

THEY'RE HAPPY at the results of the 1960 National Cleanest Town contest. Northville won top honors in its population class for the third straight year, thanks to a great extent to the efforts of this quartet. Left to right are Bruce Turnbull, Dr. Georgine Moerke, Chairman John Swain and Wilfred Becker, named chairman of the 1961 "Beautify Northville" campaign.

Clean Town Award Won Third Time

It seems unbelievable, but Northville did it again — for the third year in a row.

Announcement was made from Washington, D.C., that in its population category Northville placed first in the National Cleanest Town contest.

Debaters Win District; Seek State

Two Northville High school varsity debaters will square off against a team from Royal Oak Kimball high here Tuesday evening. The winners will compete in state Class A quarterfinals.

The debate will get underway at 7:30 p.m. in the high school auditorium and is open to the public.

Northville debaters copped the district tourney crown last week by overcoming squads from Detroit Thurston, Southfield, Milford, Inkster and Walled Lake in competition held at Southfield High school.

Miss Florence Panattoni coaches the local debaters.

In Tuesday night's debate, Mike Adas and Dennis Gilbert will uphold the affirmative side of the proposition "Resolved: That the United Nations should be strengthened."

Other members of the Northville varsity squad are Don Lawrence and Duma Penn.

Dr. William Sattler, University of Michigan, Dr. George Bowman, Wayne State university, and Dr. Thurber from Michigan State university will judge the debate here.

The annual campaign is sponsored by the National Clean-Up, Paint-Up, Fix-Up Bureau. Entries are judged by representatives of the department of commerce, interior and chamber of commerce of the United States.

Chairman of Northville's campaign in 1960 was John W. Swain. He followed in the footsteps of his predecessors, John Canterbury and Ed Welch.

The "Beautify Northville" campaign has been conducted for the past three years during the month of May. Each year the committee has submitted an entry to the national contest and copped first place honors.

The community-wide project is sponsored by the Coordinating Council.

Last week Mrs. Essie Nierder, Coordinating Council president, announced that Wilfred Becker would head this year's campaign.

Among the projects undertaken during last year's program were a contest for young artists to submit renderings of a rejuvenated business district, tree planting, street washing, trash pick-up and eyesore removal.

The grand national trophy for all cities participating in the clean-up contest went to East Orange, N.J. Detroit was awarded third place for cities over 1,000,000.

Winning cities in population categories as selected by the judges were: New York, N.Y., over 1,000,000; San Antonio, 500,000 to 1,000,000; Memphis, Tenn., 100,000 to 500,000; East Orange, N.J., 50,000 to 100,000; Arlington, Tex., 25,000 to 50,000; Morristown, Tenn., 10,000 to 25,000; Los Gatos, Calif., 5,000 to 10,000; Northville, Mich., under 5,000 population.

Deadline on Taxes Near

Township residents have until next Tuesday to pay their township, county and school taxes without penalty.

After Tuesday collections become the business of the county and a four per cent penalty is tacked on, plus one-half of one per cent per month.

Treasurer Roy Terrill is available Friday and Tuesday in the offices of the Manufacturers National Bank in Northville for payments.

To date about 77.6 per cent of the total roll has been paid, Terrill reports. Of the \$363,000 roll, \$282,625 has been collected.

City residents are already subject to a four per cent penalty. They may still pay their school and county taxes at the city hall through Tuesday, but with the penalty added.

Calendar

Friday, February 24

Tuesday, February 28
Northville Assembly No. 29 Rainbow for Girls, 6:30 p.m., Masonic Temple

Assess for Paving? City Proposes Plan

Polls Silent Here But Neighbors Cast Lively Vote

In perhaps the quietest primary election day ever recorded locally 75 township and 57 city residents visited the polls to register their preference for county auditor.

In the township unopposed GOP Candidate Vincent J. Murray received more than half of the votes cast, 39. Incumbent Charles S. Edgcomb, who was nominated by the Democrats, led the township ticket with 28 votes.

In the city only Wayne county precincts one and two were open. Precinct three lies in

Oakland county. In precinct one 33 votes were cast and 24 voters showed up at precinct two.

Poll activity was heavier in several neighboring communities with local candidates.

In Novi township there were contests for three GOP nominations. Incumbent Trustee Gordon Promo was defeated by Emory Jacques, 305 to 201. Incumbent Justice of the Peace Robert Anderson squeezed by William MacDermid, 279 to 268. Finally, Duane Bell was nominated for township treasurer by defeating Mrs. Willard Sprenger, 335 to 200.

In Salem township two incumbents were ousted. GOP Supervisor William Scheel was defeated by Treasurer Harlow Ingall, 289-151, for nomination as supervisor. Trustee Arthur Dahl lost the Republican nomination to Ferman Rohrer 188-144. Henry Lentz, a third GOP candidate for nomination to trustee, drew 119 votes.

In the only other Salem contest Glenn W. Renwick was nominated as GOP candidate for treasurer over Mrs. Harriet M. Edmunds.

Your Time To Protest

Dates for board of review sessions have been announced in the city and township.

Township board of review hearings will be held at the township hall on March 7, 8, 13 and 14 from 9 a.m. until 4 p.m. City hearings are scheduled for March 14 and March 28 from 9 a.m. until 4 p.m. and on March 15 from 7 p.m. until 9 p.m. at the city hall.

Board of review hearings are conducted to permit taxpayers to question, and protest if they desire, the assessments levied against property. Assessment rolls are open to the public at either the city or township halls.

Prices Chopped

Looking for exceptional buys? Then turn to page 14.

Honest — we wouldn't lie to you about Washington's Birthday Specials. There's 17 of them to be exact and they're offered for Thursday, Friday and Saturday by Northville merchants.

You'll find everything from shavers to frozen cherries (guess that's because when George Washington was a little shaver he chopped down, etc.).

Anyway, you get the idea. Why not take advantage of these Washington specials and spend an honest-to-goodness thrifty weekend shopping in Northville?

Local Rotary Has Birthday

In a dual observance the Northville Rotary club will celebrate its thirty-fifth anniversary along with the fifty-sixth year of the founding of Rotary International next Tuesday evening at the First Presbyterian church.

The program will be devoted to a recognition of the club's history as well as a tribute to the club's newest members. The member-wife meeting will begin at 6:30 p.m.

At Wixom Lincoln Plant

Truckers Protest RR Rates

Truckers — their rigs gathering rust in their front yards — are demonstrating in front of the Wixom Lincoln plant this week protesting the Ford Motor Company's decision to ship Thunderbirds and Lincoln Continentals by rail rather than truck.

But while truckers, their wives and children are parading with signs saying "Our Families Suffer Because of Ford's Greed" and "Mr. Ford: With Your Millions, Why Take Our Jobs Away?", their real fight is with the Interstate Commerce Commission (ICC) and they admit as much.

Last Sunday, a state-wide petition with 19,000 signatures was presented to Lt.-Gov. T. John Lesinski urging Governor John Swainson "to secure the repeal or modification" of an ICC ruling in August, 1958, which the truckers maintain has "resulted in discriminatory tariff rates against a large segment of the trucking industry."

That ruling allowed the railroad industry to set its own rates so that it could compete with the trucks and

airlines at a profitable level. The railroads claim that with the tri-level loaders they can operate profitably at a rate approximately one-half that of the truckers.

The petition further said that the rates will cost thousands of Michigan citizens their jobs with a resulting loss in purchasing power "as well as a loss to the state of gas taxes, terminal property taxes, license fees etc."

Gov. Swainson is asked "to act to prevent arbitrary rule-making by the ICC in favor of one mode of transportation to the detriment of another." It asks for investigation by the State Legislature to "correct this evil in the State of Michigan."

A statement from Ford's said that the company "plans to ship about one-third of new cars by railroad and two-thirds by trucks" on a national scale.

The main reason, the statement said, behind the use of the tri-level railroad cars at Wixom and other Midwestern points was a matter of considerable cost and mile-

age using trucks.

Wixom is the only plant in the Ford chain producing T-Birds and Continentals with shipments going to points in the east, south and west. The railroad charges about half of what the trucks do.

The statement continued as to how railroads held the upper hand in auto hauling before World War II, but since then, trucks have dominated the scene. In December, 1959, for instance, 95 per cent of auto shipments were by trucks and in December, 1960, the figure was 80 per cent.

An official at the Wixom plant said that 25 to 30 rail-road carloads will be loaded daily. The tri-level cars, when all decks are used, can hold up to 12 Continentals or 15 T-Birds, equivalent to three to four trucks.

Loading at the four long docks to the north of the plant started this week. A giant automatic machine, consisting of a single ramp which can raise to the level of the deck being loaded, moves on rail from one

track to the other. The entire loading area size is 700 x 1000 feet.

But on the outside looking in are the unemployed truckers. Last month, the Automobile Transport, Inc., with offices across from the plant on Wixom Road, and the E & L Transport Co., with offices across the expressway on Wixom Road, shut down, making over 400 men jobless.

Only about 120 men are working, hauling within a 300 mile radius of Wixom. The majority of the others are unemployed and drawing compensation.

Rudy Russell, of Brighton and union steward of the Car Releasing Co. (a concern which receives and releases cars to transport companies), said the demonstration will go on until the truckers get some favorable action in their behalf.

He said the picket is unauthorized by the Car Releasing Co. and Teamsters Local 299 of which the truckers are a part. Local 299 is Jimmy Hoffa's home local.

Paving North Center street—a project that has bounced back and forth between the city council and school board for the past year — may be decided by the people most interested in its completion — the residents of the east side of the street.

The city council adopted a new approach to the problem Monday night. It resulted from a written reply from the school board to the city's proposal that

assessment basis with the school district paying one-half and the city at large the other half.

In the opinion of School Attorney James Littell this plan is not legally acceptable to the school.

Pointing out that special assessments must be levied against all abutting property owners in proportion to benefits derived, Littell did, however, leave the door open for a modification of the city plan.

Monday night councilmen proposed an assessment plan that would include residents across from Amerman school — but to a lesser degree than the school's 50 per cent share.

Councilman John Canterbury, acting as mayor in the absence of A. M. Allen, directed the city manager to develop an estimate of the cost to property owners "if 10, 15 or 25 per cent of half the cost were assessed against their property."

This marks a distinct break from the policy followed by the city in paving streets within the boundaries of the original city limits (see Speaking for the Record, page 12).

But it may be the only answer to the knotty problem.

Residents along the east side of North Center street between the new Eight Mile road cut-off and Ely drive have called upon city and school officials to improve the badly gutted and dusty stretch of road. Amerman elementary school borders along the west side of the road and it also serves as the entrance to Northville Heights subdivision.

Under its new plan the city would consider the school as deriving the major benefit from the street improvement. It would then determine to what degree residents on the east side benefited and assess this amount against their property on a per front foot basis.

Monday night, Councilmen Judy, Canterbury and Welch (Councilman Reed and Mayor Allen were absent) decided to investigate this cost and then wait for a reaction from the property owners.

"If the residents want the paving badly enough, maybe they'll agree to paying a small portion," was the general consensus of the councilmen.

Littell's letter to the council pointed out that "one-half or some portion thereof" would also necessarily have to be assessed to the residents opposite the school property (for the school to participate in the assessment).

The general distribution of Easter Seals begins March 2nd. Local services include helping people to reach sources of appropriate medical and educational assistance; a summer Day Camp for crippled children, as well as classes and clubs for physically handicapped adults held at the Easter Seal Center; wheelchairs and other special equipment to be loaned to those unable to buy or rent.

A suit brought against the city by three property owners protesting assessments for sidewalks along the new Eight Mile road cut-off was postponed for three weeks Monday.

A motion to dismiss was filed by City Attorney Philip Ogilvie in the Oakland county circuit court presided by Judge Frederick Ziem. After hearing arguments by the attorneys Judge Ziem directed them to file briefs so that a decision on the motion to dismiss may be reached.

Complainants are the Earl Chappells, the Fred Hicks and the Paul Terrys. They have protested payment for installation of the sidewalk on the basis that it does not abut their property. The walk was installed approximately 12 feet from lot lines on county highway right of way.

Sidewalk Suit Postponed

A suit brought against the city by three property owners protesting assessments for sidewalks along the new Eight Mile road cut-off was postponed for three weeks Monday.

A motion to dismiss was filed by City Attorney Philip Ogilvie in the Oakland county circuit court presided by Judge Frederick Ziem. After hearing arguments by the attorneys Judge Ziem directed them to file briefs so that a decision on the motion to dismiss may be reached.

Complainants are the Earl Chappells, the Fred Hicks and the Paul Terrys. They have protested payment for installation of the sidewalk on the basis that it does not abut their property. The walk was installed approximately 12 feet from lot lines on county highway right of way.

New Place For Races

Postponed by weather last Sunday, the annual Optimist sponsored ice skating races have been re-scheduled for this Sunday.

The time will be the same — 2 p.m., but the place has been changed.

The races for boys and girls from age 5 to 17 and over will be held at the fish hatchery on West Seven Mile road.

Trophies and medals will be awarded to those finishing in the first three places in categories for boys and girls in the various age groups.

Time's Running Out

If you have not purchased your 1961 auto license tags, better hurry to the local secretary of state offices at 122 West Main.

Tuesday is the final day and according to Office Manager Ed Hanson sales have been slow. He's predicting last-minute lines.

Car Crashes House

The Emil Nuottila family was suddenly and sensationally awakened Monday at 2:00 a.m. when a car crashed into their 594 South Main street home. The driver, as well as the residents of the house, escaped serious injury. But Mrs. Nuottila was treated for lacerations on the arm and a fractured toe. The driver, Terrance P. McGovern, 39, of Highland Park, was taken to St. Mary hospital with

lacerations on the face and arms. The photo below shows the Nuottila bedroom where Mr. and Mrs. Nuottila were sleeping. The car missed their bed by inches. It crashed through the bedroom and directly into the kitchen setting forth a mixture of gushing water and hissing gas. The Nuottilas' 23-year-old son, Roger, was asleep in another part of the house. In the photo above Emil Nuottila

stands in the path taken by the car. The house faces Main street directly in line with the end of Seven Mile road. Police reported that McGovern was driving into Northville on Seven Mile road and failed to turn after crossing the railroad. If he's released from the hospital in time, he's scheduled to appear before Judge E. M. Borgart Friday morning on a charge of reckless driving.

Auxiliary Marks 2nd Anniversary With \$500 Gift to State Hospital

You might call the auxiliary day a week ago Tuesday, the at Northville State hospital auxiliary chose to give rather than receive a gift. The present was a \$500 check for the state hospital's ambulance fund. Celebrating its second birth-hospital's ambulance fund.

THANK YOU! — When the Gift Shop run by the Northville State hospital auxiliary rung up \$500 in profits, the women could think of no more deserving cause than the hospital's ambulance fund. Here Mrs. Crispin Hammond, gift shop chairman, turns over a check for that sum to Dr. Jacob Miller, clinical director at the institution. Mrs. Edmund Yerkes, far left, and Mrs. Lee Eaton, standing next to her, are auxiliary members who work in the shop.

SPECIALISTS IN FABRIC CARE

As long as the state can't pick up the tab for an ambulance, auxiliary women are bound and determined to do all in their power to get one for the hospital.

The check Dr. Jacob Miller, clinical director of the institution, accepted from Mrs. Crispin Hammond represents profits from a Gift Shop the auxiliary operates in the hospital lobby. Mrs. Hammond is chairman of the concession.

Not content to rest on past laurels, the auxiliary — unique in the nation as the first to be founded in a mental hospital — has now turned to a new service project, taking the Gift Shop to the patients. That is, to patients in closed wards and to those in outlying buildings.

Auxiliary women are issuing a call for a whole new crew of dedicated volunteers whose help is needed to get the challenging project underway. Any women within driving distance of the hospital who are willing to give one or two mornings or afternoons each month are urged to call Mrs. Hammond at FI. 9-0116.

Louis Schuidt, community relations director at the hospital is also on the lookout for volunteer help. He would like to hear from groups of men or women willing to help with the "Adopt-a-Ward" plan. These groups host parties for patients and let them know in other ways that the community is taking an interest in their welfare.

Sale Turns Used Books Into AAUW Fellowships

One of the most awaited and looked-forward-to events of the early spring is the annual Used Book Sale sponsored by the Northville-Plymouth branch of the American Association of University Women.

The sixth annual sale is scheduled for March 16-17-18 at the Kroger store in Plymouth. All kinds of books at very modest prices will be waiting for buyers. Many a person walks away from the sale with an arm load of books at less than a dollar investment. Children's books, sets or series of books, encyclopedias, adult fiction, non-fiction and biographies are sought after volumes. Book hunters are also anxious for publications on special interests and hobbies, such as gardening, photography, mechanics and cooking. Pocket books, too, are a big success.

The AAUW is anxious for friends and neighbors to look over their bookshelves and, better yet, to examine their stacked away books in basements and attics and to donate them — if no longer used — to the sale.

Any books you might be willing to donate to this sale will gladly be picked up. Just call Mrs. Probeck at GL 3-4572 or Mrs. Marsden at GL 3-2080. In the Northville area, Mrs. B. William Secord at FI-90823 or Mrs. Bernard Bach at FI 9-2306 will arrange to pick-up your donations — whether they be few or many. If preferred, the books may be left at any of the above homes.

Proceeds from the sale go to provide fellowships for women in higher education, according to Mrs. Robert Probeck and

Mrs. D. D. Marsden, co-chairmen of the event.

Branch book sale money is sent to AAUW Fellowships, which will award \$119,800, or 43 fellowships, to women for graduate study. These fellowships are open to women of the United States who either have their Ph.D. degree, or who will have fulfilled all requirements for this advanced degree except the dissertation, and to women who have achieved professional recognition. The fellowships are not restricted by age or field and may be used for research or study abroad or in the United States.

Women scholars have until December 1, 1961 to file their applications. Information about the fellowships may be obtained by eligible women by contacting Mrs. John W. Moehle, GL 3-5509, AAUW Plymouth branch fellowships chairman.

AAUW fellowships are financed by annual voluntary contributions from members throughout the United States and Guam. Contributions also support the international grants program, which annually brings many women from other countries to the United States for professional study.

Book contributions for the sale and interest in the sale itself will benefit these two unusual programs.

HAWAII VACATION

During their recent vacation at Waikiki Beach, Mr. and Mrs. George Chapman of West Six Mile road stopped in to see a production called "Polynesian Nights" staged in the Tapa Room of the Hawaiian Village hotels where they were staying. Mr. Chapman is the head of Chapman and Associates, Inc. of Brighton.

Teachers Host Indian Educator

Teachers from the Alpha Nu chapter of Delta Kappa Gamma met for dinner at the Hillside Inn last Monday evening.

Chapter guests were Miss Catherine Riggs of Saginaw, state membership chairman, and Mrs. Bernice Dondineau of Kappa chapter, state chairman of intercultural relations, along with other members of the Kappa chapter.

Miss Ujjivala Salve of India spoke in the program dealing with intercultural relations. Studying toward her Ph.D. degree at Wayne State university, Miss Salve discussed education in her native country and traced its historical background there.

Mrs. Ida B. Cooke, founding president of the local Delta Kappa Gamma chapter, received a past president's pin from Miss Ione Palmer, in behalf of the chapter, at the business meeting.

Hostessing the evening's activities were Mrs. Luetta Reng, Mrs. Ida B. Cooke and Miss Florence Keith.

Newmans Wed 25 Years; Honored at Party Sunday

Mr. and Mrs. Kenneth Newman of 41 Hillcrest road, Country Estates, were guests of honor Sunday, February 19, at an open house marking their Silver Wedding anniversary.

Co-hosting the party were Mr. and Mrs. Charles Cooper, East Lansing, and Mr. and Mrs. Jack Schmits. Mrs. Cooper and Mrs. Schmits are sisters of Mrs. Newman. The party was held at the Cooper home in East Lansing.

The Newmans were married on Valentine's Day, 1936.

Cake, coffee and punch were served by Miss Gertrude Riemann and Miss Nan Rossmann, from a buffet covered with a white lace cloth over pink. Centering the table was an arrangement of pink and white carnations held in a pink milk glass container.

A canopy of red, pink and white crepe paper streamers leading to a large, red-ribbon heart flanked by white wedding bells helped carry out the color scheme of red, pink and white.

Special guests from this area were: Mr. and Mrs. Wendell Bryce of Northville; Mr. and Mrs. Kenneth E. Tregear of Plymouth; Mr. and Mrs. Wayne Wilburn, of Ypsilanti; and Mr. and Mrs. Charles W. Brown, of Ann Arbor, and Mrs. Martha Peoples and Miss Geraldine Zelman of Detroit.

Over 40 friends and relatives attended.

EASTERNERS — Mr. and Mrs. George Bown come from small towns bordering Boston, Massachusetts. The newcomers and their five daughters, Kathleen, Jennifer, Jill, Laura and Lisa, pictured left to right, live on Debra Lane in Northville Heights.

George and Ellen Bown are interested in helping others. Their professions verify that. He's director of social services at the Plymouth State Home and Training school; she's a registered nurse employed part-time at Community General hospital.

Born in small towns bordering Boston, Massachusetts, the newcomers were educated at Eastern schools. Bown got his A.B. degree at Tufts college and went on to Boston university for an M.S. degree in social service. Mrs. Bown followed a three-year program at the Salem Hospital School of Nursing.

The couple moved here two years ago this month. They live at 202 Debra Lane with their quintet of daughters — Kathleen, 6; Jennifer, 5; Jill, 3; Laura, 2 and Lisa, 5 months.

What brought the family to Michigan and, subsequently, Northville?

Bown pulled up stakes in Boston about seven years ago to take a job at Lapeer State Home and Training school. He then moved to the helm of the Detroit Consultation center and from there to his position at the Plymouth school.

The last change was a welcome transition, according to George Bown, for the couple had hoped to get out of the city and settle their family in a small town.

Asked how they will away their spare time, the newcomers agreed there wasn't much of it with five little ones.

However, they have tried bowling Midwestern style. They found bowling a more 'weighty'

Her Work Is Tops

Chalk up another success for Miss Artura Verschaave, Northville artist-craftsman. The Brocton (Massachusetts) Art association, sponsoring a national art show in their town, accepted all three of Miss Verschaave's craft entries.

Her agate ring, silver cross and New Zealand jade ring will be exhibited until March 11. The show opened last Friday.

Tastes Much the Same, But It's Not Fruit Cake

A moist, delicious date and nut bread that tastes "a lot like fruit cake" is Mrs. Robert Lewis's recipe offering for this week's Kitchen Diary.

Wife and mother of three, Mrs. Lewis and her family live at 18779 Susanna drive. She serves the bread for dessert or with coffee. Her whole family likes it, except for her youngest son — nine months old — who hasn't had a chance to

DATE AND NUT BREAD
Mrs. Robert L. Lewis
1 cup diced dates
1 cup hot water
1 t soda
1 cup sugar
butter (size of egg yolk)
1 egg
1 cup flour
½ cup nuts
½ t vanilla
Sprinkle soda over dates; pour hot water over soda and dates. Add remaining ingredients; mix. Bake half hour at 375 degrees and half hour at 300 degrees.

Births

The Reverend and Mrs. Richard Hooker of Kalamazoo are parents of a new daughter, Heather Clare, born February 7 in Kalamazoo.

Mrs. Hooker is the former Arlene Jerome, daughter of Mr. and Mrs. Clarence Jerome of 119 Dubuar.

Mr. and Mrs. Jack Trestain, 31255 St. Martins, Livonia, announce the birth of a son, Dennis Alan, on February 15 at Brent hospital in Detroit. The Trestains' fourth child, he weighed eight pounds, six ounces.

Jack Trestain is co-owner of Northville Glass.

PLAN NEARLY NEW SALE

A "Nearly New" sale is coming March 3. It's sponsored by the Northville Mothers' club, and will be held in the Community building. Doors will open at 9 a.m.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan — Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds

up to less sway, less bounce, less dip, less dive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voilà, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fiedbrook 9-2428

Mrs. L. Rix
FI 9-2428

Mrs. Harold Miller celebrated her birthday last Saturday at a surprise dinner party. Her husband took her to Greager's Picwick House in Detroit for dinner and when they arrived six relatives were already there. They were their son-in-law and daughter, Mr. and Mrs. Stanley Orzechowski, and their son and his wife, Mr. and Mrs. William Miller and Mr. and Mrs. Russell Main of Detroit. Mrs. Orzechowski made the birthday cake and Mrs. Miller was presented with a corsage from her grandson. Later in the evening Mr. and Mrs. Miller saw the film "The Robe" at the Lutheran High School in Livonia.

Mr. and Mrs. Walter Madison and daughters, Linda and Lori, were the Sunday dinner guests of the latter's sister's family the William Klamers on Novi Rd.

Mr. and Mrs. Albert Bramer of Mt. Clemens spent the weekend with Mr. and Mrs. Ray La Fond and other relatives in the vicinity.

Gay Bingham, daughter of Mr. and Mrs. Don Bingham was 11 years old February 12. Gay's brother, Mike was a leap year baby and he will be nine years old next week.

The Don Bingham's infant son, Gregory is ill with a virus infection at their home on Marlson Street.

Bobby Taylor celebrated his 16th birthday at a family gathering at the home of his parents, Mr. and Mrs. Russell Taylor, Sr. Present were Mr. and Mrs. Erwin F. Geppert and daughters, Noel and Sue and Mr. and Mrs. Russell Taylor Jr. of Farmington.

Jackie Bailey was on the sick list last week.

Mr. and Mrs. Duane Bell and family were the dinner guests of the latter's parents, Mr. and Mrs. Charles Trickey, Sr. on East Lake Drive Sunday evening.

Joan Gow has been visiting her parents, Mr. and Mrs. Al Gow, for the past two weeks. She left on Monday with Anne Treganowan of South Lyon on a trip to Los Angeles, California.

Mr. and Mrs. Andy Kozak are entertaining this week the latter's brother, Joe Sohn, who arrived on Monday from Glendale, California. Mr. Sohn, who is a space engineer, attended the University of Southern California.

Mrs. Joe Gardella came home Sunday after two weeks in the Community Hospital in Northville.

Weekdays 9 til 9

ville. She will be a bed patient for several weeks.

Timmy and Diane Skettis have been home from school for several days due to illness.

Cindy Tate, first grader in Novi School, is ill at her home this week.

Mr. and Mrs. J. D. Mitchell had dinner in Detroit with a group of friends Sunday evening.

Mr. and Mrs. Harold Miller were Sunday visitors at the home of Mr. Miller's cousins, Mr. and Mrs. Victor Miller at Howell.

Mr. and Mrs. Carl Evans and daughter, Reni, visited their great aunt on her birthday Sunday in Detroit.

The Senior Girl Scouts met at the home of their leader, Mrs. Kriedeman Tuesday evening. They finished work on their Thinking Day program which will be held Saturday.

Mrs. Robert Norton is a patient in the Osteopathic Hospital in Pontiac.

Mrs. William Rackow attended a wedding reception for some friends in Monroe last Saturday. During the past week Mrs. Rackow visited her sister, Mrs. F. Langa and family in Detroit and her brother, Walter Chmura at Highland Park.

Novi Baptist Church
The Baptist Young People are planning to attend Billy Graham's "Shadow of Boomerang" March 11. Call Bobby Taylor for tickets.

The Unity Circle met on Tuesday and finished aprons and towels for the Southland Bible School in Kentucky. Colored slides were shown at the meeting.

March 5 the church will start sponsoring a teachers training class at 6:30 p.m. The course will continue for a year every Sunday evening at the same hour.

The monthly meeting of the church board was held Sunday afternoon. Refreshments were served by Mrs. Cook. Andrew Childress chairman, presided at the meeting.

Methodist Church News
Several Novi Methodist ladies attended the World Day of Prayer at the Salem Evangelical Church (Council of Church Women) in Farmington last Friday.

Lenten Services will be held every Wednesday at the church at 10 o'clock until Easter. Coffee and cookies will be served after the meeting.

The Sunday School choir will sing at the morning service next Sunday at the 9:45 a.m. service. They will also sing on Easter Sunday.

Contact your S.S. teacher or Pastor Nevin for special membership classes.

Rebekahs
The Independent Rebekah club will meet at the hall next Wednesday March 1 with Mrs. Charles Trickey Sr. as hostess.

Episcopal Church News
Guests at the Episcopal Church of the Holy Cross at 10 Mile and Meadowbrook on Sunday February 19 were Mrs. L. Chapman and children Tammy and Phil of Marlson Street, Donna Fisher, Mr. and Mrs. Adair of St. Andrews and Mrs. Jay Coulton.

The celebrant at the Sunday service was the Rev. C. Bertam Harris of Canada.

Lenten Study group will meet each Wednesday evening at Holy Cross Mission starting February 22 at 7:00 p.m. Light refreshments will be served.

Confirmation classes are being held in the church each week and conducted by Rev. Coulton. Anyone interested in registering call Rev. Coulton, Farmington.

Acolyte last Sunday was Mr. Larry Price.

The Holy Cross Auxiliary ladies are making plans for their rummage sale in April. Anyone wishing to donate used articles contact Mrs. M. Graham MA 4-3759 or MA 4-2018.

Altar flowers were sent to Mrs. Robert Norton who is in the hospital.

Willowbrook Comm. Church
The Church School Council had a discussion on dealing with "Dennis the Menace", Monday evening.

The Summit meetings with Christ were continued Sunday February 19.

The E.U.B. Men's congress will be meeting in Ann Arbor for an inspirational and enlightening discussion. Rev. Marvin Rickert and several laymen from the Willowbrook church will attend the meeting.

Novi Girl Scouts
Neighborhood service team will attend a training session

next Monday in Farmington. This is for neighborhood chairman, troop organizer and consultant.

Training dates for initial leadership courses April 11, 13, 18, 20 and 25 from 9:30 to 2:30 at the Salem United Church of Christ, 33424 Oakland, Farmington instead of March as was stated in last weeks Scout news. Applications are still being taken for new leaders by Mrs. Mac Dermaid Neighborhood chairman until March 14.

Intermediate Troop No. 456 had its regular meeting. The girls handed in their writer badge material. They are starting work on a beanbag project for their tournament. Lynn McCormick gave report on an outdoor day. Mrs. McCormick and Mrs. Wharton are in charge of this also. They also received an invitation from Brownie Troop No. 902 to see the play they have been working on "Frownie and Brownie Play".

Intermediate Troop 149 met in the Visual Aid room of the Novi School. They worked on posters for Thinking Day. Treats by Deanna Bellinger. Committee members and leaders from this troop met at leaders home, Mrs. MacBride to do some reorganization work. They will meet again on March 1. Mrs. Totten is also a leader of this troop. Committee members include Mrs. Polly Lyke, Mrs. Bellinger, Mrs. Patterson, Mrs. Ward and Mrs. Cotter.

Intermediate Troop No. 1023 had a troop birthday party at its last meeting. They presented committee members and neighborhood service team with a nice gift and received their world pins. The Silver Stallion was in charge of refreshments. Pink Angels were in charge of skit on friendship pin meaning. Golden Eagles were in charge of games and they learned a game from New Zealand. They had cake and lemonade for refreshments. Leaders of this troop are Mrs. Ratcliffe, Mrs. Killeen, Committee members are Mesdames Bentley, Henschell, Nelson, Kozak and Trotter.

New Brownie Troop held another meeting at the Novi School February 20. They learned two new songs from Rebecca and Rosalee Frontiers. Two Intermediate Girl Scouts from Troop No. 149.

Mrs. Skellenger, taught them a flag ceremony. Mrs. Kriedeman was special guest. They also learned the Igloo, a folk dance from their leaders, Mrs. Harbin and Mrs. Long. Janice Harbin brought treats. They also discussed the Brownie Do's and Don'ts.

Intermediate Troop No. 602 met at leaders home. The girls turned in cookie orders and continued work on their huck weaving. Linda Early worked on dress, Mary Kay on her skirt and Lois on a skirt.

News from Wixom

Mrs. Charles Ware
Mrs. John J. Roche of Elm-hurst, Illinois returned home on Wednesday the 15th having spent ten days as the guest of her sister, Mrs. Harry Seuhr of South Wixom road.

Mr. and Mrs. Edward Banfield of Brighton were Wednesday guests of Mr. and Mrs. Richard Banfield.

Sunday, February 28 is photo Sunday in the Wixom Baptist Sunday School. All class members are urged to be present.

Mr. and Mrs. Joseph Pollack of Hickory Ridge spent Wednesday, February 15 with the Richard Banfields.

On Thursday Mr. and Mrs. Fred Ottaway of Owosso were guests of the Banfields.

Mr. and Mrs. Harold Schoneberg of Farmington were guests of the Schonebergs of Wixom on Sunday.

The members of the Wixom Blood Bank wish to thank everybody that participated in any way. Eighty-nine pints of blood were donated and if blood is needed please call Mr. Joseph Stadnik, MA 4-1606.

Mrs. Russell Bloom of Detroit spent Sunday as the guest of the Rollin Porters.

All members of St. Williams parish and their friends are all invited to open house at the new parish rectory from 2 to 4 on Sunday, February 26. Because most of the work was donated by parishners, the new rectory was built at a cost of \$14,000 instead of the anticipated sum of \$80,000.

The Invincible group had a "go as you are" party Saturday, February 18. It ended at the Everett Pearsall residence with games and lunch.

The Water Tuck family were on a skiing trip to Cabasrae ski club at Cadillac and Wards hill at Branch, Michigan and while in north woods they stayed with the Burwells who are former Wixom residents.

Mrs. Robert Moorman was hostess to the Birch Park birthday club Tuesday evening, February 14, honoring Mrs. Chester Hill.

On Monday February 13 Terry Lee Tuck became one year old.

The Hickory Hill civic association met Sunday the 19th. Election of officers took place.

The knitting club is visiting the wholesale woolen company Tuesday at Wyoming.

The Crest club held its semi-monthly meeting Thursday the 16th at the home of Hazel Wesch.

Mr. Lloyd Preston is at Henry Ford hospital for surgery.

The bowling club bowled at Maple Lanes last Saturday evening.

Mrs. Ray Burke is home from the hospital and feeling better.

NOTICE OF PUBLIC HEARING

ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE VILLAGE OF NOVI, NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed Amendment to the Zoning Map of the Zoning Ordinance of the Village of Novi to include the following change:

A. To change the west 739.69 feet of parcel MN 303 A of the west one-half of Section 16, from a C-2 General Commercial District and an R-1-F District to an M-2 General Manufacturing District; being located south of Grand River Avenue and about ¼ of a mile east of Beck Road.

B. To change parcel MN 272 B of the southwest ¼ of Section 15, from M-1 Light Manufacturing District to an M-3 General Manufacturing District; being located south of Grand River Avenue and about 450 feet east of Taft Road.

C. To change Lot No. 49 Lakewood's Subdivision, and also Parcel II, more particularly described as commencing at a concrete monument at the intersection of the Southerly line of Herbert Lane and the West line of Buffington Drive which is the Southwesterly corner of Lakewood's Subdivision, thence N. 2° 20' 00" E. 198.62 feet along the West line of said Lakewood's Subdivision, thence N. 25° 48' E. 1.48 feet along the east line of Lot 49 of said subdivision for a point of beginning, thence continuing N. 25° 48' 00" E. 193.55 feet, thence N. 63° 05' 56" W. 85.40 feet along the North line of said Lot 49, thence N. 87° 40' W. 150.00 feet, thence S. 2° 20' W. 213.06 feet, thence S. 87° 40' E. 150.59 feet to the point of beginning, and also Parcel III, more particularly described as commencing at a concrete monument at the intersection of the Southerly line of Herbert Lane and the West line of Buffington Drive which is the Southwesterly corner of Lakewood's Subdivision, thence N. 2° 20' E. 413.06 feet along the West line of said subdivision for a point of beginning, thence continuing N. 2° 20' E. 412.15 feet to a concrete monument at the Southerly line of South Lake Drive (N.W. corner of Lot 60 of Lakewood's Subdivision), thence N. 61° 58' 30" W. 166.46 feet along the Southerly line of South Lake Drive established by extending the Northerly line of Lots 56 to 60 of said Subdivision, thence S. 2° 20' W. 484.34 feet, thence S. 87° 40' E. 150.00 feet to the point of beginning, all situated in the SW¼ of Section 3, T1N, R8E, Village of Novi, from an R-1 One Family Residential District to a C-2 General Commercial District.

This hearing will be held at 8:00 o'clock p.m., Eastern Standard time, at the Community Building, located at 26340 Novi Road, March 13, 1961.

NOTICE IS FURTHER GIVEN that a copy of the Map and Ordinance may be examined at the Village Offices at the Village Hall during the regular office hours each Monday through Saturday, until the date of Public Hearing.

NOVI VILLAGE PLANNING COMMISSION
V. MIKLAS, CHAIRMAN
Publish February 23, 1961

CITY OF NORTHVILLE AMENDMENT TO ZONING ORDINANCE

The City of Northville Ordains:

That Article XVII of the Zoning Ordinance for the City of Northville shall be amended by adding thereto the following section:

Section 17.02. A fee of \$25.00 shall be charged and collected at the time of the presentation to the Planning Commission of a petition for change or amendment to the Zoning Ordinance. Said fee shall cover the cost of advertising, printing and other expenses incurred by the City in connection with the processing of said petition and shall be paid to the City Treasurer to be credited to the General Fund of the City of Northville. If said petition is denied by the City Planning Commission prior to the calling and holding of a public hearing upon the petition the fee shall be refunded to the petitioner.

This amendment shall take effect March 3, 1961.

Mary Alexander, City Clerk

NOTICE TO DOG OWNERS

The Northville City and Township Ordinances require vaccination of all dogs within their limits.

Dr. Thomas Heslip will hold a vaccination clinic at the Fire Hall at 217 W. Main St., Northville, Michigan, on Saturday, February 25th, 1961, from 10:00 A.M. until Noon to vaccinate your dog for a fee of \$4.00. A two-year vaccine will be used, as recommended by the Michigan Department of Health.

Dog licenses will be issued to both city and township dog owners at the City Hall on the day of the clinic. Licenses must be obtained on or before March 2nd, 1961.

Marguerite Northup, Township Clerk
Mary Alexander, City Clerk
Dated February 8th, 1961

Registration NOTICE

FOR

Biennial Spring Election MONDAY, APRIL 3, 1961

To the Qualified Electors of the Township of Novi (Precinct No. 1-2) County of Oakland, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AVAILABLE
MONDAY THROUGH FRIDAY — 9:00 A.M. TO 5:00 P.M.
AT THE NOVI TOWNSHIP HALL
25850 NOVI ROAD

AND ON
Monday, March 6, 1961 - Last Day
THE THIRTIETH DAY PRECEDING SAID ELECTION

As provided by Section 498, Act No. 116, Public Acts of 1954
From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

HADLEY J. BACHERT, TOWNSHIP CLERK

Gas Pump, Bale of Hay — He Measures 'Em All!

Your reply would most probably be "So what?" if you were told that yesterday through next Tuesday is National Weights and Measures Week.

But it would turn to "Gosh, tell me more" after just a brief chat with Harold Monet, of the Foods and Standards Division, and the Michigan Department of Agriculture. He is chief food inspector and, more in line with the present week's celebration, is a Detroit office. There are tests scales, pumps, meters, milk bottles, bushels, any device used to measure.

About three times a year, he visits Northville and area merchants making sure that scales and foods are not fraudulent and of gyping the public.

JUST CHECKING — National Weights and Measures Week started yesterday and so State Inspector Harold Monet checks on a cake loaf at E.M.B. Foods in Northville during his regular rounds. Cliff LeFevre looks on keeping his fingers crossed that it won't be an ounce shy.

Thanks . . .

TO THE VOTERS WHO SUPPORTED ME AT THE POLLS MONDAY

1960 NORTHVILLE TOWNSHIP TAX DEADLINE IS NEAR

I will be at Manufacturers National Bank Tuesday and Friday during the balance of February.

TUESDAY, FEBRUARY 28th is the LAST DAY for PAYMENT.

After March 1st taxes must be paid at Wayne County Treasurer's office in Detroit.

ROY M. TERRILL, TREASURER

He works from his home in Nankin Township although there is a Detroit office. There are nine other men and in the course of a year, they visit every store, every concern where food is stored, bought or sold, where there is any kind of a measuring device.

And he insists, he is out to enforce the laws, not make new ones. Laws, Monet says, are made by legitimate people for their own protection. He and his partners concern themselves solely with enforcement.

There are a thousand and one ways for a merchant to cheat the customer, Monet said. Housewives are familiar with buying meat over the counter in supermarkets and meat shops.

In some cases, there will be a pencil on the scale, giving the merchant an extra ounce. Or, the merchant may throw on a piece of brown paper and then a piece of white paper to gain that extra ounce.

And that once is the important thing, Monet said. Few people realize this. He points out that in a piece of steak costing \$1.29 a pound, that one ounce is worth around ten cents. In some establishments, this ounce amounts to a \$100 a day, \$30,000 a year.

The housewife can keep alert to such trickery by watching the merchant and not idly shopping elsewhere down the aisle.

Monet said that fortunately 98 per cent of all merchants are honest. And mistakes they make are honest ones. Usually it is a case of carelessness in reading the scales or an inaccurate device or shrinkage on meats and prepacked goods.

It's the deliberate mistakes that Monet is out looking for. And he usually finds them. He tells of the time when he checked the scales of a market and, on a hunch, drove around to the back, checked the scales again, and found that the merchant had already re-rigged them.

He tells of the times when he and a partner would disguise themselves and pay unannounced "shopping" visits on concerns. Once in checking out some 30 businesses, six warrants were issued. This is one of the best ways of uncovering any violations.

When a merchant is found to be guilty of either honest or deliberate mistakes, any action taken is entirely up to the discretion of the Department.

It may be a word of caution and it may be fine, probation and costs. Many times court action is instituted against offending parties.

If a customer suspects a violation, Monet said that he should either write to the Department of Agriculture, Foods and Standards Division, Detroit or Lansing, or phone Woodward 2-6680 in Detroit.

Northville Board of Education Minutes

I. The meeting was called to order by President Robert H. Shafer at 7:30 p.m.

Present: Members Robert H. Shafer, William B. Crump, Waldo T. Johnson, Donald B. Lawrence, Edward F. Angove, James F. Kipfer, and Wilfred C. Becker.

Absent: None

Others Present: Supt. Amerman; Asst. Supt. MacLeod; Principals Smith and Kay; Attorney James Littell; Athletic Director, A. E. Jones; Miss Margaret DeKett, for the Teachers' club; Mrs. James Ross; Mrs. Joan Angle; Mr. Francis Gazlay and Mrs. Gladys Weiss, for the P.T.A.; Mr. Gerald Taft and Mr. Harold Penn.

II. The minutes of the last regular meeting were read by the secretary and one correction noted. Minutes of a special meeting held on January 23rd were read by the secretary and there being no further corrections, both sets of minutes were approved.

III. Communications:

1. School Management Magazine, citation for school's contribution to Cost of Education Index.
2. Michigan Association of School Boards, announcement of convention of National School Board Association in Philadelphia May 4-6. Also, State meeting in Ann Arbor, March 21.
3. City of Northville, announcing a public hearing to be held on March 6th at 8:00 p.m., on the vacation of West Street between Main and Cady.
4. City of Northville, announcing the establishment of a Special Tax Assessment District to care for the cost of paying North Center Street.

IV. Report of Superintendent:

1. Calling of Bonds: It is permissible to call bonds of the 1954 issue on April 1, if funds are available, but this year there is not enough money on hand in this debt retirement fund, in excess of the required reserve of \$25,000, to enable us to call any bonds at this time.
2. Folding Chairs: 300 Samsonite chairs have been purchased from the McFadden Corporation. They have already been received and are in use in the Community Center and will be paid for from the Building and Site Fund.
3. Finances: A 50% State Aid payment has been received in February, which pays our state aid through December, 1960. There is a bill before the legislature providing for guarantee of full payment of state aid to the schools by June 1, 1961. The M.A.S.A. has recommended a payment of 8% per child to the schools next year, and while the Governor has not recommended 3%, he has indicated he would approve the higher allotment if the money can be found. In general, things are looking a little better. On the strength of our current balance, the Superintendent is recommending that we make a payment of \$100,000.00 on our Tax Anticipation Note with the Manufacturers National Bank. The full amount of the note must be paid by June 1st and a payment of this size now will appreciably reduce our interest costs. Moved by Dr. Johnson, supported by Mr. Kipfer, that we make a payment of \$100,000 on Tax Anticipation Note dated September 15, 1961. Motion carried unanimously.
4. Boiler at Amerman School: We are having recurrent difficulties with this piece of equipment and the firm which installed it and our own maintenance engineer are working on the problem. The boiler has been repaired and is in operation and we hope will remain so until the spring.
5. Salary Schedule: Schedule proposed by the Board will be

handed to the Teachers Tuesday afternoon and building meetings of teachers and administrators, for the purpose of review and discussion of the schedule will be held on Wednesday afternoon after school.

A tentative meeting of faculty and school board was set for Wednesday, February 22nd, if the teachers so desire.

V. Report of Secretary:

Secretary Lawrence reported the following monies received in January: Current Taxes: Northville Twp., \$120,000; Novi Twp., \$18,000; Salem Twp., \$6,462.04; City of Northville, \$250,000. Delinquent Taxes: Novi Twp., \$496.50; Salem Twp., \$70.90; City of Northville, \$4,671.76; Northville Twp., \$2,266.42. School Lunch Fund Reimbursement, \$1,055.22. Rental Fees, \$51.00.

VI. Report of Treasurer:

Treasurer Johnson reported the following balances at January 31, 1961:

General Fund \$350,818.18; 1936 Bond and Coupon Account, 1,710; 1949 Debt Retirement Fund, 2,416.22; 1954 Debt Retirement Fund, 20,703.07; 1957 Debt Retirement Fund, Series A, \$20,500.71; 1957 Debt Retirement Fund, Series B \$69,871.81; 1957 Debt Retirement Fund, Series C, \$26,609.71; Building and Site Fund \$13,990.89; Cafeteria Account, \$5,707.37.

It was moved by Mr. Angove, supported by Mr. Lawrence, that the report of the Treasurer be accepted Motion carried.

VII. Report of Special Committees:

1. Curriculum Committee: Mrs. James Ross, Chairman of the committee, which is currently working on the problem of the Community college, gave the board a tabulation of the results of a survey the Committee has made of the college plans and intentions of 11th and 12th graders in Northville High school. A copy of this tabulation is now on file in the office of the superintendent, and a copy was given to Asst. Supt. MacLeod for transmittal to Dr. Albert Ammerman, who has been working with the committee as a resource person, for analysis.

VIII. Report of Auditing Committee: Bills and payrolls approved as follows: payrolls, \$58,339.71; General Bills, \$11,452.45; Cafeteria Bills, \$5,623.27; Building and Site Fund, \$5,482.36.

It was moved, by Mr. Lawrence, supported by Dr. Johnson, that the report of the Auditing Committee be accepted and bills and payrolls be paid. Motion carried.

IX. Unfinished Business:

1. Vacation of West Street: Attorney Littell commented on the City's position on this matter and expressed willingness to continue working with the city's attorney to try to find an area of agreement. The board indicated it will have representation at the hearing.
2. Paving of Center Street: The city has announced its intention of establishing a Special Assessment District, assessing the West side of Center Street to the school district and the east side of the street to the city at large. Attorney Littell is of the opinion that this means of caring for the cost of paving North Center Street still does not fulfill the requirements of the law in so far as the school district is concerned. Mr. Littell was instructed to draft a letter so advising the City and re-stating his original opinion.
3. High School Athletic Field: Mr. Harold Penn of LaPorte and Penn, engineers in charge of designing the athletic field, and Mr. Gerald Taft, of Wm. Taft & Son, who did the grading, explained the final bill of

Mr. Penn contended that school officials and board members had instructed him to have the edges of the track rolled down, to eliminate a drainage problem and safety hazard. The Board felt that some of the responsibility for this cost of \$2,137.84 rightfully belongs to LaPorte and Penn, since they designed the track in such a way as to create the problem. Mr. Penn disclaimed this responsibility by expressed willingness to review the points in question, and Mr. Kipfer and Mr. Lawrence were appointed to try to work out an equitable solution with Mr. Penn, and in the meantime Mr. Crump moved that Mr. Taft's bill be paid. Mr. Angove supported this motion, which was passed unanimously.

4. Annexation of Davis Property: Mr. Crump reported that the school boards of Wayne, Oakland and Washtenaw Counties, meeting in joint session, had denied the petition of Mr. and Mrs. Richard Davis, of the Novi School District, to have their property annexed to the Northville School District.

X. New Business:

1. Rental Fees: Mrs. Joan Angle asked the Board if they would not consider revising downward the rental fee schedule on the high school auditorium, to make it more accessible. Mrs. Angle advised the Board that several fine dramatic productions of little theatre groups have been denied to Northville children because the rental fee for the auditorium is too high. The Board agreed to take this matter under advisement.
2. Band Uniform Fund: Mr. Becker moved that a resolution be passed authorizing any two members of the Board to sign checks drawn on the Northville High School Band Uniform Fund. Mr. Crump supported this motion, which was carried. A copy of the resolution is on file in the office of the Superintendent.
3. Athletic Field: Mr. Jones discussed with the Board the necessary preparation for field events such as shot-putting, etc. He has obtained two cost figures, based upon preliminary drawings by LaPorte and Penn. Cost with one approach is estimated at \$3,502, and with two approaches \$4,960.

Mr. Angove suggested that the school might be able to act as its own contractor for this work, thus saving a considerable sum of money. President Shafer asked Mr. Angove, Mr. Crump and Mr. Kipfer to work with Mr. Jones on this matter, investigating all the possibilities.

XI. Adjournment: The meeting was adjourned at 11:15 p.m. on motion of Mr. Lawrence, supported by Mr. Becker.

Weston Helps Dow

An assistant to pro Dow Finsterwald at the Riviera CC at West Palm Beach, Fla., is former Northville High star Jimmy Weston. He graduated in 1958. His parents live at 452 Butler.

Citizens Meet

The Citizens Development Committee will meet at 7:30 Monday night in the Village offices. Chairmen and committees will be announced then.

NOTICE OF PUBLIC HEARING

ON A PROPOSED AMENDMENT TO ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

Please take notice that the Northville Township Zoning Board will hold a Public Hearing on Thursday evening, March 16, 1961, at 8:00 o'clock p.m. in the Northville Township Hall for the purpose of hearing and considering:

1. An amendment to paragraph (i) of Section 14.06 regarding conditions relating to gasoline filling stations, public garages and cleaning establishments.
2. The amending of Article XVII by the addition of a new Section to become Section 17.02 providing for General Standards to guide the Zoning Board and the Board of Appeals where they are authorized to permit a variance or an exception.
3. A proposed reclassification of an area of about thirty (30) acres located at the southwest corner of Beck Road and Six Mile Road with a frontage of 1,990 feet along Beck Road and a frontage of 651 feet along Six Mile Road from an AG Agricultural District to an R-1-H Country Homes District.

The above proposal may be examined on any week day during the hours of 1:00 p.m. to 5:00 p.m. at the Northville Township Hall.

This notice is given pursuant to Act 184 of Public Acts of 1943, as amended.

Tell 1960 Circulation At Library

In 1960 the Northville Public Library circulated 39,000 books and magazines. Films were also loaned by the Audio Visual department.

Among the most popular books read by library patrons were "Hawaii" by Michener, "Advise and Consent" by Drury, "Constant Image" by Davinport, and "The Night They Burned the Mountain" by Tom Dooley.

The library's magazine collection of some 50 titles circulates. Magazines for the entire family are included.

Library hours are: 11:30 a.m. to 8 p.m. on Monday through Thursday; 10 a.m. to 5 p.m. on Saturday; closed Friday.

Ceremony Honors

Troop 755 Scouts

A court of honor for boy scouts of troop 755 was held Sunday afternoon at the First Presbyterian church.

Acting chaplain was the Rev. Paul Cargo, pastor of The Northville First Methodist church.

Citations for rank were awarded to 14 scouts with Philip Ogilvie, Sunset district chairman, presenting the citations.

Scouts honored were: Keith Mueller, John Gibson, Mike Mahoney, Bob Armstrong, Paul Lorenz, Chris Keyes and David Eberhardt — tenderfoot rank; John Schultz, Ross Stong, Russell Kelly and Dick Sterling — second class rank; Gary Davis — first class rank; and merit badges went to Tom Stutzman for wood carving and forestry and Bob Langtry for music.

LEGAL NOTICE STATE OF MICHIGAN County of Wayne

490,952

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Thirtieth day of January, in the year one thousand nine hundred and sixty-one.

Present Joseph A. Murphy, Judge of Probate. In the Matter of the Estate of Harold B. Zells, Deceased.

Walter E. Zells, executor of the last will and testament of said deceased, having rendered to this court his first and final account in said matter and filed therewith his petition praying that this court adjudicate and determine who are or were at the time of death of said deceased his heirs at law and entitled to inherit the estate of which said deceased died seized and that the residue of said estate be assigned in accordance with the provisions of said last will and the determination of this court.

It is ordered, That the Thirtieth day of March, next at ten o'clock in the forenoon before Judge Ira G. Kaufman, at said Court Room be appointed for examining and allowing said account and hearing said petition.

And it is further Ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Joseph A. Murphy, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Cecil A. Bernard,
Deputy Probate Register

PLACE YOUR BETS—Getting practice for Friday night's third annual Millionaire's party at the Northville American Legion home are five of the post members. The event is staged to raise money for post expenses. The public is invited to enjoy a night at "Las Vegas" with loads of play money to wager on their favorite games of chance. The fun begins at 8 p.m. Pictured above (l. to r.) are: John Goss, Robert Wrenn, Chairman Bob Collocott, Rex Holloman and John Stelmel.

Youths Admit Trial Lies

Jurors failed to reach a decision last Thursday afternoon in the trial of Arthur McBride, 19, of Plymouth, who was charged by police with disorderly conduct for stealing gasoline from the Standard Oil Bulk plant.

Date of a new trial was delayed after two witnesses who testified on McBride's behalf admitted to Police Chief Eugene King this week that they had lied under oath.

McBride asked for a jury trial earlier this month when he and two 17-year-old companions, Gary L. Parmenter and Donald H. Wright, both of Plymouth, appeared before Justice E. M. Bogart.

At that time both Parmenter and Wright were fined \$25 and placed on a year's probation after conviction on a count of disorderly conduct. The two alleged then that McBride had been with them on January 26 when Officer Andrew Cain interrupted the trio as they were siphoning gas at the bulk plant on Railroad street.

McBride denied the accusation, maintaining he had been at a basketball game all evening and had witnesses to prove it.

Only Parmenter, apparently acting as a lookout, was apprehended by Officer Cain. During questioning by police, he implicated Wright and McBride. Jurors heard three hours of testimony on Thursday. Attorney Philip Ogilvie presented the city's case; Dunbar Davis represented the defendant.

William A. Whiting and George Condash, two Plymouth youths who supported McBride's alibi during the trial, changed their stories in their talk with Chief King.

King said although no charges had yet been levied against the two, both could face action on a perjury count along with McBride.

According to the Michigan Penal Code, conviction of perjury, which is a felony, carries a penalty of 15 years imprisonment.

The police chief stated, however, that the three might instead face action under a provision in the city's disorderly conduct ordinance.

Band Competes

Northville High's band will be out to reap more top honors again when they compete in the Utica Band Festival Saturday.

The local band will play at 3 p.m. in the gymnasium. The public is invited. There is no charge.

An estimated 2,400 musicians will take part in the day-long event which is sponsored by District Four of the Michigan School Band and Orchestra Association.

Bands do not compete against each other but against a set of standards. Groups receiving a first division rating are qualified to enter the state festival later in the year.

Extra!

Editor Jack Hoffmann published another edition this week — only this time it was a six pound, seven ounce male variety named Joel Richard.

The boy was born to Mr. and Mrs. Hoffman at Community General hospital Monday, February 20 at 3:30 p.m. They have two daughters and another son.

Hoffman was formerly news editor of Record and Novi News. He recently became managing editor of The South Lyon Herald.

Rainbow Girls Set Feb. 28 for Dinner

Northville Assembly No. 29 Rainbow for Girls will hold its Birthday dinner February 28 at 6:30 p.m. in the Masonic Temple.

Initiation begins at 7:30.

Is Your Church Friendly?

One of the complaints I often hear against Churches is that they are not friendly. Strangers come in and walk out but few of the regular Church people

take the trouble to shake their hand and welcome them and invite them to return. This may all be true, but I'm usually convinced that the one who

does the complaining is more guilty than those they accuse. The scriptures say, "If a man that hath friends must show himself friendly—". Once I had a family complaint that our church was unfriendly. I knew that this family usually came either right on time or a few moments after the services started. They marched down the aisle in single file, took their seats and when the sermon was over, marched out again in single file looking neither to the right or left. They wondered why the "rest of the Church" was so unfriendly. I suggested this remedy. "Next Sunday evening after I give the benediction, you turn around and shake hands with at least ten people. If they refuse to shake hands with you, let me know and I'll see them about their unfriendliness." I never did hear any more about it. So if you are among those who make this complaint, I challenge you to try this remedy.

Peter F. Nieuwkoop, Pastor

AMERICAN LEGION

Teacher Bill Breyfogle

Old cars, stamps, wood-carving, politics and smoke jumping add variety to life of science teacher.

Teacher Profile Plenty of Variety In His Hobbies

Does anyone happen to have a Model T Ford for sale? Teacher Bill Breyfogle happens to belong to that elite fraternity — the "Antique Car Collector's Society." His standing with the fraternity hit its peak in his high school days when he owned two Model T's, but it has steadily slipped, until today he finds his fraternity brothers heaping scorn and ridicule upon him for daring to drive around in a brand new car. Needless to say, Breyfogle is anxious to end this humiliation and, hence, this call for help.

This teacher's collecting habits don't end with antique cars. He's also an avid philatelist (stamp collector), it says in the dictionary, and something of a Civil War enthusiast, with a collection of swords, spears, canteens, flags, etc. from that one-hundred-year-old conflict.

Breyfogle has another hobby, and it sounds a bit strange in this day and age. He loves to whittle. Using white pine wood, he whittles little figures that look remarkably realistic. For Ruth, his bride, of less than a year, he carved a comical set of figurines showing a domineering wife rebuking a meek little husband — not really typical of their household, but it might indicate that the honeymoon is over.

Woodcarving has given him a chance to philosophize on his career as a teacher.

"Teaching is like woodcarving," says Breyfogle. "Different woods have different grains, and students have different interests and abilities. The knife is the tool which shapes the wood; subject matter is the tool that shapes the student. The teacher is the craftsman, and as the craftsman shapes the object to the grain of the wood, the teacher directs the stu-

dent toward his natural capabilities."

Such profound philosophizing has not gone unnoticed by Breyfogle's fellow teachers or his students. He writes words of wisdom in the corner of the blackboard, for instance, for students to meditate on.

An astute student of government, he's quite likely to philosophize on the evils of big government. "Domestically," he declares, "I'm a Goldwater Republican."

His deep interest in politics goes back to his hometown of Three Rivers, Michigan, where his father is very active in the Republican party. Breyfogle attended Three Rivers High school, working in a hardware store to support his two Model T's. All the while he remained active in boy scouting, eventually becoming an Eagle Scout.

After graduating from high school, Breyfogle went on to Western Michigan university at Kalamazoo, where he participated in ROTC, attaining the rank of 2nd Lieutenant. He graduated from the university with a major in geography and minors in general science and social studies.

In the Ravenna Public schools (Michigan), Breyfogle taught math and science for two years and continued his interest in scouting by helping a scout troop get started and becoming a scoutmaster.

A year after leaving Ravenna, scholarly Bill Breyfogle received his Master's degree in administration and guidance from the University of Michigan.

During these last five years, he's spent some exciting summers smoke jumping for the U.S. Forest service in Montana.

After his work at the U-M, Breyfogle came to Northville to teach science and math in the Junior High school. He regularly attends the Methodist church and sings in the Methodist choir. Moreover, he's back with the scouts again, this time as assistant scoutmaster of Troop 755 at the Presbyterian church.

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — Thursday, February 23, 1961

Clothes for World's Needy

TONS — Well, 14 tons of used clothing were contributed to the annual "Save the Children Federation" by Northville school youngsters last week. According to American Principal Richard Kay, so much was collected that there weren't enough bags to hold so extra clothing was given to the Goodwill Industries. Collections from all schools were taken to American school for delivery. But before it was sent out Kindergarteners Mimi Merwin and John Loeffler climbed up among the bundles with Alfred MacDonald, school custodian.

from the PASTOR'S STUDY

First Baptist Church of Novi
Arnold B. Cook, Pastor

1 Kings 18:21 "How long halt ye between two opinions? If the Lord be God, follow him: but if Baal, then follow him. And the people answered him not a word"

The question posed by the prophet of God reminds us of the old fable of the foolish donkey who stood exactly half way between two stacks of hay, undecided from which of the two to eat, and eventually died from starvation.

Yes, indecision is a foolish and fatal thing. Of all the various kinds of indecision with which people are afflicted, the most foolish of all is that regarding Christ. It is also the most common.

When it comes to religion there are many who are interested but not resolved, concerned but not committed — like window shoppers, always looking but not buying.

The Israelites upon Mount Carmel knew enough about God to be undecided, but not enough to be decided. They lacked faithful attention and devotion to His Word, nor were they diligent in teaching it to their children.

Among us, too, there is an appalling ignorance of God and spiritual things. A college educator was recently heard to say, "Biblically, morally, spiritually, this present college generation is almost illiterate." Is there any wonder then why confusion reigns supreme among mankind? Jeremiah the prophet speaking for God says,

"For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water." (Jer. 2:13).

There are three basic causes of indecision: ignorance, self interest, and fear. If man is ignorant of God and spiritual things, he need not be ignorant any longer. We have the inspired, infallible word to teach us, and yes the truth can be taught to children. Paul said to Timothy, "From a child, thou hast known the scriptures."

By no means least, a great cause of indecision is fear. Fear of what people will say; fear of family objections; fear of losing business because of the establishment of righteous business ethics.

Pilate was faced with the decision between Barabbas or Christ. Every man likewise must choose. There is a legend regarding Lake Lucerne in the Swiss Alps. From its waters rises a crag which has been named Mount Pilatus, after Pontius Pilate. The legend is that when the mist lies low upon the lake, the ghost of Pilate can be seen there, forever moaning in the moonlight, forever washing his hands.

How long halt ye between two opinions? If God be God, serve Him!

How long halt ye between two opinions? If God be God, serve Him!

How long halt ye between two opinions? If God be God, serve Him!

Mustangs Move Up to 2nd

HERE'S A RIDDLE — What are good basketball players made of? From Friday's action between Northville and Bloomfield Hills, the answer seems to be arms and legs. Somewhere in the entanglement with opponents Bill Pettibone (43) and Fred Jeaynes (45) are two Mustangs. A mile confusing, wouldn't you say?

There was double joy last week end for Northville high's Mustangs. They successfully met Bloomfield Hills Friday, 52-36, and Clarenceville Saturday, 57-43, to vault into a second-place tie with Clarkston.

And though there isn't a chance in the world of their catching up with league champs Holly — they have a three game lead with two games left — there is quite a bit that the Mustangs can do to wind up in the runner-up spot.

They meet West Bloomfield tomorrow night in their last home game of the year and that should be easy and take on Holly there the following week. And that should be a toughie despite the fact that it seems to be a bad beating the leaders.

Milford did it two weeks ago and Clarkston turned the trick in overtime last week. The last time Northville played Holly, they dropped a 69-59 decision. A slow first half hurt Mustang hopes of winning that one.

But there was nothing slow about Northville last week. They galloped to a 29-18 halftime

lead against an undermanned, Bloomfield Hills squad and coasted to victory with Coach VanIngen emptying the bench. Craig Bell paced the win with 19 points on eight buckets and three free throws. Danny Brown tossed in 14 and Steve Juday 10 to help Bell along.

Saturday's game at Clarenceville was just a bit tighter until a 17 point fourth quarter sewed things up in Northville's favor.

Last Home Game

Five Mustang seniors will be playing their last basketball game on the home floor tomorrow night.

They are Dave Hall, Dennis LaRoque, Dave Filkin, Tom Schwarze and Jerry Forbes.

It was 32-27 Northville at the half and they didn't score a point until five minutes were gone in the third period. Meanwhile, Clarenceville took a one point lead and made the contest a little exciting.

In that final eight minutes of action, Juday had six points, Brown and Tom Schwarze four each and Bell three.

This quartet accounted for all but six of the Mustang's 57 points. Juday ripped the cords for 21 points for honors, Brown and Bell hit for 11 apiece and Schwarze had eight. Juday's total came on seven baskets and 7-of-9 free throws.

Contrasted with the Mustangs' feeble 38 per cent at the free throw line Friday, they were successful on 19-of-31 for a good 61 per cent. Schwarze had a perfect night at the free throw line, making all six of his attempts.

Brown Tops Northville Scoring

Mustang center Danny Brown leads Northville High scorers with 189 points after 13 games. Two contests remain before State District action March 7.

The 6-foot-3 Brown hit his season high of 29 against West Bloomfield Jan. 13 and his low point of seven points against Clarenceville Dec. 23.

Steve Juday has been showing marked improvement as the campaign moves along and is second to Brown with 154 points. He hit for 22 points against first place Holly for his personal high this year.

Craig Bell, with 121 points, probably deserves the "most improved player" award. With only two points in his first three games, he has come on as one of the important cogs in the Mustangs' better showings of late.

The other Mustang varsity players and their point totals so far:

Tom Schwarze, 58; Don Busch, 29; Jerry Forbes, 23; Tom Long, 32; Dave Filkin, 25; Dick Bathey, 21; Dave Hall, 13; and Dennis LaRoque 3, Jim Anderson, 1.

Tom Swiss scored nine points before moving down to the Reserve squad at mid-season.

Wrestling Finale

Northville High's wrestlers meet Romulus at 7:30 tonight in the gym in their season finale.

Colts Beat Bloomfield With Nothing to Spare

Northville's Colts insist on making them close. Such was the familiar case Friday night when, behind almost all the way until three minutes were left to play, they squeaked past Bloomfield Hills, 54-53.

But they can take it easy, too, as they waited past Clarenceville Saturday, 55-22, with Coach Stan Galonka using his entire bench in the fracas.

Friday, the Colts left the floor at the half on the short

Ex-Mustang Biery Is CMU Speedster

Former Northville athlete, Dick Biery, was on the four man one-mile relay team for Central Michigan University which set a new record February 4 at the 38th Michigan State Relays.

The winning time was 3:20.9. A week later at the Michigan AAU Relays, they almost matched this with a winning performance of 3:21.7.

Biery, the son of Mr. and Mrs. Eldon Biery, of 217 West Dunlap, is a junior at Central Michigan.

end of a 28-15 score and were able to close the gap by only one point after the third quarter to 45-43.

Both teams were off the mark at the start of the fourth quarter with the first point — a free throw by Tom Swiss — coming at the 5:07 mark. Two seconds later, John Kahler scored a charity throw and tied the game at 45-45.

Swiss came back about ten seconds later with two free throws and Tom Daniels hit on a set to give the Colts a four point margin. But that was closed quickly at the 3:11 mark when Bob Bush made a set shot and a free throw to tie the game up at 49-49.

Here then was where Northville took over, Swiss hitting a set shot, Jim Juday getting a rebound and Daniels a free throw.

Four Colts hit double figures — Swiss had 15, all in the second half, Daniels 12, Juday 11 and Bill Challance 10.

The second stringers saw most of the action Saturday. Bill Elwell led the win with 12 points as everyone scored at least a point.

SPEAKING for the Record

By Bill Suger

Negotiations between Northville's city council and the school board regarding the paving of North Center street may well lead to a testing ground for a procedure considered by many to be inevitable.

North Center street presents an excellent example of the difficulties that face the city council under its adopted "hands off" policy regarding paving assessments against property owners within the original city limits.

The county's idea to treat old taxpayers in one manner and newcomers in another may be admirable, but is it workable?

Let's look at the North Center street case.

Residents on the east side of the street live within the old city limits directly across from the Amerman school, located in the "new" city. They have pleaded with the council to pave the section of the street between the new cut-off and Northville Heights subdivision because of the heavy traffic to the school and the subdivision.

The school board has shown an interest in contributing to the project if legally possible. But the city's proposal to special assess the school side of the street and pay the residents' side from general funds is not legally acceptable to the school.

Their attorney points out that the assessment should be made in proportion to the benefits derived.

And the council can't believe that the residents' side of the street derives no benefit and therefore should go unassessed.

Thus the council is considering a lesser assessment against the east side of the street — perhaps 10 to 25 percent of one-half — on the theory that the school side derives more benefit on the basis of traffic and use.

This might hold water. But will it be acceptable to the residents of the original city limits? Their argument has always been that they have contributed to the paving of other city streets from general tax funds so why should they be called upon to pay a special assessment?

For this reason the council has adopted its present policy.

Now, however, because of the pressure by residents to improve North Center street, the council has decided to test them.

Do they want the street paved badly enough to pay a small assessment?

If they say yes, it's logical to assume that other residents within the original city limits might have their streets paved sooner if they are willing to pay a portion of the cost.

Regardless of the North Center street decision, however, the city will always be faced with the question of "proportion of benefit" whenever it attempts to assess one side of the street and not the other.

Michigan Mirror

Statewide Vote Check Planned

The complicated problems surrounding elections in Michigan are getting a close look from the Elections Division of the Secretary of State's office.

It's not a question of honesty, just procedure.

Robert M. Montgomery, the former state legislator who directs the Elections Division, says every city, village, township and county in the state will be checked before the inquiry is finished.

He says the job may take two years, or it may take three, but the idea is to look over the procedures used by the various units.

The study got underway shortly after the election of Nov. 8, 1960. Montgomery's division is the only state agency which has any administrative supervision over local election officials.

But it also lacks any real power to compel the local authorities to make any changes, except court action in the case of wrongdoing.

Generally, there is no dishonesty among local election officials and workers, Montgomery says.

And full-time clerks of local units of governments are quick to make sure their operations conform to the election laws, he said.

In the smaller units of government, however, a clerk is often only a part-time worker. The complicated election laws are easily misunderstood and records sometimes go awry.

Training sessions are held and procedures are checked before election times. But considering there are more than 1,500 precincts in the state, there is much room for more training.

Publications from the Elections Division detailing methods of operation and changes in election law are also circulated.

Chief aim of the overall checking operation that is going on is to get elections authorities off on the right foot and familiarize them with the proper steps to take.

Besides helping the local officials to do their best at election time, the Elections Division has functions of its own to perform, and also acts as a staff for the Board of State Canvassers.

When elections irregularities do crop up, either through design or as is more often the case, through simple mistakes, Montgomery's division investigates and takes steps to correct them.

Commercial exploitation of state-owned recreational land creates questions that will mount and multiply as Michigan's economy grows and diversifies.

On the one side are those who say woods and waters should be conserved to the utmost for pure enjoyment.

On the other side are the proponents of growth, some of them selfish and others seeking help for the state economy who insist that a regulated program of mineral and timber use on public lands will have no ill effects.

Like most public questions, this one is far more gray than black or white.

Extreme viewpoints exist on both sides. There is sentiment in some places that any oil-drilling, iron-mining or timber-cutting is nothing more than a rape of the wilderness.

There is also feeling among some that a refusal to permit

reasonable exploitation is blind adherence to the status quo and a total disregard of economic health.

State agencies, chiefly the Conservation Department, are caught in the middle of the hassle because they must decide when, where and how any commercial operation on state lands will take place.

The "reasonable use" policy has long been followed in decisions by state officials.

But determining just what is "reasonable use," particularly when subjected to barrages of argument from various quarters, with opposing interests, is a problem that can only become tougher as the population, economy and pressure of business increase and become more complex.

The happy medium between conservationists and the tourist industry on one side and business and industry on the other is a shifting

and elusive goal.

Michigan's northern peninsula remains accessible and crossable despite the annual spring havoc of roads breaking up.

The "frost free" highways now link nearly every major city in the Upper Peninsula. The announcement is of chief interest to truckers, of course, because it means there are no spring road restrictions on the "frost free" system — except in rare cases of extreme weather.

Highway officials say millions of dollars are saved annually because trucks can travel fully loaded throughout the year.

A total of about 750 miles of the nearly 2,000 miles of state highway in the Upper Peninsula now have the "frost free" designation, officials say.

Improved trucking facilities mean a better — and often cheaper — life for Northern Michigan residents, the Highway Department says.

Roger Babson

National Immunity Ahead

Babson Park, Mass., I am writing this column to further emphasize that Presidents do not make or unmake conditions; but that conditions make or unmake Presidents. This will be tested in 1964, and perhaps at the next Congressional Elections in 1962.

The Democrats are counting upon the various stabilizing measures which have been passed by Congress since 1930 and even before the Depression from which Mr. Hoover unjustly suffered. Let me enumerate ten of these tonics.

1. Social Security, which provides billions of dollars annually to millions of people in pension and dependency payments. This should be a real stabilizer and prevent certain unemployment which would otherwise surely occur.

2. Unemployment Insurance. Presently about 45,000,000 workers are entitled, in an emergency, to unemployment checks from their states. Added to this most states give old-age relief to specially needy persons. Thus latter will be pressed by President Kennedy's proposed old-age aid legislation.

3. Farm price supports, for which several billion dollars are distributed annually to the farmers of the nation. This money will largely filter through to farm labor which otherwise would be reduced.

Hence, this should help as an employment stabilizer.

4. Insuring Bank Deposits. Shortly after Mr. Roosevelt took over the Presidency in 1933, nearly every bank was temporarily closed to prevent more bank failures and alleviate the financial panic then developing. The country was shocked. This resulted in legislation to insure bank deposits up to \$10,000 and to provide more careful supervision of banks. This restored confidence and helped stabilize employment.

5. Mortgage loans were formerly written for five or ten years at a rate of around 6%. Now legislation permits them to be written for 20 years or more at an average rate of 4 1/2%. This is a stimulus to building and real estate, and hence to employment.

6. The Securities and Exchange Commission was established to eliminate "bucket shops" and to give investors confidence to buy good securities. Probably the Mutual Funds, which have had such a tremendous growth during the past few years, were greatly stimulated by the SEC. This helped employment by resulting in the incorporation of new companies.

7. Government Spending was greatly expanded and the money mostly comes back to the people after the government receives taxes from the contractors. This has been the greatest stimulant of employment. Although I pray for peace, this "shot-in-the-arm" no longer exists.

8. Checking Wall Street speculation. Speculation under controlled conditions is a good thing. It enables an investor to have a market available to buy or sell stocks. But before 1929, very little margin was required so that almost every stenographer and elevator operator was buying stocks. Starting at 55% in 1936, margin requirements have subsequently been dropped to as low as 40% and raised as high as 100%; it is now 70%. These under the Federal Reserve System, stabilized Wall Street and again gave it a good name.

9. Labor Unions were encouraged by Franklin Roosevelt. They prevented wage-workers from becoming panicky and management from unnecessarily cutting wages. Although certain labor leaders now go too far, these unions stabilized wages, from which the country then benefited.

10. Inflation — This may be

come most potent of all; but it needs no description here.

When I am in Florida, I look out on acres of orange groves which are being sprayed to kill worms which destroy the fruit. I once asked the foreman in charge how many times he sprayed. He replied: "Now we must spray three times each season because the worms and flies get immune to the old spray. He replied: 'Now we fly and try new ones.'

Now this is how "human nature" applies to the business outlook. Preceding periods of U.S. prosperity did not have the artificial stabilizers that our present period has, but they had others. For instance, the "Prosperity Era of 1848-1858" was inspired by the famous Discovery of Gold in California.

The "Prosperity Era of 1898-1906" was stimulated by the great railroad building. The prosperity of 1898-1906 was stimulated by the consolidation. In all cases, the stimulant or stabilizer was not removed. Gold continued to come from California, the railroads continued to operate; and we continued to enjoy the development of oil and electricity. But we finally became immune to all these stimulations and stabilizers ... because there was no change in human nature.

Frankly, I do not know how to describe it. It seems to take centuries to change human nature one per cent. Comparing today with the days of the Persian, Grecian, or Roman Empire, people seem to have the same swing from Depression, to Recovery, then to Prosperity, and back again to decline and depression.

This is now called the "Business Cycle" — but it is only human nature, which is basically ambitious and selfish, is discouraged and prone to failure; which always over-reaches and then learns only by suffering.

Stimulation has always helped get nations out of depressions. During the days of Discovery which saved Spain; it was the Thirty Years' War which saved Austria; and our own Revolutionary War was the stimulus for the founding of the United States.

But — both as races and as nations we seem to become immune to discoveries, inventions and legislation. We get used to these things. "Eaten bread is soon forgotten" is an old but true saying. I therefore feel that we Americans will someday get used to the ten artificial stimulants mentioned early in this column.

Of course, it takes time for human nature to work. Furthermore, so long as the cold war lasts it may be necessary for the United States to provide full employment and continued prosperity; but the end must come someday.

Official Minutes of The Novi Board of Education

January 11, 1961
The regular meeting of the board of education was called to order by the president, Mr. Heslip, at 8:07 p.m. on Wednesday, January 11, 1961.

Present were Mr. Heslip, Mr. Erwin, Mr. Taylor, Dr. Ambinder, Mr. MacBride, and Dr. Medlyn. Also present were Dr. Leonard Cohen, Dr. Ray Kehoe, Mrs. Josephine Brokaw, Mr. F. W. Fordon, Mr. and Mrs. Glenn Salow Jr. and their attorney, Mr. Phillip Ogilvie, and a number of other visitors.

The minutes of the December 14, 1960 meeting were approved with the following corrections. On the second page, the second sentence was corrected to read "The figure of \$17,800 for building a road one-half mile long" etc. The next sentence was corrected to read "across the far end of the property from Clark Street".

The treasurer report which was approved as read, was as follows:

General Fund 413.82
Lunch Fund 3,951.91
Payroll Fund 400.00
1957 Building and Site Fund 183,152.49
1955 Debt Retirement Fund 17,517.91
1957 Debt Retirement Fund 5,909.68
1958 Debt Retirement Fund 1,175.81

Dr. Leonard Cohen of the Oakland County Board of Education reported on the testing done in the Novi schools in the spring of 1960. The Iowa Test was administered to grades 3 through 8, with students achieving at about grade level in mathematics, language, arts and work study skills. All across the board the students were doing quite well, according to Dr. Cohen. Test scores should be used to give clues to the individuals and the grades are doing, and what areas need stress.

Intelligence tests are used to give an indication of the capacity or ability of the student, and when compared from year to year show how fast a student is growing intellectually. Intelligence tests also give clues to the teacher in evaluating her instruction.

Some sensory testing is done in our schools from time to time. Vision and hearing testing are examples of this type of test. These are gross measuring devices which, when a need is indicated, lead to referral to specialists.

Dr. Cohen expressed a hope that in time in Michigan we might test the gifted or high scoring child and give him special offerings.

In discussing the uses of which test results are put, Dr. Cohen suggested using them for parent conferences to tell the parent what the child is scoring. Readiness testing, which is done at the end of kindergarten or early in the first grade, tells what the child can do, helps determine the reading levels. Reading tests do not measure where the child is in reading, but measure his frustration level.

Some other types of tests are personality testing, which is new, measures emotional reactions; vocational testing is done with high school students, attempting to tell where the student is headed. Aptitude tests measure special ability; of these the Differential Aptitude Test is one of the better tests.

The time of year for giving the tests was discussed at some length. Dr. Cohen stated that country wide there are two peak times for giving the tests, dependent upon the use that is to be made of the results. Tests given in the fall are used for grouping, to know what to expect of individuals or groups. Tests given in the spring are to pass on to the next year. He felt that the main factor is to be consistent through the years.

Dr. Ambinder felt that it is more meaningful to test in the

January 11, 1961, the test data for a full year. He felt there is a tendency when testing in the spring to use the results in testing the teachers rather than the students.

Dr. Cohen repeated that the use of the tests is important. He recommended in-service training of the teachers, calling in outside instruction, in the weaknesses of the tests used. In regard to the use of test results at parent conferences, he felt that parents should not be given IQ ratings but the child's strengths and weaknesses. Teachers need to develop ability in interpreting test results to parents.

In order to comply with the provisions of the NDEA, some testing must be done during the school year. If done now, Miss Soulliere would interpret the purpose and use of the tests to the teachers. Dr. Cohen stated that if the testing were done at this time of year, in between the peak loads for the county's IBM machine, results should be returned in a three week period. When test results are available in-service training should be given to the teachers, in order that they may interpret the results to the parents.

Dr. Cohen stated that in time we may be able to use our test data to develop norms for Novi so that an individual child may be compared to children growing up in our own area.

Mrs. Josephine Brokaw and Dr. Ray Kehoe of the University of Michigan Bureau of School Services reported on the work being done in regard to curriculum improvement. Mrs. Brokaw presented a recommendation for time allotment for grades one through six. Teachers were to be given the time allotment recommendation to adapt to the particular grades.

Mrs. Brokaw stated that a well planned program of in-service training in various areas, particularly in art and music, should be started and should continue.

She mentioned a lack of sequential development or coordination from class to class and found a wide variation from teacher to teacher in time spent on a particular subject. She felt the time allotment for music and art very low. She noted that many of our teachers lack adequate training and some are quite capable and others not. She recommended an in-service training program to develop a common educational philosophy among teachers, develop curriculum guides, share ideas in methodology, give training in arts and other areas.

Dr. Kehoe felt that the quickest way of improving the school was to hire good teachers. He noted attractive features of our system such as a fine plant and nearness to urban centers which made him feel that there was no reason why we couldn't attract outstanding teachers. He suggested the next best thing to hiring good teachers would be to hire a full time curriculum director who would conduct in-service training and carry on teacher recruitment; this person would need to be better than a good elementary principal and would be a \$11,000 a year. Dr. Kehoe stated that with these recommendations the board should not expect too much too fast, but that the district was a good size now to do major work on the curriculum in preparation for a time when rapid expansion of the system might be necessary.

Dr. Kehoe reported that there would be some in-service work with the teachers during the next semester, with representatives of the textbook companies, aimed at choosing a new text series in science and social studies. Other in-service work is also planned. Through the Bureau of School

Services, Novi is to have a permanent working in each of the subject matter areas of Science, Social Studies, Language Arts and Mathematics.

Dr. Kehoe repeated that he felt the need for instructional leadership is of utmost importance. He also stated that the district must consider if a survey needs to be made now or later, planning for priorities in hiring and other action that would need to be taken if spectacular growth should occur. Advance planning of this kind would prevent the necessity of making decisions on a crash basis during rapid expansion.

Mr. Phillip Ogilvie reported to the board that the abstract on the Salow property had been certified up to date. He asked that one of two changes be made as far as payment; he proposed

1. A cash sale now, or
2. 29 percent now, and the balance in January 1962.

Mr. Heslip suggested that a meeting be held in regard to the Salow property on Wednesday, January 18 at 8:00 p.m. Mr. Paul Meredith, the board's attorney, was to have been advised of this meeting date. Mr. Ogilvie proposed that a deed to 20 acres might be made available with a payment of 29 percent of the cost of the land.

Mr. Heslip reported on the bidding for the boiler insurance for the Novi School in which there had been an error in the quotation of Novi Realty. On broad coverage of \$100,000, Mr. Frazer Staman's bid has been \$449.13 while that of the Novi Realty had been \$424.65, later corrected to \$464.55.

It was moved by Mr. Erwin and supported by Mr. Taylor, to take steps to take the boiler insurance with the Hartford Steam Boiler Co., and ask for a refund from the Novi Realty. If for any reason cancellation with Novi Realty would result in a cost greater than the bid of Hartford, the matter was to have been reconsidered by the board. The motion carried.

Dr. Medlyn was to obtain bids for the fire insurance policy on the Novi School which was to have expired in January.

Mr. Fordon of the F. W. Fordon Company was present at the meeting to learn what action might be taken on the architect's report. The report was tabled due to the board's dissatisfaction with the tile field. Dr. Medlyn suggested that a meeting might be held during the daytime with Mr. Fordon, the architect, and a committee of board members.

Dr. Medlyn was instructed by the board to contact Mr. Carpenter, the attorney, for an opinion about how the cost of re-constructing the field might be shared, if the field should fail in the future. Mr. Medlyn was also to contact Mr. Chas. Lane's office for signatures on the change order that had been received with the architect's report.

Consideration of the finance committee's budget was tabled until the February meeting, as were the bids on lighting for the Novi School.

Mr. MacBride was to contact two citizen's committees for reports to be presented at the February meeting.

COMMUNICATIONS.
An invitation had been received from the Teachers' Salary Committee inviting board members to a meeting on Tuesday, January 24 at 7:30 p.m. Dr. Ambinder was to attend this meeting.

It was moved by Mr. MacBride and supported by Dr. Ambinder, both of the audit committee, that current bills be paid as presented. The motion carried. The bills follow:

General Fund Bills, \$7926.76
Lunch Fund Bills, \$979.82
The meeting was adjourned at 11:55 p.m.

Respectfully submitted,
Russell Taylor, Secretary

NORTHVILLE

telephone lines

By HUGH C. BRONAUGH, Manager
Do you often find your "Two-Party" line BUSY when that important call must be made?
I agree it's frustrating to say the least. Actually, if you stop to think about it, it's not "Two-Party" but a "Two-Family" line you share.
In all probability each family has 4 or 5 members who are telephone users. We know the calling habits, in most families, are about the same.
Our records indicate the peak hours are 10:00-11:30 a.m., 3:00-4:30 p.m. and 7:00-8:30 a.m.
I'm glad to say that private lines in Northville are now available. Why cause the old blood pressure to rise when, for a few pennies a day, you can have the very best. Call your local Service Representative or GL-3-9900 and she will make the necessary arrangements for you.

A VERSATILE LITTLE INVENTION called the thermistor (short for thermal resistor) has proved a boon to your telephone service. This supersensitive device—no bigger than a tiny bead—keeps telephone voice transmission at uniform volume. Volume can vary with temperature, and thermistors, reacting to heat and cold, keep the voice level constant. Developed by Bell Telephone Laboratories, millions of them today are hard at work in your nation-wide telephone network. Tiny and efficient, thermistors are another example of how your Telephone Company is constantly working to help keep down the cost of your ever-improving telephone service.

A NEW HOME TELEPHONE service is now available from Michigan Bell. It's called Home Interphone. Here are some of the wonderful things you can do with it • talk by phone from room to room; the person you call can answer "hands free" • answer the door from any phone (via a microphone-speaker by the door) • "hold" and transfer incoming calls to another telephone in the house by using the telephone to page the person being called. Home Interphone is a new Bell Telephone product that makes your telephone service more useful and convenient than ever.

Northville Council Minutes

A regular meeting of the Northville City Council was held at the City Hall Monday evening, February 6, 1961, at 8:00 p.m. Present: Mayor Allen; Councilmen Canterbury, Juday, Reed and Welch.

Minutes of last regular meeting and of two intervening special meetings were read and approved.

Bills amounting to \$21,778.63 from the General Fund, \$285,671.76 from the Other Government Fund, \$2,606.90 from the Water Fund and \$1,000.00 from the Water Construction Fund, were presented for payment. Moved by Juday, supported by Reed, that these bills be allowed and paid. Carried unanimously.

A letter from the Michigan Week Committee asked that the city appoint a chairman for the Michigan Week at an early date and forward them the name. City manager was instructed to contact the Junior Chamber of Commerce to find out if they would care to participate.

Mgr. Robertson reported that the Joint Library Committee met and appointed Edmund P. Yerkes chairman and Elizabeth Beard as secretary. Mr. Kaiser, of the Wayne Co. Library Board will be present at the next meeting, to be held February 28.

Budget report was distributed to council members, which shows the city is staying within its budget. Mgr. Robertson stated that \$15,000 set aside for sewer will not be used for that purpose, and could be used for street improvements before the end of the fiscal year.

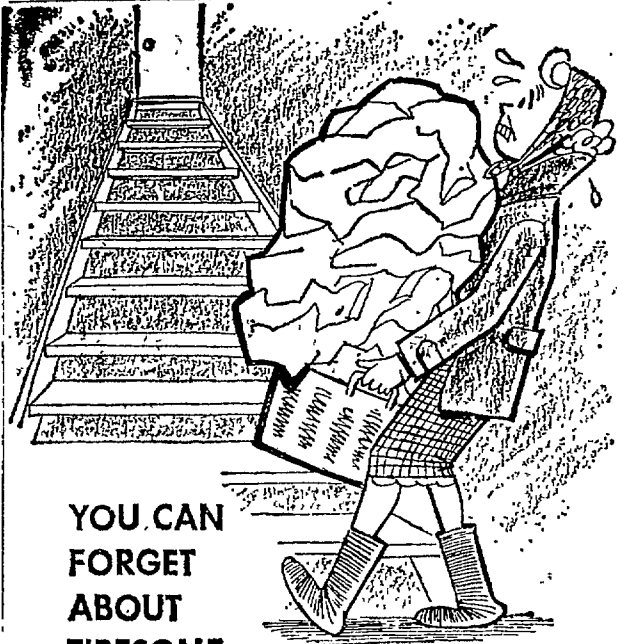

Regarding frost problems with water lines, the council has determined that where freezing occurred on owner's property it is their problem, and where it is in the street the city is responsible. Water lines are being thawed with portable arc welding equipment.

The public hearing on the vacation of West St. was again postponed to March 6, 1961, at which time the School board will be requested to have representatives present to answer several questions which must be resolved before the City Council takes action on this

SOME PETUNIA—Mrs. Leslie Alger of 256 Griswold was amazed when the petunia plant she brought in last fall suddenly blossomed into a 36-inch high plant with five to a dozen blossoms.

READERS SPEAK:

RR's Hurt Auto Haulers

Dear Editor

I have been placing articles for drivers' wives in all the local papers. I want to enlighten the general public about what the loss of E & L Transport Co., and Automobile Transport Co., Wixom means. My husband has eight years seniority, almost ten thousand dollars in his truck and equipment. He also has an eight year safety award from the National Safety Council and a perfect work record. There were eight hundred drivers at both these terminals of which maybe 120 are left. This is a great economical loss not only to Novi and Wixom, but to all communities and the nation. These men spent money for food and lodging, gasoline and repair all up and down the road.

Railroads do not spend money in any local business, nor do they spend any going up and down the road. I have yet to see a freight train stop to change a tire or assist anyone in distress.

A typical truck-trailer rig pays \$2,013.00 in special state taxes per year. A typical passenger car pays \$47.00. The same truck is paying annual Federal highway taxes of more than \$967.00 whereas the auto owner pays \$27.00 in Federal taxes. I'm wondering where the highway funds are going to come from when the truck trailers have been obliterated from the road by the already rich railroads. Railroads are rich because they have been subsidized out of Federal funds. The Federal Funds came out of taxes paid by you and I. In other words the truckers were taxed so they could be put out of their jobs.

Won't you please write Senator Pat McNamara and Senator Philip A. Hart, Senate Office Bldg., Washington 25, D.C. and ask them to repeal Section 15a3 of the Transportation Act. This law is discriminatory to the trucking industry and to many other businesses which are dependent upon the trucks for a livelihood. Motels, restaurants, gas stations, garages, mechanics, waitresses, linen services, tire manufacturers and many more.

I am a mother of three young sons and I'm trying to save my husband's job and many others. Won't you please help me by writing to your senators and protesting this unfair law. Lt. Governor Lesinski has promised to help us.

Yours truly,
Mrs. Wanda Moorman

Police Review

Responsibility of Pedestrians

By Eugene King
Northville Police Chief

Many pedestrians have the feeling that it is the responsibility of a motorist to be on the watch for them. This, of course, is not true. Under our state traffic laws and the Traffic Ordinance of the City of Northville, the pedestrian also has some responsibility.

Traffic control signals are placed at street intersections for the motorist as well as the pedestrian. A pedestrian must always cross the street with the traffic signal and lawful flow

of traffic. Motorists who are traveling with the traffic signal in their favor and wish to make a right or left turn must, by law, yield to pedestrians who are crossing the street with the lawful flow of traffic. This does not mean that pedestrians shall suddenly leave the curb, or other safe place, and walk or run into the path of an automobile which is so close that it is impossible for the driver to yield the right of way.

If a motorist stops his vehicle at either a marked crosswalk

or unmarked intersection to allow a pedestrian to cross the street, it is unlawful for vehicles approaching from the rear to pass this vehicle. This has been observed as a common violation, especially in the business district. This, of course, would not happen if all pedestrian laws were understood and obeyed.

There are other sections of the traffic ordinance that prohibit "jaywalking"—crossing a street in a business section except at a marked crosswalk. All of these laws are made to

protect lives and provide safety for everyone on our public streets. Here in the City of Northville, we have had very few pedestrian accidents. This does not mean that we can become overconfident and think that all these rules do not apply to us because our record is so good. It does mean that we should all become more interested and take extra precautions to keep our good record. Copies of the Traffic Ordinance are available at the Police Department for anyone wanting further information.
