone out of their way," she explained, "to make us feel at home here."

The area, in the mother of eight's

opinion, is actually very similar to the East save for the milder fall weather.

"We had a few more hills back in Vermont, though," she added.

Bowen is a little more familiar to the area than his wife and children. His three years working for the Bryant Trucking Grander company of Springfield have called for occasional trips to the state. He's service engineer with the company, now a subsidiary of Ex-Cello.

At home Bowen has a well equipped workshop where he makes model airplanes — the kind that really fly. This year he's planning to build a radio-controlled model boat. This could pose real problems, speculated his wife, especially if the control system conked out leaving the boat stranded in the middle of a lake and her husband stranded on the shore.

Only Laura, youngest of the Bowen children, doesn't go to school. Judi is a senior at Northville high, Dale's in junior high school and Diane, Sara, John, David and Glenn go to Main Street elementary.

A conflict with the high school's annual football banquet has made it necessary to change the dates of the senior play, "The Curious Savage".

Originally scheduled for December 6 and 7 at the Northville high school auditorium, the production will now be staged on December 14 and 15.

Under the direction of Miss Florence Panattoni, speech - dramatics teacher, the production will also represent the efforts of more than 40 seniors who won't be sharing the spotlight with the actors.

These are the behind-the-scenes workers who form the seven committees so necessary to successful play production.

Getting props ready for opening night are Sharon Hinchman, Mary Long (chairman), Emilie Wilson, Sandi Houtz, Jolene Ferguson and Ann Boatman.

Costumes — Sandi Houtz, Jolene Ferguson (chairman), Emilie Wilson, Anne Boatman, Martha Goodfellow, Carol Hellewige and Linda Bell.

Tickets — Susan Hushen, Betsy Hushen (chairmen), Brenda Bartski, Joan Lemon and Judy Staman. Programs — Betty Stremich, Nancy Mach (chairmen), Fred Steeper, Phil Jerome and Chips Ely.

Stage Crew — Jim Petrock, Tom Schwarze, Carol Simon (chairmen), Dick Willing, Bob Sample, Phil Jerome, Bill North, Dennis LaRoque, Chips Ely, Bob Nauman, Dave Hay, Nancy Mach, Linda Loynes, Peggy Dresselhouse, Yvonne Schingeeck and Kathy Dawson.

Advertisement — Jan Campbell, Karen Hill (chairmen), Peggy Dresselhouse, Sam Chizmar, Betsy Hushen, Kathy Cassel, Bill Beadle, Sharon Johnson, Kathy Dawson, Bill North, Dennis LaRoque and Launa Darnell.

Make-up — Susan Whittlesley, Susan Banks (chairmen), Carol Reginald, Yvonne Schingeeck, Sarah Waterloo, Judy Lambert, Ann Par-ton and Margaret Kupsky.

## Births

Former local residents Mr. and Mrs. Hubert Black of Parris Island, South Carolina, announce the birth of a second daughter, Renee Lillian, on November 8. Born at Beauford Memorial hospital in Beauford, South Carolina, she weighed eight pounds, three ounces.

Mrs. Black is the former Agnes Burton.

Grandparents are Mr. and Mrs. Robert Burton of Northville and Mr. and Mrs. William Black of Illinois.

# Set New Dates for Senior Play

"LET'S TRY THAT AGAIN," says Florence Panattoni, high school speech - dramatics teacher, as she rehearses part of the cast in a scene from "The Curious Savage". Dates of the annual senior play have been changed to December 14 and 15. Shown above: (l. to r.) are Miss Panattoni, Sam Chizmar, Racena Bailey, Barbara Rumley, Corinne Bertoni and Dave Andrews.

## Grandest way in the world to get there!

It has been remarked that the most delightful distance between departure and arrival is a journey in a Cadillac car.

And if this has been recognized in years past, it will be more apparent in 1961.

For in all the things that make a motor car a pleasure to ride in—the current Cadillac is clearly in a class of its own making.

It's a pleasure just to sit in a new Cadillac!

First of all, there is the wonderful roominess of the car's interior. Space reaches out in every direction—above, in front, and to the sides.

Here, in motordom's most generously proportioned passenger area, you can really take your comfort and your ease in abundance.

Then there is its great luxury. The seat cushions are soft and gentle . . . and a wonderworld of personal conveniences is in attendance.

And what a treat the interior compartment is to the eye. Choice fabrics and leathers . . . exquisite patterns and textures . . . color and chrome—all blend into a vision of perfect beauty.

And in motion on the highway, these interior delights seem doubly pleasurable.

The car is incredibly smooth and level of ride . . . and it is so quiet in operation that it is actually possible to whisper and be heard!

Have you as yet made a journey in a 1961 Cadillac? If you haven't, you should do so soon.

It's one trip that every motorist owes to himself!

### FIRST CHURCH OF CHRIST, SCIENTIST

1100 West Ann Arbor Trail  
PLYMOUTH, MICHIGAN  
Sunday service 10:30 a.m. Sunday  
school at same hour.  
Also 5 p.m. service 4th Sunday of  
each month.  
Wednesday evening service, 8:00.  
Reading room in church edifice  
open daily except Sundays and hol-  
idays, 11:30 a.m. to 5 p.m.; 7 to 8  
p.m. Wednesday and 7 to 9 p.m.  
Friday.

Spiritual alertness based on an  
understanding of Truth brings free-  
dom from evil of every kind. This  
theme will be set forth at Christian  
Science church services Sunday.  
Introducing the Lesson-Sermon en-  
titled "Ancient and Modern Necro-  
mancy, alias Mesmerism and Hypno-  
tism, Denounced" will be the Golden  
Text from Matthew (24:4): "Take  
heed that no man deceive you."  
Selections from "Science and  
Health with Key to the Scriptures"  
by Mary Baker Eddy will include  
(201:7): "Truth makes a new crea-  
ture, in whom old things pass away  
and 'all things are become new.'"  
Passions, selfishness, false appetites,  
hatred, fear, all sensuality, yield to  
spirituality and the superabundance  
of being is on the side of God,  
good."

From the Bible will be read (Isai-  
ah 1:16, 17): "Wash you, make you  
clean; put away the evil of your  
doings from before mine eyes; cease  
to do evil; Learn to do well."

## from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor  
St. Paul's Lutheran Church of Northville

### THANKING GOD AND TRUSTING GOD

Have you ever felt the spontaneous inclination to shout a hymn of praise to God? Have you ever felt yourself driven to a musical instrument to express to God the gratitude within you? Sad the person must be who never feels the impulse to praise God.

Now even to a degree we have been thankful, the question at Thanksgiving time should be: Have we been thankful enough? Must we not admit that the lack of thankfulness has been one of the glaring weaknesses in our lives?

Another of our spiritual deficiencies is that we do not trust God enough. Thanking God and trusting in Him—these might be called the two "T's" in our Christian life.

It is appropriate on Thanksgiving Day that we remind ourselves of these two aspects of our rela-

tion to God and thereby imitate the early Pilgrims, who, because of their remarkable deliverance from a horrible famine, were moved to thank God and to place their trust in Him for the future.

It is also fitting that during this last week of the church year we carefully take stock of ourselves. Do I thank God as I should, above all for the gift of His Son Jesus Christ? Do I trust in Him as I should, above all for the forgiveness of my sins and eternal salvation? We do well to ask ourselves these questions not only on one day of the year or during one week of the year, but daily.

Every day is to be a day in which we as individuals thank the Lord and trust in Him. That is exactly what Psalm 146 teaches us. We take this opportunity to recommend this Psalm as an appropriate reading and meditation for Thanksgiving Day. May God use it to induce us to a perpetual thankfulness and trust.

## OUT OF THE PAST

### ONE YEAR AGO

With its patient population growing and a public meeting to explain its organizations and facilities completed the board of directors of Community General hospital set its sights and hopes upon an area-wide drive for funds this week.

Northville school board and city council members met jointly last Thursday evening in a session aimed at discussing—and solving—mutual problems.

Michigan's cash crisis—a dilemma which has made the state the focal point of unwanted publicity throughout the nation—is seemingly producing a "delayed" reaction from its own communities, long suffering from curtailment of state money.

Whipped by icy winds, flames all but consumed a small frame house on Nine Mile road as firemen from four communities battled the blaze for more than four hours.

The house, which is located on the south side of Nine Mile road between Meadowbrook and Haggerty roads, was a total loss.

Winter's first snow left as quickly and as wet as it came last week but the fall, was heavy enough to make "snowblows," bring out toboggans and snow shovels, and cover up last reminders of summer fun.

### FIVE YEARS AGO . . .

Petitions protesting the action of the Northville village commission in rezoning the St. Lawrence property for stabling horses on a year 'round basis at its meeting Nov. 7th are being circulated in the village by village residents.

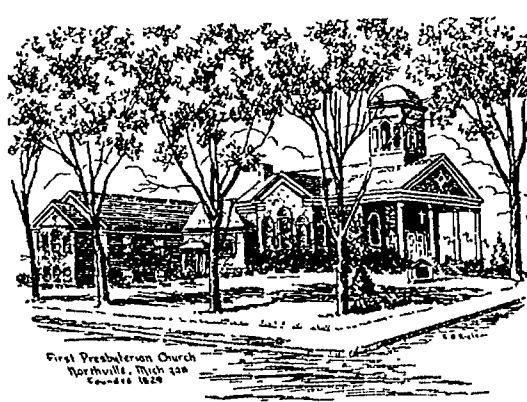

An increase in police calls, accidents and petty larceny over last year's report for October was revealed this week by Police Chief Joseph Denton in his monthly report.

A temporary community building and boys' club, an acre of public recreational area, traffic signs, improved gravel roads and a large neighborhood Christmas tree were presented to the people of Willowbrook Village by real estate developer Paul LeBost at a special meeting.

Leaders of the Novi Goodfellow met at the township hall last Thursday night to plan their program for the coming Christmas season, a program designed to bring Christmas to the less fortunate families throughout Novi township.

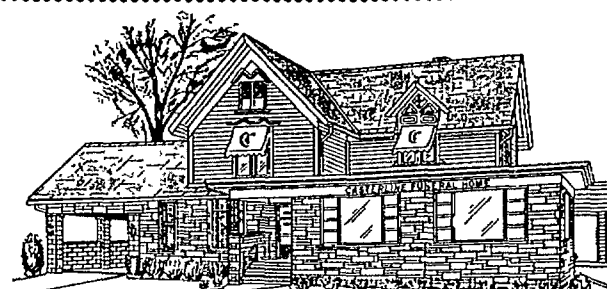

Building permits for two model homes in the Brookland Farms subdivision, Nine Mile and Novi, were issued this week to the Austin Building company of Birmingham.

The scout building committee has recently been soliciting funds from various city clubs, organizations, the city commission, township board and the board of education to reopen the scout building on a large scale and make it a meeting place for the youths of the community.

SPECIALISTS IN  
BUSINESS EDUCATION  
SINCE 1883

**AIMING HIGH** — Although Coach Dutch Van Ingen (above) is worrying about the upcoming basketball battles, he and his cagers will be aiming high this year after finishing in the league cellar last season. Looking to the future in the picture above are (left to right): Jerry Forbes, Dave Hay, Danny Brown, Tom Schwarze and Craig Bell.

### 3 Players Miss Practice

## Cagers Worry Coach As First Game Nears

With little more than a week of practice remaining before the first basketball contest, Coach Dutch Van Ingen is a worried man.

"How can you expect a first rate team if you can't get five guys together," the coach asked.

"Steve Juday (the only regular back this season from last year's varsity squad) wasn't at practice all week. He was up hunting, and you can print that.

"Dick Bathey went hunting today (Friday) and Dave Filkins is going to Kansas and probably will miss a week."

Another reason for the coach's dilemma is the fact that Northville started practice a week later than the other Wayne-Oakland league teams. Practice here was delayed because Northville played an "extra" football game — a non-league contest with Howell.

Van Ingen, who took the varsity reins last season after the resignation of Stan Johnston, was forced to

settle for a last-place finish in the W-O league as a result of a 3-8 record.

The season record disappointed the coach, but he looked optimistically to the 1960-61 season. Since practice started two weeks ago, however, much of this optimism has disappeared.

According to the coach the 13 players who probably will make up the varsity squad this season are:

Steve Juday, 6' 1", junior; Danny Brown, 6' 2", junior; Craig

Bell, 5' 11", sophomore; Dave Hay, 5' 10", senior; Tom Schwarze, 5' 9", senior; Jerry Forbes, 5' 9", senior; Dick Bathey, 6' 1", junior; Don Busch, 6' 1", junior; Dennis LaRoque, 6', senior; Dave Filkins, 6' 4", senior; Tom Long, 5' 9", junior; Jim Anderson, 5' 9", junior; and Tom Swiss, 5' 11", sophomore.

The Mustangs will open against Milford here December 2, and then host arch-rival Plymouth the following night.

### Gun Club Scores

### Ready, Aim...

The Novi Sure Shots, a gun club co-sponsored by the National Rifle Association and the Department of Conservation, entered its fifth week of shooting Tuesday.

Scores for shooting from a prone position were: Bill Mairs, 72; Bob Sorenser, 83, 83, 78, 78, 91, 84, 77; George Simenton, 70; Ricky Dryer, 55, 64, 68; Jim Needham, 67, 67; Tom Bingham, 85, 53; Bob Roten, 34; Larry Snow, 78, 96, 86, 63; Tom Barbara, 64, 72; and Bert Bowen, 39.

Scores for standing position: Orin Stader, 39, 37 for five shots. Club meetings are held in the Novi school each Tuesday from 7 to 9 p.m. New members are welcome.

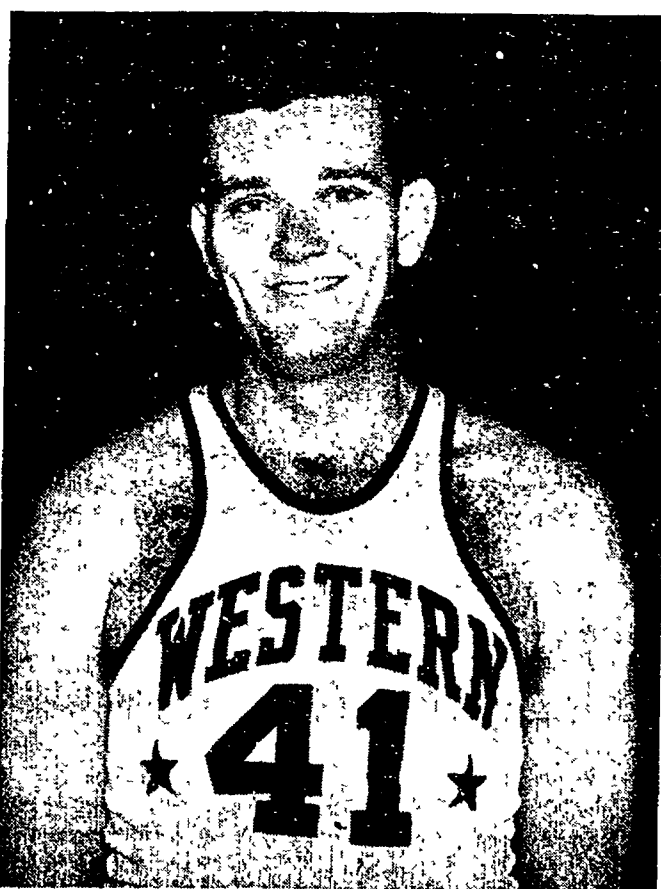

## 1960 Grid Contest Ends

The curtain fell on another football contest season last week with Wilma Hamlin, 16951 Franklin road, winning top prize of \$10 and Phil Jerome, 743 Horton, taking second place and \$5.

It was a week end of upsets and ties. Wilma missed just four games — an exceptional entry when you consider that two tie games are automatically wrong (unless, of course, a contestant predicts the tie). Aside from the ties her only misses were the Kansas upset of Missouri and the AFL win of Houston over Denver.

Jerome, a high school cross-country runner, tied with six others for second place but won the money with his near-perfect pick of the Lions-Chicago Bears score. He missed the score by six points.

Others who missed only five were Jeff Parth, Joe Hay, Sandy Hale, Otto Regentik, Frank Pauli and Cliff Rollings.

**FORMER MUSTANG** — Sophomore Jeff Goodrich, former star athlete at Northville high school, figures prominently in Coach Don Boven's varsity basketball plans at Western Michigan university this winter. Goodrich, 6-8, 230-pound center, is alternating first team with a former Battle Creek Lakeview all-stater. He is the son of Mr. and Mrs. C. M. Goodrich, 305 West Dunlap. The Broncos open December 1 at Northwestern university, then move to Cincinnati for a Saturday night game with the highly-ranked Cincinnati's Bearcats.

THE NORTHVILLE RECORD-5  
Wednesday, November 23, 1960

## Colts Defeat Clarenceville; Finish 5-2-1

Northville's junior varsity grid-ders finished the 1960 season with the same record as the Colts claimed a year ago — 5-2-1.

In the final game of the season against Clarenceville on the opponent's gridiron, the Colts grabbed an easy 20-0 shutout.

The Colts pulled into the lead on a 60-yard screen pass play from Quarterback Don Biery to Jim Jiggins on the last play of the first half.

In the third period, Jiggins added another touchdown, sweeping the end for four yards.

Tackle Dave Jerome, back to his old tricks in the final minutes of the contest, speared a Clarenceville pass and galloped 40 yards for the final tally of the game.

Biery added two extra points to the score, both on sneaks over the middle of the line.

# Football Banquet Speakers

Brief talks by two Detroit Lions grid stars will highlight the annual Northville Football Banquet here December 7. According to Herman Moehlman, publicity chairman for the Northville Exchange club, which sponsors the event, Fullback Nick Pietrosante and End Gail Cogdill, will be the guest speakers. The banquet will be held at the Northville

Methodist church, beginning at 6:30 p.m. Cliff Hill, chairman of the banquet, will emcee the program. Among the other program activities, will be the awarding of varsity letters and several special trophies, including the most valuable player, sportsmanship, and the honorary captain awards. Cogdill is shown at left and Pietrosante at right.

#### 1—Card of Thanks

I want to thank all my friends for cards, flowers and calls while I spent four days in Community General hospital and two months at Resthaven, also the members of Tremper and Neal Circles for cards and calls. Also the Seelye Circle for many kindnesses. Rev. Cargo for calls and Fred Casterline for ambulance service. I also want to thank the nurses at Community General Hospital and at Resthaven for their kindness.

Ethel Seelye

May we take this opportunity to thank our friends and neighbors for their kind acts of sympathy at the time of our bereavement. We wish to express our sincere thanks to Dr. L. W. Snow, Rev. B. J. Pankow, Fred Casterline and Miss Selma Schmutz.

## Downs . . .

(Continued)

began last year, would include new grandstands, a \$500,000 clubhouse and new barns.

For the past several months Carlo has attempted to reach an agreement with the Driving Club whereby the organization would participate in the building program. Among his proposals, none of which have been acceptable to the property-owning corporation, have been: sell controlling interest in the Driving Club to the Downs at \$30 per share; liquidation of the Driving Club corporation with formation of a trust fund paying present stockholders a guaranteed \$2 per share yearly dividend and deed the land to the Downs with the understanding it would revert to the Driving Club if racing were terminated; enter into an agreement whereby the Driving Club would maintain ownership of the buildings and property but participate in the building program by spending \$1 for every \$2 spent by the Downs.

Downs Manager Carlo has insisted that some agreement must be reached if the improvement program is to be completed. Though sympathetic, Driving Club President Dr. L. W. Snow has pointed out that his organization receives only one percent of the betting handle as rent with the understanding that one percent would be set aside for improvements.

If the Downs won the Jackson meet, it has been proposed that the Driving Club would not change its present rental fee. Thus additional revenues from the 32-night meet could be used by Carlo to improve track facilities.

Driving Club officials also point out that the additional dates would add about \$80,000 annually to the city's tax roll.

Carlo says horsemen favor the change because of the larger purses at Northville. For the same reason—bigger crowds and more betting—the move is favored by officials of Jackson Trotting Association, Carlo added.

## 22 Complete Course In Standard First Aid

Twenty-two members of the Northville police, auxiliary police, and the fire departments have successfully completed a five-week standard first aid course.

The first aid course was under the direction of Police Chief Eugene King, with members of the state police acting as instructors.

An eight-week advance course in first aid will begin in December for the same groups, King said.

Mrs. Walter Tuck was hostess to the Birthday club Wednesday evening honoring Mrs. Emma Murphy.

Jim Byrd of Charms road was a lucky deer hunter. He got his buck near Lewiston.

Jim Nissen, who is still at Tahquamenon Falls, got his buck last week.

## Minutes of Northville Board of Education

I. The meeting was called to order at 7:45 p.m. by President Robert H. Shafer.

Present: Members Robert H. Shafer, William B. Crump, Donald B. Lawrence, Waldo T. Johnson, Edward F. Angove, Wilfred C. Becker and James P. Kipfer. Absent: None.

Others Present: Supt. Amerman; Asst. Supt. MacLeod; Principals Ellison, Smith and Kay; Mr. James Littell, school attorney; Mrs. James Ross, Curriculum Committee Chairman; Mrs. Joan Angle; Mrs. Gladys Weiss; Mrs. Jean Fitzgerald; Mr. Francis Gazlay.

II. The minutes of the last regular meeting held on October 10, 1960, and of a special meeting held October 24, 1960, were read by the secretary, and there being no additions or corrections, the minutes of both meetings were approved as read.

### III. Communications:

1. Kenneth D. Conley, City of Northville Recreation Director, expressing appreciation for use of school buses in recreation program last summer.

2. Detroit Bank & Trust Company, advising that they have not actually cremated any of our bonds and coupons as yet, pending final approval of this program by the Attorney-General.

3. Allen Park Public Schools, expressing appreciation for the services of Miss Margaret DeKett as group chairman for the Instructional Materials Center meeting of the M.E.A. Institute.

4. Halsey-Stuart Co., investment brokers, verbal communication advising that they have a block of 10 bonds of our Series B issue, due in 1980, for sale to anyone interested, at a price of \$919.60 per bond.

### IV. Report of Superintendent:

1. American Education Week: Supt. expressed appreciation to P.T.A. and school administrators for the excellence of their program for American Education Week. Much effort was evident on the part of parents, teachers and principals.

2. Scholarships: Discussed scholarships offered by Meadowbrook Country Club to boys who caddy there. Club held scholarship dinner and invited school officials, who were most impressed with the provisions of this scholarship program. Supt. feels we should cooperate with the Club wherever possible in furthering this program.

3. Special Board Meeting: The Nov. Board of Education would like to meet with our Board again to discuss mutual problems, and has suggested the evening of December 7th.

Board agreed to this meeting, and to the date. Meeting to be held here in the Board Room.

4. Gideons: The Gideon Society has again requested permission to distribute copies of the New Testament to pupils in the 5th Grade in our schools. Board granted permission, as they have in the past.

5. Roofing Problem: Mr. Hickman, roofing contractor, has inspected the high school roof and found some conditions needing correction. He has verbally promised to care for them either now or next spring, as weather permits.

6. Language Class: A group of parents of grade school children are sponsoring a class in a foreign language for their children, and are in need of a suitable place for the class to meet on Saturday mornings. They have requested permission to use one of our schoolrooms.

The Board agreed that they may meet in the school for the time being, a minimum fee for the use of the room to be determined, and the Board will investigate other possibilities for them.

7. Metropolitan Detroit Bureau of School Studies: Explained by Dr. MacLeod. Various school studies are available from this Bureau, and the administration recommends that we subscribe. Cost is \$165 per year.

Moved by Mr. Lawrence, supported by Mr. Crump, that we pay this fee and participate in this program. Motion carried.

8. Services to Handicapped Children: Wayne County Board of Education has made us aware that two case workers are available to use for a small charge. One is from the South Redford School District and the other from River Rouge Schools. 75 percent of their salaries will be paid by the State, and the fee to us will be approximately \$150 per year, depending on the service required.

Moved by Mr. Kipfer, supported by Mr. Crump, that we participate in this program. Motion carried.

9. Wayne-Oakland League: Mr. Ellison reported that the schools in the League have reviewed their membership with regard to growth and enrollment, but find there is no immediate need for concern. We are about in the middle of the scale, as to size.

10. Principal - Freshman Conference: Dr. MacLeod and Mr. Stefanski attended this, at the University of Michigan, and found no problems among our students at the University.

11. Building and Site Fund: Dr. MacLeod briefly outlined encumbered expenses and asked Mr. Kay to tell the Board about the various bids on library furniture which he and Miss DeKett have solicited from Remington Rand, Peninsular State, Oglesby Equipment and McFadden Corporation. Prices quoted are as follows:

Remington Rand	\$3,625.20
Oglesby Equipment Co.	\$2,559.44
McFadden Corporation	\$2,284.34
Peninsular State	\$2,580.35

11. Mr. Kay and Miss DeKett recommend the Oglesby furniture be selected, and the Board concurred. Mr. Angove moved that Mr. Ellison and Mr. Cochran be authorized

to obtain bids on a tractor equipped with mowing and snow removal attachments, bids to be presented at the next board meeting. Mr. Crump seconded the motion, which was carried.

12. Band Uniform Fund: Mr. Amerman reported that approximately \$7,000 is now in the Fund, and Dr. MacLeod and Mr. Ellison discussed the type of uniform being considered.

13. Lighting: Mr. Amerman advised the Board that The Detroit Edison has given him an estimate of \$23,000 to \$25,000 for lighting of athletic field. Since there is no money available for this at this time, the board tabled the information.

V. Report of Secretary: The Secretary reported the following delinquent tax collections received in October: Novi Township, \$1,113.23; City of Northville, \$5,982.63; Northville Township, \$978.79. Also received was \$44,710 in State Aid.

VI. Report of Treasurer: The Treasurer reported the following balances in the Board of Education accounts as of October 31, 1960:

General Fund	\$223,481.46
1936 Bond and Coupon	\$2,416.22
1949 Debt Retirement Fund	\$736.59
1954 Debt Retirement Fund	\$736.59

1957 Debt Retirement Fund—  
Series A \$13,061.06  
1957 Debt Retirement Fund—  
Series B \$38,242.85  
1957 Debt Retirement Fund—  
Series C \$14,263.38

Building and Site Fund \$39,569.75  
Cafeteria Account \$4,158.71  
Moved by Mr. Becker, supported by Mr. Crump, that the report of the Treasurer be accepted as given. Motion carried.

VII. Report of Special Committees:  
1. Curriculum Committee: Mrs. James Ross, chairman, appeared to invite the Board to attend the next meeting, and to request permission for the Committee to operate with as few as 11 members, since this seems to be as many as are interested in serving at this time.

The Board gave its permission and expressed its appreciation that as many as 11 or 12 citizens still are interested in giving so much of their time. Mrs. Ross was also given a place on the agenda of the next Board meeting, to further review the committee's work.

2. Salary Study Committee: Mr. Lawrence reported that this committee will probably have its report ready for the Board at the next regular meeting in December, as originally charged.

VIII. Report of Auditing Committee: The Auditing Committee approved bills and payrolls for payment as follows: General Fund bills, \$11,419.13; payrolls, \$58,314.73; Building and Site Fund, \$22,070.88; Cafeteria Account, \$4,290.64. Moved by Mr. Kipfer, supported by Mr. Angove, that the bills and payrolls be paid.

### IX. New Business:

1. Policy on Interrogation of Students: Mr. Littell presented the draft of a policy on this matter which had been requested by the Board. The draft reads as follows:

No student, during school hours or while under the supervision and control of school authorities shall be interrogated by law enforcement officers in any criminal investigation except in the presence of such student's parent or lawful guardian or in their absence, without written consent from such parent or lawful guardian.

Mr. Littell elaborated on his opinion in this matter and it was then moved by Dr. Johnson that the policy suggested by Mr. Littell be adopted, and that the administration draw up the necessary regulations. Mr. Crump supported the motion, which was carried.

2. Annexation: Mr. Richard Davis, whose property lies in the Novi School District, but adjacent to the Northville School District, has applied for annexation to this District. He has been directed to take this matter up with the superintendent of schools for each of the two counties involved, Wayne and Oakland, and has proceeded to do so.

A second inquiry has come from five families now living in the Salem District No. 1 Fr., which is now having difficulty finding a school district able to accommodate its high school students. These families have been advised to take their request to Mr. Haab, superintendent of schools for Washtenaw County.

3. Wayne County School Board Association: Request for representation from our Board to attend the meeting on November 15th, for the purpose of investigating new sources of money for schools. Mr. Lawrence accepted this appointment.

4. Economic Development Committee: Presented resolution for the formation of a permanent committee for economic development. The Board is interested in this but tabled action pending further study.

X. Adjournment: Moved by Mr. Becker, supported by Mr. Lawrence that the meeting be adjourned at 11:30 p.m. Motion carried.

# NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fieldbrook 9-2428

Mr. and Mrs. Victor Gillett and Mr. and Mrs. Vincent Gillett will be hosts to a group of relatives Thanksgiving Day. Their guests will be the latter's mother and father, Mr. and Mrs. A. J. Miller of Dansville, who also celebrated their 60th wedding anniversary on Thanksgiving. Others present will be Mrs. Rhea Gillett of Brighton, Mrs. Ernestine Newton of Battle Creek and Mr. and Mrs. Roylyn Miller and Mr. and Mrs. Louis Yuhasz of Holt.

Thanksgiving Day guests of Dr. and Mrs. Lyle Fetting will be the former's mother, Mrs. Annabelle Fetting of Farmington.

Mrs. Willis Miller returned to her home on West Grand River Saturday. She was hospitalized for several days at Pontiac Osteopathic hospital for a heart condition.

Mr. and Mrs. Andy Kozak and daughters, Kim and Dana, will spend their Thanksgiving with Mr. and Mrs. Ben Wallace in Saginaw.

Mrs. Andy Kozak entertained her birthday club at her home on Clark street Tuesday evening. Mrs. Douglas Watson was the member who celebrated her birthday this month.

The club now has nine members. Mrs. Marie LaFond and Mrs. Joseph Bokar were the guests of Arthur Rigley of Detroit one day last week. They attended the Art Institute and had dinner at the Detroit Yacht club.

Mr. and Mrs. J. D. Mitchell will have Thanksgiving Day dinner for their children, Mr. and Mrs. Jim Mitchell of Plymouth and Mr. and Mrs. George Dingman and children of 11 Mile road.

On Thanksgiving week end Mr. and Mrs. George Atkinson will entertain their guests, Mr. and Mrs. George Kahl of Walled Lake and Mrs. Frances Denton of Redford at the Atkinson cottage near Lewiston.

The Hadley Bacherts are spending Thanksgiving with the former's sister and her husband, Mr. and Mrs. Gilbert Collins near White Lake.

Roger Pelchat is deer hunting with relatives at Drummond Island.

Mr. and Mrs. Luther Rix and Mr. and Mrs. Edward Rix of Plymouth plan to spend Thanksgiving with Mrs. Edward Rix's parents, Mr. and Mrs. Sam Brice in Lansing.

Mr. and Mrs. Donald Donner will be with the former's brother and his wife, Mr. and Mrs. William Donner, in Detroit Thanksgiving Day. A family gathering will be held at the home of Mr. and Mrs. Lawrence Boyd for Thanksgiving. Present will be Mr. and Mrs. Gerald Dalkor and children of Royal Oak, Mr. and Mrs. Laurence Boyd, Jr., and family and William and Jack Boyd.

William MacDermid, Dan MacDermid, Harold Ortwin and Duane Small of Milford are deer hunting at Skidway.

Mr. and Mrs. Bernard Marchetti are entertaining, other than the family, Mary Katherine Marchetti's friends, an exchange student from Japan, and another guest from England, who are students in the language institute at the University of Michigan where Mary Katherine is

enrolled this year.

Mrs. Helen Salow returned last Tuesday from a week's visit with Mr. and Mrs. Lee Doyle in Detroit. Fred Mandlik and Donald Arnett are hunting deer at Munising in the Upper Peninsula.

Mr. and Mrs. Charles Trickey, Sr. who are deer hunting at Mio are expected home for Thanksgiving.

Mr. and Mrs. Duane Bell and children left Tuesday to spend a few days with Mr. Bell's parents, Mr. and Mrs. Kenneth Cole at Glenview. They will be there for Thanksgiving and also for some hunting.

Ruthie Munro, daughter of Mr. and Mrs. Brent Munro, underwent surgery at St. Joseph Mercy hospital in Pontiac last Thursday.

Among the first to report success at deer hunting were Mr. and Mrs. Verne Grimes, who bagged two bucks at Gladwin opening day.

W. A. Walden of Lyne, Connecticut visited his father, Ralph Walden last week. On Sunday, another son and his family, Mr. and Mrs. Walden and son, James, and daughter, Janet, were also present for the family get-together at the Ralph Walden home on 12 Mile road.

Mrs. Gerald Race is on the sick list this week.

Denise Ward, Denise Hansor, Jo Ellen Steinberger and Barbara Coter had a pajama party at the home of Cindy Ortwin on Stassen street Friday night. Cindy, who is the daughter of the Harold Ortwin, celebrated her ninth birthday at the party.

Cub Scouts Cub Scout Den 5 made Thanksgiving tray favors for Novi Convalescent home and delivered same.

Novi Methodist Church Thanksgiving Sunday a Thanksgiving Day film was shown at the school school time. Also a dedication of soft toys and clothing for Farmington Home for Children, which were furnished by the Sunday school children.

The WSCS were sponsors for a box of food for a needy family. "The World Church Attendance" posters have been put up by the committee. Everyone is invited to attend the church of their choice on Sunday.

The WSCS, beginning in January, will have a work shop for their annual bazaar.

Baptist Church News The Unity Circle of the Baptist church met Monday night at which time Mrs. M. Allen of Northville gave a demonstration in mosaic tile.

Novi Baptist church fellowship supper will be held in the Novi community building Friday, Dec. 2. Mrs. Carl Evans is the general chairman. Other chairmen are as follows: hostess, Nell Childress; cooking committee, Mrs. Velma Dallas; decorations, Mrs. C. Atkins; serving, Mrs. Jean Clarke; beverages, Mrs. Sharon Allen; clean-up, Iris White; maintenance, Mr. Dallas; usher, Del King, and entertainment, Rev. and Mrs. Cook.

Novi School News

The morning and afternoon kindergarten children from Novi and Orchard Hills school had their first field trip this year on Friday. They visited the Honsinger turkey farm on Eight Mile road. Several room mothers accompanied the teachers and pupils.

An officer from the Redford State Police Post spoke to the kindergarten, first and second grade children on safety Friday afternoon.

Blue Star Mothers

Novi chapter of the Blue Star Mothers who worked at the blood bank in the community building Friday were Mrs. Russell Race, Mrs. Fred Mandlik, Mrs. John Klaser, Mrs. Gladys Tremper and Mrs. Luther Rix.

Novi Girl Scouts

A neighborhood meeting was held at the community building last Thursday with 12 ladies present. A display on Christmas craft and decorations was shown by Marge MacGillivray, leader of Troop 602.

Marge MacGillivray and Eleanor Freytag attended the Christmas Craft Workshop in Farmington last Wednesday.

Troop 602 are working on their Christmas projects.

Troop 456 held their regular business meeting and collected calendar money.

The following girls finished their dabbler badge project: Evelyn Budlong, Lynn MacCormick, Susan Warton Beck, Nancy Schinck, Susan Morse and Pam Kehr. Nature report on apple trees was given by Kathy Erwin and Evelyn Budlong. Nature report on nine trees was given by Lynn MacCormick and Susan Morse.

They worked on their Christmas gifts and closed with the flag ceremony. Susan Morse brought treats for the troop.

VISIT TURKEY FARM — With just a week before Thanksgiving and those traditional turkey dinners, children of the Novi kindergarten classes visited the turkey farm of Raymond Honsinger, 54800 West Eight Mile road, last Friday. For many of the youngsters, this was the first time they had ever seen a real live gobbler.

RUMMAGE COLLECTORS — These boys did their part to help make Friday's band uniform fund rummage sale at the First Methodist church a success. Dressed in clothes that they later donated to the sale, the boys gathered everything from bird cages to ball bats. The sale, chaired by Mrs. J. B. Leavenworth, was a financial success, too. After the day-long sale the Northville high school band uniform fund was \$292 richer. The "rummage crew" pictured above is composed of (l. to r.) Chips Elv, Pat Meyer, Lee Klopfeinstein and Chris Gazlay.

## Willowbrook . . .

By Mrs. George Ames

Greenleaf 4-0830

Mr. and Mrs. Ted Coan and Mr. and Mrs. Ed Frutchev attended the 13th annual Goodwill antique show Tuesday evening.

The Willowbrook III Bridge club met at the home of Alice Lewitter last Wednesday evening. Kay Bowman won the prize for high score, and Marge Williams won the consolation prize.

Mr. and Mrs. John Williams of Glen Ridge court spent the week end in Kalamazoo with Mr. and Mrs. Calvin Witbeck.

Sophie Martin was hostess to the Monday Pinochle club last week. Peggy Price was a guest spayer. Sophie Martin won first prize, Virginia Conrad second, Vivian Muselman third, and Clara Zublich, consolation.

Mr. and Mrs. David Folsom of West LeBost are happy to announce the birth of a daughter, Barbara Carole, on November 9th at Community General hospital in Northville. Her birth weight was five pounds and 12 ounces. Mr. and Mrs. Kenneth Aggy of Newport Richey, Florida, and Mr. and Mrs. J. B. Folsom of Livonia are the grandparents.

Mr. and Mrs. Lou Chismark joined Mr. and Mrs. Larry Goode at "Spartans" Wednesday evening. They had dinner at Victor Lim's after the show. The evening was in honor of Mr. Goode's birthday. Mr. and Mrs. Clarence Greene

are back in Willowbrook after spending five days deer hunting near West Branch, Michigan.

The Wednesday Bridge club met at the home of Agnes Driscoll last week. Marion Weiss was a guest player. Dorothy Richmond won first prize, Dottie Flattery second, and Margaret Bunker, booby.

Mr. and Mrs. Karl Weiss spent the week end in Battle Creek with Mr. and Mrs. William Purring. It was birthdays Sunday at the home of Mr. and Mrs. William Reiss. Mr. Reiss' parents, Mr. and Mrs. A. J. Reiss of Encino, California, were there to help their son, and their granddaughter, Mary Ellen, celebrate their respective birthdays.

Thursday bridge was at June Anderson's last week. Augusta Lewis, Eleanor Freytag and Nora Blackwell were guest players. Eleanor Freytag won the prize.

NORTHVILLE CITY TREASURER

## Thank You...

The members of the Northville High School and Junior High Band wish to thank the V.F.W. and Northville High School for the use of their Kitchen and Cafeteria; the various chairmen and their committees who helped us; and all our friends who came to eat at our Spaghetti Dinner, Thursday, November 17.

# Optimists Honor Young Leaders

**OPTIMIST TRIBUTE** — Members of the Northville Optimist club paid tribute to the young Northville high school leaders at a dinner program last week Wednesday evening at St. Paul's Lutheran church.

A talk on Youth Appreciation Week, November 14-18, and musical entertainment followed the dinner. Shown above with the Optimist club president, Glenn Deibert (right) are (l. to r., seated): Linda Bell, Future Teachers association president; Carol Simons, art club president; Judy Stamen, Future Nurses club president; and Betsy Hushen, Girls Athletic League president; (l. to r., standing): Eric Peterson, president freshman class; Frank Steinberger, president sophomore class; Bill Beadle, president Library club; and Jim Tuck, president of the "N" club.

## Here's Advice for Students To Improve Learning Ability

There are tricks to every trade—even that of being a successful student. Success in school, according to the Michigan National Education associations, is the result of good planning, careful budgeting of time, knowing how to listen and other tricks of the learning trade.

Teachers in junior and senior high school have this advice for students who want to improve their learning ability:

"Budget" your after-school hours. Make a chart, leaving a space for each free hour. Then schedule your time between study, sports, hobbies, outside reading, social activities. Don't allow interruptions during study periods.

"Make use of 'odds and ends' of time. Study on the bus. Keep flash cards in your pocket for studying French verbs, chemical formulas, or history dates, while you wait in line or get a quick lunch.

"Train yourself to be a good listener. When your mind starts to wander in class, try listening 'for use'. This means looking for information you can pick out and use from what is being said — facts that will help you understand a difficult part of the subject, information that is not in your textbooks.

"Try the trick of 'overlearning'. After you have committed to memory a series of dates, a list of foreign words and their English meanings, or a poem that you have been told to memorize, study them some more. Tests have proved that students who study material a while longer, after having learned it, will remember it longer than students who learn it and stop studying.

"Take an active part in classroom discussions. If you're not particularly interested in a certain subject, make yourself interested by taking part in the classroom discussion. The result may surprise you!

"Ask yourself questions about what you are studying. To impress information forcibly on your mind, close your book from time to time and ask yourself questions about the page you have been reading. Write down the answers, and check them against the text.

"Study in an organized way. Don't just plunge in and wade through the

heavy material in your textbook. First read the summary of the chapter's contents. Then read headings and subheadings throughout the chapter. If you know 'where the chapter is going' your concentrated study will roll along more smoothly.

"Do something extra, 'above and beyond the call of duty.' Read a short story in the foreign languages you're learning. Like math? Try a paperback book of mathematics puzzles and problems. Read magazines and books about your favorite subject — whether it's biology or history.

## In Uniform

Paul DeJohn

Norfolk, Virginia — Paul DeJohn, airman apprentice, son of Mr. and Mrs. Joseph C. DeJohn of 17637 Beck road, is now at the U.S. Naval Receiving Station. He's now waiting for transfer to the USS Independence.

## SPEAKING for the Record

By Bill Sliger

December 5 the city council will decide in a public hearing whether or not to change the method of compensation of the justice of the peace from a fee to salary basis.

While the proposal has been mentioned for several years by council members, it has not come up for serious study. And I think the council in general might agree that it has waited until a late hour to act.

So for the benefit of the public, as well as council members, a review of our JP system and just what a change to salary basis would accomplish seems in order.

The city's justice of the peace, E. M. Bogart, is an elected official. His term is four years. Actually, it expires July 4 of 1961, but the election is held next April. Candidates filing for the office must submit their petitions by next January 2 (see page one).

Cases coming before a JP are divided into two classes — civil and ordinance (traffic, criminal, etc.) violations.

If the JP is on a fee basis he receives "costs" for every case he handles.

The ordinance violation cases for the city are heard by the judge on a "cost" basis — which is generally \$5. The judge receives his fee for these cases whether the defendant is guilty or not.

If the defendant is guilty, he is fined and pays charges. If he is unable to pay, he is sentenced and the city still pays the judge's fee. If he is not guilty, the JP still receives his fee from the city.

In addition to such city cases, the judge also handles a number of township, county and state cases. These violations occur in the county and the fee (paid whether the defendant is found guilty or not) is \$4.30 per case and comes from the county general fund.

In 1959 the local JP received \$800 in fees from the city for local ordinance violation cases. Under a salary basis these fees would go to the city general fund.

Civil cases are another matter. Most of these are for debt collection.

It is in this field that the fee-basis JP realizes most of his income. In 1959 Justice Bogart received some \$7,300 of which more than two-thirds were "collection" cases. He has established a reputation in this field and businesses throughout the county call upon Judge Bogart for these judgments. He receives \$3.50 per case.

In general it must be considered that the council frowns upon the handling of civil cases. There is a suggestion that a JP who shows a high percentage of success in these civil cases attracts "customers".

The JP maintains, however, that he works hard to bring these cases to completion and that it is rarely, if ever, a matter of whether a person is guilty or not, but rather will he pay his legal debt.

Because of the amount of work involved, Judge Bogart points out that the salaried JP will not service these cases with the same thoroughness as a fee-basis JP.

Judge Bogart has said he will not seek re-election under the salary basis. He has said he will attempt to maintain his office by moving to the township. Furthermore, at age 68 he points out that he could retire and receive \$2,100 annually — \$300 less than the proposed JP salary.

The council has its sights set on a municipal court for Northville. This would require an attorney as judge. Because of the limited number of attorneys living within the city, the council has decided that a step toward their eventual goal would be a salaried JP.

The council has expressed the opinion that justice is better served under the salary system.

The question will be finally decided on December 5.

### Taking Tax Loss

Babson Park, Mass. — Readers who are clients of investment counselors, or who have active banking houses or brokers attending to their affairs, probably have already been notified of the possible advantage that can be secured by taking tax losses.

No Lower Taxes in 1961  
Both Mr. Kennedy and Mr. Nixon promised greater expenditures, due to increased defense needs, larger welfare payments, and perhaps unemployment aid. We cannot now wait for the official statements of the winning candidate, Mr. Kennedy. But we can assume that anything he recommends will be to the interest of the millions who hold no securities — funds for said payments to be raised through inflationary measures or increased taxes. Both could work a hardship on investors.

In deciding what to do, divide your 1960 sales of securities into two groups: (1) Those held longer than six months; (2) Those held less than six months. Next, figure out what will be your net long-term gain or loss, and what will be your net short-term gain or loss. Then offset these net figures, remembering that one dollar of short-term loss can wipe out one dollar of long-term gain, and one dollar of long-term loss can offset one dollar of short-term gain.

Of course, to take advantage of tax losses one must sell the securities, and it may not pay to do this. If an excess of long-term capital gains results, you may reduce this gain by 50 percent before figuring your tax; and if the tax on long-term gains should exceed 25 percent of the gains, you may use an alternate method of computing and thus hold down your tax.

In the case of most readers, the capital gains tax will be under 25 percent of the profits realized. The alternate tax method is used only for net taxable income of more than \$18,000 for a single person, \$24,000 for the head of a household, and \$36,000 for a joint return.

The above advantages apply only to long-term gains; they do not apply to the short-term sales cited in item 2 of the third paragraph of this column. Therefore, there may be a real tax advantage in letting your profits run over the six-months period, even if it brings you into another year. The government permits you to carry any unapplied capital gains losses forward for the next five years. Of course, securities should not be sold merely to take a tax loss. If the stock is one about which you are still optimistic, the improvement in price may later provide you with a greater gain than you could get by taking a tax loss now.

Personally I give little attention to taking tax losses if I believe my securities are all good. On the other hand, here again one must decide whether we are in a bull market or in a bear market. If you believe we are in a bear market it is better to take tax losses than it would be if you believed we were still in a bull market. This is another reason for seeking the help of an investment counselor.

Certainly, this is a good time to clear up your list and eliminate the poorest investments. Keep your stocks in the order in which they are rated, and sell one or more of

the poorest each year.

Ordinarily it is better to sell these in September or October before the crowd rushes to sell, as they may be doing this time of year. On the other hand, most investors may have already taken their capital gains or losses. If so, the market may work up from now to the end of the year rather than continue to decline until the deadline of December 30, 1960.

Most investors seem to feel that if they sell stocks to take a tax loss, they cannot buy this same stock back again. This, however, is perfectly possible if you will wait 30 days. If the stock is fundamentally good, I am inclined to buy the same stock back even though, due to some special nonrecurring event, it may have advanced in price.

### 2 Women Hurt In 2-Car Crash

Two women, one from Northville, suffered minor injuries early Wednesday evening, when their car collided with another on Sheldon road, south of Five Mile road.

Injured were Esther Lawrence, 420 Griswold, and Bonnie Jean Sanders, driver, of Milford. They reportedly were treated by private physicians.

According to deputy sheriffs, Bartley Bell of Belleville was attempting to pass another vehicle when his car slammed into the women's car.

## Michigan Mirror

### Economic Group Helped this Town

A RELIEVED HAPPINESS surrounds the tiny Upper Peninsula town of L'Anse. Residents are enjoying the reopening of a major industry in their midst, the first since six years ago when Ford Motor closed its plant which processed wood for station wagon bodies. When metal replaced wood for this purpose, the plant was closed.

Swinging into full production now is another modern plant operated by Celotex. At full capacity it will give employment to 150 people within its grounds and up to 500 woodsmen, required to supply the hard wood logs which are turned into a half million square feet of fiberboard each day.

L'Anse people appreciate, but few others seem to know about the consideration shown the community by the Ford Motor company in its effort to sell the 185,000 acre tract of land.

When it became necessary for Ford to cease operations, Clarence Dubuque, chairman of the local economic development group and president of the L'Anse Commercial Savings Bank, contacted the auto company with an urgent appeal that they sell only to an organization which would agree to maintain production activities in the L'Anse area. He feared the community would become a ghost-town if a new owner simply shipped off logs for processing elsewhere.

Ford agreed to this, and held the land until such a buyer appeared. In the meantime, Ford refused at least one firm offer from a purchaser who did not qualify according to the agreement.

MICHIGAN BUSINESSMEN have again been asked to help the state save money by taking a hand in the complex business of registering automobiles.

Secretary of State James M. Hare sent letters to many employers or personnel directors asking them to help their workers do the paper work required to obtain the black-on-aluminum tabs which will be fastened to licenses issued in 1959.

This is the second year for the tabs, and the state plans to issue full-sized plates again in 1962.

Hare said a quarter of a million dollars is saved annually by the new method of processing license applications. In the past, individual applications were prepared and sent to all persons with one or more cars registered in Michigan.

Now, the applicant must fill out his own registration form and present it to a Secretary of State branch office along with the weight tax in order to get a license. That's where the businessmen and personnel directors come in.

Hare encourages employers to make arrangements for their people to pick up the application forms at the branch office, get them to the workers, perhaps fill them out for the registrants and return them to the branch office where the tabs are issued.

He says it is a good device for labor-management relations, and saves the employer money, too.

If many people are left to their own devices for registering a car, they will wait until the deadline is uncomfortably close before going in with the forms and the money, so absenteeism is reduced.

But if registration is made easy at the place of work, the workers appreciate the service and are not off standing in long lines for licenses during working hours.

Hare told the employers he asked for help that the machine-prepared application form mailings which were discontinued probably really did work a hardship on the applicants.

"However, I'm sure most of you will agree that the annual savings of around a quarter of a million dollars in the case of the prepared application service in one which must be made at a time when tax revenues are greatly needed to keep schools running, to build highways

and to provide other needed governmental services," Hare said in his letter.

DEER MAY BE somewhat safer from hunters' guns on land belonging to private hunting clubs, but they may be in much greater danger of starvation, according to a Michigan State university wildlife researcher.

L. W. Gysel said under-hunting on the roughly 1.7 million acres of private deer hunting land in Michigan complicates an already dangerous problem of over-population.

He said the animals were eating foods once considered inedible, and

wild tree fruits such as acorns. Gysel focused his chief interest on the club country in Alcona and neighboring counties where clubs have about a quarter million acres. Here, some of the herds exceed range capacity and have over-browsed until starvation, small deer and small racks of horns are the result. The researcher wanted to find out how deer can survive on the fairly open country and if anything should be done to protect the cover for rabbits, grouse and other smaller species.

Apparently making food available to deer can only solve part of the problem even where it is practical, Gysel said.

Easy way to do your new-car sampling—

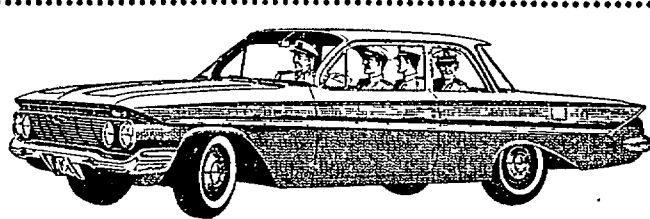

## Drive Chevy once around the block at your Chevrolet dealer's one-stop shopping center!

Just drop in and take a drive in one of the 30 spanking new '61 models your Chevy dealer now offers under the same roof. With every drive, your dealer is giving away free Dinah Shore Christmas records while they last. So hurry! And you'll find that here's the easy, one-stop way to shop for the car you want. There's a model to suit almost any taste or need—at a price to suit almost any budget. There's a whole crew of new Chevy Corvairs, including four family-lovin' wagons. New Biscaynes—the lowest priced full-size Chevrolets. Popular Bel Airs. Sumptuous Impalas. And America's only true sports car—the Corvette. Come on in and pick your new car the easy way—on a one-stop shopping tour!

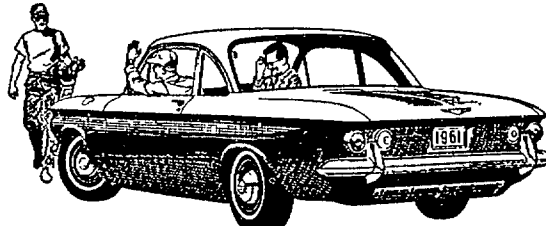

New '61 Chevrolet IMPALA SPORT SEDAN

You'll see five models in the '61 Impala series—the most elegant Chevies of all. They're sensationally sensible from their more parkable out size to their remarkably roomy in size. And note that trim new roof line.

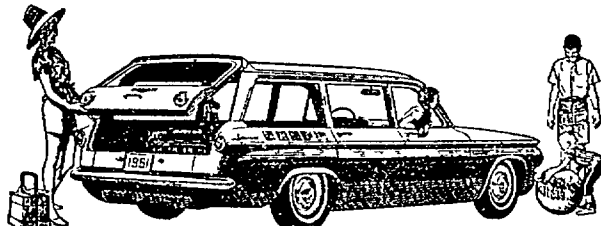

New '61 Chevrolet 2-DOOR BEL AIR SEDAN

These beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use. Roomier dimensions reach right back to the easier loading trunk that lets you pile baggage 15% higher.

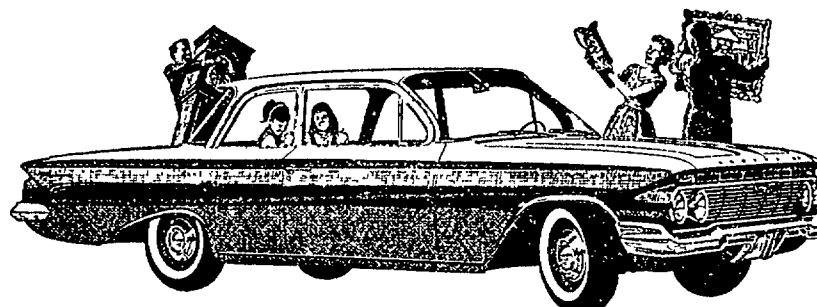

New lower priced '61 CORVAIR 500 CLUB COUPE

See what Corvair's got in store for you in '61! Thriftier sedans and coupes with nearly 12% more room up front for luggage. That rear engine's spunkier, too, with a gas-saving new axle ratio to go with it.

New '61 Corvair 700 LAKEWOOD STATION WAGON

There's room for almost everything but antifreeze in these new one-and-only 6-passenger Lakewoods. And they're the only wagons with lockable trunk under the hood. Be sure to see the new Greenbriers, too.

New '61 Chevrolet 2-DOOR BISCAIYNE 6  
NOW—Big-Car Comfort at Small-Car Prices

These new Biscayne 6's—the lowest priced full-size Chevrolets—let you save money in a big way, yet give you a full measure of Chevy's new roominess—such things as higher easy chair seats, larger door openings, more leg room in front, more foot room in the rear.

\*Also available as V8 models

## Obituary

## ANTONIE G. HANSEN

Mrs. Antonie G. Hansen, 78, died Monday, November 21 at the Arnold home in Detroit. Services will be held from the Ebert Funeral home Wednesday at 2 p.m. followed by cremation at Evergreen cemetery in Detroit. Mrs. Hansen resided at 309 Whittemore, Detroit. She was preceded in death by her husband, H. Albert Hansen, and a son, George Albert Hansen. She leaves three grandchildren and one great-grandchild. Her birthplace was Copenhagen, Denmark, where she was born on November 28, 1882.

## SALLY HAMMERMEISTER

Mrs. Sally Hammermeister, 62, a former Northville resident living in Fort Lauderdale, Florida, died last week aboard a cruise ship enroute home from a European cruise. A sister and brother, Mrs. E. Rose of Plymouth, and Howard Theimer of Detroit, survive. The Hammermeisters at one time owned a hardware store on North Center street.

## FORREST JAY BROWN

Funeral services were held Tuesday afternoon from the Ebert Funeral home for Forrest Jay Brown, 54, a Pontiac resident who died at Community General hospital Saturday. He had been ill since 1954. Surviving are three sisters, Mrs. Lillian Frits and Mrs. Vera Small of Northville and Mrs. Florence Shuck of Indianapolis, Indiana, and a brother, Beecher Brown of Flint. The Rev. Peter Nieuwkoop of the I.O.O.F. No. 270 of Milford officiated at funeral services. Interment was at Rural Hill cemetery.

## Northville Gulf Station

## Under New Management

The Northville Gulf service station, 470 East Main street, is now under the ownership and management of Lou Barnes.

The new owner purchased the station from Walter Stobbe. Barnes was formerly associated with Sanford's Standard station. A resident of Northville for four years, Barnes resides at 417 West Dunlap street.

## Class of '93 Graduate Dies in Colo.

A former Northville resident and graduate of Northville high school died last week at the age of 87 in Fort Collins, Colorado.

Services were held in Fort Collins last Saturday for Roy T. Smith, who was one of two surviving members of the Northville graduating class of 1893. Until his death he still occasionally communicated with his classmate, Mrs. C. C. Yerkes of Northville.

Mr. Smith had been ill for several years and was formerly president of the Larimer County Abstract company.

He was born in Livonia and after graduating from high school here managed a grocery and later worked in the bank. He married Angele Johnson of Ypsilanti in 1898 and resided here until moving to Colorado in 1901. After the death of his first wife, Mr. Smith remarried in 1947 and is survived by Mrs. Smith, a foster daughter and several cousins.

## 2 Employees Win Resident Extension

The city council granted extensions to two city employees Monday evening, who are not city residents as required by a year-old city regulation for full time employees.

Robert Wilson, a public works employee, was permitted to continue as a city employee until April 1 when he will retire. Wilson, a resident of Walled Lake, told the council it would not be economically possible to move here for the short period of time remaining until his retirement.

Police Officer Andrew Cain was given a six months' extension to enable him to sell his house in Dearborn. Officer Cain told the council he had found a house in Northville but cannot move until his present house is sold.

The city resident rule has been in effect one year the end of this month.

In other business Monday night the council delayed formal vacation of West street between Main and Cady street after it was pointed out by George Kohs that pedestrians should be allowed to continue using the area to cross between Cady and Main streets. The property is now owned by the school board.

City councilmen conferred with William Crump, school board vice president and a member of the audience, and it was agreed that before officially vacating some agreement might be reached to provide for pedestrian crossing. Crump said the school board has no immediate plans for building on the property. The council also approved location of professional offices and clinics in C-2 zones.

**HOSPITAL CONSTRUCTION**—Quietly and without fanfare the initial step in the expansion of the Plymouth State Home and Training school facilities at the corner of Sheldon and Five Mile roads has begun with the breaking of ground for a 220-bed custodial building. Bulldozers and other equipment have already cleared the site and sanitary sewer lines have been installed. Officials expect the building to be completed within 15 months. The custodial building is the first in a series of new buildings to be started in coming years which will see the Northville unit expand to 2,500 beds.

## J-Hop Friday

The annual J-Hop, this year a semi-formal "Evening at Monticello", will be held this Friday from 9 p.m. until 1 a.m. at the community building.

Bob Durant and his 10-piece orchestra will provide the music for the dance sponsored by the Northville high school junior class.

## School's Out Friday

Northville school children will have a long Thanksgiving week end again this year with no classes scheduled at any of the schools on the Friday following the holiday.

City of Northville ZONING ORDINANCE AMENDMENT  
Amendment to Section 8.01 B C-2 District

The City of Northville Ordains:

B. Stores and shops for the conduct of any retail or wholesale business, banks, theaters, professional business, professional offices, clinics, assembly halls, restaurants, recreation, and dance halls, test and research laboratories, open air sales or displays of motor vehicles, parking lots, public utility buildings, transformer stations or substations without storage yards, and uses similar in character to any of the above permitted uses which will not be detrimental to the district in which they are located.

THIS ORDINANCE PASSED BY THE NORTHVILLE CITY COUNCIL ON NOVEMBER 21, 1960 AND TAKES EFFECT TEN (10) DAYS AFTER ENACTMENT.

Mary Alexander, City Clerk

## Symphony Is A Hit Again

The Plymouth Symphony Orchestra played Sunday in Plymouth high school to an even larger audience than the 600 who heard it a month ago; and if the tense outcries and tender cascades of Chopin's Concerto No. 2 in F Minor for Piano and Orchestra express the 19-year-old composer's love longings, his wrath and grief at Tsarist oppression of his native Poland, then a double triumph was scored; the orchestra's interpretation, and that of the piano soloist, Nelita Ann True of Ann Arbor.

Miss True, who received her master's degree last year at the University of Michigan, and is at present attending the Julliard School of Music in New York City, is rapidly maturing as a significant concert artist. The musical unity of soloist and orchestra was so complete that one forgot everything but Chopin—a signal of victory for the soloist.

Before Miss True appeared, the audience had already settled—with the playing of Bach's first Brandenburg Concerto—deep in the seat of musical imagination. This concerto contains one movement of such overwhelming vigor and confidence, and another of such unearthly purity that you want to know the source of this passion. But research yields little; Bach led an unusually satisfactory life.

Far different was the concluding selection of this three concerto program, Concerto for Orchestra by Bela Bartok, modern Hungarian composer who died in poverty in New York in 1945. Strange rhythms, dissonances, strident horns and mad vibrations form the composition. But order, control, complex development, originality and profound beauty dominate.

Bartok traveled thousands of miles through mountains and villages to record innumerable songs of the people and their ancient scales form a part of his original atonal and polytonal compositions. At the end, a cataclysmic clash of the Bartokian instruments concludes what we may earlier have thought was noise and what we now know to be the first of a new melodic earth.

## Named Dean

The appointment of Alton Sawin, Jr. as dean of students for the liberal arts college of Drew university, Madison, New Jersey, has been announced by Dean Allen L. Weatherly.

Sawin, director of admissions for the New Jersey university since 1956, is married to the former B. Eugenia Stanford of Northville.

## Announces Dividend

Director of Manufacturers National Bank of Detroit have announced plans for a 10 percent stock dividend in connection with these plans, William A. Mayberry, chairman, stated that it was the board's intention to continue the present \$2 annual dividend on the increased number of shares.

The stock dividend will raise capital and surplus \$2,000,000 and increase the number of shares outstanding to 1,400,135. This will be accomplished by a \$2,000,000 transfer from undivided profits and will result in increasing individual loan limits to \$4,300,000.

The proposed stock dividend is to be voted on by the shareholders at the annual meeting January 17, 1961, and is also subject to approval by the Comptroller of the Currency. If approved by the shareholders, the stock dividend will be distributed to shareholders of record as of the close of business on the date of the approval of the Comptroller. This is expected to be on or about January 20, 1961.

The directors also declared the regular 50 cent quarterly dividend payable December 22 to stockholders of record December 9.

## SUNDAY CHRISTIANITY

It's quite popular to attend church services these days. We are urged through newspaper slogans and TV advertising to attend the "Church of your Choice" and the result is a notable increase in church attendance. Now, most Preachers and Church people are happy about this surge of interest and yet when analyzed there is little cause for optimism. It seems to be merely a one day Christianity that has little effect upon their lives after they leave the Church. There seems to be little holy about the way they spend the rest of the Lord's day. Their religion somehow does not effect the way they carry on their business from Monday through Saturday. As one preacher put it so aptly, "The world is sick of Church people who go to Church on Sunday and then curse God and live like the ungodly during the week." There are three primary reasons for Church services: 1) The worship of God by prayer, by praise and the quiet reflection upon His Holy Word. 2) That through the preaching of the Gospel, the unsaved may come to know Christ. 3) That Christians may be instructed in the way of right living. This then involves more than the sacred one hour on Sunday. Let's make our faith a seven day a week Christianity.

First Baptist Church Of Northville

## READERS SPEAK:

## Math Lesson

Dear Editor:

We were quite interested in your short lesson in mathematics (re your editorial on the 170 percent increase in taxes in the next decade). You learned that if your taxes were \$100 in 1959 and there is a 170 percent increase in taxes, you will pay \$170 in 1969.

Suppose the increase in ten years is only 70 percent?

Stan Stong  
44554 Chedworth

Editor's Note: Our arithmetic was correct. The hitch, of course, as explained in the editorial is that the report used 1959 as the "100 percent level". Thus the rise to the 170 percent level actually means an increase of 70 percent during the next 10 years. In our first interpretation of the report—published the week before the editorial—we were under the impression that the predicted increase was truly 170 percent. Thus the reason for our subsequent explanation.

## 3 Boys Arrested For Liquor Violation

Three boys were arrested in Novi Friday night and charged with being minors in possession.

The boys, two of whom live in Livonia and the other in Farmington, were drinking in an automobile parked in the driveway of a house under construction on 11 Mile road, police said.

One was returned to his parents, the other two were turned over to county juvenile officials.

In other police action last week, a car reported stolen by LeRoy F. Wallace of South Lyon, from the Paragon parking lot Thursday was recovered in Dearborn several hours later.
