

\$9,000 Fire Hits Apple Orchard Barn

Fire completely destroyed a huge portion of a storage barn on a West Eight Mile road apple farm Sunday afternoon with flames attracting residents from miles around to the site.

Authorities estimated damage at \$9,000.

The 48-acre farm was formerly the residence of the Paul Bayless family, but is now owned by a real estate firm, Coventry Corporation, of Detroit. The orchard has been leased to Gaspare Maiorana of Livonia and the barn was being used for storage of apples, crates and other equipment. No one resides on the farm.

Jaycees Plan Two Major Civic Projects

Plans for the first two major projects to be undertaken by the newly organized Northville chapter of the Junior Chamber of Commerce will be discussed tonight at the Northville library.

The meeting will begin at 8 p.m. All chapter members and persons interested in joining the organization are urged to attend.

Topping the agenda will be plans for a gasoline sale to be conducted Saturday, December 17.

Members of the chapter will sell gasoline from 7 a.m. to 9 p.m. at the corner of Seven Mile and Northville roads and operated by Don Blair.

All profits made from the sale will be turned over to the local chapter. The Jaycees will use the money for civic projects.

Another upcoming project to be discussed tonight will be a Christmas lighting contest to be sponsored by the Jaycees. Families in the Northville area will be encouraged to decorate their homes for the Christmas season and to enter the contest.

Prizes will be offered to the winners of the best decorations.

The local group also will discuss the possible acquisition of Northville's oldest fire truck, no longer used by the fire department. If acquired, the truck would be restored and used as a city show piece, as well as an attraction at future Jaycee projects.

Firemen from Northville and Novi fought the flames for nearly four hours after arriving at 4:30 p.m.

Although the north end of the barn containing 6,000 apple crates, a tractor, grader, apple duster and compressor burned to the ground, the cold storage section containing some 400 bushels of apples was saved.

The farm is located on the north side of Eight Mile road just east of Northville Estates subdivision. It is a part of the 255-acre Novi area annexed to the city of Northville last spring.

Northville and Novi firemen were hampered somewhat in their task by hundreds of curious residents whose cars lined both sides of the highway for several hundred yards.

Because there are no fire hydrants at the site of the fire, the pumps had to make several trips back to the city limits to reload their tanks at the city's hydrant on Randolph and return to the scene.

Police worked at the scene directing traffic and maintaining clearance for the fire trucks.

Firemen were summoned by a neighbor in Northville Estates whose children noticed the flames from their backyard. Cause of the fire has not been determined, Northville Fire Chief William McGee stated.

FLAMES engulfed the huge storage barn of a West Eight Mile road farm adjacent to Northville Estates Sunday afternoon. Damage was estimated at \$9,000. Apple crates and farm equipment were stored in the section destroyed. Northville and Novi firemen saved a cold storage section of the barn (at left) in which several hundred bushels of apples were stored. The farm is leased as an orchard, but no one resides there. Hundreds of residents from the area drove to the scene to witness the blaze.

Set Holiday Postal Hours

One of the first and most reliable indications of the approach of Christmas is the deluge of packages, cards and letters at the post office.

It has already started at the Northville office and Postmaster Leland Smith announced that postal workers will meet the annual challenge with a schedule of extra working hours.

The daily post office hours will be from 8:30 a.m. until 6 p.m. On the next two Saturdays (Dec. 10 and 17) the local post office will be open from 8:30 a.m. until 5 p.m.

On Sunday, December 18 the office will remain open from noon until 4 p.m. Deliveries will also be made on that Sunday.

The post office will go back to its regular hours on December 23. They are from 8:30 to 5 and 8:30 to noon Saturdays.

Postmaster Smith reminded customers that money orders and registered mail will be handled during normal working hours only.

He also asked that residents co-operate by mailing their packages early. And Smith reminds residents that all postcards, sealed or unsealed, require 4-cent postage to Canada or Mexico. Cards sent to other countries require 4-cent postage for unsealed envelopes, 8-cent postage for sealed envelopes.

Junior Police Asked to Sign For Yule Party

Calling all Junior Police members!

It's nearly Christmas party time again and Northville Police Chief Eugene King hopes every youngster will be able to attend.

The party will be held at the P&A theatre, as usual, with a short feature film and several comedies lined up to entertain the Junior Policemen.

It's scheduled for Saturday, December 17 at 10 a.m. with the theatre doors opening at 9:30. Each of the youngsters will be given a free bag of popcorn as they arrive and Santa Claus will be on hand at the conclusion of the party to pass out gift-filled stockings.

So that proper preparations can be made, Chief King asks that every Junior Policeman planning to attend register as soon as possible at the city hall police station. Members may bring younger brothers or sisters to the party if they wish, Chief King stated.

To identify themselves, they should wear their badges to the party. Hundreds of area youngsters have been members of the Junior Police organization, originally formed by ex-Chief Joseph Denton, and now carried on by Chief King.

Frank Freydl Dies at 58

Burial at Oakland Hills Memorial Gardens followed funeral services Monday afternoon for Frank Bruno Freydl, 58, a life long Northville resident who died at Community General hospital December 2.

The Reverend Donal Wilmoth of the First United Presbyterian church of Redford officiated at services from the Casterline Funeral home.

Mr. Freydl had resided at 43095 Seven Mile road with his wife, Elsie, who survives him. He had lived in Northville since his birth on November 29, 1902, to Bruno and Nellie (Joslin) Freydl.

His mother, two brothers, Charles and Edgar Freydl; a sister, Mrs. Nellie Barry, and a son, Jerry Arnold Freydl, survive in Northville along with a daughter, Mrs. Jean Yvonne Stovall, of Ann Arbor, and four grandchildren.

Mr. Freydl had been a precision gauge worker with the Ford Motor company, and was a member of Lodge No 186 F & A. M.

They Work

We've always said that Record want ads work, and fast!

Now Alex Lawrence, township trustee, knows what we mean.

He'd been looking for a house to lease in Northville township. Friends in the real estate business had told him this was next to impossible to find.

But as a township official, Lawrence must live in the township. You can guess the rest.

He advertised in The Record and had five calls by noon of the day following publication.

Now he's residing at 19300 Ridge court.

Lawrence is happy and so are we. You will be, too, when you try our want ads.

Phone FI-9-1700 today and let a want ad work for you — to buy, sell, rent, trade or service.

Court Fee System Dissolved by City; OK \$3,000 Salary

The city council voted unanimously Monday night to curtail the fee system and put the elected justice of the peace on a salary.

At the same time the council decided to increase an earlier proposal for a \$2,400 annual salary to \$3,000.

The council took its action at the public hearing in the face of strong protests from T. R. Carrington and Leland Smith. The pair presented a petition containing the names of about 25 Northville businessmen which opposed the change.

Although considerable of the protest, the council took the position that Carrington and Smith were defending Justice E. M. Bogart — not the fee system court.

The four councilmen (Mayor A. M. Allen was ill and unable to attend) stuck to their position that justice is best served when the judge is on a salary. They maintained that the action was the first step toward establishing a municipal court in the future (which requires an attorney to serve as judge).

The councilmen further insisted that the salary adoption does not prevent Justice Bogart from seeking re-election.

But Judge Bogart, who did not attend the hearing, has already indicated he will not serve under the salary system. Last year his fees (mostly from civil cases dealing with debt collection) totaled more than \$7,000 and has stated that they will be higher this year.

Judge Bogart has stated that he will move to the township and attempt to become JP there.

His current term does not expire until July 4, 1961 after which date the salary system will come into being. Election of the four-year term justice is held in April.

Both Carrington and Smith pointed to the outstanding record compiled by Judge Bogart Carrington appealed to the council to retain the fee system for "four more years". He said the Judge Bogart, who is 68, would retire after that time.

Smith cited the judge's service to the businessmen in collecting bad debts and said that the service would not be as good under a salary system. Carrington and Smith said businessmen from surrounding areas bring their collection work to Judge Bogart because of his excellent service.

Councilmen and Ed Welch and Earl Reed made the strongest protests against the fee system. Both were members of the city charter commission and maintained that members of that body voted the fee system down three times, but that Carrington, acting as chairman of the body, brought the matter back for consideration until it was passed.

Reed said that state bar journal (Continued on Page 4)

Petitions Circulate

Council Race Taking Shape

Petitions for 10 candidates for city and township offices in the April election began circulating throughout the community this week. But to date the only competition exists for the two seats on the city council.

And it is expected that the race for the council seats will continue to be the keenest, particularly following the announcement by Councilman Earl Reed that he will not be a candidate for re-election next April (see page eight).

Three others have already started circulating petitions for council.

They include Incumbent Ed Welch, who was elected to his present term in 1957. Welch had previously served on the village commission and on the charter commission prior to incorporation as a city in 1955. He was defeated in his first attempt to win a city council seat in 1955.

The first woman to try her hand at city hall politics has taken out petitions for the council. She is Mrs. Arthur (Beatrice) Carlson of 201 Fairbrook.

Mrs. Carlson has been active in various community affairs and was a candidate for the charter commission in 1955. She organized the local chapter of the Business and Professional Women's club and has been associated with the Red Cross, Republican club and American Legion auxiliary.

The third person to take out petitions for the council is J. Bine Leavenworth of 588 Randolph.

Leavenworth is an employee of Michigan Bell Telephone company and is a member of the volunteer fire department and city's auxiliary police department.

Petitions for Incumbent Mayor A. M. Allen are also being circulated. A former councilman, Allen became mayor after Mayor Claude Ely's death in 1958 and was elected to the post in 1959.

City councilmen serve for a term of four years, while the mayor's terms is two years. Councilman Richard Juday and John Canterbury round out the council and have two more years to serve on their current terms.

The other office up for election in the city in April is the justice of the peace. So far petitions have not been taken out for this post. Judge E. M. Bogart has indicated that he will not seek re-election because the city council has changed the method of compensation from a fee basis to a salary (see story on this page).

Judge Bogart's term runs until July 4, 1961 but the election is held in April.

In the township all incumbent office holders have petitions circulating. In contrast to the city, township elections are partisan and generally candidates run on "slates".

Republicans now hold all township offices. Those whose terms of office expire in April and have indicated they will seek re-election are: Supervisor George Clark, Clerk Marquerite Northup, Treasurer Roy Terrill, Trustee Alex Lawrence, Constable Chester Lipa and Ralph Gibson, board of review member.

If more than one candidate from the same party should file for the same office in the township, it would be necessary to hold a primary election in February. Otherwise the nominees automatically become the party candidates and there is no vote until the April election.

All prospective candidates may obtain petitions from either their city or township clerk, depending upon where they reside.

In the city petitions must contain at least 50, but not more than 75, resident signatures, while in the township the requirement is a minimum of 20 but not more than 80 signatures.

All petitions must be filed with clerks by January 3.

Plagued by 'Land Grab'

Maps Don't Last Long in Novi

Over the years, annexations, incorporation and disconnections have reduced the map of Novi to a crazy patchwork of undulating boundaries.

And the "land grab" apparently is far from completed.

Just recently, the Novi village council learned that another local resident has petitioned the court for disconnection from the village.

John Oslin has asked the court to disconnect 160 acres of his property bordering on 13 Mile road, near East Lake drive. If he is successful he will become the fifth Novi resident to win disconnection.

When property is disconnected from the village, it remains within the boundaries of Novi but only as a part of the township. And as a disconnected parcel, the property can be taxed only by the township. Technically township areas only are not entitled to village services.

Oslin, like the four other property owners who have won similar court suits, is seeking disconnection under an old state statute which permits farm lands to be disconnected, provided the property meets the following requirements:

- the land is used for farming purposes only;
- the land is located on the boundary of the municipality;
- the land has not been subdivided or platted;
- the land covers 10 acres or more.

Properties which have been disconnected from the village under this statute are: 40 acres owned by Mrs. Clarence Welfare located at Beck road and Pontiac trail; 106 acres owned by John Meier on Haggerty near 13 Mile road; 156 acres owned by William Chase near Novi and Eight Mile roads; and 97 acres owned by Bert Welfare on 14 Mile

road between East Lake drive and Haggerty.

Bert Welfare was the latest resident to win disconnection. Although the village contested his court suit on grounds that the farm was not used for agricultural purposes but was in the soil bank, Judge Stanton G. Dandero ruled that the soil bank property is only a temporary withdrawal for future agricultural uses.

Village Attorney Howard Bond has been given the "go ahead signal" by the council to dispute the latest petition for disconnection.

Bond contends Oslin does not

qualify for disconnection because his property is not on the original boundary of the village. Oslin, on the other hand, maintains that a portion of his property touches on grounds that the farm was not used for agricultural purposes but was in the soil bank, Judge Stanton G. Dandero ruled that the soil bank property is only a temporary withdrawal for future agricultural uses.

Conceivably, if Oslin's property is disconnected, it could start a chain of disconnection cases that would extend into the middle of the village.

Another chunk of the village (and the township) may be sliced out of Novi if the Supreme Court rules in favor of the annexation of North-

ville Estates area to Northville. This matter is expected to come up before the Supreme Court in January.

Specifically, Novi village is challenging the annexation of the 135-acre parcel located between Northville Estates and the city of Northville and bounded on the south by Eight Mile road. Support of the village's position by the Supreme Court, of course, would nullify the entire annexation — including Northville Estates — or about 255 acres.

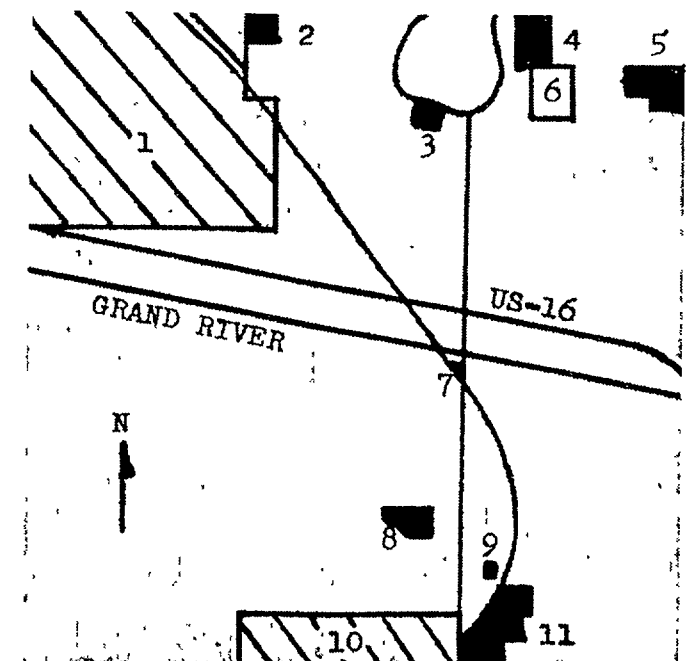

Northville Estates was part of the township of Novi, but not of the village.

If Northville wins the annexation, it will have taken from Novi over the years all of the area lying north of Eight Mile (Baseline) to about the 8 1/2 mile line, from Novi road to Beck road.

The first of these areas — which originally were part of Novi — to be annexed to Novi was the 52-acre Oakwood subdivision back in the 1920's. Next was an 88-acre section which now contains American elementary school and the high school. And finally, 250 acres, including Warren Products, Yerkes Estates (Village Green subdivision area) and property along Taft road which abuts the area most recently annexed to Northville.

Thus, if the Supreme Court rules in favor of the new annexation, Novi will have lost close to 650 acres of prime residential and industrial property to Northville.

Yet, the Northville annexations are small when compared to the granddaddy of them all at the northwest corner of Novi. For with the incorporation of Wixom, Novi lost a huge area bounded generally by Wixom road, Grand River, Beck road and Pontiac trail. And included in this area is the Lincoln plant and two truck transportation companies.

AREAS SHOWN IN black are township only. No. 1 is now a part of the city of Wixom; 2 is owned by Mrs. Clarence Welfare; 3 is the township park; 4 is owned by Bert Welfare; 5 is owned by John Meier; 6 is owned by John Oslin; 7 is a township cemetery; 8 is Brookland Farms subdivision; 9 another cemetery; 10 is annexed property to Northville; and 11 is owned by William Chase.

They Plan Dimes' Drive

TWO OF THE THREE Northville women who will head the 1961 New March of Dimes campaign here started outlining plans this week. Chairman of the drive is Mrs. Wayne McBride (left) shown with Mrs. Donald Ware, who will direct the business solicitation. The drive gets underway January 2 and will continue through the traditional Mothers' March on January 31. Mrs. Eugene Reynolds of Northville will chairwoman the Mothers' March. The National Foundation for the March of Dimes now directs its campaign for funds to prevent and treat the largest crippling diseases affecting children — birth defects, arthritis and polio.

LaCelle-Tompson Vows Spoken in Novi Church

Miss Nancy LaCelle, daughter of Mr. and Mrs. Leo LaCelle of Redford, became the bride of Gary Tompson, USN, Friday afternoon at a two o'clock double ring ceremony in the Novi Baptist church.

Arthur George, Jr. was the groom's best man.

Doreen LaCelle was her sister's maid of honor.

The bride was gown in white lace and her bouquet was made up of white mums. The maid of honor wore pink lace and carried a pink bouquet. The bride's mother's dress was also lace in royal blue. Only a small group of relatives were present for the ceremony.

BIGGEST ATTRACTION at the Northville First Methodist church "Holly Mart" was the doll booth, as far as little Janet Westphall was concerned. She's shown admiring one of the models while Mrs. W. A. Sterling and Janet's mother, Mrs. Ray Westphall, look on. The day-long annual event featured 10 booths including aprons, doll clothes, stuffed toys, knit goods, baked goods, white elephant, candy, linens, Christmas decorations and novelties. More than \$1,000 was collected and some 250 people served at the lunch and supper. Co-chairmen of the event were Mrs. Douglas Bolton and Mrs. Walter Brown.

Plymouth Chorus-Symphony Present The Messiah Sunday

The Plymouth Civic Chorus will join the Plymouth Symphony orchestra for the presentation of the Christmas section of Handel's "The Messiah" Sunday at 4 p.m. in the Plymouth high school auditorium.

Four popular Detroit area artists, Eleanor Burton, soprano; Shirley Love, mezzo soprano; Fred Kendall, tenor, and Nat Sibbold, bass, will be featured soloists with the chorus.

Wayne Dunlap, conductor of the Plymouth Symphony, has announced that "The Messiah" will be performed in its original form — equal balance of orchestra and chorus — as it was conceived by Handel. The chorus will be under the direction of Fred C. Nelson.

Additional selections for the third concert of the season will include "Fanfare for a Festive Occasion" by Grant Beglarian, former resident of Plymouth and winner of the 1958 George Gershwin Award for Young Composers. Beglarian currently lives in New York where he is music editor of the educational book division of Prentice-Hall Publishing company.

"Suite for Viola and Orchestra Number 1" by Vaughan Williams will be the third selection. Jean Harter, violinist, will be the soloist.

All concerts are open to the public without charge. Baby sitting facilities will be available during the concert for a nominal fee.

FROM BERKLEY — The new family at 21430 Summerside lane is Ed and Ruth Zywicz and their children — Eddie 8, Karen 5, and Rose 10 (l. to r.). Before their October move, they lived nine years in Berkley.

"There are lots of square dances around here. We have a book that shows you where to find one almost every day of the week."

Ruth Zywicz was speaking of the hobby she and her husband Ed enjoy so much, the entertainment they like because they can do it together. They still belong to the Buttons and Bows square dance club in Berkley.

Ed and Ruth Zywicz (they pronounce it zy-wick) have lived at 21430 Summerside lane since early October. Berkley used to be home for the couple and their three youngsters — Rose 10, Eddie 8, and Karen 5.

Their move here eliminated Ed Zywicz's daily driving woes. He used to have quite a trek traveling from Berkley to Michigan Seamless Tube

Rose, Eddie and Karen all go to American elementary.

Zywicz is a graduate of Purdue university. He majored in mechanical engineering.

Besides "Spook" and "Maple", their pet kittens, the Zywicz also have some unidentified puppies.

Woman Here Accepts State Auxiliary Post

Mrs. C. Oscar Hammond has been appointed to a two-year term on the American Legion Children's Otter Lake Billet committee. Mrs. Hammond, local child welfare chairman for the Lloyd H. Green auxiliary, will now serve the Legion on the state level.

The main objective of the children's billet, which is comprised of 77 acres of wooded land in Lapeer county, is the emergency care of children 5-14 years of age. These are children of veterans living in Michigan. The billet is a licensed child care agency recognized by the state's Department of Social Welfare.

The committee to which Mrs. Hammond has been named is directly responsible for the operation of the billet, now housing 82 children.

KITCHEN DIARY

Ice Water Helps Cake Stay Moist

Getting ready to prepare a buffet luncheon or an evening snack for a Friday night card party? Mrs. Edward J. Musolf, 532 Fairbrook road, may have just the recipes to round out your menu.

Her chicken salad, she notes, is even a hit with the men. Served in a lettuce cup it's ideal for entertaining on a small or grand scale.

Mrs. Musolf brings something new to the cake eating clique—an "ice water" fudge cake. It's the ice water in this recipe, she says, that keeps the cake moist and fresh for 7 to 10 days.

CHICKEN SALAD

Mrs. Edward J. Musolf

2 cups coarsely diced chicken
2 tablespoons lemon juice
1/2 teaspoon salt
1 cup diced celery
2 cups seedless, white grapes
2 hard boiled eggs, chilled and chopped
1/2 cup salad dressing
1/4 cup halved or slivered, blanched almonds, toasted

Sprinkle chicken with lemon juice and salt; chill over night. Add celery, grapes, chopped eggs, salad dressing and almonds; toss lightly. Season salad with more salt if needed. Serve in lettuce cups.

ICE WATER FUDGE CAKE

2/3 cup soft butter or margarine
1 1/2 cups sugar
2 eggs
1 teaspoon vanilla
2 1/2 one-ounce squares unsweetened chocolate
2 1/2 cups sifted cake flour
1 1/4 teaspoon soda
1/4 teaspoon salt
1 1/4 cups ice water

Cream butter, sugar, eggs and vanilla until fluffy (beat five minutes at high speed on mixer), scraping bowl occasionally. Prepare ice water making sure there is a very thin layer of ice on water's surface. Blend in melted and cooled chocolate. Sift together flour, soda and salt; add alternately with ice water to creamed mixture. Beat batter well after each addition; bake in two paper-lined, 9-inch cake tins for 30-35 minutes in a 350-degree oven.

NO-COOK CHOCOLATE ICING

2 1/2 one-ounce squares unsweetened chocolate
2 cups sifted confectioners sugar
3 tablespoons hot water
1 egg
1 teaspoon vanilla

Melt chocolate in mixing bowl over hot water. Remove from heat; blend in sugar and water. Beat in egg, butter and vanilla. To thicken icing, place bowl in ice water, beating icing until it reaches spreading consistency.

Double Ring Ceremony Unites Couple

Mr. and Mrs. Rollin Gaab

St. Ambrose Catholic church, Ironwood, was the setting for a nuptial High Mass uniting in marriage Miss Barbara Jean Rasmussen, daughter of Mr. and Mrs. Gordon Rasmussen, Sutherland street, Ironwood, and Rollin Gaab, son of Mr. and Mrs. William Gaab, 105 Fairbrook, Northville.

The Rev. Edward Wenzel officiated at a double ring ceremony preceding the celebration of the Mass. The marriage took place at 11 a.m. November 26.

Escorted to the altar by her father, the bride wore a floor length gown of white taffeta. Chantilly lace etched with pearl patterns accented the gown's gentle scoop neckline. Tapered, long sleeves buttoned at the wrists, came to delicate lily points over the bride's hands. Hand clipped chantilly lace bordered the taffeta overskirt and tapered to the front waistline revealing the lace paneled skirt beneath. In the back it swept into a slight chapel train.

A lace crown trimmed with twisted pearl and pleated tulle clasped the fingertip veil of pure silk illusion. She carried a crescent cascade of white feathered carnations and ivy, centered with a cluster of red roses.

For her attendants, the bride chose Anita Rae Vita, a cousin, as maid of honor and Jacqueline Lillimack of Plymouth as bridesmaid.

Michael Myette was Mr. Gaab's best man and Clement Vita, the bride's cousin, was groomsmen. Seating the guests were ushers William Gaab, brother of the groom, and Richard Rayl, cousin of the groom.

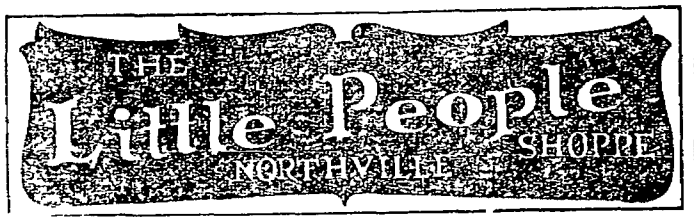

A wedding dinner was held at the Elks club, where the bride and groom later greeted 150 guests.

The bride, a 1957 graduate of Luther Wright high school, was employed by Michigan Bell Telephone company. The groom works out of the telephone company's Livonia office. He is a 1958 graduate of Northville high school.

The couple will reside in Northville.

Local guests included Mr. and Mrs. William Gaab, Sr., Mrs. Dorothy Busch, Mrs. Vera Tolls, Mr. and Mrs. Gordon Norris and Robble, Mr. and Mrs. Thomas Stamford and Mr. and Mrs. Arliss Laux.

Sing 'The Messiah' Here December 18

The Northville Community chorus will herald the religious solemnity of the Christmas season Sunday, December 18, when it presents a 7:30 p.m. performance of Handel's "Messiah" at the First Presbyterian church.

Leslie Lee will direct. Arthur Pipok, Methodist church organist, and Mrs. J. K. Bosch, pianist, will accompany the singers.

Four Ann Arbor soloists from the University of Michigan school of music — Joanne Wiseman, soprano; Mary Ellen Henkel, alto; Walker Wyatt, baritone, and Millard Cates, tenor — will join the chorus.

Births

Mr. and Mrs. Sumner Gow, 21400 Meadowbrook, announce the birth of a daughter, Frances Annette, at Beyer hospital in Ypsilanti on Friday, December 2. Frances Annette weighed eight pounds, 10 ounces.

The Northville WOMAN'S CLUB will honor its new members at a tea next Friday afternoon, December 16, in the library. Special music will be played during this Christmas program.

By Mrs. Luther Rix — Fieldbrook 9-2428

Mr. and Mrs. Homer Kent are expected home sometime this week after two weeks vacation with the latter's sister and her husband, Mr. and Mrs. Maynard Goff, in South Carolina.

Tom Ritter spent the week end with his parents, Mr. and Mrs. Richard Ritter, on West Grand River. Tom is attending Ferris Institute in Big Rapids.

Mr. and Mrs. Hi Holmes and son, Jim, and daughter, Mary, spent Thanksgiving with their daughter, Mrs. Joseph Tarantowski in Wayne.

Court Fee

(Continued)

als report that persons appearing before JP's on a fee basis are found guilty 90 percent of the time, while the percentage drops to 60 percent in a salary court.

Councilman Canterbury, acting as mayor, said that he did not believe that Northville should be a "mecca" for outside collection cases. He also asked Smith and Carrington if they would uphold the fee system if Judge Bogart were not in office. The question was unanswered.

Councilman Juday joined other council members in objecting to the fee system, but added that he would support Judge Bogart for office if he were to run under the salary basis.

Rev. and Mrs. Dean Parker of Vassar were guests of the latter's parents, Mr. and Mrs. Fred Garlick, for a few days last week. Saturday evening Mrs. Parker was the guest of her parents at the fellowship turkey dinner in the community hall.

Miss Loraine Darling left last Saturday for Los Angeles, California.

Mr. and Mrs. Glen C. Salow made the trip to Manitou Beach to visit Mrs. Salow's brother, Louis Risner, this past Sunday.

Mr. and Mrs. George Atkinson were Sunday visitors at the home of Mr. and Mrs. Kenneth Atkinson in Detroit.

Nancy Hansor, 15-year-old daughter of Mr. and Mrs. William Hansor, Jr., who has been studying ballet for ten years had the honor of dancing at the Ballet Teachers convention in Detroit Sunday, November 20. Nancy also danced at the USO Sunday, November 27. She will continue her ballet studies and has started teaching a class in ballet.

Mrs. Eleanor Brohm and Miss Grace Bognor of Mt. Prospect near Chicago returned home last Saturday after visiting several relatives here and attending the funeral of their aunt, Mrs. Howard Greer, last Thursday.

Cpl. Jerry Webb of the U. S. Marines, is home on a two weeks leave

with his parents, Mr. and Mrs. George Webb. He will be leaving Saturday for his base at Lake Meade, Nevada.

Mr. and Mrs. J. W. Erwin are attending the Fruit Growers convention in Grand Rapids this week.

Mr. and Mrs. Stanley Orzechowski and children were the Sunday evening supper guests of the latter's brother and sister-in-law, Mr. and Mrs. William Miller.

Mr. and Mrs. Al Pritchard spent two days of last week in Adrian visiting a friend who is leaving soon for California.

November 23, Mr. and Mrs. Al Pritchard attended the funeral of Mrs. Pritchard's brother-in-law, Fred McCoy at Belleville.

Blue Star Mothers
The Novi chapter of the Blue Star Mothers, numbering 15 and a guest, Mrs. Lulu Whittington, met at the home of Mrs. William Rackov on Fonda street December 5.

Mrs. Rackov assisted by Mrs. Whittington served the mothers a chop suey luncheon.

The following officers were elected: president, Lottie Race; first vice president, Elva Pennell; second vice president, Margaret Williams; recording secretary, Laney Rix; financial secretary, Alma Johnston; treasurer, Gertrude Lee; chaplain, Alma Klaserer; hospital chairman, Hazel Mandlik.

There will be a Christmas party

Tuesday, December 20 in the evening at the home of Gertrude Lee in Walled Lake. The January meeting will be at the home of Marie LaFond.

Novi Baptist Church News

The Baptist Mission Band will meet at the parsonage today (Thursday). Miss Mary Flint has charge of the program.

The Workers Conference met in the Fellowship Room of the church Tuesday evening. Christmas program plans were formulated.

At the new church, underground plumbing has been completed and the workers are getting ready to pour the floors. The windows are coming this week.

Approximately 150 attended the Fellowship supper in the community hall Saturday evening. After a turkey dinner the male quartet from the First Baptist church in Northville entertained with three selections. They were George MacDaniels, Norman Sanford, Donald Gardner and Don Zanger with Dewey Gardner of Gardner Music Studios, accompanying them. The speaker of the evening was Rev. Harry Love, pastor and present state youth and camp director for the Conservative Baptist Association of Michigan.

Rebekah News
The Past Noble Grands will have their Christmas party next Thursday, December 15. The place is a secret.

The Rebekahs and Oddfellows had a potluck supper at the hall Monday evening. After supper they put on a skit after which they played cards and danced.

Mrs. Pearl Tamm provided the chicken for the Rebekah club dinner at the hall Wednesday of this week.

Farm Bureau News

Farm Bureau plans have been completed for the Farm Bureau Christmas party Saturday, December 17 in the Masonic Temple on West Lake road, Walled Lake.

Members who missed the November meeting are to contact Mrs. Clyde Wyatt or William LaSalle for complete details. Dinner promptly at 7 p.m. followed by a program of carol singing and entertainment by the children. Santa has promised to make an appearance to highlight the evening. Exchange of gifts among members and guests in keeping with the true spirit of Christmas. A gift collection will be presented to Cottage 21 at the State Home and Training school at Lapeer.

This bit of Christmas giving has become a project of which the group is both happy and proud.

Novi Girl Scouts

Brownie Troop 492 made Christmas presents for their mothers at their troop meeting on Saturday. Mrs. Willacker furnished cookies for treats.

Intermediate Troop 456 met at the home of committee member, Mrs.

Donald Kuick, and worked on their Christmas projects. Work on the dabbler badge was turned in by Pam Kehr, Becky Kuick, Susan Morse, Kathy Erwin and Marty Hanna. Nancy Schingek furnished treats for the troop.

Intermediate Troop 1023 made Christmas centerpieces and Mrs. Pat Kozak assisted. Janet Driscoll furnished treats.

Brownie Troop 902 worked on their sewing projects of booties and enjoyed playing "Here we go round the Mountain". Treats furnished by Patty Erwin.

Intermediate Troop 602 continued working on their Christmas projects and turned in their calendar money, planned their cookies for the Christmas party. They made additional posters for the Goodfellow sale. This troop will be re-registering and \$1 registration dues are to be given leader by December 15.

Intermediate Troop 149 is working on their good grooming badge. Mrs. Robert Skellenger visited the troop and spoke to them regarding correct wearing and placement of insignia.

Neighborhood chairman, Mrs. William MacDermid, attended the Farmington - Novi district meeting December 7 at the home of Mrs. Louise Martin in Farmington. Novi neighborhood meeting is scheduled for Thursday, December 15 at the Novi community building at 9:30 a.m.

Seniors 'On Stage' Next Week

CURTAIN UP! — The cast of Northville high school's senior class play moved into the final session of rehearsals this week before presenting "The Curious Savage" next Wednesday and Thursday evenings December 14 and 15 in the high school auditorium. Sam Chizmar, Sharon Johnson, Mike Goodrich, Uta Rosenbrock, Sharon Hensch,

Carolyn Langtry, Mike Adas and Kent Frid (l. to r.) here rehearse their parts in the comedy which contrasts "the sane, peaceful world inside a mental institution with the mad outside world." Tickets for either 8 p.m. performance may be obtained from any senior or purchased at the door. Miss Florence Panattoni is the faculty director.

CITY OF NORTHVILLE ORDINANCE NOTICE

THE CITY OF NORTHVILLE ORDAINS:

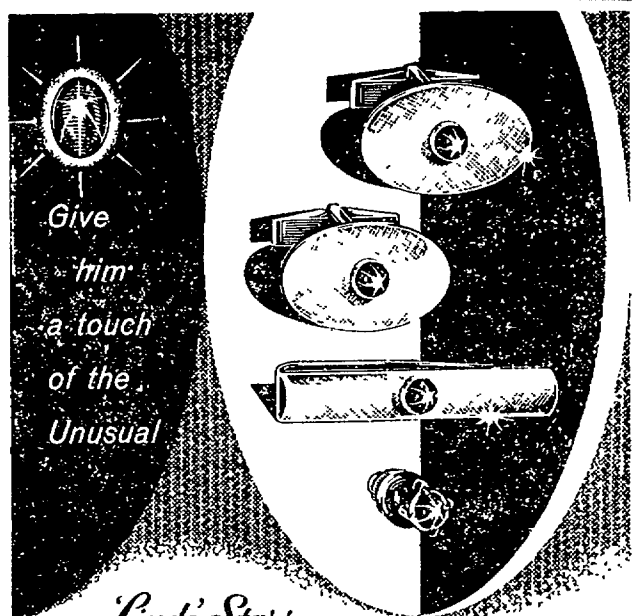

1. That, pursuant to the provisions of Section 15.3 of the Charter for the City of Northville, the method of compensation for the Justice of the Peace for the City of Northville shall, beginning July 4, 1961, be changed from a fee to a salary basis.

2. That beginning July 4, 1961, the annual salary for the Justice of the Peace for the City of Northville shall be the sum of \$2,400.00.

3. That the above annual salary shall be in lieu of all fees, costs and charges to which the Justice of the Peace would ordinarily be entitled and that said fees, costs and charges, together with all fines, penalties, forfeitures and monies collected or received by the Court shall, after July 4, 1961, be turned over to the City Treasurer in accordance with the provisions of Section 15.10 of the Charter for the City of Northville. Provided, however, that the above provision shall not apply to any fees collected by the Justice of the Peace for the performance of marriage ceremonies.

PASSED BY THE CITY COUNCIL ON DECEMBER 5, 1960.
THIS ORDINANCE SHALL TAKE EFFECT 10 DAYS AFTER ITS PUBLICATION.

Re-Zoning Goes On and On and On

The ways of a democratic government are sometimes slow and there's probably no one more convinced of this right now than George Kohs of 473 West Cady street.

In 1951 he requested R-3 zoning for three lots next to his residence. The planning commission, responsible for recommending such changes, favored the request at that time. But somehow, even though the then village commission also concurred, the re-zoning was never legally enacted.

The oversight was not discovered until earlier this year. Kohs, therefore, returned to an apologetic city council which promised prompt consideration of the matter.

Following the proper channels, the request was returned to the planning commission for public hearing. The planners returned the request to the city council with their recommendation that it be adopted. This was November 7.

In the meantime, however, a neighbor, Donald Severance of 392 Fairbrook court, learned of the possibility that the property adjoining his might be re-zoned R-3 and objected at the November 7 council public hearing.

Severance had not heard of the action earlier and maintained that R-3 zoning would be detrimental to his residence. Among other things Severance pointed out that R-3 zoning permits lodges, museums, private clubs, etc. He said that Kohs could build two family dwellings under the present R-2 zoning and therefore saw no need for re-zoning.

In the light of the objection the council sent the request back to the planning commission — to be certain the planners had given full consideration to the matter and not just acted hurriedly to correct the long-standing oversight.

Last Monday night the hearing was re-opened and the council learned that the planners had acted with due consideration. Planners T. R. Carrington and Alfred Smith were on hand to tell them so.

Kohs again appealed his case. Severance again objected that the re-zoning would be detrimental to neighboring residences — including, he pointed out, Kohs' own residence.

Severance gained a supporter in Councilman Ed Welch, who had previously backed Kohs' request. Councilman John Canterbury, Richard Juday and Earl Reed waived

enough to again question the sincerity of the planning commission's action.

While a bewildered Kohs asked the council "what must I do to get action on this request?", the council voted to adjourn the hearing once more and return the matter to the planning commission.

Tuesday night the matter became more heated when the planning commission met and found the item on its agenda.

Severance set forth some legal objections concerning the procedure the planning commission has followed in calling for and advertising the rezoning. While tempers flared between Kohs and Severance, the planners decided to take up the legal points with City Attorney Philip Ogilvie before answering the city council's latest appeal for another opinion.

The council has scheduled the hearing to be re-opened on December 19.

In other business Monday night the council received a letter from the Northville Woman's club expressing an interest in plans for a new city hall. Specifically, the club requested that the park adjoining the city hall be preserved and asked that their group be notified so that

they might attend any meetings concerning the plans for the new municipal building.

The council also heard a report on civil defense by City Manager John Robertson and directed the manager to list the needs for the program so that they might be considered before the next budget is completed.

WCTS Hosts Rotary Clubs On Thursday

The Northville and Plymouth Rotary clubs will be guests at the Wayne County Training school next Thursday noon (December 15) for the annual Christmas party presented by the children of the school.

Dr. Pasquale Buoniconti, superintendent of the training school and a member of the Northville Rotary club, is chairman of the program.

Youngsters of the school will serve lunch to the visiting Rotarians and entertain the group with a special Christmas presentation. Working with Dr. Buoniconti on the program are Richard Kay and Lynn Sullivan, Northville Rotarians.

Obituary**INFANT PHALEN**

Funeral services were held December 1 from the Casterline Funeral home for Randall Scott Phalen, the infant son of William and Elaine Phalen, who died November 28 at St. Mary hospital in Livonia. He was born November 25. In addition to his parents, a brother, William Jr., and grandparents, Mr. and Mrs. Obie H. Butler, Northville, and Mr. and Mrs. William E. Phalen, Livonia, survive. Interment at Rural Hill cemetery followed services conducted by the Rev. B. J. Pankow.

G. RUSSELL FULLER

Funeral services were held December 1 in San Antonio, Texas, for G. Russell Fuller, 63, a former Northville resident, who died November 28. Mr. Fuller was born here in 1897 to Mr. and Mrs. A. E. Fuller. He is survived by his wife, Dorah, San Antonio; a daughter, Mrs. Tom Brittain, a daughter, Beverly Brittain, Allen Park, a brother, Howard Fuller, and a sister, Mrs. Merritt Meaker, Northville. Mr. Fuller had been employed at the United States Security headquarters at Brooks Air base in San Antonio. He had worked for the Detroit Edison company while a Michigan resident.

Councilman Earl Reed Won't Seek Re-Election

Councilman Earl Reed, a member of the Northville village commission, charter commission and the city council for the past seven years, announced this week that he will not be a candidate for re-election in April.

READERS SPEAK:**Koester OK**

To the Editor:

I am a little sick of the way the Northville Record-Novis seems to belittle Herb Koester in their paper. I am writing as a retired Detroit policeman who moved to Novi to retire and live quietly. However, the headlines last week which read, "Koester Files Again" irked me to no end. I could tell the people of Novi a few things I know about him. I rode in a car many times with him on the job and when we stopped a car, had a run on major or minor matters, Herb was the first man out of the car. When you worked with Herb you felt as though you had a person who was beside you in any kind of trouble that might come up.

His honesty has always been above reproach. In other words, a good honest cop. You may not want to print this letter, and I have never written a letter for publication before, but knowing his makeup and reading the things you put in your paper, I had to tell what I know about him and I have known him for over 25 years.

Dee Nelson

EDITOR'S NOTE: Last week's headline read "Koester Files, Three Circulate Primary Petitions" (No reference to "again" was made). This newspaper has never "belittled" any citizen, much less Mr. Koester who has frequently been commended for his attendance and interest in Novi affairs. The article to which Mr. Nelson refers did point out that Koester has filed five times for political office in Novi without gaining election, a tribute to his perseverance.

Reed and Councilman Ed Welch are currently serving four-year terms that expire in April. Welch has taken out petitions for re-election.

In making his announcement Councilman Reed submitted the following letter to this newspaper:

It is with a great deal of regret that I announce my withdrawal from public office and I am taking this opportunity to express my reason for so doing.

Due to the pressure of business I find it is impossible to devote the necessary time to fulfill my obligations as councilman of the city of Northville. Under these circumstances, I would be remiss in my duties as a councilman, if I permitted my name to be placed in nomination.

However, I am leaving you with a feeling that I always tried to serve you to the best of my judgment, and never tried to shirk my duty even though it may have been a hardship. If my judgment has been wrong I am truly sorry. If I have been of any help, individually or as a councilman, I am deeply happy for the service I have contributed in behalf of my fellow citizens.

New Travel Owner Cites Speedy Service

The Northville Travel Center, 135 West Main street, is now privately owned and operated by Johnnie Tackett, who formerly managed the office as a branch of Vacationland Travel Center.

And this week Tackett had reason to boost the service his office can provide.

His proof is a trip taken by Dwight Grayson and his two daughters, Beth Ann 13, and Meg 6, of Ridge road.

Grayson is agency manager for United Airlines in Detroit and had passed that were due to expire soon. So he decided to treat his daughters.

This was their travel agenda: Breakfast at home at 8:30 a.m.; board non-stop flight to Los Angeles at 10 a.m.; arrive in Los Angeles at 11:30 a.m. California time; lunch and sight-seeing and then return to Willow Run for dinner at home that evening.

"Just a sample of our fast service," says Tackett.

Presbyterian Men Hear Speaker Tonight

The Presbyterian Men's club of Northville will hear Raymond Hensel of the Dale Carnegie organization discuss "Rehabilitation of Prisoners" at its regular monthly meeting tonight (Thursday).

Dinner is served for members at 6 p.m. An invitation has also been extended to wives to hear the program which will begin at approximately 7 p.m.

Is Atheism A Blessing

Did you ever hear anyone say, "I was wretched and miserable, and then I got hold of one of Voltaire's volumes & through it I found peace?" Did you ever hear anyone say, "I was almost beside myself with the guilt of sin but when I picked up a copy of Tom Paine's book, immediately joy and peace filled my heart?" Did you ever hear anyone give a testimony of how they had been delivered from drink or dope through atheism? Has a nation, Soviet Russia for example, been made a better nation because they have embraced the religion of atheism? Do they live better, are they happier when they believe there is no God? Well I'm sure you know the answer as well as I do. Then why is atheism advocated as a super brand of intellectualism by many of our college professors and the Christian faith scoffed at? Could this have any connection with the fact that Communism is breeding in the midst of our educational system here in America? Wherever belief in God and Jesus Christ has been carried, that nation so blessed with the Gospel reaped an abundant harvest of other blessings as a by-product. Let us never forget that! Blessed is the nation whose God is the Lord.

NO COMMENT — Beatrice Putnam caught the interest of this friendly fellow at the Blaney park game preserve in the Upper Peninsula. She gave him a bite to eat, but lost his avid interest once the morsels had disappeared from her hand.

NORTHERN SUNSET — The Harold Putnams have met little difficulty finding subjects for their pictures and pen in their several trips to the Upper Peninsula. Putnam will stay in one place for days waiting for nature to strike the right pose, such as that shown in this picture.

They Repeated Vows; Now Take Bows for Publications

"You should always see a salesman," photographer Harold Putnam laughingly advised. "You never know just what he might have to offer."

Drinking coffee over a sun-bathed breakfast table off the kitchen of their New England farm house at 40860 Seven Mile road — Harold and Beatrice Putnam, a photographer — author team with two books already credited to their by-line, were explaining how their partnership was first formed almost 25 years ago.

Back in 1936 both Harold Putnam and Beatrice Morgan were making headway in Detroit advertising circles. Miss Morgan, an enterprising ad woman trained in the University of Wisconsin journalism department, had taken up the promotional reins of a

women's retail chain. Putnam was selling ad space for the Detroit Times.

Call it fate, fortune or whatever you will, the man from Boston called on the woman from North Dakota to sell her on some advertising, and it wasn't too long after that the partnership was on.

For a while the Putnams plied their individual professional leanings, but illness sent Mrs. Putnam into a brief retirement, and a new job introduced the camera to Mr. Putnam's daily work routine.

While resting and recuperating, Beatrice Putnam tried her hand at gardening.

Looking for a few simple tips on how to do it, "I found there just weren't any books to help the beginner," recalled Mrs. Putnam.

"I went from Schiaparelli to spinach in the succeeding months," she laughed. From selling fashions, she turned to selling the idea of giving World War II Americans some simple tips on defense gardening.

She went to work for the Ferry Morse Seed company, and from her original seed of gardening interest sprouted a University of Michigan extension course in defense gardening for beginners and a series of practical "how to" garden-

ing stories in Life magazine.

Putnam started taking his photography seriously when he picked up a second-hand camera in 1949 and found that it helped him in his work as a representative for a Missouri color press firm.

"What finally happened," confided his wife, "was that he got to be a collector and wanted to try all the cameras."

"And now," she said, pointing to the stove, "I even cook my eggs with a photographic timer."

Their books, "We Fell in Love with Keweenawland" and "North to Adventure in Michigan's Upper Peninsula", were naturals for the talented journalism pair.

From her home base at the Seven Mile farmhouse built by a pioneering Michigan family, Mrs. Putnam had drummed out type-writer copy for the "Dynamic Detroit" booklet and Southeastern Michigan tourist guides, as well as composing articles for national publications.

Her husband's camera furnished the pictures for an article published in a national magazine on the landscaping whims they had incorporated in their own yard.

The Putnams' recently published "North to Adventure" book followed on the heels of their picture-narrative on the Keweenawland, which was commission-

ed by the Copper Country Vacationist league.

Both were the products of thousands of feet of film and endless hours of pouring through all brands of data on Michigan's Upper Peninsula.

Although admittedly the writer in the family (as well as being "the near object in Put's pictures"), Mrs. Putnam reminded her spouse that he's no slouch when it comes to working with words.

"He's an excellent writer. And when I'm stricken with the panic of the plain paper or just plain stuck, he's a wonder. Besides that, he's my best critic."

What will the Putnams tackle next?

"For the time being, our first concern," said Mr. Putnam, "is promoting 'North to Adventure'."

And if they stick by their intent of never letting "the right hand know what the left hand is doing," idle speculation could be misleading.

THEIR LATEST BOOK — Northville's own photographer-writer team, Mr. and Mrs. Harold Putnam, take a look at their latest journalistic venture, "North to Adventure in Michigan's Upper Peninsula", in their home at 40860 Seven Mile road.

Walter Honored, Re-Elected By Meadowbrook Members

Meadowbrook Country club members gathered last Saturday night for a double salute to President Lunn Walter.

Their annual President's Night, attended by 175, was an occasion to honor Walter for his expiring term and his re-election for 1960-61. The event included cocktails, dinner and dancing. On the wall was a four-foot high caricature of Walter.

Because President's Night was also the beginning of the festive season, Manager Reid Ferguson had the club decorated throughout with a Christmas theme. White and gold colors were carried throughout, with the several Christmas trees in white.

In addition to Walter, who lives in Northville, the board of directors for 1960-61 will be:

Norman Cleton, Detroit, vice president; Clarence Athanson, Ann Arbor, treasurer; Charles Scott Jr., Detroit, secretary, and George Rice, Rosedale Park; Fred Schwarz,

Wilson D. Tyler

Wilson D. Tyler, assistant vice president of the Detroit Bank and Trust company, has assumed new responsibilities for the Bank's Customer Securities, Public Funds and Collections Departments, replacing W. Bea Waldrup, vice president, retired. Tyler has been with the bank since 1940 beginning as a clerk and rising to assistant branch manager in 1950. Subsequent promotions to assistant cashier in 1956 and assistant vice president in 1959 followed. Tyler, his wife, Ruth, and three children, Douglas 17, Kay 13, and Jane 10, reside at 19772 Meadowbrook road, Northville township.

PLAYS PRO BALL NOW — Charles "Chuck" Shonta, a grid product of Eastern Michigan university who coached Northville's first wrestling team last year, is currently a defensive star for the Boston Patriots of the American Football league. He is shown above with Al Jones, Northville athletic director, and basketball Coach Dutch Van Ingen at the Buffalo, New York stadium shortly before the Patriots clashed with the Buffalo Bills Sunday. The Patriots lost the game 38-14 after battling to a 14-14 tie at the half. Shonta played the entire game as a defensive halfback, knocking the ball from the hands of one Buffalo star (which Boston recovered), nearly intercepting a pass, and joining in a "free-for-all", which involved practically every player in a uniform. The melee, which nearly spread to the stands, started over a personal foul. Shonta indicated after the game that he may return to Northville after the season ends. He has two more games to play. Jones and Van Ingen attended Sunday's game in Buffalo along with Editor Jack Hoffman, who took the above picture.

Methodists Pad Lead, Win 91-37

Walled Lake Methodist cagers padded their lead in the Inter-Lakes church league Thursday night by swamping St. William's Catholic 91-37.

In the only other contest of the evening at the Walled Lake junior high school gymnasium, St. Matthew's Lutheran, last year's league champions, rolled over W.B. Baptist 52-37.

The Methodists had no difficulty in defeating their opponents, with Bill Ligon and Bernie Stafford leading the scoring attack with 25 and 20 points, respectively. Stafford is a coach at Walled Lake high school.

Dick Dewling was the high-point man for the Catholics with 15 points. Jerry Long led his St. Matthew team to victory by flipping in 12 points. Harold Render and Bill Hogg shared scoring honors for the losers, each notching 11 points.

Tonight St. William's will take on St. Matthew's at 7 p.m., and the league-leading Methodists will clash with the Baptists (made up of players from churches in Wixom and West Bloomfield.)

Appaloosa Pony Club Forms, Elects Officers

Area pony enthusiasts formed a Michigan state chapter of the National Pony of the Americas Club, Inc., here last Sunday and elected officers.

The local group represents the only pony with appaloosa characteristics and color and its purpose is to provide a suitable size mount for children between the shetland size and a horse.

Sunday's meeting was held at the home of George R. Whitefield of Northville and was called as the result of an October 30th meeting at which time some 30 interested persons met and decided to form an organization.

Officers of the club are: Charles Sinelli of South Lyon, president; Earle Clarke of Northville, vice president; Leah Whitefield of Northville, secretary-treasurer; and board members, Norman Gradel of Toledo, George R. Whitefield of Northville, Clayton King of Watford, Ontario, and Donald Meyer of Ypsilanti.

Headquarters of the new club will be in Northville at the home of the Whitefields. Anyone interested in seeing the appaloosa pony or learning more about them may contact

the Whitefields or Clarkes in Northville or the Sinellis or Buster Lowther in South Lyon.

At Sunday's meeting Dr. and Mrs. Val Van Gieson, formerly of Northville, now residing in Allegan, who attended to see the ponies. Dr. Van Gieson is a veterinarian and had read of the appaloosa in an October story in The Northville Record.

After the meeting a tour of the Clarke farm displayed their ponies. Dragon's Image, 1960 grand champion in Michigan and owned by Buster and Boots Lowther of South Lyon, was also on display.

Men's Cage League

Because the P-TA meeting will be held in the community building Thursday evening, the men's basketball practice is postponed until Saturday.

The gym will be open from 2-4 p.m. for men's basketball.

More men are needed before teams can be formed to start competition. Recreation Director Ken Conley reports.

Cagers Suffer Twin Losses in Openers

Northville swung for the fences but struck out in both ends of a basketball double-header here Friday and Saturday.

Fighting to climb out of the Wayne-Oakland league cellar where they were mired last season, the Mustangs dropped a 45-44 thriller to Milford Friday and then lost to Plymouth the following night, 57-48.

Although the double loss was a blow to Northville's efforts to better its 1959-60 record, there were still signs of optimism in the Northville camp this week as the Mustangs prepared for its encounter with league champion Brighton tomorrow night.

Coach Dutch Van Ingen and his varsity cagers are certain to "go all out" in attempting to upset the Bulldogs and to jump back into the race for the W.O. league crown.

Meanwhile, from the Brighton camp comes word of a short, but scrappy team that crushed Howell 45-27 and defeated Clarenceville 52-34.

Coach Harry Fosdick of Brighton stated that the Bulldogs "are a lot better than I thought they would be. We don't have much height, but we have more team balance and a bunch of scrappers."

Fosdick plans to start David Hill and Dave Bosworth at the forwards, Randy Marx and Fred Diamond at the guards, and Max Bidwell at center.

A foul in the final seconds of the fourth period cost Northville its game with Milford. And ironically, the Mustang targeted with the foul was the same player who tipped in what would have been the winning point.

Behind at the end of the third period, 42-32, the Mustangs chipped away at the Milford lead until the score stood at 45-42 with three minutes to play.

Center Danny Brown sank a back-handed field goal to put Northville within two points of victory.

Later, with just 11 seconds to play, forward Steve Juday fired a shot that bounced off the rim. Brown jumped high, tapped the rebounding ball through the net and the partisan fans roared and cheered their approval.

But out of the noise and excitement came the signal from an official. Brown had committed a foul seconds before he tipped in the "winning" basket.

Center Bob Oaks of Milford missed his free throw and Northville took possession as the game ended.

The game was close all the way. Northville grabbed a 13-9 first-quarter lead, hung on to a 23-22 lead at the half and then slipped behind at the three-quarter mark, 43-32.

Brown led Northville's offensive attack with four field goals and two free throws. Juday and Tom Schwarz were close behind with 9 and 8 points, respectively.

A six-point second quarter became the rope that hung Northville in its game with the Redskins here Saturday.

Leading 13-10 at the end of the first quarter, Plymouth bombed the net for 17 points in the second stanza. Only Juday and Schwarz managed to score in the quarter, Juday with a single field goal and Schwarz two field goals.

The Mustangs sharpened their aim in the third quarter, producing 17 points. But Plymouth added 17 of its own.

"ALL ALONE AND FEELING BLUE" — Center Danny Brown (32) shown above dribbling away from several Milford cagers flipped in what looked like the winning basket in the final seconds of Friday's game with the Redskins. Unfortunately, the 6' 2" center was charged with a foul before he meshed the basket and Northville lost the game.

Colts Split Basketball Games Here

Brown led Northville in scoring with 16 points, while Schwarz grabbed the runner-up spot with 12 points.

Northville fired 58 shots and made 19 full goals for a 33 percent average in the first contest, then made 20 of 69 shots for a 29 percent average in the second game.

Milford hit 58 percent of its free throws and Plymouth 62 percent. Northville, on the other hand, made 4 of 10 for 40 percent against Milford and 10 of 13 for 77 percent against Plymouth.

Northville's junior varsity quintet last week came up with one victory in its first two games this season.

The Colts crushed Milford 44-33 in the preliminary contest here Friday night and then dropped a 43-39 squeaker to Plymouth here Saturday.

Forward Tom Daniels and Guard Don Biery shared scoring honors for the Colts, each hitting the nets for 11 points.

Northville grabbed an 8-7 lead in the first quarter of its contest with the JVs of Plymouth, only to slip behind at the half, 18-17.

Plymouth padded its score slightly in both of the final quarters, with 12 points in the third and 13 in the fourth. The Colts picked up 11 points in each of the final two quarters.

Biery led the Colts' attack with four field goals and six charity shots.

Wrestlers Lose Opener But Prospects Look Bright

His team lost its first match, but Northville Wrestling Coach Dave Longridge is far from discouraged.

Reviewing the Mustangs' 42-10 loss to Class A Garden City last week, Longridge pointed out that his young squad showed plenty of promise.

"We got hurt in the early rounds," Longridge said, "mostly because of inexperience."

But the coach added that two or three newcomers came close to winning. Two of these "promising" wrestlers are Joe Hay, a 165-pound sophomore, and Dave Luedke, a 145-pound freshman.

One other newcomer who reported for practice last week and quickly brightened Longridge's dreams is Gary Stobbe.

The only two Mustangs to pick up points against Garden City were Veteran Wrestlers Captain Jim Tuck and Jerry Biddle. Both picked up 5 points by pinning their opponents in the first rounds.

Tuck wrestles in the 180-pound class, and Biddle in the unlimited class.

Other Northville wrestlers against Garden City were: Doug Nichols 103, Tom Zielinski

112, Rick Rebitzke 120, Ron Rebitzke 127, Eugene Willnow 133, Fred Steeper 138, and Gary Nichols 154.

Matthew's account of Christ Jesus' feeding of the 5,000 men with five loaves and two fishes (Chap. 14) will be included in the Scriptural selections.

One of the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (206:15): "In the scientific relation of God to man, we find that whatever blesses one blesses all, as Jesus showed with the loaves and the fishes, — Spirit, not matter, being the source of supply." From James (1:17) the following will be read: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning."

THE SAME AS FATHER

"What will you have?" said the waitress to a man who had just entered a cafe with his son. "A glass of beer," replied the gentlemen. "And what do you want for the little boy?" "Same as father," the lad replied quickly. "Wait," said the father, "I will not take the beer."

Whether you are a father or mother, yours is the responsibility to God for your children. In the formative years of their lives they shall look to you and imitate you. You are their champion. Later on they shall strike out on their own, do their own thinking and go on their way. But the training of the former years will have left its mark upon them. The wise King said by Divine Inspiration, "Train up a child in the way he should go; and when he is old he will not depart from it." An elder in one of my former pastorates once said, "The children of Godly, praying parents have a hard job going astray!"

It should be the joy of the parents to lead their children to the saving knowledge of Jesus Christ. To go with them as they start in the Sunday school. To introduce them to the services of the church. Somewhere I read this bit of information. When a father and a mother, or either one, are Christians, 7 out of 12 of the children become Christians, too. Where neither parent is a Christian, only 1 out of

12. Parents, then, are largely responsible in teaching and setting examples before their children to lead them on the upward course that leads to eternal life.

There are two little eyes upon you, and they're watching you night and day, There are two little ears that quickly take in every word you say. There are little hands all eager to do everything for you, And a little boy who's dreaming of the day he'll be like you. You're the little fellow's idol, you're the wisest of the wise, In his little mind about you no suspicions ever rise. He believes in you devotedly, holds that all you say and do, He will say and do in your way when he's grown up like you. There's a wide-eyed little fellow who believes you're always right And his ears are always open, and he watches day and night. You are setting an example every day in all you do, For the little boy who's waiting to grow up to be like you.

Plan Adult Choir Concert At St. Paul's Lutheran

On Sunday, December 18 the adult choir of St. Paul's Lutheran church and the children of St. Paul's school will present a concert of sacred Christmas music beginning at 7:30 p.m. The church is located at the corner of High and Elm streets in Northville. The public is cordially invited to attend this concert.

Featured in this year's concert will be carols of many lands. The adult choir's opening number will be the lively and spirited "With a Voice of Singing" by Martin Shaw. Two English carols including "God Rest

Ye Merry Gentlemen" by Sir John Stainer and the "Ukrainian Bell Carol" by M. Leontovich, as well as carols from France, Denmark, Russia and Poland will be sung by the senior choir.

The children of St. Paul's school will combine their voices in singing the familiar French carol "Angels We Have Heard on High" and the German carol "While by My Sheep I Watched at Night" with its beautiful "Joy" chorus by Hugo Jungst.

Concluding the evening's program will be a special arrangement of "Silent Night" by Frances Williams and F. Christiansen's setting of the popular hymn "Beautiful Savior". The adult choir and a select group of children will join in singing these numbers written for two choirs.

Madonna Plans Open House This Sunday

High school juniors, seniors and their parents are invited to attend an open house scheduled for Sunday, December 11 from 3-5 p.m. at Madonna college, Livonia.

Girls from parochial and public schools will have an occasion to acquaint themselves with the college and to hear about opportunities for a liberal education and professional training offered by Madonna.

Departments of the college are preparing exhibits for the event. The faculty will be on hand on that day to discuss plans concerning requirements of their respective departments.

The Public Relations committee, in charge of the activity, organized student groups which are to assist on that day.

Madonna college, a four-year liberal arts college for women conducted by the Felician Sisters, is fully accredited. The major fields of study at the college include art, biology, chemistry, English, history, home economics, mathematics, medical technology, music and sociology. These may also be taken as minors except medical technology.

In addition, business, education, French, journalism, Latin, Polish, social science, Spanish and speech are offered as minors.

The college is approved by the Department of Public Instruction to recommend its graduates for teacher certificates on either the elementary or secondary levels in public or parochial schools.

The college is located at 36800 Schoolcraft between Newburg and Levan roads.

Salem Pastor Accepts Post In Lansing

Rev. Richard S. Burgess, pastor of the Salem Federated church, Salem, since August 1955, has accepted a call to become pastor of the Inter-City Bible church of Lansing. His duties there will begin January 1.

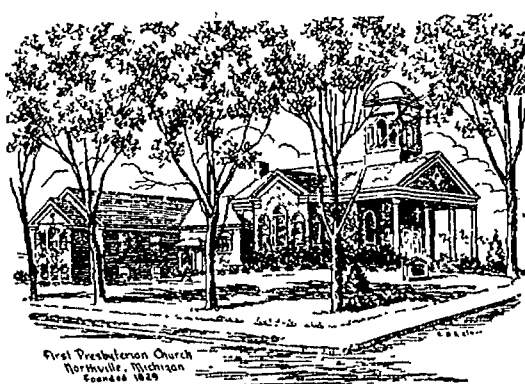

The Salem Federated church has seen outstanding growth and progress during the past five years with the addition of a two-story educational unit in 1956, complete remodeling of the basement, installation of new hot water heating systems in both the church and parsonage, new furniture in the church auditorium and new roofs on the church and parsonage. The missionary giving of the church was increased to \$3,000 this past year.

Rev. Burgess is a graduate of the Southland Bible Institute, Pikesville, Kentucky. He also attended King's college where he majored in Christian education.

In addition to his pastoral duties, Rev. Burgess is a member of the board of directors of the Southland Bible Institute. He is also on the advisory council of Cedine Bible Mission of Grandview, Tennessee.

Mrs. Burgess is a graduate of the University of Michigan where she received her bachelor of science degree in nursing. Rev. and Mrs. Burgess have two children, Rebecca and Stephen, who attend New Hudson elementary school.

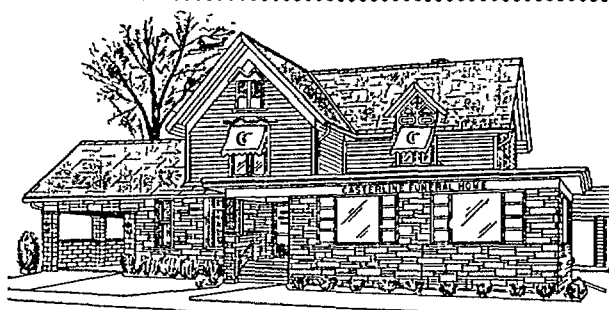

The family will be residing at 1313 Prospect, Lansing, after December 27.

Minutes of Northville Board of Education

Special Meeting — Nov. 28, 1960
Meeting convened at 7:30 p.m.

Present: Members Angove, Becker, Crump, Kipfer, Johnson, Lawrence and President Shafer.

Others Present: Supt. Amerman, Asst. Supt. MacLeod, Principals Ellison, Kay and Smith, Mr. Frank Cochran, Mrs. Weiss, Mrs. M. Ross, Mrs. Angle, Mr. Gazlay and Mr. E. Hanson.

1. Mr. H. Earl Hanson, C.P.A., distributed copies of "Report on Audit of Receipts and Disbursements for the Fiscal Year ended June 30, 1960". Mr. Hanson reviewed the audit and answered questions.

Mr. Hanson complimented Miss Alice Hosback for her cooperation and excellent records.

Mr. Hanson then distributed copies of "Report on Audit of Cash Receipts and Disbursements for School Activity Funds". Mr. Hanson explained the Activity Fund audit and complimented the use of the "peg-board" system of keeping records. Several Board of Education members asked questions regarding procedure and administration.

Messrs. Amerman and Smith will study specific recommendations and will report to the Board of Education.

Motion was made by Crump and supported by Lawrence that the reports by the auditor be accepted. Carried unanimously.

2. Mrs. Muriel Ross, chairman of the Citizens' Curriculum Study Committee, reported that only seven persons have indicated a willingness

to work on the "Community College Study". Mrs. Ross assured the Board of Education that the committee would be pleased to continue on the proposed "Community College Study" if it were possible to do so without having 25 members representing a cross section of the community.

2. It was moved by Becker and seconded by Crump that the committee be named "Community College Survey Committee". Carried unanimously.

It was agreed that the questionnaires, prepared by the Northwest Community College Committee, will be secured and administered to the members of the eleventh and twelfth grades at Northville High School. Questionnaires will then be given to the committee for tabulation.

3. Messrs. Ellison and Cochran reported on the purchase of a tractor. Quotations were received as follows:

Broquet—Ford — \$3,624.83
Arms—Ford — \$3,840.00
Kirchhoff—International Harvester — \$3,445.00

It was moved by Angove and seconded by Lawrence that a No. 240 International Harvester, tractor, with equipment as noted, be purchased from the Kirchhoff Implement Co., Plymouth, for \$2,423.00, the bid price less the cost of wheel spacers which it was decided were not needed, or they may substitute a different mower if desirable.

4. Mr. Ellison then reported that

the Biddle Bus Co. will transport students to athletic contests in other league communities for a flat rate of \$1.00 per round trip, regardless of distance.

It was agreed to table the matter until a "Transportation Policy" has been prepared and accepted.

5. Dr. K. M. MacLeod presented statistics pertaining to possible growth in the secondary schools, and possible organizational patterns in 6-3-3 and/or 6-2-4.

6. Superintendent Amerman presented two Financial Studies. Part I included: tax receipts, state aid, state equalized valuations, millage divided into General Fund and Debt Retirement, and total millage, for the years 1932-1961.

Part 2 included: teachers' salaries, percent of operating budget, general operating expenditure, debt payments and total expenditures for the years 1932-1961.

Superintendent Amerman also stated he was making a budget survey and would make results available soon.

7. Mr. Lawrence described a School Board Association meeting which he and Supt. Amerman attended November 15th in South Redford. The group is seeking new tax sources and a broader tax base for schools. Four committees were selected:

1. Establish need
2. Future revenue

3. New sources of revenue

4. Structure

8. Mr. Crump reported that the Board of Education's request to close West Street from Main to Cady was not approved by the City Council because of the objections of one resident. The matter has been postponed until the 2nd meeting in January. In the meantime, representatives of the City Council will consult with the Board of Education at a meeting on December 12, 1960.

Mr. Crump also announced a meeting of the Novi Planning Board for December 12. Since this date conflicts with the regular Board of Education meeting, another meeting date will have to be arranged.

9. President Shafer announced (a) That, since there seems to be a great deal of interest in the December 12 Board of Education meeting, because of the Report of the Salary Committee, the meeting will be held in the meeting room at the Community Center. (b) Appointed Mr. E. Angove to be chairman of the committee to study administrative organization. Messrs. Becker and Kipfer are the other committee members.

10. It was moved by Crump and seconded by Lawrence that the meeting be adjourned. Motion carried.

Meeting adjourned at 11:45 p.m.
Donald B. Lawrence, Secretary

READERS SPEAK:

Let's Save City Hall Site

To the Editor:
Northville Record

Subject: Location of the New City Hall.

If there remains any doubt in the minds of our councilmen regarding the practical advisability of retaining the park area south of the present City Hall as such, I respectfully call their attention to the article in the November issue of the Readers Digest entitled "Good-bye to Our Public Parks".

For the irreplaceable benefit of both present and future generations of our citizens the conversion of this park to a commercial use would, in my opinion, constitute a glaring example of a "penny wise, pound foolish" decision.

From my experience of 15 years as a realtor I am certain that the natural beauty of our city has been a most important factor in the decision of a majority of both old and new residents in making their homes here.

Also, if anything has been impress-

ed on me as a long time member of the Northville Planning Commission, it is that the retention and development of park and/or recreational facilities is an essential consideration in sound community planning.

Let us, therefore, not make the expensive mistake of many municipalities in destroying the parks which are providing useful and esthetic values.

Northville's American Legion post served up its annual Hunters' Dinner last Saturday evening to nearly 100 local men in honor of their service to the community. Following the venison, raccoon and beef dinner a film was shown which portrayed communist activities at the un-American Activities committee investigation hearings in San Francisco last spring. Pictured above waiting to serve their guests are Legionnaires: (l. to r.) Dave McElravy, Robert Wren, John Steimel, Donald Moore, John Goss, Howard Wrights and Hunters' Dinner Chairman James Madigan. At the right, enjoying the food, are: (l. to r.) John Canterbury, Sherwood Stevens, Kenneth MacLeod, Eugene King, William Crump, Lisle Alexander, E. V. Ellison and Mitchell Gabbard.

Wixom Extension Plans Annual Christmas Party

Good lighting means having the right kind and right amount of light at the right place, this was the lesson which the Wixom Extension group received from their leaders, Mrs. Berle Dean and Mrs. Ray Nelson at the last meeting.

There were 12 members present. The next meeting on December 13, which is the Christmas party, will be held at 10 o'clock. After a planned potluck dinner Christmas wreaths will be made.

College Representative Interviews Local Girls

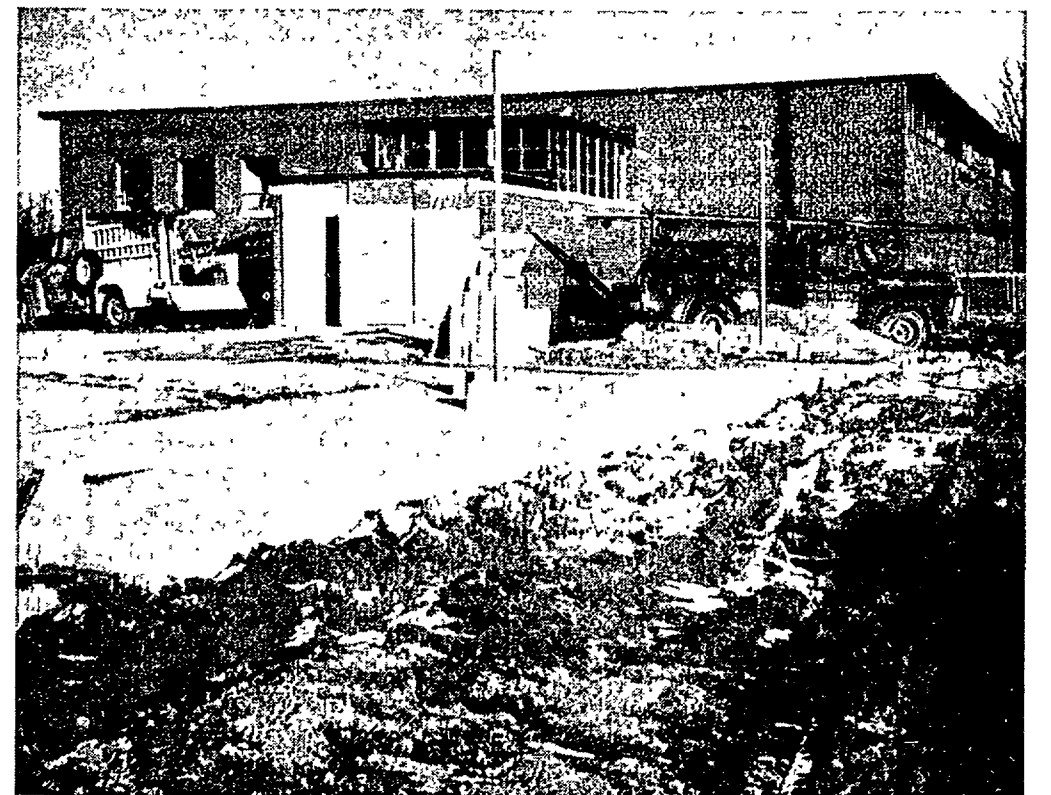

Miss Beatrice Patterson, traveling enrollment counselor at Cazenovia junior college, Cazenovia, New York, will visit Northville senior high school Monday morning.

She will interview students interested in attending a two-year college for women and describe curricula offered at Cazenovia and student life at the college.

Honored

Named to the Dean's list at Mercy college in Detroit this week was Edythe Anne Bosak of 43000 Nine Mile road.

The Dean's list is a quarterly posting of the names of all students who achieve a 3.25 average out of a possible 4.00 — a B plus or better mark.

NEARLY COMPLETED — Officials of UAW Local 36 predicted this week that the new \$110,000 bi-level union hall building, under construction across from the Lincoln plant in Wixom, will be completed and ready for use within 10 days to two weeks. The brick and concrete structure houses a huge auditorium, numerous offices and a kitchen. Plans also are underway for a \$50,000 credit union building to be located on the same property, but construction is not expected to begin until sometime in 1962.

why there's no water heater like an **ELECTRIC WATER HEATER**

YOU CAN PUT IT ANYWHERE—even in an air-tight closet. Because there's no flame, an electric water heater doesn't need air flow to support combustion, or a vent to carry off fumes. There's even a table-top model you

can put under the counter in the kitchen or utility room. Here's the only heater you can always place close to point of greatest hot water use.

PLENTY OF HOT WATER ROUND THE CLOCK. For dishes, laundry, baths, there's always plenty of hot water available. Electric water heaters have two heating units: one for normal use, the other for those occasions when there's an extra demand for hot water.

HOTTER HOT WATER WHENEVER YOU NEED IT. Some laundering requires very hot water to get clothes really clean. Dishwashers, too, need water that's very hot. Remember, an electric water heater can keep on and on, delivering the extra-hot water needed without burning out.

OPERATING COSTS ARE AMAZINGLY LOW. The popular 50-gallon heater will meet the needs of 8 out of 10 families. Using estimated operating costs for this size unit, a plentiful supply of hot water for all family needs should cost you less than 15c a day!

Here's Expert's Advice on Winter Driving

A University of Wisconsin research professor who has conducted winter driving tests on Wisconsin's ice and snow for the past dozen years has revealed that some winter tire advertisers occasionally "get carried away and present misleading information which is unfair to the majority of companies which stick to factual information."

He calls attention to a national safety committee resolution warning that "misleading advertising concerning non-skid properties of tires can become an indirect cause of costly traffic tie-ups and painful accidents by leading motorists into taking risks of which they are not fully aware."

He is Prof. Archie H. Easton, director of the Motor Vehicle Research Laboratory at the University of Wisconsin, who points to results of comprehensive tests by the National Safety Council's Committee on Winter Driving Hazards. He is chairman of the committee and is described as the outstanding authority on "coefficients of friction as related to winter road surfaces."

Prof. Easton's favorite subject, when he isn't teaching his engineering classes at the university, is to talk about the facts of safe winter driving. He points out that during snow-ice months rural traffic death rates are three times higher than in urban areas.

Having risked his limbs and life time and again in winter test driv-

ing, Easton can tell hundreds of test results with all types of vehicles, tire treads and chains to reduce dangers of skidding or stalling. He recommends that all snow-belt drivers, particularly those in rural communities, study the following facts:

WINTER STARTING — When it comes to starting and pulling ability on glare ice, snow tires are 28 percent better than regular tires; regular tire chains are 231 percent better, while reinforced tire chains are 409 percent better. On loosely packed snow, the snow tires are 51 percent better than regular tires, whereas reinforced tire chains provide 313 percent better traction.

STOPPING ABILITY — On glare ice, at only 20 mph, braking distances for regular tires average 195 feet. Snow tires take 174 feet, regular tire chains 99 feet, and reinforced tire chains 77 feet. At 20 mph on loosely packed snow, regular tires stopped in 60 feet, snow tires 32 feet, regular tire chains 46 feet, and reinforced tire chains 38 feet.

BASIC CONCLUSIONS — Prof. Easton summarizes other basic conclusions from his winter driving tests, to aid drivers in 43 snow-belt states just before severe weather and road conditions set in, as follows:

1. The most hazardous winter surface condition is ice near or at the freezing temperature;
2. Braking distances on winter

surfaces are 3 to 12 times as great as those on bare pavement;

3. Tires and traction devices listed in the approximate order of increasing effectiveness on winter surfaces are as follows:

A. Smooth tires — very poor in cornering. Should not be used.

B. Regular tires — inadequate under many winter conditions.

C. Winterized tire (tread treatment or breakout material) — provide better traction on ice, not much improvement in snow over regular tires.

D. Mud-snow modern design — provide better snow and ice traction than regular tires.

E. Embedded metal coils, serpen-

tine ribs — provide better snow and ice traction than regular tires. Effective on wet ice.

F. Sanders — performance outstanding in traction on ice only.

G. Regular round wire chains — Good stop-and-go performance on ice and snow. Side-skid resistance low compared to reinforced tire chains.

H. Reinforced tire chains — best in overall performance on both ice and snow.

WHAT TO DO — 1. A driver should select the tire that best suits his situation and supplement it by always having reinforced tire chains available in the car trunk. They are often needed for severe conditions.

2. Pump brakes to reduce skidding, maintain steering control, and shorten stopping distance. Use brakes judiciously to evaluate road surface if questionable.

If a vehicle begins to skid, the driver should reduce the power and turn the steering wheel in the direction of the rear end skid until recovery begins.

4. The application of power and steering forces should be gradual and smooth on winter surfaces.

5. Use recommended tire pressures for best tire performance on ice.

6. The application of power and steering forces should be gradual and smooth on winter surfaces.

7. Use recommended tire pressures for best tire performance on ice.

8. The application of power and steering forces should be gradual and smooth on winter surfaces.

9. Use recommended tire pressures for best tire performance on ice.

10. The application of power and steering forces should be gradual and smooth on winter surfaces.

OUT OF THE PAST

ONE YEAR AGO

A circuit court trial to settle a long-standing issue over the zoning of the Arthur Heslip property on Nine Mile road has been set for next Thursday.

Judge William J. Beers, who last month denied a request for an injunction to prevent commercial or industrial construction on 120 acres of Nine Mile road property while the legality of the village zoning ordinance is being questioned, will hear the case.

The announcements that Northville Downs will have a total of 39 racing nights next year — three more than in 1959 — brought little joy to John Carlo, executive manager of the track.

The first step in undertaking an addition to the First Baptist church, Wing and Randolph streets, began last Wednesday. The church parsonage was sold and moved to a site on Beck road just north of 11 Mile road.

Northville's new high school gymnasium got its varsity baptism last Friday night when the Northville eagers faced Clarenceville. Incidentally, Northville lost the game 55-46.

"A greater crowd than ever" is expected Monday for the second general meeting of the giant Novi citizens committee at the community building.

The sixth annual firemen's dance will be held at the Novi community building next week.

The offices of the Northville city clerk have been expanded and brightened providing both more working area and storage space.

FIVE YEARS AGO

It's official now. They've started work.

Details of a multi-million dollar "modern, efficient plant, to meet a growing demand for Lincoln automobiles," were disclosed in Novi December 2 during ground-breaking ceremonies for the new national headquarters and plant of the Lincoln division of Ford Motor company.

The Northville village commission on the occasion of its last official meeting announced publicly that its recent rezoning of the St. Lawrence property for track use had unwittingly violated the village charter, and therefore was probably illegal.

The eight candidates for the Northville council in the first city of Northville election were: Claude N. Ely, mayor; A. Malcolm Allen, John S. Canterbury, Alton Peters, Earl L. Reed, John Stubenvoll, Ed C. Welch. E. M. Bogart was a candidate for justice of peace.

A letter to Novi township board members from Ernest C. Pitchford of East Walled Lake drive touched off "fireworks" as Pitchford charged that he had been refused a building permit on a piece of property platted in 1913, a 30-foot wide lot in Chapman subdivision near Pitchford's home.

Building permits for construction totaled nearly three and one-half million dollars during the first 11 months of the year in Novi, according to Cameron Lodge, building inspector.

The Mustangs opened their 1955-56 basketball season with a disappointing loss to Plymouth by the score of 42-26. Northville's lineup: Bell, Skow, Palmer, Teshka, Neuwkoop, Dick Biery, Waterloo, Yahne, Dave Biery, Burns and Hollis.

FIFTEEN YEARS AGO . . . The Record office received a telegram Wednesday from Mrs. Chester Whipple of Long Beach, California, which read "This is to notify friends and former schoolmates that Wallace Whipple USSS Edsel, has been officially declared lost by

the Navy Department."

The edition of April 3, 1942 of The Record contained a story reporting him "missing in action" in the battle of the Java Sea.

The Northville Canteen Corps has been placed on an inactive status, after three and a half years' of volunteer service, during which time 32 local women have given a total of 3,395 hours.

Members of the Ladies Aid Society of St. Paul's Lutheran church, which sponsored a banquet, were: Mrs. Selma Meisner, Mrs. Tillie Heidt, Mrs. Martha Martens and Mrs. Caroline Newton.

At a ceremony November 23 at the Federal building in Detroit, Mary Catherine McFarland received the Bronze Star Medal posthumously awarded her husband, First Lieutenant James F. McFarland, Jr., infantry.

TWENTY-FIVE YEARS AGO

An ornate set of chapel furniture, in genuine American walnut, for Dr. Frederick B. Fisher, pastor of the Central Methodist Episcopal church of Detroit, was designed, finished and installed by Charles A. Dolph of Northville.

The actual building operations were by A. E. Whitehead, Erlin J. Cobb and M. J. Boelens.

Councilmen meeting in regular session Monday evening authorized Street Commissioner Earl Montgomery to flush all the key hydrants in the village at two-week intervals in order to eliminate the rust accumulations which have made the water unfit for use in some sections. Mr. Montgomery is to use a checking system which will aid in making tabulations of the dates and locations of the hydrants tapped.

The resignation of Miss Eleanor Blum, Record news editor, became effective when the early Thanksgiving issue was placed in circulation Tuesday. She returned Wednesday to her home in Detroit.

Among the children of Northville grade school who presented a special Thanksgiving program were Patricia Frid, Ruth Dickerson and Bobby Todd.

Members of the seventh grade Thanksgiving play called "Old Plymouth Days" were Louis Eaton, Ruth Mary Millis, Frank Light, Betty Barry, Betty Hollis, Jack Willis, Loretta Nagel, Joan Hein, Robert Ross, Robert Boyden, Jane Behen, Frank Eaton, Billy Long, Edwin Erwin, Ruth Parmenter, Marilyn Cavell, Douglas McCluskie, Harvey Ritchie, Allan Moose and Betty Cousins. Helen Dixon had charge of the accurate costumes.

The Hope in Cuba

Babson Park, Mass. — The Cuban situation has reached a point where it is affecting certain investments. Therefore, I feel that my readers are due an impartial summary of the situation. I have always watched Cuba critically as it is so close to Florida, where I have spent over 30 winters.

I feel that the Cuban situation will come out satisfactorily due to the influence of the Catholic church. The Cuban people, with their Spanish blood, are emotional and enjoy political and physical fights.

They, however, are deeply Roman Catholic in faith. Hence, there is a church safeguard which does not exist in Russia or in many of her satellites.

The Communist Government in Russia has been brutal to the Christian church, due largely to its inheritance of the former Czarist domination which controlled and worked through the orthodox church. The situation in Cuba, therefore, is entirely different from the situation in Russia and its satellites.

Cuba is rich in soil, rainfall, sunshine, and warm temperatures. It could be the garden spot of the Americas; but it has been cursed by wretched and unjust government.

Castro thinks it necessary only to nationalize the farms, businesses, banks, and the few manufacturing establishments; he seems to give no thought to marketing Cuba's wonderful productive conditions are of no use if her products cannot be marketed.

Cuba's natural market is the United States (which Castro is abusing and doing his best to alienate). This same trading principle is true for the countries of Central America, and even South America; they have the land but lack the marketing facilities for their fruits, coffee, and even minerals, including oil.

This is another reason why I feel investors should have the larger proportion of their common stocks in marketing — rather than in farming, mining, or manufacturing — propositions. Whatever the future may bring as to the ownership of

land or the production of crops or the extraction of minerals and oil, there should always be a field for companies engaged in the marketing of these products. This applies to the big concerns such as Sears, Rosebuck, Montgomery Ward, etc.; but especially to the large variety chains, with their stores in all 50 states of the Union. Even in case of World War III, these great marketing organizations might come through the best of all concerned.

When Castro, at 32 years of age, conquered Batista and his gang, I thought he was a wonderful fellow. As long as he stuck to military warfare, he fared well; but since he has tackled economic problems, he is ruining the country. How long he can hold out, even with Russia's blessing, no one knows. It seems he is destined to be assassinated by someone whose family he has ruined.

On the other hand, investors should realize that the whole world is passing through a leveling process wherein those who have not are gradually taking away from those who have.

In Russia and her satellite countries, this has been done by ruthless stealing of property. In China, goodwill is expropriated; but Mao has sometimes made payment, on his own terms, for actual property taken. Great Britain has experimented with nationalization, and payment has been made for the coal mines, steel companies, railroads, and public utilities that were taken over.

In these United States, the labor leaders have the same goals, but they work through strikes and unfair demands. In all countries, investors are being attacked either by heavy taxation or by guerrilla warfare such as is taking place in Africa.

Hence, we investors in the U. S. should be especially on the watch. With only 6 percent of the people of this world, we have nearly half of the world's wealth.

SPEAKING for the Record

By Bill Sliger

Final census tabulations for Michigan and its communities reveal considerable gains from figures released last May for the area.

In Novi township for example, (unless the printers of the census bureau's booklet have erred) the final population figure is 6,454.

Last May census counters reported that Novi's estimated population was 5,423.

The bureau's final report would give Novi an increase of 57 percent over the 1950 census figure of 4,086.

In the city of Wixom the final census tabulation is 1,531. Being a newly incorporated community, it has no previous record for comparison.

Northville township is listed with a population of 7,673. Last spring the enumerators said the 1960 population was 7,548, so the township has gained over 100 residents in the final count.

In 1950 the township population was 4,184. Much of the gain, however, is due to the state and county institutions. Census takers say that about 4,400 of the township's population are institution residents.

Last May the city of Northville's population was estimated at 3,665. The final tally is 3,967. In 1950 the city population was 3,297.

According to the latest census report the city has 2,982 residents living in the Wayne county section and 985 in the Oakland county section.

And speaking of the Wayne-Oakland sections of the city, while there's no comparison population-wise, the two sections are about the same size in area.

It's surprising, but with the annexation of the Eight Mile road area including Northville Estates the Oakland and Wayne county areas of the city each equal about one square mile.

Next Monday night the results of the committee study on teachers' salaries will be made to the school board. Because of widespread interest in the report, the board has decided to hold the meeting in the community building to better accommodate visitors.

The study began last July with a 21-member committee composed of teachers, school administrators, P-TA members and citizens at large. Charles Yabne, a teacher, was elected chairman of the group.

The school board directed the committee to design a salary schedule and recommend a method of financing — a neat trick, indeed.

Monday night the board, and the public, will learn what the committee has to suggest.

Teacher Certification Code Studied

MICHIGAN TEACHERS and anyone else who is interested now have a chance to help write the requirements for becoming and remaining a teacher.

The Department of Public Instruction plans a revision of the Teacher Certification Code. Action will be delayed in making the changes final until anyone with a stake in schooling, and that includes just about everybody, has had a chance to have his say.

Another series of meetings have been tentatively scheduled in late January or early February, officials said.

Dr. Lynn M. Bartlett, the state superintendent of public instruction, said he wanted to make sure that "all interested groups, organizations and individuals" could make suggestions, and these ideas would be considered by the department before any final action is taken.

He also invited written comments on the proposed changes before the final draft of the new code is submitted.

Six regional meetings were held between November 8 and 22.

Nearly 1,000 persons attended the meetings, the Department of Public Instruction said, and the breakdown on attendance was just about what could be expected. Fifty percent of them were teachers and another 25 percent were school administrators.

The remainder was made up of some 20 percent college or university professors, representing both teacher education and the liberal arts, and 5 percent interested parents and other citizens.

The document that finally comes out of the research and discussion should therefore reflect in proportionate degree the thinking of those most vitally concerned with teacher certification.

Furthermore, the high standards for teaching in Michigan are certain to be continued.

PEOPLE WHO MAKE a career out of promoting Michigan's advantages never slow down. They would also like to see more citizens join-

ing the move to boost the state's economic, cultural and natural advantages.

Don Weeks, director of the Economic Development Department, has appealed for a state-wide and citizenry-wide drive to tell other people about the advantages of living and doing business in Michigan.

At the same time, plans for the annual Michigan Week — the promotional high spot of the year — are going ahead.

A scheme as widespread as Michigan Week, set for May 21-27 in 1961, takes a huge amount of organizing.

It is the job of the Organization Board to handle it.

Woodward C. Smith, recently named chairman of the Organization Board, has the job of getting things ready to go.

A vice president of Central Michigan university, Smith has served as a regional officer of Michigan Week in the past and it was his suggestion that resulted in more regions of fewer counties.

There are now 16 Michigan Week regions compared with nine previously.

The simpler organization makes it possible to have more effective programs because each regional chairman is responsible for less territory and consequently can keep a better check on local Michigan Week activities.

The Organization Board of Michigan Week is just one of five activity boards. The others are the Program Board, the Cultural Activities Board, the School-College Activities Board and the Public Relations Board.

The Michigan Week Executive Council has supervision over the boards and also the various committees working in special areas and is responsible to the Board of Directors of Greater Michigan, Inc., which sponsors the celebration.

MICHIGAN IS GETTING some new cars, and half of them will be American compacts.

The state bought 50 compacts in 1960 and found them satisfactory and economical for certain specific uses. Therefore, when it was decided to buy 324 new vehicles for state use, the first major purchase of automobiles since 1937, by the way, some 162 compacts were included in the plans.

The other new cars to be obtained

include 100 two-door, six cylinder automatic transmission models and 62 two-door, six cylinder standard transmission models.

A variety of solid colors will be obtained in the current purchases instead of the standard black of the past.

Controller Ira Pollery said the colors not only make the vehicles more attractive but also raise the resale value considerably.
