

# Protests Bring Withdrawal of Landfill Request

A proposal to rehabilitate some 370 acres of Northville township gravel pit area by means of a 12-year landfill plan incorporating a contract to haul rubbish from the city of Detroit died Monday night at the Northville township hall.

Counsel for promoters of the project abruptly withdrew a request for a dumping permit to avoid "being the center of a controversy."

After listening nearly two hours to arguments — mostly using the project — Attorney Joseph Radom, representing Sheldon G. Hayes, promoter of the development plan, directed the board of appeals to consider the request for a landfill withdrawn.

Chairman Gunnar Stromberg complied and the meeting closed — just as it appeared to be nearing its high point.

A standing-room-only audience packed the small township hall. Severest critics of the plan were represented by Earl Demel, attorney for the township of Plymouth.

Monday's meeting had been called to formally issue a permit to conduct a landfill to the Manning and Locklin Land company. The board of appeals had voted 2-1 in favor of the proposal December 8, but stipulations to provide controls over the operation remained to be agreed upon before the permit could be issued.

Meanwhile, a wave of protest led by the R. S. Howells, whose property abuts the gravel pit area, resulted in the hiring of Demel and the presentation of a petition bearing 178 signatures requesting that the permit not be issued.

Specifically, the area in question lies between Seven and Eight Mile roads in Northville township on land now being mined by the Manning and Locklin company and Leon Bonner.

A request to conduct a landfill operation in the gravel pits was submitted to the planning board last summer but turned down for lack of a long range plan for rehabilitation of the property.

Subsequently, the request was submitted again along with plans for a multi-million dollar community of homes, lakes and recreation sites.

Chairman Stromberg opened Monday night's meeting by reviewing the history of the request.

He said the original inquiry

had been made in July or August. It was discouraged by the planning board for lack of a land-use plan.

Subsequently, Stromberg explained, the land company was formed with Hayes, Perry Manning and Charles Locklin naming as officers of the company. The plan for a community of homes was then submitted.

It was determined that the matter of a landfill permit was properly an order of business for the board of appeals to consider.

Stromberg admitted that the township's planning consultants and engineers submitted reports unfavorable to the proposal. He said that his own investigation of a Ulica landfill and current government data on landfill operations convinced him the project could be successfully carried out.

Stromberg concluded his remarks by explaining that some 2,000 cubic yards of fill (28 truck loads) would be hauled into the pits daily. He said a 20-ton bulldozer would be used to compact the rubbish and solid fill and that a four-inch layer of dirt would cover three feet of fill. He estimated that about 50 percent of the area would require fill.

At this point Attorney Demel spoke. He presented the petitions and emphasized that the signers did not object to a "landfill" and subsequent rehabilitation of the gravel pits — but were opposed to the use of rubbish as a fill.

"If the fill would consist solely of broken concrete, earth and the like, my clients would support the proposal," Demel stated.

He then asked Stromberg to read a letter sent to the board of appeals by Walter Couse, well known as one of the major general contractors in the state and a resident of Northville township.

Couse's letter explained his reasons for signing the petition opposing the landfill. While expressing sympathy with the problem facing the board, he said that in his experience such fills did not provide stable foundation for building. He further doubted that adequate funds were being provided for proper inspection and control of the operation and stated that the landfill would also breed rodents in the area.

He concluded that an earth fill coupled with movement of

existing mounds would rehabilitate the property in a shorter period of time with a minimum of disturbance.

A letter from Lewis Alexander, 41131 E. Eight Mile road, suggested that an election should be held in the township to decide the question.

Leonard Broquet, 42100 Eight Mile road, also challenged the proposal. He stated that he had served as supervisor of Redford township for six years and that "dumps were my biggest headache."

He said that the township had erred by not notifying property owners within 500 feet of the proposed landfill and by not publishing notification of a public hearing in the newspaper. Broquet said that such a landfill would lower land values and make it impossible to get FHA financing for housing developments in the area.

He also suggested that the landfill would pollute the water supply and possibly give rise to an outbreak of hepatitis.

Ray Carroll, 41269 Llewellyn, then asked if the gravel mining would cease while the fill was being conducted. Chairman Stromberg said the permit would stipulate that mining must cease within 15 years.

Mike Telischak, 41238 Llewellyn, who explained that he owned a trucking firm and had bid on the contract to haul rubbish, said that the rubbish would breed rodents and that smouldering could not be extinguished.

R. H. Rinehart, 15707 Bradner, also spoke against the proposal, stating that personal investigation of other rubbish fills convinced him it was not proper. "Fill it with dirt, not rubbish," he urged.

At this point Supervisor George Clark read a brief statement in which he pointed out that he had been urged by various residents to direct the board of appeals on how to vote. He said he would not consider such a request — and further pointed out that it was not within his power.

After Attorney Demel questioned the legal right of the township board of appeals to issue a permit (as well as the matter of proper zoning for conducting a landfill), Attorney Herman Moehlman of Northville spoke briefly in behalf of the landfill and pointed out that it was the only economically feasible method for rehabilitation.

Moehlman, like Radom, was retained by the developers.

At this point Radom criticized the remarks of Broquet saying that he was not properly informed.

"We thought we were coming to Northville township to do a job of rehabilitation with profit for both the developers and the township. It would be silly to invest half a million dollars otherwise. We're not here to disrupt the community and if we can't live with this project, we don't want to stay," Radom stated.

Radom called the contract with the township fair, "but very hard, one that includes uncommon safeguards." After Demel indicated that his clients intended to bring legal action against the township if the per-

mit were granted, Radom told the board to dismiss his request.

Before the meeting closed, Charles Van Every, 41825 Eight Mile, spoke in favor of the proposal. He called Hayes "an honorable man" and said that the only way to fill the gravel pits was under a rubbish contract. He said it would be economically impossible to bring in solid fill. Van Every is in the trucking business, but stated he was not connected with the Northville project.

The permit never reached the point of consideration.

It contained the following stipulations: the landfill to be completed within 12 years; that a cash deposit of \$25,000 to guarantee performance be made; that upon completion of the project a 14 acre site be dedicated for public school purposes; that no fires or burning of dumped material be allowed; that no fill be conducted within 150 feet of Silver Springs lake or 50 feet from other exposed

bodies of water; that the permit terminate the end of each year and renew yearly for 12 years if operator complies with stipulations; that no rubbish be used for fill between the western boundary of the Howell property and the existing plant of the Manning & Locklin company; well and pump facilities must be maintained as protection against fire; one cent per cubic yard of fill must be paid during the hearing, stated after adjournment that the township had met all legal obligations in-

volvement in the procedure of issuing a landfill permit and also stated that no zoning changes are required.

Some members of the audience were openly critical of both the lack of official notice and publicity given the issue.

Front page stories covering all details of the proposal appeared in The Northville Record on November 16 and 30 and December 7 and 14. The first story appeared the same week that the plan was presented to the board of appeals. It was

the "lead story" of that edition. On November 21 a "letter to the editor" opposing the project from R. S. Howell was carried under a three column headline. In addition to the front page stories already mentioned, an editorial on the subject appeared in the December 14 edition. Last week's edition recapped the entire proposal, also as a prelude to Monday night's capacity-crowded meeting.

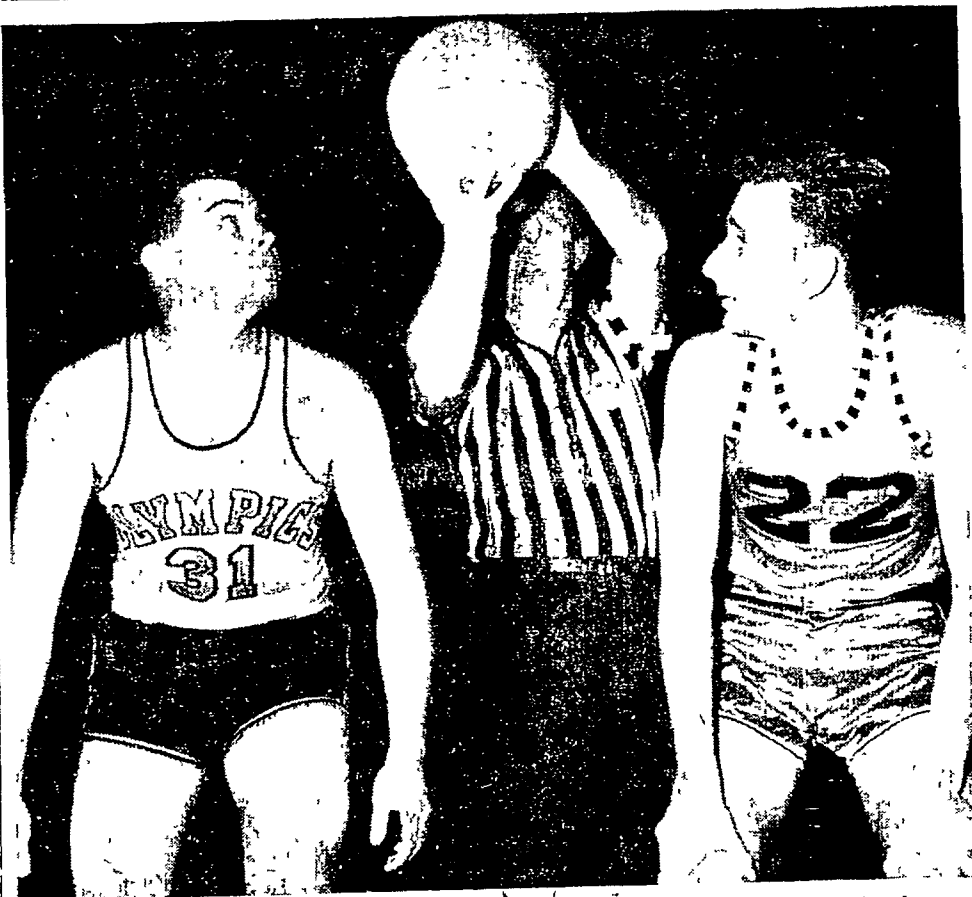

## The Northville Record

IF IT'S NEWS... AND IT HAPPENS IN NORTHVILLE... YOU CAN READ IT IN THE RECORD

Volume 91, No. 35, 14 Pages, 2 Sections

Northville, Michigan, Thursday, January 18, 1962

10c Per Copy, \$4.00 Per Year In Advance

GETTING THE JUMP ON POLIO—Next Wednesday night the Northville Junior Chamber of Commerce and public school faculty members will play a benefit basketball game for the local March of Dimes drive. The game will be held in the community building. Getting a little pre-game practice are Bob Prom (left) and George Sarkozy. Amerman Principal Dick Kay is the referee. Although Prom is a teacher, he'll be wearing the colors of the Jaycees. Sarkozy is a junior high science teacher.

## JC's vs. Faculty For Dimes Drive

No one is predicting the outcome — except that the March of Dimes will be the real winner of next Wednesday night's benefit basketball game between the Junior Chamber of Commerce and Northville public schools' faculty members.

All proceeds of the game will

be donated to the local campaign. A game between recreation league boys, age 10 to 13, will precede the Jaycee-Faculty game beginning at 7:15 p.m. in the community building. The main event starts at 8 p.m. Tickets will be sold at the

door only. Admission is 50 cents for adults and 25 cents for children. As an added attraction the Northville Jaycee Auxiliary will present a half-time program entitled "Fashions For You".

It's mysteriously billed as featuring "Madame Fe Fe La Rouge and Company".

Athletic Director Al Jones and Dick Kay, Amerman elementary principal, will attempt to keep order on the court as official whistle blowers.

The line-ups for the two teams are as follows (With special titles provided by the Jaycees):

Faculty — Don Van Ingen, Bryan Dunn, Stan Galonka, Alex Klukach, Dave Longridge, Paul Mack and George Sarkozy.

Jaycees — Eugene "Crazy Legs" Maloney, "Rambling Richard" Norton, "Crusher Clarence" Ely, "Shur-Shot Jim" Powers, "Dead-Eye Bob" Pratt, "Rapid Robert" Prom, "Wild Willie" Gaab, "Bandit Bill" Bingley and "Killer Karl" Knott.

## Crutches That Cure

Friday evening from 7 until 9 o'clock and again Saturday from 11 a.m. until 3 p.m. the auxiliaries of the Junior Chamber of Commerce and Northville police department will conduct a "Rainbow Crutch" sale.

The small lapel crutch is the symbol of the March of Dimes and all proceeds will be added to the campaign fund.

Mrs. Charles Ely, Jr., is chairman of the sale, which will be conducted in the business district.

## Schrader to Head \$40,000 Campaign For New Grid Field

Nelson Schrader, former president of the Northville board of education, has been asked to head a citizens committee to spark a drive to raise \$41,500 for lighting and seats at the high school athletic field.

Accepting the chairmanship, Schrader said he would begin formulating his committee and get the drive underway as soon as the school board can furnish details of the project and outline what it feels are the committee's responsibilities.

Schrader said he would insist on certain specifications, but declined to say just what these might be.

He said he understood his group would act as a community agent for the school.

The \$41,500 goal was agreed upon by the board Monday night at a special meeting. Of this, about \$24,000 has been tentatively consigned for seats with \$17,500 for lights. Board members expressed hope that other community organizations would offer help in providing other smaller facilities such as a press box, concession stand and ticket office.

Board members passed a motion proposed by Secretary Donald Lawrence to guarantee payments of \$5,000 a year over 12 years to pay for grid field improvements. As it appears now, the money will be used to offset a revenue bond issue, the most prominently mentioned means suggested to date for raising the initial funds. Any revenue bond issue, however, must pass the scrutiny of the Municipal Finance commission in Lansing.

Presumably, Schrader's chief responsibility would be to sell the bonds.

Annual \$5,000 payments will come from athletic receipts which High School Athletic Director Al Jones said totaled \$8,928 in 1960-61. As athletic expenses — \$8,902 last year — nearly match revenues, the system's general operating budget will ultimately have to be increased by \$5,000 to meet the deficit, at least initially. Increased attendance for games at the new field and in other sports could decrease the figure.

Discussing the need for new facilities, schoolmen pointed out that Ford field is not adequate in terms of lights, seats and parking. They further noted that the field does not belong to the schools. Most important in their thinking, they said, was to move ahead in equipping the vast permanent athletic plant that has been started at the high school.

They did emphasize that their intentions were not to embark on any venture that would in any way conflict with the schools' overall academic program.

## Calendar

Monday, January 22

Wednesday, January 24  
Adult Camera club, 7:45 p.m., WCTS employees' residence.

## Buses Slip, Attendance Takes Dip

Old man weather turned the trick again Monday morning, whipping up a fresh batch of treacherous road conditions that raised havoc with school bus runs and pared classroom attendance at all four public schools.

Three buses encountered minor troubles on morning pick-ups along icy backroads, said Director of Administrative Services E. V. Ellison. No students were injured and the extent of damage was a cracked window caused by a tree limb that struck one of the buses as its rear wheels slid to the side of the road.

Bus routes were rescheduled for the afternoon trips home, said Ellison, to avoid gravel roads.

Highest absenteeism figures were recorded at the high school where Principal Fred Stefanski reported an approximate 25 percent drop in attendance between 160 and 180 of the 740 enrollment were out of school, said Stefanski. He attributed the number to the rain which made travel on side roads particularly hazardous when snow and sand were washed away leaving a glare of slippery ice. The fact that Novi buses ran only on main arteries may have also added to the number absent, concluded Stefanski.

In the elementary schools, Main Street Principal Harry Smith said attendance rolls dropped about 18 per cent with 90 of 500 students out of class. About 13 per cent of Amerman school children stayed home. This low figure can be explained, in part, by the fact that almost half the Amerman students can walk to school.

Fifty-one of the junior high school's enrollment of 264 were absent, reports Principal Donald Van Ingen.

## Deny Bid For Rezoning

The Northville planning commission unanimously turned down a request by R. T. Martin Tuesday night to rezone two lots on the Eight Mile road cut-off to permit construction of a gasoline station.

Martin had asked that the lots on the northwest corner of Eight Mile road cut off and Novi avenue be changed from R-1 to C-1. Cut-off traffic has rendered the lots unsuitable for residential use, Martin has claimed.

Approximately a dozen residents of the area attended the city hall hearing and protested the change.

It was maintained by planners that the change would constitute spot zoning, present a threat to the residential integrity of the area, and impede traffic thereby defeating the purpose of the by-pass.

Gary W. Kohs, son of Mr. and Mrs. George Kohs, 473 West Cady, has received a Congressional appointment to the United States Naval Academy at Annapolis.

## Local Boy To Annapolis

Gary W. Kohs, son of Mr. and Mrs. George Kohs, 473 West Cady, has received a Congressional appointment to the United States Naval Academy at Annapolis.

Congresswoman Martha W. Griffiths, who made the announcement this week, said Kohs was the principal appointee of the 17th Congressional district.

A graduate of Northville high school and the Naval school of Culver Military academy in Culver, Indiana, Kohs is now attending Columbian Preparatory school in Washington, D. C.

## Council Makes Board Appointments

The city council made two appointments to the board of review and board of appeals while naming a new chairman to the latter body in a special meeting held Monday night.

Alton Peters was reappointed to the board of review for a three-year term, while Jefferson Baker was named to replace William Stein as a member of the board of appeals.

Stein, former chairman of the appeals board, is moving out of the community. The council appointed Harvey Ritchie to succeed Stein as chairman.

## Hayes Submits New Request to Township

A new re-development plan was presented to the Northville township board of appeals this week by Sheldon G. Hayes — whose request for a landfill permit was withdrawn Monday night.

Hayes has purchased 90 acres on Seven Mile road from Leon Bonner. The property is currently being mined for gravel although the township sought to stop the operation. The circuit court issued a restraining order against the township and the

mining thereby continues until the matter is settled in court. Board of Appeals Chairman Gunnar Stromberg stated this Tuesday that a meeting will be held Tuesday evening, January 23, at the township hall to consider a request by Hayes to permit mining of the 90 acres to continue without threat of court action so that it can be developed into either a golf course or subdivision.

Tuesday's hearing is scheduled for 8 p.m.

NO MORE SEATS — If Northville township continues to have hearings like Monday evening's, a purchase of more chairs and an addition to the township hall would seem in order. At least half of the audience stood in the entranceway or along the sides of the room to hear the pros and cons of the proposed gravel pit landfill argued.

# News Around Northville

Paul Palmer, 761 Thayer, underwent surgery at St. Mary hospital, Livonia, Monday.

About a dozen of her friends helped Jackie D'Haene celebrate her fifteenth birthday Saturday night at a party in the D'Haene home at 49265 Ridge court. Ice skating, dancing and refreshments were party fare.

Mrs. O. F. Reng, 718 Thayer was hostess a week ago Monday at a meeting of Delta Kappa Gamma.

Mr. and Mrs. O. F. Reng were among 15 guests at a dinner and bridge party Mr. and Mrs. Arthur B. Anderson held Saturday evening in their home on East Seven Mile.

Mr. and Mrs. Richard Somers, who moved into their new home on Valencia around Thanksgiving, were feted by friends at a surprise housewarming Saturday night. Attending were Mr. and Mrs. Leland Mills, the Reverend and Mrs. Paul Cargo, the Doug Bolttons, Paul Beards, Aniel Feikens, Wilfred Beckers and Robert Gottses.

Mr. and Mrs. Dayton Deal.

2511 Springwood drive, accompanied by their sons, Barry and Wade, and Mr. Deal's father, Gary Deal, spent the weekend in Muskegon visiting the Eugene Gillaspys.

The Deals' daughter, Linda, stayed with the John Brinsons, of Seven Mile road, over the weekend.

Elmer Kator, 333 North Rogers, celebrated his ninety second birthday Saturday morning Mr. Kator for birthday cake and coffee were his son and daughter-in-law, Mr. and Mrs. Harry Kator, of Detroit, a niece, Eva Behrent, and Mrs. Mae Winters. The Reverend Paul Cargo.

## Engaged

Diann Elaine Slater

Mr. and Mrs. Carl C. Slater, 33014 Berkeley avenue, Livonia, announce the engagement of their daughter, Diann Elaine, to Martin C. Stone, son of Mr. and Mrs. Roy Stone, of 37760 West Seven Mile road.

A September wedding is being planned.

pastor of the First Methodist church, also visited Mr. Kator.

Ann Downer, sophomore at Eastern Michigan university, became a member of The Stoic Society, an honorary organization, January 11 at a reception for new members in McKenny hall.

Ann's parents are Mr. and Mrs. Guel Downer, of 46050 Frederick.

Northville was well represented this past weekend at a birthday party for Fred Boersma, high school exchange student from the Netherlands and foster son of the Edwin R. Oglesbys. Mr. and Mrs. Frank Oglesby, daughter, Carol, and son, Stephen, all of 40240 Fairway drive; Northville high school's three exchange students, Klaus Borkman, Manfred Bartelt and Amelie Sigfridson, and Nancy Frounfelter attended.

Also there were Iqbal Mathur, student from Pakistan; Mr. and Mrs. Richard Royse and son, Michael and Ricky, of Union Lake; Mrs. Jerome Inwood and children, Jeffrey, Jennifer and John, of Ann Arbor; the Edwin Oglesbys' sons, Ron and Ricky, Deanna Slueter and Tracy Steen, of Farmington.

## Newcomers Lunch

### Slated Wednesday

Northville Newcomers club will hold its monthly luncheon for women next Wednesday at 12:30 p.m. in Mayflower hotel, Plymouth.

Reservations should be made by 5 p.m. Monday with either Mrs. G. R. Wilkie, FI 9-3356, or Mrs. Don Funk, FI 9-1018.

A special program is planned following the luncheon.

## Diet Skit Is Next Vehicle For AAUW Study Group

The monthly general meeting of Plymouth-Northville branch of the American Association of University Women (AAUW) is scheduled tonight (Thursday) at Plymouth Junior High school, beginning with a coffee hour at 7:45 p.m.

"Diet Begins Tomorrow", a one-act comedy skit, will be presented by members of the association's Drama Study group. Enacting roles will be Mrs. F. R. Beals, Mrs. W. V. Clarke, Mrs. L. T. Scharmen, Miss Irene Truesdell and Miss Gordon Vetal.

To complete the program, study past accomplishments of their groups and plans for future studies and discussions.

Hostess for the evening will be Mrs. Howard Raafaub, chairman, Mrs. R. E. Beerbower, Mrs. W. O. Breed, Mrs. L. Wummegren and Mrs. Harold Wright.

Members may invite guests to either the general meeting or study group meetings. Mrs. John Hopkins, GL 3-5558, has membership information.

## Rainbows To Install New Officers

Mary Mitchell will be installed as new Worthy Advisor of Northville Rainbow Assembly No. 29 in ceremonies at 7:30 p.m. Tuesday, January 23.

Installing officers will be retiring Worthy Advisor Vickie Boyd; June Cutright, Marshall; Pat Robertson, Chaplain, and Mrs. Joan Corcoran, recorder. Mrs. Lillian Cutright, past Mother Advisor, will install the Mother Advisor and Rainbow board.

Music will be furnished by Mrs. Betty Willing and Mrs. Leland Mills. The Reverend Paul Cargo will give the invocation. A welcoming address will be given by Mrs. Juanita Smith, Worthy Matron of Orient chapter.

The installation is open to the public.

Mr. and Mrs. J. Charles Dickinson, Jr.

## Dickinson-Travis Vows Exchanged in Plymouth

J. Charles Dickinson, Jr., son of Mr. and Mrs. Ralph D. Taylor, of 333 Yerkes avenue, claimed Mary Travis, daughter of Mr. and Mrs. Stanley D. Travis, of Canton Center road, Plymouth, for his bride in a wedding ceremony at Presbyterian Church of Plymouth.

Following a reception for 150 guests at the church, the couple left on a honeymoon trip to Toronto and Niagara Falls. Now residing in Plymouth, the Dickinsons plan to make their home in California after a two-and-a-half month tour of the United States.

Mr. Dickinson, a graduate of Eastern Michigan university, teaches in the Farmington school system. His wife is a member of Beta Sigma Phi sorority.

The couple exchanged marriage vows Saturday, December 23 before the Reverend Henry J. Walsh.

The bride, escorted to the altar by her father, wore a floor-length white gown de soie and chantilly lace peau with a chapel train. A bustle trimmed in seed pearls accented the back of the dress, which was styled with a cumberbund, long pointed sleeves and a sweet heart neckline. The former Miss

Travis wore a diamond necklace given to her by the groom. Her headpiece was a pearl tiara and fingertip silk illusion veil and she carried a bouquet of white roses encircling an orchid at the center.

Wearing a bell-skirted red brocade dress was matron of honor Mrs. Robert Wilson, the bride's sister. Red and white carnations and rums formed her bouquet.

Identically attired were attendants Mrs. Donald Brinks, another sister of the bride, and Miss Lillian Dickinson, the groom's sister. Flower girl Jane Wilson, daughter of the matron of honor, wore a white organically dress fashioned with an embroidered pomsctia overskirt. She carried a basket of mums.

Thomas Stanford was Mr. Dickinson's best man. Howard Meyers, Jr. David E. D. Curl, Charles R. Ely, Jr., and William Gaab ushered guests.

Mrs. Travis chose a jacket dress in dark brown satin brocade for her daughter's wedding, while Mrs. Taylor selected a beige Chinese brocade jacket dress.

The new Mrs. Dickinson's going-away outfit was a red wool suit.

Mary Mitchell  
Rainbow Worthy Advisor

## Reviewers to Meet

Miss Grace Gillespie, 120 Rayson, will hostess a meeting of Northville Review club next Thursday, January 25 at 1 p.m. Mrs. L. M. Eaton will share experiences of her recent trip to New Zealand.

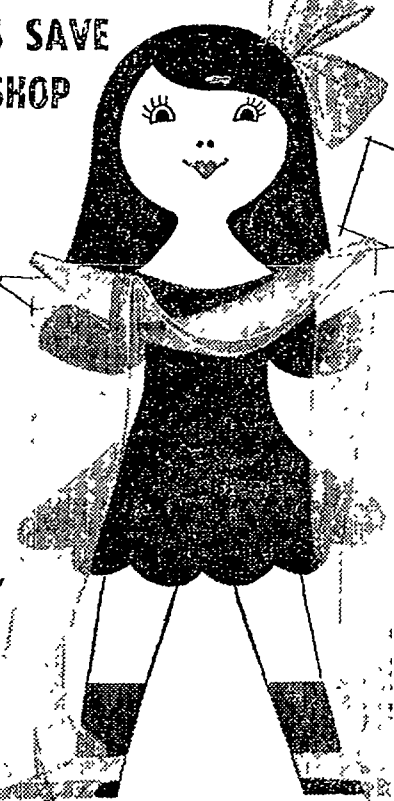

**HAPPY BIRTHDAY** — Although the weatherman was not altogether cooperative Monday, Sarah Ann Cochrane chapter of the Daughters of the American Revolution still enjoyed an excellent turnout for the luncheon held at Hillside inn to celebrate the chapter's 35th birthday. Seated with guest speaker William B. Gregory II, who spoke on "The Constitution", are (l-r) Mrs. Felix Hohlseil, first vice regent; Mrs. William Bake, regent, and Mrs. Claude A. Crusoe, state registrar.

**2 MONEY-SAVING REASONS WHY YOU SHOULD BUY AN ELECTRIC DRYER NOW**

**Free Service!** Buy an electric clothes dryer and you save money—Edison repairs or replaces electrical operating parts without charge for either parts or labor. That means no worrisome hunting for a qualified appliance repairman, too. A well-trained, courteous Edison repairman is just a phone call away. This service takes effect after the dryer maker's regular warranty expires.

**Special Installed Price!** Buy an electric dryer now and the price will include installation. This money-saver, available for a limited time, covers standard wiring (one 220-volt dryer circuit), when the dryer's installed on Detroit Edison lines in any dwelling up to and including a 4-family residence.

There's a wide range of well-known electric dryer makes and models to choose from—now, while the price includes the wiring installation. You are sure to find what you want at your favorite appliance dealer's... but make sure it's electric!

"SPECIALISTS IN FABRIC CARE"

**TWO ON A SLED** — Joining in the fun at the Crispin Hammonds' "Open House on the Hill" Sunday afternoon were the Reverend Lloyd Brasure, pastor of the First Presbyterian church, and his family. That's Wayne Brasure, 4, doubling up with his dad for a quick trip down the hill, while Mrs. Francis Garlay looks on.

**TIME OUT** — Even play can be tiring, agree Eddie Hammond and John O'Brien (l-r), who took time out to catch a second wind at the Hammonds' party Sunday. The boys had plenty of company in the snow fun and frolic shared by several Northville families at the annual winter party.

## Explore "Air-Chair" Television

Northville Parent-Teacher association will literally look at television "from the ground on up" next Thursday at a meeting slated for 8 p.m. in the high school.

Guest speaker Dr. John Barson, of Wayne State university, will discuss "Airborne and Chairborne TV". The topic has been selected, said a P-TA spokesman, to prepare association members and the public for possible use of educational television locally.

The program committee hopes to be able to tune in a special airborne TV broadcast scheduled that night during the meeting if suitable equipment is available and reception good.

Although Northville public schools do not use educational television for regular instructional purposes, a school committee headed by Board of Education Trustee Wilfred Becker has been studying educational TV.

Superintendent of Schools Russell Amerman recently attended a conference on the topic at Purdue university.

## TOPS Officers Installed Monday

Northville Eater Beaters branch of the TOPS (Take Off Pounds Sensibly) club installed new officers Monday, January 8. Mrs. William Schlieff, past leader, presented a corsage of carnations entwined with a tape measure to the club's new leader, Mrs. Jeff Baker.

Eater Beaters trimmed a total of 200 pounds in 1961, according to the yearly report.

A contest is now under way with Milford TOPS chapter. The group losing the most weight by the end of this month will be treated to a low calorie supper by the other chapter.

Information about TOPS can be obtained by phoning FI 9-2083 and FI 9-2441.

## Clubwomen To Adventure With Food

New ideas with the gourmet touch will be the program fare tomorrow (Friday) afternoon when Northville Woman's Club members go "Adventuring with Food" with Mrs. William Bostick as their guide.

Mrs. Bostick is associated with the Home Economics department at Wayne State university.

The meeting begins at 2 p.m. in the public library.

An added attraction will be music by the glee club of the Plymouth Woman's Club, directed by Mrs. Gerald Hondorp and accompanied by Mrs. Rushing Cutler.

## Dimes' Marchers Meet

**MOTHERS MEET** — A meeting of area chairman for the annual Mothers March was held last Wednesday evening at Danny's Chop House in Livonia. Hostess was Mrs. Lester Anders, Wayne county field coordinator for the March of Dimes campaign. The volunteers viewed a film made in the Wayne county polio area following dinner. Pictured above are (l-r) Mrs. Robert Hoff, Mrs. Morrie Herman, Mrs. Robert Fox and Mrs. James McCann of Livonia; William Bingley, Northville's general chairman, and Mrs. H. Lorne Dyer, Mothers March chairman for Northville.

## Start New Class

Roller skating instruction for Girl Scouts will be taught at Riverside arena in Plymouth starting Friday, February 23. Any local scouts interested in taking lessons should contact Mrs. Matby at GA 7-3577. Instruction may be applied as credit toward a roller skating badge.

## Coin Club Meets

Riverside Coin club will meet at 3 p.m. Sunday, January 21 at 9814 Blackburn, Livonia. A coin auction and general swapping session are slated. Anyone interested is welcome to attend.

## Hospital Auxiliary Hears President of State Group

Various methods for volunteers to assist in hospitals were suggested by two women long experienced in this type of work at the monthly meeting of the Northville State Hospital auxiliary Tuesday, January 9.

Guest speakers, Mrs. H. C. Mack, past state president of the Michigan Association of Hospital Auxiliaries, and Mrs. C. Norris, president of the Southwestern district, emphasized the future potential of volunteer workers and proposed projects for assisting hospital personnel.

"Closer contact with the patients might be achieved by story telling and group singing at ward parties and also by using pen pals for forgotten patients," suggested Mrs. Mark.

An open discussion was held while coffee and cookies were being served.

The auxiliary will meet next on February 13 at 1 p.m. in the hospital. Anyone interested is invited to attend.

## NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance"

— Samuel Johnson

Antique buffs Warner and Jo Krause and daughter Mary Jo, 7.

Warner and Jo Krause picked out a house to go with their furnishings. The dwelling, a charming barn red colonial, is an appropriate showcase for the early American antiques they both collect and refinish.

The Krauses and daughter, Mary Jo, 7, have been in the house at 46065 Fanner since December 13, when they moved here from Detroit, their home

for nearly 10 years. Mr. Krause still sees a lot of Detroit, however, where he is a salesman for Kimball and Russell Incorporated, wholesale fashion door company.

Though her husband is a native of the big city, Mrs. Krause comes from a town in central Illinois about the size of Northville. Havana — Mrs. Krause's

Havana — is about midway between Peoria and Springfield. "The beautiful country" sold the newcomers on Northville, says Mrs. Krause.

## 18 — BUSINESS OPPORTUNITY

## Profitable Dealerships Available!

WITH ONE OF THE FASTEST GROWING  
INDEPENDENT DEALER ORGANIZATIONS  
IN AMERICA . . .

NO EXPERIENCE NECESSARY!

LOCATION AVAILABLE IMMEDIATELY  
IN SOUTH LYON

We are seeking progressive men to invest in and operate  
their own independent Firestone Dealer Stores in rapidly  
developing markets in Michigan.

The Firestone Complete Business Franchise is the best  
in the retail field because it offers:

- A business that makes money from the start . . . and  
profits quickly grow as your business expands.
- Assistance and Training by highly experienced personnel  
from the original planning stage and continuing through your  
day-to-day operations.
- Fast-moving Merchandise — the full line of world-famous  
Firestone Tires plus many other items for the home and car  
that customers want . . . and buy.
- America's Finest Brand Names — Firestone, Philco, G-E,  
Westinghouse, Sunbeam and many, many more.
- Pre-tested Selling Plans (published monthly) to help you  
move merchandise . . . at a profit.
- Co-operative Advertising — we share in the expense of  
your local ads, provide you with promotional literature at  
cost, and back you up with national campaigns.
- \$15,000 cash may be sufficient to get started in this  
business for yourself.

Murray G. Lyke, a Northville  
high school graduate, has been  
named director of an Eastern  
Michigan University sponsored  
television production. Lyke  
has been placed in charge of  
directing the program "Explore  
with Me" which can be seen  
locally every Saturday at  
1:30 p.m. over Toledo's  
WTOL-TV, Channel 13.

## NOTICE

The Northville Township Board of Appeals  
will meet TUESDAY EVENING, JANUARY  
23 for the purpose of considering an ap-  
plication by Sheldon Hayes for permis-  
sion to continue sand and gravel mining  
on the 90-acre "Bonner property" on 7  
Mile road with an objective of future de-  
velopment of the parcel as either a golf  
course or subdivision.

The meeting will be held at 8 p.m. at  
the township hall.

Gunnar Stromberg, Chairman  
Northville Township Board of Appeals

## Northville Council Minutes

A regular meeting of the  
Northville City Council was  
held at the City hall Monday  
evening, January 8, 1962, at 8  
p.m.

Present: Mayor A. Malcolm  
Allen, Councilmen, Ambler, Can-  
terbury, Carlson and Juday. Ab-  
sent: None.

Minutes of the last regular  
meeting and special meeting of  
December 27th were approved,  
with one correction as read.

Bills in the amount of \$24,672-  
74 from the General Fund,  
\$45,000 from Other Government  
Fund and \$1,790.98 from Water  
Fund were presented for pay-  
ment and approved. Moved by  
Ambler and supported by Can-  
terbury that these bills be al-  
lowed and paid. Carried.

Communications:

### Mary Ware Opens Travel Service

Mrs. Mary Ware, former own-  
er of The Little People's Shoppe  
in Northville, has joined the  
Boersma Travel Service of Ann  
Arbor. She will provide a travel  
consulting service from her home,  
229 Hutton, including complete  
travel information, routes, tick-  
ets and fares. Mrs. Ware be-  
came interested in the business  
following a vacation to Europe  
last summer with her husband.  
While in France, the Wares met  
the Boersman and upon return-  
ing home Mrs. Ware was trained  
in the Ann Arbor office of  
the travel service.

## Northville Council Minutes

Mr. William Stein's letter of  
resignation from the Board of  
Appeals was read and accept-  
ed.

A letter from Mr. Skinner, at-  
torney for Mr. Reinbackel was  
read.

Communications from Citizens:  
Mr. Elmer Balko spoke re-  
garding the proposed postoffice  
and traffic counters which are  
being used in the city. Mrs. Ho-  
ward Beller inquired as to who  
was responsible for cleaning  
sidewalks near the high school  
and street lighting in this area.  
City Managers' Reports:

Mr. Potthoff reported on the  
traffic counters in the city, cor-  
respondence regarding the paint  
job on the water tower, resig-  
nations on the various commis-  
sions; and the problem of var-  
ious signs and obstruction on  
and near city streets.

Parking Removal:

After reporting and discussion  
regarding parking removal on  
Main Street near the new A &  
P store, it was moved by Car-  
lson and supported by Juday  
that the resolution altering park-  
ing on north side of E. Main  
street be adopted.

Discussion took place regard-  
ing the proposed Zoning Ordinance  
on the adoption of an RE zone  
and use of Performance Standards  
as approved by the Planning Commission  
and it was moved by Ambler  
and supported by Carlson that  
a public hearing on same be  
designated for Monday, Febru-  
ary 5, 1962, 8:00 p.m. and  
that a summary of said ordi-  
nance be published.

The City Manager discussed  
the steps necessary before get-  
ting into Urban Renewal.

Mr. Bruce Potthoff, City Man-  
ager, was designated Street Ad-  
ministrator for the City of  
Northville for the Michigan  
State Highway Department.  
Moved by Juday and supported  
by Ambler.

It was decided to have the  
next regular council meeting  
on Monday, January 29, 1962.  
Mr. Ogilvie asked if council  
could meet with the Chief of  
Police and Justice McDonald  
and a special meeting was set  
for Monday, January 15, 1962  
at 8:00 p.m.

Mr. Ogilvie made a report on  
the "sinking house" on S. Ely  
drive.

There being no further busi-  
ness to come before the meet-  
ing, same was adjourned at  
10:00 p.m.

Martha M. Milne, City Clerk

## NOTICE OF PUBLIC HEARING

TIME  
MONDAY, FEBRUARY 5, 1962 — 8:00 P.M.  
PLACE — NORTHVILLE CITY HALL

PLEASE TAKE NOTICE that a Public Hearing will  
be held on a proposed Amendment to the Text  
of the Zoning Ordinance of the City of North-  
ville, at the time and place specified, relating to  
the following:

1. The addition of a new section under Article  
III, regarding Performance Standards cover-  
ing all uses within the City, such as air  
contaminants, particulate matter and dust,  
odor, gases, fire and explosion hazards,  
radio-activity of electrical disturbance,  
glare and sanitary sewage wastes.
2. The addition of a new Article to be Article  
IX—A RESEARCH DISTRICT.

NOTICE IS FURTHER GIVEN: That the Text of the  
proposed amendment is on file and may be ex-  
amined at the City Hall during the regular office  
hours.

Martha M. Milne  
City Clerk

## Masked Man Knocks First, Then Strikes

Reuben Peterson, 149 East Main, suffered a broken nose and black eye when a masked intruder entered his home about 8 p.m. Sunday.

Peterson told police the man knocked at his door. He said he opened the door and the man reached in and struck him twice in the face, then fled. While he could not identify his assailant, Peterson described him as about five feet, five inches tall and of slim build.

He said it could have been a case of mistaken identity.

Sunday night police answered a call from a citizen who reported a man acting suspiciously at the bridge that spans the river on South Main.

The caller said the man, later identified as John J. Bontreger, a groom at Northville Downs, had taken out his coat and put it on the fence.

Bontreger was picked up and committed to Wayne County General hospital for 48-hour observation by authority of the County Prosecutor's office.

## Bob Sample Wins Award For Jumping

Bob Sample, 19-year-old Northville horseman, flew to New York City last week to accept national high scoring honors in professional-amateur open jumping. The award, based on season-long performance, was presented at the American Horse Association convention.

Sample's horse, "High Society", was also slated to receive a citation for best Green Open Jumper.

Miss James A. Sample accompanied her son to New York. The family home is at 20803 Chigwidden.

## To Discuss Mobile Unit Services Here

The Northville Coordinating council will meet tonight (Thursday) at the city hall to hear Philip J. Rutledge, director of health education for the Wayne county department of health, discuss mobile unit services.

Others scheduled to appear on the program are Dr. W. L. Howard of Maybury Sanatorium, City Manager Bruce Potthoff and Mabel Cooley, who will report on a recent meeting concerning the Wayne county visiting nurse service.

The meeting will begin at 8 p.m.

## JC's Honor Knoth, Ribant

Northville's Junior Chamber of Commerce named Earl Knoth "Jaycee of the Year" Monday night at a special "Bosses Night" banquet.

Honored along with Knoth as recipient of the "distinguished service award" was Jaycee President Walter Ribant.

Both Knoth and Ribant are charter members of the infant organization and have been diligent workers in the Jaycee program. Knoth is treasurer of the group.

Some of the projects undertaken during the past year by the local Jaycee group include the horse show, July Fourth parade, March of Dimes chairmanship and the beautification of city property adjoining the Ford plant.

Ribant is 28, married and has two children. The Ribant family lives at 1080 Allen drive. He is an engineer with Michigan Bell Telephone company.

Knoth is 31 and is employed at the Ford Motor Company assembly plant in Wixom. The Knoths have two children and reside 857 Novi avenue.

Presentation of the Jaycee of the Year trophy was made to Knoth by Jaycee Eugene Maloney, chairman of the program. Attorney C. D. Hill was speaker at the "Bosses Night" banquet.

## Obituary

**DAVID H. MCKILLIP**  
David H. McKillip, 67, of 11131 West Main, died January 12 at Veterans Administration hospital, Ann Arbor. Services were held from Casterline Funeral home Monday with the Reverend Elwood Chipchase, Salem Federated church, officiating. Burial followed at Rural Hill cemetery. Mr. McKillip, a retired employee of Maybury sanatorium and veteran of the First World War, had lived here the past half century. Surviving are two sons, Howard, Plymouth, and Merle, Wayne; two daughters, Mrs. Mary Balden and Mrs. Eleanor Diem, Wayne, two brothers, Lester, North Warren, Pennsylvania, and Charlie, Warren, Pennsylvania, and seven grandchildren. Mr. McKillip's wife, Margaret, preceded him in death. He was born July 8, 1894 in Munderf, Pennsylvania.

### HELEN AGNES MORRIS

A former Northville resident who was an active organizer of homemaking arts exhibits when the Wayne County Fair was held in Northville died last Saturday in St. Johns. Helen Agnes Morris, 96, a Northville resident more than 80 years, had been living in St. Johns the past 18 months. Her remains were placed in Rural Hill cemetery mausoleum Tuesday following funeral services from Casterline Funeral home. The Reverend Lloyd Brasure, First Presbyterian church, officiated. Surviving Mrs. Morris is a niece, Miss Julia Holton, of St. Johns, and a nephew, Arthur Strong, of Sacramento, California. Preceding Mrs. Morris in death was her husband, Archie. Born in St. John on November 24, 1865, Mrs. Morris was the daughter of Robert and Julia Healy Sherds.

### LORETTA OLGA PETROSKY

Funeral services were held from the First United Presbyterian church, Plymouth, yesterday (Wednesday) for Loretta Olga Petrosky, 54, music teacher at Redford high school who died last Saturday at Ford hos-

pital, Detroit. Burial was in Woodmere cemetery, Detroit. Schrader Funeral home, Plymouth, took care of funeral arrangements. Miss Petrosky, Northville resident since 1940, lived at 930 North Center. The daughter of Otto and Olga Godman, she was born June 27, 1907 and is survived by a sister, Charlotte H. Petrosky, of Livonia, and a brother, Constantine E. Petrosky, of Detroit. She was a former pianist for the Plymouth Symphony society and an organizer and past president of the Livonia Youth symphony. She had directed the choir and been organist at both St. Andrew Episcopal church, Livonia, and the First United Presbyterian church, Plymouth. Miss Petrosky's affiliations included: Guild of Church Musicians, American Guild of Organists, Detroit Federation of Teachers, In and About Detroit Music club, International Institute of Music, Guild of Carolers, Guild of North America and the Anti Cruelty society.

### RAY MEEUWENBERG

Services were held at Casterline Funeral home last Friday evening for Ray Meeuwenberg, 66, who died January 10 at University hospital in Ann Arbor. Remains were cremated Saturday morning at Woodmere cemetery in Detroit. Born in Fremont August 21, 1895, Mr. Meeuwenberg was a graduate of the School for the Blind at Lansing and remained there four years as a member of the faculty. He founded and was sole owner of Automatic Sales company in Detroit 27 years and had lived here in retirement the past few years. Mr. Meeuwenberg lived at 9250 Napier road. He is survived by his wife, F. Alvida Peel Meeuwenberg; a son, Wallace, of Farmington; daughter, Mrs. Lae Trumbull, Northville; five grandchildren; three brothers: Allen, Traverse City; Clinton, Cedar; Richard, Bladwin; and three sisters: Mrs. Reake Wilson, Fremont; Mrs. Marie Miesner, Lafayette, Indiana, and Mrs. Birdie Barr, Muskegon. A past president of the League for the Blind in Detroit, Mr. Meeuwenberg had also been active in state organizations for benefit of the handicapped.

### MAURICE J. GILES

Funeral services were held Wednesday afternoon at the Wood Funeral Home on Plymouth road in Detroit for Maurice J. Giles, 74, a former resident of Northville.

Mr. Giles died Sunday morning in Women's Hospital, Detroit, a week after having suffered a stroke. He was born April 30, 1888, in Wabak, Mississippi, the son of Tom and Nora Giles.

He came to the Northville area with his wife Beatrice in 1916, moving to Detroit in 1944. He was a 30-year employee of the Northville Ford plant.

Mr. Giles is survived by his wife; two sons, Maurice S., of Northville, and Cecil, of Detroit; two brothers and six sisters.

Burial took place in Grand Lawn cemetery, Detroit.

### LUTHER C. RIX

Funeral services were held Monday from Casterline Funeral home for Luther C. Rix, 72, who died of a heart attack Friday evening in his home at 43466 Ponda street, Novi. Mr. Rix's widow, Laney, is a correspondent for The Northville Record—Novi News. The son of Hiram and Betsy Ann Neal Rix, Mr. Rix was born in Williamson on September 13, 1889. He and his family settled in Novi in 1936. A retired employee of Dunn Steel Products, Plymouth, Mr. Rix was a member of the Novi Farm bureau and the New Hudson Methodist church. The Reverend E. C. Stringer, pastor of New Hudson Methodist, officiated at funeral services which were followed by burial at Oakland Hills cemetery, Novi. Besides his wife, Mr. Rix is survived by two sons, Edward, of Plymouth, and Victor W., of Falls Church, Virginia; four grandchildren and one great grandchild. He was preceded in death by a daughter, Betty S. O'Leary.

## Local Matmen Win "Finest"

Northville wrestlers won their finest meet of the season Monday evening when they pinned a 27-20 defeat on Farmington's Our Lady of Sorrow, says Coach Jack Kreiner.

"They were in fine form, and so were we," he said. The meet was all-around best on performance by all the Mustangs, he said.

Tonight the local matmen travel to Redford Union, where Kreiner expects to have a fairly even meet. He says he's never seen Redford before, and doesn't know exactly how strong they are.

Next Tuesday the Mustangs play hosts to North Farmington, in a match for which Kreiner

has very favorable predictions about his wrestlers. The meet begins at 7:30 in the high school gym.

Winning their matches by pins Monday were Mike Bran-

denberg and Jack Carter. Coming out with decision wins were Doug Nichols, Ron Rebitzke, Dick Price and Gary Nichols. The local club won the heavy-weight match by forfeit

## Parochial School Plans Second Wrestling Clinic

Grade school youths from Our Lady of Victory school in Northville will participate in Farmington Our Lady of Sorrow's second annual wrestling clinic and tournament, which starts Saturday.

The six-week event is open to

parochial school students in Northville, Livonia and Farmington areas. Last year approximately 220 boys participated in the activity, and between 70 and 100 Northville youngsters are expected to enter this year.

Coach Dan Potter, of OLS, will direct the clinic-tournament. He expects to have high school wrestlers demonstrate various holds and escapes during the first meeting this weekend, and then will have three weeks of training.

The event will be capped by a two-week tournament among the entrants, who will do battle royal in competition for ribbon prizes.

The invitational event was organized to provide youngsters with directed training in the growing sport of wrestling, says Bob Byrd, of Willowbrook, who has helped Potter in some of the arrangements.

Northville Record—Novi News—Thursday, January 18, 1962  
Section One — Page Seven

## Cager of the Week

**CONSISTENT HIGH SCORER** — Steve Juday takes aim as he goes into his favorite jump shot a few steps from the key slot. Steve, a 5' 11", 160-pound senior, has scored well for most of the season from his position as right guard. He also quarterbacked the Mustangs through a championship season this year, and will be gracing the baseball diamond when the snow clears. He is the son of Mr. and Mrs. Richard Juday of 304 Lake street.

## Mustangs Outdistance Holly 38-30 With First Half Lead

Northville's league-leading Mustangs piled up a 14-point first half edge over Holly last Friday night and then coasted to their sixth straight Wayne-Oakland win. Second-half drag, slow play by their opponents and a lack of fouls held the local cagers to a 38-30 win, their lowest score of the season.

Northville started well, and was leading 5-2 by the end of the second minute of play. From then until the end of the second stanza the local club steadily climbed ahead, building up to a 26-12 lead.

In the third quarter, Holly's stall held the Mustangs to eight points, and jarred them from their successful first-half pattern of play. But the Mustangs lead 34-21 as the final period began.

During the fourth quarter Holly's offensive play picked up, while their defense continually fouled Northville scoring attempts.

The Mustangs were out-rebounded during most of the final quarter, and loss of the ball through both mechanical mistakes and Holly steals prevented them from scoring more than four points — the lowest quarter score Northville has had all season.

By mid way through the last quarter the Broncos had narrowed the score gap to nine points, but a tightened Northville defense held them to three points during the final four minutes.

"We normally pick up at least 15 points a game on free throws," said Coach Dave Longridge, "but last week we were only given three foul shots."

Longridge pointed out that the

referees were fair but "loose" in calling fouls on either team. "They let many possible fouls go by for both teams," he said.

Holly's second half pace also held the Mustang score down. The Broncos took as much as a full minute to set up shots, thereby keeping the ball out of the Northville squad's hands during most of the third quarter and part of the fourth.

"They were either trying to stall us into fouling," Longridge said, "or they were trying to keep our score down so their loss wouldn't look so bad."

He added that the Mustangs also suffered from a slump during the second half. While they made 45 per cent of their field goals during the first half, they sunk only 40 per cent in the third quarter and 14 per cent in the fourth.

"Our shooting was cold, especially in the final quarter," Longridge said, "and we weren't working well as a unit." He suggested that the slump could be attributed to Holly's stalling play, which frustrated the Mustangs because they couldn't get their hands on the ball.

In preparation for their home game with Milford tomorrow night, the Mustangs are work-

ing mainly on mechanical mistakes, Longridge said.

One area of concentration, he said, would be on the three second rule, which cost the Mustangs the ball at least six times during the Holly game.

Another is the offensive pattern used against a zone defense, which he expects Milford to use. He pointed out that the local cagers have developed a habit of receiving a pass and the shot."

dribbling before taking a shot.

"This works well against a man-to-man defense," Longridge explained, "because when a player is open, he's already shaken his man, and he can then dribble to a good shooting position. But against a zone defense, this doesn't work because the opponent is already there, and taking time to dribble allows him to move in to block a habit of receiving a pass and the shot."

## Northville Matmen Down Oak Park in Close Match

Northville matmen struggled to a 24-21 victory over Oak Park last week, in their closest win of the season.

Mustang Coach Jack Kreiner said the win should have been more decisive, because several of the local wrestlers have done much better than they did against Oak Park.

The only Northville pin was carried out by 180-pound Dave Clark. The rest of the Mustang score edge came from decision wins and a forfeit.

Those who won by decision include 127-pound Ron Rebitzke, 145-pound Doug Clark, 154-pound

Gary Nichols and heavy weight Larry Spangler.

Mustangs who lost their matches were 103-pound Russ Nichols, 112-pound Doug Nichols, 133-pound Terry LaRue, 138-pound Jim Higgins and 165-pound Joe Hagg.

## Novi Hoopsters Discover Ups, Downs of Basketball

Novi junior high hoopsters now stand 2-1 for the season on both the eighth and seventh grade teams. Tonight (Thursday), they put their records to the test again as they play hosts to newcomers Nankin Mills.

The eighth grade tumbled from its no-loss position when it dropped its second game to Milford 29-18, in the closing seconds. Novi lead the teter-totter scoring during the final quarter, but with 30 seconds to play, Milford went ahead.

Last week the eighth grade redeemed itself with a 28-16 defeat of Hartland. High point man in that game was Carl Payton, who scored nine.

The seventh grade rebounded from a dismal season opener loss by running over Milford 13-9 and Hartland 24-19. Their high scorer was Tom Zielinski, with 13 points.

## OLV Cagers Defeat Linus

Our Lady of Victory's junior high cagers chalked up their first win of the season Sunday by defeating St. Linus of Dearborn 18-16. Forwards Mike Turnbull and Michael Harlan each scored six points to lead their team.

Last week OLV dropped their opener to St. Robert, Bellarmine, of Redford township, 17-7. All the local players suffered stage fright except guard Norbert Parent, who swished in six of OLV's seven points.

The local entry in the Catholic Youth Organization's grade school boys inter-city division is coached by Clifford Bunker, of Willowbrook.

## JV Plays Hot Game

The junior varsity Mustangs played one of their best games of the season last Friday evening, when they went against their Holly counterparts, losing in the final moments, 44-42.

Sophomore Dave Jerome, still using a bandage on the broken arm that has kept him on the bench all season, dunked in four field goals and four free throws to lead the Mustangs with 12 points.

The score ran close throughout the first half, with Holly leading 20-17 at half-time. The Broncos enjoyed a height edge, but they had difficulty with their offensive plays.

Northville took the lead in the third quarter, scoring 17 points and leading 34-30 when the buzzer sounded. Improved shooting and inspired defense helped Holly tie the game at 38-38 mid way through the fourth quarter.

During the final minutes of play the lead swung from one team to the other, with Holly coming out the better at game's end.

All proceeds will be turned over to the month-long New March of Dimes drive.

## City Introduces New Plan for Water Billing

A new system for reading city water meters and billing a different section each month, Potthoff believes that the system will be improved and more time made available for servicing of meters.

Under the new system the city will be divided into three sections with reading and billing of that section taking place in a single month.

The three divisions are: 1. south of Main street; 2. between Main and Baseline; and 3. north of Baseline.

Section one will be read and billed in March, June, September and December; section two in January, April, July and October; and section three in February, May, August and November.

In the past the entire city has been read each quarter. By

All meter reading and repairs are handled by Al Earhart of the department of public works.

# These Pictures Tell What Winter Brings...

## Telephone Lines

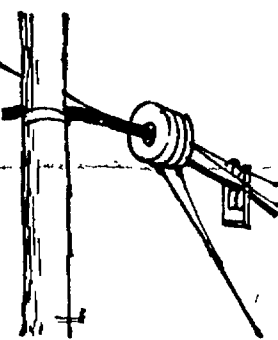

By HUGH C. BRONAUGH, Manager

**SOME OF THE THINGS** you don't see when you look at your telephone are the facilities behind it which make your service the finest there is. Ten years ago, for example, Michigan Bell's investment in buildings, poles, cables and so on to link your phone with others amounted to \$247 per telephone. Now it's more than \$330. Last year alone we spent more than \$85 million to install new telephones, replace worn-out equipment and improve service. This money was spent in every city, town and village where we do business—to make your telephone serve you better.

**PROPRIETORS OF SMALL BUSINESSES**, including farms, are discovering the value and convenience of Michigan Bell's new complete interphone system. With it, telephones used for regular calls can also be used for intercommunication between house or office and yard and outbuildings. It also provides for calls between locations within a building. A special speaker-microphone is available which lets a person who is called answer "hands free" without touching a telephone. For more information on how new interphone service can help you, just call us here at the business office.

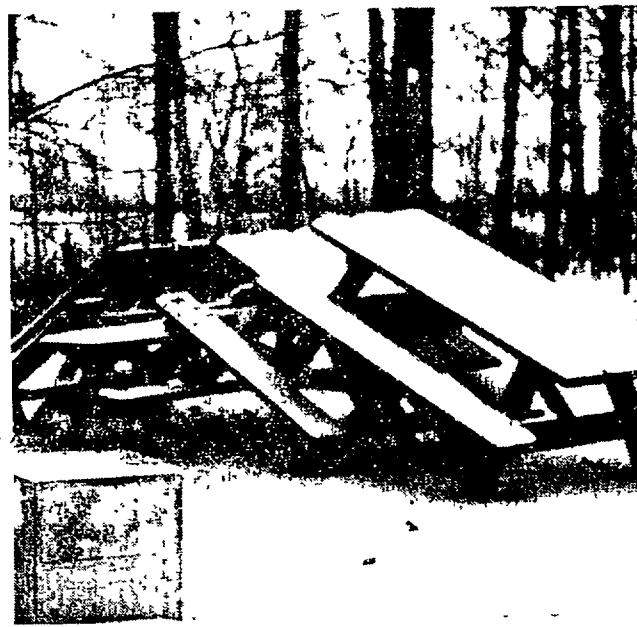

**HERE'S A GOOD** example of how an apparently small change in your Telephone Company's way of doing things results in better service. Overhead phone cables used to be supported by a strong wire strung above them. Not any more. Now, in many cases a cable-wrapping machine winds the wire around the phone cable. It saves time, and cables last longer. Just one of the many ways Michigan Bell is furnishing better telephone service—and keeping down costs.

To do your particular jobs more efficiently, this year Chevrolet offers 10 High Torque engines including a 261-cu.-in. Six\* in light-duty models that need extra power... a 327\* and a 409\*-cu.-in. V8, most powerful in Chevrolet history... and two new diesels: Chevrolet-GM 4-53 and 6V-53.

Chevrolet has been first in the truck business since 1937 because it has been able to prove that its quality costs less over the years. At last count there were 424,381 more Chevrolet trucks over 10 years old still working and saving than any other make. Quality is always a smarter investment, especially when its purchase price is strictly competitive.

Let your Chevrolet dealer show you truck quality point by point. Compare carefully. Then make your decision. We believe it will be Chevrolet.

\*Optional at extra cost.

## Clerical Skills Can Aid Crippled Children, Adults

Volunteers who wish to make up work at the Center and do it at home. Whatever method volunteers prefer, local sponsoring committees, usually service clubs, are grateful for any help offered."

Mrs. Jane Devereaux, Executive Secretary of the local affiliate of the National Society for Crippled Children and Adults points out that the distribution of Easter Seals at Easter time requires the preparation of over 160,000 letters of appeal in the 22 areas served by the Society.

"Typing or hand-addressing envelopes, stuffing and preparing them for mailing offer excellent opportunities for group or individual volunteer service," says Mrs. Devereaux. "Many people like to work on a regular schedule three or four hours each week at the Easter Seal Center near Michigan and Middlebelt. Others prefer to pick

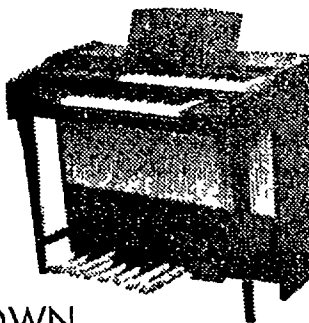

Further information may be obtained by telephoning the Center weekdays between 8 30 a.m. and 4 30 p.m. or by writing to the Easter Seal Society at P.O. Box 101, Inkster.

cle.

### FIRST CHURCH OF CHRIST, SCIENTIST

1100 West Ann Arbor Trail  
PLYMOUTH, MICHIGAN  
Sunday service 10:30 a.m.  
Sunday school at same hour.  
Wednesday evening service,  
8 p.m.  
Reading room in church ed-  
ifice open daily except Sundays  
and holidays, 11:30 a.m. to 5  
p.m.; 7 to 8 p.m. Wednesday  
and 7 to 9 p.m. Friday.  
"Conflicting demands of every-  
day living can be resolved  
through spiritual understanding  
of God as divine Life."  
This is a theme of the Lesson-  
Sermon entitled "Life" which  
is to be read at Christian Sci-  
ence services Sunday.  
Selections from the Bible will  
include this verse from Psalm  
46: "I delight to do thy will, O  
my God; yea, thy law is within  
my heart."  
From "Science and Health  
with Key to the Scriptures"  
by Mary Baker Eddy this cita-  
tion will be read (p.184): "Truth,  
Life and Love are the only leg-  
itimate and eternal demands  
on man, and they are spiritual  
lawgivers, enforcing obedience  
through divine statutes."  
The Golden Text is from John  
(17): "This is life eternal; that  
they might know thee the only  
true God, and Jesus Christ,  
whom thou hast sent."

## from the PASTOR'S STUDY

by Rex L. Dye  
Salem Baptist Church

Where Is Your Treasure?  
"For where your treasure is,  
there will your heart be  
also." Matt. 6:21

If you were to ask a group  
of people what they consid-  
ered as treasure you would  
receive various answers. For  
the most part those question-  
ed would refer to something  
of a material nature as trea-  
sure.

In Matt. 6:19-24 the Lord  
Jesus speaks of treasures  
and masters. He has shown  
us two types of treasures  
and two masters. Lord Jesus  
tells us not to lay up this  
material treasure, "lay not  
up for yourselves treasures  
upon earth." He is not un-  
reasonable in this command  
for He fully explains that  
"moth and rust doth cor-  
rupt, and where thieves break  
through and steal." In con-  
trast He speaks of the ac-  
cumulation of treasure in  
heaven. These treasures are  
not perishable but will be en-  
joyed throughout the endless  
ages of time. When we think  
of treasure the word precious

often comes to our mind.  
This word precious is used in  
the Bible to describe the  
Christian faith.

In I Peter the Christian  
faith is described as "being  
much more precious than  
gold." The most precious  
treasure a person may gain  
is the assurance of the for-  
giveness or remission of sins.  
God's Word plainly states  
"the wages of sin is death"  
and that "all have sinned".  
God also said "without shed-  
ding of blood is no remis-  
sion". The Christian is told  
in I Peter 1:18-19 he is "not  
redeemed with corruptible  
things, as silver and gold—  
But with the precious blood  
of Christ."

In the light of God's Word  
we have seen two treasures,  
one earthly one heavenly.  
One wrought of self effort  
and perishable the other  
wrought by another's efforts  
and everlasting. The heart  
of man must be fixed on one  
treasure or the other. This  
leads us to the two masters  
mentioned above. Lord Jesus  
is the Master of the Heaven-  
lies, one may enter His King-  
dom by repenting and ac-

cepting Him, "That if thou  
shalt confess with thy mouth  
the Lord Jesus, and shalt be-  
lieve in thine heart that God  
hath raised him from the  
dead, thou shalt be saved."  
Romans 10:9.

Satan is the master of this  
world system. In God's Word  
he is called the "god of this  
world". One may remain in  
his power and eventually be  
cast "into everlasting fire,  
prepared for the devil and  
his angels", by rejecting the  
Lord Jesus Christ. "HE that  
believeth not is condemned  
already, because he hath not  
believed in the name of the  
only begotten Son of God." Un-  
belief is caused by Satan  
"the god of this world hath  
blinded the minds of them  
which believe not." Where is  
your treasure? Which master  
are you serving? If your  
heart is fixed upon material  
things and the message of  
the Cross of Christ is of-  
fense to you, look up for the  
day of redemption draweth  
nigh. "For where your trea-  
sure is, there will your heart  
be also." May each reader  
be richly blessed with heav-  
enly treasure in Christ Jesus  
our Lord. Amen.

## Willowbrook News

Mrs. George James GR 4-0830

Mr. and Mrs. Ivo Musselman  
have returned from a ten day  
vacation which they spent in  
Pensacola, Florida, visiting their  
son and daughter-in-law, Terry  
and Dollas Musselman. The  
Musselman's, Brandon, Tom-  
my, accompanied them south  
and remained there with his  
parents.

Mr. and Mrs. James McCor-  
mick and their daughters, Kim  
and Lynn, spent a weeks vaca-  
tion skiing at Sylvan Knob, near  
Gaylord.

Mr. and Mrs. William Carl-  
son, of McMahon Circle, had  
their son, Gregory Alan, bap-  
tized Sunday at Our Lady of  
Victory Catholic church in  
Northville. Mr. and Mrs. Bob  
Jacobson, of Pleasant Ridge,  
are the godparents. The Carl-  
sons entertained the godpar-  
ents and the baby's grandpar-  
ents, Mr. and Mrs. William

Captain Shumways on East Jef-

ferson Friday evening.  
Helen Wishaw was hostess to  
the Monday pinocchie club last  
week. Anna Costello was a guest  
player. Gladys Earl won first  
prize, Sophie Martin, second,  
Kay Buck, third and Helen Wis-  
shaw, consolation.

Mr. and Mrs. Errol Myers, of  
Border Hill, entertained Mr.  
and Mrs. H. O. Terlice at a  
farewell dinner Friday. The  
Terlices are leaving this week  
on a trip around the world by  
ship and plane.

The Tuesday Bridge club play-  
ed at the home of Marge Wil-  
liams last week. Donna Dorsey  
won first prize, Marge Williams  
second and Corinne Tucker, Bob-  
by.

Mr. and Mrs. Douglas Foley  
are happy to announce the  
birth of a daughter, Diane Pa-  
tricia, on January 3 at William  
Beaumont hospital. Her birth  
weight was seven pounds, thir-  
teen and one half ounces. The  
Foleys have two older children,  
Terri and Linda. Mr. and Mrs.

William Rohrkemper, of Detroit,  
are the grandparents.

The Mothers club of Our Lady  
of Victory held their regular  
January business meeting last  
Tuesday.

Marty Ames won first prize  
when the Wednesday Bridge  
club met at the home of Ange  
Driscoll last week. Dottie Flat-  
tery won second prize and Mar-  
garet Bunker consolation.

## Directory Lists Area Names, Jobs

R. L. Polk & Co. has just finished delivering to subscribers the 1961 Plymouth-Northville City Directory, which includes one entirely new feature.

According to the publishers' records, 8,943 personal and business names are listed.

For the first time, the telephone numbers are shown after the names of householders in the street (green) section.

A city directory may strike the average citizen as a dull matter - of - fact compendium. Really humor, tragedy and romance flit across the pages of this book, in the files of which the development of the community can be traced, and where one can read, not only the workaday lives, but of the rise and fall of men and families in the struggle for wealth, fame and social position.

Eighteen was continued as the minimum listing age in the directory, and the aforementioned count considers the combined names of man and wife as only one name, the publisher stated.

Special regular features of the directory include the designations of owner-occupied apartments, marital status, wives' names and heads of households; and descriptive sketches of the two cities.

The directory people counted them up and stated that Plymouth and Northville now have 280 distinct categories of enterprises, which they catalog alphabetically from "Accountants" to "Yarns" in the classified pages.

"Book-ending" all the other names on the new Plymouth-Northville roster are Roger L. Aaron and Victor C. Zywicki.

In Northville they are George M. Abbott and Mrs. Elsie B. Zongker.

As it takes all kinds of people to make a world, so it takes all kinds of names to make a people. The directory shows that the community has its quota of unusual surnames, like Pinch, Purse, Sink, Pride, Drudge, Gun and Hoot.

## LET'S TALK CARS

### The Seasonal Used Car Market

Any time is a good time to buy a used car if you buy sensibly.

Being used, it is subject to possible service problems that a new car is not. But this gamble can be eliminated if you bought from a reputable dealer who has reconditioned it to the customer's satisfaction.

But best of all, the buyer gets a quality used car that is realizing more value for his dollar than virtually any other purchase at all commerce.

Bearing in mind these facts, however, there is a seasonal adjustment in the depreciation factor that makes the next months the best period of the year for a used car purchase. Here's why:

Annual depreciation, which chomps away constantly at the value of all used cars, knows prices down in a series of declines starting in July, when the Spring rush has subsided again in September, after vacation buyers have made their purchases; prices drop a third time in October when the new models come on the market.

The fourth annual price decline is caused by slackening demand due largely to November snow and cold. Then the price firm until Spring when the price cycle starts again.

The used car you buy now will lose little, if anything, depreciation in the months between now and May — the season when you need reliable transportation most! Buy it wisely from a dealer you can put your confidence in.

# — Out of the Past —

## ONE YEAR AGO

January 19, 1961

A 59-year-old Plymouth motorist was killed instantly Wednesday morning when a south-bound freight train struck his car at the corner of Seven Mile and Northville roads. The dead man was identified as A. W. Plummer, of 14000 Ridge road, in Plymouth township.

With the new Eight Mile road cutoff circling Northville completed less than three months, the Wayne county road commission has announced it is ready to undertake the next step in its scheduled improvement of Eight Mile. The road is slated to be widened and paved as far as Haggerty road this year, the commission announced.

Northville city councilmen took a close look at their police department's records Monday night and decided that the policy governing calls from the township needs reviewing. Councilman Earl Reed called for a joint meeting of the council and township board to discuss police protection following warnings from city Attorney Philip Ogilvie that the police have no jurisdiction in the township and may be liable to suits if they enter the township.

Plymouth township voters left little doubt Tuesday concerning their attitude toward incorporation as the city of "Plymouth Heights." By an overwhelming 1,589 to 35 vote, the township residents turned down the proposed city charter.

A long-standing squabble over the proposed 12-mile road landfill bounced back into the limelight as Novi village Attorney Howard Bond reported to council that the matter goes to court next week.

Introduction of a new means of transporting Thunderbird automobiles from the Wixom Lincoln-Mercury plant has created a dual impact on area industry. While Paragon Bridge and Steel company of Novi is benefitting from a contract to produce tri-level structural steel railroad car carriers, two trucking firms say they are closing down their Wixom terminals because of their loss of business.

## FIVE YEARS AGO

January 17, 1957

Ever have that sinking feeling in the pit of your stomach when you've done something wrong? Then you can well imagine the feeling of Northville DPW director Bud Hartner when he froze the city's eight-ton road grader onto the ice of the mill pond and really "dug in." Hartner was using the grader to clear the one-foot-thick ice for skating, and the ice cracked, allowing the grader to settle to the bottom.

A plea of "not guilty" to a charge of obtaining money under false pretenses was entered by Mrs. Yvonne Chauvin last Monday before circuit court Judge Frank Fitzgerald. The 65-year-old woman is credited with filching nearly \$5,000 from Northville residents by borrowing their money against a mythical trust fund she was to inherit.

Ruth Ann Edgin became the Northville-Novu area's first baby for 1957, when she was born to Mr. and Mrs. Charles Edgin, of 332 Yerkes at 8:30 a.m. New Year's Day.

Area residents awoke last Thursday to find a nine-inch snowfall had blanketed the ground during the night. This was the heaviest snowfall of the winter.

At a special meeting of the Northville board of education Tuesday evening, Board members voted to issue the first \$500,000 block of the \$3,000,000 bond issue approved by voters at the December 18 election. The funds from the sales are for a new high school and site, a rejuvenation of the present high school, an eight-room addition to the Amerman school, and the purchase of a site for a future elementary school.

An attempt by the Novi board of commerce to hold an open meeting for the purpose of firing questions at township officials fell somewhat short of its mark Thursday night at the community building. Although approximately 50 residents were on hand for the quiz session, Clerk Hadley Bachert and Treasurer Charles Trickey were the only board members there to give answers.

Funeral services were held Monday morning in Detroit for George W. Leiter, manager of Saratoga Farms restaurant, who was killed in an automobile accident Thursday afternoon.

Nine were rendered homeless this week in Novi township when a fire destroyed the home

of Mr. and Mrs. Gratis Payton and their seven children. The home, at 45689 West road, burned to the ground after firemen lost control of the blaze when their tanker trucks ran out of water.

## FIFTEEN YEARS AGO

January 17, 1947

Northville citizens were shocked this week to learn of the accidental death of former resident Charles M. Young, who was killed in the crash of an Eastern Airlines plane near Galax, Virginia. The Sunday morning wreck of the Miami-bound plane took the lives of a number of Michigan residents.

Enthusiastic response greeted the opening of the new Youth Canteen last Saturday evening in the Scout building. About a hundred high school students enjoyed an evening of games and dancing.

Forty-five Cub Scouts gathered at the grade school auditorium Tuesday evening for the presentation by Neil Locke of a \$10 check for the Ford Field fund. The scouts earned the money for the development of the playing field by selling Christmas wreaths.

A fire which started in a partition above the fireplace in the living room of the George Donoghue home on West Dunlap street Monday evening did little damage because of the quick action of the volunteer fire department.

The Northville Driving Club, holding its annual session Friday night, reduced the size of its board of directors from 20 to 12 and provided for further reductions during the next 10 years. Twelve directors were elected, who in turn elected officers.

A special show will be held at the Northville Theater to raise funds for the annual March of Dimes campaign, announced Nelson Schrader, local chair-

man. The show will be held a week from next Thursday, he said, and admission will be by contribution.

William H. Maybury Sanatorium has completed final arrangements, through the Michigan Hospital Service, with the Veterans' Administration to provide "home town" hospitalization for eligible veterans.

## TWENTY-FIVE YEARS AGO

January 15, 1937

All activity on construction of Northville's water reservoir, a PWA project, has been stopped pending contractor H. B. Culbertson's acceptance or rejection of the village council's nine-point contract, which was approved last Thursday evening.

Births equalled deaths in Northville during 1936, according to the registrations in the village hall, where 56 births were recorded, and 56 deaths were reported during the year.

"Edward N. Hines Drive" was the name given to Wayne county's new parkway by the county road commissioners last week. The naming is in honor of Hines, who has given 30 years of faithful service on the county board of commissioners.

John A. Boyce was re-elected president of the Depositors State Bank Tuesday afternoon when the stockholders held their annual meeting. E. S. Beard and Edward H. Lapham presided.

Robert McCall, 32, of Milford, was killed instantly Thursday morning when the car in which he was a passenger crashed head-on with a truck on Grand River avenue. Injured in the crash were Walter Dillon, 34 and Henry Durham, 50, both of Milford. John Chism, of Detroit, drove the truck. Marvin Ladd, 29, of Milford, who was driver of the death car, is being held by State police pending further investigation of the wreck.

# Official Proceedings of the Northville School Board

January 8, 1962 — Regular meeting.

The meeting was called to order at 7:30 p.m. by President Robert H. Shafer. Present: President Robert H. Shafer, Vice President William B. Crump, Secretary Donald B. Lawrence, Treasurer Waldo T. Johnson, Trustee Edward F. Angove, Trustee James F. Kipper, Trustee Wilfred C. Becker.

Others Present: Superintendent R. H. Amerman, Assistant Superintendent Kenneth M. MacLeod, Director of Administrative Services E. V. Ellison, Principals R. W. Kay, H. B. Smith, F. Stefanski and D. Vanlengen. P.T.A. representative Mrs. G. Weiss.

Secretary Lawrence read the minutes of the meetings held on December 11 and December 18, 1961. Minutes were approved as read.

## III. Communications:

1. Secretary read a letter from Attorney Leo A. Skinner relative to injuries sustained by Mr. Herman Reinhackel and his daughter Susan Reinhackel when Mr. Reinhackel drove into the fire hydrant guard post at the high school.

President Shafer directed that the letter be forwarded to Board of Education Attorney James Littell for review and opinion.

2. Letter was read from Wayne County School Board Association relative to a workshop and dinner at McGregor Memorial Building, Wayne State University on February 19, 1962.

3. Letter was read from Michigan School Board Association relative to the position taken by that association on the School Aid formula for 1962-63 School year.

The association is recommending an 8% increase on the net formula and has prepared brochures supporting this position.

4. A Con-Con Digest was received. Mr. Lawrence will have

it duplicated and given to the members.

5. Superintendent Amerman read a letter from State Athletic Director Charles Forsythe thanking the Northville Schools for their part in helping to settle an athletic situation.

Mr. Amerman also complimented Mr. W. Slier for his co-operation in publishing the joint statement written by Mr. Forsythe and approved by Northville and Clarencville.

6. Superintendent Amerman read a letter from Mr. Mel Blunk, business manager of the Plymouth Community Schools, thanking Mrs. Knapp for a demonstration of rolling and carrying a turkey and to Mrs. Knapp and her staff for discussing various cafeteria procedures with the cafeteria staff of the Plymouth Community Schools.

7. Mr. Amerman read a letter from the executive committee of the American Association of School Administrators giving their position on the construction of fall-out shelters.

IV. Report of Superintendent: 1. Financial Report.

Director of Administrative Services E. V. Ellison presented a detailed report regarding the present financial condition of the Northville School District.

If our anticipated receipts are received as estimated we will operate within our approved budget. Because of emergencies, some accounts are overdrawn but re-adjustments will be made within the budget to offset this.

2. Check Writer: Superintendent Amerman recommended that a Todd Check Writer be purchased.

It was moved by Angove and seconded by Becker that a Todd Checkwriter be purchased for \$385. Price to include the initial name plate. Checks will bear the signature of the Treasurer of the Board of Education. Carried unanimously.

Superintendent Amerman was directed to prepare rules and regulations governing the use of the check writer.

3. New State Mandatory Accounting Procedure: On July 1, 1962 the new accounting Procedure for Boards of Education will be instituted.

Mr. Ellison explained that we will probably prepare our budget by using the account numbers of the present accounting rules and then transfer to the new plan when it becomes effective.

4. Statement from Architect: Eberle Smith and Associates have requested final payment for work on the Northville High School.

Mr. Ellison reviewed the situation and pointed out that there are a number of things that have not been corrected and that other situations have been corrected at the expense of the Northville Board of Education.

Mr. Ellison was instructed to prepare a detailed cost statement outlining what had been done at the expense of the Northville Board of Education and submit the statement to Eberle Smith and Associates.

No action will be taken for the Eberle Smith statement until we know their position on expenses incurred by the Northville Board of Education and on items not corrected by them or the respective contractors.

IV. Assistant Superintendent K. M. MacLeod discussed the following:

1. N.D.E.A. Title V: State approval has been received for Northville's participation in N.D.E.A. Title V. Guidance and Testing for the 1961-62 School year for the following gross amounts:

Guidance Personnel Salaries, \$10,998.86; Secretarial Salaries, \$2,145; Supplies — Materials, \$368.27; Office Equipment, \$1,100; Testing \$152; Total \$14,764.63.

The percentage we receive of the amounts listed will be determined after March 15, 1962.

2. Projected Enrollment for 1962-63 and 63-64: Statistics on Enrollment were presented for the years stated.

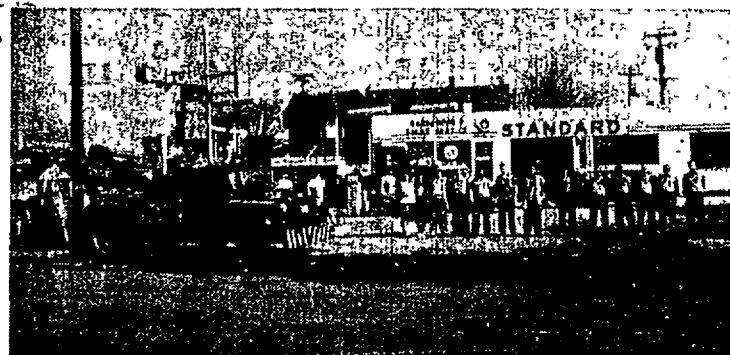

3. Faculty Salary and Experience: A tabulation of faculty salary and experience was presented.

V. Committee Reports: 1. Athletic Field: Mr. Donald Lawrence, chairman of the Athletic Field Committee, distributed estimated costs for the lighting, seating, fencing etc. for the new Northville High School Athletic field.

It was agreed to call a special meeting for reviewing information and statistics and formulate plans to institute proper procedures to secure State approval for the issuance of revenue bonds to develop the Northville High athletic field. Meeting to convene January 15 at 7:30 p.m.

2. Television Committee: Mr. Becker reviewed the activities

## You SAID IT, Mr. Bond!

### ADVERTISING MANAGER

### The J. L. Hudson Co.

"I Don't Care if Our Page Ad Didn't Sell One Pair of Shoes," said William Bond, ad manager at J. L. Hudson's in a discussion of retail advertising at Wayne University Press Club. "This is not what we were trying to do."

Mr. Bond was discussing a question about the cost of a full page ad in a Detroit newspaper which featured only one purple shoe and a limited amount of copy.

He said Hudson's wanted to create an impression in the minds of women readers that their store has a large supply of all shoes and in all colors; that the ad will pull for a long time because of the women's recollection.

He said merchants are not taking proper advantage of advertising if they expect to advertise a product and have a batch of people come to the store the next day.

## SCHOOL BOARD MINUTES

(Continued)

of the T.V. Committee. Meetings were attended at Purdue, U. of M., U. of D. and Wayne State U.

The Northville Schools do not have the necessary sets to participate in either Channel 56 or the MPATV programs.

Six sets have been requested under the N.D.E.A. Title III for 1961-62. If approved then a limited program (probably via Channel 56) can be instituted in foreign language, science and literature.

Mr. Becker pointed out that all TV programs are not equally valuable or adaptable. Wise selection must be made by prior review of programs and courses of study.

There will be a special broadcast on Thursday evening, January 25 by MPATV. Mr. Becker will try and make arrangements for viewing this program.

VI. Miscellaneous:  
High School Principal Fred Stefanski gave an oral report on certain class re-organization being completed at the beginning of the second semester.

VII. Report of Treasurer:  
Treasurer Johnson reported cash balances (not including investments) as follows:

General Fund \$4,721.04; 1954 Debt Retirement, \$4,556.12; 1957 Debt Retirement Fund, Series A \$201.62; 1957 Debt Retirement Fund, Series B \$600.59; 1957 Debt Retirement Fund, Series C \$53.88; 1957 Building and Site Fund \$416.44; Cafeteria Account \$4,504.55.

VIII. Adjournment:  
It was moved by Lawrence and seconded by Becker that the meeting be adjourned. Meeting adjourned at 11:00 p.m.

## Good Year For Junior Red Cross

Northville Junior High school members of the Junior Red Cross put the lid on an active semester of service projects with the close of the first half of the school year next week.

Highlighting the semester's activities, says reporter Karen Kowalchuk, were Thanksgiving and Christmas programs at Eastlawn Resthaven and a Christmas program at Our Lady of Providence School for Girls. Mary Godley and Kim Kowalchuk wrote a play for the Thanksgiving presentation at Eastlawn. Songs and a Scripture reading were also included in the program. Members hosted a Yule party, complete with Santa Claus, at Our Lady of Providence and put up decorations at Eastlawn.

Two boxes of Christmas gifts were also sent to Maybury sanatorium.

Sponsored by teachers John Hyde and Mrs. Jennie Donnelly, the Junior Red Cross numbers some 55 students who meet weekly. Selecting projects is the job of a six-member executive committee headed by Joy Kady, chairman.

The club is affiliated with the American Red Cross and works with a director at the chapter house in downtown Detroit. Students who volunteer 50 hours of service are eligible for a special Junior Red Cross pin.

Seaman Ronald F. Lahr, son of Mr. and Mrs. Fred W. Lahr of 816 Carpenter Street, is now stationed at the U.S. Naval Receiving Station for further assignment. This station, commanded by Capt. V. A. Blandin, USN, is an intermediate Navy activity which temporarily receives, shelters and provides for personnel reporting in for transfer to ships or shore stations in all parts of the world, or for separation at the end of their enlistment.

## SPEAKING for the Record

by Bill Sliger

You saw it in the headlines: "Ernie Kovacs Killed". His car skidded and crashed into a pole. It happens everyday. The consequences aren't always fatal; and sometimes several lives are lost.

Few accidents receive the headlines accorded a personage as well known as Kovacs. The tragedy should remind every driver of the split second time that divides lives from death.

This winter we are experiencing one of the most hazardous periods for motorists of the last decade. Unseasonable rains followed by freezing temperatures and snow have made driving around the block a test in courage and skill.

Is it difficult to imagine yourself behind the wheel of a car on slippery pavement?

You touch the brakes, the rear end of the car swings forward, you twist in your seat and suddenly you are looking forward through your side window.

What would you do?

I talked about slippery roads and driving with Northville Police Chief Eugene King and L. B. Rice of the Automobile Club this week.

They both noted the extreme hazardous conditions now prevailing. And they offered suggestions that each of us have heard before — that require only common sense application but could become the difference between life and death.

Their suggestions bear repeating:

— when roads are slippery, stay home unless it is absolutely necessary to travel.

— wear seat belts, especially valuable to rider in the "death seat" (front right);

— drive at speeds lower than limits when road conditions are bad;

— allow more space between cars than the recommended one car length per 10 miles per hour when driving on slippery roads;

— avoid streets with steep grades;

— remember that the shoulder of the road frequently offers more traction than the highway in icy conditions;

— softer tires provide more traction;

— when slipping turn your wheel in the opposite direction of the slide (if rear wheels are sliding clockwise, turn your wheel counter-clockwise);

— avoid your brakes and remember that slight acceleration and proper steering can often pull your car out of a turning slide;

— don't "overdrive", and test conditions carefully; remember that roads change from morning until night.

More than 40,000 persons are killed on our highways annually. That's about 120 every day.

We never know when a decision to stay home or drive slowly was responsible for saving our life — or the lives of loved ones.

We would know if the wrong decision had been made, however. These statistics are recorded — in the thousands.

## Why Retailers Can Smile in '62

Babson Park, Mass., in my 1962 annual forecast for retailers I predicted that retail trade will set fresh records during the new year. Not all economists are of the same mind on this matter, so I would like to point out my reasons for expecting historic highs in retail buying in 1962.

Retailers from the largest to the smallest, from the big cities to the tiny hamlets, could be affected by the developing trend.

First off, it should be emphasized that workers' earnings have been climbing steadily ever since the depression of the 1930's, with only an occasional temporary correction. The gains over the past ten years have been continuously gratifying, bringing up the standard of living for the country as a whole. More and more people have had enough money to put aside in bank accounts, insurance, mutual funds, and other forms of investment.

Since the beginning of 1952, average weekly earnings as well as average hourly earnings have risen over 40%. Even after tax deductions, the basic condition and morale of the wage earner has been steadily on the rise.

To demonstrate that the up-trend is still strong, it should be noted that over the past twelve months hourly earnings have gone up 4%, and weekly earnings 7%. The rate, as you can see, is still very healthy.

**Earnings vs. Living Costs**  
The importance of the great boost in earnings is highlighted by the fact that, during the same period of time, the retail price of goods and services has edged upward at a far less rapid pace. The consumer price index of the Labor Department has, in fact, risen only a moderate 13% during the past ten years. Over the past twelve months the gain has amounted to only 1%, a far cry from the 7% rise in weekly earnings mentioned above.

I am proud indeed of our manufacturers and merchants who have thus succeeded in holding prices down while

wages have been soaring ever higher.

This is not an easy thing for them to do at a time, when the squeeze on profits is ever tighter, and when labor unions are persistently seeking new raises and more costly fringe benefits. But I am confident that astute tradesmen will be able to hold their heads above water successfully in 1962, — at least partly because of the tremendous retail turnover that I anticipate.

The labor force has been growing steadily, and the families of that force are the nation's buyers. While the unemployment problem has been a serious headache for the Administration, it has not affected selling seriously, except in a few one-industry localities such as, for instance, coal mining centers.

Detroit can be badly hurt during a recession or at model-changing time, but employees laid off over the longer term can gradually be absorbed by other industries spreading out into previously all-auto sections.

I look for a continuing expansion of the working force and of employment generally in 1962. Even the jobless rate, which has been hovering around 7% for about a year, has suddenly begun to move lower, and now stands, seasonally corrected, at 6.1%.

Government economists are reflecting more optimism. One insider, in fact, recently estimated that the unemployment rate may be down to 4.5% or even less by year's end. At any rate, the current course of employment is now strongly upward, the trend for unemployment gradually lower.

The nervousness and doubt evident during the recession now seem to have given way, renewed courage and confidence with regard to domestic prospects. Buying psychology in 1962 will be far less cautious, and even luxuries will be a good deal easier to move.

## Graduates Saturday

Lance E. Molander, 53653 9 Mile road, will receive a Bachelor of Science degree from Western Michigan university, Kalamazoo, in commencement exercises Saturday at 2 p.m. in the University Field House. Diplomas and teaching certificates will be awarded to 438 students.

## Furnace Fumes Can Kill

The winter season is a less active one for most people than the summer months.

State Health Commissioner Albert Heustis warns that the lessened physical activity may not be entirely to blame for a lazy, tired feeling common during the winter. In fact, this feeling may be a first warning of a threat to life.

"When the cold weather approaches, storm windows go up and most houses are completely sealed off from the outside air," Heustis said. "The insidious nature of carbon monoxide makes it defy detection by the human senses, and thus increases the dangers inherent in this silent killer."

Carbon monoxide is colorless, tasteless and odorless, and it affects the human body gradually.

"It is very important that furnaces be checked regularly," said Heustis. "The combustion products of any fuel: oil, gas, coal or wood, are corrosive, and in time can cause leaks in the combustion chamber of a furnace."

"Under certain conditions, carbon monoxide can be formed by any of these fuels and with a leaking combustion chamber, tragic results can be expected," Heustis said.

The health commissioner's point was proved recently when a Central Michigan couple was found dead in their home, the victims of an accumulation of deadly carbon monoxide fumes. State government officials are looking far ahead to two major non-official functions. Most state agencies are already making plans for their participation in the 1962 Michigan Week in May, and Gov. John B. Swainson has called for attention to the state's contribution to the Seattle World's Fair in June.

Among the agencies with specific plans in the works for Michigan Week, May 20-26, is the Department of Public Instruction headed by Superintendent Lynn M. Bartlett.

Bartlett, chairman of the school-college activities board for Michigan Week, has called for school administrators to plan field trips to business and industry as part of the ninth annual salute to state interests.

Education Day during this year's observance will be May 24.

"Lights On" programs at night in the schools to focus citizen attention on educational opportunities, open houses, or public assemblies in the schools were among Bartlett's other suggestions.

Schools have been active in Michigan Week in the past. Last year a Kalamazoo grade school class staged an all-Michigan fair; high school students took over city offices in Mount Morris on Education Day, and posters, essays and speech contests were conducted in other areas.

June 19 has been set aside as Michigan Day at the 1962 World's Fair at Seattle. Swainson has asked any college, high school or other group with musical or entertainment units which might be interested in participating in the Michigan Day program to contact this office.

The Governor will be the top representative of the state at the exposition. He said he and his family will fly to Seattle for the special salute to Michigan.

Plans call for an airport welcome for the Swainsons, followed by a motorcade through the West Coast city, a dedication program at the Fair's Plaza of the States, and a luncheon in the Governor's honor. Swainson also will be guest of honor at a state dinner given by Washington's Gov. Albert D. Rosellini.

Auditor general, a post now filled by general election, is a job whose responsibilities are little known and often misunderstood.

The position is also under considerable discussion by the Constitutional Convention with the view of possibly abolishing it as an elective office.

Under the present constitution and state law, Michigan's Auditor General is a member of the executive branch. He is responsible for an annual audit of all state agencies, commissions and boards, and county governments.

In addition, the auditor general approves subdivision plats, administers the annual delinquent tax sale, and prepares the annual financial reports of state and county governments.

The law places him as a member of the State Administrative Board, Municipal Finance Commission, the State Employees, Judges, and Probate Judges Retirement Boards, State Police Pension Board, Corporation Privilege Tax Board, and Franchise Tax Appeal Board.

What can be done? Once more, there is no magic technique, but each situation must be specifically studied and appraised. It is not enough, nor of any particular benefit to apply generalities. There is no such thing as well fitting, ready made advice for all contingencies.

Such help as there is must be "custom-tailored" and the fitting of it is far better carried out under the auspices of the parents than in a doctor's office.

Very truly yours,  
Sander Mudd, M.D.

## Why Teens Date Steady

Dear Dr. Mudd:  
I'd like to know — should a teenager go steady?

Dear D.M.:  
No, I don't believe so and in my opinion a parent who encourages such a relationship by condoning it is doing his child an injustice.

But why not, the teenagers ask? What's wrong about it? We don't do anything, (we're ashamed of) ... all the kids go steady, and it is on the strength of this last argument that parents grant their permission.

The "herd" is doing it and adults, knowing the uncomfortable lonely feeling that not being in step with everyone else creates, are persuaded by this final argument. I believe that an urgent need on the part of an adolescent to "go steady" to concentrate most of his or her emotional energy in a single boy-girl relationship, often reflects an inner insecurity.

I have been impressed with the fact that more often than not, "going steady" is more important as a bit of behavior rather than the particular person with whom such a relationship is formed. The concern expressed about teen-agers going steady is in excess of the magnitude of the sociological problem.

For not all teen-agers want to go steady. Indeed, the majority of emotionally healthy adolescents prefer less intense attachments than

those who "go steady" demand of each other. When the love and hate feelings in adolescence become especially intense, it is "safer" to have someone near at hand on whom one can depend.

Now, even as I point out these things, I know of many instances where one who is ultimately to become a marriage partner is chosen very early during the teen years. Mature love and marriages of undoubted and sometimes spectacular success may be the consequences.

But this is not the rule. The tension-easing dependency upon a "steady" is more often than not the consequence of mutual anxiety and loneliness than of a budding maturity of love. In my experience there is a direct relationship between teen-agers with school problems and their "going steady." It is not that the latter is the cause of the former, but rather that both, at least in clinical practice, are evidences of un-
