

Cagers Rout South Lyon in District Play

FINGER-TIP CONTROL — Steve Showerman (21) and Craig Bell (42) battle for possession of the ball in Tuesday night's District action at Milford. Looking on are Mustangs Don Busch (54) and Danny Brown (32). Northville, led by Brown's whopping 42 points, walloped South Lyon, 93-82, to gain the finals at 7:30 p.m. Friday.

Brown Scores 42 In 93-82 Upset

The Northville Mustangs working and playing and shooting and winning like they never have before, walloped South Lyon Tuesday night, 93-82, to advance to the finals of the Class B Districts at Milford.

And leading them on to their record total was 6-foot-2 center, Danny Brown, with 42 points. The blond, slim junior hit from all angles as he enjoyed his greatest night along with the rest of his mates. There wasn't a shot in the book that he didn't make — rebounds, hooks (both from the right and left), tap ins.

Big Night for Brown!

Debaters Win In State Meet

Northville high school varsity debaters battled their way to the state Class A quarterfinals February 28 by defeating a scrappy team from Royal Oak Kimball high.

Tuesday afternoon they will take on Battle Creek Central high school debaters in a contest to decide which team will compete in the state semifinals. The debate, scheduled for 4 p.m. in the high school auditorium, is open to the public.

Miss Florence Panatoni, coach for the local squad, described the Northville-Royal Oak Kimball match as an excellent debate, "the best I've heard in a long, long time," she said. In that debate, Mike Adams and Dennis Gilbert argued the affirmative side of the proposition: "Resolved: That the United Nations should be strengthened." The same pair will take the other side of the question in Tuesday's contest.

Judges from Western Michigan university, the University of Michigan and Michigan State University will deliver the decision.

All totaled, Brown hit for 13 baskets and an amazing 16 of 18 free throws for his total. He had 27 points at the half.

Northville meets the winner of the Milford-Brighton game at 7:30 p.m. Friday. The game met last night.

It was a nip-and-tuck start with the Mustangs finally grabbing the lead, 15-14, with 2:23 to go in the first quarter. Brown tapped in a missed foul shot to give the locals the margin, one that they built to three points, 22-19, at the end of the quarter.

Then, in a sizzling 26-point second period, Northville just about chased South Lyon off the floor. Steve Juday and Brown scored all but four of the points between them.

Juday connected on four jumpers and two free shots while Brown had the crowd oohing and aching as he sank eight straight free throws and two baskets.

Lions' scoring ace, pudgy Jack Wren, did most of the work, scoring 10 of his squad's 19 points. At the half, Northville led, 48-37. He wound up with 38 points.

If fans had any worries about the Mustangs folding after their stunning first half, these were quickly squelched. Two quick baskets in the opening seconds gave Northville 13 point edge, and it grew to 17 with a little less than three minutes to go.

A rush closed the gap to eight, the closest South Lyon was to get for the rest of the game. Another 26-point quarter by Northville salted away the win, a sweet one for hard-working Dutch Vaningen and his happy crew.

Coch Vaningen took out his starters with 2:23 left in the game, leading by 22 points. South Lyon swiped at the second stringers to bring the spread down to the final 93-82 count.

Juday was second high for Northville with 19 points, despite sitting out the entire third quarter. He incurred four personal in the first half.

If there is anything remarkable besides the Mustangs surprising scoring punch, it was their ability to make South Lyon play their style of game. Statistics show that Northville was called on fouls 23 times, South Lyon 26. But the big difference was the locals' accuracy, taking advantage of those precious one-and-one situations. They made 29 of 40, 73 per cent.

South Lyon hit 71 per cent, making 22 of 31 attempts. Northville had just two more field goals, 32 to 30.

But the Mustangs were hot. In the first half, they shot 43 per cent and in the second half, 66 percent. Final figures were 32 for 61 or a good 53 percent.

Jaycees Want Work!

"All dressed up and no place to go." That pretty well describes the feeling of Northville's newly formed Junior Chamber of Commerce.

"We're looking for one big project that will help the entire community," President Bob Prom stated.

With 19 active members and seven more about to join, the Jaycees need only an idea to get them really rolling.

"We wish that people would suggest a project — anything that we might do to boost the community," Prom said.

The group has undertaken money-making projects and is currently planning a horse show for August.

But they need a project on which to spend their money — when they get some — as well as their combined energies.

"We've thought of promoting a program for tennis courts in the city, for example, but we're not sure that other projects might not be better," the young grade school teacher pointed out.

Right now the Jaycees are considering plans to help conduct the annual Michigan Week promotion, stage a teen-age auto rodeo and hold an Easter egg hunt.

But a big project still remains to be found. Any ideas? If so, contact Bob Prom.

John Richter: Blindness No Handicap

Listening to John Richter talk is like getting an education.

Before you can get away, he'll relate yarns about Novi of yesterday when Grand River was nothing more than a cow path, and about his annual coon hunting expeditions in the fall, about his grade which is repairing farm machinery, air-cooled engines ("That's my specialty") and lawn mowers.

And he'll tell you all these things and more while taking you around his home and garage at 26444 Taft Road at Grand River and his workshop three doors away at 26555 Taft Road.

But there's another little item that Richter will tell you about. And he has to, too, because from just a first observation, you would never guess that the 57-year-old repairman is blind.

"I can distinguish light from dark," he says, but for all practical reasons, Richter is blind and has been since 1940 when an iron wedge flew off an axe while he was splitting logs and broke his glasses, cutting his right eye. He lost his left eye when he was 10 years old by an accidental dynamite explosion.

Richter, a lifetime resident of the Novi area, has been at home around engines and machines for many, many years now. In 1923, he received a diploma from the Michigan State Automobile School in Detroit. In 1934, he worked in the Oakland county forestry department until his accident five

years later. For a while, he lived in Clarkston and moved to his present seven acre plot in 1943.

His property includes a home, garage, barn (about 20 feet by 40 feet) and several small buildings. There are two Walker coon dogs, — King and Joe — and ten steers. Richter feeds the steers and cleans the barn. His wife says there isn't too

much that he doesn't do even if he had full sight. His workshop, of course, is his domain. He rules supreme there as no other man could. With shelves galore packed with parts and tools and supplies and a thousand other odds and ends, he knows where they are located and what they look like by his method of "touch and re-

member."

His memory is sharp. It has to be. He depends upon it for his livelihood. He likes to tell you about the time a neighbor brought over his lawn mower, complaining that it wanted to run away all the time.

Richter's "touch and remember" method went into operation. The trouble was simple — a tiny piece of stick had stuck

in the throttle and bent a wire, causing the machine to want to "run away." He had the mower fixed before his neighbor knew it.

Richter has some interesting theories on repair work and advertising. And the theories all go back to his motto "Honest Advice."

"I don't like to hold a man and his work up," he says firmly. "If a customer brings his machine to me and wants it repaired and I tell him that it would be cheaper to probably buy a new one, I'll tell him so.

"But if he insists that I fix it, I will because I need the work."

Something else that grips Richter particularly is a customer who just wants his mower "fixed so that it runs."

"That isn't the way I operate. I'll fix something only if the man wants a good job and not something in a hurry. He's wasting money and I'm wasting time," Richter said.

His wife points the signs telling of his service. She does all the paperwork. She will use a capital letter in the middle of a word or put in a backward "s". What Richter would like to have done someday is this: A large poster showing a man holding a sledge hammer in one hand and a crowbar in the other. And underneath the drawing, the words: "Doc John's Cure for Baky Motors."

"That would make 'em stop and look. They'd probably think 'What is this place' and then come in and see," Richter believes.

During the winter months,

The Northville planning commission Tuesday night passed along two proposals to the city council that will pave the way for construction of a \$300,000 apartment building project within the city this summer.

In its first action the nine-member board proposed establishment of a new zoning classification for multiple dwellings, R-2-A.

The planners then approved a motion to re-zone the proposed site of the apartment project to this new classification. Located on the south side of Baseline road near the end of Taft road and the junction of the Eight Mile road cut-off, the five acre site is owned by John Jones and adjoins his residence at 673 Baseline.

Developer of the project is Davison Obenauer. His firm will build the apartment buildings and Obenauer will retain joint ownership in the project with James Wood of Northville. Wood will manage the project.

Obenauer is no newcomer

to apartment building. His firm recently completed a \$1 million luxury apartment project — Chateau Capri — in Oak Park. In Ann Arbor Obenauer has constructed 18 apartment buildings. After constructing the buildings Obenauer's firm maintains ownership of the apartments.

He pointed this out to planners Tuesday night as evidence that he is interested in constructing quality buildings and keeping the apartments in good repair.

Representing Obenauer, Attorney Herman Moehlman said that plans now call for two eight-unit buildings to be constructed this year. Later two more buildings will be constructed providing a total of 32 apartments. Eventually, six buildings with 48 apartments are planned.

Obenauer said the construction schedule will depend upon the demand for apartments. If the city council approves the planning commission's zoning proposals, construction on the first two units will begin in May, Obenauer said. He expects the apartments to be completed by Labor Day.

The one and two bedroom apartments will rent for approximately \$50 to \$125 per month, Obenauer said. Multiple dwellings now come under R-3 zoning. Planners have considered the new R-2-A zoning for several months to eliminate hospitals, lodges, clinics, private clubs, etc., now permitted in the same zoning classification as multiple dwellings. R-2-A will permit apartment houses and home occupation dwellings or any residential units of a more restrictive classification.

Only one property owner residing near the proposed apartment site appeared at Tuesday's hearing. Harold Hartley, 602 Randolph, told planners he had no objections to the project.

Planners Act To OK Zoning For Apartments

Paving Plan Sets Cost to Residents

A plan to pave North Center street calling for special assessments to be invoked against all abutting property owners was submitted to the city council Monday night.

Prepared by City Manager John Robertson, the report had been requested by the council to help break the deadlock that has blocked efforts to pave the street in the past.

The report considered three portions of the street — from the Eight Mile road cut-off to Ely drive south; from Ely drive south to Ely drive north; and from Ely drive north to the city limits. In that order, estimated costs of the projects are \$19,556, \$21,010 and \$16,057, respectively. The costs include curb and gutter and concrete paving.

North Center street residents living along the east side between Eight Mile road and Hill street have long urged the city — and school — to improve the street.

The property across from these residents is owned by the school district and is the site of Amerman school.

Both city and school officials have indicated a desire to have the street paved but as yet have been unable to agree upon a procedure for financing the improvement.

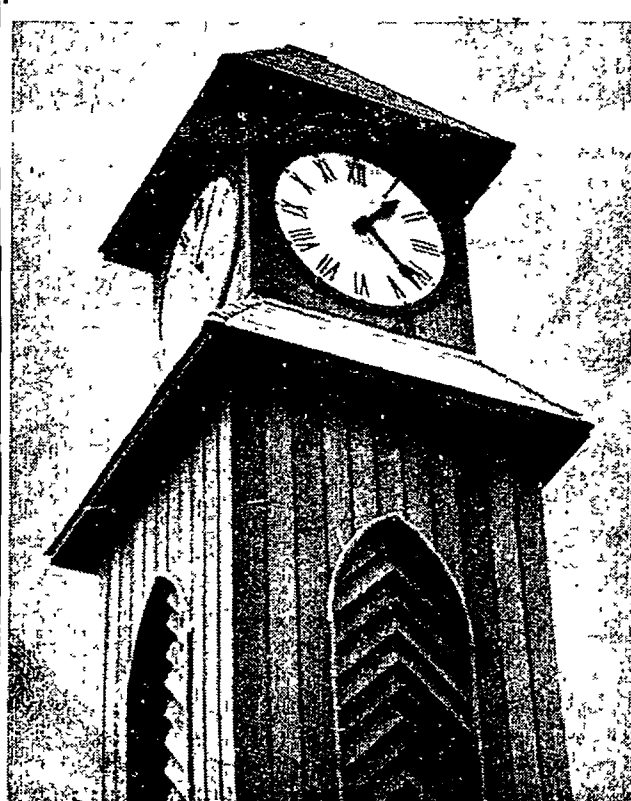

An indication by School Attorney James Little that the school could legally participate in a special assessment for the improvement if some portion

Review Boards Meet In City, Township

Board of review meetings began in Northville township on Tuesday and Wednesday this week and will be resumed at the township hall next Monday and Tuesday from 9 a.m. until 4 p.m.

City hearings are scheduled Tuesday at the city hall from 9 a.m. until 4 p.m. and on Wednesday from 7 p.m. until 9 p.m. The hearings are held to permit property owners to check their assessments and levy protests if desired.

Testing—Ding, Dong

THE OLD CITY clock, rebuilt and now owned by the First Methodist church where it rests atop the new tower, is keeping time again and ringing every hour. But C. Oscar Hammond, chairman of the board of trustees, isn't sure it's loud enough. They're testing it at different volumes and awaiting reaction from residents. The electric clock has a five-foot face and is illuminated at night.

Settlement Finally Near On School 'Sidewalk' Site

City councilmen pushed through one bit of business Monday night that has been pestering them for several weeks.

They passed a resolution to vacate West street between Main and Cady streets — providing the school board accepts certain terms.

Normally, vacating a street is a simple procedure — especially since the street has been closed to vehicle traffic for several years. But the council received a petition from residents of First and Cady streets requesting that the street be kept open for pedestrian traffic. They pointed out, through spokesman George Kohs, that the block between Wing and Rogers is extremely long and should have a pedestrian cross-walk.

The school board has maintained that the city had agreed to vacate the street — no strings attached — when the community building was sold to the city. The walk is between the community building and the junior high school.

Monday night William Crump and Donald Lawrence, school board members, appeared before the council and explained the school's position again. They admitted concern for the public.

Wednesday, March 15
Past Matrons club, 7:30 p.m. Mrs. J. L. McKinney, 131 Rayson.

about WOMEN

HONORING NEW MEMBERS — Officers and board members of the American Association of University Women hosted a tea for new members Saturday afternoon at the home of Mrs. B. William Secord, branch president. Welcomed into the chapter (left to right) were Mrs. Arthur Basel, Mrs. Harold Wright and Mrs. A. D. Postma. Seated is Mrs. Secord; Mrs. Bernard Bach, publicity chairman, is at her right. Another new member, Mrs. James B. Mackinnon is not pictured. Pouring at the annual spring tea were Mrs. Lawrence Monry, Mrs. Richard Fritz, Mrs. Donald Sutherland and Mrs. Sidney Cady.

50th Anniversary Party Honors Charles Conklins

Mr. and Mrs. Charles Conklins celebrated their 50th wedding anniversary last Friday at a reception in the Skyline room of Lofy's Arbor-Lill.

More than 100 guests from Northville, South Lyon, Birmingham, Dearborn, Detroit, Pontiac and Port Huron fettered the couple.

The Conklins, Northville residents for 48 years, live at 41400 Seven Mile road. They were married in Kalamazoo on March 6, 1911. Mrs. Conklin is the former Fern Hummel of Three Rivers, Michigan; her

husband is from Hartford, Michigan.

The families of their two daughters, Mrs. Walter Constable of Norwich, New York, and Mrs. Harry Rodgers of Pacoima, California, were unable to attend the reception. Mr. and Mrs. Conklin also have eight grandchildren and three great-grandchildren.

For the golden anniversary celebration, Mrs. Conklin was dressed in a lilac satin, ballerina length gown. She wore lilac gloves, purple shoes and a small flowered hat of lilac and pink roses. Her corsage was a large, lavender orchid.

Mrs. Arthur Lake of Birmingham served punch to the guests. Mrs. Clinton Miller of Pontiac and Mrs. L. W. Snow of Northville poured. Cutting the wedding cake was Mrs. Clyde Schoultz, also of Northville.

The buffet table was covered with a white cloth decorated with gold bells and napkins to match. The centerpiece of yellow roses was adorned on each side by a silver candelabra with gold candles. Tea sandwiches, nuts, candy and ice cream were served to the guests seated at individual tables.

There was dancing, too, opened by the bride and groom waltzing to the strains of the "Anniversary Waltz". Music was provided by Art Smith's quartet with Jack Fairchild at the organ. Bob Miller of Pontiac sang "Without a Song".

Invite RN's

Northville registered nurses are invited to attend a meeting of the Plymouth Registered Nurses (PRN) for Civil Defense at 8 p.m. Monday, March 13 in the Plymouth high school library.

The film "Better Medicine for a Better World" will be shown by a Parke Davis representative.

Girl Scout Week Starts Sunday, Ends With Party

"I've got something for the girls of Savannah, Georgia 49 years ago — girl scouting has grown to number almost three and a half million members throughout the nation."

Juliette Gordon Low, fashionable society woman and gracious hostess known on both sides of the Atlantic, kept her promise and founded a national organization that has been enjoyed by almost 17 million girls and adults.

The movement she pioneered was the Girl Scouts of the United States. From that first troop of 12 girls — started under "Daisy" Low's personal

guidance in Savannah, Georgia 49 years ago — girl scouting has grown to number almost three and a half million members throughout the nation.

Next Saturday (March 18) at 2 p.m. in the Community building, Northville scouts will commemorate the 49th birthday of girl scouting in this country with a gala party for troops, their leaders, sponsoring groups and friends. The annual celebration will be a fitting climax to Girl Scout week, which begins Sunday.

News Around Northville

Mayor and Mrs. A. M. Allen, 490 Griswold, returned last week from a 10-day trip to Missouri where they visited relatives.

Mrs. L. P. Logeman is back in her Sioux Falls, South Dakota home after spending two months at the homes of her son, Charles F. Logeman, 795 Grace, and daughter, Mrs. W. P. Madigan, 4277 Eight Mile road.

Mr. and Mrs. Ralph Foreman, Jr. returned to their home at 49711 West Seven Mile road after a vacation in Clermont, Florida.

Mrs. Cecil Thompson recently returned from a three-week stay in Hollandale, Florida with her sister-in-law, Mrs. Alfred Stinchcomb. She attended the funeral of her brother-in-law, Alfred Stinchcomb, who was killed instantly when a passenger train struck his car January 29.

The Stinchcombs celebrated their 50th wedding anniversary last July 2 at a gathering in the American Legion hall here.

Mrs. Thompson's son, Lee, accompanied her to Florida.

Thirty-seven Northville area persons now living or visiting in Florida got together for the Second Annual Florida-Northville picnic February 25 at the community building in Minnetonka, Florida.

Next year's picnic will again be held in Minnetonka sometime in mid-February. Ralph F. Foreman, George R. Simmons, Charlie Schoultz and N. J. Schweizer, secretary, will repeat as the entertainment committee.

Jim Cogar, nine-year-old son of the Wilford Cogars, looked so much like "Honest Abe" that he won a prize for being the most originally dressed at a Washington-Lincoln party in Salem Federated church.

His outfit — complete with top hat and bushy beard — was the work of his mom and sister.

Births

Mr. and Mrs. John S. Angell of Meadowbrook road announce the birth of a son, Ronald Stuart, weighing six pounds, nine ounces, on March 3 at Community General hospital.

The Angells are also parents of a three-year-old daughter, Bonnie Jean. Mr. and Mrs. Thomas Campbell of Wing court and Mrs. Harriet Angell of West Cady are grandparents.

Dr. and Mrs. H. Lorne Dyer, 20333 Valley road, announce the February 2 birth of a son, John Darryl, weighing nine pounds, one ounce.

PLYMOUTH

The party was given for young people of the church.

Marianne J. King, sophomore in the Liberal Arts college of Northwestern university at Evanston, Illinois, was commended by Dean Simon Leland for having completed with distinction work during the past quarter of the school year. She is the daughter of Mr. and Mrs. Charles F. King, 19911 Woodhill.

Former Northville residents, Mr. and Mrs. David Yurack and their two children, traveled from Gaylord last weekend to visit with her parents, Mr. and Mrs. Robert Boyd of Horton street.

Jaycee Women Tap Mrs. Ely

The newly formed Northville Junior Chamber of Commerce auxiliary last week elected Mrs. Charles Ely Jr. as president. Also elected to office were Mrs. Robert Norton, vice-president; Mrs. George Miller, secretary and Mrs. Eugene Matoney, treasurer.

The auxiliary members will work in conjunction with their Jaycee husbands and also undertake community service projects. Among these will be assistance to needy families and visits to surrounding hospitals and many more.

Several committee heads were also named at the March 1 meeting after the new officers were elected. Mrs. Walter Ribant was appointed membership chairman, Mrs. Robert Prom as ways and means chairman and Mrs. George Miller as head of the telephone committee. Further appointments will be made at the next meeting.

Plans are now underway for the installation dinner to be held in April. The group is already planning its first fund-raising project in the form of a bake sale slated for April 7.

HOW TO LOOK

"SIMPLY DIVINE"

Start with you. That final deft touch to the hair-do. A dab of bewitchment from the perfume bottle. A hint of color to the cheek. Then, don apparel that's fresh as a breeze, bright as a blossom . . . clothes dry-cleaned by Ritchie Bros.

You'll look . . . you'll be . . . "simply divine". Call us.

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

SUMMER brought the John S. Gorczynskis and their twin sons, John and Peter, to Northville. The move ended the newcomers' six-year residence in Redford.

While Gloria (Mrs. John S.) Gorczynski labels she and her husband "very ordinary people", the couple actually belongs to a somewhat unique group. They're parents of twins, a position occupied by only about one in every 85 Moms and Dads.

The Gorczynski's 11-year-old sons — John and Peter — are sixth graders at Amerman school. Although far from being identical, both boys, says Mrs. Gorczynski, like living in the country and love all sports.

Late last July the newcomers moved here from Redford. They had lived there six years. Their new home is at 883 Allen drive in the Village Green.

A former school teacher, John Gorczynski taught social studies and math and was athletic director at private schools in Kentucky and Massachusetts. A native of Pennsylvania and a Harvard graduate, he now works as a representative for Gulf Oil. His hobby is photography, one of his favorite pastimes, reading — particularly a good history book.

The greater Boston area is home for Mrs. Gorczynski. She got her secondary education at a boarding school in Montreal. The homemaker does a little oil painting, "just for fun", and sews when the mood strikes her.

Kitchen Diary

Cub Scouts Asked How To Whip Up This Treat

When a pack of Cub Scouts is so crazy about an eating treat that they not only ask for the recipe but even go so far as to write it down, you better believe that special something is mighty good.

That was just the case when the boys sampled chocolate toffee bars like the ones Mrs. Richard F. Endress, 19550 Clement road, makes. She wasn't the den mother in the above incident, but she's got three youngsters of her own who waste little time when it comes to polishing off a batch of chocolate toffee bars.

And they like Mom's easy-to-make apricot bars, too. In fact, it's a toss-up as to which is really the favorite around the Endress household.

CHOCOLATE TOFFEE BARS

Mrs. Richard F. Endress

- 1 cup butter or margarine
- 1 cup light brown sugar
- 1 egg yolk
- 2 cups flour
- ¼ t salt
- ½ cup chopped nuts

Cream butter and sugar; add

APRICOT BARS

- 1½ cup flour
- 1 cup brown sugar
- 1 t baking powder
- 1½ cup oatmeal
- ¾ cup butter or margarine
- 1½ cups apricot preserves

Combine all of the above ingredients except the apricot preserves. Spread two thirds of the mixture on the bottom of a 9x13 pan. Spread the apricot preserves on top of the mixture. Sprinkle the remaining crumb mixture on the top. Bake at 350 degrees for 35-45 minutes.

Past Matrons Meet

The Past Matrons club will meet Wednesday evening, March 15, at 7:30 in the home of Mrs. J. L. McKinney, 131 Rayson. Assisting the hostess will be Mrs. E. M. Bogart and Mrs. Edward Seitz.

TO ATTEND 3-DAY MEET
High school Principal E. V. Ellison and Assistant Principal F. Stefanski will attend the North-Central Association of Colleges and Secondary Schools meeting in Chicago March 24 to 26.

Heads Regional Committee

Mrs. Carlson Gets Red Cross Post

Representatives from the seven branches of the Detroit Red Cross chapter elected Mrs. A. C. Carlson, Northville branch chairman, to head a Regional Advisory committee that will correlate efforts of volunteers and staff working in the region.

Mrs. Mable Cooley, 133 East Dunlap, was named to the region's executive board. The seven branches represented at the meeting are served by the Northwest Regional office at 32134 Plymouth road in Livonia (GA 4-0220). The office is open from 10 a.m. to 12 noon and from 1 to 3 p.m. Monday through Friday. Information about any Red Cross service and supplies is available there.

Part of this money goes to sustain the Red Cross Blood program. Five counties are served by the blood program of the Detroit region. Some of the blood donated is used for whole-blood transfusions, part of the supply is processed into derivatives which are needed for jobs that whole blood alone cannot accomplish.

During the last fiscal year, 79,258 pints of blood were collected, of which 69,764 pints went to patients in 107 area hospitals and 41 hospitals in other parts of the country. The regional center also distributed 1,013 units of fresh frozen plasma, 867 units of packed cells, 392 units of serum albumin, 149 units of fibrinogen, and 21 units of antihemophilic globulin without charge for the product.

For purposes of fractionation and research, 7,367 pints of whole blood were sent to the Michigan Department of Health and another 2,178 to the Wayne State university School of Medicine.

Some 454 men and women in Wayne county alone volunteered 76,404 hours of their time to make the collection of blood possible.

NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fieldbrook 9-2428

Mrs. L. Rix

Mrs. Hiram Holmes and Mrs. John Klaser had lunch in Detroit last Wednesday and later attended the stage play, "Sound of Music."

Mary Holmes, daughter of Mr. and Mrs. Hiram Holmes, modeled in a spring fashion show in Farmington at the Elks hall Saturday.

Fred Steiner, Sr., has been a patient in St. Mary hospital in Livonia for the past three weeks. He underwent major surgery.

Mr. and Mrs. Garland Killen of Marlston St. are the parents of a son, Kevin Stimson, born February 24. The Garlands have another son, Jeffrey, who is four years old.

Jimmy Wilenous, celebrated his seventh birthday at the home of his parents, Mr. and Mrs. James Wilenous on Eleven Mile road. Saturday Jimmy had 18 children as his guests, also his aunt, Carol LaPlante, and his grandmother, Mrs. Rex LaPlante.

February 19 Ronny Wilenous was five years old and Vickie LaPlante was three years old. They had a family gathering with the grandparents and great grandparents and families present.

Michael Bingham was born on Leap year nine years ago. He celebrated his ninth year by taking a group of friends to the show in Northville last Saturday. Michael's parents are Mr. and Mrs. Don Bingham.

Cecil LaFond is in St. Mary hospital suffering from a heart condition.

The Birthday club met at the home of Mrs. Viola Ortwin Tuesday evening. They celebrated the birthday of Mrs. Annie Nichols. The club has a new member, Mrs. Gloria Stoutson.

Mr. and Mrs. Luther Rix attended a family get together to celebrate the 93rd birthday of Mrs. Rix's mother, Mrs. Geo. Tobias, whose birthday occurs February 29. They met at the farm home near Williamston on Sunday.

Mr. and Mrs. Hugh Schram and children spent Saturday with the former's parents, Mr. and Mrs. Roy Schram. On Sunday

day Mr. and Mrs. Roy Schram visited their children and grandchildren, the Hugh Schrams at Grand Lodge.

Mr. and Mrs. Burton Munro are on a trip through the western states. They have visited relatives in Texas, traveled in New Mexico and are now visiting friends in Arizona.

Mr. and Mrs. Geo. Lien returned last Friday from a month's vacation at Port St. Lucie, Florida.

Mr. and Mrs. Clyde Wyatt attended a bridal shower honoring Mr. Wyatt's cousin Shirley Wyatt at Lincoln Park Saturday.

Johnathan Marsh is ill in bed with an infection at his home on Eubank Street at Walled Lake.

Pamela Cummins returned on Tuesday after visiting for several days with friends from out of town.

Mesdames Geo. Webb, John Klaser, Sr., Fred Mandik, Frank Pennell, Ethel Smith and Margaret Williams attended a luncheon at Highland Park Wednesday. The occasion was the 19th anniversary of the Highland Park chapter of the Blue Star Mothers.

Mrs. Maude St. Onge has been on the sick list for the past two weeks.

Mrs. Marie LaFond, Mr. Donald LaFond and Mrs. Raymond LaFond spent Friday in Canada.

Blue Star Mothers On Thursday of this week several Blue Star Mothers of the Novi Chapter went to the Veterans Hospital in Ann Arbor to do shopping during the day and put on a party in the evening. Those who went to the hospital were Mrs. William Rackov, Mrs. George Webb, Mrs. Fred Mandik, Mrs. George Fisher and Mrs. John Klaser.

Thirteen members of the Novi chapter met at the home of Mrs. Frank Pennell in Wixom Monday. Before the meeting, Mrs. Pennell, assisted by her daughter, Nancy Buffmeyer, and her daughter-in-law, Donna Pennell, served the mothers' luncheon.

The mothers plan to have a card party at the Community

Hall April 22.

They also voted to have a bake sale at the Novi Drug Store Saturday morning the day before Mother's Day, May 13.

Mrs. Carl Leavenworth of California, formerly of 12 Mile road, is visiting her daughters, Mrs. Pat Willis and Judy Leavenworth and friends, in Novi.

Novi Rebekah Lodge The regular Rebekah Lodge meeting will be held Thursday (tonight). Full degree team practice will follow after lodge. All who wish to participate in the degree work must be present.

The Past Noble Grands will have their monthly meeting, March 16 at 12:30 for luncheon at the home of Thelma Cheeseman in Wixom.

AM-VET Auxiliary The AM VET Auxiliary will meet at the home of the president, Mrs. Lulu Whittington, March 14. The members will work on revising the by-laws.

Novi Methodist Church The sermon delivered by Rev. Nevin was entitled "Choked by Thorns".

The M.Y.F. will be giving their time to baby sitting for the 10:45 Sunday morning service. Lenten services on Wednesday at one p.m. After the Lenten service March 22 at 2 p.m. Rev. Herbert Karl of Detroit will speak at a Bible School session.

The M.Y.F. meet from 7 to 8 p.m. Sunday evening. Come and discuss the topic with the young people. "Should Christian churches unite, if so, why don't they?"

The W.S.C.S. will meet next Wednesday. Work session will begin at 10:30. They will work on articles for the bazaar.

Novi Baptist Church The Baptist Mission Band will meet on Thursday in the Fellowship room of the church at noon for a business meeting and making cancer pads. Mrs. Rex LaPlante president, will have charge of the program on Missions in Red China.

The Worship and Fellowship Committee met at the church Sunday evening. They took a tour of the Detroit area churches to examine types of church furnishings. Andrew Childress chairman was in charge of the tour.

The Vera Vaughn Circle sponsored a work day to complete the project of painting chairs and tables for the Sunday school.

The intermediate B.Y.F. now meet at 6:00 instead of 6:30 under the leadership of Mrs. Edward Polak.

The Junior B.Y.F. has a new leader, Mrs. Carl Evans.

The Primary group will be led by Bobby Taylor and Janice Davidson.

Pastor Cook attended services at the Federated Salem church and participated at the installation of the new pastor, Rev. Elwood Chipease.

The Rev. Arnold Cook was the guest speaker at the Father and Son banquet at the Calvary Baptist church in Plymouth last Thursday evening.

Episcopal Church News Visitors at the Episcopal Holy Cross church were Gloria Bowen and daughter, Nancy, from Meadowbrook and Betsy Clarke of Novi.

The Women's Auxiliary gave a \$100 check to the Bishop committee towards the building fund.

Mrs. Barber's Sunday school class is making a study of the Ten Commandments.

Novi School News Section 7-2 and 8-1 history classes had a visit by Dr. Medlyn, superintendent of Novi Community schools. Dr. Medlyn talked on school finances.

He explained to the boys and girls about school taxes and where the Novi Schools receives its money.

Intermediate Troop 1023 met at Novi School for their regular meeting. Ellen Lyke brought treats. They played several new games, number 1 salute game, no. 2 crossing the ice. Janet Driscoll exhibited items from her Dabbler badge. Robin Nelson showed Readers badge and Writers badge articles. They closed with taps and friendship circle.

Intermediate Troop 149 is working on good grooming and learned how to manicure nails last week at their troop meeting. They also learned the taxicab game. At the recent mothers meeting at the home of Mrs. Lyke, the following committee members and mothers were present to assist leaders in their program for the remainder of the year, Mesdames Tolton, Tomensky, Willacker, Paquette, Bernhardt, Patterson and Bowen. Included in their plans are a day at Mrs. Bowen's cottage on Monday following Easter.

Brownie Troop 902 worked on terrycloth booties under the direction of Mrs. Freytag in the absence of troop leader, Mrs. Hanna. Laura Beadle brought treats.

Brownie troop 49 met on Saturday and are learning how to embroider. They are outlining cat tails with French knots, outline stitch and lazy daisy stitches. Barb Cotter brought treats.

Intermediate troop 602 met at the home of leader, Mrs. MacGillivray and continued work on huck weaving. They are planning on learning how to darn socks this week.

All Girl Scout leaders are reminded by Mrs. Bingham cook-leader, that delivery of cookies will start possibly 14-16 of March. Girls should make arrangements and bring in carrying cartons for cookies this week.

Anyone having pictures of the troops or program that was held by the Girl Scouts Saturday, February 25 at Novi Community hall for Thinking Day, please call Mrs. Skellenger at FI 9-2792.

Novi Day Camp will be July 18, 19, 20, 25, 26 and 27 this year. Mrs. Robert Skellenger is Day Camp director. Applications are being taken by Mrs. Carolyn Hanna at GR 6-1075 for Day Camp counselors, shoppers and business manager.

New Brownie troop met at Novi School under the leadership of Mrs. Harbin and Mrs. Long. The girls reviewed their folk dances they had learned, wrote thank you note to Intermediate troop 602 for the first aid kit they had contributed. They also told their good deed so they could turn their Brownie pins up. Susan Presnell brought in the pictures of the investiture. Any parent wishing a picture may contact Mrs. Presnell for negatives.

Prospective leaders are reminded they must be registered by March 14 with neighborhood chairman for leader training in Farmington starting April 11.

NEWS FROM THE

American Legion

LLOYD H. GREEN, POST 147
John F. Goss, USN
Post Reporter

On March 25 the American Legion will celebrate its 43rd birthday with a 'Roaring 20's' dance to be held at the Post Home, 100 West Dunlap street in Northville.

The dance, is being sponsored by the American Legion Ladies Auxiliary. The party will start at 8:00 p.m. and last until 2:00 a.m. there will be free food served and music furnished by a band.

The admission will be \$3.00 per couple, tickets will be on sale at the American Legion Home or from any American Legion member.

On Saturday April 1 the American Legion will sponsor a rummage sale, all members of the American Legion and The Ladies Auxiliary are urged to contact their friends to donate any saleable items to the American Legion for this rummage sale. We will have a pickup service. To donate call FI 9-1060 and tell the answering party your address and when you want us to call for the items you wish to donate.

Membership for 1961 is still lagging, we urge all members that have not paid their dues to stop in at the American Legion home. There is always someone there to serve you.

Our next regular meeting will be held on the second Tuesday of March, come on out and support your post.

Coin Club Gives Annual Spring Show

The Royal Oak Coin club of Royal Oak, Michigan will open the doors to its annual spring show next Sunday, March 12, at 10 a.m. This year's show will be held at the Ferndale lodge of the I.O.O.F. There is a parking area near the lodge, and refreshments will be available all day.

The main part of the show will consist of many coin exhibits showing almost every type of money ever issued in the United States plus many types from other countries. There will also be 25 coin dealers and a 250 lot coin and stamp auction at the show.

The Ferndale lodge of the I.O.O.F. is located at 150 East Vestor in Ferndale. This is one block north of Nine Mile road and one half block east of Woodward avenue.

In Uniform

Roger B. Smith, son of Mr. Harry Smith, 355 Orchard drive, has completed recruit training at the U.S. Naval Training Center, San Diego, California, and is spending his 14-day boot leave visiting with friends and relations in Northville.

Roger will report to Point Mugu, California here he will attend a 24 weeks Radio school, after the completion of the school he will be assigned to one of the ships in our new modern Navy. Before enlisting in the Navy young Smith had served in the U.S. Army reserve.

CITY OF NORTHVILLE

NOTICE OF PUBLIC HEARING

MARCH 20, 1961

AT 8:00 P.M. CITY HALL,

AMENDMENT TO ZONING ORDINANCE

The City of Northville Ordains:

NO. 1 — Property to be zoned C-1 classification. (This property formerly zoned R-1 classification by Novi Township):

A parcel of land in the southeast quarter of Section 34, Town 1 North, Range 8 East, City of Northville, Oakland County, Michigan, described as follows: Beginning at a point distant from the east quarter corner of Section 34, North 89° 58' 45" West 378.18 feet along the east quarter line of said section; thence due south 314.54 feet to the point of beginning and traversing thence south 202.42 feet; thence south 8° 10' 21" east 58.08 feet; thence 267.11 feet along the arc of the curve which is convex to the north, having a radius of 353.07 feet, a central angle of 43° 20' 45" and a major chord which bears north 77° 05' 23" east 260.78 feet; thence south 81° 14' 15" east 18.37 feet to the west property line of Novi Road as relocated; thence north 8° 47' 15" east 206.74 feet along the west property line of Novi Road relocated; thence North 89° 58' 45" west 312.45 feet to the Point of Beginning.

NO. 2 — Property to be zoned R-1 classification (This property formerly zoned R-1 classification by Novi Township):

A parcel of land in the southeast quarter of Section 34, Town 1 North, Range 8 East, City of Northville, Oakland County, Michigan, described as follows: Beginning at east quarter corner of Section 34; thence north 89° 58' 45" west 378.18 feet along the east quarter line of said section; thence due south 314.54 feet; thence south 89° 58' 45" east 312.45 feet to the west property line of Novi Road relocated; thence north 8° 47' 15" east 215.94 feet along the west property line of Novi Road relocated; thence north 89° 51' east 33 feet to the east line of Section 34; thence north 0° 09' west 101.05 feet along the section line to the Point of Beginning.

The above two parcels of land are the southern and northern portions respectively of a parcel of land which is bounded on the south by Allen Drive, on the east by Novi Road, on the north by the Northville City Limits and on the west by Lots 51, 118 through 125 inclusive of Yerkes Estates Subdivision No. 3 and is located at the extreme northeast corner of the City of Northville.

Mary Alexander, City Clerk

Mustangs End on Sad Note

The Holly Broncos were out in full force last Friday night — both the two-legged and four-legged variety. And the Northville Mustangs had to cope with each one.

In the league finale for both squads, Holly took an easy 64-43 decision from the locals — before a full house that turned out to salute their champions, who are among the highly-regarded Class B quintets in the state.

There were introductions of parents and there was a horse

— a bronco? — clapping around the court and therein, started the Northville downfall.

Warmup sessions were delayed and when they did begin, Mustang center Danny Brown was hit by the horse, injuring his knee. There

wasn't a great deal of pain because the 6 foot-4 center played three quarters. But he did favor it.

However, this horse-and-Brown incident is not the main excuse for the stumbling Mustangs turning in their worst performance of the year. Perhaps they were a little high for the game. One thing sure — their shooting was off. The loss threw them into a three-way tie for second place with Clarkston and Milford.

A miserable first half saw Northville hit for a measly 12 points, seven in the first quarter, five in the second. They hit on 16 per cent of their shots.

Holly piled up 32 points in the first half and duplicated that in the second half. And it was lucky they enjoyed such an easy first half because Northville, using more of its bench, tallied 31 points in the last 16 minutes of play. At one stage,

they were 13 points behind difference was the six-point performance of usual high point men, Brown and Craig Bell. Brown had three fouls in the first quarter, scored his points in the third on a basket and four free throws and sat out the fourth period.

BOX SCORE VS. HOLLY

Steve Juday was high for the locals with 11 points. The big

NOV 1ST GRADE CAGERS — The season is over for the seventh (in the white trunks) and eighth (in the dark warmup shirts) grade basketball teams at Novi school. Kneeling, left to right — Vic Carter, Randy Caliguri, Carl Payton, Cliff Hawley, John Tymensky, Wayne Rittler, Robert LaFond and Rick Fox. Standing, left to right — Coach Gail Perkins, George Simenton, Tom Bingham, Jerry Burns, Dwayne Miller, Timmy Krug, Pete Wharton, Danny Simonsen and Bill Bailey. Missing from the picture are seventh grade Coach Tom Darling and eighth grader Bob Roton.

Contrasting Colts Lose A Funny Finale, 65-52

A disastrous third quarterHolly last Friday night. The lost record of 9-6, was a study in contrasts.

Holly led at the intermission, 28-23. They were out to avenge a loss earlier in the year to the Colts but were having a hard time making any headway, that is, until the second half

Here's a distinction not many teams can brag about. Every man on the Colts scored at least a point this year through a 15 game schedule which saw the jayvees win nine times against six losses.

Leading the pack in scoring was Tom Daniels with 177 points. The redhead had a personal high of 28 against West Bloomfield February 28.

Here is how the scoring was divided among the other players:

Dan Pattison 65, John Kahler 62, Don Biery 57, Mike Meyers 38, Orkan Dikron 31, Bill Elwell 26, Dick Brown 21, Roy Rice and Bill Challance 23, Bob Boyle and Dick Bathiey (now on the varsity), 16, Jim Lyons 7 and Jeff Crawford 2.

Other facts and figures about the reserves:

The Colts scored 763 points or an average of 50.9 a game, their opponents tallied 656 or 43.7 a game... the best quarter under with their do-nothing play. Tom Daniels scored a basket and so did Jim Juday to account for the scoring. Juday missed two free throws, Daniels and Tom Swiss one each. That was it and the Colts trailed after three quarters, 43-27.

Northville tried to make up lost ground in the final eight minutes, hitting for 25 points. But, Holly scored 22 to maintain a comfortable margin of victory.

Swiss, high man for the Colts with 13, scored three baskets in the last quarter and Roy Rice scored seven, his total for the night. Daniels and Juday, second high with 11 apiece, each had two points. The latter two went out on fouls.

Coach Stan Galonka used every man in the game with all but three managing to score at least one point.

It's End of The Line for OLV Five

The end of the unbeaten line came for the Our Lady of Victory CYO basketballers last Sunday afternoon when Wayne St. Mary's avenged an earlier defeat, 28-17.

The loss by OLV threw the standings into a tie for the number one spot with one game left. Both teams are expected to win, creating a co-champion-ship.

This will not hurt OLV in the CYO championship play-offs later in Detroit, however. Both the league titlist and runnerup are eligible to play in the tourney.

This Sunday at Wayne County Home and Training School, OLV faces St. Linus in the finale. The tipoff is 2 p.m.

Count on Kritch

Expected to be one of the pitching mainstays of the Florida Southern College team this spring is former Northville High athlete, Joe Kritch.

Kritch, only 5 foot-6, graduated from Northville in 1958. In addition to pitching, Kritch also plays the outfield.

Obituary

Hazel Pearl Foote
Mrs. Hazel Pearl Foote, 63, of 504 Randolph street, died suddenly at St. Mary's hospital, Livonia, March 2. Mrs. Foote, an employee of Northville branch of Manufacturers National bank, was born in Northville September 30, 1897. George and Lydia (Cork) Taylor were her parents. Her husband, Frank, preceded her in death. She is survived by three cousins, Walter J. Taylor, Ottawa, Canada; Raymond Bullard, South Lyon, and Mrs. Stanley Rundell, Pontiac. Services were held Monday from the Catholic Funeral home with the Reverend Paul Cargo officiating. Mrs. Foote had attended the First Methodist church. Interment was at Rural Hill cemetery.

Death Takes 80-Year Resident

Funeral services were conducted Tuesday morning from Our Lady of Victory church for Lena C. Kohler, 42865 East Seven Mile road. Miss Kohler, 85, died Saturday at Whitehall Convalescent home following a prolonged illness.

The Reverend John Wittstock officiated at the services. Interment was at Rural Hill cemetery. Monday night rosary services were held at Ebert Funeral home.

Born December 29, 1875 in Detroit, Miss Kohler had lived in Northville nearly 80 years. Her parents were Anthony H. and Permelia (Vroht) Kohler.

Miss Kohler is survived by one sister, Mrs. Mary E. Terrill of Northville; one brother, Fred Kohler of Plymouth; one niece, Mrs. Beverly Strasen of Northville; two nephews, Albert and Leo Kohler of California.

Drama Group Does 'Inherit the Wind'

The Plymouth Theatre guild's stage version of "Inherit the Wind", a play dealing with the dramatic Scopes "monkey" trial in Dayton, Tennessee in 1925, will open tonight at the Plymouth high school auditorium.

Performances tonight, Friday and Saturday will begin at 8:15 p.m., while Sunday's is scheduled for 2:15 p.m. Mrs. C. E. Woodcraft and her daughter, Alice, are portraying minor roles in the play.

Newcomers Slate Evening Meeting

Newcomers club board met Tuesday morning and decided to schedule an evening meeting for husbands and wives at 8 o'clock March 26 in the Community building.

Women of the Newcomers club will hold their monthly luncheon March 29 at Loy's Arbor-Lill.

To Hear Nature Talk

Rainer Brocke, naturalist for the Huron-Clinton Metropolitan Authority, will be the guest speaker at Main street elementary school in Northville on Tuesday, March 14.

Third and fourth grade students will hear a lecture entitled "Park Mammals" and will probably see various animal pelts on display. Their teacher is Mrs. W. E. McCarthy.

The appointment was requested by Miss Margaret DeKett, audio-visual coordinator at the school.

The Authority is a five-county park and parkway agency serving Livingston, Macomb, Oakland, Washtenaw and Wayne counties. One of its key attractions is the Nature Center at Kensington Metropolitan park near Milford. Two other parks of the Authority include Metropolitan Beach on Lake St. Clair near Mt. Clemens and Lower Huron Metropolitan Park near Belleville.

Presbyterian Men To Hear Astrologer

The Presbyterian Men's club's regular monthly dinner meeting will be held March 9 at 6:30 p.m. in the Fellowship hall of the First Presbyterian church.

The Reverend O. James Crews, astrologer and former personal consultant to Henry Ford, will be the guest speaker. He plans to discuss astrology.

Safe Robbers Hit Walled Lake Store

A safe robbery similar to that which occurred last December at Novi Drug took place at the Anderson Pharmacy, 1192 West Maple road, Walled Lake, early Sunday morning.

Investigating Walled Lake police and Oakland County Sheriff's department said that over \$900 was in the safe, which is painted a bright yellow.

The back door was battered down and the safe carried out. Police thought three or four men were involved.

Walled Lake police checked the pharmacy at 6 a.m. Everything seemed normal. The discovery of the break in and missing safe was made two hours later by police.

Goodwill Visit

The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Maybury Men's Club, telephone number Fieldbrook 9-2682 or ask the operator for toll-free Enterprise 7002.

Estates Elects

Duane Butler was elected the new president of the Northville Estates Civic Association at their annual winter dinner-business meeting February 25 at the Thunderbird Inn.

He succeeds William Slattery. Other new officers elected were: Bernard Bach, vice-president; Mrs. George Murany, secretary; and Thomas McDonough, treasurer. Elected to the Board of Directors were Rueben Jensen, Tom Purdy and Albert Spaeth.

Pfaff Promoted

William G. Pfaff of 24078 Glen Ridge Court has been elected assistant secretary and assistant treasurer of the American Community Mutual Insurance Co., headquartered in Plymouth, it is announced by John J. Temple, president.

Pfaff joined the American September 1, 1959 and was assigned to special projects in the actuarial department.

He also has been associated with First Federal Savings & Loan for six years as a branch manager in Detroit. He was graduated from Washington and Jefferson College in Pennsylvania.

Pfaff's resignation from the planning board was accepted by the Novi Village Council Monday.

Mr. and Mrs. Pfaff have three children.

Settlement (Continued)

lic welfare but explained that it would be impossible to guarantee that the walk would remain in its same locale forever.

"Someday the school might build a connecting walk between the junior high school and the community building", Crump explained.

He added that it was unlikely that this would happen in the foreseeable future.

Crump and Lawrence chided the council by suggesting that the city guarantee that a walk will always be provided — perhaps on city property just east of the community building.

The council would have none of this, however.

The resolution, which now must go to the school board, provides that the school will maintain the walk in its present location "so long as it is feasible and practical". Otherwise a walk will be provided elsewhere on school property, the resolution concluded.

In other business Monday night the council:

—heard a written request from five Orchard drive residents seeking sidewalks;

—tabled action on a set of police department rules submitted by Chief Eugene King;

—received a report from Councilman John Canterbury on the progress of his committee on codification of ordinances.

Canterbury, City Manager John Robertson and City Attorney Philip Ogilvie are reviewing the work of a city-retained codifier and will recommend deletion of obsolete ordinances, those to be maintained and new ordinances proposed for adoption;

—called for a March 20 public hearing on zoning of D & R company property in the Tremont subdivision area;

—appointed Councilman Richard Juday to the election commission.

Fined \$100 For Crash

A Highland Park driver who crashed into the south side of the Emil Nuotilla residence, 594 South Main, in the wee hours of the morning of February 20, was fined \$100 and court costs by Justice E. M. Bogart last Friday.

Terrence Patrick McGovern entered a plea of guilty to reckless driving.

McGovern suffered a brain concussion, injury to his back and lacerations in the mishap. Chief Eugene King said McGovern, during questioning, could recall no details of the accident and was unable to explain why he was in Northville.

Hear Atomic Talk

The Board of Commerce heard Gerald L. Goldberg, stress analyst at the atomic energy plant near Monroe, speak and show slides of the plant at their regular meeting Thursday night. A dinner and business meeting preceded the talk.

SAFETY FIRST — Retired Northville police chief, Joe Denton, presents an award to Douglas Johnson for his work in safety at the Wayne County State Home and Training school. At the 11th annual Safety Day assembly last Thursday, the 32 boys and girls who make up the school's safety patrols were saluted by local, school and state officials before a crowd in the auditorium. Carolyn Moss and Samuel Green were honored as patrols of the month.

Senator Dzendzel Returning the 17th

Friday night, March 17 State Senator Raymond Dzendzel will return to Northville to conduct another open discussion with residents who care to hear and ask questions about their state legislature.

Last month Senator Dzendzel held the first such meeting with some 25 citizens attending. The purpose of the informal discussions is to help interested taxpayers become better acquainted with the legislation being considered in Lansing.

Meetings are held in the community building beginning at 8 p.m.

Club to See Film

Movies of the world's famous gardens will be shown by Grace Riley of the Birmingham Travel agency at a meeting of Northville branch of the Women's National Farm and Garden association.

Members will meet at Mrs. W. L. Howard's home, 47787 Eight Mile road, on Monday, March 13, at 1 p.m.

THE OUTSPOKEN BISHOP

Recently a Bishop from a Western state was catapulted into the news by his statements of unbelief. He referred to the historic account of the events in Eden, and the Virgin Birth as myths. He stated that agnosticism

(one cannot know for sure) is an important part of true religion. The existence of hell were also called in question. The lost condition of the heathen was called a presumption. Denials of the fundamentals of the Christian faith by this Bishop was so astounding to the news men that it found its way into papers from Maine to California. Surely it should astound all people who profess to be Christians and make all members of that denomination wonder how such a man would be permitted to remain in the position which he holds. Now though such publicity is to be deplored in one way, on the other hand it ought to be welcomed. At least he is not preaching under false colors. Anyone who listens to him knows that he doesn't believe God's Word. But what I am concerned about are men of this poisonous unbelief who are filling the pulpits of our land and people in the pew are unaware of their infidelity. WHAT DOES YOUR PREACHER BELIEVE? PERHAPS YOU OUGHT TO FIND OUT.

High School Orators Vie Here Friday

A third zone oratorical contest, sponsored by the American Legion, is scheduled for 8 p.m. tomorrow (Friday) night at the high school. Winners from district contests will be competing.

The public is invited. Jim Tuck of Northville high school led a field of four contestants in district competition last Friday at Redford Union high school. He will face other district winners tomorrow night, with the champ going on to the state contest in Alpena March 17.

A \$5,000 scholarship will be awarded to the national winner.

Each contestant in tomorrow's match must prepare a 10-minute oration on the American Constitution, followed by a four to six minute extemporaneous speech on an amendment.

Lincolns, T-Birds Up in Production

Lincoln Continentals' and Thunderbirds, both cars produced exclusively at Ford Motor company's Wixom plant, showed production increases for last month over a year ago and for the first two months of 1961 over a corresponding period in 1960.

The figures, released by Ford, showed that Lincoln produced 2,788 cars in February, 1961, compared to 2,666 in February, 1960. Their two month total so far in 1961 is 6,274 compared to 5,696 in a similar period last year.

Thunderbirds last month went up from 6,187 in February, 1960, to 7,350. Two-month totals were 15,295 in 1961 compared with 13,497 in 1960.

Overall, however, Ford production figures in cars, trucks and tractors showed production drops from last year at this same time.

FASCINATING FACTS ABOUT NATURAL GAS

BAMBOO NETWORK

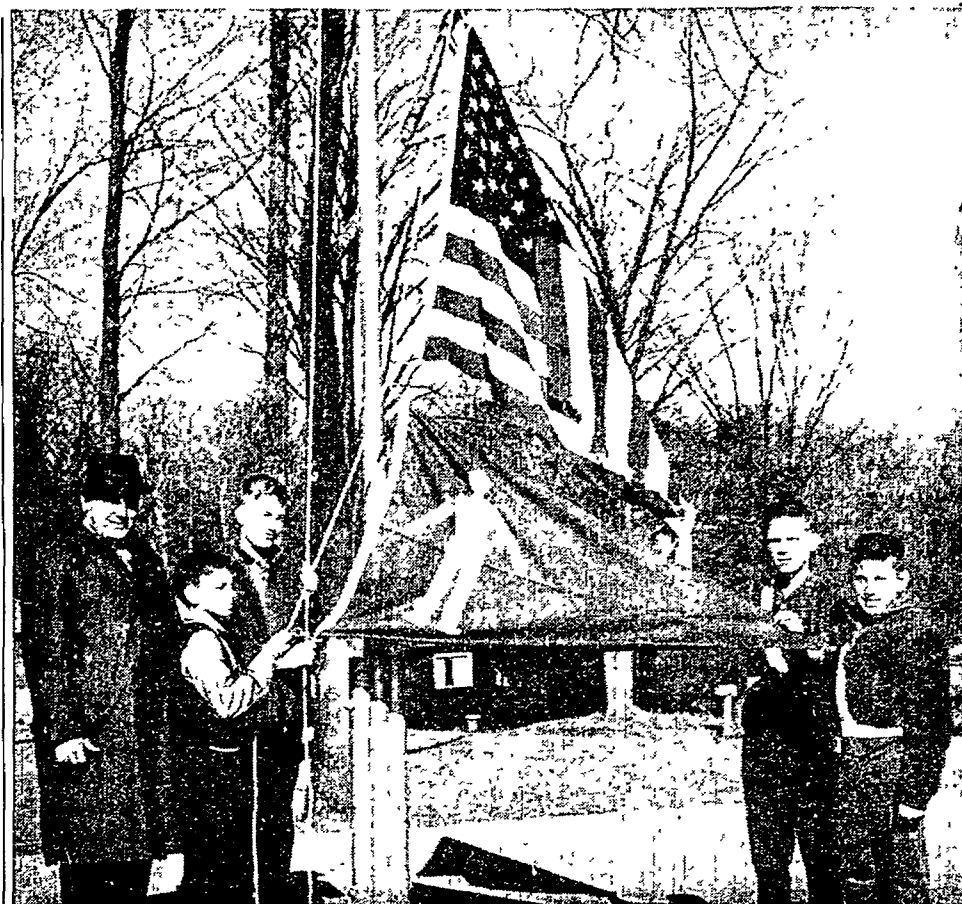

In China, thousands of years ago, Natural GAS was channeled directly from the top of the ground to the consumer! The Chinese built an intricate, above-ground network of bamboo pipelines for transmission of Natural GAS from its seepage point in the earth to locations where they processed salt from brine.

STEEL ARTERIES

Now man probes deep into the earth — close to the mile mark — for this wonder-fuel, Natural GAS! A specially-developed steel pipe carries this "stored sunshine" thousands of miles — over mountains, under rivers — through underground passageways to cities throughout America. Utility companies then distribute it to homes and industries. *

*In ancient China, bamboo pipelines were satisfactory only for very short distances — today, pipelines bring this wonder-fuel from faraway places. Consumers Power Company receives its Natural GAS from Texas, Oklahoma, Kansas and Louisiana.

GET THE FACTS — BETTER YET — GET GAS! PG-6992-21

GOING UP — Ceremonies at Amerman school Friday afternoon marked the beginning of the new Green Pennant Safety program in Northville's elementary schools. Shown with Police Chief Eugene King ready to raise the flags are: (left to right) Rick Comito (OLV Safety captain), Dave Pankow (Lutheran school safety captain), Glenn Deibert (Amerman Safety captain) and Tom Frounfelter (Main street Safety captain).

In Grade Schools

Pennants Fly High For Safety Records

Green pennants are flying under the American flags in all Northville schools

They're bearers of good news

— for if they come down it means that some pupil of that school has been involved in a traffic accident.

The Green Pennant Safety program was launched in the local schools by the Northville police department last Friday afternoon in special flag-raising ceremonies held at Amerman school. The program is sponsored by the Detroit News.

Safety patrol officers from Amerman and Main street elementary, OLV and the Lutheran schools were on hand to receive pennants for their respective schools.

The safety pennants were presented by Police Chief Eugene King.

Here's how the program works:

Each elementary school is supplied a green pennant. It can earn the right to fly the pennant below the American flag by going 30 calendar days without an accident to any of its pupils.

Throughout the school year, the school flies the green pennant each day, but it is lowered and hung inside the school whenever the school principal is notified of a chargeable traffic accident by the local police department.

Chargeability is determined by the police, but vehicle passengers and injuries of any kind on private property are not counted.

"The idea of the program is to teach the child and the parent to be safety minded," Chief King explained. He believes that each school youngster will take pride in the fact that the green pennant flies over his school. When the flag is removed — from his or another school — the pupil is reminded that accidents can and do happen.

Any school having an accident-free school year (September through June) is awarded a "Perfect Safety Record" banner.

When an accident occurs the principal of the school causes the green pennant to be withheld from the school flagstaff for 30 calendar days from the time the accident occurred. At the end of this period, if no additional accidents are reported, the pennant is flown again.

Safety patrol officers who represented their respective schools at Friday's ceremony were: Captain Rick Comito, Lt. Pat Jones and Patrolmen Mike Comito, William Van Ee and Pat Walter (OLV); Ed Karschnick and David Pankow (Lutheran); Captains Tom Frounfelter and Mike Hohenic and Lts. Bill Sliger and Ross Stong (Main street); and Captains Glenn Deibert and Don Beller, and Lts. Jim Long, Bill Goldsmith, Bill Harrison and Jim Beerbower (Amerman).

Teacher Profile

This Librarian is World Traveler

It is said that a school without a library is like a car without a motor. If this analogy is true, then Northville junior high students are privileged to use one of the highest-powered school libraries in Michigan. It is admired by casual visitors for its beauty, comfort, neatness, decorations and well-stocked shelves; by the more scrutinizing as being one of the most complete collections of library books recommended for junior high schools.

Largely responsible for this happy condition is scholarly, conscientious Ione Palmer, the school's efficient librarian. With her small group of volunteer student librarians, she supervises the traditional librarian-type work: checking volumes in and out, dusting, binding, cataloging, shelving books, etc.

Most of her time, however, is taken explaining the mysteries of the library to seventh and eighth graders. "Finding a book is like a treasure hunt," she tells her classes. "To find the treasure you need clues." She then clues them in until each student can find the most obscure book quicker than you can say Dewey Decimal system. Plenty of action is involved in getting to this point. The students are placed in teams, for example, and each team tries to out-do the other by more quickly locating a given book — leaving the intellectual excitement.

This marriage of recreational and intellectual pursuits is nowhere more clearly evident than in her love of travel. Miss Palmer has visited 45 states, Canada, 12 European countries and Africa. In 1959 she took part in an anthropology work-

shop in Japan (conducted by Dr. Athel Alpenfels of New York university), which took her around the world. She is currently planning another workshop on anthropology which will take her to Tahiti, the Fiji Islands, Samoa, Caledonia and New Zealand. In addition, she is brushing up on her Spanish for a trip to Venezuela.

These global excursions have caused her to be in great demand to give programs to various clubs, classes and organizations. She's given over 50 programs, showing colored slides, displaying folk craft, using music, telling folk tales and wearing the costume from the country. Social studies teachers, as one might expect, are among the most persistent in asking for these programs.

She has many other interests. One of these is reading — mainly non-fiction. She is especially fond of poetry and has written poems and short stories. An unusual hobby is her "friendship garden of houseplants," all plants having been given to her by students or personal friends. Naming her plants after the donor she has for example, the Irene Kaluzney crassula and the Jane Lanning amaryllis.

The background of as interesting a person as Miss Palmer is quite revealing. Born into a family of professors and more quickly locating a given teachers, she decided early in life to become a teacher. She then established some staggering scholastic achievements. By high school for example, she had taken Latin, Greek, French and German. Three of her

many degrees were received from the University of Michigan from which she was graduated Summa Cum Laude. Miss Palmer twice received the Phi Kappa Phi Classical scholarship for excellence in Latin and Greek. In her senior year she won the \$1,000 Alpha Omicron Pi fellowship. Further proof of her nimble way with mental gymnastics can be found in an impressive list of five honor societies to which she belongs, including Phi Beta Kappa.

Miss Palmer lives in Northville with a pampered pooch of uncertain ancestry. (He likes his meat chopped up and seasoned with onion, cabbage and

Preschool youngsters find her a soft touch as well, and know that cookies are easy to come by at the Palmer pantry.

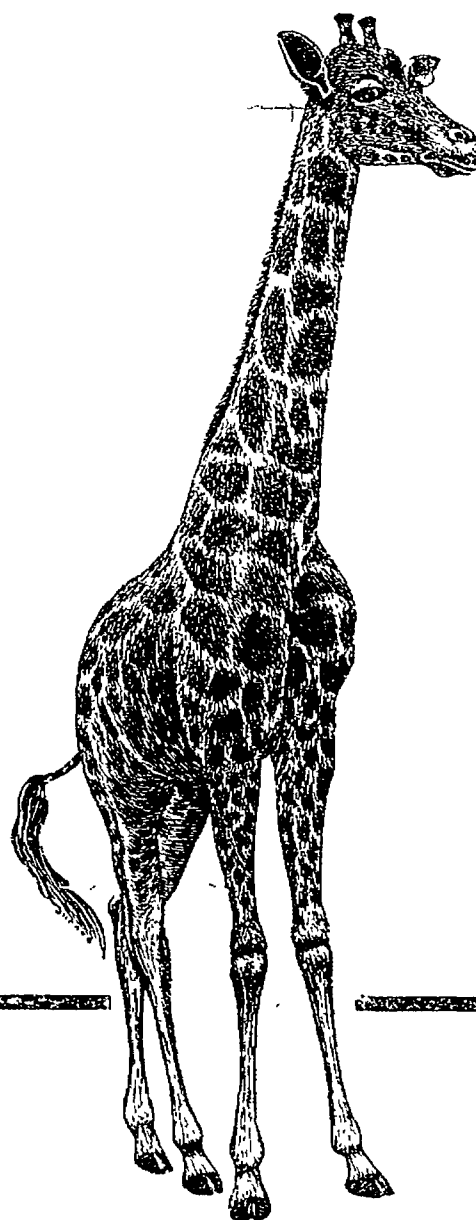

Regarding her profession, Miss Palmer borrows the Michigan Education association creed: "Gladly do I teach — for I believe in the personal worth and potential ability of every child and youth. Reverently do I teach — for the guidance of the young toward high ideals and great achievement is a sacred trust. Proudly do I teach — for the story of our nation and the history of mankind reflect the wholesome influence of many teachers."

Miss Ione Palmer

from the PASTOR'S STUDY

By the Rev. Fr. John Wittstock
Our Lady of Victory Church

Even though we are encircled by a great number of those who love us well there is experienced by all of us at times a sense of utter loneliness. This sense is the experience of single people as well as the married. I know of a widow whose husband and children are gone from home. Occasionally she baby-sits for others. She mentions the affection her little charges show her. "When I put the little tot to bed, he puts his arms around me and asks me to kiss him goodnight the way his mother does." In her widowed loneliness this woman clings to such an experience.

Recently a married man with a fair sized family told me of his loneliness. The marriage was not working perfectly, it must be admitted. The fact of the matter is there are many marriages less than perfect and many lonely husbands and wives. Loneliness is a universal experience. You may find a happily married woman surrounded with loving, devoted persons and yet with all the love she gives and receives this woman is still lonely at times. Is there something wrong with her? Very likely not.

His life on earth. His beloved Apostles, not to mention His enemies, failed to understand His love for them. He taught the twelve the sublimity of truth; yet they argued who was the greatest among them. He told them that the Son of Man had to suffer and die; they did not seem to understand Him. But it was in the Garden of Gethsemani that His loneliness was most pronounced. At no other moment of His life did He look so truly human as in the Garden. At this moment he sought the company of His three beloved friends. Perhaps he expected only a word of sympathy or affection in that

hour of loneliness. On Calvary's Cross Jesus felt the complete desolation, the total abandonment not only of men but also of God the Father. From His divine lips escaped the words "My God, my God, why hast thou forsaken me?" If the God-man Himself suffered from intense loneliness, what ought we sinful humans to expect? We must recognize that all of us at times get lonely. We must be convinced also of the words of St. Augustine "Thou hast made us for Thyself, O Lord, and our hearts will not rest until they rest in Thee."

Scientists to Hear Florence Middaugh

How the power of God set forth in the Bible brings peace and harmony will be the topic of a free lecture on Christian Science to be given here Friday, March 10 by Florence Middaugh of Los Angeles. Miss Middaugh will speak in the Fourth Church of Christ, Scientist, 5240 West Chicago Boulevard, near Grand River, at 8:00 p.m. Her subject will be "Christian Science: The Science of Pure Christianity." The lecture is free, and local members have invited the public to attend. A native of Colorado, Miss Middaugh is currently on a nationwide speaking tour as a member of The Christian Science Board of Lectureship. Prior to entering the public practice of Christian Science healing, she was active in the musical profession. An authorized teacher of Christian Science, she has devoted her full time for a number of years to Christian Science activities.

Army Private Transferred

San Diego — Marine Pvt. Richard F. O'Hare, son of Mr. and Mrs. F. D. O'Hare of 547 Fairbrook, Northville, departed San Diego, California, February 1, with the Third Battalion, First Marine Regiment, aboard the Military Sea Transportation Service ship USS General Mann for a tour of duty with the Third Marine Division at Okinawa. The battalion, formerly a part of the First Marine Division at Camp Pendleton, California, goes to Okinawa under the unit rotation system, a program designed to maintain "esprit de corps" at a peak level by keeping personnel together throughout training and overseas duty.

Only wise men and hungry children fully appreciate their blessings!

Many of God's gifts, like the air we breathe, are received without thought. Others, like the abundance of the harvest, we think about only in season. Still others, like our religious heritage, get varying degrees of attention and response according to our spiritual perception . . . or the precariousness of our plight.

This isn't Christmas . . . or Easter. And we hope it is not a time of personal crisis for you and your family . . .

If it's just a normal week, full of the routine of life—then it's an ideal time to remember your blessings. And Sunday will be an ideal day to begin, renew or strengthen that wholesome habit of worshipping God in the church of your choice.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tuesday	Psalms	88	12
Wednesday	Romans	14	1-3
Thursday	Ecclesiastes	11	7-8
Friday	Malachi	3	10-12
Saturday	Psalms	25	1-5

Novi Family Looks Forward to Scotland Life

Novi policeman Dick Noble and his family went on a two-month vacation to his home-land of Scotland last summer. It was something that he had yearned to do ever since 1923, when as a young man of 23, he landed in Boston because as he jokingly puts it, "I heard that the streets in Boston were paved with gold."

His family — wife Virginia, daughters Catherine, 17, and Ellen, 13 — went along for the sights mainly. A trip across the sea would be unusual fun.

Mrs. Noble, a native of Detroit, had never traveled more than 90 miles from her home until about three years ago when she and her husband went to Vancouver, British Columbia.

It can now be reported that this vacation was a mistake — but a happy mistake as far as the Noble clan is concerned.

On March 20, they will depart American shores for their new home in Aberdeenshire, Scotland, for what Mrs. Noble calls a "five year sabbatical."

Policeman Noble, on the force since early 1955, officially retired last week. It wasn't his idea, strangely enough, to leave friends and family ties in Novi. The finger of blame falls on his two daughters who, putting it quite simply, were enthralled with Scotland and wanted to remain with Noble's sister, Margaret, who lives about ten miles from Aberdeenshire.

The girls' Aunt Margaret welcomed them and offered to keep the girls at least through the remainder of their education.

Catherine was so determined that she took an examination, passed it, and will enter a nursing school in Aberdeen when she reaches Scotland. She is a junior now at Northville High.

The attraction for Ellen, an eighth grader at Novi School, was the scenic beauty and a bicycle which the Nobles bought and were going to bring back to Novi.

As it turned out, the bike was left behind and when Ellen gets to her new land, she'll face 50 miles of pedaling from where the bike is now to her new home. She is looking forward to it.

The girls' enthusiasm start-

ed Mrs. Noble thinking: "Couldn't we live in Scotland for five years until at least the girls are through with their education?"

Mr. Noble could see no reason why not. So it was settled. Their attention turned then to finding a home and this they did before one even reached the want ad section of the local newspaper. On a tour, they had seen this lovely granite home for sale and it remained in their memories.

They all went back to see it. Mr. and Mrs. Noble were up far into the wee hours of the morning discussing the house.

It had 12 rooms and three-and-a-half baths. There was a fireplace in each room. The kitchen was as modern as could be. Electricity in Scotland is dirt cheap compared to American rates.

Located on an acre of land, the property, like most in Scotland, is enclosed by a ten foot stone wall on three sides and probably a five foot wall in front. There are two garages, a workshop and an electrically-heated greenhouse where Mr. Noble will be spending a great deal of time as his wife's gardener.

The community of Aber-

deenshire — around 50 miles from where Noble was born and reared — is smaller than Novi. It has a population of 1,300, three churches, three banks and 36 businesses.

It is in a tourist area, noted for its salmon fishing and grouse hunting. The Queen of England's summer palace is but a few miles away. Aberdeenshire in the summer is crowded and the people respond by converting their homes into "bed and breakfast" homes, which seems a more appropriate name than

"tourist" homes. And so the Nobles will do the same with their new home. It's a matter of custom and the traditional generosity of the Scottish people that they do this and not as a moneymaking venture.

Will it be hard to leave Novi? Of course. Noble spent 37 years in America, mostly in Detroit working in the auto factories and in a couple of appliance shops.

He married Mrs. Noble in 1941 and they moved to a farm home where the present Wixom Lincoln plant is in 1947.

Noble commuted back and forth to his job in Detroit until he grew tired of all the driving. So he joined the Novi Police force and was still doing plenty of driving. But this he found more enjoyable than bucking rush hour traffic on Detroit byways.

Mrs. Noble has been most active in Novi civic affairs. She helped persuade reluctant farmers to sell their properties to clear the way for the Lincoln plant, served as secretary of the Citizens Development Committee when it formed in 1959, helped form the first blood bank and was instrumental in

getting a successful petition around calling for the drawing up of a master plan for Novi.

But a challenge came along and they accepted it with open arms. This is some thing, they feel, that many people are secretly fearful to do.

This was a studied move on their part, nothing that they rushed into blindly. And the total of their experiences during the two month vacation last summer led them to this decision. They would've told any one last June as they were leaving that come March 20, they would still be firmly rooted at 42520 Grand River.

But the prospect of shady walks, relaxed gracious living, and tea breaks every afternoon at two o'clock was irresistible.

Summing it all up, the Nobles came, they saw, they were conquered.

It'll be goodbye to Novi for the Noble family when they depart for Scotland on March 20. Daughters' Ellen and Catherine can hardly wait.

683 times "around the world"...they pounded the pavements and proved that concrete outperforms asphalt these ways...

NATIONAL ROAD TEST GIVES THE EVIDENCE!

17 million miles of test traffic in 2 years... loads up to 64 tons

Sponsored by the American Association of State Highway Officials (AASHO), the 27 million dollar National Road Test was set up to establish basic facts of design and construction for concrete and asphalt pavements.

Test pavements were built on the same soil, to carry the same vehicle loads to designs currently used in various states. 99 loaded trucks — pickups to semi-trailers — pounded them 19 hours a day for 2 years. Millions of scientific measurements were made.

The test has demonstrated concrete's superiority for streets, roads and Interstate highways!

PORTLAND CEMENT ASSOCIATION 2108 Michigan National Tower, Lansing 8, Michigan
A national organization to improve and extend the uses of concrete

1 Concrete is more durable!
A count after 2-year test showed concrete outlasted asphalt 3 to 1! Concrete gives you more for your tax money.

2 Concrete rides easier!
In rideability measurements, concrete won decisively over asphalt. Only concrete can give you lasting driving comfort.

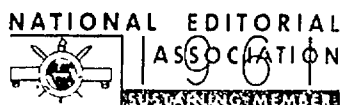

Your state helped finance this test to bring you better roads, full value from tax dollars.

SPEAKING for the Record

By Bill Sliger

The next step in the procedure for calling a constitutional convention comes up for voter consideration on April 3. It's proposal I on the ballot.

If it is defeated, a con can will not be automatically on the ballot for another 16 years.

If the "yes" votes prevail, then Michigan will be on its way toward re-writing a constitution drafted in 1903 and since amended 69 times.

Last November's vote put the call for a convention on the spring ballot, altered the delegate selection to a convention and changed the majority requirement for passage of a con proposal.

Based on last November's results and the growing list of organizations backing the proposal, its chances of passing appear excellent.

In addition to endorsement by both political parties, the Coordinating Committee for Constitutional Convention includes among its 19 member organizations: Citizens for Michigan, Michigan AFL-CIO, Michigan Education Association, Michigan Municipal League and the UAW.

There will be opposition, however, by those who fear that change may somehow weaken their particular interests.

There are always those who resist change, but the success of drafting a new constitution rests with the people and the delegates they send to the convention. It is a task above partisan politics and calls for the skills of people who recognize that the needs of the whole state must come first.

Delegates to a constitutional convention would be chosen on the basis of one for each senator and representative to which a district is entitled. This totals 144.

If the convention is approved, nominating petitions for delegates must be filed by June 6; primaries will be held July 25 and the final election of delegates will be conducted on September 12.

Under this procedure Wayne county would have 45 delegates. Adding the most populous counties together (Wayne, 45; Genesee, 5; Oakland, 7; Macomb, 4; and Kent, 7) gives a total of 68 — still less than a majority at 47 percent.

Michigan needs a new constitution, perhaps for more reasons than simply modernizing an ancient, patched-up document.

Continuing with our present constitution could discourage capable administrators and therefore limit the field of candidates interested in serving the state as chief executive.

NOTICE OF PUBLIC HEARING

AMENDED ZONING MAP N° 9

ON A PROPOSED AMENDMENT TO ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

Please take notice that the Northville Township Zoning Board will hold a Public Hearing on Thursday evening, March 16, 1961, at 8:00 o'clock p.m. in the Northville Township Hall for the purpose of hearing and considering:

1. An amendment to paragraph (i) of Section 14.06 regarding conditions relating to gasoline filling stations, public garages and cleaning establishments.
2. The amending of Article XVII by the addition of a new Section to become Section 17.02 providing for General Standards to guide the Zoning Board and the Board of Appeals where they are authorized to permit a variance or an exception.
3. A proposed reclassification of an area of about thirty (30) acres located at the southwest corner of Beck Road and Six Mile Road with a frontage of 1,990 feet along Beck Road and a frontage of 651 feet along Six Mile Road from an AG Agricultural District to an R-1-H Country Homes District.

The above proposal may be examined on any week day during the hours of 1:00 p.m. to 5:00 p.m. at the Northville Township Hall.

This notice is given pursuant to Act 184 of Public Acts of 1943, as amended.

College Board Elections

Michigan voters every other spring get a chance to take a hand in the future of their sons and daughters.

All too many of them don't even realize what is at stake. In the biennial spring election, coming up April 3 this year, two members of the Board of Regents of the University of Michigan; two members of the Board of Trustees of Michigan State University; two members of the Board of Governors of Wayne State University, and a member of the State Board of Education, which supervises other higher education institutions, will be elected.

Other positions will be filled April 3 also. Statewide, two justices of the Supreme Court will be chosen, and a Highway Commissioner and Superintendent of Public Instruction will be elected. Many offices in local government units are to be contested in the spring election.

Chances are the duties of all of them, from Supreme Court Justice to local constable, are better known to most Michigan citizens than the duties of the members of state educational governing boards.

Membership on these boards is not merely an honorary position. Nor are the Regents, Trustees, Governors and members of the State Board of Education mere watchdogs over the teaching and administration in Michigan's state colleges and universities, though this is a part of their responsibility. They are policy makers. They

have the final say on who will teach and work in almost all the positions of responsibility in education in Michigan. They decide what will be taught and how it will be taught. They make the important rules that govern the operations of each college and university.

Decisions made by these public officials set the pattern for Michigan education right down to the one-room schoolhouse level.

They have almost direct responsibility over the hundreds of millions of dollars that are spent annually on education. Policies set by the boards cover the money appropriated by the Legislature for education, \$103.4 million last year and undoubtedly more than that this year. They control to an extent the use of sales tax and other revenues which come to the state earmarked for education, and the local property tax dollars which go to schools.

It seems almost needless to point out that the best possible qualified people should be chosen for these positions of immense power.

Political parties nominate the candidates for these offices. The state has been fortunate that in most instances over the years well motivated, high principled candidates have been presented to the voting public.

But since the educational future of virtually every Michigan child is touched by the actions of the top educational governing boards, each voter should make his decision on the person he wants for each job on the best possible evidence

of knowledge and qualifications of the candidates.

Blind partisanship is no basis for a judgement on who to vote for when so much is at stake.

There is much talk in Michigan of taking numerous offices, not the least of which are associated with education, out of the partisan arena. Some people and groups even advocate making many of the positions appointive.

These ideas are valid subjects for debate. In the meantime, ballots must be cast in a partisan election to pick the Trustees, Regents, Governors and a member of the Board of Education.

Each voter who knows about the vast responsibilities of these positions and cares about the educational future of all the children of Michigan will make his decision with the utmost thought.

Each person elected as a Trustee, Governor or member of the Board of Education serves for six years. Each Regent serves eight.

Politics have their place in the Michigan scheme of things. But maneuvering for partisan advantage has no place in the deliberations of Michigan educational governing boards.

In order to keep it so, the voter should ask himself before he casts his ballot: Am I voting for the man who will make the right decisions about education, taking into consideration only the factors involved in the issue and the benefit of all the youth to be educated?

Our "Midass", under the direction of Dr. Wernher von Braun, now of the Huntsville Center, can be depended upon to make more new and important discoveries.

These governmental developments will primarily be to warn us of what the Russians, or other potential enemies, may be doing as well as to give us knowledge of impending hurricanes and other destructive forces. Although paid for by us they will be given freely to all nations. The next step will be the study of these electrical currents which will finally be harnessed to give each nation free power. This would do much to hasten world peace.

P.S. In fairness to readers I should add that the nuclear fusion research with hydrogen (obtained from water or air or chemicals such as lithium) may even give free power before the harnessing of electric waves above described.

My use of the words "free power" refers only to the generation of electric power. Distribution systems will continue to be needed. Hence I am more bullish on electric power company securities because they may have no generating costs.

I forecast that each of the fifty largest countries in the United Nations will have its own "transformers" in the sky securing electricity from the radiation off the thousands of galaxies in the sky. For years the astronomers have known of these galaxies and of the electrical rays they are emitting; but their intensity has been known only since the "Space Age" discoveries and measurements.

I understand that the future space program will now be under the personal attention of Vice President Lyndon Johnson. He says we may expect the landing of a planetary spacecraft in 1962; and

waves which are coming toward us every hour of every day. They cannot be shut off by clouds or storms; they fall upon all nations equally. Their power, all of which now goes to waste, is terrific. I believe that the Telephone and electric utilities will combine to concentrate these waves over all nations and give each free power. This would be far better and cheaper than the use of uranium.

The Foundation now has the world's best files on gravity and is giving \$1000 annual awards for the best original essays upon the subject. These essays average over eighty a year and come from the United States, Great Britain, France, Germany, and other countries.

While the Defense Department of the United States, Russia, Great Britain, and other countries have been spending billions on missiles, the American Telephone and Telegraph Company has been making some very important experiments. By the use of microwaves and other processes they have succeeded in sending signals through space hundreds of miles above the earth — with power waves "bounced" from one orbiting object, or man-made satellite, to another.

These experiments have aroused in me a great interest in "space travel". I am not interested in having men go to the moon or having the military attack any enemy from a hundred or more miles up in the air. I, however, am greatly interested in the work of the Telephone company. This will first be used in sending messages and television waves. I earnestly watch the newspapers each day for such "Space News".

The next step will be to capture and harness the electric

of knowledge and qualifications of the candidates.

Blind partisanship is no basis for a judgement on who to vote for when so much is at stake.

There is much talk in Michigan of taking numerous offices, not the least of which are associated with education, out of the partisan arena. Some people and groups even advocate making many of the positions appointive.

These ideas are valid subjects for debate. In the meantime, ballots must be cast in a partisan election to pick the Trustees, Regents, Governors and a member of the Board of Education.

Each voter who knows about the vast responsibilities of these positions and cares about the educational future of all the children of Michigan will make his decision with the utmost thought.

Each person elected as a Trustee, Governor or member of the Board of Education serves for six years. Each Regent serves eight.

Politics have their place in the Michigan scheme of things. But maneuvering for partisan advantage has no place in the deliberations of Michigan educational governing boards.

In order to keep it so, the voter should ask himself before he casts his ballot: Am I voting for the man who will make the right decisions about education, taking into consideration only the factors involved in the issue and the benefit of all the youth to be educated?

Readers' Views on RR vs. Auto Carriers

To the Editor:

In Thursday's paper, (February 23) you printed a letter complaining that the railroads are hurting the auto haulers. Those statements are not exactly in accord with the true facts.

She blames unemployment of truck drivers at Wixom on the railroads. Auto production is down. That is the main reason for less transportation needed.

Yes, the railroads have "captured" some of this business all of which was at one time transported by the railroads. With cheaper rates made possible by free rights of way over public highways, the haulways took this business from the railroads, under the so-called "umbrella policy" which the Interstate Commerce Commission held over the trucking industry for thirty years — forcing the railroads to charge higher than necessary rates just so the trucks could stay in business.

Do you know that since 1946, just fifteen years, railroad employment dropped from 1,400,000 to 711,000 — more than half? What are these hundreds of thousands of unemployed rail workers supposed to do — send condolences to the few truckers unemployed?

She says, "the railroads do not spend money in any local business." She should check on the tremendous amounts of money spent with Paragon Construction Company in your own community of Novi to equip auto-carrying freight cars.

Regardless of how much tax a rig presently pays, the U.S. Bureau of Public Roads in January of this year said "...The heavier trucks and combinations (particular the latter) should be paying more than they do now."

"Railroads are rich because they are subsidized by Federal funds." Baloney! Not one red penny in Federal funds is spent on railroads. Conversely, the Government has spent \$162 BILLION to promote and develop other forms of transportation, including airways, airports, highways, waterways and air mail subsidy. More than one-third of this sum has been poured out of public coffers in the past five years. Railroad earnings in 1960 were less than 2½ percent on investment. You cannot even borrow money for that small amount of interest in today's business market.

Michigan railroads pay about \$8 million in taxes annually, every cent of which goes to school boards in every Michigan county. Not a cent of truck taxes supports your schools. Their taxes go toward the roads, which they break up with their heavy rigs — nothing else.

Mrs. Moorman's letter is part of a Teamster pressure campaign to abrogate the "right to compete" — finally given to the railroads after decades of unfair, too-low truck rates which allowed the trucks to take business from the railroads.

Now that the truckers have a taste of the medicine forced down railroad throats for thirty years, they don't like it.

Fred Costello
Novi, Michigan

EDITOR'S NOTE: The following letter was received this week also. Because it is almost identical in basic content to Mrs. Moorman's letter (published two weeks ago), normally the argument would not be re-published. But because it offers the reader an opportunity to appraise both sides of this issue, it is carried here with Mr. Costello's letter.

Dear Editor:

I am a wife of a truck driver and he has a very good record on driving. He is a World War II veteran. He served 10 years of his life in the U.S. Army and he enjoyed every minute of it. He has an honorable discharge.

He has been working as a truck driver for A.T.I. for 7 years next November and he used to deliver some of the Continentals, Lincolns and Thund-

erbirds to the West Coast. He always believed in giving good service to the dealer; and they were satisfied with his delivery every time he brought any car to the dealer.

On account of discriminatory rates practice he is not able to make a living any more for his family. We have five children.

There are hundreds of drivers between ATI and E & L company Novi out of work on account of Section 15a (3) of the Transportation Act.

This is a great loss not only to the trucking industry but to the states and the Federal Government, too, because they lose revenue on Federal and state taxes.

Besides, what about the stores. They lose business, too, on account of hundreds of people out of work, and the gas stations lose money, besides hotels, motels and restaurants losing. If it wasn't because of Section 15a3 these people wouldn't be losing so much money.

It is you the taxpayers that will have to make up these losses on revenue one way or the other. The government is using your tax money when they subsidize the railroads.

Not only us in the trucking industry must write to our Senators and Congressmen for an investigation of Section 15a3 act, but you too as a citizen of this great country have the right to know why this Section 15a3 has been passed. Because when the Government have to subsidize the railroads it is your money that is exchanging for it.

Please write today asking for an investigation of Section 15a3. You're not only helping us but you will be helping yourself too.

Sincerely yours,
Mrs. Julie Hollis

NOTICE
CITY OF WIXOM

Oakland County, Michigan

Board of Review

Please take notice that the Board of Review of the City of Wixom, Oakland County, Mich., will meet at the city offices, 49045 Pontiac Trail, on the following dates:

MARCH 14th—8:30 a.m. to 12:30 p.m. and 2 p.m. to 6 p.m.

MARCH 28th—1 p.m. to 5 p.m., and 7 p.m. to 9 p.m.

for the purpose of reviewing and adjusting the assessment rolls for the City of Wixom.

Further notice — that the assessment rolls will be on file at the City Clerk's office for public examination, March 6th through March 14th, 1961.

Lillian Byrd
City Clerk

It gives a man confidence!

Every Cadillac owner reading this advertisement will know what we're talking about.

For difficult as it is to describe, there is a measure of self-assurance that comes with driving a new Cadillac that is very real indeed.

It derives, we believe, from several basic considerations of Cadillac ownership.

First of all—to be sure—a man's Cadillac serves as a constant and personal reminder of what he has been able to make of his years.

And then too, he can't help but be aware of the respect and admiration his Cadillac engenders. Wherever he travels, it is recognized as the logical reward for achievement . . . and an unmistakable reflection of his taste and judgement.

And finally, a journey at its wheel constitutes the perfect respite from the workaday world.

Beautiful, gracious, substantial—spacious, silent, obedient—it delivers a man at his destination relaxed in body and refreshed in spirit.

Have you considered putting your best foot forward—and into a new 1961 Cadillac?

Well, this should surely be the year to make the move. There has never before been a Cadillac to rival this one—for beauty, for performance, for luxury, for craftsmanship, or for sheer and long-lasting soundness of investment.

Your authorized dealer has the facts—and the car—to prove it.

You ought to give him a hearing soon!
