

Don't Forget Red Cross Blood Bank Friday

GUESTS AND HOSTS — Visiting Mayor and Mrs. William Young were greeted by a host of local officials at the city hall Monday. Following a brief council meeting — with Mayor Young presiding — the group was joined by other area business and civic leaders for lunch at Northville State hospital. Pictured (l. to r.) are: Postmaster Leland Smith, City Attorney Philip Ogilvie, Mrs. William Bingley, Mayor Pro Tem and Mrs. John Canterbury, Superintendent of Schools Russell Amerman, Councilman Richard Ambler, Swartz Creek Mayor and Mrs. Young, Chief of Police Eugene King, Michigan Week Chairman William Bingley, Mr. and Mrs. Arthur (Councilwoman) Carlson, Superintendent of Public Works and Mrs. Herman Hartner.

Little Cause For Mayor Allen To Cheer At Hospital

Northville State Hospital played host Monday noon to visiting and local officials in observing the annual Michigan Week mayor's exchange day.

But Dr. P. N. Brown, director of the Seven Mile road state institution, painted a picture somewhat less than bright as he briefly described the plight of Michigan's mental health program.

Referring to the state legislature's cut-back on funds to its mental hospitals (which takes effect with the new fiscal year, July 1) Dr. Brown said "I thought we had but rock bottom this year."

He told the visiting officials that he regretted having to report these conditions on an occasion when the state was paying tribute to itself, but that these were the facts:

- Starting July 1 the hospital must cut its budget by \$75,000 to \$80,000 annually;
- in 1956-57 the hospital had 912 employees to serve its 2294 beds, now the employee count is 874 and this must be pared by 20 (which will be done by not filling vacancies as they occur);
- possible means of cutting budget will be to slash equipment expenditures from \$20,000 to \$6,000, cut drug bill, reduce grounds maintenance, and as a last resort, close a ward or two.

Dr. Brown admitted that even with these measures he still had some \$50,000 in reductions to make.

After his remarks, Dr. Brown excused himself to "get back to my budget report."

Dr. Calvin H. Chen, director of psychiatric education and research at Northville State hospital discussed the hospital's training programs pointing out that as a top-rated teaching hospital it was approved for three years training for psychiatrists.

After a brief council meeting at city hall the group lunched at Northville State hospital, then toured the institution and Northville Laboratories. (See pictures, page 10).

Trash Pick-up Scheduled

Residents Can Clean Up Saturday

Saturday is the day that the curbs at every residence in every citizen of the city — including the new Northville can help the "Beautify Northville" campaign and "clean house" at the same time.

It's the annual city-wide trash collection sponsored by the clean-up committee and undertaken by civic-minded volunteers.

Paul Palmer is chairman of the project. He has lined up more than a dozen trucks that will congregate promptly at 9 a.m. at Main and Center streets.

The trucks will be assigned to different sections of the city and will collect trash left at

The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

Volume 91, Number 1, 16 Pages Northville, Michigan, Thursday, May 25, 1961 10c Per Copy, \$3.00 Per Year In Advance

To Honor War Dead Here Tuesday

School Year Nears End

While students swung into the final lap of classes before summer vacation — school closes June 15 — the board of education moved full steam ahead Monday night to wrap up unfinished business and start getting the schools ready for classes next fall.

Financially, "the outlook for next year is fairly bright now," commented Superintendent Russell Amerman, reporting on the county tax allocation board's May 12 review and subsequent approval of Northville's budget.

Although the allocation board's approval came in what is called a preliminary hearing, Amerman told the board "I know as well as we sit here that the board is going to fix the rate at 7.90 mills". The final millage allotment is expected before the end of the month.

Coupling the 7.90 mills with the 10 mills passed by a local vote gives Northville schools a total 17.90 operating millage.

A \$1,479,882 jump in the district's state equalized valuation to \$26,583,246 will provide an additional \$22,000 income over last year, said Amerman. He pointed out, however, that part of the increase — about \$9,000 — would go to offset the hoped for three per cent state aid increase that failed to pass in the state legislature.

Board President Robert Shafer additionally noted that any remaining monies might be used "to catch up on the deficiency that's carried across the summer". Presently, the summer salaries of teachers paid on a 12-month basis are provided in the coming, rather than the current, year's budget.

The board also grappled with other possible expenditures Monday night. At the top of the list for consideration were repair of the Amerman school boiler, completion of the field events area at the high school track, and finishing the landscaping on the athletic area between the new football field and baseball diamond.

Expense for the Amerman boiler, which was installed in 1954 and has been repaired several times since, could run as high as \$3,000, according to present estimates.

After hearing board member Edward Angove's report for the track facilities committee, it was moved and passed that initial work — grading and filling — get underway in the high school athletic area and that the committee continue investigating the needs and cost involved in completing track facilities.

The board also settled conditions governing the loan of school buses to the recreation department for its summer program. Major change from previous years specifies that the board of education "approve drivers from a group of certified and otherwise acceptable drivers".

AMERICA'S war dead will be honored in traditional Memorial Day services Tuesday. This year the Northville American Legion post will have charge of arrangements. Above the Legion color guard is pictured at the Veterans Memorial plot, scene of the program, in Rural Hill cemetery. Left to right are: Harold Parmenter, James Madigan, John Steimel, Lloyd Moore, L. W. Snow, Jr. and Howard Wright. The parade is scheduled to start from the Legion building at 10:15 a.m.

Memorial Services, Parade Scheduled

Northville will honor its war dead of three wars Tuesday in traditional Memorial Day ceremonies under the auspices of the American Legion.

All local veterans' organizations will participate in the program that will include a parade and services at Oakwood and Rural Hill cemeteries.

The parade will form at the Veterans' Memorial hall at 10 a.m. and march through the city. The parade will be headed by Parade Marshal Ray Altenberg and Joseph Denton, retired police chief.

According to L. W. Snow, Jr., chairman of the Memorial Day ceremonies, the parade will include colors and color guards, the high school band, firing squads (Civil War replica of the first Michigan artillery), American Legion and VFW units, veterans of Wars I and II and the Korean war, Gold Star Mothers, Legion and VFW auxiliaries, boy scouts, girl scouts, cub packs, camp fire girls and school children.

The parade will form at the Veterans Memorial Home and march east on Dunlap to Hutson and then south to Main street continuing west to Wing and then south on Wing to Cady and Oakwood cemetery, then west on Cady to Rogers and south on Rogers to Seven Mile and east to Rural Hill cemetery and then to the Veterans' Memorial plot.

Services will be held at Oakwood cemetery and at the bridge where a wreath will be dropped into the Rouge river, honoring veterans who died at sea, and at the veterans' plot in Rural Hill cemetery.

The official Memorial Day program will be conducted at the site of the veterans' plot. The main address will be delivered by the Reverend Lloyd G. Brasure.

A tribute to the war dead will be given by Dennis Gilbert, a student at Northville high school.

The program will open with advancement of colors and the singing of the "Star Spangled Banner" by the audience with Robert G. Williams, band director, leading.

Mabel Cooley, post chaplain under the direction of Leslie Lee and Robert Williams will make its first concert appearance in its new uniforms as it honors the late E. C. Langfield.

Langfield, founder of Northville Laboratories, encouraged formation of a high school band in 1927 after seeing a band perform at a Rotary convention in Denver, Colorado.

His son, C. E. Langfield, has continued his father's tradition and started the drive for new band uniforms last year with a \$5,000 contribution.

Wednesday's concert will be presented in the high school auditorium at 8 p.m. There will be no admission charge.

The following evening the junior high school band and art department will present a combination art festival and band concert at the Community building. The art exhibit will begin at 7 p.m. with the concert under the direction of Conductor Williams at 7:30 p.m.

The new budget, a summary of which is published on page four, totals \$349,135.

Although the budget total is down from last year's \$362,750, the millage rate will remain the same, 12.5.

A detailed resume of the budget proposals will be published in next week's edition of The Record.

Condition of Patrolman Gill Glasson, hospitalized at St. Mary's hospital in Livonia since suffering a stroke May 10, is described as fair by his wife, Mrs. Glasson said doctors are now permitting visitors to see her husband.

Boy, 6, Killed by Car In Novi Road Accident

Six-year-old Thomas Edward Stoddard, a kindergartner at Amerman school, was killed Saturday afternoon when he darted in front of a car on Novi road just south of Allen drive.

The boy was playing beside the creek close to the bridge near the C&O Railroad track. He came up the west embankment into the roadway and was struck by a car driven by Mrs. George T. O'Neal, Jr., of Novi who was traveling south on Novi road.

The boy's 10-year-old brother Robert, who saw the accident from the bridge on the east side of the road, told investigating police Sergeant Leonard Mazuchowski that his brother was coming over to show him a fish he had in a pail when he stepped into the path of the car. Robert said his brother failed to look up before starting across the road.

Rushed to St. Mary hospital in Livonia, the youngster was pronounced dead after efforts to revive him failed.

In an autopsy held Sunday at Wayne County morgue, Dr. Rosen said the boy had died instantly from shock, hemorrhage

and a crushing injury to the chest.

Mrs. O'Neal and Nellie Reimen of Wixom, who was in another car and witnessed the mishap, appeared before Assistant Wayne County Prosecutor John Mowatt Tuesday. Mowatt said statements by the women showed the death was an accident and that he could find no evidence of negligence to warrant any further action.

Parents of the boy are Mr. and Mrs. Warren Stoddard of 503 Maplewood. The Stoddards also have a 14-year-old daughter, Joyce. The family moved to Northville last October.

Funeral services were held Wednesday from Casterline Funeral home with the Reverend Lloyd Brasure, First Presbyterian church, officiating. Burial was at Rural Hill cemetery.

Besides the immediate family, survivors include grandparents Mr. and Mrs. R. E. Stoddard, Portland, Maine, and Mrs. Ellen Patton, Asheville, North Carolina.

Their son's death marks the second recent tragedy for the Stoddards who lost a younger son in December.

Langfield Memorial Concert Set

A memorial concert to pay tribute to the man responsible for the original formation of the Northville high school band will be presented next Wednesday, May 31 at the high school auditorium.

The 87-piece high school band under the direction of Leslie Lee and Robert Williams will make its first concert appearance in its new uniforms as it honors the late E. C. Langfield.

Langfield, founder of Northville Laboratories, encouraged formation of a high school band in 1927 after seeing a band perform at a Rotary convention in Denver, Colorado.

His son, C. E. Langfield, has continued his father's tradition and started the drive for new band uniforms last year with a \$5,000 contribution.

Wednesday's concert will be presented in the high school auditorium at 8 p.m. There will be no admission charge.

The following evening the junior high school band and art department will present a combination art festival and band concert at the Community building. The art exhibit will begin at 7 p.m. with the concert under the direction of Conductor Williams at 7:30 p.m.

Robert and Thomas Stoddard

She Heads Methodist State Society

A Northville woman was elected last week to head the Detroit Conference of the Women's Society of Christian Service of the Methodist church.

The conference includes half of lower Michigan and the entire upper peninsula.

Elected at the annual meeting in Caro was Mrs. Louise Cansfield of 404 West Dunlap street. The meeting in Caro was attended by 1400 women from societies throughout the state.

Mrs. Cansfield, a former publisher of The Northville Record, is a past president of the Northville Methodist church society and the Ann Arbor district. She has been a member of the Detroit Conference board of directors as secretary of promotion for the past four years.

The Detroit Conference includes 509 separate church societies.

Man Found Dead in Park

Robert E. Ronk, 49, of 9095 Elmhurst, Plymouth, was dead on arrival at Community General hospital Saturday.

He was rushed to the hospital by the Ebert ambulance after two boys found him slumped on a bench in Cass Benton park.

State police at the Redford post said no report had been received on the cause of death.

Mr. Ronk was buried at Parkview Memorial cemetery Tuesday following services conducted from Schrader Funeral home, Plymouth.

Survivors include Mr. Ronk's wife, Sheila A.; stepmother, Mrs. Virginia Ronk, Alma; two sisters, Mrs. Georgia Belle Barrett, San Francisco, California, Mrs. Betty Jane Defts, Alma; and a brother, Cecil W. Ronk, Plymouth.

Official Memorial church services will be conducted this Sunday at the 12:00 noon mass of Our Lady of Victory church. Each year these services are held at a different Northville church and veterans of all local organizations attend together being seated in a reserved section.

about WOMEN

FRONT ROW, CENTER — Mrs. Dempsey Ebert, Mrs. Robert Beerbower, Mrs. Richard Endress and Mrs. J. Bradley MacKim (l. to r.) along with other Northville-Plymouth branch members of the American Association of University Women have plenty of tickets for the association's Listening Post lecture series that starts in the fall. The university women picked up their tickets last Thursday night at the AAUW's annual achievement night dinner. Listening Post lectures — compiled with the help of the Detroit Adventure cultural enterprise — open October 5 with sculptor Walter Mideuer's talk "The Creative Artist in American Life". Guest lecturers on January 31 are Professor and Mrs. Fred Dohrs of Wayne State university. Their topic is "An American Scientist in the Soviet Union: Observations of the Soviets' Use of Their Land". Capping the series on March 6 is a talk — speaker not yet named — on international relations probably by experts in African and Cuban affairs. The ticket charge is \$4 for the three lectures.

News Around Northville

Mrs. Samuel Geraci of Tavares, Florida, a former resident of Northville, will enter Mayo Brothers clinic in Minneapolis, Minnesota the first week of June.

Josephine (Mrs. George) Bernard's 47115 Grasmere road home had all the romantic trappings of a South Seas paradise May 8 when Mrs. Bernard played host to a gala luau for the Y-Wives of Country Homes, Livonia.

Guests Mrs. Audrey Brandon, Mrs. Marie Harris, Mrs. Pauline Ackerman, Mrs. Lorraine Hewitt, Mrs. Elsie Burrell, Miss Beulah Clark and Mrs. Lorry Rufus and her guest, Mrs. Kathryn Brandenburg of Big Rapids, were greeted at the door in true Hawaiian fashion by Mrs. Joyce Burrows.

In keeping with the theme, the women arrived wearing muu muus, hula skirts, hola muus and sarongs.

Mrs. Laurence A. Masselink, 47230 West Seven Mile road, entertained the Grandmont Book club, composed of a group of her Detroit friends, Wednesday afternoon.

Mr. and Mrs. Jackie Stark of Denver, Colorado are spending two weeks with their aunt and uncle, Mr. and Mrs. Jim Spagnuolo, 113 East Main, enroute to Arlington Heights, Illinois.

There are two proud parents at the Ralph Gallagher residence, 549 West Dunlap. Mr.

and Mrs. Gallagher are bursting their buttons about daughter Eileen's latest accomplishment — she got her wings as a Trans World Airlines hostess April 26.

Eileen, a 1958 Northville high school graduate, earned her wings after five weeks of training at TWA's school in Kansas City, Missouri. Before that she studied a year-and-a-half at Central Michigan university. Eileen starts out as a hostess on domestic flights and plans to sign up for jet reserve. She's based in New York and is living in an apartment on Long Island.

Mrs. James F. Green brought something better than souvenirs back from her six-months stay in Florida. The Greens, who live at 126 East Cady, returned from Delray Beach May 7.

Mrs. Green, who has been painting with the Briny Breezes Art league, not only exhibited some of her work with the Briny Breezes group, but she also took part in the tenth annual exhibition of the Art Guild of Boca Raton, which was held in the Boca Raton hotel.

She received an award at the Briny Breezes show for her oil "The Ramp" and sold "A Study in Greens" at the Boca Raton exhibition.

Northville Review club is meeting this week on Friday afternoon at 1 p.m. instead of today. The women will meet at Mrs. Waldo Johnson's home, 22047 Novi road, with Mrs. L.

M. Eaton slated to give the review.

Several Northville women have been driving to Ann Arbor Thursday afternoons lately to take in Ann Arbor Drama Season plays at Lydia Mendelsohn theatre in the University of Michigan Woman's League building.

Among those attending the Thursday performances are: the Mesdames L. M. Eaton, John Miller, Maxwell Austin, Joseph Plunkett, Clifford Parker, C. Harold Bloom, Ivan Ely, Chuck Ely, Wilbur Johnston, William Milne, George Kohls, Don Lawrence, Donald Hannabarger, William Cheatham and Miss Grace Gillespie.

Mothers of Mrs. Florence Schermerhorn's present and former kindergarteners feted the Amerman school teacher Tuesday, May 16 at a tea in her honor.

More than 100 Moms, looking for "some way to say thank you" to Mrs. Schermerhorn, who is leaving the school system next month, were at the tea. This year's room mothers sparked the project and got an overwhelming response to their idea from other mothers whose children had been in Mrs. Schermerhorn's kindergarten classes.

Pouring at the tea were Mrs. Louva Waterman, Mrs. Ruth Breyfogle, Mrs. Richard Kay and Miss Grace Pollock.

Mrs. Schermerhorn lives in Ann Arbor and has taught in Northville the past four years.

UNITED FOUNDATION TEA — Mrs. Earl R. Fiene's 20051 Springwood drive home was the scene of the United Foundation Women's organization tea held last week. Discussing the services of the Rehabilitation Institute with its executive director, Dr. Joseph N. Schaeffer, are (l. to r.) Mrs. Daniel R. Brown, 20120 Whipple drive; Mrs. Harvey Whipple (standing), 46280 West Main; and Mrs. Dean Lenheiser, 45095 Mayo court.

Through Torch Drive

Handicapped Get Help

Mrs. Earl R. Fiene opened her home at 20051 Springwood drive last week to some 25 Torch Drive and community leaders from Northville, Livonia and Nankin township.

As part of a tri-county public relations and educational program sponsored by the United Foundation Women's Organization, Mrs. Fiene was one of 37 hostesses opening their homes for the UFWO during the month of May.

Mrs. Fiene's guest of honor and speaker for the afternoon's program was Dr. Joseph N. Schaeffer, executive director of the Rehabilitation Institute.

The Rehabilitation Institute, which conducts a complete and comprehensive program for the rehabilitation of handicapped persons, is one of the 195 services supported by Torch Drive Funds.

Dr. Schaeffer told the group that during 1960, 2,233 patients were treated at the institute.

"We have a professional staff of 95 registered and practical nurses, occupational therapists and doctors administering to a bed capacity of 87 in-patients and hundreds of out-patients. These people range in age from two to 90, and have been crippled or paralyzed by accidents, disease and birth. Some are amputees. Some are deaf. Whatever their physical handicap, our job is always to rehabilitate them and make them self sufficient to the maximum degree of their affliction," Dr. Schaeffer said.

All fees charged at the Rehabilitation Institute are based strictly on the patient's ability to pay. "It is an obvious fact

Selecting a Diamond

Four C's Tell the Story

Color, clarity, cut and carat are the four "C's" to use in selecting a diamond. These determine diamond quality and cost, says Cecilia Roach, instructor of related arts at Michigan State university.

Diamonds are found in a variety of colors ranging from pure white to black. A colorless or pure white diamond is the preferred stone. A bluish cast is also popular. A yellowish cast indicates a diamond of inferior quality.

When viewed under a 10 power jeweler's loop — a high-power magnifying glass — the diamond with no visible defects or marks is considered flawless. Many diamonds that appear flawless to the human

eye may actually have defects when viewed under a loop.

Diamonds are available in a variety of cuts including pear, marquise, square, emerald, rose and brilliant. The diamond should be cut with the proper proportion above the girdle, which is the portion of setting that holds the stone in place. Too much or too little stone above the girdle reduces light reflection.

Carat size chosen depends on personal preference and the amount of money available to spend on a diamond. A full carat is one hundred points; one-half carat is 50 points. The price of a diamond does not increase in proportion to its size. A two-carat diamond will cost more than twice as much as a one-carat diamond of the same quality. This is because a large diamond is rarer than a small one.

Woman Educators Attend Convention

Delta Kappa Gamma, international organization for women educators, held its state convention at Kellogg center, East Lansing, May 19-21.

Alpha Nu chapter members from the area who attended were Mrs. Eva Donovan, Mrs. Lucille McKinney, Mrs. Lucille Reeves, Miss Ruth Knapp, Mrs. Ida B. Cooke, Miss Florence Keith and Mrs. Ethel Gracey.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

— Samuel Johnson

THE HAGUE AND ANTWERP — Former Detroiters Arthur and Marilyn Donaldson and children Deborah, 10, and Mark, 8, moved to 592 Reed in January after living in Europe two years. Donaldson's work with Chrysler International took the family overseas.

The Arthur Donaldsons, new-comers living at 592 Reed in the Village Green, are getting back into the swing of life in the U.S.A. after spending two years abroad.

Their sojourn in Europe — a year in The Hague, Holland and a year in Antwerp, Belgium — came as a result of Arthur Donaldson's work with Chrysler International. He's manager of financial analysis of the export division.

Through their stay in Europe wasn't a pleasure trip, they did get in some traveling and sightseeing, said Mrs. Donaldson. They saw a lot of Northern Europe, toured several historic battlefields, and skied in the Swiss Alps, recounted Mrs. Donaldson.

A unique aspect of their so-

jour, she explained, was the children's schooling. "They spent last year in a French school, where they read and spoke French."

This year Deborah's a fourth grader at Amerman school and Mark's in the third grade.

Even Mr. and Mrs. Donaldson grappled with learning a new language.

Mementoes they brought back don't quite fall into the "sou-

venir" category. Instead, they got "all kinds of usable and practical things", noted Mrs. Donaldson, like Scandinavian modern furniture and other European crafts.

Arthur Donaldson, a University of Detroit graduate, fits in reading, bowling, golfing and other sports when there's a little time to spare. His wife, who studied at Michigan State university one year, does "a little bit of everything".

Kitchen Diary

Meals Move Outdoors

It's that time of the year — rather, it will be as soon as the weather warms up for more than two days at a time — when meals move outdoors.

right along with garden tools, golf clubs and Monday morning's wash.

The kitchen table takes a backseat to the picnic table and the entertaining accent turns from three-course dinners to backyard barbecues and pot-luck picnics.

To avoid becoming hotdog or hamburger-weary too early in the season, Mrs. A. Donald Postma, 23859 Woodham, has a recipe for a ham loaf that can be whisked outdoors for a week-night supper. The ham loaf, together with the savory sauce that goes with it, is a meat main dish that preserves the

idea of informality while freeing the chef from stoking the barbecue or smoking out the neighbors.

To keep dessert simple, as well, what's easier than a dish of ice cream coupled with peanut butter cookies, like Mrs. Postma makes them.

HAM LOAF

Mrs. A. Donald Postma

2 lbs. ground ham (cottage ham is okay)

1½ lbs. ground fresh pork

½ lb. veal or beef

Have butcher grind these together.

2 eggs

1 cup cracker crumbs

1 can condensed tomato soup

½ can milk or water

Mix all ingredients together well; form into loaf and bake two hours or more at 350 degrees. While baking, pour frequently — a little at a time — the following mixture over the ham loaf:

½ cup brown sugar

¼ cup vinegar

1 t. dry mustard

Serve with this sauce:

1 medium-size can applesauce

1 small bottle horseradish

½ pt. cream, whipped

PEANUT BUTTER COOKIES

1 cup brown sugar

1 cup white sugar

1 cup peanut butter

2 eggs

1 t. vanilla

¼ t. salt

3 cups flour (enriched, unbleached)

Mix all ingredients together well. Roll in balls the size of small walnuts. Place on greased cookie sheet and mash flat with prongs of a large fork or potato masher. Bake at 375 degrees till brown.

Modern Art? It's a Search For Meaning

Modern art is not easy. It is not play. Anything produced by worms crawling through paint, splashed on by monkeys, or by the tails of donkeys may be modern, it may seem abstract, but it is not art.

Modern art is the conscious expression of sensitive individuals much concerned with the ills or deeply appreciative of the beauties of our world. The keen insight of the artist and his more concentrated observation of everyday subject matter or of abstract ideas make him a recorder of our time, aware of evolving conditions, or prophetic of changes yet to come.

Jackson Pollock, for instance, when he tired of academic illustration, expressed the restlessness of our post-war era with the dribble and splash of his action-school of painting. His work seems to forecast by 20 years the outer-space views only recently achieved by astronauts.

The modern painter is not concerned with decoration only. He goes deeper than surface beauty to present the essential meaning behind a rose, a lonely house, a stormy sky. He may paint these in purely abstract forms, the meaning or mood only, or he may paint super-real images, the subject and the meaning.

This, according to former Northville high school art teacher John VanHaren, now teaching at Eastern Michigan university, is a partial answer to the puzzling question, "What is Modern Art?"

VanHaren gave his talk earlier this month at the Three Cities Art club's third annual lecture in art held at Dunning-Hough library in Plymouth.

A film by Tom McClure, noted sculptor in welded metal, pointing out the approach to expression by one modern artist, preceded the discussion.

Several paintings now at the Dunning-Hough Library in Plymouth by members of the Three Cities Art club express the view of the abstract artist. Katherine Hartley's water-color and gold paint on linen is her impression of the excitement, the beauty and the danger of the severe ice-storm she experienced on her way to Northville from Ann Arbor this past winter. Her "Cold Superior" expresses the intense chill of Lake Superior ice. Hal Stein's black and white canvas uses a Medieval motif and atmosphere to symbolize man's fumbling search for spiritual values. Another canvas in oil suggests the contrast in fundamental, unchanging values symbolized by the clear, impervious sky and the temporary nature of man's achievements which change.

This exhibit, arranged by Mrs. Sam Hudson will be on view at the library for the next two months.

Dr. Maurice Sullivan was the guest of his aunt, Mrs. Charles Ware last week. Dr. Sullivan is with General Electric in Richland, Washington, and leaves this week for one year's teaching and research at Oxford university, England.

On Tuesday, May 23 Father Raymond Jones was in Detroit where he was honored with a group of his ordination class which took place 25 years ago.

A special mass was offered for them by one of their classmates, Bishop John Donovan, and they were served dinner at the Blessed Sacrament auditorium. Archbishop John F. Deardon preached the sermon.

Father Wittsock of Northville is also a member of this class. Father Jones will be honored at St. Williams on June 4 and 5.

On Monday evening, May 22 Mrs. Charles Ware attended the 33rd reunion of the 1928 nursing class of Harper hospital at Harper Hospital and they were entertained for one hour by Miss Nina Parker R.N. who has just returned from a 26,000 mile trip around the world. Miss Parker attended the world congress of nursing education in Australia then toured Japan, Hong Kong, Singapore, India, Egypt, Italy, France and England.

Dr. Maurice Sullivan was the guest of his aunt, Mrs. Charles Ware last week. Dr. Sullivan is with General Electric in Richland, Washington, and leaves this week for one year's teaching and research at Oxford university, England.

Other Northville Optimists who attended the Saturday meeting were William Kelly, Boyd Armstrong and Dempsey Elbert.

Kohs served as president of the local Optimist club last year and has always been active in the promotion of the club's youth activities. He also has served as general chairman of the Optimist Rodeo.

Urges Attendance At 'Question 7'

St. Paul's Evangelical Lutheran church is joining other Lutheran churches of the metropolitan area in showing the new motion picture "Question 7" at the Madison theatre, Madison avenue at Woodward on Grand Circus Park, beginning Friday, May 26.

"Question 7" is a motion picture depicting the struggle between Communism and Christianity in East Germany. In a gripping way it tells of the hardships and decisions of those behind the Iron Curtain. It is the story of a Christian pastor and his family. Specifically, it is the story of the musically-talented son — a boy, who, if he followed the 'party line' would be given whatever the communist system has to confer. But — here is the point upon which the whole picture hinges — if he follows his Christian convictions, his musical education abruptly comes to a halt; in fact, his entire life — at least his useful life — is in jeopardy.

'500' Pace Car Built at Wixom

BUILT AT WIXOM — This gold-finished 1961 Thunderbird will be the official pace car for this year's running of the 500 Memorial Day classic at Indianapolis. Altogether, some 60 Wixom-built Birds are at Indianapolis for festivities before and

during the race. At the driver's seat is Vigil Kallansa, car merchandising manager, Ford division sales office, and modeling is Sue Miller of the Ford Indianapolis plant's security communications and safety section.

Good Housekeeping Prevents Accidents

Spring housecleaning and refurbishing call for particular care to prevent home accidents, Dr. Joseph G. Molner, county health commissioner, states.

Dr. Molner draws attention to last year's improved record of reduction of fatal home accidents and asks that every individual and family try to continue this improvement.

In 1960 falls led all other causes of fatal home accidents. Next highest was from poisonings, including poisonings by gases and vapors and the third highest was due to fires and explosions.

Dr. Molner says prevention of home accidents must be the primary responsibility of the individual and his family. Family members are the only ones who can look critically at all of the safe practices and conditions in the home for the purpose of making them more safe.

During the spring cleanup of house and yard, give particular attention to the use of sharp tools and potentially dangerous cleaning materials. These include bleaches, cleaning fluids and anything else that could be poisonous to young children if swallowed.

Good housekeeping can help to save lives. Make sure that balls, roller skates, wagons and empty bottles are not left on the stairways or in other places where they may create a hazard. Keep brooms, mops and other articles off the steps to prevent tripping.

Take care so that your small rugs will not slip and if necessary use rubber pads and other devices to keep rugs from slipping. Arrange furniture so that foot stools and light cords will not cause falls.

Make sure floors are not so highly polished that they are dangerously slippery. Clean up all spilled water and oily liquids immediately.

If you are working above your head, use either a sturdy stepstool or ladder rather than an insecure substitute. Use only ladders with a good safety base.

Have a light switch at the door of each room so as you enter there will be sufficient light to prevent tripping and falling.

You may avoid falls if the bathtub has a rubber mat at the bottom and a hand rail on the wall. This is particularly essential for older persons.

Minutes of Northville City Council Meeting

A regular meeting of the Northville City Council was held at the city hall Monday evening, May 22, 1961 at 8:00 p.m. Present: Mayor Allen, Councilmen Ambler, Canterbury, Carlson and Juday.

Minutes of last regular meeting were read and approved, after one correction.

Bills amounting to \$9,634.22 from the General Fund and \$3,282.91 from the Water Fund were presented for payment. Moved by Carlson, supported by Canterbury, these bills be allowed and paid. Carried.

Under communications from citizens, William Bingley, 101 E. Base Line, again brought to the attention of the Council the speeding which is taking place on North Center street where it approaches Base Line road. had been taken by the Chief of Police to correct this situation and the county has also been requested to correct this situation. The problem concerns both the city and the residents of that area, and will be studied to arrive at a solution.

Chief King was instructed to put up a "Stop" sign right away, until such time as some other solution is reached.

Attention was called to the signs placed by Eastlawn Convalescent Home and St. Paul's Lutheran church on Walnut street where it enters into North Center, which are placed so they obstruct the view of oncoming traffic from the north. Chief of Police was instructed to investigate this situation.

Public hearing was held on resolution of necessity on sidewalks. A number of residents who had been notified that the city was considering installing sidewalks adjacent to their property, were present to protest the need of such installation. After hearing from those present, Mayor Allen stated the public hearing would be adjourned until the next regular meeting of the Council which will be held June 5, 1961.

The first item of old business was to appoint a new member to the Planning Commission to replace Richard W. Ambler, who was elected to the City Council. Moved by Allen, supported by Juday, that E. K. Cook, of 118 Ely drive, be appointed to fill this vacancy. Carried.

Charles Ely, representing the Junior Chamber of Commerce, informed the Council that this organization was sponsoring a Horse show to be held in August, and they wanted to donate 25% of their proceeds to the Youth and Recreation Center which the city is planning to replace the Scout building. They will deposit their donation in the bank account designated for such a building. Mgr. Robertson was instructed to write the Junior Chamber of Commerce expressing the City Council's appreciation of the forward looking step they are taking.

It was moved by Ambler, supported by Canterbury, that the request of the Plymouth Merchants' Assn. that they be permitted to go through the residential area of the City of Northville with a sound truck to advertise their "Midnight Madness Sale" be denied. Carried.

Mgr. Robertson was given authority to use his discretion regarding allowing the use of sound trucks in specific instances where he feels it should be done.

Because of the illness of Gil W. Glasson, who will be unable to work for an indefinite period

OVERDOORS & OPERATORS INSTALLED & SERVICED BY

OVERDOORS OF NOVI

GR-4-9100 40391 Grand River

of time, it is necessary to appoint a constable to take his place. The City Charter states the constable must be a police officer. After much discussion, it was moved by Juday, supported by Carlson, that due to the illness of Gil W. Glasson he is hereby relieved of his duties as constable for the City of Northville, and it is further moved that Eugene King, Frank Heintz and Leonard Mazuchowski be appointed as constables for the city. Carried.

Mgr. Robertson presented drawings made by John C. Miller for the landscaping of Ely Court. He recommended that the city expend \$50 for shrubbery, etc. in this Court, and it was moved by Allen, supported by Ambler, that this recommendation be accepted. Carried.

Mgr. Robertson reported that he feels when the Kroger store is in operation it might not be advisable to allow parking in front of the apartment houses on Hutton street which are located adjacent to Rayson street and that the owners should be notified so they can make other arrangements for parking. A letter will be written to these property owners regarding this matter.

There being no further business to come before the meeting, same was adjourned at 11:30 p.m.

Signed Mary Alexander, City Clerk

Officers Meet

The Wixom Lincoln plant will be the scene of the Oakland County Law Enforcement Association's May meeting next Wednesday night. Dinner will be served at 6:45 p.m.

Glenn Deibert, chief of the Lincoln plant security, will speak to the officers on industrial security.

Hosts for the night will be the Wixom police department and the Lincoln plant.

Public Hearing on the proposed budget is scheduled for 8 P.M. Thursday, June 1, 1961 at the Northville City Hall.

Mary Alexander, City Clerk

Official Minutes of the Novi Board of Education

The regular meeting of the board of education was called to order by the president, Mr. Heslip, at 8:07 p.m. on Wednesday, May 10, 1961.

Present were Mr. Heslip, Mr. Erwin, Mr. Taylor, Dr. Ambinder, Mr. MacBride and Dr. Medlyn, also a number of teachers and members of the community. Absent, none.

The minutes of previous regular and special meetings were reviewed. The minutes of April 12, 1961 were corrected as follows: On the motion of Mr. Taylor pertaining to the salary schedule, the votes of Dr. Ambinder and Mr. MacBride are to be corrected to "Yes". The minutes of April 12, 1961 were then approved as corrected; the minutes of April 19 and April 26 were approved as presented.

The treasurer's report of fund balances, which was approved as presented, was as follows: General Fund \$71,019.36; Lunch Fund, \$7,732.50; Payroll Fund, \$434.50; 1957 Building and Site Fund, \$157,374.41; 1955 Debt Retirement Fund \$17,517.91; 1957 Debt Retirement Fund \$5,909.68; 1958 Debt Retirement Fund \$1,175.81.

Appointees to the Junior high school building committee were made by Mr. Taylor and Mr. Heslip. Mr. Taylor appointed James D. Mitchell; Mr. Heslip appointed Dorothy Snow and Herbert Dryer. Dr. Medlyn reported that all the teachers of the Junior high school were to function on the committee in their specific areas of teaching. The board asked, however, for two people to work regularly on the committee: these people were to be Gail Perkins and Rella Bowers.

Dr. Medlyn reported that he had met with Mr. Charles W. Lane of Charles W. Lane Associates, Architects, and Mr. Fordon of the F. W. Fordon Company earlier that day in regard to a settlement on the tile field. Mr. Lane, who was present, submitted to the board a letter from the F. W. Fordon Co., and signed by Mr. F. W. Fordon, in which the company agreed (1) to re-install the tile field as initially called for in the original plans and specifications and covered by their contract, or (2) construct another tile field to allow for proper displacement of the effluent, if the present tile field should fail prior to Jan. 1, 1965.

Also presented to the board was a companion letter from the architect, in which the architect agreed to provide such professional services as are within the scope of their original contract, should the tile field fail prior to January 1, 1965.

Two change orders were presented. No. 3 allowed the school district a deduction from the amount owed F. W. Fordon Co. for the engineering services of McNamee, Porter and Seeley in the amount of \$889.10. Change order No. 4 allowed the board credit of \$398.47 for glass breakage in the multi-purpose room which occurred during the first year of the building and was apparently due to defective glass.

Credit for deficiency in the blacktopping by Stolaruk had been given in change order No. 2. It was moved by Mr. Erwin, and seconded by Mr. Taylor, that change orders No. 3 and No. 4 be accepted. The motion carried.

It was moved by Mr. Erwin, and supported by Mr. Taylor, that the board accept Mr. Fordon's letter of guarantee up to January 1, 1965. Motion carried.

It was moved by Mr. Erwin, and supported by Mr. Taylor, to accept the final certificate of payment for the F. W. Fordon Company. Motion carried.

Mr. Erwin moved and Mr. Taylor supported a motion to make a final payment of \$2166.21 to the architectural firm, Chas. W. Lane Associates. The motion carried.

Dr. Medlyn reported to the board that he had three persons interested in the teaching position for the summer remedial reading program. He expected to interview for the position next week. It was hoped that the person hired would assist in the screening of the students. The cost was approximately \$750 to \$800.

Seeding of the bank on the east side of the Orchard Hills property was discussed. Dr. Medlyn is to determine what the price of bulldozing would be. The area is to be made ready for seeding.

Results of the school-wide testing program were reviewed with the board by Dr. Medlyn and Miss Gloria Soulliere, the counselor. Data sheets had been prepared showing the results for each grade, and the number of children tested who ranked below grade level.

Miss Soulliere stated that she felt the children who had no disability or emotional problem did very well, though she felt that no real trends would be known until the testing had been carried on for a time until about 1965.

Mr. MacBride questioned the procedure following discovery of a child not working up to grade level, but whose intelligence shows they should be doing better work. These children are further tested, sometimes referred to Hawthorn Center or to Oakland County. The counselor is limited by time in what can be done for these children.

Mr. MacBride asked how much time is really needed for evaluation and counseling for 65 children testing below grade level and the work with the junior high group. Miss Soulliere is to give an answer to this question at a later meeting.

Further discussion of the testing reports was tabled until the board had time to study them.

Miss Soulliere was asked to return for the next regular meeting to be available to answer questions.

It was moved by Dr. Ambinder, and seconded by Mr. MacBride, to give Miss Soulliere a vote of thanks for the fine work done on the testing program. The motion carried.

Dr. Medlyn reported on the work being done on the curriculum by Mrs. McCandles of Eastern Michigan university and by Dr. Stone of Wayne State University together with the teachers. At the request of Dr. Stone and the curriculum committee working with him, Dr. Medlyn asked the board for a full day without classes in which the teachers might work on the curriculum.

It was moved by Mr. Erwin, and seconded by Mr. MacBride, that the staff be allowed a day for curriculum day and that school not be called for Monday, May 15. The motion carried.

Mr. MacBride suggested that work on the curriculum be carried on next year on a regular basis. Dr. Medlyn recommended to the board that Dr. Stone be employed for two full days each week of the next school year on an arrangement with Wayne State university. He estimated that the cost might be \$3600 to \$4000 for the year.

It was moved by Mr. MacBride, and supported by Mr. Erwin, that the district employ a curriculum consultant on a two-day per week basis, and authorize the superintendent to negotiate with Dr. Stone and see what the program would cost. Motion carried.

It was recommended by Dr. Medlyn that the auditing firm of Janz and Knight be retained as auditor. It was moved by Mr. Erwin, seconded by Mr. Taylor, that the board hire Janz and Knight as auditors. Motion carried.

It was announced that the annual School Fair would be held on the following Friday, May 12.

Dr. Medlyn asked that the board notice the lighting fixtures that are installed in the Novi Kindergarten room on a trial basis, since it would soon be necessary to make a decision on the type of fixture to be bought for the rooms of the annex and the 1928 building. The present wiring was to be retained; it had been determined that the problem in the annex had been caused by heat from 1000 watt bulbs that had been used in an effort to provide adequate light.

Dr. Medlyn presented the resolution for a tax anticipation note of \$55,000, a copy of which is on file in the board office. The note is to be dated June 1, 1961, and to mature April 1, 1962, and to bear an interest rate no greater than 4%.

The resolution was offered by Mr. Erwin and supported by Mr. Taylor. Ayes, all members; nays, none. The resolution carried.

Dr. Ambinder called attention to three aspects of the Novi School, for which he asked that Dr. Medlyn submit plans for improvement at the next meeting. The three items mentioned were the physical condition of the Novi building; the inadequacy of the Novi School library, particularly as to shelving and furniture; and the facilities of the cafeteria, in regard to equipment which would reduce handling of food and dishes, such as an automatic dishwasher and a steam table.

The superintendent was directed to check the Novi School to see what could be done.

Mr. MacBride questioned Dr. Medlyn about the physical education program for the junior high school. Dr. Medlyn stated there was a need for personnel for both boys and girls physical education. Dr. Ambinder felt the present program was discriminatory in that it favored the student who was already athletic.

It was moved by Mr. MacBride and seconded by Dr. Ambinder, that a questionnaire be designed for submission to parents regarding our students' performance in Northville; this questionnaire is to be approved by the board before use. (It was to be under the supervision of Miss Soulliere). The motion carried.

It was moved by Mr. Taylor, and seconded by Mr. Erwin, that, to avoid the yearly borrowing of money, a six mill increase be submitted to the people at the annual election on June 12, for operational expenses and to extend over a five year period; a copy of the resolution is on file in the office of the board of education.

It was moved by Dr. Ambinder, supported by Mr. MacBride, that the motion be tabled. The motion to table failed.

The vote on the motion was as follows: Ambinder, no; Erwin, yes; MacBride, no; Taylor, yes; Heslip, yes. The motion carried.

It was moved by Dr. Ambinder and seconded by Mr. MacBride, that, whereas the Novi Community School District has been unable to promulgate a reasonable and defensible program of improvement, and whereas the people of Novi and the board have no knowledge of how the money shall be spent, or what the needs of the schools are, and whereas it is likely that if a millage increase is passed, it will not necessarily benefit the schools, be it resolved that the people of Novi be urged to vote "No" on a millage increase until such time as a program can be promulgated which will meet the needs of the community.

Mr. Heslip as chairman ruled the motion out of order. To this ruling Dr. Ambinder objected.

It was moved by Mr. Erwin and seconded by Mr. Taylor, that the motion be tabled. The motion to table carried.

Mr. Heslip asked that the motion of Dr. Ambinder be stricken from the record.

It was moved by Dr. Ambinder and supported by Mr. MacBride, that the Novi Community School District sponsor an open meeting in order to debate and air the issues arising from the proposed millage increase, and that the public be invited to attend and ask questions. The motion carried.

In regard to election officials, it was moved by Mr. MacBride, and supported by Dr. Ambinder that the board members each nominate one official. Motion carried.

It was moved by Mr. MacBride and seconded by Dr. Ambinder, that the current bills be paid. Motion carried. The bills were as follows:

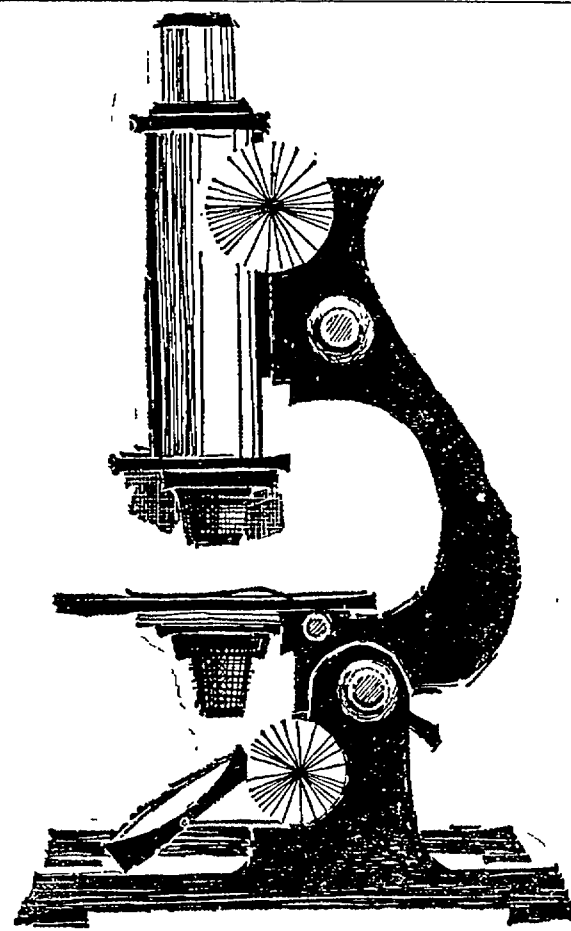

General fund bills, \$3,313.20; Lunch fund bills \$1073.39; Building and site fund bills, \$13,762.30; 1957 Debt Retirement fund \$27,498.75; and 1958 Debt Retirement fund \$9,709.75.

The meeting was adjourned at 11:00 p.m.

Respectfully submitted, Russell Taylor, Secretary

JP's a Delegate

Justice of the Peace Robert K. Anderson was a convention delegate from the Willowbrook E. U. B. community church for three days last week in Blissfield, Michigan.

MICHIGAN IS RESEARCH

Research and industrial progress go together like sales and profits.

Michigan knows this. As a result Michigan college and university research facilities are at the service of industry. They have research contracts amounting to over 20 million dollars a year distributed over 40 research areas.

Research is the key to new and improved products. Michigan's outstanding position in research is one of the reasons this state is a great place for industry to locate and to grow.

MICHIGAN IS EVERYTHING FOR INDUSTRY

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

Michigan's public and private research laboratories are among the most advanced in the world for both basic and applied research. There are more than 200 industrial research laboratories in 71 Michigan cities available and at work for industry.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your comment. Let's talk up Michigan and its advantages for industry. Together we can assure a greater future for all of us.

Mission Night at St. Paul's Church

MISSION NIGHT DISPLAYS — These displays (above and below) were a part of the presentations at St. Paul's Lutheran church Mission Nights, last Sunday and Monday. Above is shown a display of items returned from Mexico by the Reverend B. J. Pankow. Below is a model of a Lutheran hospital in Eket, Nigeria. The model was constructed by students of the upper grades of the Lutheran school. The Mission Nights were planned by the stewardship and evangelism committees of the church to inform people of the missionary work carried on by the Missouri Synod of the Lutheran church. Theme of the program was "Like a Mighty Army, You and Your Church".

Charles Trickey, Jr. Heads Lenawee GOP

Charles Trickey, Jr., a former Novi resident and once treasurer of Novi township, was recently elected chairman of the Lenawee County Republican organization.

Trickey now resides in Tecumseh and has been active in GOP affairs here. He was county head of the Paul Bagwell for governor campaign for Lenawee county.

His father is currently Novi village treasurer.

READERS SPEAK:

An Answer To 'Curious'

To the Editor:

Whoever wrote the letter about books for the Novi School Libraries and signed his name "Curious" has evidently never been sufficiently "curious" to visit either the school or public library.

A cursory glance at either would clearly show that both libraries are woefully inadequate and come nowhere near even minimal standards set by responsible library authorities.

The books discarded by St. John's Seminary and donated to the Public library were sorted by the Michigan State Library Consultant who is eminently qualified to determine which books are worth keeping. Those books that were of any possible use to a public library were retained. What "Curious" refers to as "saintly" books were actually outdated Greek grammars. For which citizens of Novi were these intended?

With regards to the quip about movie stars, I think "Curious" would be hard pressed to find such a book at the Novi Public Library. I just checked the bibliography shelves and found the occasional "movie star" book literally surrounded by the lives of Ghandi, Pasteur and Lincoln. What public library had "Curious" visited?

"If 'Curious' or any other citizen is sincerely interested in library development in Novi he may feel free to discuss these matters with me or any member of the Novi Library Board.

Sincerely,
Skip Rosenthal,
Novi Library Consultant

Retriever Club Has Spring Dog Tryouts

Wolverine Retriever Club held its spring licensed trial at the Highland recreation area over the past weekend.

Approximately 250 people from New York, Illinois, Wisconsin, Michigan and Canada were in attendance. Ducks and pheasants for the trials were supplied by Mr. and Mrs. Bert Bowen and family, of 23849 Forest Park.

Parties interested in the retriever club are asked to contact the Bownes by calling FI 9-1503.

ARTS FESTIVAL FARE — Part of tonight's "Festival of the Arts" open house at the high school — held in conjunction with the P-TA's regular monthly meeting — will be a style show spotlighting fashions created by high school seamstresses. A sample of the girls' work, the dress modeled by Carol Lamm (right), gets a last minute look from classmate Brenda Bartski. The open house starts at 7:15 p.m. to be followed by installation of P-TA officers for 1961-62 and a brief concert and style show.

2 Local Collegians In Pushcart '500'

Two area collegians participated in Michigan State's annual 500 race sponsored by Lambda Chi Alpha last Saturday.

They were Gary Wakenhut, of 22351 Connemara, a junior and radio-TV major, and Roger Cheeseman, of 42801 11 Mile road, a sophomore in electrical engineering.

Wakenhut was a runner and Cheeseman, a comptroller. The race is an annual pushcart version of the famous Memorial Day Indianapolis 500 classic.

Peter DePaulo, the first man to exceed 100 miles per hour on balloon tires in the Indianapolis race, was the honored guest. The event also featured its queen, Gov. Swainson and other officials.

Each living unit on campus entered a cart that races through campus pushed by five men in relay fashion.

Everybody and Dog Turn Out for Clinic

As the old saying goes, everybody and his dog turned out Saturday. The occasion was the Novi Dog Clinic, put on by the Oakland County Animal Welfare division in the fire hall.

Over 400 dogs were vaccinated and licenses issued in the three hours for the clinic. House-to-house canvassing by the county gave rise to the turnout, called the biggest for a clinic in Novi.

Local police are relieved to get the dogs protected with the summer months approaching. The county will make a spot check of shots

against their record of violations and warrants will "probably" be issued against offenders.

Shots and licenses can be obtained from any veterinarian.

Register!

Kindergarten registration for the Novi School District continues for the rest of this week and next in both Novi and Orchard Hills schools from 9 a.m. to 4 p.m. daily. Parents are reminded to bring a birth certificate of their child with them.

DEADLINE - NOON TUESDAY

1-Card of Thanks

I wish to thank the Novi Rebeah Lodge, Wmoma Club, special thanks to Mr. and Mrs. George Carl, Dr. Snow and the nurses at Community General, my many friends and relatives for the many flowers and cards and the kindness shown me during my stay in the hospital.

Mrs. George Hicks

I want to thank all my friends for their cards, flowers and gifts and those who called while in the hospital and since my return home. Also to Dr. Handorf and staff at Annapolis hospital.

Mrs. Ethelwyn Mulpot

Novi Fire Dept. - I deeply appreciate your splendid effort and success in handling the fire which occurred early this spring on Walled Lake front, and which resulted in no damage to my home next door, a fact that is almost unbelievable, due to the close proximity of the two homes. Being in Florida for the winter, and my home on the lake closed, I doubly appreciate finding my home intact upon my return this week. Also I wish to thank the Novi Police Dept., who looked in upon my place in my absence, and also helped during the fire. It is good to know that our community has such dependable, responsible forces working for the public interests, even in our absence.

Olga F. Baltzell

A Jet Grandmother

SHE FLIES BY JET — The 98-year-old grandmother of Mrs. Fred Casterline, Mrs. Sophie Huegel, flew in by jet from Los Angeles last week to visit at the Fred Casterline home on Dunlap street. Here she is shown with the Casterline's son, Butch, who is the oldest of her 13 great-grandchildren. Mrs. Huegel has five children and 12 grandchildren. The charming lady, who speaks a mixture of German and English, lived in California the past five years. Previous to that, she resided for three years in Plymouth. Her new address will be in Farwell, Michigan at the home of Mrs. Casterline's mother.

"BOB" WILLIAMS

"Dear Grandpa . . . I have an idea for the ideal gift for your high-school graduating grandson or granddaughter! I'm sure you are interested in their future. Call me today for information. No obligation."

Echo Valley
News Briefs

Three girls from Echo Valley were confirmed Sunday. They were Sandra Ronk, Suzanne Ruth Lutz and Gretchen Ann Vahlbusch.

Sandra Ronk, the daughter of Mr. and Mrs. Robert Ronk, of 48251 Rushwood lane, was confirmed at Grace Lutheran church in Redford township.

Guests included Mrs. Beatrice Nagel, her grandmother of Cleveland, Ohio; Mr. and Mrs. R. B. Banwell, grandparents from Detroit, and John Ronk, her brother from Detroit.

Suzanne Ruth Lutz, the daughter of Mr. and Mrs. Darrell W. Lutz, of 23856 Forest Park Drive, was also confirmed at Grace Lutheran church in Redford township.

Guests included her paternal grandparents, Mr. and Mrs. W. L. Lutz, of Tampa, Florida, and her maternal grandparents, Mr. and Mrs. W. P. Hantz, of Coraopolis, Pennsylvania.

Other relatives and friends attending were Mr. and Mrs. O. M. Funke, Mr. and Mrs. W. Lutz, R. D. Hantz, Mr. and Mrs. L. Baughman, Mr. and Mrs. H. C. Malloy, Mr. and Mrs. W. E. Wooten, Mr. and Mrs. R. G. Gall, Mrs. C. G. Good, Mrs. J. B. MacKimm, and Mr. and Mrs. H. F. Thomas.

Gretchen Ann Vahlbusch, daughter of Mr. and Mrs. Edw. Vahlbusch of 48025 Rushwood Lane, was confirmed at St. Paul's Lutheran Church in Northville.

Guests included Mr. and Mrs. Otto Groeger, grandparents from Akron, Ohio; Mrs. Florence Vahlbusch, grandmother from Dearborn, and Mr. and Mrs. John Walton, friends from Redford Township.

Heinz Hoffman, a resident of Echo Valley, passed away May 16 in Detroit. Services were held for him at Verheyden Funeral Home in Detroit last Saturday.

Steve Mihalik, Sr., the father of Steve Mihalik, Jr., of Echo Valley, passed away early Monday morning after a brief illness. Services were held Wednesday in St. Clair Shores.

Obituary

MARY O. CHAPMAN

Mary O. Chapman, 87, widow of the late Reverend Howard R. Chapman, Northville Baptist church pastor from 1939 to 1942, died Tuesday, May 15 in Ann Arbor. Services were held May 18 from Muehlig Funeral chapel, Ann Arbor. The body was cremated. Surviving are two sons, Richard of Boston, Massachusetts, and Dr. Donald H. of Durham, New Hampshire, and a sister, Miss Anna Carr of Ann Arbor. Mrs. Chapman's home was at 911 Sunny-side boulevard, Ann Arbor.

EMILIE BERENDT

Funeral services were conducted from Casterline Funeral home Monday for Emilie Berendt, 87, who died May 19 at Orchard Haven Rest home, Plymouth. The Reverend Melbourn Johnson, First Methodist church, Plymouth, officiated at services held under the auspices of Orient Chapter 77, Order of the Eastern Star. Interment followed at Rural Hill cemetery. Mrs. Berendt had lived with her husband, Herman J. C., who survives her, at 250 Orchard drive since 1927. Two sons, Elmore, Northville; and Lt. Col. Herbert Berendt, Heidelberg, Germany, also survive along with a brother, Charles Theel of Melvindale, and three grandchildren. Mrs. Berendt, the daughter of William and Caroline Theel, was born in Germany on March 5, 1874. She was a member of the First Methodist church, Orient Chapter of the Eastern Star and King's Daughters.

FRANS TEUNISSEN

Frans Teunissen, 67, of 1230 West Lafayette, Detroit, died Sunday at Eastlawn Resthaven where he had been living the past two years. Services were conducted from Ebert Funeral home Tuesday with interment at Brookdale Memorial park.

Suicide
Closes Case

Northville Police Chief Eugene King said he had been notified by the Wayne county sheriff that a Novi man sought by Northville police on a felony charge had been found dead in Plymouth township.

The body of Douglas Finch, 39441 Nine Mile road, was discovered behind a dwelling at 16176 Bradner road.

Sheriff's department bulletin stated Finch had used a Mauser rifle to commit suicide.

For several weeks Northville police had been attempting to apprehend Finch on a complaint from G. E. Miller Sales and Service, 127 Hutton. Finch, charged with larceny by conversion, had transacted an agreement to buy a car from Miller, said King. Under the pretext of trying out the car, he had driven it away, transferred plates from another automobile to it, and never returned to the sales and service.

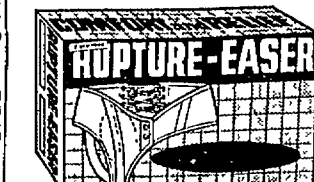

King said the Guernsey dairy, 126 South Center, had been broken into early Wednesday morning. A side door had been forced open, he said. Missing was \$10 in change from the cash drawer. King reported the safe had also been tampered with.

Ashamed of God

Dr. Louis H. Evans tells the story of a Hindu man who asked his American hostess what she thought about Jesus Christ. "We don't talk about that at the dinner table!" The next day he asked a businessman the same question. Embarrassed, the businessman said, "Let's go out on the balcony and talk about this." The Hindu reaction to all this was, "This is the first nation I've been in where people are ashamed of their God". I do not know what organization or what individual is responsible for originating the "taboo on talking religion" but I have a fairly good idea Satan put the idea into his head. Real Christians are urged by Christ to be witnesses to the saving grace of their Saviour. A good Christian is a believer who wants every creature to hear the Gospel. He is not ashamed nor afraid to speak out about the Saviour who has done so much for him. The popular frowning on discussion of one's faith certainly is not of scriptural origin. I have discovered that people who do such frowning are either Atheists at heart or have no religious convictions that are worth discussing. From the pen of David the Psalmist come these words, "Let the Redeemed of the Lord say so!"

We have to have 100 applications to install the charter, says Masters, and we still need a few, Masters noted, so we hope that those who want to become charter members will contact us and submit applications. Applications may be obtained and turned in to Dave Leach at the Oak pharmacy on the corner of Farmington road and Grand River.

The state champion ritual team from Lincoln Park and the drill team from the Dearborn lodge will conduct the enrollment to be followed by the installation of the new officers of the lodge and the installation of the new lodge. The installation of the lodge and officers will be open to the public.

Announce June 11
Moose Installation
L. R. Masters, state membership director for the Loyal Order of Moose, announced today that the new Farmington Moose lodge would be installed Sunday, June 11. The time and place will be announced later.

Masters has been in the Farmington area organizing the Moose lodge and has endeavored to educate the people of this area as to what the Moose will mean to the community. He has distributed literature to every home and shown movies of Mooseheart and Moosehaven. He is now trying to contact everyone who is interested in finding out more about the program of the Moose. Masters may be reached at GR 4-6087 or at the meeting at Marco's restaurant, 38410 Grand River, Thursday, May 25 at 9 p.m.

Anyone interested in finding out about the Moose is invited to this meeting. "We hope they will bring their wives along as this is a family fraternity," said Masters.

We have to have 100 applications to install the charter, says Masters, and we still need a few, Masters noted, so we hope that those who want to become charter members will contact us and submit applications. Applications may be obtained and turned in to Dave Leach at the Oak pharmacy on the corner of Farmington road and Grand River.

The state champion ritual team from Lincoln Park and the drill team from the Dearborn lodge will conduct the enrollment to be followed by the installation of the new officers of the lodge and the installation of the new lodge. The installation of the lodge and officers will be open to the public.

Cars Collide
On 10 Mile

A two-car accident on 10 Mile road near Beck road injuring three persons Sunday noon highlighted a busy weekend for the Novi Police department.

The accident on 10 Mile and Beck involved cars driven by Edward V. Coatsworth, of Detroit, and Barbara Ellen Lenchner, of Huntington Woods.

The Lenchner vehicle was leaving from the east driveway at the Wallace Riding School, at 47430 10 Mile road, and did not see the Coatsworth car approach from the east on 10 Mile. She said a hill obstructed her vision, causing the cars to collide and the Coatsworth vehicle to wind up in the ditch across the road.

Passengers in the Coatsworth car were Mildred E. Coatsworth, Rick E. Coatsworth and Harry T. Varteresian, all of Detroit.

Edward and Rick Coatsworth and Harry Varteresian suffered minor bodily injuries. They were treated by Dr. John Hannifin, of Walled Lake. No citations were issued to either driver.

In another personal injury accident last Thursday afternoon, Henry L. Taschereau, Jr., of Detroit, failed to stop for a stop sign on Nine Mile road at Novi road and struck a car driven by Charles E. Kissling, of Toledo. Carl J. Kissling, also of Toledo, was a passenger in the Kissling car.

Both Kisslings suffered injuries and were taken to the Northville Community hospital. Taschereau was cited by Officer Earl Bailey, who investigated the accident, for failure to yield the right of way.

IT'S POPPY DAY TODAY!

POPPY POSTER ARTISTS — Members of the Northville American Legion and Veterans of Foreign Wars posts and their auxiliaries are selling Poppies today in the business district. The Poppies, made by veterans confined to hospitals, are sold each year to raise funds to support the welfare funds of the veterans' organizations. The six Northville high school students shown here started thinking about Poppy Day almost as early as Chairman Bob Collocott and Hazel Wright, American Legion, and Tom Moxie and Betty Kupsky, VFW. All six—Bernadette Collins, Peggy Sue Jones, Emilie Wilson, Tom Douglas, Linda Bulmon and Marsha Zoll (l. to r.) — drew winning Poppy Day posters in a contest sponsored by the American Legion auxiliary. Peggy Sue Jones' poster went on to capture first prize in the district and is now being judged on the state level.

Teachers Profile

Takes Modern Approach

The tall, thin, dignified-looking man of rather dour mien at Northville Junior High school is none other than Bob Maisonneuve, the school's shop and mathematics teacher. Of a quiet, friendly disposition, he has earned the friendship of students and faculty alike.

Maisonneuve lives with his small family in a brand-new home in Northville's Village Green. His bubbly, talkative little 4-year-old daughter, Cindy, has all the playthings affectionate parents can give, including a doll as big as she is and a bicycle that she can't yet ride. With her hair done in braids that stick out like pig-tails and sparkling green-gray eyes that match an impish smile, it's easy to understand the parental pride. Mrs. Maisonneuve, by comparison, is shy and retiring. She can pride herself on the spic and span house.

As might be expected of a shop teacher, much of Maisonneuve's home is furnished by his own handiwork. Cindy's bed, for example, is a symphony in artistic craftsmanship — and is his masterpiece. He's more critical of his own bedroom furniture, however, and finds flaws where the average visitor would find none. This modesty does not hide the fact that the furniture is exceptionally well-made.

Maisonneuve is a native of Michigan's Upper Peninsula; he was born and grew up in the town of Escanaba.

When workers were scarce during the war, he secured summer work as a section hand on the Northwestern railroad and worked in a bakery when he was barely into high school. He fondly recalls how large his pay checks seemed to him then.

Immediately after high school graduation in 1948, he spent six months in Flint where he attended the General Motors Technical school.

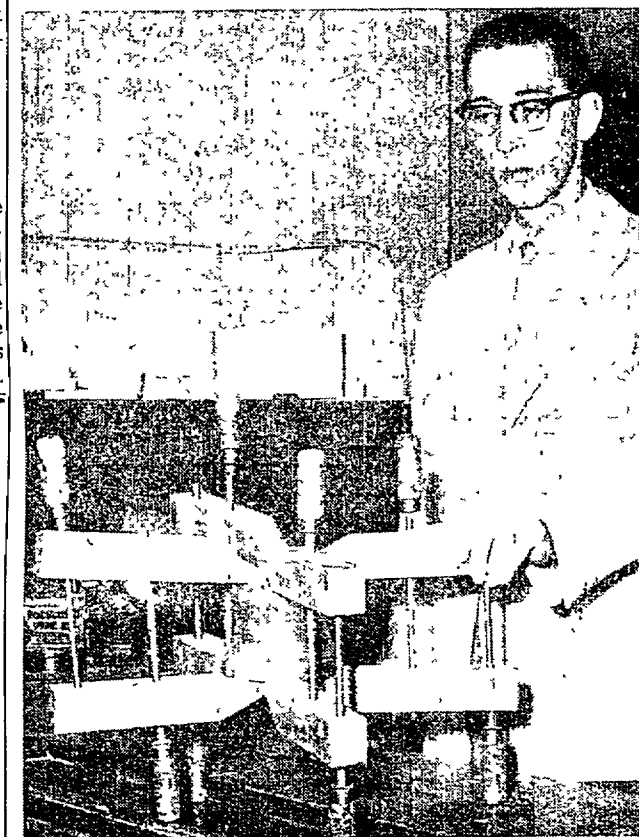

Because of the fighting in Korea he enlisted in the Air Force, but before he could start his basic training he became involved in a serious automobile accident that sent him to a hospital for three months with a cracked vertebrae.

Upon his release from the hospital he embarked on typical tours sponsored by the USAF. Basic training was spent at San Antonio, Texas. He then spent 36 weeks in Biloxi, Mississippi in a Radar Mechanic school. From here he hoppedscotched throughout Europe on various Air Force assignments.

After his discharge from the service, Maisonneuve attended Northern Michigan college at Marquette on the G.I. Bill. Here he majored in industrial arts with a mathematics minor. It was also during this period (six years ago) that he met and married his wife, Joan. His summers were spent working for the Marquette Recreation department in the municipal park as a jack-of-all-trades.

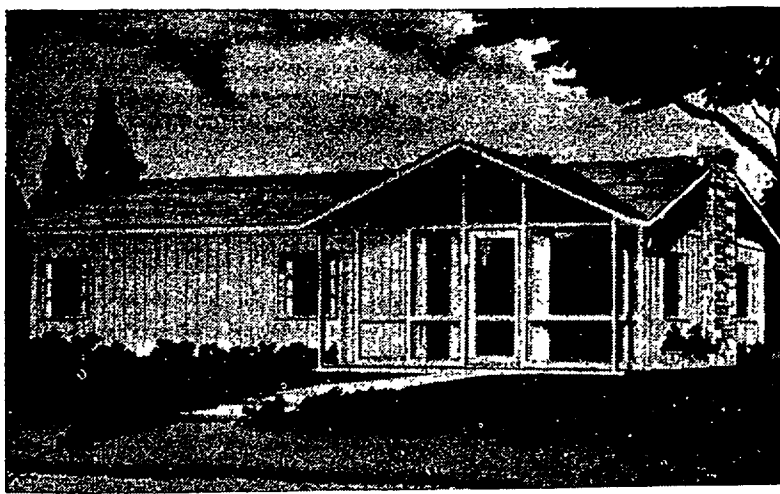

He landed his first teaching position in Northville three years ago, and seems to take modern approach to education. For example, shop teachers used to require all students to make the same project. Maisonneuve prefers to let the student pick his own project; then he feels leads to more interest. He finds that they always choose work that requires machines ("Kids are crazy about machines."). For instance, they do good work on bowls, candle sticks, etc., where they can use the lathe. In math, he would rather not give assignments too much credit. He finds that three or four tests each marking period give a fairer grade. In connection with his math teaching he arranges field trips every year to the Manufacturers building in Detroit. Last year he took three classes and has planned the same trip this year. Besides teaching the children about banking, the bank officials thoughtfully provide a meal for the teenagers.

In addition to his teaching duties, Maisonneuve is a member of the Michigan Industrial Education society and is regional representative to the Michigan Education association.

Bob Maisonneuve

"SPECIALISTS IN FABRIC CARE"

Parade Greets Northville's Visiting Mayor

While Northville's Mayor A. M. Allen was being honored as chief executive of the day of Swartz Creek, the Flint area community's first and only mayor — William Young — was handed the key to the city of Northville. In the traditional Michigan Week mayor's exchange day activities Mayor Young was greeted by the high school band, proudly marching in new uniforms (below). The parade marched from the high school headed by a color guard composed of VFW and American Legion members (left). The Jaycees, who were in charge of the day's arrangements, joined the parade in their early vintage fire engine (at right). The visiting mayor and his wife attended a council meeting at the city hall, lunched at Northville State hospital and after touring the mental institution, visited Northville Laboratories before returning to Swartz Creek.

ADVERTISEMENT OF CONCRETE SIDEWALKS CITY OF NORTHVILLE

Sealed proposals for the paving of concrete sidewalks for the City of Northville will be received by the office of the City Clerk until 8 P.M. Monday, June 5, 1961 and then will be publicly opened and read aloud.

The work included consists of furnishing all material, labor and equipment for the construction of new sidewalk in various quantities throughout the City of Northville. Four feet wide, four inches thick, and approximately 1200 lineal feet. All rough and fine grading to be done by this contractor, as well as all cleanup work and finish grading.

The bidding documents and specifications may be obtained at the office of the City Clerk during business hours without charge.

Each proposal must be accompanied by a certified check in an amount not less than five (5) percent of the total bid price as guarantee and security for the acceptance of the contracts. Checks shall be made payable to the Treasurer, City of Northville.

A 100% performance and a 100% labor and material bond shall be required from the successful bidder or bidders.

No proposal once submitted may be withdrawn for at least 45 days after the actual opening of bids. The City of Northville reserves the right to waive any irregularity in any bid or to reject any or all bids, should it be deemed for its best interest.

CITY OF NORTHVILLE
MARY ALEXANDER, CITY CLERK

L. B. Rice — To Manage Livonia AAA office

AAA Transfers Rice To New Livonia Office

Leiter B. Rice, well-known to 32415 Five Mile road at Hub Northville residents, has been named to manage Automobile Division office which opens officially June 1.

The 57-year-old Rice has been with Auto Club since 1936, serving as manager of the Plymouth Division office nearly all of that time. The Plymouth office also serves AAA members in Northville. Succeeding Rice will be Robert Cain, 40, formerly a membership counselor at the Club's Ypsilanti office. The new Livonia Division, at

ous civic organizations. He is a former secretary and board member of the Plymouth Chamber of Commerce and is a member of the Plymouth Symphony Society, Plymouth Theatre Guild and Michigan Humane Society.

He presently resides, with his wife Virginia, at 963 Harding, Plymouth.

Wins Degree At LIT

Gerald Herman Dresselhouse will be granted a Bachelor of Science in Civil Engineering degree by the Lawrence Institute of Technology during commencement exercises to be held at 3 p.m. Sunday, June 4, in the Ford Auditorium. Dresselhouse, who lives with his wife, Janyth, at 589 Randolph Street, Northville, is a member of the Alpha Gamma Upsilon, and the Michigan Society of Professional Engineers.

Harry E. Warning, 1180 First National Bldg. Detroit 26, Michigan STATE OF MICHIGAN County of Wayne ss. 497,373

At a session of the probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the eleventh day of May in the year one thousand nine hundred and sixty-one.

Present Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of AMBROSE KERON PAULGER, Deceased,

On reading and filing the petition of Emma Tesch praying that administration of said estate be granted to herself or some other suitable person:

It is ordered, that the Nineteenth day of June, next at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

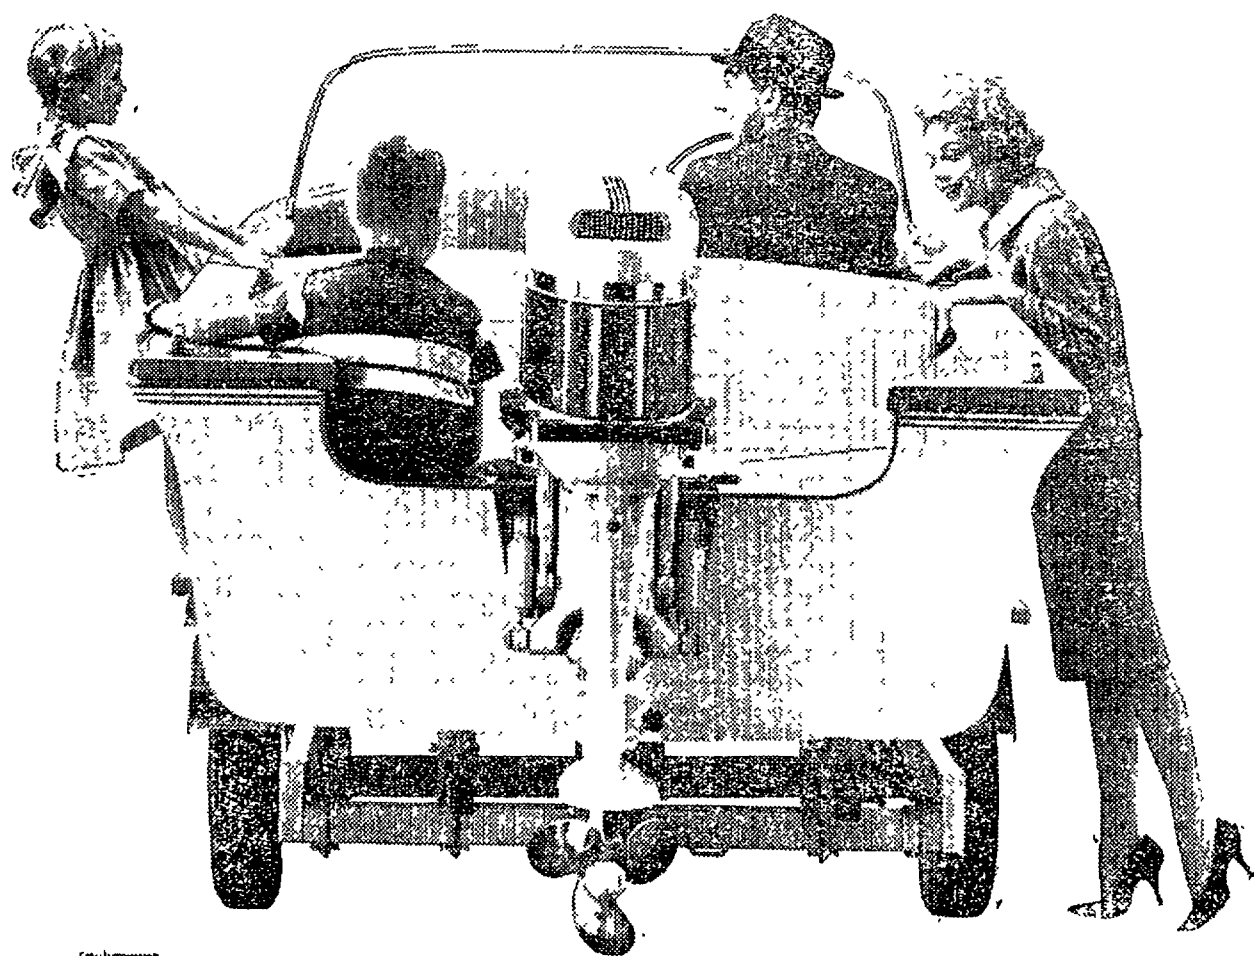

And it is further Ordered, that a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Joseph A. Murphy, Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated May 11, 1961

Morally Speaking, NHS Track Team Sweeps League Meet

Three wins — two for real and one moral — were the happy results of the busy week of running for the Northville High track team.

The two wins came over Clarenceville and South Lyon in a triangular last Thursday and over Plymouth Monday afternoon. The "moral" victory was a second place finish in the Wayne-Oakland league meet last Tuesday at Milford.

The Mustangs chalked up nine firsts in running away with the triangular, 65-1-3 to Clarenceville's 38-5-6 and South Lyon's 31-5-6 and they won 10 events in nipping Plymouth in the last event, 59-50.

The two meets were in sharp contrast to the league convention wherein Northville couldn't buy a first, but wound up with six seconds, five thirds, two fourths and four fifths. The locals had 48½ points.

Bloomfield Hills, a school that the Mustangs had whipped earlier in a dual, won the league title with 62-2-3 points. Milford was third with 41.

Against Plymouth, it went down to the final event, the 880 relay, before the outcome was decided. And Northville's relay team of Bob Turnbull, Dave Filkin, Tom Darling and Jim Petrock decided it with a fine 1:35.1 time that left the Rocks trailing 10 yards back.

Petrock continued to be the team's leading scorer, winning three events — the broad jump with a 19' 6" effort, the 100 yard dash in 10.2 seconds and the 220 dash in 22 seconds.

Dick Bathey, improving with every hurdle he hurdles, set a new school mark in the 180 yard lows with a winning clock of 21.2 seconds.

Don Biery won the half-mile in 2:08 as he continues to get better in this event. Other first place winners included:

Jerry Biddle, shot put, 45' 5½"; Filkin, high hurdles, 16.2; mule relay, 3:42.6; and Darling, 440 dash, 52.6 seconds.

In the triangular, Bathey, Darling and Petrock all won two events each to pace the victory. Bathey won both hurdles, the highs in 17.4 and the lows in 23 seconds flat.

Darling jumped 18' 11" to win the broad jump and he won the quarter-mile race in 54.8. Petrock took the dashes, the 100 in 11.2 and the 220 in 24 flat. The night was a chilly one, not at all conducive to good times.

Biddle's fine 46' 7" toss in the shot put was a highlight of the meet. It was his best of the year. Phil Jerome won the mile in 4:56 and the locals took the half-mile relay in 1:38.3.

In the league meet, all the firsts were shared by Bloomfield Hills, Milford and West Bloomfield. The latter school's wins came on the strong legs of Jack Newton who nosed out Petrock in both dashes.

A bright note was the fine 4:51 mile time set by Phil Jerome, a school mark. Chips Ely followed him in with a 4:53.

Beside Petrock and Jerome, Northville won seconds through the finishes of Darling in the broad jump (20' ¼"), Bathey in the high hurdles (16.2) and the 880 relay (1:37).

Darling won thirds in the 100 and 220, Bathey in the low hurdles, Biery in the half-mile and Ely in the mile. Petrock took a fourth in the broad jump and Filkin, a fourth in the low hurdles.

Northville fifths were gained by Biddle in the shot put, Filkin in high hurdles, Dick Kerzok in the lows and the locals' mile relay team.

No Practice

Because of the long Memorial Day holiday weekend, there will not be any recreation league baseball practice Saturday morning at Cass Benton Park, according to Ken Conley, director.

Practice will resume Saturday, June 3.

THE WINNAH! — Speedy Jim Petrock races ahead of the pack against Clarenceville and South Lyon in a night time triangular meet at Clarenceville last week. The senior won three events to pace the Mustangs to an easy victory.

Mustangs Strand 7 Men, Lose 3-2 Game, Title

What the Northville baseball team needs after last week's 3-2 loss to Clarenceville is a little "togetherness."

The Mustangs lashed out seven hits, including four doubles,

Tennis Team Eyes W-O League Title

After losing out in the regionals last weekend, Northville's tennis squad will try to take the league title this weekend when the Mustangs host the Wayne-Oakland league tournament at Cass Benton Park.

Action starts at 9 a.m. both Friday and Saturday.

In three matches wrapped around the regionals, the Mustangs won two of three to boost their record for dual matches to 11 wins and three losses.

Two of the losses were administered by the same school that won the regionals so easily, Cranbrook. Although there were six schools entered in the Class B competition, it wound up as a two school battle.

One good point won by Northville was Dicron Ornekian's sweep of the four singles matches to qualify for state play at Kalamazoo Saturday, June 3.

The doubles team of Bill Chapple and Dennis LaRoque made it as far as the semifinals. They and Ornekian were the only members who qualified to come back for the second day of play at the regionals.

The final scores were: Cranbrook 2½, Northville 1¾, Milford 2½, Birmingham Groves and Riverside 1½, and Clarenceville failed to score.

The third loss came Monday night at Plymouth, 4-3, in a close one.

Point winners were Ornekian, Tom Long and the doubles team of Gary Kohs and Jim Jiggins.

The two wins came over Southfield, 3-2, and Bloomfield Hills, 5-0.

to leave seven runners stranded and virtually eliminate any chance to even tie for first in the league standings. Milford seems to have that sewed up.

The Mustangs best chance is a tie for second if the right things happen. They have a game with Holly next Wednesday 5-1-3 innings, giving up three runs, eight hits, striking out three and walking two.

Brown gave one hit, whiffed three and walked none.

Softball Players: There's a Meeting!

Area men interested in playing in the softball league this summer are asked to meet next Thursday, June 1 at 7:30 p.m. in the scout hall on Dunlap street.

Teams will be formed at this time and all business pertaining to the organization and management of the league will be discussed.

Earthmovers Move Along in Novi Play

The Earthmovers did some landscaping in last week's Novi Little League baseball action to take a grip on first place. They walloped the Rexall Tillers twice, 20-2, and 13-6. Their record is 2-0 with closest competition coming from the Paragon Steelers.

Paragon, a half-game behind, lost to National Bank of Detroit, 7-1, with their lone run coming on a homer by Jim Barnes. Cary Stevenson was the winning hurler and David Rippey, the loser.

Paragon came back Monday night to whip Rexall, 8-4. Bill MacDermid was the winning pitcher and Pete Gatterli the loser. Rexall's Bentley had a homer.

The standings as of Monday were:

Earthmovers	W	L
Paragon Steelers	2	0
National Bank of Detroit	2	1
Rexall Tillers	0	3

the plate by four feet.

Northville didn't even raise a mild threat in its seventh.

The Mustangs first run came in the fifth on singles by Tom Daniels and Steve Juday and a walk to Joe Hay.

Swiss was losing pitcher, going 5-1-3 innings, giving up three runs, eight hits, striking out three and walking two.

Brown gave one hit, whiffed three and walked none.

How Much Is Your Car Worth?

If there is a Sixty Four Dollar question facing the car dealer in his daily business, it is our title for today's column. The answer, to both dealer and customer, depends on two things: the condition of the car and the dealer to whom it is traded.

LET'S TALK CARS . . .

ANY dealer will offer more for a low-mileage used car in immaculate condition than a worn-out model of the same make and year. He is not a philanthropist. He knows the car will bring more on his used car lot.

There's a difference though. A premium quality used car is worth more to some dealers than others. It is worth more to a dealer who deals primarily in top quality used cars. He has a premium market with people who know his reputation for superior used cars and are prepared to pay a little more for quality. He is selling quality — not price. Though in the end, the value he delivers for the money is always greater.

In contrast, there is a dealer whose main sales appeal is low price. This dealer actually PREFERS a high-mileage, rough condition model of reasonable appearance he can buy at an extra-low dollar figure. He prefers it because he can doctor it cheaply to run well for a limited time, then sell it at a "bargain" price for a good profit.

If you have a high-quality used car you are thinking of trading, we earnestly suggest that you let us quote you a difference figure.

A Michigan Week Salute

It's Colorful Michigan Outdoors

Fishing and hunting aplenty ... a new growing forest ... toughened control of forest fires ... public holdings of one-sixth of the state ... a top-notch parks system ... rising use of minerals ... a people aware of its resource stake.

These are some of the hard-

won achievements drawn from forty years of tough sledding, setbacks, and finally milepost after milepost on the long road to sound conservation in Michigan.

They tell a colorful story of "Michigan Marching Forward," this year's theme of

Michigan Week to be held May 21-27.

Progress has come in many forms through many different avenues since 1921 when The Conservation Department and Commission were formed to chart the course of the state's conservation movement.

Much has been done to provide Michigan's hunters and fishermen with places to enjoy their favorite sport. Since 1939, the Department has acquired some 770 public fishing sites.

Also dating back to the late 1930's is another forward-looking program which has brought some 201,000 acres into public ownership at 60 state game areas in southern Michigan where places to hunt are becoming more and more scarce.

Today, Michigan's publicly-owned forests are managed on a sound-business basis and their products generate mil-

lions of dollars within the state's economy each year.

Growing use of mineral resources has placed Michigan at the forefront in production of salt, gypsum, iron ore, dolomite, sand and gravel, and various other earth products.

Currently available to anyone in Michigan — residents and visitors alike — are more than 6,000,000 acres of public lands. National forests take in 2,000,000 while state hold-

ings total 4,000,000-plus. These lands are used year-round for camping, tramping, hunting, fishing, bird watching, and various other outdoor enjoyments.

Figuring prominently in these public holdings are 6 state parks and recreation areas which rank among the best anywhere. The park system accommodates upwards of 18,000,000 vacationers annually.

Mustangs' Sport Schedule

TODAY (Thursday), at 4 p.m.: Varsity baseball — South Lyon (bold face denotes home games)	Golf — Plymouth and Wall Lake
FRIDAY, MAY 26, at 9 a.m.: Tennis — League meet, Cass Benton	Tennis — Southfield
AT 4 p.m.: JV baseball — Walled Lake	Varsity baseball — Plymouth
SATURDAY, MAY 27, at 9 a.m.: Tennis — League meet	JV baseball — Plymouth
MONDAY, MAY 29, at 3:30 p.m.: Track — Oak Park	Varsity baseball — Plymouth
	FRIDAY, JUNE 2
	Tennis — State finals, Kalamazoo

Orioles, Braves Hit .250

Northville's two entries in the Livonia Class F major leagues batted only .250 last week, winning one of four games.

The Braves stopped the Pierson Cubs, 8-4, last Thursday after losing their opener, 1-0, to the Red Sox. The Orioles lost two games, 5-3 to the Wilcox Bisons and 5-2 to the Tenney Tigers.

Glenn Deibert went all the way for the Braves win. A five run rally in the third inning capped the contest.

In their opening loss, the Braves got three hits and

scored three doubleplays but still couldn't manage a win. Keith Muller and Deibert toiled on the mound.

The Orioles had leaky fingers in their two games, accounting for the losses. Mike Turnbull and Kenny VanSickle were the two losing pitchers.

Rick Milne and Jerry Inslund had two hits apiece to pace the Orioles futile attempts.

Both teams will be at home on diamond two in Cass Benton Park next week. The Braves have an early afternoon game scheduled for Memorial Day.

Tenderay Steak

Kroger's exclusive Tenderay care is what makes this great beef the favorite of so many. It's really quick aging that gives U.S. Choice beef the kind of tenderness and "steakhouse" flavor usually found only in beef that has been expensively hung in aging rooms for several weeks or more.

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at this Christian Science church.

Keynoting the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" is the Golden Text from Proverbs (21): "There is no wisdom nor understanding nor counsel against the Lord."
Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (pp. 234, 235): "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defense."
From the Bible will be read these verses from I Peter (5): "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world."

Madonna Plans Art Exhibit
The annual student art exhibit organized by Sister M. Angeline, CSSF, head of Madonna's art department, will be held at Madonna College, May 29-31, from 2-5 p.m. and from 7-8 p.m. daily in Exhibit hall 118. On Sunday, May 28, a reception will be held from 2-5 p.m.
Participating in the student exhibit will be all the classes in creative arts: water color, design, figure drawing, lettering and oil painting.

Give Guest Concert
The Chancel choir of the First Presbyterian church, accompanied by the Bell Ringers, gave a concert of sacred music at the evening worship service of the Welsh church of Detroit Sunday, May 21.
The Welsh church is the home church of William G. Williams, choir director and bellmaster of Northville Presbyterian church.

THE PURPOSE OF CHRIST'S DEATH
Jesus died to show us the way of salvation. He died to pay the penalty for sin, which is death. He showed us that it could be done and how to do it.
It was simply a matter of surrendering His will, His mind and His thought to His Father's will, His Father's mind and His Father's thought.
Jesus had the greatest mind that has ever been made manifest in this world. He knew more than anyone has ever known about everything that can be known here in this "mind realm". Yet He recognized that the world could not be saved by His wisdom or understanding.
He knew that His Father was greater than He was. Therefore, He gladly laid down His life that His Father's mind and will might be revealed in Him.
He knew that His Father in heaven knew how to save the world. Therefore, He was willing to die to every thought, to every understanding that formed in His own mind that God's will might be made known, that God might have a chance through a man to "Direct His own work" and reveal in this world what He could do in the face of the evil days that were at hand.
Jesus had the power to work miracles but He laid that power aside in order to find out what was in His Father's mind.
Jesus healed the sick. He had power to cleanse the leper and to raise the dead. But He knew that that in itself was not the end or the goal. Therefore, He laid it all aside that He might go back to "the glory He had with the Father before the world was". The way back was the course that His Father marked out. He died to the understanding of His own mind and surrendered to the mind of God. That was "the mind" that was in Christ Jesus and we are to let that mind be in us. Phil. 2:5.

Jesus died to show us the way. But we are not saved unless we "See the Lord" in the sense that we understand what Jesus died to show us. We must "catch on" to Christ's demonstration so as to be able to die with Him for "whosoever dies with Him shall also live with Him."
Just as a school teacher explains and works out a problem on the blackboard in front of the students, so Christ worked out the problem of the way of salvation before the whole world. But just as the students are not helped or "saved" on examination day unless they "catch on" and are able to work out the problem for themselves, even so none of us are saved unless we "catch on" and are able to die to our own mind and understanding, — our life, even as Christ did.
We are not saved simply because we desire to be saved or "believe" that we are saved any more than

students are "saved" on examination day simply because they desire to be able to work out the problem or believe that they can.
To "believe in the Lord Jesus Christ" means to have faith in Him as the great teacher so that we look to Him to show us how to lay down our life even as He laid down His life. To "trust in Him" means to trust Him to do this very thing for us.
In the hour of God's examination day — judgment which is fast approaching, it will not be enough to have been an earnest student at the feet of Jesus, (and how few there seem to be!), but it will be necessary to have acquired the actual ability to no longer live yourself in your own mind, but to do the mind and will of God.
Jesus said, "Not everyone that saith Lord, Lord, shall enter into the kingdom of heaven, but he that doeth the will of my Father which is in heaven."

Mrs. Cargo Elected By Wellesley Club

At the annual meeting of the Birmingham Wellesley Club on May 11 at the home of Mrs. Raymond Husband, the following officers were elected, each for a two year term:
President, Mrs. Paul Cargo of Northville; recording secretary, Mrs. Wade Hampton Oliver of Birmingham; corresponding secretary, Mrs. Frederick K. Plumb of Birmingham; representative to Alumnae Council, Mrs. Cargo; alternate representative to Alumnae Council, Mrs. Eric T. Goulaud of Royal Oak.
Remaining on the board for one more year are: vice president, Mrs. Eric T. Goulaud of Royal Oak; treasurer, Mrs. James A. Fairchild III of Birmingham.

St. Paul's Plans Reunion, Potluck

The doctrine of the Holy Trinity will be emphasized in both services on Sunday, May 28 at St. Paul's Evangelical Lutheran church, High and Elm.
In the 10:30 a.m. service there will be a reunion of all who joined the church as communicant members by the rite of Confirmation during the past 10 years (1951-1961). The new youth Confirmation class composed of 19 members will lead the procession into the church.
The young people are planning a special fellowship program for the evening beginning with a potluck supper at 6:30 p.m. in the parish hall.

BEHIND THE SIGN

FOR SALE

What is the story behind this "For Sale" sign? Is it just a house that's for sale, or is this a tale of happiness or sorrow—of success or defeat?

Let's hope this story has a happy ending! But this isn't a world of make-believe we live in. God made us human beings, not puppets. He has given us minds and bodies, nerves and muscles—and weakness as well as strength.

Maybe the story behind this house is a happy one. Maybe it's a sad one. Regardless, the people who lived here, like all of us, will be able to accept both good fortune and bad if there is yet another house in their lives.

The House of the Lord, the Church, has been built to endure through the ages. Here we will always have a home—during our lives on earth as well as throughout eternity.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

OUT OF THE PAST

ONE YEAR AGO

— An angry Novi councilwoman, Miss Eugenie Choquet, perturbed over the "do nothing about Oldson" decisions of her fellow council members, stormed out of a council meeting hinting that she may resign.

— An "educational" program to win support of Northville school district voters in the proposed purchase of the community building from the city was launched this week. The vote is June 13.

— A preliminary report showed that Northville would receive its identical share of the millage — 7.90 — for the 1960-61 fiscal year. The township received one mill.

— Some 33 truck loads of trash were hauled from Northville during this particular phase of the "beautify Northville" campaign.

— The weather cooperated and helped Northville welcome Mayor Cecil Cupp of Hartford to Northville during Michigan Week's Mayor Exchange Day.

— Northville's track team took a fourth place in the class B regionals at Livonia. On the baseball diamond, starter Dan Brown and reliever, Tom Swiss,

Priced Right and Fully Guaranteed

FIVE YEARS AGO

— A howling tornado struck down on the R. F. Gale farm west of Northville tearing apart a big, solid metal quonset barn, hurling its parts over fields and neighboring lawns. South Lyon was struck severely as well as many scattered parts in the area.

— The Manning and Locklin property west of the Oakwood subdivision was recommended as the most desirable of four other sites by Eberle Smith Associates, architects for the site of the new Northville High School.

— Northville's street improvement program will cost around \$53,000 as compared with the \$33,000 figure the year before. However, the new figure covers a 16 month "year."

— Essie Nirider was elected president of the Northville Retail Merchants Association. Other officers are Harvey Ritchie and Bernard Morrison.

— The Novi township zoning board urged the creation of three new industrial zones in an effort to adequately control industrial construction in the township. The board recommended raising the standards of residential dwellings by voting to increase the square foot requirements by nearly 20 per cent.

— Over 50 reports of damage were made to Novi police after a freak storm hit the area. Hail stones as large as a man's fist were reported to have fallen in some areas.

FIFTEEN YEARS AGO

— Elizabeth Mayer was chosen valedictorian and Florence McCluskie salutatorian of the class of 1946 at Northville High School.

— Col. Ward H. VanAtta was selected to attend Harvard University where he will work toward his masters degree in civil engineering.

— Northville High was put on the list for the seventh straight year of accredited schools by the North Central Association of Colleges and Secondary Schools.

— Keith Larson, of Novi, was runner-up in the district spelling bee at Milford High School.

— The Northville Ford plant has closed down for 30 days.

— At a special meeting of the Putnam School district No. 9 in Novi Township, it was voted to close Putnam school down and send the children to Novi school.

— Northville High's Glee club received a high rating from among the 30 schools competing.

TWENTY FIVE YEARS AGO

— Northville's two armed policemen were scouting around looking for a constable to take a prisoner to jail one day. Their actions were called a "small town farce" by councilman William Gregory.

— Motorists drew a warning from local police after two weekend wrecks in surrounding communities took five lives.

— The parking lot on the corner of Main and Center streets is ready for occupancy.

— Thirty-two senior girls are busy sewing materials on their graduation dresses which must be completed by June 12. Seven dollars is the limit spent on the dresses.

— The high school page's "inquiring reporter" asked Northville High student, Betty Rix, how she planned to spend her summer vacation. She said: "The only plan I have in mind is to catch up on my sleep."

Receives Honors

Scholastic recognition was received by James E. Hammond, son of Mr. and Mrs. C. Lane, Northville, in the Honors Day convocation at Albion college, held in Goodrich chapel Monday morning, May 15. Vice-president Russell H. Seibert of Western Michigan university addressed the Albion student body.

Hammond was acknowledged as a new member of the Economics Club, a campus honorary recognizing outstanding work in economics.

Official Minutes of the Novi Board of Education

The regular meeting of the board of education was called to order by the president, Mr. Heslip, at 8:07 p.m. on Wednesday, April 12, 1961. Present were Mr. Heslip, Mr. Erwin, Mr. Taylor, Dr. Ambinder, Mr. MacBride and Dr. Medlyn, also members of the faculty and a number of interested citizens. Absent, none.

The minutes of the regular meeting of March 8th, and the special meetings of March 22 and March 29 were approved as submitted.

The treasurer's report which follows was approved as read:

General Fund, \$101,213.05; Lunch Fund \$7,356.61; Payroll Fund, \$400; 1957 Building and Site Fund \$158,490.87; 1955 Debt Retirement Fund, \$17,517.91; 1957 Debt Retirement Fund, \$5,909.68; 1958 Debt Retirement Fund, \$1,175.81.

Old Business: Appointments to the Junior High school committee were as follows:

By Dr. Ambinder — David Fried and Richard Bingham. By Mr. MacBride — Richard LeWitter and William Dean. By Mr. Taylor — George Mairs.

By Mr. Erwin — Hilda Little and Gladys Earl. By Mr. Heslip — appointments not yet made.

Teachers representatives — appointments not yet made.

Mr. Gail Perkins, speaking as representative of the teachers club, addressed the board as follows: As a result of the motion by Mr. MacBride giving Dr. Medlyn authority to hire teachers above the base salary, we the teachers of Novi Community schools, in protest have voted unanimously to refuse to sign contracts unless a salary schedule is adhered to by the superintendent and the Board of Education; we feel that due to the lateness of the date, action should be taken in rescinding the motion tonight.

Mr. MacBride stated that the intent of the motion was to hire teachers with outstanding ability and experience. He felt the motion was in line with the current Detroit proposal to cite outstanding teachers.

Dr. Ambinder stated that he would refuse to discuss the motion if put to the board by the teachers as an ultimatum. Otherwise he would be willing to negotiate or talk about the matter. He felt the teachers were not acting in good faith.

Mr. Perkins felt the board had not been acting in good faith when passing the resolution in question. He questioned who could judge an exceptional teacher. He felt the salary schedule would be lost.

Mrs. Pletsch, also a teacher, felt it hard to judge college students even if they are well recommended; she thought the door would be left open to bargaining by any applicant.

Mr. MacKay of the Novi Junior high felt the motion was not an appropriate attempt at merit pay, since merit pay is usually not offered to new people.

Mrs. Coe, Teachers Club president, pointed out that the increases in the salary schedule sought by the teachers for the year 1961-62 would have cost

the board \$6,000; she felt the use of this power by the superintendent could cost the board quite a bit more.

Mr. Heslip recommended that the motion be rescinded or amended.

It was moved by Mr. Erwin and supported by Mr. Taylor, that the motion be rescinded, with the recommendation that at a later date the whole subject of merit pay be discussed with the teachers. Results of the roll call vote were as follows: Mr. Erwin, yes; Mr. Taylor, yes; Mr. MacBride, no; Dr. Ambinder, no; Mr. Heslip, yes. The motion carried.

Mr. Perkins, speaking as representative of the teachers salary committee, stated that the recommendation of the board of education with the letter of intent, was not satisfactory, and the committee would like the board to reconsider.

Mrs. Coe stated that she felt it would be awkward for the teachers to ask for a millage increase if it is tied to their salary increase.

It was moved by Mr. Taylor, and seconded by Mr. Erwin, that the following salary schedule be adopted:

Class III \$100 Increase. Beginning salary \$4,325.

Class IV (B.A.) \$200 Increase. Beginning salary \$4,700.

Class V (M.A.) \$200 increase. Beginning Salary \$4,900.

Increments and years of experience are to be left without change.

Voting on the motion was as follows: Dr. Ambinder, yes; Mr. Erwin, yes; Mr. MacBride, yes; Mr. Taylor, yes; Mr. Heslip, yes. The motion carried.

Dr. Medlyn reported that the teachers had requested that contracts be presented to them with the signatures of the board of education, rather than unsigned as has been the custom in previous years.

It was moved by Dr. Ambinder, and supported by Mr. Erwin, that the superintendent be instructed to accumulate records, transcripts or letters of credits, to be presented with the contracts to the board of education at a meeting Monday, Tuesday or Wednesday of the next week. Motion carried.

Mrs. Coe suggested that the three teachers of Class II, of which only two teachers were returning next year, might be offered the \$100 raise; she did not intend that the \$100 be a change in the salary schedule.

It was moved by Dr. Ambinder, and supported by Mr. MacBride,

as approved. No action was taken on this recommendation.

Dr. Medlyn presented a letter of transmittal from Mr. Arthur E. Carpenter, attorney on the matter of the tile field, and with it Certificate of Payment No. 10 and final, of Chas. W. Lane Associates, Inc. which called for a final payment to F. W. Fordon Co. of \$11,545.90. It was agreed to call a special meeting in two or three weeks with all the people involved in an effort to come to an agreement on the payment and the tile field.

Dr. Medlyn recommended that the persons who have previously worked on the school census be re-employed for this work. He was so directed.

There had been an interpretation of individual test results to the parents during the parent-teacher conferences. The results of program school-wide are being prepared in final form for the board of education.

Dr. Stone of Wayne State university has met with Dr. Medlyn in regard to curriculum improvement. He is to make recommendations, and he is to provide a regular service, coming to the district once a week now, twice a week later on.

Dr. Medlyn presented the proposed 1961-62 budget for authority to submit to the allocation board. The budget was based on the premise that all state aid money due would be forthcoming. A current tax figure of \$165,000 was used as a balancing figure. Primary money figure was based on 1115 children, state aid was based on 800 children. The valuation figure was \$12,750,000, but the equalizing factor was not yet known. The board had directed that a letter of transmittal accompany the budget explaining that special teachers for art, remedial reading, and music are included as well as a curriculum consultant. There was no allowance in the budget to pay off the short term loan, and the librarian's assistant had been removed.

The budget was to be turned in by April 17; hearings will be held later on.

Dr. Ambinder felt that the budget was dishonest and fraudulent, since he felt the board did not intend to hire the special teachers and curriculum consultant.

It was moved by Dr. Ambinder, and supported by Mr. MacBride,

that the superintendent be authorized at this time to issue contracts for teachers in remedial reading, foreign language, art, music, clerical help for the library and a part time curriculum consultant, and that the contracts be issued immediately. Voting was as follows:

Dr. Ambinder, yes; Mr. Erwin, no; Mr. MacBride, yes; Mr. Taylor, no; and Mr. Heslip, no. The motion failed to carry.

Dr. Medlyn repeated that the proposed items have been included in the budget to be presented to the allocation board.

It was moved by Mr. Erwin, supported by Mr. Taylor, that the proposed budget be presented to the allocation board. Dr. Ambinder, no; Mr. Erwin, yes; Mr. Taylor, yes; and Mr. Heslip, yes. The motion carried.

A possible summer recreation program was discussed; it was proposed by Mr. MacBride that perhaps the district could cooperate with the village or township board.

Dr. Ambinder suggested the possibility of establishing a summer free remedial reading program with intensive work in reading. Children could be selected on the recommendation of the counselor, the teacher and the administrator as to which would benefit most in a

short time. One or two teachers could be hired dependent upon the need.

It was moved by Dr. Ambinder and supported by Mr. Erwin, that the superintendent be empowered to set up a remedial reading program this summer, and authorized to offer contracts to at least one remedial reading teacher. The motion carried.

Dr. Ambinder questioned whether library books had been ordered. Dr. Medlyn replied that orders were still being sent out.

In regard to prospective teachers, Dr. Medlyn had no applicants at Marygrove or U. of Detroit; one from Northern Michigan university. He was to visit Wayne State for appointments with applicants the following week, if there were any applicants.

It was moved by Mr. MacBride, and seconded by Dr. Ambinder, that the bills be paid; the motion carried. The bills were as follows:

General Fund bills, \$2,903.14; Lunch Fund bills, \$1,298.31; Building and Site Fund bills, \$1,122.22; and 1955 Debt Retirement Fund, \$1,225.

The meeting was adjourned at 10:00 p.m.

Respectfully submitted, Russell Taylor, Secretary

NOTICE OF LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF THE LAST DAY OF REGISTRATION
 OF THE QUALIFIED ELECTORS OF
 NOVI COMMUNITY SCHOOL DISTRICT
 Novi, Michigan

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:
 WHO MAY VOTE?

Section 2 of Act 199, Public Acts of Michigan, 1951, effective September 28, 1951 provides as follows:

"The Inspectors of Election at an Annual or Special Election shall not receive the vote of any person residing in a registration School District whose name is not registered as an elector in the City or Township in which he resides . . ."

LAST DAY OF REGISTRATION

The last day on which persons may register with the Township Clerk(s) or City Clerk to vote at the Annual School Election to be held on June 12th, 1961 is

FRIDAY, JUNE 2, 1961

Persons registering after 5:00 o'clock, p.m., Eastern Standard Time, on the said Friday, June 2, 1961, are NOT ELIGIBLE to vote at the said Annual School Election.

BOARD OF EDUCATION NO LONGER TAKES REGISTRATIONS
 Under the provisions of Act 199, Public Acts of Michigan, 1951, registrations will NOT BE TAKEN BY SCHOOL OFFICIALS and only persons who have registered as general electors with the Township Clerk of the Township in which they reside, or the City Clerk if they reside in the City, are registered school electors. Persons planning to register with the Township or City Clerk must ascertain the days and hours on which the Clerk's office is open for registration.

This Notice is given by order of the Board of Education of Novi Community School District, Michigan.

Dated May 10, 1961

RUSSELL TAYLOR, Secretary, Board of Education

READERS SPEAK:

Memorial Day Meaning

Dear Mr. Sliger.

With the 30th day of May just around the corner, both the V.F.W. and the American Legion are making plans for the Memorial Day service in Northville.

The citizens of Northville have always turned out in large numbers to help these two organizations in their observance of that day, but I do believe that anyone reading the enclosed copy of General Logan's order No. 11, will have a better understanding of the history and purpose of our Memorial Day service.

If you can find space in your paper to print these orders I am sure many of your readers will enjoy them.

Yours very truly,
 Lawrence M. McArthur
 Adjutant
 Northville Post No. 4012
 Veterans of Foreign Wars
 of the U.S.

Headquarters
 Grand Army of the Republic
 Washington, D.C., May 5, 1868
 General Order No. 11

1. The 30th day of May, 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village and hamlet church yard in the land. In this observance no form of ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit.

We are organized, comrades, as our regulations tell us, for the purpose, among other things, "of preserving and strengthening those kind and fraternal feelings which have bound together the soldiers, sailors, and marines who united to suppress the late rebellion."

What can aid more to assure this result than by cherishing tenderly the memory of our heroic dead, who made their breasts a barricade between our country and its foes? Their soldier lives were the reveille of freedom to a race in chains, and their deaths the tattoo of rebellious tyranny in arms. We should guard their graves with sacred vigilance. All that the consecrated wealth and taste of the nation can add to their adornment and security, is but a fitting tribute to the memory of her slain defenders. Let no wanton foot tread rudely on

such hallowed grounds. Let pleasant paths invite the coming and going of reverent visitors and fond mourners. Let no vandalism of avarice or neglect, no ravages of time testify to the present or to the coming generations, that we have forgotten as a people the cost of a free and undivided Republic.

If other eyes grow dull and other hands slack, and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remains to us.

Let us, then, at the time appointed gather around their sacred remains and garland the passionless mounds above them with the choicest flowers of springtime; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us, a sacred charge upon a nation's gratitude — the soldier's and sailor's widow and orphan.

2. It is the purpose of the Commander-in-Chief to inaugurate this observance with the hope that it will be kept up from year to year, while a survivor of the war remains to honor the memory of his departed comrades. He earnestly desires the public press to call attention to this order, and lend its friendly aid in bringing it to the notice of comrades in all parts of the country in time for simultaneous compliance therewith.

In Willowbrook

Mrs. George Ames GR 4-0830
 Mr. and Mrs. Robert Driscoll and their daughter Janet had dinner at the Hillside Inn in Plymouth Saturday.

Virginia Barnes was hostess to the Wednesday Bridge club last week. Marguerite Parent won first prize, Dottie Flattery second and Marty Ames, booby.

Mr. and Mrs. Layne Robinson of Neenah, Wisconsin and Mrs. Harry Newlon of Waterloo, Iowa, are here in Willowbrook visiting Mr. and Mrs. Clifford Bunker.

Mr. James Wharton was fortunate enough to see "Came-

lot" when he was in New York city on a short business trip last week.

Mr. and Mrs. Errol Myers had dinner in Detroit at the home of Mr. and Mrs. H. O. Terrie, Sunday.

Mary Pat McKeon was hostess to Betty Richmond, Janet LeButt and Sandy MacDougall at the Elk's club fish fry Friday evening. They were celebrating Mary Pat's first communion.

Mr. and Mrs. Robert Garbin had Mr. and Mrs. Charles C. Myer, Sr. and Mr. and Mrs. Charles C. Myer, Jr. over for dinner Saturday evening in honor of Mrs. Myer Sr.'s birthday.

Kaye Buck and Virginia Conrad were co-hostesses for the last meeting of the season of the Monday Penochle club. Sophie Martin won first prize, Gladys Earl, second, Sylvia Klerkx, third and Phyl Berardi, a guest player, consolation. Mr. and Mrs. Robert Byrd, Mr. Karl Kretz and Miss Winnie Brock had dinner together at Huck's Saturday evening.

Bonnie Kuick won the prize when the Thursday Bridge club played at the home of Kay Reiss last week.

Holy Cross Episcopal church held a very successful potluck dinner Friday evening. The Garbin, Johns and Ames families were among those who attended from Willowbrook.

Vicki Pinner celebrated her seventh birthday with a family party Friday evening. Mrs. Teresa Pinner of Farmington, Mr. and Mrs. Thomas Curran and Miss Helen Curran joined the Pinner family for the occasion.

On Saturday Judy McCann, Teresa Henry, Kathy Radtke, Nancy Byrd, Debbie Ward, Gail Bently, Joannie Nelson and Valerie and Mike Pinner were guests at a birthday party for Vicki.

Family- Test a flameless electric water heater!

DETROIT EDISON GUARANTEES SATISFACTION OR YOUR MONEY BACK!

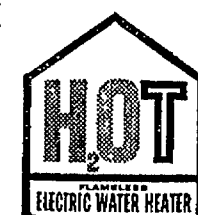

Want a water heater that's "satisfaction guaranteed"?

Here's all you do: Buy a flameless electric water heater that bears the H₂O.T. guarantee. Family-test it. Call on it for plenty of hot water day after day. Get all the hot water you need, or your money back!

What does "satisfaction guaranteed" mean? Just this—if at any time within one year after purchase of your flameless electric water heater you are dissatisfied with its performance, just let us know. We'll remove it and return the full purchase price, including any installation charge. This guarantee covers any Edison-approved electric water heater, sized according to the recommendations given at right, and installed in a dwelling of up to and including four-family in the Detroit Edison service area. This Edison satisfaction guarantee is in addition to the manufacturer's own warranty.

Where to buy? That's easy, too. At appliance dealers, plumbing contractors or Detroit Edison offices, where you see the H₂O.T. satisfaction guarantee seal.

Family-test a flameless electric water heater for yourself. Get all the hot water you need or your money back!

Look for this Guarantee Seal at Qualified Plumbers, Dealers or Edison Offices

Mrs. L. Rix
Mr. and Mrs. Henry Hill and Mrs. Gertrude Lee of Novi and Mrs. Blanche Seabald of Farmington, motored to Capac last Thursday to visit their sister and husband, Mr. and Mrs. Joe Shauer. They all went to Port Huron for the day.

Mrs. Gertrude Lee spent Mother's Day at the home of her son, Fred and his family at Valued Lake.

On Mother's Day Mr. and Mrs. David Hines and children had breakfast with the former's parents, Mr. and Mrs. Byrle Hines on 12 Mile road. In the evening, Mr. and Mrs. Gene Hines were the supper guests, and Mr. and Mrs. Robert Hines and children visited their parents Monday evening.

Mr. and Mrs. Burton Munro, Mrs. Brent Munro and Mrs. Mildred Wilson of Highland, all members of the Central Michigan Lapidary and Mineral society attended a meeting of the society in Lansing last Thursday evening. Burton Munro was awarded a life membership of the society at this meeting.

Ray LaFond and son, David, Kenneth Bassett, and Donald LaFond returned last Thursday from a successful week of trout fishing in the Upper Peninsula.

During the absence of her husband last week, Mrs. Kenneth Bassett stayed with her mother, Mrs. Marie LaFond.

Mr. and Mrs. Russell Race entertained Saturday evening Mr. and Mrs. Alfred Gow, Mr. and Mrs. Otis Tewksbury, Mr. and Mrs. Edward Rix and Janet and Virginia Race.

Mrs. Hadley Bachert gave a birthday dinner on Sunday honoring her sister, Mrs. George Aukinson and Mrs. Francis Denton of Redford.

Mrs. Nell Rinchick and son, Corp. John Rinchick and his wife of Chicago were the weekend guests of Rev. and Mrs. Arnold Cook.

Mrs. Luther Rix was with her mother, Mrs. George Tobias during her last illness this past week. Funeral services were held for Mrs. Tobias at the Gorsline Funeral home in Williamston, Monday afternoon.

Mrs. Russell Button and children are visiting her mother and her sister's family at Winter Park, Florida.

Mr. and Mrs. Gordon Blake and son, Ricky of Okemos visited the latter's brother, Russell Button on Sunday.

Cecil LaFond appeared on the "This is Michigan" program on T.V. channel 4 at three

o'clock Sunday afternoon.

Novi Mothers Club

The following officers were elected at the last Mothers club meeting: president, Florence Loyne; vice president, Beverly Bumann; secretary, Claire Mitchell; treasurer, Joan Ward; teachers fair committee, Dorothy Snow, Florence Loyne, Helen Crawford and Claire Mitchell; welcoming committee, Irene Brice and Jean Musket; gala day committee, Billy Marchetti, Mary Lou Morris and Florence Loyne.

The club voted to take care of the petitions in support of a proposed shopping center in Novi.

Retiring teachers Mrs. Hamill, Mrs. Wilcox and Mrs. Crane will be presented gifts from the club upon retirement. Dearborn Holiday, a technical movie, was shown at the meeting through courtesy of the Ford Motor Company.

Novi Methodist Church
The W.S.C.S. voted to treat the Bible school teachers and helpers at their monthly meeting. On Wednesday of this week they had a luncheon at Saratoga Farms.

The Sunday school bake sale last Saturday was very successful and they wish to thank all who contributed to its success. Money will be used to send children to camp.

Novi Blue Star Mothers
The Novi chapter, Blue Star Mothers, will sponsor a bake sale at the McCollum Drug Store Saturday, May 27 beginning at 10 a.m. Mrs. A. McCollum and Mrs. Al Pritchard will have charge.

Novi Rebekah Lodge
There were 24 Past Noble Grands of Novi Lodge who met at the home of Mrs. Irene Wendland last Thursday evening, which was a record crowd.

Between 50 and 60 Rebekahs have reservations for the dinner at Saratoga Farms this Thursday evening. Meet at the hall at 5:30 and be sure to be at Saratoga Farms promptly at six o'clock.

Holy Cross Episcopal Church
Approximately 150 attended the potluck dinner at the church last Friday evening. A film on the Pontiac Centennial was shown.

The kindergarten children are busy working on the Father's Day program.

June 4 the annual church picnic will be held at Cass Benton Park. The church members will gather at the park after the morning church service.

Novi Baptist Church News

The Novi Baptists are sponsoring a youth banquet June 9 at Lansing, in the Reo Club house on Christian Youth. The banquet will include the tenth, eleventh and twelfth grade high school young people. They will have special music for the evening and Bob Leach, head coach of Flint Central High, will be the speaker. A Moody film, "Time and Eternity" will be shown. Contact Pastor Cook for tickets.

Novi Girl Scouts

Intermediate Troop No. 602 had a tea for their mothers on Saturday. They made creole kisses, from the Juliette Love cook book, for refreshments. The members of the troop received several badges; Lois Gattrell received 9, Linda Early 11, Kay Gillett, 13; Lynn MacDermid, 10 and Mary Kay Smith 8. They all received their first class rank. They are planning an outdoor day June 6 at their leader's home. They also plan to go to the weavers in the near future.

Intermediate Troop No. 149 finished their badge work; planned a trip to the zoo next Wednesday. They planned a party for their last meeting; also a court of awards. Rebecca Lyke furnished treats she had made herself.

Intermediate Troop No. 1023 completed plans for a cookout to be held at their leader's home on Saturday.

Brownie Troop No. 902 worked on tenderfoot requirements. Treats were furnished by Mrs. Hanna.

Brownie Troop No. 1027 learned some new songs, finished hobo bags. Mrs. Long and Mrs. Presnell helped in the absence of the leaders. They closed with the Brownie Tunnel.

Brownie Troop No. 550 held an outdoor meeting, learned how to lay a Girl Scout fire and how to use a jackknife. Elections were held, president, Teresa McHale; vice president, Reni Evans; secretary, Donna Lippert; treasurer, Adele Peterson; program, Ardis Noel and Sue F'Geppert assisted leader, Mrs. Kriedeman, in absence

of Mrs. Spisak, assistant leader.

Senior girls and adult personnel concluded Red Cross First aid course this week. Included in the group were Sue Pharo, Sue MacGillivray, Noel F'Geppert, Sue F'Geppert, Mr. and Mrs. Kriedemann, Mrs. Lewis and Mrs. F'Geppert. Sue F'Geppert and Sue MacGillivray also completed program aid training Monday night.

Mrs. Thorpe's troop had investiture on Thursday. The following girls were invested: Cathy Alexander, Suzanne Cookson, Marilyn Ames, Barb Dickson, Debby Dorsay, Val Pinner,

Mary Ellen Reiss, Sharon Sigbee, Marcia Thorpe, Delynn Tobias and Sadie Wolverton. Leaders and committee members, Mrs. Thorpe, Mrs. Reiss, Mrs. Dorsey, Mrs. Ames and Mrs. Cookson were also invested. Mothers present were Mrs. Alexander, Mrs. Pinner, and Mrs. Sigbee. Treats were furnished by Suzanne Cookson. Girls made hobo bags and learned "Holler". Closed with tunnel.

Mrs. Garbin's troop held elections Wednesday: president, Pam Cummings; secretary, April Garbin and treasurer, Diane Rippey. The girls made their first aid kits.

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT

WAYNE, OAKLAND and WASHTENAW COUNTIES, MICHIGAN
To the Qualified Electors of said School District:

PLEASE TAKE NOTICE that the Annual School Election of the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, will be held Monday, June 12, 1961.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . ."

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Annual Election to be held on MONDAY, JUNE 12, 1961 is

FRIDAY, JUNE 2, 1961

Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said Friday, June 2, 1961 are not eligible to vote at said Annual Election.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city in which they reside are registered school electors. Persons planning to register with the township or city clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

Donald B. Lawrence, Secretary
Board of Education

Dated this 24th day of April, 1961

SPEAKING for the Record

by Bill Sliger

Traditionally at the Michigan Week mayor's exchange luncheon the American Legion makes its Citizen of the Year award.

This year the three-member committee to select the "good citizen" departed slightly from custom, however.

As a matter of fact, the trio resorted to cloak and dagger methods.

By special arrangements with the officials of Swartz Creek — the community with which Northville exchanged mayors — the award was made in Swartz Creek to Mayor A. M. "Mike" Allen.

Legionnaire Oscar Hammond "just happened" to be in Swartz Creek at the time of the huge Mayor's Exchange dinner sponsored by Rotary, Kiwanis and Jaycees there. So he was invited to join the festivities. Soon he was introduced and Mike Allen was proclaimed Northville's Citizen of the Year.

So far as I am concerned, the Legion could not have found an individual more deserving of the award.

Mike Allen is the perfect "good citizen".

Probably more than any other single individual he has given of his time and effort for community affairs despite the demands of his own business.

He is our mayor, our supervisor of the Wayne County Board of Supervisors, a member of the board of directors of Community General Hospital — and performs the countless other duties that befall a city's chief executive.

Yet Mike would be the last one to say that there are not others more qualified or who could get the job done as well as he.

But Mike is willing, as so few of us are.

He is devoted to his community and in his own unassuming way serves as the "common denominator" between the old and the new, the pros and the cons.

Mike Allen is what Northville needs at its council table. Without him our community would have experienced bumper days and would not have shown the progress that has come in so many areas.

The job has not been easy for Mike. He carries the city's troubles and responsibilities with him at all times. And he becomes discouraged when citizens think only of their personal welfare when faced with an opportunity to cooperate for the good of the entire community.

But I am sure he will continue to serve and that our community will be better off because of Mike Allen: Northville's Good Citizen of the Year.

Roger Babson

'Read Fine Print'

Babson Park, Mass., I hear that some of the college professors who are advising President Kennedy on means of increasing employment favor expanding consumer installment buying.

Credit comes in two forms: (1) When your wife goes to her favorite store and has her purchases "charged." The store looks up her record through the Municipal Credit Bureau. If she has no black marks against her, the goods are given her or sent to her home. When the monthly bill is sent for these goods, the store expects a payment in a short time, — thirty days later as a maximum. The stores really like to encourage such charge accounts, as your wife is likely to buy more if she can charge the goods rather than pay cash.

The other form of credit purchase is where the buyer gives a note, or several notes, payable on specified dates, with power of repossession of the goods on a certain date after reasonable notice in case a note is not paid.

I do not object per se to such installment buying, especially on refrigerators, television sets, washing machines, clothes dryers, and other household appliances which can be repossessed in good condition.

I, however, earnestly urge that you read the light fine print on the agreement and really understand what you are asked to sign.

As I read the advertisements today on new homes for sale, I am astounded at the way they can be bought by veterans

without any down payment, or that can be bought by anyone at very small down payments and a long mortgage of thirty or more years. This is very different from when I was a young man getting married.

Then we were compelled to pay one-third in cash and the mortgage would be written for only five years. When talking to students of Babson Institute, I call to their attention the economics of birds, which build their "houses" before they are "married" and raise any little birds.

To young people buying furniture on the installment plan, I am not prepared now to give definite advice. The laws of different states vary as to the rights of repossession. If you are behind in the payments on a house, it is a legal process for the mortgagee to get you out of the house, especially if you are willing to pay a reasonable rent. If you are behind in your payments for a television set or some other luxury item, and default on these payments, you must be prepared to let the store take it back before you damage it. This also applies to certain household utilities mentioned above.

When it comes to buying furniture on installment, a young couple should carefully consider each item purchased. One installment note and agreement should cover the bedroom furniture; another note and agreement should cover the living room furniture; and a third note and agreement could cover the dining room set. All incidentals should be paid for in cash.

Furthermore, the three sets of furniture should not be bought at the same time; buy in the order above outlined, say at least a month apart, even if you are obliged to "camp out" for a few weeks. As I look back to my early married days, we got considerable pleasure out of gradually furnishing our little house. Surely more pleasure comes in striving than in arriving.

Let me close this column by giving some statistics for bankers, merchants, and parents to read. These figures are based upon a survey by the University of Michigan. The survey showed that 68% of American households are in debt in one form or another. 48% of the families are saddled with periodic installment debt repayments; 31% owe mortgage debts; 24% owe on non-installment debt. According to the study, 14% of the families owing installment debt are "in hock" for over \$1,000 — double the proportion only five years ago.

The survey had one encouraging note. Namely, that about one-third of the families owing installment debt report that they have enough savings to offset their debt. For those who rationalize that installment buying keeps their savings in tact, I would like to point out that statistics show this is a very costly practice.

State's 'National Image' May Improve

If it comes off, and only time will tell, the 1961 Michigan Legislature may find that its greatest accomplishment was in that intangible and controversial realm known as "national image."

Tight budgets and no new taxes, concrete actions of this year's session, could well lead to a reversal of the national picture of Michigan as a perennial problem state.

Scars from the "Cash Crisis" of 1959 and the tax squabble of 1960 will remain, but the wounds might at least be allowed to heal.

True, Michigan will still be beset by problems of unemployment, automation, labor disputes, rural-urban bickering and controversy between the two major political parties, but the sorrowful and oftentimes needless damage wrought by stalemate and blunder and faulty financial management may be on the way to repair.

If so, both parties can claim part of the credit despite a Republican Legislature and a Democratic governor.

While education, mental health and other vital areas of state government will have to get along on less money than they had hoped to have available for fiscal 1961-62, it is hoped they can get through one more year of austerity.

It was, after all, only something of a political misfortune that at least token increases in the tight operating budgets recommended by the Legislature for the crucial areas of government weren't increased.

The willingness to add was there, but disagreements over the means and who would get the credit prevented any increases.

Republican law makers frankly say they are happy with the budget as it was passed. In fact, they are anxious to claim credit for what they hope is a return to fiscal responsibility for Michigan.

Gov. John B. Swainson wants it clearly understood that any cutbacks in state services, educational or otherwise, are the fault of the GOP.

But privately, many Democratic senators and representatives are not too displeased with the \$462.6 million operating budget, which is, of course, a record high for Michigan. The reasoning is that if it takes a year of belt-tightening to prevent future unfavorable publicity such as the recent Saturday Evening Post article on "Michigan, the Problem State," then the price may not be too high.

Important part of the price involves the risk to the quality

of higher education. Despite the record budget, educators are faced with providing facilities and education for a still more startling record number of students.

As salary increases are eliminated or reduced; as facilities like libraries and classrooms become more outmoded and overcrowded, staff people lose enthusiasm for their work. The most talented instructors find it easier to accept offers from other institutions where they are paid more, have better conditions. The mediocre get fewer offers and tend to stay. At the same time, it becomes more difficult to interest first-rate instructors to join the Michigan faculties. The result becomes an average or less teaching staff.

It is not increased work loads these college people object to, it is lack of tools and lack of what they consider appreciation. The people of Michigan must decide soon if they want to support higher education at a level which will only grind out students after mediocre training period or at a level which will permit true university training.

"You have less money per student than previously," the Legislature tells education administrators, "but you had better not limit your enrollment."

so that qualified students cannot get in or you'll reckon with us."

The only thing that can give us the quality of the education or tuition fees which were increased \$24 per year only last year.

The key to the 1961 Michigan Legislature rating in the historical record book may be found in the national economic picture overall.

If there is recovery in the durable goods market, it is almost sure to be reflected in a rosier fiscal picture for Michigan.

Budgets are based on frankly

pessimistic revenue estimates. Swainson actually formulated his recommendations on revenue estimates some \$15 million higher than those used by lawmakers.

There could be a surplus of revenue, which might be applied to the state deficit, estimated at \$62 million by June 30.

While governmental theorists can argue endlessly about the desirability of operating in the black, there can be no doubt that it looks good on paper, and that is where a great many of Michigan's fiscal troubles have been, on paper.

Come and Bring Your Family and Friends!

CONSUMERS POWER COMPANY

(The other—and even more satisfying—half you'll discover the first time you drive a Corvair!)

And when we say "low price," we mean more than merely the pint-sized figure on the window sticker of a new Corvair. You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!
