IF IT'S NEWS... AND IT HAPPENS IN NORTHVILLE... YOU CAN READ IT IN THE RECORD
Vol. 93, No. 51, 14 Pages, Two Sections Northville, Michigan, Thursday, April 30, 1964 10c Per Copy, \$4.00 Per Year in Advance

POWER FAILURE — Electrical power to four communities was momentarily interrupted Thursday afternoon when a car smashed into this utility pole on the west side of Novi road, one-half mile south of Nine Mile road. Two boys were seriously injured in the wreck and the adult driver of the second vehicle suffered minor injuries. Two of the broken wires (see arrows) hang close to the cars. Had one of the high-voltage lines touched the vehicles the occupants might have been electrocuted.

Power Cut in 4 Communities

Car Rocks Utility Pole; 2 Boys Hurt Seriously

Two high school students were seriously injured Thursday afternoon in a spectacular crash that momentarily resulted in loss of electricity in the communities of Northville, Novi, Wixom and Farmington township.

Hospitalized at St. Mary hospital where they are reported in "improved" condition are Jerry Killen of 26399 Beck road, driver, and Kenneth Little of 24301 Novi road.

The Killen boy reportedly suffered serious hip injuries and serious facial cuts, while his companion suffered skull and nose fractures and serious facial cuts.

Leo Bezzerko, 37 of 9669 Manor, Allen Park, driver of a second automobile involved in the accident, suffered minor

arm and head injuries. He was not hospitalized.

Although the boys were seriously injured, Novi police said they narrowly escaped even more serious injuries — possibly death when their car clipped the second vehicle, careened into a ditch and smashed head-on into a utility pole on Novi road, about a quarter-mile north of the city limits.

The impact snapped two low-voltage lines that came to rest on top of their car. A 4800-volt line also snapped but fell to the ground several feet from the two vehicles starting a small grass fire.

Had either the 4800 line or the 40,000-volt primary line atop the pole snapped and fallen on the cars the boys and Bezzerko might have been electrocuted, Detroit Edison workmen told police.

Using sticks and boards to remove the low-voltage lines, Novi police had to pry open the car door to remove the

boys. One of the youths was pinned beneath the dash up against the engine fire-wall.

Because of the broken power lines, which momentarily cut off power to the four communities, and because police feared the high tension primary line might fall, the wreckers were parked on the opposite side of the road until after Detroit Edison workmen arrived on the scene.

Passing motorists, who stopped near the scene, caused some alarm when they approached the utility pole and the fallen power lines. Police had to warn them and ask them to move.

Patrolman Richard Faulkner of the Novi police department said investigation of the accident is continuing. He indicated that Bezzerko apparently was making an improper left-hand turn at the time of the accident.

Statements from several witnesses, from the boys and from Bezzerko have been taken. Bezzerko, who was unfamiliar to the area, was looking for a residence on Novi road. Witnesses said he pulled partially off to the right-hand side of the road, stopped and motioned one motorist to pass him.

Killen apparently followed the passing motorist as Bezzerko began his left-turn into a driveway. In an effort to avoid the collision, the boy turned his car towards the ditch, struck the vehicle a glancing blow and rammed into the pole.

The driver's side of Bezzerko's car was badly damaged as was the front and side of the boy's car.

The boys, traveling north on Novi road, were on their way home after leaving Northville high school shortly before 3 p.m.

Immediate response by Detroit Edison workmen to a call for repairs helped prevent any major electrical disaster, police said. Edison workmen were at the scene until nearly midnight before all lines were repaired.

Because the collision also disrupted telephone service, motorists alerted police by driving to the police departments in Novi and in Northville.

County to Change Novi Road Curve

But North-South Traffic Unsolved

Local efforts to correct Northville's traffic head-ache revolving around the Novi road entrance into the city at the Eight Mile road by-pass and north-south flow on Center street have had some response.

Mayor A. M. Allen has urged the school board, township, planning commission and interested individuals to write the road commissions of both Wayne and Oakland county for action.

Monday night Superintendent of Schools R. H. Amerman revealed he had received a reply from Wayne county which points to "several pending improvements".

The letter, signed by Oscar Gunderson, assistant county highway engineer, indicates a group of modifications to the by-pass which include: a new intersection immediately east of Novi road; an increased radius of the Novi road curve; a better connection with old Base Line road at the east end of the relocation.

Gunderson said these plans are being developed by the Oakland county road commission for 1964 construction.

The Wayne county engineer said that a survey for right-of-way acquisition on Beck road is currently being made and that Beck will be paved all the way south to I-94, the Willow Run Freeway.

He also pointed to a new I-275 highway from I-96 south to I-75 in Monroe county, which will be just east of Haggerty road. Haggerty road improvements from Base Line south to Plymouth road are also under consideration with the first work scheduled between Six and Seven Mile road, Gunderson added.

He concluded that this would help Northville's north-south traffic problem.

Mayor Allen stated Monday night that these north-south roads (Beck and Haggerty) would "provide very little relief locally". It has been suggested, too, that both projects are "years away".

Meanwhile, the school board is also interested in a traffic signal at North Center and the by-pass. The counties are studying the problem, but can't agree on what type signal or sign should be installed.

For School Board

Kipfer to Run, Johnson Out

Two of the three school board members whose terms expire this June have decided whether or not to run for re-election. The third isn't certain.

James Kipfer, board vice president now completing a four-year term, has announced that he will be a candidate on June 8.

Dr. Waldo Johnson, who serves as board treasurer and is completing his second term in office, will not run for re-election.

William Templeton, who was appointed last June to serve the third year of the four-year term of Donald Lawrence after the latter moved from the district, is undecided.

The three openings on the board include two terms of four-years each and a third term of one year. Candidates must declare whether they are running for one of the four-year terms, or for the fourth year of the term originally held by Lawrence.

Nominating petitions for the school board election must be filed not later than 4 p.m. Saturday, May 9.

Petitions are now available at board offices in the Main street school. Each petition must contain at least 50 signatures of registered school electors of the Northville district.

Superintendent of Schools R. H. Amerman announced that application forms for absentee ballots are now available for qualified electors who expect to be out of town election day. They may be secured at the board offices.

Non-registered voters have until 5 p.m. Monday, May 11 to register at the office of their respective clerks — city or township.

King also announced the following itinerary for Exchange Day:

At 9:30 a.m., a Michigan Week committee will meet the Schoolcraft visitors at Allen Drive and the Northville city limits.

Fifteen minutes later the caravan of cars carrying city officials and visiting dignitaries will meet the Northville high school band at Center and the school drive, then proceed south to Main and then west on Main to the city hall.

A flag-raising ceremony is scheduled to take place at 10 a.m. The Rev. S. D. Kinde, pastor of the First Methodist (Continued on Page 8)

Continental to Close Novi Governor Plant

School Eyes Group For Overall Planning

Northville's board of education took the first step Monday in launching a planning program to facilitate a more complete early appraisal of problems that will confront the school district in future years.

Agreeing with fellow board members that some kind of positive planning concept is a real necessity, President William Crump appointed himself, two other board members and Superintendent Russell Amerman to serve on a committee for the purpose of devising a planning program for consideration by the whole board.

Besides Crump, the two other board members on the committee are William Templeton and W. C. Becker.

The suggestion that some systematic planning program be considered for adoption was first brought to the board table by Crump and Templeton six weeks ago.

Specifically, the planning program, if it becomes a reality, probably would deal with immediate planning, planning for up to five years in the future, and long-range planning beyond the first five years.

The newly appointed committee is charged with studying and recommending planning time periods, tasks to be performed, committee composition, depth of planning and other areas directly related to a planning program.

While discussing various types of committees which might be part of a planning program, Templeton emphasized that citizen participation is important. Committees should not be composed only of board members and administrators, he said.

Although discussion of a planning program occupied much of the board's time Monday, members discussed and took

action in several other areas of school business.

One of these concerned the recently completed transportation report by a special citizens committee headed by E. O. Weber. The board officially accepted and approved the recommendations contained in the report except for that portion calling for a shuttle-bus service within the city for parochial school children.

Because next fall the Northville public school system must, under the law, transport parochial school children the transportation committee had recommended that those parochial school children who cannot be dropped off at their

Turnbulls Sell Out

A Northville business which has been in the same family since 1917 will change ownership this week.

Northville Electric Shop, started by C. B. Turnbull as an electrical wiring business, 47 years ago, will be owned and operated by Mr. and Mrs. Calvin Thomas, 15485 Marilyn, beginning Friday.

The sale of the appliance and service business was announced by Mrs. C. B. Turnbull and Mr. and Mrs. Bruce Turnbull. C. B. Turnbull died two years ago.

The business was first located on the north side of Main street between Center and Wing in a building since destroyed. In 1933 it was moved to its present location, 153 East Main. Turnbull's son, Bruce, entered the business in 1945.

The new owners stated that it will continue under the same name and operate as an appliance sales and service store. The building, which also contains Del's Shoes, is owned by Mrs. C. B. Turnbull.

schools on the way into Northville be assembled at Main street for shuttling to school.

Board members decided it would be unwise to make a definite policy on this matter until after the school has had ample time for study and experimentation.

Contracts for eight new teachers were approved and signed by the board. They are: Mary M. Root of the University of Michigan, who will teach in the junior high school; Mrs. Barbara S. Ratford and Susan Taylor of Eastern Michigan university, and Carol Arnold, and Joe Ann Kolbfeish of Western Michigan, who will teach elementary grades; Rosanne Williams of U-M, who will become a speech correctionist; and Mrs. Linda Heller and Constantine Souonis of U-M, who will teach in the high school.

According to Dr. Kenneth MacLeod, assistant school superintendent, five elementary teachers are leaving the system, three new ones have been hired, and three more are needed; five high school teachers are leaving, three have been hired and two more are needed; and three of the four vacancies in the junior high school remain to be filled.

MacLeod reported that numerous teaching prospects have been interviewed in colleges and universities, that more than ever seem interested in joining the Northville system (probably, he said, because of the new salary schedule), and that several prospects are currently being considered for contracts.

Board members learned from Superintendent Amerman that city and township officials are drafting a contract for leasing the old library building to the school district. He reported that the school probably will be required only to pay insurance and maintenance costs.

(Continued on Page 8)

Continental Motors corporation, one of Novi's biggest employers, will close its Novi road plant soon. Unsubstantiated reports of the closing were confirmed Tuesday by Andrew Ureel, plant manager.

In a statement to this newspaper, Ureel disclosed that changes in the total corporate combine of Continental along with change and reorganization of the firm's business, accounts for the decision to close the Novi plant.

Ureel said he anticipates that "substantially all if not all" of the firm's 110 employees here will be transferred to other Continental facilities if they choose to do so.

He indicated that negotiation with union locals here and at other Continental facilities are underway in an attempt to win acceptance of local employees in other Continental plants.

Although the plant manager stated the Novi plant definitely will be closed, he was unable to give a date of the closure. "It will be some while before we're actually out of business here."

No announcement has been made of any sale or impending sale of the Novi plant and facilities.

Continental purchased the Novi plant, formerly the Novi Equipment Corporation, in July of 1959 from Lewis Welch, the colorful racing enthusiast who developed the racing cars called the "Novi Specials".

Continental, which makes governors in Novi, is the largest manufacturer of aircraft engines. It has five plants in Michigan. Other activities of the corporation have included manufacture of Checker cab engines, Cessna and Beech aircraft, Massey-Ferguson Farm tractor engines, Clark Equipment and Two-Motor lift motors and industrial truck motors.

Novi Equipment corporation was organized in 1935 and built its plant in Novi in 1936. The firm had its biggest contract with Ford Motor company as supplier of automotive heaters.

During World War II the firm made governors for tank engines, incendiary bomb casings, and connection links for tank treads.

Service Reduced By Post Office

Northville Postmaster Leland V. Smith announced changes in postal service this week that will take effect May 4.

The adjustments come as a result of an announcement by Postmaster General John A. Gronouski of an economy program aimed at saving some \$12.7 million.

Service changes planned locally include the following, Postmaster Smith said:

1 — Parcel Post Deliveries will be delivered on a five day basis.

The South part of the city will be delivered on Wednesday and receive no delivery on Thursday. The North part of the City will receive no delivery on Wednesday but will be delivered on Thursday. On the remaining days of the week all sections of the city will be covered. This will not effect

Rural Routes or Mounted Routes.

All first class parcels, air parcel post and perishable articles will continue to be delivered every day.

2 — Window Service on Saturday.

The Northville post office will have only one window open on Saturday to conduct business. No money orders will be issued nor will the Rural Carriers accept money order applications. All postal savings business will be suspended on Saturday.

Postmaster Smith urges all patrons to transact as much of their business on week days as possible. He also emphasized that no essential major services are affected under the orders. There will be no change in home delivery or special delivery, for example. Regular business mail deliveries will continue as usual. Letters and other first-class mail will be handled with the same priority as ever.

Free Ads Offered High School Job Hunters

Attention high school students: looking for a summer job?

What about local retailers, industrialists and professional men? Do you need an extra hand during the summer vacation months? We suggest you let our want ads solve your problem.

Here's what we propose: To any Northville high school student seeking summer employment, or a graduating senior looking for full time work locally, free use

of the Record-News want ad columns will be offered during the month of May.

Students may place 15-word "situation wanted" ads in any or all of the four editions of May free of charge.

An example of typical advertisements might be: 16-year-old girl wants baby-sitting jobs, day or evening, FI 0-0000; or 17-year-old boy wants gardening or lawn-mowing jobs during summer, FI 0-0000.

Place your ads as early as possible. Tuesday noon

is the weekly deadline. Have your copy in mind and either call FI 9-1700 and identify yourself as a high school student wishing to take advantage of our free offer, or come to the office in person.

We hope prospective employers will watch our "situation wanted" column especially during May and help a local youngster find a job.

The Record would also be interested in results. If you land a job, let us know.

Lions Club Seeks Funds For Blind

Members of the Plymouth Lions Club will be on the streets of Northville and Plymouth tomorrow and Saturday as part of their annual campaign for financial assistance to the blind, sick, underprivileged, scouting and many various other projects.

At Evans Products

Expansion Means 200 New Jobs

Evans Products company of Plymouth has announced a major expansion program to begin immediately at its main transportation equipment manufacturing plant on Eckles road. Cost of the program was estimated at \$1.5 million.

The company's board of directors also declared a quarterly cash dividend of 10 cents per share payable May 25 to stockholders of record May 14.

The new program, scheduled for completion this fall, will add 60,000 square feet of new plant to the 500,000 already in operation on Evans' 115-acre Plymouth tract. It will also include rearrangement of existing facilities to handle greater volume of present product lines and newly developed damage prevention devices.

The announcement indicated that the expansion will provide as many as 200 new jobs. Evans now employs 875, including many residents of the Northville area.

will accommodate manufacture of Evans' DFC coil car and other specialty railway cars utilizing Evans devices, James J. Conway, vice president, stated. In addition, car repairs and car renovation and conversion work will be programmed at the new facility. Although it is the leading designer and manufacturer of specialized railroad damage prevention equipment, the company has not previously manufactured complete specialty cars employing its own equipment.

Enthusiastic school board members Monday night decided to arrange a meeting with Congresswoman Martha Griffiths in hopes of acquiring the Northville Fish Hatchery property for a school site.

However, in setting up such a meeting the board emphasized that the school should

Conway noted. Concurrently, it was announced that 200 of the new DFC coil cars have been ordered by the C&O-B&O railroad for delivery in the fourth quarter of this year.

Conway said the expansion project will enable its Transportation Equipment Division to keep pace with current industry growth, to maintain its present position of leadership damage-prevention field, and to capitalize on trends such as demands for special cars and

joining with the city and township in a cooperative move to acquire the property. City and township officials are to be invited to join with the school in meeting with the 17th District Congresswoman. No date has been set for the meeting.

For the Record's opinion, see "Speaking for The Record", back page.

Conway said additional sales volume of \$10,000,000 or more annually could result during the initial stages from the expansion (Evans sales in 1963 totaled \$146,136,000 compared to \$117,392,000 in the preceding year.)

Evans DFC coil steel car, one of the special device cars which will be manufactured in the new facility, was first introduced by the Division at the American Railway Progress Exposition in Chicago last October. A prototype of the car, the first ever built from the rails up expressly for safe shipment of coiled steel, has been carrying test loads in actual service between steel producers and large users of coiled steel. Reaction from railroads and shippers has been excellent, Conway added.

NEW PRESIDENT — Susan Entz, daughter of Mr. and Mrs. Eugene E. Entz, 20300 Beck Road, is the new president of the Plymouth Corners Society of The Children of the American Revolution. (CAR). She was elected recently at the annual meeting at the home of Frank and Rick Martin.

News Around Northville

Whipple Estates property owners association held their annual meeting Sunday, April 26 at the home of Richard Martin on Whipple Drive. The following officers were elected: president, Robert Matthews, vice president, Robert Bogart, secretary and treasurer, Mrs. Dayton Deal.

Mr. and Mrs. Glenn H. Cummings of West Six Mile road returned home Monday after a months combined vacation and business trip to Southern California and west coast to Washington.

An open house for friends and relatives is planned for 2 to 5 p.m. Sunday to honor Mr. and Mrs. Blaine D. Hicks, 10336 West Seven Mile road, upon their 25th wedding anniversary. Hostesses will be the Hicks' children, Mr. and Mrs. Stanley Hicks, Mr. and Mrs. Jerrie Jarvis, Sue and Frank Hicks.

Mr. and Mrs. John T. Meier of 30276 Haggerty, Novi, will join other members of the Michigan Bar association on the second annual trip to Europe tomorrow. The attorneys and judges of Michigan will be gone for 23 days.

Deborah Hines, daughter of Mr. and Mrs. C. Phelps Hines of 407 Ely drive, will be modeling clothes Saturday in a show at the Deb Shop in Northland shopping center beginning at 1:30 p.m. Deborah is a junior at Northville high school.

Michael L. Heslip, son of Mr. and Mrs. Arthur Heslip, 42680 Nine Mile road, has been named to the third quarter honor roll at St. Benedict's college in Atchison, Kansas.

Vera Toll of Fairbrook, Northville, returned home Sunday, April 19 after spending more than a month in Florida visiting friends and relatives.

Eva Marie Shafer, daughter of Mr. and Mrs. Harry Shafer of Eau Gallie, Florida, formerly of Northville, received her bachelor of science degree in biology and chemistry from the University of Florida on April 19. Eva is the granddaughter of Mrs. Elsie Shafer of Linden street, Northville.

Mrs. William Gaab of 450 East Main street has been notified that she scored the highest grade in a class of more than 2,000 persons who took a licensed practical nurse (LPN) test at Lansing. Mrs. Gaab studied nursing at the Shipro Nursing School, and she is now nursing at Siani Hospital.

Mothers Set For Nursery Final Meet

"Bring Your Pencils" is the instruction Northville Cooperative Playschool mothers are getting for their final meeting of the school year to be held at 8 p.m. Monday at the home of Mrs. Stan Schaefer, 47000 Six Mile road.

Teachers Mrs. Francis Gazlay and Mrs. Glenn Deibert are preparing questionnaires evaluating the year's program — the first in the new Scout and Recreation building.

Co-hostesses are Mrs. John Heckerl and Mrs. Donald Wright. In busy Northville there's bound to be a conflict almost any night, and this meeting is the same evening as kindergarten registration night for parents of children who will be entering public school in the fall. Mrs. Richard Huston, playschool president, asks that mothers just come late to playschool meeting.

Women Hear Missionary

The next meeting of the Wesleyan Service Guild of the First Methodist Church of Northville will be held on Tuesday, May 5.

Scheduled to get underway at 8 p.m., the meeting will be held at the home of Mrs. Bert Moshmer, 355 Baseline. Co-hostess will be Miss Betty Leavitt.

Last Saturday six members of the Guild attended a conference meeting in Detroit. A lecture was delivered by a missionary from Korea.

The six women were Mrs. Rachel Hinman, Mrs. Lela Pelley, Mrs. Arlie Thomas, Mrs. Louise Older, Miss Grace Pollock, and Mrs. John Lahr.

Presbyterians Host WSCS

The Presbyterian Women's Association will entertain women of the First Methodist church of Northville (WSCS) tomorrow afternoon at the home of Rev. and Mrs. Lloyd G. Brasure.

Scheduled to get underway at 1:30 p.m., the program is part of May Fellowship Day on May 1.

Births

A daughter, Jeanne Ann, was born to Mr. and Mrs. Warren A. Stoddard, 503 Maplewood, Sunday, April 19 at Northwest Grace hospital, Detroit. She weighed eight pounds at birth. The Stoddards have three other children, Joyce, 16, Robby, 11 and Jimmy, 2. Grandparents are Mr. and Mrs. R. E. Stoddard of Portland, Maine, and Mrs. Ellen Patton of Asheville, North Carolina.

Mr. and Mrs. Ronald J. Doyle of Main street, Northville, are proud to announce the birth of their first child, a baby girl born April 10 at Garden City Osteopathic Hospital.

The baby, named Rhonda Jean, weighed 8 pounds, 7 ounces at birth.

Grandparents are Mr. and Mrs. James Lee of Northville and Mr. and Mrs. B. Doyle of Farmington.

Enjoying a brief respite after moving into their beautiful new split-level home in Echo Valley estates in Novi are Mr. and Mrs. Robert Wilczewski. It's a particularly joyous "time-out", since the house at 23900 Lynwood drive into which they moved has occupied a good deal of the young couple's time and certainly it has drained some of their energy.

Book Sale Ready to Go

All readers, book-lovers, browsers and bookworms have been invited to the annual used book sale to be held April 30-May 2 in the Plymouth A & P Store.

The sale is sponsored by the Plymouth branch of the American Association of University Women, and all profits are used for AAUW Fellowships.

Mrs. William Birge and Mrs. John Moehle are co-chairmen. They have announced that fresh books will be brought each day of the sale to insure a good selection on hand from 9 a.m. to 9 p.m. to help customers dig out their favorites. Novels, histories, textbooks, foreign language books, biographies, children's books, pocketbooks, magazines and old or unusual books will be available.

Prices range from 5 cents to 75 cents, with some sets or valuable books a bit higher. Donations of old books will also be accepted any time, so this is a good chance to clean out the bookcase and refill it with something new. Browsing is fun and the reading afterward will be even better — and all proceeds go to help deserving women in graduate studies.

Save for masonry work and some other odd jobs, the brick home was built by Mr. Wilczewski himself. Of course, Lois Wilczewski pitched in and helped too.

Although the big building job — and the exciting but tedious moving task are finished, the Wilczewskis know there's more work to do — like landscaping the picturesque knoll upon which the distinctive new home sits.

Excited about it all and perhaps unaware of his parents' relief is little four-year-old Bryon Hugh, a bundle of activity occupying much of Mrs. Wilczewski's time while her husband is away at work.

The Wilczewskis moved here from Walled Lake where they had lived a short time after moving from Plymouth. Mrs. Wilczewski hails from the Walled Lake area, while her husband is a native of the Plymouth area. They attended schools in their respective home-towns.

"Away at work" for Mr. Wilczewski is the Burroughs Corporation where he is a designer. He has been employed with that firm for the past eight years.

Although the new home has occupied much of his time since construction began last July, he nevertheless manages to occasionally enjoy field sports such as hunting and fishing. And now that much of the "home-work" is out of the way, he's looking forward to trying out the new fishing tackle his wife gave him for his birthday this week. Incidentally, the young man of the family celebrated his birthday only a few days before his father.

While not competing for her busy husband's time, Mrs. Wilczewski goes about the normal housekeeping activities and enjoying her young son.

In Our Town

By Jean Day

CARDS FOR A CAUSE will be played at the annual benefit card party to be given by Northville State hospital auxiliary at 1 p.m. May 12 in the O. C. gymnasium at the hospital. Dessert and coffee will be served. In conjunction there will be a bake sale and a white elephant table.

Hardworking auxiliary members are going all-out to make this annual spring fund-raising party a success. Door prizes and table favors are planned with members parting with precious stamp books as a donation for these.

During the past year, 133 auxiliary members (they've coined the word "Auxilians" for themselves) have donated 6,081 hours to the hospital in service work and raised \$1,928. This money supplies a patient indigent fund, patient parties and hospital improvements.

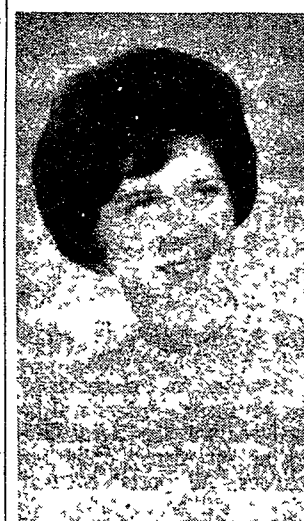

The card party committee headed by Mrs. Charles Ratliff is setting up 60 card tables and invites all women in the area to make up foursomes. Tickets at \$1.25 may be obtained in advance from Mrs. Ratliff, 349-1343, any "Auxilian", or at the door. Mrs. Charles Hoffman is Northville chairman for the white elephant sale. Mrs. Dewey Hornung, auxiliary president, and Mrs. Ernest Wood are collecting stamps and obtaining prizes; Mrs. Crispin Hammond is bake sale chairman.

WORK BEFORE PLAY applies to Northville Swim Clubbers who are going to pitch in and get the pool in readiness for a late-in-May opening at a work party beginning at 1 p.m. Sunday. Members in work clothes are to come with paint brushes, rakes and brooms.

OUT AT MEADOWBROOK country club May 15 will be a party night with PeeWee Hunt's orchestra playing for dancing after the seafood buffet.

THIRTY LUCKY SENIOR citizens from Northville will be going by chartered bus May 6 to Olympia stadium to see the famed White Stallions of Vienna perform. Mrs. H. A. Boyden, club president, announces that arrangements for the outing have been completed with the assistance of Kenneth Conley, Northville recreation director.

Engagements

Sally Fenwick

Mr. and Mrs. Gordon Fenwick of Royal Oak announce the engagement of their daughter, Sally Kathryn, to Donald B. Lawrence Jr., son of Mr. and Mrs. Donald B. Lawrence of 417 Welch, Northville.

The bride-elect, a 1961 graduate of Kimball high school, Royal Oak, is a junior at Michigan State university.

Nyla Waterman

Mrs. Florence Waterman, wife of the late John A. Waterman, announces the engagement of their daughter, Nyla, to John Cirka, Jr., son of Mr. and Mrs. John Cirka of Hazel Park.

An August wedding is planned.

Sets Election

Our Lady's League of Our Lady of Victory will meet Tuesday, May 5 at 8 p.m. in the church hall. Members should try to be present for election of new officers. Refreshments will be served.

GREAT BOOKS — Getting in some homework preparation for yesterday's Junior Great Books program at the community center are the five leaders who will lead Great Book sessions next fall. They are (l-r) Mrs. Tom Johnson, Mrs. Edwin Earehart, Mrs. Paul Dawson, Mrs. Albert Myers and Mrs. James Tellam.

Town Hall To Award \$1,000 Here

Northville Town Hall board of awards committee announced this week that applications for cash awards to individuals and organizations will be accepted until May 30.

Individuals and groups interested are asked to make requests in writing, stating the need, amount and use to which the monies would be put. Such applications should be addressed to Mrs. William Milne, 537 West Dunlap street.

Town Hall Chairman Mrs. H. F. Wagenschutz reports that the awards to be given will be in excess of \$1,000. They will be made to groups or individuals in the four areas served by Northville Town Hall Farmington, Livonia, Northville and Plymouth. This will be the third year they have been given.

Although Northville Town Hall is sponsored by Our Lady of Victory Altar Society, it has become a community project, with outside groups sharing half of its proceeds in this manner.

Last year Northville area awards were made to the Northwest Child Guidance Clinic (\$600) and to King's Daughters (\$100).

'Recovery' Leaders Attend Training Class

Kay Donegan and her assistant, Sandra Wagenschutz, leaders of the Plymouth group of Recovery, Inc., attended a two-day conference in Detroit on Friday and Saturday as part of Mental Health Week activities.

Purpose of the conference, held at St. Matthew's Methodist Church of Detroit, was to provide intensive training for leaders.

ART EXHIBIT — Residents from throughout the area attended a reception Sunday at the Hartley-Powers Gallery where these three artists began an exhibit that will continue until May 9. They are (l-r) Celia Kelly, who will be on the staff of Schoolcraft college teaching art when it opens in the fall; Janka McClatchey, whose ceramics are displayed at the World's Fair and Eileen Anderson, who has exhibited art work in shows and galleries throughout the state.

She's Elected By Sorority

Carolyn Jeanne Langtry has recently been elected membership chairman for the Chi chapter of the Alpha Gamma Delta sorority at Michigan State university.

Miss Langtry is also representing her sorority at the Pan Hellenic council.

Her function as membership chairman is to organize and initiate the rushing programs for the next three terms.

Miss Langtry is a 1961 graduate of Northville high school. She is now in her junior year and majoring in English at Michigan State university. She is the daughter of Mr. and Mrs. Edwin R. Langtry of 712 Thayer Blvd.

Entered in Contest

Patient Posture Strap Designed at State Home

George Andres, director of
adjunctive therapies at Ply-
mouth State Home & Training
School in Northville, has sub-
mitted a strap designed to as-
sist patients exhibiting poor
sitting, balance in straight chairs
and wheelchairs as an en-
try in the 1964 Sixth Search
for New Hospital Achieve-

nts Contest conducted by the
Michigan Hospital association.
The strap adds greatly to the
improvement of patients' sit-
ting posture, comfort and safety.
In addition, it has reduced
the amount of nursing hours
required to observe such pa-
tients by approximately \$700
per year.

The entry from Plymouth

State Home & Training School
will compete in the Annual
Contest to discover methods of
curtailing rising operating costs
for use by all Michigan
hospitals. Prizes totaling \$5,000
will be awarded hospital em-
ployees during the 45th annual
convention of the Michigan Ho-
spital Association at Mackinac
Island, June 14-16, 1964.

Official Minutes of the Northville City Council

The regular meeting of the
Northville City Council was
called to order by Mayor Allen
on Monday, April 6, 8:00 p.m.
at the City Hall.

Present: Allen, Ambler, Can-
terbury, Carlson and Kester.
Absent: None.

The minutes of the previous
meeting were approved.

Moved by Ambler, supported
by Carlson that bills in the
following amounts be paid:

General \$20,042.17
Other Government 232,924.28
Water 2,139.47
City Hall Construction 1,922.28

Unanimously carried.
Communications:

A card of appreciation to
the Northville City Council
from Mrs. Jacqueline Kennedy
was read.

A letter from the American
Cancer Society regarding their
drive during the month of April
was filed.

A request from the Plymouth
Lions' Club to solicit in North-
ville for White Cane Day on
May 1st and 2nd was unanimously
approved.

9-1113. Your call kept confiden-
tial. 26tf

A communication from Hen-
ry Hogan, Jr. regarding the
appointment of a Michigan
Week Chairman brought the
suggestion that Del Black be
asked to be chairman for 1964.

A letter was read from Geor-
ge Zerbal, Planning Commis-
sion Chairman, enclosing a mo-
tion recommending that Coun-
cil re-open with Wayne County
Road Commission, the issue of
a By-Pass road around North-
ville to handle North and

South traffic now using Center
street and Novi road. Mayor
Allen suggested writing to
Wayne County regarding a joint
meeting with them. Mr. Can-
terbury suggested that groups,
clubs and individuals write to
them regarding this situation.

Petitions might also be used.
A letter from R. D. Merriam,
Northville Township Supervisor,
regarding the Wayne Coun-
ty Library was held for consid-
eration later during the meet-
ing.

Instructions from Mr. Wil-
liam Seibert, Director of Wayne
County Civil Defense, describ-
ing the siren-testing to be used
beginning not later than April
20, 1964, was read. These in-
structions are to appear in the
local paper and possibly could
be distributed through the
schools. Mr. William Crump,
School Board member, asked
for a copy of this letter. The
City Manager is to arrange for
the signal testing.

Mr. Crump was present to
request a joint meeting of the
Council Committee, at the
Board of Education offices re-
garding rental of the library.
This is to be Tuesday evening,
April 14, 8:00 p.m.

Mr. Francis Gazlay appear-
ed to ask regarding the com-
pletion of the Scout-Recreation
Building — fence, land-level-
ing and stair treads. Mr. Am-
bler explained that there were
reasons for some of these de-
lays. The DPW is to do the
leveling in the back of the
building. Mr. Allen assured
Mr. Gazlay that work will be
done on this building in the
immediate future.

Open Bids for Improvements
to West, Butler and Pennell:
The clerk read the advertise-
ment for bids as it appeared
in the Michigan Contractor and
Builder, March 21, 1964, issue.

Following are the companies
submitting bids:
Thompson McCully Asphalt
Paving, \$23,634.45; Michigan
Curb & Construction Co., \$24-
137.30; Banchoer Cement Co.,
\$29,877.89; G. A. Morrison Co.,
\$32,049.50; Stanley B. Jones,
Contr., \$32,086.65; Hayes Bur-
rell \$32,878.38.

The city manager and the ci-
ty engineer were instructed to
examine the bids and contract
is to be awarded at the next
council meeting on April 20.

Open Bids for Demolition of
C Hall:
The clerk read the advertise-
ment as it appeared in the
No. 11ville Record. Bids were
received from the following:

John Chisholm \$2,000; Ply-
mouth Excavating \$1,575.

The city manager is to ex-
amine these bids and make
recommendations at the next
council meeting on April 20.

Mr. Carlo Present to Discuss
Matters of Mutual Concern:
After considerable discussion
with Mr. Carlo concerning the
following areas (1) manure ac-
cumulating adjacent to River
street (2) trailers parked just
off S. Center and Edw. Hines
drive (3) refuse in rear of Fair-
brook homes (Mrs. Carlson) it
was decided that Mr. Can-
terbury will work with Mr. Carlo
in these matters.

Consideration of Proposed
Historical District:
Mr. Slattery from the Plan-
ning Commission explained the
proposed Historical District.

Mr. Slattery reported that
presentation of a total plan
had been delayed temporarily
until council could review
basic material. A joint meet-
ing for Council and Planning
Commission was decided upon

for Monday, April 27. Council
is to crystallize their thoughts
on some of the re-zoning and
the city manager is to pass on
some concrete instances of pro-
posed business requests to the
Planning Commission. This in-
formation is to be given to the
Planning Commission by April
21.

Discussion Concerning City
Appointments to Recreation
Committee:
Moved by Kester, supported
by Ambler that terms of Ed
Welch and Al Jones be con-
tinued, Jones until January,
1965 and Welch until 1966 —
to enable alternating ap-
pointments each year. Unanimously
carried.

Report on the Fire Depart-
ment:
The City Manager reported
that there are 18 members and
Chief Hartner in the Fire De-
partment. They have been con-
tinuing training under Ply-
mouth's Chief and Asst. Chief.

Mr. Groth does not feel it ne-
cessary to continue training at
such an accelerated rate —
the men will meet each week
on Thursdays. The matter of
a projector for the use of the
fire meetings was discussed.
Council would like a list of the
members of the Fire Depart-
ment and would like to meet
new members of the Police De-
partment.

Consideration of Landscap-
ing and Signs for New City
Hall:
After consideration of the
four signs submitted by the
Architect, it was decided that
the Northville Municipal Build-
ing sign and the City street
sign should be redesigned for
approval.

Mr. Crump agreed to dis-
cuss with the school board the
possibility of the school property
adjoining the new city hall
also being landscaped.

Moved by Ambler, support-
ed by Kester that the follow-
ing resolution be adopted: on
file at City Hall.

Unanimously carried
Moved by Canterbury, support-
ed by Kester that the land-
scaping contract be awarded to
Green Ridge Nurseries for
\$3,311.40, according to his plans
and specifications. Unanimously
carried.

Renewal of Teletype Agree-
ment with Wayne County:
Moved by Carlson, support-
ed by Ambler that the clerk be
authorized to sign the agree-
ment with Wayne County for
teletype service for the North-
ville City Police Department.
Unanimously carried.

Report on Forestry Pro-
gram:
The City Manager submitted
a report regarding the city's
tree program. Council asked
that a copy of this be sent to
Mr. Robert Freydl and each
member of the council.

The City Manager is to check
the Tree Ordinance and also
to submit sometime in the fu-
ture a re-planting program for
city trees.

Miss Kathleen Edgerton sug-
gested consideration of con-
serving or moving trees to
parking areas to provide
shade.

Report on City Hall:
The City Manager reported
on the progress of the City
hall and library. Moved by
Carlson, supported by Kester
that the city hall be closed on
the morning of Saturday, April
11, 1964 to facilitate the mov-
ing to the new city hall. Unani-
mously carried.

Consider Exchange of Prop-
erty with Methodist Church:
City Attorney reported that
an agreement has been reach-
ed with the Methodist Church.
The Mayor asked if there was
a covenant on the deed con-
cerning the set-back on fences
and green belt. Mrs. Beckel is
to be consulted regarding any
preference she may have as to
the treatment on the back of
the lot of the old city hall.

Further Discussion of Michi-
gan Week:
Mr. Ambler reported an un-

Police Issue Warning To B-B Gun Owners

An increasing number of re-
ports that youngsters are dam-
aging windows with beebe guns
prompted a warning by North-
ville Police Chief Eugene King
this week.

King reminded parents that
beebe guns must be used only
under the careful supervision
of parents or adults. Shooting
within the city, he said, must
be at a target situated in front
of a protective backstop.

Other Northville police and
fire department action this

past week included:
—Grass fire at 10:11 a.m. on
Northville road behind the
A&W Rootbeer stand on April
16;

—Police were called to in-
vestigate \$100 rock damage to
a service station sign at 470
East Main street;

—Four youths were appre-
hended on April 17th at the old
Whipple house, which recently
was partially burned following
a rash of damages by vandals,
by Northville police. The youths
from Dearborn Heights and
Inkster, told police they were
"just wandering around" al-
though they carried some 20
books of matches. They were
turned over to county juvenile
authorities;

—Two fires on April 17, one
a 11:30 a.m. grass fire Novi
and Read Court, and the other
a DPW storage shed fire at
2:37 p.m.

—Two Dearborn runaway
girls, missing for two days,
were apprehended here on April
18 and turned over to Dear-
born police.

—Lloyd Moore of 660 Horton
reported on April 20 that some-
one threw rocks through his
car window.

LET'S TALK CARS...

SMELLS FOR LADIES

If perfume manufacturers
had to depend on the male
population they'd all go out of
business. The fact is ladies are
just more smell conscious than
men and that especially in-
cludes lady drivers.

Certain smells are warning
signals to motorists of impend-
ing trouble. The ladies are
most conscious of them so
these hints are especially for
them, though they're still help-
ful for any male who can get
the pipe smoke out of his nos-
trils.

Brake fluid has a strong,
sweet smell similar to paint re-
mover and is always a warn-
ing of danger. It is the usual
result of fluid leaking from
the braking system and it may
mean that the next time you
apply your brakes you won't
have any. Check it immedi-
ately.

There's no mistaking gaso-
line smells. Gasoline odor
comes from raw gas leaking
from the carburetor or fuel
lines. It usually indicates a
flooded carburetor if you are
having trouble starting your
car. A good way to clear a
flooded carburetor is to press
the pedal to the floor and keep
it there or take your foot off
the accelerator until the car-
buretor has had a chance to
clear itself.

Burning rubber is a warn-
ing to heed immediately as it
could mean smoldering wire
insulation or perhaps dragging
brakes.

The best person to talk to
about these danger signals is
an experienced mechanic who
can diagnose the trouble cor-
rectly. Our experts will be
pleased to check over your car
without obligation.

NEW LOOK — Fine new additions are awaiting Novi area golfers who frequent the links at Bob O'Link Golf Course, located on Grand River near Beck. The attractive architecture, matched by an elaborately decorated interior, is shown in this picture at the east side of the clubhouse.

Area Golf Clubs Brace For '64 Record Season

With warmer weather apparently here to stay, area golf course owners and pros are looking forward to another fine season — better even than the 1963 record year.

And the army of men and women who will invade the courses this year are finding numerous changes and additional or improved facilities to make their golfing more fun.

For the third-straight year, Novi's Bob O'Link Golf Club is offering some brand-new specials for the "pros" and the "duffers" who frequent that course, located off Grand River near Beck road.

According to Midge Cova, owner and club pro, facilities include a new pro shop, a new dining room and a new game room — all of which are paneled. The new facilities feature a large, picturesque fireplace.

Bob O'Link includes a total of 27 holes (soon to be 36) on the South and North courses. The 18-hole South course carries a par 70 while the nine-hole North course has a par of 36.

Plans are underway to add nine holes to the North course, according to Cova, and he's hoping to have this project completed by July.

The 18-hole South Course has been changed too. Holes one and 10 have been lengthened with tees set back east of the original tees. Both are par five holes now. In addition, Cova has switched the two nines so that the back nine is now the front nine.

Both courses at Bob O'Link weathered the winter nicely, and Cova points out that they are in fine shape for spring golfers.

Green fees at Bob O'Link are: \$2.50 for 18 holes and \$1.50 for nine on weekdays; and \$3.50 for 18 holes and \$2 for nine on weekends and holidays.

Green fees at Bob O'Link are: \$2.50 for 18 holes and \$1.50 for nine on weekdays; and \$3.50 for 18 holes and \$2 for nine on weekends and holidays.

Green fees at Bob O'Link are: \$2.50 for 18 holes and \$1.50 for nine on weekdays; and \$3.50 for 18 holes and \$2 for nine on weekends and holidays.

Green fees at Bob O'Link are: \$2.50 for 18 holes and \$1.50 for nine on weekdays; and \$3.50 for 18 holes and \$2 for nine on weekends and holidays.

Green fees at Bob O'Link are: \$2.50 for 18 holes and \$1.50 for nine on weekdays; and \$3.50 for 18 holes and \$2 for nine on weekends and holidays.

Winless in 6 Starts

Troubles Mount For Varsity Nine

The Northville high school baseball machine has yet to hit on all cylinders, and as a result, there's plenty of woe in the Mustang camp.

Northville is still winless in six starts this season, having lost two close contests on successive nights last week to Plymouth and Bloomfield Hills.

The Mustangs were in the fray each time, but they were unable to combine a sufficient amount of hitting, pitching and fielding to pull off a win. That's been the trouble all season long.

Plymouth eked out a 4-3 victory with benefit of only two hits April 22. Four errors opened the scoring gates.

Northville, on the other hand, slammed Plymouth offerings for a solid eight hits, but each time runners were left stranded.

Northville runs were scored in the third, sixth and seventh innings. Dave Jerome doubled and came around on two errors on the hit in the second frame. Larry Angove singled

across a run in the sixth and a run tallied in the seventh on three singles.

Steve Evans pitched six and two-thirds innings for the Mustangs, striking out five and permitting only two singles. He was relieved by Jerry Insland, who struck out the last man.

Northville stranded nine men and committed five errors to help visiting Bloomfield Hills to a 5-2 win April 23.

Tagged with the loss was Insland, who fired an eight-hitter. Only one Bloomfield run was earned, however, as the errors figured in all its runs.

The local attack bogged down as Northville collected only four hits, all singles.

Bloomfield was never headed as it tallied two runs in the third on a walk, two singles and a passed ball, two in the fourth on two errors, a walk and a single, and one in the fifth on a double and a single.

Both Northville runs were unearned.

Linksters Eye Tourney

No one can accuse Coach Al Jones of being myopic. He's already looking forward to the state golfing tourney with his eye on the title.

Ridiculous? Not in the least when there's a fighting chance to win all the marbles, providing — the top three of Jim St. Germain, Jim Bertoni and Rick Talbot continue shooting low and a fourth man comes through to bring the team score within the 320 mark for 18.

There was an indication last week that Bob Regenhart could be the man to fill the bill.

He fired a 44 Friday as Northville beat a good Redford Union club, 163-169, at the Western Golf Club. Northville also walloped a weak Dearborn-Haston aggregate Thursday, 178-204, at Brae Burn Country Club.

St Germaine copped medalist honors in both matches. He shot a 36 against Redford and a 39 against Dearborn.

Other scores against Dearborn was a 46 by Bertoni, a 41 by Talbot and a 52 by Ron Rice. Bertoni was runner-up against Redford as he carded a 40, followed by Talbot with a 43 and Regenhart's 44.

Club Seeks 'Fun Golfers'

A group of self-named "fun-loving divot duffers" are looking for more of the same to join them in a weekly round of golf at 5 p.m. on Tuesdays at Bob O'Link golf club.

Bill MacDermaid of Novi is "secretary-treasurer" for the unofficial group made up of local men. He says that anyone caught "taking his golf too seriously is kicked out of the club."

If you're interested in joining this small group, call FI 9-2205.

Wagering and Attendance Up At Wolverine

With wagering and attendance continuing at the high level that has marked the meeting thus far, Wolverine Harness Raceway concludes its full third week operation with a pair of events that match the faster class pacers and trotters.

Racing Secretary Bill Connors has scheduled a \$3,500 Open Trot Friday (May 1) and a Pace of equal value on Saturday (May 2).

The trot sends old reliable Charlie Horse against his stiffest opposition to date. Charlie Horse won his Wolverine debut by four open lengths a week ago and naturally figures to be the favorite again.

The pace is expected to bring out Peachadon for the first time. The speedy Michigan bred paced to a stake record of 1:59.1 a year ago.

JV Nine Drops Three

The Northville JV nine lost their first three outings of the season.

The underclassmen dropped an 8-6 decision to Clarencville April 13 in the late innings. Chris Holman went all the way for the local nine.

Detroit Catholic Central came to town April 16 and pounced. Pitcher Glen Deibert for 11 hits and a 10-6 win.

A seven-run Central third frame iced the game. Except for this inning, Deibert looked good. In the final analysis, it was a combination of hits and errors that opened the gates. Catholic Central picked up three more runs in the seventh

inning to salt the game away.

A veteran Walled Lake squad then took liberal measure of the local JV's April 20 by trouncing them, 17-3. It was no contest after the third when Walled Lake tallied seven times, adding four in the fourth, three in the fifth and two in the sixth.

Northville could muster only three hits to seven for Walled Lake. In addition, the Black and Orange paved the way with seven errors.

According to Coach Dave Madden, Walled Lake was an older team and the weather (cold and windy) contributed to the poor fielding.

Rain Falls — So Do Thinclads

Neither driving rain nor bright floodlights chased the Northville thinclads off the track the past week as they lost by a narrow margin to visiting West Bloomfield Monday and placed two men in the Howell relays Saturday.

With 290 athletes competing in the 13-school meet at Howell under the lights, two Mustangs made a dint in the field.

Kent Kipper tied for second place and also tied his school record by sealing 11 feet to beat 25 other entrants.

Chuck Annett ran off with fifth place honors in the mile. Running in the first and fastest heat (20 competed in each), Annett took fifth, which bettered the time of the winner in the second heat.

Advancing as far as the semi-finals were John Gibson in the 100 yard dash and Terry Winner in the 220. Both were eliminated in their respective events at that point.

West Bloomfield waddled through the rain Monday to splash to a 57-43 dual meet win over Northville.

Northville took its share of first — six, but West Bloomfield "one and three pointed us to death by taking seconds and thirds," noted Coach Roy Herald.

A blow to the Mustangs chances was suffered when the pole vault was scratched by agreement because of the slippery conditions. It was a foregone conclusion that Mustang Kipper would have snatched top honors.

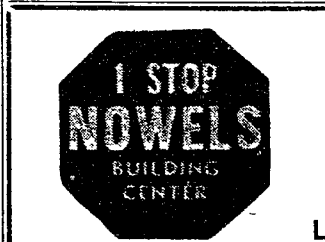

Putting on a valiant show, good enough to take first place was Gibson, a double winner in the broad jump (17 feet seven and one-half inches) and as a member of the 880-yard relay team. Other members were Kipper, Jeff Crawford and Winner, who posted a time of 1:40.

Other first place winners were Annett in the mile, Ralph Caliguri in the 180-yard low hurdles, Winner again in the

Open Friday til 8 p.m.

READY FOR WORK — Whips won't be necessary to get the Senior High Youth Fellowship of the Presbyterian Church of Northville to work come Saturday. Members of the group will "hire-out" to do odd jobs for area residents between the hours of 9 a.m. to 5 p.m. to help raise money for facilities to the new church addition. Interested persons are asked to call either FI-9-0946 or FI-9-0077. Shown here ready for work are (l-r) Mike Horner, Neal Brasere, Elma VanFossen, Ann Heimbecker, Tom Bogart, John Blackburn, Janet Funk, Jennifer Johnson and Jim Kliensorge.

School Board Eyes Planning

Continued from Page 1
Claiming that some extra curricular activities in the past may have been short-changed in favor of athletic demands, the board refused to accept all but one of the suggested pay increases to athletic personnel. Only the wrestling coach will receive a pay hike, the board

decided, and only because he will assume sole coaching duties that were shared by two men this past season. The increase is \$50.
Two other areas will be increased. A total of \$200 will be allotted the junior high school for intra-mural activities, and \$75 will be set aside for junior high cheerleading. No money was included for these two areas in the past budget.
A request that an additional varsity coach for football be provided next fall was denied. The request was based upon

current plans to merge junior varsity football with varsity. In place of junior varsity football, a ninth-grade football team is to be formed.
Discontinuing of junior varsity and formation of a ninth-grade squad, board members agreed, should involve no additional coaching personnel.

Finally, the board decided to meet informally on May 18 to discuss salaries of administrators. And because some of the board members will be out of town on May 11, the day of the regular board meeting, it was decided to hold the first regular May meeting next Monday — May 4.

ARBOR DAY — As part of Arbor Day activities, the Green Ridge Nursery of Napier road planted trees on property of all four Northville schools last Thursday. A Ginkgo was planted at Amerman; a Flowering Crab was planted at the junior high school; a Pin Oak was planted at the Main street school; and this Japanese Flowering Cherry was planted at the high school. Showin helping plant the Cherry are Student Council President David Jerome, Robert Frost of Green Ridge Nursery, and two high school office secretaries, Mrs. Clifford Rollings and Mrs. Marian Zayti.

Choir Picks Operetta

"H.M.S. Pinafore", that ever-popular operetta by Gilbert and Sullivan, has been chosen as the musical to be presented by the Northville high school choir in the auditorium on May 14, 15, and 16.
Students having principal parts are:
Alan Budlong and Ray Waldren as Sir Joseph Porter; Jay Warren and Lary Forth as Captain Corcoran; Larry Wood as Ralph Rakstraw; Jack West and Jerry Burns as Dick Deadeye; Robert Fisher and Don Dearing as Boatwain; Linda Line and Linda Polak as Josephine; and Gretchen Schrieder as Buttercup.
"H.M.S. Pinafore" was first presented on May 25, 1878 in England and ran for 700 consecutive performances — the

Make Reservations Now For Hammond Testimonial

Saturday is the deadline for making reservations for the May 9 testimonial dinner honoring C. Oscar Hammond.

Chairman Robert Miller urged all area residents interested in joining in the tribute to the state commander of the American Legion to call FI 9-0156 not later than this Saturday.
Hammond, a Northville resident and longtime member of the local Lloyd H. Green post, was elected state commander last year. His term expires this summer.

CAP Drill Team Cops 2nd Place

Competing against the three-time national championship drill team of Wayne-Romulus, the local area Civil Air Patrol drill squad ran a close second in state competition Saturday at the Grosse Ile Naval Air Station.

The 22-member CAP Group Ten drill team, a squad that includes 11 Northville boys, won a plaque and the plaudits of Army, Marine, Air Force and Navy judges for its second place finish.

Group Ten's battle with the Wayne-Romulus squad on the drill team constituted one of the toughest performances in Michigan competition, officials stated.

The Wayne-Romulus squad had won the national drill team title for the past three years, but Group Ten reportedly is "out to beat 'em next year."

While at Grosse Ile, cadets saw drill exhibitions by the Canadian Royal Air Cadets and by the Navy's precision drill team.

In preparation for state competition, local area cadets practiced each Sunday afternoon during the past year, and during the week previous to state

P-TA Carnival Plans Underway

Plans are growing fast for the annual Northville PTA spring carnival, which is set to "bloom" from 5:30 to 10 p.m. Friday, May 22, in the community building and junior high school.

This year's general chairman is John S. Wisner. On his central committee are Irvin F. Marburger, Mrs. Arthur Hempe, Glenn E. Deibert, Arthur Prodder, John Gorzynski, Eugene Cook and Michael Utley. Mrs. Hempe is in charge of food arrangements for the dinner, which will be served in the community building starting at 5 p.m.

In addition to the Midway of fun booths manned by parents of elementary pupils, there will be booths by other local organizations. As has become tra-

Local Girl Injured In Motorcycle Crash

A 20-year-old Northville girl was injured Sunday afternoon in a motorcycle-automobile accident in Plymouth.

Treated at Wayne County General Hospital for cuts and bruises was Florence Joyce (Jody) Darcey of 46250 West Nine Mile road. A companion, John Norwood, 26-year-old driver of the motorcycle, was reported in satisfactory condition Monday at the hospital with leg and head injuries.

According to Plymouth police, the motorcycle apparently crashed into the car as its driver, Annette Thumme of Huron, Michigan was making a turn at South Main and Pen-

Witnesses told police the driver of the car was making an improper turn.
Police are continuing their investigation of the accident.

Anne Hembrey Wins National Merit Award

Anne Hembrey, valedictorian of the 1964 graduation class of Northville high school, has been awarded a coveted National Merit Scholarship, officials announced this past week.

Daughter of Mr. and Mrs. Fred W. Hembrey the 17-year-old senior will attend the University of Michigan next fall under the scholarship.

She was one of 1,625 outstanding students from throughout the country named winners of four-year Merit Scholarships to colleges of their choice.

According to John M. Stalaker, president of the National Merit Scholarship Corporation, the number of winners is the largest in the nine-year history of the nationwide competition.

Approximately 1100 winners received Merit Scholarships sponsored by some 220 business corporations, foundations, colleges, unions, professional associations, trusts and individuals.

The other 525 Merit Scholars including Anne—received their awards from the nonprofit National Merit Scholarship Corporation. NMSC conducts the annual Merit Program in cooperation with more than 16,500 high schools.

The amount of each award is based on individual financial need. Stipends range from \$400 to \$6,000 for the four years of college. Most of the scholarships are accompanied by a supplementary grant to the college the student has chosen to attend. The total value of the awards for the 1964 is estimated at more than \$6 million.

In addition to the 1965 stipend-bearing Merit Scholarships, approximately 200 students were named Honorary Merit Scholars. They received this designation in recognition of their outstanding achievement in competition although they will receive no financial assistance from the Merit Program.

Each annual competition begins with the qualifying test, a three-hour test of educational development. The highest scorers in each state (with each state's representation determined by the number of high school graduating seniors in that state) become semifinalists.

A group of more than 13,000 students were named semifinalists last September. Three of them were from Northville high school, including Anne, Russell D. Schoof, and Anna Martin, salutatorian.

They then took a second examination and sent in their academic and other personal records. Nearly all became finalists by repeating their high performances on the second test, and each finalist was awarded a certificate of merit.

New Donors For Blood Needed Here

Friday, May 8 the Northville branch of the American Red Cross will conduct its annual community blood bank.

Councilwoman Beatrice Carlson, who was re-elected local Red Cross chairman for the 12th consecutive year last week, makes the following personal appeal in an effort to gain new donors to replace the many, long-time givers who Mrs. Carlson notes "are just getting a little too old to continue year-after-year."

This is how Northville's Red Cross chairman explains the function of the local blood bank program:

"Since 1953 when the Northville Branch of the American Red Cross was reactivated the supply of blood credits has been ample for Northville needs. However, many generous donors can no longer give and this is an appeal to everyone 21 to 59, inclusive, who is physically able to become part of this community program.

"In the past the blood program was thought of mostly as an emergency during war, but today with automobile accidents mounting, the realization that blood transfusions are also needed in major operations, child birth, heart surgery and even beneficial in various diseases, there can be no

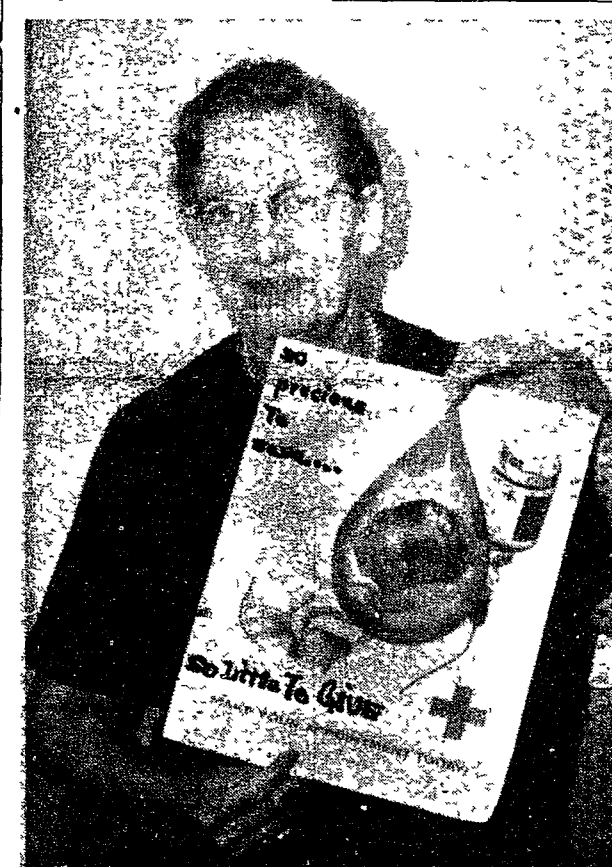

let-up in keeping a good supply on hand.

"The Northville Community Bank serves people in the city and township. During the past year over 70 pints of blood were released. When in need the procedure is simple, call FI 9-1330 and arrange to come to my home, or call Mrs. Winter, FI 9-2361 and in a few moments blood is released through the Detroit chapter which acts as the banker.

"All that is asked of the person who makes the request is help replace the amount received when the mobile unit visits Northville, or it is now possible to replace same at the Red Cross office, 33539 Plymouth road, Livonia, the third Thursday of the month.

"Everyone hopes they never need to use this service, but to be on the safe side help keep an ample supply in the Northville Community bank. Call either of the above numbers and make an appointment for May 8 at the Methodist church. Hours are from 2 to 5 and 6 to 8 p.m.

"The Northville Branch comprised of 30 dedicated women were proud to serve 1,550 hours last year in Red Cross."

Mrs. Beatrice Carlson
An appeal from the Red Cross Chairman

Student Talents Festival At Annual Arts Displayed

Hundreds of parents, teachers and students viewed the handiwork of high school students last Thursday evening at the annual festival of arts at the Northville high school gymnasium.

The accompanying pictures show several of the displays of art, wood and metal working.

Achievements by students in mechanical drawing, industrial art, English, science and history also attracted many interested viewers.

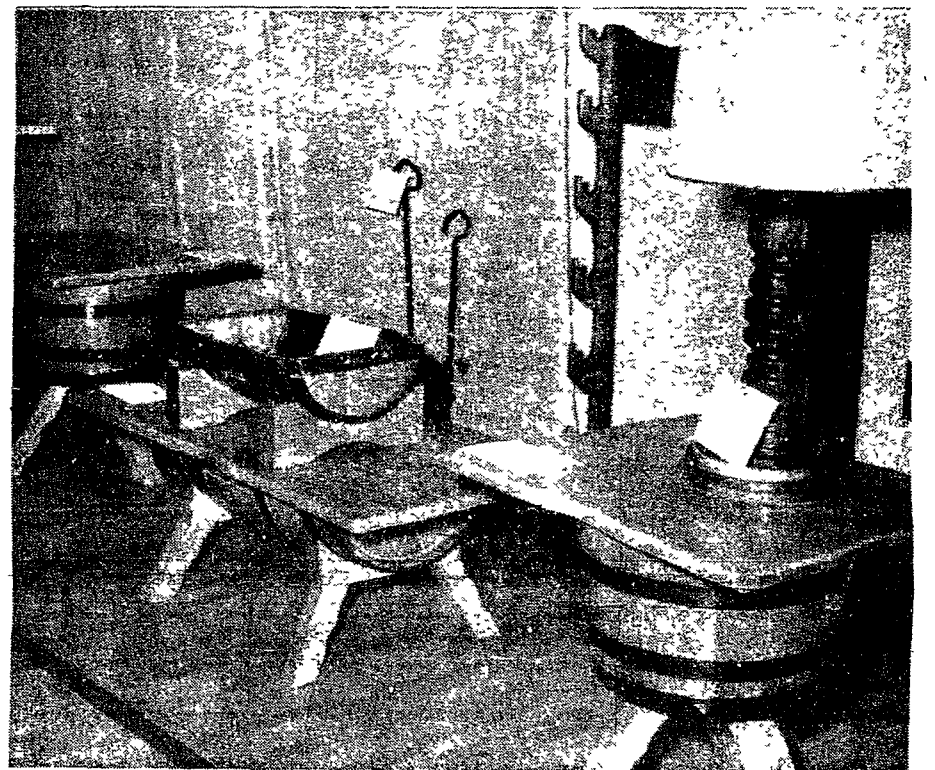

In addition the high school jazz band under the direction of Robert Williams provided musical entertainment. And the home economics department presented a fashion show of styles fashioned by students.

Art Teacher Roy Pedersen was in charge of the program.

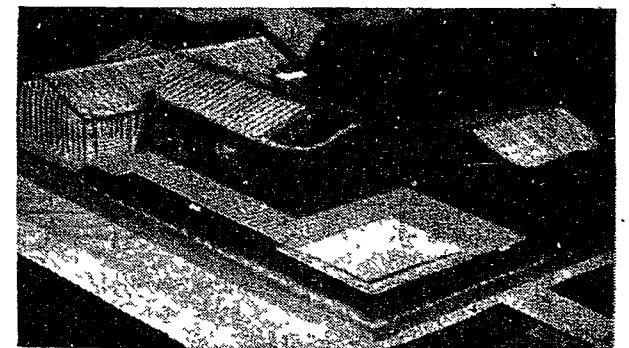

In a business meeting prior to the festival The Reverend and Mrs. Lloyd Brasure were re-elected president of the high school P.T.A.

Other officers for the 1964-65 year are:

Mr. and Mrs. Gene Cushing, vice president; Mr. and Mrs. Jack Kadey, secretary and treasurer; Mr. and Mrs. Robert Lang and Mr. and Mrs. Glenn Deibert, council representatives.

THE HOUSE MODEL shown at right was built by Randy and Ted Jacques and was awarded a second place ribbon in state industrial arts competition in Muskegon recently.

p.m.
Wednesday 7:00 to 7:45 p.m.
Sundays 2:00 to 4:00 p.m.
The story of the prodigal son
will be read at Christian Sci-
ence churches Sunday to illus-
trate how God's mercy and
forgiveness come to all who re-
pent and forsake sin. The sub-
ject of the Bible Lesson is
"Everlasting Punishment" and
the Golden Text is: "Thou,
Lord, are good, and ready to
forgive; and plenteous in mer-
cy unto all them that call upon
thee" (Psalms 86:5).
"The poor suffering heart
needs its rightful nutriment,
such as peace, patience in tri-
bulation, and a priceless sense
of the dear Father's loving-
kindness" is one of the selec-
tions which will be read from
"Science and Health with Key
to the Scriptures" by Mary
Baker Eddy (p. 365).

FATHER-SON WINNERS

Daniel and his fa-
ther, John Brent Munro, were winners Saturday
of game competition at the annual father-son pro-
gram sponsored by the First Baptist Church of
Northville. Besides games, fathers and sons enjoy-
ed a Walt Disney film and refreshments.

from the PASTOR'S STUDY

By Rev. John I. Wittstock

Our Lady of Victory Church, Northville

Meditation is prayer in a deeper sense than saying our morning prayers or night prayers. Meditation is getting down to brass tacks. It is using the powers of the soul, the memory the understanding and the will — to consider the great truths of religion and to make them more meanin-
ful forces in our lives. The following is an example of a meditation that might be appropriate at any time but especially during this time of the year.

Dear Lord and Divine Mas-
ter Jesus Christ:—
The people didn't listen to you the first time. You preached a doctrine of love; and hate nailed you to the cross. Your kingdom (You said was of another world; but they cared only about this world. When you died a criminal's death on the hill of Calvary, they forgot everything that you had told them. They forgot about your miracles and your sacred teachings. They gave up on You. You were just

another frustration that pas-
sed through their lives.

Now you were gone and that was that. It was all over. Your crusade had come to naught. So men re-
turned to their old ways; and Your Apostles, their faith gone, licked their wounds and wondered how you could have failed and what they would do, now that you were dead.

But, You weren't dead, Lord. You were very much alive. And because you had a little response from Your chosen twelve the first time, You went after them a sec-
ond time. In Your glorified Body, You met with them again. Yes, they failed You the first time. But not the second. When they got over the initial shock of Your Resurrection from the grave — when they realized that it was really You, they listened. Because they listened so well and believed so fully, they began the great-
est missionary Venture of all time. They went forth to assure the whole world that

salvation was possible after all.

I only hope, dear Lord, that You don't have to tell me a second time. Once should be enough. I pray that You won't be forced to crack me on the head to make me aware of my place in Your kingdom.

I am not alone in this world. Your Divine Life is not my personal property. Your kingdom fosters no discrimination. You are my Father, and all the men of earth are my brothers. I enjoy all the privileges of being Your child; and so do all my brothers. The trouble is, so many don't know about it. They are ignorant of their royal heritage. So I must tell them about it. As a christian I have this re-
sponsibility both in word and action.

Whatever I do or say will affect all men either for good or for evil. Help me, dear Lord, to be an instru-
ment only for what is good and for what pleases you.

FATHER-SON WINNERS — Daniel and his fa-
ther, John Brent Munro, were winners Saturday
of game competition at the annual father-son pro-
gram sponsored by the First Baptist Church of
Northville. Besides games, fathers and sons enjoy-
ed a Walt Disney film and refreshments.

Missionary to Speak

The Willowbrook Community Evangelical United Brethren Church will have the privilege of sharing in two unique ex-
periences in the immediate fu-
ture.

On Sunday, May 3, Mr. Les-
ter Bradford, an agricultural missionary to Sierra Leone, Af-
rica, who is home on furlough, will visit the several depart-
ments of the Sunday Church School, speak at the morning service of worship, and share in an informal pictorial pre-
sentation in the afternoon, be-
ginning at 3 p.m.
On Monday evening, May 4,

at the monthly meeting of the Women's Society of World Ser-
vice, Mrs. Newell Lissemer, wife of the conference superin-
endent, will present, in read-
ing, a review of the book, "The Listener."

Members and friends of the church are invited to attend all of these services.

Church to Lay Cornerstone

A special ceremony to lay the cornerstone for the First Presbyterian church Christian education building will be held Sunday morning at 10:40 a.m.

The Reverend Lloyd Brasure announced that the observance will be held between services with the Christian education committee in charge.

Car Wash

A car wash will be conduct-
ed Saturday, May 9 by mem-
bers of the First Presbyterian church junior high youth group from 10 a.m. until 4 p.m. in the church parking lot.
Funds will be turned over to the church for the new Chris-
tian education building.

NOTICE OF LAST DAY OF REGISTRATION

TO THE QUALIFIED ELECTORS OF

NOVI COMMUNITY SCHOOL DISTRICT

OAKLAND COUNTY, MICHIGAN

PLEASE TAKE NOTICE THAT THE ANNUAL SCHOOL ELECTION OF THE NOVI COMMUNITY SCHOOLS, OAKLAND COUNTY, MICHIGAN, WILL BE HELD MONDAY, JUNE 8, 1964.

Sec. 532 of Act 269, Public Acts of Michigan, 1955 as amended, provides the following:

"The Inspectors of Election at an Annual or Special Election shall not receive the vote of any person residing in a registration School District whose name is not registered as an elector in the City or Township in which he resides."

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE TOWNSHIP CLERK IN ORDER TO BE ELIGIBLE TO VOTE AT THE ANNUAL ELECTION TO BE HELD ON MONDAY, JUNE 8, 1964, IS

MONDAY, MAY 11, 1964

Registration will close at 5 p.m. on said day. Application for registra-
tion should be made to the Township Clerk at the Novi Township Hall.

Persons already properly registered upon the registration books of said Township Clerk need not re-register.

This notice is given by order of the Board of Education of Novi Community Schools, Oakland County, Michigan.

G. Russell Taylor, Secretary
Board of Education
Novi Community Schools

Dated this 30th day of April, 1964

OUT OF THE PAST

ONE YEAR AGO

April 18, 1963
Northville's city council decided to open a lone sealed bid for demolition of the old city hall. Instead the city advertised for bidders and hoped that on April 29 there will be a larger selection.

A 68-year-old Novi township man was killed near Northville State hospital when his car was forced off the pavement and into a tree. John E. Quinn of 305 Duana was pronounced dead on arrival at St. Mary Hospital, Livonia. Police said the deceased's car was struck by a car passing the gravel truck on the right.

A race against time developed for advocates of Northville's entrance into Northwest Wayne County Community College district. The obstacle which has blocked a possible local vote on the issue was scheduled to be removed by passage of special legislation in the State Senate.

Contributions totaling \$13,527.25 were reported by A. R. Clarke, treasurer for the Northville Scout-Recreation building fund campaign.

The post office department released official word that Northville has been tapped for a new post office, but all sources neatly sidestepped

FIVE YEARS AGO

April 16, 1959
A recommendation by the village planning board to rezone the property of Arthur J. Heslip, 42600 Nine Mile road, from agriculture use to heavy industry will be considered by the Novi council.

The planning board — which is an advisory board for the council — voted 7-1 at a public hearing to recommend the zoning change.

Ground-breaking ceremonies for the bridge connecting severed portions of old Grand River near Kent Lake will take place April 24, The Novi News learned.

Wixom council members voted unanimously to contest legal action by two property owners to have their land disconnected from the city.

Groundbreaking ceremonies for St. Paul's Lutheran Christian Day school will be held Sunday, the Rev. B. J. Panikow announced.

Michigan's highest court heard oral arguments from attorneys representing the city of Northville and Warren Products. The conclusions the supreme court judges drew would settle once and for all whether some 220 acres in the extreme northeast corner of the city is rightfully in Northville or in Novi.

Business Briefs

Eugene S. Guido of 20390 Westview drive, who is Coordinator for Wayne County Civil Defense, has just completed a special civil defense course at the Department of Defense, office of Civil Defense, Staff College in Battle Creek.

The five-day course on radi-

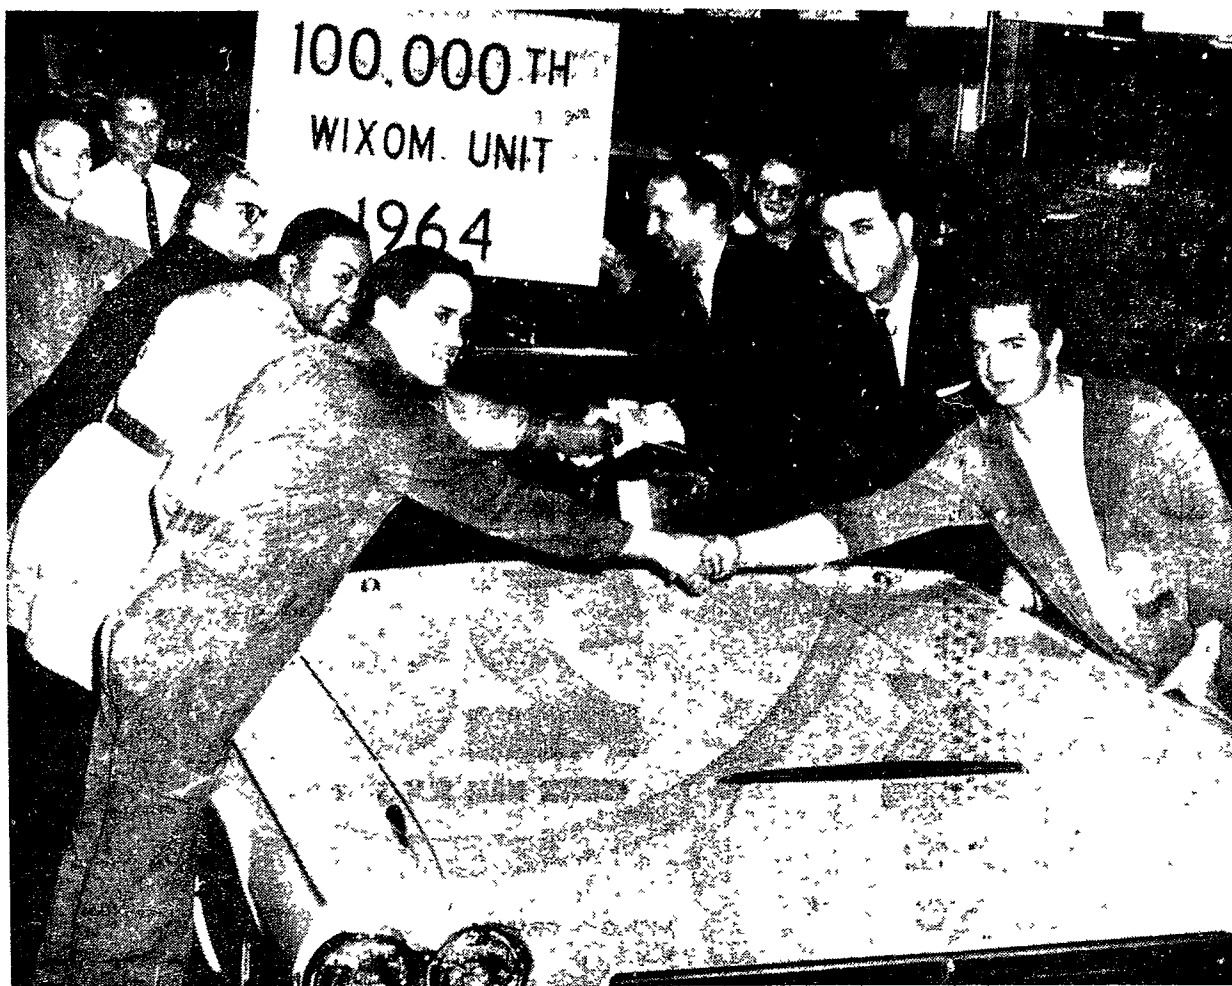

ological monitoring for instructors is one of several special courses offered by the OCD Staff College and Training Centers. It provides the technical background which is needed by the instructors who will be training monitors in the detection and reporting of radiological fallout. This defensive measure is an important part of the total national civil defense effort. The course also provides important training for assistant radiological defense officers who work in the various States and localities.

Merv Greenier, 512 Baseline, and Russell Merithew, 536 Rouge, both employees at Plymouth State Home will be delegates to the Michigan State Employees Association's 14th annual general assembly in Grand Rapids May 1, 2, and 3.

Over 300 delegates and hundreds of other state employees are expected to be in attendance, during the three-day meeting which will shape MSEA policies and actions during the coming year, according to Larry Hillmore, general assembly chairman from Chapter 59, Grand Rapids.

FAST PACE — Wixom Ford plant is setting a production record this year, turning out more Thunderbirds and Continentals than any year since the

plant opened in 1957. April 19, the 100,000th unit came off the final line. Plant personnel congratulated each other to mark the event. That's Plant Manager Robert C. Ghinn (second from right) At its present rate, the Wixom plant will produce 134,576 cars for the 1964 model year. The previous high was 1960 with 117,663 units. Incidentally the 100,000 unit, a Thunderbird, was purchased by Lowell Williamson, president of the Plaza Oil and Gas Company of Calgary, Alberta, Canada as a present for his wife, the former Dorothy McGuire of the singing McGuire Sisters.

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT

WAYNE, OAKLAND and WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that the Annual School Election of the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, will be held Monday, June 8, 1964.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . ."

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Annual Election to be held on Monday, June 8, 1964, is

MONDAY, MAY 11, 1964

Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said Monday, May 11, 1964, are not eligible to vote at said annual election.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city of which they reside are registered school electors. Persons planning to register with the township or city clerks must ascertain the days and hours on which the clerk's offices are open for registration.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

Wilfred C. Becker, Secretary
Board of Education

Dated this 13 day of April, 1964

NOVI HIGHLIGHTS

Mrs. H. D. Henderson
FI 9-2428

A bridal shower honoring Miss Lois Hall was held at the home of Mrs. Frank Schatzle on Abington avenue in Detroit last Friday evening. Mrs. Leo Tallieu assisted the hostess. Among those present were Miss Hall's mother, Mrs. Eugene Hall, and her future mother-in-law, Mrs. Emil Paris Sr. of Russell, Ohio and neighbors of the Halls on Abington avenue.

House guests of the Eugene Halls over the weekend were Mrs. Paris Sr. and Miss Hall's fiancée, Emil Paris Jr.

On Monday this week the fourth grade pupils in Miss Hall's home gave her a surprise party and presented her with a wedding memory book.

Mr. and Mrs. Wardell Lyke of Twelve Mile road were hosts at a party for 20 friends Saturday evening. The guests came from Detroit, Royal Oak and Pontiac.

Jerry Killen, son of Mr. and Mrs. Alvin Killen and Kenny Little son of Mr. and Mrs. James Little, are both patients in St. Mary Hospital, Livonia from injuries sustained in an automobile accident last Thursday. Jerry has a hip injury and Kenny head injuries.

Mrs. Garland Killen attended the Sweet Adeline Convention, (Women Barbership Chapter S.O.C. Suburbanettes) at the Sheraton Cadillac in Detroit last week. Chapter S.O.C. was the hostess chapter and they put on a show at the Ford Auditorium for the visiting and competing chapters. They had a vaudeville act and variety show. Region 2 is composed of Michigan, Upper Ohio, Upper Indiana and Ontario.

Mrs. Lloyd Coleman was called to Minnesota by the death of her father last Friday.

Don't forget the Novi Farm Bureau card party at the Community hall this coming Saturday evening. The party is scheduled for 8 o'clock. Refreshments will be served and there will be table prizes, several door prizes, including a transistor radio. The proceeds will be used to send a boy to Boy's State.

Luncheon guests of Dr. and Mrs. H. D. Henderson last Saturday were Mr. and Mrs. Guy Maiville of Dearborn. The Hendersons were the guests of Mr. and Mrs. Edward Rix in Plymouth at a benefit hootenanny at Plymouth High school Saturday evening.

Mr. and Mrs. Russell Race spent Sunday in Flint. They visited the latter's cousin, Douglas Weatherhead who is ill in the hospital.

Pam Harnden who is attending the Highland Park School of Nursing was capped last Friday.

Mrs. Gertie Lee will entertain her card club at her home on Duane street Thursday evening. Her guests will be Mrs. Marie Nutter, Mrs. Ella Liebert, Mrs. Ruth Starkweather, of Northville and Mrs. Harold Henderson and Mrs. Russell Race of Novi.

Mr. and Mrs. Richard Danner and son, Devon of Saginaw were weekend visitors at the home of the latter's parents, Mr. and Mrs. George Mairs.

Mr. and Mrs. George Webb left Novi Monday for Georgia to attend the funeral of Mr. Webb's mother, who passed away at a nursing home in Kentucky last week.

Mrs. George Webb's house guests for a few weeks are her daughter and children of California.

Mr. and Mrs. Charles G. Crawford of South Lake drive returned last Thursday from a win at Fort Meyers in Florida. While there they made several trips in the state.

Miss Eugenie Choquet will attend this coming Thursday the Oakland County Planning Commission Economic Growth Conference at Oakland University from 2:30 to 9:30 p.m. Classes are still open for Standard or Advanced First

Aid in White Lake township.

Blue Star Mothers
The Novi Chapter 47, Blue Star Mothers will have its May meeting next Monday at the home of Mrs. Harold Miller on West Grand River. The chapter has had three members who were ill this past month, Mrs. Earl Clappison, Mrs. John Klaser and Mrs. Marie Lafond.

Novi Rebekah News

The Independent Rebekah Club will meet next Monday, May 4 with Gladys Tremper and Lulu Whittington acting as hostesses for the day. After the meeting the club will visit Mrs. Josephine Salow's mother Mrs. Deborah Lamperson, who is 90 years old and a patient in the Novi Convalescent home.

Thursday May 7, initiation at the hall at 8 o'clock. Those to be initiated are Mrs. Marcella Fletcher and Mrs. Margaret Parks.

The I.O.O.F. and Rebekahs attended church at the Novi Methodist church in a body this past Sunday.

Saturday May 16 the IOOF will have a social night at 8.00 at the hall. Odd Fellows and their wives and Rebekahs and their husbands are invited.

Several Rebekahs will attend the District No. 6 meeting in Clyde at the Highland School Thursday afternoon and evening. Mrs. Mae Atkinson has charge of the program.

Novi Methodist Church
The W.S.C.S. elected the following officers at their monthly meeting last Wednesday: president, Mrs. Andy Kozak; vice president, Mrs. Lloyd Coleman; secretary, Mrs. Eugene McHale and treasurer, Mrs. Devere Mitchell.

The new membership class will meet at the church Sunday evenings. Rev. LaVere Webster will conduct the class. Youths 12 years and older and adults may be members of the class.

Novi Baptist Church News
Next Thursday May 7 at 7:30 the Billy Graham film "Lucia" will be shown at the church. The public is invited.

The Vera Vaughn Circle met last Tuesday and elected the following officers: president, Corinne Smith; vice president, Lela King; secretary, Ester Lippert and treasurer, Charlotte Munro.

The father and son night was a huge success. The father and son of the night were Brent Munro and son, Danny.

Coming Events: Dedication of babies Sunday May 10. Contact Rev. Barnes, May 14-16 the teens are planning a trip to Chicago. Reservations deadline is Wednesday, May 6.

Mother and daughter tea May 22nd. The speaker will be Mrs. David Dyke, former missionary of Italy, who is now back in the States due to poor health.

Her husband is counseling at the Christian Health Clinic in Detroit. The youth club has planned a "bike hike" this coming Saturday. All are to meet at the church at 1 p.m. with their own bikes.

Novi Girl Scouts
The neighborhood girl scout meeting has been changed to Wednesday, May 27 at 9:30 a.m. They plan to have a May breakfast (potluck), at Cass Benton Park. In case of rain the breakfast will be held at the Orchard Hills School. They are inviting their sponsors, the Rebekahs, Mothers Club, Blue Star Mothers, Board of Commerce and X-Ray Industries of Detroit.

The Senior Girl Scouts had a very successful spaghetti dinner at the community hall this

day for candy shop, Mrs. Jackson, 349-2229. Bake goods all kinds for bake sale, Mrs. Pelchat, 349-2029. Cakes for cake walk, Mrs. Ward, GR 4-4465.

Door prizes to be given at the drawings at the end of the evening, contact Mrs. Doyce Ward FI 9-2824 and Mrs. Bumann, FI 9-2052.

Don't forget the rummage sale this coming Friday, May 1 — 10 a.m. to 5:30 p.m. and Saturday May 2 — 9-12 a.m. Please, if you have items for the sale take them to either school. Just can't sell what we don't have.

Since it's such a full week getting ready for the fair, why not make it easier for yourself on the night of the Fair. \$1.00 adults, 50 cents children. Serving starts at 5:30 in the school cafeteria.

Troop No. 351 had instruction in flag ceremony at their meeting on Tuesday with the help of Mrs. Mac Bride. They have also been practicing for the fly up ceremony.

Troop 1027 Junior scout troop planned its menu for its camping trip some time in the future. Denise Ward brought treats. They attended the roller skating party last Wednesday at Island Lake.

Novi Cub Scouts
The Cub Scout pack meeting was held at the hall last Friday evening.

Den 5, Den Mother, Mrs. Ritter gave a nature skit "The Three Trees". Bruce Simmons is the new denner and assistant Tom Bell.

Mrs. O'Neill's den gave the flag ceremony.

The following awards were given out by Sally Dye: New Bob Cats, Terry Adams, Kenneth Cookson, Donald McDougall, Tim Skeltis, Jim Skeltis, Gary Hector, Daniel Rowley and Ronny Wilenius. Under wolf, Mark Bumann, 2 silver arrows; David Ward, 1 silver arrow; Dick Taffalian 1 silver arrow.

Under bear, Ronnie Campbell, bear badge; Bruce Simmons, bear badge; Under Lion David Bumann, silver arrow; Jay Hansor, gold arrow. Two years pins: Tom O'Neal, Tom Mitchell, Richard Rice, Lary Smith.

Den 10 has a new denner, David Dye; assistant, Terry Adams, assistant den mother, Faith Cookson.

Novi Boy Scouts
Troop No. 54 Novi Boy Scouts met last Wednesday and worked on the court of awards ceremony to be held May 17.

Twenty-four scouts turned in permission slips for the Early Bird campout at Kensington Lake May 1, 2, 3.

The Scout bus with boys and equipment will leave the community building Friday evening at 7:30.

Novi School Fair
Don't forget only one week left until the fair, May 8th from 5:30 to 9 p.m.

To be a success things are needed to sell as well as things to do. Please donate. You don't need to have a child in school to help make the fair a good one.

Needed items and people to contact for donations as follows: plants etc. for greenhouse, Mrs. Dye 349-2337; gifts for gift shop, Mrs. Anderson, GR 4-7009. Ten cent items for grab bag and dishes for dish toss, Mrs. Burton 349-2756. Can-

STUDENTS HONORED — Shown here with Police Chief Eugene King are four Northville elementary school students who have been honored as outstanding service girls (above) and patrol boys (below) during the month of March. The Girls, Mary Prodger of Amerman and Linda Wilson of Main Street School, will receive special awards from the Mothers Club at the conclusion of the school year. The boys, Jack Mowat of Amerman and Mark Hlohinec of Main Street, received pen and pencil sets from the Manufactures National Bank.

Local Men Head Roto Corporation

At the annual stockholders and directors meeting of the Roto Corporation, Detroit, the board of directors elected James H. McNeiece of Northville president and chairman of the board.

In Uniform

Fort Gordon, Ga. — Second Lt. Robert L. Bradshaw, completed an eight-week officer orientation course, April 24, at the Army Southeastern Signal School, Fort Gordon, Georgia.

Lieutenant Bradshaw was instructed in the duties and responsibilities of a newly commissioned officer in the signal corps.

The 23-year-old officer, son of Mr. and Mrs. Bruce Bradshaw, 19031 Sheldon, Northville, is a 1959 graduate of Northville high school and a 1964 graduate of Central Michigan University in Mount Pleasant.

Fort Knox, Ky. — Second Lt. John A. Bohm, 22, son of Mr. and Mrs. John H. Bohm, 11327 Fairfield, completed an officer orientation course at the Army Armor Center, Fort Knox, Kentucky, April 22.

Lieutenant Bohm was trained in the duties and responsibilities of an armor officer.

The lieutenant entered the Army in February 1964.

Lieutenant Bohm, a 1959 graduate of Bentley High school in Livonia, is a 1964 graduate of Eastern Michigan University in Ypsilanti. He is a member of Sigma Tau Gamma fraternity.

McNeiece has been executive vice president of the corporation for the past 12 years.

At the same meeting Raymond S. Anchors, also of Northville, was elected vice president, marketing, and a member of the board of directors. Anchors has been national sales manager since 1959.

The Roto Corporation manufactures many Roto home sanitation products and Solventol all purpose cleaner.

In accepting his appointment McNeiece stated, "Our move next month into our completely new plant facilities at Farmington, Michigan, puts all manufacturing under one centralized roof. The move results

from increased sales in all areas of our operations."

"Our new product planning section has already introduced a radically new stainless-steel non-clogging humidifier for use in home heating installations. It will be marketed and sold through our affiliate the Jaynell Chemical Company."

"All Roto grocery products are currently being sold nationally through our wholly owned subsidiary, the Aquaflo Corporation. These are in addition to our complete product line sold directly by the parent Roto Corporation."

McNeiece lives at 21045 Woodhill drive and Anchors lives at 44350 Chidworth drive.

GREATEST DEALS OF THE YEAR NOW during our Plymouthland celebration!

You'll always be welcome at Plymouthland. And you'll be treated right. The men at Plymouthland won't promise you fantastic trade-ins or impossible terms. They'll assure you of a perfectly fair price on your present car and often it comes to more than you'll get from other dealers. You'll find Plymouthland at your Plymouth Dealer's.

GIB BERGSTROM, INC.

200 S. Main St. Northville

SPEAKING for The Record

By BILL SLIGER

The announcement that the 14-acre fish hatchery site on Fairbrook has outlived its usefulness to the U.S. government and will be sold, if unwanted by any other federal agency, has triggered a mild scramble locally.

A pitch for the property has been made by the school district, township and city plus a group of private citizens interested in the newly-organized Northville historical society.

The property lies on both sides of Fairbrook and includes two houses on the north side plus the fish hatchery building, storage garage and grounds on the south side.

Land-wise, slightly more than 10 acres of the area lies in the township. The buildings and balance of the acreage is in the city. The entire area is, of course, in the school district.

I'm not aware that the city has a definite plan for use of the land but recreation has been mentioned. The school board is interested as a site for a new elementary school. The historical society would probably like one of the houses for display purposes.

Township Supervisor R. D. Merriam wrote to federal authorities regarding the portion in the township several weeks ago. He indicated that the township might use the property for a new township hall site.

Merriam pointed out, however, that the township portion is "landlocked" with access available only from Fairbrook in the city limits.

It appears that the 14-acre fish hatchery site offers ample room for all community needs — township, school, recreation, historical society.

But individual action could snarl the project in politics.

It's a perfect place for intra-community cooperation.

Without doubt, a unified effort by city, township and school officials would result in acquisition of the property for community benefit at a token price.

Let's try working together.

The decision by Schoolcraft college to ask for authorization to issue bonds totaling \$1,250,000 shouldn't prompt local taxpayers to fear a tax hike.

Northville's representative on the college board of trustees, Dr. Gordon Forrer, is steadfastly opposed to any millage increase just as his fellow board members.

Dr. Forrer explains that the June 8 vote, if favorable, will allow the college to spend money it is already collecting from local taxes and thereby gain an additional \$1,550,000 in matching state and federal funds for construction of new buildings.

The board now receives \$300,000 annually from the one mill tax levy in the community college district. Legally, it can use only \$250,000 for the building program. By earmarking the additional \$50,000 for retirement of a \$1,250,000 bond issue the college can take advantage of the matching funds available.

The result will be a \$2,800,000 building program to get underway immediately.

Schoolcraft, which doesn't open until August 31, already has nearly 400 more applications for entrance than the 990-student goal set for the first year of operation.

And Dr. Forrer believes greater growth can be anticipated after a year of experience.

Constructing needed new facilities now is "decidedly the right step," says Board Trustee Dr. Forrer.

We agree.

BOAT FINANCING NEW and USED

If you're buying a boat, float your loan through Union Investment! Union provides low-cost financing to fit your needs — whether you're purchasing a 10-foot run-about or a 60-foot cruiser.

Brewers Foam Under Beer Tax

LANSING — Despite general agreement among legislators during the past two years that increases in the beer tax have been unfair, a reduction in that tax must be sought again next year.

Bankruptcy proceedings of one brewery, largely blamed on the 430 per cent tax increase since 1962, seemed to have little effect on the deliberations.

Hopes were high this year when five Senators succeeded in getting a tax reduction proposal through their chamber. These hopes were squashed quickly when the proposal to cut the beer tax by \$7 million a year was killed by a House committee.

Just a few short years ago the per barrel tax on beer was \$1.25. Then came Michigan's cash crisis and beer was one of the industries to be included in the temporary "nuisance tax" package enacted to raise money quickly.

In the so-called temporary package, the beer levy was doubled to \$2.50 per barrel. This rate was reimposed practically before the temporary levy expired.

Then in 1962 there was a new

need for revenue and beer again came under scrutiny. By changing the tax base from the barrel to the 12-ounce bottle, the Legislature imposed the large jump in the levy. The equivalent of the new bottle tax was \$6.61 per barrel.

It was this increase that really brought the brewers to their feet and is blamed for the bankruptcy of one company.

A valiant struggle led by the Michigan Brewers Association to get the tax lowered again, now that the state anticipates a return to surplus, has gained only sympathy as time ran out in this legislative session.

The brewers' fight to get the reduction is getting like the axiom, "Everybody talks about the weather but nobody does anything about it."

Libraries serve their intended function as best as can be done with funds available, according to State Librarian Genevieve M. Casey. The limitations, however, are considerable.

A survey taken by the State Library in Lansing showed about one-eighth of Michigan's citizens use library facilities every week.

About 70 percent of this one million people are students with required reading for school and an active interest in the world about them. Others include a good number of business men and women, housewives, retirees and unemployed workers.

Information sought through libraries is available in about 75 per cent of the cases, the study showed.

Financial problems of the individual library systems were largely responsible for the failure to supply information or materials in the other 25 per cent of the cases, said Miss Casey.

"About 260,000 patrons every week are unable to get the books, pictures, films, phonographs and tape recordings they request because many of our libraries cannot afford first-rate collections and the necessary related services," she said.

Allocation of a proposed student scholarship program would be a new kind of political plum if House of Representatives approval is given to a Senate-passed measure.

The program, however, has widespread support from educators. It is seen as a start toward a long-awaited goal.

The proposal by Sen. William G. Milliken, R-Traverse City, called for nearly \$1.2 million in state scholarships originally but this was trimmed by Senate budgetwriters to \$500,000 during the first year of the program.

Providing over 600 scholarships of up to \$800 each for Michigan high school graduates, the plan would provide that three grants would be earmarked for each of the legislative districts and the other 190 or so scholarships would be awarded on a statewide competitive basis.

Despite the regional earmarking of some of the scholarship funds in this way, educators hoped this would be the

start of a much larger program to help needy students obtain a college education.

Private college administrators favored the scholarship plan particularly because they said the state support to public institutions now, in effect, provides financial help to students private and state schools.

Three years ago the Michigan Higher Education Assistance Authority was created under its jurisdiction as well with the responsibility of ad-

ministering a state student aid program. No funds were allocated for scholarships, however, so the Authority turned to private sources.

The Authority has been granting scholarships to students for more than a year now, at both private and state schools.

Approval of the proposed \$500,000 state scholarship program would considerably broaden the activities of the Authority since it probably will continue to allocate funds now under its jurisdiction as well as the new state monies.

Roger Babson

Farm Prices to Drop in 1964

BABSON PARK, Mass. — The farmers of our nation last year grossed about forty-one billion dollars, to set a new record. The big question now is: Will they do as well in 1964?

If farmers stick to their early 1964 planting intentions, U.S. crop acreage will just about equal that for 1963 and will be a small 2% above 1962. The Agriculture Department's Crop Reporting Board says that a total of 261,000,000 acres will be seeded to the 17 major crops covered in its March 1 planting intentions survey.

If we add the minor crops not included in that survey, the total for all U.S. crops this year will probably amount to 310,000,000 acres, — the fourth smallest ever recorded.

The Crop Reporting Board looks for declines in acreages seeded to barley, corn, flax, seed, and oats; but it expects these downturns to be offset by the larger acreages that will be seeded to soybeans and spring wheat. Our Babson commodity analysts foresee actual 1964 plantings a bit higher than the figure indicated by the Crop Reporting Board.

It is officially estimated that corn plantings will be 1.7% less than in 1963 and 7% below the

1958-62 average. The reason for this is that farmers have decided to take more of their corn land out of production so they can qualify for payments by the government under its new feed-grains diversion program. Even with this smaller acreage, however, most experts believe that corn output will equal the 1963 record of 4,081,395,000 bushels. I personally feel it may even top that figure.

Government reports on U.S. spring-wheat plantings indicate that there will be a boost of 6.5% from last year, but that the total will still be about 3% below the five-year average.

Of course, the new farm bill just enacted will encourage farmers to cut plantings back even more. But, assuming average yields per acre, I am convinced that total 1964 wheat production will still come very close to the five-year average.

While the wheat surplus does not loom so large as it did a

couple of years ago, that problem is still far from licked.

This spring the outlook for the cotton crop is more uncertain than usual, because some cotton was already in the ground before the new farm bill became law.

This law reduces farm price supports for cotton from 32½ cents to 30 cents a pound. Cotton growers had originally intended to plant just about the same number of acres as in 1963, which would be just below the five-year average of 15,435,000 acres.

My guess is that less land will be sowed to cotton now, though the cutback won't be as great as it would have been if the farm bill had passed earlier in the season.

The cotton provisions of the farm bill may be an improvement on the old "two-price" system, but I predict they will not be the cure-all some people expect. Continued government tinkering with production and

prices will make matters worse in the long run; it will simply postpone the day of reckoning for those farmers who cannot — or will not — adjust to economic reality and changing marketing concepts.

Some months ago everyone was excited at the prospect of Russia buying vast tonnages of wheat, and possibly other grains. But — although the Soviets have taken fairly sizable amounts — our hopes for really large shipments of wheat and other grains beyond the Iron Curtain have fizzled.

Grain surpluses are still with us. Although we have cut back our plantings, we are still over-producing.

For this and other reasons, we have right now considerable downward pressure on prices of farm products. Hence, I predict that 1964 farm prices — on average — will be a little bit lower than last year's. Farm income will do well to hold to its 1963 level.

Vandals Hit School, Damage Area Mailboxes

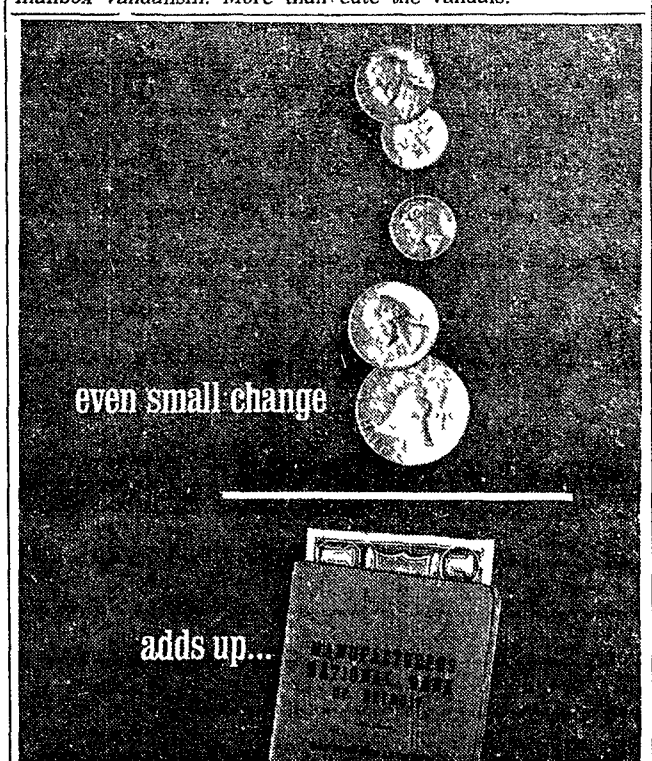

A mailbox and a storm window were smashed at the Wash-Oak school, located midway between Seven and Eight Mile roads on Currie.

Officials reported that vandals had ripped out the mailbox and thrown it through the school window.

Novi police were swamped with similar complaints of mailbox vandalism. More than

a dozen boxes were damaged or destroyed last Thursday and Friday in the western part of the village.

According to Police Chief Lee BeGole, the vandalism has been reported to postal authorities, and federal agents are working with local police in attempting to locate and prosecute the vandals.

IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S

Sport Coupes above: Corvette Sting Ray, Chevy II Nova, Corvair Monza, Chevelle Malibu, Chevrolet Impala.

5 different ways to make a big splash! without going overboard on price

It's get-the-cottage-ready time. Put-the-boat-in-the-water time. Baseball time. Trade 'N' Travel Time at your Chevrolet dealer's. Time to get out of that wintertime rut, into one of Chevrolet's five great highway performers.

Now it's easy to go on vacation first class—without paying a first-class price. In a luxury Jet-smooth Chevrolet, for example. This beauty rivals just about any car in styling, performance and comfort. Or try a totally new type of travel in the youthfully styled Chevelle. Lots of room inside—yet nicely sized for easy handling.

Now thrifty Chevy II has hill-flattening power. Unique Corvair offers extra power that accents its road-hugging rear engine traction. And the exciting Corvette speaks for itself.

Yes, right now is new car time. T-N-T Time. Time to get the most fun from a new car. To get a great trade on your old one. To get a big choice at your Chevrolet dealer's. Come on in!

CHECK THE T-N-T DEALS ON CHEVROLET • CHEVELLE • CHEVY II • CORVAIR AND CORVETTE NOW AT YOUR CHEVROLET DEALER'S
