

## Honored Guest From Davison

# Northville Awaits Mayor Smith

Historical displays about Northville and Michigan will pop up in merchant's windows Monday as Michigan Week gets underway in the city.

It is just one of many events scheduled for the week-long observance.

"Each business will select its own theme," said Edmund Yerkes, curator of the Northville Historical Society. Yerkes was the promoter of the exhibits.

Dempsey Ebert, president of the chamber of commerce, is

chairman of this year's celebration.

"The displays will tell about the heritage of our town and the state," Yerkes said. Cash awards will be made in mid-week for the best displays.

A first prize of \$25 and second of \$15 will be handed out, according to Yerkes. The chamber donated the cash awards.

As the displays are unveiled, city officials will be welcoming Davison Mayor James F. Smith to Northville.

Northville was paired with Davison for mayor's exchange day. Mayor A. M. Allen will be accorded the same reception in Davison.

Ebert said a flag-raising ceremony will be observed at the city hall at 9 a.m. Monday. Mayor Smith will be introduced to city department heads and members of the council.

At 10:30 a.m. Smith will preside over a short session of the council. Afterwards, he will be taken on a tour of city hall and

other municipal facilities.

Smith will be the guest of the Northville Rotary Club at a noon luncheon at the Presbyterian church. In the afternoon, Ebert said, the visiting mayor will view local plants, state institutions and other points of interest in the area.

In the evening he will be feted at a dinner given by city officials at the Thunderbird Inn.

A "new administration" will be in charge of city affairs on Tuesday, Ebert said.

Regular councilmen and other officials will be powerless as officers of the Northville high school student council run the city.

LaGene Quay, assistant high school principal, will select the one-day administrators.

Local school will participate in the celebration, too, Ebert said that classes will show off displays they have made all week long.

No other formal events are slated.

**DETOUR**—Although local traffic is permitted along North Center street, north-south bound through traffic is detoured around the city. Work began Monday, shown at right, to extend the city of Detroit water main through the city to Five Mile road. A 24-inch main will follow Center from Baseline to Dunlap, one block west to Wing, south to Fairbrook, then back east to Center street and again south to Five Mile road. Odds are less than even that the construction will be completed before track fans return to Northville Downs for the summer meet, June 21.

## Consultant Ok's CBD Proposal

An expert gave the city council his opinion last week of the central business district plan as devised by the Northville planning commission.

Ralph Stephenson, a consulting engineer hired by the city council to study the proposal, made his initial report Wednesday evening, May 5.

He called the plan "entirely feasible" and said the community "could accomplish the improvement by 1970 . . . or sooner, if you wish."

Stephenson had concerned himself chiefly with the central business district proposal, but commended the planning commission's entire comprehensive report as recently developed by Waring and Johnson, the city's planning consultants.

The report, aided through a federal grant under section 701 of the urban planning assistance program, includes a complete study of community characteristics, population projections, utilities, land use, thoroughfares, public facilities and future planning.

While Stephenson liked the central business district plan, he cautioned against strict enforcement that would invite resistance. Instead, Stephenson viewed the project as a "flexible plan, permitting development in practical fashion."

Specifically, the planning commission's central business district is designed to accommodate a 1985 trading area population of 34,000.

It calls for encircling the business district with parking area. Just outside this parking band would be a circular two-way drive that would extend from Dunlap on the north to a point south of Cady on the south and from Hutton and Church on the east to Wing or High street on the west.

Main and Center streets in the business district would be free of vehicular traffic and feature plantings and other attractions for the pedestrian shopper.

Stephenson said he visualized Northville developing as a shopping center for specialty shops. He emphasized that a plan was important, that improvement of the business district was necessary for long-range survival. He also noted that a healthy busi-

ness district was important to all community residents, not just merchants, and should be of vital concern to the community's political leaders.

Stephenson took some calculated guesses at the cost of the total project. He admitted they were less than studied estimates but said he placed the cost of the circular drive at \$1,404,000 complete with pedestrian cross-overs; the parking acquisition and improvement at \$1,490,000; and improvement of Main and Center streets at \$104,000.

He suggested several ways of financing — including bond, state and federal grants, private enterprise and special assessment.

But he strongly urged the council to adopt the planning commission's central business district plan "in principle" so that more thorough study through appointed citizen committees could take place.

Planning Chairman George Zerbel said that he did not consider action by the council adopting the plan in principle as a commitment to initiation of the program.

"After citizen committees have been appointed and thorough studies can be made, especially into the possibilities of financing, committee reports and public hearings would follow," Zerbel explained. He said that any adoption of the central business district plan by the council would require rezoning for specific CBD and CBP (parking) designation and would require public hearings.

The planning commission has urged the council to indicate its approval.

This was the council's first report from Stephenson. At the conclusion Mayor A. M. Allen said the council would give the proposal thorough consideration.

## Project, Election on Chamber Agenda

The Northville Community Chamber of Commerce will hold its annual open membership meeting next Wednesday evening, May 19 at the council chambers of the city hall.

Three matters of business appear on the agenda:

1. Election of four members to the board of directors;
2. A presentation of the proposed school building program which will appear on the June 14 ballot;
3. A review of achievements and suggestions for future Chamber plans.

In the board election six candidates will seek one of the three seats for three-year terms and two candidates have been nominated for the lone one-year vacancy.

Three-year candidates are Howard Atwood, Dorothy Baker,

Fred W. McLean, Raymond Noder, H. Thomas Quinn and Wynn W. Wakenhut. Atwood, Quinn and Wakenhut are incumbents.

Incumbent Essie Nirider and Joseph Malik will compete for the one-year term.

The school building proposal

will be explained by a team of school board members, administrators and citizens serving on the school study committees.

## Seniors Sell Papers To Finance Prom

Buy a Record, Mister?

Northville high school seniors will be "hawking" newspapers next Thursday afternoon (May 20) in an effort to raise funds to help finance their May 22 Senior Prom.

For the first time the dance is being held "off-campus". It's a dinner dance at Meadowbrook Country Club beginning at 7

p.m. with dancing until midnight. The youngsters will dance to the music of Ed Carlson's band.

The added frills are costing money. But the energetic Class of '65 committee members are a determined lot.

They'll receive 500 extra editions of The Record next week. Everything they collect from

the sale will be used to finance the prom. The youngsters expect to sell their newspapers to shoppers and motorists in the business district from 3 until 6 p.m. Thursday.

Teacher sponsors for the Class of '65 are Miss Patricia Dorrian, Roy Pedersen and Robert Williams.

Following this presentation the members will direct their attention to projects for the future. The session gets underway at 8 p.m.

## Only Two Seek Seat On Board

Unless there's a late rush for petitions, it looks like a two-man race for the lone vacancy on the Northville board of education.

Deadline for filing petitions is Saturday at 4 p.m. at the board of education offices.

Incumbent E. O. Weber and Donald B. Lawrence, a former board member, are the only two candidates taking out petitions. Weber has been on the board for the past year. He filled out the final year of a four-year term previously held by Lawrence who had to resign from the board when he moved from the community.

In Novi Arthur Heslip announced his retirement from the board this week. Well known in the area, Heslip has served on the Novi board of education since 1956 and has been board president three times.

Another Novi board incumbent, Russell Taylor, is still undecided about running again. Thus far, only Keith Branch, 43009 Eleven Mile road, has taken out petitions for one of two openings on the Novi school board.

## To Display Art Work

Eight Northville artists will participate in an exhibit honoring Michigan Week opening with a reception at the Hartley - Powers Gallery, 116 E. Main street, on Friday from 4 to 8 p.m.

The artists are Mary Ann Beitz, William Case, Kate Edgerton, Catherine Hartley, Harold Hartley, Chris Stoffel Overvorte, Gloria Parres and Roy Pederson.

Gallery hours are Monday through Friday, 9:30 a.m. to 5:30 p.m. and Saturday, 9 to 12 noon.

## It's Carnival Time Saturday

The noon whistle Saturday will signal the start of the 1965 PTA spring carnival.

Myron Utley, chairman of the annual event, and his legion of workers will be waiting for the crowds on the grounds of the junior high school on Main street.

The carnival runs until 7 p.m. There is no admission charge but it will generally cost youngsters 10 cents to try for a stuffed animal or other prizes along the midway.

All who purchase a strip of 10 tickets for a dollar are eligible for the merchant's treasure hunt. If the number on a ticket corresponds with one displayed in a participating merchant's store, the lucky ticket-holder will receive a prize.

Local businesses participating are Richie Brothers Laundry, Lapham's, Braders, Del's Shoes, Spinning Wheel, Stone's Gamble, Northville Drug, Northville Hardware, Noder's Jewelry, Little People Shop, Spagy's, Bob & Jan's Record Shop, Northville Electric, Cloverdale Dairy, Freydl's, Old Mill Restaurant, Schrader's, and Alice Rebecca Salon.

A new bicycle, desk lamp and cash are among the prizes to be given away at the carnival.

Booths along the midway will

For a dime youngsters with a sweet tooth can buy a treat from the lollipop tree. There is a bonus too. "There'll be something extra given out there," Utley explained. "It could be a Kennedy half dollar, a model Mustang car or a box of crayons or pencils."

Other amusements along the "junior" midway in front of the junior high will be the tumbler toss, string pull, bumper game, ping-pong toss, bean bag toss, ring-a-cane, pen game and surprise package.

The familiar fire engine ride

for the youngsters will only be running from 1:30-5:30 p.m.

Along the "senior" midway in the junior high boys' gymnasium will be the pop-a-clown, roll-a-score, 20 cent jar game, tumbler toss, 10 cent jar game, roll-a-tac and hula hoop.

Food and beverages will be available, too. Utley said hamburgers and sloppy joes can be bought at a booth between the gym and junior high buildings. Tables will be provided in the area.

Inside the gym, the Northville Co-op nursery will sell cookies and candy and the Northville Mothers' club will offer coffee and cake.

Another feature will be the appearance of the Northville high school dance band. It will perform at 12:30, 2, 3:30 and 5 p.m. "We've had real good cooperation from the PTA groups, service organizations and merchants," Utley said. "We hope everyone will come out and have some fun."

Proceeds from the carnival are used for needs of the local schools. An example is the purchase of \$300 worth of playground equipment a few weeks ago at Amerman elementary

Scenes like this will be repeated Saturday afternoon

## Collecting Newspapers At PTA Fair

Old newspapers will be collected at the carnival Saturday. A truck will be stationed in front of the community building for deposit of papers.

Mothers of senior girl scout troop 222 are sponsoring the drive. Money earned will be used by the girls for a trip next summer.

Anyone who would like a home pick-up can call Mrs. Billy Thomas, 349-0425.

## Auxiliary Party On Tap Tuesday

"Good" white elephants and pots of red geraniums will be on sale at the annual Northville State hospital auxiliary's card party and luncheon to be held next Tuesday at 12:30 p.m. in the gym of the occupational therapy building.

A fashion show of hair styles is also on the program for the afternoon. Table and door prizes will be awarded.

The card party is the second largest money-making project conducted by the hospital auxiliary. It also sponsors the gift shop in the lobby. Proceeds from both are used for patients' needs.

Tickets are \$1.50 and reservations can be made by calling Mrs. Charles Ratliff, auxiliary member, 349-1343. She is chairman of the event.

# In Our Town

By Jean Day

GOOD CAUSES will benefit from much of this month's social activity. Detroit's Latin Quarter is to be the setting for a dance and midnight supper being given by parents of Our Lady of Providence school in Northville next Saturday, May 22.

Father Dustin, famed banjo-playing jazz priest, will be a featured entertainer. Detroit Federation of Musicians is donating the orchestra and parents are underwriting expenses of the evening so that all proceeds may benefit the school. Mr. and Mrs. Herbert Rosin of Livonia, chairmen, have announced. Assisting with local arrangements are Mr. and Mrs. Eugene Konrad who will be attending with a group of neighbors.

Groups also are getting together for the annual card party and luncheon benefit to be given by the Northville State Hospital Auxiliary Tuesday at the hospital.

NORTHVILLE PLAYERS Guild has returned to a three-performance schedule for its final production of the season, "Visit to a Small Planet," which will be presented at 8:30 p.m. May 20, 21, and 22 in the high school auditorium.

COMINGS AND GOINGS - Active North-

ville residents for 13 years, Mr. and Mrs. Lewis W. Alexander and their six children are leaving their Eight Mile road home May 25 when they move to Victoria on Vancouver Island in British Columbia. A hilltop home overlooking the ocean awaits them there, reports Mrs. Alexander. She expects her husband to be back from Victoria next week. Since he had lived there for 10 years, she says, the area will not be strange to them.

Daughter Tonette, who is graduating from Northville High School, will accompany the family to Victoria, but is to return to Detroit to participate in the Michigan Youth for Understanding Program which will take her to Spain for the summer. She will return to Victoria to attend college at British Columbia. Other children, Sydney, John, Kathleen, Julie and Grace will enroll in Victoria schools next term.

Moving into the Alexanders' Northville home almost immediately will be Mr. and Mrs. Jack Slotnick and their family, who have been living in Dearborn.

NORTHVILLE FRIENDS of Bobbie Davis have been receiving vivid travel reports of her five-month hostel tour of Europe. Bobbie and her family, the Robert Davises, lived on Dunlap street before moving to Ann Arbor a couple of years ago. Having spent six weeks in Italy, Greece and Austria, she now is enrolled in the Alliance Francaise Conversational French language school in Paris.

Edmund P. Yerkes, local historical authority, barrister and traveler, called to clarify for us the term "Base Line," which the newly-formed Northville Questers group has adopted for its official name. Dating from the Northwest Ordinance, Michigan has a Base Line that extends from Lake St. Clair across the state to Lake Michigan with all measures NORTH and SOUTH extending from it. Mr. Yerkes is to chairman the second annual forum on local Michigan history to be held at Eastern Michigan University May 20.

Mr. Yerkes also took time to mention some "must see" European attractions for me. As you have read this, I am having a 21-day European "treat." I leave today for Scotland, continue to London and then to Belgium, Germany, Austria, Italy and France on my suitcase tour.

Meanwhile you will be reading In Our Town by guest columnists. Publisher William Sliger and I are most gratified that each of our choices to write the column for the coming month has accepted.

NEXT WEEK Mrs. Ernest J. Shave of Fairway Drive will describe for you the 1965 Metropolitan Opera season in Detroit. Mrs. Shave has served on Grand Opera committees ever since the Met began coming to Detroit in May seven years ago. A true opera lover, she also managed a visit to the Met in New York during the past winter. She is a teacher at American school.

MRS. JOHN BEGLE, president of the Northville branch, Woman's National Farm and Garden Association, has promised to take the column May 27 to describe her opening-day visit to the famed Dutch Tulip Festival in Holland, Michigan. In addition to running her country home on Nine Mile road, complete with horses, Mrs. Begle directs the garden club and confesses to a growing interest in conservation. She also does volunteer braille transcriptions and is a volunteer worker at the Plymouth Home and Training School.

NORTHVILLE HIGH SCHOOL'S exceptional valedictorian Kris Deibert, daughter of the Glenn Deiberts, expressed an interest in journalism - and agreed to describe senior activities from prom to graduation on June 3. Kris will be entering University of Michigan this fall with a 3.97 point scholastic average.

JUNE 10 MRS. THOMAS JOHNSON of Novi road will take over the column and review the first year of the Junior Great Books program in Northville. Although her two children still are pre-schoolers, Mrs. Johnson became a leader in the program. A former elementary school teacher, she presently teaches Sunday School at Northville Presbyterian church. She has had children's stories published in Jack and Jill Magazine and Presbyterian Life. The young Johnson family will be leaving Northville this summer as Mrs. Johnson's husband finishes his residency at University of Michigan hospital and begins his military stint.

Thus, with the cooperation of these four and my publisher, plus an understanding family, I leave for 21-long-awaited days!

## NEWS AROUND NORTHVILLE

To celebrate Mother's day, Mrs. Fred Casterline spent the weekend with her son, Butch at Howe Military school, Howe, Indiana. Miss Tracey Maggs of Elkhart was also a guest. Before the formal dance Saturday night 27 parents were guests of Mr. and Mrs. Steve Noble of Elkhart, Indiana at the Elcona Country club.

Arnold Ellison of Wingate road Brookland Farms, is recuperating from a recent operation at St. Joseph Hospital, Ann Arbor. A bridal shower honoring bride-elect Rhonda Atchison will be held at the home of Mrs. Walter Couse on Seven Mile road, May 20. Mrs. F. Donald Sober will co-host the linen shower and luncheon.

Mr. and Mrs. George Clark of 849 Main street returned to Northville Saturday from a two-

week vacation through the southern states. Points of interest visited during their trip, were the Smokey Mountains, Williamsburg, Virginia and Gatlinburg. Mr. and Mrs. C. E. Langfield of 501 Fairbrook, vacationed recently in Venezuela.

A baby shower was given in honor of Mrs. James Correll (the former Pam Parmenter) by eighteen former Northville high school classmates at the home of her mother, Mrs. Alfred Parmenter on Thayer boulevard May 1. Co-hostesses for the afternoon were Miss Carol Morris, a student at Central Michigan University and Mrs. Jack Jackson of Kalamazoo. Former classmates from Jackson, Wolverine Lake and Detroit were on hand to admire gifts for the new baby.

Friends gathered at the home

of Mrs. Robert Yoder on Whipple drive, Tuesday afternoon for a farewell luncheon honoring Mrs. Lewis Alexander who is moving this month to Victoria, British Columbia. Co-hostess for the afternoon was Mrs. Robert Lang. Mr. and Mrs. Alexander have been residents of Northville for the past 10 years and reside on Eight Mile road. Mrs. Alexander was one of the originators of the Northville Town Hall series.

Mrs. James Correll of 129 Wing street has been feted with many baby showers during the past weeks. Among those honoring the prospective mother were Mrs. Walter Stamann and Mrs. O. F. Ring who co-hosted a shower for her at the home of Mrs. Ring on Thayer boulevard April 27. Sixteen guests were present.

The Don Schwindemanns of Grasmere road, gave a tractor

christening party Friday evening. On hand to celebrate the purchase of the new implement and broil steaks were the George Hanleys of Chigwidden drive, Mr. and Mrs. Al Spaeth and Mr. and Mrs. Bob Brueck of Dunsany road. Other Northville couples invited were Mr. and Mrs. Gene Cook and Mr. and Mrs. Curt Sauer.

Back home from a recent trip to Pompano Beach, Florida, are Mr. and Mrs. Robert Brueck of Dunsany road. Joining his parents in Florida was son, Greg, who flew down from Western Michigan University. On their return to Northville the Bruecks stopped at Sylvania, Ohio to visit former Northville Estates residents, Mr. and Mrs. Jim LeRoy.

Constance Tegge, daughter of Mr. and Mrs. George Tegge of 16580 Franklin road, has been selected to receive a Phi Beta Kappa award certificate Sunday at a convocation at Ford auditorium in Detroit. Less than four per cent of high school graduates in the metropolitan area are so honored each year by the Detroit Association of Phi Beta Kappa. Constance who will graduate from Ladywood high school in Livonia next month, plans to attend the University of Michigan.

Back from a tropical vacation are Mr. and Mrs. Edward Sepp of Fanner Court East, who flew to Jamaica.

NEW RESIDENTS of Brookland Farms, Mr. and Mrs. Gordon Merritt with their son, Gordon, Jr.

The Gordon Merritt family built their contemporary home in Brookland Farms subdivision because it most reminded them of the scenery of Alaska.

They moved into their new home at 44403 Chedworth road with their young son, Gordon, 5, about a month ago.

Although they are both former Michigan residents, they lived in Alaska for seven months while Gordon was stationed at the Elmendorf Air Force Base in Anchorage.

"We both fell in love with the scenery in Alaska," said Mrs. Merritt and her husband took advantage of the wonderful hunting and fishing Alaska has to offer. "At one time," she said, "my husband killed an 800 pound moose."

While there, they drove on the Alcon Highway and took motor trips to Whitehorse and small primitive towns.

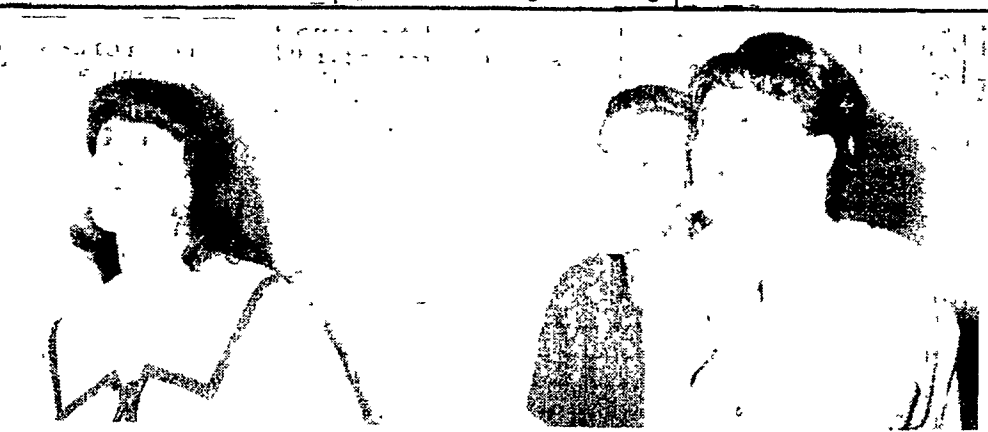

Mr. and Mrs. Merritt (Charlene and Gordon) met while stu-

dents at the University of Michigan. Mr. Merritt is an architect and has his office in Farmington. His work consists mainly of designing churches.

In her free time, Mrs. Merritt drives to the Northwest YWCA

where she is a student of ceramics. She also likes to knit and sew.

Away from his designing board, Mr. Merritt likes painting canvases and his favorite outdoor sports are hunting and fishing.

STUNNED?—Members of the Northville Players Guild rehearsing "Visit to a Small Planet"—Gretchen Schneider, Gary Webb and Harriette Patterson—are spellbound as they eye a visitor from outer space. What does the visitor do? The play will be presented May 20, 21 and 22 at the high school auditorium starting at 8:30 p.m. Tickets cost \$1.50 for adults, 85 cents for students.

ART CONNOISSEURS—Mrs. Marcel Jelinek and Mrs. Carl Henderson of the Northville Newcomers club remind members that a tour of the Detroit Institute of Arts is planned for Friday, May 28. They are holding an original by Picasso, whose originals will be viewed in two weeks. Mrs. Henderson (349-2146) is handling reservations.

## DAR To Install Officers

Installation of officers for the coming year will take place at the May 17 meeting of Sarah Ann Cochran chapter DAR.

A salad luncheon will be held in the home of Mrs. George Merwin, 43461 Cottisford, Northville.

## Art Festival Set Friday

The annual "Festival of Arts," co-sponsored by the high school and P.T.A. will be held Friday at 7:30 p.m.

A brief business meeting in the auditorium will be followed by a fashion show by the home economics department.

Activity will then move to the gymnasium where student displays from the art, mathematics, science, English, social studies and industrial arts' departments will be shown.

Teacher Roy Pedersen is in charge of the over-all program for the school.

Assisting her as hostesses will be Mrs. Gerald Holly, Mrs. William Templeton, Mrs. Herald Hamill, and Mrs. George Zerbel.

Taking their oath of office will be: Regent Mrs. Harry Gellgey; 1st Vice Regent: Mrs. Norman Saunders; 2nd Vice Regent: Mrs. Frederick Campbell; Chaplain: Mrs. Jack Kadey; Assistant Chaplain: Reverend Elizabeth Etz; Recording Secretary: Mrs. Charles Barber; Treasurer: Mrs. Sherwin Hill; Corresponding Secretary: Mrs. Donald

# SPEAKING for The Record

By BILL SLIGER

Monday night the board of education had some difficulty sticking strictly to the agenda.

Foremost in the minds of board members right now is passage of \$2.8 million bond issue for school buildings and improvements on June 14.

There's fear in some quarters that Northville's string of successful bond issues may be in jeopardy. This could be a case of pre-election jitters, but a definite lack of public understanding is evident. And, as everyone knows, an uninformed (or mis-informed) voter is most likely to cast a negative vote.

There's another aspect. If the voter doesn't know the facts, then he either isn't reading the newspaper or the newspaper isn't doing its job.

We'd rather not have either condition exist. And when it's suggested that the bond issue might fail because the public doesn't understand, it recalls why they pass — "strong board action and citizen support".

All of which leaves the press in the position of the prisoner who was given a choice by the kindly judge: "which do you prefer, hanging or the electric chair?"

Anyway, it's certain that if every voter understood the local school situation as well as school board and citizen study committee members, proposal one would pass with ease.

Proposal number two — a \$500,000 swimming pool — is another matter. Even the board can't agree here. Three definite opinions have been advanced: 1 — For; 2 — Against; and 3 — A desirable addition that should not be promoted to the point of risking the \$2.8 million educational proposal. Thus the board has taken no firm position on proposal two.

We'll skip comment on the pool for now. Instead we'd like to devote the remainder of this column to setting forth a few basic facts that every voter should know. Hopefully, this will clear up some misunderstandings:

1. The June 14 ballot will give school district voters an opportunity to vote "yes" or "no" on two separate proposals — No. 1 to issue \$2.8 million in bonds during the next five years to build an elementary school, a junior high school, provide additional academic, vocational and athletic facilities at the high school, make certain ground improvements at the existing elementary schools, erect a bus service center, provide for a future elementary school site and convert the present junior high school into central administrative offices as well as a center for maintenance facilities, storage and special education use. Proposal No. 2 asks for \$500,000 for a swimming pool — either added to the high school or included in the new junior high school.

2. If either or both of these proposals are passed, the millage increase to the taxpayer will be \$1.30 per \$1,000 of equalized valuation per year, or about \$7 to \$10 per year to the average homeowner.

The answer lies with the state, which provides the seven mill limitation program. This simply says that the state will pay the tab for new buildings on all costs above seven mills. Northville is currently paying for existing buildings at the rate of 5.7 mills, thus the increase to the state-guarantee level is only 1.3 mills. Eventually, this money must be paid back. But the state interest rate is well below current bond interest rates. As more buildings are needed, the district can continue to take advantage of the seven mill limit — but this levy must continue even when old bonds are retired until the obligation is eventually paid off.

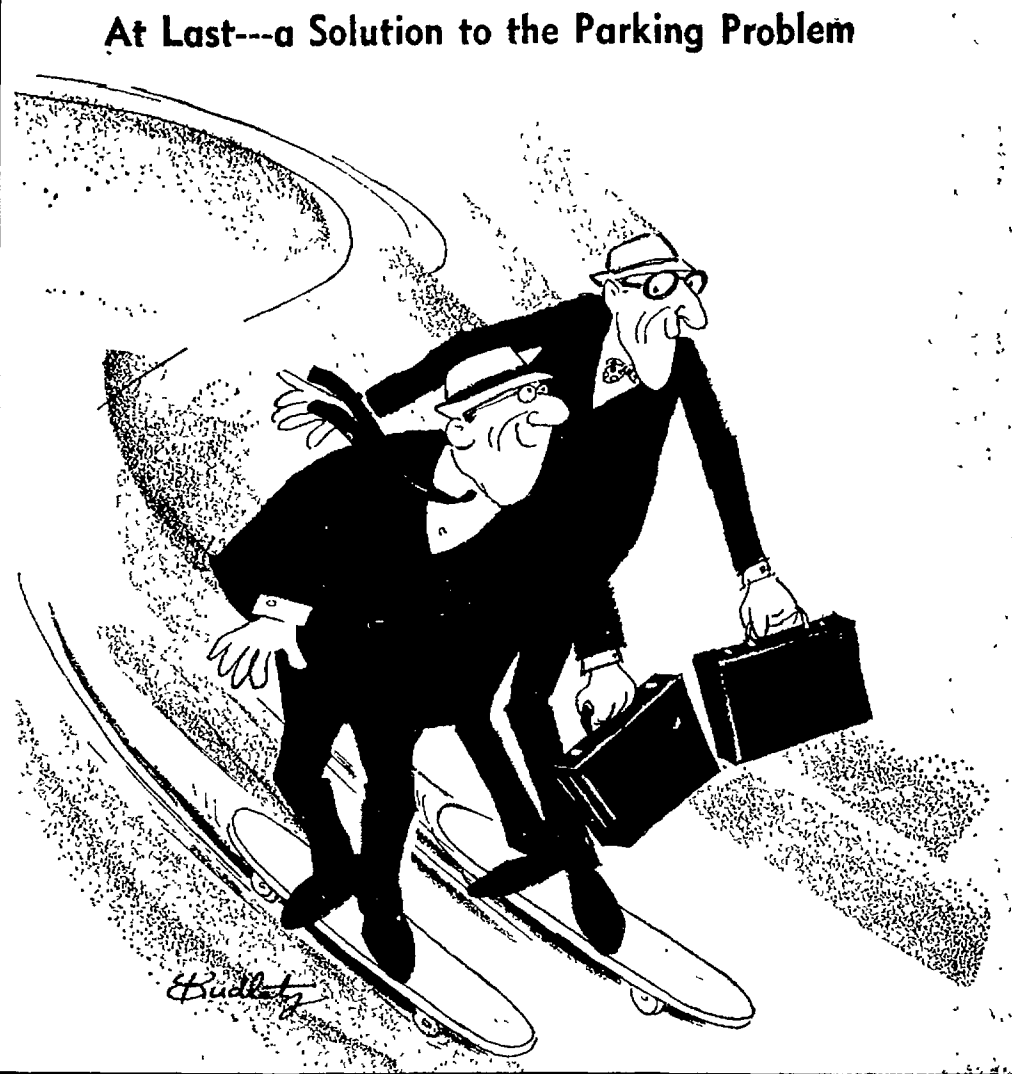

Other facts which publicity committees composed of board members, administrators and citizens are telling every group that will listen are:

- the elementary school will be opened by September, 1966;
- the junior high will be ready by September, 1967;
- final determination of sites is impossible to make at this time and at least three major subdivisions are now on the drawing boards that could change the decision; it's fairly certain, however, that the junior high school will be located on Taft road near the high school area.

Elsewhere in this edition there's an article prepared by Superintendent Russell Amerman and his assistant, Dr. Kenneth MacLeod.

There will be more information as the date for voting draws near, including some rendering of the proposed facilities.

Appraise yourself of the facts. Attend the public information sessions. The last of these will be held at the community building, Monday evening June 7.

## Readers Speak Thirteen Questions On School Program

To the Editor:

We are writing as two citizens who are earnestly trying to get the school bond issue approved. As members of the Citizens Advisory Group we have been asked many questions by other citizens which we have been unable to answer. Some concern us; others do not. However, we feel they all need answering so that an informed electorate can intelligently vote for a bond issue which will meet their desires. Answers to some of these questions may seem obvious, while others are obviously very puzzling. Many people have expressed the notion that a NO vote will automatically bring another election in ninety days. We think we don't need an extra three months to have informed people who can enthusiastically support the Board's proposals.

We don't feel that just because our new educational package—including a swimming pool—can be bought for only 1.3 mills, we do not have the obligation to plan as wisely and as far-sightedly as we can.

Sincerely,  
Barbara Yoder  
Anne Lang

1. Where will the new elementary and jr. high schools be built?  
2. If the Taft-Nine Mile area is selected for the elementary school, will the present lack of sewer and water delay construction?  
3. What will the new schools look like? Will the public have an opportunity to see any plans or models before the election?  
4. Will citizens have an opportunity to participate on committees with administrators, teachers and board of education members to formulate specific curricula and architectural designs?

5. What improvements will be made in the curriculum of the schools?  
6. What specific architectural changes are planned for the senior high school?  
7. When will the new schools be open? and when will the various improvements be made to the high school?  
8. Based on present population projections, for how long will the proposed building program be adequate?  
9. Should our proposed bond issue include enough money to expand the junior high school to its maximum since the enrollment may be 600 when it opens?  
10. Why will it cost \$25,000 to convert the present junior high to a central office facility?  
11. What are the specific plans for the site and construction of a new bus service center? Should the board of ed. consider thoroughly the use of private buses and bus tickets before becoming committed to this facility?  
12. What site improvements will be made at the elementary schools for \$30,000.  
13. Can swimming pools come under the State Qualified Bond program?

The first Democratic LBJ-type barbeque of the summer season will be held on Sunday, June 6, at the spring brook area in Edward Hines park.

This event is sponsored by the Wayne II Democratic organization. The guest of honor will be Wes Vivian, Congressman from the 2nd District. A special guest of national importance will also be present.

County Chairman Bob Dwyer said tickets are \$2.00 per person. All children under ten years of age will eat for free. Everyone is invited.

Tickets are available from any member of the local Democratic Party or at any local store displaying a poster. Or call Mr. Rice at 453-0158.

## Oakland Appointments Announced

Appointments were handed out last Tuesday at an organizational meeting of the Oakland county board of supervisors. Some 86 members comprise the board.

Bruce Potthoff, Northville city manager, was named to the local taxation committee. Last year he was on the miscellaneous committee.

A new representative on the board from Northville will undoubtedly be chosen shortly since Potthoff is leaving his Northville post at the end of May to become Berkeley's city manager.

Hadley Bachert, Novi township supervisor, was put on the co-operative services and markets committees.

Wixom Councilman Ray Lahti was appointed to the aviation committee and now reigns as chairman of the welfare committee.

Lyon Township Supervisor William Smith became a member of the drain and markets committees.

City of South Lyon councilman Claude Tapp drew the most appointments. Tapp was named to the boundaries of cities and villages committee, county coordinating zoning and planning committee and the miscellaneous committee.

**AWARD WINNER**—Russell D. Schoof, son of Mr. and Mrs. Raymond C. Schoof of 23701 Heartwood drive, was honored as the outstanding freshman cadet in the basic U.S. Air Force Reserve Officer Training Corps program at the University of Michigan. He was also the recipient of the Professor of Air Science Award.

## Cyclist Better

James Killeen, a Wixom resident, is reported improving today at St. Mary hospital from injuries suffered in a motorcycle accident two weeks ago.

Killeen, 30, of 1965 West Maple road, was rounding the curve on Maple April 30 when his two-wheeler went out of control.

His bike headed into the ditch, traveled 150 feet and then hit a rise in the ground. The cycle sailed into the air and when it came down it started spinning, the police report said.

Then Killeen was propelled into the air, the report said. He landed on his head and face.

Police Chief D'Arcy Young said that Killeen has recovered from a coma and is now coherent.

A day before the accident, Killeen was fined \$100 in Novi justice court for reckless driving. At that time, he promised to park his bike for keeps.

**NOVI BAPTIST CHURCH NEWS**  
Reservations are still being taken by calling the parsonage FI 9-3647 or Mrs. Stipp at Ma 4-2708 for Candlelight and Roses, the annual tea for mothers and daughters on May 21 at 7:15 p.m. at the Junior high. In addition to the fine program, there will be a puppet show for the little ones 3 years and up while the message of the evening is being brought by Dr. Ruth Storeschein and concluding the evening will be a lovely buffet luncheon.

On May 14, everyone is invited to meet at the church at 6:45 to go as a group to the Billy Walker program in Southgate. There will be a premiere showing of "Face the Music", this is a feature length dramatic motion picture with Thurlow Spurr and the Spurrloves. This film presents definite answers to some of the most important questions teenagers face today and should be inspiring not only to young people but to their parents also.

Beginner church is available during the morning worship service for youngsters two and three years of age under the direction of Mrs. Warren Tait who is currently enrolled at Eastern Michigan preparing to be an elemen-

tary school teacher. Beginner church is available for youngsters 4 years or in the kindergarten under the leadership of Mrs. Lawrence Smith and her assistants. Last week in addition to the Bible stories and songs, the youngsters decorated cookies for their mothers.

Work day has been scheduled at the church for next Saturday at 9:30. As many as possible are urged to attend to get the grounds in shape for the summer season. If you need additional information or can not attend Saturday but could come another day or time, contact Trustee Will Hazen for additional information.

Special Mothers Day recognition was given during Sunday School to all Mothers. Plants were given to the youngest mothers, Mrs. Donna Willis; to the oldest mother, Mrs. Clyde Johnston, and to the mothers with the most children present, Mrs. Brent Munro and Mrs. Richard Lippert.

Speaking at the evening service was Mr. Tim Crist, well known young evangelist from Grand Rapids school of the Bible and Music. Special music was presented by Sharon White, June and Joan Balet, accompanied by Ruth Munro. Mr. Crist will be working with the young peoples group at the church. This is the group where young people from the 9th grade up are welcome and they are planning a trip to Sarina Ontario to spend the weekend of June 4 and 5. Pastor Barnes will now be heading up the younger teams group 7th and 8th graders. Both groups meet on Sunday evening at 6:00. The 4, 5, 6th graders BY is now under the leadership of Sharon Allen.

## HOLY CROSS EPISCOPAL MISSION

The ECW sponsored rummage sale originally scheduled for May has been postponed until June because of the numerous rummage sales already scheduled for May.

The annual spring picnic will also be held in June, June 13th date. Here's hoping we have a lovely day and a good turn out. Remember its potluck.

The ECW okayed the purchase of a dozen boxes of (post-a-notes). These are very handy and cleverly designed post cards to be used in place of greeting cards. The ECW is confident that this little

number (will go like hot cakes).

Mrs. West head of the altar guild would like some assistance in setting up a flower donation schedule for the summer months. As is usual at Holy Cross during these months the altar flowers are donated by various members and many times from the home gardens. If you would like to donate bouquets of home grown flowers or purchase flowers in memory of loved ones please call Mrs. West FI 9-0197.

You need Purina Horse Chow Checkers!

Forget your problems with hay... broken bales... waste... wrestling... itching... sneezing! Forget the search for good hay both at home and on the road. Purina Horse Chow Checkers contain all of the nutrients horses are known to need—including the right amount of bright, clean hay that's top quality the year around.

The compact 50 lb. bags are easy to handle... easy to haul in your car or trailer... easy to feed. And Horse Chow Checkers are the same uniform quality everywhere you go—no "change-over" problems for your horses when you need them at their competitive best.

If hay or pasture is no problem, see your Purina Dealer for Omolene—a favorite with owners of fine horses for almost a half of a century. And ask him about other Purina research built Horse Chows. There's one for brood mares and stallions—another for growing big, well-developed foals.

## Insect pests "bugging" your horses?

The problem, Purina Insect Killer—dusted into the haycoat—controls ticks, lice and flies. For long lasting residual fly control in your stables, use Cygon® 2E Insecticide. See your Purina Dealer. When it's too cold to spray and flies are no longer a problem, use Cygon® 2E Insecticide. See your Purina Dealer. Get Purina Horse Chows and Health Aids at the store with the Checkerboard sign. # Administrators Outline School Program

**EDITOR'S NOTE**—The following article was prepared by Superintendent Russell Amerman and Dr. Kenneth MacLeod, assistant superintendent of Northville public schools, to outline the need and explain the program proposed for the Northville school system in the June 14 bond issue. Subsequent articles will deal with financing and proposed facilities.

★ ★ ★

In the fall of 1956 the electors of the Northville Public Schools School District authorized a bond issue to be used in the acquisition of two school sites, improvements and renovations at the junior high school, construction of additional elementary classrooms at the Amerman Elementary School and the construction of a new senior high school.

Citizens' study committees had determined that this amount of construction should suffice until about 1968 or 1970. Projections of growth estimates beyond a five or six year span are very difficult to make, and it is with gratification that I note how accurate these studies of 1956 have turned out to be.

The fact of the matter is that our growth in student enrollments has exceeded our expectations by a couple of years in Kindergarten through 8th grades, and is almost identical with estimated figures in the senior high school.

New homes now under construction and anticipated new subdivision developments cause us real concern about our ability to construct new classrooms and related facilities at a fast enough pace to accommodate the flow of new students.

## THE PROBLEM

Last year, while determining teacher needs and class loads, it became increasingly evident that if we intend to maintain a quality educational program, we will have to increase the number of classrooms.

For example, since 1957 we have increased enrollment over 50%.

According to present growth trends and estimates, we will grow more than 50% in the next eight years.

Our present desired capacity in our four present schools is 2,250. Last September we opened with 2,402 pupils and we have been increasing each month.

At the present growth percentages we will have over 2,500 pupils next September with 2,750 in 1966 and 2,925 in 1967.

Early last fall the Board of Education appointed a Citizens' Committee to study the problem and to make recommendations. The following committees were appointed: Population Growth and Facilities, with Mr. W. Secord as Chairman; Curriculum, with Mr. M. Abbott as Chairman; and Finance, with Mr. Paul Hunt as Chairman.

The committees met all during the fall and winter. The Population Growth and Facilities and the Curriculum Committees have made their reports and recommendations to the Board of Education. The Finance Committee is still working.

On the basis of the Committee Reports and Recommendations, the Board of Education has approved the following proposal to be submitted to the voters at the regular election June 14, 1965:

1. 500 student elementary school and site (for occupancy 1966) \$625,000
2. 600 student intermediate school & site (for occupancy 1967) 1,250,000
3. High School Development Program Vocational Center—Occupancy 1967 Academic Expansion—Occupancy 1970 Athletic Facility & Site Improvement 710,000
4. Site Improvements at Elementary Schools
  - Amerman School 30,000
  - Main Street School 60,000
  - Bus Service Center 25,000
5. Central Office Facilities 25,000

\$2,725,000  
Legal Fees, Site Surveys, Printing and Contingencies 75,000  
Swimming Pool Addition 475,000  
Contingencies 25,000

\$3,300,000  
Educational Specifications Committees

were selected at the Elementary, Junior High and Senior High levels. These committees are working with the architect and with the report of the Curriculum Committee.

The Board of Education has selected a system of paying off the bonded indebtedness so that every tax payer will know how much he will be paying to retire the bonds each year.

It is hoped that this proposal will meet the educational needs until 1970, at which time another elementary school and an addition to the junior high school will probably be needed.

Approval by the electors of this new proposed package for construction would enable the board of education to plan for and expedite the construction of these new classrooms as they become needed during the next few years.

In my opinion, the citizens' committees that have been responsible for these current recommendations have done a thoroughly professional job in pointing up the needs of this school system during the next several years. An endorsement by the public will insure a continuance and improvement of the "Program of Excellence" in the Northville Public Schools.

## B&E Suspect Pleads Guilty

A Novi youth today is awaiting sentencing in Oakland county circuit court for breaking and entering into the Novi elementary school last fall.

Paul Dailey, 20, of 23000 Clark street will be sentenced next Friday, May 21. The offense—a felony—carries a 10-year maximum term.

He pleaded guilty to the crime Tuesday in the courtroom of circuit Judge William Beer.

Dailey was picked up in Detroit March 17, ending a five-month search by local and state police. Detectives Vern Loeffler of Novi and Cal Lapine of the state police worked on the case.

Last October 17, two Novi police officers observed a car with the motor running across from the school at 26350 Novi road. Investigating, they found a door in the school was open and spotted a flash of light in the building.

Other departments were called and 10 police surrounded the school. But they had to cover 21 doors—and the doors only opened from the inside.

The suspect appeared at one door and was ordered to come out. Instead he went to another exit and started to escape.

Novi Patrolman Max Hay fired one shot in the air and another at the culprit. Hay said the man fell once but ran into an area of thick brush behind the school.

He got away but police found a right shoe and cigarette lighter belonging to the suspect.

## CAP Adds

### More Brass

A senior member has been added to the ranks of the Northville squadron of the Civil Air Patrol. Captain William Egan has transferred to the local unit from Group 10 in Walled Lake.

Egan, now the squadron executive officer and aerospace officer, has been active in CAP for a number of years and helped get the local squadron started.

He holds a private pilot's license and bases his own airplane at Wixom airport. According to Commander Robert Parmenter, he is "well qualified to be the squadron's aerospace officer."

## Get State

### Scholarships

Five Northville high school seniors are among 2,844 students in Michigan who have received state scholarships.

Dr. Lynn M. Bartlett, state superintendent of public instruction, announced the 1965-66 scholarship winners.

Receiving scholarships from NHS are Earl Cherna, 18435 Beck road; Nancy Bosak, 34000 Nine Mile; Susan Reinackel, 315 East Cady; Lawrence Hurlburt, 24441 Willow Lane; and Susanne Harris, 16490 Homer road.

Awards cannot exceed tuition and fees for an academic year and are renewable upon annual application and maintenance of a "C" average.

The average award is \$372 with a high of \$800.

## Northville Township Minutes

A regular meeting of the Northville Township Board was called to order by Supervisor Merriam on Tuesday, May 4, 1965, at 8:05 p.m.

Members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, James H. Tellam and Wilson D. Tyler.

Consultants: Mr. Edward Draugelis and Mr. John Ashton, Twp. Attorneys.

Visitors: Wm. McAllister, Cass Hoffman, Frank Arlen, Joseph Firilli, Eugene Guido, Mrs. Robert Arlen, Leon Bonner and Bill Sliger of the Northville Record.

No corrections or questions, the minutes of the regular meeting of April 6, 1965 and Special meeting of April 14, 1965, were accepted as written.

Treasurer's report for April 1965 was read and accepted. Trustee Tyler suggested that the treasurer's report be given the board members in written form. Allowed.

The following were reviewed: Office receipts for April 1965 \$1,237.75; Water & Sewer Commission receipts for April 65 \$2,127.01; Township bills payable \$8,405.90; Water & Sewer Commission bills payable \$4,621.85.

Tellam moved, supported by Tyler, that all bills be paid. Ayes: All. Motion carried.

Building Inspector's report for April 1965 was reviewed. No questions.

The Planning Commission minutes of April 20, 1965 and Appeal Board Minutes of April 8 and 19, 1965, were accepted.

Correspondence:

1. Letters written by Supervisor Merriam to Wayne County Sheriff and Michigan State Police regarding juvenile disturbances, reply from Wayne County Sheriff

was read by Clerk. Discussion followed.

2. Letter from Attorney Draugelis regarding payment of Sanitary Land Fill billing from City of Northville was read by clerk.

Discussion followed with Attorney Draugelis suggesting that a delegated committee from the township board go before the city council and ask for a hearing on this subject.

Tyler asked for reconsideration of Township bills payable. Granted.

Tyler moved, supported Tellam, that Order #7260 for payment of sanitary land fill to City of Northville, be excluded. Ayes: All. Motion carried.

Supervisor Merriam advised the board that Mr. Wm. McAllister was attending the meeting and wished to appear before them regarding a building permit for a swimming pool.

Supervisor Merriam explained the situation further, stating that the swimming pool company had dug the hole and put in the reinforcing steel for the pool without obtaining a building permit. That the Detroit Edison wires were overhead within a foot of the pool which was not allowed by the BOCA Building Code or Northville Township's Swimming Pool Ordinance and the building inspector had refused to issue a building permit for the pool because of the violation.

Mr. McAllister advised the board that the Detroit Edison company was willing to move the wires to the east, placing them on side arms so that they would be six or seven feet away from the poles, and that the Swimming Pool Company was willing to pay the cost of same.

After considerable discussion by all concerned and advice from Attorney Draugelis, Trustee Tellam moved with regard to Mr. McAllister's building permit for the completion of the erection of a swimming pool. That a building permit be issued subject however to the removal of the overhead Edison wires as far east as possible from the present location as soon as practicable. Enforcement of this provision shall be made by the Building Inspector and upon the applicants failure to timely comply with this requirement, all construction shall be stopped. Trustee Tyler supported. Ayes: All. Motion carried.

Old Business:

1. The board was informed that the Water & Sewer Commission had met on Monday, May 3, and approved the agreement between the township and Dr. Gizynski on the Seven Mile road sewer, that Dr. Gizynski and Attorney Little were satisfied with the agreement as written and it was now up for the board's approval.

After due consideration, Tellam moved, that the Northville Township Board enter into agree-

ment with Dr. Gizynski to construct a sewer main on the south side of Seven Mile road as described in the agreement. Lawrence supported. Ayes: All. Motion carried.

2. Young moved that the recommendation of the Township Planning Commission be accepted and the township board adopt Zoning Ordinance Amendment #1-M Apartment Houses and Multiple Dwelling Requirements. Tellam supported. Ayes: All. Motion carried.

3. Tellam moved the adoption of Zoning Ordinance Amendment #1-N rezoning the Campbell property on Northville road from M-1 to R-4, that rezoning to take immediate effect. Tyler supported. Ayes: All. Motion carried.

4. Library Advisory Commission appointments. Tyler moved the appointments of Marjorie Sliger, Frances Mattison and Elsie Price to the Northville Library Advisory Commission. Lawrence supported. Ayes: All. Motion carried.

5. Board of Review Appointments (3)

After discussion, Tellam moved, supported by Tyler, the appointment of the following members to the board of review: David Dodge - one year April 1, 1965-March 31, 1966.

M. C. Gussell - two year April 1, 1965-March 31, 1967.

Donald Robinson - three year April 1, 1965-March 31, 1968.

Ayes: All. Motion carried.

6. Trustee Tyler advised that he had acquired a great deal of information on different copying machines but he had been out of town and had not had time to make a study of it as yet and would like to report at the June meeting. Allowed.

7. Trustee Tellam discussed his written report on development of the Gerald Avenue property - The action that had been

taken - advised that there would be a meeting of the committee at any time he was needed.

8. Charter township.

Attorney Draugelis furnished the board members with copies of his opinion on the advantages and disadvantages of Charter Township Government. This information was discussed at some length.

He also read letter which he had written to Representative Marvin Stempfen asking for an attorney general's advisory opinion as to whether Northville Township has the requisite population to expend its Board of Trustees to seven members. He explained that while Northville township's 1960 census showed 7,563 - 3,177 are listed as "householders" and 4,386 "inmates of institutions" and he wished to have the attorney general's opinion on the matter.

Referring to the 1965 Annual Meeting minutes, discussion followed regarding the date for the reconvening of the Annual Meeting.

Tellam moved that the Annual Meeting be reconvened on the evening of June 1st, 1965, at 8:00 p.m. at the Community building, if the building would be available. Lawrence supported. Ayes: All. Motion carried.

New Business:

1. Planning Commission appointment tabled until regular board meeting June 1, 1965.

2. Attorney Draugelis reported to the board at some length on the Powers and Responsibilities of the Zoning Board of Appeals and recommended definite changes be made in the Township Zoning Ordinance.

No further business, Tellam moved to adjourn. Meeting adjourned at 10:30 p.m.

## Ford Commends Area Residents

Three area residents were honored last Tuesday by their employer - The Ford Motor Co. - for service to their communities.

Awards were presented at a dinner May 4 at the central office building in Dearborn. Some 148 Ford employees were cited, representing 41 Michigan communities.

"Good Citizen Awards" were given to Robert A. Korthas of Wixom, Mrs. Carl Stephens of Northville and Thomas R. Stockton of South Lyon.

Korthas, who works at the Wixom assembly plant, is a

volunteer fireman and policeman in Wixom. He resides at 1426 Nightingale.

Employed at the Dearborn engine facility, Mrs. Stephens of 46084 Norton has been active in citizens groups and youth programs in Northville.

Stockton has given his spare time to service groups in South Lyon. He is on the engineering and research staff at Ford and lives at 7581 Angle road.

## Attend Seminar

Police from two local departments attended a conference for three days this week in Lansing. Novi Police Chief Lee BeGole and Corporal Richard Faulkner and Officer Phil Young of Northville were in the state capitol Monday, Tuesday and Wednesday for a seminar on juvenile delinquency.

Faulkner is the juvenile officer in Novi.

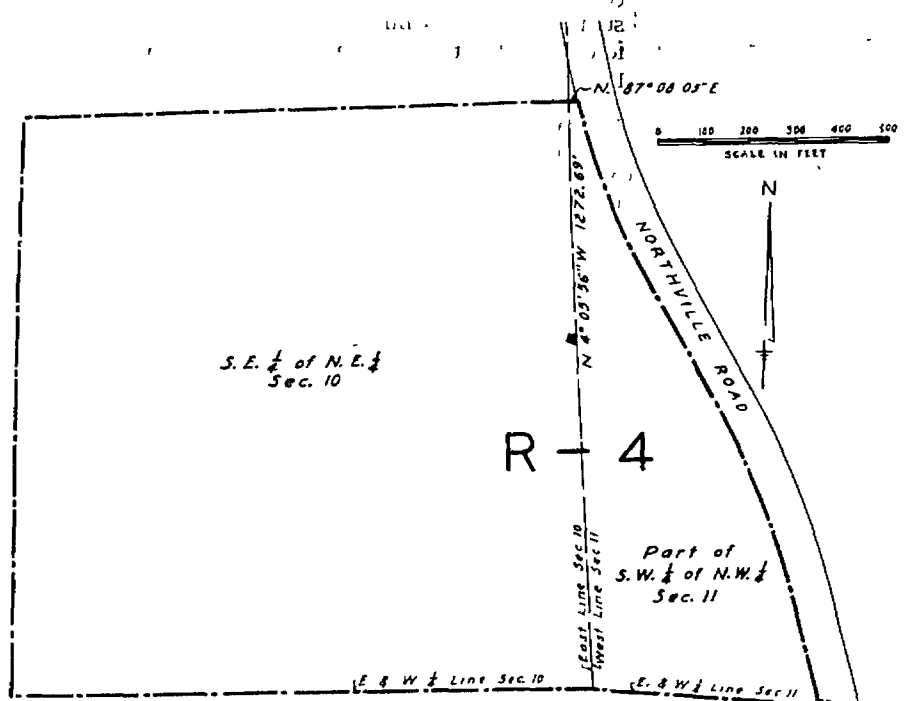

## Church Joins Northville Realty

Latest addition to the Northville Realty staff, 160 East Main, is Harold Church.

Church and George Clark, owner of Northville Realty, recently sold out their respective insurance businesses to Kenneth Rafter, who conducts his business out of the Clark building.

Church will now sell real estate for Northville Realty along with Clark and L. M. Eaton and Stanley Johnston.

Northville Township Clerk

All exterior yards shall be equal to at least thirty (30) feet. Parking shall not cover more than thirty (30) percent of the area of any required yard, or any minimum distance between buildings. The formula regulating the required minimum distance between two buildings in all R-4 Districts is as follows:

$$S = \frac{LA + LB + 2(HA + HB)}{6}$$

S-Required minimum horizontal distance between any wall of building A or any wall of building B or the vertical prolongation of either.

LA-Total Length of building A. The total length of building A is the length of that portion or portions of a wall or walls of building A from which, when viewed directly from above, lines drawn perpendicular to building A will intersect any wall of building B.

LB - Total length of building B. The total length of building B is the length of that portion or portions of a wall or walls of building B from which, when viewed directly from above, lines drawn perpendicular to building B will intersect any wall of building A.

HA- Height of building A. The height of building A at any given level is the height above natural grade level of any portion or portions of a wall or walls along the length of building A. Natural grade level shall be the mean level of the ground immediately adjoining the portion or portions of the wall or walls along the total length of the building.

HB-Height of building B. The height of building B at any given level is the height above natural grade level of any portion or portions of a wall or walls along the length of building B. Natural grade level shall be the mean level of the ground immediately adjoining the portion or portions of the wall or walls along the total length of the building.

# W - O Baseball Title At Stake this Week

Despite the fact that their five game winning streak was snapped the past week, the Northville Mustangs are still in contention in the Wayne-Oakland conference baseball race.

Sporting a 6-3 record, Coach Bob Kucher's charges are tied for second place in the league, just one-half game behind leading Milford, which has a 6-2 slate.

The next two games will tell the tale. Today Northville hosts Bloomfield, a team that edged the Mustangs 8-6, in extra innings on the strength of a home-run clout.

And Saturday the Mustangs will take to the road in a return engagement with Milford. Northville won the first one, 11-5, to pin the first defeat on the favorites.

Northville's five-game winning streak was snapped in the most painful way possible last Thursday. Brighton won, 7-6.

Ahead 6-3 with two out and two on in the seventh and last frame, the local nine blew it.

Steve Evans, who had struck out 10 Bulldogs and walked only three, fielded a slow roller, slipped on the damp turf, and threw wild to first base.

Two runners scored and the batter moved around to third base. The next pitch went wild and the runner scored from third to tie the game at six-all and send it into extra innings.

In the ninth frame, the first Bulldog walked. He advanced to third on two successive ground balls. Then he tallied on a short fly down the leftfield line that dropped right on the chalk marker for a single.

Five of Brighton's first six runs were scored without benefit of a hit as Northville committed five errors.

Third Baseman John Mach paced the hitting with two for four, including a double. Evans stroked a solo home run in the third inning.

Mike Grant, who relieved Evans in the eighth, took the loss.

A five-run sixth inning was all Northville needed Monday night at Clarenceville as the Mustangs posted their sixth win in league play, 5-2.

Pitcher Jerry Imsland sparked the mound as he wiffed 12 Trojans and walked only two in going all the way.

It was a tight defensive struggle with Clarenceville taking a one-run lead in the second on two walks, a bunt single and a ground out.

With Northville's Dave Boerger supplying the big blow, a three-run circuit smash, Northville pushed across its five big runs in the sixth.

Mike Turnbull walked leading off. Chuck Boerger bunted and was safe on a poor throw to first. Swiss, attempting to bunt, got a walk. Imsland then grounded to

the pitcher who forced the runner at home.

But Bob Tuck's hard grounder skidded through the second baseman to score two runners and to set the stage for Dave Boerger.

Clarenceville picked up its last run in the bottom half of the same inning on a wrong-field triple and

a single.

In a practice session held Saturday, Northville suffered a serious setback. Mach reinjured a bad knee. He will have to undergo surgery within the next few weeks, Kucher reported, to mend torn ligaments. He will be out for the remainder of the season.

Victory was especially sweet for Northville last Thursday.

The Mustangs took on undefeated Milford, last year's Wayne-Oakland Conference champion, and beat the Redskins on their home course, 153-156.

What's more, Coach Al Jones' red hot golfers set a new school

mark that breaks the previous total, 154, set only two weeks ago.

It's not the score alone that is so astounding, it's the manner in which Northville beat Milford. Just one stroke ahead approaching the last green, the pressure was on Northville's two Jims - St. Germain and Bertoni.

Both had tough shots approximately 60 feet from the ninth hole. Both came through in the clutch, Bertoni putting to within a few inches of the cup and St. Germain matching Bertoni's effort with a chip shot.

St. Germain led the field with a 35. Scores of teammates backing him up were Bertoni, a 38, and Ted Bunker and Rick Talbot, 40's.

Adrian Campbell paced the Redskins with a 37, followed by Brent Morgan's 38, Pete Castle's 39 and Mike Darrow's 42.

The competition was even rougher in Saturday's four-school meet at the Burroughs Country Club.

Okemos with a 391 team total for 18 holes walked off with honors. Northville came through with a 318, followed by Mason's 324 and Brighton's 335.

Medalist honors went to an Okemos prepster who shot a 72. He

was followed closely by St. Germain, who carded a 74.

Other Northville scorers were Bertoni with a 77, Bunker with an 81 and Talbot with an 86. Fifth man, whose 89 did not figure in the local team tally, was Bob Regenhart.

Brighton was Northville's opponent once again Monday at the Meadowbrook Country Club, and the Bulldogs gave the Mustangs a battle before succumbing, 161-170.

St. Germain posted a 36, Talbot a 40, Bertoni a 42 and Mike Hohenle a 43.

## 'Jim - Dandy' Golfers Hand Milford 1st Loss

## First Call for Rec Ball

The curtain hasn't really been raised on the Northville Recreation department's summer program, but there's some behind-the-scenes action going on.

Workouts for prospective Class F baseball league participants (13 and under) are being

held Saturday's 9-12 a.m. at the big field in Cass Benton Park, according to Director Ken Conley.

That includes Knothole baseball enthusiasts, Conley said.

Within the next few weeks, further announcements will be made.

## JV's Win In Romp

The Northville Jayvees exploded here Monday against Clarenceville, scoring 18 runs on 14 hits and 10 stolen bases.

Clarenceville salvaged only four runs and those after Coach Dino Soussanis had cleared the bench.

Bill Skelly turned in a stellar performance on the mound,

allowing only five hits and two walks in five and one-third scoreless innings.

Skelly sparked his own cause by pounding out two hits to drive in four runs. Bob Hubbard paced the Northville attack with three hits, including a double.

Ted Budek and Bill Sliger had two hits apiece.

CONSISTENT WINNERS—Mainstays of the Mustang net squad are these three singles players: No. 1—Jim Long; No. 2—Norbert Parent; No. 3—Larry Thibos.

## Mustangs Host Bloomfield

## Net Giants Clash Today

The cards are falling right for the Northville netmen, and they're ready to play their trumps today in their race for the Wayne-Oakland Conference title.

There'll be no tomorrow after today for Coach Dick Norton's charges. They are scheduled to take on visiting Bloomfield Hills at the Cass Benton courts.

The winner will probably walk off with the loop crown, because both squads are tied for first with 8-1 records. In their only previous meeting, Northville upended strong Bloomfield, 3-2, on the road.

But as Norton points out, having the home court in tennis doesn't count that much, except

maybe as a psychological factor. "We'll definitely have to play as strong, if not a stronger game than we did before," he warned.

"They'll be up for us, and there won't be the element of surprise."

Northville came up with a surprisingly simple, 5-0, victory Thursday over contending Clarkston.

Departure of four Wolves, who were away on a senior trip, made the going easy. Missing were the number one and two singles men and the number one doubles team.

They were instrumental in Clarkston's 3-2 upset of Northville in the first encounter. The fray had shaped up as a real battle.

Northville's Jim Long pounced on his opponent, Steve McGill, disposing of him, 6-3, 6-0.

Norbert Parent and Larry Thibos, playing in the number two and three singles spots, followed suit. Parent won over Jack Sanson, 6-1, 6-4, while Thibos romped over Mike Dougherty, 6-0, 6-3.

In the doubles also Northville proved invincible. The combination of Dave Kerr-Steve Quay walloped Kim Beattie-Tom Bul-

land, 6-4, 6-1.

Although extended, Bob Langtry and Randy Calliguri pushed by Mel Green-Brian Gallo, 7-5, 5-7, 6-8.

In an extra match Randy Burnett topped Bill Bullard, 6-1, 6-2.

Since Clarenceville is in a rebuilding year, the Trojans presented little problem for the Mustangs Monday here. Northville won handily, 4-1.

To give his reserves some game experience, Norton pitted them against Clarenceville's first liners.

Thibos dumped Gary Hasley, 6-0, 6-3; Calliguri beat John Head, 6-1, 6-0. Only setback suffered by the Mustangs was Quay's 6-4, 7-5 loss to Riley Saylor.

The duo of Jim Hill-Randy Burnett waltzed by Doug Rood-Gordon Schmidt, 6-1, 6-3, and the combo of Bill Hart-Ron McCollum eased by Russ Ulrey-Richard Stern, 6-3, 6-2.

Cliff Smith and Jim Lundstrom dropped Bernie Kent and Neil Feilander, 6-3, 6-0, in the only added attraction.

## Injuries Cripple Thinclads

Northville's fight song is turning into a lament for the local thinclads - and there's ample reason.

Four injuries to key personnel have taken their toll of the trackmen's already thin ranks. For every meet only 19 healthy prepsters suit up.

Compared to turnouts in other conference schools with talent, such as Bloomfield Hills, Milford and Holly, that's far below par.

Coaches Roy Herald and Ralph Redmond, however, are optimistic about the handful of boys still out. "They're a hard working bunch," Herald proclaimed, "and all have shown considerable improvement since the beginning of the year."

Here's how the injuries stack up.

Sophomore Jack Crawford, a long jumper, sprint and 880-yard team man, is out for the season with pulled ligaments.

Pat Jones, a sprinter and hurdler, is also out for the remainder of the season with a fractured right elbow.

Jim Trotter, another dash and 880 relay man, is out as a result of injuries suffered recently in a motorcycle accident.

And Dave Cook, a hurdler and mile relay man, is crippled with an eye injury, serious enough to cancel his chances this year.

## Police Investigate Park Stabbing

State police today are continuing their investigation of the stabbing of a Detroit youth in Cass-Benton park Saturday night.

Eugene Carolan, 18, of Detroit is recovering from a stab wound in his left side at Mt. Carmel hospital. Police described his condition as good.

State Police Detective Cal Lapine is handling the investigation but said he has few leads to follow. He indicated that some Northville youths "may be involved" but didn't elaborate.

Lapine said that the incident apparently happened about midnight. Carolan and his friends, who had arrived at the park around 10 p.m., heard commotion on a nearby hill.

"The next thing Carolan knew," Lapine related, "a crowd came down the hill and he was stabbed."

Another companion, Harold Shaw, 19, also of Detroit, was injured. He was treated for a laceration on his head at the hospital and released.

Lapine theorized that maybe three groups took part in the stabbing. "Others apparently

were injured and roughed up but we haven't heard about it," he said.

Another obstacle in solving the case, Lapine said, is that neither Carolan or Shaw are "over-cooperative." No detailed descriptions of their assailants have been made or are they willing to discuss who their companions were.

Lapine said that the stabbing occurred somewhere near the first entrance to the park on Northville road, south of seven mile.

## 'Foodlifters' Raid 2 Cars

"Lock your cars after shopping."

This is the warning issued by Northville Police Chief Eugene King after two larcenies from autos were reported in the city Friday.

In both cases bags of groceries were pilfered. Mrs. Wilfred Cogar of 6800 Five Mile told police that about \$20 worth of food were stolen from her car parked behind the D & C store.

The groceries were in the back seat of her car when she returned they were missing, the police said.

In the second incident, Mrs. Tommy Parton of 19851 Smock avenue said that some of her groceries were taken from out of a pick-up truck parked in the Kroger lot.

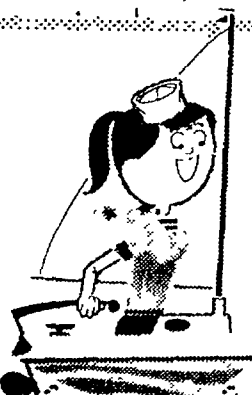

Michigan was the first state to establish roadside picnic tables.

## To Receive Confirmants

Confirmation Sunday will be observed May 16 at the First Methodist church at the 11:00 a.m. service.

Twenty young people who have been receiving instructions on the Junior Catechism of the Methodist Church will be questioned by pastor S. D. Kinde and then upon confession of their Christian faith they will be received into the church.

Those to be confirmed are Nancy Jean Ambler, Michael Allen Beard, Linda Kay Beller, Lois Ann Bolton, Todd William Butt, Beverly Jean Forsyth, Melody Jan McClendon, Margaret Rose Lepper, Gary Lee Newby, Patricia Diane Newby, Ronald Keith Newby, Dale Richard North, Dale Andrew Orphan, James Henry Penn, John Patrick Charles Pinder, Amy Denise Phillips, Carol Sue Terry, Kris Marie Terry, Betty Jo Terry and Jane Frances Stubenvoll.

## Girl Lucky

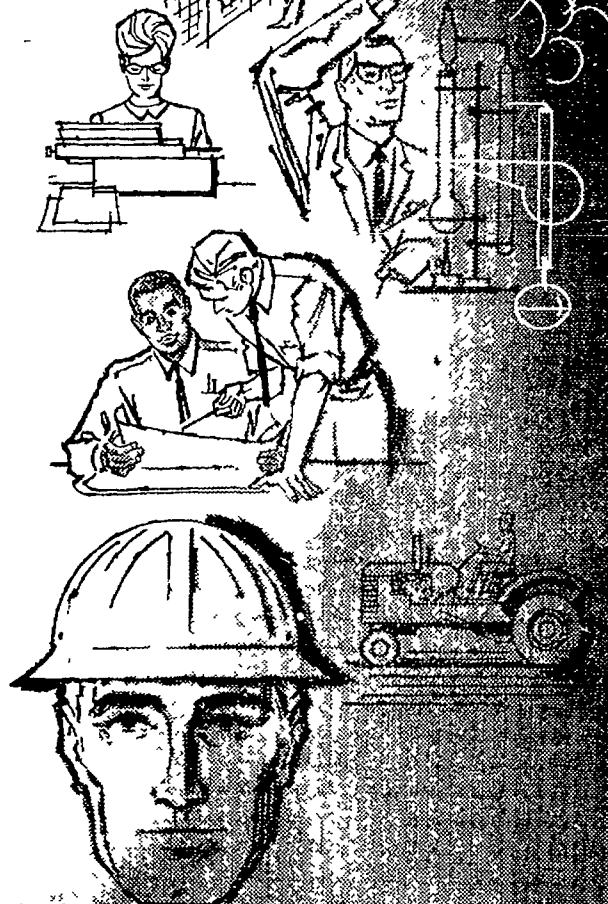

Charlotte Johnson, a nine-year-old Northville girl, was not seriously injured Monday morning when she ran in front of a car on Northville road. The Wayne county sheriff report said that Edwin Buyer of 901 Carrington couldn't stop his auto when she darted out onto the street. Charlotte was taken to St. Mary hospital, treated for lacerations and released.

# Michigan: Dynamic, Friendly ★ ★ ★ Ranking 'Nation'

By Governor George Romney

Michigan is dynamic in world progress! The days of isolationism in the American Midwest are long past. Our people, with as much energy and initiative as any in the world, are vigorously aware of being an important part of an interdependent world.

The St. Lawrence Seaway, for example, affords direct service between Michigan ports and every other deep-water port in the world - with over 700 vessels a year passing through the Seaway.

In 1963, Michigan's gross state product totalled over \$26 billion, an amount exceeded by the gross national product of only 10 countries. In that year Michigan exported \$1.36 billion worth of goods and imported more than a billion dollars worth. Our principal exports, of course, are transportation equipment, over a half billion dollars worth, and our second largest export is machine tools, nearly \$300 million in 1963.

But our most important resource is our human resource - we have great people. Studies have shown our workers to be among the most productive in the world. We have been blessed with many responsible leaders in all fields of endeavor as well as innumerable active, concerned citizens. We can also point with pride to the contributions Michigan people have made and are making in communities around the world - helping other people to help themselves.

Stretch your imagination and think of Michigan as an independent nation.

In terms of gross national product, our "nation" would rank 11th richest among the countries of the world.

Michigan's gross product totalled a whopping \$26.1 billion in 1963, the Michigan Economic Expansion Department has determined.

Only 10 nations, including the United States, rank ahead of Michigan. The others are West Germany, United Kingdom, France, Japan, Canada, India, Italy, China and Russia.

Only six other states have incomes greater than Michigan. They are New York, California, Illinois, Pennsylvania, Ohio and Texas.

To further the analogy, Michigan's income is approximately two-thirds of that of the entire continent of Africa, equal to about one-half of all of South America; and two-thirds of all the Scandinavian nations.

With 5% of U.S. industrial establishment and a gross state product that on a combined dollar and percentage basis may be the fastest growing in the U.S., Michigan indeed plays a vital role in world progress.

**WORLD TRADE**

In 1963 Michigan exports of all commodities reached \$1.36 billion. Michigan ranked 5th in the value of all exports at the same time that it stood 6th in total manufacturing production.

Michigan consumes approximately \$1.075 billion worth of imports each year, ranging from raw material to the finest consumer goods.

## World Calling

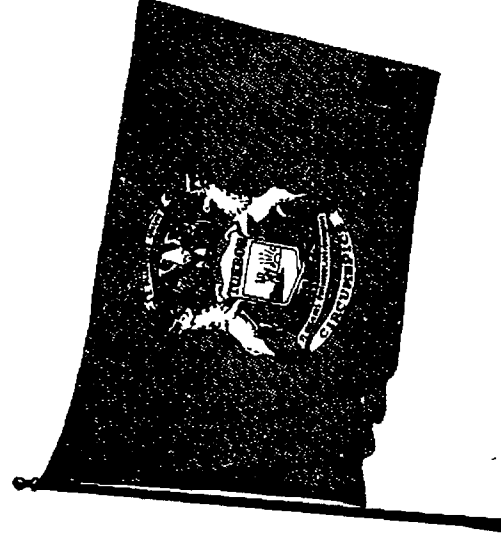

Since the opening of the St. Lawrence Seaway in 1959, cities in Michigan have become regular ports of call for overseas vessels.

Port facilities are located at Detroit, Bay City-Saginaw, Port Huron, Muskegon and South Haven.

All told, some 1,082 foreign ships docked in Michigan in 1964.

In 1963, approximately \$28 million worth of goods were shipped from Michigan ports.

## Long-Flying Emblem

LET IT WAVE—Area residents are encouraged to fly the state flag during Michigan Week and on other special holidays throughout the year.

Governor Mason on one side, while the opposite side carried the state's coat-of-arms, a soldier and a lady.

A new design for the flag was adopted in 1865 when Michigan soldiers in blue returned from Civil War battlefields.

On one side of the new banner was the Michigan coat-of-arms, while the reverse side bore the coat-of-arms of the U.S.

This emblem was first displayed on July 4, 1865, during dedication of the cornerstone of the soldiers' monument on the site of the National Cemetery, site of the battle of Gettysburg.

In 1911 the flag was altered.

Like the state constitution, the flag of Michigan has undergone many changes since it fluttered for the first time over 125 years ago.

The banner - which will be flown during Michigan Week (May 16-22) - came into being in the early days of statehood.

It was on Washington's birthday, February 22, 1837, that Stevens T. Mason - Michigan's first governor - presented the flag to the first company of uniformed militia in the state's history.

The presentation took place in Detroit, then the capital city. This first banner depicted

When soap or detergent and water spill and dry on a wood floor, alkaline reaction occurs. This causes dark spots.

To remove discoloration, take off the wax with naphtha. Then wash area with vinegar, keeping it on spots three or four minutes. Wipe dry with clean cloth. Repeat if necessary. Rinse with clear water and re wax.

NORTHVILLE

One of the quick returns to human normalcy, after the pump of Palm Sunday and the homage of Easter, is found in the third resurrection experience of Jesus' revealed presence to the disciples.

Following an early breakfast of fish and bread, after a night of sea-fishing, Jesus engages Peter in a pointed conversation concerning Peter's feeling toward Jesus.

Three times Jesus asks, "Peter, do you love me?" Three times Peter replies, "You know I love you." And three times, Jesus remonstrates, "Feed my sheep!"

The inference is quite clear, "You say you love, fine! However, if you do, do something for others for Me—not to Me!" Then, Peter, noticing the presence of the beloved disciple, asks Jesus, "What of this man?" to this Jesus replied, "What is this to you? Follow me." What a direct way of saying, "What John does in terms of this service - relationship with Me is none of your business, Peter. See to it that you do what is your expected responsibility!"

In a day when people are increasingly reluctant to become actively involved in the issues of our day, this comment of Jesus to Peter becomes both a rebuke and a challenge.

How many people are inclined, as was Peter, to base their inactivity in the worth while things in life purely upon the basis of the involvement or lack of involvement of other people in these common responsibilities. For some, it has become not only a matter of "Let George do it," but, also, "I will not do anything about it unless John does."

It forever remains a mystery as to how someone so close to the resurrection experience could so quickly revert to the altogether too human disposition of dealing with the whole matter of Christian service upon the basis of comparativism.

One would want to think that sheer gratitude for the reality of the resurrection would prompt one to give his best and his all for Christ, no matter what anyone else did. Jesus' counsel to Peter can

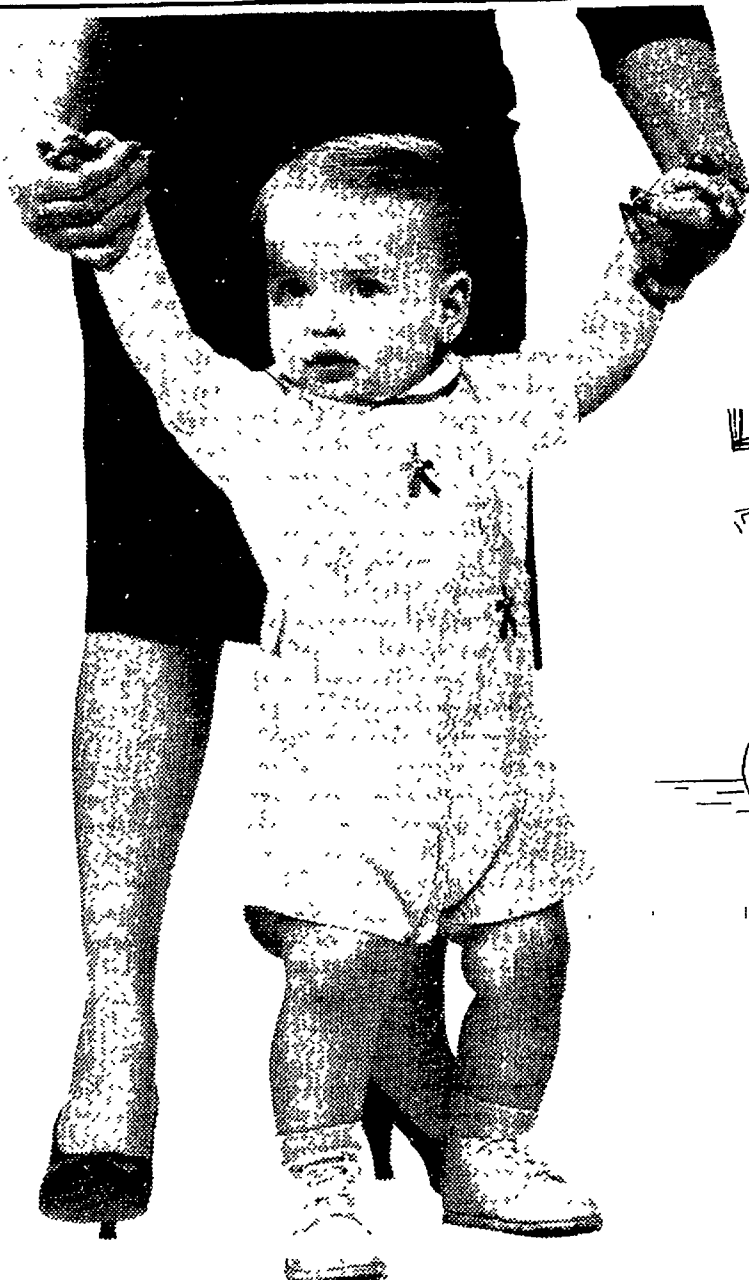

well serve to challenge the conscientious Christian to honor his personal responsibility under God - and stop worrying about what other people are doing or not doing!

In every community there are problems - problems of illiteracy, both secular and religious, problems of delinquency, both adult and youth, problems of community compatibility, both vicinity and village.

If these problems are to be resolved, somebody is going to

to have to do something to try to resolve them. Not to do anything is to court continued demoralization and social decay. To withhold one's service because others do not serve is to shirk one's moral responsibility under God!

Before all the inspiration of Easter rubs off of your life, why not find an area of service in your community where you can invest your abilities in helping to better the life around you? If done in the proper spirit of "Service in love," you will find it a rewarding experience!

LITTLE

WHAT  
PATH?

The future holds the secret, and it's anyone's guess! He may be a great statesman some day . . . or maybe a world-renowned athlete or actor . . . or perhaps a scientist . . . but most likely, just Mr. Average.

Of course, a lot will depend on his opportunities, his God-given talents, his character, and his training.

Anything could go wrong along the way - poor health, bad examples set by his parents and associates, a broken home, neglect, and false values. But why make a list? The possibilities for this child's failure in life are so numerous that it makes us shudder - and the worst of it, we can guarantee him nothing. But we can give him hope and faith.

Standing ready and anxious to help him is the Church and the precepts which it teaches. It is our duty and our privilege to help spread the spiritual principles of Christian living in practice as well as in word so that the youth of our nation will find some meaning to the path of life which so strangely twists and turns toward some hoped-for goal.

# Every 'Litter Bit' Costs Taxpayers \$750,000

LANSING — Social change is a major cause for the estimated \$750,000 bill Michigan taxpayers meet each year just for picking up litter, according to a national study.

The Institute for Motivational Research recently confirmed previous indications that thoughtlessness and carelessness were the chief reasons people threw litter in public places.

"Apparently the complex social trends of our modern world have tended to sever the individual's relationship to his community and thus reduce his sense of social responsibility and civic pride," the study says.

Simply stated, the Institute reported that the litterer who wouldn't think of dropping his cigarette pack on his living room floor could be expected to discard it unnoticed in a public building.

Much of the cost of pickup is

on the highways. State Highway Department officials estimate it costs an average of 32 cents to pick up a single litter item.

Cleanup campaigns in communities across the state properly center the burden of responsibility on each individual. Yearly statewide cleanup costs would indicate a need for these special campaigns to last 12 months rather than just a few days or a week.

Little relief has been gained to date from Michigan's anti-litter law, touted as one of the best of its kind in the nation, although a stepped up enforcement program is under way.

As Gov. George Romney said in a proclamation for Michigan's special cleanup week this year, "it is absolutely essential for every citizen, regardless of where one lives or how busy one is, to exercise a relentless concern and personal responsibility

to keep trash of any kind off our public and private thoroughfares and lands."

There is one year-round private statewide effort being conducted to rid Michigan of litter problems. Working in cooperation with the State Chamber of Commerce, Keep Michigan Beautiful Inc., has as its goal "to make Michigan the best groomed state in the nation."

To achieve this worthy goal, the organization is soliciting and must have the support of all government agencies, industries and individuals.

\*\*\*\*\*

Talk about a unified budget request for higher education seemed just so much malarkey when spokesmen for the various institutions went before the legislative appropriations committees this year.

Previously hope was voiced by some spokesmen that a single

budget request could be planned for next year. When this year's hearings went down to the wire it was the same old story, however.

The story, so familiar because of its annual retelling, goes, "Once upon a time in years back, and today, and tomorrow and next year we have been, are and always will be the worst."

Each institution has its reasons why it should get the lion's share of the higher education budget pie.

Spokesmen for one institution say it needs more money because of its extensive graduate program. Others need a big share of the funds because of the growing area demand for education facilities.

Still a third provides some specialty field of training which demands special consideration, and another demands attention

simply because its administrators feel they are not getting their fair share.

At the continuing rate of rivalry between the several state supported colleges, it would appear there is little hope of any future agreement on a unified budget request for higher education.

College officials are not alone in presenting the "I like me best and you should too," attitude to the legislature, however.

Every agency administrator in state government brings in a similar plea when the budget hearings are held annually. This year, legislators will hear this twice, but the colleges will be left out of the second round.

Once the budget is settled upon hearings are anticipated on the government reorganization proposals. In these the fighting is likely to become even more bitter since administrative sur-

vival will be at stake.

In budget hearings, agency heads know they will get some portion of their request. Government reorganization will result in the absorption of some agencies and possible abolition of others.

Proof of effective service likely will become a key tool in arguing for self-preservation in the organization shuffle. It also looms largely as a big vs. little fight.

Each agency head will want to remain at or near the top of the bureaucratic hierarchy.

Chiefs of smaller units, such as the banking department, will have an uphill battle trying to convince the legislators they have what it would take, for example, to assimilate the insurance department, municipal finance commission and other agencies which might be lumped into a single department.

SELF ANALYSIS QUIZ

## Do You Know The Shortcuts To Charm And Happiness?

By Jane Sherrod Singer

Arlene Francis is considered to be the epitome of charm. Known for her capacity for work in show business, civic and charity movements, her statements are as sound for men as for women: "You, as a person, already have charm, although you may not be aware of it. It's your own, very special charm; no one else can duplicate it exactly. . . . You can get at it only by releasing yourself . . . from the tenacles of fear, unjustified guilt, tension, self-pity, self-centeredness and a dozen other nuisances." With this in mind, and based on her pointers, try the following:

- |  | YES | NO  |
|--|-----|-----|
| 1. Do you plan your coming day the night before?   | ( ) | ( ) |
| 2. Do you force (if necessary) yourself to get into a happy mood when you get up in the morning?                 | ( ) | ( ) |
| 3. Are you usually well-groomed?   | ( ) | ( ) |
| 4. Do you sometimes do something nice and unexpectedly for someone else . . . just for the pleasure of doing it? | ( ) | ( ) |
| 5. Do you have a hobby?  | ( ) | ( ) |
| 6. Do you have (or are you working on) a sense of humor?   | ( ) | ( ) |
| 7. Can you organize your work efficiently?   | ( ) | ( ) |
| 8. Are you a good listener?  | ( ) | ( ) |
| 9. Do you brood about past mistakes?   | ( ) | ( ) |
| 10. Are there many things you are timid about?   | ( ) | ( ) |
| 11. Are there a number of people whom you dislike heartily?  | ( ) | ( ) |
| 12. Do you daily try to improve your environment?  | ( ) | ( ) |
| 13. Do you take at least fifteen minutes a day to read something worthwhile?                                     | ( ) | ( ) |
| 14. Can you lose yourself easily in the problems or activities of others?  | ( ) | ( ) |
| 15. Do you often feel burdened by fears and/or guilt?  | ( ) | ( ) |
| 16. Do you have faith in a Higher Power?   | ( ) | ( ) |

ARLENE FRANCIS SAYS:

- Yes: Plan your day the night before. Then you will avoid the frustrations of having a dozen tasks pile up on you at the same time.
- Yes: Those first few moments can set your mood for the whole day.
- Yes: Being well-groomed will give you a feeling of poise and well-being.
- Yes: This is rewarding and furthermore fun for you.
- Yes: An interest will keep your mind out of its everyday rut. Become a specialist on whatever subject interests you.
- Yes: Resolve to control your temper and learn to laugh at your own mistakes.
- Yes: Divide your tasks into small units and tackle them one at a time. Take one chore you've been putting off and resolve to clean it up today.
- Yes: Concentrate on what the other person is saying.
- No: Put aside the small fears that drain your energies and vitality. Get your mind off yourself and on to something else.
- No: Do one thing you've been too timid to do in the past.
- No: If there are people you dislike, force yourself to wish him well.
- Yes: Do one thing each day to make your home more attractive for yourself and your family.
- Yes: And we said WORTHWHILE. A longer period is also recommended whenever possible.
- Yes: Stop thinking about yourself and get absorbed in the affairs of others.
- No: Examine your fears and guilts and try to find out how many of them are imaginary. Then you can get rid of them for good.
- Yes: Do have faith in a Higher Power.

## Nation Faces Water Crisis

BABSON PARK, Mass. — Purification of salt and brackish water has been much in the news in recent years, but few people appear to realize that this is one of the most important projects now under way in this country. It is not exploration for the sake of science — like sending a man to the moon — but a true necessity for the future of our country.

Let's take a look at our water needs. Every establishment of any sort requires water, usually for a variety of purposes and often in substantial amounts. At the beginning of this century, the United States consumed only about 40 billion gallons a day for all purposes. Today, the daily water requirement stands at about 359 billion gallons; and the growing population, industrial, and agricultural totals give some idea of how quickly utilization will increase in coming years.

By the year 2000 — and that is only 35 short years ahead — it is estimated that water needs will have reached an astronomical 880 billion gallons a day. This projection is all the more startling when it is realized that conventional fresh water sources throughout the nation are capable of supplying only 515 billion gallons daily. Based on these figures, prospects are that in 35 years we will need 365 billion gallons a day more than our conventional sources will be able to provide. To put it another way, by the year 2000 our shortage of natural fresh water will be greater than today's total usage. This poses a mammoth problem for our nation.

It is clear that our natural supplies must be augmented as swiftly as possible, or the situation will be dire. Scientists have for a long time been working on desalting ocean and brackish water. In 1952 Congress set up the Office of Saline Water for the purpose of coordinating and extending research in that field. Recently President Johnson recommended doubling the appropriation for this office, and called

for a real breakthrough in the cost of desalting sea water to make it economically feasible.

Much progress has been made in terms of desalting expense; in fact, in 1952 it cost \$4-\$5 per thousand gallons and today it costs only about \$1. The point is, however, that desalted water

at \$1 is still far from competing with the 30¢ or 40¢ paid by most communities for the currently available fresh water. But there are indications that distillation expenditures can eventually be greatly reduced by combining a desalting operation with a nuclear power plant turning out steam

for turbines simultaneously. Some atomic laboratory scientists believe that such a plant could put out fresh water for 26¢ per thousand gallons, and that within perhaps 15 years the tab for fresh-water production could be reduced to 15¢.

There are, actually, many desalting units being used, not only in this country but in overseas areas that are badly in need of water. But most of these units are relatively restricted in output, and may be considered "transition" distillers and sterilizers to meet temporary needs. Later on, it is expected that large-scale nuclear plants will be constructed, turning out enough fresh water at sufficiently reasonable prices to permit use even for agriculture.

Only obstacle to a dramatic revolution in the world's conversion of bad water into good is the expense of processing. And today it looks as if our scientific leadership may be on the threshold of a significant breakthrough. With our grain barns filled to overflowing by produce "in loan," such an advance may seem like "carrying coals to Newcastle." But scientists tell us that not many years will pass before even the U.S. will be scraping the barrel for sustenance.

# MINUTES OF THE NORTHVILLE BOARD OF EDUCATION

Northville Board of Education Minutes--April 19, 1965

I. The meeting was called to order by President James F. Kipfer at 7:30 p.m. in the Board of Education Offices.

Present: Mr. Kipfer, Messrs. Wilfred C. Becker, Eugene K. Cook, William B. Crump, Robert H. Shafer, Elmer O. Weber and Edward F. Angove. Absent: None.

Others Present: Superintendent R. H. Amerman; Assistant Superintendent K. M. MacLeod; Director of Administrative Services E. V. Ellison; Principals H. B. Smith, R. Spear, D. Van Ingen, L. Quay and F. Stefanski. Mr. William Secord, Mr. Clyde Vadner, Mrs. Robert Yoder and several others of the Citizens Advisory Planning Group.

II. The minutes of the meetings of March 8, March 22, April 5 and April 12, 1965 had been prepared and mailed to the Board, and there were two corrections noted. It was moved by Mr. Shafer that all four sets of minutes be approved with the two corrections indicated. Mr. Crump supported this motion, which was carried.

## III. Communications:

1. An acknowledgement from Miss Panatoni and her family for flowers sent by the Board of Education on the occasion of her mother's death.

2. Schoolcraft College-- announcement that a vacancy exists for the position of trustee-at-large.

3. G. Michael Abbott, Chairman of Curriculum Committee of the Citizens Advisory Planning Group, advising that his Committee has finished its work, for the present.

4. Salary Committee for Northville Teachers Club, requesting they be placed on the agenda of the next Board of Education meeting April 28 to discuss their request for fringe benefits.

5. Michigan Department of Public Instruction, advising that this district has been approved for the collection of tuition for school year 1965-66.

6. North Central Association of Colleges and Secondary Schools, advising that Northville High School has received their approval for school year 1964-65.

7. Main Street School P.T.A. pledge of financial support in passing the coming bond issue.

8. Junior High School P.T.A. also a pledge of financial support of the bond issue.

IV. Report of Superintendent

1. Teacher Dismissal and Retention on Probation--Mr. Amerman reported that the administration would recommend retention of one teacher on a third year of probation and dismissal of one other, after one year of employment. It was moved by Mr. Crump that no contract be offered to the teacher recommended for dismissal. The motion was seconded by Mr. Becker and carried. It was moved by Mr. Shafer and supported by Mr. Crump that the other teacher referred to be placed on a third year of probation and the Tenure Commission so notified. Motion carried.

2. Teacher Vacancies--Dr. MacLeod reported a total of 18 vacancies to be filled, consisting of 6 at the Main Street Elementary School, 2 at the Amerman Elementary School, 4 in the Junior High School and 5 in the High School, and one Special Education Teacher. There is a possibility of another resignation in the Junior High School, one in the High School, and there may be one or two others. Dr. MacLeod reported that placement offices at all the colleges in the area have been visited and both he and the administrators are in the process of interviewing candidates to fill these positions. They hope to have some recommendations for the Board by April 26, 1965.

3. Released Time--Mr. Amerman advised the Board that it is possible that not all of the three afternoons of released time authorized by him for the purpose of allowing the Educational Specifications Committee to do their work, will be needed.

4. Salary Schedule Revision--Mr. Amerman presented two changes in the wording of the Self-Improvement Salary Schedule, for Board approval. It was moved by Mr. Crump and supported by Mr. Angove that these changes be adopted. Motion carried.

5. 1954 Bond Issue--It was announced by Mr. Amerman that the final payment having been made on this bond issue, it is necessary for the Board to pass a resolution cancelling the mill-

age on this bond issue and for the secretary to sign an affidavit to this effect. It was accordingly moved by Mr. Shafer, and supported by Mr. Angove, that the secretary of this board be and hereby is directed to file with the Municipal Financial Commission a copy of this resolution and an affidavit on cancellation of the March 1, 1954 School Building Bonds, and that the Millage increase of five and one-half (5 1/2) mills for the years 1954-1973, both inclusive, authorized by the electors on January 19, 1954, for the 1954 Debt Retirement Fund, is no longer in effect inasmuch as these bonds have been retired and paid in full.

This resolution was adopted unanimously.

6. Noon-Duty--Mr. Amerman has received a request from the teachers that they be relieved of all noon hour duty beginning with the next school year. Board engaged in some preliminary discussion of this request and will give it further study before making a decision.

7. Blue Cross Premiums--The teachers have also requested that the Board of Education begin next year to pay the Michigan Hospital Service Insurance premium for all employees (self-alone, not families). This request was meeting.

8. Election--Mr. Amerman reviewed for the board the steps involved in the election and the timetable leading up to it, and also discussed briefly the duties of the Board of Canvassers.

## V. Report of Secretary:

Mr. Cook reported the following monies received in March, 1965:

## VI. Report of Treasurer:

Mr. Angove reported cash balances in the General Fund, Debt Retirement Funds and Stadium Funds at March 31, 1965 as follows:

|   |                     |
|---|---------------------|
| General Fund                                    | \$324,737.16        |
| Debt Retirement Fund                            | 6,550.63            |
| 1957 Debt Retirement Fund - Series A, 26,505.43 |                     |
| 1957 Debt Retirement Fund - Series B, 96,324.57 |                     |
| 1957 Debt Retirement Fund - Series C, 316.44    |                     |
| Stadium Receiving Fund                          | 3,606.75            |
| Stadium Operation & Maintenance Fund            | 392.99              |
| Stadium Bond & Interest Fund                    | 3,239.40            |
| Stadium Replacement Fund                        | 600.00              |
| <b>Total</b>                                    | <b>\$435,463.34</b> |

It was moved by Mr. Cook and supported by Mr. Becker that the report of the Treasurer be accepted. Motion carried.

## VII. Reports of Special Committees:

1. Citizens Advisory Planning Group--Publicity Committee--Mr. Secord and Mr. Vadner gave the Board a demonstration of the presentation they have prepared to be given before various local groups to publicize the bond issue. The Board commended Mr. Secord and Mr. Vadner most highly for their work on this program. Mr. Amerman also indicated that Mr. Wall of the Wayne County Intermediate School District may be able to assist us to some extent with this bond issue publicity.

## VIII. Report of Auditing Committee:

A report of bills payable at this Board meeting had been previously sent to each member of the Board by mail, as follows: General Bills, \$15,264.65; Cafeteria bills, \$6,293.07; Payrolls, \$83,206.86. It was moved by Mr. Weber and seconded by Mr. Cook that the bills and payrolls be paid as presented.

## IX. Unfinished Business

1. School Sites--Mr. Littell discussed possible sites again with the Board and it was moved by Mr. Cook that the school attorney be requested to enter into preliminary negotiations with Thompson--Brown concerning an option to purchase roughly property bounded on the west by Taft road and on the north by the entrance to Northville Heights and on the east and south by proposed property lines (high school athletic field). This motion was supported by Mr. Weber and carried.

2. Some interest was shown in a piece of property at Nine Mile and Taft Roads, and it was moved by Mr. Crump that Mr. Littell be authorized to begin negotiation for a 10 acre site in this area. After discussion it was decided to refer this possible site to the Citizen's Site

Committee and Mr. Crump withdrew his motion.

3. Tax Limitation--Mr. Ellison and Mr. Amerman have an appointment for this Friday, April 23, with Mr. Louis Schimmel of the Municipal Advisory Commission and Mr. Champney of Wayne County Bureau of Taxation. It was decided not to make a decision about this millage until after this meeting.

4. Northwest Child Guidance Clinic--This matter was discussed again and it was decided that a letter should be written to the Clinic outlining some of these problems before more money is appropriated.

5. Gate in Fence--There was some further discussion regarding the proposed gate in the fence on the Amerman School north boundary, and it was moved by Mr. Shafer that the board's commitment of April 4, 1965 be rescinded because to date it appears that we cannot properly draw a regular, and acceptable

agreement between ourselves and a private party in matters of this instance. This motion was supported by Mr. Weber and carried.

6. Wording of Bond Issue for Ballot--Mr. Ellison reviewed the wording of the bond issue proposal for the ballot, as it had been prepared by the school bonding attorney, F. M. Thrun. Several changes were suggested by the Board members and Mr. Ellison is to prepare copies of the new wording.

7. School District Annexation--The school board of Salem School District No. 1 Fr. has approached Superintendent Amerman with a request that their district be annexed to Northville. The Board discussed this but felt that it would be unrealistic for Wash-Oak school to be annexed to this district, for various reasons. Mr. Amerman was instructed to discuss this matter with Mr. Julius Haab, superintendent of Washtenaw County Intermediate

School District, and to notify the Wash-Oak school board that this district is not really interested in annexing their district.

8. Rates for Auditorium--Mr. Ellison, as previously requested by the Board, had reviewed the rates charged for the auditorium, and has produced the following revision to the previous schedule, for use by the Northville Players Guild and/or similar activities of other local organizations:

Present Policy for Performances: (1) \$8.00 per hour for actual use; (2) \$6.00 per evening for clean-up costs and activities.

Revised Rehearsal Costs Policy: (1) \$1.00 per hour for heat, light, etc. during scenery construction and rehearsals. (2) \$3.00 per hour for scenery construction and rehearsals when custodian not ordinarily in building; (3) \$1.50 per hour for light-board operator.

The minimum hourly charge for scenery construction and rehearsals will be \$1.00 per hour. The maximum hourly charge could be as much as \$5.00 for such activities.

It was moved by Mr. Crump that this revised rating schedule be adopted. Mr. Angove seconded the motion which was carried.

## X. New Business

1. Senate Bill No. 108--Mr. Kipfer expressed concern that this bill, which provides that public schools shall provide special services to non-public schools, is likely to pass the legislature. He felt it is important that the Board express itself on this matter and it was moved by Mr. Cook that a letter be written to our representatives stating the Board's opposition to this bill, and that copies of this letter be sent to our senators and the governor and to the Wayne County School Board Association. Mr. Weber seconded the motion and it was carried.

XI. Adjournment: The meeting was adjourned at 11:40 p.m.

## NEWS FROM WILLOWBROOK

Marion Berry 474-7470

Mr. and Mrs. Richard Smith of Willowbrook Drive spent Mother's Day with his mother and father, Mr. and Mrs. Roy F. Smith, Bloomfield Village.

A new arrival to Willowbrook is little Nancy Elizabeth Sparta, daughter of Mr. and Mrs. Bernie Sparta of Ten Mile road. She weighed 6 lbs. 13 oz. and was born at St. Mary's Hospital in Livonia on the 29th of April. Nancy has a little sister, Susan Lynn. Grandparents are: Mrs. Ruth Sparta, Farwell; Mrs. Hazel Abbott, Clare.

St. Joseph Church, Cleveland, Ohio, will be the setting for the wedding of Claudia Davey, daughter of Mr. and Mrs. Stephen Davey of West Ten Mile road and Joseph Quinlan. The ceremony will be on Saturday, May 15. Marvline, Stephen, and children are going up for the weekend to attend the ceremony.

Laurie Kay Smith, daughter of Mr. and Mrs. Russell Smith of McMahon Circle, celebrated her third birthday with her family and grandmother, Mrs. Joseph Samuel, May 7. After the birthday the family and guest attended the Novi School Fair.

Mr. and Mrs. Russell Smith celebrated Mother's Day by having Bev's mother, Mrs. Joseph Samuel for dinner. Other guests will be her brothers and their families: Mr. and Mrs. Daniel Samuel; Mr. and Mrs. Robert Samuel.

Mr. and Mrs. Errol Myers were guests of Mr. and Mrs. Raymond Brown of Detroit, Sunday, May 2. They were dinner guests and spent the day with the Browns.

Happy Birthday wishes to Stanley Wishaw on his 54th birthday, May 8th and to Billy Greene of Hollydale on his 8th birthday, May 11th. Billy is the lucky boy, getting a guitar for his birthday and first communion combined.

Mr. and Mrs. S. R. Winn of Pembroke, Ontario are here staying with Reverend and Mrs. John Winn and family. Mr. Winn recently had a heart attack and he is here to recuperate.

The children of Willowbrook receiving their first Holy Communion at Our Lady of Victory Church, Northville on Saturday, May 8th at 12:00 noon were: Kathleen Uciniski; Paul Carlson; Michael Laub; Peggy McKeon; Carolyn George; Edward Jacques; Donald Rairigh; Martha O'Neal; Grace Hood; Karen Primeau; Paul Dery; Beth Chismark; Patricia Byrd; Cheryl Pohlman; Mary Kay Parent and Robin Sales.

Mr. and Mrs. Edwin Dery of Maude Lea Circle had a buffet dinner for friends and relatives to celebrate for their son, Paul, Veronica's sister, Mrs. Cloniger and children from Detroit stayed over Sunday with the Dery family.

Mary Kay Parent, daughter of Mr. and Mrs. Jack Parent of West LeBost, was honored on this happy occasion by an open house. Friends and relatives attended.

Mrs. Leon Blackburn of East LeBost has been elected President of the Farmington Town Club. Audrey will take office May 15th at the President's luncheon held at Rotunda Inn, Orchard Lake.

Mr. and Mrs. John Berry and family of McMahon Circle took Marion's Aunt, Celeste McAuley to the Canopy, Brighton, for dinner on Mother's Day. Mrs. McAuley is a senior citizen and resides at Carmel Hall, Detroit, Hall, Detroit.

Recently the women of Kendallwood Farms, Farmington, held a card-party benefit for the Plymouth State Home at Our Lady of Sorrows, Farmington. Some of the ladies from Willowbrook and their friends who attended were: Linda Greshing; Pat Rowley, Delores Jennings; Joan Anderson of Echo Valley; Irene McCormick of Northville, formerly of Willowbrook; Nancy Milliken; Beverly Smith; Marilyn Davey; Glenna Grant; Margo Stewart from Farmington; Ruth Ginter and Clare Wilcox, both from Walled Lake.

Mrs. Earl Barnes of Mooringside was the lucky winner of two tickets to Topinkas Restaurant. The merchants of the Farmington Plaza had a drawing and gave away forty, dinner-for-two tickets. Virginia was shopping at the Modern Men's Store and left her name there. She says it is the first thing she ever won.

Tuesday Pinochle met at Ruth Promo's home in Birmingham (formerly of Willowbrook). Guest players were Gayle Smelt of Ten Mile road, and Irene Blysh.

Mary Jo Fritz took first prize; Aileen Carter, second; Irene Blysh, third; and Agnes James, Ruth's sister from Walled Lake, took consolation.

Mr. and Mrs. James McCormick of Northville, formerly of Willowbrook, were the hosts of the Duplicate Bridge group which met Saturday, May 8th. Mr. and Mrs. Fritz Greshing of Malott Drive were guest players. Bill Reiss and Chuck Crudgington won first, Ken Milliken and Irene McCormick won second.

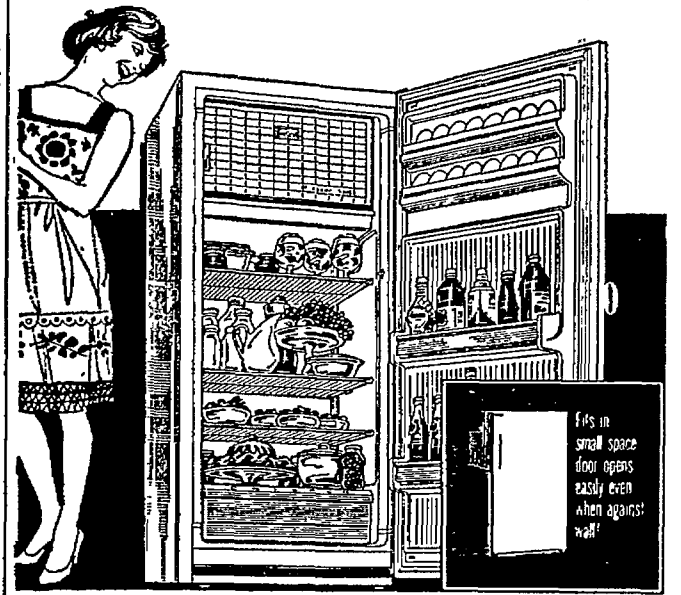

Mr. and Mrs. Lloyd George of Malott Drive had open house for friends and relatives for their daughter, Carolyn.

Billy Greene's mother and father, Mr. and Mrs. Joseph Greene of Hollydale and his grandparents, Mr. and Mrs. H.L. Holmes of Farmington went to the Black Whale in Northville for dinner after the ceremony.

# Hootenanny Reset For Monday Night

The high school hootenanny, previously scheduled for April 1, will be held Monday, May 17. Student folk singers will entertain from 8 to 10 p.m. Tickets can be purchased that night at the high school gym. The songs will range from additional tunes, such as "500 Miles" and "Lemon Tree", to pop music.

Student talent includes 42 singers, pianists, guitarists and bong players.

Proceeds from the hootenanny will go toward two scholarships.

Michigan's Upper Peninsula, with its 16,538 square miles of land area, is equal in size to the combined areas of Connecticut, Delaware, Massachusetts, and Rhode Island.

## Baptist Youths Attending Rally

The Junior High and Senior High Youth of the First Baptist Church of Wixom will, along with more than 2,000 other young people, pastors, and youth sponsors, attend the Fifth Annual Conservative Baptist Youth Rally, Saturday, May 15, in Lansing. The theme for the rally will be: "Training Teens for Tomorrow's Tests."

Principal speaker for the event which will get underway at 9:30 a.m. will be Reverend Warren Wiersby, pastor of the Calvary Baptist Church of Covington, Kentucky. Mr. Wiersby is known for his monthly column "Listening Post," in the Christian Periodical, Moody Monthly. He has also written many books both for teens and adults and is well known as a youth speaker.

Also on the program will be Bill Pearce, well-known radio and recording artist from Chicago. Mr. Pearce has produced a large number of long play records and has appeared in several gospel films.

The rally will include 15 workshops for teens. Any youth interested in attending may call the Reverend Robert Warren, Market 4-3823.

## From Out Of The Past

One Year Ago.....

What happened to Northville's dogs?

The mystery of the missing dogs is puzzling both to City Clerk, Martha Milne and township clerk Marguerite Young. Only 29 township dogs and 42 city dogs are licensed. Last year the city issued nearly 300 licenses.

Open house dedication and the cornerstone laying ceremonies for Northville's new city hall will be conducted Thursday, May 21, in conjunction with Michigan Week celebration.

Northville high school senior, Sally Mallette, won the winning poster proclaiming the "May Fair" theme for the May 22 P.T.A. carnival.

Carol Werdehoff, 18 year-old daughter of Mr. and Mrs. Albert Carrington, was awarded a four year scholarship by Chrysler Corporation.

The Northville Jaycees swung a mean bat to win the second game in succession of the season Monday night. The Jaycees beat South Lyon, 6-4.

Five Years Ago.....

Mayor A. M. Allen brought his "poppy" a week early from the "Tiniest" tiny tot of the Lloyd Green Post of the American Legion Junior Auxiliary. The tot was Suzan Ann Wright, daughter of post commander, Howard Wright.

Cecil Cupp of the village of Hartford will take over Monday, May 5, as chief executive of the City of Northville, during Michigan Week's Mayors exchange.

Action to establish a committee to improve Northville business district was taken Tuesday evening at the monthly meeting of the Retail Merchant's Association.

Mrs. Hurd Clark became president of the Northville branch of the Woman's National Farm and Garden Association.

Karl H. Wursching, 120 North Center street was recently initiated into a Kappa Delta Pi honorary society of Western Michigan University in Kalamazoo.

15 Years Ago.....

Opening night attendance records topped at Northville Downs when a total of 9,261 fans jammed the oval Monday night for the start of the 54 day harness racing meet.

Ebbon C. "Cap" Smith of New Hudson, a well known auctioneer, drowned Friday night in a private lake on the William Ford farm near Brighton.

Dr. Alfred McClung Lee, formerly of 164 Cady street, has resigned from the Wayne University staff.

Mr. and Mrs. John Ledford, well-known residents of Novi and Lyon townships, will celebrate their golden wedding anniversary next Sunday.

Reverend Harold F. Fredsell of the First Presbyterian church, has written a book—"The History of the Presbyterian church in Michigan". It will be published by the Ann Arbor Press.

Finals for the grade school marble tournament were conducted Friday on the playground by Wilson Funk, director of village recreation.
