

### Senior Citizens Set Meeting

The Northville Senior Citizens' Club will meet in the Scout - Recreation building at 7:30 p.m. on October 13th. A business session, program and social hour with refreshments are planned. At a previous meeting the group was addressed by Richard Lyon who told of the Travelogue series to be sponsored by the local Rotary club and announced a considerable discount on tickets purchased by club members.

### OLV Ladies to Meet

Our Ladies League of Our Victory will meet at 8 p.m. Tuesday in the social hall. This is a membership meeting so it is time to bring all your new neighbors, or neighbors who just haven't joined us yet. Annual Pantry shower and reception for the sisters will be held Sunday, October 11 between 3 and 4 p.m. in the social hall.

### Pledges Sorority

Sue Eastland has been pledged into Alpha Omicron Pi, national social sorority at the University of Arizona. She is a graduate of Northville high school and is the daughter of Dr. and Mrs. J. K. Eastland. Sue is a Sophomore majoring in BPA, Office Administration.

**DANCE DECORATIONS** — Mrs. William O'Brien, a member of the St. Mary Hospital Guild, and Mrs. Robert Wetterstroem, chairman of the decorating committee for the group, look over table ornaments for the October 10 harvest moon ball. Proceeds from the dance will be used for an addition to the hospital.

### Annual Patients' Fair on Tap

Three months of planning by committees and sponsoring groups will culminate next week as Northville State holds its twelfth annual patients fair.

On October 6 and 7, 1,400 patients will come into the hospital's fair area, each for a two-hour period. Volunteers will bring the Fair's food and excitement to 88 shut-in patients.

Among the chairman working under Louis J. Schuldt, director of community relations, are the following Northville residents:

Mr. Wallace Westerfield, booths; Mrs. Florence Bonner, prize sorting. Mr. Francis Collins of the Michigan State Employees Association; Mrs. Fred Wendt of the Northville Lutheran church, Mrs. Archie Richardson of the Newcomers Club, Mrs. Gladys Horning of Northville State Hospital Auxiliary; Mrs. Carmen Russell of the Psychiatric Attendant Nurses Association of Michigan, and Dr. A. Holstein of the Northville Psychiatric Association.

Eddie Schick and his orchestra will provide the musical background for the fair as the patients visit the many booths.

Should rainy weather take the place of expected Indian summer, arrangements have been made for the outdoor event to be held later next week or the following week.

On the first afternoon of the fair, Mrs. Louis Pearlman, of Livonia, chairman of the prize purchasing committee for the fair since 1961, a past-president of the Northville State Hospital Auxiliary and a member of its board, will be honored as volunteer of the week by the United Community Services of metropolitan Detroit.

### Guest Pastor Here Sunday

Rev. Floyd Emshwiler will participate in the two Communion services Sunday at Northville Presbyterian church with the Rev. Lloyd Brasure.

Mr. Emshwiler will be attending the Convention of the Disciples of Christ this week in Detroit. He and Rev. Brasure served their respective churches in Petoskey concurrently a number of years ago.

### Newcomers Plan Get Acquainted Tea

"Where to go, what to do?" are all to often the questions facing new residents of Northville. The nub of these questions can be answered by the "Newcomers club" of Northville.

The club will hold its annual tea on Sunday, October 11 from 2 until 4 p.m. at the Junior high school (community building). Introduced as a "get-acquainted" event for new residents of the area, the tea is open to the public.

Mrs. Archie Richardson is president of the Newcomers club and Mrs. Earle McIntosh is social chairman. Hostesses will be Mrs. Frank Sullivan, Mrs. Stewart Duguid and Mrs. Gerald Burnham. In charge of decorations will be Mrs. Harold Frazier.

**GOLDEN ANNIVERSARY** — Mr. and Mrs. Charles W. Curtiss of Wixom will celebrate their 50th anniversary Sunday. Relatives will honor the couple with an open house from 2-5 p.m. at the Novi Oddfellow hall on Novi road and Grand River. The Curtiss' were married in Detroit and have lived in Wixom for 35 years. They have a daughter, Miss Shirlev Curtiss of Madiera Beach, Florida and are guardian of their great-great nephew, Daryl Markey. Mr. Curtiss is a retired employe of the Dodge Main's electrical department and is the oldest living retiree of the department.

### Wesleyan Guild

Wesleyan Service Guild of First Methodist church will meet at 8 p.m. next Tuesday at the home of Mrs. Harry Sedan, 504 Horton. Co-hostess will be Mrs. William McGee and Mrs. Walter Nichols will present the program.

### Engaged

Patricia Ann Mulligan

Mrs. Carroll Mulligan of Garden City announces the engagement of her daughter Patricia Ann, to Mr. Gerald Lee Buff of Livonia. Patricia is a former resident of Northville and graduated from Ladywood high school. Her fiancé graduated from Bentley high school in Livonia. He is the son of Mr. and Mrs. Richard Budd. Patricia Ann is the daughter of Mrs. Carroll Mulligan and the late Mr. Mulligan. A November 28 wedding is planned.

## Sylvia A. Ritchie Wed In Candlelight Ceremony

Kirk-in-the-Hills, Bloomfield Hills, was the setting of the marriage ceremony of Sylvia A. Ritchie and Bruce Edward Attar September 12. The candlelight service was officiated by Dr. Harold C. DeWindt. Parents of the couple are Mr. and Mrs. Fred J. Ritchie of Union Lake and Mr. and Mrs. Edward Attar of Walled Lake.

The bride wore a floor length white satin dress with chapel train. Lace decorated the sleeves, bodice and skirt. Her chapel length silk illusion veil was secured by a heart-shaped headpiece of lace and pearls. She carried a bouquet of roses and stephanotis, entwined with ivy.

Mrs. F. Bruce Ritchie of Pontiac was matron of honor and bridesmaids were Sharon Allen of Northville, Marica Swiderski of Walled Lake, Mrs. Thomas Neiger of Pontiac and Mrs. Charles Wahlig of Riverside, New Jersey, were bridesmaids.

Best man was Kenneth Andrews and ushers were Bruce Ritchie of Pontiac, Keith Altar of Walled Lake, James Rouke of Union Lake and Marshall Wolfe of Pontiac.

### Women To Hear Director

Robert C. Schnitzer, who will address members and guests of the Northville Woman's Club Friday, has a brilliant and exciting background in the theatre arts.

Broadway, academic, community and international theaters have availed themselves of his talents as stage manager, director, producer and administrator. He has served on the faculties of Vassar, Smith, Columbia University and the New School.

For 10 years he was the owner-director of his own stock company. He was general manager for Broadway producers Guthrie McClintic, Gilbert Miller and Cheryl Crawford. For the first seven years of ANTA - State Department International Exchange Program - Mr. Schnitzer was the organizer and administrator. During this period he arranged the Russian tour of the University of Michigan band and South American tour of the Stanley string quartet.

As general manager of the Theater Guild-American Repertory company he starred Helen Hayes on tour of Europe, the Near East and South America. Schnitzer is the executive director of the University of Michigan Professional Theatre Program.

This Friday afternoon following the 12:30 luncheon at Meadowbrook country club he will speak on the New Approach to National Theatre.

Robert Schnitzer

Mark Ritchie, nephew of the bride, was ring bearer. Their home is Royal Oak. The couple have returned from their honeymoon in the of Mrs. Pauline Stamann of Upper Peninsula and Mackinac Island and are making their home in Royal Oak. Sylvia is the granddaughter of Mrs. Pauline Stamann of Northville.

Mrs. Bruce Edward Attar

### Births

A son, Michael Edward, was born to Mr. and Mrs. David Biery of Dorisa court, September 20 at Garden City Osteopathic hospital. Mrs. Biery is the former Mary Byrne. Maternal grandmother is Mrs. Edward Byrne, and paternal grandparents are Mr. and Mrs. Elden Biery.

Mr. and Mrs. Michael Crisp- en Hammond of Garden City announce the birth of a son, Michael, born September 24 in St. Mary hospital. He weighed 8 pounds, 1 ounce. Michael's parents are former residents of Northville. Mr. and Mrs. Neil Gery of West street, are the maternal grandparents and Mr. and Mrs. Crispin Hammond are the paternal grandparents.

# In Our Town

By Jean Day

APPLE CIDER TIME in Northville means excursions to the mill — It also signals the opening of a fall season brimming with lectures, luncheons, meetings and benefits. Youngsters are in school and mothers are immersed in the ABC's of Antiquing, Bridge and Cornelia (Otis Skinner).

CORNELIUS OTIS SKINNER is the witty opening speaker for the 1964-5 Northville Town Hall series. She is appearing on the first program at 11 a.m. October 15 at the P&A theatre. Celebrity luncheons at Meadowbrook country club follow each of the five lectures. (Baroness Marie Von Trapp in November; Norman Garbo, artist, February; USN Commander James Calvert, March; Martha Rountree, April.) Miss Skinner is replacing Agnes Moorehead, who is tied up with "Bewitched" TV commitments. A few seats are available for the series (only season tickets are sold). For information, call Mrs. H. F. Wagen-schutz, FI-9-2976.

NORTHVILLE WOMAN'S CLUB decorations committee has been gathering mums and bitter-sweet to decorate tables at the opening luncheon of the year at 12:30 p.m. Friday at Meadowbrook country club. Decorations chairman Miss Elizabeth Etz and Mrs. Marcella E. Douglas are placing the fall foliage in miniature Northville wells. More than 100 members and guests are expected, according to Mrs. John Canterbury, reservations chairman.

Speaker Robert C. Schnitzer, executive director of the University of Michigan professional theatre program, has been awaited for more than a year. New York interest in the Ann Arbor productions last year forced a cancellation; so he is keeping a promise to come this season. Two Northville couples taking in the first Ann Arbor production, "War and Peace," last month praised it highly as "Certainly professional theatre."

MEADOWBROOK COUNTRY CLUB members will honor Mr. and Mrs. Harry Lapham of Farmington at the annual President's Ball this Saturday night. Dress is optional for the dinner-dance at which Mack Pitt's orchestra will play. Decorations will be in the autumn mood as the date for this annual event has been moved up to avoid hunt-season conflicts.

NORTHVILLE STATE HOSPITAL AUXILIARY always is "in pink" no matter what the season. Next Tuesday and Wednesday members will don their pink aprons to cooperate with other volunteer groups at the annual Patients' Fair. Mrs. Dewey W. Horning, auxiliary president, reports her members have signed up to supply 47 dozen cupcake and also will man the coffee service. This summer the hard-working auxiliary used its funds to buy the women's geriatric ward D-4 two picnic tables, three redwood lounges and 65 bedspreads — the patients choosing their own colors!

IT'S EIGHTY-SIX DAYS until Christmas, and the weeks before are filled with workshop meetings for WSCS members of the Northville Methodist church who will stage their annual Holly Mart for two days this year — November 20 and 21. Mrs. William Swank, bazaar chairman, announced the expansion to two days "to accommodate people who work." Workshops are making "more of everything" to supply the Mart. November 20 the hours will be 10 a.m. to 8 p.m. with luncheon and supper served. November 21 will be 10 a.m. to 4 p.m. with a tea. WSCS President Mrs. Douglas Bolton says preparations are "bubbling along" and reports there will be an antique booth this year.

"CHRISTMAS FROSTINGS" are being created by imaginative fingers of the Northville branch of the Women's National Farm and Garden association members at workshop sessions at the homes of Mrs. E. O. Whittington, chairman, and Mrs. John H. Begle, chapter president. The 1964 Christmas Market again will be the combined effort of 13 area garden clubs. It is to be staged here December 5.

Last Monday a dozen Northville members gathered in the family room of Mrs. Begle's English country home to sew bright mitts of red and green felt while enjoying a view of the rich gold-and-brown countryside. Arrangements were made to attend an international tea in Ann Arbor.

In announcing plans for the October 12 monthly meeting Mrs. Begle declared she would have a "captive audience" for the business session which will be held on a chartered bus enroute to Belle Isle. There the branch will have lunch and tour the horticultural exhibits. The bus will leave at 9 a.m. from the Cady street home of Mrs. George Kohs.

**AMERMAN APPLE-FOR-THE-TEACHER NIGHT** — Mr. and Mrs. John Heckerl take classroom seats at Amerman school as parents will at the Open House PTA at 8 p.m. Thursday. Teacher vice-president Miss Margaret Sours demonstrates how teachers will give classroom outlines for the year while Principal Raymond E. Spear presents school policies at a general meeting in the multi-purpose room where the meeting will be held.

# PTA's Open Season

Meet the Teacher and Orientation will highlight the Junior High PTA meeting scheduled for Thursday October 8, according to co-presidents, Mr. and Mrs. George Wilkie. The 8 p.m. meeting will be held in the Boys' gym.

Junior High Principal, Donald Van Ingen and the faculty will be on hand to talk with parents in a meeting which is designed to help junior high parents become better acquainted.

Since October is official membership month, a concerted drive is underway at the junior high to sign up at least one parent a family as a paid member. Homerooms are keeping exact count of their parents' enrollments and a prize will be awarded to the homeroom obtaining most memberships. Membership dues may be sent to school through Friday, October 2, and they may be paid at next Thursday's meeting.

With all committee chair-

men appointed, the Junior High PTA is ready to fulfill one of the main objects of PTA which is to promote the welfare of children and youth in home, school, church and community, according to Mr. and Mrs. Wilkie.

Mrs. Harold Penn, vice president and program chairman, has additional meetings scheduled for November 12, February 11, March 11, April 8, and May 13.

Other officers are: teacher vice president, Mrs. Jennie Donnelly; secretary-treasurer, Mrs. Wm. E. Switzer; delegates to coordinating committee, Mr. and Mrs. A. T. Gillahan and Mr. and Mrs. Charles Wheatley.

Committee chairmen are: budget and finance, Mrs. Robert R. Geake; carnival, Mr. Robert W. Hunter; hospitality, Mrs. Dewey R. Butt; library, Mrs. Walter F. Gall; lunch room, Mrs. Dayton Deal; membership, Mrs. Bernard Bach; newsletter, Mrs. Arthur

R. Hempe, Jr.; PTA magazine Mrs. Harry T. Weiser; program, Mrs. Harold W. Penn; publicity and historian, Mrs. Thomas Loeffler, social, Mr. and Mrs. Clyde Vadner; telephone, Mrs. Robert W. Bogart.

Main Street Elementary School parents are invited to attend the first PTA meeting of the new school year Wednesday, October 7, 1964 at 8:00 p.m., in the Northville community building junior high school. In addition to meeting the teachers, parents will have an opportunity to hear a faculty presentation of goals for individual grades.

Membership Chairman Mrs. Bruce Thomas announced that memberships will be accepted that night. Plans for the program were completed at an executive board meeting called last week by president-learn, Mr. and Mrs. E.O. Weber. Additional officers are Mrs. Charles Wheatley, parent vice-president, Richard Prom, teacher vice-president and Mrs. Ralph Luckett, secretary - treasurer. Past presidents, Mr. and Mrs. Jack Willis and Mr. and Mrs. James Tellam will serve as delegates to the area council.

Committee chairman appointed by Mr. and Mrs. Weber include: Mrs. F. Kester, social; Mrs. R. D. Holloman, hospitality; Mrs. H.B. Price, publicity; Mrs. Donald Millar, room mothers; Mrs. Robert Bretz, savings stamps; Mrs. Kenneth Clarke, kindergarten; Mrs. Stella Bower, milk tickets; and Mrs. Elwyn Kaake, collection of school fees. Plans have been formulated on the basis of parental interest for six future PTA programs this season.

Parents of children newly enrolled in the Main Street School are urged to attend and become better acquainted with their child's school. All parents will be most welcome.

# Letter Explains Function Of Town Hall Committee

To the Editor:

Northville Town Hall is beginning its fourth season on October 15th.

The Northville Town Hall committee is a group of dedicated women who devote considerable time and effort to the work that must be done to assure the success of a project of this size and importance. Our list of speakers is planned and contracts signed with lecture agencies from six months to a year in advance of the actual dates of the appearances of the celebrity speakers. We are sure you understand that emergencies and unavoidable circumstances may occur during that period of time to prevent a scheduled appearance. We must sign in good faith and expect the same integrity in the fulfilling of contracts with us.

Though Miss Agnes Moorehead is now unable to fulfill her engagement due to television commitments, we are, however, very pleased to pre-

sent Miss Cornelia Otis Skinner to open the series on October 15. Miss Skinner is a world famous authoress, actress and playwright. Her performances have won wide acclaim and praise. Your Town Hall committee is heartened in the knowledge that due to the high standards we have set in selecting speakers for our programs, that through the sale of season tickets and the advertising in the series program book — we have been able to make awards to many worthy charitable organizations such as:

Providing special shoes and braces and playground equipment for children at Plymouth State Home, Plymouth, Michigan. Picnic tables for the little (mentally retarded) girls at Our Lady of Providence school, Northville. Financial aid to the Well-Baby Clinic and Northwestern Child Guidance clinic, Livonia, Michigan. The Children's Neurological Development Program, Farmington. And many other awards.

You have shown us your acceptance and approval by the whole-hearted support and response given to Northville Town Hall, a civic enterprise belonging to all of you. The Town Hall idea, or Town meeting as it was originally called, is far from new, as it is one of the oldest American traditions. It dates back to the days of Paul Revere and was born of necessity. It was the newspaper, the telephone, radio and television. It was more since it was here the local laws were enacted, and men elected to office. It was the very workshop of freedom for a people laying the foundation of a great democracy.

Northville Town Hall is proud to have had a part in keeping alive such a heritage and will continue with renewed determination to present for you programs that will not only en-

# Town Hall Speaker

Cornelia Otis Skinner

First speaker at the Northville Town Hall series opening at the P&A Theatre October 15 will be Cornelia Otis Skinner, star of the Broadway stage. Miss Skinner replaces Agnes Moorehead, who was forced to cancel her appearance here, due to television commitments. Miss Skinner is a longtime stage favorite and is famous for her "monodramas" as well as her starring performances in with distinguished casts in long-run hits. Following Miss Skinner, of the Town Hall schedule will be: Baroness Maria von Trapp, November 19; Herman Garbo, February 4; Commander James Calvert, March 4; and Martha Rountree, April 1.

# Auxiliary Officers Attend 'Pow Wow'

Eileen Sousa, President of the ladies auxiliary to V.F.W. Post 4012, and Irene Moxie, secretary, plan to attend the 36th annual "Pow Wow" of the Ladies auxiliary to the Veterans of Foreign Wars, in Jackson, Michigan, October 17-18.

The "Pow Wow" is one of the main events conducted by the Auxiliary to the Veterans of Foreign Wars, Department of Michigan, each year. Mrs. Guy Brown of Detroit, Department president will conduct the business sessions.

# News Around Northville

Dianne L. Haynes, 46355 340 Pennell street. Fifteen members of his family from West Main, is enrolled as a freshman student at Wheaton College, Illinois, for the coming year.

A Master of Arts degree was awarded George M. Abbott, 532 Langfield drive, from the University of Michigan summer session.

Among the students awarded degrees at Michigan State University were: Wade H. Deal, of 20116 Springwood, a degree in general marketing; and Peter W. Van Atta of 139 Cady street, a degree in electrical engineering.

Anna Martin, 440053 Brookwood drive, was one of 249 Freshmen entering University of Michigan this fall on a State of Michigan scholarship. Altogether, 1,292 Michigan high school graduates were honored under the competitive scholarship program created by the state legislature last spring.

Wynn Wakenhut, secretary of the southeastern chapter of the Michigan Society of Registered Land Surveyors, and local civil engineer, his wife and son took part in dedicating a monument in Sault Ste Marie last Saturday marking the end point of the original survey of Michigan.

Seventy-three birthdays was reason enough for a surprise party for Perry P. Taylor of

Duck Hamlin  
H40-42cx

the line, the Mustangs still pushed the opponents around almost at will, holding Clarkston to a mere 61 yards passing and rushing.

The Wolves' break-away threat failed to materialize as Northville turned two speedsters, Halfbacks Randy Armstrong and Dan Jenks, inside where the going was rough. Unable to stop the onrushing interior linemen, Clarkston reverted to quick dives into the line, sending its backs around the Mustangs as they penetrated.

"We had a good pass defense," Mustang Mentor Ron Horwath said, "because we put a good rush on the passer. We forced mistakes."

In fact, the defense was instrumental in the final TD in the third quarter, an insurance marker Rushing hard, the Mustangs forced a fumble on the Clarkston one-yard line. One play later Northville scored.

"Although we didn't play as good a game against Clarkston as we did against Plymouth last week, the boys played well," he noted.

He pointed out that his gridgers are the most aggressive bunch he has had at Northville, which sometimes leads to mistakes. But Horwath was quick to add that this was an important ingredient of winning football.

Standouts on defense were Tackle Bob Tuck, a 220-pound senior, who led the rush, and Linebacker Arte Forth who recovered a fumble on the one-yard line and blocked a punt.

Play of the offensive unit was erratic. Except for a sparkling 65-yard sustained drive the first time it had the ball — Northville's longest of the young season — the Mustang attack fizzled in the clutch.

Twice the Mustangs rapped on the TD door from the six-yard line, but each time

they failed to get any closer as Clarkston slammed it in their faces.

A field goal try on one attempt sailed wide of the goal post.

"Over all, we're doing a good job on offense," said Horwath, "but when it counts, we're missing a block or two. With new men we're making little mistakes that hurt."

Heading the Northville attack was Halfback Ken Kipper, who ran for 130 yards in 27 carries for an average of 4.8 per try.

Both Northville TD's were scored on short sneaks by Quarterback Tom Baughman.

As a result of offensive errors, the Mustangs will be put through offensive blocking practices this week in preparation for the game Friday at Clarencville.

### First Quarter

Clarkston received the opening kickoff on its 33-yard line and drove 46 yards before being stopped. A 14 and 26 yard scamper ate up most of the yardage.

Taking over on the 30-yard line after pushing Clarkston back, the Mustangs surged to a touchdown.

With Halfback Ken Kipper carrying the ball seven times for 49 of those yards, and with the aid of a 15-yard penalty, Northville moved steadily down field. Baughman sneaked over from the two for the TD and Tuck kicked the ball between the uprights to make it, 7-0, Northville.

Clarkston was unable to move the ball after the ensuing kickoff and Northville took the punt back to its 35-yard line.

Once again Kipper put Northville in scoring position. He sped 48 yards on a pitch-out around left end to place the ball on Clarkston's 18.

### Second Quarter

Finding themselves on the 12-yard line three plays later, the Mustangs' pass attempt failed as Quarterback Baughman was swarmed for a one-yard loss.

After driving for a first down, Clarkston was forced to punt to Northville out of bounds on the 31.

Again Northville pushed downfield. Big chunks were chewed up by a seven and 25-yard pass to flanker Jerry French. But the drive died on the 36 yard line as Kipper was stopped for no gain in a fourth and five situation.

Reeling off three first downs, Clarkston dashed to the Northville 27. The attack bogged down as the Mustangs dropped ball carriers for eight and 10-

yard losses, respectively.

**Third Quarter**  
The ball exchanged hands before Northville got a big break. A bad pass from center rolled to the Clarkston 14 where Northville took over, but failed to move any closer than the nine.

Northville's second touchdown came on a break two plays later, when Forth recovered a loose ball on the one-yard line. Baughman sneaked in for the score, making it 13-

0, but the extra-point kick hit the goal post and bounced wide.

On the move once more, Clarkston advanced from its 34 to the Northville 41 before the local gridgers blocked a punt and recovered on the Clarkston 44.

**Fourth Quarter**  
Baughman was thrown for losses on successive pass attempts as Northville failed to gain yardage.

When the Wolves punted after their attack stalled, Northville put four first downs together, driving from its 15 to the Clarkston six yard line before being stopped. On the march, Fullback Doug Swiss, a sophomore, bulled his way for 32 yards in six tries.

A fourth down field goal effort by Tuck from the 15 yard line carried low and to the left of the goal post.

Passing in desperation to get on the score board, Clarkston gave up the ball on its own 45.

## Mustangs Journey To Clarencville

In their second Wayne-Oakland Conference outing, the Northville Mustangs will meet Clarencville, a supposedly weak team with the potential to pull an upset.

Game time at Clarencville is 8 p.m.

According to scouting reports from Freshman Coach Dick Gray, Clarencville looks like a better team than Clarkston.

The Trojans are big, with a standout end to lead the line, and they have a solid backfield.

Trouble for the Mustangs is spelled out by the passing of Quarterback Danny Friels, who

threw for a touchdown in Clarencville's 13-0 win over Brighton last Friday.

Two injuries to front line players may also put Northville behind the eight ball. Tackle Jerry Burns a doubtful starter, and examination of End John Jameson's swollen hand reveals that he is suffering from a bone fracture.

Coach Ron Horwath indicated that Jameson, an important cog in the defensive machinery, is out indefinitely.

To fill the gaps, Howie Jones will probably take over Jameson's spot at end and Neil Brasure and Steve Evans will

handle the chores at tackle. In other W-O contests played last Friday, Milford assumed the favorite's role by virtue of a 13-0 victory over Holly.

Although Holly moved the ball at will, Milford had the scoring formula, striking for two long TD's when the chips were down.

West Bloomfield gave warning to the rest of the league that once again it will be a contender. The Lakers edged Bloomfield Hills, 12-7, but the score is deceiving. West Bloomfield controlled the ball, losing steam on several scoring drives, while Bloomfield tallied in the last minutes of the game.

### Coaches' Choice

**BOB TUCK** — A bulwark in the Northville line, Tuck led the defense in tackle against Clarkston and spearheaded the offense. He also kicked an extra point. The work of the senior co-captain was even more surprising, since he did not practice last week due to a neck injury suffered in the Plymouth game. At 220 pounds, Tuck gained W-O Conference second team honors last year. He is the son of Mr. and Mrs. Fred A. Tuck of Stratford Ct. Selection of Tuck as Player of the Week was made by Coach Ron Horwath and his assistants, who will pick a top gridder each week during the season.

The Northville Council is receiving the assistance of the Community Relations Council of Detroit and the Michigan Civil Rights Commission.

Be-Knickered Mac Keeps Eye on Kids

James L. "Mac" McKinney is the Mr. Traffic Light at old Baseline road and North Center street during school hours.

much rather be doing this than sitting home doing nothing."

"Let's go," Mac shouts as he keeps traffic moving.

He tells youngsters to stop and go at the busy intersection. And he keeps traffic moving. Mac, as he is called by everyone, is on duty four times a day.

Officially, Mac is a crossing guard, but he has been authorized by Chief King to control traffic at the corner.

North Center, the main north-south artery through the city, bears a lot of traffic. "We have to keep it moving so that's why I picked Mac for this spot," Chief King elaborated.

Other cross guards in Northville are Horace Boyden, stationed at Eight Mile and North Center and Melvin Smith at Linden and Main.

Mac later resumed his job as a truck driver and ran a moving business locally. Now 71, he retired six years ago.

"I am punctual because I believe if you do a job, you should do it right. If I am not there on time, I cannot take care of the kids. If one ever got hurt, I could never live it down."

School's out and Mac escorts his "kids" across the street.

### For The Gardener

This column on gardening information is compiled by the Northville branch of the National Farm and Garden Club.

Fall is a good time to plant. The pleasant weather tempts one to be outside. Moisture conditions are usually good. Should spring planting be delayed by cold wet weather, many valuable weeks of growing time are given the plants if they have been planted in the fall. Of course, for the gardener like me who habitually bites off more than he can chew in the spring, fall planting is a life saver. The transplanting and dividing you can do, and the new plants you can put in now, will save that much time next spring when everything happens at once.

The perennial plants you put in now have time to get established, ready to start into active growth next spring. While foliage may be cut down soon by frosts the roots go right on growing, especially during mild periods in winter. This they cannot do in nursery storage rooms. The temperature of the soil in autumn is warmer than the air aboveground, and this favors root growth at a time when little strength is used for top growth.

The longer the winter season, and the colder the minimum temperatures the less likely are chances of success with fall planting.

Here are some favorite hardy perennials which can be successfully transplanted in the fall: Shasta daisies, creeping and summer blooming phlox, (fall is best for them), delphiniums, daylilies, hostas, pachysandra, bleeding heart (they prefer fall planting).

Fall is also a good time to plant: primroses, hollyhocks, sweet Williams, foxgloves and hybrid clematis.

Transplants do need moisture — in fact anything that has been parted from its soil surrounding has suffered a shock, and has lost some of its roots. Encourage the plant to send out new roots as quickly as possible, thus helping it to become established before soil freezes. The usual way to encourage rooting is to provide moisture and lots of air and that is the secret of fall planting. Keep your new plants watered. Never let them want for water, and keep watering until the frost takes over. Even things that are entirely underground (daffodils and lilies for example) will profit from the watering.

The third key to successful fall planting of perennials is mulching. This is done to keep the underground parts of the plant growing as long as possible and to prevent untimely thaws. Hay, leaves, dead plant tops, brush, — all make acceptable mulch. Mulchs are best put on AFTER not BEFORE, the winters hard freezes.

### Novi Voters Thanked

An Open Letter To The Electors of The Novi Community Schools:

As a member of the board of education and as a parent I wish to express my sincerest thanks to the dedicated and thoughtful electors of the Novi community school district for their vital support in the recent successful millage election.

Your consideration and sense of civic responsibility have made possible a new level of education for the students of our district. Many new "firsts" are now a reality in our schools. Once considered frills, these are now necessary to provide added incentive for higher education and to meet the increasing demands of technological advancement in twentieth century America as well as strong world competition in this age of inner strife and outer space. Progress, like liberty, has its price.

Your unselfish actions speak eloquently of a sense of civic pride and moral responsibility. On behalf of the official school "family" and the students of Novi, present and future, may I again commend you for your expression of confidence in our schools and in our community. William H. MacDermaid, President, Novi Board of Education

Lt. Madigan

Valdosta, Georgia — Second Lieutenant Michael P. Madigan, son of Mr. and Mrs. William P. Madigan of 42777 East Eight Mile road, has been awarded U.S. Air Force silver pilot wings upon graduation from flying training school at Moody AFB, Georgia.

Lt. Madigan is returning to his Michigan Air National Guard unit at Detroit.

A graduate of University of Detroit high school, the lieutenant attended Eastern Michigan university and Michigan State university.

Ensign Franklyn P. Smith, son of Mr. and Mrs. Myron R. Smith of 20114 Woodhill, was recently commissioned an ensign in the Naval Reserve at the Naval Air Technical Training Center, Glynn, Georgia. He received his commission upon graduation from the Airborne Early Warning Electronic Countermeasures Course at the Center.

He studied how to detect the approach of enemy aircraft and how to "jam" their electronic detection equipment.

Prior to his arrival at Glynn, he successfully completed the pre-flight training school and an eight-week Naval Aviation Observer Course at Pensacola, Florida.

**Dr. H. E. Weston  
Named Vice-Chairman**

A Northville dentist has been named vice-chairman of a committee for the 23rd Annual Dental Review, it was announced by Dr. Joseph F. Pinto of Dearborn, general chairman.

The three-day professional and scientific meeting sponsored by the Detroit District Dental Society will be held November 22-24 at the Statler-Hilton Hotel, Detroit, and is expected to attract some 2,000 dentists from Michigan and surrounding states.

Dr. Herbert E. Weston of 20374 Woodhill road has been named vice-chairman of the University of Michigan Dental Alumni Luncheon.

**—Goodwill Pick-up—**

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday, September 28. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup ask the operator for toll-free Enterprise 7002.

## OUT OF THE PAST

One Year Ago —  
The Wayne county road commission has submitted recommendations to the Northville city council for possible construction of the Novi road entrance to the community. Most sweeping change would be a new road permitting south-bound traffic to continue onto old Baseline and Griswold and eastward around the city.

A final push to complete the sale of debentures for the Northville Area Development Corporation's first project was underway. At the same time, the project — a \$185,000 expansion of Foundry Plank and Equipment company — was ready for ground-breaking. Construction was scheduled to begin this week.

Northville may lose its justice court. Under the new state constitution, the fee system for justice of the peace courts has been eliminated and the justice court system no longer has constitutional foundation. Two basic plans are under consideration on the state level — establishment of a county district court or expansion of the Detroit common pleas court to handle all Wayne county cases now heard in justice courts.

An iron-clad Northville defense put the clamp on the Trojans at Clarenceville Friday night, 14-6, as the team won its first Wayne-Oakland county league contest.

Northville's Steve Judy will be calling the signals for Michigan State University when the Spartans open the season against North Carolina at East Lansing Saturday.

Judy is the first sophomore pick at quarter back at MSU since 1949.

Recreation Director Stan Johnston told the Northville city council that his department is virtually "broke." With winter and spring programs still ahead, Johnston said \$1,500 was needed to complete the program.

The Mustangs smashed into a pile of Rocks and fell from a mountainous winning streak, 9-0. Thus a 17-game streak of victories ended for the Northville team. A year ago, the Mustangs beat Plymouth, 12-6.

The first and biggest bill incurred by the village of Novi is history. The village borrowed \$25,000 in late 1958 for operating purposes until the first taxes were collected this summer so the loan could be paid off.

### FIFTEEN YEARS AGO —

C. Harold Bloom resigned as local representative of the Secretary of State's office. He said he wished to devote full-time to his insurance agency.

The Mustangs dropped the season opener to Brighton, 13-0. Chuck Stephens and Dick Gray accounted for most of the yardage, gained by the local team. The deciding factor in the game was probably Brighton's fast, hardhitting line which more often than not had the jump on the Mustang linesmen. Brighton tackles and guards moved so fast that they often appeared off-sides.

Mr. and Mrs. Willard Ely of 118 Linden street Tuesday evening celebrated their golden wedding anniversary with a family dinner at their home. They were married September 20, 1889 in the Park Hotel situated on the corner of Main street and Center street.

A Northville woman, Mrs. Roy Mitchell of Seven Mile road, appeared on a Detroit television program. She took first place at the Michigan State Fair with her ceramics and second in metal crafts.

Eleven of America's fastest pacers are in Northville awaiting the \$10,000 Michigan pacing derby Friday night — the richest of all. The race has drawn in the greatest array of pacers in Northville Down's history.

### TWENTY-FIVE YEARS AGO —

With the grandstands packed, over 4,000 spectators viewed Joe Louis as he worked out last Sunday. Among the notables were James Braddock and Joe Gould, manager of the former heavyweight champ. Sunday's crowd climaxed the boxing series at the Louis camp. When training first started, few fans showed up but as the date of the championship fight with Bob Pastor drew closer, the attendance gradually increased.

Throughout the weeks of training in Northville, Julian Black and John Roxborough were high in their praise of the local set-up. Louis knocked out Pastor in the 11th round of their bout the following Wednesday.

A grant of \$7,605 was approved for the enlargement of the Northville grade school building. School administrators expected to move the shop to the school structure, allowing the music department to take over the space. The school district must meet 20 percent of the allotment awarded by the Works Program Administration.

Merrill Sweet and Willard Ely are the only announced candidates for the trustee vacancy on the Northville school board. Sherrill W. Ambler resigned recently. A trustee will be selected at a special election Friday night.

## Northville Council Minutes

Mayor Allen called the Regular Council Meeting to order at 8 p.m. on Tuesday, September 8, 1964, at the Northville City Hall.

Present: Allen, Canterbury, Carlson and Kester.  
Absent: Ambler.

The minutes of the previous regular meeting and two Special Meetings were approved with two corrections.

Moved by Kester, supported by Carlson that bills in the following amounts be paid:  
General — \$37,567.29  
Water — \$13,668.27  
Unanimously carried.

**COMMUNICATIONS FROM CITIZENS:**  
Mr. George Dachmack, representing Alsack (St. Jude's Research Hospital for Leukemia) asked if Council would re-consider their decision regarding solicitations in the city of Northville for Alsack. After considerable questioning and discussion, the Council unanimously agreed to not grant permission. However, Mr. Dachmack was told the request could be entered again next year.

**PUBLIC HEARING ON THE PROPOSED ORCHARD DRIVE PAVING PROJECT**  
The Clerk read the letter which was sent to all property owners affected by this assessment. There were three owners present who all said they were happy to have the paving done and hoped it would be completed at the earliest possible time. The Clerk then read the Resolution of Necessity and it was moved by Canterbury, supported by Kester that this resolution be adopted. (Copy attached to these minutes). Unanimously carried.

**REQUEST FOR A PERMIT TO OPERATE A POOL ROOM AT 108 E. DUNLAP ST. (NORTHVILLE BUMP SHOP)**

The letter of request from Mr. Abern was read and the City Manager was asked if he had checked the reputation of the man planning to operate it. After some discussion regarding the present ordinance and a tentative ordinance presented by the City Manager, the proposed ordinance was referred to the City Attorney for recommendation. The City Manager and Chief of Police are to check into other communities where they may have such an operation. The request is to be tabled for further discussion and council requested a report at the next meeting.

**RECOMMENDATION OF THE MGR. AND CHIEF OF POLICE CONCERNING PARKING LOT IN FRONT OF GALS GOLF STATION ON WEST MAIN STREET**

The City Manager presented this report requesting that all parking be prohibited on the north side of W. Main St. just west of the corner, in front of Cal's Golf Station. The Mgr. reported that he had talked with Mr. Cross and he would concur with any city regulation. Moved by Kester, supported by Canterbury that 1 meter parking space in the area between the two driveways on the northwest corner of W. Main St. and Wing St., in front of the Gulf Station, be allowed — this space to be as far to the west as is possible.

Ayes: Kester, Allen and Canterbury, Nays: Carlson. Carried.

**MAYOR'S REPORT ON HIS MEETING WITH MR. REMUS OF THE DETROIT WATER BOARD:**  
The Mayor reported that Mr. Remus, Mr. Kester, Mr. Penn, Mr. Hartner, Mr. Lindsay, of Plymouth Twp., Mr. Merriam of Northville Township, Mrs. Milne and he had met Thursday, Sept. 3rd at the City Hall. After discussing many facets of the proposed N. Center and alternate routes, the meeting closed with Mr. Remus agreeing to answer questions which had been asked of him. After the meeting, Mr. Remus, Mr. Hartner, Mr. Penn and Mr. Allen made a tour of the various suggested routes.

The City Engineer is to write a letter incorporating problems that would be entailed in connection with use of the N. Center St. route for water. **FURTHER CONSIDERATION OF PERMITTING PRIVATE DUMPS WITHIN THE CITY LIMITS:**  
The City Manager reported that Mr. McCreedy is concerned with being able to use the property, which formerly be-

**SMOOTH SAILING** — Beck road from 11 Mile to Grand River in Novi now in top-notch condition for a non-surfaced thoroughfare. During the summer, the road has been graded and drainage structures installed at a cost of \$24,500. The village absorbed the cost, said Harold Ackley (pictured), village administrative assistant. "We'll try to pave this stretch next year," he indicated. Ackley is now investigating whether the village is eligible to receive federal assistance in constructing secondary roads. The village and government would split the cost 50-50.

# SPEAKING for The Record

By BILL SLIGER

During the next 30 days the great American tradition — campaigning — will hit its frenzied peak.

Candidates and their avid supporters will drive themselves to the point of exhaustion in the fight for votes and election to political office on November 3.

**The sad fact is that, despite all the campaigning, many Americans still do not vote.**

Some don't bother to register; others, qualified electors, fail to go to the polls.

Un-registered voters are lost causes come November 3. But right now there's still time to become a registered voter for the November election, if you are otherwise qualified.

Area residents may register at the office of their respective clerks (township, village or city). The deadline is Monday at 8 p.m.

Remember, if you did vote in the November, 1962 election, and if you have not voted in an election since then, you are not registered. Cards were sent out in December and January to voters whose registration was in danger of being voided because they had not voted in two years.

**If you received such a card and did not return it to the office of your clerk, you are not registered.**

Newcomers must be residents of the state for six months and of the local community for 30 days before the election.

All elections are important to Americans, but certainly an election that includes local, state and national candidates and issues must be classified as especially important.

Register, if you have not; then circle November 3 and prepare yourself to exercise your right of free choice.

Our news editor, Don Bauerle, attended the annual conference of the University of Michigan press club at Ann Arbor last week end.

Despite the happy results of the Saturday afternoon football game, which was the dessert of the conference, Don came away with the uneasy feeling that always accompanies tragedy.

One session of the conference was devoted to highway accidents. A University of Michigan professor has made a study of every accident in the Washtenaw county area and he had color slides to display his findings.

His conclusion: seat belts can save hundreds of lives and prevent many more injuries.

We all know this. But we get careless. A short trip to the store . . . who needs the belt? Try putting a life-size doll in your car, drive 20 miles per hour, then stop suddenly. The doll becomes a missile crashing against a hard dashboard panel or windshield.

The professor had unpleasant proof of this on his color slides with human victims.

There were 40,000 lives lost in automobile accidents last year. 1,800 in Michigan. Auto deaths rank fourth among killers, coming behind heart attacks, cancer and strokes.

While we can help reduce the deaths caused by human ailments, we can directly and materially lower our highway deaths.

**Use of seat belts will do this by one-third, says the professor.**

A look at those gory films should knock off another third of the statistics, says Don Bauerle.

# School Enrollment Boom Continues

Lansing — More than one-quarter of Michigan's 8 million population are children of elementary and high school age, this fall according to Superintendent Lynn M. Bartlett.

With about 2,275,000 students enrolled in Michigan's public and private schools at the start of this school year Bartlett notes that the state's education problems will not decline with the end of the "War Baby" influx.

"The social crises of the past year have presented grave and challenging problems to our schools," he said. "The coming year promises even more."

Changing social patterns, the national struggle over civil rights and rapid shifts in job opportunities all affect the school situation.

This year's public school enrollment of 1,915,000 was an increase of 60,000 or 3.7 per cent over the fall 1963 roster. Bartlett noted and going into the higher education level an even greater hike was seen.

Public colleges and universities alone saw registrations soar to near 128,000. This was 9.5 per cent higher than enrollments last year. Private colleges took in about 6.7 per cent more students with total enrollments of about 44,500.

Roger Babson

## Story of Aluminum

BABSON PARK, Mass. — From 1825 — when aluminum was first separated by Oersted, and again by Wohler in 1827 — until 1886, the metal was a laboratory curiosity costing some \$160 a pound. In that year Charles Martin Hall, then only 22 years old, discovered the first practical electrolytic method for reducing the metal.

Even as a youngster Charles Martin Hall had determined to be an inventor. While he was an undergraduate in Oberlin college, he was spurred on by Frank F. Jewett — professor of chemistry and mineralogy at Oberlin — that great benefits and financial success would come from devising a method of producing aluminum on a commercial scale.

Over a span of five years he conducted hundreds of experiments. Then, on February 23, 1886, he dissolved alumina in molten cryolite in a tiny carbon crucible and passed an electric current through the solution, producing the first tiny beads of nearly pure aluminum.

As has happened in other cases, the same method was discovered in France at about the same time by another 22-year-old by the name of Paul Heroult. The commercial method of reduction of aluminum today is known as the Hall-Heroult process.

Young Hall had his troubles in expanding his discovery into a successful business. Most businessmen he approached were not interested, or offered to take all the profits and leave him only the glory. Finally a group of Pittsburgh businessmen raised the necessary \$20,000 to form the Pittsburgh Reduction Company. Further difficulties were encountered in trying to sell the metal to firms that would fabricate it.

Hall and his associates learn-

ed to cast, roll, forge, draw and stamp the metal in order to sell it as a finished product.

Thus the traditional method of expanding the use of aluminum took shape as the primary manufacturer first showed the way and then passed his knowledge along to manufacturers.

The most popular form of aluminum sold in the early years was sheet aluminum. Then around the turn of the century the extrusion process was introduced. This was to have a profound effect on fabrication of aluminum products. In the early 1900's it was realized that to increase the use of aluminum it must be strengthened. Hence methods for making aluminum alloys were introduced.

Most of the early supply of bauxite came from France. A big step forward occurred when the ore was discovered in Arkansas. Later discoveries were made in the Caribbean, in Canada, South America and Australia. On January 1, 1907 the Pittsburgh Reduction Company changed its name to the Aluminum Company of America.

World War I saw great growth in the uses of aluminum by both the Allies and the Germans. During the 1920's there was rapid expansion in its use for foil, auto bodies, pistons, furniture packaging, and home products. Steady growth followed in the 1930's.

future years' increases in student numbers lies largely in the taxpayer's pocketbook.

Michigan elementary and secondary public schools this year are employing 2700 more teachers than last year at salaries averaging \$200 more than in 1963.

Taxpayers also are paying for 3,200 more classrooms largely through bond issues which are up 20.9 per cent from the 1962-63 school year.

State aid for education is up almost \$30 million this year, but Bartlett notes that the share of school costs paid from local taxes is on the rise. Last year local districts paid 55.4 per cent of their
