# Record Publisher Buys South Lyon Newspaper

The South Lyon Herald and Whitmore Lake News newspapers were purchased this week by William C. Sliger, publisher of The Northville Record and Novi News.

Beginning with next week's editions Sliger will take over publication of the neighboring community weekly newspapers from Mrs. Erna Freimund Ely.

## Stork Awaits Contest

The race is on again! It's the fifth annual Northville-Novi First Baby contest with a host of prizes awaiting the first new arrival of 1961.

The rules are simple — and there's absolutely nothing to buy! All you have to do to qualify is to be a resident of the area and have a Northville or Novi mailing address.

It's also necessary, of course, that your newly born baby is the first born in 1961 and that you report the birth to this newspaper not later than January 6. (See complete details on page 8.)

First Baby 1961 will break a "tie" between the sexes in the First Baby contests to date.

To date there have been two boy and two girl "First Babies".

Starting in 1937 the "first" First Baby was Ruth Ann Edgin, born on January 1, 1937 at 8:30 a.m. to Mr. and Mrs. Charles Edgin of Northville.

First Baby number two was Sherry Coykendall, born January 5, 1958 to Mr. and Mrs. Keith Coykendall of Novi.

Finally the boys began to win. On January 2, 1959 at 4:45 a.m. Timothy Michael McDonald, son of Mr. and Mrs. Charles McDonald of Northville, was the winner.

This year the earliest First Baby to arrive was Danny Rolph, son of Mr. and Mrs. George Rolph, who was born at 1:50 a.m. January 1 at Community General hospital.

Here's what First Baby and his (Continued on page 12)

The two newspapers, with a combined circulation of 3,100 are the official publications of South Lyon and Whitmore Lake. They are published in the Herald's commercial printing plant in South Lyon.

Sliger announced that operation of the Northville and South Lyon plants will be continued and that no changes will be made that would lessen the individuality of the community newspapers.

"It is my belief that the Oakland-Washtenaw-Livingston county area served by the Herald and News has many of the same problems that confront our communities," Sliger pointed out.

Acquisition of the Herald and News expands the area served by Sliger's newspapers to the residents of adjoining corners of four counties — Wayne-Oakland-Washtenaw and Livingston.

Combined paid circulation of the newspapers in the communities of Northville, Novi, Wixom, South Lyon and Whitmore Lake totals more than 7,000.

The Herald has a history of publication in South Lyon dating back to 1879. It has grown steadily with the community and averages 12 to 16 pages weekly.

It was purchased by the late Frank L. Freimund in May, 1956 from George H. Thurber. After Mr. Freimund's death in 1958 Mrs. Freimund continued active operation of the newspaper. This spring she took over publication of the Whitmore Lake News.

This summer Mrs. Freimund became the wife of Ivan Ely of Northville and now resides on Cady street in Northville. She has continued as editor and publisher and the newspaper and printing business has shown steady growth under her direction.

The Record and Novi News newspapers were purchased by Sliger from Glenn Cummings in August, 1956. The publications have increased in circulation by more than 1,000 subscribers during that period.

## Businessman G. T. Barry Dies Suddenly

A 60-year-old Northville businessman, Garrett T. Barry, died suddenly last Thursday one hour after he had been stricken by a heart attack.

Funeral services were held Saturday afternoon from the Dempsey B. Ebert Funeral home with the Rev. G. Donal Wilmoth officiating.

Mr. Barry had been well known as a real estate broker since 1945 with offices at 116 East Main street.

He became ill at noon on December 22 and died shortly after arriving at Community General hospital an hour later, where he had been taken from his home at 118 East Main street.

Mr. Barry had been a resident of Northville since 1921. For five years prior to World War II, he operated a Hudson automobile agency in Northville. Since the war he conducted his real estate business.

Just six months ago an associate of Barry's in the real estate business, Harry Duerson, died suddenly, also at the age of 60.

Mr. Barry is survived by his wife, Mrs. Nellie Freydi Barry, owner of Freydi Women's store in Northville, one daughter, Mrs. Richard Brunner of Portsmouth, Ohio; one sister, Mrs. Mary Van Kirk of Northville; and two grandchildren.

Dr. and Mrs. Brunner arrived in Northville from Ohio to spend the holidays in the afternoon shortly after Mr. Barry died.

Mr. Barry had been a member of the Northville board of review for the past five years.

He was born on September 11, 1900 in Driftwood, Pennsylvania the son of Thomas and Marybelle Wainwright Barry. He moved to Northville in 1921 and was married in November, 1922.

Pallbearers at the December 24 services were John Canterbury, A. Russell Clarke, Forrest Doren, Steve Folino, Charles McDonald and Charles Strautz. Interment was at Oakland Hills Memorial Gardens.

## 3 Injured In Accident

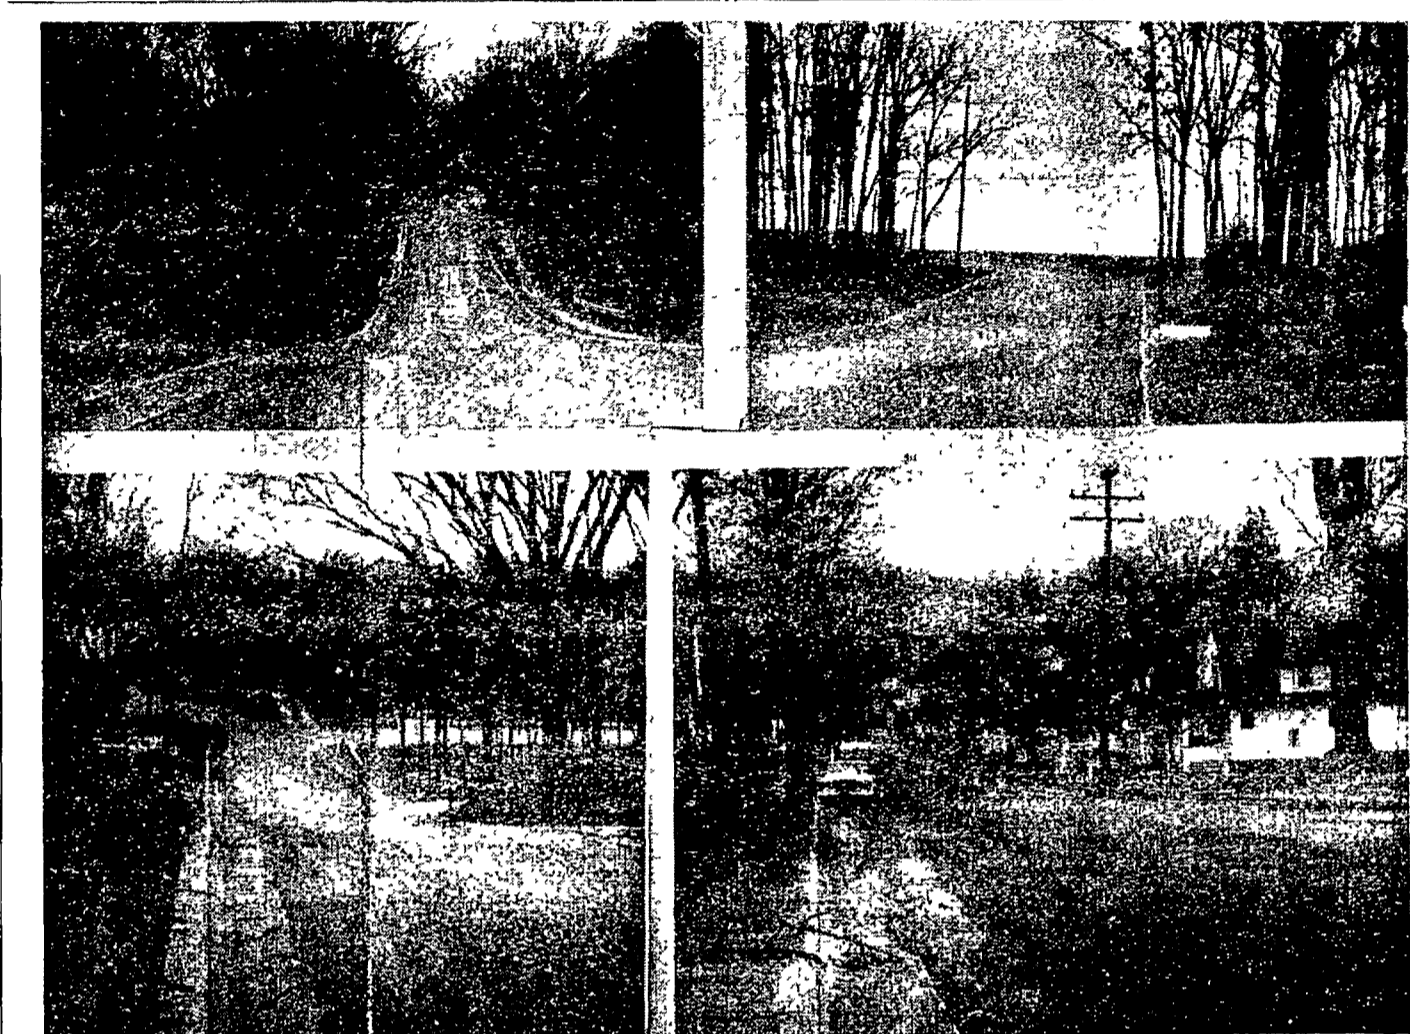

Three Northville residents suffered minor injuries last week Wednesday when the car in which they were riding was struck by another at the intersection of Eight Mile and Middlebelt.

Injured were Mr. and Mrs. Nick Defina, 311 Yerkes, and Mrs. Frank Bongiovanni, 302 Yerkes. All suffered bruises. Mr. Defina was treated at St. Mary hospital for rib injuries.

The three injured persons were riding in a car driven by Charles Konopaski, 310 Yerkes. Konopaski's car was in a funeral procession headed for the Holy Sepulchre cemetery for the burial services of Joe H. Holman, Northville, who died December 21.

In a local accident Christmas eve, Douglas Graham, 437 North Center, escaped injury when his car struck a tree at the corner of Beal and South Main. Graham pleaded guilty of reckless driving Tuesday and was fined \$25 and court costs.

# City, Township Petitions Lag As Election Deadline Nears

HAPPY IMPROVEMENT — One of the city's projects undertaken in 1960 — and just recently completed — that has brought happy approval from residents of the area was the installation of curbs, gutters and storm sewers shown above. The streets involved, all steeply graded, are High, East and Walnut. Drainage and mud have caused problems

on the streets for many years. The city plans to pave the streets, probably within the coming year. Included in the same \$25,000 project was one block of Orchard drive between Thayer and West Main street. For other projects and area headline news of 1960 see pages eight and nine.

## Paul Folino Files Petition For Council

With the deadline for filing petitions for city and township spring elections just four days off interest is falling rather than mounting.

One more candidate has taken petitions for the city council bringing to five the number seeking one of the two openings.

Paul Folino, 350 East Cady, an unsuccessful candidate for council in 1959, has again taken petitions for office.

Folino is 31 years old and formerly owned and operated Paul's Sweet Shop. He is a lifelong Northville resident, graduate of Northville high school, and has been active in the Optimist club and Northville Retail Merchants association.

In the township only incumbent Republican candidates have filed for office. Harold Schmidt, 20117 Woodhill, has filed petitions for township justice of the peace, a four-year term to fill a vacancy created by the death of the former justice, Paul Schulz.

In the city only incumbent Mayor A. M. Allen has filed for the two-year mayor's post.

Incumbent Councilman Ed Welch has filed again, but Councilman Earl Reed has announced his retirement from public office after the April election.

Others in the council race with Folino and Welch are Richard Amber, Mrs. Arthur Carlson and J. Bine Leavenworth.

In the 1959 council race eight candidates ran for the two council seats won by holdover Councilmen John Canterbury and Richard Juday. Mayor Allen also had competition with Aubrey L. French.

A full slate of Democrats also filed to challenge township Republicans in 1959, but none were elected.

Township office-holders who have already filed for re-election are: Supervisor George Clark, Clerk Marguerite Northup, Treasurer Roy Terrill, Trustee Alex Lawrence, Constable Chester Lipa and Ralph Gibson, board of review member.

For the first time the city will have a race for the justice of the peace office.

Charles McDonald, a young attorney with offices in Redford, has challenged Justice E. M. Bogart.

Justice Bogart had left some doubt as to his intentions to run when he opposed a city council to change for means of compensating the justice of the peace from the fee system to a salary basis.

The council approved a \$3,000 annual salary for the office, but Bogart filed anyway. He had been earning in excess of \$7,000 annually under the fee system.

Actually, Justice Bogart's term does not expire until July 4, 1961 but election for the office is held in April.

Although Monday is a holiday, it is also the last day for filing petitions for office.

The township offices will be open to accept petitions until the deadline hour of 4 p.m.

Those wishing to file city petitions may do so until 4 p.m. January 2 in the offices of the police department at the city hall.

In the city petitions must contain at least 50, but not more than 75 signatures, while in the township the requirement is a minimum of 20 but not more than 80 signatures.

# Plan Full Program of Events For January March of Dimes

Northville will join with communities throughout the nation in the annual March of Dimes campaign beginning here January 2 and continuing throughout the month.

As usual the drive will culminate with the traditional Mothers' March on January 31.

General chairman for this year's campaign will be Mrs. Wayne McBride, who also headed the 1960 drive.

She'll have plenty of help from Mrs. Eugene Reynolds, Mothers' March chairman; Mrs. Donald Ware, business solicitations; Mrs. Fred Russell, treasurer and responsible for distribution of canisters; and Fred Stefanski, who will head the school campaign.

In the past year the emphasis of the March of Dimes has been expanded to include a campaign of prevention against birth defects and arthritis, as well as polio.

It is pointed out that approximately 250,000 American children are born each year with significant

birth defects and that they cripple more children than any other cause besides accidents.

In addition a big task still faces the National Foundation in urging those who have failed to complete their Salk vaccinations to avoid the paralysis of polio.

"And thousands stricken in earlier years still need medical aid," Mrs. McBride is quick to point out.

A well-organized program for funds is on tap for Northville residents.

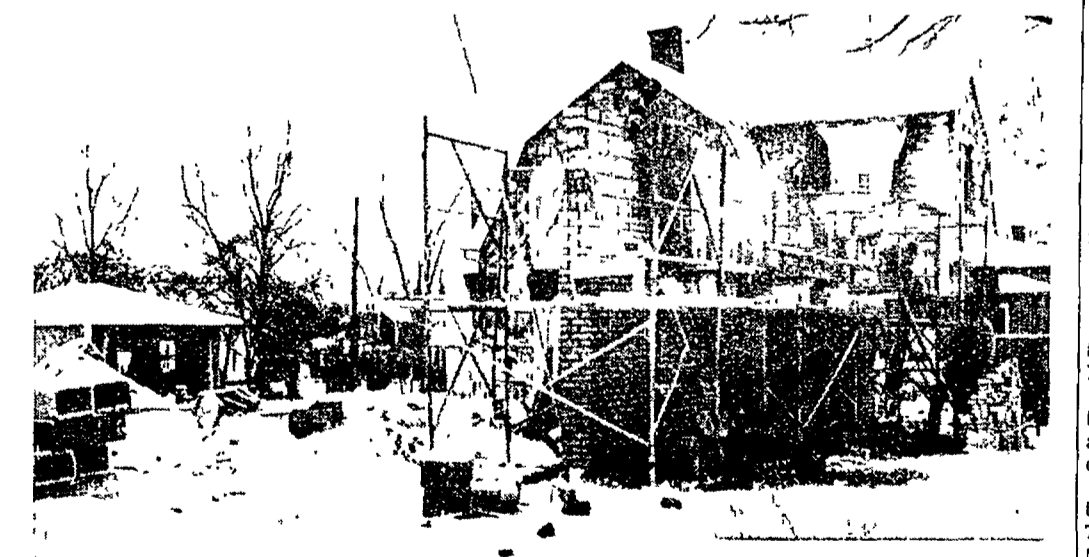

Canisters will soon spring up wherever shoppers are found. They will be placed in the schools, too.

Stefanski announced that the annual "Peanuts for Polio" sale will be conducted by students as usual. A student dance following the February 17 Bloomfield Hills basketball game here will also be held to raise March of Dimes funds.

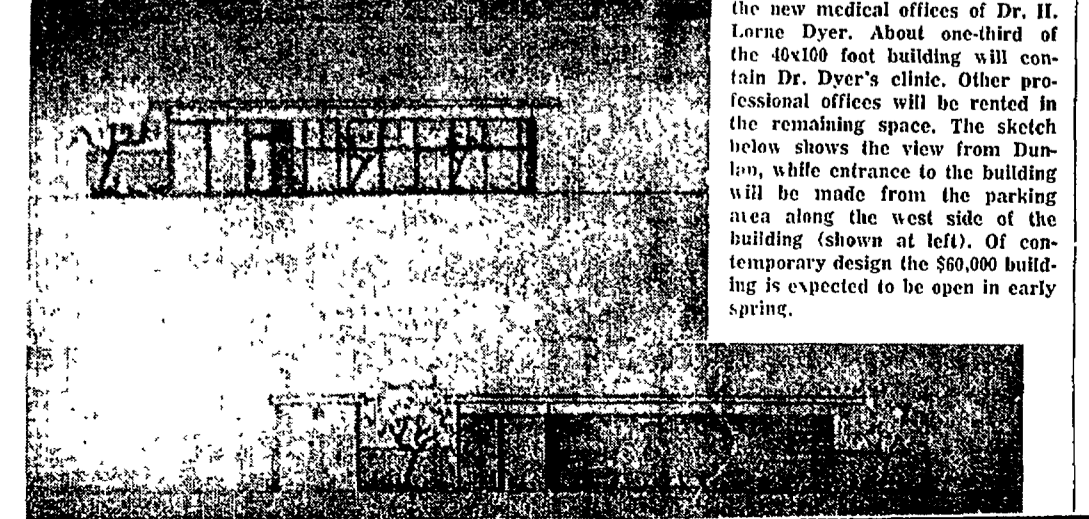

Mrs. Ware will introduce a "desert-fashion show" to be held during the evening the third week in Janu-

ary. Local merchants will sponsor the show and provide refreshments while the proceeds from ticket sales to the event will be turned over to the campaign. This event will take the place of a direct solicitation of funds from local merchants.

The entire drive will close with the door-to-door solicitation by Northville women under the direction of Mrs. Rynders. This collection is traditionally the biggest single source of income.

Work is underway on the East Dunlap street clinic and professional center, which will become the new medical offices of Dr. H. Lorne Dyer. About one-third of the 40x100 foot building will contain Dr. Dyer's clinic. Other professional offices will be rented in the remaining space. The sketch below shows the view from Dunlap, while entrance to the building will be made from the parking area along the west side of the building (shown at left). Of temporary design the \$60,000 building is expected to be open in early spring.

## They're First Named To Economic Group

The first appointments to the proposed economic development committee have been announced by Township Supervisor George Clark.

The township appointees are Alex Lawrence, a trustee of the township board, and Gunnar Stromberg.

Members of the township board approved the recommendation of a study committee that a permanent economic development group be formed to encourage the growth and secure industry and commercial business for the Northville school district area.

The city council likewise adopted the proposal which recommends formation of such a committee by joint action of the council, township and school board.

The committee will total 12 members. Six of the members must be appointed by a committee composed of the mayor, township supervisor and superintendent of schools.

All appointments are expected to be made in January enabling early formation of the committee.

# Don't Expect Boom in 1961

This year I have divided my forecasts into eight sections as indicated by the following eight headings. Instead of covering general business as a separate topic, I am sure that a reading of the following will give a clear idea of my thoughts on a general business.

### Building and Real Estate

Looking back over the years that I have been making these Annual Forecasts, it seems that building and real estate have been the last to profit from a boom, and the last to suffer from the following reaction. Readers all know from its World War II low point new building, especially of homes, gradually rose to an all-time high in 1959. Part of this growth has been due to increased population and higher incomes.

In addition to the natural growth to which new building was entitled, it was greatly encouraged by loans to veterans without any down payment, the acceptance of 20-year mortgage by banks in place of a maximum mortgage of five years, and by subsidies of various kinds. Like all stimulants, however, these have gradually become less effective. Hence, a decline in new building and new home construction is only natural to expect in 1961.

I do, however, forecast that a move for urban renewal will be urged and secured by the new President. This means pulling down the stumps of large cities and substituting brick apartment houses with playgrounds. When any new building is built, it increases the value of the adjoining land and increases real estate taxes.

Therefore, 1961 may see real estate prices hold their own and even rise in certain sections. Small farms near cities will continue to increase in price, and this will be true of most well-drained suburban property. Ev-

ery family is justified in mortgaging to buy a home in 1961, but I doubt if 1961 will be a good year to speculate in real estate. The boom is surely off in Florida, where the supply of new houses temporarily exceeds the demand.

### World Outlook

I cannot conscientiously close this Forecast for 1961 without calling readers' attention to the unsatisfactory situation that we find the world in today. I do not need to comment on Russia or China, as readers are well acquainted with conditions there. I, however, must add that Mr. Kennedy is agreeable to a Summit Conference as he is taking for a talk with Mr. Khrushchev; Kennedy has already stated that he is willing to not Formosa under the United Nations.

Readers should note the headway which the Communists are making in other parts of the world. Southeast Asia, for instance, is a very rich area. It is envied by both China and Russia. We may expect continued revolts in South Vietnam, Cambodia and Laos.

I am especially troubled about the way the Communists are working into Central and South America. I know South America very well. It has virtually no "middle class". There are a few rich, but millions of very poor.

The Communists are organizing great strikes in Latin America. As these strikes accomplish something for the wage workers, they give the Communists good ammunition for further progress. This situation has been intensified by the agents of Castro.

Another very sore spot is Africa, which I visited two years ago. South Africa will blow up of itself, without any help or hindrance from Russia. The Congo, however, which the United Nations is now trying to straighten out, is a serious problem; and the Congolese feel that (Continued on Page 11)

## Early Deadline

Be aware next week will again be abbreviated by a Monday holiday, it is necessary that all news and advertising copy be received as soon as possible.

Next week's edition of The Record will be published at its usual time, but anyone wishing to submit news or advertising is urged to do so Friday or Saturday (before 1 p.m.) if possible.

Copy for Wednesday afternoon publication will still be accepted Tuesday, however.

Dr. and Mrs. Stuart Campbell and family spent Christmas with the doctor's parents, Mr. and Mrs. Hugh Campbell of Detroit.

Mrs. E. B. Cavell of West street spent the Christmas week end at the home of the Sterling Eatons and the Richard Palmers of Plymouth. Dr. and Mrs. Ted Cavell of Tawas City were also guests at the Christmas dinner at the home of Mr. and Mrs. Sterling Eaton.

Mrs. Harry Duerson of West Main street flew to Maplewood, New Jersey to spend Christmas with her daughter and son-in-law, Mr. and Mrs. George Bulterman and son, George Coleman.

Mrs. Mary Alexander and Mr. and Mrs. Edward Angove were guests of Mr. and Mrs. Howard Bray and family at Boyne City for Christmas.

To honor Dr. Stuart Campbell on his birthday, his brother and Mr. and Mrs. Hugh Campbell of Detroit will be dinner guests at the Campbell home on Horton street, New Year's day.

On Christmas Eve Mr. and Mrs. Don Miller held open house at their home on First street. Twenty-seven relatives gathered to greet their son, Gerald, from Alaska, and his bride-to-be, Linda Stillwell of Framingham, Massachusetts.

Henry McNeilly, whose sister resided last year with the Ed Welch family as an exchange student from Ireland, was a Christmas day guest at the Welch home on Wing street. Henry is an engineering student in Toronto.

Also home for the holidays were Mr. and Mrs. Carroll Bennick, the Welches daughter and son-in-law from Grand Rapids, and their daughter, Mary, a junior at Hillsdale college.

Honoring the 17th wedding anniversary of Mr. and Mrs. James D. Mahoney of Northview road, Mr. and Mrs. Frank Pauli entertained five couples at their home on Gardner last Friday evening.

Mrs. Molly Lawrence of Fairbrook and Mrs. Gladys Busch spent Christmas with Mrs. Lawrence's daughter, Mr. and Mrs. Ted Baughm and family of Ann Arbor.

Mrs. Irvin Marburger entertained her monthly bridge club with a Christmas party at her home on Thayer boulevard last Wednesday. Guests included Mrs. Richard Ambler, Mrs. Alfred Parmenter, Mrs. Paul Terry, Mrs. James Mahoney, Mrs. Dayton Deal, Mrs. Edward Angove and Mrs. William Wagoner.

Mrs. C. Harold Bloom, 710 West Main, will host the Kings Daughters' mid-winter luncheon next Tuesday, January 3, at 12:30 p.m. Members are asked to bring a passing dish and table service.

Michael and James Zayti are in Palm Beach, Florida visiting their father, J. J. Zayti, who is spending the winter months there.

The Fred Van Atlas of Cady street spent Christmas in Lansing with their daughter and son-in-law, Mr. and Mrs. James D. Howick.

Some of the many area college students using the holiday break from classes for a few days at home are —

Gail Tremor, freshman in elementary education at Central Michigan; Bill Frost, industrial arts sophomore at Eastern Michigan university; Harold Adas, pre-medicine major at John Carroll university, Shaker Heights, Ohio; Rosemary Frost, freshman in liberal arts at Alma college.

Bill Juday, engineering school freshman at Vanderbilt university in Nashville, Tennessee; Carole Tabor, Western Michigan university freshman in business education; Curtis Kohs, first-year commerce student at Ferris institute;

Bob Pietras, freshman mathematics major at Michigan State university; Raymond Dahl, first-year pre-medicine student at Albion college; Mike Eastland, pre-law major at Kemper school, Boonville, Missouri.

# She's an Americanized Irish Lass!

NOTE: The following letter comes from Rosemary McNeilly in Belfast, Ireland, who was an exchange student last year residing with the Ed Welch of 222 South Wing street.

and I hope to be trained in three years. Looking back on my year I realize that I was completely spoiled by a very generous people. I had a very smooth-running year full of fun, excitement and interesting new experiences. Besides the knowledge which I gained at school I learned a lot from your way of life. I describe you to my friends as generous, fun-loving, hard working people with a high standard of living (I hope you agree) and I want to thank you most sincerely for giving me the most wonderful experience of my life.

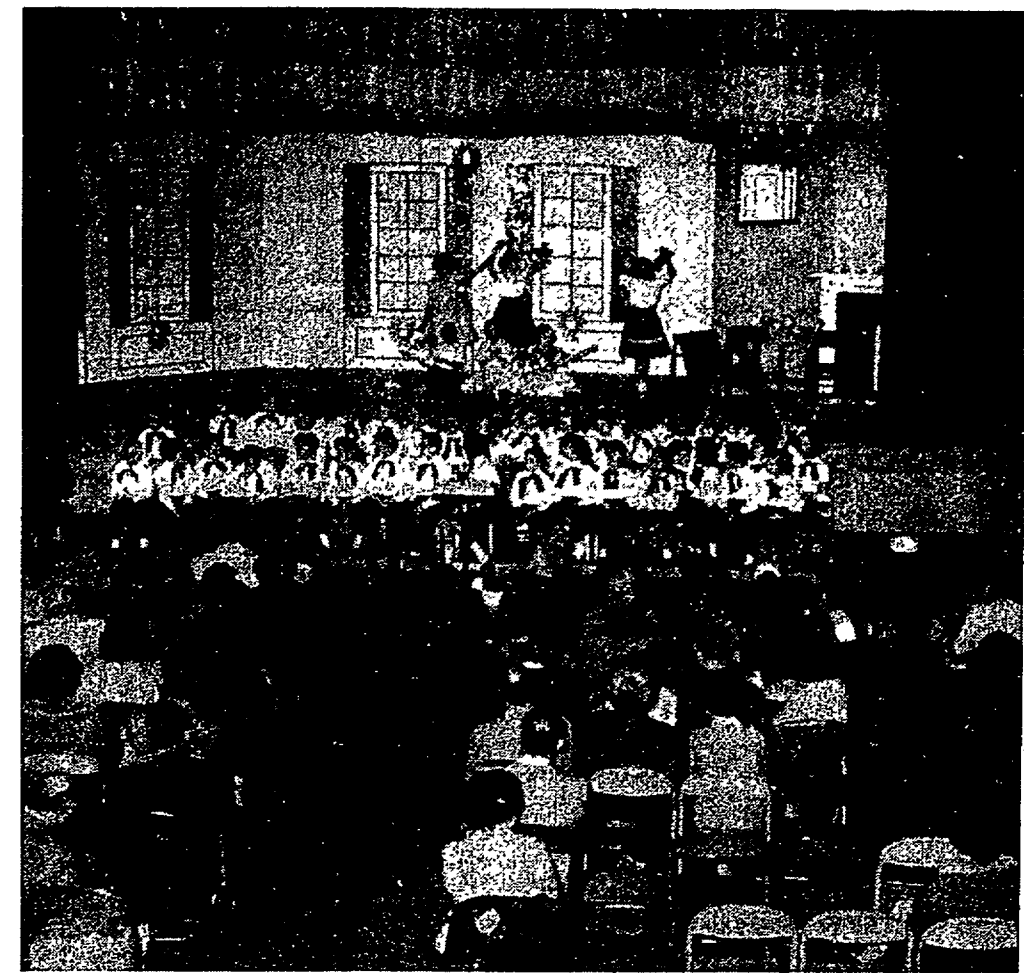

I often look at my slides, movies and scrapbooks of America and they always give me pleasure. This summer I enjoyed showing our American Exchange student around Ireland — if any of you ever decide to come to Ireland I will be just delighted to see you.

People here don't really think I am changed, but they called me American because I wear slacks, bobby socks, dirty tennis shoes and a sweat shirt with Michigan written across it, I drive a car — and I'm female! And I say "gee!"

I wish you all a very Merry Christmas and a happy 1961. Looking forward to seeing you all soon again.

Yours sincerely

THE "SPIRIT of Christmas" was captured by the Main street elementary students of Daisy Mae Middleton in a special performance given Wednesday evening, December 21 at the Northville community building. Taking part in the program were 107 pupils of Miss Middleton's music classes in grades two through six. A large audience of parents attended the production, which was directed by Miss Middleton. Above is shown a dance scene with the chorus in the foreground.

Dear People of Northville, I don't know how you think of me, but I think of all of you as my very dear neighbors and I don't honestly realize that we are almost four thousand miles apart. I am constantly re-living my years experiences with you, by telling them to my family and friends. I get weekly letters from Northville and other parts of Michigan as well as the Northville Record and Rotary News. I love receiving all of them. So despite the four thousand miles that separate us, we are still very close as far as I am concerned.

I miss Northville very much and am only cheered up by the thought that I am going back very soon — as soon as I can possibly gather together the money. Since I came home, I have done nothing but talk about America and I am surprised to find so many willing listeners — in fact I'm always answering questions about America.

In September I started my nurse training at the Royal Victoria Hospital, Belfast. I really love my work

Rosemary's picked up a host of American habits and can't wait to return!

## KITCHEN DIARY

### Start the New Year With These Treats

Looking for something special for those guests expected at your home during the New Year's week end?

If so, you might find one or both of the two favorite "entertainment dishes" of Mrs. Robert Regenhardt, 44428 Cottisford, a delicious treat.

Both recipes make delightful additions to your holiday table — and your growing list of favorites from the Kitchen Diary.

**CHICKEN - CRANBERRY LAYER SALAD**  
Mrs. Robert Regenhardt  
2 envelopes of Knox gelatin  
1 lb. whole cranberry sauce  
9-ounces of crushed pineapple  
½ cup of broken walnuts

4 tablespoons lemon juice  
1 cup mayonnaise  
2 cups diced cooked chicken  
½ cup diced celery  
2 tablespoons chopped parsley

**FIRST LAYER** — Soften one envelope gelatin in ¼ cup cold water. Dissolve over hot water. Add one pound of cranberry sauce, 9 ounces of crushed pineapple, ½ cup broken walnuts, 1 tablespoon lemon juice. Pour into 10x6x1½-inch dish and chill until firm.

**SECOND LAYER** — Soften one envelope in ¼ cup cold water, dissolve over hot water. Blend in one cup mayonnaise, ½ cup water, 3 tablespoons lemon juice, ¾ teaspoon salt. Add 2 cups diced cooked chicken, ½ cup diced celery, 2 tablespoons chopped parsley. Pour over first layer and chill until firm.  
Requires 2 chicken breasts, serves 6-8 people.

#### BEEF BURGUNDY

2½ lbs. beef (cut into good sized chunks)  
1/3 cup peanut oil  
½ cup sherry wine  
1 lge. can drained mushrooms  
¾ cup chile sauce  
1 teaspoon sugar  
1 medium minced onion  
Dredge beef chunks lightly in flour. Brown very slowly in peanut oil. After browned, season with salt, pepper, garlic salt, paprika. Slowly add ½ cup wine (dripped gradually over each piece of meat). Cover and simmer a few minutes. Add mushrooms (cut in half). In separate bowl combine ¾ cup chile sauce, 1 teaspoon sugar and minced onion. Add to meat, cover and simmer until done (about 2 hours). Serves 4.

The effectiveness of reliance on  
God's power will be illustrated in  
Christian Science services this Sun-  
day.

David's trust in God alone in his  
victory over Goliath is featured in  
one of the scriptural accounts to be  
read. The Lesson-Sermon entitled  
"God" includes this passage from  
I Samuel (17:45): "Then said David  
to the Philistine, 'Thou comest to me  
with a sword, and with a spear, and  
with a shield: but I come to thee  
in the name of the Lord of hosts, the  
God of the armies of Israel, whom  
thou hast defied.'"

This citation will be read from  
"Science and Health with Key to  
the Scriptures" by Mary Baker Edy-  
: "There is no power apart from  
God. Omnipotence has all-power,  
and to acknowledge any other pow-  
er is to dishonor God" (228:25-27).

The Golden Text is from Deuter-  
onomy (6:4). "Hear, O Israel: The  
Lord our God is one Lord."

### THE MYSTERY OF CHRIST

**ONLY MADE KNOWN BY REVELATION**  
No one has ever been able to explain the mys-  
tery of Christ. It is only by revelation that it is  
made known. You will never be able to see what is  
the fellowship of this mystery by reading about it  
in the Bible or by having different ones tell you  
about it. It must be revealed to you personally by  
the power of God's Holy Spirit. You must be  
strengthened yourself with might by His Spirit in  
the inner man; "that Christ may dwell in your  
hearts by faith: that ye being rooted and grounded  
in love, may be able to comprehend with all saints  
what is the breadth, and length, and depth and  
height; And to know the love of Christ which pass-  
eth knowledge, that ye might be filled with all the  
fulness of God."

God must, according to the eternal purpose  
which He purposed in Christ Jesus our Lord, grant  
unto you the power according to the riches of His  
glory to see what is the fellowship of the mystery  
which from the beginning of the world hath been  
hid in God.

Oh, it is a most wonderful thing to know the  
reality of Christ formed within—to know His love  
that passeth knowledge—to be filled with a burn-  
ing, glowing sense of the life and power of God.

Flesh and blood can never reveal it. Great,  
swelling words of man's wisdom are only as sound-  
ing brass and tinkling cymbal, God by His power  
must work in us. He must open the eyes of our  
understanding. A great light must shine in our  
hearts giving us the light of the knowledge of God

in the face of Jesus Christ.

To know Christ after the flesh does not do any  
more for you than does the knowledge of any other  
good man that lived among men. But to know Him  
after the Spirit lifts you into an entirely new realm  
of personal conscious realization. It is life! Eternal  
life!

It is light from heaven. It is a heavenly under-  
standing of soul. It is an inward illumination— an  
experience in personal conscious realization. It is  
Christ in you the hope of glory, appearing the sec-  
ond time without sin unto salvation.

Today God is making effort again. He is sending  
Christ to His people that name His name. Even as  
He was born in Bethlehem so He is born in Full  
Salvation Union— Born again to answer His prayer,  
"That they all may be one."

His truth, His inspiration is in you springing  
up in your soul with the understanding of Full  
Salvation Union. You know that you cannot have  
true union which results in fullness of joy without  
having full salvation from everything that would  
cause division, and you know that you cannot have  
full salvation without having union.

It is Christ in you— God's effort to bring life  
to me. It is not the voice of words. It is the in-  
spiration of the Almighty.

They crucified that inspiration 1900 years ago,  
and again and again it has been crucified since.  
What are you doing today as you hear His voice?

Are you welcoming this great Divine? This  
heavenly illumination! This wonderful salvation!  
Or are you crucifying Him upon the cross of your  
own religious ideas?

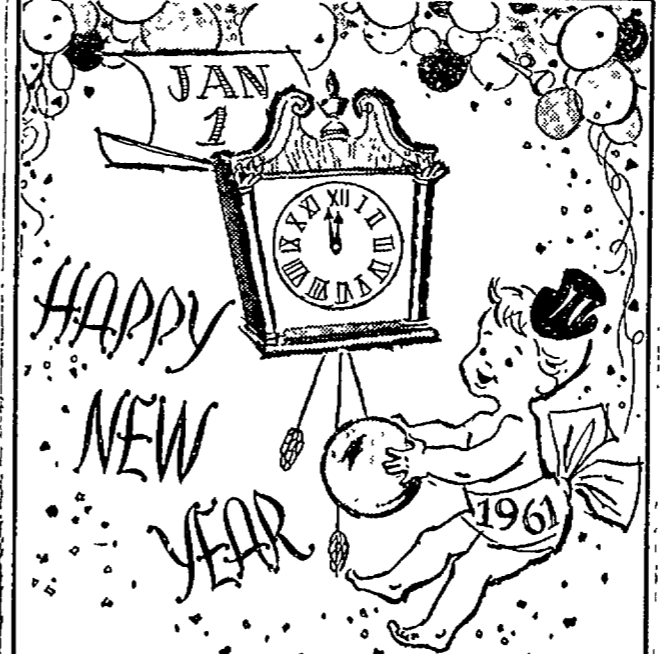

**CHRISTMAS MUSIC**— Youngsters of Willowbrook Community church presented two Christmas programs of music last week end, under the direction of Junior Choir Director Mrs. Marvin E. Rickert. Shown above tuning up for the concert are: (back row, l. to r.) Sandra Brandenburg, Thomas Huston, Lynne Bentley, Kathy Freytag, Martha Hanna, C. Richard Bentley, Gary Keating, Lynn McCormick and Leonard Beadle; (middle row) Laura Beadle, Gary Boyer, Cynthia Lutes, Glenda Diem, David McMillan, Duane Henry, (front row) Cathy Huston, Sharon Freytag, Margaret Hanna, Malinda Needham, David Brandenburg and Kim McCormick. Missing are: Robert Alexander, Deborah and Kenneth Counce, Lynn Daugherty, Thomas Gow, Michael Grant, Gerry and Frank Hazellon, Fred and Pamela Kehr, Bonnie and Deborah Patterson, Wendy Petroff, David Rippey and Nancy Schingbeck.

### New Year's Eve Services

The New Year's Eve service at  
St. Paul's Lutheran church will be  
held at 7:30 p.m. on Saturday. Holy  
Communion will be celebrated in  
this service. The topic of the ser-  
mon by the Rev. B. J. Pankow will  
be "Let Us Lay Aside Sin and  
Look Unto Jesus", which will be  
based on Hebrews 12:1-3.  
There will be two services on New  
Year's Day (Sunday), the early at  
8 a.m. with Holy Communion and  
the second at 10:30 a.m.

**New Year's Wishes**

# Alumni Clash With Coaches Here Tonight

Northville basketball fans will be treated to a floor full of fun tonight when the Northville athletic department presents two cage contests, one of which will feature a host of former high school stars.

The first game, a preliminary contest, will pit seventh and eighth graders from Northville junior high school against cagers of Our Lady of Victory. It will start at 7 p.m.

Both games will be played at the high school gymnasium.

Highlighting the evening will be a slam-bang contest between former Northville high school cagers and present and former Northville coaches.

Among the alumni who will be out to throttle their old coaches will be: Dave Biery, Joe Kritch, Bob Starnes, Roger Atchinson, Wade Deal, Fred Schwarze, Nels Schrader and Bill Yahne. Several others are expected to join the squad before game time.

Heading up the opposing squad, which is equally determined to walk away with a victory, will be Chuck Shonta, wrestling coach turned professional football half-back.

### Games Postponed

Adult basketball games, sponsored by the Northville Recreation department and normally scheduled for Thursday evening, have been postponed because of tonight's benefit game. The regular schedule will be resumed next week.

back; Ron Schipper, former Northville football coach and now of Jackson (high school not the prison); and Bob Viser, formerly of Northville and now of the Livonia school system.

Rounding out the coaches' squad will be the former Holland Globe Trotter, Dutch Van Ingen; Northville's sky-jumping athletic director, Al Jones; ace-dribbler Ron Horwath; and those red hot rebounders, Dave Longridge, Bob From, Al Callahan and Stan Galonka.

The main event will start about 8 p.m., depending on how fast the coaches can dress.

Admission for the stellar performance will be 75-cents for adults, 35-cents for children. All proceeds will go to the Northville athletic department for purchase of equipment.

**HOLD IT FELLAS** — Two Northville cagers battle for possession of a rebound while Clarenceville players, apparently too tired to jump, wait hopefully for a fumble. Reaching for the ball are Craig Bell (left) and Dave Hay. Other Mustangs are Jim Anderson (30), Tom Long (14) and Dennis LaRoque (52). The Trojan at the right is Bill Wheeler.

## Sports

### Trojan Tale: 1st to Last In One Year

Into every life some rain must fall. Last season Tony Giacobazzi was a stellar performer with the Clarenceville Trojans — a Wayne-Oakland league squad which swept to a co-championship with a record of seven victories and four defeats. He and his teammates crushed the Mustangs last February, 69-55.

And it was Giacobazzi — a six-foot-plus center, who exploded for 22 points to lead the Trojans' attack.

Last Thursday Giacobazzi, alone among a quintet of varsity newcomers — including the coach, invaded Northville carrying a satchel of three defeats. When the Trojans departed, the satchel was full by a 48-29 humiliating defeat, and Clarenceville was mired deeper in the W-O cellar.

And ironically, Tony Giacobazzi was left holding the bag as a result of his lowest mark in the Clarenceville scorebook — one point.

All was not sadness, however, because last year's cellar dwelling Mustangs, picked up their second win of the season.

Although Northville Coach Dutch Van Ingen was not overly pleased with his team's performance Thursday, he wasn't an unhappy man as his team dressed and prepared for a two-week holiday before traveling to Bloomfield Hills for the next contest on January 6.

Northville was out-front throughout the entire game, except for the first minute or two of the opening quarter.

By the end of the first quarter, Northville led, 10-6, and by the intermission the Mustangs were well out in front, 29-14.

Craig Bell, a guard-switched-to-forward, dropped in five field goals and one free shot in the second stanza to pace Northville's first-half attack.

Northville's offensive attack turned cold in the third quarter as the Mustangs managed to score only 7 points — but still enough to tie the Trojans' output. The Mustangs came back with 12 points in the fourth period while the Trojans scored 8 points.

Bell led Northville in scoring through all four quarters with 18 points. Ben Ridling was tops for Clarenceville with 10 points. The Mustangs fired 46 shots, hit 15 for a 32-percent record, and the Trojans shot 58 times, hit 7 for a 12 percent record.

### Brown Leads

With less than half of the 1960-61 varsity basketball season tucked away, Northville's Center Danny Brown is leading the Mustangs in scoring with 62 points.

Brown's average for the first five games is 12 points per game. Other leading Northville scorers are: Forward Steve Juday, 36 points; Forward Craig Bell and Guard Tom Schwarze, 32 points; and Forward Don Buseh, 17 points.

Scores of other players: Jerry Forbes, 13; Tom Long, 10; Tom Swiss, 9; Dave Hay, 8; Dave Filkins, 4; Dennis LaRoque, 2; and Dick Bathey, 1. Only Guard Jim Anderson has yet to hit the scoring column.

In analyzing these scores, however, the reader must take into account the number of quarters played by the cagers. In most cases the players with the least number of points have played the least number of quarters.

### Colts Wallop Clarenceville Here, 61-13

In what was certainly one of the most lopsided basketball scores ever recorded at Northville, the local junior varsity quintet swamped Clarenceville, 61-13, Thursday evening.

The Clarenceville squad was simply no match for the fighting Colts who controlled the boards both offensively and defensively.

By winning, the Northville quintet picked up its third victory of the season against two defeats. Previous games include victories over Milford and Clarkston and losses to Plymouth and Brighton.

In posting their latest, most impressive win of the season, every member of the Northville squad managed to score at least one point.

Northville Coach Stan Galonka substituted players frequently, but the Colts continued to dominate the game. In fact the lowest quarter score for the Colts was 11 points registered in the second quarter.

Blistering the hoop with 22 points in the opening stanza, Northville breezed to an impressive 33-7 half-time score. Clarenceville found the mark six times in the first quarter and only once in the second.

Northville added 14 points in each of the final two periods, while Clarenceville scored 4 points in the third and 2 points in the fourth.

Dikron Ornekian, a Novi cage product, took scoring honors for the Colts, flipping in four field goals and two charity shots. Center Roy Rice and Guard Don Biery shared the runner-up spot, each scoring 7 points.

Forward Bob Reed scored 6 points to account for nearly half of the Clarenceville total score.

### Novi Cage Teams Split Dublin Openers

"We just had no defense. No rebounding. In fact I don't think we got more than one rebound off either board."

That's how Novi Coach Gail Perkins explained the 11-22 defeat of his eighth-grade cagers to Dublin last week Tuesday.

The only bright spot of the afternoon, Perkins said, was the 37-7 victory of Novi seventh graders over the Dublin seventh graders.

Tom Darling, a Northville high school student and a resident of Novi, is assisting Perkins this season by coaching the seventh graders.

Novi will get a two-week break during the holidays before hosting St. William's here on January 12. The cage contest will get underway at 4 p.m. in the Novi community building.

## City of Wixom Ordinance No. 35-A

**AN ORDINANCE TO PROVIDE FOR THE CONTROL OF DOGS, THE VACCINATION THEREOF, THE DISPOSITION OF STRAY, DANGEROUS OR ANNOYING DOGS, TO PROVIDE FOR A DOG POUND, TO PROVIDE FOR PENALTIES FOR THE VIOLATION THEREOF.**

THE CITY OF WIXOM ORDAINS:

Section 1. It shall be unlawful for any person to own, possess or harbor any dog in the City of Wixom, Michigan, except as provided in this Ordinance, and any failure, neglect or refusal to comply with the provisions of this Ordinance or any act of omission or commission contrary to the terms hereof shall be deemed a violation punishable by the penalties hereinafter provided.

Section 2. No person owning, possessing or harboring any dog shall permit such dog to run at large at anytime, and the Chief of Police or any authorized representative of the Police Department may destroy any stray dog, any apparently vicious dog, any dog not held by leash, or accompanied by owner, found in any of the streets, alleys, commons, or other public or open spaces in the City; provided however, that reasonable effort, except in the case of an apparently vicious dog, shall first have been made to catch and impound such dog in the city pound.

Section 3. No person shall harbor or keep any dog, which, by loud and frequent or habitual barking, yelping, or howling, shall cause serious annoyance to the neighborhood or to people passing to and from upon the streets. No owner of, or person harboring or keeping a fierce or vicious dog or dogs that annoy people passing to and from upon public streets, or other public places by barking, chasing or biting them, or following them in a threatening manner, shall suffer the same to run at large at anytime within the city limits.

Running at large, as used in this ordinance shall be construed to include a dog not held by leash or accompanied by owners, on any street, alley, commons or any other public or open spaces in the City. Any person allowing any dog habitually to remain and be lodged or fed within his or her house, store, building, enclosure, or premises, shall be considered as harboring or keeping the same within the meaning of the Ordinance.

Section 4. Any person who shall have in his or her possession a dog which has contracted rabies or which has been exposed to the same or which is suspected of having rabies or which has bitten any person, shall, upon demand of the Police Department or of the Health Department surrender such dog to the said Police Department or Health Department to be held for observation and treatment as hereinafter provided.

It shall be the duty of every person owning or harboring a dog

which has been attacked or bitten by another dog or other animal showing the symptoms of rabies to immediately notify the Police Department or the Health Department that such person has such dog, or other such animal, in his possession. Whenever a dog is brought to the pound after having bitten a person, the Police Department may, if deemed necessary and advisable, after holding such a dog a sufficient length of time to meet the requirements of the Health Department for investigation, cause such dog to be destroyed as a vicious dog.

Section 5. Violation of any provision of this Ordinance shall be punishable by a fine of not more than one hundred dollars (\$100.00), or imprisonment for not to exceed ninety days, or both such fine and imprisonment, plus costs of prosecution.

Section 6. For the convenience of the public and economy in enforcement, Police Officers are hereby authorized to issue violation tickets to offenders hereunder, which may be settled by the payment to the City Treasurer of the sum of five dollars (\$5.00). The form of such tickets shall be approved by the Justice of the Peace or Municipal Judge and the Chief of Police. Should an offender be unwilling or fail to settle such ticket, a complaint shall be filed and the alleged violator shall be duly tried therein in the Municipal or Justice Court.

Section 7. This Ordinance is necessary for the public peace, health and safety and shall be liberally construed.

Section 8 This ordinance may be known, cited and amended as the "Dog Ordinance" Ordinance No. 35-A.

Section 9. If any portion of this ordinance or the application thereof to any person, or circumstances shall be found to be invalid by a Court, such invalidity shall not affect the remaining portions or applications of the Ordinance which can be given effect without the invalid portion or application, provided such remaining portions or applications are not determined by the Court to be inoperative and to this end Ordinances are declared to be severable.

Section 10. This Ordinance shall become effective twenty (20) days following the final passage by the City Council of the City of Wixom, Michigan.

Made, passed and adopted by the City Council of the City of Wixom on this 22nd day of December A.D., 1960.

Donald E. Brooks, Mayor  
Lillian Byrd, Clerk  
CERTIFICATION OF CLERK  
I, Lillian Byrd, Clerk of the City of Wixom, do hereby certify that the above Ordinance was approved and adopted by the City Council of the City of Wixom at the regular meeting thereof held on the 22nd day of December, A.D., 1960, and was ordered to be given publication in the manner prescribed by law.

Lillian Byrd, Clerk

## Willowbrook

By Mrs. George Ames  
Greenleaf 4-0830

The Terry Musselmanns of LeBost drive are happy to announce the birth of a son, Thomas Michael, on December 21 at Garden City Osteopathic hospital. His birth weight was seven pounds and nine ounces. Mr. and Mrs. Ivo Musselman of Novi and Mr. and Mrs. Calvin Williams of Northville are the grandparents. Mr. Musselman is on duty with the U.S. Navy in Cannes, France at present. He expects to be back in the United States in March.

## JANUARY

### IN NORTHVILLE —

An outbreak of Asian flu prompted local doctors to admit that the area-wide illness had become a "true" epidemic.

Representatives of the Northville Estates Civic association — seeking annexation of their Novi township subdivision into the city of Northville — received moral support from three members of the city council.

### IN NOVI —

The circuit court suit brought against the village of Novi as a result of a Nine Mile road rezoning amendment was dismissed by Circuit Court Judge William J. Beers.

Novi cannot expect to have good village planning without paying for it. That was the opinion of Lewis D. Crusoe, president of the Novi Citizens Development committee, who spoke to nearly 150 village residents at the first general meeting of the committee.

### IN WIXOM —

With the deadline for filing nominating petitions in Wixom

there were not enough candidates for mayor or justice of peace to warrant a primary election for these offices.

## FEBRUARY

### IN NORTHVILLE —

A 20-member committee met in an organization session to launch a study for the proposed new city hall.

Signatures on petitions requesting an election to annex Northville Estates were declared valid by Secretary of State officials, who inspected registration polls in Northville and the township and village of Novi. The election was set for March 28.

For the second consecutive year Northville was awarded first place in its population category in the National Cleanest Town Contest.

### IN NOVI —

A home in fashionable Connemara Hills was used as the storehouse for stolen Detroit office equipment, Novi police disclosed.

Novi Police Chief Lee BeGole, who started with the department seven years earlier under the township, submitted a letter of resignation.

### IN WIXOM —

Plans for the establishment of a volunteer Wixom fire department gained momentum with the announcement of appointment of the city's first fire chief — Robert Potter.

Despite fair weather and an increased number of registered electors, only 289 Wixom voters turned out in nominating eight council candidates for the April 4 election.

## MARCH

### IN NORTHVILLE —

Fifteen infants and toddlers were the first patients to move into the new Plymouth Home and Training school for the mentally retarded on Sheldon and Phoenix roads.

Faced with new state fire regulations that required 13 changes or installations, the board of directors of Atchison hospital voted to "temporarily suspend operations" of the 10-year-old institution.

### IN NOVI —

The village council decided to carry its fight against the annexation of its property to Northville to the supreme court.

In a surprisingly strong protest vote, three village councilmen

were turned out to pasture as three Novi Civic Improvement association members were swept into office. The three winners were: Miss Eugenie Choquet, Joseph Crupi (elected president), and Dean Lenheiser.

### IN WIXOM —

Grand Trunk railroad leased its depot to the city for a token fee of \$1 as a possible fire station structure.

Eleven of the 12 Wixom candidates for city office spoke briefly at a meeting of the Civic association.

## APRIL

### IN NORTHVILLE —

Dr. V. George Chabut, who had practiced medicine in Northville for 18 years, died suddenly at St. Joseph's Mercy hospital, Ann Arbor.

AN OLD NOVI bank building was repaired and decorated during the summer and became Novi's first public library.

Northville's football coach, Ron Schipper, accepted the head coaching position at Class A Jackson high school.

Preliminary tabulations of Northville's city population showed a gain of 17 percent (3,865) over the 1950 census count of 3,297.

### IN NOVI —

Novi's building official, Harold Ackley, 54, was elected to the Walled Lake council.

Police Chief Lee BeGole will give up his Cheboygan post and return to Novi, the village council learned.

Raging grass fires, whipped out of control by high winds, swept over wide areas of Novi, destroying or damaging an estimated 100 pine, fruit and shade trees.

### IN WIXOM —

Donald Brooks was elected mayor of the city, replacing Joseph Stadnik who did not seek re-election. Councilmen elected were: Gunnar Mettala, Fred Beamish, Oscar Simmons and Howard Coe.

## MAY

### IN NORTHVILLE —

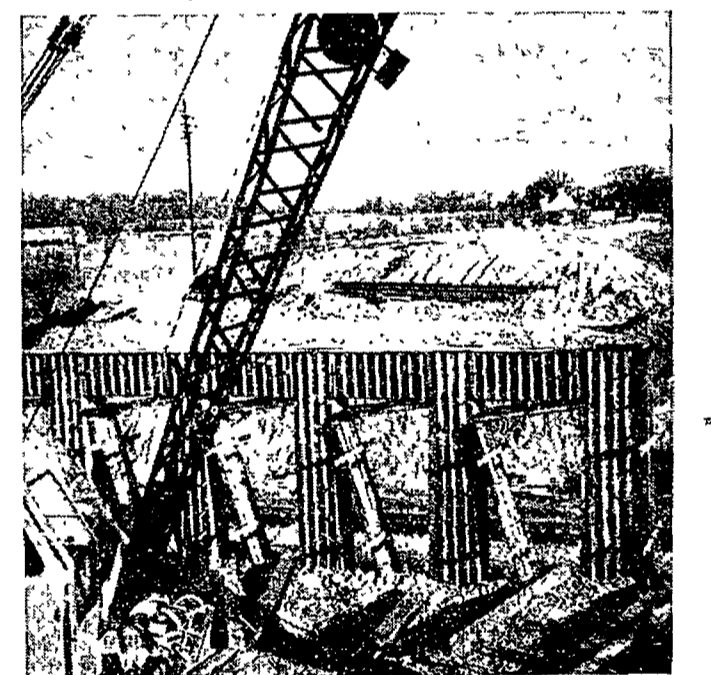

The board of education approved its proposed operating budget for the 1960-61 school year. The budget totals \$833,291, an increase of \$93,865 over the previous year.

Northville township recorded an 80 percent population increase during the past 10 years, census officials announced the new township population: 7,548.

The field of candidates for the Northville board of education "narrowed down" to 13 at the deadline for filing petitions.

### IN NOVI —

A Novi budget study session marked by bitter criticism from Councilman Philip Anderson concluded with a declaration by the

THE LONG AWAITED Eight Mile road cutoff was finally completed, along with this bridge over the C&O railroad tracks.

councilman that his resignation was forthcoming.

The final Novi township division of assets payments to Northville and Wixom were made last week.

### IN WIXOM —

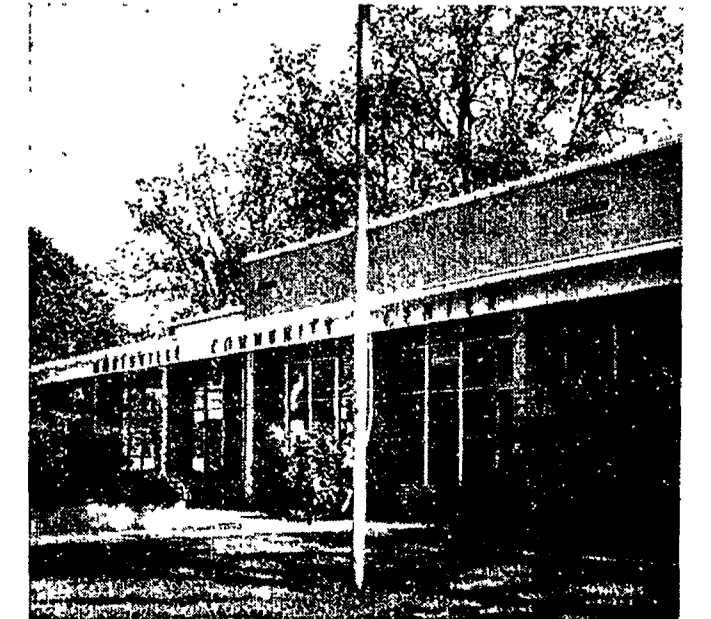

Wixom councilmen learned that their city was equalized to a valuation of \$18,394,134 from \$11,237,155 assessed. This made Wixom's county equalization factor 1.64.

## JUNE

### IN NORTHVILLE —

A 32-year-old father of three children, who once played halfback for the Detroit Lions' professional football team, was appointed varsity coach at Northville high school.

Northville school district voters, by more than a 2-1 majority, supported the recommendation of the board of education and city council and approved purchase of the community building for \$145,000. Elected to the board of education were: Incumbent Dr. Waldo T. Johnson and James F. Kiper for four year terms and Edward

NORTHVILLE VOTERS approved the sale of the city-owned community building to the Northville school system.

Ann Arbor by-pass is typical of Michigan's modern freeways

## Again Michigan leads the Nation! 500 miles of freeways now open to traffic in Michigan!

A record-breaking 500 miles of modern freeways—easier driving and four times as safe as conventional highways—are now in use by millions of Michigan motorists and thousands of vacation travelers. One highway alone—Interstate 94—runs 203 continuous miles from downtown Detroit to St. Joseph. It's the longest stretch of toll-free, limited access highway in the United States!

Today, Michigan holds 1st place in Interstate System construction—up from 35th place just 3 years ago. Since 1957, Michigan's freeway mileage has increased 5 times! You can thank your capable state highway engineers, backed by efficient contractors and crews.

You can be glad, too, that more than 99% of these beau-

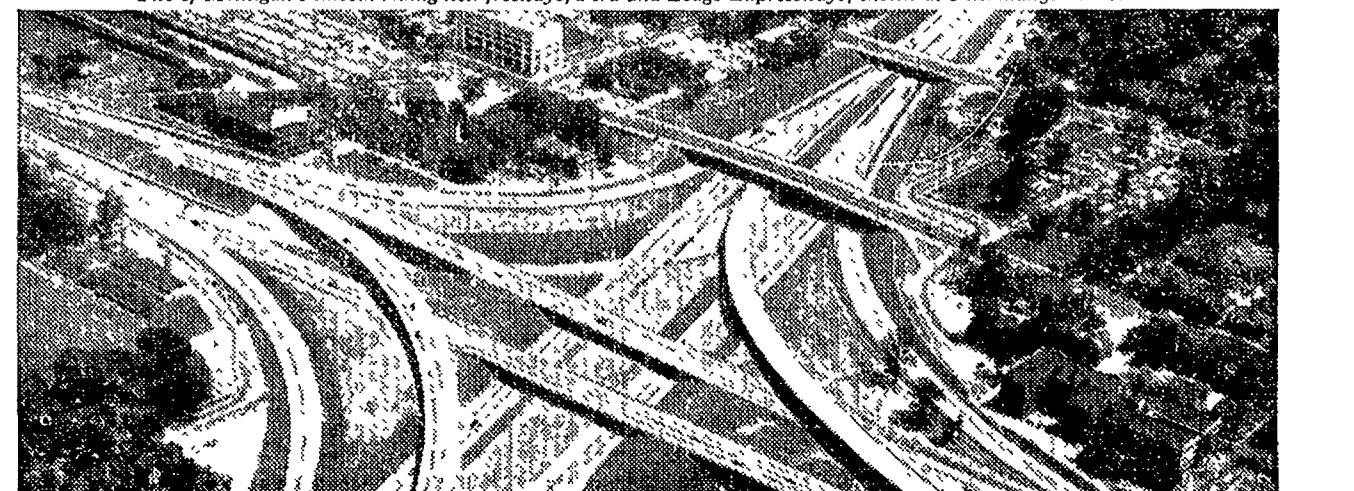

tiful new freeways are paved with concrete. Its lower cost and proven performance save tax money. Concrete highways and streets outlast asphalt almost 2 to 1 and cost up to 60% less to maintain. Add greater safety. Concrete gives more skid resistance, wet or dry, and better nighttime visibility.

In front-running Michigan and other progressive states, highway engineers choose concrete to save money and provide motorists with the safest, smoothest-riding, longest-lasting highways.

# OUR CREED...

The word "Customer" has always had a pleasant connotation, but I am afraid that during the past some people have rather lost sight of its full significance. So by way of reminder, I give you a few brief answers to the question . . . "WHAT IS A CUSTOMER?"

A Customer is the most important person in this store — in person or by telephone.

A Customer is not dependent on us — we are dependent on him.

A Customer is not an interruption of our work — he is the purpose of it. We are not doing him a favor by serving him — he is doing us a favor by giving us the opportunity to do so.

A Customer is not an outsider to our business — he is a part of it.

A Customer is not a cold statistic — he is a flesh and blood human being with feelings and emotions like your own, and with biases and prejudices.

A Customer is not someone to argue or match wits with. Nobody ever won an argument with a customer.

A Customer is a person who brings us his wants. It is our job to handle them profitably to him and to ourselves.

**Regular Meeting**  
December 12, 1960  
I. The meeting was called to order by President Robert H. Shafer at 7:40 p.m. Present: President Shafer, Messrs. Crump, Johnson, Lawrence, Kipfer, Angove and Becker.  
Absent: None.  
Others Present: Mr. James Littell, school attorney; Supt. Amerman; Asst. Supt. MacLeod; Principals Ellison, Smith and Kay; various interested members of the teaching staff and townspeople.  
II. The minutes of the last regular meeting and one special meeting were read by the secretary. Mr. Littell mentioned a correction, the substitution of the name "Kenower-McArthur" for the name "Halsey-Stuart" in the minutes of the meeting of November 14th. The words "and Washenaw" were also added to Paragraph 2 of New Business, referring to an annexation matter which concerns Wayne, Oakland "and Washenaw" Counties.

In the minutes of the meeting of November 28th a correction of a typographical error was made in Paragraph 3, the price of the tractor having been given as \$2,423.00. Correct figure is \$3,423.00.

In Paragraph 8 Mr. Crump's name was erroneously given as announcing a meeting of the Novi Planning Board. It was Mr. Shafer who made the announcement.

The minutes of both meetings were approved with the corrections noted, III. Communications:

1. Owens-Illinois Glass Co., advising that Toplite Panels at the Amerman School have now been adjusted and faults corrected.

2. General Motors Corporation, expressing appreciation for Dr. MacLeod's contribution to the educators' conference sponsored by the Corporation.

3. John Robertson, City Manager, advising that the City will again handle snow removal for us.

IV. Report of the Superintendent:

1. Teacher Certification Code: Dr. MacLeod explained to the Board and to the faculty members present, some of the provisions of the new code for certification of teachers in Michigan.

2. GMC Educational Conference: Dr. MacLeod gave the Board a report on his attendance at this conference, which gave the educators invited an opportunity to observe the educational program at General Motors Institute and the Technical Center. Dr. MacLeod had found the conference extremely interesting and informative.

3. Secondary Principals Conference: Mr. Ellison reported to the Board on his attendance at the conference of Secondary Principals at Grand Rapids. He reported great concern on the part of the principals

regarding some requirements of the new certification code. He also reported considerable interest on the part of the junior high schools in accreditation for their schools with the North Central Association of Secondary Schools and Colleges.

4. Band Uniforms: Mr. Ellison reported for the committee for collection of funds and selection of uniforms. Enough money has been collected to purchase 100 uniforms and bids have gone out today (the 12th) to 14 prospective bidders, three of them local. These bids will be received and opened January 9th.

The thought was expressed that this parents' committee might become a permanent stand-by or booster committee for the band.

V. Report of the Secretary:  
Secretary Lawrence reported the following monies received during November:

Delinquent Taxes — Novi Township, \$955.02; Lyon Township, \$201.71; Northville Township, \$2,692.90. N.D.E.A. Reimbursement — \$705.51. School Lunch reimbursement — \$1,051.22.

VI. Report of the Treasurer:  
The Treasurer reported the following balances in the various accounts as of November 30, 1960:

General Fund \$174,567.77  
1949 Debt Retirement Fund \$2,416.22  
1954 Debt Retirement Fund \$1,002.74  
1957 Debt Retirement Fund, Series A \$13,264.65  
1957 Debt Retirement Fund, Series B \$39,143.54  
1957 Debt Retirement Fund,

Series C \$14,559.58  
1957 Building and Site Fund \$17,504.78  
Cafeteria Account \$4,287.57

It was moved by Mr. Angove and supported by Mr. Lawrence that the report of the Treasurer be accepted as given. Motion carried.

VII. Report of Auditing Committee:  
The Auditing Committee reported bills and payrolls approved for payment as follows: General Fund Bills, \$10,532.66; Payrolls, \$58,119.81; Building and Site Bills, \$2,026.99; Cafeteria Bills, \$5,072.64. It was moved by Dr. Johnson and supported by Mr. Lawrence that the bills and payrolls be paid. Motion carried.

VIII. Unfinished Business:

1. Vacation of West St.: The Secretary read aloud a letter from the school board to the City, assuring the City officials that it is not in the present plans of the school board to close off pedestrian traffic between Cady and Main Streets.

2. Snow Removal: Moved by Lawrence, supported by Mr. Crump, that we contract with the City for snow removal at the High School on the same basis as last year. Motion carried.

IX. New Business:

1. Salary Study Committee: Mr. Yahne, Chairman of the Salary Study Committee, presented the report of the Committee to the Board of Education. Mr. Kipfer moved that the report be accepted and the salary committee be thanked by individual letter for its efforts. Mr. Angove supported the motion, which was carried unanimously.

2. Architect: Superintendent was requested to try to set up a special meeting for sometime in January, with Eberle M. Smith, Associates, to finally conclude the school's business with them.

3. Christmas Vacation: Mr. Angove moved that school be dismissed for the Christmas vacation at 3:30 p.m. Thursday, December 22nd, instead of on Friday, the 23rd as originally scheduled. Mr. Kipfer supported the motion, which was carried.

4. It was decided to hold no second meeting of the board during December unless some need arises.

X. Adjournment:  
It was moved by Mr. Lawrence and supported by Mr. Kipfer, that the meeting be adjourned at 10:45 p.m.

Donald B. Lawrence  
Secretary

## THE NIGHT AFTER CHRISTMAS

'Tis the Night After Christmas and all through the house not a creature is stirring — not even a mouse. The housework is finished — all's shining and neat — our household appliances just can't be beat! The stockings still hang by the chimney with pride; St. Nicholas came and slipped gifts inside. (Our chimney is used mainly for show — the heat's Automatic you'd certainly know). The children are nestled all snug in their beds, dreaming of Santa — their dolls and their sleds. While Mom in her kerchief and I in my cap are just settling down for a long winter's nap. As I leave the light burning by the stairs in the hall, I think of our servants who don't sleep at all. Automatic appliances that help to perform such duties as keeping the family warm. It's a cinch that they're needed by all the folks here — not only at Christmas but all through the year! Now, our joys all around us, good will burning bright — we say Merry Christmas — and to all a Good Night!

(Continued)

their condition would be improved by Russia's help. The great African question, however, will be concerned with the new countries which have been given their independence from the colonial system they have been under for 150 years. Here, Russia, Belgium and France are playing a waiting game to see if the new nations can make good by themselves.

I cannot imagine the Russians now going to war over Berlin. I am more disturbed about the gains in the Communist vote in European countries. For instance, the Communists in Italy received only 19 percent of the vote in 1946, but 28 percent in 1950. Even in France, the Communist vote is again increasing. The money rebels stamped out for good, while the farmers and small businessmen want DeGaulle to give Algeria its freedom. When I was in France a few weeks ago, it was generally conceded that if DeGaulle should suddenly drop dead, chaos might reign.

I dislike to end this forecast with these pessimistic comments; but even if our country is going along on an even keel, some occurrence in some other part of the world could upset all our plans. HENCE, BE SURE YOU HAVE MADE A WILL!

My favorite municipalities are those of the capital cities in the interior of the country; in fact any growing interior city should be a high-grade investment. These bonds must pay their interest irrespective of business conditions. The capital cities are especially helped by having the payroll of the state governments.

**Living Costs and Inflation**  
Living costs may rise somewhat during 1961 due to the increase in population and the desire for more comforts and convenience. A person like myself, who has had children and grandchildren, knows how each succeeding generation considers as necessities what the parents considered luxuries. This, together with the higher cost of labor, is the primary reason for today's record-high (127.3) cost of living.

As there is only so much land available, rents will increase slowly. There, however, need not be a higher cost for food. The farmers are constantly raising the greater crops which are being processed in more economical ways. The only reason for the cost of food to increase is the dependence of so many housewives on package "mixes". Ultimately all vegetables will be wholly or partly cooked and purchasable in containers.

Wages will hold up although there will be more unemployment in 1961. This means that take-home pay will be less for most families.

Inflation is not to be feared during 1961. With his small popular vote plurality, Mr. Kennedy will be very slow to do anything to hurt the purchasing power of the dollar. Barring World War III, I believe that the dollar will be just as sound a year from now as it is today. Our U.S. dollar is looked upon by the world as a standard.

**Farm Income and Prices**  
Good crops and moderate prices indicate a fair year in 1961 for farmers. I, therefore, look for a reasonably heavy volume of the things farmers buy during 1961, including equipment for getting on with less help. The farmers cannot expect any boom, but profits, on average, should be at satisfactory levels. My forecast, in detail, is:

Larger volume of marketings should more than offset any reduction in farm prices. Therefore, 1961 cash receipts for farmers should be slightly higher than 1960's \$11,300,000,000 net. I furthermore learn that the intelligent farmer is reducing his indebtedness, which is always an optimistic sign.

As I dictate this forecast, I am told that growing conditions are favorable in most sections, with sufficient moisture in the ground and other seasonal optimistic factors. The prices which farmers will receive in 1961 for crops will, of course, depend upon weather; but, each year, agricultural science is helping the farmers to avoid early frost losses and to secure needed moisture.

**Employment, Wages and Taxes**  
Strike activity may well be at a postwar minimum during 1961, with any dislocations limited to independent separate companies. First important industrywide negotiations will come in the auto industry, but not until September 1961. Railroad

workers cannot strike until November 1, 1961 at the earliest. Most steel contracts hold until June 30, 1962.

The average employment in 1960 was about 67,000,000 workers. I forecast that 1961 will average a million fewer wage workers. Countrywide, unemployment reached as high as 4 1/2 million in 1960, and for 1961 may hit 5 1/2 million. The basic difficulty is that while industry is cutting back, the labor force is becoming larger. This means that it will be more difficult for those getting through schools and colleges to get positions in 1961 unless they are well trained in business mechanics or electronics.

Certainly, the demand for executives will be less in 1961 than it has been for some years. Those executives who now have positions should strive to do better work, not ask for increases, and do everything possible to hold on to their jobs.

Labor leaders hope to have a key to the White House with Mr. Kennedy as President. This may apply to the settling of strikes and contract disputes.

The AFL-CIO will influence more votes in Congress during 1961-62 than in 1959-60. The conservative Southern Democrats, however, will unite with Republicans to block radical labor legislation.

Congress certainly will not outlaw the "right-to-work" legislation which has been passed in certain conservative states, nor will labor get a revision of the Taft-Hartley Act. Congress will not compel industry to collect dues from union members, but may temper the recent court decisions ruling against excess union spending.

All the above means that labor will be able to hold its own during 1961 and secure some small increases in wages, pensions, and improved working conditions; but this may not be what labor expected to get from the election of President Kennedy.

The Federal Government will not increase income taxes during 1961; but may close some loopholes and increase excise taxes. Politics and the New President

I do not expect any big changes under President Kennedy. If he had won by a landslide I would be quite worried, but with a narrow plurality in the electoral college and only a small fraction of 1 percent over Nixon in the total popular vote, I think that our new President will be very much on his good behavior.

Certainly he will not have much influence with either the Republicans or the Conservative Democrats of the South. He may make radical recommendations in his inaugural address to "save face", but most of these will not become legislation.

He will recommend certain new welfare legislation, which will include medical care for the aged, an increase in Social Security, a new minimum wage, increased public housing, help for the distressed areas, and more aid for education. Higher prices of commodities at the retail level are more or less certain, but wholesale prices will probably decline in most instances. Prices will not rise because of inflation during 1961. The first of the price advances will be absorbed by the manufacturer. Owing to the increased competition in all lines, wise manufacturers and retailers will keep their selling prices down.

This means that their profits will be less if they are unable to reduce their own costs. All of this means that general business may show less increase in activity and profits in 1961 than in the previous year.

Now, in relation to gold: Three-fifths of the Free World's gold comes from African mines; one-fifth from Canada; and the balance from the U.S. and elsewhere. There are many rumors that the U.S. will "revalue", creating a higher price for gold. This will not happen during 1961; and I think that the price of many gold stocks will decline during 1961.

The very discussion in Congress of possible devaluation would cause us to lose more gold. Everything will probably be done to avoid such a discussion and I believe President Kennedy will publicly state that he is opposed to it.

Temporarily, dollar devaluation might be a shot in the arm for American business, but it will not cure the cancer or whatever else is causing the pain. Not only would foreign banks withdraw gold before

such legislation was passed; but if such legislation should pass in the U.S., it would be followed by similar legislation in England, France, Switzerland, Germany, and other important countries.

I advise investors now to forget this question of gold devaluation and not speculate in gold stocks at this time.

Leading gold stocks are now selling 25 percent or more above their price of a year ago. Another thing that investors should remember when buying Canadian gold stocks is that a number of Canadian gold mining companies are now receiving a subsidy from the Canadian government to keep them from be-

ing shut down by high labor costs. This subsidy would come off as the price of gold rises.

**Stocks and Bonds**  
It is unpopular for me to take a bearish position in my Annual Forecast. Most of the newspapers and my readers like optimistic forecasts. In all the years I have been making these forecasts, last December was the first time that I refused to take a definite position. At that time the Dow-Jones Industrial Average was 670 and today it is fluctuating around 600.

Corporation earnings reports now coming out are not good. In many cases the gross is kept up or perhaps increased, but the net is off.

Many companies will show a decline for 1960 compared with 1959. Prosperity has continued so long that most manufacturers, retailers, and consumers are assuming it will last at least another year. I cannot honestly agree with this.

Therefore, what 1961 will see lower Dow-Jones Industrial Average. I hope that many readers who are showing their loans and "trim their sails".

In many cases good bonds now yield more than good stocks. This is unfavorable to the stock market and favorable to the bond market. Therefore, I believe that bonds will

continue around their present levels in 1961. Many readers will be wise in shifting now from certain stocks to bonds. There will be reductions in stock dividends; hence it would be much better to hold bonds with fixed-interest payments rather than risk a reduction in the dividend payments of stocks.

I especially call readers' attention to "tax-exempt general obligation municipal bonds". These are the fixed-interest municipals of cities with a direct lien on all the taxable property in the city. I would advise against holding bonds of such large cities as might be vulnerable to bombing in case of World War III.

**DRAFTING WINNER** — Douglas Tyler, son of Mr. and Mrs. Wilson Tyler, 1972 Meadowbrook road, has been awarded a first prize in the 1960 Detroit metropolitan contest sponsored by the American Society of Body Engineers. Tyler, a senior at Northville high school, won the award for his drawing of a cam-tailgate hinge torsion bar. Arnold Anderson, drafting and shop teacher at Northville, is shown above presenting the certificate of award to Tyler.

**READERS SPEAK:**

**Shows Appreciation**

How does one truly express what is in his heart when there are so many wonderful people to thank for help and support they so freely gave?

This help enabled the Novi Goodfellows to make their slogan, "No Child Without a Christmas", a reality for many little boys and girls.

If only all the people who worked so hard were able to have seen the joy in the eyes of the children when the baskets and packages were delivered! It would have filled their own hearts with joy. This alone

would have repaid them over and over again for any time and energy they might have given.

To thank each individual for the part that he or she played in our success would be almost impossible because of the large number of people who do some or helped us financially.

From the Scouts who have made all our posters for various projects; to the men and women who stood out in zero weather selling papers; from the women who investigated all the calls for aid to the ones who did the shopping for clothing and toys and delivered the baskets; and from the six little girls who did the caroling to all the organizations and individuals who gave assistance in one way or another.

I would like to take this opportunity to personally thank each and everyone of you who have made it possible for us to reach and go slightly over our goal which was set earlier this year.

God Bless All of You,  
Charles Wallace  
Novi Goodfellow President

**Rotarians To Breakfast Together**

An annual tradition will be observed again this year by Northville Rotarians when they sit down together for the first meal of the new year.

Actually, it will be one day late this year — Monday, January 2.

As in years past, Rotarians and their wives will meet at the home of Dr. and Mrs. Walter Belasco on West Main street for New Year's day breakfast. Some years nearly 100 have been guests of the Belascos for the event.

Breakfast will be served from 8 a.m. until 11 a.m.  
There will be no regular meeting of the club next week.

**Maybury Staff Says Thanks**

To Our Many Maybury Friends:  
We of the Maybury Sanatorium staff take this opportunity to express our deep gratitude to the many friends who through the Letters to Santa program, the Northville Exchange Club and other organizations, and as individuals and groups contributed so generously of time, talent and goods toward making Christmas 1960 the best ever.

May you all have a warm feeling of satisfaction for having helped us bring Christmas to the patients in this institution.

Sincerely,  
W. W. Howard, M.D.

**Girl Scout Leader Wins Area Salute**

A Novi girl scout leader was selected from among 300 registered adults in the Farmington-Novu District to be honored on radio station WKMH yesterday.

Mrs. Daniel MacGillivray, 44011 Stassen street, was saluted for her "unselfish contribution to your community your name was selected by Southern Oakland Girl Scouts to show their recognition and appreciation for your work with Troop 602".

Mrs. MacGillivray, a grandmother, received a bouquet of flowers.

Among the qualifications for the honor were these contributions to the community:

Day camp director for two years; day camp counselor for two years; campercraft, troop leader for five years; Goodfellow representative; numerous neighborhood; completed training programs for intermediate and brownie leaders and for day camp; and participated in several girl scout workshops.

As leader of Troop 602, Mrs. MacGillivray has attended overnight camping trips, completed a roller skating course with the girl scouts, taken her girls on tours of various businesses and industries, and supervised troop members in baby sitting for the community blood bank, serving dinners for cub scouts, church groups and other Novi organizations.

**Here's New, Faster Route to Chicago**

The Automobile Club of Michigan has officially recommended a new route for motorists between Detroit and Chicago that saves one-third of the cost of the trip, plus at least a half-hour in time each way. It is the new Interstate-94 (I-94) freeway, which replaces US-12 as the Chicago road with the opening of the 18-mile stretch of the new highway between Ann Arbor and Jackson. The new route recommended by Auto Club utilizes I-94 from Detroit to Stevensville, where motorists will pick up the remnant of US-12. Stevensville lies seven miles south of St. Joseph, and leaves but 43 miles of old US-12 to be traversed before picking up the Indiana Turnpike at the Michigan City, Indiana, interchange. The distance from downtown Detroit to downtown Chicago is shaved to 291 miles, a saving of 30 miles over the previously recommended route that utilized the Detroit-Toledo Freeway and the Ohio and Indiana Turnpikes. Use of I-94 will also save a minimum of one-half hour in behind-the-wheel time between Detroit and Chicago. The new route also saves motorists \$2.70 in tolls, as well as time and gasoline. Completion of I-94 from Stevensville to New Buffalo, at the Michigan-Indiana boundary, is scheduled for next summer, and this will further enhance the newly-recommended route. This stretch is currently 4-lane, undivided highway.

**Novi Resident Opens New Business Here**

A new business, called Northland Pasty and Pizza Center has opened in Novi.

Located at 43089 Grand River, east of Novi road, the business is owned and operated by Al Boretti of 24520 Border Hill, Willowbrook subdivision.

In announcing the opening this week, Boretti pointed out that the Novi outlet is an expansion of his Detroit business which he has operated for the past 17 years.

"Increased demands for our product, particularly west of Detroit, necessitated an outlet in this area," he said.

Like his Detroit establishment, the Novi business will feature carry-out pastries (beef and vegetable turnover pies) and pizza. The business also will provide delivery service. Eventually, frozen products also will be sold here, he said.

Boretti has leased the building, formerly a restaurant and vacant for more than a year, from Russell Button. The interior has been completely remodeled and the exterior redecorated.

The pasty and pizza center will be opened daily from 10 a.m. to 3 a.m., with delivery service at specified times each day of the week.

**Veterinarian Urges Calfhood Vaccinations**

Most of the replacement calves in Michigan's cattle herds will be eligible for calfhood vaccination against brucellosis within the next four months, according to the Michigan Department of Agriculture.

Dr. C. H. Failing of Route 2, Oxford, who is the Federal-State Department of Agriculture veterinarian in the Wayne, Livingston, Oakland and Macomb county area, urges calfhood vaccination.

Brucellosis is a highly contagious disease of cattle and has cost Michigan cattle owners millions of dollars over the years in loss of calves, sterility and reduced milk production. Under certain conditions man may contract the disease through infected animals. This is sometimes known as undulant fever.

**MONEY PROBLEMS?**

Well, cheer up — most folks have money problems. It seems there is quite a gap between what we take in and what goes out which causes us no little concern. People start going to church or giving to benevolent causes in the hope that this will resolve their financial problems. Frankly, I know of no scriptural verse which would serve as a basis for such beliefs. Christians have money problems as well as people who are not Christians. However, there is this difference — if a Born-Again believer will honor God by the giving of the tithes and offerings, then he has placed himself in that place where God can and will bless him. This does not mean that God will make him a millionaire, but it does mean that he will have the financial status that is best for him according to the wisdom of God. We have no such promises extended to those who are not in correct adjustment to God because of their sin and unbelief. Jesus said that it was difficult for a man who possessed riches to enter into the Kingdom. If you are poor, then this is not an obstacle in your way. Through one need or another the Saviour draws men to see their own insufficiency and to seek the help of God by means of the Saviour.
