

ON THE JOB — Roger Rehberg got right down to work Monday as he took over his duties as city manager of Northville. He succeeds Bruce Potthoff in the \$9,750 post. Potthoff is now manager of Berkley. Rehberg's wife and three daughters will join him September 1 when they will be renting the Alfred H. Smith residence at 507 Beal.

Travel Series Slated Again

The popular "Travel and Adventure Series" will be sponsored by the Northville Rotary club for the fifth season beginning this October.

Chairman of the project for Rotary is Richard Lyon who this week announced that this year's list of artists would include John Weld, James Forshee, Owne Lee, Robert Brouwer, Bathie Stuart and Kenneth Richter.

Tickets are already on sale for the color film productions, which are narrated by the adventurer. Held at the high school auditorium on Tuesday evenings, season tickets to the six travelogues may be purchased from any Rotarian for five dollars.

Perhaps the highlight of the local series is the return of Robert Bouwer, whose presentation last year won strong acclaim here.

Brouwer is scheduled to present his "Canadian Sketches" in Northville on February 22, 1966.

Brouwer has developed a revolutionary and unique presentation in which he uses three screens and four projectors. He also incorporates hi-fidelity stereophonic equipment and music and sound effects recorded on the spot.

Weld will open the 1965-66 series on October 26 with his latest travel-film production, "Ireland - from a Gypsy Caravan". The all-color film was taken by Novelist Weld and his wife as they journeyed the Emerald Isle in a horse-drawn car-

riage. Forshee, a resident of Ann Arbor, will present "The American Rockies" on November 23. In addition to the Rocky Mountain range and other popular tourist spots, he visits the U.S. Air Force Academy and ghost mining towns.

"Exploring Inner Space" is an underwater adventure filmed by Owen Lee, explorer and cameraman. He made the official color film for Captain Jacques-Yves Cousteau, inventor of the aqua-lung breathing device and author of the book and film, "The Silent World".

Lee is one of two Americans on the French diving team of Capt. Cousteau's oceanographic research vessel, "the Calypso". He will appear in Northville on January 25.

Bathie Stuart will follow Brouwer on March 15. She'll present "The New Malaysia". It is an up-to-date, all-color film-story of the newest nation in the Far East. It unites Malaya, Singapore, Sarawak and Sabah (North Borneo).

On April 12 Richter concludes the series with a film of "Poland" from its beginning to the present. He visits farm families, steel workers and university students and shares their way of life.

Those wishing to purchase tickets may make checks payable to The Northville Rotary Club and send them to P. O. Box A, Northville, Michigan.

NORTHVILLE Shopping Center SIDEWALK SALE

***AUG. 20th**

Big Day Near

Banners waving over Northville's business streets this week remind shoppers that the big day is not far away.

Merchants are planning the biggest Sidewalk Sale ever. They have been given permission by the city council to close off Main street from Center to Hutton and for one day only sale counters and clerks will replace automobiles.

A new feature has been added to this year's sale. Northville Jaycees will conduct an auction sale.

The Jaycees are seeking items to sell which are too valuable to give away. They'll auction them off for a 10 per

cent commission. Persons having any item they wish to have sold may contact Paul Sobol, 356 Debra Lane, telephone FI 9-1065.

Two auction sales will be conducted during the day at the corner of Hutton and Main street.

Meanwhile, Sidewalk Sale Chairman Charles Lapham is still taking reservations from organizations wishing to rent street or sidewalk space for the sale. Call him at FI 9-3677.

The sale is scheduled for Friday, August 20. If it rains, the sale will be held on the following day.

High School to Get Pool

The question of where to build the new \$500,000 swimming pool was answered Monday night by the Northville board of education.

It will be attached to the existing high school.

The vote was 4-1 with two board members absent. Board member James Kipter favored the new junior high school. Ed Angove, W. C. Becker, Donald Lawrence and Robert Shafer favored the high school site.

So did Superintendent of Schools Alex Nelson, the architect and 50 of the 61 citizens who sent in replies through The Rec-

ord's "pool poll". Board members Eugene Cook and William Crump were absent. Several factors influenced the board's decision. These included the possibility that another pool might be considered necessary when a second junior high school is needed, an event calculated to come about long before another high school.

The fact that a high school is more generally considered a center for community activity, that additional physical education stations are sorely needed at the high school and that it appeared more use might be gained at that location weighed heav-

ily in the determination by the board. Perhaps most important, however, was a declaration by Superintendent Nelson that junior high school students would be given a spot on the pool's schedule of weekly use.

The pool will become, the board determined, a facility for full community use, but the educational program of the school system must come first.

Board members heard a report from Henry Haberkorn of the architectural firm of O'Dell, Hewlett and Luckenbach. While he pointed to some advantages of the junior high location, he

concluded that the high school would be the preferable location. Haberkorn admitted that the cost would be "somewhat" less at the junior high school and stated that no provision had been made for the addition of a pool at the high school.

While the architect had indicated that a smaller pool might be constructed at the junior high school, Kipter wondered why a full-size pool with diving L designed for both instructional and competitive swimming (such as planned for the high school) could not be placed in the junior high school. He surmised this would take advantage of the savings that

the architect said could be realized by planning pool construction to coincide with the gymnasium and locker area. Shafer said that more money would be saved in the long run at the high school in operational cost and that the pool would also save money by providing the additional teaching stations needed at the high school.

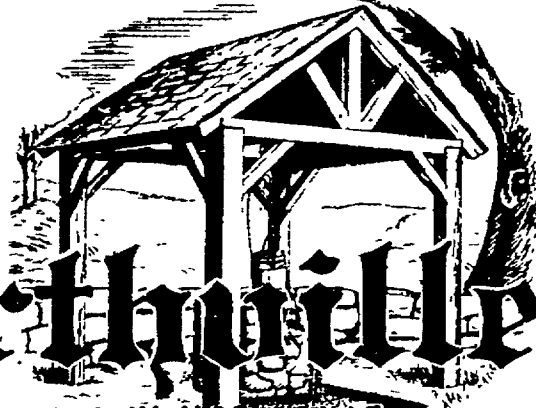

"I've concluded that the instructional program that would benefit the most to the greatest degree lies in placing the pool at the high school with as much use as possible for the junior high school", Shafer stated as he made the motion favoring the

high school site. Lawrence gave the motion "reluctant" support and added "I hope we stick to the pledge of junior high use".

While the board examined with interest the results of the "pool poll", members indicated that this only gave some indication of public opinion and was not a major factor in reaching a decision.

The pool will be constructed on the west end of the high school gymnasium wing. While no definite schedule has been announced, it has been indicated that the pool could be ready for use next fall (1966).

MacLeod Takes College Position

Dr. Kenneth MacLeod
Adrian Bound

Dr. Kenneth MacLeod, Northville's assistant superintendent of schools, submitted his resignation to the board of education Monday night.

It was accepted "with regret". Dr. MacLeod, who joined the Northville system in 1957, has accepted a position as professor of education in charge of student teachers at Adrian college.

Actually, he is retiring from public school work. His 35 years of service in public school systems entitles him to retirement benefits while holding the professorship at Adrian.

He told the board that his decision "in no way reflects on the change in administration here on July 1".

Dr. MacLeod had been a candidate for the superintendency, which was awarded to Alex Nelson.

Dr. MacLeod said the opportunity at Adrian "came up suddenly" and that he did not feel he could pass it up. He asked to be relieved of his duties here on August 31.

Board members expressed their regret at losing MacLeod and passed the motion to accept his retirement "reluctantly".

Dr. MacLeod has had a long and varied career in education. For 17 years he served in the Dearborn system as teacher, elementary principal and junior high and Fordson high school principal.

He organized and was first dean of what is now Henry Ford community college. While obtaining his doctorate in education and administration at the University of Michigan he also taught there.

Dr. MacLeod served for three years as assistant superintendent in Wyandotte and three years as high school curriculum coordinator and principal at North High School in Phoenix, Arizona. He was also in the office supply business for three years and a commander in the Naval Air Corps for 3 1/2 years.

The board met in private session with Superintendent Nelson Monday night to discuss possible successors to Dr. MacLeod.

Superintendent Nelson said that this decision had been delayed "to give me an opportunity to access the present needs". The new superintendent indicated that three administrators had already expressed interest in Dr. MacLeod's post. They are: E. V. Ellison, director of administrative services; Gene Quay, assistant high school principal; and Raymond Spear, Amerman school principal.

Following is Dr. MacLeod's letter to Superintendent Nelson: "Since I expect to retire from

public school work on or about September 1, 1965 I would appreciate being released from my contract on or about that date.

"The eight years I have spent in Northville have been rewarding in many ways.

"I have enjoyed the pleasant relationships with the members of the Boards of Education, administrators and other staff

members of the Northville Public Schools.

"It is my sincere hope that the Northville Schools will continue to stress "Education for Excellence" and that the results will be outstanding for the youth of the community.

"If I can be of assistance at any time in the future, please do not hesitate to call me."

Culbert Going To Manistee

Northville was not the only area school system to lose an administrator this week.

Tom Culbert, superintendent of Novi public schools for the past four years, submitted his resignation to the Novi board of education last Wednesday evening.

The 41-year-old Culbert will become superintendent of the Manistee system on September 1.

Culbert came to Novi from Oxford in 1961.

Novi Board President William MacDermald had high praise for Culbert. "He's done an outstanding job", MacDermald stated.

The Novi board president said

the search for a successor would begin immediately. He said the board would not be in a hurry to make a decision, however.

The new superintendent faces a building program in Novi that calls for passage of a bond issue to expand the new junior high school into a high school facility.

Until this year Novi ninth graders had come to Northville high school. This will mark the first ninth grade class at Novi and this class will become the first high school graduation class in the Novi system.

The Novi 10th graders now at Northville will be the last Novi students to attend Northville high school and will graduate with the Northville class of 1968.

Board Agenda Heavy

School board members didn't spend all their time Monday night deciding where to build a high school. There was a long agenda of routine business.

It included: Approval of the 1965-66 millage levy at 25.90 mills; this includes 18.90 for operating, 4.27 for existing bonded indebtedness and 2.73 mills for the new building program (bringing the bonded indebtedness up to the level of 7 mills as required under the qualified bond issue).

Hiring a new librarian, Mrs. Marian M. Hines of 407 Ely drive south.

Receiving bids for ceiling tile in the Main street school, fuel oil, gasoline, milk and a fence between the community building and city hall. The bids were turned over to administrators for recommendation.

Learned that the school district would qualify under federal statute to acquire title to the fish hatchery property through reassignment by the government.

The board also acted to gain a survey of a 10-acre site for the new elementary school. The school's architect said the survey was needed immediately so that construction could get underway this fall. The site is located on the south side of West Eight Mile road on the old Whipple Estate and is now owned by the Salvation Army. A purchase price of \$2,000 per acre has been agreed upon.

It was also indicated that satisfactory progress has been made towards the acquisition of a junior high school site on Taff road near the existing high school athletic field.

Building is scheduled to start this fall on the elementary building and next spring on the junior high.

It's Second In Two Years

Experiencing the biggest influx of business in its history, Foundry Flask & Equipment company of Northville announced plans this week for a three-phase expansion program scheduled to begin as soon as possible.

The 455 East Cady street plant completed a \$185,000 addition less than two years ago. The expansion program was handled through the Northville Area Economic Development Corporation as its first major project.

Foundry Flask President John A. Weber stated that the latest building program will also be made through the economic development group. The total project is expected to cost about \$250,000.

Specifically, Foundry Flask plans call for a 60 by 121 foot addition to the east side of its present plant. Company officials hope this section can be under cover before winter.

A 10,000 square foot addition on the west side and another 3,600 foot section on the south side of the present facility would follow within a three-year period.

Weber said employment had grown from 60 employees two years ago to 100 at present. He predicted the latest expansion would double employment.

Foundry Flask, which manufactures foundry tools (parts required to make castings) for the hardware, farm implement and automotive industries, enjoyed its best year in business last year.

Weber said. "And this year could be double", he added.

The first phase of the Foundry Flask expansion, the 60 by 121-foot addition to the east side of the present plant, will cost an estimated \$125,000.

Just as it handled the financing for the Foundry Flask addition two years ago, the Northville Area Economic Development Corporation will again be called

upon to construct the building. The non-profit corporation would have to raise \$25,000 locally. The Small Business Administration would provide some \$100,000.

As in the first project, the local development group would then own the building and lease it back to Foundry Flask with an agreement to sell when the total loan had been repaid with interest.

In the first project the development corporation sold \$27,500 worth of six per cent debentures. SBA money is available for such expansions at 5 1/2 per cent.

In a meeting held last week members of the development corporation voted to proceed with the Foundry Flask request and submit necessary paper work to SBA for the loan. Attorney Philip Oglivie, representing the development corporation, anticipates a two or three week period before approval can be expected from SBA.

At that time the corporation would organize its campaign for a community-wide sale of debentures.

The Northville Area Economic Development Committee is the parent organization and has within its frame-work the development corporation which is legally constituted to transact business.

Donald Lawrence is president of the committee and Fred Kester heads the development corporation.

Attending last week's meeting when the expansion project was considered were Kester, Lawrence, Oglivie, A. M. Allen, John Canterbury, John Carlo, A. R. Clarke, Donald Hannabarger, Alex Lawrence, John Miller, William Slinger and Gunnar Stromberg.

Development Group Purchases Property

The Foundry Flask expansion was just one of three projects discussed by the Northville Area Economic Development Committee last week.

Agreement to purchase two properties in the community business area was also reached.

The group voted to purchase the John Mach Ford building at 117 West Main street from owner Dayton Bunn. The purchase price was \$17,250. A \$5,000 down payment plus \$2,500 to raise down the structure was tared in pledges from development committee

members present.

The Mach agency will move to a new building presently under construction on the Seven Mile road cut-off sometime in September.

The lot measures 68 by 118 feet and is adjoining a city-owned parcel.

Also purchased by the development group was the Frank Sumner residence, 111 South Wing. The Sumners will remain in the home, which has six apartments. They will remain rented under the ownership of the development corporation.

Carol Budek Wed Saturday

The Good Shepherd Lutheran Church, Redford, was the setting August 7 for the wedding of Carol Jane Budek and Melvin E. Jones. The two o'clock ceremony was conducted by the Pastor David Strang and the Reverend Mark Mitchell.

The bride is the daughter of Mr. and Mrs. Theodore Budek of 17685 Ridge Road. The groom is the son of Mr. and Mrs. Eldon Jones of Stanton.

The church was decorated with white altar flowers. The music was a trumpet voluntary for the processional and a trumpet tune for the recessional. Douglas Brown was the organist and David Blackington was trumpeter. Both are from the University of Michigan.

The bride wore a floor-length peau de soie gown with lace applique, lace collar and train. She also wore a veil of silk illusion which she made herself.

Roselyn Budek, sister of the bride, was maid of honor. She made the aqua taffeta brocade gowns which she and the other bridesmaids wore. The gowns had empire waists.

Bridesmaids were Patricia Budek, Susan Hungerford and Marcia Jones, the groom's sister. Christine and Marita Budek, sisters of the bride, were the flower girls.

Merlyn Jones served his brother as best man. Groomsman were Keith Jones, also the groom's brother, George Berryman and Darrel Walters. Seating the guests were Ted Budek and Henry Vander Mude.

Mrs. Budek wore a sheath dress with a light coat, both of blue lace over blue taffeta. Mrs. Jones chose a sheath dress of pink taffeta covered with white lace.

A reception was held for 150 people following the wedding in the church parlors, which were decorated in pink and white. The bride and her mother made the wedding cake. The guests came from Stanton, Detroit and the upper peninsula.

The bride's going away outfit was a pink sheath with jacket. The couple are on a two-week wedding trip to northern Michigan and Canada. When they return, they will reside in a cottage on Derby Lake in Stanton.

The bride has completed part of her junior year work at the University of Michigan, and will complete her education at Central Michigan University.

The groom graduated from the University of Michigan in May, 1965 with a master's degree. He is now teaching school in Stanton.

Births

Mr. and Mrs. Paul Sobol of 356 Debra Lane announce the birth of a son, Daniel Paul, born August 4 at St. Mary hospital. The baby weighed six pounds, seven ounces. Maternal grandparents are Mr. and Mrs. Robert Alm of South Haven, and paternal grandparents are Mr. and Mrs. Oscar Sobol of Wayne.

Mr. and Mrs. George Ortwine of 25587 Clark, Novi announce the birth of a daughter, Debra Lynn. She was born July 28 at St. Mary hospital, and weighed eight pounds, 13 ounces at birth. She has a brother, Wade, and a sister, Ruth Ann. The baby's paternal grandmother is Mrs. Anna Ortwine of 25587 Clark, and maternal grandfather is Mr. David H. Pullen of 41720 Eight Mile road.

Wed in LA

Mr. and Mrs. Arthur Thomson of West Seven Mile announce the marriage of their grandson, William F. Horan, to Helen Croteau of Cady street. They were married in Los Angeles July 28. Ann Scott of Plymouth was maid of honor, Dennis Madigan, formerly of Northville, flew in from San Francisco to serve as best man.

The couple plan to make their home in San Francisco.

News Around Northville

The Cloyce Meyers family of 118 Linden Street returned last week from a three-week visit with their son and daughter-in-law, Mr. and Mrs. Richard Meyers, in Sacramento, California. They also went to Disneyland and San Francisco. Mrs. Meyers reports that "the weather was very nice and it was a very enjoyable trip."

"This is very midsummer madness..." claimed Shakespeare in the "Twelfth Night." Whether madness or gladness, midsummer activities continued in full force throughout Northville this week.

George Kohs, Jr., son of Mr. and Mrs. George Kohs of 473 West Cady, is carrying out a family tradition this summer as he studies at Culver Military Academy. The tradition began with Mr. Kohs, and was continued by George's older brothers, Curt and Gary, who also attended Culver. George will be a junior at Northville high this fall.

Attention 1960 NHS graduates! A class reunion will be held August 23 at the Highland recreation area. All members of the class of '60 are urged to contact David Nash, 349-1372, or Janet (Wilson) Juday, 427-5037, for more information. The organizers would "like to see everybody there."

Suste Eastland, daughter of Dr. and Mrs. J. K. Eastland of 46900 Chigwidden, is home for the summer from the University of Arizona. She will return to school September 6. On the U. of A. campus she lives at the Alpha Omicron Pi sorority house. She is working for the summer at the new Westland Center.

The Perry Taylors of 340 Penneil had a busy week. Friends from the Handicap Society of Jackson visited last Thursday, including Margaret Woelfla, Mrs. Florence VanHorn, Mrs. Harry Ferris, Mrs. Fred Beck and Mrs. Russell Benedict. On Friday Mr. and Mrs. Harry J. Dusseau of Adrian were dinner guests. Mrs. Dusseau is Mrs. Taylor's sister.

Technical Sergeant Ellwood Manning and his wife, Airman First Class Sherry Manning, be doing a lot of visiting during their 30-day leave from Travis Air Force Base. Their first stop will be Denver, Colorado, and then they'll be going to Nebraska to visit his parents. After that they'll stop in Northville to visit her parents, Mr. and Mrs. Guy Coykendall of 47150 Seven Mile. On their way home they plan to visit Ellwood's brothers in Kansas and Texas and Sherry's aunt in southern California. They also will do a little sightseeing before returning to the base.

Convention news - the 17th annual National Hobby Show and Convention of the All States Hobby club was held in Roanoke, Virginia July 30 and 31, and August 1. Mrs. Betty Kupsky of Northville added local interest to the convention when she was elected corresponding secretary of the group for the coming year. The members are already looking forward to the 1966 convention and hobby show which will be held at the Mark Twain Hotel, Elmira, New York.

Summer parties will highlight the coming weekend. Lil' Abner will be the hero of the night Saturday at the Echo Valley subdivision association's "Dog Patch Party." The association holds two parties each year for its members.

A gala night club party starring the "Personalities" will be held tomorrow at Meadowbrook country club. Many club members and their guests have made reservations for the seashore buffet dinner-dance and floor show.

"It was wonderful!" was the verdict of Mr. and Mrs. C. Oscar Hammond after attending the Meadowbrook Music Festival last weekend. The new cultural event, which has caused quite a stir throughout Michigan this summer, was initiated at Oakland University in Rochester this year. The Hammonds were spending the weekend with their daughter and her family, the Russell Corbins of Rochester, who have season tickets. The Detroit symphony orchestra played the "Overture to William Tell" among other arrangements.

Mr. and Mrs. Raymond Nast and family of 43672 Dorisa Court returned from their vacation up north this week.

After a successful year at Kemper Military School in Missouri, during which he was named the most soldierly new cadet in Company B and was awarded a scholarship to a six-week ROTC leadership camp at Fort Knox, Kentucky, this summer, Sonny Spaeth is at home on 46840 Dun-sany. He is the son of the Albert Spaeths. Sonny will be visited this coming weekend by his roommate from Kemper. In the fall they will return to the school in Boonville.

Mrs. Jim Spagnuolo and her sister, Mrs. C. J. Stark of Denver, Colorado, attended their brother's, Dr. D. J. Ballard, funeral in Windsor last week. Mrs. Stark is now staying with her sister for a week.

The Robert Langs are now settled in their new home in town at 105 Linden. They moved from 46670 Stratford Court.

The Raymond Wrights were in town last Thursday and Friday. They live at 602 Fairbrook but spend their summers at their home on Lake Ann in northern Michigan. One of Mrs. Wright's activities while she was here was to be interviewed by The Record about her amazing owl collection.

Summer wouldn't be complete without picnics. A group of Garden Club women held a very special picnic last Wednesday for the girls in Cottage Five of the Wayne County Training school. The picnic was a reward for the work these girls have put into establishing their own gardens at the school. Mrs. George Miller of 46018 Bloomcrest was the hostess, and Mrs. D. Hurd Clark was the chairman of the project this year. Helping serve the lunch and watch over an afternoon of swimming and games were Mrs. C. W. Whittlesey, Mrs. H. J. Frogner, Mrs. Phillip Nauman, Mrs. Reuben Jensen, Mrs. Jack Scantlin and Mrs. Dennis Schwarze. Mrs. Schwarze taught the girls to do the hula, which was a highlight of the day.

Honeymoon news reaches The Record from the "Birchwood" in the Poconos where Mr. and Mrs. Joseph Hay are spending a few days. One of their activities earlier this week was an aerial tour of the Pocono Mountains. Mrs. Hay is the former Carol Conrad.

Mrs. Donald Wayne Nielsen

Barber - Pretzer Vows Spoken

Jill Susan Barber and Dr. James Allen Pretzer were wed Saturday in a double ring ceremony. The afternoon service was performed by the Reverend Rexford C. S. Holmes at St. John's Episcopal Church.

The bride is the daughter of Mr. and Mrs. Berford A. Barber of Saginaw. The groom is the son of Mr. and Mrs. Elvin H. Pretzer of Essexville.

The bride wore a silk organza gown with chapel sleeves, satin rose applique on a molded bodice, an empire waist A-line skirt, and brush train. A bouquet of white satin secured a silk illusion veil.

She carried a bouquet of yellow sweetheart roses, stephanotis and ivy.

Maid of honor was Sandra J. Barber, sister of the bride. Bridesmaids were Cynthia J. Pretzer and Mrs. Mark Staples, sisters of the groom, and Mrs. James J. Stifler.

They all wore white organza over romance blue gowns with white daisy appliques on molded bodices. A blue grosgrain ribbon accented the high waisted and cascade backs.

They carried bouquets of daisies, yellow sweetheart roses and ivy.

Dr. Charles E. Mueller, Jr., was best man. Seating the guests were Lt James L. Copeland, Dr. Donald G. Dimmoheff, Dr. Frederick R. Elber and Dr. Dennis W. Shermeta.

A buffet dinner for 225 guests followed the ceremony at the High Life Inn.

After a honeymoon in San Francisco, California; the couple will take up residence in Los Angeles, where the groom is an intern at Los Angeles County General Hospital.

The bride taught fourth grade at Main Street elementary this past year.

Announce Engagements

Bernadette Ann Collins

Roselyn Marie Budek

Mr. and Mrs. Francis Collins of St. Ignace announce the engagement of their daughter, Bernadette Ann from Northville to Robert W. Power, son of Mr. and Mrs. G. Power of Detroit. A September 4 wedding has been set.

Miss Budek is a sophomore at the University of Michigan in the school of architecture and design. Her fiance is a senior in the school of music at the University of Michigan. He will be a co-drum major of the U. of M. marching band this fall. A June wedding is planned.

CORNER

THE JONES -- Northville's new residents from Dearborn Heights are, back row, left to right, Kathy, Jo Anne, Robert and Mark Jones. In the front row are Chris and Suzette, the poodle. The Jones live at 1045 Grace Court.

Northville now has five more Joneses to "keep up with." The Robert Jones family moved to their new home at 1045 Grace Court in June from Dearborn Heights.

Mr. Jones' job will keep him busy in his "old" town however—he's the principal of the North Dearborn school district.

He was a little league baseball coach in Dearborn and was active in leading Cub Scout and Boy Scout activities. His wife, Jo Anne, adds that he

also "likes to golf and likes all sports." She likes "sewing and gardening," but hasn't had time yet to start a garden in her new home.

They both think Northville "is a real pretty town. We like it. The people seem friendly too."

The Jones have three children. Mark, 12, will be a seventh grader at Northville Junior High School. He likes to play the piano and likes sports, especially baseball and football.

Christopher, 10, will be a sixth grader at the junior high. He is

interested in chemistry. The youngest Jones is Kathy, seven, who will be in the second grade at Amerman school.

The Jones also have a black poodle named Suzette.

Both Mr. and Mrs. Jones are originally from Flint where they attended school.

Northville Model A Wins Blue Ribbon

Ray Jackson's 1931 Model A Ford won a blue ribbon and came within one vote of copping the best-of-show trophy Sunday at the Fifth National Model A Homecoming at Greenfield Village Sunday.

Jackson lives at 21485 Slicher court. He was pictured along with his Model A in last week's edition of The Record. Jackson had worked for two years restoring the 34-year-old sedan.

His car was one of 21 to receive blue ribbons in the 160 sedans entered. To win top honors in the overall field of 300 cars, Jackson explained, it required the vote of all 15 judges. All but one judge chose the Jackson car. The lone negative voter questioned the two-tone paint treatment and the judges there-

fore choose only solid color cars. Jackson also won an award for his costume - plus furs, coat and driving cap.

Districts Petition To Join Schoolcraft

The board of trustees of State Board of Public Community and Junior Colleges. If the State Board acts favorably upon the two petitions, it will so notify the Schoolcraft College Board, which in turn must draw up further petitions directed to the Secretaries of the School Boards of the annexing districts. If 2%

of the regular voters of either district fills out the petition, an election must be held.

In the resolution passed by the Schoolcraft College Board it was proposed that annexation shall be based on (1) The condition that the limitation on taxes in the annexed district shall be increased for the same purposes, amount, and years as exist in the North-west Wayne County Community College District (Schoolcraft College), and (2) The annexed district will assume such bonded indebtedness as exist in the present College District.

The resolution also indicates that people of both school districts must realize that the Schoolcraft Board of Trustees

cannot bind itself to maintain the present limitations on taxes of 1 mill definitely and that any vote, should one be permitted, should be taken with this provision in mind.

In addition to acting upon the petitions of Redford Union and

South Redford School Districts for annexation, the board set August the eighteenth as the date of the public hearing required by law on the operating budget of the college. The meeting will be held at 8:00 p.m. in the Board Room of the Administration Building.

Waiting List at Nursery

Although there is already a waiting list for the September 13 opening of the Northville Co-operative Play Group, sponsored by the P.T.A., President Mrs. Larry Meyer announced that applications are still being accepted.

The group is limited to 32 youngsters and there are now 35 on the list, but there will be some dropouts during the year making room for the others.

The list will be lengthened to as many as 50 applicants, Mrs. Meyer added.

The nursery is for three and four year olds, and is run by the mothers with the guidance of two teachers, Mrs. Fran Gazlay and Mrs. Glenn Delbert.

It will meet from 9-11 a.m. on Monday, Wednesday and Friday. The tuition is \$11.50 per month. A yearly acceptance fee

of \$5 must also be paid when a child is accepted by the group.

Each day four mothers help out with the school. On the first Monday of each month the mothers meet to develop a "better understanding of experiences with children."

All mothers must also attend the fall workshop of the Greater Detroit Co-operative Nursery Council at Wayne State University. An orientation meeting at 8 p.m. on September 13 will also be held.

The play group offers preschoolers an opportunity for supervised play and a learning experience. The school will follow the calendar of the other Northville schools.

Speaking Of Horses

By ROBERT GEAKE

THE THREE 4-H riding clubs Lyon area are hard at work preparing for their annual county fairs to be held at Pontiac and Belleville, August 10-14. Area residents are cordially invited to visit the 4-H fairgrounds any day or evening during the week to see the hobby and handicraft exhibits, animal raising projects, and especially the riding events. A visit to the 4-H fair makes a recommended family outing where children may see

clubs have been doing all year, and all may enjoy the sights of a state fair in miniature, including the midway with-rides.

TOTEM POLE Pony Farm, 41810 Seven Mile road, owned by Earle Clarke, has been bringing the honors home to Northville in carload lots. Their P.O.A.'s (Pony of the Americas) have taken 60 ribbons in the past six shows, including 20 seconds, 17 firsts, and 3 grand championships. Raising and showing ponies is a three-generation family project at Totem Pole. The P.O.A. breed show held July 25 at Coldwater featured 115 entries from five states. Linda Whitefield (Clarke's granddaughter) took a first with her three-year-old mare, Totem Spots Ka-chi and then went on to win grand champion mare of the show. Linda also placed second among 21 entries in the "frill" class and second in Indian Costumes. Leah Whitefield showed the first place weanling filly Totem Siri's Dots and Bob Whitefield showed at Foot, Lotta Spot Cash and her foal, Totem Siri's Debonaire. Daughter Becky Whitefield also was in the ribbons with three mares in this show.

THE FIRST annual Ohio P.O.A. show held August 1 at Mont-

pellier, Ohio was another field of victory for the Totem Pole team. Leah Whitefield showed the Grand Champion mare, Spots Len' mana (see picture) and also Siri's Dots Emu who placed second in the '65 filly class and second again in the competition for most colorful P.O.A. of the show. Becky Whitefield won the trophy in the Children's Pleasure event on Princess Running Fawn and took second place in Indian costumes. Her sister, Linda, won the trophy for the best costume in the Indian Costume Riding class.

Fred Hembrey, president of The Arabian Horse Assoc., of Michigan, reports that Wed., August 11 will be a worknight to prepare the Fairgrounds for the all-Arabian horse show Aug. 14-15. Anyone interested in meeting with the group and assisting in the preparation is invited to meet at the State Fairgrounds at 6 p.m. on August 11 or they may call Fred Hembrey to arrange for a ride. Refreshments will be served.

COMMANDER D. Morgan geiding recently purchased by the Robert Arlens has finished his harness training at Ed Earehart's and will soon be moving to his new home on Country Lane. Daughter Debbie can hardly wait!

Walter and Rhea Kane of South Lyon and Robert and Jean Arlen of Northville were among area residents who attended the National Morgan Horse Show in Northampton, Mass. July 22-24. Approximately 500 Morgans were exhibited.

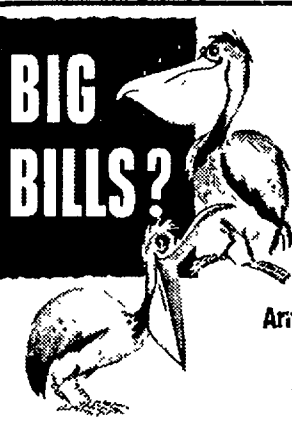

Individuals and secretaries of breed associations and riding clubs are invited to send information for this column to Robert Geake, 48525 W. 8 Mile road, Northville.

She Listens to Husband, Wins MGA Golf Crown

Mrs. Charles (Midge) Cova is the holder of this year's Women's Metropolitan Golf Association title. She did it by firing a 54-hole total of 224 two weeks ago at Novi's Bob-o-Link golf course.

Those are the facts, but they belie the amazing true story behind Mrs. Cova's feat. Better known as Julie, Mrs. Cova copped the coveted trophy after practicing no more than eight times this year. And just three days before carding a first-round 75 in the tournament, she came up with a whopping 102 at Rochester in the WMGA's weekly outing.

How did she clip 27 strokes off her game in that short time? "It's my husband, Midge, who did it," she exclaimed. "After hearing what I shot at Rochester, he told me what I was doing wrong. He's a great teacher," she said.

"I'm a crazy golfer," said Julie. That's how she explains her winning performance despite the few practice rounds she

has played. "If I'm on, I'm on; if I'm off, I'm off," she added. There simply isn't enough time in Julie's day to permit more practice. She and her husband own Bob-o-Link golf course, and are kept busy overseeing its operation.

Golf, to her, isn't a life and death struggle either, another reason why she practices fewer than 16 times a year. "I really enjoy the game," she declared, "I play it strictly for fun, and there's plenty of laughs." She wouldn't have it any other way. Golf has been the Cova's family way of life every since Julie took to the green 18 years ago.

She explained that Midge, a PGA pro, has been an avid golfer for 28 years. But it wasn't until 18 years ago when they still lived in Detroit, that Julie took up the game. A query by a neighbor set Julie in motion. "I was asked if I was married," she said, "so I started playing. It really made me mad," added she. The Cova's had been married 10 years at that time, but Midge golfed in every spare moment, she explained.

Like most other duffers, Julie's scores reached astronomical proportions—anywhere in the 140's—for 18 holes. Now she shoots consistently in the 80's and breaks the 80 barrier occasionally.

Her opening day 75 in this year's WMGA tourney came within one stroke of tying the record low. She carded subsequent scores of 81 and 78.

Aside from her recent winning performance, Julie has gained other distinctions. In 1956 she was the WMGA match and medal champ. And she retired to match trophy at Rochester in 1960 by winning it for the third time.

Ever since the Cova's purchased the Bob-o-Link in 1952, beginning with a pro shop, a small club house and 18 holes,

they have been well-known golfing figures in this area.

Through their efforts, the club, which straddles Grand River between Beck and Wixom roads, has burgeoned. There now are 36 holes, and a newly renovated club house includes two bars (one to open in the near future) three dining areas and a pro shop.

When they're not working on their facilities—which stops only with the end of the golfing season here—the Cova's head for their favorite summer haunt, their home in Lake Park, Florida, just

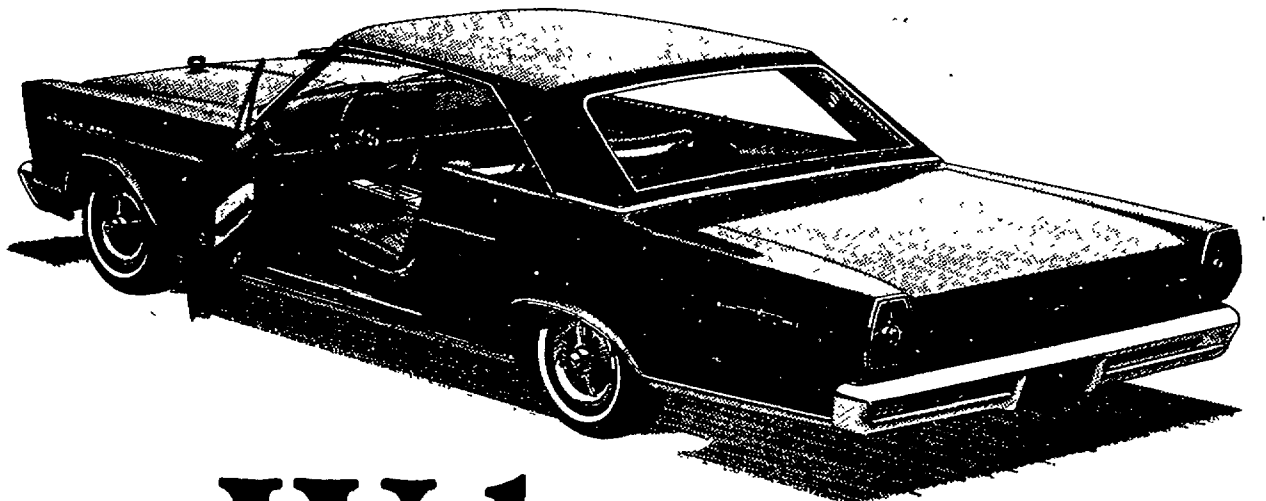

north of West Palm Beach.

There Julie and Midge golf at their leisure at a nearby PGA course in Palm Beach Gardens. Other times they try their hand at fishing. Midge revels in deep sea fishing, but Julie avoids it. As for her, she'll stick to inland fishing where the waves aren't so high.

Before they depart for their summer home, however, Julie says that she will try for the WMGA match and medal titles this year. By that time, she might find time for a few more practice rounds, she noted.

Julie "putts for dough."

'Rumble' Threat Alerts Police

Carloads of youths cruised the Northville area last week, reportedly out for revenge on a local youth who had been involved in an incident Wednesday night at a Livonia dance.

A threatened rumble failed to materialize, however. Police Chief Eugene King received a call Tuesday from a Northville mother who said the teenagers were apparently after her son. King reported that she said her son attended a dance August 4 in Livonia where "some difficulty" between Livonia and Northville youths cropped up. She added that her son received a threatening call.

The mother also told King that Gerald LaRoque, a Northville youth, entered the fray when he heard about it, King said. Police theorized before that LaRoque was the central figure in the reports of a rumble. It was believed that the teenagers were Detroit youths out for revenge for a May 9 rumble in Cass Benton Park.

In that fracas, LaRoque allegedly stabbed another youth. He is presently out on \$1500 bond pending examination before Northville Judge Charles MacDonald. He was scheduled to appear September 13, but authorities are trying to re-schedule the examination for next Monday.

During the height of the threatened rumble, Northville police alerted Novi, Farmington, Livonia and sheriff's departments and the state police to stand by to lend assistance.

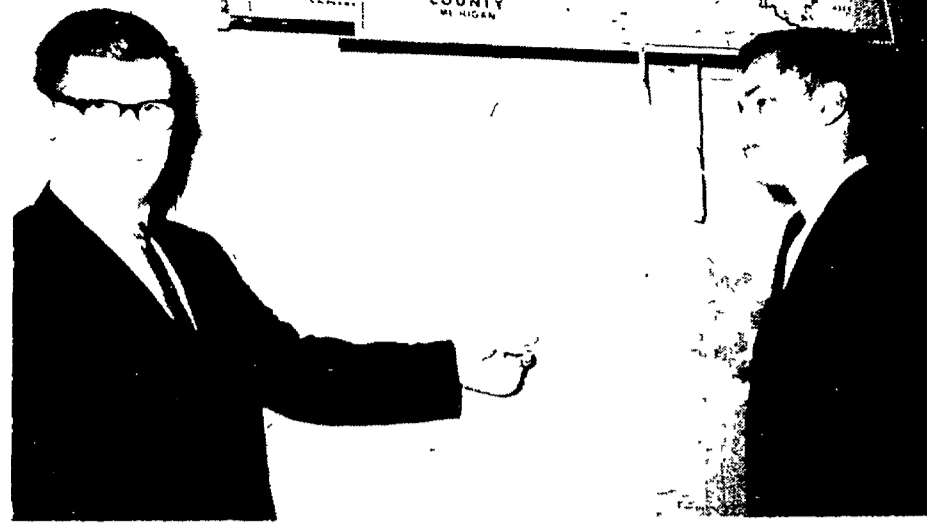

Reports of carloads of teenagers cruising the Northville area were rampant. In checking out six calls, Northville police were unable to apprehend any violators Thursday and Saturday night or Sunday morning.

Police were foiled in their efforts to nab the youths because nobody was willing to disclose enough information, King said. Most callers remained anonymous.

The Reverend Lloyd G. Brasure officiated Sunday at the dedication of a memorial library at the First Presbyterian church following the regular 9:30 worship. The newly redecorated library was formerly used for church school nursery classes before the new building was erected. The congregation moved to the library from the sanctuary at 10:30 for the dedication. The library is a memorial to these persons: Louis Nagy, William Wilson, Karl Welsch, Lillian Hallett, Hugh Babbitt, Mark Byard, Flora Van Dyne and Iva Laird. It was established at the request of the Living Memorial committee, and will house religious reference works, historical works and religiously oriented fiction. It is meant to serve the congregation and the community.

FROM MEXICO -- Ray Waldren, left, points out the country south-of-the-border from which he and Larry Wood, right, recently returned. They were touring as part of Musical Youth International. The third member from Northville, Larry Forth, is missing from the picture. He's vacationing up north.

Three Boys Return From Singing Tour

Three local singers, Larry Forth, Ray Waldren and Larry Wood, were among the 79 members of Musical Youth International who returned last Wednesday from a one-month tour of Mexico.

Larry Forth is the son of Mr. and Mrs. Arthur Forth, 21718 Kilrush; Larry Wood is the son of Mr. and Mrs. L. H. Wood, 43541 Nine Mile; and Ray is the son of Mr. and Mrs. Fay Waldren, 231 South Ely drive. The 29 girls, 39 boys and 11 staff members who made up Musical Youth International presented a total of 34 concerts. Larry Wood said, "The people enjoyed the concerts very much. After the concert was over, the people would come up and say how much they liked it."

Altogether they played to 100,000 people in five large cities and several smaller towns.

Before each concert the combination band and choir marched into the cities. They wore "tux-like" blue uniforms with gold capes inscribed with "MYI."

The group stayed in the homes of Mexican families or in hotels. In one city Larry Forth stayed with the family owning the Mexican division of the coca-cola company, while Ray stayed with the owners of Pepsi-Cola.

The boys' favorite concert was at the cathedral in Guadalajara. Larry Wood explained, that "It was beautiful and the acoustics were wonderful."

Another highlight of the trip came in Durango where they were made honorary citizens of the city during its 402nd anniversary celebration. The large certificates which were presented to them as "distinguished citizens."

Several sight-seeing tours were included in the schedule. They witnessed a bull fight during which the matador was gored. They also visited the floating gardens at Xachimilco, the national museum of anthropology, the National University of Mexico City and the famous Indian Pyramids outside Mexico City.

Mexico City was built in the center of a lake by the Indians many centuries ago. The city now seems to be sinking back into the lake. Ray asserts, "Our hotel in Mexico City was one of those sinking buildings."

All the boys returned from the tour with numerous souvenirs. Ray's included two chests, one of stone and one of bone, and a variety of silver items. Larry Wood's included colorful Mexican paintings on velvet black-grounds, a hand carved chess set, and several handblown glass items.

The glass swans, deer, vases, crucifixes and other items are blown in many Mexican shops while the customer waits. They are very delicate and exquisite figurines.

Larry Forth brought back some practical souvenirs--clothes for fall. Clothes are much cheaper in Mexico than in the United States. As soon as Larry returned to Northville, he depart-

ed again for a family vacation up north.

Larry Wood and Ray Waldren will be seniors at Northville high this fall. Both are veterans of high school operetta and choir members. Larry is also a member of the madrigal singing group which was featured last week in the Northville Record.

Larry Forth is a 1965 graduate of NHS and will attend Schoolcraft College this fall. He has also appeared in several operettas and has been in choir many years. The success of Musical Youth International's initial tour can be measured by the invitation the group has received to tour Mexico again when the Olympics are played there in 1968.

Sharon Thomas of Northville *Michigan's Majorette Queen*

★ ★ ★

Queen Sharon

★ ★ ★

Sharon Thomas, 12-year-old daughter of Mr. and Mrs. Jack Thomas of 833 Allen Drive, has accumulated 73 trophies and 98 medals since she entered baton twirling competition three years ago.

However, her greatest honor came this week in Detroit when she was crowned 'Majorette Queen of Michigan.'

Sharon is a member of the World Twirling Association which sent her the entry blank for this contest.

The first step on her road to the queenship was winning the state championships. She took first in twirling, second in military strutting, and second in fancy strutting. The points from these victories put her ahead in the competition.

She then had to model a party dress, and exhibit another talent besides twirling, which meant pantomining for her. She took firsts in both of these divisions.

Having won the most points in all the competitions, she was crowned the new Majorette Queen of Michigan. Her next stop is the world finals in Maryland. She is being sponsored by the North-

ville Drug Company.

Sharon's older sister, Shirley, has also won many twirling honors.

Sharon's parents are understandably proud. Mrs. Thomas says, "We are just so proud that she can represent Michigan and Northville, especially since we just moved here from Waterford."

from the PASTOR'S STUDY

Reverend Harold Hawley
South Lyon Church of Christ

In the good old summertime most people get away for some time at the beach, or in the mountains, or a visit to some point of particular interest. This is a good thing in our busy world of schedules, tensions and some frustrations. We need a time to rest and relax, to pursue some hobby or interest, and even more, to look at the reasons for all this business the world calls from us. Have you looked at some of your reasons lately? There is much to be said for a life oriented around a theme and a purpose.

A Sunday school teacher is reported to have made a phone call to a home to inquire about the children, whether sickness or accident, or whatever, was keeping them from attendance in the Church school class. The parents reply was of this nature, "We told them they could get up and get their breakfast and go any Sunday they wanted to attend." Now without trying to press a point too far, don't you suspect that these people needed a little bit of self-examination? Paragraph one mentions vacations and relaxation, and paragraph two gets down to such a little thing as parents who enjoy sleeping in on Sunday morning. However, there are far greater implications here than meet the mind at first thought. Multiply these "sleep-ins" by the thousands

that we know to be violating a sacred trust. That sacred trust comes with the duty and obligations of training their children in the moral and spiritual laws of religion. To the Christian, this means associating with the fellowship of Christ's Church in the education that is based on the Holy Scriptures of the Old and the New Testaments. Violation over a broad base of the nation means a weakening of the moral fibre and structure of the whole of society. The picture grows progressively darker when we see the results of apathy and indifference in the lives of too many in days of affluence. Recreation is one thing but when limited to just fun and kicks rather than the whole bit that includes self-examination and admission of guilt and neglect, we are headed for very serious trouble. Parents who bring their children, leading them into the places of teaching of the laws of the Eternal God, and working with them in the whole process, are giving the sacred trust a value that was intended. May this summertime be a rewarding experience for you and your family. Our prayer is that you will enter your Church home faithfully with your children and carry forth Christ's great work of redemption and reconciling power as a disciple.

Mr. and Mrs. Wayne Walker spent the week end at Roger City. Albert Roediger has returned home after spending a week in northern Michigan.

Mr. and Mrs. Casey Hawkins and son, have been spending a week in northern Michigan.

Mrs. Blanche Tubbs was taken to Ridgewood Hospital in Ypsilanti, Monday, suffering a gall attack, at this writing she is on the critical list.

Mrs. Iva Miles, Mrs. Wm. McKinley and Mrs. Cheryl Taylor and children have been spending a few days in northern Michigan.

Mr. and Mrs. Wilson Bishop and Brenda were Sunday dinner guests of Mr. and Mrs. Milo Pettingill.

Mrs. Clara Bowers and Mrs. Louise Bowers of Howell were recent visitors of Mr. and Mrs. Norm Bowers.

Monday a week ago Mrs. Frank Doleson and Mrs. Norm Bowers and their guests, Mrs. Blanche Hagadorn and Mr. and Mrs. J. C. Hagadorn and daughter, Vicki, of California, went to Mackinaw Island. That night they stayed at Breport and on Tuesday they went to Sault St. Marie, and visited the Tegauma Falls, and on Tuesday night they stayed with Mr. and Mrs. Thuman Bowers at Harrison, arriving home on Wednesday.

Friday, Mr. and Mrs. J. C. Hagadorn and daughter left for their home in California.

Saturday night Mr. and Mrs. Frank Bowers of Pontiac were callers, also Mr. and Mrs. Lyle McLaughlin, and on Sunday Elton Warden was a caller.

Mr. and Mrs. Clyde Vradenburg are vacationing in northern Michigan this week.

Mrs. Jessie Pierce was a Sunday guest of Mr. and Mrs. L.B. Miles at Walled Lake.

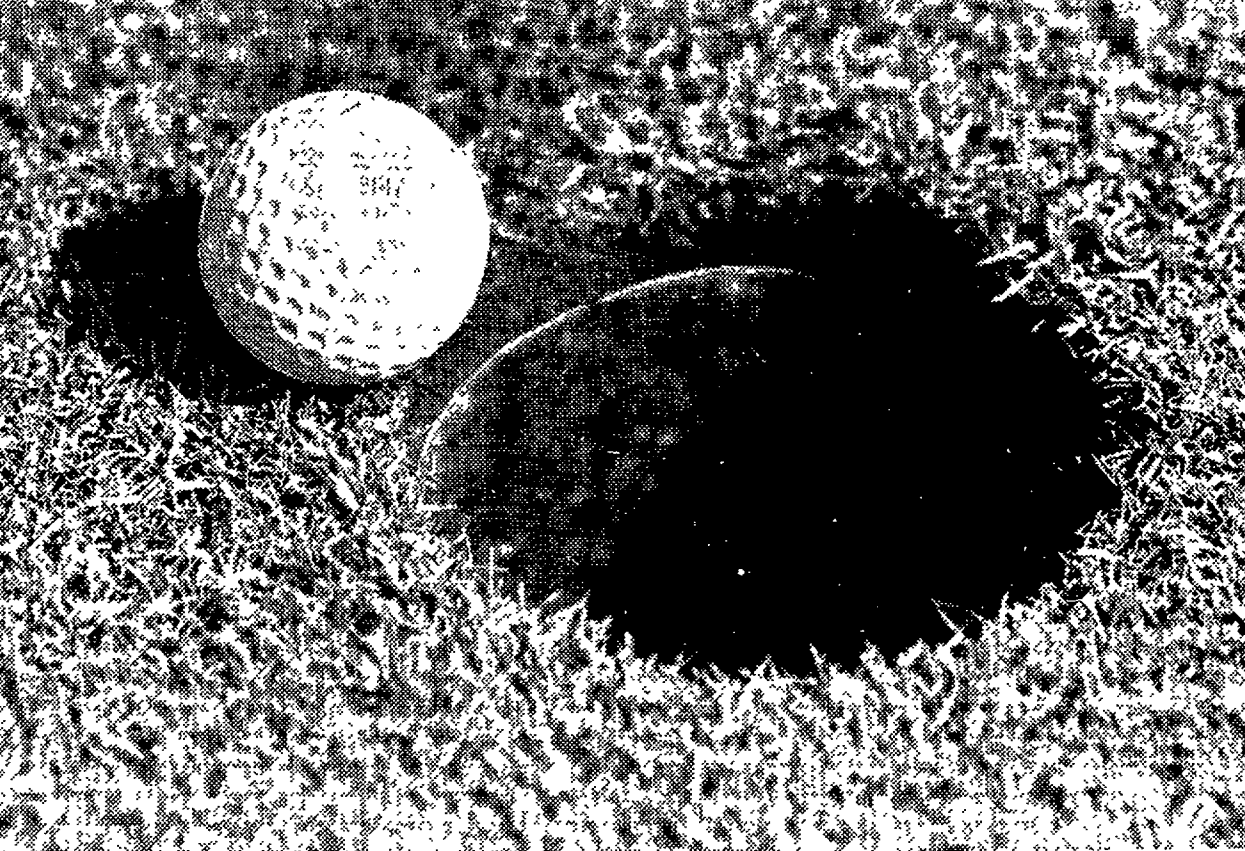

Mr. and Mrs. Stan Potts and granddaughter Dawn, were Sunday visitors of Mr. and Mrs. Elmer Driver at Howell.

What a disappointment! You had a tremendous drive, the perfect chip shot, and a brilliant putt; then your ball stopped a hairsbreadth from the edge of the cup. The birdie you thought was yours didn't materialize.

Of course, it's only a game; it doesn't really matter. But blighted hopes are not always so trivial. What if something really big passes you by? Suppose you don't get that promotion, your son's scholarship is given to someone else, an important client changes his mind, or the stock market wipes out your investment? Where do you turn? Where do you find strength to meet life's disillusionments?

Spiritual values are constant. Fortunes may shift and change but your Church stands firm. The truths and inspiration you find there give meaning, purpose, and stability to your life.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Band To Play At Fair

The Northville High School and Community Band, directed by Bob Williams, will participate in a musical program at the 116th Michigan State Fair to be held in Detroit August 27 through September 6, according to Cleighton Melin, director of music and parades.

The 100 member band will put on a half-hour concert in the music shell at 12:30 p.m. on Monday, September 6.

Members of the band will be guests of the State Fair Authority at many of the Fair's attractions and will be given a guest card to one of the food concessions on the grounds.

In Justice Court

For driving under the influence of liquor, a Wayne man was fined \$75 August 4 by Judge Robert K. Anderson, Novi village justice of the peace.

Dexter Barlow, 60, was fined for an incident July 30. Driving south on Novi road near 10 Mile road, he failed to yield the right of way and traveled in the left lane.

Patrick Bennett, 21, of 135 Eubank paid \$30 in fines on two counts. Arraigned before Judge Emery Jacques, Bennett was cited for careless driving June 21 on South Lake drive, for which he was fined \$15, and for driving a defective vehicle June 25 on Novi road near 13 Mile road.

Lyndall Valentine, 25, of Detroit, paid a total of \$85 in fines for two violations July 22 on Dan's Dirt farm, 42053 12 Mile road.

Valentine drove onto private property, narrowly missing a small child, it was reported. He was fined \$35 for trespassing, and \$50 for being drunk and disorderly June 22 by Jacques.

Raymond Lloyd, 19, of South Lyon, was cited August 6 on three counts by Judge Anderson. He pleaded guilty to speeding 10 miles over the speed limit July 14 on Napier and 10 Mile roads and was fined \$30.

In addition Lloyd paid \$10 for having no registration with him and \$10 for illegal parking. He was the driver of a car which burned up on Napier road, because it was driven on a flat tire, police said.

Four 18-year-old boys were charged with having liquor in their possession July 31 on Novi road north of the expressway. They each paid fines of \$20 in the court of Judge Jacques last Thursday.

The car in which Timothy Pahlak, of Birmingham, James O'Rourke, of Detroit, Earl Tracey, of Royal Oak and David Conrad, of Bloomfield Hills, were riding, was originally stopped by Officer Kent Mullins for having just one headlight. Mullins then found beer in the car.

Russell MacLeish, 49, was arraigned last Thursday before Jacques. The Hazel Park resident was fined \$35 for not having a driver's license when he was driving July 31 on Novi road at the Grand River intersection. He was stopped for failing to signal a left turn.

Two Flint men were fined \$10 a piece for soliciting in Novi without a permit. Richard Roudsbush, 21, who was arraigned August 2 before Anderson, was cited for selling jewelry at Van's Texaco on Novi road near the expressway. His companion, Wallace Falke, 22, was arraigned last Friday.

News from Willowbrook

Marion Berry 474-7470
August 1 was Arnold Bell's third birthday. His parents, Mr. and Mrs. Arnold Bell of Maude Lea, celebrated by having friends and relatives to their home for a picnic with birthday cake and ice cream. Guests were Arnold's Grandma and Grandpa Bell, Romeo; Mr. and Mrs. Avery and family; Mr. and Mrs. Grauff, Novi; and his great grandmother Cabbie, Redford.

Mrs. Arnold Bell's father, William Shuh, passed away August 2, 1965 after a long illness at the Veteran's hospital in Dearborn. Dorothy would like to express her thanks and appreciation to her friends and neighbors who were so kind to her at this time.

Mr. and Mrs. Robert Keating of McMahon have two sons away on vacation. Kevin is visiting an uncle and aunt in Brook Park, Ohio for two weeks, the Rev. and Mrs. Victor Sharp. Mark is visiting an uncle and aunt in Joansville, Mr. and Mrs. Jack Sharp. Mark is giving them a helping hand running their motel business.

Gary the oldest son, has just returned from a week at Lakeside Park Camp, Brighton. Gary had the honor of being elected president of the council of the junior high camp.

Mr. and Mrs. Wm. Smelt of Grand River and Mr. and Mrs. Robert McKeon of LeBost went to Fort Lauderdale, Florida on July 18th and stayed two weeks.

The foursome swam, fished and relaxed. Mr. Smelt caught a 16 1/2 pound Dolphin. The four some enjoyed dining out one evening at the Mai Kai Restaurant, which specializes in Polynesian food. Mrs. Smelt said it was supposed to be more like Hawaii than Hawaii.

Randy Pohlman of McMahon was fifteen years of age on Friday, August 13th. His parents, Mr. and Mrs. Robert Pohlman, gave Randy a party on Saturday the 14th to celebrate his birthday. About twenty-two teenagers came and had a record hop and barbecue. The party started about 7:30 p.m. and ended approximately 11:30 p.m.

Mr. and Mrs. Fritz Grenging of Mallot took five-year-old Fritz Carl to see "Those Magnificent Men in their Flying Machines," Saturday evening at the Adams Theater.

Ed Presnell of Maude Lea had as guests August 6th her aunt, Mrs. Ann Sruton, Detroit and a friend of Mrs. Sruton, Mrs. Lola Bou, of South Lyon. They had lunch and spent the afternoon visiting.

The Novi Township Democratic Club held its monthly meeting August 10. Members had dinner at the Rosewood Restaurant at 6:30 p.m. followed by a business meeting. Members attending were: Mr. and Mrs. Dick Ritter, Mr. and Mrs. Thomas Needham; Mr. and Mrs. Ed Presnell; Mr. and Mrs. Raymond Fritchel; Mr.

Ira Gerou and Mrs. James Haas. Members from the Novi group who attended the 19th District Democratic Family picnic held at Kensington Metropolitan park, Milford on Sunday August 12 were Mr. and Mrs. Ed Presnell and daughter, Susan; Mr. and Mrs. Thomas Needham and daughters, Harriet and Melinda; Mr. and Mrs. John Berry and family; and Mr. and Mrs. James Haas and family. There were games and prizes for the children as well as door prizes for the adults.

William and Helen Beadel of Border Hill recently returned from a trip to Honolulu. They flew out to San Francisco July 9th. They went sightseeing and rode the cable cars. On the 12th of July, they flew to Honolulu and stayed until the 23rd. While there they went sightseeing and took a side trip to the Island of Hawaii and stayed at the Kona Inn. They swam, sunbathed and bought some souvenirs. They also took a side trip and saw Pearl Harbor. On the 23rd they took the boat home which was a 4 1/2 day voyage. They docked at Los Angeles and flew home arriving on the 28th of July.

Helen's mother, Mrs. Vern Pierce, stayed with the Beadel children: Bill, Laura and Leonard, while their parents were gone. Mrs. Pierce is visiting in the Detroit area from Largo, Florida.

Mr. and Mrs. Ronald Fischer of E. LeBost had as house guests last weekend Mr. and Mrs. Willard Fisher, Elmwood Park, Illinois, Ron's mother and father. They visited Friday through Monday. They were enroute home from a vacation in California. The Ronald Fishers took them to Frankmouth Sunday, and they had smorgasbord dinner in Flint. The Fisher's are now hosting Mr. and Mrs. George Entwistle, Norma's mother and father and Norma's five-year old nephew, Mark, all from Franklin Park, Illinois. The Entwistles are planning to stay for two weeks with Ronald and Norma.

USS TURNER - Personnelman First Class Francis L. Smith, USN, son of Mr. and Mrs. Leonard V. Smith of 419 Yerkes avenue, Northville, is serving aboard the radar picket destroyer USS Turner, currently operating with the Sixth Fleet in the Mediterranean.

While in the Mediterranean, crewmembers of the Turner will have the opportunity to visit Naples, Anzio, Rome, Ischia and Pompeii, all in Italy.

Turner operates out of Mayport, Florida.

A former Northville area resident, Sergeant First Class Richard O. Porterfield, received a citation for outstanding work as noncommissioned officer - in charge of the language division, United States Army Security Agency training center and school.

He gained the honor through distinguished service during the period February 1963 to May 1965 at Presidio, California. He is a graduate of Northville high school.

The 20-day course included over 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons under simulated combat conditions and other subjects related to the Marine Infantryman.

Private Wyatt L. Hazlett, son of Mr. and Mrs. Robert L. Hazlett of 42825 Mill street, Northville completed four weeks of individual combat training July 28, with the Second Infantry Training Regiment at Marine Corps Base, Camp Pendleton, California.

ORDINANCE NO. 1-P NORTHVILLE TOWNSHIP, NORTHVILLE, MICHIGAN

ORDINANCE NO. 1-P AN ORDINANCE TO AMEND ZONING ORDINANCE OF NORTHVILLE TOWNSHIP THE TOWNSHIP OF NORTHVILLE ORDAINS:

Section 1: There shall be a new section added to Article 14, Section 14.06 (m) of the Zoning Ordinance of the Township of Northville, as follows:

Section 14.06 (m)-1: Permit, upon proper application, the following character of temporary use, not otherwise permitted in any district, not to exceed one year with the granting of one year extensions being permissible: uses which do not require the erection of any capital improvement of a structural nature.

The Board of Appeals, in granting permits for the above temporary uses, shall do so under the following conditions:

1. The granting of the temporary use shall in no way constitute a change in the basic uses permitted in the district nor on the property wherein the temporary use is permitted.
2. The granting of the temporary use shall be granted in writing, stipulating all conditions as to time, nature of development permitted and arrangements for removing the use at the termination of said temporary permit.
3. All set-backs, land coverage, off-street parking, lighting and other requirements to be considered in protecting the public health, safety, peace morals, comfort, convenience and general welfare of the inhabitants of the Township of Northville, shall be made at the discretion of the Board of Appeals.
4. In classifying uses as not requiring capital improvement, the Board of Appeals shall determine that they are either demountable structures related to the permitted use of the land; recreation developments such as, but not limited to, golf-driving ranges and out door archery courts; or structures which do not require foundations, heating systems or sanitary connections.
5. The use shall be in harmony with the general character of the district.
6. No temporary use permit shall be granted without first giving notice to owners of adjacent property of the time and place of a public hearing to be held as further provided for in section (o)-2 of this Ordinance.

Made, passed and adopted by the Board of Trustees of the Township of Northville, this 3rd day of August A.D., 1965

R. D. Merriam, Supervisor
Marguerite N. Young, Clerk

I, Marguerite N. Cities Balk at Cost of Licensing Stations

LANSING - Michigan residents waited several years for the legislature to implement its own requirement of photographs on driver's licenses...

offices have threatened or closed their activities in the driver licensing field in protest to the shortcomings of the law.

He and several others last year recommended this be accomplished as one part of an overall safety program.

An increasing number of local licensing agencies are saying that the funds provided to put colored photos on the documents is not sufficient to cover the cost.

INDIRECTLY, and whether feasible or not, the secretary of state may get his previous recommendation that driver's lic-

enses be a uniform state-administered function.

Several other licensing agencies have threatened to push the job back to Hare's office if more funds are not forthcoming to pay the cost of taking, processing and issuing licenses with the colored photos.

There is good indication any change will be partial unless the legislature relents this fall or next year and enacts legislation to relieve all communities of the licensing service.

In the city of Lansing, Ingham County and a number of other areas the police administrators say they will continue to issue the licenses despite the difference between cost and state reimbursement.

Traffic safety experts have long dealt with the problem of people who believe that accidents always happen to the other fellow, but not to them.

Only 19 traffic deaths over Memorial Day and only 21 over the Fourth of July, when traffic was at an all time peak, compares dramatically with other years.

Observers report that frequent radio announcements are very effective. One driver on I-75 said he saw a half a dozen cars dragging trailers ahead of him get over to the right immediately after a radio suggestion was made that they do so.

Newspapers are carrying stories and ad messages pushing the

positive message: Bring 'Em Back Alive. The travel industry likes this angle. It encourages people to use the state's roads and tourist facilities...

On paper, state treasurer appears to be the busiest job in the state. The Michigan Manual, a biennial directory of state government, devotes nearly a full page to this post while relating that it lists only the most specific of the treasurer's duties and responsibilities.

Chief of these of course is the general duty to receive, safeguard and distribute all monies, including federal grants, of the state, its departments, boards, institutions and commissions.

Monthly accounting of these primary functions is required to be made to the Auditor General and Superintendent of Public Instruction. A similar account is made at least annually to the

legislature and can be demanded at any time as it was weekly during the 1959 and 1960 sessions.

Investment of surplus funds and special funds which are specified for investment is also entrusted to the treasurer.

What started as a minor part of the treasurer's duties has sizeably increased. The law specifies the treasurer is to act as fiscal and/or paying agent and registrar when designated.

No less than eight expressway bond issue contracts now are in his jurisdiction as fiscal agent. These arrangements require that he keep completely separate records for the receipt, disbursement and accounting of all funds applicable to these transactions.

Twenty state committees, boards or commissions on which he serves actively make the treasurer by far the heaviest loaded of state officers in outside units.

These include several retirement boards and tax appeal units, the Board of State Auditors, Mackinac Bridge Authority, State Office Building Commission and several others.

Avoid Panic Buying

BABSON PARK, Mass. - Since President Johnson gave his talk on the attitude of our government regarding Vietnam, there has been a general feeling that the public might get excited over a possible shortage of consumer goods and rush to the stores to stock up.

possible shortages of consumer goods as a result of war-scared buying, they should remember that the situation is quite different from what it was fifteen years ago.

lately that the new methods of storekeeping have gone a long way toward warding off the old-fashioned sequence of boom and bust.

REYNOLDS WATER SOFTENERS REYNOLDS All Fibre-Glass Fully-Automatic Water Conditioners

Now, when we look into our neighbors' homes, we find that the so-called invisible consumer inventories of nearly all kinds of hard and soft goods are close to record levels.

However, regardless of the marvelous new systems of merchandising and inventory control that have been developed, it is not the wires and the computers that operate the vast chains and the beautiful shopping centers.

Nevertheless, we do not believe that any wave of consumer scare buying would last long or be of great size - for the reasons given above.

Indeed, if merchants should lose their heads in any war scare build-up of inventories, they could be laying the groundwork for later forced liquidation.

OUT OF THE PAST

ONE YEAR AGO...

By the end of summer, a traffic bottleneck will vanish in the Northville- Novi area. The Novi road curve at the entrance to Northville will be improved and new intersections will be placed to ease the flow of vehicles.

The Little People Shoppe will move from its 131 East Main street location, next to the theatre, to 105 East Main street. Owner Mrs. Clara Farmer said the move will be made about September 1.

The new 16-classroom Christian education addition to the First Presbyterian church is expected to be ready for use late next month.

Novi school superintendent Tom Culbert and the board of education now face a budget with a shortage of over \$31,000. To wipe out the deficit, the board has asked a special referendum election. Taxpayers will go to the polls to approve or turn down a three-mill increase which would be in effect for four years.

FIVE YEARS AGO...

Hospital night at Northville Downs Wednesday, August 3, netted Community General Hospital about \$1,000. According to the Hospital Administrator Calvin Monfils, some 1,400 tickets were sold.

Completion next month of an addition to Haller, incorporated, located at 16580 Northville road, will nearly double in the size of the present plant, owner John Haller revealed Tuesday. The steel and concrete addition, which is located on the southeast side of the present plant, represents an increase of approximately 12,500 square feet over the 16,000 square feet of working space in the existing building.

The Community General Hospital auxiliary is sponsoring a Theatre Benefit Night Sunday, September 11, at Northland Playhouse. Tickets are for the 8:30 performance of "Good-Bye Charlie," a comedy starring Eve Arden, well-known screen and television actress. All proceeds will go to the purchase of hospital equipment.

Recreation activities move into the home stretch as the long-awaited pet and doll show gets underway at 8 p.m. The popular show will be kicked off with a parade of children and their pets and dolls.

Five June graduates of Northville high school will take to the gridiron next week at Pontiac in the first annual Oakland County All-Stars Classic. The five are: Blaine Ashby, Wade Deal, Bill Juday, Fred Mitchell, and Dave Nash.

Novi councilmen will begin screening applications for village manager next Thursday. More than 30 applications for the position, which was vacated by Fred Olson two months ago, have been received, village officials reported.

FIFTEEN YEARS AGO...

Melvin "Chick" Harbert, Meadowbrook Country Club's hard hitting golf pro, lost to Henry

Ransom Monday to place second in the Tam-O-Shanter "world" golf championship. Harbert's prize was \$5,000 which boosts his winnings this year to \$8,398 and places him 11th in the list of national money winners.

Football coach Al Jones issued a call for Northville high school gridders this week in a letter outlining the proposed football activities this fall. Athletic Director Harry Smith said that almost a hundred students indicated a desire to play football during the 1950 season.

Bruce Turgeon and Merrill Meaker have been designated by the local Exchange Club to be their delegates to the club's national convention from August 31 to September 4 at Washington D.C.

The Northville Eagles lodge is holding its annual picnic Sunday, August 20, at the Kent Lake Kensington Beach. There will be races, swimming and softball games.

The fourth annual Novi Gala Days sponsored by the Novi Board of Commerce will be held this Friday, Saturday and Sunday, August 18-20, according to Leo Harrawood, general chairman. Beginning August 18, Ford Field will be closed to village youngsters so that the field may be made ready for the football season.

TWENTY-FIVE YEARS AGO...

Boosting attractions and exhibits which surpass those of other years in quality as well as quantity, the Northville-Wayne County Fair, with only six more days before the gates open, is ready to take care of anticipated record-breaking attendance. For these thousands of fair-goers, a four-day exposition with educational features, grandstand shows, fireworks, races, horse shows and midway have been arranged by the 20 fair department superintendents.

Nell Hanaford of the Northville Hardware this week announces the model airplane building contest for boys between the ages of seven and 18 years. The only stipulation is that the kits be purchased at the Northville Hardware.

Bette Davis and Charles Boyer were starring in "All This and Heaven too," at the P & A Theatre.

The pet-doll parade, with more than 35 entries, held yesterday was a feature of the summer playground project which has been a community enterprise this year. Today is the last day that the director, Roy Meter, will be on duty on the playground.

She Gets Real Hoot from Collecting Owls

Four hundred and fifteen owls greet visitors to the home of Mr. and Mrs. Raymond Wright on 602 Fairbrook.

Mrs. Margarita Wright collects owls by the hundreds. She has two real ones - stuffed, of course - plus owl lamps, buttons, soap, music boxes, ash trays, bells, pitchers, clocks, towels,

candles, bookends, a magazine rack, banks, plates, lanterns, calendars, jewelry and almost every other object imaginable. She even has hors-d'oeuvres picks with little wooden owls on the tops of them.

The owls are displayed throughout her home, lending a magical atmosphere to it. The huge

stuffed owls are the first items in her collection to capture the visitor's attention, as their golden eyes glare from amid wise, stern faces.

Next the Visitors' eyes alight on the large shelves of owls of all different sizes, colors and materials. There are miniature owls measuring only half an inch, and golden owls, and owls made of felt, ceramics, glass, copper, marble, brass, wood, alabaster, china, stone and even coconut.

Then, imagining he has seen the entire collection, the visitor sits down in the comfortable living room, only to behold an owl candy dish and owl bookends on the table in front of him, an owl lamp nearby and owl andirons adorning the fireplace across from him.

The charming, white-haired collector cheerfully unwinds the fascinating tale of her collection, rising often to point out an owl of particular interest or beauty. Smiling reminiscently, she relates how her hobby began over 20 years ago: "When we were living in Detroit, we burned out our andirons and wanted to get new ones. I saw owl andirons in 'House Beautiful'. No price was listed - it just said to send to a New York address. When I wrote, the only place you could buy them was Detroit, Michigan on Farmer street. I went right down and bought them. They were so lovely I've bought everything that was owls since then."

Since she began her collection, her friends and relatives have helped it to grow to the amazing size it is today. She explains, "Sometimes people I hardly know, who have heard my lecture, will buy one for me." Also, her friends who travel inevitably bring back an owl for her.

Although she admits, "I haven't anything from Russia," she does have owls from every state in the union and nearly every country in the world. A few of the countries which have contributed to her collection are Norway, India, Japan, China, Cape Horn, Africa, Thailand, Italy, France and Germany.

She has several unique items. The two real owls both have interesting histories. Her long-eared owl was in her husband's backyard when he was a child. More than 30 years ago his neighbors shot it because it bothered them and had it stuffed. About five years ago the people visited the Wrights. Discovering Mrs. Wright's interest in owls, they sent it to her.

Her striped owl was used for over 30 years in gardens to scare pests away. It's now over 60 years old.

She has a rare owl made of white whale's tooth ivory which came from Norway, and another owl and nest formed of rocks. An old, old trapper found the rocks in the Grand Canyon and painted wings and eyes on the owl-shaped rock.

A replica of an ancient Greek coin with an owl on it is included in her jewelry collection.

One glass owl, found in an old barn, is over 100 years old. On the back of it there is an advertisement for medicine curing women's ailments.

Other treasures are her delicate owl Christmas tree ornaments made of feathers, an owl clock with large eyes which roll around and glow in the dark, and owl-shaped jars of honey from the Great Smokies.

Her knowledge of owls is almost limitless. Mrs. Wright relates that owls are the only birds found in every country of the world and in every state in the

union. Of the 300 varieties, 18 are found in the United States. The owl is also the only bird which can adapt to all climates. Its average age is 68 years, but many have lived to be well over 100.

One eye of an owl takes up more room in its skull than its brain. The eyes face forward and cannot move - the owl has to move its head in order to see what's going on next to him. Since the owl has 14 neck bones, compared to 7 in man, his head turns 270 degrees while man can twist his head only 180 degrees or

less.

Further, the owl's eyesight is 100 times as acute as human eyesight.

Actually, owls are quiet, solitary birds, but, as Mrs. Wright points out, "The scream of the horned owl coming suddenly from the black pines at night sends chills down anyone's spine."

A bit of historical interest concerns the legend that Florence Nightingale always "carried an owl with her on her errands of mercy." In contrast, the kootenay tribes of American Indians thought the owls

were "wicked," and that they carried children away during the night who cried when they were sick or hurt.

Besides collecting owls, Mrs. Wright also loves gardening and handcrafts. She supplies Oakland University with colorful handcrafts which are sold in a gift shop run by Grosse Pointe women. All the profits go toward student scholarships. Another interest, which both Wrights share, is traveling.

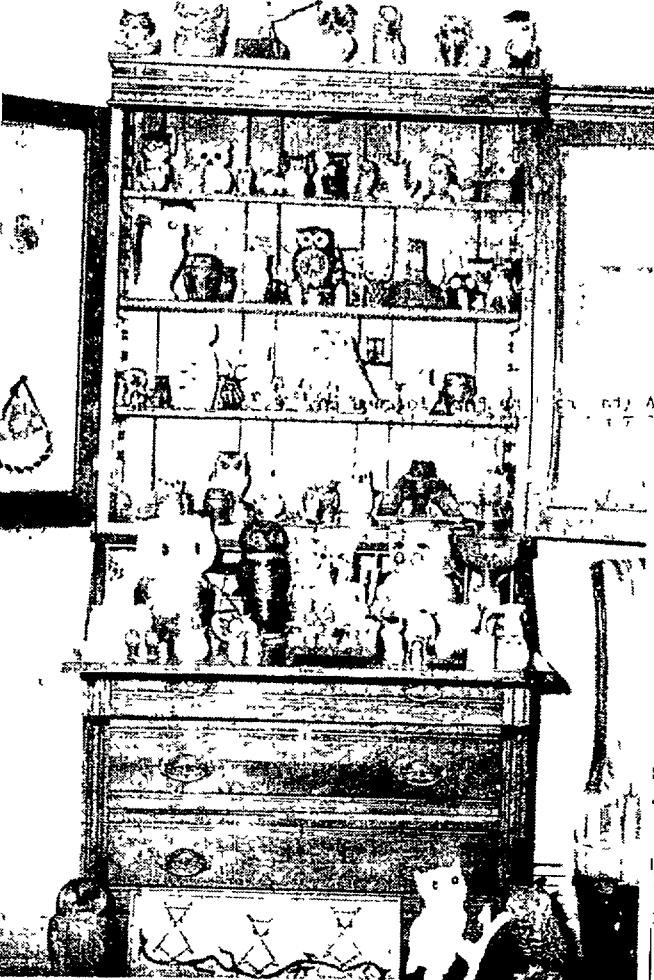

They have a summer home at Lake Ann which is also decorated with many owls.

Her hobby has brought her great enjoyment over the years, but what has meant the most to her has been "the friendship. Truly I have purchased very few owls myself. Friends and relatives bring them to me. Everytime I look at an owl, I also see the person who gave it to me."

What does her husband think of the owls? He says simply, "It's fun," but his wife adds, "He cooperates beautifully." Mr. Wright must not mind the owls. He and his wife celebrated their golden wedding anniversary earlier this summer.

OWLS—Mrs. Margarita Wright stands by the friendly owl who welcomes people to her home on Fairbrook. Inside her house, below, a portion of her collection of 415 owls is on display. She has owls of almost every variety, color and material, and from every state in the union as well as from nearly every country in the world.

Although she admits, "I haven't anything from Russia," she does have owls from every state in the union and nearly every country in the world. A few of the countries which have contributed to her collection are Norway, India, Japan, China, Cape Horn, Africa, Thailand, Italy, France and Germany.

SPEAKING for The Record

By BILL SLIGER

Remember the Northville Area Economic Development Corporation?

It hasn't had much publicity lately, but the group has been far from dormant.

A couple of years ago the new group made its first contribution to the economic growth of the community by assisting in the expansion of Foundry Flask & Equipment Company. Later the group purchased an old brick apartment house on Main street and removed the eyesore.

This week the announcement was made that the non-profit organization has purchased the John Mach Ford agency building, which adjoins the Main street lot. Soon Mach will move to new quarters on Seven Mile road and the economic development corporation plans to remove the old building. Just around the corner on Wing street another piece of property was purchased by the group of volunteer businessmen. It will pay for itself as an income apartment house until such time the property becomes more valuable for business.

The men who make up the working force of the Northville Area Economic Development Corporation are interested in the economic welfare of the community ... both industrially and commercially. The birth of the group was the result of a citizens' study report that predicted an extremely high residential tax burden unless some effort was made to expand the tax base.

The group now stands on the verge of at least one (and perhaps two) more industrial expansions for the area. Considering Northville's limited potential, the projects would represent major developments for our area.

Most of the money to finance expansions, such as the Foundry Flask building, comes from the Small Business Administration, a government agency which lends money to such groups as the local development corporation.

But about 20 per cent must be raised locally by the economic group itself.

It appears that the public will again be called upon to help by making an investment in the economic future of our community.

If you have money to invest, consider the economic development corporation. Its notes pay an interest rate of six per cent and, in addition, you're promoting the economic welfare of your own community.

An announcement promises to be made soon when preliminary details are completed. Watch for it.

State Fair time is nearly here again. The 116th annual event opens Friday, August 27 and runs through Labor Day (September 6).

Detroit Publicist Dick Frederick, who also prepares news releases for Northville Downs among others, came up with a little different twist.

He directed the release to us "city folks" so that we might understand the signs posted in the agriculture and livestock exhibits.

How many of them are familiar to you?

Sire - name applied to any male farm animal used for breeding; Dam - name applied to any female farm animal used for breeding; Colt - baby horse; Yearling - year old horse, either male or female; Mare - mother horse; Stud - father horse used for breeding; Filly - teenaged female horse; Heifer - a young cow.

Steer - a young bull being raised for meat production; Bull - male cow used for breeding purposes; Ewe - a female sheep; Ram - a male sheep; Lamb - a baby sheep; Wether Lamb - castrated lamb; Sow - a mother hog; Boar - male hog used in mating.

Gilt - an unbred female pig; Shoat - a teenaged pig; Barrow - a castrated pig; Poultry - a baby turkey; Pullet - a young laying hen; Cockerel - a male bird less than one year in age.

Children's Safety Concerns Councilwoman

To the Editor:

Because I believe your reporting on my objection to the proposed fence and steps between the school property and city hall might be confusing to the public,

I'd like to say I have no objection to a fence, in fact, I would like to see a cyclone fence along the south side of the community building property, continuing

along the east side and connected to the city hall building so no little cyclones could get through anywhere and cross the driveway behind the city hall.

If there is an accident or fire the police have to get on their way in a hurry, and if there is an opening in the fence and steps leading across the drive, I believe

it's not only dangerous but puts an added burden on the police to watch for children. As you are aware the coming and going of children is unpredictable in spite of safety patrol.

Perhaps I am unduly alarmed about this. I hope so.

Mike Likes Mexico

To the Editor:

I have been here in Mexico City for one month and it is truly a wonderful city to visit. My Mexican family is probably the nicest family in all of Mexico. They have done everything possible to make my stay here as pleasant as possible.

Our house is very large and is surrounded by a very high wall. There are four servants, a gardener and a chauffeur. This is not unusual in many Mexican families. The servants take care of the small children, clean the house, make the beds, feed the dogs and wait on the table at meals. We eat four meals a day and dinner is at nine o'clock in the evening.

For dinner one night I had mashed baked beans, scrambled eggs and ham and hot tamales.

The day I started school it took us about 2 hours by bus to get there and about 2 1/2 to arrive back home. My classes to start with, were from 9:00 to 3:00. We had to take a test in Spanish to see what class we would be in. All I managed to do correctly was write my name and the date. I'm in the beginner's class!

Only two of the boys in my family speak English. My mother, "Mama Carmen", wants me to learn Spanish and not have the family learn English. This is fine with me. There are two boys and three girls in the family and the father is a civil engineer so I will have a lot of practice.

After classes in the morning we eat lunch and then are given an hour to roam the town near us. The school is situated in the center of the business section. When we got back to school we sang some songs and learned some Mexican dances.

Boy! these dances are for the birds. If they had passed out

tom-toms the Indians would have felt at home!

We go to a club for swimming, after lunch and then play all types of games, including soccer, basketball, volleyball and badminton. On Thursdays we take a tour to some famous places here in the city. We have excellent counselors and this trip is very worthwhile.

The weather is very nice although this is the rainy season. We had a wonderful birthday party for Mama Carmen and all 54 of the family relatives appeared.

I have taken many wonderful pictures and have them developed here because I have seen so many things I am not sure what is what. My family will help me mark them so that I can identify everything.

I am having the time of my life!

Adios,
Mike Chabut

HERE'S HOW DODGE'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first, replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

CLEARANCE SALE '65

No hootin' or hollerin' is loud enough to suggest the big savings on the last of the 'sixty-five Dodges. Quietly, every Dart, Coronet, Polara, Custom 880 and Monoco in stock will be driven away, climaxing the best Dodge sales year of all time. History-making cars. Unforgettable prices. And no less than a 5-year/50,000-mile warranty* to seal the bargain.
