No Topping These Rolls

No one, but no one — not even Betty Crocker, we'll wager — serves up a batch of refrigerator rolls to match those Mrs. Howard Meyer whips up in her kitchen at 48120 West Eight Mile road.

Shaped like figure eights and brushed with butter, the rolls have won Mrs. Meyer the plaudits of everyone who has tasted them.

Up to this week — when the homemaker agreed to share some of her favorites with Kitchen Diary — the recipe could be found in the files of only a few. But here it is, along with three other Meyer specialties — deep freeze lemon pie, filling and frosting for sheet cake and chocolate fudge.

REFRIGERATOR ROLLS
Mrs. Howard Meyer

2 pkgs dry yeast
2 cups warm water
1/2 cup sugar
2 t salt
6 1/2 - 7 cups sifted flour
1 egg
1/4 cup melted shortening

Dissolve yeast in water; add sugar, salt and half the flour. Beat two minutes. Add egg and shortening. Beat in remaining flour. Mix with hands until smooth. Place in greased pan; cover with damp cloth and place in refrigerator. Punch down occasionally. Two hours before baking cut off amount needed.

Roll into oblong half-inch thick; spread with soft butter. Fold over in half; cut in half-inch strips. Shape into figure eights. Place on greased pan, brush with melted butter. Let rise until double (about two hours). Bake 12-15 minutes at 400 degrees. Makes 50-60 rolls.

DEEP FREEZE LEMON PIE
3 egg yolks, beaten
1/4 cup lemon juice
1/2 cup rind, grated
1/2 cup and 1 T sugar
dash of salt
3 egg whites, stiffly beaten
1 cup heavy cream, whipped
3/4 cup vanilla wafers, crushed

Combine first five ingredients and cook over hot water until thick; cool. Fold in whipped cream and beaten egg whites. Sprinkle half the vanilla wafers in freezer tray or glass cake pan, add lemon mixture and cover with remaining crumbs and freeze.

SHEET CAKE
FILLING AND FROSTING
Split a 9x13 butter cake; fill with:
1 cup brown sugar
2 T butter
1 T water
1 egg yolk

Mix; cook over low heat for five minutes. Add 3/4 cup ground nuts. Spread quickly.

Frost with:
1 1/2-2 cups powdered sugar
1/2 cup butter
2 egg yolks
1/2 t vanilla

Cream sugar and butter. Add egg yolks and vanilla; beat.

CHOCOLATE FUDGE
2 cups granulated sugar
1/4 cup milk
1/4 cake of Baker's chocolate
1 T butter
1/2 t vanilla

Put sugar and milk in pan. Bring to boiling point without stirring. Add chocolate and stir constantly until done. Just before removing from fire add butter. Fudge is done when a few drops dropped in cold water form a soft ball. Cool without stirring; add vanilla and beat until creamy. To use as cake icing, thin with a little sweet cream.

News Around Northville

Mr. and Mrs. I. Paul Terry, back at their 15 Timberlane of 825 Carpenter, returned this week from a three-week vacation to Washington, D.C. and Florida. Returning with the Terry's for a visit here was Kathy Lyke, daughter of Mr. and Mrs. Robert K. Lyke, former Northville residents now residing in Pompano Beach, Florida.

While vacationing in northern Michigan, former Northville residents Mr. and Mrs. Erwin Richter, Hagadorn street, South Lyon, were called home by the sudden death of Mrs. Richter's father, Mr. Arthur Lucas, Dearborn.

The William B. Crumps are born.

50 YEARS AGO — Mr. and Mrs. Fred Hicks of 654 Horton, celebrated their Golden Wedding anniversary Sunday, July 9 at a reception given by their son and daughter-in-law, Mr. and Mrs. Fred J. Hicks, Jr., of 810 Horton. About 100 guests were at the afternoon reception.

Women Fly to Europe For 'Witness' Convention

Two Plymouth women, Marion Finnegan and Edna Willoughby will attend the International Jehovah's Witnesses convention in Europe July 11 through August 11.

Both women are employed in Plymouth — Mrs. Finnegan at Stop and Shop super market. They leave Metropolitan airport this week destined for Copenhagen, Denmark. Delegates from all over the world will make the convention the largest Christian convocation ever held in Scandinavia. An anticipated 25,000 delegates are expected to assemble in the football stadium at Copenhagen's sports center.

Hamburg, Germany will host the spectacular convention July 18-23. This world renowned harbor city will see its population of about two million soar when an estimated 80-90,000 persons pour into the city.

The international assembly will be held in the Palazzo Dello Esposizioni in Turin, Italy, July 18-23. Jehovah's Witnesses will gather at Twickenham, London, England from July 25 through 30. The Paris assembly will be held in the Parc des Princes, a sports stadium.

The primary objective inspiring the gathering is to make known and to glorify the Supreme God Jehovah and to announce his purpose on earth.

ORIENT CHAPTER 77, O.E.S. is holding a potluck picnic and pool party at the worthy mason's home, 15810 Harrison, on Sunday, July 16. Dinner will be at about 1 p.m. Members asked to bring a passing dish and their table service. Beverages will be provided.

Mr. and Mrs. J. E. Straus, 23893 Beck road, attended the National Square Dance convention at Cobo hall last week. They were at the hotel dances Wednesday night, and joined other square dancers who were swinging their partners on Woodward avenue after Saturday night's Cobo hall meet.

Mrs. George L. Mazanec of Bessemer, was in Northville last week to visit her son and daughter-in-law, Mr. and Mrs. T. L. Mazanec, 316 Griswold. Mrs. Mazanec had just concluded a week-long tour through Canada.

Dinner guests at the Detroit home of Mr. and Mrs. Jim Robertson last Saturday night were Mr. and Mrs. J. E. Straus of Beck road.

Mrs. Jim Spagnuolo, Main street, was called to Ypsilanti Thursday to the bedside of her daughter-in-law, Mrs. Eugene Melbourne, hospitalized with a back injury.

City Manager and Mrs. John Robertson were host and hostess at a dessert-convivial in their Ely court home Friday evening. Mayor and Mrs. A. M. Allen, Mrs. Richard Juday, the Richard Ambers, John Canterburys, William Silgers and Philip Ogilvie were guests.

The George Clarks, 849 West Main, returned recently from a trip that took them on the circle tour around Lake Superior.

July 5 Dr. and Mrs. M. Richards of Birmingham, and their daughter, Mrs. Harry Post and children of Washington, D. C. joined Mr. and Mrs. J. E. Straus on a cookout at Cass Benton park.

Garden Club Picnicked Monday

Annual picnic of Northville branch of the Woman's National Farm and Garden association was held Monday, July 10 at the home of Mrs. William B. Walker.

The women split into two groups, contestants and judges, for a game after the business meeting. Contestants were given sacks of material to use in making arrangements. Judges awarded a prize of garden tools to Mrs. Edwin Mueller and Mrs. M. L. Hoysradt, who in turn gave them to the horticultural therapy committee for use at Northville State hospital.

10 Rainbows

Go to MSU

Ten Northville Rainbow girls attended the Thirty-third Grand Assembly held in East Lansing on the campus of Michigan State University June 29 to July 2.

Miss June Cutright, worthy advisor of Northville Assembly 29, was appointed grand representative to Kansas for the coming year.

Janet Famuliner, past worthy advisor and 1960-61 grand representative to North Dakota, was one the grand escorts. Linda McKinney, past worthy advisor, was a grand page. Shona Davies, Pam Milne and Sue Bonner were in the grand choir.

Three members of the Northville Rainbow board and two Rainbow girls received their Grand Cross of Colors. They were: Mrs. Frances Famuliner, mother, advisor, Mrs. Fran Tewksbury, Mrs. Edna Tremor, Linda Cutright and Janet Famuliner. Rita Bradford was cited for an attendance award.

On July 8, Northville Rainbow girls will observe Founder's Day by having a pool party and potluck dinner at the home of Mrs. Sterling, 15810 Harrison road, Livonia.

Engagements

The engagement of their daughter, Lois Marie, to James M. Hollis is announced by Mr. and Mrs. J. Bine Leavenworth, of 588 Randolph. The bridegroom-to-be is the son of Mr. and Mrs. Roy Hollis, 516 Randolph. No date has been set for the wedding.

Mr. and Mrs. Gordon McKinney, 218 Lake street, announce the engagement and coming marriage of their daughter, Linda, to Jerry Forbes, son of Mr. and Mrs. John Tackett, of 288 Church street. The couple will wed July 20.

Attend Presbyterian Meeting

Mrs. Elden Biery and Mrs. Howard Meyer represented Northville Presbyterian church Woman's association at the national meeting of United Presbyterian Women held June 26-July 1 at Purdue university in West Lafayette, Indiana.

Mrs. Biery, president of the local association, and Mrs. Meyer, chairman of its world service department, were among 5,000 women who came from all parts of the world to attend the convention.

Dr. Ralph Rabinovitch, director of Hawthorne center, addressed the assembly June 29. His topic "The Church, the Individual, the Community," was geared to the day's emphasis on "Youth in a Troubled World".

Mrs. Donald Zimmermann, former Detroit Presbyterian resident now living in Chicago, was elected new national president of United Presbyterian Women.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

— Samuel Johnson

IN A QUIET VALLEY — Little more than the sounds of crickets and kids ripple the quiet in the Echo Valley neighborhood of newcomers John and Doris Svec and their 11-year-old son, Johnny, Jr. Their split level home is at 48235 Rushwood lane.

The John Svec traded the din-of-city noise for the peaceful quiet of the country when they moved from Redford township to Echo Valley May 6.

John Svec, manager of a Morris discount hardware store on Joy road, and his wife, Doris, have a son, Johnny, Jr., who was a fourth grader at St. Germa school in Detroit last year.

Rhode Island, home, when he was in the service.

They lived in Redford 11 years before deciding to build on their Echo Valley lot.

Heidi, a German shepherd, is the family pet.

Boating and water skiing enthusiasts, the newcomers fortunately like to work outdoors. They're finding plenty to do in the yard around their home at 48225 Rushwood lane.

For Work at State Hospital

Earns Volunteer Citation

The "mainstay" of the Citizens Auxiliary committee of the Northville State hospital, Mrs. Eleanor Gaska, 8900 east Jefferson, Detroit, was named "Volunteer-of-the-Week" last week by the Central Volunteer bureau of the United Community Services of Detroit. The first Northville State hospital volunteer to earn this distinction, she was honored at a tea given by the fellow members of the Citizens' Auxiliary committee and the Northville State hospital staff on Sunday afternoon,

July 9, at the hospital. Mrs. Gaska has been an officer of the Citizens' Auxiliary committee, a group of relatives, friends and persons interested in helping the mentally ill. — particularly those receiving treatment at Northville State hospital — since the committee

was started seven years ago. This committee plans presentations by professional staff members to learn more about mental illness, makes substantial donations to the hospital, and plans monthly birthday parties for "M" building, which houses 96 adult male patients.

School Fun Brims Over Into Trip

They had such a good time in their homeroom class that junior high school teacher Mike Abbott and his seventh grade students decided to take a trip after school was out.

With Mrs. W. C. Becker, Mrs. James Birkelbaw and Mrs. Anita Soubiere, offering to drive, the whole crew — including Abbott (he drove too) his family and 18 seventh graders — left on a two-day trip to Niagara Falls.

Besides taking in all the scenery the falls had to offer, the group enjoyed the hospitality of Abbott's parents, who live in Selkirk, Ontario, and the Northville students took on Selkirk seventh and eighth graders for a softball game. (Selkirk won).

On their overnight stop in Selkirk, the girls slept in two cabins and a tent on Lake Erie — the temperature that night dipped to 44 degrees — while the boys slept in a small circus-like tent pitched on the pasture of a farm home by the senior Abbotts' friends.

New Dentist

Dr. Stanley O. DeVries will be associated with Dr. Jas. E. Harris in the practice of general dentistry at 160 E. Main street.

Dr. DeVries was born in Orange City, Iowa, and served with the US Army in Germany. He graduated with a B. S. Degree from Calvin college, Grand Rapids in June 1956 and taught one year in the elementary school system. Dr. DeVries graduated from the University of Michigan Dental school in June 1961 where he is associated with Dr. Harris in research. While in the university he was elected to Omicron Kappa Upsilon and the Phi Kappa Phi societies. Dr. DeVries and Mrs. DeVries and their son Jeffrey will move to Northville in August.

Make Plans For Summer Says Molner

Vacation days can be made happier for the entire family if children and their parents plan together to make the most of them, Dr. Joseph G. Molner, City-County Health Commissioner, comments. In addition this will provide a greater learning experience and greater health benefits for your child.

Every child in your family should be given responsibilities suitable to his age and capacity. This will help him to develop self-confidence, discipline and pride in knowing that he is an important member of the family and contributes to its well-being. His own life and that of his parents will be easier, better organized, more pleasant and safer. To fit successfully into adult life, a child must learn to be a responsible person and the only way he can learn to accept responsibility is through practice.

Parents sometimes make the mistake of thinking that the first few weeks of vacation should be entirely free for resting. If this happens, the child may feel lost with all this new found freedom and idleness, after he is accustomed to the routine of school.

VACATIONING SOON?...

Why not begin your vacation with sparkling clean clothes? Let us DRY-CLEAN your WASH 'N' WEAR clothes, too... they look nicer, feel better and last longer. Like we always do... your clothes are moth-proofed with Sanex at no extra charge. Bring your clothes in today!

And They're Off —and Crawling!— In 7th Turtle Race

Grabbing the recreation department's spotlight next Thursday will be the seventh annual turtle race at the city hall park.

Invitational Offers Peek At HTA Trot

With the \$13,300 trot-a-week away (Saturday, July 22), Northville Downs will present a preview tomorrow in a \$5,000 invitational that will match HTA eligibles at Northville against the top stars from Chicago.

The Northville contingent will be headed by the brilliant Lumber Dan, victor in his last two starts and one of the early favorites in the HTA.

Lumber Baron Ed Sellers of Bradbury, California, and driver Joe Lighthill decided to skip the series opener at Brandywine Raceway and keep their speedy star at the Downs.

The Minch, a speedy four-year-old from the Frank O'Mara stable, also will pass the opener and participate in the Northville Invitational.

Money Tree, the ace of Curly Smart's stable, will complete the local group. He beat Lumber Dan earlier in the meeting but had to be content with second in the next two meetings.

Slated to oppose the Michigan trio are Mr. Saunders, Record Man and Rexall Boy. The first mentioned was third in the Hambletonian two years ago for Driver-Owner Gene Riegler and won a \$3,500 match race a week ago in Chicago in the last time of 2:04.1.

The invitational will go as the eighth event on Friday's nine-race program with posttime for the first at 8:30 p.m.

Director Ken Conley said some turtles will be available Monday and Tuesday at the scout hall on Dunlap street, but he urged fathers and sons to secure their own entries.

But snappers are not allowed during the race.

Boys and girls are eligible; turtles can be of any size (they will run in individual size classification), and there will be no physical coaching allowed during the race.

A new time — 9:00 a.m. — a half-hour later — was announced starting tomorrow morning for the physical fitness program at Ford Field.

A 4-Run Spree Clinches It, 6-5

A four-run fifth inning paved the way for a 6-5 decision and Northville Recreation's first win after five starts in Class D action this week.

Trailing 5-2, Tom Daniels led off with a single and advanced to third on a walk to Dave Hay and an infield hit by Jack Boyd.

Two more walks forced in two runs and then Jeff Crawford unloaded a two-run double to wind up the scoring and the game.

In Class E action, the Northville Plumber's dropped two games in the last inning and were walloped, 10-0, in a third one during a busy week of baseball.

Livonia Bisons scored two runs in the last time at bat to win, 4-3, while the Livonia Braves scored five times in the last inning to win, 8-7.

Class F little leaguers had their troubles, too, the past week.

The Orioles dropped two games while winning one on a forfeit. The losses were to

Field events will follow the 30 minutes of calisthenics. Disappointing attendance at the physical fitness program will mean a small contingent representing Northville at the Metropolitan Detroit Junior Olympic Day later this month.

The local Olympic run-off will be at 10 a.m. Saturday, July 21, at Ford Field.

Interested parties can still sign up with Robert Prom at the field until next Friday, the day before the run-off.

There is still time to sign up for the Tiger Stadium trip next Thursday and on July 29 to see the Detroit Tigers.

All three contests were good ones, too. He allowed three hits in beating Bill's Market, 10-8, last Wednesday; then just one hit and 12 strikeouts in beating the Livonia Jets, 7-1, last Friday; and three hits in a 6-2 win over Clarenceville Monday.

That made Northville's record 7-1. They now have won six straight games.

Grabbing an equal share of the spotlight in the three victories was Joe Hay and his booming bat. He collected three hits against Bill's Market and two each in the Livonia and Clarenceville tilts.

His two hits against Livonia were triples.

The Braves lost a couple, to the Yankees, 11-8, and to the Red Sox, 12-1. Their season record is squared now at 7-7.

mark. In Knothole Softball, the Panthers and Tigers were in a first-place deadlock with perfect 1-0 records.

The Indians defeated the Dodgers, 10-4, to gain their second win and the three-way tie. In the seven hit attack were triples by Ralph Robinson and Scott Bergo. Robinson's Richard Ording had two hits scored three men.

Jim Marks had two-for-two against the Giants to lead the Dodgers to a 6-2 victory. Bill Skelly was the winning hurler while Jerry Asher was the loser. Asher and Pat James also had two hits.

Overcoming a quick three-run lead by the Giants, the Athletics climbed all over them, 12-5, with Bob Hubbard's bases-loaded triple the big blow.

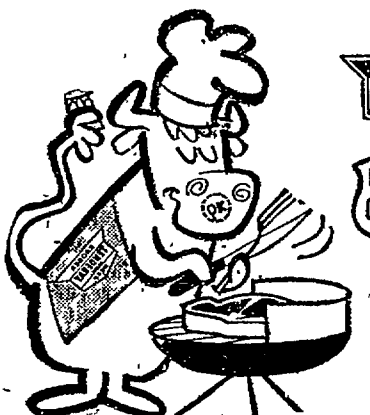

Ric Talbot was the winning pitcher while Ted Budak and Jerry Asher worked the hill for the Giants.

Pat Cayley's double and single showed the way for the Yankees close 4-3 win over the Angels. Randy Burnett's single was the lone hit for the losers off Jack Willis and Dennis Matthews.

In softball action, the Bears clipped the Colts, 15-2, with Mike Skelly's two-run triple. Eric Stein's three hits and fine pitching paced the Tigers to a 9-7 decision over the Lions. The Panthers beat the Cubs, 6-3, in another ballgame.

Teen Steals, Races Car

A 17-year-old Madison Heights youth, stopped for reckless driving, was found to be driving a stolen car Sunday afternoon almost under the shadows of the Walled Lake Amusement Park from where he took the auto.

Richard F. Good was arrested by Novi police upon complaint of Warren Schoenburger, of 207 Henning. Schoenburger was almost run over by Good when he tried to slow the youth down from speeding in the tight lakeside streets.

Jumping in his car, Schoenburger lost the car, then found it abandoned at the Novi Township park. Calling police, Good was found and arrested.

While taking the boy to the station, a call came on the radio reporting a missing auto belonging to James E. Sanders, of Detroit. The description fitted the one the boy was driving.

Good was handed over to Michigan State Police on the charge of unlawfully driving away an automobile.

The speed and parking situation in the Walled Lake area in and around the township park was brought to light by

MICHIGAN IS RECREATION

You can't beat Michigan as a place for industry because you can't beat Michigan as a place for recreation.

Everybody in Michigan has the out-of-doors close to home. Every community is within six miles of a river or lake and at no spot in Michigan can you be more than 85 miles from one of the Great Lakes. Nineteen million acres of forest land are scattered throughout the state. This state, one of the great centers of industry, is a vast recre-

Commend Student

A Northville student at University of Michigan received rare commendation recently in a letter to the dean of the college of literature from Professor Preston Slosson, professor of history.

James H. Robertson, associate dean of the college of literature, made known the letter and reported that it would be recorded in the college files.

The letter from Professor Slosson follows:

"On half a dozen occasions I have written commending some outstanding work, deserving special mention, by one of my students. This year it is Charles Hix, a freshman, who has shown such a combination of accuracy, insight and literary finish in his papers in my section of the Great Books course that, departing from my custom of keeping 'A' as the highest grade, I have often had to mark them 'A-plus'. As proof of what I claim for him, I append his final examination. Hix is the son of Mr. and Mrs. Arnold Hix of 114 Rayson.

Save Shrubs

The dry weather experienced during the past two weeks brought a warning to area home-owners that without proper watering lawn, trees and shrubs may suffer serious damage.

Nurseryman John Miller emphasized this week that transplanted trees and shrubs especially need to be deeply watered. He recommended such care once a week.

Hand Over 7 Children To Court

Seven Wixom children, ranging in age from two months to 10 years, were temporarily ordered into the custody of Oakland County Juvenile Court authorities Monday after a preliminary hearing of a child neglect complaint against their parents.

The parents are Mr. and Mrs. George Grawberg, of 1403 Flamingo. Their children will remain with the county pending a hearing before Judge Arthur E. Adams. No date has been set yet for the hearing.

Wixom police were called in to the case early Sunday morning by Mrs. Chester Proffitt, of 48129 West road.

Her daughter, Jessica, had left to babysit for the Grawberg children at 10 a.m. Saturday. When she did not return by night, Mrs. Proffitt went to the Grawberg home to find her daughter.

Finding the Grawbergs not home then, Mrs. Proffitt stayed overnight with her daughter and the children.

When the Grawbergs arrived home at 5 a.m. and Mrs. Proffitt told them their daughter had to leave, Police said that Mr. Grawberg told her to call the police and let them take care of the children.

When close relatives refused to take the children in, Police Chief Frank Jadinski took the children home with him, fed them and took them to Pontiac. No warrant was issued by police against the Grawbergs.

Van Haren To Conduct Art Series

Jack Van Haren, art instructor at Eastern Michigan College, will open the summer series at the Universalist Church of Farmington at 10 a.m. Sunday.

His talk, "The Romantic and the Classical Approach to Art," will be illustrated with slides, and will coincide with the opening of the church's annual art exhibit.

Van Haren, a graduate of the University of Wisconsin, has first prizes for paintings exhibited at the Wisconsin State Fair and the third mid-Michigan Exhibit and honorable mentions at two other shows. He currently is working toward his doctorate in art at the University of Michigan. He has traveled extensively through Japan, Korea and Western Europe. Van Haren formerly taught art at Northville high school.

CO-EXISTENCE MADE EASY

This story was making the rounds in Europe some time ago. A Soviet colleague shows an Asian friend the Moscow Zoo, while endlessly explaining and expounding on the possibilities of achieving peaceful co-existence. The Russian pointed with pride to a wolf and a lamb apparently living happily in the same cage. For the first time, the Asian, who was impressed, "How on earth did you manage that?" he asks.

"It's easy," says the Russian. "We simply put in a new lamb every day." Which reminds me of a group of pacifists and "do-gooders" who will not face the reality of the existence of evil and the wickedness of men of this world. The reason they can enjoy the independence to express their opinions as they do is because someone else fought, bold, and died to gain that liberty for them. Before there can be peaceful co-existence there must be a radical change in the hearts of people. If everyone would repent of sins and turn to Christ as Saviour there would be no problem. However we know this will never happen. So righteousness and wickedness will grow up together until the harvest and then God shall destroy the wicked by the brightness of His coming. Until that time co-existence will never be easy, and the battles against evil must continue.

He was a member of Army 1105 F&M lodge, San Antonio, Texas.

PLAN CAMPAIGN — Although the annual United Foundation drive starts October 17, campaign planning has long since begun. Here Mrs. George Mervin of 43461 Cliffside, divisional chairman for Novi, meets with Mrs. Clyde Bennett, Jr. (left) of Birmingham, Oakland county chairman, and Mrs. Frank Heib of Royal Oak, the county UF director.

Obituary

Harry T. Scott

A long-time Wixom resident, Harry T. Scott, 74, died July 8 in St. Petersburg, Florida where he had lived since 1953. Funeral services will be held today (Thursday) at 1 p.m. from the Richard-Bird Funeral home in Walled Lake with the Reverend W. J. Prist officiating. Burial will follow at Oakland Hills cemetery. A retired Ford Motor company pattern maker, Mr. Scott headed the Ford foundry in Ireland for 10 years. He is survived by his wife, Mary; daughters, Mrs. Evelyn Rud-burg, Mt. View, California and Mrs. Patricia Sherlock, brother, William Scott, Dearborn; sister, Mrs. Daisy Bowman, Detroit; and six grandchildren. Mr. Scott was a native of Cleveland, Ohio, born there January 1, 1887 to George and Mary Scott. He was a member of Masonic Lodge 91, Ashlar chapter.

George Robert Gourlay

George Robert Gourlay, 56, died Friday, July 7 in his Novi township residence at 124 North-ern. The Reverend Carl Grapentine, Walled Lake Baptist church, officiated at funeral services held Monday from Richard-Bird Funeral home in Walled Lake. Cremation was at White Chapel in Troy. Surviving Mr. Gourlay are his wife, company pattern maker, Mr. Sarah; stepmother, Mrs. Mary Gourlay; daughters, Georgina, in Ireland for 10 years; and Mrs. June Ann Tarvis, Spain; son, James, Walled Lake; sister, Mary Louise French, Illinois; brother, Robert, California; and one grandson. An employee of Star Cutter company, Mr. Gourlay had lived in the area four years. He was born June 7, 1905 in Scotia, New York to Robert R. and Cora (Van Pelt) Gourlay. He was a member of Farmington Federation of Labor.

Old Soldier Succumbs At Age 88

Herman J. C. Berendt, an 88-year-old retired U. S. Army cavalryman, died Monday at Veteran's Administration hospital in Ann Arbor.

Funeral services under the auspices of Lodge 186 F&M will be held at 2 p.m. today (Thursday) from Casterline Funeral home with the Reverend I. Paul Taylor officiating. Burial will follow at Rural Hill cemetery.

Mr. Berendt, who lived with his son, Colonel Elmore Berendt, U. S. Army retired, at 250 Orchard drive, was a captain when he retired in 1920. During his military career, Mr. Berendt saw action in Cuba, the Philippines, Mexico and France.

In addition to his son in Northville, he is survived by another son, Lt. Col. Herbert Berendt, U. S. Army, Heidelberg, Germany; sister, Mrs. Helen Harder, Detroit; and three grandchildren.

Mr. Berendt, a native of Stetten, Germany, was born November 9, 1872 to Frederick and Ricki (Miller) Berendt. A resident of Northville since 1927, he was preceded in death by his wife, Emilie, in May.

He was a member of Army 1105 F&M lodge, San Antonio, Texas.

Let's Take A Trip

Treat Your Family to a Camping Vacation in Michigan

EDITOR'S NOTE — North, South, East, West, Americans are on the go. Travel — once the privilege of only a few — has become the vacation pastime of many. Detroit's own automobile industry has put the nation on wheels. Traveling by car over the sleek ribbons of concrete that link large cities to little villages, millions of American families are just a day's drive or less away from lush vacation spots. "Let's Take a Trip," a new travel feature making its debut this week, will appear from time to time in coming months. Summer in-

stallments will suggest itineraries for vacationbound families of four. As a starter, "Let's Take a Trip" stays right in its own backyard, taking a week-long camping trip here in Michigan, the Water Wonderland.

"Si quaeris peninsulam amoenam circumspice" — If you seek a pleasant peninsula, look about you.

"Michigan's motto speaks for itself. Bounded by the Great Lakes, the world's largest bodies of fresh water, the state's Upper and Lower Peninsulas boast a panorama of natural

scenery unmatched in the Midwest.

The Water Wonderland's claim to fame — its 11,000 lakes and 36,000 miles of rivers and streams — draw tourists from all over the country. Campers like Let's Take a Trip's family of four have nearly seven million acres of publicly-owned land open to them, including more than 179,000 acres of area.

With the aid of Jeannine (Mrs. Stan) Dahlgren, office supervisor at the Automobile Club of Michigan's Plymouth branch, we're off on a 1,400 mile journey.

Duration of the trip? One week, approximately. Side trips could alter the schedule by one or more days.

How much will it cost? Working with a modest budget — no impulse buying, no major auto repairs or the like — the camp-

ing cook-out trip should run about \$125 for four. This figure doesn't include purchase of a tent or camping equipment.

(Maybe your outdoorsmen neighbors and friends could help out in that department.)

Veteran campers estimate an economy-minded foursome could make the trip on \$100 or less.

Overnight stops enroute are planned at state parks and recreation areas. This means you'll need a Motor Vehicle Permit — required for the first time this year. In Northville — our jumping off point — permits are available at Stone's Gamble store on Main street and at Northville hardware on North Center. According to the Automobile Club's "Michigan Outdoor Guide" (a must for this type of trip), an annual permit costs \$2 and admits the vehicle on which it is posted to any park as often as desired. Daily areas.

permits cost 50 cents and admit the vehicle on the date issued only.

A \$1 per day fee is charged for each camp when a camping permit is issued. If electricity is used, an additional fee of 25 cents per day is charged. Use of bathrooms costs 10-25 cents a person.

There are no fees for camping in state forests or national forests.

Campsites can't be reserved in advance. Official conservation department policy requires that they be assigned on a first-come, first-serve basis.

If you take the family pet on your vacation, remember to take along a leash, too. Dogs and other pets are permitted in state parks, but must be kept on a leash not more than six feet in length at all times. They aren't allowed in beach areas.

Our 1,400 mile trek starts early Saturday morning. This allows plenty of time to make the 312-mile drive to the bridge and to pitch the family tent at Straits State park before nightfall.

Straits State park adjoins the city of St. Ignace on the north shore of the straits. Entrance to the park is off US-2, east of the north approach to the bridge. There are 142 campsites available. Post office — for information, is St. Ignace.

(Exact highway routing is outlined in the box on this page.)

After spending the night at the straits, we head northeast Sunday morning to Sault Sainte Marie and the Soo Locks. Boat tours are available through the locks. Average tours last about two hours. From July 1 to Labor Day, boats depart every 20 minutes starting at 8 a.m. with the last trip of the day at 6 p.m. The drive from St. Ignace to Sault Ste. Marie is 58 miles long.

Camping destination Sunday is Tahquamenon Falls State park. This park, an outstanding scenic and recreational area being developed in an outpost of Upper Peninsula wilderness, includes both the Upper and Lower Falls of Tahquamenon river. The Upper, or Big, Falls has a 40-foot drop and extends 200 feet across at the crest. A series of short drops and rapids make up the Lower Falls. Boat trips are also available here.

Campgrounds — including 147 campsites — at Tahquamenon State park are located adjacent to the Lower Falls and near the mouth of the river.

Monday morning, finds our family of four traveling west to Munising with its Pictured Rocks, then to Marquette and finally inland to Van Riper State park for an overnight stop.

The drive from Munising to Marquette is along the rocky Lake Superior shoreline. Van Riper State park, 949 acres in area, has an excellent beach, camping area and picnic grounds on Lake Michigan. It offers recreation fun at nearby trout streams, mountains, water falls and canoeing rivers. There's room for 168 campsites.

All packed up and ready to go Tuesday morning, Let's Take a Trip moves northwest to Keweenaw Land, the gateway to Isle Royale National park.

About 125 miles separate Marquette and Copper Harbor, at the northern tip of the Keweenaw Peninsula.

Traveling through the picturesque copper country, our route continues along Brockway Mountain drive. Copper Harbor, site of historic Fort Wilkins, is also the terminal for boat trips to Michigan's only national park, Isle Royale.

A trip to the island park would probably call for an additional day. The island is accessible only by boat or plane. Boats leave Copper Harbor daily at 8 a.m. returning at 3:30 p.m. The crossing takes about four hours.

Tuesday night is spent camping at one of 100 sites in Fort Wilkins State park. Set in a wooded spot lying between Lake Superior and Lake Fanny Hooe, the camp contains the remains of an old-time U.S. Army outpost and shafts of an old copper mine.

A 75-mile drive separates Copper Harbor and Porcupine Mountains State Park, Wednesday's destination. The rest

of the day is spent in the "Porkies". Here you can take beach runs through the park. Six miles away is Kitch-iti-kiki the Clouds, Mirror lake, long pi, the Big Spring.

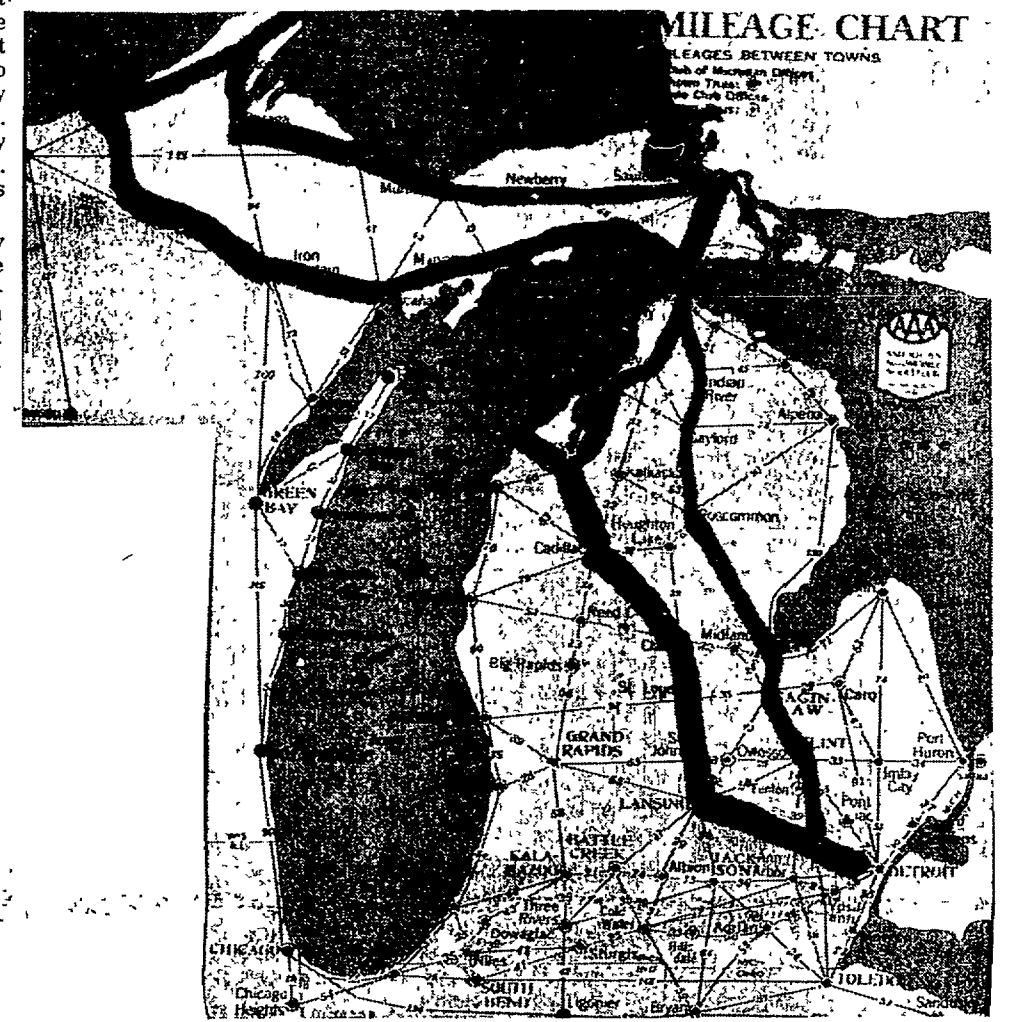

Back in the Lower Peninsula Friday morning after crossing the straits, we head the car for the Grand Traverse Bay region and D.H. Day State park. This leg of the trip could include a stop-over at the National Music camp at Interlochen. The music camp is in session from June 25 to August 21.

One mile of Indian lake's sandy beach runs through the park. Six miles away is Kitch-iti-kiki the Clouds, Mirror lake, long pi, the Big Spring.

Back in the Lower Peninsula Friday morning after crossing the straits, we head the car for the Grand Traverse Bay region and D.H. Day State park. This leg of the trip could include a stop-over at the National Music camp at Interlochen. The music camp is in session from June 25 to August 21.

D.H. Day State park, about 140 miles from the straits, is on Lake Michigan near Glen Arbor. Besides four miles of excellent beach, the park boasts scenic dunes, including Sleeping Bear dune. There are 105 campsites.

Wilson State park, near Clare, will be Saturday night's campground. A leisurely drive Sunday morning to Lansing means time enough to do some sightseeing in the state capital and then home.

FOURTEEN HUNDRED MILES — And still lots more to see in Michigan's scenic Upper and Lower Peninsulas. On Let's Take a Trip's week-long camping vacation, a family of four would start out from the Northville-Nowi area, following the heavy line on the right to the Straits of Mackinac. The suggested route carries them to the Soo, then across the northern Upper Peninsula to Copper Harbor before returning to the straits via southern U.P. highways. Continuing south from Mackinaw City — through Petoskey and Charlevoix — next stops are in the Traverse Bay region. Cadillac, Clare and Lansing are major cities on the way home.

Enrichment of life through
spiritual understanding of God
is a theme to be brought out
Sunday at Christian Science
services.
One of the Scriptural selec-
tions in the Lesson-Sermon on
the subject of "Life" is from
John (17): "And this is life
eternal, that they might know
thee the only true God, and
Jesus Christ, whom thou hast
sent."
From "Science and Health
with Key to the Scriptures" by
Mary Baker Eddy this passage
will be read: "Ignorance of
God is no longer the stepping-
stone to faith. The only guaran-
tee of obedience is a right ap-
prehension of Him whom to
know aught is Life eternal"
(p.vii).

The Midnight Cry

At midnight — (Surely no
doubts that we are fast ap-
proaching that hour in the
history of our world).

A cry is made — Matthew
25:6 — "Behold the bride-
groom cometh, Go, ye out
to meet Him!"

This is the Midnight Cry
— brought to you in this
way through the Full Sal-
vation Union, a spiritual
movement, interdenominational
in effort and nonsectarian in
spirit, calling to all of God's
people everywhere to go out
of sectarianism, out of big-
otry, and intolerance, out of
selfishness, and sin, out of
contention and strife, out of
the pride of the workings
of their own minds, out of
the way that seems right
unto man, the end of which
is death — into that "One-
ness" for which Christ pray-
ed — To meet the bride-
groom. For behold He com-
eth — "That the world may
believe."

We define virgins, in the
sense in which this term is
used in Christ's parable, as
referring to all of those whom
God has called by His spirit
during the Holy Ghost dis-
pensation to be a part of

from the PASTOR'S STUDY

By the Rev. James F. Andrews
Full Salvation Union Chapel

beginning for it to accom-
plish. All of the wise virgins
will have time to get out
of the Sodom of work-
ings of their own minds
before the bridegroom comes.

Many religious people have
idea concerning this event
but an idea is not enough.
The reality that "Christ
Cometh" must be born in
us, in order for us to be
used of God to make it known.

The midnight cry cannot
be made in earth, except as
it is first born in the con-
sciousness of men, even as
the reality that we are fast
approaching the midnight
hour is coming to be recog-
nized as a fact.

God is causing the world
to know that the handwriting
is on the wall — that we
are fast approaching the
midnight hour in the history
of our world.

And now it is high time
for the midnight cry to be
made so that all those whom
God has called may awaken
out of their sleep and go
forth to meet the bridegroom
— for Behold, He Cometh!

Do you know this? Are
you wise — "Understanding
what the will of the Lord is"?
And will you take up the
cry and speed it on its way?

the Bride of Christ. In the
meaning of the parable God
would most assuredly not
call anyone but a virgin to
be married to His son, Jesus
Christ.

God's purpose in His ef-
fort among the Gentiles has
been to call out a people for
His names sake. He has
been looking for a Bride for
His son, Jesus Christ.

And in the Bible we read
that God's effort will be suc-
cessful. A few of those who
are called will be chosen to
go in and be married to
Christ at His coming. But
at midnight, the parable
reads, all of those who wait
for the coming of the bride-
groom are asleep.

This explains the reason
there is such little, true re-
cognition on the part of
Christian people today of
eternal realities.

For the past several years
now large, well publicized

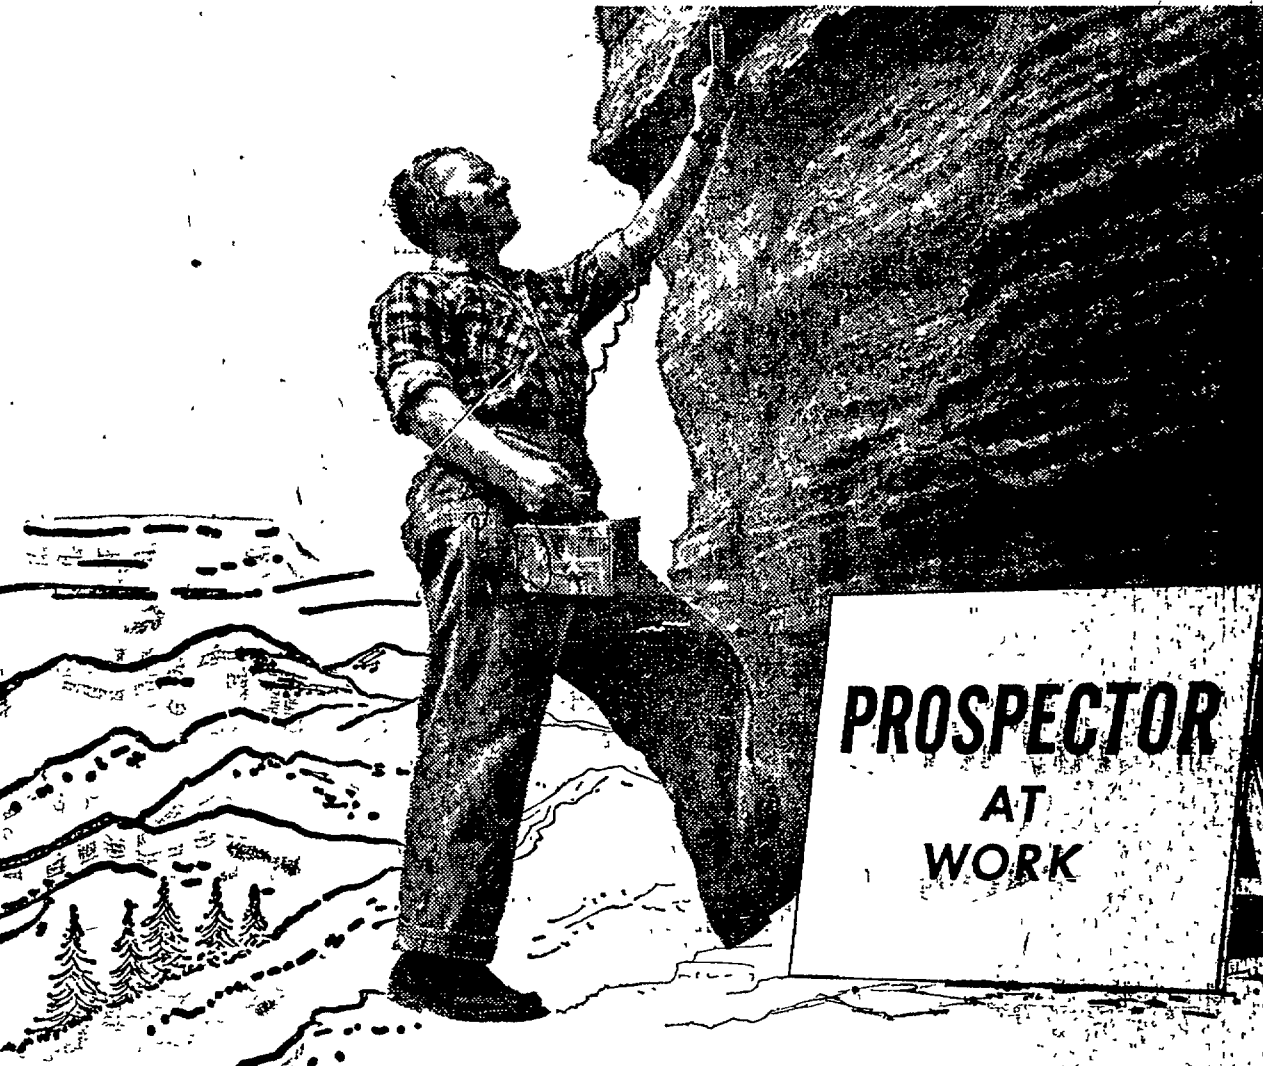

religious campaigns have
been conducted in many parts
of the world, but it is gen-
erally conceded that there is
no deep moving of God's Holy
Spirit among the people —
that type of operation which
awakens men to a sense of
eternal consciousness.

The virgins are asleep. We
may hold tenaciously to our
orthodoxy in our minds but
the quickening life is gone
from those empty husks
when God by His spirit no
longer makes the things of
Christ alive within our con-
sciousness. God recognizes
this. That is the reason there
is no condemnation expres-
sed in the parable toward
the virgins who are asleep.

But at midnight a cry is
made and all of the virgins
arise and trim their lamps.
This explains and will ex-
plain the reason for increas-
ed religious activity all over
the world today.

How long this contention
will last between the wise
and foolish virgins is not re-
vealed, but it is indicated
that the foolish virgins will
not tarry along in their effort
to get some oil from the
wise virgins, but will rush
out in commercialized reli-
gious activity in an effort to
keep their religious lamps
burning.

We do not know how long
the midnight hour will last
nor how long the midnight
cry will be made, but it will
be of sufficient duration to
accomplish the thing that
God had planned from the

A far cry from the forty-niner with his pick or his pan. This man listens
through earphones for the clatter of exploding atoms.
Otherwise, he must follow the tortuous path of the prospector. Uranium,
like gold, is where you find it . . . high on a cliff . . . deep in a chasm . . .
anywhere.

There are spiritual riches to be found in life—by those with the determina-
tion to seek them. But don't make the common mistake of assuming that one
Sunday in Church should satisfy the search.

Spiritual riches come gradually with religious growth. As a family makes
worship and religious study part of everyday living, the treasures of God begin
to accumulate in the character and experience of that family.

You'll probably be disappointed if you merely give religion a try. But your
earnestness will be rewarded when you make Christianity the foundation of your
life.

OUT OF THE PAST

ONE YEAR AGO
— The Northville city council pulled an about-face on the Center Street paving issue. They said that if the school was willing to cooperate in the cost of the project, then the city would set up the proper machinery.

— Trees were felled along Novi road this week as the first steps in paving the road from Northville to Novi. Center street in Northville has received an increase in traffic volume because of the construction.

— Approval was given by the Northville Township board to purchase a \$16,000 fire engine.

— The first time they competed, Northville High's cheerleaders won the grand championship at the Camp All-American at Hartland, Michigan. The winners were Racena Bailey, Corinne Bertoni, Linda Deal, Susan Pharo and Vicki Stroh. Racena was named the outstanding cheerleader of the camp, too.

— The Novi village council tabled a motion on the James Taylor property at Novi and 10 Mile roads pending a statement from him concerning contemplated construction on the area.

— Plans to finance a weed control program in Walled Lake were abandoned although \$5,000 had been collected or pledged in door-to-door solicitations. The goal was \$9,000. Sponsors of the drive said it was dropped because time was running out to effectively control the weeds.

LET'S TALK CARS

Effect of Compacts on Big Car Prices

It's anybody's guess where the changing trend in compact cars will eventually settle down. Most informed opinion takes the view that it will continue to grow before it declines, and that the popular car of the future will be, somewhere in size between the current compact and the present size Chevrolet, Ford or Plymouth.

Whatever the future holds, however, the growing popularity of the compact is bringing changes in the car business that are affecting the used car market right now.

Prices of used luxury cars such as Oldsmobile, Buick, Mercury and Chrysler etc., which have always stood up well on resale, have declined in some instances hundreds of dollars under the impact of changing public demand.

This is because, of course, the price of these cars on the used market is comparable, and often more than, a new compact. The car market, like the stock market, responds to public demand.

This is obviously a good opportunity for the buyer interested in luxury transportation to save some money. There has never been a better market in which to buy a quality medium-priced luxury automobile than the present one.

It is still necessary to buy wisely, however, because a used big car that is a lemon can be an expensive lemon indeed. Your only guarantee, as it always has been, is an ethical dealer who has no desire to fool you about either prices or quality.

John B. Ford, Inc.
117 W. MAIN — NORTHVILLE

FIVE YEARS AGO
— If all goes well, Northville will have a city manager by October 1. This was what a study committee informed the city council, commenting that a city manager form of government was desirable.

— The city council authorized two councilmen to negotiate for the purchase of two pieces of property for an alley and a municipal parking lot. The properties are located on East Dunlap street behind the A&P store and just south of the Methodist Church.

— Frazer Staman, Novi township supervisor, announced at the board meeting that discussions with engineers were held recently on the feasibility of a \$500,000 sewage disposal plant to serve an estimated 15,000 people in the township. Although no action was taken, long-range plans in the area are now being considered.

— The Rev. John Wittstock assumed pastor duties June 22 at the Our Lady of Victory parish, replacing the Rev. Anthony J. Heraty who is going to Hazel Park.

— June report of the Northville police department showed a decline in almost every category of crime. Total collections for the first six months was \$724, which was \$24 less than a year ago at the same time.

FIFTEEN YEARS AGO
— Some 2,000 fans witnessed the greatest golf they had seen for a while. Byron Nelson shot a sizzling 34-29-63 eight under par at Meadowbrook in the Detroit District competition.

— Kalin Johnson received his discharge from the Navy with commission of ensign.

— Electrical storms in the area caused at least ten fires. Supervised swimming at a pool constructed near the Pickett pit on Seven Mile is making a big splash with area swimmers. The recreation committee is in charge.

— Sid Frid was elected president of the Exchange Club and Lynn Sullivan of the Rotary in elections during the past week.

— An afternoon of sports constituted the July 4 celebrations in Northville. Races, games and softball were played and enjoyed at Ford Field.

— Now at the P&A Theatre: "My Reputation" starring Barbara Stanwyck and George Brent. Coming: "Perilous Holiday" with Pat O'Brien and Ruth Warrick.

— Some 1946 food prices: chicken, 43 cents pound; cottage cheese, 16 cents pound; eggs, 51 cents dozen; carton of cigarettes, \$1.29; peanut butter, 29 cents pound jar.

TWENTY-FIVE YEARS AGO
— July 4 was a quiet day in Northville with businesses closed and most everyone heading for the parks and beaches.

— One of Northville's pioneer builders, T. G. Richardson died. He had been 87 and suffered a brief illness before death.

— Dr. Russell Atchison joined his father in practice in Northville this week. After study at University of Michigan, he spent one year as an intern at the University hospital.

— Anxious farmers and thirsty crops welcomed a two-inch rainfall in the area. One farmer said crops had grown more in the last four days than in the season so far.

— The Rotary club ate their pie whether they liked it salted or not at a recent meeting. It seems that someone in the kitchen sprinkled salt instead of sugar on the pies. But the boys being good sports didn't even make a face after their first bite. In fact, there wasn't a piece left.

NOVI TOWNSHIP Supervisor Frazer Staman (left) was among the 700 visitors who attended Sunday's open house at Whitehall Convalescent Home, on 10 Mile road. He's shown with Mrs. Ruth Madigan, administrator of the convalescent home, and Lloyd Johnson, owner. That's James McQueen, leading a youngster on a pony ride, one of the popular activities provided for the visiting children.

700 Attend Whitehall Open House Sunday

More than 700 people attended the open house party at the Whitehall Convalescent Home at Novi on Sunday, July 9th.

The 40 patients at the home had sent invitations to all their friends and relatives for the big day and they responded by showing up with more than 150 youngsters. Shetland pony rides were provided for all the kids and old fashioned pink lemonade, ice cream cones, coffee and cookies were served from a circus-style tent on the front lawn.

Gene Schumann, a local accordionist, played old familiar numbers for the patients gathered on the front lawn with their guests. At 4 p.m. a door prize drawing was held followed by a community sing led by Lloyd Johnson, owner of the nursing home.

A special effort was made to also invite local city and township officials and letters of invitation were sent to all churches in the area.

One of the unplanned features of the day was the appearance of a 9-day-old Shetland pony colt. His mother was one of the ponies provided and it was necessary to bring the colt along. All those who at-

tended were intrigued at seeing the little colt, no bigger than a dog, romping with his mother.

A similar open house party will be held next Sunday, July 16th, from 2 till 5 p.m. at the Whitehall Convalescent Home in Farmington. All residents and their families from this area are invited to attend. Lloyd and Mabel Johnson, owners of the two nursing homes, are sponsoring these parties to give the patients an opportunity to enjoy this type of outdoor party and also give people from this area an opportunity to visit their local nursing home and become acquainted with the type of service offered.

Whitehall-Farmington is located at 40875 Grand River Avenue, 3 miles west of Farmington.

READERS, SPEAK:

Jaycees to Celebrate 'Fourth' Every Year

To the Editor:

The Northville Jaycees are very pleased with the good crowd that turned out for their first Fourth of July parade, the events at the Ford Field, and the fireworks at the Northville Heights.

Members of our young organization felt that a city the size of Northville needed to celebrate Independence Day, and from many sides opinions have been expressed congratulating us on our efforts last week. This enthusiasm of Northville's population is very gratifying to us and it was decided that the Fourth of July Celebration would be made an annual project of the Northville Junior Chamber of Commerce.

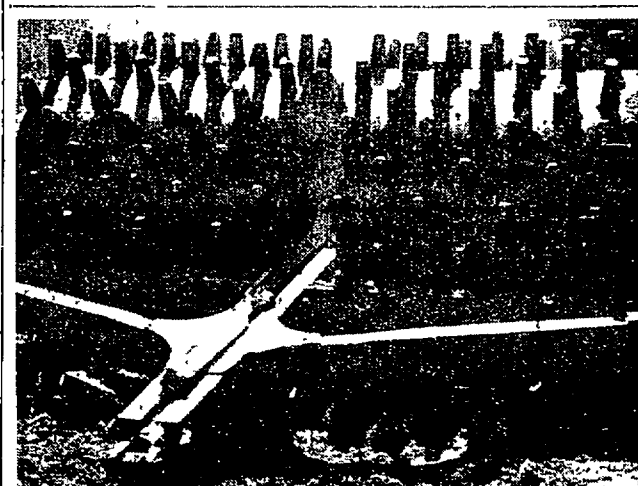

Although very active, our growing organization (we are very happy to welcome young men who would like to join) could not have staged the parade without the generous support and assistance of many other organizations and individuals.

We wish to thank all those who helped us this year and hope that we may count on their support again in the years to come.

Special credit is due Mayor Hubbard and Commissioner

Archer, Gene King and the local police department, Mr. Innes from the Novi Paragon plant, GM, Ford, and Chrysler Corporation, Lee BeGole of the Novi Police Department, John Poulos, the VFW, the command, ing officers of the various branches of the Armed Forces, the local fire department for helping with the fireworks, and last but not least to Bill Siger, editor of the Northville Record.

Furthermore we would very much like to thank the following people and organizations who contributed so generously to the fireworks: Rotary Club, Exchange Club, Optimist Club, Chuck Ely, the Atchison Clinic, Dr. Bosch, Dr. Dyer, Dr. Holcomb, Ed Yerkes and the Jaycee Auxiliary. Thanks again, Northville Junior Chamber of Commerce.

THE ANSWER — This is called a sheep shank compactor. The prongs (as shown on page 12) are used to pack ground and are equivalent, as one worker said, to a herd of sheep crossing a meadow. It is probably from this notion that the name is derived. This compactor can be found on the Kroger company construction site on North Center street.

SPEAKING for the Record

by Bill Sliger

One of the most unique and far-reaching projects conducted annually in Northville that may be completely unknown to residents it does not directly affect is the gathering of the foreign exchange students from throughout the state.

Northville becomes their last contact with the United States — the town in which most of the youngsters bid their sad farewells to foster parents.

It is the end of a year-long experience that they shall never forget.

For nine years the Northville Rotary club has undertaken to play host to these youngsters from overseas. A dinner attended by Rotarians, exchange students and their foster parents and representatives of the sponsoring Council of Churches organization is highlighted by remarks from the youngsters recalling their experiences in our country.

What these "Americanized" youths have to say is always eye-opening to adults who have yet come to realize just how responsible modern youth can be.

They are appreciative, understanding and sincere. Almost without exception they desire to return to the United States — at least to visit, if not to make their home.

While most Northville residents will never have the opportunity to be foster parents to one of the young students for an entire year, they can enjoy this experience for an evening.

In fact, overnight homes for these youngsters are desperately needed for the evening of August 9.

That's the night the students will arrive from throughout the state for Northville's farewell dinner. This will be held at the Wayne County Training School — after which the foster parents will return to their respective homes while their "children" stay overnight in Northville prepared to leave by bus for Montreal on the morning of the 10th.

Rotary Chairman Richard Kay and Philip Ogilvie expect 140 students this year. They'll be natives of Germany, Ireland, England, France, Austria, Japan and Mexico.

Full details of what arrangements are necessary to accommodate one or more children may be learned by calling Kay at FI-9-3400 or FI-9-3071.

Rotary would appreciate your help — and you would be richer for the experience of this worthwhile evening.

State Tax Dollar Report

The "Budget in Brief" for the fiscal year which started July 1 was just released by the Department of Administration.

The report shows that 40 cents out of every tax dollar collected by the State of Michigan goes for education; an estimated \$485 million a year.

The next largest amount, 18.8 cents, goes for highways, while 14.6 cents goes for welfare; 6.5 cents goes for mental health; 2.1 cents for public health; 1.8 cents goes for general administration; 1.9c for conservation and agriculture; 1.6c for prisons; 1.1 cents goes for the State Police, Regulatory services, debt service and other miscellaneous expenditures amount to 11.6 cents.

The booklet is designed to simplify the State's complex budget so that it can be understood by the average person.

"An informed public is the best guarantee for good government," Gov. John B. Swainson said in a foreword he wrote for the booklet.

"It is to inform our people that this State Budget, in brief, is published," Swainson said.

"State government is the people's business and it is important that they know how the money they pay as taxes is spent by their elected public officials."

More than half the taxes collected by the State are returned for the use of local government units and the remaining money "is being spent most efficiently by the State," said the Governor.

"In this connection, it is to be noted that a recent U.S. Bureau of the Census report indicates that Michigan requires only 4.3 employees per 1,000 population for the conduct of the state's services, compared to the national average of 5.7 for all states," Swainson concluded.

The biggest public works program in Michigan history is entering its final stages.

Four years ago this summer, State Highway Commissioner John C. Mackie outlined plans for a five-year, \$14 billion highway construction program.

It called for construction of 900 miles of freeways, modernization of more than 3,000 miles of other highways, and elimination of all gravel roads on the state highway systems.

There were a few skeptics,

including some in the Highway Department who said it "couldn't be done." Never before had a Highway Commissioner anywhere in the U.S. announced construction plans that far in advance.

There is no doubt Mackie took a gamble when he unveiled his program. Any number of things — weather, right-of-way problems, or the capacity of the road building industry to do the work — could have thrown the program off the track.

The five-year program, now in its final year, got off to a slow start but gradually picked up steam. Within two years, the number of miles of freeway had doubled, from 101 miles in 1957, to more than 200 miles. By the end of the third year, it had tripled and today, Michigan has 550 miles of freeway open to traffic, more than five times as much as it had when Mackie took office.

And the final miles of gravel highway will be paved early next year. There were more than 800 miles of gravel road

on the state highway system four years ago.

By the end of this year, the Highway Department expects to open its 800th mile of freeway and will pass the 1,000-mile mark by the end of 1962.

Most of these freeways are on the 41,000-mile National Interstate System of Defense Highways and are marked with red, white and blue signs.

Michigan has been one of the leading states in building its share of the Interstate System.

Since last December, it has possessed the longest continuous stretch of toll-free Interstate highway in the nation, a 203-mile highway from Detroit to Stevensville on Lake Michigan, which is known as Interstate 94.

Michigan aims to keep its lead as the nation's number one road building state. Right now, more than 300 miles of freeway are under construction throughout the state, including 140 miles between Mt. Pleasant and Indian River.

How I Invest

Babson Park, Mass., I have had so many inquiries during the past two years asking how I invest my own money, I have finally decided to disclose this information in this weekly release. Frankly, I try to invest in something which is doing much good, so that I will have a satisfaction in my heart as well as in my pocketbook. I am today describing two companies by way of illustration — the products of which especially appeal to me.

Gibson Greeting Cards, Inc.

This is one of the four leading companies which print greeting cards. Its headquarters are in Cincinnati, Ohio. All of these companies started in a small way. When I was a boy, there were no such things as greeting cards. We had terrible comic valentines which we sent out to friends and enemies; but I do not remember sending a Christmas card, or Easter card, or birthday card.

As soon as this greeting card industry was started I felt that it had a future, and I believe

it has an even greater future in years to come. The one thing that we all are short of is time. Greeting cards not only retain our circle of friends, but the sending of them takes no time and yet often takes the place of a letter. They surely make millions of people happier.

The above company in which I have invested has the following to commend it. If you divide the number of greeting cards which this one company sells annually by the number of stockholders in the company, you get a result of nearly 100,000.

I have always received a dividend on this stock; but, if it misses a dividend some year, I would still feel that my stockholdings (representing my share as one of the stockholders) are making 100,000 people happy each year. This is one illustration. But now to a second which is even more marvelous.

Asgrow Seed Company

Although there are several seed companies in the United States, I think this one is the largest of all. Not only are seeds very essential to a nation — whether it is a democracy, or one ruled by communism, or whether it is an underdeveloped nation with increasing population and a shortage of food, good seed is probably the greatest need.

Furthermore, few people understand that unless the seeds are carefully selected each year from the healthiest plants, the quality of the seeds quickly runs out and vegetables ultimately return to their native wild state. Furthermore, a purchaser of seeds cannot tell whether they are good or bad until after they are planted, which is too late. It is absolutely important, therefore, to deal with companies of the highest reputation.

As an illustration of the seed volume of this company, I understand they sell 10 billion bean seeds, 7 billion of corn, and many billions of pea seed. Figures for the small seeds, such as cabbage, broccoli, and celery, are also stupendous.

To illustrate — this company sells nearly 70 billion carrot seeds each year. The company spends so much money on selection and keeping up the character of its product that it does not pay great dividends; but if I did not get the money in cash dividends I would get the satisfaction of knowing that the number of seeds raised and sold, divided by the number of stockholders — of which I am one — would give about one-half billion seeds per stockholder.

All of these seeds sold add up annually to some 250 billion seeds. In other words, I have the great satisfaction of knowing that, as an average stockholder, I have the honor of planting half a billion seeds each year! I really get a great kick out of this.

When I was in Moscow, I found the best-treated people were scientists and ballet dancers. On the other hand, the two businesses which were allowed to continue as manufacturers under government supervision were the seed business and the greeting card concerns. This is because the raising of seeds depends absolutely upon the character of those in it, while the preparing of greeting cards requires an artistic originality which cannot be purchased with money or forced upon people. It must be voluntary.

Ask your dealer about a real cool extra-cost option—Chevrolet air conditioning.

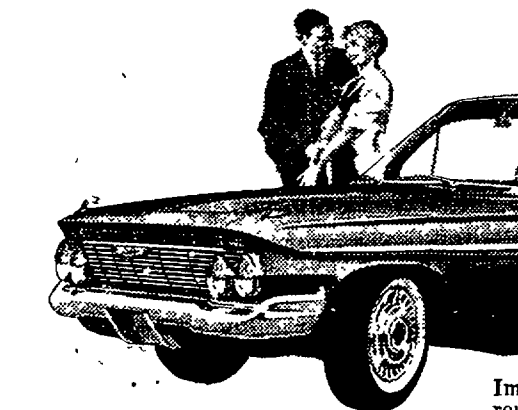

Corvair 700 Club Coupe. A 2-door budget-minded beauty with thistle-down handling, rear-engine traction and quick-stepping, sassy performance.

Nomad 9-Passenger Station Wagon. Chevrolet's the full-sized wagon more people are picking. A choice of six to save on fifty Nomads to thirty Brookwoods.

Bel Air 4-Door Sedan. Priced just above the thriftiest full-sized Chevrolets, Bel Airs give you the full treatment of Body by Fisher craftsmanship.

Impala 2-Door Sedan. Like all Chevrolets, this Impala gentles rough roads (or any other kind) with Jet-smooth magic.
