

Fire Stills Echoes of Big Bands at Walled Lake Casino

The Walled Lake Casino, a ghost of its former self, went up in smoke Christmas night. The fire reduced the renowned dance hall to a black rubble. Seven fire departments fought the flames leaping from the tinder-dry building at the corner of 13 Mile and Novi roads. But the flames had their way.

Only memories remain -- but what memories they are.

Music furnished by Guy Lombardo, Buddy Morrow, the Jimmy Dorsey and Glenn Miller bands, Red Nichols, the Dukes of Dixieland, Les Brown and others, all in the summer of 1959.

That was the last big summer program of big name bands.

A name band would swing in for a brief appearance during the early 60s, but the Casino was then on the wane.

Northville's Ed Yerkes, like thousands of others in the Detroit area, remembers the heydays of the Casino well. And over the conversation, tinted with nostalgia, falls an aura that suggests an era of romance.

"It was the place to dance," he said, "it was garish with a large ball of cut mirror circling over the center of the dance floor, reflecting colored light from the colored spotlights".

Yerkes described how couples by the thousands danced shoulder to shoulder six nights a week during the summer, taking a

breather now and then in the expansive patio off to one side. Even the dance floor seemed special, Yerkes noted, the polished maple floor floated or had a cushion on it."

Mrs. Yerkes recalls the time Billy May and his band made an appearance. "It was so packed," she exclaimed, "I thought the whole thing would collapse. But that was another day and another year. The sweet strains of swing, the big sound, died out at the Casino as the sixties rushed in.

For many years it had thrived under the management of the Tolettene brothers, Albert and Elmer. The Casino had been sleeping during the war years' but they brought new life to it with the big names.

Aslow decline began in the late fifties. The big band sound at the Casino was no longer profitable. It was dying and with it the Casino.

In its stead came rock and roll, disk jockeys, and jet age teenagers, and with them, a new name for the Casino, the Club-A-Go-Go as the club changed hands.

It was sold in 1961 to Ovid and Cleo Kraemer, formerly of Novi and now of Union Lake, who tried to revive the big band sound once more, with no success. They, in turn, sold the building to the corporation of

Hacker and Probst, who ran it for two years, then leased it to Irving Mikler of Detroit.

Novi firemen got the distress call at 11:43 p.m. last Saturday. When they arrived at the scene the flames were confined to the rear of the 120 by 140 foot building where the stage was located.

They contained the fire, extinguished the flames while the smoke billowed out of the rear. But then the fire truck tanks ran dry.

In the three minutes it took to transfer water lines to the lake, flames burst forth again, and driven by high winds, swept through the building, setting the whole roof afire.

Novi firemen were joined by departments from Northville, Walled Lake, Wixom, Commerce, West Bloomfield and Farmington township, to no avail.

Firemen did not leave the scene until 9:43 a.m. They stayed to save three adjacent buildings by extinguishing burning material on the roof of two houses and the Casino restaurant.

Within three hours, fire had leveled the dance hall. It had been a land mark since it was first built in 1928 by Mrs. and Mrs. Leona Tetettene. Gone is the building, but as Yerkes pointed out, "it was an institution." As such, it lives on, in memories.

NO MORE MUSIC—Sweet, Swing, Jazz or Go-Go.

Roger Babson's Forecast for 1966

Hotter 'Cold War' Likely

"Peace and Prosperity" should continue to be the dominant theme in 1966. President Johnson will push ahead in attempts to capitalize on the inroads he has already made with his Great Society program. However, since 1966 will be a Congressional election year, he may find the going less easy than it was this past year; the Congressmen and Senators who are up for re-election will likely think twice before being so generous with the taxpayers' money.

1 - of course, would like nothing better than to be completely optimistic in this Forecast, but my more than 60 years of experience in predicting trends has taught me that unexpected events are most dangerous when conditions are brightest.

1 - The health of world leaders may well be a prime factor in 1966. These include President de Gaulle, Mao Tse-tung, and even President Johnson.

2 - Perhaps the biggest threat in 1966 will come from abroad. There is evidence that the coalition leadership in Russia may be centralizing into the hands of a strongman -- something not seen since the Khrushchev ouster. Moreover, Africa could again hold the spotlight in the shifting pattern of the "cold war".

3 - I do not look for war with Russia during 1966. Russia is still greatly concerned with trying to bring prosperity to her own people, and is especially troubled about the lag in farm productivity.

4 - The struggle for power within Russia may come to a head in 1966. If the strongman is anti-West, he could try to put on a good show by heating up the "cold war"; but this should constitute no more than threatening gestures and bold talk.

5 - The Berlin crisis is not likely to be a major issue in 1966, though there could be some nuisance events to "try our patience."

6 - I do not foresee all-out war with Red China in 1966. Mao is not yet ready to risk major confrontation. His lagging farm and industrial programs still loom as major problems, and the task of extending Red China's nuclear progress is a heavy burden.

7 - The foremost task for Red China still is to get a seat in the United Nations. While Southeast Asia is an attractive plum, territorial expansion may well have to wait in Red China's timetable, as a peaceful profile on her part would make gaining a seat at the UN easier. UN admission, of course, would greatly enhance

Red China's prestige in dealings with the Afro-Asian nations.

8 - Despite talks of a prolonged struggle in Vietnam, I forecast that it will be increasingly clear that the balance has swung our way. This should encourage our leaders to step up our commitment in Vietnam in 1966 in order to force a "peace conference".

9 - I foresee no crisis over Cuba in 1966. The agreement Castro has made to allow more Cuban scores the problem he has in feeding his people.

10 - The Vietnam situation and the Dominican Republic incident have convinced the Administration that the military might of our nation must be maintained at a "ready" basis. This means stepped-up defense spending, which should add another prop to the economy.

11 - While such defense spending notwithstanding, I forecast that the economy will be hard pressed to match the fantastic achievements of the past four years. Threats of major labor strikes have been playing an important role in stimulating inventory accumulations from time to time to keep things rolling along. I do look for industrial production to edge to a new high.

However, I fear the peak will come before midyear and taper off thereafter. On the whole, the business climate in 1966 may well prove to be one of high-level stability rather than of vigorous climb.

13 - Business capital expenditures, which have been a key factor in prolonging the business boom, should remain a strong bolstering influence. However, I predict that they will not provide as much in the way of upthrust for the economy as in the past two years.

14 - Business inventory accumulation, likewise a big factor in the boom, should also become a less vigorous expansionary force. Perhaps fears of inflationary price increases will encourage businessmen to maintain a healthy volume of inventories; but unless war threatens intensify, I see no need to pile up much more in inventories.

15 - Consumers will have more money to spend in 1966. I forecast a further uptrend in personal incomes to new high ground. An important influence in this respect is the impact of automatic wage increases which are called for in existing multi-year labor pacts.

16 - Also, I predict a further rise in the general structure of

wage rates, as many secondary labor unions seek to match the gains of the auto and steel workers.

17 - Unless another federal tax cut is enacted -- which now seems remote in view of the war effort and the present fiscal deficit -- net income after taxes may not rise as rapidly as gross income. The social security tax rate is scheduled for a step-up. Also, higher state and local taxes -- including sales levies -- will place more of a burden on consumers.

18 - The all-important employment situation should remain generally good. We may have seen the greatest portion of the rise in manufacturing employment. However, employment in government payrolls at all levels, and in services, should continue to score sizable gains.

19 - I forecast no radical change in the jobless picture. Let me warn readers, however, that the problem is far from solved, and in coming years we may well have to reckon with it. The draft step-up only temporarily eases things and gives a false sense of well-being.

20 - Retail trade should enjoy another excellent year. Much of the gain in dollar volume, of course, will come from price

The Northville Record

IF IT'S NEWS . . . AND IT HAPPENS IN NORTHVILLE . . . YOU CAN READ IT IN THE RECORD

Vol. 95, No. 33, 14 Pages, One Section • Northville, Michigan—Wednesday, December 29, 1965 • 10c Per Copy, \$4.00 Per Year In Advance

Mayor, Supervisor Give Views

What's Ahead for 1966?

What lies ahead for the community of Northville in 1966? The men who should know -- Mayor A. M. Allen and Township Supervisor R. D. Merriam -- have outlined for The Record the projects pending that should be completed, or well underway, in the coming year.

Supervisor Merriam points out that the several major improvements slated for the township will come about without additional tax burden to the taxpayer.

In his forecast Mayor Allen touches upon a subject recently encouraged by Wilson Tyler, a trustee on the township board. He proposed an impartial committee of area citizens to study improved means of community development and cooperation "for the sake of economy and unnecessary duplication".

THE CITY, 1966 By Mayor A. M. Allen

One of our first assignments is the hiring of a city manager, which will be needed to accomplish many of the following projects as well as perform the duties of city management.

The city will soon adopt a housing code. This is sorely needed and necessary for the future accomplishment of our master plan.

Acquisition of the fish hatchery property, either jointly between the school district, township and city as an area for recreation, or with the township. The property lies in both the city and township.

Hopefully, Randolph street will be improved this summer. This project is up for consideration now.

The installation of more sidewalks, especially on North Center street where school children now must walk on the street.

Improvement of city-owned lots in the business district and acquisition of more downtown offstreet parking is necessary.

Present studies should lead to the installation of water and sewer lines along West Eight Mile road to the city limits at Beck road. This project could be most beneficial to the entire community by providing water and sewer

service for the proposed new elementary school.

A north-south route through Northville is badly needed and the council is hopeful that at least a part of this route can be provided in the coming year.

Steps must be taken to approve the master plan for our central business district and appoint a citizens' advisory committee so that the outline of our plan for the future can be certified as a workable program and thereby qualify for federal assistance if needed.

Finally, I would like to see a thorough study made by an impartial committee of area citizens to determine the best means of procedure for providing community police and fire protection, water and sewer facilities, commercial and industrial development, as well as other services that citizens expect from local government. This proposal has been made many times in the past, but genuine cooperative effort has been limited to individual areas, such as economic development.

I think this project is particularly important for the sake of economy and unnecessary duplication.

THE TOWNSHIP, 1966 By Supervisor R. D. Merriam

Complete master planned rezoning of the township will be accomplished this year. This project was undertaken in 1963, financed by Federal grant of 75% of cost.

Finalizing of water plans for furnishing water to Northville State Hospital and Plymouth State Home and Training School are in progress. Should this contract be accepted by the Michigan Department of Public Health thru legislative action, the eastern half of the township will be assured of a sufficient supply of Detroit water.

A large tract of land on both sides of Six Mile road east of Bradner road is in the process of acquisition by a large real estate development firm. Rapid building of attractive homes and the development of this area is anticipated.

Development of a 46-acre tract on Northville road between 6 Mile and 7 Mile roads is progressing rapidly. Multiple family dwell-

Christmas morning came with a touch of the old fashioned for many Northville area residents. Children up before the sun opened their gifts by candlelight, which replaced the electricity that failed during the night.

The blackout started at 2:29 a.m. and was caused by a tree falling into a line at Grace Court and Maplewood.

A spokesman for Detroit Edison said that the fallen wire caused other wires to burn, leaving 1,400 homes and businesses without service. Service was restored to about one-half of the residents at 4:55 a.m. and the other half at 8:28 a.m.

The area affected was bounded by Nine Mile on the north, Seven Mile on the south, Haggerty on the east and Napier road on the west.

ings are contemplated with 475 dwelling units planned.

Building a sewer along 7 Mile road between Marlyn road and Northville road is almost assured and will probably be built in the spring. This will make possible the building up of residential area on the north side of Seven Mile road west of Marlyn road and the building of a modern convalescent home with the possibility of a hospital also in the same area.

Plans for a residential development on Bradner road between Elk road and Franklin road are complete and construction work will start in the near future.

Negotiations are in progress for an agreement with Plymouth township to build a jointly-owned sewer to serve the southeastern portion of Northville township and the northeastern part of Plymouth township. This will aid greatly in development of the area which is presently without sewers.

Outlook for 1966 would indicate a great deal more activity than that outlined in the foregoing, since Northville Township is ideally located and contoured for development of home sites to make the township the garden spot of Wayne County.

First Baby Contest On

Who will be the first baby of 1966? Readers of The Northville Record-Now News will know who it is in the Northville-Nowi area, thanks to the annual First baby contest sponsored by this newspaper and several area merchants.

"First Baby" will assume the title from 1965 "King Scott Yamamoto," son of Mr. and Mrs. Kenneth Yamamoto of Novi. The successor will be crowned upon notification of birth to this newspaper (phone FI 9-1700) and certification of right to the title. His or Her Majesty will be honored with the following gifts: A baby blanket from Brader's Department store, bat, toilet kit from Northville Drug, three-piece silver set from H. R. Noder's Jewelry, Tot-Toter from D & C Store, gift certificate from The Little People Shop, 24 jars of baby food from Kroger, a month's supply of Yamamoto," son of Mr. and Mrs. Kenneth Yamamoto of Novi. The successor will be crowned upon notification of birth to this newspaper (phone FI 9-1700) and certification of rules on page six.

UF Drive Chairmen Named

How much can be done to assure that every child born in this country has the best chance to develop into a normal, healthy person? That is the question being asked during the 1966 March of Dimes campaign slated to be conducted during January.

In Northville, Oscar Hammond, 511 N. Center street, will be general campaign chairman and Mrs. Hiram Pacific, 46959 Grasmere, will be "Mother's March" chairman, it was announced by Wayne County Dimes Campaign headquarters.

Hammond will be acting in behalf of the Northville American Legion Post 147 which is locally co-sponsoring the campaign.

He said, "Birth defects are the problem the March of Dimes is going all out to solve now. Dimes gifts in past years have gone so far to reduce polio affliction that concentration on that problem is no longer necessary. But defects occur in an estimated 250,000 American babies each year."

Organization meetings will be held soon and our campaign will get underway January 1 with canisters in downtown stores, added Hammond.

Mrs. Pacific said she is planning the door-to-door Mother's March drive for January 30 and 31 and February 1. She is assisted by Mrs. Stewart Campbell.

"Mothers are just naturally conscious of the plight of birth defects," she said. "I'm sure we will have as enthusiastic a campaign crew as was ever assembled for the fight against polio."

The public will be the final answer on "how much can be done" through gifts this January.

DUO FOR DIMES—When the 1966 March of Dimes drive gets underway in January these two Northville residents will be directing the local effort. Mrs. Hiram Pacific is Mothers' March chairman and C. Oscar Hammond is general chairman. Birth defects are the target of Dimes contributions now, polio having been effectively combated by past campaign contributions and the Salk vaccine.

News Around Northville

Mrs. Douglas Straith and Mrs. Dennis Schwarz were hostesses for a Christmas Walk December 21. Punch was served at the Straiths' home at 23866 Woodham road and a brunch was served at the Schwarzes' home on 48200 Rushwood Lane.

While visiting in the Bahamas, Norman Faustyn of 46060 Pickford court landed a pair of dolphins. The two weighed 37 and 27 pounds. The Bahamas Ministry of Tourism presented him with a citation for the 37 pound fish.

Cynthia Gustaf, daughter of Mr. and Mrs. John Gustaf of 350 Debra Lane, gave a Christmas party Sunday night. About 100 of her teen-age friends attended. The Disciples, a rock and roll group composed of five Northville boys, played for the party.

Mr. and Mrs. William Tucker of 21147 Chigwidden drive are entertaining at a holiday dinner

party Wednesday night. Meadowbrook Country Club is getting ready for its annual New Year's Eve Party to be held Friday night. This year Eddie Schick and His Swinging Band will play. Horns, decorations, hats and noise-makers will add to the festivities. Among the couples who will be attending are the Arthur Hempes, the Donald Boors, Mr. and Mrs. Myron Sarnes, Mr. and Mrs. John Canterbury and Mr. and Mrs. Donald Lawrence.

Mrs. Earl Egbert of 20910 East Chigwidden had a small bridge party last night at her home.

The King's Daughters will have their annual co-operative dinner January 4 at 12:30 at the home of Mrs. William B. Walker on 39900 Baseline. Everyone is asked to bring their own table service and a passing dish.

Tickets are still available for the benefit performance of the "Agony and the Ecstasy" January 11 at the Music Hall. For information or tickets call Mrs. John McGuire at FI 9-3277. Our Lady of Victory church is sponsoring the benefit to raise funds for the Adrain Dominican Building Fund.

Mr. and Mrs. Willis Bartschi of 22126 Beck road will celebrate their 25th wedding anniversary this Friday.

Four Northville students living in Wayne County are attending Northern Michigan University this year. They are Bruce Lanphar, Howard Sherman, Janet St. Germain and Robert Tuck. Northern has a record enrollment of 5,551 students, an increase of 29.5 per cent over last year.

Richard Milne, son of the William Milnes of 537 West Dunlap, and Paul Douglas Lorenz, son of Mr. and Mrs. R. Douglas Lorenz of 19340 Clement road, are home on 15-day furloughs from Kemper Military school and College in Boonville, Missouri. Both boys will be home until January 2.

Mrs. Ancil Felker of 113 Randolph flew to Seguin, Texas for the holidays. She joined Mr. and Mrs. Bruce Felker at the home of the latter's parents, Mr. and Mrs. H. Beauchamp. Bruce is now a campus minister at Purdue University in Indiana.

Library Closed December 31

Library hours for the New Year's weekend have been announced by Mrs. Helen McClatchey, head librarian of the Northville branch of the Wayne County Library. The library will be open from 19 a.m. to 4 p.m. Thursday, December 30, but will remain closed Friday and Saturday.

Mary Sheila Welch Weds Arthur Voisin

In a setting of candlelight white poinsettias and evergreen garlands, Mary Sheila Welch and Arthur Voisin exchanged wedding vows Saturday, December 19. The two o'clock ceremony was read by the Reverend Lloyd G. Brasure in the First Presbyterian church. Ronald Kangas, close friend of the groom, assisted.

Claire Williams' musical prelude to the ceremony was a specially selected group of melodies. Ruth Jerome sang the "Wedding Prayer" from "West Side Story". At mid-service she sang another wedding prayer which she had written for the wedding.

The bride's parents are Mr. and Mrs. E. C. Welch of Northville. Parents of the groom are Mr. and Mrs. Louis D. Voisin of Redford township.

The bride, given in marriage by her father, wore the same gown of antique Italian silk with sleeves and yoke of alencon lace, and the same gloves as worn by all the daughters of the Welch family on their wedding days.

Her double veil of silk illusion was held by a wreath of velvet leaves and pearl orange blossoms. She carried an arrangement of white stephanotis centered with a white orchid.

Mrs. Lawrence Wells of Plymouth attended the bride as matron of honor. Bridesmaids were her sisters, Mrs. William H. Meredith of Harper Woods and Mrs. Carroll B. Bennink of Grand Haven, sorority sister Mrs. Jerome T. Jerome of Ann Arbor and Bonnie Wilson of Miami, Florida.

They all wore gowns of Thalo green crepe and lace complemented by wreaths of velvet leaves and glistening berries in shades of moss green and turquoise. Their bouquets of holly and white Fuji mums were accented with moss green ribbons and touches of turquoise.

Brian Bennink, in a navy Eton suit, served as his aunt's ring-bearer. Best man was Neale Murray of Columbus, Ohio. Seating the guests were Ned Brodbeck of Farmington, Robert Wilburn, Robert Horner and Paul Nine of Detroit.

Mrs. Welch chose a moss green velvet dress for her daughter's wedding, and the mother of the groom wore a gold and blue brocade outfit. Both mothers wore cymbidium orchids.

A reception for over two hundred guests followed the ceremony in Fellowship Hall. The bride's two new sisters, Mrs. Robert Wilburn and Linda Voisin, assisted at the punch table. Mrs. Paul Nine and Mrs. Ned Brodbeck poured at the refreshment table while Miss June King attended the guest register.

The bride changed into a two piece knit beige and taupe outfit for a honeymoon trip to St. Clair Inn. She also wore the orchid from her bridal bouquet.

The bride is a graduate of the Northville schools and Hillsdale College where she was affiliated with Kappa Kappa Gamma sorority. She is presently teaching in the Farmington school system. Her husband is a graduate of Detroit schools and Wayne State University. He is an instructor and debate coach at Southfield high school.

The couple will make their home in Redford township.

Mrs. Arthur Voisin

In Our Town

By Jean Day

IF YOU THINK Santa always wears a bright red suit, it may be difficult to envision a Santa in skirts. Northville has its full share of clubs and service organizations who serve as "composite Santas" to see that no one is forgotten at this season, but it also has a dedicated individual who could well be called Mrs. Santa Claus.

Because of Mrs. E'aine Chabut of 18585 Sheldon road, stockings in the children's ward at Maybury sanatorium last Saturday morning held just the right toys - as they have for almost 20 years. Mrs. Chabut, the widow of Dr. V. George Chabut who was on the staff of Maybury sanatorium until his death five years ago, says, "I can't remember when I haven't done this ... I expect I'll continue until I die as its a satisfying project."

Each year she finds out what's needed for the approximately 70 children at the san and re-lays the requests to groups who volunteer each year to help in Northville, Plymouth & Detroit. This year Mrs. Chabut, who teaches sixth grade in the Farmington school system, had all lists filled by December 18. The gifts were delivered then to Maybury where a resident Santa's helper delivers them each Christmas morning.

OLDER FOLK as well as the very young were remembered at Christmas. Members of Junior Girl Scout troop 407 donned their red capes to carol at Whitehall convalescent home on Ten Mile road in Novi - and gained a new service project they hope to continue throughout the year. The residents, mostly older patients, enjoyed the visit so much that the home's director invited the troop to come all during the year.

AS A BELATED Christmas present for your family, how would you like to have another son or daughter in your household for seven months? The Youth for Understanding program of the Council of Churches in Ann Arbor right now is seeking homes in this area for students arriving on the exchange program from South America.

Apparently more children of senior high class age are arriving this week than was anticipated; so the program is in need of more homes willing to enlarge the family circle. Ideally, homes are needed where there is a high-school-age son or daughter. The students are arriving from Brazil, Uruguay, Argentina and Chile. They speak English and will enroll in local school systems.

Families, such as Kalin Johnsons, who have hosted students are enthusiastic about the exchange program, claiming the rewards are enrichment of your own family living and a vivid interest in a new country and culture. The Johnsons have repeated the program, having invited the sister of the Mexican boy they first hosted to visit them later.

More information on the program may be obtained by calling NO3-0551. If you are considering the program, the need for homes is immediate.

ANOTHER PROJECT FOR the New Year for the growing number of families who are camping enthusiasts might well be membership in a Northville-Novifarmington chapter of National Campers and Hikers association, Incorporated, now being formed.

Membership in a local chapter is designed to bring camping families together for potluck dinners and to share camp information. The new chapter is being organized by Mrs. Marjorie Schulkins, 29533 Medbury, Farmington, who last month was appointed field director for the association. She relates that her family first started camping 10 years ago and now travel the country with a tent trailer.

She became interested in the National Campers and Hikers association, she recalls, when she met a family enroute to a national convention in Alabama. Then friends who were members gave enthusiastic accounts of the fun involved. The Schulkins family then joined a Rouge Park group - and began to think how much more convenient it would be to have a local group.

A non-profit, volunteer, educational organization, NCHA is dedicated "to the quest of fun and fellowship." Camping families are invited to call Mrs. Schulkins at 474-9459.

112 East Main Northville

in Farmington. Pastor Philip Janz performed the candlelight ceremony.

The church was decorated with two lighted Christmas trees and a five-bloom poinsetta on each side of the altar.

The bride's parents are Mr. and Mrs. Donald McKarns of 10359 West Six Mile road. The groom is the son of Mrs. Erna Gugel of Frankentum and the late Theodore Gugel.

For her wedding the bride wore a long gown of peau taffeta with a bateau neckline and long sleeves. Alencon and Belgian lace trimmed the gown. A detachable chapel train was fashioned with Belgian lace trim.

Her headpiece was made of organza petals from which a shower of real orange blossoms fell, holding a triple bouffant veil of French illusion. She carried a crescent-shaped bouquet of happiness roses and shredded mums.

Mrs. Dennis Lohrey served as her sister's matron of honor in a rouge-colored floor length sheath

gown trimmed with Belgian lace. The gown was accented with long flowing panels hung from a bow at the waist. She carried a white fur muff topped by redpoinsettias and streamers.

Bridesmaids were Maureen O'Gorman and Dorothy Gugel, the groom's sister. Their gowns were the same as the matron of honor's.

Arthur Gugel was his brother's best man. Dennis Lohrey, the bride's brother-in-law, and Harold Gugel, the groom's brother, were groomsmen, while James Trinklein, Henry Bartlett and Norm Bergdolt were ushers.

The bride's mother wore a peacock taffeta princess sheath gown with a tunic accented at the bottom with points of Alencon lace. Matching accessories completed her outfit. Mrs. Gugel chose

a gold crepe sheath and matching accessories. Both mothers wore happiness rose corsages.

A reception was held for 150 guests in the church social hall. The guests came from Bryan, Ohio, Wausau, Wisconsin, Troy, Birmingham, Pontiac, Garden City, Cadillac, Saginaw, Frankentum and Northville.

The bride's going away outfit was a blue knit suit with black accessories. After a honeymoon in Washington D.C., the couple will move into their new home at 510 Sunburst drive in Frankentum.

The bride is a 1963 graduate of Northville high school. She attended Central Michigan University and Schoolcraft college. The groom is a graduate of Frankentum high school and is now attending General Motors Institute in Flint.

CORNER

FOUR LITTLE ANGELS in the Ernest Bacsayi family made Christmas special at 44262 Wyngate in Brookland Farms. This new Northville family is composed of (from left) Sandy, 9; Mr. and Mrs. Bacsayi with Kerrie, eight months; Jessica, 6, and Karla, 4.

Dolls, dishes, dresses and all things feminine are certain to top Christmas lists at the Ernest Bacsayi home at 44262 Wyngate in Brookland Farms where four little girls are looking forward to their first yule season in Northville.

Ski equipment also is popular in this family with Sandy (Sandra), 9, and Jessica, 6, already skiing with their parents. Mrs. Bacsayi reports that this winter four-year-old Karla also is to be included. Kerrie, who is eight months old, will have to wait a few years. The Bacsayis hope to be able to ski right in their own back yard if it can be

cleared of a few trees. They also ski at Holly and Alpine resorts near-by.

Their contemporary home hugs the hillside in Brookland Farms and its upper level living room looks out upon giant evergreen tree tops. The family moved in just before Halloween and still is settling, but Mrs. Bacsayi decided this week that remaining boxes to be unpacked will have to wait until after the holidays--provided she can locate the tree stand.

The family moved here after living in Livonia for nine years. Mrs. Bacsayi enrolled the two older girls in Northville elemen-

tary school when school started in September and transported them daily until the move.

Baby Kerrie was christened at Northville's First Presbyterian church this fall.

Mr. Bacsayi, who studied engineering at Wayne university, is in product planning development with Ford Motor company in Dearborn.

Mrs. Bacsayi also is a Wayne alumna and was a pharmacist until her daughters were born.

Christmas really must have come in October for them when they moved into their new home designed to their own specifications.

At Theater

Wixom Chamber Hosts Night Out

The Wixom Chamber of Commerce was host to an "Evening at the Fisher Theatre" on Saturday night, December 11. Although it was a rainy night, the spirits of the group attending were not dampened.

Enjoying the colorful musical "KISMET" were Mr. and Mrs. Joseph Tighe, Mr. and Mrs. Fred Schmale, Mr. and Mrs. Roy Luter-moser, Mr. and Mrs. Richard Schneider, and Mr. and Mrs. William Ignace from the Ford Motor Wixom Assembly Plant.

Representing Michigan Bell was Mr. and Mrs. Charles Woodhead, supervisor of the Pontiac area. Those attending from the real estate and property management field were Mr. and Mrs. Virgil Cornwell, Mr. and Mrs. Clayton Bozung, Mr. John P. Hurns, and Mr. and Mrs. Ben Schneider.

The construction business was represented by Mr. and Mrs. Sidney Blatt of Holloway Construction and their guests, and Mr. and Mrs. B.J. Pollard. From the Continental Lounge in Novi came Mr. and Mrs. Fred Burleigh and family and from the Red Oaks came Mr. and Mrs. William Sedlar and guests.

Wixom was represented by Postmaster and Mrs. Herb Ab-

and Engineering, Mr. and Mrs. Howard Hendrian of Wixom Tool and Die, Mr. and Mrs. Kenneth Roche of Aviation Tool and Gauge,

and Mr. and Mrs. John A. Lutz, Hilda Foster and Nancy Wyman of Precise Inc. Mr. and Mrs. George Lindoerfer of the "Gold-

rams, Police Chief and Mrs. D'Arcy Young, and Birmingham Bloomfield Bank Manager Mr. and Mrs. Frank German, and Chamber President and Mrs. Richard Turel.

From the tool and engineering industry came Mr. and Mrs. George Diegel of Liberty Tool

en Thimble House of Fabrics" in Pontiac and their guests Mr. and Mrs. Ray Evans were also present.

The theatre was dazzling and the costumes of the cast were a ray of brilliant colors as were the fashions of those attending. The fast moving play starring Alfred Drake as the shrewd Hajj father of the lovely Marsinah was nearly outcasted by the Wazir Henry Calvin, whose uncanny taste for violence was second only to his size.

Following the theatre, a lavish buffet of prime rib, turkey, ham and all the trimmings was enjoyed at Monte's Rathskeller.

Church Services To Greet New Year

Several local churches will hold special New Year's services this weekend. In Northville, St. Paul's Lutheran church will hold a New Year's Eve service at 7:30 p.m. Friday.

New Year's Day Our Lady of Victory church will have masses

at 7, 8:30, 10:30 and 12:15. Sunday, January 2 the First Presbyterian church will herald in the new year with three services at 8, 9:30 and 11. Holy communion will be given at all three.

The First Methodist church will have one service at 11 a.m. Sunday.

In Novi, the First Baptist church will have a watch night service New Year's Eve. At 8:30 church members will view slides of the 1965 activities of the church. A missionary film entitled "The Angry Jungle" and several comedy films will also be shown. Refreshments will precede the midnight communion.

St. John's American Lutheran church on 23225 Gill road will also have New Year's Eve services beginning at 9 p.m. The Plymouth Assembly of God on 42021 East Ann Arbor Trail will present a special poem-vesper service from 8:30-midnight Friday. Mrs. Kathryn Keating will present the poem "The Voice of God - Crying".

Engaged

Karen Hinck

Mr. and Mrs. Clarence Hinck of 21237 Summerside Lane announce the engagement of their daughter, Karen, to Gary L. Pacific, son of Mr. and Mrs. Hiram Pacific of 46959 Grasmere.

Karen is a junior at Alma College while her fiance is attending the Detroit Institute of Technology.

Holiday Mail Sets New Record

A record amount of mail coming and going from the Northville Post Office was handled this year without a need for last minute help over the usual holiday crew.

Postmaster John Steimel said, "this year people did mail early and more often, which gave us a steady flow of mail."

Almost 286,000 pieces of outgoing mail went through the Northville Post office. Steimel said that this outgoing mail represented a 10% increase over last year.

During the Christmas week - December 17-24 - a 10% increase in packages brought the total to 4,950.

Steimel also noted an increase in the volume of incoming mail, up 15% this year. Parcels coming into Northville this yule season increased by 10% over last year.

Steimel noted that the regular two extra carriers were hired for both the city routes and the rural routes and two clerks added for the season.

Everything that came into the post office Christmas Eve was delivered that day, said the postmaster.

CHRISTMAS PARTY-Nearly 90 people attended the Senior Citizens' club Christmas party December 14 at the Scout-Recreation building. Club members and their guests, the Northville Jayettes, heard the Presbyterian bell ringers play Christmas carols under the direction of William Williams. A business meeting and refreshments followed the program.

Dimes Days Proclaimed

In support of the 1966 March of Dimes campaign Northville Mayor A. M. Allen has officially proclaimed the month of January "March of Dimes Month" in the city.

His proclamation pointed out that birth defects cause more physical and mental disability among children than any other disease; a seriously defective baby is born every two minutes in the U.S.;

Overwhelming emotional and social stresses on family life and a serious community health problem are created;

And that the public must be mustered to meet the problem, behind the spearheading of the March of Dimes.

The proclamation said that scientific research conducted under March of Dimes auspices is making significant progress in the search of ways to prevent birth defects; and that the March of Dimes is seeking to raise the level of prenatal care and thereby improve chances for the birth of healthy babies, through a national public education program.

What's Cooking At High School

Following is the high school cafeteria menu for the week of January 3 with hamburger on bun and French fries offered as an alternate choice daily:

Monday - hot beef sandwich, buttered peas, muffin and butter or split pea soup, meat sandwich, relishes; all with pears and milk.

Tuesday - doggie in blanket and German potato salad or chicken noodle soup and meat sandwich; all with relishes, prune spice cake and milk.

Wednesday - meat loaf and gravy, mashed potatoes, buttered corn, rolls and butter or bean

soup, relishes, meat sandwich; all with peaches and milk.

Thursday - sloppy joe on bun, brownie potatoes or beef noodle soup, meat sandwich; all with molded fruit salad, pudding and milk.

Friday - pizza or tomato soup and egg salad sandwich; all with tossed salad, gingerbread and whip cream and milk.

NOVI HIGHLIGHTS

SPEAKING for The Record

By BILL SLIGER

The Northville planning commission will hold a unique public hearing on its proposed comprehensive plan for the city.

It will be an "open house" type session Saturday afternoon, January 8, from 1 until 4 p.m. Planners hope that residents who are reluctant to give up an evening and are away at work on week days will be interested enough to stop at the city hall and see what has been planned for Northville's future.

Planners will be on hand to answer questions, while diagrams and drawings will be displayed for examination.

The proposed comprehensive plan, which will be described more in next week's edition, deals principally with the central business district and the city's thoroughfare plan.

Planners will consider public reaction before passing along their recommendations to the city council, which has the final say on how to proceed.

Mrs. Kathryn Keating, whose appeal for work so that she could pay for expenses incurred in caring for her leukemia-stricken boy, sent a six-page typewritten itemized list of all the help she had received at Christmas. In addition to countless numbers of canned goods, meats, fruits and candies, gifts and clothing for her youngster, there was a total of \$302.50 in cash.

She reports that medical expenses have been paid and a little set aside for future prescriptions and medical services.

Mrs. Keating is concerned that she and Michael received too much and that, perhaps, there are others with whom they can share their food.

"I am certain we will never have another Christmas like this - and I am also certain that one Christmas like this is enough to remember and treasure a lifetime", she concluded.

Our thanks, too, to the many individuals and organizations throughout the area who answered the appeal.

Speaking of help, don't throw away those old phonograph records. Barb (Mrs. George) Zerbel called to say that the senior citizens at Eastlawn Convalescent home would like some records. Mrs. Zerbel gave them a record player, but records are scarce. Not the "Beatle" type, but something an oldster can sit back and enjoy and reflect about days gone by. Call Mrs. Zerbel at FI 9-1158. She'll pick-up and deliver the discs.

It could only happen to Cliff Hill. He set a trap across the bridge leading to his Beck road home. Prowlers had been causing trouble. So when the trap was tripped one day last week in the early dawn hours Hill pounced to his front door, shotgun in hand.

He fired a blast in the air above a car on the bridge. The driver immediately wheeled around and drove away.

Hill returned to the house to tell his wife of his exploits.

"Was it a Volkswagon?", she asked.

"How'd you know?", replied Hill.

"That was our Free Press delivery man!"

The proof was at the bridge. A pile of papers fell out as the car turned around and the door swung open.

Mrs. H. D. Henderson
Mr. & Mrs. Frank Brayman had all their children, grandchildren and great grandchildren for dinner on Christmas Day. They were Mr. and Mrs. George Clarke, Mr. and Mrs. Rex Smith Perry and family of Williamston and Mr. and Mrs. Henry Brayman and family of Webberville.

Mrs. Betsy Clarke spent Christmas with her daughter, Mrs. Betty Stile and family in Pontiac.

Christmas day guests of Mr. and Mrs. Gail Enders were their children and grandchildren, Mr. and Mrs. Gail Enders Jr. and two children of Taylor, Mr. and Mrs. Don Knodle and family Mr. and Mrs. Lanny Enders and their five children and Glen Enders and his fiancé, Rochelle Brown.

Mr. and Mrs. Kenmore Elberling and two children of Fenton spent Sunday with their cousins, Mr. and Mrs. Lloyd Coleman.

The Lloyd Colemans spent Christmas at the home of Mr. Coleman's relatives, Mr. and Mrs. Frank Saunders in Wayne.

The Coffee Cup bowling team had a pre-Christmas luncheon at Hillside after bowling last Tuesday.

Mr. and Mrs. J. D. Mitchell entertained on Christmas day, Mrs. Ruth Levey of Southfield, Mr. and Mrs. Donald Gierist of Pontiac, Mr. and Mrs. James Mitchell and children of Plymouth and Mr. and Mrs. George Dingman and children of Eleven Mile road.

Last Wednesday evening the John Eskros entertained Mr. and Mrs. Kenneth Bassett, Mr. and Mrs. Dicon Tafallan, Mr. and Mrs. Harold Miller, Mr. and Mrs. James Mitchell and Mr. and Mrs. Herb Dryer. The occasion was in honor of Mrs. Eskro's son and daughter-in-law, Mr. and Mrs. John Danz and children of St. Paul, Minnesota who are the house guests of Mr. and Mrs. Eskro.

Mr. and Mrs. John Eskro are flying to Pasadena where they will attend the Rose Bowl football game on New Years Day.

Mr. and Mrs. Robert Robertson and family spent Christmas with the latter's parents, Mr. and Mrs. William McEllen in Livonia.

Mr. and Mrs. James Smart of Novi road were given a special treat last Wednesday evening when the Walled Lake Methodist church carolers came out to sing for them. On Saturday evening another group came out from the church and sang carols in the front yard at the home of the Smarts.

Mr. and Mrs. Frank Winterhalter, who live on M 59 were Sunday visitors at the home of Mr. and Mrs. James Smart.

The William MacDermaids spent Christmas on Sunday with Mr. MacDermaids' relatives, his sister and brother-in-law, Mr. and Mrs. James Myers and then they celebrated Christmas Day at the home of Mrs. MacDermaids mother Mrs. Lily Bingham and the other relatives.

Mr. and Mrs. Harold Miller had the family breakfast Christmas day at the home of their daughter and son-in-law, Mr. and Mrs. Stanley Orzechowski. Later in the day the Miller family all had dinner at the home of the Harold Millers.

Christmas day guests of Mr. and Mrs. Derek Somerville were Mr. and Mrs. Joseph Somerville, Mr. and Mrs. Kirt Bailey and sons, Larry and Bill and Miss Hattie Bailey.

The Orland Bumann family had Christmas day dinner with Mr. Bumanns relatives at the home of his sister and brother-in-law, Mr. and Mrs. William Hund in Southfield.

Dinner guests of Mrs. Hildred Hunt on Christmas day were her daughter and husband, Mr. and Mrs. Leslie Mitchell and Mr. and Mrs. Howard Hinesbacher and daughter, Ann and Mrs. Maybly Greer of Northville.

Mr. and Mrs. Russell Taylor had several visitors in for Christmas dinner. They were their son Bob student at Detroit Bible College, their son and his wife, Mr. and Mrs. Russell Taylor Jr. and children of Farmington and Mr. and Mrs. Erwin F'Geppert and daughters Noel and Sue and Mr. and Mrs. Andy Kozak and daughters, Noel and Sue.

Mrs. Hattie Garlick spent last Friday with her grandson, Dean Parker Jr. at Trenton.

On Christmas Mr. and Mrs. Hadley Bachert, Mrs. George Atkinson and Mrs. Hattie Garlick went to Detroit to have dinner at the home of Mr. and Mrs. Kenneth Bassett.

On Wednesday of this week Mrs. Ruth Starkweather of Northville, Mrs. H. D. Henderson of Fonda street and Mrs. George Schwarz, Mrs. Vernon Gilmore and Mrs. Walker Holden of Detroit had their annual luncheon and Christmas get-together at the Rod Davies home in Bloomfield Hills.

The Blue Star Mothers, Novi chapter 47 will have their January meeting next Thursday, January 5 at the home of Mrs. Marie Lafond on Twelve Mile road. They will have installation and Mrs. Clyde Wyatt will assist Mrs. LaFond.

NOVI METHODIST CHURCH
At the Sunday morning service college students who were home for the holiday vacation took part in the service. They were Frank Steinberger, Kay Gillett and Kirstine Larson from Michigan State University, April Fox, Eastern Michigan University and Jeff Crawford from Central Michigan University.

The Wesley choir went caroling last Thursday evening under the direction of Mrs. Russell Button. They reached many shut-ins and after caroling they had refreshments at the Button home.

NOVI BAPTIST CHURCH
Sunday evening December 26, the message was brought by Jay Warren, student from Moody Bible college in Chicago. Theme of his message was "Christ, Head of the Church." Special music included a song by Karen Clarke, "The Little Drummer Boy."

Teachers meeting will be held on Tuesday January 4 and agenda includes teaching film strip, plans

for March Sunday school contest, calling program and departmental meetings involving mid winter socials for youngsters.

Everyone is invited to spend New Years eve at church for the watch night service starting at 8:30 with showing of slides that have been taken throughout the year of the various church activities; quiz of I John Chapter 1 and 2 between panel of young people and a panel of adults. Program will also include comedy film and a special missionary film entitled, "The Angry Jungle" which is about the Communists attempting to take over Malay.

Following refreshments at midnight there will be a communion service to continue the evening. Adults will be going to the Loreng home and the young people will go to Wayne Baptist for a party.

Missionary Internes Gerald and Mavis Reimer returned this week from five days spent at Missionary Interne Center. The course of study for the week was on Understanding the various Temperaments, Sanguine, Choleric, Phlegmatic and Melancholic, instructor Earl Rosenberger. They also heard Mr. Fred Renich speak on Faith. Included during the week was a divided session of training for all missionary men in the duties as head of the house and special session for the women regarding achieving the proper balance in their lives. They also heard Mr. Donelson on the topic How to improve your memory. This coming week they will have a few days furlough to relax before starting the New Years work.

They will be visiting the Rev. Bill Batzloff in Wyoming, Ontario and also Leander Remple, Youth Pastor at the Van Dyke church.

Sunday evening young people met to make final plans to go to the First Baptist church of Wayne to help in the decoration on

Thursday 9:30 a.m. for the New Years eve party. Theme of the party will be American Holiday from 1:00-4:00 cost \$1.50 per person. Evening will include Ciana Brothers with their folk music, Earl Glogberg, ventriloquist, skits and comedy films. Ken Martin is in charge of the program and there will be a chicken dinner for refreshments. This is for Junior Hi through college age and Mr. and Mrs. Gerald Reimer will be attending with the young people.

NOVI REBEKAHS NEWS
Full degree team practice will be held at the hall Thursday, January 6. The next regular lodge meeting is scheduled for January 13th at the lodge hall.

Installation practice will be held at the Novi Community hall January 14 at 7 o'clock on Friday, Saturday evening at 8 o'clock installation also at the Community hall at 8 o'clock. Following installation a luncheon will be served. All those not contacted bring sandwiches.

Saturday January 8 the Novi Rebekah installing team installed the officers of Clyde and Milford at Milford at 8:00 p.m. NOVI BOY SCOUTS

Novi boy scout troop #56 had their Christmas party at the Community hall. They played several games and for refreshments had hot chocolate and cakes which were donated by the mothers. There were 29 Scouts and the committee men, Mr. Watchel, Mr. Boatman, Mr. Sigsbee, Mr. Ritter, Mr. Bell and Mr. Robertson present.

Farm Bureau Chief Defends 1963 State Constitution

LANSING — A plea for sanity has been issued amid the renewed complaints about the 1963 Constitution.

cent renewal of the legislative apportionment matter. The return of the Supreme Court, ordering renewed deliberations by the State Apportionment Commission, has developed many offshoots.

outcome provided more advantages than disadvantages. The Bureau supported adoption of the document.

and adopted in the first general election following. Little doubt exists in anyone's mind that the present document is a cure-all, or that any Constitution can be.

is, "We need to maintain a reasonable point of view and not let emotion over-rule our judgment."

partment's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

are sure to be worse this year than ever, and for good reason. With the new fees imposed for an uninsured driver-accident fund, it is a certainty that the motorist who does not carry insurance will be in no hurry to part with \$35 in addition to the regular registration fee.

unmatched even in post offices during the Christmas rush if he waits until near the Feb. 28 deadline for registration. He will pay just \$1 over last year's fee for the new fund.

Roger Babson

Don't See War with Russia

Continued from Page 1 rises. Nevertheless, as long as personal incomes, employment, and business hold high, consumer confidence will encourage spending.

32 — Of greater concern to me is the steady climb in nonfarm real estate foreclosures; I expect a further rise in 1966.

and inflation fears can be expected to figure prominently in the stock market during the course of 1966. The urge to make a quick buck is increasingly evident.

United States has suffered least in terms of the ravages of inflation and political instability.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

The average person might think this is really no problem for him. After all, he is honest and wouldn't think of giving a merchant a bad check. But he does want to occasionally make a purchase by check.

The insured auto owner, however, may find himself in lines waiting for license plates

TOO-DRY HOME? Humidify with an Aprilaire AUTOMATIC HUMIDIFIER. Call: C. R. ELY & SONS 316 N. Center 349-3350 Northville

21 — Spending for food, apparel and general merchandise should continue upward; also for leisure-time and vacation lines. Color television is catching on, and I look for continued strong demand in this field.

33 — Business profits in 1966 will not advance as sharply as in the past two or three years. The squeeze is on in profit margins; hence I look for a tapering off in the rise of corporate profits, although I foresee no drastic slump while activity holds near peak.

44 — I forecast that 1966 will not be the time for illogical speculation and gambling in the stock market. Above all, let me remind readers of the dangers of using borrowed money to buy stocks.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

Waiting lines for license plates

22 — The automobile business will not be left out in the spending spree. It will enjoy another prosperous year; but I foresee no significant upsurge beyond the high levels of the past two years.

34 — Looking at the farm sector, I see no radical change from the excellent 1965 year. Barring a crop failure or severe drought, farm prices, at worst, should shade only slightly lower.

45 — Those who invest (not speculate) on the basis of growth will sleep better nights. I have in mind the expanding population, rising incomes, scientific advances, greater leisure, and above all the impact of the Great Society.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

To State Police and many businessmen this kind of heavy spending causes headaches as well as joys. Extension of the biggest headache can reach everyone in time. This is the bad check problem.

The estimated business loss from bad checks in 1964 is estimated at \$1.3 million, of which State Police see only a small percentage. Continued prosperity boosts the estimate higher each year.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Waiting lines for license plates

23 — In view of the drain on our gold supplies, the government has been endeavoring to promote domestic travel and vacations. Nevertheless, I forecast further interest in foreign vacations. In one sense, I am happy to see this. I have done considerable foreign traveling, and I feel that such activity is definitely advantageous. Furthermore, I feel that foreign travel can help Americans to wake up to the advantages here at home and make them more thankful for the blessings they enjoy.

35 — Farm equipment manufacturers should enjoy good business in 1966. This goes also for fertilizer and pesticide producers.

46 — Investors should be pleased with cash dividend payments in 1966. I forecast they will show another increase. I would also expect a rash of stock dividends and stock splits, particularly in the first half of the year.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

24 — Many readers, especially those retired and living on pensions and social security — are worried about the threat of inflation. I forecast no radical inflation during 1966 ... The Administration is committed to "non-inflationary progress". However, some price increases appear unavoidable.

36 — The important building and construction lines should hold their own in 1966, but their dollar volume may be due largely to price and cost inflation. The Great Society program is a plus factor for construction, including urban renewal and highways.

47 — If businessmen, consumers, and investors do not act voluntarily to keep inflationary pressures and speculation from getting out of hand, the monetary authorities may be forced to raise margin requirements on stock purchases, and perhaps tighten credit further.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

The insured auto owner, however, may find himself in lines waiting for license plates

Waiting lines for license plates

25 — I predict that the greater danger will lie in credit inflation, rather than in price inflation.

37 — Private home and apartment building could show slight improvement, but the real boom in residential building will not register significantly in 1966.

48 — Look for somewhat lower bond prices in 1966. Although we are not in immediate danger of credit exhaustion, the banking system is under some strain from the rapid expansion of credit in recent years. My advice is to buy bonds which mature in five years or less. The time to buy good longer-term bonds will come when the yields on short-term bonds exceed those on long-term issues.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

The insured auto owner, however, may find himself in lines waiting for license plates

Waiting lines for license plates

26 — With the rise in defense spending and the cost of legislation for the Great Society, the federal budget will suffer a sizable deficit. In addition, states and municipalities are unable and unwilling to live within their means. Consumers will also go further into debt.

38 — Hence, I forecast that real estate conditions will remain selective. Well-located sites for homes and industrial and commercial complexes will do well, but study of local conditions is imperative.

49 — The dollar will not be devalued in 1966. Possibility of devaluation of the British pound will undoubtedly come to the... again, but additional effort will probably be made to keep the pound from "going under". I fear, however, that all this is only "buying time" ... that devaluation of the pound may be inevitable.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

The insured auto owner, however, may find himself in lines waiting for license plates

Waiting lines for license plates

27 — Look for new increases in the cost-of-living index. The government may try to head off substantial price hikes in key areas, but selective price rises will occur.

39 — I predict a further increase in farm land values in 1966. With costs still rising, the physical size of farms must expand so operators can benefit from mechanization. This places a premium on well-located land in the important and larger agricultural regions.

50 — I foresee no cure for the outflow of gold from America's shores in 1966. However, in view of the importance of the U.S. in international trade and world military considerations, foreign bankers will be reluctant to withdraw their gold en masse. Bear in mind also that there is no country that can match our industrial and military might ... and that, among the leading nations, the

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

The insured auto owner, however, may find himself in lines waiting for license plates

Waiting lines for license plates

28 — Industrial commodity prices should remain firm to higher, particularly in the first half of 1966. The primary bulwark against a price runaway is competition, which should be basically more effective than government influence.

40 — The steady advance toward fuller automation should make further progress in 1966, helping industry to cope with rising operating costs and shorter work weeks.

51 — Trees do not grow to the skies; neither does the stock market rise unendingly. While I forecast that the stock market — as measured by the Dow-Jones Industrials — can surpass the high mark of 1965, I anticipate a volatile 1966 market with a good-sized drop-off a real possibility sometime during the year.

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Like the auto insurance situation, fast becoming an acute cost problem here in Michigan, the bad check business can have implications for all. Businessmen have the option to raise prices to offset their losses or even refuse all transactions except for cash.

The insured auto owner, however, may find himself in lines waiting for license plates

Waiting lines for license plates

29 — I look for an increase in domestic competition in 1966. This should become more evident as the business upthrust tapers off. Also, we must not forget foreign competition. With many nations feeling the pinch of a dollar shortage, they will work to remedy this by increasing their sales here.

41 — Even though the stock market may push to new highs, any further advance may not bulk large percentage-wise. If business and corporate profits show a tendency to taper off, the fundamental basis for a worthwhile advance will be removed.

52 — Speculative enthusiasm

State Police note that their department's fraudulent check section has experienced increased activity as great, if not more so, as the good times being enjoyed by the merchants.

Business was never better, but this kind of boom means many things to many people.

Northville Township Board Minutes

The Regular monthly meeting of the Northville Township board was called to order by Supervisor Merriam on Tuesday, December 7, 1965, at 8:00 p.m.

Members present: R. D. Merriam, Marguerite N. Young, Alex M. Lawrence, and Wilson D. Tyler.

Members absent: James H. Tellam.

Consultant: Mr. John Ashton, township attorney.

Visitors: A few township residents, Mr. George E., Kenneth A., and Richard J. Cummins, Mr. Clarence Charest, Attorney for Dun-Rovin Country Club and Mr. William Siger of the Northville Record.

Minutes of the regular township board meeting of November 2, 1965 were reviewed.

Trustee Tyler asked that under Old Business, Item 4 the following wording be deleted: "asking Mr. Draugelis for his opinion as to the legality."

No further corrections, the minutes were accepted as written.

The Treasurer's report for November 1965, was read, discussed and accepted.

The following were reviewed: Northville township office receipts for Nov. 1965 \$754.50; Water & Sewer Commission receipts for Nov. 1965 \$6,895.73; Northville Township bills payable \$5,046.19, Water & Sewer Commission bills payable \$7,455.93.

Tyler moved, supported by Lawrence, payment of the bills. Ayes: All. Motion carried.

Building Inspector's report for November 1965, showing valuation of \$95,800 was presented for review. No question.

No question of Planning Commission minutes of Nov. 23 and 30, 1965 and Appeal board minutes of Nov. 15, 1965.

Correspondence.

1. Letter from Draugelis & Ashton stating that Trustees should be paid for all regular, special and executive meetings attended.

2. Letter from Draugelis & Ashton re: Zoning Ordinance. Question had arisen regarding allowing building permits on lots of record smaller than the area land use. The letter stated that Section 12.4 of the proposed new Zoning Ordinance provides the same type of savings clause with some minor verifications as Article V of the present Zoning Ordinance, which reads "Provided, that this requirement shall not apply to any lot which at the time this Ordinance becomes effective is narrower at the street line or lesser in area than the specifications herein provided, if such lot was of record at the time of the adoption of this Ordinance."

Visitor Business: Mr. Charest, Attorney for Messrs Cummins and Dun Rovin Club discussed at some length the request from Dun Rovin Country Club for transfer of stock interest in 1965 Class C Licensed corporation with Dance Permit through sale of stock in subject corporation to Robert D. and Jacquelyn S. Weinsheimer and through sale of stock by Harold and Hermione Edwards and William and Mary Buber to George E., Kenneth A. and Richard J. Cummins. He stated that the Messrs Cummins had been man-

aging the country club since June 1965 and would continue to do so, that the Weinsheimers would not be active in the club management, were only investing.

Supervisor Merriam advised the board that he had contacted the Sheriff's Department and their report on the Cummins and Weinsheimers was satisfactory. After further discussion, Tyler moved, supported by Lawrence, that the Liquor Control Commission Resolution allowing the transfer, be adopted. Ayes: All. Motion carried.

Old Business: 1. Resolution - Northville Library Advisory Commission - Board members questioned the wording and intent of paragraph 2, 3, 4, and 5, under Section IV Purpose - Also paragraph two under Section V, Administration of the Library, feeling that too much authority was granted the Commission as presently written.

After changes were made in the questioned sections, Tyler moved the adoption of the Resolution as amended subject to the City of Northville's approval of same. Lawrence seconded. Ayes: All. Motion carried.

2. Black topping W. Main street from Clement road to Woodhill road. A letter was read from the Board of Wayne County road commissioners quoting cost of approximately \$7,000 for paving 1400 feet of W. Main street and stating that the road commission would pay one-half of the cost if the Township would pay half.

During the discussion period, it was suggested by a township resident that a caution light be installed at Clement road and W. Main street.

Young moved that the township board adopt a resolution requesting that the Wayne County Road Commission black top W. Main street from Clement road to Woodhill road, the cost to be shared equally by the Road Commission and the township and that the Road Commission be asked to install a caution light at the intersection of Clement road and W. Main street. Tyler seconded. Ayes: All. Motion carried.

3. Appointment to Planning Commission (3 year term). Supervisor Merriam advised the board that a letter had been written to Ralph Gibson accepting his resignation from the Plan-

ning Commission and thanking him for services rendered over the past years.

Lawrence moved the appointment of J. Craig, Bowby, 15405 Lakeside drive for a three year term to the Northville Township Planning Commission, November 1965 to November 1968. Tyler seconded the nomination. Ayes: All. Motion carried.

4. Procedures Policy Manual - General discussion as to how to proceed in writing procedures followed. It had been suggested the following subjects be covered.

Insurance purchasing - General purchasing - Appointments - Employment - Meetings - Public hearings - Public relations - Fees - Investments - Depositories.

Conclusion - Ideas should be suggested in writing and agreed on by group action.

New Business:

1. Tyler moved, supported by Lawrence, that the township board adopt a resolution waiving the penalty on 1965 real and personal property taxes until after February 28, 1966. Ayes: All. Motion carried.

2. Northville Sand & Gravel deposit -

Tyler moved, supported by Lawrence, that the Northville Sand & Gravel Company's deposit of \$600 be refunded subject to the written approval of the adjoining property owners. Ayes: All. Motion carried.

The Board of Trustees of Northville Township, Michigan, by unanimous action wish to pay a tribute to the memory of Daniel J. Stark for his dedication to the service of his community and

his lifelong affection for this area.

"D. J." as he was affectionately known to his associates, was born in neighboring Novi township on August 2, 1899. An accountant by profession, Mr. Stark worked in the Northville Post Office from January 16, 1924 until January 1, 1929, when he was made Assistant Post Master, a position he held until his retirement on July 1, 1956.

He was appointed Northville township clerk on December 22, 1955. He was elected to the same position in April 1957 and held this office until April 1, 1959, when he voluntarily retired to devote his entire time to the real estate business in which he was engaged at the time of his passing.

He was closely associated with and contributed greatly to the development of the Township and his decease will be greatly felt by all residents of the Northville area.

NOW, THEREFORE, BE IT

RESOLVED, this seventh day of December 1965, by the Board of Trustees of Northville Township that this Resolution be spread at length upon the minutes of this days proceedings and, as further expression of our sympathy, that a suitably engrossed copy of this resolution be transmitted to his devoted wife.

R. D. Merriam, Marguerite N. Young, Alex M. Lawrence Wilson D. Tyler

No further business, Lawrence moved to adjourn the meeting. Meeting was adjourned at 9:40 p.m.

Marguerite N. Young, Clerk

Municipal Court

Drivers under the influence of liquor drew fines in the Northville court of Municipal Judge Charles McDonald during the two weeks prior to the holidays.

Joseph J. Robinson of 9332 Clifton, Salem, paid \$100 for driving under the influence of liquor at Six Mile and Napier Roads on December 18, his license was also suspended for 90 days.

James B. Rapier, 41, of Union Lake was fined \$80 and his license suspended for 90 days on a charge of driving under the

influence of liquor invoked December 19 at Eight Mile and Novi Roads.

Micheal Humpries, 21, of 510 Randolph pleaded guilty to a charge of assault and battery and was fined \$30 and ordered to see a psychiatrist once a month, with a report from the doctor as part of the six-month probation period.

David G. Kelly of 48709 Six Mile road, Northville was fined \$25 for throwing litter on private property.

Time for New Year Wishes

Time to greet our good friends... time to thank all you wonderful people for your kind, loyal patronage.

CLOSED UNTIL JANUARY 3rd

from the PASTOR'S STUDY

Reverend R. LaVere Webster
Novi and New Hudson Methodist Churches

Epiphany is the story of the wise men who came to visit the infant Jesus, bringing him costly gifts. It is the season of the church year that begins on January 6 and lasts until Lent.

Epiphany tells us that God has made Himself known to the whole world. The three wise men in the Bible were sometimes spoken of as kings, as in the carol, "We three kings of Orient are." Most likely they were scholars who studied the stars.

modern opera about Epiphany. Read the Epiphany story; Matthew 2:7-12. II Corinthians 3:18-4:6.

One of the hymns of the church tells the story: As with gladness men of old did the guiding star behold; As with joy they hailed its light, leading onward, beaming bright;

So, most gracious Lord, may we evermore be led to Thee, Prayer for Epiphany: O God, the radiance of faithful souls, who brings the nations to thy light and kings to the brightness to thy rising; fill the world with thy glory and show thyself who is the true light and the bright and morning star. Amen.

In Uniform

San Diego, California -- Marine Private Christian A. McCall, son of Mr. and Mrs. Charles S. McCall of 3884 W. Maple Road, Wixom, was graduated November 24, from Marine recruit training at the Marine Corps Recruit Depot at San Diego, Calif. During his eight weeks of intensified recruit training under veteran noncommissioned officer Drill Instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He has been assigned to Camp Pendleton, Calif. for four weeks of individual combat training.

CHILI CON CARNE
1 pound ground beef
1 onion, sliced
2 cloves of garlic, diced
2 teaspoons chili powder or to taste
Salt and pepper
1 No. 303 can kidney beans
1 No. 303 can tomatoes
Brown ground beef. Add the onion, garlic and cook for a few minutes. Add tomatoes and beans and season to taste with chili powder, paprika and salt. Cook slowly for about 1/2 to 1 hour or until the mixture thickens. Stir occasionally to prevent sticking to the pan.

Where The New Year Is Born

For millions on the eastern seaboard of the United States, this is where it happens. A lighted "ball" falls from the top of a tower—and it's 1966.

But in Chicago and Winnipeg it is still 1965. In Saskatoon and Denver it is 1965. In Frisco and Vancouver it is 1965. So where in this broad continent is the New Year really born?

When it is born at all—it happens in men's own hearts! Otherwise the Old Year goes on. And older years add not their blessings but their dregs . . . as men grope for shreds of time to complete old patterns . . . remnants of hope to patch worn-out dreams.

But somewhere a heart speaks to God. In the quiet of a churchly sanctuary it recounts the past with its failures, its defeats. And boldly it enquires into the future with its hope and promise. That soul commits time and talent and treasure to the purposes of Jesus Christ.

And the Father of All, who is not clock-watcher but soul-watcher, turns the page of that calendar. For one soul at a time the New Year is born.

THE CHURCH FOR ALL...

ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mustangs Win Opener at Rouge

It was strictly a question of who was the coldest in Northville's first game of the River Rouge Christmas tournament.

Making like polar bears, Monroe walked off with that dubious distinction Monday, going down to defeat, 45-27.

With a record of 5-0 on the season, Northville was sched-

ed to meet Thurston last night (Tuesday) in the second round of play in Frank "Buc" Weeber gymnasium.

A win would move Northville into the championship round tonight at 9:30 p.m., probably against River Rouge. If Northville loses its game against

Thurston, the Mustangs will play at 6:30 tonight.

An ice-capped third period killed Monroe's chances of winning. The Trojans just couldn't find the range, scoring only two points in the quarter, and going well over five minutes before scoring those two.

Northville wasn't much warmer, going without a point for four and one-half minutes. A 10-point splurge, however, boosted the Mustangs into a 30-19 lead entering the fourth quarter.

Besides the cold shooting hands, both teams made numerous mistakes, with the ball flitting back and forth for two minutes at one spell without either team getting a shot.

Perhaps the most heartening thing for the local cagers was the fact that they beat Monroe's all-court press with little difficulty.

Northville got balanced scoring, with three players hitting in double figures. Center Jerry Inland and Guard John Jameson both scored 12, and Evans chipped in with 11.

It wasn't all happiness in Northville however. While the varsity kept its unbeaten slate clean, the JVs suffered their

first defeat in five outings—but not without a fight.

Of course, billed as the toughest JV outfit in the tourney, edged the Colts in overtime, 74-68. During the overtime, three Northville regulars sat on the bench with five fouls.

Center Jim Peterson turned in his finest game of the year, scoring 33 points and teaming with Forward Bob Hubbert to control the boards. Hubbert scored 16 points, and netted two free throws to send the game into overtime.

Juday Takes Charge Of Spartans on Field

EDITOR'S NOTE - The following story on Northville's Steve Juday was written for The Record by Harry Stapler, who is covering the Rose Bowl game. Stapler now publishes the East Lansing Towne Courier and was formerly a sports editor for the Associated Press and football writer for the Detroit News. He'll interview Juday for The Record immediately following Saturday's bowl game for publication in next week's edition.

Pasadena, Calif., - Michigan State had ended the day's workout at Brookside Park, a practice field rimmed by palm trees and distant mountains and flooded by sunshine.

Quarterback Steve Juday of Northville hollered to the offensive starting team to stay on the field a moment, and he began to talk to them.

"We're all having a lot of fun," he started, "but we can't let this get in the way of what we came out here to do."

About that time he noticed a newspaperman and some assistant coaches within earshot. And he hollered to them: "This is for players only."

Steve turned and continued talking, his words heard only by the players who have depended on him as their field commander through 10 straight victories.

On Saturday in the Rose Bowl, Steve will serve as field commander for the last time in college, in the most important game of his life.

The fun has included a trip to Disneyland, to the Universal Studios, and to famed restaurants.

Meanwhile the team is practicing football once a day, as coaches and newspapermen watch. Here on the West Coast, Steve's role as quarterback of the national champions has been overshadow-

ed a bit by 2 developments:

1. The emergence of UCLA's Gary Beban as a sensational, long-throwing and hard-running quarterback. West coast writers are emphasizing that UCLA's biggest threat against MSU will be Beban.

2. The fact that Steve wasn't drafted by any of the pro clubs. While this disappointed Steve, it hasn't dimmed his importance to his teammates, who have already elected him the squad's most valuable player.

Here are some of the answers that coaches, writers, and fact-finders here in Pasadena give on Steve and the two points above.

First, how does Steve compare to Beban as a passer?

Answer from the fact book: Both completed 53 per cent of their passes. Juday completed 89 passes and Beban 70. Juday passed for 7 touchdowns and Beban 9.

Coaches are reluctant to make direct comparisons, since each man plays a different style game. Juday passes shorter than Beban, and runs less than Beban, Juday can afford to pass shorter, and run less, since he has backs like Clint Jones, Dwight Lee, and Bob Apisa to carry the ball.

Paul Zimmerman, sports editor of the Los Angeles Times and the leading sportswriter on the West Coast, had this to say on Juday:

"The emphasis on Michigan State's awesome running attack has been such that there has been a tendency to overlook the Spartans' passing game.

"If quarterback Steve Juday's accuracy in practice sessions at Brookside Park is any indication of what to expect New Year's Day, UCLA can look for trouble from above as well as on the ground."

What about the fact that Steve wasn't picked by any of the professional football teams in the annual draft of college talent? One or two answers are obvious here.

Steve is 6 feet tall, and while that might be tall on a high school or even a college football team, it is faint height for a quarterback on one of today's pro clubs, coaches here point out. Pro linemen are getting bigger and bigger, and quarterbacks must be tall enough to see and throw over them.

Also, Steve has been a rollout passer in college. In contrast, all of the pro quarterbacks except the Baltimore Colts' current sub-quarterback, Tom Matte, are pocket passers.

In laymen's terms this means that Steve usually passes while rolling out to the side on the run, while pro passers usually drop straight back into a pocket of protecting blockers.

Steve is enough of a leader and is tough enough to play pro ball, agree the coaches on the MSU staff. Listen to Danny Boisture, the offensive backfield coach who has worked with Steve for 3 years:

"Steve is directly responsible for this team being where it is today - right here in Pasadena - not just because of his ability, but because of his leadership.

"Is Steve tough enough? He is a very rugged individual. If I was in an alley fight, I would want him on my side.

"It takes a rare type of individual to run a football team like he has. On a team, you get all kinds of breeds. Not only has he pulled them together on the field. But by example, he has showed them the way off the field, too."

Dr. James Feurig, the team doctor, nodded his assent from a corner of the Rose Bowl dressing room.

"He's a small quarterback, but he's been tough. He knew he had to run to open up the defense this year, so he ran. He got a wrist sprain, a hand bruise, a sore thigh, but he played over them all."

Steve Juday, wearing his familiar No. 23, will be one of the most important players on the field Saturday.

SPORTS BUFF—19 year old Jennifer Ratliff, daughter of Mr. and Mrs. Charles Ratliff of 39883 West Eight Mile, won both the singles and doubles ping pong state championships at Cobo Hall December 19. Her partner for the doubles was Janice Martin of Livonia, a fellow member of the Livonia recreation ping pong league. Janice and Jennifer received a large trophy for their doubles victory, while Jennifer received another trophy for her singles victory. Both are shown. Jennifer, an all-round athlete who also excels at basketball and softball, will compete against other state champions January 22 and 23. If she wins this tournament she will compete in the national tournament at Cobo Hall in March.

WINS HONORS—Dick Willing, son of Mr. and Mrs. Michael J. Willing of 19300 Smock road, Northville, has just completed his college grid career at Eastern Michigan university in brilliant fashion. The 190-pound middle guard, who played his high school football at Northville high school, climaxed a fine career by earning his second straight All-Presidents' Athletic Conference position. Dick was also named to The Michigan All-NAIA team. Willing's Huron coaches point out that he is the type of ball player who earns the respect and regard of both his coaches and teammates. Many observers felt that he was the finest Eastern player of the past two seasons. From his defensive middle guard position Willing was one of the surest tacklers on the squad and rated high in that department in official team statistics. He was also a standout as an offensive center.

Our Want Ads Work Like Magic

1-Card of Thanks

Our many thanks to the many friends and neighbors for their cards and kind expressions of sympathy during the illness and loss of our husband and father. Mrs. D. J. Stark Mrs. David G. Hazlett Mr. John W. Stark

May we extend our deepest gratitude for every kindness during our recent sorrow. Louise, Larry, Lynn and Ron Angove Mrs. Eloise Angove.

We wish to express our sincere thanks to our friends and neighbors for their many cards and kindnesses during the recent illness and death of our father. Mrs. Arthur Humphries and family

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful. Mrs. Harvey Kelley Mr. & Mrs. James Kelley Mr. & Mrs. Harvey A. Kelley H52p

FIX-IT TIP

To repair hairline or separation cracks in brickwork, apply a water-proofing liquid.
To repair serious cracks you must point up the joints. Remove all old mortar and dirt to a depth of one inch. Use broad chisel and scrape places between bricks until thoroughly clean. Use a hose to wash out dust and dirt.

Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, December 6, 1965, 8:00 p.m. at the Northville City Hall.

Present: Allen, Black, Canterbury, Carlson and Kester.

Absent: None

The minutes of the regular November 15th, 1965 were approved.

Moved by Kester, supported by Carlson that bills be paid in the following amounts: General --- \$40,071.22; Water --- \$7,762.00. Unanimously carried.

COMMUNICATIONS: A letter from Mrs. Dorothea Shafer, Northville Woman's Club, asking if the Council would accept, on loan, two pieces of statuary for the Council Chambers. Council instructed that a letter of acceptance be written.

Communications from Citizens: Mr. Arthur Adams, 960 Allen Drive, spoke regarding the dumping of debris in back of his lot on Beniece and Krue property. The City Attorney is to contact Beniece & Krue about this and take further steps, if necessary.

Planning Commission Minutes of December 23, 1965 were received.

Building Report for month of November, 1965 was received. Northville Police Department Report for November, 1965 was received.

Financial Reports for September and October, 1965 were received.

OLD BUSINESS: There were between 40 and 50 residents present for the Public Hearing for a Special Assessment for the improvement of Randolph St. The Mayor reported that one property owner had not been notified of the Public Hearing; the attorney stated that the City Manager must file a new report and that a new date should be set for a Public Hearing.

Mrs. Paul Steencken, 562 Randolph St., was the speaker for this group. Mrs. Steencken presented a petition from property owners on Randolph St. protesting this improvement and also a 2-page presentation of why they felt this improvement was not desirable.

Mrs. Steencken requested that plans of this improvement be available for the group and the City Engineer agreed that they would be available.

Moved by Canterbury, supported by Kester that the request from Arthur and Eileen Ramsey for transfer of ownership of 1965 Class A and SDM licensed business, located at 105 N. Center St., Northville, Michigan from Leo M. and Minnie

Markham be approved; all necessary forms to be sent to the Michigan Liquor Control Commission. Unanimously carried.

Moved by Black, supported by Carlson that Russell Amerman be appointed to the Northville City Board of Review for a 3-year term, January 1, 1966 to January 1, 1969 (succeeding Cyril Frid). Unanimously carried.

NEW BUSINESS:
1. The Clerk read the notice, as printed in the Northville Record, requesting bids for a Salt Spreader. The attorney opened bids from the following companies: Michigan Tractor & Machinery Co. - Salt Spreader, as per specifications - \$1,275.00. Miller Equipment Co. - Salt Spreader as per specifications - \$1,193.00.

Moved by Carlson, supported by Kester that Miller Equipment Company be awarded bid for salt spreader as per specifications at price of \$1,193.00 and City Manager instructed to purchase same. Unanimously carried.

2. City Manager Rehberg reported a request from Mr. Russell Clarke for lighting in the parking area at rear of bank and nearby business places on E. Main St. This is to be referred to the Municipal Parking Authority and they are to report to Council.

Detroit Edison Company to be notified again regarding installation of light for Presbyterian Church parking lot on E. Cady St.

3. After discussion of information as presented by Mr. Miller of Honeywell Company relative to a Maintenance Contract for heating and air-conditioning of the City Hall, moved by Carlson, supported by Kester to adopt resolution waiving requirement for sealed bids for maintenance contract for heating and air-conditioning system for City Hall. (Copy Attached.) Unanimously carried.

Moved by Carlson, supported by Kester to approve contract between the City of Northville and Honeywell Company for maintenance of air-conditioning and heating system for Northville City Hall as presented and the Mayor and City Clerk instructed to execute same. Unanimously carried.

CITY MANAGER'S REPORT: The discussion of Police Sergeant's duties was tabled for future meeting.

Moved by Canterbury, supported by Black to approve proposed Library Commission Ordinance as written; this to be published in the Northville Record

and considered for final passage at meeting of December 20th, 1965. Unanimously carried.

There is to be a Work Session or Special Meeting to consider appointments to Library Commission.

City Manager Rehberg made a verbal report on the resignation of Kenneth Conley, Recreation Director for the City and Township of Northville; he will stay for a 90-day period. He also mentioned that consideration might be given to the possibility of a full-time man to do janitorial work for both City Hall and the Recreation Building. Councilman Black is to have a detailed report from the Recreation Committee for the December 20th meeting. Possible ice skating rink sites are to be included in this report.

City Mgr. Rehberg made a proposal for garbage and rubbish disposal in the business district and would like Council's approval if it is possible to obtain the approval of merchants.

Councilman Canterbury will endeavor to set a meeting with Michigan Highway Department, about the end of January, relative to the north-south route in Northville.

Mr. Roger Rehberg, City Manager, tendered his resignation to Council. It was moved by Allen, supported by Kester to accept Mr. Rehberg's resignation effective immediately, December 6, 1965. Unanimously carried.

Councilwoman Carlson presented a report on her activities at meetings attended concerning City and Community Beautification; each council member was given a written report.

Mrs. Carlson reported gas fumes again at her home on Fairbrook St. on Sunday, December 5 and at Van Valkenburgh's home on Fairbrook on Saturday, December 4, 1965. Mr. Hartner is aware of this and is working on the situation.

The Mayor explained the requirements of the City Charter relative to a City Mgr.'s position and because of Mr. Rehberg's resignation, the Council asked the City Attorney, Mr. Philip Ogilvie to act as City Manager. Mr. Ogilvie assented and said he could be at the City Hall from 8:30 to 10:00 or 10:30 each week day morning as well as assuming responsibility around the clock. Mrs. Milne, Clerk, will assist with coordinating necessary business.

Moved by Canterbury, supported by Kester that Philip R. Ogilvie be appointed Acting City Manager; salary to be determined at a Special Meeting on December

13, 1965. Unanimously carried. There being no further business, the meeting adjourned at 10:05 p.m.

Respectfully submitted
Martha M. Milne
City Clerk

The Special Meeting of the Northville City Council was called to order by Mayor Allen on Monday, December 13, 1965, 8:00 p.m. at the Northville City Hall.

Present: Allen, Black, Canterbury, Carlson and Kester.

Absent: None
After discussion of duties of Acting City Manager Philip R. Ogilvie, moved by Black, supported by Carlson that Phillip R. Ogilvie be paid \$500.00 per month for the interim period that he serves in this capacity. Unanimously carried.

Moved by Black, supported by Kester that Phillip R. Ogilvie be named Treasurer for the City of Northville, replacing Roger R. Rehberg. Unanimously carried.

Moved by Kester; supported by Canterbury that Phillip R. Ogilvie's name replace that of Roger R. Rehberg on all City bank accounts and the Lock Box. Resolution to this effect approved. Unanimously carried.

Moved by Kester, supported by Carlson that City Manager's Report on improving of Randolph Street, Roll 65-4 be accepted and date for Public Hearing be set for Monday, January 3, 1966, 8:00 p.m. Notices are to be sent to all property owners notifying them of same. Unanimously carried.

City Manager will have Engineer provide map with footage for this improvement at the Public Hearing.

Also it should be made clear that all residents should make provisions for curb cuts.

Council will meet Tuesday, December 21, 10:00 at the City Hall to examine plans for Randolph St. improvement.

Council made suggestions as to possible appointees for Library Commission and asked that this list be sent to them.

Acting City Manager explained the employee insurance for non-occupational injury and after some discussion, Mr. Ogilvie was asked to amend the Personnel rules and make recommendation on same for December 20th meeting.

Mr. Ogilvie made a report on the condition of Mr. Eugene King, who should be home from the hospital the week of December 20th.

Moved by Kester, supported by Carlson that the City Hall close on Friday, December 24 and Friday, December 31, 1965 because of Christmas and New Year's Day at 1 p.m. and that

this published in the Northville Record. Unanimously carried.

The Clerk reported that there should be a notice in the Northville Record concerning the closing of the City Hall on Monday, December 27th and Monday, January 3, 1966 because of policy on Christmas and New Year's Day in Personnel Rules.

There is to be a Work Session on Wednesday, December 15, 1965, 9 p.m. at the Northville City Hall with Mr. Carlo.

Mr. Stephenson and Mr. Zerbelle will be present for the December 20th, 1965 agenda on Planning Commission business.

There being no further business, the meeting adjourned at 11:20 p.m.

Respectfully submitted,
Martha H. Milne
City Clerk

NOTES:
Check Wayne County records to see what has been applied on Randolph St. from time it was dirt road, i.e., seal-coat, etc.

Is there 60 foot right-of-way on Randolph St.

Amendments to Library Commission ordinance examined and approved - action on this will be on December 20th agenda.

Reminder that Council should have regular periodic meetings with Northville Township.

Matter of whether Northville City and Township must have the dump become a Sanitary Landfill and if so, when is final date for this transition.

Determine whether Township sent a representative to the Livonia meeting regarding landfills and smoke abatement.

Acting City Mgr. to ask about rates on disability income policy and life insurance policy to enable women to have same compensation as men.

City Mgr. to amend Personnel rules for action on Dec. 20th agenda.

Mr. Ogilvie reported on meeting with Mr. Littel regarding Barnhardt Springs. Mr. Littel has done a complete survey possible liability and reports city bears none and could abandon these at any time; on property across from proposed school site. Court action may not be necessary. Mr. Ogilvie is to determine if the school would share in expense of entire abandonment.

Bookkeeper to be instructed that maintenance contract for heating and air-conditioning system will be paid quarterly.

Clerk is to look up fee paid to firm that did the wage study and determine if they would revise this to date and what would the charge be.

HAPPY 90th BIRTHDAY—Mrs. Cora Teal Patterson (seated) celebrated her 90th birthday at a surprise party given by her neighbors and friends December 20. Mrs. Patterson has lived in Northville for 50 years. With her in the picture are Mrs. Harvey Whipple, Mrs. Walter Gall and Mrs. Roy Marshall.

90th Birthday Feted

Mrs. Cora Teal Patterson of 43420 Reservoir had a special reason to be happy this Christmas season. She was honored on her 90th birthday five days before the Yule tide holiday by friends and neighbors.

At the Bluebird Lodge Mrs. Patterson has had the opportunity to employ her hobby of gardening. One year she won a top prize in a Detroit flower show for Japanese gardens.

During her 50 years in Northville she has been active in the Louisa St. Clair Chapter of D.A.R. and the King's Daughters. She was a member of the group which started the King's Daughters home in this area.

Here's wishing you the best in view for the brand New Year. We are most appreciative of your kind patronage and look forward to serving you in the days to come.

Yeas 5, Nays 0. Carried.

Motion No. 150, by Member Lawrence, supported by Member Crump, that the appointment of Mr. Raymond E. Spear as Assistant Superintendent be ratified. Yeas 5, Nays 0. Carried.

Meeting adjourned at 9:00 p.m.

BOARD OF EDUCATION
Special meeting of the Board of Education was called to order by President Wilfred C. Becker at 7:30 p.m., 1 December 1965, at the District Administrative office.

Members present: Mr. Becker; Mr. William B. Crump, treasurer; Mr. Eugene K. Cook, Mr. James F. Kipfer, Mr. Robert H. Shafer, trustees; Mr. Alexander M. Nelson, Superintendent of Schools.

Members absent: Mr. Edward F. Angove, vice president; Mr. Donald B. Lawrence, secretary.

The secretary of the Board, Mr. Donald B. Lawrence, being absent, President Becker appointed Mr. Robert Shafer to serve as acting secretary.

President Becker announced that the purpose of this special meeting was to open bids received on the sale of Three Million, Three Hundred Thousand Dollars (\$3,300,000) in bonds of the School District, as previously advertised, and to accept one of these bids.

opened.

The following bids were then opened by the Secretary, read and reviewed by Mr. Robert Russell, financial consultant to the District:

Halsey, Stuart & Co. - 3.7979% Interest, Net Interest: \$1,607,502.83;

First of Michigan Corporation 3.78846% interest; Net interest: \$1,590,764.46.

John Nuveen & Co., 3.7850% Interest, Net Interest: \$1,601,999.94;

Bank of the Commonwealth, 3.81874% interest, Net Interest: \$1,616,276.99.

Motion No. 151, by Member Crump, supported by Member Shafer, that the bid of the First of Michigan Corporation for the purchase of Three Million Three Hundred Thousand Dollars (\$3,300,000) of bonds of the School District, authorized by the electors of the District at the annual election held on 14 June 1965, be accepted, and that the Secretary be authorized to return the certified checks of all unsuccessful bidders as promptly as possible.

Motion No. 152, by Member Cook, supported by Member Shafer, that bonds for the above \$3,300,000 School Building and Site be printed by Mid-West Bank Note Company, of Plymouth, Michigan, at a cost not to exceed \$276 plus \$15 for each change of interest rate. Yeas 5, Nays 0. Carried.

Meeting adjourned at 8:50 p.m.

NORTHVILLE LODGE NO. 186 F. & A. M.
Regular Meeting
2nd Monday of each month
Charles A. Wilson, W.M.
R. F. Coolman, Sec.

These Events Made Headlines in 1965

JANUARY

IN NORTHVILLE - Mayor A. M. Allen gave strong support to President Johnson's anti-poverty program in urging the city council to investigate plans for local application.

The Reverend Bernard J. Pankow, pastor of St. Paul's Lutheran church for 11 years, accepted a call to begin a new congregation in Brooklyn, New York.

The Northville board of education reaffirmed its earlier decision to house grades 1-5 in one building while grades 6-7-8 would be placed in a separate building. Grades 9-12 would remain in the high school.

The "flu bug" hit the schools in full force. One Monday about 20% of students in the public schools were absent, while 10% of the teachers were gone.

IN NOVI - Oakland County Judge William J. Beer denied the petition of the Hickory Land and Development company to disconnect about 400 acres from the village and return them to the township.

Twenty-five employees set up pickets around Michigan Tractor in a strike for more wages.

Three courses are being offered in the first adult education program in Novi schools. The courses are: arts and crafts, sewing, and men's gym.

Although in use since September, the Novi Junior High school was officially dedicated.

FEBRUARY

IN NORTHVILLE - The mothers' March of Dimes campaign topped last year's, according to Mrs. Howard F. Meyer Jr. who headed the volunteers. A total of \$1,325 was raised this year while \$1,400 was raised in 1964.

Northville Police Chief Eugene King was shot by a man he was taking to the police station on a "suspicious person" report. The police arrested Warren Robert Wright for the shooting. They believed Wright also robbed the Detroit Federal Savings twice recently.

The 102-member Northville Chamber of Commerce started its first major project in February - a sweeping rejuvenation of the city's street system.

The year-old Historical Society listed the preservation of the old library as one of its main projects.

IN NOVI - Two lanes will be added to the 18 miles of I-96 that runs through the village of Novi, the state highway department announced.

IN WIXOM - A pioneer of aviation, Vernon Spencer and his wife spending three weeks in Guatemala as the guest of an airline in recognition of his 2 1/2 million miles flown since World War I.

The city council rezoned a 36-acre site that is hoped will become a shopping center. The land at the southeast corner of Wixom road and I-96 was rezoned without opposition.

MARCH - "The Big Snow of 1965" paralyzed the area for almost 24 hours.

MARCH

IN NORTHVILLE - The worst blizzard in decades hit Northville, accompanied by nine inches of snow and high winds. One man suffered a heart attack and died when forced to evacuate his car on a side road when it wouldn't start.

Michigan's First Lady, Mrs. George Romney, captivated an audience of 200 when she spoke in Northville on behalf of Farrell Roberts' campaign for state senator from the 14th district.

Alex Nelson, 50, was selected to succeed Northville School Superintendent Russell H. Amerman who planned to retire in June.

A price tag was attached to the five-year, three-phase school construction program by the Northville board of education. It is \$33 million dollars for the entire package, including a \$500,000 swimming pool.

IN NOVI - The nine inches of snow that fell on the area March 4, closed Novi schools, and halted the flow of mail to and from the postoffice. About 200 motorists were marooned on East Lake drive because of the blizzard.

The village of Novi purchased the privately owned Willowbrook water system, to become a part of the proposed village water system.

There is little comfort in being man's best friend even if he is a judge. "Wimpy," a dog belonging to Judge Robert Anderson, went out for a walk, but not on a leash and his master was ordered to pay a \$5 fine for Wimpy's irregular behavior to Judge Allen Ingles.

MARCH - Northville Police Chief Eugene King returned from hospitalization required by a gunman's bullets.

APRIL - The Whipple Estate on Eight Mile road burned to the ground.

APRIL

IN NORTHVILLE - Farrell Roberts was elected to fill the seat in the 14th district left vacant by the death of Paul Chandler in December. Two vacancies on the Northville city council were filled by Del Black and incumbent Beatrice Carlson.

A new women's apparel shop - the Alice Rebecca Salon - made its debut along the main Street business row.

The council learned officially that City Manager Bruce K. Potthoff had accepted the managership of Berkley and would terminate his job in Northville on May 28. Potthoff had been Northville's manager since October 1, 1961.

An old landmark, the Whipple estate on Eight Mile road, was burned to the ground by arson.

IN NOVI - C. A. Smith brought before the council a proposal that Novi become a city and shed its status as a village. The council went on record as not opposing the idea.

IN WIXOM - The City Council passed a resolution to take over and operate the Wixom cemetery. The city studied the idea of taking the cemetery over when the Cemetery Association came to the council because it had not enough funds to maintain the perpetual care of the cemetery.

The city council awarded a \$31,000 paving contract for the paving of Beck road from Pontiac Trail to West Maple, a distance of three-fourths of a mile.

Plans for the proposed Central Business District for the city were brought before the council and the planners to show the plans for the 40 acres that would become the heart of the city.

MAY

IN NORTHVILLE - John Steimel was appointed acting postmaster succeeding Leland V. Smith who retired due to ill health.

School Superintendent Russell Amerman was honored by over 400 members of the community at a retirement dinner. Mr. Amerman and his wife were presented with a travel fund to any where in the world.

George Clark was named "interim city manager" by the city council. Clark is the former supervisor of Northville township and a local businessman.

Large crowds and blue skies marked the Memorial Day tribute in Northville. A large parade and a speech by Congressman Billie Farnum highlighted the day.

IN NOVI - Sam Stewart, principal of the Novi Junior high school, submitted his resignation to accept a teaching fellowship at Temple University in Philadelphia.

Village President Joseph Crupi was angry because of the operation of the Novi fire department. He said that Novi township was not paying a "fair share" in running the fire unit.

A movement to change Novi from a village to a city was rolling along, headed by C. A. Smith. An initial meeting of local citizens and businessmen favoring city status was held, and other meetings planned.

Harold Ackley was named village manager in a unanimous vote of the council.

JUNE - Hundreds turned out to honor retiring Northville Schools Superintendent Russell H. Amerman.

JUNE

IN NORTHVILLE - The largest class in the history of Northville high school, consisting of 222 seniors, graduated June 17.

Dr. Philip N. Brown, superintendent of Northville State Hospital, announced his retirement from state mental health service. He had been superintendent of the hospital since the day it opened in 1950.

Northville school district voters gave solid endorsement to the board of education's \$2,800,000 school building program by a vote of 608 YES to 276 NO. They also approved the \$500,000 swimming pool proposal by a narrow margin of 459 YES to 423 NO.

A local man, Arden Chapel, won \$16,023.30 in a twin-double at Wolverine Harness Raceway in Livonia.

IN NOVI - The board of education hired an architect to draw up plans for converting the junior high school into a high school.

Gerald Hartman was hired as the new junior high principal. IN WIXOM - Ford Motor Company unveiled plans for a huge expansion of the Wixom assembly plant. A total of 300,000 square feet would be added to the building and 1,200 more employees hired.

JULY

IN NORTHVILLE - Fringe benefits that could amount to some \$500 per year were awarded to Northville school system teachers by the board of education. These included the Blue Cross-Shield full coverage hospital and master medical plan.

A large turnout was present when the new post office was dedicated July 17.

After a long search, the city employed Roger R. Rehberg, former manager of Chebygan, as the new city manager of Northville.

About 1,000 exchange students and members of their American families converged on Northville for the Rotary Club's annual Farewell Dinner.

JULY - Edison company high power line towers like these provoked Wixom city to seek legal removal.

IN NOVI - The fire dispute which began months ago when the city of Novi asked the township of not paying a "fair share" of expenses in operating the fire department, was finally settled. The township board approved a payment of \$1,631 to cover fire protection for township residents.

Juvenile crimes in Novi were on the upswing. There had been an increase of 18% in juvenile complaints, 24% in juvenile contact and 20% in juvenile arrests. However, the number of juveniles repeating crimes was decreased by 10%.

A tragic fire at the farm of Milo Measel on Twelve Mile road resulted in the death of 12 Morgan horses valued at \$15,000.

JULY - A downpour negated all plans for a gay outdoor dedication of the city's new post office.

AUGUST

IN NORTHVILLE - Northville Municipal Judge Charles W. McDonald announced his candidacy for the Wayne County Circuit Court.

The question of where to build the new \$500,000 swimming pool was answered by the board of education - it will be attached to the high school.

Ray Jackson of 21485 Silchester Court restored a 1931 Ford Tudor Deluxe Sedan and displayed it in the Fifth National Model "A" Homecoming at Greenfield Village.

Dr. Kenneth MacLeod, assistant superintendent of schools, submitted his resignation to the board of education so that he could accept a position as professor of education in charge of student teachers at Adrian College.

IN NOVI - Tom Culbert, superintendent of the Novi Community schools, resigned to accept a new job as superintendent of schools in Manistee.

A summer of repair on Novi roads came to a close. New or additional signs had been erected, and several roads were black-topped.

IN WIXOM - Construction started on the permanent facilities of the Wixom office of the Birmingham-Bloomfield bank. The city council put its stamp of approval on a \$4 million sewage development plan.

SEPTEMBER

IN NORTHVILLE - A 16-year-old Northville girl, Narda Foreman, won top prize of a blue ribbon and \$600 in the fruit and vegetable division at the Michigan State Fair.

A \$3 million expansion and improvement program for Northville Downs was revealed by John Carlo, executive manager of the harness race track.

A seven-member citizens committee was named by the Northville township board to "determine the short and long range Northville township police protection needs."

The new superintendent, Alex Nelson, revealed his philosophy of an ungraded school system at the Rotary Club.

IN NOVI - Robert McKeon, a Willowbrook resident, dropped his appeal contesting the village's proposed purchase of the Willowbrook subdivision water supply system. The appeal had held up the village's water deal all summer.

Zoning was changed on a 19.4 acre parcel of Lake Wall subdivision paving the way for a proposed senior citizens village, medical center and convalescent home.

IN WIXOM - The city lost its circuit court battle to stop the Detroit Edison Company from erecting power line towers through the heart of the city.

OCTOBER - Nostalgia returned as the "Old Spring" on South Main again sprang water.

OCTOBER

IN NORTHVILLE - Meredith Willson, the composer of the "Music Man" and other hit musicals, and his wife Rini, a concert singer, opened the fifth Northville Town Hall series.

Majorette Sharon Thomas added the title of World Juvenile Football Queen to her other championship honors October 9. She was selected as Michigan Majorette Queen earlier in the year.

Northville's city council became serious about the possible acquisition of Detroit water. Mayor A. M. Allen called for the appointment of Councilman John Canterbury to pursue the possibility.

Water flowed again at the "Old Spring" after a year's dry spell, city water, that is.

IN NOVI - A prominent Novi industry, the America Plastic plant, was completely destroyed by a raging fire, despite the efforts of six area fire departments. Damage was estimated at \$1 million.

Village councilmen and the planning commission cleared the way, zoning-wise, of a \$2 million apartment complex to be built on 14 Mile road just east of Novi road.

The police force was increased to eight persons with the hiring of three new men.

OCTOBER - A devastating fire destroyed Novi's American Plastics company.

IN NOVI - Eugene King was named to the newly created position of "administrative assistant" while Patrolman David LaFond was appointed acting chief of police.

Raymond Spear, principal of Amerman elementary school, was appointed assistant superintendent of the Northville school system. His role as principal would continue until a successor was found.

Livonia asked Northville township for 10 acres of land so that the neighboring city could realize an additional annual revenue of \$600,000.

A \$100,000 fire blazed at the Farm Crest Dairy barn at 42270 Six Mile road November 2. Firemen from four communities fought the fire to save the adjoining dairy and retail store.

IN NOVI - Enough signatures were gained in the recent petition drive to qualify an election for cityhood.

Charles Lapham, proprietor of Lapham's Men's Wear in Northville, asked the Novi planning commission to grant rezoning of a 24-acre parcel of land on Novi road to allow for the development of a professional center, service-type commercial businesses and light manufacturing.

IN WIXOM - The Pyles Industries moved to Wixom. The Industries occupy a 12,000 square foot building that houses administrative offices and the sales department for the company which manufactures pumps and metering devices.

NOVEMBER - Farm Crest Farms dairy barns went up in flames.

DECEMBER

IN NORTHVILLE - A heart attack suffered by Richard Juday, a former Northville city councilman, prompted planners of the "Steve Juday Day" recognition to cancel the celebration until January 28.

City Manager Roger Rehberg resigned saying that "I'm not cut out to be a city manager." City Attorney Philip Ogilvie was appointed to serve as acting manager.

Wilson Tyler, a member of the Northville township board, declared his belief that the city of Northville and the township should be consolidated into one government.

IN NOVI - Reverend Paul Barnes of the Novi Baptist church announced his decision to accept a position with the Far East Broadcasting Company in the Antipone Islands. He will preach over the airwaves while his wife lends her vocal talents to the broadcast.

The vote to set an election date for cityhood was postponed for 1965 to await a January 17, 1966 council decision at least.

Council 'Tapes' Randolph Project

NOW LET'S SEE—Engineer Harold Penn double checks his prints before taking the city council on a tour of Randolph street. Shown above (l. to r.) are: Herman Hartner, director of public works; City Engineer Penn, Councilmen Del Black and John Canterbury, Mayor A. M. Allen and Councilwoman Beatrice Carlson. In the picture below Canterbury and Allen get out the tape measure while Penn and Black look on.

Northville city council members took a firsthand look at Randolph street last week to determine whether or not the proposed widened route was reasonable. Mayor A. M. Allen said he liked what he saw and in general felt that the council believed that the street had been properly engineered.

Next Monday night the council will face an audience of Randolph residents who would prefer that the improvement would be made without a 25 per cent assessment levied against abutting property owners. Monday's public hearing will be the first of a series for the improvement project that calls for widening, paving, curbs, gutters, curve removal and culvert repairs.

In other council business last week the council declined to take action of the planning commission's proposed master plan. Ralph Stephenson, a consultant

retained by the city to make a study and recommendations of the plan for the central business district, urged appointment of a citizens work committee and certification of the plan as a workable program so that it might qualify for federal support. The council took the position that better understanding and tailoring of the assignment for a study committee is needed before appointments should be made.

In other action the library commission ordinance with changes proposed by the township was adopted; proposed building code amendments providing for side-wall insulation and 1/2-inch sub-roofing was approved for adoption next year; an extra trash-pick-up was set for January 14; and Republican George Clark and Democrat Aubrey French were named to the board of canvassers.

Annex Request Goes to Officials

A request to annex a 35-acre township parcel to the city of Northville will be made next Monday and Tuesday evenings to Northville's city council and township board.

The annexation petition comes from the Thompson-Brown Company, developers who plan a \$10 million housing and apartment project at the intersection of Tatt and Eight Mile roads.

The 35-acre parcel lies on the south side of Eight Mile in the township and will be the site of 75 residential lots. On the north side of Eight Mile—in the

city—some 225 homes and an equal number of apartment dwellings are planned.

James Littell, attorney for Thompson-Brown, has already approached both city and township officials on taking joint action on the annexation. This method of procedure removes the necessity of a special annexation election.

Township officials requested that the proposed lot sizes be enlarged to coincide with neighboring Taft Colony. Thompson-Brown officials agreed to the changes.

Wixom News

Mrs. Charles Ware MA 4-1601 Mr. and Mrs. Royal Snow of Novi had as their Christmas eve guests, Mr. and Mrs. Homer Cheesman and family of Wixom, Mr. and Mrs. Kent of Novi, Mr. and Mrs. Benjamin Foor and family of Dearborn and Mrs. Archie Kent from Novi.

Schipper Honored In Iowa

It seemed that Head Football Coach Ron Schipper had won every honor possible for a coach in a year. As coach of the Central College team in Pella, Iowa he had seen his boys win their second straight Iowa Conference championship, had been named Iowa Conference Coach of the Year and NAIA District 15 Coach of the Year, and had been selected to coach the first Iowa

Intercollegiate Senior All-Star game.

However, one more honor awaited Schipper at the annual fall sports banquet held two weeks ago on the Central College campus. The people of Pella presented Schipper and his wife, Joyce, with a four-day trip to the Rose Bowl game. Funds had been raised throughout the community and college.

In thanking the town, he said that "My five years at Central College have been exciting, and this is certainly one of the highlights." Schipper's special interest in this year's Rose Bowl contest between Michigan State and UCLA dates back to his coaching years at Northville high school when State's quarterback, Steve Juday was playing under Schipper as Northville's star quarterback.

Safe Driving Urged

As the New Year's holiday approaches, Police Chief David LaFond asks motorists' help in keeping the Northville accident rate down.

LaFond reports that Northville experienced 160 accidents this year in which people and property were injured. Accidents sent 23 people to the hospital.

Stone called police, who found that the frame of the door had been pried with a bar. No clues were found.

Police also reported three accidents on Eight Mile road on December 17 between 7:35 and 8:35 a.m. causing slight damages to the cars involved.

Driver Faces Manslaughter

He said that Northville's accident rate is low for the metropolitan Detroit area and can only be kept low as the year ends with the help of drivers.

Northville police also reported that a break in was attempted at Stone's Gamble store December 23.

Jerry Stone, owner of the store, told police that he returned to the store at about 12:30 a.m. to turn off the decorations in the store, when he heard noises at the back of the building.

A criminal warrant for involuntary manslaughter was issued this week by the Wayne County prosecutors office for the boy that Novi police have determined was the driver of a car which crashed on Eight Mile road killing one of the passengers and injuring two others.

Novi police report that their investigation of the crash shows the driver of the car was Donald Ray Ogden, 18, of 998 Arthur, Plymouth.

The warrant cites young Ogden as the driver of the car which took the life of Ronnie Dale Robinson, 16, son of Mr. and Mrs. Thomas Robinson of 9211 Elmhurst, Plymouth.

The defendant, Ogden, is still in Botsford General hospital. Upon release he will be arraigned before Justice of the Peace Robert K. Anderson on a charge of involuntary manslaughter. The accident occurred in the early hours of December 18 when Ogden attempted to outrun Northville police and crashed after his car raked the guard rail of the old Novi road overpass. Also injured in the accident was LeRoy Stultz, 17, of 9275 Marlow, Plymouth. Young Robinson died later at the hospital.

Youngster Dies

Funeral services were held Friday, December 24 for 8-year-old Ricky Spagnuolo of Lansing, son of former Northville residents, Mr. and Mrs. James Spagnuolo. Ricky died December 21.

He had been ill with a kidney ailment for four months and had celebrated Christmas in November when doctors said he would not live until Christmas. His grandparents are the James Spagnuolo of Main street.

OBITUARIES

CPL. NEIL POTTER
A former Wixom resident, killed December 12 in action in Viet Nam, was buried the day before Christmas.

Corporal Neil Potter, 21, lived 10 years in Wixom until the family moved to Lyons in 1954. He was born in Northville.

Immediate survivors are his wife, Evon, and two daughters, two-year-old Elisa and Melissa, seven months, all of Lyons.

He is also survived by his mother, Mrs. Robert (June) Potter of Milford; six brothers, Robert and Jack of Wixom, Kenneth of Walled Lake, George of North

Carolina, and Edward and Paul of Commerce; and four sisters, Mrs. Shirley McCleannan of Walled Lake, Mrs. Jenny Bratt of Milford, Mrs. Jane Chipman of Everett and Mrs. Lynda Thomas of Ionia.

Corporal Potter joined the Marines in September of 1962, shortly after he had graduated from Lyons high school.

Requiem mass was held at 2 p.m. at the Shaw-Rivett-Hull Funeral home in Muir, with the Rev. Father Paul Johnson of S.S. Peter and Paul Church of Ionia, officiating.

Burial was at the Oakwood Cemetery, Muir.

a son, James T., of Oak Ridge, Tennessee; three sisters, Mrs. Laura Guthrie of Columbus, Ohio, Mrs. Eleanor Thaxton of Lancaster, California and Lenora Zienert of Australia; one brother, Guy V., of Atlanta, Georgia; six grandchildren; and six great grandchildren. He was a member of the Novi Methodist church and the Oddfellow Lodge #487. Funeral services will be held Thursday at 3:30 p.m. from the Casterline funeral home. The Reverend LaVere Webster of the Novi Methodist church will officiate. Interment will be at Oakland Hills Memorial Gardens.

BLANCHE DOYLE
Blanche Doyle, 84, died Monday at Eastlawn Convalescent home after a two-year illness. She lived at 11564 Cavell in Livonia. She was preceded in death by her husband, James. She was born October 21, 1881 in Caladonia. Surviving are two brothers, Earl of Newberry and Clifford of Flint; two sisters, Mrs. Alma Evert of Livonia and Mrs. Elva Rice of Flint; two grandchildren and ten great-grandchildren. Funeral services were held today at 9 a.m. from Casterline funeral home. Brigadier Ernest Hammer of the Salvation Army in Plymouth officiated. Burial was at Boyne Valley cemetery in Boyne Falls.

ROBERT D. COTTER
Robert D. Cotter, 74, a Novi resident for 25 years, died suddenly Monday at the University of Michigan hospital in Ann Arbor. He lived at 43220 East Eleven Mile road. He is survived by his wife, Betty. Born July 20, 1891 in Port Royal, Tennessee, he was a retired farmer. Besides his wife he is survived by a daughter, Mrs. Elizabeth Schrieber of Detroit;

A PRAYER for the NEW YEAR

Let us all pray for this New Year to be peaceful and prosperous! Thank you for letting us serve you.
