## \$17,764 Question: Who Gets Grant?

### Orchard Drive Project OK'ed

The city council moved ahead Monday night with Orchard drive improvement plans.

In a public hearing called to consider bids that came in higher than estimates the council heard inquiries from two residents before approving the project.

Long range plans for Orchard drive call for storm sewer, curbs and gutter and paving. The council hopes to complete installation of the storm sewer this winter so that curbs and gutters may be installed next summer.

Original estimates for the Thayer to Fairbrook sewer were set at \$37,000. But the low bidder came in at \$48,957.42. It was then discovered that the city had used incorrect lengths in estimated costs.

Because assessments became more than 25 percent higher than originally published, the council had to call another public hearing for approval. Property owners benefiting by the sewer are assessed 25 percent. The balance is paid from general funds.

John Chedwick of Scott avenue and Hans Warziniak of Orchard drive questioned the

project Monday night. Warziniak pointed out his assessment had increased from \$51 to \$66. The council explained the reason, Chedwick asked on what basis property owners were assessed. It was explained that all storm sewer projects are assessed on the area benefited, rather than front footage.

After brief discussion the assessment was approved and the contract awarded to D'Angela and Pollicelli, low bidders. The contract calls for completion within 120 days of signing.

Estimated cost of furniture for the new library and city hall was revealed by City Manager Bruce Potthoff, who was given council permission to advertise for bids.

Potthoff said that library furniture, as recommended by Wayne county library officials, would cost about \$7,700. Furnishings for the city hall were estimated at \$7,000.

The council had budgeted some \$25,000 for furnishings of the library-city hall-fire station and miscellaneous site improvements. Furniture bids will be opened December 16.

In other business Monday night Councilman John Canterbury urged a meeting in the near future with the township to settle rental arrangements for the new library. Mayor A. M. Allen agreed, noting that the township clerk informed him that the figures would be needed soon for the township's 1964 budget.

Councilman Canterbury also reported that a letter had been sent to the school board expressing agreement to use by the board of the old library

for offices. He pointed out that two or three year use by the school board would give the proposed historical commission time to form and decide upon use of the library building.

A letter from the Optimist club seeking an answer to a refusal for use of the Scout-Recreation building for a youth dance was turned over to the recreation commission. Councilman Richard Ambler, a member of the commission, said that members had declined permission because they did not believe the building was large enough to accommodate the affair.

George Kohs, 473 West Cady, complained about condition of trees in the city. Particularly, he wondered why the city hadn't removed a stump on city property in front of his home and why a tree had been cut down that was in better condition than another left standing. He said the city had taken three years and had not completed the project.

The city manager noted that funds are limited for tree care but that the city has a regular year-to-year program. He said the stump should have been removed this fall and promised action. The council decided to call upon its tree consultant to determine why the "wrong" tree was removed.

Finally, the council approved a recommendation by City Attorney Philip Ogilvie to recognize "irrevocable bank letters of credit" in lieu of bonds for subdivision improvements. Ogilvie said PHA now used this method.

MEMO to Senators McNamara and Hart: The fellow on the right (with the smile) is Township Supervisor R. D. Merriam. On the left is Mayor A. M. Allen (his smile's gone). The telegram you sent to Mayor Allen announcing a \$23,685 federal grant for planning should have gone to Merriam. And incidentally, the grant was really \$17,764. But Merriam isn't complaining. The mayor reserved comment until he finds out what happens to the city's request for a similar grant.

## Senatorial Wires Crossed But Township Wins Federal Planning Money

A grant for \$17,764 to pay three-quarters of the cost of a comprehensive planning program for Northville township has been approved by the federal government.

For the past week, however, city officials have been revelling under the impression that the city of Northville had been granted \$23,685 "to aid in comprehensive planning for urban renewal."

The circus of circumstances resulted from telegrams sent by U.S. Senators Patrick McNamara and Philip Hart.

The tidings of good news were sent to Mayor A. M. Allen and The Northville Record.

The telegrams said: "Pleased to advise Housing and Home Finance Agency Urban Renewal Administration has approved \$23,685 grant to Michigan Department of Economic Expansion to aid in comprehensive planning for urban renewal in Northville. Grant covers three-quarters of total cost for a two-year period."

Coincidentally, the city of Northville had applied for a federal grant. Its entire program would amount to only \$15,578, however, with the government providing three-quarters.

Because the telegram was sent to the mayor, and not Township Supervisor R. D. Merriam, and reference was made only to "Northville", the conclusion was that the grant belonged to the city.

But City Manager Bruce Potthoff was suspicious. He reported the news to councilmen Monday night with a suggestion that the money shouldn't be counted until it arrived.

Tuesday The Record solved the mystery. A telephone call to William C. Fucik, planner in charge of the Department of Economic Expansion for the state of Michigan, revealed that the grant had been made to the township. And the city's request was not scheduled for action until February.

What's more, the grant is not \$23,685, stated Fucik. This

represents the full amount to be spent for the planning study. The township must come up with \$5,921 and the federal government provides \$17,764.

The township will conduct its planning program, called a "701 program" by the federal government, through its planning consultants, Vilcan-Le-

man & Associates.

Tuesday Mayor Allen made it official by turning over the telegram to Township Supervisor Merriam.

"It's been a bad day," said the mayor. The supervisor only smiled.

## NEWS BRIEFS

• Councilman Fred Kester told fellow council members Monday night that he had been asked by a citizen "about the gas line that Consumers Power was planning to run down Main street and the telephone lines Michigan Bell was installing on Center street," which would tear up both thoroughfares.

It was all news to the council. The rumor probably started because of the city of Detroit request to bring a water line down Center from Baseline through the community to Five Mile.

City officials plan meetings with the Detroit Water Board to seek a different route.

• Water lines plague the township, too. Supervisor Merriam reported this week he was awaiting word from Detroit on how it might furnish adequate pressure in an existing line running through the township to serve residents of Plymouth Gardens subdivision (Bradner-Five Mile area).

"If we don't hear this week, we'll have to turn to Plymouth for water," said Merriam. Several home are completely without water.

## Holloway Buys Terminal Offices

Three Holloway sand and gravel, trucking and construction companies are expected to be located in a central office in Wixom sometime in December, according to Mrs. Virginia Holloway, secretary of the companies.

The office will be on property on Wixom road, south of West road, purchased at auction October 29 from Automobile Transport, Inc.

The three companies which will be occupying the property are Holloway Sand and Gravel company, Holloway Sand and Gravel Trucking company, both of Six Mile road, Northville, and Holloway Construction company, Livonia.

The 20-acre property, located across Wixom road from the Ford Motor company Wixom plant, was purchased for \$150,000. The Automobile Transport offices had been closed for about three years. At that time the Ford plant switched from automobile haulways to railroad "piggy-back" transportation of new cars.

FORENSIC CLUB PRESENTS — Hours of rehearsal time behind them, Forensic club members are polished and ready for presentation of the comedy, "Teahouse of the August Moon", tonight and tomorrow. Among the actors anxious to display their stage talent are (l to r) John Harrison, Susan Shafer and John Spietz.

## 'Teahouse' Opens Two-Night Stand

"Polished and ready, 'Teahouse of the August Moon' will be presented tonight and tomorrow night (Thursday and Friday) in the Northville high school auditorium.

The curtain will go up at 8 p.m. on both evenings. It is presented by the high school Forensic club, under the direction of Miss Florence Panatieri and Miss Patricia Doran.

"In preparing this play, the actors have learned more than just lines; they have learned Japanese culture," reports Antoinette Alexander, publicity chairman.

Because a portion of the play is in Japanese, the high school actors have become familiar with part of the Japanese language, she explains. And because they have built scenery and costumed actors, committee members have become aware of how the Japanese live, she adds.

Continuing:

"Some committees have engaged in actual Japanese trades, such as the making of lacquered cups and cricket cages. Most of all, because the actors have played the roles of Japanese people, they have learned how these people feel and think.

"The most important instru-

ment in the expression of these feelings and thoughts is the teahouse itself. It and its geisha girl carry a meaningful message for all."

The play itself concerns the occupation of the island of Okinawa, where an American colonel takes up the task of improving living conditions. His plans backfire when the natives, with the help of Captain Kishida, commander of the village of Tobiki, construct an elaborate teahouse instead of the school building ordered by the colonel.

Natives are thrilled with the teahouse, the colonel is infuriated, and Captain Kishida, the victim of both

Leading members of the cast are:

Sakini, Terry LaRue: Captain Kishida; Jay Warren; Lotus Blossom, Jean Downer and Judy Insland; Colonel Purdy, Larry Angove and Alan Budlong; Dr. McLean, Mark Byard and John Spietz; Mr. Seiko, John Harrison; and Miss Higa Jiga, Susan Shafer and Connie Crump.

Other members of the cast include:

Larry Price, Russ Straith, Jerry Burns, Chuck Lanning, Dawn McCollum, Cliff Smith, John Remington, Jackie Hen-

schell, Lois Gatrell, Mike Utley, Wayne Ritter, Jack Britton;

Nancy Atherton, Martha Lane, Anna Martin, Susan Reinbachel, Barbara Elliot, Gregory Adams, Barbara Pilarz, Randy Caligiuri, Larry Forth, Janice Moon and Boots Gregerson.

Admission is 75-cents for children, \$1 for adults.

## SATURDAY DEADLINE

### Early Edition Next Week

Next week The Record will publish Monday afternoon. All editions will be received in Tuesday's mail.

Publication is being moved up for Thanksgiving shoppers.

All deadlines — for news, display and classified advertisements — must necessarily be advanced to Saturday at 4 p.m.

We ask that all correspondents, advertisers and others with items for next week's paper to please cooperate.

Our office will be open Saturday afternoon until 4:00. Telephone for both news and advertisements is FI-9-1700.

## Local Youth Critically Injured Following Police Chase, Crash

A Northville youth, chased by police at speeds up to 110 miles per hour, was critically injured Saturday night when his car crashed into an embankment and flipped over on Taft near Nine Mile road.

Reported in critical condition at St. Mary hospital in Livonia is James McGuire, 21, of 240 Orchard Drive. He suffered a skull fracture and internal injuries.

Hospital personnel said he was still unconscious Tuesday.

According to Novi police, Oakland County Deputy Sheriff Wayne Brause began chasing McGuire near Farmington and Eight Mile roads for speeding.

Radioing ahead for Novi police to assist, Brause chased McGuire's car west on Eight Mile to Haggerty, from Haggerty on 10 Mile to Taft, and then south on Taft. Brause mistakenly reported that he was on Nine Mile road, so Novi police failed to intercept the fleeing motorist.

Deputy Brause fired several shots at the McGuire car as it spun around the corner at 10 Mile road and Taft, police

said. As McGuire's car sped across Nine Mile, the motorist lost control of his vehicle on the steep grade just south of the

intersection and the car catapulted into the embankment, bounced back into the roadway and flipped over, police said.

McGuire was tossed 17 feet from the car upon impact, and was unconscious when the ambulance arrived. The car was demolished.

CRITICALLY INJURED — Twenty-one-year-old James McGuire of Northville was critically injured Saturday when his car (above) catapulted out of control into an embankment on Taft road and flipped over. An Oakland county deputy sheriff was chasing the vehicle at the time of the accident.

## Historical Group Names Officers

Organization of a Northville historical society moved a step closer Friday evening with the appointment of temporary officers and selection of committee members.

Meeting in the library building which prompted talk on establishing the group, a dozen or more residents heard a discussion of the library building plans by Councilman John Canterbury.

The councilman explained that there is no move afoot by the city to raze the building, that he and other city officials

stand ready to discuss the future of the building with the Woman's Club and with members of the still unorganized historical society, and that the city will recommend leasing of the building for two years of the Northville school system.

By leasing the building to the school system for two years, the proposed historical society will have ample time to organize and develop plans for determining what can be done with the building, he pointed out.

Others attending the meeting agreed that the two-year period probably will be needed to adequately discuss and plan the building's future.

To facilitate the organization of the society, those attending Friday selected Mrs. Carl Johnson to act as temporary chairman. Others selected as temporary officers are Mrs. L. M. Eaton, secretary, and Miss Ruth Knapp, treasurer.

## Chamber Formation Discussed

A meeting to discuss the possibility of forming a chamber of commerce in Northville was held Monday evening at the Old Mill Restaurant with approximately 12 local business- es represented.

Leo Markham and Fred McLean called the businessmen together and have set another meeting for Tuesday, December 3 at 8 p.m. at the same place.

While no definite decisions were reached, it was agreed that a strong, representative organization was needed in Northville. Markham and McLean said they are still seeking opinions and welcome attendance from all area business- men.

A representative from a chamber of commerce office in another community will speak at the December 3 meeting.

## Red Cross Again Offers Overseas Recordings

Red Cross volunteers in this area are making available to the families of servicemen stationed overseas an opportunity to make a recording of the family's holiday greeting to be sent to the man away from home.

"Called 'Voices From Home' this service met with enthusiastic response from both families and servicemen last year when it was inaugurated. Recordings will be made in the Northwest Regional Office, 33539 Plymouth road, Livonia, on Wednesday and Thursday, December 4 and 5, from 11:30 a.m. to 7:30 p.m. Mrs. W. H. Cansfield of Northville is scheduling volunteers to assist the families to make the recordings. Appointments must be made for the families to visit the recording place, by calling GA 4-0220, the Regional office.

## Theta Sigma Theta Picks Local Girl

Launa Darnell, daughter of Mr. and Mrs. D. E. Darnell of 332 Debra Lane, was initiated into Theta Sigma Theta, national professional honorary society of women, Tuesday evening. The initiation program took place at a banquet at the Detroit Press Club. A junior at the University of Michigan where she is majoring in journalism and specializing in advertising and market research, Miss Darnell was selected for membership in the society on the basis of her academic standing and work in journalism.

The plastic disc which holds twelve minutes of family conversation is furnished by the Red Cross and mailed without cost to either the family or the serviceman. It may be played on any 33 1/3 rpm player. One is available for the serviceman's use at the Red Cross Field Director's office at American military installations any place in the world.

Volunteers assist the family to start the recording device and then leave the room so the message can be spoken in privacy. Parents, grandparents, sisters, brothers, wives and children are urged to participate in the family greeting.

If there's time in between air trips and an occasional teaching stint, Mrs. Murphy might add a yeast twist or a paper thin cookie called a Fil-hoze to her luncheon menu. On hand to consume the finished product with zest are Mr. Murphy, a radio man, and the Murphys' two daughters, Rowan and Darlean. Mrs. Murphy's recipes:

**SHRIMP CURRY SALAD**  
2 cups rice  
1 tsp. vinegar  
2 cans cooked shrimp  
1/2 cup chopped green onions, tops included  
2 cans pimentos, cut in slivers  
1 tsp. curry powder  
1/2 cup chopped green peppers  
salt and pepper to taste  
1 1/2 cups mayonnaise  
1 Tbs. mustard  
Cook rice, adding 1 tsp. vinegar to the boiling water in which it's cooking to keep grains from sticking to each other.

Add two cans of prepared or cooked shrimp, cut into bite-size chunks. Add remaining ingredients and mix. Serve in passing salad bowl or use ice cream scoop to place individual portions on lettuce leaf.

**YEAST TWIST**  
2 packages dry yeast  
2 cups lukewarm water  
1/4 cup sugar  
1 Tbs. salt  
3 eggs  
1/4 cup soft butter  
7/8 to 7/4 cups of measured all purpose flour.

Into a mixing bowl, put 1/2 cup warm water. Add 2 packages dry yeast, stirring to dissolve. Stir in remaining ingredients. Mix until smooth, add enough flour so as to make the dough easy to handle.

Toss onto lightly floured board. Knead. Let rise. Soak overnight one pound of poppy seeds in 1 cup of hot milk. The next morning, after the seeds have doubled in size, place them in mixing bowl. Add 1/2 cup sugar, 1 tsp. cinnamon and 1 cup walnuts.

Roll dough until 1/4 inch thick and spread with 1/4 stick of butter. Spread liberally with poppy seed paste and roll dough into a long pin wheel. Place in long buttered pan. Brush with butter and let raise until double in bulk. Then, brush with beaten egg yellow and dust with cinnamon and unsoaked poppy seed. Bake in 350 degree oven about 35 minutes or until brown. Variation: Use chopped raisins in place of poppy seeds. (Continued on Page 3)

**WINNING APRON** — This glamour apron, modeled by Mrs. Marian Kellogg, president of the Northville Business and Professional Women's club, has been chosen as the official insignia of Michigan delegates to the national convention.

## BPW Apron Boosts State

Members of the Northville Business and Professional Women's club are hard at work making 500 glamour aprons for next year's national BPW convention at Detroit.

The aprons — all fashioned after the one made here by Mrs. Marcella E. Douglas — will be worn by Michigan delegates to the convention in July of 1964. Recently, the apron designed by Mrs. Douglas, was chosen by the executive board of the Michigan Federation of Business and Professional Women's clubs as the official insignia of Michigan.

The apron is made of green nylon net. Five pockets across its bottom are appropriately decorated with appliques depicting Michigan — including a map of Michigan; apple blossoms,

the state flower; a robin, the state bird; and an automobile and a bunch of cherries, representing two of Michigan's leading industries.

The waist band has the name "Michigan" across the front. "We're very proud that our entry was chosen," said Mrs. Kellogg. "And we're confident it will lend color and distinction to the convention and draw attention to our state."

## TOPS Club Elects Officers

Mrs. Ivan Baldwin was re-elected leader of the Northville TOPS club here Monday evening.

Others elected were: Mrs. W. J. Marroni, co-leader who replaces Mrs. William Schiefel; Mrs. Frank Defina, who was re-elected secretary; and Mrs. Herbert Bissa, who replaces Mrs. Jefferson Baker.

Besides electing officers, club members discussed the "dress parade" to be held Monday at Amerman school under the sponsorship of the club. The program will begin at 8 p.m. The public is invited to attend Monday's program, billed as a "real eye-opener."

## News Around Northville

Mrs. Fred Carter of 46091 Sunset entered St. Joseph's hospital in Ann Arbor last week Wednesday for surgery. She is expected to be in the hospital between seven and eight days.

Stacey Lynn Lusk, daughter of the Ernest Lusks, 561 Grace, celebrated her first birthday November 17. A birthday party was held Saturday at the home of her grandparents, the James Lees of Northville, Great aunts, Miss Inez and Ethel Lee of Highland Park, great uncle George Lee of Plymouth were present. Stacey received a birthday call from her father who was deer hunting at Grayling. Also her year old portrait was taken which is a tradition of the Lusks. Dinner, ice cream and cake were served.

Mr. and Mrs. A. W. Bidwell of Northville were callers on Wednesday afternoon at the Ralph Bidwell home on Johns road.

Mr. and Mrs. Albert Scheunemann visited Mrs. Lewis Fendt in Farmington on Wednesday.

## — Goodwill Pick-up —

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for Goodwill Industries truck pickup, ask the operator for toll-free Enterprise 7002.

## In Our Town

By Jean Day

**THIS IS NORTHVILLE DAY** at Town Hall. With 520 members holding tickets to hear Cuban fighter pilot Major Pedro Diaz Lanz and a capacity reservation list for the celebrity luncheon following, there is no doubt that this is a success-starred venture.

Sponsored by Our Lady of Victory church altar society three years ago as an answer to a civic need, Town Hall (like most successful undertakings) has had a dedicated group of workers in Northville, Farmington, Livonia and Plymouth.

Among those working from its beginning with founder Mrs. Robert Rahaley, has been Mrs. Claude A. Crusoe. As this year's vice chairman, she will be presiding at the luncheon speakers' table at Thunderbird Inn.

Also at the speakers' table will be John S. Canterbury, who will introduce Major Lanz; Mrs. William Weidner, Mrs. Fred Tuck, and Jack Hoffman, editor of The Northville Record.

Other 1963-64 Town Hall officers are Mrs. George P. Hanley, president, who last year was in charge of programs; Mrs. Robert Cole, now recording secretary but last year's ticket chairman; Mrs. Wilson B. Tyler, corresponding secretary; Mrs. Roy Mattison, treasurer and former secretary. On the advisory committee are Mrs. Frank Angle, last year's chairman; Mrs. Lewis Alexander, former treasurer; and Mrs. J. W. Cheetham, former vice chairman.

Because these ladies, and others, too, took on a responsibility and are continuing to carry it through to strong new heights, Town Hall has gained more than 200 new members in three years and has a high level of programming. Because they recognized this was a community endeavor, the altar society sponsors divide their profits fifty per cent with other community charities.

(One of last season's Town Hall speakers, Robert St. John, is featured on THIS season's Detroit Town Hall series.)

A LOBBYIST'S LIFE in Lansing was described by Stan Schaefer for Northville Woman's club last Friday. Schaefer, who has been a lobbyist in the Michigan State Legislature for the past eight years, took club members through a typical day — from breakfast with legislators through official sessions to dinner and a "frat-house" type cocktail open house in his hotel suite, where any legislators are welcome to drop in.

He pointed out that 300 groups employ lobbyists. He represents several groups, including Association of General Contractors of America, Michigan Savings and Loan League and Wolverine Harness Raceway. Insurance companies, he said, have the largest number of lobbyists, followed by utility companies.

The lobbyist, Schaefer feels, serves a need as legislators have limited contact with the public and lack research facilities. With only one secretary for every five legislators, he pointed out, it's hard for them to keep up with "back home" correspondence.

Schaefer, a physical education graduate of Michigan State university, came into the lobbyist profession through marriage. His father-in-law, Orlow Owen of Northville, is general manager of Wolverine Harness Raceway. Owen presently is in Pompano Beach, Florida, helping with arrangements for a new track being opened there by the Van Lennep family interests.

MOTHERS CLUB will hold a business session at 8 p.m. Monday at the home of Mrs. Harold L. Wright, 19850 Westhill.

## Child's Reactions Studied at U-M

## Salem School Dedication Set

Ann Arbor — Children's reactions to their mother's miscarriage need and deserve more attention, a University of Michigan study indicates.

This does not mean that all such reactions should be regarded with alarm, but some disturbed reactions can — and do — have serious and long-lasting effects on a child's growing personality.

The U-M study, supported by The Grant Foundation, Inc., was made by four investigators: Dr. Albert C. Cain of departments of psychology and psychiatry; Dr. Irene Fast, formerly of the psychology department; Mary E. Erickson and Rebecca A. Vaughan, both of the U-M Children's Psychiatric Hospital.

Considering the relatively frequent occurrence of miscarriage, it is remarkable how little is known about the psychological impact of miscarriage, the U-M researchers say. And their own study, at the moment, remains limited in its extent.

Even so, the study's findings clearly indicate the possible range, intensity and lasting influence of children's reactions. For example, some of the "disturbed" reactions are immediate and quite visible: nightmares, severe anxiety, stuttering, depressions, upsurge of aggressiveness, sudden outbursts of fear and hatred of the mother.

More typically, say the U-M researchers, the child is puzzled and confused as to what happened. If that question is cleared up, he wants to know how and why it happened.

Often, however, the parents are evasive and the child must answer his own question with whatever understanding — or misunderstanding — he has about pregnancy, unborn babies, birth and death.

There are many other possible complications the study found. Examples: the child of ten may blame himself for the miscarriage, or the loss of his expected sibling may disappoint him.

And the lasting influence of some of the "disturbed" reactions has been detected in a number of adolescent and adult

psychiatric patients in varying degrees, the Michigan researchers report.

A great deal of work must yet be done before researchers learn the whole complex story of "miscarriage reactions."

But it now is clear, say the U-M researchers that "the variables involved in children's reactions are many, and their interactions complex."

Miscarriage reactions range from minimal, transient ones to those that are enduring and profound in their impact on the child's developing personality.

The child's disturbance is not always visible and it depends largely on his immediate understanding about the miscarriage and his parents' sometimes troubled reactions to the miscarriage.

Dedication ceremonies and open house will be held at the new Salem elementary school Sunday, November 24, from 2 to 4 p.m., with the official program beginning at 2:15 p.m.

The Salem School Parent-Teachers Organization, sponsors of the dedication, this week announced that a full program has been planned under the chairmanship of President John M. Renwick.

Everyone is invited to attend the open house and enjoy the program at the new five-room school located on Salem road one-half mile south of Six mile road.

The program will begin with a flag raising ceremony conducted by Brownie and Cub Scout troops of Salem School. Music will be furnished by the South Lyon high school band under the direction of Frank J. Kochalko.

Invocation will be led by R.

L. Sizemore, Elder of the Bethlehem Temple church; Pamela Underhill and Patrick Riordan will then cut the ribbon, and Superintendent Frank Bartlett will present the South Lyon Community School's Board of Education members.

And the Children's Chorus of third, fourth and fifth graders, directed by Mrs. Lynda Sharbough, will sing "America, the Beautiful."

Highlighting the program will be an address by Salem township Supervisor Glenn Renwick, outlining the history of Salem.

Representatives of the architects and general contractors who built the school will then make the official presentation; and Mrs. Sadie M. Riedesel, assistant principal at Salem School will accept.

The program will be brought to a close with the chorus singing "My Country, 'Tis of Thee" and a benediction by the Rev. Elwood Chipchase of Salem Federated church.

Officials announced that refreshments will be available throughout the afternoon, compliments of the Salem School P-T-O.

## Michigan Birth Rate Continues to Decline

Lansing — Unless there is a sudden upturn in the number of births in Michigan during the last three months of the year, 1963 will be the sixth

year in a row in which births have declined.

At the three-quarter mark, a total of 130,062 births was reported to the Michigan Department of Health — 2,363 less than the number reported through September a year ago, and more than 10,000 less than were reported at the same time in 1961.

In order to equal last year's total of 181,754 new babies, births will have to average more than 17,000 a month in October, November, and December. So far this year, births have averaged around 14,500 a month, ranging from a low of 11,451 in January to a high of 15,641 in September.

The "population explosion" reached a peak of 208,488 in Michigan in 1957, but has been declining steadily since then. If the number of births this year falls below the 180,000 mark, it will be the lowest number since 1952.

## Kitchen Diary

(Continued from Page 2)  
FILHOZES

2 eggs  
6 Tbs. water  
2 Tbs. white port wine  
½ tsp. almond extract  
2 tsp. sugar  
3 cups flour  
¼ tsp. salt  
1 Tbs. melted butter  
½ cup confectionary sugar

Beat eggs slightly, add water, port and almond extract. Sift, and mix together all dry ingredients except the confectionary sugar.

Stir two mixtures, adding melted butter when partly mixed. Roll out very, very thin. Cut into squares and make a cut in one corner. Pull opposite corner through and fry in deep, hot fat for two minutes or until they turn a delicate brown. Drain. Sprinkle with confectionary sugar.

Store in covered two gallon tin can.

PREPARING POSTERS for the upcoming Christmas Mart, co-sponsored by 12 area branches of the National Farm and Garden association, at the home of Mrs. R. J. Wright Monday afternoon are (l to r): Mrs. Wright, Mrs. Charles Conklin, Mrs. K. H. Babbitt, Mrs. W. G. Hess, Mrs. C. W. Whittlesey, Mrs. H. J. Frogner, Mrs. William Cansfield, Mrs. L. M. Eaton and Mrs. W. H. Johnston. The Christmas Mart, billed as the most beautiful ever staged, will be held on December 7 in the community building.

ART EXHIBIT — Cecil North, painter of Ann Arbor, and William Case, stoneware potter who teaches in Northville, were guests of honor at a reception Sunday in the Hartley-Powers Gallery, 116 East Main street. The two distinguished artists will display products of their talent through November 30 at the gallery. Case is at left.

### 3 — For Sale — Real Estate

Ruth Millett, Detroit News Writer says:

"House hunting couples with children should shop for the following in a home —

"A real fireplace. Nothing adds as much psychological warmth to a home in the cold dreary days of winter than the sound, smell and sight of an open fire.

"Built-in book shelves and plenty of them. A growing family needs good books and a place to put them. Also encourages a couple to begin to build a library of their own.

"Space in preference to expensive gadgets and non-essential trimmings. Not-so-new homes many times offer a better buy than a brand new "cute little" one for the same money.

"A yard big enough for children to play in."  
Right you are, Ruth — and what do you know? I have got 2 homes just like the above that I would like to show you. One in the "cute little" home price range and the other in the young executive range. Both will please your family — your most honored guests — and yourself.

Cage Tickets  
On Sale Now

High school student and adult  
season tickets for the upcom-  
ing varsity basketball home-  
game schedule are now on  
sale. Athletic Director Al Jones  
announced this week.

Purchase of season tickets  
results in a savings for both  
high school students and  
adults.

Good for only home games,  
the tickets are not transfe-  
rable. High school students  
may purchase them for the  
eight home games for \$2.25 —  
a savings of 55-cents. Adult sea-  
son tickets cost \$6 — represent-  
ing a savings of \$2.

High school students may  
purchase the tickets through  
home room and student coun-  
cil aldermen upon presen-  
tation of identification cards.  
Adults may purchase tickets  
at the athletic department of-  
fice.

Season tickets also will be  
sold at the opening home  
game.

32nd DEGREE MASON, — Harold P. Becker, 43500 Grand River, Novi, was among a class of 290 candidates to receive the 32nd degree in Scottish Rite Freemasonry at a banquet in Detroit on Saturday. The occasion was the 254th reunion of the Scottish Rite, Freemasonry, Valley of Detroit, which embraces 11 counties in southeastern Michigan. It also was the fraternal groups' 150th anniversary. Thomas C. Clark, associate justice of the United States Supreme Court, was guest speaker.

— In Justice Court —  
Two youths pleaded guilty to charges of minor in possession on Monday in Northville justice court.

**Barn Burns**  
Fire leveled all but the stone foundation of a barn belonging to Angelo DiPonio of Salem township this past Thursday afternoon, consuming about 3500 bales of straw in its fury.

Salem township firemen, who responded to battle the blaze at 4:45 p.m., were called too late to bring the blaze under control. They did, however, save a larger barn, used to house cattle, which was standing 10 feet from the fiery building.

Cause of the fire was not determined. The barn was located at 8495 North Territorial road, between Curtis and Weed roads.

Mrs. Beevia M. Clement of Plymouth, pleaded guilty to a charge of improper lane use.

Mrs. Clement's car was involved in a head-on collision with another car on October 28 when she crossed left center of the dividing line. Mrs. Clement sustained minor injuries. She paid a \$15 fine and \$10 court costs.

John L. Dowd and Jack L. Nitzel, each paid fines of \$15 and \$5 dollars court costs.

Dowd, 19, and Nitzel, 20, were observed on the service drive of the Bel-nor Drive Inn, by the police. When police investigated they found that the youths had liquor in their car.

### 5 Mistakes Win All 3 Grid Prizes

Believe it or not: five mis-  
takes were good enough to win  
all three prizes in last week's  
football quiz.

First place went to Mowry  
A. Arnold of 1311 Williams.  
Plymouth, who made five mis-  
takes. In second place, also  
with five mistakes but not as  
close in the Detroit-Los Ange-  
les game, was H. W. White of  
11846 Riverside drive, Ply-  
mouth.

Frances Kritch of 860 Spring  
drive, who also made five  
mistakes, was the third place  
winner.

Several contestants were  
close behind with six mistakes,  
including Mrs. Kathryn Byrne  
who picked the exact score of  
the Detroit-Los Angeles  
game.

Among the other contestants  
who picked Los Angeles over  
Detroit and who made six mis-  
takes were:

Joe Kritch Jr., Joe Kritch,  
Sr., and Eddie Kritch, all of  
860 Spring drive and Vicki El-  
kins of 24009 Glen Ridge, Novi.

Those who had six mistakes  
but who picked Detroit over  
Los Angeles were:

Beryl Riley, Susie Jones,  
Tom Randall, Scott Bunn,  
Clay Kelley, Brian Dunn, Col-  
leen Thomas, C. O. Rapp, Jim  
Hoffman, Terry Hoffman, Da-  
vid Hochkins, Bob Orr, Mrs.  
Donna Engel, Ray Christen-  
sen, Bob Beller, Earl Ryder,  
and Marilyn Bell.

Since Michigan tied with  
downa, 21-21, most contestants  
missed this game. Other game  
results which caused difficulty  
for contestants included:

"Northwestern" over Ohio  
State, 17-8; Pittsburgh over Ar-  
my, 28-0.

**CHAMPION DIES** — A championship career was cut short this past week when Billy B. Geddes, Morgan show horse, died of a ruptured stomach.

## Champion Dies Here

What probably was one of the greatest Morgan show horses to come out of the midwest, Billy B. Geddes, died November 13, on the ranch here of his owners, Mr. and Mrs. Eddie Earehart of Salem.

An autopsy performed on the eight-year-old champion showed that the animal died of a ruptured stomach. It is not known how or when the rupture developed.

Sired by Quiz Kid — owned by Gerald Taft of Northville, and out of Ruthven's Miriam Ann, Billy B. was born March 25, 1955.

Under the expert care and training of his owner, Eddie Earehart, the sleek beauty had won more than 100 blue ribbons in five years of showing, 10 yearly championships and three yearly reserve championships.

He was the grand champion saddle and harness horse at the annual JMHA Show, grand champion saddle horse at the Syracuse, New York, All-Morgan Show, grand champion saddle horse at the Bucyrus, Ohio, All-Morgan Show, grand champion saddle and harness horse at the Michigan State Fair and at the Saginaw County Fair.

He was a blue-ribbon winner at the Harrisburg, Pennsylvania National Horse Show; Frederick, Maryland All Morgan Show; Cleveland Ohio Horse Show; and Grove City Horse Show.

His show record:

1959 — Michigan Horse Show Association, high point saddle and harness.

1959 — Justin Morgan Horse Association, high point saddle and harness.

1960 — MHSA, high point saddle; MHSA, reserve high point harness; JMHA, reserve high point saddle.

1961 — MHSA, reserve high point saddle; JMHA, high point saddle.

1962 — MHSA, high point saddle; MHSA, high point harness; JMHA, high point saddle; JMHA, high point harness; 1963, MHSA, high point saddle; and JMHA, high point saddle.

## Vandals Hit Home

Police are investigating a complaint of vandalism and theft from a house under construction in Northville Estates.

The Northville Construction Co., reported the theft of eight pairs of shutters, wood paneling and door locks, over the past weekend. Also windows, doors on the patio were broken. The inside of the house received damage to the walls.

Police asked that residents in the area call the department if they notice anything suspicious in their neighborhood.

## Holes Pepper Hockey 'Kings'

Its roster peppered with holes, the Ely Oil Kings — last year's champions of the Garden City Hockey League — opened drills last week.

At least five of the 14 members of last year's championship squad are not expected back this year, leaving Coach Bill St. Lawrence with the task of plugging holes before the season gets underway next month.

And unless more candidates show up for the weekly drills, St. Lawrence, who took over the coaching position from Guy Brant, will be faced with some real problems when the 12-game schedule opens.

We sure can use some more players," the player-coach said. "Anyone who is interested should contact me immediately at FI 9-0708."

According to the coach, the nucleus of this year's squad will be made up of Dick Willis, top scorer in the league last year; Phil Kearney, 1962-63 top defenceman; and Dick Nowland, the league's top goalie last season.

Last year the Northville team finished on top of the league, but then was relegated to a runner-up spot in the playoffs — a two-game knockout.

All games are played at the Garden City Rink on Thursday and Sunday nights.

**NEW COACH** — Bill St. Lawrence, who takes over as coach of the Ely Oil Kings, is faced with the task of plugging some big holes in the hockey team's roster.

## Coach Longridge Sees Green

# New Faces on Cage Squad

With the basketball season coming up with a rush, Dave Longridge, coach of the Northville Mustangs has an aversion to one color — green.

No offense to the Irish, but the green he's thinking of spells anything but good luck to a coach. It's the green of inexperience.

Gone are the vestiges of Northville's quarter finalist team that raced through the 1961 season undefeated. Grad-

## Matmen Eye Opener Wednesday

The Northville high school matmen are going through their paces on the mat, getting ready for the 1963 wrestling season which should be "the best ever."

That's the opinion of Coach "Dick" Gray and Ken Thompson as 30 hopefuls work out each night at the local gym.

Heading the list are nine experienced grapplers, including five lettermen. Numeral winners returning are Jerry Burns, Russ Nichols, Doug Nichols, Bob Orr and Dennis Cook.

Those who saw limited action last year, and upon whom much depends are Mike Horner, Bob Steeper, Bob Fisher and Doug Glabbe.

A valuable addition to the team is football center and transfer student from Royal Oak, Dave Kerr. He has had two years of experience at his former high school.

After a week and one-half of workouts, both coaches agree that the team looks very good. "We're really pleased with their progress, morale and enthusiasm," Gray and Thompson noted. "We're definitely stronger than last year," they added.

To get into condition, team members ran a lot. In addition, team-type exercises are being stressed.

Four basic areas of wrestling are being stressed: take downs, escapes, break downs and reversals. Before the Thanksgiving vacation, everyone will have practiced the fundamentals.

Ten matches have been booked for the season with the first match being against Bentley next week.

## News Picks Ron Rice

Heading the list of three Northville graders who made an indelible impression on the minds of the Detroit News' gridiron experts was Fullback Ron Rice.

Rice was named, recently to the West Suburban All Star team. The Mustangs' leading ground gainer, he was also the leading scorer in the Wayne-Oakland conference with 107 points.

Receiving a birth on the News' W.O. League all star team along with Rice were Dave Jerome, a guard, and Dave Kerr, a center.

Jerome also doubled as a linebacker on defense to make the Mustangs the toughest defensive unit in the circuit.

Kerr, a transfer student from Royal Oak, was one of the offensive stalwarts and will be back next year. All three were selected as members of the coaches' W.O. conference team the previous week.

Northville, Mich.

ated are the likes of Jim Juday, Tom Swiss and Craig Bell.

In their stead are 11 new faces, eight of them underclassmen. On them and the only returning veteran, Captain and Guard Dan Bishop, rests hopes for a winning season.

Although short on experience, the Mustangs have been working hard for approximately three weeks in an effort to get into top shape for the opening game December 3 against Bloomfield Hills.

"As a group, this is probably the hardest working bunch over all that I've had," Longridge said.

With the shift of emphasis from offense to defense, the Orange and Black mentor has given notice that work is the keynote to any success. In fact, he's made it explicit that if a player can't play defense, he won't be seeing much action this year.

The defense will be pressing all the way to pick up those extra buckets.

What's more, the defense should compliment the offensive strategy, which will be to run more. In this manner, the Mustangs may be afforded more break-away opportunities with the easy two-pointer goal.

Where Northville is short on experience, however, it is also long on height. Putting the tallest men on the floor, the local cagers could field a squad averaging six feet two inches with a few inches to spare.

Backbone and field general of the team at present is diminutive senior Bishop.

He is the smallest man on the squad at five feet five and one-half inches. A fiery competitor, Bishop combines good speed with heady play.

His running mate at the other guard spot is currently Jim St. Germain, a junior who was brought up from the JV's at tourney time last year. At five feet seven and one-half inches, he's a good outside shot — a must against a good zone defense — and he's come a long way since last year, according to Longridge.

Both Bishop and St. Germain are hustlers and good drivers. Backing up the two small men at guard are Jerry French, Tom Bingham and Lance Hahn.

French, a five-foot 11-inch junior, has progressed signifi-

## Motorist Hurt

On Sunday evening, a 21-year-old Wyandotte motorist was injured when his car plunged out of control into the ditch on 10 Mile west of Wixom road and rolled over several times.

Treated at St. Mary Hospital for cuts and bruises was Robert W. Stadler.

According to police, the youth apparently was speeding, lost control of his car and it skidded from the road and into the ditch.

cantly and drives well. Bingham, who is a five-foot 10-inch junior, was cut from the squad last year, but this year he has made a determined, improved effort.

The most versatile of the new men is transfer student and football End Hahn. At six feet one- and one-half inches, he works well at both guard and forward, showing good moves at both posts.

A battle supreme rages for the starting forward births. No less than six men are in contention. Each will probably see lots of action during the coming year.

A leading candidate is the tallest man on the squad, six-foot three and one-half inch John Callaghan, who also doubles as a center. He was a JV regular last year.

According to Longridge, Callaghan is a good shot, but has difficulty getting into position. But he is improving. Longridge is quick to add.

Hahn is also a top contender in need of defensive work.

Smallest of the forwards is junior Tim Krug, a jumping-jack who excels at rebounding and driving. The Mustang mentor noted that Krug must polish his outside shooting and his defensive moves.

Perhaps the best outside shot on the team is senior Jim Mazel, a hold-over from last year's varsity. He is five feet 10 and one-half inches tall.

Three tall men, each six feet two and one-half inches in height, give the Mustangs muscle under the boards.

Youngest of the lot is sophomore Mark Cushing, a lean playmaker, who has shown excellent potential. He's a corner, according to the coach.

Rounding into shape is Rick Milne, a junior. Overweight when he first reported to practice, Milne has been running himself into shape and shows improvement every time out.

Big things are expected of junior Tom Wicke, noted Longridge. An excellent rebounder, he needs to work on defense.

Holding a slight edge at the center post is sophomore Jerry Insland at a solid six feet two inches. Here, drive and determination may overcome inexperience.

Close on Insland's heels, however, is Callaghan. If he develops as a rebounder, said Longridge, he may get the nod.

Granted inexperience and more height than Longridge has ever had, this year's Mustangs also have speed and all of them can score from anywhere on the court, including the big men.

With a tally sheet like that, Northville at least will be an exciting team to watch.

But the local cagers are in dire need of a scrimmage which would furnish real proof of how well they will perform under pressure.

If anyone knows of a team that is willing to scrimmage Northville, contact Dave Longridge at the high school within the next two weeks.

## Winter Schedule Varsity — JV Basketball

CLIP COUPON NOW!

**10-POINTER** — C. R. Bolton, 240 South Wing, hardly left home to bag this prize 10-point buck. Bolton decided to go deer hunting this year only after he noticed a number of bucks in the Ann Arbor area. So last Saturday morning he picked out a spot just west of Ann Arbor. After a short wait, he hit the jackpot... two large bucks fighting in an alfalfa field! "Never saw anything like it," exclaimed Bolton.

## Novi School Board Hears Talk on Tenure

A report on activities at Orchard Hills elementary school took up a major part of last week's regular board of education meeting.

Roy Williams, principal, outlined daily routines at the school and called upon teachers at the school to explain the cooperative teaching technique incorporated into the program this year.

It was pointed out that in some cases, teachers are trading classes so that they are concentrating in subject areas in which they are best qualified.

This procedure was praised both from the standpoint of the teachers and from the standpoint of the pupils.

For example, a teacher best qualified in arithmetic trades classes with the teacher best qualified in English. Thus, teachers concentrate in subjects in which they are best qualified, while pupils are given the advantage of better instruction.

School board members also were given an explanation of the second grade's introduction to "new math."

In still another report, the board heard an explanation of the state-wide drive for enactment of a state tenure act by Fred Schwartz, president of the Novi education association.

Schwartz, who urged backing of the proposed act by local board members, pointed out that his presentation was an explanatory one and was not intended at this time to require board action.

Trustee David Fried noted that under the present statute individual school systems are permitted to adopt tenure, which — briefly stated, guarantees job security against unwarranted dismissal. He questioned the necessity of a state act since each school district may, if it desires, adopt tenure. He added that apparently teachers in the local system had not pushed for such adoption here.

Schwartz also stated that the teachers' salary committee desired to meet with the board to discuss the matter of salaries. He was asked to request a specific meeting date in the near future.

Other business of the board included:

- Postponement of purchase of a public address system for the new school bus, at a cost of \$345, until after a report by drivers of buses now equipped with P.A. systems as to their effectiveness and value;
- Postponement of sale of Beck road and Meadowbrook road school properties until spring;
- Receipt of an invitation to attend a teachers' pre-holiday party on December 9;
- Tabling of bids for removal of old buildings on the new junior high school property until after it is determined whether or not burning of the buildings by the fire department and "cleaning up" by a private contractor might be less expensive (bids range from \$900 to \$1,925).

## Advertises Township

# Salem Group Erects Signs

First tangible results of an all-out effort to promote Salem township were noted recently in the form of "Welcome to Salem Township" signs located at 10 different approaches.

These signs were one of the first two projects undertaken by a recently organized committee — named Salem Township Committee for Progress — initiated by the township board.

With Jack Renwick as its acting chairman, the committee is composed of six private township residents, currently including John Gabel, Joe Ryckman, Roy Johnson, Glenn Deibert and Glenn Burnham.

The purpose of the committee is to promote Salem township as an attractive site for industrial and residential building. Emphasis has so far been put on promoting the township

for industrial relocation from other areas.

In keeping with the theme "Help Salem Township" all possible projects of the committee have been undertaken by

local people. The signs, for instance, were made by Brownies Neon Sign company.

Another project, currently in the planning and preparation stages, will be to send in-

formative brochures to commercial and industrial firms which might be contemplating relocation and to real estate firms listing industrial prospects.

**NEW SIGNS** — Ten new signs have been erected at entrances to the township of Salem — thanks to the efforts of the township board and a newly organized Salem township committee for progress. Shown here (l to r) are: Floyd Taylor, township treasurer; John Gabel, committee member, and Glenn Renwick, township supervisor.

## Obituary

### HOMER. JOHNSON

Homer Johnson, 57, formerly of Novi, died Saturday, November 16 in McPherson hospital in Howell after a short illness.

Mr. Johnson lived in Novi from 1930 to 1961 when he bought a farm in Howell and moved to that community.

He leaves two daughters, Lillian Killeen (Mrs. John) and Evelyn at the home; one son, Lyle, who also lives at home; a half-sister, Mrs. Marie Lafond of 12 Mile road; a half-brother, Fred Ashby, of Romulus; and 10 grandchildren.

Funeral services were held at the McDonald Funeral home in Howell with burial in Oakland Hills Memorial Gardens.

### VERA MAE HEARD

Mrs. Vera Mae Heard, 63, of 16461 Franklin road, died Thursday, November 14 at St. Mary Hospital following an illness of five weeks.

Born April 13, 1900 at Strathroy, Ontario, she was the daughter of George and Mary (Stacey) Brothers. Her husband, Earl R. Heard, survives.

A resident of this community since 1941, she was a member of the First Methodist Church of Northville and a member of Orient Chapter No. 77, Eastern Star.

Besides her husband, she is survived by three daughters, Mrs. Mary Wilson of Fresno, California, Mrs. Marlene Fay Raymond of Kalamazoo, and Mrs. Vera Estelle Tibble of Plymouth; five brothers, Calvin of Livonia, George of Wayne, Charles of Plymouth, Robert of Plymouth and John of Northville;

Two sisters, Mrs. J. J. Davis of Strathroy, Mrs. Flossie Root of London, Ontario; and a brother, Richard Brothers of Strathroy.

Funeral services were conducted Monday, November 18 from Casterline Funeral Home with the Rev. Ivan Hodgson of the First Methodist Church of Clawson officiating.

Burial was in Oakland Hills Memorial Gardens Cemetery.

## Drinking Youths Arrested in Novi

A 21-year-old Salem man, Coy G. Combs, was arrested last week for stealing gasoline and oil from Novi Councilman Philip Anderson's property.

Combs, who admitted the theft, pleaded guilty before Justice of Peace Emery Jacques and was given a 10-day suspended sentence on condition that he enter the armed forces.

Some 10 gallons of gasoline was stolen from a tractor and a truck, as well as 12 quarts of oil stored in a shed on the

Anderson property.

In other Novi police action this past week, several youths were arrested on charges of having alcohol in their possession.

Ralph H. Fitzpatrick, 18, and John Kumer, 19, both of Detroit were arrested at the corner of Novi and Charlotte when police found beer in their car. They are to appear in court today.

Two 17-year-old Hazel Park boys also are to appear in court today on similar charges. They are John H. Stephens and Larry Gross. They and two juveniles, who have been turned over to the juvenile court were arrested Saturday night at the Casino dance hall.

Charles Drenchen and James Lee both 20 and residents of Garden City were arrested Friday night at the Casino on charges of being drunk and disorderly. They too are to appear in court today.

Kenneth Manelski of Madison Heights reported that someone broke into his car, parked on 13 Mile road near Derby Bar, Friday night. A bank book was stolen, he said.

### A Letter from Santa

A letter from Santa Claus is a never-to-be-forgotten thrill of childhood. Letters for all ages. On fine lithographed stationery.

Mailed Dec. 10. Be sure to state name, AGE, and address of child. Orders must reach us before Nov. 25. Order early to insure delivery. 50c each, no stamps please. The Land O' Youth, Box 140-A, Northville, Michigan. (36th year).

## 2 Face Trial In Circuit Court

A 50-year-old woman who was involved in a traffic fatality accident here on October 14, is awaiting Wayne County circuit court trial.

Arraigned in Northville on October 31, Mrs. Alice D. Case of Median, Pa., was bound over to circuit court to stand trial on a charge of negligent homicide. She posted a \$1,000 bond and was released. Her trial date has not yet been set.

Mrs. Case was involved in an accident at the intersection of Edward Hines Drive and Northville road. The car which

she was driving ran a stop sign and ran head-on into a car driven by Waford Kilburn. Kilburn died of injuries at St. Mary hospital.

Three other persons were injured in the crash, including Mrs. Case, a 54-year-old passenger in the Case car, and a passenger in Kilburn's car. All three received extensive cuts and bruises and were treated at St. Mary hospital.

Another circuit court trial is to be held soon for a man charged with carrying concealed weapons in a motor vehicle. Lenard Paul Farber, was arraigned in Northville, on October 28, and was bound over for trial.

State police were called to the Northville State hospital by a guard who was having trouble with Farber. When the police arrived at the hospital they took him to his car where they found two automatic pistols on the back seat. Farber had no permit to carry the weapons.

Pending his trial, Farber has been freed on a \$500 bond.

## He's Honor Student

Frederick T. Steeper, son of Mr. and Mrs. L. W. Steeper of 19320 Marlyn, is one of 19 students at Western Michigan University studying in the Honors College.

Open to university students who have a better than B average, Honors College attendance depends upon sustained student interest, high scholarship, the continuing value of the program to the student and the student's contribution to the university.

The students must, in their senior year, be examined by the faculty and produce an original paper, work of art or the like.

Steeper is a junior.

# Underground Railroad 'Stations' Included Salem - Northville

## Old Barn in Which Runaway Slaves Hid Still Stands

They came into the area, hidden in wagons, secreted in barns, homes, stores and then spirited away toward Detroit.

It is estimated that 40,000 run-away slaves, fleeing from their "masters" of the South, were smuggled into the Detroit area where they were transported across the St. Clair and Detroit rivers into Canada.

One of the several communities in southern Michigan

which served as "stations" along the so-called Underground Railroad was located in the Northville-Salem area. And one of the barns in which these slaves hid before moving on towards Detroit still stands.

Once part of the Starkweather homestead but now standing weatherbeaten in the center of the Thompson gravel pit between Six and Seven Mile roads west of Beck, the barn is presently used as a storehouse for Thompson company equipment and parts.

According to Mrs. Ruth Starkweather, whose late hus-

band was a grandson of the original owner of the property, Samuel Starkweather, the story of how slaves were hidden in the barn has passed on down through the generations following.

"My husband's father — King Starkweather — use to tell of how he and his father would lead slaves back to the barn when they'd bring them here by wagon. It was all hush-hush. Not many knew about it.

"They'd bring them from the Ypsilanti area, down Seven Mile road — it was just a dirt trail then — to the farm

here. (Mrs. Starkweather still lives in the original Starkweather farmhouse, now more than 125 years old.)

"The barn was way back of the house, used for quartering sheep.

"King Starkweather was just a young man then. Later he fought in the Civil War. I remember him saying right here in this room how he'd carry food back to the barn at night."

Like the house which still stands, the framework of the barn is hand-hewn. Solid black walnut lumber, held together with wooden pegs, stretches across the entire length of the building. Some of the boards are 18-inches or more wide.

There were other "stations" in the area. The Ambler building, located in what is now a vacant lot at the southwest corner of Center and Main streets in Northville, and

homes in the Reservoir drive area off what is now Cass Benton Park drive reportedly were used for housing slaves.

Some of the Negro families living today in Salem can trace their ancestry back to the era of the Underground Railroad.

The Lewis family, for example, recalls that John Lewis grew up in Virginia years before President Lincoln issued his famous Emancipation Proclamation.

Little is known about his parents, except for sketchy ac-

counts in the memories of grandchildren. His mother reportedly was set free by her "white master" shortly before his death. His father, who was not a slave, worked in the Virginia coal mines.

Whether they married in Virginia or in Ohio is unknown by the Lewis survivors now living in Salem. And although the Lewis grandchildren cannot be sure, they suspect that their grandparents and father fled to Ohio to escape enslavement during the period that

slavery was reaching a boiling point in United States history.

According to records kept by the family, Lewis and his parents fled Ohio shortly before the Civil War "because kidnappers were roaming the Ohio territory waiting to seize Negro youths and carry them into the deep south and sell them."

Lewis was 14 at the time. He and his parents reportedly followed the route of the famous Underground from Ohio, into or near Salem, and then on to the Detroit area and across the river into Canada.

About two years after the family's escape to Canada, Lewis "ran away from home" and returned to Michigan, where as a teenager he enlisted in Pontiac's first Negro division during the Civil War.

Later he and his wife moved first to South Lyon and eventually to Salem.

The Lewis family probably took the northern route of the Underground Railroad, which ran from Ann Arbor to Northville, Farmington, Birmingham, Rochester, Utica and Romeo to either Richmond or New Haven, and then across the St. Clair River.

According to historians, each of the so-called "stations" were about a day's journey apart.

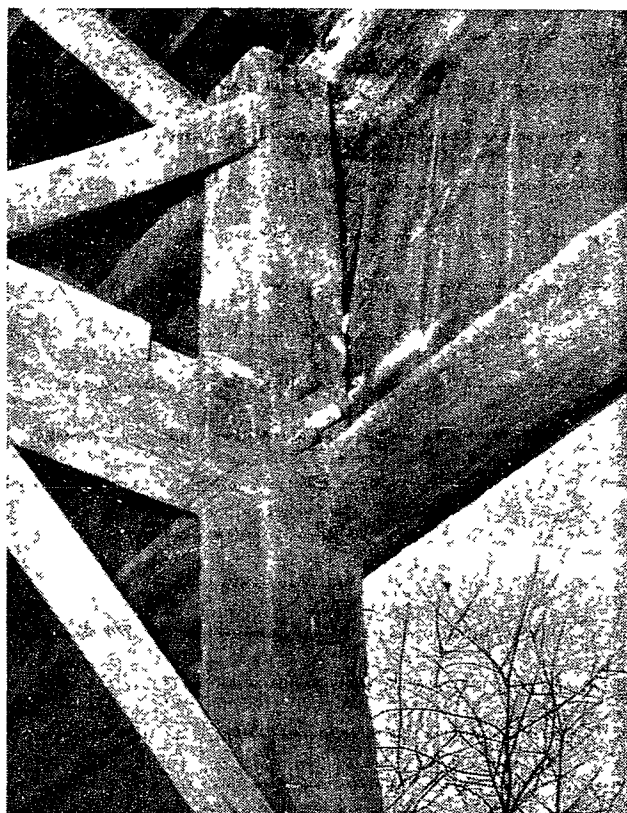

After entering Michigan at Niles, White Pigeon or Morenci, the slaves were guided through Cassopolis, Schoolcraft, Vicksburg, Climax, Battle Creek, Marshall, Albion, Jackson, Michigan Center, Leoni, Grass Lake, Chelsea, Dexter, Ann Arbor, Ypsilanti, to Detroit and then to safety in Canada.

Slaves brought into the state at White Pigeon were linked with the Niles route at Schoolcraft or Vicksburg.

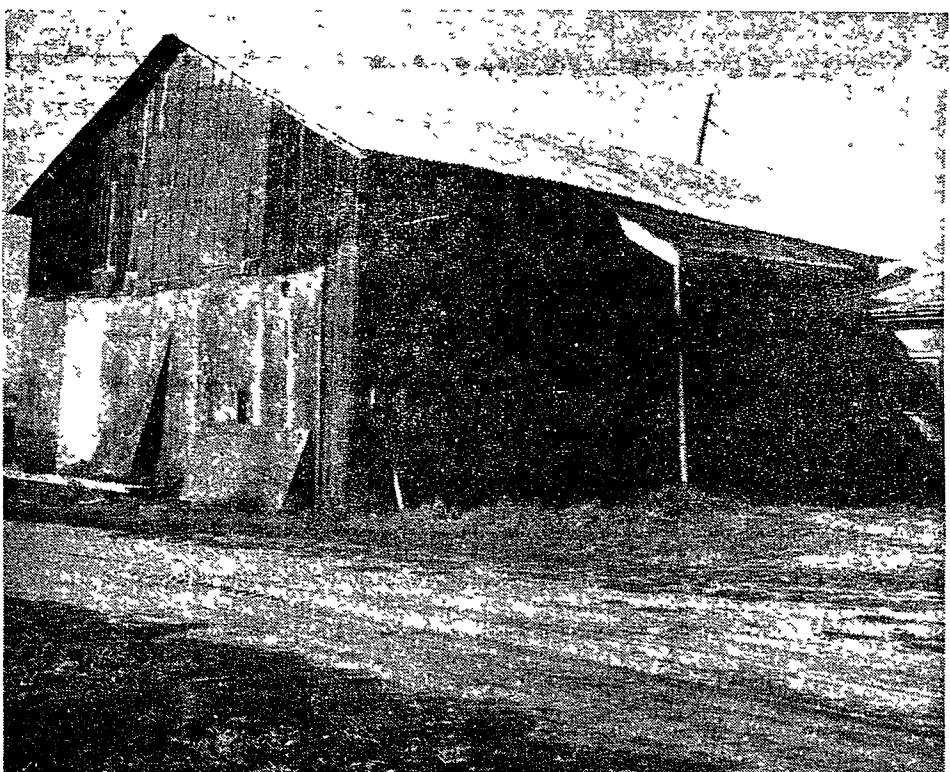

While accounts are incomplete "Uncle Tom", about whom the play was written which fanned abolitionist fever, was smuggled into Canada over one of these routes — possibly through this area and,

who knows, may have hidden in the Starkweather barn.

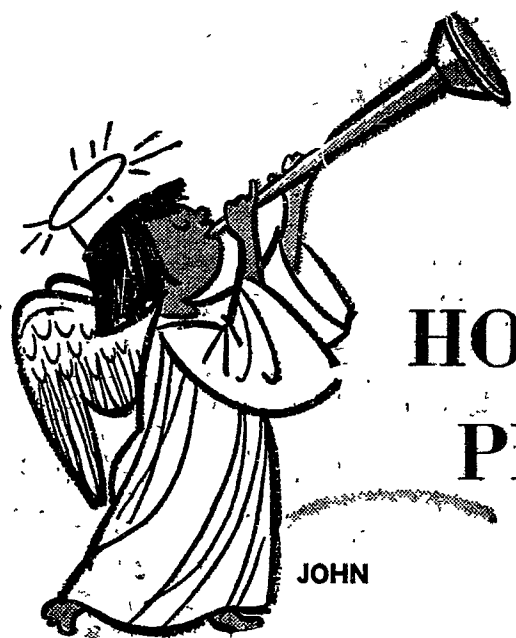

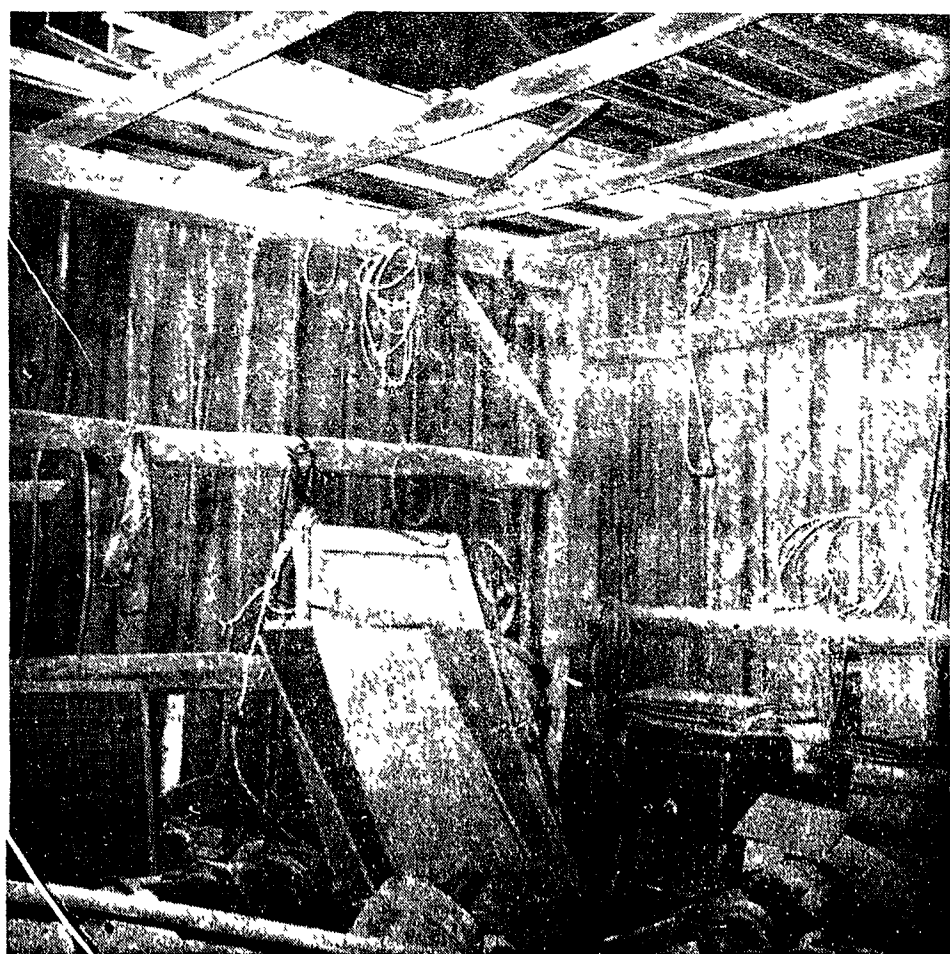

Another famous Negro, who may have traveled this way was John Brown, who devised the raid on Harpers Ferry. Brown was a "conductor" of the Underground Railroad and his travels probably took him through this area on numerous occasions.

**CRAFTSMANSHIP** — Pioneers of the region demonstrated real craftsmanship in erecting buildings. Notice the method of interlocking heavy framework by wooden pegs in this barn which is well over a hundred years old.

**SLAVES HID HERE** — Runaway slaves were hidden in this barn located on the Starkweather homestead west of Beck, between Seven and Eight Mile roads. It was located along one of the routes of the famous Underground Railroad. The interior picture shows an old safe used by one of the early Starkweather families.

CHEVROLET

Which type Chevrolet  
pickup do you need?

Chevrolet now makes four different types, each with its own distinct advantages. Whichever one you buy will be a lot more truck than your money bought the last time!

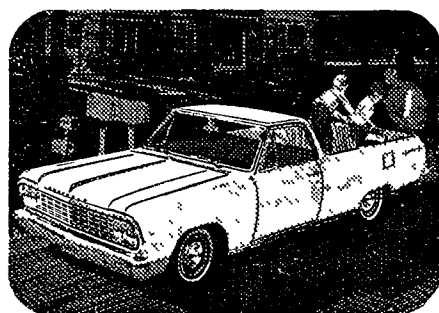

**FLEETSIDE.** Based on sales, the best liked pickup in the world. Outstanding feature is its large body extending clear out over the wheels. Two body sizes. Two wheelbases. Best riding truck, by far, with coil springs all around and independent front suspension. Cab and body have double-wall construction. Chevrolet Fleetside—best for all-around use.

**STEPSIDE.** Has flat interior body walls and convenient side steps between cab and rear fenders. Comes in same two sizes as the Fleetside plus one bigger size. Big model has heavier frame, 4-speed transmission and leaf-spring rear suspension for maximum payloads. Standard engine is 230-cu.-in. Six. A 292 Six or 283 V8 is available at extra cost.

**RAMPside.** Nobody else makes a pickup exactly like this one with a ramp at the side. The ramp makes loading easy because of its 16-inch rise. Truck also has a conventional tailgate. Body and frame-floor assembly are very rigid because they are welded together. Has larger 95-hp air-cooled engine this year. Independent coil spring suspension all around.

**EL CAMINO.** If you want a pickup as good looking as any car on the road, this is the one! It can work hard, and look like a million dollars doing it—the only pickup in the world with Body by Fisher! You can order an El Camino as plain or as fancy as you wish: bucket seats, air conditioning, 4-speed transmission, power brakes are some of its extra-cost options.

Thanksgiving Day.

## from the PASTOR'S STUDY

Reverend LaVere Webster,  
Pastor, Novi Methodist Church

A primary assumption for  
life is that storms are part  
of living. This is true for  
some, necessary for others.  
But it is a realistic assump-  
tion. The perfect climate  
exists only in the imagina-  
tion or in the literature of  
the "Chamber of Com-  
merce, Anywhere."

In our social life we  
equate a storm with un-  
pleasantness. Therefore, we  
want to drift along and  
keep the status quo. Jeremi-  
ah, an Old Testament pro-  
phet, spoke the uncomfort-  
able truth and found it was  
no way to be popular. Whe-  
ther it be government, mili-  
tary, labor union, manufac-  
turing association or church  
we want to silence anyone  
who threatens to stir up a  
storm. We are often afraid  
of the truth, and yet the  
"truth shall make you free!"  
We cannot succeed in  
eliminating conflicts; nei-  
ther do we want to look  
within at our own miserable  
lives and see ourselves as  
we are. So, we have be-

come a nation of tranquil-  
ized, half-conscious beings.

The Supreme Court makes  
a decision of equal rights  
and our nation is torn by a  
wave of violence and hat-  
red made more terrible by  
our attempt to ignore it.  
Man cannot endure without  
learning how to deal with  
the inner tempests of his  
spirit. Jesus' Sermon on  
the Mount is about the dan-  
gerous adventures of life.  
The conclusion is to build a  
foundation of rock that will  
withstand. The search for  
security is internal, not ex-  
ternal. This is the simple  
basic truth of life. This is  
the rock.

America is defense con-  
scious. If we had historical  
perspective we would wor-  
ry about broken homes, de-  
linquency, rising crime  
wave, easy acceptance of  
immoral practices, the life  
being destroyed by alcohol  
— these are the real threats  
of the nation. Our prayer  
should be, "O Lord, give us

inward reserves of spiri-  
tual power." For no outside  
power can keep us alive. If  
we are to be alive all our  
lives we must find that  
source of life and bring it  
within. We must build de-  
fenses by His presence  
against inner death and fear.

Our viewpoint of Jesus, is  
at stake here. Is He a rev-  
elation of reality, or only  
passing interest. Our prob-  
lem is not that we are op-  
posed to Christ. But, we  
have never considered what  
we think of Him. Is Jesus  
only a good, well meaning  
person, only a moralistic  
teacher, a dreamer-idealist?  
Or is He a great realist who  
saw into the heart of trou-  
ble. Until we come to terms  
with His role and authority  
we cannot live as his fol-  
lower, as a Christian. For  
he demands action. He com-  
mands obedience. Then  
Christ is the Lord of my  
life. And when the storms  
of life beat upon me, I will  
not fall.

## Lutheran Hour Speaker Stresses Equality for All

The Lutheran Hour, world-  
wide radio ministry of St.  
Paul's Evangelical Lutheran  
Church of Northville and as-  
sociated congregations this fall  
began the 31st season of bring-  
ing Christ to the nations, ac-  
cording to the Rev. B. J. Pan-  
kow, pastor of the church.

The program is heard here  
every Sunday at 12:30 noon  
over CKLW, 800 on the dial.

The Lutheran Hour speaker  
is Dr. Oswald Hoffmann, who  
joined the program staff full-  
time in July after serving for  
eight years on a part-time ba-  
sis. He recently returned from  
a spiritual life mission to U.S.  
Air Force bases in Japan, the  
Philippines, and Hawaii.

His topic for the 31st season  
opening broadcast was "No  
Exclusions." He told listeners  
around the world, "If there  
are exclusions anywhere in the  
Christian church today, it is  
not Christ's fault. Regard-  
less of sex, class, station, na-  
tion, education, or race, to  
Him every person was a per-  
son — all in need of the grace  
of God, none more fit to re-  
ceive it than another."

Almost without exception,  
wherever Christian missionar-

ies go in the world today, The  
Lutheran Hour, or Bringing  
Christ to the Nations, the mot-  
to by which the broadcast is  
known in many places, has  
been there before them, open-  
ing doors, trail-blazing the  
way.

Currently broadcast in 43  
languages, it is heard in more  
than 120 lands by an estimat-  
ed 30 million persons each  
week. It is produced by the  
Lutheran Laymen's League,  
137,000-member affiliate of The  
Lutheran Church-Missouri Syn-  
od, producers of TV's "This Is  
the Life."

The same spiritual blessings  
offered on these programs are  
offered each Sunday at St.  
Paul's Church in services at  
8:00 and 10:30 a.m. and in  
Sunday school and Bible class-  
es at 9:15 a.m.

## In Uniform

San Diego, Calif. — Frank  
S. Jadzinski, son of Mr. and  
Mrs. Frank S. Jadzinski of  
2945 Maganser, Wixom, com-  
pleted basic training October  
25, at the Naval Training Cen-  
ter, San Diego, California.

The nine-week training in-  
cludes naval orientation, his-  
tory and organization, sea-  
manship, ordnance and gun-  
nery, military drill, physical  
fitness, first aid and survival.

During the training recruits  
receive tests and interviews  
which determine their future  
assignments in the Navy. Upon  
completing the program they  
are assigned to service schools  
for technical instruction or to  
ships and stations for on-the-  
job training in a Navy rating  
specialty.

Naval training produces the  
power in seapower by supply-  
ing qualified personnel to man  
the ships, aircraft and shore  
stations of today's Navy.

## Movie Slated At St. Paul's

A movie entitled "A Letter  
to Nancy" will be shown in the  
parish hall at St. Paul's Luth-  
eran Church here on Sunday,  
November 24.

Sponsored by the Walther  
League, showing of the movie  
will begin at 7 p.m. The public  
is invited to attend.

The movie concerns the dra-  
matic story of a foreign girl  
living in the United States. It  
is packed with the joys and  
heartaches experienced by  
families every day, officials  
explain.

## Reader Speaks:

### On Oldtimers, Library

To the Editor:  
I have enjoyed all the letters regarding the library, especially the historical facts presented by Mrs. Ruth Chase and because much valuable information is filed in the memories of the old timers who had the privilege of living in Northville in those long ago

times I believe for present enjoyment and posterity sake an old timers column now and then would be worthwhile.

Would like to add I am in favor of preserving the library building, but being a member of the City Council am aware that plans are being made to create a central business district and this building on its present location creates a problem which will have to be solved. Suggest interested persons attend Council meetings the 1st and 3rd Mondays of the month and hear all the facts.

I visited the Plymouth Historical Museum Sunday with two grandchildren and their excitement over the things displayed makes me believe we owe future generations the chance of having a similar historical building in Northville. I also believe as far as a building is concerned our potential is even greater than what our neighbor city has.

This is a project where the City and Township citizens can work together and I hope something beautiful and lasting will be the result.

Beatrice B. Carlson

### Remember Interurban?

To the Editor:

I am attempting to find photographs of the old interurban cars that operated in your area. If any of the readers would happen to have any such photos, please contact me. Some of these photos may have been taken for special occasions, such as a 4th of July celebration, special events, or they may be just photographs of the cars.

They may be old picture post cards or larger size photos. I would greatly appreciate hearing from anyone that would have any such photographs.

Thank you.

Very truly yours,

## State Issues Warning On Monoxide Gas

Lansing—Urging parents, teachers, and the news media to declare war on carbon monoxide, State Health Commissioner Dr. Albert E. Heustis today called for an all-out effort to warn the public against the danger of the lethal gas which last winter claimed more than 60 lives in Michigan.

"An intensive educational campaign with constant repetition is the only way to prevent the annual toll of utterly needless deaths from carbon monoxide poisoning," the commissioner said. "We must impress upon people—especially young people—the importance of being aware of this danger."

"The tragic scene of a young boy and a young girl found in a parked car with the windows closed, the ignition on, the gas tank empty and the battery dead, was repeated at least 16 times last year, resulting in 18 deaths. In eight of these incidents both persons involved were killed—that's a pretty high mortality rate for any cause of death," Dr. Heustis said.

Although accidental carbon monoxide deaths happen at all times of the year, the majority of them occur during the winter months, starting with the approach of cold weather in the fall.

"The 'silent killer' has already claimed at least one life," he said referring to an incident in Macomb County where a boy was found dead in a car and his girl companion miraculously alive but in critical condition. "This is just the start, and there is bound to be more unless everyone is made to realize that carbon

monoxide is a deadly enemy—one that lurks in wait for unsuspecting victims in many places—homes, garages, cars, schools, factories, motels, house trailers and fishing shanties."

"If everyone recognized that carbon monoxide is present whenever there is combustion—whether it's canned heat, gas refrigerator, furnace, or automobile engine—and that to protect against it requires adequate ventilation, we could eliminate most of the accidental exposures to carbon monoxide," Dr. Heustis said. "And by adequate ventilation, I don't mean having the window open a crack—I mean a good strong draft," he emphasized.

As another means of safeguarding against the hazard of carbon monoxide, the commissioner recommended annual inspection of home heating systems and gas appliances by competent service personnel, and inspection and prompt replacement of faulty automotive exhaust systems.

"I don't suppose it would do any good to try to discourage young people from sitting in parked cars—they are going to do it anyway," the commissioner said. "But if we can convince them not to turn on the car motor when it becomes too cold, they would go home instead of being taken to the hospital or morgue."

## Official Minutes — Northville Township

The regular monthly meeting of the Northville Township Board was called to order by Supervisor Merriam, Tuesday November 5, 1963 at 8:00 p.m.

Board members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, Donald E. Robinson and Wilson D. Tyler.

Consultant: James E. Littell, Legal counsel; L. W. Mosher, Twp. Engineer; J. El-drige, of Vilcan-Leman Associates, Planning Consultant.

Visitors: approximately fifty to sixty township residents.

Minutes of the regular meeting of October 1 and Special meetings of October 16, 19 and 26 were accepted as written.

The treasurer's monthly report was read and accepted.

Office receipts for the month of October 1963 for \$2327.50 and bills payable for the sum of \$8,258.93 (included Wayne County Library bill for \$3,143.16) were reviewed.

Moved by Robinson, supported by Tyler, that the bills be paid. Motion carried.

There was no question on Planning Commission minutes of October 29 or Zoning Board of Appeals minutes of October 4 and 22.

In response to Supervisor Merriam's suggestion, Robinson moved, supported by Lawrence, that all items of business except Item 2 on old business, be held over until later in the meeting. Motion carried.

2. Request for Landfill Permit from S. G. Hayes Land Development Company.

Supervisor Merriam opened the discussion by giving a brief resume regarding the landfill request from the S. G. Hayes Land Development Company. He stated that gravel mining had been going on at the Manning-Locklin Pit for 25 years or more and had left the area scarred and an "eyesore" that Hayes had asked permission two years ago to fill the area with rubbish but at that time had asked permission to place fill in the gravel pits. This was not granted. Now, Hayes was asking to deposit landfill in three swampy areas only with the idea of grading and using the areas surrounding for homesites. No buildings or roads could be placed on the filled areas, these to be used for outlots or recreational sites. He advised that the township had passed an ordinance to cover landfill applications, also a 16 page set of regulations governing any landfill permit which might be issued. He referred to the regulations governing the landfill as the best and most complete ever drawn and further stated he honestly believed that the plan would restore nearly 400 acres of blighted land to a liveable, useable part of the community.

Mr. William Cook of 41801 W. Eight Mile road, read a long report and favored the landfill inasmuch as the monies would be used to clean out Silver Lake and develop nice home sites.

Among the residents of the township questioning and objecting to the landfill were Mr. Mitchell Pitak, Mrs. Fay Telum, Mrs. Elsie Price, Mrs. Ray Howell, Mrs. Ivy Brown, Mrs. Harold Putnam, Mr. Robert Matthews, Mr. Orville Barnes, Mr. Frank Oglesby, Mr. Joseph Fiorelli, Miss Ella Briggs, Mr. Harold Putnam, Mr. James Telum, Mr. Russell Rinehart and Mr. Spenser Turrlentine.

The question of creating a precedent was denied since each application for a landfill was individual and would be judged on its own merits and only granted if it did not harm the public health, welfare or safety of Northville Township.

There was question of bringing the matter to a vote of the electorate. Attorney Littell noted that elected officials were not expected to ask for a public vote each time they faced a difficult decision, that it was their responsibility to make a decision and if the electorate did not agree, the voter had recourse at the polls.

There was question of the regulations governing the landfill with L. W. Mosher advising that they followed the best U.S. Health Service, Michigan Department of Health and Wayne County Board of Health recommendations. The regulations require the slope be maintained, the cover be maintained and no pockets be formed, when the fill is completed, it has to be seeded. The Regulations were so stringent, it would be an entirely safe method of disposing of garbage as far as Health Scientists know. Lew Alexander of the Plan-

ning Commission said that with a problem as complex as this, probably everyone that had spoken was right but there comes a time when an experiment must be made and if the regulations were upheld and a time limit put on, he thought it was the fair thing to at least give it a try. If it did not prove successful, then it could be stopped.

Mr. Baldwin of the Planning Commission, when asked, stated that he had been very much opposed to the granting of a permit for landfill when it was first asked for. Since that time he had been appointed to the Planning Commission and had personally taken the time to make a study of the Hayes Land Development. Hayes was not gravelling in a traditional manner but was doing constructive land development work which would eventually put the land in condition to use as it was zoned. With proper restrictions enforced, he felt that within five years the swampy areas could be filled and this area reclaimed as useable land.

There was question of how many more trucks there would be on the roads per day. The answer — 28 trucks per day or two or three more per hour.

Wayne Claypool, well driller and resident of the township, voiced the opinion that mining gravel was as essential as steel mills or any other type of production for building purposes, but gravel mining left land looking like a ghost town. The Hayes Land Development people were not leaving a ghost town but were developing a subdivision which would not only beautify the country but would put tax paying property on the tax rolls.

Attorney Littell addressed the visitors, advising that under the township's zoning ordinance, the Hayes land was zoned as R-1-E, the highest zoning under the township's present ordinance but that the acreage under consideration for landfill could not be used for R-1-E purposes as it was. It was absolutely unuseable for that and it had been unuseable ever since the township had been organized. Therefore, in zoning law, the courts have said that where lands could not be used for the purpose for which it is zoned, it is confiscatory zoning. While the gravel operation was a non-conforming use, it was not within the zoning ordinance to prohibit it. He further noted that every individual application for landfill must depend upon its own set of facts and a permit would or would not be granted depending on conditions affecting the public health, welfare or safety. He suggested that the citizens have faith in their elected officials, noting that the township board had adopted an ordinance covering landfill and regulations covering any permit. He stated, "I think sincerely that this is a step in the right direction."

It was necessary that Trustee Robinson leave the meeting at this time and for this reason Supervisor Merriam announced that a vote by the board would not be taken at this time, that a special meeting would be called for Tuesday, November 12, 1963 at 8:00 p.m.

1. Letter from the Wayne County Board of Health regarding the water supplied to residents in Hillcrest Subdivision.

2. Copy of letter from Michigan Liquor Commission denying Domanic Peretto's Appeal for a Class "C" Liquor License.

3. Alex Lawrence's report on meeting with City of Plymouth and City of Northville regarding water.

NEW BUSINESS:

1. Civil Defense materials stocked in the Northville Township Institutions. Mr. Guido of the Civil Defense of Wayne County was asking that Northville township share in the cost of the wages paid to a truck driver when storing civil defense materials in the Bomb Shelters of the institutions. The full cost was \$96. He was asking for four-sixths or \$64.00.

After Mr. Guido's report and discussion by the board Young moved that the township board allow \$64 for this matter. The motion was supported by Lawrence. Yeas: Merriam, Lawrence and Young. Trustee Tyler opposed for lack of information. Motion carried.

2. Trustee Tyler moved, supported by Young, the reappointment of Lewis Alexander and Luke Bathey to the Northville Township Planning Commission for three year terms — November 1963 to November 1966. Yeas: All. Nays:

None. Motion carried.

3. Lawrence moved, supported by Tyler that Resolution No. 63-20 allowing the City of Detroit to install a water line in Northville Township, be adopted. Yeas: All. Nays: None. Motion carried.

4. Three bids for a \$6,000 burglary bond for the treasurer while he is collecting taxes were considered.

1. Harold Church Insurance Agency \$35 per \$1,000.

2. C. Harold Bloom Insurance Agency \$31.50 per \$1,000.

3. Insurance Company of North America \$30.50 per \$1,000

Lawrence moved, supported Young, that the township board accept the bid from The Insurance Company of North America covering a \$6,000 burglary bond for the period of time that the treasurer is collecting taxes. Yeas: Merriam, Tyler, Lawrence and Young. Nays: None. Motion carried.

5. Clerk Young read letter which she had written to the board members asking for a 25 cent an hour raise in pay for Margaret H. Tegge.

Trustee Tyler suggested 10 cents an hour and blamed poor management for failure to provide a raise since 1960. He said that raises should be planned and given in smaller amounts.

Clerk Young noted that any increase would be charged to the Building Department and not the General Fund. She recommended this procedure since she estimated that approximately half of Mrs. Tegge's office time was taken up by building department work.

Young moved, supported by Lawrence, that Margaret H. Tegge be allowed a 25 cent an hour increase in pay. Yeas: Merriam, Lawrence and Young. Nays: Tyler. Motion carried.

6. Adoption of Resolution (No. 63-21) from Wayne County D.P.W. authorizing Supervisor Merriam to negotiate for purchase of one C.F.S. of capacity in the Rouge Valley Sewage Disposal System, was taken under consideration.

After some discussion of available funds for this purchase and the understanding that this Resolution was being adopted only for the purpose of allowing Supervisor Merriam to pursue the matter further, Merriam moved, supported by Young, that the Northville Township Board adopt Resolution No. 63-21.

Yeas: Merriam, Lawrence and Young. Nays: Tyler. Motion carried.

Lawrence moved, supported by Young, that the meeting be adjourned. Meeting adjourned at 11:30 p.m.

Marguerite N. Young, Clerk

A special meeting of the Northville Township Board was called to order by Supervisor Merriam on Tuesday, November 12, 1963 at 8:00 p.m.

Board members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, Donald E. Robinson and Wilson D. Tyler.

Consultant: James E. Littell, legal counsel.

Visitors: approximately ten township residents, Mr. Joseph Radom, legal counsel for the Hayes Land Company and a representative of the Northville Record.

1. Supervisor Merriam opened the meeting with a brief discussion regarding the request from S. G. Hayes Land Company for a landfill permit.

Robinson moved, supported by Lawrence, that the Northville Township Board enter into a contractual agreement for a landfill with the S. G. Hayes Land Development Company subject to the Landfill Ordinance (No. 15) as adopted by the Northville Township Board and that one member of the Board be alternately assigned each month to give personal inspection to the Landfill operation.

Before asking for a vote, Supervisor Merriam asked for questions or comments.

Trustee Tyler asked what the board was voting on, was this permission to go ahead with a landfill or would the board be given the opportunity to see and discuss the contract further.

He was informed that Attorney Littell would draw the contractual permit according to the regulations, including the Planning Commission's recommended changes. When completed, it would come back to the Board for their review and signature.

After further discussion, Supervisor Merriam called for a vote.

Yeas: Merriam, Robinson, (Continued on page 5)

# FOOTBALL CONTEST

*It's Easy . . . It's Fun* *Nothing to Buy!*

## FIRST PRIZE . . . \$10

## SECOND PRIZE . . . \$7

## THIRD PRIZE . . . \$3

### HERE ARE THE RULES

Take a plain piece of paper and number down the left hand side from 1 to 20.

You will notice that each square below is also numbered from 1 to 20 and each contains a football game to be staged this coming weekend.

To complete your entry you must do the following:

- (1) after each number on your paper write the name of the sponsor of the corresponding numbered square.
- (2) following the sponsor's name — write the name of the winning team.
- (3) In addition you must pick a score on the outcome of the game in square 20. This will be used in the case of a tie and then the contestant whose score is closest to the actual score will be declared the winner.

Be sure to write your name, address and phone number plainly on your piece of paper (your entry).

Enter just once a week, but you may enter as many weeks as you wish. In case of ties, prize money will be split.

Copies of the contest will be posted at the Northville Record office each week.

Entries must be postmarked or brought to the Record office no later than 5 P.M. each Friday.

Employees of the Northville Record-Novi News or sponsoring merchants are not eligible.

### Enter Today . . . You May Be A Winner!

## Northville Township Minutes

(Continued from page 4)

Lawrence and Young, Nays:  
Tyler, Motion carried.  
2. The proposed water installation for the Five Mile-Bradner road area was brought under discussion.

Supervisor Merriam reviewed the situation, advising that a letter had been written the Detroit Water Board on March 19, 1963 asking for Detroit water, that an answer had been received 93 days later saying that the Detroit Water Board could not furnish Northville Township with water and recommending that Plymouth Township be asked. Plymouth Township was contacted and while very co-operative, advised that they could furnish only enough water for twenty or thirty houses and not enough pressure for fire hydrants. This not being adequate, the City of Plymouth was asked for water. They agreed to furnish Northville Township with water, made a study with their engineer and agreed to furnish water to serve 300 houses which would take care of immediate needs as well as other subdivisions and some undeveloped areas.

In September the Detroit Water Board notified Northville Township that they would be glad to furnish them with water and asked the township to enter into a contract with them. The contract they offered was not acceptable to the township. Since that time, a study of the area has been made and it has been found that the main through which they would furnish water has only three pounds of water pressure.

He announced that there would be a meeting with the Detroit Water Board Wednesday November 13 and that any member of the board was welcome to attend.

There was further discussion of the cost of installing water lines both for Detroit water and City of Plymouth water, how the amounts would be assessed, adequacy of the water pressures, how the water would be metered, booster stations, etc.

3. A photocopy of a letter dated September 16, 1963, from R. H. Amerman, Superintendent of Northville Schools, was brought to the board's attention. The original letter had never been received by the township. Supervisor Merriam advised the board that he had received the photocopy on November 7 and had been asked to meet with the City of Northville Library Committee to consider the school board's request that they be allowed to rent the old library building for a two year period with the understanding that the school board would take care of all maintenance.

He asked that the clerk be authorized to write the School board advising that the Northville Township Board would be glad to enter into a discussion with them regarding their request.

There was further discussion. No action taken.

No further business. Robinson moved, supported by Lawrence that the meeting be adjourned.

Meeting adjourned at 9:06 p.m.

Marguerite N. Young, Clerk

# New Detroit Edison Service Center Opens in Western Wayne County

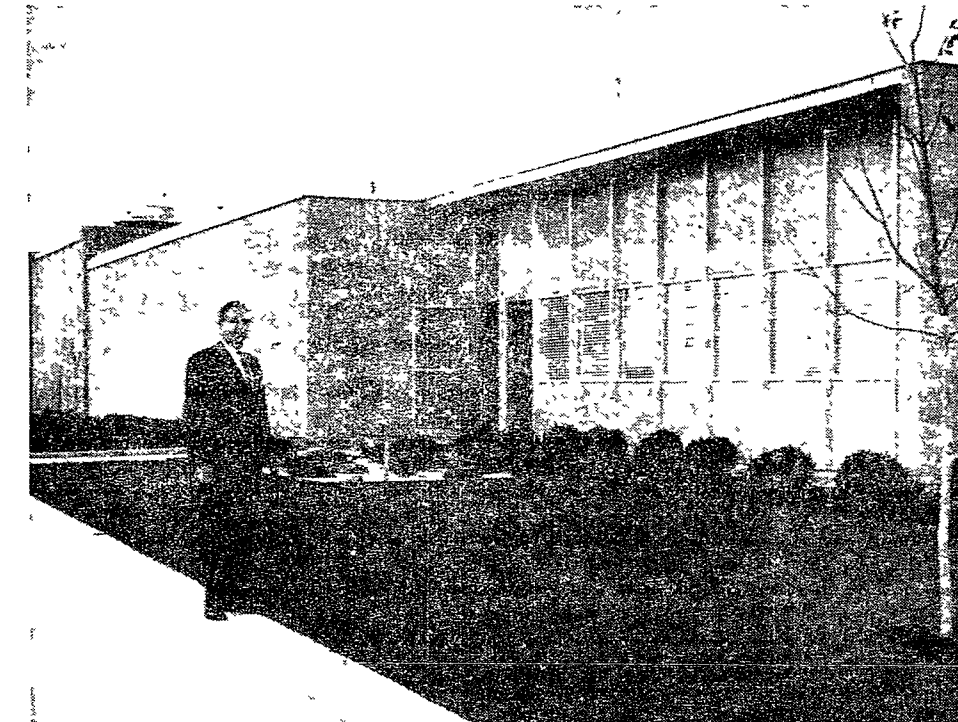

A new Detroit Edison administrative office-service center facility now is serving electric customers in western Wayne County.

George W. Matthews, assistant manager of the company's Detroit Wayne sales division, told newsmen and civic leaders touring the new building last Thursday that population growth and increasing demands for Edison services had prompted the construction of the facility.

The center will provide modern and efficient facilities for handling the many activities which must be carried on in order to keep Detroit Edison's high standard of customer service abreast of the growing demands for electric service in western Wayne County, Matthews said.

He pointed out that population in the area had increased from about 212,700 in 1953 to nearly 430,000 in 1963. According to estimates by the Metropolitan Detroit Regional Planning Commission, more than 600,000 persons will be living in western Wayne County by 1970 and nearly 950,000 by 1980.

During the past decade, electrical use by individual residential customers also has continued to rise. In 1953, the average customer used 3182 kilowatt-hours of electrical energy; in 1963, the average residential customer will require about 8000 kilowatt-hours of electricity annually, Edison forecasts indicate.

The new Detroit Edison service center on Cherry Hill near Newburgh road in Nankin township has a "Northville flavor". It's the office headquarters of George W. Matthews, assistant manager of Edison's Detroit-Wayne sales division. And Matthews (pictured above) is the son-in-law of Northville School Superintendent Russell Amerman. Furthermore, the new facility was constructed by the Walter Couse company. Couse resides in Northville. Attending the opening ceremonies of the building last Thursday from Northville were Township Supervisor and Mrs. R. D. Merriam, Mr. and Mrs. George Young (Mrs. Young is township clerk), Mayor A. M. Allen, City Manager Bruce Potthoff and William Sliger, Record publisher.

# NOVI HIGHLIGHTS

**Mrs. H. D. Henderson**  
Mr. and Mrs. Vincent Gillett and Mr. and Mrs. Victor Gillett and their families attended funeral services for the Mesdames Gillett's father, Mr. A. J. Miller at Dansville, Monday afternoon.

Mr. and Mrs. Andy Burgess are spending a few days of the hunting season at their cottage at Lake Millecoquins near Engadine in the Upper Peninsula.

James Cotter of Oakridge, Tennessee, is visiting his parents, Mr. and Mrs. Robert Cotter. This week he is deer hunting above the straits.

Ed Putnam and a group of friends are up at the Putnam cottage near Lewiston for some deer hunting.

Mrs. Edna Hill and Mrs. Mattie McLaren who were house guests of Mr. and Mrs. James Erwin during this past summer have returned to their homes. Mrs. Hill has returned to her home in New Hampshire and Mrs. McLaren to her home in Beverly Hills, California.

Mr. and Mrs. James Erwin attended the Ice Follies matinee at the Olympia in Detroit Sunday afternoon.

Mrs. Floyd Darling has returned to her work at the school cafeteria in Novi after a week of illness.

Mr. Ed Behrendt and his step son John Leavenworth are hunting at Gaylord. Mrs. Behrendt has received word that her son, John, has bagged his 8 point buck.

Floyd Darling decided to spend his deer hunting time at Harrison.

Mr. and Mrs. Derek Sumerley are the parents of a son, Derek Joseph, born November 12 at New Grace hospital in Detroit. Derek Joseph weighed 9 pounds and 11 ounces. Mr. and Mrs. Kirt Bailey of Novi road are the maternal grandparents.

Mr. and Mrs. George Atkinson visited the former's brother and his wife, Mr. and Mrs. Kenneth Atkinson, in Detroit on Sunday.

Mr. and Mrs. Stanley Orzechowski have returned from a few days spent at the Harold Miller cottage near Rose City.

**Novi Methodist Church**  
The Novi Methodist W.S.C.S. had its annual big day on Wednesday this week with its annual luncheon and bazaar at the Novi Community building.

Next Wednesday November 27 at 8 p.m. a Union Thanksgiving service will be held in Novi Methodist church, New Hudson Methodist church and all Novi churches will take part in the service.

Rev. Rickert of the E.U.B. Willowbrook Community church exchanged pulpits with Rev. Webster this past Sunday.

**Novi Baptist Church News**  
Approximately 400 were present for the singingspiration at the Novi Baptist church Sunday evening. Several churches were represented. The gospel trio, a minister and song leader took part in the singingspiration and youth program.

The B.Y.F. teens are rehearsing for the Christmas play. Several of the teens plan to attend the Voice of Christian Youth at the Masonic Temple Saturday evening, leaving Novi at 6:30 p.m.

Two films will be shown Friday night for the Youth Club. Later in the evening the films will be shown to the B.Y. teens.

The Baptists, any age group will meet in the Novi School gym for a basketball game Thursday evening from 7-9.

**Novi Girl Scouts**  
Introduction of the new Girl Scout leaders and program: Southern Oakland Girl Scouts, Inc., Novi Neighborhood Association consists of 37 adult volunteers who are trained for the purpose of inspiring girls with the highest ideals of character, conduct, patriotism and service, that they may become happy and successful citizens.

We maintain that the strength of G.S. is in the volunteer leadership of its adult members, with the co-operation and support of the community G.L.A.D.Y.S. Novi is truly deserving of the same fine tribute Adlai Stevenson paid Mrs. Roosevelt. "She has helped to light candles — rather than curse the darkness"

Girl Scout troop 494 has its calendars now. They will be on sale until November 29. For a service project they will be working with the children.

**LEGAL NOTICE**  
C. W. McDonald  
314 Debra Lane,  
Northville Michigan  
STATE OF MICHIGAN  
ss. 527.54  
County of Wayne  
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Twenty-fifth day of October, in the year one thousand nine hundred and sixty-three.

Present Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of BERTRAM MENEAR, Deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this Court for Probate and Vincent Caruana having filed therewith his petition praying that administration with will annexed of said estate be granted to himself or some other suitable person:

It is ordered, that the twenty-sixth day of November, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument and hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Ernest C. Boehm,  
Judge of Probate  
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record. Dated October 25, 1963.

John E. Moore,  
Deputy Probate Register  
25-27

**Attends Youth Conference**  
Lucile Heavner, 24463 Mill Stream Lane, Novi, attended the 29th annual national council meeting along with other American Youth Hostels members from the Detroit council.

The meeting was held at the University of Pittsburgh, November 8-10.

"To Serve American Youth Better in 1964" was the theme for the meeting.

Principal speaker, Henry S. Reuss, congressman from Wisconsin, who serves on the AYH board of directors, had as his topic "Re-Shaping the Country's Outdoor Program to put Greater Emphasis on Hiking, Biking and Hostelling."

Miss Heavner is responsible for the large teen activity in the Detroit Council and has been teen committee chairman for six years.

According to Stephens Dietz, national AYH president, the year 1963 has brought an unprecedented growth of 28-percent in the membership of AYH... "a rate of growth that is as challenging as it is welcome."

The American Youth Hostels, Inc., with Detroit Council headquarters at 4835 Woodward, is a non-profit service organization dedicated to helping all, and especially young people, to a greater understanding of the world and its peoples through outdoor activities, and vigorous educational and recreational travel.

5. Beck road school property — 1 acre (264' x 165'); Meadowbrook road school property — 3 acres (197' x 660').

6. Ground breaking ceremony — Sunday, October 13, 1963, 12:30 p.m.

**NEW BUSINESS:**

A motion was made by Mr. Fried and supported by Mr. Bingham that the following Student Resident Policy be adopted:

WHEREAS: The General School Laws of the State of Michigan provide in Sec. 358 that "children placed ... in homes of relatives in the school district for the purpose of securing a suitable home for said children and not for an educational purpose shall be considered residents for educational purpose of the school district where the home in which they are living is located, and as such shall be admitted to the school in such district..." and

WHEREAS: The Child Accounting Department of the Oakland County School office recognizes as sufficient evidence of such placement, a notarized affidavit signed by the relative assuming physical custody of the child, stating "such placement is for the purpose of providing a suitable home

presentation of sufficient evidence that said child is living in such home" for purpose of providing a suitable home and not for educational reasons. He shall be entitled to all the educational benefits of any resident child after such determination.

2. The Novi Board of Education shall assume no financial responsibility in sharing the educational costs involved in educating non-residents of the school district.

Ayes: Fried, Taylor, Bingham, MacDermid, Nays: None. Absent: Heslip. Motion carried.

A motion was made by Mr. Fried and supported by Mr. Bingham that the Mobil Oil Company be awarded the No. 2 fuel oil contract for 1963-1964, at the low bid of 9.37 cents per gallon.

Ayes: Fried, Taylor, Bingham, MacDermid, Nays: None. Absent: Heslip. Motion carried.

A motion was made by Mr. Fried and supported by Mr. Bingham that the Board of Education, that the Board of Education purchase one school bus from International Bus Chassis and Ward Body, all passenger bus to be for delivery by October, 1963. The total price for 66 passenger bus to be \$6,884.44 and that said Board of Education is hereby authorized to make a down-payment of the purchase price of these buses of \$ none and that President Arthur Heslip, Secretary Russell Taylor and Treasurer William MacDermid, officers and members of said board, are hereby authorized and directed to execute for and in behalf of said board a combined note and conditional sales contract covering the purchase of said bus from the aforesaid company, providing for the payment to National Bank of Detroit of the sum of \$6,884.44 (being the unpaid balance of the purchase price of said bus after crediting said down-payment of \$ none) together with interest at the rate of 4% per annum in the following manner:

Annual payments of \$1,376.89 commencing September 20, 1964, and a like sum on September 20 of 1965, 1966, 1967 and 1968, and that in addition to said principal payments, interest at the rate of 4% per annum upon the unpaid principal balance shall likewise be payable upon the same dates as said principal payments.

All payments shall be payable at the National Bank of Detroit, Novi office, a Federal Banking Corporation at Detroit, Michigan.

Ayes: Fried, Taylor, MacDermid, Bingham, Nays: None. Absent: Heslip. Motion carried.

A motion was further made by William MacDermid, supported by David Fried and unanimously carried that the terms and conditions of said combined note and conditional sales contract be approved and confirmed by the said president, secretary and treasurer, who shall sign said instrument in behalf of this board and when duly executed by said individuals shall constitute a binding and valid obligation of the school district.

Ayes: Fried, Taylor, MacDermid, Bingham, Nays: None. Absent: Heslip. Motion carried.

A motion was further made by William MacDermid, supported by David Fried and unanimously carried that the board set aside sufficient funds from the general fund of the school district, or from funds received from appropriations from the general payments of principal and interest as above provided for, when due.

Ayes: Fried, Taylor, MacDermid, Bingham, Nays: None. Absent: Heslip. Motion carried.

A motion was made by Mr. Fried and supported by Mr. Taylor that the board of education accept the bid of \$1.00 made by Novi Boy Scout troop No. 54, for the purchase of the "used 1951 Ford school bus". The board accepted the bid on the verbal agreement that troop No. 54 will share the use of the bus with the Cub Scouts, Girl Scouts and Explorer Scouts of Novi.

Ayes: Fried, Taylor, MacDermid, Bingham, Nays: None. Absent: Heslip. Motion carried.

Mr. Samuel Stewart, Principal of Novi School and the Junior High teachers, gave a report on the 8th grade block time program. They explained the various ways in which children have a greater opportunity to achieve when the Block Time Program is used. Several of Novi junior high school teachers commented on the advantages of using such a program.

**SECONDARY SCHOOL BUSINESS:**

### NORTHVILLE

Telephone lines

By H. J. WILSON, Manager

**WEATHER FORECASTING IS IMPROVING** steadily... a fact that's mighty important to Michigan farmers and to city folk, too. One big reason for the improvement is Tiros, our country's weather satellite. The Bell Telephone System, of which Michigan Bell is a part, plays a vital role in Operation Tiros. Telephone people helped put Tiros in orbit. Now, Bell communications help flash Tiros' findings to weather scientists, then rush their analyses to field stations, newspapers, radio and television broadcasters across the nation... giving you the latest, most accurate weather information possible.

**"...AND TWO IN BLUE..."**

When you're busy with the children or the weather's bad, you can still get your day's shopping done. Just use the phone! You'll be surprised how many items on your shopping list can be handled quickly with just a few telephone calls. Try it soon.

**ALWAYS THERE!** Have you ever wondered how Michigan Bell makes sure the necessary personnel are on hand to take care of your calls? Having the right number of people to serve you at all times requires careful planning. The volume of calls can vary widely from one hour, one season, to another. We constantly study our records to determine the volume of calls expected... and the proper number of people needed to handle them. This way, Michigan Bell can provide the telephone service you want, at the lowest possible cost.

# Good Crowd at Hootenanny

The crowd was smaller than anticipated but still big enough to generate plenty of enthusiasm.

That's the word from officials of the Junior Chamber of Commerce, which sponsored Northville's first hootenanny here Friday night.

"We're really pleased with the response," Project Chairman Ken Roberts reported. "Everyone seemed to be pleased with the show. In fact, the enthusiasm was so great we're considering holding another hootenanny in a few months."

It was obvious from the reaction of the audience that hootenanny songs and music, sweeping communities elsewhere, have made strong inroads into the Northville area as well.

With younger members of the audience clapping in time, musicians ranging from Northville's own jazz band to guitar strumming "folksters" kept up a steady barrage of music that lasted approximately three hours.

And members of the Jaycee Auxiliary provided refreshments during the intermission.

All the performers — and a few extras to boot — joined together for the final number.

The Northville Record—Novi News—Thursday, November 21, 1963

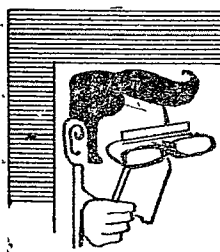

Section Two — Page Seven

Mike Wood sang several popular numbers.

Applause hit a peak when The Villagers, four high school students, demonstrated plenty of professionalism.

## OUT OF THE PAST

ONE YEAR AGO  
November 15, 1962

The Novi township board appointed Clerk Hadley J. Barchert as supervisor of the township.

He replaces Frazer W. Staman, who resigned a week ago to seek an Oakland county road commissioner's post. Staman's appointment to the \$10,000-a-year commissioner's post was made last Monday.

An out-of-court settlement has been reached between the city of Northville and a property owner in a pending suit involving a special assessment for street improvements.

Northville's board of education waded through a full agenda of business Monday night in a four-hour session dealing with routine matters. Two problems discussed by the board concerned the new athletic field. Left unsolved was what settlement, if any, would be made as a result of the bleacher firm installing the first row of seats lower than specified by the board on the east side of the field.

Plans for solicitation of every resident within the Northville area were being readied this week as the "second push" in the drive to collect \$12,000 for construction of the new scout-recreation building.

Northville's Mustangs closed out their grid season by playing to their only tie game of the season, 14-14.

FIVE YEARS AGO  
November 20, 1958

Action by the state tax commission this week reducing personal property assessment of several state industries and utilities had its effect on Northville but not nearly to the extent of many suburban communities.

A fire of undetermined origin, which apparently smoldered for several hours before detection, last week ate through office walls and ceilings of the Haller, Inc. plant, causing an estimated \$50,000 damage.

Carl Fuhs, Haller night employee who was seriously injured in a fall after discovering the fire, is reported "progressing satisfactorily" at Sessions hospital. The Livonia resident suffered severe back and leg injuries, face bruises and burned hands.

Frank Froimund, publisher of the South Lyon Herald, died suddenly at St. Joseph's hospital in Ann Arbor. He was taken to the hospital Monday noon following a heart attack.

FIFTEEN YEARS AGO  
November 19, 1948

Russell Bingley began employment this week for the Schrader Furniture store and Funeral home.

An undenominational mission called "Gospel Rescue Army" is to be established at the William Matheson home on 660 Horton street. Rev. James R. Gatlin is to head the mission.

The senior class at Northville high school will present its annual senior prom this week. Eddie Casper and his orchestra have been secured to furnish music for the occasion.

Eleven deflated car tires were reported to the village police department. About 150 members of the Lloyd H. Green Post No. 147, The American Legion, and friends were present to witness the mortgage burning ceremonies at the Veterans Memorial Hall on Armistice Day, November 11.

Fred A. Walker, commander of the post, presided over the meeting. After several of the guests were introduced, congratulatory remarks were given by Mrs. Molly Lawrence, township supervisor and Conrad E. Langfield, mayor of Northville.

Calvert Earehart reported that a thief dug his evergreen trees out of his lawn on 440 Grace avenue.

Northville streets will once again be strung with lights for the Yuletide season. Headed by Neil Hannaford, the Northville Rotary Club has decided to take up this project.

Basketball Coach Charles Ketterer announced that the Mustangs will take on Brighton here in the opener on December 3. Harry Smith is coaching the reserves.

Twenty-five years ago November 18, 1938

With Bruce Turnbull reaching up into the air and pulling an enemy pass out of the ozone, the Northville town team defeated its arch enemy, Plymouth, Sunday at Riverside Park in Plymouth. The game was a close one with Northville winning on halfback Turnbull's 80-yard gallop to bring home a much desired victory 6 to 0.

According to Arthur C. Carlson, the boys' recreational program which is being sponsored jointly by the Lloyd H. Green post of the American Legion and the village is gaining weekly in popularity.

Police Chief Loy M. German and Mayor Arthur S. Nichols put a stop Thursday morning to a movement to get a gambling foothold in the village.

One Boris Siegle, Detroit, was found operating a raffle board in a village place of business. He was fined \$15. Members and friends of Our Lady of Victory church filled the parish hall Wednesday evening at a farewell reception for Father Joseph G. Schuler who left yesterday to take charge of his new parish in Detroit.

## In Willowbrook

Martha R. Ames GR 4-0830 Mr. and Mrs. William Reiss, of West LeBost drive had a family birthday party Sunday for Mr. Reiss and their daughter, Mary Ellen, who was ten.

Mr. and Mrs. Karl Weiss, of Mooringside drive had Mr. and Mrs. P. J. Don, of Detroit, as dinner guests Saturday.

Shirley Thorpe was hostess to the Willowbrook III Bridge Club last Wednesday. Gus Lewis and Joann Pfaff were guest players. Gus Lewis won first prize, Sue Glass, second and Donna Dorsey, booby.

Miss Helen Brooks was hostess at a surprise going away party for Denny Brandenburg Saturday evening. The guests included Mike Brandenburg and Cheryl Lack, Dave Cook and Betty Daniels, Gwen Conklin and Chad H., John McMillan, Don Thorpe, Dave Brandenburg, Linda Brandenburg, Ray Kehr, Denny Cook, Beth Ann Bush, Sue Burnham, Larry Long, Jerry LaRoque, Arlene Douglas, Roberta Williker, Lee Kay, Barbara Zerkal and Nancy Cook.

Mrs. George Ames and her mother, Mrs. Jane Rothwell, went to the Farmington Playhouse Saturday evening to see "The Curious Savage."

Mr. and Mrs. Karl Weiss spent Sunday in Caro where they visited Mr. and Mrs. Fred Starkey.

Mary Lynn Gould, daughter of Mr. and Mrs. William Gould, of Glen Ridge court had a surprise birthday party Thursday. She is now six years old. Her guests were her sister, Kathy, Mary Louise and Nancy MacIsaac, Karen Fisher, Susie Dean, Marcia Schult and Dennis Waldonmayer.

The Goulds also had a family party for Mary Lynn Saturday which was attended by Mr. and Mrs. William Dean, Mr. and Mrs. Samuel Glass, and Mr. and Mrs. James Meehan.

Mr. and Mrs. George Lewis of Willowbrook drive spent the weekend in Pittsburgh, Pennsylvania.

The Thursday Bridge Club played at the home of Augusta Lewis last week. Marilyn Davies and Marty Ames were guest players. Irene McCormick won first prize, Kay Reiss second and Nancy Milliken, consolation.

Mr. and Mrs. Charles Crudgington hosted the Saturday Duplicate Bridge club last week. Mr. and Mrs. John Fitzsimmons, of Grosse Pointe were guest players. First place was taken by Marge Williams and Mrs. Fitzsimmons.

Susan Pharo, daughter of

Mr. and Mrs. George Lewis of Willowbrook drive was elected homecoming queen of Moravian College in Pennsylvania. Miss Pharo graduated from Northville high school in 1961. She is now a member of Alpha Epsilon Pi sorority.

LET'S TALK CARS...

## THE PARKING PROBLEM

AUTOMOBILE: a machine with four wheels, a motor, and not quite enough seats, which enables people to get about with great rapidity and ease to places they never bothered going to before and where they'd just as soon not be now, because now that they're there there's no place to park.

When comedians start making a living out of the parking problem it just shows how wealthy we're all getting to be. Things are so bad that in the last ten years the number of cars on the road has increased by better than 50%.

By 1976 (that's only another short 13 years to go) the car population is expected to go up 50% more based on today's figures.

It is difficult to resist mentioning here how Communism has overcome this problem except to state simply that the United States ALONE has more cars than ALL of the Iron Curtain countries combined and 2.5 million miles of paved roads, which is more than ALL THE REST OF THE WORLD combined.

Downtown traffic of large cities of the future will be restricted to 10% of all auto trips and freeways will increase. It may not even help to own a small car. One of those lush big city apartment houses recently posted a notice that "baby carriages and foreign cars must not be left in the lobby."

Auto dealers, so economists say, will still be necessary in the foreseeable future. So if in 1976 your car still needs tune-ups and oil changes and other services, we plan to be still in the same old stand doing business as usual with worthwhile guarantees and reliable service.

## SPEAKING for The Record

By BILL SLIGER

I've got my rose-colored glasses on this week. So have Cliff Hill and Walt Belasco. As partners in the Travel Plans travel agency, they're promoting a trip to the Rose Bowl.

And in their advertisement this week they announce that "This is the first time a Rose Bowl team has had a player from Northville."

They're referring to Steve Juday, of course. But I can't help wondering what a fellow from Illinois by the name of Pete Elliott might think about this prediction.

His Illini eleven will be fighting MSU Saturday for New Year's Day reservations at the Rose Bowl.

If the Spartans should win, Juday will undoubtedly be in shape for the Bowl game. Hill and Belasco would like to organize a plane-load of local people — about 80 — to go out, enjoy the game, and pay tribute to Steve.

Last week I attended a planning commission meeting and heard an expert on shopping centers and downtown business districts.

All those present agreed that every local businessman should hear what he had to say and see what he had to show.

Plans are now underway for his return before a full audience of businessmen, probably early next year.

The speaker helped plan Northland and the Kalamazoo mall.

The Kalamazoo success story is enough to excite any retailer and the color pictures of the progress of the project were especially impressive.

Imagine, if you can, a huge steam shovel standing in the middle of Main street chewing up all the concrete between Center and Hutton streets.

Kalamazoo did this along two blocks. The street was converted into a brightly colored shopping area — described as another "aisle" for each of the adjoining stores.

Result of the project has been a huge boost in business, some \$1 million in additional commercial construction annually and a start on the road to a good job of community planning.

Surprisingly, the cost of creating the mall over the two block area was only \$13,000 with the city and businessmen sharing equally.

He made these points:

— be bold, create what you want (a temporary mall is a half-way step, too easy to turn back);  
— retain your trade area, once pre-empted it is lost forever;

— community loyalty lasts only as long as community is loyal to its citizens;

— street widening accomplishes little, route traffic around cities;

— downtown district should provide good mixture, banks, professional, real estate, services, etc., as well as retail.

The speaker emphasized that communities are no longer competitors for business. "The shopping center is your competitor. Communities must work together to keep the mobil shopper at home."

## Michigan Mirror

# Tax Reform Failure a 'Hot Potato'

LANSING — A game of cat and mouse is in full swing in the Legislature. Hopes of major fiscal reform being accomplished in the current special session began to slip down the drain when the Senate leaders failed to muster enough votes.

First they couldn't get the Governor's income tax bill, which was the core of his program, out of the Senate Appropriations Committee. Then they didn't come close to having enough votes on the floor to substitute the administration income tax proposal for another which was already on the daily calendar.

These crucial votes broke ground for burial of the reform program.

Gov. George Romney is not a quitter, however, and would not admit this meant defeat.

His aides, several of whom are politically wiser than he, also advised against giving up at that point.

It would be much better if blame for failure of the program was placed on the other side, rather than having it be said in the future the Governor was unable to get Republican legislators behind him.

Democrats, on the other hand, don't want it to look like they didn't want major fiscal reform. This would be contrary to the stand they were on record with under previous administrations.

They also did not want to give Romney his program on a silver platter for future campaign reference. The only possible route for Democrats was to find several spots in the Romney program to claim the entire proposal was unacceptable.

Which party is the cat and which the mouse will not be determined until the Governor and legislators return to the campaign job ahead in 1964.

Still ahead in the special session is the important implementation of the constitution which takes effect January 1.

Creation of an appellate court, just beneath the Supreme Court, and election of county officers loom as two of the more controversial areas of concern.

Much of the Constitution will not be fully implemented in the law until the regular 1964 session or hereafter. It would appear even these two controversial areas might wait until next year, but many members feel they should be taken care of now.

At issue on the appellate court legislation is the question of how justices will be elected. Some want the state broken down into three districts equal in population, with three justices to be elected at large from each district.

Others would like nine single-member districts formed to elect the justices.

Several legislators have their eyes on appellate court posts so there likely will be much infighting on this question.

The recommended change in the election law regarding county officials would give present officers a free two years in office.

Attorney General Frank J. Kelley has said this is unconstitutional, but some members feel it was the intent of the Constitutional Convention delegates to have county officers

run in a non-presidential election year.

The language in the new Constitution does not specify that four-year terms for county officers will start in 1966, as language does for the Governor and other state officials.

It would appear a simple answer would be to have county officers run in 1964 for year terms and then in 1966 for the first four-year terms, but this would give many counties the hated "bed sheet" balance.

# Hints for Thrifty Shoppers

BABSON PARK, Mass., —

Housewives are often so busy with their family chores and their children that they don't take the time to map-out plans for shopping that could save them a great deal of money in the course of a year. So once in a while I am bold enough to give women shoppers a few tips that could help them balance their household budgets.

For many years I have predicted that discount houses would eventually become a key factor in merchandising, and that is now clearly a fact accomplished.

Their overhead is considerably lower than that of the big department stores, hence they are worthy of the attention of every budget-conscious shopper. The clever woman will quickly discover how to take advantage of the good points of discounters and avoid the bad points. I advise you to buy at such outlets articles that do not require servicing, such as textile goods and sturdy furniture. Be cautious about the purchase of such electric appliances — TV sets, stoves, kitchen machinery, etc. — as will need servicing.

Keep your eye open at all times for "loss leaders". These are items that a retailer sells below cost in order to draw customers into the store. The retailer's reasoning here is, of course, that the buyers thus attracted will pick up regular-profit articles, too, while they are there.

If a young couple without too much money have the patience and will take the time to study the ads for "loss lead-

ers," I can almost guarantee that over a period of a year they can get most of their household goods at not much more than half the regular retail prices.

Most established retail outfits hold an anniversary sale once a year, and extraordinary buys of top quality can be found on such occasions. Members of my family and many friends keep a list of dates when these anniversary functions may be expected, and what type of merchandise will be featured. You may not need to buy anything right away, but you may well be ready to when the annual event comes round again.

If you live close to a large marketing center, you can be certain that every month or so some store or other will be having an anniversary sale. It is definitely worth while to shop around at such times rather than to stick to one "favorite" store and miss these annual bargains.

Another way to save money is to watch for seasonal markdowns in certain special lines. All kinds of linen, for example, may be bought very inexpensively at regular "White Sales."

Most women know about such events, but often let them slip by and then have to make their purchases later at much higher cost. Keep in mind, too, the "Fur Sales" that offer coats and fur pieces at greatly reduced prices. You will notice that many of these specials come during the summertime, but those in the know tell me that the real bargains may be found at the very tip-end of the winter.

"Sure, all the time. There's these two truck drivers who come along here always offering a lift. They'll argue who'll give me the ride. It's kinda funny."

"Once-in-a-while I'll take a ride," he conceded. "Not very much. You got to be pretty careful, 'cause if I wasn't I'd end up dead in some ditch."

Don't you drive? "Use to when I was in business. Not any longer. I wouldn't have one of the confounded things anymore. I get along just as well. Besides, I meet a lot of people by walking. Learn all about things you fellows in cars will never hear about."

Isn't it dangerous walking along a road? "No. But this road's terrible now that they've got it fixed up. There's more traffic on this road now than on Grand River. It's a regular race track. And the women are the worst of the whole bunch."

He was obviously eager to get started again, so I ended our conversation with a request that he permit me to take his picture.

"Not me, I don't like pictures. No sir, not me. Don't point that thing at me."

Look, I said, I'll give you the picture after we use it. It'll be a good picture, I promise.

"No sir, not me. If you want to give something away, go get yourself a job in Lansing. That's the biggest give-away place in the state."

I was never one for arguing good logic.

however, the interchange numbers will coincide with the mileage route markers on the side of the highway.

If the motorist is going to exit at Interchange 50 and is at Interchange 25, he knows he has 25 miles to go before his exit point and he can gauge his progress by the mileage markers.

Highway officials decided on this system largely because new exit-entrance ramps can be added as development re-

quires without complicating the numbering system.

Department officials are fairly well convinced this is the best system for Michigan. It could also be used if designations on maps were desired for roadside rest areas and other facilities, they note.

The final decision, however, will largely depend on motorist reaction during approximately one year before any further numbering signs are installed on other freeways.

Top of the Deck  
by JACK W. HOFFMAN

The 79-year-old man worked his legs to a stop long enough to say I was just another lazy motorist who'd drop dead if I sprinted for two blocks.

That doesn't make me lazy — just intelligent, I retorted, a little bit ruffled by his biting remark that hit on target.

Whereupon A. E. Climie of Novi proceeded to extol the virtue of keeping fit by walking.

I'd stopped my car on Novi road, curious about this familiar man in top-coat, hat and scarf who I'd seen for the past five years playing his way between Northville and Novi. Several times I'd wanted to stop and talk to him, but not until now had I taken the time.

Upon questioning him, I learned that he owned and operated the bakery shop in Northville more than a decade ago, selling out in 1950. Since then he's been walking to Northville from his home just north of Grand River to do his shopping.

That's quite a ways for a man of your age, I said. Doesn't it tire you?

"Not at all," he replied. "I used to walk a lot more than I do now. Use to walk to Northville every day, over to New Hudson, Farmington, even to Redford. It keeps you fit. That's the trouble with young fellows like you. You get into a car and forget why God made your legs."

Doesn't anyone ever offer you a ride?

"Sure, all the time. There's these two truck drivers who come along here always offering a lift. They'll argue who'll give me the ride. It's kinda funny."

"Once-in-a-while I'll take a ride," he conceded. "Not very much. You got to be pretty careful, 'cause if I wasn't I'd end up dead in some ditch."

Don't you drive? "Use to when I was in business. Not any longer. I wouldn't have one of the confounded things anymore. I get along just as well. Besides, I meet a lot of people by walking. Learn all about things you fellows in cars will never hear about."

Isn't it dangerous walking along a road? "No. But this road's terrible now that they've got it fixed up. There's more traffic on this road now than on Grand River. It's a regular race track. And the women are the worst of the whole bunch."

He was obviously eager to get started again, so I ended our conversation with a request that he permit me to take his picture.

"Not me, I don't like pictures. No sir, not me. Don't point that thing at me."
