

Area Church Services Hail Christ's Birth

The story of Christ's birth will be retold in area churches this week, as congregations take part in Christmas programs of worship and song.

Two services will be held at St. Paul's Lutheran church on Christmas Eve, announced the Rev. B. J. Pankow, church pastor.

Children of the congregation will tell the Christmas story at a 6:30 p.m. service of songs and recitations themed "Good News to All People".

Speech choruses of high school and college youth from the congregation will read portions of scripture that announce the birth and second coming of Christ at an 8:30 p.m. service entitled "A Light for All". Christmas anthems will be sung by a youth choir at this candlelight service.

On Christmas Day a festival choral service will be held at 10:30 a.m. at St. Paul's. Both the adult and children's choir will sing. Pastor Pankow announced that although Sunday school and Bible classes would be held as usual on Sunday morning, there would be no 8 a.m. service that day.

Its own Chancel choir and Bell Ringers, both under the direction of William G. Williams, will be taking part in an 11 p.m. Christmas Eve candlelight service at the First Presbyterian church.

Families were invited to worship together at an 11 a.m. service the morning of the 25th. No church school is planned.

Mr. and Mrs. Ed Welch, acting for the Session of the Presbyterian church, will host a Christmas brunch for college students at their home on December 30 at 10 a.m.

Family worship was encouraged by the Rev. Paul Cargo, Methodist church pastor, in his announcement of a 7 p.m. Christmas Eve worship service. A tableau of the Nativity scene by children of the congregation will be framed, he said, by music of the Mixed quartet and the children's choirs.

The special offering that evening will be given to the Methodist Children's Village in Redford.

"God's Dream" is the topic Pastor Cargo has chosen for his Christmas Day sermons at the 8:45 and 11 a.m. services. Mrs. Cargo will sing at both services, with the Sanctuary choir participating in the second worship hour.

Pastor Peter Nieuwkoop said caroling by the senior choir would punctuate a reading of the Christmas narrative at the Baptist church's Christmas Musicales planned for 7:30 p.m. on Christmas evening.

The regular 11 a.m. Sunday service will also be held.

This Thursday evening at 7:30 the primary, junior and intermediate departments of the Sunday school will hold a Yule party, said Pastor Nieuwkoop.

Caroling at 11:30 p.m. will precede the offering at Midnight Mass on Christmas Eve at Our Lady of Victory church.

Father John Wittstock said Our Lady of Victory school children had staged a program for their parents last night (Wednesday) at 8 p.m. The Willowbrook Community church will open Christmas worship this Friday, announced the Rev. Marvin E. Rickett, with an evening program entitled "The Family Celebrates the Birthday of Jesus". Kindergarten through adult departments of the Sunday church school will cooperate in the presentation at 7:30 p.m.

Orphaned and homeless children in the denomination's children's homes will receive the offering from that service.

The Feast of Holy Communion will be celebrated in a 7:30 p.m. candlelight service at the Willowbrook church on Christmas Eve.

At the 11 a.m. worship on Sunday, the adult and junior choirs will sing. A Sunday school program of recitations and a presentation of the Nativity by the intermediate Baptist Youth fellowship will be held at 7:30 p.m. Friday in the First Baptist church of Novi, announced Pastor Arnold B. Cook. Mrs. Edward Polak is directing the program.

Pastor Cook will preach "The Descent of Dilemma" at an 11 a.m. service on Christmas morning. Delbert Vincent will direct the adult choir along with three soloists, Mrs. Edward Polak, Mrs. Charles Stewart and Arthur Salter, in a medley of Christmas songs. Accompanists will be Mrs. Delbert Vincent, organ, and Mrs. Florence Foster, piano.

Music by the adult and Sunday school choirs is being planned for a 9:45 a.m. worship on Christmas day at the Novi Methodist church.

Methodist Sunday school children gave their annual Christmas program last Sunday evening at the Novi community building, said the Rev. George T. Nevin, church pastor.

Episcopal Rev. Jay Cowilton has announced that the Church of the Holy Cross will celebrate a Christmas Eucharist at 7:30 p.m. on December 24.

On Friday evening at 7:30, the

Holy Cross church school will hold a Christmas pageant and party.

Richard S. Burgess, pastor of Salem Federated church, will turn to Philippians Chapter 1 for his closing sermon as church pastor at the 10 a.m. worship on Christmas day.

At 7:30 that same evening, Pastor Burgess will lead the Adult choir in a holiday cantata entitled "Gospel Song of Christmas".

Salem Federated's Sunday school program will be given at 11 o'clock on Christmas morning.

Sunday school children of the Salem Baptist church will present their program this Friday at 7:30 p.m.

Christmas day services at Salem Baptist are scheduled for 11 in the morning and 7:30 in the evening.

The celebration of the Feast of the Nativity in St. John's Episcopal church, Plymouth, will begin with 7 and 11:30 p.m. services on Christmas Eve.

Singing by the junior choir and congregation will precede a 7:15 p.m. festival procession followed by celebration of the family Eucharist by the Rev. David T. Davies, rector, assisted by the Rev. Stanley S. Dodge, Ph.D., dean of the Huron Valley convocation.

During the communion of the people, the Christmas story will be told to the younger children in the parish hall using colored slides.

Dr. Dodge will celebrate Holy Communion at the 11 p.m. service assisted by the rector. The festival procession at 11:30 will be preceded by Christmas carols sung by the senior choir and the congregation.

Services will be held at 9 and 11 a.m. on Christmas day.

The Rev. James Andrews said 3:30 and 8 p.m. services were being planned at the Full Salvation Union on Sunday.

First Baptist church of Wixom will follow its regular worship schedule, according to Pastor Edmund F. Caes, Jr. Christmas caroling starting at 11:30 p.m. will precede a Midnight Mass at St. William's of Walled Lake. Other masses will be offered at the regular times on Christmas day.

School's Out

Most Northville school youngsters won't have to fidget in their seats awaiting the final bell announcing Christmas vacation after today.

All public schools, and St. Paul's Lutheran Day school close Thursday afternoon and do not resume classes until January 3. Classes at Our Lady of Victory close Friday noon.

Originally, the public schools had scheduled classes on Friday, December 23, but school board members voted last week to dismiss classes a day earlier to permit youngsters and teachers going away for the holidays another day for travel.

THEY'RE THE BUSIEST — No doubt about it, postal employees are the busiest people in town right now. In the Northville office 16 extra workers have been hired to help the regular 11-member force. Shown above (at right) are three holiday helpers, Burt Balch, Mrs. Herman Krauter and Mrs. Calvin Mitchell. At left Carrier James Baxter plays the "sorting game".

Business is Booming... in Post Office

Have no fears. If you're expecting a gift by mail, it will be delivered on time providing it arrives at the Northville post office by Christmas. Northville Postmaster Leland V. Smith reports that his crew is right on schedule. "Deliveries will be made Saturday, and even Christmas

day if they are perishables or special deliveries," Smith stated. It hasn't been a record year for the post office, but more than 250,000 Christmas cards have been mailed through the local office to date. The single-day high is 34,000 cards, but 40,000 is the all-time record.

Sixteen additional employees have been hired to help the regular 11-member crew with the heavy holiday load. Just about every available square foot of space is taken up with boxes of cards or piles of "don't open until Christmas" labelled packages.

Merry Christmas

Lights Shed Christmas Warmth

THE WARMTH of the Yuletide season is personified by the reflection of brightly-lit decorations upon the blanket of snow that arrived in time for Christmas. These area homes are typical of thousands

throughout the world and quietly express the universal wish for Peace on Earth, Good Will to Men. Most area churches will hail the birth of Christ with special Christmas Eve services.

2nd Burglary in 5 Weeks

Thieves Loot Store Of \$1,000, Drugs

A safe containing more than \$1,000 and several bottles of narcotics was stolen from the Novi Drug store Monday — less than two months after thieves made off with close to \$900 at the same store.

The latest theft touched off a state-wide investigation by State Police detectives and Novi police. By Tuesday morning more than a half-dozen persons were questioned and 12 more suspects were scheduled for interrogation. Although the thieves smashed open a reinforced steel door at the drug store apparently to gain entrance, authorities suspect they may have had ready access to the building.

According to Novi Police Chief Lee BeGole, the theft occurred sometime after 7:20 a.m. Monday morning when the last door check was made by Novi patrolmen.

The 200-pound-plus safe was hauled through the rear door and loaded into a car or onto a pickup truck. Tire tracks were visible, BeGole said.

Besides the safe, which contained the money, several bottles and tubes of narcotics, and records, a loaded 38-caliber pistol was stolen from a counter drawer.

George McCullum, owner of the store located at 43035 Grand River, discovered the theft Monday morning shortly after Lucille Pullen, 41720 Eight Mile road, an employee, opened the door.

Last month burglars forced the same rear door, cleaned out three cash registers, scattered checks on the floor, and made an unsuccessful attempt to smash open the safe. The burglary was the first at the store.

Police Chief BeGole said close to 20 persons, all employees of a floor cleaning company, either had keys (Continued on Page 8)

Downs Wins Two Extra Racing Nights

A public hearing conducted last week by State Racing Commissioner James H. Inglis resulted in the awarding of two more nights of racing in 1961 for Northville Downs.

In a somewhat surprising move, Inglis reversed his earlier announcement that Northville would begin its season on Monday, June 26 and run for 36 nights.

Instead the local track will open Friday, June 23, thereby gaining two choice nights — Friday and Saturday — and running a 38-night season.

Last year Northville had 39 nights, but the "extra" dates were Monday, Tuesday and Wednesday and were not particularly appreciated by Downs Executive Manager John Carlo.

To bring about the change Inglis moved the season opening dates at Hazel Park ahead. Carlo had asked for three days, but the commissioner left Thursday, June 22 as an open date following the closing of the Hazel Park track on June 21.

In addition to Carlo and representatives of other trotting tracks, two Northville city councilmen (Continued on Page 8)

Choose Best Decorations

Better get those Christmas decorations up this week if you want the Northville Junior Chamber of Commerce to include your home in their Christmas lighting contest.

The local Jaycee chapter will survey the Northville area next week to choose the best decorated home. There are no requirements for entering the contest, just decorate your home and wait for the survey.

A plaque will be awarded to the family with the best decorated home — and the picture of the winning home will appear in The Record.

Attorney Files City Petition For JP Post

Petition activity for city and township office has slowed down sharply in the past two weeks with but one newly announced candidate.

Attorney Charles McDonald of 314 Debra Lane has filed his petition for the office of justice of the peace.

It marks the first time that Incumbent E. M. Bogart has had competition for the post.

The justice of the peace office has come into the spotlight recently by the decision of the city council to change the means of compensation from a fee basis to a \$2,000 annual salary.

Judge Bogart, who has been in office for eight years, had opposed the change. Under the fee system his earnings have topped \$7,000 annually. He filed for the four-year term again last week, however.

McDonald, 32, has been a practicing attorney for seven years and is presently associated with James Canham, Redford township judge. He moved to Northville two years ago. He is married and has two children.

McDonald is a member of the Northville zoning board of appeals and the Northville Heights Civic association.

Other candidates who have filed for the two openings on the city council in the April election are Incumbent Ed Welch, Richard Ambler, Mrs. Arthur Carlson and J. Bine Leavenworth. Mayor A. M. Allen is the only candidate to file for the two-year mayor's post.

In the township partisan election only incumbent Republicans have filed to date. Deadline for filing petitions is Monday, January 2. Although a holiday, the township office will be open until the 4 p.m. deadline hour, while city petitions may be filed at the city hall police department on the final day.

City Backs Plan to Seek Industry

Following the recommendations of an earlier study report the Northville city council took official steps Monday night to form a permanent economic development committee.

Establishment of the committee, community-wide in scope, is expected to be supported by the board of education and Northville township board.

Its principle function will be to promote industrial, commercial and other aspects of economic development within the school district boundaries of the community.

The council's action came about as the result of a study conducted during the summer by a six-member committee appointed by the three community governing bodies.

The study urgently appealed to officials to take action "before our local situation gets out of hand". It undertook to project future tax requirements of the school district and conservatively predicted (without concern for city or township taxes) that school and county taxes within the Northville district would increase 70 percent during the next 10 years.

While the report conceded that land suitable for industrial development within the area is limited, it warned that this industry potential would seem to be the only hope of relief from the progressively increasing tax burden.

Pointing to the low ratio of industrial and commercial property to residential (and further noting that 20 percent of the land within the school district is state or county owned) the report cautioned that taxes to the homeowner could easily exceed the predicted 70 percent increase in the coming decade.

Presumably because the study was originally prompted by council action, the township and school board have awaited action by the city before proceeding.

Both bodies have indicated approval of the report and will almost certainly join the city in formation of the new committee.

Specifically, the resolution adopted

by the council provides that the function of the economic development committee will be:

1. To conduct an industrial survey of the area; to collect all information which would be of assistance to an industrial or other business concern in making a decision on location.

2. To conduct a program of public information on the need for and the advantages of having industry and business locate and remain in the area.

3. To make recommendations to the respective governing bodies of the areas with respect to zoning and other legislative or policy matters related to industrial and other economic development.

4. To promote through advertising, publicity, personal contact and other appropriate means the advantages of the area to businesses seeking new locations.

5. To arrange for the providing of proper inducements and assistance to businesses considering locating in the area and to local businesses which may otherwise determine to move from this area — including the creation of an Industrial Development Corporation.

A 12-member committee was recommended with five members representing the city council, school and township boards and the city and township planning boards. One member would be appointed by the Retail Merchants association, while six members would be appointed by a committee composed of the mayor, supervisor and superintendent of schools.

CHURCH STEEPLE — Construction of the new First Methodist church steeple is well underway and is expected to be completed within three months. The huge tower is being built on the ground, and when completed the tower containing the bell will be raised to the top of the church by a 25-ton crane. Once this tower is in place, a second section — considerably smaller in size — will be erected. The old city clock, newly repaired and converted to electricity, will be placed in this top section. The clock will automatically ring the church bell each hour. The entire project will cost more than \$10,000. Shown at the base of the tower frame in the picture above is Oscar Hammond, chairman of the church board of trustees.

about WOMEN

KITCHEN DIARY

Recipe Clipping Pays Off

Few magazines or newspapers escape the scissors of Mrs. Harry F. Wagenschutz if there's a recipe tucked anywhere in their pages.

An avid collector who's found clipping recipes a mighty profitable pastime, especially when it comes to having the right recipe for the right occasion, Mrs. Wagenschutz has volunteered two of her favorite cookie formulas for this week's Kitchen Diary.

Both make good Christmas

cookies, remarked Mrs. Wagenschutz.

She bakes her Coconut Meringues — colorfully doctored with candied fruits — in a very slow oven till they're lightly browned. (That's when they're best!) No baking is required for Mrs. Wagenschutz's Chocolate Bars. Just mix, pour and refrigerate. Several hours later . . . a melt-in-your-mouth confection.

COCOANUT MERINGUES
Mrs. Harry F. Wagenschutz
½ cup egg whites

¼ teaspoon salt
1 cup super-fine sugar
½ teaspoon vanilla
1 can moist coconut
Mixed, candied fruits
Beat egg whites and salt until stiff (not dry); add sugar tablespoon at a time. Beat mixture after all sugar has been added until mixture will crease and can be cut with clean knife. (If sugar is added too fast mixture will not be stiff enough.) Add vanilla and fold in coconut. Drop from teaspoon onto well greased baking sheet. Sprinkle with mixed, candied fruits (diced). Bake in a 250-degree oven about 45 minutes or until very lightly browned. Yields 7-8 dozen.

CHOCOLATE BARS
6-oz. pkg. semi-sweet chocolate
3 tbs. light corn syrup
3 cups confectioners sugar (sifted)
1 cup walnuts (chopped)
½ cups vanilla wafer crumbs (finely crushed)
1/3 cup orange juice
1 tbs. grated orange rind
Melt chocolate. Blend thoroughly with remaining ingredients. Pour batter into well greased 9-inch square baking tin. Sprinkle lightly with confectioners sugar. Refrigerate several hours. Cut into small (¾"x1¼") squares with sharp knife. Yields five dozen.

Engaged

Mr. and Mrs. Harold Beauchamp of Rochester, and formerly of Seguin, Texas, announce the engagement of their daughter, Dorothy (Dot), to Bruce Walter Felker, son of Mr. and Mrs. Ancil Owen Felker, of Northville.

Miss Beauchamp is a graduate of Seguin high school and Southern Methodist university, where she was a member of Mortar Board and Alpha Lambda Delta. She was elected to Phi Beta Kappa and Who's Who in American Colleges and Universities. A member of Delta Delta Delta sorority, she received the National Tri-Delta Leadership award at the sorority convention in Lake Placid, New York, this past June.

Miss Beauchamp is currently a member of the teaching staff of Hillcrest high school in Dallas.

Her fiancé is a graduate of Northville high school and the University of Michigan, where he was a member of Delta Tau Delta fraternity. He attended the Theological school of Drew university at Madison, New Jersey.

At present he is assistant director of the Wesley foundation at A&M College of Texas, and will return to Drew university next year to complete his bachelor of divinity degree.

A summer wedding is being planned.

Mr. and Mrs. Felker will hold an open house Monday, December 26, from 4 to 9 p.m. for all their friends.

Public Library Holiday Hours

Library hours during the Christmas holidays were announced this week by Mrs. Rhea Wilcox, head librarian.

They are as follows:
Monday, December 19 - Thursday, December 22 - 11:30 a.m. - 8 p.m.
Friday, December 23 - closed
Saturday, December 24 - 10 a.m. - 4 p.m.
Sunday, December 25 - closed
Monday, December 26 - closed
Tuesday, December 27 - Thursday, December 29 - 11:30 a.m. - 8 p.m.
Friday, December 30 - closed
Saturday, December 31 - 10 a.m. - 4 p.m.
Sunday, January 1 - closed
Monday, January 2 - closed

Fete 8 New Members At Christmas Tea

Eight new members were honored by the Woman's club last Friday afternoon at a Christmas tea in the Northville public library, announced Mrs. C. E. Woodruff, club president.

They were: Mrs. Philip Chase, Mrs. John O'Brien, Mrs. John Robertson, Mrs. James Sample, Mrs. Robert Shafer, Mrs. Fred Stefanski, Mrs. Gunnar Stromberg and Mrs. Don Young, Jr.

The Woman's club will meet next on January 6 to hear a travel talk by Kurt Thrun.

News Around Northville

Christmas Parties, Open Houses Set Holiday Entertaining in Motion

The festive spirit of Christmas showered its merry mood on young and old alike here in a round of holiday parties held during the past week.

Even Santa Claus, that rotund, red-suited man from the North Pole, made some early stops in Northville.

Saturday morning he handed out Christmas stockings to more than 100 Junior Police gathered at the P&A theatre on Main street for a special show in their honor.

The youngsters were treated to a screening of the full length feature "King of the Stallions" and a trio of cartoons. The sponsoring Northville Police department didn't spare the popcorn, either.

Later Saturday afternoon, Santa dropped in at a party for Eagles' children, and on Sunday afternoon he paid a visit to one for children of VFW members.

Northville's Business and Professional Women exchanged gifts at a Christmas party Monday night in the VFW hall. In a program read by Mrs. Lynn Sullivan, the women saw Marian Bower's slides depicting Christmas carols and listened to a talk by Beatrice Ware, a teacher of the blind in Detroit.

The "NORTHERN LITES" of the Wayne County Extension service held their annual Cooperative Christmas dinner party last Monday evening, December 12, at the home of Mrs. Andrew Orphan.

Christmas decorations and appointments made by the members of the club at the recently held Christmas Craft school created a gala pre-Christmas atmosphere.

Mr. and Mrs. Jack Hahn and their three sons will be coming in from Columbus, Ohio to spend the Christmas holiday with his parents, Mr. and Mrs. Del Hahn, 548 West Main.

Recent visitors of the J. E. Taylors in Rochester were Mr. and Mrs. C. Harold Bloom, Mr. and Mrs. Harry Wagenschutz, Mr. and Mrs. Del Hahn, Mrs. Robert Coolman, Mrs. Vance Masters and Mr. and Mrs. G. V. Harrison.

Governor-elect and Mrs. John Swainson were guests of honor Sunday at an open house given by Mr. and Mrs. Orlow G. Owen, 50085 West Seven Mile road. More than 100 guests were on hand to meet the new governor and his wife.

Their nephew and his wife, Mr. and Mrs. Larry Schram, of Tilbury, Ontario, visited a few days this week with Mr. and Mrs. James Spagnuolo.

Mr. and Mrs. Elden Biery hosted a potluck dinner Saturday evening at their home at 217 Dunlap. Couples there included Mr. and Mrs. Paul Beard, Dr. and Mrs. O. J. Robinson, Mr. and Mrs. Jack Swain, Mr. and Mrs. William Weidner, Mr. and Mrs. Frank G. Pauli, Mr. and Mrs. Lewis Alexander and Mr. and Mrs. Don Robinson.

Tom Weidner, a student at DeVry Tech in Chicago, is home for the Christmas holidays. Tom is the son of Mr. and Mrs. William Weidner.

Dick Biery, a junior at Central Michigan college in Mt. Pleasant, left for a Florida vacation after

KIBITZER 'N' CARD PLAYERS — Mrs. Ruth Ward (standing) looks in on bridge hands being played by (lt. to rt.) Mrs. Gene B. Cushing, Mrs. Earl R. Fiene, Mrs. Helen Adams and Mrs. Carol MacKimm. The occasion — as suggested by the gay Christmas backdrop — was a holiday dessert-bridge party held by women of the Newcomers club last Thursday afternoon at Meadowbrook Country club.

spending last week end with his parents, Mr. and Mrs. Elden Biery.

Mrs. William Bake of West Main entertained some 55 women from Northville and surrounding communities at a Christmas open house in her home last Wednesday.

Mrs. Gordon Forrer's parents, Mr. and Mrs. Charles Hanke, of Milwaukee, Wisconsin, were in Northville Sunday afternoon to help Dr. and Mrs. Forrer host a Christmas open house attended by about 60 guests.

Home from law studies at the University of Michigan is William Bake, son of Mr. and Mrs. W. A. Bake.

Sarah Cowden is home for the holidays from her freshman year studies at Winthrop college in Rock Hill, South Carolina. Her parents are Mr. and Mrs. Gilbert Cowden.

Birth

Mr. and Mrs. Ronald Bullard of South Lyon are parents of a new daughter, Margaret Lois, born December 18 at Sinai hospital in Detroit. The baby weighed six pounds, eight ounces.

Mrs. Bullard is the former Penny Niece.

Grandparents living in South Lyon are Mr. and Mrs. Garry Niece, formerly of Northville, and Raymond Bullard.

DEAR MRS. CLAUS:

Santa has so much to do
We thought we'd send our list
Direct to you.

We've kept our ears open
And here's what we find . . .
It's Automatic gifts
Most folks have in mind.

Now Mom wants a Range
That will cook, broil and bake
A whole meal to perfection—
From the roast to the cake.

As a gift for the house
We've chosen a Freezer
It will save Pop money
And bring Mom shopping leisure.

My Sister suggests
A gift she adores
Is a wonderful Clothes Dryer
That eases laundry chores.

And as for me—
What could be "neater"
Than a convenient,
Automatic water heater!

Thank you, Mrs. Claus,
It's been fun to conspire
For these Automatic gifts
We hope to acquire.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

FROM ROYAL OAK — Newcomers Jim and Kay Arnold, 526 Langfield, lived a year in Royal Oak before moving to Northville in early November. Arnold is a graduate of Lawrence Institute of Technology's industrial management program.

New residents Kay and Jim Arnold are busy working on "little things" while waiting for their own newcomer expected sometime in January.

The baby will be the first child for the couple who moved to 526 Langfield in early November. Their

last home was in Royal Oak.

An industrial management graduate of Lawrence Institute of Technology, Jim Arnold is a foreman at the Chevrolet Corvair plant at Willow Run.

His wife, Kay, a physical therapist, earned her diploma at the University of Michigan. She worked for the Detroit Cerebral Palsy Center and the Detroit Orthopedic clinic following graduation in 1956. Just last month she retired from her job with the Berkley school system.

"Now I'm getting used to staying home," said Mrs. Arnold.

While his wife sews and knits, Jim Arnold's been working on baby furniture. He's hoping for a boy, remarked Mrs. Arnold, adding that she doubts he'll mind if it's a little girl.

A Coast Guardsman for four years, her husband spends much of his spare time during the summer months, says Mrs. Arnold, in a boat or on water skis.

Camping is a new recreation for the Arnolds. Their last trip was to Cadillac where they braved the elements from the shelter of a tent.

They'll spend Christmas in Plymouth with his parents and her mother, said Mrs. Arnold.

Coordinating Council Hears Community Hospital Story

At its regular meeting last Thursday 13 members of the Northville Coordinating Council heard Calvin Montfils, administrator of Community General hospital, tell of the difficulty that the institution is having in trying to keep open.

Few area medical doctors use the facility, so the directors have decided to open the doors to qualified osteopaths, he said. Montfils told the group that Community Hospital provides better food and care than any hospital in the metropolitan area.

One member present suggested that perhaps a Citizens Committee might be of use to contact the doctors in the city to find out their reasons for not using the hospital and what could be done to resolve the situation so that Northville can have an adequate hospital.

Representatives are urged to make a report of this meeting to their respective organizations and try to ascertain whether or not the citizens of Northville would like

a hospital in the city and, if so, would they support it.

A request was made by Mrs. Wayne McBride, chairman of the March of Dimes for donations of cakes by members of organizations to be served at a benefit Fashion Show to be presented by the merchants in January. The proceeds of this would go for the March of Dimes. Those who are interested in

helping in this venture are asked to call Mrs. Donald Ware, FI-9-2232.

A letter from the Michigan Cancer Foundation stated that programs are available for any club wanting it. The chairman is Mrs. Lee Eaton.

For the January 19 meeting, a member of the Community Fund Drive committee of Plymouth will tell of the local drive that is carried out in that community.

NORTHVILLE

all sorts of things

By SHARON MAZANEC

Children's books are wonderfully simple in the way they tell big stories to little people.

This week we leafed through some of these volumes and discovered a poignant tale about the origin of our Christmas tree in "The Children's Book of Christmas", compiled by J. C. Dier.

The tale of "men of long ago" and the tender compassion that moved them to shelter the spirits of the woods is the prose of William S. Walsh, author of "Some Curiosities of Popular Customs".

In the writer's words, the far-away folk were sorry to think of the brownies, fairies and elves of the forest shivering under the snow-laden trees and in damp, icy caves.

The gentle folk used to place great branches of hemlock and balsam fir, continues the story, in the corners of their houses so that "the good little people" might creep into the warm shelter.

It seemed to the people that their friends of the summer woods were saying "thank you" when the heat of the fire brought out the sweet smell of fir. They felt the wish to give, and soon began placing little gifts upon the green boughs for their

unseen guests along with berries of holly and ash to make them bright.

And even the twinkling lights that later dressed the tree, the story goes on, may have been the work of some night hunter, who while crouching in the underbrush, looked up to the stars and wished he might string their sparkling brightness on his tree.

In the prophetic stillness of the night before Christmas, when only the lights of the tree shed their warm glow throughout the room, the story almost seems true.

Joyous Christmas

We earnestly hope that you may enjoy all of the spiritual gladness that comes with the Christmas season.

NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fieldbrook 9-2428

Pre-Christmas guests of Mr. and Mrs. Herb Dryer were Mr. and Mrs. Jerry Avery and family of Belleville and Mr. and Mrs. James McCormick and children of Brighton. Christmas dinner guests of the Dryers will be Mr. and Mrs. William Duncan of Brighton. The latter's relatives will also be present during the afternoon on Christmas day.

Mrs. Cora MacDonald celebrated her 85th birthday Monday, December 19 at her 11 Mile road home. Mesdames George Webb, John Klaserer, M. Williams, Russell Race, J. Gardella, F. Mandlik put on a Christmas party at Veterans' hospital in Ann Arbor one day this week. They had gifts and prizes and Santa Claus, and served cookies and punch. They also visited veterans at Maybury San and each veteran received a gift and card, cookies and apples.

Mr. and Mrs. John Klaserer plan to spend Christmas day with their son and his wife, Mr. and Mrs. William Klaserer.

Mr. and Mrs. Edward Erwin and family are on vacation and will spend the holidays with the latter's relatives in Texas, after which they will visit the southern states and Florida.

Mr. and Mrs. James Erwin will entertain their children and grandchildren on Christmas. Present will be Mr. and Mrs. Harry Johnson and children of St. Louis, Michigan, Mr. and Mrs. J. W. Erwin and sons and Mr. and Mrs. Bob Erwin and daughters and their friends, Mr. and Mrs. John Irish and son.

Mrs. Cora MacDonald attended the Christmas party at Maybury San. Tuesday evening.

Mr. and Mrs. Carl Evans of 11 Mile road will spend the Christmas holiday with Mrs. Evans' parents in Ohio.

Charles Stewart entered St. Mary hospital in Livonia last week where he will receive tests and treatments.

The Eugene Dallas family has been ill with the flu for the past week.

Mrs. John French is on the sick list this week.

Mr. and Mrs. James Smith of Bevelton in northern Michigan will

visit their son-in-law and daughter, Mr. and Mrs. William Miller during the Christmas holidays. Later they will leave for Florida to spend the winter months.

On Sunday, Mr. and Mrs. Harold Miller were hosts at a dinner for a group of their friends at their home on West Grand River. On Christmas day the Harold Millers will entertain Mr. and Mrs. John Pundzevics of Dearborn.

Mr. and Mrs. Luther Rix will spend Christmas with their son and daughter-in-law, Mr. and Mrs. Edward Rix in Plymouth. Monday Mr. and Mrs. Luther Rix will have Christmas with the latter's mother, Mrs. George Tobias and sons at Williamston.

Mr. and Mrs. Clyde Johnston will have a supper for their children and grandchildren Christmas Eve. They are Mr. and Mrs. Ted Remein and children and Mr. and Mrs. Fred Johnston and family of Farmington. On Christmas day the Clyde Johnstons will be with the Ted Remein family at Farmington.

Tuesday evening, Mrs. Gertie Lee gave a Christmas party for the Novi Blue Star Mothers and their guests at her home on Duana street. They spent the evening playing buncle, after which they had a passing party and a luncheon served by the hostess.

The Willacker grandchildren had a Christmas party with Santa in attendance Sunday afternoon. There were 43 of the 49 grandchildren present at the Vern Willacker home on Old Plank road.

Vincent Gillett will undergo an operation on his heel sometime this week.

Mr. and Mrs. Victor Gillett and children and Mrs. Vincent Gillett and children plan to spend Christmas Eve at the home of their sister's family, Mr. and Mrs. Lewis Yukasz in Holt.

Farm Bureau

The South Novi Farm Bureau had their annual Christmas party and turkey dinner at the community hall Saturday evening. After dinner a group of Northville girls entertained with a Christmas skit from "Little Women". Santa Claus (in the person of Harold Miller) appeared later with gifts for everyone. Approximately 70 were present including the children.

Novi Methodist Church

No Sunday school December 25 and January 1st. Classes will join with the church service at 9:45 a.m.

Novi Baptist Church

Sunday evening services December 25 will be cancelled due to the holiday.

The Sunday school teachers met at the church Friday night to discuss the Christmas program which will be held at the church tomorrow (Friday) evening.

A singsgiving and farewell party was held for Pastor Richard Burgess of the Federated church of Salem. Rev. Burgess will be going to the Inter-City Bible church in Lansing.

Novi Rebekahs

The Novi Rebekahs elected the following officers at their December 8 lodge meeting: noble grand, Cecilia Sharpe; vice grand, Lulu Whittington; recording secretary, Heita Crane; financial secretary, Anna Ortwine; treasurer, Diana Ward, and degree captain, Thelma Cheeseman.

Twenty-three past noble grands were present for the Christmas party at Thunderbird Inn in Plymouth last Thursday evening.

Blue Star Mothers—Novi Chapter

The chapter hospital report from

Sept. 1, 1959 to Sept. 1, 1960 is as follows: Articles donated to the Veterans' hospital in Ann Arbor, 20 puzzles, 588 magazines, 15 jars, 16 1/2 dozen eggs, 399 tracheostomy bibs, 4 laprobes, 183 dozen cookies, 7 cakes, 42 lbs. candy, 47 pair socks, 2 shirts, 8 neckties, 1 robe, 14 coats, 25 books and 2 bushels of leather (\$70 value). Money spent \$50 picnic, contribution to Iron Mountain \$25; Sauane drill team \$5; 6 diabetic trays \$6.43; 2 wheel chair pads \$52; 5 dozen creamers \$32.40; 1 glass punch bowl \$4.75; ladle \$1.65; 50 cup electric percolator \$32.50; 2 water pitchers \$5.90; 11 cake breaker \$1.03; TV set \$179.50; Christmas party 4-W \$47.04; ball game and dinner \$81.95; St. Patrick place mats, candy, etc. \$22.68; Easter expense at Maybury San. \$16.55; Christmas party D&E building \$42.46. Also bingo parties and shopping. Patients visited 1,775; hours worked 289; miles traveled 723. Mrs. Fred Mandlik, hospital chairman for Novi chapter, Blue Star Mothers.

Novi School News

The junior high students have begun working on the 1961 yearbook. Larry Hurlburt has been elected editor-in-chief and Lynn MacDermid his assistant. Georgia Webb and Mark Anderson are handling financial affairs, and Rosie Putnam is secretary. The students have been meeting with their sponsor, Mrs. Schaible, during the noon hour to plan and prepare the yearbook layout.

Erwin Hendershott, director of school transportation for Oakland county schools, showed a movie to all the pupils in the Novi school system. The movie showed how riding a school bus could be made safer.

The third grade organized a club in their room and elected the following officers: president, Linda Cook; vice president, Jackie Wallace; secretary, Ellen Lyke; treasurer, Susan Presnell. They enjoyed a trip to Ford Rotunda last Thursday.

The fourth grade went to Ford Rotunda last Thursday. Mothers that assisted with the group were Mrs. Hansor, Mrs. Ortwine, Mrs. Adams and Mrs. Adkins.

Saturday, December 10 the junior high cheerleaders attended the regional cheerleading clinic held at Avondale Junior high school in Auburn Heights. The eighth grade was represented by Dianne Alexander, Carol Conrad, Sandy Fried, Kay Gillett, Jackie Henschel, Lynn MacDermid, Rosie Putnam, Cheryl Richards, Sandy Ronk and Georgia Webb. Seventh graders attending were Janice Waugh and Marcie Rutland. Mrs. Simenson and Mrs. Bowers, sponsors for the year, also attended. The girls received instruction in better technique and mass yell.

Mrs. Salow's history classes made Invention Time charts. Shari Presley's chart was judged best from section 8-2. John McMillan's chart was judged best from section 8-1.

All charts were interesting and will be on display after the holidays. Thursday afternoon, Ruth Munro attended the annual Christmas party sponsored by the Oakland County Society for Crippled Children. Mr. Long, husband of the second grade teacher, will be talking on health. He will show the children medical bag and let the children listen to their own hearts Mr. Long is a medical student at the University of Michigan and his talk will help the class in their unit on health.

Nov Girl Scouts

Intermediate Troop had their meeting as usual at the leader's home. Registration money was collected and new girls are welcome to join this troop of 7th and 8th graders. They planned a gift exchange and to make cookies for the Girl Scout party Wednesday. They finished their fathers' Christmas gifts.

Troop 492 wrapped Christmas gifts at the meeting on Saturday. Treats were furnished by Denise Hansor and leaders. The troop was given a very nice pair of wood flag-standards by Howard White. This troop will attend the Christmas party Wednesday, but will not meet again until January 7.

Intermediate Troop 149 had a Christmas party at their meeting Wednesday. They sang songs and had refreshments. Special guests were Mrs. Paul Petters and Noel F. Geppert.

Brownie Troop 692 worked on their Christmas project of making elves for decorations on Christmas trees. Treats were furnished by Diane McBride.

Mrs. Ratcliffe's troop worked on their Christmas tree ornaments, having completed their Christmas centerpieces. In January, two mothers, Mrs. Robert Nelson and Mrs. William Laird, Jr., will help instruct the troop in sewing and knitting.

Masons Hold 95th Annual Installation

Fifteen newly elected Masonic officers were installed Saturday evening in a colorful ceremony under the auspices of the Northville Lodge No. 186 F. & A. M.

The 95th annual installation ceremony was held at the Northville Masonic Temple, located above Gun-sell Drug.

Officers installed were:
Stanley Smith, worshipful master; Paul Mullen, senior warden; Ronald Borkowski, junior warden; Frank Dunsford (PM), treasurer; Robert Coolman (PM), secretary; Charles Wilson, chaplain; Jewel Smith, senior deacon; Donald Green, junior deacon;

Howard Shields, William Autio, Louis Sweetman and Herbert Milne, stewards; Kenneth Peltz, marshal; C. P. VanValkenburg (PM), and Herbert Framuliner, organist.

The installing grand officers were: VanValkenburg, grand master; Earl Gray (PM), grand secretary; George Mairs (PM), grand chaplain; and H. Thomas Quinn (PM), grand marshal.

The invocation was given by George Mairs, the welcome address by Leo Patterson (WM), introductions by Leo Patterson and Frank Dunsford, solo by William Williams and piano music, Mrs. William Williams.

A dinner was served following the installation.

Hospital Employee Freed in Jury Trial

A 30-year-old male employee of Northville State hospital was found not guilty on a charge of carnal knowledge involving a 20-year-old female patient in a circuit court jury trial concluded Tuesday.

The charge was brought by the state of Michigan after the complaint was made by the patient.

One other patient and several doctors and administrators of the hospital testified in the 2½-day trial conducted by Wayne County Circuit Judge George Bowles.

Library to Close

The Novi public library will be closed Saturday, the day before Christmas, officials reminded local residents this week.

Normally, the library is open on Saturdays from 11 a.m. until 5 p.m.

NOVI, MICHIGAN

CHRISTMAS CONCERT — The adult choir of St. Paul's Lutheran church and the children of St. Paul's school presented a public concert of sacred Christmas music Sunday evening at the church. Featured in this year's concert were carols of many lands. Harold Kenow, school principal, is shown at right directing the choirs.

HO-HO-HO — A jolly time was had by all the youngsters of the Northville Eagles at the annual lodge and auxiliary Christmas party held Saturday. The youngsters are shown crowding around the most popular guest at the party, that very busy gent, Santa Claus.

Mayor Sets TB Week

This is Christmas Seal Week in Northville and Wayne county.

This week you are asked to be mindful of the gigantic, never-ending battle against tuberculosis — the battle that, perhaps, may have made it possible for you to enjoy good health.

There are thousands of your neighbors in Detroit and Wayne county who are not so fortunate.

They include nearly 2,000 men, women and children in Herman Kiefer hospital and Northville's Maybury Sanatorium, victims of active tuberculosis.

Other thousands are attending outpatient clinics — their TB arrested or controlled.

But, whether these sufferers of the dread disease are in hospitals (voluntarily in most cases so as not to infect you) or whether they are in the process of rehabilitation, they all depend upon your generosity during the Christmas Seal campaign.

\$315,000 is sought this year to carry on the work of the Detroit Tuberculosis Sanatorium and the Tuberculosis and Health Society.

The money is raised through the annual sale of Christmas Seals.

Christmas Seals were sent to 530,000 homes in Wayne county this

year. Some have not answered their letters — as yet.

A reminder has gone out to these persons.

Northville Mayor A. M. Allen has joined other mayors in Wayne county in proclaiming the period of December 19 through December 24, as Christmas Seal Week.

Keep in mind that none of the hospitalized TB patients will "be home for Christmas". Many of them won't even have visitors.

And, among the most pitiful of these will be the little children in Maybury Sanatorium — 51 of them between the age of one to 12!

The youngsters, for the most part, are children whose parents are also suffering from tuberculosis.

By necessity, these parents and children will be forced to spend this Christmas apart.

Thanks to the efforts of Mrs. V. George Chabot, Northville Rotarians, countless individuals and area organizations, these children will receive a present from "Santa Claus", however.

Their letters to Santa have been distributed by Mrs. Chabot and will be answered with personal gifts to be delivered by Santa himself on

Christmas morning.

The project is one that Mrs. Chabot has directed for 14 years.

POINTING to the spot in the grandstands where the new judges' stand will be located is Downs' Executive Manager John Carlo. Revamping of the stands is already underway, as evidenced by the improvements made in the box seat area in the foreground. New beams support the section, while pre-cast concrete slabs extend the full length of the stands in front of the box seats. The judges stand will be suspended from the roof section, shown partly dismantled. Carlo expects to spend \$75,000 to improve the stands this year. His long-range program calls for further improvements to the stands and construction of a clubhouse where the bleachers now stand. Total estimated cost of this would be \$1½ million.

READERS SPEAK:

Employees Uphold Hospital

Open Letter to the Communities of Northville and Surrounding Areas

We as employees of Community General Hospital are asking this question! Why have you failed to support your hospital? The hospital is an adequate facility with competent employees to handle emergency, surgical, obstetrical and medical cases. For example, to date we have handled approximately 800 emergency cases. We have never turned a patient away from our door because of financial status. Every effort has been made by the Administration to cooperate with patients regarding their financial problems; although, in return many have not kept their promises to us.

Many questions have been asked about our Blue Cross problem. The main reason we lost our participation with Blue Cross is because the hospital was not in the financial position to purchase the hospital. Again, with your support, we could have worked out this problem. You failed!

The majority of the employees of Community General are residents of the community and surrounding areas and have a vital interest and desire to serve the sick, not for financial gain, because it is a well-known fact that the nursing staff is under paid.

WE WANT TO EXPRESS WHY THIS HOSPITAL IS SO VITALLY IMPORTANT TO YOU:

It was Christmas Day. Little Johnnie Doe was riding his new bicycle. An automobile was coming down the road, went out of control and hit Johnnie. Mrs. Doe

immediately called her doctor.

NO ANSWER! Mr. and Mrs. Doe put Johnnie in their car and drove to Community General. Johnnie was taken to the emergency room, a doctor called, and Johnnie was given first aid by the doctor and nurses on duty and put to bed. Johnnie was seriously hurt, but today with prompt service by the hospital, he is just like new. This could be YOU OR A MEMBER OF YOUR FAMILY.

WHAT'S YOUR VERDICT?

At this time we wish to thank the people of the community and surrounding areas who have so gratefully devoted their time and efforts in behalf of the hospital and especially the man in Plymouth who had enough interest in the hospital to donate our Christmas tree and

make the employees' and patients' holiday season merrier.

Respectfully,
Employees of
Community General Hospital
P.S. Any replies to this letter will be gratefully appreciated.

Chief's Got Gift Ideas

"What shall I give for Christmas—a practical gift, or one that will give pleasure?"

Chief of Police Eugene King, whom you probably never suspected of being a Santa Claus at heart, is willing to attempt an answer to that universal question.

"Why not give both?" he suggests, and presents a prepared list of Christmas gift suggestions. Here it is:

1. A set of automobile seat belts. They are practical because they save lives and prevent injuries; the pleasure comes in the satisfaction of knowing this.

2. A set of reinforced tire chains. Their practicality is time-tested, and it's a real pleasure to have them around when caught on the road in severe snow or ice weather.

3. A flashlight-flare device, for use when stalled, etc.

"These gifts, and others in their category, show thoughtful concern for the welfare and happiness of others," the chief said, "and they remind us of our responsibility to drive safely."

Incidentally, Chief King pointed out that some gifts of greatest value cost nothing at all to give.

"Try giving the right-of-way to another driver or pedestrian. By driving carefully you can give the gift of life itself to someone, and what could possibly make more sense at Christmas time?"

Parties, Gifts Help Patients

Many individuals and organizations this Christmas are sharing the warmth and spirit of giving of their own hearths with the patients in Northville State hospital. The Christmas theme dominated the mood and decor of the regular monthly ward parties given during December.

The Altar Society of Our Lady of Victory Catholic church made special efforts to include the festivity of the season by sponsoring a party in one of the wards.

An estimated 1,000 names of patients are shared with individuals and organizations, each name accompanied by a "hint list" of three or four items, completed by the patient or an attendant nurse who knows well a patient's needs.

This "hint list" of each patient then is shared with his next of kin, so that practical, wanted gifts are received by the patients. When next of kin are unknown or cannot be located, that patient's name is shared with an organization or individual in the community.

"Although this extra effort by our employees, patients and volunteers in preparing and mailing an individual slip for each patient is quite extensive, the importance for each patient to receive what he wants is so important," Philip N. Brown, M.D., hospital superintendent, commented.

In the Northville area some 50 names of patients are being shared—patients who would not be remembered but for this generosity. Typical of the organizations and concerns which have responded to this Christmas giving is the Northville Optimist club.

A NEW LIFE AHEAD — It's weather-beaten and just plain tired, but Northville's ancient fire truck — which was retired several years ago — may soon have its dignity restored. Not wanting to turn the iron horse out to pasture in another community, the city of Northville has given it to the newly organized Northville Junior Chamber of Commerce. Jaycee members plan to restore the truck to its original beauty and display it as a "club mascot" and a city relic at various community programs. City Manager John Robertson is shown above presenting Vic Miller, a Jaycee member, with the keys. The truck was displayed Saturday at the Speedway station, corner of Seven Mile and Northville roads, where Jaycees conducted a gas sale which netted the club close to \$75. The proceeds will be used for community projects.

Obituary

JOE H. HOLMAN

Hold-Up Suspect Admits Break-In Here

Police here were notified Monday that 22-year-old Ronald Smith, questioned by Livonia police on an armed robbery charge, had confessed to a November 14 break-in at a Northville gas station.

Livonia officials said Smith had admitted looting \$35 from the Speedway gas station at the Seven Mile cutoff and South Main.

Smith lives at 10034 Clement circle, Livonia.

New Ownership

Northville Collision, located at 108 East Dunlap street, is now under the ownership of Bill Ahern.

In addition to auto body repairs, the firm will specialize in repainting enamel-finish appliances.

THE FAMILIAR ring of the Salvation Army bell brought back memories of Christmases past to many Northville shoppers. The bell and the bell haven't visited Northville — at least in recent years — but in most cities are seen as frequently as Santa Claus during the Yuletide season.

Charles Sellers of Detroit, acting for the Plymouth board of the Salvation Army, stood duty on Main street. The goal for the Southeastern Michigan district is \$55,000. The Army's Christmas fund is used for holiday dinners, toys, gift packages and other remembrances to some 70,000 persons in the tri-county area.

Hold Services For 1st Local VFW Leader

A military funeral under the auspices of Veterans of Foreign Wars Post 4012 will be held at 2 p.m. tomorrow (Friday) for Donald Herbert Butler, 61, first commander and charter member of the VFW post here.

In failing health the past year, Mr. Butler died Tuesday at the Veterans Administration hospital in Ann Arbor.

He leaves his wife, Christine; a son, Donald, Jr.; two brothers, Obie and Charles, all of Northville; a daughter, Miss Verda Carpenter, Perryville, Kentucky; and two grand sons, Mark and Brian.

A local resident for 20 years, Mr. Butler had lived with his wife at 8661 Napier road. He was part owner of a Livonia service station.

Mr. Butler was born in Perryville, Kentucky, on February 7, 1899. His parents, Huston and Flora (Lester) Butler are deceased.

Interment at Rural Hill cemetery will follow funeral services conducted from the Casterline Funeral home. The Rev. Richard Burgess, Salem Federated church, will officiate.

Burglary

(Continued)

to the establishment or had access to them. "It's not hard to have a key made, once you have the original," he said.

Authorities theorize that the latest theft was committed by the same persons responsible for a heavy increase of burglaries throughout this area. Northville, Plymouth, Walled Lake, South Lyon and Farmington all have reported similar burglaries.

Just last month, thieves broke into Beyer Rexall Drug store on Ann Arbor road, Plymouth, and hauled away a safe containing \$100 in petty cash and between 20 and 30 types of narcotics.

The safe was found smashed and empty in a field off Sheldon road. After taking the money and some narcotics, the thieves burned the remaining contents.

Downs Win

(Continued)

cilmen appeared at the hearing in Detroit December 15 to join in the appeal for the additional dates. They were Councilmen Earl Reed and Ed Welch.

A week earlier Mayor A. M. Allen and council members met privately with Commissioner Inglis to discuss racing in Northville.

Last year the city received approximately \$97,000 in tax rebates from the state on the pari-mutuel handle at the Downs.

An earlier request by owners of the Jackson Trotting association that they be permitted to move their 32-night fall racing dates to Northville has had no action.

Inglis has indicated that an opinion from the attorney general on the legality of such a move would first be sought. After this, providing the ruling was favorable to the move, public hearings on the matter would be scheduled, Inglis said. He added that the move was not being "actively pushed" at this time, and that it seemed likely that the Jackson promoters would work toward the switch in the 1962 season.

DOWN FROM HIS GLORY

The amazing truth of the Christmas story is often times passed over by many people. This truth is that "God was manifested in the flesh" and in this form He called Himself "The Son of God". That the Creator of all the Universe would come from heaven to earth, that He would assume a human body in which He would die for the sins of the whole human race is beyond all human reasoning. And, if it were not for the clear teaching of the revelation that God has given to man we would not believe it. Since that time no one needs to ask "Does God love me, even though I have sinned?" The answer is found in the message of Christmas. There in the manger of Bethlehem, the hope of reconciliation to God was born for all men. It is through His coming that it is possible for us to have peace with God. It is through His life and death that we can high right standing through the forgiveness of sin. Is this what Christmas means to you? Or are you just celebrating a historical character whose way of life stands as an example for us? The angels said, "For unto you is born a Saviour". This is the true cause for rejoicing at Christmas.

Training School Children

Their Voices have Christmas Ring

Northville and Plymouth Rotarians were entertained last Thursday noon by youngsters of the Wayne County Training school.

The children presented an hour-long Christmas program following a dinner served in the gymnasium of the Sheldon road school.

Over 100 boys and girls took part in the program of singing which was climaxed by traditional

Christmas carols with the Rotarians joining in song with the children.

Beautifully drawn Christmas decorations created by the children lined the walls of the gymnasium.

Dr. Pasquale Buoniconti, superintendent of the school and a Northville Rotarian, annually arranges the program and acts as host to the service club members.

The expertness of the program, the talent of the children, and the spirit of Christmas which they conveyed left the Rotarians deeply impressed.

They knew, too, that many of these children would be unable to spend Christmas in their homes. But they came away believing that their Christmas at the training school would be joyful and full of spirit.

Season's Greetings

NORTHVILLE

Basketball fans take notice!
Plans are underway for a slam-bang cage performance between Northville coaches and alumni of Northville high school.

According to Dutch Van Ingen, he and his fellow coaches, along with several alumni coaches, will do battle with the alumni of Northville at the high school on December 29.

Van Ingen needn't say it, but you can bet your bottom dollar that there will be as much slapstick comedy as fine ball playing.

Tentative plans call for a preliminary game before the 8 p.m. "classic". An admission will be charged with proceeds going to the Northville athletic department.

ilyn Bowen 36; and Mary Kay Smith
6.

The Baptists of Wixom and West Bloomfield edged St. William's Catholic in overtime Thursday, 67, 62, to move into a tie for second place in the Inter-Lakes Church league.

Tied 62-62 going into overtime, the Baptists poured 5 points through the hoop to clinch the game. Meanwhile, the league-leading Methodists slapped St. Matthew's Lutheran. 62-46.

Doug Hallett led the Baptists in scoring with 19 points, while Dick Dewling was the high-pointer for St. William's. Bernie Stafford took scoring laurels for the Methodists with 22 points, and Jerry Long paced St. Matthew's with 16 points.

ICE SKATING — Skating will be permitted at the fish hatchery on Seven Mile west of Rogers until the new rink is constructed on the old public works department property. Skating is supervised each school day from 4 to 6 p.m., each Saturday from 10 to 6 p.m., each Sunday from 1 to 6 p.m., and each school vacation day from 10 a.m. to 6 p.m. except Christmas and New Year's days. In the picture above two skaters help a fallen pal from the ice. The boys are (l. to r.) Paul Krauter, 619 West Main; Larry Schwab, 122 South Rogers and Jim Darnell, 514 West Cadz.

A 30-game victory streak came to a screeching halt last week as both Clarkston and Plymouth lowered the boom on the Northville freshman quintet.

Wednesday, Clarkston bounced from behind, 28-20, to edge Northville, 50-48.

Ron Rice, who netted 13 points in the first quarter, came up with a game total of 23 points to take scoring laurels for Northville.

Plymouth swept to a relatively easy 52-36 victory after battling to a tie at the half, 22-22.

Jim Mazel and Ron Rice were high-point cagers for Northville, while Max Erdoff paced Bloomfield.

Northville will invade Clarenceville tomorrow and then host Willow Run on January 6. Tomorrow's game will get underway at 4 p.m.

And the angels sang, "On earth peace, good will toward men." May the Christmas message bring you joy.

Mustangs Win! Crush High-Riding Wolves Here, 49-43

Trojans Here Tonight

Last-place Clarenceville will invade Northville tonight for a W-O league basketball game originally scheduled for tomorrow.

The game was moved up one day because of the upcoming holiday vacation.

The everything-to-gain, nothing-to-lose Trojans will be out to capture their first game in five starts when they take the floor tonight.

Last week, the 1959-60 co-champions lost to Bloomfield Hills, 60-52, and two weeks ago they were ground underfoot by a rampaging Clarkson squad, 102-62.

Nevertheless, Coach Dave Schaefer, a newcomer at Clarenceville this season, is far from discouraged. He promises a real battle tonight.

Probable Clarenceville starters: Veteran Tony Giacobazzi, who picked up 22 points against Northville last season, at center; Bill Wheeler and Jim Yates at forwards; and Ron Blivet and Jerry Dowdy at the guards. Ron Riddling and Bruce Freels may also see plenty of action at the guard positions.

Colts Slap Clarkston Here, 46-36

Northville's junior varsity quintet is batting .500 again as a result of its 46-36 win over Clarkston here Friday night in a preliminary contest.

Stan Galonka's Northville five had little difficulty winning its second game of the season. Off to a 4-point lead at the close of the first quarter, the Colts increased their edge to 8 points by intermission.

Forward Tom Daniels led the first-half attack with five field goals and three charity shots.

The Colts stretched their lead to 12 points at the three-quarter mark, then dropped to 10 points in the final stanza. The quarter scores were: 12-9, 9-5, 14-10 and 11-13.

The leading Northville scorer was Daniels with 16 points. Guard John Kahler was second high for Northville with 11 points. High-point cagers for Clarkston were Forward Roger Rolfe, 14, and Guard Mike Simonson, 8.

At the free throw line, Northville fired 20 shots, made 10, while Clarkston shot 32 times and made 10.

Friday's victory was the second of the season. Previous games include a 55-54 loss to Brighton, a 43-39 loss to Plymouth and a 44-33 win over Milford.

COLTS' BOX SCORE			
	FG	FT	TP
Daniels	6	4	16
Kahler	5	1	11
Pattison	4	1	9
Biery	1	2	4
Challace	1	1	3
Ornekian	1	0	2
Jim Lyons	0	1	1
TOTAL	18	10	46

There was plenty of surprise written into the faces of the fans Friday night as Northville's winless varsity quintet bounced from the canvass to sock high-riding Clarkson, 49-43.

The resounding Northville victory pumped new life into the Mustangs and set the stage for a wide-open scramble for the Wayne-Oakland league championship.

With the loss, Clarkson was toppled from a league-leading tie to a three-way tie for second place. Northville, on the other hand, moved a step closer to the first division, grabbing a piece of a three-way tie for third place.

Although many basketball followers felt Clarkson was as ripe for defeat as Northville was for victory, the Mustang win was no freak.

Coach Dutch Van Ingen has said several times that his squad is capable. But getting the players to live up to their potential has been a difficult task.

One of the keys to Northville's victory Friday, Van Ingen pointed out, was the switch of Craig Bell from guard to forward. The 5'11" sophomore scored only 2 points in the first three games. But at the forward position last week, he netted 6 of 11 field goal attempts.

Although the team shooting record was an essential factor in the victory, the defensive work of the Mustangs was by far the best performance this season. The Wolves were forced repeatedly to bomb the nets at long range, while Northville controlled the boards.

Except for two substitutions near the close of Friday's game, Northville's five starters played the entire game. And these five starters accounted for all of Northville's points. They were Steve Juday, Don Busch, Danny Brown, Tom Schwarze and Craig Bell.

Behind the high-jumping tactics of Center Brown, the Mustangs grabbed an early lead and then refused to give ground. Brown peppered the hoop with four field goals and a single charity shot to lead the Mustangs to a 13-9 lead at the end of the first period.

The Wolves chipped the lead to 3 points in the second stanza, flipping in 9 points to Northville's 8.

As the second half got underway, however, Northville caught fire and drilled the net with nine field goals. All five starters shared in the offensive attack, with Bell leading the way with 6 points.

On the other side of the ledger, Clarkston piled up 13 points on 3 field goals and 7 charity shots.

Northville's attack sputtered in the final period as the Wolves battled feverishly to chop down the Mustangs' lead. Guard Hal Weston pumped in four field goals to lead the Wolves' 13 point output, while Juday and Brown each picked up 3 free throws to spark the Mustangs' 10-point score.

Brown, a 6' 2" junior, continued to lead Northville's scoring attack. He picked up 16 points Friday, making a total of 55 points this season for a game average of 13.8 percent.

Powell was high-point man for Clarkston with 3 field goals and 5 free shots.

Statistics: Northville fired 52 shots, made 20 for a 39 percent record, while Clarkston shot 51 times, made 15 for a 29 percent record. At the free throw line, Northville made 9 of its 17 shots and Clarkston connected on 13 of its 26 shots.

Wrestlers Drop Match To Flat Rock

Two draws cost Northville its third wrestling match last week Tuesday as Flat Rock clipped the Mustangs 30-20.

"We might have won the match, but two of our boys were forced into draws as a result of riding time," Northville Coach Dave Longridge explained.

Despite the loss, Longridge was impressed by his squad's improvement over the previous two meets. The score was the closest this season. In previous meets, Garden City won 42-10 and Cranbrook won 41-5.

"They're looking better all the time. After Christmas we ought to pick up a few wins," the coach predicted.

The draws (which made up four of Northville's points) last week were picked up by Rick Rebitzke in the 120-pound class and Jim Tuck, who wrestles in the 180-pound class.

Two other Mustangs each picked up five points in pinning their opponents. They were Joe Hay, a 165-pound wrestler, and Jerry Biddle, who wrestles in the unlimited class.

Doug Nichols won a decision for Northville in the 103-pound class.

The Mustangs' next meet will be at Warren Lincoln on January 4. Despite the layoff, Coach Longridge has plans for grueling practice sessions for the remainder of this week and for at least three days during the holiday vacation.

Also 5 p.m. service 4th Sunday of each month.
Wednesday evening service, 8:00.
Reading room in church edifice open daily except Sundays and holidays, 11:30 a.m. to 5 p.m.; 7 to 8 p.m. Wednesday and 7 to 9 p.m. Friday.

The steadfast light of the Christ, Truth will be emphasized at Christmas Science services Sunday.
The Christmas story to be read in the Lesson-Sermon entitled "Christian Science" will include the following: "Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him" (Matthew 2:1, 2).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (95:23): "Led by a solitary star amid the darkness, the Magi of old foretold the Messiahship of Truth. Is the wise man of to-day believed, when he beholds the light which heralds Christ's eternal dawn and describes its effulgence?"

MERRY CHRISTMAS TO ALL

The secularization of Christmas has tended to cover-up its real meaning. "Giving" has become, for some, a matter of respectability. There is always the temptation to yield to the motivation to give because one is going to receive.

Santa Claus, not Christ, has become, for all too many, the image of Christmas. Even the design of compact, fireproof heating systems has not deterred some adults from continuing to perpetuate upon their children the false idea of Santa coming down and going up a chimney.

This is even a grosser sin when one recalls that this is done at a time when the real meaning of the season is to honor one who loved children in a way in which no one ever loved them before or since. Could it be that this kind of adult dishonesty and exploitation of children could, when discovered by a child, be the beginning of child delinquency simply through loss of faith in adult honesty and fair play? Why so much of our observance of Christmas should revolve around the poem, "Twas The Night Before Christmas" rather than around the coming of the Christ-child can be explained, in large measure, in terms of the impact of secularism — the materialistic exploitation of the spirit of giving.

An even deeper tragedy lies in the fact that so many have completely overlooked the distinctly Christian message of the author of "Twas The Night Before Christmas" when he has Santa say, as he makes his departure, "Merry Christmas to all!" It is possible that it was not the intent of the author to make Santa Claus the "be-all and end-all" of Christmas. Rather, by putting these parting words on the lips of Santa, he strongly suggests that Santa's generous giving was motivated by the giving spirit of God personified in Jesus Christ and now resident in Santa's heart.

No Midnight Mass

The Felician Sisters of Livonia request their friends and other visitors not to attend Midnight Mass at their motherhouse chapel on Schoolcraft in Livonia this Christmas.

The chapel proper is not at present being occupied because of interior construction work. The temporary chapel now in use is too small to accommodate outside visitors.

Hold Party

The Wixom Extension group met with Mrs. Arthur Cox at 2512 Charming road for their annual Christmas party December 13.

There were 15 members and one visitor present. The morning was spent making Christmas wreaths. Leaders Mrs. Cox and Mrs. Dean gathered boughs and cones for the group.

After a dinner Christmas gifts were exchanged.

Official Minutes of the Novi Board of Education

November 9, 1960
The regular meeting of the board of education was called to order by the president, Mr. Heslip, at 8:07 p.m. on November 9, 1960.

Present were Mr. Heslip, Mr. Erwin, Mr. Taylor, Mr. MacBride, Dr. Ambinder, Dr. Medlyn, the attorney, Mr. Paul Merideth, and a number of guests.

The minutes of the October 12th meeting were approved as presented; the minutes of the October 17th meeting were approved with the following correction: the statement in which Mr. Heslip qualified his vote was corrected to read "he felt the board could not justify the expenditure of an additional \$20,000 at this time"; the remainder of the paragraph was to be deleted.

The treasurer's report of fund balances, which was approved as read, follows:

General Fund \$21,323.01
Lunch Fund \$2,128.60
Payroll Fund \$400.00
1957 Building and Site Fund \$165,075.68
1955 Debt Retirement Fund \$17,515.16
1957 Debt Retirement Fund \$18,209.80
1958 Debt Retirement Fund \$5,816.57

Dr. Medlyn reported he had as yet no candidates for the remedial reading position. The teaching institutions were being contacted personally.

Mrs. Allen, the librarian, will report at a later meeting on the condition of the libraries in our schools.

Mr. Paul Merideth of Pontiac, the attorney representing the board of education, reported on the status of the options on the high school sites. Options on the Fuerst and Waite properties had been extended to November 23rd. The Salow-Root option which would have expired on Oct. 23 had been extended an indefinite period by deposit of an additional \$100, and the owner notified in writing. An agreement of sale had been mailed with the \$100 check, and their attorney had replied, suggesting modifications to the agreement of sale. Dr. Ambinder questioned the seriousness of the modification to the agreement of sale; Mr. Merideth felt they were not of great seriousness, not involving a very large sum of money. The modifications proposed were:

1. Owner to have right of occupancy until Sept. 1, 1961. Taxes to be prorated until Sept. 1, 1961, insurance to be paid by former owner.
2. Refrigerator, stove, storm doors, etc. not to go with building; heating plant to remain.

Mr. Merideth continued that the agreement of sale had been signed because of the requested modifications. He also explained that use and occupancy of the dwelling were part of the original option, the modification dealt only with the proration of taxes and the payment of insurance. In dollars and cents the amount involved was small.

Mr. Heslip presented a letter from Mr. Roland Heaton requesting a public meeting to discuss the choice of a high school site. Since the board had voted to purchase the Root-Salow property at their previous meeting, there was a discussion regarding whether the meeting should be held before proceeding with the agreement of sale.

Mr. Heslip polled the members of the board for their opinions about a public meeting.

Mr. Erwin stated he had no objection to such a meeting. Dr. Ambinder stated he felt the board should not delay in negotiating the agreement of sale, but that notices should be sent out explaining the action taken and calling the meeting at the time of the next regular board meeting. Mr. MacBride was willing to discuss all aspects of the situation, but in the meantime he thought the board should go ahead with the agreement of sale. Mr. Taylor stated he had no objection to the meeting, but he thought the board should go ahead with their plans.

It was moved by Dr. Ambinder, and supported by Mr. MacBride as follows: Be it resolved that the board at the next regular meeting discuss the reasons for the purchasing of the land. The motion carried. The meeting was to be advertised and held at the next regular meeting, with counsel and the architects present.

During the discussion, Mr. Dicon Trafalton asked whether there had been an appraisal of the property. Mr. Heslip answered that a number of properties had been offered to the board varying in price from \$1200 to \$4250 per acre, also that land values in the area were known to the board. Mr. Taylor answered that an appraisal of the property had been made for the owner by Nation-

al Bank of Detroit.

There was also some discussion of the legal position of the board of education if there should be a change of site. Mr. Merideth suggested the board could lose their option because of the delay, if it were prolonged. Miss Fuerst, whose property was also under option by the board of education, stated that her property had been devalued 10 percent by appraisers. Mr. Merideth stated that Miss Fuerst's attorney had stated the Fuerst property could be negotiated to a lower price.

In regard to the modifications to the agreement of sale, Mr. Merideth was to find the amount of the Root-Salow taxes for last year and let Dr. Medlyn know the amount of money involved.

Mr. Trafalton and Mr. Dean of the citizen's subcommittee on Finance reported on the work they had done. For ease of comparison they used the same form as the school audit report, presenting the amount to be received and expended and a projected balance sheet for June 30, 1961. The committee has the intention of providing monthly budget performance reports. It is also working on a study of the school insurance coverage; this portion of the study is to be presented to the board at another meeting by Mr. Richard Bingham.

Dr. Medlyn reported that the curriculum consultant, Mrs. Josephine Brakow of the Bureau of School Services of the University of Michigan and principal of the Mack School in Ann Arbor had visited the Novi schools and had met with the teachers. She was to meet with the board of education at a later meeting.

In regard to the testing norms, Dr. Medlyn reported that Dr. Cohen of the Oakland County Board of Education had found no regional norms for standardized tests. It was expected that Dr. Cohen would meet with the board at the January meeting.

National Defense Education Act Title V approval was being awaited before beginning a testing program. Dr. Ambinder stated that he is interested in a testing schedule for all grades.

A progress report from the citizens' subcommittee on Exceptional Children was given by Mr. Hood. He reported that Novi is doing as much as possible as far as money is available at the present time. Our own program in special education appeared unlikely for the next several years, as far as the committee could determine. Our program is a part of the Oakland county board of education special education program.

Specifically, to answer what Novi is doing in special education, Mr. Hood stated that we are busing children out to Farmington or Walled Lake special classrooms. Farmington at this time has no openings for more children. Walled Lake has some, only South Lyon is looking for referrals.

Mr. Hood mentioned that we have a transportation problem that will need in time to be solved by purchase of a station wagon.

The committee had sent a questionnaire to teachers of the third through the eighth grades. Thirteen teachers reported 69 children in need of remedial reading.

Dr. Medlyn recommended that the board allow \$2.00 per day for a family requiring transportation for children to a special education classroom, and that he be allowed to write a general fund check periodically for this family in order that they might transport the children themselves. The board would be reimbursed by the state. This plan was agreed to by the board.

A communication from the Novi Township board was read and placed on file.

Mr. Erwin reported the east bank along the Orchard Hills property was rough and eroded but was not too steep to be mowed. His recommendation was that the bank be seeded in the spring and kept mowed to present a better appearance in the neighborhood.

It was agreed that the board should meet with the Northville board of education to discuss future plans for the education of secondary school students. Dr. Medlyn stated that the year 1961-62 appeared to be a problem year for Northville. Dr. Medlyn is to attempt to set up a meeting on Monday, Nov. 28, or on the first available Wednesday.

A meeting was to be arranged with the Atkin-Ford Co., contractors for the Orchard Hills School in an attempt to adjust some differences. Dr. Medlyn stated the tile field appears to be working satisfactorily. A meeting may be held on Nov. 16

or Nov. 23.

Mr. Taylor read a communication which stated that \$17,000 in state aid had been mailed to the treasurer. The State Aid had been received.

Dr. Medlyn read a letter from the Fire Marshal in which approval for the installation of exit door from the cafeteria was given. The fire marshal also requested discontinuance of use of chains as locking devices and cleaning of storage and furnace rooms in the Novi building; both of these requests had been complied with.

Mr. MacBride questioned the afternoon kindergarten starting time in the Novi School, since some children were reported to be on the bus until nearly 1.00 P.M. It was agreed that another bus could be used in

order that the children could be brought in earlier.

Dr. Ambinder moved that, after perusing the bills, and on the recommendation of Dr. Medlyn that the materials were needed, he recommended that current bills be paid as presented. The motion was supported by Mr. MacBride, and carried. The bills included were: General Fund bills—\$4,283.51; Lunch Fund bills—\$1,147.33; 1957 Building and Site Fund bills—\$178.00; 1957 Debt Retirement Fund, Interest, \$12,483.75; and 1958 Debt Retirement Fund, Interest \$4,704.75.

The meeting was adjourned at 11:10 p.m.

Respectfully submitted,
Russell Taylor, Secretary

NORTHVILLE

SPEAKING for the Record

By Bill Sliger

Last week State Senator Raymond Dzundzel spent an evening with Northville councilmen discussing area problems and possible forthcoming legislation and how it might affect our community.

The 18th district senator represents the Wayne county residents of the city and the entire township in the state senate.

Dzundzel is interested in becoming better acquainted with his constituents and their problems and also bringing them up to date personally on bills under consideration in the state senate.

He proposes to spend one evening a month in Northville doing just this. The meetings will be open to all residents — one or 100. Dzundzel will introduce his get-acquainted meetings after the first of the year. The evening will always be a Friday, the day he returns from Lansing after the week-long session.

The idea, we believe, is a good one. It should help residents become better informed and give them a closer understanding of what's going on in Lansing.

It should also enable Senator Dzundzel to have a more complete realization of the wishes of the people of this area and therefore better equip him to represent our community.

What happened to the "stop" sign arms that extended from the sides of school buses whenever the vehicle was about to let children out?

Nelson Schrader and Stan Schaefer asked me this question recently — and I hadn't realized that they are no longer in use.

They point out that these signals served a definite purpose and that without them a hazard is created.

On the new buses, I am told, light signals are used on the rear of the bus to warn motorists that the bus is going to stop.

Schrader and Schaefer claim that these lights are difficult, if not impossible, to see if a large truck, for example, happens to be directly behind the school bus. The truck blocks the school bus signal and the motorist behind the truck is likely to pull out and pass the truck and bus.

If the signal was extended, it would be quickly visible to motorists in the rear, they contend.

It's a good point and one that should be considered by school officials in charge of the buses. Especially now during the winter months when traffic accidents are at their highest.

Needless to say, one accident that can be avoided — particularly involving children — is well worth the expense or trouble of installing another warning signal.

Speaking of winter, it started officially yesterday, the 21st. To be exact, it arrived on the shortest day of the year at 3:27 p.m. when the sun reached its most southerly position in its yearly journey around the earth.

And if you're shivering now, brace yourself for the worst. According to a Michigan State university geologist, the weather's due to turn colder.

He says average temperatures will drop over the next 50 years to what they were in the 1880s.

Weather, he says, runs in cycles lasting about 90 years. It seems the "warm" phase of the present cycle reached its maximum in the past 10 years.

On this note I'll end with a wish from all of us on the staff of the newspaper that your Christmas and New Year will be a most happy one.

Time for Change

CHANGES ON the political scene are nothing new in the year of an election and the following spring.

But Michigan may set some kind of a record for personnel shifts among party people, despite the fact that Democrats will be holding the executive office for the seventh straight term.

Gov. G. Mennen Williams is stepping down after 12 years as top man of state government.

His successor, present Lt. Gov. John B. Swainson, naturally wants to place some of the people most helpful and friendly toward him during his primary and general election campaigns in positions of responsibility.

He would also like to retain some of the people from Williams' staff who have the know-how needed. Indications are Swainson will have a measure of both types of people.

Apparently Gov. Williams will take several of his present key aides with him to Washington where he has a new job as an assistant secretary of state for Africa in the administration of President-Elect John F. Kennedy.

Julie Lawlor, personal secretary to the Governor; executive secretary Sidney H. Woolner; and John S. Abernathy, an administrative aide, have been asked to make the trip to the nation's Capitol.

Others may find a place in Washington in a Democratic year.

At any rate, Swainson will have to replace those who go by choice and those who must be expended to make room for those in favor.

While the personnel shift is most obvious in the top reaches of government, where the eyes of the press and the state are mostly focused, changes are bound to occur right down through the reaches of state government and even trickle down to the local level.

NO FANFARE or civic celebration marks the departure of Michigan men for military service these days.

The local Blue Star Mothers or some such group quietly sees the inductees and enlistees off at the bus. Sometimes there's a Gideon Bible or a sewing kit as a going-away present.

But they continue to go — some 451,795 of them since 1948.

A typical month sees roughly 800 men ordered by the State Selective Service through local draft boards

for physical examinations to determine eligibility for induction.

About half that total number, often less, sometimes more, are actually summoned for service each month.

Others, of course, volunteer. Some enlist in one of the branches of the service for varying periods, and others ask to be drafted.

Currently the age of the inductees is averaging about 22.

State Selective Service headquarters, located in Lansing, says approximately one million people have registered with local boards in the last 12 years.

Since less than half that number have actually been called to serve, chances for a deferment seems reasonably good.

SEWAGE TREATMENT plant operators must be licensed to serve in Michigan. Some 350 engineers have been so certified to date by the State Health Department.

Examinations are held periodically and may be taken in a series until a person becomes qualified to operate any or all of the four classes of sewage treatment plants currently in use in Michigan.

The classification system is based on size of the plant, type of treatment, and location.

Besides qualified personnel to run municipal sewage treatment facilities and the plants at such state-owned units as mental hospitals, prisons and the like, many industrial concerns have their own treatment plants.

The reason behind the state certification is simply this:

There is a danger of pollution to lakes and streams, contamination of widespread areas and epidemics of disease unless waste is properly handled.

More than 95 percent of the state's sewage treatment plants are now supervised by certified operators, and qualified personnel reportedly are being sought by the remainder.

Roger Babson

Don't Forget Will

Babson Park, Mass. — While Mrs. Babson and I were in Europe this fall, three of our intimate friends passed away. Two of these I knew had made no will, despite my urgings. One had promised he would do so "when he had time." He begrudged the expense and felt it really was not necessary. Let me discuss these three cases.

In the first case, the man left a wife and three children, and several brothers and sisters who have children. The wife assumed she would get all of her husband's estate and then will it to their children. But she did not. Since her husband left no will, she was given only one-third; the remaining two-thirds was divided equally among the children. Nothing was available for the deceased's brothers or sisters or cousins. This is as it should be.

The second man left no wife—but two children as well as brothers, sisters and cousins. All of his estate went to his children outright, in equal proportions, or to their heirs. None went to the brothers or sisters or other relatives. One child 23 years of age received the money outright; since the other was a minor, his share was entrusted to the guardian appointed by the Court.

The third man left a wife but no children; he did have brothers and sisters and cousins. His estate exceeded \$100,000. The wife will be given the \$25,000 which she would automatically receive from an estate valued at \$25,000 or over. In this case she also will get a second \$25,000. The remainder will go to the man's brothers and sisters or their heirs who are now springing up in all directions.

Originally when a man died all his property went to the oldest son. He was supposed to take care of his mother and to secure work for any other children. Then land owners sometimes died without leaving any children; anticipating this, the father left a written document outlining his wishes or "will" at his death. These wills were considered sacred by the Roman Courts, and their policy and purpose were adopted by the English Courts and carried to America.

I have recently been seeking copies of early records of the 40 families who settled Cape Ann (which now comprises Gloucester and Rockport, Mass.). The very earliest documents are the wills of these inhabitants arrived in Salem from London after 60 days in a small sailing vessel. She was a widow named Isabel and she came to Cape Ann in 1637. She was very enterprising and—as there were no doctors—served as a midwife. Also, since there were no lawyers, she helped the fathers

make wills. Although these were written on scraps of paper — perhaps on birch bark — they were held very sacred and history still records their contents.

To enable your life's savings to go where you would like, you should have your local lawyer make up your will. If it is simple, namely leaving all to your wife, he may not charge you more than twenty dollars. If it is more complicated, leaving property perhaps to your wife, in trust — allowing her the use of it and the income during her lifetime with provision for equal division among your children or their heirs — then your lawyer will charge more. He will charge according to the amount of his time you take.

Laws concerning the distribution of estates where there is no will are subject to change. The cases cited above are based upon the laws in effect in Massachusetts as of January 1, 1957. When the time comes for settling your estate, these laws may be quite different.

The best way to assure distribution of your property exactly as you wish is to have your will drawn now by your lawyer.

This also enables you to make some donations to your local church and hospital, which everyone should do. To provide for the carrying out of your wishes, your will should name an Executor in whose efficiency, stability and responsibility you have confidence.
