Bandit Hits Savings' Office Again; Escapes with \$8,240 Cash Haul

"I am sorry I have to do this."

So said the robber of the Northville office of Detroit Federal Savings & Loan Tuesday afternoon. He snared \$8,240 and walked out with the money stuffed in a bag.

No customers were present when the hold-up occurred. Two employees were on duty.

It marks the second time in three months that the Center at Dunlap street branch of Detroit Feder-

al has been robbed. On June 8 a bold bandit of similar description held

up the office at approximately the same time of day and fled with \$6,565

in cash.

Tuesday his victims were John Macauley, office manager, and Mrs. Judith Hedlund, teller.

In June Macauley was again on duty, but Mrs. Candida Partridge was the teller. Also in the office during the first hold-up was Carl Johnson, an insurance and real estate agent.

Police Chief Eugene King indicated that the hold-up man's description and method of operation are similar to the first bandit's.

The robbery was pulled off at 2:20 p.m. and police officers were on the scene three minutes later, Chief King said. The first robbery was reported at 2:25 p.m.

The bandit, still sought today by the FBI, was described as between 28 and 32 years old, five feet, five inches tall and weighing about 195 pounds.

He was said to be wearing a brown sport coat, brown pants and a white shirt.

Chief King reported that a resident saw him coming out of the office and heading east on Dunlap street where he got into a late model green Dodge or Plymouth car and drove off.

The armed bandit entered the office shortly after 2 p.m. He waited until a customer, served by Mrs. Hedlund, left the building.

Macauley told police that the bandit dispensed himself a cup of coffee from an urn furnished for the bank's clientele.

Then he approached Macauley, asked him his name and said: "Maybe you can help me out." Macauley went to the teller's window closest to the safe.

At that point Macauley said the man put his right hand inside his sport coat. Remarked Macauley: "I knew then he had a gun, but I couldn't move."

"I was really scared." Brandishing a revolver, the bandit ordered Macauley to fill up a brown grocery bag with money from two teller's drawers and the vault.

"He apparently got everything," said Mrs. Hedlund who has been employed at the office since it opened on February 5, 1962.

The bandit motioned Macauley and Mrs. Hedlund into the office of Samuel B. Sherer, assistant vice president of Detroit Federal Savings & Loan. They were forced at gun-point to lie face down on the floor.

Macauley said the bandit had been drinking and told him: "I am going to kill somebody." He then shut the doors of the office and mentioned that he "was worried about fingerprints."

A few minutes elapsed and then Macauley sounded the alarm, summoning police. Later, state police and the FBI came to the scene.

Mrs. Hedlund said the bandit appeared "more scared than we were" and Macauley said "he looked familiar when he came up to the window."

In the June 8 hold-up the bandit was more talkative. He even threatened his victims with the warning that "I can go boom, boom, boom," if he was not given three minutes to escape. He left Mrs. Par-

Dream Comes True, But Suspect Fizzles

There were some strange twists to the latest Detroit Federal Savings & Loan hold-up.

Mrs. Judith Hedlund, a teller working at the time of the robbery, told a reporter that the night before she "dreamed the bank was held up."

And Lee BeGole, Novi police chief, assisting Northville officers in setting up a roadblock at 8 Mile and Novi roads,

thought he had the bandit in his grasp.

But he was disillusioned. BeGole said he flagged down a car answering the description of the one reportedly driven by the bank robber — a green 1963 Plymouth.

Slowing down, the driver of the car shoved an identification card through a window. He was an FBI agent on his way to the scene of the robbery.

News Round-Up

Seventy Days Without Dailies

As the Detroit newspaper strike heads into its 70th day, publishers of the two dailies and representatives of the pressmen and plate and paper handlers' unions are still at an impasse.

Even Governor George Romney has not been successful in bringing the two sides together. So again this week we'll attempt to bring news of the outside world to 'daily-less' area homes.

There's good news for taxpayers emanating from Washington.

President Johnson, in a speech before the United Steelworkers union in Atlantic City, said he will recommend a cut in excise taxes next year — perhaps pare other taxes if prosperity continues.

The President said the nation cannot afford a recession because it would result in a loss of \$20 million a year in production and 1½ million jobs.

Elsewhere in the capital, the house judiciary committee gave the nod to a Teamster-supported resolution asking for an investigation of the justice department. The Teamsters contend the department violated rights of its president, James R. Hoffa, in federal prosecutions.

Two men remain trapped 1,800 feet underground in a nuclear test shaft in Mercury, Nevada. Two were rescued early Wednesday morning. An electrical cable collapsed last weekend clogging the bottom 300 feet of the shaft.

Hurricane Gladys was spotted off the coast of North Carolina. Her winds had died down from 100 to 85 miles per hour but more flooding is expected from Hatteras to the Virginia Capes.

The Warren Commission's report on the assassination of President Kennedy will be unfolding over the weekend. The commission has been probing the Dallas tragedy of last November 22 and Chief Justice Earl Warren and his six colleagues will probably visit the White House sometime today and present their report to President Johnson.

Barry Goldwater, Republican presidential hopeful, will make a swing through the state on Saturday. He will arrive in Detroit late in the afternoon and make a speech at Cobo Hall in the evening.

Neil Staebler, tapped by Michigan Democrats to oppose Governor Romney in the November election, went \$43,720 into the red to nail down the nomination. His campaign cost \$123,027 but contributions netted only \$79,307.

A contract impasse continued on Saturday.

City Wins Low Bids On Orchard

Installation of curbs and gutters on Orchard drive from Thayer to Fairbrook was scheduled to begin this week.

And from the results of Monday night's bids it appears that city taxpayers will save money on the project.

The Orchard drive improvement calls for completion of curbs and gutters by November 1 and then, weather permitting, paving.

Abutting property owners are assessed 25 percent with the remaining cost coming from general tax funds.

Engineer Harold Penn had estimated curb and gutter installation at \$13,840 and paving at \$9,315. Engineering and contingencies brought his estimate to \$26,900.

Monday night the council awarded the curb and gutter job to Pierce Construction Company for a bid of \$11,622 and the paving to Cadillac Asphalt Paving Company for \$9,106.

The Pierce bid was slated to be increased slightly to cover the cost of sidewalk paving, not included in the original bid.

But the project was certain to cost some \$5,000 less than anticipated, about a 20 percent reduction to assessment payers.

In other business Monday night the council discussed adoption of an ordinance to control the operation of pool rooms, specifically as to age limits and hours.

The matter came before the council as the result of a request to open a pool hall at 108 East Dunlap. The council directed the city attorney to submit an ordinance conforming to state law and designed to meet particular local needs. It took no action, thus permitting operation of the new applicant.

In other business the council approved an increase from \$3,000 yearly to \$4,200 for the Northville judge's salary. The hike will not take place until July 4, 1965 when the new four-year term begins.

Councilman Richard Ambler noted that the revenues from the local court had increased steadily and the judge's salary was low in comparison to other communities.

In November voters will decide whether or not to change from a justice court to a municipal. The council pointed out that the increase in salary should be made regardless of the status of the court.

At the suggestion of Councilman John Canterbury the council proposed a meeting with a newly-formed citizens' human relations council. Canterbury said he felt need for guidance on the matter. The council will contact the local group for a special meeting.

A general membership meeting of the Northville Community Chamber of Commerce will be held Tuesday evening at eight o'clock at the city hall.

The meeting is the first fledgling session of the newly-organized group. Principle item of business will be the assignment of committees.

The chamber has 80 paid-up memberships.

The Old Mill pond is slowly filling up again but its former water level won't be restored until next spring.

Clean-Up Scheduled On Sewer Line Path

After ripping up parts of Northville and Novi since March, the contractor for the \$1.5 million sewer line is eyeing an early October wrap-up for the project.

Only snag is final connections just east of Village Green subdivision on Novi road and in Willowbrook subdivision, according to Harold Ackley, administrative assistant in Novi.

R. J. Alexander, director of the department of public works for Oakland county, is confident that clean-up operations and all repairs will be completed "in a few weeks."

Both municipalities were annoyed earlier by Northwest Construction's slowness in patching up roads and residents property disrupted by the sewer line.

"There are continuous problems in laying sewer line," Alexander said. "Sometimes things just don't work out the way you would like. But I think some progress has been made in the last few weeks to put the area back in shape."

A section of Main street a primary thoroughfare in Northville, was in humpy shape during most of the summer but it is being mended now.

Bruce Potthoff, Northville city manager, indicated that the contractor likely will devote full-time to restoration work once the sewer is concluded.

"At the moment, Northwest Construction has over-extended its contract and is paying a penalty for every extra day it is on the job."

Original deadline for the sewer was early September. Another landmark in Northville, the old mill pond near the Ford Motor plant, was affected by the sewer construction. It was drained in early July so the line could be laid down.

Alexander said the previous level of water in the pond "will restore itself before next spring with the help of some rainfall."

Potthoff said the Ford Motor company intends to fix the dam at the west end of the pond and its nearly bone-dry condition makes the repair work possible.

In Novi a few weeks ago, Ackley told the village council

that he wasn't "satisfied" with repairs on Nine Mile road and the movement of heavy equipment in Willowbrook caused the pavement to crack.

The Novi sewer line originates in Northville and winds through the city until reaching Eight Mile and Novi road. Then it swings to the right and follows the C&O railroad tracks to Nine Mile, branching off into two directions.

It runs westward along Nine Mile to Center street and eastward along Nine Mile to Ennishore road and northward to Chatham road. Then it angles off and terminates in the northeast corner of Willowbrook subdivision.

At the village council meeting Monday night, property owners in Willowbrook subdivision no. 3 submitted petitions for setting a hearing date to provide sewers in the area. A hearing will be held October 29.

Some 2,900 sewer taps will be available but special assessments must be set up for laterals, village officials have indicated. It would take about 90 days to hold hearings, get authorization for sale of bonds and open bids.

ties of crab where low trees don't constitute a problem.

"Most of these trees are obtainable in the two-inch size for between 15 and 20 dollars installed due to the large volume I would propose that several sources be investigated to determine the best possible stock for the price. All trees should have a guarantee for at least one year.

"It might be possible and desirable to have the home owner participate if they are desirable of having a tree larger than 2".

"If you concur in this recommendation, I will make the necessary contacts, to determine exact prices, quantity of stock and other related information."

Several areas of the city present a question mark due to the lack of curbs and a well-defined tree lawn. When this situation exists there is usually a ditch next to the street. It is inadvisable to plant trees along these areas due to future construction damaging the trees or changes in grades when curbs are installed.

"It would be my recommendation that we schedule all plantings within a two year period. There are a number of varieties of trees which have been proven to be most satisfactory as street trees. Among the most widely accepted are: Sugar Maple, Norway Maple, Scarlet Maple, Pin Oak, Green Ash, Modesto Ash, Shade Master Locust, and several varieties of crab where low trees don't constitute a problem.

Appeal Board Slaps City Laxity

The city council came in for some sharp criticism from one of its appointive boards Monday night.

In a letter addressed to the council the board of appeals suggested that it "should be dissolved as having no further value to the community," if the city did not enforce article 19 of the zoning ordinance on "violation, penalty and enforcement."

Specifically, the appeal board pointed to three cases where appeals for variance in the zoning ordinance had been denied or granted with modification by the board and reportedly had not been enforced by city administrators.

It is the building inspector's duty to enforce appeal board rulings and City Manager Bruce Potthoff was quick to defend Inspector Stanley Waterloo.

"I don't think there's been any dereliction of duty by the building inspector. He's most conscientious," stated Potthoff.

Then the manager went on to point out that in one of the three cases cited by the appeals board the citizen granted modification in a building project had followed the instructions as set forth by the board.

In the other two instances, where signs were being displayed in violation of appeal board rulings, the signs had been changed to conform with regulations, Potthoff reported.

Potthoff described city policy in handling cases where signs, or other objects, are erected in violation of city codes. "We notify the owner

"If there's still any misunderstanding and they want to meet with the council, we should set a meeting," Canterbury stated.

The board of appeals, frequently referred to as one of the most difficult duties in the city, hears appeals from residents who seek relief from certain zoning and building regulations that may create a hardship. Often variance, or relief, is granted. But more frequently, the board must stick to the regulations to avoid a breakdown that would prove harmful to the majority while providing relief for a few individuals.

In addition to Ritchie, the board is composed of Jefferson Baker, William Bingley, Sidney Frid, Paul Palmer and Alfred Parmenter.

Ritchie said Tuesday that the board "works hard to uphold city ordinances" and makes exceptions only where genuine hardships are created. He added that some board members feel that "if they have guts enough to apply the rules, the city administration ought to be strong enough to enforce them."

Ritchie indicated that he did not feel the condition was bad, but he added that the appeal board letter had resulted in "immediate action" in the two sign violation cases.

City precincts one and two will move from the community building to city hall.

Precinct one will be in the council chambers; precinct two in the library.

Cards will be mailed to registered voters notifying them of the change.

Mothers' Club Opens New Season Monday

Although busy with several projects over the past weeks, the first official fall business meeting of the Northville Mothers' Club will be held at 8 p.m. Monday at the home of Mrs. Robert Bogart.

Co-hostesses for the evening will be Mrs. Virginia Pauli, Mrs. Robert Matthews, and Mrs. C.W. Rodgers.

According to Mrs. Irvin Marburger, president, the club has been busy for the past few weeks with plans for the second bridge marathon, sponsored for the first time by the group last year. Members sold homemade cookies at last Saturday's sidewalk sale, and

plans are underway for the forthcoming "Nearly Used" sale. All monies realized by the club benefit local schools.

Other officers for the year are Mrs. Carl Stephens, vice president; Mrs. William Davis, secretary; and Mrs. Robert Matthews, treasurer.

Standing committee chairmen announced by Mrs. Marburger are: Mrs. William Siger, finance; Mrs. Glenn Diebert, program; Mrs. Robert Bogart, social; Mrs. Robert Yoder, schools; Mrs. Stuart Campbell, telephone; Mrs. George Zerbal, girl scouts; Mrs. J.S. Canterbury, cards and flowers; Mrs. Kenneth Conley, school board; Mrs. C.W. Rodgers, Red Cross; and Mrs. Mrs. Bernard Bach, publicity.

Object of the mother's club is to guard the physical, intellectual and moral health of childhood and youth and to promote their general welfare by means of educational and advisory work designed to guide and stimulate parents and teachers in acquirement of definite knowledge and a broader culture.

Slate Rummage Sale

The Northville - Plymouth branch of the Women's International League for Peace and Freedom is planning a rummage sale starting at 9 a.m. Friday in the Plymouth Community Federal Credit Union at 50 South Harvey.

The league's first program of the year includes a legislative workshop to be conducted by Mrs. Alice Woodruff of Northville. The meeting will be held at 8 p.m. next Monday in the home of Mrs. Paul Kauffman, 720 Parkview drive in Plymouth.

Players Eye Three New Productions

Northville Players Guild will kick off its second season next Tuesday night with a general meeting at 8 p.m. in the Scout Recreation building.

All theatre buffs interested in any facet of play production and stagecraft are invited to come and get acquainted.

Bud Weber, president of the guild's board of directors, said this week that plans are being formed up to select and schedule three productions between November and May.

Working with Weber on the board are John Hyde, vice-president; Peggy Jones, treasurer; Carolyn Oldford, corresponding secretary; Coy Sandrock, recording secretary; and members Chuck Freydl, Fran Bissa, Betty Sellers and Dr. Hans Kolbe.

At a meeting earlier this month the board empowered Weber to appoint standing committees for make-up, costuming, stagecraft, programs, house and properties.

Reviewed at the same meeting were synopses of plays read over the summer by Helene McDonough, Eileen Hlonec and Mary Freydl.

Delta Kappa

The first meeting of the year for Delta Kappa Gamma was held at the home of Mrs. Helen Fritz of Walled Lake. Miss Ada Fritz and Miss Ruth Knapp gave a report of their trip to San Francisco and of the Delta Kappa Gamma national convention which was held there.

Bazaar Planned

The annual fall festival and bazaar sponsored by the Lapeer Parents Association is set for October 3 at the Children's Orthogenic school, 10235 West Seven Mile road, Detroit. Proceeds will be used to help the handicapped at the Lapeer state home.

CHRISTMAS CALLS — Members of the Northville Garden club are already making preparations for their 1964 Christmas Market to be held December 5 in the community building. Last year over 1,500 attended "Christmas Magic" presented by the local and nearby clubs. This year the club is hoping that as many will enjoy "Christmas Frostings" — the combined effort of 13 branches of Woman's National Farm and Garden Association. The following chairmen met at the home of

Mrs. E. O. Whittington, general chairman, (second from left) Monday to firm up the program. They are (left to right seated) Mrs. George E. Miller, publicity; Mrs. Karl R. Weiss, financial; Mrs. Douglas Straith, co-chairman; Mrs. John Begle, president; Mrs. George W. Kohs, staging. Standing are (left to right) Mrs. Frank Whitmeyer, tickets, and Mrs. John Northrup, displays. Not pictured are Mrs. William Slattery, luncheon; Mrs. Dennis Schwartz, gourmet foods, and Mrs. Clyde Whitlesey, booth and sales.

Women Plan Opening Luncheon

The Northville Woman's Club will begin a new season on Friday, October 2. The opening luncheon meeting will take place at Meadowbrook Country Club at 12:30 p.m. Speaker will be Robert C. Schmitzer, executive director of the University of Michigan professional theater program. All members are reminded that this is guest day and the occasion for honoring past presidents of the club. In addition, dues will be accepted for the year.

SERIES SET — The Northville Town Hall officers and general committee met Tuesday at the home of Mrs. Donald Hannabarger, 220 North Wing, to make further plans for the 1964-65 season. Opening lecture with Agnes Moorehead, star of stage, screen and television, is scheduled for October 15. Standing with Mrs. Hannabarger (right), chairman of the hostesses, is Mrs. W. Leonard Howard, luncheon reservations chairman. Seated are Mrs. C. Harold Bloom, luncheon chairman, and Mrs. H. J. Wagenschutz, ticket chairman. Luncheon reservations can be made by calling Mrs. Howard at 349-1643 and tickets can be ordered by reaching Mrs. Wagenschutz at 349-2976 or by sending a check for \$10 to the Northville Town Hall Series, Box 93, Northville.

Ireland - Bound Muranys Honored by Neighbors

Mr. and Mrs. George Murany

Mr. and Mrs. George Murany will soon be pulling up their roots in Northville and heading abroad for a few years.

Murany is a Ford Motor Co. executive and had been assigned to Lisburn, Ireland by his firm for an indefinite period. Ford is building a plant there.

"We will be gone for at least two years," said Mrs. Murany who has been busy packing. "We are leaving for Ireland October 15."

Last Sunday, their neighbors in Northville Estates had a going-away party for the couple. It was held at the home of Mr. and Mrs. D.E. Schwendemann, 46907 Grasmere.

The Muranys have three children. Susan, 15, is a sophomore at Northville high school, Michael, 12, an eighth grader at the junior high and George, 9, a fourth grader at American elementary.

"Susan, of course, will be leaving her classmates in a few weeks but we plan to let her come back to Northville for her junior year," Mrs. Murany said.

"However, the boys will stay with us and attend a Friends school over there. It is a strict Quaker school."

The Muranys are renting their home at 46842 Grasmere which they will vacate next week. Before departing for Ireland, the family will probably stay with relatives.

"We will fly to New York City from here and then take an ocean liner for the rest of the trip," Mrs. Murany explained.

When they arrive there will be a modern four-bedroom home waiting for them. "It is similar to the one we are living in in Northville," she said.

The Muranys have resided in the city for over six years, moving here from Dearborn. Presently, Murany is employed at the Ford plant in Ypsilanti.

HONORED 21'ers — Six new voting age citizens were honored last week at the 24th annual Citizenship Dinner, sponsored this year by the Northville American Legion post. Pictured (l. to r.) are: Robert Nauman, Sharon Johnson, Legion Commander Harold Perin, Professor C. A. Smith, program speaker, Carol Janetzke, Kathryn Kinde, Carole Milne and Thomas Bongiovanni. Certificates of recognition were presented to the new 21'ers by Penn. Mrs. Frederick Campbell, representing the Sarah Ann Cochran chapter of

DAR, gave each of the honored youngsters a "Charter of Freedom," which included the Declaration of Independence and Bill of Rights. C. Oscar Hammond, past state commander of the American Legion, welcomed the guests on behalf of the local post. The talk by Professor Smith emphasized the importance of citizenship through a series of personal, humorous anecdotes. He left his audience laughing and applauding.

- BIRTHS -

Mr. and Mrs. Darwin Muir announced the birth of a daughter, Kira Louise, September 18 at University hospital in Ann Arbor. It is the couple's first child. The Muirs will soon be leaving the states to reside in Honolulu where Darwin will be attending the University of Hawaii. Grandparents are Mr. and Mrs. Gael Downer of Northville and Mr. and Mrs. Wesley Muir of Southfield.

In Justice Court

Judge Robert K. Anderson has passed "sentence" on two men who were writing checks in Novi and not having sufficient funds in the bank.

Signing rubber checks were Peter Wolf of Wayne and John R. Brooks of Walled Lake. Brooks was arrested on the charge May 29 and Wolf August 22.

Both appeared before the judge last Thursday. Anderson told them that charges would be dropped if each could show a receipt for reimbursement of the bad checks. But he said each must pay \$15 court costs.

Wolf and Brooks have until today to produce their receipts.

In other cases before Judge Anderson, Patrick O'Bryan of Walled Lake was charged with being a road hazard August 24 on Endwell street south of East Lake drive. Police said his car was parked across the street, closing it to traffic. He was found guilty and fined \$10.

James Ogden of Romulus was apprehended September 2 by state police for speeding 17 miles over the limit on Interstate 96. Arraigned September 17, he pleaded not guilty. But after trial he was found guilty and assessed a \$10 fine.

Judge Anderson ruled that David Taylor of Wixom didn't fail to yield the right of way July 26. His case was dismissed. Taylor was arraigned August 8 and entered a plea of not guilty.

James Clark of Detroit was ticketed September 7 in Novi for excessive noise. Clark pleaded not guilty at his arraignment and the judge dismissed the case.

In the court of Judge Emery Jacques, two cases were adjourned.

An October 8 court date was set for Marvin Wilkinson of Livonia who was arrested for being drunk and disorderly September 6 at the Walled Lake amusement park.

A jury will be impaneled October 1 to hear two charges against Charles Finchum of Farmington. Finchum was arrested July 18 for having no valid operators license and for driving under the influence of liquor.

Miscues Cost Mustangs Grid Opener at Plymouth

First half miscues tripped the Northville Mustangs in their traditional grid season opener Friday night as Plymouth held on for a 19-12 triumph.

The Rocks surged to a 13-0 lead, scoring in the first two minutes on a blocked punt in the end zone, then capitalizing on a bad pass from center on an attempted punt at the start of the second quarter.

Carrying the attack to Plymouth in the second half, Northville came back. Speedy Kent Kipfer, who starred in his varsity debut, broke into the clear and outraced the Plymouth secondary 52 yards to paydirt.

The Mustangs tallied again in the only sustained drive of the game at the outset of the third period, covering 45 yards in four plays.

Both extra-point tries by the Mustangs failed as Plymouth held a 13-12 edge with seconds

remaining in the game. With Northville passing separately to score, Plymouth's Gary Grady intercepted an aerial in the flat on the Northville 20 and sped into the end zone to put icing on the cake.

The Mustang defense sparked, holding the Rocks to minus eight yards and one first down in the first half, while grudgingly giving ground near mid-field in the second canto.

The local eleven's ferocious tackling resulted in seven Plymouth fumbles in the second half.

It was a bruising affair. Northville suffered a serious loss early in the first quarter when Bob Tuck, who leads the Mustangs' defensive charge and anchors the offensive line, was taken out because of an injury. He sustained a neck injury, but should be ready to play against Clarkston Friday.

In addition, Northville's scrappy Guard Greg Penn and All-League Center Dave Kerr also missed action because of injuries. Both will probably be ready Friday.

First Quarter
On the first play from scrimmage after receiving the kickoff, Kipfer exploded 28 yards to the Mustang 47, but an illegal motion penalty nullified the gain. Thrown back

to the one-foot line, before fullback Doug Swiss bulled out to the eight, the Black and Orange were forced to punt from the end zone.

It was blocked, and Plymouth recovered on the three-yard line. Two plays later, Grady charged over left tackle for the score. The kick for the extra-point was good and Plymouth led, 7-0.

Unable to move the ball after the ensuing kickoff, the Mustangs' punter, John Jameson, touched a knee to the ground on the 28 after fielding a bad pass from center. Pushed back to the Mustang 48, Plymouth punted into the end zone. Northville promptly fumbled on the 20, Plymouth recovering. The Rocks picked up a first down on the nine, Grady skirting right end for five and Roger Tobey slashing over right tackle for six.

Second Quarter
Bracing under pressure, the Mustangs stopped a running play for a one-yard loss and knocked down three passes to take over.

A bad pass from center in a fourth down situation rolled to the Northville one-yard line, where Plymouth pounced on the ball and Quarterback Jim Daniel sneaked over the goal line. The extra-point conversion was blocked by Linebacker Art Forth. Score: 13-0.

Northville racked up its first first down when Halfback John Mach took a pitch out around left end and legged it 28 yards. Again, a bad pass from center when the Mustangs were stymied, put Plymouth within striking range on the Northville 46.

The Rocks were unable to move the ball, however, and the teams exchanged the ball as the half ended.

Third Quarter
Tobey returned the Northville kick to 20 yards to the Plymouth 44, and Grady ripped off 12 yards over left tackle before Jameson recovered a fumble on the Northville 44 to set up the Mustangs' first TD.

Kipfer raced four yards around left end and then broke over right tackle into the Plymouth backfield and outlegged the defenders to the goal line. A Tom Baughman to Jerry Imslund pass was complete for the extra point, but a Mustang was in motion. The second try was incomplete. Plymouth led, 13-6.

After exchanging the ball, Plymouth fumbled again on the Northville 49. Baughman completed a 10-yard toss to Halfback Jerry French, but the Rocks held on their own 44.

Fourth Quarter
Plymouth picked up two successive first downs to move to the midfield stripe, but again Jameson covered a loose ball.

Four plays later, the Mustangs had their second touchdown.

Baughman passed to French for three yards. Oh a Statue of Liberty play, Kipfer scampered down the left sideline for 17 yards and a first down on the 25. With the Rocks rushing the passer, Baughman lofted an aerial to Imslund who reached high to grab the ball in the end zone. No one was within 10 yards of him. Kipfer's extra-point dash fell short as Plymouth led, 13-12.

On the following kickoff, Northville's Forth poked a loose ball out of mid-air to give the Mustangs a first down on Plymouth's 39. But they failed to move downfield and a golden opportunity to win the game died.

Plymouth then powered around left end for two first

downs with Grady and Tobey doing yeoman work. Northville finally held on the Plymouth 41, and the home team punted with approximately 18 seconds remaining.

Passing in desperation to score, Northville gave Grady a ball to grab and an open field to pay dirt. He grabbed the pass and romped for the final touchdown and a 19-12 Plymouth win.

Northville Hosts Clarkston '11'

Northville opens its home football season Friday night in a return engagement with its co-winner of the 1963 Wayne-Oakland League crown.

Clarkston and Northville meet at the local high school field at 8 p.m. The two teams closed the 1963 season at Clarkston deadlocked in a 13-13 tie and identical league records.

Clarkston, like Northville, lost a close contest in its initial start of the season Friday night. Oxford came from behind to edge the Wolves, 13-12, after Clarkston had scored the first two times it had the ball to build a 12-0 margin in the first quarter.

Although no title will be on the line, just as much is at stake, as in 1963. Being a baptism of fire, it will give local fans an indication of the Mustangs' league chances. In addition, a win could instill confidence in the local eleven to carry them through a winning season.

Of the co-champions, Clarkston suffered the most thorough graduation of key talent. The Wolves lost two scrambling halfbacks and some solid linemen.

On the basis of their performance against Plymouth, the Mustangs should have an edge in the line. In defeat, they held the speedy Rocks to just 62 yards, all on the ground.

Since punting cost Northville the game last week, Coach Ron Horwath said that his gridgers will concentrate on that phase of the game this week.

"We'll practice our kicking game — the whole ball of wax," he declared. That includes blocking, assignments, centering the ball and the actual kicking.

Horwath also pointed out that the Mustangs will work to improve the offensive blocking

SUNDAY, SEPTEMBER 27th

Today is '65 Pontiac Day.

1965: The year of the Quick Wide-Tracks

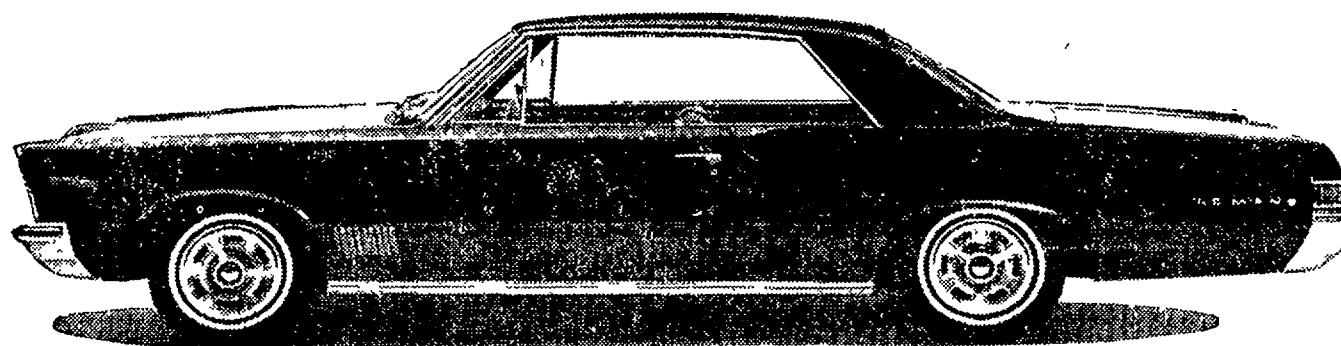

What do we mean by "quick"? Just this: A new-all-over Pontiac Pontiac offering a new **Turbo Hydra-Matic**—the silky, swiftest-shifting automatic transmission you ever touched a toe to; eager new **Trophy V-8** power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac

How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest

Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

Dye and his sons, Dave and Pat, stand on top of the hull.

His Dream: To Set Sail Aboard Homemade Craft

Douglas Dye, a Novi resident, can picture the day when he will be standing at the helm of his sailboat, gliding across the Great Lakes.

But right now he is landlocked.

Dye concedes it will be a "long time" before he can christen his windjammer for he is building it in his spare time on week ends. Passers-by can observe his progress driving on Novi road between Nine and Ten Mile roads.

"Others may think or dream about building a sail-

boat but I am actually doing it," he said.

It was in March of 1963 that Dye launched his project from scratch. He purchased the plans for his 37-foot gaff-rig ketch but is supplying his own know-how for raising it. His everyday job is construction foreman and he has lived in the Northville - Novi area all his life.

At first "people thought we were putting up a greenhouse or house trailer," remarked Mr. Dye. "But it was soon very obvious that it was a

boat."

It was easily mistaken for another object because just the skeleton or "ribs" of the hull were going up initially, Dye pointed out.

Now the hull is nearly ready. "We have completed laying all the planking and are plugging, caulking and painting at the moment," Dye said. "Before winter comes, the hull will be finished."

Other members of the Dye crew are Pat, 11, and Dave, 9. Since the hull is an upside-down position, it will be flipped

over next spring so Dye can begin working on the superstructure. "It is too big for a couple of men to turn it over so I'll get a few tow trucks to do the job," Dye indicated.

By doing it himself, Dye estimates that the boat will be dunked in another five years. All told, it will cost between \$8,000 and \$10,000 to construct.

Describing his boat, Dye said it will weigh about 12,000 pounds, have two 30-foot masts, a small auxiliary engine and a cabin house to accommodate his family.

According to his plans, the cabin will include two sets of double bunk beds, a bath with shower, closet space and a galley.

Unusual features of his boat will be lee boards on the side of the hull. "Dye explained that they will act the same as a center board — to keep the boat from sliding sideways in the wind."

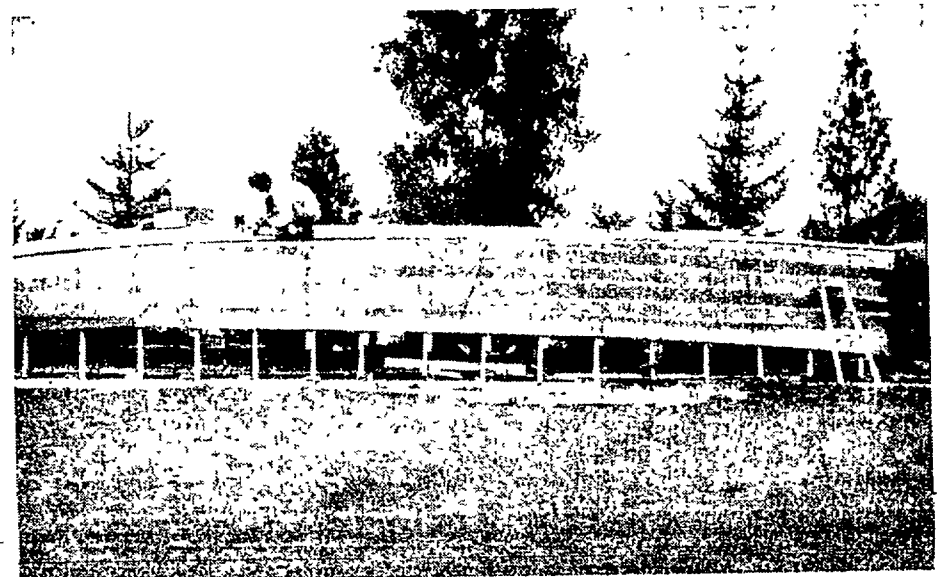

No keel is needed with the boards. Instead it is replaced by a 4,000 pound strip of lead running from bow to stern along the bottom of the hull.

Dye, 38, admitted that he has sailed through the air as a "paratrooper and skydiver" but has yet to get his feet wet as a sailor.

"I haven't thought about sailing yet," he said. "However, I should be able to pick it up pretty fast."

His boat is in "drydock". Dye won't be at the helm for another 5 years.

His gaff-rig ketch measures 37 feet from bow to stern.

FOOTBALL CONTEST

HERE ARE THE RULES

Take a plain piece of paper and number down the left hand side from 1 to 24.

You will notice that each square below is also numbered from 1 to 24 and each contains a football game to be staged this coming weekend. To complete your entry you must do the following:

- (1) after each number on your paper write the name of the sponsor of the corresponding numbered square.
- (2) following the sponsor's name — write the name of the winning team.
- (3) in addition you must pick a score on the outcome of the game in square 24. This will be used in the case of a tie and then the contestant whose score is closest to the actual score will be declared the winner.

Be sure to write your name, address and phone number plainly on your piece of paper (your entry).

Enter just once a week, but you may enter as many weeks as you wish. In case of ties, prize money will be split.

Copies of the contest will be posted at the Northville Record and South Lyon Herald office each week.

Entries must be postmarked or brought to either of our offices no later than 5 p.m. each Friday.

Employees of the Northville Record - Novi News or South Lyon Herald or sponsoring merchants are not eligible.

FIRST PRIZE \$10⁰⁰
SECOND PRIZE \$5⁰⁰
THIRD PRIZE \$3⁰⁰

News from Willowbrook

Vi Myers GR-4-8015
Saturday Mr. and Mrs. Paul Sears of Farmington were host and hostess at a party for Mr. and Mrs. Tom Morrison of LeBost drive. The party was given in honor of the Morrisons' 25th wedding anniversary. Mrs. Morrison's maid of honor Mrs. Arthur Bulloch (formerly Mary Thompson) and Mr. Morrisons' best man Mr. Jack Morrison were guests attended including Mr. and Mrs. Jack Carter, Mr. and Mrs. Len Berardi and Mr. and Mrs. George Maw of Willowbrook. The Morrisons received many lovely gifts of silver.

Mr. and Mrs. Charles Hebel and family, Farmington, were guests Sunday of Mr. and Mrs. Raymond Lilley of Mill Stream Lane. The Hebelers recently moved to Farmington from Paoli, Pennsylvania. Mr. Lilley's brother and wife Mr. and Mrs. Stanley Lilley of Brookhaven, Pennsylvania were houseguests for a few days last week also.

Mr. and Mrs. Donald Stewart of Hollydale and their children Mark, Karen, Laura, Lon and Don are moving to Kimberly subdivision in Farmington.

Mr. and Mrs. Raymond Frere of LeBost drive have as houseguests Mrs. Frere's parents Mr. and Mrs. L.S. Baker of Florida and her grandmother Mrs. Bertha Wiles of Maine. They will spend a week or 10 days with the Freres.

Mr. and Mrs. Kenneth Cookson of West LeBost have returned from a five day tour of the New England states. They toured upper New York, Maine, Vermont, New Hampshire and Massachusetts. On the way home they stopped at Niagara Falls. The children, Suzanne, Kenneth and Cynthia enjoyed their first view of the falls.

Mr. Robert Waugh of West LeBost is home from William Beaumont hospital recuperating from the automobile accident he suffered a couple of weeks ago.

Mr. and Mrs. Frank Johnson of Detroit gave the rehearsal dinner for Jane Flattery last Thursday night at Botsford Inn. Jane is the daughter of Mr. and Mrs. Robert Flattery of LeBost drive. She was married to Dwight Johnson, son of Mr. and Mrs. Frank Johnson, Saturday at Our Lady of Victory church in Northville.

Mr. and Mrs. Michael Michaels of Maude Lea Circle have just returned from a two week vacation. They spent five days in New York city visiting the World's Fair. They were also in Massena, New York, Buffalo and Boston, Massachusetts.

Mr. and Mrs. Walter Carter of Ripple Creek road have a new addition to their family. A son Keil Watson, born September 10 at St. Marys hospital in Livonia. His birth weight was 7 pounds, 2 ounces. The Carters have three other children Lance, Kathy and Walter, Jr.

Mr. and Mrs. Karl Weiss of Mooringside drive have returned home after spending a week in Newberry with Mrs. Weiss' sister and family Mr. and Mrs. E.Q. Berry and daughters Margaret and Marion.

Several of the ladies in Willowbrook attended the potluck dinner at Our Lady of Victory church in Northville Tuesday. Among those present were Pat Crupi, Laura Reuther, Betty LeButt, Delores Olah, Virginia Martin and Marquette Parent.

Thursday bridge was played at Beverly Smith's home on McMahon Circle. Nancy Miliken took first prize. Guest players were Jane McClelland, Barbara Coan and Marilyn Davey.

NOVI HIGHLIGHTS

Novi Blood Bank

The need for blood is desperate in the Novi Blood Bank. The Blood Bank will be at the Novi Community Building, this week on Friday, September 25 from 2 to 8 p.m. Make appointments if possible by calling the chairman: Mrs. John Eskro, FI-9-2058. If not possible to make an appointment, just walk in. Anyone from 21 to 59 years may give blood. Those who are from 18 to 21 must have parents or guardians consent.

The Blood Bank is sponsored by the Novi Board of Commerce. The women who are working are from the Board of Commerce, Novi Rebekahs, Blue Star Mothers, Novi Mothers Club, Farm Bureau and a group of women from Walled Lake will help with registering and bottle labelling.

Due to the illness of chairman Mrs. Bernard Marchetti, Mrs. John Eskro has taken over at this late date and wishes your co-operation.

Mr. and Mrs. Russell Race and Mr. and Mrs. Chas. Race made a trip to Jackson on Sunday to visit their mutual aunt, Mrs. Rose Wilbur.

Miss Nancy Schwartz was honored at a pre-nuptial shower Wednesday evening, September 23, at the home of her aunt, Mrs. Al Harnden at Lower Straits Lake. Miss Schwartz will become the bride of James Michael on Saturday, September 27.

October 3rd in the Walled Lake Methodist Church.

Mr. and Mrs. Chas. Trickey Sr. spent Sunday with their son's family, the Chas. Trickey Jr. at Tecumseh. The occasion was to celebrate Mrs. Trickey Sr.'s birthday which occurred on Wednesday this week, September 23rd.

Mr. and Mrs. Ray Warren and family and Mr. and Mrs. Russell Button and children attended the 25th wedding anniversary of Rev. and Mrs. Ronald Button at the Baptist Church in Davison Sunday, September 13. The Open House was sponsored by their son and daughter-in-law, Mr. and Mrs. Robert Button and their daughter, JoAnne.

Mrs. Bernard Marchetti is a patient in St. Joseph's Hospital Pontiac.

Mr. and Mrs. Stanley Orzechowski and sons attended the Lutheran Sunday School picnic at the home of Mr. and Mrs. John Bakhouse in South Lyon Saturday.

The Orland Bumann family spent Saturday in Ann Arbor hunting for antiques. On Sunday their family tramped through the woods at Kensington Park and took a boat trip on the Island Queen.

Dodge comes on big

'65 DART: The Dodge-size compact

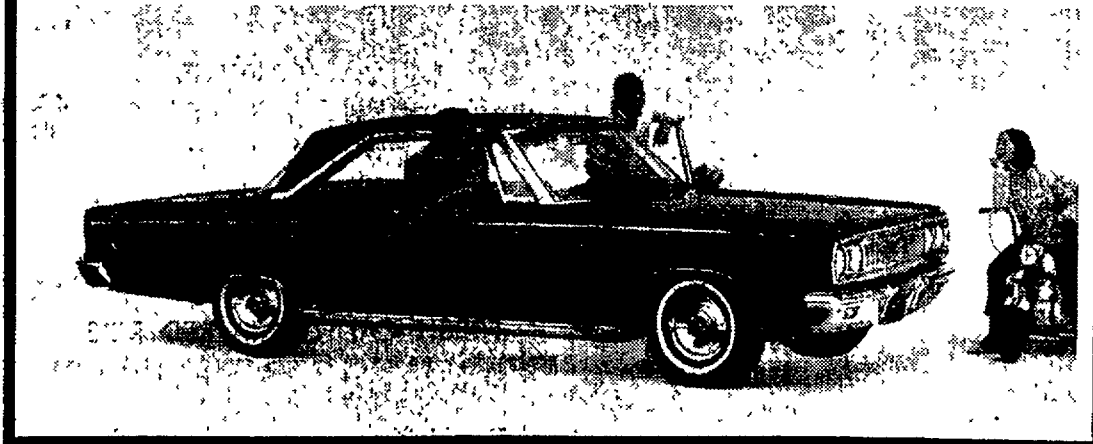

If you're the kind of person who likes to live a little, we'd like to let you in on something big—Dodge Dart for '65. Dart is the fun compact with big ideas. Big Beauty. Big Comfort. Big Ride. And Big Savings. In the engine room, Dart's mighty big, too. Take your choice of the Mobil Economy Run winning Six or a Husky V8 that won't take "slow" for an answer. But why listen to us when that frisky fella is right down at your Dodge dealer's. See what we mean, today.

Swingers go for Dart GT. And sporty Dart GT goes for everybody... for the economy-minded, for the sports-minded. Great way to leave things behind—like worries—like other cars. GT gives you what you go for.

'65 CORONET: A hot new Dodge at a new lower price

Leave it to Dodge to build a hot new, all-new car with the stretch-out room of a standard-size Ford or Chevy, yet priced with Fairlane and Chevelle. For that's exactly what they've done. It's called Coronet '65. And if the name seems familiar, nothing else about Coronet will be. It's totally new from road to roof line. With refreshing new styling. Oceans of room. A ride that belies its low price. And performance that's so exciting you'll have a hard time believing it even after you've put it through its paces.

You can pay as much for smaller cars, but why should you? When the full-size Coronet's looks get you going, bet your boots its price won't slow you down. Dodge Coronet for '65—that's the spirit.

'65 POLARA: Beautiful way to leave the low-price field

Inches bigger and a lot better-looking than anything near the price. Take a big, smooth-riding 121 inch wheelbase, surround it with styling that's clean and elegant, add interiors that rival far more costly cars, add a standard 383 cu. in. engine that likes regular gas best. Offer it for a price that's just a quick, easy step above the low-price field. Why would anyone settle for less? If you don't know, you ought to see your Dodge dealer. Ask to see the big new Dodge. Ask to see Polara. The beautiful way to leave the low-price field.

What does Dodge do after two record-breaking years in a row? Go for a third. With three brand-new cars that are bigger, quicker, and fresher than anything near the price. And backed by the strongest warranty* in the business. Polara. If you're looking for a beautiful way to move up in style, room, response, Polara's your answer. Coronet, the new-size newcomer that gives you an extra helping of spirit, comfort and convenience and extra savings to boot. Dart, the fresh, new, fun-size compact at a fun-size, budget-saving price.

No matter what size car you want, this year check the lineup at your Dodge dealer's. Dodge comes on big for '65.

Official Minutes of the Northville School Board

Regular Meeting, September 14, 1964.

I. The meeting was called to order at 7:30 p.m. by President James P. Kipfer, in the Board of Education offices.

Present: Mr. Kipfer, Mr. Wilfred C. Becker, Mr. Eugene K. Cook, Mr. Robert H. Shafer, Mr. Elmer O. Weber, Mr. William B. Crump entered the meeting later. Absent: Mr. Edward F. Angove.

Others Present: Assistant Superintendent K. M. MacLeod; Director of Administrative Services E. V. Ellison; Principals H. Smith, R. Spear, D. Van Ingen, L. Quay and F. Stefaniski; Miss Linda Kate Edgerton; Mr. Bauerle of The Northville Record.

II. The minutes of the meeting held on August 12, 1964 were read by the Secretary and approved with one correction. The minutes of the meeting of August 28, 1964 were then read by the Secretary and were approved with two corrections.

III. Communications:
1. Schoolcraft College, expressing appreciation for the support of this school district in the establishment of the College.

2. Michigan Association of School Boards, convention information. Mr. Kipfer appointed Mr. Cook to represent the Board at this meeting, and Mr. Angove as an alternate delegate.

3. William A. Shunk, Superintendent of Wayne County Intermediate School District,

complimenting Mr. Stefaniski and Mr. Quay on the Northville High School Student Handbook, which had come to his attention.

4. Interim Study Committees of Michigan State Legislature, announcing a schedule of meetings with school officials for the purpose of exploring school and State Aid problems. Mr. Becker and Mr. Kipfer will attend one of these meetings, along with Mr. Amerman and Dr. MacLeod and Mr. Ellison.

IV. Report of Superintendent:
1. Teacher Resignation - Letter of resignation has been received from Mrs. Cummins, of the High School faculty. Moved by Mr. Shafer and supported by Mr. Crump that resignation be accepted. Motion carried. It was then moved by Mr. Shafer that a contract be approved for Mr. Ronald Slober, to replace Mrs. Cummins on the High School Staff. Motion supported by Mr. Cook and carried.

2. Transportation - Mr. Ellison reported results of the first week of operation of the school bus system for this year and also advised the Board that he is negotiating with Northville Coach Lines for the use of spectator buses again, in accordance with the suggestions of last year's Transportation Committee.

3. Educational T.V. - An effort is still being made, according to Mr. Smith and Mr. Becker, by the schools in the Community College district, to salvage a T.V. channel for the use of College district schools. Livonia Schools are spearheading this attempt and a meeting will be held at the College on September 22 on this subject. Mr. Amerman and Mr. Smith both plan to attend this meeting and Mr. Becker indicated he, too, will be present.

4. Gil Cowden - Mr. Ellison reported that Mr. Gilbert Cowden, plant engineer, had passed away on Saturday, Sep-

tember 12, of a rare blood disease. Mr. Ellison is searching for a replacement.

The Board expressed its regret at Mr. Cowden's passing, and sympathy for Mrs. Cowden and her family.

V. Report of Secretary: Mr. Cook reported the following moneys received in the General Fund during the month of August:

Taxes	\$2,316.18
Interest on Taxes	104.81
State Aid	83,330.00
Abatement of Expense	187.66

\$19,355.02.

It was moved by Mr. Shafer and supported by Mr. Becker that the report of the Treasurer be accepted. Motion carried.

VII. Report of Auditing Committee approved bills and payrolls for payment as follows: General Fund bills, \$9,573.47; Payrolls, \$45,820.55; Cafeteria bills, \$117.91; Stadium bills, \$97.06; Debt Retirement bills, \$11,840.54. It was moved by Mr. Shafer and supported by Mr. Becker that the report of the Auditing Committee be accepted and bills and payrolls be paid. Motion carried.

VIII. Unfinished Business:
1. Gate in Fence at Amerman School - Request made last year by Mr. Clarence Sissen and other parents of Northville Heights, that Mr. Sissen be allowed to install a gate in the fence surrounding the Amerman School, was brought up. After discussion it was moved by Mr. Shafer and seconded by Mr. Weber that

ed a number of names of people who might be interested in serving on it. An organizational meeting for the Group will be held on October 3, 1964, in the Junior High School Library, and persons interested in working on this project are invited to attend this meeting.

IX. New Business:
1. Signal Light - Concern was expressed that no signal light has as yet been installed at the intersection of Eight Mile Road and Center Street, and Mr. Kipfer asked Mr. Cook to make further inquiries of the City and County about this problem.

X. Adjournment: It was moved by Mr. Weber at 11:00 p.m. that the meeting be adjourned. Mr. Shafer supported and the motion was carried.

★★ NORTHVILLE TOWNSHIP MINUTES ★★

The regular monthly meeting of the Northville Township Board was called to order by Supervisor Merriam on Wednesday, Sept. 2, 1964 at 8 p.m.

Members present: R. D. Merriam, Marguerite Young, Alex. M. Lawrence, Donald E. Robinson and Wilson D. Tyler.

Consultants: James E. Littel, Township Attorney.

Visitors: Approximately ten residents, Mr. Frank Clancy, attorney for Dun Rovin Golf Club, and Bill Sliger of the Northville Record.

Minutes of the regular board meeting of August 4, 1964, were accepted as written.

Treasurer's report for August 1964 was read, approved and ordered placed on file. Office Receipts for the month

of August 1964 for \$1,270.00.

Water & Sewer Commission receipts for \$4,508.41. Township Bills Payable for \$3,021.64.

Primary Election Bills Payable for \$491.95.

Water & Sewer Commission Bills Payable for \$5,198.05.

After discussion Tyler moved, supported by Robinson, that the bills be paid. Ayes: All. Motion carried.

The Building Inspector's report for the month of August 1964 was reviewed by Board members.

The Planning Commission minutes of August 25, 1964, were read by the Clerk and approved.

OLD BUSINESS

1. Township Policies and Procedures Manual.

Mr. DeDonna of DeDonna Associates talked at some length regarding the Manual they had prepared for the City of Southgate, the Manual they were preparing for Sumpter Township and what they could do for Northville Twp. The price quoted for the Township Manual would be \$300.

Supervisor Merriam thanked him for the courtesy.

NEW BUSINESS

1. Robinson moved, supported by Lawrence, that the Township acquire a new four drawer legal sized file. Ayes: All. Motion carried.

2. The Board discussed at some length acquiring modern plumbing for the Township Hall. They concluded that Supervisor Merriam should pursue the matter.

3. Water Meters. After general discussion, the Board decided to purchase 1" Badger Read-O-Matic Water meters.

Tyler moved the purchase of the Badger Meters. Robinson supported. Ayes: All. Motion carried.

3. Supervisor Merriam informed the board that Mr. Parisi of the Michigan Townships Association had advised that it was necessary to pass a resolution on salary increases sixty days prior to the Annual Meeting and suggested they also pass on this sixty days prior to the Election. He gave Trustee Tyler and Trustee Robinson copies of recommendations on salary raises which Clerk Young had received from Mr. Parisi also a list of salaries paid other Township Officials and asked that they be given consideration before

the next regular Township Board Meeting.

4. Mr. Frank Clancy, attorney for Dun Rovin Golf Club, asked for the board's approval of an unrestricted Dance Permit for Dun Rovin Golf Club, advising that the Township Board could demand the revocation of the Permit at any time if the Club did not cooperate.

When asked for advice, Attorney Littell recommended that Dun Rovin write the Township, spelling out clearly how the Dance Permit would be used. Upon receiving this information, the Board would then be in a position to pass a resolution granting approval of a Dance Permit.

5. Trustee Robinson addressed the Board, stating that inasmuch as James Tellam had been nominated at the Primary Election to fill his office in April 1964 and this would mean he would be a "lame duck" Trustee for this period, he would like to tender his resignation at once.

After discussion, Young moved, supported by Lawrence, that Donald E. Robinson's resignation as Trustee of the Northville Township Board and member of Northville Township's Planning Commission, be accepted with regret.

Ayes: Merriam, Tyler, Lawrence and Young. Motion carried.

Tyler moved, supported by Lawrence, the appointment of James Tellam as Trustee to fill the balance of the term of Donald E. Robinson. Ayes: Merriam, Tyler, Lawrence and Young. Motion carried.

James Tellam was given the Oath of Office by Clerk Young and seated on the Northville Township Board.

Merriam moved, supported by Lawrence, that James Tellam be appointed a member of the Township Planning Commission. Ayes: Merriam, Tyler, Lawrence and Young. Motion carried.

There was discussion of a Procedures and Policy Manual for the Township with Supervisor Merriam moving, supported by Lawrence, that Trustee Tyler be asked to draw an outline of same. Ayes: All. Motion carried.

No further business, Trustee Tellam moved to adjourn, Tyler supported.

Meeting was adjourned at 10:05 p.m.

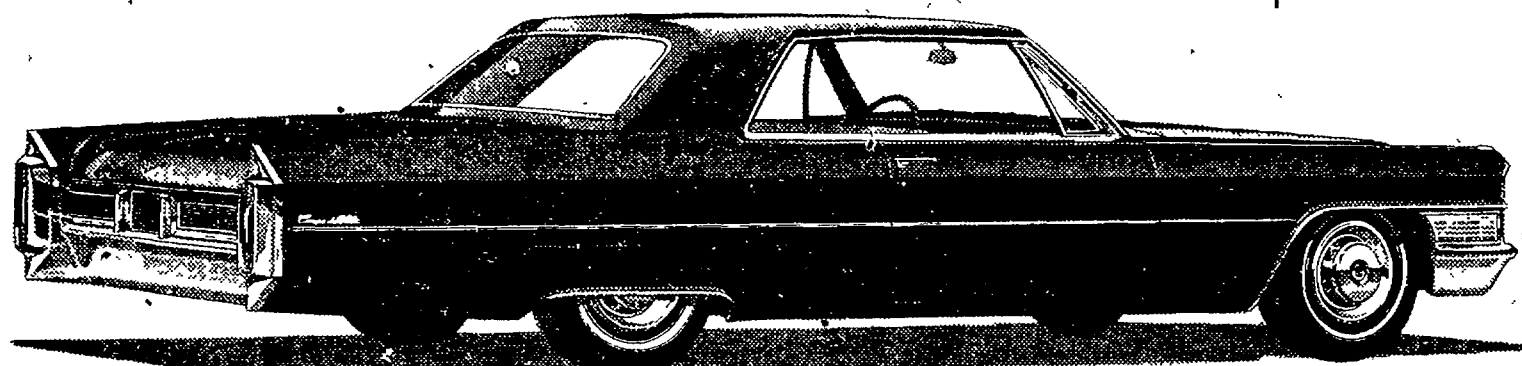

Marguerite N. Young, Clerk

NOTICE OF PUBLIC HEARING

PRESENTING *Cadillac* FOR 1965

Above, the Coupe de Ville, below, the longer wheelbase Fleetwood Brougham.

SO NEW! SO RIGHT! SO OBVIOUSLY CADILLAC!

The 1965 Cadillac is the most dramatically new Cadillac in sixteen years; new from chassis to rooftop and new from start to stop. Its remarkable styling—elegant, majestic and impressive as never before—establishes it instantly as an all-time Cadillac great. And not only is it an inspiration to look at—it is a revelation to drive! The marvelous responsiveness of Turbo Hydra-Matic is now standard on all eleven models. A new concept of frame and suspension gives the car incredible steadiness and levelness of ride—even under the severest conditions of cornering and handling. And there is quiet—quiet beyond anything you imagined possible in a motor car! Cadillac's new and more spacious interiors are marvelously rich and luxurious—and include such personal options as an exclusive tilt and telescope steering wheel. Cadillac owner or Cadillac admirer—you owe yourself a journey at the wheel without delay.

You will know at once that this is—in every way—the new Standard of the World!

SEE AND DRIVE THE NEW 1965 CADILLAC—NOW ON DISPLAY AT YOUR AUTHORIZED CADILLAC DEALER

from the PASTOR'S STUDY

Rev. Lloyd Brasure
First Presbyterian ChurchConstitution Week and
Christianity might sound
like a week old subject.
However, since last week's
paper carried the proclama-
tion of Mayor Allen of
Northville, reflections might
be in order. Too often we
fail to catch the true rela-
tionship in formal religion
between the secular and the
spiritual content of our
lives.The history of our nation
has given us some very
sound religious value writ-
ten into the founding docu-
ments. When we think of
government today, we find
fault (and who is free of
this practice?) and don't go
on in our conversation or
action to take positive steps
for correction. Big govern-
ment leaves us individually
with the feeling that we can
do nothing to change. This
is wrong thinking and dan-
gerous.

The Pastor's study is a

good place to remind our-
selves of the importance of
each citizen, especially if
we are motivated by a de-
sire to please God in this
life by faithful adherence to
the precepts and examples
of our Lord. Formal relig-
ious practice should lead
from the place of corporate
worship into the classroom,
the shop, the office, the
home or wherever you are,
and our deeds must show
evidence of God's will. The
Constitution must not be
buried, nor its authorship
maligned, nor its merit cov-
ered over with a gloss of
forgetfulness. FREEDOM as
well as RESPONSIBILITY
must ever be the watch-
words of a vigilant citizen-
ry. Christianity suffered at
the hands of the rulers of
old and survived because of
courageous converts and
persistent plans by those
who were convinced that
God was with them inChrist.
Today in this nation we
are privileged above many
others. However, sometimes
privilege leads to indiffer-
ence. Christianity and citi-
zenry now means FREE-
DOM and RESPONSIBILI-
TY that the moral law of
God be carried by those in
this country alive now into
all affairs of business and
government. Without these
qualities, the work of our
Founding Fathers will have
been done in vain. We will
let ourselves slip into care-
less habits, immoral ways
and spiritual ignorance.Good government depends
on citizens, not rulers. We
can begin locally and ded-
icate life to liberty as God
intended it to be. We must
not be misled by those
whose loyalties are else-
where and who have for our
founding principles abso-
lutely no respect.

Chicago - will be elevated
to the Episcopate in the an-

consecration on Tuesday, Sep-
tember 29 being the Feast of
St. Michael and All Angels,

Elected in special conven-

the place of the Right Rev-

who was elected Bishop of the

To Dedicate New Church

Members of the Plymouth
Assembly of God church will
dedicate Sunday afternoon a
new sanctuary that they help-
ed build.
A dedication service will be
conducted at 3 p.m. at the
new church, 42021 Ann Arbor
Trail in Plymouth. The Rev-
erend Everett D. Cooley, Mich-
igan district superintendent of
the Assemblies of God, will
be the main speaker.Pastor John Walaskay said
the new building will be able
to seat about 400 with a bal-
cony. The old church, which
has been renovated, could hold
100 worshippers. In addition,
more Sunday school facilities
were added.
Mr. Walaskay said the build-
ing program began in the fall
of 1962. Contractors were hir-
ed to do the masonry and car-
pentry work but the congrega-
tion did all the painting, lay-
ers of floor tile and landscap-
ing.

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

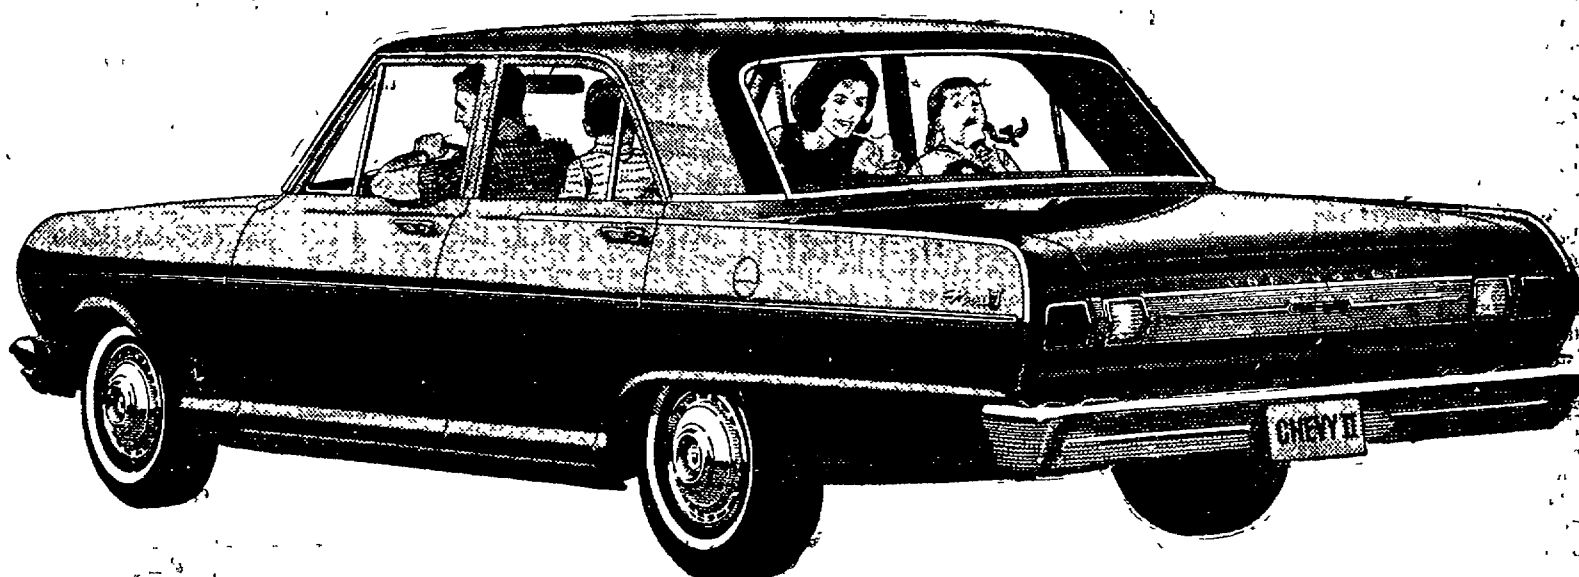

One look at it and—presto—last year's crop of cars seem like something that happened a long time ago. It's longer, lower, wider—with the kind of interior comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front and (thanks to a smaller floor tunnel) more foot room too. Curved side windows, rich new fabrics and an instrument panel that's a conversation piece all by itself (in the Impala series it has the look of hand-rubbed walnut). In fact, just about everything's new right down to the road! And even that'll seem newer because this year Chevrolet's Jet-smooth ride is smoother than ever. But all this seems like a bit too much to remember, don't try. Just take a drive at your dealer's. It'll all become unforgettable.

'65 Chevrolet Malibu Super Sport Coupe

Chevelle Malibu '65

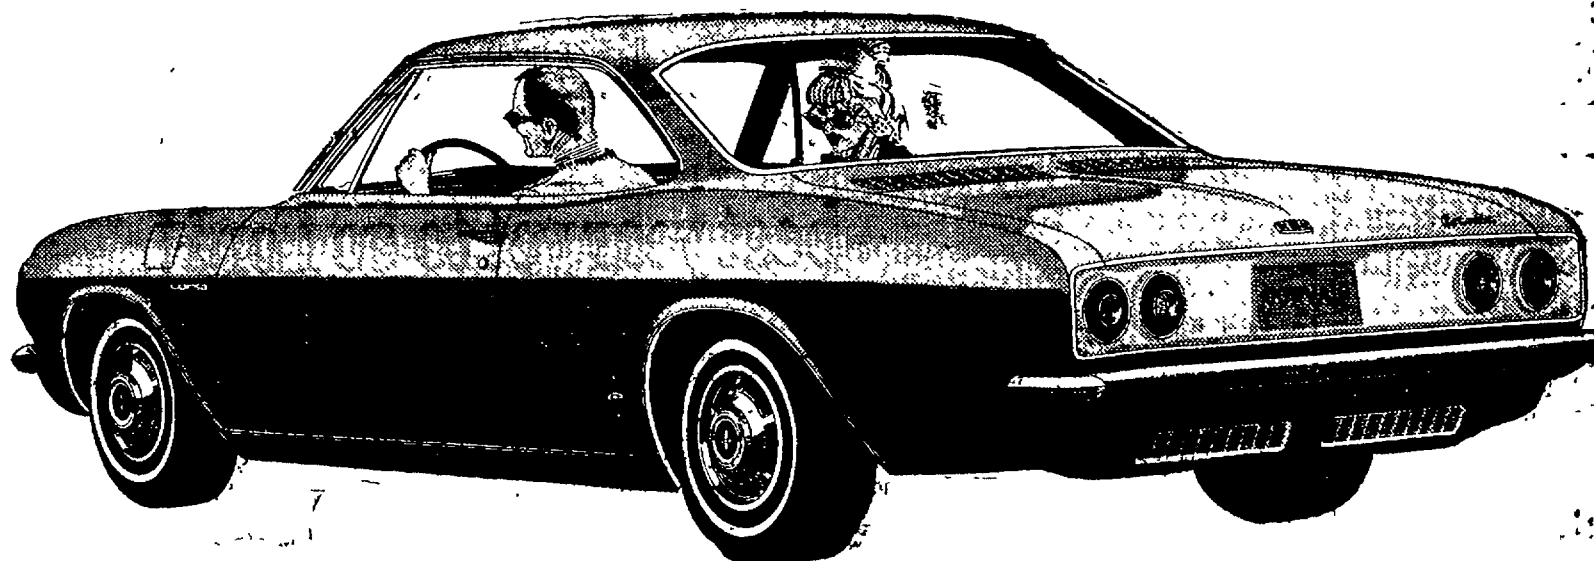

New style, new ride—and plenty of V8 stuff. Here are all the things that have made Chevelle America's most popular new-sized car—plus some new surprises that promise to make it come on stronger than ever for '65. Like those cleaner, bolder lines. Like the silky way it skims over the choppiest roads. (Thanks to softer coil springs and other suspension system refinements, Chevelle now rides with a serenity you'd expect only in a bigger, heavier car.) Like V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five different power plants are now available from a quiet six to a V8 that comes on with 300 horses strong. Some people might have expected us to stand pat after introducing a car this successful last year. One short drive will show you how wrong they were.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may very well be the expensive-looking thrift car you've ever laid eyes on. But thrifty it is. The big difference this year being that Chevy II's marvelous mechanical efficiency now comes decked out in a debonair new look. And to keep things in stride under the hood, there's a new range of six engines available, no less, including a new 300-hp V8. Of course, you still get those famous Chevy II maintenance reducers—like self-adjusting brakes, long-lived exhaust system, battery-saving Delcotron generator. But if you go by all the fine new features, you could get the idea that saving you money was about the last thing we had in mind when we built this one. And in a way it was. Right up until we pasted the price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

There's never been a Corvair—or any other car—like it. The entire line now sports a totally new Body by Fisher, styled with fresh, sophisticated flair that would set a European's pulse fluttering. The longer, wider design gives all Corvair closed models a thin-line hardtop roof, accented by frameless curved side windows. It also allows more shoulder and entrance room. And to go with the racier look, there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension system, bigger self-adjusting brakes, more responsive steering—all solidly buttressed by a wider road stance for '65. Truth is, you've got to drive this one to believe it.

SPEAKING for The Record

By BILL SLIGER

There's something about the word "decade" that sounds ancient; 10 years aren't nearly as long as a "decade".

Maybe that's why it seems so long ago, nearly two decades, since I was sports' editor of my college newspaper.

I've done little sports' writing since those days, although I enjoy and follow most athletic activities.

So I hope my readers will forgive a change of pace this week while I turn back my writing calendar, momentarily set aside more serious matters, and devote this column to one of the most outstanding athletes in the history of Northville.

I'm referring to Jim St. Germain, a 17-year-old senior at Northville high school.

During the past year Jim has established himself as one of the finest amateur golfers in the country.

Let's look at his recent record. In the spring he topped the state's best high school golfers and walked off with the Michigan high school crown—not in the class B category that Northville normally competes, but in open class play.

In a busy summer of competition Jim qualified for the National Jaycee tourney; won the Detroit district junior championship; qualified for the Michigan amateur championship and advanced to the third round at Charlevoix before being eliminated.

Then, at competition held at the Detroit Golf Club, he was one of 150 youngsters from the entire United States to qualify for the national junior championships at Eugene, Oregon. The 150 qualifiers were reduced to 64 in further qualifying rounds, and Jim made this cut.

He didn't win the nationals, but he was one of four remaining boys age 18 and under. And in his march to the semi-finals he knocked off favorite and defending champion, Greg McHatton.

Then Jim aimed at the biggest target in amateur golf, the 64th United States Golf Association's Amateur Championship scheduled for September 14-19 at the tough Canterbury Golf Club in Cleveland.

Eighty-five Michigan amateurs fired two qualifying rounds at the Country Club of Detroit for the right to go to Cleveland. Jim was one of the eight qualifiers.

Down at Cleveland 150 of the nation's best amateur golfers shot two more qualifying rounds so the field could be reduced to 64. Jim made the cut with rounds of 75-76.

His first round competition was Robert Gardner, a veteran of 43 who was runner-up for the amateur championship in 1960, has been the metropolitan New York amateur champion six times, California champion twice and a member of two Walker Cup teams, one America Cup and one World Amateur team.

Jim defeated Gardner, one-up.

He lost his second round match to Donald Allen, 26, who has been New York state champion three times. Jim was one over par in defeating Gardner and two over in losing to Allen.

Golf is a demanding sport, both physically and mentally. All the responsibility for performance rests upon the shoulders of one individual; there's no teammate to come up with a sparkling play and cover up your lapse.

St. Germain

Jim learned the game from his father, a five-handicapper at Meadowbrook. He's been playing for six years and started out by just chipping and putting. His game is well-rounded in all departments, although he admits his long irons are "pretty good".

Many hours of practice have gone into Jim's climb to his present standing. But there's more to go. He wants to become a touring professional... after a college career.

Jim St. Germain has already made a mark in golf of which he, his high school and community can be proud.

And who knows, one day he may push Arnie Palmer right off that mountain of tournament gold.

Michigan Mirror

Primary Poll Workers Applauded

Lansing — Variety from the norm often tend to instill new alertness in workers and such seems to have been the case in Michigan's September 1 primary election.

State elections officials in Lansing received fewer complaints about precinct workers' errors than in any election in recent memory.

This was despite, or perhaps because of, the many changes in districts, several new precinct alignments and the record number of people entered in primary contests.

Local elections officers were credited with doing a tremendous job by Secretary of State James M. Hare whose department handles the polling problems.

Hare termed the job which faced local people as "one of the roughest and most complicated in Michigan's history."

One member of the state elections office staff said it appeared more local workers were on their toes because they faced new problems. Working with the same districts years after year, some workers apparently were in a routine which lent itself to error but the changes broke this routine.

Still another, more crucial test faces local election workers November 3 when the new districts will again be used, more people will be voting and in many cases the ballot will be extremely long.

Many people voting in machine districts will face a double-machine ballot or a paper ballot in addition to the machine.

Along with the Presidential, gubernatorial, U.S. Senatorial, Congressional and State Legislative races, voters will decide on three members of the new State Court of Appeals, a referendum question and in many cases local officers and proposals.

Nearly 1,300 Michigan high school graduates were selected to be the first winners under the state college scholarship program, splitting \$500,000 in funds.

More than five times this number applied for the state funds. Some 3,000 of them could have qualified for scholarships if more money was available, said Superintendent of Public Instruction Lynn M. Bartlett.

The law enacted by the Legislature creating the program specified winners should be chosen on the basis of academic achievement.

With Legislative approval to double the appropriation next year, each of the 1964 winners who maintain at least a "C" average could have their grant renewed and another \$500,000 would be available for 1965 high school graduates.

Supporters of the scholarship plan in the Legislature this year tried to get an original appropriation of \$2 million for the program.

Bartlett implied there would be attempts next year to get more than the \$1 million for the program.

"Some 3,500 of our applicants this year were fully qualified by test score and demonstrated real financial need," he said. "If these youngsters can find no other means of help and are denied the highest education of which they are fully capable and want, we are wasting valuable human resources."

Continuation of the year-old "Lights On for Safety" campaign in Michigan appears a certainty.

During the Fourth of July holiday, State Safety Commission members reported that 40 percent of the cars on major trunklines spot checked had lights on during that day.

This was greater than the Memorial Day participation, they said. Over Labor Day the number of daytime drivers with their lights on again increased, to nearly 50 percent.

"This is an excellent showing but to be really successful we ought to have every one of the many thousands of cars on the road cooperating in the program," said Safety Commission Executive Secretary Gerald Shipman.

The idea behind the lights-on campaign, said Governor George Romney, is "to focus attention on all drivers that they must stay mentally alert and drive safely," as thousands of cars pack the highways on holiday weekends.

Before the Labor Day holiday began Michigan's traffic death total was 18 percent higher than the 1963 rate, which was the sixth highest record in history.

"We're either going to learn how to use automobiles properly and sensibly or they are going to become a worse lethal weapon than some make them already," said Romney.

Roger Babson

Health and Business

BABSON PARK, Mass. — Our business editors and columnists dig into just about every political, industrial, commercial, and financial influence on our economy. Now and again I am struck by the fact that they seldom take into consideration how much business — especially individual companies — can be affected by the health of the executives at the helm.

For a half-century I have been making a detailed study of company earnings. On a great many occasions I have found that failing health on the part of a key executive has been responsible for declining business. This shows up most clearly when one firm in a field that is booming is unable to buck competition and chalk up satisfactory profits.

An executive, for instance, may be at his desk every day and put in his full total of hours; he may attend conscientiously to his mail, his telephoning, his meeting. The difficulty may be that he is not really well enough to make that important extra effort that goes into the making of a top-notch official. He may not have the special zest to extend his lines and his territories sufficiently to hold his company at the top of the heap.

The reason why such conditions are seldom diagnosed is that illness is often thought of in terms of heart trouble, high blood pressure, chronic ulcers, viruses, etc.

What I have come upon in my studies has usually been stress and strain caused by worry, — a condition that often only a trained specialist would suspect. Men who seem to be doing their important jobs faithfully are seldom thought of as "trouble sports".

Look, however, at the stocks listed on the Big Board today and you will see that certain issues — in lines even that are breaking through all-time highs — are crab-walking sideways, with no pep. I wonder what would be found by doctors who examined the head men of some of these firms? There may well come a day, I predict, when company directors will distribute to their stockholders annual health reports on all their key men, along with their financial audits. This could result in some of the "sleeper" companies climbing upward again.

Studying figures has been one of my most important occupations. I learned long ago, however, that the "human figures" have got to be in condition if the "mathematical

figures" are going to please stockholders. The businessman who is going at top speed every waking moment in the business day; keeping up his social or business commitments during the evening; and living on headache pills, pep pills, and sleeping pills is not going to keep a jump ahead of his competitors for very long.

I am convinced that there will come a day when top corporation men will be retired and pensioned strictly in accordance with their physical condition rather than with their age. Some people, of course, have far more vitality than others and can stand the modern "rat race" for longer periods of time.

The real solution to the problem is: avoiding unnecessary worry and pressures, cutting out useless or repetitious work, streamlining unwieldy or inefficient departments, and delegating jobs that could just as well be handled by competent assistants.

Remember, too, that not even physical or financial reserves are worth anything unless they are accompanied by genuine reserves of the spirit.

I have pointed out before that Jesus was called "The Great Physician" because He constantly taught that stress and worry are futile, that men must not be overanxious for material things. It is significant that there is actually not a great deal written in the

Bible about sickness. Few stories about the followers of Jesus indicate that they died of illness; those who were not martyred lived apparently to an extremely old age. Surely a spiritual rebirth would be the answer for most of us to the strains that beset us in these difficult tension-ridden days.
