## Big Voter Turn-Out Tuesday Could Set Election Mark Here

### High Registration Nears Top Presidential Year

Despite the absence of a presidential race, the keen battle for governor is expected to bring out large numbers of voters next Tuesday.

Northville is certain to set new voting records for a gubernatorial race. Its city and township registered voter total has totaled 4,116 compared to 3,491 in 1958, the last off-year general election.

What's more, the registration total is just 188 shy of the all-time record set in the 1960 presidential election.

An 85 per cent turn-out at the polls Tuesday could top the 1960 vote record of 3,509 ballots cast in the city and township. Eighty-one per cent of the registered voters cast ballots in 1960.

Registrations in the city of Northville have totaled 2,437, a total of 31 more than the 1960 record.

But in the township, registrations are down from the mark set two years ago. There are now 1,679 persons registered to vote in the township, while there were 1,808 in 1960.

For sheer interest, the race for governor between incumbent Democrat John B. Swainson and Republican George Romney has captured the attention of the state — and nation.

The vigorous Swainson-Romney campaign has swept up new enthusiasm in other races. Republican candidates for Democratic-held offices within Wayne county's 17th district are hoping for a strong Romney victory that could carry them into office.

These races include U.S. Congressman Martha Griffiths vs. James F. O'Neil, State Senator Raymond D. Dzendzel vs. Patrick J. McNally, and State Representative Harvey J. Beadle vs. Paul Chandler.

For the first time voters will also vote for a second representative to the U.S. Congress. This "congressman-at-large" race pits Democrat Neil Staebler against Republican Alvin M. Bentley.

Voters in both the city and township of Northville will also be considering one state and one county proposal, while township voters will cast ballots on a third local proposal.

Electors throughout the state will be answering the question, "Shall section 40 of article V of the state constitution be amended as follows: 'The legislature shall provide by law for the general revision of the statutes at such time and in such manner as it shall determine?'"

The proposed constitutional amendment (not to be confused with the proposed new state constitution drafted by the constitutional convention and to be voted upon in April) was called for by the legislature.

It is aimed at eliminating a present provision of the constitution which prohibits any general change in laws, even typographical errors, after they have been passed. Obsolete

laws may now be repealed only on recommendation of a governor-appointed commission which the legislature may establish to compile and review all statutes.

The Wayne county proposal is the transfer of 982 acres of county lands to the Huron-Clinton Metropolitan Authority for parks. The lands which would be given to the authority lie in the village of Inkster and in Canton and Huron townships.

And the Northville township proposal is a request for selling of liquor by the glass in the township. (See story on this page).

Precincts for all city and township precincts open at 7 a.m. and close at 8 p.m. Electors still in line at 8 p.m. will be allowed to vote, but no one may enter the line after 8 p.m.

City residents in precincts one and two vote in the community building, while those in precinct three vote at American school.

Precinct three includes all areas north of Baseline road, while precinct one includes areas west of High street between Main and Baseline, and west of Center street south of Main.

Precinct two includes all areas east of High street between Baseline and Main, and all east of Center south of Main.

Township voters in precinct one, which includes all areas west of Sheldon road, east of Sheldon road, vote in the township hall.

City's Oakland County Area City residents living in the Oakland county portion of the city — the areas in precinct three — will have a different slate of candidates from the rest of the city.

All Oakland county incumbents for state and national offices are Republicans. Congressman William S. Broomfield is facing George J. Fulkerson, while the state races are

between Senator Farrell E. Roberts and Democrat Leland H. Smith; and between Representative Raymond L. Baker and Democrat Albert Kramer.

County races pit Republican incumbents George F. Taylor against S. Jerome Bronson for prosecutor, Frank Irons against Kenneth G. Hirt for sheriff, Daniel T. Murphy against Davis S. Lees for clerk-register of deeds, Charles A. Sparks against Betty H. McVay for treasurer, Daniel W. Barry against Roy J. Russell for drain commissioner and Ralph A. Main against Stanley F. Dunn for surveyor.

Besides the state proposal, Oakland county voters will also be asked to decide whether the office of county surveyor may be abolished. State statutes provide that in counties of over 500,000 population, such as Oakland, the office of county surveyor may be abolished.

On the non-partisan judicial ballot in Oakland county Donald E. Adams is the only candidate for judge of probate, while Verne C. Hampton and Maurine F. Cole will be uncontested candidates for re-election to their circuit court commissioner spots.

The full slate of national state and county candidates from the two major parties for Wayne county, with incumbents listed first is:

## Jaycees Offer Rides to Polls

**VOTE BOOSTERS** — Northville Junior chamber of commerce President Charles Ely, Jr. points to the date November 6, when voters go to the polls to elect national, state and county officials. As a "get out the vote" effort, the Jaycees are offering free transportation to and from the polls Tuesday, from 5-8 p.m. Call FI-9-1026 or FI-9-1509 to arrange a ride.

## Step-Up Fund Campaign For Recreation Building

With the construction of the community's new Scout-Recreation building well underway (see picture below) emphasis was being placed this week on collecting some \$12,000 needed to provide additional funds needed to build and furnish the facility.

### Township Changes Meeting Date

Due to next Tuesday's general election the Northville township board will change its regular monthly meeting date from Tuesday to Wednesday evening, November 7. Township Clerk Marguerite Northup announced this week.

The board holds its meetings in the township hall at 8 p.m. The November meeting will mark the official appearance of Donald Robinson as a board member. Robinson replaces Alex Lawrence as trustee. The latter will assume the duties of Treasurer Roy Terrill, whose retirement became official today.

Clerk Northup stated that the board is currently planning a retirement dinner in honor of Treasurer Terrill on December 6.

The building, which will be named in honor of the late Mrs. Alex (Jennette) Lawrence will be a two-level colonial design and provide a headquarters for community scout and recreation activities.

Tuesday night a brief meeting of the fund-raising committee headed by Councilman John Canterbury was held with a report on results of the advance campaign for special gifts.

This drive for contributions from business, industry, labor and civic organizations and clubs is expected to be completed early this month. An area-wide direct mail campaign will follow.

Already a number of local organizations have either contributed or pledged funds to the campaign. These include the Northville Estates Civic Association (\$100), the Mothers Club (\$1,000), the Jaycees (\$760), and the Rotary Club (\$1,015).

Presently, the Ugashontion

Boys club is conducting a candy sale the proceeds of which will be donated to the drive.

It has also been announced that the Northville area Girl Scouts will sponsor a benefit luncheon and card party at Our Lady of Victory church social hall on January 17.

Called "Luncheon is Served", the project is being chairmaned by Mrs. William Switzer, assisted by Mrs. Roland Roux.

### Liquor Vote In Township

An additional proposal will appear on the ballot Tuesday for Northville township voters to decide.

It will ask: "Shall the sale of spirits in addition to beer and wine be permitted for consumption on the premises within the Township of Northville under the provisions of the law governing same?"

Petitions bearing some 500 signatures of qualified township electors were presented to the township clerk last September thus placing the issue on the ballot.

The request to serve liquor by the glass came about as a result of plans of the owners of Dun Rovin Country Club, 16377 Haggerty at Six Mile road to construct a \$250,000 club house.

Owners of the golf course have stated that it would not be economically feasible to build the club house without the sale of liquor by the glass.

A favorable vote would enable Dun Rovin to apply for a liquor license.

Sale of liquor by the glass is legal in the city of Northville, but not the township. It can only be legalized by a vote of the public. Private club licenses, such as held by Meadowbrook Country Club in Northville township, may be obtained, but the sale of liquor is restricted to members and guests. Dun Rovin is a public course.

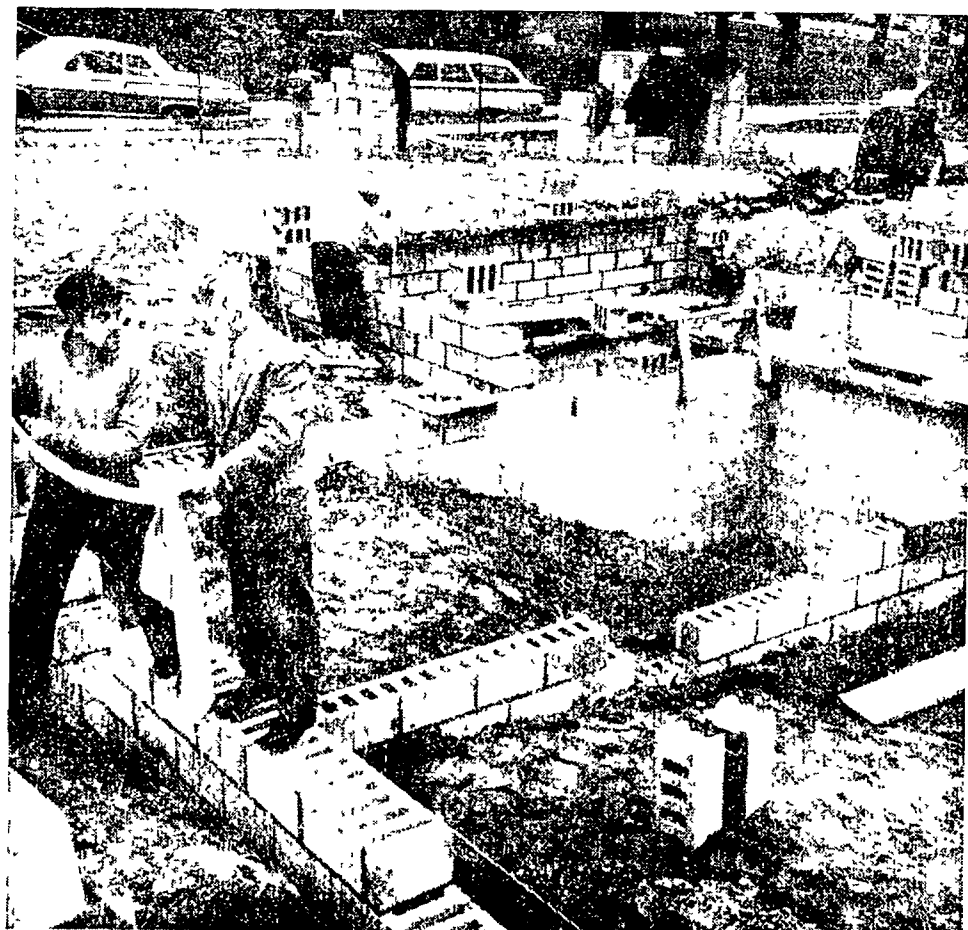

### Travel Agency Opens Here

A new business, Travel Plans, Incorporated, opened officially last week in Northville.

The travel agency is located at 112 North Center street.

Northville Attorney C. D. Hill is president of the corporation, while Mrs. Ann Grayson is secretary-treasurer and Mrs. Sonia Clark, manager.

The office has been open for several weeks, but only recently obtained its final license for ticket sales. It offers complete travel assistance and information.

**WORK ON THE NEW Scout-Recreation building is well-underway.** In the picture above Recreation Director Ken Conley (right) is shown with Bob Cole of Hanley J. Cole and Son, general contractors, examining the plans. The building is located on Cady street next to the cemetery. It is scheduled for completion about February 1.

## Approve City Hall Plans; Next Step: Federal Funds

Preliminary plans for a new city hall to include administrative offices, council chambers, police station and jail, fire hall and a library were approved Monday night by the city council.

The council also adopted necessary resolutions to make application for matching federal funds under the new Federal Public Works Acceleration Act.

In order that Northville's application for the grant is in the hands of the proper authorities in time for consideration the council directed City Manager Bruce Potthoff and Architect Harry M. Denyes to deliver the plans in person.

They are scheduled to go to the Housing and Home Finance Agency in Chicago Friday. The HHFA is administering the program which is designed to stimulate employment by encouraging construction projects immediately that might otherwise have been delayed because of lack of funds.

Early estimates of the proposed 12,500 square foot building place the cost of construction at \$210,000. Contingencies are expected to increase this estimate.

The council is hopeful that matching funds will be obtained from the federal government.

Presently, the city has \$150,000 earmarked for construction of the building. Because federal funds cannot be used for furnishings or razing the present city hall building, some of this money must be retained for these expenses.

If total construction costs hit \$220,000, for example, the federal government would provide \$110,000 and the city \$110,000. Some \$40,000 would then remain in the city fund for other expenses.

Monday night the council reviewed initial drawings submitted by Architect Denyes.

Numerous basic changes were made but in general the council agreed with a plan that would place the new city hall near the location of the present facility.

A three-story fire hall would face Main street on the West side of the building and the

library would be on the east side. Administrative offices would be in the center area with the police department at a lower level facing the present city hall park.

It was proposed that a circular drive would provide access to the rear area but that the park area would be maintained to a major extent.

A drive and limited parking would also be provided at the Main street entrance. The proposed library addition would be at a lower level with entrance from Wing street.

The inclusion of a library and fire hall is based upon the possibility of obtaining federal funds. If the city's application is not accepted, these additions would be eliminated.

Numerous Michigan communities have made application for the federal funds and it was announced this week that at least three applications had been approved. The federal project totals \$900 million with Michigan's share set at \$90 million.

Plans call for the building to be colonial in design. The council took note that colors, particularly brick, would blend with the new Scout-Recreation building.

The city of Northville will honor its volunteer workers tonight at the third annual Civic Service Recognition dinner at 7 o'clock at the VFW hall.

The tribute was initiated two years ago as a means of recognizing the time and assistance given to the community by volunteer firemen, police and members of volunteer boards, commissions and committees.

Principle speaker will be Wallace Arrowsmith, city manager of Wayne. Dr. Kenneth MacLeod, assistant superintendent of Northville schools, will serve as master of ceremonies while the Reverend Paul Cargo will give the invocation.

Special certificates of service will be presented. The program arrangements have been under the direction of Councilman John Canterbury and Police Chief Eugene King.

## about WOMEN

Northville Record—Novi News—Thursday, November 1, 1962 Section One — Page Two

### Playhouse Manager to Outline Trends in American Theatre

The business manager of the Vanguard Playhouse in Detroit will address members of the Northville's Woman's club Friday afternoon speaking on the subject "The Trend of the American Theatre Away from New York".

The speaker is Robert Kondor, a graduate of the University of Chicago, who has managed the Vanguard Playhouse for the past 2½ years.

Kondor has studied theatrical management in New York City and has held positions in New York and throughout the Midwest. He came to Vanguard with the specific purpose of expanding and strengthening the theatre, and his efforts have been termed highly successful.

The program replaces the previously announced talk on

antiques by Mrs. Marion Sobier, who will be unable to appear because of illness.

Woman's club meetings are held at 2 p.m. in the Northville library.

### Plan 'Nearly New' Sale Saturday

The Northville Mothers club will hold its annual "nearly new" sale Saturday in the lobby of the Community building from 8:30 a.m. until 5:30 p.m.

The items offered for sale will include books and toys. Funds collected by the Mothers club are used to provide facilities for the Northville public schools. The club has also pledged \$1,000 towards the new Scout-Recreation building.

Mrs. Virginia Bogart is chairman of the sale and Mrs. Gwen Marburger, co-chairman.

The next meeting of the Mothers club will be held at Consumers Power company, 11801 Farmington road.

The program will feature a cooking demonstration of famous recipes of years gone by with modernization for present day use.

The meeting will start at 7:30 p.m. Members may bring guests, but should notify Mrs. Pearl Stevens of the number.

### Birthday Dinner

The Wesleyan Service Guild will hold a birthday dinner at the First Methodist church Fellowship hall next Tuesday at 5:30 p.m.

Those wishing to make reservations are asked to call Mrs. Gael Downer, FI 9 0926.

### Wedding Plans Set

Daisy Mae Middleton

The engagement of Daisy Mae Middleton to Ralph W. Redmond was announced this week. Both are faculty members of the Northville public schools. It was also revealed that the couple plans a December wedding at Bethel Lutheran church in St. Clair Shores. Miss Middleton teaches music at the Main street elementary and junior high school. Mr. Redmond teaches art and physical education at American elementary.

### Newcomers Plan Mental Health Meet

The Northville Newcomers club is planning a mental health program next week that will include a movie, speaker, luncheon and tour of the Northville State Hospital, says Mrs. Wallace Nichols, publicity chairman.

She said the event would get underway next Wednesday at 10:30 a.m. at the state hospital. The movie and speaker on mental health will last until the luncheon.

Following the luncheon, Mrs. Nichols said, the hospital will hold tours for the audience. She issued an invitation to both club members and others interested in the program to make reservations by phoning Mrs. James Tellum, at FI 9 2411. Reservations must be made by noon next Monday, she added.

## News Around Northville

Mr. and Mrs. Roy M. Terrill of Six Mile road returned home last week after a six weeks' vacation in Charleston, South Carolina and Gatlinburg, Tennessee.

Sandra K. Phillips, daughter of Mr. and Mrs. Lloyd Phillips of 461 River street, was one of four student nurses at Harper Hospital selected to represent the junior class at the Michigan State Student Nursing Convention in Grand Rapids this week. Sandra attended Our Lady of Victory school and was graduated from Ladywood high school, class of 1961.

Julie Gazlay, daughter of Mr. and Mrs. Francis Gazlay of 221 South Rogers, is flutist in the Olivet College Chamber Orchestra that will present its first concert of the 1962-63 season this evening at the Olivet Congregational church. The orchestra will be directed by George Bazoetopoulos and will feature baritone Robert Barnes as soloist.

Mr. and Mrs. Fred Casterline and their guest, Shaty Mills, daughter of Mr. and Mrs. Leland Mills, attended Fathers day weekend at the Howe Military school at Howe, Indiana, where Butch Casterline is a student. Included in the entertainment was a formal dance and competition on drilling and formation, for which

### School Play Rehearsals Go Well

Good progress, promising smooth performances, was reported this week by Miss Patricia Dorrian and Miss Florence Panatoni, directors of Northville high's all school play.

"My Sister Eileen," a hilarious comedy by Joseph A. Fields and Jerome Chodorov, will be presented November 15 and 16 by the Forensic club. The play, based on stories by Ruth McKenney, depicts the adventures of two young Ohio-born women who move into a Greenwich Village apartment when they travel to New York in search of their fortunes.

First performed in New York in 1940, the play starred Shirley Booth and Jo Ann Sayers in the lead roles.

Included in the Forensic club's double cast production, one cast for each performance, are Gary Adams, Rhonda Atchison, Edd Austin, John Beechower, David Chabot, Jeff Crawford and Connie Crump.

Also included are Jim Drew, Larry Forth, Kathy Gallagher, Holly Hines, Bill Kleinsorge, David Lane, Dieron Ornekian, Mike Lang, Terry LaRue, Holly Ruley, Mark Ross and Mary Severance.

Others in the casts are Susan Shafer, Chuck Soferis, Dale Sommers, Debby Stafford, Bill Taylor, Bob Turnbull and Gary Webb.

The Forensic club started play practice October 15.

Butch's company won top honors.

Mr. and Mrs. Jim Spagnuolo of East Main street and Mr. and Mrs. Louie Polno of North Center attended the wedding of their niece last weekend at Niagara Falls, New York.

Mr. and Mrs. Richard Juday and Mr. and Mrs. Herman Hartner, Jr., left for Nashville, Tennessee today where they will visit the Judays' son, Bill, at Vanderbilt university. Bill is a member of the Vanderbilt football team which plays Boston college Saturday. The couples will return to Northville Sunday.

Patricia and public high school senior and junior girls as well as graduates up to 23 years of age are cordially welcomed to make reservations for the 3-day retreat.

Accommodations for the participants will be provided in the Madonna College Angela Hall. To defray all expenses,

no later than November 19.

### Felician Sisters Plan Thanksgiving Retreat

Plans are being made for a ten-dollar payment will be requested.

Rev. Howard Ralenkotter, C.P., will be the retreat master.

The Felician Sisters motherhouse is located at 36800 Schoolcraft, between Farmington and Eckles roads, Livonia.

For reservations and applications contact Sister Mary Harold (by mail) 36800 Schoolcraft, Livonia or by phone) Ken. 3-1400 or GA. 73300.

Reservations are to be made

no later than November 19.

### Lady's League to Hear Mercy College President

The Lady's League of Our Lady of Victory church will hear Sister Mary Lucille Middleton, R.S.M., president of Mercy college, at its monthly meeting next Tuesday at the church social hall.

Sister Mary Lucille, claims that her greatest distinction is being a Sister of Mercy, daughter of the great-hearted, great-souled Irish Lady, Catherine McAuley, who dedicated her life and fortune to the poor, the sick, and the ignorant and founded the Order of Mercy.

In the field of education, she

has served as principal of Mt. Mercy Academy, Grand Rapids; Supervisor of Schools of the Detroit province of the Religious Sisters of Mercy. She was Dean at Mercy College from 1948 to 1952 when she became President and she has seen the college enrollment triple in that time. She is Secretary-General of the National Educational Conference of the Sisters of Mercy. She is the author of many articles in educational journals and speaks frequently to civic and educational groups.

Part of the international friendship theme was discussed by Exchange students from Finland, France, Laos, and Uruguay, students at Grosse Pointe high school: Pirjo Koskirtti, Dan Truxier, Jim Sanankone, and Rosary Borro, respectively.

John Hyde is the Red Cross teacher-sponsor in Northville high school.

Among auxiliary members who attended the tea afterwards were (l-r) Mrs. John McIlhargie, volunteer coordinator, Andrews, Mrs. Kemeth Eastland, Mrs. Mowry Arnold, Mrs. J. P. Malley, second vice president; Administrative Assistant George Ebling and Mrs. John Begle, president.

### Kitchen Diary

## They Like Her 'Blitz Torte'

Whenever Mrs. E. B. Cavell, 312 West Main street, is called upon to help provide refreshments for a particular club function, it's always her well-known "Blitz Torte" that her friends request.

It's an easy-to-prepare dessert that's particularly delicious. Another favorite of Mrs. Cavell is Lemon Angel Pie.

### BLITZ TORTE

4 eggs  
1/2 c. sugar

2 lbs. creamed butter  
dash salt  
1 c. flour  
1 tps. baking powder  
1 tps. vanilla  
one-third c. milk  
Separate eggs, beat yolks, add sugar, creamed butter and beat 3 minutes. Sift flour, baking powder, salt, together and add alternately with milk, beat. Spread in 2 medium size cake pans. Beat egg whites, add 1 c. sugar and vanilla. Spread on top and cover with sliced almonds, bake in slow oven 250 to 275 for 40 to 60 minutes. She says the baking is very important as it must be baked in a slow oven.

### FILLING

1 egg, 1/2 c. sugar, dash salt, 1 c. scalded milk, 1 tbs. flour, vanilla and nuts. Mrs. Cavell usually puts whipping cream around the outside of the cake.

### LEMON ANGEL PIE

4 egg whites, 1/4 tsp. cream tartar, 1 c. sugar.  
Beat egg whites until stiff, add cream of tartar, beat again, add sugar slowly and beat until stiff. Bake in a 10 inch pie plate, well buttered at 300 for 1 hour.

### FILLING

4 egg yolks, 1/4 c. sugar, 3 tbs. lemon juice and rind of one lemon, 1 pint whipping cream.  
Beat egg yolks slightly, add sugar, lemon juice and rind. Cook in a double boiler until thickened. While it is cooling spread 1/2 of the whipping cream over the cold meringue, next add the lemon filling, spread over the whipped cream and add the remaining whipped cream on top. Set in the refrigerator over night. This will serve six generous servings.

SPEAKER — Lee Smits, former news commentator for WXYZ and reporter for numerous daily newspapers, will tell "Tales of the Northwoods" to members of the Men's club of the First Presbyterian church of Northville next Thursday (Nov. 8). Smits cherishes his friendships with many old-time loggers in the Upper Peninsula gained when he worked in lumber camps and sailed the lakes. He now serves as special sales representative for Michigan Consolidated Gas company. Walter Course will introduce Smits. The dinner-meeting begins at 6:30 p.m.

## Bundle Up! It's Cold Catching Weather

Early fall is one of three periods each year when colds are prevalent and the other two are early January and late March and April. Most adults have three or more colds each year and little children have them more frequently than this.

According to the United States Public Health Service,

If you are wise, you will take every possible precaution to avoid a cold and if you do get one, take care of yourself during the first day or two.

FROM LITTLE ACORNS — Luann Godfrey, 12, offers a piece of bread to her pet rooster "Peppi", while neighbor children Glenn (far left), David and Sara Bowen watch the roosters jump. The children raised the roosters from little chicks they received as prizes last Easter at the junior chamber of commerce's East egg hunt. Luann, daughter of Dr. and Mrs. H. G. Godfrey, 385 Eaton drive, houses her rooster with those of the Bowen children, who live at 340 South Rogers street. They say that besides jumping for their dinners, the roosters sleep in backyard trees at night and spend the day in a pen.

A RARE ONE — Glen Smith (right) of 28500 Beck road, holds the albino raccoon he and Bob Cantrell of 46800 West Nine Mile road, caught while hunting near Howell last week. Cantrell holds a 'normal' coon to show the lack of coloration in the albino's markings. Novi taxidermist Herbert Guntz-viller estimates albino raccoons occur only once in each 3-400,000 births. The albino lacks normal dark markings of the nose, feet, tail, eyes and forehead.

## Winter Rec Program Begins This Saturday

Northville's winter recreation program will begin its activities this Saturday, recreation director Ken Conley announced this week.

He said the Saturday gym program at the community building will open its schedule with supervised play for youngsters aged seven through nine at 8:30 a.m.

From 9:45 to 10:15, an organized "fun-fitness" activity will be held for youngsters aged seven through 12. And until 11:45, supervised play will be offered the 10-12 age group.

Afternoon activities begin at one o'clock with supervised

sports, including basketball, for youngsters of junior high school ages.

From 2:15 to 2:45, both junior and senior high age groups will have a physical fitness type of program, and from 2:45 to 4:30 the gym will be used for adult activities, mainly basketball, Conley said.

Adult evening recreation get underway next Tuesday night with various activities for men and women from 7:30 to 9:30 at the community building.

Conley said he hopes to begin a co-ed volleyball program Tuesday night, as well as getting other sports and activities started.

Next Thursday night will be the first meeting and practice session of the men's basketball league. The practice will run from seven to 10 o'clock, with an organizational meeting at about nine o'clock.

Conley said anyone interested in playing should plan to attend at least the 9 p.m. meeting at the community building. He added that, if possible, teams will be organized that evening and league play will begin two weeks later.

### They'll Landscape Joseph Denton Park

The Northville Coordinating Council voted Thursday night to seek permission of the city council to landscape "Joe Denton Park".

The park is located at Fairbrook and Eaton drive.

Present at the meeting and the organizations represented were: President and Mrs. Herman Moehman, Councilwoman Beatrice Carlson, city council; Miss Mabel Cooley, VFW; Mrs. Wayne McBride, Garden Club; Mrs. Louise Cansfield, Methodist church; Earl Wineman, Retail Merchants association; Al Smith, Masonic Order; Jack Rutland, Democratic club; Mrs. Rodney Grover, WILPF; Mrs. Stanley Johnston, Our Lady of Victory; Miss Ruth Knapp, D.A.R.; and Mrs. Hurd Sutherland, Woman's Club.

Next regular meeting of the Coordinating Council is November 15 at the city hall.

### Rick Milne Tops Grid Quiz Fans

Richard Milne, 537 West Dunlap, a tenth grader at Northville high school topped all contestants in last week's football contest to win the \$15 first prize.

Milne missed three games. But considering that every contestant missed two games, due to the Kentucky-Georgia and Oregon-Washington ties, he only slipped up on one other prediction.

There were 11 contestants tied with four wrong for the \$10 second prize. But the winner was Prudence Hart, a 12-year-old eighth-grader and daughter of Mr. and Mrs. Fred Hart of Northville road. Her prediction of the Lions-Bears game score was the tie-breaker.

There's a story behind Prudence's entry.

She's a member of Donald Van Ingen's home room at junior high school. And the class decided that each member would enter and that if anyone of the members won the money would be used for a class party.

They're trying again this week for more money and a bigger party!

Other contestants who missed just four games included Francis Wilkinson, Mrs. Harry Larkin, Ruth Jerome, Jack L. Williams, Harold Schmidt, Par-a Daniels, Charles Orr, Richard McIsaac, Michael Robbins and Mrs. Al Jones.

### Fire Hits Novi Barn

Fire Saturday noon destroyed a barn and small shed in Novi.

Burned to the ground were the barn, containing about 700 bales of hay, and the adjacent shed on property at 24595 Wixom road, leased by Mrs. Jettie Hamilton.

Firemen report the blaze may have been started by a pumpkin in the basement of the barn. Fireman Robert Hanson, who received minor burns on his hands and face, was the only person injured.

## Hand Tools Worth \$100 Stolen from Novi Garage

Novi police are investigating the theft of over \$100 worth of hand tools from the garage of Mrs. Charles Walker, of 21101 Cambridge.

Charles Batt, of 421 Dubuque, manager of the Walker estate, told officers the theft occurred sometime over the weekend. He said the garage wasn't locked.

Included in the theft were a number of mechanic's tools as well as several carpenter's joists and the tool box.

In other activity over the weekend, Novi officers recovered two stolen automobiles.

Friday morning Patrolmen Roy Hallock and Ralph Aboor found a car that had been stolen in Detroit at the Beck road exit from the I-93 expressway.

And early last Thursday they discovered two teen-agers sleeping in a stolen car in the Meadowbrook Lake subdivision.

The officers said a 16-year-old youth and a 14-year-old girl, both from Detroit, told them they had taken the car from in front of a Livonia bar the night before.

The teen-agers said they had driven around this area all night before pulling into the undeveloped subdivision to sleep. The youngsters and the car were turned over to the state police.

# Mustangs Bomb Bulldogs

It was a cold, blustery night, certainly not the best kind of evening for a bare-shouldered homecoming queen and her court.

But homecoming it was, as well as dedication night for Northville's new football field. And no one was disappointed. For despite the cold, and last week's loss to West Bloomfield, the Mustangs sparked to a fine performance, putting on one of their best defensive shows of the year and springing loose an overwhelming offense which soundly blasted Brighton in a 33-0 rout.

Coach Ron Horwath beamed through the frost from his breath and praised the defensive squad.

"First time our whole line has rushed the passer," he pointed out. "That's helped our defensive backs snag those four interceptions. And it hurt Brighton's game."

Horwath had special praise for Tackle Mike Lang: "Best defensive game he's played this year."

He also gave recognition to

## Obituary

**EARL A. FOREMAN** St Paul's Lutheran church. Earl A. Foreman, 46065 Northville street, died October 30 at the St. Mary hospital after an illness of six months, at the age of 72. His wife, Ella, survives. Other survivors are a son, Theodore E., of Pontiac and a brother, Edward, of Plymouth. Mr. Foreman, a life-long resident of the Salem, Northville area, was born June 3, 1890 in Salem to Alfred and Jennie Bryant Foreman. He was a retired Ford Motor company employee and was a member of

**ALFRED B. SMITH** Funeral services were held Wednesday afternoon at the Ebert Funeral Home for Alfred B. Smith, 64, of Birmingham. Mr. Smith was well known in the Northville area as a trainer of horses at Northville Downs for the past 12 years. He died Sunday at St. Joseph Mercy hospital in Pontiac. Mr. Smith was born in Pinconning on February 27, 1898. In addition to his wife, Agnes, he is survived by four brothers, James of Detroit, Ray of California, and Robert and Frank of Windsor, Ontario; and five sisters, Mrs. Clara Bennett of Mitchell, Ontario, Mrs. Elizabeth McDiarmid of California, Mrs. Loretta Mattimore of Toledo, Mrs. Nellie Alfred of Roseville and Mrs. Pearl Dwyer of Tillsonburg, Ontario. Mr. Smith was a member of the Michigan Harness Horseman's Association. The Reverend Lloyd G. Brasore officiated at services. Burial was at Rural Hill cemetery.

**FRANK BONGIOVANNI** Frank Bongiovanni, 77 of 302 Yerkes street, died Tuesday evening, October 30, at the University Hospital in Ann Arbor. Husband of Mary, he was the father of 12 children. For time of service call Casterline Funeral Home, FI 9-0811. A complete obituary will appear in this newspaper next week.

### Bad Checks Mean Circuit Court Trial

Joseph A. Abate, 30, of Detroit, was bound over to circuit court this week for trial on a charge of uttering and publishing \$2,400 worth of bad checks. Northville Justice of the Peace Charles McDonald bound Abate over for trial after he waived examination on the charge. Abate was arrested by Northville police for issuing the bogus checks at Northville Downs this summer.

MOST OF THE CANDIDATES but few of the voters were on hand last Thursday evening when a political debate was held at the Community building between candidates from the 17th congressional, 18th senatorial and 21st legislative districts. All but Democratic Congresswoman Martha Griffiths was able to appear from the slate of candidates. Only 50 voters were there to hear what they had to say. Pictured 1. to r. are: GOP candidate for U.S. Congress, James O'Neil; Alex Lawrence of the Northville Recreation club; Paul Chandler, candidate for state representative; Mayor A. M. Allen, moderator; Democratic State Senator Raymond Dzendzel; Democratic State Representative Harvey J. Beadle; and Jack Ruland, chairman of the Northville Democratic club.

### Hines Drive Speed Limits Established

A definite speed limit has been established for the Edward N. Hines parkway, Northville police Chief Eugene King announced this week.

He said the parkway speed limit from Seven Mile road to Newburgh road in Livonia is now 40 miles per hour. From Newburgh road to Ford road (M-153), the speed limit is 45 mph.

The speed limits apply in the townships of Northville, Plymouth and Nankin, and in the cities of Livonia and Plymouth.

The chief pointed out that the parkway, popular highway with area residents who work in and near downtown Detroit, has been upstaged until the new speed limits were established. He said the new limits are now being enforced.

### Bags Doe With Arrow

Carl Johnson, Northville insurance and real estate agent, must believe in the old adage "if at first you don't succeed, etc."

Last Friday — after 10 years of disappointment — he finally downed a deer with bow and arrow.

Hunting with C. Harold Bloom and Dick Lyon of Northville, Johnson shot straight and true hitting a 130-lb. doe at 50 yards.

"I got her right in the heart. It was a lucky shot," Johnson modestly added.

The trio was hunting in the Hubbard lake area.

## LEADERSHIP

... is a quality requiring foresight, experience, judgment, lack of vacillation, and, above all, freedom from any suspicion that what is done is motivated by politics or any other consideration than devotion to duty.

Al Bentley, said in 1958: "We talk about the Monroe Doctrine, but what are we doing about Communist infiltration and colonization in Latin America?"

Al Bentley repeated this same position in 1960.

On September 18, 1962, Al Bentley wired the President to urge "a sea blockade around Cuba expressly to keep war materials from being shipped to Cuba."

His Democrat opponent branded Al Bentley as "foolhardy" and guilty of "shallow thinking."

Al Bentley's opponent maintained his same position almost to the hour when the President took firm action on the Cuban situation... the sea blockade Al Bentley advocated... with the statement that "the greatest danger of all would be to do nothing."

Leadership? Who showed leadership?

Al Bentley proved his leadership again. His opponent? You judge.

Michigan needs Al Bentley's leadership in Washington.

Michigan needs Al Bentley's experience as a Congressman and a member for 8 years of the House Foreign Affairs Committee.

# New Constitution Adds Property Tax Safeguards

**EDITOR'S NOTE:** This is No. 14 in a series about the proposed new Michigan Constitution. Additional articles will appear in subsequent weeks.

Owners of real and personal property are provided with new safeguards against exorbitant taxation in the proposed new Michigan constitution.

There was a general feeling among delegates to the convention that property, as a base for taxation in Michigan, is frequently overburdened. New measures were written into the state's proposed basic law to protect owners of real and personal property from excessive levies.

A major revision in the property tax structure is that which eliminates the present constitutional requirement of assessment at cash value. The new constitution specifies that the standard for assessment shall be set by the legislature and shall not exceed 50 per cent of cash value.

Recognizing that some jurisdictions currently assess some property in excess of this limit, effective date of the limitation is postponed by the new document until 1966.

A standard of value fixed by law gives the legislature freedom to change the standard to reflect changes in the general price structure. Current inequities have resulted, in many cases, from the inability of assessors with inadequate staffs, to keep up with changes in the dollar value of real property. Personal property assessments have tended to follow inflationary trends more rapidly.

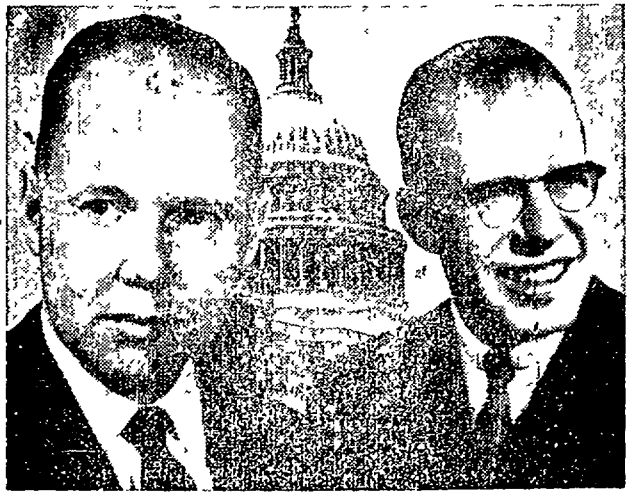

The 15-mill limit (\$15 per \$1,000 of valuation) remains effective in the new document and county tax allocation boards, set up by statute, would continue to be responsible for allocating the millage among school districts.

However, the new section would permit the legislature to authorize initiative procedure within a county which would allow a majority of the qualified electors to adopt a fixed division of the millage among the local units, so long as the total does not exceed 18 mills. This fixed division and limit voted by the electors would stand until such time as they change it in another vote.

This exception to the "5-mill a local option" matter which would never be effective without authorization of a majority of the electors in the county affected. The setting of a fixed division of millage would do away with the necessity for a county tax allocation board and areas where the annual tax come highly controversial affairs.

Still another new protection for property-owners in the proposed document is a provision which places limits on eligibility for voting on millage increase proposals. The new constitution specifies that such tax increases proposed for periods longer than five years may be authorized only by a majority vote of property owners and their spouses — those upon whom the burden of additional tax will directly fall.

## Vote for BOTH Congressmen O'NEIL AND BENTLEY

(Pd. Pol. Adv.)

Well, GEORGE ROMNEY,

what are you going to do about our STATE FINANCES?

The real question here is not alone one of money—but, mostly, one of serving people. Can a state government which is bankrupt, deeply in debt and poorly managed provide the right kind of services for the people of Michigan? Or can a state with a sound financial structure and which is well-managed provide better services? Under which kind of government will the people of Michigan benefit most?

Better schools. Better mental health facilities. Better employment services. Better social services. All of these services, to be better, must be supported by a sound, well-managed state financial program.

Will you give me a chance to PROVE what a new team in Lansing can do?

*George Romney*

Paid Pol. Adv.—Republican State Central Committee—George Van Peursem, Chairman

## OUT OF THE PAST

### ONE YEAR AGO

Nearly 200 residents of Northville took advantage of their opportunity to speak at the city council's public hearing Monday on a proposal to levy a 25 per cent assessment for the improvement of portions of five streets. No decision was reached, the council deciding to review a transcript of the hearing first.

The "Tiger Man" is coming to Northville next week. Sasha Siemel will narrate the Northville Rotary club's second lecture in its World Travel Series Tuesday night.

The Plymouth State Home and Training school will open its new 20-bed housing unit this weekend, but the facility will be immediately overcrowded. George Ebling, administrative assistant, explained that first patients in the building will be 320 youngsters from the Farmington unit, which is being closed.

Some 1,200 persons may now hunt legally in Novi, says Police Chief Lee BeGole. He explained that that's the number of hunting permits the police department has issued to Novi land owners. Hunters must borrow the permits from the land owners.

The Novi planning board Monday night set November 27 as the date for a public hearing on the proposed master thoroughfare plan for village streets and roads. The board also designated November 13 as the tentative date for a joint meeting with the council for discussion of the plan.

### FIVE YEARS AGO

Northville will salute its younger generation next week in the first International Youth Appreciation Week. The week-long tribute will be sponsored by the Northville Optimists as part of an Optimist International program in five countries.

Northville's residential and small business United Foundation drive has "gone over the top." Announcement of 116 per cent collections over the goal was made by Ed Welch at the Western Wayne county Regional report luncheon Tuesday.

A 12-year-old Korean boy whose name means "Gentle Child" is the adopted charge of the Intermediate Youth Fellowship of the First Methodist church Chung Soon Hoh, a sixth grader in Seoul, lost both parents in an epidemic last year and now lives in an orphanage, with the support of the youth fellowship.

A straw ballot of Novi's sympathies on the question of village incorporation will be conducted soon by a group opposing the incorporation move. Herbert Koester, chairman of the Novi Farmers and landowners protective association, said his group will use the results of the vote to decide whether to continue its opposition.

The Novi Torch Drive was lagging far behind its goal this week. According to Mrs. Jack Morris, chairman of the residential drive, only \$1,522 — or 51 per cent of the \$2,962 goal — had been collected by the middle of the week.

Ten candidates will compete for nine charter commission posts in Wixom's city election November 26. If voters approve incorporation into a city,

the nine who receive the most votes will comprise the charter commission.

### FIFTEEN YEARS AGO

A protective health program, aimed at eliminating the possibilities of an outbreak, has been set up for the Northville village schools. Local doctors, school health officials and the Wayne County Health Department will combine forces on three different dates at the schools to protect children against diphtheria, whooping cough and tetanus.

An unusual accident at her soon-to-be-completed home this week injured Mrs. Clyde Ferguson before she even had a chance to move in. Inspecting construction work, Mrs. Ferguson and her three-year-old daughter fell from a second story window. She suffered numerous bruises and several broken ribs, while the daughter was only shaken up.

The Northville Dramatic club, new project sponsored by the recreation committee, held its first meeting last night. Robert G. Yerkes, director of the club, said meetings would be Tuesday evenings at the Methodist church.

The "Old Northville Spring" has something new — a three-way spout providing two drinking spouts and a larger downspout for filling bottles. The spring is also undergoing a clean-up under the auspices of the Rotary Club.

The George Clark hardware is announcing free prizes for the largest buck brought down by hunters residing within a 14-mile radius of Northville.

First prize is a rifle, while second place will receive a camp stove.

A Northville organization was one of three to benefit by a division of funds from the recently dissolved Novi Rod and Gun Club. The local VFW post received a third of the \$333 in the Novi club's treasury.

### TWENTY-FIVE YEARS AGO

A cool reception met three representatives of the United Automobile Workers who appeared in Northville Tuesday afternoon to pass out copies of the union newspaper. Local Fordmen scorned the trio, and the union representatives left soon after arriving.

Sarah Stanbro, organist of the Salem church for the past 75 years, died Friday at the South Lyon home of a son. The 89-year-old organist had been ill for only a brief time before her death.

Goblins from this area won't have to worry about the trick played on them by the calendar this year. Activities for Halloween have been slated a day early, on Saturday.

Looking for bargains? Try the A & P, which is observing its 78th birthday with such items as. Pancake Flour, a 5 lb. bag for 19 cents, Fresh Soda Crackers, 15 cents for a 2-lb package; a 25-lb bag of Sugar for \$1.39.

How about this for excitement: The Penniman-Allen Theatre is featuring Don Ameche and Loretta Young in a dangerous Spanish setting with "Love Under Fire." Next week is a double-feature program of "The Outcasts of Poker Flat" with Preston Foster, who will also appear in "You Can't Beat Love."

# CHANGE TO CHANDLER

## FOR STATE REPRESENTATIVE

## Four Compelling Reasons To Change!

### NO. 1. INCOME TAX —

Your present "State Representative" didn't have the courage even to vote when the Legislature was trying to override the Income Tax which Detroit has invoked on Suburbanites. YOUR representative "abstained," even though THOUSANDS OF RESIDENTS IN HIS DISTRICT ARE WOUNDED BY THE UNFAIR INCOME TAX! (He "abstained" on direct orders from the Detroit party leaders who control him.) Nobody will control Paul Chandler's vote and he'll always stand up to be counted.

### NO. 2. ABSENTEEISM —

Whatever your political leanings, would you keep an EMPLOYEE ON YOUR PAYROLL WHO MISSES WORK 26 PERCENT OF THE TIME? The incumbent was absent for 183 ROLL CALLS and was absent from the House for 26 FULL DAYS of the 1962 legislative session!

### NO. 3. STRONG VOICE FOR SUBURBS —

Not one of the vital metropolitan suburbs has a real voice in Lansing today. All are "represented" by Detroit-controlled party puppets such as the incumbent from this district. So inactive has he been, most local voters DON'T EVEN KNOW THE NAME of their State Representative. Paul Chandler will give the Suburbs a STRONG VOICE in Lansing.

### NO. 4. TAX ASSESSMENTS —

Despite the incredible mess of the Property Assessment System in our suburbs, the result of ancient state laws, NOT A SINGLE PROPOSAL HAS COME IN FOUR YEARS from our "representative" which would modernize or clean up the assessing process!

**PAUL M. CHANDLER**

## VOTE FOR CHANDLER

**REPUBLICAN**  
STATE REPRESENTATIVE

**NOVEMBER 6**

- the man who will give our suburban area a strong voice and Real Representation in Lansing.
- the man known throughout Michigan for his Courage and Independence as a newspaper publisher and editor.
- the man trained in government and politics, since college, through practical experience and education.

## HIS PLATFORM

- Solve Michigan's financial problems by a tax plan based on actual ability to pay. Reduce sales, personal property, punitive, "nuisance" taxes and all other taxes which injure the business climate.
- Have a tough, searching inquiry by the State Public Service commission into the rates being charged in the new suburbs by utility and telephone companies.
- Find a new "state aid" formula for schools which provides special help for exploding population areas, during their most difficult growth years.
- Provide substantial property tax exemptions for retired persons.
- Support the new Constitution, and support George Romney in his drive to revitalize State government.

## HIS BACKGROUND

- ★ Editor and Publisher, community newspapers reaching 130,000 readers.
- ★ Graduate, University of Michigan, BA in Political Science.
- ★ U.S. Navy Officer, Bronze Star award.
- ★ 42 Years Old, Resident of Livonia, Formerly of Plymouth.
- ★ Pioneer in successful Community College project.
- ★ Former writer, The Detroit News. Former vice-president, Michigan Racing Association.
- ★ President of his own business; knows business problems and business-like approach to government and management.

## A Message To The Voters Of Northville Township:

THIS IS WHY WE ARE  
ASKING YOU TO VOTE  
ON THE QUESTION OF  
LIQUOR BY THE GLASS.

Earlier this year we submitted petitions to the clerk of Northville Township asking that the following proposal be placed on the November 6 ballot:

"Shall the sale of spirits in addition to beer and wine be permitted for consumption on the premises within the township of Northville under the provisions of the law governing the same?"

Our reason for this action is simply this:

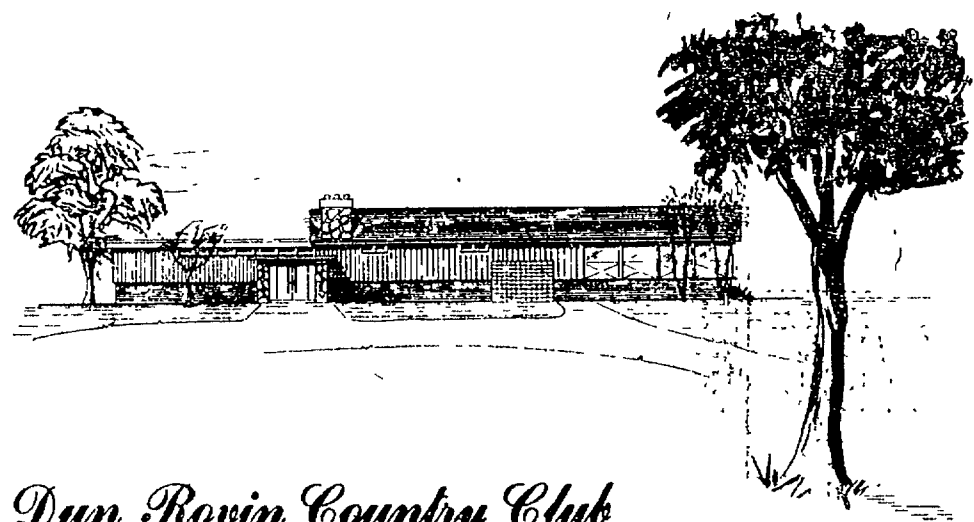

We wish to build a new clubhouse on our Dun Rovin golf course for public use. We do not believe that it is economically feasible to do so without the sale of mixed drinks.

It is our opinion that such a facility can be a credit to our community and, hopefully, we believe it will be used by area groups for special functions.

When you vote on this proposal, we hope that you will consider the fact that the area surrounding us enjoys the privilege of the sale of liquor. Further, we pledge ourselves to conduct our business in a manner befitting the standards of our fine area.

We hope that you will support this proposal and vote YES.

The temperature was at the freezing level, but the enthusiasm whipped up by crowning a queen, dedicating a new field and winning the game made Friday night's homecoming event a rousing success.

Brighton was the victim of Northville's big evening, 33-0.

The celebrating started early — with many of the fans enjoying heaping portions of pancakes and ham at the annual Presbyterian Men's club pancake supper.

At seven o'clock the band began festivities by marching through town and to the athletic field (see picture below).

Halftime ceremonies began with dedication of the field. Taking part in the program were: (l. to r. in picture) School Board President William Crump; Student Council President Frank Steinberger; Garry Davis, sophomore class president; Freshman President Bill Davis; Duna Penn, senior, class president; and Junior Class President Dave Cummings.

Then there was the crowning of the queen, lovely Karen Peterson. She's shown in the top picture receiving a bouquet from the team captains, Tom Swiss, Jim Juday and Craig Bell. The boys didn't miss the opportunity to express further acknowledgement. They kissed each of the beauty queens — several times!

Queen Karen and her court are pictured below just after they arrived in front of the home stands. Pictured (l. to r.) are: Seniors Brenda Curn and Elta Rutan, runners-up to the queen; Karen and freshman, sophomore and junior class representatives Betty Peterson, Marsha Lane and Christine Moase.

READERS SPEAK:

Why No Doctor At Games?

To the Editor:  
Near the end of last Friday's football game, a Brighton player was injured. He was attended by the coaches and trainers of both teams. When it became apparent that the injury was more serious than could be handled by these men, several calls were made on the P.A. system for a doctor. There was no response. The boy was covered with blankets, placed on a stretcher, bundled into a car, and taken to the doctor's office.

Why was there no doctor at the game? Suppose the boy had sustained injuries for which he should not have been moved, lest he be injured further. Whose responsibility would this be?

It is my understanding that the coaching staff of our high school has tried for several years to have a team doctor appointed, to be on the field at home or away, but thus far have been rebuffed in their efforts. Is it possible that the people responsible for making such appointments do not consider the health and safety of a boy important enough for consideration? Or is the monetary situation so bad that a competent medical man cannot be afforded? What is the reason?

With all the injuries to football players, despite top grade pads, helmets, etc., I believe our team should have a team doctor, to be on the field at ALL games. What do you and other interested people say?

David Hay  
46141 Sunset

EDITOR'S NOTE: Monday night the school board's committee on athletics authorized athletic Director Al Jones to assure the presence of a doctor at all home games by providing necessary funds for the service.

Demo Likes GOP Hopeful

Beverly E. Pool, a candidate on the Democratic ticket in the August primary, today endorsed Republican Paul Chandler for state representative in the 21st district.

Pool, unsuccessful in winning the primary nomination, is a resident of Livonia. So is Chandler, who is running against incumbent Democrat Harvey Beadle of Redford Township on November 6.

"Paul Chandler is an independent thinker like myself," said Pool. "No political machine will boss him."

Dr. Charles H. Stevens

### Area Baptists To Hear N.C. Minister

Dr. Charles H. Stevens, outstanding preacher and college president will minister in a week of special services at the First Baptist churches of Northville and Novi, November 5-9. Dr. Stevens, pastor of Salem Baptist church, Winston-Salem, North Carolina, and founder-president of Piedmont Bible college in the same city is a nationally recognized conference speaker and especially noted for his prophetic preaching.

A native of North Carolina, Dr. Stevens graduated from Wake Forest college, and the Southern Baptist Theological Seminary of Louisville, Kentucky. He has been preaching for fifty-one years, and has served pastorates in Kentucky, Alabama, and North Carolina. He has been pastor of the Salem Baptist church for 31 years. This church has a present membership of more than 1600.

In addition to his preaching he edits a monthly paper called DAYBREAK, and is the author of a widely spread series of studies under the caption, 'Bible Truths Dispensationally Arranged'.

The services Monday, Wednesday and Friday nights (Nov. 5, 7, 9) will be held at the First Baptist Church of Northville, where Rev. Robert Spradling is the pastor, and on Tuesday and Thursday nights (Nov. 6, 8) the services will move to the First Baptist Church of Novi, where Rev. Arnold Cook is the pastor.

On Thursday and Friday nights Dr. Stevens will be joined by Dr. Lehman Strauss, pastor of Detroit's Highland Park Baptist church. Dr. Strauss is another nationally recognized preacher, scholar and author.

The services each evening at 7:15 are open to the general public.

### In Wixom

Mrs. Charles Wore MA 4-1601

Mr. and Mrs. Ervin Bohs and Mrs. Elmer Zech of Toledo were Sunday dinner guests of the Jack Chambers.

Mr. C. Arnold of Charns road died Saturday afternoon. He is survived by three children.

Wixom is very fortunate in having so many good citizens in the area. The men have worked very hard assembling wings, merry-go-rounds, teeter totters and basketball equipment.

The recreation committee has realized a hockey rink and a skating rink for the younger children. As things look at present Wixom will have a very active recreation program.

Mr. Lutz of the chamber of commerce donated a shelter for the hockey rink.

The knitting club met at the home of Mrs. Robert Vollmer last week. There were ten members present. This week the club will meet at the home of Mrs. Larry Savage.

Mrs. William Craggs returned home from St. Joseph hospital, Pontiac where she underwent surgery recently.

Mrs. Paul Farley is home after spending several months in the hospital following an automobile accident enroute to the World's Fair.

Mrs. Jack Plautz is home from California where she suffered an accident.

Mrs. Bessie Goodale of Northville, mother of Mrs. Lloyd Craft, is in St. Mary's hospital, Livonia.

**POODLES PERFORM** — Officer Edison Storing showed children of Our Lady of Victory school how they should look both ways before crossing the street through the performance of his Poodles, "Mr. Dart" and "Cookie". The Detroit police officer entertained at Amerman and Main street schools as well as Our Lady of Victory. The program was presented by Manufacturers National Bank as part of its safety campaign.

## For Children

# Dog Act Exhibits Rules of Safety

Two talented French Poodles, "Mr. Dart" and "Cookie," performed their ways into the hearts of Northville's elementary school children last week. Accompanied by their trainer, Edison Storing of the Detroit Police Department, the dogs exhibited their skills in shows at three of the city's schools: Amerman elementary, Main street elementary and Our Lady of Victory school.

Presented by Manufacturers National Bank, the program was part of the current safety campaign in Northville which had been inaugurated at the opening of the bank's new Drive-In Office by Mayor A. M. Allen's proclamation declaring Safe Driving Month in Northville. The dogs demonstrated the proper way to cross the street — "stop and look both ways and around corners" — and illustrated other safety rules with clever balancing and hoop-jumping routines.

Mr. Storing's act results from lengthy, methodical training sessions at the Safety Girls Kennels in Detroit. Invariably, it has been a delight to the thousands of children who have witnessed it and has also been a popular feature on the Ed Sullivan TV Show.

In conjunction with the safety

campaign A. R. Clarke, vice president of Manufacturers National Bank, announced that a "Safety Boy of the Month" would be selected from the Northville schools' safety patrol by forces.

The honored youngster will be given a pen and pencil set. At the end of the year a trophy will be presented to the boy acclaimed "Safety Patrol Boy of the Year."

Clarke, Chief Eugene King and William Sliger will serve on a committee to select the boys.

## Marks Safety Record

Approximately 250 employees of Consumers Power Company were recently treated to an old-fashioned "pancake" breakfast in celebration of their accumulation of one million consecutive man-hours without a lost-time accident. The meal was prepared and served by the supervisors at the Company's Service Center on Farmington road in Livonia.

The employees of the firm have not had a lost-time injury since November 22, 1960, and are presently working toward the two million man-hour mark.

# Area Candidates Meet in Livonia

Northville area voters are invited to attend a candidates' meeting sponsored jointly by the League of Women Voters of Livonia and Detroit. It will take place on Friday, at 8 p.m. in the auditorium of Whitman Junior High School, 30326 West Chicago, Livonia.

The candidates appearing on the evening's program will be: Neil Staebler, Alvin Bentley and Ralph Muncy running for 19th Congressional District at large; Martha Griffiths and James O'Neil for 17th Congressional district; Patrick McNally and Raymond Dzendzel for 18th State Senatorial District; for 21st State Representative

district — Harvey Beadle and Paul Chandler; for 10th State Representative district — Maurice Barbour, Joseph Gillis, Joseph Kowalski and Anthony Licata; and for 12th State Representative district — William Harrington, Josephine Hunsinger, Leonard Walton and Earle Stevens.

The League has prepared several questions which have been submitted to the participants. Each candidate will have equal time to make his statement and will be given an opportunity to answer questions from the floor. Mrs. Myron Singer, Voter's Service Chairman, Livonia League of Women Voters and Mrs. Everett Straus, President, Detroit League of Women Voters, will moderate the meeting.

The candidates' meeting is a part of the League's program of non-partisan service to the community. The League never endorses any candidate for office. It is interested only in promoting active citizen interest in government. The local league is just one of many leagues all over the country which sponsors candidates meetings. They all follow the same general pattern and adhere to a strict code of non-partisanship and fairness.

The League urges everyone to attend the candidates meeting, November 2nd. This will be an excellent opportunity for the voter to help himself cast an informed ballot on November 6.

## Northville Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, October 1, 1962, 8:00 p.m. at the City Hall.

Present: Allen, Ambler, Canterbury, Carlson and Juday. Absent: None.

The minutes of the previous regular meeting and the Special Meeting of September 27 were approved.

Moved by Ambler, supported by Juday that bills in the following amounts be paid:

General \$9422.37

Water 1271.99

Ayes: Allen, Ambler, Canterbury, Carlson and Juday. Nays: None. Carried.

Communications:

A letter from Triend Homes regarding re-subdividing of lots No. 72-76 was read. This necessitates the vacation of the utility easement on the side of lots No. 73 and 74. This was referred to the city manager and the city engineer for a report at the next meeting.

A letter from Mr. and Mrs. James Green, 126 E. Cady street regarding property on S. Center street (Lot 215, Plat No. 3) which was refused rezoning for an R-3 classification. This letter was referred to the Planning Commission and the City Manager, as to the disposition of the request.

Bids for Rock Salt: Bids for 350 tons of Rock Salt (as advertised in the Northville Record) were opened:

International Salt Co. — \$8 per ton delivered (32 T. minimum); 5.40 per ton F.O.B. Detroit.

Morton Salt Co. — \$8.00 per ton delivered (32 T. minimum); Diamond Crystal Co. — \$8.00 per ton delivered (32 T. minimum); 5.40 per ton F.O.B. Detroit.

The City manager is to check trucking rates for salt and make a report at the next council meeting.

Certifying Names of Delegates to the Michigan Municipal Employees' Retirement System Annual Meeting:

The city manager reported that the result of the employees' election was Herman Hartner as a Delegate and Eugene King as an Alternate.

Moved by Ambler, supported by Carlson that the delegates to the Annual Meeting be designated as Bruce K. Potthoff and Herman Hartner and Philip Ogilvie and Eugene King as alternate delegates.

Ayes: Ambler, Canterbury, Carlson, Juday and Allen. Nays: None. Carried.

Street Lighting on North Center Street:

The city manager reported on the recommendations of the Detroit Edison Co. regarding the lighting of North Center street in the vicinity of the Eight-Mile cut-off. Council recommended that the city manager proceed with installation of one light and the changing of one light at this intersection.

Ayes: Canterbury, Carlson, Juday, Allen and Ambler.

LET'S TALK CARS...

## THE PROGRESS OF SEAT BELTS

If you are considering buying a new 1963 car you would be well advised to spend the few extra dollars required for a quality seat belt.

Belts are growing rapidly in popularity and are now installed in 69 per cent of all cars on the road, though a good percentage of drivers fail to use them consistently.

Nothing makes a seat belt believer faster than being in an accident without one (providing you survive, that is). Medical authorities state flatly that better than one third of fatal injuries would be avoided if the victims had been wearing belts.

One group of drivers who always fasten their belts before driving anywhere are the test engineers in charge of safety tests for the major car makers. Watching the results of a crash against a concrete barrier at 30 MPH with dummies in the cars is apparently quite a convincer for anyone inclined to consider a belt too much trouble.

New cars come pre-punched for seat installation now and the job of fitting your car with belts to match the upholstery is a fast and simple one.

It is important to wear seat belts on shopping trips and other short drives, as well as longer trips. Three out of four traffic fatalities occur within 25 miles of home and more than one half of all injury-producing accidents take place in urban areas.

Learn to use this safety device now before you become convinced the hard way.

Business Outlook Hopeful

Babson Park, Mass., With the upcoming congressional elections sparking political discussions throughout the nation, one of the parties has been stressing the bad points in the business situation. One charge hurled against the "ins" is that our economy is going sour, and that Christmas trade will be disappointing this year.

This Kennedy Administration denies. Frankly, I think such pessimistic predictions are wrong. I think this is going to be a good Christmas for quite a number of reasons. For one thing, pessimistic news — both national and international — should make people more anxious to spend money for permanent things rather than for speculation. The stock market action of the "recreation stocks" illustrates this point.

Hopeful Business Barometers

The Gross National Product of the U.S. for the first three quarters of 1962 shows a gain of 7% over the same period a year ago. While this is not a very spectacular advance for a period of economic recovery, I expect to see some further moderate rise between now and the end of the year. This should stimulate retail trade to some extent.

I anticipate at least a normal seasonal rise in employment and some decline in unemployment totals between now and December 31st. There will undoubtedly be further small gains in the factory work week, resulting in at least a mild expansion of overtime wages to supplement regular salaries and other income for many families.

A bright spot, too, is personal income, now topping a year ago by somewhat more than 5%. Between now and year's end I look for continued increases in personal income, probably widening the favorable margin over year-earlier figures. In spite of a heavy tax burden and other large fixed payments, disposable income will also keep on rising at least through the rest of this year.

Buying Starts Cycle  
There is a lot more to Christmas Holiday buying than is immediately evident. When you make a purchase, for example, you start a business cycle in miniature. You not only give pleasure to the one receiving the gift, but you also help the

retailer, providing him with the money to conduct his important distribution operations.

Keep in mind that you not only give the retailer his percentage of profit, but you also help to send along their small cuts to many other worthy people. These include the retail clerks, the landlord, advertisers, and others either directly or indirectly involved. This means more people employed all along the line, and hence more wage earners to keep the cycle in healthy motion.

It is my feeling that spending psychology will remain good at least until early 1963. At the end of December you will see my detailed "Forecast for 1963" in these pages, in which I will analyze and project major business trends, including whatever changes of atmosphere may show up between now and then.

It is particularly important to note that the stock market declines of 1962 have actually had no serious effect on retail sales, even though the business community generally has perhaps become hesitant and cautious since the Cuban upset.

Dr. Mudd Replies

My Husband Is No Help at Home

Dear Dr. Mudd:

I need some help. I guess my troubles started a long time ago I didn't even know it was starting. I have been married six years and have three children all under the age of five.

About a year ago, right after the birth of the last one, I began to feel dragged out and tired. The doctor examined me and found I had anemia which he treated. The blood condition is normal, but I still feel so tired. Half the time I don't feel like I'm really living. I've lost interest in doing my work around the house and I'm so irritable with my kids I don't know how they can stand it.

My husband is no help. He figures when he is done with his job for the day, that from then on he's through. Don't get the wrong idea. He's a wonderful man and I love him but he isn't the type who is helpful around the house.

If I ask him to do something, he'll do it, but it never occurs to him to see that something needs doing and then do it. He cuts the grass, for example, but I always have to ask him to do it. I have a friend who got some psychic energizers from her doctor and she gave me some of them. They really help pep me up, but when they wear off I'm worse off than I was before.

I think I need a vacation, but we just can't afford one and besides it's no vacation for me with the kids along. My mother lives near us but she works and can't take care of them for me.

How do I get rid of this tired out feeling? What causes it? Is there something I can take to give me the energy I need?

G.A.

Any woman who has the full time care of three small children under the age of five is understandably tired and worn out a good portion of the time.

Unfortunately, few men have any conception of the intensity of attention that must be devoted to one's children and many of them have the attitude you describe in your husband.

It is very understandable, I think, that your husband feels the way he does and I should think you are fortunate in the fact he does not protest when you ask him to do something around the house. I rather doubt you are in need of a psychiatrist. Perhaps there is more to your difficulties than you write about, but on the face of it you stand more in need of greater portion of the burdens of parenthood than a physician's help.

Your husband doesn't sound like a very imaginative fellow (L. Gilhoie, Whitmore Lake Rd.) and maybe you will have to "arrange matters" so that he arrives at a desired conclusion all by himself. It would be advisable for you to pass up the temptation of taking those "energizers". Medication is for people who are sick and well people shouldn't seek out crutches when they really aren't required.

Your experience with feeling worse after the effect of medication has worn off emphasizes this fact most convincingly. They have a rebound, or after-effect that actually makes you

Bridge to Link Michigan and Canada

TWO MILESTONES in bridge construction will be marked almost simultaneously this year.

A new International Bridge at Sault Ste. Marie, linking Michigan and Ontario, will be opened at the end of this month. The following day marks the fifth anniversary of

the opening of the Mackinac Bridge across the Straits.

The new bridge across the St. Mary's River near the Soo Locks is expected to increase the flow of traffic between Michigan and Ontario.

THE INTERNATIONAL span will eliminate the fleet ferry boat service which has served the twin cities in the two countries since the late 1800's. It cost \$20 million in construction.

The predicted increase in traffic flow created by the new bridge was based on records of the Mackinac Bridge. During its first five years, nearly 63 million vehicles have been recorded crossing the straits.

In a similar period, the last five years in which ferries operated on the Straits, about 43 million vehicles used the ferry service.

MICHIGAN is now conducting two "nationwide searches" for outstanding men to head two governmental functions.

When Don Weeks resigned as head of the Economic Development Department last year, Gov. John B. Swainson announced a widespread search would be conducted to find the "best man in the country" to head the department.

This man has not yet been found, although officials said part of the tieup on selecting a department head was linked to the hesitancy of the Legislature to set a salary which would attract the right person. Department is under orders to launch a nationwide search "for a top-flight authority to head a broad, new recreation program for Michigan."

The title to be given the new department official would

be Deputy Director. The position was proposed as a means of implementing a recent recreation program formulated in a study by Louis F. Twardzik, assistant professor in the Michigan State University Department of Resource Development.

The same hitch lies in this new position, however, as is in the search for an Economic Development director. The Civil Service Commission must first approve creation of the deputy director's post.

The the Legislature must be convinced to include funds in the Conservation Department budget to cover the salaries of the deputy director and his proposed staff.

SCHOOL DISTRICTS are making effective studies forward to meet the increasing demand for facilities, according to Superintendent of Public Instruction Lynn M. Bartlett.

Bartlett said classroom construction in the state during the first three months of the current fiscal year showed a 42 per cent increase over the same period of 1961.

Department records showed that construction of 1,131 classrooms was approved during July, August and September this year as compared with 727 for the same months last year.

"THE SIZEABLE increase of the past three months can be attributed at least partially to Michigan's new school bond loan program," Bartlett said. The program removed limitations on bond ceilings and "greatly improved financial means for new construction," he said.

The state superintendent said the trend would have to continue climbing if Michigan is to meet its school needs. "We need 2,400 new classrooms this year if only the minimal requirements of increased enrollment are to be met," he said.

Estimates are that Michigan will require 20,000 new classrooms during the next five years, Bartlett said.
