

News Around Northville

Eighteen members of Northville's First Presbyterian church spent two days this week—Tuesday and Wednesday—at Alma college. They were attending Michigan's Presbyterian synodical or annual church meeting.

Former Northville residents, the Charles Strautz's of Stanton were visiting Mrs. Strautz's parents, Mr. and Mrs. A. W. Litsenberger of 572 Randolph this past week. Mr. Strautz was formerly manager of the Northville office of Manufacturer's National bank.

The three Merwin girls—Vicki, Mimi and Jacki—went

with their mother, Mrs. George Merwin, to Battle Creek on Saturday to attend the Johnny Appleseed society, C.A.R., installation of officers.

They were guests of Mrs. Edgar Ayers and son Fred at a luncheon at the country club with swimming after the meeting.

Mrs. Merwin was also hostess to a senior state officer board meeting in her home this past week. Luncheon was served to twelve guests, coming from Battle Creek, Lansing, Marshall, Plymouth and Saginaw.

It'll be a brief respite from studying for Samuel Chizmar son of the William Chizmar on Maxwell He's home from the U of M, where he's a music major embarking on his junior, but only until the summer session begins. Then, he'll be returning to his studies.

Mrs. William Richards began her summer travels last weekend. She left the Northville home of her daughter, Mrs. William Chizmar, for a brief stay at her son's home in Clarkston.

From there, she'll be proceeding to her Bay View cottage where she'll remain most of these warm days.

Ladies in the Presbyterian church's Circle 5 gathered Tuesday for their annual picnic at the Chubb road home of the Eddy Eareharts.

Mrs. Fred Carter, determined "not to get left behind," is dashing around town these days setting up preliminary plans for the fall visit of the Michigan Button society.

Mrs. Carter did, however, take time out last weekend to

travel to Mackinac bridge with her husband and guest, Mrs. Etta Rutlan of Toledo, Ohio.

Home in Rose City for the summer is one of the Northville school system's librarians, Miss Ada Fritz. She'll be living with her mother, Mrs. Joseph Fritz, in the family farm home.

Miss Sharon McKarns who graduated last weekend from Michigan State university with a B.A. in elementary education, will be teaching fifth grade next fall in Wausau, Wisconsin.

Her parents, Mr. and Mrs. Donald McKarns of West Six Mile road and her sister, Lauren, attended her graduation ceremonies at State last weekend.

Miss McKarns' fiance, Dennis Lohrey, also graduated last weekend from MSU with a B.S. in mathematics marketing management.

In Michigan for the Arndt-Cowie nuptials were Mrs. Robert A. Niemi, her son, Bill, and his friend, Miss Martha Hobart.

The Niemis, former Northville residents now living in Long Meadow, Massachusetts, and Miss Hobart have been the houseguests of the groom's parents, Mr. and Mrs. James Cove of 845 Horton, for the past two weeks.

Leanna Callis, six-year-old granddaughter of the R. W. Doekens of Orchard drive, arrived from Alexandria, Virginia, Sunday at Willow Run airport. Ypsilanti Leanna will be spending a month with her grandparents.

Crockett - Ritter Nuptials Spoken

Catherine Lynn Crockett became the bride of Richard Quinton Ritter, Jr. Saturday afternoon in the First Presbyterian church, Birmingham, in a double ring ceremony.

Dr. W. Glen Harris performed the marriage ceremony before 300 guests.

Parents of the bride are Mr. and Mrs. Clarence Vail Crockett of Bloomfield Hills; the groom, Mr. and Mrs. Richard Quinton Ritter of Novi.

Singing the Lord's Prayer during the ceremony was Amasa Tiffany.

For her walk down the aisle escorted by her father, the bride chose a gown of peau de soie with a modified cathedral train. Inserts of re-embroidered alencon lace graced the bodice and belled skirt with romance blue ribbons nesting beneath the lace and ending in small bow knots.

The bride wore a bouffant veil of illusion held in place by a tiera of seed pearl flowers. Her flowers were gathered in a cascade with ivy and included white roses, lilies of the valley and an accent of blue delphinium.

Standing with the bride as honor attendant was Miss Elizabeth Kieffer of Hillsborough.

California, formerly of Bloomfield Hills. Best man was W. Thomas Ritter of Novi, brother of the groom.

Also attending the bride were Miss Hiroko Oba of Detroit; Miss Susan Emmel of Indianapolis, Indiana, cousin of the bride, and Miss Judith Ritter of Novi, sister of the groom.

Ushers were Thomas Darling of Novi; Peter J. Stank of Wyandotte; David Crockett of Bloomfield Hills, brother of the bride, and Wayne Ritter of Novi, brother of the groom.

The bridesmaids and maid of honor were attired in romance blue peau de soie gowns with belled skirts. Their gowns featured an overdress of matching chiffon with floating back panels. The quartet carried delphiniums in shades of blue to violet, accented with yellow sweetheart roses and variegated ivy. They wore clusters of the flowers in their hair.

For her daughter's wedding, Mrs. Crockett selected a light blue peau de soie sheath with bead trim and matching accessories. Her Eucharist lily corsage was pinned to her purse.

Mrs. Ritter chose a pale yellow gown with a lace bodice for the wedding. She wore white accessories and a corsage of Eucharist lilies.

Following the ceremony, a wedding reception was held in the church, assisting at the reception were Miss Bonnie Glass of Bloomfield Hills, Mrs. Arthur F. Gróscop of Farmington, Miss Melinda Harrison of Battle Creek, Miss Blinor Hogsten of Birmingham, Miss Thomas Horn of Detroit, Mrs. Guy Jensen of Birmingham and Miss Priscilla Shafer of Bay Village, Ohio.

For her wedding trip to northern Michigan, the new Mrs. Ritter chose a white, silk dress with gold accessories.

After the trip, the couple will reside in Birmingham. The bride is a graduate of the Art School, Detroit Society of Arts and Crafts. Mr. Ritter, a graduate of Northville high school, attended Detroit Society of Arts and Crafts and is now an advertising illustrator with Al Hutts associates, Detroit.

Out-of-town guests attending the wedding and reception included Mrs. William M. Dickey and Mrs. D. D. Guyer of Chicago, Illinois; William Frey of Indianapolis, Indiana; Mr. and Mrs. James R. Ton Harrison and the Misses Melinda Ann and Jané of Battle Creek; Dr. and Mrs. M. M. Loveland of Morro Bay, California; Mrs. Frank C. Lynch and Miss Estelle Lynch of Warsaw, Indiana; Miss Vera Pisarski of Gary, Indiana; Mr. and Mrs. Richard Showers of Shelbyville, Indiana, and Mr. and Mrs. C. William Shafer and Miss Priscilla Shafer of Bay Village, Ohio.

OLD FRIENDS MEET — The home of Mr. and Mrs. Wilbur Johnston of Orchard drive was the scene of this gathering last Saturday afternoon. They represent former commanders and presidents of the Lloyd H. Green American Legion post and auxiliary from the World War I era. CASH FROM TOWN HALL — Two Northville area organizations profited from the successful 1962-63 Town Hall Series season last week with cash donations. Herman Moehlman, representing the Town Hall board, is shown presenting \$100 to Mrs. C. H. Bloom (left), president of Kings Daughters, and \$600 to Mrs. Crispin Hammond, president of the Northwestern Child Guidance clinic. About half of the \$2,500 realized by the lecture series was donated to Our Lady of Victory church, while other donations went to the Child Neurological Development program, the Science and Arts Camp, both of Farmington, the Plymouth Symphony, the Plymouth Women's club to be presented to Lochrio, the first unit of Girl's Town, and the West Wayne County Parent's Association for Retarded Children of Livonia.

Seek Accomodations For Foreign Pupils

The Northville Rotary club is looking for one-night homes for some 160 foreign exchange students who will attend the annual "farewell dinner" on July 17.

The dinner program is sponsored annually by Rotary and marks the last night in this country for students from throughout the state.

Students leave here by bus on the morning of the 18th. They stay overnight in local homes, where they are given breakfast and, if possible, a box lunch for aboard the bus.

Residents willing to accommodate one or more youngsters for the evening of the 17th are asked to contact Richard Lyon, FI 9-1262 or Philip Ogilvie, FI 9-2600.

ECHO VALLEYITES — That's the almost brand-new-to-Novu James Bishop family. Pictured in front of their home at 24120 Lynwood are (left to right) Lisa, Brian, Mary Beth, Beverly and Chris, who is holding the cat, "Jeffrine".

A business transfer brought a "music loving family" from Kentucky to Echo Valley.

The James Bishop family likes all types of music. "But mainly, we're interested in semi-classical and good jazz," Mrs. Bishop said. "All the children love music."

That includes 10 year-old Chris, Brian, 7, and Mary Beth, 8, all of whom attend Our Lady of Victory school, and even Beverly, 4, and Lisa Ann, who is five.

Mr. Bishop joins the family in these musical gambols when he's not on the road. A graduate of Spring Garden Insti-

tute, Philadelphia, he's a sales engineer for the Hunter Spring Company, a division of AMETEK.

He also builds model airplanes, and of course, he travels a good deal.

In fact, both Mr. and Mrs. Bishop come from distant places. She's a native of Menasha, Wisconsin, and he, from Landsdale, Pennsylvania.

"We're both from small towns," Mrs. Bishop noted, "so its little wonder that we're enchanted with Novi and this settlement."

They're well on their way to making Novi their home. They

are members of the Echo Valley Civic association and Our Lady of Victory church.

But the family won't be roaming far from their home at 24120 Lynwood. "We like to relax in this setting," admitted Mrs. Bishop, "and just enjoy ourselves together."

Even the cat, Jeffrine, likes to stay close to home, play with the children and stand by while the others listen to music.

Club Notes

AAUW

Two area residents left this week to attend the national convention of the American Association of University Women in Denver, Colorado.

They are Mrs. A. D. Postma of Northville, first vice president and program chairman of the association's Plymouth-Northville branch, and Mrs. Richard Fritz of Plymouth, branch president.

This is the first time the local branch has been able to send delegates to a national convention. The convention, which began yesterday and will end tomorrow, is particularly important because proposed structure and program changes which would affect all local branches will be voted upon.

Principal convention speakers are John D. Rockefeller III and Congresswoman Edith Green.

O.E.S.

Mothers' Club Sets Fall Bridge Contest

Looking for a bridge game? If so, the Mothers club will be able to help you out, come September.

Several mothers, led by Mrs. William Whay, are now busily planning a marathon bridge with one game scheduled a month and cash prizes for the winners.

Rules allow each player to pick his own partner; in fact, you're allowed to set up a group of 10 playing couples. Or, if you'd rather, you can submit your name to the club and let marathon officials place you.

Places for the marathon may be reserved from now through August by calling Mrs. Wiley or her committee which includes Mrs. Gordon Forrer, Mrs. William Sliger and Mrs. Harold Wright.

Faced with the sweet tooth of five grandchildren and a husband on a medical diet, Mrs. Gordon Deming said she needs "quick" recipes.

Finally, she says, I've found two that satisfy the children, keep my husband on his fat-free diet and delight my guests.

Her recipes:

DELICIOUS SALAD

- 1 cup pineapple tidbits
- 1 cup diced pears or fruit cocktail
- 1 cup mandarin oranges
- 1 pkg. miniature marshmallows

Drain all fruit well, mix together with one cup sour cream, chill in refrigerator three hours before serving.

PINEAPPLE CAKE

- 1 box pineapple cake mix
- 4 eggs
- 1/2 cup salad oil
- 1 cup water

Mix well and add one box pineapple pudding. Frost with whipped cream mixed with crushed pineapple. For less calories, dream whip works as well.

Spartan Backstop

East Lansing — Northville's Wade Deal earned his second Michigan State baseball letter this spring. Deal, a junior, was the No. 2 Spartan backstop, playing behind veteran George Azar. He appeared in 15 games this season and batted at a .219 clip with 7 hits in 32 times at bat. Deal has been understudy to Azar for two seasons and with graduation leaving the catching position open he is expected to move into it next year. Deal graduated from Northville high school in 1960. He is the son of Mr. and Mrs. Dayton Deal of 20116 Springwood, and is enrolled in MSU'S University College.

Good Rules To Teach Your Child

Do you know a child between one and five years old? These are the most critical years for children's accidents.

Consider this safety check recommended by the Michigan State University Cooperative Extension Service:

1. Teach your child to use car safety belts. Never allow a child to stand on the front seat of a car along side the driver.
2. Teach your child how to cross the street, but don't expect a child under three to know enough to stay out of the street.
3. Have someone watch to see that a child does not dart behind your car while you are backing from a driveway.
4. Keep matches and hot liquids beyond the child's ever-growing reach. Turn pan handles toward the back and center of the range.
5. Never let a young child play, unsupervised, in wading pools or even in filled bathtubs.
6. Never let a child play with a plastic bag.
7. Keep all poisons on very high shelves or in a locked cabinet. Common household poisons are aspirin, iron pills, ammonia, insecticides, turpentine, laundry bleaches, furniture polish and cosmetics, including perfume, nail polish remover and hair lotions.

Local Boy Awarded Evans Scholarship

A 1963 graduate of Northville high school was awarded a four-year Chick Evans college scholarship this week by the Golf Association of Michigan, announced George H. Webb of Detroit, chairman of the caddie scholarship committee.

Gary Grysiwicz, 17, of 131 Ely drive, who will attend Michigan State university this fall, was one of 27 winners in Michigan. He is the son of Mr. and Mrs. Ted Grysiwicz.

Value of the scholarship, which is renewable each of the four years, is valued at excess of \$2,500. Grysiwicz qualified for the Scholarship by caddying more than two years at a G.A.M. member club, the Farmington Country club, and graduated in the upper 25 per cent of his class.

The nation-wide Evans program is supported by more than 45,000 golfers, including 10,000 in Michigan. It was initiated in 1930 by Chick Evans, veteran amateur golf star.

Peachadon Heads Field In \$5,000 Pace at Downs

Peachadon, the newest darling of Michigan harness racing fans since his spectacular 1:59.1 clocking in a winning effort at Hazel Park, will have the limelight for the second straight week in Saturday's (June 22) \$5,000 Invitational Exchange pace at Northville Downs.

The fast-moving son of Queen's Adios became the first Michiganbred ever to crack the 2:00 time on a Michigan track with that victory.

Racing Secretary Harry Peterson has some stiff competition lined up for Peachie, arranging for the best pacers at Scioto Downs and Northfield Downs in Ohio and Batavia Downs in New York.

(In addition to Reachadon the Michigan delegation will include such standouts as Cliff Abbe, Honest Choice, Livonia Boy and Price Woolen.

Post time for the first race is 8:15 p.m. nightly at the Downs, 15 minutes earlier than the traditional 8:30 p.m. start of the past 19 years.

SMOOTHIE — Downs Executive Manager John Carlo makes sure his harness track is in top shape by personally taking over the controls of the tractor. The track was resurfaced with new clay this year. Carlo often spends hours on the tractor dragging a screen and smoothing out the surface.

Clark Insurance Agency-Aetna Insurance Co., \$321.32.

Carrington Agency - Fidelity & Casualty Co. of New York \$426.12.

Young moved, supported by Lawrence, that the policy be placed with C. Harold Bloom inasmuch as the insurance coverage was good and their bid the lowest. Motion carried.

Supervisor Merriam brought under discussion the Hayes and Allen proposal of buying 200 taps at \$400 each in the Middle Rouge Interceptor from the township, this money to then be used by the township to build the Seven Mile sewer main, the capacity of which would serve a potential 780 residences.

After much discussion by Trustee Robinson, Tyler and Treasurer Lawrence, all of whom are not in favor of this offer, Supervisor Merriam suggested to Mr. Allen that he have a meeting with Mr. Hayes and try to come up with a better proposal for the board's consideration, advising that he would call a special meeting of the board as soon as they had something definite to offer.

3. Consideration of purchase of a Utility Truck to be used by the Dog Warden in his work and for future use by the Water and Sewer department, was taken up.

Two bids were submitted, Chevrolet 1/2 ton pickup, 6 cyl., 140 H.P. equipped \$1,568.22; Ford 1/2 ton pickup, 6 cyl., equipped \$1,447.

Trustee Tyler and Robinson were of the opinion it was quite an expensive piece of equipment to buy for part

time use. Robinson moved, supported by Tyler that he be appointed a committee of one to investigate some other way of picking up stray dogs. Motion carried.

4. Consideration of Social Security.

Supervisor Merriam asked the board to pass on a resolution authorizing the clerk to enter into an agreement with the Old Age and Survivors' Insurance System to cover Margaret H. Tegge ONLY, with Social Security, explaining that it would cost the township government 3% or approximately \$145 per year.

Trustee Tyler moved, supported by Robinson, that the Northville Township Board pass a resolution authorizing the clerk to enter into an agreement with Old Age & Survivors' Insurance, thereby covering Margaret H. Tegge, full time employee with Social Security. Motion carried.

5. Supervisor Merriam informed the board that he had contacted George Bingham of the Wayne County DPW regarding purchase of an additional 1 c.f.s. in the Middle Rouge Interceptor and had been advised that there was a possibility that the township might purchase this for \$30,000 and while the county would like cash, there was a possibility that it might be carried over a six year period which would cost approximately \$5,000 per year. Merriam was of the opinion the township could afford this by watching their budget carefully. He was asking for authorization from the board to continue negotiating with the Wayne County DPW.

Robinson moved that Supervisor Merriam be authorized to negotiate a contractual proposal for additional c.f.s.

Trustee Tyler asked to add to the motion, moving that Supervisor Merriam be authorized to obtain a contract from the Wayne County DPW if they are prepared to give us a contract for 1 c.f.s. of capacity in the Middle Rouge Interceptor. Young supported the motion. Motion carried.

6. Mr. Mosher presented the board members with copies of a proposed schedule for connections to buildings other than individual homes. He suggested that the board consider adopting this schedule along with the Table of "units" for sewage service charges to customers having private or unmetered water supply.

7. Supervisor Merriam reported to the board on the status of the proposed water main installation in the Five Mile-Bradner road area, stating that three copies of the property descriptions with attached petitions had been taken by the citizens to be signed and when they were returned, proper action would be taken.

Robinson moved, supported by Lawrence, that the meeting be adjourned. Meeting adjourned at 10:06 p.m.

The city of Northville objected and Northville township assented this week to the proposed entrance of Novi into the Middle Rouge Interceptor sewer system.

Construction of a 12-unit apartment building on a 2 1/2-acre site west of Northville Laboratories on Fairbrook is scheduled to begin next month; pending final zoning approval by the city council.

Some six thousand housewives had to switch to candlelight Monday night when electrical power was cut off in Northville and Northville township for almost 40 minutes.

Novi school district voters will go to the polls next Thursday in an attempt to reverse two previous defeats of a millage hike requested in the past year.

Novi will probably know by next week whether the city of Detroit is ready to sell water to this area, village Administrative Assistant Harold Ackley told the council Monday.

Novi village council President Joseph Crupi will be on Detroit television this Sunday to discuss various aspects of the village.

Mr. and Mrs. Bernard Kitson of Wixom will celebrate their golden wedding anniversary Sunday with an open house at the First Baptist church of Wixom.

Saturday's strike by the drivers and loaders of the Kroger company sharply reduced Northville's grocery shopping facilities this week.

Over 200 representatives to the Detroit Presbytery met in Northville Tuesday in their first meeting since the merger last May of the two large Presbyterian bodies.

Postal rates on some types of mail will be going up approximately one cent within a few months, Northville Postmaster Leland Smith reports.

Work is progressing on the schedule for Northville's \$500,000 conversion from manual to dial telephone service, according to John Kamago, Michigan Bell Telephone manager here.

Carol Spewock, 16, of Dearborn won the Miss Novi AMVET title last Friday night over 14 other contestants in the annual beauty contest at the Walled Lake Casino.

SPEAKING for The Record

By BILL SLIGER

There's an excellent example of labor-management cooperation at Northville's Foundry Flask & Equipment Corporation plant on Cady street.

As most residents know, the plant recently announced an expansion of facilities that will cost some \$185,000. Arrangements for the loan were made by the Northville Area Development Corporation through the Small Business Administration.

The largest hurdle for the infant economic development corporation to scale in its first venture is the raising of its share of the loan — \$27,500.

This is being done under the direction of Nelson C. Schrader by selling 15-year debentures at a rate of six per cent interest.

And among the first customers to start buying the debentures were the plant employees.

Arrangements were made by Schrader, union officials of the plant and management to initiate a pay-roll deduction plan.

Employees immediately subscribed for \$6,700 worth — giving the sale a big boost on its way to the \$20,000 total it has now reached.

Schrader hopes that the remaining \$7,500 will be sold to area residents interested in boosting the economy of the community. As soon as the last \$50 debenture is sold, construction will get underway. But SBA regulations stipulate that the non-profit community development group must have its money before the loan can be completed.

And incidentally, if you're interested in helping and have a few loose dollars that could be earning six per cent, call A. R. Clarke at Manufacturers National Bank; Bruce Potthoff at the city hall, or Schrader at Schrader's Home Furnishings.

One evening earlier this year a patron at Northville's P & A Theatre felt a tap on his shoulder. He had just entered and his eyes were not yet accustomed to the darkness.

"Would you mind if we didn't run the second showing of the feature?" a voice asked.

By then it was obvious to the patron that he was all alone in the theatre and was being addressed by the manager.

The point of this sad, but true story is that the theatre business in Northville is far from booming.

And last week Owner Ed Hohler flatly stated that the P & A is operating on a week-to-week basis. How long it will continue to remain open depends upon the public.

Now if I were to start writing columns to save shaky business enterprises, I might find myself tied to this typewriter.

But like many people, I'd hate to see Northville lose its theatre. And I'm sure Hohler would much prefer to continue the operation if only it would occasionally slip into the black.

He has shown a willingness to cooperate with the promoters of the Town Hall series and the recent "free movies" sponsored by local businessmen.

Perhaps others have ideas on how we might better patronize our local theatre. If so, write Hohler in care of the theatre. Or write a letter to the editor.

Mental Health Change Set

The state Mental Health Department will have a new look soon. New laws permit this improvement.

Department Director Charles Wagg announced some time ago he hoped to step down from his post and assume lesser duties within the government unit. He strongly recommended to the Governor that a psychiatrist be hired to replace him.

An act approved by the Legislature and Governor would implement this recommendation.

The new law requires that the director of the mental health program be a physician trained in psychiatry. Another change in the mental health picture will come about as a result of a provision in the act which makes the department director responsible directly to the Governor.

Previously the director of the department served at the pleasure of a five-member commission appointed by the will also be abolished under the new act and replaced with a 12-member mental health council.

Backers of the new law felt the council-director-governor changes would provide a relationship which would result in great benefit to the cause of mental health.

Spokesmen for the Michigan Society for Mental Health said it would eliminate the possibility that political strategy would replace concern for the mentally ill which might occur when the commission was dominated by one party and the Governor was in the opposite party.

A number of long-time Democratic Party members have been voicing criticism of the party leadership recently.

The costly and futile recount of nearly 2,000 precincts in the April vote on the new Constitution was ill-advised, they say. The only thing it proved to these dissident party members was that the par-

ty can come up with money when it needs it. A concentrated drive raised the \$5 per precinct needed to ask for the recount.

Because only 400 votes were cut from the Constitution approval margin, however, the criticism grew after the new tally because of the even larger expense to the state.

Another area of dissent among party members arose with the hue and cry issued from Democratic headquarters and Congressional members to be affected by the Republican-proposed redistricting plan approved by the Legislature.

Party Chairman Zoltan A. Ferency started the criticism in Lansing to rouse Democratic legislators against the measure in the last days of the 1963 regular session.

It was not long, however, before lack of support among top Democrats, some of whom might lose their seats or have comfortable margins cut back, made it clear that a fight on this issue would not be wise.

The general dissatisfaction voiced by a few Democrats in reaction to the row by party leaders over the reapportionment was summed up well by one legislator. "If we had a majority here (in the Legislature) and held the Governor's office, we would have done exactly the same thing to them (the Republicans)," he said.

Echoes of a successful 10th annual Michigan Week are still reverberating in many communities, but plans are al-
