

Offer Community Hospital to City 'Free and Clear'

The city of Northville has been asked to accept Community General Hospital "free and clear of all obligations" and lease the facility back to area doctors who composed the staff of the recently-closed Main street building.

City council members, who had been informed last week that such a proposal was in the offering, received the official request at a special meeting Monday night with mixed reaction.

Specifically, the city has

been asked to accept the hospital — land, building and fixtures — as a donation from the Tri-County Hospital Improvement Fund and in turn lease it back to the group for five years at a nominal yearly rental.

Mayor A. M. Allen, who served as president of the board of directors of the hospital, told council members Monday night the move to re-open Community General was being spear-headed by the doctors. The staff has re-

mained organized and created the Tri-County Hospital Improvement Fund for the purpose of resuming operations here.

But the real opportunity to re-open the hospital came from an unexpected benefactor.

Through a doctor who attended a recent meeting of the local hospital staff, a wealthy, unnamed Detroit area man has offered to finance the major portion of the acquisition of the hospital

from its present owners.

It has been estimated that to purchase Community General hospital, expand its bed capacity to 35 and provide a sprinkler system and other improvements, needed to re-apply for Blue Cross membership would require \$150,000.

According to a spokesman for the hospital staff, the unnamed benefactor has agreed to donate \$90,000 of this sum.

The doctors, headed by Dr. Patrick Daoust, propose to acquire the remaining \$60,000

from an area fund drive and donations made by staff doctors to the Tri-County fund.

Monday night's request from the city came from Rodney C. Kropf, city attorney of Livonia, and secretary of the Tri-County fund.

The council did not take action, but proposed a meeting with staff representatives to consider the matter next Wednesday evening.

Northville City Attorney Philip Ogilvie said that the city had been asked to ac-

cept the hospital so that the un-named benefactor's donation would be deductible for tax purposes. Ogilvie explained that to form a non-profit corporation to accept the donation that would meet internal revenue requirements would take from six to nine months.

Reaction from the council was generally cautious. Each member expressed an interest in re-opening the hospital, but stood definitely opposed to the idea of the city itself ever

becoming the operator of the hospital.

Councilman John Canterbury suggested that the doctors should offer the hospital "to the city and township". He could find no other member who shared this view, but Canterbury persisted that it is a community facility and that the township should be given an opportunity to "share in the proposal".

Mayor Allen said the loss of the hospital was serious, not only as a needed facility

in the community, but as an industry employing 40 to 50 people. But the mayor, too, feared that the city might someday be called upon to operate the hospital.

Councilman Richard Ambler reported that a check with Blue Cross authorities revealed that despite planned improvements at Community General it was highly unlikely that it could regain full Blue Cross membership.

Ambler said that a spokesman for Blue Cross told him

that hospitals of under 50 beds were seldom approved and then only if they were new facilities.

The council generally dis-counted this, however, pointing out that Blue Cross had withdrawn its full support because certain specific measures had not been taken by the hospital. "If these improvements are made, it would be very difficult for Blue Cross not to restate the hospital", Mayor Allen said.

Township Seeks Yes On Planning Vote

To most voters notices that an election will be held September 12 means that the selection of delegates to the state constitutional convention will be completed.

[This is, of course, true.]

But Northville township voters will find another measure

for consideration and board of officials hope that it will gain heavy approval.

Specifically, the resolution will require a "yes" or "no" vote and will state:

"Be it resolved, that there be hereby created a Northville Township Planning Com-

mission pursuant to the provisions of Act 168 of the Public Acts of 1959".

The township board approved a motion to place the resolution on the ballot last July after hearing a study committee's report.

Approval of the resolution by township voters would provide for establishment of a planning commission with broader powers than the present zoning board.

Adoption of this proposal is very important to the development of our community and I sincerely hope the people will realize this when they go to the polls," Supervisor George Clark stated this week.

City Still Split On Assessments

It took more than two hours of discussion Monday night before the city council narrowly squeaked through adoption of an initiative resolution proposing a 25 per cent assessment to pave a dozen city streets this fall.

Only four members of the council were present and they were split two-two: Mayor A. M. Allen and Councilman John Canterbury in favor of the proposed assessment program; and Councilwoman Beatrice Carlson and Councilman Richard Juday opposed.

definitely become a reality.

"I'm in favor of continuing to pave from general funds and consider this move as a foot in the door. But I'll vote for it now and hope the door is closed on your foot," Councilwoman Carlson stated in relenting.

Specifically, the city is considering paving North Center street from the Eight Mile road cut-off north to South Ely drive; paving Elm, East, High (north of Randolph) to Walnut and Walnut (Center to East) streets; and installing curb, gutter and storm sewers on Butler and Pennell.

Supervisor Clark, like other board members, agreed fully with the findings of the planning commission study submitted by committee members Clerk Marguerite Northup, D. Gunnar Stromberg, Trustee Alex Lawrence, H. B. Putnam and Robert Shafer.

Their report noted that the township is facing accelerated growth and that provisions of the present zoning ordinance do not grant authority for extensive planning and regulation.

Specifically, it was pointed out that the township has an immediate need for a residential subdivision ordinance, that cannot set down regulations for design, streets, sewers, water supply, etc.

The resolution was proposed with the understanding that if the council definitely decided to adopt the assessment plan for street improvements, it would not delay preliminary details that must be accomplished before a special assessment district can be established.

The vote was 3-1, with Councilman Juday refusing to budge.

Councilwoman Carlson voted with Allen and Canterbury "only to bring the matter before the public". At first Mrs. Carlson asked to abstain. She was told this was not possible. She said that she preferred to wait for Councilman Richard Ambler to be present (he arrived late after taking part in labor negotiations as part of Chrysler management).

Juday pointed out that "several councils in years past have promised Walnut street residents (and others) that their streets would be paved from general funds".

Canterbury replied that five years ago they had been informed that no promises could be made "and that assessments might be needed".

Both sides admitted that there are inequities no matter what action is taken, but the Juday-Carlson team maintained that it was less fair to charge residents for paving in front of their house after they had paid taxes to help pave other streets.

Allen and Canterbury believe that it would be wrong to continue a policy which they consider unfair.

In particular, Canterbury noted that on North Center street the school district will participate in the cost of paving only if residents on the other side of the street are assessed also.

If the city does not special assess Center street, it will have to pay the entire cost. Otherwise the school district would pay its half, while residents on the other side would pay 25 per cent of their half — a saving of 75 per cent, Canterbury noted.

The assessment proposed is 25 per cent on half the cost on a per front foot basis to each benefitting property owner.

In final arguments Canterbury told Juday that he recognized the latter would probably not change his position. "But neither will I. I'll never vote for paving streets 100 per cent from general funds again," Canterbury stated.

He also challenged the council to reduce the budget by the savings realized from the 25 per cent assessment so that taxpayers would benefit in general.

Two residents of Walnut street, Luther Lapham and C. Oscar Hammond, spoke up during the discussion, both opposing assessments.

Residents from Butler and Pennell have petitioned the city to install curbs, gutters and storm sewer under the 25 per cent assessment plan.

In Monday night's council debate — which never became heated — both sides set down their objections to the other's position.

Mulligan, through his attorney John L. Crandell, then filed an appeal to the Wayne county circuit court.

Judge Wade McCree ruled that the zoning board of appeals should hear the request.

The judge stated that if the request was then denied, a September hearing date would be set for the case in circuit court. Presumably, this will now take place.

Mulligan, owner of Mulligan Construction company, proposes to build a 50-apartment rest home, a project he estimates would cost between \$250,000 and \$300,000.

The zoning board has taken the position that the project would be harmful to residential values in the area and constitute spot zoning.

Plans Set For 21'ers

The Northville Coordinating Council's annual salute to new citizens is less than three weeks away and a reminder to newly naturalized citizens and 21'ers was issued this week by William Schulz, chairman of this year's event.

Slated for September 20 at the Lutheran church the dinner program will pay tribute to area residents who have reached voting age this year or have recently become American citizens.

Appropriately, this year's banquet will be the 21st program sponsored locally.

Schulz announced that Wilfred E. Binkley, professor of political science at Ohio Northern university, will be the principal speaker. Binkley has written several text books and is the author of "American Political Parties" and "The Powers of the President". He is a member of the American Historical Commission, appointed by ex-President Eisenhower.

Binkley has served as a visiting professor at Ohio State university and Oxford (England).

All new citizens are urged to call either Mrs. John Northup, FI 9-2085, or Schulz, FI 9-2489, so that they may be among the honored guests.

Tickets for the banquet will be on sale this week end.

COMPLETION DELAYED — A delay in the completion of an addition to Our Lady of Victory school will mean a delay in the 285 students there getting a full day's education. Until construction is finished around November 1, students will attend half-day sessions starting Tuesday. Second, fourth, sixth, seventh and eighth graders will go in the mornings and first, third and fifth in the afternoons.

The Northville Record

IF IT'S NEWS... AND IT HAPPENS IN NORTHVILLE... YOU CAN READ IT IN THE RECORD

Volume 91, Number 15, 16 Pages

Northville, Michigan, Thursday, August 31, 1961

10¢ Per Copy, \$3.00 Per Year In Advance

Summer Ends—School Calls

2000 Enrollment Sets New Peak

Some 2,000 students — biggest enrollment ever — will put summer vacation days behind them and trek back to Northville's public schools next Thursday promptly at 8:30 a.m.

All students report to their respective buildings with the exception of seventh and eighth graders.

Junior High School Principal Donald Van Ingen announced that junior high students should report to the community building where they will be given homeroom and classroom assignments.

"It will be a full day of classes for all students."

Besides a host of new students, the classrooms will also hold 25 new teachers (see page three) and several new assignments.

Superintendent of Schools Russell Amernan noted that despite the growth in attendance there will be no crowded classrooms. He predicted that Northville will probably need a new elementary school in three years, however.

While students can continue their vacation until next Thursday, teachers start their work schedule today.

All new faculty members were to meet with Superintendent Amernan in the junior high school library today at 9:30 a.m. At 1:30 p.m. the new teachers meet in their assigned buildings. Friday they'll meet in their respective buildings at 9 a.m. and 1 p.m.

Tuesday all faculty members report to their assigned buildings at 9 a.m. At 1:30 p.m. a general faculty meeting is scheduled in the high school auditorium. Wednesday pre-school planning conferences are planned.

Elementary teachers will conduct their pre-school conferences in slightly more leisurely style. In keeping with a practice of several years Elementary Principals Harry Smith and Richard Kay will conduct meetings at Haven Hill, a lodge near Pontiac once owned by Edsel Ford and now operated by the state conservation department.

Arrangements have been made for the teachers to stay at the lodge Tuesday night. Conferences will be conducted throughout Wednesday.

SURE SIGN that classrooms will soon open at Northville schools is life brisk business Manager William Henschel is doing these days at the high school book store. Both new and used books are sold for junior and senior high school students at the

store. Henschel reported that sales totaled \$3,200 Monday, the first day the books went on sale. The store will remain open tomorrow (Friday) and next Tuesday and Wednesday from 8-12 a.m. and 1-4 p.m.

Half Days at OLV Until Building Set

Our Lady of Victory students will be attending half day sessions for the first two months of school while construction on a sorely-needed school addition continues at a snail's pace.

Rev. John Wittstock, pastor, said completion of the addition is expected around November 1, a month behind the original

date. Until that time, the 285 students will get only half-day classes.

Classes start next Tuesday the day after Labor Day.

Principal Sister Mary Bernarda said that grades two, four, six, seven and eight will attend classes in the mornings and grades one, three and five in the afternoon.

Construction on the school addition and some extensive remodeling in the sisters' convent has been going on since June. The two projects will cost around \$125,000.

The work on the sisters' home has necessitated their moving temporarily to a convent at St. John's Seminary in Plymouth.

When finished, each of the four top grades will have its own classroom space, expanding facilities and relieving congestion throughout the entire school building.

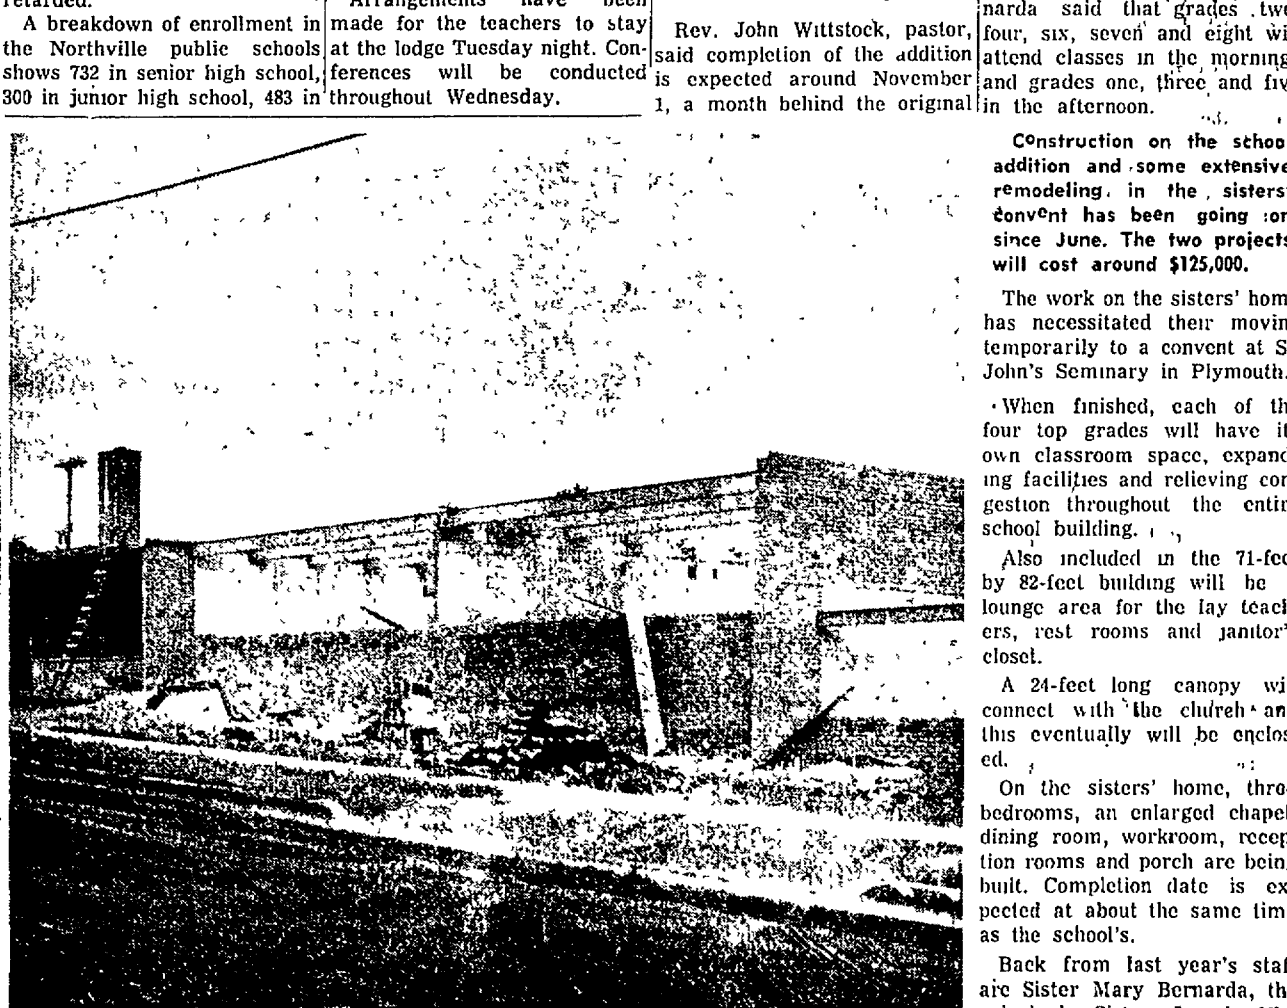

Lutheran School Opens Sept. 6

With the arrival of its new primary teacher, St. Paul's Lutheran school is ready to open its doors for the third year.

Principal Harold Kenow said the eight-grade parochial school expects an enrollment of about 40 students, approximately the same number as attended last year.

He will share teaching duties this year with Miss Judith Klentz, of Milwaukee, Wisconsin, who has accepted a primary teaching position. Miss Klentz attended Concordia Junior college in St. Paul, Minnesota, and Concordia Teachers college in River Forest, Illinois. In addition to her teaching duties, Miss Klentz will also assist in the youth program of the church.

A special service of induction for Miss Klentz will be held at the 10:30 a.m. worship service Sunday, September 3. The public is invited to attend this service.

School at St. Paul's opens Wednesday, September 6 with a special opening service that will be conducted by the Rev. Fred B. J. Pankow. The service will be held at 9 a.m. in the church on the corner of High and Elm streets. The school is located at 201 Elm.

Also included in the 71-feet by 82-feet building will be a lounge area for the lay teachers, rest rooms and janitor's closet.

A 24-feet long canopy will connect with the church and this eventually will be enclosed.

On the sisters' home, three bedrooms, an enlarged chapel, dining room, workroom, reception rooms and porch are being built. Completion date is expected at about the same time as the school's.

Back from last year's staff are Sister Mary Bernarda, the principal, Sister Joseph Virginia, Sister Ellen Patrice and Mrs. Carroll Mulligan.

Newcomers are Sister Mary Kathleen, Mrs. Theresa Coveney and Sister Norman Mary.

COMPLETION DELAYED — A delay in the completion of an addition to Our Lady of Victory school will mean a delay in the 285 students there getting a full day's education. Until construction is finished around November 1, students will attend half-day sessions starting Tuesday. Second, fourth, sixth, seventh and eighth graders will go in the mornings and first, third and fifth in the afternoons.

Early Copy

Like most business places, The Record will be closed Monday, Labor Day.

We request that news and advertising copy be submitted tomorrow or Saturday morning, but not later than Tuesday noon. The paper will be published at its usual time next week.

Following is St. Paul's 1961-62 school calendar:

Sept. 5 — Registration of all pupils, 2:00-4:00 p.m. and 7:00-8:30 p.m.

6 — Opening service, 9:00 a.m.

7 — Regular class schedule, 8:30 to 3:30.

Oct. 19-20 — No school, teachers conference.

Nov. 10 — end of first quarter.

Nov. 23-24 — Thanksgiving vacation.

Dec. 22 — Christmas vacation begins.

Jan. 2 — Classes resume.

25 — First semester ends.

26 — Teachers conference, no school.

Mar. 30 — end of third quarter.

April 10 — Easter vacation begins.

30 — Classes resume.

May 30 — Memorial Day, no school.

June 8 — End of school year.

Get Check-ups!

Parents of kindergarten-age children were reminded to take their youngsters in for medical and dental check-ups before school starts by Mrs. Donald Nicholson, chairman of the Parent-Teacher association's Summer Round-up committee.

Mrs. Nicholson explained this week that kindergarten parents are to have a health form completed and signed by a physician and dentist and return the form to school with the child. Parents who do not have a form may obtain one from the schools.

about WOMEN

Catherine Bensen Wed in California

Catherine L. Bensen, a former Northville resident and graduate of Northville High school, was married August 19 to Lawrence A. Barth in St. Lawrence the Martyr Church at Redondo Beach, California.

The bride is the daughter of Mrs. Matilda G. Bensen, of Redondo Beach, California, and Willard L. Bensen, of Ferndale. The groom's parents are Mr. and Mrs. William P. Barth, of Washington, Iowa.

The bride was dressed in floor-length flounce lace over taffeta with a graceful sweep train, and scalloped, transparent neckline and long-pointed sleeves. She held a bouquet of split carnations in a crescent shape with white orchids in the center. She wore a single strand of pearls, a gift of the groom.

The maid of honor was Carol Anne Bensen, her sister, and bridesmaids were Cynthia Beadle, of Lomita, and Angie Warkank, of Torrance.

They were dressed in street-length gowns, with unpressed pleats in pale yellow and shoes and gloves to match. Their veil hats were pale yellow with a single mystery gardenia in aqua at the crown. They carried a bouquet of split carnations in an old-fashioned nosegay bouquet.

Jeannie Wilkey, of Yuma, Arizona and the groom's niece, was the flower girl. Her dress was short, white lace over aqua. She had a yellow flower headband and carried a basket aqua split carnations.

The best man was James Drain, of Phoenix, Arizona. Len Marshall, of Santa Ana, and Charles Meyer, of Hermosa Beach, California, were the ushers. Dave Armstrong, of Dyersville, Iowa, and cousin of the bride, was the ringbearer.

The bride's mother wore a sapphire silk sheath with matching pill box hat and shoes. Her corsage was a yellow orchid. The groom's mother wore a slate blue silk sheath with matching hat and a white orchid corsage.

Father Ara said the nuptial Mass and Tom Williams and Marty Cooper, friends of the bridal couple, served. The altar was decorated with spray arrangements of white gladioli

and mums.

A soloist sang "Ave Maria," "Lord, I am not Worthy," and "On This Day, Oh Beautiful Mother."

A reception for 70 relatives and friends was held at the LaVenta Inn at Palos Verdes immediately following the Mass. Out-of-town guests included the groom's parents; Mr. and Mrs. James Armstrong, of Dyersville, Iowa, the bride's aunt and uncle; Mr. and Mrs. M. Wilkey, of Yuma, Arizona, the groom's sister; and Miss Joan Rauber, of Northville.

For her wedding trip, the bride wore a black and white tweed linen sheath with jacket, black patent accessories. The newlyweds traveled to San Francisco, Carmel and Monterey on their honeymoon.

The bride is a graduate of Northville High and the groom, of Notre Dame university. They will reside in the Carliaco Apartments, 4003 West 242nd street, Torrance, California.

Mrs. Lawrence A. Barth

News Around Northville

The Newcomers club held its board meeting at the home of Mrs. Dick Dales, August 23. Final plans were made for the schedule of luncheons for the year. A copy will be sent to all the members when completed.

Woman's National Farm and Garden association held a workshop at the home of Mrs. Howard Fuller, 45850 West Seven Mile on Monday, August 28 from ten to two. Dolls are handmade and will be sold at the Flower show, September 14 at the Methodist church.

Linda Bulman, daughter of Mr. and Mrs. Darrel Bulman of Currie road, left Sunday for the University of Arizona in Tucson. Linda will visit a week with her aunt in Tucson before starting her studies. She will major in art.

A card received from Mrs. Samuel Geraci this week states she has returned to her home in Tavares, Florida from Mayo Brothers Clinic, and is recuperating very slowly. She greatly appreciated the cards and letters she received from her Northville friends during her stay at the clinic. We are sure all of Northville wishes her a speedy recovery.

Visitors of Mr. and Mrs. Perry P. Taylor of Pennell avenue last Sunday were the latter's cousins, Ralph Rogers, Mrs. Ray Horton, Mrs. Goldie Todd

and Mrs. Fred G. Westgate-Adrian.

Also Mrs. S. Stanley Martin who has just returned from a two month trip around the world. Mrs. Martin was a former teacher of Mrs. Taylor. She brought gifts from India and Egypt and will visit other friends and relatives in Michigan before returning to her home in St. Petersburg, Florida.

Other callers were Mr. and Mrs. Glen Charter of Plymouth.

Mr. and Mrs. Thomas N. Cummings who recently moved to Kansas City, Missouri, were in Detroit last week attending business meetings. Mr. and Mrs. Glenn H. Cummings and Mr. and Mrs. T. N. Cummings and children, Wendy and Lynn spent the weekend at Lake Huron, Ipperwash, Canada. Sunday, Mr. and Mrs. T. N. Cummings went to Colorado on business and Wendy and Lynn stayed to visit a week with their grandparents, Mr. and Mrs. G. H. Cummings of West Six Mile road.

Guests of the Dave Hay family on Sunset for the last three weeks were their uncles, Arthur and James Hay of Los Angeles, California. They returned to their home last Thursday.

Last Friday Mr. and Mrs. Dave Hay and son, Dave drove to Holland where they met Ron Schipper. Dave accompanied Mr. Schipper to Central college, Pella, Iowa where he will resume studies. Mr. Schipper is a coach teacher there this year.

Hold Party At Resthaven

The residents of Laurie's Resthaven on Fry road entertained one hundred and twenty-five friends and relatives at a lawn party recently.

During the buffet luncheon, the young people from Bethel Missionary asked "Grace" and sang hymns, accompanied on the organ, by Mrs. Hilda Bampton, whose father was a former resident of the home.

After lunch they had a song festival of old time favorites with Leland Parks at the organ.

Among the guests present were Mr. and Mrs. W. Zells; Mr. and Mrs. H. Sedan; Mr. and Mrs. Jerome and son; Miss Ethel Seely; Miss H. Schofield; Mrs. E. B. Cavell; Mr. and Mrs. F. A. Fry of Northville.

Other guests were Mr. and Mrs. O. Edwards of Walled Lake; Mrs. Guy Fisher; Mrs. Helen Farwell; Mr. and Mrs. E. Holdsworth; Mr. and Mrs. Kettlewell and Mr. J. Spanier of Plymouth. Also Mr. and Mrs. William Holdsworth of Birmingham and Mr. and Mrs. Battan and daughters from Bloomfield.

Mrs. David Nelson Fisher

Barbara Rollings Wed in Plymouth

Barbara Ann Rollings, daughter of Mr. and Mrs. Clifford R. Rollings, of 43783 Park Grove, and David Nelson Fisher, son of Mr. and Mrs. William Fisher, of Grand Rapids, exchanged marriage vows Saturday afternoon in a double ring ceremony at St. John's Episcopal church, Plymouth.

The Reverend David T. Davies, assisted by the bride's uncle, the Reverend E. J. Rollings, officiated.

After a reception in the church parlors, the couple left on a wedding trip to Northern Michigan.

For her wedding, the former

Miss Rollings chose a gown of white whisper taffeta styled with princess bodice, sweetheart neckline and long tapered sleeves. The front of the bouffant skirt fell in tiers of charmingly lace and tulle; the gown's bustle back draped into a chapel train. A silk illusion fingertip veil, cascading from a queen's crown of iridescent embroidered lace formed her headpiece. She carried a fan shaped arrangement of white butterfly roses and stephanotis.

Mr. Rollings escorted his daughter to the altar. Attending the bride were Mrs. Jerry Crane, of Muskegon, maid of honor; and Miss Sarah Schrader, of Northville, and Miss Patti Ramsdell, of Berkeley, bridesmaids.

The attendants wore white silk organza dresses bordered in blue tulle. Mrs. Crane's flowers were a fan shaped bouquet of pink sweetheart roses. Miss Schrader and Miss Ramsdell carried fugi mum bouquets.

Arrangements of white gladioli were placed at the altar.

The bride's cousin, Jack Rollings, sang "Oh, Perfect Love and The Lord's Prayer."

Jerry Fiorenzo, of Green Lake, was the groom's best man. Paul Storm, a cousin from Grand Rapids, and Jerry Crane, of Muskegon, ushered guests.

Mrs. Rollings chose a turquoise silk sheath with beige accessories for her daughter's wedding. Mrs. Fisher wore a plum colored delusterized satin sheath and white accessories.

Some 200 guests from Northville, Muskegon, Grand Rapids, Berkeley, Mayville and Florida greeted the couple at the reception. The bride's godmothers, Miss Catherine England, of Jackson, and Mrs. Kenneth Smith, of Highland Park, poured at the guest table. Mrs. Elden Biery, of Northville, cut the wedding cake. In charge of the guest book was Miss Patricia Willing, Northville; while Joann Hunman, also of Northville, served punch.

The new Mrs. Fisher selected a hunter green jacket dress and complementing accessories for her going away outfit. When they return, the couple will live in Spring Lake.

The former Miss Rollings was graduated from Northville high school in 1959, and has attended Ferris institute and Del-Mar Beauty school. Her husband is a graduate of Ottawa Hills high school and attends Ferris institute.

Phyllis Anne Buoniconito Weds Louisville Man

Phyllis Anne Buoniconito became the bride of Patrick John Doyle Saturday in a solemn high nuptial mass at Our Lady of Victory church.

Officiating at the 11 a.m. rite were the Reverend Fathers John Wittstock, John Kerin and Wogick.

Parents of the couple are Dr. Pasquale Buoniconito, 2005 Sheldon road, and the late Mrs. Buoniconito, and Mr. and Mrs. Frank C. Doyle, of Louisville, Kentucky.

Vows were spoken before an altar banked with baskets and smaller arrangements of white gladioli.

An aqua color theme carried out in the attire of the bridal attendants was repeated in the pew decorations which were clusters of gladioli and contrasting aqua streamers.

The bride, escorted to the altar by her father, wore a blossom white gown of mousseline de soie. Embroidered alencon lace accented the basque bodice which was designed with petal scalloped decolletage and brief shoulder sleeves. Garlands of lace etched a rose pattern in panner effect at the sides of the extremely bouffant skirt which belled from the slender waistline and spread from a looped bow-bustle to a court train. A forehead spray of jeweled leaves and lilies-of-the-valley caught her bouffant contour veil. She carried a cascading bouquet created with three white orchids, white sweetheart roses and stephanotis.

Seven bridal attendants preceded the former Miss Buoniconito up the aisle. They were: maid of honor, Miss Carol Gattuso, Rochester, New York; bridesmaids, Miss Mary Anne Doyle, cousin of the groom, Milwaukee, Wisconsin; Miss Mary Jean Doyle, sister of the groom; Louisville, Kentucky; Mrs. Robert Wood, Lebanon, Indiana; and Miss Barbara Mahoney, Lafayette, Indiana; flower girls, Adele Seitz, Livonia, and Marie Sills, Detroit.

Miss Gattuso and the bridesmaids wore identical gowns of aqua silk organza over taffeta, simply styled with scoop necklines, full skirts and puffed sleeves. The flower girls were attired in aqua organza dresses with satin sashes. All carried baskets of yellow sweetheart roses and white baby mums.

Serving the groom as best man was David Petkas, of Des Plaines, Illinois. Ushers were Robert Wood, Lebanon, Indiana, and two of the groom's cousins, John and Peter Kitzman, of Lafayette, Indiana. He is a senior majoring in industrial management.

The bride, graduated from Northville high school in 1957 and from Purdue university in 1961, will teach elementary school in Lafayette, Indiana. Her husband will continue studies at Purdue university in Lafayette, Indiana.

O.E.S. Schedules Officers' Night

Orient Chapter No. 77 will hold advanced officers' night on Tuesday, September 5, at 7:45 p.m. in the Northville Masonic Temple. Refreshments will be served following the meeting.

Birth

A girl, Cheryl Lynn, was born August 18 at St. Mary's hospital to Mr. and Mrs. Kenneth Beyer, of Clement road. She weighed nine pounds. Her grandparents are Mr. and Mrs. Harold Beyer, of Livonia, and Mr. and Mrs. Leland Smith, of Northville.

The bride's brother, Mark Buoniconito, and Michael Seitz, of Livonia, were ringbearers.

Mrs. Doyle wore a full skirted beige dress of pure silk chiffon and a small, veiled hat in shades of camelia for her son's wedding. A cymbidium orchid formed her corsage.

A luncheon reception at Meadowbrook Country club, for 200 guests followed the ceremony.

When the couple left for a week's stay on Mackinac island, the new Mrs. Doyle was wearing a coffee color jacket dress in silk linen with blending accessories, a feathered hat in fall colors and the three orchids from her bridal bouquet.

The bride, graduated from Northville high school in 1957 and from Purdue university in 1961, will teach elementary school in Lafayette, Indiana. Her husband will continue studies at Purdue university in Lafayette, Indiana.

He is a senior majoring in industrial management.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

— Samuel Johnson

WED OVERSEAS — Bob Skinner has a lot to thank Uncle Sam's Army for. While in the service in Germany, he met and wed his wife. They returned to the states, eventually winding up in Northville. That's Paula Ann, their nine-month-old daughter.

If there is one thing Bob Skinner thanks the Army for, it is his trip to Germany where he met and married his wife, Martha.

The Skinners tied the knot in September of 1959 and came to the United States in February of the following year. After a stay in Pomona Park, Florida — his hometown — they moved to Detroit.

Bob Skinner studied engineering at the University of Florida in Gainesville, and works for the Ford Motor company's Lincoln-Mercury division in Wixom as an industrial engineer.

His wife, a native of Ludwigshafen, Germany, was working as a typist for a finance company in Mannheim — across the Rhine from her home city — when they met.

They moved to their present home at 262 Wing court early in July.

A 9-week-old daughter, Paula Ann, is the couple's only child.

In off-work hours, Bob Skinner can be found working on his car, doing some carpentry or watching a spectator sport. Mrs. Skinner, busy with her new baby, is still working at mastering the English language, she says.

Kitchen Diary

Treats for Sweet Tooth

Mrs. George Atkinson, 43443 Fonda, Novi, ought to know something about pleasing children.

She's a former teacher and principal in the Novi system and still takes a turn at substituting.

So for this week's Kitchen Diary it's appropriate that she should suggest three tasty treats to brighten any youngster's mealtime.

DATE BARS

Mrs. George Atkinson
1 c brown sugar
1 c melted shortening
2 c flour
1 t soda
1 t salt
2 c rolled oats

Mix thoroughly; pat in bottom of pan, save small amount for topping.

FILLING

Cook until thick, then cool — 1½ lbs. dates, 1½ cups brown sugar, 2 cups water, juice of one lemon.

Spread on layer of crumbs, add remaining crumbs for top crust, bake very slowly about 50 mins., cut into squares.

CREAM PUFFS

½ c butter
1 c water
4 eggs
1 c flour

Put butter and water into sauce pan. When mixture boils add flour immediately and stir until thoroughly mixed. Remove from range and add unbeaten eggs, one at a time, mixing each egg in well before adding another. Drop by spoonful on a greased sheet one and one-half inches apart. Bake 35 minutes in hot oven (400° F) then 15 minutes longer at 300° F.

Makes one dozen medium or 10 large puffs.

When cool cut opening in one side and add cream filling or ice cream.

FILLING

1½ c scalded milk
2/3 cup sugar
5 T flour
1-8 t salt
¼ cup cold milk
3 egg yolks or 2 whole eggs
½ t flavoring

Mix dry ingredients with cold milk. Pour slowly into

scalded milk and cook in double boiler until thick. Add flavoring and cool.

ORANGE CAKE

1 c sugar
½ c shortening
2 eggs
1 c ground raisins
1 orange rind, ground
¼ c sour milk or buttermilk

2 c flour
1 t soda
1 t baking powder
Bake 30 to 45 minutes (depending on size of pan used) at 350° F oven. Pour juice of one orange and ½ c sugar (mixed) on cake while hot. ½ c nuts may be added if desired.

Announce Engagements

Edith Anne Witt

Mr. and Mrs. Norman Witt, of 311 North Center street, announce the engagement of their daughter, Edith Anne, to Al Rasegan, son of Mr. and Mrs. Harvey Parham, of 710 West Brooks street, Howell.

Miss Witt is a student at Alexandra School of Cosmetology in Ann Arbor. Mr. Rasegan is a student at General Motors institute in Flint.

No date has been set for the wedding.

Gloria Kaye Hollis

The engagement of her daughter, Gloria Kaye, to Ronald Lee Eggers is announced by Mrs. Margaret Hollis, of Beal avenue. Miss Hollis is the daughter of the late Herbert E. Hollis.

Mr. Eggers is the son of Mr. and Mrs. Walter Eggers, of Fourth street, Wayne.

Miss Hollis is a senior at Northville high school. Her fiancé is serving in the United States Navy on the aircraft carrier Intrepid, now on cruise in the Mediterranean.

Sharon Williams

The engagement of Sharon Williams to Hank Bathey is announced by her parents, Mr. and Mrs. Joseph A. Williams, of 24443 Millstream lane, Novi.

He is the son of Mr. and Mrs. Doug Bathey, 43905 West Six Mile road.

Miss Williams, a sophomore at Western Michigan university, was graduated from Northville high school in 1960. Her fiancé is a 1959 Northville graduate.

Sharon Joyce Budd

The forthcoming marriage of their daughter, Sharon Joyce, to Terry Darold Goebel, son of Mr. and Mrs. Paul Goebel, of 8599 Northern, Plymouth, is announced by Mr. and Mrs. Henry Budd, of 46070 Neeson.

Miss Budd, a 1958 graduate of Northville high school, is employed at Barnes-Gibson-Raymond, Plymouth. Mr. Goebel was graduated from Plymouth high school in 1956 and is employed at Ford Motor company, Ypsilanti.

A September 9 wedding is planned.

King's Daughters To Meet Tuesday

Northville King's Daughters convene at 2 p.m. Tuesday, September 5 at the home of Mrs. Lee Walker, 42625 East Seven Mile road.

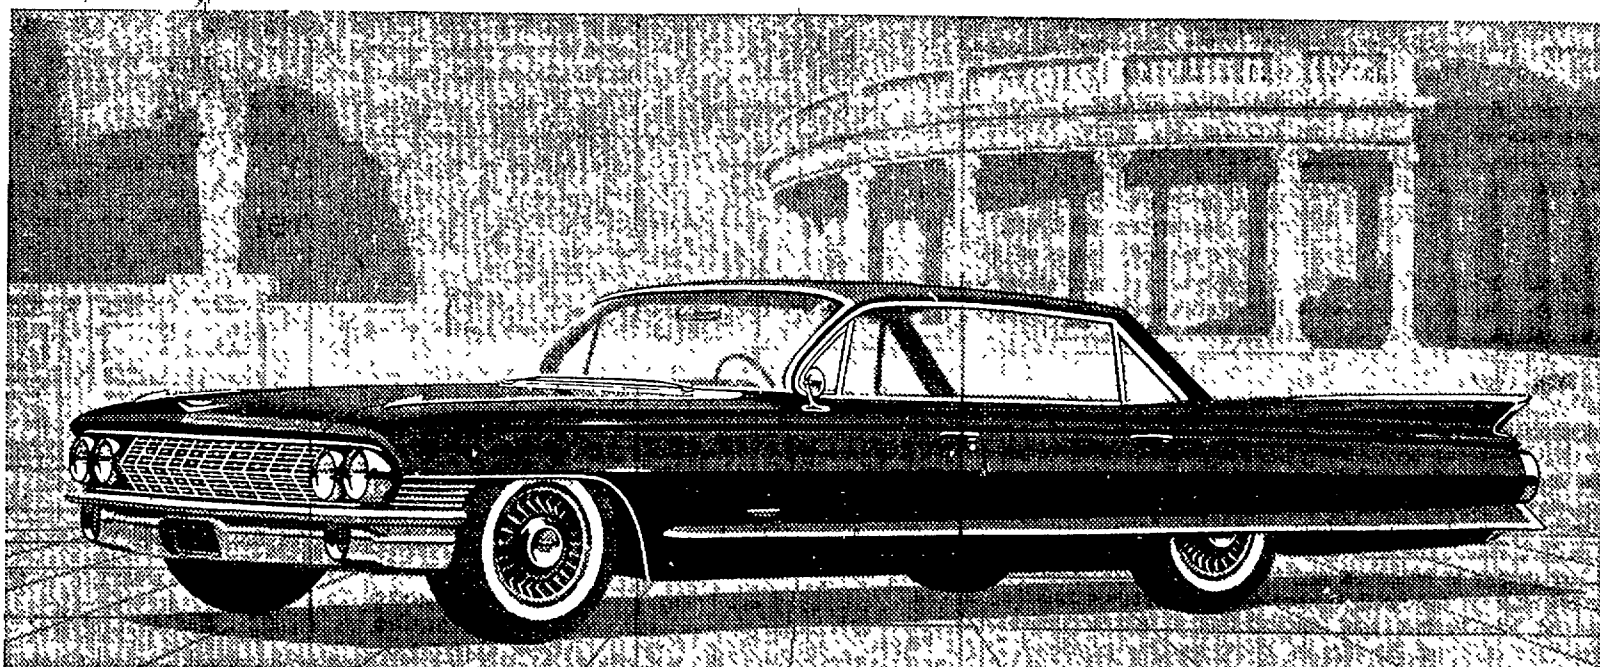

Items of business will include election of delegates to the 63rd convention to be held in Howell October 3 and 4; program planning for the coming year; and membership.

Members are urged to attend to, welcome the organization's new president, Mrs. Donald Severance.

Superior handling

One of Cadillac's most appreciated qualities has long been its extreme maneuverability for a car of such stature. A current example of this emphasis on handling ease is a new 1961 front end suspension system which permits a turning

diameter importantly less than any other car of comparable wheelbase. Cadillac's superior handling ease quickly becomes evident behind the wheel—as does the incomparable seating comfort you enjoy as driver of the "car of cars."

DEADLINE — NOON TUESDAY

1—Card of Thanks

I extend my thanks and appreciation to the many friends who attended the dance held in my behalf. It is at times like these that I realize how many friends that I really have.

To the many friends of Paul R. and Kitty Barry, we the family wish to convey our thanks for the many flowers and condolences received.

Thanks to all for your help and comfort, the flowers, food and kindness shown us in time of sorrow.

The Crawford Family
I wish to extend my heartfelt help to those who brought help to my home on the death of my husband, Fred M. Garlick. A special word to Pastor Arnold Cook and to all our neighbors and friends.

Hattie E. Garlick

Minutes of Northville City Council

A regular meeting of the Northville City Council was held at the City Hall Monday evening, August 21 at 8:00 p.m. Present: Mayor Allen, Councilmen Canterbury and Carlson. Absent: Ambler and Juday.

Minutes of last regular meeting and two specials were read and approved.

Bills amounting to \$7,089.68 from the General Fund and \$260.78 from the Water Fund were presented for payment. It was moved by Carlson, supported by Canterbury that these bills be allowed and paid. Carried.

Regarding the bill from the Wayne County Library Board for library services to the city of Northville amounting to \$14,155.50 for the year Dec. 1, 1960 to Nov. 30, 1961, it was moved by Canterbury, supported by Carlson, that the Acting City Manager write a strong, firm letter of protest to Mr. Kaiser, County Librarian asking for relief because the formula works an undue hardship on the City of Northville. Carried.

Letter of resignation from the Zoning Board of Appeals by George W. Kohns was read. Moved by Allen, supported by Carlson, that this resignation be accepted and that he be thanked for his services to date. Carried.

The dangerous traffic situation at Base Line and North Center streets was again discussed and the Police Department will be instructed to study this problem further to see what can be done to correct this situation.

Acting Manager Ogilvie was instructed to check with the Traffic Safety Division regarding the traffic lights at E. Main and Hutton and at Dunlap and North Center, where it is difficult for pedestrians to see when the lights change.

Council feels the city should declare its intention of starting proceedings to declare a special assessment district for the improvement of streets, and the city attorney was instructed to prepare such declaration. He was also instructed to start the necessary proceedings for special assessment on North Center street, Elm, High, Walnut and East streets, and for installing curb, gutter and storm sewer on Butler and Pennell streets, and to contact Gerald Taft as to whether or not he is ready to have sewer installed to his proposed subdivision on Taft road.

Moved by Canterbury, supported by Allen, that an amendment to the Zoning Ordinance providing for the creation of R-1-H classification as recommended by the Planning Commission be approved and published in the Northville Record.

School Calendar

June 15 — Friday — End of School year.
Subject to Review

Investigate 2 Accidents In Half-Hour

Novi police were called to two accident scenes within a half-hour last Thursday night. In the first at 6:41 p.m., a car driven by Wayne Leonard, 39, of 26971 Novi road, went into a ditch and then hit a car as he was attempting to pass a car near DeGross street.

Driving the other car was Bernice L. Keech, of Farmington. Both suffered minor injuries and were taken to St. Mary's hospital by Harwood's ambulance.

Leonard was ticketed for reckless driving.

At 7:10 p.m., James L. Sprinkles, 17, of South Lyon, made an improper turn from the far lane into Novi Auto Parts on Grand River. He was struck by a car driven by John R. Shoupe, 35, of 44963 Eleven Mile. There were no injuries, damage to both cars was slight and police issued no tickets.

Wed in Novi

Novi policemen, Sgt. Vern Loeffler and Ralph Arbour, were witnesses last Saturday for the marriage of Leslie G. Norton to Delphine M. Richards, both of Farmington, before Justice of the Peace Robert K. Anderson of Novi Court.

Earl James Clark, 18, of Livonia, and Donna Marie Bird, 18, of Farmington, were married in Novi Court August 24 by Justice of the Peace Robert K. Anderson. Witnesses were Garold Caudill, of Livonia, and Sandra Payne, of Farmington.

News From Wixom

Mrs. Charles Ware MA 4-1601

Mr. Fred Clemens, and Mr. Dick Curtis from St. Paul, Minnesota, were guests of the Jack Chambers last week.

The OES 508 of Walled Lake is busy preparing for their rummage sale which will be held on September 8 at Stone Crest, Walled Lake.

The Wixom elementary school will open for teachers on Tuesday, September 5 and full time for students on Thursday, September 7. Sixth grade students will be attending Walled Lake this year.

There will be two kindergarten classes and two first grades. There will be two new teachers; Mrs. Joyce Brady will teach kindergarten and Miss Virginia Murray will be teaching first grade.

Mrs. Henry Madigan and Mrs. Elanor Bourgeois and Paula traveled to Belmont, Massachusetts where they spent two days. Henry and Jane Madigan returned home to Wixom with their mother. Henry made his first parachute jump in Mansfield, Massachusetts on Sunday, August 27.

Mr. and Mrs. Wesley McAtte attended the wedding of Mr. and Mrs. Dale Middlebetch in Dearborn Saturday evening. On Wednesday, August 23 the

Bernard Kitsons honored both of their daughters at a birthday dinner. Other guests were the Shelton family and Joe Potven.

Mr. and Mrs. Josh Roach and son Jim of Denton, Texas and Mr. and Mrs. Tim Roach of Union Lake and Mrs. H. G. Roach of Walled Lake were dinner guests of the Bernard Kitsons on August 24.

Jerry Burke left for Fort Knox, Kentucky to spend two years in Uncle Sam's Army. There was a swimming meeting at Hickory Hills on Sunday, the 27th to end up the swimming season. The instructor, Mr. Jim Rollo awarded first prize in the marathon swimming race to David Stafford and two second prize awards to Vivi Metalla and Renee Savage. The Red Cross life saving emblems were also awarded.

Mrs. Lloyd Preston is in New Grace hospital, Detroit. Renee Savage got a bad cut

534 FOREST DOWNTOWN PLYMOUTH

WATCH THAT BALL! — Coach Ron Horwath holds the object which will keep these Northville players on their toes through the football season. With Horwath are eight of his 11 returning lettermen: standing — Garv Nichols (left), John Engle, Jerry Biddle, Bill Hallam and Craig Bell. Kneeling — Joe Hay (left), Dick Bathey and Steve Juday. Missing from the picture are Tom Swiss, Roy Rice and Bill Krist.

No Claims Here; He's Just Looking

Mustang football coach Ron Horwath doesn't have time these cool autumn days to give out with the usual blarney that most coaches issue when another season rolls around.

Bertoni Scores High

Three students of the University of Detroit high school made nearly a clean sweep of the top debating awards presented by the conclusion of Loyola's second annual High School Institute in Debate and Dramatics, on August 23.

James Wiser, 16, Detroit, won the first place trophy by scoring 116 points out of a possible 125 during the contest which highlighted the debate section of the three-week institute.

Both of the two other Detroiters attending the institute received "superior" ratings.

They are: John M. Bertoni, 40640 Eight Mile road, Northville, and James E. Conliff, Jr., of Birmingham.

Sixty-two students from four midwest states attended the institute, which was conducted by Loyola's speech and drama department. The debating students used for their topic, "Resolved: Should federal grants-in-aid be given to the states for public education?"

Hey, Kids! Sign Up

Saturday's the last chance for boys and girls to sign up for bowling at Northville Lanes. There are still openings in the boys league (ages 10-18) and the girls (ages 10-15). Bowling will be on Saturday mornings.

Schmidt Wins

Winner of the local tryouts in the Detroit News Novice tennis tournament recently was David Schmidt, son of Mr. and Mrs. Harold Schmidt, of 20117 Woodhill.

He advanced to the finals at Palmer Park where he was eliminated from further play. Schmidt will be a freshman at Northville High this fall.

Cut Down Season On Ducks

A 10 day cut in hunting days, shorter shooting hours, and halved bag and possession limits form new, sharp restrictions in Michigan's duck season which opens October 13, six days later than last year.

The state's goose season will be trimmed from 70 to 60 days, but last year's bag and possession limits of five will remain in effect this fall.

Acting upon federal options, the Conservation Commission last week set the state's duck season at 30 days (October 13-November 11) with a basic daily bag of two birds and a possession limit of four. Its other choice was a 20-day season with limits of three and six.

Michigan's duck season last fall ran 40 days with a daily bag of four and a possession quota of eight.

Canvassbacks and redheads will remain off limits to hunters throughout the continent for the second straight season. Both of these diving ducks are in short supply.

Only one wood duck and one hooded merganser will be allowed in the bag and in possession, same as last year. In addition to bag limits on other ducks, the maximum take on American and red-breasted mergansers will again be five per day and 10 in possession, singly or combined.

Not more than two Canada geese, or two white-fronted geese, or one of each may be taken under bag and possession limits of five covering the October 11-December 13 goose season.

The bag and possession limit for coots is six, a cutback from last year's quota of six per day and 12 in possession.

The line has lots of experience, the most on the entire team. Jerry Biddle, John Engle and Roy Rice are back at the tackle slots and Bill Hallam and Gary Nichols are in the guard positions.

A second transfer from Detroit's Catholic Central (and Horwath won't have to look too hard to find him on the field) is tackle Jack Dowd. The junior stands 6 feet-5 and weighs almost 300 pounds. He was named CC's most promising lineman the year he played there.

The emphasis in the first week of practice, Horwath noted, will be on offense. He will employ his "Fly-T" offense with which he has had good luck. And then he'll do more looking — this time, at his defense where many a game is won or lost.

Get a License

Michigan's 1961 hunting licenses and game law digests are now being mailed to dealers, the Conservation Department announces.

First shipments this week went to dealers in the upper peninsula. Distribution will be completed to all 4,000 dealers in the state by the third week of September.

License fees are the same as last year for all of Michigan's hunting seasons.

Call to Practice

Cross country practice will begin the first day of school, coach Charles Yehne announced this week. Candidates are to report at that time. The first meet will be at West Bloomfield September 26.

That's Our Tom Long!

He's a Hot 'Racqueteer'

This Sunday is Tom Long's 17th birthday. He personally can't think of a better way than to have his cake decorated with a tennis trophy.

He travels to Toledo this weekend for the Northwestern Ohio junior tennis tournament. It will climax a summer filled with tennis until you would think it is coming out the Northville High senior's ears.

But that's not the case with Tom. He's eyeing the professional ranks someday and has received scholarship offers from some colleges, one in Florida.

Pretty good, you say, but he must have been born with a racket in one hand and a ball in the other.

That's not the case, though. Tom was first introduced to the game as a freshman in high school. He caught on fast and with the expert assistance of Bill Baker, of Northville, and his high school tennis coach, Keith Kraus, he has enjoyed phenomenal growth and success at the game.

Some dozen trophies are on the shelves of the Long home, instead, at 411 Baseline. They include a couple he picked up this summer.

He won the junior singles title at the Monroe Invitational and the doubles at Ypsilanti. His

partner for that one was a fellow tennis mate, Dieron Ormekian, who has carved out a niche for himself in local high school tennis circles.

Since school let out in June, there hasn't been a weekend when you could find Tom in Northville. He's done a lot of travel and curiously, if you ask him what's the best part of the tournament, it's traveling to one, he tells you.

He travels by bus or car. On some occasions, friends he meets at the tournaments will pick him up and they travel together. In fact, Tom said he will probably see most of his tennis buddies for the last time this summer at Toledo.

It's good that Tom likes travel. Get a load of this list of weekend activity:

Springfield, Ohio, for the western junior open, the second largest in the United States. As Tom put it, "I was knocked out of this one pretty quick."

Kalamazoo for the state closed-junior tournament. Tom lost in the third round.

Detroit, for the Motor City junior tourney, he lost in the quarterfinals. He also competed in the men's competition, losing out again in the quarterfinals.

Detroit, for the public parks junior and men's tourney. Tom lost out in the quarterfinals in both classes.

At Ypsilanti where he won the

doubles with Ormekian, he dropped out in the singles semifinals, the men's singles quarterfinals, and the men's doubles (with his coach Kraus) in the semifinals.

At Monroe, where he won the singles, he and a Monroe boy were runnerup in the doubles play.

Tom starts his tennis playing in early spring. He plays indoors at the University of Michigan until it's warmer outside. Then it's four or five hours a day at Cass Benton park or at a private court in Plymouth.

You may wonder how Tom gets his spending money for traveling to these tournaments if he's playing all the time. The answer may make you flip, but Tom strings tennis rackets.

He can't count how many in the two years he's been doing this, but Tom turns rackets out for his fellow teammates on the high school team and friends, in Northville and those he meets on the circuit.

Many times, Tom said, he will restring a racket for someone he meets at a tournament and return it when they meet at the next one.

But that's the way it goes. And if things keep going the way they are, (if you'll pardon this pun), Tom Long may become the first "racqueteer" to be an "untouchable."

HORSE SHOW WINNER — Irene Engel, 15, of 55245 West 8 Mile road, Northville, won her model class Monday in the 4-H Horse Show — part of State 4-H Club Show at Michigan State university, August 28-31. More than 200 horses were shown in various classes of the show. Irene is shown with her winning pony.

September 1 Is Deadline

Landowners in southern Michigan are reminded that September 1 marks the deadline for enrolling under this fall's Williamson Plan again aimed at balancing hunter distribution and curbing hunter trespass problems.

Enrollment applications should be sent to Game Division, Michigan Department of Conservation, Lansing 26.

Early in October, the Department will mail signs and tickets to participating landowners so they can post their property before the October 20 small game opener in southern Michigan.

The Northville Record
 And Novi News

'Twas a Wonderful Time' at Novi's 3rd Birthday Party

Many said they had a "wonderful time" at last Saturday's Novi Gala Day, celebrating the village's third birthday as a village. And they all had their own special reasons.

Some enjoyed the thrilling sky-diving competition where in 22 parachutists tried to hit on target. The first man of the day got the event off to a good start by coming within seven feet of dead center.

Others thought the Indian dance by the Boy Scouts was a highlight. In the above picture, you can see the whole

caboodle of 'em: Front, left to right — Nancy Cotter, Janis Paquette, Billy Spisak, John Boggeln, Bob LaPond, Jack Crawford, and Herbert Harbin.

Back row, left to right — David Spisak, Rick Dryer, Terry Dryer, Ed Blackwell, Bill Boggeln, Tom Gow, Mike O'Bryan, Terry Krug and Martin Boatman.

There were two races—the go-karts and the pinewood derby, sponsored by the Novi cub scout pack. On the left are pictures of the three winners: Paul Bunker, first;

Kyle Evans, second; and John Barbara, third.

Everyone was pinned down at one time or another by that frisky Mike the Clown. And Herb Dryer, chairman of Gala Day, said he held out against all means of pressure to safeguard the secret identity of Mike the Clown.

"He's still a mystery," Herb reported. But it was no mystery to those who came to the village's birthday party. The Board of Commerce deserves a pat on the back for a job well done.

The Northville Record

The Oldest Weekly Newspaper in Wayne County

Thursday, August 31, 1961

SKY-DIVE WINNERS — The sky-diving competition at last Saturday's Novi Gala Day was over before it started. Bill Ray, of Napoleon, (front row, left) jumped to within 6' 9 1/2" of the target. He was the first jumper and his effort held up over 21 others. Second was Eddie Green, of Jackson, (front, center) with a 9' 11 1/2" jump and third Don Allen, of the 82nd Airborne, (front, right) with 16' 7 1/2". In the back row are Danny Latchford (left), owner of the Midwest Parachute company in Novi; George Allen, chief judge, and Herb Dryer, Gala Day chairman.

They'll be Ready for 'Back-to-School' After Shopping These Northville Stores

At Lapham's Men's Shop Mike Willis (left) examines a tapered sport shirt. Charles Lapham is telling Mike, who will be a senior at the University of Michigan, that the smart new styles by McGregor and Arrow are priced from \$4.50.

Janie Stubenvoll will be a third grader at Amerman school this fall. She likes the selection of dresses at The Little People Shoppe. As a matter of fact, she's wearing one of the models and looking at another. Clara Farmer is helping Janie decide. The dresses, for girls up to 10, are priced from \$4.98 to \$8.98. The store handles boys' wear to 6x.

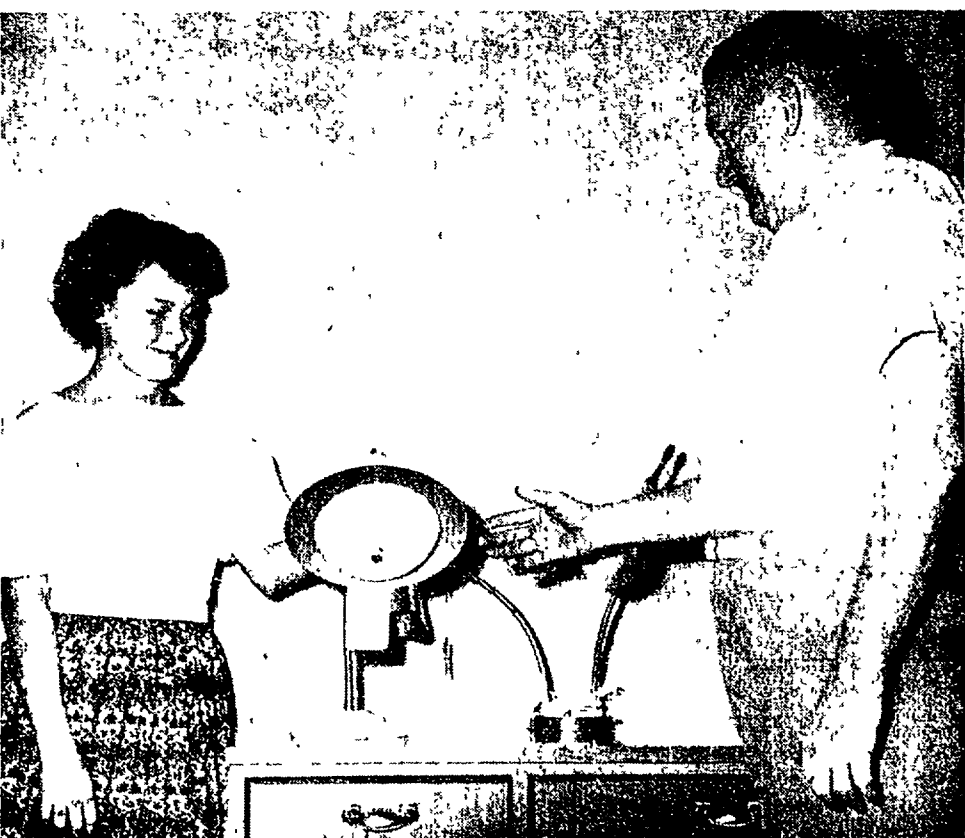

Bill Higgins (right), selects a contrasting pair of trousers and shirt from Chuck Freydl. Snug-Dud trousers by Haggard, styled extra trim and slim are priced from \$6.95. The shirt is a Van Heusen tapered ivy trim-line priced at \$5.00. You'll find a complete selection of back-to-school clothing for boys through high school age at Freydl's Men's and Boy's Wear.

Skirts and sweaters are exactly what every girl needs to go to high school. Penny Ballo, who will be a freshman at Northville this year, finds what she likes at Brader's. Beeda Stanford (left) is showing her a cardigan sweater and plaid skirt that are "match mates". Skirts are priced from \$5.98 to \$8.98 and sweaters from \$3.98 to \$7.98.

Velma Freydl, Mrs. Eugene Quay and daughter, Nancy, select yard goods for back-to-school sewing. Freydl's Women's Wear carry a complete selection of yard goods by Fruit of the Loom and Dan River. Yard goods for back-to-school are priced from 59c. At Freydl's you may choose from a selection of patterns by Simplicity and Advance.

Gail Nirider, who will be a freshman at Northville high school this fall, may have more homework this year. Just in case, she's checking the study lamps at Schrader's Home Furnishings. Harry Sedan is showing her the Lightolier models, priced from \$7.95 to \$19.95. Student desks are priced from \$49.50 to \$79.50.

Strong assurance of man's God-given right to conquer every form of evil will be given Sunday in Christian Science church services.

Paul's striking words to the Romans (8) are included in the Bible readings in the Lesson-Sermon entitled "Man". "Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? . . . Nay, in all these things we are more than conquerors through him that loved us."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (pp. 303, 304):

"Spiritual man is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle. When the evidence before the material senses yielded to spiritual sense, the apostle declared that nothing could alienate him from God, from the sweet sense and presence of Life and Truth."

Reading and writing and arithmetic are still considered to be quite basic knowledge for anyone who is interested in using God's gift of intellect in a constructive way. As much as we sometimes regret to see it approach, the end of our summer and vacation season is close at hand. This involves us in the processes of planning for fall schedules and school. School means reading and writing and arithmetic to the younger citizens of our community. Is there something that must be said in this corner that could generate enthusiasm for the processes of learning?

Long years ago an author wrote these words, "Remember now thy Creator in the

days of thy youth." The one who wrote the book of Ecclesiastes in the Old Testament gave sound advice. Coupled with this thought, we find another choice bit of wisdom in the book of Proverbs that reminds us that "The spirit of man is the lamp of the Lord." Let us say now, that this Divine teaching is the best rule to follow, the best standard available and the highest order for humans who face responsibility.

The captain of a ship at sea has a course to follow, and the pilot of a large airliner has a flight plan. The captain and the pilot pursue the course and the plan with dedication and intelligent response to challenges and

changes. They are men trained to use knowledge with a persistent tenacity, always desiring to do exactly the right thing at a given moment. When emergencies arise, certain procedures must be followed. Their minds and bodies must be in good mental and physical condition.

Is there any reason to suppose that less will be required of each one of us in carrying forward our responsibilities at home, or school, or work? All of us have the chance daily to put knowledge and devotion to God to work. May the students and parents involved in the educational pursuits of the new school year recognize their parts, in keeping alive this flame of truth. This has much to do with the persistence of man in the eternal struggle for freedom as

well. May we also as parents and students remember the vital group of people in our community who carry the daily load of leading these students into new fields of intellectual endeavor. Teachers and administrators have given themselves to the challenge. May we all unite in a new dedication to learning. May we pray daily for Divine guidance that our minds may grow in depth and devotion to the use of knowledge for the promotion of a sound faith in our Creator.

We all know the tragic results that come to those who pursue knowledge for its sake alone or for purposes of conquest over their fellowmen. Enthusiasm for learning must be maintained. Love of God will lead to dedication of talents and strength in the home, the Church, the school and the nation.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Some folks talk as though they want life to be a downhill race without obstacles.
But God, who made man in His own image, never meant it to be so. For the muscle becomes helpless which is never tensed; the mind grows dull which is never challenged. There is no courage without threat of battle.
This life was meant to be a succession of goals . . . each the more inspiring because of the hazards along the way. And who among us, worth his salt, would want a life any different?
It is the uphill, the hazardous, course of courageous living that makes spiritual strength a must. You and I need the Church. We need the Church because we see divine as well as human purpose in our existence.
Life—as we like it—gains deeper meaning with each new discovery of our need of God.

Hilton, Eastern Michigan university; Sandra Houtz, Henry Ford Community college; Betsy Hushen, Eastern Michigan university; Susan Hushen, Eastern Michigan university; Carol Janetzke, Michigan State university; Phil Jerome, Maryville college, Tenn.; Bill Johns, Finley college, Ohio; Carol Johnson, Cleary college; Sharon Johnson, Eastern Michigan university; Richard Kernozek, Michigan State university; Gary Kohs, District of Columbia Prep. college; Margaret Kupsky, Berea college, Kentucky; Marilyn Lahr, Cleary college; Judy Lambert, Eastern Michigan university; Carolyn Langtry, Michigan State university; Dennis La Roque, Baldwin-Wallace college, Ohio; Donald Lawrence, Michigan State university; Nancy Mach, Michigan State university; Bob Matthews, Central Michigan university; Donna Ozark, Albion college; Janet Parton, Ferris Institute; Lonna Peltop, Antioch college, Ohio; James Petrock, Michigan State university; Carol Regenhardt, University of Michigan; Lois Reuter, Northwood college; Jon Rodgers, Kalamazoo college; Bob Sample, Cleary college; Sarah Schrader, Michigan State university; Donna Schultz, Cleary college; Tom Schwarze, Michigan State university; Leslie Sheehan, Eastern Michigan university; Howard Sherman, Detroit Arts & Crafts; Carol Simon, University of Michigan; Connie Springer, Central Michigan university; David Sprunk, University of Miami, Florida; Judy Stamann, Bronson Hospital Nursing School, Kalamazoo; Nancy Starkweather, Davenport institute, Grand Rapids; Fred Steeper, Western Michigan university; Betty Stremich, Western Michigan university; Dennis Templeton, Michigan State university; Bill Trotter, St. Petersburg Junior college, Florida; James Tuck, University of Michigan; Doug Tyler, Detroit Engineering institute; Susan Whittlesy, Northwood college; Richard Willing, Eastern Michigan university; Edith Wit, School of Cosmetology, Ann Arbor.

ONE YEAR AGO
Novi Councilman, Philip Anderson took his fellow council members by surprise when he submitted his resignation. After more than an hour of discussion, his letter was handed back to him. Anderson vowed he would re-submit it at the next meeting.

School days are just two weeks away. Northville public schools expect an enrollment of over 1,800, and Novi should hit the 1,000 mark.

Novi council killed the trailer park rezoning requested by Glenn Buffmeyer on Pontiac Trail. The vote was 3-2.

The Northville school principal's office announced that 58 per cent of the 1960 graduating class would be attending college this fall.

Northville's football fortunes will be under new management this fall. Ron Horwath replaces Ron Schipper at the helm. The opener with Plymouth is three weeks away.

FIVE YEARS AGO
A snag in specifications and confusion in bids resulted in the refusal of all bids by the Northville council in the proposed Wing-First-Fairbrook storm sewer project.

Novi School lost its football coach, Uncle Sam. Philip Hawary was drafted into the army services.

State Fair Competition Attracts Local Entries

Northville will have a host of entries in the Michigan State Fair livestock and farm products competition at the annual Detroit Fairgrounds event September 1 through 10.

A record \$150,000 in prizes will be awarded in what promises to be the largest exhibition ever.

Those with entries from the Northville area include:

Horse: Vernon C. Land Kay Johnson, 21430 Haggerty road; Michigan Cutting Horse Ass'n, 17191 Ridge road; Bill O'Brien, 17191 Ridge road; E. W. Porath, 8637 Napier road; and Hugg's Nursery & Greenhouse, Francis E. Hugg Jr., Napier road.
Pigeon: Albert Lauer, 38190-9 Mile road.
Dairy Cattle: Walter Cress Farm, E. W. Porath, 6646 West Six Mile road.
Horticulture: William A. Fore-

man, 49824 W. Seven Mile road; Ralph Foreman Jr., 49711 W. Seven Mile road; Foreman Orchards, Ralph F. Foreman, 50050 W. Seven Mile road; Donald G. Grigg, 49824 W. Seven Mile road; Melvin H. Mitchell, 50286 W. Seven Mile road; and Ralph Foreman Jr., 49711 W. Seven Mile road.

Vegetable: Corliss Hugg, 8637 Napier road, Carrie E. Foreman, 50050 W. Seven Mile road. Melvin H. Mitchell 50286 W. Seven Mile road.

Floriculture Elizabeth Hugg, Hugg's Nursery & Greenhouse, 8637 Napier road; and Hugg's Nursery & Greenhouse, Francis E. Hugg Jr., Napier road.

Summer recreation program closed with a softball game. Northville lost to Plymouth, 10-5.

Myron Whipple and George McCollum addressed the Rotary Club at their weekly meeting on their experiences at Wolverine State.

Darkness curtailed the first band concert in Northville. Starting time will be a half-hour earlier next week.

Leveling and dragging are underway on the Northville recreation field, formerly Ford Field. Concrete steps have been laid. Completion of the Exchange Club project is expected this fall.

TWENTY-FIVE YEARS AGO
The 20th annual Northville Fair opens August 26. Harness racing, horse shows, baseball, exhibits and three cars to be given away highlight the three day festival.

Charles Trickey recently installed a telephone in his service station. The number is 7128F13.

Novi school opens Sept. 8. Two new teachers will greet the students. They are George Mairs and Miss Betty Chargo.

With the Joe Louis-Sharkey fight grabbing the spotlight, a Young Republican rally was called off for two weeks.

In Uniform

Airman Collins

M. J. Petz, son of Mr. and Mrs. W. J. Petz, 39900 Sunbury, Northville, is presently attending the Air Force ROTC Summer Training Unit at Lackbourne Air Force Base, Ohio. Cadet Petz, who completed his junior year in advanced Air Force ROTC, is attending a 4-week summer training period as part of his Reserve Officer Training at college. While at summer training, Cadet Petz actually observes the Air Force in action and participates in many of the Air Force operations. Following graduation at University of Michigan, he will be eligible for appointment as a second lieutenant in the Air Force.

Lackland AFB, Tex. — Airman Collins, son of Mr. and Mrs. Frank S. Her, 312 S. Ely drive, Northville, has been assigned to a unit of the Air Defense Command, Davis Monthan AFB, Arizona, for training and duty as an Administrative Specialist. He recently completed basic military training here.

Airman Collins attended Northville High School.

New Assignment For Col. Van Atta

Col. Ward H. Van Atta, a recent graduate of the U.S. Army War College has assumed the duties of Director of the U. S. Army Engineer Geodesy, Intelligence and Mapping Research and Development Agency (GIMRADA), Fort Belvoir, Virginia.

He succeeds Col. L. L. Haseman, who had served as Director of GIMRADA since its foundation in August, 1950, to meet Corps of Engineers' requirements for equipment, procedures, and techniques in the fields of geodesy, engineer intelligence, and mapping for application to base plant and troop operations. Col. Haseman was one of 34 Army officers selected to the Class of 1959 to attend the National War College in Washington, D.C.

Col. Van Atta is neither a stranger to Fort Belvoir nor to the fields of mapping and geodesy. In 1952, he served as Controller for the Engineer Center, Fort Belvoir, and in 1953, he was assigned to G-4 (Logistics) for the Engineer Center.

During the period of 1958-60, he was Chief, Mapping and Geodesy Division, Office of the Assistant Chief of Staff for Intelligence, Headquarters, Department of the Army. In his capacity as Chief, he provided advice and direction for the world-wide military topographic mapping program; monitored international mapping agreements with foreign countries; represented the Department of the Army at SHAPE Mapping Conferences; represented the Department on the Committee on Cartography of the National Academy of Arts and Sciences and the Pan-American Institute of Geography and History, and presented the annual budget to the Department, the Department of Defense, Bureau of the Budget, and the Congressional Appropriations Committees.

During the last year, Col. Van Atta was a student at the U.S. Army War College, Fort Belvoir, Pennsylvania, and he also took courses at George Washington University which enabled him to earn an M.A. in degree in International Affairs.

Col. Van Atta entered on active Army duty as a second lieutenant in 1937, following his graduation from Michigan State University where he obtained a B.S. Degree in Civil Engineering.

After serving as a platoon leader, he progressed through company commander, adjutant, executive officer, and battalion commander in all phases of Engineer and military training to include construction, bridge building, and cantonment construction. In 1944, he attended the British Senior Officers' School, Oxford, England.

In 1944-45, he served as a Battalion Commander directing the construction of an airfield in England. He later landed on Omaha Beach, and one month later joined Army Headquarters as Executive Officer, Army Engineer Section.

Upon his return to the States, Col. Van Atta served as Executive Officer, First Army Headquarters, Fort Bragg, N.C., in 1945. In 1946-47, he attended

Harvard University where he received his Master's Degree in Civil Engineering, after which he served with the Omaha Engineer District as Assistant District Engineer and Contracting Officer.

In 1948, he served with the Construction Branch, Engineer Section, General Headquarters, Far East Command, Tokyo, Japan; in 1949, he served as Chief, Department of the Army and Field Service Supply Branches, and in 1950, he was assigned as Chief, Engineer Intelligence Division, General Headquarters, Far East Command, Tokyo. Later in 1950, he served with the Military Personnel Branch, office of the Chief of Engineers.

He served as Chief of Management Division and Deputy Dispersing Office, OCE, in 1951, and also attended the Harvard Business School where he participated in the advanced management program.

Following his assignment as Assistant Chief of Staff, G-4, Fort Belvoir, in 1954, he served during 1955 as Commanding Officer, Engineer Supply Control Office, Far East Command, Fuchiboku, Japan. In 1956-57, he was Assistant to the Depot Commander and Depot Commander of the Army Engineer Supply Center of the Far East. Col. Van Atta resides with his wife, Jane, and their sons, Peter, Jr. and Fred, Jr., at Quarters 10, Fort Belvoir. Peter, an engineering student at Michigan State University, is working during the summer months for the U.S. Army Engineer Research and Development Laboratories.

Col. Van Atta is the son of Mr. and Mrs. Fred E. Van Atta of 136 East Cady.

Ex-NHS Teacher Goes to Western

William Breyfogle, an instructor in the Northville school system from 1959-61, has been appointed an instructor of science and math at the campus school, Western Michigan University, Kalamazoo, effective in September.

He has received degrees from Western Michigan University and the University of Michigan. He has also been a member of the Ravenna, Michigan school system.

OFF WITH THE OLD and on with the new! Lapham's Northville Men's Shop, as well as Stewart's Gifts and Art Supplies on Northville's Main street, are sporting new fronts. Charles and Jim Lapham did the job of face-lifting, while Bob Stewart, owner of the gift shop, designed the letters used for the signs. In the picture below Jim Lapham points out the men's store's first sign, revealed when Lapham's old sign was removed. "C. A. Ponsford" was the father of Mrs. Beth Lapham, who is present owner of the store and mother of Charles and Jim, who work in the store with their mother. Ponsford owned the shop — then a ladies' wear and dry goods store — from 1910 until his death in 1932. The new sign (above) has a dark cedar backing with white cut-out letters.

Legislators to Meet Area Township Officials

In a joint statement made today, Mrs. Hazel Cunliffe, Clerk of Brownstown township, Wayne County along with Martin W. Birk and Floyd Cairns all directors of Michigan Townships Association for the 14th, 16th, 17th and 18th Congressional Districts announced that final plans are being made for the Annual Meeting for All Township Officials from the two counties which will be held at the Arbor Hill Restaurant in Plymouth Township, on Friday, September 1 starting at 8:30 p.m.

An added feature this year will be the presence of the candidates for Delegate to the Constitutional Convention.

Among those invited to attend, besides several hundred Township officials, are Congressmen Harold Ryan, Raymond Dzendzel, Patrick Doyle and Farrell Roberts as well as the State Representatives and the county officials of Wayne county, which is the host county this year.

In making the announcement the Directors said that although the meeting is called primarily for township officials of member townships of the association all township officials and township government are invited to attend.

Here's How to Select Shoes for Children

School bells will soon be ringing calling thousands of youngsters back from summer vacations. For many 5 year olds, it will be the start of a new adventure.

Mothers and children are busy shopping for school clothing and supplies.

Before you do any shopping, Mother, take an inventory of the garments on hand that can be worn to school, then decide what new items are needed. For the child, who is growing rapidly, do not buy the year's supply of school clothing now, as he may soon outgrow them. Buy garments of sturdy fabrics with good construction. Beware of inexpensive garments as they wear out quickly, shrink, and are cut smaller. School clothing must withstand many washings and hard wear.

One item usually purchased now for back-to-school wear is a new pair of shoes. When you select shoes, the most important point to consider is how the shoe fits your foot. Correct size in shoe length, width, and shape is absolutely necessary for maximum comfort and for the prevention of serious foot trouble.

Correct fit is especially important in children's shoes. Check your child's shoe size (length and width) — preschoolers, 4-8 weeks; and 2-4 months for older children. Children's feet are flexible and grow rapidly. Their feet can easily become malformed through adjusting to an incorrect size or shape of shoe. It is not an economy measure to let children wear outgrown or hand-me-down shoes.

How can you check a shoe for proper fit? Here are some points to check on your own shoes as well as the children's.

1. Have both feet measured — the left and right feet may not be the same size.
2. The shoe should be 1/2 to 3/4 inch longer than the end of your toes.
3. The shoe should be flexible at the base of the toes.
4. The widest part of the ball joint should correspond to the widest part of the shoe.
5. The heel section should provide firm and comfortable support.
6. The fit from ball of foot to heel should be smooth and firm with no pressure or gaping.
7. The shoe upper should not cut into the fleshy part of the foot.
8. The large toe should be able to lie straight.

Good shoes need proper care to extend their life and add to their appearance. Let shoes rest and dry out between wearings. Have repairs made promptly. Polish leather shoes to keep the leather supple and attractive.

Northville Board of Education Minutes

Plan Form For Con-Con Candidates

Party candidates to the September 12 election of Constitutional Convention delegates have been invited to participate in a forum, sponsored by the local branch of the American Association of University Women.

The forum is to be held tonight (Thursday) from 8 to 9:30 p.m. in Plymouth junior high school. The public is urged to attend.

Democratic and Republican candidates are slated to give brief talks on their views of vital con-con issues. Ann Conklin and William Hahn are opponents in the 21st representative district, while Weldon Yeager and George F. Montgomery are bidding for election in the 18th senatorial district.

Members of the audience will be given the opportunity to direct questions to any delegate. Moderator Paul Chandler will then ask the opposing candidate to state his view on the same question.

Mrs. John Haas, chairman of the Legislative study group of the AAUW, is organizational chairman of the con-con forum.

STATE ELECTION

To the Qualified Electors:

NOTICE IS HEREBY GIVEN, That a State Election will be held in the
CITY OF WIXOM, State of Michigan at

WIXOM CITY HALL — 49045 PONTIAC TRAIL

within said City on

TUESDAY, SEPTEMBER 12, 1961

For The Purpose of Electing the Following, viz:

CONSTITUTIONAL CONVENTION DELEGATES

ONE FROM STATE SENATORIAL DISTRICT

ONE FROM STATE REPRESENTATIVE DISTRICT

The Polls of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. of said day of election.

LILLIAN BYRD, WIXOM CITY CLERK

1. The meeting was called to order by President Robert H. Shafer at 7:30 p.m. Present: Robert H. Shafer, William B. Crump, Donald B. Lawrence, James F. Kipfer, Wilfred C. Becker.

Absent: Waldo T. Johnson, Edward F. Angove. Others present: Supt. R. H. Amerman, Director of Administrative Services E. V. Ellison, Principals H. B. Smith, F. Stefanski, and Dr. R. M. Atchison.

II. Secretary Lawrence read the minutes of the last regular meeting and one special meeting and there being no additions or corrections, both sets of minutes were approved as read.

III. Communications:

1. Kalamazoo County Board of Education, recommending a Mr. Patterson for election to Michigan Association of School Boards.

2. Harbor Beach Schools, supporting Dr. Dewey.

3. Michigan Association of School Boards, regarding convention of the Assoc. September 14, 15, 16 in Detroit and urging attendance.

4. Miss Elizabeth Pierce, former art teacher in high school, requesting reimbursement for various art supplies purchased by her while teaching here, also requesting payment for one day's salary which was deducted from her final check because it was used for personal business and exceeded the number of days allowed for this purpose.

5. A. E. Jones, requesting that adult admission price at high school football and basketball matches be raised from 75 cents to \$1.00, with programs distributed free.

6. Mrs. Winifred Proctor, expressing appreciation to the board and administration for opportunity of attending workshop for educational secretaries at Ferris Institute.

IV. Report of Superintendent:

1. Athletic field engineering — Mr. Amerman reported that he had been advised that the work of N. B. Hummon, landscape engineer, has been completed, but no final bill has yet been received.

2. Children's program, P.T.A. — Mrs. Wright called to request permission for P.T.A. to use high school auditorium to put on a Saturday program for children this fall.

Moved by Mr. Lawrence that permission be granted, provided suitable date is selected and supervision is adequate. Mr. Kipfer supported and motion was carried.

3. Miss Pierce's request: It was the consensus of the board that the matter of whether or not Miss Pierce should be reimbursed for purchases should be left up to the administrators, but that nothing is really owing her from the school for these purchases.

With regard to the day of salary which she feels is due her, the board also left this up to the administration, with some expression that whatever had been told her orally should be lived up to.

4. Admission Prices at athletic matches — Moved by Mr. Crump, supported by Mr. Lawrence, that Mr. Jones' suggestion be accepted. Motion carried.

5. Calling of Bonds — \$15,000 — 1954 Issue — October 1, 1961

VI. Report of Treasurer:

Mr. Amerman, treasurer, presented reports balances as follows at July 31, 1961:

General fund, \$117,713.07; 1956 Bond and Coupon Account, \$90; 1954 Debt Retirement Fund, \$2,967; 1957 Debt Retirement Fund, Series A, \$2,485.55; 1957 Debt Retirement Fund, Series B, \$94.53; 1957 Debt Retirement Fund, Series C, \$47.29; 1957 Building and Site Fund \$2,416.44; Cafeteria Account, \$572.06.

It was moved by Mr. Becker, seconded by Mr. Kipfer, that the report of the treasurer be accepted. Motion carried.

VII. Unfinished Business:

1. Grading at rear of community center — Mr. Ellison has obtained a price of \$700 to grade parking lot for playground use, from A. M. Thomson. The light poles have been moved and gasoline tank removed. Board made several suggestions regarding possible bid sources. Mr. Ellison was instructed to report bids to Mr. Lawrence.

Some discussion was held regarding the washing down of the sandy slope back of the Community center during heavy rains and the suggestion was made that railroad ties might be used to terrace the soil in this area.

2. Heating contract at Amerman School — Mr. Ellison reported progress satisfactory and we have no reason to fear that the heating unit will not be in operation the first day of school.

3. State Aid note: Official quotation of Manufacturers National Bank, at interest of 2.16% was reported by Mr. Ellison. Offer accepted on motion of Mr. Lawrence, supported by Mr. Crump.

Discussed advisability of instigating another note before next regular meeting.

4. Watering of athletic field — Mr. Ellison reported that he has obtained a price of \$389.30 from an Ann Arbor dealer, using aluminum pipe and heavy duty fire hose, (fire hose purchased from Government surplus store, price is for the piping only) Dealer — Steel Sales, Inc. — advises he can lay one inch of water every five hours on the field using this equipment. Moved by Mr. Kipfer, supported by Mr. Lawrence, that this system of watering field be adopted. Motion carried.

5. Roofing of junior high — Mr. Ellison reported that a Mr. Schreiber, of Construction Consultants, whose business is checking roofs and helping owners keep them in good repair, has looked over our roof situation and offered a roof management program at a cost of 1/4 cent per sq. foot. Total cost of program for all our buildings would be approximately \$600 to

\$700 dollars. Junior high roof is in particularly bad condition. Board indicated that, rather than call the Construction Consultants, administration should try to solve problem other ways.

6. Go Carts again — Mr. Shafer brought up the problem of citizens who insist on using the high school athletic field and parking lot to operate go-carts and model airplanes. Some home owners have complained about the noise and the board discussed at great length what could be done to curtail these activities. No conclusions reached.

VIII. New Business:

1. Driver Training program — Dr. R. M. Atchison appeared before the board to ask why the class time for the program has been cut to 9 hours of behind the wheel instruction from 11 hours, and with 30 hours total instruction instead of 53.

Mr. Ellison explained for the administration that costs of the program had been excessive and necessitated the reduction. Cost of the program at last survey was approximately \$58 per student, as against \$30 per student in other teaching areas.

Dr. Atchison feels that the adequacy of the program is extremely questionable and should be examined again by the administration and an effort be made to extend the teaching time.

2. Fuel Oil Bids — Mr. Ellison presented bids as follows:

Gulf: No. 2, 10 cents per gal. 1% 30 days, No. 5, 9 1/2 cents per gal., net 30 days;

Fuel Oil Corp.: No. 2, 10 cents per gal. 1% 30 days, No. 5, 9 1/2 cents per gal. max. net 30 days;

Standard Oil: No. 2 10 cents per gal.

Aurora: No. 2 10 cents per gal., No. 5 9 1/2 cents per gal. max. net 30 days.

Bids were returned to Mr. Ellison for analysis and recommendation.

3. Milk Bids — Mr. Ellison presented bids as follows:

Ira Wilson: .053 1/2 pt. homo, .057 1/2 pt. choc.

Guernsey: .05 1/2 pt. homo (no cartons) .049

Black & White (Twin Pines): .049 1/2 pt. homo in cartons.

Moved by Mr. Lawrence, supported by Mr. Kipfer that the bid be awarded to Del Black, Twin Pines. Motion carried.

4. Water Heater at Amerman school — Mr. Ellison reported to the board prices he has obtained from three different firms for installation of this equipment, as follows:

Howard Contractors, \$550; Glenn Long, \$540; Nelson Company \$289.50 (unit only).

Board left this matter to discretion of administration, but preferred a local company could be employed.

5. Tax Resolution — Superintendent and Director of Admin. Services advises that tax rate may be safely held at 25.75. So moved by Mr. Lawrence, supported by Mr. Kipfer. Rates to be as follows:

1.25 1954 Debt

1.00 1957 Debt — A

4.00 1957 Debt — B

9.00 1957 Debt — C

17.90 General Fund

Total 25.75

Motion carried.

6. Rotary Travelogue dates — Mr. Ellison advised that local Rotary club would like to have the use of the high school auditorium to present a series of travelogues this winter.

7. United Nations Flags — Elementary school librarian has requested two of these flags for elementary libraries. Administration requests board's opinion on this. Deferred for better information on how flag is to be used.

8. Teaching contract — Mrs. Eller, 4th grade. Also have a probability for a 1st grade teacher — a Miss Bailey of York, Pennsylvania. This would complete faculty except for speech correctionist.

9. Policy on Jr. High student activities — Superintendent Amerman discussed with the board a possible policy sheet for student organizations wishing to conduct certain activities, with reference to notification of principal, time, place, supervision, etc. Mr. Amerman proposes to follow up this suggested policy with Mr. Van Ingen to produce a firm directive. Board gave tacit approval.

10. Adjournment: moved by Mr. Lawrence, supported by Mr. Crump, that the meeting be adjourned. Motion carried. Donald B. Lawrence, Secretary

NOVI HIGHLIGHTS

Mrs. L. Rix

Mr. and Mrs. Floyd Darling and son Tom and their guest, Judy Ritter, vacationed last week at Drummond Island.

Mr. and Mrs. Ed. Schreder and John Leavenworth are on a two weeks fishing and sight seeing trip in Canada.

Mr. and Mrs. Raeburn Davis of Lincoln Park were the Sunday dinner guests of the latter's brother and sister-in-law, Mr. and Mrs. Floyd Darling.

Tom Darling will be leaving next week for Michigan State where he is enrolled at Central college.

Mrs. Charles S. Crawford of South Lake drive, Novi village, entertained at a luncheon at her home last Thursday. Those present were: Mrs. Ernest Edge of St. Clair Shores, Mrs. Eldre Van Vleet of East Lake drive, Novi, Mrs. P. G. Bergeisen of Grosse Pointe Woods, and Mrs. George Bresee, Mrs. J. A. Dorr Sr. and Mrs. Hugo Salchow of Detroit.

The Charles S. Crawfords of South Lake drive were hosts at a picnic supper Sunday August 20. The guests were: Mr. and Mrs. James Coffman of Brooksville, Florida, Mrs. Dorothy Wells of Flint and Mr. and Mrs. William Burroughs of Southfield.

Mr. and Mrs. Louis Larson spent this past weekend vacationing at Owen Sound and Tobemory in Canada.

Mrs. Louis Larson and daughter Christine, returned last Tuesday from a weeks visit with relatives at Springfield, Ohio.

Mrs. Louis Larson will start next week on her new assignment as teacher in the fifth grade at Harrison school in Livonia.

The William McDermaid family returned recently from their vacation which they spent at the cabin in Gladwin. They also visited the Royal McDermaid at St. Ignace and Dr. and Mrs. William Barber at Pickford and later they visited the Soos and the Locks.

While taking down the decorations after the annual day event John Eskro had the misfortune to fall and break his foot. Mr. Eskro is the secretary of the Novi Board of Commerce.

Mrs. Barbara Hagle and daughter Matjolie and son, Jimmy spent the weekend with Mrs. Fred Garlick.

Rev. and Mrs. Dean Parker returned to their home at Vassar after several days spent with the latter's mother, Mrs. Fred Garlick.

Mr. and Mrs. George Atkinson plan to spend the labor day weekend at their cottage near Lewistown.

Mr. and Mrs. Victor Rix and daughter, Beth Elaine returned to their home at Falls Church, Virginia on Sunday. While in Michigan they spent most of two weeks at the Rix cottage at Pretty Lake, Mecosta, with the former's parents, Mr. and Mrs. Luther Rix.

Mr. and Mrs. Luther Rix and their granddaughter Mrs. Rand O'Leary and son Randy attended the Rix family picnic in Webberville, Sunday. Mrs. Ma. dra Oliver of Los Angeles, California also attended the picnic and returned to Novi with the Rixes Sunday evening.

Mr. and Mrs. Joe Comiskey of South Lyon and daughter Mrs. Rand O'Leary and infant son, from Winter Park, Florida were the dinner guests of the Luther Rixes Tuesday evening.

Mrs. Theima Doan attended a birthday dinner in honor of Mrs. Em Haack in New Hudson, Sunday. All the members of Mrs. Haack's family were also present.

Mrs. Glen C. Salow gave a luncheon for nine ladies on Tuesday. They were retired teachers and teachers who have worked with Mrs. Salow in the Novi School.

Mrs. Charles Barber and children were the guests of her parents, Mr. and Mrs. Robert Nofon at their cottage at Port Hope this past week.

Eugene Mc Hale is ill at his home with an infectious allergy.

Mr. and Mrs. Rex LaPlante, Jr. and children are leaving Friday for their home in Houston, Texas after spending several days with their parents, Mr. and Mrs. Rex LaPlante, Sr. Sunday visitors at the Rex LaPlante home were Mr. and Mrs. William Knox from Lakewood, Florida.

Mr. and Mrs. Roy Schram were the Sunday dinner guests of Mr. and Mrs. Harvey Bush in Farmington.

Mrs. Owen Bellenger is a patient in St. Mary's hospital at Livonia.

Mr. and Mrs. Willis Miller have been entertaining the latter's godfather Mr. Hugo Fick of Palatine, Illinois, for the past three weeks.

They spent several days at Rose City with the Harold Millers and the Stanley Orzechowskis at the Miller cottage. Last Tuesday the Willis Millers, and their guest made a trip to Holl River in Canada and on Sunday, Mr. and Mrs. Miller and daughter Marilyn and Mr. Fick were the guests of Sheridan Hawk for the policeman field day at Tiger Stadium in Detroit.

On Tuesday of this week Mr. and Mrs. Willis Miller and Howard Greer took Hugo Fick to Sherwood, Ohio where he will visit his niece.

Mr. and Mrs. Gene Gallup of Muskegon and son and daughter were the house guests of their aunt and uncle, Mr. and Mrs. Clyde Wyatt for a few days last week.

On Monday of this week Mr. and Mrs. Clyde Wyatt visited Mr. and Mrs. Lester Barns at Capac.

Rebekah & Odd Fellow News
The Independent Rebekah club will meet at the I.O.O.F. hall next Wednesday September 6 at noon for a potluck luncheon. Mrs. Pearl Tamm president of the Rebekah Club is in charge.

The I.O.O.F. will resume their regular meetings beginning September 5.

Holy Cross Episcopal Church
The Women's Auxiliary of the Holy Cross Episcopal church met at the church, Tuesday night. They made plans for their bazaar to be held October 26. They will also have a "Luncheon is Served."

Novi Baptist Church
Rev. Arnold Cook will be the speaker on Sunday, at the Salem Federated church. A representative from the Missionary Internship in Detroit will be the guest speaker at Novi church.

The following are those who received perfect attendance bars in Sunday School this past Sunday, for four years — Douglas and Jack Anglin, Billy and David Spisak, Janet Warren, Kenney Little and Marsha, Loretta, and Linda Cook. For three years — Mary Lou Foster, and Linda Shupe, for two years — Carol Shupe, and one year — James Roten, Pamela Lindstrom, Mary Kay Smith and Linda and Brenda Polak.

The winner of the Bible at the gala day drawing was June McClure of Walled Lake.

The Vera Vaughn circle sponsored a canning bee at the church on Tuesday for the Southland Bible institute.

Novi Methodist Church
The Methodist Sunday School will again be held at the regular hour of 11 o'clock beginning September 10. Rev. Nevin's sermon last Sunday was on the topic "Jesus and Status Seekers."

The Methodist ladies report a successful day selling pie-ala mode on gala day and are grateful to all who helped make it a success.

Novi Boy Scouts
Fourteen boy scouts and two girl scouts took part in the Indian dances on gala day. They danced three times during the day all in authentic costumes; the Apache, double dance, Apache hoop dance, canoe dance, deer dance and serpent dance. They took turns at their booth selling leather goods that they had made. They worked very hard for two months on their costumes and leather goods with the help of some of the mothers and they wish to thank everyone who helped them.

The boy scouts will now settle down to work on their individual advancement and are looking forward to a fall campout.

Sr. Girl Scouts
Senior Girl Scouts No. 494 operated and maintained a first aid station, lost and found, on gala day and helped out at the other booths. Mrs. F. Geppert and Mrs. Kriedeman assisted the girls.

WE'LL CASH YOUR PAYROLL CHECK

SPEAKING for the Record

by Bill Sliger

Every year, just before Labor Day and the opening of school, thousands of words of caution are relayed from police and health officials warning citizens to take it easy as the family takes its "last fling" at summer fun.

Yet every year thousands are killed and injured in the rush to crowd too much fun into too little time.

From Wayne County Health Commissioner Dr. Joseph G. Molner and Northville Police Chief Eugene King we've received pleas this week to urge people to use moderation in whatever they do.

If you are driving out of town, allow yourself a little more time than is actually required — and stop driving before you are fatigued.

Don't over-swim, play too many holes of golf or show-off your ability at speed-boat racing.

These suggestions apply to both adults and children, of course, but Dr. Molner reminds us that children learn best and earliest by observing their parents.

So, he concludes, if you are 50, don't try to act as though you are a teen-ager again.

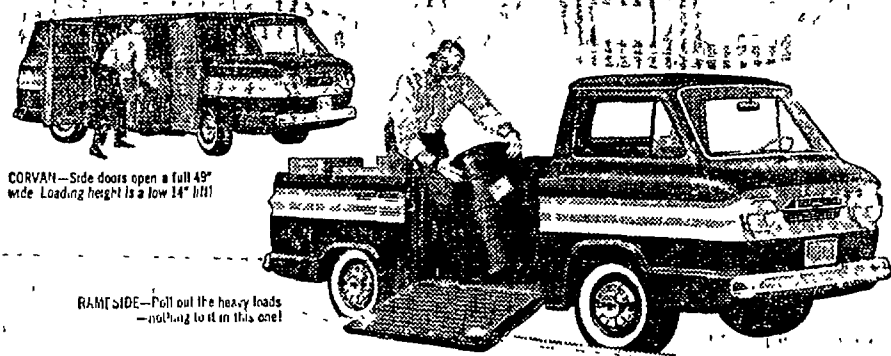

The recent story concerning the construction of an 18-hole golf course on a 185-acre farm at the southwest corner of Six Mile and Currie roads brought back pleasant memories to longtime Northville residents, Mr. and Mrs. Fred E. Van Atta.

Around the turn of the century the farm was owned and operated by Mr. Van Atta's grandfather, William Murray. The spacious house, which will become the temporary clubhouse for the new Salem Hills Golf Course when it opens next spring, was one of the most modern of its day.

As a young bride, Mrs. Van Atta can remember visits to the farm and how impressed she was by its modern facilities — hot and cold running water in every bedroom; marble-wash stands; and gas lighting throughout with gas provided by the farm's own gas plant.

The present owners of the farm, Hiram F. Godwin and son, predict the rolling farmland will make one of the finest golf courses in this entire metropolitan area. Long range plans call for conversion of a barn into a modern clubhouse and construction of a row of houses along both Six Mile and Currie facing the course.

Time marches on.

NOW'S THE TIME to save more truck dollars on the more-for-your-dollar trucks!

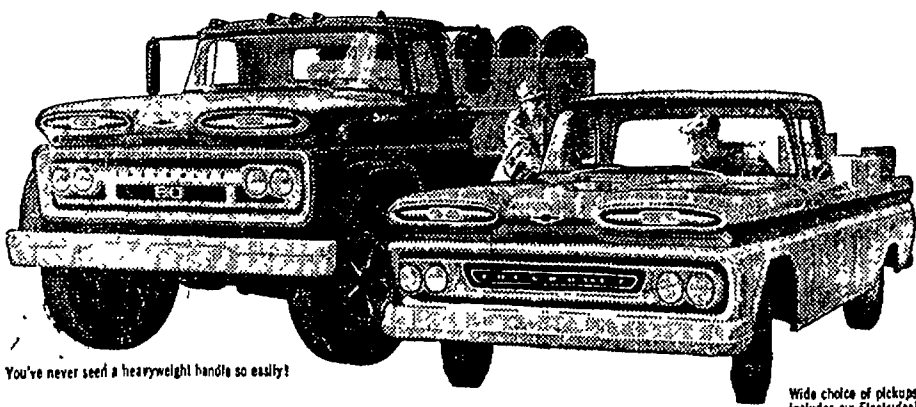

SAVE! You just can't beat August buys for saving. It's the time of year when Chevrolet dealers traditionally pull all the stops. You'll find sweeter-than-ever savings waiting for you on every '61 Chevy truck—from the nimble Corvair 95's, right up to the mighty medium- and heavy-duty jobs. Come in and save a bundle!

SAVE! You just can't beat Chevy trucks for working. With Chevy's easier riding Independent Front Suspension, loads ride easier, drivers stay fresher, the truck lasts longer. You get more work, more hauls, for your truck dollars!

SAVE! And for the frosting on the cake—you just can't beat Chevy trucks at trade-in time. Latest official industry reports prove that Chevrolet trucks lead in trade-in value, week after week, over every major competitor in Chevy's price range.*

The Cells Tell

Babson Park, Mass., For thousands of years scientists have been interested in alchemy, or the turning of a base metal like lead into some precious metal like gold. No one has thus far succeeded in doing this. Attempts have also been made to insulate gravity by mixing two or more elements and finding an alloy which will shield gravity. Here again this has failed ever since the days of Sir Isaac Newton, 250 years ago. Recently, various studies have been made of inheritance, which I will discuss in this column under the general subject of "polymers".

It has been generally accepted that both the father and the mother supply certain genes which are attached together in "strings" known as chromosomes. These genes carry special talents down through the generations. As to how far back they originate, or how long they have traveled through some mother's body, we do not know.

We further do not know just what traits or talents will come through, or when. History, however, does show that the greater the number of children a mother has, the greater her chance of having one or more famous children.

This helps to explain why our nation has been built up by large families and why so often an "only child" has not amounted to much.

The stock of International Business Machines Company is one of the highest-selling stocks on the New York Stock Exchange. Furthermore the company has a great reputation to uphold. Hence its advertisement in the inside front cover of U.S. News and World Report for July 24, 1961 has created great interest.

It shows in a spectacular way that what we are depends upon the arrangement of the molecules which comprise the cells of which we are made.

Last spring an article on polymers appeared in the MIT Technology Review, written by F. W. Billmeyer, Jr. and A. S. Michaels. In addition, I have been much interested in the report of the Long Island Biological Association recently in session at Cold Spring Harbor, New York, attended by the leading biologists of the U.S. and abroad, including Dr. Monod, whom I endeavored to meet when I was in Paris.

Conclusions were that the basic unit of all living things is the cell, consisting of an inner part, known as the nucleus, surrounded by the cytoplasm, which contains the seed of life, that transmits heredity from generation to generation. It determines whether the fertilized egg will become a single cell, a mouse, an elephant, or a human being.

In the creation of life the biologists thought the enzymes were important factors in the polymers' manifestations, but these reactions are too technical to discuss here. The two principal polymers have very long names, hence they are commonly referred to as the DNA group and the RNA group.

Dr. Conrad and Professor Jacques Monod insisted that the genes appear comparable to a complex computing machine governing the operations of an automatic factory. These regulate the output of the factory and the endurance of the factory.

They also stated that, accidents excepted, we could live to be 100 or 120 years old; furthermore, that many people have been buried as dead when they might have been revived by these wonderful chemicals.

Conclusions: This brings us back to the IBM advertisement. I am neither a chemist nor a biologist, but I do believe that the discovery of these polymers is the most wonderful discovery of this generation. When people really understand their possibilities, both in peace and in war, we may enjoy our greatest prosperity — with occasional economic readjustments — during the next ten years.

It also means that we should urge our children and grandchildren to seek good mates and raise large families. History shows that good land and good children are the best investments. Stocks and bonds will come and go; but polymers will go on forever. I wish this could be taught to human beings.

REWARD

For information leading to the apprehension of the culprits who broke into the A&W Root Beer Stand on Northville Rd. last Tuesday night, the 22nd of August.

Among the things taken were 11 delicious foot long hot dogs, (cold without buns), 1/2 cup coffee, (guess it wasn't too good) and a couple mugs of that good A&W Orange Drink were consumed on the premises.

Clues: A slender person, (Went through a small window) with a big appetite and a cut hand.

Michigan Mirror

'Equal Time' Dangerous

"Equal Time" for political candidates on radio and television is a deceptively simple and dangerous concept.

In the fall campaign of 1960, the requirement that broadcast media give "equal time" to all candidates for a given office was suspended for the Presidential and Vice-Presidential candidates only.

Specifically the "equal time" provision in section 315 of the Communications Act, and was suspended last year by Congress, which passed the act in the first place.

The danger in this whole situation is this:

As indicated in the campaign last year, the wording of section 315 is somewhat vague and this leads to problems over just where it applies. Because minor party candidates could have equal time with Republicans and Democrats under an interpretation of 315 by the Federal Communications Commission (FCC), a tremendous hardship threatened the broadcast industry in the 1960 election.

That's why Congress suspended the operation of 315 for the top two races.

Frank Stanton, president of the Columbia Broadcasting System, in a speech to members of the professional journalism society, Sigma Delta Chi, advocated permanent repeal of the "equal time" law.

His point, one well worthy of consideration, was that rule 315 cannot be construed as anything but a limitation on the free flow of information, and as such not only is an infringement on the rights of broadcasters, but constitutes a threat to freedom of the press.

Indirectly, restrictions of this sort reach to the basic freedoms guaranteed in the Constitution to all United States citizens.

Perhaps the original intent of section 315 was good, or at least not bad. It was probably designed to prevent anyone from using the airwaves, apparently well established as public property, to overexpose one candidate in a political campaign and thereby practically guarantee his election.

The consequences of requiring equal time, for example, for a score of candidates for a local office apparently was not foreseen.

Also missed in the zeal for regulation was the necessity for a better definition of how "equal time" should work. The FCC later said section 315 applied to newscasts, interview programs or anything else that constituted an appearance. This is really where the trouble lies.

Obviously, few broadcasters would object to making "equal time" available to those who would pay for it.

But the necessity to time each appearance of each candidate on news programs and other shows so all other candidates could be given equal treatment is an intolerable burden.

Even if radio and television stations would put up with the restrictions of section 315, however, the threat of expanding the "equal time" concept should frighten all citizens.

As Stanton eloquently put it in his speech to Sigma Delta Chi:

"A free society cannot say of one medium that it shall have less freedom than another, because it has more impact or more immediacy or a greater audience."

"If the freedom of any medium is restricted, the foundation for the freedom of all media is gone, and freedom eventually becomes a government handout."

"Nor can a free society give governmental agencies the power to roam around the substance of publications or of broadcasts, choosing what matter shall be free and what subject to government restraints or reprisals, except in the case of clearly and publicly defined security matters."

Stanton went on to say:

"It is in the nature of a free society that only the people make choices about what they shall read or see or hear, and not their government, whether its motive be protective or self-seeking, benevolent or invidious."

"And a free society rejects also the notion that any 'freedom' is occasional, and particularly that suitable occasions for limiting the freedom of the press in any of its forms are election issues."

BOARD OF EDUCATION

NORTHVILLE, MICHIGAN
NORTHVILLE, MICHIGAN

August 31, 1961

To the Citizens of the Northville Community School District:

Within a week the classrooms of our elementary and secondary schools will be humming with the activity of our youngsters engaged in the process of learning.

And as the 1961-62 school year begins, it is significant to point out that our "school house" is in order. Our students will be taught by a complete staff of highly qualified instructors working in facilities that are modern and complete.

So it is that with the completion of our building program, we as administrators, may now turn our attention more fully to the matter of classroom study.

Thus, we pledge ourselves to greater emphasis on matters of curricula and have outlined a plan to provide close contact with our individual school principals and teachers.

In this regard it should be noted that this year we shall introduce a class in special education for mentally retarded students.

Finally, it is also our intention to place more emphasis on providing information on school matters to the public. We fully realize that the advice and assistance given by citizens of the school district have been largely responsible for the steady improvement of our system. We intend to keep you informed of our program and its progress.

We believe the result of this community cooperation will be a better education for our children.
