

We Show Off Northville to Davison Guests

MICHIGAN WEEK received its biggest emphasis locally on Monday as the city played host to Mayor and Mrs. James F. Smith and Councilman and Mrs. Loren Bissonnette of Davison. The day started with flag-raising ceremonies at the city hall with Mayor Smith pitching in and raising the flag. At a brief city council

meeting the visiting mayor was given a key to the city by Mayor Pro Tem John Canterbury, while Clerk Martha Milne and Councilman Bissonnette looked on. The party then moved to a combined Rotary - Northville Service club dinner meeting. Councilwoman Beatrice Carlson acted as the city's official host. Dr. L. W.

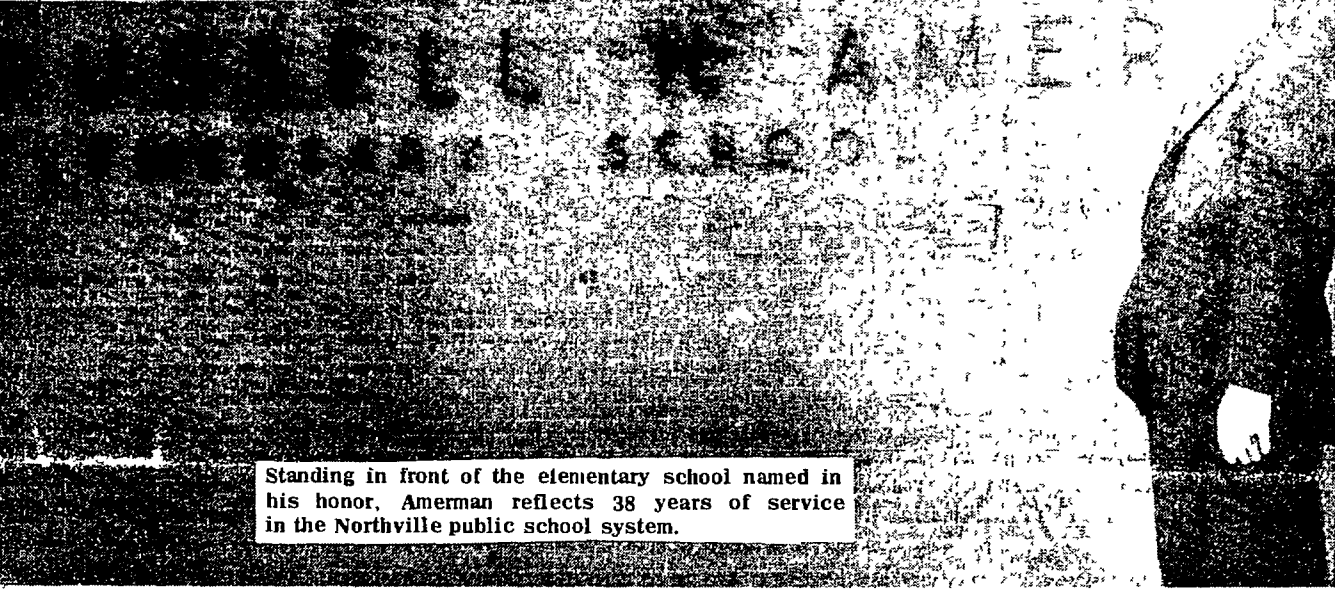

Snow served as master of ceremonies for the sponsoring Chamber of Commerce. And A. R. Clarke, president of Rotary, issued greetings from club members. Entertainment was provided by Antoinette Alexander and Glenn Deibert, high school students, who gave humorous readings. The party then moved to Northville

Downs (above center). Pictured (l. to r.) are Dr. Snow, Downs Manager John Carlo, Mayor and Mrs. Smith, Councilman and Mrs. Bissonnette, Councilman Del Black and City Manager Bruce Potthoff. The tour also included visits to Northville State Hospital, Haller division of Federal-Mogul, the new post office and scout building.

Pay Tribute To Amerman On Tuesday

Russell H. Amerman may find it difficult to follow his own advice next Tuesday evening. After 38 years in the Northville public school system and 32 years as chief administrator, he recently offered this bit of philosophy for life: "Keep all things in perspective". Tuesday evening at the Northville high school gymnasium friends, fellow administrators, board members, teachers and students from past years and present will gather to pay tribute to Northville's superintendent at the Russell H. Amerman Retirement Dinner. It seems likely that many deserved honors will be heaped upon the likeable superintendent. He bids farewell to the Northville system at the conclusion of the current school year in June. He came to Northville in September, 1927 to teach science and serve as the high school principal. In 1933 he became superintendent of the system, succeeding Thad J. Knapp, who died in office. Amerman has seen the system grow from 800 to 2,400 students, from 21 to over 100 teachers, from a budget of \$75,000 to one of over \$1,000,000 and from a district valued at \$2 1/2 million to one with an assessed valuation of \$30. Tuesday's program will begin with dinner at 6:30 p.m. General chairman is Nelson C. Schrader, a former board of education president. Master of ceremonies will be Orlow Owen. Invocation will be given by the Reverend S. D. Kinde of the First Methodist church, while dinner music will be provided by the Northville high school stage band. Following choral selections by the combined elementary choirs and the senior high school all girl choral group, there will be introduction of honored guests. Board President James Kipper will speak for the present school board, while Terry LaRue, class of 1964, will call the roll of alumni. Then there'll be time for reflection by old friends, staff members and employees of the school system and former boards of education. The program is scheduled to conclude in two hours with words

Standing in front of the elementary school named in his honor, Amerman reflects 38 years of service in the Northville public school system.

City Budget Boosts Pay Of Employees

A record \$587,287 budget won council approval Monday and is scheduled for public hearing on June 7. The proposed 1965-66 budget holds the tax-rate line at 12.5 mills, but increased assessed valuation coupled with surplus from last year's budget and increasing pari-mutuel revenues from Northville Downs boosts the new budget more than \$175,000 over last year's budget of \$409,000. Most significant increases are in employee salaries and the public improvement program. The council took its boldest step in the adoption of a new salary schedule for all employees. Following closely recommendations of a special study made of the local city salary scale made by the Michigan Municipal League, the council upgraded nearly all beginning salary levels, brought positions into better balanced relationship and established definite advancement levels at six months, one, two, four and five year service marks. Total cost of the new salary schedule to the city this year is \$2,492. Another \$1,000 was added to the salary expense by increasing the yearly retainer to the city attorney from \$3,800 to \$4,200 and giving the fire chief an additional \$600 for a total payment of \$1,000 for his services as head of the department. Increases will be received by members of the administrative staff - city clerk, bookkeeper, etc. - public works employees and police officers. Under the new schedule the city clerk's position has a pay range from \$5,512 to \$6,240; bookkeeper, \$4,303 to \$4,875; clerk II, \$3,809 to \$4,407; clerk I, \$3,536 to \$4,199; public works foreman, \$2.65 per hour to \$2.92; mechanic, \$2.52 to \$2.78; equipment operator, \$2.34 to \$2.59; and laborer, \$2.23 to \$2.46; patrolmen from a beginning salary of \$5,642 to a top of \$6,552. Police hours are based on a 48-hour week. Beginning salaries for public works superintendent and chief of police are \$7,228. Presently, the superintendent of public works receives \$7,787 and the chief of police \$7,592. No definite schedule levels are set for these positions. In adopting the new schedule Councilman John Canterbury voiced the feeling of the council. "We know it's a rather bold move. But in light of the recent

study revealing that our salaries were out-of-line with competition and in fairness to our employees, we believe that this new schedule is proper." The council noted that the new schedule should give the city "satisfied" employees and encourage improvement. A whopping \$187,778 public improvement program is anticipated for 1965-66 under the new budget. In addition to some \$58,000 in street repairs already underway, the council plans the purchase of one, and perhaps two, properties on East Dunlap street, totalling some \$30,000.

The major street improvement now being considered is Randolph, which is now being engineered. It would require paving, curbs, gutter and storm sewer plus a new bridge. This project would cost nearly \$80,000. The city's local assessed valuation, upon which the 12.5 mills is levied, totals \$12,498,450 this year, an increase of about \$460,000. The new budget anticipates ever-increasing track revenues, estimated for this summer and next year's spring meet at \$170,000. Here's a summary of the proposed general fund budget for 1965-66:

New Meters For Parkers

The purchase of 107 new parking meters was approved Monday night by the city council. The new meters will replace all those now on the streets in the city's business district. Bids were waived for the purchase when, after examination of other models, the council determined that Duncan mechanical models were preferable. The city presently has nine bronze-colored Duncan meters in operation and City Manager Bruce Potthoff said they had performed well with little maintenance. The new meters are priced at \$49.50 each, including servicing. They will be paid from revenues on the basis of 50 percent of the meter returns per month. In addition to the new bronze meters, the council ordered a dozen red-colored models for 15-minute parking stations. Installation is expected within a month.

CBD Controversy

City councilmen and planning commissioners are having difficulty seeing eye-to-eye on how to proceed with the proposed central business district portion of the community's master plan. Tuesday night Planning Chairman George Zerbel asked the city council to give the central business district (CBD) plan "approval in principle." The council was hesitant and finally delayed any action until it can hear more from Consultant Ralph Stephenson, hired by the council to determine feasibility of the plan. Stephenson gave the council a progress report May 5. He endorsed the proposal and urged council backing and formation of study committees. "We're at the point where we have approved the CBD as part of our master plan. The circle drive, some closed streets for pedestrian shoppers, we believe to be paramount to creating a good shopping facility. We think it's the best plan, but flexible and subject to change. Now we need some indication from the council, some reassurance," said Zerbel. Councilman John Canterbury had a different view. His remarks seemed to win support of Councilmen Fred Kester and Del

Black, but Mayor A. M. Allen was more inclined to give the planners encouragement. "I'm not ready to adopt any plan until I know the cost and means of financing," said Canterbury. He said he was not unsympathetic to the planners' proposal, but was under the impression that Stephenson had not given the council all the data it had bargained for. Zerbel emphasized that council approval did not constitute a commitment to the plan. He admitted under questioning by Councilman Black that it would give planners authority to guide placement of

new construction within the CBD area and avoid creation of buildings upon proposed drives or parking areas. Canterbury was not ready to turn over studies to citizens' committees for information which he believed should come from the consultant. Black proposed bringing in businessmen for more conferences. But the council concluded it should learn more from the consultant first. Mayor Allen sided with Zerbel. "The voters elected us to provide some leadership. If you're going to wait for the merchants to lead the way, we'll never get the job done," Mayor Allen commented. He said the planners had spent much time, had made good progress on a plan and deserved council support. Canterbury, Kester and Black still held out for more information. Councilwoman Beatrice Carlson has been strong supporter of the planning commission, but made little comment Tuesday evening. It was finally decided that the council would meet again with Stephenson before proceeding further.

Both Mrs. C. C. Winter, blood bank chairman, and Co-Chairman Mrs. Beatrice Carlson emphasized the need this week for new donors. "Many of our old standbys are unable to give for one reason or another and we need more volunteers," Mrs. Carlson emphasized. Mr. Solgat reported this week that he has more than enough donors to replenish that used for his wife. He said that he had enough volunteers to provide some 25 pints. Mrs. Solgat had to undergo surgery to eliminate a closing of the heart valve due to a calcium obstruction. She has now recovered and back on a near-normal routine. Chief King has also found donors to return the blood needed during his operations. Previously, Chief King had been one of the regular contributors to the blood bank. Persons who can give blood are asked to make reservations by calling Mrs. Winter or Mrs. Carlson at FI 9-2361 or FI 9-1330. Donors may come directly to the church without definite reservations but may have a short wait.

For Local Bank

Blood Donors Needed

At least two Northville residents will be doing their part tomorrow afternoon to help make the annual Red Cross blood bank a success. They are Mrs. Arthur Solgat, 540 Orchard drive, who needed 17 pints of blood last December when she underwent delicate

heart surgery, and Police Chief Eugene King, who was given 10 pints following gun shot wounds received last February from now - confessed bank robber, Warren Wright. The blood bank will be held from 2-5 p.m. and from 6-8 p.m. at the First Methodist church.

Elmer DeKay Dies at 57

Elmer E. DeKay, well-known Northville electrical contractor, died suddenly of a heart attack in his home, 431 Yerkes, Thursday, May 13. Funeral services were held Monday afternoon at the Ebert Funeral Home. Mr. DeKay, 57, had operated his own electrical contracting firm in Northville for the past 20 years. Previously, he had been employed by the Ford Motor Company. Born in Northville township on December 12, 1908, Mr. DeKay was a lifelong resident of the community. He was the son of Elmer F. and Susan Jane

Phillips DeKay. He is survived by his wife, Bessie Mae, and one daughter, Nola Mae Earehart, and two grandchildren. Mr. DeKay served the city for many years as chairman of the board of appeals. He was a past master of Northville Lodge No. 186, F & A.M., a member of Union Chapter No. 55 R.A.M., Northville Commandery No. 39, Knights Templars, and Orient Chapter No. 77, O.E.S. The Reverend Lloyd G. Brasure, pastor of the First Presbyterian church, officiated at services. Burial was at Rural Hill cemetery.

Post Office Move Set For May 28

Northville Postmaster John Steimel announced this week that May 28 has been set as the probable moving date into the new post office. The long Memorial day week end would provide time to complete the move so that operations could get underway in the new Wing at Cady street building on Tuesday, June 1, Steimel stated. Formal dedication ceremonies would follow within 30 days of moving, the postmaster said.

Council Considers Summer Manager

The possible employment of a "summer city manager" was being considered this week by the Northville city council as it prepared to review applications for the job soon to be vacated by Bruce Potthoff. The Northville city manager leaves his post on May 28 and takes over in the city of Berkley June 1. Officially, Monday was the final council meeting for Potthoff. But the council has called for a special work ses-

sion next Monday to clear up final budget details. City Councilman John Canterbury, who is heading up the search for a new manager, said the council now has 20 applications. But he doubted that interviews could be scheduled soon enough to reach any decision in the near future. Canterbury said the city may select an advance college student, studying municipal administration, for summer employment.

Expect Big Turnout At Novi Baptist Tea

The parsonage of the First Baptist Church of Novi has been bustling with activity as the women make the decorations for the annual spring tea, appropriately called "Candlelight and Roses". The tea will be held Friday night.

Over the weekend, the young people under the direction of Mrs. Paul E. Barnes, chairman, decorated "rose trees" to be used as background setting for the fashion show.

Another group, the models, will be wearing lovely outfits from Alice Rebecca Salon of Farmington. They are: Mrs. Robert Parrott, Mrs. John Norwood, Mrs.

Jack Carter, Mrs. Art Salter, Miss Linda Shupe, Miss Fay Qualls, Miss Georgine Boughner, and Miss Gay Bingham.

In addition to the fashion show, there will be a puppet show for the youngsters being arranged by Miss Mary MacDermid and Miss Joan Balet.

Dr. Ruth Strohschein, a medical doctor, will be the speaker of the evening. Mrs. Barnes commented, "We are anxious to hear Dr. Strohschein because she is well known as a speaker for many women's organizations, as well as for the college and university students."

Even the men of the church

are getting ready for the tea, because they will be serving the buffet luncheon. The waiters include: Ray Warren, Ken Roberts, Leo Lorenz, Wayne McClure, Pastor Paul E. Barnes, Art Salter, Lawrence Smith and several teenagers, Dick Story, Phil Presnell, Rich and Bob Lorenz.

The tea will be held at the Novi Junior High School, Eleven Mile and Taft road at 7:15 p.m. The public is cordially invited to attend. For reservations call Mrs. C. Stipp at MA 4-2708 or the parsonage at FI 9-3647.

BIRTHS

Mr. and Mrs. Thomas Mazanec of North Center street announce the birth of a son, Matthew Bruce, May 11 at St. Mary hospital. Matthew weighed eight pounds. The Mazanecs have another son, Gregory Thomas.

Mr. and Mrs. William S. Milne, III, Warren, announce the birth of an eight pound three ounce boy, Brian Scott, on Friday, May 14. The grandparents of Brian Scott are Mr. and Mrs. William Milne of West Dunlap street and Mrs. Freda Gale of West Eight Mile road.

A baby girl, Leslie Ann, was born to Mr. and Mrs. Robert Kucher of 43796 Park Grove court, Northville, at the University of Michigan Women's hospital May 10. Leslie weighed eight pounds, four ounces. The Kuchers have a son, Gary, 2.

Picnic to End Club's Season

A pot-luck picnic supper will climax the year's activities for the Northville Mothers' Club.

The supper will be held at the home of newly-elected president, Mrs. Carl Stephens, 46064 Norton, at 6:30 p.m. Monday.

Co-hostesses for the evening will be Mrs. Stuart Campbell, Mrs. C. A. Hoffman and Mrs. Walter Gall. Members are asked to bring a passing dish and table service.

Assisting Mrs. Stephens in her official capacities next year will be Mrs. Gordon Forrer, vice

president; Mrs. B. William Seccord, secretary, and Mrs. Donald Hannabarger, treasurer.

Art Festival

The Junior high festival of arts will open at 7:45 p.m. Thursday May 27, in the Junior High boy's gym with a musical concert under the direction of Robert Williams.

Teachers and students have been working on the festival with Mrs. Patricia Quhan and Ralph Redmond as coordinators.

Engaged

Mr. and Mrs. Bertus H. Wabeke of Washington, D.C. announce the engagement of their daughter, Elizabeth Henriette, to Dennis Gilbert, son of Mrs. Veto V. Pauls of Novi and the late Arthur W. Gilbert.

Miss Wabeke and her fiancé attended the University of Michigan.

An August wedding is planned.

Camera Club

The Northville Camera Club will meet at the Wayne County Training School Wednesday May 26, at 7:45 p.m.

Jaycettes Win 5 State Awards

Representing the local Jaycee auxiliary at the state convention in Grand Rapids, May 14-15, were Mrs. Orville Beemer, Mrs. Charles Ely, Mrs. Richard Norton and Mrs. Paul Sobal.

Northville Jaycettes ranked third in the auxiliary-of-the-year competition.

Five awards were received for other projects.

The local group placed second in community service and social

work and came in third for membership, assistance to Jaycees and money-making projects.

Saturday evening the Jaycettes will hold their installation dinner and local awards will be presented for attendance, the outstanding Jaycette and outstanding chairman for the year.

Lane Norton, Phyllis Ely, Ruth Macauley and Nancy Roberts have been officers for the past year.

News Around Northville

Mr. and Mrs. Richard Somers of 18900 Valencia road, have returned from a vacation through the southern states of Georgia, and Florida. The Somers' also included in their trip a visit for a few days with their son and his family, Captain and Mrs. Richard K. Somers of Valdosta, Georgia. Captain Somers is a flight instructor at Moody Air Force Base.

Mr. and Mrs. Ernest King from Niagara Falls, Canada, are house guests for the rest of May of Mr. and Mrs. William King

In Our Town

By Reva Shave

Guest Columnist for Jean Day, who is vacationing in Europe.

It's here! That week that we've been looking forward to for a whole year. The Metropolitan Opera Company comes to the Masonic Temple Monday. For one glorious week Opera lovers will be coming from all directions to hear their favorites.

When your In Our Town Columnist asked me to pinch hit for her for one week, I started to say "NO". Then she said the magic word "Opera", and I couldn't resist the opportunity to expound on my favorite subject.

Seven operas will be presented here this year in an exciting repertory designed to please both old and new opera patrons. Opening night is always a Grand Occasion. The red carpet is rolled out for Detroit Society—the women in their most fabulous gowns and their escorts in white tie, top hat and tails. The Detroit Symphony will, as in past seasons, be the beneficiary of opening

night donations. After hearing Menotti's "The Last Savage", many of the patrons and their guests will go on to the After-Opera Supper Dance at the Detroit Institute of Arts.

Tuesday night we will be hearing Verdi's "Aida" with Mary Curtis-Verna in the title role and Franco Corelli as Radames. The ballet in this new production caused a few raised eyebrows last year! Verdi Operas will be presented also on Wednesday and Thursday. "Otello", except for the role of Desdemona, which will be sung here by Renata Tebaldi, is the same cast that we heard at the Met in New York last fall. With Tebaldi, it will be even more thrilling! "Rigoletto" features Robert Merrill as Gilda, and Richard Tucker as the Duke Friday, Giulietta Simionato and Jon Vickers will be heard in Saint-Saens' "Samson and Delilah". On Saturday afternoon a wonderful cast including Renata Tebaldi will sing Puccini's "Tosca". The new production of Wagner's "Der Fliegende Holländer" will conclude this year's visit to Detroit.

It was in 1959 that the Detroit Grand Opera Association succeeded in persuading the Metropolitan Opera to include Detroit in their spring tour. That first season they were here for three days. Due to the continuing efforts of many people, each succeeding season has been more successful than the previous one. Adult classes in Opera have been conducted and panel discussions held. The Detroit Grand Opera Association with Oakland University, the University Center for Adult Education and the Detroit Public Library have presented an Overture to Opera series. This is a program of excerpts taken from Operas to be presented in Detroit and is under the direction of Dr. David Di Chiera of Oakland University. This year there were fifteen performances given in Detroit and suburban High Schools and it is a dream of mine that we may possibly have one of these presented in Northville some day.

A special plus for opera lovers is scheduled for Detroit this fall. The newly established National Company of the Metropolitan Opera will visit Detroit for performances of Bizet's "Carmen", Rossini's "Cinderella", Puccini's "Madame Butterfly", and Carlisle Floyd's "Susannah". There will be performances of these operas in English. The National Company is a repertory opera company which will perform in over seventy communities in order to nurture American and Canadian talent and contribute to the vitality and growth of opera throughout the United States and Canada. It is anticipated that the National Company will be welcomed to the Fisher Theatre from October 18 through the 23.

I expect to see many familiar faces next week at the Masonic Temple, but one that I'm sure to see at every performance is that of Harriette Patterson, our Elementary School music teacher. Harriette is the possessor of a beautiful soprano voice and has taken part in Opera Workshops both at Stevens College in Missouri and at the University of Michigan. She has sung with the Chautauqua Opera Company in New York and is presently studying with Harold Haugh at the University. Perhaps, one day she may be on the other side of those golden curtains! See you at the Opera!

CORNER

Northville Newcomers pose with the latest addition to the family—Robert Kucher, Gary, 2, Mrs. Kucher, and 10-day-old Leslie Ann.

"Now there are four" at the Robert Kucher residence at 49796 Park Grove court.

Kucher, baseball coach at Northville high school, and his wife, Marjorie, welcomed a new addition to the family, a girl, Leslie Ann, who was born in University of Michigan Women's hospital May 10. They also have a son Gary who is 2.

The Kuchers moved to Northville two months ago from Ann Arbor and are busy putting the finishing touches on their ranch home.

Both are former east side Detroit residents. They graduated from Denby high school, where they met, and then went to the University of Michigan where Kucher earned his letters in baseball and basketball and his wife received her degree in teaching.

She is a member of Alpha Delta Pi and he is affiliated with Sigma Alpha Epsilon.

Mrs. Kucher was a teacher in Brighton before starting her family. A geography teacher as well as baseball coach, Bob also coaches the freshmen basketball team.

"While there is little time for hobbies," replied Mrs. Kucher, "I do enjoy sports and am always available for a baseball or a hockey game."

To Perform In Festival

Dorothy Shipley, a pupil at St. Paul's Lutheran School in Northville, has been chosen to perform in the Lutheran Schools Music Festival Concert to be held at the Cass Tech High School Auditorium Friday at 7:45 p.m.

Dorothy just recently won a superior rating in piano solo competition at Evergreen Lutheran School in Detroit. Her winning solo, which she will also perform at the concert, was Mozart's "Sonata in C", first movement.

Dorothy has studied piano for four years under Mrs. Geraldine Mills of Northville.

The installation of officers of VFW post 4012 will be held at the VFW building on South Main street Friday at 7:30 p.m.

Warns Drivers

Northville Police Chief Eugene King has ordered a crack-down on speeders along the detour route in the city while Detroit water lines are being installed.

North Center street is closed so traffic is being diverted to nearby side streets. Grace street between Lake and Baseline has become somewhat of a drag strip.

King said that the police department has received many complaints in the two-block area about fast-moving cars.

"A few offenders have complained that we are getting rough but we are only interested in saving the lives of youngsters in the area," the chief said.

Radar will be used to clock motorists on the detour route, King said. The speed limit on residential streets, he stressed, is 25 miles-per-hour.

DAR Bridge

The "Round Robins" members of the Sarah Ann Cochrane chapter of DAR bridge players will wind-up the year with luncheon next month.

The luncheon will be held at the Meadowbrook country club June 10 at 12:30 p.m. Prizes will be awarded for the first and second highest bridge scores of the year. Table prizes will also be awarded.

Ticket reservations can be made by calling Mrs. James Sample, chairman, FI-9-2308 or Mrs. Maxwell Austin, FI-9-0325.

The women request that reservations be made by June 5. Tickets will not be available at the door.

To Install Officers

New officers of the Fraternal Order of Eagles, Aerie No. 2504, will be installed during a ceremony June 6. They were elected May 5.

The drill and ritual team of Hazel Park Aerie No. 2449 will be in charge of the installation at the Northville Aerie home, 113 South Center street.

Selected for the 1965-66 year were Carroll Baker, worthy president; Paul Nitzel, worthy vice president; Robert Whitehair, secretary; Galen Cripe, treasurer; Dr. John Rowland, chaplain; Jack Taggart, worthy conductor.

Paul Goebel, Robert Stetling, Clarence Schwab, Ted Reynolds, and Neil Pike, trustees; Archie Carriveau, inside guard and Walter Wagner, outside guard.

To Salute Scholars

Two Northville residents will be among the 150 Western Michigan University students recognized for their scholastic achievements in the 28th annual honors convocation at 7:30 p.m. Thursday (tonight).

Michael P. Adas, 21371 Stamford, will receive the following university honors in history and religion—the Danforth Fellowship, Woodrow Wilson Fellowship at the University of Wisconsin, James O. Knauss prize in history and first prize in the Asian studies essay award.

Frederick T. Steeper, 19320 Marilyn, will be awarded university honors in political science and history and has received a Rackham fellowship in history at the university.

Dr. and Mrs. F. F. Isaac, 93675 Haggerty court, attended the American Psychiatric Convention in New York City May 3-8.

Outer Space Visitor Lands Tonight at NHS

Kreton, a visitor from outer space, will arrive in Northville tomorrow night.

He will land on the stage at Northville high school as the first performance of "Visit to a Small Planet" gets underway at 8 p.m.

It is being presented by the Players Guild under the direction of Dr. Hans Kolbe.

Other performances will be given on Friday and Saturday nights. Admission is \$1.50 for adults and 85 cents for students.

Actually Kreton is 100 years late in coming to the U.S.A. He was aiming to witness the battle of Bull Run in 1861.

He turns out to be somewhat of a troublemaker during his stay. His decision to start a war of his own affects Army General Tom Powers and others.

Kreton, played by Jim Drew, is first seen as he parks his space ship and enters the home of Roger Spelding (Gary Webb) a Washington news analyst.

Other main characters in the cast of the three-act play are

Kreton, a visitor from outer space, finds he has landed a century too late on earth.

General Powers (Edd Austin), Ellen Spelding (Harriette Patterson), Conrad Mayberry (Bill Dallavo), Reba Spelding (Gretchen Schneider).

Working under Dr. Kolbe are Rita Sprenger, Joyce Griffin, Florence Rolland, June Gasser, Muriel Ross and Peg Jones.

On the production staff are Betty Sellers, Ellen McNelece, Sharon Mazanec, Dwight Grayson, Betsy VanEe, Fran Bissa, Donna McNelece, Peggy Gibson, Elaine Chlizar, and Kathy McNelece.

Optimists to Entertain Safety Patrol Boys, Girls

In recognition of the outstanding work done by Northville's Safety Patrol boys and service girls throughout the school year, the Northville Optimist Club has planned an old-time picnic.

The activity is slated for Saturday from 2:00 to 5:00 p.m. Dr. and Mrs. Waldo Johnson

have opened their grounds at 22047 Novi road for the event. Hot dogs and pop will be served. Games and contests are planned.

President Al Skow of the Optimist Club urges all Patrol Boys and Service Girls to attend and enjoy an afternoon of fun. If it rains, Dr. Johnson says the big barn is available for shelter.

Goodwill Pickup

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup ask the operator for toll-free Enterprise 7002.

Offering First Aid Courses

Novi Civil Defense officials are willing to conduct emergency first aid classes during summer months.

Leon Dochot, local director, said he would set up sessions because "we are becoming more and more a part of the tornado belt and we must learn to help ourselves."

Dochot said: "We cannot stress too strongly the tornado's in Adrian and Macomb county when first aiders went into the field to give emergency treatment until the victims could be taken to hospitals. To know what to do and how to do it properly and without panic can save not only your own life but the life of your loved ones."

Dochot said he would like to see residents in each area subdivision trained in emergency first aid "should the need ever arise."

Any subdivision association service organizations or church group can inquire about courses by calling Dochot at MA 4-1248. The local address is 727 South Lake drive.

Shooting Victim Improving

A Novi teenager is improving today at St. Mary hospital after being accidentally shot in the stomach May 11.

Randy Ross, 14, of 44244 Twelve Mile was the victim. He was shot by a 14-year-old companion.

Ross and his friend were target shooting in a dump area along Twelve Mile when the accident occurred, Novi Police said.

The police report said that "Ross was collecting more bottles for targets when his friend turned sharply, causing his .22 caliber rifle to discharge."

The bullet penetrated his stomach but passed through his body, police said.

Faces Assault Charges Monday

A 17-year-old Northville youth faces trial Monday in Northville municipal court for beating up a "buddy" from Novi.

Gerald LaRoche, 17, of 257 Hutton was arraigned Saturday morning before Judge Charles McDonald. He stood mute to the charge of assault and battery and was released on \$100 bond.

His victim was David Cook, 18, of 44239 Twelve Mile road. The assault took place June 7 in Cass-Benton park, state police said.

Cal Lepien, state police detective, related that LaRoche and Cook had "had words" a week earlier about a girl both were dating. They parted friends.

The night the incident occurred Cook and some friends were leaving the park when LaRoche approached. All Cook remembers, police said, is that he got to his car and was struck by LaRoche.

When Cook regained consciousness, LaRoche was choking him, police said.

Cook sustained fractures to the sinus bones and a severely bruised left eye. He couldn't recall whether LaRoche hit him with his fist or an object.

FUTURE CITIZENS—What do I want for the future of Novi? Junior high school students were asked the question in an essay contest sponsored by the Novi Rotary club. Winners were announced last Thursday. They are (left to right) seventh graders Danny McGarry, Beth Newbegin, Kathy Romanow, Debby Kuick and Kristie Killeen; eighth graders Tom Holmes, Jeff Adams, Cindy Ortwin, Pat Ling, Alana Padgen; ninth graders Bill

Christensen, Robin Nelson, Kim Kozak, Evelyn Budlong and Virginia Round. First place winners Beth Newbegin, Alana Padgen and Virginia Round each received a \$25 savings bond. Second and third place winners got \$10 and \$5, respectively. In the back row are Rotarians Leo Harwood, Peter Romanow, C. A. Smith, Tom Culbert, Bert Harbin, Charles VerHaag, Richard Bingham and Paul Barnes.

Novi Girl Scouts

Girl Scout Jr. Troop #1027 met in Mrs. Jensen's room. After taking dues and checking attendance the girls went outside and made vases for Mothers Day gifts and then sang several songs, after which they went back into Mrs. Jensens room and discussed having 4-5-6 graders going on a camp out some time in June.

Brownie Troop #351 met at 3:30 on Tuesday in the Novi school cafeteria. They went outside and played games. Treats were furnished by Judy Osborn. The girls were pleased to have a visit from their leader, Mrs. Edna Miller, who is still recuperating from a recent major operation.

LUCKY LEAP?—John Stuyvenberg, a sixth grader at Northville junior high, floated 16 feet one inch through the air last Friday at the annual field day to beat all rivals in the broad jump. It was noted that most high schoolers leap about 18 feet. So John has a few years left to practice before he joins the varsity squad.

NOVI HIGHLIGHTS

By Mrs. H. D. Henderson

Dr. and Mrs. H. D. Henderson were the Saturday evening spaghetti dinner guests of Mr. and Mrs. Edward Rix in Plymouth.

NOVI BAPTIST CHURCH

Everyone is reminded of the annual Spring Tea at the Novi Jr. High school for all mothers and all daughters. The evening starts at 7:15 on Friday May 21. Following Sunday evening service the young people worked on the decorations of flower trees and the committee also plans to have a waterfall in the flower garden setting. In addition to an excellent speaker, Dr. Ruth Stroschein, and special music, local models will participate in a style show in clothes from Alice Rebecca Salon of Northville and Farmington. For reservations call FI 9-3647.

On June 6 the young adult class is sponsoring a trip to Frankenmuth for dinner and fellowship. Babysitters will be furnished for youngsters and for additional information contact chairman Lawrence Smith.

At their recent meeting the col-

lege and business age group made plans for fellowship following evening services throughout the summer by meeting at different homes for refreshments. Their next meeting will be June 12 at the home of Alice Sindin. Also at the meeting Teresa Garner gave a special report.

Dedication Sunday for babies and parents was held during the morning services. The following parents took part, Mr. and Mrs. Bill King, Mr. and Mrs. Paul Green, Mr. and Mrs. George Taylor, Mr. and Mrs. James Bass, Mr. and Mrs. Ridenour, and Mr. and Mrs. Wayne McClure. Cradle roll director is Mrs. James Wilenski and anyone desiring to place their baby in the cradle roll department may contact her.

The Vera Vaughn Circle had installation of new officers at their meeting. President, Mrs. Jack Anglin made the following appointments for committees for next year, Mrs. Lawrence Smith, program; Mrs. Paul Barnes, publicity; Mrs. John French, prayer list; Mrs. Vera Grimes, cancer sewing chairman; Mrs. Gene Dallas, missionary correspondence and Mrs. Richard Lippert, Southland canning project.

The next meeting will be in the church in June and the ladies plan to repair clothing in the clothing bank. Anyone having clothing to give may leave at the church office. The ladies also planned to continue the collection of Betty Crocker coupons for silverware. Mrs. Russell Taylor is in charge of this project.

Saturday of this week the young people will attend the Youth Rally at the Miller Road Bible church in Lansing. Young people planning to go may meet at the church at 11:30 a.m.

NOVI METHODIST CHURCH

The W.S.C.S. met on Wednesday at the church this week with

Joanne Ward and Dorothy Steinberger acting as hostesses. New officers were elected.

On Saturday from 1:30 to 3:30 Reverend Webster conducts a membership class at the church.

The Novi M.Y.F.'ers were the guests of the New Hudson M.Y.F. Sunday evening. After the discussion session they were served refreshments by the New Hudson group.

The Wesley choir, directed by Mrs. Russell Button sang at the morning service this past Sunday.

The committee reports that a good crowd was in attendance at the Mother and Daughter Social. Among those who received plants were the speaker, Mrs. Rickert of the Willowbrook Community Church, Mrs. Russell Button and Mrs. Doyce Ward for their part in the program. Mrs. Carolyn McCollum, the oldest grandmother; Mrs. Florence Ritter, youngest mother, and Mrs. Glen Schenmann the youngest grandmother.

Several members of the W.S.C.S. attended the Willowbrook Community Church W.S.W.S. meeting last Monday evening. Art Festival Panorama

Architecture by Ted Jacques.

Creative Stitchery by Ronald Nitzel.

Northville high school students showed off their artistic talents Friday night at the annual "Festival of Arts" sponsored by the high school and the PTA.

Displays made by students of the art, mathematics, science, English, social studies and industrial arts departments were exhibited.

Teacher Roy Pedersen was in charge of the program. A good turnout was noted at the event.

Ted Jacques who created the model home shown above placed second in state competition recently. His and other model homes will be exhibited this week in the window at Schrader's, Lila's, Manufacturers National Bank, Merritt and Northville Realty.

Scheduling Open House

An open house will take place next Friday, May 28, at St. Paul's Lutheran school in Northville.

School Board Okays Contracts

It was a long but routine meeting for the Novi board of education last Wednesday night. During the session the board approved contracts for the 1965-66 school year. All but eight teachers and junior high principal Sam Stewart are returning next fall.

Stewart submitted his resignation last month. He will become a teaching fellow at Temple University in Philadelphia and work on his doctorate degree.

Two election inspectors were appointed for the June 14 school board election. They are Mrs. James Little and Mrs. Walter Plinner.

Mrs. Esther McDonough presented a report on the helping teacher project.

Purchase of sprinkling equipment for the junior high school was postponed.

Foodlifter Hits Again

A foodlifter has struck again in Northville. Northville police said that two more complaints of groceries being stolen from a car have been registered. Both were reported Friday.

Mrs. Evelyn Lane of 18803 Ridge road said that two bags of foodstuffs valued at \$20 were taken from her car parked behind the D & C store.

Mrs. Mildred Cross of 410 Lake said that someone removed 4 bags of groceries worth \$30 from her car parked near Northville Drug.

So far four such larcenies have occurred in the last two weeks. Earlier two complaints were filed May 7, also a Friday.

Police said that a young woman with a baby was observed transferring groceries from a car to hers near the drugstore but have no detailed description or license number.

28 To Play At Recitals

Piano students of Mrs. Leland H. Mills will present two private recitals this week at her Dunlap home.

Thursday afternoon at 4 p.m. the pianists will include Debra Arlen, David Bathey, Susan Edwards, Martha Gazlay, Debra Guido, Barbara Lang, Mark McDaniel, Mary McKay, Kyle Miller, Gregory Mills, Stacey Schaefer, Cindy Spradling, Dan Taylor and Lissa Willis.

A Friday performance will be held at 3:30 p.m. with pianists Tim, Toby, Tod and Tom Butt, Lucy Byard, Peggy Cook, Sarah Horner, Karen Hembrey, Margaret Lepper, Nancy Quay, Dorothy Shipley, Wendy Wheaton, Ellen Wisnee and Susan Yoder.

Meet Tonight

The May 20 meeting of the Plymouth branch of the American Association of University Women will be held at the Plymouth Community Junior High School-East at 7:45 p.m.

SAFETY CONSCIOUS—Northville Police Chief Eugene King is proud of the safety boys and service girls selected for the month of April. They are (left to right) Marlene Robinson and Tim Butt from Main Street elementary and Dean Basel and Lorie Provo from Amerman elementary. The boys received pen and pencil sets from Manufacturers National Bank and the girls pins from the Northville Mothers club.

Sentencing Assailant

Warren Wright will be sentenced today in Wayne county circuit court for shooting Northville Police Chief Eugene King three months ago.

Judge Charles Kaufmann will pass sentence. Wright was convicted April 28 of assault with intent to do great bodily harm.

The offense carries a maximum sentence of 10 years. Wright shot King twice in the abdomen as the police official was driving him to the station for questioning as a suspicious person.

Wright's car matched the description of one spotted after the

hold-up of the Northville branch of Detroit Federal Savings last September.

Later, Wright confessed to robbing the savings and loan office last June 8. But no sentencing date has been set.

The September hold-up charge is being held in abeyance, according to the FBI.

HONOR SCHOLAR—Michael L. Heslip, son of Mr. and Mrs. Arthur Heslip of 32680 Nine Mile road, has been awarded the Henry Francis DuPont Winterthur Museum Fellowship at the University of Delaware. Michael graduated cum laude in history last Wednesday at St. Benedict's college in Atchison, Kansas.

Glenn Deibert Wins State Forensic Title

A Northville high school sophomore took top honors last Saturday for humorous reading in the Michigan State Forensic Association finals held in Ann Arbor.

Glenn Deibert topped a field of 32 contestants from throughout the state. He was the lone sophomore, all other contestants being either juniors or seniors.

Deibert was the only Northville student to win a berth in the state meet. On May 4 he won first place in Regional competition in Dearborn.

Forensic Coach Miss Patricia Dorrian described Deibert's reading as "the delightful incident of juvenile cut throats," a passage taken from Huckleberry Finn.

On his way to the finals De-

ibert had to survive five elimination rounds. In the finals he received the first place votes of all three judges.

New Officers For Senior PTA

New officers were elected at the May 14 meeting of the Northville high school P-T-A.

Scheduled to take over duties for the 1965-66 year are: Mr. and Mrs. Gene Cushing, president; Mr. and Mrs. Andrew Orphan, vice president; Mr. and Mrs. James Frogner, secretary-treasurer; and representatives to coordinating committee, Mr. and Mrs. Glenn Deibert and Mr. and Mrs. Alan Peterson.

Everybody has fun at the carnival.

Saturday's P-TA carnival at the community building area was no exception. In the top picture high school age youngsters try their skill at tossing hoops; above, left, Frank Arlen enjoys a short break with his granddaughters, Debbie and Mary; at right, above, six-year-old Dennis Singleton looks in the mirror to examine the results of his visit to the make-up booth; and below, Kelly Marie Selman gets a bird's eye view of the activity as she clings to a balloon and rides atop the shoulders of her father, Joseph Selman.

The event, held for the first time on a Saturday afternoon, attracted more than a thousand men, women and children and boosted the treasury of the Northville P-TA.

You need Purina Horse Chow Checkers!

Forget your problems with hay... broken bales... waste... wrestling... itching... sneezing! Forget the search for good hay both at home and on the road. Purina Horse Chow Checkers contain all of the nutrients horses are known to need—including the right amount of bright, clean hay that's top quality the year around.

The compact 60 lb. bags are easy to handle... easy to haul in your car or trailer... easy to feed. And Horse Chow Checkers are the same uniform quality everywhere you go—no "change-over" problems for your horses when you need them at their competitive best.

If hay or pasture is no problem, see your Purina Dealer for Omolene—a favorite with owners of fine horses for almost a half of a century. And ask him about other Purina research built Horse Chows. There's one for brood mares and stallions—another for growing big, well-developed foals.

Insect pests "bugging" your horses?

All year long there are insects which annoy horses and spread disease. In fly season you can spray or wipe down your horses with Purina Horse & Livestock Spray for effective control up to 2 weeks from one application.

When it's too cold to spray and flies are no longer the problem, Purina Insect Klear—dusted into the haircoat—controls ticks, lice and fleas.

For long-lasting residual fly control in your stables, use Cyonox 2E Insecticide. See your Purina Dealer.

Mustang Nine Still Hopes for 1st Place

After a do-or-die three games series with the top three teams in the Wayne Oakland Conference, Northville finds itself entrenched in second place in the baseball standings, but still a threat.

Milford with an 8-3 record is atop the loop, followed by Northville and Bloomfield Hills, each with 8-4 slates.

"We're still in contention," Coach Bob Kucher pointed out. "But we're going to have to play some good ball just to remain in second place."

Just one-half a game out of the first place, Northville made the most of two hits against Clarkston May 12 to win, 4-3. Four runs in the third frame turned the trick.

Outfielder Bob Beller walked, and Pitcher Steve Evans reached first on an error to put men on first and second. Right fielder Chuck Boerger bunted to advance the runners, but reached first safely when the first baseman dropped the ball.

Catcher Doug Swiss walked to force in the first marker. Then First Baseman Jerry Im-

land unloaded the bases with a line-drive double between left and center.

That's all Evans needed as he scattered eight hits and walked none to maintain the lead. And with the potential tying run on second in the last inning, Evans whiffed the last batter.

The win tied Northville with Bloomfield Hills and Milford for the loop lead, but it was short lived. Milford saw to that.

The Redskins avenged an earlier defeat by pasting Northville Saturday, 10-1. Three runs in each of the first innings sewed up the game as Northville's Insland was shelled from the box. It wasn't all his fault, however, his teammates committed four costly errors.

only three of Milford's 10 runs were earned. In his brief stint, Insland gave up seven runs, walked three and struck out one. He was relieved in the third by Mike Grant, who held the Redskins in check.

But even his efforts were marred by shoddy fielding. The three runs scored against him were all unearned.

Northville's lone marker was scored in the second when shortstop John Jameson doubled and came home on third Sacker Dave Boerger's double to deep right center.

Monday's fray with visiting Bloomfield Hills was a real thriller as the Mustangs came from five runs behind in the sixth inning to pull it out, 9-8.

Hero of the day was sophomore twirler Grant. He came in relief of starter Evans and singled in the Mustangs' rally, as well as setting the Barons down.

Bloomfield was riding high in the sixth after wiping out a 3-1 Northville lead with a seven run outburst of its own. But the Mustangs didn't die.

Outfielder Bob Beller gave them life when he laced a single to left. Grant then sliced one to right for a single and Chuck Boerger followed suit to score Beller.

It was Swiss' turn then and deliver he did, blasting a double down the left field line to score Grant and moving Boerger to third.

Boerger tallied on a wild pitch to make it, 6-6 with Swiss moving to third. Still the win seemed a long way off.

Mike Turnbull, pinch hitting, rapped a long fly to center to score Swiss.

It was Insland, who held on at first, who forced Bloomfield's hand. On an attempted steal of second, the ball bounced into short center field, and Insland, head down, raced for third.

The shortstop, backing up the play, fired the ball to third with Insland midway between the sacks. He was caught dead to rights, but the throw scratched the turf and skidded by the third baseman. Insland came around to score the tying marker.

That ended the Mustangs' scoring--until the next inning.

Girls Show Their Heels On Track

A girl finishing first in the 100-yard dash at Novi junior high school?

Believe it or not, it really happened last Friday. Marjorie Marque was the sprinter-a member of the school's girl track team.

The boys have a separate team. Miss Florence Pangborn is the coach for the team which organized a few weeks ago. So far, Novi has beaten all rivals in two meets.

Last Friday Novi outperformed Northville and Clarenceville. The scores: Novi 47 1/2 points; Clarenceville, 45 1/2 and Northville, 40.

In the events, Linda Williams came across the line first in the 50-yard dash and Marjorie Marque lead her competitors in the 440-yard dash.

In the 200-yard shuttle relay, the winning Novi team was composed of Pat Trotter, Kathie Winner, Cheryl Dorsey and Linda Williams.

Kim Kozak skinned the 50-yard low hurdles ahead of everyone else.

Miss Pangborn said that in other contests Linda Simpson was second in the shot put and running broad jump while Marjorie Marque was the runner-up in the high jump.

The 440-yard relay team of Linda Simpson, Gay Bingham, Kim Kozak and Marjorie Marque, finished second.

Sue Primeau notched second place in the basketball throw. In Saturday's meet in Pontiac, Novi edged Madison and Avondale. The scores were 21 1/2, 20 and 18 respectively.

Marjorie Marque ended up first in the high jump while teammate Linda Simpson outleaped rivals in the running broad jump and was first in the 60-yard low hurdles.

Kim Kozak, Pat Trotter, Linda Simpson and Marjorie Marque ran off with the honors in the 220-yard relay.

THEY'RE ON THE DRIVE - These Northville prep golfers will face some real tests this week when they compete in the Wayne-Oakland conference meet today and the state finals Saturday. The Mustangs earned a

birth in the state meet by copping the regional crown last Saturday at Glen Oaks Country Club. Members of the team are (l-r) Jim St. Germain, Jim Bertoni, Rick Talbot, Bob Regenhardt and Ted Bunker.

Golfers Eye State Title

For a prece... second year in a row, the Northville high school golfers walked off with honors in the regional tournament.

Led by Jim St. Germain's medalist 74, Northville scored 326 points to top a field of 17 class B teams entered in Saturday's tourney at the Glen Oaks Country Club.

But that's only the first of three challenges for this year's golf team. Today the Mustangs will compete in the Wayne-Oakland Conference meet and Saturday they will move on to the state finals at Saginaw where St. Germain will be defending individual champions.

In winning the tournament, Northville set a school record. It was the first time any high school athletic team has copped two straight regional titles.

And its second year in a row that St. Germain has won medalist honors. This year it was a little tougher however. He was challenged by teammate

Jim Bertoni, who fired a 75, good for second place in the tournament. In fact, Bertoni had a lead over St. Germain, but he double bogied the 17th and bogied the 18th holes.

Other members of the team, Ted Bunker and Rick Talbot, both shot 88's to give the Mustangs a total of 326. That's six

points better than last year's winning performance.

Following in order were Grosse Ile and Dearborn Sacred Heart (332), Detroit Benedictine (339), Dearborn Riverside (344), Monroe Catholic Central (350), Detroit Cathedral (352) and West Bloomfield (359).

Actually, Saturday's winning effort was second best. In Friday's qualifying round, the local prepsters carded a team total of 312 on the same course, and St. Germain matched par with a 69.

According to Coach Al Jones, approximately 20 other regional winners will join the Mustangs in the state tournament. Northville warmed up for its tourney bid by clobbering Oak Park May 12, 195-159.

Then the Mustangs came back after the tourney to win a quadrangular meet Monday at Western Golf and Country Club. Northville tallied 168, Plymouth 172, Redford Union 179 and Bentley 181.

This time Northville found a new leader in Bunker, who copped medalist honors with a 40. He was followed by teammates St. Germain's 41, Bertoni's 42 and Talbot's 43.

Netmen Edged In Loop Race

The Northville netmen lost first place in the Wayne-Oakland Conference by a whisker the past weekend.

Bloomfield Hills edged the Mustangs, 17-16, in the tabulation of points awarded for league standing and placement in the league tournament.

It was Bloomfield's strong showing Saturday at Clarkston in the tournament that enabled the Barons to come from behind to upend Northville. The Barons finished on top to earn 10 team points to surpass the Mustangs in the combined point total.

By finishing second in the tourney, Northville garnered eight points. Coupled with the eight points the Mustangs earned for their first place position in the regular conference standings, it gave Northville 16 points--one painfully shy of a tie and two of a victory.

In face, Northville entered the tourney with an 8-7 lead, but because of Bloomfield's strength, victory was not to be for the local netters.

Northville's performance in Saturday's matches, however, pleased Coach Dick Norton. "The boys did all I could possibly ask," he said. "All of them came through according to expectations and others exceeded my hopes."

Surprise performer was Freshman Steve Quay, who reached the quarter finals before being eliminated. He posted three victories.

He disposed of Milford's Gary Briggs, 6-0, 6-1, and Clarenceville's Gary Hasley, 6-2, 11-13, 6-4, before losing to Wes Schultz of Bloomfield Hills, 6-1, 6-0.

Northville's number one singles player, Jim Long, also was derailed by Schultz, but not before Long reached the semi-finals.

In the process, he beat Bloomfield's Gary Markley, 6-3, 3-6, 9-6, and Mike Caswell of Milford, 6-0, 6-0. Schultz defeated Long, 6-4, 6-4. Long had beaten Schultz twice previously during the season.

Number two singles man, Norbert Parent, found the going a little rougher as he fell in the second match to the singles tit-

lest, Dave Gottlieb of Bloomfield, 6-1, 6-0. Parent, in his first match blanked John Head of Clarenceville, six-love, six-love.

In the doubles, two of the local combinations reached the semi-finals before falling to the way-side.

The duo of Randy Calliguir-Dave Kerr beat Dick Jones-John Lehman of Holly, 6-3, 6-2, and Clarkston's Bill Bailey and Paul Hinkley, 6-1, 6-4, before losing to Greg Lau-John Liles, 6-3, 6-2.

Because of the misfortune of the draw, two Northville teams squared off in the second round. Larry Tibbos and Bob Langtry slipped by Bloomfield's Dick Siegel-Bob Carrier, 6-3, 6-4, then bumped their teammates, Randy Burnett and Jim Hill, 6-4, 6-4.

The eventual winners of the doubles crown, Mike Righter and Rick Carrier, beat Tibbos-Langtry in the semis, 6-1, 6-1.

Only other local winners were Burnett and Hill in a preliminary match. They walloped John Brummeler and Junior Pocusis of Holly, 6-2, 6-0.

Northville assumed the 8-7 lead going into the tournament by beating Bloomfield Hills last Thursday for the second time this year by a 3-2 count.

And surprisingly enough, it was doubles teams that nailed down the victory to give Northville a 9-1 conference record to Bloomfield's 8-2.

Gottlieb stung Calliguir, 6-0, 6-1; Quay dropped a match to Gary Markley, 6-4, 6-0, and Long edged Schultz, 7-5, 2-6, 7-5.

Parent, teaming with Langtry in the doubles, whipped Righter-Rick Carrier, 3-6, 6-4, 6-3, and Tibbos-Kerr defeated Greg Lau-John Liles, 6-3, 6-3.

In a post league tilt, Monday, Plymouth smacked Northville, 5-2.

Dave Tidwell beat Long, 3-6, 6-1, 6-0; Parent eased by Tim Wernett of Plymouth, 6-3, 7-5; Tibbos lost two to Robin Wiedeman by identical 6-3 scores, and Langtry won, 7-5, 7-9, 6-4, over Rick Wagar.

Playing doubles, Kerr-Calliguir lost to Jim Bruff-Clark Raven, 6-1, 6-1; Plymouth's Bob Waters-Rick Jones crushed Jim Hill-Bill Hart, 6-3, 6-1 & Quay-Burnett lost to Jay Reynolds and Bill Wolfe, 6-1, 8-6.

South Lyon Stops JV's

The casualties mounted for the Northville Jaycees after they lost Thursday, 5-1, to South Lyon.

Two players were already out for the season. Now two more are on the injured list, Jim Peterson and Bill Sliger.

In the loss to South Lyon, Northville collected only four hits, while their opponents bagged seven.

According to Coach Dino Sousanis, the Colts just couldn't muster any steam.

Here's How 1.3 Mill Hike Would Finance New Schools

The following article concerning financial details of the proposed building program for the Northville public school system was written by E. V. Ellison, director of administrative services, and Paul Hunt, chairman of the citizens' advisory finance committee. The building proposal goes to voters June 14.

A program of excellence for the Northville Public Schools as described by the Citizens Advisory Committee, is now within reach of the residents of our school district. This becomes possible through new provisions to finance school construction under recent action of the Michigan Legislature.

The proposed new expansion in classroom facilities and site improvement is estimated to cost 2.8 million dollars; the proposed addition of a swimming pool, estimated to cost \$500,000, would establish a building program totaling 3.3 million dollars. This construction program, under the new legislation, can be sponsored by the school district at an increased cost of approximately 1.3 mills.

Here is how it will work for the year 1965-66. To take advantage of the new legislative provisions, the Board of Education has indicated it will assess a total of seven mills on the state equalized valuation of real and personal property within the school district. For the school year 1964-65 which we are just now completing, the school district taxpayers paid 5.7 mills to retire bonds presently outstanding on the 1957 debt retirement program. (This, incidentally, is our one and only outstanding debt.)

Next year approximately 5.1 mills of the seven mills will be applied to our current debt. The balance of the seven mills, or 1.9 mills, will be applied to pay interest costs and obligations on the proposed bond issue. Since it requires more than 1.9 mills to retire the proposed issue without system of free, competitive enterprise; Small Business Week; and I call upon State assistance, some questions may arise as to our obligations to the State. In effect, we are deferring our payment of interest by allowing the State to assume part of the cost. On the part the State pays for us now, we, in turn, will repay to the State. The reduced rate of interest will help the school district realize a saving of about \$500,000 over a twenty-five year period. This, then, is the main advantage in employing the seven mill limitation as advanced by the Board.

What, you may ask, does the proposed issue mean in dollars and cents to the local property taxpayers? In as much as 5.7 mills was assessed this year and the maximum to be assessed in the future is set at seven mills, a difference of 1.3 mills is needed. The additional tax of 1.3 mills, or \$1.30 per one thousand dollars of state equalized tax evaluation, will create the following increased in taxes. For example, a piece of property assessed at five thousand dollars would have an increase of taxes of approximately \$6.50 on next year's tax bill.

Although it was originally stated that it will take approximately 25 years to retire the debt, this will, in part, depend upon the three following conditions:

1. The amount of new property in the district becoming available for tax purposes in the years ahead.

2. The speed with which the 1957 bond issue can be retired. (This of course, is also dependent on Number 1).

3. The amount needed for bond issues in the near future.

It would appear, then, that our district should, at this time, take advantage of state assistance for in doing so, the Northville Public Schools can keep pace with a modern society and continue with its program of excellence for the people of this community.

Township Proceeds On New Sewer Line

Receipt of a \$10,000 check by Northville township signalled the go-ahead this week for work leading up to advertising for bids for installation of a 12-inch sewer line along Seven Mile road from Marilyn to Northville road.

The township received the money for preliminary work from Dr. W. E. Glzynski, a Livonia physician who plans to construct a 100-bed convalescent home at Marilyn and Seven Mile.

Sanitary sewer facilities are necessary to permit construction of the hospital. Under an agreement with the township Dr. Glzynski is paying for construction of the line but will be permitted to recoup some, or all, of the estimated \$70,000 cost through a pay-back arrangement. Terms of the plan allow Dr. Glzynski to collect \$200 for each new tap-in into the line during the next 20 years, but not to exceed the total cost.

Township Supervisor R. D. Merriam said this week that township engineers would begin immediately on the design of the line and that specifications should

be ready for bidding within 30 days.

While sewer installation will be completed this summer, a spokesman for Dr. Glzynski said he doubted that details could be complete for start of construction of the convalescent home this year.

Joseph Skwiercz, business manager for Dr. Glzynski, said that construction would probably begin in the spring.

He also indicated that plans for a hospital in conjunction with the convalescent home project were also being considered.

TO WHOM SHALL WE GO?

Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life. JOHN 6:68.

When we turn to Christ we find, like Peter, that He has the words of eternal life. For one thing, He had brought a new conception of life itself.

That word "life" contains the most enigma of our existence. A recent book on medical psychology contains this statement: "The great difficulty is that we do not know what life really is. But we may hope that science will soon solve that problem." Life brings science itself face to face with mystery. At the top of the ladder of life is man. Compared with all other forms of life, how majestic he seems. He stands at the top of creation. And yet the shadow of impermanence lies over him and all his works. Nothing lasts. The individual vanishes after a few years and civilizations after a few centuries. However great life is, it is incomplete. It hints at something beyond. It stirs within us a desire for life that is life indeed. Such a life has been raised above the conditions of time. "This is life eternal... (to) know thee the only true God, and Jesus Christ, whom thou hast sent" (John 17:3).

If Jesus Christ is life eternal, then I may invite the life eternal in. I may ask him to dwell in me and be my life. All who have genuinely experienced this will find it easy to feel the deep significance of life. Jesus brought a new conception of what makes life worth while. The world has its own idea of blessedness or success and has expressed it in various forms. We can find it everywhere. What do men say? "Blessed is the man who is always right, who is always satisfied with himself; blessed is the man who is strong and who rules, the man who is rich and popular and enjoys life." These are the obvious things by which to weigh success. Their possession makes men happy; their loss makes men sad. Now it may come as a shock when we notice that not one of these things entered the mind of Jesus when he treated of the things that make life worth living.

Blessed, said he, is the man who thinks lowly of himself,

who has passed through great trials, who longs for perfection, who carries a tender heart, who has a passion for holiness, who sweetens human life and dares to be true to conscience. Jesus once told the story of a farmer whose barns bulged out but whose soul shrank. One day this farmer patted himself on the back and said, "Now you have great wealth in store for years to come, so take it easy; eat, drink, and enjoy yourself. But that very night he died. Jesus said that he was a fool. And Jesus is right. He carries the moral consent of mankind. These things are so. They do come

first. There is nothing else that matter. And we can see it, now that Jesus has said it. We certainly agree with Peter that he had the words of eternal life. These are but two of many ways in which we can try to what Jesus means for the world and for ourselves. It is only when you and I take this life of Jesus and set it to the music of our faith and penitence and endeavor, that we really grasp the meaning of it. He knew the way to God. He lived life right out and tried its issues right through. He shrank neither from life's pain nor from its tragedy, but

he never doubted its nobility. He revealed Divine Love by his suffering and opened the heaven by his Cross. Whatever he touched he transformed. Jesus lived life in its wholeness. He essayed the heights. He did not shrink from the depths. Three years he lived before men, yet, as Dr. Orchard once put it, "In that time he managed to let eternity break through, and lifted man's horizons to infinity. He took all that came to him and turned it to the purpose of his mission: circumstance, failure, disappointment, and death. They gave him a manger for a cradle, a bench for a pul-

pit, thorns for a crown, and a cross for a throne; but he took them and made them the very glory of his career. He turned sorrow into joy. He found strength in labor, peace in the storm, rest on the Cross, and life in the grave." If we really believe this we shall put Him at the center of our lives. We shall put Him at the center of our social relationships. We shall refuse every way of life but His, and say with Peter, "Lord, to whom shall we go? thou hast the words of eternal life. And we believe and are sure that thou art that Christ, the Son of the Living God."

The other day Grandad read an account in our newspaper about the miraculous speed of a B-58 bomber. He contrasted this accomplishment with the experience in his youth when he spotted his first airplane five miles outside of town — and then rode a bicycle into town in time to see the plane circling the capitol building.

It seems incredible the technological advances mankind has made in the past fifty years. Men who rode to Sunday School by horse and buggy as boys, today follow the flight of astronauts on TV. Their wives do the family laundry with the twist of a dial, and their grandchildren learn Algebra from programmed textbooks.

One unchanging fact remains. Man still needs God as the center and circumference of his life. And the Church, as God's expression, remains constant in the teaching of His Truths.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SELF ANALYSIS QUIZ

Who Is The Boss?

By Jane Sherrod Singer

Cartoonists delight in depicting hen-pecked males. Columns for the love-lorn contain the weeping words of neglected women. Obviously the battle of the sexes still rages. Dating or married, who IS the BOSS in your relationship with the opposite sex?

Put an X under the proper column. If the responsibility is mutual, put an X in the OR column.

	He	or	She
1. Over a period of time who waits the more often?	()	()	()
2. Who generally orders the more expensive meal?	()	()	()
3. Who does most of the talking?	()	()	()
4. Who runs the trivial little errands?	()	()	()
5. Planning a vacation or evening out, whose wishes are usually followed?	()	()	()
6. In a time of crisis (from a flat tire, cut finger to an earthquake) who is the calmer?	()	()	()
7. Who makes the more suggestions about what the other person should wear?	()	()	()
8. When things are lost, left, or misplaced who usually finds them?	()	()	()
9. Who has the faster temper?	()	()	()
10. Who has the better memory?	()	()	()

SCORING: If all your X's are in the OR column, no one is BOSS and you may find yourself in a state of confusion since no one takes a definite lead. If more than eight fall in the HE or SHE list, then you have a strong indication of who rules the roost. Five in any column indicates that HE or SHE takes definite leadership in some activities. But as one wit observed: "Many men may be Cock-O'-Loeums when they are out, but they are only feather dusters at home" And that goes for women too.

We're Big Poverty Spenders

LANSING — Action and research programs on poverty have brought Michigan well into the top 10 among the states in receipt of federal funds for the war on poverty.

Latest figures indicate the Office of Economic Opportunity, which runs the nationwide anti-poverty program, has firm plans to spend well over \$18 million in Michigan on various projects. This gives Michigan a per-person average expenditure of \$2.31 to rank 5th among the states and Michigan rates 3rd behind only California and Kentucky on the total figure.

Many local projects are under way with previously received federal funds and several regional or statewide plans are at various stages of progress.

Three grants have been received, for example, for work being conducted by the Detroit group calling itself "Total Action Against Poverty."

Colleges and universities in Michigan have come into more than \$500,000 for study and work projects this spring. Regionally and statewide, \$1.3 million was received for programs to aid migratory workers.

An extensive urban job corps center at Fort Custer appears to be the biggest state project envisioned to date. Having already received about \$7 million, several more millions are promised from federal sources if the program is effective.

Effectiveness of all these programs is still to be proven. If results can be seen in terms of improved living standards and decreased unemployment rolls, there would be few who would criticize the funds spent for the total program.

Escheats was an uncommon word to the public eye until just a few short years ago.

The state has long been geared to collect escheated funds, that is moneys left unclaimed for seven years or more. It was just within the past four years, however, that the state attorney general started an active campaign to spend money to get these dormant funds.

Now the state is planning to go a step further. A new bill passed this year and given immediate effect allows the state to go into the area of escheated life insurance death benefits, checks and wages.

These funds previously were barred from collection under the state escheat law. Companies which had unclaimed insurance benefits, checks and wages just kept them in a fund and accumulated interest on them.

Legislators this year decided the state should rightfully collect these funds since it already was getting money from the sale of property and other amounts through the escheat process.

The estimated amount of unpaid insurance benefits, wages and checks was a big factor in legislative determination to change the escheats law.

One estimate, from the assistant attorney general who specializes in escheats, is that the state would collect from \$30-\$40 million initially under law. After the first windfall, Assistant Attorney General Irving Feldman said the amount would average \$5-\$7 million annually.

Some confusion still can be seen at store counters as the result of Michigan's nearly year-old sales tax collection schedule. Most customers and some clerks still are not used to it.

When the four per cent sales tax was enacted, no state policy was set for collection by merchants. As a result more than

one schedule was in use in various sections of the state. Some merchants, particularly in the dime stores and other businesses with many small sales, complained that the schedule in use locally put them at a disadvantage.

This lack of uniformity resulted last year in legislative

enactment of a sales tax bracket system calling for no tax on sales up to 12 cents, a penny on 13-31 cents, 2 cents on 32-54 cent purchases, 3 cents on 55-81 cents, 4 cents on 82 cents to \$1.08, 5 cents up to \$1.35, and 6 cents up to \$1.62. A penny is added thereafter for each 25 cents or part of it spent.

Roger Babson

It's Good for Grads

BABSON PARK, Mass. — Young men and women who will soon be pouring out of high schools and colleges to look for employment, whether summer jobs or permanent careers, face promising conditions — undoubtedly the most promising in the nation's history. Business is moving along on an all-time-high plateau, and there are more jobs in nearly all fields than ever before.

Many preparing to graduate — and their parents — are disturbed by the government report that there are still 3.7 million Americans looking for work who cannot find it. A break down of the government's figures, however, reveals that the situation is not nearly so distressing as it appears on the surface. Some 40% of those who are reported to be unemployed are in the following non-critical groups: Wives, whose husbands in many cases have steady jobs; teen-age girls, frequently living at home and seeking only part-time occupations; and teen-age boys, often in a similar living-at-home setup.

Less than a third of the jobless are husbands with families, and the greater number of these men are victims of temporary work shifts or of short-term layoffs, who get jobless compensation to see them through till they obtain other positions. The heart of the problem concerns only about 135,000 family men, who have been without work for six months or more. Indications are that many of this last group live in areas where there are special industrial problems, resulting often from dying lines — like some coal operations — or alterations in government contracts in special fields.

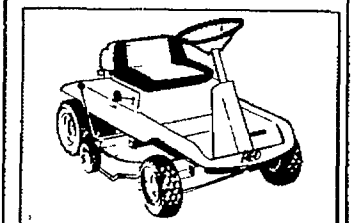

Both male and female graduates this spring should have little trouble finding employment if they are intelligent, adaptable, and trained in at least one special field. The truth of the matter is that there is a far greater scarcity of suitable workers in many lines than is generally recognized. A look at the want ads in newspapers across the country shows that many jobs are going begging in a great many sections. There is heavy unsatisfied demand, for example, for such specialists as scientists, engineers, metalworkers, nurses, doctors, lab helpers, salesmen, chemists, designers, stenographers, teachers, social counselors, management consultants, furniture craftsmen, mathematicians, and expert chefs.

Some areas state that they get virtually no replies to their job placement ads, no matter how attractive the wages and the fringe benefits. Still other sections say they are willing to accept even illiterates for simple labor and custodial jobs, but possible recruits usually refuse such work as too menial. Many cities report it extremely difficult to locate kitchen help, dishwashers, handymen, housekeepers and clerks. Federal, state, and community programs to teach job skills are on the increase as a result of shortages of trained employees to take office situations at various levels of government.

It is safe to say that practically any reasonably accommodative graduate — whether highly skilled or not — will be able to get a job of some sort this summer if he or she really wants one. Those with special degrees from college will probably want to take time enough to try for the positions in their chosen fields with the best pay and the brightest chances for advancement. A high degree of education and capability warrants such an approach. Youngsters with a more general background will do well to become associated with some established firm that will offer a variety of possibilities within its framework. This goes, too, for those who are not yet clear what type of career they really prefer.

There will be many openings in different parts of the nation as a result of the government's anti-poverty and aid-to-education programs. Many June graduates may even find interesting opportunities in their own communities through these programs. It will be worth looking into at any rate.

The mines of Guadalupe, Spain, were reopened in 1951 with 200 German miners and metallurgists in charge.

News from Willowbrook

ORIENTAL OBSERVERS—Hidekazu Ogata (left), director of the printing department for the press bureau of the Socialist Party in Japan and Jun Takahashi, U.S. state department interpreter, glance critically at the Northville Record and Novi News. Their analysis: "Very good" newspapers. Both men were guests Monday night of the Leroy Richardsons of 24500 Border Hill road in Novi. Mr. Richardson is a retired army lieutenant colonel and spent four years in Japan. Ogata is touring the country to observe newspaper plants.

Mr. and Mrs. William Murray are newcomers to Willowbrook, having recently moved here from Jackson. Charlene and Bill and their two children: Christopher, 2; John, 13 months; reside on McMahon Circle. Bill is employed by Station WKBD Channel 50. Bill's hobby is photography. Charlene has an aquarium of fish and knows all about them.

Mr. and Mrs. Jerry Laub of McMahon took Michael and his brothers and sister to Marco's for dinner to celebrate his First Holy Communion, May 8th.

Robin Sales, daughter of Mr. and Mrs. Robert Sales of McMahon, grandparents attended church with the family to see Robin make her First Holy Communion and spent the day with the Sales family. Robin's grandparents are Mr. and Mrs.

Jos. Fortier, of Farmington. Bill Krist of Glen Ridge Court is celebrating his 21st birthday on May 15th. His wife has invited approximately twenty-five friends and relatives to make festive this occasion.

Nancy Cook, daughter of Barbara and Don of Willowbrook Drive had the opportunity to go to New York April 29th and returned May 2nd. She was one of the Senior Girl Scouts of Troop 494 of Novi, which went as a group. Barbara is a leader in the troop and went with the girls.

Mr. and Mrs. LaVerne DeWard of Willow Lane went to Holland this weekend for the Tulip Festival. LaVerne's grandfather came from Holland and settled in Holland. Their daughters, Melinda and Martina, went with their parents.

Mr. and Mrs. Harvey Reynolds and daughters, Beth and Suzie attended the Tulip Festival at Holland this weekend. They had the pleasant surprise of meeting Mr. and Mrs. LaVerne DeWard, also of Willowbrook at the Holland State Park, where both were camping. A mutual friend told Kathy about the DeWard family from Novi. They met and had a pleasant visit with their children. Kathy and Jean were very enthusiastic about the Tulip Festival.

Mrs. Thomas Needham of McMahon Circle is at St. Mary's hospital. Lucy underwent minor surgery on May 14. Best Wishes for a speedy recovery, Lucy.

Mr. and Mrs. Joe Williams of Mill Stream Lane are having the pleasure of having their daughter and little grandson visiting them for a week. Their daughter is

Mrs. Anne French. She and her little son, Ned, eight months, live in Hillsboro, California. Mary is recovering from major surgery and this visit from her grandson, whom she has never seen, will be a boon to her.

Her daughter and family, Mr. and Mrs. Hank Bathey and Kimberly of Plymouth, also their younger daughter, Linda, had dinner at McInerneys, Detroit, to help Mary celebrate Mother's Day.

Mr. and Mrs. Bayard Temple, Dearborn, took Sue and Bayard Temple, Jr., of McMahon Circle out to dine and dance at the Engineering Society of Detroit to celebrate Sue's birthday on the 7th of May.

Pat Wilkins, Beth Reid, Mike McCaffery, Marsha Thorpe of Willowbrook, who attend Orchard Hill school, attended "The Country Fair of Yesterday" at Greenfield Village and received participation ribbons.

Other children from Willowbrook attending the Fair were Patsy Ritchi; Larry Pittman; George and Marilyn Ames; Tom Boyer; Tom Van Wagner; Barbara Auten; Gregg Kroll and Debbie Dorsey. Also Carol Palunas; Bob Vivian; Mary Ellen Reiss; Tom O'Neal; Danny Moore; Roger Barton and Joan Ballo.

Mesdames R. W. Ritchi; Richard Reid; Robert Wilkins and two of the sixth grade teachers from the school chaperoned the group.

Mrs. Robert Wilkins of Ripple Creek took Den 9 and Pat Rowley of E. LeBost took Den 4 of Cub Scout Pack 54 to the Novi Fire and Police Departments on

May 13. This field trip followed the Cub Scout theme for the month: "My Home Town".

Cub Scouts of Den 4, who went on this trip, are: Dan Rowley, John Anderson, Jeff Milliken, Larry Smith, Chuck Foley, Joe Greene and Jeff Anderson from Echo Valley; Mrs. Rowley was assisted by Mrs. Anderson and joined by Peter Anderson and Bobby Rowley.

The Cub Scouts of Den 9, who went on this trip, are: Tommy Auten, John Henson, Randy Tobias, Donnie Waldemayer, Tom Wilkins and Allen Coffey.

Andrew Jackson, seventh president, was the first president who had not been an active statesman in the Revolution or in the formation of the government.

FIX-IT TIP

To remove a water mark from a waxed surface, wipe it with liquid wax to remove the old wax finish and apply fresh wax coating.
For an oiled finish, use camphor or peppermint oil on a cloth wrung out of warm water containing ammonia.
If these methods don't help, rub in the direction of the grain with a thin paste made of rottenstone, or fine pumice, or cigar ash and linseed oil. Remove with linseed oil. This also works on heat spots, alcohol stains, light burns, ink stains or paint stains.

One Year Ago...
Election machines will be used in the regular school board election next month for the first time in Novi.
With hardly a free minute in the day with meetings and shop talk, two mayors left Novi and Wixom Monday evening convinced that the warm friendliness of Michigan is not confined to their local communities.

OUT OF THE PAST

Day programs were Mayor and Mrs. Henry Koster of Grandville and Mayor and Mrs. Eugene Ellison of St. Clair Shores.

With trailer campers beginning to fill up Novi's township park and with the opening of beach and picnic facilities, Township Supervisor Hadley Bachert said that fees for non-township residents have been increased.

Monday was a busy day for Mr. and Mrs. "Mike" Kauffman of Schoolcraft. The President of the Kalamazoo county village was mayor for a day in Northville.

Mrs. Mary Ware launched a "Shower" of linens to supply linens for the families who lost all their possessions in the disaster area of Anchor Bay two weeks ago in the tornado.

Five Years Ago...
Novi Village Clerk, Mrs. Charles Wallace Monday announced her intentions to resign from her post, effective July 15.

Northville's homes and business establishments are "lighter" this week by some 33 truck loads of trash. While the annual clean up campaign is under the general chairmanship of John Swain, Paul Palmer was in charge of Saturday's trash collection.

New DAR officers were elected Monday at the home of Mrs. Sherwin A. Hill. Mrs. Robert Utter is historian, Mrs. Claude Crusoe, registrar; Mrs. W. C. Gemperline, director; and Mrs. F.R. Hohelsel, second vice regent.

Newly elected chairman of the Wayne County Library board for the coming year is Mrs. Harry Wagenschutz of Northville.

Fifteen Years Ago...
Through the combined efforts of the American Legion and Veterans of Foreign Wars, Northville will commemorate Memorial Day with a parade and service. Reverend E. E. Rossow of St. Paul's Lutheran church will conduct service.

Reverend J.M. McLucas, minister of the Novi Methodist church for the past six years will be reinstated. Plans are being made to redecorate the church interior and paint the outside. New colored glass windows will be installed.

King's in flowing robes, knights in shining armor and fair ladies richly gowned will arrive at the home of Dr. Waldo Johnson on Novi road Saturday evening. Host Tom Johnson will be on hand to greet his guests at the Medieval party.

Cars being driven on the streets of Northville in unsafe mechanical condition were cited today by Chief Denton as the target of a state traffic safety education campaign.

With 162 horses listed on the closing registration date, the third annual Northville Riding Club Horse show gives every promise of setting a record for the number of entries. Twenty-seven cities are represented in the show that will be held May 24-25-26. R. Edmund Dowling is secretary of the event and Harry B. Clark chairman.

Patricia Klein, daughter of Mr. and Mrs. Bernard Klein, valedictorian of the class of 1940, has won the Reader's Digest annual award for scholastic achievement.

Charles Fredyl moved into an enlarged home at 116 East Main street. The new home of the popular cleaning plant has been under construction for several months.

The highlight social affair this spring in Novi was the Mother and Daughter banquet, held Thursday evening and sponsored by the Rebekah lodge. Some 150 guests were served. The program was planned by Mary Harling.
