

New Shoppers' Lot Opening

The city's newest parking lot was receiving finishing touches this week preparatory to full scale use. Entrance and exit to the 34-car lot will be permitted from both Main street (foreground) and the parking alley in the rear. But no left hand turns will be permitted either in or out of the lot. Signs will be erected to direct motorists. Parking is free but limited to two hours. That's the new E-Jay Lumber Mart building shown in the background.

Jan's Homebound

Life's Not as Easy For Swedish Teen

Today, Northville high school's foreign exchange student for the past year will be leaving for his Swedish home, taking with him "a much deeper understanding of people."

Eighteen-year-old Jan Svensson will return to his native Hoor via Montreal, traveling with other foreign exchange students who participated in this year's Youth for Understanding program.

While in Northville, Jan's foster parents were Mr. and Mrs. Muri Lamb of 20005 Westview drive. His foster brother and sister: Ernie, 18, and Allison, 9.

The city he'll be returning to is remarkably like Northville, Jan reports. "It's in a valley surrounded by mountains. Surrounding the city are rest homes, homes for alcoholics, homes for the mentally ill."

How does a teenager's life in Hoor differ from that of a teenager in Northville? First, says the young Swedish lad, the American teenager has "more liberty."

"He's allowed to drive at 16 after some six or eight hours of driving practice and the purchase of a license that costs less than \$5."

"In Hoor, you're not allowed to drive until you're 18. The usual procedure is to attend a driving school where you receive anywhere from four to 25 or 30 hours training in a car — as much as the teacher deems necessary — in addition to book work."

"Then, when the teacher says you're ready, you can apply for a license with the \$60 for such a license usually coming out of your pocket, not that of your father."

It's possible to learn to drive under parental supervision instead of at a state-sponsored school, Jan said. "But you must still be tested at one of the driving schools before applying for a license."

Second biggest difference between teenagers in Hoor and Northville is the amount of

time left over from studies for social life, Jan observed. "Much more time is spent in socializing in the United States."

"Our Swedish school system is much harder. If I had finished my senior year in Hoor instead of in Northville, I would have taken 16 subjects."

"There's no such thing as the so-called easy subject in Sweden. There, the authorities pick the subjects you'll take each year."

Jan, like most other Swedish youth, already has to his credit four years of English, three years of German and one of French.

Come fall, when he enters Lund university, Lund, he still will have no choice as to the subjects he takes. To make the grade at Lund, comparable to a three-year junior college in the United States, he'll be taking 13 academic subjects. Among them: biology, physiology, chemistry, mathematics, French, German, Swedish, English.

The other facets of teenage life in Northville that Jan said he has found hard to understand were "the early smoking," "the beer parties in the parks."

"So many girls become mothers here in the United States," he remarked. "That would never happen in a Swedish high school."

"It's funny, but you have to know a girl half your life in my country before you can even begin to work up your courage enough to ask her out."

What would Jan like to take home to Sweden with him?

"I'd like to pack an American family in my baggage and take them to Hoor to live. Then, our people could see the wonderful relations between an American family, the love between the children and their parents."

"It's only by knowing an American family that the hid-

eous misimpressions I had about Americans have been erased."

"Before I came here, I watched the old movies, Dr. Kildare, Flintstone and Donald Duck on the one Swedish television channel which operates 3 hours each night."

"All I knew about this country and its people came from those programs. The result? I supposed every American was a loud mouthed, cigar smoking Texan."

Jan explained that his fellow Swedes would be amazed as he was to see how easily most Americans express their feelings. "The love between a Swedish family is more locked up inside the family, inside the house."

"If we're sad or happy, you can hardly tell the difference," he noted, adding with a laugh, "It might be the Swedish climate."

What would Jan will his new-found friends in the United States?

"There's really not too much to send to the U.S.A. from Sweden since everything we build, you build."

"The one thing I wish you might have, however, is government medical care."

"In my short stay in Northville, I've heard of instances where whole American families have been broken up from an economic standpoint because of doctor bills."

"In Sweden, medical care doesn't cost us a penny. It's all run by the government."

"Complaining? As long as our people are well, sure there's complaining; but soon as someone's ill, it stops quite abruptly."

It's true, Jan admitted, that such extensive government medical care does put Swedish taxes quite high. He explained that the government even imposes luxury taxes on such articles as soap and ice cream.

"But I wouldn't change it for the world."

What has being in America a year meant to Jan?

"It's made me more mature. It's strange, but this year has changed my physical looks so that you can hardly recognize me from my passport picture."

"More important, it's taught me a much deeper understanding of people, an appreciation of the American way of life and a bevy of new friends."

Jan, like other youth participating in the Youth for Understanding program, won't be allowed to return to this country for at least two years. After that time expires and he finishes his studies at Lund, he says he hopes to return to medical school at the University of Michigan.

Along with more than 200 other exchange students from throughout the state Jan attended the Rotary club's farewell dinner at the Wayne County Training School last night (Wednesday). Buses for the port of debarkation in Montreal were scheduled to leave by early afternoon today.

Some 208 feet long by 82 feet in width, the plant will be occupied by the Anger firm in early September.

Presently located on Telegraph road in Southfield, Anger Manufacturing was founded in 1941. Its principle business is the manufacture of stampings for the automotive industry.

President of the family firm is Russell Anger. His son, John, is vice president, while his daughter, Mrs. Lois Anger Calcaterra, is secretary-treasurer.

Anger said the move to Northville was necessary to gain more space and better handling facilities. He noted that ample area is available in the new location for possible future expansion.

In addition to stampings,

the building, a \$140,000 project, is being constructed by Beniecke and Krue, developers of nearby Village Green subdivision and original owners of the plant site.

Anger Manufacturing has recently developed an infant's toilet training seat and baby bath unit which will soon be distributed nationally. Anger said the new product has gained the attention of buyers in the field and could lead to a heavy production item for Anger.

The firm will employ 25-30 persons, Anger said.

Construction of a new industrial building for Anger Manufacturing began this week in Northville.

The stamping plant will be located on a 3.7 acre site on old Novi road just south of the Eight Mile road cut-off. Specifically, the site is at the "dead end" of Novi road, now blocked by the new overpass.

Call Assessment Hearing

OK Orchard Drive Improvement Plan

The city council Monday night plunged back into the rough waters of special assessment, but found smooth sailing at the beginning.

It could be the lull before the storm, however.

Anticipating that residents of the area involved might have some questions to ask at the initial public hearing scheduled for August 26, the council decided to hold the meeting in the community building.

Specifically involved is a storm sewer to serve the Orchard drive area. It will extend from the intersection of Orchard and Thayer south to Fairbrook with lateral collectors serving Spring, Scott and Grandview. The sewer will run east on Fairbrook to Ea-

ton drive then south across Fairbrook to the Johnson drain.

Total cost of the project is estimated at \$36,071.

In his report to the council City Manager Bruce Potthoff explained that the 25 per cent assessment would be levied on a basis of acreage benefited. In street improvements, assessments are generally levied by front footage, but for drainage projects, the acreage system is commonly used, Potthoff noted.

The storm sewer assessment on Orchard drive is planned for completion this year so that curbs and gutters and paving may be completed next year. The latter improvement would call for another special assessment.

The Northville council, introduced its 25 per cent assessment procedure last year. It raised some protests from property owners on Center and Walnut streets where the plan was initiated, but won majority approval.

Assessments also had council opposition — from Councilwoman Beatrice Carlson and ex-Councilman Richard Juday. But Monday night Mrs. Carlson voted affirmatively.

Manager Potthoff explained that some 31.29 acres will benefit from the new drain sewer. Of this, 9.15 acres are outside the city in the township. This area cannot come under assessment so will be paid from general funds. Approximately seven acres of the area is public property — streets, easements, etc. The remaining 15.8 acres is divided between some 50 property owners.

The total assessment to be levied against the property owners equals about \$4,000 — with the average assessment per parcel between \$50 and \$80. The assessment may be paid over a five year period.

Per acre cost of the project (dividing the total estimated cost of \$36,071 by the total area of 31.29 acres) is \$1,152.80. On the basis of a 25 per cent assessment the property owner will be charged at the rate of \$288.20 per acre for the storm sewer improvement.

In Monday night's meeting the council paved the way for proceeding with the project by adopting a resolution requesting the city manager's report (which was already on hand), approving the report (with some changes) and setting the date for the first public hearing.

A second hearing on the specific assessment roll must follow.

In proceeding with the Orchard drive project the council decided against levying assessments against property owners on Orchard drive between Main and Thayer where property is already served by a storm sewer. This area will be served by the new sewer, too, however.

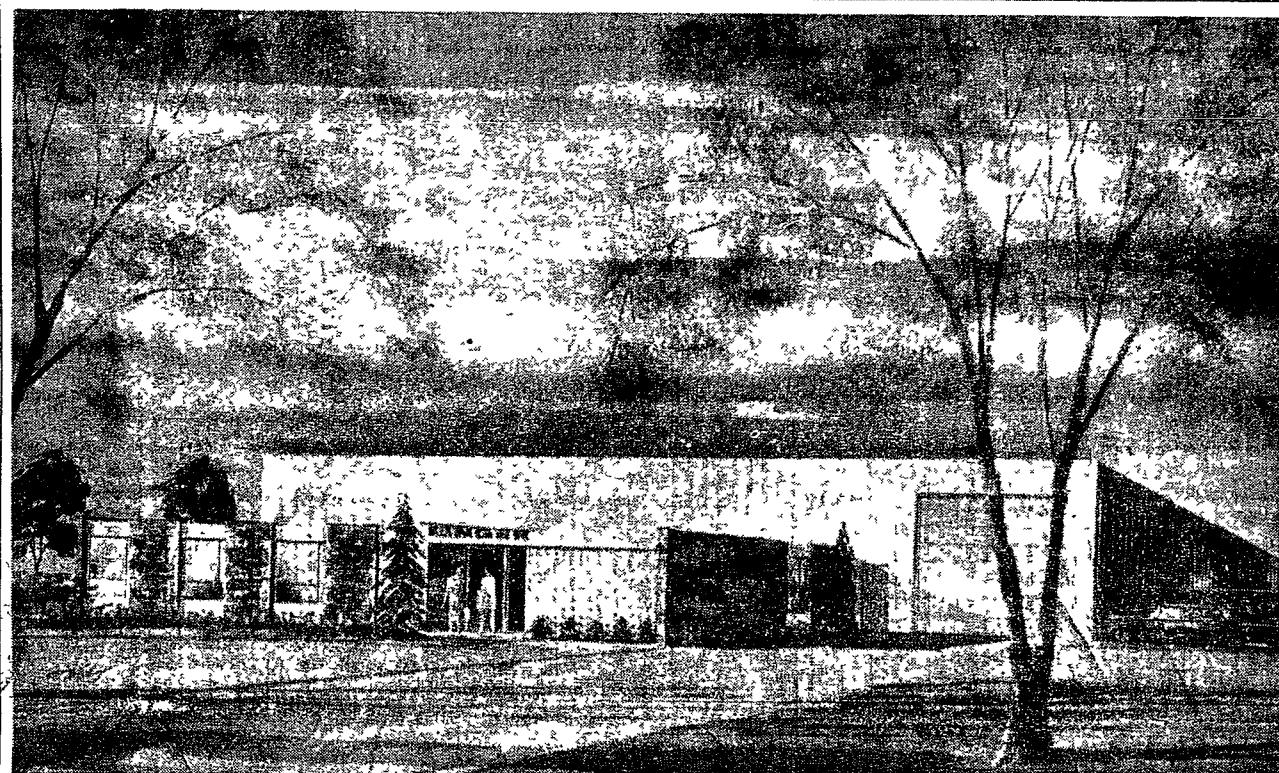

Some question remains as to whether or not property on Grandview which will benefit from the new sewer will come under the assessment. The area is now served by a drain which has been termed "a temporary, stop-gap line." If it is decided that the new line is necessary to serve the area, those benefitting property owners will be assessed.

Turtles Rained Out

Whoever heard of rain-shy turtles?

Well, the Tuesday drizzle was enough to discourage the Recreation department's annual turtle race.

The prize-packed event has been rescheduled for tomorrow morning (Friday) at 9:45 at Ford Field.

Artist's rendering of Novi road Anger Manufacturing plant set for September opening.

Policy Issues, Police Department To Come Under Council Study

Several nagging problems reared their heads Monday night to plague the city council.

Despite long discussion that saw adjournment run past the mid-night hour, most of the answers were left to be determined.

Sticklers on the council agenda were:

— a request by the developers of an industrial plant for city participation in extension of water and sewer lines to serve the plant;

— policy regarding maintenance of water lines extending outside the city to a limited number of township customers;

— two recommendations from the planning commission concerning creation of a parking zone classification and a 25-foot side yard set-back requirement abutting streets in residential zones.

Mayor A. M. Allen also revealed his concern over the police department by appointing a council study committee to review problems arising from complaints and reported unrest within the department.

The mayor named Councilmen John Canterbury and Fred Kester to work with City Manager Bruce Potthoff on the police matter. He noted that the department had been under some public criticism.

The mayor also directed the committee to determine personnel needs. Presently, the city is seeking a replacement for former Patrolman Peter Pletsch. It was also revealed that Patrolman Huston Butler has submitted his resignation effective the end of the month.

The sewer and water line question arose as the result of a request by Beniecke and Krue, builders of the new Anger Manufacturing plant on old Novi road, for the city to share the cost of extending service to the site.

Total cost is estimated at \$8,455.

In the July 1 meeting the council had indicated interest in participation. But aside from a desire to encourage local industry, the council could find no basis for justifying such an expenditure in its Monday night discussion.

In previous dealings with Beniecke and Krue, developers of Village Green, the city has operated under a contract which calls for 50-50 participation in installation of improvements on streets bordering the new development.

In normal instances of extending sewers in so-called "old" parts of the city, the project is handled by special assessment. In new subdivision areas, however, the cost is borne 100 per cent by the developer.

Finally, Councilman Canterbury proposed that the city attorney study the contract with the developer to determine the city's position. It was decided that the city would participate in the cost only if there were contractual obligations or it could be determined that other properties benefit from the new sewer and water facility.

The city manager then informed the council that water

lines running from city mains to township customers were badly in need of repair. The city serves a limited number of such customers and has a policy opposing any expansion of outside service.

At the suggestion of Councilman Richard Ambler it was decided that the city should repair the lines to maintain present service, but that the city attorney should draft a policy statement for distribution to township users that maintenance cost in the future must be the responsibility of the user. It was noted that the city has no authority to maintain township lines and cannot charge for service.

In final business the council decided to return the requests for new zoning to the planning commission. The council asked for clarification and definition of several points in the proposals.

Aaron Gellerman

New Brader Owner Assumes Operation

Aaron Gellerman took over one of Northville's oldest retail businesses and only department store this week.

He is the new owner of the S. L. Brader department store, 141 East Main.

A native Detroit, Gellerman is also owner of The Blue Bird department store on Plymouth road in Detroit.

Married and the father of three children — Roberta, 14, Kenneth, 11, and Terry Sue, 9 — he has been an active retailer for 15 years.

Gellerman served in the army engineers during World War II for 4½ years.

He's happy to be in Northville "where everything seems more relaxed."

Gellerman purchased the business from Harry Himmelsieib and Robert

Lillian G. Wright and Roger E. Brooks of Northville were wed June 22 before an altar adorned with yellow and white mums and candles in the Bethlehem Lutheran church, Newberry.

Reverend Evert E. Torkko performed the 6:30 p.m. ceremony.

Mrs. Undo Immonen, organist, accompanied Mrs. Norman Cochrane of Kent City, soloist. The bride was given in marriage

by her uncle, Edward L. Munson. She wore a floor-length gown of embroidered silk organza with a fitted bodice, boat neckline and elbow-length sleeves. The modified bell skirt was styled with a detachable chapel-length train. A circlet of orange blossoms and pearls was secured to her silk illusion veil and she carried white gardenias.

Marilyn Schmick of Grand Rapids was the maid of honor. She wore a floor-length gown of aqua nylon organza styled with a scoop neckline and an organza bow and rose at the back waistline. Her headpiece

of matching bows had a shoulder-length veil. She carried white gardenias.

Also carrying white gardenias were the bridesmaids, Carol Tracy of Detroit, cousin of the bride, and Mrs. Dewey Lyke of South Lyon, sister of the groom. They wore gowns and headpieces identical to the maid of honor's.

Best man was Jack Van Tassel. Members of the wedding party were Gary Teske of Grand Rapids, Dewey Lyke of South Lyon, Richard Baker of Detroit and Richard Atchison of Northville.

The bride's mother wore a pink lace sheath dress with matching accessories. Her corsage was white gardenias.

The groom's mother, who wore a beige sheath dress with blue embroidery and accessories, carried a corsage of white gardenias.

A reception was held at McMillan Township hall with 200 guests attending. Donelle Leiphart served the cake while Mrs. Robert Gorsuch and Mrs. David McInnis poured at the reception table. Suzanne Stokes attended the guest book and Dawn Wilson and Mary Lou LeBurn of Muskegon were at the gift table.

The new Mrs. Brooks chose a pink cotton dress and a white mohair sweater for the wedding trip to Niagara Falls and Montreal. She had accessories of white and her corsage was of gardenias.

The couple will reside at B104 Cornell Courts, Ypsilanti, where Mr. Brooks is a senior at Eastern Michigan university.

Son of Mr. and Mrs. Kermit R. Brooks of Northville, the groom is a 1957 graduate of Newberry high school. He served two years in the U.S. Army before enrolling at Eastern. He is also a child care worker at the Hawthorne Center, Northville.

The bride, daughter of Mrs. Anne Smith of Newberry is a 1959 graduate of Newberry high school and a 1962 graduate of Hackley Hospital school of nursing. She is a registered nurse at the Northville State Hospital Children's Service.

Mrs. Roger E. Brooks

Screening Dates Set
For Kindergarten

The Northville kindergarten screening program will be held August 19 through 23 at the Main street school for children intending to enter school in September. Dr. Kenneth MacLeod, assistant superintendent of schools, announced this week.

Prospective kindergarteners will be screened 8:30-11:30 a.m.

Children who will be five years of age between September 2 and December 1 will be admitted to the screening program to determine readiness for kindergarten.

Parents planning to enter children in the program must send a written request to the superintendent of schools by August 1, Dr. MacLeod said. If for some reason a child is

unable to attend, the parents should contact the school, Dr. MacLeod noted.

Parents should not plan to have children of this age group enter kindergarten in September unless they participated in the screening program, MacLeod added.

Children who have not participated in the program, MacLeod added, will not be admitted in September.

Attend State
C.A.R. Meeting

The Plymouth Corners Society C.A.R. was represented at the state board meeting last Saturday by seven members: Sue and Betsy Benson, Frank and Rick Martin and Vicki, Mimi and Jacki Merwin. They were accompanied by their mothers, Mrs. Theodore Benson, the new society senior president, and Mrs. George F. Merwin, senior state president.

Swimming and a potluck luncheon preceded the meeting held at the home of Mrs. Hector Chabot and son, Paul, on Brown's Lake, Jackson.

Library Sets
Story Hour

Story hour at the Northville library starts today for youngsters five years and above.

The reading program will be held 1:30 to 2:30 each Thursday afternoon through August 29.

Goodwill Pickup

The next visit of Goodwill Industries' pickup trucks to Northville is scheduled for Monday, July 22. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill truck pickup, call the local Goodwill representative, ask the operator for toll-free Enterprise 7002.

The Northville Record—Novi News—Thursday, July 13, 1963 Section One — Page Two

News Around Northville

Visiting in Howell last week were the two daughters of Mr. and Mrs. J.M. Keyes of 142 Randolph.

Nineteen-year-old Pamela and ten-year-old Karen spent the week with their grandparents, Mr. and Mrs. Harry Gartrell, returning home to Northville Sunday.

Based at home for the summer instead of at their Lake Charles place, the Carl Stephens family hit upon a summer project.

These warm evenings, the whole family can be seen out in back of their Norton street residence building a summer house.

A family reunion, highlighted the fourth for the C.J. Cox family of 50165 West Eight Mile.

Guest of honor at the affair was Mrs. M.J. Douglas of Detroit who celebrated her 83rd birthday that day. Mrs. Douglas is the mother of Mrs. Cox.

Flying in from Pensacola, Florida, for the occasion was WAVE Myrl L. Douglas, daughter of Mr. and Mrs. Cox.

Miss Sonia Ann Clark, a 10th grader at Northville high school, received an award for meritorious participation in the 11th annual Eastern Michigan University summer session for high school musicians. A participant in piano and choir, Sonia is the daughter of Mr. and Mrs. Hurd Clark of 42150 East Seven Mile road.

Off on a weekend of old-

fashioned entertainment were Mr. and Mrs. Richard Ambler and children, Diane and Ricky. They journeyed to Chesaning to see the Chesaning Show boat production.

Visiting the Dewey Butt family on Rogers street is Mrs. Celia Green of El Cerrito, California, Mr. Butt's mother. She will depart in a few days by train for California.

The Hugh Babbitts, Rogers street, will have visitors until the latter part of August. Their daughter, Mrs. Robert Reynolds and grandchildren, Erik and Marta, arrived last week from Sacramento, California.

Attending the Methodist School of Missions on the campus of Albion college July 8-12 were four Northville women. They were Mrs. William Cansfield, Mrs. Walter Murphy, Mrs. Fred Hicks, Jr., and Mrs. Mable Cooley, who was the nurse on campus. The school, which was sponsored by the Detroit Conference of the Women's Society of Christian Service, was host to 385 ladies.

Mrs. Robert Etz and daughter, Dorothy, returned to their home in Boston, Massachusetts, Friday after a two-week visit with Mrs. Etz' sister-in-law, Miss Elizabeth Etz of South Rogers street.

Miss Etz was then called to Texas Saturday following the death of her brother, H. C. Etz.

Mrs. Robert Casady of Navi-

to, California, and her three sons, Warren, Brook and Kevin, are visiting Mrs. Casady's mother, Mrs. LaVern Van Horn of West Main street. They arrived Friday for a month's vacation and Warren and Brook then set out Saturday for a few days of water fun in Tawas City.

Mrs. Fred Van Atta of East Cady street spent Sunday visiting relatives in Waterford township.

Rose Marie Tetzloff of Linden street is visiting her college roommate, Sherry Weiss, in Chicago for two weeks. Both girls are students at Hillsdale college.

Mr. and Mrs. Philip Ogilvie and children, Janet and Gary, of Linden Court have returned from a two weeks' vacation at Higgins Lake.

There will be a picnic for area residents interested in buttons at the home of Mrs. Joseph Feldkamp, 7352 Pontiac Trail, South Lyon. Families are invited to the July 29 dinner which will begin at 6 p.m. Those wishing to attend should bring a passing dish and their own service.

Mrs. J. E. Straus of Beck road returned home this week after spending two weeks in University hospital, Ann Arbor, recovering from surgery.

Mr. and Mrs. A. L. Lenard and children, Delia Jo and Jimmy from Lawton, Oklahoma, are visiting the J. E. Straus family.

AT CONFIRMATION SERVICE — Fourteen young people were recently confirmed at special services in St. Paul's Lutheran church. Members of the class are, from left, Sandra Sill, Donna Fletcher, Darlene Baggett, Christine Frogner and Melissa O'Toole; (back row) Lyle Saner, Glen Diebert, Rev. B. J. Pankow, pastor of the church, Kevin McClain, Robert White, Carl Heidt, Devreaux Earl, Bryan Tabor, Joe Bell and Douglas Guido.

NEWCOMER'S CORNER

I look upon every day to be lost, in which I do not make a new acquaintance.

— Samuel Johnson

SHAD BROOK NEWCOMERS — The first family in the new subdivision was Mr. and Mrs. Norman Faustyn and (l. to r.) Julie, Brian, Lynn and Jane.

By simply moving from Dearborn Heights to Northville, the Norman Faustyns assumed a unique position. They were the first residents in the new Shad Brook subdivision.

The right house in the perfect spot for Mr. and Mrs. Faustyn was the one at 46060 Pickford court.

In need of a larger home for a growing family, the two natives of the east side of Detroit began their search for a new place to live some two years ago.

"When we found Northville with its rolling hills, picturesque country side and small town atmosphere, we decided to settle here," said Mrs. Faustyn.

The four children seem especially happy with their new home. Not only is it big enough to romp through, there's plenty of activity outside to excite a child's imagination. For instance, Lynn, 8; Julie, 6; Jane, 4; and Brian, 2, recently had an episode to remember. Cows and horses from a neighboring farm escaped from a pasture and wandered into the area.

And, of course, there's the constant movement of men and construction equipment to watch.

While the children are playing, Mrs. Faustyn can usually be found in the kitchen. "I love to cook. There's nothing I like to do better," she admits.

Mr. Faustyn, who is a section supervisor for the Ford Motor company, is head of a department that engineered the 427 stock car engine. A graduate of the University

of Michigan with a degree in automotive engineering, he often travels to NASCAR races to oversee his baby. He is a member of the society of automotive engineers.

He's also a gold and bowling enthusiast, with "woodwork" as his hobby.

Come fall, he'll be following his alma mater, the "M" through another football season. Then, too, Lynn will attend the Main street school and Julie will enter Our Lady of Victory.

BIRTHS

Mr. and Mrs. Fred Schwarze of Ann Arbor are the parents of a nine pound, 13-ounce boy, Carl Frederick, who was born Monday at Mount Carmel hospital, Farmington.

Awaiting their new brother at home are the Schwarzes' three girls.

Maternal grandparents are Mr. and Mrs. Carl Johnson of West Main, Mr. and Mrs.

Fred Schwarze of Cambridge drive are the paternal grandparents.

Mr. and Mrs. Thomas Ledford, Jr. of Novi announced the birth of a seven pound, 12-ounce daughter, Cindy Lynn, born July 6 in St. Joseph's hospital, Pontiac. Cindy has a sister, Janet, two and one-half years old.

Grandparents are Mr. and Mrs. Thomas Ledford, Sr. and Mr. and Mrs. Bayne Pratt, of Novi.

Mr. and Mrs. Phil Rosselle of Rayson street announce the birth of a son, Ryan Paul, born July 8 at Mt. Carmel hospital, Farmington. Ryan, who weighed seven pounds 15 ounces at birth, will be joined at home by brothers Riecke and Ronald and sister Rhonda.

Grandparents are Mr. and Mrs. Charles Buttermore of Northville and Mr. and Mrs. P. J. Rosselle of Dundee.

Kitchen Diary

Here's Cake That Never Fails You!

A Reed Court lady has what every chef from San Francisco to gay Paris dreams of: a cake recipe that's never failed.

This master cake recipe has been tested for 31 years by Mrs. Thomas J. Flynn and before that, by her mother and her grandmother.

Only difference between the generations is that Mrs. Flynn can reel off the measurements for the cake. "Both my grandmother and mother whipped it up, using a pinch of this, another, pinch of that."

"I, too, learned that way," she reports. "One day, out of curiosity, I measured my ingredients and have been ever since then."

Mrs. Flynn changes her master cake from day to day and year to year by dreaming up frostings and fillings.

"You'd be surprised how many different party cakes you can make from one recipe."

Come a special occasion, Mrs. Flynn may, however, temporarily abandon her master cake in favor of banana nut bread. She juggles the ingredients, adding cherries or dates and nuts for variety.

Mrs. Flynn's master cake recipe, two variations of it and her banana nut bread recipe.

MASTER BUTTER CAKE

1/2 cup shortening
1 cup sugar
1 1/4 cup milk
1 tsp. vanilla
2 cups cake flour
1/4 tsp. salt
3 tps. baking powder

Cream shortening, add sugar gradually and continue creaming until very fluffy. Add eggs, beat until light.

Sift flour, measure, add salt and baking powder. Add vanilla to milk. Add dry and liquid ingredients alternately to creamer mixture. Beat until thoroughly blended.

Pre-heat oven to 375 degrees. Bake 30 minutes.

CHOCOLATE LAYER CAKE

Bake master cake batter in two greased 8 inch layer pans. Join layers with fudge frosting. Frost top and sides.

Frosting
1 cup brown sugar
1 cup granulated sugar
3 squares unsweetened chocolate
1/2 cup milk
1 tsp. vanilla
one-eighth tsp. salt
1 Tbs. butter

Cook sugar, chocolate and milk together. Stir constantly until sugar is dissolved, then occasionally to prevent burning. Cook until small amount of mixture forms soft ball in cold water.

Add butter, salt and vanilla. Cool. Beat until thick enough to spread.

COCONUT LAYER CAKE

Bake master cake batter, use easy white frosting between layers and on top. Sprinkle with coconut.

Frosting
1 1/4 cup sugar
1/2 tsp. light corn syrup
two-thirds cup boiling water
2 egg whites, stiffly beaten
1 tsp. vanilla

Combine sugar, corn syrup and water. Bring quickly to a boil, stirring until sugar is dissolved. Boil rapidly, without stirring until small amount of syrup forms a soft ball in cold water.

Pour syrup in fine stream over egg whites, beating constantly. Add vanilla. Continue beating 10 to 15 minutes or until frosting is right consistency to spread.

BANANA NUT BREAD

3/4 cup butter
3 cups flour
1 1/2 tsp. salt
4 eggs
4 bananas
3/4 cup nut meats
1 1/4 tsp. soda
1 1/4 cups sugar
1 1/2 tsp. vanilla

Cream butter, add sugar. Beat in eggs one at a time. Add salt, mash bananas. Add soda to bananas.

Add vanilla. Mix nuts with flour. Add to batter mixture. Pour in oiled, floured loaf pans. Bake in 350 degree oven for 60 to 70 minutes.

Young Artists Stage Exhibit at Hartley's

GETTING PRACTICE — Rose Budek, Northville high school senior, is shown sketching Main street buildings. Her work will be exhibited at the Hartley-Powers Gallery starting Sunday.

Because she was so impressed by the quality of the work she saw at the high school art shows held in Northville and Plymouth, Mrs. Harold Hartley invited the seniors to plan an exhibit at her Hartley-Powers Gallery in Northville.

The exhibit starts Sunday and will remain two weeks. The gifted young artists who will participate are Cheri Kolak, Millie Smith, Carolyn Conkline, Rose Budek and Anna Martin, all of Northville; and Doug S. James, Diane Mackie, Linda Wall, Pat Bridge, Sharon Heidt, Marcia Livingston, Sue Miller and David Schmidt, all of Plymouth.

They will have drawings, oils, watercolors, ceramics, jewelry and mosaics on display — some of which will be for sale. The artists are planning to spend some time during the two week period of the exhibit drawing local buildings, on the spot, in felt-pen, ink or pencil.

An open house is planned this Sunday from 2-6 p.m. but the work may be seen any time from then on until August 3 during regular gallery hours which are noon to six weekdays, noon to nine on Friday and nine to six on Saturday.

Art Around Us

By Jessie Hudson

Summer is an exciting time for artists. It seems that life is just one big fair after another. Last month it was Birmingham, this month Ann Arbor. Two whole blocks of South University avenue "will" be blocked off again this year.

Traffic will be diverted around the area and the streets filled with canvas booths where artists will be displaying their wares and in many booths demonstrating how they did it.

Three hundred artists have registered for space this year and many more are expected to arrive asking for space which will not be available.

Jewelry making will be going on Japanese paper, will be folded origami style, lapidarians will cut stones, potters will throw pots, copper discs will be enamelled, silk screen printing will be shown, portraits painted, glass blowing, wood carving and mosaics made. Handloom weaving and creative stitching will also be demonstrated.

For entertainment there will be lectures, Indian dancers, children's art classes and theatrical productions. Sponsored jointly by the University of Michigan, the Ann Arbor Art Association, the Chamber of Commerce and the South University Businessmen (who provide the canvas shelters and storage space overnight for artists' works), the affair gets bigger every year.

The University of Michigan Extension department under the direction of Mike Church who spoke in Plymouth for the Three Cities Art club, last fall arranges an annual art exhibit in the Rackham galleries opening on Thursday and running for a couple of weeks. This exhibit consists of works chosen by Mr. Church as he visits regional art exhibits and local art club shows. Mrs. Catherine Hartley has been invited to display the blue laminated paper collage which was shown at the Michigan Academy art show in Kalamazoo this spring.

The fair and all the razzmatazz starts Wednesday, July 17, from 9 to 10 p.m. and continues through Saturday, July 20 until 6. You are invited to browse and to buy at bargain prices.

Plymouth artists who will be exhibiting are Johnnie Crosby, Shirley Denison, Nina Gardner, John Groot, Jessie Hudson (that's me) Bill Mandt, Roy Pedersen, Marion Sober and Hal Stein. Northville residents who will show are Linda Kate and Kate Edgerton, Catherine Hartley, Harold Hartley, Jr. and Gloria Parres.

In the galleries: Hartley-Powers gallery, 116 E. Main street, Northville. Beginning Sunday, July 20, an exhibit of work by outstanding graduates of Plymouth and Northville high schools. Paintings, drawings, jewelry, ceramics are among the interesting items planned for this show. Go see what our gifted kids are doing.

Forsythe gallery, Nickels Arcade, Ann Arbor. Paintings on silk and prints by Chinese artists of the 18, 19 and 20th centuries. Gallery hours 10-4 weekdays, 10-1 on Saturday.

Rackham gallery, Ann Arbor. Regional art show. Prize winners of local shows gathered from the whole Southeastern Michigan area.

Ann Arbor Street Art fair, Wednesday, July 17, to Saturday, July 20. South University avenue blocked off to house the

works of 300 artists. Demonstrations of all kinds. It should be a circus.

Birmingham art center, Cranbrook road just north of Fourteen Mile road. Prize winners of the last five annual festival winners, July 28 to August 25.

Wheaton gallery, 18923 W. McNichols. Summer festival presents works of 10 artists.

Detroit Institute of Art, Woodward at Kirby. "Life and Art in Ancient Egypt" now and through September 1.

Detroit Artists Market, 1452 Randolph. Usually closed for July and August, but is open this year for the month of July. Has an interesting summer show of drawings, paintings, ceramics, wall plaques, hand woven stoles, and tapestries in wool.

Willowbrook Church Plans Buffet

There will be a summer buffet supper, sponsored by the Willowbrook Community church, July 25 at the Novi Community building.

Roast beef, a choice of several salads and dessert will be served from 5:30 through 8:30 p.m.

Cost of the tickets are \$1.25 for adults and 50 cents for children through 12 years of age. Tickets may be obtained by calling GR 4-8111.

Art on Display

Local artists Linda Kate and Mrs. Kate Edgerton, Catherine and Harold Hartley, Jr. and Gloria Parres will be among the three hundred artists who will exhibit their wares at the Ann Arbor Street art fair this week.

Sponsored by the University of Michigan, the Ann Arbor Art Association, the Chamber of Commerce and the So. University Businessmen the fair will run from Wednesday July 17 through Saturday, July 20.

nett please call Fern D. Peck.

In Northville Justice Court

Five youths were arraigned
in Northville justice court Mon-
day on charges resulting from
a drag race Sunday on Seven
Mile road near the Northville
State hospital.

Dennis Johnston, 18, 216
West Main street, pleaded guilty
to counts of reckless driv-
ing and having liquor in his
possession. He was sentenced
to 30 days in the Detroit House
of Correction for the first of-
fense and for the latter, he
was fined \$25 and \$5 costs or
10 days in jail. He has yet to
pay the fine.

Also guilty of having liquor
in his possession was Michael
Timbrooks, a passenger in the
car driven by Johnston. He
paid a fine of \$25 and \$5 costs.

Richard Beaubien, 137 West
Main street, guilty of reckless
driving, was sentenced to 15
days.

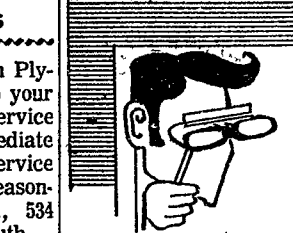

Francis Collins of 19224 Mar-
ilyn road pleaded guilty to
reckless driving on his motor-
cycle. He, too, was sentenced
to jail upon failure to pay a
\$35 fine and \$10 costs.

A 16-year-old was a passen-
ger in Johnston's car.

According to police, Beau-
bien was racing. Collins, who
was riding his motorcycle, and
Johnston was reported to have
obstructed the police in their
efforts to catch the two ve-
hicles.

Robert Stakov of Detroit,
guilty of indecent exposure at
Northville Downs Friday, paid
a \$10 fine and \$5 costs in court
Saturday when he was arraign-
ed.

James Miller of Detroit
pleaded guilty to being drunk
and disorderly at Northville
Downs July 10. Arraigned July
11, he paid \$15 fine and \$10
costs.

OUT OF THE PAST

ONE YEAR AGO

July 19, 1962
—The Northville city council
Monday night decided to pur-
sue its inquiry into the sale
of sewer capacity in the
Wayne county Middle Rouge
system to Oakland county, spe-
cially, Novi.

—The petition of Echo Val-
ley subdivision area for annex-
ation to the Northville school
district was denied last Thurs-
day in a joint meeting of the
Oakland, Wayne and Washten-
aw boards of education.

—The "Northville Charity
Horse Show", sponsored by the
Jaycees will be conducted at
Northville Downs August 10-12
with the proceeds to be donat-
ed to a worthy community pro-
ject.

—The Wayne county Health
department will initiate its
summer immunization pro-
gram in out-county areas next
Monday by conducting a five-
hour clinic in Northville.

—Willowbrook subdivision
Developer Paul LeBost told
the village council Monday
night he will sell the Willow-
brook water company to the
village for \$150,000. The vil-
lage must own the system be-
fore the city of Detroit will
sell water to Novi.

FIVE YEARS AGO
July 17, 1958
—The state legislative rac-
ing study committee will pay
it first visit to Northville this
week.

—Russell Taylor and Ed-
ward Erwin were named to
the Novi board of education
Monday in an election which
drew less than 10 per cent of
the school district's registered
voters.

—With the pull of several
short pieces of twine, Michi-
gan Bell Telephone company
will initiate service Sunday in
its new \$1,500,000 "Fieldbrook"
exchange.

—A farewell dinner, spon-
sored by the Northville Rotary
club, for some 53 foreign ex-
change students under the Ann
Arbor Council of Churches pro-
gram in Michigan will be held
next Wednesday night at the
First Presbyterian church.

—Garbage collection in the
city of Wixom will begin next
Wednesday.

FIFTEEN YEARS AGO

July 23, 1948
—The Northville high school
band will perform in the mu-
sic shell in Detroit September
3-12 during the 99th Michigan
State Fair and Exposition.

—Mrs. Vera Bunn of North-
ville won the women's crown
in the final matches of the
state shuffleboard champion-
ship last week at Traverse
City.

—A bloodmobile unit, spon-
sored by the Northville branch
of the American Red Cross,
will be at the Veteran's Mem-
orial Hall next Thursday after-
noon, announced Chairman
George Locke.

—Mr. and Mrs. Ernest Weed
and daughters, Barbara and
Beverly of Seven Mile road,
returned this week from a trip
to Bristol, Virginia, where the
girls enrolled in Sullins Col-
lege.

—At the regular meeting of
the Northville village commis-
sion Monday night, an ordi-
nance was amended to allow
a trailer community to be es-
tablished on South Center
street during the racing sea-
son.

TWENTY-FIVE YEARS AGO
July 22, 1938
—The Maybury sanatorium,
which is undergoing complete
repainting has been allotted
\$33,384 to rehabilitate furni-
ture for the institution. Both
are WPA projects.

—Dr. Richard Kerr, a grad-
uate of Northville high school,
will take over the dental prac-
tice of Dr. H. H. Burkart, who
is leaving the community.

—A group of over 60 Frank
Fitzgerald backers met Wed-
nesday evening at the North-
ville Riding and Hunt club to
map out the campaign in
Wayne county to return Fitz-
gerald to the governor's chair
of Michigan.

—The United States Post Of-
fice department advertised in
this issue of the Northville
Record for bids on property as
a prospective site for a new
post office. Specifications for
the site were a corner lot with
100-foot frontage and 175-foot
depth or an interior lot with
125-foot frontage and 175-foot
depth. For the site and con-
struction of the building.

FOR WORK THIS THURSDAY?

Peterson, Swiss Hurl Plumbers to Twin Wins

The Northville Plumbers rode the arms of Eric Peterson and Tom Swiss to two class D 18-and-under league victories last week.

Peterson pitched a near-perfect game in a 7-1 win over the Wayne Cubs, facing only 24 batters, three over the minimum.

Measure of Peterson's sterling performance are the facts that he struck out 16 and gave up but one single.

His mates in the field gave him fine support. Gordie Hammond paced the Northville five-hit attack with a triple.

Swiss pitched four innings of scoreless ball against the Plymouth Optimists as he recorded a 13-1 win. He was ably relieved by Pete Sutherland, who gave up no hits.

Together they struck out 13 and permitted only two hits.

Dave Jerome supplied the hitting punch with a three-run homer and two singles in four trips to the plate.

In one other contest, the Plumbers lost 11-1 to the Wayne Monarchs although the score was no indication of its caliber.

A 10-run second inning put the game out of reach of Northville.

The Plumbers, who could muster a mere three hits, couldn't solve the offerings of the Wayne hurler as indicated by his 13 strike outs.

Jeff Crawford poled a triple and scored on John Gibson's single for the score.

Class F

Northville's three entries in class F 13-and-under league recorded two wins and four losses in two days of play, July 10 and Monday.

The Northville Orioles slipped a half-game behind second place Plymouth Recreation by tripping W.C.T.S., 7-6, then losing to the number one team, Party Pantry, 2-0.

Against Party Pantry, the Orioles could muster only one hit while the opposition picked up six off the slants of Peterson.

In the win over W.C.T.S., there were two home runs, one each by Peterson and Bergo.

The Ely Oilers flexed their muscles as they swamped the Casterline Braves 13-2, then came out on the short end of an identical score against Finlan Realty.

Pitcher Craig MacDermid held the Braves to five hits as his mates collected six with Bob Hubbert and Joe Andrews each slashing two singles.

Finlan Realty broke loose to pound the Oilers offerings for 18 hits. Again Bob Hubbert led the attack with a single and a double.

Tied at the end of four innings with the DiPonio Contractors, the Braves finally wilted, 9-5. Craig Turnbull slammed a home run for the Braves.

In other contests, the following scores were recorded: Finlan Realty 10, DiPonio Contractors 5; Plymouth Recreation 6, Party Pantry 4; and Plymouth Recreation over W.C.T.S.

Class E

The Northville Plumbers of the class E 15-and-under league posted two more victories last week to remain close behind front-running Loper Firestone.

But the Plumbers were given the scare of their lives, 2-0, by Northville Recreation, which is lodged deep in the cellar.

Bob Regenhart of Recreation was a diamond demon as he twirled a three-hitter (all singles), garnered his team's only hit and made two stellar plays on the mound.

The Plumbers scored in the first frame on Bob Beller's lead-off infield hit, two wild pitches and a bad throw.

An insurance run was added.

In the last inning when a runner scored from second on Gary MacDermid's single.

The Plumbers then trounced Novi General Filters, 21-0, in a game called at the end of five innings because of darkness.

Jerry Imsland laced a round-tripper in the second, his fourth homer of the year. Doug Swiss paced the attack, however, with four for four, including a triple.

Northville's Spagy-Thunderbird Inn split two contests to remain above the .500 mark.

A last inning squeeze play enabled the home team to top Novi Filters, 4-3. With the bases loaded Larry Beller streaked home with the winning run as the batter bunted down the third baseline.

Spagy-Thunderbirds fell apart in the sixth inning, committing three errors to ultimately permit nine runs to cross the plate as they lost 17-5 to Plymouth Kiwanis.

In other contests, Loper Firestone beat Northville Recreation, 13-5 and W.C.T.S., 8-5; Bill's Market edged the Flyers, 9-7 and fell to Fisher's Shoes, 8-5; W.C.T.S. walloped Fisher Shoes, 11-6, and the Flyers succumbed to Plymouth Kiwanis 5-2.

Knothole

The Athletics took sole possession of first place in Knothole baseball last week, while the Bears and Panthers are tied for first in the softball circuit.

Enroute to a 14-2 win over the Indians, the Giants exploded for 11 runs in the second frame to remain close behind the Athletics. A bases-loaded triple by Bob Lanning was the big blow. Steve Hughes backed Lanning up with a triple and a double.

In other baseball games, home runs were the order of the day.

Hitting for the circuit were Barry Willanborg of the Athletics in an 8-4 victory over the Angels; Don Hummel and Don Sasse, as the Athletics beat the Dodgers, 10-4; Dave D'Haene in pacing the Angels 11-5 win over the Cardinals; Larry King in a 9-5 loss to the Dodgers; and Bernie Bach and Don Hummel, again for the Athletics as they won over the Indians, 15-7.

The Bears gained a tie for first by winning three times while the Panthers played only two games, winning each.

The Panthers beat the Tigers, 9-3, and the Angels in a high scoring tilt, 14-11. The Bears were a little more impressive defeating the Angels, 12-8, the Clippers, 10-4, and the Colts, 8-1.

In other softball encounters, the Clippers slipped by the Colts, 4-3, by virtue of an untimely rally. The Angels battered the Colts, 16-6, the Tigers spanked the Lions, 7-3, and the Lions routed the Clippers 17-2.

LIT Names Northville Newcomer

Low Moon, former Clio (Michigan) high school teacher and basketball coach, has been named counselor and director of high school relations at Lawrence Institute of Technology.

President E. George Lawrence, of LIT said Moon will be in the Student Activities Department headed by registrar Robert L. Hart.

Moon is a 1948 graduate of Albion College and received his master's degree from the University of Michigan. He coached and taught for 15 years at Sandusky, Elkton, Addison and Clio.

The new LIT counselor has an athletic background. He played on Albion high school's 1939 state Class B basketball championship team, and was an all-stater in basketball and football. He also starred at Albion college.

Moon also played professional baseball, pitching in the St. Louis Cardinals' system, and professional basketball.

Moon and his wife, June, and their three children moved to Northville two weeks ago and reside at 300 Fairbrook.

Saddling up for a practice ride at their home on Seven Mile road are Becky Whitefield with "Princess Running Fawn" and Linda Whitefield with "Wa-We-La" (My Trail).

Local Youths to Take 150-Mile Pony Ride

Twenty-one youths from five states and Canada are setting out today on one of the first real western cross-state trail rides in Michigan.

It's called the Pony of the Americas Trail Ride.

The 150-mile journey by pony-back from Charlotte to the State Fair grounds in Detroit will take eight days.

Making this trip more unique is the fact that the 16-year-old and under participants will be riding the exciting new breed of pony called Pony of the Americas (the Appaloosa pony). This comes the official name of the event.

But it's not designed as an endurance test. "It's just good old-fashioned fun," said Mrs. George Whitefield, designed to foster sportsmanship, horsemanship and to stress physical fitness in young people.

The route was officially drawn up by Northville's George Whitefield, and there's plenty of stop-off points. In fact, Whitefield will be out front pacing the caravan in his lead car.

Not far behind will be other members of the Whitefield family, namely, Becky, 9, and Linda, 11. They'll be riding their favorite ponies.

Northville is also represented by the Dan Clarke family. Young Dan Clarke, 14, will be atop "Tomahawk Dan", his pony, while his father helps prepare things at the fairgrounds.

That's where the ride will culminate, in the fifth International Pony of the Americas club show July 26 and 27. At that time, nearly 200 young people will compete for various honors on their ponies.

The international show chairman, Mrs. Whitefield, expects this to be the best one yet. "We've been working hard to get things prepared," she said. "At this time, it looks like it'll be a good show."

That's where the ride will culminate, in the fifth International Pony of the Americas club show July 26 and 27. At that time, nearly 200 young people will compete for various honors on their ponies.

Zoo, Olympics, Tigers Next on Rec Schedule

A trip to the Detroit zoo, a trip to the Detroit Tigers' ballpark and a Junior Olympics track meet headline next week's special events in the Northville Recreation program.

There will be a Junior Olympics qualifying meet Saturday at Ford Field, Director Ken Conley announced this week.

All boys and girls between the ages of 10 and 15 are invited to participate in the 9 a.m. meet, Conley said. However, those 15 years of age must not reach the age of 16 before September 1, 1963.

Winners in each event will represent Northville at the Metropolitan Junior Olympics July 25 at Livonia. Around 2,000 boys and girls from the southeastern Michigan area are expected to compete in the event, Conley reported.

There are three classes: class A (14 and 15 year olds), class B (12 and 13 year olds) and class C (10 and 11 year olds). Events for boys are chinning, softball throw, standing broad jump, running broad jump, standing hop-step-jump (class C only) and the running hop-step-jump (classes A and B).

Events for girls are the softball throw, 50-yard dash, standing broad jump, standing hop-step-jump (class C) and the running hop-step-jump (classes A and B).

Conley also announced the second zoo trip will take place next Wednesday.

Those intending to take the trip will meet 9 a.m. at the Azarman school or at the Scout-Recreation building. Participants should bring a lunch trip, Conley said.

or money to buy a lunch, and 25 cents to cover the Chimp show and the train ride.

A second trip to a Tiger ball game is scheduled for next Thursday, Conley noted.

Only those who have made reservations at the recreation office will be able to take the trip, Conley said.

Plan Nine Hole, Par 3 Golf Course in Northville

Brooklane Golf Course, a nine-hole, par 3 layout on a 28-acre site at Sheldon and Six Mile roads in Northville will open next spring.

Announcement of the project was made by Blake Northrup, owner of the property, and Ernie Shave.

Northrup owns the Ross B. Northrup & Son Funeral Home in Redford, while Shave is a Northville resident and former golf professional at Meadowbrook country club. Northrup is

well known locally and is married to the former Betty Schrader of Northville.

Specifically, the course is located on farmland on the southeast corner of Sheldon and Six Mile. It will provide a club house and lighted driving range in addition to the par 3 course.

Shave noted that all fairways, tees and greens will be watered. Grading

work is now underway. It is anticipated that the basic layout will be completed this year in preparation for spring opening.

The course will provide plenty of area to avoid crowding. Holes will measure from 110 to 265 yards in length.

Obituary

EDNA M. DREWS

Mrs. Edna M. Drews, 64, of Salt Lake City, Utah, died suddenly in her home Sunday.

A resident of Northville for 25 years, she moved to California in 1953 and to Salt Lake City six months ago. She came to Northville in 1905 with her mother and father, Fred and Effie (Mitchell) Foreman. Fred Foreman was the founder of Foreman Orchards.

She was a member of the Moose Lodge in El Cajon, California, and the Maccabees Lodge of Plymouth.

She was born in Freeport, Illinois.

She leaves three daughters, Mrs. Myrtle Pearl and Mrs. Dorothy Finley, both of El Cajon, California; two brothers, Ralph and William Foreman of Northville; 12 grandchildren and four great grandchildren.

Funeral services will be held at 10 a.m. tomorrow at the Casterline Funeral Home with the Reverend Henry Walch, pastor of the First Presbyterian church of Plymouth, officiating.

Burial will be at the Thayer cemetery, Salem.

Storm Kills Brother of Two Local Women

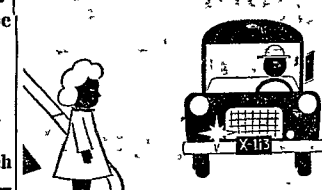

The brother of two Northville women was killed late Saturday night when a heavy tree limb fell on his truck during a rain-wind storm north of his home town, Dexter.

Louis Detroit, 32, is the brother of Mrs. George Miller and Mrs. Oliver Baggett, both of Northville, and Mrs. John Vowell of Saginaw, formerly of Northville.

Petrol's wife and children were riding in a vehicle behind the truck when the accident occurred. They were returning from a Seventh-Day Adventist camp.

Petrol's skull was crushed and he was pronounced dead upon arrival at Jackson's Foote Hospital.

LET'S TALK CARS . . .

Safety Lessons

From a

Cab Driver

(Haskell Schultz owns a cab

company in Fort Wayne, Indiana

that has the lowest ratio

of accidents to miles driven

of any taxi firm in the United

States due to three simple

rules that anyone can learn

and use immediately. If more

drivers used them there would

be less work for the hospitals

and body shops.

Eighty-five percent of city

accidents take place at intersections

and that's where Mr. Schultz's

rules are mostly applied. Here they are: (1) Fifty

feet from an uncontrolled intersection

take your right foot off the

gas pedal and hold it over

the brake while you coast

through the bisecting street; (2)

For every 10 M.P.H. stay one

car length behind the car in

front; and (3) Stop twice at a

controlled intersection, once for

pedestrians and once at the

curb line for a clear view of the

street.

Mr. Schultz believes that

people can remember and

PRACTICE a few rules and

get results where a lot of them

would confuse them. He may

have something there. He has

one additional advice for the

highway: check the REAR

carefully before slowing down,

changing lanes or pulling out

from a parked position.

Before you take off on any

vacation jaunts this summer, make

a habit of Mr. Schultz's three

rules as well as check your car

for brakes and steering faults.

You can be purely selfish about

this too. If you trade your car

in with us, we'll surely give you

more for it if it isn't all banged

up.

John B. Mach

John Mach Ford, Inc.

WATCH THAT FIRST STEP — The sidewalk that once led to the entrance of old city hall now comes to an abrupt end. Grading and tree removal is now underway preparatory to construction of the city's new \$260,000 city hall - library. Contractors are hoping for completion by Christmas.

For Detroit Calls

Michigan Bell Proposes Extended Area Plan

Greatly expanded calling privileges into Detroit would become available to telephone customers in Northville-Nov

and other western Wayne and some Oakland County communities under a plan proposed today by the Michigan Bell Telephone Company.

The proposal, referred to as Super Extended Area Service (SEAS), would be offered on an optional basis for a trial period to determine customer acceptance, according to Hazen J. Wilson, manager here for Michigan Bell.

Under the plan, residence telephone users in Northville and Novi who subscribe to SEAS would be able to call more than 400,000 telephones in an area including downtown and midtown Detroit on an unlimited basis, without toll charges or message unit charges.

Business customers would enjoy the same service except that one message unit (42 cents) would be charged for each call, regardless of length, to the portion of the super extended area that is in the Detroit zone. Today, business customers pay either toll charges or multi-message units for these calls.

The SEAS plan is the result of a recent service preference poll conducted by Michigan Bell among more than 50,000 telephone customers served by GARfield (42), GLENview (45), GREENleaf (47), FIELdbrook (34), and 464 telephones.

The poll revealed that about 50 per cent of the voters in the four telephone areas favored expanded toll-free calling privileges. Of four plans on the ballot that customers were asked

to choose among, SEAS was the favorite, Wilson said. The ballot also provided for voting to retain present service.

At the time of the balloting, SEAS was offered as a non-optional service, but under the present proposal customers would have a choice of subscribing for SEAS or retaining their present service, Wilson explained.

"We believe Super Extended Area Service will adequately customers who make calls each month to downtown and midtown Detroit," Wilson said. "At the same time, the optional feature of the plan recognizes the needs of those customers whose service requirements are local in nature."

"The new service should be especially useful to Northville and Novi users since 43 per cent of all charged for calls made within Michigan from telephones in the Northville-Nov

telephone exchange fall inside the scope of the new plan.

"This proposal, the first of its kind offered in a metropolitan area anywhere in the country, makes our services flexible and responsive to the various calling patterns of our customers," he added.

The other three proposals on the ballot — each providing liberalizations of the present Metro Calling Service — received an insufficient number of votes to warrant making them service offerings, Wilson said.

Since the new offering makes SEAS a matter of choice with the customer instead of non-optional as proposed on the ballot, the rate

will be somewhat higher than indicated on the questionnaire, Wilson said.

He explained the slight increase over the non-optional plan is necessary because the cost would be spread among fewer, high usage subscribers, as indicated by the voting.

Customers who have need and reason to place a larger number of calls to points outside the local exchange, but who feel restricted in doing so with their present service, would gain more in value from the optional SEAS plan. Yet, Wilson said, each customer would be able to select the service which proves best for him.

The monthly rate for SEAS for private line flat rate residence customers with Fieldbrook (34) telephones would be \$9.10. The monthly rate for on-party business customers with flat rate service would be \$22.60.

The plan to introduce Super Extended Area Service on an experimental basis in the four communities will be submitted for approval in the near future to the Michigan Public Service Commission, Wilson said.

Northwestern Michigan: Bays of Beauty for Travel

Whether seen through the glow of a campfire from a boat drifting down a swift and winding river or from along its thousands of miles of good roads, the Bays are one of the musts of any vacation.

Mellowed through a hundred million years, this wedge-shaped area is bordered on the southwest by M-115, on the east by I-75 and on the north by the beautiful waters of Lake Michigan.

Northwestern Michigan begins where M-115 and I-75 converge at Claire. It is here that a traveler first gets the true feels of the north.

Heading north off M-115, M-66 skirts Lake Missaukee, the first of the large northern lakes. It then winds northward through the plains area to Kalkaska. Now famous for its National Trout Festival each spring, Kalkaska was a lumbering town which refused to die.

About 20 miles west of M-66, another smooth ribbon of pavement, US131, cuts into the lumbering country, and Cadillac, the vacation city on two lakes (Mitchell and Cadillac).

Recently improved, M-37, another northward road, leads to Traverse City, the cherry capital of the world.

M-37 goes on through the length of the Old Mission Peninsula to Old Mission State park and the ancient light-house, which once guided sailing craft around the reef-bedevelled point.

The famous Sleeping Bear Dunes area in Leelanau county is one of the true wonders of the world. From atop this giant dune area one can view Glen Lake, one of the most beautiful in the world.

From the same vantage point can be seen the moody water of Lake Michigan with the Manitou islands in the background.

Antrim county is famous for its "Chain-o-Lakes," reached on US-31. Here cruises are provided to take guests on a tour of a truly wilderness country.

Charlevoix county, with its 35 lakes and scores of streams, is a fishermen's midway. Even, Genesee, Lake on Beaver island is a favorite spot for anglers.

A picturesque car ferry runs across the slim south arm of Lake Charlevoix at Ironton, connecting M-66 and US-131.

North from Charlevoix, US-

31 terminates at Mackinaw City. Reconstructed Fort Michilimackinac, within the city limits, has been pronounced one of the most important contributions to Michigan history.

A side trip taken by thousands of guests to northwestern Michigan is to Interlochen and the National Music camp and National Arts academy. Here the virgin pines resound with the music of talented youth.

A really fascinating trip in the northwestern Michigan area is one that is entirely inland. Leaving I-75 at Indian River, follow M-66 and US-31 to the junction of US131, then turn south on this fine highway for a drive through miles of rolling hills and among bluewater-lakes.

Just south of the intersection of M-32 is one of the scenic spots of the state—Dead Man's Hill and the Jordan valley. Farther south is Manalocna. This village, too, was a pioneer lumbering town and, with its twin city of Antrim, was a leading smelting town at the turn of the century.

One item the visitor always seeks in the Petoskey stone to take home as a souvenir or to make costume jewelry.

The stones fossilized colony coral from the Devonian period, are easy to work with a nail file or a piece of sandpaper and are becoming popular wherever rockhounds meet.

Petoskey stones are found in an area beginning a few miles north of Manistee and

north to Mackinaw City. They are picked up on the beaches in gravel pits, even along the highways.

Besides these ancient stones, a student of minerals will find scores of fossils in the northwestern Michigan area. It is an ancient land, but it grows more beautiful with its years.

Avoid Serious Eye Damage in Viewing Saturday Afternoon Eclipse of Sun

If the weather permits, residents will be treated to one of nature's comparatively rare spectacles Saturday afternoon—a partial eclipse of the sun. During the eclipse, which starts at 3:29 P.M. EST, the moon passes between the earth and the sun, making it possible to look directly at the sun.

"But don't do it," warned State Health Commissioner Dr. Albert E. Heustis, who said that rays from the sun can cause permanent eye damage unless special caution is used in viewing the eclipse.

"Although most of the direct light is gone during an eclipse, dangerous invisible infra-red rays are still present," he said. "And contrary to popular belief, such devices as sun glasses, exposed photographic film, smoked glass, and even welder's goggles will not protect the eyes from these rays."

The eyes take care of themselves in normal sunshine, the commissioner explained, simply because one cannot stand to look at the intense light for more than an instant. However, during an eclipse the bright light is gone, but the infra-red rays are still present.

"These rays can literally burn a hole in the retina much in the same manner that sunlight passing through a magnifying glass can burn a hole in a piece of paper," he said.

"The eclipse is dangerous because it is both a compelling sight and yet one which can inflict irreparable damage to the eyes of unwary observers," Dr. Heustis said. He added a special caution to amateur photographers. "Looking into the viewfinder of a camera at the sun is highly dangerous. Makeshift filters won't help."

He urged parents to warn children not to look at the sun, and to supervise them closely during the time of the eclipse to see that this warning is carried out.

Damage to the eye would not be felt while looking at the sun because the infra-red rays burn into the retina which is insensitive to pain. It is only after the damage has been done that a person would realize that the ability to distinguish small objects is lost—often for good. Such close-up activities as sewing and reading would be extremely difficult following a retina burn.

There are a few ways to safely enjoy this event according to Dr. Heustis. Some are fairly complicated, but the simplest method is to observe the reflection of the eclipse in swimming pool, plastic wading pool, or old fashioned wash tub, provided that there is at least 12 inches of water to absorb the dangerous infra-red rays. Smoked glass will be handy for viewing the reflection to reduce uncomfortable brightness.

"The eclipse will last just two hours and 17 minutes from beginning to end," the Commissioner said, "but part of your sight could be eclipsed forever if you are not careful."

Ghost of Dixboro Mystery Woman Returns to Speak

EDITOR'S NOTE: This is the fifth of six articles dealing with the once famous ghost of Dixboro. The articles are taken from a historical research paper authored by Russell E. Bidlack of the University of Michigan, and it comes to us through the courtesy of Mr. Bidlack and his friend, Clare Rorabacher of Whitmore Lake, both members of the Washtenaw county Historical Association.

Last week, readers were told of a carpenter and his family who moved into the Dixboro home of the late Martha Mulholland, who had died in the summer of 1845. The carpenter, Isaac Van Woert, in a sworn statement before an Ann Arbor justice of peace, told of seeing a woman in the house, who walked into a bedroom and disappeared.

Van Woert's sworn statement, which appeared in an Ann Arbor newspaper on February 12, 1846, continues: "The second time I saw her was in October about one o'clock in the morning. I got up, started to go out of the back door. As I opened the bedroom door it was light in the outer room. I saw no candle, but I saw the same woman that I had seen before. I was about five feet from her. She said, 'Don't touch me—touch me not.' 'I stepped back a little and asked her what she wanted. She said, 'He has got it. He

robbed me little by little, until they kill me! They kill me! Now he has got it all.' I then asked her who had it all. She said, 'James, James, yes James has got it at last, but it won't do him long. Joseph! Oh! Joseph. I wish Joseph would come away.' Then all was dark and still.

"The third time I saw her I awoke in the night, know not what hour, the bedroom was entirely light. I saw no candle, but saw the same woman. She said, 'James can't hurt me any more. No! he can't. I am out of his reach. Why don't they get Joseph away? Oh, my boy! Why not come away?' And all was dark and still.

"The fourth time I saw her

eleven o'clock P.M. I was sitting with my feet on the stove hearth. My family had retired and I was waiting a lunch when all at once the front door stood open, and I saw the same woman in the door, supported in the arms of a man whom I knew. She was stretched back and looked as if she was in the agonies of death. She said nothing, but the man said, 'She is dying. She will die! and all disappeared and the door closed without a noise.

"The fifth time I saw her was a little after sunrise. I came out of the house to go to my work and I saw the same woman in the front yard. She said, 'I wanted Joseph to keep my papers, but they are—' Here something seemed to stop her utterance. Then she said, 'Joseph! Joseph! I fear something will befall my boy.' And all was gone.

"The sixth time I saw her was near midnight. It was the same woman standing in the bedroom. The room was again light as before, no candle was visible. I looked at my wife, fearing she might awake. She then raised her and said, 'She will not awake.' She seemed to be in great pain; she leaned over and grasped her bowels in one hand and in the other held a phial containing a liquid. I asked her what it was.

"The Doctor said, 'It was Balm of Gilead.' She replied, and all disappeared.

LIKE TO GET IN ON A TRADE SECRET?

Of course you would—especially when it's to your advantage.

The secret is simply this: Your Cadillac dealer has been enjoying such phenomenal sales this year that he has welcomed a record number of first time owners into the Cadillac family . . . and he'd like to welcome you, too.

That's why, when you trade your present car in on a new Cadillac, you'll probably be delighted to discover how much it's worth.

This happy couple just recently got in on the secret . . . and no wonder they acted fast when they got the facts.

For right now they're living the motoring dream of their lives.

From a styling standpoint, they are enjoying the handsomest Cadillac ever built. It has size and stature, as well as dignity and elegance. Its interiors are wonderfully roomy—and singularly luxurious in appointments and convenience.

The car's performance is a revelation even to experienced Cadillac owners. Its advanced engine, improved Hydra-Matic and True-Center drive line make every journey a unique delight.

All this, of course, is in addition to the traditional Cadillac virtues of great dependability, superlative quality and extraordinarily high resale value. Come in and see for yourself.

And be prepared to learn the most delightful trade secret you've heard in years!

In Uniform

CAMP PENDLETON CALIF.
Marine Private Frederick L. Runstrom, son of Mr. and Mrs. Frederick J. Runstrom of 9343 West Five Mile road, completed four weeks of individual combat training July 3 at Camp Pendleton, Calif.

The training, conducted by the Second Infantry Training Regiment, covers the basic field and combat skills required of Marines. Under carefully selected instructors, he has been learning to take his place in small fighting units, such as the four-man fire team and the 14-man squad.

USS Providence — Bruce J. Kenrad, seaman, USN, son of Mr. and Mrs. E. W. Konrad of 20134 Woodhill, was among 1,000 crewmen of the guided missile light cruiser USS Providence who were initiated into the "Shellbacks" league upon their first crossing of the Equator.

The Providence crossed the Equator at 105.5 degrees east longitude, west of Borneo and east of Sumatra and enroute to Singapore and the Federation of Malaya.

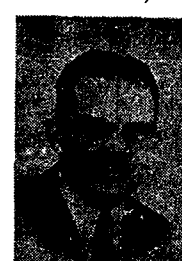

The custom of initiating "pollywogs" into "Shellbacks" is an old Navy tradition. The story goes back to the time of Leif Ericson and his Vikings, when the ceremonies were harsh and painful and designed to test a man's ability to withstand the hardships of life at sea.

As time passed the ceremony changed to an elaborate ritual into the mysteries of the deep and presentation of the novice to King Neptune and his court. This is usually followed by the trial of the "pollywog" for his numerous shortcomings. Punishment is meted out for the offenses. The ceremony is climaxed when the "pollywog" is tossed into a salt-water tank to learn proper respect for King Neptune and the traditions of the sea.

The Providence is currently operating with the Seventh Fleet in the Far East.

from the PASTOR'S STUDY

By the Rev. James F. Andrews
Full Salvation Union Chapel

Your only salvation:
In the 7th chapter of Romans God reveals that our only salvation from the law of sin and death is through the literal manifestation of the Body of Christ.

It has been possible through the Holy Ghost dispensation to serve the law of God with our minds — to purpose to do the right thing, "to strive to enter in," but it has not been possible to be actually delivered from the "body of this death." How often it has been the experience of Christian people that after they have delighted in the law of God after the inner man for a season through the power of the Holy Ghost, they have been made painfully aware of the fact that there was another law in their members, warring against the law of their mind and bringing them in to captivity to the law of sin.

How refreshing it is at this late hour when the "times of the fullness of the Gentiles be come in" (Rom. 11:25), to know that we are "become dead to the law of sin by the Body of Christ, that we should be married to another."

It is the Kingdom of God born in this earth again in answer to the prayer Jesus prayed so long ago —

"That they all may be one, as Thou, Father, art in me and I in Thee, that they may be made one in us, that the world may believe."

Just as the physical body of Jesus Christ was under the control of the mind of God — thus constituting the Kingdom of God in the earth at that time, so every member of the many-membered Body of Christ must be under control of God's mind to be the Kingdom of God in the earth today.

This is the birth which is taking place now! As it is consummated, the prayer which Jesus taught His disciples to pray, and which we have prayed so many years will be answered, "Thy Kingdom come. Thy will be done in earth as it is in heaven."

Your only salvation is to blend with and be a part of this great thing which God is doing today. As you realize this you will not hesitate to flee for your life out of the Sodom of the workings of your own mind into this city of refuge.

Just as God prepared an ark in Noah's time for the saving of His elect then, so today God is gathering together Christ's body for the saving of His elect from the hour of trial and distress which many can see coming.

ing rapidly upon the earth. Just as the three Hebrew children were unharmed in the burning, fiery furnace so the members of the Body of Christ are immune to all the destructive devices which man can produce today.

The challenge in Paul's day was to believe in the Lord Jesus Christ who had just been recently crucified. Today the challenge is to believe in the Body of Christ which is being born as a literal fact in the earth now, and by faith presenting yourself to be a member of that Body. Even as it was declared then, that there is none other name given among men whereby we must be saved, even so today there is no salvation anywhere outside the Body of Christ. It is not a matter now of simply believing in an historical character who lived and died over 1900 years ago but it is a matter of actually giving up to God without a mental reservation that you may be made one with others in the many-membered Body of Christ which is being born today "not of the will of man nor of the will of the flesh but of God."

There is no other way to be saved. All who try to climb up some other way are thieves and robbers.

News From Willowbrook

Mrs. George Ames GR 4-0630
visiting Mrs. Weiss' sister, Mrs. E. Q. Berry.

Mr. and Mrs. Roy Friett, of Oak Ridge, Tennessee, and their children, Karen and Paula, spent last week here as guests of Mr. and Mrs. Jack Carter, of Ten Mile road.

Mr. and Mrs. John MacCauley, are new residents on East LeBost. They have three children, Alan, seven, Cathy, five, and Johnnie, three. Mr. MacCauley is employed by the Detroit Federal Savings and Loan Association. The MacCauleys formerly lived in Wayne, Michigan.

Mrs. James McCormick and her two daughters, Lynn and Kim, have returned from a two week vacation trip to Irwin, South Dakota, where they visited Mrs. McCormick's father, Mr. Carl Stevens.

Lt. Col. and Mrs. Wallace Brooks have been visiting Mr. and Mrs. Ken Milliken, of McMahon Circle, for the past week. They are accompanied by their children Maudeen, Chip, and twins Steve and Craig. The Brooks stopped here to visit the Millikens while on a trip from Washington, D. C. to Monterey, California.

Mr. and Mrs. Errol Myers entertained Mrs. Chris Luce and her daughters, Cheryl and Robin, and Mr. and Mrs. Harold Pine, of Northville at dinner Thursday.

Mrs. Ralph Morse of Mooringside drive, entertained Mrs. Clifford Morse, Cliffie, Stephen, and Janie Morse, and Mrs. George Ames at luncheon Tuesday.

Mr. and Mrs. Robert Waugh and their children Robbie and Janis have returned from a two week trip to San Diego, California which included stops at Disneyland and the Grand Canyon. They stopped to visit Mr. and Mrs. R. Peters at their home on the Mojave desert.

Hollydale gave a block party Saturday in farewell to Mr. and Mrs. Keith Kraus who are leaving soon for their new home in Cedar Falls, Iowa. Mr. and Mrs. Donald Simonson, Mr. and Mrs. Harvey Reynolds, Mr. and Mrs. George O'Neal, Mr. and Mrs. David Fried, Mr. and Mrs. Ronald Jennings, Mr. and Mrs. Harold Young, Mr. and Mrs. Bill Hawk, Mr. and Mrs. Joseph Greene and Mr. and Mrs. Alex Curran all enjoyed the fun.

Mr. and Mrs. Karl Weiss, of Mooringside drive, spent last

TAKE A BREAK . . . I HAVE
TO GO "FISHING"!

This well driller is going fishing, but not for fun!

To the men who drill gas wells, fishing is not a pleasant pastime — it's a painstaking, tedious job. It means that the well driller has to take his large, heavy, cumbersome tackle (hooks and line) and fish out drilling tools that have become stuck or broken off deep in the earth. Consumers Power Company, too, has an important and expensive task — that of providing its customers with a dependable supply of natural gas during the cold winter months. To assure a sufficient reserve supply, it has underground storage fields near Marion, Michigan and elsewhere. Natural gas is put back in the earth under a pressure of hundreds of pounds per square inch and withdrawn as needed when gas consumption is highest.

Mrs. Herman Smith, and her sister, Mrs. Mary Asher of Northville and Mr. and Mrs. Ed. Shoemaker, vacationed last week at Post Austin. They spent their time fishing and visiting with their sister, Mrs. Ida King.

Mr. and Mrs. George Atkinson and Mrs. Glen C. Salow returned Saturday night from a three-week vacation in Hawaii. They visited all the main islands and the outer islands and they have some very good pictures to prove it. Last Friday Mr. and Mrs. Tony Parkas and son, Ronny and daughter, Christine, arrived at the home of the latter's brother and family, Mr. and Mrs. Stanley Orzechowski where they were guests for several days. They attended the Detroit Zoo on Saturday and they all had a picnic at Cass Beeson Park Monday evening. Mr. and Mrs. Harold Miller were also there. Later in the week Mr. and Mrs. Parkas and family returned to their home in New Kensington, Pennsylvania.

Mr. and Mrs. Elwood Coburn and their four children returned last week from a visit with Mr. Coburn's relatives, a sister at Petersburg, Virginia, and his mother and sis-

ter at Hopewell, Virginia, also Rev. and Mrs. Arnold Cook at Reidsville, North Carolina.

This past weekend, Mrs. John French and Mrs. Eugene Dallas visited their sister at Danville, Illinois. They brought back their parents, Mr. and Mrs. Emery Green who had spent some time there with their daughter.

Mr. and Mrs. Jack Anglin visited Mr. Anglin's parents, Mr. and Mrs. Elmer Anglin at Gary, Indiana on Sunday.

Mrs. Hildred Hunt entertained at her Island Lake cottage Friday Mrs. Clara Smith and Mr. and Mrs. Marvin Macomber of Ann Arbor.

Mrs. Clyde Wyatt and Mrs. Hildred Hunt attended the Oakland County Women's Farm Bureau picnic at the home of Mrs. Harry Bates near Clarkston last Tuesday. They entertained the Macomber County Women's Farm Bureau.

Mr. and Mrs. Lawrence Boyd Sr. and Lieutenant and Mrs. Lawrence Boyd Jr. and son, Leslie of Ann Arbor are leaving Thursday for a vacation at North Bay, Canada.

After three weeks leave from the U.S. Navy, Tom Bailey has returned to Lake George in New York state where he will continue installation training.

(Continued on Page 5)

Official Minutes of Northville Township

The regular monthly meeting of the Northville Township Board was called to order by Supervisor Merriam on Tuesday, July 2nd, 1963, at 8:00 p.m.

Board members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, Donald B. Robinson and Wilson D. Tyler. James Littell, legal counsel, was attending. Visitors: Mr. and Mrs. George Hollinger.

The minutes of the June 4th regular meeting and special meeting of June 18, 1963 were approved as written.

The Treasurer's report was read. After discussion, it was approved and ordered placed on file.

Office receipts for the month of June, 1963, amounting to \$1,018.50 and bills payable amounting to \$5,578.30 were reviewed and discussed.

Tyler moved, supported by Lawrence, that the bills be paid. Motion carried.

The building inspector's report for the month of June 1963 was reviewed.

The Water & Sewer Commission bills were brought under consideration at this time. After discussion, Tyler moved that these invoices be paid in their entirety subject to the terms of the township's contract with their engineer. Robinson supported. Motion carried.

The Planning Commission minutes of the Public Hearing held June 20th, regular meeting of June 25, 1963, were discussed at some length.

Correspondence.

1. Letter of transmittal from Planning Commission advising that a motion had been made and supported that 3.4 acres located on Seven Mile road be rezoned for a convalescent home providing that a sewer is built to serve it.

Trustee Robinson questioned the wording of the motion and advised that he would ask the Planning Commission for a rephrasing of the motion at their next meeting.

The clerk was instructed to write the Planning Commission, acknowledging receipt of their letter of recommendation and advising that the Township Board would give it due consideration.

2. Letter and Resolution received from Grosse Pointe Woods. It was ordered placed on file.

Mr. George Hollinger was appearing before the board to inquire about water for the township. He stated that he had been reading so many articles about the shortage of water that he was concerned about water supply in Northville township and would like to be advised, if possible, when Detroit water would be available.

Supervisor Merriam informed Mr. Hollinger that he could give him no definite information as to time, that this would depend on the City of Northville and the City of Plymouth contracting for Detroit water, in which case the Detroit Water Department would run a line out, Eight Mile road and

down Sheldon road to Plymouth, making it possible to service the whole area. He also advised him that laterals would have to be built off of this water main and the cost of these would have to be paid for by the residents of the township receiving the water.

Old Business:

1. Trustee Robinson reported that he had talked with the Township Dog Warden, that he was assured the dog warden intended to continue with the work. He did feel the board should decide on a policy to follow and advise the dog warden which was expected of him in the way of service. He suggested the purchase of a used pickup truck which he knew of which had been driven about 37,000 miles. He was advised that six or eight used pickups had already been checked and were found to be in poor condition. Supervisor Merriam advised that this one would be checked also.

Trustee Tyler suggested that the City of Northville be asked if they would be interested in joining the Township in a joint dog control venture. Merriam was of the opinion that the dog warden should be contacted before this action was taken and said he would check this out.

New Business:

1. Supervisor Merriam presented the Board with the signed petitions requesting water from Plymouth Gardens Sub., advised that Mrs. Gothe had informed him that she would have the signed petitions from her area very soon, that Mr. Alex Gordon had signed the petition for the acreage he was buying but nothing had been heard from the residents in Ambrose Estates Sub. His recommendation was that the board allow a couple weeks time and if no more petitions come in, the township proceed with the work required to install water for Plymouth Gardens and Bradner road residents. This suggestion met with complete agreement.

Attorney Littell called the board's attention to the fact that he would be on vacation during the month of August and if they wished to start the legal work, he should start drawing the necessary resolutions to be passed. Since the procedure to follow was quite complicated and lengthy, he advised he would mail a brief of the procedure to Supervisor Merriam.

2. Supervisor Merriam advised the board that Mosher Associates had asked that the board consider changing the manner in which Mosher Associates be paid for inspection of sewer installations and instead of a percentage of the sewer installation cost, they be paid on a per diem basis. He asked that this be done as soon as possible, Mosher Associates were losing quite a bit of money on their present inspection job and he would not like this to happen again.

No further business, the meeting was adjourned at 10:20 p.m.

I. The meeting was called to order by President William B. Crump at 7:40 p.m. Present: Messrs. William B. Crump, James F. Kipfer, Wilfred C. Becker, Edward F. Angove, Waldo T. Johnson, Robert H. Shafer. Absent: Donald B. Lawrence.

Also Present: Superintendent R. H. Amerman; Assistant Superintendent K. M. MacLeod; Director of Administrative Services E. V. Ellison; Principals F. Stefanski and D. Van Ingen; Attorney James E. Little.

II. The minutes of the meeting of May 13 were read by the secretary, and, there being no additions or corrections, these minutes were announced approved as read.

The minutes of the meeting of May 27 were read by the secretary and Mr. Crump pointed out that the words "architectural and" should be inserted in Paragraph 7 of Part III, immediately preceding the words "engineering faults". The minutes were approved with this notation.

III. Communications:

1. Wayne County Clerk, advising that final maximum tax rate of \$7.90 per \$1,000 on State Equalized Valuation has been allowed this school district for operating purposes for fiscal year 1963-64.

2. Clarenceville Public Schools, expressing concern that the tax levy on house trailers is too low, and soliciting the cooperation of other school districts in having this remedied.

3. Northwestern Child Guidance Clinic, expressing appreciation of this district's pledge of financial support to the clinic, and advising of its progress to date.

4. Northwest Wayne County Community College, requesting a certified copy of the statement of canvass of the June 10 school election.

5. Wayne County Circuit Court, announcing hearing to be held on July 12, 1963 for the cancellation of 1957 taxes in the amount of \$48.42 on property owned by Donald Poster.

6. Jean Fitzgerald, High School Faculty, resigning to be married.

7. John Malcomson, returning contract, with information he has accepted another position.

8. Mable Schwartz, Elementary Faculty, resigning.

9. Wayne County Association of School Boards, enclosing resolution proposed by Dearborn School District No. 8, expressing concern regarding treatment of minority groups in textbooks.

10. Donald B. Lawrence, resigning from Board of Education.

IV. Report of Superintendent:

1. Resignations — it was moved by Mr. Becker that the resignations of Mrs. Fitzgerald and Mrs. Schwartz, from the high school and elementary faculties respectively, be accepted, effective at the end of the 1962-63 school year. The motion was seconded by Dr. Johnson and carried.

2. Finances — Mr. Ellison reported that the current financial statement shows a sufficient General Fund balance, with anticipated receipts for June, to carry us through July 1. He would like authorization, however, to procure the forms for applying for permission to borrow both against next year's State Aid and against taxes, resolutions to be passed at the July 1 board meeting. So moved by Mr. Shafer, supported by Mr. Becker. Motion carried.

4. Teacher Contracts — Dr. MacLeod presented contracts for Board approval for the following people: Mrs. Florabel Sullivan, elementary; Mrs. Susan Shutes, junior high physics; Ed. Miss Wilma Kofford, elementary. It was moved by Dr. Johnson, supported by Mr. Becker, that these contracts be approved. Carried.

5. School Census — Dr. MacLeod gave the board a preliminary report on the 1963 census figures, showing a total of 704 children under five years in the district and a total of 2,371 children between the ages of five and nineteen. This reflects a drop in the number of children under five for the first time since 1954.

6. Michigan School Board Association — it was moved by Mr. Shafer that the dues for 1963-64 in the amount of \$160 be paid to the association. Mr. Angove seconded the motion. Carried.

7. Diplomas — Mr. Stefanski has advised the Superintendent that Eleanor Hill Usher and Charles Yerkes have completed their diplomas.

month of May: Current Taxes, \$24,536.67; Delinquent Taxes, \$2,362.19; Interest on Taxes, \$105.62; Tuition, \$1,651; Primary Fund, \$42,426.80; State Aid, \$37,475; Gift, \$100; Reimbursement from Cafeteria, \$2,846.

VI. Report of Treasurer:

Dr. Johnson reported the following balances in the school accounts as of May 31:

Name of Account	Cash	Savings	Total
General Fund	\$129,657.57		\$129,657.57
1936 Bond & Coupon Account	30.00		30.00
1954 Debt Retirement Fund	18,226.41	\$2,283.60	46,510.01
1957 Debt Retire. Fund, Series A	10,233.06	17,905.83	28,138.89
1957 Debt Retire. Fund, Series B	48,278.52	65,158.78	113,437.30
1957 Debt Retire. Fund, Series C	20,017.90	25,438.27	45,456.17
Stadium Receiving Fund	611.44		611.44
Stadium Bond & Int. Redemption	1,275.00		1,275.00
Stadium Op. & Maintenance Fund	101.88		101.88
Stadium Replacement Fund	200.00		200.00
Cafeteria Account	7,803.31		7,803.31
Internal Accounting Fund	87.88		87.88
TOTALS:	\$236,522.97	\$136,786.48	\$373,309.45

There being no further business to come before this meeting, it was moved by Mr. Shafer that the meeting be adjourned at 9:40 p.m. Motion seconded by Mr. Kipfer and carried. Wilfred C. Becker, Secretary

★ ★ ★

Regular Meeting, July 8, 1963.

I. The meeting was called to order by President William B. Crump at 7:30 p.m. Present: Messrs. William B. Crump, James F. Kipfer, Wilfred C. Becker, Edward F. Angove, Robert H. Shafer, William B. Templeton. Absent: Dr. Waldo T. Johnson. Others present: Assistant Superintendent K. M. MacLeod; Director of Administrative Services E. V. Ellison.

II. The minutes of the last regular meeting on June 10th and of two special meetings, on June 24th and July 1st, were read by the secretary, and

VII. Report of Auditing Committee:

The Auditing Committee approved the following bills and payrolls for payment: General Bills, \$7,465.52; Payrolls, \$34,549.66; Cafeteria, \$7,084.45. It was moved by Mr. Shafer and supported by Mr. Angove that the bills and payrolls be paid. Motion carried.

VIII. New Business:

1. Bids on School Bus — The Secretary opened and read bids from nine dealers on body and chassis for a new school bus. It was moved by Mr. Shafer that all these bids be given to Mr. Ellison for analysis and recommendation. Seconded by Mr. Kipfer and carried.

2. Insurance Bids — Mr. Ellison has analyzed the bids received last month on fleet insurance and recommends that we again insure with the Harold Bloom Agency at the bid price of \$941.25. So moved by Dr. Johnson. Mr. Kipfer seconded the motion, which was carried.

3. Resignation — it was moved by Mr. Becker and supported by Mr. Angove that the resignation of Mr. Donald Lawrence from the Board of Education be accepted with deep regret. Motion carried.

4. Diplomas — Mr. Stefanski has advised the Superintendent that Eleanor Hill Usher and Charles Yerkes have completed their diplomas.

IX. Adjournment:

There being no further business to come before the meeting, it was moved by Mr. Kipfer that the meeting be adjourned, at 9:20 p.m. Motion was seconded by Mr. Templeton and carried.

NOVI HIGHLIGHTS

Mrs. Grace Carlisle of Roy, Ark. is the house guest of Mr. and Mrs. Trickey Sr. on East Lake drive, for a few days.

Mr. and Mrs. Charles Trickey, Jr. of Tecumseh were in town for a while Saturday. They dropped in at the Novi school reunion.

There were approximately 45 present at the Novi school reunion Saturday. They came from Union Lake, Detroit, Northville, South Lyon, Pontiac, Tecumseh, Farmington, Garden City, Livonia and Novi. The present officers are: president, William MacDermid; vice president, Keith Branch; secretary and treasurer, Dorothy Snow and recording secretary, Russ Taylor.

Mrs. Mary Button and son, Jimmy, of Englewood, California were the guests of her brother-in-law and his wife, the Russell Buttons over the weekend. On Sunday they had a family gathering of the brothers and sisters and their families. They were Mr. and Mrs. Gordon Blakeslee and son, Rick of Okemos, Rev. and Mrs. Ronald Button of Davison and the Ray Warren family.

On Monday, Mrs. Button and son left for Detroit to visit her brother, John Button. Later in the week she will visit friends at Bethesda, Maryland then return to her home at Englewood, California.

In Justice Court

A Livonia man was fined \$10 by Judge Robert K. Anderson Thursday in Novi justice court for driving recklessly.

Emmanuel Woods was found guilty of the June 10 violation which took place on Novi road and I-96.

True Gilles, 19, of Saginaw pleaded guilty to counts of having fireworks and liquor in his possession June 29 in the Walled Lake Amusement park parking lot. He was fined a total of \$35.

Bernard Skop, Jr., 17, and Arthur Heckman, 18, both of Southfield, were fined \$25 apiece on drunk and disorderly charges. In addition, Skop was put on three-months probation for the July 7 disturbance at the Casino.

Two men were guilty of disorderly conduct June 30 at the Casino. Dennis Wright of Southgate paid a \$25 fine and Donald Lamontagne paid \$20.

Eugene Hammelt, 19, Denny Bakfi, 17, and Albert Tiseo, 20, all of Detroit, paid fines of \$5 each for having liquor

in their possession June 30 on South Lake drive.

Robert Donnelly, 17, of Drayton Plains and Dale Meyers, 19, of Clarkston, guilty of having liquor in their possession June 28 on 12 1/2 Mile road, paid \$25 fines.

Three persons were ticketed for traffic violations. George Sleeper of Farmington, guilty of driving with a defective exhaust June 30 on Grand River, was fined \$5. Edsel Stanley of Orchard Lake failed to stop in the assured clear distance on 14 Mile and Haggerty roads June 29 and was fined \$10.

Alice Ackerman of 4310 Nine Mile road was fined \$10 for failing to stop for a stop sign July 3 at the intersection of Nine Mile and Novi roads.
