

Adoption of Central Business District Plan Urged

Last week Northville's planning commission approved construction of a new building in the business district.

The vote was six in favor and two opposed to the project.

Why would two planners flatly oppose construction of a new business facility and six others vote favorably with obvious reluctance?

Normally, one would assume that a new building in the business district would be hailed as a forward step in the development of the community's commercial center.

And normally it would. But in this particular instance the planners look upon the project as a roadblock to progress. They have two reasons:

1. The proposed building will be located right in the middle of an area designated for street-right-of-way and parking in the planning commission's central business district plan;

2. To a lesser degree the planners object because there's some question in their minds whether the business involved is truly retail in nature and, therefore, belongs in the central business core.

For several years the planning commission has worked with its professional consultants in attempting to devise a central business district plan. The idea has had several "dry-

run" exposures to the public and has undergone numerous revisions.

Perhaps unfortunately, it has gained the popular name of "mall", which is actually only a by-product of the complete scheme.

An earlier version also employed a one-way traffic scheme which gained little support. And the central business district was rather exclusive — it prohibited professional and service-type establishments.

The latest proposal, which members of the planning commission admit is open to revision, more closely reflects what they believe is necessary if Northville is to maintain its identity as a commercial center.

It provides what planners believe will be necessary to handle cars and customers in the future and discourage the construction of a new shopping center on the borders of the city.

Right now it's just an idea in the planners' eyes. But to them the overall conception must be adopted if business survival is a consideration of the city government. And most planners believe the city council has been slow to act on enabling ordinances that are necessary if rezoning is to be undertaken.

Without "zoning teeth" plan-

ners cannot prevent construction that violates the CBD plan, and each new obstacle makes the beginning more difficult, the total realization more expensive.

Specifically, the new central business district plan is projected to handle the population of 1985. It provides three feet of parking space for each one foot of retail shopping area (the Northland ratio is 4 to 1). And it creates a "shopping island" completely surrounded by parking.

Finally, the parking area is surrounded by a circular two-way boulevard drive.

The circular drive (see drawing) is made by widening Dunlap street between Hutton and Wing and widening Wing from Dunlap to a new street, the extension of Beal avenue, and then extending an equally widened Hutton from Main to Beal.

The extension of Beal would cut through existing Northville Downs' track parking, but planners point out that more parking would be made available along the north side of the new Beal and could be used for track fans during the season.

What would the plan do to existing buildings? It would remove some, but it does not call for wholesale demolition of the entire business district.

Buildings that would come down include those on the north side of Main street between the bank and Hutton; on the south side of Main between Northville Drug and the new extension of Hutton; buildings on both sides of North Center between the Milford Finance offices and the widened Dunlap street; all buildings in the block bounded by Main, Center, Dunlap and Wing except those buildings facing Center street

from The Northville Record to Milford Finance.

This would include the removal of the First Methodist church, which has reportedly considered relocation for many years.

In the block bounded by Main, Center, Wing and Cady all buildings and houses except the bowling alley would be removed.

The plan calls for removal of numerous houses within the area, especially along Cady, Dunlap, Wing and South Center.

The central business district would close Center street between Dunlap and the extended Beal, and Main and Cady streets between the new Hutton and Wing.

Planners would hope that the project would attract new business and they have provided for the construction of about

four and a half new buildings within the central business district.

The central core of the proposed shopping area would not include all the retail business places. On its border, for example, would be the existing A & P and Kroger supermarkets.

Another important part of the proposal is its design. Planners have asked that an early American motif be followed and they point to the fact that the city hall, scout-recreation building and post office have provided good starts.

When new buildings are proposed now, the planning commission must approve site plans and design and it has insisted, where possible, that early American be adopted.

Planners also point out that many existing buildings that will remain within the central

business district can be remodeled along early American lines at minimal expense.

Just how much the central business district plan will cost, how it could be financed and how practical it really is will be better known when Ralph J. Stephenson, a consulting engineer, concludes his feasibility study for the city. He starts next month and is expected to require a year to complete the study.

Meanwhile, the planning commission would like the city council to show its faith in the overall concept by adopting the central business district ordinance, a central business parking district and a municipal parking authority.

These would set the stage for eventual rezoning, which could only be done through a series of public hearings.

Under the latest proposed

central business district ordinance the uses permitted within the district would include retail stores, business and professional offices, personal service shops, establishments serving food and/or alcoholic beverages, financial institutions, public and quasi-public uses (except churches and fraternal halls) and uses incidental to the above which do not detract from the intent of the ordinance.

Existing uses, that do not conform, would be permitted to continue but they could not be converted into any other use except one that did conform to the ordinance.

Among those businesses which would become non-conforming, for example, would be the theater, bowling alley and the Northville Record printing and publishing business.

Churches Hail Birth of Christ

Special Services Christmas Eve

...There were some shepherds living in the same part of the country, keeping guard throughout the night over their flock in the open fields.

"Suddenly an angel of the Lord stood by their side, the splendor of the Lord blazed around them and they were terror-stricken.

"But the angel said to them: 'Do not be afraid! Listen, I bring you glorious news of great joy which is for the people. This very day, in David's town, a Savior has been born for you. He is Christ, the Lord ...

"And in a flash there appeared with the angel a vast host of the armies of Heaven, praising God, saying:

"Glory be to God in the highest Heaven! Peace upon earth among men of good will."

These words found in the gospel of Luke in modern English will ring out anew in area churches this week in observance of Christmas, the day Christ was born.

Special services will be staged Thursday night and Friday morning in many congregations although some churches celebrated Sunday.

At 7 p.m. Thursday an hour-long service will be held at First Methodist church in Northville. Four choirs will perform — cherub and carol choirs under the direction of Mrs. Jefferson Baker and the melody and harmony choirs conducted by Mrs. John Grew, organist.

Children will read the Christmas story as told in Handel's Messiah and Reverend S. D. Kinde will speak on "The Wonder of Jesus."

A living nativity scene will be formed by the children during the singing of "Silent Night, Holy Night."

Only one service is set for next Sunday at 11 a.m. It will be student recognition day with college students sharing in the service. High school students will sit in a body. All students will be honored at a reception at noon in the fellowship hall.

Two services have been scheduled at St. Paul's Evangelical Lutheran church — one at 6:30 p.m. and the other at 8:30 p.m. Christmas Eve.

The Sunday school children will participate in the first and the youth of the congregation in the second. In both the Christmas story will be represented by various tableaux.

Reverend B. J. Pankow's sermon is entitled: "Celebrating Christmas as the Shepherds Did."

On Christmas Day the festival service is slated for 10:30 a.m. Pastor Pankow will preach on "Jesus Our Light."

The senior choir will enhance the service with a special an-

them. Next Sunday St. Paul's will hold two Sunday morning services as usual "If God Be For Us, Who Can Be Against Us?" will be the sermon topic.

The First Presbyterian church of Northville will hold its traditional Christmas Eve services at 11 p.m.

The Christmas story will be told in music with the Bell Ringers and Chancel Choir taking part in the program.

Reverend Lloyd G. Brasure said following next Sunday's 11 a.m. service a reception will be held for college students and their parents in the fellowship hall.

"Characters of Christmas Speak" will be presented at 7:30 p.m. this evening at First Baptist Church of Northville.

It is the Sunday school program under the direction of Mrs. Martha Kadey.

No Christmas day services will be held at First Baptist. "Night of Miracles" — a Christmas cantata — was presented Sunday night. Music was under the direction of Dewey Gardner.

Members of First Baptist Churches of Northville and Novi will congregate in Northville December 31 at 9 p.m. for a combined watchnight service. The movie "Red Runs the River" will be featured.

Our Lady of Victory has scheduled a special low dialogue Christmas Eve mass, said Reverend Father John Wittstock. Prior to the service, the girls choir of the parish will sing carols at 11:30 p.m.

Four other masses are slated for Christmas day. They will be held at 7, 8:30 and 10:30 a.m. and 12:15 p.m.

Salem Federated church held its Christmas services Sunday. A Sunday school program, "Christmas Wonders" was featured, according to Reverend Elwood Chipchase.

Full Salvation Union church lists no service for Christmas. Pastor James Andrews said a Yuletide program "The First Christmas Morn" was presented at 3 p.m. Sunday.

To Publish Early Again

Publication of The Record will be moved ahead one day again next week.

Deadline for all news and advertising copy is Monday. Our offices will be closed Friday, Christmas, but will be open Saturday until 1 p.m. and Monday until 5 p.m.

To submit news or advertising copy telephone FI 9-1700.

Township Families Cheer End of 15-Month Drought

A drink of water, a shower or bath, breakfast, lunch and dinner at home may seem commonplace to the average Northville family.

But to Dr. and Mrs. Gerald Fitch, 15562 Lakeside drive, Northville township, it's an occasion worthy of celebration.

The Fitches haven't had house water since October, 1963. Last week end installation of lines bringing Detroit water to the 18-home Plymouth Gardens subdivision was completed. Several of the residents had experienced either dry or sputtering wells.

The Northville township board negotiated for nearly two years to purchase Detroit water and establish the first water system within the township.

For the Fitches, the David Dodges and Raymond Winklers, all of whom experienced dry wells, the water came as a most welcome Christmas present.

"We haven't been able to en-

ertain, we ate all our meals of water for toilet use. His lawn and bushes had to be content with rain.

"It's just like getting a new house," said Dr. Fitch as he enjoyed a cool glass of water.

Water — a treat for the Dr. Fitches.

It's 14 Feet High

Tallest Indoor Tree?

George Norton, a Northville resident, can tell a tall but true tale about his Christmas tree.

It stands 14 feet high in a corner of his living room at 1087 Allen drive.

"It was even taller when we bought it," said his wife, Ann. "It measured about 17 feet before we trimmed it to fit in the house."

George, Ann and Jean, their seven-year-old daughter, picked out the tree a few weeks ago near South Lyon. Purchase price: an incredible \$2.

"I know it sounds cheap," said Ann, "but we chopped it down ourselves. You should have seen the people laughing as we brought it home on top of our car."

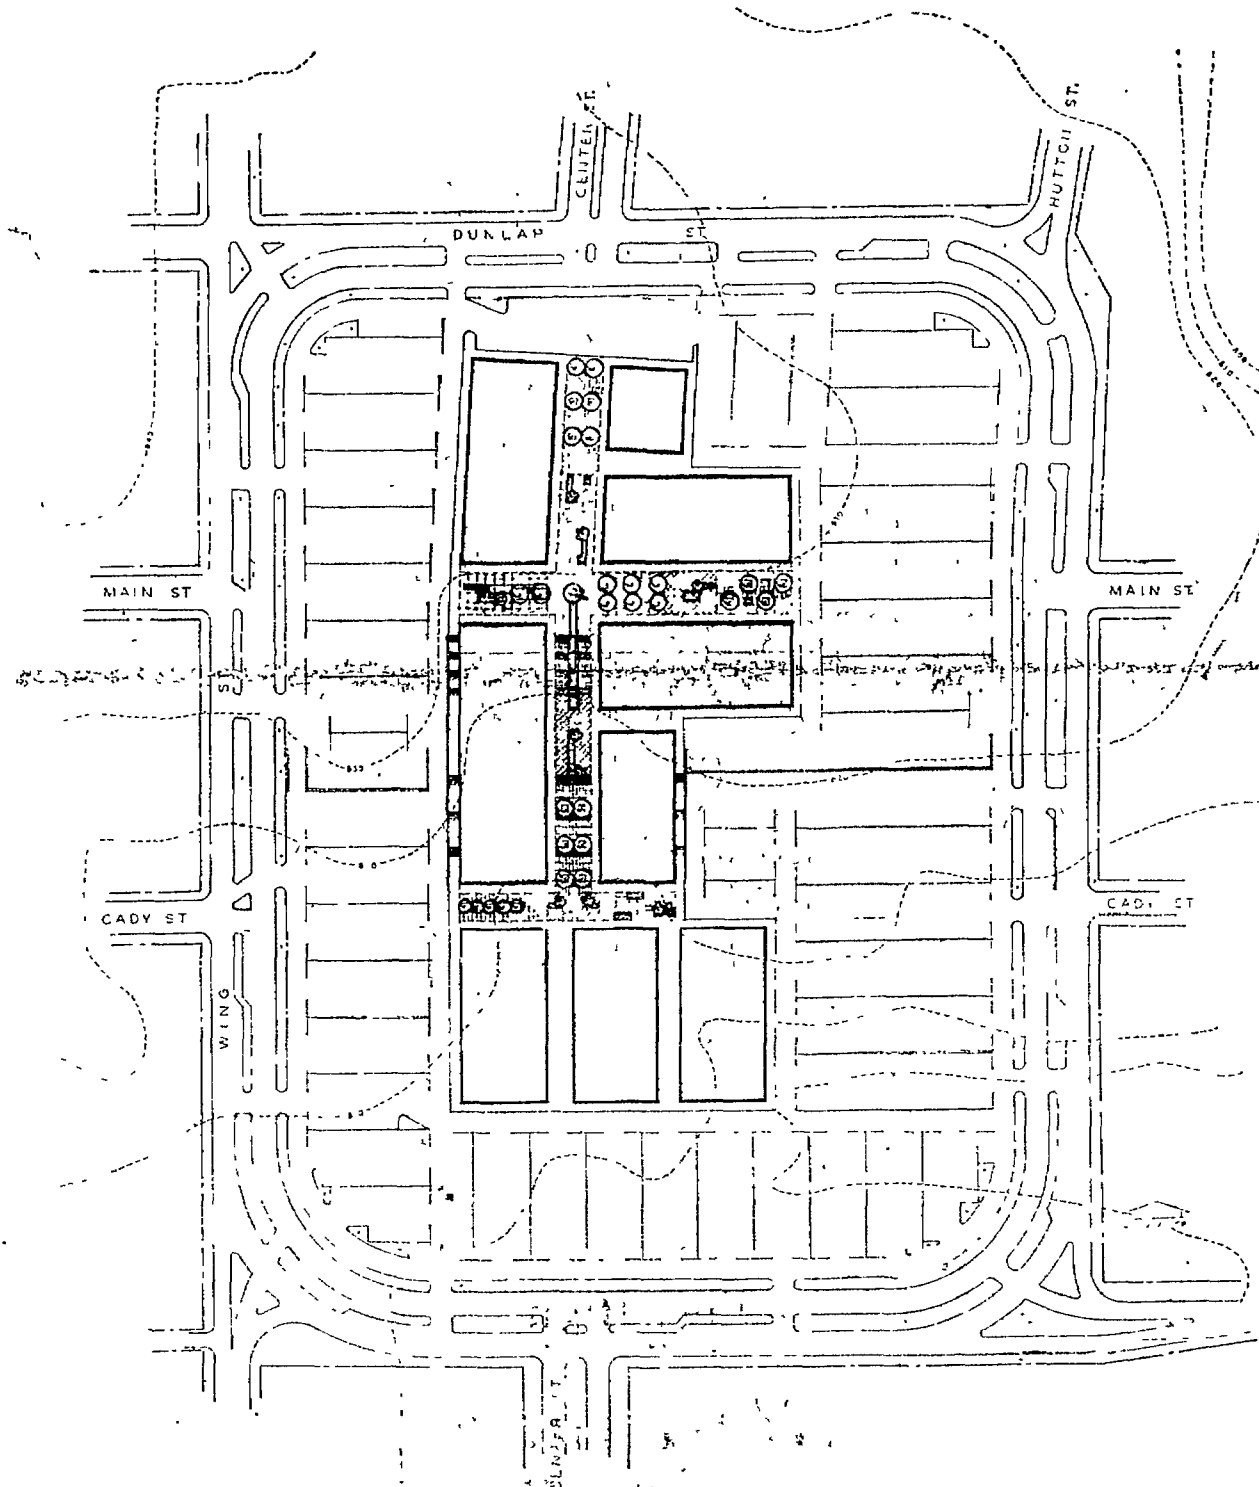

Now another angle of the traditional yule decoration at the Norton residence comes to light. There's a "holey" tree.

They aren't kidding either. When the tree entered the house December 19 for its decking out, it came in piece-meal, according to Mrs. Norton.

To set up the red pine, George cut off all the branches (Continued on Page 8)

Jean is dwarfed by the Norton's huge tree.

Here's sketch of Northville's proposed Central Business District.

Fire Guts Novi Echo Valley Home

A house fire has dampened the spirit of Christmas in Echo Valley subdivision in Novi.

"Mr. and Mrs. Santa Claus" — portrayed by Mr. and Mrs. George Lindoerfer — won't be making their rounds Christmas Eve.

Their home at 23910 Woodham was severely gutted by a fire Sunday night and gifts they had bought for "their children in the neighborhood" were destroyed. Cause of the fire hasn't been determined.

Mrs. Francis Turner, 23918 Forest Park, reported the fire to police at 10:15 p.m. The Lindoerfers were not home at the time.

They went to Saratoga Farms restaurant after holding a party for neighbors from 3-7 p.m., according to the fire department report.

"They saw their house ablaze

when they turned into the subdivision," said Police Chief LeBeGole. "They were stunned by what they saw."

In his report Fire Chief Fred Loyne said: "When we got there, fire was coming out of the windows and the roof in the southern end of the house."

Novi, with two pumpers and a tanker, summoned more help. Northville, Walled Lake and Wixom departments came to the scene.

A crowd of neighbors gathered as firemen fought the blaze. By midnight the fire was under control. The last fire truck left around 2 a.m.

The fire lit up the sky and could be seen from 10 Mile road and Beck.

Paul Folino, a Northville insurance agent, said the living room, dining room and kitchen were destroyed.

(Continued on Page 8)

Long Building Wins Approval

Permission to construct a new building at 112 East Dunlap street in the business district was first denied, then granted two hours later, by the Northville planning commission last week.

Neither action was unanimous. But in the end Glenn Long was given permission to go ahead with his plans to build a 20 by 100 foot building alongside an apartment house on East Dunlap.

Long, who operates a plumbing and heating business, has sold his Seven Mile road building to Reef Manufacturing Company, Inc., which expects to move its operations from Warren to Northville early next year.

Planners had discouraged Long in his plans because the building will not comply with

its new central business district plan. (See story above.)

But it was determined that there were no legal grounds for refusing the request. Opinions by City Attorney Philip Ogilvie supported Long's position and also concluded that the building required but one offstreet parking place to comply with the city's parking ordinance.

Controversy arose over whether or not Long should be required to brick all four walls of the building. He agreed to three, but said he would delay bricking the fourth until it was determined whether Charles Carrington, owner of the adjoining apartment house, removed the house and constructed an office building.

Long and Carrington plan to use the same wall and Long

(Continued on Page 6)

The sixtieth wedding anniversary of the Ray Van Valkenburgs of 400 East Main street will be celebrated this Sunday from two until five p.m. at an open house for friends at the fellowship hall of the First Presbyterian church.

Last week it was incorrectly reported that the event would be held last Sunday.

Library Hours

The Northville Library will close at 4 p.m. December 24 and will remain closed for the weekend. Regular hours will be resumed Monday, December 28.

The library will close at 4 p.m. on Thursday, December 31, and will be open January 2, from 10 to 5 p.m.

News Around Northville

Peggy McIsaac, celebrated an early Christmas last Thursday at the home of her parents, Mr. and Mrs. Bernard McIsaac of 54181 West Eight Mile road. Peggy is a Naval nurse and reported for duty in New York where she sailed for England Monday morning. She will spend the holidays in England and return to the U.S. January 12. Peggy has been in the Navy for three years and has recently re-enlisted for extended duty. She is serving aboard the Rose, a ship that carries Naval personnel and their families to Europe.

Gordon Hammond will invite his friends and their parents to an open house Saturday, evening, January 2, to show slides of his stay in Fritztar, Germany. Gordon was an exchange student this past summer in Germany.

Mr. and Mrs. Crispin Hammond will entertain New Year's Eve with a traditional dinner for their relatives and friends.

The first graders of Our Lady of Victory contributed small gifts Friday to children at Northville State hospital in lieu of exchanging with one another.

Steaming coffee was a welcome aroma to the many guests who were entertained this week at pre-holiday parties.

Mrs. Russell Atchison and Mrs. Richard Ambler co-hosted at a coffee Friday morning at Mrs. Atchison's home on South Rogers street.

A welcome and farewell were greetings extended by guests at the Thursday morning coffee held at the home of Mrs. Douglas Day on Woodhill drive. Co-hostess with Mrs. Day was Mrs. E. O. Weber. The coffee was given in honor of two new residents of the subdivision, Mrs. Thomas Fagan and Mrs. Robert Guard, to introduce them to their new neighbors. Guests also bid farewell to Mrs. Walter Avery who is moving soon to Connecticut.

Doctors at the Atchison clinic — Dr. Russell Atchison, Dr. O. J. Robinson and Dr. R. G. Wetterstrom — feted their staff members at a breakfast Wednesday morning at the Round Table club of the Mayflower hotel.

The girls of Scout troop 562, invited their mothers to Christmas tea Monday afternoon at the Scout-Recreation building.

While caught up in holiday festivities, women of Northville are taking time out for the altruistic needs of the holidays. Members of Our Lady's League of O.L.V. last Thursday afternoon gave a party for the elderly patients at the East-lawn Convalescent home. Refreshments were served and gifts were distributed.

A pre-Christmas open house will be held at the home of Mr. and Mrs. E. V. Ellison of West Dunlap, for about 40 guests, Sunday evening.

On Christmas day, the Elli-

sons will entertain Mr. Ellison's parents, Mr. and Mrs. Karl Gasper of Ionia. Also on hand will be the Ellison's daughter and son-in-law, Mr. and Mrs. David LaFond and their two children, Donny and David.

Bozo the clown, entertained the children of Willowbrook at a Christmas party held Saturday afternoon at the Orchard Hills school. Bozo delighted the children with a 40-minute marionette show. Later in the afternoon Santa Claus arrived with gifts for all the youngsters.

The party was sponsored by the Willowbrook Community association.

Cadet-Sgt. Butch Casterline of Howe Military School arrived home Thursday for the Christmas holiday. He will be home until January 3.

SCOUT CAROLERS — Red caped Girl Scouts of Troop 407 practice the Christmas songs they sang at 15 locations throughout Northville last Saturday. From left, front row, are Cindy Cramer, Kathy Bown, Lisa Mannisto, Nancy Chadwick, Debbie Guido; second row, Laurie Provo, Judy Jackson, Bonnie Tiilikka, Kathy Veresh, Susan Altman, Debbie Butler, Barbara Long; third, Stephanie Wilhelm, Lori Deibert, Michele Rody, Nancy Williams, Denise Myers, Paula Young, Roberta Day, Verna Biddle.

Soloman - Cameron Vows Spoken

Mr. and Mrs. Thomas Cameron

Carol Jeanne Soloman and Thomas John Cameron exchanged wedding vows recently at an evening ceremony at the Rosebush Center Methodist church in Rosebush, Michigan. The Reverend Marwin Rosa officiated.

Parents of the bride are Mr. and Mrs. Fredrick Soloman of Northville. Mr. and Mrs. Gerald Cameron of Rosebush are the groom's parents.

The bride chose a wedding gown of chantilly lace, fashioned with a scooped neck-line and finger-tip sleeves. Her train fell into folds and was trimmed with crystal sequins. An elbow-length veil was secured with a crown of white roses and she carried a bouquet of lace with white roses fashioned into a heart-shaped design.

Jane Elden was maid of honor and wore a floor length gown of royal blue, fashioned with a bell-shaped skirt and scooped neckline.

Sisters of the bride, Linda Marie and Elaine, were bridesmaids. Their dresses were designed in the same fashion as the maid of honor and were royal blue satin. The attendants carried colonial bouquets of pink carnations and wore headpieces of velvet bows with royal blue netting.

Shelly Haggart was flower girl and wore a blue satin dress with net over-skirt.

Cornell LaLane acted as best man and seating the guests were, Robert Morrison and Richard Soloman, brother of the bride Stevie Forrest was ring-bearer.

For the ceremony the altar

was decorated with baskets of deep pink carnations and candelabra holding deep pink candles.

A reception followed in the church social hall.

The bride's mother wore a beige sheath with dark brown accessories and wore a corsage of cymbidium orchids.

Mrs. Cameron wore a three piece dark brown knit suit with beige accessories and wore a corsage of deep yellow sweet-heart rose buds.

The newlyweds are living in Rosebush.

Engaged

Sallylou Mallette

Mr. and Mrs. Louis O. Mallette of South Ely drive announce the engagement of their daughter, Sallylou to Stanley Schlieff, son of Mr. and Mrs. William Schlieff of West Six Mile road. The bride-elect is a freshman at Eastern Michigan University and her fiancé attends Michigan State university.

In Our Town

By Jean Day

CHRISTMAS IS for everyone, but it is the children who keep it best. Some of our youngest citizens — the 32 three and four-year-olds in Northville Cooperative Nursery school — have bought and trimmed the Christmas tree by the fireplace in the Scout - Recreation building for all who use the room to enjoy during the holiday season.

Last week the children with their teachers, Mrs. Francis Gatzlay and Mrs. Glenn Deibert, journeyed to the tree farm at Haggerty and 15 Mile roads to select and cut the tree. Terry's father, Thomas Monks, volunteered to be the tree cutter. The tree is trimmed with chains and painted egg carton bells (made by last year's play-schoolers). This week the children are making tiny cranberry wreaths to add to the decorations. As is traditional, Mrs. Claus will visit their Christmas party Wednesday.

TWO GIRL SCOUT troops in Northville are entertaining their sister Scouts in newly organized Plymouth State Home and Training School Troop 226 this week. Monday night Troop 222 under the leadership of Mrs. Fred Russell entertained the 14 girls of the new troop and their leaders, Mrs. Robert Brueck and Mrs. Francis Jennings, at a party in the Scout - Recreation building.

Tuesday evening the girls were invited to go caroling with Troop 574 under the leadership of Mrs. Archie Moore. They were to return to the Scout - Recreation building for hot chocolate.

Girl Scouts of Mrs. Eugene Guido's Troop 407 wore bright red capes as they caroled at homes of shut-ins throughout Northville Saturday afternoon. Paula Young then invited the girls back to her home, on Ely Court for hot chocolate. Earlier this month Girl Scouts of Mrs. William Sliger's Troop 149 entertained their parents at a punch bowl party at the Scout - Recreation building.

EVEN KINDERGARTENERS are learning the blessedness of giving. Both the morning and afternoon kindergartens of Mrs. Linda Sobol at American school have brought their coins to buy gifts for patients they have adopted at East-lawn convalescent home.

Monday was shopping day as each group walked to town with teacher and room mothers to buy gifts. Wednesday they will walk to East-lawn to deliver them, returning to school for their own parties.

A NEW TREAT for children young enough to know there is a Santa Claus is the "Breakfast with Santa" at the Old Mill restaurant on Main street. Begun two weeks ago from 9 to 10:30 a.m. daily, the breakfasts are scheduled to be held through December 23. Because this is a new feature in Northville and many parents are unaware of it, there haven't been too many little folk in for breakfast and a visit with Santa. It did seem a thoughtful idea for which the restaurant should be commended. Perhaps next year more parents will know of it.

MEXICAN VISITORS are sharing American Christmas celebrations this year in two Northville homes. Eleven-year-old Leticia Cuervo is the guest of the Kalin S. Johnson family on Novi road, and her brother, Gerardo, is the guest of the William Wileys of Eight Mile road.

The Johnsons invited Leticia to visit this year, having been hosts to her sister, Requel, last year and to her brother, Gerardo, before that. When Gerardo expressed a wish to return to Northville, the Wileys invited him to be their guest. Sister Requel also is in this country, visiting in Topeka, Kansas.

The visitors will be here all the months of December and January, which is their vacation season at home. They are the children of Dr. and Mrs. Garcia Cuervo of Mexico City. Leticia has been attending sixth grade classes with Gretchen Johnson while Gerardo, 14, attends classes at the high school with Kurt Wiley.

To our visitors and to all of you, we send our wishes for a "Feliz Christmas" — May the entire season be a happy one!

Mr. and Mrs. Guard moved to Northville just a few weeks ago from Garden City and are assuming all the chores that go with new home ownership.

Novi Chemist To Address Detroit SAE

Dr. George Brewer, head of the chemistry department at Marygrove College and a consultant to the Ford Motor Company, will assist in the presentation of a paper before the members of the Society of Automotive Engineers at their annual meeting in Detroit's Cobo Hall, January 14.

Topic of the paper will be "The Concept and Development of the Ford Electrocoat Process." Dr. Brewer prepared a draft for the paper and will assist in its presentation. He is a consultant to the chemical process and equipment development department at Ford.

In the new process, which Dr. Brewer describes as, "the greatest advancement in painting during the past 80 years," paint is attracted to the body of the automobile by electricity when the auto body is submerged in a vat of paint. A uniform coat protects the automobile from rust and, according to Dr. Brewer, "may almost double the life of the automobile body."

Past president of both the Michigan College Chemistry Teachers Association and the Association of Analytical Chemists, Dr. Brewer has been a member of the Marygrove faculty for the past 20 years. He received his Ph.D. in chemistry from the University of Vienna in 1932.

He and his wife, Frances, reside at 28610 Meadowbrook road in Novi.

Memoirs Featured

Book-of-the-month for December at the Novi township public library is Reminiscences by the late General Douglas MacArthur.

It was donated by Mrs. Lloyd George.

It is described as a portrait of one of this nation's most decorated heroes and covers a lot of history since MacArthur served under eight Presidents.

Mrs. George is a member of the Novi Friends of the Library which make a monthly donation.

A donation from the Novi board of commerce was used to purchase a children's catalog, a reference book for the library.

A letter has been sent out thanking the local business group for the \$12 check.

Other books have been added to the shelves for young readers. They are:

Thank You, You're Welcome, The Mice That Ate Iron, How To Have a Show, No, No, Rosina and Ella.

In addition, the library just bought a set of Britannica Junior Encyclopedia — a beginners reference for elementary school children.

Recent title purchased for adults are Herzog, The Explorer, The Warren Commission Report on the Assassination of President Kennedy and Parents Guide to New Math.

The library is open without fee to all residents of Novi township regardless of their post office address. The township is bounded by Eight Mile, Haggerty road, Fourteen Mile and Napier road.

Sulky Writes To Santa

Santa receives a host of letters at Christmastime, but it's doubtful he ever had one to match the following letter from Northville.

It was written by Donna Frizell in behalf of "Dream Creed" (alias Creme Cheese, a trotter owned by Mr. and Mrs. Russell Hoffman of Northville and stabled at Northville Downs.

Donna trains harness horses for several owners. Apparently, one of her favorites is "Dream Creed."

WE WILL CLOSE AT 6 P.M. CHRISTMAS EVE

APPROACHING MILESTONE — With 99 years behind her, Mrs. Martha Matheson of the Eastlawn Convalescent home is eyeing her 100th birthday next December 15. At her 99th last Tuesday, Mrs. Matheson received a cake and corsage from Mrs. Teresa Vezzosi, who operates the home, and was visited by her granddaughter, Mrs. Robert Regenhardt of Northville.

OLD-TIME FUN — Members of the Northville historical society and their families held an old-fashioned Christmas party last Tuesday night at the home of Mrs. Kathleen Edgerton, 571 Randolph. A feature was a "taffy pull". Mrs. Edgerton is on the left and Alison Crump is in the middle, wearing the bonnet. Society members also strung popcorn, made tree decorations and trimmed Christmas trees.

There is a hidden feature in burning candles during the holidays. With many guests in a room, the candles will quickly absorb the smoke and stale aroma of cigars and cigarettes.

College Students Home For Holiday Vacation

Northville parents are braving snappy winds while heading toward bus terminals and airports to pick up their scholars coming home for the holidays.

After arriving home from colleges and prep-schools around the country some students will pack their ski gear or head for a summer climate as Bob Hallam is planning to do.

Bob will spend the Christmas holidays with his parents, Mr. and Mrs. Robert Hallam of Summers de lane, and then depart for Hawaii.

His tentative plans include a

Two Area Residents Get WSU Degrees

Two area residents were among 1,524 candidates who were awarded degrees at Wayne State University's winter commencement exercises December 15 at Cobo Hall.

They are Judith Ann Leavenworth of 790 West Main in Northville and Laura Lee Ozark of 24860 Taft in Novi. Both received master degrees in education.

Dr. Clarence B. Hillberry, president of Wayne State, conferred 950 bachelors degrees, 518 masters degrees and 40 doctor of philosophy degrees and 16 doctor of education degrees.

stopover at the Rose Bowl game. Bob, a junior at Michigan State University will stay in the islands until the spring term and then return to school. Mr. Hallam plans a business trip to Hawaii shortly after the first of the year.

Mr. and Mrs. Clarence H. Hock of Summers de Lane met their daughter Karen at the airport Friday night. Karen is a sophomore at Alma College.

Jim Brueck will be home from Western college at Kalamazoo. Jim is the son of Mr. and Mrs. Robert Brueck of Dunsany road.

Sunny Spaeth of Kemper Military school in Boonville, Missouri, is home to spend his vacation with his parents, Mr. and Mrs. Albert Spaeth of Dunsany road.

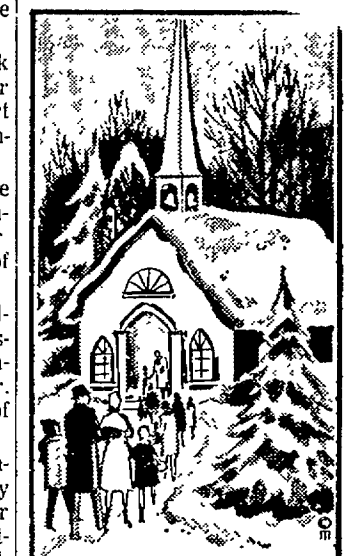

University of Arizona student, Sue Eastland, will fly home for the holidays and her parents, Dr. and Mrs. Eastland of South Chigwidden road, will meet her at the airport.

Another student from Western Michigan home for the holidays is Bruce Dingwall, son of Mr. and Mrs. James Dingwall of Ely drive.

Cadet-Sergeant Ralph Konrad will be home from Kemper Military college. Ralph is the son of Mr. and Mrs. Eugene Konrad of Woodhill drive.

Home from Ann Arbor is U of M student, Pamela Hub-

bard. She plans to attend the Rose Bowl game with a group of friends from school. Pam is the daughter of the Ralph Hubbards of Chigwidden drive.

(Continued)
contended it would be too costly to brick if the wall were to be covered soon.
But planners stuck to their rules on this point. Only William Davis voted in favor of Long's proposal.
Long left the meeting, but returned later to say that he had reconsidered and would construct all four walls of brick.
In the second ballot Planning Chairman George Zerbel and Wallace Nichols voted against approval, while six others voted "yes."

Seek Area Homes For Aged, Retarded

The Wayne County Bureau of Social Aid located at 32 Duffield street Detroit, is looking for homes. Homes to place patients being released from state mental institutions and state homes and training schools. Patients from the hospitals are past 65 years of age, lived in state hospitals for a number of years and have improved to the extent that they can now be released.

The patients from the training schools fall into a younger age group and although mentally retarded they no longer require institutional care and are ready to return to the community.

This home-finding is part of the County Reterral Program sponsored by the State Department of Social Welfare. The aim of this program is to offer patients an opportunity for community living and provide services for them. Also, public assistance through the Old Age Assistance and the Aid to Disabled programs will be given to those patients who are without funds. This program has been in effect since July 1962 and only one percent of the total number of patients placed through this program needed to be re-hospitalized.

However, at the present time, the bureau does not have enough qualified homes in which to place former patients. A variety of homes is needed. Homes of different cultural backgrounds where a language other than English is spoken; homes in the city and in the suburbs and the farm type home.

Public assistance funds provide board room and care, clothing, incidentals and medical expenses for the patients. The social worker assists the former patient in his adjustment to the home and community and provides help with special problems or emergencies.

For further information call the Wayne County Bureau of Social Aid, Home-Finders Staff, 222-3021 or 222-3022.

HAPPY HOLIDAY — This display is a Christmas card to the American elementary school from the youngsters in the special education class of Miss Judith Dombrowski, said Principal Raymond Spear. All the artices in the showcase were made by the special education children.

In Novi Nugget

Elephant Jokes Abound

Elephant jokes — currently the rage among punsters — have shown up in Novi. And they're sick, sick, sick!

In the Novi Nugget, student publication at the junior high school, a page is devoted to the latest in elephant funnies.

Tom Holmes, a member of the Nugget staff, penned the humor.

Tom wrote:
"Why do elephants like peanuts? Because they save the peanut wrappers for valuable prizes."
"Why don't elephants laugh? With all those sickening elephant jokes going around how can they."

"Why do elephants have long toenails on Friday? Because their manicurist doesn't come until Saturday."
"Why do elephants' tusks stick way out? Because their parents won't allow them to get braces."
But Tom's best joke said:
"Why do elephants have white tusks? They use the Crest formula."

The Nugget comes out once a month under the supervision of Ronald Smith, an English teacher. Editor-in-chief is Virginia Round.

Other brass are Annette Skelenger, news editor; Bill Christensen, sports editor; Evelyn Budleng, humor editor; Robin Nelson, art editor; and Kathleen Schneider, publicity.

Reporters are Linnea Slater, Jean Coble, Lyda Munro, Sharon Smith, Pam Hasley, Iris Mobarak, Ellen Lyke, Pat Haley, Jim Wachtel, Kathy Romanow, Jan Harbin, Joe Rackov, Cheryl Dorsey and Charlene Rice.

Artists are Dan McGarry, Par Erwin, Marjorie Marque, David Kahler, Bart Harris, Tom Holmes, Alana Padgen and Irene Long.

Members of the proofreading crew are Carol Bruce, Sue Gerou, Sue Presness and Vince Rivard.

You Can Beat Winter, Police Chief King Says

At this time of year, after the first real snowfall, it begins to dawn on the most optimistic of us that there isn't much we can do to stop winter. But Northville Police Chief Eugene King maintains there's a lot we can do to keep winter from stopping us.

"We had the anticipated number of traffic tie-ups and minor accidents during and following the snowfall," the chief reported, "but with a little citizen support we should be able to get straightened out before the full force of winter strikes."

To reduce winter accidents, drivers must remember that their braking power isn't nearly as effective on snow and ice as it has been on dry pavement, according to the International Association of Chiefs of Police.

Tests sponsored by the National Safety Council show that braking distances are from three to twelve times as great, depending on whether there is snow or glare-ice on the pavement, according to the chief.

Braking distance is the space needed to stop a vehicle from a given speed, he explained.

Obviously, such greatly increased braking distances breed accidents, Chief King pointed out. "But it's just as obvious there are several things a driver can do about it," he added, naming the following:

- Reduce driving speed and increase following distance (between cars) on slippery pavement. Never tailgate.
- When a stop is necessary, pump the brakes — to keep wheels from locking and going into a skid.
- Remember that stopping ability can be somewhat improved by use of snow tire, and that reinforced tire chains will be considerably more helpful.

Let anyone get the mistaken notion that he can stop on a dime, however, the chief presented the following test results reported by the National Safety Council:

Stopping Distance From 20 MPH

Icy Surface:
Regular tires — 195 ft. Snow tires — 174 ft. Reinforced tire chains — 77 ft.

Loosely Packed Snow:
Regular tires — 60 ft. Snow tires — 52 ft. Reinforced tire chains — 38 ft.

But even with the advantage of tire chains, the chief emphasized that driver alertness, reduced driving speeds, and a gentle pumping touch in braking are now definitely in season.

SEASON'S GREETINGS

Wixom News

Mrs. Charles Ware MA 4-1601

The invincible group of the Wixom Baptist church surprised Everett Pearsall with a party on his birthday last Thursday evening. During the evening the group packed Christmas boxes for the boys and girls of the group.

Mr. and Mrs. Bernard Kitson and Mrs. Beula Potvin and Joeie attended a birthday party at the Clarence Shelton home last Thursday night, honoring Michael Shelton who became 17.

Mrs. Max Schoneberg of Twelve Mile road is in New Grace hospital following a fall. Her address is fifth floor, room 5, New Grace Hospital, Detroit.

Mr. and Mrs. Carl Kurkowsky from Howell were Sunday guests of Hilda Furman.

The knitting club enjoyed a lovely Christmas party at the Crossroads Restaurant in Detroit.

The Recreation committee entertained all of the children from the city of Wixom at a Christmas party at the UAW Hall on Sunday afternoon. The merchants and businesses of the city donated boxes of candy and pop for each child and coffee for the adults.

Henry Madigan from Northern Michigan University is spending Christmas vacation with his parents, the Henry Madigans of Pontiac Trail.

Mrs. Robert Turrell is in New Grace hospital.

Nick Sorvari is spending Christmas holidays with his parents from Uncle Sams service Nick is stationed in New Hampshire.

Mr. and Mrs. Cris Nissen are spending the winter at Bradenton, Florida.

The Walled Lake schools closed for Christmas holidays Tuesday and will open January 4.

Mr. and Mrs. Grimshaw have moved into the Shonenberg home and will produce equipment for handicapped people. The property has been rezoned for light industry.

MERRY CHRISTMAS

We take great pleasure in sending you our every good wish for Yuletide happiness, and the best of health and success in days to come.

Walled Lake Study Urged

Is Walled Lake drying up?
A group of residents near the lake think so and told the Novi township board about their dilemma last Monday night.

Hadley Bachert, township supervisor, said the board was sympathetic to their plea but suggested they try to establish a higher level for the lake by circulating petitions or approaching the Oakland county board of supervisors.

One way mentioned to raise the water level is drilling wells and pumping the water into the lake, Bachert said.

Although it may be unbeknownst to some, the biggest portion of Walled Lake lies in the boundaries of the township.

In other action, the board continued the bonding of four village police officers, who are deputized to serve the township.

Bachert said it will cost the township \$59.50 an officer to keep the bonds in effect.

Winter Fun Ready At Kensington Park

Kenneth L. Hallenbeck, director of the Huron-Clinton Metropolitan Authority, announced today that Kensington Park will offer the following recreation facilities for the 1964-65 winter season. When Michigan's winter weather arrives, operations will begin.

This 4,300-acre recreational site is a natural winter sports area designed for tobogganing, sledding, skating, ice fishing, hiking and picture taking.

Catches of bluegills and crappies are taken by the hundreds of fishermen who enjoy ice fishing on Kent Lake. Skating is provided on the ice rink on Kent Lake in front of the Boat Rental Building from 10 a.m. to 10 p.m. daily.

This building has a heated lounge which has recently been enlarged with fireplace, restrooms, and food service through vending machines. It is open from 10 a.m. to 10 p.m. on Saturday and Sunday and from 2 p.m. to 10 p.m. Monday through Friday.

Ideal for sledding and tobogganing are the hilly slopes at the winter sports area which has an enclosed warming shelter with fireplace and tables. New this winter are three toboggan tracks and a separate area for sledding. The area is open from 8 a.m. to 10 p.m. For ice and snow conditions call 685-1561 (Milford Exchange).

For your added convenience, you, ALSO may make Tax Payments to the Manufacturers National Bank, Northville, Monday thru Friday of each week, at the Teller Windows.

Thank You,
Alex M. Lawrence, Treasurer

Northville Cracks Victory Barrier

Northville's Mustangs ran wild Friday night to post their first win of the season in convincing fashion, 65-45, over visiting Clarenceville.

The Mustangs, in bringing their three-game losing streak to a halt, now sport a 1-2 record in Wayne-Oakland Conference play and 1-3 overall. As of Friday night's contests, Clarenceville is tied with Milford in the league cellar with a 0-3 slate.

Even with two losses early in the season Coach Dave Longridge does not count his cagers out as possible title winners. "The league is wide open," he said, "and the winner will probably hold a 10-4 record."

Lending authenticity to Long-

ridge's words are the results of last week's games.

First place Holly ran its record to 3-0 by trashing Brighton, 79-66. West Bloomfield suffered its first loss in the last minute at the hands of surprising Clarkston, 48-44. Both teams stand 2-1 in the conference. And Bloomfield Hills joined Clarkston and West Bloomfield in second place by thumping Milford, 68-46.

But Holly's hold on first place is in jeopardy in view of its close two-on-one victory over Northville earlier this season. With a home court advantage, Northville pushed Holly to the limit before losing as the ball fell off the rim at the buzzer. And the Broncos have yet to

meet the likes of Bloomfield Hills, West Bloomfield and Clarkston. Besides Northville, they have beaten admittedly weak Brighton and Clarenceville.

Clarenceville's weaknesses were evident Friday night when Northville dominated every phase of the game. Despite the Trojans' ineptness, the Mustangs came alive by playing solid ball.

They hustled even when leading by as many as 25 or 30 points. With second stringers on the floor, Northville continued to hold even with Clarenceville.

Longridge made strategic changes before the opening whistle blew. By moving Jerry Imslund from center to forward, Northville took advantage of his outside shooting.

With six-five Steve Evans playing a double pivot, "where they work best," the Mustangs took advantage of height superiority to clear the boards and to gain balanced scoring.

Imslund and Guard John Jameson led the Mustang attack with 12 points apiece, followed by Forward Rick Milne with 10 and Evans and Cushing with eight each. Northville netted 26 of 87 shots to Clarenceville's 19, for 58.

Veteran Guard Dan Freeland paced the Clarenceville offense with 14 points. He was backed up by Forward Chris Hawkins with 12.

It was on the boards that Northville clearly had an advantage, pulling down 68 rebounds to just 25 for the visitors. At times, the Mustangs got two, three and even four shots on goal in a row, something they have been unable to do in previous games.

The outcome was never in doubt as Northville, headed by Jameson, Milne and Guard Tom Bingham, raced to a 16-3 lead at the end of the first quarter.

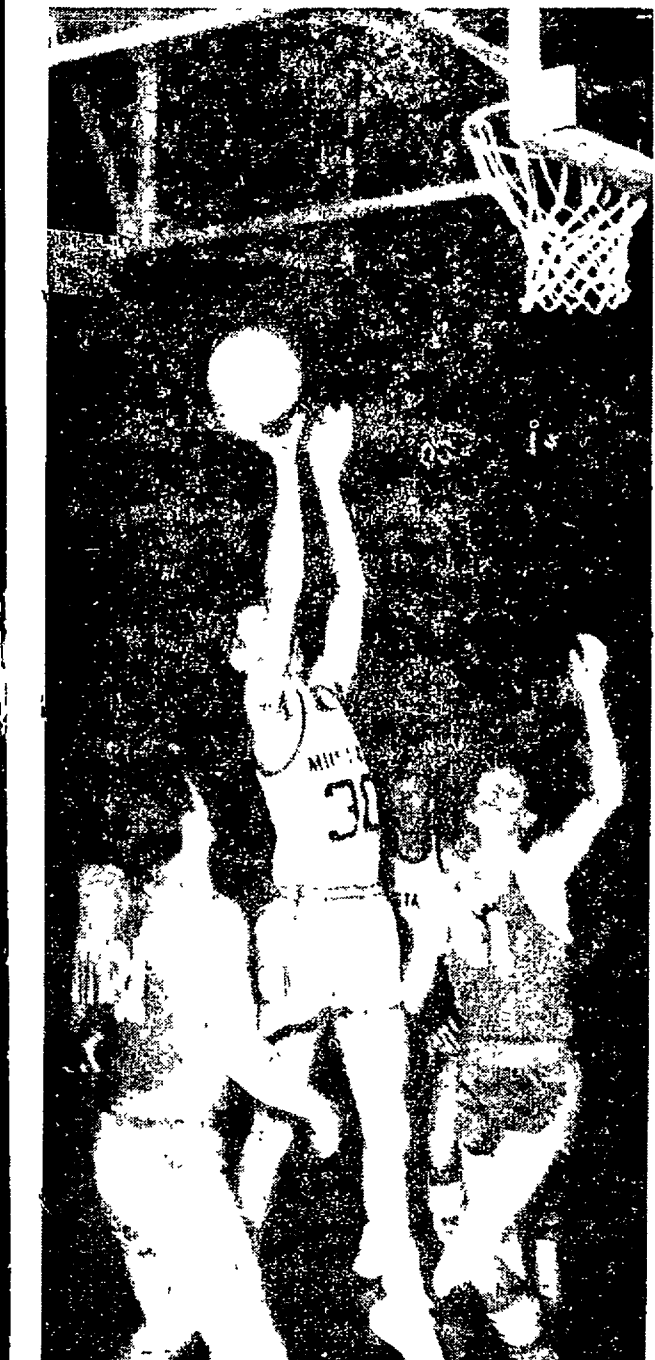

Utilizing the fast break, Northville increased its margin to 37-19 at halftime. Cushing with six and Milne and Imslund with four each led the Mustang scorers in the period.

Longridge emptied the bench in the second half as Northville held on to its substantial lead. Substitute Guard George Burchfield turned in a sparkling performance in the second stanza.

HOT POTATO — Eyeing the ball are Northville and Clarenceville players in last Friday's cage tilt here, won by Northville, 65-45. The ball eluded the grasp of Mustang Art Forth (in the air) and a Trojan. Watching the action are Mustangs George Burchfield (50) and Tom Wicke (44).

Sports

FEATHER TOUCH — Laying the ball up and in the first period is Northville Forward Steve Evans as two Trojans look helplessly on. Evans' bucket provided the Mustangs with the final two points to give them a 16-3 lead at the end of the period.

Mustang Cagers Play Holiday Tournament

School's out for the Christmas holidays and students will have 10 days of leisure — all but members of the Northville basketball squad, who have their work cut out for them.

Coach Dave Longridge's charges will move into the company of top-notch basketball teams when they journey to the downriver region to play in the Holiday prep tournament next Monday, Tuesday and Wednesday at River Rouge.

The Mustangs, one of eight teams to vie for tourney honors, will face Thurston at 8 p.m. Monday at the River Rouge high school gym.

Other first round games will pit Ecorse against Monroe, Taylor Center against Lincoln Park, and River Rouge against Lutheran West.

A round robin tourney, all teams will play three games in three days win or lose. What Northville does in the opening

round will determine whether it will play in the losers' or winners' bracket.

If Northville wins its first game, it will play the winner of the Rouge-Lutheran West contest at 8 p.m. Tuesday. A second round win would place the Mustangs in the 9:30 p.m. finals Wednesday. In the event of a second-round loss, however, Northville will play a consolation contest 6:30 p.m. Wednesday.

If the Mustangs lose their first round clash with Thurston, they will play in the losers' bracket against the loser of the Rouge-Lutheran West game at 5 p.m. Tuesday. A second round win would catapult the Mustangs into the finals at 8 p.m. Wednesday. A loss would drop them into a losers' consolation game 5 p.m. Wednesday.

Two top teams in the tournament are Ecorse and River Rouge, both titans of the tough Twin Valley League.

Ecorse is given the nod as the favorite to win on the basis of its veteran lineup. Not especially tall, Ecorse combined speed with jumping ability to sweep its first four games.

No strangers to Northville court fans, perennial Class B Champion Rouge has its normal overflow of cage talent. Although they lost one game

by 10 points to powerful Hamtramck, Coach Lofton Greene's cagers won three times in a convincing manner. They are paced by six-two Forward Frank Price, six-four Forward Sam Campbell and six-six Center Billie Tunston.

Representing the Huron-Rouge Conference is Lincoln Park, seeded third in the tourney. Fast and aggressive but not too big, according to reports, Lincoln Park could go all the way. It has a 3-1 record.

Up from the rugged Border Cities League is Monroe, a typical hardnosed foe. Although Monroe is mediocre in light of past teams from that school, it plays such league powers as Fordson, Highland Park, Gross Point and Royal Oak Dondero.

Taylor Center and Lutheran West both are members of the Mid-Wayne League. They, along with Thurston and Northville, are underdogs. Thurston, a Northwest Suburban outfit with average size and speed, holds a 1-3 record like Northville.

Coach Longridge emphasized that his cagers may not pick up all the marbles, but they may surprise. But no matter how far they go, he declared that it should be a significant experience. "We're going to see some great basketball," he said.

TO WISH YOU A JOYFUL
CHRISTMAS

Let us remember, as we celebrate His birth, that our duty to mankind is ever growing in a world that gropes for peace and understanding. With trust in Him... and with the spirit of love, we must renew our faith and dedicate our efforts to accomplish that ideal.

THE NORTHVILLE RECORD AND NOVI NEWS

Win 53-39 Colts Gallop, Too

"We're off to our best start in three years," said Colt Mentor Alex Klukach as his JV charges racked up their third win of the year in trouncing Clarenceville here, 53-39, Friday night. They have dropped one decision.

It was a runaway for the Colts as they jumped to a 15-5 lead in the first quarter, extending the margin to 31-11 at halftime. Substitutes played much of the second half and still held their own against Clarenceville's front liners.

"This is the first game when we really played a team game," Klukach noted. "We had balanced scoring."

Pacing the local JV attack was six-three Chris Holman with 14 points. Giving him support were Guard Jim Zvati, who flipped in 11, and Forwards Jack Crawford and Glenn Deibert, who scored eight and seven points, respectively.

Holman was cited for his stellar play, including an eight of 10 performance at the free throw line.

Only blotch on the Colts' record is the 60-44 loss to Plymouth the previous week. In that one, Northville failed to come up with a balanced scoring attack.

The Colts hold other victories over West Bloomfield, 53-50, and Holly, 40-36.

Happy Holiday!

Big day... lots of excitement for you and your family. Probably some driving, too. As you take to the road, remember the common rules of safety. Have a good time, wherever you drive. That's my wish to you from the careful driver company, State Farm Mutual.

Kokanee Salmon Coming to Michigan

Under the Conservation Department's bold, new fish management program, this look-alike of the rainbow trout—the kokanee salmon—may someday add a big plus to sport fishing in Michigan. As a starter toward this long range goal, the Department will collect 2 1/2 million kokanee eggs from Colorado, rear them, and next spring plant the fish at fry size in Biggins and Torch lakes.

With costs low, stock easy to get, and chances for success excellent, kokanee releases will be repeated during each of the following three years. By the end of 1968, it is hoped brood stocks will have taken hold in the two lakes, giving Michigan its own source of eggs. After that, plans call for large-scale stocking of these fish in Lake Michigan and such inland lakes as Crystal, Charlevoix, Walloon, and Leelanau.

Mich. Dept. of Conservation

Thanks... and Merry Christmas!

I want to take this opportunity to thank all my friends and policyholders for their valued friendship in 1964. To everyone a Merry Christmas.

Fire Guts Novi Home

(Continued)
chen were ruined. He said flames spread to the bedrooms in the split-level home and "doors were even burned off their hinges."
Smoke damage was extensive.
Folino said fire inspectors were on the scene Monday afternoon but no official estimate of damages had been filed. He speculated that damages would be "in the thousands of dollars."
A neighbor, Mrs. Douglas Straith of 23866 Woodham, told about the Lindoerfer's traditional plans for the night before Christmas.
"They would dress up as Mr. and Mrs. Santa Claus, load up a sled and deliver gifts to children in the neighborhood," Mrs. Straith said.
"They have been doing this for five years. The Lindoerfers, who have no children, would leave a gift for every child who believed in Santa Claus."
Herbert Muenchow, 23970 Woodham, said the Lindoerfers are staying at his home temporarily but would rebuild and "be back next Christmas."
Muenchow said the couple is looking for an apartment in the area until their home can be occupied again.
Folino added:
"The first thing Mrs. Lindoerfer said, when she entered the smoky bedrooms where the gifts were, was: 'What about the kids?'"
"And it gave me a funny feeling to open a closet door and see the Santa Claus suits hanging there."

Gas Leak Baffles Northville Officials

A gasoline leak in the south end of Northville is still baffling city officials.
"We're still trying to find out where it is," said City Manager Bruce Potthoff.
Last Tuesday, the gasoline fumes from an unknown source hit the air and a manhole cover was orbited 30 feet into the air in front of Councilwoman Beatrice Carlson's home at 201 Fairbrook.
No one was injured.

Northville firemen were called to the Carlson home to put out a fire in a sewer line in her basement when the lid, weighing 135 pounds, was lifted from its base and into the air.
Mrs. Carlson had periodically noticed a strong gasoline odor in her basement a few weeks before the fire.
Fire Chief Bud Hartner said the fumes backed up in the sewer pipe and were apparently ignited by the flame on the hot water heater.
At first it was thought the gasoline leakage originated from a filling station on Seven Mile and South Rogers street.
But air pressure tests on the storage tanks showed no leak, according to Potthoff.
To alleviate any danger of an explosion along Fairbrook, perforated or holey covers replaced the original solid ones.

so "any fumes can rise to the surface."
Next the Northville department of public works put some orange-colored dye tracer into the sewer line near the gas station. Again results were negative.
A DPW crew Monday morning began cleaning out the sewer line so sandbags could be put into the sewer outlet near the station that runs down Fairbrook.
"Before the sandbags were put down, Consumers Power company checked out the sewer," Potthoff said. "Its devices measured a small leak far below the combustible level."
Potthoff added "we're forcing water and sewage to run in a westward direction into an interceptor. The ground is level there."
"By doing this we hope to eliminate any gas escaping down Fairbrook."

— In Justice Court —

The following cases were heard in Judge Emery Jacques Court Thursday.

Donald A. Keeth of 9314 Brookline in Plymouth, who drove through a stop sign at Novi road and the expressway, November 19 was fined \$5.

No fine but a severe warning was given Richard C. Root, Jr. of 1253 Sunrise Park drive in Howell for driving too fast while roads were in hazardous condition.

Charles G. Craig of 10775 Silver Lake in South Lyon was charged on two accounts. Craig was driving without a license and his license had expired. He was fined \$5 on each account.

A similar fine was levied against Michael N. Hill of 1454 South Commerce in Walled Lake Hill was driving without a valid drivers license and fined \$5.

Three cases of minors in possession of alcohol came before the court. Joseph A. Guideducci of 9728 Traverse Detroit was fined \$50 for having liquor in his possession, December 17 at the Walled Lake Casino parking lot.

Joseph McGaughy of 1957 Garrick in Warren was arrested on the same charge December 12. He paid a \$25 fine.

Also fined \$25 was Earl Noble of 6067 Engleman in Warren.

James S. Roberts of 2239 Thomas, Berkley pleaded not guilty to the charge of disorderly person at the Walled Lake Casino, December 12. A cash bond of \$250 was posted.

for Roberts. At his trial he was found guilty and fined \$15.

Three cases of minors in possession of alcoholic beverages came before Judge Emery Jacques' court in Novi last week. James F. Fronters of 106 Minnesota, Detroit, was arrested at the Walled Lake Casino parking lot December 12. At his trial the judge fined Fronters \$20.

Louise C. Barbato of 17851 Wanda, Detroit was fined \$20. A fine of \$25 was doled to Jerry L. McNeil of 11033 Dale, Warren for being in the possession at the casino.

A charge of reckless driving at Novi and 12 Mile road was lodged against Clarence H. Schwab of 122 South Rogers street Northville, December 11. At his trial he was found guilty and fined \$35.

Frederick E. Aldrich of 49751 Ford road, Detroit, paid a \$50 fine for reckless driving and improper lane usage. At his trial in September he was found guilty.

Three fines were levied against Patricia Turner of 20741 Tuck road, Farmington. She paid \$10 for driving without a Michigan drivers license, \$10 for a defective exhaust and \$10 for no Michigan license plates.

Miss Turner pleaded guilty to all three charges.

Virgin D. Collins of 21545 Oxford road, Farmington was fined \$10 for hunting without a permit on 12 Mile road.

Louise J. Gustafson of 1914 Austin, Walled Lake, was fined \$15 for passing an unloading school bus on West Lake drive on December 12.

A fine of \$10 for driving with defective lights was paid by Gary S. Mayhew of 20741 Tuck road, Farmington.

DAMAGE SURVEYED — A pre-Christmas fire has destroyed the plans of Mr. and Mrs. George Lindoerfer, 23910 Woodham in Echo Valley subdivision. The living room, dining room and kitchen area of the home were completely gutted. In the above picture, Novi firemen and policemen inspect the damage in the living room. The big picture window is out — a Christmas tree decorated the space only a few hours before. In the bottom photo, a fireman appears startled by a popping flashbulb as he and others prepare to remove the debris from the Lindoerfer home. Four fire departments helped put out the fire which was extinguished in about 3½ hours.

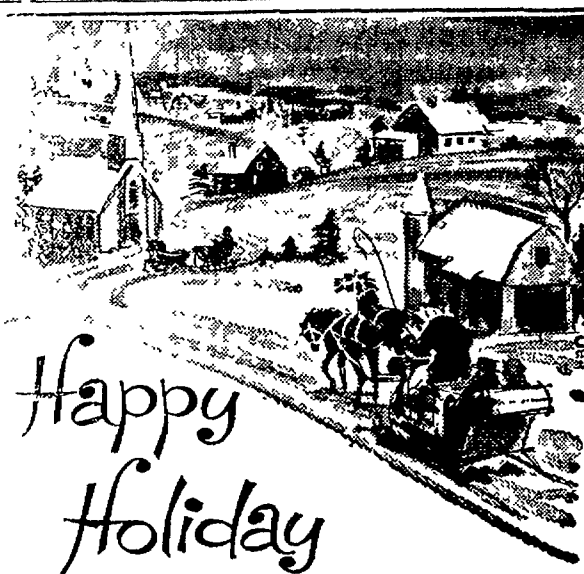

Tallest Indoor Tree?

(Continued)
es before bringing it indoors.
"It's hard to handle such a big tree so all the branches were sawed off," Ann explained, "and holes drilled in the trunk."
"Then all the branches and holes were numbered."
Once inside, the tree was put together methodically and quickly. The branches were forced into the trunk and are not held with glue or nails.
Next the Nortons decorated the tree. Its sparkle is provided by seven strings of

lights, 120 feet of garland, five boxes of ornaments and some trinkets Jean made in school.
"The only thing we couldn't do was put an ornament on top," Ann pointed out. "It touches the ceiling."
"George stood on a step ladder to trim most of the tree but he used the balcony overlooking the living room to get at the uppermost branches."
Ann likes a huge tree.
"My mother always had an artificial tree and we lived in a trailer for awhile and had a small tree."
"But a big tree makes it feel more like Christmas."
She added, "We would like to know if we have the tallest indoor tree in Northville. We

have had such a tree for three years."

Obituary Albert Atherton, 42, Chrysler Official, Dies

Albert E. Atherton, a Novi resident and executive for Chrysler corporation, was buried Monday afternoon in Cheektowaga, New York.

Mr. Atherton, comptroller of the Dodge Truck division of the automaker, was dead on arrival last Wednesday night at St. Mary hospital after suffering a heart attack.

Visitation was held Thursday and Friday at the Casterline funeral home before the body was shipped to the U-

HELEN J. HARPER

Services were held Monday in Santa Barbara, California for Mrs. Helen J. Harper, a former Northville resident. Mrs. Harper died Saturday after a short illness. She was 95. Interment will be in Santa Barbara. Mrs. Harper came to Northville 20 years ago and her husband George C. who died in 1962 was a well-known artist. The couple lived on Orchard drive. Mrs. Harper was a member of the Women's club of Northville. Surviving are three daughters, Mrs. Peter Yost of Plymouth, Mrs. Morton Noble of Santa Barbara and Mrs. Steven Armstrong of Sarasota, Florida and two sons, John C. of Plymouth and James A. of Boca Raton, Florida.

EVON JOHN METOFF

Services were held at 1 p.m. Monday for Evon John Metoff at the Casterline funeral home with the Reverend S. D. Kinde officiating. Burial was in Rural Hill cemetery. A resident of Northville for 25 years, Mr. Metoff, 67, lived at 19484 Gerald. His body was found Thursday at his home but the county medical examiner said he died December 12. Mr. Metoff, a native of Sofia, Bulgaria, was a retired greens keeper at Plum Hollow country club and operated a goat farm. He is survived by his wife, Grace; a son, Henry, of Garden City, two grandchildren and a brother in Bulgaria.

Hurt in Accident

Wilfred Schaum, a bartender at the Paddock Inn on Main street in Northville, was injured early Saturday morning when his car hit a utility pole on Main street near the Ford plant. Police said Schaum suffered a broken jaw and ribs and possibly a fractured shoulder. He is expected to be hospitalized for a week. Schaum lives at 12841 Sioux in Detroit.

p.m.
Wednesday 7:00 to 7:45 p.m.
Sundays 2:00 to 4:00 p.m.
Christian healing will be the
theme of a Bible Lesson to be
presented in all Christian Sci-
ence churches this Sunday. The
subject is "Christian Science."
Included in the Scriptural
readings are the words of Jes-
us: "But the Comforter, which
is the Holy Ghost, whom the
Father will send in my name,
he shall teach you all things,
and bring all things to your
remembrance, whatsoever I
have said unto you" (John
14:26).

Related readings from "Sci-
ence and Health with Key to
the Scriptures" by Mary Baker
Eddy will include these
lines (p. 271): "Christ's Chris-
tianity is the chain of scientific
being reappearing in all ages,
maintaining its obvious cor-
respondence with the Scrip-
tures and uniting all periods
in the design of God."

The Mystic Christmas
"First that which is natural
Afterward that which is
Spiritual"
"All hail!" the bells of
Christmas rang,
"All hail!" the monks at
Christmas sang,
The merry monks who kept
with cheer,
The gladdest day of all the
year.
But still apart unmoved
thereat
A pious elder brother sat,
Silent in his accustomed
place,
With God's sweet peace upon
his face.
"Why stit'st thou thus?" his
brethren cried.
"It is the blessed Christmas-
tide;
The Christmas lights are all
aglow,
The sacred lilies bud and
blossom."
"Above our heads the joy
bells ring,
Without the happy children
sing,
And all God's creatures hail
the morn
On which the holy Christ was
born
"Rejoice with us no more
rebuke
Our gladness with thy quiet
look."
The gray monk answered:
"Keep I pray
Even as ye list the Lord's
birthday.
"Let heathen Yule fires flick-
er red
Where thronged refectory
feasts are spread;
With mystery-play and mask
and mime
And wait-song speed the holy
time.
"The blindest faith may
haply save,
The Lord accepts the things
we have,
And reverence howsoever it
strays,
May find at last the shining
ways.
"They needs must grope who
cannot see
The blade before the ear must
be;
As ye are feeling I have felt,
And where ye dwell I too
have dwelt.
"But now, beyond the things
of sense,
Beyond occasions and events,
I know, through God's
exceeding grace,
Release from form and time
and place.
"I listen, from no mortal
tongue,
To hear the song the angels
sung;
And wait within myself to
know
The Christmas lilies bud and

blow,
"The outward symbols dis-
appear
From him whose inward
sight is clear;
And small must be the choice
of days
To him who fills them all
with praise!
"Keep while you need it,
brothers mine
With honest zeal your
Christmas sign,
But judge not him who every
morn
Feels in his heart the Christ,
new-born."

John Greenleaf Whittier
The Quaker Poet
Oh God make, Christ so
real to us in inward con-
scious realization at this joy-
ful and miraculous season of
the year that all outward
symbols and divisive ideas
shall be lost in the reality of
that "oneness" for which
Jesus prayed. "That the
world may believe" — That
Peace on earth, good will
among men may be manifest
in a practical way rather than
being only a beautiful senti-
ment.

IN THE WAKE OF A SONG

THE CHURCH FOR ALL
ALL FOR THE CHURCH
The Church is the greatest
factor on earth for the build-
ing of character and good
citizenship. It is a storehouse
of spiritual values. Without
a strong church, neither
democracy nor civilization
can survive. There are four
sound reasons why every
person should attend services
regularly and support the
church. They are: (1) For his
own sake. (2) For his chil-
dren's sake. (3) For the sake
of his community and nation.
(4) For the sake of the church
itself, which needs his moral
and material support. "Plan
to go to church regularly
and read your Bible daily."

Awarded Degrees

Michigan State University awarded degrees to more than 1,100 students at fall term commencement exercises December 11.

Northville residents receiving bachelor degrees were Peter Gross, 625 Novi street and Jane A. Hammond, 549 Grace.

Some 733 bachelor, 326 master and 114 doctoral degrees were conferred during the ceremony. U.S. Senator Philip A. Hart, the commencement speaker, was given an honorary doctor of laws degree.

The fall term at MSU closed Friday.

TREAT YOUNGSTERS — Members of the future teachers club at Northville high school are shown here preparing gifts and favors for children at Our Lady of Providence school on Beck road. The items were distributed Monday afternoon during a party at the school. Miss Betty Leavitt is the group's sponsor. Pictured are (left to right) Chris Deibert, Jean Downer, Bonnie Rorabacher, Carol Yahne and Cathy Martin.

IN NASSAU — Mr. and Mrs. George Merwin, 43461 Cottisford, enjoyed the balmy breezes of Nassau in the Bahamas recently. They are shown here attending a party at the Nassau Harbor Club for participants in the 11th annual Bahamas Speed Week. Merwin attended the Speed Week event as an assignment of his Ford Motor company duties.

SHADBROOK SANTAS — As a neighborhood project, ladies in Shadbrook subdivision have been active in helping patients at Northville State hospital. They have equipped a ward at the hospital with linens and provided a used piano and television set. To top off their project the ladies gathered last Wednesday night at the home of Mrs. Orlo Hove, 18395 Pinebrook, to wrap Christmas gifts for the 48 patients in the ward.

Ordinance No. 37 — Village of Novi Water Supply System

The Northville Record—Novi News—Wednesday, Dec. 23, 1964
Section Two — Page Four

ORDINANCE NO. 37
AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF A WATER SUPPLY SYSTEM FOR THE VILLAGE OF NOVI; TO PROVIDE FOR THE ISSUANCE AND SALE OF REVENUE BONDS TO PAY THE COST THEREOF; TO PROVIDE FOR THE FIXING, COLLECTION, SEGREGATION AND DISPOSITION OF THE REVENUES OF SAID WATER SUPPLY SYSTEM AND PAYMENT OF SAID BONDS OUT OF THE REVENUES THEREOF; AND CREATING A STATUTORY LIEN ON SAID REVENUES.

THE VILLAGE OF NOVI ORDAINS:

Section 1. It is hereby determined to be necessary for the public health and welfare of the Village of Novi to acquire and construct a Water Supply System for the Village, and in order to accomplish such purpose the Village will purchase all of the physical assets and property rights of the Willowbrook Water System presently being operated as a private water supply system within the Village, except for the wells, well sites and appurtenant equipment of said system which the Village shall lease until water service from the City of Detroit becomes available, and the Village will also construct certain new transmission mains with necessary attachments and appurtenances (all of such acquisition and construction hereinafter referred to as the "Project"), said new mains to be constructed in accordance with the plans and specifications therefor prepared by Johnson & Anderson, Inc., consulting engineers, Pontiac, Michigan, which said plans and specifications are hereby approved.

Section 2. The cost of said Project has been estimated to be Two Hundred Ten Thousand (\$210,000.00) Dollars, including the payment of incidental expenses as specified in Section 3 of this Ordinance, which estimate of cost is hereby approved and confirmed, and the period of usefulness of said Project is estimated to be not less than forty (40) years. Of said total estimated cost the sum of Sixty-Two Thousand Five Hundred (\$62,500.00) Dollars thereof shall be used for purchase of the Willowbrook System.

Section 3. To pay part of the cost of acquiring and constructing the Project, including the payment of legal, engineering and financial expenses, and other expenses incident thereto and incident to the issuance and sale of the bonds, it is hereby determined that the Village of Novi borrow the sum of Two Hundred Ten Thousand (\$210,000.00) Dollars and that revenue bonds be issued therefor pursuant to the provisions of Act 94, Public Acts of Michigan, 1933, as amended, which bonds are referred to in this ordinance as "the bonds".

Whenever the words "the System" or "System" are used in this Ordinance, they shall be understood to mean the complete Water Supply System of the Village of Novi, including all plants, works, instrumentalities and properties used or useful in connection with obtaining a water supply, the treatment of water, and the distribution of water, either now in existence, acquired pursuant to this Ordinance, or hereafter acquired.

Whenever the words "revenues" and "net revenues" are used in this Ordinance, they shall be understood to have the meanings as defined in section 3, Act 94, Public Acts of Michigan, 1933, as amended.

Section 4. Said bonds shall be designated WATER SUPPLY SYSTEM REVENUE BONDS and shall be payable solely, and only out of the net revenues of the System, and shall consist of either forty-two (42) bonds of the denomination of \$5,000.00 each or two hundred ten (210) bonds of the denomination of \$1,000.00 each, dated as of March 1, 1965, numbered in direct order of maturity from 1 upwards, and maturing serially as follows:

\$ 5,000.00 July 1st of each year from 1966 to 1975, inclusive; \$10,000.00 July 1st of each year from 1976 to 1988, inclusive; \$15,000.00 July 1, 1989 and 1990.

Said bonds shall bear interest at a rate or rates to be determined on public sale thereof, but in any event not exceeding five per cent (5%) per annum, payable on January 1, 1966, and semi-annually thereafter on July 1st and January 1st of each year. Both principal and

interest shall be payable in lawful money of the United States of America at a bank or trust company qualified by law to act as such paying agent, to be designated by the purchaser of the bonds, who may also designate not more than one qualified co-paying agent.

Bonds maturing in the years 1976 to 1990, both inclusive, will be subject to redemption prior to maturity, at the option of the Village, in inverse numerical order on any interest payment date on or after January 1, 1975, at par and accrued interest, plus a premium expressed in terms of a percentage of par as follows: 4% of par value on each bond called for redemption on or prior to January 1, 1978; 3% of par value on each bond called for redemption after January 1, 1978, but on or prior to January 1, 1982; 2% of par value on each bond called for redemption after January 1, 1982, but on or prior to January 1, 1986; 1% of par value on each bond called for redemption after January 1, 1986, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds, and, in case of registered bonds, thirty days notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

Said bonds may be registered as to principal only in the manner and with the effect set forth on the face thereof as hereinafter provided. Said bonds shall be signed by the President and countersigned by the Village Clerk and shall have the corporate seal of the Village impressed thereon, and shall have interest coupons attached bearing the facsimile signatures of the President and the Village Clerk.

Section 5. Said bonds and the attached coupons shall not be a general obligation or indebtedness of the Village of Novi, but shall be payable solely from the net revenues derived from the operation of the System; and to secure such payment there is hereby created a statutory first lien upon the whole of the net revenues of said System, to continue until the payment in full of the principal and interest, on said bonds.

Section 6. The holder or holders of said bonds or coupons representing in the aggregate not less than twenty per cent (20%) of the entire issue then outstanding may, by suit, action, mandamus or other proceedings, protect and enforce the statutory lien upon the revenues of said System, and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the Village of Novi, including the fixing of sufficient rates, the collecting of revenues, the proper segregation of the revenues of the System and the proper application thereof. Provided, However, that the statutory lien upon said revenues shall not be construed as to compel the sale of the System.

If there be any default in the payment of the principal or interest upon any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate said System on behalf of the Village, and under the direction of said court, and by and with the approval of said court to perform all of the duties of the officials of said Village, more particularly set forth herein and in Act 94, Public Acts of Michigan, 1933, as amended.

The holder or holders of any such bonds or any coupons therefrom shall have all other rights and remedies given by said Act 94, Public Acts of Michigan, 1933, as amended, for the collection and enforcement of said bonds and the security therefor.

Section 7. The operation, repair and management of the System and the acquiring of the Project herein authorized shall be under the supervision and control of the Village Manager, subject, however, to general control and supervision of the Village Council.

Section 8. The rates to be charged for water service furnished by the System shall be as follows:

Water Service Rates
The water service rate shall be measured by the water meter located on each premises and shall be as follows per quarter:

5/8 meter - Minimum bill - \$6.00 per quarter
3/4" meter - Minimum bill - \$7.00 per quarter
1" meter - Minimum bill - \$8.50 per quarter
1 1/2" meter - Minimum bill - \$12.00 per quarter
Basic rates cover up to 7,500 gallons for 5/8" meter;
10,500 gallons for 3/4" meter;
15,000 gallons for 1" meter;
25,000 gallons for 1 1/2" meter.

For water used in excess of basic allowances, a charge of 40 cents per 1,000 gallons, or fraction thereof, will be made.

Each user will pay the cost of purchase and installation of a meter on the premises. Prior to installation of a meter each user will pay a flat rate of \$12.45 for each quarter or portion thereof during which the premises receives water service.

Water Tap Fee
For the privilege of tapping into the Water Supply System of the Village, each premise shall pay the sum of \$200.00.

Hydrant Rental
In consideration of fire protection and the general benefits accruing to the Village-at-large from the Water Supply System the Village will pay annually, in equal quarterly amounts, from its general funds, or other sums available for such purpose, the following hydrant rental charges: \$300.00 per hydrant for the first 40 hydrants in the System
\$150.00 per hydrant for the next 30 hydrants in the System
\$100.00 per hydrant for all hydrants in the System over 70.

Miscellaneous
Turn-on or turn-off at any time \$3.00
Meter test \$5.00
Minimum bill per quarter during vacancy \$3.00
Minimum bill per quarter during construction \$2.00

Special Rates
For miscellaneous services for which, in the judgment of the Village Council, a special rate should be established, such rates shall be fixed and established by the Village Council.

Billing
Billing for water charges shall be made quarterly and shall be due and payable thirty (30) days after date of such bill, with a penalty of 10% added to the bill if not paid when due.

Enforcement
The charges for water services which are under the provisions of Section 21, Act 94, Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such lien and whenever any such charge against any piece of property shall be delinquent for six (6) months, the Village official or officials in charge of the collection thereof shall certify annually, on March 1st of each year, to the tax-assessing officer of the Village the fact of such delinquency, whereupon such charge shall be by him entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general Village taxes against such premises are collected and the lien thereof enforced. Provided, However, where notice is given that a tenant is responsible for such charges and service as provided by Section 21, no further service shall be rendered such premises until a cash deposit of not less than \$14.00 shall have been made as security for payment of such charges and service. Such deposit shall be in addition to a \$10.00 deposit required of all customers when service is turned on.

In addition to other remedies provided, the Village shall have the right to shut off and discontinue the supply of water to any premises for the non-payment of water charges when due. If such charges are not paid within thirty (30) days after the due date thereof, then water services to such premises shall be discontinued. Water services so discontinued shall not be restored until all sums then due and owing shall be paid, plus the turn-on charge.

Section 9. No free service shall be furnished by said System to any person, firm or

corporation, public or private, or to any public agency or instrumentality.

Section 10. The rates hereby fixed are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of said System as are necessary to preserve the same in good repair and working order, to provide for the payment of the interest upon and the principal of all the bonds as and when the same become due and payable, and the creation of the reserve therefor required by this Ordinance, and to provide for such other expenditures and funds for said System as this Ordinance may require. Such rates shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed at all times to fix and maintain such rates for services furnished by the System as shall be sufficient to provide for the foregoing.

Section 11. The System shall be operated on the basis of an operating year commencing on July 1st and ending on the 30th day of the following June.

Section 12. From and after inception of operation of the System by the Village, the revenues thereof shall be set aside, as collected, and deposited in a depository account in National Bank of Detroit, Novi, Michigan branch, a bank duly qualified to do business in Michigan, in an account to be designated WATER SUPPLY SYSTEM RECEIVING FUND (hereinafter, for brevity, referred to as the "Receiving Fund"), and said revenues so deposited are pledged for the purpose of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified.

(A) OPERATION AND MAINTENANCE FUND:

Out of the revenues in the Receiving Fund there shall be first set aside, quarterly, into a depository account designated OPERATION AND MAINTENANCE FUND a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operation of the System and such current expenses for the maintenance thereof as may be necessary to preserve the same in good repair and working order.

The Village Council, prior to the commencement of each operating year, shall adopt a budget covering the foregoing expenses for each year, and such total expenses shall not exceed the total amount specified in said budget, except by a vote of four-fifths (4/5) of the members-elect of the Village Council.

(B) BOND AND INTEREST REDEMPTION FUND

There shall next be established and maintained a separate depository account designated BOND AND INTEREST REDEMPTION FUND, the moneys on deposit therein from time to time to be used solely for the purpose of paying the principal of and interest upon the bonds hereby authorized. The moneys in the Bond and Interest Redemption Fund (including the Bond Reserve Account hereinafter established) shall be kept on deposit with the bank or trust company where the principal of and interest on the bonds herein authorized are currently payable.

Out of the revenues remaining in the Receiving Fund, after provision has been made for expenses of operation and maintenance of the System, there shall next be set aside, quarterly, in the Bond and Interest Redemption Fund a sum proportionately sufficient to provide for the payment of the principal of and interest upon all outstanding bonds payable from the revenues of the System, as and when the same become due and payable.

Commencing July 1, 1965, the amount so set aside for interest each quarter during the first (6) months of each operating year shall not be less than one-half (1/2) of the total amount of interest maturing on the following January 1st, and the amount so set aside for interest each quarter during the last six (6) months of each operating year shall be not less than one-half (1/2) of the total amount of interest maturing on the following July 1st. The amount so set aside for principal during each quarter during each operating year, commencing July 1, 1965, shall be not less than one-fourth (1/4)

of the amount of principal maturing on the July 1st following such operating year. If there shall be any deficiency in the amount previously required to be set aside, then the amount of such deficiency shall be added to the current requirements.

There is hereby established in the Bond and Interest Redemption Fund a separate account to be known as the Bond Reserve Account, into which there shall be paid, in equal quarterly installments, from the revenues of the System after provision has been made for the Operation and Maintenance Fund and the current requirements of the Bond and Interest Redemption Fund, the sum of Five Thousand (\$5,000.00) Dollars during each of the operating years beginning July 1, 1965 through 1968, inclusive, so that the said Bond Reserve Account totals the sum of Twenty Thousand (\$20,000.00) Dollars not later than the close of the operating year commencing July 1, 1968. Except as hereinafter provided, no further deposits need be made into the Bond and Interest Redemption Fund for the purposes of the Bond Reserve Account once the sum of Twenty Thousand (\$20,000.00) Dollars has been deposited therein. The moneys in the said Bond Reserve Account shall be used solely for the payment of the principal and interest on said bonds as to which there would otherwise be default.

If, at any time, it shall be necessary to use moneys in the Bond Reserve Account for such payment, then the moneys so used shall be replaced from the net revenues first received thereafter which are not required by this Ordinance to be used for operation and maintenance or for current principal and interest requirements.

No further payments need be made into the Bond and Interest Redemption Fund after enough of the bonds have been retired so that the amount then held in said fund (including the Bond Reserve Account), is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the bonds then remaining outstanding.

(C) REPLACEMENT FUND

There shall next be established and maintained a separate depository account designated REPLACEMENT FUND, the moneys from time to time on deposit therein which shall be used solely for the purpose of making major repairs and replacements to the System.

There shall be deposited into said fund, in equal quarterly installments during each of the operating years beginning July 1, 1965 through July 1, 1969, after meeting all of the foregoing requirements, the sum of Two Thousand (\$2,000.00) Dollars so that a total Replacement Fund of Ten Thousand (\$10,000.00) Dollars shall be established. If, at any time, it shall be necessary to use moneys in the Replacement Fund for the purpose for which said fund was established, the moneys so used shall be replaced from any moneys in the Receiving Fund which are not required by this Ordinance to be used for the Operation and Maintenance Fund or the Bond and Interest Redemption Fund (including the Bond Reserve Account).

(D) IMPROVEMENT FUND

Out of the remaining revenues in the Receiving Fund, there may be set aside quarterly, after meeting the requirements of the foregoing funds, in a fund to be designated IMPROVEMENT FUND, such sum as the Village Council may deem advisable to be used for improvements, enlargements and extensions to the System.

(E) SURPLUS MONEYS

Moneys remaining in the Receiving Fund at the end of any operating year, after full satisfaction of the requirements of the foregoing funds may, at the option of the Village Council, be transferred to the Bond and Interest Redemption Fund and used for the purpose of calling bonds for redemption or prior to the first call date only purchasing bonds on the open market at not more than the first call price thereof, transferred to the Improvement Fund and used for improvements, enlargements and extensions to the System or used for any other purpose permitted by law. Provided, However, that if there should be any deficit in the Operation and Maintenance Fund, Bond and Interest Redemption Fund (including the Bond Reserve Account) or the Replacement Fund on account of defaults in setting aside therein the

amounts hereinbefore required, then transfers shall be made from the moneys remaining in the Receiving Fund at the end of any operating year to such funds in the priority and order named, to the extent of such deficits.

(F) BANK ACCOUNTS

Moneys in the several funds and accounts established pursuant to this Ordinance, except moneys in the Bond and Interest Redemption Fund (including the Bond Reserve Account) and moneys derived from the proceeds of sale of the bonds, may be kept in one bank account, in which event the moneys in said bank account shall be allocated on the books and records of the Village to the funds and accounts herein established, in the manner and at the times as provided in this Ordinance.

Section 13. In the event the moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund or the Bond and Interest Redemption Fund, any moneys and/or securities in other funds of the System shall be transferred first to the Operation and Maintenance Fund, and second, to the Bond and Interest Redemption Fund to the extent of any deficit therein.

Section 14. Moneys in the Bond and Interest Redemption Fund and moneys in any other fund, including the Receiving Fund and the Operation and Maintenance Fund, and moneys derived from the proceeds of sale of the bonds, may be invested in obligations of the United States of America subject to limitations prescribed in Act 94, Public Acts of Michigan, 1933, as amended. In the event such investments are made, the securities representing the same shall be kept on deposit with the bank or trust company having deposited the fund or funds from which such purchase was made. Income received from such investments shall be credited to the fund from which said investments were made.

Section 15. Said bonds shall be sold and the proceeds applied in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended.

Section 16. The proceeds of the sale of the bonds herein authorized to be issued shall be deposited in National Bank of Detroit, Novi, Michigan branch, a bank qualified to act as depository of the proceeds of sale under the provisions of Section 15 of Act 94, Public Acts of Michigan, 1933, as amended. From the proceeds of sale of the bonds there shall be immediately transferred to the Bond and Interest Redemption Fund, the accrued interest and premium, if any, received on sale and delivery of the bonds. The balance of such proceeds shall be applied solely in payment of the cost of the project hereinbefore described and any engineering, legal and other expenses incident thereto and to the financing thereof. Payments for construction, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the Village Manager a signed statement to the effect that the work has been completed in accordance with the plans and specifications therefor, that it was done pursuant to and in accordance with the contract therefor, and that such work is satisfactory.

Any unexpended balance of the proceeds of sale remaining, after completion of the project herein authorized, may, in the discretion of the Village Council, and to the extent of fifteen per cent (15%) of the amount of the bonds authorized by this Ordinance, be used for further improvements, enlargements and extensions to the System, provided that at the time of such expenditure, such use be approved by the Municipal Finance Commission. Any remaining balance after such expenditure shall be paid into the Bond and Interest Redemption Fund and shall be used for the purpose of purchasing bonds on the open market at not more than the first call price thereof, but only prior to the first call date, or used for the purpose of calling bonds for redemption.

Section 17. The Village of Novi covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest —

(a) The Village of Novi will maintain the System in good repair and working order and will operate the same efficiently and will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Michigan, including the making and collecting of sufficient rates for water services rendered by the System and the segregation and application of the revenues of the System, in the manner provided in this Ordinance.

(b) The Village Council will cause to be maintained and kept proper books of record and account separate from all other records and accounts of the Village, in which shall be made full and correct entries of all transactions relating to the System. No later than ninety (90) days after the close of each operating year, the Village Council will cause to be prepared on forms furnished by the Municipal Finance Commission, if such forms be available, a statement, in reasonable detail, sworn to by its Chief Accounting Officer, showing the cash income and disbursements of the System during each operating year, and close of the operating year, and such other information as is necessary to enable any taxpayer of the Village, or any holder or owner of the bonds, or anyone acting in their interest, to be fully informed as to all matters pertaining to the financial operation of the System during such year. A certified copy of such statement shall be filed within ninety (90) days after the close of each operating year with the Municipal Finance Commission and a copy sent to the manager of the account purchasing the bonds. Such statement and books of record and account shall, at all reasonable times, be open to inspection by any taxpayer of the Village, user of the service furnished, or any holder or owner of the bonds, or anyone acting in their behalf. The Village Council will also cause an annual audit of such books of record and account for the preceding operating year to be made each year by a recognized independent certified public accountant, and will cause such accountant to mail a copy of such audit to the manager of the syndicate or account purchasing the bonds. Such audit shall be completed and so made available not later than three (3) months after the close of each operating year, and said audit may, at the option of the Village Council, be used in lieu of the statement on forms prepared by the Municipal Finance Commission and all purposes for which said forms are required to be used by this Ordinance.

(c) The Village will maintain and carry, for the benefit of the holders of the bonds, insurance on all physical properties of the System, of the kinds and in the amounts normally carried by public utility companies and municipalities engaged in the operation of water supply systems. All moneys received for losses under any such insurance policies shall be applied solely to the replacement and restoration of the property damaged or destroyed, and to the extent not so used, shall be placed in the Bond and Interest Redemption Fund and used for the purpose of paying principal and interest on the bonds.

(d) The Village will not sell, lease or dispose of the System, or any substantial part thereof, until all of the bonds have been paid in full, both as to principal and interest. The Village further will cause the operation of the System to be carried on as economically as possible, will cause to be made to the System all repairs and replacement necessary to keep the same in good repair and working order, and will not do or suffer to be done any act which would affect the System in such a way as to impair or affect unfavorably the security of the bonds. The Village covenants that it will not grant any franchise or other rights to any person, firm or corporation to operate a water system that will compete with the System. The Village further covenants that it will cause the Project hereinafter authorized to be acquired and constructed promptly and in accordance with the plans and specifications therefor.

Section 18. The right is reserved of the Village of Novi to deem bonds maturing in the years 1976 to 1990, inclusive, at the option of the Village in inverse numerical order on any interest payment date on or after January 1, 1975, at par and accrued interest, plus a premium expressed in terms of a percentage of par as follows:

4% of par value on each bond called for redemption on or prior to January 1, 1978;
3% of par value on each bond called for redemption after January 1, 1978, but on or prior to January 1, 1982;
2% of par value on each bond called for redemption after January 1, 1982, but on or prior to January 1, 1986;
1% of par value on each bond called for redemption after January 1, 1986, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds, thirty days notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond and is not a general obligation of the Village of Novi and does not constitute an indebtedness of the Village of Novi within any constitution, statutory or charter limitation, and is payable, both as to principal and interest, solely from the revenues of the Water Supply System of the Village. The principal and interest on this bond are secured by the statutory first lien hereinbefore mentioned.

The Village of Novi hereby covenants and agrees to fix and maintain at all times while any of such rates for service furnished by said Water Supply System as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds as and when the same become due and payable, and to create a bond and interest redemption fund (including a bond reserve account) therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of said Water Supply System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for said System as are required by said Ordinance.

This bond and the interest thereon are exempt from any and all taxation whatsoever by the State of Michigan or by any taxing authority within said State.

This bond may be registered as to principal only on the books of the Village Treasurer in the name of the holder, and

(Continued on Page 5)

gross revenues of the Water Supply System of the Village of Novi, including all appurtenances, extensions and improvements thereto, after provision has been made for reasonable and necessary expenses of operation, maintenance and administration, are irrevocably pledged and a statutory first lien thereon is hereby created.

This bond is one of a series of bonds of even date and, like tenor, except as to rate of interest and date of maturity, aggregating the principal sum of \$210,000.00, numbered consecutively in direct order of maturity from 1 to , inclusive, issued pursuant to Ordinance No. . duly adopted by the Village Council on November 30, 1964, and under and in full compliance with the Constitution and statutes of the State of Michigan, including, specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying the cost of acquiring and constructing a Water Supply System for the Village.

For a complete statement of the revenues from which and the conditions under which this bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued, and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described Ordinance.

The right is reserved of re-deeming bonds maturing in the years 1976 to 1990, inclusive, at the option of the Village in inverse numerical order on any interest payment date on or after January 1, 1975, at par and accrued interest, plus a premium expressed in terms of a percentage of par as follows:

4% of par value on each bond called for redemption on or prior to January 1, 1978;
3% of par value on each bond called for redemption after January 1, 1978, but on or prior to January 1, 1982;
2% of par value on each bond called for redemption after January 1, 1982, but on or prior to January 1, 1986;
1% of par value on each bond called for redemption after January 1, 1986, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds, thirty days notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond and is not a general obligation of the Village of Novi and does not constitute an indebtedness of the Village of Novi within any constitution, statutory or charter limitation, and is payable, both as to principal and interest, solely from the revenues of the Water Supply System of the Village. The principal and interest on this bond are secured by the statutory first lien hereinbefore mentioned.

The Village of Novi hereby covenants and agrees to fix and maintain at all times while any of such rates for service furnished by said Water Supply System as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds as and when the same become due and payable, and to create a bond and interest redemption fund (including a bond reserve account) therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of said Water Supply System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for said System as are required by said Ordinance.

This bond may be registered as to principal only on the books of the Village Treasurer in the name of the holder, and

(Continued on Page 5)

KNOW ALL MEN BY THESE PRESENTS that the VILLAGE OF NOVI, County of Oakland, State of Michigan, for value received, hereby promises to pay to the bearer or, if registered, to the registered holder hereof, but only out of the revenues of the Water Supply System of the Village of Novi, including all appurtenances, extensions and improvements thereto, the sum of —

THOUSAND DOLLARS on the first day of July, A.D. 19 . . . with interest thereon from the date hereof until paid at the rate of . . . per cent (. . . %) per annum, payable on January 1, 1966, and semi-annually thereafter on the first day of July and January of each year, upon presentation and surrender of the proper interest coupons hereto attached as they severally become due. Both principal and interest on this bond are payable in lawful money of the United States of America at . . . and for the prompt payment thereof, the

Ordinance No. 37 (continued)

such registration noted on the back hereof by the Village Treasurer, after which no transfer shall be valid unless made on the books and noted hereon in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the Village of Novi, County of Oakland, State of Michigan, by its Village Council, has caused this bond to be signed in the name of said Village by its President and to be countersigned by its Village Clerk and the corporate seal of the Village to be hereunto affixed, and has caused the annexed interest coupons to be signed by the facsimile signatures of its President and Village Clerk, all as of the first day of March, A.D., 1965.

Section 20. The Village Clerk is hereby authorized and directed to make application to the Municipal Finance Commission for authority to issue and sell said bonds and for approval of the form of notice of sale of said bonds in accordance with the provisions of Act 202, Public Acts of Michigan, 1943, as amended, and of Act 94, Public Acts of Michigan, 1933, as amended.

Section 21. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 22. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

Section 23. This Ordinance shall be published in full in the Novi News, a newspaper of general circulation in the Village of Novi, qualified under State law to publish legal notices, within two (2) weeks after its adoption, and the same shall be recorded in the Ordinance Book of the Village and such recording authenticated by the signatures of the President and Village Clerk.

Section 24. This Ordinance is hereby determined by the Village Council to be immediately necessary for the preservation of the peace, health and safety of the Village and shall become effective immediately upon its adoption.

Novi Methodist Church News The Christmas eve service will be held at 11 o'clock in the New Hudson Methodist church for both Novi and New Hudson churches with the combined choirs participating.

The WSCS is responsible for the new wreaths which decorate the front of the church. They also supervised the placement of the carolers. At the last meeting the WSCS received a good collection which they will use to buy clothing for the children at Plymouth State Home.

Missionary Miss Shaw on leave from Pusan, Korea, will be speaking at the 9 a.m. church service January 7.

The church program was held at the church at 5 o'clock on Sunday, December 20.

The MYF had their tree trimming party Saturday night and it was very well attended. They had popcorn balls and punch for refreshments. They also wrapped gifts for the nursery children of the church and trimmed the basement with red Christmas bells. The MYF also presented the discussion group with chocolate santas and the church school with Christmas suckers.

At church school the fourth candle in the Advent wreath was lit and the Shepherds were added.

Sunday morning church service by Rev. Webster was entitled "How to Worship". Mrs. Celia Sharpe was the guest organist and Mr. Craig sang a solo "I wonder as I Wander". Next Sunday December 27 is Student Recognition Day and January 5, 1965 is Communion Sunday.

The discussion group leaders on Sunday were Mr. and Mrs. Keith Branch. Their topic "The Case of the Unproved Accusations" taken from the book "None Dare to Call it Treason". Hostesses for the day were Mr. and Mrs. Hugh Crawford.

The Christmas tree in front of the Novi Methodist church was decorated by the Novi Board of Commerce. The church people wish to thank the board of Commerce for choosing their tree for decoration.

Novi Girl Scouts "Brownie Troop 351 met Tuesday December 15. There were 18 girls and 10 parents present for the investiture ceremony. The girls invested were Susan Burton, Tammy Chapman, Rebecca Cox, Julie Dingman, Kerrie Haley, Brenda Ingram, Linda King, Spring Lamont, Cheryl Lenton, Shawn Lovett, Irene Noble, Sandy Noble, Judy Osborn, Diana Rock, Veronica Romanow, Lucine Taffral, Wendy Warren, Juanita Whittinghill and Angela Sinicola.

New committee people are Mr. and Mrs. Romanow. After the meeting coffee, cake and pop was served.

Applications are still being accepted for positions of Neighborhood Service Team, that is neighborhood chairman, troop organizer and troop consultant for the term ending June 1965. You do not need to be a registered adult scout to apply and there is training available for any of these positions. Anyone interested or knowing of anyone who could fill these jobs contact Mrs. Alvin Killen at FI 9-2176 chairman of the nominating committee.

Calendar chairman Mrs. Martin Willacker gave a report at the neighborhood association meeting indicating that four troops sold total of 346 calendars. Anyone not receiving one or who may want one for Christmas giving may obtain from Mrs. Robert Skellenger FI 9-2792.

Senior Scouts are advised to contact their senior advisor, Mrs. Donald Cook GR 4-5757 regarding the new program entitled L.I.T.: Leader in Training, as opportunities are coming up in January.

Sunday afternoon will mark the 50th wedding anniversary of the Sidney S. Litsenbergers, 111 East Dunlap. They were married in 1919 in Allegan county. Mr. Litsenberger is the village blacksmith. The Litsenbergers are the parents of ten children, and have 20 grandchildren and two great grandchildren.

About 700 children from Northville and surrounding area will be guests of the Northville Exchange club at 6 p.m. Saturday at the community Christmas tree festivities at the village hall.

The Northville basketball team lost a tight game to Farmington Tuesday night by the score of 22-21. Northville led at the end of the first quarter, 4-2.

Flames which village officials believe originated from a defective chimney did considerable damage at 3 p.m. Wednesday, December 20 at the home of Myron Robbins, 618 Carpenter. Practically the entire second story was ruined by flames.

A dog pack is suspected of killing 25 chickens and two turkeys Saturday morning in a coop of 23777 Novi road near 10 Mile. Justice of the Peace Robert Anderson must investigate the premises to verify the destruction and fix the financial loss. Under the law, the county must then reimburse Hellwege for the loss.

A 20-year-old escapee from the Detroit House of Correction — who simply walked away from the prison — was picked up by Novi police while hitchhiking along Grand River. Police Chief Lee BeGole said the inmates clothes "look like something out of DeHoCo." He was right.

A hearing to air the circumstances surrounding the dismissal of police officer Roman Nowicki was called for Tuesday night by the city council at its Monday night meeting. Nowicki requested the public hearing under regulations governing the dismissal of city employees.

Lewis D. Crusoe was elected president of the Novi citizens committee. Others elected were: Galah Fried, first vice president; C. A. Smith, second vice president and Mrs. Virginia Noble, secretary-treasurer.

FIFTEEN YEARS AGO Nelson C. Schrader Jr.

let was 1 can of canned goods which were distributed to the needy.

Our blessings go to Mr. William Osborn and his children of Novi who were baptized by Rev. Peter Tonella at the 10 a.m. service Sunday December 12.

Holy Cross Christmas eve services will be held at the Orchard Hills school gym on Quince Drive and Ten Mile road Novi at 11:30 p.m. Service will consist of the blessing of the crèche, Holy Communion and Christmas Carols.

Mrs. Peter Tonella will sing a solo "O Holy Night" at the Christmas day service at 10 a.m. in Orchard Hills gym.

Anyone who has any questions about the Episcopal Religion is invited to attend the weekend inquiring and confirmation classes at the Vicarage.

44080 Marlson drive, Novi, on Thursday at 8 p.m. Confirmation classes for teens Saturdays at 4 p.m. also at the Vicarage.

An unusual telecast which is a 30 minute interview in which Bishop Emerich of the Episcopal church will give his year end report on WWJ-TV from 7 to 7:30 p.m. on Christmas day. Be sure to tune in on this report.

Novi Methodist Church News The Christmas eve service will be held at 11 o'clock in the New Hudson Methodist church for both Novi and New Hudson churches with the combined choirs participating.

The WSCS is responsible for the new wreaths which decorate the front of the church. They also supervised the placement of the carolers. At the last meeting the WSCS received a good collection which they will use to buy clothing for the children at Plymouth State Home.

Missionary Miss Shaw on leave from Pusan, Korea, will be speaking at the 9 a.m. church service January 7.

The church program was held at the church at 5 o'clock on Sunday, December 20.

The MYF had their tree trimming party Saturday night and it was very well attended. They had popcorn balls and punch for refreshments. They also wrapped gifts for the nursery children of the church and trimmed the basement with red Christmas bells. The MYF also presented the discussion group with chocolate santas and the church school with Christmas suckers.

At church school the fourth candle in the Advent wreath was lit and the Shepherds were added.

Sunday morning church service by Rev. Webster was entitled "How to Worship". Mrs. Celia Sharpe was the guest organist and Mr. Craig sang a solo "I wonder as I Wander". Next Sunday December 27 is Student Recognition Day and January 5, 1965 is Communion Sunday.

The discussion group leaders on Sunday were Mr. and Mrs. Keith Branch. Their topic "The Case of the Unproved Accusations" taken from the book "None Dare to Call it Treason". Hostesses for the day were Mr. and Mrs. Hugh Crawford.

The Christmas tree in front of the Novi Methodist church was decorated by the Novi Board of Commerce. The church people wish to thank the board of Commerce for choosing their tree for decoration.

Novi Girl Scouts "Brownie Troop 351 met Tuesday December 15. There were 18 girls and 10 parents present for the investiture ceremony. The girls invested were Susan Burton, Tammy Chapman, Rebecca Cox, Julie Dingman, Kerrie Haley, Brenda Ingram, Linda King, Spring Lamont, Cheryl Lenton, Shawn Lovett, Irene Noble, Sandy Noble, Judy Osborn, Diana Rock, Veronica Romanow, Lucine Taffral, Wendy Warren, Juanita Whittinghill and Angela Sinicola.

New committee people are Mr. and Mrs. Romanow. After the meeting coffee, cake and pop was served.

Applications are still being accepted for positions of Neighborhood Service Team, that is neighborhood chairman, troop organizer and troop consultant for the term ending June 1965. You do not need to be a registered adult scout to apply and there is training available for any of these positions. Anyone interested or knowing of anyone who could fill these jobs contact Mrs. Alvin Killen at FI 9-2176 chairman of the nominating committee.

Calendar chairman Mrs. Martin Willacker gave a report at the neighborhood association meeting indicating that four troops sold total of 346 calendars. Anyone not receiving one or who may want one for Christmas giving may obtain from Mrs. Robert Skellenger FI 9-2792.

Senior Scouts are advised to contact their senior advisor, Mrs. Donald Cook GR 4-5757 regarding the new program entitled L.I.T.: Leader in Training, as opportunities are coming up in January.

Sunday afternoon will mark the 50th wedding anniversary of the Sidney S. Litsenbergers, 111 East Dunlap. They were married in 1919 in Allegan county. Mr. Litsenberger is the village blacksmith. The Litsenbergers are the parents of ten children, and have 20 grandchildren and two great grandchildren.

About 700 children from Northville and surrounding area will be guests of the Northville Exchange club at 6 p.m. Saturday at the community Christmas tree festivities at the village hall.

NEWS FROM WILLOWBROOK

Vi Myers GR 4-8015
Mr. and Mrs. Robert Waugh of E. LeBost drive attended the marriage of Mr. Waugh's sister, Lynn Waugh to Mr. James Smith at the Bethel Baptist church in Kalamazoo, on Saturday afternoon. Mr. Waugh gave the bride away and his daughter Janice was maid of honor. Reception following the ceremony was held at the church. The Waughs then spent the weekend in Kalamazoo visiting Mrs. Waugh's parents, Mr. and Mrs. H. W. Peters.

Mr. and Mrs. John Parent of W. LeBost drive had as house guests for the weekend, Mr. and Mrs. Richard Zimmerman of Grand Rapids.

Nellie Taylor of Malott drive entertained neighbors and friends at an open house Christmas tea on Monday afternoon. Those present were Linda Gering, Donna Reed, Jo Geiger, Nina Keith, Barbara Branch, Audrey Blackburn, Cathy Reynolds, all of Willowbrook, Vicki Kness of Lake Angela and daughter-in-law, Mary Taylor of Birmingham.

The Ronald Jennings of Hollydale had dinner at Carl's Chop House on Monday evening. The dinner was given by the Dairy Technical association.

The Stephen Daveys of W. 10 Mile road had a busy week last week. On Tuesday evening they were guests at a dinner and Christmas party at Eddie Pawl's Restaurant on Detroit's East Side. Wednesday evening they were again guests for a dinner and Christmas party at the Sylvan Glen Country Club. Both dinners and parties were State Farm Insurance functions. The Daveys are expecting their daughter Karen home Wednesday from Great Lakes Christian College in Beamsville, Ontario for the Christmas holidays.

Fran and Charles Habermehl of Glen Ridge court were guests of Cassie and Denny Balcerzak of Farmington Tuesday evening at a birthday party for their nephew John Find-

lay. The grownups celebrated the birthday by having champagne, then cake and coffee before departing for home.

David Wilson, four year old son of the David Wilsons of Hollydale participated in a "re-run" of the Nativity Scene at Our Lady of Victory Tuesday evening. The Wilsons were guests at a cocktail party Saturday evening at Dee and Gene Schoeneich's of McMahon Circle.

Debbie Ward, daughter of Mr. and Mrs. Lester Ward of E. LeBost entertained by dancing at a Christmas party at the Veterans Hospital in Ann Arbor, Saturday evening.

Mr. and Mrs. Reid and family of McMahon circle left Wednesday to visit their respective parents, Roy and Mabel

Mitch and Mr. and Mrs. Saylor Reid, both of S. Vienna, Ohio for the holidays. The Reid girls, Kathy, Mary Ruth, Amanda and Beth will go on to Logan, Ohio to visit their many friends.

Mr. and Mrs. Errol Myers of Border Hill road have as house guests, Mrs. Myers' sister, and family, Mr. and Mrs. Wilfred Clarke and son Jerry of Mundelein, Illinois, for the Christmas holidays.

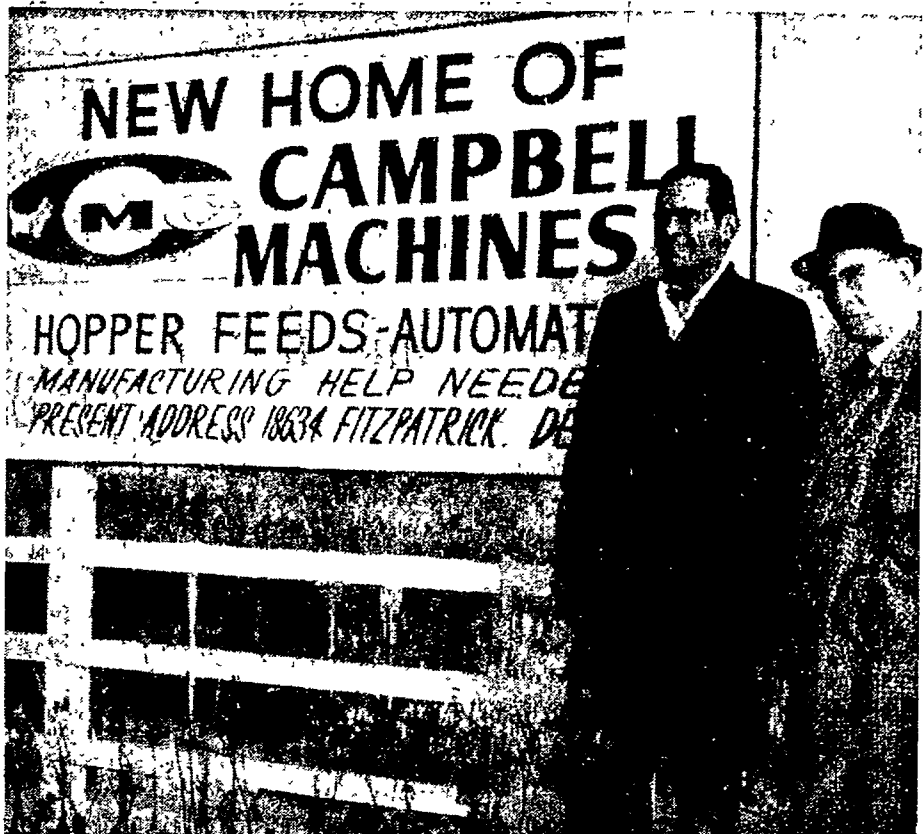

Tuesday Penochle met at Agnes Driscoll's house in Livonia. They exchanged gifts and had their Christmas party. Mary Jane Goyt won first prize, Helen Waugh second, Jean Huston third and Aldean Carter consolation.

I wish you all a very, Merry Christmas.

SPEAKING for The Record

By BILL SLIGER

Area officials gained some information but little satisfaction at a township hall meeting last week with state and county road authorities.

The subject was the proposed I-96 expressway, slated to be constructed just east of Haggerty from I-96 in Novi north of Ten Mile to the intersection of Schoolcraft and Haggerty.

The expressway then becomes the Jeffries freeway continuing eastward along Schoolcraft to the Ambassador bridge.

About 35 people attended the meeting, many from subdivision areas in Livonia.

Northville officials learned this: there's practically no chance that an interchange will be provided at Seven Mile road.

Both city and township officials had hoped that traffic could exit from the expressway on Seven Mile, considered the gateway to the city.

It was pointed out that Seven Mile is four lanes, and that it carries traffic to the state hospital, race track and college.

But the interchanges are planned for Six and Eight Mile roads, and road authorities pointed out that the minimum spacing for interchanges is two miles.

City officials are particularly disturbed at the prospect of the Eight Mile interchange. The north-south traffic into the city is already funneled through Center street, which creates heavy traffic in both school and business district areas.

And when the Center street traffic condition was mentioned, a Wayne County road official chided the city by pointing out that it was using only two of four lanes. The point being that if parking were removed on Center street it wouldn't become congested.

Finally, it was learned that there are no plans for the Seven Mile road entrance into Northville.

It has generally been assumed by local officials that the Seven Mile road cut-off would be continued straight across South Main street and under the railroad. It would then swing south-easterly until it connected with Seven Mile somewhere east of the existing and dangerous railroad crossing.

State officials said that work would begin first on the north-south portion of the freeway, probably in 1966. The entire project must be completed by 1972 to qualify for federal funds.

Speaking of traffic, the holiday variety can be particularly heavy and dangerous.

Vacationing youngsters are full of the holiday spirit and frequently in their enthusiasm, short on caution.

Drive carefully. You'll never know whether or not your caution saved a life. But you'll never forget if a careless moment cost one.

More Secretaries for Lawmakers

LANSING — Change appears to be the theme for the New Year in state government.

In addition to the face-lifting being given the state capitol building, new construction of government offices, and high turnover and change of majority control in the Legislature, Democrats now say they propose another major shift.

To provide additional secretarial help and four-man office units for state lawmakers, the proposal will be a welcome change from several stand-points.

Visitors to the Legislative chambers, particularly school children, expect a certain businesslike decor and decorum. Many have been heard to ask tour guides if the lawmakers really paid attention to what they were doing, or whether the desks were "always so cluttered."

In the past, committee chairmen generally were the only members who had facilities, other than their desks, to store mail or other material essential to conscientious fulfillment of their jobs.

Sometimes members attempt-

ed to use session time to answer mail by hand or dictate letters, because this was the only time they could get a secretary. This was caused by an approximate 7-to-1 ratio of members to secretarial staff for each party.

Democratic House Speaker-elect Joseph J. Kowalski of Detroit said he hopes to have provisions for legislative office space within the capitol ready by mid-January, shortly after the 1965 session starts.

"For 16 years I have been coming up here and have had to interview constituents and conduct business at my desk on the hojise floor," he noted.

A legislative office building is in the planning stage for future construction, but Kowalski said he does not want to wait any longer. Presumably he also means he wants something done while he is in control of House organization.

Once accomplished, it is assumed a return to Republican legislative control would not mean a reduction in the added clerical staff and office facilities since both parties would benefit by it.

Strong popularity of new license plates, especially after three years, is evidenced daily on roads throughout the state.

The best evidence, however, is seen in the records of the secretary of state's office, which is responsible for distribution and sale of license plates.

In the first month of sales, license offices throughout the state had sold more than a half-million plates to set down a sharp hike in the previous record.

The two lines required for "Water-Winter Wonderland" is resented by some. It has been suggested that only one line be used for this ad plug. Or that some plates list "Water Wonderland" and others "Winter Wonderland." Perhaps the words could be alternated on plates for front and back of each car.

With 10 years in his present position, Secretary of State James M. Hare said he "never saw" anything like it before. The same sales mark was not

hit last year, when only tabs were sold, until five weeks later.

At the first-month sales rate, the traditional long lines in late February could be avoided barring a January sag, Hare said.

The strong sales appeared to be attributable, once again, as in 1959 and 1962, to the fact that new plates were available to replace the bent, rusted and sometimes just plain worn out old ones which had been tagged in the intervening years.

Most of Michigan's new laws enacted by the 1964 legislature took effect August 28, some 90 days after the session ended.

Perhaps one of the most important laws, in terms of long-range impact, does not become effective until January 1, 1965. This is the state's minimum wage law.

In making Michigan the 34th state with some kind of minimum wage standard, legislators set the 1965 rate at \$1 an hour to cover an estimated

100,000 not previously covered under federal regulation.

In the two successive years, however, the state minimum hourly rate will be hiked to \$1.15 and \$1.25, respectively. Greatest impact will be the so-called service industries: hotels, motels, dry cleaners, laundries, gas stations and retail stores.

Seasonal employees, on the farms as well as in the tourist industry, will be covered in many cases. The law provides the minimum wage for any employee who works more than 13 weeks a year for a person hiring four or more employees at a time.

Exceptions to the minimum wage are many in the law as enacted this year. But once on the books and in use, it is expected annual changes will be attempted to increase the coverage to the maximum number of Michigan workers not covered by the federal standards.

Rejoice

May the
glad
tidings of
Christmas
be with you.

STONE'S GAMBLE STORE

117 E. MAIN — NORTHVILLE

WE WILL CLOSE AT 6 P.M. CHRISTMAS EVE

Bells ring out
with Christmas Joy...

The sound of church bells fills the minds
and hearts of all with the true spirit
of this joyous season. With that
spirit in mind, we wish you and your loved ones
health, happiness and joy at Christmastime and after.

NORTHVILLE DOWNS

JOHN CARLO
Executive Manager

MERRY CHRISTMAS

May the light of the
Star ever guide
us and inspire us
in our daily lives.
