

See Green Section for Dollar Days' Values

ANYONE FOR BASEBALL? — Cass Benton park looked more like a lake Monday after week end rain and thaw caused the Rouge river to overflow. Water also flooded some basements, yards and gutted unpaved streets (see pictures, page one, section two).

Water Everywhere After Rains, Thaw

Water — from melting snow and rain — kept Northville public works crews busy Sunday night and most of Monday but City Manager Bruce Potthoff reported that the city's sewer system handled the sudden surge with little difficulty.

Washed out roads and flooded yards constituted the major complaints, Potthoff stated, although crews worked steadily Sunday night in the Village Green and Northville Heights subdivisions areas keeping sewers cleared.

"Our new sewer, adding equipment paid for itself in one night", the city manager boasted.

Just a month ago the city purchased new, mechanical sewer cleaning equipment anticipating spring floods.

He reported that an Oakwood subdivision sewer line (Carpenter, Horton, Hutton, Eight Mile etc.) that had caused trouble in the past, but had been cleaned with the new equipment, withstood the heavy water load.

Trouble in the Village Green subdivision area was blamed on an inner-tube cleaned out of an eight-inch sanitary sewer. How the fire tube found its way into the sewer left workmen puzzled.

One residence on Linden reported water had caved in the basement wall Sunday evening. Utility and public works crews were called during the night to shut off water and gas lines.

Roads suffered the major water damage, especially Orchard Drive and Walnut. "Half of Walnut street washed down onto Center street", Potthoff exclaimed. He said crews went to work repairing the streets immediately.

River levels in the area spread far beyond their banks covering yards and park playground. Park roads were completely under water Monday and all entrances were blocked.

527 - 264

Novi Vetoes City

Slightly over one-third of Novi's nearly 2,400 registered voters turned out Monday to elect three councilmen and reject the city incorporation proposal.

Elected to four-year council terms were Ray D. Harrison, a former township treasurer, and Donald C. Young, Jr., while incumbent Councilman Philip Anderson won the two-year term.

The three council openings were created by the expiring terms of Councilmen Anderson, Walter Tuck and Miss Eugenie Choquet. Tuck and Miss Choquet did not seek re-election.

Present council President Joseph Crupi and Dean Lenheiser remain as members of the new council.

Defeated by a nearly two-to-one vote was the proposal that Novi incorporate as a home-rule city. The 527-264 voter rejection of the city question meant that balloting for the 13 candidates for nine city charter commission positions was meaningless.

Village Clerk Mrs. Mable Ash reported that 908 voters cast ballots in the regular village election Monday. This constitutes 38 per cent of the registered voters. Of these, she said, 430 votes were registered in precinct two, and 459 in precinct one.

There were also 19 absentee ballots, she added, 13 of which were registered in precinct two. Leading the 12 council candidates was Harrison, who polled a total of 403 votes. Young led Anderson by just one vote — 314 to 313 — to take the other four-year term.

Runners up included Herbert Koester with 292, Vincent Miklas with 226, Charles Giers with 192 and Kalin S. Johnson with 180.

Anderson led charter commission hopefuls. He received 433, while village charter commission Chairman Walter Tuck polled 438, and Township Trustee Emery E. Jacques, Jr., received 435.

Joseph Crupi drew 426 and Miklas 415. Kenneth Bassett polled 356, Andrew Bruggess 352, Dean Lenheiser 344 and Ed Ash 326.

Mustangs vs. Marysville In Cage Regional Tonight

Northville moves into its third post-season tournament game tonight at Pontiac against a strong Marysville quintet that downed Fenton Tuesday, 59-55.

Northville coaches scouted the Marysville-Fenton game and classified Marysville as "a pretty good team, no doubt about it."

The Mustangs will go into the regional semi-final game with a 17-0 record against Marysville's 16-3 mark.

Northville and Marysville meet in the second game of the evening at 8:30. Clarkston and Clawson play at 7 p.m.

Northville Athletic Director Al Jones advised local fans to leave early if they expect to find seats in the Pontiac Northville high school gymnasium.

"What's more", Jones noted, "the team will need support. The Marysville fans are really enthusiastic. They might yell us right out of the gym."

Winners of tonight's games meet Saturday in the regional finals. Next step is the state quarter finals between the Pontiac tourney winner and the Flint regional winner.

Jones advised fans driving to the game to take 12 Mile road to Orchard Lake road, turn north to Pontiac trail, turn right through Keego Harbor and Sylvan Lake, cross Telegraph road (US-24) and Saginaw (US-10). Just east of Saginaw, he said, take Perry street north.

The high school is located on the west side of Perry street, adjacent to the Madison junior high school.

Car Plunges Into River; Driver Saved

Mrs. M. R. Johnston, 17950 Haggerty, Livonia, suffered only minor injuries early Tuesday evening when the car she was driving plunged into the Rouge River alongside Northville Downs.

But quick action by other motorists probably saved her life.

The accident occurred at approximately 7 p.m.

Mrs. Johnston was pulled from her nearly submerged car by Lawrence Hahn, Jr., of 420 Griswold and an unidentified passer-by.

Hahn said that Mrs. Johnston was "waist-deep in water" when he and the other motorist waded into the icy stream and pulled open the door of the car.

She suffered a gash on her head but was conscious when rescued. Hahn said that he believed Mrs. Johnston was "too cold to get out of the car".

After Mrs. Johnston was taken from the car, and before firemen and wrecker service were able to tow the vehicle from the river, it sunk to a level where only the rear end of the car was visible above water.

Mrs. Johnston was taken to St. Mary hospital. No other injuries besides lacerations over the right eye were reported.

According to Police Officer Frank Heintz, the car was going east on Seven Mile road and plunged over a guard rail on the north side of the road. The car floated down stream some 200 yards nearly to the Seven Mile road cut-off intersection.

Mrs. Johnston is employed at Northville State hospital as supervisor of the stenographic pool for medical records.

Presbyterian Couples club, 6:30 p.m., church house.

Monday, March 19
DAR, 12:30 p.m., Mrs. Maxwell Austin, 132 Walnut.

WILPF, 1 p.m., Mrs. Sheldon Blackman, 127 S. Mill, Plymouth.

No Assessments — No Paving, Says Council

OK Center St., But Petitions Veto Walnut

In less than one hour Monday night the much-argued proposal to improve city streets via a 25 per cent special assessment plan was settled.

Of the two special assessment districts under consideration one was voted down, the other approved.

Bids will be opened next Monday night for paving North Center street between the Eight Mile road cut-off and South Elm drive.

East, High, Elm and Walnut will not be paved.

The public hearing brought a declaration from Mayor A. M. Allen and Councilmen Richard Ambler and John Canterbury that they will oppose any city street improvements unless undertaken by special assessment.

The project to pave East, High, Elm and Walnut failed when property owners of the area presented petitions bearing signatures representing more than 50 per cent of the assessment protesting to the plan.

The city charter provides that presentation of such petitions requires a four-fifths vote of the council for approval of the assessment.

Allen, Ambler and Canterbury voted "yes" but Councilmembers Beatrice Carlson and Richard Juday voted "no".

There were no protests registered against the North Center street assessment.

The school board withdrew an earlier objection to the six per cent interest charge for time payment of the assessment.

Monday night's city hall meeting was attended by approximately 20 citizens. The hearing was called for approval of the assessment roll. Notices of individual assessments had been sent property owners two weeks ago.

Improvement of the East, High, Elm and Walnut street project was considered first Monday night Maxwell Austin, 132 Walnut, presented the petitions.

The protesting petition barely met the requirements of the charter. It represented property owners bearing \$1503 of the total assessment, but it included a telegram from one property owner which the city attorney ruled did not legally constitute a valid signature.

The council did not appear inclined to eliminate the telegram protest, however. If it had, the petition would have represented property owners bearing just forty-eight cents more than one-half of the assessment.

In the case of the East-High-

Elm-Walnut project the total proposed assessment was \$2,875.30 involving some 49 different lots. Total estimated cost of the project was \$13,374 with the city's general fund paying \$10,498.70.

After failing to get a four-fifths vote on the East-High-Elm-Walnut district the council moved on to the Center street project.

Fred Gotts, 836 North Center street, pointed out that property owners couldn't protest because the school district represented far more than half the assessment.

Gotts said that he felt satisfied with the assessment cost but didn't like the idea of being the only property owners being assessed for pavement. He reminded the council that he had agreed originally to the assessment plan if it were applied to all parts of the city — not just North Center street.

Mayor Allen agreed and told Gotts that he (and Ambler and Canterbury) would hold to this understanding. Councilman Ambler reminded Gotts that future councils could change their policy — either removing assessments altogether or increasing the assessment as they saw fit.

Ambler then moved for approval of the Center street roll and the measure passed, 3-2.

The council then voted unanimously that first payment on the assessment would be due July 1.

Monday evening the city is scheduled to accept bids for the paving projects. Presumably, the council will decline consideration of the East-High-Elm-Walnut bids. It was indicated that the council would push for completion of the Center street paving before the first payment date, July 1.

City, Township Oppose County Income Tax Plan

Northville's two representatives on the Wayne county board of supervisors registered "no" votes on endorsement of Detroit Mayor Jerome Cavanagh's proposed city-county income tax plan last Friday but were in the minority.

The measure passed 47-33. It now requires enactment of enabling state legislation.

Tuesday Township Supervisor George Clark and Mayor A. M. Allen sent the following telegram to State Senator Raymond Dzendzel, Representative Harvey J. Beadle and the House of Representatives Taxation Committee:

"As Wayne out-county supervisors, we join with most of the out-county supervisors in opposition to the proposed Wayne County income tax plan. The people in this community do not want an income tax so will appreciate your help in defeating the proposal."

Specifically, Cavanagh's plan to solve Detroit and Wayne county fiscal problems, calls for an income tax upon all county residents not to exceed one per cent and grants the right to cities and townships within a county to levy up to one per cent additional tax for local municipal purposes.

The Wayne county board of supervisors approved the Cavanagh plan with the following modifications:

1. That townships instead of villages have the same right as cities to levy up to one per cent income tax;
2. The taxation of a person residing in one community and earning income in another com-

Final official totals for the 1962 Northville March of Dimes drive were reported this week by William Bingley, general chairman of the local campaign representing the Junior Chamber of Commerce.

Collections hit a record \$2,371.17.

Bingley itemized the funds as follows:

Special Gifts	\$5.00
School Donations	\$56.00
Mothers March	\$1,400.00
Sports Events	\$70.00
Peanut Sale	\$116.49
Crutch Sale	\$135.25
Student Dance	\$74.41
Coin Collectors	\$73.52
Bowling Tourney	\$440.00

Rest Home Suit Won By Township

The Wayne county circuit court dismissed a suit brought against Northville township by C. J. Mulligan involving a proposed rest home on Eight Mile road on the basis that the suit had not been filed by the owner of the property.

The decision was rendered by Kalamazoo Judge Lucien I. Sweet, hearing the case as a visiting judge. He upheld the argument as presented by James Lutell, township attorney. Attorney John I. Crandell represented the plaintiff.

Mulligan brought suit against the township last June. It was based on the township's failure to permit construction of a rest home on a 4.2 acre site at 42565 Eight Mile road. It was pointed out by Lutell that Mulligan has not been owner of the property since April, 1961, and therefore was not the real party of interest in the suit.

The rest home, which Mulligan has declared would contain 50 apartments and cost upwards of \$250,000, would require R-4 zoning (multiple family residential). The area is presently zoned R-1-E (residential estates).

The township zoning board twice denied Mulligan a public hearing on the proposed change. A request for a hearing before the appeals board was also denied.

While Crandell maintained during the four-day hearing that the area was presently under non-conforming use for a contracting business and dotted by gravel pits, it was the contention of Lutell that the area is essentially residential and becoming more so.

Several township officials and area residents were called upon to testify.

Township Supervisor George Clark expressed pleasure over the court ruling stating that he hopes the residential status can be maintained.

Chief King Hits Lewd Book Sale

A clamp down on the sale of "lewd and indecent" literature in Northville has been promised by Police Chief Eugene King.

The action came about as the result of copies of three books sent to Chief King by "a group of mothers" (who did not identify themselves). The books, the mothers contended, were indecent. They reported that the books were on sale at local drug stores.

"In my opinion the objectors are absolutely right", King stated. He said that he brought the matter to the attention of local drug store owners and received their immediate cooperation.

"They have removed this type of book from their racks", he stated.

The books were paperback novels selling for thirty-five cents.

Chief King said that he had also sent a letter of protest to the distributor of the books.

It was pointed out by Chief King that ordinance 121, section seven of the city charter provides that an individual selling such literature may be fined \$100, sentenced to 90 days in jail, or both.

Mrs. Joseph Smolek

Wixom Reception Follows Henderson - Smolek Vows

On a Chicago, Illinois honeymoon following their marriage at St. William's church in Wall Lake are Joseph Smolek and his bride, the former Janice Henderson, of Wixom.

The couple exchanged vows Saturday, March 3 in a noon ceremony officiated by the Reverend Raymond E. Jones.

A reception was held at Union hall in Wixom.

The new Mrs. Smolek is the daughter of Mr. and Mrs. Warren Henderson, Jr., 1995 Wixom road, Wixom. Her husband's parents are Mr. and Mrs. Anthony Smolek, of Howard City.

The bride wore a white satin gown with lace bodice for her wedding. A crown of rhinestones and pearls held her bouffant veil and she carried a white Bible topped with a cascade of white stephanotis and an orchid.

Attired in turquoise nylon gowns fashioned with bouffant overskirts were bridesmaids Ju-

lie Smolek and Elizabeth Cruger. They wore matching veiled headpieces and carried bouquets of yellow and white daisies.

Special guests were the bride's grandparents, Mr. and Mrs. Warren Henderson, Sr., of Pompano Beach, Florida.

Ready Big Celebration Saturday

Girl Scouts Reach Ripe Old Age of 50

Her honor is to be trusted. She's loyal. Her duty is to be useful and to help others. She is courteous. She is a friend to animals. She obeys orders.

She's cheerful. She's thrifty. She is clean in thought, word and deed. She is a friend to all and a sister to every other girl in the uniform.

These are the laws she pledges to uphold, laws which for fifty years have guided Girl Scouts of the United States.

This week troops in the Northville scouting neighborhood join nearly three and one-half million girls and adults throughout the country commemorating the Golden Anniversary of Girl Scouting in America.

The local program will be held this Saturday from 2 to 4 p.m. in the community building with Scout and Brownie troops taking part in festivities set amid a backdrop of brilliant yellow and green flowers.

Planned in conjunction with Girl Scout Week, which began Sunday, the celebration heralds the second of two important Scout anniversaries. This past Monday, March 12, was the actual fiftieth birthday of Scouting, while October 31, 1960 signalled the one-hundredth anniversary of founder Juliette Low's birthday. Both occur during a three-year period — 1960 to 1963 — being observed as "The Birthday Years".

Directing preparations for Saturday's party is Mrs. Archie Moore, assisted by Mrs. Donald Funk, refreshments chairman.

A flag ceremony conducted by Intermediate Troop 573 will open the program followed by singing of "The Star Spangled Banner" and a welcome by Susan Hill of Troop 226.

Joy Kadey, of Troop 226, will

portray Juliette Low, dedicated Southerner who originated the Girl Scout movement in the United States following principles set forth by Lord Baden Powell, English founder of scouting.

After performances by Troop 149, 621, 235, 574, 210, 236, 221 and 209, presentation of Juliette Low Pennies is slated. For this Troop 226 is rehearsing a choral reading, "The Wish That Came True".

An honor ceremony, complete with leader ribbon pinning, curved bar, introduction of Andrea Bissa (Scout Roundup Girl) and thank yous, will cap the program.

Mrs. W. Williams is furnishing the organ accompaniment.

Miss McGee Wears Satin For Wedding

Charlane Lee McGee, daughter of Mr. and Mrs. William J. McGee, of 540 Carpenter, was married Saturday, March 3 to Pvt Wayne Bryant Houston, of Baltimore, Maryland.

The ceremony was performed in the First Methodist church with the Reverend Paul Cargo, pastor, officiating.

Given in marriage by her father, the bride wore a gown of white slipper satin, with lace inserts of sequin and pearl embroidery. Her headpiece was a lace and pearl trimmed crown holding a fingertip veil. She carried white and pink tea roses on an Eastern Star Bible.

The bride's sister, Mrs. Faye Hill, of Winston-Salem, North Carolina, was matron of honor. She wore a gown of coral rose organza and carried peach tea roses. Michael McGee, brother of the bride, was best man. Ushers were Travis F. Roberts and David R. Roberts, uncles of the bride.

Married in Novi

Novi Justice Robert K. Anderson officiated Saturday, March 3 at a marriage ceremony uniting Duane L. Nelson and Lutie May Hendin, both of Detroit.

Witnesses were William and Iva Vaughn, of Farmington

Attired in a gold brocaded sheath and wearing a red carnation corsage was the bride's mother. Mrs. Houston wore a blue satin sheath and an orchid corsage.

Following the ceremony, a reception was held in the church house.

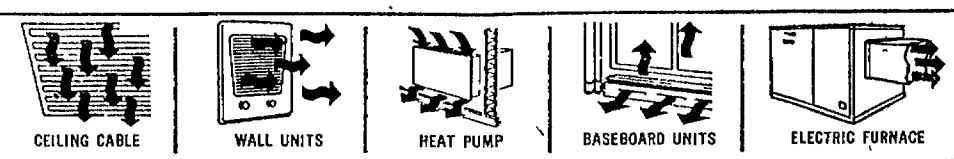

The couple traveled to Columbia, South Carolina for their wedding trip.

"Our Legs Don't Get Cold Anymore!"

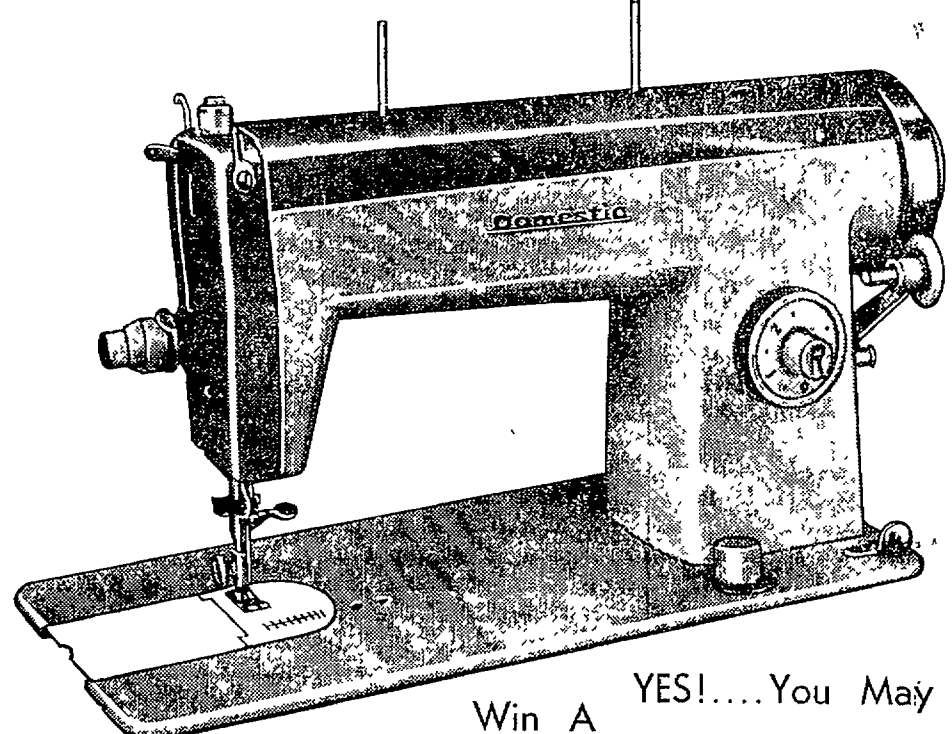

"With electric heat, there are no drafts or cold spots—even the floors are nice and warm," says Mrs. William Albert of Nankin Township, Michigan. "We saved \$300 on installation when we converted from the old system. Electric heat saved us space, too—now we have an extra closet where our chimney used to be. There's nothing to worry about or take care of. My draperies stay a whole lot cleaner. For all the electric appliances we have—range, water heater, clothes dryer, air conditioner—we think our \$35 per month electric bill is a real bargain. Believe me, once you have electric heat, you won't want anything else."

What about your home? Do you have a hard-to-heat room? Are you adding on a room? Are you buying a new home? Is the heating system in your present home more trouble than it's worth? One of the types of electric heating units shown below may be the answer to your heating problems. One easy way to find out is to ask your electrical contractor. Another is to call your Edison office. We'll be glad to send you a copy of our free booklet "Electric Home Heating" and will answer any questions you may have about the modern, worry-free way to heat your home—electrically.

KARR CLAN — Rayson street newcomers are Dr. and Mrs. Donald R. Karr and their children (l-r) Scott, Kitty, Laurie and Jeffery. The former Clawson residents came here January 1.

If it's something the whole family can do, then you might find the Donald R. Karrs doing it. The six newcomers at 119 Rayson have the most fun doing things together — ice skating, sledding, swimming and their latest, canoeing. Dr. Karr, his wife, Gwen, Laurie, and their four children, Kitty, 10, Laurie, 8, Scott, 7, College. Dr. Karr eventually transferred to Michigan State University. He graduated from the university's Veterinary college and is associated with the Beech Road Animal hospital. All four of their children attend Amerman elementary school.

Plan Desegregation Study For Next WILPF Meeting

Northville-Plymouth branch of the Women's International League for Peace and Freedom (WILPF) will have a study discussion of a Tuskegee Institute report on "Desegregation — What Progress Have We Made?" at the March 19 meeting.

The session will be held at 1 p.m. in the home of Mrs. Sheldon Blackman, 127 South Mill, Plymouth.

TAPPED for membership in the National Honor Society by the faculty at Haslett high school was Robert W. Hansen, former Northville student and grandson of Mr. and Mrs. A. C. Carlson, of 201 Fairbrook. He was inducted into the society in a March 7 ceremony at Haslett. His mother is Mrs. Carrel Hansen, daughter of the Carlsons. Bob, a senior this year, plans to attend Michigan State University at East Lansing.

AAUW's Having a Birthday Party

Plymouth - Northville branch members of the American Association of University Women (AAUW) will commemorate the organization's tenth year tonight, Thursday, March 15 at a dinner-meeting scheduled to begin at 6 30 p.m. in the Mayflower hotel, Plymouth.

Miss Alice Beeman, former regional vice president of AAUW, will be the guest speaker. She has appropriately en-

tered her talk, "The Ten Mile Post". As guest of honor, members and charter members will host Mrs. Eugenie Pino, first president of the AAUW when it was organized 10 years ago.

In special tribute to Mrs. Pino, the branch will present a \$500 grant bearing her name to the AAUW fellowship program. This grant will then be made available to any qualified woman as a fellow-

ship. Under the fellowship program, participating women may study either here or abroad in any field they may choose. Several new nations of Africa are presently able to participate in the program. In 1961, 80 fellowships were awarded to women for graduate study; four times this number applied.

Hostessing the dinner will be Mrs. R. F. Webber, chairman,

Mrs. John Hopkins and Mrs. G. Pearson.

You Are Invited

The Spring Exhibition of the Ann Arbor Women Painters will open at the Hartley-Powers Gallery, 116 Main street, on Sunday and will continue through March 31.

The public is invited to attend the opening reception slated 2-6 p.m. on Sunday.

Newcomers to See

Latest Hair Styles

Northville Newcomers Club's monthly luncheon for women will be held next Wednesday, March 21, at the Vineyards, Franklin road, in Southfield. It will start at 12 30.

Program fare will be a demonstration of three different hair styles created by Rene of Town and Country Hair Fashions, 135 West Main.

Reservations should be made by 5 p.m. Monday with either Mrs. G. R. Wilkie, FI 9-3353, or Mrs. Don Funk, FI 9-1018.

Area Libraries Offer Great Books Course

A tuition-free Great Books Leadership Training course is now being offered to adult residents of southeastern Michigan. Interest in the Great Books program has grown to such an extent that new leaders, or moderators, must be trained so that new discussion groups may be formed.

Sponsoring the Leadership Training course are all local libraries in Southeastern Michigan in association with the Adult Education department of the Detroit Public Library.

The course is open to all adults regardless of formal education. Registrations in Northville should be directed to: Mrs. James Worley, coordinator of the Great Books program, 2433 Ferncliff, Royal Oak, Lincoln 2-2721; or Mrs. George Weiss, 925 Grace street, FI 9-3190; or Northville Public Library, 107 South Wing, FI 9-3020.

In Novi, interested persons should contact Mrs. Worley or Novi Public Library, Novi road FI 9-0720.

Classes will be conducted by staff members of the Great Books Foundation, Chicago, Illinois. They are to be held in the auditorium, Detroit Main Library, 5201 Woodward avenue, every Monday for nine weeks beginning March 26, from 8-10 p.m.

These sessions are to train individuals in the theory and technique of leading a group of neighbors, friends and co-workers in a discussion-study of the great books. Classes will include demonstration and practice discussions of works selected from the Great Books reading lists. Studied are "The Declaration of Independence," Aristotle's "Politics," Plato's "Apology" and Shakespeare's "Macbeth".

NOVI HIGHLIGHTS

Northville Record—Novi News—Thursday, March 15, 1962
Section One — Page Six

by Mrs. L. Rix
William MacDeimaid has gone back to work again after a short sojourn at St. Mary's hospital in Livonia.
Mr. and Mrs. James Wilemus and family spent the weekend with the late's parents, Mr. and Mrs. Rex LaPlante at Caro.
Mrs. Helen Salvo entered the Osteopathic hospital in Pontiac last Tuesday with a broken hip. Since that time complications have developed and Mrs. Salvo is seriously ill.
Mrs. Audrey Hadley of Grosse Pointe visited her daughter, Mrs. Keith Branch and family on Sunday.
Mr. and Mrs. Emily Green spent Saturday with their son and daughter-in-law, Mr. and Mrs. Carl Green at Walled Lake.
Mr. and Mrs. John French were guests of Mrs. French's

mother and step-father at Albion over the weekend.
Miss Genevieve Durfee of Pontiac was the weekend guest of Mrs. Hildred Hunt.
Visitors at the home of Mr. and Mrs. Clyde Wyatt on Sunday were their niece and her husband the Earl Aggers of Dearborn, also Mrs. Wyatt's brother and his wife, Mr. and Mrs. Edwin Nitz, of Detroit.
Last week on Sunday, Herbert Long of Tecumseh visited his cousins, Mr. and Mrs. William Hansor, Sr.
Several Odd Fellows from the Novi lodge visited the lodge at Eastwood and Gratiot Saturday night. They put on 2nd degree work for IOOF from Sarnia. Those who attended were George Atkinson, Leslie Mitchell, Roger Pelchat, Charles Wallace and William Hansor Sr.
Eric Hansor, son of Mr. and Mrs. Robert Hansor, is home from school ill with the mumps.
Mrs. Lily Bingham has been on the sick list.
Mrs. Stanley Orzechowski is recovering from a severe attack of the flu.
Your Novi News correspondent is ill at her home on Fond street.

Blue Star Mothers
The Novi Chapter, Blue Star Mothers will host the Southeast District of Blue Star Mothers at a luncheon and school of in-

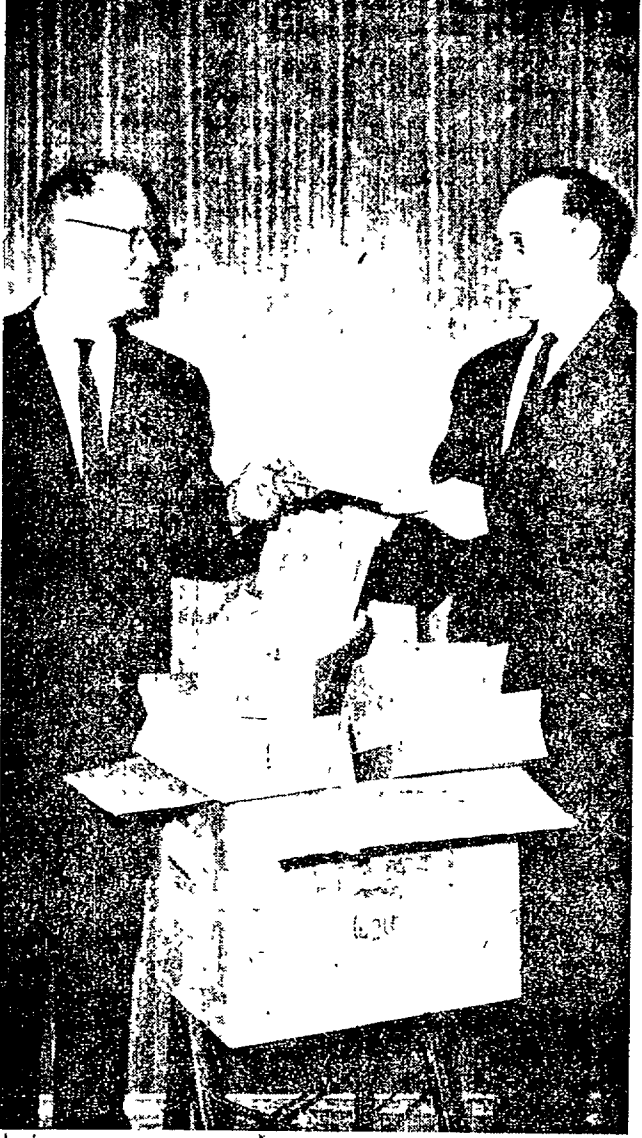

struction on Friday of this week. The Farmington chapter will act as co-hostess. Registration will begin at 9:30 a.m. All mothers are urged to be present at this meeting.
Methodist Church News
"Towel Test of Faith" was the text of Rev. Nevins Sermon Sunday.
The Young Married group and the teenagers are cleaning the basement walls in preparation for painting. Painting to begin some time this week.
The W.S.C.S. March meeting will be held the 21st at the home of Mrs. Andy Kozak on Clark street beginning at 11:30. More plans will be for the smorgasbord April 8. Please bring own sandwich. All ladies of the church are invited.
Fancy pillows are for sale by the evening young married circle. Call Barbara Klesner or Evelyn Tuck.
Vacation Church School Institute will be held at the Brighton Methodist church April 6 beginning at 9:30 a.m. All teachers and prospective teachers are invited to attend. Bring a sack lunch. Hot beverage will be served.

Novi Girl Scouts
Brownie Troop No. 1027 took a trip to Lincoln plant on Wednesday. They voted to continue their meetings until 5 p.m. Those who went with the girls

were Mrs. Spisak, Mrs. Long, Mrs. Presnell and Mrs. Krogg. These girls have their posters for Girl Scout Week in the office of the Staman Realty Co.
Intermediate Troop No. 149 held their regular meeting at Orchard Hills school on Wednesday. The older girls are working on their play that will be a part of their first class rank. They expect to write, direct, make props, cast etc. the whole production themselves. The younger group is making plans to work on their first aid badge. Kathy Erwin is a new girl transferring from Intermediate No. 456 which has been dropped. There is only room for one more girl in this troop. Any girl wishing to join call Mrs. Skellenger, neighborhood chairman.
Intermediate Troop No. 49 had a troop birthday party on Wednesday at Novi school in Mrs. Jensen's room. Those attending were Mesdames White, Preston, Gardner, Ortwin, Steinberger and Cotter and special guest was neighborhood chairman Mrs. R. Skellenger. Mrs. Skellenger and Mrs. Kozak's group of new Brownies had their first meeting March 7 at Novi school in Mrs. Long's room. They learned their Brownie promise, the Brownie Smile Song, had treats, played games and closed with Brownie Taps. Special guest was committee member Mrs. Tate.
Brownie Troop No. 913 made

their poster for Girl Scout week. It will be on display at O. H. school. Treats were furnished by Lynn Tobias. The girls expect to visit a farm next week.
Brownie Troop No. 391 girls are working on community interests throughout the next month. They sketched pictures at their meeting with this in mind. April Garbin brought treats.
New Brownie Troop under the leadership of Mrs. Simenton and Mrs. Marchetti met in Mrs. Britton's room. They made name tags, learned Hello, Bing had get acquainted game, set dues, learned Brownie Smile Song, Holders, Sarasponda, all night, all day, had treats, used the "H" box, made Brownie Promise Plaque and closed with tunnel closing. Special guest was Claudia Mairs who taught the girls a Girl Scout grace.
The camping folder for 1962 from Southern Oakland Girl Scouts will be distributed soon and girls in the Intermediate and Senior troops who wish to go to Camp Narrin for established camping for two weeks in the summer must return their applications beginning on April 1.

Boy Scouts
The Boy Scout Troop No. 54 held a successful paper drive last Saturday, thanks to the many contributors. Those scouts participating in the drive were B. Brooker, C. Totten, J. Tymensky, H. Harbin, B. Spisak, D. Spisak, M. Boatman, F. Rotten, D. Kahler, S. Krogg, M. Krogg, J. Crawford and Payton. The troop is planning another paper drive in several months. If you haven't space for storage, call FI 9-2113 for pickup.

EASTER SEAL SALESMEN — C. Harold Bloom and Fred Casterline (l-r) head the Northville Rotary club's Easter Seal campaign currently underway. This week they're sending more than 1,000 appeals for contributions to area residents. Bloom saved the postage price by turning his contribution over to Casterline for the first response.

READERS SPEAK: Sees Victory in Defeat

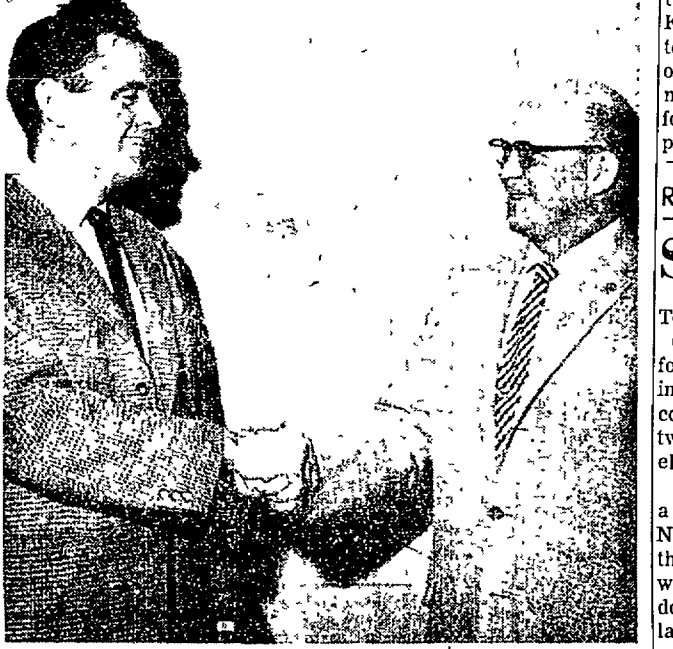

To The Editor:
My defeat as a councilman for Novi was a victory for me in many respects. One city incorporation was defeated and two of my running mates were elected.
This election will bring about a new era for the Village of Novi. This election proved one thing, and that is the people were dissatisfied. They turned down city incorporation by a large majority, and elected two good men, Harrison and Young. These men are dedicated men, dedicated to a cause, and I was a member of this team. If I had been elected, my first move was to dismiss Mr. Ackley, village coordinator. I felt that no man can serve two masters, since he is a councilman of Walled Lake. I would have moved to replace the president of the council, I would have insisted to dismiss all non-resident employees, if they could have been replaced by residents of the village. Further I would have moved to have one councilman appointed to watch over the funds spent. A new village treasurer would have been in order, and a closer watch over the D.P.W. as to their worked performed. A reassignment of police duties, and build a fire station in the Walled Lake area. Further I would have requested that court cases would be split between the

Minors' Drinks Earn J P Fines

Five young men were fined in Novi Justice of the Peace court last week on cases involving liquor.
Fined \$20 each after they pleaded guilty to being minors in possession of alcoholic beverages were James Al Elvin, 19, Donald L. Gentner, 19, and Dale R. Hopkins, 20, all of Detroit.
Denis M. Koski, 21, also of Detroit, was fined \$20 after he pleaded guilty to furnishing liquor to minors.
Curtis R. Merrill, 22, of Livonia, paid \$25 after pleading guilty to a charge of drinking on the highway.
In other action, Justice of the Peace Robert K. Anderson fined seven trucking firms in separate cases of Michigan Public Services Commission violations. Paying fines totaling \$120 were the Jones Motor company, Kramer Brothers Freight Lines, Freeman Trucking company and Security Aluminum company, all of Detroit, the Alma Products company, of Alma, the Tucker Freight Lines, of South Bend, and the Beef Empire Co-operative Marketing service of Iowa.

Board Plans Ladies Night

About 175 persons are expected at the board of commerce's annual ladies night Saturday in the community building, says program chairman Charles Goers.
"We have a real surprise planned for the ladies, and we're going to keep it a surprise," he chuckled as he refused to disclose details of the entertainment program.
All he'd admit was that professional entertainers will be on hand "with a great show."
Plans call for a dinner, slated to begin at about 7 p.m. Goers said The entertainment will start approximately an hour later, he added.
Those who wish to be certain of a seat should get their tickets now, Goers said. They are available from any board of commerce member, and at many business places, he added.

CONGRATULATIONS were in order, so Karl Knoth (left) and William MacDeimaid shook hands in observance of their winning Ford Motor company's annual community service awards. Knoth of 857 Novi avenue, Northville, and MacDeimaid of 44050 Stassen, Novi, both work at Ford's Wixom plant. MacDeimaid, a plant security officer, was honored for his service as a fireman, a member of the school board and a political leader. Knoth, a clerk in the vehicle scheduling department, received his award for service in the Northville junior chamber of commerce. Knoth was named this year's JC of the year and has been active in foreign extension of the JC organization. Also honored, but unavailable for the photo was Wixom Mayor Donald E. Brooks, for his work with youth and health and his service as a public official. Brooks works in Ford's product engineering department. The trio are among 101 Community Service award winners to be honored at a banquet tonight.

STATE OF MICHIGAN
Probate Court
County of Wayne
No. 503,992

In the Matter of the Estate of PAUL PETRULIS Deceased, Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon Ruth Balog, Executrix of said estate, at 30204 Acacia, Livonia, Michigan on or before the Fifteenth day of May, A.D. 1962 and that such claims will be heard by said court, before Judge Ernest C. Boehm, in Court Room No. 1301, City County Building in the City of Detroit, in said County, on the 15th day of May A.D. 1962, at two o'clock in the afternoon.

Dated March 5, 1962.
Ernest C. Boehm
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Allen R. Edison
Deputy Probate Register

Published in the Northville Record once each week for three weeks successively, within thirty days from the date hereof.

At a session of the Probate Court for said County of Wayne held at the Probate Court Room in the City of Detroit, on the Twentieth day of February in the year one thousand nine hundred and sixty-two.

Present Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of FRANCIS E. STERLING, Deceased.
Alice Louise Reynolds, Administratrix of said estate, having rendered to this Court her first and final account in said matter and filed therewith her petition praying that the residue of said estate be assigned to the person or persons entitled thereto:

It is ordered, that the twenty-sixth day of March, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ernest C. Boehm,
Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Mustangs Down Brighton for District Crown

Northville's Mustangs continued their clean-sweeping pattern of cage play last week by downing Brighton 68-57 to capture their second straight district basketball tournament crown.

The Mustangs now face the second round of tournament play as they head into regional contests at Pontiac Northern high school (See page 1).

Northville entered the Milford tournament with a spotless 15-0 record, first crushing South Lyon 72-33, and then turning to Brighton's Bulldogs.

In Friday night's contest, Brighton grabbed a quick lead, but held it only momentarily as the Mustangs soon began hitting. The Bulldogs stayed close behind for the first few minutes, tying the game up midway through the opening period.

Brighton's scoring threat was all the impetus the Mustangs needed to bring on a series of smooth-running plays. Working pass plays to shake their scorers loose under the basket, and using their greater height to maintain rebounding control, the Mustangs soon rolled ahead, ending the first stanza with a 15-10 lead.

The Bulldogs' use of a zone press gave Mustang forward Dick Bathey a scoring field day as he pumped in eight of his 18 game points during the latter part of the first quarter. Bathey took several court-long passes to sink easy field goals while his defender, busy with the upcourt zone, watched from the other end of the floor.

The Mustangs continued to widen the gap in the second period, leading by 10 points at the four minute mark and 15 by half-time.

Brighton's back-court zone defense prevented Northville layups. But the Bulldogs mounted up a number of fouls, which gave Northville added scoring opportunities and threatened to force several Brighton players from the game.

Bathey connected on four of five second quarter charity shots, while Brown added two points from the free throw line and guard Craig Bell hit for three.

Fouling, however, was not all one sided. Tight man-to-man defending kept Brighton from scoring, but earned three personal fouls for guard Steve Juday while his brother Jim had drawn two by half-time.

But the younger Juday came back to open the second half with two quick steals for four Northville points. A tip-in by Brown just a few seconds later gave the Mustangs a 40-19 advantage, their largest lead of the game.

Brighton continued to use the zone press in an attempt to speed the game and prevent Northville from setting up offensive plays, but the Mustangs countered with quick long passes to carry on their scoring attack.

Steve Juday drew his fourth foul late in the third quarter, and Bell earned his fourth just before the period ended, with fenders on the bench, the local dogs managed to cut Northville's lead to nine points late in the last period.

With Brighton building up their first scoring threat since the opening quarter, Mustang Coach Dave Longridge sent his starting players in to protect Northville's lead during the final two minutes of the game.

While Northville held its own in the final period, connecting for 17 points, Brighton enjoyed its best period of the game by hitting for a game high of 23.

Brown led scoring for the Mustangs, with 19 points. Bathey pumped in 18, while both Steve Juday and Bell netted nine.

"We played our normal game against Brighton," Longridge said after the contest. "We secrets to the scouts."

Longridge noted that all teams playing in this week's regional contests at Pontiac had representatives scouting the game, and said he was pleased about Northville's performance because it didn't give away any secrets to the scouts.

Northville's Entry in State Mat Finals Canceled "for Discipline"

Seven Northville wrestlers, place winners at regional face-offs, were withdrawn from state wrestling finals in Ann Arbor last week-end by Coach Jack Kreiner.

Kreiner explained that a majority of the seven, all slated to battle for state championships, failed to show up at practice sessions earlier in the week, so he canceled Northville's entry as "a disciplinary action."

Kreiner pointed out, however, that many wrestlers from area teams that had dominated Northville in regular season meets had failed to reach even consolation matches at the state finals, and said this indicates that Mustang matmen would probably have been quickly eliminated.

Even Ann Arbor St. Thomas, which topped the regional competition, did worse than expected in the state meet, Kreiner said, and powerful River Rouge regional runners-up took only one consolation match and two consolation matches.

Looking ahead to next year, Kreiner predicted a stronger team than this year's, which battled to a 500 season standing. He said that the lighter weights, with plenty of experience from this season, should be considerably stronger next year.

Kreiner is losing only four wrestlers at the end of the year, but they are all from the heavier weight brackets. He said he'll probably be able to fill some of the heavier weight brackets from the experienced Mustang of the middle weight brackets, who should develop more by next year.

Downs' HTA Feature To Draw Top Trotters

Forty-nine of America's outstanding 4-year old pacers and trotters, including the six that shared harness racing's Triple Crown honors last season, have been named for the touring HTA National Championship Series that visits Hazel Park and Northville Downs.

The Series is sponsored by Harness Tracks of America, the trade association of major pari-mutuel tracks, and carries a gross value of \$121,500 for pacers and \$112,500 for trotters.

The pacers will race at Hazel Park May 25 and the trotters at Northville Downs July 13.

The entry of 23 trotters is headed by a trio with earnings of \$508,763: Harlan Dean, 3-year old, trotter of the year last season and winner of the Hambletonian; Duke Rodney, winner of the Yonkers and Kentucky Futurities; and Matarata, victorious in the Dexter Cup.

Top trotters, in addition to the Triple Crown trio, include Orbiter, Porterhouse and the brilliant mares Air Medal, Claire Sampson and Speedy Princess.

BIG CATCH — C. E. Langfield, owner of Northville Laboratories, is making headlines in the Miami newspapers as the top angler in the Metropolitan Miami Fishing tournament. Fishing out of Bimini, Langfield landed a 14-lb., 3-oz. bonefish—biggest since 1953 when Goller Sam Snead won the contest with a 15-pounder. Langfield is shown with his guide, "Bonefish" Sam Ellis and the prize catch.

LET'S TALK CARS...

What To Do In An Accident

First aid training is like not having a seat belt in your car. You don't miss it until you need it, and it isn't there.

What is even worse than lack of first aid knowledge, however, is the harm done by well-meaning persons to accident victims in the mistaken belief they were helping them.

"One of the first 'don'ts' listed by the Red Cross for citizens lending a hand at automobile accidents is don't move an injury victim unless it is absolutely necessary. If the injured person has to be moved, then don't roll them over or twist them around. Pull them either head or feet first while a second person supports the other end of the body. This is to avoid aggravating internal injury.

Shock is almost always a result of injury and the best first aid procedure is to keep the victim comfortable and warm. If bones are broken, don't move the limbs involved while you await the arrival of an ambulance.

Bleeding should be stopped with a clean cloth pad and burns should be protected from the air by the same method to lessen pain.

Head injuries often bring unconsciousness and the victim should be kept quiet and lying down. If the victim isn't breathing, artificial respiration is necessary immediately.

Observance of these simple procedures until medical help arrives can save a lot of suffering and perhaps even a life.

Board Okays Bond Proposal To Pay for New Grid Field

Prospects for installation of lights and bleachers at the high school athletic field in time for the Mustangs' 1962-63 home football opener appeared brighter this week following school board adoption Monday night of a \$43,000 revenue bond resolution to pay for the improvements.

And now comes the wait.

Director of Administrative Services E. V. Ellison, who has been working with the school's bond attorney Robert Thrun, to formulate the resolution, pointed out that before any bonds can be sold the overall plan must be approved by the Municipal Finance Commission in Lansing.

Before this step can be taken, however, Ellison said the law specifies that the electorate of the school district be given 30 days to study the revenue plan which appears in full in The Record this week (See Section Two, Page Four).

Progress could possibly be stalled here, he noted, if a substantial (8-10) percent of the electorate register protest in writing. Should this occur, an affirmative vote in the district would then be required before school officials could seek finance commission approval.

Barring this delay, the package will be presented to the commission April 17.

Ellison said it customarily takes from three to six weeks to process the request.

It is expected that the bonds — 430 at \$100 each — will be offered for sale sometime early in May. The bonds, which are tax exempt, will bear interest at a rate or rates not to exceed five per cent annually.

In the event they are not bought by a bonding company — this purchase is considered unlikely by school officials — former board president Nelson Schrader and his citizens' committee will launch a drive to sell the bonds locally.

Meanwhile, Ellison said engineers will be working on specifications for the lights and bleachers. Of the \$43,000 package, \$24,000 has been tentatively assigned for seats with \$17,000 for lights and the remainder earmarked for legal fees and other expenses.

To pay for the improvements the board in January passed a measure guaranteeing \$5,000 a year for 12 years for retirement of the bonds.

These annual payments are to come from athletic receipts which high school athletic director A. E. Jones said totaled \$8,928 last year. Because athletic expenses — \$8,902 in 1960-61 — nearly match revenues, the system's operating budget will ultimately have to be increased by \$5,000 to offset the deficit, at least initially.

Nevertheless, some help could come from better attendance for

games at the new field and at other sports.

Board members offered additional help by adopting a policy restricting the number of free passes issued for athletic contests.

While the schedule for retiring the bonds extends to July 1, 1989, there is some hope that all bonds can be retired earlier to lessen the interest cost.

The first 28 in the issue are not subject to redemption prior to their maturation dates in 1963 to 1967. Remaining bonds, on the other hand, may be redeemed prior to maturity in inverse numerical order at the option of the school district.

In other action Monday, the board instructed the schools' insurance agent Charles Carrington to bind a policy to protect the district against claims in personal injury accidents.

As the law now stands, municipalities can now be held liable in such cases. The schools' attorney, James Littell, recommended a 90-day binder which he said should provide protection until some clear indication can be determined of the State Legislature's sentiments toward a bill now pending that would change the law.

The requested binder carries \$300,000 per person and \$500,000 total protection for personal injury accidents.

Board members also asked review of the schools' insurance coverage on school buses and driver education cars.

Carrington was at the meeting to explain and get board

go-ahead on a revised fire protection policy designed to provide more liberal coverage while reducing the total premium.

Under the plan, which was approved, 100 percent replacement costs are guaranteed in the event of loss. School buildings and their contents are covered.

Spots Robins

The song mentions robins and bobbins, and that's just what Mrs. Carl Nowacki, of 23949 Ripple Creek road did when she spotted a pair of the traditional red-breasted signs of spring.

Mrs. Nowacki reported that she sighted the two robins on her front lawn, and "became very excited."

"There they are, there they are," she shouted into the phone as the two birds reappeared before her front window.

"Now I really know I can say 'Good-bye snow,'" she concluded.

Central College Names Schipper Student Dean

Pella, Ia. — Ronald Schipper, 33, head football coach at Central College and for five years head football coach at Northville high school, has been appointed Central's new dean of students. It was announced today by Arend D. Lubbers, president.

President Lubbers said Schipper will continue as head football coach in addition to his duties as dean of students, a new position created this year. Schipper's appointment will become effective June 1, Lubbers said.

"We feel a dean of students is necessary at Central College in view of our rapidly expanding student body," President Lubbers added. "The dean will allow us to expand our counseling program and will center additional administrative effort and attention on making campus life more socially and academically stimulating for the student."

Previously, the academic dean of the College has also served as dean of students. Schipper, who last year led Central to a winning 6-3 football season and third place in the Iowa Conference in his first year, has also taught mathematics at Central this year.

He received his B.S. from Hope College and his M.A. from the University of Michigan in 1959. At Hope, as a quarterback he led his team to a tie for the conference championship in his senior year.

In high school coaching at Northville and Jackson, Schipper compiled a 39-12 and 1 record during six years. He led Northville to four league championships.

He is married to the former Joyce Post of Holland. The Schippers have two children, Timmy, 7, and Sara, 5.

Commission Head To Address Dems

Northville Democratic Club will meet Wednesday, March 21 at 8 p.m. in the community building lobby with Mitchell Tendler, deputy commissioner of the state Corporation and Securities commission as guest speaker.

He will discuss the program and policies of the Democratic party.

A film showing the accomplishments of several of the Democratic presidents will be screened.

Following the program a social hour is planned. All interested citizens are invited to attend.

Democrat to Speak Before Young GOP

Democratic state Chairman Joe Collins will be guest speaker at the Oakland county young Republicans club next Tuesday evening, Boris Sellers, a member of the organization.

He said the unusual speaking engagement is set for 8 p.m. in the speaker's auditorium of Groves high school on West 13 Mile road in Birmingham.

The public is invited to attend, he said, and a question and answer period will follow Collins' discussion of the state Democratic organization. The event is a regular monthly meeting of the Republican group.

Wixom Extension Visits Candy Plant

As an extra meeting for the month, members of the Wixom Extension group toured Sanders Bakery at Oakman boulevard, Detroit. They were shown the complete 10-day operation in the manufacture of jelly beans as well as baking and chocolate candy making.

At a regular meeting March 6 the group's marketing reporter, Mrs. Ray Nelson, reported on new packaged foods coming on to the market.

In Justice Court

Northville Justice Charles McDonald in action Monday found Andrew Hann III, 23777 Currie road, South Lyon, guilty of a drunk and disorderly charge and resisting arrest. He levied a total fine of \$50 and \$33 cost against the defendant.

Also on Monday, Justice McDonald fined William Henry Gaffney, formerly of Novi, \$15 and \$10 cost for improper license and \$10 and \$5 for double parking. Gaffney was arrested on a warrant when he failed to appear to answer the violations.

For his part in a minor accident on Northville road and Seven Mile, William Henry Wolverson, of East Six Mile, was fined \$15 and \$10 cost for failure to control his car.

Wolverson struck the rear of a car standing at the stop sign on Seven Mile. He was also fined \$10 and \$5 cost for improper license plates.

Obituary

GRACE E. STARK

Grace E. Stark, resident of Northville 59 years, died Saturday at St. Mary hospital, Livonia. She had been in failing health the past two weeks. Mrs. Stark, 85, had lived since 1909 at her home at 124 Randolph. Preceded in death by her husband, Willard A., Mrs. Stark leaves two sons, D. J. Stark, Northville, Howard W. Stark, Plymouth; a daughter, Mrs. Doris C. Hyde, Houston, Texas; four grandchildren and six great grandchildren. The daughter of James A. and Hulda Cole Van Alta, she was born in Northfield township, Washenaw county, on April 6, 1876. She was a member of the First Methodist church and a life member of the church's Women's Society of Christian Service. Funeral services for Mrs. Stark were held Tuesday afternoon from Casterline Funeral home with the Reverend Paul Cargo, First Methodist church, officiating. Burial was at South Lyon cemetery.

LOREN LEAVENWORTH

Loren Leavenworth, 69, of 27535 Novi road, Novi, died Sunday at Pinellas Park, Florida. For information on services, phone Casterline Funeral home at FI 9-0611.

Symphony Plans Benefit

The Plymouth Symphony Society, seeking support for its orchestra, has come up with an idea for raising funds that also provides pleasure and entertainment for the contributor.

In their appeal they ask area residents:

"Have you been waiting until spring to make your first visit to the new Fisher Theatre — or have you been once and can hardly wait to go back?"

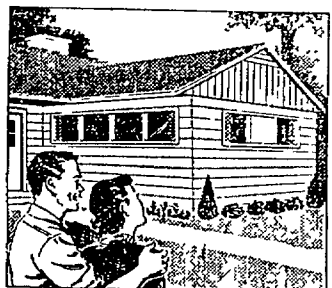

"Plan to go March 9 and have a good time while contributing to a good cause."

"The opening night performance of 'Bravo Giovanni' will be a benefit for the Plymouth Symphony Orchestra. This show is the first venture of Cesare Stepe (of concert and Metropolitan opera fame) into the field of musical comedy."

"To reserve your tickets please call Mrs. Paul Malboeuf, GL 3-6466 for main floor seats or Mrs. John Pulker, GL 3-9247 for first balcony."

Local Optimists Not Selling Ads

Dempsey Ebert, president of the Northville Optimist club, reported that several local merchants received calls this week regarding advertisements for an Optimist-sponsored stage show.

"The show is being sponsored

by a club in another community, not Northville", Ebert explained. He said that merchants were under the impression if they contributed an advertisement to the program they would be helping the local club.

"Our only fund-raising projects at present are the sale of bird seed and the gum ball machines placed in several business establishments", he added.

Offer Plan To Revamp P-TA Here

At a general meeting in the Community building next Thursday, March 22, Northville Parent-Teacher association will hear a talk on the psychology of learning by Dr. Clayton Laferty of the Wayne County Board of Education and study an executive board resolution calling for division of the present P-TA into four separate groups.

The meeting is slated to begin at 8 p.m.

In its recommendation, the executive committee recommends the split of the present group into four P-TAs, one to serve each school. Each school group would then function individually and have its own officers.

The four groups would function under the direction of a proposed Area Council, composed of a president and two delegates from each P-TA unit.

Should the P-TA as a whole OK the recommendation Thursday, temporary chairmen for the individual buildings would be announced, and they would work with the present executive board until an Area Council could be formed in the fall.

Few Signs, but Spring Arrives Tuesday

No, this isn't a stream. It's a street (Venice style).

Streams, like this one near Nine Mile road, swell into lakes.

We're not recommending that you store away the overcoat and bring out the cottons yet, but officially speaking spring arrives next Tuesday.

To be precise spring begins at 9:30 p.m. March 20 when the sun will reach the vernal equinox (which means that the sun is crossing the equator on its way north).

Actually, the sun has been on its way to the equator since December 21 travelling at the rate of about one degree per day. At the moment it reaches the equator the earth's hemispheres will share the sunshine equally. And as it moves northward, it will lengthen our daylight hours and bring warmer weather.

With all this knowledge at hand, we thought it might be appropriate to publish some "signs of spring". Such pictures might brighten the lives of our readers after a particularly long, hard winter, we reasoned.

But alas, not all signs of spring are pleasant — and this year it seems that the more pleasing signs are slow in arriving.

Nevertheless our photographer did his best. He found plenty of mud, rushing streams, gutted roads, a spot of sunshine, a few ducks — but nary a robin.

That stranger peeking through the tree is the sun.

The "no parking" sign on Orchard drive becomes necessary as spring rains "dig in".

Country roads become barely passable.

Week after week carefully tabulated figures published in "Automotive Market Reports" show that Chevrolet trucks are worth more in resale value.

why?

If you were a professional used truck buyer, why would you pay more for one make than another?

There may be several reasons, but among them would be:

1. A greater demand for the product
2. A more desirable product for resale

So if used Chevrolet trucks consistently bring higher prices at auctions all over the country, it means that their quality features pay off for you not only as long as you own them but also when you are ready to trade them—double-wall cabs, doors and side panels, roof insulation, select wood floors, reliable and economical engines, real rugged tailgates, a suspension system that helps prolong truck life.

See your Chevrolet dealer for a quality '62 Chevrolet Jobmaster truck.

"Automotive Market Reports" is a weekly authoritative wholesale publication which reports the average prices paid for used trucks and cars by professional buyers at auctions all over the U.S.

WHEN YOU HEAT WITH NATURAL GAS IT'S HARD TO BELIEVE THAT January this year was the coldest in 14 years

Throughout most of the month gas appliances worked harder than usual. Your gas furnace worked overtime—maintaining the steady, even, comfortable temperatures that you and your family have come to demand and enjoy. The gas water heater was busier too, because the water coming into the home was colder than normal. More hot meals and beverages were prepared for cold weather menus.

This helps explain why your gas bill for January was higher than usual. And February has been on the cold side, too. It really is easy to forget how cold it has been when you let automatic gas heat take over your heating worries.

COMPARED WITH OTHER LIVING COSTS, GAS IS ONE OF THE BIGGEST BARGAINS IN THE FAMILY BUDGET

FIRST CHURCH OF CHRIST, SCIENTIST

1100 West Ann Arbor Trail
PLYMOUTH, MICHIGAN
Sunday service 10:30 a.m.
Sunday school at same hour.
Wednesday evening service,
9 p.m.
Reading room in church edi-
fice open daily except Sundays
and holidays, 11:30 a.m. to 5:30
p.m.; 7 to 8 p.m. Wednesday
and 7 to 9 p.m. Friday.
How to gain dominion over
lack and limitation will be ex-
plained in the Lesson-Sermon
on "Substance" at Christian Sci-
ence churches Sunday.
Assurance of unlimited abun-
dance is presented in the Bible
readings including this verse
from Psalm 84: "For the Lord
God is a sun and shield: the
Lord will give grace and glory:
no good thing will be withheld
from them that walk uprightly.
O Lord of hosts, blessed is the
man that trusteth in thee."
From "Science and Health
with Key to the Scriptures" by
Mary Baker Eddy this state-
ment will be read (p.301): "As
God is substance, and man is
the divine image, and likeness,
man should wish for, and in
reality has, only the substance
of good, the substance of Spirit,
not matter."
The Golden Text is from I
Corinthians (2): "Eye hath not
seen, nor ear heard, neither
have entered into the heart of
man, the things which God hath
prepared for them that love
him. But God hath revealed
them unto us by his Spirit."

Goodwill Pickup

The next visit of Goodwill In-
dustries pick-up trucks to North-
ville is scheduled for Monday.
Goodwill trucks collect house-
hold discards of clothing, shoes,
hats, toys, most types of fur-
niture and other household dis-
cards.
To arrange for a Goodwill
Industries truck pick-up, ask the
operator for toll-free Enter-
prise 7002.

from the PASTOR'S STUDY

By the Rev. James F. Andrews.
Full Salvation Union Chapel

"Now unto him that is able
to do exceeding abundantly
above all that we ask or
think, according to the power
that worketh in us." Eph.
3:20.
This passage of Scripture
clearly implies that God is
limited in what He does for
us by "the power that work-
eth in us." God willingly
limited himself in this way
when He made us. He would
not have needed to do so if
He had been content with
producing perfect, supernat-
ural machines.

This power is the ability
which we possess to deter-
mine the set of our person-
ality toward God and Satan,
the two representatives of
eternal right and wrong. It
is in us at work driving us
toward heaven or down to
hell.
God does not dominate us
in this realm of being. He
cannot control us at this
point. He may cause the
earth to open up and swallow
us because of our stubborn-
ness as in the case of Korah,
but He cannot force us in our
will to be in harmony with
such an act. We are gods in
this respect, "I have said,
Ye are gods." He does not
control the will of the devil
and hisimps, nor the spirits
of lost men who inhabit the
caverns of the damned. As
they wander on in that dark
realm they are still at liber-
ty in the spring of their vol-
ition. God does not, nor can
He force them to be in har-
mony with His nature and
His acts.

This power to determine
the course we take is a great
mystery. No doubt it is as
unfathomable for finite minds
as God Himself. Here we
are made in the very image
of God and after His own
likeness, so that just as God
is able to determine the
course He takes so we deter-
mine the course we take. If
you do not like it you will
have to find fault with the
hand that formed you, for
God made you that way.
It is a fearful responsibil-
ity to be born and have this
power at work within us. We

should not be carelessly con-
fident in our responsibility
for who can know or under-
stand that spring of volition
that throws us up or down.
In fact we do not know that
we are controlling it prop-
erly except by the wit-
ness of the Spirit of God.
Some have supposed that
by the words "according to
the power that worketh in
us" is meant the power of
the Holy Ghost working in
us. If this is what is meant
here then the apostle told
the Ephesians that God was
able to do for them accord-
ing to the way He did for
them which is telling them
nothing.

The thought is that God
does for us just to the de-
gree this power of volition
works in us settling our will
in His will. All of God's prom-
ises are limited in this re-
spect.
This is the reason the
church to a large extent is
powerless today. They think
and ask largely many things
but the power that worketh
in them is weak, very weak.
As a result they receive
very little power from on
high to defeat the forces of
evil.

In other words we are not
deep enough in our allegiance
to God. We do not mean busi-
ness. Our emotions are stirred
but our minds are set but
our will is not carried. Like
Peter of old we make strong
assertions but they are not
indicative of our true inward
state.

The secret of the power in
apostolic days was that one
had to be in earnest when
he decided to be a Christian.
for it often meant the loss
of his physical life. The pow-
er of determination to be the
Lord's worked in him might-
ily and as a result God was
able to do mighty things for
him and through him.
All through the period of
our probation we receive of
God and He does for us ac-
cording as we go forward
in settling our will in God's
will. The key is the power
that worketh in us.

Resolution by the Northville Public School District

OUT OF THE PAST

ONE YEAR AGO

March 16, 1961

The denial by the Northville township zoning board to call a public hearing for reconsidering a request from C. J. Mulligan for rezoning of his Baseline road property to permit construction of a \$300,000 rest home was challenged this week. Attorney John L. Crandell said his request for a reconsideration was mailed Tuesday.

Appointment of a director of administrative services highlighted organizational changes in the Northville school system approved by the school board Monday. High school Principal E. V. Ellison was named to the new post.

Maybury Sanatorium on West Seven Mile road reached a milestone last Thursday, but officials wish they hadn't. At about noon, a 10-month-old child, was admitted as the Detroit-run TB institution's 25,000th patient.

The Novi village council heard two rezoning questions Monday, but approved only one. Approved was Ted Penn's request for a change in zoning of his property on Grand River near Taft to permit installation of a die casting plant. Rejected was a construction firm's request for rezoning of Grand River area near Beck road so that the firm could store heavy earth moving equipment. The council voted 3-2 after stormy arguments to reject the proposal.

Plans are now being formalized for a community hobby show, to be sponsored by several Northville churches, the school and the Scouts. Under the leadership of Wilson Funk, the show will display hobbies of Northville area residents.

More than 2,400 books were loaned from the Northville branch of the Wayne County Library system last month, reports local librarian Miss Rhea Lyon. She said the books were loaned to over 1,700 library visitors.

Fire of an as yet undetermined origin threatened, for a period, the destruction of the James Spagnuolo building on North Center street Friday afternoon. Quick action of the volunteer fire department and favorable winds prevented the fire from destroying the building.

FIVE YEARS AGO

March 14, 1957

A dozen Northville city and school officials have been pondering the puzzling question of what to do with the community building—a facility that has been labeled everything from a valuable asset to a white elephant. The city, which can't afford to run the building, and the schools, which haven't enough money to purchase it, plan further meetings to decide the issue.

A Northville man who apparently fell and hit his head early Wednesday morning died a few hours later in St. Joseph Mercy Hospital, Ann Arbor. Matthew A. McAdams, of 22856 Canby road, was found unconscious on a sidewalk near a parked car and the street near the post office on North Center.

Three Northville residents who live within a few miles of each other were seriously injured Friday afternoon.

Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

A regular meeting of the board of education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, was held in the Board of Education Office, 501 West Main Street in the City of Northville, Michigan, in said district, on the 12th day of March, 1962, at 7:30 o'clock p.m.

The meeting was called to order by Robert Shafer, President.

Present: Members William Crump, Donald Lawrence, James Kipfer, W. C. Becker, Waldo Johnson, Edward Angove.

Absent: None.

The following preamble and resolution were offered by Member Angove and supported by Member Crump:

WHEREAS:

Northville Public Schools School District has acquired, constructed and built a football field in said school district; and

WHEREAS:

It is now deemed necessary and advisable to make provision for the acquisition and construction of a stadium for use in connection with said football field which shall include lighting and bleachers with a capacity of 3,000 persons; and

WHEREAS:

The cost of acquiring and constructing said lighting and bleachers has been estimated by this board to be Forty-Three Thousand Dollars (\$43,000); and

WHEREAS:

It is deemed necessary to borrow the said sum of Forty-Three Thousand Dollars (\$43,000) to pay the cost of acquiring and constructing said lighting and bleachers; and

WHEREAS:

The school district is a public corporation within the meaning of said term as defined in Section 3 of Act 94, Public Acts of Michigan, 1933, as amended; and a stadium is a public improvement within the meaning of said term as defined in Act 94, Public Acts of Michigan, 1933, as amended; and

WHEREAS:

All things necessary to the authorization and issuance of self-liquidating revenue bonds under the Constitution and laws of the State of Michigan and particularly Act 94, Public Acts of Michigan, 1933, as amended, have been done and the board of education is now empowered and desires to authorize the issuance of said bonds;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. It is hereby determined and declared to be necessary for Northville Public Schools School District to acquire and construct a stadium for use in connection with the football field which shall include lighting and bleachers with a capacity of 3,000 persons.

2. The estimated cost of acquiring and constructing a stadium including lighting and bleachers, including contingencies, legal and financial expense, which estimate has been made by the board of education and is in the amount of Forty-Three Thousand Dollars (\$43,000), is hereby approved, and the board of education does hereby estimate the period of usefulness of said stadium to be at least thirty (30) years.

3. To pay the cost of acquiring and constructing a stadium including lighting and bleachers and to pay financial, legal and other expenses and contingencies incidental thereto, it is hereby determined that there be borrowed upon the credit of the income and revenues of the stadium the sum of Forty-Three Thousand Dollars (\$43,000) and that, in evidence thereof, there be issued the negotiable revenue bonds of the school district in the principal amount of Forty-Three Thousand Dollars (\$43,000) under and in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended.

Wherever the words "the stadium" are used in this resolution they shall be understood to mean the complete stadium, as described in paragraph one (1) of this resolution.

Wherever the words "revenues" or "net revenues" are used in this resolution, they shall be understood to have the meaning as defined in Section 3 of Act 94, Public Acts of Michigan, 1933, as amended.

Wherever the word "project" is used in this resolution, it shall be understood to mean the permanent lighting and bleachers authorized to be acquired under the provisions of this resolution.

Whenever the words "the school district" are used in this resolution, they shall be understood to mean Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

4. Said bonds shall be designated NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT STADIUM REVENUE BONDS, and shall be, not general obligations of the school district, but revenue bonds, payable out of the net revenues of the stadium, after provision has been made for payment of expenses and operation and maintenance and shall consist of 430 bonds of \$100.00 each, being bonds numbered in direct order of maturity from 1 to 430, inclusive, dated as of July 15, 1962, and payable serially as follows:

\$ 200.00 on July 1, 1963
400.00 on July 1, 1964
500.00 on July 1, 1965
700.00 on July 1, 1966
1,000.00 on July 1, 1967
1,000.00 on July 1, 1968
1,000.00 on July 1, 1969
1,000.00 on July 1, 1970
1,000.00 on July 1, 1971
1,100.00 on July 1, 1972
1,200.00 on July 1, 1973
1,300.00 on July 1, 1974
1,300.00 on July 1, 1975
1,400.00 on July 1, 1976
1,500.00 on July 1, 1977
1,600.00 on July 1, 1978
1,700.00 on July 1, 1979
1,800.00 on July 1, 1980
1,900.00 on July 1, 1981
2,100.00 on July 1, 1982
2,300.00 on July 1, 1983
2,500.00 on July 1, 1984
2,700.00 on July 1, 1985
2,800.00 on July 1, 1986
2,900.00 on July 1, 1987
3,000.00 on July 1, 1988
3,000.00 on July 1, 1989

Said bonds shall bear interest at a rate or rates not exceeding five per cent (5%) per annum, payable on January 1, 1963, and a semi-annually thereafter on July 1 and January 1 of each year, both principal and interest to be payable at a bank or trust company to be designated by the purchaser of the bonds.

Bonds numbered one (1) to twenty-eight (28), inclusive, maturing in the years 1963 to 1967, both inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered twenty-nine (29) to four hundred thirty (430), inclusive, maturing in the years 1968 to 1989, both inclusive, may be redeemed prior to maturity at the option of the School District in inverse numerical order on any interest payment date or after July 1, 1967, at par and accrued interest to the date fixed for redemption.

Notice of redemption shall be given to the holders of the bonds to be redeemed by notice in writing to the holder thereof not less than thirty (30) days prior to the date fixed for redemption or by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest payable on bonds so called for redemption shall accrue after the date fixed for redemption, provided the School District has money available for such redemption with the paying agent.

Said bonds shall be signed by the president of the board of education and countersigned by the secretary of the board of education and shall have interest coupons attached bearing the facsimile signatures of said president and secretary, and said officials, by the execution of said bonds, shall adopt and for their own proper signature their respective facsimile signatures on said coupons.

5. Said bonds shall not be a general obligation or indebtedness of the school district, but shall be payable solely from net revenues derived from the operation of the stadium, and to secure such payment there is hereby created a statutory lien upon the whole of the net revenues of the stadium, to continue until the payment in full of the principal and interest on said bonds.

6. The holder or holders of any such bonds or any coupons therefrom shall have all rights and remedies given by said Act 94, Public Acts of Michigan, 1933, as amended, and other laws of the State of Michigan, for the collection and enforcement of said bonds and the security thereof.

7. The stadium shall be operated on the basis of an operating or fiscal year commencing on July 1st and ending on June 30th.

8. The acquisition, construction, alteration, management, operating and control of all the stadium shall be under the general control and supervision of the Superintendent of Schools, subject, however, to the rights, powers and duties thereto which are reserved by law to the Board of Education;

9. The schedule of fees, rates and charges to be collected from each person making use of the stadium shall be as follows:

VARSITY FOOTBALL GAMES

Season - Tickets, \$1.00 per game; \$1.00 per adult per game; \$3.50 per high school student per game if purchased in advance; \$1.00 per high school student per game if purchased at the gate at game time; \$3.50 per elementary student per game if purchased in advance; \$1.00 per elementary student per game if purchased at the gate at game time.

JUNIOR VARSITY GAMES

\$2.25 per student per game; \$5.00 per adult per game.

TRACK

\$5.00 per adult per game; \$2.25 per student per game.

SPECIAL EVENTS

The Board of Education is authorized to set the fee for use of the stadium for special events.

10. No free use of the stadium shall be made by any person, firm or corporation, public or private, or to any public agency or instrumentality, but, all such use shall be paid for in accordance with the foregoing schedule of rates or any revision thereof, in compliance with the provisions of this resolution.

11. The fees, rates and charges fixed for the use of the stadium are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the stadium as are necessary to preserve the same and all its component facilities in good repair and working order; to provide for payment of the interest upon and principal of all bonds as and when the same become due and payable, and to provide for such other expenditures and funds for said stadium as are required by this resolution.

Such fees, rates and charges shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed at all times to fix, maintain and collect such fees, rates and charges for use of the stadium as shall be sufficient to provide for the foregoing.

12. The revenues of the stadium, beginning with the fiscal year commencing July 1, 1962, are hereby ordered to be set aside, as collected, and deposited in the MANUFACTURERS NATIONAL BANK OF DETROIT, NORTHVILLE BRANCH, Northville, Michigan, a bank duly qualified to do business in Michigan, in an account to be designated STADIUM RECEIVING FUND (hereinafter referred to as the "Receiving Fund") and said revenues so deposited are pledged for the purposes of the following funds and shall be transferred from the Receiving Fund periodically and in the manner and at the times hereinafter specified.

(A) OPERATION AND MAINTENANCE FUND:

Out of the revenues in the Receiving Fund there shall first be set aside semi-annually (each six months), into a separate depository account designated Operation and Maintenance Fund, a sum sufficient to provide for the payment of the next six months' current expenses of administration and operation of the stadium, and such current expenses of the maintenance thereof as may be necessary to preserve the same and all facilities thereof in good repair and working order.

(B) BOND AND INTEREST REDEMPTION FUND:

There shall next be established and maintained a separate depository account designated as the Bond and Interest Redemption Fund, which shall be used solely and only for the purpose of paying the principal of and interest on the bonds hereby authorized. The moneys in the Bond and Interest Redemption Fund shall be kept on hand with the MANUFACTURERS NATIONAL BANK OF DETROIT, NORTHVILLE BRANCH, Northville, Michigan.

Out of the revenues remaining in the Receiving Fund after provision has been made for expenses of operation and maintenance of the stadium, there shall be next set aside each year, on December 1st, commencing with the fiscal year beginning July 1, 1962, in the Bond and Interest Redemption Fund, a sum equal to the interest maturing on the following January 1st and the July 1st following said January 1st. Commencing with the fiscal year beginning July 1, 1962, there shall be set aside on December 1st of each year in said Fund, in addition to interest requirements, a sum equal to the total amount of principal maturing on the following July 1st on the bonds herein authorized. If there shall be any deficiency in the amount previously required to be set

aside, then the amount of such deficiency shall be added to the current requirements.

There is hereby established in the Bond and Interest Redemption Fund a separate account to be known as the Bond Reserve Account, into which, after making provision for the Operation and Maintenance Fund and the Bond and Interest Redemption Fund, as aforesaid, there shall be paid in annual installments in the operating years beginning July 1, 1962 and 1963, the sum of Three Hundred Dollars (\$300); in the operating year beginning July 1, 1964 the sum of Four Hundred Dollars (\$400); and in the operating years beginning July 1, 1965, 1966, 1967 and 1968, the sum of Five Hundred Dollars (\$500), so that by the end of the operating year beginning July 1, 1968, there shall be in said Bond Reserve Account the sum of Three Thousand Dollars (\$3,000). The moneys in said Bond Reserve Account shall be used solely for the payment of principal and interest on the bonds herein authorized to be issued as to which there would otherwise be default. If, at any time, it shall be necessary to use moneys in the Bond Reserve Account for such payment, then the moneys so used shall be replaced from the net revenues first received thereafter which are not required by this resolution to be used for operation and maintenance or for current principal and interest requirements; provided, however, that such Bond Reserve Account shall not be regarded as moneys otherwise appropriated or pledged for the purpose of determining the sufficiency of funds available for redemption of callable bonds.

No further payments need be made into the Bond and Interest Redemption Fund after enough of the bonds have been retired so that the amount then held in said Fund (including the Bond Reserve Account) is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the bonds then remaining outstanding. In any case, where moneys are available for the redemption of bonds, such moneys may be used instead to purchase bonds on the open market at the best price or prices obtainable. When the principal amount owing upon any bonds shall be reduced to the amount of the reserve thereof, then the principal of such bonds shall be paid from such reserve.

(C) REPLACEMENT FUND:

There shall next be established and maintained a separate depository account known as the Replacement Fund, which shall be used solely for the purpose of making major repairs and replacements to the stadium. There shall be deposited into said Fund in annual installments in each of the operating years beginning July 1, 1962 and 1963, the sum of Two Hundred Dollars (\$200) and in each of the operating years beginning July 1, 1964, 1965, 1966, 1967 and 1968, the sum of Four Hundred Dollars (\$400) so that by the end of the operating year beginning July 1, 1968, there shall be in said Replacement Fund the sum of Two Thousand Four Hundred Dollars (\$2,400). If, at any time, it shall be necessary to use moneys in said Fund for such purpose, the moneys so used shall be replaced from the net revenues in the Receiving Fund which are not required by this resolution to be used for the Operation and Maintenance Fund or the Bond and Interest Redemption Fund (including the Bond Reserve Account) and the Replacement Fund are equal to the entire amount of principal and interest payable at maturity of all bonds then remaining outstanding, said moneys in the Replacement Fund shall be transferred into the Bond and Interest Redemption Fund and used for the purpose of paying the principal and interest on said bonds remaining outstanding.

(D) SURPLUS FUND:

Revenues remaining in said Receiving Fund, at the end of any fiscal year after all transfers have been made therefrom as above required, shall be deemed to be surplus and, in the discretion of the board of education, may be used for the purpose of calling bonds for redemption prior to maturity or for any purpose in connection with the athletic program of the school district permitted by law. Provided, however, that if at any time there shall exist any default in making any transfers to any of the above mentioned funds, then such default shall be rectified so far as possible by the transfer of moneys

from said Surplus Fund. If any such default shall exist as to more than one fund at any one time, then such transfers shall be made in the order in which such funds are listed above.

13. Said bonds shall be sold and the proceeds applied in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended.

14. The proceeds of sale of said bonds shall be deposited in the MANUFACTURERS NATIONAL BANK OF DETROIT, NORTHVILLE BRANCH, Northville, Michigan, a bank insured by the Federal Deposit Insurance Corporation, and shall be used solely to pay the cost of the project, and the incidental costs. Any unexpected balance of the proceeds of sale remaining may, in the discretion of the board of education and to the extent of fifteen per cent (15%) of the amount thereof, be used for further improvements to the stadium: provided that, at the time of such expenditure, such use be approved by the Municipal Finance Commission. Any remaining balance after such expenditure, in the event no such expenditure is made, the entire unexpended balance shall be paid into the Bond and Interest Redemption Fund and used for the redemption of callable bonds. The proceeds of sale of said bonds may be invested in whole or in part in the manner provided in Section 24 of Act 94, Public Acts of Michigan, 1933, as amended.

15. The school district covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest:

(a) The school district will maintain the stadium in good repair and working order and will operate the same, efficiently and will faithfully and punctually perform all duties with reference to the stadium required by the Constitution and laws of the State of Michigan, including the making and collection of sufficient rates for its use and the segregation and application of the revenues of the stadium in the manner provided in this resolution. The school district will, from time to time, make all needful and proper repairs, replacements, additions and betterments to the equipment and facilities of the stadium, so that it may at all times be operated properly and advantageously.

(b) The school district will maintain and keep proper books of record and account, separate from all other records and accounts, in which shall be made full and correct entries of all transactions relating to the stadium. Not later than three (3) months after the close of each operating year, the board of education will cause to be prepared, on forms furnished by the Municipal Finance Commission, if such forms be available, a statement in reasonable detail, sworn to by its chief accounting officers, showing the cash income and disbursements for the stadium for each operating year and such other information as may be necessary to enable any taxpayer of the school district, user of the service furnished, or any holder or owner of the bonds, or any one acting in their behalf, to be fully informed as to all matters pertaining to the financial operation of the stadium during such year. A certified copy of such statement shall be filed with the Municipal Finance Commission.

(c) The school district will maintain and carry sufficient insurance covering the stadium to protect the stadium against substantial loss or damage.

(d) The school district will not sell, lease or dispose of the stadium or any substantial part thereof until all of the bonds have been paid in full, both as to principal and interest.

16. The statutory lien on the revenues for which provision is made in Section 8 of Act 94, Public Acts of Michigan, 1933, as amended, is hereby recognized and created in favor of the holders of the bonds and the interest coupons pertaining thereto. Such lien shall continue in existence until the payment in full of principal of and interest on the bonds and may be enforced in the manner for which provision is made in Section 9 of Act 94, aforesaid.

17. While any of the bonds herein authorized to be issued shall be outstanding, no additional bonds payable from the revenues of the stadium shall be issued which shall have a prior or equal standing thereto, except as hereinafter provided. The school district shall have the right to issue additional bonds payable from the net revenues of the stadium which shall be of equal standing with the bonds herein authorized for the purpose of such redemption.

18. The said bonds shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTIES OF WAYNE, OAKLAND AND WASHTENAW
NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT
STADIUM REVENUE BOND

No. \$100.00

KNOW ALL MEN BY THESE PRESENTS, that NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, Counties of Wayne, Oakland and Washtenaw, Michigan, for value received, hereby promises to pay to bearer, not only out of the revenues hereinafter specified, the sum of ONE HUNDRED DOLLARS on the first day of July, A.D. 19 , with interest thereon from the date hereof until paid at the rate of per cent per annum, payable on January 1, 1963, and semi-annually thereafter on the first day of July and on the first day of January next following said July 1st, on presentation and surrender of the proper interest coupons hereto annexed, and which severally become due. Both principal of and interest on this bond are payable in lawful money of the United States of America at

prompt payment thereof, the gross revenues of the stadium of the school district, after provision has been made for reasonable and necessary expenses of operation, administration and maintenance, are hereby irrevocably pledged, and a statutory first lien thereon is hereby created.

This bond is one of a series of 430 bonds of even date and like tenor, except as to date of maturity, aggregating the sum of \$43,000, issued pursuant to resolution duly adopted by the board of education on 1962, and now in full force and effect, and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying the cost of acquiring and constructing a stadium including lighting and bleachers for Northville Public Schools School District. For a complete statement of the school district's revenues and conditions under which this bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued, and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above described resolution.

This bond is a self-liquidating bond and is not a general obligation of Northville Public Schools School District and does not constitute an indebtedness of the school district within any constitutional or statutory limitation and is payable, both as to principal and interest, solely from the revenues of said stadium. The principal and interest on this bond are secured by the statutory lien hereinbefore mentioned.

The bonds numbered one (1) to twenty-eight (28) inclusive, maturing in the years 1963 to 1967, both inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered twenty-nine (29) to four hundred thirty (430) inclusive, maturing in the years 1968 to 1989, both inclusive, may be redeemed prior to maturity at the option of the School District in inverse numerical order on any interest payment date on or after July 1, 1967, at par and accrued interest to the date fixed for redemption.

Notice of redemption shall be given to the holders of the bonds to be redeemed by notice in writing to the holder thereof not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest payable on bonds so called for redemption shall accrue after the date fixed for redemption, provided the School District has money

available for such redemption with the paying agent.

Northville Public Schools School District has covenanted and agreed and does hereby covenant and agree, to maintain at all times while any of said bonds are outstanding such rates for use of said stadium as shall be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the stadium as may be necessary to preserve the same in good repair, and working order, to provide for the payment of the interest upon, and the principal of all bonds payable therefrom, as and when the same become due and payable, and to create a reserve for major repairs and replacements as required by the resolution.

This bond and the interest thereon are exempt from any and all taxation whatsoever by the State of Michigan or by any taxing authority within the State.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF Northville Public Schools School District, Counties of Wayne, Oakland and Washtenaw, Michigan, by its Board of Education, has caused this bond to be signed in the name of said School District by its President and countersigned by its Secretary, and the coupons hereto attached to be signed by the facsimile signatures of said President and Secretary as of the fifteenth day of July, A.D. 1962.

NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, COUNTIES OF WAYNE, OAKLAND AND WASHTENAW, MICHIGAN

By _____ President

Countersigned: _____ Secretary

(Form of Coupon)

No. \$ _____

On the first day of _____, A.D. 19 , Northville Public Schools School District, Counties of Wayne, Oakland and Washtenaw, Michigan, will pay to the bearer the sum of _____ dollars in the manner and out of the revenues described in said bonds, at _____ being the semi-annual interest due that date on its Stadium Revenue Bond dated July 15, 1962, No. _____.

This coupon is not a general obligation of Northville Public Schools School District, but is payable from certain revenues as set forth in the bond to which it pertains.

President

Secretary

19. The secretary is hereby authorized and directed to make application to the Municipal Finance Commission on behalf of the school district for authority to issue and sell said bonds, in accordance with the provisions of Act 202, Public Acts of Michigan, 1943, as amended, and Act 94, Public Acts of Michigan, 1933, as amended.

20. If any section, paragraph, clause or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this resolution.

21. All resolutions or orders, or parts thereof, in conflict with the provisions of this resolution are to the extent of such conflict hereby repealed.

22. This resolution shall be recorded in the minutes of the meeting of the board of education at which it was adopted, immediately after its passage, which record shall be authenticated by the signatures of the president and secretary of said school district, and shall be published once in the NORTHVILLE RECORD, a newspaper of general circulation within said school district, within one week of its adoption.

23. This resolution shall become effective immediately upon its adoption.

Ayes: Members William Crump, Donald Lawrence, James Kipfer, W. C. Becker, Waldo Johnson, Ed Angove.

Nays: None.

RESOLUTION DECLARED ADOPTED.

Donald B. Lawrence Secretary

I hereby certify that the foregoing constitutes a true and complete copy of a resolution adopted by the board of education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan at a regular meeting held on the 12th day of March, 1962 in said district.

Donald B. Lawrence Secretary

NEWS FROM WILLOWBROOK

Mrs. George Ames GR 4-8830

The Farmington Town Club will hold their annual dessert card party and fashion show on the evening of Friday, April 6. Tickets, at \$1.50 are available from Mrs. Leon Blackburn, at GR 4-8504.

Mr. and Mrs. Donald Simonson gave a party Saturday evening in honor of their daughter, Nancy Christensen's 16th birthday. Guests were Judy Gould, of Drayton Plains, and Jim Drew, Chris Gazlay, Gail Hartner, Jeff Crawford, Candy Roik, John Harnden, Marcia Clum, Claude Earl, Ginger Cheeseman, Rose Marie Kawinski and David Lane all of Northville and Novi.

The Mother's Club of Our Lady of Victory Catholic school held their regular March business meeting in the church basement Tuesday evening.

Mr. and Mrs. Richard Bingham and their children, Tom, David, Judy and Mike, attended the Ice Capades at the Olympia Monday evening.

Mr. and Mrs. George Ames and their children, David, Rolf, George and Marilyn also attended the Ice Capades Sunday afternoon.

Jean McClelland was a guest player when the Hollydale Bridge Club met at the home of Lori Kraus Wednesday evening. Elaine Young had high score for the evening and Eileen Meek, low.

The Monday Pinocle Club met at the home of Gladys Earl last week. Agnes Morrison won first prize, Kay Buck second, Gladys Earl third and Virginia

Wixom News

Mrs. Charles Ware MA 4-1601

On Saturday, March 3 Mrs. Lottie Chambers, Mr. and Mrs. John Bannerman, Mrs. Frank Pennell and Mrs. Fred Dumka went to a cardroom at Roosevelt Temple in Pontiac.

Mr. and Mrs. Mickey Cochran, Mr. and Mrs. Eldon Blaize and Mrs. Helene Sutherland also attended the cardroom.

Miss Hilda Furman, Mrs. Scott Lovejoy and Mr. and Mrs. William Charles Lovejoy attended Do Ray Me with Phil Silvers at the Fisher Theatre Wednesday night, March 7.

Mrs. John Foley of Tucson, Arizona was a house guest of her aunt, Mrs. Charles Ware the week of March 1.

On Saturday night the Wares took Mrs. Foley to the Friendly Sons of St. Patrick club house in Warren, Michigan and watched the judges pick a queen for the St. Patrick's day parade which will be held in Detroit on Sunday, March 11.

Mr. and Mrs. Howard Craft are the proud parents of a new daughter, Marilyn, born Saturday, March 3 at Pontiac Osteopathic hospital weighing 7 lbs 3 oz. Marilyn has a sister, Debbie two years old.

Mrs. Lee Harrison is in St. Joseph's hospital, Pontiac for surgery.

Hugh and Jack Robinson are home from Uncle Sam's Army having served six months over and above their two year stretch. The Robinson boys were stationed in Germany.

The Hickory Hills bowling team bowled at Milford Lanes on Saturday March 3 and had lunch at Robert Merkels.

Mr. and Mrs. Robert Merkel and family traveled to Monroe on Sunday, March 4 to visit Mr. Merkel's father, William Merkel who was in Monroe General hospital.

Mrs. Robert Whaley was in St. Mary's Livonia hospital for surgery. She is now home convalescing.

On Tuesday March 6, 75 Sunday school pupils enjoyed a ham dinner which was put on by the church helpers and served in the basement of the Wixom Baptist church.

On Sunday, March 4 Mr. and Mrs. Gerry Monroe and family of Chicago and Mr. and Mrs. Jack Clemens of Detroit were guests of the Alfred Gaedts of West Maple road.

David Tuck underwent surgery in St. Joseph's hospital, Pontiac. He is now home convalescing.

Mr. and Mrs. Kelly Dunlap were weekend guests of their parents. They both work at Sparrow hospital and are attending the community college at East Lansing.

Mrs. Carl Algrim is having a wonderful time in Florida and states that Ocean fishing is wonderful.

SPEAKING for the Record

by Bill Sliger

In Michigan there are 54 daily newspapers and 300 weeklies. And each day the desks of these editors are stacked high with envelopes mailed from sources throughout the state and country.

The envelopes contain "news releases". Frequently, however, this is a misnomer and the news is really advertising disguised so that it may be published without charge.

The true news release is often used — perhaps even expanded upon — if it holds any interest for local readers. The publicity plug usually finds its way into the circular file.

All told, however, there must be literally tons of mail thrown away daily that has little more than a glance before being deposited in the basket.

It seems a shame when you think of the thousands of copy writers trying desperately to come up with an "angle" so that their "news" will be published.

Some of it, of course, is mere trivia. But without it you'd never know who won the Miss Beausport of 1962 contest (then, too, you'd miss that attractive picture). And you would never know what your legislator was doing — or what his political opposite was not doing.

Many items are definitely interesting—and important—but may be classified as "not local" by a busy editor or simply ignored because he already has more news than he can possibly publish that particular day.

To provide the reader with an idea of the variety of such material, and give some recognition to the hard-working copy writers, we have taken excerpts from a portion of the releases received in a single day. They tell us that...

... THE FORTHCOMING Detroit Antique Show sent an attractive young girl to her family's attic to obtain some unusual object for its "Attic Treasure" (picture shows the 22-year-old beauty with an old trunk) ... the Michigan Potato Industry Council announces that the initial conviction for violation of its new act occurred and a farmer paid a \$50 fine for not reporting his acreage of potatoes ... the Beet Sugar Industry of Michigan has decided to award two choice scholarships to MSU ... the American Meat Institute held a conference in Lansing and the economic importance of Michigan's multi-million dollar meat and livestock industry was stressed ... the department of conservation reports that trappers will find favorable conditions favoring the beaver and offer unless warm weather makes a big dent in snow depths in the upper peninsula ...

... CRANBROOK Institution announces that a new book "Mayflies of Michigan Trout Streams" is now available ... Eastern Michigan university announces it is continuing to expand its use of instructional television ... Wayne State university reports that its theatre group is going over big in Europe where it is touring with the production of "Where's Charley?"

... The American Cancer Society states that response to its new "Dial-to-Life" program has reached 21,000 calls during the first week (persons calling TR-2-4666 hear a two-minute recorded message from a physician on uterine cancer) ... the Civil Service Commission reports that dismissal of a field investigator has been changed to five months suspension ... the Michigan State Police will begin a recruit school to graduate 28 troopers at East Lansing ... the Michigan Alcoholism Review reports how municipal court can help an alcoholic ... the Oakland county Democratic committee reports that the March 9 Phil Hart Dinner will set the stage for the mid-way wrap-up of the county's state-wide Democratic party membership drive ... House Speaker Don Pears (R-Buchanan) reports that the governor's office and Democratic members of the House "have nattered" over school aid legislation ... The United States Coast Guard is seeking applications from qualified young men of military age ...

... THE TWIST will make its 1962 championship debut at the Thunderbowl Arena on St. Patrick's Day ... the Internal Revenue Service is concerned over the sale for consumption in the United States of tax-exempt cigarettes intended for use beyond the three-mile limit of the U.S. ... the Civil Service Commission has an opening for a Legal Assistant, second class ... the second annual famous early movie festival will be held March 15-18 at Henry Ford Museum ... the U.S. Department of Labor announces that it has opened a new field office in Detroit ... Governor John B. Swainson reports that the legislature has been in session two months now "and I regret that, so far, the record is one of nothing but delay" ... the Clark Oil & Refining Corporation concluded its 29th year of operations with sales slightly under the previous year ... the State Highway Department reports that the amount of work done by department engineers increased 60 per cent between 1956 and 1960 ... Michigan Savings Bond buying totaled \$23.9 million in January ... the U.S. Treasury Department cautions the public against the current rash of Savings Bonds "chain letter" schemes ...

... THE UAW served notice on the Electric Autolite Company that it would strike its plants at noon Friday, March 12 unless a satisfactory collective bargaining agreement is reached ... two exceptional tag-outs will headline the exciting all-star wrestling card at Olympia Saturday ... the month of March has been set aside as Children's Art Month by the Michigan Congress of Parents and Teachers ... the state department of agriculture warns us to look for certificates of inspection when buying nursery stock ...

... And finally, from the American Medical Association (clearly labeled "news release") to avoid the stigma of advertising a remedy for hiccups — for babies, says the AMA, administer sips of warm water, take your child in your arms, and pat his back; for older children and adults, simply lie down and relax.

The latter remedy may be difficult to explain to the boss if you're on the job, but you can tell him "It's doctor's orders".

Savings & Loan Boom in State

Michigan has had a savings and loan law on its books since 1887 although the popularity of this type of banking institution has only been publicly noted in the last decade or so.

Growth of savings and loan associations in the state over the last six years, for example, has amounted to more than \$367 million, state officials report.

Today there are 35 associations which report total assets of more than \$656 million. The assets report for the fiscal year which ended June 30 noted an increase of \$72 million over the previous year, officials said.

"These increases have occurred despite unsteady economic conditions in Michigan during the life of the savings and loan system," said Banking Commissioner Charles D. Slay.

Savings and loan associations have been the object of proposed legislation in the past several years to bring the reserve requirements and tax and branch office regulations in line with those imposed on commercial banks.

The associations differ from banks in that they are mutually owned by "savings shareholders," said Slay.

"This type of financial institution, with 105 offices throughout the state, is performing an increasingly important dual function to the public by providing safe and convenient savings and investment plans and long-term, monthly payment home loans," said the commissioner.

Job prospects for the June college graduate are good, according to the Michigan Education Association.

On the average, June graduates will find a \$485 monthly wage awaiting him at his first job. This represents an increase on the average, of \$10 a month over last year, the association said.

Indications are the high salaries will range around \$542 for engineers and the low will be \$448 a month for business trainees.

Michigan is expected to be among the first states in the nation to put into effect President Kennedy's recommendation for a mass immunization program to combat four of the worst childhood diseases: polio, diphtheria, whooping cough and tetanus.

In production as the department currently is a new three-one antigen to be blended with bulk Salk polio vaccine. This is expected to be ready for free distribution throughout the state by late this year, said Health Commissioner Albert E. Heustis.

Plans call for producing enough of the quadruple antigen to immunize the estimated 200,000 children who are born or move into Michigan annually.

Used car dealers are often the object of criticism for guarantee terms, or the lack of them.

The Michigan Automobile Dealers Association recently initiated a program designed to improve the "public image" of used car salesmen and dealers. It has some definite advantages to the public.

The association started a program in over 200 Michigan cities under which auto dealers issue a "permanent

Investing Your Money

Babson Park, Mass., Last week I discussed investing in common stocks and mentioned several of the most popular groups today, one or two of the most speculative, and some which should be good for the "long pull." To be safe, not more than one third of an investor's funds should be in common stocks today.

This week let me describe other securities to be purchased solely for income: Preferred stocks will yield the most — nearly 5%. I prefer only the cumulative and "non-callable" preferreds.

Best of these seem to be the preferred stocks of the Utilities — avoiding New York, Chicago, and other large cities which might be bombed.

Of the Industrial preferreds United States Steel Corp. 7% Cum. Non-callable Preferred should fit most investor requirements. It sells at over \$140 per share but yields nearly 5%.

Following the preferreds we may consider high-grade corporation bonds. These yield about 4½%. Avoid "collateral trust" or "sub-ordinated" bonds, sticking to a mortgage bond except for large corporations such as the American Tel. & Tel. Co. which puts out debentures of the highest grade. This company has just issued \$300 million due in 32 years — yielding about 4½%. I would not hold them too long, — as someday the

federal government may take this company over. First-mortgage bonds of strong railroads are worthy of consideration. All State Bonds — not "revenue bonds" — should be good.

I next rate Municipal Bonds especially for those investors in a high income bracket because interest thereon is non-taxable.

Here again I say: "Avoid the large cities which might be bombed." I prefer the bonds of state capitals — cities usually located in the interior of the state. State capital cities seldom suffer from unemployment. Moreover, their income is largely derived from state taxation. State Revenue Turnpike Bonds are worthy of mention. Although these are nontaxable as to interest — yet their interest payments depend upon uncertain toll receipts.

We next come to "Government Bonds." These will always be paid, — principal and interest. The Federal Government is the only "corporation" which can print money in case of a severe depression. On the other hand, U.S. Government Bonds are taxable both as to principal and interest.

My favorites are the U.S. Savings Bonds Series E, on which the interest is paid when the bond is cashed at the end of 7 years and 9 months. Or the U.S. Savings Bonds Series H, on which the interest is paid by check twice a year. These Series H bonds are issued to be

cashied at the end of 10 years. Both Series E and Series H pay about 3½%.

I should also mention interest paid by Savings and Loan Banks, Commercial Banks, Mutual Savings Banks, and Mutual Funds. These pay 4% or more. An ideal investment portfolio, in my humble judgment, now consists of about one third in common stocks; one third in preferred stocks or corporation bonds; and one third in bank deposits or good short-term bonds which can readily at any time be turned into cash.

This last third I like to think of as "Liquid Funds" which can be used later for buying more common or preferred stocks, — or for buying more bonds, or real estate — whenever any bargains occur in any of these possible investments. I like Kansas real estate acreage.

In closing, I must say a word regarding inflation. With President Kennedy spending federal money so freely it seems that eventual inflation is ahead of us. The present dollar worth 100 cents in 1940 is now worth under 50 cents. If we should get into a World War, it could go to 25 cents, or less. This means that preferred stocks — and all bonds having no maturity or a long fixed maturity — would sharply decline in price. The above are my conclusions after fifty years of studying investments.

Dr. Mudd Replies

Stuttering Not Hereditary

Dear Dr. Mudd: One of our four children, age 3½, stutters quite a bit. My husband becomes annoyed with him and punishes him with hollering and ridicule. He seems to think stuttering is hereditary because my older brother stuttered as a child.

I know this is not true. How can I make my husband see his mistake and also help my little fellow before he starts school?

"A Worried Mother"

Dear Worried Mother: Stuttering is not inherited and the fact that your brother was so afflicted as a child is entirely coincidental and has no bearing on the speech difficulty experienced by your son.

Your husband has been trying to find an explanation for the fact that his son stutters and it is understandable that he would choose the nearest experience at hand despite the fact that it proves to be an unreliable one. He finds in your brother's difficulty a handy, and not unreasonable cause for your son's disturbing symptom. At least it doesn't come from his side of the family!

You may be certain that the more ridicule he levels at your little boy, the more fixed the symptom will become. The child gets a bonus in terms of his

father's attention and perhaps yours as well because he stutters.

Your husband, of course, loves the boy and wants him to change and be like the other children. That his way of showing his concern takes the form it does is unfortunate for it tends to fix the symptom, making it ultimately more difficult to treat.

Then too, there are different conditions, all of which are called stuttering, but which are not identical with each other.

Some are signs of serious difficulty, while others clear up spontaneously while the child learns how better to coordinate the muscular actions which make speech possible.

Stuttering is a misfortune resulting from the fact that the individual who suffers from it is frightened of the angry feelings of every day life which arise within himself. For various reasons, always uniquely individual for each stutterer, the way in which these feelings are usually expressed becomes unusable. Thus, the inner feelings of which the stutterer is not even conscious are expressed in the form of speech, rather than in the content.

It is not what your son says that annoys his father, but the way in which he says it. Per-

haps the child's father fears that unless he makes it abundantly clear to his son that he disapproves of the way he talks, the child may mistake tolerance for approval.

You and your husband have but a single aim; both of you want to help your child. It may be that professional help will be required and I suggest you and your husband take positive steps in this direction by asking your doctor to refer you to Hawthorn Center in Northville. This state-operated medical facility is staffed by well trained and competent persons who are in a position to lend help with such problems, if aid is required.

Sandor Mudd, M.D.

For a Special Election to be held on April 16, 1962

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that a special election will be held in said School District on Monday, April 16, 1962.

Act 269, Public Acts of Michigan, 1955, as amended, provides as follows: "The Inspector of Election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides."

The last day for receiving registrations for said election will be Monday, March 19, 1962. Persons registering after 5:00 o'clock p.m. on said day will not be eligible to vote at said special election. Application for registration should be made to the Township Clerk at the Novi Township Hall.

Persons already properly registered upon the registration books of such township need not re-register.

This Notice is given by order of the Board of Education of Novi Community Schools, Oakland County, Michigan.

John MacBride, Secretary, Board of Education
Novi Community Schools

The 4 that goes around acting like a V-8...Tempest!

Used to be that people swore by V-8's and V-8's alone. And then along came Tempest's spunky 4 to steal their thunder. The hottest version* of this 4 (166 hp) puts out more horsepower than any other production 4 in the world. More torque, too. And every version, standard 110 hp on up, is smooth and silent and effortless. About the only thing Tempest doesn't share with the big boys is its appetite for gasoline and spare parts. Try a drive in a Tempest 4 soon, hear? You might as well save while you're swinging! **Pontiac Tempest**
