

Cut Costs, Pay Teachers More, Study Asks

School administrators and board of education members heard the results of a six-month teachers' salary study Monday night which proposed a new salary schedule and included the following definite recommendations:

- give primary consideration to teachers' salaries in all future budgets;
- that no request for additional millage should be made at this time;
- that funds from the school district's increased state equalized valuation be used to finance the new salary schedule;
- that budget reductions be made in plant operating expenses;
- that all possible reductions in administrative costs be made;

— that no curtailment in pupil service be considered.

The written report was read by Charles Yahnke, a high school teacher named chairman of the 17-member study group.

The report was accepted by the school board after a short discussion between the board, administrators, committee members and an audience composed principally of teachers.

Board of Education President Robert Shafer commended the group upon its report and promised further meetings on the proposed new salary schedule after board members have given the report further study.

While also commending the study, Superintendent of Schools Russell Amerman took exception to any inference that "we

consider teachers' salaries last in making our budget. We do not," Amerman stated emphatically.

The superintendent was also visibly upset by the report's recommendation that a "budget analyst" or expert be retained to review the budget for possible reductions. Amerman told the group that his 30-years' experience in preparing budgets qualified him as an expert.

Specifically, the study group asked for salary increases that would cost (according to corrected estimates) \$55,000 the first year and \$15,000 for the second.

The committee drew its salary schedule by comparing Northville's teachers' salaries with 18 surrounding districts. The local schedule fell below the average

of the other districts.

The new schedule was proposed and projected above the median of these districts.

It calls for the following salaries: minimum for B.A. degrees, \$4,800 the first year, \$5,000 the second and then yearly increases of \$250 to a maximum of \$7,250; for M.A. degrees, \$5,000 the first year with \$200 increases years for two years and then \$300 yearly increases until a maximum of \$7,800 is reached.

The report emphasized that this included salaries only, not fringe benefits. It also proposed that a salary study be made every two years.

The report further emphasized that while administrative and operating costs had increased per-

centagewise in the past three years in Northville, teachers' salaries had taken a lesser amount of the total budget.

This was dramatized by reporting that for every \$100 of operating expenses from the budget, the average teacher received (in 1956-57) \$1.03, (in 1959-60) 79c; and (in 1960-61) 73c.

Other points taken directly from the report include:

The subcommittee believes the finest indicator of a community's interest in its children's education is a teaching salary schedule geared to attract and retain the finest teaching talent available. The attractiveness of any salary schedule, however, is contingent upon what a school district can afford to pay.

1. Past budgets appear to have

met adequately the needs of items other than teachers salaries. Many of these items can be more accurately anticipated as a result of the completion of our recent building program. Primary consideration could be given to teachers salaries in all future budgets.

It is apparent that administrative and plant operating costs have been increased at the expense of teachers salaries. Consequently, additional revenues raised by increased valuation must be exclusively earmarked for teachers salaries until such time as our salary schedule is compatible with our philosophy of the importance of good teaching.

2. Since the Northville School District assumed the debt for its

building program, property tax payers have read regularly of projects and increasing costs calculated to further raise his tax. Water, Sewers, Hospital Authority, Library Service and Community College are all areas of discussion or controversy, which preceded a recent prediction of school costs by the Northville Economic Development Committee.

The subcommittee does not presume to evaluate the relative merit of current or future services, but such a hodgepodge of increased costs, without a master plan for orderly growth or a studied show of priority, in our considered opinion precludes voter approval of any millage for any purpose at this time.

The subcommittee recognizes the importance of exercising cost control wherever possible to justify community support of the necessary renewal of ten mills for school operation in 1965.

The committee, formed last May, was appointed by the board of education, P-TA and Northville Teachers' club, each group naming six representatives.

Those who served on the committee in addition to Yahnke are: William Templeton, Alfred Parmenter, Donald Robinson, Donald Hannabarger, Glenn Long, Joseph Petrock, Robert Horner, Robert Hallam, Harold Schmidt, Mrs. Harold Price, Patricia Babel, Robert Maisonneuve, Florence Panattoni, Mrs. Claude Waterman, Robert Williams and Mrs. Glenn Renwick.

It's C-C-Cold

Safety patrol duty was mighty chilly for Sixth Grader Calvin Mitchell Tuesday morning. The thermometer tells the reason why. The picture at right was taken at 8 a.m. Tuesday as cars sputtered, people puffed steam and home thermostats were moved up a notch or two. The first cold spell of the season had hit and fond memories of summer vanished.

Gas Sale Saturday

Jaycees Pumping To Build Treasury

With every gallon the Jaycees pump into your gasoline tank Saturday money will pour into the civic service treasury of the local chapter. In an effort to build up its treasury to help finance future club projects, the Northville Junior Chamber of Commerce will stage an all-day gasoline sale Saturday at the Northville Speedway station, located at the Seven Mile cutoff and Northville road.

All profits from the sale of gasoline will be turned over to the Jaycees. Don Blair, station manager and member of the Jaycees, is chairman of the event.

Tickets, paid for by the Judy Oil Co. are available now from members of the club. Each ticket entitles a holder to \$1 worth of gasoline on Saturday only. Motorists also may purchase gasoline without tickets at the station. Money from these sales also will be added to the chapter treasury.

Members of the chapter will take turns pumping gasoline between 7 a.m. and 9 p.m.

To spur interest in the sale, four local automobile dealers will display new model cars at the station Saturday. Several clowns will be on hand and free candy will be available for children.

The automobile dealers are: John Mach Ford Sales, Inc., G. E. Miller Sales & Service, Rathburn Chevrolet Sales and G. Bergstrom, Inc.

Among the upcoming civic programs of the newly organized Jaycee chapter are: Christmas caroling by Jaycees and their wives; a Northville-area Christmas Lighting contest and a distinguished service award banquet honoring some Northville young man who has served the community during the past year.

The recipient of this award need not be a member of the Jaycees. However, the winner must be between the age of 21 and 35. Persons wishing to suggest a candidate for the award should contact Eugene Maloney, chairman of the event, at FI-9-3379.

Northville residents are urged to enter the Christmas lighting contest, which probably will be judged between Christmas and New Year's day. Contestants need not apply to enter the contest, but simply decorate their homes and wait for the judges to come around.

A plaque will be awarded to the family with the best decorated home.

Junior Police Party Time

Saturday is Christmas Party time for Northville junior police and their small sisters and brothers.

The party will begin at 10 a.m. at the P&A theatre with doors opening at 9:30 a.m.

A feature film and several comedies will be shown. In addition there will be refreshments and a visit from Santa Claus.

Youngsters are urged by Chief King to register today or Friday at the city hall so that some estimate of attendance can be made.

The party is an annual event sponsored by the police department.

Bogart Files For JP

Petitions were filed this week for two more candidates in the city's April election.

Biggest surprise was the filing of a petition by Justice E. M. Bogart, who had declared last week that he would not seek re-election if the city council changed the method of compensation from a fee to salary basis.

The council adopted a \$3,000 annual salary for the position, but Bogart filed petitions anyway.

He has held the four-year term post since the city was incorporated in 1955 and had previously served as township justice of the peace.

To date Bogart is the only candidate for the judge post.

Richard Ambler, 943 Carrington drive, filed for one of the two openings on the city council. Ambler is a life-long Northville resident and is a member of the planning commission. He is employed with Chrysler corporation where he is supervisor of salary administration for corporate personnel.

Three other candidates had previously announced their intention of running for the council. They are Incumbent Ed Welch, Mrs. Arthur Carlson and J. Bine Leavenworth. Council term is four years.

Councilman Earl Reed announced last week that he would not be a candidate for re-election. Mayor A. M. Allen has stated that he will seek re-election to the two-year mayor term.

In the township no new petitions have been filed. Incumbent Republicans holding office in the partisan township election have announced intentions of running again. They are Supervisor George Clark, Clerk Marguerite Northup, Treasurer Roy Terrill, Trustee Alex Lawrence, Constable Chester Lipa and Ralph Gibson, board of review member.

Await Band Uniform Bids

Northville high school bandmen will be outfitted in new uniforms in time for a spring concert, school officials estimated this week.

In a band uniform committee progress report, Chairman Leslie Lee noted that 14 bidders had been contacted for price estimates on 100 or 125 band uniforms.

As of last Friday, \$8,116.72 had been poured into the uniform fund. Candy sale profits of \$939.34 and \$202.41 from the rummage sale brought previous deposits of \$7,000.07 to a grand total of \$8,141.82. Twenty-five dollars in prizes were awarded to four top candy salesmen.

School officials said a meeting with the citizens' committee would be called at a later date to determine what part, if any, the group would play in future fund raising efforts.

ROUTED FROM BURNING HOME — The William Gears family of 358 Beal street were forced to flee their home Tuesday when flames consumed the second floor of the building. A Northville fireman (right) is shown escorting Mrs. Gears, who is carrying her seven-month old son, and Mrs. Gears' 90-year-old grandmother from the house.

Christmas Gifts Burned

Fire Chases Family Into Zero Weather

A family of six, including three young children and a 90-year-old woman, were routed from their Northville home into near zero weather Tuesday night when fire flashed through the upstairs of their two-story house.

Mr. and Mrs. William Gears, their three children, ages seven months, six and seven, and Mrs. Gears' grandmother, Mrs. Jane Gears, were forced from their house at 358 Beal street.

Although Northville firemen con-

finned the fire to the second story of the home, flames consumed clothes, furniture and Christmas gifts stored there by the family.

The fire, smoke and water caused considerable damage to the three rooms of the second floor, but only minor water damage was reported on the main floor.

The fire apparently broke out between a dresser and the chimney in a bedroom, swept upward to the ceiling and then quickly ate through the walls to the adjoining rooms. Walls, ceiling and the floor were heavily damaged. All windows were smashed as firemen worked frantically to bring the blaze under control.

Conservative estimates place the damage at between two and three thousand dollars.

Mrs. Gears said she and her family, except her husband who was away on business, had just begun to eat supper when she smelled smoke. She ran to the kitchen where the smoke seemed to hug the ceiling.

Just then Gears arrived home and rushed to the stairway leading to the second floor. As he opened the door, clouds of smoke gushed out. The family stayed in the living room until after firemen arrived and then left to spend the night with Gears' brother in Plymouth.

Gears, an unemployed truck driver, said he was renting the home, which was insured except for the furniture and clothing.

Surveying the damage the following day, Mrs. Gears held one of two large Christmas dolls ruined by the flames. "That's all the children wanted for Christmas," she said, "now look at it."

Directors Take Action As Area MD Use Lags

Invitations to area doctors of osteopathy to bring their patients to Community General hospital were issued this week at the order of the hospital's board of directors.

The decision came as the Northville hospital struggled to keep its doors open until a definite program to determine the future of the facility can be outlined.

Obviously upset by the relatively small number of area MDs making regular use of the hospital, the directors voted to open the doors to osteopaths.

Staff doctors were asked to act on the proposal at a meeting last week, but because a quorum was not present no vote was taken.

Members decided to act anyway. A similar motion was made by the directors of People's Community Hospital Authority in Wayne when it was declared last month that osteopaths would be permitted to practice in PCHA hospital.

Both Board President A. M. Allen and Calvin Monfils, administrator, admitted that the action was taken to help fill the hospital beds, but stated that other factors, perhaps more important, entered into the decision.

"This move has been contemplated for many months and was no snap judgment," Monfils stated. "We believe that it will make our hospital truly a 'community' hospital, available to all persons served by doctors of the area," he added.

Another factor in the decision arises from the possibility that an area hospital authority may be formed. Many communities interested in joining such an authority have indicated that they would not consider an authority hospital that did not permit joint use of the hospital by MDs and osteopaths.

Although plagued by many problems, most of which could be solved with adequate finances, the directors have taken a determined stand to keep the hospital open if at all possible.

The hospital lost its full participation agreement with Blue Cross because it has not taken definite steps toward purchasing the building and facilities from the owners, Dr. Howard Bergo and Abraham Farris.

In recent weeks the patient level has dropped sharply and now averages less than 10 daily. In addition, some of these patients have Blue Cross insurance and although the hospital receives but \$14 per day reimbursement for these patients, their total bill (which normally would be paid by Blue Cross under the full participation plan) is absorbed by the hospital.

Board members have a last ditch plan in mind that may be settled tonight (Thursday) by directors of Peoples Authority.

The PCHA directors have been asked to "sponsor" Community General hospital. If the request is approved, local authorities are hopeful that full Blue Cross participation can be regained and a campaign for funds to start purchase proceedings

can be undertaken in January. Community General hospital directors were encouraged by a telephone survey of area residents which revealed that 98 percent of those called think the hospital is necessary.

The survey further showed that 90 percent would be willing to contribute to the hospital and 92 percent said they would use the hospital if they were sick.

About 10 percent qualified their answer to the last question by pointing out that their family doctor does not use Community General.

Admittedly, this is a source of irritation with hospital directors. As laymen, they point out that they are contributing their time to help provide a hospital for the area but find it impossible to gain the full cooperation of the men they are providing the facility for — the doctors.

"It's a matter of survival now. The MDs have had more than a year to put their best foot forward and they haven't. We feel that we cannot limit the hospital to their use, especially when only a handful choose to use it." Board President Allen stated this week in commenting on the decision to open the hospital to both MDs and osteopaths.

Community Chorus to Sing 26th Messiah Here Sunday

Northville's Community chorus, performing with four soloists associated with the University of Michigan School of Music, will herald the religious solemnity of Christmas Sunday, December 18, in a public presentation of Handel's Messiah at 7:30 p.m. in the sanctuary of the First Presbyterian church.

The performance marks the 26th consecutive year the chorus, under the direction of Leslie Lee, has sung Handel's reverent oratorio.

Singing the solo parts this year are Joanne Wiseman, soprano; Mary Ellen Henkel, alto; Walker Wyatt, baritone, and Millard Cates, tenor.

Arthur Pipok, Methodist church organist, and Mrs. J. K. Bosch, pianist, will provide the instrumental accompaniment.

Messiah rehearsals started early in November with the chorus gathering each succeeding Sunday for afternoon practices.

Mary Kissel, Mr. and Mrs. Ray Van Valkenburg, Carl Bryan, George Lockhart, Russell Amerman and Mr. and Mrs. Leslie Lee will be appearing with the chorus again this year. They haven't missed a performance since the Messiah was first given in 1934.

Honor New Members At Woman's Club Tea

At a Christmas Tea honoring new members, the Northville Woman's club this Friday, December 16, will present a program entitled "An Afternoon with Bells".

Mrs. J. R. McCall is slated to outline the history of the types of Christmas carols and the Presbyterian church Bell Ringers will make an appearance.

Mrs. Wilbur H. Johnston is the program chairman.

Lower-Bennett Nuptials Read At Salem Federated Church

Candlelight nuptials at the Salem Federated church united in marriage Joan Ilene Lower and Robert F. Bennett Saturday afternoon, December 3.

The Reverend Richard Burgess, church pastor, officiated at the exchange of double ring vows. The bride is the daughter of Mr. and Mrs. James Lower, 9140 Nap-

ier road, Northville. The groom's parents are Mr. and Mrs. Francis M. Bennett, 12012 Doane road, South Lyon.

Rows of lace inserts, each patterned with imported crystal-like sequins, circled the full skirt of the bride's chantly lace gown. The lace inserts carried into the flowing train. Sequins and pearls highlighted the dress's high sabrina neckline and long, tapering sleeves, buttoned at the wrist, extended to delicate points over the bride's hands.

Her fingertip veil, bordered with a scalloped lace edging to match that of the gown, was clasped by a white crown.

A crescent of tiny, snowwhite chrysanthemums and contrasting greens, centered with white roses, formed the bridal bouquet.

Organist Dewey Gardner accompanied Norman Sandford's singing of the "Lord's Prayer" and "Because".

The bride's sister, Mrs. Barbara Figueiredo, of Northville, was the matron of honor. She was attired in a dress styled with blue chantly lace over a white organza bodice and a full pleated, white velvet skirt. The gown featured a modified scooped neckline and three-quarter length sleeves.

Bridesmaids Carol Spangler of Northville and Cheryl Lee DeNoyer of Ypsilanti, both cousins of the bride, wore identically styled gowns. The attendants' pearl-outlined, royal blue crowns held short veils.

Another cousin of the bride, Jane Granden of South Lyon, was the flower girl.

The groom's brother, Warren D. Bennett of South Lyon, stood as best man. Bryan D. Figueiredo of Northville was the ringbearer.

For her daughter's wedding, Mrs. Lower chose shrimp hued lace over taffeta with white accessories. Her flowers were yellow roses and chrysanthemum corsage.

Mrs. Bennett's dress was fashioned with navy lace over taffeta complemented by beige accessories. Her flowers were yellow roses and chrysanthemums.

Following a reception at the community building attended by 150 guests, the couple left on a wedding trip to Niagara Falls and Cape Cod. The bride wore a full-skirted, white wool jersey dress.

They will live in Northville. The bride attended Northville high school. Mr. Bennett studied at South Lyon high school.

Blend Voices, Forensics For High School Program

The 55-voices of the Northville high school choir will combine with the Forensic club next Tuesday evening, December 20, for a public Christmas performance in the high school auditorium at eight o'clock.

Choir Director Leslie Lee said Forensic club members would stage

living pictures to complement the musical presentation. A narrative will weave the program together.

Miss Florence Panatoni and Miss Par Dorian sponsor the Forensic club.

Special guests that evening will be the Presbyterian church Bell Ringers under the leadership of William Williams. Students Sam Chizmar and David Sprunk will also play a piano duet.

The high school choir will round out a full schedule of holiday performances next week, singing before the Novi Mothers club on Monday, the Northville Rotary club Tuesday at noon and an Amerman school audience on Thursday. Friday, December 23, they will perform at the high school's Christmas chapel service.

Christmas in Literature Is AAUW Topic

"Christmas in Literature" will be the theme of the Thursday evening meeting of the American Association of University Women announces Mrs. B. William Secord, president of the Northville-Plymouth branch. The meeting will be held at the Plymouth Dunning-Hough library at 7:30 p.m.

Speakers who will participate in the program of Christmas readings, are Mrs. L. T. Scharmen, Mrs. H. J. Welch and Mrs. W. J. Worth.

Mrs. R. L. Nully, chairman of the co-hostesses, will be assisted by Mrs. F. L. Clark, Mrs. C. B. Latter, Mrs. J. W. Moehle and Mrs. A. E. Valher.

Wed in Novi

Arthur LaValley and Jean Elizabeth Halter, both of Novi, were married December 3 by Justice Robert Anderson. Wallace Welch and Janet Miller of Novi were attending witnesses.

On December 8, Justice Anderson officiated at the marriage of Burnam Combs Ledford and Effie Mae Budnick. Lee BeGole and Fred Garity witnessed the ceremony.

SAILED ATLANTIC — Newcomers Marian and Betty Szczepanski (pronounced sh-che-panski) and their son, Victor, 8, left England in 1957 to come to the United States. They lived in Clawson a few years before settling in Northville late last month.

Newcomers Marian and Betty Szczepanski and their eight-year-old son, Victor, have lived in these United States just short of four years, but already they've toured 43 of the nation's 50 states.

The family sailed from England in the spring of 1957, and once in America set out to see the country before making a home in Michigan.

When Marian Szczepanski took the helm of a Detroit tool firm's research and development operations, he and his wife and son settled in Clawson where they stayed for three-and-a-half years before coming to Northville late in November.

A new plant and some former Northville residents had a hand in the Szczepanskis' move here.

They first considered house hunting in the Northville area when Szczepanski learned his employers at the Wheel Trueing Tool company were building a new plant in Plymouth.

The Szczepanskis found Northville boosters right in their own Clawson neighborhood. The one-time Northvillians, related Betty Szczepanski, were ecstatic about their former hometown and just raved about how nice it was.

And now "we've come to the end

of the road," she said with a laugh. Their new home is at 46200 Fredrick — right at the end of the street.

Marian Szczepanski, a native of Poland, met his English wife in London while he was studying mechanical engineering and metallurgy at London university.

A former art student at the College of Arts and Crafts in London, Betty Szczepanski has turned her talents to painting and fixing up the new home.

Recreation-wise the newcomers ski, play ping-pong, ride horseback and cycle.

Even Santa Claus Visits Garden Club Yule Party

Its traditional Christmas luncheon and party was held by the Northville branch of the Woman's National Farm and Garden association at the home of Mrs. Paul Schulz on Monday, December 12.

Mrs. F. S. Jennings, Mrs. E. E. Adams, Mrs. Orson Atchison, Mrs. E. B. Cavell and Mrs. N. K. Pattison assisted Mrs. Schulz.

Special guests were Murray Lyke, the Garden club's scholarship student at Eastern Michigan university, and his mother, Mrs. Myrlan Lyke.

During the business session, Mrs. D. H. Clark, president, presented the guests and two new members, Mrs. C. W. Whitlesey and Mrs. Charles Brasius. Mrs. Whitlesey, leader of the club-sponsored Brownie troop, reported on Brownie activities for the year.

Mrs. George Kohs, program chairman, traced a history of the use of flowers and greens during the Christmas season and read several appropriate poems.

Even Santa Claus came to the party. After table decorations made by Mrs. Pattison had been awarded

and Mrs. Jennings had led Christmas caroling, old St. Nick arrived bearing gifts for all.

Mrs. D. H. Clark will host the January meeting.

Guests Like These Best

Guests at Mrs. Paul H. Schulz's home at 46675 West Seven Mile road can expect some mighty delicious dessert specialties when the hostess whips up her popular Devil's Food or Forgotten cakes.

The Devil's Food recipe has come down through generations of family cooks, remarked Mrs. Schulz. If you're still on the lookout for a nice holiday dessert, she suggests giving the Forgotten cake a whirl.

Mrs. Schulz recommends an uncooked chocolate icing or a caramel frosting for the Devil's Food cake, and notes that ice cream, strawberries or hot fudge go well served with the Forgotten cake.

A social hour around the tea table will close the afternoon meeting.

Birth

Mr. and Mrs. George E. Moncath of 46165 Ten Mile road, announce the birth of a daughter, Joan Donna, on December 5 at Osteopathic hospital in Highland Park.

She weighed six pounds and 11 ounces.

1/2 cup butter
1 cup boiling water
2 cups granulated sugar
1/2 cup sour milk
2 cups flour
1 1/2 teaspoons baking soda
2 eggs
1 teaspoon vanilla

Pour boiling water over cocoa and butter. Add sugar, sour milk then flour and baking soda sifted together. Mix in eggs and vanilla. Beat well and bake in moderate oven 40 minutes. (This is a thin batter).

FORGOTTEN CAKE
5 egg whites
1/2 teaspoon cream of tartar
1/2 teaspoon salt
1 1/4 cups sugar
1 teaspoon vanilla

Beat egg whites until foamy. Add cream of tartar and salt; beat until stiff. While beating, gradually add sugar; beat for one minute. Fold in vanilla. Turn into greased and floured 8x8 cake tin. Place in hot 450-degree oven. Turn off heat and leave in oven for five hours, or overnight.

"Dear Santa..."

All over America, boys and girls are eagerly awaiting the coming of Christmas . . . looking forward to the toys for which they've asked in their letter to Santa. It's a big job for Santa — keeping all these boys and girls happy — but he has a big helper in the trucking industry. The hundreds of thousands of trucks and trailers that all year long bring Americans everything they eat, wear, or use are kept extra busy at Christmas-time. From factory to showcase to Santa's pack, the toys and other gifts that bring so many happy smiles on Christmas morning depend on trucks to get where they're going . . . Merry Christmas, everyone!

Mrs. Charles S. Crawford attended the Salvation Army auxiliary meeting at the Army Citadel in Detroit Tuesday.

Miss Bonnie Bellinger spent two days last week in Washington, D.C. Owen Bellinger attended funeral services for his aunt at Ft. Wayne one day last week.

Vincent Gillett had the misfortune to fall from the attic in his garage this past week end. He broke his heel in two places and is in St. Mary hospital, Livonia.

Mr. and Mrs. Russell Banks and children and Mrs. Earl Banks are moving from their place on 11 Mile this week to their farm near Eaton Rapids.

Miss Mary Flint and Mr. Will Flint attended the Plymouth Symphony concert Sunday afternoon to hear the Christmas section of the "Messiah".

Mrs. Kenneth Cook entered St. Mary hospital in Livonia last week Thursday.

Mr. and Mrs. Andrew Childress moved from their home on East Lake drive in November. Now Mr. and Mrs. John French are living in the house on East Lake drive.

Mr. and Mrs. Edwin Putnam celebrated their Silver Wedding anniversary December 7 at the home of Mrs. Putnam's brother-in-law and sister, Mr. and Mrs. Lawrence Horsfall in Farmington.

Mr. and Mrs. Larry Putnam have moved into their new home on Meadowbrook road this week.

Mr. and Mrs. Russell Taylor, Jr. were dinner guests of the former's uncle and aunt, Mr. and Mrs. Erwin F. Geppert last Sunday.

Mr. and Mrs. Russell Taylor and Mr. and Mrs. Erwin F. Geppert recently attended services at Roseland cemetery in Berkeley for an aunt of Mrs. Taylor and Mrs. F. Geppert.

Friends of Mrs. Cora MacDonald will be happy to learn that she is rapidly recovering from her recent illness.

Mrs. Marguerite Schauer of Capac visited her sister, Mrs. Gertrude Lee, last Sunday.

Mr. and Mrs. Russell Race entertained the former's relatives, Mr. and Mrs. Clarke Race of Milford and Mr. and Mrs. Hazen Race of Birmingham last Sunday.

Mr. and Mrs. Rex LaPlante and daughters, Carol and Vickie, attended a family gathering at the home of Mr. LaPlante's brother and his wife, Mr. and Mrs. George LaPlante in Detroit.

Mrs. Russell Race served dessert to the Blue Star Mothers who met at her home Monday evening to plan the coming year's activities.

Novi Baptist Church News
The Baptist Sunday school and BYF will have their Christmas program and tree at 7:30 p.m. Friday, December 23 at the church.

Anyone who would like to come is welcome. There will be recitations by the children and the Nativity scene by the teenage group.

The Unity Circle had their annual Christmas get-together by having dinner at the Sno-White in Detroit Monday evening. It was revealing night for the secret pals.

Sunday evening a film strip will be shown of "We see the Light". There will also be special music and recitations.

Mrs. James Wilenius entertained her Sunday school class, "The Bible Believers" at a Christmas luncheon and party at her home on Clark street Saturday afternoon.

Novi Mothers Club
The Mothers club will meet in the community hall Monday evening, December 19 at 8 o'clock. The

Northville high school choir, under the direction of Leslie Lee, will present a Christmas concert at the beginning of the meeting.

Baskets will be available for canned goods to help the Goodfellows and there will be a \$1.00 gift exchange for members.

Mrs. Jean Muscat will have charge of the dinner arrangements.

Novi Methodist Church News
The Novi Methodist WSCS will meet next Wednesday, December 21 in the church basement. Everyone is to bring a gift for Marietta Gobel. The potluck dinner will be served at 11:30. Bring a passing dish and table service.

Everyone thanks the Youth Fellowship for decorating the Christmas tree.

Sunday, December 18 the Christmas program will be held in the community hall at 7 o'clock in the evening. The program will include a pageant "Story of Christmas" and recitations.

The Church school choir will sing at the 9:45 a.m. worship service on Christmas and New Year's.

The Sunday school party was held Wednesday evening.

Novi School News
Mrs. Lewis' grade five and Mrs. Penhale's grade six enjoyed a trip to Greenfield Museum November 30. They were accompanied by the following mothers: Mrs. Groves, Mrs. Harbin, Mrs. Zielinski, Mrs. Davis, Mrs. Skellenger, Mrs. Cook and Mrs. Krist. Many thanks to Mrs. Doan for driving the bus and assisting the mothers and teachers.

Mrs. Salow's history classes made resource maps of the United States for their workshop. Jack Anglin's and Stanley Gillett's maps were judged as superior in section 8-2.

Charles Van Every's, Dennis Brandenburg's and Kenneth Little's maps were chosen as superior in section 8-1.

Novi Girl Scouts
Intermediate Troop 149 worked on their Christmas project of making door wreaths and swags for their homes. Mrs. Paul Patterson was special guest and Noel F. Geppert is working as senior aide with this troop.

Intermediate Troop 458 had their regular meeting at Orchard Hills. Kathy Erwin was in charge of the flag ceremony. Nature reports were given by Nancy Schingbeck and Su-Moose on grapes; Becky Kwick, Pam Kehr and Marty Hanna turned in a similar report on pears. The girls continued work on their Christmas projects. Treats by Evelyn Budlone.

Brownie Troop 902 presented the Brownie Play. Mrs. Beadle helped at the meeting. Peggy Hanna brought treats.

Intermediate Troop 1027 worked on Thinking Day program covers and posters, also made thank you cards for people helping the troop recently. Popcorn furnished by the leader.

Mrs. MacBride, Mrs. Ratcliffe and Mrs. Patterson attended the Ranks and Badge workshop at the Presbyterian church in Farmington.

Intermediate Troop 602 worked

on fathers gifts for Christmas and also finished mothers' gifts. They made posters for the Goodfellows' pancake supper.

This troop is re-registering this month and \$1.00 National Registration dues are to be given leaders at the next meeting.

Novi Blue Star Mothers

Annual report of Chapter 47, Novi, given by President Lottie Race from September 1, 1959 to September 1, 1960.

Meetings were held in the homes of members the first Monday of each month.

In September an Experience Tea netted \$34.50 and the annual bazaar in October netted \$480.14.

The chapter celebrated their 17th anniversary with a luncheon at Thunderbird Inn with 30 members and guests present.

The annual Christmas party was held in December with gift exchange. The annual card party in May netted \$92.54. Also, May 6 Mothers served 96 servicemen at the Commerce Lake Niki base at their nine o'clock coffee break serving 12 cakes, one birthday cake. They sang a birthday song to those who had birthdays during the month of May.

Eight Mothers took part in the Community Memorial Day parade and placed a wreath on the Novi Soldier's Memorial.

Twelve Mothers worked on Daisy Days August 5 and 8, making a total of \$250.

August 7, 12 Mothers attended Novi Methodist church in a group and placed a large basket of white gladioli on the altar in memory of four Mothers who had passed away during the year. They were served coffee and donuts after the service by the ladies of the church.

August 27 the Mothers had a baked goods booth at the village's second birthday celebration and netted \$63.11.

The chapter gave each community boy leaving for service a gift and sent each serviceman \$2.00 and a card at Christmas.

Donated to the United Fund, Cancer, Heart, Polio funds and Goodfellows. One member is secretary for the Goodfellows. Worked on the Blood Bank and attended civic, community and library meetings. Donated \$20 to the new library toward a dictionary.

The chapter gave \$5 to eighth grade boys and \$3 to a needy girl, \$25 to rehabilitate a veteran's family whose house burned and another \$25 to a veteran in need.

Gave gowns, bibs, clothing, feeding tables and rubber toys to a hospital for underprivileged children. Gave clothing, etc. to a needy family and sent cards, flowers to chapter members, community sick and shut-ins.

Four members were lost by death and the chapter gained three new members.

Worked with hospital chairman by shopping for veterans once a month and making cookies and putting on bingo parties twice a year. Donated \$25 for new covers for Iron Mountain Chapel.

Five Mothers attended the 30th anniversary of the Veterans Administration held at Ann Arbor July 21 and received a certificate of recognition award for services rendered. Donated 10 dozen cookies for the lunch. On August 25 attended a talk by Mr. Whittier, national administrator of veterans' affairs.

In June the Blue Star Mothers took veterans to the ball game and out for a chicken dinner. August 16 served picnic dinner to 54 veterans, donated to the veterans' hospital: cups, 50-cup percolator, punch bowl and many other things, including a portable TV for the 4th E Ward, two paintings for the walls and planters for the tables.

Clothing has been sent the chapter's adopted Korean orphan and money from the Korean banks. Eight dimes cards were turned in for a total of \$9.80.

Wixom Helps Needy Too!

A newspaper sale to help the needy families of Wixom will be sponsored by the Wixom Goodfellows tomorrow and Saturday.

Newspapers will be sold at the Lincoln plant tomorrow and throughout the city on Saturday.

Frank Jadzinski is chairman of the sale, and Victor Mettala, William Welke and Fred Beamish are in charge of putting the special edition together.

Women in the club will purchase food with the proceeds and prepare the Christmas baskets for the needy.

HONOR SOCIETY — These 10 Northville high school students were inducted into the National Honor Society at a special initiation program last week. The ceremony was held at the high school cafeteria and was attended by the students, their parents and the society's faculty advisors, Florence Panattoni, LaGene Quay, Diana Lance and Elizabeth Lobbesteel. Speakers were Superintendent Russell Amerman, Assistant Superintendent Dr. Kenneth MacLeod and Principal E. V. Ellison. Students are chosen for the society on the basis of leadership, scholarship and citizenship. They must maintain a B average or better. The honored students are: (l. to r., back row) James Anderson, Sally Filkin, Dan Brown, Jon Rodgers and Tom Stattery; (front row, l. to r.) Carol Rengenhardt, Alison Atherton, Grace Brinson, Julie Gazlay and Lonna Pelton.

Salem Official Wins Area GOP Award

Harlow Ingall, Republican treasurer for Salem township, was awarded a cup last week Wednesday for accomplishments by GOP leaders in the November election. The award was presented to Ingall at a GOP honors banquet at the American Legion hall in Ann Arbor by the Washtenaw prosecuting attorney. Ingall is chairman of the area Republican organization in Salem, Superior and Northfield townships. At the banquet, it was pointed out that although voters of the nation and state gave Democrats the majority, Washtenaw county became more strongly Republican, with Salem, Superior and Northfield townships gaining 6 1/2 percent over the opposition. The three-township gain was the top in the out-county Washtenaw area.

THEY WORK HARDER BECAUSE THEY RIDE EASIER!

Because they ride easier they last longer, too. They take better care of payloads and they make a long day's work a lot more pleasant for the driver. All that—primarily because of Independent Front Suspension (I.F.S.). If you think it's stretching a point to attribute that many advantages to a suspension system, you haven't driven a new Chevy with I.F.S. Take the wheel and feel its road-leveling ride, its almost total absence of shimmy and wheel fight, its ease of steering even in the big rigs. Spend hours behind the wheel and you're not nearly as tired. You're not and neither is the truck. That independent suspension soaks up the worst shock and vibration—the kind that can twist sheet metal and loosen joints and increase your maintenance costs. That's why Chevy trucks keep on working and saving for extra thousands of miles.

1-beam type front axle. A stiff-beam design that transmits road shock right through the truck.

Chevy independent front suspension. Wheels flex independently minimize body wear and tear.

Willowbrook

By Mrs. George Ames
Greenleaf 4-0830

Santa Claus will be at the Willowbrook community hall Sunday from 2 to 4:30 p.m. All Willowbrook children are invited to come and talk to Santa. He will have a gift for each of them.

Each Willowbrook family is requested to donate one ornament for the community tree. Please bring the ornaments to Gayle Smelt or call her at GR-4-8464 and she will pick them up.

Mr. and Mrs. J. F. Buck and their children, Ron and John, attended the Christmas party of the Knights Templar at the Masonic Temple in Detroit December 10.

Mr. and Mrs. Robert Garbin and their children, April and Bobby Joe, spent Monday in downtown Detroit where they visited Santa Claus, had lunch at Hudson's and toured the Christmas Fair at Crowley Milner's.

Mr. and Mrs. Karl Weiss had a house guest last week. Mrs. Weiss' father, Baird Myers of Eustis, Florida, was here for ten days.

Mr. and Mrs. Weiss attended the Christmas party of their pinocchio club Saturday evening. They had dinner at Rotunda Inn and went on to the Miracle Lounge in Bloomfield Hills for dancing.

Mr. and Mrs. Burt Brundie and their daughter, Tammy, are back in Willowbrook after spending three weeks in Clearwater Beach, Florida. While they were there they spent Thanksgiving with Mr. and Mrs. Chick Harbert at their home in Madeira Beach.

Mr. and Mrs. Ed Krause and their family of Dearborn spent Sunday here with Mr. and Mrs. Clifford Bunker.

Betty Garner was hostess to the Tuesday Pinocchio club last week. Phyllis Berardi was a guest player. Allie Carter won first prize, Mary Jane Goyt second, Agnes Driscoll third, and Betty Garver fourth.

Robin Luce, daughter of Mr. and Mrs. Chris Luce of Clawson is spending a few days here as the guest of her grandparents, Mr. and Mrs. Errol Myers.

Cindy Wenger, daughter of Mr. and Mrs. Heinz Wenger, had a party to celebrate her fourth birthday Saturday. Her guests included Cherry Luce, Connie Conway, Ricky Morey and Judy Law, Margie, Jerry and Sandra Decker and Julie and Jennie Boone.

Thursday Bridge was at the home of Carolyn Hanna last week. Nora Blackwell was a guest player. Bernice Cannafax won the prize.

Mrs. Rolf Owen of Brighton spent Thursday here as the guest of Mr. and Mrs. George Ames.

Bruce Bamford, son of Mr. and Mrs. Robert Bamford of Meadowbrook road, is home after spending four days in New Grace hospital with pneumonia.

Mr. and Mrs. Bamford and Mr. and Mrs. Al Diebel went to the United Artists theater in Detroit Saturday to see "Ben Hur".

NOTICE

TOWNSHIP OF NORTHVILLE

WHEREAS, requests for re-zoning have been increasing materially and WHEREAS, the processing of such requests have become a burden upon the general funds of the Township in that they involve expenditures for such items as, additional zoning board meetings, engineering and planning consultant fees, legal fees and publication charges

NOW, THEREFORE, BE IT RESOLVED:

THAT, at the time of filing an application to re-zone a parcel of land within Northville Township, and as a condition precedent to a hearing thereon, every applicant shall pay to Northville Township a fee of \$100.00.

THAT, all such fees received by Northville Township shall be credited to the general fund of the Township.

Moved by Trustee Merriam and seconded by Treasurer Terrill. Yeas: Clark, Terrill, Lawrence, Merriam and Northup. Nays: None.

I hereby certify that the foregoing is a true and complete copy of a Resolution offered and adopted by the Northville Township Board at a Regular Meeting held on the 6th day of December, 1960.

Parking Lot Fees Sought By Merchants

A campaign to establish a new, improved parking lot in the Northville business district is currently being championed by the Retail Merchants association by Carl Johnson.

The lot is owned by Roy Stone and located on Main street between Northville Drugs and Northville Realty.

Johnson's off-street parking committee has contacted all business and professional establishments in the downtown area soliciting a yearly fee based on the proximity of the business to the lot.

"We're hopeful that these businessmen will voluntarily send their checks to the Retail Merchants Parking Fund in care of Gladys Wallace, our secretary, at Villa Dress Shoppe", Johnson stated this week.

He said that his committee will make personal calls on businesses that fail to answer the request. It is anticipated, Johnson said, that the lot will be blacktopped in the spring.

Obituary

HARRY A. SEUHR

Harry A. Seuhr, a Wixom farmer who had lived in the area 31 years, died Monday, December 12, at the Pontiac Osteopathic hospital following a brief illness. Mr. Seuhr had lived at 30025 Wixom road with his wife, Emily S., who survives him along with a daughter, Mrs. William Newbound of Milford; one sister and one grandchild. Mr. Seuhr was born December 22, 1885 in Ottawa, Illinois. Funeral services were conducted yesterday (Wednesday) from the Richardson-Bird Funeral home in Milford. The Rev. John Hoar, St. William's church of Wall Lake, officiated. Interment was to take place today in Ottawa, Illinois.

READERS SPEAK:

Teachers Club Thanks Salary Committee

To the Editor:

We realize the great amount of time and effort which has been expended by the members of the special salary committee who have worked so faithfully in cooperation with the Board of Education.

We sincerely appreciate this expenditure of time and effort and should like to express our gratitude to these committee members.

We are also very grateful for your kind consideration.

Yours sincerely,

Police Catch Gas Thieves In the Act

The quick thinking of Northville Police Sergeant Leonard Mazuchowski was responsible for the apprehension Sunday night of two Plymouth youths siphoning gasoline from a fuel truck parked at the Standard Oil bulk plant, 215 Railroad street.

Complaints of gasoline looting in the area have plagued police for several months. Until Sunday night, no on-the-spot arrests had been made.

While making a routine property check at the bulk plant, Mazuchowski noticed a fresh wet spot on the ground and left his patrol car to check out the trucks.

Finding two five-gallon fuel cans next to a truck — one linked to a hose slowly siphoning gas from the truck tank — Mazuchowski stalked out in a spot close to the scene and arrested the youths when they returned to collect their loot.

Both offenders were placed on one-year probation by Justice E. M. Bogart in court action Monday. Other penalties levied were — for one, restitution for stolen property, \$25 fine with court costs and a mandate to attend church 52 consecutive Sundays; for the other, suspension of driver's license, night confinement at home for six months and an order to attend church 52 consecutive Sundays.

In other police action this week, Chief Eugene King reported that stop signs for north and southbound traffic on Center street at Baseline road had been removed.

He attributed the move to two factors — increased truck traffic at the intersection as a result of the recent posting of no commercial vehicles signs on Randolph and Rogers streets and the difficulty that faced trucks in negotiating the Center street hill after a stop.

King said state police traffic officers had been consulted before the signs were removed.

He warned motorists that enforcement of speed limits in that area would be stepped up.

No parking signs were posted this week on the west side of South Rogers between Seven Mile and West Main and on East Main between Church and Park Place, the chief said, in order to relieve traffic hazards in these areas.

TREES FOR SALE — Scouts of Northville Troop 755 boast that they have one of the finest selections of Christmas trees ever this year. The scouts have their lot on Church street directly behind the First Presbyterian church. It's open daily and Sunday from noon until 9 p.m. Assisting the scouts above is Ed Langtry of the Presbyterian Men's club and the scout-salesmen Gary Davis, Mike Mahoney and Bob Langtry.

HE'S HELPING — Keith Mildenberger stopped at the Christmas Seal stand in the Northville post office this week to buy a few seals and do his part toward helping the annual drive to prevent TB. Ready to give Keith his seals is Mrs. John Blackburn of the Northville Woman's club. Mrs. Harvey Whipple is chairman of the Woman's club committee handling the Christmas Seal sale and has volunteers of the club stationed in the post office and the bank selling TB seals.

PROTECT THE CHILDREN

The high spirits and innocence of the Christmas Seal singers are the essence of childhood. Help protect children from the ravages of tuberculosis. Contribute to Christmas Seals and use the Seals on letters and packages.

Wife of Music Teacher Dies

Mrs. Augusta Schnute, 85, died Saturday, December 10, at her home at 505 North Center street. She had been in failing health the past four years.

A local resident since 1918, she had lived at the Center street address with her husband, Henry, who survives her.

Mrs. Schnute was born in Monroe August 4, 1875, to Henry and Caroline (Rummel) Meyer.

She was a member of St. Paul's Ev. Lutheran church and belonged to St. Paul's Ladies' Aid. Surviving are three sons, Arthur, assistant postmaster in Northville; Alvin of Detroit and Milton of Hot Springs, North Dakota; a daughter, Miss Selma Schnute of Northville; two sisters, Mrs. Bertha Troll and

Santa Stops Here

Santa Claus has slated two big stopovers in Northville this week end. He'll drop in Saturday afternoon at the annual Christmas party for the children of the Eagles lodge and auxiliary, and Sunday he's pay a visit to youngsters of VFW members at a party in the post hall at 438 East Main.

Old St. Nick's visit with Eagles' children will be during a 2-5 p.m. party at the hall on Main street above the bakery. There'll be plenty of games and refreshments.

The VFW party will feature films and refreshments and last from 3 until 5 p.m.

Your Psycho-Analysis

I was rather amused the other day to read a statement made by a former movie star. She said to reporter William Hickey, a Free Press writer, "I don't know exactly what has changed me — except perhaps the fact that I'm 38. It certainly hasn't been psychiatry. I've had four dangerous years of that nonsense and I've never met crazier people than my analysts. Maybe it was seeing how mixed up they were that made me realize how well integrated I am." Like most of us when we get steamed up about something we overstate our honest estimations. However, in an age that frowns on the Word of God and worships at the altars of the men in white coats, it's rather refreshing to hear such a frank statement. If a psychoanalyst is honest and knows what he is doing he will place his finger on what is wrong in this person's life and say, "This is the trouble." Now if a person will take his Bible, open it up to the Gospel of John and continue to read a small portion each day, he will soon find out what is wrong and what is missing in his life. The major root of men's difficulties is being out of adjustment with the Holy God.

Florida Bound? Try This New Turnpike Route

A newly recommended route from Michigan to Florida, utilizing the maximum mileage of four-lane highways, has been logged by Automobile Club of Michigan.

Auto Club Touring Manager Jerry E. Fisher has traveled the route that uses the Ohio and Pennsylvania turnpikes to reach Florida. Fisher found this route excellent throughout its 1,206 miles from Southeastern Michigan to Jacksonville, Florida.

Traveling along toll roads and straight, fast conventional highways in the eastern United States, it incorporates 549 miles of four-lane roadway. Total behind-the-wheel time, Detroit to Jacksonville is 23 hours, 41 minutes.

Once the Pennsylvania Turnpike is left at the Breezewood Interchange, motorists head southward via Winchester and Roanoke, Va.; Greensboro, N.C. and Orangeburg, S.C. Several worthwhile side trips are possible; one to Washington, D.C. and another to Shenandoah National Park, and Jekyll Island off the coast at Brunswick, Ga.

Fisher reports that accommodations are excellent along the route. However, he issued several words of caution.

"In the dead of winter, it may be advisable to veer south as soon as possible by another route. There is the danger of the turnpikes being snowed or iced in several times during the winter. However, this route is safe virtually all year round."

Fisher also warned of "letter of the law" enforcement in Virginia.

"When speed signs say 55 or 60 miles an hour, that's exactly what they mean. Even if there is little traffic and conditions are generally

good, drivers should adhere to the speed limit. The Virginia State Police enforce the speed laws strictly."

Fisher says the new route offers an extra bonus to antique collectors. "There are more good antique shops in the Shenandoah Valley area than just about any other place I've seen."

Fisher suggests this route as a possible alternate to other popular routes either on the trip to or from Florida.

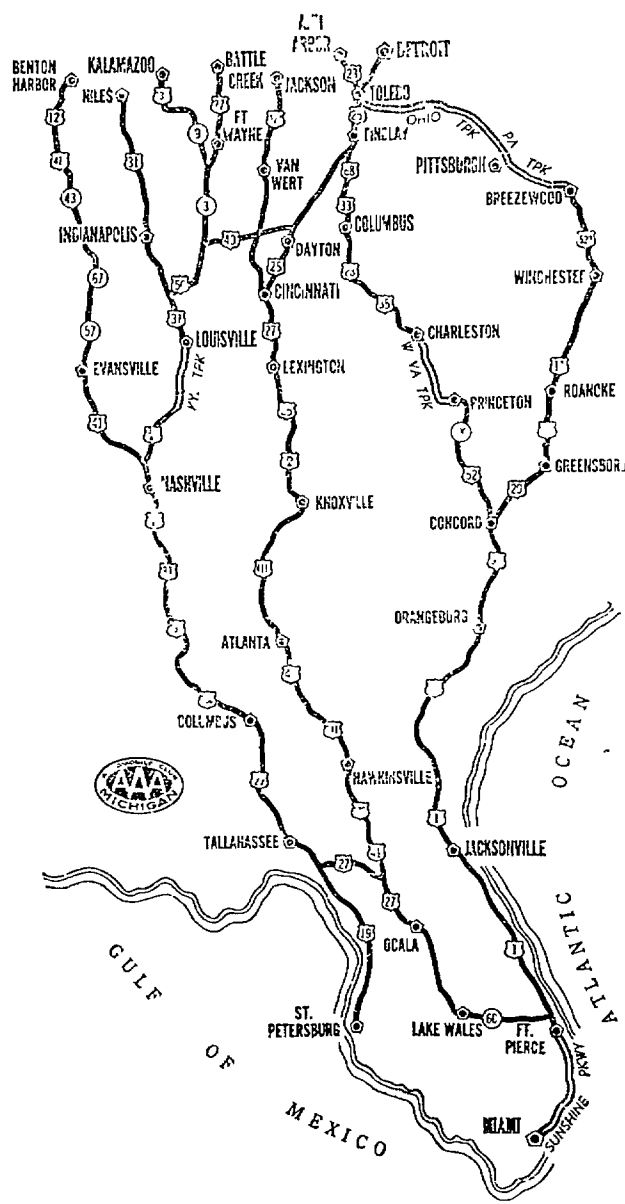

Scattered stretches of interstate super roads will be available along two popular roads to Florida. An Interstate road between US-50 in Southern Indiana and Louisville, Ky., will speed traffic along the most popular Florida route. This is the western non-mountainous drive that passes through Nashville, Tenn.

Another Interstate highway links Dayton and the northern outskirts of Cincinnati another heavily-traveled route, that continues through Knoxville, Tenn., and Atlanta, Ga. This route travels through mountainous terrain that travelers generally wish to avoid in the midst of winter, Fisher says.

Fisher adds that vigorous enforcement areas in Georgia generally have been eliminated through the co-operation of the Georgia state government and the American Automobile association. He cautioned that several small cities along US-31W in southern Kentucky are enforcing speed laws strictly.

An estimated 350,000 Michigan residents will journey to Florida in 1961, about 75 percent by car, Fisher said.

Santa Claus Arriving In Northville Friday

The big day is drawing near and nearer. Now it's just 10 days away and the anticipation grows stronger as youngsters everywhere await the annual visit of Santa Claus.

To ease the anxiety and give every young child a chance to take his Christmas request directly to Santa the Retail Merchants association of Northville has arranged for a daily visit by St. Nick beginning Friday afternoon.

According to Harry Sedan, who is in charge of arranging for Santa's appearance here, the round fellow in the red suit will circulate from store to store throughout the business district every afternoon from 2 p.m. until closing time.

He'll stay in Northville until the very last night — the day before Christmas. But then, reports Sedan, Santa must hurry away to make his Christmas Eve visit to every youngster's home.

Of course Santa will have a candy treat for his young friends. And he'll patiently listen to all requests — for dolls, trains, sleds and games.

And just so Mother and Dad will have plenty of time to do their own Christmas shopping, the merchants will remain open nightly until nine o'clock.

By happy coincidence, you can almost certainly find just what your youngster wants in one of the Northville stores.

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, December 15, 1960

SANTA MADE a preview visit to Northville last week and listened to all of the requests of children visiting Stone's Gamble store toyland. Patti Dean and Ardith Arquette climbed up on Santa's lap to be sure he heard their messages clearly. The Retail Merchants association has arranged to have Santa in town every afternoon until Christmas beginning Friday at 2 p.m.

Methodists Smother Baptist Cagers 123-44

With the Inter-Lakes Church league competition barely underway, the Walled Lake Methodists are already carving themselves an enviable basketball record.

Last week the league-leading Methodists romped to a 123-44 victory over W.B. Baptist (Wixom and West Bloomfield cagers) as Jim Horein and Bill Ligon scored a combined total of 37 points.

Horein picked up 31 points, Ligon 26 points. High scores for the Baptists were Harold Render and Jim Johnson, who both scored 14 points.

The one-sided victory gives the Methodists a 3-0 record, a full game better than second-place St. Matthew's Lutheran.

In their game last week, the Lutherans edged St. William's Catholic, 56-53. Jerry Long led the victors under the nets with 19 points. Dick Dewling was high for St. William's with 23 points.

Tonight St. Matthew's will take on the Methodists and St. William's will clash with the Baptists. The first game will get underway at 7 p.m., the second at 8:30.

All games are played at the Walled Lake junior high school gym.

Frosh Win 46-23; Stretch Record

Northville's freshmen quintet stretched its undefeated string over three years to 30 victories here Friday by crushing Brighton in the season opener, 46-23.

The freshmen, coached by Ron Horwath who replaced the late Joe Wilkinson, led throughout Friday's game. The quarter scores were: First 16-7, second 24-12, third 40-14, and fourth 46-23.

High scorers for the Northville cagers, who were scheduled to meet Clarkson yesterday, were Dave Jerome and Jim Driscoll, each with 12 points.

AWARD WINNERS — The Northville Exchange club sponsored its annual football banquet for Northville gridders, coaches and fathers Thursday at the Methodist church. A capacity crowd was on hand for the dinner program, highlighted by the appearance of two Detroit Lion football stars. Varsity letters were awarded as were two trophies. Winners of the top awards are shown above with the Northville coaches. They are (left to right): Dave Longridge, Al Callahan, Jerry Biddle—elected co-captain, Fred Steeper—sportsmanship award winner, Steve Juday—elected co-captain, Head Coach Ron Horwath, Assistant Coach Dutch Van Ingen, Dave Hay, most valuable player award winner, and Athletic Director Al Jones.

PRO GRIDDERS — Shown above speaking to Cliff Hill, toastmaster of the football banquet, are End Gail Cogdill and Fullback Nick Pietrosante, stars for the Detroit Lions football team and guest speakers at the banquet. Incidentally, both players were instrumental in Detroit's victory Sunday over the Dallas Cowboys.

Bulldogs Nip Icy Mustangs

Co-Champion Brighton clamped a lid over the Northville nets Friday, piled up an early lead, and then waltzed to an easy 50-37 victory over the Mustangs.

The victory was the third in a row for the Bulldogs, who last year shared the Wayne-Oakland basketball title with Clarenceville, and the defeat was the third straight for the Mustangs, who wound up in last place last season.

Offensively, the Mustangs were as effective as a shotgun without a shell. Loaded for bear, the Northville cagers triggered only 22 points in the first three periods as Brighton piled up 16 points in the first quarter.

Northville was so cold in the first quarter that Coach Dutch Van Ingen emptied the bench in an attempt to uncover someone with an accurate arm. And it wasn't until the last quarter, with most of the starters resting on the bench, that the Mustangs finally began to warm up.

Except for a few individual defensive maneuvers — mostly by second-stringers — the Mustangs simply were no match for the title contending Bulldogs. Poor shooting, fumbles and inability to grab rebounds marked the Northville performance.

Forward Dave Hill tossed in four field goals and a single free throw to help the Bulldogs to a 16-7 lead at the end of the first quarter. Northville's lanky center, Danny Brown, was the only Northville cager to score in the period.

Brighton added 11 more points in the second quarter, 10 in the third and 13 in the fourth. Northville came up with eight in the second, 7 in the third and 15 in the fourth.

By the time the fourth quarter got underway, the only starter for Northville still in the game was Brown. Second stringers Tom Long, Jerry Forbes, Dave Filkin and Dennis LaRoque joined Brown in turning in the only creditable offensive attack of the evening.

Two Northville starters, Forward Steve Juday and Guard Tom Schwarze were sent to the bench along with Brighton Forward Dave Bosworth by an official after a "wild" scramble for the ball in the third quarter.

Offensively, the Mustangs averaged 18 percent of their shots in the first quarter, 18 percent in the second, 23 percent in the third, and 40 percent in the fourth. The Bulldogs averaged 28, 18, 18 and 30 percent.

At the free throw line, Northville attempted 16 shots and connected on 9, while Brighton made 22 of its 42 tosses.

Brown led the Northville attack for the third straight game with 13 points. Long was close behind with 10 points. Hill was the leading right-hand scorer with 19 points. Guard Randy Marx was second high with 15 points.

Stall Fatal for Colts

A stall in the final minute of play Friday proved fatal for the Northville junior varsity quintet which lost to the Brighton Bulldogs in the last 10 seconds of the game.

The Colts held a three-point lead when they set up a stall as the game neared completion. Brighton quickly trimmed the lead and then flashed out front in the closing seconds to win 55-54.

Northville was in the lead throughout much of the game. The two teams battled to an 8-8 tie in the first quarter, then Northville bounced ahead 24-17 at the half. By the end of the third period, Brighton had chipped the Northville lead to 5 points, 40-35.

Then in the all-important fourth

quarter, six Brighton players teamed up to score 20 points to Northville's 14.

Forward Tom Daniels led the Colts in scoring with 16 points. Teammate Dan Pattison, center, was

the runnerup with 13 points.

Guard Dennis Hartman meshed seven field goals and four charity tosses to lead the Bulldogs' attack. Forward Louis Williams was second high with 10 points.

Cranbrook Pins Northville

Northville's wrestling team was to invade Flat Rock yesterday (Wednesday) after dropping its second match of the season last week Tuesday to Cranbrook, 41-5.

Despite the one-sided defeat last week, Northville Coach Dave Longridge appeared satisfied with the performance as his covey of wrestlers prepared to do battle with Flat Rock.

"Actually, we did better against Cranbrook than against Garden City" in the opener (which Northville lost 42-10), Longridge said. Longridge pointed out that most of the individual matches with Cranbrook were close, with Northville losing only four matches by pins.

Jim Tuck, who wrestled in the 180-pound class and who won his match two weeks ago by pinning his opponent, did not compete last week because of illness, the coach added.

Gary Nichols picked up the 5 points for Northville by pinning his 154 pound Cranbrook opponent. Other close matches were turned in by Russ Nichols, in the 95-pound class, who lost by one point, and by Jerry Biddle who fought to a draw and lost on riding time in the unlimited class.

The only significant changes in the Northville lineup were: Gary Stobbe in the 112 class, and Larry Spangler who moved up from the 160-pound class to substitute for Tuck.

Adults Here's Way to Relax

Northville Recreation Director Ken Conley reminded area residents this week that open adult recreation is held each Tuesday night at the community building between 7:30 and 9:30 p.m.

Indoor sports include volleyball, badminton, shuffle board and ping-pong. The men's basketball practice sessions are held on Thursdays from 7 to 9 p.m. and on Saturdays from 2 to 4. More men are needed to start team competition, he added.

Wolves Eye Third W-O Win

His varsity quintet has come up with two resounding victories in the Wayne-Oakland league race, but Clarkston Coach Dom Mauti isn't taking anything for granted.

The Wolves will invade Northville tomorrow night in an all-out effort to stretch their streak to three games.

In explaining his squad's smashing 102-62 victory over the 1960 co-champion Trojans of Clarenceville last week, Mauti pointed out that officials called a total of 105 fouls in the game. "And we made 40 points with free throws in winning."

Except for Clarkston's veteran 6' 4" center, Bill Powell, the Wolves are a relatively short squad, Mauti said. Gar Wilson, starting forward is 6' 2" and the remaining starters are 5' 9". The other starting Clarkston cagers scheduled to face Northville are:

Ron Walters, forward; Harold Weston and Mike Applegate, guards. Powell, Walters and Weston are returning lettermen.

Clarkston's other league victory this season was a 68-34 win over Bloomfield Hills two weeks ago. Mauti added that this decisive victory wasn't necessarily an indication of a Clarkston "greatness" but rather it pointed out a "disorganization" of the Baron squad.

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science church services Sunday.

Scriptural selections will include Christ Jesus' striking response to his disciples' call for help during the tempest at sea:

"And his disciples came to him, and awoke him, saying, Lord, save us: we perish. And he saith unto them, Why are you fearful, O ye of little faith? Then he arose, and rebuked the winds and the sea; and there was a great calm" (Matthew 8:25, 26).

A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "The belief that the universe, including man, is governed in general by material laws, but that occasionally Spirit sets aside these laws—this belief belittles omnipotent wisdom, and gives to matter the precedence over Spirit." (83:16).

THE FOOTPATH OF THE SHEPHERDS

The stories of the birth of Jesus have in them the touch of ordinary things. Elizabeth Goudge in her book "God So Loved The World" begins in this way: "This is the story of that almost unbelievable humbling, the life that God lived upon earth as a man. The fact of this humility is so glorious that it is beyond human understanding."

"This is the Child of Mystery drawn down to earthly years,
To bear the common burden and to taste of human tears."

There is a royal road to the manger in Bethlehem. There is also the footpath of the shepherds. Men of the footpath, God's plain people caring for sheep—they have a way to God.

Think of the wonder they knew out under the stars. The glory of the Lord shone around them. They heard a heavenly voice, "Be not afraid; for behold, I bring you good news of a great joy which shall be to all the people; for to you is born this day in the city of David a Saviour, who is Christ the Lord."

God grant that man never becomes so intelligent that he ceases to wonder. Let us hear His voice saying, "Put off your shoes from your feet, for the place on which you are standing is holy ground." Let us experience wonder at Christmas. "This is the Name above every name."

Shepherds who walked the way of the footpath were men of decision. Decision is the crux of man's response to God. "Whosoever will may come." A person must will to belong to God before sonship is complete. There'll be no drifting into the Kingdom—no admittance because it's the thing to do. Day by day the soul is built up or whittled away by the decisions we make.

"Let us go," said the shepherds. The step ahead made by the soul or the moral will is a step made in companionship with the Master. Along this footpath must go those who desire to make the world into the beautiful thing God intends.

After leaving the fields to go to Bethlehem to "see this thing that has happened, the shepherds returned, glorifying and praising God."

The shepherds had high moments of spiritual uplift. But that would be the aftermath? Well, when they returned, "They made known the saying which had been told them concerning this Child." They went back to their fields and their flocks with a song on their lips.

What happens after Christmas now? We turn all the lights off. We throw away the Christmas tree. Yet the lesson of Christmas and of the Church year, which begins with the Advent season, is otherwise. Your heart is to be the abiding place for the Christ. With OUR wonder, OUR decisions, and OUR return from Bethlehem to glorify and to praise Him, God can do amazing things.

— Out of the Past —

ONE YEAR AGO

Most local merchants report a marked improvement in Christmas buying over last year. Several noted "substantial" gains, while very few reported any decline in business from Christmas, 1959.

Three women and 10 men were elected to the board of directors of the recently organized Novi Citizens' Development committee in a meeting at the community building Monday night.

Elected were Mrs. Virginia Noble, Mrs. Galah Fried, Mrs. Mary Gunzville, Lewis Crusoe, Emery Jaques, Don Woodward, Herbert Koester, Roy Crites, Kalin Johnson, P. M. McElroy, C. A. Smith, George Merwin and James Straus.

Lyon township school district voters approved a \$615,000 bond issue by a 496 to 353 margin.

A group of women representing newcomers in Northville and neighboring areas met Tuesday evening at the home of Mrs. E. E. Adams to lay the groundwork for a Newcomer's club of Northville.

Stan Johnston, 17866 Beck road, has been named "man of the month" by the Northland agency of the Prudential Life Insurance company.

Northville cagers, led by substitute left guard Steve Juday, grabbed a thrilling 53-52 victory over defending W-O champion Brighton.

FIVE YEARS AGO

Election have accepted the new city charter by a 523 to 115 vote. Six new city officers—five village incumbents included—were also elected.

Claiming victory were Claude N. Ely, mayor; Edward M. Bogart, justice of the peace; A. Malcolm Allen, John F. Stubbenvoll, John S. Canterbury and Earl Reed, councilmen.

LaGene M. Quay, Northville high school physics teacher, took students Bill Bake, Irene Bongiovanni, Gerry Dresselhouse, Larry Green, David Mosher, James Mosher and Alvin Newton to the Detroit Engineering Society vocation guidance conference.

Novi Postmistress Marjorie Watson announced that Novi would have its own rural mail delivery starting Saturday.

Postmaster Leland Smith predicted that the 1955 holiday season would be a record smasher, with the post office expected to cancel more than 550,000 pieces of mail between December 1st and 25th.

Fire in the old dining hall of Maybury sanatorium Sunday afternoon caused damages estimated at \$10,000.

The Northville winter tax rate has been set at \$16.99 per M of assessed valuation. This rate compares with \$16.88 last year.

Northville still needs approximately fifty \$1,000 E Bond sales to meet the E Bond quota of \$148,000 set for the community.

Leslie G. Lee of the school music faculty, who has directed the "Messiah" for the past 11 years, will, once again lead the presentation this Sunday in the Presbyterian church.

TWENTY-FIVE YEARS AGO

Through the efforts of Chief of Police W. H. Safford, Northville will have a teletype installed here in the near future to keep the police informed on last-minute developments in city, state and national crime news.

Nearly 70 members of Northville Lodge 186 gathered to express their high regard for one of the city's oldest and most loyal Masons, Dean F. Griswold. E. H. Lapham, Floyd Northrop and T. R. Carrington were called on to speak.

Members of the Kings Daughters are making preparations for the fourth annual Hunter's ball which will be chairmaned for the third successive year by Mrs. E. B. Cavell.

Roof tiling is to be placed on the steel framework of the new Ford plant here this week.

Northville's first and second basketball teams romped to easy victory over a struggling Farmington squad with a score of 28-2 for the first team and 22-4 for the second team. James Hochkins, G. Westphall, Bruce Turnbull, C. Bishop and T. Gregory formed the starting lineup.

WSWS Host

Husbands,

U-M Students

"Christmas Guest Night" will long be remembered for the "Women's Society of World Service" of the Novi, Willowbrook EUB Church, as an outstanding meeting of the year.

A delightful smorgasbord dinner was served to the husbands of the WSWS members and to four special guests coming from the University of Michigan, Ann Arbor. Coming from India were Mr. Santokh Anant and Miss Aness Jung. Miss Renna Ruben was from Rio, Brazil and Miss Siddiqua Farukhi from Pakistan.

Following the dinner, a brief message from each student was enjoyed by all.

Rev. and Mrs. Rickert led the group in a meaningful Christmas devotion followed by group singing.

Chairmen for the dinner were Mrs. Wally Pinner, Mrs. Richard Cromer, Mrs. Alvin Closs and Mrs. Robert Anderson. The Christmas theme was carried out in the table decorations, headed by Mrs. Daniel Freytag.

FASCINATING FACTS ABOUT NATURAL GAS

WHEN GAS DID ONE JOB

In 1821 Aaron Hart started work on the first Natural Gas pipeline project in the United States. He slowly extended a lead pipeline from America's first gas well to the nearby town of Freedom, N.Y.—then from residence to residence inside the town. Four years later inside the town he was as "America's most lighted town". In 1825 Natural Gas had ONE big claim to fame . . . it illuminated a town!

NOW GAS DOES IT ALL

Today the Coachmans Inn in Arkansas has achieved the ultimate in luxury by an all-Gas installation. Heating, cooling, cooking and water heating (including a swimming pool and underwater music) is all provided by Natural Gas. Gas provided by Natural Gas. Gas lighting illuminates the Inn—outdoors and in. Electric power is provided by Gas-powered generators—Gas does it ALL!

*The increasing availability of this miracle fuel has resulted in spectacular progress in homemaking appliances, industry and science. Call or write Consumers Power Company to learn the many ways Natural GAS can serve you.

Minutes of Northville City Council

A regular meeting of the Northville City Council was held at the City Hall Monday evening, Dec. 5, 1960 at 8 p.m.

Absent: Mayor Allen.

Present: Councilmen Canterbury, Juday, Reed and Welch.

Minutes of last regular meeting and intervening special meeting were read and approved.

The following bills were presented for payment:

General Fund	\$41,268.05
Water Fund	\$1,856.07
Water Construction Fund	\$145.50

Moved by Welch, supported by Juday, that these bills be paid. Carried.

Letter was read from Woman's Club expressing their interest in the new City Hall. Mgr. Robertson was instructed to write them a letter.

Public hearing on Justice of Peace Ordinance was the first item of business. T. R. Carrington presented a petition signed by 27 of our local merchants opposing any change in the present status of the Justice Court. After thorough discussion of this matter pro and con, it was moved by Councilman Reed, supported by Councilman Welch, that the Ordinance to place the Justice Court on a salary basis be adopted, with the amendment that the salary be made \$3,000. Carried.

The postponed public hearing on the rezoning of Lots 276, 277 and 270 of Assessor's Northville Plat No. 3 located on the south side of W. Cady Street between S. Wing and First Sts. from R-2 to R-3 classification, was the next item of business. After listening to the objections to such rezoning raised by Donald Severance, who lives at 392 Fairbrook Court, Councilman Welch felt the matter should be referred back to the Planning Commission for clarification and a written recommendation to the City Council. The other members of the Council present agreed to this suggestion, and it was moved by Reed, supported by Juday, that the hearing be adjourned to Dec. 19th, 1960. Carried.

Public hearing on the adoption of the 1959 edition of the National Electrical Code was then held. There being no objections by anyone present to its adoption it was moved by Juday, supported by Reed, that this Code be adopted by reference. Carried.

With reference to the cancellation of the D&R Bldg. Co. Bond, it was the opinion of City Atty. Ogilvie that all the work had been completed which was covered by this bond and he recommended that same be released. It was moved by Welch, supported by Reed, that the bond be released as recommended. Carried.

The next date for meeting with architects for the new City Hall will be Dec. 14th, 1960.

Mgr. Robertson reported on the progress being made to carry out the recommendations made by the Civil Defense Committee.

It was moved by Reed, supported by Welch, that a special meeting be held Monday evening, Dec. 12, for the purpose of acting on the option for sale of the Scout Bldg. Carried.

No further business appearing, meeting was adjourned at 11 p.m.

HONORED—Harvey Van Valkenberg, a Northville volunteer fireman for 50 years, was awarded the annual Claude Ely Memorial Fund last Thursday night at the recognition dinner for the city's unpaid and volunteer employees. He's shown above (at left) receiving a \$50 check from Councilman John Canterbury, who took over duties as the principle speaker for Mayor A. M. Allen who was ill and unable to attend. Seventy-three persons who either serve the city as non-paid members of boards or commissions or work as paid and volunteer employees attended the dinner (see photo at top right). Each councilman and department head spoke briefly and commended the various units for their contribution to the operation of the city. Record Publisher William Sliger acted as toastmaster.

1960 NORTHVILLE TOWNSHIP TAXES Due and Payable

STARTING TUESDAY, DECEMBER 13, I WILL BE AT MANUFACTURERS NATIONAL BANK AND EVERY TUESDAY AND FRIDAY THEREAFTER UNTIL THE LAST OF FEBRUARY.

PLEASE BRING YOUR TAX BILL OR YOU MAY PAY BY MAIL IF YOU WISH. RECEIPTED BILL WILL BE RETURNED.

ROY M. TERRILL,
TREASURER

SPEAKING for the Record

By Bill Silger

Board members and school administrators from Northville and Novi sat down together last week to discuss the future of the two school systems.

In particular they attempted to reach a mutual understanding on the matter of Novi students attending Northville high school.

It would be accurate to report that the meeting was successful and the two groups agreed upon a plan that satisfies the interests of both.

At the same time an issue was raised by two newcomers of the Novi board that wrinkled a few brows and lifted an eyebrow or two.

The result was a fruitful meeting, better understanding of the problems at hand and perhaps a fresh outlook with an alternative or two to consider.

Basically, Novi and Northville are in agreement on a plan that would have Novi students in grades 10-11 and 12 only attending Northville high school beginning in 1964.

Under this plan Novi would concentrate on establishing a new junior high school for its 7th, 8th and 9th graders. Presently, Novi grades nine through twelve come to Northville.

Enrollment projections (which could change, of course) indicate that Northville can accommodate the tuition students until the beginning of the 1964-65 school year, when the ninth graders would have to be withdrawn.

Beyond that it is difficult to predict. But the school officials seemed to agree that a Novi high school might be eight years away.

And when Novi does provide its own high school, the students would be taken from Northville a year at a time so that the impact would be gradual — and any student having started as a tenth grader at Northville high school would continue and graduate without having to change to a new building.

Thus it would appear that Novi will now concentrate its efforts on a new junior high school — to be located presumably on the new 80-acre site at Taft and 11 Mile roads.

But while there was agreement on the immediate future, two members of the Novi board suggested that a consolidation (or annexation) of the two school districts might be the long range answer.

Walter Ambinder and John MacBride, both newcomers to Novi and the school board, tossed this suggestion into the discussion.

Arthur Heslip, Novi school board president, said he didn't believe there was any feeling for this proposal in Novi, that in fact, it would not be a popular idea.

Northville schoolmen also pointed out that such a plan had been tried in 1954 with no success and some ill-feeling.

But George Mairs, a longtime Novi resident and member of its citizens' school study committee, stood up to say he favored consolidation — even though he opposed it six years ago.

Ambinder said he favored larger systems because he is convinced that high school students receive a better education. In a high school supported by a larger tax base it is possible to provide a wider curriculum benefitting both college or non-college students, he argued.

It was finally agreed that such meetings are worthwhile and should be held more often.

But a suggestion by Ambinder that a study committee to consider consolidation be formed was left hanging.

The schoolmen didn't seem ready to tackle the problem immediately. But they didn't toss it out, either.

Kennedy Unhappy

Babson Park, Mass. — This is not an article on the election, as its outcome has been covered fully by the newspapers, the broadcasting companies, and the magazines during the past two or three weeks. This is a column strictly on the personality of Senator Kennedy. Being a Massachusetts man, like him, and knowing his father, I can write frankly about him personally at the present time.

Senator Kennedy is a tremendous worker and very few rich men would make the sacrifices which he has personally made to secure this election. His industrious effort started four years ago when he came near getting the nomination for the vice presidency on the Democratic ticket. He then laid plans and built up an organization unequalled in any presidential campaign.

The great crowds which he attracted, and his personal advisers, led him to believe he would win by a landslide. On the strength of this, he made many statements as to what he would do during the "Kennedy honeymoon" of one hundred days.

Although Senator Kennedy is naturally pleased to be elected president and move into the White House next January, yet in his heart he is a much disappointed man. He will have the honor and prestige of being president; but will not have the influence and power which he had expected.

Other than making appointments, both in the diplomatic service and at the head of commissions, about the only real power he will now have will be that of the veto, and even then Congress may pass legislation over his veto.

Although Senator Kennedy won a majority of the electoral votes, these were not even unofficially confirmed until many hours after the polls closed. His greatest disappointment was the very close popular vote, which has not yet been officially determined.

I will not discuss the legal aspects of the electoral versus the popular vote, but I do wish to make an important statement. Although the popular vote in the recent election has no legal status, it has a great moral influence. It surely will cause Mr. Kennedy to remodel the Democratic party and the presidency. His prob-

able program is outlined in the Wall Street Journal of November 8th, Page 10. He may now be sorry he made certain of his statements during his campaign, as he may be forced to back track on many of them.

His influence with Congress will be much less than if he had won with a fairly good popular margin and were taking office with a mandate from the people. Therefore, after the tremendous crowds which met him at every city, he is especially disappointed by his failure to capture a majority of the popular vote.

It will be very difficult to persuade Congress to pass any radical program, even though the Republicans are in the minority. A Congressman takes his clue from what the people in his district think. Every Congressman has figured out carefully what the popular vote shows as to Senator Kennedy's popularity in his respective district.

Senator Kennedy's campaign speeches said that if Vice President Nixon were elected, we would have a "do nothing" Congress during the next two years, and perhaps during the next four years.

Unless something happens which cannot now be foreseen, the next four years under President Kennedy could record a "do nothing" Congress.

Hence the great disappointment to him, as well as surprise to most Democrats. This is why Mr. Kennedy will go into the White House restrained somewhat by the noticeable absence of an "unrestricted franchise" from the people.

Unfortunately, what happens during the next two years or more may be very largely in the hands of Mr. Khrushchev. One cannot tell whether he is serious or merely bluffing about Berlin and his relations with China and other countries such as Cuba. He surely does not want a nuclear war; furthermore, he may be replaced by Mr. Molotov, or by someone else either more or less radical than Mr. Khrushchev.

On the other hand, as Mr. Eisenhower pointed out in his famous Pittsburgh address, a war could start from some accidental and unwanted incident due to the unpremeditated psychotic action of some flyer.

Michigan Mirror

Traffic Deaths Run High in December

MICHIGAN HIGHWAY safety officials are still very concerned by traffic accident statistics for 1960.

The provisional November death toll compiled by the State Police was 135, which is 6 percent less than the same month a year ago.

However, police expect the toll to exceed November, 1959, when delayed reports of deaths are in. As it stands using the provisional figures for November, 1960, the state traffic toll is running some 8 percent ahead for the whole year.

Some 1,413 persons have died this year compared with 1,311 in the comparable period last — an increase of 102.

Virtually complete figures for October show 168 deaths, 43 to 34 percent, higher than October, 1959. The cumulative 11-month total for injuries is also up as is the number of accidents.

Latest figures available show estimated travel for the first nine months of the year to be 23.8 billion miles, an increase of 3 percent.

The death rate of 4.6 per 100 million vehicle miles was up 2 percent, State Police said.

Since December, with its Christmas and New Year's holidays and greatly increased travel, is always one of the worst months for producing traffic statistics, safety experts are more than ever concerned that the year will end with a final record worse than it should be.

Bad weather and bad holiday driving habits could produce an even bigger rash of deaths.

REGULATION OF EGG NOG may seem of less than vital concern to Michigan's millions — except at Christmas time.

But, application of a law passed by the 1960 Legislature which sets up standards for the traditional drink is one of the jobs of the Agriculture Department.

It is, however, just one of many facets of the department's year-around activities in protecting consumers from adulterated or unwholesome food, and from being victimized by faulty or maladjusted weighing and measuring devices.

The egg nog law sets higher min-

imum standards for butterfat content in the Christmas drink.

The Agriculture Department's dairy division said butterfat now must be at least 8 percent and egg yolk solids have to be increased to 1.1 percent.

If artificial color or flavor is added, the label on the container must say so, the department said.

For the uninitiated, egg nog is usually flavored with nutmeg spice, sugar syrup, vanilla and dried egg yolks. This is mixed with milk and cream.

Some people add a spot of spirits to give a warming touch to the drink.

However, it is against Michigan law to sell egg nog to which alcoholic beverages have been added. Taken straight — that is, without any alcohol — egg nog is an excellent dairy food for youngsters, the Agriculture Department said.

A TIMELY WARNING comes from the Health Department: Don't shovel too much snow or you may find yourself the victim of what may be called Snow Shovelers' Heart Disease.

Too many men over 40 think they can shovel snow with youths of 20 — even though they regularly have no physical exercise, the department said.

While the typical cartoon hus-

Joins Navy

Roger B. Smith, son of Harry B. Smith, 355 Orchard drive, Northville, has enlisted in the U.S. Navy as a seaman apprentice, and has been transferred to the Naval Training Center at San Diego, California for further assignment to the Pacific Fleet.

Smith is a graduate of Northville high school, class of '59.

Prior to enlisting in the Navy, Smith served in the U.S. Army for six-month reserve plan.

band tries hard to get out of snow shoveling, many men do it just to prove they're no pantywaist.

Whatever the reason, if you're not used to exercise or working hard, take it easy, the department said. Anyone who has had a heart attack should check with his doctor before even attempting to shovel the walk, and even previously healthy men are apt to take the attitude that it can't happen to them.

It shouldn't be too hard to find a neighbor lad to do the shoveling for a dollar or so, the department said.

And if you feel you really should get out in the crisp winter air, you can always supervise the job.

World's easiest way to say "Quality"!

In any company—in any land—there is one word that is instantly recognized and understood.

The word is "Cadillac"—and the meaning, of course, is "quality".

And it is understandable, we think, that Cadillac should have become a part of the universal vocabulary.

For its devotion to excellence has been of such a degree—and of such a tenure—that the car has become the world-wide symbol of everything good and desirable in a manufactured product.

This truth has never been more beautifully expressed than it is in the current Cadillac.

Inspiring to look at . . . thrilling to drive . . . rewarding to own—it is truly the master achievement of motordom's master builders.

And Cadillac has imposed on its construction the

most rigid standards and restrictions ever placed over the assembly of a motor car.

More than fourteen hundred separate inspections now guard the quality and goodness of every Cadillac—and the results of this crusade for perfection can be seen . . . and felt . . . and sensed.

Here is superb craftsmanship in every body line . . . skillful tailoring and magnificent workmanship in every interior . . . and wonderful solidity and quietness in every mile of ride.

Don't you owe yourself a personal appraisal of this 1961 "car of cars"?

Your Cadillac dealer will provide the car and the keys for a demonstration at any time.

We know you'll agree that it says "quality" with an eloquence all its own.
