

Will Jackson Dates Go to 'New' Downs?

An effort to bring the 33-night Jackson Trotting association meet to Northville Downs — considered by local track officials as the answer to financing large scale track improvement plans — has resulted in an exchange of letters between the office of Governor John B. Swainson and his racing commissioner, James H. Inglis, that reveal less than enthusiastic support for the plan by Inglis.

Just where the governor stands on the proposal is not known. Following a meeting arranged by State Senator Raymond Dzendzel between the governor and local officials, a letter containing points favoring the move was forwarded to Inglis by the governor's executive secretary, however.

In a point-by-point reply, Commissioner Inglis generally disputed the reasoning.

An answer to Inglis' letter was later forwarded to the governor's office by the Downs, supporting the Jackson request and challenging the commissioner's position.

Though not officially involved in the controversy to date, the city council has expressed keen interest. The additional dates could boost the city's tax take from racing by some \$80,000. Last year the city received \$97,000 in state tax rebates from racing.

Meanwhile, continuing its announced program of improvements, Northville Downs has launched a \$250,000 grandstand rejuvenation project in preparation for its 1961 season.

Executive Manager John Carolo stated this week that the main stands would have all new box seats, complete installation of concrete flooring throughout the stands, new metal deck roof, metal facing on the mutual department and a new sound and lighting system.

Already completed is a new judges stand suspended from the grandstand roof.

Last year the Downs widened the track, constructed barns and tack rooms at the track site, built new rails and installed a new track lighting system.

Complete remodeling plans for the Downs, estimated at \$1½ million, would include a 40-foot addition on each end of the stands and a 30-foot addition on the rear. A modern clubhouse facility would replace the bleachers at the first turn.

In addition to these plans, and providing it is awarded the cooler-weather fall racing dates, the Downs proposes to close both ends of the grandstand and heat both floors with a system of infra-red electric heat.

The expansion of the stands, heating and clubhouse depend largely upon the Downs success at winning the Jackson dates.

But if Commissioner Inglis holds firm in his position, the switch would appear impossible in 1961 — and highly unlikely at anytime.

In a November 1960 bid for Northville dates, Jackson

Trotting association petitioned the commissioner's office.

The appeal stated that: — a long-term sublease agreement with Northville Downs was being prepared;

— Detroit area tracks would approve or offer no objections to allocation of normal fall Jackson dates to the Downs;

— upwards of 50 per cent of Jackson volume stems from Detroit area, therefore more than half of patrons would be more conveniently served in Northville;

— after 12 years operation it has become increasingly evident that Jackson future holds little promise for success;

— daily betting average has steadily declined since 1956 from \$113,000 to \$96,000 in 1960;

— public, horsemen, personnel, state and management would benefit from change.

In February the Governor's office was brought into the controversy through the meeting arranged by Senator Dzendzel. Following this session, a letter was sent by the Governor's executive secretary containing reasons favoring the move to Northville and asking the commissioner for his comments.

In brief, but pointed style, the commissioner listed the points and commented thusly:

— Unemployment would be relieved by new construction.

The new construction is underway at the present time and all of it is the direct result of orders from the state fire marshal. There are no positive assurances that even one additional brick would be laid if the Jackson meeting was moved to Northville and if past performance is a valid criteria there probably would not be.

— The addition of Jackson days to Northville track would provide the revenue necessary for new construction.

"Additional racing at Northville would provide much additional income, but my guess is that most of it would be distributed in dividends to the partners and to the stockholders of the Northville driving club which owns the track."

— The state would gain more revenue from an additional meeting at Northville as opposed to the present Jackson meeting.

"If the plan was otherwise feasible, this would probably be true, but the same extra harness days for the Detroit area given to Hazel Park Harness would produce even more money for the state and for the horsemen. Of the three Detroit area harness tracks Northville is the weakest and would produce the least additional state revenue."

In addition the commissioner pointed out that the move would be grossly unfair to Jackson and fans living in the outstate area; that serious legal problems are involved regarding the transfer of a track license or race meet license; that Jackson authorities had been told that the first step after formal application for transfer would be to hold a public hearing in Jackson so all interested parties could be heard; that he be-

lieves the harness season is already too long, but that if it is to be expanded, all three Detroit tracks should divide the dates.

The Downs sent a nine-page reply to the commissioner's letter to the office of the Governor.

The letter denies any order by the state fire marshal to "do any of the construction involved in this transaction" and points to the rebuilding of the track, lights, barns and tack room construction — "none of which was directed by any order from a fire marshal."

It charges that the commissioner's reply to the second point "is more fallacious than his reply to point one."

"All improvements made by Northville Downs in the last five years have been made from earnings without loans or financing through any banks. His guess that any additional income would be distributed in profits to the partners of Northville Downs and the Northville Driving club, Inc. is impossible. To pay for the improvements scheduled, it would consume all the rental income from the Jackson race meet for a period of at least fifteen years. In the last five years, the partners of Northville Downs have only distributed enough money to pay their taxes," it states.

The Downs' reply calls the plan to transfer the Jackson dates feasible and legally possible and admits that of the three Detroit area tracks, Northville produces the least revenue, but charges that the commissioner's allocation of racing dates limits the ability of Northville to finance modern track improvements necessary to attract the racing patrons.

It points out that both of the other tracks have two race meetings.

"If Jackson operated at Northville, there would be no weak tracks in the Detroit area and four successful harness race meets in the state," the letter continues.

Obviously bent on making the Northville facility an outstanding harness track, Manager Carolo now predicts that it can become "the finest between the two coasts."

In other answers to the commissioner's letter, the Downs states racing fans in Jackson would not be inconvenienced because most of the patronage is from Wayne county or Ohio; that employees of the track would benefit from salary increases of 50 per cent; horsemen would benefit from purses "100 per cent larger" and the income to the state would be increased "by 150 per cent."

The letter concludes that "The President of the United States has virtually issued a mandate to industry to create work. These permanent improvements at Northville would create employment for a group of construction workers for a period of three years, and thereafter create permanent employment because of its increased facilities for at least fifty more persons than would be employed at Jackson."

A preliminary contest on May 11 involving speaking skill and a written examination, will narrow the contestants down to six finalists.

The final contest will be at 10:45 a.m. May 12 in Trueblood auditorium, chaired by Dr. Kent W. Leach, director of the Bureau of School Services.

The first place winner received a \$1,200 scholarship for the college of choice. Second and third prizes are \$800 and \$500 scholarships. The three other finalists will receive \$100 U.S. Savings Bonds.

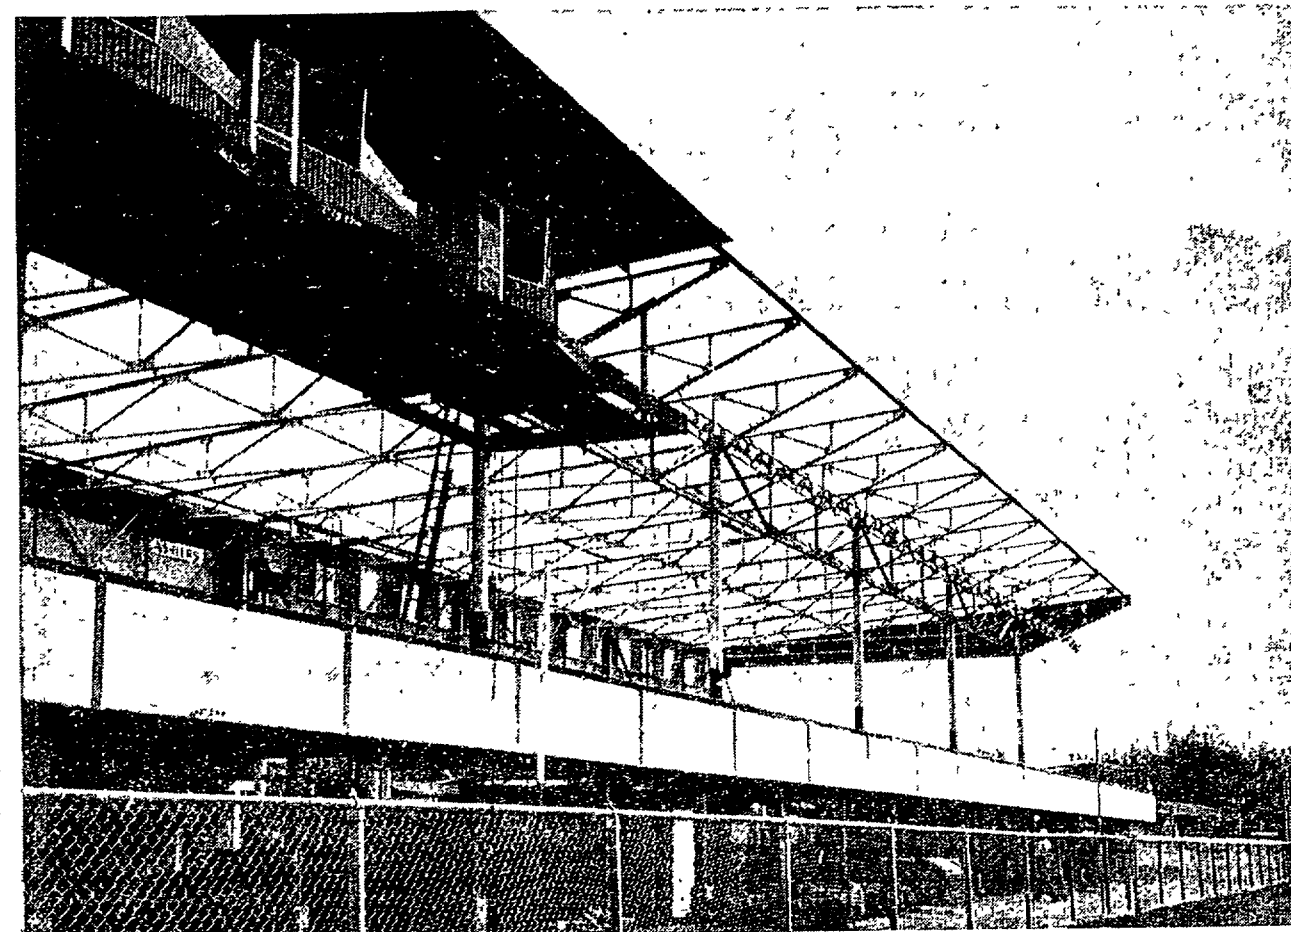

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 90, Number 48, 12 Pages

Northville, Michigan, Thursday, April 20, 1961

10c Per Copy, \$3.00 Per Year in Advance

A \$250,000 grandstand improvement project now underway at Northville Downs will include a new metal deck roof, the judges' stand (upper left) and new sound and lighting systems.

Additions to the stands, heating and a club house facility are proposed if a bid for Jackson Raceway dates is successful (see story).

It's Budget Time in City

The city council prepared this week to turn its attentions to the 1961-62 budget.

In a brief meeting Monday night City Manager John Robertson told council members that preliminary budget proposals would be ready within a week.

The budget must be approved by the third Monday in May. Mayor A. M. Allen posed the major question facing the city so far as its new budget is concerned.

How much will be allocated for capital improvements?

He didn't expect an answer, but the matter of what improvements and where — particularly street paving — is certain to play a major role in the drafting of the new budget.

And just how far the council goes on public improvements is limited, of course, to how large the budget is to be.

Last year the council approved a \$362,750 budget calling for a 12.5 mill levy — a one mill boost over the previous year.

Some \$80,000 was earmarked for public improvements — which included voting machine and fire engine payments and paving of Novi street, the city parking lot, building a public works garage and participating in the replacement of the city clock above the Methodist church.

About \$6,000 was spent to improve existing paved streets and \$35,000 for curb and gutter improvements along Walnut, East, High and one block of Orchard drive.

Paving of North Center street via a 20 per cent assessment plan has been proposed and is scheduled to be acted upon within a month.

In other business Monday night the council scheduled two public hearings for May 1. The first calls for a rezoning to R-2-A of property owned by the Donald Wares to permit a request to move two homes from Dunlap street to the site.

The second hearing is for the purpose of rezoning a five acre parcel on Baseline road owned by John Jones to permit construction of an apartment project.

And finally, the council decided to stick to its decision on the vacating of West street between Main and Cady. In answer to a school board resolution that the street be vacated (as part of the sale of the community building) "without strings" the council has taken the position that it would recognize citizens' requests that some provision be made to guarantee pedestrian passage on the street.

The council had asked the school board to keep the street open to pedestrian passage "as long as practical" and if closed, to provide other passage.

William Davis

Local Man Wins Sloan Fellowship

Announcement of the awarding of an Alfred P. Sloan fellowship in executive development at the Massachusetts Institute of Technology to William Davis of Northville was made this week by Dean Howard W. Johnson of the school of industrial management.

The fellowships, for a full year for education in management at M.I.T., were granted to outstanding young business executives both in the United States and abroad.

Davis, who resides at 352 Orchard drive, is manager of the advanced Ford engineering department. Nominated for the fellowship by Ford Motor company, he was one of three from the company's Detroit area to be honored.

Sloan Fellowships for participation in this program are considered among the highest honors which can come to young men during their business careers. The Fellows, in their 30's, were carefully selected by M.I.T. from a group of exceptionally able executives whose employers nominated them for admission to the program because they showed marked promise of growth for major executive responsibilities.

The selected Sloan Fellows will move with their families to the Cambridge (Massachusetts) area in June, to spend twelve months at M.I.T. studying in depth the fundamentals that underlie sound management decisions. Many will complete M.I.T.'s requirements for the degree of Master of Science in Industrial Management.

"The men designated as next year's Sloan Fellows are among the most promising of our country's young executives," according to John M. Wynne, Director of Executive Development Programs at M.I.T. "Chosen early in their industrial careers, these men have a long future of service to industry ahead of them."

Their year of study at M.I.T. will consist of a program of special courses in economics and industrial management with senior members of the M.I.T. faculty, supplemented by a program of field visits and management seminars in which the Sloan Fellows have an opportunity to meet outstanding leaders in business and government.

Davis, his wife Margie, and their children, Gary, Billy, Anne and Matthew, will leave Northville in early June to take up their year's residence at Wellesley Hills near Boston, Massachusetts, where they have already found a home.

Dzendzel To Return

State Senator Raymond Dzendzel will hold his third informal discussion meeting with local constituents Friday, April 28 at the community building.

Residents having special questions concerning state legislation are urged to submit their questions as soon as possible to Alfred Smith, Sr., of Northville. Questions may be turned in to The Record office, also. All questions will be forwarded to Senator Dzendzel.

It has been proposed that this procedure be followed to permit time for research if necessary. Time will be allowed for questions from the floor, however.

The meeting will begin at 8 p.m.

Northville Senior To Vie In Debate

Michael Adas, Northville high senior and member of the debate team, will be one of 16 debaters competing for college scholarships totaling \$2,800 May 11-12 at the University of Michigan.

He is the son of Mr. and Mrs. Harold Adas, of 21371 Stanstead road and is senior class president.

A preliminary contest on May 11 involving speaking skill and a written examination, will narrow the contestants down to six finalists. The final contest will be at 10:45 a.m. May 12 in Trueblood auditorium, chaired by Dr. Kent W. Leach, director of the Bureau of School Services.

The first place winner received a \$1,200 scholarship for the college of choice. Second and third prizes are \$800 and \$500 scholarships. The three other finalists will receive \$100 U.S. Savings Bonds.

Calendar

Thursday, April 20
AAUW, 7:45 p.m., Plymouth junior high school

Saturday, April 22
Northville Mothers club dance, 9-12 p.m., Meadowbrook country club.

Monday, April 24
DAR (Sarah Ann Cochrane chapter), 1 p.m., Mrs. Walter Gemperline, 47447 North Territorial, Plymouth

Tuesday, April 25
Northville State hospital auxiliary card party, 12:30 p.m. hospital Occupational Therapy building.

Rainbow for Girls (Assembly 29) initiation, 7:30 p.m., Masonic Temple

Wednesday, April 26
Newcomers Luncheon, 1 p.m., Lofy's Arbor-Lill, Plymouth

Adult Camera club, 7:45 p.m., employees' residence Wayne County training school

Teachers club lecture, 8 p.m., community building

Greater Northville Republican club, 8 p.m., American Legion hall.

Band Dressed Up For State Meet

The Northville high school band will show off its new uniforms this Saturday as a participant in the annual Michigan School Band and Orchestra Festival at the University of Michigan.

The local band qualified for the state high school contest by receiving a first division rating in the district meet.

In Saturday's meet Northville will be one of 98 state bands competing. The local band, under the direction of Robert Williams, will perform at 4:25 p.m. at the Slau-son junior high school.

If dress can make the music sound better, the Northville musicians should perform with flying colors Saturday.

The meet will mark the debut of the school's new uniforms. For the concert they'll perform in their tuxedo-type jackets.

This uniform includes a shawl lapel with a three-strand white braid. For marching the uniforms include the West Point cross belts, white rubber covers for hats, and white plastic spats.

The uniform is black with an orange stripe with white piping down the trousers.

A fund drive for new band uniforms was started last year, kicked-off by a \$5,000 contribution by C. E. Langfield. Director Williams estimates that

Bike Check Saturday

Saturday morning at 9 o'clock is bicycle inspection time for Northville area youngsters.

The annual Bicycle Safety Week project is sponsored by the Optimist club.

Youngsters are urged to bring their bikes to Northville Downs where Otis Tewksbury and Gill Glasson will give each bike a safety check. Safety reflectors will be issued following the inspection.

Auxiliary Card Party on Tap

Northville State hospital auxiliary is sponsoring a card party Tuesday, April 25 at 12:30 p.m. in the Occupational Therapy building on hospital grounds. (That's near the water tower.)

Table and door prizes will be awarded. A bake sale is also planned. Tickets may be obtained from Mrs. Charles Ratliff, FI 9-1343. The donation is \$1.25.

The main project meriting auxiliary attention lately has been a drive to raise funds to buy a second hand bus to transport patients between buildings on hospital grounds.

Dog Bites Bring Police Warning

Police this week cautioned local residents — adults and children alike — to steer clear of stray dogs. Four dog bites have been reported to the department in the past month. Victims included two young children and two adults. One wound required stitches.

Chief Eugene King also reported that police had received numerous complaints from residents bothered by dogs raking damage on their lawns and shrubbery. Chief King pointed out that owners who permit their dogs to run loose on property other than their own are subject to fine. Should police pick up the animals, fines could run anywhere from three to ten dollars plus a boarding fee, he said.

Conferences Halt Classes

No classes will be held at either the American or Main street elementary schools today and tomorrow (Thursday and Friday). These two days have been set aside for parent-teacher conferences.

No kindergarten classes will be in session Monday because three days are scheduled for conferences between kindergarten parents and teachers.

NEW LOOK — Northville's high school band will perform in its new uniforms for the first time this Saturday at the state meet in Ann Arbor. Shown above modeling the new uniforms are: (l. to r.) Carolyn Cocklin, Kathie Lee and Joan Bryce.

CONCRETE flooring will replace wood in the Downs' grandstand. New box seats and a mutual department dressed up with metal facing will also greet racing fans when the 1961 season opens June 23.

Wed 60 Years

Mr. and Mrs. Barney Tuck

Mr. and Mrs. Barney Tuck, 622 Fairbrook, will mark 60 years of marriage this coming Monday. They're planning a quiet anniversary celebration at home Sunday afternoon when their daughter, Mrs. A. E. Sachs, and her family will join them for dinner.

The Tucks, Northville residents for 36 years, exchanged marriage vows in Livonia. Mrs. Tuck's family lived there, while Mr. Tuck's home was in Farmington. He is a retired Ford Motor company employee who worked at Greenfield Village in Dearborn and at the Valve plant here.

Mrs. Sachs is the couple's only child. They have two grandchildren.

1961 Camping Schedule For Girl Scouts is Set

The 1961 Girl Scout camping schedule for the Northville area has been announced by the Huron Valley Girl Scout council.

There will be four established camping sessions of two

weeks each for intermediate and senior scouts at Cedar Lake, west of Chelsea, from mid-June to mid-August. Day-camping for brownie and intermediate scouts will be held at Haggerty and Edward Hines drive in June. "Primitive" camping experience will be available to older intermediate (Pioneer Adventure) and senior (Senior Sojourn) scouts at the newly-acquired Huron Valley Girl Scout council campsite on Hogan road near Howell.

To Wed

Mr. and Mrs. Nicholas J. Meranto of Pine avenue, Niagara Falls, New York have announced the engagement of their daughter, Ann Faith, to James Anthony Sample III, son of Mr. and Mrs. James A. Sample, 20803 Chigwidden drive Northville.

Miss Meranto is a graduate of St. Mary's high school, Niagara Falls, New York. Her fiancé was graduated from Redford high school and attended the Walsh Institute of Accountancy in Detroit. He is now serving with the U.S. Army at Fort Niagara, Youngstown, New York.

A May 27 wedding is being planned.

Geologist To Talk Here

Members of the Northville Teachers club have invited local branches of the Daughters of the American Revolution and the Woman's National Farm and Garden association to join them at the Community building next Wednesday at 8 p.m. to hear a talk by geologist Helen Martin, retired member of the state conservation department.

A number of teachers have heard Miss Martin before at lectures she has conducted for conservation institutes at Higgins lake. Both the DAR and Garden club award scholarships for these institutes to teachers.

Miss Margaret Sours, American school first grade teacher, is the Garden club's choice this year.

Married Here

Bonnie Sue Anderson of Plymouth and Preston Anderson of Northville exchanged marriage vows Wednesday, April 12, in a ceremony conducted by Northville Justice of the Peace E. M. Bogart. Mrs. W. F. Cole and Mrs. W. M. Bogart were attending witnesses.

On Friday, Justice Bogart officiated at the marriage of Diane Sue Kramer of Detroit and Howard Gordon Lomborg of Monroe. The bride's sister, Sharon Kramer, and Kenneth Scott, both of Detroit, stood as witnesses.

Births

A daughter, Carolyn Ann, weighing five pounds, five ounces, was born to Mr. and Mrs. Gerald W. King, 789 Carpenter, on March 8 at St. Joseph Mercy hospital, Ann Arbor.

Captain and Mrs. Robert LeVitt are parents of a new son, Richard Henry, born April 6 at the U. S. Army's 20 Station hospital in Nuremberg, Germany. The baby weighed seven pounds, two ounces.

Mrs. LeVitt is the former Jo Ann Gorton of Plymouth. She is better known locally, perhaps, as Dr. JoAnn LeVitt.

SCHOOLS, STUDENTS BENEFIT — Northville Mothers' club is looking for a good turnout at their annual "Spring Fantasy" dance this Saturday night at Meadowbrook Country club. Proceeds will be turned back to the schools in the form of projects the club does on suggestions from the principals. Mrs. John Northup and Mrs. Edwin Langtry (l. to r.) boosted ticket sales when Doug Simpson bought a pair for himself and his wife, Shirley. Richard Herrman's orchestra will furnish the music at the 9-12 dance.

All-School Play

Courtroom Drama Casts Theater-Goers as Jurors

Guilty or not guilty? The final verdict sealing the ultimate fate of a woman on trial for murder will rest with none other than a 12-member jury selected from the audience at April 27 and 28 performances of "The Night of January 16th", Northville high school's all-school play.

Jurors from the audience will sit on stage to hear the prosecutor and defense attorney play out their hands in this suspense-filled courtroom drama. When all evidence is presented, the jury will retire offstage to deliberate. Their verdict will determine the play's conclusion — student actors are rehearsing two endings.

Cast in the production are: Jim Tuck, Mike Adas, Fred Steeper, Phil Jerome, Linda McKinney, Racena Bailey, Don Busch, Phil Simington, Scott Palmer, Susan Pharo, Heidi Handorf, Ed Beard, Jon Rogers, Brenda Coburn, Nancy Mach, Bob Gail, Bill Parker, Joan Smith, Barbara Rumley, Don Lawrence, Kent Frid, Debby Stafford, Dana Rowland, Jim Drew, Chris Gazlay, Jim Driscoll, Mike Meyers, Shirley Coleman, Freda Angel, Judy Ritter, Shirley Christenson, Dannie Bunch and Pat Palenchar.

Miss Florence Panattoni and Miss Patricia Dorrian are directors.

Others working on the production include: John R. Alexander (chairman), Tom Schwartz, Gary Kohs, Bill Milne, Butch Willing and Gary Webb, stage crew; Jan Campbell, Laura Darnell (co-chairman), Bobby Davis and Lois Reuter, ad-

Penn, Kathy Beckel, Cynthia Hildebrandt, Rosie Pageant and Lynn Spietz, props; Linda Bell and Carol Budek, prompters, and Jon Rogers and Jim Riley, lighting.

Both performances are scheduled for 8 p.m. in the high school auditorium.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

— Samuel Johnson

COUNTRY 'N' KIDS — Newcomers Donald and Frances Boor had their growing family in mind when they moved to Northville in January. Sitting on the sofa between Mom and Dad are (left to right) Kristen, 8; Bruce, 11; Kenneth, 12, and Doug, 6. David, 1, and Jean, 4, are in front of Mr. Boor.

Until three months ago, that new split-level dwelling at 20297 Woodhill road in Taft Colony subdivision was just a lonely house without a family. Today it's a home and a regular beehive of activity with 8 new residents, not counting the parakeet or the hamster.

The Woodhill road newcomers are Donald and Frances Boor and their six children —

Kitchen Diary

Lots of Proteins Packed In 'Lens-Shaped Seeds'

To shed a little light on lentils — the main ingredient in this week's Kitchen Diary recipe — Webster in his New International dictionary has this to say:

"A fabaceous annual plant widely cultivated in Southern Europe and the Orient for its flattened, lens-shaped seeds, which are cooked like peas and beans and are also ground into meal."

As unromantic as these little, "lens-shaped seeds" may sound, Mrs. John H. Vowell, our gourmet cook, says they are very

high in protein and make a good meat substitute. She has used them for years in this lentil loaf recipe borrowed from her grandmother. The loaf is served up regularly at the Vowell's Clement road home and with success.

LENTIL LOAF

Mrs. John H. Vowell
1 (pound) package lentils
1 medium onion, chopped
1 cup diced celery
1 egg
1 cup cooked rice.
1 tablespoon salt
½ cup margarine or butter
¼ teaspoon oregano
Boil lentils until tender (about an hour). Sauté onion and celery in margarine or butter; mix with lentils and remaining ingredients; put in baking dish and bake 45-60 minutes at 350 degrees.

Newcomers Dance Coming May 6

The Northville Newcomers club reminds members that the club's annual spring dinner dance is less than a month away. The big affair is planned May 6 from 7:30-11 at Meadowbrook country club. Women who may be called for ticket information are Mrs. Arthur Hempe, FI 9-2038, Mrs. Stan Stong, FI 9-3241, and Mrs. William Kelly, FI 9-1442.

PLYMOUTH

Newcomers Host Antique Expert

Members of the Northville Newcomers club and their guests will have the opportunity of having their family heirlooms analyzed next Wednesday, April 26 at the club's monthly women's luncheon.

Guest speaker for the luncheon, to be held at Lofy's Arbor Lil in Plymouth, will be Mrs. Beatrice Hursley, proprietor of The Early American shop in Plymouth.

A recognized authority on Americana, Mrs. Hursley maintains that more than five million dollars worth of usable antiques are lying around in attics throughout Michigan.

"These unused antiques," says Mrs. Hursley, "represent valuable properties that can be incorporated easily into any motif, including modern, and many of the items have appreciated by as much as 500 per cent."

"A touch of family history adds to the charm of any home, and to let a piece of history be dormant in the attic is, in many instances, a waste of one's inheritance."

In addition to a general discussion of Americana and analysis of antiques, Mrs. Hursley will discuss the benefits of antique glass and antique glass reproductions for use in the average home.

The luncheon will begin at 1 p.m. Total cost will be \$1.75.

Reservations for the luncheon must be made by 5 p.m. on Monday, April 24.

Reservation chairmen are: Mrs. Betty Wilkie, FI 9-3356, and Mrs. Isabelle Funk, FI 9-1018.

Members are invited to bring guests and all are invited to bring family antiques for a professional analysis.

AAUW to Hear U-M Veep Talk

Dr. William E. Stirtor, vice-president of the University of Michigan and director of the U-M's Dearborn center, will talk to members of the American Association of University Women (AAUW) Thursday at 7:45 p.m. in the Plymouth Community junior high school. His talk will focus on the uni-

Dr. Stirtor

versity's Dearborn center and its place in the total higher education picture in Michigan. Dr. Stirtor is past president of the Michigan Schoolmaster's club; past president of the Detroit Schoolmen's club; past president of the Engineering Society of Detroit; he was executive secretary of the Detroit Educational Television foundation. He is a member of the Governor's commission on the St. Lawrence Waterway, of the Great Lakes Tidewater commission, and a member of the Board of Directors of American Motors corporation. On October 1, 1958, the Board of Regents of the university increased his responsibilities by naming him director of the Dearborn center.

Hostesses for the evening are Mrs. J. W. Sponseller (chairman), Mrs. N. E. Cimoch, Mrs. R. M. Larson, Mrs. Peter Settles, and Mrs. W. H. Baumgartner.

Wed in Novi

Novi Justice Robert Anderson officiated Saturday, April 15 at the marriage of Ronald W. Sereno, 1446 Flamingo, Wixom, to Judith Ann Smith of 12841 Mark Twain, Detroit.

Witnessing the ceremony were Mr. and Mrs. Robert Smith, of Plain View avenue, Detroit.

Stuber will enter the technical training phase where he will learn the skills of an electronics technician school at the Naval Air Technical Training Command, Memphis, Tennessee.

Johnson to Attend Montreal Meeting

Stan Johnson, of Northville, will be in Montreal for a week starting Monday attending the Prudential President's conference.

The conference is held for those agents who can qualify on one of two factors — sales of \$1,000,000 worth of insurance coverage in a year or the total amount of annualized premiums.

Johnson qualified on the latter factor and placed in the top five percent nationally.

Associated with Northland Agency, James Couzens and 8 Mile, he was the top agent in the agency's staff of 27 and was one among 15 to qualify in the seven state district.

He joined Prudential in June, 1959, and last year was his first full year in the company.

City of Wixom

NOTICE TO BIDDERS

For Road Oiling the Streets of Wixom

The City of Wixom, Michigan will receive bids up to 8 p.m., Eastern Standard Time, Thursday, April 27, 1961, for road oiling.

To oil 11 1/4 miles of road with 50 percent asphalt base road oil applied with the correct degree of temperature for penetration. Applications to be guaranteed for dust-free agreement until Labor Day of 1961 subject to contract agreement. All bids must be plainly marked as to their contents.

The council reserves the right to reject any and all bids and to accept the bid that in the opinion of the council is in the best interest and to the advantage of the City of Wixom.

ROBERT TROMBLEY,
Administrator, Dept. of Public Works

Northville P-TA News Notes

By Mrs. Billie Thomas, Jr.
PTA news, comments and ideas from the principals and items of special interest from the Northville schools will be presented to you in newsletter form appearing monthly in The Record.

It is our hope that you will make a habit of looking for this school column on the 3rd Thursday of each month. We will attempt to inform you on some of the things that will come before the general meeting of PTA held on the 4th Thursday monthly.

PTA Newsletter can be a service to you as parents and a satisfaction to the administration and the school.

The general meeting of PTA will be held on Thursday, April 27 at 8 p.m. in the community building. The program will be a film strip entitled "Your Child's Intelligence". After the film there will be a panel discussion narrated by Richard Kay. The panel consists of Gene Alexander, Mrs. Leland Mills, and Fran Gazley. Issues to be discussed, some of which are quite controversial, are: How to measure a child's intelligence, Is it important? Should you be told your child's IQ? Does IQ change? Are intelligence and talent the same? Parents are urged to attend as this should be of great importance to you. Refreshments will be served.

Northville grade schools will hold parent-teacher conferences on Thursday and Friday this week. Kindergarten conferences will be extended through Monday.

Northville elementary schools have been having regularly scheduled parent-teacher conferences for about four years and have tried many systems of using this time. Through evaluation forms, it was discovered that parents as a whole feel this is extremely important and a satisfactory way of communicating with parent, teacher and child. A fact this community can well be proud of is that 97 percent of all grade school students are represented by one parent or another at these appointments. It is felt that this is the only way satisfactorily to convey information. No report card can replace this type of personal attention. Every child has some experience worthy of a conference whether it be a problem or not. The school staff is so pleased with the reaction of the community in as much as a great deal of time is spent in preparation for this program. Children are informed as to what a teacher will tell his parents so he does not hold any anxiety toward his teacher.

It has been discovered that there are three things parents want most to know: (1) how his child stands on a national average; (2) how he stands in his own class; and (3) how he stands in relation to his own capabilities. It is the latter that the school is most concerned over. It is important that a child show progress according to his own abilities.

The teaching staff welcomes any helpful suggestions you as parents may have to improve

these conferences. It is fully understood that both parents cannot always attend but can a father find a better excuse for taking half a day off?

Just this week a letter was mailed to all parents of children who will reach their 5th birthday on or before December 1st, but after September 1st of this year. This information was obtained from the latest school census. If you have recently moved to this area and did not receive a copy of the letter and do not wish the next few days, please call the school and one will be mailed to you immediately. In this letter is a copy of a new policy adopted by the Northville public schools as of June, 1960. Also an announcement of a meeting to be held on May 1 at the Amerman school at which parents will be free to discuss this issue.

The policy adopted states that, "Beginning Sept. 1, 1961, a child should have reached his fifth birthday on or before September 1 of the year of entry. Those children whose birthdays fall between September 2 and December 1 of the year they are to be five years old may be admitted, provided a written request to the superintendent of schools be submitted by parents. It is recommended to the parent that the child meet the requirements of a readiness examination administered by school authorities. Regarding this policy, it is the consensus of school administrators that if a child is at

lowed to remain home an extra year, he will be more ready and better developed when he does enter school. The prime interest is to discourage the entry of children before they reach five years of age. It has been proven that the children who have the most difficulty in the first few years are the ones who have started school when they are still four years old. The law states, "A child may enter kindergarten if his fifth birthday is on or before the 1st of December". It is not the intention of the schools to keep children out or engage in any disagreements over this issue. The prime interest of the schools is the child's welfare and if parents wish to exercise their legal right they may do so.

This week being National Library Week, Amerman school is inviting people (particularly Thursday and Friday when you are attending your Parent-Teacher conferences) to visit the Resource Center. You can see the new furniture and all of the special equipment available to the students and teachers for a more extensive study on class projects or individual reports. Miss Margaret DeKett, teacher in charge, is very proud of the display of over 1200 books including three sets of encyclopedias. Another one-hundred books are placed permanently in the class rooms. There is still a great need for many more books to bring the quota to a minimum per child which

would amount to about "5000 for the center. This is not just a library, it is truly a resource center with very up-to-date equipment available for teacher-student use. There are film strips with previewing equipment, picture files, audio-visual aids, projectors including a movie and opaque, record and tape recorders, a bioscope which takes the place of many microscopes projecting very small things on a wall or screen. There are maps, current events' material and project working articles such as pastes and paints. Parents are urged to inspect this excellent new addition to the Amerman school.

The Northville school board has asked the PTA to rename the Main street grade school and the newly acquired community building now being used for school purposes. The original name, Northville grade school, still appears on the front of the building but has been called Main street school since the completion of the Amerman elementary school.

Mrs. George Weiss is forming a committee to work on this project.

WEDNESDAY, MAY 3, 1961

A special rubbish and trash collection will be conducted in the City of Wixom on May 3, 1961.

Residents are asked to leave items at street curb for pick up.

NOTICE of PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on the proposed budget for the Village of Novi, a summary of which is as follows:

ANTICIPATED REVENUES:			
Taxes		\$55,400.00	
Miscellaneous		69,100.00	
Gas and Weight Taxes		65,000.00	
			\$189,500.00

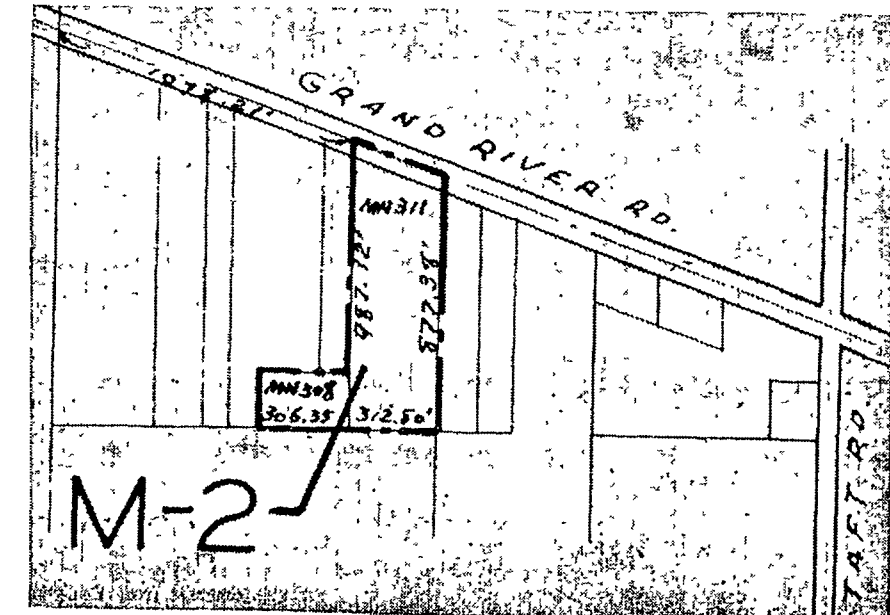

PROPOSED EXPENDITURES:			
	Highway	General	Total
Administration	\$ 8,273.00	\$50,877.00	\$59,150.00
Police Dept.		55,220.00	55,220.00
Fire Dept.		9,517.00	9,517.00
Highway Dept.	55,491.00	2,350.00	57,841.00
Village Hall	625.00	5,625.00	6,250.00
Equipment		630.00	630.00
Unknown Contingencies	611.00	261.00	872.00
	\$65,000.00	\$124,500.00	\$189,500.00

This Hearing will be held at 8:00 P.M., at the Community Building, located at 26350 Novi Road, on Monday, May 8, 1961.

NOTICE IS FURTHER GIVEN that a complete copy of the Proposed Budget will be on file for public inspection at the office of the Village Clerk at the Village Hall, 25850 Novi Road, during the regular office hours, from May 1, 1961 to the date of this hearing.

MABEL ASH, Clerk
VILLAGE OF NOVI

NOTICE of PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE VILLAGE OF NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a Public Hearing will be held on a proposed Amendment of the Zoning Map or the Zoning Ordinance of the Village of Novi to include a change from a C-2 and R-1-F District to an M-2 Restricted Manufacturing District covering the following property:

A part of the NW 1/4 of the SE 1/4 of Section 16, T1N, R8E, beginning at a point in the center of U.S.-16 Highway (Grand River), S. 70° 47' 35" E. 1078.21 ft. from the intersection of Grand River with the North and South 1/4 line to the point of beginning; thence S. 0° 26' 15" W. 987.12 ft.; thence N. 89° 52' 54" E. 312.80 ft.; thence N. 0° 42' 50" E. along the N. and S. 1/8 line 877.38' to the center of U.S. 16 Highway; thence N. 70° 41' 35" W. along said center to point of beginning, except U.S. 16 Highway, designated as Item MN 311 on the Tax Maps, 6.3 acres in area. Also included is parcel MN 308, an area of 1.32 acres, lying adjacent to and West of the above Parcel MN 311. The front of parcel MN 311 lies along Grand River about 1400 ft. West of the intersection of Taft Rd. and Grand River, and extends back to the E. and W. 1/8 line in the SE 1/4 of Section 16, more commonly known as 46035 Grand River.

This hearing will be held at 8:00 o'clock P.M. on Tuesday, May 9, 1961, at the Community Building, located at 26350 Novi Road, Novi, Michigan.

NOTICE IS FURTHER GIVEN that a copy of the Map and Ordinance may be examined at the Village Offices at the Village Hall, 25850 Novi Road, during the regular office hours each Monday through Friday until the date of the Public Hearing.

Arthur Neslip, Secretary
VILLAGE OF NOVI PLANNING BOARD

Mustangs Win, 4-2, on 2 Hits

★ ★ ★ ★ ★ Thinclads Win By Skin of Teeth

A hepped-up Northville high track team pulled the rug from under Milford last Friday, recording a surprise 59 1/4 to 58 1/4 victory over the Redskins in a triangular. Holly could get just 19 points.

For Coach Ralph Redmond and his crew, it was a sweet win because, for almost as far back as the memory of man, this was the first win by a Mustang track team.

Redmond was to dig into dusty records to come up with an exact date. He's had guesses ranging from five to as much as 15 years since the last track team victory.

The win was no fluke. Northville grabbed eight firsts, with its speed kings, Jim Petrock and Tom Darling, showing the way. Petrock scored 14 1/4 points and Darling, 12 1/4.

First place winners for Northville were: broad jump — Petrock, 20' 9 3/4"; high jump — Dave Filkin (four way tie), 5' 6"; high hurdles — Dick Bathey, :17.2; 880 run — Phil Jerome, 2:12.5.

100 yard dash — Petrock, :11.0; 220 yard dash — Darling, :24.0; 440 yard dash — Don Biery, :56.8; and 880 relay — team of Biery, Petrock, Filkin and Darling, 1:38.

Other point winners for the Mustangs were Darling, second in the broad jump and second in the 100; Jerry Biddle, second in shot put at 43' 3"; Bill Krist, third in shot put, 40' 5 3/4"; Bill Gallagher, tied for fourth in pole vault;

Filkin, second in high hurdles; Dick Kernozek, fourth in low hurdles; Petrock, second in 220; and the team of Jerome, Tom Morrison, Ralph Konrad, and Krist, second in mile relay.

Redmond expressed both satisfaction and disappointment with his squad's performance. He was overjoyed at beating Milford which has dominated the league for the last five years in track.

Petrock's broad jump effort is a new record at Milford while the 880 relay team's time is identical to that which won the league meet last spring.

However, he said that Kernozek's bad start in the low hurdles kept him from placing better while Chips Ely, number

Pitcher Danny Brown won his own ballgame last Friday with a seventh inning single, scoring two runners, and giving Northville an opening day 4-2 win over South Lyon.

Brown's hit was only the second one of the game for the locals, the other being a pinch-hit bunt single down the third base line by Tom Daniels to open the final frame.

Up to this time, action was mostly confined to both teams running on and off the field as Brown — going the distance for the first time in high school — and Stan Tapp got them selves entangled in a pitching duel.

Coach Stan Golonka wanted to use Tom Swiss after about four innings, but the young sophomore righthander complained of a sore wing and Brown was stuck on the mound to weather the Lion attacks, which came in the fifth and sixth innings.

In the fifth with Northville leading by two runs, Greedy and Ray Taulbee managed walks around a strikeout and then advanced on a bad throw by catcher Craig Bell to give the Lions their first scoring chance of the game.

With the infield drawn in, a squeeze play was called for and South Lyon second baseman, Dick Garrett, followed orders much better than anyone expected including himself.

He blooped a bunt over charging first baseman, Bill Trotter, and it caught the Mustang infield so off guard, that both Greedy and Taulbee romped across the plate with the tying runs. It was the first hit for South Lyon.

Brown got out of the jam when he snared Lowell Burgess' smash back to the mound and then doubled Garrett off first.

The Lions acted up again

SPORTING GOODS DISTRIBUTORSHIP NOW AVAILABLE FOR THIS TERRITORY

We desire a Distributor to stock our famous Sports Shelf with sporting equipment from one of America's large manufacturers. Service food, drug and variety stores with displays of Hunting, Fishing, Baseball, Football, Basketball and all other indoor and outdoor sports equipment.

GOOD INCOME FULL OR PART TIME

Operate from Home — No knowledge of the sporting goods business is necessary — we instruct you in the servicing of the accounts that we establish for you — Cash Income can start immediately.

Unlimited Potential Earnings Weekly Bonus Plan

This business can be operated in conjunction with your present occupation or full time. An immediate minimum cash investment of \$1495.00 is required. Our Repurchase Plan covers any unsold merchandise.

If you are sincere and desire a local "interview," write at once giving name, address and phone number.

SPORTS SHELF CORP.
1317 BROWN ST.
PHILA. 23, PA.

in the sixth, when with two outs, Jack Wren and Harry Colestock singled, but were stranded when Brown slipped a third strike past Greedy.

The Mustangs scored twice their first time at bat, but it was mostly a kind gesture on South Lyon's part.

First two batters, Fred Steeper and Jim Juday, both walked, advanced on a fielder's choice, and scored when Tapp's attempted pickoff throw sailed past second base into center-

field.
For the next five times at bat, it was three-up and three-down for Northville as Tapp had them baffled.

Then Daniels beat out a well-placed bunt to start the seventh, Craig Bell walked and Dave Hay was safe on a fielder's choice to load the sacks.

This brought Brown up and he drilled a single in the hole at shortstop to score Daniels and Bell for the winning runs.

Golonka expressed disappointment with Northville's hitting but at the same time, thought that opening day jitters might have been a factor. At least, he hopes so with the first league game coming today (Thursday) at West Bloomfield.

The game was a free-swinging affair, Brown whiffing 13 Lions and Tapp striking out seven Mustangs. Brown walked six, Tapp walked three. Both sides committed two errors.

YER SAFE! — Northville third sacker, Fred Steeper, slides safely across home plate in first inning action against South Lyon last Friday. Northville went on to win, 4-2, scoring two runs in the last inning.

DEADLINE - NOON TUESDAY

—Card of Thanks

I wish to thank my many friends for their cards during my stay in the hospital in Washington, D.C. Special thanks to the Exchange Club, Masons and Eastern Star. C. B. Turnbull.

I wish to thank all my friends and neighbors for the lovely cards and gifts I received while I was in the hospital and upon my return.

Mrs. Nate Wooster

I wish to thank everyone for the nice cards, flowers, inquiries and visits during my stay in the hospital.

Lloyd Hamilton

We extend this word of thanks to all those of the First Baptist Church who brought food in. This kindness during our recent bereavement, meant much to us.

Joe Byington Family

3—For Sale—Real Estate

HELLO — — —

Glad to see you again, neighbor. And to you new folks on the new circulation list, let me introduce myself. I am D. J. Stark, Realtor, back home from visiting the grandchildren in Florida. Folks who know me know that I play hard in Florida through the slow winter months and then work just as hard as I can selling YOUR real estate during the selling season so I can go and see my four dandy grandchildren again in the winter.

SO — — — Are you thinking about selling — OR — buying? Why not give me a ring and let me call on you at your convenience and talk it over — no obligation. When you list with me or buy through me, you will have over 200 other real estate sales people to offer you help in trying to please you — and they all will know that D. J. STARK is YOUR Realtor and looking after YOUR interests.

I like to sell Real Estate — Let me sell yours.

Be Sharp — See Stark

I HAVE A FEELING

"How do you know you are going to get to heaven?" asked the Preacher. "Oh! I have a feeling that everything will be alright!" What a horrible mistake to base an eternity upon feeling. Tell me, have you ever been mistaken in your feelings?

Did you not have a sense of being right, when all the while you were wrong? I'm sure most any driver having lost his directions has experienced as I have, to be travelling south when I should have been going north. Or, to have sensed something was wrong at home when nothing was wrong at all! Or, to have a feeling of confidence in a person, only to be disappointed and have that feeling shattered. Many times over our feelings have been wrong. Surprising as it may seem, most people seem to die with a feeling that everything will turn out alright. Even the worst of sinners, life-long Christ rejectors die often in more peace than Christians. Why? Simply because the god of this world has blinded their eyes and their hearts have become so calloused by unbelief of what the Bible teaches that they die in peace but land in hell. Friend, there is only one safe way, and that is to put your trust in "Thus saith the Lord".

MARGARET M. MESNARD

Mrs. Margaret M. Mesnard, 83, died April 12 in her home at 40545 Fourteen Mile road, Novi township. Funeral services were held Sunday morning from Richardson-Bird Funeral home in Walled Lake with the Reverend John Gunn, Assembly of God church, Walled Lake, officiating. Interment was at Primitive Baptist cemetery in Melmore, Ohio. A Nov resident the past 41 years, Mrs. Mesnard is survived by her husband, Howard A., of the Nov address, and a sister, Mrs. Bess Reynolds, of Royal Oak. She was a member of the Order of the Eastern Star and Interlakes Garden club and past president of the Civic Welfare club and Walled Lake Study club. Mrs. Mesnard was born November 3, 1877 in Nevada, Ohio to Timothy and Amelia (Kyle) Matmore.

LOUIS JOHN CHARRON

Services will be held from Casterline Funeral home at 1 p.m. tomorrow (Friday) for

Louis John Charron, 62, who died Monday in an automobile accident at Schoolcraft and Newburg roads in Livonia. The Reverend John Wiltstock, Our Lady of Victory church, will officiate. Interment will follow at Metamora cemetery in Metamora, Michigan. A civil engineer at the Ford Motor company's Rouge plant, Mr. Charron had lived the past 24 years at 37300 Eight Mile road in Farmington. Preceded in death by his wife, Marion, he is survived by a daughter, Mrs. Patrick (Mary Lou) O'Donnell of Flint, a son, Louis J. Charron, Jr., U.S. Air Force, Tacoma, Washington, and five grandchildren. Mr. Charron, a World War I veteran, was born in Sault Sainte Marie, Michigan on May 30, 1899.

Moose Meet

An informational meeting of the Moose order for this area will be held at 8:30 p.m. tonight at Marco's restaurant, 38410 Grand River.

National Bank of Detroit

STATE OF MICHIGAN County of Wayne ss. 471,438

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the tenth day of April in the year one thousand nine hundred and sixty-one.

Present Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of WILLIAM TEFOT HENRY, deceased.

National Bank of Detroit, administrator of said estate, having rendered to this Court its second and final account in said matter and filed therewith its petition praying that it be allowed commissions on the amount of the personal property which it has collected and for which it has accounted, that this Court determine who are or were at the time of the death of said deceased his heirs-at-law and entitled to inherit the estate of which said deceased died seized and that the residue of said estate be assigned to the person or persons entitled thereto as determined by this Court:

It is ordered, that the eighteenth day of May, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.

And it is further Ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Joseph A. Murphy, Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated April 10, 1961

LOUIS JOHN CHARRON Services will be held from Casterline Funeral home at 1 p.m. tomorrow (Friday) for

Louis John Charron, 62, who died Monday in an automobile accident at Schoolcraft and Newburg roads in Livonia. The Reverend John Wiltstock, Our Lady of Victory church, will officiate. Interment will follow at Metamora cemetery in Metamora, Michigan. A civil engineer at the Ford Motor company's Rouge plant, Mr. Charron had lived the past 24 years at 37300 Eight Mile road in Farmington. Preceded in death by his wife, Marion, he is survived by a daughter, Mrs. Patrick (Mary Lou) O'Donnell of Flint, a son, Louis J. Charron, Jr., U.S. Air Force, Tacoma, Washington, and five grandchildren. Mr. Charron, a World War I veteran, was born in Sault Sainte Marie, Michigan on May 30, 1899.

Moose Meet

An informational meeting of the Moose order for this area will be held at 8:30 p.m. tonight at Marco's restaurant, 38410 Grand River.

Cake Decorators Invited To Compete at Carnival

If you have special knack for transforming any plain, old, everyday looking cake into a breathtaking confession that looks almost too good to eat, take heed; your day of recognition is not far off.

Circle May 5 on your calendar. That's the date of the Northville P-TA Carnival, and one of the big attractions of the annual "carny" is the cake decorating contest to be held this year in the basement of Main street elementary school.

In this year's contest, which will be held as customary in conjunction with the cake walk, the batter won't matter. It's the actual appearance of the cake, says Chairman Mrs. M. L. Utley, that will bring home the prizes.

Prizes of \$5, \$3 and \$2 will be awarded in three classes — 11 and under, 12-18 and over 18. Judges Mr. and Mrs. Harold Searloss and Mrs. William Milne will pick the winners at 7 p.m. Mrs. Utley has specified that all cakes be brought to the basement of the school between 4:30 and 7 p.m. on May 5. Non-returnable containers bearing the contestant's name, address, phone number and age division should be used. Cakes will later be used as prizes in the cake walk. They will be numbered and duplicate slips will go to cake walkers.

Mrs. Utley may be contacted at FI 9-1569 for additional information.

The ladies' auxiliary to VFW Post 4012 is sponsoring the cake decorating contest, while Our Lady of Victory Mothers club is running the cake walk.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the tenth day of April in the year one thousand nine hundred and sixty-one.

Present Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of WILLIAM TEFOT HENRY, deceased.

National Bank of Detroit, administrator of said estate, having rendered to this Court its second and final account in said matter and filed therewith its petition praying that it be allowed commissions on the amount of the personal property which it has collected and for which it has accounted, that this Court determine who are or were at the time of the death of said deceased his heirs-at-law and entitled to inherit the estate of which said deceased died seized and that the residue of said estate be assigned to the person or persons entitled thereto as determined by this Court:

It is ordered, that the eighteenth day of May, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.

And it is further Ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Joseph A. Murphy, Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated April 10, 1961

Teacher Profile

She Uses 3V's for 3R's

When diminutive (4' 11", 100 pounds) Mrs. Jennie Donnelly hit the junior high campus last fall, the students and teachers soon realized that they were looking at an original human dynamo. Showing the energy promised by certain breakfast cereals, she has tackled her first teaching position with vim, vigor and vitality.

In introducing new ideas or revitalizing old ones, this pep-py pedagogic communicates a

freshness essential to learning; her students become infected with it and tingle with excitement and creativity. For example, visitors to the junior high openhouse last fall will recall the huge pyramid, complete with mummy, jewelry, bread and assorted Egyptian sacrifices that her students built while studying Egypt. They will also recall signing the visitor's book in Egyptian hieroglyphics, plus the many dis-

plays. Students and faculty remember the fascinating oriental play they put on. It was completely written and directed by one of Mrs. Donnelly's classes. Her "press conferences" held weekly are another example of class creativity. Following the pattern set by the President, they have found it useful in following current events. A different person is chosen each week to be "President." Not inclined to take much credit for her ambitious classes she says with much inflection, "Of course I have real good groups — really sharp youngsters."

Mrs. Donnelly's approach to history, however, caused raised eyebrows in at least one household. She was trying to show that the textbook only recorded a small part of history and that students should use sources other than the text to have a better understanding. One youngster reported home that "Mrs. Donnelly doesn't use the textbook." Considering textbook costs, it was understandable that this particular parent had questions to ask. This temporary garble of the often fragile communication link between teachers and parents was, happily, easily explained.

Mrs. Donnelly is well-qualified to work with children. She was girl scout day camp director for three years; playground director for two years, becoming assistant director of recreation in charge of all children and youth activities; taught piano for four years; directed a children's church choir for four years; and has taught Sunday school for 10 years. She graduated last year from Eastern Michigan receiving her Master's Degree in social science with minors in music, history, sociology and geography.

There is, however, a secret behind this impressive background. Mrs. Donnelly emphatically contradicts two well-entrenched stereotypes — the drab, pedantic school teacher and the rocking-chair granny. You see, her energy, enthusiasm and youthfulness, her dark-brown pert and perky hair style, her quick smile and lively interest in practically everything all belie the fact that she is a grandmother — a two-time grandmother, in fact.

Mrs. Jennie Donnelly

A Home for Bells

A NEW CABINET houses the 35 English hand bells used by the Northville Presbyterian Church Bell Ringers. The original 18 bells were donated to the church by Mr. and Mrs. Charles Walker. The new bells and cabinet were donated by Mrs. Walker as a memorial to her late husband. The public will have an opportunity to hear the Bell Ringers on April 30 in a performance at the high school auditorium with the Scottish Rite Male Chorus, directed by Robert Jones. W. G. Williams directs the Bell Ringers.

THE PLEASURE OF YOUR COMPANY

IS REQUESTED AT A SPECIAL SALON SHOWING

OF THE MAGNIFICENT 1961

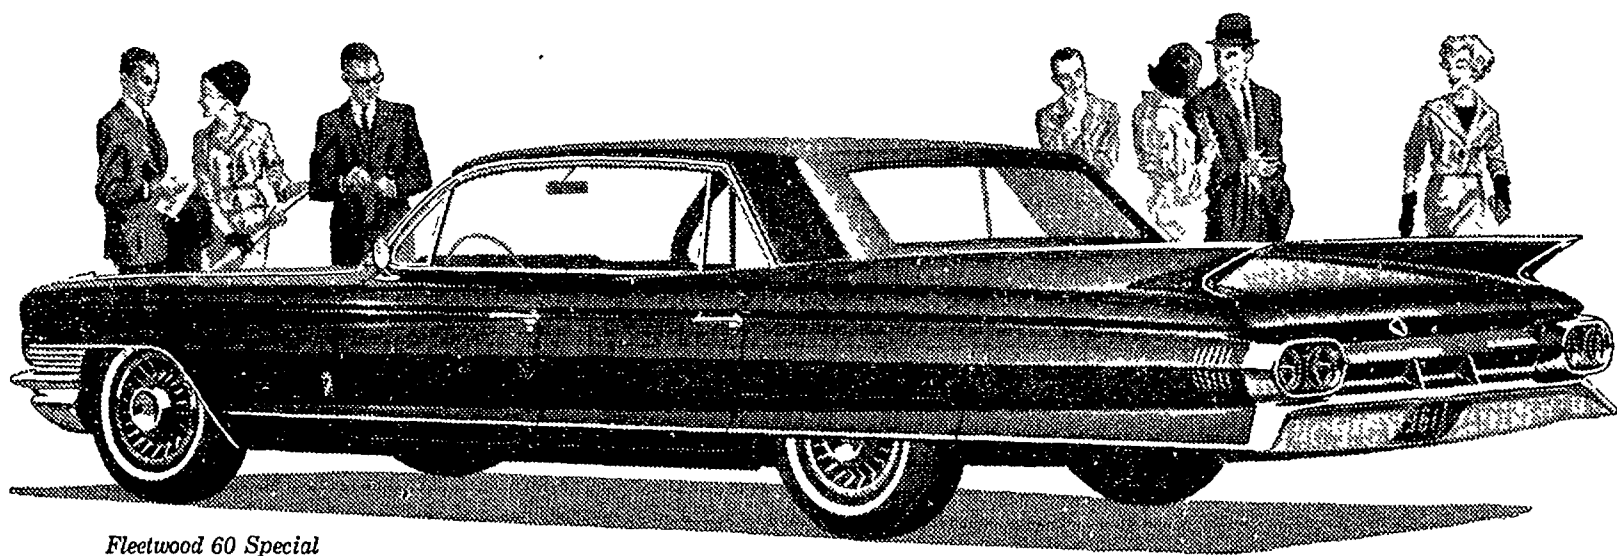

Cadillac

Eldorado Biarritz

It is a distinct pleasure to invite the motoring public to visit our showrooms for an unusually fine display of the luxurious Cadillac motor cars. We are confident you will feel, as we do, that the automobile which Cadillac designers have created for 1961 is beyond question the finest ever built. We are especially pleased

that for this occasion we will have on exhibit certain superb Cadillac models which you might not ordinarily have an opportunity to see. While you are here, we will be happy to arrange a demonstration drive at a time convenient to you, and to explain how very easily you can become the owner of a 1961 Cadillac.

from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor
St. Paul's Lutheran Church of Northville

"First Man In Space"

"First Man In Space!" That was the headline we read in the press a week ago.

There have been so many changes in this century, and so many more changes are anticipated, that people are wondering and speculating as to just what kind of a life we will be living in 5, 10, 15, 25 or more years from now.

Not too long ago a radio network featured an hour-long program entitled, "Change". Experts from various fields of learning and from industry and labor made predictions of many startling changes. Change was declared to be the order of the day.

But no matter how great the changes, man's basic needs will remain the same. This is true because man's nature does not change. And man's sinful and evil inclinations could trigger the most devastating war yet known and wipe out, or at least woefully cripple the progress

made during centuries. One thing is certain — in a world of change man must have something changeless. In the midst of all of this change it is wonderful to know that we have a changeless Christ.

"A Changeless Christ For A Changing World"

"A Changeless Christ for a Changing World!" This striking motto has been a part of the International Lutheran hour, that great evangelical radio endeavor, the purpose of which is to bring Christ to the nations. This motto was especially used at a time of great national unrest, the years immediately preceding the Second World War, when fears were harbored that hatred and destruction would again sweep the world. Mothers' hearts were aching. Homes were filled with anxiety. But many were comforted, for they had a Changeless Christ for a Changing World. He will always be the Staff and Stay of all who trust in Him.

Science and the laws of nature are not greater than the God who created these laws and who made the very universe, as well as all space, by the Word of His mouth.

Christ is greater than all creation. Of Him it is prophesied: "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of Thine hands. They shall perish, but Thou remainest; and they all shall wax old as doth a garment; and as a vestment shalt thou fold them up, and they shall be changed; but Thou art the same, and Thy years shall not fail." Hebrews (1:10-12).

He is immutable in His being and in the fulfillment of His promises. Through the prophet Malachi He speaks thus: "I am the Lord, I change not." (ch. 3:6). And the writer of the Epistle to the Hebrews declares: "Jesus Christ, the same yesterday, and today, and forever." (ch. 13:8).

A Changeless Kingdom

He the changeless Christ has a changeless kingdom. It is a glorious, eternal, heavenly kingdom. "Thy throne, O God, is forever and ever; a sceptre of righteousness is the sceptre of Thy kingdom." (Heb. 1:8). That we might live in this eternal kingdom of righteousness Christ died for our sins, rose again, ascended on high and has prepared a place for His own that will endure after all man-made spaceships, missiles, and instruments of war have seen their end.

How do we receive this wonderful kingdom? We need not travel far or search long. It is ours simply by believing. The repentant thief on the cross prayed to Jesus: "Lord, remember me when Thou comest into Thy kingdom." And Jesus assured this dying man: "Verily I say unto thee: Today shalt thou be with Me in paradise." (Luke 23:42-43).

Phone Book Deliveries Start Here

About three million 1961 telephone directories are being distributed beginning this week in the largest single directory delivery operation ever undertaken by the Michigan Bell Telephone company.

Included in the distribution are 480,000 West and Downriver metropolitan area directories. These directories, consisting of a single alphabetical list of local telephone users living here and in some 19 nearby communities, will be delivered not only locally but also to Detroit telephone users who request them.

The 12 exchanges included in the new books serving this area are: Belleville, Farmington, Flat Rock, Livonia, New Boston, Northville, Plymouth, Rockwood, Romulus, Trenton, Wayne, and Wyandotte.

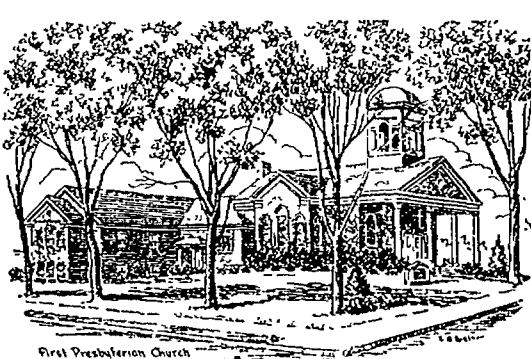

"It will take two weeks before all customers here, in the more than 100 other metropolitan communities, and Detroit, exchange their old books for the new ones, said Hughes C. Bronaugh, manager here for Michigan Bell.

"In the new directories," he said, "local telephone users will find for the first time in this area some numbers which show the new look in telephone listings — called All-Number Calling.

"These listings have dropped their prefix letters, and such telephones will be known by seven numbers, and not by two letters and five numbers," he added.

"The red-covered directories list the 20 communities found inside. Telephone customers who need one or both of the other two area (East area, and North area) directories covering communities beyond those in the West and Downriver book may obtain them by calling our local business office," Bronaugh said.

DID YOU receive your new 1961 Telephone Directory? The delivery of the new books to all of our subscribers should be completed in the next day or two. If for any reason we missed you or failed to leave the correct number of books at your office or home, don't hesitate to call us at the Business Office, 453-9900 and we will see that prompt delivery is made.

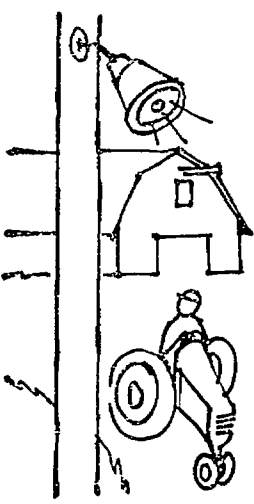

The front pages of the new directory have some very helpful as well as instructive suggestions which will come in handy. Be sure to list your police, fire and doctor telephone numbers in the space provided on page one.

If you have a need for one or more of the other alphabetical directories (including Detroit) in the metropolitan calling area, just give us a call or if you desire you can drop by the Business Office at your convenience. There will be no charge for these books.

IT'S HERE — Michigan Bell's Spring Phone Fair. It features a variety of telephone services including the Home Interphone, which lets you use your phone as a communications system right in your home. You'll also see the colorful little Princess phone (it lights!), the convenient wall phone, volume control phone for the hard of hearing — lots more. Don't miss the Spring Phone Fair — it's at your telephone business office now.

NEW TELEPHONE SERVICE. This month we're introducing a new communications system. It combines regular telephone service with a wide range of intercommunication features. This new service uses standard telephones equipped with special loudspeaker-microphones. With it you can talk back and forth between any telephone at your farm or business. It's even possible to talk "hands free," several feet away from the nearest phone or, using special outdoor loudspeakers, from outside locations. If you'd like more information about "Farm Interphone," just call us and we'll be glad to arrange a demonstration.

March 8, 1961

The regular meeting of the board of education was called to order by the president, Mr. Heslip, at 8:07 p.m. on Wednesday, March 8, 1961. Present were Mr. Heslip, Mr. Erwin, Mr. Taylor, Dr. Ambinder and Mr. MacBride, also Dr. Medlyn and a number of interested members of the community.

The minutes of the meetings of Feb. 8, and Feb. 15 were approved as presented.

The Treasurer's Report which follows was approved as presented:

General Fund \$2,120.22; Lunch Fund \$6,445.20; Payroll Fund \$400; 1957 Building and Site Fund \$158,833.88; 1955 Debt Retirement Fund \$17,517.91; 1957 Debt Retirement Fund \$5,909.68; 1958 Debt Retirement Fund, \$1,175.81.

Old Business.

Dr. Ambinder inquired of Dr. Medlyn of his progress in securing a remedial reading teacher. Dr. Medlyn had applied to Wayne University, Eastern Michigan University and the University of Michigan without success in obtaining this person; no personnel were applying at this point of the year. Dr. Medlyn thought the salary of such a teacher would be at least \$600 above our salary schedule; at the University of Michigan it was thought that such a teacher would cost \$8,000 to \$8,500.

Dr. Ambinder also questioned what amount of the appropriated \$2500 for a curriculum consultant had been spent. Dr. Medlyn reported that up to the present only a portion of the appropriation had been used through the Bureau of School Services of the University of Michigan. Dr. Ambinder felt that more of the money should have been used, and that the program had not been well interpreted to the teaching staff. He proposed that Wayne State University be contacted for a consultant to come to the school at least twice a week.

Mr. MacBride stated that he felt the board might not be

able to complete the work on the curriculum that it had hoped to accomplish this year; he had expected that the district might have some one as a part-time employee for continuing service and to conduct in-service training. He stated that it might be possible, as Dr. Keboe had suggested, that we do need a full time person.

Dr. Ambinder moved that the board accept and endorse the recommendations of the high school committee, that a committee be formed to plan for a junior high school program and that a memorandum be sent to Northville of our intentions.

In the discussion which followed, Mr. Heslip stated he felt we should not decide on a building at this time, that perhaps the district should build a high school building which could be used as a junior high school building. Mr. David Fried of the high school committee said he was not in disagreement with this; the kind of building might be a decision of the junior high school committee.

Mr. MacBride seconded the motion of Dr. Ambinder, stating that the board must consider some change in the arrangement with Northville in 2 or 3 years, and should begin now to plan the curriculum and the plant. The motion carried.

Mr. Heslip asked each board member to nominate two citizens to the junior high school committee, and that these nominees be asked to be present at the April meeting. Teachers' representatives are also to be selected. The board was also to ask for professional help, perhaps from the Oakland County school office.

New Business:

Mrs. Verna Allen presented a report of recommendations for our school libraries, based on standards established by the American Library Association and the Michigan Library Assn. and a comparison with the school district libraries.

Mr. Erwin asked Mrs. Allen for specific recommendations. She replied that the greatest need was in the Novi Junior high library since it is open only half the day and the physical facilities are not satisfactory, there being a need for more room, shelving and furniture. Additional personnel, professional or clerical, even a half-time person would be very helpful.

Dr. Ambinder questioned what amount of the appropriated \$3000 had been spent for books. Mrs. Allen reported that the \$3000 would be spent by the end of the school year.

Mr. John Hood presented to the board the final report of the Special Education Committee. On the Special A program for mentally retarded children, of which the district has 8 children, the committee made two recommendations:

1. That a letter be obtained

from Oakland County regarding our own special education room.

2. That the district pay the transportation for all these children to the special education rooms outside the district.

On Special B program, for the trainable mentally handicapped, that we establish agreement with another school district.

On Speech Correction, the committee's recommendation was that we continue to cooperate with South Lyon, as we do at present, sharing a teacher.

In remedial reading the recommendation was that the board hire a teacher or demonstrate the impossibility of so doing.

The Teacher Personnel report was presented by Mr. James Mitchell, the committee consisting of R. LeWitter, Ray Garcia, Mrs. Joanne Ward and Mrs. Hilda Little as well as Mr. Mitchell. Some figures presented were: The average tenure of teachers is 2½ years. The average teaching experience of our teachers is 7½ years. The 11 non-degree teachers have earned an average of \$8.7 semester hours of college credit in the last five years.

In figures pertaining to teachers salaries, Novi is slightly below the average of twenty schools in the Detroit metropolitan area; Average minimum salary \$4500; Novi \$4500. Average maximum salary \$6842; Novi \$6425. Yearly increment, average \$249; Novi \$225. Number of years of increment, average 9½ years; Novi 9 years.

Some recommendations of the committee on personnel were: that a slow but steady pace be set toward goals of the district; that teacher tenure could be improved by making the teachers feel wanted and appreciated in the community; that a minimum of six hours of college work be required of non-degree personnel; that personnel be hired in the future only with provisional and permanent certificates; that a maternity leave policy be adopted by the board requiring leave be taken at the beginning of the fifth month; that a continuing contract be adopted for teachers; that curriculum coordination and in-service training be provided; that salaries be adopted somewhat above neighboring districts.

The Curriculum committee report was given by Mrs. Dorothy Snow. This report was incomplete due partially to poor attendance at committee meetings. Later recommendations pertaining to art, music and physical education are expected. One point brought out by the committee was that students who do poorly in the Novi eighth grade, continue to do poorly at Northville.

Dr. Medlyn reported that contracts are due out to the teachers on April 15, which required that the teachers' salary schedule for 1961-62 must be adopted. The Finance committee was to meet with Dr. Medlyn on March 20, and a special meeting of the board was set for March 22 to discuss the salary schedule and preliminary budget.

Dr. Medlyn reported that it would be necessary to borrow before the end of the fiscal year on June 30; he recommended a tax anticipation note.

Prices on a piano for Orchard Hills school were obtained from J. L. Hudson's, \$499.50; Grinnells, \$540. It was moved by Dr. Ambinder, and supported by Mr. Taylor, that the superintendent be empowered to purchase the piano he recommended. The motion carried.

Two typewriters were to be purchased for the library, and for Miss Soulliere under Title V. It was moved by Mr. Erwin, supported by Mr. MacBride, that the superintendent be empowered to choose the typewriters most suitable. The motion carried.

It was moved by Mr. Erwin,

seconded by Dr. Ambinder, that equipment for the guidance office be purchased. This was to consist in a desk, chair and visitors' chairs. The motion carried.

Dr. Medlyn reported that six new teachers would be needed for next year. He was to have recruitment appointments in March and April at Michigan State University, Wayne State, Northern Michigan College, Central Michigan University, and possibly Ball State in Indiana.

Seventy students are to graduate from the Novi Junior High school. Graduation exercises are to be held in the evening.

Communications:

Notification to the secretary of State Aid payments of \$8500 and \$11,900.

A letter from the faculty Professional Problems committee, stating the Handbook would be completed by March 14. Committee members were invited to hear the comments of the board on the handbook at the March 22 meeting.

It was moved by Dr. Ambinder and supported by Mr. MacBride, that the bills be paid as presented. The motion carried. The bills were as follows: \$81,920.35 (including \$57,727.05 tuition); Building and Site Fund, \$343.01; and Lunch Fund \$1476.91.

The meeting was adjourned at 11:10 p.m.

Russell Taylor, Secretary

that equipment for the guidance office be purchased. This was to consist in a desk, chair and visitors' chairs. The motion carried.

SPEAKING for the Record

By Bill Sliger

Ironically, in a year when business is definitely not at its best, Northville seems headed for a boom year of development.

The community can look forward to:

- the Kroger-Manufacturers National Bank project on Dunlap street;
- a \$300,000 apartment building project on Baseline;
- a new city hall;
- a new post office.

The first two projects are scheduled to get underway in a matter of weeks. It is unlikely that a city hall or post office will be completed before the summer of 1962. The latter is now in the exploratory stage.

It's encouraging to know that the community is on the move, that material improvements that promise to help our economy are on the drawing boards.

But now is not the time to sit back and observe the activity. Very little credit for what is now happening can be taken by any single individual or group. Forces from outside have been chiefly responsible.

So now it's our turn to push harder, while the ball is rolling. We have examples to which we can point. It should be an excellent time for our economic development group to cut its new teeth, for our retail merchants' association to make a strong effort to strengthen its shopping district by expanding its facilities; for our local officials to do some serious planning and make definite recommendations for the pattern our business district is to take.

I cannot applaud enough the decision of the Kroger company to remain in our business district and undertake a major improvement project.

It is the salvation of the local shopping area.

Now it remains for us to continue this parade of progress.

* * *

There's another project underway locally that deserves special mention for the cultural contribution it will make to our community. It's the Town Hall series, sponsored by Our Lady of Victory church.

The series, which will begin next fall, will be held at the P & A theatre and will include John Mason Brown, Madam Ginette Spanier, Anthony Wedgewood Benn, Ian Ross MacFarlane and Bennett Cerf.

An area-wide committee, representing several neighboring communities, has decided to donate one third of the proceeds to charities in these areas.

The drive for subscribers will get underway soon. As an added touch, the program includes a speaker's luncheon following each lecture.

* * *

I don't know where Athletic Director Al Jones got these, but they're supposed to be actual excerpts from letters received by insurance companies:

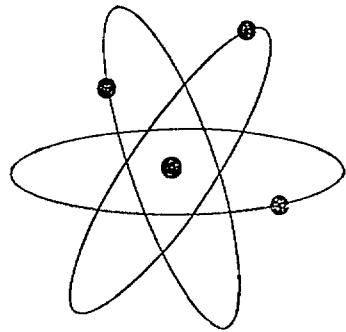

"Please send your book on artificial respiration, as I think I have it";

"I am glad to report that my husband who was reported missing is now dead";

"In answer to your letter, I have given birth to a boy weighing 10 pounds. I hope this is satisfactory."

The Peace Corps

Babson Park, Mass., Our defense against World War III may not be nuclear missiles or atomic submarines but rather something far more revolutionary. I refer to the Peace Corps. President Kennedy has sent a message to Congress on his proposed Peace Corps suggesting that 1000 young and middle-aged people be ready to leave by the coming Christmas. Among projects in the exploratory stage are work for surveyors, engineers, and geologists. Expert farmers and those acquainted with the use of insecticides and fertilizers are needed.

Also in demand are carpenters who will get neighbors together, as in the old days, to erect houses and barns for one another. The headquarters at Washington tells me it has 25,000 applicants, although a majority of these cannot hope to meet the requirements. The plan will not be successful with non-paid volunteers. Whether or not these men and women are obtained by volunteering or by drafting, they must be under army discipline and subject to the same length of service as those entering the fighting ranks. They must be carefully "screened" as to loyalty, personality, and education.

They naturally should fluently speak the language of the country to which they will be sent and be well-trained for the character of work in which they will be engaged. Surely, the Peace Corps personnel are entitled to the pay of a second lieutenant.

To make this new Peace Army successful, Congress must be prepared to spend as lavishly thereon as it would spend on the development of missiles or any nuclear weapons. This new army should be taken very seriously and be placed under our U.S. Defense department with President Kennedy as commander in chief. Every nation should be entitled to the aid of the Peace Corps, although its personnel should be sent into a nation only at the nation's request.

Whether or not the Peace Corps should or should not be tied up with foreign aid is to be decided later. It is a great mistake to compare the proposed Peace Corps with the Civilian Conservation Corps organized by Franklin Roosevelt to give work to unemployed young men during the depression of the 1930's. In order to be successful the Peace Corps must be carefully selected, organized, trained, and disciplined. It must be treated and financed as if some entirely new revolutionary weapon had been discovered which we must either adopt or we will be sunk!

Certainly all nations including Russia will be free to organize similar Peace Corps. I understand that Charles deGaulle is much interested. This development creates an entirely new and apparently overlooked situation.

Would it be good or bad for the movement to have different Peace Corps of other nations working within a single nation such as one of the Latin Nations of Central and South America, including Cuba?

Frankly, no one now knows. The whole idea is so new with such far reaching possibilities and dangers. If several nations plan to send Peace Corps to a foreign country, surely the members of each will be able to talk with each other since they can speak the language of the country to which they are sent. If both men and women are accepted this makes a further complication.

Studying this whole idea with its ramifications, it may result in doing more to bring the nations together than has even the United Nations. There are about one hundred separate nations now in the United Nations Organization. Imagine only a small proportion of these one hundred nations sending out Peace Corps.

Furthermore, although Communist China is now being kept out of the United Nations, yet

China would be free to send Peace Corps into the leading nations. One more thought, what if China should decide to send Peace Corps into the United States? Perhaps all the above may cause President Kennedy, or at least Congress, to pass the entire problem over to the United Nations to operate. Knowing, however, how slow the United Nations works, this may kill or delay the entire idea as now set up. I am strongly for the Peace Corps as set up by the present able leader R. Sargent Shriver, Jr. It, however, has great possibilities and may be the one thing to head off World War III and save civilization.

Michigan Mirror

State Demo Organizations Strengthening

Election post-mortems reach fever pitch a few days after each time Michigan voters go to the polls.

Losers want to explain why they lost. Winners are even more anxious to tell why they won. The 1961 Biennial Spring Election was no exception and may provide more fruitful ground for both winners and losers than most.

At least one reason for this is the fact that the Constitutional Convention issue was on the ballot. In a lot of ways, the spring election "followed the rules" by the book. None of the incumbents seeking re-election were ousted. Democratic party candidates pulled their heaviest vote in the densely populated areas, especially around Wayne county. Republicans showed more strength outstate.

But consider this: While it was still enough to outweigh the vote in the rest of the state, the vote in Wayne county and surrounding areas was down, overall, from the record number of ballots cast two years ago. Detroit, especially, saw the number of people going to the polls fall off. Democrats, who won seven of the nine partisan offices contested, relied heavily on the

metropolitan vote, of course. But significantly, the margin by which Republicans won outstate was down in many areas. This was not true all over, naturally. It cannot be attributed to any one factor in most cases, either.

One fact stood out in the spring election as never before, however.

Democratic organizations all over the state are getting stronger. They are more active, they turn out a bigger vote and they are better able to count on a certain number of voters coming out in a given area.

In most past elections, a huge turnout in the metropolitan areas with Detroit leading the way was the obvious factor when Democrats came out on top.

This time, Democrats were able to show strongly without the great mass of party-line voters in Detroit.

The lesson seems obvious: Party organizations, which more often than not can mean success or failure in an election, are just as effective — and necessary — out in the boondocks as they are in the asphalt jungle.

Books could be borrowed from any library in the state using just one library card un-

der a program ready for test-

ing. Gov. John B. Swainson directed Harvey Sherwood, Kalamazoo, chairman of the State Board for Libraries, to try out the plan in selected areas before implementing a program to issue only state-wide cards.

The Governor said about 14 per cent of Michigan's population has no access to library services because of residence outside the city, township or village boundaries within which libraries are operated.

Evidence of success in one area of public concern and a warning of impending crisis in another may be found in the swap of tuberculosis patients for mental patients now in progress at Howell.

The state TB sanatorium is being converted to a mental hospital.

Health Commissioner Dr. Albert Heustis has said the institution can be changed over

without danger that any of the state's other TB hospitals, at Gaylord, Kalamazoo and Hantock, will become overcrowded.

He said improved treatment programs and shorter hospitalization periods will prevent any cutback in service to TB victims.

Making a mental hospital out of the Howell sanatorium points up the troubles in taking care of increasing numbers of mentally ill, emotionally disturbed and mentally retarded persons.

The plan for Howell is to use it for non-dangerous patients such as senile persons and similar cases.

These patients will be brought from other institutions, such as Kalamazoo, Ionia, Traverse City and Newberry. In fact,

plans call for a sort of general shuffling to put patients in an institution where they can get sufficient care and still be properly supervised.

The idea is to make room in the Ionia State Hospital for the Criminally Insane for a number of dangerous psychotics now housed at Southern Michigan Prison.

It has required close cooperation among the three state departments involved, the Health, Mental Health and Corrections departments, to make the shift work smoothly.
