

# McNamara, Roberts, Council Candidates Meet Public Tonight

ROBERTS

Two candidates for state senate and five for the Northville city council will meet the public tonight at a community building "meet the candidates" session sponsored by the Northville Chamber of Commerce.

Democrat Edward McNamara and Republican Far-

rell Roberts will square-off in face-to-face discussion of the issues in the race for the 14th state senatorial seat left vacant by the death of Senator-Elect Paul Chandler.

When the partisan part of the program is completed,

five non-partisan city council candidates competing for two seats on the city council will take over.

They are Incumbent Beatrice Carlson, Del Black, C. Oscar Hammond, W. Wallace Nichols and Charles Tossaint.

Moderator for the program will be Municipal Judge Charles McDonald, also a candidate for re-election on the April 5 ballot. Judge McDonald is unopposed, however.

Mayor A. M. Allen is also up for re-election without opposition.

The race between McNamara and Roberts has been hotly contested. Heavy emphasis has been placed on capturing the seat by both parties. Democrats now hold a majority in both the house and senate, which would be increased if the seat held by

Republican Chandler were lost. Importance of the 14th district senate seat was made evident by the strong campaigning by the governor's wife, Mrs. George Romney, on behalf of Roberts.

Roberts is a former state senator who was an unsuccessful candidate for appeals court judge in Oakland county last November.

McNamara is a Livonia city councilman.

The "meet the candidates" program will begin at 8 p.m. and is expected to be concluded within two hours.

McNAMARA

## The Northville Record

IF IT'S NEWS...AND IT HAPPENS IN NORTHVILLE...YOU CAN READ IT IN THE RECORD

# City OK's Detroit Water Line

The Northville city council took care of three important matters of business Monday night in short order:

1-It reached agreement with the city of Detroit for installation of a Detroit water line through Northville;

2-It approved the central business district and central business parking zoning classifications;

3-It approved the first reading and set an April 6 public hearing on the unit development plan which allows "density" development of property.

Each of these issues has been a matter of long-standing study for the council. But Monday most of the problems had solutions and decisions were made.

The Detroit water board was well represented at Monday night's session. A. C. Michael, assistant chief engineer, headed a group of five men ready to answer any questions the council might have.

Mayor A. M. Allen told the Detroiters that his main concern was with the protection of Northville's streets, and we've had some sad experiences lately," the mayor related, referring to construction involving the Novi sewer line through the city.

The council pointed specifically to time — the work must be done when the track (Northville Downs) is not in operation — and to wear and tear of the detour routes that traffic must follow while the water line is being installed.

Michael assured the council that no work would be carried on during the race meets. He said Detroit had already advertised for bids and that they would be opened April 7. He said plans call for the work to be completed during the 60 days between the race meets (April 13 to June 15).

The end of the Detroit water line is now at Baseline and Center street. It will be extended southward along Center to Dunlap, then west to Wing, south to Fairbrook and finally east back to Center and then south to Five Mile road.

A permit issued to the successful contractor by the city of Northville, as well as a contract with the city of Detroit, includes provisions protecting Northville's streets. All streets, those in which the line is laid as well as streets taking detoured traffic, will be maintained and repaired by the contractor to the satisfaction of the city of Northville.

Michael said it would be Detroit's aim to "get the 24-inch water main through Northville as soon as possible." He estimated that the crews could lay the water line at the rate of 250 feet per day and that some 5,000 feet extends through the city.

The CBD and CDP zoning classifications were approved after City Attorney Philip Ogilvie reported he could find no fault with the parking provision requirement.

The "cluster development" ordinance won approval for public hearing April 6 after changes were recommended by George Zerbel, planning chairman.

Specifically, the amendments will call for greater lot size under R-1S zoning, use of more of the lot area for building and assurance of installation and maintenance of the park area which must be provided in the cluster zoning plan.

## Have You Seen This Man?

Northville artist John Wortman drew this sketch of the "sick man" based on a description provided by two teenage girls whom he confronted.

A police dragnet is still out in Northville for a man who has indecently exposed himself in front of young girls in the city.

Acting Police Chief David LaFond said officers have checked out numerous tips from residents in response to a story in this newspaper but most were negative.

"We're doing all we can to catch this man who needs psychological help," LaFond stated, "and we're seeking any help we can get from local people."

LaFond emphasized that if anyone spots the suspect (sketched above) to take down the license plate number of his car and call the police department at FI 9-1234.

"Some people apparently have seen his car but have failed to record the license. I can't tell you how important a clue this would be," LaFond said.

The man is believed to be driving a late model Ford sedan. "It is either light blue, dark blue or white," according to girls who have been confronted by the man.

But if no one can agree on the color of his car at least the man's description has been confirmed, LaFond said.

The man is described as being in his late 20s, five feet, eight-inches tall, weighing 150 pounds, having a small mustache and dark bushy hair and wearing dark-rimmed glasses and a brown coat.

LaFond thinks the man has set a definite pattern for himself. He comes out in the late afternoon and has not altered his appearance.

"He has been seen between the hours of 3 p.m. and 7 p.m.," LaFond pointed out. "In the instances that have been reported his description has been the same."

LaFond pondered: "Apparently the man cannot really account for his actions. He is

## New School Cost Set at \$3.3 Million

A price tag has been attached to the five-year, three-phase school construction program by the Northville board of education.

It is \$3.3 million dollars for the entire package — including a \$500,000 swimming pool which will appear as a separate proposal on the June 14 ballot.

Under present state equalized valuations a bond issue of this magnitude could require a millage hike of 10 mills (\$10 per \$1,000 of state equalized assessed valuation).

But the board anticipated that six mills would be needed to get the program rolling.

The board broke down the cost of each part of the project:

- A 500-student elementary school and site for approximately 1966 will run \$625,000;
- A 600 student junior high and site will cost \$1,250,000;
- Expansion at the high school including a vocational center, extra classrooms and improvement of athletic facilities is expected to cost \$710,000;
- A swimming pool would run \$500,000.

Other parts of the project are improvements at the two elementary buildings, \$30,000; bus service center, \$80,000; site for future elementary building, \$25,000 and central office facilities, \$25,000.

James Kipper, president of the board, said the \$3.3 million cost was set because "our architect said that the last few bids he has examined have been 20% above estimates."

O'Dell, Hewlett & Luchbach is the architectural firm retained by the board.

Trustee Robert Shafer figured that a minimum of six mills will be needed to start the building program. The elementary school will go up first

followed by the junior high.

But Kipper stated that millage levied would vary. "No one can say specifically how much it will be. This depends on state equalized evaluation and growth in the district."

Kipper speculated that a total of 10 mills could be levied before the package deal is completed. Right now, taxpayers in the school district pay 23.6 mills.

Some 17.9 mills are used to operate the school district while the remaining 5.7 mills for debt retirement.

How high the millage levy might rise under the new building program is impossible to

predict. As the tax base within the district rises and the existing debts are reduced, the increase becomes less.

A fair estimate of the increase would be not less than five or more than 10, or a hike from the present 23.6 mills to a levy of between 28 and 34 mills.

The board outlined its program before the citizens advisory group last night in the junior high school.

Kipper indicated that citizens, members of the administrative staff and board members would form public relations units to "sell" the program to taxpayers.

## 8 Mile-Taft Area Eyed for Schools

Where will the Northville board of education build the high schools?

The board pondered the question Monday night and favored putting up the structures near the Eight Mile and Taft road area.

James Littell, board attorney, was instructed to negotiate with Thompson-Brown Co., which plans to build a \$10 million residential-apartment development on 135 acres in the area.

A 16-acre tract is sought solely for the junior high.

Another alternative is to acquire a 30-acre section in the general vicinity. Thus the elementary and junior high would be located on the same site.

Members of the citizens site committee — Kirk Atton, Doug-

las Day and Joe Petrock — recommended that the Eight Mile-Taft area be given priority.

Atton explained that the biggest growth will take place there in the years ahead, especially with the Thompson-Brown project.

In his report Atton said that the junior high should be erected east of Taft road and the elementary along Eight Mile between Taft and Beck.

The junior high might be adjacent to the football bowl north of Eight Mile so there "could be a joint use of some present facilities."

In a related matter, the board transferred \$500 from the general fund to the building and site fund.

## 'Cozy' Downs Opens 22nd Racing Season

Let it rain, snow, freeze or thaw.

Northville Downs is ready for the earliest opening of harness racing in Michigan history tomorrow (Friday) night when "they're off" for the 22nd season at the local harness track.

An 18-night season ending April 15 is the first meet of a split season scheduled for Northville Downs this year.

Downs' Executive Manager John Carlo has prepared his track for any eventuality. Accustomed to handling mid-summer meets, Carlo is trying to make fans believe it really is summer at the Downs.

He's installed 360 heating units in the upper and lower grandstand areas that will provide a constant temperature of 70 degrees for spectators.

Nearly 150 other heating units are in the barn areas. The ultrared ray electric lamps are the most modern, where the spectators sit in a grandstand that is glass enclosed on the ends but open on the front towards the track.

"These heating units are designed to provide heat to the individual and not the air," said Carlo. "Years ago when we pioneered parimutuel betting on harness racing, we used the old-fashioned salamanders to provide heating for patrons in the late fall meetings."

"Then they would rush out to the rail to watch the races and

then race back to the area of the salamanders for heat. Under these new units, all can sit in their seats and have the same comfort as if they were sitting in their living room watching the races on a television screen."

Last year the Downs set new betting records with 48 nights. With the 57 night season this year higher marks are expected.

One of the most interested observers of the mutual handle at the track is the city government. Last year's 48-night season produced a record \$151,000 in tax rebates from the state as the city's share of the mutual handle.

Some 700 horses are now on the grounds at the Downs preparing for the opening. The first race of the 10 races nightly begins at 8:15 p.m.

After the 18-night spring meet racing returns to the Downs for 39 nights, June 21 to August 4.

Adventurous Allison Lamb, Northville's Moon Maid, enters the space capsule for her imaginary trip to the moon.

## Allison's Adventure In 'Space Land'

Northville won't be outdone by Dick Tracy.

It, too, has a Moon Maid in the form of Allison Lamb, a 10-year-old fifth grader at Main Street elementary school.

She is A-Ok for a flight to the moon but her home-made space capsule, unlike the one launched Tuesday by the U.S., is still anchored to earth.

The capsule, about 12 feet long, lays on its side in the classroom of Robert Prom. It is painted gray with bright red lettering on its trunk and nosecone.

Unlike the multi-million dollar two-man Gemini project of Uncle Sam, the Northville version only cost \$15 to assemble. Prom said the students provided the labor and parents supplied the materials — wood, cardboard and masonite.

Prom said the class began working on the capsule in December and finished up Monday afternoon. The last

item installed was the instrument panel.

Allison and her crew were tense Tuesday morning as the actual countdown began at Cape Kennedy, Florida. They were watching it on TV.

"We're recording it so we can play it back and go through our own simulated flight," Prom said.

Allison wore her own rendition of a space suit. It consisted of a football helmet, gray jacket and slacks, white gloves and black boots. She made the outfit with the help of her mother.

But even though they'll never reach that yellow sphere suspended in outer space, Allison and her classmates slipped on their imaginations and pretended.

Allison said that she "would like to go to the moon so when I come back I would be famous and I would give most of the money I earned to people who need it."

What is the moon like? Allison answered:

"I think it would be like a big ball with pits on it. It might be dusty and there would be things something like mountains."

Others dreamed, too.

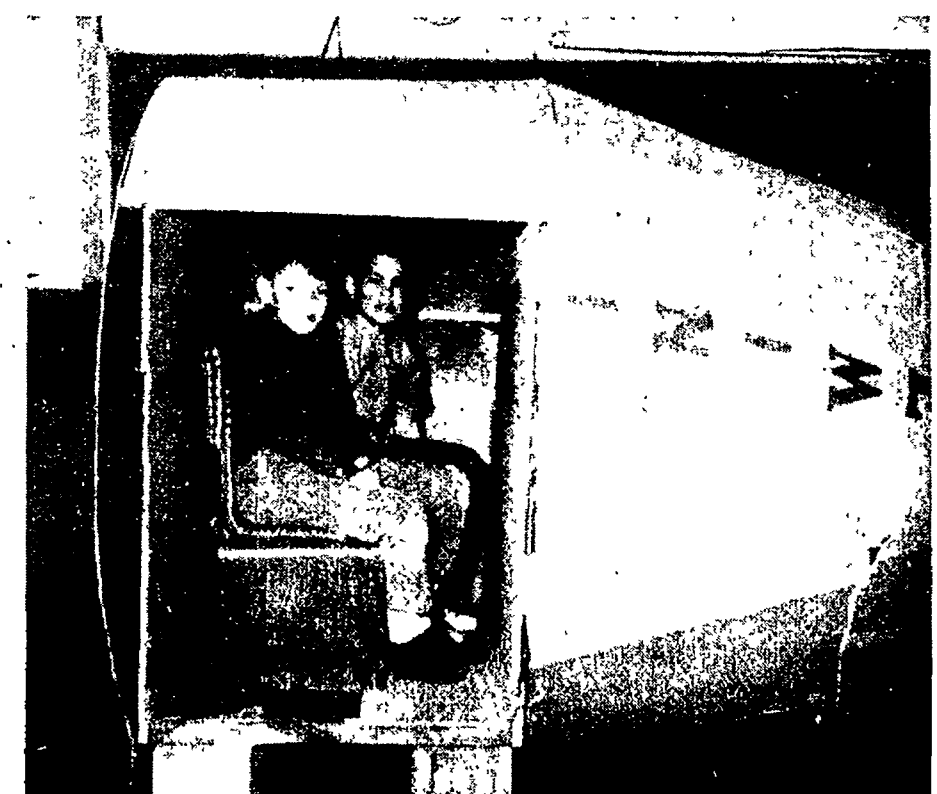

Jeff Moon (that's his name!) reflected: "I would like to float around in space. It would be awkward to walk on and to explore the moon. It would be awfully holey."

"Adventure" is the reason Greg Mills jotted down for going to the moon — a distance of 238,000 miles from earth.

Claude Colden was a little futuristic as he thought that a trip to the moon would be "something I and all people would remember for a long, long time. And then we could move toward more planets and land on them."

Undoubtedly Kathleen Gilahan would take along her pogo stick. "You can jump a lot higher there," she said because there is no gravity to hold you down.

(See other pictures on page 8 of this section).

Jeff Moon (no foolin') on the right and Greg Mills are in the cockpit ready for the lift-off. The capsule was built by their classmates.

# about WOMEN

## Writer Martha Rountree Final Town Hall Speaker

A "diesel engine under a lace handkerchief" was the way Martha Rountree was described by her friend Mrs. William Randolph Hearst.

Famed political writer, commentator and TV star, Martha Rountree will discuss what is going on at the nation's capital when she appears here April 1, at Town Hall.

Miss Rountree is probably best remembered for her TV program, "Meet the Press," which was televised from 1945 to 1954. She interviewed many national and international celebrities.

Miss Rountree has starred in every branch of the communication field. She is currently producing the daily program, "Leave It to the Girls," over the NBC network and will presently resume her daily "news in depth" radio program, "Capitol Closeup." She is also editor of "Am-

munication," a weekly newsletter devoted to revealing the facts about important national issues.

Her far-flung activities have made feature articles in most all national publications. Among her numerous awards are the George Foster Peabody award,

MARTHA ROUNTREE

Sylvania award, American Legion award and the Academy of Radio and Television Arts and Sciences Award.

In private life she is Mrs. Oliver Presbrey and has two daughters ages six and eight. The Presbrees are prominent on the Washington social and political scene.

Miss Rountree will be the last guest speaker of the Town Hall series for this season. Luncheon will follow the lecture at Meadowbrook country club.

### Hold Coffee

A coffee for the women of Northville Estates was given Wednesday by Mrs. Ward Hummel of Grasmere road to introduce Mrs. Robert Flaherty to her new neighbors. Mr. and Mrs. Flaherty moved to Northville recently from San Francisco.

## AAUW Holding Annual Book Sale

The Plymouth Branch of the American Association of University Women is scheduling annual spring book sale next month. Proceeds are used for graduate fellowships for women.

The sale will be held at the A & P store located on Ann Arbor road and will run for three days, Thursday, Friday and Saturday, April 29, 30 and May 1.

Donations of all kinds of

books are welcome: Novels, pocketbooks, textbooks, children's stories, biographies, poetry and sets of books.

Collection boxes are being placed at various locations in the area. Pickup of books at home can be arranged by calling Mrs. Bloom at GL 3-8247.

Mrs. Howard Bloom and Mrs. R. M. Larson are co-chairmen for this year's book sale.

## Business Club 17 Years Old

The Business and Professional Women's club of Northville Monday night marked its 17th anniversary.

Business was forgotten when ribbons, flowers and streamers filled the tables at Hillside Inn, and the women turned their thoughts to millinery and creating spring bonnets. The dinner and fun-night was in keeping with the salute to Women Who Work Week.

Councilwoman Beatrice Carlson founded the club in Northville in 1948. Mrs. Carlson and Mrs. Mary Alexander, retired Northville city clerk, are charter members.

Officer line-up for the coming year: Mrs. Marion Kellogg, President; Mrs. Hester Gow, vice-president; Mrs. Mazzie Markham, corresponding secretary; Miss Margaret Rager, recording secretary and Mrs. Ruth Anderson, treasurer.

## Pledging Sororities

Three college students from Northville have been pledged to national sororities.

Emily Canterbury, daughter of Mr. and Mrs. John S. Canterbury, of 204 Randolph, is a pledge to the Beta Tau Chapter of Zeta Tau Alpha at Albion college.

The Delta Chapter of Phi Beta Phi national social sorority at Albion has extended invitations to "freshman," Jo Hildebrandt, daughter of Mrs. Ardyce Hildebrandt of 17071 Franklin and Carol Klopferstein, daughter of Mr. and Mrs. Morris Klopferstein of 20145 Beck road.

## Griegers Honored

The son and daughter of Mr. and Mrs. Donald Grieger of 15828 Northville road have received honors this month.

Judith Ann, a senior at Northville high school, received a medal and a rating of I, at the state solo and ensemble festival held at Marshall, Michigan, March 20. Judith, a member of the high school band, plays the flute.

She will enter Western Michigan University in the fall.

Kenneth, a sophomore majoring in industrial education at Western Michigan University, has been pledged to the Gamma Phi Chapter of Alpha Phi Omega, a national service fraternity.

47 NEXT YEAR — Past commanders of the Lloyd H. Green Post and their wives rally around the birthday cake for the 46th anniversary of the American Legion. The Northville post held a smorgasbord dinner and dance Saturday night. Commander Harold Penn (left) and Harold Wright are holding the huge cake.

## News Around Northville

Political candidates are in the limelight as they are being feted with luncheons, teas and coffees prior to the upcoming April 5 election.

Mrs. Stuart Campbell opened her home on Horton street to introduce Councilwoman Beatrice Carlson at a coffee Friday afternoon.

Mrs. Carlson is the only woman member of the Northville council. She was introduced by Mrs. Campbell to new members of the community as well as the many women voters of Northville. Mrs. Carlson is running for re-election to the council.

Mrs. E. O. Weber of Woodhull road is entertaining at a coffee at her home today for Farrell Roberts who is running for the 14th district state senate seat left vacant by the death of Paul Chandler.

Roberts met the women of Edenderry and Shadbrook subdivisions at a coffee in his honor at the Pickford court home of Mrs. William McDermott Wednesday morning.

Mr. and Mrs. Lee Lemmon of Horton street are home after a week's stay in Puerto Rico as guests of Mr. Lemmon's employer, the Alexander Hamilton Life Insurance company.

Mrs. Elizabeth Dearing of East Main street returned to Northville last week after a five-week vacation in Punta Gorda and Boynton Beach, Florida. While there Mrs. Dearing visited her uncle, Elwin Dearing of Zephyr Hills, Florida.

Mr. and Mrs. Donald Ware of Hutton Street have returned to Northville after a month's stay in Fort Lauderdale, Florida. Mrs. Ware reported that while they missed our February blizzard by heading for the sunshine state they did get caught in the tornado that struck southern Florida. They were guests of the Orlov Owens' of West Seven Mile road. Mr. Owen is general manager of the Pompano race track in Florida.

A tri-club luncheon is being planned by the Northville Garden Club at Lofy's in Plymouth Tuesday, April 13 at 12:30.

The tri-club includes members from the Rosedale Gardens, Plymouth and Northville garden clubs. Mrs. William J. Ulenbruck, an authority on gardening, will be guest speaker at the luncheon. She will also show films on her recent trip to Holland.

Mrs. Arlie Thomas of 21001 West Seven Mile road has returned from a vacation on Florida's lower west coast. While touring Florida, Mrs. Thomas visited the Sarasota jungle gardens.

The Northville Jaycettes are sponsoring a rummage sale, Saturday, April 3 from 10 a.m. to 6 p.m. at the American Legion hall, Dunlap and Center streets.

Mrs. George Merwin of Cottisford road and her daughters, Mimi and Jacqueline, members of the Plymouth Corners Society of the Children of the American Revolution, C.A.R., attended the Ohio state conference of the C.A.R. at the Van Cleve hotel in Dayton, Ohio. The conference was held Friday and Saturday. Mrs. Merwin is senior president of the Michigan state society.

Fred Ayers of Battle Creek, state president of the C.A.R. of the Johnny Appleseed Society, was a guest Tuesday evening at a dinner at the home of Mr. and Mrs. George Merwin on Cottisford.

Orient chapter No. 77 of the order of the Eastern Star will host members of the Laurel chapter No. 164 of Toronto at a dinner Friday, April 2, at 6:30. Reservations must be made with Mrs. Martha Hawes, FI 9-3438, by March 31.

## In Our Town

By Jean Day

"MAY SPRING MEET ME HALF WAY" was the hope expressed by Mrs. Arthur Basel, program chairman for the annual luncheon meeting of Northville Woman's club to be held at 12:30 p.m. Friday in the Presbyterian church house.

Mrs. Basel was thinking both of upcoming spring vacation travel plans, which annually take many Northville residents to Washington, D.C., and other eastern points, and also of the attendance at the final meeting of the 1964-5 year for the club.

An original skit, "Men of History," written by Mrs. Basel and Mrs. Paul Beard, will be presented following the traditional tureen luncheon at which every member this year is asked to bring "her specialty" dish (as well as fable service for herself — newcomers may need this reminder.)

The humorous skit will deal with men — "from Adam to Dali" — with new members of the club taking roles. Included in the cast are Mrs. George Hanley, Mrs. Lloyd Brasure, Mrs. Walter Gall, Mrs. Paul Hughes, Mrs. Eugene Karer, Mrs. Hugh McKay, Miss Florence Keith.

Others are Mrs. William McDermott, Mrs. John Moorhead, Mrs. Donald Kushmaul, Mrs. William Swank, Mrs. E. O. Weber, Mrs. John Stuyvenberg, Jr., Mrs. Leonard Klein, Mrs. John Walker, Mrs. John Brown.

Traditionally, at the annual meeting, which is to follow the program, life members of the woman's club are honored. A member attains life status after 25 years membership in the club. Both Mrs. O. F. Reng, president, and Mrs. H. A. Boyden, membership chairman, scanned the membership list this year and found that there is no one attaining the silver anniversary mark in 1965. Therefore, this ceremony will be omitted.

FATHERS WERE HONOR GUESTS at a special St. Patrick's Day "Fathers' Night" program of the Northville Cooperative Pre-School Play Group. The children invited their fathers to accompany them on an early evening visit to the nursery school which is held in the Scout-Recreation building on Cady Street.

Fathers viewed the equipment, watched children at play and then enjoyed cookies baked by the children earlier in the week.

The next meeting of the Northville Pre-School Play Group's mothers will be a guest program at 8 p.m. Monday, April 5, in the Scout-Recreation building. Members are especially invited to bring guests. Any mother in the community interested in the meeting is asked to contact Mrs. Ralph Luckett, FI-9-1046, membership chairman.

Mrs. Carolyn Hawkins, who was the first president of the Detroit Cooperative Nursery Council, will speak. She also rates another "first" as the first president of the American Council of Nursery Schools, now officially known as the Parent Cooperatives Pre-School International.

A REPEAT of a successful bowling evening is planned for Newcomers Club members and their husbands for 8:15 p.m. Saturday, April 3. Mr. and Mrs. Benjamin Kline, party chairmen, have announced that this evening will have bowling at the Northville Lanes with the group going afterwards to the home of Mr. and Mrs. Edward Hodges on Westhill road.

MARTHA ROUNTREE has a reputation for a "fast thinker on her feet"; so the questioning session following the celebrity luncheon for the final 1964-5 Northville Town Hall should be an especially lively one.

Luncheon at Meadowbrook Country Club will follow Miss Rountree's "Washington Roundup" talk April 1. Luncheon reservations should be made by next Monday with Mrs. W. Leonard Howard, FI-9-1643.

## NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."

— Samuel Johnson

Mr. and Mrs. Robert Flaherty of Chigwidden Road.

New residents of Northville Estates subdivision are Mr. and Mrs. Robert Flaherty who have moved here from Los Angeles, California. The Flahertys' new address is 21150 Chigwidden road.

Other occupants of the Flaherty household are Cha Cha and Shannon, two apricot-tinted French poodles who are finding a new experience crumpling through Northville's spring snow.

Bob and Martha Flaherty are aviation enthusiasts, their mutual interest dates back to Honolulu where they first met. Martha was an airline stewardess with Overseas National Airways on flights scheduled from Hawaii to Tokyo. Bob was deck officer aboard a Matson line ship. Shortly after they met they were married.

Bob Flaherty has traveled all over the world. He attended

Cerritos college in Los Angeles and graduated from the U.S. Maritime Officers Training school in Alameda, California. He served on merchant vessels during World War II and the Korean war.

Martha was born in Wichita, Kansas and attended Wichita university before becoming an airline stewardess.

Two years ago, the Flahertys' along with five couples, toured South America in two twin-engine planes. They toured from Rio to Lima, Peru. They sold their plane before coming to Michigan.

Mrs. Flaherty doesn't have time to get bored, or lonesome even in new surroundings. She likes sewing and preparing gourmet dishes. Her husband likes the outdoors — golfing, hunting and fishing. He is transferred to Michigan by the Jones Dabney Paint company where he has been an account supervisor for nine years.

Do they miss the sunshine of the west coast? Well, as Mr. Flaherty said, "You do have 100-n snowy springs in Northville."

### Holy Cross Buys Site For Church

Holy Cross Episcopal church in Novi is one step closer to its own sanctuary today.

The executive council of the Diocese of Michigan has approved a gift of \$7,500 and a loan of \$2,500 from the land purchase fund to buy a 10-acre tract of land in the village. Reverend Peter Tonella, vicar of the Episcopal Mission in Novi, said that the church's future home will be located on the south side of 10 Mile across from the Robert Flynn residence.

Mr. Tonella said the mission is paying one-quarter of the cost of the property.

### Out, Out Darn Spot

Charles M. Freydl Sr. and Charles Freydl Jr. of Freydl Cleaners and Mens Wear were among the 32 graduates to receive diplomas from "The Michigan Institute of Dry Cleaning," at a dinner given in Brighton Monday night.

The diplomas were awarded for completing the ten weeks plant training course in "Spotting Skills."

## Swim Club Seeks New Members

Applications are being sent out to new residents of the community for the 1965 season of the Northville Swim Club.

The swim club, which starts its third season this year, was formed in 1963 by a group of families in the Northville area.

### She's Floral Expert Now

Donna Richardson, daughter of Mr. and Mrs. Harry Richardson of 814 West Main street, has received a diploma in commercial floriculture from Michigan State University. The MSU agricultural industries graduation was held March 19 in Lansing. Mr. and Mrs. Richardson along with Linda Mach and John Spinks attended the ceremony.

Donna is now employed as a designer with a Detroit florist.

It is located behind the high school at the corner of Eight Mile and Sheldon road. The club offers an olympic-size pool with over 5,000 square feet of swimming area, a 1,600 square foot area bath house, play pool for small children, a children's play area, over 11,000 feet of concrete decking, snack bar and ample parking. The pool water is heated and has underwater lighting for evening swimming.

The club has a manager and lifeguards as required by state regulations, and is incorporated as a non-profit corporation. It was organized on a membership basis only. The pool will open Memorial day and plans are underway for summer activities for children and adults.

Anyone interested in obtaining an application or information can call Al Morian, 349-2897, Betty Sterner 349-3878 or Fred Dietrich 349-3393, of the membership committee.

## For the Gardener

This column on gardening information is compiled by the Northville branch of the National Farm and Garden Club.

How often do I feed my house plants? And how much do I feed them? A little plant food goes a long way — too much may burn the roots and actually kill a plant. The various brands of fertilizer on the market differ in their strength, so follow exactly the directions on the package.

Older plants benefit from a light feeding every two or three months, except in the winter, when it is best to feed somewhat less frequently. New plants obtained from your florist need no fertilizer for the first six weeks after you get them, or even longer.

Commercial fertilizers always tell on the package the proportions of nutrients they contain. Those usually present are nitrogen, phosphoric acid, and potash. When you see the figures 5-10-5 or 10-6-4, it is to the percentages of these elements, and in the order stated above, that reference is made.

When should I fertilize? It's not wise to assume that any sickly looking plant will benefit from a dose of plant food. The plant is more apt to be ill because of too much water, too little light, too dry an atmosphere, or poor quality of the potting soil in which it is growing.

If your plant is suffering from starvation, nitrogen is most likely to be what it lacks. Symptoms are a yellow color in new leaves, and lack of vigor in new growth.

However, symptoms of injury from gas fumes, too much water, too little light are similar, except when one of these

is the culprit; you usually find the lower leaves turning yellow, while those higher up stay green.

Dry plant foods come in powdered, granular and tablet form. Or you can buy plant food as a liquid. Experiment with various types to see which gives you the best results.

When you use dry food, be careful not to get it on the plant, and to water it into the soil at once, to prevent burning. Tablets may be inserted into the soil at the outer edge of the pot, and will gradually be absorbed in the course of successive waterings.

Regular lawn food, works fine; half a teaspoon to a 6-inch pot is the right amount. Apply commercial food exactly as the package directions state. When you use liquid plant food in solution, be sure to measure the water just as accurately as you do food. Use enough solution to moisten all soil until the excess drains out of the bottom of the pot.

The main thing to remember about fertilizers is "Don't kill a plant with kindness!"

### Local Boys Initiated

Jeffrey Crawford of Northville and Larry McCollum of Novi are among 12 Central University students initiated into Kappa Mu Epsilon, honorary undergraduate mathematics society.

The society is open to students who show a special proficiency in mathematics and who are interested in studying mathematics beyond the freshman year. All initiates must have a scholastic average of at least "C" in all subjects and at least "B" in mathematics.

## Years Out of the Past

### ONE YEAR AGO

Ground was broken Sunday for the \$110,000 First Presbyterian church's Christian education addition.

Jerry Burns, Northville's only entry in the state wrestling tournament, copped sixth place in the Class B heavyweight division.

Russell H. Amerman, superintendent of Northville public schools, since April 1933, and an administrator in the system since 1927, announced Monday that he will retire in June 1965.

Voters in Novi retained three councilmen in the village election — Philip Anderson, Joseph Crupi and Dean Lenheiser.

Terry LaRue, Northville high school debater, will compete in the state finals of the American Legion sponsored oratorical contest March 21.

### FIVE YEARS AGO

Three Novi councilmen were turned out to pasture in a strong protest vote as three Novi Civic Improvement Association members swept into office. The newly-elected councilmen were Joseph Crupi, genie Choquet, Councilman Dean Lenheiser and Miss E. Russell Butten, Dirk Groenenberg and Dicon Tafrahan were defeated.

The tenth anniversary of the dedication of St. Paul's Evangelical Lutheran church and parish hall was observed. Clergymen officiating at the ceremony were the Reverends E. E. Rossow, E. J. Rossow, Alvin Schulte and B. J. Bankow. Faced with new state fire regulations, the board of directors of Atchison Hospital voted to "temporarily suspend operations" of the 10-year-old institution. The hospital, located at 501 West Dunlap street, dismissed or transferred its patients Friday. The main floor doctors' clinic will operate as usual.

Northville teachers have asked for a \$33,500 raise, and the board of education would like to see them get it. Only problem is the \$33,500. No one seemed to know its source.

### In Justice Court

The following cases were heard in Justice Court, Thursday in Novi by Judge Allan Ingel:

Robert Cartwright, 47000 West Seven Mile road was charged with careless driving at Novi north of Ten Mile road, March 13. At his trial, Cartwright was fined \$10.

Richard Ball of Troy was charged on two counts — being a minor in possession of alcohol January 30 at 12 Mile road and reckless driving. The case of being a minor in possession of alcoholic beverages was dismissed and Ball was fined \$25 and \$15 court costs of the reckless driving charge.

Passing another vehicle on a hill at Grand River and Meadowbrook drive, January 24, cost Joseph Clinkscales of Inkster a fine of \$10.

### FIFTEEN YEARS AGO

Because of the acute coal shortage which exists all over the nation, Mayor Conrad E. Langfield declared a coal emergency March 2. Police Chief Joseph Denton was named the fuel administrator.

Cadet William Taft, son of Mr. and Mrs. Gerald F. Taft of 4518 Eight Mile road, will participate in the all-Culver Military academy night in Chicago March 18. Taft is a member of the Culver Lancers.

Wreckers armed with crowbars, hammers and saws began tearing down the old Northville opera house Monday. The building, for the past several years has housed the Farmers Market. The opera house building was one of the village's oldest landmarks and was constructed by the late Samuel Little, founder of The Northville Record.

Fred Kendall of Plymouth was on the Arthur Godfrey talent scout show last Monday, and was declared the winner. Kendall will appear the rest of the week on Godfrey's morning program. Fred is the husband of the former Evelyn Ambler and is the son-in-law of Mrs. Leota Ambler, who is employed at Depositors State Bank.

Thieves broke into the Cottage Inn on West Main street Friday morning and pocketed a mere 70 cents but overlooked a purse containing \$50 under the counter.

### TWENTY FIVE YEARS AGO

The Lloyd H. Green Post's 22nd birthday will be celebrated March 15. Mrs. Merrill S. Sweet is general chairman. The decoration committee is made up of Mrs. Charles F. Murphy, Mrs. W. H. Cansfield and Mrs. Charles Freydl.

A reliable source revealed this week that the Weaver Oil and Gas Co. of Grand Rapids had leased the entire NE section of Salem township with the view of drilling for oil. Activity is expected to start about April 1. Some 7,000 acres are under lease to Weaver in the area where the Kehrl wildcatter of 1937 developed into a gasser. The gas was

found in the Trenton formation. No commercial outlet has been obtained for the gasser. The well was sunk by the McKinley Oil Co. of Detroit. C. J. Hammer of 2235 Seven Mile was one of the promoters. Orville Dudley lives on the Kehrl farm.

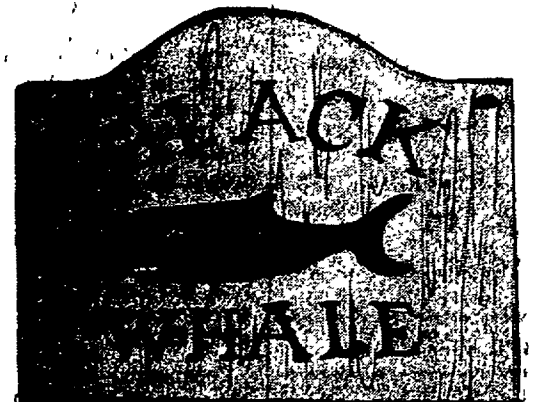

Nearly 150 Master Masons of Northville Lodge No. 186 F.&A.M. and constituent lodges joined in the annual celebration of Past Masters' night March 4. During the evening, Ralph Foreman, P.M., raised his brother, William, to the sublime degree of Master Mason.

Con Langfield of Northville Laboratories, was re-elected vice president of the Michigan

Allied Dairy Association at the state convention in Grand Rapids March 5.

Two chimney fires caused slight damage in the village. They were at 407 Yerkes and 312 Randolph street.

I'm  
Del  
Black

On Monday, April 5 I'll be one of five candidates seeking one of two seats on the Northville City Council.

Truthfully, I can't promise sweeping changes or new programs for city improvement because it's been my personal observation that our council is moving forward on a well-charted course.

But I promise to become a working member of this team and, where possible, to suggest ways of further improving our city government.

### WUF Event Coming Up

Mr. William Ruland of Northville and Mrs. J. W. Erwin of South Lyon are serving on the committee for a dessert program sponsored by the Women for the United Foundation. The program will be held April 1, from 12:30 to 3 p.m. at Our Lady of Sorrows Hall, 23615 Power road, Farmington.

"Happiness is a Thing Called You" is the title of the program — one of 13 sponsored by WUF in the metropolitan area.

### 1-Card of Thanks

I wish to thank all my  
friends, relatives and mem-  
bers of my church for the  
cards, gifts and visits during  
my stay in the hospital.  
Mrs. Orman Hodges

The Wilson Clark family  
would like to thank everyone  
for their kind deeds and  
thoughtfulness, with special  
thanks to Fred & Emily Cas-  
terline, Rev. Kinde and the  
Neal Circle of Northville Meth-  
odist church.

I wish to thank my friends  
and club members for the big  
surprise they gave me Sunday,  
also your faith and trust in me  
as your president and for the  
lovely gifts, flowers and beau-  
tiful cake. Will see you April  
15 at the club. Thanks again.

#### PART TIME

Branch of main company hiring additional men from the Northville - Novi area. Men must have good work records. Hours open. For job information call 476-8896 10:00 to 8:00 p.m. daily.

### OUR PROBLEM

OUR PROBLEM is to get an important message across to men who are sincerely seeking an opportunity where future income is limited only by one's ability and willingness to work. We are engaged in testing public response and consumer acceptance type work. We have an immediate company sponsored training program. This automatically qualifies you for immediate high income. We are not trying to proselyte men from other companies but are trying to make restless people on present jobs aware of something better for themselves. I believe it should be worth one hour of your time to hear of the fine prestige, high income and tremendous potential of our work. Is it worth one hour of your time to hear OUR PROBLEM and TO HELP YOU WITH YOURS?

Call 662-9304 for an appointment for interview

## Party Set

Fun, Feast and Fete is the theme of the Ed McNamara Dinner-Dance, scheduled for Tuesday, March 30 at the Thunderbird Inn, 14707 Northville road, Plymouth, starting at 7 p.m.

Featuring a roast beef dinner followed by dancing to the music of the Joe Bankett Trio, 'the evening promises to be a night of fun,' pledged Nancy Wilson, co-chairman of the committee. There will absolutely be no speeches, political or otherwise.

McNamara, currently a Livonia City Councilman, is the Democratic Party's candidate for the vacant State Senatorial seat in the 14th District. The election is scheduled for April 5.

Tickets can be purchased by phoning either Mrs. Rodney Chubb at GA 2-7567 or Mrs. Donald Fuller at GR 4-3253, or at the door. The price of the dinner-dance is set at \$10 per couple.

## Marines Assign

## Sgt. Cox to Area

The U.S. Marine Corps has assigned a new representative to Northville and the surrounding area: Sergeant Jim Cox is in charge of the office located in the veterans memorial building at 173 N. Main in Plymouth. The office is open from 8:30 a.m. to 4 p.m., Monday through Friday.

PROGRESS? — After a wait of 10 years, a street sign was erected last week at Eleven Mile road and Whipple street in Clark subdivision in Novi. Elated over the sign's installation are (left to right) Mrs. Mary Skeltis, James Mitchell, Brenda Tymensky and Mrs. John Tymensky.

## — City Council Minutes —

The regular meeting of the Northville City Council was called to order by Mayor Allen, Monday, March 1, 1965, 8:00 p.m. in the Northville city hall.

Present: Allen, Ambler, Canterbury, Carlson and Kester. Absent: None.

Others present: Wm. Sackett, Cliff Shoebridge, Mr. and Mrs. Truman Harsch, Mrs. William Cansfield, Mrs. R. Amerman, John Wortman, George Clark and Del Black.

The minutes of the previous meeting were approved with 2 corrections.

Moved by Kester, supported by Carlson, that bills in the following amounts be paid:

General \$12,282.63  
Water 1,614.26

Unanimously carried  
Communications:

A letter was received from the Northville Historical Society relative to future action for the former Northville Library building. A copy of the letter which was sent to the Northville Woman's Club is to be sent to the Historical Society.

A communication from the Michigan Week Exchange of Mayors' committee was read concerning the pairing of Michigan cities for this activity. Action was to have been taken by the Chamber of Commerce at their February 27 meeting relative to the Michigan Week Chairmanship. This will be discussed at their March 4 meeting.

Communications from Citizens: Mrs. Wm. Cansfield, 404 W. Dunlap, asked if the city had an ordinance concerning cars being parked on the street. She reported one that has been passed on W. Dunlap street for periods of time. This to be referred to the city manager.

Mr. Kester expressed interest in an ordinance to provide no parking of cars on streets overnight. City Manager is to study this and give report at future council meeting.

Mr. Canterbury mentioned the deadline date for automobile licenses. The mayor reported that this had been taken care of and the deadline is Wednesday, March 3, 12:01 a.m.

Public Hearing on Special Assessment For paving of West Butler and Pennell streets.

The clerk read the letter which had been sent to all affected property owners on above streets giving them notice of the public hearing concerning paving of their streets.

In response to the Mayor's request for questions, Mr. Truman Harsch, 223 West street, asked how accurate the estimate quoted in the letters for cost of paving would be. He was answered that this estimate cost, in the past, has always been a little on the high side, with one exception.

Mr. Cliff Shoebridge stated that he hoped there would be a better clean-up job for the project than on the previous curb, gutter and storm sewer project. Also, the question was asked relative to approaches being done — this can be done at the request of the property owner, and is a private transaction between owner and contractor.

Mr. George Clark is interested in having some work done on his parking lot in rear of apartment house if this paving is done fairly early in the spring. Otherwise he would like to know so he can be notified.

Moved by Ambler, supported by Kester that the Resolution of Determination for the paving of Butler and Pennell streets be adopted and the city assessor instructed to prepare a special assessment roll. Unanimously carried.

Moved by Carlson, supported by Kester that the Resolution of Determination for paving of West St. from Dunlap to Randolph be adopted and the city assessor instructed to prepare a special assessment roll. Unanimously carried.

Moved by Carlson, supported by Kester, to instruct the city manager to advertise for bids for paving on West street from Dunlap to Randolph and Pennell streets; these bids to come in on Tuesday, April 6, 1965, 8:00 p.m. at the city hall. Unanimously carried.

Recommendation Concerning the Eagle's Request for Liquor License:

There was some discussion concerning the possible implications of club, liquor license and dance permit. There was no negative comment in the Northville Police department's report concerning this establishment. Council asked the city attorney to check into a liquor permit for a private club in conjunction with dance permit.

Request from Inspection Department to Amend the Electrical Code:

Council asked if this suggested amendment to the Electrical Code means that existing buildings (business) would have to be re-wired. Council asked that copies of the proposed amendment be sent to them and that this matter be on the March 15 agenda.

Consider a Chairman for Michigan Week:

The Mayor had already given a short report on this activity. Mr. Canterbury's Report on Establishing drainage Requirements for Parking Lots:

The clerk read the city manager's recommendation for drainage requirements in parking lots. The city attorney was asked if this was the manner in which to handle this matter. City attorney suggested that he look into this amendment and that he will bring back a proposed amendment the first meeting in April.

Miscellaneous:

Mr. Canterbury asked regarding the progress of the City's endeavor to acquire the Peterson property on E. Main Street. The mayor and the city attorney reported on their meeting with the city manager and Mr. Peterson during the previous week. It was decided that another meeting should be held with the committee and Mr. Peterson, the committee to explore the possibility of an option with Mr. Peterson on the front property and he to receive income from same during option period. A special meeting could be called for this purpose.

Mr. Canterbury spoke about future plans for improvement of North Center street property.

Mr. Ogilvie read the rental agreement with Mr. John Mach and the city of Northville for 123 W. Main street property. Moved by Carlson, supported by Kester that this agreement be signed. Unanimously carried.

The city attorney read the snow removal contract between Robert Cole and the city of Northville. There should be a list of places that Mr. Cole can't do and these people or places to be notified.

Moved by Ambler, supported by Carlson that the contract between the city of Northville and Robert Cole be approved as read. Unanimously carried.

City manager is to write a letter expressing the council's unanimous vote of thanks to the DPW for the exceptionally good job of snow removal which they accomplished in the recent snow storm.

Mr. Harold Penn, city assessor, presented the rough draft of a booklet of procedures concerning proposed land development in the city. This would be given to anyone interested in land development within the city limits.

Mr. Kester asked the status of the proposed contract with the Detroit City Water Board on a route through Northville. The city manager is to pursue this. Mr. Kester also asked if the consultant firm studying this subject had any figures or information on proposed water rates, line loss, etc. as requested in original letter to consultant firm.

Mr. Penn answered Mrs. Carlson's question as to when Northville would hook into Novi sewer by saying probably it would be another month.

City manager is to look into screens for Recreation building.

City manager is to talk to Cal Cross of the Gulf Station on W. Main street relative to the 1 metered parking space being used and meter showing violation.

Mrs. Carlson stated that her report of available meeting places in the city was ready and she would like to meet with Mr. Kester and the city manager before the next council meeting.

City manager is to determine extent of usage of Recreation building.

At the request of Mr. Ambler, Mrs. Carlson reported that all members of the city family, (council, employees, commission and committee members) had contributed to the King family with food donations. At the present time, the women of the OLV church are working on this, taking food in twice a week.

There being no further business, the meeting adjourned at 10:30 p.m.

Respectfully submitted  
Martha M. Milne City Clerk

NORTHVILLE LODGE  
NO. 186 F. & A. M.  
Regular Meeting  
2nd Monday of each month  
Howard E. Shields, W.M.  
R. T. Coolman, Secy.

## Rev. Chipechase Leaving Salem Federated Church

The Rev. Elwood Chipechase, pastor of Salem Federated Church for the past four years, has accepted an invitation to serve as pastor of Grace Bible Church in Chicago. He has resigned his present post, effective April 26.

The new post was offered recently when the Rev. Chipechase filled the pulpit at the Chicago church at what he

thought was merely a guest speaking occasion. The congregation of the independent church, however, voted to ask him to return on a permanent basis.

During his highly successful stay in Salem a \$35,000 addition was built on the church, and the missionary budget was almost doubled. Attendance also increased slightly.

He said, it will mean a radical change for the Chipechase family, to leave the friendly atmosphere of a village community, for a locale where houses stand side-by-side, for miles on end. Except for his school years spent in Grand Rapids, he said, he has not lived in a large city since his teen years in Buffalo.

Although he hates to leave "the wonderful people in Salem", he is looking forward to the challenge of the new church he said.

The local church, also an independent church, will now hear "candidates" speak before selecting a new pastor.

Rev. Chipechase

## WE FEATURE</

# Baseball, Track Squads Open Spring Workouts

Two new, yet familiar, faces will be in the coaches' ranks when the fast approaching spring sports season rolls around.

Newest of the two is Bob Kucher, who has taken over the baseball coaching chores from last year's mentor, Chuck Shonta.

Although it's the first time Kucher has headed the Mustang nine, he's no stranger to local sports buffs. He was the freshman basketball mentor this past season and guided the team to a sparkling 15-3 record.

**HE'S TOPS** — That's the consensus around Northville as Center Jerry Inland picked up two more awards this week. Coach Dave Longridge presents the free throw trophy, awarded annually to the Mustang who is most accurate from the foul line. Inland hit 67.8% of his foul shots.

In addition, Inland was selected by his teammates as the Most Valuable Player. What's more, he's just a junior. Earlier Inland was named to the Wayne-Oakland Conference All-Star team and the Free Press All-Suburban third team. He was also given honorable mention recognition in the state.

Before coming to Northville Kucher was head coach in basketball and baseball at neighboring Brighton. And before that, he played both sports for the University of Michigan.

Joining Roy Harold as coach of the track squad is Ralph Redmond, an art teacher at American elementary school. He replaces the departed Joe Trickey.

Redmond is no newcomer to Northville sports circles. He has coached most sports on the junior high level.

All three coaches are putting their hopefuls through

their second week of stiff workouts in preparation for opening dates. The trackmen will kick things off April 1 in the Spartan Relays at Jannison Field House in East Lansing. The baseball squad will open April 8 against Milford away.

With 10 lettermen back in the fold, Kucher is optimistic about Northville's diamond chances. Only three regulars were lost through graduation, including Pitcher Eric Peterson, First Baseman Dave Jerome and Second Sacker Larry Angove.

So Kucher's got his eye out for two reliable starting pitchers, a second basemen, a first basemen and a good defensive outfielder in the ranks of the untested and untried.

Within a week, he'll have a better picture of who will fill the bill at those positions. That's when the city cut from a turnout of 28 varsity hopefuls is scheduled.

Forming the nucleus of this year's pitching staff on the basis of last year's performance are lettermen Jerry Inland and Steve Evans. Behind them, Kucher hopes to come up with a dependable relief pitcher who can put down enemy rallies.

Getting first call at first base will probably be Mike Turnbull, who saw spot action as an outfielder-infielder last year.

To solve the second base problem, Kucher indicated that he'll move Bob Bartski from the outfield to second base. Bartski started off last year as a shortstop, but was switched to the outfield where his services were needed most.

Back at shortstop and third base, respectively, are John Jameson and John Mach. With one year of experience under his belt, Junior Jameson should be a better fielder and hitter.

Mach was a mystery last year. After a 300 season at the bat two years ago, he suddenly lost his batting eye and his average dipped. Kucher's hoping he regains his sophomore form.

The tentative outfield reads Bob Tuck in left field, Bob Bell in center, and John Andrews in right. All are veterans, but Kucher is looking for a glove man who can spell a front liner in the late stages of a ball game and come up with that fielding gem.

The man behind the plate has Kucher smiling. He's Sophomore Doug Swiss, a burly backstop with plenty of power and a wicked arm.

Like all baseball coaches at this time of year — when the drills consist of inside pepper games and work on fundamentals — Kucher is reserving emphatic comments until his stalwarts take their turn at the plate.

"From what I saw last year, they hit the ball well," said Kucher, "but they didn't hit with consistency." "If we concentrate at the bat this year and work on our hitting, we could spell trouble for most teams," he added.

But the Mustangs and their coach will have to play the waiting game, hoping for a break in the weather so they can move outside. "The sooner we get on the diamond, the better off we'll be," Kucher said.

Sharing the high school gymnasium with the ball players at alternate times during the week are the Northville thinclads.

Thirty-one hopefuls turned out for practice. "Naturally, we'd like to have more," said Harold, "but the boys we do have are really working hard."

Tops among the returning veterans is Kent Kipter, Northville's all-time record pole vaulter. He holds the school mark of 11 feet eight inches, and should reach new heights this year.

He is also a dash man. As such, he teamed with the sophomore speedster Jack Crawford and two other Mustangs last year as a member of the 880-yard relay team. They helped set a school record in the event with a mark of 1:35.9.

The only other experienced sprinter is Jim Trotter. But newcomer Don Beller, a freshman, has shown promise.

Senior Jerry Burns, a husky 200-pounder and the only other returning letterman, will take Northville's chances into the shot put.

Perhaps one of the most promising thinclads is transfer student Roger Kline. Just a sophomore, Kline is making giant strides in the 440 in hopes of breaking the school record.

**Men in Uniform**

**PVT. ROBERT ELWELL**  
San Diego, Calif. — Marine Private Robert A. Elwell, son of Mr. and Mrs. Charles W. Elwell of 124 E. Dunlap street, Northville completed recruit training March 9 at the Marine Corps Recruit Depot, San Diego, California.

Marine recruits undergo more than 100 hours of physical conditioning, spend more than 80 hours learning how to drill, and devote three weeks to rifle and pistol training in their 11-week training program.

In the physical training, the recruits run, lift logs, climb ropes, conquer three different obstacle courses, progress through a variety of body-building exercises, swim and participate in organized games. To measure their progress they take four strength measuring tests.

Following graduation he reported to camp Pendleton, California for advanced infantry training.

**Township Budget Hearing Monday**

A public hearing on the estimated 1965-66 budget for Novi township will be held at 8 p.m. Monday in the township hall on Novi road. A copy of the budget is posted in the office of the township clerk.

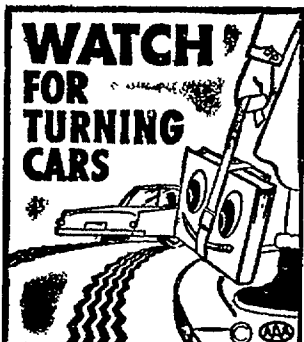

**DIAMOND DRILLS** — Putting the Mustangs through their paces in the high school gymnasium is Baseball Coach Bob Kucher. Here he demonstrates the finer points of bunting. He's got a squad of 28 preparing for the season opener, April 8.

## Smart At Parley

Novi Community School district hosted a meeting between 60th state district representative Clifford Smart and area school officials last Monday.

Superintendent Tom Culbert said that other superintendents, school board members and PTA representatives in Smart's bailiwick wert on hand.

Other districts include Northville, South Lyon, Walled Lake, Milford, Holly, Fenton and Brandon township.

Culbert said that Smart, superintendent of the Walled Lake schools untills his election to the state house of representatives last fall, gets together monthly with the educators while the legislature is in session.

"Smart brings us up to date on education bills and state aid among other things," Culbert said.

## "TOM JONES"

You build a new home to get exactly what you want

why not get the heating system that gives you exactly what you want

Electric heat is custom heat. There's a thermostat in each room so you can dial the exact warmth you want... in the baby's room, the den, the kitchen, every room!

Electric heat is the clean, modern heat. No drafts or cold spots. You get even heat from head to feet. Ideal for your new home.

It's also a good choice as supplemental heat for your present home—to warm up a chilly bedroom or new family room.

The cost? That depends on your particular home. Electric heat may be your most economical heat. It won't cost you a penny to find out for sure. Just call Edison for a free estimate.

## EDISON

A lower all-electric rate saves you as much as 20% on your heating bill if yours is an All-Electric Home. More reason than ever to enjoy all-electric living.

# Canteen 'Swingin' Place'

Since the village has no recreation program, students at Novi junior high school have started their own — the teen canteen.

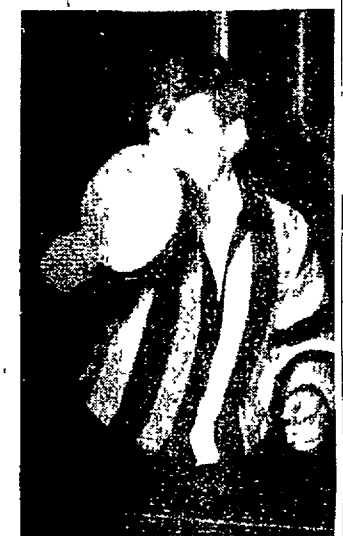

One was held last Thursday night from 7:30 to 10 p.m. at the school. There were no classes Friday due to parent-teacher conferences. Usually the canteen is staged on Friday night.

Begun about 2 months ago, the canteen—which is held in the commons area of the school—is a swingin' place.

Teens can wiggle and squirm through the latest dance crazes. Rock-and-roll tunes blare out over the public address system.

For those whose feet haven't got the beat there are other activities. Ping-pong, chess, checkers, plus other games are available.

Students and parents comprise the teen canteen committee, said Sam Stewart, principal of the junior high. The school provides the facilities and the canteen committee has secured donations to cover expenses.

He keeps his eye on the ball.

Stewart said other canteens are slated for April 23, May 7 and 28 and June 11 during the remainder of the school year.

I.D. cards are given to the entire student body at the junior high. Each student is allowed to bring one guest to the canteen.

Pat Haley and John Kaminski concentrate on a game of chess at the teen canteen.

## - In Municipal Court -

Frank Morgan of Livonia was charged with peddling without a license in Northville. At his arraignment Monday before Judge Charles McDonald, Moran was found guilty as charged and fined \$25.

A Plymouth man was sentenced to eight days in the Detroit House of Correction for ignoring bench warrants issued to him on a previous violation.

Carl Smith of 643 Starkweather was ticketed in 1962 for allowing an unlicensed person to drive a car. He refused to pay his fine and two warrants were issued.

Smith was also ticketed for speeding at Fairbrook and Seven Mile roads March 20 and arraigned the same day. He was fined \$5 and \$5 court costs plus eight days.

David Taylor of 360 Woodland drive, South Lyon, was ticketed February 12 for driving under the influence of liquor. Taylor posted a \$100 personal bond.

The charge was dismissed following testimony but Taylor pleaded guilty to reckless driving. He was fined \$100.

Pedro Villanueva of Mount Clemens was ticketed February 28 at Hutton and Dunlap streets for not having a Michigan operators license. To assure his appearance at his arraignment Villanueva posted a \$25 bond. His case was suspended.

A new driver paid a \$10 fine for violation of his temporary driving instruction permit. Harvey Swan of Roseville was ticketed at Main and Church streets March 9. At his arraignment Swan pleaded guilty to the charge and was fined \$10 and 60 days probation.

James O'Donnell of Detroit was ticketed for speeding 45 in a 25 mile zone at East Main and Church streets March 11. He pleaded guilty and was fined \$15 and \$5 court costs.

Glenn Salow, city electrical inspector signed a complaint against Neil Hills, a Detroit building contractor.

Hills was charged with violating the local electrical code by not having a permit or registration.

Hills pleaded guilty and was assessed a fine of \$25 for no permit. The charge for no registration was dismissed. The violations were issued last September.

Court trials conducted last Monday by Judge Charles McDonald of Northville Municipal Court:

A citizens' complaint was filed by Paul Folino of 210 Center street February 8 against Freddie Bailey of Garden City.

The charge against Bailey was made for reckless driving on Seven Mile road, near the state hospital. Bailey was arraigned February 23, pleaded innocent and posted a bond of \$100.

At his trial the charge was dismissed. However, Bailey was found guilty of failing to yield the right of way. Judge McDonald fined him \$25 and \$5 court costs.

Unlawfully taking and using a motor vehicle proved to be a costly violation for Robert Brand of 114 High street. Brand was arraigned December 30, and posted a personal bond of \$500. Brand was found guilty of a misdemeanor and fined \$50 and \$10 court cost.

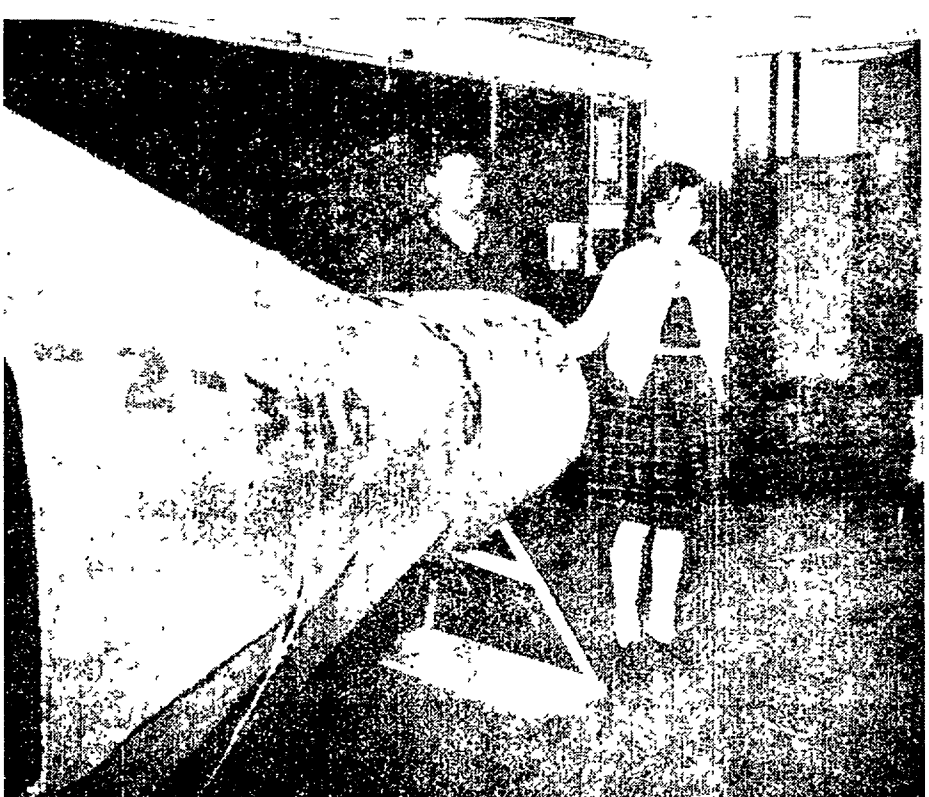

Edwin Murto of Detroit disobeyed a red light on Main

and Center street, February 23. He was arraigned March 1. At his trial Monday a motion to dismiss the case was entered by the defendant because the police officer was not present. The case was dismissed.

Other items connected with space are shown off. Two rockets carrying the letters UNITED STATES are aimed toward the heavens.

Gary Allen and Robyn Mitchell stand beside the space ship, about 12 feet long, laying on its side in their classroom at Main St. elementary.

## Obituary

**JAMES REX WESTERFIELD** Services for James Rex Westerfield, one-year-old son of Mr. and Mrs. Wayne Westerfield of Walled Lake, will be held at 1 p.m. Thursday at the Casterline funeral home with the Reverend Elwood Chipchase officiating. Interment will be in Glen Eden cemetery. James, born July 28, 1963 in South Lyon, died Tuesday in Pontiac General hospital. Besides his parents survivors include two sisters, Patricia and Cynthia; three brothers, Michael, John and Mark; grandparents Mr. and Mrs. George Amen of Norfolk, Nebraska and Mr. and Mrs. Wallace Westerfield of Northville.

**ALICE F. WAITE** A resident of Novi for 30 years, Mrs. Alice F. Waite died suddenly at her home March 17. Mrs. Waite who lived at 46300 W. Eleven Mile road, was 82. Services were held Saturday at the Thayer Funeral home in Farmington with the Reverend R. LaVere Webster of the Novi Methodist church officiating. The Novi Rebekah lodge conducted a memorial service. Interment followed in Oakland Hills Memorial Garden cemetery, Novi. Mrs. Waite

was born in Webster, Michigan. She was a member of the Novi Methodist church, Novi Rebekah lodge 482 and a past degree and drill captain of the lodge Mrs. Waite was also a member of the Daughters of American Eastern Council 3 and the United Ladies Arbeiter Society of Michigan. She is survived by her husband George; a nephew, Howard W. Thayer of Farmington and one-great-nephew, PFC John H. Thayer with the U.S. Army in Germany.

**HENRY C. MILLER** Services will be held at 2 p.m. Thursday at St. Paul's Evangelical Lutheran church in Northville for Henry C. Miller who died Monday in Annapolis hospital in Wayne. The Reverend Walter F. Rutkowski will officiate. Burial will be in Glen Eden Cemetery in Livonia. Ebert funeral home is handling the arrangements. Formerly of Randolph street, Mr. Miller, 82, was born February 13, 1883 in Wayne and came to Northville in 1940. He was a member of St. Paul's in addition to his wife, Ida, he is survived by four sons, George of Northville, Howard of Chelsea, Marvin of Ann Arbor and Carl of Santa Barbara, California; two daughters, Mrs. Ida Crandall of Northville and Mrs. Louise Knorr of Howell; 16 grandchildren and 26 great grandchildren.

**MARY O. McFARLIN** Services were held at 2 p.m. Friday for Mary O. McFarlin of 7811 South Salem road at the Casterline Funeral home with C. Carson Coonce, minister, officiating. Interment was at Thayer cemetery, Northville. Mrs. McFarlin died March 16 after a six weeks illness. She was 84. She was born in Carey, Ohio and came to Salem in 1909. Surviving are two sons, Melvin D. Rathbun of Detroit and Harry S. Rathbun of Plymouth and three grandchildren.

**Succumbs In St. Johns** Funeral services were held Wednesday at St. Johns for Mrs. Pauline C. Ebert, mother of Dempsey Ebert of Northville.

Mrs. Ebert died Sunday after an extended illness. She is survived by her husband, Clarence D., as well as two sons, Dempsey of Northville and Robert A. of St. Johns.

The Eberts had conducted a funeral home in St. Johns until their retirement in 1951 and Mrs. Ebert was active in the business with her husband.

Burial was at Mt. Rest cemetery in St. Johns.

**Budget Faces Further Cuts** Northville school administrators are still trying to balance the proposed 1965-66 fiscal year budget.

At the school board meeting Monday night, E. V. Ellison, director of administrative services, said a deficit of only \$21,000 exists now.

Ellison said income is pegged at \$1,193,000 while expenditures total \$1,214,000.

He said the budget will be pared down further in the next week or so. Earlier a deficit of nearly \$60,000 was reported.

The budget must be submitted for review by the intermediate school district office and state allocation board in April.

**Officers Elected** Officers have been selected for Novi's economic development committee.

C. A. Smith was elected chairman of the committee, Leo Harrarwood vice-president, Frank Mobarak secretary and Don Fuller treasurer.

Formed in December, the purpose of the committee is to encourage businesses to locate in the village. Right now, plans are being made for an industrial survey.

Next meeting of the committee which is made up of a cross-section of citizens in Novi will take place April 3 at the Rosewood restaurant.

**OOPS** — Mrs. Francis Showers of Plymouth was supposed to be going north on Sheldon road Saturday morning but ended up going nowhere. As she came over the hill at 11:55 a.m. a car in front stopped suddenly to allow a horse to come out of the track barn area. Mrs. Showers swerved to avoid hitting the car and her car went out of control. It went into a skid and stopped against an embankment. She was thrown out the right door onto the ground but was not seriously injured, Northville police said.

## Praised For First Aid in Mishap

Raymond Davis, 21, of 29101 Elizabeth Lane, New Hudson, said that "if those Edison men hadn't helped, I don't know what would have happened to us."

Young Davis was referring to the quick action on the part of a Detroit Edison overhead lines crew when Davis and Thomas J. Clark, 22, of 24158 Elizabeth Court, Farmington, were injured in an auto accident February 4.

Davis and Clark were thrown out of the car when it skidded out of control and swerved off the icy road on Grand River, a mile east of Novi.

The overhead lines crew, returning to the Edison warehouse at New Hudson, saw the mishap. They stopped the truck and turned on the emergency flashers.

Harold Pennell, of Milford, directed traffic around the injured, Jeremiah O'Connor, of New Hudson, James Dailey, of Howell and Lonnie Grantham of Commerce Lake, gave first aid to Davis and Clark.

Both suffered lacerations and bruises. The Edison men stopped the bleeding, and with a blanket and their personal clothes kept Davis and Clark warm until an ambulance and

Novi police arrived. They were taken to Botsford General hospital in Farmington.

Hospital authorities and Novi police gave high praise to the Edison men for their action. "We're certainly grateful to the Edison crew," Davis added.

The Edison employees each received a letter of commendation this week from M. L. Ernst, general superintendent of the overhead lines division.

## Tasty Toothpaste

A new "toothpaste" joke is making the rounds, according to an Oakland county health official.

Dr. Richard Henderson, a former dentist in Novi and now director of the dental division of the county health department, told the Novi Roary club:

"Have you heard about the latest brand of tooth paste? It contains food particles."

"Why?" someone said.

Wallace Nichols for City Council - April 5. Pd. Pol. Ad.

"So you can eat between brushing, of course," responded Dr. Henderson.

Sheldon & Six Mile — Northville  
24 - Tee Practice Range

## On Guard for Decades in Northville

# Four Corners Police Flasher Signing Off

A red beacon, suspended over the intersection of Main and Center streets in Northville has lost its glow. Thus a blazing era has come to a close.

Flicking away for decades, the signal sent out HELP beams, alerting police officer to hasten to the stationhouse. Apparently it was installed when radios were just "new-fangled gadgets."

No one seems to remember when the light was put up — not even Arnold or Helen Teshka who were caretakers at the old city hall and pulled the switch to summon patrolmen.

Or former police chief Joe Denton who said "It was there when I was a policeman and that was over 20 years ago."

Last Friday the flasher met its demise. City Manager Bruce Potthoff ordered it disconnected. Potthoff said tersely: "There is now no need for it."

It has bowed to progress. Local officers now talk on modern equipment. So do members of the city-township

fire department.

Mrs. Teshka said the flasher was used at intervals during the 21 years she and her husband maintained the former municipal building. She recalled that the last time it was set off was at least two years ago.

"We had no speaker in our house which adjoined the old city hall," related Mrs. Teshka. So either the signal was activated or else calls were dispatched to Plymouth and

then relayed to patrol cars. Teshka recollected the days back in the 1920s when telephone operators blew the fire whistle. "But sometimes the whistle never went off because the firemen were called at home," he said.

An up-to-date communications system has been put into operation since Chief Eugene King has headed the police department.

Under his administration, the first direct station-to-car

radio hookup was established in 1959. At that time an article in The Northville Record said:

"Previously, calls to police cars had to be made by telephoning the Wayne County sheriff's department which would place them on the air or by flashing the red light signal at Main and Center streets."

In the spring of 1963 two other dispatchers were hired so that around-the-clock communications were available. As Manager Potthoff put it: "With more contact we have more security."

Just recently a \$600 walkie-talkie was purchased for the police force. Acting Police Chief David LaFond said its use can mean "the difference between life and death."

"A man on foot can be in touch with the station at all times with the walkie-talkie," LaFond said. "It can also be used for stakeouts in unmarked cars and at the race track or high school athletic events."

LaFond added: "If a man is in trouble and for some reason cannot get through to the station he can always call Plymouth. The walkie-talkie will carry that far."

Meantime, Fire Chief Bud Hartner can now converse

clearly with police headquarters in two fire rigs — the tanker or the pumper.

Both trucks were equipped with radios last week. Installation alleviated a problem — irregular communications when trucks left the city limits.

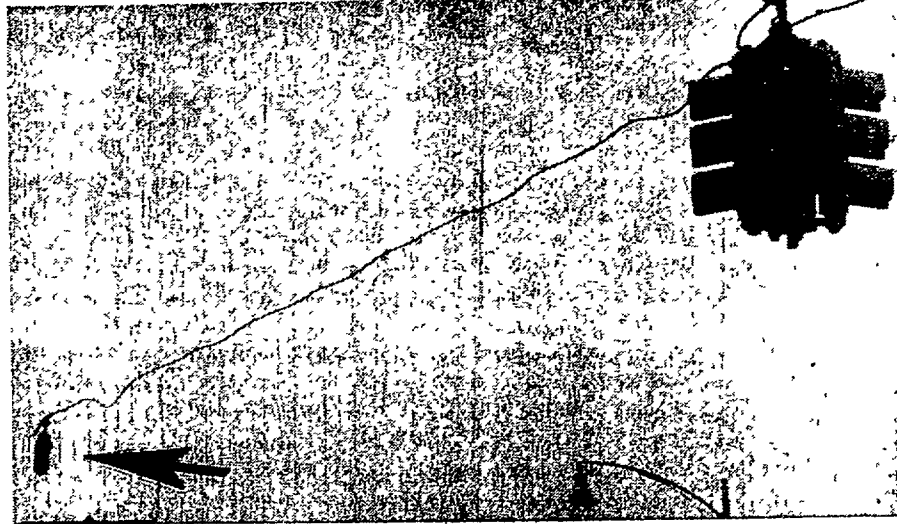

"If the department were at a fire at the state hospital, for instance, the citizens band we were on couldn't reach the antenna at the station a mile away," LaFond said.

Now the fire unit is on a

special band with 17 other communities in the western part of Wayne county.

"If there is a fire Seven Mile and Napier and another is reported at Eight Mile and Haggerty, we can order equipment sent from one scene to the other without hollering all day," LaFond noted.

Cost of the radios was shared by the township and city. Manager Potthoff said the bill was \$1,800.

The famous flasher light (see arrow) signs off for keeps.

Dispatcher Alice Ritchie mans the communications desk.

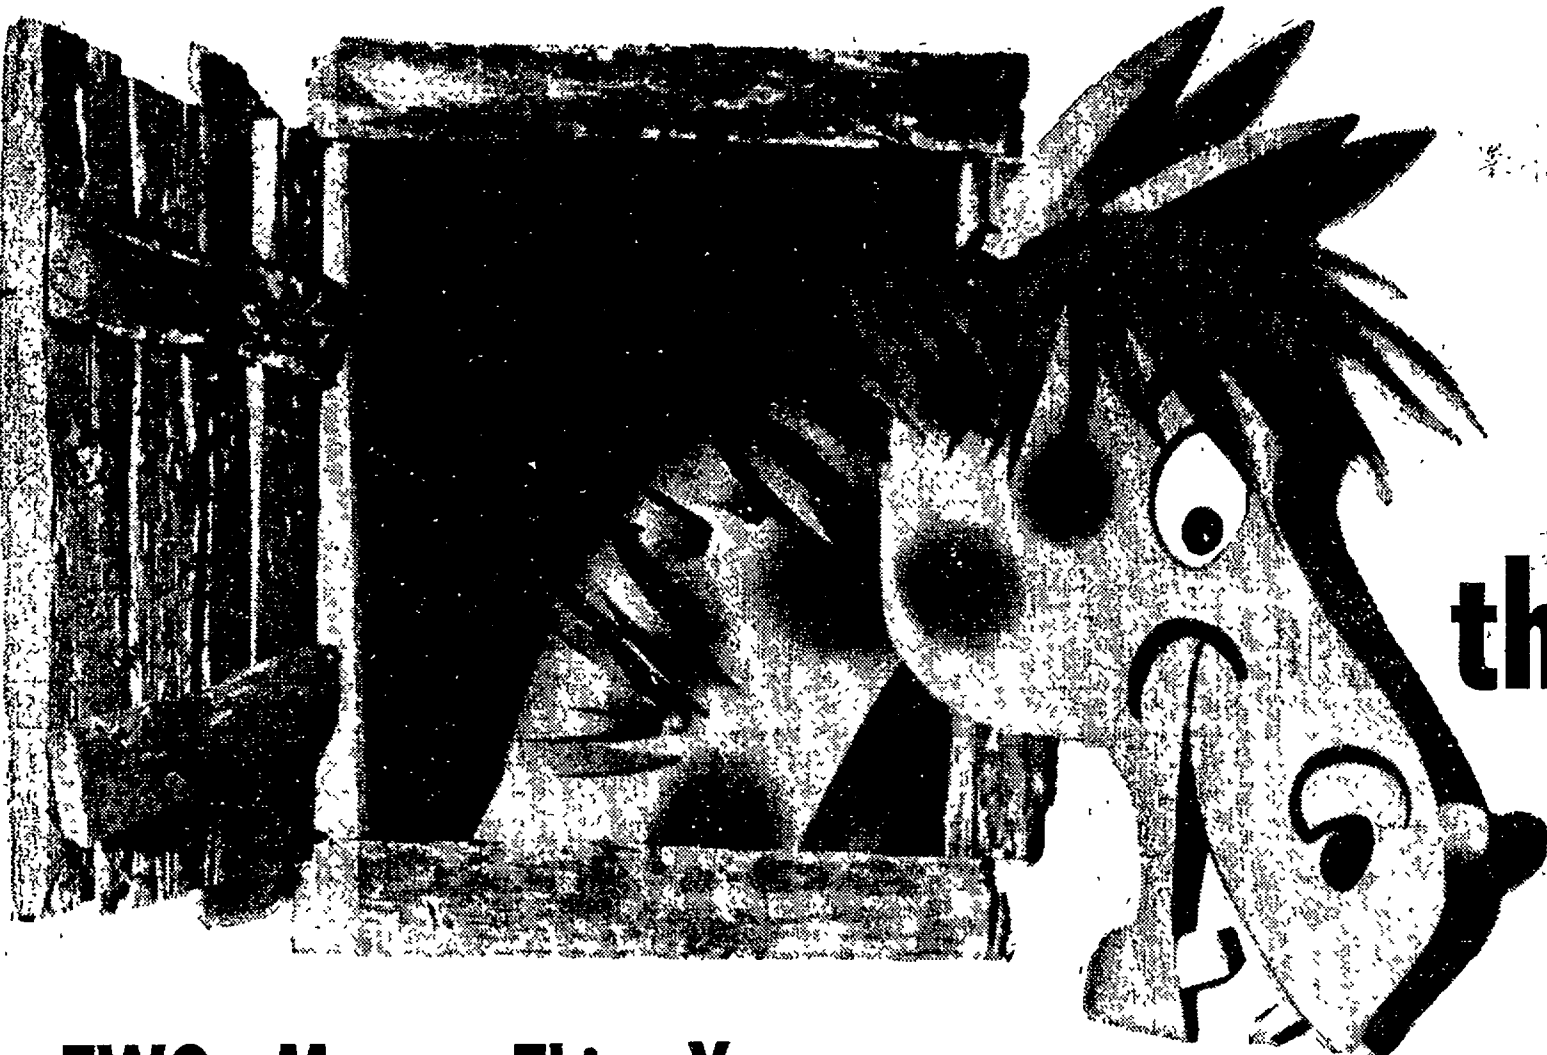

Dave LaFond tries out the walkie-talkie.

Fire Chief Bud Hartner comes through "loud and clear".

## from the PASTOR'S STUDY

By Rev. John I. Wittstock

Our Lady of Victory Church, Northville

The only people who go to Hell are the ones who steadfastly refuse to tell God that they are sorry for having committed sin. If we have not become accustomed to telling God we're sorry during our days of robust health the chances are that we might be less inclined to express sorrow as sinners when sickness visit us.

If we have been remiss in this habit of acknowledging our guilt then these days of Lent when we meditate so much on the Passion of Our Lord and Savior Jesus Christ would be a good time to start this practice.

We ought to talk to God in somewhat this vein - "Dear Lord - why should I fear to approach you with the weight of my many sins? I know that sinners who were looked upon as public sinners came to you with humility and sorrow and you forgave them. Surely these sinners learned that the admission of their guilt was indeed a small sacrifice for receiving in return, such glowing peace of soul. How well you know my faults. You have watched me fall into sin. You have noticed my intent whether sincere or false as I tried to fathom the enormity of my sins. You have known, dear Lord, the remorse and guilt that I felt. You have seen me fall. I know that You constantly give me strength enough to pick myself up but I realize that I'm the one that has to pick myself up. No one will do it for me. You just look on, you do not run after me.

"Why? Because You have given me free will to choose

to pursue You. This is Your way of doing things. You simply wait for me to recognize my foolishness and to be man enough to admit it."

"Dear Lord, help me keep on the move in my journey from darkness into light. Give me sufficient spiritual vitamins to keep going. I see so many people who become depressed conclude that You don't care for them, that You have forgotten them. Gee, Lord, if they only had the eyes of faith, how they

would see clearly that You are thinking of them every moment of each day. Not one of them ever brought their great crimes to You without having You lift their burden from their shoulders.

"Yes indeed, Lord, I have no reason to avoid You and Your mercy. But certainly I have reason to fear the possible result of my sins if I fail stubbornly to tell you that I'm sorry. Help me Lord, to keep running to You, and not away from You."

to pursue You. This is Your way of doing things. You simply wait for me to recognize my foolishness and to be man enough to admit it."

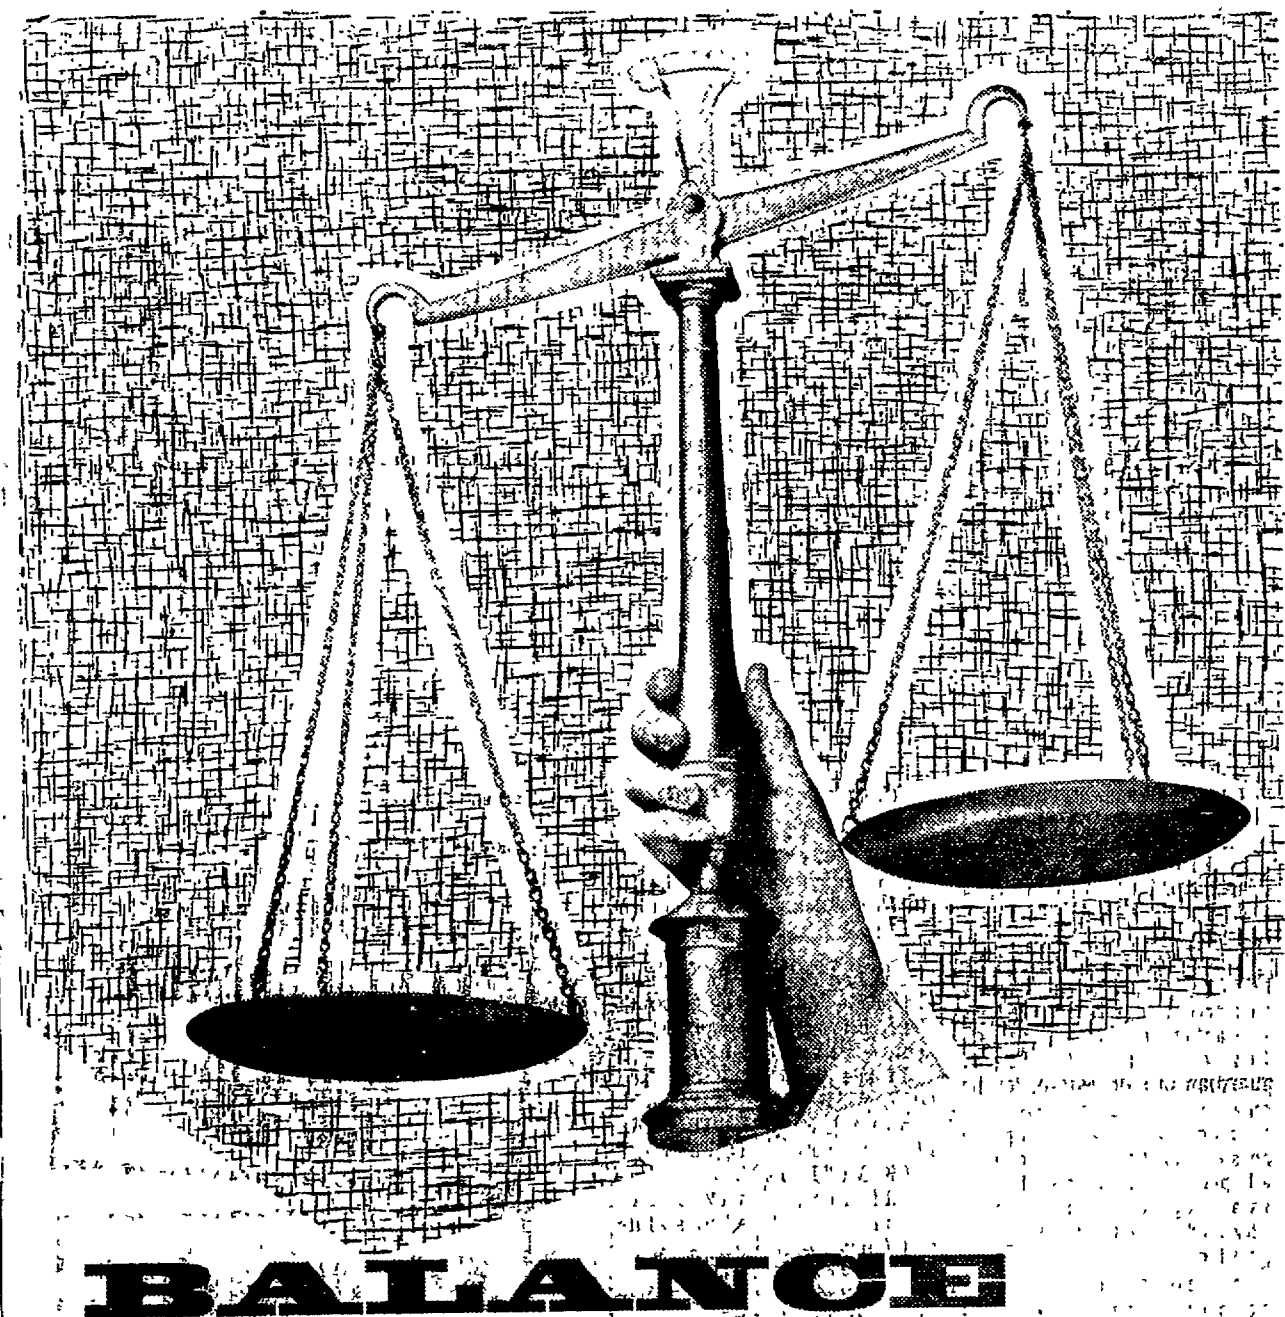

"Dear Lord, help me keep on the move in my journey from darkness into light. Give me sufficient spiritual vitamins to keep going. I see so many people who become depressed conclude that You don't care for them, that You have forgotten them. Gee, Lord, if they only had the eyes of faith, how they

## BALANCE

It is said of a certain friend of ours that he went off the deep end. Strange expression, that! It can mean that a person had a mental breakdown, or that he became a sort of fanatic; or it can mean simply that he got too interested in one thing to the exclusion of other important matters

And the very fact that our generation has coined such an idiom is indicative of the fact that we see such tragedy every day.

One of the vital contributions of religion to life is its gift of balance. The knowledge of God helps a man see all else in its proper perspective.

In a day when millions are caught in turbulent crosscurrents, faith points to the true center of existence... worship steadies the mind and heart!

The meeting was called to order at 7:30 p.m. by President James F. Kipfer, in the Board of Education offices.

Present: Mr. Kipfer, Messrs. Wilfred C. Becker, Eugene K. Cook, Edward F. Angove, William B. Crump, Robert H. Shafer. Absent: Elmer O. Weber.

Others present: Superintendent R. H. Amerman; Assistant Superintendent K. M. MacLeod; Director of Administrative Services E. V. Ellison; Mr. Henry Haberkorn of the architectural firm of O'Dell, Hewlett and Luckenbach; Dr. Charles Wells, Wayne County Intermediate School District; Mr. James E. Littell, School attorney; various members of the Citizens' Planning Group, and of the Northville Players Guild.

II. The minutes of the meeting of February 8, 1965, had been mailed to the Board, and one correction was noted. It was then moved by Mr. Shafer and supported by Mr. Angove that the minutes be approved.

On the day of any Election the Polls shall be opened at 7:00 a.m. and shall be continued open until 8:00 p.m. and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing shall be allowed to vote.

Marguerite N. Young  
Northville Township Clerk

as mailed, and with the one correction. Motion carried.

The minutes of the meeting of February 22, 1965 also contained a mistake. It was moved by Mr. Angove and seconded by Mr. Becker that the minutes be approved as mailed and corrected. Motion carried.

III. Communications:

1. "Friends of Michigan Schools", expressing opposition to H.R. Bill No. 2122, dealing with the reorganization of school districts, and urging this school board to work for the defeat of this bill.

IV. Report of Superintendent

1. Investment of Funds — Mr. Ellison reported that enough money has accumulated in the 1965 Debt Retirement Fund checking accounts to permit purchase of additional Savings Deposit Receipts. Authorization is requested for purchase as follows:

1957 Debt Retirement Fund, Series A \$21,000.00  
1957 Debt Retirement Fund, Series B 71,500.00  
1957 Debt Retirement Fund, Series C 27,500.00  
Total Investment: \$120,000.00

It was moved by Mr. Crump that purchase of these Savings Deposit Receipts be authorized. The motion was seconded by Mr. Cook and carried.

2. New Teacher Contract Forms — Mr. Amerman presented new teacher contract forms for Board approval, drawn to conform to the requirements of the Tenure Act. It was moved by Mr. Shafer that this contract form be adopted, beginning with the 1965-66 school year. The motion was seconded by Mr. Angove and carried.

3. School Calendar — The following calendar for the 1965-66 school year was presented for Board approval:

Northville Public Schools  
Proposed School Calendar  
1965-66

Sept. 2 Thursday, 9:00 a.m., New faculty members report

Sept. 3 Friday, 9:00 a.m., New faculty members report

Sept. 8 Wednesday, 9:00 a.m., All faculty members meet in assigned buildings

Sept. 9 Thursday, Secondary pupils in school all day. Elementary pupils in school 1/2 day

Sept. 10 Friday, All pupils in school 1/2 day. Faculty meetings 1/2 day

Sept. 13 Monday, All pupils in school all day

Oct. 14-15, Thursday-Friday, N.E.A.

Nov. 24 Wednesday, Close at end of day Thanksgiving Recess

Nov. 29 Monday, Schools re-open

Dec. 23 Thursday Close at noon for Christmas Recess

1966

Jan. 3 Monday, Schools re-open

Jan. 28 Friday, End of First semester

Jan. 31 Monday, Beginning of Second Semester

April 1 Friday Close at end of day for Easter Recess

April 11 Monday Schools re-open

May 30 Monday Memorial Day Schools closed

June 15 Wednesday Last day of school for all pupils

June 16 Thursday, Commencement

June 17 Friday, End of School year

Pupils in Attendance: Sept. 17 days, Oct. 18 days, Nov. 18 days, Dec. 19 days, Jan. 20 days, Total 92 days

Feb. 20 days, Mar. 20 days, Apr. 20 days, May 20 days, June 12 days, Total 92 days

3. It was moved by Mr. Crump and supported by Mr. Angove that this calendar be adopted. Motion carried.

4. Tuition Students — Mr. Amerman introduced the question of what should be done about tuition students from Salem School District No. 1 Fr.

now that Novi students will not be accepted after 1965, and recommends that a similar action be taken as for Novi, phasing the students out gradually

It was moved by Mr. Shafer that beginning with next year we cease accepting Seventh and Eighth graders from Salem School District No. 1 Fr., and accept the Ninth graders for the last time. These students will then be gradually phased out of the system in the same manner as Novi students. Mr. Angove supported this motion, which was carried.

5. Amerman School P.T.A. — Mr. Amerman announced that this group would like to attend the April 1st meeting and to present information concerning the proposed bond is-

sue. The board accepted this invitation with gratitude.

6. Budget — Mr. Ellison presented copies of a tentative budget for 1965-66, for board study and suggestions. It was decided this would be reviewed in detail at the meeting of March 22nd.

7. Northville Players Guild — Mr. Amerman advised the Board that this organization has sent several representatives to this meeting to make a request of the board, Mrs. Herbert Bissa and Mrs. Coy Sandrock, speaking for the Guild, expressed the hope that the board could review its rate schedule for use of the high school auditorium and perhaps revise it downward.

Several board members felt that these rates probably do impose a hardship on a local organization, and expressed the wish that some adjustment could be made. Mr. Ellison was instructed to review the schedule of rates and cost of operating the auditorium, and to present a recommendation at the next meeting of the board.

V. Report of Secretary:

Mr. Cook reported the following monies received during the month of February, 1965:

Delinquent Taxes \$4,256.99;  
Current (1964) Taxes \$229,060.82  
Interest on Taxes 225.70; Rentals 355; Motor Fuel Tax Refund \$420.90; Miscellaneous Revenue 68; Abatement of Expenses \$41.72; Total Received: \$234,299.13

VI. Report of Treasurer:

Mr. Angove reported the following balances in General Fund, Debt Retirement Funds and Stadium Funds, as of February 28, 1965:

General Fund \$340,733.62; 1954 Debt Retirement Fund 17,561.27; 1957 Debt Fund Series A, 20,872; 1957 Debt Fund, Series B \$70,185.12; 1957 Debt Fund, Series C 27,137.77; Stadium Receiving Fund 3,607.75; Stadium Operation and Maintenance, 392.34; Stadium Bond & Interest Redemption \$3,239.40; Stadium Replacement Fund \$800.

It was moved by Mr. Crump that the report of the Treasurer be accepted. Mr. Becker supported the motion which was carried.

VII. Reports of Special Committees: None

VIII. Report of Auditing Committee:

The Auditing Committee approved bills and payrolls as follows: General Fund, \$15,501.23; Cafeteria Bills, \$7,716.69; Payrolls, \$82,614.20; It was moved by Mr. Shafer that the bills and payrolls be paid. Mr. Angove seconded the motion, which was carried.

IX. Unfinished Business:

1. Gate in Fence — Mr. Littell, school attorney, presented a proposal for an agreement between the school and Mr. and Mrs. Sissom, of Ely drive, relative to the construction of a gate in the fence which runs along the Amerman school boundary line at the rear of the Sissom property. The board took no action on this agreement at this time and referred the proposal to the administrators for further study.

X. New Business:

1. Building Program — the following statement concerning a building program for Northville Public Schools was read by the Secretary:

Statement of Board Position to Date Concerning a Building Program for Northville Public Schools

The school year beginning in the fall of 1965 will find the Northville school district faced with a critical overload of pupils in the elementary grades. The program in the present junior high (grades 6, 7 and 8) is inadequate and cannot be developed to its rightful potential in the present structure. Overcrowding is an issue here too.

The high school with every available space used all periods of the day is inadequate in space for vocational training, science, business and commercial, language arts and art.

Three and possibly four alternatives suggest themselves as interim stop-gap solutions to the problem in the elementary grades for the 1965-66 school year. These are:

1. Place 1 or 2 grades on half-day schedules.

2. Increase the average class size to approximately 30 per teacher (it is approximately 26 per teacher this year)

3. Seek rental space in a centrally located building which could be adapted to classroom use.

4. Rent or purchase portable classrooms at a cost of \$3500 to \$9000 per unit.

Fortunately the citizen's planning group in their work throughout the fall months and in their studies have brought out the fact that the elementary school situation lends itself to a more ready solution than does the program in the junior and senior high schools. It will be possible with voter approval, to open a new 500 pupil elementary school by the fall of 1966.

In the face of these conditions, and to adequately meet the anticipated growth in the district, the Board of Education has tentatively agreed upon a 3 phase, 5 year program for new, expanded and renovated facilities.

Financing of the program will be presented to the voters in a bond election in the early summer of 1965. Upon approval, bonds to finance the 3 phase program will be sold only as needed over the 5 year growth period.

The 3 phase program tentatively agreed upon by the board is as follows:

Phase 1 — 1965-66

1. Acquire site and build new elementary school

2. Acquire site for new junior high school

3. Begin vocational addition, alterations and site development at the high school.

4. Improvement of site at Main Street Elementary School.

Phase 2 — 1966-68

1. Build junior high school (600 650) capacity

2. Acquire a second elementary school site

3. Phase out present junior high school building for classroom use and phase in building for non-academic uses.

4. Continue improvements at high school.

Phase 3 — 1967-69

1. Build new academic wing at high school

2. Continue renovation and improvement of high school site and physical education facilities.

An extra phase which proposes the construction of a swimming pool to serve the entire school system and the community will be placed before the voters this summer as

a separate proposal.

Details of cost estimates, site acquisition, educational specifications and priorities within each phase are being developed by the board with assistance of the architect, consultants from the Department of Public Instruction, Wayne County Intermediate School District, the University of Michigan and the continued study of the citizen's planning group.

X. New Business, cont'd:

1. Discussion of the board's plans followed, with several members of the Citizens Planning Group expressing concern that the recommendation of the Planning Group was not to be followed, i.e.: that an elementary school was to be started before the new junior high school. The board pointed out that, since the elementary school will, according to the architect, take longer to build than the junior high school, construction of the two buildings will overlap and both will actually be under way at the same time. The board would like to place this entire bond issue before the people at the Annual School Election on June 14, 1965, and an election timetable was discussed, with comments and information added by Dr. Wells.

Mr. Amerman proposed the organization of three school staff committees to prepare the educational specifications for the proposed buildings. Mr. Amerman recommends that a committee be set up for the Elementary, Junior High and High Schools, with the principal of each area, Mr. Ellison and Dr. MacLeod to serve on each, and then a team of teachers, including teacher representatives from each of the other divisions, to serve on each committee.

The board concurred with Mr. Amerman's suggestion, but expressed the desire that two or three members of the Citizens Planning Group be added to each committee. It was moved

by Mr. Shafer that these three committees be formed, to work on the educational specifications for the new buildings. Mr. Cook supported the motion, which was carried.

2. Topography Survey — Mr. Amerman requested authorization to begin a topographical survey at the Main Street School site, in preparation for site improvements at this school. It was moved by Mr. Crump that this authorization be granted. Mr. Cook seconded the motion. Motion carried.

3. Elementary School Site — Also in connection with the building program, Mr. Amerman suggested authorization to begin investigating the possibility of acquiring a portion of the Maybury Sanatorium grounds for an elementary school site. The board concurred and also suggested that some other possible sites be investigated.

4. Vocational Ed — Mr. Amerman requested authorization to begin consultation with a vocational education specialist from the University of Michigan, regarding specifications for new junior high school. The fee for this kind of service is approximately \$50. Mr. Cook moved that authorization be granted, and Mr. Becker seconded the motion. Motion carried.

XI. Adjournment:

The Northville Record - Novi News - Thursday, March 25, 1965  
Section Two - Page Five

By Mrs. H. D. Henderson  
FI 9-2428

Mrs. Hattie Garlick celebrated her birthday last Sunday at the home of her daughter and son-in-law, Rev. and Mrs. Dean Parker at Trenton. Among the guests who helped Mrs. Garlick celebrate her birthday were Mrs. George Atkinson and Mr. and Mrs. Hadley Bachert. On Thursday Mrs. Garlick returned to her home in Novi.

Mr. and Mrs. Hadley Bachert attended funeral services for Mrs. Milo Bachert in Detroit last Thursday.

James Curvin has been discharged from the Army after 2 years of service and is now home with his wife the former Donna Schultz.

Mrs. Florence Lanning of Howell is the houseguest of her sister, Mrs. Marie LaFond this week.

Next Monday March 29 the Novi Rebekahs are sponsoring a luncheon is served at 12 noon at the Community building. Call Mrs. Sentz for tickets, MA-4-1993.

Gail Enders returned to his home this past weekend after his second sojourn in St. Mary hospital. He went into the hospital February 12.

John Clappison received word via telephone that he was chosen to be Godfather for his nephew, Brian Dietert, son of his brother-in-law and sister, Mr. and Mrs. Cecil Dietert at Kerrville, Texas. Brian, who

is the grandson of Mr. and Mrs. Earl Clappison was baptised in the Lutheran church on Sunday. Linda Masters, daughter of Mrs. Mary Jane Masters, celebrated her 11th birthday Saturday at a party at her home on Eleven Mile road. Among the eight guests present was Linda's friend, Kathy Hammell, who spent the weekend with her.

Last weekend Mr. and Mrs. Andy Burgess visited friends in Grand Rapids and on Sunday this week Lee West was their dinner guest.

Luncheon guests of Mrs. Clarence Renn last Tuesday were a group of her relatives, Mrs. John Renn, Mrs. John Gotro, Mrs. Bessie Gotro, Mrs. Kenneth Cook and Mrs. John Pantalone.

The four children of Mr. and Mrs. Dale Cook nicely recovered from the measles now they are all ill with the mumps. Mrs. John Klaserer received word that her 5 year old grand nephew, Keven Kunsemiller was run over by a school bus and died instantly. Kevin's parents live in Hawaii since his father is in the Air Force there. The John Klaserers visited the Kunsemiller family while they were in Hawaii last November.

Willis Miller entered Botsford Community hospital last Sunday and underwent major surgery on Wednesday.

Mr. and Mrs. Roy Shupe, Mr. and Mrs. Richard Ritter and Mr. and Mrs. Phil Presnell have been campaigning for Edward H. McNamara for State Senator, 14th District.

They urge everyone to get out and vote Monday, April 5.

Miss Georgia Webb entered Cleary College in Ypsilanti this week where she will pursue a secretarial course.

## Novi Baptist Church News

The Sunday School contest continues into its last week with over 200 again present in school. The young married class is experiencing the largest growth with 24 in class Sunday. This is the class where the husband and wife ages total not over 70 and is taught by the pastor and meets in the kitchen. The contest will be climaxed Monday evening March 29, 7:00-8:45 at the Community building when the losing leaders must pay the forfeits dreamed up by the winning leaders. Refreshments will be served by Mrs. Bellefeville, Mrs. Cliff, Mrs. Ridenour and Mrs. Ken Roberts.

The kitchen committee met Monday night March 15 to draw up plans for special silverware drawers to be built into the kitchen and additional work was planned for completing the cry room.

Nursery director Mrs. Carl Evans had a special meeting at her home Tuesday, March 11 for all nursery workers for a training session and discussion period. Plans were made for better registration procedure and workers were scheduled for the next 3 months. Mrs. Evans is working on the committee for Father and Son night April 15 will meet after prayer meeting March 24 with the pastor to make plans for that evening.

Anyone wishing to attend the "Another Night to Remember" presented by Max Davey at Ford Auditorium on Friday, April 2 at 8:00 may contact Mrs. James Allen for reserved seats. The concert will feature Gene Jordan, Marimbist who has been in radio work in South America and is a well known marimbist, violinist, percussionist and arranger. Mr. Davey has spent the last two summers at the Camp of the Woods, New York. His staff soloist, is Carol Sedden, soprano.

At the Vera Vaughn Circle meeting last Tuesday night, the final report from the committee working on the ladies lounge indicate that it is now complete with new furniture, lamps, etc. The executive board appointed the following people for the nominating committee, Mrs. James Allen, Mrs. Elwood Coburn and Mrs. William MacDermid. Mrs. Coburn also encouraged members to plan to attend the Workday on March 25, to finish painting door ways in the classrooms, the new changing bench in the nursery and new cupboards in

the kitchen. Plans were made to start at 10:00 a.m. and work as long as anyone could remain.

April 15 is the last day for registration for teacher training classes being held at the Detroit Bible College on Fridays April 23, 30, May 7, 14, from 7 to 9. Some of the classes will be on "Bible Study Methods", "New Testament Survey", "Reaching Teens Today" and others.

Junior B.Y.s are working on relief maps of the Holy Land, this will continue for several weeks as they plan to paint them also. This group also played basketball at the community building on Monday night.

The young people made last minute plans for their special program on Sunday night, March 28 to be held in Flint Hall. This will be a panel discussion on Religion in the schools. Those sitting on the panel will be Mr. Bartlett, superintendent of South Lyon schools, Mr. Culber, Novi Schools, Mr. Amerman, Northville Schools, Mr. Williams, Novi School and Mrs. Brownson of the Ecorse Public school system.

The annual Women's missionary Fellowship Spring Retreat will be on April 30, May 1 at the VCY Campsiration at Brighton. Reservations must be in by April 25, 1965 or anyone intending to go. The theme of the meetings will be "Christ in dwelling and Enthroned". Devotional speaker - Mrs. Francis Beerthus, well known for her ministry to women over WMBT Chicago.

Novi Methodist Church News  
Northville Methodist church WSCS has invited the WSCS of the Novi church to join with them in the study of Genesis each Thursday from 9:30 to 11:00 a.m. at the Northville church.

Leiten family night potluck Wednesday 6:30 to 8:00 until Easter. This week the film Bus Caravan was shown. At 8:15 official board meeting and choir practice.

Thursday 25th Vacation Church School Training classes are held at Belleville room 9:30 a.m. to 1 p.m. all teachers are urged to attend.

Rev. Webster's sermon this past Sunday was taken from Matthew 5:9. "Blessed are the Peace Makers for They Shall be called the Children of God". The MYFers are working on a project suggested by the pastor.

Orations, declamations and interpretive readings were given by the Jr. High and Sr. High students in their church school class this Sunday. Mrs. Hugh Crawford was the berg served the class coffee this week. Mrs. Dirk Groeneweg served the class coed and rolls.

The WSCS met at the church this week on Wednesday. Sunday morning worship service 9:00, church school 10:15, Wesley choir 11:15 and MYF 7:00.

March 14 James G. Martin, son of Mr. and Mrs. James Martin of Haggerty road was baptised at the 10 a.m. service Sunday.

Choir practice is held every Thursday at 4 p.m. at the home of Mrs. K. Cookson. If interested in joining the choir contact Mrs. Cookson GR 4-7869.

Catechism and Acolyte training classes are held every Saturday at 4 p.m. at the Vicarage, 44080 Marlson drive, Novi. The adult inquiring class meets on Thursday at 8 p.m. also at the Vicarage. Anyone wishing information concerning the Episcopal Religion should attend this meeting.

Sunday church services are held at the Orchard Hills School, 10 Mile and Quince drive at 10 a.m. The 8 o'clock Sunday morning Holy Communion Service is held at the Vicarage Chapel, 44080 Marlson drive. During Lent the chapel services on Wednesday are 7 a.m. Holy Communion and 7 p.m. "The Way of the Cross".

Three Lenten season obligations are prayer, fasting and alms giving. In keeping Lent we are given the opportunity to think about what we really want from life and in doing so with God's guidance we come to know what we really need. It is a time of both physical and spiritual preparation and should help us to realize our need for Christ's love. "God's church, Our church, welcomes you."

Novi Girl Scouts  
Junior Girl Scout Troop 913 elected patrol officers at their last meeting on Wednesday at Orchard Hills School. The patrol officers are Vicki Pinner, Pat Wilkins and Jody Cockrum. Secretary, Susan Boyer, treasurer, Marilyn Aines. Girl Scout Troop 1027 divided their troop into 3 patrols

with 9 girls in each patrol. Patrol leaders are Black Cats, Brenda Tymensky, Honey Bees Kathy Bell; Green Hornets, Linda Cousan. The girls discussed being a girl scout and what it means. Mrs. Ward and Mrs. Skeltis sorted out the cookies for delivery.

## Novi Rebekah Lodge

The regular meeting of the Novi Rebekahs will be held tonight, Thursday, March 25 at the hall. Before the meeting the Rebekahs will have dinner at the Saratoga Farms and their guest will be Zetta Timpson, past president and now treasurer of the Rebekah Assembly of Michigan who will conduct a school of instruction at the meeting.

There were 80 Rebekahs present on Visitation night Thursday March 11.

April 1 drill and degree team practice will be held at the hall at 8:30. Hostesses will be Dot Sharpe, Gladys Tremper, Nellie Rackov and Grace Frisbie.

The Independent Rebekah club will meet at the home of Pearl Tammi on Monday, April 5. Hildred Hunt will act as co-hostess.

A Rebekah Memorial service was conducted by the Novi Rebekahs for their sister Rebekah Alice Waite at one o'clock last Saturday at the Thayer Funeral home in Farmington. Mrs. Waite was past degree team captain and she had received

the decoration of chivalry.

Novi Boy Scout Troop 54 participated in the paper drive on Saturday. They had a successful day with a semi trailer full of papers which will help with camping plans this summer. The scouts are planning a campout at Island Lake April 3.

## Novi Cub Scouts

The Cub Scouts will have their pack meeting Friday at the Novi Community hall. A skit will be given by one den and awards given out. Since their theme is South of the Border all the scouts and their parents are asked to come in costume.

**No road? No problem! Test drive this Jeep Universal**

It's the original 4-wheel drive work and hobby horse

With your Jeep Universal, you're boss of all outdoors. Just shift into 4-wheel drive, and you've got all four wheels working for you. You hug slippery roads like glue. You've got the extra traction to pull you through mud, sand, ice, and snow. And for hunting, fishing, camping, you name it...the Jeep Universal gets you there (and your boat or trailer, too!). It's a hard worker around your home, farm, or business too. Hauling, pushing, plowing, it's a real workhorse. Take your choice of half-cabs, full cabs, or convertible top. Plus other options.

Test drive this "Unstoppable" at your Jeep dealer's. Soon.

## SPEAKING for The Record

By BILL SLIGER

Every year on the first Saturday of April the voters of Northville township get together at the "annual meeting" to consider the proposed budget for the coming year (see page six, section one).

It's a grass roots level forum where the people who pay the bill can say what's on their mind, directly to the people they have elected to office.

Most townships have done away with the annual meeting. Plymouth, Farmington and Novi townships did so by vote of the electorate. But Northville township clings to the early American tradition and, in many respects, it's a useful, worthwhile and satisfying session.

It gives voters an opportunity to see and hear their officials firsthand. Many never attend the monthly meetings, but they may take an hour or two from their Saturday afternoon to find out what's going on and see what their supervisor, clerk, treasurer, trustees and planners look like.

When there's an issue to be decided, the annual meetings are frequently "packed", meaning that opposing factions rally all their friends to provide moral support.

This happened two years ago when one of the issues was salary increases for township board members. The proposed pay hikes were defeated by voice vote.

It appears likely that a similar split will take place when voters gather at the community building Saturday, April 3 at 1 p.m.

Pay hikes again have been proposed. But the vote was not unanimous on the board. The three officers—supervisor, clerk and treasurer—favor the increases, while the two trustees have proposed increases of lesser degree.

Both sides seem more interested in the personalities involved than in the offices themselves. They're not very far apart, but the difference represents a rather dubious "principle" of who has the final say.

The new budget will ask township voters to approve the following increases: supervisor from \$4,000 to \$5,000 annually; clerk and treasurer from \$3,200 to \$4,800; and trustees from \$20 to \$22.50 per meeting.

The trustees would go along with the supervisor's increase, but they want the clerk to be paid \$4,500 and the treasurer \$4,000. They didn't mention raises for themselves. Frankly, I don't think much of either proposal.

The supervisor deserves more money. He's the chief executive of the township and has full-time responsibility for an area dawning with growth.

In comparing Northville with other communities, the state township association recommended a salary of \$6,200 for the supervisor.

This is the figure Supervisor Merriam should have proposed—not for himself, but for the office he holds.

The clerk's salary is fair. It's within \$50 of the township association averages. The treasurer's is high by about \$200. Traditionally, clerks are paid about \$200 more than treasurers. Their job is more demanding throughout the year.

For what it's worth (and as a new township taxpayer), I'd recommend a salary schedule of \$6,200 for the supervisor, \$4,800 for the clerk and \$4,600 for the treasurer, respectively.

This appraisal has nothing to do with present office-holders. It's what the taxpayers should pay the people they elect to these offices.

LANSING — Some really fine entertainment becomes available in Michigan each summer. For those who love the excitement of the stage and have little opportunity to see live dramatic productions, the summer theater offers much. For those who are bitten by the theater bug, it offers training, experience, hard work and fun.

Most theater organizations are similar. Backed by a few intensely interested people or a local organization, the group plans a series of productions during the summer season. They can usually entice nationally known actors to appear. This gives an opportunity for promotion and for local people to work with professionals. Tickets are relatively low priced; quality is rather high.

One of the most successful theater operations is going strong at the Cherry county playhouse in Traverse City.

Under the direction of Miss Ruth Bailey, the theater has presented such well known artists as Edward Everett Horton, Richard Arlen, Jill Corey, Wendell Corey, Veronica Lake, Julius LaRosa, Charlie Ruggles and many others.

Presentations are topnotch plays or musicals, both from the classics and contemporary theater.

At present the following Summer Theaters are listed with the Michigan Tourist Council: the Barn Theater in Augusta; Keweenaw Playhouse, Calumet; Clark Lake Playhouse; Tibbitts Opera House, Coldwater; Ledges Playhouse, Grand Ledge; Circle in the Park, Grand Rapids; Ramsdell Theater, Manistee; Port City Playhouse; Muskegon; Holly Arbor Theater, Oshtemo; Petoskey Playhouse, Oshtemo; Irish Hills Playhouse, Onsted; Tip-O-The

Thum Playhouse, Port Austin; Houghton Lake Playhouse, Prudenille; Red Barn Theater, Saugatuck; Sister Lakes Playhouse; Northland Playhouse, Southfield; Cherry County Playhouse, Traverse City; White Lake Playhouse.

Beat-up, defective cars on the highways have been a problem for a long time, but there has been a reluctance to produce a law which would require car owners to have brakes, lights, horn, steering and wipers checked.

There has been a fear that such a law would be abused by those authorized to make inspections, and that unnecessary repairs would be charged to unsuspecting motorists.

In view of an experiment last fall, it seems the public will soon have to make up its mind between putting up with high percentage of defective cars we now have and a law which would require inspection and repair.

According to William Palmer, director of Associated Petroleum Industries of Michigan, that organization arranged with gas stations to offer motorists free two-minute inspections. Results were a good deal less happy than expected.

An average of 35% of the motorists stopping at gas stations refused a vehicle check. For the most part, these were cars which looked most obviously to need repair. Apparently owners were afraid it would cost them something to repair their cars.

Of cars checked, about 35% needed some kind of repair to lights, brakes, wipers or horn. Many of these drivers did not have cars repaired promptly, stating that they were too busy or that they would take care of it later.

The choice is whether to risk fraud in a system which would require motor checks and repairs or to risk accidents which result from defective automobiles on the highway.

Federal funds are allotted to states each year for projects such as nursing schools, county and local hospitals, psychiatric facilities and child guidance clinics.

A plan for use of the 1965 funds was drawn by the Health Department on the basis of a statewide survey of existing facilities.

This survey showed Michigan is in relatively good shape in one area of hospital care, but sharply lacking in another, said Heustis.

The plan indicated 82.8% of needed acute care facilities are presently available in Michigan, but only 51.5% of the necessary long-term care institutions are now in use, he said.

# Double Pay for Overtime

BABSON PARK, Mass. — Double-time pay for overtime could have quite an effect on many people, both employers and employees. Furthermore, it looks at this point as though both President Johnson and his Labor Secretary, W. Willard Wirtz, are going to prod Congress for such a law.

And the proposed overtime wage provision would be compulsory for all those covered by the Fair Labor Standards Act.

The President wants all factions to like him, and he obviously has the feeling right now that labor is not so well disposed toward him as it might be. He has, for instance, made no move as yet to repeal the Taft-Hartley right-to-work provision, although he earlier stated his intention of doing so. Insiders in Washington seem to think that President Johnson would like to repeal that controversial measure; but that he is afraid he would make enemies among businessmen if he put the pressure on. So he prefers to let that matter ride and try to please labor in less

objectional ways. Both the Chief Executive and Secretary Wirtz apparently have decided that an attractive addition to fair labor standards would solve the problem. Double pay for overtime could be initiated in Congress by simply changing the maximum hours ruling in the Fair Labor Standards Act to grant premium pay of double time instead of the present time and a half. Secretary Wirtz has endorsed this idea already in his annual report to Congress.

Best guess is that Congress could be swung over to such a position, even though employers in general would be opposed to it. Congressional consensus is that employers would not be so badly antagonized by extension of this phase of labor standards as they would be by a fighting drive to make right-to-work legislation in the states illegal. There will be attempts to convince management—and the public—that double pay for overtime would serve to reduce unemployment substantially.

Secretary Wirtz has already expressed his opinion that double pay for overtime would force employers to take on more people to do the work that is now being done by those on longer shifts. He claims that this was proved when the original wage-hour law raised overtime pay to time and a half, and discouraged heavy overtime operations by making them too costly.

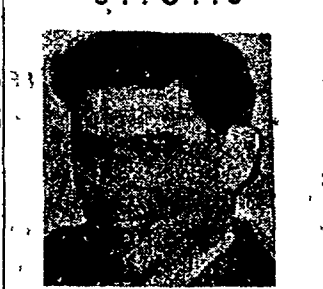

His view now is that wages have climbed high enough so that double pay for overtime is essential if long shifts are to be replaced by bigger personnel, thus increasing employment and cutting back joblessness.

In his State of the Union Message President Johnson called for extending wage-hour coverage to more than 2,000,000

workers, probably affecting agriculture, hotels, motels, dry cleaning, establishments, and restaurants. So, if the double pay-for-overtime proposal should be passed, it would undoubtedly involve widening circles of employees in the package. With Congressional approval, overtime would be reduced considerably. Employers, of course, would try to increase efficiency and productivity without taking on great numbers of new hands, — but this could work to only a limited degree.

Men and women currently making generous take-home pay because of overtime would suffer a cut in their total weekly earnings if they were to be put back on a 40-hour schedule. That happened at the time of the original Wage-Hour Law hike to time and a half, and it could certainly be expected to happen again.

I'm running for re-election as your councilwoman. I hope I have justified your faith in my ability to represent you fairly and honestly over the past four years. Here is my report:

### FOR BETTER UNDERSTANDING OF CITY PROBLEMS

Realizing the need to know and understand matters coming before the City Council — and that a newly elected councilman has much to learn before he can function efficiently — I took an "apprentice course": I attended council meetings for many weeks before my election. Thus when you elected me, I was able to get into the swing of city business much faster.

And now, still going beyond the required call of office, I regularly attend meetings of the Northville Planning Commission. I do this because I believe that in order to make wise decisions it is vital that I have all information possible on problems affecting the future of our expanding city.

### I'M AVAILABLE — AT ALL TIMES

I promised to make myself available. I have. In fact, it has become almost a full time job for me. For I am available to help with civic problems not only in the evenings — to midnight, sometimes — but more important, all through the day, the time when homemakers like to call me to discuss civic problems. This is all part of my job — and I love it.

### THE WOMAN'S POINT OF VIEW — AN ASSET

Though I represent the men as well as women, I still believe that in a largely residential city such as ours, more civic problems are directly related to home-making — water, sewage disposal, paving, taxes, law enforcement, shopping facilities and parking. Here, I believe, my experience as a homemaker in Northville for 30 years, can and does pay off. . . . When our new city hall was built, I was able to put my woman's point of view to practical use in the selection of furnishings.

### BUSINESS EXPERIENCE HELPS, TOO

My first job was that of stenographer. During the war, I was counselor to women at the Northville Ford Valve plant. For 15 years, with my late husband, I helped operate the Carlson Health Studio. Yes, I understand the problems of the breadwinner as well as the homemaker.

### MY PRESENT COMMUNITY SERVICE ACTIVITIES:

- In addition to my job as councilwoman, I now serve as:
- City representative on the Beautification Council of Southeastern Mich.
  - Chairman, Northville branch, American Red Cross (13th consecutive year)
  - President, Benton Parkway Veterans' Auxiliary (3rd year)
  - Member, Northville Community Chamber of Commerce
  - Member, Program Committee, Senior Citizens
  - Member, Northville Historical Society
  - Member, (also past president) American Legion Auxiliary
  - Member (and organizer) Northville Business and Professional Women's Club

I believe that my record of service on your City Council during the past four years, plus the valuable experience gained, should make me an even better councilwoman in the future. If you agree, your vote on April 5 will be appreciated.

## CHEVELLE by Chevrolet

### No other car of its size offers more

- 4 protective steel inner fenders
- keyless locking doors
- separate body and frame units
- a battery-saving Delcotron generator
- a four-position ignition switch
- a Full Coil suspension system
- curved side windows
- a 9-step acrylic lacquer finish
- flush-and-dry rocker panels
- self-adjusting brakes
- bonded brake linings

Chevelle Malibu Sport Coupe

No matter how you look at it, this car makes a lot of sense.

If you're interested in value (and who isn't), the eleven features above give you a good idea why more intermediate-size car buyers are thinking Chevelle.

If you're looking for a wide power choice, Chevelle starts out with a standard 120-hp Six, an ideal city performer. After that you may order from a variety of engines that turn it into an even greater highway performer.

Room? Large door openings. Wide

curved side windows for extra shoulder room. Great front and rear leg room. Those four, five or six passengers have it made. And so do you. Chevelle may seat like a big car but it handles like a smaller car.

Comfort? Thick wall-to-wall carpeting in Malibu models. Foam-cushioned seats. Easy-to-read instrument panel. The whole interior looks like those in cars costing far more. Come on down to our showroom and take a drive soon. Chevelle begins to make even more sense after you've gone a couple of miles.
