Freak Accident In Driveway Kills Local Man

A freak and tragic accident Monday afternoon took the life of Richard G. Nelson, 58, of 22005 Napier road. Mr. Nelson's death was attributed to severe crushing chest injuries he suffered when he was run over by his own car.

The accident occurred in the driveway of retired Police Chief Joseph Denton whom the victim had gone to visit.

According to a report police received from Dr. Waldo Johnson, 22047 Novi road, who witnessed the mishap, Mr. Nelson had driven up the Dentons' steep driveway off Linden street near the corner of Randolph. As he got out of the car it began rolling backwards down the driveway and Mr. Nelson stepped behind it in an attempt to hold it back, Dr. Johnson told police.

Dr. Johnson said the victim stayed on his feet until the driveway levels off at Linden street where he lost his footing and fell beneath the car. The vehicle rolled over him, dragging him across Linden and over the curb on the east side of the street where the car's front wheels rolled over him.

Police theorized that Mr. Nelson, while putting the car in gear, had failed to set the emergency brake.

He died about an hour after the mishap at Community General hospital.

Funeral services will be held today at 2 p.m. from Casterline Funeral home with the Reverend Lloyd Brasure, First Presbyterian church, officiating. The body will be interred at Rural Hill cemetery.

Mr. Nelson, a retired Michigan sales manager of Motorola corporation, had lived here 11 years. He is survived by his wife, Lillian, and daughter, Linda, of the Napier road address; daughters, Mrs. June Gasser, Northville, and Mrs. Arlene Iandolo, Upper Nyack, New York; mother, Mrs. Nina B. Nelson, Lima, Ohio; sister, Mrs. Knute Allread, Atlanta, Georgia; brothers, George and Robert, Sacramento, California; and two grandchildren.

Born August 10, 1902 in Lima, Ohio, he was a member of Garrett Weyoff Masonic lodge, Lima, and the First Presbyterian church, Northville, and the church men's club.

Richard G. Nelson

Cycle, Car Crash in Novi

A 40-year-old Detroit motorcyclist was reported in satisfactory condition Tuesday morning after he crashed broadside into a car at Grand River and Haggerty roads Friday afternoon.

Benny Koralewski, taken to William Beaumont hospital in Royal Oak, suffered a possible skull fracture, a fractured left arm and facial lacerations.

The driver of the car, Fred Hicks, of 654 Horton, Northville, escaped injury. His car was damaged extensively on the passenger's side.

Hicks told investigating Farmington Township police that he was driving north on Haggerty road. He stopped for a truck at Grand River and then pulled out. He told police that he did not see Koralewski on the motorcycle. Koralewski was traveling west on Grand River.

No citations were issued.

Fireworks to Bring More Than a Bang!

With the Fourth of July holiday just 10 days away, Northville Police Chief Eugene King reminded local residents this week that possession of fireworks is illegal in the state of Michigan.

Chief King, who said police had already confiscated fireworks from several children, also reminded parents that they can be held liable for violations of the law committed by their youngsters.

Elect Snow Head Of American Legion

Linwood Snow, Jr., was elected commander of the Northville American Legion post recently. He served as commander in 1958.

Others elected included Robert Collocott, senior vice-commander; Paul Palmer, junior vice-commander; Jack Wright, sergeant-at-arms; Louis Katzbach, finance officer; Ruth Knapp, historian; Mable Cooley, chaplain.

Legion Sons Plan Local Paper Drive

The Sons of the American Legion of Northville will conduct a paper drive Saturday, July 1 to raise funds for their newly-formed organization.

Residents are asked to leave old papers at the street curb.

Calendar

Thursday, June 22
Northville Review club, 1 p.m.
Mrs. Ruth Starkweather, 48265 West Seven Mile road.

Wednesday, June 28
Adult Camera club, 7:45 p.m., Employees' residence, Wayne County Training school.

18th Downs Season Opens This Friday

Council Split On Sewer Taps

Northville did its part Monday night to speed up progress of the construction of new sewer facilities to relieve over-loaded conditions and bring about the lifting of the ban on new sewer taps.

At the same time the council reluctantly recognized the state health department's order halting the issuance of all building permits requiring a sewer tap in the 22 Wayne county communities involved in the Middle Rouge interceptor sewer expansion.

State Health Commissioner Dr. Albert E. Heustis stated that the building ban will not be lifted until contracts are signed for construction of the sewer.

The county reported this week that all but one or two communities have indicated a willingness to proceed. Northville township submitted its resolution agreeing to accept about one-third of its allocation.

The city council accepted complete allocation — enough taps to provide for an ultimate population of 9,000 — at a cost of about \$150,000.

But a lively controversy developed over just how much allocation the city should accept.

Harold Bittner, treasurer of Foundry Flask, told councilmen that the firm had been considering plans to develop property in the area both commercially and industrially.

The company owns land formerly occupied by Alhed Products, which was destroyed by fire four years ago, from its plant on Cady up to Main street. Dr. Handorf also owns property fronting on Main street where his offices are located.

The planners have recommended that Cady street be continued straight through to Main street. This would bisect the Foundry Flask property and reduce the area owned by the firm.

The council directed the city attorney to prepare an opinion for the next council meeting relative to the city's legal position in adopting a thoroughfare plan for the future. Major Allen also asked that the city engineer estimate cost of extending Cady.

New Stands To Greet Fans

Workmen were busily putting the finishing touches on Northville Downs' remodeled grandstands today in preparation for the opening of the 18th harness racing season at the local track Friday night.

A \$300,000 improvement program has converted the wooden grandstands into a modern structure of steel and concrete with new lighting and sound systems.

In addition a five-section compartment for timers, judges, program, the press and photo darkroom facilities is extended from the roof at the finish line.

Entrances, too, will be treated to a new convenience. A new mutual department below the stands features 64 windows with cashiers in the center and sellers' windows on both ends.

Downs' Executive Manager John Carlo has made no secret of his intentions in pushing his \$2,000,000 improvement program. He'd like to win the fall Jackson Raceway dates — if not this year, next year for sure.

"As soon as this season is over, we're going to add 40 feet to each end of the grandstand and build a 30-foot addition on the rear," Carlo stated. Also on tap is installation of a full tote board to replace the present board in the middle of the track infield.

Carlo is making no predictions on attendance this year. He notes that Hazel Park is down despite a new clubhouse.

Last year the city of Northville received its biggest tax revenue in state returns from racing at the Downs — \$97,638.36.

There is some reason to believe that this year's tax bite could be even larger. Although the meet is one night shorter — 38 nights from June 23 through August 5 — there is one more weekend. Traditionally, Friday and Saturday night bring the heaviest betting and largest crowds.

Friday night's opening crowd will witness the first of six Invitational Exchange Races —

will be a \$5,000 Invitational Pace.

The Invationals plus the \$12,000 IITA Trot and a series of six \$2,500 Michigan Harness Horsemen's Association Colt Stakes will follow the policy adopted last year.

The Northville leg of the IITA Trot is scheduled for Saturday, July 22. This will be the lone appearance in Michigan of this series and will bring most of the nation's outstanding four-year-olds to the area.

The Colt Stakes will bring the state's best two and three-year-old trotters and pacers to the Downs. The series is part of the season long program staged by the MHA which will be climaxed by the \$5,000 final at Wolverine Harness Raceway in the Fall.

Post-time is 8.30 p.m., rain or shine.

'No Parking' Streets Set During Races

City councilmen Monday night approved the police department's recommendations for parking restrictions in the area of Northville Downs during the July 23-August 5 harness race meet.

Stated for "no parking" are the following streets:

Fairbrook on the north side from South Center to First street.

Beal on both sides between Church and Main.

Johnson on the south side between Main and River.

Gardner on the south side between Main and River.

And River on both sides between Beal and the Seven Mile road cut-off.

The council received a petition from Fairbrook residents requesting that parking be prohibited on both sides of the street. Councilmen concurred with police that the road is wide enough to allow parking on one side even though traffic is heavy during the track season.

CONSTRUCTION of Northville's new Kroger supermarket was underway full scale this week. Footings have been poured, houses in the area will soon be removed. Early fall opening of the 16,000 square foot store is planned.

Early Fall Opening Set for Kroger's

Construction is underway this week on the new Kroger company supermarket to be located on Dunlap between Center and Hutton streets.

The company announced that it had awarded the general building contract to Kolarik and Cronk and that completion of the 16,000 square foot super-

market was scheduled for early fall.

It was also disclosed that one of the leading firms in its field in the country, Lippincott-Martens of New York, would design the building.

James LeRoy, advertising director of Kroger's Detroit division, described the new North-

ville store as completely new in design, features and color scheme.

The project is a Kroger company undertaking and is not being built by private investors, as is often the custom in the construction of supermarkets.

For that reason the store has been selected to introduce many new features and ideas in supermarket design and facilities.

Specifically, LeRoy cited double-deck frozen food compartments, a dairy department with an-screen cooling, delicatessen department and barbeque facilities with heat retaining containers so that customers may purchase barbecued chicken, for example, ready to serve.

Footings were poured this week as the outline of the building begins to take shape. The store will face south and have dual entrances to its 150-car parking lot from Center and Dunlap streets and a single entrance from Hutton.

Four houses were purchased to provide space for the Kroger project. One, at 135 East Dunlap, has already been moved. The other three, located at 216 North Center, 127 and 133 East Dunlap, will be torn down. Contractors expect to clear these buildings and garages and barns in the interior of the block, immediately.

The city-owned scout building located at the corner of Dunlap and Hutton was also sold as part of the project. It will remain standing, however, until the corner is developed as a drive in bank facility by the Manufacturers National Bank of Detroit. No announcement of the time schedule for this project has been made.

Rest Home Bid In Circuit Court

A 10-page, 29-point bill of complaint has been filed in the Wayne county circuit against the township of Northville and its building inspector, Wilbert J. Petz, by Mr. and Mrs. C. J. Mulligan because of the township's failure to permit construction of a rest home on the Mulligan's 4.2 acre site at 42565 Eight Mile road.

A request to rezone the property from R-1-E (residential estates) to R-4 (multiple family residential) was twice denied a public hearing by the township zoning board.

A request for a hearing before the board of appeals was then denied.

Mulligan, owner of Mulligan Construction company, proposes to build a 50 apartment rest home, a project he estimates would cost between \$250,000 and \$300,000.

The township zoning board has taken the position that the project would be harmful to residential values in the area and constitute spot zoning.

Through Attorney John L. Crandell, the Mulligans have

charged in their bill of complaint that:

— there is a great demand for rest homes in the area;

— presently the major use of the land in the vicinity of the proposed site is for gravel pits and "village dumps";

— that rezoning was made at the rear of the plaintiffs' land for gravel pit operations;

— that a small spot of land on Haggerty road north of Seven Mile road was rezoned at the request of the owner for a rest home;

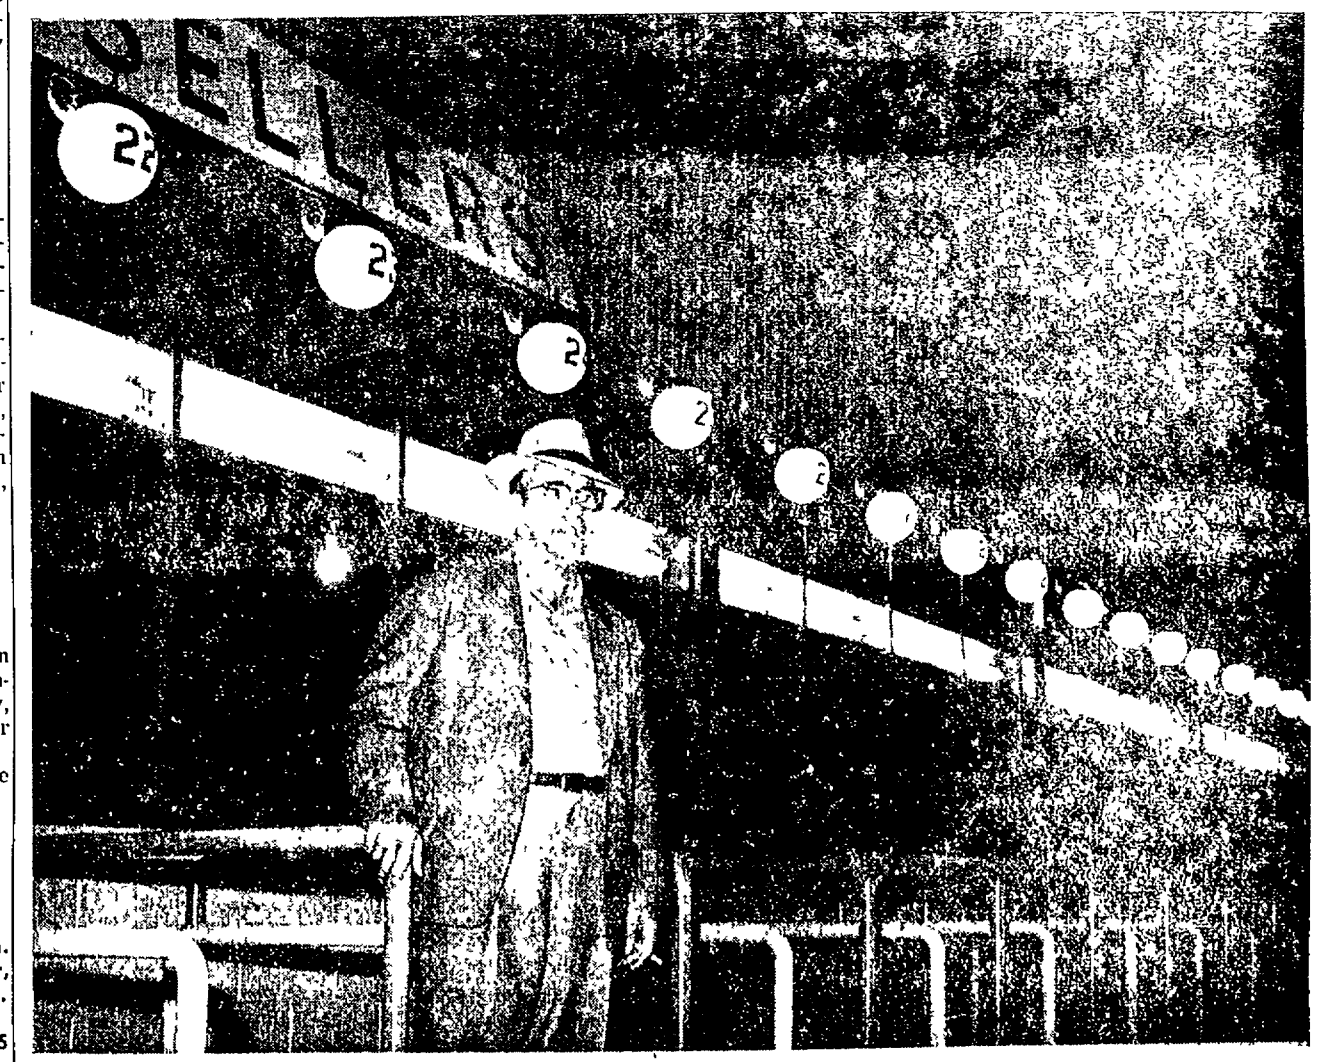

— that the Mulligan land is already non-conforming in its use as a contracting business.

The complaint covers a variety of other points including a charge that "the township zoning ordinance is void in that, except for spot zoning on Haggerty, it makes no provision for the establishment of rest and convalescent homes".

A hearing is scheduled for July 7 before the Wayne County circuit court at which time a temporary injunction to restrain the township from preventing construction of the rest home will be sought.

GOING SWIMMING — One of the Northville Recreation Department's most popular summer activities is swimming. Monday was proof of this as youngsters lined up for the first dip of the season. Buses leave daily at 12:45 from the Main street school and starting Monday a bus will also pick up youngsters at Amerman school. They swim at Whitmore lake. Rules specify that youngsters under eight must be accompanied by an adult.

READY FOR RACE FANS — Downs' Executive Manager John Carlo stands beside the new mutual department in the completely renovated grandstands. Fans will be in for a pleasant surprise when they visit the new Downs' facilities Friday night.

Newlyweds Go to Europe After Nuptials in Texas

Bruce Walter Felker, son of Mr. and Mrs. Ansel Owen Felker, 113 Randolph street, took Miss Dorothy Nell Beauchamp, daughter of Mr. and Mrs. Harold Beauchamp of Rosenberg, Texas, for his bride Saturday, June 10 in a double ring ceremony at the First Methodist church, Seaman, Texas.

Following a reception in the church parlors they left on a wedding trip to Scotland, England, Switzerland and other European countries. Upon their return September 1 they will reside in Madison, New Jersey.

The couple exchanged nuptial vows before an altar decorated with white aspidistra lilies and foliage. Potted palms and candelabra graced the chancel.

Officiating at the 7:30 p.m. ceremony were the Reverend Charles Hall and the Reverend Val Sherman.

The bride's father escorted her to the altar. They walked up an aisle lighted with white tapers glowing in white, rose brocade holders.

The bride's gown was of white silk tulle and imported re-embroidered Alencon lace. It was designed with a figure bodice and scoop neckline edged with lace traced with pearls. Long sleeves tapered to petal points over the bride's hands. The bouffant skirt, enhanced at the hipline with beaded lace, swept to a full train.

The bride's fingertip veil of pure illusion silk fell from a coronet crown of pearls. A white orchid set in cascades of stephanotis formed the bridal bouquet.

Mrs. Eugene Branner of Seaman, sister of the bride, was the matron of honor. Bridesmaids were Sue Sellers, Hous-

Mrs. Bruce Walter Felker

ton, Texas; Sharon Northrup, Oklahoma City, Oklahoma; Sandra Keane and Mrs. Mark Scholier, both of Dallas, Texas; Mrs. William Staats, Austin, Texas; and Ann Baer, Seguin.

They wore identically styled gowns of turquoise silk fashioned into tiered sheaths with scoop necklines and brief sleeves. They wore small pillbox hats of turquoise silk and veiling. Their bouquets were made with cascades of coral tinted pompons bordered with pealized swails and centered with a large coral tinted mum.

Bob Burgess of Northville was the groom's best man. Don Jones, Rapid City, South Dakota; John Combs, College Station, Texas; Jim Donaldson, Dallas, Texas; Nelson Smith, Mamaroneck, New York; Jim Session, Clumbine, Texas; and Eugene Branner, Seguin, ushered.

Mrs. Felker wore a cocktail length gown of cotton blue silk organza with matching accessories and a coral cymbidium orchid for her son's wedding. Mrs. Beauchamp selected a cocktail length gown of the mauve pink lace and chiffon

over taffeta with matching accessories and a pink cymbidium orchid.

At the reception, vases of white and turquoise tinted chrysanthemums with talisman gladioli decorated the church parlors. Gladioli and white carnations were used in the social hall.

The bride's table held a silver candelabra arrangement of white carnations and white statice illuminated with white tapered. The wedding cake was in the shape of a Maltese cross.

Turquoise tapers lighted the candlewood arrangement of English ivy and leatherleaf fern, jeweled with coral-winged dragonflies, at the groom's table.

For travel the bride chose a beige linen suit with patent accessories and an orchid corsage.

The former Miss Beauchamp is a graduate of Southern Methodist university where she was a member of Phi Beta Kappa and Delta Delta Delta. The groom, affiliated with Delta Tau Delta, is a graduate of University of Michigan.

News Around Northville

C. F. Logeman, 795 Grace street, returned Sunday from a trip to South Dakota. Logeman left June 9 to attend the two-day Sangerfest (Norwegian singers festival) in Garretson. He spent the remainder of his stay visiting his mother, Mrs. Daisy Logeman, and other relatives in Sioux Falls.

Northville ADULT CAMERA CLUB meets next Wednesday.

June 28 at 7:45 p.m. in Wayne County Training school's employees' residence. "Holiday in Hawaii" slide show will make up the program for this final meeting until September.

The TUESDAY BOOK CLUB met this week at the Haggerty highway home of Mrs. T. N. Kampf, Jr.

Mrs. Glenn H. Cummings reviewed "The Agony and the

Ecstasy", the biographical novel of Michaelangelo by Irving Stone.

Mr. and Mrs. Carl Bryan, 726 West Main, are back at their Northville home after going round the world on a trip that lasted just over four months.

Mrs. Bryan, commenting on the journey, said, "We wanted to circle the globe, and we want to go again."

The Bryans left Northville January 10, traveling by bus to New York City where they shipped out on "The Flying Fish" January 14.

They sailed east to the Azores; stopped off at several Mediterranean seaports; visited towns in Ethiopia, India, China, Thailand, China, Japan, Formosa, Korea and other countries; and returned to New York City, via the San Francisco, Panama Canal, Puerto Rico route, on May 15. They finally put down their luggage in Northville May 16.

One highlight of this trip for the Bryans, who journeyed to Japan four years ago, was their visit to Penang, an island that's part of the Malay States.

Barbara Weiss, who graduated from Eastern Michigan university earlier this month, is working at Yellowstone National park in Wyoming this summer. Her parents, the George Weisses, live at 925 Grace street.

The John C. Burkmans of 535 East Eight Mile road returned recently from a week's trip in the East. The Burkmans' coupled business with pleasure, stopping to visit a number of the East's historic sightseeing spots.

Last Monday Mrs. Burkman's sister, Mrs. Winfield L. Holden, of Detroit, came out to spend the day with her. Both women went on the Garden club's tour of local gardens and attended the Silver Tea that followed.

Bill Cansfield is teaching two courses in Outdoor Education at the summer school of the Iowa Teachers' Conservation camp at Springbrook State park, Iowa.

Bill, son of Mrs. W. H. Cansfield, 404 West Dunlap, and the late Mr. Cansfield, received his Master's degree in Outdoor Education at the University of Michigan last summer and has been teaching during the past year at St. Clair Shores.

Mrs. Carlson was one of eight women — seven councilwomen and one woman mayor — who attended

Wed 50 Years

Mr. and Mrs. Otis Tewksbury, Sr. celebrate their Golden Wedding anniversary Saturday. They will be the guests of honor at a family celebration in Mason Sunday afternoon.

The Tewksburys, married 50 years ago at Simpson Methodist church in Detroit, live at 42869 Five Mile road, Plymouth. Northville was their home from 1912 to 1948. Mrs. Tewksbury was born and went to school here; her husband is a native of Clifford.

Mr. and Mrs. Tewksbury's children and their families will feté the couple on Sunday. They are: Mr. and Mrs. Otis Tewksbury, Jr., 965 North Center, Mr. and Mrs. Robert Pfaff, Mason; and Mr. and Mrs. Art Mitchell, Milford.

Judy Miller, Don Arthurs Exchange Marriage Vows

Judy Miller, 228 Linden, and Don Arthurs, 121 High street, were married Monday, June 12 in an evening ceremony before Justice E. M. Bogart.

The bride, a 1951 Northville

High school graduate, is the daughter of Mr. and Mrs. William Lee Walker, 42625 East Seven Mile road. The groom's parents are the Everett Arthurs of Pontiac.

Witnesses were Mrs. James Pardy, Plymouth, and Norman Walters, Northville.

The couple's parents and other members of their families were at the wedding.

The newlyweds are living at 11180 East Seven Mile road.

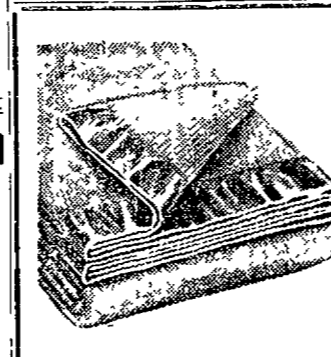

Councilwoman Attends Institute

Councilwoman Mrs. A. C. (Beatrice) Carlson attended the Institute for Mayors and Councilmen in Ann Arbor last Wednesday.

Sponsored by the Michigan Municipal League, the institute convened in the Horace A. Rackham School of Graduate Studies on the University of Michigan campus.

Mrs. Carlson was one of eight women — seven councilwomen and one woman mayor — who attended

"SPECIALISTS IN FABRIC CARE"

Legion Auxiliary Elects

Mrs. Howard Wright is the new president of the auxiliary to Northville's Lloyd H. Green American Legion Post 147.

Mrs. Wright and officers who will serve with her were elected at the auxiliary's annual meeting held June 14 in the Veterans Memorial home, 100 West Dunlap.

Others on the slate of new officers include: Mrs. Paul Palmer, first vice-president; Mrs. Oscar Hammond, treasurer; Mrs. Robert Collocott, secretary; Mrs. Rex Holloman, historian; Mrs. Joane Neuenburg, sergeant at arms; Mrs. John Goss, chaplain; Mrs. Fred Rieger, Mrs. John Steimel and Mrs. Carol Flynn, executive board.

The post and its auxiliary will install their officers at a joint ceremony not yet scheduled.

Births

Mr. and Mrs. Craig Rathburn, 19600 Marilyn, announce the birth of a second daughter, Debra Ann, on June 12 at St. Mary's hospital, Livonia.

Mr. and Mrs. Fred Webster, Jr. of Northville are parents of a seven-pound, 15-ounce son, Mathew Dean, born June 19 at Garden City hospital. Mrs. Webster is the former Sandy Rose Niles.

Mr. and Mrs. Robert Oberlin of Shelby are parents of a baby girl, Cathy Lynn, born June 11. Mrs. Oberlin is the former Karen Lee Tibbos of Northville.

Wed Here

Beryl Wrenn of Detroit and Carl Edward William Rossow of Livonia were united in marriage by Justice E. M. Bogart Saturday, June 17, before a group of relatives and friends.

Mr. and Mrs. Jacob Rohr of Detroit were attending witnesses. The new Mrs. Rossow is the mother of Robert (Rocky) Wrenn of Rayson avenue.

GIRLS' STATER — Rosemarie Tetzloff, 17, left Tuesday for Ann Arbor where she will represent Northville high school at the annual Girls' State convolve that lasts through June 29. Rosemarie, who starts her senior year in the fall, lives with Mrs. Elsie Shafer at 105 Linden. She was selected as Northville's representative by the auxiliary to Lloyd H. Green American Legion Post 147.

Menu Planning Holds the Trick

Time out for entertaining. Entertaining luncheon or dinner guests can mean "time out" for the housewife. The trick to real enjoyment of mealtime guests lies in the housewife's choice of menu.

A menu built around dishes that can be prepared hours before guests arrive permits the hostess to share in the fun rather than toil over the stove. Mrs. James Conway, 46070 Bloomerest drive, has worked out just this kind of menu. It's a substantial meal with ham, chicken, a savory tuna loaf and a savory salad.

Prepare the ham and chicken in your favorite way and serve with these menu partners.

TUNA MOUSSE
Mrs. James Conway
1 1/2 T. or 1 1/2 envelopes unflavored gelatin
1/2 cup cold water
1/4 cup lemon juice
1 cup mayonnaise
2 6 1/2 or 7 ounce cans tuna, coarsely flaked

V.F.W.
Northville Post 4012
438 PLYMOUTH AVE.
Regular Meetings:
First and Third Tuesday of Each Month

1/2 cup chopped, pared cucumber
1/2 cup thinly sliced celery
1/4 cup sliced, stuffed green olives
2 t. onion juice
1 1/2 t. prepared horse radish
1/4 t. salt
1/4 t. paprika
1 cup heavy cream, whipped
Soften gelatin in cold water in sauce pan. Add lemon juice; heat and stir over medium heat until gelatin is dissolved. Stir into mayonnaise; add tuna and remaining ingredients, except cream. Mix well. Fold in whipped cream. Pour into 8 1/2" x 4 1/2" x 2 1/2" loaf pan. Chill until firm. Unmold serve with lime wedges. Makes 8 servings.

WALKING SALAD
1 T. prepared mustard
1/2 cup salad dressing
3 T. heavy cream or top milk
2 T. vinegar
2 T. finely chopped onion
1 1/4 t. caraway seed
3 cups finely shredded cabbage
Stir mustard into salad dressing; add cream and vinegar. Toss onion and caraway seed with chilled cabbage. Add only enough dressing to moisten, then toss. Makes six servings and enough dressing to use as a topper for sandwiches.

all sorts of things

By SHARON MAZANEC

It was a big ceremony, the biggest ever It had all the traditional pomp and circumstance The skies were clear Northville High school's largest graduating class filed across the speaker's platform to accept diplomas from Superintendent Russell Amerman The biggest audience ever looked on And the weather — cool and dry, ideal for the 92nd annual commencement exercises.

High School Principal E. V. Ellison, in the midst of moving — as director of administrative services his headquarters will be on the Main street campus — took a few minutes out to talk about graduation. Another class had graduated; a new crop of seniors would renew the cycle again in the fall.

Had everything gone according to plans Thursday night? That's right. "And we came out even on diplomas," chuckled Ellison. "I cross my fingers every year hoping we will."

How about the speaker? "Some say he (Raymond O. Darling, staff assistant in charge of college and university relations with GM's Education Relations section) was the best we've ever had."

"And Sam Chuzmar's piano concerto was out of this world," complimented Ellison.

But it was the weatherman who added the crowning touch, Ellison agreed. NO RAIN.

Back in 1959, the weatherman showered his greetings on the 120 seniors who for the first time assembled at the new high school for commencement exercises.

The rains fell that day like water was going out of style. Exaggerated testimonies describe the rains as reminiscent of the floods that drove Noah and his animal friends to the ark.

Toward evening, the clouds, which had spilled their wet

bounty all day, gathered together. While some spirits had been slightly dampened, the grounds around the new high school campus had become a quagmire in the muddiest sense. The whole area was impassable.

Would grads and their guests have to wade through the unpaved high school parking lot to the gym? Nope, the schools had a revolutionary plan.

"We directed all cars away from the high school and back to the Main street campus," recalled Ellison.

"Using seven buses, we ran a shuttle service to the high school campus. We transported about 2,200 people. Ceremonies got started only 25 minutes off schedule."

As recounted in the next issue of the Record, "Quips sprinkled graduation exercises at the new high school Thursday night as liberally as did the all-day rain which made a mud trap of the unpaved campus parking lot."

Some of them went like this: Superintendent Russell Amerman — "I had a speech all prepared, but after standing in line for the bus, I think it's all wet."

Amerman's comment on the band's lively renditions of songs from "Oklahoma" and "South Pacific" — "If the music sounded unusually bouncy, remember, they came up on the buses, too."

Principal Ellison — (who was later to discover how 2,200 people would get home on the first coach) "You're a good-natured audience. I guess the school's had a real baptism tonight."

YES, Ellison agreed, it certainly was the weatherman who had added the crowning touch to Northville high school's 92nd annual commencement exercises last Thursday.

CHURCH SCHOOL — Getting a head start on program plans for the Vacation Church School Northville's First Methodist church will hold from August 6 to 13 are (l. to r.) Mrs. Albert Werdehoff, Mrs. Don Hannabarger, Mrs. Edna Foreman, Mrs. Lloyd Moeck and Mrs. John Klaserner. The women, church school teachers, met at Mrs. Klaserner's Chigwidden road home.

Quite a Team

Northville is well represented in this year's fourth annual Birmingham Arts Festival by a local husband and wife art team, Mr. and Mrs. Harold Hartley, of 630 Randolph.

Three paintings — one oil and two watercolors on linen — which Mrs. Hartley submitted for exhibition were accepted by the judges and are now on display in the windows of three Birmingham shops. She also has eight paintings in the festival's Artist's Market.

Tonight at 8 p.m., Harold Hartley will lend his talents to the festival's poetry session in the geodesic dome.

Hartley will read his original poem, "St. Clair Beach, Michigan", and three of Emily Dickinson's short poems.

Hartley, one of several poets invited to read at the session, is the only one invited to read an original work. W. D. Snodgrass, Pulitzer Prize winner who teaches at Wayne State university, is tonight's main speaker.

The festival, sponsored by the Bloomfield Art Association, opened last Saturday and continues through this Saturday.

Postponed

Northville Newcomers club has decided to postpone a proposed community theatre organizational meeting set for next Wednesday.

A Newcomers spokesman said the club would reschedule the meeting early next fall.

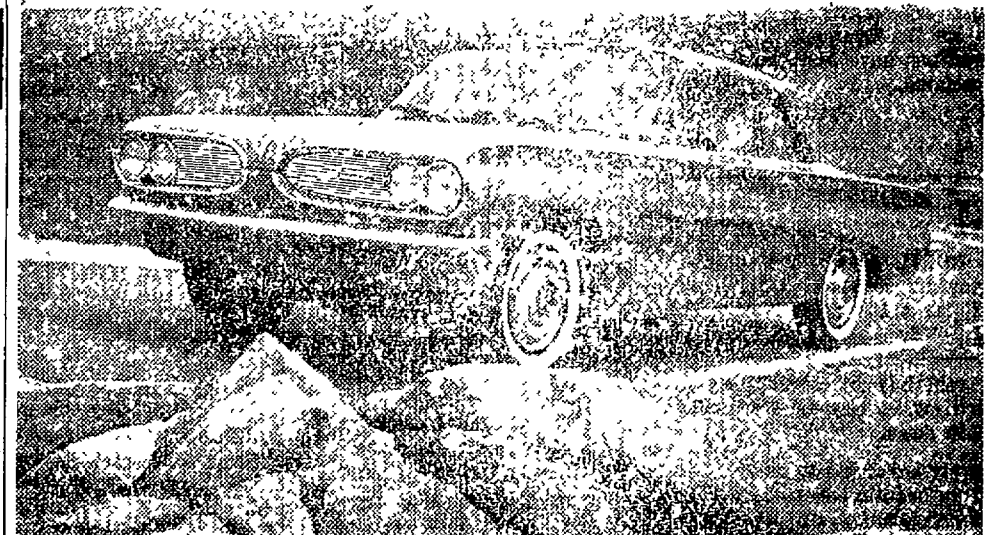

Meanwhile, anyone interested in getting started on the project during the summer months may contact Newcomers President Mrs. Philip Wegeng, FI 9-0484, or Mrs. Charles M. Smith, past president, FI 9-2265.

GRADUATES — Nancy Ellen Reuter, daughter of Mr. and Mrs. E. M. Reuter, 41211 Llewellyn, was among 13 Detroit area students receiving degrees at Valparaiso (Indiana) university commencement exercises Sunday, June 11. She was awarded a Bachelor of Arts degree.

As Little as a Dollar Starts Your 3% Savings Account!

A \$1.00 deposit is all you need to open your 3% savings account at National Bank of Detroit, because now all savings accounts earn 3%. Interest is paid quarterly and deposits made by the 10th of the month earn interest from the first. And to build your savings account even more swiftly and surely—you can take advantage of our new Automatic Savings Plan. Just tell us the sum you'd like to save each month (\$10 or more) and we'll transfer that amount from your checking to your savings account. There's never been an easier way to save or a better time to start saving, so stop by today at any one of our 68 neighborhood offices. Remember—all you need is a dollar bill that's anxious to grow.

night Wednesday, June 21.
Sunday, June 18 Troop No. 54 hiked 12 miles on the Pontiac trail. Mr. Kriedeman and Mr. Blackwell accompanied them. Everyone made the hike in good spirits and aching feet.
The Scouts will each receive a Pontiac trail neckerchief slide and the troop will receive a participation streamer for taking part in the event.
Novi Baptist Church News
Baptismal services will be held at the close of the evening service next Sunday.
The church pews are ordered and will be installed the latter part of August.
Vacation Bible School is being held in the basement of the new church that is near completion. The boys and girls are having a "Fishers of Men" contest closing program June 30 at 7:30.
Holy Cross Episcopal Church
Rev. Harris from Canada gave the sermon and Holy Communion at the Holy Cross church Sunday. The children made Father's Day gifts in their Sunday school classes and presented them to their fathers. The altar flowers were sent to Mrs. Charles Barber who is ill.
Novi Girl Scouts
Seventy-four girls have signed up for camp in Bassett Woods. The dates are 18, 19, 20 and 25, 26, 27 of July.
They are looking for someone who has a life saving certificate and who is willing to give one day's time to the camp. They also hope to have open house July 26 for everyone who wishes to come.
Helpers are needed to assist the counselors. If interested contact Mrs. Robert Skellenger or Mrs. John Hanna.
This camping experience is a part of the Southern Oakland Council.
E.U.B. Willowbrook Community Church
Children's Day was observed at the E.U.B. church June 11. Parents were invited to visit the children's department and remain for church services as a family.
Vacation church school began Tuesday, June 20 from 9 to 11:30 a.m. Tuesday through Friday, June 20-23 and 27-30. General theme, "Personal and Group Relationship". Nursery department, "Summer with Nursery Children"; kindergarten, "My Family and My Friends"; primary department, "Love One Another"; junior department, "Living and Working Together as Christians".
All children are invited, but pre-nursery, nursery and kindergarten children must be accompanied by worker mothers unless they have previously attended public school. Daily offering used for others as project for needy children. Proceeds from registration fees to be used to purchase books and needed materials. Open house last day of church school. Program of shaming at the church.

Mr. and Mrs. Owen Bellenger spent the weekend with their relatives, Mr. and Mrs. Edward Fitchman, at Alpena. The Fitchman's daughter, Marcia, returned with the Bellengers and is their houseguest this week.
Mr. and Mrs. Tony Skeltis and children and Mr. and Mrs. John Tymensky spent last week end at Caseville.
Mrs. Tony Skeltis visited her father, Joe Kutnic in Brighton on Father's Day. Later in the day the Skeltis family had a picnic at the home of Mr. and Mrs. Tony Skeltis, Sr.
Mr. and Mrs. George Kahrl were hosts at a fishing party for 30 friends from Northville on Saturday the opening day for fishing.
Mr. and Mrs. Clair Love of Station spent several days with the latter's relatives, among the relatives her sister, Mrs. George Kahrl.
Father's Day visitors at the Jack Kahrl home were their son and his wife, Mr. and Mrs. Jack Kahrl of Livonia, Mr. and Mrs. Harold Benner of Munroe and Mrs. Dawn Holcomb of Northville.
Mr. and Mrs. Robert Norton spent Father's Day with their son and his wife, Mr. and Mrs. Francis Norton at their summer home in Port Hope.
Michael Barber, son of Mr. and Mrs. Charles Barber, had an appendectomy at the Pontiac Osteopathic hospital on Monday.
Novi Rebekah Lodge News
The regular Rebekah Lodge meeting will be held this Thursday, June 22.
Memorial services last Sunday at the Methodist church were very well attended by the Rebekahs and Odd Fellows of Novi.
Am Vet Auxiliary
The Novi Am Vet Auxiliary will have a white elephant sale on Novi gala days. Contributions will be greatly appreciated. Contact Lulu Whittington or Laree Bell. They are also collecting used postage stamps and old eye glasses.
Methodist Church News
Sunday, July 2 during the church hour, Star of Light attendance awards will be given at the Novi Methodist church. The church picnic was held at Cass Beilton Park on Monday of this week.
On Wednesday, the WSCS had their last meeting until fall at a picnic at Gillett's Park. Maxine and Arline Gillett were hostesses. At work shop they worked on foot stools and stuffed animals for their annual bazaar.
A seventeen year old girl, an exchange student from Holland was a guest at church Sunday. She spoke four languages.
Novi Boy Scouts
Troop No. 54 worked at the troop camp area last Wednesday in preparation for Dad's

STATE OF MICHIGAN County of Wayne ss. 478,026
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the ninth day of June, in the year one thousand nine hundred and sixty-one.
Present Ina G. Kaufman, Judge of Probate.
In the Matter of the Estate of RAY D. HARRISON, SR., also known as RAYMOND D. HARRISON, Deceased.
Charles L. Harrison, former administrator of said estate, having rendered to this court his first and final account in said matter and filed therewith his petition praying that the balance of said estate be turned over to the administrator de bonis non of said estate.
It is ordered, That the Third day of August, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.
And it is further Ordered, That a copy of this order be published once in each week for three weeks, consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.
Ira G. Kaufman, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated June 9, 1961
Cecil A. Bernard, Deputy Probate Register

NOTICE OF PUBLIC HEARING
CITY OF NORTHVILLE
An ordinance to adopt by reference amendments to the Uniform Traffic Code for Michigan cities, townships and villages.
The City of Northville ordains:
Sec. 1. AMENDMENTS TO CODE ADOPTED
Amendments to Sections 4.11, 5.2, 5.4, 5.35, 5.44, 5.76, 5.81 and 5.88 to the Uniform Traffic Code for cities, townships and villages promulgated by the Commissioner of State Police on February 11, 1961, and published in Supplement No. 25 to the 1954 Michigan Administrative Code in accordance with Public Act 62 of 1956, State of Michigan, are hereby adopted by reference, amending Sections 4.11, 5.2, 5.4, 5.35, 5.44, 5.76, 5.81 and 5.88 of Ordinance No. 149 adopted on October 15, 1959.
Sec. 2. NOTICE TO BE PUBLISHED
The City Clerk shall publish this ordinance in the manner required by law and shall at the same time publish a supplementary notice setting forth the purpose of the Uniform Traffic Code and of the fact that complete copies of the code as hereby amended are available at the office of the clerk for inspection by and distribution to the public at all times.
Public Hearing at Northville City Hall on July 10, 1961 - 8 P.M.
1/s/ GEORGE ZERBAL, CHAIRMAN
NORTHVILLE PLANNING COMMISSION

NOTICE OF PUBLIC HEARING
TUESDAY, JULY 11, 1961, at 8:00 P.M.
CITY HALL, NORTHVILLE, MICHIGAN
PLEASE TAKE NOTICE that the Planning Commission for the City of Northville shall conduct a public hearing at the time and place specified above for the purpose of considering the following amendment to the Zoning Ordinance for the City of Northville.
THE CITY OF NORTHVILLE ORDAINS:
That the Zoning Ordinance for the City of Northville shall be amended by adding thereto the following Article:
Article III-B - R-1-H Country Homes District Section 3B.01. USES PERMITTED. In R-1-H Districts, except as provided for in this ordinance, all buildings shall be erected and all land shall be used only for one or more of the following permitted specified uses:
(A) All uses permitted under Section 3A.01, except those uses listed under subparagraph I of Article III-A.
(B) A private stable for the housing of not more than three (3) horses on any lot which has an area of two (2) or more acres.
The following sections of this proposed Article cover the following matters: Building Height, Lot Area Per Family, Lot Coverage, Front Yard, Side Yards, Residential and Non Residential Use, Yards Abutting Side Streets, Yard Requirements for Accessory Buildings, Rear Yards and Off Street Parking.
This proposed Article in its entirety is available for public inspection at the City Hall.

Showers Dampen Class E Activity

Class E. action in the Livonia Recreation baseball league is having a rough time getting started with the weather, beautiful over the weekend, completely knocking out Monday night's action because of rain.

The four local teams were all affected by the showers and the games will be replayed at a later date.

Only the Novi Giants hold a spotless record in the first

Last Inning Hit Decides 5-4 Game

A last inning two-run double by pitcher Mike Turnbull paced the Northville Orioles to a 5-4 win over the Grant Dodgers in Class F action in Livonia last week.

This was the Orioles only out. The weather postponed last Thursday's contest between the Northville Braves and the Senators.

The Braves lost their other game, 7-0 to the Fireman Cardinals. It gives them a record now of five wins and three defeats.

With the score 3, Bob Beller singled for his third hit and Jerry Insland walked to bring up Turnbull. He sent them both home with his hit.

Turnbull allowed five hits and struck out eight. He was relieved by Insland in the last inning.

Beller had a home run and another single to pace the Orioles' nine hit attack. Insland had two hits.

The Orioles are in third place with a 5-2 won-lost record, two-and-a-half games behind the leading Warriors.

Hunters Kill 76,000 Deer In 1960

Michigan's firearm hunters and archers harvested an estimated 76,790 deer during last fall's regular and special seasons, final results of the Conservation Department's post card poll indicate.

As expected, last season's kill figure is far below the 1959 kill of 117,200 deer and represents the first drop in hunter take since 1954. Although the kill failed to hold up with the previous two seasons, it tops estimates for each of the seasons from 1954 through 1956 and closely approaches the 1957 figure.

Archery and firearm license sales were down, as compared with the year before. Archery sales fell from 40,680 in 1959 to 36,420, while firearm licenses totaled 461,380, a drop of 7,000.

Buck kill slipped from 68,210 in 1959 to 47,060, largely due to the season's poor hunting weather and a marked drop in yearlings which generally make up a large percentage of each fall's harvest.

Hunters in the northern lower peninsula brought home 29,040 bucks while those in the upper peninsula took 14,950. Another 3,070 bucks were killed in the southern lower peninsula.

Help Keep State Clean

Campers, picnickers, and other recreationists are being asked to give Conservation Department foresters a bigger helping hand in keeping state forests clean and green during the busy summer season.

While the public has done a good job in the past, more of the same will be needed this year due to an almost certain increase in state forest visits and a recent outbreak in personnel which will add to the normally heavy workload of forestry crews.

Campers can help out by making greater use of trash barrels which again are conveniently located at the more popular campgrounds. Easy-to-find garbage disposal pits are available at the smaller campgrounds.

week of play. They are tied with the Livonia Braves in the Eastern division of the loop.

The Giants spanked the Redlegs last Monday, 7-1, behind the pitching of Jim Mazel. Their rematch with the Redlegs last Wednesday was called after four innings because of darkness. But they didn't mind since they were trailing, 8-1. Dwayne Miller was hurling.

Holding 1-1 won-lost status are Northville Recreation and the Novi Flyers.

Dave Hay

Name Hay As Most Valuable

Dave Hay was chosen by his teammates as the most valuable player on the Northville Mustang baseball squad this spring.

The bespectacled senior outfielder led the team in hitting with a .381 average, cracking out 16 hits in 42 at-bats, scoring 17 runs and knocking in nine others.

Shortstop Steve Juday was elected honorary captain for the year and Tom Daniel, the most improved player.

Juday had a .360 average while Daniel hit .303 after sitting out the first five games on the bench.

Five Mustangs are playing summer sandlot ball. Playing for the Ever-Seven squad in the Detroit Baseball Federation League, Steve Juday is on Ever-Seven's Class D entry while Craig Bell, Tom Swiss, Joe Hay and Jim Juday are on the Class E team.

Physical Fitness For All Ages Starts Monday

A physical fitness program for all ages in the area begins at 8:30 a.m. Monday at Ford Field. It highlights the start of the full program of recreation activities at Ford Field and Cass Benton park.

Each morning Monday and fitness drills will be offered for a half-hour. The climax of the program will be a local Junior Olympic Day with the winners going to the Metropolitan Detroit Olympics.

Director Ken Conley said that the drills are open to all persons, whether 10 years old or 100.

Opening Monday will be knothole softball and baseball, day camp for children 5 to 12 on Ford Field and tennis for girls at 10 a.m. at Cass Benton park courts while archery, and golf begin next Friday.

Tuesday boys tennis begins at 10 a.m. at Cass Benton Park and canoeing classes start at the scout hall on Dunlap street. Continuing daily is swimming at Grooms Beach on Whitmore Lake. Buses load at 1 p.m. behind the Main Street Elementary. There is a charge of 25 cents a day. First week crowds have been good. Children under eight years of age must be accompanied by an adult.

Starting Monday, another bus will load at 12:45 p.m. in front of Amerman school to accommodate children in that area.

Lifeguards this summer are Bob Vissor, Jim Hammond, Carol Sparring and Mary Welch. Registration for the various activities and special events can be made at the scout hall Monday through Saturday from 8 a.m. to noon.

Northville Rec defeated Livonia Emerson, 8-2, last Monday but took it on the chin from the Clarenceville White Sox, 10-4.

The game was decided in the second inning when Clarenceville scored nine times thanks to a host of errors. The White Sox had only four hits, same as Northville.

Monday's game with Palombo Tigers was called after two innings. The score was tied at 1-1.

The Novi Flyers bombed the Wayne County Training School team, 11-1, for their win. Ron Rice was the winner with all-around support from his mates.

Palombo Tigers defeated the Flyers in their first game, 8-3. Dave Cummings and Dave Zielinski worked the mound.

Monday's game went as far as a half-inning before the rains came down. It will be made up tomorrow night on the Novi School diamond.

Failing to crack into the win column yet are the Northville Plumbers. The Livonia Braves beat them, 5-1, last week. Gary Stobbe pitched but had no support in the field.

Three errors and a triple scored three runs for the Braves in their fourth to ice the game. Both teams got just three hits.

The Plumbers held a 1-0 edge after three innings before Monday's rains. Stobbe again pitched, giving up one single.

Last Wednesday, the Plumbers lost a 2-0 game to the Bisons, but it won't count. Due to a schedule mixup, three teams arrived at the same field.

The coaches for the teams are: Northville Rec, Len Luedtke; Novi Flyers, Len Berardi; Novi Giants, Ralph Conrad; and Plumbers, Jim Hammond.

'Any Deer' Hunters Have a Small Take

"Any deer" permittees also experienced a drop in their shooting success. They took an estimated 28,370 antlerless deer and sub-legal bucks, a decline of about 40 percent from the season before.

Antlerless take totaled 18,640 in the northern lower peninsula and 9,420 in the upper peninsula. A special December 1-6 season in Allegan county yielded another 310 deer.

An estimated 130 whitetails were harvested under the camp deer system, 50 below the 1959 figure.

Men Softball First Game Washed Out

Rain put a damper on the opening night of action in the Northville Recreation Department's men softball league Monday.

The scheduled game between the Gravelpitters and Fumblefingers was postponed.

All games start at 6:30 p.m. on the diamond behind Amerman School.

Scheduled to play next week are the Gravelpitters versus Redbirds on Monday, Fumblefingers versus JCs Tuesday, Fumblefingers and Gravelpitters Wednesday and JCs versus Redbirds Thursday.

Managing the teams are: Aubrey King, Redbirds; Dutch VanIngen, Fumblefingers; Maurice LaPointe, JCs; and Don Thomson, Gravelpitters.

Archers fared about the same as other hunters, shooting 1,230 deer for their lowest take in recent years. Following is a breakdown of their kill: upper peninsula, 250; northern lower peninsula, 915; and southern lower peninsula, 65.

Meet Garden City Here

Gal Softballers Out for Revenge

Northville's entry in the Inter-City Women's fastball league will take the field with revenge in their eyes tomorrow night when they meet Garden City at Cass Benton park.

Game time is 6:15 p.m. A much-improved Smith Products squad lost their opener to Garden City 9-6, but since then have taken three games in a row.

These wins were all recorded in a convincing fashion — 3-0 over Ypsilanti Moore's Oldsmobile, 14-7 against the Ypsi Independents and their latest conquest last week, 17-5 over Taylor Center.

On the starting nine are coach Jayne Bittner at first base, Jane Blough, second; Joan Morrison, third; Jennifer Ratliff, shortstop; Cora Billings, leftfield; Sandy Walters, centerfield; Pat Bubel, rightfield; and Clara Simpson, catcher.

June King does most of the hurling. On the bench are Jackie Couzens, Joan Barber, Carol Ann Sparling, Jackie Phillips, Mary Lou Busch and Sharon Mazanec.

In the six team league beside Smith Products are the Garden City Honey Bees, Ypsi Independents, Wayne Passage, Ypsi Moore's Oldsmobile and Taylor Center.

Here is the remainder of the local squad's schedule with home games in capital letters: JUNE 23 (tomorrow) — Garden City; JUNE 28 — MOORE OLDS; July 5 — Taylor Center; July 7 — WAYNE; and July 14 — Independents.

All home games are played on diamond two at Cass Benton Park. Game time is 6:15 p.m.

LET'S TALK CARS . . . School's Out!

Any motorist who has had the unfortunate experience of running over a dog with his car knows how unpredictable an animal can be in time of danger.

Why is this? It is simply because a playful animal just doesn't realize the danger to his life that an approaching automobile can be. Often as not he acts on a fear impulse, runs in the wrong direction — and right under the car's wheels.

If the motorist can't stop in time, an animal can be killed or badly injured by the impact that even a small car can cause.

A motorist driving his car where children are present during these Summer vacation months must realize that the burden of caution is on him. Children engrossed in play are like playful puppies, unaware of danger, and just as unpredictable.

The extra-low speed limits of school zones were not designed by legislators to harass motorists. They were designed so that in an unpredictable emergency — such as a carefree child dashing unexpectedly onto the road — a motorist can stop abruptly.

Give children at the roadside a wide berth, especially those youngsters riding two-wheelers that can suddenly lose their balance and fall in front of your vehicle. And slow down when passing groups of children on the highway where no signs order you to.

It's better to lose a little time than a youngster. Don't you agree?

CELEBRATES 25 YEARS - The Rev. John Wittstock was feted by parishioners last week on the occasion of the 25th anniversary of his ordination into the priesthood.

To Conduct Installation
Installation of the Farmington Moose lodge and new officers will be Saturday, July 8, at the lodge's temporary offices at 33316 Grand River, Farmington.

State Director Harold Kretzinger and Michigan Moose President Clarence Hawthorne will be present for the installation. The state champion degree team from Lincoln Park and the drill team from Dearborn will perform the ritual.

The lodge offices will be open until installation night for those desiring more information. Charter memberships are still open, according to L. R. Masters, state membership director.

At OLV Parisoners Fete Priest
On 25th Year

Parishioners at Our Lady of Victory church surprised their pastor, the Reverend Father John Wittstock, last Wednesday night with a reception honoring him on the 25th anniversary of his ordination.

STOP at NOVI INN COCKTAIL LOUNGE

Police Nab Husband Of Northville Woman Dies

Northville Police Chief Eugene King reported this week that two youths had been caught siphoning gasoline from school buses on the high school campus last Thursday night.

One of them, Alexander Ralph Munio, of 575 Leroy, Detroit, was fined \$25 and court cost by Justice E. M. Bogart after pleading guilty to the charge in court action Friday.

Munio's 16-year-old companion faces action in Detroit Juvenile court.

In other recent court cases, Justice Bogart fined Lewis Brooke, Jr. of Livonia \$25 and cost after finding him guilty of ramming into the back of a car at a stop sign on the corner of Eight Mile and Sheldon roads.

Paul Joseph Foley, 34658 Chestnut street, Wayne, was penalized \$5 and cost on conviction of failing to have his car under control causing an accident.

Frederick J. Watson, 341 East Cady, convicted on the same count was also fined \$5 and cost.

Vincent William Lavender, 87 Margaret road, Whitmore Lake, was ordered to pay \$10 and cost on a charge of failing to yield the right of way causing an accident.

Malinda V. Schrader
A Northville resident 54 years, Malinda V. Schrader, 82, died June 14 at Community General hospital. She had been in failing health three months. Funeral services were held Saturday, June 17 from Casterline Funeral home with the Reverend Peter Nieuwkoop, First Baptist church, officiating. Mrs. Schrader was interred at Rural Hill cemetery. Born in Crediton, Ontario, Canada on March 18, 1879, Mrs. Schrader was the daughter of John and Elizabeth (Wagner) Voelker. She had lived at 209 North Wing street and was preceded in death by her husband, Martin, in 1941. A member of First Baptist church here, she is survived by a son, Howard, Ypsilanti; sister, Mrs. Rebecca Webber, Pigeon; and brother, Jacob Voelker, Saginaw.

News from Wixom

Mrs. Charles Ware
Mr. and Mrs. Leo Cormier of Flamingo held open house on Sunday honoring their daughter Terrie who graduated from Walled Lake high school on Thursday, June 14. Seventy guests were present.

John Power, Jr., another Thursday graduate was also given a party by his parents who held open house for him Sunday afternoon. Sixty-five guests were present. John is employed at Watkins florists.

On Saturday afternoon Dorothy Holcomb and Bill Ruggles were united in marriage.

Mrs. Helene Sutherland, Mr. and Mrs. Jesse Byrd and Mr. and Mrs. John Chambers attended O.E.S. officers dinner Saturday evening given by worthy patron 'Green Wheat and Worthy Matron Lillian Newport at the home of Mr. and Mrs. Cree Wheat, Walnut Lake road. Forty guests attended.

Mayor Don Brooks, Councilwoman Lottie Chambers and Building inspector John Findlayson attended the Mayors and Councilmen's conference at Ann Arbor which was given by the Michigan Municipal League.

Open house was held on Sunday from 2 to 5 by Mr. and Mrs. Ray York honoring their daughter Judy who graduated from Walled Lake high school on Thursday.

Mr. and Mrs. Everett Pearsall and Mrs. Nina Parker had dinner at the Luther Pearsalls in Highland Heights Sunday. The occasion was Mrs. Parker's birthday.

Sunday night callers at the Pearsall home were Mr. and Mrs. Chester Armstrong and Debbie.

Mr. Edd Allen of St. Petersburg, Florida is visiting his niece, Mrs. Jules Nelson of West Maple road.

The Finnish Camp of Wixom for Johannes festival which will be held this weekend which will be climaxed by the lighting of a large bonfire at midnight on Saturday honoring St. John.

Mr. and Mrs. Williams and Oscar Mettala were Sunday dinner guests of the Gunner Mettals.

Lloyd Preston is in New Grace hospital.

Mr. and Mrs. Norman Backett and Mr. and Mrs. Charles McCol attended the funeral of Mr. Brackett's father, Bill Brackett at Evert, Michigan on Monday, June 11.

Mr. and Mrs. Clarence Shelton and family were dinner guests of the Bernard Kitsons on Sunday.

Mr. and Mrs. Melvin Van Amberg entertained their daughters, Mr. and Mrs. Keith Coykendall and family, Mr. and Mrs. Bill Parten and son and Mrs. Florence Van Amberg. Fred Dumka is in Northville

BUILDING SELF CONFIDENCE
How often the wisdom of man is in conflict with the wisdom of God. Since man sinned he just doesn't think straight and needs to have his thinking adjusted by the Word of God. For example, we have many articles written encouraging people to build up confidence in themselves. The Word of God teaches us just the opposite, Paul said, "Having no confidence in the flesh." Philipians 3:3. We are encouraged to put our confidence in the ability and the power of the Lord, and to distrust ourselves. The advice of the world's wisdom is little better than the advice of a pagan religion. A Japanese woman whose heart was yearning for someone on whom to lean said, "I went to the temple and someone drew lots for me to see if I could get some comfort. Opening the package which fell to me, it said, "There is no help for you. Lean on your own shadow and go on." No matter what we have been called to do in service to the Lord, or to man, Christians can draw upon the power of God to perform that task. He need not lean upon the shadow of his own self-confidence. "HE BECOMES OUR STRENGTH AND SHIELD."

Obituary
NORTON GREENE
Funeral services will be conducted from Casterline Funeral home Saturday at 1 p.m. for Norton Greene, 71, who died Wednesday at Veterans Administration hospital in Ann Arbor. Mr. Greene, a retired electrician, had lived in Northville since 1903. His home was at 334 River street. Three nephews survive: Roy Smitherman, Plymouth, Donald M. and H. Sheldon Green, Ventura, California. Mr. Greene was born August 27, 1889 in Waterford, Wayne county, to Horace S. and Harriet (Thomas) Greene. He was a charter member of Northville's Lloyd H. Green American Legion Post 147, a life member of Lodge 186 F&AM and was also a member of Northville's VFW Post 4012 and the 310th Engineers, Wayne County. The Reverend Lloyd Brasury, First Presbyterian church, will officiate at funeral services. Interment will be at Waterford cemetery.

MALINDA V. SCHRADER
A Northville resident 54 years, Malinda V. Schrader, 82, died June 14 at Community General hospital. She had been in failing health three months. Funeral services were held Saturday, June 17 from Casterline Funeral home with the Reverend Peter Nieuwkoop, First Baptist church, officiating. Mrs. Schrader was interred at Rural Hill cemetery. Downs Shows Its New Look

Northville Downs' grandstand will look \$300,000 better when racing fans take their seats for the opening of the 18th season at the local harness track Friday night

Pictured on this page are a few of the improvements made by Executive Manager John Carlo, who's making a strong pitch to bring another harness meet to Northville — the fall Jackson Raceway event.

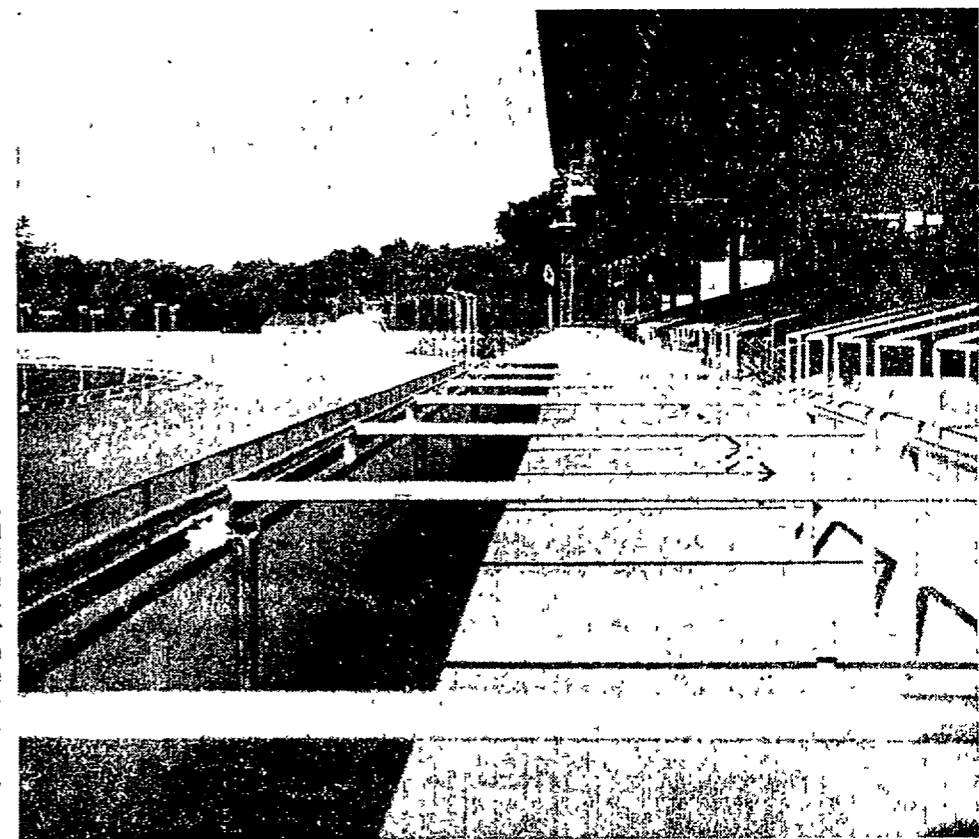

If improvements will turn the trick, Carlo's got a fast start. Two years ago he announced a \$2,000,000 improvement program and proceeded to build new fireproof barns and install all new track rails and lighting.

This year the grandstand was completely renovated. Wood has been replaced by steel and concrete. And bettors will like the new mutual department under the stands. There are seller windows at both ends with cashier windows in the middle section. Each window is illuminated by a numbered light globe.

The stands also feature a new sound and lighting system.

AT LEFT — Suspended from the roof of the grandstand are the all-new facilities for timer, press, program, judges and photographer. Each has a separate room, modernly equipped.

ABOVE — All concrete and steel now, the grandstands also provide a new box seat arrangement.

AT LEFT — Pre-cast marbleite provides an attractive front along the full length of the stands in front of the box seats.

BELOW — The Downs' track is in top shape, too, and this is important to the horsemen. With only trotters using the track the surface is ideal for fast times. Last year all new rails and lighting system were installed on the track.

Hadley J. Bachert,
Township Clerk

OUT OF THE PAST

ONE YEAR AGO

— Northville Downs got off to a slow start customer-wise in its first two nights of racing. But the track was fast and predictions were heard that new times would be set before very long. Over 8,000 fans saw the first two nights of racing.

— Final papers were being prepared to annex the city dump, 10 acres located along the east side of the C&O railroad.

— Opponents of the proposed Kenny-Russell landfill on 12 Mile road in Novi received unexpected ammunition when it was reported that one of the proposed landfill property owners had severed business relations with the landfill promoters.

— Solicitors began banging on doors of Walled Lake shore owners to get funds for a weed control program. Oldtimers in the area call the lake situation the worst ever.

— Planning Board Chairman Vincent Miklas, alarmed over the poor attendance at meetings, appointed William G. Pfaff to the board and started a search for one or two more members.

— Northville city councilmen were cautioned to not rush into the city hall plan by the former chairman of the city hall study committee.

FIVE YEARS AGO

— Northville received \$7,687 as its share of gas and weight taxes.

— Voting machines were used for the first time in Northville in the special election called to annex Yerkes Estates into the city.

— Gradually, plans are being formulated to consolidate the four school districts in Novi into one, able to support an elementary and high school system. The Durfee district's petition to go into the Northville system is causing a delay in finalizing the step.

— The Novi Township Board heard attorney Archie Leonard rule that the appointment and installation of Charles Trickey, Jr., as treasurer was legal and proper.

— A \$1,289 budget was approved by the PTA Executive Board. There was no major increase over the previous year.

— Over \$1,500 damage was done to Novi School when heavy rains caused a short circuit. Quick action by the firemen prevented further damage.

— The fish are biting in Walled Lake and how. Two Novi Township children have the marks to prove it after they

Atty. Philip R. Ogilvie
162 E. Main Street,
Northville, Michigan
STATE OF MICHIGAN
County of Wayne
ss. 490,945

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the eighth day of June in the year one thousand nine hundred sixty-one.

Present, Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of ELIZABETH CLARK, Deceased.

On reading and filing the petition, duly verified, of Harley D. Wolfrom and A. Russell Clarke, Co-Executors under the Last Will and Testament of said deceased, praying that they may be licensed to sell certain real estate of said deceased for the purpose of carrying out the provisions under said Will;

It is Ordered, That the nineteenth day of July, next at ten o'clock in the forenoon, at said Court Room be appointed for hearing said petition, and that all persons interested in said estate appear before said Court at said time and place to show cause why a license should not be granted to said co-executors to sell real estate as prayed for in said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said County of Wayne.

Ernest C. Boehm,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated June 8, 1961
Harry Bold
Deputy Probate Register

were bitten by fish while wading.

FIFTEEN YEARS AGO

— Northville students graduating from the University of Michigan are Dorothy Jean Congo; Louis Eaton; Shirley Musolf and Lella Rossow.

— Republican Kim Sigler carried both Northville and Novi in the primary election. He is running for governor. His Democratic opponent is Van Wagner.

— After several weeks' enforced vacation, about 600 workers returned to the Ford Valve plant.

— Robert E. Taggart was elected president of the Presbyterian Men's club.

— At the final school meeting, Putnam school was voted closed by a 23-21 vote. Students will now attend Novi school.

— Rev. W. Leslie Williams returns to the Methodist church parsonage for his sixth straight year.

TWENTY-FIVE YEARS AGO

— Elizabeth Mayer is, valdicatorian and Florence Me Cluskie, salutatorian, of this year's Northville High graduating class.

— Dr. L. W. Snow was re-elected trustee of the American Institute of Homeopathy for the seventh year at a Detroit convention.

— Elmer Gene Perrin and Herman Berendt were among those graduating from Michigan State college.

— The lowest rate for several years — \$18.82 — was approved by the Northville village council. Last year the rate was \$19.47.

— A newsy note item: Eight men, using one truck, one melting pot and two wheelbarrows are making minor repairs on Northville's main street.

— Some meat prices: split ribs, three pounds for 25 cents; hamburger, 10 cents pound; lamb, 10 cents a pound.

In Willowbrook

Mrs. George Ames GR 4-0830

Mr. and Mrs. Richard Smith are happy to announce the birth of a son, James Foster Smith on June 11 at Mount Carmel hospital in Detroit. The baby weighed seven pounds and eleven ounces. The Smiths have an older daughter, Maryann, two. Mr. and Mrs. Thomas J. Mullaney of Detroit, and Mr. Roy Foster Smith of Bloomfield Village are the grandparents.

— Marilyn Ames spent the weekend in Brighton visiting her aunt and uncle, Mr. and Mrs. Rolf Owen.

— Ann Diebol was hostess to the Thursday Bridge club last week. Jean McClelland was a guest player. Bernice Conneff had high score at this, the last meeting for the summer.

— Mr. and Mrs. William Reiss spent Saturday evening in Detroit with former Willowbrook residents, Mr. and Mrs. Robert Bamford.

— Mr. and Mrs. Ted Coan, Mr. and Mrs. Dale Henry, Mr. and Mrs. Ed Blackwell and Mr. and Mrs. Duane Brauch gathered at the home of Mr. and Mrs. Tom Dukes for the evening last Saturday.

— Mr. and Mrs. E. A. Radtke, Sr. spent Sunday here visiting Mr. and Mrs. Robert Radtke.

— Mr. and Mrs. Gordon Promo are happy to announce the birth of a daughter, Tammie Ann, on May 29 at Highland

Park. General hospital. Her birth weight was six pounds and four ounces. The Promos have an older daughter Linda, who is four and a half. Mr. and Mrs. R. Stark and Mr. and Mrs. L. Promo all of Detroit, are the grandparents.

— Kay Bowman won first prize and Alice LeWitter won booby when the Willowbrook III bridge club played at the home of Shirley Thorpe last Wednesday.

— Mr. and Mrs. Robert McKeon celebrated their 11th wedding anniversary with cocktails at the home of Mr. and Mrs. Bob Coleman and dinner at the Old Mill Saturday evening.

— Dennis Heaton, son of Mr. and Mrs. Roland Heaton, and Ann Gallegher, daughter of Mr. and Mrs. William Gallagher, participated in the Grinnell 100 Piano Recital at the Coliseum, Sunday.

— The OLV Mother's club held a white elephant auction at their June meeting last Tuesday.

— Ruth George was hostess to the Wednesday Bridge club last week. Jo Benson and Dee McKeon were guest players. Jo won first prize, Marguerite Parent, second and Dottie Flattery consolation.

— Mrs. Robert McKeon entertained 14 of her classmates from Mercy college last Wednesday evening.

The need to follow Christ Jesus' example by healing the sick compassionately through prayer will be stressed at Christian Science churches Sunday. Scriptural readings in the lesson-sermon on "Christian Science" will include (Matthew 9): "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd."

A correlative selection to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 37): "It is possible, - yea, it is the duty and privilege of every child, man and woman, - to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness."

In Uniform

Joseph McNeiece
Joseph Robert McNeiece, son of Mr. and Mrs. William McNeiece, 103 North Rogers, is home for a 14 day visit with relatives and friends.

He graduated from Great Lakes Boat camp June 3. After leave he reports to Sonar School, Key West, Florida for 26 weeks to learn about underwater listening devices of our modern Navy.

Then McNeiece travels to New London, Conn. for an eight week submarine school. After successfully completing these schools, he will be assigned to one of our new submarines for further training and duties.

Before enlisting, he attended Northville High school.

Larry Kupsky, 17-year-old son of Mr. and Mrs. Floyd Kupsky of 318 Yerkes, has joined the Army and is taking basic training at Fort Knox, Kentucky. Kupsky left May 25.

Methodist Women Hold Family Picnic

The Woman's Society of Christian Service of the First Methodist church of Northville concluded its year's activities with a family picnic at Happy Acres, home of Mrs. William B. Walker on Eight Mile road on Tuesday, June 13th.

A tour of the gardens and swimming followed the luncheon and brief business meeting.

The new officers for the coming year were introduced to the members. They are: president, Mrs. Paul Beard; vice president, Mrs. Douglas Bolton; secretary, Mrs. Andrew Orphan; treasurer, Mrs. Fred J. Hicks; secretaries of promotion, Mrs. O. F. Reng spiritual life, Mrs. A. Russell Clarke; missionary education, Mrs. Wm. Canfield; supplies, Mrs. Ray Gregeren; christian social relations, Mrs. Wilson Clark; local church activities, Mrs. Marjorie Lanning; literature, Mrs. Charles George; student work, Mrs. Russell Atchison; youth work, Mrs. Kenneth Cockin; children's work, Mrs. Harold Marks.

The chairmen and co-chairmen of circles: Filkins, Mrs. Mable Cooley and Mrs. Robert Dixon; Neal, Mrs. Floyd Gregory and Mrs. Merner Eilber; Tremper, Mrs. Robert Gotts and Mrs. Ray Westphall; Seeley, Mrs. Allan Peterson. The chairmen of committees: nominating, Mrs. Harold Marks; membership, Mrs. Fred Russell; sunshine, Mrs. Cass Bolton; publicity, Mrs. Ward Schultz.

The regular meetings each month will resume in September.

Teachers Eligible For Social Security

All teachers eligible for social security benefits may apply for compensation for the summer months, the research division of the Michigan Education Association announced.

Any woman teacher aged 62 or over and any man teacher aged 65 or over who has met the work requirements for social security is advised to contact his local social security office at once to apply for such benefits during June, July and August.

However, teachers are not eligible if they earn more than \$100 during each of these months or render substantial services in self-employment, according to the research division.

Teachers who qualify may be eligible even though they are paid on a 12-month basis since they earned the money during the school year.

The research division's findings are confirmed by the Lansing Social Security Office.

Our Lady of Victory Church

YOU HAVE YOUR CHANCE NOW!

There are certain prominent social functions to which we have no entrance. We were not invited, but we do not feel bad about this. We do not expect to associate with those who are so far above us in the social register.

A man who does not play golf does not feel disappointed if he does not win some national golf championship. He could not expect to win it. And so it is with so many other things in life. If we have no chance at something, we do not regret being left outside.

It is far different, however, with something we do have a chance at. No matter how good we might be in sportsmanship, we feel keenly a defeat where we felt we might have won. So,

too, to be excluded from some group because they vote us out is a sad and frustrating experience.

Now what do you think must be the feeling of one who is denied entrance into heaven? Man cannot afford to be indifferent about this. He was made for heaven. He has a yearning for heaven, but because of his own fault he is now excluded from the happy place for which God created him.

In the parable of the wedding feast, as contained in the St. Matthew's Gospel, twenty-second chapter, the man had a chance to be present at the wedding feast because he was invited. He could have been a guest and enjoyed the party if only he had taken the pains to come properly dressed. It was his own fault that he was cast out.

Therefore, Christ would teach us by this parable that we must meet the conditions if we are going to enter heaven. Friendship with God is that condition. Without it we will be excluded.

Hell is just one big, eternal and frustrating regret. Those there would tell us that they could have been saved had they in life accepted the invitation to be guests and friends of God, but they refused by their constant attachment to serious sin and by their refusal to reform their lives.

Do not lay aside the invitation to be Christ's guest. Put on the wedding garment of friendship with God and you will enjoy the feast that the King of Kings has prepared for all those who love him. You have your chance now.

SWING high LOW

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

This is life! On top of the world . . . then lost in the depths.
For a child it can be exciting sport. For a grownup it is bitter reality.
No other resource in life is better geared to this frightening swing than religion. For centuries it has provided purpose for our summits, and courage for our valleys.
Don't let some imagined sense of the inevitable chain you to the pendulum of fate. The Church, its message rooted in the life of Jesus Christ, offers all then a Faith for climax . . . and for crisis.
Attend church next Sunday. Let the love of God invade your defeats . . . add opportunity to your victories

Northville, Novi Boys Elected at Wolverine State

The following boys from the Northville and Novi area were elected to city and county offices in elections held at the 24th Wolverine Boys' State.

Thomas M. Swiss of Ridge road — City Councilman, City of Buchanan; James R. Morris of Nine Mile road — Justice of the Peace, City of Arthur; James S. Frisbie of 11 Mile road — City Councilman, City of Adams; Dikran Ornekian of Angeliqne — Circuit Court Commissioner, Co. of Bagley; Gary man, City of Hayes.

The youths were elected from the 1,080 teenagers from all parts of the state of Michigan who are participating in the annual "51st State" which is designed to instruct and educate the boys in the principles and values of a democratic and constitutional form of government.

With the city and county elections out of the way, the boys are busy "politicking" in conventions for state officials and the coveted office of Governor of Boys' State. The two simulated political parties, Federalists and Nationalists, are loudly caucusing in direct imitation of national conventions.

PARTY PROCEEDS — Joseph Gill, Northville State hospital business manager, receives a check for \$300 from Hospital Auxiliary President Mrs. Louis Pearlman. The money was raised by the auxiliary at an April card party. Looking on are (left) Mrs. Byron Champion of Plymouth and Mrs. Lawrence Wright of Northville (right).

Auxiliary Helps Hospital With \$300 Donation

The yearly potluck picnic of the Northville State hospital auxiliary was more than just an assortment of fancy food.

Included in the menu was a \$300 check given to Joseph J. Gill, business executive of the hospital, by Mrs. Louis Pearlman, president of the auxiliary.

The check represented proceeds from the annual card

party given in April by the auxiliary and will be used wherever the hospital finds a need.

Thirty-five members were present at the meeting held at the home of Mrs. Crispin Hammond, 47100 Timberlane, last week. After the potluck lunch was served the members listened to a talk given by Mr. Gill who pointed out that this money is used for hospital equipment the hospital budget cannot carry. He also told of the problems facing a large state hospital operating on a limited amount of money and personnel. More personnel is put in medical departments, rather than maintenance in a constant effort to keep the medical group as high as possible.

There is always a need for help on a volunteer basis and anyone interested should contact Louis Schmidt, Director of the Community Relations Department of the hospital.

Mrs. Conser To Head '61 Torch Drive

Mrs. Cyril M. Brown, 7439 Charlesworth, Dearborn, Regional Torch Drive Chairman, has appointed the following community chairmen for the 1961 Torch Drive:

For Northville, Mrs. Hugh Conser; for Livonia, Mrs. Howard G. Stickles; for Redford Township, Mrs. Paul P. John; for North Dearborn Township, Mrs. Malcolm P. Graham; and for Garden City, Mrs. John P. Yori.

Community chairmen will work with Mrs. Brown and with Mrs. Stanley G. Schultz of River Rouge, Western Wayne County Chairman, in recruiting and organizing volunteer solicitors to work in the annual "give once for all" fund-raising drive which starts next October 17. Money raised in the drive will be used to finance the 1962 budgets of 195 health and community services.

Food, Freedom

Babson Park, Mass., First let me say that farm prices affect everyone, not simply the farmer. They affect every consumer who reads this column. We all have to eat; and indirectly we pay what the farmer gets for his crops.

As I have time to reflect upon President Kennedy's recent radio-TV report on his meeting with Mr. Khrushchev, it boils down to this, — Mr. Khrushchev does not want war and is willing to cooperate on negotiations for disarmament, but he feels that Communism will gradually sweep over the world and will win without war. Of course, President Kennedy in a manful manner said "We will not allow this." There it ended in a peaceful tie.

After he talked with Macmillan in London, they concluded that the only way to stop this Communist "glacier" would be by providing the backward nations with something better than Khrushchev could offer. Furthermore, to be effective, we must not only do it as free nations, but do it first, with the United States carrying the burden of the load.

President Kennedy refers to the need for education, new industries, more healthful living conditions, and food; but this is looking ahead ten or more years. The people in these poor countries, which Communism plans to take over, one by one, cannot wait for food.

Therefore, the fight between Communism and freedom will depend largely upon which side will first supply these poor people with food and the ability to immediately raise more crops.

In short, it seems that this cold war will be fought by farm products rather than by missiles, submarines, or men. It further seems that Congress will heartily back this new program. Most congressmen are glad to help the farmers, and all Congressmen know that American mothers would rather be taxed more than send their sons to fight in guerrilla warfare.

A study of economic history shows that general prosperity (including stock prices) is basically determined by the condition of the farmers. The farmers' prosperity is usually determined by the price which they receive for their crops — provided the weather is normal. This means that a greater demand for farm products should mean higher prices and greater

prosperity for all.

Farm prosperity benefits the railroads, the harvester companies, and a host of other industries. From the time the farmer plows his ground until he reaps his crops, he is spending money. The higher the prices he receives, the more the farmer spends to the benefit of all concerned. Even the weather is not the factor it used to be, due to the use of improved seeds and methods of cultivation.

Up to the present time, the discussions in Congress as to how best to aid the farmer have been very controversial. The Congressmen from the Central West have fought for greater appropriations for the farmer; while the Congressmen from the East, the section which pays most of the taxes, have fought for some more realistic plan than President Kennedy has heretofore proposed.

Now, if the President carries out his program to help those poor nations, the farm problem will become a national affair and be classified under Defense.

Therefore, let me summarize: (1) President Kennedy has been told by Khrushchev that Communism will win by helping the poor nations and by using guerrilla warfare when necessary.

(2) The immediate help which the poor nations need is food and the ability to grow crops on their own soil.

(3) This means that the side which is to be the most successful will be the one which acts first. Mr. Khrushchev as a dictator can act quickly, while President Kennedy will be handicapped by committees, politics, and Congressmen. This thought is not so optimistic.

(4) When President Kennedy left on his trip he was being advised to "freeze prices and wages"; but since his return, he asks only to be dictator to the extent of carrying out the above proposals as a part of the Defense Program.

Michigan Mirror

Providing Recreation

Where do the kids that crowd our schools go in the summer? A silly question? Maybe, but one that should mean much to any citizen, parent or not, who has stopped to contemplate the tremendous job it is to provide recreation facilities for youngsters.

A really great many youngsters flock to the playgrounds, swimming pools and libraries provided by villages, townships, cities, counties and the state of Michigan.

Recreation, like almost every other facet of modern-day life, has become big business.

Therefore, it has big problems. Overstrict and complicated child labor laws make it difficult or impossible for boys and girls to get even menial summer jobs. Kids who are old enough want to play ball. They want to swim, and do handicraft work. The younger ones want play equipment to climb, slide on, jump over and occasionally fall off of.

Generally, municipal units of government carry the biggest load in the struggle to provide adequate recreation. And generally, they do a good job.

The Recreation Association of Michigan, an affiliate of the Michigan Municipal League, is one of the groups that provides a place where recreation officials can exchange ideas about the complex problems of setting up programs to provide the best possible recreation.

Among the questions which come up each time a city or other unit of government gets ready to set up its recreation program are those concerning budgets; what equipment to buy; how to organize a baseball league; what do kids in various age groups like to do best, and on and on and on.

Everybody interested in his children should also be interested in his local recreation program. For the rural resident, the outings organized by groups for rural children often use the facilities of a local unit of government, or the state. In the city, the programs help keep the young people busy, exercised and out of trouble.

Not only must the proper facilities be provided, supervision must be adequate and safety be stressed.

One of the most complex questions ever to face the Michigan Legislature was the huge bill which revised the code of judicial procedure for the state. Lawmakers in 1961 passed the bill, after failing to get around to it the year before. It was signed into law by Gov. John B. Swainson.

While it won't take effect until 1963, and is almost certain to be changed in more than one respect before it even becomes operative, it could prove to be the most far-reaching step in many a year.

It's safe to assume that not more than a handful of legislators ever read the proposal from cover to cover. In its latest form it was 664 pages long.

As backers of the bill said during its course through the lawmaking process, it had to be taken largely on faith.

The faith was in a committee of the State Bar of Michigan, in numerous lawyers, judges and professors who had a hand in compiling the document, and in the belief that the judicial and law professions will make the best use of the new procedures.

Despite the roughly four years of study that went into making up the revision, the first revision of the Judiciary act since 1915, there are bound to be loopholes. Hopefully, most members of the bar will be

quick to point out the loopholes to the legislature, and slow to use them to the detriment of citizens seeking justice.

A quarter of a century is a whale of a long time to look ahead when trying to plan for something as complex as highway needs.

But Highway Commissioner John C. Mackie has handed just that assignment to a committee of seven experts in engineering, planning and administration who combined have a total of 226 years in highway building.

Mackie told the committee to find out what Michigan's highway needs will be in 1980, and then figure out how to meet them.

Technological advances alone, in the automotive industry, in the construction business and in hundreds of related mechanical and electronic fields, can be safely predicted as staggering.

The assignment presents an unequalled challenge for the men to whom it was handed. Mackie had trouble 25 years ago. Even men of vision would predict the vast interstate system as it exists today. The men on Mackie's committee in a sense have the future of Michigan motoring in their hands.

Local Firm Distributes New Industry Product

A Northville concern, S & S Engineering company, has announced a new oil-base, water-soluble oil called "Mastercut" that virtually eliminates heat caused by shock and stress in all metal working operations.

Paul Stueckle of 119 Walnut, an officer of the company, said his firm is area representative for Ohio Industrial Research corporation.

"The oil may be reduced with water from 10 to one up to 40 to one concentrations, depending on the nature of the all metal-working operations," Stueckle.

"It will not separate as most soluble oils do and will remain in suspension to a 97.5 per cent concentration."

"Using 'Mastercut' in the recommended proportions, both frictional and internal heat is reduced to a point where maximum tool life becomes a reality," said Stueckle.

"The oil incorporates a skin cream which controls bacteria and also acts as a cleansing agent, thus controlling rust and rancidity. It is free of sulphur and chlorine and no phenols are present."

"The new oil is the result of nine years of research and development."

"It has been tested successfully for lubricity on more than 600 various metal alloy formulations and is in successful use in many leading metal-working plants."

8 REASONS FOR SAVING AT MANUFACTURERS!*

Your savings, small or large, are important. It is also important that these savings work for you—earn for you! And, it is important to know the savings plan best for you. Here are some of the reasons why Manufacturers is the Bank for your savings:

1. 3% annual interest paid on all Savings Accounts
2. 3% interest paid and compounded every 3 months instead of every 6 months.
3. Deposits made by the 10th of any month earn at the new 3% annual rate from the 1st and are considered to have been on deposit a full calendar month.
4. Deposits to your account earn interest at the full rate FOR EVERY FULL CALENDAR MONTH, ON DEPOSIT.
5. 3% interest is paid on every dollar of your savings.
6. Manufacturers Bank is a member of FEDERAL DEPOSIT INSURANCE CORPORATION and depositors funds are protected to \$10,000 by this agency.
7. It is practical to save where you may borrow if necessary. Your Savings Account at Manufacturers Bank helps establish your bank credit.
8. There are over 40 offices to serve you and any Manufacturers office can take care of all your savings, checking, borrowing and trust needs.

129 Main Street, E., Northville

SPEAKING for the Record

by Bill Silger

One of Northville's biggest taxpaying industries, Northville Downs, will be opening its 18th season Friday night.

Harness racing fans will flock here from throughout the State — and they'll find that a number of changes have been made.

During the past two years the local track has been carrying out a \$2,000,000 improvement program which started with replacement of eye-sore wooden barns, a completely re-built track, new rails and lights.

This year Executive Manager John Carlo has tackled the grandstand. The structure has been stripped of its wooden floors and beams and dressed up in solid steel, concrete and aluminum.

Cost of the improvement was \$300,000.

Next on Carlo's agenda for dressing up the Downs is an addition to both ends of the stands, a deepening of the stands to provide a mezzanine and installation of a full tote board in the center of the infield to replace the present facility.

This work will begin at the close of the current 38-night season. A clubhouse facility to replace the present bleachers is also in the planning stage.

It all adds up to a big investment in a local industry. It should result in bigger business for the Downs and more tax dollars for the city and school district.

Regardless of how one may feel about harness racing or pari-mutuel betting, it would be difficult indeed not to applaud the improvement program now going on at the Downs.

Manager Carlo believes that the local track will one day become one of the finest harness ovals in the nation.

About racing we know very little. But such facilities can be true beauty spots within a community — landmarks of which we can be proud.

Thus we congratulate the Downs on its improvement program. And we hope that the result of the investment will be more fans through the turnstiles, more tax dollars for the community and a "before and after" subject for the Beautify Northville committee that other industries and business places might use as an example.
