Meetings Stress Future Township Area Problems

Township problems — now in their infancy but becoming more apparent with increasing population — stood out as the major point of discussion at last Thursday's "Meet the Candidates" session — and carried over into reports presented at Saturday's annual meeting.

(The "Meet the Candidates" meeting at the community building attracted 100 city-township citizens who heard the candidates express themselves and answer approximately 20 written questions from the floor.)

For the first time in township history the annual meeting was held in the city — at the community building. Approximately

Dyer Clinic Set to Open

The new 115 East Dunlap street offices of Dr. H. Lorne Dyer are scheduled to open next Thursday, April 13.

The building, a 35 by 50 foot glass, steel and brick structure, contains five examination rooms plus a waiting room, receptionist's office, combination laboratory-darkroom, lead-lined x-ray room and contagious disease room.

An enclosed garden surrounds the glass-walled waiting room, while a separate entrance is provided for the contagious disease waiting room. A circular hallway permits entrance to examination rooms from the waiting room from either of two ways.

Entrance to the clinic is on the west side of the building. Parking is provided in the rear.

Dr. Dyer's offices are now located on the second floor of Community General Hospital. He will move to the new clinic Wednesday.

60 township residents listened to board members, headed by Supervisor George Clark, give their annual reports.

A question that came up for discussion on candidates' night concerned police protection for the township. Again at the annual meeting Supervisor Clark acknowledged the prospect of his need. He pointed to two possibilities: 1-an arrangement with the city police department on a "will-call" basis; and 2-the township's own force.

He stressed that both would cost money beyond the ability of the present budget and would therefore come only at voters' insistence and approval.

At the candidates' session his opponent, Democrat Mrs. C. E. Woodruff, proposed that a study committee of citizens might now be formed to make recommendations on police protection, as well as other township problems.

Another issue before the township hit came up for discussion both Thursday and Saturday.

4 Detroiters Admit Store Theft Here

Police here were notified this week that four Detroiters convicted of burglary and larceny in Ohio had admitted a break-in at Ellis Electronics, 111 East Main, last summer.

The four, Walter Pace, 36, Leonard S. Alexander, 19, Shady Ballard, 28, and John E. Hicks, 21, confessed to 62 other similar crimes in the greater Detroit area and Ohio. They received like sentences of 1-15 years for burglary and 1-7 years for larceny to be served at the Ohio State penitentiary. Monte Ellis, electronics shop owner, estimated his loss in the July looting at \$600.

THE SMILING WINNERS in Monday's record spring election in the city got together right after the results were tabulated. Mayor A. M. Allen congratulates Northville's first woman council member, Mrs. A. C. (Beatrice) Carlson, while Justice

of the Peace-Elect Charles McDonald (left) and Richard Ambler look on. McDonald won easily over Incumbent Justice E. M. Bogart, while Ambler led the field of six council candidates.

New Apartments One Step Nearer

City councilmen approved an amendment to the zoning ordinance Tuesday night that sets the stage for rezoning a five-acre Baseline road site for construction of a \$300,000 apartment building project.

In its public hearing Tuesday the council established an R-2-A restricted multiple dwelling district.

This new classification limits the area so zoned to multiple dwelling units, home occupation dwellings or the higher R-1 residential use.

Previously, multiple dwellings under R-2 zoning also permitted construction of lodges, clubs, clinics, etc.

At its April 17 meeting the council is expected to set a public hearing date to rezone five acres R-2-A at Baseline road near the Taft and Eight Mile road cut-off intersection for the proposed apartments.

Plans call for two eight-unit buildings to be constructed this year. Later two more buildings will be constructed providing a total of 32 apartments. Subsequent plans call for 48 apartments.

Developer of the project is Davison Obenauer. His firm will build the apartment buildings and Obenauer will retain joint ownership in the project with James Wood of Northville, who will manage the project.

Poll-iticking Around the Area

There were plenty of surprises over at South Lyon Monday. John E. Noel defeated John Alley for the mayor's office and two incumbent councilmen, Reynold Sweet and Don Schell, were beaten by Robert Pollock and Vince Wineberger. Noel resigned as police chief in South Lyon two years ago after holding down the job for more than 18 years.

Novi township has a high-way commissioner in Mrs. George Merwin, of 43461 Cottisford. It will probably be the easiest job of any elected official in the state. One big reason for this — there is no work, merely a title. Township roads are under the care of the county.

"Somebody's having fun," Mrs. Merwin chuckled. "I'm afraid I can't fulfill any campaign promises."

Mrs. Merwin didn't have a campaign. In fact, she didn't even know she was running. She won on a write-in ballot, the only one cast, giving her the closest race of the day, 1-0.

She is a housewife with three girls and is president of the Novi Women's Republican club.

Staman Wins Again in Novi

Incumbent Frazer Staman easily won another term as township supervisor in Monday's spring elections in Novi. He's held the job now for eight years.

Staman defeated Herbert Koester, 704-259. The total was typical of the grand slam that Republicans scored in the township. Emery Jacques won over Harvey Milford, 694-207, for trustee in the only other contest.

Other winners, all Republicans in uncontested offices, were Clerk Hadley Bachert, Treasurer Duane Bell, Justice of the Peace Robert K. Anderson, Board of Review Member Kenneth Cook and Constables Roger Curtis and Leon Dochot.

Anderson had some write-in opposition which fell far short of beating him. William MacDermaid, former justice four years ago until defeated by Anderson, received 56 votes with many more invalid because the stickers were put in the wrong places on the voting machines. MacDermaid lost the February primary by 11 votes.

Novi voters, in a 43 per cent turnout, approved both con-con and raising the borrowing power of the state to aid industry while giving the nod to Republicans in all state offices.

Spring Election Record Vote Set

A spring election record was set Monday in the city of Northville as 1,243 voters selected two new city council members and a new justice of the peace.

Biggest surprise was the easy victory of Charles McDonald, an attorney and newcomer to the area, over Justice of the Peace E. M. Bogart.

McDonald swept all three precincts in defeating Judge Bogart 747 to 332. Bogart's term of office continues until July 4.

Richard Ambler led the field of six council hopefuls with 588 votes. Mrs. A. C. (Beatrice) Carlson became the first woman council member when she edged Incumbent Councilman Ed Welch for the second opening, 416 to 391.

Both Ambler and Mrs. Carlson are newcomers to the Council. Councilman Earl Reed did not run for re-election. Other council members are John Canterbury and Richard Juday.

Mayor A. M. Allen, running unopposed for his second full term in office, collected 792 votes to lead the ballot.

The turn-out represented nearly 56 per cent of the city registered voter total of 2,229. With 345 votes from a registration of 552 precinct three in the city's northern section topped the voting performance with 62 per cent. In precinct one 474 of an 863 registration voted, while precinct two had 424 voters out of 814 go to the polls.

The totals include 91 absentee ballots.

City voters in all three precincts voted in favor of the two ballot proposals. Proposal one (concon) carried 638 YES to 315 NO to follow the state result.

Proposal two (to permit state aid to finance industry) carried 563 YES to 418 NO in Northville but lost statewide.

The procedure for a constitutional convention now provides for a primary election July 25 and a general election September 12 to select delegates to an October 3 convention in Lansing.

On the state level Northville voters followed traditional Republican lines with the exception of precinct two, which went solidly Democratic. And for what may be a local record, voters gave a majority to Democrat Highway Commissioner John Mackie.

Results of the local election will be officially canvassed Thursday night. New council members are scheduled to take office at the next regular meeting, April 17.

Here's how the city voted on state and county candidates: (Winners in capital letters) U-M Regents — SORENSON (D) 411, GOEBEL (R) 627, Zeder (R) 625, Sachs 389; Supt. of Public Instruction — BARTLETT (D) 470, Holloway (R) 555; State Board of Education — HARTMAN (D) 405, Rogers (R) 614; MSU Trustees — HARTMAN (D) 432, SMITH (D) 396, Pingel (R) 611, England (R) 591; Highway Commissioner — MACKIE (D) 572, Bedwell (R) 507; WSU Board of Governors — BURTON (D) 412, RICHMAN (D) 394, Adams (R) 604, Brake (R) 610; County Auditor (Wayne County) — EDGE-COMB (D) 347, Murray (R) 366; Supreme Court Justices — KELLY 653, DETHMERS 566, McLaughlin 276, Boehm 223.

Optimists to Stage Benefit Card Party

A card party to help raise funds for their youth work activities will be sponsored Friday, April 14 at the community building by the Northville Optimist club.

Tables for any kind of card game will be set for the public. Prizes and refreshments will be included in the evening's activities.

General chairman of the program is William Milne, who stated that provisions will be made for 100 tables. Working with Milne are Optimist President Glenn Deibert, Robert Coolman, George Clark and George Kohs.

The event will begin at 8 p.m.

Thugs Use Local Man as a Pawn

What does it feel like to be a pawn?

It all depends, you say, on what the stakes are. Well, what if those stakes are hanging on a nervous trigger finger that could mean life or death? Ah, then, being a pawn isn't so glamorous or exciting!

You've probably seen this plot or something similar in hundreds of movie or television stories, but take it from Harvey (Bud) Shank, of 24620 Taft road, it's not what the fictional hero plays it up to be.

Last Friday afternoon, Shank, who works as a Detroit peanut and potato chip concern, was filling up the racks on a routine stop at Michael's Market on Detroit's east side. It was about 4:30.

He said that a man to whom he did not pay any particular attention came in and inquired about some meat in the case. Only the grocer and Shank were in the store. When told the price, the man left.

The grocer, suspicious, told Shank that he thought something was up. He had never seen the man in the neighborhood before. Just in case, Shank prepared himself for whatever might happen by switching his pocketbook from his side coat pocket to his shirt pocket.

"I just pulled the money, about \$40, from the wallet when these three guys walked in," Shank said, referring to the man who had just left and two accomplices. "One was carrying a paper bag and I thought, 'This is it!'"

Shank said he gathered up his wares and was preparing

to leave when one of the men "shoved the paper bag in my stomach and told me to hold it." The man turned Shank around so that he had the paper bag with the gun inside at his back and facing the grocer.

"Things really happened pretty fast now," Shank recalled. "The next thing I knew Mike (the grocer) was holding out a gun at arms length telling the man behind me he'd shoot his partners if I was shot."

The other two men, who were going toward the cash register, stopped at the grocer's threat.

"They were stunned," Shank said. "They hadn't figured on something like this."

Then both sides started bargaining with Shank shouting to Mike not to shoot. The robbers wanted to be sure that the grocer wouldn't shoot them after releasing Shank and the grocer was reassuring them that he would not.

Slowly, Shank said, the man behind him began inching his way to the door, using Shank as a shield.

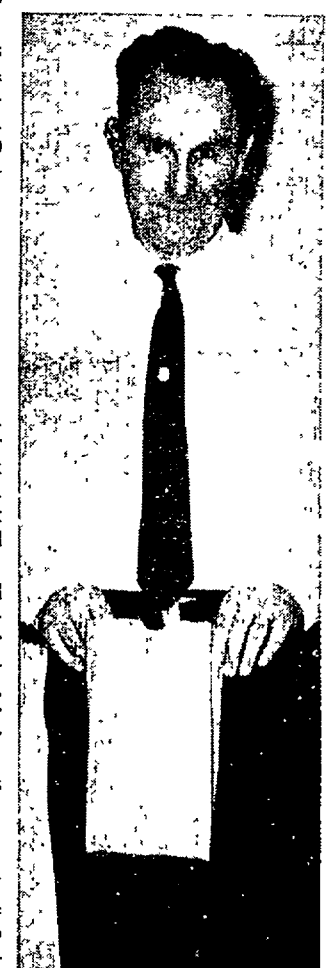

"Somehow, I tripped and I fell right to the floor. I was just sitting there. The guy dropped down behind me and had the gun right to my head."

Again, the robber wanted to be sure that the grocer wouldn't shoot him if he let Shank free. "Go ahead and go," Shank hollered at the man. And the thug slipped out the door.

Within "what seemed like 30 seconds," police were at the store. Two boys told the police that the three men were running down the street.

Mrs. Shank works for the secretary of state's office on Main street in Northville.

"We laugh about it now," she said, "but at the time, there was nothing funny. I could have lost my husband."

A PAPER bag holds some terrifying memories for Bud Shank.

MACHINE FAILURE — Local election officials had to close one of two voting machines in the city's precinct three at American school Monday. A voter reported that the straight Democratic lever also locked the lever for Justice of the Peace E. M. Bogart, a non-partisan local candidate, into the vote position. Officials determined it had not happened with every vote, but decided to close the machine. It had recorded 97 votes at the time of closing. Had the McDonald-Bogart race been close, the foul-up could have caused complications. Checking the machine is Cy Frid, while City Clerk Mary Alexander and one of the voters reporting the defect look on.

Time for A's and Extras

Graduation fever has Northville high school seniors in its grips with just over two months separating the Class of '61 from diploma day.

"What's next?" That's the question seniors are asking themselves and one another. "College," replies Lonna Pelton, the girl with the highest scholastic average in this year's graduating class.

Lonna's a comparative newcomer to Northville. She went to high school here for the first time in September after studying three years at Lincoln high school in Van Dyke. Her academic average at last count was just a whisper away from all A's — a 3.815 as compared to a possible 4 points.

Local Pair Spark New Auxiliary

About 100 area women have banded together to form an auxiliary to serve the Plymouth State Home and Training school, a state institution currently housing some 170 mentally retarded children.

George Ebling, director of community relations for the hospital located at 15480 North Sheldon road, made the announcement.

Two Northville women, Mrs. Albert Spaeth and Mrs. Jonathan Goldsmith, and Mrs. Glenn Fraleigh of Plymouth spearheaded the move to start the auxiliary, said Ebling. They got the idea, he explained, while doing volunteer work at the hospital.

The three were elected, along with six other women, at a March 14 meeting to serve on the auxiliary board of directors. Also named to the board were Mrs. Bradley McKimm and Mrs. Arthur Hempe, Northville; Mrs. Mowry Arnold and Mrs. H. B. Corwin, Jr., Plymouth; Mrs. Margaret McQuillan, Wayne, and Mrs. John Willis, Livonia.

Ebling outlined three general areas in which auxiliary workers will provide assistance — (1) aiding nurses in the care of the children, (2) organizing and operating the medical library, and (3) doing general clerical and stenographical work.

A newsletter will be published periodically, he said, to keep members up to date on auxiliary activities.

An expansion program to increase hospital facilities is now underway, Ebling noted. Two new units of 220 beds each are now under construction. One should be completed in August, the other in December. Mentally retarded persons of all ages will eventually be cared for at the hospital, he said.

Dr. Robert Jaslow is clinical director of the institution, which has a 317-bed branch in Farmington.

Mr. and Mrs. Charles Smith of 43643 West Nine Mile road were feted at a 50th wedding anniversary supper given by neighbors and friends Saturday evening, April 1 at the home of Mr. and Mrs. H. E. Bittner, 43650 West Nine Mile road.

Special guests were the Smiths' children and their spouses, Mr. and Mrs. Arthur Smith of Dearborn, Mr. and Mrs. Larry Wood of Nine Mile road, Mrs. Nadine Walker and Mrs. Nedra Callard of Yakima, Washington.

Decorations and flowers followed a Golden Anniversary motif in color and scheme. The Smiths were serenaded by group singing led by William Kelly of Cottesford drive.

On Easter Sunday evening, the Smiths greeted between 300 and 500 guests at a reception given in their honor at Central Woodward Christian church in Detroit. The couple's anniversary was on March 22.

Miss Carole Stuckey, 19275 Meadowbrook road, hosted a miscellaneous bridal shower March 25 in honor of Sally Nelson, daughter of Mr. and Mrs. Horace Nelson of 46600 West Seven Mile road, who will be married April 8 to Garnet Potter of Redford township.

On March 23, Samuel Ralph Hollis celebrated his third birthday at the Thunderbird inn with his sister, Vanessa, and mother, Mrs. Mary Ellen Hollis.

Leila Hagadorn, 126 Randolph, was honored at a miscellaneous bridal shower March 24 at the home of Mrs. Betty Lowes, Thirteen Mile road, Farmington. Guests from Northville, Plymouth, Livonia, Farmington and East Detroit attended.

Women of the American Legion auxiliary gave Miss Hagadorn an electric skillet at their last meeting at Catherine Johnston's home.

To Address Garden Clubs

Northville's branch of the Woman's National Farm and Garden association will host a tri-club luncheon Monday at 12:30 p.m. at Thunderbird Inn. Other participating clubs are from Rosedale Gardens and Plymouth.

Jim Vinnall, WJR newscaster and guest speaker at the luncheon, has chosen the topic "Changing Face of the World" for his talk.

The Garden club's horticultural committee will hold an arrangement class from 9-10 Tuesday morning, April 25 at the home of Mrs. Wilbur Johnston, 370 Orchard drive.

Instruction by Mrs. R. T. Gerathy will begin promptly at 9. Each member is requested to bring two containers and garden flowers. Arrangements will be for three and five flowers.

Jaycee Auxiliary Gets Charter in May

The newly formed auxiliary to Northville's Junior Chamber of Commerce will get official recognition Wednesday, May 10 at a charter night dinner set for 7 p.m. at Hillside Inn, Plymouth.

Special dinner guests will be state Jaycee Auxiliary officers and members of the Walled Lake auxiliary's extending committee.

At a recent meeting Mrs. Walter Ribant, membership chairman, outlined plans for a card party she will host at her home April 12 to introduce new members into the auxiliary.

President Mrs. Charles Ely, Jr. also named two committee chairmen. Mrs. Victor Miller will head the scrapbook committee, and Mrs. Al Laux will direct community service. It was further decided that social committee chairmen will be appointed on a month by month basis.

Don't Forget Jaycee Auxiliary Bake Sale

Jaycee auxiliary women are sponsoring a bake sale tomorrow (April 7) at the Northville branch of Manufacturers National bank on Main street.

Baked goods will be sold from 11:30 a.m. until about 7:30 p.m.

This is the auxiliary's first money making project. Proceeds will be used for the group's community service and charity projects as well as for its social functions.

Double Ring Vows Unite Couple Here

Mr. and Mrs. Orman Hodges took a four-day trip through Northern Michigan following their double ring nuptials at the First Methodist church March 28.

Officiating at the evening ceremony was the Reverend Paul Cargo.

Mrs. Hodges is the former Betty Stevens. Her parents are Mr. and Mrs. Ralph Freemans of Onaway, Michigan. Mr. Hodges is the son of Mrs. Henry Franklin and the late Mr. Franklin.

Witnesses attending the couple were Dr. and Mrs. Honorato Barrios of 9733 Eight Mile road.

Mrs. Henry Franklin, the bridegroom's mother, feted the couple at a reception for members of the family and close friends at her home at 345 East Cady.

Mr. Hodges is employed with Burroughs corporation in Plymouth. His wife works at Eastlawn resthaven. They will reside at 345 East Cady.

Newlyweds Honeymoon In Florida

Exchanging marriage vows in the chapel of the First Methodist church Saturday, April 1 were Leila Hagadorn of Randolph street and Murray Condon of Dearborn.

The Reverend Paul Cargo officiated. The bride chose a blue silk, two-piece Dior suit with matching shoes and hat and white gloves and orchid corsage for her wedding.

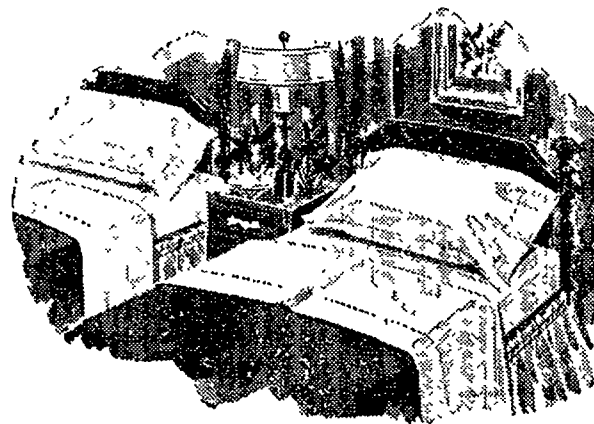

Her matron of honor, Mrs. Betty Lowes, wore a two-piece, pink suit with white accessories and a corsage of white carnations.

Attending the groom was Charles Lowes of Farmington. A buffet luncheon for the immediate families was served at the bride's home after the ceremony. Guests from Northville, Farmington, East Detroit, Dearborn and Ontario, Canada were present.

Following a month-long Florida honeymoon, the couple will reside at 4760 Argyle, Dearborn.

Wed Here

Justice E. M. Bogart officiated March 31 at double ring nuptials uniting Susan Kay Lillie and Charles P. Collins, IV, both of Detroit. Mr. and Mrs. Richard McCarthy of Detroit witnessed the ceremony attended by relatives of the couple.

Sanders-Selman Nuptials Said at Methodist Church

Joan Marie Sanders, daughter of Mr. and Mrs. Harry Sanders of 504 North Center street, became the bride of Joseph Frederick Selman, Jr., son of Mr. and Mrs. Joseph Selman of Bloomfield Hills, in a candlelight ceremony Saturday, March 18 at the First Methodist church.

The couple exchanged vows before an altar framed by sprays of gladioli and chrysanthemums. The Reverend Paul Cargo, Methodist Church pastor, officiated.

Given in marriage by her father, the bride wore an empire princess style gown of skinner's bouquet taffeta fashioned with a fan-pleated, cathedral train. Venetian lace appliques etched the scoop neckline, which dipped to a deep v in the back, and the three-quarter length sleeves.

The bride's headpiece was a queen's crown of Venetian appliques and seed pearls with a fingertip veil. She carried a bouquet of white roses encircled with daisies and a Brussels lace handkerchief which had belonged to her former Girl Scout leader, Mrs. Alex Lawrence. It was a gift of Mrs. Belle McColl, Mrs. Lawrence's mother.

Music was provided by Organist Arthur Pipok and John Hyde, soloist, who sang "If I Could Tell You" and "The Lord's Prayer."

The bride's maid of honor, Kaye Houser, was attired in a kelly green sheath of tiered silk organza accented with a pale green satin cummerbund that tied in a bouffant bow with long flowing sashes in the back. She wore a whimsy headpiece made with a pale green satin bow and accenting kelly green veil. Her flowers were pink roses and white daisies with ivy streamers.

Mr. and Mrs. Alvin Kruger of 39510 Burton drive, Novi, announce the engagement of their daughter, Barbara Ann, to Raymond Eugene Dahl, son of Mr. and Mrs. Arthur Dahl of 7440 Salem road, Salem. Miss Kruger attends Central Michigan university. Her fiancé attends Albion college where he is affiliated with Sigma Chi fraternity. Both are 1960 graduates of Northville high school.

Mr. and Mrs. Joseph Frederick Selman, Jr.

Bridesmaid Barbara Neuman of Milford wore a pale green satin dress with harem skirt, scoop neckline and wide cummerbund. She carried a pink rose and kelly green daisy bouquet.

The new Mrs. Selman is a 1957 graduate of Northville high school. Her husband attended Bloomfield Hills high school, Oxford academy and Ferris Institute. He is affiliated with Sigma Delta Chi fraternity. They will reside at 230 Fairbrook.

Philip Thomas of Southfield was the bridegroom's best man. The bride's brother, John Sanders, and Kenneth Smith of Plymouth were ushers.

Mrs. Sanders wore an olive green sheath with satin cummerbund and complementing brown accessories for her daughter's wedding. Her corsage was a cymbidium orchid set against ivy and daisies.

About 100 guests greeted the newlyweds at a reception in the church parlor. Guests came from Northville, Bloomfield Hills, Lathrup Village, Detroit, Southfield, Orchard Lake, Jackson, Milford, Ypsilanti and Farmington.

Mrs. Bernice Thomas took charge of the guest book, while Mrs. Madeline Crawford cut the cake. Janice Williams, Laurie Chabot, Julie Gazlay, Cheryl Thibos and Rita Bradford, all members of the bride's Girl Scout troop, poured punch and coffee.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

—Samuel Johnson

WELCOME CHANGE — Newcomers Edward (Pete) and Joanne Eisele traded the hustle and bustle of the city — Detroit — for a quieter setting in Northville. The look-alikes in this picture are twins Sally and Susan, 3; Janet, 11-months-old, has a big smile for the photographer.

Its size — "we like small towns" — and setting — "it was so pretty" — sold newcomers Edward (Pete) and Joanne Eisele on Northville. Pete Eisele, a pattern maker with the Progress Pattern company in Southfield, hails from Buffalo, New York. His wife is a native Detroit. A golfer and hunter during recreation hours, Eisele followed a year's study at Sampson college in Sampson, New York with a five-year pattern making apprenticeship. Keeping house and caring for three pre-school children is a full-time job for Joanne Eisele.

Teacher Profile

No Idle Hours Here

If multiple interests are a prerequisite to a teaching career (as they seem to be) then Kathy Maskery, junior high school teacher, measures up with a variety that would be the envy of Mr. Heinz. The coming of spring has allowed her to pursue her number one hobby — gardening — with renewed vigor. Assuming the title of "Chief Landscaper," she expertly wields rakes, shovels, hoes and other planting paraphernalia in the backyard of her parents' home in Detroit. An offshoot of this interest is raising house plants and arranging flower displays. She's also sampled piano (Grieg and Rachmaninoff concertos), skating, ballet, horseback riding, interior decorating, chess and is now taking up dressmaking. She can even boast a "Chess Champion of the Year" title for her two-game winning streak against her longer-practiced students. Her overall record now reads — won two, lost none. Her reading is mostly biography and historical novels.

Her main academic interest, moreover, is in history. Her major concentration in college (University of Detroit) also leaned toward history. "I have always been very interested in the 19th Century and its history — especially in the United States," she says.

Her interest in United States history probably goes back to her early years in Philadelphia where she recalls being inspired by visits to Independence Hall, the Liberty Bell, Betsy Ross' house and sundry other places familiar to most only in history books.

When she came to Detroit 10 years ago the most obvious souvenir of her Eastern upbringing was (and still is) her soft Eastern accent, but probably her most treasured keepsakes are her nostalgic memories of life in more carefree days in Ocean City, New Jersey.

Miss Maskery finds that Northville is very much like Ocean City in spite of the obvious differences between an ocean city and land-locked Northville. "Northville reminds me of Ocean City," she insists. "Both are small, friendly and clean with lots of flowers around."

During her college career she became active in theater with parts ranging from comic to serious, tried a year of fencing, and was active in the speech club. Her skill with a typewriter earned her a job with the R.O.T.C. (and an invitation to join the army), and a job with the philosophy department typing books.

The most embarrassing moment of Miss Maskery's life probably came when she invited her sister Mary Ann (who was a high school junior) to college to impress her with the lectures in a political science class. Acute mortification set in when the professor's attention was drawn from his lecture notes on the rostrum to sleeping Mary Ann, slowly slipping from her lecture hall desk.

Despite such hazards she made it through college (majored in political science, as a matter-of-fact) and is now teaching English and social studies to seventh and eighth graders. In her neat-as-a-pin classroom she stresses the

importance of good writing, requiring students to turn in compositions every week. The class usually writes during classtime. Miss Maskery explains that this allows her opportunity for closer supervision.

Miss Maskery's philosophy of life helps her in her teaching. "Every person is unique and thinks in his own way, has his own likes and dislikes and his special way of expressing himself," she says. "I guess this is what makes life so interesting." "I enjoy teaching," she adds, "because it gives me a chance to be with people, working with students and other teachers."

Eastern Reader Shares Recipe

Kitchen Diary extends thanks this week to Mrs. Faye Santavener, a Record reader from Concord, New Hampshire who mailed us her favorite old Italian recipe for veal cutlets to pass on to our readers.

A Northville visitor every summer — her daughter, Mrs. Paul Folino, lives here on Cady street — Mrs. Santavener praised the city for its cleanliness, beautiful parks and "that wonderful spring water on Main Street".

"And your people," she writes, "are so friendly and

AUGUSTA VEAL CUTLETS
Mrs. Faye Santavener
1 lb. veal steak
6 eggs
1½ cup bread crumbs
¼ cup Romano grated cheese
1 T fresh parsley
2 pieces chopped garlic
½ t black pepper
½ t salt
1 cup cooking oil
SAUCE
1 can tomatoes
1 medium onion
½ t oregano
¼ cup cooking oil

½ cup water
¼ t salt.
Cut veal into pieces three to four inches in diameter. Beat eggs; in separate deep dish, mix well bread crumbs, cheese, parsley, chopped garlic, black pepper and salt. Dip veal in eggs then in bread crumb mixture; place aside on separate dish. Heat cooking oil in frying pan. Dip breaded cutlets in eggs again and fry at 300-350 degrees until golden brown; place in casserole or small roaster. Pour cutlet sauce over veal

and bake at 300 degrees for 15-20 minutes.

SAUCE

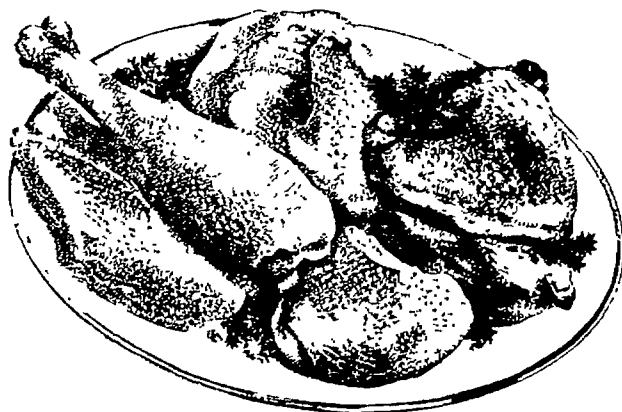

Brown onion in skillet; add tomatoes, salt and oregano. Cook well for 15-20 minutes. Add water, stir and pour over cutlets.

Coordinating Council Hears 'Beautify' Plans

With another "Beautify Northville" campaign about to begin, members of the coordinating council heard a report at their March meeting of the progress of the past.

The 1960 chairman, Jack Swain, displayed the three national first place trophies won by Northville during the past three years.

In connection with the campaign's efforts to promote redevelopment of the commercial district Swain proposed that a survey should be taken to determine how many local residents shop out of town and why.

Swain introduced the new chairman of the 1961 Beautify Northville campaign, Wilfred Becker, who pledged greater emphasis on the community redevelopment program in connection with the clean-up drive. Becker pointed out that a better merchandizing center would tend to attract industry to the area.

Mrs. Essie Nierder, coordinating council president, appointed William E. Schulz chairman of the 1961 Citizens

Minutes of Northville City Council

A regular meeting of the Northville City Council was held at City Hall Monday evening, March 20, 1961, at 8:00 p.m.

Present: Mayor Allen, Councilmen Canterbury, Judy, Reed and Welch.

Minutes of last regular meeting and of special meeting of March 13, 1961 were read and approved.

Bills amounting to \$9,803.88 from the General Fund, \$7,088.56 from the Other Government Fund and \$714.19 from the Water Fund were presented for payment. Moved by Welch, supported by Judy, that these bills be allowed and paid. Carried.

The first item of old business was the public hearing on the amendment to the Zoning Ordinance covering property in Yerkes Estates No. 3 to be rezoned from R-1 classification to C-1 known as Parcel No. 1. Parcel No. 2 to remain R-1 as originally zoned. These two parcels of land are the southern and northern portions respectively of a parcel of land bounded on the south by Allen dr., on the west by Novi road, on the north by Northville City limits and on the west by Lots 51, 118 through 125 inclusive of Yerkes Estates Sub. No. 3 and is located at the extreme northeast corner of the City of Northville.

There being no objection by anyone present to the passage of this amendment it was moved by Judy, supported by Reed, that same be adopted and that the property be rezoned as recommended. Carried.

Regarding the No. Center St. Paving project, a meeting will be held on March 27, 1961 at 8:00 p.m. with property owners involved in Project No. 1 as outlined in Mgr. Robertson's report. It is suggested that property owners participate to the extent of 15% to 20% in this project.

Councilman Canterbury reported that the Codification Committee was making good progress; that they had met each Wednesday evening for the last eight weeks and had furnished the Council with three new ordinances for consideration. It was suggested that two of the ordinances be tentatively approved at this meeting, and these being the Bicycle and Of-

NHS Stages Whodunit

"The Night of January 16"— Powerful financier tumbles 37 stories to his death on the sidewalk below his luxurious penthouse apartment. An accident or murder? Police make no comment, but call in close relatives and acquaintances of the deceased.

Plot details and the solution to this spine-tingling whodunit — the choice for Northville high school's all school play — will be unraveled April 27 and 28 when the three-act production is staged in the high school auditorium. Sponsored by the Forensics club, the thriller is being directed by Miss Florence Panatoni and Miss Patricia Dorrian.

Minutes of Northville City Council

fenses ordinances. The Council tentatively approved same as recommended.

A proposed amendment to the Zoning Ordinance to create a multiple dwelling District on Randolph St., to be known as R-2-A restricted zoning, has been recommended to the Council by the Planning Commission. It was moved by Welch, supported by Allen, that the amendment be published and that a public hearing on same be held at the City Hall Tuesday, April 14, 1961 at 8:00 p.m. Carried.

The next regular meeting will be postponed to Tuesday, April 4, 1961, due to the holding of the City Election on April 3, 1961, the regular meeting date.

Regarding Joe Denton Park, Mgr. Robertson referred to a letter from the Optimist Club dated Sept. 30th, 1960, in which they stated they were desirous of being helpful in the development of this park, and wanted additional information as to what they could do to assist in this project. This letter has not been answered and he felt it should receive attention. Engineer Penn has looked this project over and reports that the south end of the park has not been finished to drain under 7 and is located at the extreme northeast corner of the City of Northville.

There being no further business to come before the meeting, same was adjourned at 11:15 p.m.

Top prize in both the boy and girl categories is a bicycle. Other prizes include transistor radios, roller skates and 14 theater tickets. Shown (l. to r.) examining the prizes are Gail Wilcox, Carol Lipa, Richard Liebold and Ian Dingall. A complete list of the current leaders appears on page nine.

Hundreds of area youngsters refused to be discouraged by cold weather as they turned out Saturday morning in the search of Easter eggs at the city hall park. The egg hunt was sponsored by the junior chamber of commerce with assistance from Brader's, Cloverdale Farms Dairy, E.M.B. Market, Little People's Shoppe, Paul's Sweet Shop and The Record. The full hands at right is proof, that the youngsters came away with something for their efforts.

Mustangs, Holly Tied

With half of the school year's sports calendar completed, Northville and Holly are neck-and-neck in the running for the Wayne-Oakland League all-sports trophy.

Both schools have 31 points as a result of their final league standings in football, cross country and basketball. Baseball, track, tennis and golf remain.

Meet West Bloomfield, Brighton

Thinclads Open Season

Northville's thinclads open up the 1961 spring schedule for the Mustangs next Wednesday when they face West Bloomfield.

Boys 11-13: This is It!

Recreation baseball practices start tomorrow and Saturday in Northville.

Director Ken Conley said that boys between the ages of 11 (before September 1) and 13 (before September 1) are eligible for the practices on diamond number 2 in Cass Benton Park. Practices on both days start at 9:30 a.m.

Conley said practice sessions will continue every Saturday morning until the season opens. Registration for the year's recreation program will begin after May 1, Conley added.

Come on, Sunshine!

The weather is holding up Northville's golfers from getting out on the links, Coach Al Jones reports. The first meet is April 17 with South Lyon and Clarencerville.

One returning letterman, Tom Slattery, will head up the golfers this spring.

Bloomfield and Brighton in a triangular track meet at West Bloomfield.

The tennis squad gets going against Ypsilanti Roosevelt High on Thursday while the varsity baseball squad travels to South Lyon for a non-league opener and the track team meets Milford on Friday.

But, over and above this track coach Ralph Redmond can't help feeling the "pinch" of the first meet. He summed it up this way:

West Bloomfield should be strong in the dashes and Brighton in the distance runs. Where does that leave his charges? Obviously, in the middle and it's a pretty uncomfortable spot.

If there's one thing that Redmond should not be lacking, that is some good front-liners. It's depth — the bench strength in baseball, for instance — that worries him.

For lack of this strength, speed merchants, Tom Darling and Jim Petrock, who usually ran buddy-buddy in the dashes

and broad jump have been split up. Darling will stick with the 100 and 200 where he holds both school records while Petrock will switch to the quarter-mile.

Darling, a senior, ran the 100 yards in 10.3 seconds last year in the regional preliminaries for one record and in another meet, crossed the 200 finish line in 22.9 seconds for the other mark.

He also holds the broad jump mark of 21' 4 1/2" which, Petrock, a senior, says the 440 is a bit longer but he doesn't mind the change.

Last year, he cruised around the track in 53.9 seconds, the one and only time he did the 440 in a meet. And he was suffering with a leg injury at the time, too.

In the distances, record holder Phil Jerome and Chips Ely will be back again. Jerome's record time is 4:56, set in the regionals. Ely's best time is 4:58. Both are seniors.

Returnee Jerry Biddle will be the 12 pound ball in the shot put. He turned in regular throws in the 40-to-43 foot range last spring.

Other veterans that Redmond is counting on include Dave Filkin, Dick Bathey, Mike Adams, Jim Morris, Dick Geer, Bill Gallagher, Bill Krist and Don Busch.

Optimists to Hear 500 Mile Winner

Troy Ruttman, winner of the 1952 "500 Mile" Memorial Day race at Indianapolis, will speak and show movies at the Garden City Optimist Club's regular meeting at 7 p.m. Tuesday.

The meeting will be held at the Garden Lanes Ten-Pin room, 29145 West Warren. It is open to guests and prospective members. Dinner reservations may be made by calling Buck Mills at GA7-8935.

MUSTANG SPRING SPORTS SCHEDULE

WEDNESDAY, APRIL 12, 4 p.m.: Track — Brighton and West Bloomfield at West Bloomfield.

THURSDAY, APRIL 13, 4 p.m.: Tennis — Ypsi Roosevelt (home)

FRIDAY, APRIL 14, 4 p.m.: Track — at Milford Baseball — at South Lyon

RARIN' TO GO — This quartet is looking straight ahead to next Wednesday's meet with West Bloomfield and Brighton, opening up the Mustang spring sports schedule. Standing are Chips Ely (left) and Phil Jerome, both milers. Jerome holds the school mark of 4:56. Kneeling are Tom Darling (left), record holder in the 100 (10.3), 220 (22.9) and broad jump (21' 4 1/2") and Jim Petrock, switched to the 440 yard dash where he has been timed under 54 seconds.

DEADLINE — NOON TUESDAY

1—Card of Thanks

My sincere thanks to friends, relatives and neighbors for their cards, letters and flowers during my recent stay in the hospital and for the many acts of kindness since my return home.

Mrs. Dewey Lyke
H14cx

To The People of
Green Oak Township

Many many thanks to the people of Green Oak Township, who expressed their confidence in us by their "yes" vote in the April 3 election; also to the ladies, who so graciously campaigned in our behalf. We hope to serve you even better in the next 2 years.

Howard B. Spicer, Supervisor
Pauline H. Kravetz, Treasurer
Forrest E. King, Clerk

Metropolitan Population Moving North-Westward

The center of population for the Detroit metropolitan area was located at approximately Seven Mile Road and Greenfield in 1960.

This was the finding in a report cooperatively undertaken by the Detroit Metropolitan Area Regional Planning Com-

mission and the Department of Sociology and Anthropology of Wayne State University.

The report presents an analysis of the change of centers of population in the Detroit metropolitan area (Macomb, Oakland and Wayne counties) and in the city of Detroit.

Data from the decennial censuses of 1930, 1940, 1950 and 1960 were analyzed to determine the location of the center of population at each period of time.

Since 1930 the center of population has moved in a north-westerly direction, reaching its greatest momentum during the 1950-1960 decade. The net effect of three decades of growth in the Detroit metropolitan area has been for the population center of the area to move over five miles west and four miles

north from its location at Hamilton and Elmhurst in 1930.

The outward migration of the population center has resulted from the fact that the city of Detroit has been growing at decreasing rate whereas the suburban areas have been growing at an increasing rate.

Further growth in these directions can be anticipated. Expansion to the north and west is unlimited, at least in terms of geography.

Looking at the future, it is safe to assume that by 1970 the center of population of the metropolitan area will no longer be within the city of Detroit. It will cross Eight Mile Road and probably approach Nine Mile Road.

It is just as probable that the center will continue toward the west to locate at a point between Southfield and Evergreen Roads.

The center of population of the City of Detroit has followed closely the direction of movement in the entire metropolitan area. In 1960 this center has located at Fourteenth and Cortland Avenues, just west of Highland Park. The future movement of the center of population for Detroit is virtually certain to continue in a north-west direction for at least the next decade.

Fish Hatchery Manager Given Award

Floyd A. Chamberlain, Manager of the U. S. Bureau of Commercial Fisheries' Hatchery located in Northville, was presented recently with a badge to commemorate 30 years meritorious service.

Chamberlain began work here on March 23, 1931 as an apprentice fish-culturist shortly after his marriage to Miss Marcella McCormick. The young couple lived in a small apartment in the main building. In June, 1938 Chamberlain was promoted to Fish-Culturist.

Two years later, on February 1, 1940, he received another promotion and was transferred to Arcadi, R.I. where he was foreman at the fish hatchery for several years. Here a son, Robert B. was born on August 5, 1941.

While at Arcadi, Chamberlain attended a service training school for the study of warm water fishes at Antar, Alabama, and from October 9, 1951 to September 10, 1952 he obtained additional training at the Fishery Laboratory in Cortland, N.Y.

At the end of the training period, Chamberlain was made Manager of the fish hatchery near Seneca, Ohio, but, at the first opportunity, he returned to the scenes of his earlier days as manager of the hatchery where he had formerly been apprentice fish-culturist.

Presbyterian Pastor Starts This Sunday

The Reverend Lloyd G. Brasure will assume his duties as new pastor of the First Presbyterian church of Northville this Sunday.

The Rev. Brasure will conduct both services at 9:30 and 11 a.m. With his family he arrived in Northville this week from Petoskey. He replaces the Reverend John D. Taxis, now at Fort Lauderdale, Florida. The Brasure family will reside at the church parsonage at 542 West Main street. The Rev. and Mrs. Brasure have four children.

IT'S FUN!

HERE ARE THE SIMPLE RULES:

When you buy your lawn and garden needs at ELY'S you will be awarded 100 POINTS for every \$1.00 purchase (a point per penny). Whether it's a charge or cash sale, all you have to do is write the name of the boy or girl you want to credit your points to on the back of your duplicate sales' slip. Just drop the slip in our contest box. (A \$5.95

purchase would be worth 595 points, for example). The contest begins with purchases made March 23 and continues through April 29. Standings will be posted each week and winners announced May 4. Sales' slips will be returned by us to verify the accuracy of the standings. Only purchases in our lawn & garden department count

toward the contest. Ely company employees and their families may not participate in the contest. Remember, both cash and charges are counted. So why not win a dandy prize for your child, grandchild or young friend, while buying your spring garden and lawn needs.

MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER MAKE!

"When one car outsells all the rest the way this new Chevrolet is doing"—there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboglide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of

persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

*Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960—and Chevrolets continue to set the pace for the industry this year!

HEATING PROBLEMS? CHOOSE FLAMELESS ELECTRIC HEAT

This Nankin Township Family's Glad It Did!

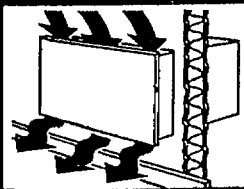

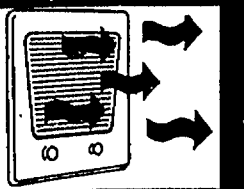

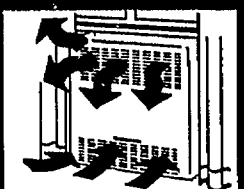

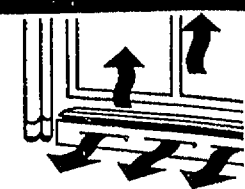

This family knows you can't beat electric heat when you're converting the heating system of an older home. Its flexibility permits quick, inexpensive installation. Because it's flameless, electric heat is the cleanest method there is—walls and furnishings stay clean with less care. And with electric heat, you get uniform warmth and comfort at a turn of a dial. There's no need to start up an entire system to get extra heat in one room. Electric heat may cost more, but it's worth every cent in extra comfort, extra convenience. And Edison's Budget Billing Plan equalizes heating costs over the year.

If you are remodeling, building or buying, you'll find it worth while to check the many exclusive advantages of built-in electric heat. For all the facts, just fill out and mail coupon at right. We'll send you a copy of the free illustrated booklet "ELECTRIC HOME HEATING."

DETROIT EDISON

Flexible electric units meet every heating need

Built-in electric heating systems may be baseboards; forced air units or radiant panels set in walls. For summer cooling as well as winter heating, choose the versatile heat pump either for one room or the whole house:

The William Albert family of 36151 Glen St., Nankin Township, Mich., reports: "I like so many things about electric heat, it's hard to say which I like best. First, it saved us \$300 on installation. It saved us space, too—now we have an extra closet where our chimney used to be. And, the heat's more even and the rooms are more comfortable than they were before. My draperies stay a whole lot cleaner. Believe me, once you have electric heat, you won't want anything else. It's the coming thing."

Those attending Christian Sci-
ence services Sunday will hear
a challenging call to overcome
sin and sickness of every kind
through wholly spiritual means.
Highlighting the Lesson-Ser-
mon entitled "Are Sin, Disease,
and Death Real?" is this Gold-
en Text: "The kingdom of
heaven is at hand. Heal the
sick, cleanse the lepers, raise
the dead, cast out devils: free-
ly ye have received, freely
give" (Matthew 10).
One of the selections to be
read from "Science and Health
with Key to the Scriptures" by
Mary Baker Eddy states: "God
is as incapable of producing
sin, sickness, and death as He
is of experiencing these er-
rors. How then is it possible for
Him to create man subject to
this triad of errors, — man who
is made in the divine likeness?"
(p. 356).
This verse will be read from
Psalm 145: "The Lord is right-
eous in all his ways, and holy
in all his works."

from the PASTOR'S STUDY

By the Rev. James F. Andrews
Full Salvation Union Chapel

Much has been said and
written about the power of
will, the power of mind, the
power of faith, the power
of suggestion, the power of
an idea, etc. But very little
seems to be known about the
power of God.

Constant appeals are be-
ing made for people to sur-
render to noble (?) ideal-
ism, to believe in certain
ideas, to harmonize with cer-
tain moral standards. But
little is heard about the pos-
sibility of surrendering to
the power of God which is
the power of the Holy Ghost
— a power separate and dis-
tinct from the "workings of
your own mind" which will
take possession of your body
and make you what you
ought to be, even as it took
possession of the disciples in
the upper room on the day
they spoke words of life
of Pentecost and caused
as the Spirit gave utter-
ance.

Many people have believ-
in the record we have in the
Bible. They have believed
that it was possible to pray

and wait for the promise of
the Father even as the dis-
ciples did until that same
power of God which filled
those in the upper room, as
recorded in the book of Acts,
would also fill them.

Some who have believed
this have prayed and waited
until they have had the ac-
tual experience of having a
power greater than them-
selves take such possession
of them that for a long time
they were not able to con-
trol by the act of their own
mind or will the wonderful
words that came out of their
mouth.

Such an experience should
teach us all that it is not
only possible to have the
Holy Ghost take such pos-
session of us that we speak
as the Lord gives utterance
but that it is also possible
to have our whole body, and
every part of our being un-
der the control of God's
mind so that in reality as
well as in theory, it is, "no
longer us that lives but
Christ Jesus that lives in
body and make you what

you ought to be.
After you have heard that
you can have your body and
soul and spirit fully control-
led by God's mind, that you
can actually be a part of
God's great Full Salvation
Union which he is forming
in the world today by bring-
ing all of His children every-
where into this Oneness for
which Christ prayed in that
you no longer need to just
do what seems right to you
to do but that you can ac-
tually let God do what is
right through you; that you
can give up to God rather
than to give up to an idea
about God or about His
righteousness, then it is your
responsibility to decide which
way you will go.

You must make your own
decision. Unless you decide
to go with God into Full
Salvation Union you will never
go and as far as you are
concerned the prayer that
Jesus prayed so long ago,
"that the world may be-
lieve" will still be unanswer-
ed.

It is necessary to hear the
good news, to hear that
there is a Holy Ghost, that
there is a power beyond
and above the mind realm
that will take possession of
your mind, your will, your
body and make you what

Missionary Conference Set in Wixom

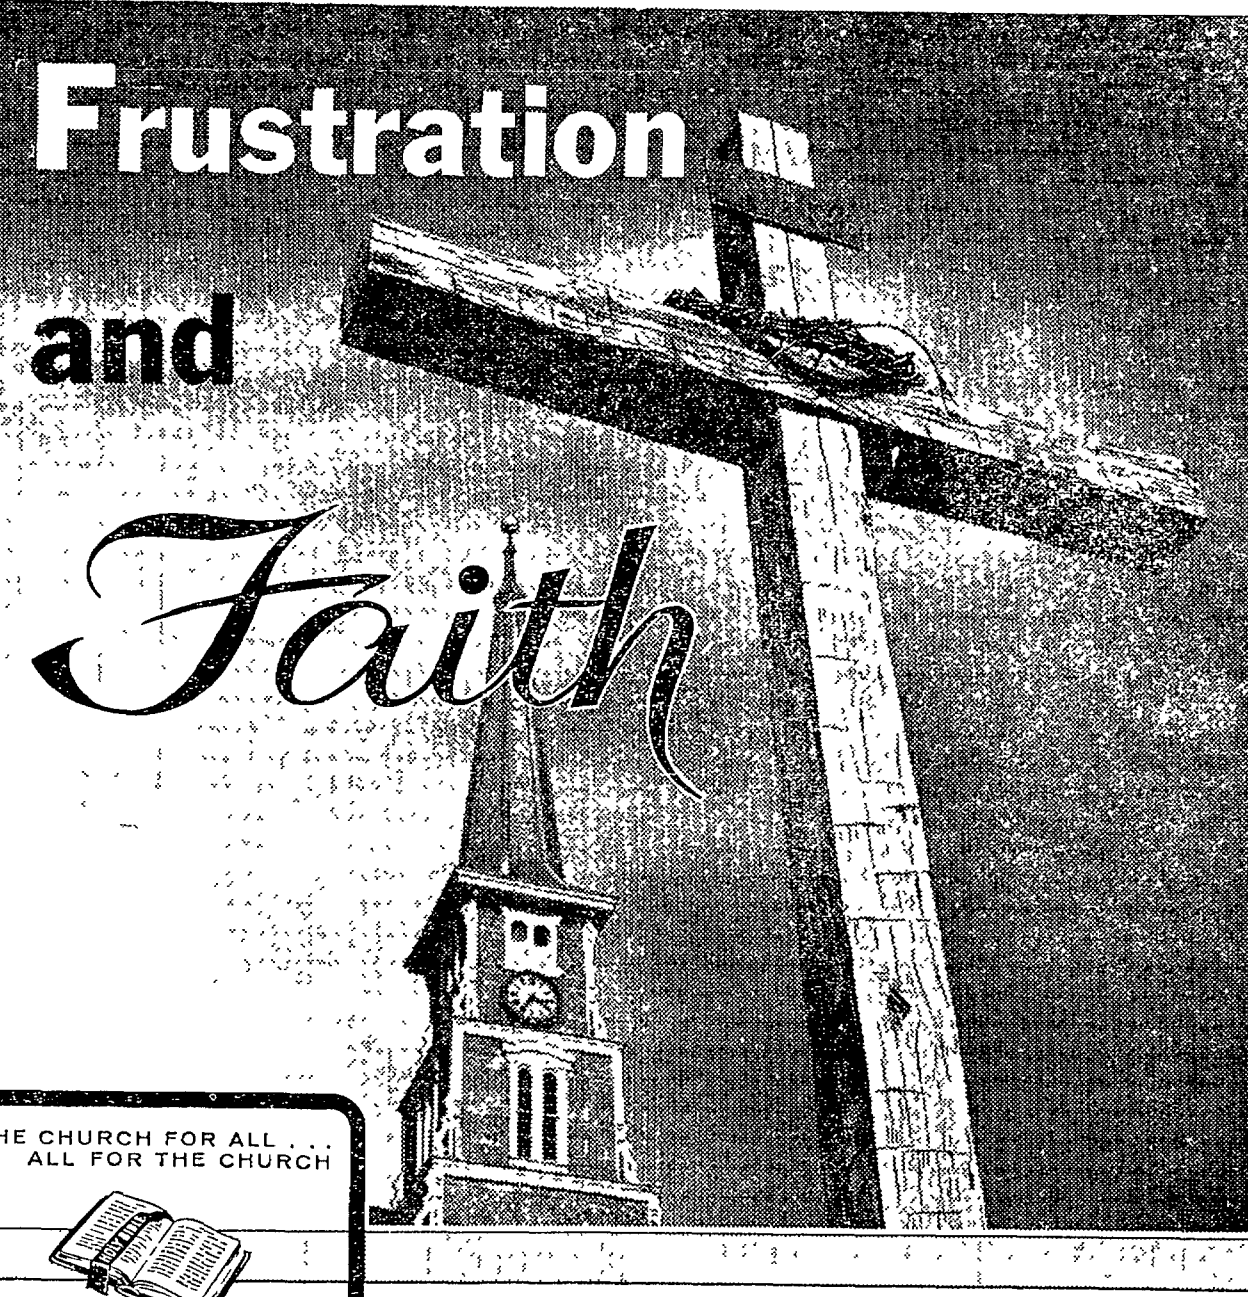

From God's battlefields
around the world, 42 missionar-
ies representing 30 different
societies will come to the De-
troit metropolitan area for a
missionary conference.

The number of churches co-
operating in this conference is
28. The conference at the First
Baptist Church, Wixom will be
conducted Sunday, April 9
through Wednesday, April 12.
Conference meetings will be
conducted at 7:30 p.m. night-
ly, and at the 10:00 and 11:00
o'clock services Sunday morn-
ing.

The following will be the
speakers:
Sunday — 10:00 a.m. Miss
Minnie Meyers, missionary for
30 years under the Bolivian In-
dian Mission. 11:10 a.m. Rev.
Hubert Clevenger, Jr., mission-
ary to the coffee state of Para-
na, Brazil and serving under
the Oriental Missionary soci-
ety. 7:30 p.m. Dr. Miner Stearns,
Dr. Stearns broadcasts the gos-
pel from radio Luxembourg and
other stations to the people of
Europe under the auspices of
Global Gospel Broadcasts.

Monday — 7:30 p.m. Rev.
William Standridge, Jr., born
and raised in Michigan. Mr.
Standridge is now director of
the Evangelical publication, "La
Voce de Vangelo," in Rome,
Italy, reaching the man-in-the-
street with the truth. He serves
under the Independent Faith
Mission.
Tuesday — 7:30 p.m. Rev.
Earl Poysti. Mr. Poysti was
born in Siberia, Russia and is
now preaching to Slavic people
under the Gospel Furtherance
Society. He has visited Mos-
cow, and during the spring of
'59 and '60 he preached in many
churches in Poland.

Wednesday — 7:30 p.m. Rev.
Lawrence Johnson. Under the
Conservative Baptist Foreign
Mission Society, Mr. Lawrence
serves in West Pakistan, en-
deavoring to reach the people
of Shikarpur where many come
to the famed Sir Henry Hol-
land Hospital for removal of
eye cataracts.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for
the building of character and good citizenship.
It is a storehouse of spiritual values. Without a
strong Church, neither democracy nor civilization
can survive. There are four sound reasons why
every person should attend services regularly and
support the Church. They are: (1) For his
own sake. (2) For his children's sake. (3) For
the sake of his community and nation. (4) For
the sake of the Church itself, which needs his
moral and material support. Plan to go to
church regularly and read your Bible daily.

Do you gain any real comfort from that old cliché about dark clouds hav-
ing silver linings? Who can peel a cloud to find its happy lining?

But frustration has been a blessing to many men. It has driven self-centered
souls to seek a new fulcrum for life. It has brought men to God... acknowledging
human failure... seeking divine strength.

And as they have found in the Church comfort and courage they have learned
anew the spiritual meaning of defeat and victory.

The One that this world crucified is King of kings. Beyond a cross and a
crown of thorns our greatest aspirations await us.

SPEAKING for the Record

By Bill Sliger

Last week our South Lyon editor, Jack Hoffman, carried this oft-told story in his column in The Herald. Most of our readers have probably heard of it at one time or another, but it seems particularly appropriate now and worth repeating.

The Hot Dog Stand

There was a man who lived by the side of a road who sold hot dogs. He was hard of hearing so he had no radio. He had trouble with his eyes so he read no newspapers and did not watch television.

He operated a hot dog stand — a good one. He put up signs along the highway to advertise his product. He stood on the side of the road and shouted, "Buy a hot dog, mister?" And the people bought. He increased his meat and bun orders. He bought a bigger stove to take care of his trade. Finally, his son returned home from college to help him.

But then something happened. His son said: "Father, haven't you been reading the newspapers? Haven't you been listening to the radio? We're in the midst of a depression. The European situation is terrible. The domestic situation is worse. Everything's going to pot."

The father thought: "Well, my son's been to college, he reads the papers and listens to the radio, and he ought to know what's happening."

So the father cut down on his meat and bun orders, took down his advertising signs, and no longer bothered to stand out on the street to sell his hot dogs. And his hot dog sales fell almost overnight.

"You're right, son," the father said, "We certainly are in the middle of a great depression."

There's a bill before the state senate that ought to hold more than casual interest for local school and city council officials — especially in the light of the current special assessment program proposed for North Center street involving school property.

The bill (S 1183) would require the property of any school district, irrespective of the use to which the property is put, to be included in any special assessment levied by any city, village, township, county or county agency. The sum payable would be equal to the amount which the school district property would have been assessed if subject to special assessment.

Northville had an Irish sweepstakes winner. The lucky ticket-holder was Attorney Cliff Hill, which shouldn't surprise those who know Hill and his ability to guess right at games of chance.

His horse didn't finish, but having a starter in the field was worth approximately \$1,200. That's not hay!

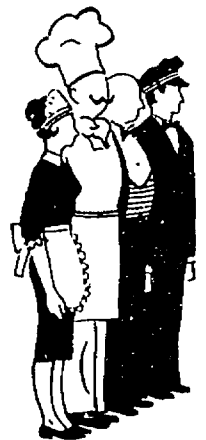

I like this definition of a newspaper published in the public letterbox of a west coast paper and written by a six-year-old girl:

"Newspapers. We need them so we can know who reks and who drowns and who shoots somebody. And who wants a house or who dies or gets a baby. It tells if your dog is lost. They are good on shelves and to make bond fires. They also do good under a baby's plate and to keep dogs offa things. You can wrap potato peels in em. You can put one when you defrost. They tell about shows and how much things are."

To which the editor of the paper added: "P.S. Diana, they also are good to swat things with, like flies and public officials and things."

VERSATILE NATURAL GAS

AS LUXURIOUS
AS A
STAFF OF
SERVANTS . . .

No longer is the luxury of a staff of servants confined to the home of a few — the seven, economical, dependable servants offered by Natural Gas provide luxurious leisure and comfort for everyone! Natural Gas servants always respond silently, efficiently and automatically . . . Gas ranges do a fine, fast job of cooking; Gas refrigerators never need defrosting and automatically make ice circles without trays; Gas water-heaters keep you generously supplied with hot water; automatic Gas heating units fill the house with clean, even warmth without your lifting a finger; Gas air-conditioning provides year-around, worry-free comfort; Gas clothes-dryers fluff-dry clothes in a jiffy; and Gas incinerators quickly and completely consume refuse as it collects.

Natural Gas appliances are wonderful servants — so economical, long on luxurious comfort and convenience, yet short on time and labor.

Cold War Fear Boosts Economy

Babson Park, Mass., Unfortunately, the "cold war" is developing into a dangerous industry. Too many voters are directly or indirectly making money on it.

I am ashamed to say that many people are learning to like this "cold war." Even labor depends upon it for employment and employers feel it necessary for profits. They dreaded the "cold war" at first — but now are getting used to it and even depending on it.

Surely if the cold war should suddenly stop, there would be a great increase in unemployment. This is feared not only by those now out of work, but also by employers who are benefiting from subcontracts and forced sales. Talk with Dun & Bradstreet if you think I am overly fearful; or watch the "mark-down" advertisements in the Sunday newspapers.

Most of the active stocks listed on the New York Stock Exchange are counting upon the "cold war" to continue. This is a dangerous limb upon which to dangle. Investment counselors warn that temporary market declines are to be expected as a "necessary correction or readjustment," but they continue to be fundamentally bullish and look for even higher prices after the "corrections" are completed. They may be right for a while; but the Law of Action and Reaction which Sir Isaac Newton enunciated back in the 17th Century still holds good.

Even President Kennedy and his White House advisers see the dangerous paradox in the present situation of "getting used to the cold war." Surely, full employment depends now on continuation of the cold war. This is resulting in a new attitude on the part of both conservatives and liberals, Republicans and Democrats. It has become as popular as cocktail parties. No one yet has had the courage to check it.

It now looks as though the only way to combat the present contentment with the "cold war" — with its spiraling wage and upward price movements — will be through the arbitrary "freezing" of both wages and prices.

This is the first step toward making President Kennedy an economic dictator . . . which I expect to see. He is now preparing the ground for such a move by appointing so many of his family and intimate friends to important posts. Watch his future moves.

Another movement to watch is the John Birch Society, which has "Americanism" of the DAR type as its watchword although it favors a semi-dictatorship for the nation.

It is named after John Birch, who was a Christian missionary in China and later fought with the Nationalist Chinese in their war against the Japanese. Birch was promoted to a Captain and worked in the Intelligence Division under General Chennault. On August 25, 1945, Birch was killed by the Chinese Communists. The present national leader of the Society is a neighbor of mine, Robert Welch, of Belmont, Mass.

Frankly, he is fighting for our return to a Republic and away from Democracy, which Mr. Kennedy probably also thinks is the only way to win the "cold war."

Surely distressed property is coming on the market someday, regardless of the forecasts being made by optimistic investment advisers. The safest way to make profits is to render service. No investor can render service now by climbing to buy stocks, bonds, real estate, or commodities. The way to render service is to store up cash now and be prepared to use it when it again is in

great demand. The first group to "feel the pinch" are the country banks. When borrowers fail to pay their notes, then we know the turn downward is coming. The "Roaring Sixties" can roar from two causes, — from enthusiasm, or from panic.

Anyone who has lived on a ranch with cattle, hogs, and other livestock has seen his stock roar when frightened and look for a hole on the wall to get out through! I agree we are entering the "Roaring Sixties" but as to the reason for the "roaring" perhaps many are now being fooled.

Should State Provide Home for Governor?

Michigan Governors have a housing problem.

If this seems to be a somewhat less than crucial problem in times of world crises, federal government problems and state upheaval, it should be pointed out that Michigan is one of only nine states which at last count did not provide a place for the chief executive to live. For at least 80 years, governors, former governors and plain citizens have been saying the state needs an executive mansion.

But some governors were indifferent to whether the state provided a home for them. At least part of the reason for this is that until this century was well past is majority, few governors spent any considerable amount of time in Lansing, except when the Legislature was in session.

While the Legislature has been less than anxious to provide funds for a permanent residence in Lansing, lawmakers did, in 1935 provide the state's chief executive with a summer home on Mackinac Island. At the same session, incidentally, they refused to support a resolution calling for a Lansing governor's residence.

Plans for one were included in a Federal Works Program for the state that year, but they didn't work out. From 1935 on,

agitation for a governor's residence grew, and the Legislature produced starts on the project several times. Something always got in the way. At one time, plans were afoot to renovate the old Barnes mansion in Lansing for a residence. Strong objections to its "ugliness" were raised, and the cost of renovation proved prohibitive.

Now comes Sen. John W. Fitzgerald, the son of a former governor, with a plan to do something for a constituent.

Fitzgerald, a Grand Ledge Republican, introduced a bill to provide \$10,000 for rental and operating costs to provide a home for Michigan governors.

Gov. John B. Swainson, a Democrat, is living in a house which he rents himself just outside Lansing — in Fitzgerald's district.

Perhaps nobody but Fitzgerald in the Legislature has had the first hand experience with the problems of governors involving housing. His father, the late Frank D. Fitzgerald, lived at home in Grand Ledge during his tenure as governor.

While many still say the state should provide its governors with a home, owned and operated by the State of Michigan, Fitzgerald would at least take the burden of paying for a resi-

dence, which must be used for personal, official and semi-official functions, off the back of the chief executive.

Sometimes a headache for the homeowner who has been hoodwinked on trees or shrubs is also a pain in the neck to the state Department of Agriculture.

Spring brings out the sellers of plants, trees, shrubs, bushes and other nursery stock in droves. The householders are not far behind.

Virtually all the sellers of things to grow are reputable. Most deal only in inspected stock, and certainly any established businessman could not afford to sell something unwholesome or improper.

Plant pests and diseases are carried on some products.

Department of Agriculture inspections go far toward keeping such things in check. As in most other things, however, the old legal slogan of "Let the Buyer Beware" applies to plants and nursery stock.

State agriculturists have warned people to look out for plants which are unhealthy looking; which are not in proper shape to be planted, or which are dead or dying.

They say bulbs, corms or tubers should be plump and fairly firm as well.

Resolutions now before the

Legislature would provide rolling and floating advertisements for Michigan. Sen. John H. Stahlin, R-Belding, wants to authorize a railroad train to be paid for by contributions which would tour the East and Midwest selling Michigan's advantages.

Sen. Harold M. Ryan, D-Detroit, wants to spend \$50,000 of state funds to outfit the former Mackinac Straits ferry "Vacationland" as a touring promotional gimmick for the state.

Stahlin's plan presumably would be a one-shot deal, aimed at correcting Michigan's bad national image.

Ryan, on the other hand, had indicated the Vacationland, renamed "The New Michigan," could continue to sail on and on, visiting the ports of the Great Lakes, the St. Lawrence Seaway, the East Coast, and

possibly even the West Coast and Europe.

Whether the Vacationland, which recently reverted to state ownership after an ill-fated venture as a package carrier between Detroit and Cleveland, would be seaworthy for ocean voyages is at present unknown.

In the case of both proposals, the aim is admirable. Whether it is practical is a matter for the Legislature to decide.

Movies of the state basketball tournament are available without charge for showing to school assemblies, PTA's or civic organizations. The 30 minute film shows highlights of competition and slips in traffic safety messages at the same time.

Film can be booked by writing Driver Education, Department of Public Instruction, 230 N. Grand Ave., Lansing.
