## Planning Grant Sought by City

The city council Monday night authorized application for a "701 Planning Assistance Grant" from the federal government.

Specifically, the grant would permit the city to complete its master plan for the community — probably within 18 months — and to determine what action should be taken for future area development.

Cost of complete development of the master plan would be some \$16,000 of which the federal government would pay \$12,000.

The Northville township board recently authorized similar action through its planning consultants, Villican & Leaman. The city works with the planning firm of Waring & Johnson.

City Manager Bruce Potthoff explained that the planning commission has moved as far and as fast as it can in master planning. He noted the need for more funds to complete the job within a reasonable time.

Completion of the planning study permits city fathers to determine what moves are necessary for proper future development of the city. It could be decided, for example, that urban renewal projects should be proposed for certain portions of the community.

A reply to the request for the assistance grant is expected to take two or three months.

In other business Monday the council heard Richard Ritchie complain of the city's morning and evening parking ban on North Center street.

Ritchie was chiefly disturbed because the ban was "in effect Saturdays and Sundays. The city manager explained that this had not been the intent and that it would only apply on week days for heavy commuter traffic.

Ritchie also questioned the need for the morning ban on the west side of the street. The council noted that the police department would continue to issue courtesy tickets for parking violators on Center street until more signs are erected.

Councilmen also heard a request from Ted Marzoni and Ed Zwiwec of Northville Estates for cleaning of vacant lots, grading culverts and eliminating a dangerous swampy area in the subdivision. The city manager assured them that the matter was being given attention. Mayor A. M. Allen and Councilman John Canterbury also assured the residents that the council "had not forgotten" Northville Estates and welcomed their complaints and suggestions. The west Eight Mile road area was annexed to the city at the initiation of residents. It had been in Novi township until some three years ago.

The council learned that entire completion of the grounds at the Scout-Recreation building would cost an estimated \$16,000. Engineer Harold Penn submitted the estimates based on erection of two tennis courts, skating rinks, fencing, handball courts, swings and parking.

"This goes far beyond our means," noted Councilman Canterbury. Councilman Richard Ambler, a member of the recreation commission, commended the plan but agreed it was too expensive. He proposed taking the plan to the commission for priority study.

Finally, the council authorized purchase of a new Ford police car from John Mach agency, low bidder at \$1124 including trade-in.

## Plan New Firm On Novi Road

Plans should be revealed soon for construction of a sales and service office to house the Michigan Tractor & Machinery company on Novi road. The Record learned this week.

According to Thomas W. Pinney, official of the Detroit firm handling sales, service and repair of Caterpillar earthmovers, drawings and financing are now underway for the new building. Completion of these is expected within a month.

Current plans call for the start and possible completion of an initial building of between 20,000 to 25,000 square feet in size yet this year. Preparations of the Novi road site already are underway, he noted. The property owned by the firm in Novi, some 18 acres in all, is located south of the C&O railroad on the east side of Novi road.

## Race Meet Pays City \$107,000 Tax

Northville Downs closed its 20th season last Wednesday evening (July 31) with the biggest crowd of the year.

The 45-night meet ended with 7,000 fans on hand. It was the climax to a three-day celebration at which all fans were admitted free of charge.

Monday night attracted 5,800 fans and Tuesday was the second biggest gate of the year with 6,900 fans.

Betting-wise the season was labeled a success by Executive Manager John Carlo.

The total mutual handle was \$107,767,010, for an average of \$239,267 wagered nightly. This represents an increase in betting of 5.9 per cent over 1962.

The hike was a source of good news for the city, too. It means that \$107,670 will be returned by the state in tax monies to the city's general fund. The current budget anticipated \$106,000.

Last year the city received some \$97,000. The increase to the city was a result of three additional nights this season plus the boost in average mutual handle.

Five per cent of the total mutual handle is paid to the state in taxes. The city receives 20 percent of the state's share. State law limits a city to a maximum of \$500,000 annually.

This year's tax returns represent the largest sum ever collected by the city from the local harness racing facility.

The past season falls far short of being the biggest ever enjoyed by the Downs, however. In 1952 fans wagered \$12,130,530 in a 53-night season. Northville was not a city at that time, however, and the law did not provide for tax returns to villages. Before city incorporation the Downs paid the village \$500 nightly.

While betting was up, attendance was down nearly the same percentage, 5.7. Total admissions this year were 197,136.

## Water Supply Near For Township Area

### Expect Source From Plymouth

Northville township officials moved forward this week with plans to provide water for residents of the southeastern portion of the township where well water sources are running dry.

Supervisor R. D. Merriam revealed that the board is currently negotiating with both the city of Plymouth and Plymouth township for water.

It appeared more likely that the supply would come from the city. Supervisor Merriam noted that the city of Detroit had declined service to the area but suggested negotiations with Plymouth township, which derives its supply from Detroit through Livonia.

Meeting in special session last week (Wednesday night) the board adopted a resolution authorizing the preparation of plans and cost estimates for water lines to serve Roberta and Lakeside streets in Plymouth Gardens and a single-lot deep strip along both sides of Bradner from Five Mile road to Franklin.

Petitions containing signatures of 70 percent of the affected property owners of the above area proved legally accurate and were approved by the board.

The balance of the township area facing water shortages — specifically, east of Plymouth Gardens along Five Mile road including Portis, Robinwood, Marilyn, Maxwell, Fry and Park Lane — will not be included in the area to be immediately served. Petitions from this area did not contain the required number of

signatures, Merriam noted.

It is anticipated that a public hearing will be called within three weeks to open the special assessment procedure which must precede actual construction of lines. The township's consulting engineers, Mosher Associates, are now preparing plans and cost estimates for the first of two public hearings required.

Property owners will be notified by first class mail of the hearing date, Clerk Margaret Young explained. Notice will also be published in the newspaper 10 days prior to the hearing.

Most of the area along Bradner between Five Mile and Franklin included in the water plans represents some 25-40 homesites of a proposed 250-home subdivision. The development was undertaken initially more than five years ago with the installation of a sewer line. It was dropped when water was unavailable.

Wells in the Plymouth Gardens subdivision of \$30,000 to \$40,000 homes have been running dry for more than a year. The 18-20 homeowners in the area instigated the action for a water system in an appeal to the township board earlier this year.

At Tuesday night's meeting of the board two residents of the area attended to inquire of progress. One of them, D. H. Dodge of 15531 Lakeside, reported that he has no water and that he has drilled three wells to date. His only source for house use is to pump from Phoenix Lake, Dodge told the board.

Petitions from the Plymouth Gardens area represented nearly every property owner. They were turned in several weeks ago but had to be examined to determine authenticity of property ownership.

Circulating of petitions began after Township Attorney James Littell explained the special assessment procedure for construction of lines and noted that the district to be served must produce petitions signed by at least 51 percent of the property owners of record.

In preliminary examination of costs the engineering consultants estimated the cost per home-owner at \$1,200. Under the special assessment procedure this may be financed over a 10-15 year period.

In conjunction with a national program emphasizing highway safety the Jaycees are planning to conduct a safety-check clinic on Saturday, August 17 from 9 a.m. until 4 p.m. between the Seven Mile road cut-off and Beal street on South Main.

Just how safe is the car you drive?

If you're not sure, Northville Jaycees will give you an opportunity to find out how at least 10 points of your automobile check out safely-wise.

The Jaycees will check such items on the car as tires, exhaust, steering, brakes, windshield, etc.

**NEW OFFICERS**—Appointment of two new police officers to replace Huston Butler and Peter Pletsch, both resigned, was announced this week by City Manager Bruce Potthoff. They are (l. to r.) Louis Westfall and David D. LaFond. They were chosen from nine applicants who took written and oral examinations. Westfall resides at 602 Grace and has been an auxiliary policeman and fireman. He is married and has four children. LaFond was graduated from Northville high school and attended Ferris Institute for one year. He resides in Novi with his wife and one son.

## Name Hoffman Managing Editor

The appointment of Jack Hoffman as managing editor of The Northville Record-Now News and The South Lyon Herald-Whitmore Lake News was announced this week by Publisher William C. Sliger.

In the reshuffling of personnel at the community newspapers John Hobart, Record advertising manager, was named director of advertising for all publications.

Hoffman has been managing editor of The Herald for the past 2½ years. He formerly served as news editor of The Record.

While Hoffman will direct the news coverage of both publications, he will take a more active part in the coverage of Northville-Now activities.

Former news editor, Mrs. Margaret Silbar, has moved to Baltimore, Maryland where her husband will undertake

research work as a physicist. Hoffman will continue to reside in South Lyon with his wife and five children. He has been active in many community affairs there and presently serves as president of the Kiwanis club.

Hobart, who has handled advertising in both Northville and South Lyon, recently moved to Northville and resides with his wife at 830 Grace.

**GOING UP** — Work on the new Anger Manufacturing building on old Novi road moved ahead at a fast clip this week. The \$140,000 project is being constructed by Beniecke and Krue, developers of Village Green subdivision, for the Southfield stamping industry which hopes to move to Northville in early September. It's located on a 3.7 acre site south of the Eight Mile road cut-off where old Novi road ends. It will employ 25-30 persons.

## Council Finds Way To Help Industry

City councilmen were torn between desire and duty Monday night but finally came up with a solution that seemed to be a satisfactory compromise.

The problem was a matter of sewer and water line expense to the new Anger Manufacturing plant. Richard Beniecke, representing the builders of the industrial plant, had requested that the

city pay half of the cost of the extension of the lines to the plant.

Beniecke based his request on a contract between the city and Beniecke and Krue, developers of Village Green Subdivision, in which it is stipulated that the city and the developer will share in the cost of improvements on streets bordering the development. The subdividers pay 100 per cent of the cost on all interior streets.

But City Attorney Philip

Ogilvie, in an opinion read to the council Monday night, didn't agree. He said the plant is not on a bordering street and that the city is under no obligation to share in the cost of extension of water and sewer line facilities so far as the contract is concerned.

Total estimated cost of extending water and sewer service to the industrial site is \$8,400.

While all members of the council expressed a desire to assist on the basis that a new industry helps the economy of the community, it was noted that legal justification for spending public monies is essential.

Finally, it was noted by Councilman Richard Ambler that the extension of facilities will serve approximately 12 acres, four of which are owned by the city at the well site.

He proposed a formula whereby the city would pay for its share of benefit, or about one-third the cost. Councilman John Canterbury noted that the city already had a water line to its property, so only the sewer service could be considered.

Total cost of the sewer line was estimated at \$5,370. Under the proposed formula, the city would share in about one-third of this cost.

The city attorney was directed to draft a contract for the agreement and the council unanimously approved the plan.

Here's how Novack described the three hour spree:

—At 8:30 p.m., a boy and girl were assaulted and robbed in Cass Benton Park by all four youths.

—At 9:24 p.m., the quartet assaulted and robbed a boy and girl on Parkside drive.

—Another couple was manhandled at 9:30 p.m. at Five Mile and Northville roads by all four youths.

—Galofaro left his companions, who went to a party at Eight Mile road and Pontiac trail where a fight broke out.

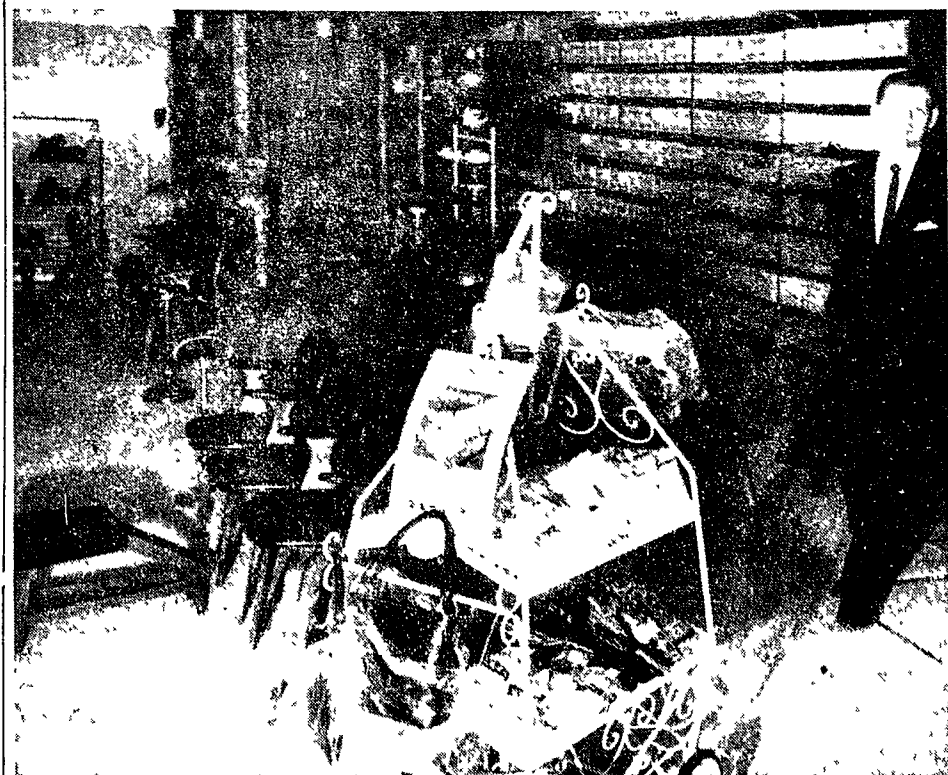

—At 11:26 the three remaining youths assaulted and robbed a girl and boy on Parkview drive.

—Two couples were dragged from their car and "slapped around" on Woods drive at 11:37.

—At 11:45, the trio abducted the 18-year-old girl on Wilcox drive and drove around with her in the car for nearly two hours.

Not all the girls in the six separate incidents were actually struck by the youths, officers said. Some apparently struggled free or screamed, frightening the youths away.

The Dearborn girl told officers she tried to run away after she and her companion were dragged from their car.

**OFFICIAL GREETER** — Smiling Del Black will greet visitors to his new shoe store, 153 East Main, at its grand opening celebration starting today. "Del's Shoes" features a complete line of shoes for the entire family. In the background of the new interior may be seen the "kiddie corral", where youngsters can "round up" their footwear. The grand opening will continue for two weeks. It features gifts and prizes.

## After Park Rampage

## Charge Youths With Kidnapping

Four rampaging area youths are in jail today awaiting trial following a string of robberies and beatings last Friday night in Edward Hines parkway near Northville and Plymouth.

Three of them are charged with kidnapping a girl.

James Rembowski, 17, of 19450 Maxwell road, Northville, and Dennis Podlack, 19, of 5780 West Six Mile road, South Lyon, pleaded guilty Monday to counts of unarmed robbery and kidnapping before Canton township Judge Ralph Foote.

Samuel Galofaro, 19, of 52725 West 12 Mile road, Wixom, pleaded guilty to robbery unarmed.

All waived examination and were remanded to the Wayne county jail in lieu of \$15,000 bond to await trial in Wayne county circuit court.

### Mitchell — Lanning

Mary Margaret Mitchell and Donald Jay Lanning, Jr., both of Northville, exchanged wedding vows at the Northville Methodist church on Friday evening, July 26.

Officiating at the candlelight ceremony was the Rev. William Richards, pastor of the Clarkston Methodist church and uncle of the bride.

The bride is the daughter of Mr. and Mrs. Melvin P. Mitchell of 19355 Fry road, and the bridegroom is the son of Mr. and Mrs. Donald J. Lanning, Sr., of 10029 West Seven Mile road.

For her wedding, the bride wore a gown of white French imported chantilly lace with a sabrina neckline trimmed with sequins and pearls. It featured a V-shape bodice drifting skirt with cathedral train. A two-tier cascade bouffant veil was attached to a pearl tiara-type crown.

She carried a white orchid.

encircled by feathered carnations and ivy.

The maid of honor, Pamela Kay of Northville, wore a light green lace over green taffeta, belle-skirted dress. Patricia Mulligan of Livonia, Mary Lanning, sister of the groom, and Anne Richmond Thompson of Hubbard Lake, were bridesmaids of pink, blue, yellow lace over belle-skirted satin. Shoes matched the ensembles.

Each of the bride's attendants wore a short nylon veil attached to petal bow clips that matched their dresses.

Carrie Mitchell, niece of the bride, was the flower girl. She wore a light blue lace over white satin gown, and carried a bouquet of carnations as did the bridesmaids.

Serving as best man for his cousin was Robert Larson. Senior ushers were Fredric and Richard Mitchell, brothers of the bride, and Ricky Richards, cousin of the bride. The junior ushers, James Mitchell, brother of the bride, and Louis Lanning, brother of the bridegroom, wore boutonniere white carnations as did the senior ushers.

Some 300 guests attended a reception luncheon in the Northville VFW hall. Mrs. Olive Richmond of Hubbard Lake, cousin of the bride, received the guests. Janie Patterson of Belleville attended the bridal book, Joyce Mitchell opened gifts, and Harold Martens and his orchestra provided the music.

Guests came from Farmington, Salem, South Lyon, Belleville, Detroit, Livonia and Clarkston.

For her weekend wedding trip to Briggs Lake at Brighton, the bride wore a beige, summer two-piece suit with beige shoes and orchid corsage.

The couple will live at 60 Bedell street in Belleville.

The new Mrs. Lanning is a 1963 graduate of Northville high school, and the bridegroom was graduated from Northville high school in 1962.

Mrs. Robert L. Bradshaw

### Couple Weds At Muskegon

Sandra Lee Morgan became the bride of Robert L. Bradshaw of Northville in a wedding ceremony at St. Mary's Catholic church, Muskegon, on Saturday, August 3.

The bride is the daughter of Dr. and Mrs. Howard Morgan of Muskegon. The bridegroom is the son of Mr. and Mrs. Bruce Bradshaw of 19061 Sheldon road, Northville.

For her wedding, the bride wore a white peau de soie sheath with leaf applique. Her veil was of French illusion and was held in front by a satin rose. She carried a cascade arrangement of white gardenias, stephanotis and ivy.

Attending her were her sister, Gloria Jeanne Morgan, and her cousin, Linda Morgan, who wore identical gowns of lavender and pink chiffon over silk taffeta, and carried cascade bouquets of purple and pink asters.

Mr. James C. Green of Pontiac was the bridegroom's best man. Ushers included Mr. Robert J. Morgan, Jr., and Mr. Richard G. Morgan.

After a reception at the home of the bride's parents, the newlyweds left for a vacation in upper Michigan.

### McKarns — Lohrey

In a candlelight setting at the Alumni Memorial Chapel at Michigan State university, Sharon Lynn McKarns and Dennis Robert Lohrey were joined in holy matrimony.

The Rev. Ervin Seidel, pastor of St. Stephen Lutheran church of Wausau, Wisconsin, officiated.

The bride is the daughter of Mr. and Mrs. Donald McKarns of 10359 West Six Mile road, and the bridegroom is the son of Mr. and Mrs. Wilbur Lohrey of 310 Park Avenue, Wausau, Wisconsin.

Given in marriage by her father, the bride wore silk organza over white taffeta, featuring hand-clipped and patterned Venise lace. A molded bodice, accented with the lace below the bustline, continued to the back extending down into a deep V-shape where a small bow was attached. The short sleeves were of lace, and the portrait neckline was trimmed or framed with the lace. Long organza mitts were worn.

The A-line skirt was trimmed in front with appliques of the lace, starting from each side and curving down to about knee depth. Unpressed pleats, which fanned into a wide chapel train, highlighted the back, and a plateau of organza petals from which fell a shower of

small pearlized orange blossoms, held her triple bouffant veil of French illusion.

She carried a crescent shape bouquet of white camellias and spartan roses accented with ivy and camellia foliage.

Miss Laureen McKarns, sister of the bride, was the maid of honor, and Miss Bonnie Lohrey, sister of the groom, was the bridesmaid.

The bride's attendants wore identical gowns of apricot organza over matching taffeta. The bodice featured a modified scoop neckline and elbow sleeves. They wore A-line skirts (like the bride's gown) with the unpressed pleats and bow in the back. Matching open crowns with circular veils were the headpieces.

Both girls carried crescent shape bouquets of peach camellias and white fuji pompoms accented with camellia foliage.

Jack Achterberg was the best man, and Jack Lohrey and William Phillips served as ushers.

For her daughter's wedding, Mrs. McKarns wore peacock silk organza over matching taffeta. Princess sheath with tunic was accented at the bottom with deep points of alecon lace extending upward. The gown featured a modified scoop neckline, cap sleeves and harmonizing accessories.

The groom's mother wore a cocoa sheath dress of lace over taffeta. It included a scalloped neckline, elbow sleeves and harmonizing accessories.

Both mothers wore corsages of spartan roses.

Following the wedding, 100 guests attended a reception in the Alumni Chapel Lounge. Guests came from Wausau, Wisconsin, Duluth, Minnesota, Bryan, Ohio, Birmingham, Lansing, Troy, Livonia and Northville.

For her wedding trip to the Southwest and the west coast, the bride wore an egg-shell linen jacket-dress accented with burnt orange.

The new Mrs. Lohrey and her husband are June graduates of Michigan State university. He is a member of Delta Sigma Phi and Pi Sigma Epsilon.

Following their honeymoon, the couple will move to Wausau. A reception dinner will be given by the groom's parents at the Hotel Wausau upon their return August 24.

Mrs. Dennis R. Lohrey

### Area Women's League Plans September Show

Plans for an antique show to help raise money for the Plymouth Symphony Orchestra were revealed this week by the Plymouth Symphony Women's League.

The show is scheduled for September 6, 7 and 8 from noon until 10 p.m. on each of these three days. It will be held in the Grange Hall and Community Center building, located on Union street in Plymouth.

Some 23 dealers from throughout the area, according to show officials, will exhibit a variety of desirable antiques running the gamut of old, old postal cards to fine, warm colored American furniture; from fragile European and American china to sturdy stoneware; and jewelry, jars, jugs, coins, cans, clocks, and guns.

The show is part of the Plymouth Fall Festival, a three-day event which will include a fish fry on Friday, pancakes and sausages on Saturday, and the traditional chicken barbecue on Sunday.

Members of the show committee are:

Mrs. Ray Hulce, general chairman; Mrs. Thomas Adams, refreshments; Mrs. Wilson Augustine, dealers and publicity; Mrs. K. L. VanAntwerp, dealers; Mrs. Robert Jenkins, properties; Mrs. John Moehle, publicity; Mrs. Carl Schultheiss, properties; Mrs. David D. Wood, decorations; Mrs. Margaret Hough, publicity; and Mrs. Donald Whitesell, general.

### Plan Picnic

Northville's Fraternal Order of Eagles will hold its annual picnic outing Sunday, August 11 at Cass Benton Park "under the willows".

A potluck dinner will be served; along with free refreshments. Members and guests are asked to bring their own place settings.

Visiting their son and his family in Northville are the Joseph Maas' of Tilburg, Holland. Standing (l. to r.) are Joseph and Jack Maas. Seated, the senior Mrs. Maas with her grandson, Steven, and her daughter-in-law.

## Netherland Couple Praises Northville

A pair of Netherlands visitors would move into Northville tomorrow if they could.

For, say Mr. and Mrs. Joseph Maas of Tilburg, Holland, "everything's cleaner here and the living's cheaper."

"You probably think of the Dutch as an exceedingly clean people," observed Mrs. Maas, here visiting her son and his family, the Jack Maas' of 128 Walnut.

"And it's true we wash everything — our houses, our streets," she continued. "But we wouldn't bother to throw anything in a trash basket. Cigarette papers, candy wrappers and the like get tossed on the ground."

As for the prices, the senior Maas' raise their arms in despair at the very mention.

Mr. Maas explained that everything's about three and three fourths more expensive in Holland than in the United States.

He, as a foreman in one of Tilburg's famous textile factories earns a good wage, but not one big enough to permit him to own a car, a washing machine or an electric dryer.

With the average Dutch wage set at 90 gulden a week or about \$25, there's no room for luxuries, Mr. Maas reported.

He noted that, in his own case, it took plenty of skimping to save 1470 gulden, the price of a television set.

Now that the senior Maas own the T.V., they're still paying: 36 gulden, a year to defray the cost of programs.

"There are no commercials in the Netherlands," according to Mrs. Maas.

But neither are there the light programs like in this country, she said. "The Belgian and Dutch programs are either newscasts or concerts featuring chamber music," she continued. "So whenever we watch, we see American programs such as Bonanza, Perry Como and Perry Mason."

There are advantages to living in a welfare state, Mr. Maas pointed out. "The rent's low — 24 gulden a month. There's government medical care and 90 percent of your wages are paid if you're sick a year."

But, he like his wife, would still rather live in Northville where eggs cost a nickel instead of 20 cents.

## News Around Northville

Visitors on Clement road this week are a former Northvillian, Mrs. Marjorie Chase Crawford, and her family.

The Crawfords will be spending two weeks with Mrs. Crawford's brother and his family, the Philip Chases, and her mother, Mrs. Ruth Chase.

Mrs. Crawford, her schoolteacher husband Don and their three boys traveled here from their Coalonga, California home via the western national parks, camping out along the way. The Crawford boys: Steve, 11; Jimmy, 10, and Tommy, 8.

The Wynn Wakenhuts of Conemara drive spent last weekend at Interlochen, visiting their son Gary who's a recording supervisor at the camp.

Highlight of the visit was a performance of H.M.S. Pinnafore.

Word comes from Western Michigan university that Michael Adas is among the 109 university students on the high scholarship list for 1963.

Michael, the son of Mr. H. A. Adas of 21371 Stanstead, is a junior in the liberal arts curriculum, majoring in political science. He graduated from Northville high school in 1961.

Home from a two-week camping trip in Maryland are the Clarence Jeromes of Dubuair street.

The Jeromes lived in their house trailer in Elk Neck State park near Baltimore.

While there, they spent some time with their son, Gerald, who's stationed at the Bainbridge Navy base.

The granddaughters of Mrs. James Spagnuolo of 113 East Main have returned to their Ypsilanti home after a four-week stay in Northville.

The young Melbourne misses, Joanne, 9, and Tony Marie, 10, explored the city from end to end during their vacation.

A Northville native, Jesse Bybee, has been appointed instructor in electrical engineering in the University of Cincinnati's college of engineering.

Mr. Bybee, who resides in Fairfield, Ohio, with his wife and two children, is a project engineer for the Cincinnati division of the Bendix corporation.

Off for five days of fun in St. Louis, Missouri, are the Macy Prices of Mayo court.

Accompanying Mr. and Mrs. Price, who left last week, were their three youngsters: Britt, Macy and Jimmy.

The J. F. Greens of East Cady street were houseguests in Grosse Pointe last weekend. Their hosts: Mr. and Mrs. Robert Monroe.

Tomorrow, Mrs. D. E. Hannabarger of 220 N. Wing will be off for Illinois and a reunion planning session.

She's chairman of her family's annual reunion this year, set for August 18 in Lanark, Illinois.

The two young Hannabarger boys, Greg, 11, and Cress, 9, will be traveling with Mrs. Hannabarger.

While she's busy planning in Lanark, they'll be playing on the nearby Shannon farm of Mrs. Hannabarger's sister and brother-in-law, Mr. and Mrs. Richard Weber.

Five Northville families added a day to this past weekend and relaxed at Greenbush Inn, 16 miles north of Oscoda.

Their hosts were Novi Village President Joseph Crupi and his wife, owners of the inn.

Making up the party, which left Friday, were the William Kelly, Dean Lenheiser and Milton West families, Mr. and Mrs. Earl Dorsey and Mr. and Mrs. Ed Ward.

The Charles F. Carringtons of 220 Hill hopped in a bus a week ago Sunday to head for a family picnic of the Kennedy clan.

The bus belonged to Mrs. Carrington's brother and his family, the Glen Kennedys, visiting here from California.

All headed for Dexter where 18 members of the family chatted, ate and played the day away.

Mr. and Mrs. Robert Casady and sons, Warren, Brooks and Kevin left Monday morning for their home at Novato, California following a three-week visit at the home of her mother, Mrs. LaVern Van Horn.

On Sunday, friends and relatives of the former Northville residents gathered at the Van Horn home to say goodbye and wish the Casadys a safe trip home.

Feted July 28 at a cook-out at the home of Mr. and Mrs. George Young, 905 Spring drive were the Robert Palenchars, who are departing for their new home in Grosse Pointe Woods.

Eighteen friends gathered to wish them farewell.

Fifteen friends of Mrs. C. A. Lipa attended a farewell coffee at the home of Mrs. H. O. Evans, 20311 Woodhill, last week. The Lipas have since moved to Utica where Mr. Lipa has been appointed branch manager of Metropolitan Savings and Loan. Assisting Mrs. Evans in arranging the farewell were Mrs. Robert Palenchar, Mrs. Robert Lang and Mrs. Wayne Wilcox.

Pat Siok, Carol Lemmon and Margie Baker, all of Northville, have just returned from a two-week vacation which included tours of Cape Cod and New York City.

Visiting in Northville is the Hugh Babbitts' son, Lou, and his family. This past week, all but the senior Mr. Babbitt have been swimming and relaxing in the sun at the Babbitt cottage.

Members of the Ralph Foreman Jr. family were guests recently at a Hawaiian Luau at North Lake in celebration of the birthday of Louis Foreman of Chelsea, formerly of Northville and Plymouth.

Mr. and Mrs. John O'Connor of Plymouth were co-hostesses of the gala event.

Guests from this area included the Earl Merrimans and the Frank Kellers of Plymouth, the Johnny Ottens of Detroit and the Ralph Foremans.

Mrs. H. D. Henderson  
Mrs. Kenneth Rippey and  
daughters Diane and Cheryl re-  
turned to their home at San  
Dimas, California on Monday,  
after spending five weeks with  
Mrs. Rippey's parents, Mr.  
and Mrs. R. E. Wendland and  
family.

Visitors at the home of Mr.  
and Mrs. J. D. Mitchell are the  
latter's sister and family,  
Captain and Mrs. Preston  
Sampson and children from  
Brossier City, Louisiana. Cap-  
tain Preston has now retired  
from the service.

Mrs. Bernard Marchetti and  
children Sharon, Penny and  
Rickey are having two weeks  
of vacation at Houghton Lake.

Mr. and Mrs. Willis Miller  
and daughters Marguerette,  
Janeen and Pamela had a  
busy weekend. On Saturday  
they went to Bellevue, Ohio  
to visit the Seneca Caverns  
and Edison birth place and the  
historical museum at Milan,  
Ohio.

On Sunday the Willis Mill-  
ers visited friends at Lake  
Chemong and Howell.

Mrs. Helen Hallaman is va-  
cating at the home of her  
son Ed Spisak in New York  
City.

from 2 1/2 weeks of vacation in  
the Upper Peninsula and Can-  
ada were the Robert Hansons  
and their children, Denise,  
Jay and Eric of Taft road.

Mr. and Mrs. Andy Burgess  
spent the weekend at Algonac,  
Michigan with some friends.

Mrs. Rena Linder has been  
on the sick list for several  
days. Her visitors last Friday  
were her nieces, Mrs. Mary  
Hession, Mrs. Coral Bliss and  
Mrs. Eva Bell Titler from  
Stanton and Mrs. Nyla Wilson  
and daughter, Hazel Lessler,  
from Detroit.

Mr. and Mrs. Richard Ritter  
Sr. and daughters, Judy and  
Kathy and son Wayne and his  
friend are on a camping trip

with their trailer in northern  
Michigan this week.

Rose Button, daughter of the  
Russell Buttons of Whipple  
street, had several over night  
house guests last week. They  
were Kathy Ward, who spent  
two days with Rose; Ilope La-  
mont, Wednesday night, Bren-  
da Tymensky, Thursday night  
and Jennifer Warren, who was  
the Sunday night guest.

Mr. and Mrs. Lloyd Cole-  
man and Shirley were week-  
end guests of the latter's sis-  
ter and brother-in-law, Mr.  
and Mrs. Al Smith at their  
farm home near Coleman.

Mrs. Lulu Whittington is en-  
tertaining her niece, Miss Ju-  
dy Wamble, from St. Louis,  
Missouri. Miss Wamble will be  
at the Whittington home for  
three weeks.

Last Friday, Mr. and Mrs.  
Glen Stevers of Lakeland, Flor-  
ida were visitors at the home  
of Mr. and Mrs. Al Gow. They  
had lunch at the Saratoga,  
then they visited Mr. and Mrs.  
Al Gow Jr. and family at Ken-  
dallwood and Mr. and Mrs. Ro-  
bert Marr and family in Li-  
vonia.

Dr. and Mrs. H. D. Hender-  
son and their house guest,  
granddaughter Miss Beth Rix,  
of Falls Church, Virginia and  
Mrs. Henderson's sister, Mrs.  
Rose Young of Williamston  
spent the latter part of last  
week at Oak Knoll cottage at  
Pretty Lake, Meosta.

This week Beth is visiting  
her cousins, the Kenneth Pen-  
der family at Kendallwood. On  
Thursday of this week the Ken-  
neth Penders will take Beth  
home to Falls Church where  
they will be guests of Mr. and  
Mrs. Victor Rix and visit his-  
torical places in Washington,  
D.C.

Mr. and Mrs. Starr Heliker,  
will be leaving August 11 for  
one week of camping at the  
IOOF and Rebekah Lodge  
camp at Big Bear Lake. On  
August 15 Linda's sister, Robin  
will start a week of camping  
at the Diabetic Camp at Col-  
umbiaville.

Mrs. Cora MacDonald was the  
dinner guest of Mr. and  
Mrs. Aaron Oliver this week  
on Tuesday.

The Novi Automatic Trans-  
mission Rebuilder garage at  
43021 Eleven Mile road is now  
officially open for business.

The proprietors are Lester J.  
Monger and Dale Hurst.

Starr Heliker will own and  
operate a welding business in  
the same building with Mr.  
Monger and Mr. Hurst.

Pic. William Miller is on a  
21 day furlough from Fort Lil-  
ey, Kansas. He and Mrs. Mil-  
ler are staying at their home  
on Beck road.

Sunday night Mr. and Mrs.  
Stanley Orzechowski had a pic-  
nic barbeque at their home on  
Beck road. Their guests were  
the latter's parents, Mr. and  
Mrs. Harold Miller and her

and Mrs. Andy Kozak, was one  
of the 10 girls who camped at  
Camp Narrin this summer.

Blue Star Mothers

Novi Chapter 47, Blue Star  
Mothers, held their August  
meeting at the home of hospi-  
tal chairman, Irene Kruger at  
Maxfield Lake on Monday.

There were 18 members and  
guests present. The members  
included Mesdames, Mandik,  
Clappison, LaFond, Race, Mil-  
ler, Klaserner, Webb, Johnston,  
Smith, Pritchard and Mrs. Wil-  
liams' from Rochester. The  
guests were Mr. Pritchard  
who took a car load of mothers  
to the meeting and Mrs. Bez-  
aire, Mrs. Mandik's sister &  
the two daughters of the hos-  
tesses.

They made plans for the card  
party and luncheon at the  
Community hall, Tuesday, Sep-  
tember 17.

They also made final plans  
for the annual Veterans picnic  
at the Dexter Huron State  
Park. They will have a picnic  
dinner for between 50 and 60  
veterans from Ann Arbor Vet-  
erans hospital.

Thursday, August 8 Mrs. R.  
E. Ward, Mrs. Olive Clappi-  
son, Mrs. Harold Miller, Mrs.  
Fred Mandik, Mrs. John Klas-  
erner and Mrs. Al Pritchard  
will do shopping-service for the  
Ann Arbor hospital veterans.

Sunday, August 11 the Novi  
Chapter Mothers' will have  
their annual church Sunday.  
They will attend the Episcopal  
church at Ten Mile and Mea-  
dowbrook road. They will have  
their flags and all will be in  
uniform. Peter Tonella, Vicar  
will be the speaker. All the  
mothers are to meet at the  
church at 9:45.

Novi Methodist Church News

The sermon topic for next  
Sunday, August 11 is "Making  
Our Friendships Christian".

and church school at 10:00.  
All visitors are welcome.

The W.S.C.S. sewing bee had  
a good turn out last week. An-  
other sewing bee is planned  
for the near future. A new ball  
is the latest project. The plans  
are all made for the smorgas-  
bord on September 7 at the  
Community hall. Serving will  
begin at five p.m. and will con-  
tinue until all are served.  
Meats on the menu are chick-  
en, ham and polish sausage.

Novi Baptist Church News

The speaker on Sunday, Au-  
gust 4 was Rev. John Losen  
from Butternut, Michigan.  
Special music by Pastor Los-  
en and Mrs. Losen. They sang  
a duet "Oh, It is Wonderful".  
Special number by the choir,  
"Like a River Glorious," di-  
rected by Norm Brower.

At the evening service Rev.  
Losen sang a solo, "Love of  
God." Mrs. Charles Stewart  
sang "Amazing Grace" and a  
special piano solo "His Eyes  
on a Sparrow" was given by  
Miss Judy Doton of Lansing.

Mrs. Clarence Bellefeville,  
Mr. and Mrs. Ray Warren and  
Mr. Leslie Clarke transported  
all the third and fourth grad-  
ers to the Camp Bethany area  
Sunday p.m. Additional young-  
sters going were Karen Clarke  
and Sharon Henry. Eighteen  
went to camp this year.

The Vera Vaughn circle spon-  
sored a work day last Tues-  
day, July 30, and several more  
floors were refinished at the  
church. Luncheon was served  
by Mrs. Les Fishback.

Next work day will be on  
Thursday of this week. The  
kitchen will be cleaned and  
inventory taken.

Beginners, church children  
under the direction of Mrs.  
Jean Van Sickle, had a special  
treat this week. They learned  
the use of the tape recorder  
and enjoyed singing and quot-  
ing memory verses and then  
hearing how their voices sound-  
ed. Mrs. Van Sickle was assist-  
ed by her son, Gilbert. Linda  
Early had a decorated cake  
in the form of a church for  
the occasion.

The Sr. B.Y.F. trip will be  
from August 27 through Au-  
gust 30. They plan to go to the  
State Forest Camp at Honor,  
Michigan. They will make side  
trips to the Sand Dunes. They  
meet at the church early Au-  
gust 27 and return in the eve-  
ning of August 30. Price per  
person is \$5. Deadline for mon-  
ey to be turned in to Judy  
Button is Wednesday, August  
14. The sponsors so far are  
Mrs. Richard Lippert and Mrs.  
John Norwood. A truck is  
needed. If anyone has one  
available please contact Jay  
Warren.

Horse Show  
Attracts Big  
Crowds

Woods and Water Farms on  
Pontiac Trail, South of South  
Lyon, was the scene of the  
11th annual Michigan All-  
Morgan Horse Show this past  
weekend. Over 1,000 specta-  
tors and 100 horses joined to  
make it a success.

Sponsored by the Justin Mor-  
gan Horse association and  
hosted by Walter and Rheda  
Kane, operators of Woods and  
Water Farms, the show fea-  
tured competition in 42 clas-  
ses, including in hand, perfor-  
mance, pleasure, equitation  
and stakes.

Five champions were deter-  
mined during the event, which  
was held for the tenth year  
at the Kane Farm.

Winner of the coveted Grand  
Champion Stallion class was  
"Jazz Man," a four-year old  
owned by the Kanes. Judging  
in the class of four-year olds  
and over was on the basis of  
confirmation (breed character-  
istics) and trotting ability, ac-  
cording to Mrs. Kane.

The Grand Champion Mare  
title went to "Foxfire Susay",  
owned by Walter Carroll of  
Greenhill Farms of Farming-  
ton, "Beau Geddes", owned by  
Mr. and Mrs. James Darling  
of Whitmore Lake won the  
Grand Champion gelding  
crown.

Junior Grand Champion Stal-  
lion "Kane's High Society,"  
owned by Claude Morrette,  
III, of Sylvania, Ohio; and  
Junior Grand Champion Mare  
"D D Spring Doll", owned by  
Gerald Gentry of Coldwater  
were crowned also.

A special award was given  
this year for the first time. In  
honor of Albert Earehart, who  
had attended the Morgan  
Horse Show every year since  
its beginning, but was unable  
to attend this year due to fail-  
ing health, a Hi-Point trophy  
was awarded.

It went to "Nautical Nui-  
sance", owned by Dr. William  
Skellenger of Kalamazoo.

"Nautical Nuisance", how-  
ever, was actually second high-  
point horse of the show.

Mrs. Kane said that "Billy  
B. Geddes", owned by Eddie  
Earehart of Northville placed  
high in five events, making  
him the highest point getter.

Eddie Earehart declined to  
accept the trophy which hon-  
ored his father and deferred it  
to the Skellenger entry.

"Billy B. Geddes" won the  
harness stake class, the Eng-  
lish stake class, the combina-  
tion class, the open English  
performance class, and the  
fine harness class to distin-  
guish himself adequately.

Among the 42 classes in  
which competition was held  
during the two-day event was  
a special Cavalcade Ameri-  
cana review. This year's out-  
standing entry, according to  
Mrs. Kane, was a superbly de-  
corated two-horse team pulling  
a civil war cannon. Attendants  
were costumed in civil war  
uniforms.

Dr. and Mrs. Russell Atch-  
ison of Northville entered the  
exhibit and won the Ameri-  
cana class. Their daughter,  
Rhonda, won the English Plea-  
sure Open class riding "Punc-  
tuality".

## Noisy Vehicles Spark Fines

## In Novi Justice Courts

Four men were fined Thurs-  
day in Novi justice court for  
making excessive noise with  
their vehicles.

John Davison of Detroit was  
fined \$15 for making excessive  
noise with his motorcycle July  
28 on Grand River.

James Bates, Jr. of Detroit  
and John Nicholl, Jr. of Dear-  
born were both fined \$5. Nich-  
oll's violation took place May  
5 on I-96 and Bates caused a  
disturbance July 12 on South  
Lake drive.

All were arraigned before  
Judge Robert K. Anderson.

Richard Kretzschmar of Un-  
ion Lake was fined \$10 by  
Judge Emery Jacques on an  
excessive noise charge. Place  
of the incident was July 27 on  
13 Mile road.

Three other persons were  
brought before Judge Jacques.

Ronald Hadrian, 19, of  
Wayne was found guilty on two  
July 28 counts: driving with an  
expired driver's license on  
Grand River for which he was  
fined \$10, and having liquor in  
his possession, \$25.

William Hage of Wayne, a  
passenger in the car, was fined  
\$25 for buying the liquor for  
Hadrian.

Laura Mannarino of Detroit,  
guilty of making an illegal  
right turn July 22 onto the  
eastbound entrance of I-96  
without signaling was fined  
\$20.

Judge Anderson levied fines  
on two persons for disorderly  
conduct and on three who were  
guilty of traffic violations.

William Fayson of Detroit  
was found guilty of using pro-  
fane language June 30 on Du-  
ana street. He paid a \$15 fine.

Arthur Senior of Union Lake  
was guilty of causing a dis-  
turbance July 29 at the Derby  
bar and paid a \$10 fine.

Donald Lester, Jr. of Farm-  
ington pleaded guilty to driv-  
ing left of the center line June  
1 on 13 Mile road. A fine of  
\$10 was paid.

Alvin Richard of Detroit failed  
to stop in the assured clear  
distance July 4 on I-96. Found

guilty, he was assessed a fine  
of \$15.

Victor Jones, also of Detroit,  
failed to yield the right of way  
July 18 on 13 Mile and Novi  
roads. He paid a fine of \$15.

A Plymouth man was ar-  
raigned Monday before Judge  
Charles McDonald in North-  
ville justice court on four  
counts.

Robert Mettetal II pleaded  
guilty to all charges.

Ticketed July 24 for having  
improper license plates, he  
was fined \$10 and \$5 costs.

He also paid \$5 fines on  
each of the following July 28  
charges: driving a defective  
vehicle, having no registration  
in his possession and driving  
without a valid operator's li-  
cense. The violations took place  
on the corner of Johnston and  
Main streets.

Marvin Gradvahl of Warren  
was found guilty of failing to  
stop in the assured clear dis-  
tance July 13 at the intersec-  
tion of Seven Mile road and  
Main street. He was fined \$35  
and \$5 costs.

**TABBED** — More than 150 Northville youngsters are displaying shiny, new license plates on their bicycles this week. The 24-cent license tabs went on sale last Saturday at the city hall. At the same time Northville Optimist club members gave each bike a safety check. Shown above installing a license tab are Police Chief Eugene King (left) and Optimist President Roger McClain. Looking on (l. to r.) are Mike Schronce and Don Campbell. Bike owners can still purchase licenses at the city hall.

**LET'S TALK CARS . . .**  
**TURNPIKE SAFETY**

Expressway driving is becoming a common practice with most drivers during summer months so perhaps it is in order to mention a few safety pointers that may save you some trouble.

If your car is disabled on an expressway, don't leave it and walk for help. Hang a handkerchief on your doorknob or radio antenna and leave the engine hood up. Police who patrol these roads will pass by before long and render assistance. Incidentally, an expressway tow charge can be quite a convincer that preventive maintenance is a real economy measure.

Expressway speeds can be hypnotic and lull the driver into following too closely. Safest procedure is to travel twenty feet behind the car ahead for each ten miles per hour of speed. This makes a 60 mph speed require the driver to follow at 120 feet or more. All of this distance is required to safely bring the two tons that the average car represents to a standstill in case of an emergency.

Fog horns in low lying areas are now being tried experimentally to warn motorists approaching a fog belt in an effort to prevent chain-reaction rear-end collisions that occur from time to time in these areas.

If you have been hesitating to use toll roads because of the expense, you'll be interested to know that surveys by trucking firms have proven them more economical than alternative public roads for long trips. They require, however, good tires, sound brakes and a car in good mechanical condition.

## Four Recreation Events To Close Summer Fun

Four events will bring down the curtain on the Northville Recreation department's summer program.

Heading the list is tomorrow's Pet and Doll show at Ford Field.

It will be preceded by judging of floats and decorated bikes 6 p.m. at the community building parking lot. A parade to Ford Field will follow, Director Ken Conley announced.

In case of rain, the Pet and Doll show will be held at the same time and place, August 12, noted Conley.

The archery contest will also be held earlier tomorrow at Ford Field.

Youngsters between the ages of six and 11 will test their skill 9 a.m., while those 12 years and over will take up their bows at 10 a.m.

Nine holes of golfing fun are in the offing Monday, August 12, at the Brae Burn golf course.

There will be prizes for boys and girls of all age groups, including awards for the lowest score, ball closest to the pin and the longest drive. Entry fee is one dollar.

Those wishing to participate must meet at the recreation building 8:15 a.m. for transportation to the golf course.

Water fun will be the order of the day Wednesday, August 14, when the recreation department

## Plumbers to Play at Wayne

# Class E Champs Eye Tourney

With the class E 15-and-under baseball title neatly tucked under their belts, the Northville Plumbers will be winging their way to the district tournament August 16-17 in Wayne.

The Plumbers will compete with winners from Wayne, Ann Arbor, Dearborn Heights and Nankin township for the district number three crown. Site of the games will be Wayne Memorial field, behind the high school.

Winner of the district title will then play the district number one champs, 10 a.m. August 20 at Jackson. The state championship game will be played 2:15 p.m. the same day.

The Plumbers copped the championship by whipping Loper Firestone, 6-2, moving their record to 13-0-1.

Jerry Imsland sparked on the mound, as he hurled a four-hit gem. In control all the way he gave up only four hits to the powerful Plymouth nine and walked two.

A three-run third frame salted the game away for the Plumbers.

Bob Beller, John Jameson, Mike Turnbull, Imsland, Doug Swiss and Phil Andrews all got into the act. Andrews lined a triple to left to cap the scoring.

But the Plumbers needed and received help from other teams in the league.

Going into last week's play, Loper Firestone headed the circuit with a 12-0 record, having played one more game than the Plumbers.

The roof caved in when the Novi Flyers' and Fisher Shoes beat Loper.

En route to the title clincher, the Northville nine also bumped off Fisher Shoes, 15-2, last week and tied Plymouth Kiwanis three all.

Against Fisher's, Imsland and Andrews banged out two doubles apiece.

Scores of other games last week were Plymouth Kiwanis 6, Bill's Market 4; W.C.T.S. 9, General Filters 2; Spagy-Thunderbird Inn 4, Northville Recreation 2; Bill's Market 16, General Filters 0; Novi Flyers 5, Northville Recreation, 1, and W.C.T.S. 19 and Spagy-Thunderbird 4.

### Class F

Party Pantry of the class F 13-and-under league walked off with league honors and the right to compete in the post season tourney at Wayne.

Not far off the pace were the Northville Orioles, who finished with a 9-5 record and ended up in third place.

Another Northville entry, the Ely Oilers, finished in fourth place with a 7-6 slate.

The Casteline Braves found the going a little rough as they grabbed off the sixth spot in the eight-team circuit.

Only the Orioles were able to salvage the last game of the season. They won by forfeit from Finlan Realty Monday.

The Oilers fell before Plymouth Recreation, the second place nine, 11-7, while Party Pantry again showed its class by thumping the Braves, 14-0.

Jimmie Fox of the Braves averted a no-hit defeat by singling.

Jones noted that youngsters intending to obtain a physical from their own physicians should call the high school for medical history cards.

### Knothole

The Panthers and Athletics wrapped up league championships in Knothole softball and baseball, respectively, this past week.

Although the Athletics have one game remaining this week and the Panthers two, there is no mathematical chance of upsetting them.

Although the Athletics tallied two wins, only one was convincing.

Nelson Hyatt threw a no-hit, 13-0, win over the Yankees.

Against the Angels, however, the Athletics were victims of a no hitter, they won, 9-6. Their nine runs came on 14 walks and several errors.

The Angels, on the other hand, hit the ball hard but couldn't bunch their hits.

The Panthers took a 15-9 decision from the Tigers. After building up a big lead, they coasted to an easy win.

Panther Joe Boland poled a home run — the longest one this year — and rapped out two singles for a perfect day at bat.

Scores of other softball games were the Angels 16, Colts 11; Bears 10, Clippers 9; Tigers 13, Lions 9; Bears 22, Angels 3, and the Colts and Clippers tied 10-all.

Other baseball scores were the Indians 9, Angels 6; Yankees, 8, Cardinals 8, and the Giants 3, the Indians 1.

**Softball Standings**

Panthers	11-0
Bears	8-3
Tigers	5-5-1
Angels	4-7
Clippers	3-7-2
Colts	3-7-1
Lions	2-0-0

**Baseball Standings**

**YOUNGEST BALLPLAYERS**—Playing in the Knothole softball league, this group of boys is made up of captains and co-captains of the teams. They are (front l-r) Ted Marzonie, Scott Evans, Tom Buttf, Brad Cole, Ricky Asher; (back l-r) David French, Richard Moore, Mike Gellner and Mark Murray.

## Press Picks Peterson For All-Star Squad

Northville's Eric Peterson was selected Saturday as a member of the Detroit Free Press out state all star team which will play the Detroit all stars August 12 in Briggs Stadium.

Peterson was chosen on the basis of a scintillating seven inning mound performance. He pitched the Livonia all stars to a 5-2 victory over a group from the Jackson-Tecumseh area.

No man advanced to third, as Peterson allowed no runs, two hits, struck out six and walked three. One of the hits was of the scratch variety.

Just missing a birth on the all star team was Dave Jerome, who had one hit in three trips to the plate. He played first base for the Livonia all stars.

From all star play in Tiger stadium, fifteen will be chosen to play in a New York city tourney.

### Class D

The Northville Plumbers of the class D 18-and-under league have shown a reversal of form in the post season, double elimination tournament by coping their first two contests.

They closed out the regular season with only four wins. Forfeit was the means of victory over Champion Sports in the first tourney game.

But Eric Peterson pitched a hard-earned 6-3 win over the Wayne Monarchs in the second encounter. He was in control all the way.

In their last game of the regular season against the Livonia Bisons, the Plumbers gave notice of their tourney intentions by winning, 4-1.

Jim Mazel made an auspicious debut on the mound for the Northville aggregation by pitching a four-hitter, striking

out six and walking only three. Three times he struck out the last man with men on base.

# Class of '41 Enjoys First Reunion

Surprise, sentimental memories, and conversation played key roles in a long-awaited get-together of more than 40 former Northville high school classmates this past Saturday.

The joyous occasion marked the 22nd anniversary and the first reunion of Northville's Class of 1941.

Forty-two of the 66 members of that class, which stood in 1941 on the threshold of the world's most tragic war, were on hand at the community building as the class president, Mrs. Robert Casady (the former Marilyn Cavell) of Novato, California, officially opened the program.

The program, which took on a light, humorous theme (because we didn't want to get too sentimental), followed a delightful buffet dinner.

Highlighting the event was the presentation of awards to distinctive class members. These included:

—An aspirin to Donald Wilbur, father of the greatest number of children (10).

—A baseball bat to Harold Martins for being the most recently married member of the class (two years).

—A rolling pin to Mrs. David Hay (the former Betty Yerkes) for being married the longest (22 years).

—A toothless comb and a cap to Harold Fritz and Fred Walker for possessing the "highest foreheads".

—A box of cotton to Mrs. Robert Einbeuser (the former Jane Behen) for having the youngest child (six months).

Mrs. Casady, who was instrumental in arranging the reunion, read an original poem for the occasion. Mrs. Ben Williams (the former Betty Stillwell), secretary, read correspondence from those who were unable to attend, and Bill Widmaier, vice-president read the report of the absent treasurer.

E. V. Ellison, now director of administrative services for the local school system, gave a report as to the whereabouts of former teachers of the class, and E. C. Mollema presented a film of the 1941 class trip to Washington, D. C.

Former teachers of the Class of '41 who attended the reunion were: Mrs. Ida C. Booke, E. C. Mollema, E. V. Ellison, L. G. Lee, Miss Ione Palmer, Mrs. Lechteck (Gladys Ludwig), and Charles Yahnke.

According to Mrs. Casady, some of the former classmates were unable to attend, while the whereabouts of others is unknown.

Only two class members Joe Defina and Jack Holcomb are known to have died. Mr. Defina was killed during World War II, and Mr. Holcomb was killed in an automobile accident, Mrs. Casady said.

Former classmates who attended the reunion were: Ronald Anderson of Columbiaville; Mrs. Virginia (Ault) Oman of Farmington; Allan Barnard of Detroit; Mrs. Richard Brunner (Betty Barry) of Portsmouth, Ohio; Mrs. Roger McClain (Imogene Baughman) of Northville; Mrs. Robert Einbeuser (Jane Behen) of Pontiac; Mr. and Mrs. Robert Boyden (Valora Wheeler) of Wayne;

Art Breitmeyer of Plymouth; Mrs. Carl Hosier (Mary Elle Burgess) of Wayne; Mrs. Don-

ald Merritt (Gertrude Catton) of Northville; Mrs. Robert Casady (Marilyn Cavell) of Novato, California; Miss Barbara Curtis of Northville; Dr. and Mrs. Louis Eaton (Ida Marie Walker) of Howell; Mrs. Francis Clinton (Jane Ely) of Rogers, Arkan-

sas; Edward Erwin of Novi; Lewis Foreman of Chelsea; Mrs. Robert Parmenter (Ruth Frank) of Grosse Pointe; Mr. and Mrs. Harold Fritz (Margaret Bell) of Northville; Mrs. Arthur Prodder (Betty Lou Hollis) of Northville; Donald Kimmel of Ann Arbor;

Lawrence McArthur of Plymouth; Harold Martens of Detroit; Mrs. W. H. Stephenson (Joyce Morley) of Northville; Mrs. Sam David (Mary Ann Murray) of Garden City; Mrs. Bruce Arnold (Ruth Parmenter) of Livonia; Mrs. LaVerne Imsland (En-

gla Peterson) of Northville; Harvey Ritchie of Northville; Robert Ross of Plymouth; Mrs. Harold Hubbard (Jeanne Smith) of Plymouth; Mrs. Herman Esch (Elaine Sommers) of Plymouth; Joe Spagnuolo of Northville; Mrs. Barbara Luker (Spicer) of Farmington; Mrs. Ben Williams (Betty Stillwell) of Plymouth;

Fred Walker of Northville; Bill Widmaier of Northville; Don Wilbur of Northville; and Mrs. David Hay (Betty Yerkes) of Northville.

OLD FRIENDS MEET — Saturday was an important day in the lives of former Northville high school students, who enjoyed a reunion at the community building. Above: Mrs. Richard Brunner (Betty Barry) serves Arthur Prodder while Mrs. Robert Casady looks on.

## 2 Accidents Injure Four

Four persons suffered minor injuries in Novi this past weekend in two automobile accidents.

Ulin Ward Jones, 39, and a passenger in his car, Bonnie Jones, both of 43305 Grand River, Novi, were injured when their car collided with a vehicle driven by Ralph Sparks, 26, of 2370 South Commerce road on Novi road early Saturday morning.

Bonnie Jones suffered head and leg injuries, while the driver sustained a cut lip. They were treated at St. Mary's hospital.

Sparks, charged with driving while under the influence of liquor, is scheduled to appear in justice court today.

Three persons suffered minor injuries Sunday evening in a three-car collision on I-96 near the Novi road overpass.

They were: Josephine Samfillipo, 36, and her daughter, Caroline, 3½, passengers in a car driven by James Samfillipo of Allen Park, and Lewis Lillio, 13, passenger in a car driven by Michael Braund, 16, of Dearborn.

According to Novi police, Braund's car struck the rear of a car driven by Richard Brown of Melvindale and Brown's car crashed into the third vehicle driven by Samfillipo.

Brown told police he was stopped, waiting for traffic when the chain collision occurred. Neither he nor his wife and four children were injured.

In other Novi police business this past week, Dr. S. C. Petix of Birmingham, operator of Detroit Hardware Products, 27750 Beck road, reported \$250 worth of prefabricated building material stolen from his property.

Attempts to revive Walter G. Eggers, 69, who suffered a stroke near his home at 203 Charlotte were unsuccessful Saturday morning.

### GLADYS H. MILTON

Funeral service for Mrs. Gladys H. Milton, 65, of 19275 Gerald, who died Monday morning, August 5 at St. Mary's hospital, will be conducted today (Thursday) from the Ebert Funeral Home of Northville.

The Rev. L. G. Brasure, pastor of the Presbyterian church of Northville, will officiate at the service scheduled for 2 p.m.

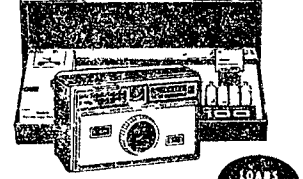

Burial will be in the Brookdale Memorial Park, Livonia.

Mrs. Milton, who is survived by her husband, David, and one daughter, Marie Louise at home, was stricken Monday morning at her home. She died about two hours later.

Born on June 17, 1898 at Columbus, Ohio, she was the daughter of Hanson and Nettie Barnes. She had been a resident of this community since 1948.

## Two Injured In Collision

Two Madison Heights' women sustained minor injuries Tuesday afternoon when the car in which they were riding collided with a truck on Grand River near Meadowbrook.

Driver of the car, Florence Jones, was scratched and bruised and a passenger, Ruth Peterson was bleeding from injuries to the head and knee. Both were taken to St. Mary hospital, Livonia, where they were treated and released.

According to Novi police, a truck driven by Robert Blumh of Detroit was making a left-hand turn from the middle west bound lane of Grand River when the car slammed into its side. The Jones' car, which was traveling west, was trying to pass the truck.

Blumh and two passengers were uninjured.

## Pitching Aids Angels' Win

In Men's Softball league competition last week, front running Angels' Angels and second place Northville Lab emerged with two victories apiece to strengthen their positions.

The Angels' victories came at the expense of the Walled Lake Merchants and Lapham Men's Shop.

Against Lapham it was, the pitching of Charlie Sorenson that enabled the Angels to pile up an 8-1 decision. He allowed only one hit through the first six innings of play.

Lab's Jim Kolak and Dean Nitzel put singles back to back in the seventh to spoil Sorenson's chances for a one-hitter.

In their victory over the Merchants, the Angels picked up only four hits off Walled Lake's left-hander, Carl Scharf. However, they made the most of five walks and four Merchant errors to walk off with an 8-3 decision and their ninth straight victory of the season.

Don Thomson of the Angels sent a line shot over the center-

field fence to increase his home run total.

Northville Lab kept pace with the Angels by defeating the Merchants, 10-8, and then overwhelmed the Ford Valves, 11-3.

The decision over the Merchants was narrow. A three-run Merchant rally in the last inning was sparked by Don Wedge's circuit clout.

Lab's pitcher Horace Sutherland, however, shut the door on the Merchants.

Against the Valves, Lab cemented its victory with a six-run explosion in the third frame. The outburst was due largely to six errors by the Valves.

## In New Enrichment Program

# 48 Youngsters Learn to Ask 'Why'

Forty-eight Northville elementary youngsters have been participating in an unusual summer recreation program these past six weeks.

Instead of bouncing around the playground, they've been inside the Main Street school asking "why" and answering

themselves.

The youngsters, fourth through sixth graders, are part of the city's first elementary independent study program, planned and directed by Robert Prom on a tuition basis.

Purpose of the program, according to Prom who's also a sixth grade teacher in the Northville system, is "to encourage curiosity."

It all started a few months

ago when Main Street School Principal Harry Smith and Prom were talking over a cup of coffee. Prom was lamenting the number of youngsters who lost the ability to ask "why" as they grew older.

Prom declared something ought to be done with Smith agreeing. Finally, the two came up with the idea of a summer independent study program at the elementary

level. The two went to Superintendent of Schools Russell Amerman: he approved.

It was decided, with the approval of the school board, that Prom would conduct such a session this summer. He would be allowed to use school facilities, but would absorb all responsibility for financing and directing the program.

Prom says he set up the pro-

gram so that a youngster had a chance to do whatever he wanted and to go into it as far as he wanted.

Mostly, the youngsters were left to their own devices. Occasionally, everyone joined together to take a field trip to the University of Michigan museum, Cranbrook or the Kensington Nature trails.

Prom reports that a wide range of projects have come

out of the program, which ended Friday. The more outstanding ones, he said, include several rock collections and a high voltage direct current power supplier.

Most of the youngsters preferred to spend their three-hour sessions each day working in the area of science, Prom said. Others delved into arithmetic; still others into reading, dramatics and social studies.

One group of youngsters began conversational German under the direction of Mrs. Inga Knoth.

Now that the program's over, Prom has only one regret: the lack of creative writing and poetry produced by the youngsters.

He attributes this lack of writing to fear on the part of the youngsters. "I think the elementary child becomes so afraid that he might make a mistake in grammar that he won't try to write."

Perhaps, he adds philosophically, "there'll be some creative writing in next year's program."

**INTELLECTUAL CHAT** — Teacher Bob Prom discusses the Van de Graaff generator (background) with Kurt Glaser, who designed his own generator. The generator gives off sparks which can turn baser metals such as lead into gold by increasing a metal's atomic weight. Kurt's generator, although it illustrates what would happen, is not completely operative because it lacks a rectifier.

## Woods, Water, Industry Seen in 440 Mile Trip

Editor's Note: How to Make Eye-ways out of I-ways is the title of a series of travel articles prepared by this newspaper and the Automobile Club of Michigan. They are dedicated to making the 1963 travel season more enjoyable for motorists and more profitable for Michigan's tourist industry. Following is the fourth of seven articles.

The motorist who wants different places can have them all on a trip of 440 miles. He can see the blue waters of Lake Huron and Saginaw Bay, industry, the state capital and educational centers, to name just a few.

By way of contrast with the sparsely populated Thumb area are the cities and counties to the west in this segment of Michigan, headed by Flint, home of General Motors' Buick and Chevrolet cars.

Saginaw was the timber capital of the world before the turn of the century. Today its manufactured products are distributed throughout the world, and its agriculture makes the county a leading producer of sugar beets, beans and wheat.

The Chevrolet Grey Iron foundry, one of the world's largest, is typical of Saginaw industry.

A point of interest in Owosso is Curwood Castle, workshop of the late novelist James Oliver Curwood. Owosso also is the home town of Thomas E. Dewey, former New York governor and twice Republican presidential candidate.

Several sizable oil refineries are found in Gratiot county. St. Louis, at US-27 and M-46, is the geographical center of the lower peninsula. This also is the home of the Michigan Chemical company pioneer of the DDT field.

Bethany Indian cemetery, two miles north of St. Louis on the Pine River, was originally the site of the Bethany Mis-

sion, founded shortly before 1848. A towering cross marks the burial place of some 30 Indians.

Midland is best known as the home of the Dow Chemical company, which operates one of the largest chemical plants in the world. Conducted plant tours are offered Monday through Friday, June 15 through September 15.

Of particular interest is Huron City, a pioneer lumbering town preserved as it was when lumbering dominated life in the upper Thumb nearly a century ago. Its half-dozen buildings provide glimpses of the rugged pioneer days through preservation of the architecture, furnishings, dress and customs of those times.

Beyond Lexington, the resort and commercial establishments that extend out from Port Huron begin to disappear. Four of Huron City's six buildings, all depict life in the great lumbering days during the last half of the 19th century, are open to the public and a fifth is in the offing.

The village has been perpetuated by descendants of lumber magnate Langdon Hubbard and his son-in-law, William Lyon Phelps, noted professor of English literature at Yale university and guest minister of the Huron City chapel for many years.

From Huron City, US-25 continues west across the tip of the Thumb toward Port Austin. Signs direct motorists on the several-mile trip to Grindstone City, whose name is a memorial to days when grindstones were widely used.

Largest and most popular of the parks along the periphery of the Thumb, Sleeper State park has a full mile of shoreline in its more than 900 acres. Pure, white sand graces the wide, attractive beaches and is overlooked by a bluff with picnic tables and trees.

## Official Minutes of Northville Township

Pursuant to call by Supervisor Merriam, a Special Meeting of the Northville Township Board was called to order on 7:35 p.m.

Board members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, Donald E. Robinson and Wilson D. Tyler.

The meeting had been called for the purpose of adopting a resolution ordering the Township Engineer, Mosher Associates, Inc., to prepare plans showing the improvement, the location thereof and estimates of the costs of water mains to be installed in the Bradner-

Five Mile area.

Robinson moved, supported by Lawrence, that Resolution No. 63-13 be adopted as written.

Supervisor Merriam asked for further comment or question.

Inasmuch as both Plymouth Township and the City of Plymouth were to be contacted regarding water supply for these mains, Trustee Tyler asked that the work "cost" be changed to "costs" and "of alternate plans" be added to paragraph 1. on page 3.

Robinson revised the wording of his motion to include the alternate plans, Lawrence supporting.

Ayes: Merriam, Tyler, Robinson, Lawrence and Young. Nays: None. Motion carried.

No further business. Lawrence moved, supported by Robinson, that the meeting be adjourned. Meeting adjourned at 8:30 p.m.

## from the PASTOR'S STUDY

By Rev. John I. Wittstock

Our Lady of Victory Church, Northville

Sex in human life has a two-fold purpose. It gives two human beings a share in the work of God, the procreation of another human being similar to themselves and bearing His image and likeness. It is the expression of the love that they bear for each other.

It is the "intelligent control of the human sex urge that is called chastity. Normal human beings are not completely ruled by their instincts, as are mere animals. They have intelligence to guide their use of reasonable limits. Chastity is not a condemnation of sex pleasure, but a recognition of its importance. The natural hunger for sex pleasure is, in itself, a good and healthy thing. The sex union can rightfully take place in marriage and only there. The husband and wife have mutually exchanged this right. It belongs to no other.

Thus adultery — the sex union of the married with someone other than his or her married partner, besides being a sin against the purpose of sex, is an injustice, an infidelity and

a violation of the exclusive rights of the married partners. Both adultery, which is sex union involving at best one married person, and fornication, which is sex union of the unmarried, are seriously wrong.

The man with the "formula" may have many excuses for not believing in chastity, but they are without reason. There is, for example, the psychological excuse that chastity is injurious to man — that it makes him neurotic because it is opposite to nature. But for a man to control his passions is not an unnatural thing, these human passions were meant to be controlled.

Then there is the excuse which argues that sex experience is necessary for the full development of personality and character, for emotional richness that can be had in no other way. This is contrary to fact, as countless biographies show. Less convincing is the "wild oats" excuse, that early unchastity is necessary for later stability in chastity. But when will unchastity teach anyone to be chaste?

There is also the excuse of impossibility — the insulting excuse that judges all single men and all single women as unchaste. It is not only an insult to them, but an insult to God, not trusting in the effective help that the Omnipotent God is able to give to those who sincerely ask for it.

In the sermon on the Mount, the Divine Savior promised a high reward to the chaste: "Blessed are the clean of heart, for they shall see God." In God's design-for human living, chastity plays an important but difficult role. Resistance to stealing, lying, and disobedience, is not too difficult for the ordinary Christian, but to refuse the pleasant, insistent and seductive attraction of impurity requires Christian understanding, moral strength, and the help of Almighty God. Every Christian is capable of practicing this beautiful virtue of purity by constant vigilance and prayer; trust in God who says "My grace is sufficient for you; sufficient to conquer the strongest temptation of the flesh."

## To Receive Award At State Fair

The principal of the Wayne County Training school will be among 33 outstanding educators honored during Teachers Day ceremonies at the Michigan State Fair.

Robert J. St. Germaine, Training school principal, will receive his award August 30 from the stage of the music shell at the fairgrounds in Detroit.

St. Germaine who resides in Plymouth, is president of the Michigan Council for Exceptional Children, a department of the Michigan Education association.

He received his education at Michigan State Normal and the University of Illinois. Before accepting his present position, he was in Flint's special education program.

St. Germaine has been active in the United Community Services, boy scouting and child guidance programs.

Dean A. Myers, fireman, USN, son of Mrs. Ruth Peeris of 1 Arbor way is serving aboard the nuclear-powered attack aircraft carrier USS Enterprise, currently operating with the Sixth Fleet in the Mediterranean and slated to return to the U.S. late this summer.

The Enterprise has been with the Sixth Fleet since February. Recent ports of call for the carrier include Genoa, Italy, and Rhodes, Greece. The Enterprise, an Atlantic Fleet unit, normally operates out of Norfolk, Virginia.

## In Willowbrook

Mrs. George Ames GR 4-0830 help this week in locating the owner of an undeveloped but exposed roll of 8-mm movie camera film.

The film was dropped into a Willowbrook mailbox, along with money for development, but it did not contain the name of the owner. The owner is asked to call the post office or contact his mail carrier.

Mr. and Mrs. Donald Cook and their children Nancy, David, Douglas, Terry and Donnie have returned from their vacation. The Cooks flew to Palm Beach, Florida where they spent ten days sight-seeing and enjoying the summer weather.

Mr. and Mrs. Marvin Bowen and their daughters, Nancy and Sandra, spent their vacation at the family cottage at Little Long Lake near Hale, Michigan. They were away for two weeks.

Mr. and Mrs. Fritz Gensing and their son Fritz Carl went to Muncie, Indiana last weekend where they attended the wedding of Mr. Robert Merrifield, a fraternity brother of Mr. Gensing. They also went to Toledo where they visited Mrs. Gensing's parents, Mr. and Mrs. Ralph Crowl, and Mr. Gensing's parents, Mr. and Mrs. Fritz Gensing Sr.

Mr. and Mrs. Jack Parent and their children Mary Kay and John spent a week of their vacation at Bonenaut's Resort.

on Houghton Lake. Mrs. Parent's parents, Mr. and Mrs. Stanley Johnson of Detroit, accompanied the Parents to Houghton Lake.

Mr. and Mrs. William Dean, of East LeBost took their daughter, Susie, with them on a two-week trip through the Smoky Mountains. They visited Lookout Mountain. The Deans also spent a week at the family summer home on Harsen's Island.

Mrs. Harold Young and her children Marty, Karen and Russell, and Mrs. David Longacre and her children, Kathy, David, Peggy and Bucky, spent Tuesday at Upper Straits Lake.

Mr. and Mrs. Howard Davis are new residents of Willowbrook. Mr. Davis is a division engineer with Kroger's. The Davises share an interest in bridge. They formerly lived in Atlanta, Georgia.

Mr. and Mrs. H. W. Peters, of Kalamazoo, have been here for a few days visiting Mr. and Mrs. Robert Waugh, of W. LeBost.

Mr. and Mrs. Raymond Mason, of West LeBost drive are happy to announce the birth of a daughter, Bonnie Lynn, at Pontiac Osteopathic hospital on July 12. Her birth weight was four pounds and eight ounces. The Masons have two older daughters, Marti, four and Cheri, two. Mrs. Minnie Logue, of Erie, Pennsylvania, and Mr. and Mrs. Joseph Mason, of Pittsburgh, Pennsylvania are the grandparents.

## OUT OF THE PAST

### ONE YEAR AGO

August 9, 1962  
City and township voters stayed away from the primary voting booths Tuesday in about equal proportions as the turnout fell 10 percent below the 1960 primary vote. Republicans, however, remained the top vote getters with Gubernatorial Candidate George Romney way out front.

A "go ahead" was granted City Councilman Richard Ambler and his committee Monday night for construction of a new recreation-scout building.

The city of Northville struck out this week. It found itself unable to back an earlier claim that sale of capacity in the Northville-Plymouth sanitary sewer line to Novi would exceed the facility's capacity.

### FIVE YEARS AGO

August 7, 1958  
A retirement plan for all full time Northville city employees was adopted and put into immediate effect by the city council this week. The compulsory plan means that all city employees with 10 years service will receive a pension when they become 60.

Northville Explorer Scout troop 242 did a good deed for young David Rochon, afflicted with a brain tumor. They gave him \$40, the money left over from their recent trip to Yellowstone park so he could have the medicine he needs.

In the city, women outvoted the men by a slim margin in selecting candidates for November's biennial election. The trend was reversed in the township. The majority of the 572 voting supported their home candidate, George N. Bennett, Democratic candidate for state representative.

### FIFTEEN YEARS AGO

August 13, 1948  
Reverend Lorenzo E. Woods is sponsoring a new fall and winter program of organization and development for Our Lady of Victory parish. This includes discussion groups, making of clothes for children and mapping out a complete education program.

An organization meeting of the recently appointed planning commission was held Monday evening at the Northville village hall. T. R. Carrington was elected chairman and Carl R. Ely was elected secretary of the board.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-third day of July in the year one thousand nine hundred sixty-three. Present, Thomas C. Murphy Judge of Probate.

In the Matter of the Estate of ADOLPH LANGSHIELD, Deceased.  
On reading and filing the petition, duly verified, of John L. Crandell, administrator of said estate, praying that he may be licensed to sell certain real estate of said deceased for the purpose of paying the debts of said deceased and the charges of administering said estate;

It is Ordered, that the twenty-sixth day of August, next at ten o'clock in the forenoon before Judge Ira G. Kaufman at said Court Room be appointed for hearing said petition, and that all persons interested in said estate appear before said Court at said time and place to show cause why a license should not be granted to said administrator to sell real estate as prayed for in said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said County of Wayne.

Thomas C. Murphy, Judge of Probate  
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record. Dated July 23, 1963.

Michigan Bell Telephone company, pointed out that the first telephone exchange serving 53 subscribers was opened at Detroit, August 5, 1878.

At the regular meeting of Lloyd H. Green Post, American Legion, Tuesday night, 83 members were presented with continuous membership certificates.

Northville paid its respects to its neighboring community of Plymouth last Thursday night when the Plymouth Trot, first of the rich stakes honoring Michigan horse-loving communities, was run at the beautified Northville Downs.

A hen that is not laying regularly should go into a pot for a Sunday dinner, Michigan State college poultrymen advise. She's eating about 40 cents worth of feed, every month, if properly fed.

August 12, 1938  
Grant of a 30-year franchise to the Detroit Edison company by Northville township voters was affirmed in a special election Wednesday.

Assured of full exhibits and with the main building space completely sold out, the approaching 22nd Northville Wayne County Fair is looking forward to opening its gates Wednesday to a record-breaking attendance.

Pushing behind the slogan, "Let's Go Places," members of Northville's Woman's Republican club are carrying the registration torch these days throughout the village. Their purpose is to see that everyone registers.

Members of St. Paul's Lutheran church and Sunday school will go to Glen Eden Memorial park Sunday afternoon for their annual picnic, it was announced by the Reverend E. E. Rossow, pastor.

Eighty teams entered the Meadowbrook Country club's first invitational four-ball tournament which got underway at the club Friday morning. Exclusive of the four Northville restaurants the Farmer's Market and the Sally Bell Bakery which must stay open to serve the fair goers because of inadequate eating place facilities on the fair grounds, all the stores and business houses in the village will be closed from 1-5 p.m. Thursday.

"Do not judge people by one error in their life," urged Dr. R. M. Traver in his sermon to a union audience of Baptists, Methodists and Presbyterians at the Presbyterian church Sunday morning.

## SPEAKING for The Record

By BILL SLIGER

My knowledge of William Shakespeare extends only slightly beyond the fact that his namesake played a reasonably good game at halfback for Notre Dame in the late thirties or early forties.

But last week end (with some encouragement from my wife) I attended two performances of Shakespeare's works at Stratford, Ontario. We saw "Comedy of Errors" and "Troilus and Cressida".

One does not have to be a student of English literature or the Shakespearean theater to recognize that here is a highly professional production. And I am not confining this observation to the magnificent theater and its expert Thespians alone.

Instead, I refer to the undertaking as a community project. Thousands of people from throughout Canada and the northeastern United States flock to Stratford.

They see Shakespeare, as well as other classics, performed at its very best — in a theater that must approach perfection in its design and accommodations.

They pay up to \$5 for their tickets. And, in what must have been the real convincer to the merchant who couldn't care less about Shakespeare, they stay in town to eat, sleep, shop and spend thousands of dollars.

I have never seen such a small community so busy. There was not a single motel or hotel room available; the restaurants, gift shops, soda fountains and drug stores were filled with customers.

In short, the town hums with activity during the June 17 to September 28 season, the eleventh in the history of the theater.

Stratford, however, is not allowing itself to become a commercial, carnival-like attraction. It gives as well as receives.

Its community is clean, its shops neat and attractive, the clerks courteous, its rivers and parks meticulously landscaped. What's more, it is not complacent. It is planning further improvements (a \$750,000 renovation of an existing Avon Theatre in the business district of Stratford to provide a wider production of musical and dramatic plays) and better accommodations for its appreciative visitors.

The Shakespearean theater productions were the idea of a local man who rallied community support. I can only guess that they had their share of cynics at the outset. Their voices were undoubtedly silenced by the ringing sound of the cash register.

I have looked at Stratford with the eyes of a businessman who appreciates the conception of an idea, its planning and eventual financial success. The nature of the attraction matters little — it could be flower gardens, band concerts or girls' softball championships. (Yet to the connoisseur of Shakespeare, I'm sure the "play's the thing" and the commercial aspect only an unimportant by-product).

While I applaud the performances and recognize the genius of the players and producers, my hat's off to the promoters and teamwork of those who are responsible for the Stratford Festival.

It's amazing what a town can do for itself when it tries.

Attorney Clifton D. Hill is wearing one of the widest smiles in Northville these days. He's not alone. Hill, Dr. Eugene Capuzzi, John and Harold Waskins, all of Northville, along with Dr. Joseph Wruble of Detroit and Hillside Owner Robert Stremick of Plymouth are co-owners of one of the largest offset oil wells in the Jonesville-Hillsdale area. Known as Chilson No. One, the well tested out at 50 barrels per hour.

## Highway Deaths Climb Alarming

What was feared early in the year is now becoming a daily nightmare to State Police officials. This year's highway death toll is very likely to be the worst in the state's history.

Traffic fatality counts seem to follow patterns of high incidence interspersed with a few low death years. This year, another peak will undoubtedly be placed on the charts.

The last peak occurred in 1955 when 2,016 persons were killed. Rapid action by the legislature in bolstering safety efforts that year dropped the toll in 1956 and decreases were recorded the two succeeding years also.

Since 1958, however, charts have showed relatively steady, but minor rises in the fatal accident count. This year a sharp change has occurred.

By mid-year, the traffic death toll was nearly 100 ahead of the count at the same time in 1962 and climbing steadily. Multiple death crashes have contributed greatly to the toll.

State Police Commissioner Joseph A. Childs blamed part of the current year's bad record on the fact that his department is lacking manpower.

In addition to legislative refusal of the bulk of his request for additional troopers, the Civil Service Commission has now put into effect a maximum 48-hour week for State Police.

Under the previous 56-hour work week, the troopers covered 20 per cent more area.

Lack of appropriations for the traffic safety center at Michigan State university and other safety programs initiated after the 1955 crash consciousness, according to the experts.

Add to these factors the increased number of motorists on the road and the facts that better roads and more powerful cars lend themselves to greater speeds.

The predictable result of these factors is exactly what has happened. Motorists, with less enforcement in proportion to their numbers, have tended to become more careless. Placing more confidence than caution in the machines they drive, Michigan motorists are committing suicide and murder on the highways!

Accidents are also an increasing problem on Michigan's waterways. With this in mind, the state legislature last year enacted a comprehensive

boating law. With nearly 500,000 boats of various sizes registered in the state, enforcement of the law is a problem just as it is on the roadways.

Enforcement of the water safety law is left largely to county sheriff patrols on the inland lakes. On the Great Lakes, control because federal laws are in force.

One of the most important sections of the new law specifies that all motorboats must be equipped with a Coast Guard-approved life preserver, vest, ring buoy, or buoyant cushion for each person aboard.

Fire extinguishers are also required on all water vehicles of closed or semi-closed construction. The number depends on the size of the boat. Good boating dictates the presence of a fire extinguisher on open vehicles too. The new law also spells out requirements for whistles, horns, lights and mufflers. Additional sections deal with "rules of the road," safety precautions for water skiing and diving, and accident reporting requirements.

Spelled out in a booklet called "What Every Boater Must Know," being circulated by the Secretary of State, the new law is designed to protect lives while at the same time assuring the most pleasant and comfortable use of Michigan's many lakes and streams.

Another effort to enhance industrial development in Michigan's northernmost regions has been accomplished.

The Small Business Administration recently opened a branch office at Northern Michigan university in Marquette to serve the 15 Upper Peninsula counties and eight counties below the Straits.

Previously businessmen seeking SBA loans for expansion or other activities had to make all contacts by mail or telephone. Glenn G. Potter, formerly in the SBA office in Detroit, was sent to Marquette to manage the office.

The more convenient availability of advice on SBA programs and procedures is expected to encourage business development in the North.

In addition to providing loans for plant construction, expansion and conversion, the Small Business Administration assists businesses in selling products to and buying property from the government.

Funds also are available through the SBA to small business investments companies, which in turn duplicate the Administration's services to some firms which might not qualify for SBA programs.

## Explains Best Time to Buy

Babson Park, Mass., Not for quite a long time have I discussed the best time of year to buy foods, fuels, and other household necessities. Yet, there is a best time to buy each item, and you may save considerable money if you know when it is, particularly if you are responsible for a large, healthy family.

### Importance of Freezing Units

The biggest part of the family budget goes for food, so that should get the most attention. Food expenditures for the average family heavily emphasize meat. Of course, you cannot get really big savings unless you have a freezer of considerable capacity, — so I heartily recommend your buying one if you have not yet done so. Otherwise, you can rent a unit in a public freezing storehouse, although that is not so cheap in the long run nor so convenient as it is to have your own. An emergency generator is probably a good idea, too, to protect your food in the event of a public power failure.

First, let us take a look at seasonal trends in meat and poultry prices. The best time to buy is usually during November and December when marketings of hogs, cattle, and chickens are seasonally very heavy. The big influx of supplies at this time forces price concessions at retail counters. However, if you want the finest grades of heavy steer beef, I advise you to wait until late winter or even early spring. The best cuts can usually be bought then at the lowest prices.

### Watch for "Wholesale" Prices

In the past few years there has been an increase in "discount outlets" where you can buy meat and poultry at any time of the year considerably below the retail level. Practically every large city or community has at least one such dealer. Cuts of pork, lamb, and beef are packaged in market plastic containers so that you can easily see what you have in your freezer. Poultry sections can also be bought packaged separately, and they are clearly labeled.

Along with the sale of freezing units today, there are often food-buying programs that will arrange to keep your freezer stocked at prices well below the prevailing retail rate. Some of these systems are genuine cost-savers, especially if your family is large; but

be careful not to get tied up with a fly-by-night outfit if you go in for such a program. Personally, under most conditions I would prefer to do my own buying, taking advantage of seasonal bargains.

### Dairy Products and Eggs

The heaviest laying season for hens is still March, April, and May. This means that egg prices are at their seasonal low point usually during the spring. Readers should also note that spring eggs are the most successfully stored.

Prices of dairy products generally are closely related to the milk flow, which reaches its seasonal high about June. If you are interested in storing dairy products, the best buys in butter can normally be expected in June or July. Cheese buying opportunities are delayed because of the long curing period; November seems about the best time for this commodity.

### Fuels & Miscellaneous Items

In fuels, seasonal factors al-

so play an important part in terms of prices. If you are heating with coal, you will save money by taking advantage of summer reductions. Heating oils and kerosene are usually cheapest during the summer because of mounting refiners' stocks, low demand, and intensive competition. Gasoline prices generally dip lowest in mid-winter.

Just down the best seasonal buying time for a few other items: canned peas, June; canned corn, July; canned tomatoes, August; canned salmon, usually August and September; dry beans, November and December; potatoes, late fall; rice and flour, August or September; lard, December; citrus fruits, January or early February sales; furs, August; and soft goods, at January "white sales." But most important of all: Study the advertisements in your local newspapers. I wish every high school would have a compulsory course on "Studying Newspaper Ads."

## Torch Drive Aids 18 Area Families

Eighteen Northville and Northville township families and individuals sought help from Torch Drive Family Ser-

vice agencies during the past year, United Foundation of- ficials revealed this past week.

Of these 18, eight called on Family Service of Metropolitan Detroit, nine on Catholic

Social Service of Wayne county, and one on Jewish Family and Children's Service. Some of the people who appeal to Family Service, for help, officials explained, are referred to other community resources at once, or some solution to their problem becomes apparent after one visit. Some come back time after time, and then leave with their problems still unsolved.

All, however, are helped to a clearer view of their situation, the officials said. Family Services are offered to the community by the Torch Drive in the belief that strong family life produces feelings of worth and dignity in the individual, and determines his capacity for achievement.

"We believe that family breakdown is a threat and a costly burden to the entire community, regardless of when and where it occurs," a Family Service agency stated recently. "Such breakdowns know no economic, social, racial or religious boundaries. We believe that professional counseling service should be known and available to all families."

**NAMED CHAIRMAN** — William R. Keith of the Northville office of Manufacturers National Bank of Detroit, who has been named Torch Drive select prospects chairman for Western Wayne county. Keith will name five team captains who, with between 25 and 30 volunteers, will work towards setting up United Foundation chapters in 114 business establishments which have more than 15 employees each.
