

FOUR OF THE FAIREST tried on their Easter bonnets and peered into the mirror for the cameraman this week. Like many other area mothers and daughters Mrs. James Ross and Cathy, 4, Linda, 8, and Nancy, 10, will display bright coiffures for the Easter Parade. The Rosses live at 19510 Marilyn in Northville township.

Shafer to Plan Daisy Air Rifle's New India Plant

A Northville man has been given an assignment to direct construction and design production procedures for a modern American industrial plant in Punjab, India.

Robert H. Shafer, 18101 Sheldon road, will perform the job as a special consultant for the Daisy Manufacturing company, of Rogers, Arkansas.

The announcement was made by Cass S. Hough, Daisy president.

Shafer resigned from Daisy in 1958 when the firm moved from Plymouth to Rogers. He had been Daisy production engineer and manager for 13 years.

Presently, Shafer is a partner with George Zerbel of Northville in Tri-West Products, Inc., of Detroit. The firm produces nuts, bolts and special fasteners.

Shafer returned last week from his first visit to the India plant site. It is anticipated that the assignment will not require moving to India. Frequent trips of short duration during the next year are planned.

Shafer, a member of the board of education, has not indicated to date that he will be unable to meet the obligations of this job during his temporary duty with Daisy.

Daisy began negotiations with the State of Punjab more than a year ago to manufacture air rifles there. On January 16 special plant dedication ceremonies were conducted with Hough and Punjab Chief Minister Sardar Partap Singh Kairon participating.

The plant is being hailed by India officials as a stimulus to the economic growth of the area.

Merchants Name Mall Committee

A committee of merchants to study the feasibility of a shopping mall for Northville was appointed at a meeting of the Retail Merchants Association last week.

The committee will work with city planners and the city council.

Members are Charles Altman, Jr., Del Black, Charles Freydl, Jr., Douglas Lorenz and Essie Nirider.

Approximately 40 merchants attended a retailers meeting March 18 and heard Planning Chairman George Zerbel ex-

plain the proposed central business district master plan.

A show of hands indicated the merchants favor the mall plan but seek more information on costs, time and means of financing the project.

The merchants also discussed the possibility of developing a community-wide charge plan for shoppers.

Retailers President Harry Sedan called for a board of directors meeting Thursday morning (March 26) and said plans for the next membership meeting would be determined then.

Blame the Moon For Early Easter

Easter is one of the few things in modern life that goes strictly by the moon.

This is why the Easter date, which falls on the rather early date of March 29 this year, can occur on any one of 35 days, from as early as the equinox to as late as April 25, says University of Michigan Astronomer Hazel M. Losh.

To understand this fluctuation, one must recall that the church fathers, gathered in the Council of Nicaea in 325 A.D., decreed that Easter was to be kept on the Sunday following the first full moon that comes after the vernal equinox.

This year the vernal equinox came on March 20. Thus the full moon of March 27 places Easter Sunday on March 29.

Says Professor Losh, "Probably a good reason for choosing the full

moon for reckoning Easter was to enable pilgrims to the Holy City to have the advantage of moonlight."

In 1943 Easter came on the latest possible date, April 25, and it will happen again in 2038 A.D.

The last time Easter fell on March 22, the very earliest that it can come, was in 1818 and will not come again until 2285.

Next year Easter will be on April 18.

Jaycee 'Bunny' To Treat Kiddies

A tall Easter bunny will visit Northville youngsters Sunday afternoon

and distribute bags of candy to all his little friends.

The appearance of the friendly rabbit is being sponsored by the Jaycees . . . and one of them (Norman Roberts) will play the leading role.

He's scheduled to be at the Kroger parking lot from 1 to 2 p.m. Sunday and hand out free treats to all youngsters up to 12 years of age.

Churches throughout the area will mark the story of Christ's death and resurrection in services and programs today (Maundy Thursday), tomorrow on Good Friday, and on Easter Sunday.

A community Good Friday service is planned at the First Methodist Church of Northville corner of Center and Dunlap, from 1:30 to 2:30 p.m. Members and friends of the Methodist Church and the First Presbyterian Church of Northville will gather for the service.

Ushers will be provided by the Rotary and Exchange clubs and American Legion.

Organ music will include "Prelude to Parsifal" by Wagner, "Christ Lay in The Bonds of Death" by Bach, and "Toccata in D Minor" by Bach. Organist will be Robert Jones.

Mrs. George Jerome will present a solo number, "He was Despised" by Handel, and the Harmony Choir will present the anthem "Beneath the Shadow of the Cross" by Bach.

The Rev. S. D. Kinde, pastor of the Methodist Church, will lead a unison prayer of confession, and the Rev. Lloyd Brasure, pastor of the Presbyterian Church, will present the sermon, entitled "One Cross Among Many."

Hymns of devotion will include "When I Survey the Wondrous Cross," "O Lord of Devotion," and "No, Not Desparingly Come I."

Combined services of the First Baptist Church of Novi, the First Baptist Church of Northville and the First Baptist Church of Wixom will be held at 1:30 p.m. on Good Friday at Northville, with the Rev. Paul Barnes, pastor of the Novi church, delivering the message. Special music will be provided by both churches.

On Easter Sunday, the Northville Baptist Church will hold its traditional sunrise service at 6:30 a.m. Regular services will be held at 10 a.m. for the Sunday school and at 11 a.m. for worship. Topics for the services will carry themes of

the Resurrection. The choir will present special music, under the direction of George McDaniel, at the 11 a.m. service.

In commemoration of the institution of the Lord's Supper, this Sacrament will be celebrated in the Maundy Thursday service, at 7:30 p.m. tonight, at St. Paul's Ev. Lutheran Church, corner of High and Elm streets. The sermon topic will be: "Behold the Man!"

Two services will be held at St. Paul's on Good Friday, an afternoon service at 1:30 p.m. and an evening service at 7:30 p.m. Holy Communion will be celebrated in the evening service, according to the Rev. B. J. Pankow.

Sermons for Good Friday are entitled: "The Suffering Christ in Relation to an Army Captain" (1:30 p.m.) and "The Suffering Christ in Relation to Secret Friends" (7:30 p.m.). In the afternoon service the upper grades of the Christian Day School will sing "Dearest Lord Jesus", and the Junior Choir, "Jesus, Lamb of Calvary."

On Easter Sunday at St. Paul's the sermon theme in both the 7 a.m. and the 10:30 a.m. services will be: "Death Swallowed Up in Victory." There will be no 8 a.m. service. Holy Communion will be celebrated in the 7 a.m. service. In the same service the Upper Grades of the Christian Day School will sing "He Is Risen, Alleluia", and the Junior Choir, "O Joyous Easter Morning." In the 10:30 service the Senior Choir will sing "In Joseph's Lovely Garden" by Dickenson.

Holy Communion will be celebrated at the First Presbyterian Church of Northville at 8 p.m. on Maundy Thursday.

"That New Day Is Here" will be the topic of Rev. Brasure, at the two Easter Sunday services at 9:30 a.m. and 11 a.m. Featured at the services will be presentation by the Bell Ringers, and the Children's, Chancel and Harmony choirs.

At 7 a.m. Easter Sunday, the senior high school group will make a dramatic presentation at the Sunrise service. It will be followed by an Easter breakfast from 7:45 to 8:30 p.m.

A 7:30 p.m. Thursday Communion service will be held at the First Methodist church of Northville, according to Rev. Kinde.

On Easter Sunday morning, the Youth Fellowship of the church will present the special sunrise service beginning at 7 a.m. Then at 7:30 a.m., the Methodist Men's Club will sponsor an Easter breakfast in the Fellowship hall.

Regular Easter morning services will be held at 8:45 and 11 a.m., and at 4 p.m. Sunday the Sacrament of Baptism will be held for children and adults.

Holy Communion celebration of "The Last Supper" will be held tonight at 8 p.m. at the Evangelical Lutheran Church of The Epiphany, the Rev. John W. Miller, pastor, officiating.

Between noon and 3 p.m. on Good Friday, the church will join in a community Good Friday service at Calvary Baptist Church.

On Easter Sunday morning a 6:30 sunrise service, entitled "Isaiah Fulfilled", will be held, and at 7:30 a.m., members and guests will join for Easter Breakfast. Church school will be held at 9:45 a.m. and at the 11 a.m. worship service, "The Day of Resurrection" will be the theme.

Epiphany is located at 41390 Five Mile road.

According to the Rev. Fa-

ther John Wittstock, Low Mass will be held at 8 a.m., Holy Thursday at Our Lady of Victory Catholic Church of Northville. Holy Communion will be celebrated during Mass only. At 8 p.m. today Holy Communion will be celebrated during High Mass.

Liturgical services are scheduled tomorrow, Good Friday, with Holy Communion and Veneration of the Cross at 2 p.m. and Public Way of the Cross at 7:30 p.m.

At 11 p.m. Holy Saturday an Easter Vigil service is planned, followed by Easter Mass with Holy Communion at midnight.

On Easter Sunday, Masses will be said at 8:30 a.m., 10:30 a.m. and at 12:15 p.m. No 7 a.m. Mass is planned.

Father Wittstock also noted that family adoration is scheduled from Holy Thursday evening until Good Friday afternoon.

"The Hours of Darkness" will be the topic of a message delivered by the Rev. Elwood Chipchase, pastor of the Salem Federated Church at 1 p.m. Good Friday.

Members of both Salem Federated and Salem Congregational, where the Rev. Jack Barlow is pastor, will meet in a joint Easter sunrise service at 6:30 a.m. at Federated. Pastor Chipchase will deliver the sermon, entitled "Those Grave Clothes — Undisturbed."

A Easter breakfast will be held at 7:30 a.m., the regular worship service at 10 a.m., and Sunday School at 11 a.m. A training hour will convene at 6:30 p.m., and the evening worship service will begin at 7:30 p.m. Special music will be presented during the services.

The Sacrament of The Lord's Supper will be celebrated at 8 p.m. Maundy Thursday in the traditional Upper Room service at Willowbrook Community E.U.B. Church, located on 10 Mile road near Meadowbrook.

Willowbrook members will gather at the First Methodist Church of Farmington where at 12 noon a three hour Good Friday service will begin. At 3:30 the junior fellowship will meet at the church and think together about the "meaning" of Good Friday.

Warning

Northville area residents were warned this week that a telephone solicitation for a magazine subscriptions "sponsored by the Northville Business and Professional Woman's club" was unauthorized.

Mrs. Harvey Ritchie, legislative chairman for the club, said several residents have reported receiving such calls. She said the local club is not sponsoring any sale of magazines.

The complaint has been turned over to police authorities, Mrs. Ritchie stated.

LaRue Wins Scholarship

A \$200 scholarship was awarded to Terry LaRue, Northville high school senior, who won runner-up honors Saturday in the state finals of the American Legion oratorical contest.

LaRue was one of five contestants from throughout the state to reach final competition at Midland.

Previously, he had won the local Lloyd H. Green post competition and titles at Livonia and Reese. He is a member of the Northville high school debating team.

Under-Road Installation

NO WATER SHORTAGE — Water may not be flowing from the Old Spring; and homeowners in the southeast section of the township may have dry wells; but there's no shortage of water under River street or Baseline road. Much to the chagrin of workmen installing a sewer to serve Novi on River street (above) and those installing a city of Detroit water line (below) on Baseline, underground water must be drained off by use of hoses before the lines can be installed.

Chief Hartner Issues Grass Fire Warning

A surge of grass fires this past week sparked a warning by Northville Fire Chief Herman Hartner, Jr., who reminded residents that permits are required for burning weeds and grass.

Under a state fire code adopted by both the city and township, permits are required for burning off dead grass and weeds. These permits may be obtained at either the city or township halls.

"The fields are very dry now," cautioned Hartner, "and unless residents use extreme care sparks from incinerators may touch off some destructive grass fires."

This past week, the Northville department answered five fire calls — all of them in Northville township. They included:

Grass fire Tuesday at 47000 West Ven Mile road near the Northville State hospital;

Grass fire Monday at 12-28 p.m. off Five Mile road near Bradner road;

Tree fire at Six Mile and Sheldon at 6:16 p.m. on Monday, and earlier in the day at 3:42 p.m., Northville firemen assisted by the Plymouth town-

ship department battled a grass fire on Fry road north of Five;

Grass fire at 46505 Valencia off Seven Mile road at 4:38 p.m. on Friday.

Police Investigate Three Break-Ins

Northville police are investigating a burglary of Schrader's Home Furnishings, 111 North Center street, which occurred between 11:30 p.m. Friday and 1:30 a.m. Saturday.

Store Manager Harry Sedan reports approximately \$25 stolen from the cash register.

Entry was gained by breaking a window at the rear of the store. Police report that the store had been checked at 11:30 p.m. and again at 1:30 a.m., when the open door was discovered.

Fingerprints were obtained from both a bottle used to break the window and the cash drawer, police stated.

Police discovered another break-in during a routine check of the high school early Sunday morning.

Entrance was gained by breaking out a window to a classroom at the northeast corner of a classroom. A cabinet

in the room was forced open but police and school officials have been unable to determine if anything was taken.

Another break-in apparently was attempted at the residence of Eugene K. Cook, 118 South Ely drive. According to police, who were checking the home while the family was away, a broken window was found Monday evening. A garden hose, cut by glass and apparently used to break the window, was found nearby. Entry was not gained.

In other action this week, police investigated theft of clothing from the groom's quarters at the Northville Downs between Monday afternoon and Tuesday morning.

An attempt to break into a boarded up storage garage at 718 North Center street was made sometime Tuesday but entry was not made, police said.

Wixom Girl Speaks Vows In Orchard Lake Rites

Katherine Marie Davis of Wixom and Mitchel Stephen Tuttle of Walled Lake were united in marriage on Saturday, in an evening ceremony at Orchard Lake Presbyterian church.

Officiating at the 6 p.m. service, which took place in a setting of mums and gladiolus banked on either side by candles and palms, was the Rev. J. Albert McCrory.

Parents of the bride are Mr. and Mrs. Ernest J. Davis of Wixom, and the bridegroom's parents are Mr. and Mrs. James Tuttle of Walled Lake. Given away by her father, the bride wore a gown of imitation chantilly lace over satin with a sweetheart neckline and controlled bell skirt made into a victorian bustle. A crystal

and rhinestone crown held the elbow length veil. She carried a bouquet of mums and roses and stephanotis with a detachable corsage of purple mums and roses.

Music was played by the church organist, Mr. Wendell Ecker.

The matron of honor was the bride's sister, Mrs. James DuFresne of Wixom. She wore an iris colored dress of crystellette with over skirt (street length). She carried a bouquet of purple and white mums.

Bridesmaids were Miss Marion Smith and Miss Lynn Helfrich of Orchard Lake. They wore dresses like that worn by the matron of honor. All had iris colored accessories.

The bride's niece, Susan Du-

Fresne, was the flower girl. She wore a short dress of orchid and white lace and carried a basket of orchid and white mums.

Best man was Giles Lagace, and serving as ushers were Robert Coley and Richard McLean.

For her daughter's wedding, Mrs. Davis wore lilac satin and nylon street length dress with orchid accessories. Mrs. Tuttle wore a blue satin street length dress with tan accessories. Both wore yellow mum corsages.

Following the wedding a reception for approximately 300 guests from Pontiac, Detroit, Erie, Michigan, Grand Rapids, Orchard Lake, Walled Lake, Wixom and Athens, Michigan was held at the VFW hall on Loon Lake road in Wixom.

For her going away outfit, the bride wore a navy blue ensemble with white accessories. The newlyweds' wedding trip included a one week tour through the Thumb area of Michigan and the northern part of the state.

Both are graduates of Walled Lake high school and the bride attended Pontiac Business Institute.

The new Mr. and Mrs. Tuttle will reside in the Colonial Apartments on South Commerce road.

Mrs. Mitchel Stephen Tuttle

about WOMEN

Mr. and Mrs. Richard Hazzard

In Our Town

By Jean Day

A WEDDING rich in tradition united Laurie Elaine Chabut and Richard Hazzard Saturday at Northville Presbyterian church.

The sight of Laurie in her mother's wedding gown evoked family memories of another wedding 26 years ago in which Elaine Rice became Mrs. V. George Chabut. Dr. Chabut was on the staff of Maybury sanatorium when he died four years ago.

Their marriage was solemnized in Detroit's Metropolitan Methodist church by the bride's famous father, Dr. Merton Stacker Rice, and her minister brother. This church was built during Dr. Rice's ministry, and he served its congregation for 30 years until his death 21 years ago this month.

Although Laurie is too young to have known her nationally renowned grandfather, she has heard much about him as Mrs. Chabut is imparting his teachings to all four children in the family. Five years ago her book about her father, "Preacher Mike," was published.

Dr. Rice himself was the author of 12 books, including a biography of Bishop Alfred Quayle of Baker University, Kansas, who greatly influenced the life of Dr. Rice when he studied there. Mrs. Chabut's favorite is "My Father's World," Dr. Rice's beautiful study on the nature of our world.

An example of his colorful personality: Dr. Rice always signed his name, "M. S. Rice," in green ink — the color of new life.

An added bit of family sentiment in Laurie's wedding Saturday was contained in the lace handkerchief she carried. It had been made by a pioneer great-grandmother. In addition, Laurie asked her 13-year-old sister, Susie, to be maid of honor.

Many of the wedding guests could remember Laurie "when she was missing four front teeth," as the Chabut family has lived in Northville 21 years. Mrs. Chabut, Susie, Mike and David live at 1858½ Sheldon road.

It is satisfying to Mrs. Chabut that both Laurie and her new husband plan to be teachers. The bridegroom, son of Mr. and Mrs. Robert Hazzard of Frankfort, Michigan, is a University of Michigan graduate. Laurie, who has been a student at Michigan State university, hopes to continue her studies at Western university.

Mrs. Chabut teaches sixth grade in Farmington and also Sunday school at Northville Presbyterian church where the Rev. Lloyd Brasure married her daughter.

In the fine tradition of Dr. Rice she teaches her family and students as well that, "Your reach should never exceed your grasp," for if you "do only what you set out to do, you haven't set out to do enough."

BUS TRAVEL is the goal of WSCS members of the Methodist camp commission, who hope to collect 3,900 books and S. and H. green stamps by May 19 to buy a camp bus.

Mrs. William Cansfield of Dunlap street, president of the WSCS Detroit Conference, is hoping that the books will be collected at the annual conference May 19 at Court Street Methodist church in Flint. The 4,680,000 stamps will purchase a school-type bus to help in transporting children to hard-to-reach Methodist summer camps, as the one at Douglas lake in the northernmost part of the lower peninsula, Mrs. Canfield explains.

Local camp commission members throughout the conference area are collecting stamp books (any kind, as they can be traded) "as many as possible as soon as possible" which local WSCS presidents will take to district meetings in April. In turn, they will be collected from districts at the May conference.

Laurie Chabut Weds Richard Hazzard Here

Laurie Elaine Chabut and Richard W. Hazzard exchanged wedding vows here Saturday evening in a candlelight ceremony at the First Presbyterian Church of Northville. Officiating was the Rev. Lloyd G. Brasure, pastor of the church.

The bride is the daughter of Mrs. V. G. and the late Dr. Chabut of 1858½ Sheldon road, and the bridegroom is the son of Mr. and Mrs. Robert Hazzard of Frankfort, Michigan. In a setting of daisies and

white stock on the altar, the bride was given away by her mother and was escorted down the aisle on the arm of the bridegroom's father.

For her wedding the bride wore her mother's wedding dress of ivory net and lace, distinguished by small ruffles cascading from hips to floor and rounded train, with Alencon lace bodice, waist and sleeves. It featured a short shoulder veil fastened to an Alencon lace crown. She carried an orchid and daisy spray.

Serving as her sister's maid of honor was Suzanne Chabut, who wore an Empire style gown of mist green silk organza over light blue taffeta, and a halo net hat. She carried blue tinted daisies, carnations and pussy willows.

Bridesmaids were Susan Price of Northville, Barbara Moore of Southfield and Nancy Jepson of Birmingham. Each was dressed in gowns similar to the one worn by the maid of honor, although gowns

were of a darker shade of taffeta.

Serving as best man was Robert Hazzard II of Harbor Beach, brother of the bridegroom and ushers were Charles Whitmore of Kalamazoo, Richard Gransie of Cleveland, Ohio and Gene Correl of Whitmore Lake.

For her daughter's wedding, Mrs. Chabut wore an emerald green dress of brocade taffeta and hat. The bridegroom's mother wore a sage silk and satin sheath with matching hat and shoes. Both mothers wore green cymbidium orchids.

Wedding music included "Walk Hand in Hand" and "The Lord's Prayer," sung by Tracy Carrabin.

Following the wedding a reception was held at the church. For her going away outfit, the bride wore an eggshell wool suit, daffodil yellow wool coat with a matching flowered hat. Her ensemble was set off by a corsage of orchids from the center of her wedding bouquet.

For their wedding trip, the newlyweds travelled to Northern Michigan.

The bride is a student at Michigan State university, while the bridegroom, a graduate of the University of Michigan, is a teacher in Wayne.

The newlyweds will make their home in Belleville and Kalamazoo.

Topping off the luncheon meeting was a hilarious spoof on Northville entitled "This is The Northville Year That Was" by newer members of the club. (See pictures on Page One, Section Two).

News Around Northville

Mr. and Mrs. Robert Campbell of Livonia, Mr. and Mrs. Thomas M. Campbell of Livonia, and Mr. and Mrs. John Angell of Meadowbrook road entertained their parents, Mr. and Mrs. Thomas Campbell of 246 Wing Court to dinner and dancing at Pandora's Saturday evening, celebrating their parents' 35th wedding anniversary.

Prior to leaving for the evening of entertainment, the grandchildren presented their grandparents with an orchid corsage and boutonniere.

James Hill of Valley road and William Davis of Orchard drive left Monday for Dayton, Ohio where they will spend Easter vacation with the Robert Beerbower sons, James and John.

Mrs. George Merwin accompanied some friends of Detroit, Mr. and Mrs. Faust Camon, to a party at the Scarab Club Saturday night. It was an Easter party for members.

Dr. and Mrs. Gordon Forrer and family, 46995 West Main, are enjoying the beauty of Virginia during spring vacation. Dr. Forrer joined his family after they had driven to Dayton, Ohio Monday for a brief visit with the Robert Beerbowers, former Northville residents.

Soaking up the Florida sunshine this week are Dr. and Mrs. Robert Yoder and family of Whipple Drive.

In Washington, D.C. to visit congress and the sights of the nation's capital are Mr. and Mrs. Richard Ambler and family, 943 Carrington drive, and Mr. and Mrs. Eugene Cook and family of South Ely drive.

Two parties were held in the honor of Charles Lute recently, upon celebration of his 82nd birthday.

On Sunday, March 15, the family of Mr. Lute gathered at the home of Mr. and Mrs. Othal Baggett.

Other members of his family on hand to offer their congratulations were Mr. and Mrs. Homer Lute, Mr. and Mrs. William Lute, Mr. and Mrs. Tom Lute, and Mr. and Mrs. Donald Lute; Mr. and Mrs. George Van Hellemont, and Mr. and Mrs. Wesley Sanders. Another guest present was Mrs. Elsie Zonker.

Honors were heaped on Mr. Lute at still another family gathering, this one held at the home of Mr. and Mrs. William Lute of Livonia.

Columnist Art Buchwald

Tickles Town Hall Funny Bone

Calling upon his treasury of humor, much of which had already tickled funny bones through exposure in print, Columnist Art Buchwald (pronounced Buckwald) wrung sheers of laughter from his Northville Town Hall audience Thursday morning.

Held in Northville's P&A theatre, last week's lecture series was in honor of the community of Plymouth. It was followed by a luncheon at Meadowbrook Country Club.

Introducing the speaker was Russell Isbister, superintendent of the Plymouth school system.

Admitting that his job of meeting people, traveling wherever he wants to go and writing humor is "the world's best job", Buchwald went on to trace his mediocre rise to fame from a "humble, government paid vacation" on the campus of the University of Southern California.

But even before university where he edited the college humor magazine, wrote a column and authored one of its variety shows, Buchwald was introduced to the world of journalism while serving as a Marine during World War II. He edited his company newspaper on Eniwetok, and he also did a brief stint at public relations for the Special Services branch.

With a bonus paid to servicemen by the state of New York, Buchwald travelled to France where he began working for the show business weekly, Variety. Early in 1949, he took a trial column to the editorial offices of the European edition of the New York Herald Tribune. Entitled "Paris After Dark," it was filled with scraps of off-beat information about Parisian night life.

Buchwald recalled that this "night life" was an excellent training ground and he soon became the newspaper's food and wine expert.

Although he didn't spell it out, Buchwald's column quickly impressed his editors, and by 1952, his column was syndicated in the American press.

Today more than 180 newspapers from around the world carry his column, earning him the distinction of being called the most comic American observer of the European scene since Mark Twain.

By spoofing government officials, as he did James Haggerty, he managed to get his column into more and more newspapers. In the case of Haggerty, the press secretary took his column seriously and called a press conference to deny it. All of which, said Buchwald, drew the wrath of fellow columnists who contended they had spoofed him and were not given equal treatment.

His humor — often tinged with biting satire — also was appreciated by his European readers.

After 14 years abroad, Buchwald returned to the United States and stationed himself in Washington, D.C. — center of much of the nation's humor.

But, the speaker pointed out, it was difficult for him to adjust to the new surroundings.

One of the interesting things he noted upon his return to the States is that so many communities have organizations to fight Communism. The big problem, he said, is that there are so few Communists to fight.

He suggested that the government round up all the Com-

munists and distribute them equally around the nation so that each community can have a Communist to fight.

His wife and children, said Buchwald, are required to provide a certain percentage of his column material. If they don't come through, he added, "out they go."

Travelling, of course, is one of the chief ways in which Buchwald obtains raw material for his columns. He has marched in a May Day parade in East Berlin, chased goats up and down the mountains of Yugoslavia, climbed trees to get a better view of the races at Longchamps, travelled all the way to Turkey to get a first-hand impression of

a Turkish bath.

On one occasion, said Buchwald, he made a trip behind the Iron Curtain in a limousine driven by a uniformed chauffeur. Purpose of the trip, he explained in his columns, was to show the Communists what a "bloated, plutocratic capitalist really looked like."

Buchwald said he and his wife stayed up one whole night devising a code he could use if the trip went awry. It consisted of one word, he said: "Help."

He suggested that the government round up all the Com-

munists and distribute them equally around the nation so that each community can have a Communist to fight.

His wife and children, said Buchwald, are required to provide a certain percentage of his column material. If they don't come through, he added, "out they go."

On Saturday morning, John Harnden, 17 of 43475 Fonda suffered a minor chin injury when he lost control of his car on a slippery road and his car plunged into the ditch near the C&O railroad on Novi road. He was treated by a private physician.

According to police, the Novi girl was driving south on Novi road between Nine and 10 Mile roads when she stopped for a car making a turn from the road. Miss Silvester's car struck it in the rear.

Police ticketed Miss Silvester for failure to stop within an assured clear distance ahead.

Two juveniles in the car at the time the youths were arrested were released to their parents.

Philip Taylor of Detroit, arrested along with Leslie D. Kitzmann of Detroit, on Meadowbrook road Friday night was fined \$25 for consuming alcohol on a highway. His companion was fined \$15 for being a minor in possession. The two pleaded guilty before Judge Jacques.

A 16-year-old girl, passenger in the Taylor car, was turned over to the juvenile court.

Two Pontiac Youths and two from Detroit were fined Friday and Saturday on separate violations of drinking.

Jose Aquilera, 18 of Pontiac, and Jose C. Ramirez, 17 of Pontiac were fined \$35 and \$20, respectively, and each was placed on one year probation after they pleaded guilty Saturday, before Justice of Peace Emery Jacques Jr., on charges of being minors in possession.

2 Injured In Novi Accidents

Two motorists were injured this past week, none seriously, in accidents on Novi roads.

On Sunday afternoon, Rickie J. Pantalone, 18 of 23948 East LeBost suffered neck and head injuries when the car she was driving on Novi road was struck from the rear by another vehicle driven by Mary Silvester, 43 of Ann Arbor.

She was to be treated by a private physician.

According to police, the Novi girl was driving south on Novi road between Nine and 10 Mile roads when she stopped for a car making a turn from the road. Miss Silvester's car struck it in the rear.

Spirits High - But Weather Dampens Spring Sports

Rarin' to go are sprinters (l-r) Jack Crawford, Jim Trotter, John Gibon and John McMillen.

Weather and vacation have been the scourge of Northville high school coaches as most teams head into the third week of practice.

The unexpected spring storm last week and the spring flurries last weekend, which dampened the ground, hampered workouts.

Easter vacation also cut into valuable practice time as some hopefuls headed for warmer climes.

Spirits were high, however, as the coaches put their charges through their paces, concentrating primarily on conditioning and fundamentals.

Hardest hit by the weather has been Coach Al Jones and his golfers, who have not had an opportunity this year to work out.

10 of the possible starters have gone on vacation.

Being the first spring team to see action — the Michigan State university relays April 3 indoors at East Lansing — the track team have a yeoman task before them to round into shape.

"We've been doing a lot of running and calisthenics and we've been working every night until after 5 p.m. to get into condition," Herald noted.

Fortunately, none of the 60 hopefuls has been plagued with injuries, Herald pointed out. In addition, only one man from each event will be entered in the forthcoming relays.

The road ahead for the track men, however, may be a little rough, for Clarenceville, Bloomfield Hills and Milford will be favored with several veterans in the fold.

The junior high gym has

been a bee hive of tennis activity as Coach Dick Norton sends his stalwarts through drills.

"We've been working on meeting the ball, correct form and conditioning," Norton noted, adding that work outside is essential to maintaining the progress.

Norton is especially pleased with the progress made by Bob Schmidt, Jim Wiedner and Bob Lantry, all returning lettermen.

Bloomfield Hills and Clarkston, by all indications will be the teams to beat for the W-O net crown, won the past five years by Northville.

Although the Mustangs' ranks have been depleted by graduation, Coach Norton feels that his boys will develop into a strong outfit by mid season. "We've got a lot of young

boys," he said. "Just give us a little time and experience and we should be a pretty good team."

John Mach Swings for the Fence

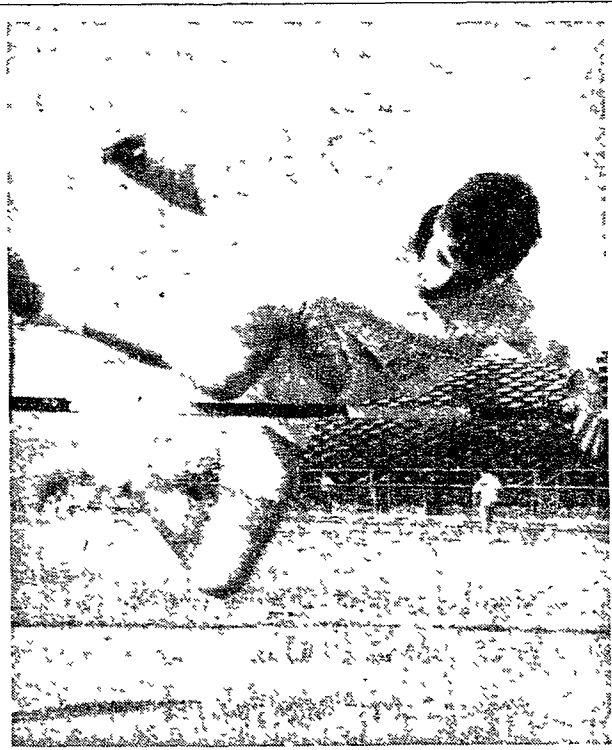

NEW MENTORS — Heading the Northville spring sports program are these four new coaches. They are (l-r) Joe Trickey and Roy Herald (track), Dick Norton (tennis) and Chuck Shonta (baseball).

Other survivors include six daughters, Mrs. Patricia Reva Turner, Mrs. Naomi Campbell, Mrs. Laura Frances Watkins, Anna Fay, Irene and Sandy Noble; two sons, Robert Ray and Roland Gene; six brothers, Green Johnson, Jim, Chester, Carlo, Pryce, and Dennis; two sisters, Mrs. Corene Taulbee of Commerce, and Mrs. Gertrude Noble of Winchester, Kentucky; and five grandchildren.

Funeral arrangements were made by the Richardson-Bird Funeral Home of Walled Lake, with services conducted Wednesday at Breathitt County, Kentucky.

Burial was in Trent Cemetery at Breathitt.

ANNA SCHWEIZER
Anna Schweizer, 84, of 514 West Main street, died March 20 at the Dearborn Medical Center after an illness of three weeks.

Born September 18, 1879 in Germany, she was the daughter of William and Wilhelmina (Seidelberg) Ringel. Her husband, Fred J. Schweizer preceded her in death in 1935.

Mrs. Schweizer moved to Northville from Farmington about 20 years ago. She was a member of the First Presbyterian Church of Northville.

Survivors include three sisters, Mrs. Mary Kenney, Mrs. Bertha Verkes, and Mrs. Edith Price, all of Northville, and three brothers.

Funeral services were conducted Monday, March 23 from the Ebert Funeral Home, with the Rev. Lloyd G. Brasure, pastor of the Presbyterian Church, officiating.

Burial was in Oakwood Cemetery, Farmington.

**Police Tell
Motorists:**

'Slow Down'

In an effort to combat the rising tide of fatalities and accidents in Michigan, municipalities such as Northville are conducting vigorous all-out enforcement and education campaigns this month.

Special emphasis, announced Police Chief Eugene King, is centered on "those drivers who exceed the speed limit or drive too fast for conditions."

"I hope all drivers will co-operate in bringing down traffic deaths and accidents. We do not enjoy issuing traffic tickets, but if drivers violate the traffic laws, they can be sure that police officers are alert to enforce them."

"It is a known fact that strict compliance with traffic laws enacted for the protection of the motoring public results in a decrease in motor vehicle accidents."

State officials point out that the frequency of fatal accidents that Michigan has experienced so far indicates that if the present trend continues this year will record the highest number of traffic deaths in the history of the state.

As of March 15, the first 75 days in 1964, 384 persons met death compared to 273 in 1963. This is an increase of 41 percent, meaning that five persons on the average are losing their lives each day over the state.

Chief King also issued a stern warning to young motorists who, with spring newly arrived, may begin drag racing in or near the community.

Racing is willful recklessness, he noted, and juveniles who are ticketed for racing face possible suspension of driver's licenses for upward of one year.

Novi Police Chief Lee Be-Gole, whose department has been plagued by dragsters racing on Eight Mile road near Napier, has promised to "go hard" on anyone caught racing. He has urged residents to call police immediately if they suspect a race is about to begin or is already in progress.

**CAP Squadron
Tours Willow Run**

A guided tour through Willow Run Airport highlighted a recent trip of the Northville chapter of the Civil Air Patrol (CAP).

Cadets were shown through the mailroom-baggage room, weather station, observation deck and control tower. In the radar room they watched several planes come in by radar.

Highlight of the trip was an inspection of a United Airlines jetliner. The pilot of the plane explained the function of various instruments, showed cadets into the cockpit, and a stewardess showed them through the jet's kitchen.

Eye 4-H Meet

Plans were made for participation in the 4-H Achievement Day to be held April 4 at Pontiac Northern high school at a meeting of the Lucky Leaf 4-H club recently.

Meeting at the home of leaders David and Carol Bourns, nine members and four guests laid these plans and others for the 4-H Fair in August, according to a club spokesman. The next meeting of this group will be held at the home of Harold Timpf, 28277 Martindale road, on April 1 beginning at 8:00 p.m. Anyone interested is welcome to attend.

Birth

A girl was born to Mr. and Mrs. Peter Weinert of Keene, New Hampshire Tuesday, March 10. Weighing 8 pounds the baby was named Susan Egbert in honor of her maternal grandparents, Mr. and Mrs. Charles Egbert of 59488 Eight Mile road.

The Weinerts have another child, Joe who is three years old.

ORIENTAL GUESTS — Girl Scout Troop 407 of Northville was host this past week to two Japanese students who are working on their master's degrees at the University of Michigan. The guests, introduced by George Bown of Northville, came dressed in Oriental costumes. They described and demonstrated many of the colorful costumes of Japan. Here they are shown at the refreshment table. Left to right are Tomoko Kato, Paula Young, Kathy Bown, Reiko Kodama, Susan Altman and Connie Prodder.

**Local Jaycettes
Host Conference**

Dozens of Jaycee Auxiliary members traveled to Northville Tuesday as local Jaycettes hosted the spring District Six meeting of Michigan Auxiliaries.

Guests were present from Ann Arbor, Dearborn, Dearborn Heights, Farmington, Livonia, Milford, Nankin, Plymouth, Redford township and South Lyon.

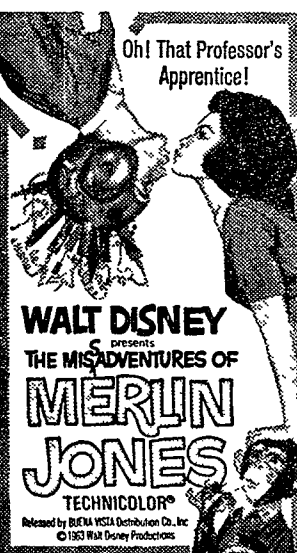

Special entertainment included presentation of a one-act play, "The Flattering Word" by George Kelly, by the Northville Players Guild.

Planning and preparation for the meeting by the local women had been underway for the past two months — under the chairmanship of Mrs. Richard Norton.

LET'S TALK CARS ...

**SPRING
COMPLAINT**

This time of year there is one service problem that every car should attend to without delay. It is mis-aligned front wheels due to Winter ruts and Spring pot holes.

The pothole problem is a temporary one, of course, but it is the grand finale to a torture test you have been giving your car over Winter's ice and ruts. The aftermath can include cut tires and damage to springs, shocks, wheel bearings, tie-rod ends and the whole exhaust system.

The best remedy for potholes is to cut your speed so you miss as many as possible. But even though you miss 'em all, you can be sure that the rough roads of Winter have set you up for some major bills in the future, unless you take preventive action now.

Failure to correct misalignment can result in rapid and excessive wear to your front tires. We will be glad to check your alignment along with a general examination of your muffler, tail pipe, brakes, etc. Tightening body rattles in a few crucial spots is also a good idea. Winter is tough on shock absorbers and in any once-over they should receive special attention.

Like good doctors, our mechanics have no desire to operate unless absolutely necessary. If there is nothing wrong, they'll tell you.

Attention Wixom Voters

Due to a very recent personal commitment, the result of which will curtail my evening activities, I find it necessary to withdraw my name from the General Election on April 6.

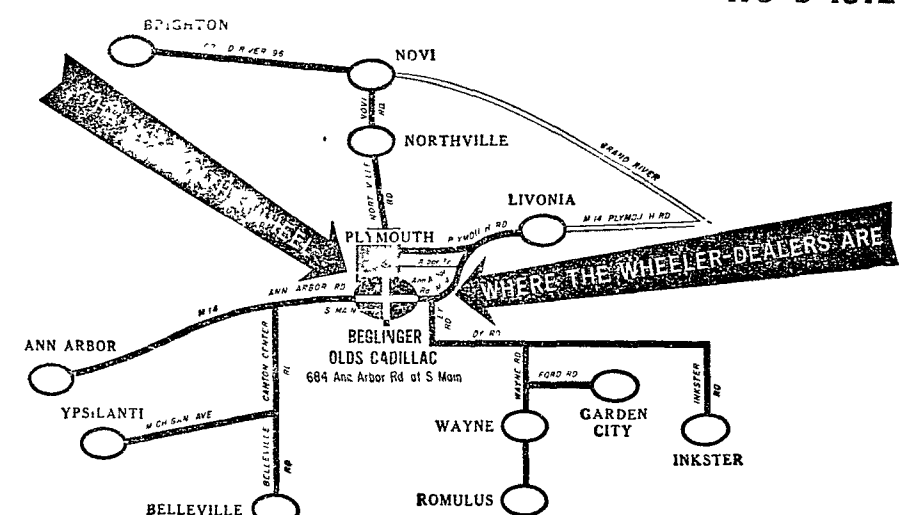

I wish to thank everyone who signed my petition and the people who have been supporting me for council.

It is with deep regret that I find this necessary but I hope that in some way I may still be able to serve my city.

The Northville Year That Was — Spoofed by Woman's Club Members

DOCTOR'S KNOW — The horrors of the smokeless day led to "suicide" following the government's report. (Actually this ham doesn't smoke.)

THE MINK CIRCUIT — Northville club women spoofed themselves by showing how the gals dressed in mink for the Town Hall opener — despite warm weather.

YEAH! YEAH! YEAH! — Beatle mania reigned — with the help of a record and decorative headgear.

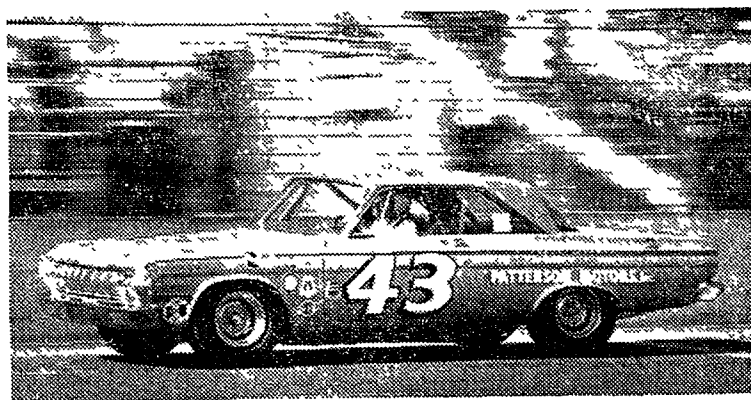

SAVE MY CHILD — Despite Mrs. Thomas' plea "Save my child," firemen rushed on stage only to drop their hose, boots and hats on the table.

THE OPENING — Women flocked to the D & C store to snap up nylon bargains during the store's grand opening.

PLYMOUTH VICTORY SALE

Beats 'em at Daytona!

Plymouth rocked the racing world—competition-equipped Plymouths swept the field 1, 2, 3 and toppled previous speed records at the NASCAR-sanctioned Daytona "500."

Beats 'em at Pomona!

Competition-equipped Plymouths accounted for top stock eliminator titles in both NHRA and AHRA Winternationals at Pomona, California, and Phoenix, Arizona—the "winter world series of drag racing"

Beats 'em in "Test Track U.S.A."!

At Plymouth's request, Nationwide Consumer Testing Institute matched comparably equipped showroom V-8 Plymouths, Fords, and Chevrolets at Sebring, Indianapolis Raceway Park and Watkins Glen. Plymouth won hands down in "things you buy a car for!"

Now beats 'em at retail!

To celebrate this across-the-board victory, your Plymouth Dealer is determined to break sales records, too. And the same great engineering, the same remarkable stamina that made Plymouth the all-around winner is waiting for you in his showroom now! Come in and drive a winner!

Save on a Plymouth while we're celebrating!

one of the themes at Christian
Science church services this
Sunday.
Both Matthew's and John's
account of the resurrection will
be read as part of the Bible
lesson on "Reality." Also in-
cluded will be this passage
from the Christian Science
textbook: "Through all the dis-
ciples experienced, they be-
came more spiritual and un-
derstood better what the Mas-
ter had taught. His resurrec-
tion was also their resurrec-
tion. It helped them to raise
themselves and others from
spiritual dullness and blind
belief in "God into the percep-
tion of infinite possibilities" (Sci-
ence and Health with Key to
the Scriptures by Mary Baker
Eddy, p. 34).

The words "Holy Week" mean very much to mil-
lions of people. Observances
of this week of remem-
brance vary quite a bit
from country to country
and in different Christian
groups across the land.
How does one best live
through these days in a way
that can be said to add
beauty and truth to a world
that shows much of the ugliness
of man's misbehavior and
sin? As we reflect upon
the last days of His flesh
some of His very own teach-
ings, such as — "Come un-
to Me all ye that labor and
are heavy laden and I will

give you rest", and "I am
the Way, the Truth and the
Life", and "No one cometh
unto the Father but by
Me."

Let us be comforted in
doubt, by the fact that He
has been eyes to the blind,
ears to the deaf, strength
to those weak in body, cour-
age to those afraid, friend
to the lonely and saviour
to all who call upon Him in
need.

Let us learn how to ac-
cept the miraculous, the un-
expected, the unexplainable
the virtues of His nature,
the divinity of His charac-

ter and the need for His
coming in time and human
history.

Let us prepare to disci-
pline our lives and direct
our energies that our world
may know more of the
truth, the beauty and the
goodness made possible by
the children of the Almighty
who have found Him to be
the open door to the heart
of eternity, beginning now,
today, with those around us.

May this "Holy Week"
allow us the privilege of be-
ing in this world as a peo-
ple dedicated to the Divine
purpose as revealed thru
Jesus Christ.

Official Minutes of the Northville City Council

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, March 2, 8:00 p.m. at the Northville City hall.

Present: Allen, Ambler, Canterbury, Carlson and Kester. Absent: None.

The minutes of the previous meeting were approved.

Moved by Ambler, supported by Carlson that bills in the following amounts be paid:

General \$13,836.28
Water 8,434.90
Other Government 8,347.42
Unannounced carried.

Communications:

A thank you note from the family of Albert Williams, former plumbing inspector, for the remembrance from the City of Northville.

Mrs. Carlson asked the clerk to read a letter from George Romney. This was a reply in answer to her personal letter regarding the use of the Maybury property for problem youths. Mr. Canterbury wanted to be sure that this letter did not represent the official feeling of the Northville City Council regarding the matter.

In answer to a letter from Mr. Schiller of the Northville Coach, Council recommended that the city manager write a letter confirming the statement that he has and is providing bus service for the city of Northville.

A request to solicit in the City of Northville from the Blind Service Center was referred to the city manager. He is to check this out and the matter was tabled until March 16th meeting.

Communications from Citizens:
Eldon Biery, W. Dunlap St., appeared before Council to lodge a complaint regarding condition of High street between W. Main street and Dunlap street. There is a great deal of gravel which has lodged between the sidewalk and the curb. The city engineer and city manager will check on this later in the season.

The matter of the Northville Spring was discussed by the city engineer. Mr. Penn reported he had talked to Mr. Allen of Yerkes street and Mr. Charles Lute of Newburg road and both said that originally there was a pipe under the railroad (about 5 or 6 ft. down). The engineer was asked to continue with this investigation.

Mrs. Martha Bingley, Allen drive (formerly of 101 E. Baseline road) asked if taps could be made along water main on Baseline road at this time. The mayor stated that no private taps could be made on this main and that the main installation was done due to a previous plan of the Wayne County road Commission's and that permission to run a water main down N. Center St. has not been granted at this time.

The notice for submission of bids for a Police Car was read by the clerk as published in the Northville Record. Following are the bids submitted:

Rathburn Chevrolet Sales, Northville, Mich., \$1,050 (45 to 60 days)

Williams and Lloyd Sales, Inc., South Lyon, \$845 (3 weeks from order)

Gib Bergstrom, Inc., Northville, \$1,249 (30 to 45 days).

John Mach Ford Sales, Inc., Northville, \$589 (2 to 3 weeks from order)

Moved by Carlson, supported by Kester that according to the city manager's recommendation, council accept the bid of John Mach Ford Sales in the amount of \$589 for the purchase of a Ford Police car. Unanimously carried (Canterbury abstaining).

Attorney's Report on Proceedings for Personnel Appeals: The city attorney reviewed

The Rules of Procedure for Council hearings on Petitions for Discharged City Officers and Employees for Review of Grounds for Dismissal. Changes were made and attached is a copy of the rules as finally agreed upon. Moved by Canterbury, supported by Carlson to adopt the rules as finally reviewed by the attorney. Yeas: Canterbury, Carlson, Kester and Allen. Nays: Ambler. Carried.

Moved by Ambler, supported by Canterbury that Andrew Cain be granted a hearing on Tuesday, March 17, 1964, 8:00 p.m. at the city hall. Unanimously carried.

Moved by Canterbury, supported by Carlson that the hearing of the appeal of Andrew Cain on his dismissal which is to be held on Tuesday, March 17, 8:00 p.m. at the city hall be conducted as an open hearing in accordance with the request of the attorney and the rules as adopted by this council. Yeas: Kester, Allen, Canterbury. Nays: Ambler. Carried.

Report and Consideration of Landscaping for City Hall: The city manager asked Mr.

Youth Hostel Plans Show

A special program by the American Youth Hostel (AYH) is planned for Friday, April 3 at Ford Auditorium.

Scheduled to get underway at 8:30 p.m., the program will include a presentation by John Biddle called "Follow the Sails", "England's Yachting Classic", and "Florida - One of a Kind."

Tickets for the performance sell for \$2. They may be purchased through Joel Symmes of Northville, an AYH instructor. Persons wishing additional information may call him at FI 9-2245.

Zerbel to Speak

Northville Jaycees will hear George Zerbel, chairman of the city's planning commission speak on the progress of the proposed master plan this evening (Thursday) at a Hillside Inn dinner meeting.

Miller of Green Ridge Nursery to explain the landscaping plans which he had in mind for the city hall. After discussion and comments on the plan it was decided to rely upon the architectural landscape specialist and the local forester for "additional advice or suggestions. The drive for the fire hall is to be checked - west side for radius of apron.

Miscellaneous:
Mr. Allen brought up the matter of the portion of street adjacent to the Weber Machine and Tool Company being paved (west of their office and building). The city manager is to check on this.

Mr. Allen spoke regarding the condition of the Baseline road which is in the process of being torn up because of water main installation. He wanted to go on record as favoring an agreement. Have a bond or assurance and that it be left in as good or better condition. The entire street should be black-topped or resurfaced instead of being repaired.

A report was made of the meeting. Mr. Allen and Mr. Ambler had with Mr. Merriam and Mr. Lawrence and a consultant regarding water being obtained by some township residents (this meeting was on Friday, Feb. 28). There are about 50 residents in the western area adjoining the city now receiving city water at double rates. The township suggested the city write a letter setting forth a plan for this purpose and the township would send a letter to these residents. There is to be a resolution drafted in advance by the city attorney for the next meeting.

Mr. Ambler stated that the township had asked regarding Council's position regarding the library.
Mr. Ambler suggested that the city consider retaining a water consultant for some of the problems confronting the city. The city manager is to consider this suggestion and make a report back to Council as to what the consultant could do, etc.

Mrs. Carlson reported she had been contacted by Mr. Don Starr regarding the manure piles which are accumulating on Northville Downs property opposite River St. The city manager is to check this.

Mrs. Carlson reported that she and the city clerk had attended the Region III meeting of the Michigan Municipal League in Allen Park on February 27th.

Council requested that cards be sent to council members reminding them of special assessment hearings on March 9th and 10th.

There being no further business the meeting adjourned at 10:15 p.m.

City Clerk

OUT OF THE PAST

ONE YEAR AGO

—Most Novi voters will trek to the polls twice Monday. They'll be voting both in a general township election and a special school district election.

On the school district ballot are propositions asking authorization; levy bonds up to \$885,000 to build a secondary school; and renew 2½ mills of operating millage which expired last December.

—Northville school board negotiations for a residence to house central school offices next year were thwarted Monday. Attorney James Littell told board members that they have no authority to acquire a building for any purpose other than classrooms.

—R. D. Merriam, Republican and Democrat Arthur E. O'Leary seek the office of supervisor in Monday's election in Northville township.

—Northville's newly formed economic development corporation scored its first major accomplishment this week.

In a joint announcement by the Foundry Plank and Equipment company, 455 East Cady and the Northville Area Development Corporation it was revealed that negotiations have been completed for a \$185,000 plant expansion program.

—Bertha I. Kerr, 81, well known Northville resident, died in the University hospital, Ann Arbor. She had been ill for the past three years.

—Housing has been found for the proposed Northwestern Child Guidance clinic, it was announced. The Wayne county department of health has offered the clinic quarters on the second floor of their new building located on Merriam road in Eloise.

FIVE YEARS AGO

—In a joint effort to provide maximum safety for children attending Amerman elementary school administrators, teachers and construction workers along the new Eight Mile road cut-off have established a series of precautionary measures this week.

—Next Thursday night the Northville board of education will come to the end of \$3,000,000 bond issue when bids are opened for the sale of some \$635,000 in bonds.

—City and township officials issued stern warnings to violators of municipal fire ordinances. The warnings came after several grass fires were reported in the area this week. Authorities said they plan to crack down on persons setting unauthorized fires to prevent a recurrence of the wide-spread fire damage recorded last spring.

—With "Kick-off" day for the 1959 Cancer Crusade just two weeks away community leaders for the annual drive met at a luncheon at the Dearborn Inn.

—Plans for a 1959 "Beautify Northville" program were discussed at last week's meeting of the Coordinating Council. Ed Welch accepted chairmanship of the campaign.

—Temporary "snow fence" was erected for some 400 feet along the southern boundary of the Amerman school playgrounds to keep children away from the Eight Mile road cut-off construction area.

—Northville linksters finished second in the Wayne-Oakland league tournament last year. From that top-knotch squad, Coach M. F. Meaker h. s. to build another team of the same caliber this season.

FIFTEEN YEARS AGO

March 31, 1949
—Eddie Lanning, son of Mrs. Floyd Lanning of Wing street, has been elected to the Freshman Honorary Society, Phi Eta Sigma, at the University of Michigan.

—Northville Milling and Lumber company of Baseline road was burglarized early Wednesday morning. The theft was reported by Frank Stanford.

—The Northville Realty has moved from their former location on East Main street to the house next door, known as the Merritt House. They have purchased the house from the Merritts for a permanent location and expect to be settled by the first of the next week. L. M. Eaton and Carl Bryan, realtors, had maintained their office at the former location for four years but found it necessary to move to provide larger office space. Don Merritt is now associated with them.

—"Optimism is the love of God; the love of our flag," defined speaker Charles Snyder, Lieutenant and past International vice-president of Optimist International, as the Northville Optimist Club was born into the Optimist International organization at the Methodist Church House at the Charter Night Celebration Banquet. More than 200 Optimists and their wives attended.

—The 12th grade honor roll included these persons: Joanne Bidwell, Corine Clark, Jeanne Freydl, Edward Kazarian, Mary Louise Lee, Wanda McKinney, Bill Stanford, Lawrence Walker and Evelyn Westfield.

Honor roll members from the 11th grade were: Faye Austin, Fred Bernhardt, Bob Erwin, Tulane German, Katie Kampf, Norma Lemmon, Lucille Scheffer and Donna Schulte.

In the 10th grade were: Alice Newton and John Rackov. And in the ninth grade: Ila Baxter, Beatrice Janichik, Alfred Lee, Nancy Littell, Mary Lou - Litsenberger, Marilyn Funk, David Lee and George Stalker.

TWENTY-FIVE YEARS AGO

—Edwin E. Brown of Ann Arbor, for eight years editor of The Northville Record, passed away Thursday, March 23 at his home at the age of 70 years.

A charter member of the University Press club and a former member of the Michigan Press Association, Mr. Brown had retired from active newspaper interest eight years ago. During his newspaper career, Mr. Brown had owned 17 papers, buying them to put them on a money-making basis then reselling them. In this way, Mr. Brown gave many a young Michigan editor his start in country journalism.

Besides The Northville Record, Mr. Brown had owned or had a partnership in the Washenaw Post Tribune, the Chelsea Standard, the Grass Lake News, the Dundee Reporter and papers at Flushing, Otsego, Whitehall, Montague, Allegan, Ludington, Morenci, Alma, Richmond, Plainwell, Farmington and Hollywood, California.

—Baseball fans who gathered Friday evening, March 24 in the Village Hall to get the season underway, named Dave Hay to the managership post of the Northville team. He succeeds Orsen Atchison and Ivan Gray, 1938 manager, who refused to accept the responsibility another year.

—Discussion of the proposed site for the Northville post office arose when President Harry Lord, Exchange Club, disclosed that officers of the club had written a letter to government officials asking reconsideration of the matter and urging another site be chosen.

PROCLAMATION

WHEREAS The four professions having to do with financial planning — lawyers, certified public accountants, bankers, and insurance men have united to institute a public service program to call attention to the need for adequate financial planning, and

WHEREAS The Mayor and the Common Council of the City of Northville wish to call to the attention of the citizens of Northville the importance of every man having a plan for his family's financial security and for his own eventual retirement, and

WHEREAS They recognize the hardship which may result to families from poorly conceived or inadequate insurance programs, outdated wills or wills not made, faulty tax planning, or even through a mistaken notion of a family's net worth...

WE OF THE Northville City Council do declare April, 1964 to be FAMILY AFFAIRS MONTH and urge all civic minded organizations to cooperate in this effort.

Signed and Sealed
the 19th day of March, 1964

Receives Diploma At Michigan State

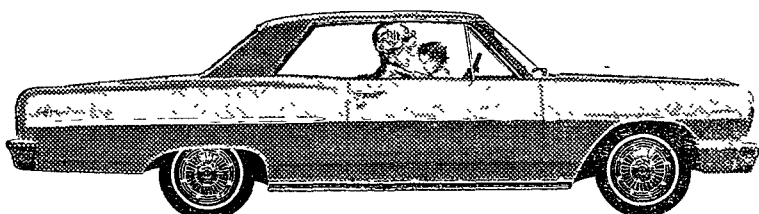

Mrs. Carol Krezel Keller, daughter of Mr. and Mrs. John Krezel of 22000 Meadowbrook road, has received her BA degree in education from Michigan State University.

While attending the university, Mrs. Keller was affiliated with Delta Psi Kappa, physical education academic honorary.

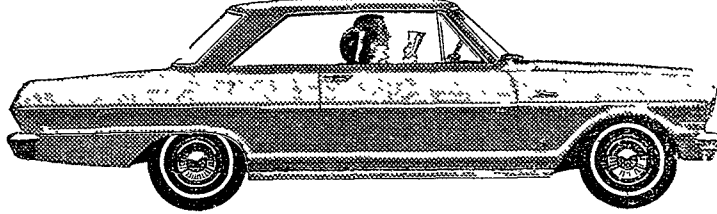

The former Carol Krezel is a 1960 graduate of Northville high school. She will begin her teaching career in Lansing following Easter.

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be.

So now you have the Jet-smooth Chevelle—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price.

Or you can choose the thrifty Chevy II, a 15¼-foot family car with all kinds of passenger and luggage space.

This year, your choice might be the new 16-foot-plus Chevelle, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over).

Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to.

The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of cars at your Chevrolet dealer's.

SPEAKING for The Record

By BILL SLIGER

Your minister, or a Northville Rotarian, will ask you to share your home with a foreign exchange student for one evening this summer.

It may be the last night this youngster will ever spend in an American home. It will mark the end of a year in the United States for some 300 youths from 13 different foreign countries who have been staying with "foster parents" in Michigan, Indiana and Ohio.

The future of the "Youth for Understanding Teen-Age Exchange Program" sponsored by the Michigan and Ann Arbor-Washtenaw Council of Churches has been a project of the Northville Rotary club for nearly a decade.

This year it will branch out into a full-fledged community affair that should attract wide-spread attention.

The visiting youngsters will gather in Northville on Saturday, July 25 and leave the next afternoon for a brief visit to the World's Fair before boarding a homebound ship.

In the past Rotary has hosted all the visiting exchange students at either the First Presbyterian church or the Wayne County Training School grounds. The project has grown from a handful of students and their foster parents to an anticipated gathering of more than 300 youngsters plus some 1,000 foster parents and families.

This year Rotary hopes to "show off" Northville's facilities, people and homes.

The dinner will be held for the students and their American families behind the high school. Following this program and the sad farewells, Rotary will turn the youngsters over to local citizens who will serve as their "overnight parents" and take part in an "international week end."

An appeal to local ministers to encourage their parishioners to provide homes for the visiting youths was quickly accepted.

And on Sunday, July 26 Northville's five churches will pay tribute to our young visitors and the "Youth for Understanding" program with special services.

Rotary hopes to make their "farewell to America" a memorial one for these foreign students. They'll need your help. So remember July 25-26.

If such things as "good citizen" awards were given to residents for bearing up under the extreme discomfort of mud, trenches, blocked roads and a variety of machines in their front yards, then gold engraved plaques would be due on River street and Baseline road.

Installation of a sewer line to state of Novi has kept River street residents in a state of disruption for several weeks. Water conditions under the road have delayed this project.

The city of Detroit water line has been installed along Baseline east from Detroit street and will soon be connected to the Detroit system along Eight Mile road.

Ironically, neither of the projects immediately helps the abutting property owners. But one of the understanding residents shrugged it off with the remark, "that's the price of progress".

Fall Primary Date Uncertain

LANSING — Delay of the fall election grows as a possibility almost daily in Michigan, and the prospect for ballot-box chaos is expanding.

Still a big question mark are two major groups of offices. Both the legislative and Congressional districting matters are tied up in courts in the state, with everyone apparently waiting for some word from higher authority.

The legislative apportionment matter went to the State Supreme Court in early February. Court members say they will wait for clarification of judicial policy on representative government from the U.S. Supreme Court.

Congressional guidelines drawn last year by the Legislature are also being challenged.

The Legislature has ready alternative plans to avoid last-minute problems in both areas of the election, but it too wants to wait.

Election officials at the state and local levels have given more than ample warning of the effect of recurring delay. Any primary set for later than early September could mean some areas could not have the election machinery ready for the November vote.

At best, decisions will be reached to enable setting a September 8 primary and the normal. Even at this, the prospective candidates and voters will have a difficult time getting acquainted to assure responsible decisions.

At worst, however, Michigan's three or four million voters could be asked to elect 148 legislators and 19 Congressional members from a rotating bedsheet ballot which could provide on-

ly the assurance that the men with the best names would win.

Variety is the spice of life, it is said, and the Michigan Commission on Aging has run the gamut of variety within the past two years.

Within this period, the Commission has been served with the extremes. Gary D. Hansen was a very young man who specialized in studies dealing with the aged. He resigned recently as Commission Director to head the Institute of Gerontology at an Oregon college.

Replacing him, the Commission went to the other end of the age scale to appoint a man who is in the age group with which the Commission is concerned.

A retiree from the industrial relations-personnel field, Harry J. Kelley is 72 years old. He retired just three years ago.

Like Hansen, the new director has been working in the field. He has been chairman of the Grand Rapids-Kent County Coordinating Council on Aging and has also served as president of the Michigan Society of Gerontology.

Commission Chairman John B. Martin has described Kelley as "one of the best informed men in the state on the problems of aging." One thing for sure is that Kelley fulfills the Commission's strong belief that senior citizens themselves probably are their own qualified to serve in their own field.

The state park at Holland continues to be the biggest drawing card for spending tourists in Michigan, latest reports from the Conservation Department confirm.

During 1963, the Department studies showed Holland State Park again ranked first among the 65 parks and recreation

areas in both total permit receipts and in spending.

This past year, however, Grand Haven State Park was the attendance pace-setter with nearly 1.1 million visitors. Holland State Park ranked second in this popularity yardstick.

Visitors spent a total of more than \$33 million in Michigan last year for gasoline, groceries and similar items outside of the revenue involved in concession sales and camping and vehicle permit purchases.

The Department reports indicate the expenditures came from nearly 13.5 million day-time park users and a record 210 camping groups.

Roger Babson

Don't Overlook Telephone Stock

BABSON PARK, Mass. — Many investment advisers complain because the portfolios of investors, especially women, have so much telephone stock. At the present time there are only two large telephone companies, — American Telephone & Telegraph Co. with its manufacturing subsidiary Western Electric, and General Telephone & Electronics Corp. with its progressive subsidiary Sylva Electric. But readers must not think these two control the entire telephone industry of the United States. There are seven different telephone companies in Florida alone, and several thousand "independents" in the entire United States.

Many things are being developed for ease and convenience in using the telephone.

For instance, there is the newly introduced Rapidialer. This works somewhat as follows: The Rapidialer enables a telephone user to record on a revolving magnetic tape over two hundred and fifty phone numbers (including long-distance numbers frequently called). I understand this represents the different stations the average person calls. Telephone numbers can be added or erased in a matter of seconds. This is a time saver, making references to the directory less necessary.

I have already referred to my friend "Jay" Freke-Hayes of Babson Park, Florida — father of the telephone answering service. This device enables a doctor, lawyer, salesman, etc., to receive calls when he is away from the office through a small machine which he can carry in his pocket.

Many other developments are on the drawing boards and in the laboratories. This leads me to believe that women who are buying telephone stock may be showing more sense than the investment advisers who claim they have too much. As long as the Federal Government does not take over such companies, their efficiency and earnings should continue to improve.

The telephone industry will gradually profit from the use of computers. When I am asked what will be the next big industry, I suggest that the computer industry should lead the list. Among companies now in the forefront of this field are International Business Machines, Minneapolis-Honeywell, R.C.A., Sperry-Rand, and Control Data Corp.

Do not write me asking which of the five is the best bet. Nobody knows. You might put an equal amount of money into each of these five.

I am told that one of the newer models now being offered works 30% faster than the one presently in use. The computer manufacturers claim that in one second their new machines can do 357,000 additions and subtractions, 178,500 multiplications, or 102,000 divisions.

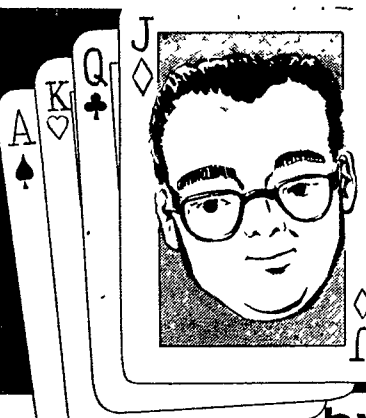

One of my M.I.T. friends, Professor Charles Townes, is a pioneer in this field. Laser Technology endeavors to harness light and sound waves and concentrate these into "coherent" beams. The greatest immediate probable application lies in communications. A laser beam can be the carrier of millions of telephone messages all at once. Or, it can transmit simultaneously many different TV programs, instead of requiring a single carrier for each program.

Laser technology may become very valuable for space communications and distance measuring. These powerful beams can also be used for cutting, such as in surgery, industrial cutting, welding, etc. Laser technology is definitely forging ahead.

Let me close by summarizing a recent talk at Tampa, Florida, by Dr. George L. Haller, vice president of General Electric.

"The primary human need for the next 20 years will be for machines to help us organize and handle great quantities of information without being swamped by it. We will need machines and systems to help us think, to solve problems, to store information in small space."

Dr. Haller also added that the machines will help retrieve any particular information. "Home computers" would keep track of everything — grocery lists, appointments, a grocery list, etc. They would take care of your finances, bank balances, even pay household bills!

David Laidlaw
Park Manager,
Kensington Metropolitan

Dear Mr. Laidlaw:

At a recent meeting of the Underwater Equality Commission, our officers unanimously agreed to floor a grievance at your doorstep in hopes of winning some kind of redress for two of our greatest boosters.

But before I get on with the particulars, let me emphasize that although our membership is dedicated to the principle of swallowing pride, if need be, to ensure the continuous success of Kensington, the long winter vacation has left the members restless and anxious for combat. Talk of strikes and boycotts is increasing menacingly. So it is essential that you consider this petition.

Some time ago, the townships that have jurisdiction over these waters each passed ordinances to control and regulate boating on Kent Lake. Needless to say, we were pleased with these actions since we have often been plagued by reckless and irresponsible boaters and had ourselves considered taking some corrective steps.

Recently, however, we learned that a clause in these ordinances, which prohibits floating devices from the lake except in areas where swimming is permitted, may adversely affect the two previously mentioned boosters. It is to this clause, as it affects these two gentlemen anglers, that we wish to address our arguments.

As you may be aware, Messrs. Frank "This Big" Kochalko and Jack "Got Away" Hoffman, who admittedly are the best fishermen in this vicinity not accepting Messrs. Gerald Hartman and Charles Freydl Jr., surprised and amazed the angling world with the introduction to these parts of a mobile fishing platform.

Suffice it to say that this amazing platform, which looks like a large rubber doughnut, does indeed float on the water — much the same way that do motorboats, sailboats, and your own popular craft, The Island Queen. What then distinguishes the platform from con-

ventional boats permitted to ply these waters?

Conventional boats, you argue, are propelled by either motors or by oars. And to that we are compelled to point out that the platform too is propelled — propelled by the legs and feet of its occupant. What difference, we ask, is there in propelling a craft by one's legs and feet and he who propels his rowboat by arms and hands?

But these arguments are petty when one weighs the real issues at stake. Consider the value, sir, of the vociferous words and terms used by these two in describing the size and numbers of the "big ones that got away". Their descriptions are said to excite the innate fibers of even the most indifferent indoorsman.

Are you to dash asunder this free publicity and endanger the success of the upcoming season?

Consider too, sir, our position in this matter. We have not had such good fun and entertainment since Calvin Coolidge, in full regalia, angled streams and lakes. Would you deny us this privilege?

Hopefully, we remain —
Very truly yours,
L. S. Black Bass,
Secretary,

Business Briefs

Mrs. Emily R. Johnson of 22045 Novi road, Northville, is the author of an original short story appearing in the April issue of Jack and Jill.

Mrs. Johnson is now writing but tells Jack and Jill editors she has always been interested in "the magic of words." Since she has worked as camp counselor, teacher and tutor, the main focus of her writing interest is toward the 8-to-12 year old group. She is also interested in teen-age fiction, and is currently trying a variety of fiction forms.

Mrs. Johnson is married to a doctor and is the mother of two children. She was raised in Evanston, Illinois, and spent

her junior year at college in Beirut, Lebanon, after which she was graduated from Wooster College in Ohio. She did graduate work in education at the National College of Education in Evanston and then taught elementary grades. In her story for Jack and Jill, a Curtis publication, Mrs. Johnson tells of Carter and Lundy, two neighbors who find delight in helping an elderly friend.

Calvin Thomas, 15485 Marilyn in Northville township, is now operating his own appliance service business. He was formerly associated with the Plymouth Washer Service.

**Mrs. Beaumont
has two lunch hours**

Yours and hers. Because many people bank from 12:00 to 2:00, Mrs. Beaumont spends your lunch hour on the job — takes her earlier. She and other members of the staff at Manufacturers Bank rotate their hours so that you will receive prompt, courteous service whether you bank in the morning, noon, or afternoon. Whatever your banking needs, you can count on the kind of service that makes people pleased to say, "Manufacturers, that's my bank." Make it yours.

AUTHORIZED DEALERS CHRYSLER MOTORS CORPORATION

GIB BERGSTROM, INC. 200 South Main Street

You are protected with a warranty that's as big and solid as the Chryslers we sell. You can own a Chrysler for 5 years or drive it for 50,000 miles — you're protected all the way. That's over twice what you get on other cars. No worries about major repair jobs on the vital moving parts of your Chrysler. If anything does go wrong (and we don't think it will), the warranty pays for the labor. Pays for the parts. Best protection your new car investment ever had. Stop in. (Our big car deals are as big as the warranty.)
