SIX IN RACE FOR TWO 4-YEAR TERMS

THREE TRY FOR SINGLE 1-YEAR TERM

Frank W. Angle

Eugene K. Cook

Mrs. Arthur Hempe

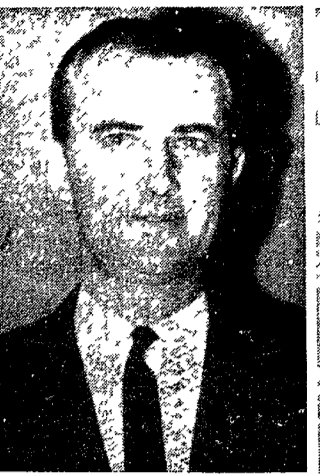

James F. Kipfer

Arthur J. Prodger

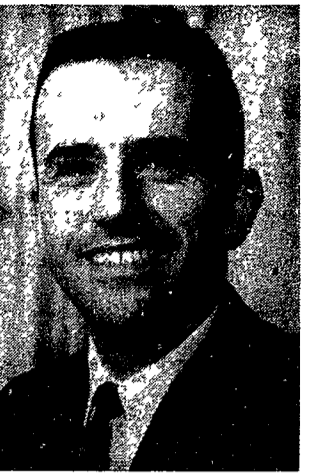

Hurd H. Sutherland

George H. Bown

Mrs. Anne M. Lang

Elmer O. Weber

44955 Thornapple Lane, resident since 1957, four children — three in local schools; undergraduate work at University of Connecticut and U of M, law degree from Boston University School of Law; is a member of the labor relations staff of General Motors and has taught at New Haven (Conn.) junior college; previously labor relations director and personnel director for GMC at Bristol, Conn.

118 S. Ely drive, resident 4 1/2 years, three children in local schools, mechanical engineering degree from General Motors Institute; sales engineer for government sales department of GM; member city planning commission three years. board of directors Northville Area Development Corporation; membership chairman, P-TA; president Amerman P-TA and P-TA area council.

46246 Fonner Court, a housewife and mother of five school age children; moved to Northville three years ago; a registered nurse and has done post-graduate work in surgery, organized surgical department and authored "Operating Room Technique"; active in P-TA, Newcomers Club, United Community Services, and helped organize volunteers for retarded children at Plymouth State Home.

914 Ely Court, resident since 1948, two children in local schools; degrees from Western Michigan and of U of M; is assistant executive director of Michigan Society for Mental Health, director of children's division; also serves on part-time faculty of Wayne State University; serves as advisor to several child guidance organizations; is completing first term and is vice president of Northville school board.

208 N. Ely drive, resident 17 years, four children in local schools and one pre-school age; attended Syracuse university, entered U.S. Air Force, then continued education in accounting, business administration and traffic management; active in boy scouts, civil defense, first president P-TA area council; is employed as vehicles' specifications coordinator, Ford Motor Company.

418 Dunlap, resident since 1949, A.B. degree from Harvard University; married with four children — three graduates of Northville high school; employed in the central office, appropriation control, Chevrolet Motor Division, GMC; formerly instructor at Ferris Institute, Chevrolet budget control and Ford Motor Company budget and project study.

202 Debra Lane, resident five years, four daughters at Amerman elementary and one pre-school age daughter; A.B. degree from Tufts University and master's in social service from Boston University; is assistant professor in graduate school of social work at U of M, also responsible for federally-sponsored training project at Plymouth State Home; serves on several committees for retarded children; has taught at Flint Junior College.

46670 Stratford Court, two-year resident, attended Highland Park junior college, MSU and received B.S. degree from Wayne State; three children, two in local schools, one a graduate of NHS and now at U of M; Northville State Hospital auxiliary vice-president, active in Town Hall, United Community Services and P-TA; served on Mequon, Wisconsin school board two years as clerk.

20369 Woodhill, resident one year, bachelor's and master's degrees from U of M, 1948 and '49; married, two children in local schools, chairman school bus safety committee, president-elect Main street P-TA and P-TA delegate to school board, president Northville Players Guild; works as manager, salaried personnel and training department, General Parts Division, Ford Motor Company.

Ballot Also Asks OK Of College Expansion

SEE STATEMENTS BY CANDIDATES, PAGE SEVEN, SECTION TWO

With the biggest field of candidates since 1960 the Northville school board election is expected to attract more than 1,000 voters to the polls Monday, a 25 per cent turn-out.

Nine names will appear on the ballot with three seats to be filled. In addition voters will decide whether Schoolcraft college will be permitted to issue \$1,250,000 in bonds and to use the proceeds with some \$1,550,000 in matching state and federal funds to build four of the remaining buildings projected in original planning.

Candidates seeking the two four year terms are incumbent James Kipfer and Frank W. Angle, Eugene K. Cook, Mrs. Arthur Hempe, Arthur J. Prodger and Hurd H. Sutherland.

Of Constable's Duties

Board Perplexed By Definitions

The Northville township board got all tangled up in definitions Tuesday night.

The confusion arose when Trustee Donald Robinson brought up the matter of the constable's duties.

Before the evening was over opinions were registered by members of the audience, most board members, the township attorney and an attorney for the Michigan Constables Association.

In the end the board unanimously adopted the following resolution: "that the board inform the constable that action as a police officer within the township is not authorized by any official action by this board".

But Supervisor R. D. Merriam hastened to add that this did not constitute a reprimand of Constable Richard Mitchell. Instead the supervisor praised the conscientious attention to duty of Mitchell, both as a constable and dog catcher.

Robinson pressed for a vote on his motion. At one point he accused the majority of the board of not wanting to act on the issue.

Trustee Wilson Tyler criticized the supervisor for having stated at an earlier meeting that township residents needing police (or peace officer) assistance could call the constable. The offer was printed in the newspaper. Like Robinson, Tyler pressed for a clear definition.

It was Robinson's contention that the township "was doing the constable an injustice". He said the board should either support him as a police officer or make it clear it does not support his police activities. He said he preferred the latter.

Attorney James Littell urged the board to make a clear definition. He said without a cloak of authority from the board he did not think the constable was responsible for the constable. Littell pointed out that Mitchell was an elected constable with peace officer rights.

representing the Michigan Constable Association, stressed that Mitchell was protected by a \$5,000 bond, that he was a peace officer and had broader powers than a police officer, but that Mitchell did not wish to do anything the board didn't want.

Constable Mitchell was concerned with whether or not to answer phone calls for help.

Under the resolution adopted, it appears the matter is left up to Mitchell to decide.

Supervisor Merriam said he would call the constable "if someone was breaking into my home". He said he could not see a reason for Robinson's motion, but agreed to go along with the understanding it did not reflect on Constable Mitchell's performance. Clerk Marguerite Northup and Treasurer A. M. Lawrence made similar statements. The resolution passed unanimously.

In other business Tuesday night the board approved an amendment to the zoning ordinance making all public land zoned R-1-E. It also approved bonding for the special assessment for Detroit water in Plymouth Gardens; asked Littell to devise a resolution for charging residents within the water assessment district who did not enter the assessment, when or if they ever desire to tap-in; considered fees for requests to review plans for soil removal and okayed purchase of new lighting in the township hall. Tyler opposed the latter asking that a system for submitting bids be adopted.

School polls are located in the community building and will be open from 7 a.m. until 8 p.m.

Error on 'Speaking'

"Speaking for The Record" erred last week in naming a Farmington township constable as the companion of Constable Richard Mitchell when the latter was on traffic-control duty in Shadbrook subdivision a week previous.

His companion was Jerome Friedman of Livonia, president of the Michigan Constables Association.

Tuesday night Constable Mitchell also pointed out that an action that did draw a complaint from a resident was taken in the interest of protecting

children and enforcing the law against unleashed dogs. In his duty as dogcatcher, he said he instructed a resident of the area to tie-up his dog.

While it would appear that the township board by its action Tuesday night was suggesting that the constable limit his "police" or "peace officer" activities, Mitchell pointed out that he had taken an oath to serve as a peace officer and was bonded. The constable said he would continue to perform his duty and pointed out that his failure to do so could result in a fine.

Township OK's Allen Annexation

Downs Opens Monday

Northville Downs opens its 48th night harness race meet Monday night with high hopes that its 21st year of racing will be its best.

Executive Manager John Carlo predicts a 10 to 15 per cent increase in attendance and mutual handle.

Last year the local track recorded a mutual handle of \$10,767,000 in a 45-night meet.

And in 1963 the city of Northville realized a record \$110,000-plus in tax rebates from the state's share of the mutual handle. Based on Carlo's expectations, the city could receive \$125,000 from racing at Northville Downs this year.

Carlo says the Downs' track is in excellent condition and that stall applications are overflowing. Some 1,400 requests for barn accommodations have been received. The track can handle only 800.

In the way of improvements Carlo points to the new parking area at Beal and River streets. The area will accommodate 200 cars and a new exit gate on River street will take some traffic pressure off Beal and Center streets, Carlo stated.

The new parking area was developed by covering the stream crossing Beal with concrete. It is being enclosed by new fence this week.

Carlo expects opening night to surpass the fewer than 3,000 turn-out that braved bad weather last year.

This year's meet will feature 10 races nightly with post time for the first race at 8:15 p.m.

Council Sets Hearing On 1964-65 Budget

Northville's city council set a public hearing on the proposed 1964-65 budget for June 15, the next regularly scheduled council meeting. The proposed budget shows expenditures of \$409,055.

After dealing with regular city business Tuesday night, the council agreed to meet Wednesday to discuss the budget. The tentative budget, therefore, may change slightly with further study this week. (For a breakdown, see page 6).

A letter from Scott Krause, 47243 Dunsany, in Northville Estates subdivision, was read to the council Tuesday. Krause was protesting the assessed valuations of his home and some of his neighbors', which, he said, had assessment discrepancies of \$2,000 to \$4,000 compared with comparable homes in the area.

After protesting to the board of review, he stated, the board agreed to inspect the homes. Krause said they merely "drove past" on a Saturday.

City Engineer and Assessor Harold Penn declared he personally has been in "almost all the houses" in question and had accompanied the board of review on its Saturday tour. After entering one home, Penn recalled, the board "saw no reason to go further."

Penn agreed that "evidently discrepancies exist among those

assessed" but felt that it was the comparable homes which might be under-assessed. Penn and City Manager Bruce Pott-hoff reported they had talked with the residents of the area a number of times, most of whom occupied their new homes last summer, and had assured them that discrepancies will be adjusted this summer.

At the request of Councilman John Canterbury, the council will be provided with a list of assessed valuations of the homes of the Estates residents mentioned in the protest. The council was told that the houses in question were assessed at "around \$10,000 or \$11,000."

The council also heard a protest from Thomas Campbell, 246 Wing court, regarding drainage from the scout and recreation building into his garage. Three weeks ago, he complained, water ran out his garage doors, soaking the possessions of his son which temporarily had been stored there.

The city engineer reported that future plans call for catch-basins when tennis courts are installed. Mayor Allen, pointing out that residents had been plagued with drainage problems for three years, said he felt steps must be taken to improve the situation at once. A study was authorized with the council to receive a report at

its next meeting.

The council voted unanimously to rezone the former offices of the late Dr. V. George Chabut at 206 W. Dunlap street at the intersection of Wing street from C-2 (general commercial) to R-2A (multiple dwelling.) This was the second reading of the zoning ordinance amendment with action being taken after an explanation of high density projections for the area from Planning Commission member Harvey Ritchie.

James Dingwall, 225 S. Ely drive, was approved for the vacancy on the planning commission with the provision that he resign his board of appeals post. The planning commission post has been unfilled since Al Smith moved to Alpena early this spring.

The council agreed to send a letter to the state liquor control commission recommending a resort liquor license for Northville Lanes bowling alley, 132 S. Center street. Its owner, Angelo Gadioli, requested the council's help to obtain one of 15 resort licenses due to be issued in the state this year.

He said he had "long resisted" seeking a license, but that to be competitive in the area one would be needed. He outlined a planned \$100,000 expansion which included a \$65,000 building addition with six additional rooms.

Both the clerk and treasurer said they did not believe they had the right to give away township property. Supervisor Merriam said he still favored the request in the interest of community harmony and he called for the vote.

In a move that seemed to catch even some board members by surprise the Northville township board reversed itself Tuesday night and granted annexation of property owned by Mayor A. M. Allen to the city.

The vote was 3-1 with Clerk Marguerite Young abstaining.

Earlier this year, February 4, the board had rejected the proposal by a 3-2 vote.

This time, however, Trustee Wilson Tyler reversed himself. Supervisor R. D. Merriam and Trustee Donald Robinson voted YES again, while Treasurer A. M. Lawrence stuck to his original NO vote.

Merriam, Robinson and Tyler all cited "harmony with the city" as being one of their principle reasons for supporting the land switch.

It was Robinson who introduced the subject towards the end of the meeting. The matter did not appear on the agenda.

The issue arose early this year after Mayor Allen purchased a home and 2 1/4-acres at 900 Scott avenue. He asked the city council and township board to agree by joint resolution to annex the property to the city. The council approved, but the township balked.

In asking for a new vote on the issue Robinson said that cooperation between the city and township was lacking and that approval of the annexation would "prove our sincerity."

He also said the tax loss was only \$8 per year and called the annexation "inevitable anyway." The trustee further noted the announced intention of Councilman John Canterbury to resign. He suggested the loss of Canterbury and Allen would be harmful to the council. It had been predicted that Canterbury would take over as mayor of the city when Mayor Allen moved to the township and gave up his city office.

Trustee Tyler then spoke up and stated that he opposed the original proposal because "I thought it was out of order in the manner presented." He suggested that the mayor may have been misinformed as to the sentiment of the board when he first sought annexation.

Tyler said he would favor it now in a sense of community cooperation and a belief that if any township property owner wants "out", he should be obliged. He seconded Robinson's motion.

To Honor Students Friday

The annual Northville high school honors convocation will be held Friday evening at 8 p.m. at the Northville high school auditorium.

Scholarship awards totaling more than \$10,000 as well as academic and athletic awards will be made.

An award will be made to both the valedictorian and salutatorian, Anna Martin and Anne Hembrey. Principal Fred Stefanski will present the honorees and the awards will be made by Superintendent of Schools R. H. Amerman.

The honors program is arranged by the Honor Society and Student Council with Mrs. Violet Bradford acting as faculty advisor.

Northville public schools close for summer vacation on June 12. Baccalaureate services are Sunday, June 14 at the high school gymnasium at 8 p.m. and commencement June 15 at 8 p.m.

Jaycees Set Community Barbecue

Northville residents will be invited to "meet your neighbor" at a community barbecue at Ford Field on Sunday afternoon, June 14.

The idea of becoming better acquainted is being sponsored by the Jaycees.

Co-Chairmen Doug Harger and Roy Herald point out that one of the main complaints registered in the Jaycees' community survey was that newcomers find it difficult to become acquainted with the older residents.

To remedy this the Jaycees are sponsoring the outdoor barbecue plan.

Dinner will be served from 1:30 until 4:30 p.m.

Ernest William Ebert, III, And Rhode Island Girl Wed

Veronica Ann O'Connell, RN, and Ernest William Ebert III, were married April 25 in St. Joseph's Church in Pascoag, Rhode Island. The Rev. Daniel C. Holland officiated at the double-ring ceremony. The church was decorated with pink and white carnations, snapdragons and huckleberry greens.

The bride is the daughter of Mrs. James F. O'Connell and the late Mr. O'Connell of Pascoag. Mr. Ebert is the son of Mr. and Mrs. Ernest Ebert, Jr., of 218 West Dunlap street, Northville.

Mrs. William H. Belcher of Triangle, Virginia, sister of the bride, was matron of honor. Bridesmaids were Mrs. Robert Howard and Miss Nancy Pascoe. The flower girl was Cathy Anne Lima, the bride's god-

child. Ring bearer was Michael J. McGrane, the bride's cousin.

Robert Ebert of Northville was his brother's best man. Ushers were William J. Connell, the bride's cousin, and Elmer C. Skaggs.

Escorted by her brother-in-law, Sgt. William H. Belcher, USMC, the bride wore a silk organza and chantilly lace gown with chapel train, front lace bodice, long lace sleeves and scalloped Sabrina neckline with pearls and sequins. Her bouffant skirt was detailed with lace and matching rosettes. Chantilly lace trimmed the border of her train. She wore her mother's silk illusion chapel veil with rose edge attached to her lace cap. She carried a prayer-book with an

orchid and streamers of carnations and stephanotis.

Mrs. Belcher chose a short sheath dress of white silk organza with orchid embroidery on the bodice and orchid taffeta sheath skirt detailed with a bow in the back. She had a detachable controlled long overskirt in orchid taffeta and wore a matching rosette veil. She carried a colonial bouquet of light pink carnations with a cluster of violets in the center and orchid ribbons. The bridesmaids wore similar gowns of pink.

The flower girl wore a long gown of white silk organza with orchid embroidery on the bodice and an orchid controlled-skirt with bow in back. She carried a basket of pale pink carnations and purple statice.

The bride's mother wore a blue dress with matching accessories. The groom's mother wore a beige dress with green accessories. A reception followed. After a trip to the Pocono Mountains of Pennsylvania, the couple will reside in Harrisville, Rhode Island.

The bride is a graduate of Nursing in New London, Conn. She is head nurse at Zambare Memorial Hospital, Wal-lum Lake.

Her husband, recently discharged from the Navy, is a graduate of Northville high school and attended Olivet college.

Engaged

A2C Sherry Coykendall

Mr. and Mrs. Guy Coykendall, 47150 Seven Mile road, have announced the engagement of their daughter, A2C Sherry Coykendall, to A1C Ellwood D. Manning, son of Mr. and Mrs. Ralph Manning of Anselmo, Nebraska.

Both Miss Coykendall and Mr. Manning are members of the Air Force stationed at Travis A.F.B. in California.

A September 4 wedding is planned. The date will also mark the 35th wedding anniversary of Mr. and Mrs. Coykendall.

Jaycettes Install New Officers

The Jaycettes held their annual Installation Dinner this month at Hillside Inn. The new incoming officers are: Mrs. Dick Norton, president; Mrs. Clancy Ely, vice president; Mrs. John Macauley, secretary; and treasurer, Mrs. Ken Roberts.

The new officers take over at the June meeting. The installation was combined with the Progressive Dinner this year and hors d'oeuvres were enjoyed at the Dick Norton's and after dinner a party at the Clancy Elys.

IN MEMORY — Flowers were placed last week at the grave of Sarah Ann Cochran in memory of the woman whose name the local chapter of D.A.R. bears. The flowers were placed by C.A.R. members (kneeling, l. to r.) Betsy and Susan Benson and Sue Entz (standing with shovel). Looking on are Mrs. Eugene Entz and Mrs. T. H. Benson.

Listening Post Lists 1964-65 Speakers

A varied slate of speakers has been selected for the 1964-1965 Listening Post Lecture Series sponsored by the area branch of the American Association of University Women.

Mrs. John Haas of Plymouth, Program Committee Chairman, announces the following dates and speakers:

October 21, 1964: Wesley H. Maurer, Chairman of the Dept. of Journalism at the University of Michigan. His subject is "The meaning of the Conflicts of our Time", dealing with political, social and economic aspects.

January 28, 1965: Charles A. Blessing, Director of the Detroit City Planning Commission, and a member of the American Institutes of Architects and Planners. His subject: "Comprehensive City Planning and Development".

March 2, 1965: Ernst and Evelyn Scheyer (Mr. and Mrs. He is Professor of Art History and Humanities at Wayne State University; she is a concert pianist. Mrs. Scheyer will demonstrate the type and mood of the period he discusses in: "Romanticism

and Impressionism: Tradition or Revolution".

The lectures will be held in the Plymouth high school auditorium at 8:30 p.m. Tickets for the series are \$4 and all profits go to the AAUW Fellowships Fund and a Schoolcraft College Scholarship. For further information or tickets, call Mrs. R. Weller at GL 3-3047 or Mrs. D. VanHine at FI 9-3015.

She's Named School Editor

Connie Tegge has been named editor-in-chief of the Ladywood Star for the 1964-1965 scholastic year.

Connie is the daughter of Mr. and Mrs. George Tegge of 16580 Franklin road, Northville. She was formerly page one assistant editor of the Star. Her editing began with the May 27 issue and continues for the whole of the fall academic year.

Connie plans to attend a journalism workshop this summer.

VOTE JUNE 8th

FRANK W. ANGLE

A CANDIDATE FOR THE
NORTHVILLE BOARD OF EDUCATION

STANDS FOR THESE PRINCIPLES:

1. A sincere interest in Education and an abiding faith in its contribution to our Democratic way of life.
2. An open minded attitude and an ability to think independently, to rely on facts rather than prejudice, to hear and consider all sides of controversial questions.
3. A sense of loyalty to associates and decisions cooperatively reached.

(Pd. Pol. Adv.)

In Our Town

By Jean Day

A RARE DAY in June awaits Northville branch members of the National Farm and Garden association and their guests who will see some of our town's loveliest gardens on a Garden Walk next Monday.

Gardens will be open between 10:30 and 12:30 preceding the monthly luncheon meeting at the home of Mrs. B. W. Baldwin, 19810 Meadowbrook road. Luncheon co-hostesses are Mrs. Ernest Wood and Mrs. C. W. Whittlesey.

Mrs. Whittlesey's garden on Woodhill road is among those included in the walk. It features a greenhouse in which she raises delicate miniature orchids. Neighboring gardens on the walk are those of Mrs. George E. Miller on Bloomcrest, chosen for its poolside landscaping, and of Mrs. Edwin Mueller, on Fonner court west, with colorful banks of flowers.

Also in bloom for Monday's walk are the gardens of Mrs. E. O. Whittington on Stratford court. While Mrs. Whittington has been touring European gardens, her husband has been tending their own, which must equal many of the outstanding ones she has been viewing.

Other members opening their gardens for the walk are Mrs. Donald Ware, Mrs. D. Hurd Clark, Mrs. Charles H. Walker and Mrs. William Walker, Jr.

Should garden clubbers spot a stray weed Monday, walk chairman Mrs. William R. Slattery might well quote James Russell Lowell, who authored the phrase, "What is so rare as a day in June?", and who also said, "a weed is no more than a flower in disguise."

Past President Mrs. George Kohs also has invited garden club members to drop in to see her Victorian garden on Cady street. When she turned the garden club gavel over to Mrs. John Eggle at the annual May meeting, Mrs. Kohs was presented with a silver tray in appreciation of her service.

Other newly installed officers are Mrs. William R. Slattery, first vice president; Mrs. E. O. Whittington, second vice president; Mrs. C. W. Whittlesey, recording secretary; Mrs. Karl Weiss, treasurer; Mrs. Douglas Straith, corresponding secretary.

Special invitations for the Garden Walk have been sent to past presidents, who will be honored at the meeting following. Plans also will be completed for a summer guest-day picnic July 13 at the Eight Mile road home of Mrs. William Walker, Jr.

A SILVER TEA to help provide funds to furnish the new Sunday school wing now under construction at Northville Presbyterian church is planned from 2 to 4 p.m. June 12. Mrs. Charles H. Walker is opening her home on Cambridge road, opposite Meadowbrook country club on Eight Mile road, for the tea. All women of the church, and guests as well, are invited.

NORTHVILLE ESTATES civic association is planning to update its entrance sign, which says, "130 Children Play Here!" to read, "143 Children Play Here!"

Child safety is one of the topics to be discussed at the general dinner-business meeting at 8 p.m. Saturday at Aunt Jenima's Kitchen, Wixom road near Grand River. A social hour at 7 p.m. will precede dinner with the business following at 9:30 p.m. Approval for the budget and a ball field for children are on the agenda. Mrs. Earl Egbert is in charge of dinner arrangements.

New residents Mr. and Mrs. Clyde Vadner, who moved here from Grosse Pointe, will be introduced and welcomed. Mrs. Vadner already has met some of her feminine neighbors at a get-acquainted coffee given last week by Mrs. Egbert.

Northville Estates officers for the coming year are Clarence Hinck, president; Scott Krause, vice president; Mrs. Egbert, secretary; Mrs. Duane Butler, treasurer; Bernard Bach, Robert Brueck and Ward Hummel, board of directors.

Northville Players Guild CURTAIN CALLS

THEY'RE STARRING

Like any good ship, a musical comedy cannot be launched without an able captain and a competent crew.

Dr. Hans Kolbe, who is charting the course for the Northville Players Guild's coming production of "The Geisha," has two very able "hands" in cast principals Geraldine Mills and Tom Williams.

For her stage roll Geraldine portrays the diminutive, delicate Mimosa San, number-one geisha at The Teahouse of the Ten Thousand Joys. She's romanced by an English naval officer, coveted by the province's chief magistrate and engaged to a Japanese lieutenant.

All at the same time.

Geraldine's real life roll is about as far from a geisha's as Northville is from Tokyo.

Off stage the lyric soprano looks after a home, husband, three sons and a daughter instead of a teahouse populated by English sailors and Japanese nobles.

A local resident seven years, Geraldine hails from Port Huron. Her piano students and several clubs and groups throughout the area are profiting from the training she received at the Sherwood Music School in Chicago.

Geraldine directs the choir at Pilgrim Congregational church in Livonia. She and her family are members of the First Methodist church here. She's sung with the Methodist choir and took a turn as soprano soloist for "The Messiah" one year.

She has also provided the piano accompaniment for an elementary school spring program and office oratorio performances for smaller audiences.

How did Geraldine find Mimosa? She has been keeping an attentive eye on players guild activities, since the group's inception last year and frankly admits the musical is "What I've been waiting for."

Playing opposite Geraldine is (Tucker) Tom Williams, who, as Lieutenant Reginald Fairfax of the British navy, embraces the motto "When in Japan, do as the Japanese." Reggie embraces Mimosa along with the motto until his fiancée comes along to upset the rickshaw.

While his roll in "The Geisha" marks Tom's first appearance with the local theatre group, the young baritone is no stranger to Northville. He's one bright note in a fairly talented music makers.

His father, William G. Williams, is music director at the First Presbyterian church where his mother is the organist. He has two singing sisters who both toured with the highly acclaimed Michigan Chorale.

Before going on to University of Michigan campuses in Ann Arbor and Dearborn, Tom sang in Northville high school productions, including the "H.M.S. Pinafare" and acted in the high school production of "Harvey."

In Ann Arbor he directed the Theta Xi fraternity chorus. A music hobbyist who plays the saxophone and piano and likes jazz, hot and cool, Tom now finds himself juggling school books and a "Geisha" script. He'll be a candidate for a bachelor's degree in business administration when his cooperative work-study program at the U-M Dearborn campus is completed.

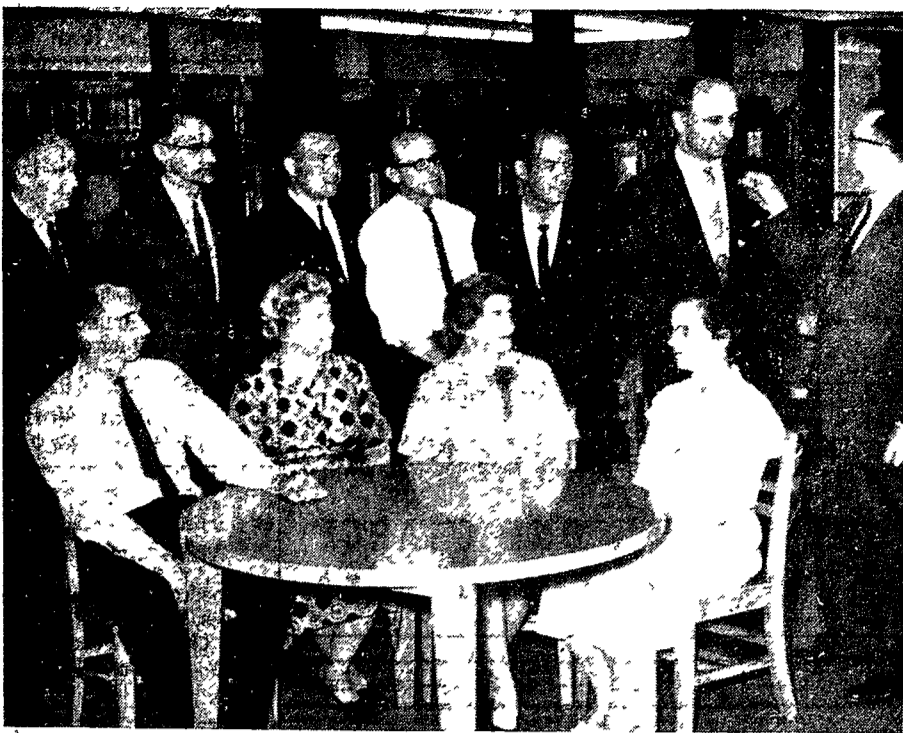

Tom and Geraldine will sing and act in three performances of "The Geisha" on June 25, 26 and 27 at the Northville high school auditorium.

Contact players guild members for tickets.

PROPERTIES NEEDED
Coy Sandrock and Kay Kennedy, working on costumes and properties for "The Geisha," are looking for the following items:

—dress White Navy officers uniforms;
—old umbrellas that can be remade into parasols;
—black wigs;
—old formal and ballgowns that can be salvaged for their materials; and
—long swords, or sabers.

Anyone who would like to volunteer these items should contact Kay Kennedy at 349-4688.

P-TA HONORS TEACHERS — Teacher service pins are being awarded again this year by Northville's four P-TA organizations. All honored teachers with the exception of Mrs. Charles Quinlan, who could not be present, are pictured above with the Reverend Lloyd Brasure, high school P-TA president. The high school P-TA will award its pins June 5. All other P-TA's have already made the presentations. Pictured above (l. to r.) are: (seated) Charles Yahne, Mrs. R. N. Stillson, Mrs. Dave Longridge, Jr., Mrs. Isabelle Spooner; (standing) LaGene Quay, Arnold Anderson, Ralph Redmond, Robert Williams, John Hyde, Fred Stefanski and Reverend Brasure. The pins are presented annually to express P-TA appreciation and gratitude to the teachers for merit and length of service. To date 71 pins ranging from five to 35 years have been awarded.

AWARD WINNERS — Mrs. William Tucker, president of Our Lady's League, is shown above presenting \$100 checks to Rose Zywiec and Steven Williams, who scored highest on the annual scholarship test given graduating eighth graders. Rose is the daughter of Mr. and Mrs. Edward Zywiec of 21430 Summerside Lane, while Steven's parents are Mr. and Mrs. John Williams of 24036 Glen Ridge court. Henry George (inset at right) was the winner of a full year's scholarship to U of D high school. He's the son of Mr. and Mrs. Lloyd George of 40958 Matton.

Senior Band To Present Recital

Seniors in the Northville high school band will present a recital Tuesday at 8 p.m. at the high school auditorium.

The performance will feature solos on the trombone, bassoon and clarinet; duets on the flute, saxophone and cornet; and a woodwind quintet that was featured in the solo and ensemble festival earlier this year.

The program is under the direction of Leslie Lee and Robert Williams. There will be no admission charge.

Rainbows Install

Leslie Fulton was installed as Grand Representative to Nevada in ceremonies Tuesday, May 26, of the Northville Assembly number 29, Order of the Rainbow for Girls.

Other new officers installed were Shona Davies as Grand Charity and Mrs. Ida B. Cooke as chairman of the Grand Arc committee.

In the grand assembly attended by 14 girls and three chaperones, Enid Penn and Cindy Smith were elected to the choir.

Newcomers To Elect

The Newcomers Club will meet Saturday, June 13 at 7:30 p.m. at the home of Mr. and Mrs. Jack Ruland, 533 Langfield.

There will be a potluck dinner with election of officers following. All members are requested to attend. For reservations please contact Mrs. P. Prasad at FI 9-9941.

News Around Northville

The Bruce McAllister family of the House of Decorating have returned from a two-week trip to Washington D.C. and Williamsburg, Virginia. It was a combined business and social trip.

Mr. and Mrs. William Gaab of Fairbrook returned home Saturday from a week's vacation in northern Michigan.

The Presbyterian Women's Association annual spring tea will be held Wednesday, June 10 at 1:30 a.m. in the home of Mrs. Gunnar Stromberg, 20138 Whipple drive.

The Jon Karau family, formerly of 1002 Canterbury, is now living at 3279 S. Perkins road, Memphis, Tennessee.

John Peat arrived home last week from his studies at Carlisle Military school, Bamberg, S.C., to spend the summer with his mother, Mrs. J. M. Peat of River street. He was recently promoted to Sergeant.

The Zoner school of arts will hold its annual exhibit Sunday, from 10 a.m. to 5 p.m. at the Masonic Temple in Commerce. Over three thousand paintings will be on display. Among them will be work by several Novi artists including Mary Grimes, Janet Davidson, Florence Makin, Eleanor Coe, Lilian Parrish, Tom Brooks and Gertrude Oslin.

Mrs. William G. Troy of 709 Spring drive has returned to her home after a four-week stay at St. Joseph's Mercy hospital in Ann Arbor. Mrs. Troy underwent surgery on her back.

The Troys celebrated their 28th wedding anniversary on the day Mrs. Troy returned from the hospital, Saturday.

World War I veterans and their wives, Barracks 267, will meet Sunday at 3 p.m. at the Memorial building, 173 Main street in Plymouth. Members and prospective members are invited to attend.

Births

A son, Kenneth Carl, was born May 26 at St. Mary hospital in Livonia to Mr. and Mrs. Jack Sweet of Plymouth. The baby weighed seven pounds. Mrs. Sweet is the former Connie Schoch of Northville. Grandparents are Mr. and Mrs. Otto Schoch of Yerkess street and Mr. and Mrs. Carl Sweet of Detroit.

A girl, Kristen Lee, weighing eight pounds and one ounce was born May 8 at St. Mary hospital to Mr. and Mrs. Ronald Auringer, 47115 Grasmere.

College to Use Off-Campus Gym

Since Schoolcraft college will not have its own physical education facilities during the first years of operation, arrangements have been made for off-campus facilities. Schoolcraft college women will be able to take their physical education at Ladywood high school, a building which college officials report offers excellent facilities. Through the cooperation of Sister Mary Lilloose, principal of the high school, a satisfactory arrangement has been worked out.

Men's physical education will be taught at the Northville state hospital. The college will be able to use both gymnasium and swimming pool facilities. Dr. Philip N. Brown, Medical Superintendent, cooperated with the college to make possible this arrangement.

Parochial Schools Close Next Week

Graduation ceremonies for members of Our Lady of Victory school will be held Tuesday evening at 7:30 p.m.

Summer vacation begins at the conclusion of classes for Our Lady of Victory on Friday, June 12.

Graduation day will begin with an 8 a.m. mass followed by a breakfast for graduates and their parents at the social hall. The breakfast is sponsored by the mothers of seventh grade students.

An annual picnic scheduled

for Wednesday, June 10 will draw a close to classes for the summer for students of St. Paul's Lutheran school.

School Superintendent Warren Zabel reported that two students will be graduated from the eighth grade in graduation ceremonies at the 10:30 church services Sunday, June 14.

The graduates are Phyllis Marz and Frank Martin.

Graduation certificates will be presented by Joseph Shipley, chairman of the board of Christian education.

VFW, Auxiliary Install Officers

The Veterans of Foreign Wars, Northville Post 4012, and their women's auxiliary, held a joint installation of officers at the post home. The installing officers were Walter Sousa for the veterans, and Dorothy Perry for the auxiliary.

The officers for the coming year are: Commander, Horace Nelson; Sr. Vice Commander, Ernest Ash; Jr. Vice Commander, Ray Paquin; Quartermaster, Charles Ash; Adjutant, Fred Robinson.

The officers for the auxiliary for the coming year are: President, Mrs. Walter Sousa; Sr. Vice President, Mrs. Clayton Myers; Jr. Vice President, Mrs. William Braun; Secretary, Mrs. Tom Moxie; Treasurer, Mrs. Lawrence McArthur.

Special guests present for the installation were Lawrence Rebbann, commander elect for the 4th District, and representing the 4th District, and Mrs. Beatrice Carlson, city councilwoman in Northville. Several members of the Plymouth Post 6895 also attended. Dinner was served after the installation.

Showered

Judith Benson, daughter of Mr. and Mrs. Theodore H. Benson of 38620 Morningstar drive, shower given by 28 girls in Stockwell Hall in Ann Arbor, was surprised at a personal where she is a student.

Also in May a miscellaneous shower was given by Mrs. Ernest Schultz and Mrs. Robert Cook of Ferndale for 32 guests. A pantry and kitchen shower will be given at the home of Mrs. William B. Conn, Bloomfield Hills, on June 24. Co-hostesses will be Mrs. Edward Casselman and Mrs. Kenneth Krabbenhoft.

Judith will be married to Michael Crain on August 8 at the First Presbyterian church of Northville.

DEADLINE
TUESDAY NOON

1-Card of Thanks

I wish to thank my relatives, friends and neighbors for the get well cards sent to me while I was in the hospital and since my return home.

Many thanks to all who kindly sent cards and flowers to cheer me during my stay in the hospital.

Due to the recent loss of our dear mother, Mrs. Nellie Driver, we wish to express special thanks to all the good friends and neighbors for their acts of kindness and sympathy at this time. Also to Phillips Funeral Home and Rev. Riedesel.

The family of Nellie Driver.

I would like to thank my friends and neighbors for cards sent to me during my stay in the hospital also Dr. Capuzzi for kindness shown to me.

PEACEFUL

Best describes this 2-bedroom home — living room — dining room — kitchen — partial basement — large screened porch — hot air heat — 2 field stone fireplaces — this home has 60 ft. of lake frontage — sits on a high hill overlooking the lake — many stately trees \$11,500, terms.

Downtown Plymouth

Council

Continued from Page 1
ditional alleys and black top
parking on additional property
already acquired for \$40,000.
Resort licenses, Gadioli said,
are the only liquor licenses
available. They permit sale of
liquor 10 months a year. They
operate, he said, with local
governments controlling where
liquor is sold on the premises.

In other action the council
authorized City Manager
Potthoff to take bids for the
year's supply of gasoline and
oil.

Discussed trash pick-up com-
plaints, mostly caused by
equipment failures, and author-
ized Potthoff to advertise for
bids for the upcoming contract
year with specifications to in-
clude city approval of equip-
ment as "safe and adequate."

Upon recommendation of
Councilman Richard Ambler,
the administration is to see
that contractors working on
Orchard drive restore Joe Den-
ton Park and individual lawns
to their original condition, or
the city will contract the lawn
work and bill the contractor;

Agreed to seek recommenda-
tions of the city engineer re-
garding the future of the Ford
Motor company mill pond,
which now is two-thirds drain-
ed, and stagnant and must be
completely drained for the No-
vi sewer lines being laid;
Repeated its request to
Northville Downs to study a
"total plan" of race track traf-
fic as "early as possible" this
week and before racing begins
Monday. It was the council's
understanding that a River
street gate 100 feet south of
Beal would be for employee
parking;

Charged the city manager to
work out a program of law
enforcement to cut-down on
what was felt to be a growing
number of illegal turns into
and out of the Main street park-
ing lot opposite the D and C
store. Councilwoman Beatrice
Carlson cited the hazard. A
report will be made at the
next meeting.

City attorney Philip Ogilvie
reported a June 11 court date
has been set for a law suit
against the city by Richard
Martin who seeks re-zoning of
property at the northwest cor-
ner of the Eight Mile road cut-
off and Novi road to Commer-
cial-1 use. It was the council's
understanding that he wishes
to erect a gas station.

Ogilvie outlined proposed
terms of a lease between the
city and township with the
Northville school board for use
of the library building for two
years beginning July 1, 1964:
the school district is to main-
tain and repair the building,
pay utilities and insurances,
make only temporary altera-
tions and provide a meeting
place for Northville Woman's
Club.

During the meeting, Police
Chief King presented his six
police officers and told the
council that the department's
enforcement was "up to top."

Open Business

Don Bingham and Don Stev-
ens, both area residents, are
opening a floor covering busi-
ness in Northville.
Known as D & D Floor Cover-
ing, the firm will sell and in-
stall floor covering, counter
tops and wall tile. Until a per-
manent location is found the
business will have an answer-
ing telephone service located
in Schrader's Home Furnish-
ings.

LET'S TALK CARS

THE FOLLY OF PRIVATE DEALS

As anyone who has tried will
tell you, attempting to sell your
old car privately and then buy-
ing a new one without a trade
can make you wish you hadn't.

Here are some of the steps
an owner must go through to
accomplish this complicated
task:

Firstly, he must advertise his
car in a newspaper where he
will find that his ad won't be-
gin to compete with those of
dealers. If he is lucky and it
does get him results, then he
must generally be forever on
call waiting for the right pros-
pect to come along.

When he does find a buyer,
he runs into real price resis-
tance. Private buyers expect
to buy from an individual for
substantially less. That's usual-<

40 GAL's Celebrate 16th Annual Initiation

GAL ANTICS — This group of girls cut up during this week's initiation.

Competitive zeal and a yen for fun are the requirements for any Northville high school girl to take advantage of the Girl's Athletic League athletic program.

And the program is thriving under the expert tutelage of Pat Bubel, head of the girls' athletic department. She's looking forward to at least a repeat performance of this year's successes next year.

This was a banner week for the girls in the program, topping its 16th year.

Forty girls willingly succumbed to the harrassments of initiation Tuesday during a parade through the central business district. They earned the "right" to take part in the fun by competing in three or four sports during the school year.

Tuesday evening they were scheduled to compete in the first girls' track and field day under the lights.

The girls were duly compensated, then, when they were feted at the annual Awards Banquet at the high school.

Although Miss Bubel supervises the program, it's the girls themselves who largely run the show. Heading the list is President of the executive board Jenny Ratliff, one of the finest female athletes.

She gets able assistance from Diane Morse, vice president, Sally Wimmer, Secretary, Jean Downer, treasurer, and the chairmen of the various sports.

In the final analysis, it takes the help of all 20 girls who participated in the extensive program to make it work. It seems no sport is neglected. There's soccer, archery, volleyball, basketball, badminton, bowling, softball, golf, tennis and others.

Bowling this year was the girls' forte. Competing by mail in the state bowling meet, six local girls grabbed honors.

Walking out with fifth place in a field of 46 bowling teams was the three-woman squad of Pat Moase, Lynn Harris and Diane Steiner with a 1439 total. Finishing 16 was the team of Barb Forsythe, Martha Lane and Judy Insland with a 1275.

Miss Moase's series high of 505 was good for sixth place, while Miss Steiner copped eighth place among 94 entrants with a 465 series.

Those girls excelling in GAL were afforded an opportunity to develop their leadership potential by attending the Girls' Athletic Association camp May 15-17 at Camp Cavelle, Lexington, Michigan. Included in the group were Diane Morse, Jennifer Ratliff, Kaly Beard and Debbie Golze.

Although not all the girls can attend the GAA, there is satisfaction throughout the year to be gained in intramural or extramural competition.

Sports

OUCH — Northville's Ted Budek runs into stiff opposition from Plymouth's backstop, Jim Arnold, as Budek attempted to score on a squeeze play that went awry. Although the Colts scored three runs with more ease, Plymouth was one up with four in the extra-inning affair that went nine innings. The Northville Jayvees wrapped up the season with a 3-10 score.

Universities List Grads

The University of Michigan and Western Michigan University report the following graduates from Northville:

At the U of M — George M. Berryman, bachelor of music; Gertrude Bock, bachelor of science in design; Larry L. Cherne, bachelor of science; Elsa Uree Couse, master of arts, Harold D. Hartley, bachelor of arts; Wendy C. Maneck, bachelor of science in nursing; and William M. Slattery, bachelor of business administration.

Commencement at U of M was May 22.

At WMU — Richard P. Norton, MA degree.

THAT'S Bonnie Hunt (right) of 344 Debra Lane practicing for the world's largest piano festival June 7 at Cobo arena in Detroit. She's shown with Sylvia Weston of Redford township, who will also take part in the festival.

NOTICE PUBLIC HEARING

TIME: TUESDAY, JUNE 23, 1964 8:00 P.M.

PLACE: NORTHVILLE CITY HALL

The Planning Commission, on petition from Norman Denne, Frank Davis, John Badalutz and Bernard A. McClain, will consider the rezoning of lot 180 through lot 186, of the Oakwood Subdivision, from an R-1 zoning district to an R-2-A, Restricted Multiple Dwelling zoning district.

Said lots are located on the east side of Center Street between Eight Mile Road and the alley north of Base Line Road.

Please take notice that a Public Hearing will be held on the above described proposed zoning change at the time and place specified above.

This notice given pursuant to the provisions of Section 4, Act 207 of the Public Acts of Michigan for 1921, as amended.

GEORGE ZERBEL
Chairman, Planning Commission

Mustangs Lose Final Game

Northville's arch rival Plymouth, knows how to win the close ones. The Rocks edged the local nine, 2-1, Monday for the second time this season.

It was another heart-breaking loss for Northville's Eric Peterson, who has pitched some solid ball this year. He gave up only three hits, but errors foiled Peterson's chances for victory.

Plymouth tallied one run in the first inning on an error, a fielder's choice and a single to assume a 1-0 margin. But Northville came back to tie it at one all on two singles, and an error on the catcher.

The tie breaker came in the fifth frame. An error, a fielder's choice, a single and a passed ball paved the way.

Peterson, who was one of Northville's best stickmen last year, broke out of the hitting doldrums by spanking three singles to pace his mates.

Northville thus winds up the season, one of its least successful in recent years.

Recreation Baseball To Start

Northville's Recreation Department issued the following call to young baseball players:

All boys who will be 16 years of age or older before September 1, but will not have reached his 19th birthday should report to the recreation-scout building at 1 p.m. Saturday if they wish to play baseball.

A practice session at Cass Benton Park will follow the meeting.

Class F — all boys 10 to 13 years old resume practice Saturday at 9 a.m.

Class E — 14 and 15-year-old boys — practices are scheduled for Tuesday and Thursday at 5:30 p.m.

Commissioned

Peter William Van Atta of Northville, senior at Michigan State University, is one of 71 cadets recently commissioned as second lieutenants in the U.S. Army.

Maj. Gen. John R. Pugh, commander of the Sixth Army Corps in Battle Creek delivered the commissioning address at MSU.

Van Atta, son of Col. and Mrs. William Van Atta of Ft. Belvoir, Virginia, was commissioned into the Ordnance Corps.

STATE LETTER WINNERS — Steve Juday, sophomore infielder, and Wade Deal, senior catcher, were awarded letters as members of the Michigan State university baseball team this year. Both are former Northville high school athletes. Juday was a frequent starter at third base, although he saw duty at both shortstop and second base. The former all-state high school signal caller was MSU's first string quarterback last fall. Deal is a veteran of the Spartan diamond having won three varsity letters.

State Police Outline Water Safety

The State Police are giving special emphasis to two safety slogans — "A Captain for Every Ship" and "A Lifeguard for Every Family" — as part of their contribution to Michigan's Water Safety Education Month during May, Sgt. Adolph Ploehn, commander of the Detroit post, announced.

Though water safety is a year-around concern for the State Police, the special efforts are in conjunction with Governor George Romney's proclamation for the month which marks the start of increased outdoor water activities.

Explaining the slogans, Ploehn said that State Police analysis of Michigan's 540 water

accidents last year which killed 244 persons and injured 216 others indicated that more responsible supervision by boat operators, parents and other adults could have cut the toll appreciably in boating and non-boating accidents.

The study showed that some of the 88 lives lost in boating accidents could have been saved in at least 48 cases had there been life preservers for passengers.

In nonboating tragedies, investigating officers believed that adequate supervision could have saved lives in 52 fatal accidents while in 15 other mishaps provision of a lifeguard on duty would have prevented some deaths.

Sergeant Ploehn pointed out that motorboat operators, as responsible "captains of their ships", should see to it that each passenger wears or has available a life preserver or jacket. Passengers should be cautioned against standing or changing places when underway. Operators should know and follow the safety rules and should not overload or overpower their boats.

Rights of other water users — swimmers, waders, fishermen, water skiers, divers — must be respected too and this consideration applies as well to moored craft and waterfront properties which can be damaged by boat wakes. Motorboats should be properly equipped, including lights, anchor, fire extinguisher and some rescue devices such as ring buoy and line for emergencies.

The post commander emphasized that waders and teenage swimmers should always have capable supervision with provision for effecting rescue if trouble develops. Persons in that age group accounted for 63 per cent of the 156 drownings in Michigan nonboating accidents in 1963.

Novi Nines Start Play

The Novi Little League is off to a flying start this year with three teams tied for first place in the six-team circuit after two weeks of play.

Paragon Steelers, Rotary Wheels and Rexall Pillers are all deadlocked for first place, followed by the Cole Jayhawks (3-2), Novi Party Store Eagles (0-3) and Smith-King (0-4) in that order.

Heading the league in two departments — pitching and home runs — is Lee Snow of the Pillers, who has a 2-0 mound mark and three round trippers.

Tied with Snow for the most wins is Jon Van Wagoner of the Steelers. Jeff Adams and John Kaminski both have 2-1 records thus far.

Other home run leaders are Ron Thompson 2, and Dave Cole, Wagner, LeVon Taffralian and Mike Bingham with one apiece.

The games are played six p.m. Monday through Friday at the Novi school. Rain outs and ties are rescheduled for any open Saturday.

Answer 2 Fire Calls

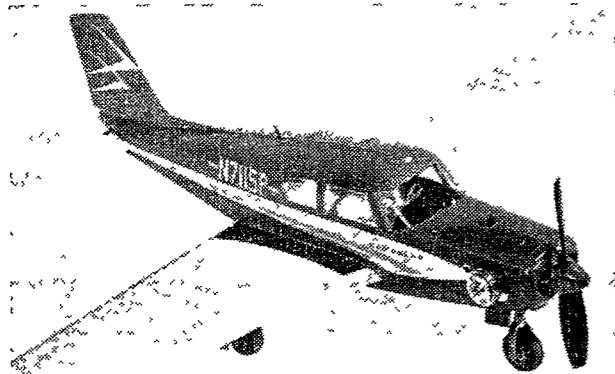

Two calls for assistance had the Northville fire department scrambling this week, but neither caused extensive damage.

The first, at 10:53 a.m. Memorial Day, was to the Ralph Bogart residence at 49469 Six Mile road at the corner of Ridge road. The hot water heater "blew" and firemen were called. While enroute no-

tice came over the radio that it had been brought under control.

The second fire required only a few minutes attention Tuesday, about 12:30 p.m., the department extinguished a small grass fire on the township side of the Five Mile and Bradner road intersection. Sparks from a trash fire had escaped, firemen reported.

Psychiatric Aids Honored At Northville State Hospital

The President of the Patients Council (left) and Fred Galli, RN, Director of Nursing (right), look on as Philip N. Brown, M.D., Medical Superintendent, presents \$25 E Bonds to Mrs. Ruth Lathrop and John Faulk.

Members of the staff and the president of the patients council recently joined to honor at Northville State hospital, the hospital's Psychiatric Aides of the Year. Mrs. Ruth Lathrop, Walled Lake, and John Faulk, Detroit, each received a \$25 bond for outstanding service in the care of the mentally ill.

"This is the ninth year in which our hospital has made these selections," commented Dr. Philip N. Brown, M.D., medical superintendent. "Several conscientious and capable psychiatric aides were considered for this honor. Mrs. Lathrop and Mr. Faulk were selected. We depend heavily upon psychiatric aides throughout the hospital for ongoing, day-to-day, patient care."

Mrs. Lathrop previously had served on the staffs of Wayne County General hospital and Ypsilanti State hospital before joining Northville's staff in 1953. She has been assigned to her present ward of geriatric female patients for the past three years. "I like working with elderly patients and providing them the care they need," she commented.

Faulk, who joined Northville State hospital's staff in 1956, has served on an adult male ward for the past three years. He formerly worked as a material checker in the Detroit area. He is attending night school and hopes to receive credentials in the future as a Certified Public Accountant. "We attempt through our efforts," Faulk commented, "to assist each patient's treatment. There are so many ways in which this can be done; thus I find the work interesting and worthwhile."

Wash-Oak School To Meet

Election of a treasurer and voting on the transfer of seventh and eighth grade students to the Northville school system is the main order of business for the annual meeting of Wash-Oak school board.

Monday, June 8 is the scheduled date for the meeting of the Salem township school board. They will convene at the school at 8 p.m.

Looking for ways to add protein to family meals? Home economists at Michigan State University make these suggestions:

- Slice frankfurters into soup.
- Add grated cheese to hot green beans.
- Try peanuts in cabbage slaw.
- Add chopped luncheon meat to potato salad or hard cooked egg to tossed salad.

In Justice Court

Three young men are cooling their heels in the Oakland county jail for three days on sentences passed down by Novi Justice of the Peace Emery Jacques in the wee hours Tuesday morning.

The three were stopped on Novi road at 1:30 a.m. Tuesday by Novi police for a license check, and were taken immediately to court when it

was discovered that the driver carried only a revoked license. Charges were placed against all three occupants in the car and guilty pleas were entered by each.

The driver, Robert Coultry, 20, Pontiac, was charged with driving on a revoked license and being a minor in possession of alcohol. He will pay a \$60 fine upon discharge from jail.

Ivy Buchanan, 22, Pontiac, the car's owner, was charged with contributing to the delinquency of a minor and allowing an unlicensed person to drive his car. He will pay a \$30 fine upon discharge from jail.

Nelson Calkins, 21, Clarkston, was charged with being 'abroad at an unusual hour,' the judge declaring that there was "no valid reason for roaming about" for any of the three. Calkins will pay a \$15 fine upon discharge from jail.

A man who had been sought by Redford township police for three weeks on a charge of uttering and publishing was apprehended by Novi police early Tuesday morning.

Chief Lee BeGole said that Gerald Lee Montgomery was found in Novi and turned over to Redford authorities.

Council Ponders Park Plan

Perhaps because it was a June evening, Northville city council members fell to "dreaming" for a few moments at their meeting Tuesday — and their dream-spinning obtained some very "concrete" results.

Councilwoman Beatrice Carlson began it all by wishing the city "could fix something nice in the city hall back yard." She pointed out that Northville has no monument to its veterans and that perhaps a memorial fountain could be a project of local veterans' groups. She envisioned it as part of a park area for senior citizens.

Councilman John Canterbury thought benches there would be most appropriate, especially since summer band concerts already are scheduled.

Mayor Allen then repeated an offer he said he had made before to furnish concrete benches for the park — and he was commended immediately by Canterbury.

Obituary

MARY McCOLL HURSLEY

Mrs. Mary McColl Hursley, who resided at the home of her son-in-law and daughter, Mr. and Mrs. Harold Hartley, Sr., 630 Randolph, died early Wednesday morning. She was 86 years old. Funeral details were incomplete at press time. But services will be held Friday at Casterline Funeral Home. Information may be obtained by calling Casterline's.

MAUREEN P. PHALEN

Maureen Patricia Phalen, infant daughter of William and Elaine Phalen of 8030 Ann Arbor road, Plymouth, died June 1. She was born May 30 at St. Mary hospital. She leaves a brother, Billy, and sister, Susan. Other survivors are her grandparents, Mr. and Mrs. Obie Butler of Northville and Mr. and Mrs. William Phalen. Sr. Funeral services were held from the Casterline Funeral Home Tuesday with the Rev. B. J. Pankow of the St. Paul's Lutheran Church officiating. Burial was at Rural Hill cemetery.

FRED MOFFITT

Fred Moffitt, 84, of 341 East Main street died suddenly at University of Michigan hospital early Wednesday morning. Funeral details may be obtained by calling Casterline Funeral Home.

Services Held Tuesday For Claude A. Crusoe

Funeral services were held Tuesday morning at Our Lady of Victory church for Claude A. Crusoe, 72, of 43180 West Nine Mile road, who died Saturday evening at his home.

Mr. Crusoe was associated for many years with General Motors, first with the Buick division and later the Fisher Body division where he served as general director of purchases. After his retirement he organized and was president of C. A. Crusoe & Co., manufacturers' representatives.

Mr. Crusoe was born in Marinette, Wisconsin, September 22, 1891. He moved to his Nine Mile road home 14 years ago.

He attended Ripon college in Wisconsin and received his degree from the University of Detroit college of finance.

Mr. Crusoe was well-known for his contributions to civic and charitable affairs. He was a member of the Detroit Board of Commerce, past president of the U of D alumni association, worked for the United Foundation, once served as a director of the City National Bank and retired director and chairman of the board of the Public Bank.

He was a 50-year member of the Knights of Columbus, past president of the Recess Club and member of Bloomfield Hills and Meadowbrook country clubs and the Detroit Athletic Club.

Professionally, he was a member of the Michigan Manufacturers Association and Society of Automotive Engineers and Automotive Old Timers.

He is survived by his wife, Marie; two daughters, Mary Ellen, living at home, and Mrs. Bernard F. McAvoy of California; three sons, Ensign John Allen, at home, and William

A. and George F. of California; a sister, Mrs. Arthur B. Gardiner of Detroit; a brother, Lewis D. of Northville; nine grandchildren and seven great grandchildren.

Rosary was said Monday morning at Casterline Funeral Home. The Reverend Father John Wittstock officiated at services. Entombment was at Holy Sepulchre cemetery.

Typical Memorial Day in Northville, U.S.A.

Only the notes of Taps played by Kristine Deibert broke the silent tribute at the Veterans Memorial plot.

Saturday, May 30, 1964 was a bright, sunny day . . . perfect for fishing, golfing, picnicking and gardening.

It was also a day for remembering.

And Northville, like thousands of other small communities throughout the nation, did not forget its war dead.

There could have been a larger audience, but there were many . . . perhaps hundreds.

Led by our two veterans' organizations, the Veterans of Foreign Wars and American Legion, we paid tribute to those who gave their lives so that we might enjoy fishing, golfing and picnicking on bright, sunny days.

If our numbers were small, our recognition of their sacrifice and the magnitude of its purpose was wholehearted and genuine.

The day was sad and the day was glad. Our band marched and played; youngsters followed behind on gaily-decorated bicycles; rifle shots cracked the silence as taps echoed in tribute to our country's heroes.

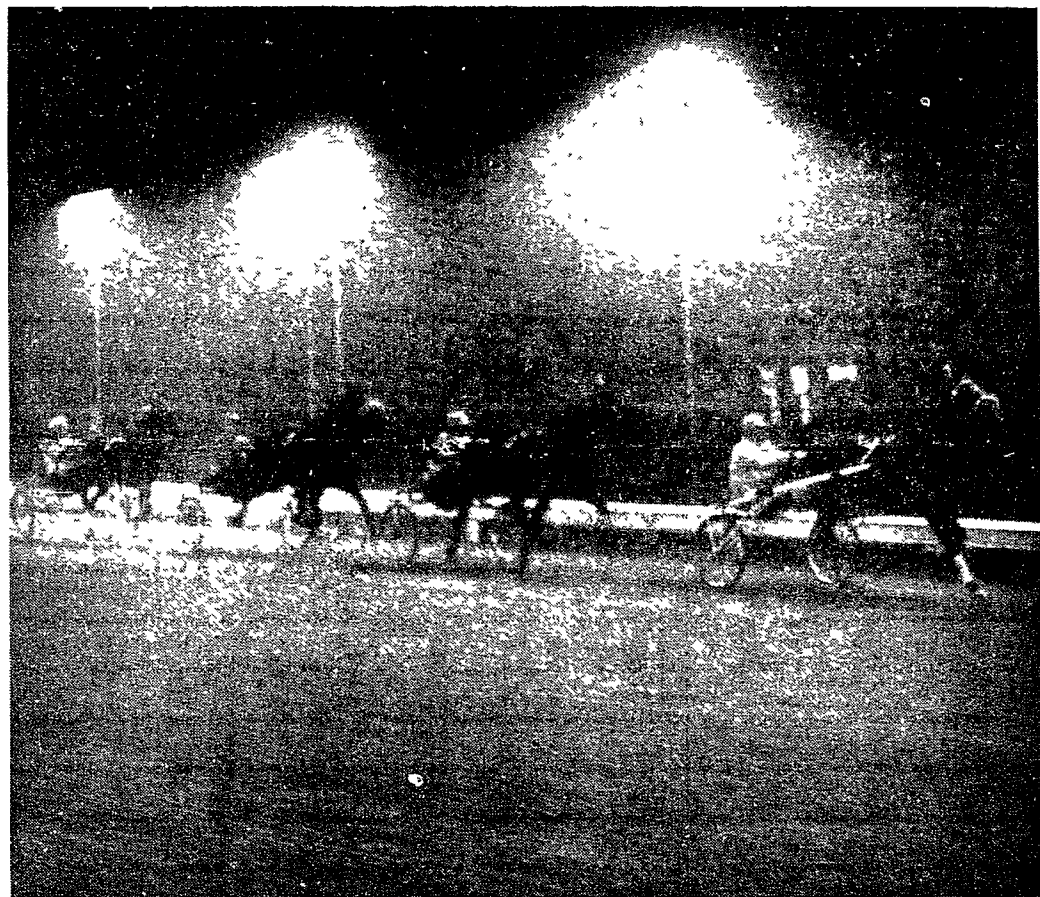

Then it was over and time again for free ice cream bars and laughing and playing.

It was Memorial Day in Northville, U.S.A.

VFW and American Legion units led the parade.

Sundays 2:00 to 4:00 p.m.
A Bible Lesson on the sub-
ject "God the Only Cause and
Creator" will be heard at all
Christian Science services on
Sunday. It will contain many
passages from the Bible ac-
knowledging God's greatness
as the source of all that is real
and good. Included is this
verse from Psalms (33:4):
"The Word of the Lord is
right; and all his works are
done in truth."

From "Science and Health
with Key to the Scriptures" by
Mary Baker Eddy will be read
the following: "To grasp the
reality and order of being in
its Science, you must begin by
reckoning God as the divine
Principle of all that really is."
(p. 275).

Local Trio to Attend Alma Presbyterian Meeting

The 130th annual meeting of
the United Presbyterian Church,
Synod of Michigan, will be
held at Alma College, June 9,
10, and 11. The Reverend Lloyd
G. Brasure pastor of the North-
ville First Presbyterian Church
and Rev. George Jerome,
Chaplain for Detroit Presby-
tery, and Elder Ray VanValk-
enburg, will be three of the 350
or more delegates, represent-
ing Michigan's 300 Presbyter-
ian Churches.

Agenda items will include
discussion of the relationship
between the church and state,
the current growing racial ten-
sions and the ecumenical min-
istry to the growing number
of youth on the campuses of
Michigan's state colleges* and
universities.

One of the highlights of the
three-day meeting will be the
laying of the cornerstone for
the new Alma College library.
Two years ago, at the 128th
annual meeting, approval was
given to a program to raise
funds from Michigan Presby-
terians to build a new library
for Alma College. Last year,

at the 129th annual meeting,
ground was broken for the new
building. The new library is
now 80% completed and will
be ready for use in Septem-
ber.

Dr. Kenneth Neigh of New
York, General Secretary of the
United Presbyterian Board of
National Missions, will be the
featured speaker on the open-
ing day of the conference. Dr.
Neigh served from 1951 to
1959 as Executive of the Synod
of Michigan for the United
Presbyterian Church.

Sunday 9:45 a.m.
"Your Protection
From Contagion"

SEE THIS IS THE LIFE EVERY SUNDAY

10 A.M., Channel 2

from the PASTOR'S STUDY

by the Rev. S. D. Kinde
First Methodist Church

Garry Moore in one of his
television shows frequently
uses a quotation from the
Bible as he signs off the
air saying, "Be kind to one
another..." Saint Paul wrote
to the Church at Ephesus,
"Let there be no more re-
sentment, no more anger or
temper, no more violent
self-assertiveness, no more
slander and no more mali-
cious remarks. Be kind to
one another; be understand-
ing. Be as ready to forgive
others as God for Christ's
sake has forgiven you."

When bombs were falling
upon London a man found
people in the shelters short
on sleep and long on ner-
vous tension, so he printed
a sign and placed it on the
wall, "Let's be kind to one
another. We're having a ter-
rible time."

How often when matters
pile up at the office and we
are faced with problems
and more problems; or at
school where exams are
coming and there is no end
to the work students must
face and work out; or plan-
ning that June wedding
with details requiring all
the time and attention one
can give, we ought to re-
member the thought, "Let's
be kind to one another,"
for it is so easy when under
pressure to blow our top at
those around us.

And how is it at home?
Almost every household has
its times of stress and ten-
sion with parents working
long hours, or bills piling

up, or illness, or too many
visiting relatives and friends
coming to keep us weary
with entertainment. Then to
have one member of the
household cool and calm
carrying an invisible pla-
card which says in family
code, "Let's be kind to one
another."

Some of you will soon be
traveling long miles over
highways leading to New
York and the World's Fair.
Should the weather be hot
can you take the aches and
tramps, and the mental fa-
tigue of long hours on the
road and keep a sweet dis-
position? Better make your
slogan for the trip, "Be
kind to one another."

Often in pre-marital con-
versation with young cou-
ples I remind the bride and
groom-to-be to remember
that a little kindness goes
a long way in making mar-
riage a success. There are
so many marriages which
could be strengthened and
beautified with just a little
more kindness being shown
by the husband and wife.

Much of the racial tension
in our country could be over-
come were men of all races
prone to manifest a little
kindness toward others. The
Book of Proverbs says,
"That which maketh a man
to be desired is his kind-
ness."

Abraham Lincoln used
kindness as a method of
winning support for his ad-
ministration and once made
this remark, "It is an old

and true maxim 'that a drop
of honey catches more flies
than a gallon of gall'. So
with men, if you would win
a man to your cause first
convince him that you are
his sincere friend. Therein
is the drop of honey that
catches his heart; which
say what you will, is the
great high road to his rea-
son."

The very heart of friend-
ship is kindness. Landor
said, "Kindness in ourselves
is the honey that blunts the
sting of unkindness in an-
other."

As you relate yourself to
society today you will find
that an unkind approach on
your part will bring you in-
to an unkind society but
kindness on your part will
bring you to a world of
kindness. The kindness you
would have others show to
you show you first to others.

Some years ago a return-
ed missionary living in our
town would often come into
the grocery store and greet
people with, "I heard some-
thing good about you." Isn't
that a splendid way to greet
people. Little wonder that
everyone liked this man.
His attitude grew out of a
heart and soul kind toward
people. Man like that make
this world a delightful place
in which to live.

Believing that kindness is
the golden chain which can
bind society together let us
put into practice as slogan
for the day, "Let's be kind
to one another!"

News From Willowbrook

Vi Myers GR 4-8015

Mr. and Mrs. Richard Vicky-
dal of W. LeBost flew to the
World's Fair last week and
spent six days in New York.
Besides spending three won-
derful days at the Fair, they
enjoyed dining at various places
in New York and also saw
two plays, "Hello Dolly" and
"High Spirits" before coming
home.

Mr. and Mrs. Leon Black-
burn and sons Leon, James
and David spent the day Sat-
urday, with the boy's great-grand-
father, Mr. W. C. Klann of
Highland Park. The boys spent
most of their day playing on
their grandfather's antique fire
engine, which is frequently used
for parades.

Steven Chismark, son of Mr.
and Mrs. Louis Chismark of
E. LeBost, celebrated his 17th
birthday Monday by going to a
party at his art club.

Mr. and Mrs. John Parent of
W. LeBost, had an enjoyable
weekend Saturday they went
to Grosse Pte. Woods Park
with Mr. and Mrs. Woody Gor-
don of Grosse Pte. Woods. Sun-
day they were guests of Mr.

and Mrs. Bob Gregory at Camp
Dearborn.

Mr. and Mrs. Kenneth Cook-
son and children of W. LeBost
spent Memorial Weekend at
Mr. and Mrs. Marv Bowen's
cottage in Hale, Michigan.

Marion Weiss of Morring-
side, attended the Michigan Di

Melvin P. Mitchell of Fry road executive board member of Local 17; International Brotherhood of Electrical Workers, has been invited to take part in the ninth biennial President's Conference on Occupational Safety in Washington June 23-25. The meeting, to be opened by President Lyndon B. Johnson, will bring together leaders of all segments of the economy from all parts of the Nation, to consider ways to reduce the toll of occupational accidents.

The Conference theme is "Mobilizing Leadership for a Safety Breakthrough." It recognizes that the Nation's job safety efforts have reached an apparent plateau. Overall accident rates have remained close to the present level in recent years. In 3 plenary sessions and 13 workshops, the participants will try to devise new techniques, and new applications of tested procedures, to start accident rates again on their long-time downward trend.

They will hear President Johnson re-state his continuing interest in the problem, and new insights into its various phases from scientists and leaders of business, labor, and education.

W. Willard Wirtz, Secretary of Labor, is general chairman of the Conference. Reed O. Hunt, chairman of the board of Crown-Zellerbach Corporation, is executive director. More than 100 volunteer leaders of business, labor, government, and other fields are engaged in planning the many sessions involved.

Russell Lutton, a student in the Elevator and Farm Supply Short Course at Michigan State University, will be working at The Wixom Cooperative this spring and summer. Six months' work experience in a country elevator is a requirement for the Short Course according to Dr. Harold Ecker, course coordinator. Russell hails from Britton, Michigan and has completed two terms at Michigan State University.

Curly Strange of Northville is now a salesman at Allison Chevrolet in Plymouth.

JOHNSON BABY POWDER</

REPORT from LANSING

By PAUL CHANDLER

State Representative, 21st District

LANSING — In many ways, for all practical purposes, the working part of my first two year term in the State Legislature is drawing to an end. There are still some mop-up details, of course, but for all good purposes the next campaign already has started, and the politicians' outlook is to the future, rather than to the present.

Regardless of what the future might hold, I do want it recorded that I regarded it as a privilege to participate in what I believe to have been one of the most fruitful terms of state government in many years. This is the same period during which Governor Romney cut his teeth on politics, and I today offer an inventory of the things which have happened on the plus side during this two year span —

The \$85,600,000 state deficit is eliminated, the budget balanced, and Michigan will have a \$61,000,000 surplus on June 30, 1964.

Governor Romney called a special session and fought for and won broad support for the tax reform program.

The Legislature worked longer and harder than any in history.

BOOMING BUSINESS

Personal income in 1963 was up 9.4 percent over 1962.

Employment in 1963 was up \$5,000 over 1962.

The announced industrial expansions for the first four months of 1964 were almost double the entire previous year.

A Department of Economic Expansion is now in operation and getting results.

A new \$750,000 research fund has already paid off. Industry and other sources have invested an additional \$1,000,000 in research, with more to come.

Communities can now finance the construction of new factories and plant additions to create more jobs. The Community Industrial Financing Act of 1963 makes Michigan competitive with other areas.

A \$750,000 program has been established to provide job training opportunities, to meet the challenge of automation, and to reduce school dropouts.

Tourist dollars brought in \$51,000,000 in tax returns last year — up \$1,500,000 from 1962 — and pumped added millions into local communities. A 25 per cent increase in tourist promotion appropriations will up these totals in 1964.

The Governor's Water Safety Advisory Council is at work to make Michigan lakes and streams safe for vacationers. New laws enable Port Districts to accept grants, and make it easier to expand port facilities.

LABOR

Legislation enacted in 1964 guarantees a minimum wage of \$1.00 per hour for over 200,000 additional employees, increasing to \$1.25 per hour in 1967.

The Legislature established a Construction Safety Commission empowered to adopt a safety code for the construction industry.

BETTER SCHOOLS FOR MORE STUDENTS

An appropriation of \$131,000 is provided in 1964-65 for teaching and research at all state-supported universities and colleges — an increase of more than 25 percent over the 1962-63 appropriation of \$104,000,000 the largest appropriation increase for higher education in Michigan history.

State grants for community college construction nearly tripled — \$1,400,000 in 1962-63 to \$4,000,000 in 1964-65.

State grants for operating community colleges increased by \$10 per pupil.

A new scholarship fund of \$500,000 will enable 1000 students per year to attend Michigan public or private colleges.

State aid to local libraries increased by \$100,000 for 1964-

HUMAN RIGHTS

With vigorous support by Governor Romney and the Republican Party, a new constitution establishing a self-executing constitutional Civil Rights Commission was adopted. This commission, the first and only in the nation, has full power in its sphere of authority to protect civil rights in employment, education, housing and public accommodations.

PHYSICAL AND MENTAL HEALTH

Governor Romney has established an Action Committee on Health Care. The Administration is making an all-out attack on health problems.

The Community Mental Health Services Act of 1963 provides for state-local development of broad-range community mental health programs.

Separate in-patient units for emotionally disturbed children are built or under construction.

Planning and construction of over 1000 new beds for the retarded is underway.

Twelve new state-supported day care centers have been approved.

An out-patient clinic for the retarded is being established at each state hospital. A full-time professional Director, with an advisory council, has replaced the part-time Mental Health Commission.

SENIOR CITIZENS

Old Age Assistance was increased from \$80 to \$90 per month. Allowances for convalescent care were increased from \$90 to \$140 per month.

The maximum annual income of senior citizens for qualification under the Kerr-Mills medical aid program was increased from \$1500 to \$1900 for single persons, and from \$2500 to \$2700 for married persons.

At Governor Romney's request, a ten-year forecast of needs and services for senior citizens is being developed by the Commission on Aging.

A Governor's conference on Senior Citizens has been called for July 1, 1964.

YOUTH PROBLEMS

Ten new "halfway houses" for rehabilitation of juveniles have been approved, more than in any state of the union.

Available facilities in state for delinquents are being doubled, a result of Republican action in 1963-64.

Youth probation and parole services have been increased.

At Governor Romney's request, a long-range blueprint of services for children is being prepared by the Youth Commission.

A Governor's Conference on Youth was held on April 28, 1964, to encourage greater citizen participation.

Under Republican leadership, a long-sought ADC-U law was enacted. Michigan now participates in the Federal program, saving local governments over \$7,000,000 annually. Democratic bureaucracy in Washington, without concern for children and mothers, raised phony objections to the original Michigan position — which produced the unanimous support of Republican and Democratic governors at the National Governor's Conference, for judicial reunion of such arbitrary federal action.

VETERANS

Veterans got a boost when the Republican Legislature, ahead of schedule, repaid \$5,000,000 to the Veterans' Trust Fund, which was depleted when Michigan faced payless paydays under Democratic administrations.

CAPITOL AREA DEVELOPMENT

A \$23,000,000 building program will bring the dream of State Capitol Area Development into reality, on a pay-as-you-go basis, saving the taxpayers \$900,000 per year in rent alone.

Official Minutes of the Northville City Council

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, May 4, 8:00 p.m. at the City hall.

Present: Allen, Ambler, Canterbury, Carlson and Kester. Absent: None.

The minutes of the previous meeting were approved with one correction.

Moved by Carlson, supported by Kester that bills in the following amounts be paid:

General	\$12,827.93
Water	1,774.89
Other Government	3,957.59
Cemetery Trust Fund	3,000.00

Unanimously carried.

The Mayor welcomed students present from Mr. Meaker's Government classes.

Communications:

A letter was read from the United States Dept. of Interior, Fish and Wildlife Service (Leo E. VonWald) in answer to the city manager's letter. The letter stated that no disposition would be made of the property until early in 1965. Mr. Canterbury explained that the city plans to meet with other local jurisdictions regarding this property and that the city does not have a selfish interest. The mayor is to report back after this meeting.

A four page letter from Mr. A. C. Michaels, Detroit Water Board, is to be duplicated and sent to council members and city attorney. This letter incorporates questions and answers regarding Detroit water for Northville and extension of the present line.

Public Hearing and Confirmation of the Special Assessment Roll for West St. and Pennell and Butler:

Tree situation on Chapman's property was discussed and the fact that Chapmans are aware of the minimum tree removal was mentioned. The grade is to be raised and curbing kept along sidewalk by the wall on west side of West St. at Randolph.

Moved by Ambler, supported by Carlson to adopt the resolution confirming the roll for installation of curb, gutter and storm sewers on Pennell and Butler streets. Unanimously carried. (Check figures for Leslie Alger on Griswold St.).

Awarding of Contract for Improvements on West, Pennell and Butler Streets:

Moved by Kester, supported by Carlson that the contract for West-Pennell-Butler streets improvement be awarded to Thompson-McCully of Belleville in the amount of \$23,734.45 (West — \$10,023.35; Pennell-Butler — \$13,711.10) Unanimously carried.

Discussion of Central Business District Ordinance Proposal:

The City Manager is to take following questions back to the Planning Commission:

(1) Does this include laundries?

(2) Does this intend to preclude all drive-in facilities or specific examples?

(3) 7A.07 — Off-street parking — check wording on this — ask planning consultant if this would hold up in court.

Off-street loading and unloading — would there be credit or would space for this come off parking. How would these stores be serviced (between Center and Presbyterian Church)?

Second Reading and Public Hearing on Proposed Amendment to Rezone 111 E. Dunlap from C-2 to C-1:

Moved by Carlson, supported by Canterbury that 111 E. Dunlap be rezoned from C-2 to C-1. Unanimously carried.

Further consideration of the Maplewood Special Assessment:

The city manager and city attorney are to investigate possibilities of protecting city.

Moved by Ambler, supported by Canterbury to accept spreading of roll and set the Public Hearing for May 19 for Maplewood improvements. Unanimously carried.

A meeting was set for a work session on Monday, May 11th 8:00 p.m. to consider North Center street improvements and at 9:00 p.m. with Benicke and Krue.

Report from City Manager Concerning the Layout for the new Parking Lot:

The city manager has talked with Mrs. Beckel who would

prefer a greenbelt but if this depends upon her giving up property she does not want it. The city manager also presented a sketch which showed parking spaces, planters, etc.

The city manager, attorney and 1 councilman are to go to the church board and talk over final arrangements for this property. A survey is to be done before final agreement.

Manager's report on financing the purchase of 123 W. Main street from the NADC:

At the present time, \$9,394 is owing to Mr. and Mrs. Doran on a contract with monthly payments of \$100 per month.

The attorney reported that wrecking company would do the demolition on this property in the neighborhood of \$950. The city attorney was instructed to bring in an agreement of sale at the next meeting. (4 or 5 year agreement as recommended by city manager).

Barnhardt Springs:

The city attorney reported he had sent a letter to Mr. Barnhardt and Mr. Jacques and not heard from them.

Miscellaneous:

Mr. Kester asked if there had been any complaints regarding taxi service, particularly at

night. The city manager is to check this.

Mr. Kester also mentioned the parking meters which are not working. City Manager is to follow through on this.

Mrs. Carlson spoke regarding the damage on River street from installation of the Novi Sewer and the fact that Mrs. Peat had not had a reply from her letter concerning damage to her property.

Mrs. Carlson reported she had attended the Bi-Partisan Human Relations Council in Detroit in April and would like to give a report in the future on this meeting.

At the city manager's suggestion a budget session was tentatively set for May 11, 8:00 p.m.

The city manager announced that the pictures on display in the city hall are due to the local Hartley-Powers Art Gallery and that it is on a rotating basis.

Mayor Allen thanked the fine citizens who stayed through the meeting.

There being no further business, the meeting was adjourned at 11:30 p.m.

Respectfully submitted, Martha M. Milne City Clerk

Wixom Baptists Plan Outdoor Services

The First Baptist Church of Wixom will conduct an 'Outdoor Drive-in church this summer beginning Sunday evening June 14 and continuing through Sunday evening September 6.

The services will last from 7 to 8 p.m. Special musical talent will be featured, such as quartettes, trios, instrumentals, etc., from various churches. Interesting Christian films will also be shown on selected Sunday evenings on the large outdoor screen.

A large platform with a speaker system will be erected at the back of the church and cars will be parked in a semi-circle facing the platform. The pastor of First Baptist, Rev. Robert Warren, extends an invitation to all the residents of the surrounding area, as well as campers and vacationers, to attend these outdoor services. Pastor Warren stresses that formal dress is not necessary and that people are being encouraged to come in casual dress. The First Baptist Church is located at 620 N. Wixom road.

Dated this 18th day of May, 1964

WILFRED C. BECKER, Secretary

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF NORTHWEST WAYNE COUNTY COMMUNITY COLLEGE DISTRICT, COUNTIES OF WAYNE, WASHTENAW AND OAKLAND, MICHIGAN, TO BE HELD

JUNE 8, 1964

TO THE QUALIFIED ELECTORS OF NORTHWEST WAYNE COUNTY COMMUNITY COLLEGE DISTRICT, COUNTIES OF WAYNE, WASHTENAW AND OAKLAND, MICHIGAN:

PLEASE TAKE NOTICE that a special election of the qualified electors of Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, will be held on Monday, June 8, 1964.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 3:00 O'CLOCK P.M., EASTERN STANDARD TIME.

The following proposition will be submitted to vote of the electors at said special election:

BONDING PROPOSITION

Shall Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan, borrow the sum of not to exceed One Million Two Hundred Fifty Thousand Dollars (\$1,250,000) and issue its bonds therefor, for the purpose of paying part of the cost of erecting, furnishing and equipping additional community college buildings and improving sites?

The election will be held in the regular voting place in each of the election precincts of each school district comprising the Northwest Wayne County Community College District.

Each person voting on the proposition of borrowing and issuing the bonds of said College District must be a citizen of the United States, attained the age of 21 years, have resided in the State of Michigan six months and in the College District 30 days next preceding the election, and have property assessed for ad valorem taxes within the College District or be the lawful husband or wife of qualified voter of the College District having property so assessed, this College District comprising the same territory as Livonia Public Schools School District, Plymouth Community School District, School District of the City of Garden City, Clarenceville School District, and Northville Public Schools School District.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

TAKE NOTICE THAT the Board of Trustees has estimated the total expense of erecting, furnishing and equipping additional community college buildings and improving sites to be Two Million Eight Hundred Thousand Dollars (\$2,800,000), One Million Two Hundred Fifty Thousand Dollars (\$1,250,000) of which it is necessary to raise by borrowing and issuing the bonds of the College District.

This Notice is given by order of the Board of Trustees of Northwest Wayne County Community College District, Counties of Wayne, Washtenaw and Oakland, Michigan.

NOVI HIGHLIGHTS

The Northville Record—Novi News—Thursday, June 4, 1964 Section Two — Page Five

Mrs. H. D. Henderson

Jack Boyd, son of Mr. and Mrs. Lawrence Boyd Sr. and his friend, Jim Morris, left for a summer vacation in Europe last Tuesday, May 19. They left by way of Niagara Falls, motored to New York and will spend a few days at the World's Fair, then they will leave by a jet chartered plane for Paris. They plan to visit several countries on the continent by way of motorcycle, and return home August 15. Both young men are 2nd year students at Ann Arbor University and plan to return in the fall.

Mr. and Mrs. Lawrence Boyd Sr. and Mr. and Mrs. Lawrence Boyd Jr. and son Wesley spent Memorial weekend at Mauka in Canada.

Mr. and Mrs. Robert Massel and daughter, Karen had Sunday picnic with the latter's parents, Mr. and Mrs. Louis Larson and family.

Gregory Larson came home from Michigan Tech June 5, having completed his second year at the university.

Mr. and Mrs. E. L. Heidenreich returned to their home in Alexander, New York after spending a month with the latter's sister and brother-in-law, the James Erwins.

Mr. and Mrs. James Erwin spent Wednesday of this week in Alexander, New York where Mrs. Erwin attended the 50th anniversary of her high school senior class.

Mrs. Lester Fishback is recuperating at home from a four week sojourn in the Pontiac Osteopathic hospital.

Mr. and Mrs. Joe Gardella attended funeral services for Mrs. Gardella's brother, Mr. Fred Hatfield in Detroit this week on Wednesday.

Mr. and Mrs. Robert Hanson spent this past weekend with Mr. and Mrs. E. Engle near Toledo in Ohio. During their absence the children were with their grandmother, Mrs. I. Shoebridge in Northville.

Wednesday evening Mr. and Mrs. Russell Race and granddaughter, Virginia and Mrs. Clark Race attended the high school graduation of the Russell Race's granddaughter, Linda Race in Greenville.

Mr. and Mrs. Russell Race spent Sunday with the former's brother, Mr. Clark Race and Mrs. Race at Highland.

Mr. and Mrs. Ray Warren and family visited the latter's brother-in-law and sister, Mr. and Mrs. Gordon Blakslee in Okemos on Sunday.

Mrs. Lloyd Coleman attended funeral services for her aunt, Mrs. Lily Balgaard in Northville last Monday. She also attended service for her aunt at Ashby in Minnesota.

Mr. and Mrs. Charles Trickey Sr. were the guests of Mr. and Mrs. Irving Bristol and Miss May Bristol at Caro this past weekend.

Kathy Bell was a guest of Rose Button on Sunday this week.

Russell Button called on Geo. Atkinson at the University Hospital in Ann Arbor last week on Wednesday.

Mr. and Mrs. Harold Miller spent Memorial weekend at their cottage near Rose City.

Mr. and Mrs. Willis Miller had a picnic at their home on Saturday. Their guests were Mr. and Mrs. Stanley Orzechowski and sons, Howard Greer, Mr. and Mrs. Thomas Kondrat and Mr. and Mrs. William Kaczor.

George and Nancy Clark have moved into their new home on Eleven Mile road near Beck. They formerly lived on Taft road.

Richard Story of Howell is now making his home with his sister and brother-in-law, Mr. and Mrs. Larry Smith.

Mrs. Gary Reed entertained the birthday club at her home in Milford last Tuesday evening. The eight ladies present spent the evening playing cards.

Mr. and Mrs. Roy Schram and granddaughter, Mary spent Memorial weekend at their cottage near Cadillac. Mr. and Mrs. Frank Nelson of White Lake were also guests.

Mr. and Mrs. Archie Kent are both on the sick list.

Mr. and Mrs. Ted Slentz and family had dinner on Decoration Day with their niece and her husband, Mr. and Mrs. Fred Ashcraft in Livonia. Last Thursday, Mr. and Mrs.

Ted Slentz visited Mrs. Slentz's aunts, Mrs. Meg Dalrymple and Mrs. Ade Roe in South Haven.

Newcomers to Fonda street are Mrs. Jennie Burnham and children, Dennis, Donny and Denise. They visited relatives in Ohio over the weekend.

Dr. and Mrs. Harold Henderson visited Mrs. Henderson's relatives at the farm home south of Williamston and Dr. Henderson's son, Dr. Charles Henderson and family in Holt on Friday. Dr. Henderson, whose birthday occurs June 6 was honored at a birthday dinner in his son's home.

Mr. and Mrs. John Tymensky and family and Mr. and Mrs. Anthony Skeltis and family went camping at the Bay City Park this past weekend.

Novi Baptist Church

At the Sunday evening service a large picture, painted by Mrs. Vern Grimes was unveiled and placed in the baptistry.

Wednesday evening at 7:00 Miss Kathy Newton will become the bride of Mr. Aubrey King in the Novi Baptist church. The church family is invited to attend.

June 13 the high school seniors will be honored at a party at the church. June 15-19 Daily Vacation Bible School begins. The theme is "Around the World with Christ". They have all their plans made and their teachers for that week. All are to register by June 7. See Norm Brower.

Items of children clothing are still needed for the box outside the Sunday School office. Clothing for all ages of children is needed.

Novi Methodist News

The Evening Circle of the WSCS will have a Stanley party June 10 at 10 a.m. at the home of Evelyn Tuck on Clark street. Money will be used for church purposes.

The MYF met Sunday evening. Their project now is to get a new flag for the church. They plan on making a trip to Detroit Thursday, June 18. They will visit the Art Museum and if time will permit the historical museum.

June 14 graduating students are to attend church in their caps and gowns.

June 7 Sunday Communion Service. Church service 9 a.m. Church School 10 a.m. for all classes, Jr. Choir 11:15, Sr. Choir 7:00 Wednesday evening.

Blue Star Mothers

Novi Chapter 47, Blue Star Mothers numbers 12 mothers and 4 guests met at the home of Mrs. Al Pritchard for their monthly meeting on Monday, June 1. The occasion was also a surprise house warming for Mrs. Pritchard in her new home at Five Point street in Detroit. She was presented with twin ceramic cookie jars (A hen and rooster, huff and puff).

On Wednesday evening the following mothers attended the V.A.S. meeting in Ann Arbor: Mesdames, Clappison, Miller, Mandilk, Webb, Klasermer, Smith, Leahner, McCollum, Pritchard, Bezaire and Wyatt. Mrs. Klasermer will receive her certificate for 500 hours of hospital work and Mrs. Pritchard will receive a certificate for 100 hours of hospital work.

Mrs. Lillian Miller is the delegate and Mrs. Olive Clappison alternate who will attend the Blue Star Mothers convention at the Henrose Hotel in Detroit June 7, 8 and 9. Other

mothers who will spend some time at the convention are Mrs. Klasermer, Mrs. Mandilk, Mrs. Race, Mrs. LaFond and Mrs. Clappison.

Mrs. Eileen Webb, Gold Star Mother and President of the Novi Chapter Blue Star Mothers placed a wreath at the Novi Veterans Memorial in memory of her son.

Mrs. Alma Johnston will have the July meeting at her home in Novi.

Novi Rebekahs

The regular Rebekah meeting of No. 482 lodge will be held at the hall Thursday June 11 at 8:00.

June 5 visitation at Pontiac No. 450 Rebekah Lodge at 8:00 o'clock.

The Rebekah Independent club will have a rummage sale in the fall. Save your rummage for the club sale.

Novi Girl Scouts

Senior Troop No. 494 met at the home of their leader, Mrs. Cook last Monday. Discussion held on their project, Lincoln hats for the Novi School Fair. They made 50 hats. They wrote thank you notes to those who helped with their spaghetti dinner. Reports given on motels on the way to Florida. Mrs. Cook, leader and Mrs. Brooks assistant leader, will drive the cars which will take the senior troop on their trip to Florida.

Brownie Troop 351 met at the community hall last Tuesday. There were 50 present for the fly-up ceremony for eight girls and the flag presentation. Novi Blue Star Mo-

Pick a Chevrolet and fill in the spaces

Now's the time to see the great outdoors in a great Chevrolet buy!

Here you are on the brink of vacation time. There's your Chevrolet dealer in the midst of Trade 'N' Travel Time. You two should get together! Object—celebrating the joys of summer in a new Chevrolet.

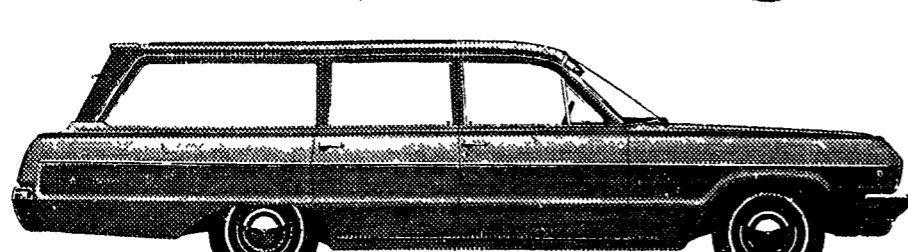

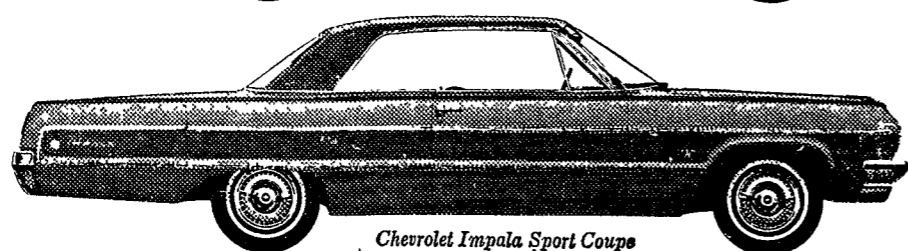

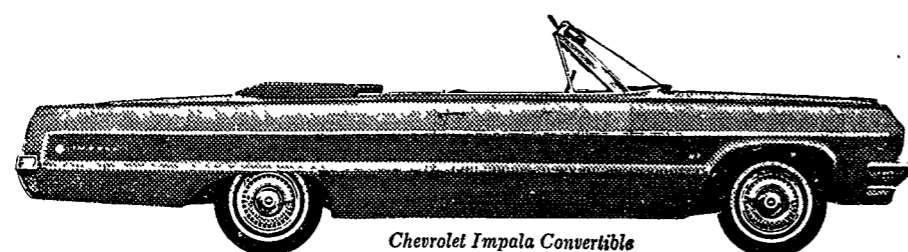

Why a Chevrolet? Well, with 15 models in four series, what possible reason is there to look further?

Take the Impala Super Sport (and a lot of people do just that). Comes as a Sport Coupe or Convertible. Has trimmings like front bucket seats, center console, special trim—all as standard equipment. And offers a

typically Chevrolet array of extra-cost options.

Plain Impalas are anything but. They come in all popular body styles, including wagons. They're dressed up to a fare-thee-well: fully carpeted interiors, upholstery as durable as it is attractive.

Bel Airs and Biscaynes, the lower priced Chevrolets, make a practice of hiding it. All the conveniences, no sacrificing comfort or style. Did we mention that Trade 'N' Travel Time won't last forever? It won't. So see your Chevrolet dealer. Then go fill in the spaces.

Ruland to Attend Dems Convention

One hundred and eighty-four delegates, as well as Alternate Jack Ruland of Northville, will represent Oakland county's Democratic Party at the state convention on June 12 and 13 in Lansing.

The delegation, the second largest in the state, was elected at the party's county convention on May 13 in Birmingham.

The delegates will go to Lansing with County Convention endorsements of Lyndon B. Johnson for President, Philip A. Hart for U.S. Senator, Neil Staeble for Governor and John B. Swanson for National Committee.

At Lansing the Oakland delegates will ask for greater representation on the state delegation to the National Convention in August.

In other resolutions, the convention endorsed the Oakland county community college plan which will appear on the June 8 ballot, the Civil Rights Bill, the War on Poverty Program, and urged congressional committees to act on the sleeping Bear Dunes and hospital insurance bills.

Keynote speaker at the county convention was Congressman-at-large Neil Staeble.

A class of 18 young people were acknowledged as communicant members of the rite of Confirmation at St. Paul's Evangelical Lutheran Church of Northville on Pentecost Sunday, May 17. In the same service the group received the Lord's Supper for the first time. The members of the class are the following: Front row (l-r) Thomas Krauter, Ronald Barnum, James Cash, Bruce Mach, Larry Biddle and Robert Hempe; middle row (l-r) Charles Frogner, Harry Weiser, Randall Burnett, James MacKay, Donald Sasse and Robert Hove. Back row (l-r) Carol Heidt, Sandra Balko, Pamela Burden, Pastor B. J. Pankow, Gail Geroy, Phyllis Marz and Linda Johnson.

The Confirmation Class of the First Methodist Church are pictured above with their pastor who confirmed them as members of the church at worship services Sunday, May 17. First row (l-r)—the Rev. S. D. Kinde, Joella Jean Phillips, Robert Douglas Bolton, Joan Elaine Fitterly, Bonnie Lee McKinney, Douglas Edward Waldren, Linda Jean Gots, Judith Ellen Utley, Mark H. Butler, M. Darlean Murphy, Michael Clay Skelly, Danette O. Toussaint, Craig H. MacDermid, Leanne Bessie Steeper, Christie Joan Becker, Edwin Lee Beller. Second row (l-r)—Stanley Eugene Nirider, James Andrew Bowman, James Logan Sanders, Linda Ann Sepp, Patricia Kay Entz, John Thomas Hochkins, Harry Reid Sanders, Parke LeRoy Bowman, Debra Forsyth, Judith Lee Bowman, Fred Robert Hicks, Charles M. Skene, Thomas W. Lepper.

—The regional golf won't be lonely any more. It has a mate — the Pontiac Press class B trophy, won by the Northville high school golf team with a 413 effort.

FIVE YEARS AGO

May 27, 1959
—Unaggravated assault of a 15-year-old boy and smashing of a store window by cruising vandals took place on each of Northville's two main streets Friday night, just two minutes apart.

—A retired Novi school teacher, Mrs. Douglas French, 63, died Saturday of injuries suffered in an automobile the previous Tuesday on Ann Arbor trail. Mrs. French, who retired last year after 34 years teaching, was honored by Novi school officials at a special banquet last May on the eve of her retirement. She joined the Novi school system 13 years ago, and had watched the student body grow from less than 100 to more than 500.

—A slight increase in the state equalized valuation of the Northville school district may help the local board of education meet its tight budget despite an effort by the county to bite into school millage.

—As Chief Joseph Denton would say in describing Saturday night's testimonial tribute to Northville's retiring police chief:

"By golly, it was a big affair!" And it was. Nearly 600 friends and relatives and working associates jammed the community building gymnasium to honor Chief Denton upon his retirement.

—Northville's Alaskan family, Mr. and Mrs. Jerre Wills and their three young daughters, is still looking for a home. In a letter to Mr. and Mrs. Perry Taylor of Northville, Mrs. Wills said they recently moved their house trailer from near a Clam Gulch store to a spot a mile away near an Alaskan stream.

—V. V. McNitt, president of the nationally prominent Mc-

OUT OF THE PAST

ONE YEAR AGO

May 29, 1963
—Polling places for the Northville school district June 10 election have been changed from the Main street elementary school. The switch was made so that voters may use machines.

—Some 158 Northville high school seniors are marking two dates in red on their calendars: June 9 when they'll be attending baccalaureate services; and June 13, graduation.

—In one of its shortest sessions of the year, Northville's board of education approved paying driver education teachers a flat rate per course and discussed the program. Each driver education teacher is to receive \$1,000 for each 30-pupil class, his salary will be reduced proportionately.

—While an exact starting date is not yet pinned down, Oakland county DPW officials reported that plans are near completion for construction of the Novi sanitary trunk sewer through Northville. The line will give Novi some 2,900 taps in the Wayne county Middle Rouge system and represents the first sanitary sewer system available in Novi.

—A Northville resident, William C. Wiley, was one of 55 Michigan inventors honored at a Cobo Hall banquet celebrating the 50th anniversary of the Michigan Patent Law Association.

—Mr. and Mrs. Ivan Dickinson prepared to celebrate their 50th wedding anniversary.

—Northville failed to defend its regional tennis crown by the narrowest of margins Friday and Saturday at Cranbrook.

—Eric Peterson was at his best as he pitched Northville to a no-hit, 3-0 triumph over Holly.

—The regional golf won't be lonely any more. It has a mate — the Pontiac Press class B trophy, won by the Northville high school golf team with a 413 effort.

—A retired Novi school teacher, Mrs. Douglas French, 63, died Saturday of injuries suffered in an automobile the previous Tuesday on Ann Arbor trail. Mrs. French, who retired last year after 34 years teaching, was honored by Novi school officials at a special banquet last May on the eve of her retirement. She joined the Novi school system 13 years ago, and had watched the student body grow from less than 100 to more than 500.

—A slight increase in the state equalized valuation of the Northville school district may help the local board of education meet its tight budget despite an effort by the county to bite into school millage.

—As Chief Joseph Denton would say in describing Saturday night's testimonial tribute to Northville's retiring police chief:

"By golly, it was a big affair!" And it was. Nearly 600 friends and relatives and working associates jammed the community building gymnasium to honor Chief Denton upon his retirement.

—Northville's Alaskan family, Mr. and Mrs. Jerre Wills and their three young daughters, is still looking for a home. In a letter to Mr. and Mrs. Perry Taylor of Northville, Mrs. Wills said they recently moved their house trailer from near a Clam Gulch store to a spot a mile away near an Alaskan stream.

—V. V. McNitt, president of the nationally prominent Mc-

Naught Syndicate and president-editor of Southbridge Evening (Mass.) News, visited The Record where he started his newspaper career as a printer's devil under former Publisher Frank S. Neal.

—Thieves entered the Bake Jewelry store on North Center street sometime Sunday night and stole about \$850 worth of merchandise. Nowels Lumber company also was broken into Saturday night. A radio and fountain pen were taken and the cash register and safe had been tampered with, although they were unopened.

—Villagers were saddened to learn of the death of Dr. James A. Attridge of Port Huron. Dr. Attridge lived in the village many years ago. He was in attendance at the funeral of the late E. H. Lapham two weeks ago.

—The South Novi Farm Bureau group met at the home of Mr. and Mrs. Howard Greer, 44700 West Nine Mile road.

—Betty Snow, daughter of Dr. and Mrs. Linwood W. Snow of West Main street, will receive a bachelor of arts degree and elementary provisional teachers certificate from Alma College.

—Marble tournament winners:

First grade, Eva Tetzloff, Margaret Kupsky, Cecilia Newton, Dennis Madigan, Clare Holman, Robert Atchinson;

Second grade, Barbara Rollings, Patricia Berdan, Irene Markell, Alexander MacKay, Robert Gotro, Richard Hopkins;

Third grade, Rexanna Champney, Corinne Sprunger, Bonnie Sanislow, Dick Biery, Harry Sedan, Richard Buckley;

Fourth grade, Janice Howarth, Dorothy Welch, Lucile Pullen, James Burrell, Max Hollis, Gary Holman;

Fifth grade, Suzanne Mairs, Phyllis Howard, Patty Hix, Olive Spencer, Clarence Patterson, Allan Cockin;

Sixth grade, Karen Rossow, Mary Lovewell, Karen Austin, Terry Calkins, Joe Wooten, and Dale Sievles.

—Laura Marie Lord, daughter of the Rev. and Mrs. Harry J. Lord, has been named valedictorian of the Class of 1939. Helen Harper, daughter of Mr. and Mrs. George Harper, has the distinction of being salutatorian.

—Five head of horses brought home nine ribbons and a shield when they returned to their stables at the Porath and Sons farm in Salem.

—Ralph Bogart and Fred Hicks, Jr. are recovering in Sessions Hospital from injuries sustained at midnight Tuesday when the car in which they were riding rammed into a freight train at the second bridge crossing on Novi road as the boys, with Lee Thompson, were returning to Northville from Novi.

—At the regular meeting of Lloyd Green Post, American Legion held Tuesday evening plans for the July 4th celebration, nomination of officers, and election of delegates to the State Convention were handled with dispatch under the presiding hand of Commander A. C. Carlson. Nominated for commander was George Simmons, and S. B. Stevens as vice-commander.

—A new Scout troop known as The Explorers has been organized which will take care of Scouts of Eagle rank above 15 years of age, according to an announcement made by Scoutmaster Richard Loomis. —Leslie G. Lee will present his high school choir in "The Mikado," that ever popular and humorous opera, written by those two masters of wit and melody, Gilbert and Sullivan.

Chopped Shirt-Tail Means He Soloed!

They chopped off a piece of his shirt-tail, but 16-year-old Robert Parmenter showed no signs of displeasure. In fact, he carried a pretty big smile.

That sissor action on May 17 meant that, like his dad many years earlier, Bob, had just flown his first solo and had earned his student license.

Young Bob won his flight training through a scholarship offered by the Civil Air Patrol, giving him 10 hours of dual flight instruction in a Piper J3. CAP, however, does not itself train young men and women to become pilots.

His instructor, Robert Janner of the "Trade Air" flight training school at the Wixom airport, initiated and dated a piece of the boy's shirt-tail and hung it on the wall.

That's what happens when a young man takes up a plane for the first time alone. Only this solo flight took on special significance.

Bob's Dad, Robert Parmenter of 708 Baseline, took his solo flight at age 14 and they chopped off a piece of his shirt-tail, too. And as so often happens the precious shirt was packed away and almost forgotten. Then two weeks ago young Bob was ready to solo, and out came the shirt.

Now that shirt sports two holes.

And Mrs. Parmenter is working a bit. "With two more sons, there probably won't be enough shirt-tail left for them."

YOUNG PILOT — Recently earning his student pilot's license at the Wixom Airport is 16-year-old Robert Parmenter, shown holding a symbolic torn "solo shirt".

SAMPLES FOR YOUR SELECTION

101 N. Center St.

FI-9-1700

Here are Statements by Nine Candidates for Northville Board of Education

The Record asked the nine candidates for three seats on the Northville board of education to answer the following questions: (1)—I am a candidate for the school board because . . . (2)—In my opinion the Northville school system has the following serious considerations in the immediate future . . . and (3)—To the best of my knowledge to date this is the course I believe our school board should follow in solving the above mentioned considerations.

Their answers are recorded below. The first six names listed are candidates for two four-year terms; the last three will compete for a one-year vacancy on the board. Election day is Monday.

★ ANGLE ★

I am a candidate for the Board of Education because we in Northville, as do most cities in the nation, believe in and support the idea of control of education by laymen. We want to be responsible ourselves for the direction of our educational system. To these laymen, who are the "board of education," we delegate the responsibility of representing the people of Northville in establishing educational policy and evaluating the success of such policy. How well our children will serve society, how well they will adjust themselves within society, and how well our educational system will stand the changes and transformations of modern civilization is dependent largely upon the insight, wisdom, diligence and capacity of our school board.

The problems that will face this board and succeeding boards will increase in complexity. Our country is in one of the greatest struggles for survival in the history of civilization. To meet and to defeat the threatened end of freedom, we have launched a gigantic program of educational upgrading. We want our children to be allowed the opportunity to be a part of this swelling and resurgence of knowledge. We want this so that they, like we, will be allowed to keep in step with the advancement of our way of life. Our children will be called upon constantly to think, create, reject, re-evaluate and reconstruct — always toward the goal of betterment. Their preparation for this vastly accelerated life is in great measure the responsibility of the board of education. The school board therefore, has no alternative — it must push ahead with dispatch, but with wisdom. To me, this is an engrossing stuff. I believe our children will be adults in a much more free, open and interesting world. I am a candidate for the board because I want to contribute to and be a part of a body that has the chance to contribute so much to insure the continuation of this democracy.

In my opinion the Northville school system has the following serious considerations in the immediate future: 1—The selection of a superintendent of schools; 2—The determination of a proper allocation of the expanding student body.

The first step for the board should be to draw up a set of standards to cover the qualifications desired such as age limits, amount and kind of training, extent of professional experience and salary limits — then determine whether there is an employee in the system who is qualified.

If the board determines that they need someone outside the system, it should set up a screening committee to search for and sort out candidates according to quality. The screening committee should be comprised of some board members with the assistance of professional council. The screening committee should have the duty to recommend to the board for final selection a group of top-ranking applicants.

The board should actively search for candidates from colleges, universities, rather than wait to have applicants appear.

The screening committee should try to obtain first-hand knowledge of the candidates by visiting the communities in which they served and talking

to people who have associated with them in their professional careers.

The screening committee should eliminate all but the top-ranking candidates and let the board, sitting as a whole, make the final selection.

It appears evident that Northville has an immediate need for more classroom space in the elementary grades. The planning for school plant additions or changing existing plant facilities is a technical problem. If there is no existing school plant planning committee, which has kept the board informed of the trends and developments in school planning, the board should obviously consult planning experts from outside agencies with respect to surveying contemporary school facilities and community needs.

Moreover, because school planning involves large investments of capital, the financial program should be carefully planned so that adequate funds will be available and the community will be faced with a reasonable financial program. The school board should make a forecast of future developments within the school districts to assure that the improvements will meet the school need for a long period of time.

★ COOK ★

My experience with the proposed city master plan to provide for orderly growth of the community over the next 20 years has given me background in the future needs of the school district. Work with the Area Development Committee and Corporation (whose avowed purpose is to broaden the tax base by obtaining more light industrial and commercial valuation, thus easing the future school tax burden) has been valuable experience. In addition, my association with the PTA has brought me in close contact with school administration and school board policies, so that I have some understanding of the problems and aims of the school system. I feel that this background and experience will be a great asset as a member of the board of education.

There are three major problems facing the school board in the immediate future.

1 — providing for the increased enrollment. When it is determined that a new building program is necessary, intensive study of costs should be undertaken in order to get the most direct educational facilities for the least amount of money. I believe most people are interested in providing for a high level of instruction with facilities secondary to the degree that they are adequate for the job.

2 — Selection of a new superintendent of schools. Without a doubt, we have several qualified and capable potential applicants presently within our Northville school system. However, I believe we should also solicit outside applications and that all applicants should be judged on an equal basis. Top administrative ability is the primary qualification.

3 — Study the needs of the future in light of the expiration of the present voted operating millage in 1965. I believe in citizen participation in every phase of school planning. An advisory committee of citizens with diversified backgrounds should be selected to help determine the financial requirements of the school system over the next few years and to help in the

recommendations concerning the amount of millage required to continue the high level of education the Northville school district presently enjoys.

★ MRS. HEMPE ★

I am a candidate for the Northville school board because: our present school board is all "men-thinking". Men represent only half the taxpayers. A broader and more balanced thinking is needed to determine the needs and desires of the community. There should be a board member who stays in the community all day and who sees and understands the heartbeat of the parents and the children.

The women of our community should 1 — be more informed; 2 — have a means of communication to enable them to take an active part in the policies that affect their children's future; 3 — take a sharper look at the tax dollar to be assured it is returned with full value in educational dividends.

In my opinion the Northville School Board must consider immediately: 1 — The need for responsible leadership on the board to outline policy; 2 — the need for specific instructions to the administration; 3 — the need for clear-cut areas of responsibilities for principals and teachers; 4—the need for filling the post of superintendent with the best qualified person available.

I believe the members of the Northville school board must give their primary attention to planning for the future. Every housewife knows the secret of budget-managing is planning. Attaining any goal is planning. Providing for the future of our children is planning. The best plans are made by many heads. I would urge a permanent advisory board made up of citizens, teachers and administrators to study current problems and recommend practical methods for attaining the finest school system possible for Northville.

Whether I am elected or not I will do everything possible to push for these goals.

★ Incumbent KIPPER ★

I am a candidate for re-election because of my continued interest in providing the best possible educational opportunities for the children of Northville. There is considerable in the way of "unfinished business" of the board in which I feel a personal responsibility to follow through.

In my opinion, the Northville school system has the following serious considerations in the immediate future:

1 — The selection, within the coming year, of a highly qualified and competent superintendent to fill the position of retiring Superintendent Russell Amerman. Effective administrative leadership for our schools must be maintained and this task is, therefore, of highest priority.

2 — Accelerated growth of the system has served notice to the district that an additional building program is eminent within the term of office which I seek.

3 — The rising costs of education and the shrinking tax base, on a per child basis, caused by the growth in residential population without a concomitant growth in commerce and industry, calls for a careful examination of the community's ability and willingness

to finance the cost of the school operations at improved levels.

4 — In the curriculum area we are on the threshold of a productive era of cooperation with Schoolcraft Community College. This potential must be pursued with vigor. There is still much room for imagination and innovation at the high school, junior high and elementary levels.

5 — The new state Tenure Act, which places mandatory tenure on all school districts, will require an even more careful selection process for the hiring of teachers and administrators.

To the best of my knowledge to date this is the course I believe our school board should follow in solving the above mentioned considerations: To reduce this to its simplest terms, an effective attack and solution to all of the five issues raised above depends upon a board of education with membership representing a cross section of the community, responsive to the people and the demands of the life into which we will graduate our students.

Hopefully, a board of education should be to move and think constructively, to keep differences in perspective and to make wise selections in the administration and teachers responsible for operating the schools.

★ PRODRER ★

I am a candidate for the school board because I feel that along with the home and the church, the school is one of the most important influences our young people will experience. I want to do all I can to make the experience as meaningful to them as possible.

In my opinion, the most important action to be taken by the school board in the immediate future is the selection of a new superintendent. The person chosen to fill this position must be the best we can obtain from all the applications received. I also favor more support for the teaching of the arts in our school system.

The English, art and music departments have accomplished wonders with their present facilities. I am sure even greater things can be accomplished with a great deal more moral support and minimum of financial expenditure.

SUTHERLAND
I am a candidate because I believe I have the ability, the background and the experience required to enable me to serve as a useful member of the school board.

I believe the most important considerations to be met in the immediate future are little different than have existed in the past — to provide the means to educate a steadily increasing student population with the least pain to the taxpayer.

The structure of our school board insures a continuity of effort and policy. The groundwork for an excellent school system has been provided. It will be necessary for future boards to continue to strengthen it in every phase in order to retain or increase the level of instruction that exists today.

★ BOWN ★

I am a candidate for the school board because I would earnestly like to be of service to our community. In view of my background and experience being a member of the board would seem to be the best way for me to serve to the fullest extent of my capabilities and interest.

The first of the Northville school system's most serious considerations for the immediate future involves maintaining and, hopefully, even improving our current system in the face of the pressures placed upon it by money shortages and rapid population expansion.

The solution to this problem area would seem to lie with the board being increasingly attentive to long range planning. This planning must recognize the school board's fundamental responsibility of converting the wishes of the community into workable policies governing the schools of Northville. By firm planning many problems regarding future school sites, transportation, greater utilization of existing facilities, teacher competence, and curriculum might be avoided.

The second major consideration lies in the selection of a new superintendent. This selection will go hand-in-hand with the long range planning as the board should define very clearly the job and then seek the man to fill the job. Often

superintendents are hired on the basis of personality rather than a proven ability to put policy into action.

★ MRS. LANG ★

I am a candidate because I am sure Northville can have one of the best upgraded education systems possible and I would like to help make it one. I also feel that I have a great deal of time to devote to this responsibility, and being a mother and housewife many people, I hope, will feel free to talk things over with me and express their opinions. I think I would bring a needed balance to the school board I also feel that the two years I was on a school board has given me added advantage in understanding and coping with the problems that face such an organization.

The two serious matters the board faces are the appointment of a superintendent of schools when Mr. Amerman retires and the necessity to build a new primary school.

The selection of a superintendent is a vital task as this is the first stepping stone to a good educational system. I would hope with the co-operation of the state universities we would have a number of applicants to choose from. There are many sources to which a school board can look to find assistance in the selection of a superintendent. These should be utilized.

The building of a new primary school must, of course, start with the land purchase in the growing area of our community. We now have a good idea where that is — northwest, primarily. I think we could duplicate a school like Amerman for a reasonable sum of money. If we have a good existing plant, it would be cheaper to duplicate that than start from nothing to design and build a different one. Needless to say, a new bond issue would increase the taxes some, but we all know that it is a necessity if we don't want an over-crowded and over-burdened school system.

★ WEBER ★

I am a candidate because a number of friends and acquaintances have encouraged me to do so. This encourage-

ment resulted from my interest in school activities which includes regular attendance at all school board meetings. Attendance at the school board meetings began as an interested citizen; later I was asked by the P.T.A. Coordinating Council to serve as its delegate to the school board meetings. Subsequently, the school board asked me to form a citizens committee and serve as chairman of the schools transportation committee.

From these associations, I have become quite knowledgeable about the affairs of the school system and the problems facing it. I am confident I can make a worthwhile contribution to improved schools in Northville.

The Northville school system faces the following serious considerations in the immediate future:

1. Replacement of Superintendent Amerman; 2. Building program resulting from school children population increase; 3. Renewal of school millage — 10 mills 1966; 4. Curriculum; 5. Tenure.

In my opinion, our school board should proceed with these problems as follows: 1 — Mr. Amerman's shoes are large and will be extremely difficult to fill. The board should pursue an extensive recruiting campaign and thus have a wide range of candidates from which to select. My experience in executive recruiting and placement should be of assistance in securing a qualified replacement.

2 — The school board should initiate long range planning to assess school needs in the

near and long-range future. The permanent committee proposal, which the board has been discussing, should be adopted because this will provide the structure for doing such planning. The board should also proceed with its plan to acquire the fish hatchery as a possible school site.

3. Renewal of school millage is a must and the board should vigorously support and campaign for continuation of this millage which is an integral part of the systems source of funds. This can be done by a program of educating the taxpayers to the need and benefit.

4. The board should adopt the proposed committee structure which includes a committee for curriculum. Such a committee can make a continuing review of curriculum and thus permit the board to be more knowledgeable when making its decisions in this regard. I have already served on

one such committee (school transportation) and feel their value is essential to effective board action.

5. While tenure is a necessary protection for school teachers against arbitrary dismissal, it places additional emphasis on good administration. The board must be additionally careful in the selection of its new teachers and particularly in the selection of teachers being considered for transfer in.

SPEAKING for The Record

By BILL SLIGER

It's 10:30 Monday evening. I've just returned from a "meet the candidates" session sponsored by the four Northville P-TA's.

Along with about 100 other school district voters I think I gained a little more information about the nine citizens who have offered to serve on our board of education.

Twenty-five per cent of our qualified electors, or about 1,000 voters, will turn out at the polls Monday to decide which three of these nine will serve.

I've tried to keep an open mind. I've read the candidates' statements (see preceding page); I listened to their comments at the public meeting. Some of the candidates I know personally, or have worked with on committees, or have seen perform as members of public bodies.

Of this much I am certain: we have an extremely well qualified field of candidates representing a diversification of backgrounds.

For the voter this makes the choice very difficult, but it increases the likelihood of maintaining a board composed of members with contributions to make.

For the benefit of those who did not attend the meeting, or who may not take the time to read the aforementioned statements, but who may (by some chance) read this column, following are my conclusions. They're strictly personal and may prove to be the "kiss of death" to those I favor, and will undoubtedly win three and lose six prospective friends.

First and foremost, I like Kipfer. He's been an excellent board member, knows exactly what's going on, has Lansing contacts that have been extremely helpful to the Northville system and should be given the opportunity to serve a second term.

I've been accused of being a "status quo" man who's for the "ins" and against the "outs". I will plead guilty to favoring incumbents . . . at least for a second term . . . so long as their record of service is good.

Kipfer, I believe, has been outstanding. Fellow board members must think so, too. They elected him vice president.

Now I must explain how I decided upon my next two choices.

I placed the emphasis on "interest" . . . the previous interest shown by the candidate in community and school activities.

I am not referring to bridge-table or coffee conferences. I mean the interest that impels an individual to attend meetings, work on committees, learn firsthand what the problems are and what's being done to solve them.

Only two other candidates meet this standard of qualification — Cook for the four-year term and Weber for the one-year term.

They'll be able to step into board meetings and contribute immediately. Refresher courses won't be necessary.

All other things being equal — and I believe that by all other standards of comparison the candidates match closely — this edge deserves to be recognized.

* * *

School voters in the Northville district should be aware of the Schoolcraft college bonding proposal, which will also appear on the ballot Monday.

If approved, it will make available \$2,800,000 for immediate construction of additional buildings on the campus. These buildings will include a student center, technical and vocational institute, classrooms and physical education plant.

Schoolcraft's trustees have backed this proposal with the stipulation that there will be no increase on the present one mill tax levy.

Vote YES on this proposal.
