

Voters to Select Senate Nominees At Polls Monday

Round one comes up Monday in the political battle for the vacant seat in the 14th senatorial district.

Senator-elect Paul Chandler, a Republican, died December 11, leaving the area without a spokesman in the upper body of the state legislature.

Governor George Romney then called a special primary election for February 15.

Chandler defeated Democrat James McCarthy of Livonia in the November election and was one of only two members of the GOP elected to state office in the area.

McCarthy filed again. Others who stepped up wearing Democratic badges were Mrs. Elsie Gilmore, John Burke, Ed McNamara, Leo Meagher and Paul Livingston.

In late January, however, McCarthy, Meagher and Livingston withdrew from the race.

Burke is a partner in a law practice with Allen Ingle, a GOP contender. Mrs. Gilmore was chairman of the Wayne County Democratic Committee for seven years. McNamara serves on the Livonia city council and Wayne county board of supervisors.

On the GOP side are Ingle, Farrell Roberts, Fitzhugh Prescott, Thomas J. McHugh, Paul A. Kern and George Ames.

Kern and Prescott challenged Chandler last year in the September 1 primary. Roberts, a former state senator, was unsuccessful in his bid for an Oakland county court of appeals post in the November election.

Ames, a Novi resident, is a barber in Farmington. McHugh is mayor protem of Sylvan Lake, while Ingle, an attorney, presides over a justice of the peace court in Farmington township.

The 14th district comprises a wide area in Wayne and Oakland counties including Northville, Novi and Lyon townships and the cities of Northville, South Lyon and Wixom.

Polls open at 7 a.m. Monday and close at 8 p.m.

Balloting places in Northville are situated at the council chambers in city hall for precinct 1, the public library for precinct 2 and Amerman school for precinct 3.

In Northville township, voting machines will be set up in the junior high gymnasium (community building) for precinct 1, and in the township hall, 10800 Franklin road, for precinct 2.

Novi residents can cast their votes at the township hall (precinct 1) and the community hall (precinct 2).

Wixom residents can make their choice at the city hall on Pontiac trail.

Survivors from both political parties will face-off in the April 5 election.

Three Democrats . . .

JOHN H. BURKE

A former "businessman" and patents advisor for the federal government, Burke now practices law with the firm of former lieutenant governor T. John Lesinski. Burke lives in Farmington township.

MRS. ELSIE GILMORE

Mrs. Gilmore has been a delegate to national conventions and was appointed to the Presidential bi-partisan citizens committee on foreign affairs under the Eisenhower administration. She is now an active precinct delegate.

ED McNAMARA

Besides his posts in Livonia and Wayne County, McNamara, 38, has served on the school board of Dearborn township. A University of Detroit graduate, he is employed by Michigan Bell.

And Six Republicans

GEORGE T. AMES

Ames has been a precinct delegate many times and director of the 13th congressional district Republican committee. He was a candidate for the U.S. house in 1950 and justice of the peace in Novi three years ago.

ALLEN C. INGLE

Ingle, a Farmington township justice of the peace, heads the Michigan Justice of the Peace Association. He was a candidate last fall for Oakland county circuit court. Earlier, he was a city of Farmington justic.

PAUL A. KERN

An investor and business and real estate analyst, Kern lives in Orchard Lake with his wife and five children. He is taking his second fling at the 14th district senate seat. He was unsuccessful last fall.

THOMAS J. McHUGH

A member of the central committee of the Oakland county Republican party, McHugh is an engineer for an architectural firm in Birmingham. In addition, he is an alternate delegate to the state convention.

FITZHUGH PRESCOTT

Another Farmington resident, Prescott is president of a fertilizer company. He belongs to the Elks, Veterans of Foreign Wars and the American Legion. His father was a state senator and his grandfather was secretary of state in 1905.

FARRELL ROBERTS

Roberts served in both the state house and senate for four years. Earlier he was an assistant prosecuting attorney for Oakland county. He lives in West Bloomfield township and is a Commander in the Naval reserve.

'Build Junior High First', State School Official Advises

If Northville school board members and administrators follow the advice of a representative of the state department of public instruction, they'll ask voters to approve a bond issue to construct a new junior high school.

Dr. Lloyd Fales, who specializes in school planning for the Michigan Department of Public Instruction, told board members, administrators and citizen study committee members Monday night that the Northville system needs a more complete junior high school educational program.

Dr. Fales' advice is not the final word. As a matter of fact, it is definitely contrary to the preference of the majority of board members and administrators.

But it's in tune with the wishes of many, perhaps most, of the members of the citizens' study groups.

When the school board called for formation of the citizen groups last fall, a junior high school was unmentioned. But the board did point out the extreme need for additional elementary classrooms and, by implication, asked the study groups to determine where the buildings should be located.

"The citizens' population and facilities' committee has already gone on record as giving a new junior high school top priority. All three committees must make their final report and recommendations to the school board by February 22 so that the board and administrators can determine a course of procedure."

The classroom jam — which has forced moving of all sixth grade classes to the junior high school — makes it imperative that additional space is provided by the fall of 1966.

That's one reason why Superintendent Russell Amerman expressed disagreement with the junior high school proposal this week.

"I'm certain we couldn't build a new junior high school by next fall (1966). We need both an elementary and a junior high school, but an elementary can be provided sooner," Amerman stated.

He said there was a strong

—a new junior high school possibility that outside classroom space would be needed this fall (1965) and that waiting beyond 1966 for permanent relief would create extreme hardships.

Dr. Fales tossed numerous opinions into his brief appearance before the board. He had spent the day inspecting the Northville system and examining possible new school sites.

He listed several alternatives to answer the system's need for additional classroom space. These included:

- half day sessions;
- an addition to the existing Amerman elementary school; and conversion of the present facility to elementary use, board of education offices, and maintenance facilities, etc.
- a new elementary and expansion of the junior high school.

In answer to a direct question he said he preferred the new junior high school approach.

He also called the Taft road site (Larkins and Robinson property) adjacent to the present high school athletic field the preferable location. He named school-owned property at Bradner and Six Mile roads as a second possibility.

Dr. Fales emphasized his choice of a junior high school facility was based on the fact that the system lacks a good junior high school program. "Not because of administration or teaching, but because of lack of facilities," he stated.

"In my opinion every child deserves the same opportunity and you need a more complete program for your junior high school students," he added. He specifically pointed to music, home economics and lunch and cafeteria facilities as lacking in the junior high.

The state official had no argument with the proposed 6-7-8 junior high school program. "There's nothing sacred about any grade break. You base your educational program on any grouping of grades you wish." He said there were any number of different grade-break arrangements in the state.

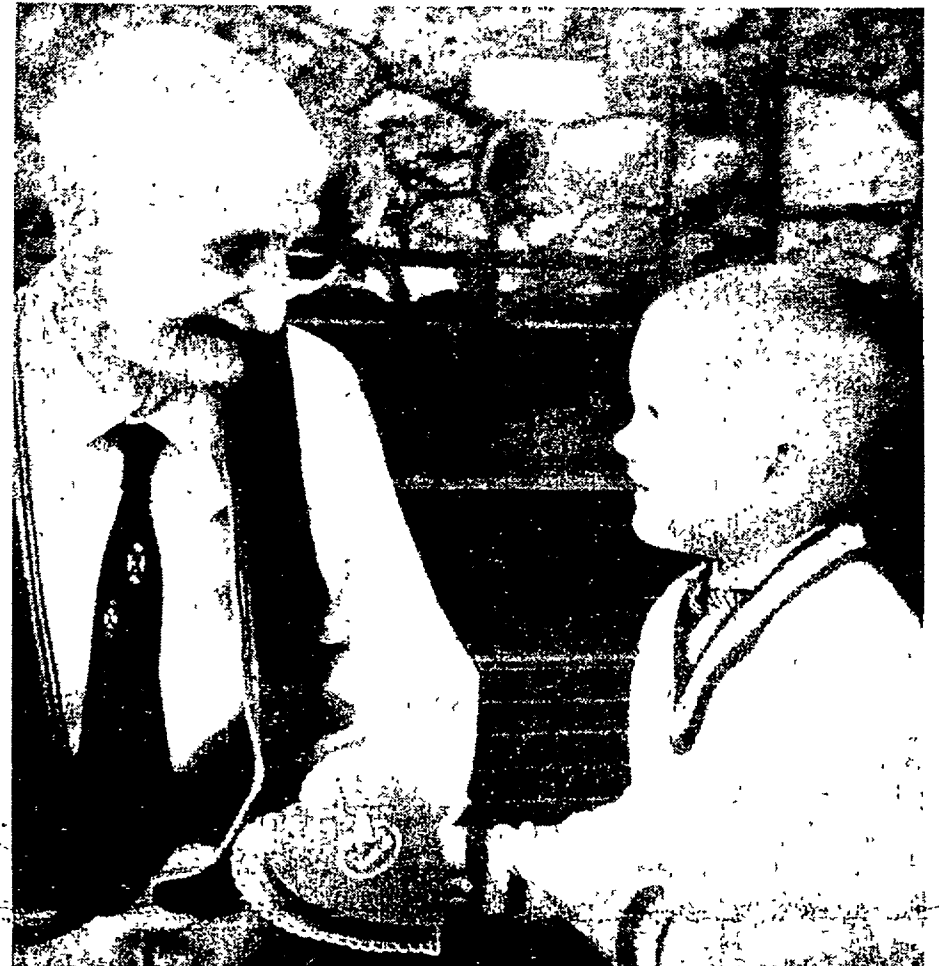

Dr. Fales recommended Maybury Sanatorium property on Beck road at the end of West Main street for a future elementary school.

He urged members of the citizens' study committees to make firm recommendations of curriculum for each grade level, grade divisions and then decide on what to build and where.

Finally, he recommended one-story construction as safest and most economical.

In other business Monday night the board briefly discussed the 6-7-8 junior high school program (see "Speaking for the Record," back page). In

OLDEST VALENTINE? — Harold Shipley, a well-known Northville resident now living at Eastlawn convalescent home, smiles as he receives his first birthday greeting a few days early from Bruce Ely, 4-year-old son of Mr. and Mrs. Robert Ely of South Main. Mr. Shipley will be 95 on Sunday, Saint Valentine's day.

Gunman Held

Northville Police Chief Eugene King was shot at 1:30 p.m. Wednesday by a man picked up on a "suspicious person" report.

Northville police are holding Warren Robert Wright.

St. Mary hospital reported King's condition as critical. He was taken directly to surgery. The hospital would release no further details at press time.

Chief King answered a call by Detroit Federal Savings, twice robbed in recent months. Teller Judith Hedlund reported that a man outside the offices was suspicious. She said that the man "looked like the previous hold-up man."

King followed the man in a car and picked him up on West Seven Mile road. The man (Wright) offered no resistance. He got into King's car, while Officer William McGee followed in another patrol car.

McGee reported hearing the shot when the car approached Main and Rogers. The car stopped and McGee got out and wrestled Wright to the ground. King was rushed to the hospital.

Woman, 48, Dies of Auto Injuries

Mrs. Raymond Williams of 46865 Stratford court died Monday in Little Traverse Bay hospital from injuries sustained in an automobile accident January 29 near Petoskey.

Services for Mrs. Williams will be held at 2:30 p.m. today (Thursday) at St. John's Episcopal church in Plymouth. The Reverend Eugene S. Noxell will officiate. Burial will be in Roselawn cemetery in Monroe. Castlerline Funeral Home handled arrangements.

Mrs. Williams, on a business trip when the accident occurred, was nursing coordinator for the school of public health in Ann Arbor. She was 48.

She and her family moved to Northville about a year ago from Birmingham. Surviving are her husband, Raymond; four children, Nancy, 11, Gerald, 14, Susan, 17 and Michael, 20; her parents, Mr. and Mrs. Edward Hoener of Monroe; and a brother, Earl Hoener of Lathrup Village.

Mrs. Williams received her bachelor of science degree from Wayne State University

Plan Salute to Amerman

May 25 has been tentatively set as the date for a testimonial dinner honoring Russell H. Amerman, superintendent of Northville's public schools.

Amerman will retire following the school year in June after 38 years in the Northville system and 32 years as superintendent.

Nelson C. Schrader, a Northville businessman and former school board member and president, has been named chairman of the arrangements committee.

and held a masters degree in public health from the University of Michigan.

Her affiliations included the professional society of public health, the society of registered nurses of Henry Ford hospital, the League of Nursing of South Central Michigan, Association of University Women of the University of Michigan, the Visiting Nurses Association and the American Red Cross Nursing Service. She was also a lecturer in community health service.

Locally, Mrs. Williams belonged to the Newcomers' club and its bridge group.

Historical Society Sets Lincoln Talk

A talk on Abraham Lincoln will highlight the first anniversary celebration next week of the Northville Historical Society.

At 8 p.m., Tuesday the society will gather in the junior high school library, located on the second floor of the building. About 25 residents belong to the society.

George Dondoro, a recognized authority on Lincoln, will be the main speaker, according to Edmund Verkes, the society's curator. Students are especially encouraged to hear his speech.

Membership in the society is open to students and residents. A life membership costs \$25 while the annual general fee is \$1 and 50 cents for students.

Mrs. Ruth M. Chase is president of the society. Other officers are Francis Gazlay, vice president. Mrs. E. A. Chapman, recording secretary; Alvin Skow, corresponding secretary; Miss Ruth Knapp, treasurer; and three directors, Mrs. Blake Couse, Richard Lyon and Jack Hoffman.

The society was founded to "discover, collect, preserve, advance and disseminate knowledge of the history of the Northville region."

Choice Near

An announcement is expected soon, perhaps by March 1, on the successor to Superintendent Russell Amerman.

Board members have interviewed seven of a field of 18 potential candidates. They held three interviews Tuesday evening. This may wrap-up the face-to-face sessions, although another interview is possible.

Superintendent Amerman will retire this June.

CLOSED DOOR — A fire last week at the apartment building behind 149 East Main street, owned by Reuben Peterson, may settle a problem facing the city council. It may create new problems. Both the Peterson Main street building and the apartments in the rear have been sought by the city as part of its future business development program. Because the apartment is non-conforming and in the fire district, it cannot be rebuilt if damage is more than the assessed valuation of the building. It is — so Peterson must either consider selling or appeal to the board of appeals for permission to rebuild. Two independent appraisals of the total value of the Peterson buildings have been made for the council and came in at \$24,500 and \$25,000. The council has proposed immediate purchase of the rear apartment with acquisition of the Main street building at a later date. They're negotiating with Peterson now.

Artist Norman Garbo Informs, Entertains

Norman Garbo, who appear-
ed at the Northville Town Hall
last Thursday, is an artist as
well as an entertainer.

During the question-and-ans-
wer period following his lec-
ture-demonstration, a woman
in the audience said "You are
not only an artist but you could
appear as a comedian on the
Ed Sullivan show."

Garbo announced that he was
really a "portrait painter" and
many people, especially moth-
ers, ask him if he does por-
traits of children.

His reply "Only when I am
forced into it. I don't expect
the children to sit as little stat-
ues but I like them to stay in
the same room with me."

He had definite ideas on art.
Some were amusing and some
were critical.

Of museums, he said: "Mar-
ble mausoleums headed by pur-
chasing committees with a
large allotment of money and
no taste."

"Our museums are filled
with dust-covered canvases
that were purchased during a
trend in fashion. Art is arbi-
trary and is not unlike the
trend we apply to women's
fashions."

Of modern artists: "Beat-
niks who have dirty necks
and need a fresh shirt and a
good barber. They splash paint
against a canvas. At its best
modern art is designs or pat-
terns. At its least it is a fraud."

Another Garbo theory on
art: "They recently purchased
a Rembrandt for the New York
Metropolitan museum of art.
The purchase price was \$2½
million."

"Just think if \$2½ million

dollar bills were hung in the
museum. It would probably get
more spectators," Garbo said.
"This does not mean I am
not for good art or art collec-
tions. It is a fact we have
had many excellent Rem-
brandts hanging in the galler-
ies for years and people were
not interested."

"Now, Garbo said, they have
"snob appeal."

In his lecture "pulling up an
ease," he contended that any-
one can paint. "It is the most
natural of impulses, starting
when a child picks up a pencil

or crayon."

Garbo's advice to novices:
"After a few tries at the can-
vas, disregard your friend's
frank opinions. There are en-
ough frank people in the world."

"People who cannot draw a
straight line are good candi-
dates for art," Garbo said "Af-
ter all, art is made up of
curves, too."

Of artists, he said: "An IBM
machine cannot replace art-
ists. Artists have human qual-
ities and never come up with
the same formula twice for a
painting."

News Around Northville

Mr. and Mrs. Eugene Kon-
rad of Woodhill road have just
returned from a trip to Porto
Rico.

The Newcomers Club of

Northville will have a bowling
party for couples, Saturday
evening, February 20, at 8:30
p.m. at the Plymouth bowl.
Mrs. Edward Hodge of Westhill
road, secretary of the club, has
announced that the club is try-
ing to get as many bowlers out
as possible. Reservations can
be made by calling Mrs. Fay
Waldren, 349-2290.

Joan Bryce, daughter of Mr.
and Mrs. W. F. Bryce of Smock
road in Northville, was includ-
ed on the recent dean's list at
Eastern Michigan University.
She is a junior, majoring in
physical education.

Two Northville couples left
icy roads and blasts of winter
winds to head south for vaca-
tions. Mr. and Mrs. Arthur
Hempe of Ponner Court, East,
have just returned from a two-
week stay in Jamaica. They
spent a week visiting friends
from Northville, Mr. and Mrs.
M. C. Sarnes of Woodhill road.
Both couples stayed at the
Runaway Bay hotel in Jama-
ica. The men played golf while
the women shopped in the ex-
otic market places. Mr. and
Mrs. Hempe were guests of the
assistant editor of the Kings-
ton newspaper, there and his
wife, Mr. and Mrs. Joseph
Gregory of England. The only
disappointment for the tourists
was the fact that very little
native Jamaican food was serv-
ed on the island.

Mr. and Mrs. E. O. Weber of
Woodhill road entertained a
few friends at their home af-
ter the performance of Ladies
in Retirement held Friday
night at the high school.

The Ronald Auringers of
Northville Estates and their
two daughters, Kim and Kris,
returned recently from a ski-
ing vacation in Aspen, Colora-
do. Before flying home they
were house guests of Mr. Aur-
inger's brother and his family,
the Jack Auringers of Denver.

Cupid Caper Cancelled

Cupids cannot caper Satur-
day night at the dance schedul-
ed for the teen club of Our
Lady of Victory church.

The dance — Cupid Capers
— has been cancelled because
of the basketball games slated
for Friday and Saturday nights
at Northville high school. In
addition, a dance will be held
after the game Friday night
at NHS.

Engaged

Carolyn Jeanne Langtry

Mr. and Mrs. Edwin Langtry
of Thayer boulevard, announce
the engagement of their daugh-
ter, Carolyn Jeanne, to David
L. Anderson of New York City.

The bride-elect is a senior at
Michigan State University
where she is a member of Al-
pha Gamma Delta Sorority.
She is a graduate of Northville
high school, class of 1961, where
she was active in music and
dramatics. She was also elect-
ed to the Thespian Society.

The prospective groom is a
graduate of Dartmouth where
he was affiliated with Phi
Kappa Psi fraternity. He plans
on receiving his master's de-
gree from Michigan State Uni-
versity in June where he has
been teaching on a fellowship.
He is the son of Dr. and Mrs.
L. J. Anderson of Queens Vil-
lage, New York.

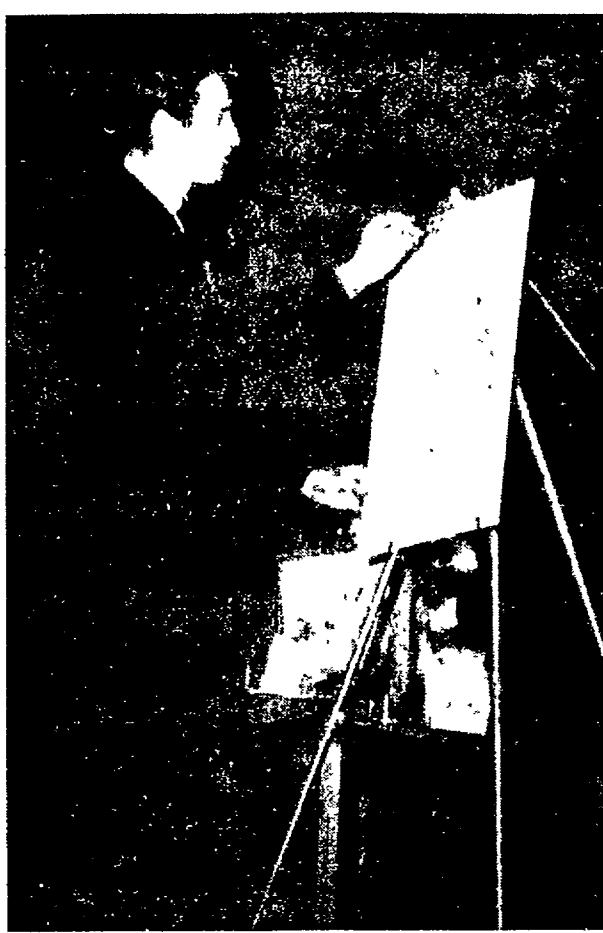

A June 19 wedding is plan-
ned.

"FIVE DELICIOUS FLAVORS" of cookies to
be offered in the annual Girl Scout cookie sale
will be sampled by troop cookie chairmen at a
kick-off coffee at 9:30 a.m. today in the Scout-
recreation building.

Northville area Girl Scouts will take
orders for cookies from February 26 through
March 13, Northville cookie chairman Mrs.
Carl W. Stephens announced. She has invited
all troop cookie chairmen to the "sampling"
coffee at which sale materials will be dis-
tributed.

The cookies are to be delivered April 27.
In addition to the Scot tea cookie, which Mrs.
Stephens reminds us was the origi-
nal Girl Scout cookie with-the-hole-
in-the-center, Scouts will offer four
flavor shorties, Savannahs, choco-
late-and-vanilla sandwiches and
chocolate mints. All are 45 cents a
box.

The sales goal for this area
has been increased to 200,000
packages, Mrs. Stephens reports,
pointing out that the greater share
of the profits benefit the expanding
Scout camping program. While individual troops
retain five cents from the sale of each box, the
Huron Valley area council receives seventeen and
a half cents for each.

Girl Scouts are being asked to wear their
uniforms while taking cookie orders. They will
collect no money until cookies are delivered. All
troops, except Brownies, will be selling.

Scouting officials have suggested that in
neighborhoods where several Scouts will be sell-
ing homemakers may want to divide their pur-
chase, buying a box or more from each one. Mrs.
Stephens points out that the cookies freeze well
and that purchasers are "getting something good"
for their money as the cookies are made by the
Burry company which guarantees fine ingredi-
ents.

One of the most popular of the newer var-
ieties is the chocolate mints, Mrs. Stephens said,
as these cookies have been used as a base for
dessert recipes, including one as a pie crust. (We
would welcome hearing details of this recipe and
would pass it on to readers if anyone has it.)

"ATTUNING YOUR EYES AND EARS to
someone else's life" is the way Eleanor Breit-
meyer described her job — society editor of The
Detroit News — to members of Northville Wom-
an's Club last Friday at a Valentine tea meeting
in the junior high library.

She recalled her early days when she was
"jack-of-all trades" from want ad taker to final
position of managing editor of The Northville
Record before joining the News staff 13 years
ago.

Miss Breitmeyer gave her impressions
of Detroit society leaders and visiting celebri-
ties. She cited Mrs. Edsel B. Ford, as the "first
lady" of Detroit society and also told of a rare
visit with another long-time Detroit matriarch,
Mrs. Horace E. Dodge. She described the 75-
room mansion on the Pointe lake shore which
boasts an elevator decorated with tapestries
and at least one room decorated with six Gains-
boroughs.

She recalled that Jackie Kennedy was inter-
viewed reluctantly on her only visit to Detroit
when her then-senator husband was a Jefferson-
Jackson Day dinner speaker. Movie star Jimmy
Stewart, she bemoaned, talked only about his
twins and his crabgrass!

ADVANCE TICKET SALES for the North-
ville performance of the University of Michigan
Men's Glee Club are going so well that Mother's
Club, which is sponsoring its appearance here,
anticipates a sell-out, Mrs. Bernard Bach, pub-
licity chairman, reports.

Any remaining tickets, she announced, will
be sold at the door before the 8 p.m. perfor-
mance February 18 in the Northville high school
auditorium. The tickets "really are a bargain",
she points out, as tickets for the world champion
club's appearance in Detroit later this month are
selling at \$2.50. Here they are \$1 for adults and
50 cents for children.

MARATHON BRIDGE, another project of
Mother's Club, has passed the mid-way point and
scores through December play are being tallied.
Leaders in each league will be announced in The

in all leagues then will be posted in The Record

Dr. and Mrs. Richard Cooper

An authentic Cape Cod home in Shadbrook subdivision is the new residence of Dr. and Mrs. Richard Cooper.

The Coopers met while students at Wayne State University in 1944. Mrs. Cooper (Betty Jane) was working on her masters degree in physiology and Dr. Cooper was a medical student.

Dr. Cooper interned at the Rochester General hospital, Rochester, New York and Harper hospital in Detroit. Dr. Cooper is a radiologist and commutes from his Northville home to his offices in Detroit.

Wyandotte and Dearborn.

While the doctor served in the Korean war, Mrs. Cooper lived in Phoenix, Arizona. He now holds the rank of Flight Surgeon and is a Lieutenant Colonel in the Air National Guard. When time permits he flies his own plane.

Mrs. Cooper did research work for the Park-Davis company after her graduation from Wayne State. She is now channeling her talents to furnishing her new home and working on a "worthwhile" project, transcribing reading material to Braille for the

blind.

"This work is under the auspices of the Tri-County League Volunteer service supported by the Torch Drive, Mrs. Cooper relates, and extremely interesting." Her hobbies include knitting, swimming and golfing with her husband.

Before moving to their new home, 18100 Shadbrook road, the Coopers were residents of Dearborn for nine years. They were members of the First Presbyterian church there.

Mrs. Cooper calls Milwaukee her home and Dr. Cooper's hometown is Lansing.

Father-Son Banquet Set Next Week

The father-son banquet of the First Methodist church will be held in Fellowship hall, Tuesday, February 16, at 6:30 p.m. Dr. E. J. McClendon will preside as toastmaster. The invocation will be given by the Reverend S. D. Kinde. Charles Castillo will bring a toast to the sons and Richard Castillo will respond for the sons.

A naturalist will be featured showing pictures of nature. The Woman's Society of Christian Service will serve the roast beef dinner. Reservations must be made in advance by calling the church office FI 9-1144.

The program committee includes E. V. Ellison, Jefferson Baker and Claude Morgan. Handling ticket sales are Harold Marks, Allan Peterson and Douglas Bolton.

Plan Coffee For Roberts

A coffee to introduce interested area residents to Farrell Roberts, Republican candidate for state senate, is being given at 1:30 p.m. Friday by Mrs. Robert Arlen of Country Lane.

Roberts, a resident of West Bloomfield, is one of six Republican candidates seeking nomination to the state senate post vacant since the death of Paul Chandler. An attorney and a graduate of the U.S. Naval Academy at Annapolis, Roberts previously has served in the senate.

Mrs. Arlen is opening her home on Country Lane, located off Sheldon road between Thornapple Lane and Seven Mile road, so that friends and neighbors may meet the candidate.

Reserve Tickets For Cinderella

Colorful ball gowns, sparkling diamonds and magical pumpkins will highlight the ever-popular story of Cinderella.

The Plymouth branch of the American Association of University Women is presenting the children's classic on Saturday, February 27 at the Plymouth community high school auditorium.

Mrs. John Cambell and Mrs. Thomas Devereaux are costume chairmen for the performance.

For information and ticket reservations, call Mrs. Robert Barber, FI 9-1695.

Northville D A R Chapter Honoring 'Good Citizens'

"Good citizens and their mothers" will be honored by the Sarah Ann Cochran chapter of the Daughters of American Revolution with the presentation of good citizens pins.

This is an annual award given to senior high school girls who demonstrate qualities of dependability, service, leadership and patriotism. The awards will be presented

Exercise Sensibly, U-M Instructor Says

"Look before you leap, bend and reach," a University of Michigan hospital physical therapist warns exercise enthusiasts.

According to Miss Jean Cuthbertson, popular mass exercise programs are "generally good — if used wisely."

But, instead of push-ups, knee bends and arms circling, Miss Cuthbertson recommends recreation in which social activities are combined with exercise.

"Swimming and walking are two of the best all round exercises that can be done throughout the year," she says.

However, for those with a minimum amount of time, setting aside a few minutes each day for a series of well-designed exercises is one way to keep in good physical shape during the winter months. But cautions Miss Cuthbertson, exercise sensibly:

—If you're run down and in poor physical shape, you're in no condition to begin an exercise program without the advice of a physician.

—Set your own pace. Plans such as the Royal Canadian

Air Force program are designed for the average individual and advance slowly, but for some even the first exercises may be too difficult.

—Don't exercise on days when you're not feeling well. Doing so could aggravate an illness.

Miss Cuthbertson is an instructor in the physical therapy curriculum at University hospital.

ed at the home of Mrs. William Baker, 418 Main street at noon next Monday.

Assisting Mrs. Baker as hostesses are: Mrs. Jack Kadey, Mrs. Frank Martin, Mrs. George Merwin and Mrs. James Sample.

Guest speaker for the afternoon will be Mrs. Guy M. Schuler. Her subject will be "Are You a Good Citizen?"

The following girls will be presented with pins: Kristen Deibert, Northville high school; Carol Otwell, Plymouth high school; Carolyn Mason, Garden City high school; Bonita Jylka, Buckley Community school; Susan Hartman, South Lyon high school; Angela Garchow, Alba public school; Jean Cran, Bellare high school; Carol Shooks, Hillman community school and Yvonne Laffriniere, Cheboygan high school.

To those who expressed their
sympathy in so many ways
during our recent bereavement
we extend our heartfelt thanks.
Joanne and LaVerne Wolff

Many thanks to the many
friends for cards and other re-
membrances during my stay
in the hospital and convales-
cence here at home. Sincerely
Clare Bradley H6p

We sincerely wish to express
our appreciation to our friends
and neighbors for the lovely
flowers, numerous cards and
many gifts that were received
by us at the time of our re-
cent bereavement.

The many kindnesses that
were bestowed on us shall never
be forgotten.

Stadnik Injured

Joseph Stadnik, a former Wixom official, escaped serious injury last Thursday night in an auto mishap on Grand River in Novi.

Stadnik, on his way home from his auto dealership in Plymouth, went off the road, hit a telephone pole and careened into a ditch near the Fairlane Motel.

John Eskro, a Novi resident and member of the board of commerce, reported to Police Chief Lee BeGole that there was a car in a gulley on the main artery.

BeGole investigated. Stadnik's car was found on the north side of Grand River and was partially concealed from passing motorists.

However, Stadnik was missing.

Stadnik apparently managed to get out of his car — which was described by police as a total wreck — and wandered down the road a few hundred feet.

BeGole said Stadnik was found in a dazed condition.

Taken to Botsford hospital in Farmington, Stadnik was treated for shock and cuts and bruises and then sent home. He lives at 48438 Fourteen Mile road.

Stadnik, a Democrat, was a member of the Wixom village incorporation committee, city charter committee, was the first and only president of the village and became the first mayor of the city in 1958.

He has further served on the Wixom planning commission and the Oakland county Democratic committee.

OUT OF THE PAST

ONE YEAR AGO

Despite last minute efforts to reach a compromise, the city council and protesting firemen could not reach agreement last week and nine veterans of the department turned in their uniforms. City Manager Bruce Potthoff immediately launched a training program for 14 new volunteers and five members who remained on the force.

Only Mayor A. M. Allen knows what happens next in his bid to have his new township home annexed to the city. But who would be Northville's new mayor if Allen resigned? There's little doubt that Councilman John Canterbury would be given the job but the city charter is a little fuzzy on how this might come about. Mayor Allen's request to have his home annexed was turned down by the township board by a 3-2 vote.

Platters of jazz are selling like hotcakes at Northville high school this week — and that's music to the ears of the nationally-acclaimed Stage Band. Members of the extracurricular band report sales of more than 200 of their long-play records that were recorded in December.

FIVE YEARS AGO

Four Northville high school bandsman will compete in the state finals this spring. They are Sam Chizmar, Judy Gajay, Karen Hill and Leslie Sheehan.

Secretary of state officials said signatures on the petitions requesting annexation of Northville Estates to the city were valid — and a special election would be announced in a few weeks.

Fifty pints of blood were donated by Novi residents in response to an emergency blood drive.

A four-alarm fire swept through a large 2-story house in Novi Tuesday morning, causing an estimated \$5,000 damage. The house, located at 41121 14 Mile road, is owned by Mrs. Edward Theut, who was hospitalized for a leg fracture suffered in a recent accident. Mr. and Mrs. Robert Hittington occupied the home but were not injured.

FIFTEEN YEARS AGO

The Mustangs revenge an earlier defeat by downing the Plymouth Rocks, 32-30. Gerry Heaton was the high scorer for the Mustangs with 15 points.

Dedication services for the new St. Paul's Lutheran church will be held February 19. Three services of dedication will be held that day.

Prowlers broke into the Northville Milling and Lumber Co. February 4 but nothing was taken even though the bottom hinge on the safe was pried off.

James Willis of Linden street and Fred Van Atta of East Cady were installed as officers of Plymouth Lodge No. 238 Knights of Pythias.

TWENTY-FIVE YEARS AGO

John Herrick is Salem's new postmaster, replacing Nathan Brokaw, who has retired at the age of 76 years because of poor health, bringing an end to a 15-year career as a rural mail carrier and postmaster in the Salem vicinity.

Dr. Linwood W. Snow was presented with a plaque Monday evening at the All-American Lincoln Day banquet in Plymouth giving him the title of Northville's Leading Citizen.

Casey Cavell and Punky Herrick, both 4, were the principals in the feature bout held Tuesday evening in the boxing exhibition sponsored by the Cub Scouts, Boy Scouts and Athletic Club. This bout, marked by some of the fastest action seen in a Northville ring, was characterized by several knockdowns and one double knockdown. It ended in a draw.

The Woman Relief Corps presented a flag Friday to the members of Thayer school. The Corps was attended by Boy Scouts Robert Parmenter, Kay Stevens and Richard Simmons.

Lawry Parmenter, a product of the recreation boxing program in the village, went to the finals in the lightweight division of the Golden Gloves tournament in Ann Arbor. He was knocked down in the third round by John Reager of Ann Arbor. Both boys showed skill with Lawry using a strong right hand and Reager a good left.

Democrats Name 4 Local Delegates

Five Northville residents were named delegates to the state Democratic convention in Grand Rapids February 13-14 at a meeting of the second district Wayne county Democrats.

The Northville delegates are William Kinard, Eugene Rice, George N. Bennett, Mrs. C. E. Woodruff and Mrs. Eugene Guido.

The delegates will carry with them the resolutions adopted by the District Convention they are:

1. — Be it resolved: That this convention of the Democratic Party of the State of Michigan Call upon the Attorney General of the State, on behalf of the people of the state, to institute immediate proceeding before the Supreme Court of the United States for the purpose of reducing the congressional representation of all the states that discriminate against their citizens on the basis of National Origin, Race, or Religion and securing this additional representation for Michigan and for all other states that do not discriminate in the granting of the voting franchise.

2. — Be it resolved: That members legally filed for candidacy to all boards of education be required to file an

itemized campaign source, expenditure for their campaign.

3. — Be it resolved: That the assembled convention of Wayne II District hereby endorse and support the Candidacy of Neil Staebler for the position of National Committeeman.

4. — Be it resolved: That the assembled convention of Wayne II District hereby endorse and support the candidacy of John B. Swainson for the position of Circuit Court Judge, Third Judicial District.

NOTICE OF PUBLIC HEARING

TUESDAY, FEBRUARY 16, 1965 — 8:00 P.M.

CITY HALL

Notice is hereby given that a Public Hearing will be held on Tuesday, February 16, 1965, 8:00 p.m. at the Northville City Hall on the adoption of the following proposed Ordinance for the City of Northville.

Martha M. Milne
City Clerk
City of Northville

Proposed Ordinance regarding Stopping for School Buses while latter are stopped for purpose of receiving, or discharging passengers — Ordinance No.

THE CITY OF NORTHVILLE ORDAINS:

Section 1. A. It shall be unlawful for the driver of a vehicle to overtake or meet and pass any school bus proceeding in the same direction or the opposite direction, which bus has stopped for the purpose of receiving or discharging passengers.

B. The driver of a vehicle overtaking or meeting any school bus which has stopped for the purpose of receiving or discharging any passenger shall bring such vehicle to a full stop at least 10 feet from the school bus and shall not proceed until the school bus resumes motion or the school bus driver signals to proceed or the visual signals are no longer actuated. The driver of the school bus, before resuming motion, shall signal stopped traffic to proceed and shall, when resuming motion, proceed in such manner as to allow congested traffic to disperse by keeping the bus as near to the right side of the road as can be done with safety. Passengers crossing the road upon being discharged from a school bus shall cross in front of the stopped school bus. At an intersection where traffic is controlled by an officer or a traffic stop-and-go signal, a vehicle need not be brought to a full stop before passing any such school bus, but may proceed past such school bus at a speed not greater than is reasonable and proper and in no event greater than 10 miles per hour and with due caution for the safety of passengers being received or discharged from such school bus.

C. No school bus driver shall stop his bus upon the highway for the purpose of receiving or discharging passengers unless such bus is clearly visible in its stopped position to approaching or overtaking drivers of vehicles for a distance of at least 500 feet.

D. The driver of a vehicle upon any highway which has been divided into two roadways by leaving an intervening space, or by a physical barrier, or by clearly indicated dividing sections so constructed as to impede vehicular traffic, need not stop upon meeting such school bus which has stopped in the roadway across the dividing space, barrier or section.

E. All school buses shall contain such signs on the back and front thereof with respect thereto and shall be approved by the Chief of Police. Every school bus shall, in addition to any other equipment and distinctive marking required by law, be equipped with signal lamps mounted as high and widely spaced laterally as practicable which shall be capable of displaying to the front two alternately flashing red lights located at the same level and to the rear two alternately flashing red lights located at the same level. Said lights shall be no less than 6 inches in diameter and shall have sufficient intensity to be visible from a distance of at least 500 feet in normal sunlight, and shall be actuated by the driver of said school bus whenever, but only whenever, such vehicle is stopped or is about to stop for the purpose of receiving or discharging school children.

F. Notice of this ordinance and its enforcement shall be given by the posting of signs at various points of entry to the City of Northville and shall be worded appropriately so as to give sufficient notice of this local traffic regulation and shall be sufficiently legible as to be seen by an ordinarily observant person.

Section 2. All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Section 3. Should any portion of this ordinance be held invalid for any reason, such holding shall not be construed as affecting the validity of any of the remaining portions of this ordinance.

Mustangs Await Brighton, Milford

Plenty of basketball is on tap for local fans this weekend when the Northville cagers play host to two Wayne-Oakland Conference competitors.

Brighton and Milford will furnish the opposition on Friday and Saturday nights, respectively. Both games will begin after the finish of the JV contests that are scheduled for 6:30 p.m.

Two wins are needed if Northville hopes to challenge for first and at least keep a hold on second place in the loop.

Bloomfield Cagers Breeze Upset

As of Tuesday night Northville's cagers are back in serious contention in the W-O league. Clarkston upset Bloomfield Hills, 67-55.

Now 9-2, Bloomfield is only a loss up on Northville and Holly, both with 7-3 records. And in its three remaining games Bloomfield must face Holly, and Northville in the finale.

Mabel Ash, Clerk

They are presently 7-3 in conference play and 8-6 overall. Victories in both games would move Northville's record to 10-6, 9-3 in the league.

Although the Mustangs are favored as a result of earlier triumphs over Brighton and Milford, the road ahead could be rough.

Longridge pointed out that on a given night just about any team can beat any other. And what's more, the two visitors should have plenty of incentive to avenge earlier setbacks.

Northville took to the road at that time to edge Brighton, 49-44, and Milford, 53-46, on successive nights to start its comeback.

Cagers Breeze By Clarenceville

The Northville Mustangs kept their slim title hopes alive last Friday night when they torpedoesd Clarenceville, 59-44, in a loosely played ball game on the Trojans' home court.

Bloomfield Hills kept ahead of the field by romping over Milford, 53-35, to give the Barons the edge as the teams head into the home stretch — the final four games — in the Wayne-Oakland Conference.

Sporting a 9-2 record, the Barons are two games in front of the nearest challenger. Only a severe lapse could rob Bloomfield of the crown, even though it faces three of the top five teams in the loop in the next three weeks.

The Barons will take on Clarkston, Holly, Clarenceville and Northville.

Northville, along with Holly, has an outside chance of coping the championship. Both teams are in second place with 7-3 records.

Holly matched the Mustangs stride for stride Friday night by whipping Brighton, 90-61, with Forward Tom Fagan scoring 38 points.

Though chances for a first place skirmish are almost nil, there is a real battle shaping up for second place. The schedule favors Northville, since it must play Brighton, Milford and Bloomfield Hills at home and Clarkston on the road.

Although the best Clarkston could do is tie Bloomfield for the top spot if Bloomfield loses the rest of its games, the Wolves gave notice that they'll be middlesome. They blasted West Bloomfield, 66-56 Friday to grab third place with a 6-4 state.

Behind Clarkston comes West Bloomfield (5-5), Milford (4-6), and Clarenceville and Brighton (1-9), respectively.

Northville's victory over Clarenceville was a foregone conclusion. The Trojans, doormats all season long, gave away a good two inches per man without the speed to compensate for the height disadvantage.

Hampered by miscues in the initial stages of the fray, Northville broke the game open in the second period by scoring 17 points to Clarenceville's five to assume a 32-18 halftime margin.

In the quarter, Northville solved the Trojans' all-court press for easy layups, and when that strategy backfired, the local cagers simply salvaged points off the offensive backboards on second efforts.

After the Mustangs had run up a 42-27 margin at the end of the third period, Coach Dave Longridge substituted. His second stringers held their own with Ted Bunker and George Burchfield scoring four and three points, respectively.

Northville had a clear cut rebound advantage, hauling in 49 to Clarenceville's 23. Rick Milne and Jerry Imsland led with 11 rebounds apiece.

back of six victories in a row. Both games were close until the final moments.

Brighton has a constant threat in six-five Center Bruce Evenson, who hit a season's high of 45 points in his team's loss to Chelsea.

Weak point is Brighton's lax defense, which has allowed as many as 98 points in one game.

Posing a bigger threat is Milford, a team that has rebounded from a dismal start to push its record to 4-6.

"They're about the same size as we are," Longridge noted, "and they can be tough. ae shrdlu cmfwpv vbkqj wf They beat Clarkston, 74-68, recently on their home court."

HEAD AND SHOULDERS above the field is Northville's lean Forward Mark Cushing, who laid in an easy two points. Cushing at six-five towers over the smaller Trojans who were helpless to stop Northville's big men all night long.

JU Slump Continues

By losing both of their last two outings, the Northville Colts are now in the throes of one of their worst tailspins.

Once owners of a 3-1 record, the local JV's have lost their last eight out of 10 ball games, and seven in a row. Their record stands at 5-9.

"We're not playing ball," said Coach Alex Kluckach. "We know what we're doing wrong," he said, "but we haven't corrected it in games."

Latest setback was at the hands of Clarenceville, 50-45. The loss is astonishing in view of the fact that in a previous encounter, the Colts had little difficulty in trouncing the same team, 53-39.

It was simply no go for Kluckach's cagers who trailed most of the way.

A barrage of Clarenceville free throws in the final period — 11 — sewed up the victory. Overall, Clarenceville converted 24 free throws in 44 attempts as the Colts racked up 32 fouls.

Jim Zayti led the local scorers with 14 points, but Charles Watkins of Clarenceville topped them all with 17, 11 on free throws.

Bloomfield Hills toyed with the Colts February 2 in winning with ease, 54-45.

Bloomfield surged to a 44-22 lead at the end of three periods, then substituted freely in the last quarter as Northville's regulars tallied 23 points to just 10 for the home team.

This time Zayti garnered 11

Frosh Bounce Back

A string of nine straight victories was broken Friday night when a determined Milford squad dumped the Northville frosh, 57-33.

But Coach Bob Kucher's cagers no sooner took one on the chin and they were off the floor to post their biggest margin of the season in beating Clarenceville Monday, 69-27.

It was a combination of things which stopped the Northville streak.

Milford was definitely out to play ball, racking up a 34-18 margin at halftime to all but salt the game away.

As Coach Kucher pointed out, the pee-wee gym at Milford gave the home five a decided advantage.

Kucher pointed to Northville's previous win over Milford as an indication that the outcome might have been different on a larger floor.

Sharp-shooting Bob McFarland turned in a stellar performance for Milford by scoring 33 points, well over half his team's total.

Heading the local cagers were Jim Peterson with 14 and Bob Hubbard with nine.

Clarenceville was never in the game Monday as Peterson poured 34 points through the net to pace Northville. He was backed up by Ross Butt who tallied 11.

Northville quickly sprinted to a 20-6 first quarter lead, increasing the margin to 38-12 at halftime.

Wrestlers Lose Again

Northville's matmen absorbed another defeat last Thursday, this time by a 30-18 count at the hands of Willow Run.

It was the tenth loss for the local wrestlers who have posted only one victory this year.

In going down in defeat, however, Coach Dick Gray's crew had four winners. Bob Baber, Tom Wright and Jerry Burns scored five points apiece in pinning their opponents, while Bob Orr was the only Mustang to win by decision, good for three points.

Can't Sue 6-Year-Old Says Court

The state supreme court handed down a ruling Monday involving a 1959 fire in a Northville home.

The case involved Edgar Hammond, then 6, and Bradley McAllister, then 4, and a vacant West Main street house which was entered by the boys.

In a suit filed against Edgar by insurance companies charging the youngsters "carelessly and negligently struck matches" the high court upheld the ruling of the Wayne county circuit court — that a youngster under the age of seven cannot be considered guilty of intentional damage.

Circuit Judge John M. Wise dismissed the cases against the boys because of their young age. The insurance companies appealed the case against the older boy to the supreme court.

Salesman Honored

Theodore H. Benson, a Livonia resident who sells insurance in the Northville area, was honored last week by the Home Life Insurance company of New York for achievements in 1964. Benson qualified for the second year for the million dollar round table, the industry organization of leading life insurance representatives. He is a deacon and serves as men's club president at Northville First Presbyterian church.

LET'S TALK CARS ... HOW TO LOSE MONEY ON A BARGAIN

During the recent Winter cold spell a dealer friend of mine lost a new car sale to a young couple who bought out of town at a 'saving' of what actually amounted to \$45.

The dealer thought no more about it until a few days later when the husband called to say that their new car wouldn't start and apparently had something seriously wrong with it. An examination revealed the engine block was cracked from lack of adequate anti-freeze in the radiator.

How had it happened? The selling dealer in a city some 40 miles away denied all responsibility and claimed the anti-freeze had been checked and that the defect was not his responsibility. The most satisfaction the couple received was an offer to weld the block "if you will bring the car over here". They decided that adding a 40-mile towing charge to what they would have to end up paying for — a new engine block installation — was throwing good money after bad.

While this particular type of trouble may not be commonplace, similar cases of other "pre-service" neglect, unfortunately, are. It was plainly evident that the dealer with the 'bargain' price was cutting costs in simply not installing any or sufficient anti-freeze in his cars or neglecting to check them thoroughly.

Who is to blame? Well, the dealer who sold the car primarily. But what about the young couple who were prepared to deal anywhere for the lowest bid? There is some point to the argument that they really got what they paid for.

IRS Advice Available In Preparing 1964 Taxes

Additional services are being offered taxpayers of Metropolitan Detroit to assist them in preparing their 1964 Federal Income Tax Returns, R. I. Nixon, Detroit district director of internal revenue service announced.

A Monday through Friday telephone service has been substantially expanded this year and now most tax questions can be answered in this manner.

Besides the telephone service, during the normal work day, Mr. Nixon stated that taxpayers calling during periods other than 8.00 a.m. to 4:30 p.m. will have their calls answered by an automatic answering device.

Those calling the tax assistance information number, WO 3-5171 after regular hours or on weekends will hear a brief message setting forth a number of changes in the tax law and answers to some of the most commonly asked questions.

Nixon further stated that the message will be changed regularly to provide answers to questions that the internal revenue service finds to be most often asked.

Maybury Future Uncertain

"Hopefully", Maybury Sanatorium will no longer be needed for tuberculosis treatment within five years.

But for the time being, no changes are planned at the Seven Mile road institution.

Dr. John J. Hanlon, city-county health director, made this clear this week after introducing his plan to merge Receiving hospital, Herman Keifer and Maybury under a single director of hospital and community and medical services.

He said the new director would not replace any existing hospital director, but will succeed the retiring director at Receiving and oversee operations at Keifer and Maybury.

Dr. W. L. Howard would continue in his capacity as director of Maybury.

Dr. Hanlon pointed out that the TB case and death rates are declining rapidly, but that the disease is still far from being completely licked.

"As this decline continues, it will become practical to concentrate TB in one place. Logically, this would be Keifer", Dr. Hanlon stated. He said that he "hoped" this would take place within five years.

To what use, Maybury would be put is still conjecture. Some of the property not now needed has been placed on sale by the city of Detroit. A portion of the property — at Beck and West Main — has been considered as a possible future site for an elementary school in the Northville system.

'Barwagon' Closed Up

A four-wheeled barwagon came to a dead stop in Novi last weekend.

Novi police halted a car at the corner of Duana and Novi road Saturday night. Investigating further, officers found a collection of spirits inside.

Patrolman Ronald Randolph said a foursome had a supply of beer, and bottles of whisky, brandy, rum and vodka on display. Some bottles were open.

Arrested for having open beer and liquor in a vehicle were Gary Scott and Phillip Scott of Pontiac. Both paid \$35 fines imposed by Judge Emery Jacques and were released.

'Build Junior'

(Continued from Page 1) general board members believe the 6-7-8 set-up offers educational advantages in introducing such subjects as the sciences at earlier levels. Board Member Robert Shafer noted that it would be a phasing process with sixth graders remaining "home-room" oriented for perhaps three-quarters of the time and as they advanced in grade they would be introduced to more individual room teaching.

Board member Eugene Cook reaffirmed his fear that youngsters are being "pushed socially too fast" and being made "too old, too soon". He said he was not ready to make a firm decision on the 6-7-8 arrangement.

Suffers Broken Back in Crash

A Northville resident was seriously injured in a train accident February 2 in Plymouth township.

Three Hurt As Cars Collide

Livonia and Garden City residents were involved in an accident Sunday afternoon at Seven Mile and Clement roads. According to the Wayne county sheriff department, John Ramsey, 17, of Livonia failed to halt for the stop sign as he headed south on Clement. His car rammed another driven by Roberta Kokowicz of Garden City. Both drivers and a passenger in the Kokowicz car — Penelope Braun — were taken to St. Mary hospital for medical treatment and released. Ramsey was ticketed for failing to stop at the stop sign, the sheriff's report said. It was foggy and raining at the time of the accident.

'Hot Car' Burns

A car, stripped of its engine, radio and other valuable parts, was found burning early Sunday morning on Nine Mile road in Brookland Farms subdivision. The Novi fire department extinguished the blaze, Novi police said the car was stolen from Redford township and belonged to a Dearborn resident. A witness told the police that he saw the abandoned car before it caught fire and noticed another occupied car drive away from the scene.

To Expand Gas Service

More than \$5.5 million will be invested by Consumers Power Company in its West Wayne division during 1965 to expand and improve natural gas service to its customers, West Wayne Division Manager James P. Thomas, Jr. announced.

Thomas said the division, encompassing the communities of Wayne, Plymouth, Northville, Farmington, Livonia and others, will add 3,750 new gas customers during the year.

Over 50 miles of new gas distribution mains will be installed in the division service area and improvements to eight miles of older mains, affecting some 200 existing gas customers, will be completed during the year.

In a related project, improvements to equipment at the company's Northville gas fields and gas compressor station will be made, increasing the efficiency of this key installation in the firm's statewide gas transmission system.

It's Brotherhood Week

Negro Helped Gain America's Freedom

By Harold S. Hartley
Chairman, Publicity
Committee, Northville Human
Relations Council

This week, February 7-13, is celebrated simultaneously as Brotherhood Week and Negro History Week, and is regularly proclaimed as such by the President and by many governors.

In connection with the history of American Negroes it is important for all citizens to know what contribution they made to the cause of American independence. Research reveals the following facts:

Three Negroes: Primas Black, Lemuel Haynes and Ephraim Blackman, were among

the Green Mountain Boys of Ethan Allen who captured cannon at Fort Ticonderoga and the fort itself. They dragged the cannon down to Washington's army facing Boston and forced the British to evacuate.

Among the many Negro soldiers at the Battle of Bunker Hill was Peter Salem, who killed the first Englishman to mount the breastworks: Major Pitcairn. It was this same Major Pitcairn who led the British against Lexington and Concord. Peter Salem was commended for bravery in a resolution signed by fourteen officers including Col. Wm. Prescott, the officer who gave the famous command: "Don't fire until you see the whites of their eyes!"

Many Negro soldiers were at Valley Forge during the terrible winter of 1778, and at least one, Phillip Field, a native of Dutchess County, New York, and a soldier in Capt. Pelton's company of the 2nd New York Regiment, died there.

Negroes were often the famous drummers and fifers who

gave spirit to Washington's men. Among them was Tom, drummer for Capt. Benjamin Egbert's company at New York; another was Barzillai Lew, fifer for Capt. John Ford's company of the 27th Massachusetts Regiment. Barzillai Lew fided and also drummed his way through the whole revolution, serving from May of 1775 until the end of the war, seven years later.

James, a Negro slave of Wm. Armistead, was freed by the State of Virginia in 1786 because, in 1731, he successfully executed an important mission entrusted to him by Lafayette.

Austin Dabney, a Negro from Georgia, was commended for bravery, awarded an annual pension of ninety-six dollars and granted one hundred and twelve acres of land.

A Hessian officer, Schloezer, in the service of King George the Third, wrote in a letter on October 23, 1777: "No regiment (among the Americans) is to be seen in which there are not Negroes in abundance, and among them are able-bodied and strong fellows."

The above represents a partial account only, but it indicates that the struggle for our freedom was not won without the significant, and perhaps indispensable aid of the Negro people.

Schoolcraft Schedules Drama Production

Rehearsals are underway for the first dramatic production at Schoolcraft College.

Members of the college's drama club are running through their parts daily on Noel Coward's "Blithe Spirit" which will be billed for three days this month at the Northville State Hospital auditorium.

It will be seen first by patients at the institution Thursday, February 18 and then will be viewed by the public on the

following two nights — February 19 and 20 — at 8 p.m.

A Northville resident, Kathleen Gallagher, will appear as Elvira in the play. Others in the cast are Barbara Junk as Edith, Bonnie Boatman as Ruth, Fred Bailey as Charles, Allan Aisen as Doctor Bradman, Beverly Spiejak as Mrs. Bradman and Sally Kendah as Madame Arcati.

Faculty assistance from the English department includes Robert Stenger who is directing and producing the production, Michael O'Toole in charge of technical production and Rose Abbruzzese responsible for publicity and tickets.

Tickets went on sale Monday at the college. They are available at the bookstore at 18600 Haggerty, road and at the door on the nights of the performances. Price is \$1.

Originally produced in Manchester, England, in 1941, the "Blithe Spirit" revolves around the supernatural powers of the living and dead, allowing the audience "to submerge its spirits into a world of fantasy and fun."

In Uniform

Seaman Recruit Randal K. Famie, USN, son of Mr. and Mrs. Albert D. Famie of 38028 Tralee Trail, Northville, graduated from recruit training January 15 at the Naval Training Center in San Diego, California. He learned basic military law, customs and etiquette, seamanship and a basic knowledge of shipboard routine. Also included in the training was extensive military drill, first aid, swimming, water survival tactics and physical fitness.

CIRCUS-BOUND — Every year Albert E. Hackett (the man in the fez) takes local school children to the Shrine Circus in memory of Claude Crusoe, a long-time friend. Last Friday, eighth-grade boys at Our Lady of Victory school gathered around Mr. Hackett before leaving for the big top. Service squad girls from Amerman elementary saw the clowns and elephants Tuesday and girls from Main Street elementary will view them today. Mr. Hackett says it "is a circus in itself" to take the youngsters. Besides Mr. Hackett, Jack Gray and Werner Hess of Northville, Ezra Frye of Detroit and Dr. William McGregor of Birmingham provide the tickets for the students. That's Mrs. Crusoe with Hackett.

(Some of the things you don't get in a Corvair are among your best reasons for buying it.)

'65 Corvair Monza Sport Sedan

Corvair by Chevrolet

The beauty of it, of course, goes deeper than the things you don't get. There's the other side of the coin—what you do get in their place.

Take the no window post, for example. What you do get is hardtop styling—with curved frameless side windows—in every Corvair closed model.

The transmission and driveline hump you don't get means more foot room. Thanks to Corvair's rear engine, the floor is practically flat.

No radiator—the engine's air-cooled—also means no water, no antifreeze and no hose leaks to worry about. All

of which add up to some more important pluses.

Power steering? Power brakes? Corvair needs them like a centipede needs crutches. With most of the engine weight on the rear wheels, the front ones are free to steer easily. And stops are quick and sure—with no nosediving.

Come on down to our showroom and discover the difference.

God is holy."
Selections from "Science and
Health with Key to the Scrip-
tures" by Mary Baker Eddy

PASTOR'S STUDY

Rev. Lloyd Brasure
First Presbyterian Church

For a number of years the
month of February has been
observed by many church
groups as Brotherhood
month. Several organizations
have sought to sponsor pro-
grams that emphasize and
teach the basic nature of the
human family that indicates
the possibility for getting
along together in one world
regardless of differences in
skin color, political convic-
tion or religious practice.

Many people in every com-
munity are already convinced
that this possibility is an es-
sential part of the structure
for survival, as compared
with an absence of such un-
derstanding ways that could
conceivably lead to the law
of the jungle, or humans
falling on each other with
fear and animosity. Such an
alternative to peaceful neigh-
borliness is abhorrent to in-
telligent and thoughtful peo-
ple.

Brotherhood is such a high
sounding principle and seem-
ingly a significant part of
the American Dream, where-
by people of differing back-
grounds should always be
welcome on these shores and
in the ways of life of so
great a nation.

However, I fear we miss
the whole point of the pos-
itive impact when we find our
old established ways of
thought and routine changing.
Somewhat we become so con-
cerned with our privileges
and our pet ideas that we
lose the true spirit of brother-
hood in a rather emotion-
al reaction.

Hence, our duties go be-
gging and brotherhood once
again is a high ideal and
we recommend it for some-
one else but not for here and
now.

Writing as a Christian,
find brotherhood very much
a part of the spiritual heri-
tage that brought so many
out of the bondage of other
years. There were days when
the Christian family found it
difficult to live together in
peace in the Master's Name.
Today we must benefit from
their mistakes and learn how

to disagree with people with-
out denying them their own
privileges.

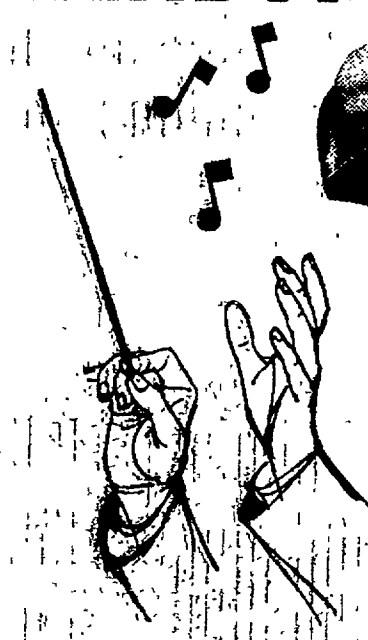

Christians now are learning
more of the compassion of
our Lord. We must know
how to demonstrate brother-
hood in our own family so
we can speak of it with
some meaning to others.

I fear there are some pre-
sently who feel that all our
problems will be solved at
once, or that we are failures
if other persuasions don't
convert easily and quickly to
our way. We must reconcile
ourselves to the necessity

for brotherhood, for there
will always be some who do
not do it or say it our way.

Brotherhood can and must
mean the spirit of under-
standing and should always
involve us in conversation
with our neighbor. Friend-
ship does much to build brid-
ges in a world fraught with
much suspicion and greed.
God gave us a world of beau-
ty in which to live. Let us
not destroy any part of it.

In the words of the Psalm-
ist, "Behold, how good and
pleasant it is when brothers
dwell in unity!"

There can be no harmony without you! Unless everyone joins in to-
gether, determined to make this performance on life's stage the best one
possible, the result will always be soft and discordant.

Perhaps when we take an honest look at ourselves, we discover
such things as temper or prejudice, jealousy or despair standing in the
way of our personal happiness. And when we are unhappy, we feel out
of tune with the world.

How can these miseries be overcome? God Himself will help us, if
we ask Him. It is His intention that His children live in harmony and
contentment, and He will show us the way.

Bring your problem to church this Sunday, and offer it to Him in
prayer. He loves you greatly. He understands you perfectly, and only
He can help you to regain the song of joy that belongs in your heart.

THE CHURCH FOR ALL...

ALL FOR THE CHURCH

The Church is the greatest factor
on earth for the building of char-
acter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

NEWS FROM WIXOM

CHAMPION CHEERLEADERS — Known as the rah-rah girls, the cheerleaders are the backbone of school spirit in varsity competition. Like the football or basketball squads, the cheerleaders have proven they can win awards, too. Recently the Northville high school cheerleaders (top) and the Novi junior high school ninth-grade squad (below) attended the United States Cheerleading Association clinic at Michigan State university. Results: Northville was cited as one of the 12 best in its class for "outstanding material and leadership." Members of the NHS squad are (front row): Sally Winner, Joan Bre- vick and Gail Nirider; (back row): Sandy Parmenter, Judy Imsland and Jackie Henschell. Miss Pat Dorrian is the coach. Meanwhile, the Novi girls, under the guidance of Miss Florence Pangborn, were judged as one of the five best in their category. Making up the Novi pyramid are Kathy Winner, Gay Bingham and Linda Simpson on the bottom; Linda Williams and Nancy Scheneck in the middle and Pat Henschell on top of the heap. Pat and Jackie Henschell are sister as are Kathy and Sally Winner.

Mrs. Charles Ware MA-4-1801

Howard Croft returned home from St. Joseph's hospital in Pontiac, having undergone surgery.

Sunday, January 3 the Bernard Kitsons entertained Mr. and Mrs. Clarence Shelton and family to dinner.

Saturday evening Mr. and Mrs. Charles Ware attended the annual Credit Union dinner at St. William's parish hall. At the meeting which followed dinner a report showed that 796 members belonged to the Credit Union. Officers elected for 1965 were: board of directors, John Murphy, president; Jesse Birchard, vice president; John Flannery, treasurer; Johanna Ware, secretary; Betty Mohr, Robert Vanier and Dr. Lawrence. Credit Committee members are John Ciazza, Charles Verhaag and Eve Kopitz with Ray Cherre, Henry Stanton and Dick Murphy composing the supervisory committee.

Louis Weeks of Wixom entertained the bowling league last weekend.

Mrs. Wesley McAtee is in Ford hospital. Mayor McAtee is also confined to bed with a cold.

Youth Week was celebrated at Wixom Baptist church last week. The Young People took charge of all services. Friday there was a banquet at the church.

The Dramatic club of St. William's church have started rehearsing for their annual spring concert and are still recruiting players. They meet every Monday evening.

Mrs. Max Schonenberg of Wixom road is in Whitehall Nursing home on Novi and Ten Mile roads.

Mr. and Mrs. Robert Merkel and family traveled to Monroe Sunday, January 31 to visit Mr. Merkel's parents.

The Wixom school girl scout troop went to WXYZ TV station January 28 to watch Johnny Ginger. Their leader is Mrs. William Tuck.

Recent visitors at the Lee Harrison home were Mr. and Mrs. John Hertzfeld and daughter from Detroit.

Mr. and Mrs. Fred Wäara recently attended a birthday party honoring Mr. Wäara's father in honor of his 80th birthday. The party, held in Detroit, was attended by 200 persons.

Schoolcraft Enrollment 'Suprising'

When the second semester of Schoolcraft college opened January 4, some 995 students were enrolled in day classes.

This figure is surprisingly high in view of the fact that there are only 97 fewer the second semester than when the college opened.

Ordinarily, a community college the size of Schoolcraft college would expect to lose at least 200 students.

The college refused admission for the second semester to 125 non-resident students so it can maintain small classes.

The evening college has enrolled 800 students, making a total of 1,795 attending Schoolcraft during the second semester.

With an incoming class of a thousand freshmen in the day college in the fall of 1965, it will be necessary to add 37 new faculty members.

By 1970, there will be at least 4500 students on the Schoolcraft campus.

If income is to be the incentive for seeking high political office, the future of our republic is on a shaky foundation.

SPEAKING for The Record

By BILL SLIGER

A light vote is predicted Monday when area voters go to the polls to nominate candidates for state senator from the 14th district. Yet every qualified elector should vote.

The office is extremely important to our area and the state. Like our state representative in the legislature, the state senator is our direct link to state government — the man we can call when there's a problem or a proposal that's important to us and our community.

Therefore, it behooves the local voter to make his preference known — to vote for the candidate of his party which he believes will best represent our interests and the state in Lansing.

On April 5 voters will decide whether to send a Democrat or Republican to the senate.

Last November this column supported Paul Chandler, a Republican, because he was, in our opinion, by far the best qualified. His death cost our area an able, intelligent legislator.

In the field of nine candidates (six Republicans and three Democrats) on Monday's ballot one name stands out above all others. Farrell E. Roberts, a Republican, is an experienced legislator who possesses the intellect and ability to preserve for this area the representation that Chandler would have provided.

The state senate, especially, needs experienced talent. Roberts has these qualifications. He's a senate veteran, a moderate Republican, a strong Romney supporter.

Decision of the Northville school system to adopt a junior high school program composed of grades six, seven and eight has caused some concern among parents who believe that this may be pushing sixth graders a little too fast.

Most administrators and board members believe the junior high school level exposure will provide educational advantages for the sixth grader and that the 6-7-8 program offers more opportunity for expanded use of facilities and teaching talent in the sciences, especially.

So that parents might better understand the reasoning behind the 6-7-8 proposal, I have asked Superintendent Russell Amerman to submit an article containing a full explanation of the program.

He has promised to do so, perhaps next week, but no later than the February 25 edition.

This may clear up some doubts. Or it may create new questions. But Superintendent Amerman has stated that the program is still flexible and time remains for considering all view points.

NORTHVILLE TOWNSHIP

Amendment to Electrical Ordinance No. 9

An ordinance for, safeguarding life and property by regulating and providing for the inspection of the installation and maintenance of electric wiring, electric devices and electric material; to provide for the licensing and registration of electrical contractors and the licensing of journeyman electricians in the Township of Northville, Wayne County, Michigan; To provide a reciprocal arrangement for the recognition of examinations and licenses issued by other municipalities in the State of Michigan voluntarily cooperating in the enforcement of this ordinance; to provide a penalty for violations thereof.

The Township of Northville ordains:

The Northville Township Electrical Ordinance is amended by the addition of the following exception from the Electrical Code adopted in reference therein:

COMMERCIAL OR INDUSTRIAL BUILDINGS

All wiring shall be enclosed in rigid conduit or E.M.T. (Thin-wall conduit) or flexible metal conduit.

EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public health, peace and safety and are hereby ordered to take effect thirty (30) days after the final enactment and publication.

Private Half-Way Houses Planned

LANSING — Halfway houses, a fairly new concept in the social welfare field in Michigan, are already being modified to further meet individual needs.

Two such units designed to help delinquent youth adjust from training school or detention home life back to normal society have been opened in Detroit in the past year. More are planned for the metropolitan area.

State social welfare officials say additional facilities such as the 12-bed houses in Detroit are planned for other large communities where the delinquent case load warrants them.

Less populous areas, however, apparently will see the creation of a program whereby youths close to the release stage will be placed in foster-home situations in or near their own towns to make the adjustment under adult guidance.

To be operated by husband-wife teams, the new type of houses would hold as many youths as the couple could accommodate or who might need care at a given time.

John Miller, halfway house supervisor for the state, says the establishment of the privately operated units was considered primarily because of the economic factor.

"It's just not economically feasible to lease a house in an area where we might not have 12 boys at a time as guests," he said. "And distance becomes a factor in northern Michigan. We want to keep the boys as close to home as possible."

It may already be too late for Michigan to undertake a master plan for higher education in the form it is being viewed by some study groups.

This is the opinion of Dr. John X. Jamrich, associate dean of Michigan State University's College of Education.

One segment of the state's educational community views the so-called "California plan" as the best means of meeting local needs for college facilities. It is with this viewpoint that Jamrich takes issue.

Under the California plan, existing state institutions would be authorized to open branches in communities throughout the state similar to MSU's Oakland branch near Rochester.

The various branches of the state university in California will one day soon seek to establish themselves as autonomous colleges, Jamrich predicts.

For Michigan, he sees the answer to present college facilities problems in the establishment of entirely new colleges and community colleges.

Another possibility, the MSU spokesman contends, would be the extension of high schools through the 14th year and use of existing community and state colleges for a 4-year program resulting in the award of a master's degree.

A proposal to create a chain of islands in Lake St. Clair for recreation use has apparently been tucked into a side pocket for future reference.

It came before the legislature and state conservation commission in 1963 several times in the trial balloon stage.

Paul Lutzerer authored the idea when he was in an administrative position with the Secretary of State. He has since left Lansing to return to his former field of education.

Little encouragement was given Lutzerer by his superiors when he made the idea public. This idea related to the conservation - recreation field was totally outside his realm, Lutzerer was told.

Enthusiasm for the plan was voiced by several legislators and many conservationists, but Lutzerer let the matter become buried rather than draw further personal criticism or charges of political aims.

"I don't really care who gets credit for it," Lutzerer said. "I still think it's a very good idea and would like to have anybody who sees the dream pick it up and use it."

There was some indication when Lutzerer left his post in Lansing that U. S. Senator Phil Hart was interested in working on the project, at the national level. Some supporters of the plan in 1963 said it could not be accomplished by the state because of the proposed location.

Hart, however, has been so involved with his Sleeping Bear Dunes proposal he reportedly felt he should finish with it before attempting another major conservation - recreation plan such as that of the islands.

Roger Babson Hail the Salesman

BABSON PARK, Mass. — Why do so many people reject salesmanship as a career? When high school students and college undergraduates are asked what they plan to make their life's work, almost without fail, only the smallest percentage mention selling. Why does this unthinking attitude on the part of the public persist?

It seems that the old call, "There's a salesman at the door!" is what many people think of as the only thing selling represents. Of course there are door-to-door salesmen doing an important job and doing it well. But these comprise perhaps 2% of the total sales force in this country.

The other 98% are engaged in selling materials, services, and advertising to the millions that make up the backbone of the nation's business.

As in any trade, there are occasional get-rich-quick artists out to make a fast buck. They don't know that real — and lasting — salesmanship demands getting close to clients and giving them better service than any rival is willing to provide. So, if such high-pressure fellows are here today, they are gone tomorrow. And they certainly do not reflect the true and great value of salesmanship. You will even find similar fly-by-nights in Congress, in labor unions, and — yes — in the professions! But you don't "down" an entire vocation because of these unhappy exceptions.

Those who look dubiously at the selling profession are obviously unaware of the enormous importance of the salesman to our economic complex. Our manufacturers have learned how to turn out not only all the military and aerospace material we need but also all the consumer products that we can possibly use. Business is always afraid of the bogey of overproduction, especially with our efficient and automated know-how. Here is where the salesman comes in, creating and satisfying new needs all along the way, working hand in glove with both production and promotion officials.

How could anyone think that such a job is less honorable, less inspiring, than other occupations? Young men with clear vision and high ambition should certainly consider selling as a most desirable pursuit. There is, in addition, a special appeal in the fact that a salesman's earnings will be in direct proportion to his own hard work and his real ability.

A genuine salesman gets a wallop out of his job because he recognizes that his efforts result in a higher standard of living. If only a thousand customers buy a product with no special sales pressure or advertising, the price of the article may have to be set at \$10 in order to ensure a company profit. But with well-organized sales and promotion programs mass production may be able to drop the price of the product to as little as \$2.

A lazy man would understandably seek a less demanding job. A salesman must have a real missionary spirit, with plenty of honesty, courage, energy, imagination, and firmness. He must have strong but courteous persistence, plus remarkable adaptability. He must realize that he will often have to face frustrating circumstances. His work must be planned out, often under great pressure.

A successful salesman cannot be a clock watcher; he will wish, in fact, that his working day were even longer than it is.

Starter jobs are numerous: Retail merchandiser, manufacturer's representative, wholesale salesman, specialty salesman, marketing engineer, and product service man, — these are a few of them. A high-spirited young fellow will prefer to work on commission, thus leaving it up to himself whether he makes \$30 a week or \$300. His chances are what he makes them, and he will be helping our economy.

Vivian Holds Office Hours

Congressman Weston E. Vivian, of the Second District of Michigan which includes the city of Plymouth and Plymouth and Northville townships, will hold office hours for citizens of this area on Friday, February 12. Congressman Vivian will be available to talk with interested constituents from 10 a.m. to 12 noon at the Mayflower Hotel in Plymouth.

Area residents are invited to stop in, at their convenience, or they may request specific appointments by calling the Second Congressional District office in Ann Arbor, 761-0491.
