## Biggest Enrollment Awaits School Trek

**WORK LOAD** — Sue Reinhackel's ready for her senior year at Northville high school. The stack of books, papers and pencils she's receiving from her classmate, Cheryl Hubbard, at the bookstore are only slightly exaggerated for picture purposes. Teacher Robert Sharrar is in charge of the bookstore this year. He reports that most students have already made their purchases. The store will be open Friday from 7:30 a.m. until 1 p.m. and Tuesday and Wednesday from 8 - noon and 1 - 4 p.m. for all high school students. Classes start next Thursday.

There won't be any spare space when students start filling up the rooms in Northville's public schools Thursday, September 10.

The biggest student body in the history of the local school system will return to the classrooms next week — 2,345.

That's an increase of 240 over last year's beginning enrollment. And past history indicates that enrollment goes up as the school year progresses.

Following is a breakdown of the student population of each building: high school — 850; junior high school — 475; Amerman elementary — 500; Main street elementary — 520.

School administrators have made every effort to provide enough room. They know the permanent answer is another elementary school (see story elsewhere on this page).

Major maneuvers to accommodate the bulging enrollment have been the moving of the administrative offices to the old library building. The former offices in the Main street school have been converted into an additional classroom. All five of the sixth grade classes have been shifted into the junior high building.

Despite the fact that Northville's ninth graders to Northville this year, the student body at the high school numbers 25 more than last year.

Northville's faculty also stands at an all-time high with 103 teachers. Twenty-four new teachers will enter the system this fall (see list on page three of this section).

Superintendent of Schools R. H. Amerman had high praise for the newly hired teachers. "We were able to hire nearly all our first choices this year," beamed Amerman, a condition he attributed to the newly-adopted salary schedule.

The 1964-65 Northville school year marks the last, and 38th, for Superintendent Amerman. He'll retire next June.

While classes do not begin until next Thursday, administrators, office personnel and maintenance men are already on the job preparing for the opening.

Today new faculty members will meet with Superintendent Amerman at the Junior high school library. At 11 a.m., following a two-hour orientation meeting, they'll tour the district by bus. At noon they'll be entertained for luncheon at the Thunderbird Inn. In the afternoon the new teachers are scheduled to meet with their principals in their respective buildings.

All faculty members report Tuesday at 9 a.m. for a meeting at the high school auditorium. (See complete calendar on page eight of this section).

All sixth, seventh and eighth grade students report to the boys' gymnasium (now called junior high school, formerly "community building") Thursday, September 10 at 8 a.m. Following an assembly all students will be assigned to home rooms.

Eighth graders may purchase books today and seventh graders Friday at the book store between the hours of 9 - noon and 1 - 4. Principal Donald Van Ingen said those unable to purchase books today or tomorrow may do so after school begins. Sixth graders will purchase their books in their home rooms.

Van Ingen reminded junior high boys interested in going out for football that they must arrange for their own physical examinations. Cards may be obtained from the junior high school office.

### County OK's One Mill Hike

Unusually heavy voting for a primary, lengthy ballots and new districts that criss-cross city, township and county lines in unfamiliar patterns created problems for vote tabulators in Tuesday's election.

At press time Wednesday The Record gathered what appeared to be final results in congressional and state legislative races, but they cannot be called official.

It is definite, however, that the Wayne county proposal for a one mill increase for five years was approved. The vote was 195,143 YES, 180,590 NO.

In state voting Governor

George Romney swamped George Higgins for the GOP nomination, while Elly M. Peterson won the senatorial nod. Neil Staebler was unopposed on the Democratic ticket for governor, as was Senator Philip A. Hart for the U.S. Senate.

In other state and congressional races it would appear that GOP Congressman George Meader will face Democrat Weston Vivian in the second congressional district. Richard D. Kuhn led in GOP voting for the 19th district and will face Billie S. Farnum. In the 14th state senatorial race Paul Chandler is the GOP nominee to meet James McCarthy.

In the 35th state representative district Republican Lonnie Brashear and Democrat Marvin R. Stempien were nominated, while Clifford H. Smart led 60th district Republicans and meets Democrat Dwight R. Lawler.

In the Wayne county judge of appeals race John Watts, T. John Lesinski and John H. Gillis were the top vote-getters. Six were nominated and will compete for three seats in the November election. Other nominees were Harry J. Dingeman, Jr., Thomas Foley and Tom Downs.

In the Oakland county court of appeals race Farrell E. Roberts, Thomas Kavanagh and Francis O'Brien led the field. For circuit court in Oakland county Arthur E. Moore, James S. Thorburn and Philip Pratt were the winners.

All Democratic incumbents were nominated in Wayne county including Prosecutor Samuel H. Olsen and Sheriff Peter L. Bubeck.

The county GOP nominees, where races existed, were William Ferguson for prosecutor, William Jeffries for sheriff, Joe Martin for treasurer.

City voters fell behind the township in casting ballots (see township story on this page). But a 30% primary turnout without a local issue on the ballot was still rated better than average.

A total of 748 votes were cast in the city out of a registration of 2,479. Precinct one had the best average with 310 of the 889 registrations casting ballots. In two the vote was 217 of 881 and in three, 221 of 709 registrations.

Delegates nominated in the precincts were: precinct one—Democrat Ken Conley, Republican Mrs. Beatrice Carlson; precinct two—Republican Mrs. Stuart Campbell; and precinct three—Democrat Jack Ruland.

## Treasurer Vote Close 391 - 361

In one of the biggest primary ballots ever cast nearly 50% of Northville township's registered voters turned out at the polls Tuesday to re-elect one board member and replace another.

The contests for treasurer and trustee on the Republican ticket were the big attraction.

Treasurer A. M. Lawrence defeated Mrs. Harold B. Price by a 30-vote margin, 391-361.

Trustee Donald Robinson finished third behind James Tellam, who polled 358 votes, and Gerald Dresselhouse with 207. Robinson received 167 votes.

Nomination on the GOP ticket in the township means automatic election. Democrats did not file for the primary and, therefore, cannot enter the November election.

But newly-elected Trustee Tellam will not take office until spring.

Both Lawrence's and Robinson's terms run until next April. The "lame duck" term from November to April comes about as the result of the new constitution. It changed township elections from the spring to fall with regular state elections.

The Lawrence-Mrs. Price race was close in both township precincts. Coincidentally, the incumbent treasurer won by a 15-vote margin in both precincts.

He led Mrs. Price 212-197 in precinct one, and by 179-164 in precinct two.

Tellam won easily. He ran well ahead of both opponents in precinct one with 218 votes to 92 for Robinson and 89 for Dresselhouse.

It was closer in precinct two. Tellam polled 140 votes to 118 for Dresselhouse and 75 for incumbent Robinson.

Altogether, 823 of the 1,723 registered voters went to the polls. Of this total 440 votes were cast in precinct one (west of Sheldon road) and 383 in precinct two (east of Sheldon).

There were no other contests on the township ballot, but Supervisor R. D. Merriam, Clerk Marguerite Young and Constable Richard Mitchell were up for re-election.

Supervisor Merriam polled 311 votes in precinct one and 273 in two for a total of 584 votes; Mrs. Young had 297 and 279 for a total of 576; and Mitchell received 252 and 269 for 521.

Mrs. C. A. Hoffman was elected GOP party committeewoman from the second precinct with 141 votes. Mrs. Jayne Zobel was elected Democratic party committeewoman with 63 votes.

Harold B. Price was elected as delegate to the Republican county convention, while William G. Kinnard was elected delegate by the Democrats.

## Board Firm On Bus Route

A question of who is eligible to ride school buses in Northville has been settled.

All school youngsters living in the Village Green subdivision area must walk to school, according to a decision reached by the board of education Friday night.

The board based its verdict on a state report.

Two weeks ago, Lee Emens and Robert Mohr, residents of the area, brought the matter of transportation for 24 parochial students before the board.

Emens and Mohr produced copies of state senate bill 1144 which they said indicated that transportation must be provided in such areas, even though they are in the city limits and not eligible for state funds, if the distance is over 1½ miles.

Our Lady of Victory school is 18 miles from the students' homes, they noted.

To clear up the issue, E. V. Ellison, director of administrative services for the school district, asked for an authoritative opinion from George Schutt, consultant for school organization and transportation for the state department of public instruction.

Schutt wrote a letter to Ellison, saying in part:

"No school district has to furnish transportation for non-public school children unless such children are eligible for an allotment in state aid.

"Any child who lives within the city limits of Northville is not eligible for an allotment in state aid. Consequently, a school district does not have to furnish transportation for

such children."

The Northville board has taken the position that it will not furnish transportation to public or non-public school students within the city limits unless walking conditions are considered hazardous.

Certain areas within the city, such as Northville Estates, and within the 1½-mile distance in the township are provided bus service (even though state aid is not given) because sidewalks are not available for safe walking.

Junior high school students (which this year includes sixth graders) and Our Lady of Victory students in the Village Green area have long treks, parents have pointed out. A similar condition exists for students in the city limits residing in the "Bealton" area — Gardner, Yerkes, Johnson, Beal and River streets.

Earlier Emens and Mohr had indicated that some non-public school parents in the Village Green area might consider sending their youngsters to nearby Amerman elementary school if bus service is not provided.

## Novi OK's Millage Hike

Novi school district voters approved a three-mill increase Tuesday by a narrow margin of six votes, 277-271.

In Novi township balloting Republicans chose Incumbent Supervisor Hadley Bachert over Leo Harrawood; H. Lloyd George, a former trustee, defeated Richard Bingham and Mrs. Nancy Smith for clerk; Treasurer Duane Bell defeated C. A. Smith; Charles Goers, the former clerk, downed Dr. Ralph Luckett for trustee; and Justice Robert K. Anderson defeated Frank Mobarak for JP.

## Bus Routes Published

A complete bus schedule for the 1964-65 school year appears this week on page four, section two.

## St. Paul's, OLV Set To Open

Northville's two parochial schools will swing open their doors to pupils next week.

St. Paul's Lutheran school opens Wednesday and Our Lady of Victory on Thursday.

St. Paul's will have a new kindergarten class and a new teacher on its staff.

Mrs. Edna Huff of Northville will teach the newly added Christian kindergarten. Until the lower level of the school is completed, Mrs. Huff will hold her class in the parish hall of the church.

Carol Radke, starting her second year at St. Paul's, will teach grades one through four. Principal W. O. Zabell will teach grades five through eight.

Principal Zabell noted that the additional space and new teacher will permit the school to accept additional pupils.

Classes will open Wednesday at 9:30 a.m. with a divine worship service in the church. Full day classes begin Thursday at 8 a.m. and continue until 2:30 p.m.

At Our Lady of Victory Sister Mary Bernarda, principal, expects some 380 students in grades one through eight.

A new fourth grade class and a teacher have been added at OLV bringing the number of classes to nine. Mrs. William Madigan will teach the new fourth grade section.

There are three newcomers to the OLV faculty. They are: Sister Barbara Ann, sixth grade; Sister Raymond Cecile, seventh grade; and Sister Mary Leona, first grade.

## Approve Time-Table For School Building

Preliminary steps have been taken for the eventual construction of another elementary school in Northville.

At a special session Friday night, the board of education approved the formation of a citizens' advisory planning group to work on the project. William Crump was the board member who headed the special committee that laid the groundwork for the citizens' group. He outlined their role in meeting the district's educational needs.

Seven committees will be set up. They are population and facilities, operations and systems, curriculum, personnel planning and salaries, transportation and financing.

Crump said each of the committees will be "composed of one school board member, one or two school administrators and citizens. All members will vote."

"The chairman will be a citizen and the secretary will be an administrator. Each committee will meet as needed and

report to the school board. President of the school board and superintendent of schools will serve ex-officio on all committees."

Three committees — population and facilities, curriculum and financing — apparently will be activated as soon as citizens can be appointed.

The reason is that R. H. Amerman, school superintendent, has mapped out a proposed timetable for planning, financing and building an elementary school over a two-year period.

In a report to the board, Amerman allotted "five months for planning and committee work and development of preliminary drawings, 50 days to prepare for bond election, 12 to 14 weeks for approval of bond issue and marketing of bonds and one year for putting up the new school."

He told the board that the timetable should be put into effect this month and conclude in September of 1966.

Amerman further informed the board that F. M. Thrun

group of young people." While day classes were bustling at the Haggerty - Seven Mile road college following Monday's opening, evening class enrollment hit 1,000 early this week. Some 1,300 night class students are expected by the close of registration tonight.

## News Around Northville

The sons of Mr. and Mrs. Ernest Lusk celebrated birthdays last week at a family party. William was eight on August 22 and Courtney was six on August 25.

Mr. and Mrs. Edward Meline and Donald A. Maclean from Cocoa Beach, Florida recently visited the D. C. Macleans, 340 High street. Mrs. Meline is the former Shirley Maclean.

Mr. and Mrs. Jack Wolf of San Diego, California have returned home after spending two weeks in Northville visiting Mrs. Wolf's grandmother, Mrs. Maude Bennett, and her

father, Peter L. Perkins, and friends.

Peggy McIsaac, daughter of Mr. and Mrs. Bernard McIsaac, 51181 West Eight Mile road, is on a 30-day leave from the Naval hospital in Jacksonville, Florida. After leaving Northville she will report for duty in Brooklyn, New York, which will be her home port. Peggy has completed three years in the Navy but she recently re-enlisted for a 24-month overseas assignment.

Mr. and Mrs. Farid Isahac of Heliopolis, Cairo, Egypt completed a six weeks' visit at the home of their son and daughter-in-law and family, Dr. and Mrs. F. F. Isahac of 39075 Haggerty court, last week. While visiting here Mr. and Mrs. Isahac toured Michigan, Washington, D.C. and New York, where they attended the World's Fair. They sailed for England last week aboard the Queen Elizabeth. Before returning to Egypt they'll tour Europe.

Visiting relatives in Milford and old friends in Northville are Mr. and Mrs. Neil Hannaford of Naples, Florida. The

Hannafords are former Northville residents. Mr. Hannaford operated a hardware store located in the present Record building.

The Reverend and Mrs. Lloyd Brasure and family were called to Green Bay, Wisconsin this week to attend the funeral of Reverend Brasure's father, Lloyd W. Brasure. The funeral is today. The Brasures will return to Northville Friday.

Captain Richard Gussell, son of Mr. and Mrs. M. C. Gussell, received a masters degree in motion picture production in July from the University of Southern California. Capt. and Mrs. Gussell and son Jeff are now living in Plymouth. But he will leave for an assignment in South Vietnam September 11.

Mr. and Mrs. Fred Gotts, 836 North Center, and son, Reverend Larry Gotts of Detroit, have returned from a two-week trip around Lake Superior. They stopped in Duluth and visited other states.

Mr. and Mrs. Scott Krause are spending the week at the Greenbrier in Virginia for the Acacia Mutual Life leaders conference for outstanding agency development and production.

## Grysiewicz—Sheedy Vows Spoken August 22 at OLV

Larua Grysiewicz became Mrs. Theodore E. Sheedy Saturday morning, August 22, at a wedding ceremony performed at Our Lady of Victory church in Northville.

The Reverend Father John Wittstock conducted the 11:30 o'clock ceremony.

The bride is the daughter of Mr. and Mrs. Theodore Grysiewicz of 131 Ely drive. Mr. and Mrs. Theodore A. Sheedy of Plymouth are the bridegroom's parents.

The bride was escorted down the aisle by her father. She wore a floor length gown of silk organza over taffeta with chapel train with alencon lace and a fingertip veil.

Her bouquet was an arrangement of white orchids, white roses and stephanotis.

Maid of honor was Sharon Bongiovanni of Northville. She wore a mint green floor length gown of silk organza over taffeta and carried a bouquet of yellow carnations.

Bridesmaids were Karen Matla and Dianne Springfield, cousins of the bride; and junior bridesmaids were Janet Sheedy, sister of the bridegroom, and Celeste Grysiewicz, sister of the bride.

The bridesmaids and junior bridesmaids wore yellow floor length gowns of silk organza and carried green carnations.

Gary Grysiewicz, brother of the bride, was best man. Ushers were Ralph Shefer and Marvin Lemmon.

The bride's mother wore an emerald green brocade dress with emerald green accessories and the bridegroom's mother a powder blue brocade dress with blue accessories.

A reception was held at Hillside Inn for 80 guests from Roseville, Detroit, Redford, Plymouth, Northville and Taylorville, Illinois.

The bride is a graduate of

Northville high school and the bridalroom of Plymouth high school. He is employed at General Motors.

The Sheedys will make their home in Plymouth.

Mrs. Theodore Sheedy

## State Home Auxiliary Plans 'Get-Together'

The auxiliary of Plymouth State Home and Training School, Sheldon at Five Mile, is planning a "Get At Quilts Coffee Hour," to be held in the hospital-administration building Thursday, September 17 from 9:30 to 11:30 a.m.

This informal but important get-together is being provided as an opportunity for all interested persons to become better acquainted with the various programs and volunteer services offered to the training school's nine hundred retarded children.

The first hour will include a welcoming address by the administrative assistant, George Ebling, Jr., a colored slide presentation by William Boyd, community relations director, and a brief ceremony recognizing the outstanding service of twenty-four volunteers. The last hour will be devoted entirely to sociability with light refreshments.

Mrs. John McIlhargie, moderator of the auxiliary's advisory council, expressed the hope that many of those who will attend the function may subsequently feel encouraged to share in the significant activities of the auxiliary as volunteers or "candy-stripers" as they are called.

"With three new buildings scheduled for completion by next July," Mrs. McIlhargie said, "expanding facilities invariably necessitate a growing volunteer force to meet the many needs of an expanding patient population."

Although this event is part of their annual recruitment drive for new members, the auxiliary stressed the fact that the general public, interested and curious alike, is invited and encouraged to "get acquainted" at the coffee hour.

## Antique Fair At Cranbrook

Eighteen antique dealers will be displaying their wares at the annual Bloomfield Antique Fair, sponsored by the Michigan Animal Rescue League.

The Fair, which will be held at the Cranbrook School Auditorium September 10, 11 and 12 will be open to the public from 11:00 a.m. to 10:00 p.m. Period antiques including primitives, old coins, rare books, china, glassware and we are happy to announce that this year a handsome collection of antique clocks will be featured, along with many other decorative items.

Lunch, tea and supper will be served at small tables set up cafe-style in the lobby. The meals, prepared by The Huntress Whip of Franklin, will be served between the hours of 11:00 a.m. and 7:00 p.m. Special menus will be prepared for each day — an idea to entertain friends at luncheon while attending the Fair.

Proceeds from the Fair will be used to help the Michigan Animal Rescue League maintain its shelter, located at 790 Featherstone Road in Pontiac.

Mr. and Mrs. Thomas O'Brien

Looking for a permanent home in Northville are Mr. and Mrs. Thomas E. O'Brien. The O'Briens have been living in an apartment at 22000 Beck road until they find their paragon.

Judith and Thomas moved into Northville three months ago when Mr. O'Brien was transferred here. He is with the BGR Division of Associated Springs.

Former residents of suburban Chicago, Mr. and Mrs. O'Brien are both graduates of Millikin University in Decatur, Illinois.

At school Mrs. O'Brien was affiliated with Delta Delta Delta sorority and her husband

was a member of Tau Kappa Epsilon.

Mrs. O'Brien, who majored in elementary education, will be the new fifth grade teacher at Northville elementary school.

She had previously taught in Connecticut while her husband was in a year training program with the BGR Division.

Mr. O'Brien was an engineering administration major in college.

He is a member of the Society of Automotive Engineers. His favorite sports are bowling and golfing.

His wife is also active. While in school she was a water safety instructor. She also does still lifes in oils and pastels. Mrs. O'Brien used to work with ceramics and sandcast, but doesn't find time for them anymore.

# 24 New Northville Teachers Ready for Returning Pupils

Northville's public schools will have 24 new teachers in its system this year when classes open Thursday, September 10.

All teaching posts have been filled and total teaching force now numbers 103. Twenty-two of the new teachers are women.

Names of the new teachers, experience and assignment in the Northville system are as follows:

## Three Cities Art Club Slates Exhibition — Sale

Three Cities Art club will hold its annual exhibit and sale in conjunction with the Plymouth fall festival September 10-13.

The Detroit Institute artmobile will be parked and open to the public at Kellogg park in Plymouth during the four-day run of the show.

Two Northville residents will be showing off their works. Linda Edgerton will give a jewelry demonstration from 10:30 a.m. to noon next Saturday.

Kate Edgerton will present a spinning demonstration from 1-2 p.m. and 3-4 p.m. the same day.

A weaving demonstration will be offered by Kate Edgerton from 2-3 p.m. next Sunday, the last day of the event.

**COLLEGE LUNCHEON** — Trustees of Schoolcraft college treated the 48 faculty members to luncheon at Dun Rovin country club last week. The get-acquainted meeting preceded opening of the community college Monday. Pictured above (l. to r.) are President Eric Bradner; Kenneth Lindner, business manager; Patrick Butler, library director; Lois Waterman, dean of student affairs; Harold Fischer, chairman of the board of trustees; John Brinn, dean of instruction; Mrs. Jane Moehle, vice chairman of the board of trustees; and L. Clarke Oldenburg, trustee.

**AERIAL ANTICS** — Skydivers performed from early morning until sunset at the Novi Gala last Saturday. Bob Tighe (third from left) was declared the Michigan champion at the annual meet. Other trophy winners were Conrad Crowton of Ferndale (second from right) who judged and Dave Sauve of East Lansing (second from left) who showed. Judges were Harold Lange (left) and Dan Latchford (right) who operates Midwest Parachute in Novi and sponsors of the yearly competition.

## New Books For Novi

Seven new novels have been added to the shelves of the Novi public library.

They are Armageddon by Uris, Black Like Me by Griffin, Convention by Knebel and Bailey, The Spy Who Came in From the Cold by LeCarre, Strangers on a Bridge by Donovan and The Story of My Life by Helen Keller.

Mrs. Robert Flattery, Novi librarian, said "other books were purchased for high school reading."

Meanwhile, at the library board of directors meeting last Tuesday, the budget was approved for presentation to the township board, purchase of a new typewriter was authorized and a report was made on a library workshop at Ferris State College.

## In Justice Court In Northville

An outstate motorist lost his license and paid a \$90 fine in Northville last Friday for driving under the influence of alcohol.

Richard L. Davis of Harrison was arrested on the charge at 2:58 a.m. and spent the rest of the early morning hours in jail before appearing in court. At his arraignment later that morning, Davis pleaded guilty and Judge Charles McDonald assessed him \$85 fine and \$5 costs and revoked his license for 90 days.

In other cases before Judge McDonald:  
Donald Hall of Detroit was fined \$5 for driving without a drivers license and ordered to pay restitution of \$32 to Northville police department. Hall accidentally backed his auto into a local police car August 18.

Mary Kinney, who was ticketed August 27 for having no valid operators license, was fined \$5 and instructed to secure a license.

Harold Goldfeder of Royal Oak pleaded guilty for going 45 mph in a 35 mph zone August 17 and paid a fine of \$10. John Wells of Wayne was found guilty of speeding 40 mph in a 35 mph zone August 7 and was fined \$5.

Jack Ray of Southfield ran a stop sign on Seven Mile road and S. Rogers street August 7, pleaded guilty to the charge and was fined \$5.

James Weidner of 627 Fairbrook was found not guilty of disobeying a police officer August 2 at the intersection of N. Center and Dunlap. His case was dismissed.

Harley Bollat of 42400 West 10 Mile in Novi was fined \$5 and \$15 costs and had his license suspended for four months for driving under the influence of alcohol August 15 in the city. He was arraigned August 24 and pleaded not guilty but before his trial he changed his plea to guilty.

Wynn C. Whitehair, who was arrested July 22 for driving under the influence of alcohol and disobeying a traffic light at Main street and N. Center, paid \$100 in fines. The count of

## Two Injured in Crash Following Police Chase

A former Northville resident, now living in Wayne, was seriously injured in an auto accident last Wednesday on Edward Hines drive just south of Seven Mile.

He was the passenger in a car driven by another 15-year-old youth who tried to outrun police because he didn't have a driver's license and had taken his parent's car without permission.

Officer Dave LaFond spotted the car proceeding west on Seven Mile cut-off and noticed that the driver "was making the car jump and then speeding."

He pursued the car after the unlicensed driver failed to halt at the stop sign at Seven Mile and Hines drive.

LaFond said the driver then lost control of the car. It skidded about 400 feet, according to his report, and flipped over. Michael Jordan, 17, who was the passenger, suffered a brain concussion, was blinded in left eye, had lacerations on the left ear and a sprained ankle.

The driver broke his arm. Asked why he was trying to get away, the driver told police: "I didn't have a driver's license." He was turned over to juvenile authorities in Detroit.

Donald Karr of 936 Allen drive in Village Green subdivision no longer has a second car or a garage. Both were destroyed by fire Sunday.

Fire Chief Bud Hartner said two of Karr's children set off the blaze. They were playing with torches in the garage and knocked over a can of gasoline which ignited.

Extent of damages has not been determined, Chief Hartner said. Firemen responded to the first alarm at 8:15 p.m. and were called back a second time at 11:21 p.m. to extinguish a few smoldering embers.

A car parked in Phil's service station on Main street and Wing street made a u-turn by itself Saturday.

The car, parked next to the station near Wing to an attendant, was left out of gear. It rolled down into Main and gained enough momentum to go up an incline and come to rest on the other side of the station.

There was a little damage to a front fender and police said it was fortunate the car didn't cause an accident.

## CAP Cadet Returns From Trip to Austria

A trip to Austria courtesy of the Civil Air Patrol was enjoyed last month by Second Lt. Russell Schoof of the Northville squadron. Lt. Schoof was named outstanding cadet of the Michigan wing of CAP.

Traveling with five other cadets Lt. Schoof journeyed from Insbrook to Vienna visiting such cities as Z-Lam-see, Salzburg and Graz.

The cadets were accompanied by CAP and Air Force officials.

Upon his return Lt. Schoof showed slides of his trip to the Northville squadron.

Another Northville cadet won special recognition this summer when he was named the outstanding cadet attending the annual summer encampments. He was David Orphan, first sergeant of the Northville squadron.

Encampments were held in Battle Creek and North Carolina.

## 'N' Gridders Drill For Tough Openers

There are no "opening game breathers" on the Northville high school's 1964 football schedule.

Coach Ron Horwath is running his Mustang charges through twice-a-day drills until school opens

next Thursday. He doesn't have much time. Friday, September 18 Northville squares off against traditional rival Plymouth.

Friday, September 25 the Mustangs open their home season with Clarkston.

The Northville-Plymouth contests are always keenly fought and the Rocks consistently field a tough team.

Clarkston and Northville closed the 1963 season in a 13-13 tie leaving the two teams deadlocked for the Wayne-Oakland league championship.

Coach Horwath thinks they may take up right where they

left off — evenly matched. "They're in the same shape we are. We lost 23 lettermen through graduation and Clarkston lost about the same number," Horwath pointed out.

The Mustang mentor believes Northville's grid fates rest with the quarterback slot and Halfback John Mach. Northville's quarterback candidates are inexperienced. And Mach, a veteran back, suffered a leg injury last year which could be a handicap.

It isn't all "crying towels" for Horwath, however. He admits the Mustangs will be "a little bigger and faster than last year."

But he isn't making any championship predictions.

## Dave Hay to Start On Central Team

Dave Hay, former athlete at Northville high school, will see first line duty this year on the 1964 Central College football team under the guidance of Head Coach Ron Schipper — a former Mustang football coach.

Hay has lettered three years in football and two years in baseball at Central. He has been a halfback for Coach Schipper and started in right field for the baseball team while at Northville. Dave won three letters in each of three

sports; football, basketball & baseball.

Hay, son of Mr. and Mrs. David Hay of 46141 Sunset, is 5-10 and weighs 170. An excellent student, Dave will be a senior and is majoring in English.

This well could be the year for Central's Iowa Conference Championship. Schipper has brought his teams from a 6-3 record and a tie for third place in 1961 through a 7-2 second-place finish in 1962 to a 7-1-1 second-place finish in 1963. His three year record at Central is 20-6-1.

## Bachelor BeGole Scot-Free

It pays to be a bachelor. Just ask Lee BeGole, Novi police chief.

R. LaVere Webster, sergeant-at-arms of the Novi Rotary club, announced at last week's luncheon that a member has ducked a special assessment for six years. The member was BeGole.

All local Rotarians contribute \$1 to a special fund on their birthday or wedding anniversary.

For a moment it appeared BeGole would be fined for being single. But Webster explained that no official action would be taken and BeGole was "just getting the business."

There were a few laughs at his "expense" but BeGole got off scot-free.

## Novi Football Practice To Begin This Friday

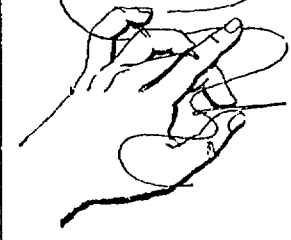

John Osborne, Novi Junior, to sign up for the team will High school football coach, meet at 11 a.m. Friday at the asks that all boys who want Novi school field.

**CHARGING MUSTANGS** — A few grunts and groans were recorded Monday on the practice field behind the high school as the varsity football team went through another practice round in preparation for the season opener September 18 against Plymouth. In the above picture, a member of the backfield smashes through two tackle dummies with a burst of speed in the so-called "bread and butter" drill. Below, a tackle drives hard, digs in his spikes and is ready to slam an opponent to the ground.

# Toss Those Woolens In Washer

Ten years ago, wool that could be washed in a machine without shrinking was little more than a dream. So were stretchable wool and wool with permanent creases and pleats.

Today, these dreams are realities according to Janet Voorheis, extension agent in home economics for Wayne County. She points out that at least three garment manufacturers are turning out shrinkproof wool apparel and others are making stretch-wool suits. What's more, the U.S. Quartermaster Corps has approved wool uniforms with permanent creases and pleats for the armed forces.

The Agricultural Research process, the wool is given a very thin polyamid coating, chemically grafted to the fibers. This coating changes fiber surfaces enough to reduce their tendency to tangle and mesh ("felt"). It also cuts down on shrinkage during turbulent washing. It adds little Service (ARS), she notes, uses the "polyamid" method for shrinkproofing wool. By this weight to the fabric — about 1 per cent.

Janet Voorheis reports that ARS scientists say the treated fabric retains all the comfort, warmth and beauty of untreated wool. But it makes into easy-care garments that can be machine washed and that need only slight pressing after

in the junior high school gymnasium. Admission will be 75c. Richard Norton, spokesman for the Jaycees, said Robin Seymour of WKRN will be spinning discs of hit tunes throughout the evening.

Meanwhile, anyone interested in becoming a member of the Jaycees is asked to call Norton, who is membership chairman, at 349-2467.

He said an orientation program was held recently for prospective Jaycees and their wives. Attending, besides the Nortons, were Mr. and Mrs. Paul Sobol, Mr. and Mrs. Dave Ballinger and president and Mrs. John MacCauley.

A slide presentation called "The Jaycee Story" was shown.

# Novi Promotes Officer Faulkner

A Novi patrolman has been upgraded to corporal, Police Chief Lee BeGole announced. Officer Richard Faulkner, a four-year veteran of the Novi force, earned his new rank by passing an examination supervised by the Ann Arbor police

department. Faulkner's appointment is effective immediately but the village council must determine a pay increase, BeGole said.

Early in August, council approved BeGole's request to add some "brass" to the department. Another officer was considered for promotion but has since left the local force. He was Merle Spencer.

Faulkner, 28, is married, has two children, is a graduate of the Michigan State University police school and handles all juvenile cases in Novi. He makes \$5600 a year.

# Seed New Lawns Now

One of the hottest times to be out in the yard is between August 15 and September 15. It's also the best time to seed your new lawn.

Weather conditions are ideal at this time and those hot temperatures are excellent for proper seed germination, according to James Tyson, soil scientist with the Michigan Cooperative Extension Service. Also, there are few hard rains which can wash away the seed during this period.

The soil needs to be moist to develop a good stand of grass. "Don't let the surface soil dry out after the seed once begins to germinate," cautions Tyson.

The development of good turf is much easier with generous fertilizer applications. A soil test will accurately determine just the kind of fertilizer to be used. One pound of nitrogen per 100 sq. feet of lawn should be applied to Kentucky Bluegrass three times during the growing season. Merion Bluegrass requires twice this amount of nitrogen.

Home owners seeding a new lawn this fall can get some timely tips and hints from County Extension Service offices. Just ask for extension folder—211—entitled "Making a New Lawn."

# Novi Names Principals

Classes won't start for another week but the Novi board of education has prepared for the opening of school. It has added a new elementary principal and has reshuffled two other administrators in the school system.

Mrs. Esther McDonough is the newest principal and will be in charge of Orchard Hills school. She is officially called

Mrs. Esther McDonough

a teacher-principal because she will instruct fifth-grade classes each morning and assume her other duties in the afternoon.

Starting in Novi as a substitute Mrs. McDonough has been a full-time teacher for seven years. All told, she has 10 years experience.

Mrs. McDonough holds a bachelors degree from Wayne State University and said she plans to return to college this year and work towards a masters degree.

Roy Williams, 43, former principal at Orchard Hills, will take over at Novi school in a few weeks. Like Mrs. McDonough, Williams teaches the fifth grade.

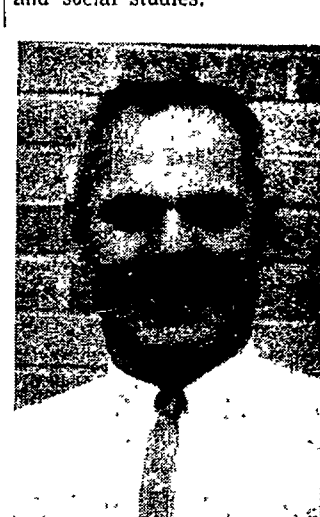

He has been in the local system three years, two as a principal. Overall, he has been a teacher five years. He is a graduate of Olivet College in Illinois.

Williams is studying for his master's degree at the University of Michigan.

Sam Stewart, the only full-

time principal in Novi, will soon set up his office in the new Novi secondary school which opens September 10.

He had been Novi school principal for two years. Stewart, 28, previously taught in Redford for four years before coming here in 1962. He is a Wayne State graduate and his specialties are English and social studies.

## from the PASTOR'S STUDY

R. LaVere Webster,

Pastor of New Hudson Methodist Church

One of the supreme problems of life is the question: "How can I get into a right relationship with God? How can one feel at peace, at home with God?"

Many years ago the law said, "A man can attain a right relationship with God by keeping meticulously all that the law lays down. If he fulfills all the works of the law, he will be right with God." In reality, if this be true, there is no possible way of any man attaining that right relationship. For man, an imperfect creature, cannot render perfect obedience. The hymn puts it: "Not the labors of my hands Can fulfill Thy law's demands."

If we cannot perfectly fulfill the law, of what value is it? It makes us aware of sin, of what we ought to be doing. One must know the re-

quirement to know what he ought to do or be doing. Only when a man knows the requirement and tries to satisfy it, can he realize he never can.

Is one then shut out from God? No, far from it. For the way to God is not by law but by grace, "not by works but by faith." As a man appears before God he is anything but innocent; he is utterly guilty. Yet, God in his amazing grace treats him as innocent. He justifies the ungodly, or treats man as good. This was a shock to the people of Jesus' time, for to treat a bad man as good was the sign of a wicked judge.

But Saint Paul says that this is precisely what God does. Jesus said all are sinners, still dear to God. When we discover this and believe it, it changes our whole rela-

tionship to God. We try not to sin, but are conscious of our shortcomings. Yet we do not live in terror; we are no longer estranged. Penitent and broken-hearted we come to God as a sorry child for we know the God we come to is love.

We are in right relationship with God because we believe what Jesus told us about God is true. We are not terrorized, strangers from God, but erring children trusting in our Father's love. Jesus said the way to a right relationship with God is not a frenzied attempt to win acquittal by our performance; it lies in humble, penitent acceptance of the love and grace which God offers in Jesus Christ. "Amazing grace how sweet the sound, That saved a wretch like me."

## New Area Directory Published

A new Plymouth and Northville City Directory is now off the press and has been delivered to subscribers. As usual, R. L. Polk & Co., of Detroit, are the publishers.

This handy mustard-and-mayonnaise-bound 1964 edition lists 3,466 personal and business names, according to the publishers' records - 6,109 in the Plymouth section, and 2,357 in the Northville section. As heretofore, eighteen was the minimum listing age, and the combined names of man and wife are counted as one name in the above total.

An entirely new feature is included in this edition of the directory - a numerical telephone guide. Printed on blue paper, this lists the names of the telephone subscribers of the two cities by numerical progression (or sequence) of telephone numbers.

Special regular features of the directory include the designation of occupant-owned and rented homes; telephone numbers after householders' names in the street section; and descriptive sketches about Plymouth and Northville.

The variety of Plymouth and Northville business shows up in the classified pages of the new directory, where 285 classifications "parade" from "Accountants" to "Yarns." This is to say nothing of the numerous secondary classifications which have been purchased as "displays" the publishers pointed out. The old vies with the new in the 1964 record of the area's business. Contrasting categories include "Beer Cell Cleaners," "Credit Unions," "Fund Raisers," "Junk Dealers," "Organ Builders," "Telephone Answering Service" and "Water Softener Service."

The new city directory will represent Plymouth and Northville to outsiders, being distributed to replace the 1961 edition in free reference libraries maintained at Chambers of Commerce and similar locations in other cities through out the country.

### READERS SPEAK:

## Community Backers Needed

To the Editor:  
We find in our travels about Northville that many people are very quick to find fault with one thing or another. Either it's the city or township government, the police force, or the merchants, the old citizens or the new citizens.

I agree there are many things that are not being done or could be done better, but one doesn't help by sitting on the back legs of his chair and complaining, he must get out and do things himself or show others how they can do a better job for the community.

The part that worries us most is that the ones who do the most complaining are the older residents, some who have lived here all of their lives - the very ones that should be out selling their town, pointing up the strong points.

If these citizens will but look around, they will find people and organizations begging for help to promote and build a better Northville community for the future.

### Crackdown On Defective Vehicles

Novi police continue to crack down on motorists who drive defective vehicles, according to the July police report.

Forty-five tickets for defective vehicles were issued last month by the department, leading the list of violations.

Total violations for July numbered 267, compared with 231 in the same period a year ago, Police Chief Lee BeGole's report indicated.

In a breakdown, BeGole said that 25 tickets were written for no operators license, 18 for excessive noise, 14 for no car registration, 13 for speeding, 12 for running red lights and 7 for reckless driving.

Concurrently, the chief said that 341 cases were investigated during the month, in contrast to 247 a year ago. Among these, 16 liquor, 13 disorderly, 12 simple larceny, 5 dog bites and 2 arson complaints were registered by residents.

Other facts in the report: Chief BeGole and his officers worked a total of 1,613 hours during July. No overtime is paid for extra hours.

Three patrol cars traveled 7,728 miles in the month.

Patrolmen made 265 property and 16 liquor inspections. Justice Robert Anderson collected \$1,287 in court costs and fines and Justice Emery Jacques \$1,589 during July. Total was \$2,876.

**Telephone lines**  
By H. J. WILSON, Manager

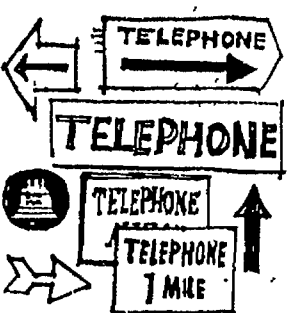

**"GET THE BIG PICTURE"**  
is a traffic safety rule we stress with our drivers at all times—but especially now that school is starting again. Every telephone company worker who drives one of our cars or trucks is taught, to be especially alert whenever a youngster appears anywhere in the "big picture"—behind or to either side of his vehicle, as well as ahead. That way, a child's impulsive decision to stop or change direction can be seen in time to avoid injury. "Get the big picture"... just one of the good habits Michigan Bell instills in its driver employees through a company-wide, year-round safety education program.

**SAVE STEPS BEAUTIFULLY!** Put a colorful extension phone wherever you'd like to reach, not run, for your calls. Wall phone, desk phone, Princess® phone... there's a style and color for every room. Call our Business Office to order yours today.

**POINT TO REMEMBER**—telephones are everywhere. And that's exactly what makes your phone so valuable to you. Because your doctor, your TV repairman, your son's school all have phones of their own, you can reach them, instantly and easily. And that goes for countless other people and companies you may need to talk with in a month's time. In fact, Michigan Bell now serves over 3,300,000 telephones throughout the state, each adding to the potential usefulness of your phone.

# NOVI HIGHLIGHTS

The Northville Record—Novi News—Thursday, September 3, 1964 SECTION TWO — PAGE 10

The children of Mr. and Mrs. Wardell Lyke, Rebecca, Alison, Ellen and Jennifer returned this week end from a week's visit with their grandmother, Mrs. Clyde Lyke in Traverse City.

There were 50 present for the Loring family reunion last Sunday at the home of Mr. and Mrs. Floyd Vickery. Guests came from Charlevoix, Flat Rock, Detroit, Dearborn, Wyandotte and Walled Lake.

Mr. and Mrs. John Loring, Sr. had a breakfast Sunday morning for nine of their children and grandchildren.

Mr. and Mrs. George Mairs and son, Bill, and daughter, Sara Jane, returned earlier this month of August from a three weeks vacation spent in

England and Scotland. While in Scotland they visited the Richard Nobles who formerly lived in Novi.

Summer vacationers Mr. and Mrs. Ed Callan and children, Reta, Pat, Harold and Roy returned last Sunday after spending one week in the Upper Peninsula, where they visited Tahquamenon Falls, Sault Ste Marie, Mackinac City and Mackinac Island. In the Lower Peninsula they visited Thomas Fairport and Fayette state park on Lake Michigan.

Reta Callan spent last week at CO-BE-AC camp near Houghton Lake.

Last Monday Mrs. Ed Callan and sons and her mother, Mrs. Sawslayer and her sister, Mrs.

Taylor of Wayne had luncheon with Mrs. Callan's aunt of Wheaton, Illinois at Belleville, Michigan.

Jerry O'Hanlon is leaving Friday morning for his new base at Barstow in California. On the way he will visit relatives in Omaha.

Mrs. Dicron Taffralian and her sister, Mrs. Alice Gedigan of Dearborn Heights, gave a bridal shower in honor of their future sister-in-law, Emerald Anusbigian, for 45 guests at Roma hall in Livonia, one evening this week.

Ellen Lyke was the overnight guest of Denise Taffralian Monday of this week.

The Stanley Geer family of Novi road are all recovering from the flu this week.

Mr. and Mrs. Larry Smith spent last week at the Hiawatha Youth Camp in the Upper Peninsula. They also made a trip to Tahquamenon Falls by the way of a boat up the Tahquamenon river.

Mr. and Mrs. Roy Shupe and children have had a month's vacation this summer. Mr. and Mrs. Shupe and children spent one week in Virginia, then Mrs. Shupe and children spent one week in Canada and two weeks at Big Silver lake. Mr. Shupe spent the week ends at the lake with the family.

Johnny Klaserner, son of Mr. and Mrs. John Klaserner, Jr., injured his hand in a home ac-

cident, and is now a patient in University hospital, Ann Arbor. He is on the 10th floor.

Mr. and Mrs. John K. Klaserner are entertaining the former's brother and sister-in-law, Mr. and Mrs. Charles Klaserner of Cincinnati, Ohio this week.

Howard Greer and daughter, Betty Sarver, returned this week Wednesday from a five day trip. They went to Grand Rapids where they picked up Mrs. Sarver and friend, then they motored across the Straits into the Upper Peninsula.

After a 4,000 mile trip the Willis Millers are back home again. On their journey they visited relatives in Chicago, Oak Park, Riverside and Mt. Prospect in Illinois; friends in Clutier, Iowa; Mrs. Miller's brother at Sioux Falls, South Dakota and their daughter and son-in-law, Mr. and Mrs. Sheridan Hawk at Minot Air Base in North Dakota; also Garrison Dam and the Peace Gardens between North Dakota and Canada. On the way home by way of Minnesota and Wisconsin they visited a cousin in Elmwood Park, Illinois. They were gone from home for three weeks.

Sunday supper company at the home of Mr. and Mrs. Willis Miller were relatives from Mt. Prospect, Illinois and Mr. and Mrs. Harold Miller.

Last week Annette Skellenger was one of 500 girl scouts camping with the Cadette Capers at Howell. Annette was one of the 14 chosen out of the 64 who applied from the council to participate. Their pioneer theme was the Wagoners. For their patrol demonstration they put on the Virginia reel and taught other scouts how to dance the reel. All the scouts were from the metropolitan area except Southern Oakland and one Canadian troop.

Seaman First Class Leeman Cox of Maryland was a week end guest of the William Paquette.

Mrs. William Paquette and daughter, Janis, were guests at the Gillett cottage at Pleasant lake last week. Kay Gillett also spent the week at the cottage.

Of Driver Responsibility —**

- 1 DRIVE SLOWLY**  
Be doubly sure that you are in control of your car, able to stop on a split-second notice, if a child should dart in front of you
- 2 STOP FOR SCHOOL BUSES**  
State law requires a complete stop ten feet in either direction from a school bus stopped to serve passengers until school bus resumes motion or bus driver signals you to proceed.
- 3 NOTE THE TIME**  
Remember children are always dashing about. Watch out for those peak traffic periods, mornings, noons and afternoons.
- 4 OBSERVE SIGNS**  
Heed signs that warn you where school traffic is to be found. Obey the temporary school zone crossing signs.
- 5 CHECK YOUR CAR**  
Take a little time to be sure your car is functioning properly. The responsibility for the life of the little folks is yours.

## Minutes of Northville City Council

Mayor Allen called the Regular Council meeting to order at 8:00 p.m. on Monday, August 3, 1964.

Present: Allen, Carlson and Kester. Absent: None. The minutes of the previous regular meeting were approved.

Moved by Carlson, supported by Kester that bills in the following amounts be paid:

General \$34,184.12  
Water 1,667.72  
City Hall Construction 3,206.90

Unanimously carried.  
Communications:

The Clerk read a letter from Mr. Alvin Skow, Northville Historical Society's corresponding secretary, asking permission to meet in the City Hall. Mrs. Ruth Chase, president of the group, was present and told council the Society meets 9 times a year from September to May on the 3rd Tuesday of each month. Mr. Ogilvie suggested that the group investigate the possibility of using the meeting place at the Detroit Federal Savings & Loan Association on N. Center street.

After some discussion, council agreed the Historical Society could have one or two meetings at the city hall and that the city manager have the dates checked with the officers.

Mrs. Chase thanked council for their cooperation and reported that their records secretary, Mrs. Rhea Wilcox, is filing papers and storing them in the space provided in the city hall.

Mr. Kester mentioned that he and Mrs. Carlson had been appointed to a committee to determine possible meeting places in town and establish a policy on meetings in the city hall.

A letter from Mr. G. E. Miller of G. E. Miller Sales & Service on Hutton street regarding the parking situation at this place of business was referred to the parking committee.

Mr. William Soellner, 43714 Doris Court, addressed a letter to Council requesting the improvement of Horton street between Hill and Maplewood and charges for extensions from his lot to sewer and water lines.

The city manager and city engineer are to report on figures that the city engineer has accumulated on this area and correspond with Mr. Soellner.

A communication from Mr. Gus McCreedy was read where in he asked permission to fill land that is located next to the City Dump (which he owns).

After land is filled Mr. McCreedy would donate this approximately two acre piece of land to the city. This was referred to the city manager for a report at the next meeting.

A letter from the Wayne County Road Commission regarding flasher beacon signal at Eight Mile road and Sheldon was referred to the city attorney. He is to contact Mr. Harrison to determine if there was an error in charging this expense to the City of Northville. (A special meeting might be necessary for this matter).

A communication from Mr. Johnson of Waring and Johnson was read. This related to certain undersized lots in Northville Heights Subdivision. Referred to the city manager and city engineer.

Award Street Sweeper Contract:

A letter from the city manager regarding the bids for the contract for purchase of a street sweeper was read. Moved by Carlson, supported by Kester that the contract for the purchase of the street sweeper be awarded to the Teleford and Doolen Co. at the bid price of \$9,259 (as recommended by the City Manager). Unanimously carried.

Recommendation of city manager Regarding Insurance bids:

The city manager's report and recommendation regarding the insurance bids was read by the clerk. Moved by Kester, supported by Carlson that the report be accepted and the attorney be asked to examine the contract with Michigan Life; the Mayor and clerk to be authorized to sign same if the city manager's report concurs with the city attorney's opinion. Bid price — \$166.78 per month for the first year. Unanimously carried.

Appointments for Planning Commission:

After considering the two recommended by the Planning Commission — Mr. Clarence Hinck and Mr. Robert Hallam and the two recommendations of the City Council — Mr. Scott Krause and Mr. Phil Blanchard, it was moved by Allen, supported by Kester that Clarence Hinck be appointed for a 3-year term, expiring July 1, 1967 and Phil Blanchard appointed to fill Eugene Cook's unexpired term (July 1, 1965). Unanimously carried.

Miscellaneous:

Mr. Kester mentioned Mr. Loren Grieve's (Novi road) concern with his well relative to the activity of the North

west Contractors on the Oakland County Sewer. Northwest contractors are to be notified that there are several shallow wells in this vicinity.

Mrs. Carlson reported she had been asked by Northville Township official as to the library agreement. Mrs. Carlson was informed by the Mayor, Clerk on July 7, 1964 and subsequently had been signed by the School Board, City Mayor and Clerk on July 7, 1964 and submitted to the board shortly thereafter.

The clerk reminded council of Planning Commission's request concerning their comments on Ralph Stephenson. This will be done at next meeting.

There being no further business, the meeting adjourned at 8:55 p.m.

Respectfully submitted

## SPEAKING for The Record

By BILL SLIGER

Representatives of the Chamber of Commerce, Jaycees, Retail Merchants Association and Northville Area Development committee sat down together recently and found out they're all headed in the same direction.

If any misunderstanding had existed between the groups, it was pretty well cleared up by the close of the discussion.

The meeting was called by the directors of the non-profit development group. They wanted the other groups to know what they were doing, and why. The Chamber and Jaycees were well represented, but few retailers attended.

A. R. Clarke chaired the meeting. He called upon John Canterbury, first president of the development committee to trace its history.

Canterbury told the community leaders how the economic development group was born. Its formation was recommended following a study performed by a committee appointed by the city, township and school board.

The study committee found that if growth in the area continued as forecast the result would be a doubling of property taxes on community residences in 10 years.

Thus the formation of a permanent economic development committee was recommended to assist and encourage expansion of existing industry and attract new industrial tax base.

The success of the group has been remarkable.

It has assisted Foundry Flask and Equipment company expand its facilities; it has purchased two parcels of land in the central business district that one day can be converted into productive commercial enterprise.

Further it has interviewed and assisted many industrialists seeking locations.

But Canterbury admitted the economic development needs wider spread support, more members.

He said it was highly possible, and probably desirable, that the group would one day become a division of the Chamber of Commerce.

Both Clarke and Canterbury emphasized that there should be no thought of competition between the chamber and economic development — but that the new chamber group should fully understand the progress of the economic development program so that there would be no ground lost, no steps retraced.

Chamber President Dempsey Ebert agreed that eventually the groups should unite. But he admitted the chamber needed time to organize and grow before assuming full responsibility for such a program.

Chamber directors were pleased with the economic development report and individually pledged support. They all agreed that one day it should become a wing of the chamber.

It's obvious that coordination of effort is needed in promoting our community's business development.

The new Chamber of Commerce has made a strong start. Already it has more than 75 paid-up members.

But memberships are one thing and participation another.

As the chamber struggles to take its first steps, it needs the full backing of all groups (Jaycees, merchants, etc.) and, most importantly, the individuals composing these groups.

Likewise, the chamber must come up with an attractive, purposeful program of action to gain and keep the attention of its members.

As plans are made for the first full-membership meeting this month, directors should attempt a kick-off with enough potential momentum to keep the ball rolling forever.

An active chamber is needed; another organization to meet and kill time is not.

# Coffee Breaks Proposed for Highway Motorists

LANSING — Ideas for cutting down motorist fatigue and thus reducing road mishaps pour into the State Highway Department and other offices in Lansing by the dozens.

One recurring suggestion over the last several years has recently been repeated by one Michigan man with authority to help put such ideas into effect.

State Rep. Edward K. Michalski, Detroit Democrat, has renewed the proposal to provide roadside coffee shops at every highway rest area.

This suggestion has been answered time and time again by state officials. They say it would be impossible on the

freeway routes because Federal regulations prohibit commercial development on the roadsides.

Michalski contends state-owned, privately operated coffee shops on the super highways would break the monotony of driving, provide respite for passengers, and open new job opportunities for unskilled workers.

The Detroit legislator also urged a full check of off-highway facilities to be sure food, gas and lodging is available on a 24-hour basis near the high speed routes.

As a member of the Legislature, Michalski would have a voice in appropriations to the

Highway Department which would be needed to put his plan into effect.

Barring any change in Federal highway policies, however, the coffee shops in rest areas appears out of the question.

A slight modification to Michalski's plan might be feasible, however. It could instead provide for the creation of off-freeway rest areas where a motorist could drive up an exit ramp to the coffee shop and just across the road to the entrance ramp with a minimum of interruption to his trip.

Extensive encouragement to private businesses to locate eating facilities immediately

adjacent to exit ramps might be advisable as a means of keeping the state out of the restaurant business.

Traffic accident rates was not the only area of safety which took a turn for the worse this year.

State Labor Department statistics show a poor record in both manufacturing and non-manufacturing injuries during the first six months of the year.

The department has not drawn any conclusions on whether the increase in compensable workmen's injuries was attributable to the current business boom which keeps more

men at work.

Some 18,154 compensable injuries were reported to the state Workmen's Compensation Department through June this year.

This represented a 26 per cent increase in injuries over the last six months of 1963 and a 12 per cent hike over the first half of last year.

Injury rates in manufacturing and non manufacturing were about the same. In the manufacturing firms, the increase recorded was 27 per cent over the July-December, 1963 period, and the non-manufacturing rate was a 25 per cent hike.

Failure of the state Apportionment Commission to reach agreement without court appraisal this year may have provided a foretaste of a similar deadlock to be seen within the next year.

Another commission created under the new Constitution has similar earmarks of deadlock. This is the Highway Commission, to be composed of four persons with no more than two from the same political party. The Apportionment Commission was named by the two major political parties, four mem-

bers from each. The Governor will appoint the Highway Commission but must make it an evenly divided body.

Argument can be made that the Highway Commission's job is not a political one. Its responsibility is to appoint a competent highway engineer-administrator to serve as Highway Director at the pleasure of the Commission.

A strong challenge lies ahead for this new Commission to avoid following the pattern set by the Apportionment Commission.

## Changing Value of Money

BABSON PARK, Mass. — In 1928 we had gold coins and gold certificates, and silver coins and silver certificates. And we had gold clause bonds and securities — "Payable in gold" coin of the United States of the present standard of weight and fineness." You couldn't inflate that money. Deferred payments, such as pensions and insurance monies, were secure under that monetary system.

But as the great depression of the 1930's came on, France and some other European countries began liquidating their claims on our gold reserve. Those claims were substantial, but not critical as they are today.

At any rate, this gold outflow and other factors induced Congress to approve the 1934 Gold Reserve Act. Under this Act, the government called in and melted down the gold coinage of the country. Those who complied with this order got face value for their coins.

Those who held out can now sell each of their 1932 twenty dollar gold pieces for \$575, their 1933 ten-dollar coins for \$1,000, and their 1929 five-dollar gold pieces for \$650 — because of their rarity, not because of their gold content; though this certainly was not the intention of the men who sponsored this legislation!

The Gold Reserve Act of 1934 also included provisions for the devaluation of the dollar, in terms of gold, to about 60% its former worth, and at the same

time it provided that henceforth no U.S. currency would be redeemable in gold.

The year 1934 also brought approval of the Silver Purchase Act, which in a few years brought into the Treasury the largest hoard of silver the world has ever known. But by 1961 this huge surplus had dwindled to where little remained except that backing our one-dollar and two-dollar silver certificates. Hence, at the end of November 1961 the sale of surplus silver was discontinued, and shortly thereafter authorities were given for the eventual retirement of all silver certificates.

The subsequent rise of 38 cents per ounce in the price of silver brought Gresham's law into play; under this law, the most valuable coins tend to be driven out of circulation. This happened in short order to the silver dollar, though an effort is now to be made to put 45 million of new-minted dollars into circulation.

Another result has been, as we mentioned in an earlier release, the spurring on of the coin speculators or "collectors." Within a matter of a few months early in 1963, coin "collecting" mushroomed into the category of big business. Unquestionably the spectacular operations of these collectors drove the 90,000,000 or so Kennedy half-dollars out of circulation, apparently at the bank teller's window Dealers, however, have been offering them at prices as high as \$1.75-\$2

apiece.

Furthermore, uncirculated 1950-D nickels have gone up 66 percent since last summer, a \$2 face value roll now selling for about \$1,000. Likewise, some newspapers have been carrying ads offering \$2 apiece for circulated 1922 mark 1948, 1953, and 1955 half dollars; which, by the way, were issued in amounts ranging from 2,796,920 to 3,006,814. But, even if one allows an average of 500 coins to each of the approximately 8,000,000 "collectors," and then allows 20,000 to each of the nation's estimated 5,000 dealers, this would still account for only about 4 billion coins. While, on the other hand, mint output in the past 15 years (estimated life of a coin in circulation)

has amounted to over 31 billion coins

So, it is obvious that some measure of hoarding is involved in the present massive coin shortage, especially since collectors work only on low-issue-category coins, and all issues appear to be involved in the present difficulties.

This situation has led some of our so-called experts to suggest that our whole concept of a redeemable paper currency is outmoded. The trouble with this idea, it seems to me, is that a government can print an unbacked currency in any quantity it desires. But, at the same time, it cannot — under a free society — maintain any real control over its value in the marketplace. I will treat of other changes in a later article

## A Message from Your Northville Board of Education

September 3, 1964

To the Citizens of the Northville Community School District:

Each fall as the time draws near for opening of another school year for the Northville Public Schools, the Board of Education feels it appropriate to present to the citizens of this community a projection of the conditions and tasks the new school year will bring forth.

The 1964-65 year will find the elementary, junior high and high school with more pupils than ever before in the history of the school district.

All buildings will be filled to capacity in spite of the movement of the school administration offices from the Main street school into the old library building, the retention of the Novi ninth graders within that district by the opening of a new junior high school in Novi, and the shift of the sixth grade pupils from the elementary buildings to the junior high building.

We will continue to make every effort to keep a pupil-teacher ratio which is educationally sound and economical.

During the year decisions will be made and proposals presented to the voters of the district to provide an orderly expansion of school facilities needed to keep up with present and anticipated growth.

The search for, and appointment of, a new superintendent to replace Mr. Amerman at his retirement on June 30, 1965 will hold high priority for the board during the immediate months ahead.

Citizens will again be asked to serve on committees which will deal with immediate and long range school program planning. Northville has developed and maintained an enviable record in its education program and citizen interest and participation in partnership with the board and school administrators are largely responsible for this.

The board of education pledges continued emphasis on quality education and quality teaching and in-service activities for teachers and administrators. We believe such emphasis on sound school practices, plus the evaluation of curricula content, provides our boys and girls with the best education experience we can devise and afford.

As your board of education we want to express our appreciation for your support and solicit your help for continued improvement in our public school system.
