## The Northville Record

IF IT'S NEWS . . . AND IT HAPPENS IN NORTHVILLE . . . YOU CAN READ IT IN THE RECORD

Vol. 95, No. 22, 18 Pages, Two Sections

Northville, Michigan—Thursday, October 14, 1965

10c Per Copy, \$4.00 Per Year In Advance

### Area Building At Fast Pace

Novi led the race in newbuilding for the current year as the third calendar quarter closed, but Wixom and Northville were galloping in hot pursuit.

Ford assembly plant's \$3 million expansion expected to be approved in the final quarter will whip Wixom's lead in the forefront, but they were second with a 41,528,553 total to Novi's \$1,670,319 in permits issued at the end of September.

Northville township building officials expect a \$2 million year. To date Northville township has had \$1,092,000 worth of building in the past six months and \$375,000 in the past quarter on two projects alone. Haller division of the Federal-Mogul company's research center at \$125,000 and the Our Lady of Providence chapel at \$250,000 were that boost.

Some \$933,331 of the Novi total came in the recent quarter with the \$581,684 Michigan Tractor company expansion on Novi road.

City of Northville permits totaled \$1,248,375 for the first nine months, \$480,447 of which came in the third quarter on the wing of the \$240,000 apartment project on Fairbrook.

Wixom added a \$30,000 warehouse requested by the Chesapeake and Ohio railroad for a parts and service building and a \$30,000 Birmingham-Bloomfield Bank structure to their commercial property assets by way of building permits issued in the third quarter.

Four new homes approved boosted the grand total by \$61,000 during that quarter also.

In the past quarter Novi issued seven permits for new commercial structures and additions to existing commercial totaling \$676,184.

Second largest project was a \$51,000 addition to Holcomb Industries which Company Secretary C. J. Appel said would add approximately one-third floor space for equipment. The 8300 square foot structure is presently under construction at the east side of the existing building and represents a continuing expansion of the company here since 1948.

Next largest project cited by permit was for \$18,000 issued to the Sun Oil company for erection of a gasoline service station at the intersection of Novi road and I-96. Construction has not yet begun.

Other new commercial buildings recorded by permit were an \$8,500 structure called for by Lone Pine Construction, a \$5,000 project asked by Arthur Lynn and a \$4,000 permit issued to K. T. Ready Mix in August. This latter structure is now in operation.

A building permit of \$8,000 was issued to Stricker Paint company on Novi road for expansion in August also.

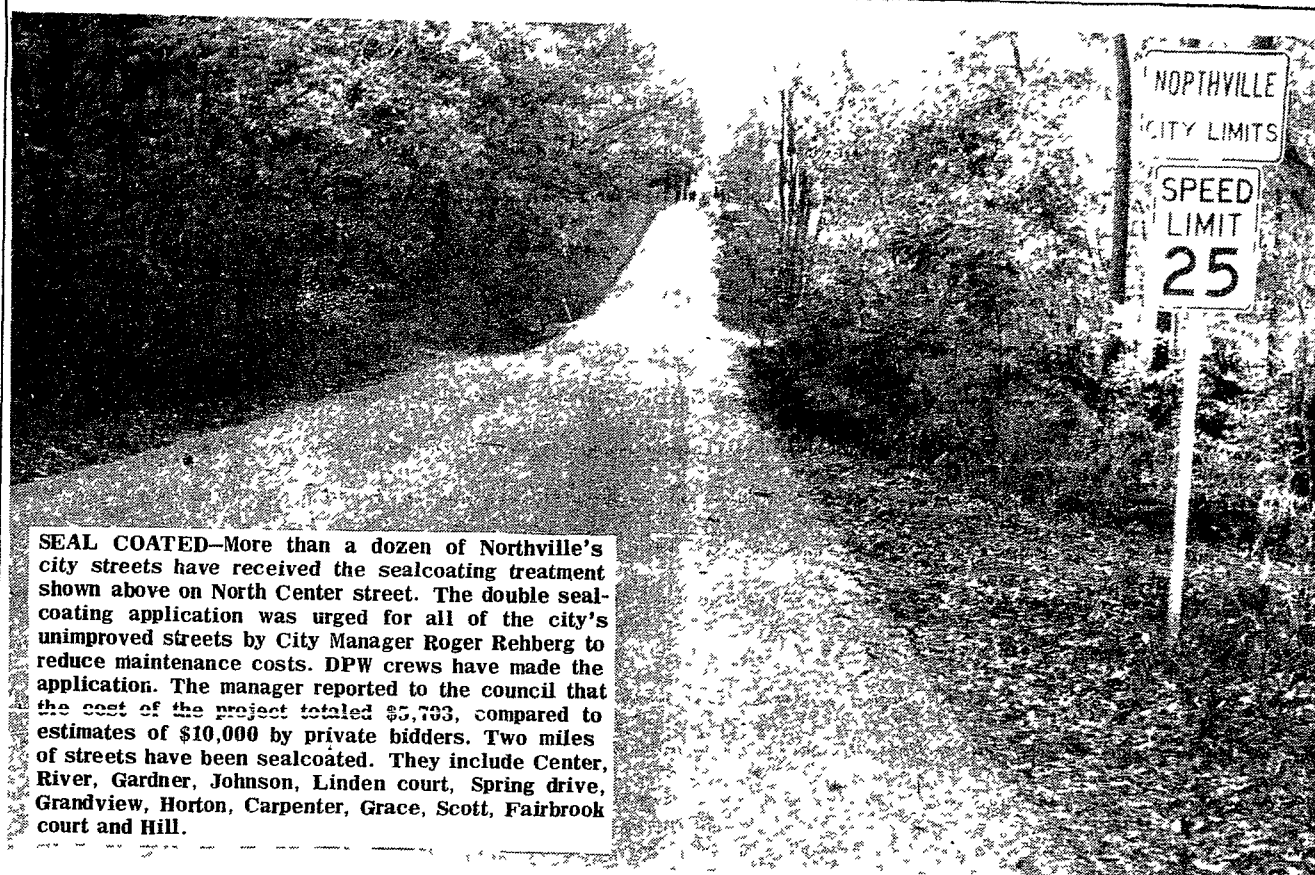

Twelve new homes approved during the third quarter in Novi were estimated at a total of \$202,946.

City of Northville building permits issued showed a boom during the third quarter of this year totaling \$480,447 on the wing of the \$240,000 Fackler-Johnson apartment house.

Other large projects during the quarter included a \$62,000 item for the factory additions (August) and a \$12,900 office building (July).

Eight new homes were approved by permits totaling \$138,000 for the period. Remodeling, repairs and additions totaled \$23,447.

One sign item was valued at \$4,000 and a sign change was valued at \$300.

SEAL COATED—More than a dozen of Northville's city streets have received the sealcoating treatment shown above on North Center street. The double sealcoating application was urged for all of the city's unimproved streets by City Manager Roger Rehberg to reduce maintenance costs. DPW crews have made the application. The manager reported to the council that the cost of the project totaled \$5,733, compared to estimates of \$10,000 by private bidders. Two miles of streets have been sealcoated. They include Center, River, Gardner, Johnson, Linden court, Spring drive, Grandview, Horton, Carpenter, Grace, Scott, Fairbrook court and Hill.

### Open 7-Mile Sewer Bids Monday

#### Chairmen Named

Five chairmen to head Northville Chamber of Commerce committees were named at a chamber board of directors meeting last Thursday, October 7, by President Essie Nirider.

Nirider appointed David Biery, program chairman; Stan Johnston, education; Carl Johnson, publicity; Paul Folino, membership; and John Carlo, temporary chairman of traffic and transportation.

#### Absentee Ballots Set

Absentee ballots are now available at city and township offices for the November 2 election in Wayne county.

Application may be made until 2 p.m. of the Saturday prior to the election.

Bids will be opened Monday in Northville township for the installation of a sanitary sewer line on Seven Mile road from Marilyn to Northville road.

The project was triggered by plans for construction of a 100-bed nursing home and/or 100-bed hospital at Marilyn and Seven Mile road. Sanitary sewer facilities are necessary for the project.

Under an agreement between the township and Dr. W. E. Gizynski, who plans to build the hospital, the sewer will be financed

by Dr. Gizynski on a pay-back agreement. As property owners along the route of the line connect to the sewer, Dr. Gizynski will receive \$200 of the township's \$400 tap-in fee. The agreement is for 20 years with repayment not to exceed cost of the installation.

Specifically, the line will consist of some 3200 feet of 12-inch and 3700 feet of 8-inch. It will begin on the north side of Seven Mile at Marilyn and extend westward to a point opposite Northville State hospital where the line

will cross under Seven Mile road to the south side. It will continue westward under the C & O railroad and south a short distance along the east side of Northville road before crossing to the west side and tapping into the Middle Rouge interceptor.

Township engineers, Mosher Associates, originally estimated the project at \$70,000. If the bids should run too high, Dr. Gizynski has the right to reject them. Bid opening will take place at the township hall at 2 p.m.

### Tornado Shelter Urged For New Grade School

Reclining in comfortable new armchairs, Northville school board members Monday night inspected and purchased science kits for the junior high and two elementary schools and also viewed a film presented by Eugene Guido of the Wayne county civil defense office showing school construction incorporating fall-out shelter protection.

The board authorized purchase of the three Parco science kits, each composed of six units (such as magnets) and a microscope, at a cost of \$1,850. It acted upon the recommendation of Superintendent Alex Nelson, who stressed the kits would serve as a "core" for teachers to build upon. He said they could be used in ungraded situations, permitting students to proceed by ability, as well as in graded classrooms.

The civil defense film showed a new school built in Laredo, Texas, with all classrooms below grade level and a 14-inch cement slab ceiling acting as a floor for the auditorium, gymnasium, wood shop and band rooms. With air conditioning, the school was built at a cost of \$10.35 per square foot, Guido pointed out.

An important feature of a fall-out shelter for the Northville area, Guido strongly felt, was the added protection offered from tornadoes.

He said he has an "almost violent objection to schools built entirely above ground with no protection for children from many types of disasters."

In response to Guido's query, the board said present plans for the new elementary school do not include a basement. There are

no plans yet for the new junior high school.

In other business the board authorized Nelson to try to hire an additional speech correctionist after it was pointed out that the district has approximately 153 children needing speech help. This, without including non-public school children, Nelson said, is equal to two full caseloads. The present speech program has 76 students with 77 on a waiting list, all with severe enough problems to be certified by the state. Nelson said the correctionist salary is \$5,600 with 75 percent to be refunded by the state. The district, Nelson told the board, has a higher than average number of speech correction cases.

In a session largely informational the board was apprised of the difficulty in finding a ninth grade basketball coach. Total enrollment as of October 1 was given as 2,529, compared with 2,402 last year, an increase of 127 students.

The new armchairs were authorized at the first meeting of the school year, and were delivered in time for last Monday's meeting.

The board agreed to have a member attend the Amormann school PTA's proposed meeting set for April 18, 1966, to explain millage needs of next June's election. The board discussed need for citizens to be aware of upcoming operational needs. It was decided to invite previously ac-

tivated citizen planning groups to the next board meeting, October 25.

The board also formally accepted the new school busses from John Mach with the understanding that he will make requested adjustments if not done by the Ford Motor Company; extended the sick leave of LeRoy King, who has entered Maybury sanitarium, to the end of the month; accepted an independent audit from H. Earl Hanson. Bill warrants and payroll were accepted by the board with the stipulation that all bills be provided with warrants. Nelson said he is instituting tightened office procedures.

### Mayor Urges 'Long Range Planning'

The city of Northville is taking another long look at the possibility of extending water and sewer service westward on Eight Mile to Beck road.

Mayor A. M. Allen called a special session of the council last Thursday and proposed an immediate study to consider service to the Northville Estates area -- and the proposed new elementary school.

Mayor Allen told fellow councilmen that he believes development in the area calls for "long-range thinking and planning."

In attendance at the special session were Councilmembers Del Black, Beatrice Carlson and Fred Kester, and City Manager Roger Rehberg, City Attorney Philip Ogilvie and Engineer Harold Penn. Councilman John Canterbury was absent.

The city's second look at providing utilities out Eight Mile was prompted by the school district's predicament. A 10-acre site earmarked for acquisition by the school district for an elementary school scheduled for opening next fall lies across the road from Northville Estates. The school site is in Northville township and water service is unavailable, although it is possible to extend a sewer line from the school to Main street and Beck road for sanitary sewer service. School and township officials are slated to meet next week to discuss this possibility.

City officials had told school board members and administrators that it would be impossible to extend sewer and service to the area by next fall.

But now Mayor Allen isn't sure. He pointed out that eventually Northville Estates must be served. It lies in the city limits, whose boundaries extend westward along Eight Mile to Beck along the north side of Eight Mile.

Most of the area in the vicinity of the school will also develop rapidly, mostly due to the construction of the school. Demand for services will come faster than anticipated, the mayor pointed out.

As city policy now stands, neither water nor sewer service could be extended across Eight Mile road to the school unless the site were annexed to the city. School board members offered no objections to this provision, however, if utilities could be provided. Extension of the utilities to the school would reduce costs and provide better long range service, school architects pointed out.

City Engineer Penn estimated sewer costs along Randolph street, where a new installation would be needed to serve the Eight Mile line, at \$100,000. But

this expense could be sharply reduced, he pointed out, if permission can be gained from Oakland county to connect this line to the new Novi sewer at Ford Field rather than running the line to the interceptor at South Main street near Seven Mile road.

Cost of installing a sewer from Taft road to Beck was estimated at \$40,000, while a water line would cost between \$35,000 and \$50,000, Penn stated.

While engineering studies are expected to be complete in five weeks, the council must still wrestle with costs and financing. While the school may be ready to pay its share of the installation, few, if any, other properties in the area are. Only Northville Estates is developed and whether residents of the subdivision are ready to pay special assessment costs for water and sewer service at this time is questionable.

The council, therefore, is faced with interim financing. Members know the area will develop and utility services will be in demand, but they cannot predict when.

While it is possible for the city to assess raw acreage for the utilities as they are installed, it is unlikely that such action would be taken before actual development of the land took place.

### Gravel Mine To Close Up

A Northville township sand and gravel business has ceased operations after more than 20 years.

Township Supervisor R. D. Merriam stated this week that he had been notified by the Northville Sand & Gravel company on Beck road that it was through mining.

Owner-Operator John Waskins, one of four partners in the business, stated that leveling work would begin immediately and continue through next summer so that the area can be sold for building development.

Supervisor Merriam estimated the mining area covers more than 50 acres. Two lakes are included on the site.

### Altman Ill

Charles Altman, Jr., owner of Good Time Party Store in Northville and a resident of 866 Grace, is a patient at St. Mary hospital in Livonia. He is recuperating from a slight heart attack. Altman entered the hospital last Friday.

### Rev. E. E. Rossow Dies in Saginaw

Funeral services were held Tuesday in Saginaw for the Reverend Edwin E. Rossow, 70, under whose pastorate the present St. Paul's Lutheran church was built in Northville.

He served the church as pastor for 17 years, coming to Northville in 1937 from Pilgrim Lutheran church, which he founded in Detroit. Service was at the Trinity Lutheran church in Saginaw with burial at St. Johns, his birth place on February 15, 1895.

While in Northville he served as chaplain of Detroit House of Correction and Maybury Sanatorium from the mid-1940s until 1954, and was on the Wayne coun-

ty board of institutions from 1952 to 1954. He then became chaplain of St. Luke's hospital, Saginaw.

A past president of the Northville Rotary club, his wide circle of friends included many members of other local churches. He died after a short illness.

He leaves his wife, Lella Graff Rossow; two sons, the Reverend E. J. Rossow, pastor of Mount Calvary Lutheran church, Detroit; and Carl Rossow, Saginaw; four daughters, Mrs. Lella Billmeier, Saginaw; Mrs. Catherine Klug, Benton Harbor; Mrs. Esther Holland, Livonia and Mrs. Lois G. Albers, Billings, Montana; and 19 grandchildren.

### Leaf Pick-Up Begins in City

Leaf sweeping in the city of Northville will begin next Monday.

The new leaf pick-up service was announced by City Manager Roger Rehberg, who has mailed letters to all residents explaining the procedure.

A two-man crew operating a newly-purchased leaf collecting machine will start daily trips through city streets Monday. The manager has asked homeowners to rake leaves into the gutter so that they may be easily collected. He has also urged neigh-

borhoods to do their raking at the same time so that collections may be made along an entire street.

Manager Rehberg said the machine operates best if the leaves are not wet. He also asked residents not to burn the leaves.

### Delay Mobile Home Bid

The Northville township planning commission has delayed calling a public hearing on a request for rezoning to permit construction of a 325-unit mobile home complex.

The \$800,000 project was introduced to planners at its August 31 meeting by promoters of the proposal, Charles Lapham, Rodney Grover and Gilbert Pearson, all of Northville.

Planners suggested that the hearing be postponed until the township's new master plan zoning is complete. It was pointed out that provisions would be made in the revised zoning for a mobile home area. Planners noted that if the proposed "Aaron Valley Village" met specifications of the ordinance and the Beck at Six Mile road site qualified for such an installation, rezoning hearings would not be needed.

It is anticipated that the township's zoning plan will be complete within two months. Planning Chairman Gunnar Stromberg stated.

### More Honors For Sharon

Northville majorette Sharon Thomas added the title of World Juvenile Football Queen to her other championship honors as she won out over five other finalists in competition last Saturday in Castalia, Ohio.

Twelve-year-old Sharon, a seventh grader at Northville junior high school, was one of five divisional queens chosen in the Ohio competition, which drew entrants from Michigan, Ohio, Indiana and Pennsylvania.

Sharon, daughter of Mr. and Mrs. Jack Thomas, 883 Allen drive, already has twirled her way to the title of Michigan Marjorette Queen. She and her family moved to Northville from Waterford, Michigan, five months ago.

She will compete for the title, Majorette of the Day, October 23, in Sandusky, Ohio. She previously won this title in a similar competition there last March. She also plans to seek the queen's title in a Grosse Ile competition October 30.

### TRAVEL PLANS

101 E. Main Northville  
FI-9-1807

Roy Barnes, manager of radio and television for Greenfield Village public relations department, will give a slide-talk on the village and Henry Ford museum at 2 p.m. this Friday before the Northville Woman's club.

In order to have the slide presentation with the lecture, Mrs. Paul Beard, program chairman for the day, announces a change of meeting place to the fellowship hall of Northville Presbyterian church.

The speaker has produced sev-

### Wixom Baptist Attendance Up

The First Baptist Church of Wixom, for the third time this year, has set a new record attendance high in their Sunday school. On September 26th, Rally Day, there were 402 in attendance in the church's Sunday school classes.

eral special documentary programs for radio and television. A native of Royal Oak, he served in the U.S. Navy during the Korean War. He attended Wayne State University and began broadcasting at the university's station, WDET. From there he went to Cadillac as director of television station WWTW. He also has been staff announcer and program director with stations in Michigan and Indiana.

Mr. Barnes replaces Dr. Robert Geake, who will be out of town, on the program. He is speaking on the same topic as originally scheduled.

### News Around Northville

Floyd Kupsky, 318 Yerkes avenue, is a patient at St. Mary hospital, Livonia.

Mrs. Lawrence LeFevre is convalescing at her home at 501 West Cady street after having surgery at New Grace hospital, Detroit, last week.

Mrs. Mary Alexander, 220 Linden, who has been ill, is in St. Mary hospital for tests. She is former Northville city clerk, holding the position for 28 years.

Annual business meeting of the Past Matrons club of Orient chapter will follow a dessert luncheon at the home of Mrs. Horace Boyden, 230 First street, at 12:30 p.m. Wednesday, October 20. Mrs. Edward Mollema will be co-hostess.

Here for a few weeks' visit with Mrs. E. M. Starkweather at her home at 48265 West Seven Mile road is her brother, Fred Turner. He flew here Monday from his home in Ventura, California.

Mrs. Jim Spagnuolo, 113 East Main street, left Monday for Chatham, Ontario, to see her sister and brother-in-law, Mr. and Mrs. Charles LeMieux, who are both ill in St. Joseph hospital there.

### FOR RENT - - Money For Fall Expenses

AL PARKER

"If you're facing additional expenses this Fall and need extra money to take care of back to school bills, heating repairs, new furniture, decorating and other household expenses—here's money for rent. Any amount up to \$1,000 for a week, a month, a year, or longer. "Simply phone me at Model Finance at 349-3320, and tell us how much you'd like to rent—then come in to 135 N. Center, Northville, and pick up your money."

MODEL  
FINANCE CO.

DOLL MAKERS—Hard at work preparing some 60 Christmas Tableau figurines are Northville Garden club ways and means chairman Mrs. Frank Whitmyer (left) and committee member Mrs. Gene Cushing. The club has annually sold the dolls to raise funds for a club-sponsored scholarship.

### Mr. and Mrs. Pubanz Reside in Northville

Mr. and Mrs. Richard Pubanz

Laura Conley, daughter of Mr. and Mrs. Gordon VanCamp of Green Lake, became the bride of Richard Pubanz of Northville in a candlelight service September 11 at St. Mark's Lutheran church in Orchard Lake. The bridegroom is the son of Mr. and Mrs. Carl Pubanz, 46850 Timberlane.

The bride's sister Connie Woodbeck, was maid of honor. The bridegroom's cousin, Donald Payne, was best man. A dinner and reception followed at Kingsley Inn in Bloomfield Hills.

The newlyweds both attended Ferris State College and now

are making their home at 510 Randolph in Northville.

### Births

A son, Steven Edward, was born Friday, October 8 at Sinai hospital to Mr. and Mrs. Herman Moehlan of Northville. He weighed six pounds, nine ounces at birth.

Mr. and Mrs. Macklin J. Burns 46065 Norton, announce the birth of their first son and third child, Macklin John Burns II, Monday at St. Mary hospital. The baby weighed 8 pounds 11 ounces. Mrs. Burns is the former Sandra Gotro.

Grandparents are Mr. and Mrs. John Gotro, 7910 West Seven Mile road, Northville, and Mr. and Mrs. Gerald M. Burns, 1097 Holbrook, Plymouth. The baby's sisters are Terri and Tonni, age 6 and 7.

### Engaged

Joyce Lee Hagerman

Joyce Lee Hagerman's engagement to Dennis Munroe Wilson is announced this week by her parents, Mr. and Mrs. C. R. Hagerman of Huntington drive, Plymouth. Her fiancé is the son of Mr. and Mrs. Monroe W. Wilson of Newnan, Georgia.

The bride-to-be is a 1964 Plymouth high school graduate and is employed by the American Enclosures company, Novi. Her fiancé, a 1960 graduate of Washington High school, Portland, Oregon, is self-employed in Northville with a vending concern. A December 4 wedding date is set.

Carole Marie Lemmon

Mr. and Mrs. Forrest Lemmon, 439 Dubuar, announce the engagement of their daughter Carole Marie to Norbert Radzialsowski, son of Mr. and Mrs. Harry Radzialsowski of Hamtramck. A December wedding is planned.

Angela Watson

The engagement of Angela Watson to Seaman Gerald Paul Honeycutt is announced by her parents, Mr. and Mrs. Roger Watson, 496 West Cady street, Northville. The future bridegroom, who is stationed at Norfolk, Virginia, is the son of Mr. and Mrs. Paul Honeycutt of Taylor township. A December wedding is planned.

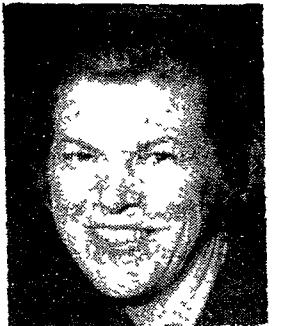

## In Our Town

By Jean Day

THE MUSIC MAKER is a charmer -- this is the word that's out on Northville Town Hall's first speaker of the 1965 season, Meredith Willson, who with his wife Rini will present a musicale at 11 a.m. next Thursday, October 21, in the Northville high school auditorium.

Because the news has filtered out from Detroit where he appeared last season that he is "especially charming" at the celebrity luncheon, almost 200 early reservations have been made for the post-program luncheon to be held at Meadowbrook country club. Luncheon reservations are being taken this year by Mrs. Duane Butler, FI 9-0248. Deadline for opening luncheon reservations is Monday, October 18. The Town Hall series is a sell-out for the first time this year.

Guests invited to sit at the celebrity table include Mayor and Mrs. A. Malcolm Allen, Mr. and Mrs. Alex Nelson and Mr. and Mrs. Elroy Ellison. Mayor Allen will welcome the Meredith Willsons and guests. Arrangements chairmen are Mrs. Ted Marzonia, ushers; Mrs. Wilson Tyler, luncheon; Mrs. Eugene Karrer, luncheon hostesses; Mrs. William Soellner, auditorium hostesses.

GOLD CHRISTMAS ANGLES are being fashioned at workshop sessions of the Northville branch, Women's Farm and Garden association. These herald the good news that there will be a local Christmas Greens Market after all this year. It is to be an all-day event December 11 in the lobby of the junior high boys' gymnasium.

Mrs. Frank Whitmyer, chairman, emphasizes that this will be a limited, local market, not on the scale of former years when more than a dozen area clubs joined with the Northville branch. There will be wreaths - decorated and plain - cedar roping and wire baskets decorated for doorways. The weekly workshop sessions also are producing the Christmas tableau angels and wicker basket arrangements with candles. Treated pine cones for colorful fireplace burning also will be on sale. Working with Mrs. Whitmyer, ways and means chairman, are Mrs. Gene B. Cushing, Mrs. Orson Atchinson, Mrs. Richard Jennings, Mrs. C. O. Brosius and Mrs. B. W. Baldwin.

The joys of autumn, rather than winter, were being anticipated by Mrs. Whitmyer last weekend as she and the family planned a color tour to the Lake Michigan dunes.

AUTUMN VACATIONS also are taking Northville vacationers east. Dr. and Mrs. Harold L. Wright returned to their home on Westhill road last Wednesday after a week's trip to Wintertur and Williamsburg. At the famed Williamsburg Inn (often called the best small hostelry in America by travel magazines) the Wrights met a former classmate of Dr. Wright's who now lives in Atlanta, Georgia. Antiquelovers, the Wrights garnered a still life and some pewter pieces for their collection on the trip.

OTHER WILLIAMSBURG travelers are Mrs. George Zerbel, 543 Dunlap street, and Miss Betty LeMaster, 9245 Napier road, who returned earlier this month from a nine-day trip on which they drove down the Skyline drive to Williamsburg. They made one of the reconstructed homes on Duke of Gloucester street near market square their headquarters and in addition to Williamsburg toured near-by Yorktown, Jamestown and Richmond. They also visited Monticello before returning through the Shenandoah Valley.

ISTANBUL, TURKEY, was an unplanned addition to the itinerary of Mr. and Mrs. Richard Ambler, who returned from Europe to their home at 943 Carrington, last week. The new Hilton hotel there, Mrs. Ambler reports, is the most lavish she has ever seen -- and provides vivid contrast to the poverty surrounding it. Mrs. Ambler joined her husband in Switzerland during his business trip overseas. From Geneva they made flying trips to Rome, Paris and London. They drove to Lucerne to see Mr. and Mrs. H. O. Evans and Mr. and Mrs. William Davis, of Northville, and Mr. and Mrs. Robert Beerbower, former Northville residents now living in Dayton. (The three couples have been touring Europe together and are due home today.)

AT COLLEGE NIGHT—Many Northville families were among those attending the college night program held at Farmington high school last week. More than 40 colleges and universities had representatives at the annual event answering questions for junior and senior high school students interested in going to college. Pictured above are Mrs. Fred Hart and her daughter Prudence with Duncan Clarkson of Western Michigan university. Below Linda Secord is shown a college bulletin by John Cansfield of Schoolcraft college, while Linda's father, B. W. Secord, looks on.

## Next Thursday at High School

# Meredith-Rini Willson Open Town Hall

The fifth annual Northville Town Hall series opens Thursday, October 21, in the organization's first sellout, and it is the first presentation of a Broadway playwright -- Meredith Willson with his wife, Rini.

"A Morning with the Meredith Willsons" is to begin the 1965 season at 11 a.m. a week from today. Mrs. William R. Slattery, who begins her second year as town hall president, reports that nearly 600 women will fill the auditorium to capacity as advance ticket sales are a sellout.

Mrs. Slattery officially will open the 1965 series with a tribute to the Town Hall group in its fifth year.

Northville Mayor A. Malcolm Allen will welcome the Meredith Willsons. A celebrity luncheon at Meadowbrook country club will follow the lecture.

"We feel as if we're having a Broadway opening," commented Mrs. Slattery, saying her committee is most excited "because it's a sellout and because it's really wonderful to have a celebrity of the Meredith Willson stature."

"Actually," she added, "every one has wholeheartedly accepted our entire program this year."

Next on the series, on November 18, is Madam Clara Chenault, widow of the late famed general of the WWII Flying Tigers.

"A philosophical Iowan, who has won enduring fame in the entertainment world with his shows on Broadway, and his lovely wife, who has achieved success in her own right as a concert singer," is the usual introduction given the Meredith Willsons.

A sort of musical lecture, their entertainment here will be spiced with humor, comments and music.

Musical composer, orchestral conductor, humorous and - philosophical writer and musical comedy playwright are the range of titles earned by Meredith Willson. His "Music Man", "The Unsinkable Molly Brown" and "Here's Love" enthralled Broadway. Hollywood chose Debbie Reynolds to give his "Unsinkable" even wider acclaim.

His wife Rini Zavova (her billing as a concert singer) has co-starred with him on various radio programs. Her sparkling personality and exceptional vocal talents bolster their joint platform effort.

Novi Boy Scout troop No. 54 attended the Clinton Valley District camp-out this past weekend at Teepie Lake in the Highland Recreation area.

Novi Scouts won second prize on camping. They had 104 points with first prize winners, Farmington troop, having 105 points.

The MEREDITH WILLSONS

## For The Gardener

This column on gardening information is compiled by the Northville branch of the National Farm and Garden Club.

How to Grow African Violets Without "Coddling"

We all like African violets but hate to give them the care they seem to demand. If you like these cheerful plants, you can still enjoy them without too much care. Undoubtedly, you've read that these plants must be coddled. They often are by specialists, nevertheless, it's possible to have plenty of blossoms without coddling.

What you need: 1. Several 2, 2 1/2 and four inch flower pots, preferably plastic (they're easier to clean), with holes in the bottom and some kind of shallow saucer beneath each pot. 2. Broken pieces of old clay flower pots pounded into pieces. 3. A bag of African violet potting soil, sold under various trade names. 4. Some healthy vigorous plants. 5. A window preferably facing east or north. If you have a bay window or porch with three sides open to the light, your violets will bloom with abandon. 6. A little patience.

What they need: Light. Here's an easy way to tell whether your plants are getting enough light. Pass your hand four or five inches above the plants, between them and the source of light. If a dim shadow falls on the plants the light is sufficient. They love morning or evening sun, but hate hot mid-summer sun. They don't tan prettily, but will turn a sickly yellow.

Temperature: Try for 70-80 degrees during the day, and about 65 degrees at night. If possible, have a little outdoor air coming in from a window in another room. However, be sure there are no direct drafts.

Water: Have it lukewarm and water from the tap. Try to keep it to the sides of the plant, away from the crown and leaves. Your forefinger will tell you when watering is needed. Poke your finger into the soil about one-half inch down, if you feel moisture, don't water.

If dry, pour water in by slow stages until it begins to run out of the holes in the bottom of the pot. In a few minutes pour out all the water collected in the saucer. That's important. Better to let the plants go dry for a day than to overwater them.

Next week we'll continue with correct potting, food and other helps toward maintaining healthy African violets.

An autumn smorgasbord will be sponsored by the Rosary Altar Society of St. William's Parish Sunday, October 24 in the parish hall.

## Christening In Napoleon

Stacey Leigh, daughter of Mr. and Mrs. Richard G. Schadel, Jr., was baptized Sunday, October 10, in Napoleon, Michigan, in the christening gown worn by her mother, the former Karen Hill and by her aunts, Mrs. Thomas Henson and Miss Susan Hill. The ceremony was performed by the Reverend Richard C. Leatham, pastor of the Napoleon Methodist church. Mr. and Mrs. Schadel both are teachers in Napoleon. He is band instructor.

## Official Northville Township Minutes

The Regular meeting of the Northville Township Board was called to order by Supervisor Merriam on Tuesday, October 5, 1965, at 8:00 p.m.

Members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, Wilson D. Tyler and James H. Tellam. Consultant: Mr. John Ashton, township attorney.

Visitors: Several township residents and Wm. Sliger of the Northville Record.

The minutes of the regular meeting of September 7 after correction, were approved as written.

Treasurer's report for the September 1965 were approved as submitted.

The following were reviewed: Office receipts for September 1965, \$2,739.75; Water & Sewer Commission receipts for Sept. 1965 \$5,079.77; Township bills payable \$4,979.95; Water & Sewer Commission bills payable, \$749.75.

After discussion, Tellam moved, supported by Lawrence that all bills be paid. Ayes: All.

Trustee Tyler's Aye approved all bills payable with the exception of Item 7498. Motion carried.

The Building Inspector's report was presented for review. No question.

The planning commission minutes of September 28 and Appeal Board minutes of Sept. 9, were approved.

Correspondence:

1. Report re: Scrapping of electrical equipment on new fire tanker and replacement thereof.

2. Letter and proclamation from Nankin Twp. re: community program honoring United Nations members on Sunday, October 24.

3. Letter from Plymouth Com-

munity School District re: sidewalk construction in various areas for the safety of children.

4. Letter copy from Draugellis & Ashton to the Evans Pipe Company re: claim against Evans Pipe Co. for cost of sewer clean-out in Shadbrook subdivision.

5. Supervisor Merriam informed the board of the land fill violations which were taking place on property owned by Gerald David, Glenn Long and Stanley Fong on Gerald Ave., and that he was meeting with John Ashton on October 6th to check into the matter.

Old Business:

1. Sewer tap charge for community buildings.

Supervisor Merriam informed the Board that Mr. Mosher had not made a recommendation of what this charge should be so the matter would have to be held.

2. Garbage and Rubbish Ordinance.

No action as Trustee Tyler had not as yet received the proposed ordinance from Trustee Tellam so that he could study it.

3. Appoint Water & Sewer Superintendent.

Supervisor Merriam informed the board that the Water & Sewer Commission had met Monday, October 4 to take up several problems and one which had been discussed had been the fact that the township was reaching the time where they were in need of a part time Superintendent of water and sewer maintenance.

He asked Mr. Wm. McDermott, chairman of the Water & Sewer Commission to address the board.

Mr. McDermott informed the board that the township was presently well along with the Northville State Hospital in supplying them with Detroit City Water and that

the sewer installation on Seven Mile road was about to be built. Sometime in the near future the township will need to have a separate water and sewer department, but in the meantime the township needed someone appointed to be responsible for maintenance of the water and sewer installations. The person appointed should be capable and available at all times so that he could be called for emergencies such as the Shadbrook sewer stoppage. He recommended Alex Lawrence inasmuch as he is in the office and acquainted with all the water and sewer installations in the township.

Supervisor Merriam advised the board that he had asked the township attorney if such an appointment would be permissible for an elected and salaried official and had been told that a treasurer can act in another office in the township as long as there is no incompatibility in the offices and the attorney's opinion was that there was none.

There was further discussion with Trustee Tellam asking that an outline be written of the responsibilities involved, what they would be now and what they will be in a year or two. Also the qualifications required.

Mr. McDermott was advised that the appointment would be tabled until an outline was submitted to the board.

New Business:

1. Building & Zoning Inspector and Deputy Building Inspector wages and salaries.

Supervisor Merriam proposed that the Building and Zoning Inspector be put on a salary of \$300 a month and the Deputy Building Inspector be given a \$100 a month salary along with inspection fees.

After discussion, Supervisor Merriam stated he would entertain a motion to pay the Building & Zoning Inspector a salary of \$300 a month and pay the Deputy Building Inspector \$100 a month plus fees.

Young moved, supported by Lawrence, that the recommendation of Supervisor Merriam be adopted.

Ayes: Merriam, Lawrence & Young. Nays: Tyler and Tellam. Motion carried.

Trustee Tyler wished to be quoted—that his opposing vote was not in opposition to them receiving an increase in salaries and fees at this time but he thought the increase was a misappropriation of township funds because he felt that the facts and merits did not warrant.

2. Compensation for Deputy Clerk.

Supervisor Merriam informed the board that the deputy clerk had not had a raise in hourly rate for two years and asked the board for their consideration.

After discussion, during which Trustee Tyler quoted hourly increases from different cities.

Tellam moved that the Deputy Clerk be given a 10¢ an hour increase from \$2.25 to \$2.35 per hour. Young seconded. Ayes: Tyler, Tellam, Lawrence and Young. Nays: Merriam. Motion carried.

Tellam moved that all salaries be considered at the time the budget is prepared. Tyler seconded, stating that he still felt that both

elements taken up tonight should be taken up at that time.

Ayes: All. Motion carried.

3. Report on Fire Department-Lawrence.

Mr. Lawrence advised the board that the jointly owned old Bean Truck Pumper needed to be reconditioned. The engine and transmission would have to be rebuilt, it needed four new tires, complete unit should be repainted and put in A-1 condition. The cost of the work would be \$1400 to \$1500. The township would pay one half of the cost. To replace the old truck with a new one would possibly cost \$17,000 to \$20,000.

Tellam moved, supported by Tyler that the township join with the city to have the Bean truck pumper reconditioned. Ayes: All. Motion carried.

4. Resolution re: easement from C. & O. Railroad for sewer construction.

Tellam moved, supported by Lawrence, that Resolution #65-10 authorizing Supervisor Merriam to carry on negotiations and execute all documents to procure the required easement from the C & O Railroad.

Ayes: All. Motion carried.

5. Supervisor Merriam discussed with the board at some length the conditions existing on Gerald Avenue.

6. Trustee Tyler suggested that the agenda for the November meeting list Procedures Policy and asked that Mr. Draugellis be at the meeting to give the board his thoughts on this matter.

7. Trustee Tellam stated he had a few questions regarding the Township Police Study Committee, advising they had met at his home, elected Eugene Guido as chairman and had set October 18 for their next meeting.

1. Who would do the typing and mailing involved? Could this be done in the township office? Agreed.

2. The committee would like to meet in the township hall. It was agreed that Mr. Guido would be given a key.

3. Would the township allow expenses such as mileage for trips, a reference manual, and other miscellaneous expenses?

After discussion, Tellam moved that the township board allow them 10¢ a mile when driving outside of the community and whatever other expenses were involved and a maximum of \$25 for books and subscriptions to magazines. Lawrence seconded.

Ayes: All. Motion carried.

Trustee Tellam stated that there might come a time when the committee might want to visit with the township attorney. Should they ask permission from the board or come and ask Supervisor Merriam.

Mr. Ashton suggested that if they had legal questions, they should be put in a written form and not one question at a time.

It was agreed that all questions should go through Supervisor Merriam.

8. A Mr. Reynolds of Pitney-Bowes asked the Board for permission to demonstrate their postage machine and it was granted.

No further business, Lawrence moved for adjournment. Meeting was adjourned at 11:15 p.m.

Marguerite N. Young, Clerk

## NOVI HIGHLIGHTS

By Mrs. H. D. Henderson  
The annual bazaar and luncheon sponsored by the Novi chapter Blue Star Mothers, will be held at the Novi community hall from 11 a.m. to 2 p.m. Tuesday, October 19.

Novi Boy Scouts are having their paper drive this coming Saturday, October 16. Call FI 9-2762 or FI 9-2835 for information. Save your papers for the boys.

Cathy, seven-year-old daughter of Mr. and Mrs. Dempsey Ingram of Eleven Mile road, underwent a tonsilectomy at St. Mary hospital, Livonia, Saturday.

Norm Lee and Duane Bell spent one day last week hunting partridge near Midland.

Mrs. Wirt Lee of Winter Park, Florida, who has been the house guest of her son-in-law and daughter, Mr. and Mrs. Russell Butten, for three weeks, had Sunday dinner with Mrs. Helen Keltner in Livonia.

Friends and neighbors of the Jack Crawfords were their guests Saturday evening at a house warming party at their new home on Baseline road in Northville.

Mrs. Joe White entertained her card club for luncheon and pinocle last Wednesday.

Mr. and Mrs. Russell Race attended a homecoming at their former church Grand River Baptist, in Detroit last Sunday. In the afternoon they called on the former brother Hazen Race, in Birmingham who is recuperating from a major operation.

Mr. and Mrs. Russell D. Smith and family of Lynnwood street went to Saline Sunday for a Harvest Dinner at St. Andrew's and later visited friends, Mr. and Mrs. Paul Hale and Ted Kuyda.

Tom Bell was eleven years old Sunday and his sister, Kathleen, was twelve Tuesday. Both were honored at a birthday dinner by their parents, Mr. and Mrs. Duane Bell. Other guests were their grandparents, Mr. and Mrs. Charles Trickey, Sr. of Walled Lake.

Saturday evening Mr. and Mrs. Donald LaFond were among the 52 present at the 25th anniversary of the former's Walled Lake high school graduating class at Edgewood Country club.

Mr. and Mrs. Robert Cotter, Mrs. Mary Asher of Northville and Les Blakeman of Ohio spent this past weekend at the E. D. Cotter country home near Leonard.

Mrs. Frank Martin of Eleven Mile road is on the sick list.

The Kenneth Cooks were in Traverse City last weekend for a W.B.C.C. rally. There were 348 trailers at the rally.

Mrs. John Gotro accompanied the Cooks to Traverse City. While they were at the rally, she visited her brother and sister-in-law, Mr. and Mrs. Arthur Perkins on Cedar Bay.

Saturday visitors at the home of Dr. and Mrs. H. D. Henderson were the former's son-in-law and daughter, Mr. and Mrs. Robert Colby from Ithaca.

Mrs. Mary Skeltis and Mrs.

Connie Yope attended the wedding of their niece Jeannie Weiss and the luncheon following in Dearborn last Wednesday also attending the wedding were the Anthony Skeltis family, the John Tymensky family and Mr. and Mrs. William Skeltis. In the evening all the adults went back to Dearborn to attend the reception.

Jeff Skeltis, son of Mr. and Mrs. William Skeltis, celebrated his sixth birthday October 12 at family supper Sunday.

Mrs. Robert LaFond was the guest of honor at a baby shower at the home of her aunt, Mrs. Howard David LaFond last Wednesday evening. There were 19 relatives present.

Jimmy Klaserer, six-year-old son of Mr. and Mrs. John Klaserer, Jr. is a patient in St. Mary hospital. He is being treated for a hip infection.

Mr. and Mrs. Homer Kent have been entertaining Mrs. Kent's relatives for several weeks. Mrs. Kent's brother-in-law and sister Mr. and Mrs. J. M. Goff of West Columbia, South Carolina, left last Thursday after a two-week visit. Monday another sister and her husband the H. L. Hooks and their friends, Mr. and Mrs. L. Scheldon, also from South Carolina, left to visit friends in Montana after spending a week with the Kents. During the summer Mrs. Kent's brother and his wife, Mr. and Mrs. Robert Mathias of Penns Grove, New Jersey visited. NOVI BAPTIST CHURCH NEWS

The Vera Vaughn Circle met at church Tuesday night to do some work at the church kitchen by putting sealing coat on new cupboard doors. They also made plans to help a family get clothing for their four small children. Needed are boys' clothing, 5 months and 1 1/2 years, girls, age 3 and 4. Clothing can be left at the church or contact the president.

Young people who want to camp this summer are encouraged to plan to attend the fall Echo Rally sponsored by Billy Walker October 15 at 8 p.m. Musical portion of the program will include Spurr team and the Hiawatha Chorus. Slides will be shown of the camp Hiawatha staff and campers. Those planning to go are to leave the church by 6:30 p.m. The Rally is to be held at Davidson high school auditorium in Southgate, Michigan.

Pastor and Mrs. Barnes attended the 17th annual Fellowship of the Conservative Baptist association of Michigan Monday and Tuesday at the Marantha Baptist church in Flint.

Gerald Reimer, Missionary in-terne from Canada, spoke at the evening service on Christian Unity. Special music was a piano solo by Dave Ardelean. The women's chorus sang "Blessed Assurance."

This Saturday night Senior Hi Baptist young people are plan-

ning a hayride at Warroll Christian camp. Special guests will be young people from Grace Baptist church, River Rouge. All ninth grade students are invited to attend.

Tuesday October 12 the Cradle Roll department sponsored a shower for Susan Barnes, 2-month-old daughter of Mr. and Mrs. Barnes, at the home of Mrs. Lawrence Smith on Taft road.

The weekend of October 22-23 has been set aside for a couples' retreat at Sahara motel, Sarnia, Ontario. The Wixom Baptist church is cooperating with Novi Baptist on this event.

There were more than 200 in Sunday school again this past week. In general assembly a new theme song for Sunday school was taught, "When the Roll is called in Sunday School I'll be There."

Elective course is being taught by Pastor Barnes in the Koinia Class for married couples between the ages of 30 - 40 in "High-light of Church History."

The college and business age group being taught by Mr. Ron Ozark is studying "Personal Evangelism". This group plans to call on other young people in the community soon. Any last year graduate or young people of college age interested in attending and needing transportation may call the church office.

Next Sunday afternoon will be practice for all teenagers for the teenage choir being directed by Dave Ardelean, music major from Grand Rapids School of Bible and Music. They will be presenting "Day by Day" at the evening service.

Junior church for youngsters in fourth-sixth grades had its first session during the worship hour session during the worship hour Sunday under the leadership of Linda Davis and Don Kamen from Detroit Bible School. They will be studying "How has our Church Developed," and will be conducting a survey by interviewing various church members.

NOVI METHODIST CHURCH

Members of the Methodist MYF went to Chelsea Home with jams, jellies and donations of money. They were joined by other MYFs in the district. A program was presented for guests who live there.

Older youth have been invited to join the adult choir. All those who are interested are invited to practice at 8 p.m. Wednesday.

Church Trustees met at the church Monday, Tuesday a school on churchmanship was held.

October 28 the annual District Board of Missions meeting is scheduled.

The adult Sunday class, taught by Mrs. Lewis Larson, doubled its attendance last Sunday.

BLUE STAR MOTHERS  
Blue Star Mothers, Novi chapter 47, celebrated their 23rd anniversary at a luncheon at the Thunderbird Inn in Plymouth last Thursday. After a short business meeting they played games. District president Irene Krueger was guest of honor. Novi Mothers present were Mrs. Elmer Burnstrum, Mrs. Carolyn McCollum, Mrs. Harold Miller, Mrs. Marie LaFond, Mrs. Gertrude Lee, Mrs. Harold Henderson, Mrs. Al Pritchard, Mrs. Clyde Wyatt, Mrs. Hildred Hunt, Mrs. Maude St. Onge, Mrs. R. E. Ward, Mrs. Ethel Smith, Mrs. George Webb and Mrs. Fred Mandlik.

Several mothers attended the V.A.V.S. meeting at Dearborn Wednesday. Thursday several mothers visited the hospital in Ann Arbor.

Novi Rebekah Lodge meets tonight at the hall at which time Past Noble Grands will be honored.

Past Noble Grands will meet at the hall at 6:30 p.m. October 21 for a potluck supper. Hostesses will be Dot Sharpe and Lil Trickey.

Novi Rebekah club members are selling fruit cakes. Proceeds will go to the IOOF and Rebekah Home in Jackson. For orders call FI 9-2662, MA 4-1457 or MU 5-2675.

Novi Girl Scout troop 1027 met at Novi school Tuesday, October 5, with Joanne Ward leader and Peg Smith co-leader. The group divided into three patrols: the Skiers - Leader Florence Ritter, assistant Dahn Kozak; treasurer Diane Skeltis; Wild Cats - Leader, Karen Totten, assistant, Juanita Wittlinghill, treasurer, Kristen Pettig; Golden Wrens - leader, Jaane Miller, assistant, Julie Cicirelli, treasurer, Pamela Miller. Each patrol discussed badges to work on.

Cadette troop No. 149 is getting organized and elected officers Wednesday. Lorraine Auten is the leader and last week Laree Bell assisted. Faith Cookson will act as assistant this week. October 27 is re-dedication day for new girls coming into the troop. All mothers are invited to attend this meeting at 7 p.m. in Orchard Hills school.

Mary Wilkins' cub Den 9 joined with Kay Buck's Den 10 for their meeting Tuesday. All cubs were given space rocket kits, and they started work on their space rockets. At the pack meeting the last Friday in the month all dens will participate in a space derby race.

Den mothers are Beverly Bumann, and assistant Daphne Hansor for Den 2; Laree Bell, Josephine Jackson Den 5; Pat Rowley, Kay Buck, Den 10; Mary Wilkins Den 9; Helen Skeltis, assistant den chief Robert Robertson Den 7.

## SELF ANALYSIS QUIZ Do You Make People Feel Guilty?

By Jane Sherrod Singer

There are some people who not only want to stab people in the back but enjoy twisting the dagger. The most outstanding are those who consciously or subconsciously make a person feel guilty. Are you one of these? How would you react in the following situations? Check the remark nearest to what you would say.

1. A friend calls you to cancel a party at the last minute because of an emergency trip. You would say:
  1. Have the best possible time.
  2. We will miss you.
  3. But I prepared everything just for you.
2. You meet a friend on the street whom you have not seen for a long time. You would say:
  1. It's wonderful to meet you again.
  2. You haven't changed a bit.
  3. I hear you're doing well. Call us sometime — when you're not too busy.
3. You find you must return a purchase to a store. You explain:
  1. I found it doesn't fit my needs.
  2. Sorry for the inconvenience.
  3. The clerk high-pressured me into buying this dreadful thing.
4. You talk with a friend who is wearing a new outfit. You would comment:
  1. That is a very handsome suit you are wearing.
  2. Are you sure the color is right for you?
  3. I could never afford anything as elegant as that.
5. You forget a social appointment. You would explain:
  1. Sorry, my error.
  2. An unexpected emergency came up.
  3. I decided you were too busy to see me anyway.

SCORING: If you have selected more than two reactions numbered 3, you cast a shadow of guilt on the people with whom you come in contact. Don't be surprised if people shy away from you. They can fight back with openly unkind comments, but the small barbs aimed to make them feel guilty are difficult to endure.

## Court Proceedings

A 15-year-old Northville boy was the victim of an assault and battery charge brought against Richard Francis O'Hare, also of Northville, who paid \$35 fine and costs upon conviction at trial Monday.

Hugh Burns, 115 Linden street, was struck in the chest June 18 on Main street while with his brother James. Northville police said that the two boys were confronted in front of Del's Shoe store by a group of men including O'Hare who had just left Joe's Bar. Complainant for Burns, a juvenile, was his mother, Mrs. Mary Burns.

\*\*\*\*\*

Furnishing beer to minors proved unwise for Charles M. Early, 23, Pontiac, a former Novi resident, when Thursday he was fined \$25 by Justice of the Peace Robert Anderson in Novi. The conviction stemmed from an August 6 offense.

In addition, Early was fined

\$10 on a charge of failure to signal a turn which was committed August 16. Novi police said Early had made the turn at 85 miles per hour.

Penalties levied in Justice Anderson's court that Thursday also included:

A fine of \$100 and payment of \$40 restitution for damages to a privately owned fence meted to Wayne B. Irons, 38, Milford, on a reckless driving charge. Irons also paid \$10 fine for a disorderly action towards Novi Police Chief Lee BeGole and Corporal Richard Faulkner committed at the scene of the mishap in which he ran off East Lake drive and into the fence.

George Visnofsky, Jr., 59, 1300 East Lake drive, Novi, paid \$50 fine and had his operator's license suspended after conviction on a charge of driving under the influence of liquor. His alternative to the fine was 30 days in jail. Novi police said Visnofsky had been traveling north on Novi road at a high rate of speed and that his car was weaving.

Roy Petersmark, 25, Detroit, and Richard Hart, 37, Farmington, each paid a \$10 fine for unlawfully discharging a firearm in the village limits. Petersmark, said police, was found target practicing with a 30-calibre rifle and Hart with a 12-gauge shotgun.

For careless driving Michael Williams, 17, 431 Common, Wall Lake, was fined \$10. Police noted that he was apprehended after speeding 50 mph in a 30 mph zone on 13 Mile road.

## Loot Safe Of \$235

Safecrackers got \$235 for their diligent efforts at the Northville Laundry last week, but left behind enough clues that police investigation would seem routine.

No suspects have yet been named by Northville police, however. The laundry at 331 North Center street was broken into and entered sometime between closing Wednesday, October 6 and 6:55 a.m. Thursday.

Entry was gained, said Police Chief Eugene King, by means of cutting a two-inch hole in a glass window and forcing the window latch.

The safe was then removed from under a counter and its dial was knocked off. Then, apparently with a crowbar, the metal plates were peeled.

A few days later neighborhood youths found the type of tools supposedly used in a creek bed near the Northville Lutheran church. They were new tools.

## Finance Office Sold

The Model Finance Company of Chicago Heights, a long-established interstate finance firm, has taken over the offices of Milford Finance in Northville, 135 North Center street.

Purchase of the Milford Finance company was announced by officials by the Chicago-based firm.

The Model Finance Company was founded in Battle Creek in 1937 and has 23 branches throughout Michigan, Illinois and Indiana. Company President John D. Whitsitt announced that the name of the local office will now be Model Finance.

The firm specializes in consumer loans.

**NO YOUNGSTERS ALLOWED**—The Senior Citizens Traveling League bowled at Northville Lanes this week. It's open to men over 55 only and is filled up with 85 active members. The league bowls at different alleys each week. Above are the league's president and vice president, Vern Sutton and Clarence Hoffman.

Wouldn't this be a good time to review your home insurance protection?

Maybe you've added on to your house or purchased new furnishings. Well then... take stock of things. And see to it that you're fully covered. Call me now for the full story about State Farm's safe-sensible home insurance. (Comprehensive protection that can provide coverage in case of lawsuits.) It's another good deal from State Farm.

## Social Security Offices Offer Night Hours

The Detroit Northwest social security office will remain open from 4:30 p.m. to 8:30 p.m. o'clock each Wednesday evening beginning October 6 for the next several months, for the added convenience of residents of the area, Sam F. Test social security district manager, said today. These evening hours are in addition to the regular 8:30 a.m. to 4:30 p.m. schedule of office hours, Monday through Friday.

Test pointed out that it is important for many people to get in touch with the district office to take advantage of the health insurance and other provisions of the 1965 amendments to the social security program. Although

most people are able to visit the office during the day, many find it impossible to do so because of employment or home responsibilities.

The three major groups of people who should get in touch with the social security office are the following, Test said:

1. People who are now 65 or older but who are not entitled to social security benefits. Some of these people are eligible for benefits but have not applied for them because they are still working full time. Test emphasized that it is desirable for these people to apply now to establish their social security benefit rights and to qualify for the hospital insurance protection that begins in July 1966. He emphasized that no one can lose by applying for benefits as soon as he reaches 65 (those who retire between 62 and 65 may receive cash benefits but in a permanently reduced amount. They are not eligible for hospital insurance until they reach 65.)

Many of the people 72 or older are not now getting benefits because the new law reduces the amount of work required for most people 72 or older.

2. Widows 60 or 61 years of age who under the old law would have been eligible for widows benefits at age 62. They may apply for social security benefits as early as age 60 if they wish to accept a permanently reduced amount.

3. Unmarried students 18 to 22 years of age whose social security benefits have been stopped and students who receive social security benefits are are nearing age 18, and who plan to continue in school. Upon application, monthly benefits can be paid back to January 1965 and who were dropped from the social security rolls when they reached 18. The Northwest social security office is at 18500 Grand River Ave. The telephone number is 272-0080.

tion, monthly benefits can be paid back to January 1965 and who were dropped from the social security rolls when they reached 18. The Northwest social security office is at 18500 Grand River Ave. The telephone number is 272-0080.

SOOOO CLOSE—but oh so far is Northville's Jerry Inslund to catching a pass in the battle with Holly. The Mustangs' passing game, which totaled 30 yards, suffered due to a soggy field and a wet ball.

## Mighty Barons Coming to Town

No mistake about it, Northville will have its work cut out when Bloomfield Hills comes to town tomorrow night, flying higher than a kite on a windy day. There's ample reason why the Barons are on top of the world. They are leading the field in the Wayne-Oakland Conference with an unblemished 3-0 mark, half a game ahead of once-tied Holly. But that's just the beginning, for Bloomfield Hills is recognized as one of the top 15 class A grid teams in the state, and the Barons' record seems to support the contention conclusively.

They have whipped every opponent thus far this year — and it hasn't even been respectably close in any one of the four contests. In order, Bloomfield Hills has beaten Oak Park, 24-6, West Bloomfield 26-0, Clarkston 32-0, and Brighton 33-6.

Only common foe faced by Bloomfield and Northville has been Clarkston, and if the results have any bearing on tomorrow night's clash, Northville has a problem. Clarkston pinned a 7-0 defeat on the Mustangs.

Last year when Coach Bill Tunnick, a graduate of the University of Michigan where he starred as a fullback, took over head coaching duties, he polished the Barons into a high-scoring outfit. But alas, they couldn't stop

the opposition from scoring.

This year it has been different. Tunnick's "blue chip" gridgers have yielded only two touchdowns all season long, and it could spell trouble for the Mustangs who have not regained opening game effectiveness they displayed against Plymouth.

How did the Barons rack up those points with seeming ease? They simply ran and ran and ran, and Northville can expect exactly the same tactic, except for an occasional pass that keeps the defense honest.

Sparkplug of the Bloomfield attack has been Fullback Randy

De Arment, who sprinted for over 200 yards against Clarkston, and has led the Barons' ground game this year.

Calling the signals will be Quarterback Bob Calhoun, a junior, who works well out of Bloomfield's "I" and straight T formations with an unbalanced line.

Key to the explosive Bloomfield attack has been a "belly" series with Calhoun rolling out to run or pitch to De Arment. When the going gets tough on the ground, Calhoun passes to his favorite target, Junior Halfback Dick Kraatz.

If tomorrow night's fray is any-

thing like last year's it'll be a race to see who can score more TDs. Northville outscored the Barons one year ago, 34-25.

In preparation Coach Ron Horwath will be trying to patch his line. Injuries have been suffered by Tackle Daly Hill, End Mark Cushing and most recently, defensive end and offensive tackle John Jameson.

Jameson is hospitalized in Pontiac, where he was taken immediately following last Friday night's contest with Holly. Extent of the physical damage, described as a kidney ailment, has not been determined, but coaches fear he will be lost for the rest of the season.

As signal caller on defense, Jameson was instrumental in Northville's strong defensive show this year. The defense has not yielded one touchdown.

## Northville Tops Novi Juniors

Northville junior high school gridgers continued their winning ways Tuesday night with their second straight victory.

This time the victim was a stubborn Novi eleven, which held Northville to a scoreless tie in the first half but was swamped by three long runs by Brad Conklin in the last half. Coach Ralph Redmond's Colts won, 20-0. Conklin had sprints of 30, 80 and 30 yards. He added an extra point, as did Quarterback Richard Adams.

Redmond praised defensemen John Stuyvenberg, Brian Myers, Richard Lamp and Ed Beller for their play against Novi.

Last week Northville downed Southfield Levey, 28-6 with fullback Conklin again scoring three TD's. Mike O'Brien scored the fourth touchdown.

## Injured Jameson Stars at Holly

A four-year prep football career may have come to an end for this week's Player of the Week, John Jameson.

He's presently recovering from a kidney injury, the same kind he suffered last year in a scrimmage. He was taken directly to St. Joseph's hospital in Pontiac following the Holly game.

Ever since he broke into the Mustangs' starting defensive alignment as a freshman, Jameson has had few peers at end in the league. Coach Ron Horwath pointed out that Jameson was especially effective at turning plays to the inside.

The gritty end also turned offensive guard this year to fill a yawning gap in Northville's interior line. Only 155 pounds, Jameson filled the bill.

His athletic prowess, however, doesn't end off the football field. Jameson is a basketball guard and baseball shortstop on the Northville varsity.

## Mustangs Settle For Tie at Holly

An upset victory over highly regarded and undefeated Holly literally slipped out of Northville's hands Friday night.

One play made the difference on a soggy field made treacherous by intermittent rains. It all happened with just 3:54 left in the game.

Northville's Jim Zayti, who had punted unerringly throughout the evening, dropped back to the Northville eight yard line to kick out of danger, but on a high pass from center the wet ball slithered through his outstretched fingers. He dropped on the pigskin on the four yard line.

Holly quickly capitalized on the miscue as halfback Mark Phalen cracked over right tackle for the tying TD. That's the way the game ended — in a 6-6 tie. The extra point kick sailed wide of the cross bar.

While Northville was deprived of victory, Holly didn't fare much better, especially in the league standings where the Broncos dropped out of a tie for first place. They slipped into second with three wins and a tie; Northville is in fourth place with a 1-1-1 record, just behind Milford which has a 2-1 slate.

Punts	5-28.6	4-39

Bloomfield Hills leads the Wayne-Oakland pack with a 3-0 mark. The Barons, who will provide the opposition here tomorrow night, continued their unbeaten ways Friday by whipping lowly Brighton, 33-6.

A tie was a bitter pill for the Mustangs to swallow, for they had held tenaciously to a 6-0 lead for three quarters, parrying Holly's potent rushes with the usual aplomb.

Holly's only serious and authentic touchdown drive died on the Northville one yard line when the Mustang defensive unit, which has not given up one TD all season long, held Holly to just seven yards in four tries.

From the outset, it looked like a high scoring tilt tainted by the weather, but then the defenses took complete possession of the game.

Holly fumbled the first time it had the ball, and this led to the only Northville score early in the first period. Fullback Doug Swiss lugged the ball 31 of the 34 yards to the end zone. He capped the drive from one yard out. Halfback Bob Bartski was stopped on his run for the extra point.

Holly came right back, marching from the Northville 47 to a first down on the eight yard line. The Broncos plunged to the three yard line on the first play, but in the next three plays they moved the ball only two yards, and Northville took over.

The first time it had the ball in the second half, Holly marched from its own 10 yard line, ripping off five first downs in a row until the Broncos got to the Northville 34 yard line.

On an attempted sweep of Northville's left side, a Hollyback was trapped. He was tackled 14 yards behind the line of scrimmage as he tried to elude a host of Northville

tacklers by reversing his field.

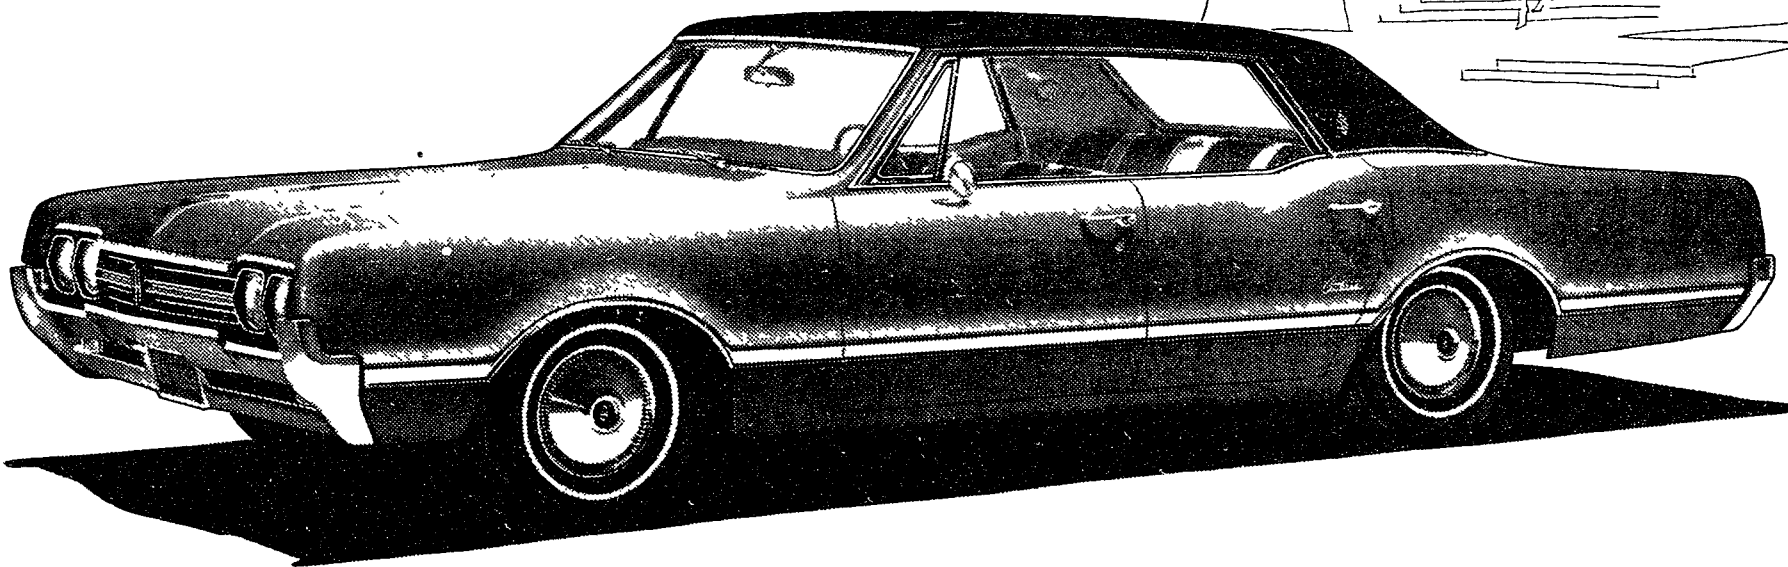

Northville mounted its last threat just after the Holly TD. The Mustangs moved the ball from their own 20 to mid field, but a Tom Baughman pass, blocked at the line of scrimmage, was pick-

ed out of the air by a Holly line-man.

A desperate Holly pass was intercepted by Northville Halfback Mike Turnbull who was tackled on the Northville 35 as time ran out.

"We were generally in control of the game," said Coach Jack Townsley, whose gridgers scored first in the opening period and maintained the lead throughout. Townsley and Carl White share coaching duties. Belleville beat Northville in its first outing, 28-6.

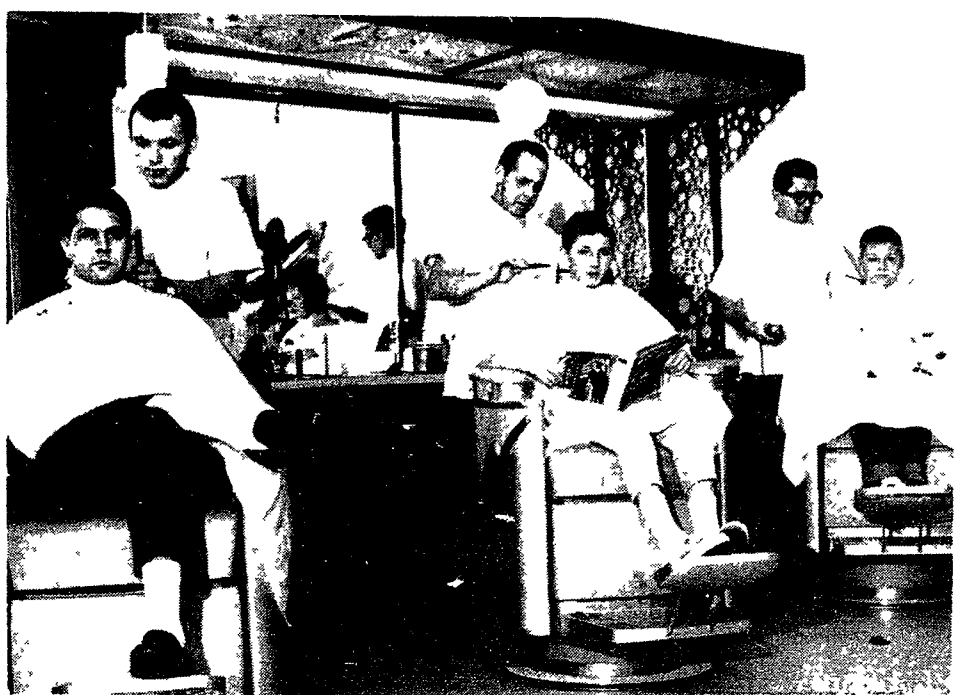

It was Halfback Pat Cayley who once again sparked for the Colts. He ran for Northville's first TD, and made a "circus catch" of a pass from Quarterback Stan Nirider to complete a 60-yard pass play for the second touchdown in the second quarter.

Nirider threw five yards to Greg MacDermaid for the final Colt marker with just two minutes remaining in the contest to sew it up.

Townsley said that the offense worked much better, and he singled out the defensive play of Craig Turnbull as exceptional. Also lauded was Tackle Bob Wood for his defensive heroics.

## What's Cooking At High School

Following is the high school cafeteria menu for Type A lunches for the week of October 18:

Monday -- chicken a la king with biscuit-and-butter or hamburger on bun, French fries; both with garden salad, banana cake, milk.

Tuesday -- goulash with home-made bread-and-butter or hamburger on bun, French fries; both with lettuce wedge, apple pie, milk.

Wednesday -- Coney Island with German potato salad or hamburger on bun, French fries; both with cheese wedge, relishes, plum upside cake, milk.

Thursday -- meat loaf, mashed

potatoes, green beans, rolls-and-butter or hamburger on bun, French fries; relishes; both with jello-whipped cream, milk.

Friday -- tuna-noodle casserole, rolls-and-butter or hamburger on bun, French fries; both with lettuce-apple salad, apricots, milk.

## 'Buzz' Snow Hospitalized

L. W. "Buzz" Snow, Jr. suffered fractured ribs and bruises in a traffic accident Tuesday, October 5 and was reported in "fairly good" condition at St. Mary's hospital Monday.

Snow, 334 River street, was injured when his car struck the rear of a tilt-cab truck tractor about 7:30 a.m., according to Wayne county sheriff's deputies.

## Near-Perfect Entry Wins Football Quiz

You really had to be sharp to win any money in last week's football contest.

And Mrs. Shelby Lakvold of 501 West Lake street in South Lyon was the sharpest.

She missed but a single game -- and you could hardly call that a miss. It was the Holly-Northville game and all contestants had that one marked wrong because it ended in a tie.

Second place went to Tom Mazanec of 970 North Center in Northville. Tom and Elmer Turner, 50000 Nine Mile road, each missed two games but Tom came up with the closest score on the Lions-Baltimore contest so El-

mer was third place winner. Mrs. Lakvold's entry was the best of the year. She says she has to be a sports fan because she has four sons. The family enters every week.

There were numerous entries with only three wrong as upsets failed to materialize last Saturday.

Most fans picked MSU to down Michigan -- and Northville's Steve Judy had a big hand in seeing that their forecasts were correct. The Spartan quarterback played steady, errorless ball and ran over the first score on a quarterback sneak.

## OBITUARY

**SELMIA KOEHLER MEISNER**  
Funeral services will be held Friday for Selmia Koehler Meisner, 202 South Main, Northville, who died Tuesday after a two-year illness. Services will be at St. Paul's Lutheran church at 2 p.m. and entombment will be in Rural Hill Cemetery. Visitation will be possible at Casterline Funeral Home until 11 a.m. Friday.

**MORRIS E. (JOE) MARTIN**  
Funeral services were conducted at 1 p.m. Saturday, October 2, for Morris E. (Joe) Martin, 42050 Grand River, Novi by the Rev. LaVere Webster at Harbin's funeral home, Novi. Interment was in Oakland Hills Memorial cemetery. A resident of Novi for 28 years, he was a kitchen helper at Saratoga Farms restaurant. Death September 28 in University hospital, Ann Arbor, at age 46 was due to a heart condition. He leaves a brother, Joseph, of Battle Creek.

Private funeral services were held October 8 at Casterline Funeral Home for Toni Lynn Wiles, infant daughter of Donald and Tina Wiles, 26871 Wixom road, Novi.

Born October 5, 1965 at St. Mary's hospital, Toni Lynn died October 7, 1965.

Survivors include her parents; two sisters, Cheryl Ann and Cindy Lou; two brothers, Cornelious Anthony and Donald Edward II.

Grandparents are Mr. and Mrs. Edward Wiles, Novi, and Mr. Tony Carnevale, Farmington.

Interment was in Rural Hill cemetery, Northville.

## Fight Over 35¢ Ends in Knifing

A Northville man was knifed and hospitalized with face and stomach wounds Thursday following a fight that allegedly erupted during a game of pool.

Howard Wright, 625 Grace street, was taken to St. Mary hospital shortly after Northville police were notified at 9:58 p.m. The suspected assailant, Jerry Myra Herndon, Jr., 158 Hamilton street, Plymouth, was charged with felonious assault and examination has been set for Monday, October 18 before Judge Charles McDonald.

Herndon offered no statement in an appearance before the Wayne county prosecutor this past Saturday and no definite indications have been revealed that he knifed Wright.

However, Police Chief Eugene King said Herndon admitted owning a pocket knife found at the scene of the fight.

The knifing allegedly took place in a parking lot near the Northville Hotel & Bar where Wright, Herndon and two others continued an argument which began inside.

Wright said after release from the hospital that he had not seen a knife during the fight and did not know he had been cut until after the fight ended, when he noticed blood on his face. He said Herndon left the scene after Wright had fallen to the ground but before Wright discovered his wounds.

According to Wright's statement to police, the argument

immediately preceding the fight had been over payment of 35 cents for a beer.

Bartender and part owner, Joseph Monica, told King that Wright and Arden Chapel had been playing pool with two men unknown to him. An argument over house rules led to Monica's closing down the pool table and the men went into the bar. The argument continued, according to Monica, and he then refused them service and they left the building.

Herndon was held by police immediately on an outstanding traffic warrant and later charged with felonious assault upon identification by Wright as being the assailant.

Midshipman second class Robert W. Hansen, grandson of Northville Councilwoman Mrs. Beatrice Carlson, is back at the University of New Mexico after a Summer tour of duty which began with a three week training period in jump school at Fort Benning, Georgia. In the NROTC for two years, he was one of a few Navy men selected for Army training. This also was in Corpus Christi, Texas and Coronado, California, where he participated in mock warfare with Marines returning from Viet Nam.

# Faithful Family Finds Forlorn Feline

DAISY MAE, the comic strip character, is always running after her man, L'I Abner. But Daisy Mae, the Tiger Persian pet cat of Mrs. Elmer Avery, forsaken two Toms for the woods.

-- starving, bedraggled and with part of her tail gone. Mrs. Avery reports that the black, brown and orange mottled pet is recovering slowly and still is nervous.

"It just goes to show that you should never give up when you lose a pet," Mrs. Avery commented as she told of the

cat's determined trips. While this was the second move for the eight-year-old cat, the Aveyrys experienced no difficulty when they moved four years ago from Traverse City.

The Avery family had raised Daisy Mae from a kitten. They also have two tom-cats, Richard Boone and Punch. Mrs. Avery formerly operated a tailoring and design business on Center street.

She -- and all the Avery family -- now hope Daisy Mae is cured of her homesick yearnings.

Mangey, hungry and with part of her tail missing, Daisy Mae is home after a three week-absence.

Resisting a move by the Elmer Avery family from Chubb road to 7912 Dickerson, Salem, the homestok tiger Persian cat returned to her old home five times during the past two months.

"She wanted to go back to the old place one week after we moved. She liked the woods down there," explained Mrs. Avery, who said that the first four times she disappeared they found her in the woods easily.

On her fifth and last trip, however, Daisy Mae apparently longed to be left alone in the woods, refusing to answer when the Averys made daily trips seeking her.

Then, when the family had almost given up hope, Daisy Mae staggered out of the woods

## *from the* PASTOR'S STUDY

1

# Flowers, Lanterns Could Beautify Northville

This is the last of three articles by Nancee Slattery dealing with citizens' ideas for the community of Northville.

The formation of an antique center discussed in last week's Record was only one of many ideas presented by those interviewed to preserve the "small town atmosphere" of Northville. They had several other little "touches" they thought would help in saving the town's natural charm.

Mrs. Harold Hartley, owner of the Hartley-Power Studio, has prepared a detailed plan about several items that could be added inexpensively and easily to Northville. First, she says she would like to "see a flower campaign. It wouldn't be hard if everyone worked together."

The potted trees and flowers which would highlight the store fronts could be purchased by the individual merchants if they wanted them. The project would not be compulsory.

Uniform wooden tubes would hold the trees, which would also be uniform in size. The trees would be available at a central place -- a nursery, for instance -- where the merchants could purchase them along with the flowers.

"Permission would have to be granted by the city," Mrs. Hartley says. "But the city would not be responsible for their upkeep." The upkeep would be left to the merchants, or to a group designated by the merchants.

The second idea would be to have gas or electric lanterns down the main streets. Again the individual merchants could decide if they wanted a lantern or not. A committee of merchants or other interested persons might be responsible for arranging to get the lanterns for those who wanted them.

Her third idea would be to have banners hanging from the lamp

posts. This would be "mainly for color," she explains. The banners could have Michigan, Northville or club emblems. They would be made of waterproof material.

She says, "All the art galleries in New York have been hanging out banners. It would be very inexpensive and would really transform the town."

A general "clean-up and paint-up" job is her fourth idea. She would like to see a litter campaign to keep the streets and sidewalks clean.

She feels Carmel-by-the-Sea, California is a perfect example of a town that "just took what they had and built it up." She explains that "Years ago someone started building little story-book buildings, and since then alleyways of little quaint shops, dozens of galleries and tea rooms, out-door cafes and specialty shops have grown up."

She says "even the gas stations are co-ordinated with the town so that they don't stick out. Flowers are responsible for this blending in with the town. It's all so pretty, and just wonderful. They know it's good business."

Her ideas were echoed in various forms by others. Mrs. John Burkman, librarian of the Quarters Antique group, says, "The Black Whale is a good example of what can be done with a mediocre building." She feels that other buildings should be transformed likewise, and that "it would be nice to have Northville represent the past as well as the future."

Many people feel the old buildings, particularly the old library, should be preserved. The Woman's Club and Historical Society have both been fighting to save the library.

They point out its historic significance. The Wayne County Library (later called the Northville Library) was organized in 1900, but the building had been used

for many years before that as a public school, church and for club meetings.

Mrs. William Crump, president of the Woman's Club, says the club is still "very much interested in preserving the building."

The Historical Society also is interested in preserving it. Mrs. E. A. Chapman, the group's secretary, says "It is dearest to our hearts to save the library." Mrs. C. G. Chase, last year's president, suggested that a small historic museum could be made from the library by storing papers and small articles along the old cabinets.

This year's president, Mr. Francis Gazlay, states they "still have hopes of saving the building."

Mr. Gazlay also has some other ideas for the town. "I believe in keeping Northville lively," he states, "and flowers would be the idea." One pet idea is to have crabapple trees in boxes to adorn the telephone booths in town.

"So many little things keep leaving us," he claims, and these "little things" should be restored. One particular thing that he has noticed is that the clock in the Methodist church tower has stopped chiming lately. He doesn't know when or why it stopped chiming, but he thinks Northville is a little worse off without it.

The final outgrowth of all the ideas would be an annual festival in Northville. Two times of year were mentioned most often for a festival -- Christmastime or before the races started in the summer.

Antiques, history and arts would be featured at the festival, no matter what date was chosen. Mrs. Harold Hartley was the advocate of a buggy festival to herald the new racing season.

She explains that "the festival could include buggy rides displaying some of the many horses in town. So many people who

raise horses around here would get a kick out of something that would play up this angle."

Mrs. Kathleen Edgerton and her daughter, Linda Kate who is a librarian in the Livonia school system, have favored having a Christmas-time festival for many years. Mrs. Edgerton explains that some of her ideas are: "Elderly people and other people who have nothing to do could make things with their hands to sell, and one group could repair toys. Christmas taffy could be made in a store window. It would really be wonderful, especially if

things were fixed up with lanterns, etc. We could make an old-fashioned town out of it for a month or so."

The fact that so many Northville groups already have Christmas programs would make the project easier to carry through. Last December, for instance, there was a Holly Mart at the Methodist Church, Lila's Christmas Open House, the Garden Club's Christmas Market, Stones Toyland, "Santa's Workshop" at the American Legion Hall, the presentation of the "Messiah" at the Presbyterian church and

the Christmas decorations adorning the downtown.

The many who favored a festival pointed out the success of other towns' festivals. The four-day Plymouth Fall Festival held recently was the festival's biggest success ever with thousands congregating in the city.

Which brings us back to the beginning question. If Traverse City has its cherries, Romeo its peaches, Holland its tulips and other cities their own unique and successful trademarks, then why can't Northville have its art, history and antiques?

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair & Corvette at your Chevrolet dealer's

School Supt. asking for a joint meeting of the board of education and the city council to discuss problems germane to projected growth of Northville. Monday, September 27 was agreed upon as a desirable meeting time. City manager and Mr. Nelson to work on agenda for this meeting.

Request from Starr Commonwealth for Boys, Albion for permission to solicit in Northville. In view of the policy on solicitations, clerk is to write letter explaining policy in regard to United Fund and the fact the letter is quite general.

Request from Mrs. Dorothy Widmaier for permission for a Travelling Bake Sale. City manager is to make recommendation on this.

Clerk read letter from Governor Romney relative to attendance at the Governor's conference on Natural Beauty for Michigan on October 12 in Lansing. Clerk is to contact Planning Commission and president of Northville Chamber of Commerce relative to possible interest.

Communications from Citizens: Mr. Richard Norton, representing Northville Junior Chamber of Commerce (previous notice of being present) requesting permission for a July 4, 1966 parade and also a donation from city for fireworks. City Manager is to talk with Mr. Norton about finances, permit safety, etc.

Planning Commission minutes for September 7 and 14, 1965 were received.

Financial report for July, 1965 received.

Old Business: Clerk read the petition for vacation of Lots 33 through 48, Oakwood Subdivision as presented by Benicke and Krue. According to September 14, 1965 minutes of the Planning Commission this petition was approved by them provided suitable arrangements for sufficient easement be made. City attorney is to provide resolution using recommendation of city manager and city engineer for easement width also recommendation of Supt. of Public Works.

Moved by Black, supported by Carlson to set date for Public Hearing to consider rezoning of Lot 444 of Assessor's Northville Plat #5 from R-2 (two-family) to R-2a (Multiple Restricted Dwelling), on Monday October 4, 1965, 8:00 p.m. at Northville City Hall. Residents to be notified. Unanimously carried.

A bill is to be presented by the auditing firm in connection with acceptance of city audit for past year. October 11th set as tentative date for meeting.

## New Business:

Discussion of Housing Ordinance tabled until future meeting.

Moved by Black that Fred Kester be appointed Chairman of Annual Civic Recognition Dinner. Lack of Support.

Moved by Kester, supported by Carlson that Del Black be appointed chairman of Civic Recognition Dinner and that a date be set in October, if possible. U. carried.

City manager is to talk to Harold Penn and other members of the Board of Review relative to new appointee for Board of Review and this matter to be on November agenda.

Moved by Carlson, supported by Kester that bids for a new police car are to come in on Monday, October 18, 1965, 8:00 p.m. (as per specifications). Unanimously carried.

A discussion ensued relative to color of car. Moved by Kester, supported by Black to rescind previous motion. Unanimously carried. The city manager is to explain change of color in next report - this matter to be held over until October 4 meeting.

## Miscellaneous:

Mr. Kester asked that city manager and Chief of Police make recommendations as to surveillance in business area and residential on pre-Halloween and Halloween activities. Present plan to council.

Mr. Kester also asked that a report be made on the non-operating light at E. Dunlap parking lot.

Mrs. Carlson asked regarding McKernan matter and was told that the date had been extended to September 17.

Clarification on policy for leaf removal was asked. City manager requested to prepare draft for ordinance on unattended coin-operated laundries and dry cleaner establishments.

Council referred the request of Mr. Jerome Sullivan of Wing court for re-plating of Lot 260, Assessor's Northville Plat #3 to Northville Planning Commission, for their examination.

The city clerk and attorney made brief reports on their attendance at recent annual meeting of the Michigan Municipal League at Grand Rapids.

Mr. Canterbury asked regarding paving of Novi street. Inquiries were made relative to paving of Maplewood and city manager is to let council know immediately about this.

There being no further business, the meeting adjourned at 10:30 p.m.

Respectfully submitted  
Martha M. Milne  
City Clerk

Mr. Wilfred Becker, president of the Northville school board, called the joint meeting to order at 7:35 p.m. on Monday, September 27, 1965 in the Conference Room of the Board of Education offices.

Present: Becker, Lawrence, Cook, Crump, Angove, Shafer, Nelson, Ellison, Spear, Allen, Kester, Black, Rehberg, Penn, Ogilvie, Milne, Sliger. Architect Haberkorn and 2 associates.

Absent: Kipter, Canterbury and Carlson.

Mr. Becker called upon Mayor Allen for comments on any areas of concern relative to the proposed school buildings on Eight Mile Road West. Mayor Allen asked if the school was expecting water and sewer services and a discussion ensued regarding these utilities. The various sewer routes; two different ones based from Randolph street and the one in the township (W. Main to Beck) were discussed. The engineer, Mr. Penn, talked in detail regarding the alternate city routes; one of those necessitating pumping. It was decided that the school would contact Northville Township who in turn would work with George Bingham, Wayne County DPW, about this.

The architect discussed timing involved and said that construction would have to be in progress by December to open the school for September, 1966. (Elementary School) He mentioned that Mr. Wakenhut, engineer and surveyor, had commented that the Main street-Beck road route would be the most accessible and economical.

Mayor Allen, in answer to Mr. Shafer's question, stated he did not feel that the city would be installing a sewer in this vicinity which could be the most accessible and economical.

Mr. Shafer's question, stated he did not feel that the city would be installing a sewer in this vicinity which could be the most accessible and economical.

Mr. Shafer began the discussion

starting date. Mr. Penn stated that the sewer at this area at Randolph street is full to capacity. It was stated that presently there is no time schedule for proposed sewer installation on Randolph street. Mr. Lawrence asked regarding availability of water and was told this is not the problem that the sewer is.

The architect would be interested in planning with city on a long range basis.

The question arose whether the elementary site could be considered adjacent to the city in relation to annexation.

Mr. Ogilvie explained annexation procedure as two possibilities: (1) joint resolution by both governing boards and landholders or an election by the city and township.

TRAFFIC PATTERN: The discussion of the traffic pattern for high school centered mainly on exits and entrances to high school and crossing problems on N. Center street for elementary and high school students.

Mr. Spear stated that until recently (when Mr. McKinney was instructed not to) Mr. McKinney had controlled the traffic situation at N. Center and Baseline. Now the children gather until traffic has passed.

Mr. Allen suggested that sidewalks could be continued on the east side of N. Center and children use these and cross at Eight Mile road.

A suggestion was made that as an alternate there could be a guard and crossing at Lake street or Walnut street.

Mr. Spear will determine how many children (estimated at 111) are crossing N. Center in the area of Baseline road.

Mr. Allen commented that the Police Department has been making a vehicular count in this area.

Mr. Shafer began the discussion

relative to the high school drive by stating an excess drive is desirable.

If buses are to navigate the Randolph and Eight Mile curve this will need some engineering. There is a possibility of a Y-section onto Sheldon road that could be considered - the problem is getting onto Eight Mile road with buses and county would have to be consulted.

Mr. Cook spoke about amount of drop-off traffic and possibility of a turn-around at the foot of the hill after entering the high school drive.

It was also mentioned by Mr. Ellison that the enrollment is increasing in the parochial schools and that this must be considered. Presently two different routes are being used, one by parochial and the other by public school buses.

City manager and Mr. Nelson are to work on procuring a stop light (button controlled) for North Center and Eight Mile road.

School asked how city would consider a metal overpass in this vicinity.

It was agreed that a date will be set in the near future for a meeting of the traffic study committee which was appointed by the city council.

The recently instituted "no left turn" off Eight Mile road was discussed and the fact that many complaints had been made by residents and motorists.

The matter of old Baseline road being used and surfaced was also discussed. Mr. Shafer stated that the school is ready to help with land when surfacing is considered by the city.

Discussions of a similar nature will be continued by a smaller group of city and school representatives in the near future. Meeting adjourned at 9:30 p.m.

Respectfully,  
Martha M. Milne  
City Clerk

# Now you can save money on Detroit area calls!

## New Metro Calling Service available for residence phone customers

Now you can have private-line residence service that gives toll-free dialed calling anywhere within the Detroit Metropolitan calling area (see map)...some 80 metropolitan communities in all. Calling hours are from noon to 7 the next morning...and all day Sundays, Christmas, New Year's and Thanksgiving. This new service also includes unlimited calling in your local area for 24 hours a day. The cost for this flat-rate residence service is only \$10.95 per month.\*

Take advantage of this low-cost calling service. Call the Telephone Business Office.

\*Plus Federal and State taxes and the usual charges for extensions, mileage, additional listings, etc. The new Metro Calling rate in certain Locality Areas is slightly higher than the rate quoted above.

**Michigan Bell** Part of the Nationwide Bell System

# Daring Lass Embarks On Year-Long Adventure

Northville was the starting point for a 40,000 mile around the world adventure for an attractive young lady this past week.

Twenty-four-year-old Miss Betty Jane Knoblock made arrangements at Travel Plans here for an exciting, year-long, 26-point air cruise. And, because her intentions are not all for pleasure, she has mapped several side trips on whatever transportation presents itself.

She is a special education teacher at Hawthorne Center, Northville State Hospital, and expects to use her skills to gain employment at various points along the route. She also has hopes of securing an overseas job on a military base while passing through Europe.

But, perhaps the most intriguing aspect of her itinerary is the adventure she has in mind for her stop-off in Israel. There she will seek whatever kind of work is available in a Kibbutz (farm commune).

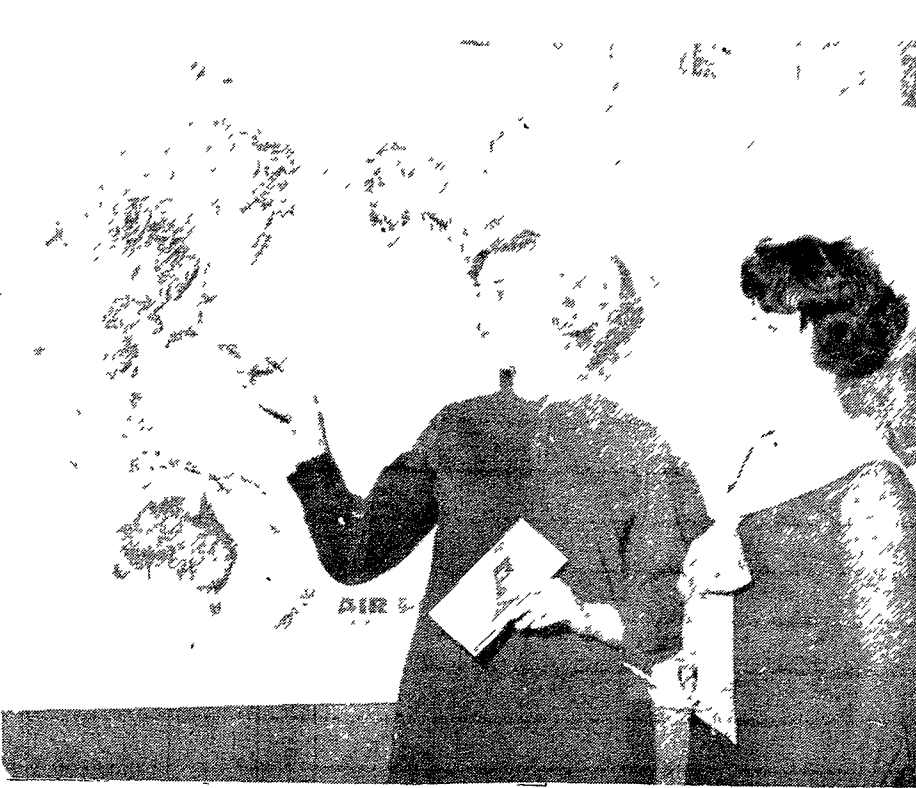

Leaving from Detroit October 15, she will proceed to Honolulu, Hawaii; Papeete, Tahiti Island; Pago Pago and Apia, Samoa Islands; Nandi, Fiji Islands; Noumea, New Caledonia; Auckland, New Zealand; Sydney, Australia; Manila; Tokyo, Japan; Taipei, Taiwan (Formosa); Hong Kong; Bangkok, Thailand; Singapore; Madras and Bombay, India; Karachi, Pakistan; Cairo, Egypt; Jerusalem and Tel Aviv, Israel;

Athens, Greece; Istanbul, Turkey; Rome, Italy; Paris, France; London and return to Detroit. The young lady from Ann Arbor has ideas of sidetrips in Europe to Spain and Portugal, to Moscow, Russia; to study in Germany and thence to visit Scandinavia.

It's and exploration she told Travel Agent Mrs. Clifford Rachel Hill. She has been to Europe before, but has "always wanted to travel." She undauntedly looks forward to a repeat trip across the ocean in a freighter such as she once experienced.

Just two years out of college now, Miss Knoblock is bent on being a worldly girl.

Also traveling overseas is Mrs. Ivan Ely, who is journeying to visit her daughter and son-in-law in Sydney, Australia on the occasion of a newborn grandchild. Before returning to her Northville home Mrs. Ely will visit Hong Kong, Bangkok, Cairo and Rome. She has been on "the continent" but never to the Far East.

MAPS WORLD TOUR—That's Japan and the Far East being pointed to by Miss Betty Jane Knoblock (left) on the wall map of the world at Travel Plans here. With the help of agent Mrs. Rachel Hill she has planned an around the world, year-long tour.

## Debaters Sweep Tourney

Northville junior varsity debaters started off on the right foot and in the solid tradition of the local team when they won four of four debates in their opening tournament.

At Dearborn Heights the JV's met Grosse Pointe and Rosary High in both the affirmative and negative sides of the 1965-66 question:

—"Resolved that the federal government should adopt a program of compulsory arbitration in basic industries."

Affirmative debaters for Northville were Karen Stefanski and Pam Smith on one team, Celia Schuard and Sue Jenesel on another. Negative teams were Buzzie Collocott and Steve Jordan, Wayne Miller and Bob Armstrong.

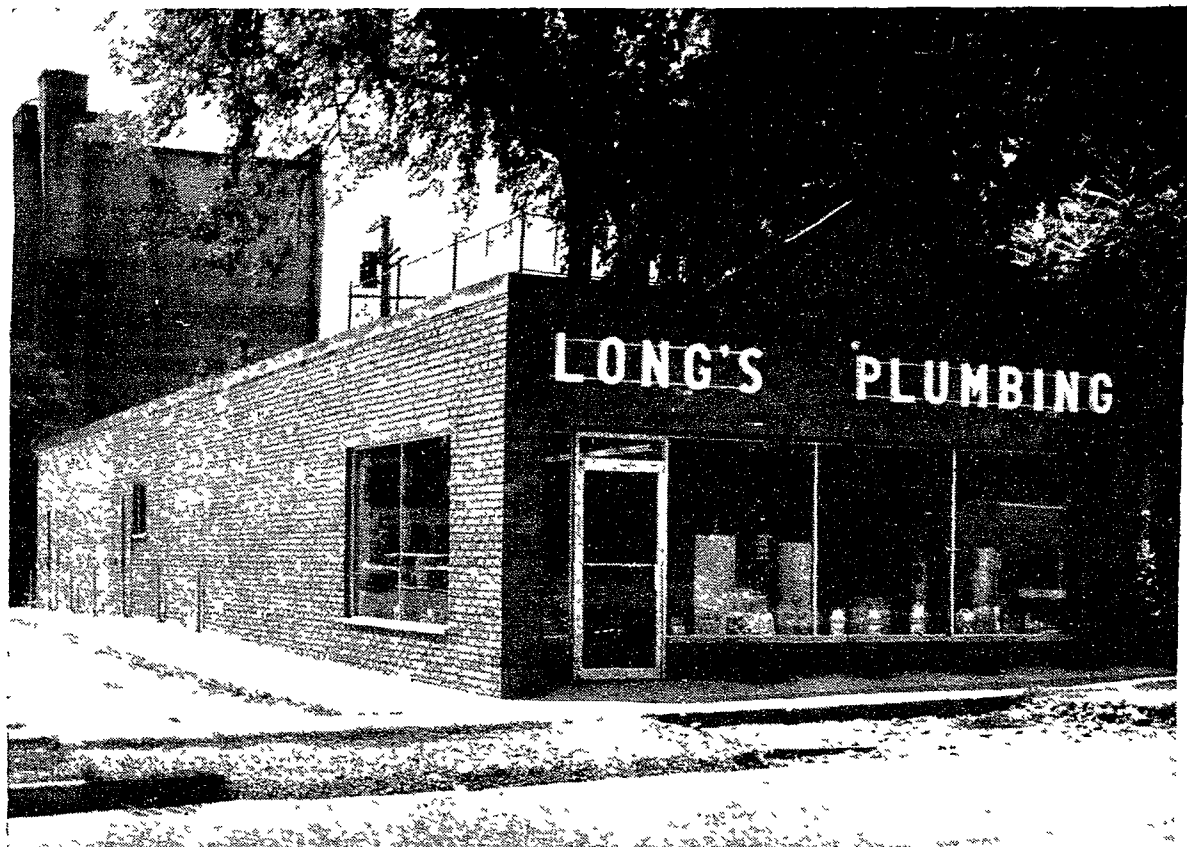

Accompanying the JV's were coaches Miss Florence Panatoni and Mrs. Jean Dugan, who also acted as judges in debates not involving Northville High.

They announced that it is very likely that eight other JV debaters will participate in the next tournament at Belleville on October 19.

The coaches credited the first varsity squad for much of the success of the JV group. These students have been active as judges and critics in JV practice debates.

Members of the first varsity squad are Margaret Becker, Sue Conley, Larry Thibos and Mark Hessee.

AND FOR  
VERY GOOD  
REASONS!

NATURAL GAS IS  
CLEAN HEAT!

AUTOMATIC HEAT!

ECONOMICAL HEAT!

DEPENDABLE HEAT!

More people than ever are heating with Gas because it is an ideal fuel! Clean-burning Natural Gas makes no smoke or soot, leaves no ashes, and never deposits greasy grime on walls and furnishings.

Silently and automatically, with just a flick of the thermostat, Natural Gas provides wonderful, work-free warmth for home heating. It is a constant, faithful fuel—no storage problems, no worry about running out of fuel. You can't see it, you can't hear it, but it's always there.

The cost of Natural Gas is low and the equipment long lived with minimum maintenance requirements. With Natural Gas as your automatic heating fuel, you get more for your money. No wonder Natural Gas is the Nation's Number 1 fuel for heating homes!

## Battle to Save Pound

BABSON PARK, Mass. — This may be the year when the Dow Industrial Average conquers the alpine figure of 1,000. I discussed this in my Annual Forecast last December, and again in June. Yet, financial historians may also remember 1965 for the mighty battle to save off disaster for the British pound. And it may ultimately be recorded that the battle was won for 1965, but the war to save the pound was later lost.

When Winston Churchill announced, during his first unsuccessful campaign to return the Tories to power after World War II, that he did not intend to preside over the liquidation of His Majesty's Empire, he expressed a noble point of view but an unrealistic one. Many today feel that it is just as unrealistic to try and shore up the pound. Without the productive capacity and the profit capability of a great industrial machine behind England, I predict that the supporters of the pound may be fighting a losing war.

Why, then, do the money managers of the U.S. and of most other Free World Nations do everything in their power to keep the British monetary unit afloat? Frankly, because ... when the bell tolls for the pound, it could also toll for the dollar. It is in our own self-interest that we are working so hard to hold the pound close to its recent parity of \$2.80.

For nations, after all, are not so very different from men. If a man is a hard worker and a high earner, he can borrow with a greater chance of paying off his debts than an individual who is inefficient and a low earner. And if friends insist on loaning heavily to the low-earning citizen — to tide him over a family crisis — they surely know that the risk is high. Furthermore, if they want to be sure of being repaid, they will take pains to see that the borrower lives frugally and saves a part of his income for repayments. Certainly if the man in debt should go on a spending spree, his creditors would become alarmed and take him to task. They would not

loan him more money, to continue wasting money.

England — stripped of her empire and with her huge prewar foreign investments dwindled — has been spending more abroad than she has been earning. This is the heart and core of the pound's difficulties. A quick cure for her overspending would be devaluation of her monetary unit. This would make it easier for her to sell abroad, harder for her to pay for foreign goods. Devaluation would be self-correcting. But the aftermath of devaluation could funnel out to financial nooks and crannies all over the world. For the British pound has been widely used — second only to the dollar — for settling trade balances between nations. Its devaluation could touch off reprisals in the shape of devaluing of many other currencies.

Even more serious could be the impact on our dollar. This is actually the currency of the world. But the U.S. too has a skeleton in its financial closet. Our foreign spending has been exceeding our foreign income for a long time. We have worked hard to cure the trouble, but are still running a deficit in our balance of international settlements. Hence, anything that shakes the confidence of the world traders in the pound could also shake the international faith in the dollar. That is why we have worked so hard to get other nations to join in loans to Britain to shore up her money ... even though the total loans exceed her present capacity to repay. That is why her Labor Government has promised to pull in its citizens' belts and strive to increase English exports.

But the eventual success of all of our combined efforts is open to grave doubt. I would surely like to view the future of the pound with Pollyanna faith. The job, however, is of staggering size. And I seriously doubt the will of any electorate to vote for more work and less pay. The tide of history has been running in the other direction. My hope for a success-

## Hands Out for State Funds

LANSING — Demands for state contribution to various government services which previously were financed locally are not exactly new. But a few new variations from familiar themes are being heard.

With the state rolling in dough, as compared with the past six or more years, more groups would like to share the pie. This is seen despite the fact the experts say it will take only a few years for the present surplus to be eaten up by existing agencies through the rising costs of services.

Mental health, social welfare, higher education, elementary and secondary school officials all say the past years of austerity budgets have pushed needs to the critical stage and the gaps must be filled with the healthy surplus now on the books.

This select list can be magnified by the number of state agencies now in existence.

COMMUNITY colleges have received considerable boosts in state aid the past few years. Legislators saw this approach as one way to possibly alleviate some of the problems of the four-year colleges and universities.

Now there comes forth a report from a national management consultant firm which says the state needs to make a concentrated financial push to bring Michigan's community colleges up to standard in the single area of libraries.

The New York firm says 12 of the 18 community colleges in operation at the end of the last school year had library collections below the minimum standards recommended by the American Library Association. Staff and facility problems also were cited as critical or nearly so.

REFLECTING on the effect of this deficiency, the organization said inadequate library service results in the community and state being short-changed because it prohibits the community college from fulfilling its intended role in the higher education program.

The conclusion is that if the community colleges are to be a meaningful part of the higher education picture they must have adequate library facilities, staffs and books.

On another front, Michigan this year saw the state police organization get a good-sized boost in staff and general operating budget

to help it do its job of traffic and crime control more effectively.

Now there arises the question of whether the state should throw some support to local police agencies as well. A number of law enforcement people at both the state and local levels support the idea.

TEACHING groups have come to the state several times with a similar plea, contending that school standards could be enhanced by having a uniform salary scale.

The new suggestion calls for the state to financially contribute to police training programs and policemen's salaries.

Although details of the idea are still being considered, it might be presumed to take on a pattern similar to the state contribution plan now in effect for circuit judges. The state pays \$15,000 a year per judge and circuit sets its own contribution, the highest now being \$14,500.

HEADLINES sometimes bring to the public eye the function and purpose of private organizations. A good recent example was the work of the Michigan Association for Retarded Children as explained because of the case of the Troy child left by his mother at the Miami airport.

Most often, however, a person may have heard of groups like this but generally does not know anything more than the name and that its new local president gets

his picture in the paper every year. One such agency is the Michigan Welfare League.

Some even think of this one as being part of state government.

The self-description of the league relates that it is the "only statewide organization concerned with the social welfare and health problems affecting all the people in Michigan."

This citizens organization, now in its 53rd year, annually selects what it considers to be the greatest problems in the health-welfare area, studies them and attempts to implement whatever ideas it considers valuable.

Some of the areas in which study has been concentrated the past few years have been poverty and people on relief, rehabilitation of the handicapped, community social planning, migratory labor, and unemployed youth.

Field services are provided by the league staff to localities through the United Fund and related local groups, planning councils and government agencies.

Assistance to an Otsego County probate judge in developing an approach to the handling of juveniles is one example of the field consultation work performed by the league.

The Michigan Welfare League is essentially financed by the Michigan United Fund. Smaller amounts of money also are raised from membership, conference and publication fees.

NORTHVILLE RECORD-NOVI NEWS-SOUTH LYON HERALD  
FOOTBALL CONTEST

## Here are the Rules

Take a plain piece of paper and number down the left hand side from 1 to 20.

You will notice that each square below is also numbered from 1 to 20 and each contains a football game to be staged this coming weekend. To complete your entry you must do the following:

- (1) after each number on your paper write the name of the sponsor of the corresponding square.
- (2) following the sponsor's name — write the name of the winning team.
- (3) in addition you must pick a score on the outcome of the game in square 20. This will be used in the case of a tie and then the contestant whose score is closest to the actual score will be declared the winner.

Be sure to write your name, address and phone number plainly on your piece of paper (your entry).

Enter just once a week, but you may enter as many weeks as you wish. In case of tie, prize money will be split.

Copies of the contest will be posted at The Northville Record and South Lyon Herald office each week.

Entries must be postmarked or brought to either of our offices no later than 5 p.m. each Friday.

Employees of The Northville Record - Novi news or South Lyon Herald or sponsoring merchants are not eligible.

## SPEAKING for The Record

By BILL SLIGER

Congressman Weston Vivian, whose second congressional district includes Northville township, is sponsoring a unique "community development conference" in Washington, D.C., next Monday and Tuesday.

More than 600 county, city, township and village officials as well as business leaders from throughout the second district have been invited to the conference.

They'll hear a host of top federal officials outline the various federal-local community assistance programs.

Northville will be represented by either the mayor or city manager. At this writing, the township had not decided to send a representative.

The Northville Community Chamber of Commerce can be given an assist on sending a local person to the conference. Chamber President Essie Nirider was invited, but declined. However, the chamber board of directors thought it was important enough to have local representation that they voted to pay one-half the cost for the city's representative.

The list of speakers that Congressman Vivian has lined up reads like "who's who" in Washington. It includes W. Willard Wirtz, secretary of labor; Agriculture Secretary Orville Freeman, Ambassador Douglas MacArthur II, the commissioner of the urban renewal administration, William L. Slayton and Ross Davis, acting administrator of the Small Business Administration, plus many more.

Among the officials who will attend the conference will be William Bundy, assistant secretary of state for far eastern affairs, G. Mennon Williams, House Speaker John W. McCormack, House Majority Leader Carl Albert and House Minority Leader Gerald Ford.

\*\*\*\*\*

For a change of pace, let's look at the lighter side of life (there must be one).

A Northville motorist did. He mailed in his 50 cent overtime parking fine to the city hall in pennies.

Postage due on the self-addressed envelope provided by the police department was 38 cents.

\*\*\*\*\*

Two counterfeiters with a talented but stupid engraver found themselves with a large quantity of almost-perfect bills on their hands. The trouble was they were all \$18 bills. The crooks decided to go far back into the hill country to dispose of the bills because "nobody up there sees much money." Deep in the mountains, they flashed one on a crossroads storekeeper and talked him into changing it.

"How do you want it?" he asked. "Would two sevens and a four be all right?"

## OUT OF THE PAST

### ONE YEAR AGO—

Campaigning Governor George Romney will visit the Novi-Wixom area Friday. The Governor's schedule calls for a tour of area industries.

Clerks in the Northville-Nowixom area reported brisk activity as the books were closed Monday on registrations for the November presidential election. In Northville the total number of registered voters climbed to an all-time high of 2,649; in Northville township, 1,740 registered; in Novi, 2,700; and in Wixom, over 800.

Two seniors at Northville high school have been honored for their high performance on the National Merit Scholarship Qualifying Test given last spring. The students are Barbara Elliott and Michael Horner.

Fifty bus loads of students from all corners of Metropolitan Detroit converged in Stratford, Ontario October 1. Northville high school students boarded buses Thursday morning to join the caravan to Canada.

Members of the Northville Mothers' Club and their guests will hear Edgar W. Waugh, professor of political science at Eastern Michigan University Monday. He will discuss aspects of the forthcoming presidential election.

### FIVE YEARS AGO—

It was Homecoming in Northville last Friday. Queen Sharon Hensch reigned over her court—senior representatives Linda McKinney and Yvonne Schlingbeck; junior Linda Lepper; sophomore Sharon Soubillere; and freshman Dawn McCollum.

The high school band "new uniform steamroller" gained momentum this week with the official formation of a citizens committee and booming candy sales. Clifton Hill is heading the citizens committee.

Alpha Nu chapter members of Delta Kappa Gamma reviewed education bills pending in Congress and amendments on Michigan's November ballot at their last meeting on October 10. Ruth Knapp, chairman of the chapter's legislative committee, led the discussion and urged members to keep informed on legislation.

With the formal dedication of its new addition Sunday afternoon, the First Baptist Church will celebrate 125 years of continuous service to Christ.

### FIFTEEN YEARS AGO—

The Novi Methodist Church will celebrate its 125th anniversary on October 15 and 16. The history of the church dates back to the 1830's.

The Northville Citizens League passed a resolution at their regular meeting Thursday urging people in the community to recognize the wasteful government spending and to do something about it. The League urges citizens to write their Congressman and demand an end to wastefulness.

National Business Women's Week will be observed in Northville this week. Posters with the caption "Measure Up for Full Partnership" will be displayed

### Northern Lites

Household storage will be the topic studied by the Northern Lites home extension study group meeting at 7:30 p.m. Monday at the home of Mrs. William Hensch 50 Brookside Lane, Northville. Co-hostess is Mrs. William Brown.

The program will be presented by Mrs. Harold Seden.

## Fall Labor Shortage

in store windows.

Thursday twenty-eight second graders spent the afternoon at the Laundromat on North Center Street as guests of the Ritchie Brothers. Each child brought a garment from home to be washed and dried.

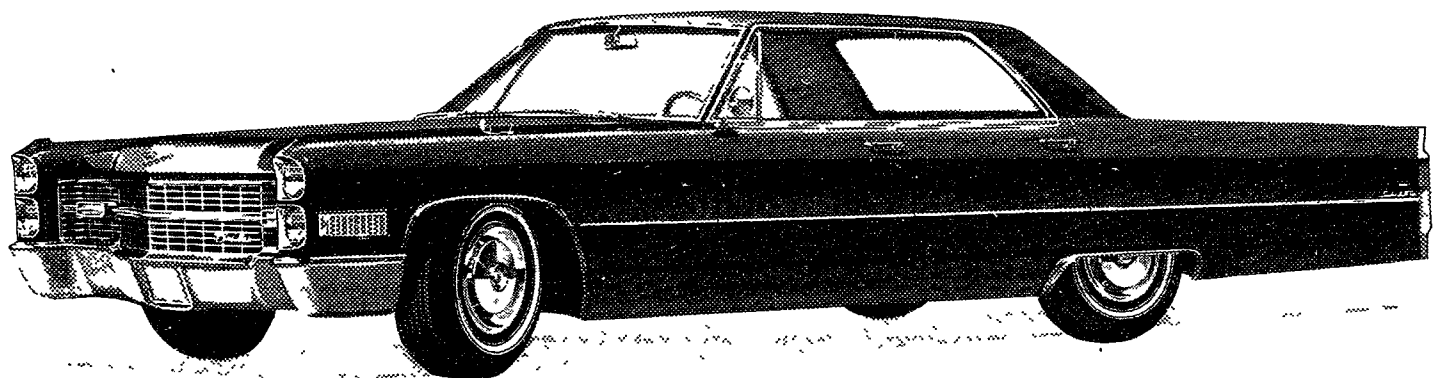

### TWENTY-FIVE YEARS AGO—

Before an audience of 50 club members, Sgt. Marvin Driver of the National Rifle Association presented the Northville Gun Club with its national charter Wednesday.

The Lloyd Green post, American Legion, is making plans for the annual observance of Armistice Day in Northville. An Armistice Day breakfast will be one of the events along with a speech by Ex-Governor Brucker.

Registration for compulsory military training of some 300 Northville township men between the ages of 21 and 35 will begin Wednesday in the Village Hall.

During the month of September 205 traffic violations were made in Northville. The fines for the violators totaled \$153.50. There were no juvenile cases during this period.

*New Elegance! New Excellence! New Excitement!*

The finest of all Cadillacs is here! It greets you with an exciting new elegance surpassing even the Cadillac styling triumphs of years gone by. Its dazzling new look is highlighted by a totally new split-level grille and by new clean-swept body contours. And its interiors have never been more breathtaking! New

leathers, new fabrics and new appointments (with dramatic walnut paneling on all Fleetwood models) impart an air of unrivaled distinction and luxury. And Cadillac's traditional engineering excellence rewards you with a number of suspension, chassis, and acoustical advances which result in an almost incredible

smoothness and quietness of operation. Finally, consider the excitement of Cadillac's new performance. You'll marvel at the new alertness and the wonderful handling ease provided by Cadillac's exclusive variable ratio power steering. Visit your Cadillac dealer and drive the great new Standard of the World!
