

# Teachers Prod Board for Pay Hike

Fifty-seven of Northville's 109 teachers crowded the board of education offices Monday night seeking across-the-board pay increases in addition to fringe benefits requested last month.

While the meeting remained orderly, there were definite indications that the teacher group was unhappy with the board's response to requests which teacher representatives termed "extremely conservative."

Specifically, the teachers asked for base pay increases of \$200 annually for BA degrees and \$300 annually for MA degrees.

In statements at and following the meeting teacher spokesmen said they had hoped for immediate approval by the board.

Actually, the board said it

would consider increases before the fall school term if funds are available.

Last month the teachers had placed emphasis on fringe benefits including no supervisory duty during lunch hours, fully paid health and accident insurance, sabbatical leave, tax deferred annuities and termination and severance pay.

Monday night, upon the recommendation of Superintendent Russell Amerman, the board indicated willingness to grant these requests with some reservations for further study.

Since last month, however, teacher spokesmen pointed out that additional revenues had become available to the Northville system.

Donald Brown, William Hensch and Robert Sharrar did most of

the talking for the teachers. Each is a member of the teachers' club study committee.

The teacher spokesmen pointed to three revenue increases:

1--An additional mill of the 15-mill levy divided between the school district, county and township;

2--A boost in state equalized valuation;

3--The new state aid formula.

It was verified by Superintendent Amerman and E. V. Ellison, director of administrative services, that under a provision of the new state constitution the Northville district can levy an additional mill under the 15-mill limit. (See budget story below).

It is also conceded by these administrators that the state equalized valuation of the school district will probably rise above

the \$32,000,000 estimated in the present budget, perhaps as high as \$33,000,000.

Finally, action by the state legislature this week will probably bring an additional \$40,000 in state aid to the Northville district.

But board members were not ready to move until all these factors were definitely known.

Board Member William Crump was the first to react to the teacher request. "We're now operating a deficit program. There may be no melon left when we pay off the red ink and I don't think we should consider this until we're back on a black ink basis," Crump stated. He indicated a current \$25,000 deficit with a similar outlook for the 1965-66 year.

Amerman and Ellison said Tuesday that the current deficit is

\$20,000 and the proposed budget shows a deficit of \$17,833.

Board Trustee Robert Sharrar agreed with Crump. "We can't make a final determination until we definitely know what our revenues are. This will be in July," he added.

Board President James Kipfer said he thought the board would be "favorably disposed", if the funds are available.

Teacher spokesman Brown pushed hard for the request. "Teachers want to share in the wealth of the present economy. Ultimately this must be accomplished. It will be done, somehow," he stated.

Brown, Hensch and Sharrar called the request conservative and necessary to keep the Northville system competitive. Assistant Superintendent Ken-

neth MacLeod upheld the teacher position that salary-wise they are falling behind competing school districts. He said salaries had become a factor in hiring this year. Last year Northville ranked high, but recent raises in other districts have lowered the local standing, he indicated.

MacLeod also tried to bring about understanding between the positions of the board and the teachers. He said the teachers would be satisfied if they knew they would receive a raise if money is available.

The board indicated it had no argument with this position.

But there was no indication from teacher spokesmen that such an understanding was satisfactory. Privately, several of the teachers indicated their dis-

appointment in the board's conservatism and expressed a lack of faith in the board's sincerity.

On fringe benefits the board granted the free lunch period. Superintendent Amerman indicated it would cost \$2,000 annually to hire supervisors for elementary children during lunch hours.

The hospitalization proposal was turned over to a committee composed of Board Members Edward Angove and Crump, Administrators Ellison and Harry Smith and Sharrar and Hensch from the teachers' club.

Support of this program seems assured, although details and costs for all school employees must be determined. The teacher request asked that complete pre-

miums, including dependents, be paid. Cost of this would be about

\$20,000 annually. The sabbatical leave proposal, which would permit a limited number of teachers a year of study or research on part pay, was postponed for study with the new superintendent.

Tax deferred annuities and the termination and severance pay plans were approved and would apply to the entire school staff.

The pay raise requests would cost an estimated \$24,000 annually. It would raise teachers with BA degrees to \$5,300 minimum and \$7,300 maximum and MA degrees to \$5,700 minimum and \$8,800 maximum.

If the additional mill, increased state aid and higher equalized valuation become realities this year, the school district would receive about \$73,000 in added revenues.

## Plan Sunday Memorial Observance

Northville will pause Sunday and remember the nation's fallen heroes who gave their lives so freedom wouldn't die.

A Memorial Day program will get underway in the afternoon in front of the American Legion Hall at Center and Dunlap streets.

Harold Penn, commander of the Lloyd H. Green post, is in charge of the program. Each year the American Legion and Veterans of Foreign Wars alternate in carrying out the program.

A parade will start promptly at 1:30 p.m., Penn said.

It will feature the Northville High School band and representatives of the American Legion and VFW and their auxiliaries, Boy and Girl Scout Troops and Civil Air Patrol.

In addition, youngsters riding decorated bicycles will join the

### Treat Time

Sunday's Memorial Day parade will again be topped with an ice cream treat.

In the tradition of many years standing C. E. Langfield, owner of Northville Laboratories, will provide free ice cream bars for youngsters and oldsters alike at the conclusion of the memorial program.

Jaycees will pass out the free treats. Last year more than 2,000 bars were distributed.

## Jaycee Barbeque Follows Parade

Members of the Northville Jaycees will don their chef's uniforms Sunday for a big cook-out.

As the Memorial Day parade is ending, the Jaycees will fire up a huge barbeque pit on the Northville high school athletic field.

Two tents with tables and chairs will be set up and barbequed chicken will be served beginning at 2:30 p.m.

Some 500 chickens will be prepared.

Legionnaire Oscar Hammond is the parade marshal and will be assisted by Walter Sousa of the VFW.

Congressman Billy Farnum who represents Northville in the 19th district will be on hand, too.

Penn said that "any groups or organizations that wish to take part in the parade can call me at the Legion Hall."

Units will proceed west on Dunlap to Hutton, Hutton to Main and east on Main to Wing street--the traditional route.

Turning down Wing to Cady the marchers will halt momentarily at Oakwood Cemetery. The American Legion firing squad will shoot a volley over the Veterans graves.

After the brief ceremony, the parade will continue to Rural Hill Cemetery. The Navy's war deal will be honored as a wreath is dropped into the Rouge River. The VFW will fire a salute.

The Reverend S. D. Kinde of the First Methodist church will give the invocation followed by the placing of a wreath at the Veterans plot at Rural Hill.

Wayne Squires, first zone commander of the American Legion for the Michigan department, will be the principal speaker.

Combined Legion and VFW firing squads will crackle followed by the playing of the Star Spangled Banner. Then the familiar sound of taps will echo across the cemetery.

# Council Employs Clark As Interim Manager

George Clark, former supervisor of Northville township and a local businessman, was named "interim city manager" by the city council Monday night as it met in special session.

City Manager Bruce Pothoff officially leaves the city Friday and takes over as manager of the city of Berkley Tuesday.

Presently, the council is studying a list of applicants for the managership. But Mayor A. M. Allen said it was doubtful that a successor would be selected "within the next few months".

"We have so many projects underway at present that the council thought it necessary to find someone immediately to follow up the details," Mayor Allen stated. He referred specifically to street repairs and installation of the Detroit water line through the city.

Mayor Allen said Clark's experience in government coupled with his knowledge of the community made him a logical choice. "We're lucky he would accept," said Allen.

Clark said he was flattered. "I'm already on the job. Bruce has been most helpful in bringing me up to date and has prepared a long list of matters. There's a lot going on in the city," Clark added.

Although Clark has been in business in Northville for many years (hardware owner, insurance and real estate), he only became a city resident last November. His 849 West Main street home is in the section annexed to the city last fall.

In addition to his experience as township supervisor from 1959 until 1963 Clark once served as director of education for secondary schools in the Pontiac system.

Clark will work full time, taking over the manager's office Tuesday. He'll be paid \$600 per month.

## Announce Winners

Winners have been announced for the Michigan Week Historical window displays by Northville Merchants.

First place winner of \$25 was the Hartley-Powers art gallery, depicting historical Michigan with paintings and antiques.

Travel Plans won second prize of \$15 with the theme of the "Four Seasons of Michigan."

Edmund Yerkes, curator of the Northville Historical Society, was the promoter of the exhibits and Dempsey Ebert, president of the chamber of commerce, was chairman of the Michigan Week celebration.

Judging the displays were Mrs. E. C. Chapman, Yerkes and Ebert.

## Closed Monday

Most Northville retail stores, the post office, bank and savings and loan offices will be closed Monday in observance of Memorial Day.

Schools will close, too. Students at Our Lady of Victory are enjoying an extra-long holiday. Their classes let out Wednesday afternoon and will not resume until Tuesday, a five-day vacation. Public schools and St. Paul's Lutheran school are closed Monday only.

## 'Chambers' Elect New Officers

Both the Northville community chamber of commerce and junior chamber of commerce held elections last week.

The senior chamber elected four members to the nine-member board. Re-elected for three year terms were Thomas Quinn and Howard Atwood. Incumbent Essie Nirider was elected to a one-year term.

Fred McLean is the only newcomer to the board. He was elected for three years.

Other board members are John Carlo, Dempsey Ebert, John Macauley, Dr. L. W. Snow and Margaret Zayit. Directors will elect new board officers at a board meeting tonight.

The Jaycees elected Richard Norton to the presidency. Other officers are: Richard Kozlarski, first vice president; Orville Beemer, second vice president; Jim Arnold, treasurer; and Kenneth Roberts, secretary.

The new Jaycee officers will be installed Friday, June 18 at a Hillside Inn dinner meeting.

## 'Bonus' Mill Erases School Budget Deficit

Northville's school budget for 1965-66 won pre-empt approval of the county tax allocation board, although it showed a deficit of \$17,833.

The new budget as finalized by administrators and the board calls for expenditures of \$1,210,993 with revenues of \$1,193,160. The 1965-66 budget is \$66,363 higher than the 1964-65 budget.

The budget deficit was wiped out by the revelation that the school district can levy an additional mill under the 15-mill limit.

As it now stands, the 15-mill limitation is divided between the school district (7.9 mills), the county (6.1 mills) and the township (1 mill). A provision under the new constitution, however, enables Northville's school district to levy 8.9 mills and still come within the 15-mill limit.

According to Superintendent Russell Amerman, this comes about because the district is in two or more counties and the city of Northville does not levy the one mill (it levies its own tax apart from the county).

The provision appears hazy and contradictory, but it simply means that Northville school district taxpayers -- city or township -- will pay an additional mill next year under the 15-mill limit.

This raises an additional \$32,000 under present equalized valuations. It appears, this too, will rise. And a new state aid formula near adoption will sweet-

en the local budget by another \$40,000.

This should wipe out current and past deficits, but teachers are standing by to accept any surplus (see story above).

In other business Monday night the board cleared the board of education offices to meet in executive (closed) session so that it could discuss possible school sites for the new junior high and elementary schools.

It is known that the Salvation Army, owners of the old Whipple Estate on West Eight Mile road, has offered the board an opportunity to purchase 10 acres. Negotiations are also underway with the Thompson-Brown company for a site on Taft road near the high school.

## Early Copy Please!

Because of the Monday holiday, deadlines for news and advertising in The Northville Record - Novi News must be adjusted next week.

Early copy is urged for all news and advertising.

The Record office will be open Saturday until 1 p.m. All want ads should be placed by Saturday, although calls will be accepted until 9 a.m. Tuesday.

## Township Reconvenes April 3 Annual Meeting

Northville township's annual meeting will resume next Tuesday evening after an adjournment of nearly 60 days.

The adjournment came about as the result of a motion to study the advantages of charter township form of government.

The matter of expanding the board to seven members from the present is also expected to be discussed.

The meeting will be held at the community building at 8 p.m. and will also serve as the regular monthly board meeting.

## New Address for Post Office

Saturday is moving day for the post office.

Postmaster John Steimel said that moving of small items had already begun and that the com-

plete move from North Center street to Wing and Cady will be finished Saturday.

The post office will be open for business in its new location Tuesday, June 1.

## Youth Killed in Crash

Mark L. Byard, a 1964 graduate of Northville high school, was killed early Sunday morning when the car which he was driving failed to negotiate a curve at Griswold and Baseline roads.

He is the son of Mr. and Mrs. John Begle, 41700 West Nine Mile road. He would have been 19 years old Tuesday, the day of his funeral.

State police report that Byard, who was alone in the car, was driving north on Griswold at a speed estimated at 60 miles an hour. The curve is posted at 40 miles per hour. The car swerved along the north side of Baseline tearing down 50-feet of fence in front of the W. B. Chase residence. It then cut back across to the road some 100 feet south of

Baseline. Police reported skid marks of 170 feet.

Byard was taken by ambulance to St. Mary hospital where he was reported dead upon arrival.

The accident occurred at 1:20 a.m.

Memorial services were held at 3 p.m. Tuesday at the First Presbyterian church with the Reverend Lloyd Brasour officiating. Private family interment services were held at Rural Hill cemetery.

Byard was born on May 25, 1946 in Detroit. He had lived with his family in Northville for 11 years. He was employed by Commercial Contractors company and was a member of the First Presbyterian church of Northville.

## June 14 Ballot Holds 3 Issues

The June 14 ballot for school district voters is now set.

It will contain two candidates for a single seat on the board of education, two proposals for school bond issues and two candidates for a single seat on the board of trustees of Schoolcraft college.

Incumbent E. O. Weber and Donald Lawrence, a former board member, are candidates for the four-year school board term.

The two building proposals involve (1) \$2,800,000 bond issue for new junior high school, elementary school, improvements to high school, conversion of present junior high school, bus repair facility, acquiring additional school site and playground and site development; and (2) \$500,000 for construction of a swimming pool.

In an at-large race for a position on the college board of trustees incumbent Sam Hudson of Plymouth is being challenged by Mrs. Rosina Raymond of Livonia.

In Novi the school board election became a contest when the name of A. J. Heslip was placed on the ballot. A veteran of 10 years on the Novi board, Heslip had announced his retirement. But someone else filed his petitions.

Now Heslip, incumbent Russell Taylor and Keith Branch will compete for the two openings on the board.

Heslip said he would take a "passive role" in the campaign.

## Carol Schlack Married In Double Ring Ceremony

Carol Ann Schlack became the bride of Howard Lee Redman in a double ring ceremony at the First Baptist church in South Lyon on

April 24. The Rev. Talmadge Hall, pastor of the church, officiated. Carol is the daughter of Mr.

and Mrs. Max H. Schlack of Eleven Mile road, Wixom. Her bridegroom is the son of Mr. and Mrs. Clovis Redman of Seven Mile road, South Lyon.

The bride wore a short gown fashioned of white lace over taffeta, with long sleeves, scalloped neckline and hem, and a big bow in back. Her shoulder length veil was held in place by a crown of seed pearls. She carried a bouquet of yellow roses and white chrysanthemums.

Mrs. Clifton Lucas of New Hudson, as matron of honor, wore a street length gown of blue brocade with scoop neckline, white accessories and a white carnation corsage.

Clifton Lucas served as best man.

Mrs. Schlack chose a two-piece pastel pink wool with beige accessories for her daughter's wedding, while Mrs. Redman wore royal blue taffeta. Both mothers had white carnation corsages.

A reception for 120 guests was held at the VFW Hall following the wedding.

The bride wore a bright pink suit with white accessories for the wedding trip to Cleveland, Ohio.

The young couple attended South Lyon schools, where Mrs. Redman will graduate in June.

### TULIP FESTIVAL

Acres of enchantment and sweet-scented fields of jewel-like tulips were among the highlights of Tulip Time in Holland, Michigan. My husband and I attended the opening day of the 36th Annual Festival in May.

The main feature of the Festival this year was De Zwaan (The Swan), a magnificent 12 1/2 storied windmill, purchased and imported from The Netherlands, and dedicated personally last April by Prince Bernhard, Dismantled, and brought over piece by piece, this authentic mill was erected on what was formerly a bit of marshland in the heart

of the city of Holland. On this 36 acre plot is a bird's-eye view of old Holland - the towering mill, glorious tulip beds, and a hand-operated drawbridge spanning a typical Dutch canal.

At the opening Volks Parade site we stood anxiously awaiting the famed Klompen Dancers, and the traditional Street Scrubbers, all in Dutch costume, among them Governor Romney in his burgher's dress complete with scrub broom and wooden shoes. Following the colorful floats and many school bands came the 450 Klompen Dancers - high school girls attired in both boy and girl costume. These students, having qualified to dance, practice indoor all winter, and begin outside practice as soon as the snow melts from the streets. The dance consists of groups of twelve, performing a rigorous Dutch dance in wooden shoes, to music from the loud-speakers. Underneath the black stockings, an authentic part of the costume, each dancer wears 7 pairs of heavy athletic-type socks for padding in the wooden shoes! It is said that no matter how many times one sees the dance given, it is always a thrill to see this colorful group, stretching block after block, executing their intricate steps.

Touring the tulip farms, we were awed by the splendor of the colorful fields, filled with rows of every imaginable shade and variety of tulips - grown from bulbs imported from the Netherlands every 3 years. As we began our tulip inspection, we were given order blanks, which we turned in at conveniently located sheds, for future mail delivery.

A long-to-be remembered picture were the groups of small children dressed in native costumes, clustered beneath flowering trees in the tulip beds, on our ride through Tulip Lane, which winds 7 miles through the city. These "little burghers" smiled and waved at each passing car, and when I asked one group, heads barely visible among tall tulips, if I might "snap" them, the reply was a sweet "Please do - that's what we're here for."

In addition to these breath-taking sights, and there were many others we could not see in the 4-day festival, were the numerous city parks. These abound with water-fountains, formal plant settings, flowering trees and shrubs - and in one park were several blooming Fuschia trees in tubs - just 5 feet high and 22 years old! Thousands of plants are grown and stored in the city's 3 greenhouses, and even the 1000 Goldfish find a cozy winter home there. Here, too, are produced the Marigolds for summer color throughout the city, and the geraniums which fill the hanging baskets, making Holland a charming place, riotous in atmosphere and color, where even the dandelions seem to be smiling "Welkom Vrienden!"

### WAYSIDE GARDENS

Another "should see" place, according to Mrs. E. O. Whittington, is Wayside Gardens, in Ohio. Thinking she was "just going along" with her husband on a business trip, the business completed, Mr. and Mrs. Whittington found themselves in the Nursery Center of the World. Many of us have known for years, of the Wayside Gardens through reading its seed catalogs, but perhaps have not realized its breathtaking beauty and enormity. As Mrs. Whittington points out - there are over 500 acres in this particular nursery, and visitors are most royally welcomed and invited to tour the grounds. Though many of the spring trees were not yet in bloom, the Whittingtons were thrilled to see acre after acre of rows of flowering trees just ready to burst into blossom - magnolia, crab, redbud, dogwood, and what the trees lacked in color was made up for in the fields of vibrantly blooming spring flowers and shrubs - daffodils, hyacinth, azaleas, phlox - as far as the eye could travel.

## Swimming Club Opens Saturday

Northville swim club members will "dive" into a new season Saturday when the club opens for the summer. The pool will be open on weekends until school closes and then will be open daily from 10 a.m. until 10 p.m. The club, located behind the Northville high school, has an olympic-size pool with over 5,000 square feet of swimming area. The club also offers a 1,600 square foot area bath house, small pool and play area for small

children. The regular pool is heated with underwater lighting for night swimming. Jim Patterson, the pool manager, said that competitive swim teams will be formed for age group up to 18 years old. Meets will also be scheduled with other clubs. Memberships are still available and anyone interested in joining can call Betty Sterner, 349-3879 or Lyn Morian 349-2897.

## Seniors Taking Lake Cruise

Members of the Northville high school class of 1965 will head for Mackinac Island Saturday on the S. S. South America. They will board the ship for their weekend trip at 3:30 p.m. at the foot of Woodward avenue in downtown Detroit. They will provide their own transportation to the dock. This jaunt is a non-school activity. It is being undertaken by the students and their parents. The last senior trip sanctioned by the board of education was taken in 1959. ## Methodists Preparing Directory

The First Methodist church of Northville is planning on a new church directory. The book will feature a photo of every family in the parish, both members and constituents. It will also include a schedule of church activities and services brief history of the church, listing of ushers for the year, officers of all organizations, commissions, and committees, a copy of the annual budget, and the church membership roll with addresses and telephone numbers. All families related to the church parish in any way are urged to sign up for an appointment with the photographer. Pictures will be in color. There is no obligation except to keep the appointment. Pictures will be taken in Richards Fellowship Hall June 2, 3, 4 and 5. The committee to arrange details includes Claude Morgan, Essie Nirder, Douglas Bolton, Mrs. Walter Stammann and the Reverend S. D. Kinde.

## First Call

Ken Conley, director of the Northville recreation program, is starting to line up baseball schedules for the summer. Any organizations or group of residents who wish to enter a team in the men's softball league are asked to attend a meeting at 7:30 p.m. tonight at the scout recreation building. Further, boys who will be 14 before September 1 but have not reached their 16th birthday by that date can participate in the recreation baseball program. Conley is calling a meeting for 1:30 p.m. Saturday at the scout building to for a boys league. If a player cannot attend he is asked to call 349-0203 between 1-2 p.m. Saturday.

## Class of '35 Holds Reunion

The 1935 graduating class of Northville high school held its 30th annual reunion Saturday, May 22, at the Hillside Inn. Fifty-two guests were on hand to honor Mr. and Mrs. Russell Amerman and Mr. and Mrs. Paul Thompson. Thompson was principal of the high school in 1935.

## Tap VFW Officers

Installation of officers of the Veterans of Foreign Wars Post took place Friday. Three husbands and wife "teams" will serve the post and auxiliary in the forthcoming year. They are Mr. and Mrs. Clayton Myers as post commander and auxiliary president, Mr. and Mrs. Ray Paquin as senior vice - commander and senior vice - president and Mr. and Mrs.

William Widmaler as junior vice-commander and junior vice-president. Mr. and Mrs. Myers also served as commander and president ten years ago. Installing officers were Charles Williges and Mrs. Frank Broda.

## Perform for Parents

The eighth grade students of Our Lady of Victory school found that parents make the best audience as the curtain went up Tuesday evening on five one-act plays. The production was staged by members of the eighth grade graduation class in honor of their parents, and while they did not worry about box office receipts they played to appreciative critics. All students took part and the plays presented were "Selma Goes Psychic", "The White Elephant Comes Home," "Midge Goes to the Movies," "Yellow Tulips" and the "Case of the Glass Slippers."

## Go Ahead... Go Cadillac!

Before you buy any car at any price, consider a Cadillac first of all. New or previously owned, a Cadillac is the one way to be sure your investment will buy the most and last the longest.

Whatever you have budgeted for your next car, your Cadillac dealer has a Cadillac to fit your plans. Naturally, if your choice were unrestricted, you would prefer a new 1965 Cadillac like the Sedan de Ville in front. Next best would be a late-model, previously-owned Cadillac such

as the black 1963 Sedan de Ville, above. A well-maintained, one-owner used Cadillac is actually the only real rival of a new Cadillac. Because of the popularity of the 1965 model, your authorized dealer is the one logical place to go for the best selection of fine used Cadillacs.

## SPEAKING

# for The Record

By BILL SLIGER

Memorial Day traditionally signals the opening of care-free summer vacation days.

Between now and Labor Day Americans of all ages will jam the lakes and parks of our state and nation in the quest of fun and relaxation.

Most will find both. Some will experience tragedy.

There's no way, yet known to man, to avoid accidents. Careful as we may be, accidents still happen and someone is injured or killed.

We can, however, strive to hold the number of accidents to a minimum. Really, that's why such columns as this are written - to remind each of us again that children are running in the street, that speed can kill, that we're a year older and can't swim as far as we once did, that there is such a thing as heat exhaustion, that when we try to drive 500 miles a day to arrive at our vacation destination we could fall asleep and ruin all the plans.

These are the usual reminders and they bear repeating.

Still, there is more that we can do. It involves personal preparation - equipping ourselves to the best of our ability for whatever responsibility might one day befall us.

I am not familiar with actual statistics, but I suspect that we're raising a better crop of motorists due to our driver education program in today's schools.

All of which brings me to my subject - a swimming pool for the Northville schools.

I cannot pretend to be impartial on this subject. I believe that swimming is the best form of physical exercise a youngster can enjoy.

A youngster who has been properly trained to swim is physically healthier, less likely to succumb to drowning, and more likely to save the life of another person in the water.

Just how important are these attributes to the education and up-bringing of our youngsters?

I can sympathize (with some difficulty) with school board members who say that the academic recommendations of the June 14 election are most important and should not be endangered by the proposal for a swimming pool. Like these board members, I would not want to see the school building program scuttled because voters oppose the frill of a swimming pool.

But what about a swimming safety program? What value would you place on such training if your life, or that of your child's, depended upon the ability of a youngster to perform in the water?

It may sound ridiculous, but what good is an "A" in Latin when you're going down for the third time?

Plymouth has had a swimming pool in its high school since 1952. Recreation Director Herb Woolweaver calls swimming the "number one program" of the entire system. The pool receives almost constant use - summer and winter - from adults and youngsters, alike.

They're even teaching first graders now because the swimming program has been so successful that few youngsters in older grades need lessons.

It should be our endeavor to provide the best-balanced educational program possible within our resources.

I think a swimming program in our schools is long overdue, not a frill - very possibly a life-saver.

The fact that under the state qualified bond issue the pool facility is available within the same total millage increase of 1.3 mills certainly helps make the prospect of passage more feasible.

But this is not a reason for voting "yes". It just makes it easier.

# NORTHVILLE CITY COUNCIL MINUTES

The regular meeting of the Northville City Council was called to order by Mayor Allen at the Northville City Hall on Monday, May 3, 1965, 8:00 p.m. Present: Allen, Black and Kester. Absent: Canterbury and Carlson.

Minutes of the last meeting were approved.

Moved by Allen, supported by Kester that John Canterbury be elected Mayor Pro-tem. Unanimously carried.

Moved by Black, supported by Kester that bills in the following amounts be paid: General-\$23, 203.73; Water-\$1,582.14. Unanimously carried.

**COMMUNICATIONS:**  
A thank you note from Beatrice Carlson to the City Council for their kindness and consideration while she was in the hospital. Letter from Waring and Johnson, planning consultants, relative to restriction for proposed Northville Heights Subdivision #2. At the Planning Commission meeting of April 20th, restrictions were reviewed, also corrections and additions that have been made and these were found reasonable and in good order as they relate to Ordinance #139 and the Zoning Ordinance.

A petition with 31 signatures, petitioning for the paving of Scott, Grandview and Spring Drive was read to Council; Clerk instructed to place on file for further consideration.

### COMMUNICATION FROM CITIZENS

Mr. Gil Glasson of Fairbrook street stated that there are still fumes in the homes on Fairbrook street, particularly after a rain. The City Manager said he had checked all available sources concerning this. The City Manager will check regarding insurance liability.

### RECEIVING PLANNING COMMISSION MINUTES:

The minutes of the Northville City Planning Commission for April 20th and 27th were received.

### FURTHER CONSIDERATION OF PARKING RESTRICTIONS FOR CENTRAL BUSINESS DISTRICT:

Moved by Black, supported by Kester that the resolution prohibiting over-night parking in the Central Business District be adopted. Unanimously carried. (resolution on file)

### REQUEST BY MR. PINK FOR FINAL APPROVAL OF HIS PLOT FOR NORTHVILLE HEIGHTS #2.

After some discussion regarding off-site costs and the layout for sewer and water for this area, it was felt that the city would be in a poor position if the storm sewer were to empty on the St. Lawrence property without an easement. Mr. Pink is to contact Mr. St. Lawrence again.

### award bids for 1965 SPRING STREET REPAIR PROGRAM:

The City Manager read the recommendation from the City Engineer relative to the 1965 Spring Street repair program.

Moved by Kester, supported by Allen that the contract be awarded to the lowest bidder-Oakland Paving Company, in the amount of \$58,538.75. Unanimously carried.

### FURTHER CONSIDERATION OF AGREEMENT WITH MR. PENN FOR ENGINEERING RANDOLPH STREET:

This is to wait until after budget meeting on Thursday, May 6th.

### DISCUSSION OF PARKING METER SITUATION:

A call is to be made after Wednesday, May 5th when the village of Algonac holds its Council meeting. This will give

the City of Northville, Algonac's decision relative to selling their parking meters.

### CONSIDERATION OF APPOINTMENTS TO FILL VARIOUS COMMITTEE VACANCIES:

Moved by Allen, supported by Kester to ask Del Black to replace Mr. Ambler on the Recreation Committee and Ed Welch be asked to consider his re-appointment to the Recreation Committee. Unanimously carried.

Mr. Black accepted the appointment.

The remainder of the vacancies are to be considered at the May 18th meeting.

### MISCELLANEOUS:

Mr. Allen asked what the City Manager had heard from Oakland County regarding Northwest Contractor's responsibilities within the City after their recent construction with the Novi Sewer. He also mentioned the shed of Mr. Yerkes that had been damaged.

The City Engineer was instructed to continue on with the 1964 sidewalk assessment and to start a new list for the 1965 sidewalk assessments.

### Mr. Kester reported on the meeting with Northville Township representative, Mr. James Tellam, Mr. Bernard Baldwin, and Mr. Allen and himself regarding the City Dump.

The City Engineer is to determine roughly when the dump will be filled to capacity--minimum and maximum.

Mr. Kester would like a list of unfinished business as read at a previous meeting.

Mr. Kester mentioned the left

turn at Center and Main streets and suggested removing the 1st parking space on the west side of N. Center.

Moved by Kester, supported by Allen that the southernmost parking space on the west side of Center street, north of Main street be removed. Unanimously carried.

Mr. Kester mentioned that the local theatre has quite an accumulation of rubbish in the rear of its building, the City Manager is to check this and contact owner.

Moved by Kester, supported by Black that the regular Council Meeting of Monday, May 17th be changed to Tuesday, May 18th because of Mayor's Exchange Day. Unanimously carried.

## Dr. Hunter To Preach

Dr. John Hunter will be speaking for three nights next week at the Salem Baptist church.

He will conduct an evangelism program June 2, 3, and 4, beginning at 7 p.m. each night.

Dr. Hunter, who has preached extensively in the U.S. and several foreign countries, is now pastor of the Ambassador Baptist church in Royal Oak. He is originally from Scotland.

Pastor Rex L. Dye and the congregation invite all to come and hear Dr. Hunter's message. There will also be music and singing each evening and nursery service will be provided.

Salem Baptist is located at 8110 Chubb road between Six and Seven Mile roads in Salem.

change Day. Unanimously carried.

Mr. Black suggested that the firemen and policemen be asked to use caution in approaching the fire station relative to speed when answering fire calls.

Mr. Allen said that he and Mr. Canterbury had spent some time reviewing the parking lots and that Council would receive a written report a little later. Two of their conclusions were that (1) Wing street lots should be unrestricted for the present, (2) Presbyterian Church lot (south of building toward Cady st. should not be restricted at present. Remainder of the lots to be posted for two hours.

The City Manager is to check the supply of 2 hour parking signs and if there are not enough to cover the above recommendation, he is to order more.

There being no further business, the meeting adjourned at 10:40 p.m.

Respectfully,  
Martha M. Milne  
City Clerk

## Optimists Elect Skow Lt.-Gov.

The annual convention of the Michigan District of Optimist International was held at Traverse City May 20-22. The Northville club was represented by President Al Skow and Secretary Don Severance.

Al Skow was elected to the post of Lieutenant Governor of Zone 9, consisting of six clubs including Walled Lake, Northville, Livonia, Clarenceville, Tri-City and Northwest-Detroit.

IT'S REALTOR WEEK - Mayor A. M. Allen officially proclaimed May 23-29 Realtor Week in Northville, an annual observance of the organization. You build a new home to get exactly what you want

why not get the heating system that gives you exactly what you want

Electric heat is custom heat. There's a thermostat in each room so you can dial the exact warmth you want... in the baby's room, the den, the kitchen, every room!  
Electric heat is the clean, modern heat. No drafts or cold spots. You get even heat from head to feet. Ideal for your new home.

It's also a good choice as supplemental heat for your present home--to warm up a chilly bedroom or new family room.

The cost? That depends on your particular home. Electric heat may be your most economical heat. It won't cost you a penny to find out for sure. Just call Edison for a free estimate.

## EDISON

A lower all-electric rate saves you as much as 20% on your heating bill if yours is an All-Electric Home. More reason than ever to enjoy all-electric living.

### Scholar

**LESLIE SHEEHAN**  
Leslie Sheehan, a 1961 graduate of Northville high school, has been awarded a graduate work-study scholarship at the University of Michigan.

A chemistry major, Miss Sheehan will graduate in June from Eastern Michigan University, where she is affiliated with Alpha Omicron Pi sorority.

She has served as scholarship chairman and recording secretary of Beta Pi Chapter and was recently named outstanding senior based on scholarship, campus activities and service to the sorority.

Miss Sheehan is the daughter of Mr. and Mrs. Leo A. Sheehan, 19577 Clement road.

### Soellner Presiding

New officers are presiding over student council affairs today at Northville junior high school.

They are Mayor Bill Soellner, Vice-Mayor Jane Forrer, Secretary Judy Bogart and Treasurer Laura Gelder.

All were elected by the student body last Wednesday.

Others who ran were Patti Budek and Mary Prodrger for mayor, Sherry Zayt for vice-mayor, Julie Brown for secretary, and David Wright for treasurer.

### Exhibiting Watercolor

Chris Stoeffel Overvoorde, 53 Brookside Place, Northville, is represented in the 55th Exhibition for Michigan Artists which opened to the public May 19 at The Detroit Institute of Arts.

The watercolor entry, "Listening to Winter," was selected by a three-man visiting jury for the exhibition. One hundred and sixteen items were chosen from 1,690 submitted.

The 55th Exhibition for Michigan Artists may be seen at The Detroit Institute of Arts through June 13. The museum is open from 9 a.m. to 9 p.m. Tuesday through Friday; 9 a.m. to 6 p.m. Saturday and Sunday, closed Mondays and holidays.

### Elect Slate

At the May meeting of the Novi library board, new board officers were elected.

They are president, Mrs. William Paquette; vice-president and treasurer, Dirk Groenenberg; secretary, Richard Vyk-dal.

All will serve one year.

# Mustangs Second Best on Diamond

Hope ran out on the Northville Mustangs Monday night.

Up to that point Northville was in contention for Wayne-Oakland baseball League honors with a 9-4 slate. Milford headed the pack with a 9-3 record and two games to go.

But it was not to be as Coach Bob Kucher's charges had to settle for a share of second place with Bloomfield Hills. Both ended the conference season with identical 9-5 records.

Holly eliminated Northville from the mathematical run for a piece of the championship when the Broncos beat the Mustangs in extra innings, 6-5.

A single, a walk and a perfect safe bunt loaded the sacks for Holly, then a squeeze worked to perfection.

Before the deciding marker crossed the plate, the two teams were playing a game of the big inning.

With four runs in the bottom half of the fourth, Holly jumped to a four run lead. All the runs were unearned, coming on five hits and an error. Big stroke of the evening was Mark Phalen's homer with two men on base.

Northville's five-run fifth inning was a grind-em-out affair to give the local nine a short lived 5-4 lead.

Pinch hitting, Mike Turnbull walked and scored on Chuck

Boerger's long triple to right field. Catcher Doug Swiss then lined a single to left to score Boerger. He moved to second on a throwing error and reached third when the third baseman bobbled Jerry Imsland's grounder.

Then Northville worked a double steal with Swiss delivering a crushing blow as he bulled into the catcher, jarring the ball loose. Imsland took second. Bob Tuck's ground ball then

## Mustang 9 In Tourney

The Northville Mustangs, one of 16 teams in the Pontiac Press baseball tourney, will square off against tough Pontiac Northern at 8 p.m. tomorrow night in the opening round.

One loss and a team is eliminated from the tourney, which will be held at Jaycee Park in Pontiac at the corner of Walton Boulevard and Joslyn road.

If the Mustangs win Friday, they will play the winner of the Avondale-Madison Heights game at 7 p.m. Monday. A win there would carry Northville into the semi-finals 8 p.m. Wednesday.

The finals will be held Thursday at 8 p.m.

squirted through the second baseman to score Imsland, and Tuck took second on the throw to the plate.

When the catcher juggled the ball, Tuck took third. John Jameson squeezed Tuck home with a perfect bunt.

Holly came back to tie the game and send it into extra innings. The Broncos did it on a triple and a squeeze.

Reliever Mike Grant was tabbed with the loss, his second against three wins.

Northville kept close to Milford in the conference race by upending West Bloomfield last Thursday, 9-4, on the road.

Pitcher Grant, who gained credit for the win, and Tuck were the big guns. Both had three hits apiece, and Grant had four RBI's.

Single runs in the first and second, three in the third and four in the fourth frame sewed it up for Northville. West Bloomfield's four runs were scored in the last inning, long after the game was decided.

Kucher's club fashioned three runs in the third. Tuck and Dave Boerger singled. Bob Bartski forced Boerger at second as Tuck took third.

Tuck tallied on Bob Beller's grounder. Then Grant singled home two runs.

The Mustangs began the fourth in the same manner. Imsland and

Tuck singled and Jameson spanked another single to score Imsland. Dave Boerger forced Jameson, but Bartski lashed a single to score Tuck.

Beller walked. Grant produced two more runs by lining out a single.

Friday's encounter with visiting Livonia Franklin was simply a case of too much power and polish for the Mustangs. Franklin walloped Northville, 13-1.

Mike Cannon, Franklin's starting twirler who went all the way, struck out four and walked none. He permitted only three runners to reach base - Jameson with a double - and two other Mustangs on errors. He was in control all the way, especially with some sparkling defensive play in the field.

1965 MUSTANGS—It's on to the Pontiac Press Tourney for the Mustangs, who just wound up the W-O league season with a 9-5 record, good for a second place tie. They are (front l-r) Bob Rathert, John Jameson, Chuck Boerger, Pat Hall, Tom

Frounfeller, Bob Beller, Doug Swiss, Bob Bartski; (back) Coach Bob Kucher, Al Martin, Mike Turnbull, Bob Tuck, Jerry Imsland, Steve Evans, Dave Boerger, Phil Andrews, Mike Grant and John Mach.

## Team Finishes 4th

# St. Germain Shares State Golf Crown

Defending medalist in the Wayne-Oakland Conference and the state prep golf tournament, Northville's Jim St. Germain, met some stiff competition but retained his titles.

St. Germain had to settle for a four-way tie for medalist honors Saturday in state competition at Midland. He carded rounds of 41-36 for a 77.

In the league meet held last Thursday at Burroughs Country Club in Brighton, St. Germain tied with two others for individual honors with a 77. But in a three-hole playoff, he copped the honor outright.

Teammate Jim Bertoni was one of those eliminated in the singles showdown.

But Bertoni had his day Monday in the Pontiac Press tournament. He tied teammate Ted Bunker for

medalist laurels with a 77, then beat Bunker on the second hole of a playoff.

With the exception of the Pontiac Press tourney in which Northville grabbed class B honors, the local linksters fell just shy of sweeping all the marbles.

Playing without the services of St. Germain, the Mustangs stopped all other class B teams Monday at Pontiac with a total of 415. Bertoni and Ted Bunker shot blazing 78's to pace the team. Rick Talbot had an 83 and Bob Regenhardt an 86.

Long time league foe, Bloomfield Hills, topped the field at Pontiac with a 386. Other class A teams placing higher than Northville were Waterford (387), Walled Lake (398), Rochester (413) and Pontiac Central (414). Bloomfield Hills, always a con-

tender, also took the W-O title with a 316, two strokes less than Northville.

It was a stunning setback for Coach Al Jones' golfers. With a 10 point lead on the strength of a 151 total on the first nine holes, they wilted in the stretch, firing a team total of 167.

Besides Bertoni's and St. Germain's 77's, other Northville scores were Talbot's 79 and Bunker's 85. Regenhardt finished out of the running with an 88.

After winning their second regional link championship in as many years, the Mustangs ran into real trouble in the state meet where they were considered one of the favorites to cop the class B crown.

Northville squeezed into fourth place, carding a team total of 332.

## Netters 2nd in Regional

It was Cranbrook all the way in the regional tennis meet held Friday and Saturday at Cranbrook.

The prepsters from up north tallied 22 points to far outdistance second place Northville which had eight and one-quarter points.

Five times Northville players were pitted against Cranbrook and five times the local netters came out on the short end.

Playing singles Randy Burnett won twice before losing, 6-1, 6-1. Steve Quay, Northville's other singles entry, lost in the opening round in an extended match, 2-6, 6-4, 6-1.

Both of the local doubles teams advanced to the semi-finals before bowing.

The twosome of Bob Langtry-Larry Thibos copped three consecutive matches before falling to Cranbrook opponents in straight love sets.

And the duo of Jim Long and Norbert Parent, Coach Dick Norton's strongest cards, blasted their way past two opponents before falling, 9-7, 6-2.

The combination of Dave Kerr-Randy Caliguri won one match, 6-1, 6-0, before losing, 7-5, 6-2, again to a Cranbrook tandem. Northville had more success against neighboring Walled Lake, sweeping home and home matches by identical 4-3 scores.

Long suffered a 3-6, 6-1, 6-2, setback at the hands of Pat Flannery, but Parent, Thibos and

Langtry, playing in the number two, three and four singles spots, respectively, won.

Parent stopped Gary Moore, 6-1, 7-5. Thibos blanked Al Russek, 6-0, 6-0, and Langtry downed Mike Sims, 9-7, 6-4.

The combination of Quay and Burnett was the only local doubles team to record a victory. They won 7-5, 6-4, over Bob Beaser and Terry Sanders.

In the return match here Monday, Walled Lake fielded the

same array of players, but Coach Norton switched his men around to gain the victory.

This time Long topped Flannery, 6-3, 6-0. Thibos clobbered Moore, 6-0, 6-2, and Kerr, who moved up into the third singles post, beat Russek, 6-2, 6-4. Only singles loss was Langtry's 7-5, 6-4, defeat at the hands of Sims.

Again Northville copped only one doubles match. Hart and Hill combined to upend Blough-Huhtala, 6-4, 3-6, 6-3.

## Arraigned For Park Stabbing

State police have charged a Northville youth with stabbing a Detroit teenager nearly three weeks ago at Cass-Benton park.

Gerald LaRoche, 17, of 257 Hutton was arraigned Saturday for felonious assault before Northville Municipal Judge Charles McDonald. LaRoche stood mute and was freed on a \$1,500 bond.

An examination will be held June 7 in the Northville court.

According to the state police, LaRoche plunged a knife into the left side of Eugene Carolan, 18, of Detroit during a "grasser" May 8 in the park.

A grasser was described as a "beer party on a lawn."

Carolan was released from Mt. Carmel hospital last week and is recuperating at home, police said. His left lung is still partially collapsed.

Here is the state police account of the incident:

Teenagers from Detroit and Northville had gathered at the park. Both sides were in separate areas at first. Then a Detroit's car window was broken and a rumbung took place.

The Detroiters attempted to find out who had smashed the window. They came over the top of "beer hill" located next to the toboggan run and encountered the Northville group coming up.

At this point one of the Northville youths charged Carolan with a broken beer bottle. Carolan retaliated by throwing a beer bottle at his assailant.

Then the unidentified Northville youth ran to his car. Carolan followed. Invading the car, Carolan started beating the other youth over the head with his fists.

Carolan was subsequently pulled out of the car and stabbed.

Police said a juvenile who was at the park as a "spectator" supplied LaRoche with the knife—a six-inch stillite.

Meantime, LaRoche is now serving a 60-day term in the Detroit House of Correction for assaulting a Novi youth May 7.

Arrested May 14, he stood mute and was released on \$100 bond. At his trial Monday he changed his pleas to guilty and was fined \$35 and \$10 court costs plus receiving the jail sentence in municipal court.

His victim was David Cook, 18, of 44233 Twelve Mile road. LaRoche struck Cook in the face in Cass-Benton park. Cook suffered fractured sinus bones and severely bruised left eye.

**WRECK MAUSOLEUM**—Northville Police Chief Eugene King sought warrants yesterday for four Detroit youths who willfully destroyed a memorial to the dead. The teenagers entered a mausoleum at Rural Hill cemetery May 11 after ripping off the doors and removed a crypt marker. The marker turned up in the front of Cody high school on Detroit's west side. Damage was estimated at \$600.

**THEY'RE TOPS**—Four girls won the scholarship contest sponsored by the Lady's League of Our Lady of Victory church. They are (left to right) Ann Bunker, Joyce Zayti, Virginia Bosak and Jeanette Gensley. They each received a \$100 prize to be used toward tuition at a Catholic high school of their choice.

## Refutes Robbery

An early morning robbery in Wixom Monday turned out to be a phony. An attendant at the Wixom Co-op service station reported to local police that he was held up. He said the two hold-up men told him not to call police for at least an hour. So R. M. Byrd said he had breakfast and then notified authorities. Later at the police station he kept changing his story, police said, and finally admitted taking \$60. He has promised to make restitution. If he doesn't, formal charges will be lodged against him.

## Court Proceedings

Two Detroit residents were arraigned Friday in Northville Municipal court by Judge Robert McDonald on the charge of having alcoholic beverages in their possession at the Maybury Sanatorium last Thursday.  
Elizabeth Florence of 3700 Lincoln and Arthur Barron, 2590 Fenkle pleaded guilty to the charge and were fined \$45 each.

## Fly Ballon, Win Prize

Balloons emanating from Northville will dot the sky this weekend.

The Northville Jaycees are holding a "Balloon in Orbit" contest and local youngsters will be launching the helium-filled spheres at the A&P and Kroger parking lots.

Each balloon will cost 25 cents. And the one that goes the farthest will bring a prize to its sender. A postcard will be attached to each balloon so that it can be returned.

First prize for the lucky holder will be a \$25 gift certificate redeemable at Northville stores. The certificate is donated by the Northville Chamber of Commerce.

Second and third prizes of transistor radios will be donated by the Jaycees.

Prizes will also be handed out for anyone who retrieves a balloon.

# Adapting to Ever-Increasing Automation

Every day more employers and workers have to learn to adapt to automation as it stretches out ever more powerfully throughout our industrial and service companies. There is no longer evident the earlier wild fear that automation means massive unemployment, and possibly depression. But there is now the spreading realization that changes brought about by automation must be intelligently and mutually faced by both management and labor.

To begin with, employers and employees must recognize that efficient electronic machines are still in their relatively early stages, and that much greater incursions of these mechanical miracles are to be seen. Management must resort to the automated machinery best suited to its needs if it is to meet its rising competition. Employers—even though they may be small or in outlying areas—will eventually be left far behind if they ignore the cost cutting and time saving which are made possible by automation.

Of great importance also is the absolute necessity of winning worker support for such innovations,—and that can best be done well in advance. Many working men and women quite naturally fear change, and rumors that new machines are going to be installed often upsets established company staffs. Best method of smoothing the path is to inform workers, in the greatest possible detail, of any potential efficiency moves well before formal public announcement is to be made. Every effort should be expended to make relocation, retraining, and possible replacement issues mutually acceptable.

Unless employees are made part and parcel of the planning process, they are bound to worry about unexpected layoffs and their production efforts will be hurt. Managements will find it well worth while to keep in close contact with their staff members in person, by letter, and via meetings which furnish supervisory explanation. The results of contemplated technological changes should be specified, particularly as to betterment in working conditions, competitive position, wages, and long-term employment stability. Union-organized firms should invite labor officials to work along with company planners, personnel executives, and the workers themselves during change-over preparations, to soften all possible dislocations.

Smoothest transition can be made if regular employees can be readied for the new skilled jobs that are opening up, rather than having newcomers brought in. Thus far in automation, many employers have been amazed at the capabilities and adaptability of personnel who had been working on only one set job. Interested employees can often learn brand-new skills with surprisingly little delay or difficulty.

Where actual layoffs are essential, wise employers will do everything possible to secure other jobs in the area for their men and women. Help can frequently be obtained from state and local employment services, business development groups, associates in similar lines of work, and new establishments in the territory. Also, the U.S. Employment Service is able to give tests that will reveal which employees are qualified for available openings in the vicinity. Those firms with substantial numbers of unusable workers can ask for government training programs as provided by the Manpower Development and Training Act.

Displaced employees should not be angry or discouraged by inevitable automation changes, but should take advantage of the many opportunities available.

## Communities Guide Growth

LANSING — Economic development as a field of state government activity is relatively new in Michigan but many local groups have been active in this area for well over a decade.

Although communities were concerned with the lack of industrial growth, they were looking for assistance and advice from the state before Lansing officials were fully prepared to give it.

In Olivet, for example, an official now notes it was nearly 15 years ago that a few community-minded residents formed an industrial development corporation.

Forty days after incorporation, a plant was built and ready for occupancy by an enterprising group of young men experimenting with the possibilities of fabricating steel tubing.

From a 4,000 square foot building leased by the industrial development corporation, these men expanded their business and others followed suit to give the community group some 70,000 square feet of space now in use.

Space involved, however, is not the real factor notable in the activities of the Olivet group and others like it. In Olivet, this idea 15 years ago has resulted in new employment for about 200 people, new product sales, plants and substantial other side returns on a substantial investment base.

A skeleton staff from two state agencies was able to give some advice to the Olivet group 15 years ago but theirs was relatively a pioneer effort.

Olivet, Jackson and several other communities started in this field long before the present Economic Expansion Department had gained enough legislative recognition to have the substantial budget and work force it has today.

Since the pioneer corporations of this type began, the state has provided communities with some tools to more easily do the job. Laws now allow for such things as large scale financing for industrial housing by municipalities and extensive funds for new product research.

Competition is now much keener than it was 15 years ago. Communities still face problems finding ways to locate attractive industrial and manufacturing operations.

What an Olivet official calls "attempts of piracy by desperate communities" has made the job tough for industrial development groups.

One of the main pirate tactics is offers of free rent for a limited period or delayed tax assessments on industrial property. The Olivet group decided against adopting any such tactic and apparently has been successful in offering only the good will and cooperation of the community and keeping taxes at an equitable level for all businesses.

Renewal of a quota system for admitting Michigan State University students from certain Eastern states recently raised many eyebrows about the reason behind the quota numbers.

As was explained, the states involved provide little in the way of publicly-supported higher education and thus Michigan gets a heavy influx of students from these states.

Therefore, MSU officials decided a quota system was needed to keep a good distribution of students from many other states rather than being loaded with enrollees from these few.

Michigan is listed in these Eastern states, and in others which do provide substantial public education facilities, as a state with an excellent and extensive state-supported college system.

Our state ranks second only to California in the proportion of students attending public colleges and universities, and Michigan's percentage continues to climb.

Three years ago 77.9 per cent of the Michigan college students were in public institutions while 22 per cent were in private schools. Last fall the public school enrollment was nearly 80 per cent of the total.

Despite Michigan's No. 1 ranking as a highway construction leader, the state imposes a gasoline tax lower than 24 other states.

The highest state gas tax is in Alaska where motorists pay 8 cents on every gallon. Washington state collects 7 1/2 cents and 22 other states have gasoline taxes in the 6-7 cent range.

Michigan is one of 22 states which levy a six-cents-per-gallon tax on gasoline purchases.

**Our Northville Biggest in U.S.**

By Nancee Slattery

Did you know that Northville, Michigan is the largest Northville in the United States? The other three are located in Texas, South Dakota and New York.

Northville, South Dakota has a population of 100, and the other two are even smaller.

The high school journalism class recently wrote to the other three Northvilles. A reply has been received from Northville, South Dakota.

The town consists of only five or six business places. The letter commented that "the town as a whole is going downhill."

However, the school system seems to be prospering. 116 students attend grades 9-12 in the high school, 16 more than the total population of the town. Grades 7-8 are also lodged in the same building.

The school is consolidated and is called Northwestern high school.

NHS flies its school colors of green and gold and features a wildcat as its mascot.

Sports include football, basketball and track. They had a good football season this year, the letter stated, but a poor season in basketball.

Extra-curricular activities include band, a letterman's club, a choir and an annual science fair.

The school newspaper, called the "Wildcat Howl!", is put out by the junior and senior classes.

Surprisingly, Northwestern is a "B" school with 116 students, while our NHS is also a "B" school with nearly 850 students.

**High School Elects  
Thibos New Mayor**

The announcement followed a week of campaigning by the candidates and the balloting of May 20.

New mayor is junior Larry Thibos. Larry is active in debate, forensic club, honor society and the tennis team.

He advocated the defeat of a new amendment to the constitution calling for an elected, rather than appointed vice mayor. The amendment was defeated in the balloting.

New secretary, taking over the position held by Jean Downer this year, is Junior Susie Hill. Susie, also, is active in school activities as a cheerleader, and a member of honor society, student council, GAL and forensic club.

New treasurer, taking over Glenn Delbert's job, is junior Randy Calliguri. Like Larry, Randy is a varsity tennis player, and active in honor society, forensic club and the all-school play.

The other student council officers, now held by Police Chief Jerry Burns, Health Officer Chris Robinson and Vice-Mayor Don Wayne, will be appointed in the fall.

At a school assembly May 21 this year's mayor, Larry Forth, announced the new high school student council officers.

# from the PASTOR'S STUDY

Submitted each week by one of the ministers of the area churches listed on this page.

James F. Andrews, Gen. Pas.  
Full Salvation Union

Christ is the answer to all of our problems personally and collectively. This is such a trite expression, heard so often, that it is to be feared many do not truly understand its meaning. And yet it is the very truth for our day as it has been in all past generations.

When Christ was here upon earth he said, "I do nothing of myself. The Father that dwelleth in me He doeth the works." "He that hath seen me hath seen the Father also."

Here was a person in this world clothed with physical body, just as you and I, surrounded with all the agitation and problems of His day and yet He said He did not by using His own mind figure out a course of action to take.

He had the greatest mind that has ever been in the mind realm—the human realm. He knew more about sociology, psychology, race problems, political problems, etc., than any other mind that ever has been manifested in this world.

Yet He refused to do anything of

## OUT OF THE PAST

**ONE YEAR AGO**  
Novi will not hold an official observance on Memorial day, Herb Dryer who made arrangements for the Board of Commerce which has sponsored the project in the past, stated this week that inability to obtain a band prompted cancellation of the event.

Michigan Week is over but the memory remains. Especially for Novi Councilman and Mrs. Donald Young Jr., who represented Novi in exchange with Grandville.

Winners of trophies for Wixom elementary school-clean-up poster contest sponsored by the Chamber of Commerce were Janet Proffitt, Kristine Keljo, Stephanie Madary, Laura Garlich, Bill Hickman and Chris Rentola.

A \$239,250 budget was approved Tuesday night by Wixom city council. The budget, presented by Mayor Wesley McAtee, received swift approval.

In the eyes of Northville's young prep golfers, the grass is getting greener and greener on the links as they open up new vistas in tournament competition.

For the second successive year more Northville High students than from any other Michigan school will attend Wolverine Boys' state in June.

**FIVE YEARS AGO**  
Long known as a landmark in Oakland county "along the Pontiac Trail," Wixom reportedly is now on the pathway to becoming a diversified, multi-industrial community, along with the beauty of residential living.

Novi and its first village manager have parted ways. The end actually came 10 days ago when President Joseph Crupl accepted manager Fred Olson's offer to submit his resignation.

Mr. and Mrs. Frank Martin, 43244 Eleven Mile road celebrated their 65th wedding anniversary Sunday.

The framework of Novi's first Parent-Teacher association was set last week in an organization meeting held in Orchard Hills school.

Northville officially opened its new municipal building Thursday evening in conjunction with Michigan week. More than 400 citizens toured the building.

Northville Jaycees, city firemen and public works employees

**ANNUAL DINNER**—Members of the Wayne County Home Extension Group held a yearly banquet May 18 at Roma hall in Livonia. On hand for the affair were (left to right) Mrs. John Ling and Mr. and Mrs. Harold Marks, Northville residents and members of the Northern Lites home study group. Mrs. Allan Valtby of Plymouth took their tickets. Also attending the banquet from Northville was Mrs. Harold Seden.

and members of the Ugashonton club headed by Leonard Bogotalis made Northville shine Saturday.

Barbara Forsyth of 19851 Fry road was elected Northville junior high queen Friday.

Members of the Northville Garden club beamed with pride this week following the announcement a week ago of citations for their work. Awards were given to Mrs. Orson Atchinson, Mrs. N. K. Pattison, Mrs. D. H. Clark and Mrs. John Burkman.

**FIFTEEN YEARS AGO**  
Bruce L. Turnbull and Cliff D. Hill

Bruce L. Turnbull and Clifton D. Hill will represent the exchange club of Northville in New York.

Cadet William Taft, son of Mr. and Mrs. C. F. Taft, 45518 West Eight Mile road, was one of the 176 candidates for graduation from Culver Military Academy with traditional "Iron Gate" ceremonies.

Rusty Atchison, eight-year-old son of Dr. and Mrs. Russell Atchison of South Rogers received injuries Thursday morning when the bicycle on which he was riding collided with a school bus.

Mrs. Nelson Schrader of West street was elected president of the Mother's Club Monday evening.

**TWENTY-FIVE YEARS AGO**  
Tom Edmondson, president of Tom Edmondson Ford Inc. has sold his local dealership. Edmondson and his family will continue to live in Northville.

The Legion Auxiliary poppy sale held last Saturday netted \$249.25.

During the school year, the Mother's Club has been responsible for the purchase of 7,950 one-half pints of milk daily for 66 children. The cost, \$238.50. Mr. and Mrs. Donald Purdy Yerkes celebrated their 50th anniversary Tuesday, May 28, by receiving 200 guests in their home on Eight Mile road.

Ida Altman, daughter of Mr. and Mrs. Charles Altman of Northville, will be one of the 780 seniors graduating June 10 from Michigan State college.

The Memorial Day observance was held in the P & A theatre. Speaker for the afternoon was Judge George B. Hartick of Pontiac. The observance was sponsored by the Lloyd Green Post of the American Legion.

### In Justice Court

A Detroit man paid a \$115.60 tab in Judge Emery Jacques court in Novi last week.

Donald Odegaard of 1204 Manistee was found guilty of non-support. He was assessed a fine of \$50, \$25 court costs and a \$40.60 constable fee.

Odegaard formerly lived in Novi.

A Walled Lake resident drew a twin fine of \$15. Kenneth Potter, 121 Faywood, was ticketed May 19 at Novi and Nine mile roads for allowing another person to display his operators license and for having open beer in his car.

Paul Krawczyk of Dearborn was charged with disorderly conduct at the Interstate 96 rest area May 16. At his arraignment the following morning he posted a \$100 bond.

His trial was held May 20 before Judge Robert Anderson. Krawczyk was found guilty and fined \$25.

### SELF ANALYSIS QUIZ

## How Well Do You Organize Your Time?

By Jane Sherrod Singer

Some of us gyrate around and never seem to get anything done while others go on their ways accomplishing miracles. The secret seems to be in the ability to arrange efficiently the twenty-four hours in each day and the sixty minutes in each hour. Here are some key questions to your own approach to the time table.

- |   |     |     |
|---|-----|-----|
|   | YES | NO  |
| 1. Do you live by a fairly well-set schedule for rising, eating, going to bed, etc.?                        | ( ) | ( ) |
| 2. Do you have a place for your clothing and other possessions and keep them there?                         | ( ) | ( ) |
| 3. If someone drops in on you unexpectedly are you upset and/or angry?                                      | ( ) | ( ) |
| 4. Do you agree with the adage "All work and no play makes Jack a dull boy?"                                | ( ) | ( ) |
| 5. Do you tackle your work in the order of importance?  | ( ) | ( ) |
| 6. Do you generally work with the radio or television on?   | ( ) | ( ) |
| 7. Do you make lists of things to do, purchases to make, etc.?  | ( ) | ( ) |
| 8. Are you often overcome by the feeling of panic because you think you have more to do than time to do it? | ( ) | ( ) |
| 9. Just before you go to sleep, do you calmly plan your next day's activities?                              | ( ) | ( ) |
| 10. When an unexpected invitation comes your way, do you usually drop everything and go?                    | ( ) | ( ) |
| 11. Are you usually punctual for appointments, work, etc.?  | ( ) | ( ) |

| 13. Do you rely heavily on having a watch or clock nearby?  | ( ) | ( ) |
| 14. Can you usually estimate the time correctly (within 15 minutes) without looking at a timepiece?         | ( ) | ( ) |
| 15. Do you often daydream?  | ( ) | ( ) |

### 150 Enjoy Picnic Fun

More than 150 Northville Patrol Boys and Service Girls attended an old-time picnic sponsored by the Northville Optimist Club last Saturday at the home of Dr. Waldo Johnson. Hot dogs and pop were served, foot races and other events were engaged in by the boys and girls, and trophies were awarded the winners.

### Student Council Visits Capiot

State Senator Farrell Roberts of the 14th district introduced the Northville high school student council to the state senate last Friday.

The group of 46 students and their sponsor, Assistant Principal Eugene Quay, toured the state legislature to learn more about the workings of government.
