

IT'S ALL YOURS - City Attorney Philip Ogilvie was happy to turn the manager's chair over to Frank Ollendorff this week. Ogilvie has been serving as acting manager as well as attorney since last December when Roger Rehberg resigned. Ollendorff assumed the duties of his \$9,500 post Monday. He comes to Northville from Highland Park, Illinois, where he had been assistant manager.

Little Hope for Downs' Meet

Negotiations on two fronts were being continued right to the wire this week, but the odds that Northville will open its 23rd annual harness racing season on scheduled Friday night are slim. Meetings were slated to be held all day Wednesday with representatives of the Michigan Harness Horsemen's Association as well as Local 79 of the Building Services Employees Union representing mutuel clerks, cashiers and ushers. But in both instances the sides are far apart and little hope exists that the gap can be closed

for Friday's 8 p.m. opening. The horsemen are asking for a bigger share of the track's take for purses. For the past five years they have received 38 per cent. They originally asked for 46 per cent and going into Wednesday's sessions had reduced their demands to 44 per cent. Downs' Executive Manager John Carlo has boosted his offer from 38 per cent to 39 1/2 per cent. He said this would increase the purse money by \$500 nightly, while the horsemen's request would amount to an additional \$2,000 nightly.

The mutuel clerks want a \$5 per night raise retroactive to last year with an additional \$5 hike this year and \$5 more per night next year. Carlo has offered a \$1 per night hike over the same three-year period. Carlo has stated that the track cannot afford to meet the horsemen's demand for purse money. "We're already giving the best purses and have been for five years", he stated. Meanwhile, the horsemen have shown they mean business, too. They stayed away from the entry box Tuesday, normally the day

that entries would have been received for Friday night races. The Downs is still hopeful, however, and will keep the entry box open through Thursday. State mediators have entered the negotiations in both disputes. Whether compromise can be reached so that a partial spring meet could be held in Northville is uncertain. Northville is scheduled to run 25 nights from March 25 through April 23. A 35-night summer meet begins June 27 and ends August 5. Loss of the spring meet would

be a blow to Northville's economy. Track employment stands at about 200, while local businessmen always feel an upswing in sales during the racing season. The city government would stand to lose, also. Street improvement and sewer installation projects planned for this spring and summer would be given a second look by the council. Budget sessions are now getting underway and without the racing rebates from the state the council would have to slice nearly \$75,000 from its estimated revenues for public improvements.

Methodists To Buy New Site

Members of the First Methodist church of Northville voted at a church conference Sunday evening to purchase a building site of approximately five acres.

The land is located on the south side of Eight Mile road near the intersection of Taft and Eight Mile roads.

The meeting was called to order by Dr. Joseph T. Edwards of Ann Arbor, superintendent of the Ann Arbor district of Methodist churches. A capacity crowd attended.

The Reverend S. D. Kinde, pastor of the First Methodist church, stated that the church-owned property at Center and Dunlap streets would be sold. No definite plans have been formulated either for the sale of the present church property or for construction of the new church because congregation permission was first needed, Reverend Kinde pointed out.

Methodist church owned property extends some 126 feet south along Center street from Dunlap and includes the present used car lot in that area. The corner parcel extends westward along Dunlap 215 feet including the entrance to the parking area behind the church.

Following a brief devotional period at Sunday's meeting the topography of the proposed building site was explained by William P. Lindhout, architect.

A recommendation for purchase of the site from the church building committee was read by LaGene Quay. It encouraged relocating all church facilities there as soon as practicable.

Dr. Edwards pointed out that the District Board of Church Location had visited the site and favored its purchase. He said that consent of purchase was also given by the pastor, Reverend Kinde, and himself, as required

by church law. A quarterly conference in 1965 authorized a building fund campaign which was completed last November.

Members of the building committee are: Quay, chairman; C. Oscar Hammond, vice chairman; Mrs. Douglas Bolton, secretary; and Russell Amerman, W. C. Becker, Mrs. Louise Cansfield, Ralph Gallagher, Harold Marks, Dr. E. J. McClendon, Andrew Orphan, Harold Penn and Reverend Kinde.

The Eight Mile road site was recently acquired by Thompson-Brown company, land developers, and was a part of a 35-acre parcel annexed to the city. The development firm plans to begin construction of homes in the area in the near future.

Harrowood Wins Draw

Leo Harrowood, one of two runners-up in the Novi village council election last week, will fill the second four-year term which was available.

He had been tied in a 206-206 deadlock with Donald A. Fuller. He won the 4-year term by a tie-breaking draw.

Township Residents Object to Apartments

Northville's township hall was filled to overflowing last week when two requests for rezoning to permit construction of multiple dwellings was heard by the planning commission.

Both requests were accepted without action by the board. It is anticipated that the planners will reach a decision at their next regular meeting, the last Tuesday of the month.

Sites of the proposed apartment buildings are on Five Mile road and Robinwood and on Seven Mile road across from the Northville State Hospital.

The Five Mile road request came from the Greenspan Development company and sought to build six or seven apartment buildings on a 12-acre site. They were described as "country garden type" apartments for renting.

Residents from throughout the area, both in Northville and Plymouth township, strongly opposed the project. A petition of protest containing 185 signatures was presented to the planners. Present zoning in the area is R-1 (one family residential).

The Seven Mile road request proposes to build some 532 one

City Calls for Bids On Randolph, Sewer

Northville's city council decided Monday night to move ahead on two improvement projects scheduled for completion this year.

Councilmen called for a special meeting Monday night to approve specifications for a proposed sewer line to serve the city's northwest area. A date will then be set to advertise for bids for the sewer installation and paving of Randolph street.

City Engineer Harold Penn outlined the route of the new sewer line and estimated the project at \$83,000. The 15-inch line will extend from Taft and Eight Mile to Horton street at the millpond. It will follow a route along Randolph to Center street, then north along the west sidewalk of Center street to Rayson and east to Horton.

In addition to relieving existing residences in the northwest section, the line will serve the new Thompson-Brown development planned for both sides of Eight Mile near Taft road. The new sewer will be extended about 100 feet west of Taft along the south side of Eight Mile.

Meetings are slated between the city and Thompson-Brown to determine what portion of the sewer costs will be paid by the developer.

The council hopes to coordinate the Randolph street paving project, which also includes installation of a storm sewer, with the

sanitary installation. It was noted that one contractor might bid both jobs.

In other business Monday night the council accepted the resignation of William Davis from the planning commission.

Mayor A. M. Allen appointed Councilmen John Canterbury and Fred Kester to prepare a proposal for city-provided police protection in the township. A township study committee requested the proposal.

Drafting of an ordinance to prohibit drainage from weeping tile and patios into sanitary sewer lines was turned over to the new

city manager, Frank Ollendorff, for recommendation at Monday's special meeting.

The proposed ordinance, long urged by Councilman Del Black, has prompted controversy as to its application. Black had proposed making the ordinance retroactive to correct areas where sanitary sewers are being flooded by storm water.

Approval was given for purchase of a garden tractor from C. R. Ely & Sons for care of city lawns and cemetery property. A resolution was also adopted prohibiting parking along the north side of Eight Mile road near Northville Estates.

Novi Hearings Hold Northville Interest

Hearings scheduled tonight (Thursday) and Monday in Novi hold interest for Northville residents.

Nearby Connemara subdivision residents will appear at a special assessment hearing tonight for installation of sewers. Connemara is located on Taft road south of Nine Mile abutting Northville city limits.

Cost of the project is estimated at \$280,000 with \$35,000 to be paid by the village of Novi. Owners of the 155 lots in the

subdivision will be assessed approximately \$1,500 each.

Monday night village planners and councilmen will consider a rezoning on Novi road near the Northville city limits.

Charles Lapham, a Northville merchant, is seeking to have some 500 feet along the east side of Novi road north of the Guernsey Farms Dairy zoned C-2 (commercial) to a depth of 350. The remaining portion of the property back to the railroad would be zoned M-1 (light manufacturing).

Lapham says he plans to build a professional building and a restaurant.

Northville's city council and planning commission have shown interest in the rezoning request. Planning Chairman George Zerbel stated Tuesday that he would favor sending a letter to Novi setting forth Northville's objection to commercial zoning. He said from a planning standpoint light industrial is preferable.

Masonic Centennial Coming Up Saturday

Saturday night the Northville Masonic Lodge will officially observe its one hundredth birthday with a public banquet at the community building.

Featured speaker will be Walter W. Fuller, fraternal editor and columnist for The Detroit News.

Worshipful master of the Northville lodge, F & A M No. 186 is Charles A. Wilson. Chairman of the centennial observance is H. Thomas Quinn, P.M.

Two of the more than 500 members of the local chapter will be honored with presentations of 50-year membership certificates. They are Dr. August Holcomb and Conrad Langfield.

Attending the 7 p.m. banquet will be Percy Williams, Grand Master of Grand Lodge of Michigan.

Board Ready To Announce New Tax Need

Northville board of education will set the millage figure it will seek from district voters in a special election in May at its meeting at 7:30 p.m. Monday night in the administrative offices. The figure, according to Board President Wilfred C. Becker, will be based strictly on monetary costs as the district, which has been operating in the red this year, tries to meet only "very real needs."

These needs, which Becker cited as including teacher salary provisions, lowered classroom ratios and special services, were to be aired before interested citizens invited to attend a special citizens' meeting Wednesday night, March 23, in the junior high.

Becker said that citizens' response at the meeting would help determine the exact millage to be sought. The increase, Becker said, would be less than 10 mills. This will be in addition to a request for the renewal of the 10 mills for operating voted 10 years ago, which now is running out.

Many expect that the total millage to be sought will be about 18 mills, or an increase of 8 mills. Becker said Tuesday that the exact amount actually has not been decided and that while a figure may be "tossed around" at the citizens' meeting, a final one will not be given until Monday.

He said the board primarily is "just trying to meet next year's needs with its request to the community." He anticipated the millage will be sought for a five-year period but said the amount may not cover the district's growing needs for five years. He indicated that State Aid may be increased. If not, he felt the board would have to come back to the voters in two or three years.

The board presentation Wednesday night was to point out need for a teacher salary schedule to attract new teachers, necessity for adding more teachers to staff the new elementary school and

bring down teacher-pupil ratios and to add janitorial and bus drivers for the new school as well as to expand the operating budget to heat it.

It was pointed out that some grade levels have had classroom overloads as there was no room space available and that fifth grade, as an example, was operating with an average of 35 children per class. One music and one art teacher now are teaching 1100 elementary children. The board has indicated it would like to make provision for an additional art and a music teacher for elementary level.

An increase of eight mills over the present 10 would cost the taxpayer an addition \$8 per thousand of state equalized assessed valuation.

Total school tax millage, levied against state equalized valuation,

now stands at 25.9 mills. This includes maximum debt retirement millage of seven mills. Present operational millage is 18.90. A renewal of the 10 mills which is expiring this year and an increase of eight mills would bring the total to 33.9.

Although voters last June approved bond issues for elementary and junior high school construction and a high school addition, plus a swimming pool, the debt retirement millage will be held at seven mills under the state qualified bond issue program.

The operating millage increase now being sought will take care of the new elementary school and bring existing schools up-to-par, but it is not anticipated it will accommodate the needs of the junior high scheduled to be opened in 1968.

Troubles in Novi Village

The village of Novi has had more than its share of trouble this week.

It all began Monday night when Manager Harold Ackley submitted his resignation mid-way through the council session.

Ackley's efforts to gain raises for administrative help failed to win council support. The manager had pointed out to the council that money earned from investments

was on hand to provide the raises. He noted that police pay hikes had been given when money was not provided in the budget.

He said he would serve through June, the end of the village's fiscal year.

On Tuesday the township of Novi had another surprise for the village.

Supervisor Hadley Bachert announced that the township was

bringing suit against the village to halt election proceedings for incorporation as a city.

Township Attorney Emery Jacques claims that the village does not have the 500 people per-square-mile required under the home rule act. Incorporation petitions have been filed specifying this act, but no date has been set for an election.

The township suit is designed to void the petition.

Frost-Nester Vows Exchanged Julia Hunter Rees, Robert Gotro Wed

Rosemary Sue Frost, daughter of Mr. and Mrs. Robert William Frost, 19170 Smock road, exchanged marriage vows with Gerald Michael Nester in a 4:30 p.m. ceremony Saturday at Northville First Presbyterian church.

Given in marriage by her father, the bride wore a traditional ivory satin gown with remounted lace at the neckline extending into deep points on the bodice and sleeves. Her train was attached with taffeta cabbage roses. The cabbage rose headpiece which held her illusion veil was designed and made by the bride's mother. She carried a arrangement of ivory roses. The bride was wearing the

bridegroom's gift of a white gold heart necklace centered with a diamond. The bridegroom's parents are Mr. and Mrs. Michael Nester of Sarasota, Florida. They are former residents of Albion.

The Reverend Lloyd Brasure officiated at the ceremony, which included a symbolic candlelighting pledge by the couple as vows were exchanged. A reception at the church followed the ceremony.

Marjorie Bremer, a college friend of the bride, was honor maid. Bridesmaids were Mrs. John Grandy Rennieks of Troy, the bride's college roommate; Mrs. Dean Smith of Grosse Pointe, a longtime friend who is the former Nancy Beard; and Miss Gail Nester of Sarasota, the bridegroom's sister.

They wore floor-length gowns of pink crepe-and-satin and carried bouquets of pink and ivory roses.

John Sealy of Detroit, Tau Kappa Epsilon, a fraternity bro-

ther of the bridegroom was best man. Seating the guests were Jack Lawrence and Charles Mielke of East Lansing, Dean Smith of Grosse Pointe, all fraternity brothers also; and William Frost of Livonia, the bride's brother.

Diane Brasure came home from Alma college to be organist for the ceremony. John Rogers of Ann Arbor was soloist.

After a wedding trip to Sarasota the newlyweds will make their home at 1165 Farmer Lane, Apartment E, East Lansing.

The new Mrs. Nester is a graduate of Alma College and is employed by International Business Machines in Lansing. The bridegroom is a graduate of Albion college and is a graduate student at Michigan State University.

Julia Hunter Rees, Robert Gotro Wed

Julia Hunter Rees became the bride of Robert Joseph Gotro in a 7:30 p.m. ceremony Friday in the First Methodist church of Royal Oak. The Reverend George E. Spencer officiated.

The bride is the daughter of Mr. and Mrs. Harold H. Hunter of Pleasant Ridge. The bridegroom is the son of Mr. and Mrs. Howard Biegert of 224 Lake street.

For the ceremony and reception following at the Hunter home for 50 guests the bride wore an off-white sheath of lace. The neckline and wrists were laced

with burgundy velvet ribbon. She wore matching hat and shoes and carried matching deep red roses and white carnations.

Mrs. Edward Feast was matron of honor in a white wool suit with emerald green accessories. Her flowers were white carnations. Best man was James Biegert.

The bride is a graduate of Ferndale High school. Her husband is a Northville high school graduate. They will make their home at 19871 Fry road in Northville.

News Around Northville

Mrs. Frank Whitmyer of 46935 Dunsany Road, Northville, is one of the officials for the flower arrangement displays at the Flower and Garden Show of Michigan, March 26 through April 3 at the State Fairgrounds.

On the Dean's List at Hillsdale College for first semester with grades of "B" or better was Lynn MacDermid, daughter of Mr. and Mrs. William MacDermid of 44050 Stassen, Novi, a freshman.

Members of the Northville branch, Michigan Farm and Garden association, are asked to make reservations now for the annual Tri-Club luncheon to be held April 12 in Plymouth. Reservations chairman is Mrs. John Burkman, 349-3443.

Orient Chapter No. 77, Order of the Eastern Star, has scheduled an East-West dinner for 6:30 p.m. Friday, April 1, at the Masonic Temple. Worthy matrons, worthy patrons, associate matrons and associate patrons will exemplify the degrees. Reservations should be made by Wednesday, March 30, with Mrs. Martha Hawes, 349-3438.

In Our Town

By Jean Day

A WEDDING always has been a favorite assignment for this reporter, who confesses to being frankly sentimental about every one. At first glance, however these happiest-of-all stories might seem to have little variety. Not so - many of our local weddings are most personalized. Brides are requesting ceremonies that give added meaning to their pledges.

Such a marriage ceremony was that of Rosemary Sue Frost, daughter of Mr. and Mrs. Robert Frost, and Gerald Michael Nester last Saturday afternoon at Northville First Presbyterian church. The Reverend Lloyd Brasure cooperated with the young couple in adding a symbolic candlelighting step to the ceremony as they pledged their vows.

Each wedding guest on entering the church was presented with a marriage program naming the participants and inviting each to "renew your own vows this day." There also was the request:

"Will you also offer a prayer that God's blessing may rest upon those who are at this time being united in the Holy Estate of Matrimony." Truly, such a wedding must be "most meaningful," as Reverend Brasure observed, both at the time and as a memory later.

BRIDAL FASHIONS also have been changing from the traditional lace-and-satin for brides and pastel hues for attendants. During the past winter season several Christmastime brides adopted red-and-green for accents. Carole Marie Lemmon, daughter of Mr. and Mrs. Forrest E. Lemmon, carried holly in her bouquet of white roses when she became the bride of Norbert Radzialowski December 29 at Our Lady of Victory Catholic church. Her attendants wore Empire-fashion gowns with red velvet bodices and carried red roses and holly.

The trend for spring seems to be frankly sentimental as exemplified by the Southern-belle type gown chosen by Diane Carol Sudz for her marriage to Lawrence Dickinson February 4 at Our Lady of Victory church. Her full-skirted gown was made of seven wide lace tiers. She completed the effect by carrying a nosegay of tiny roses.

NORTHVILLE TOWN HALL members indicated a fashion trend toward "The Return of the Hat" last Thursday as a growing number donned straw or floral creations. Most feminine was the white be-flowered cloche worn by Mrs. Walter Couse who presided at the celebrity table at the Mayflower Meeting House after Vance Packard's lecture. At the Town Hall program earlier in the P and A Theatre Mr. Couse graciously filled-in for Judd Arnett, who was supposed to introduce the speaker.

After Packard described the "opulent society" earmarks of statue, some groups in his audience lightly defined local symbols of status; it was generally agreed that the most desirable in the damp days of March was a suntan acquired in southern climes.

Town Hall Chairman Mrs. William Slattery was just back from Florida. Mrs. Richard T. Martin of Whipple drive acquired her tan at Montserrat. She and her husband are just back in time for son Frank's spring vacation from Cranbrook.

Also back from Florida are the Stan Schaefer's, who visited Mrs. Schaefer's father, Orlo Owen, and Mrs. Owen at Pompano Beach.

STATIONERY with original pen-and-ink sketches of such uniquely Northville scenes as the old well, the cider mill, the old library and the Northville downs - if not a status symbol - definitely is a way to personalize notes from our town. The note-size stationery is being sold by Mothers Club members to raise funds for its school projects. Boxes are available through all members or by contacting Mrs. H. O. Evans.

The scenes are the work of a club member, Mrs. Frederick Hartt, who is an art teacher.

CHRISTMAS CARDS can be a most-personal remembrance for members and friends of Northville Presbyterian church next December. The church men's club is selling cards showing a full-color reproduction of the sanctuary as it was on Christmas Eve 1965 and including a spiritual message. In boxes of 20, they may be ordered from the church office or from Robert Bretz, chairman of the project.

NEW MEMBERS - Nine new members were initiated into the Northville Woman's club by presenting a skit, "Do You Remember". Characters were portrayed by (above, l-r) Mrs. Herman Wedemeyer, Mrs. Bruce Turnbull, Mrs. William Dyke and Mrs. Richard Cooper.

Comedy Skit Highlights Woman's Club Meeting

Nine new members were welcomed into Northville Woman's club at the group's annual meeting and tureen luncheon last Friday in the Northville Presbyterian church meeting room.

A highlight of the afternoon was the fun-skits called "Do You Remember?" by Mrs. John Moorhead. Members of the club who had joined earlier in the year donned costumes for the comedy.

New members announced at the meeting are Mrs. Glenn Jordan, Mrs. C. A. Hoffman, Mrs. Robert Brueck, Mrs. A. B. Kline, Mrs. Richard Huston, Mrs. David LaFond, Mrs. Orin Hove, Mrs. Samuel McSevery and Mrs. Earl Reed.

Mrs. LaFond, the daughter of Mrs. Elroy Ellison, became a member on the same day that her mother became president. Mrs. Ellison accepted the gavel from Mrs. William Crump, who was completing her term as the president for the club's 73rd year.

Other new officers who were installed are Mrs. Blake Couse, vice-president; Mrs. William Cheetham, secretary; Mrs. Robert Shafer, re-named corresponding secretary; Mrs. Claude Cruse, treasurer.

Mrs. E. M. Starkweather is continuing as club custodian.

On the new board for the club are Mrs. A. R. Clarke, Mrs. O. R. Reng, Mrs. William Soell-

ner, Mrs. R. M. Atchison, Mrs. Crump.

During the program Mrs. Crump was presented with an orchid arrangement in appreciation from her board. She made the presentation of a corsage to Mrs. H. A. Boyden for her work as membership chairman and for her services as a membership chairman and for her services as

a long-time active club member.

Before retiring as president Mrs. Crump named Mrs. E. E. Mueller program chairman for the coming year. Serving with her on this committee will be Mrs. Leonard Klein, Miss Betty LeMaster, Mrs. James Tellam, Mrs. E. O. Weber, Mrs. F. H. Wiesmyer and Mrs. Robert Yoder.

GAVEL IN HAND, newly elected Woman's club president Mrs. Elroy Ellison accepts a corsage from outgoing president Mrs. William Crump. Looking on at right is Mrs. Ellison's daughter, Mrs. David LaFond, who joins the club this year.

Engaged

Jill Ann Rowland

Mr. and Mrs. Murray M. Rowland, Jr., announce the engagement of their daughter, Jill Ann, to Ross Brian McGuffie of Plymouth. He is the son of Mr. and Mrs. John McGuffie of Plymouth.

Jill is a 1964 graduate of Northville high school and is a secretary at Schoolcraft college. Her fiancé is a 1964 Plymouth high school graduate. An April 2 wedding is planned.

Connie Lee Lewis

The engagement of Connie Lee Lewis to Dannie Hammon is announced by her parents, Mr. and Mrs. William Lewis of 2655 West Seven Mile road.

Dannie is the son of Mr. and Mrs. Elzie Hammon of 26380 Dixboro road. Connie is a junior at South Lyon High school. Her fiancé is a 1965 graduate of South Lyon High and is employed at Michigan Seamstress Tube company. No wedding date has been set.

Stempien To Address Main PTA

"The State's Role in Your Child's Education" will be described by Marvin Stempien, representative to the state legislature from the 35th district and a member of the education committee in the legislature, at the Main street elementary school PTA meeting at 8 p.m. tonight in the meeting room of the junior high boys' gymnasium building.

He will be introduced by Stan Schaefer, PTA vice-president and program chairman, and will answer questions from the floor afterward. Stempien lives in Livonia and is an attorney in that city. As 35th district representative in the state legislature, he represents all the city of Northville south of Eight Mile road in Wayne county and Northville township.

Because of the district-wide interest in his topic, the meeting will be open to anyone interested, Schaefer said.

Nominations for PTA officers for 1966-67 will be presented by Mrs. Jack Willis. The slate will be voted upon at the April meeting.

Mrs. Charles Wheatley, PTA president, has announced that the meeting tonight will kick off a new PTA project at the school: a soft-cover book store. Soft-cover books for children will be on display for parents to examine. They will be available for children to purchase at the school every Monday.

The project is the inspiration of Mrs. C. P. Hines with Mrs. Donald French serving as sales volunteer.

Mothers' Club to Hear Schoolcraft Instructor

Larry Vander Molen, a political science instructor at Schoolcraft college, will present a lecture on "Adolescent Social Behavior" to the Northville Mothers' club at a guest night meeting at 8 p.m. Monday at the home of Mrs. H. O. Evans, 20311 Woodhill road.

A graduate of Western Michigan University with a BA in social studies in 1961 and a master's degree in political science in 1964, Vander Molen taught American

history at Orchard View High school in Muskegon (1961-63) and American government at Western Michigan university as a graduate assistant in political science (1963-4).

He has been elected to the membership of Pi Gamma Mu, national social honor society, and has conducted advanced re-

search in doctoral studies at Michigan State University. He will be introduced by Mrs. C. W. Whittlesey, program chairman of the day.

Co-hostesses will be Mrs. Chester A. Lipa, Mrs. John Canterbury, Mrs. Clifton Hill and Mrs. Schaefer.

1-Card of Thanks 1-Card of Thanks 3-For Sale-Real Estate 3-For Sale Real Estate 3-For Sale Real Estate 3-For Sale Real Estate 3-For Sale Real Estate 5-For Sale-Farm Produce

My sincere thanks to Fred Casterline, Northville Police Dept., Orient Chapter #77 and to all those who sent cards, flowers and inquiries while I was in the hospital (Mac) J. L. McKinney

I want to thank all my friends for their lovely cards and gifts during my 5-weeks in hospital. Also Rev. Ruedesel for his many calls. Marge Longwill H12cx

I wish to thank all my friends and neighbors for the many acts of kindness shown to my family and me during my stay in the hospital and also since my return home. Demetra Biegert

2-In Memoriam
In loving memory of my precious husband Harry Garland Edmundson who left us March 18, 1961
A precious one from us is gone
A voice I loved is stilled
A place is vacant in our home
Which never can be filled
Dear father since you went away
The one you loved so true
Tries hard to carry on the way
I know you'd want me to
Sadly missed by his wife. H12cx

Our sincere thanks to all our friends and neighbors for the many acts of thoughtfulness extended to us following the loss of our dear wife, mother and grandmother. Special thanks to Rev. Woodruff, Dick Phillips, Ladies Auxiliary, VFW, and Dr. Wilkinson.

VACANT LOT, Second street, South Lyon, phone 437-2728, after 7 o'clock. H9tfc

We cannot express in a few words how much comfort and sympathy we have received from so many wonderful friends and relatives. The offerings of help, food, cards, beautiful flowers and memorial offerings in this time of sorrow have been overwhelming - Rev. Webster, Dick Phillips, Marcie Springer (Tampa, Florida), the New Hudson Methodist church and W.S.C.S. are to mention only a few. It is deeply appreciated. The family of Verma S. Underhill H12p

OLV Students Hold First Hobby Show

"The Wonderful World of Hobbies," first hobby show to be given by Our Lady of Victory students at the school March 16, included a wide variety of entries by 120 students in the 6th, 7th

and 8th grades. In cookery, needlecraft, arts-and-crafts, collections and special categories students displayed examples of what they like to do after school. Parents inspected the exhibit during the day and in the evening. They were invited to sample baked goods entries in the evening.

Home from Tour

Chris Gazlay, son of Mr. and Mrs. Francis Gazlay of 221 South Rogers, has arrived home from Kenyon College in Gambier, Ohio, after having spent last week on a tour of New England with the Kenyon Singers.

The Kenyon Singers, the college's 60-70 member glee club, sang for church, school and civic groups in Pennsylvania, Massachusetts, New York, New Jersey and Connecticut. Their concerts included spirituals, folk songs, selections from musical comedies, contemporary American works and Kenyon college songs.

Two prize winners were named in each category. They are: Mary Ann Guild, embroidery, and Letty McDonough, knitting, in needlecraft; Janice Zayti, pastries, and Alison McLaughlin, a cake, in cookery; Diane Krezel, drawing, and Patrick Macaluso, models, in arts-and-crafts; Susan Olejniczak, butterflies, and Peter Kunst, coins, in collections; and Christopher Van Ee, weight lifting for body development, in a special category. The event is expected to be repeated next year.

District Rotarians Convene

A host of Northville Rotarians will attend the 40th annual district conference of Rotary clubs for District 640 Friday and Saturday at the Statler-Hilton hotel in Detroit.

The conference will be conducted by District Governor Perry W. Richwine of Plymouth.

District 640 includes 40 clubs throughout the southeastern Michigan and Ontario area.

Special attention is focused on the event by Northville Rotarians because of the candidacy of one

of its members, Russell Amerman, for district governor.

Amerman will run for the 1967-68 governorship. Elected last year to serve in 1966-67 was Steven Boyan of Monroe. He succeeds Richwine in the post.

Featured at the Saturday, March 27 luncheon will be John E. Stempel, representative of Rotary International. He is a member of the public relations committee, Rotary International, 1965-66.

HIGHLIGHTING the Saturday evening banquet will be Bergen

Evans, distinguished educator, entertainer and speaker.

He will speak on "The Pleasures of Life."
Dr. Evans, professor of English at Northwestern University, has become well known through his columns, features and radio and television programs.

Jan Wynn, WJR and CBS network radio star will supply musical entertainment at the Saturday banquet, together with the George Alfano Trio. Miss Wynn will also appear at the Friday evening "get together and get acquainted" reception with organist Hank Kress.

Northville's Old Mill Restaurant Selected for TV Documentary

One of Northville's popular restaurants provided the setting for an education documentary film that you may soon be viewing on television, at a school function or at a meeting of your club.

Friday technicians of the Wayne State University Instructional Services department set up cameras, lights and microphones in the Old Mill Restaurant on Main street. Amateur actors filled a table and several booths and it was "roll 'em!" from about 9 to 11:30 a.m.

Business for the owners, Mr. and Mrs. Howard Mitchell, came to a near standstill during that time. But in front of the cameras a scene typical of that which occurs every day was enacted.

Four "typical" businessmen, a "cute" waitress, a "sincere" proprietor and a "job hunting" youth staged a drama which is occurring ever-more often in America today, and which has been receiving an increasing amount of attention from educators and businessmen, alike.

The youth, diploma in hand, stopped in a "typical small town restaurant" to study the want ads of a newspaper. Since graduation from high school, about four months earlier, he had been "job hunting mostly". He recognized the waitress as having been a classmate. She helps him meet her boss. But the boss has no job for the boy, who can neither cook nor bake.

The boss introduces the youth to the four businessmen who are sharing their coffee break around a table. No, the boy can't read an electrician's circuit diagrams; nor can he put together a clothier's display window; nor will a delivery boy's wages earn him a living.

The men are sorry they can't give him a job, realizing that he is in earnest. And they bemoan the fact that "well educated high school graduates" are not able to perform needed functions.

The banker in the group informs them that there is a solution, but that its cost requires cooperation of many school districts.

He explains area vocational education schools where youths can learn baking, electronics or win-

dow display skills while getting basic high school academics. Through it the non-college bound student is prepared for his next step in life.

Interjected into the final movie will be scenes taken at a Pennsylvania area vocational school shared by 14 school districts and successfully helping the eight out of 10 students who will never finish college.

The documentary is being prepared by Wayne State for the Michigan Department of Education and the Michigan State Chamber of Commerce. Its purpose is to promote vocational education improvements in Michigan.

The solution suggested by the banker is one which is actively being studied by nearby school districts. An Oakland county committee of school board representatives recently formed an eight-member steering subcommittee to organize seven area vocational schools in the county. Novi, South Lyon, Farmington and Clarenceville are being considered as one area group.

The movie scenes made in Northville's Old Mill Restaurant will be a part of a campaign to create public interest in such programs. It is felt that active backing of civic groups will be necessary to bring to reality the vocational schools that are needed.

More schools always mean more taxes, and people are reluctant to pay the taxes unless they can see the benefits, it is believed. The film attempts to point out the need for job trained high school graduates and the means by which the expensive equipment and schools can be provided.

Dr. Kenneth Bergsma, coordinator of Wayne State instructional services, said that the sponsors are hoping to have the documentary presented to audiences across the state prior to the June school elections, when many areas may wish to vote on millage issues for such schools.

The movie will be broadcasted on television and be made into kinemascope movie films for distribution to schools, business

and community groups. To arrange a showing of the 16 mm film interested parties should contact Garrell Adler, Kent Consolidated schools, Grand Rapids.

Dr. Bergsma, along with producer-director Harry Liebowitz of his department, discovered the Old Mill on a jaunt through area towns in search of just such a setting for their scenes.

"It was just what we were looking for," he said. "Its location amidst the stores on a typical small town street in which the youth had been job hunting was ideal. ... and it had the kind of interior which we felt was typical of a small town restaurant."

The compliment to the Mitchells was great. They had only last October completed remodeling the interior of the Old Mill. A pleasing New England inn atmosphere was richly created with light over dark mahogany wall paneling, a lowered half-wall divider around the waitress' preparation area, dark mahogany and yellow vinyl booths and red vinyl chairs around large circular tables, all strikingly enhanced by a dozen original paintings on loan from the Hartley-Powers gallery of Northville.

"I felt real good about it, they picked this restaurant out of so many good ones in the area," said Mitchell, who started the Old Mill in 1955.

Business was seriously hampered Friday morning while the film was being made. But by noon it was as usual.

It was a moment of pride for the Old Mill and Northville, bit characters in a production which may help launch a worthwhile project for the youth of tomorrow.

Baseball, Golf, Tennis, Track Spring Squads Open Drills

It's that time of year again—when young hearts turn to thoughts of love, and the sports focus shifts to the baseball diamond, the track, the tennis court and the golf links.

To match the exhilaration that comes with spring comes the optimistic hopes that coaches hold out for their charges. And if this year's coaches' predictions come true, it will be a fruitful year for Northville in sports.

Before the teams even get out for practice during the good weather, the pulses of Track Coaches Ralph Redmond and John Hyde, quickened. On the basis of the turnout alone—65 strong—the track team was almost assured of a better season.

It's a completely different story from last year when the thincad ranks boasted of only 25 hopefuls. "We went from meet to meet to get the competition the boys needed to improve themselves," reminisced Redmond. "This year, because of the good turnout and the good attitude of the boys, we get competition in practice."

"We have a good squad," chimed in Hyde. "We have a lot of speed, and the weather has helped tremendously so far."

Speed is Northville's strength, for in the dashes and middle distances there are the most returning lettermen. Heading the sprinters is Junior Jack Crawford, who has turned in a 10.6 in the 100. He is also Northville's best broad jumper, having soared 18 feet eight inches.

Behind Crawford are speedsters, Sophomore Chuck Keegan and Jim Trotter, a senior. Trotter has matched Crawford's 100 mark of 10.6, and Keegan was the surprise of last year, recording a 10.4 in the 100, which was not

official because he was wind assisted.

Northville is strong in the middle distances, too claim the coaches. Sophomore Bill Harrison runs the fastest 440, doing it in 53.1, and he gives the Northville a threat.

Although Northville's strength lies in the dashes, there's a bright prospect, Roger Kline, in the mile. In his second effort in competition, Kline streaked around the track in 4:47 to set a new local high school mark in the event.

Even though the Mustangs lost their top pole vaulter, Kent Kiper, due to graduation, they have another top prep contender in the person of Dennis Cook. Cook's best vault was 10'8", and he's expected to sail over the crossbar at greater heights this year.

Other returning lettermen who should help to lead the team in competition are Senior Pete Sutherland and Junior Ron Jones in the 880, George D'Haene in the 440, George Beller in the sprints and Sophomore Mike Ratliff in the pole vault. Ratliff has posted a mark of 9'6" in the event.

As ever, there are areas of concern, those being in the field events, and the hurdles, where there are no returning lettermen. All are inexperienced, but according to Redmond and Hyde, there should be some help forthcoming before the first meet with Lutheran West here on April 13.

GOLF

Longest face of all is worn by Golf Coach Al Jones, whose prime golfers have graduated. He's lost such brilliant hands as Jim St. Germain, Jim Bertoni and Ted Bunker, all of whom shot consistently in the 70's, and who paced Northville to two straight

regional titles in class B.

"We'll do as well as we can in the Wayne-Oakland league," said Jones, "and we hope to qualify for the state and to win our third regional in a row." Northville finished second in the conference, losing out to Bloomfield Hills by a narrow margin.

Picked to bolster the Mustangs' depleted ranks are Seniors Rick Talbot, Bob Regenhardt and Mike Hlohenic. Talbot is the top prospect, who, as Jones noted, is capable of shooting in the 70's. Back of him come Regenhardt, an 85-90 golfer, and Hlohenic, who has been shooting around 90. Any improvement shown will help to make Jones forget those 15 to 20 strokes he lost with the graduation of his "big three."

Liuksters will get their first real test early. Bloomfield Hills will come to town April 11, and the Barons are favored to duplicate their title finish in league play. Milford will also be in serious contention for league honors.

Since few area golf courses are open, no practices have been held yet. Practice, hopefully, will begin next week with the opening of the courses and granted good weather.

BASEBALL

In two sports, baseball and tennis, Northville is picked by many to go all the way to cop championships. A brace of lettermen in each is returning.

Baseball Coach Bob Kucher, in his second year at the helm, lost only three regulars and a relief man through graduation. All outfielders, they were the leading hitter, Bob Tuck, Charles Boerger, Bob Beller and John Mach. But a few switches of personnel, some prime newcomers and the return of a player who was injured before the start of last season could give Kucher a stronger outfield than he had last year.

In all likelihood, last year's first baseman, Mike Turnbull, will get the call at one of the outfield spots. Senior Phil Andrews could hold Tuck's prolific bat if he stays healthy and lives up to predictions. "He has the makings of a good hitter, and he has a strong arm," said Kucher.

Exactly who the other outfielder will be remains to be seen, but Kucher doesn't envision any grave problems.

Four new hands, three from Novi, have performed well in practices to date. They are Pitcher-infielder Dennis Primeau, Catcher-outfielder Randy Pohlman and Third Baseman Jack Anglin. Coming on strong is Junior Steve Kehrer, a pitcher who throws left handed.

Eleven returning lettermen, infielders and pitchers, are the re-

ason Northville has been established as a favorite to cop the league title, and to improve on its 10-9 mark overall and 9-5 record in the conference.

Set at first base is Jerry Inmsland, the big man in the Mustangs' lineup whose stick work is expected to pace the Northville attack. Unlike last year, there will be no pitching for Inmsland. "That way he can concentrate on his hitting," said Kucher.

At second base is the veteran Bob Bartski, a steady glove man and a solid hitter. His running mate at short, another veteran, is John Jameson. He was Northville's best clutch hitter last year, driving in the most runs.

If need be, Jameson can be switched to second, making room for Primeau, who has a rifle arm and a good eye at the plate. Third base is a cinch with the experienced Dave Boerger back fielding hot shots down the line. A good glove man, Boerger also has proved a consistent hitter. Although inexperienced, Anglin might back Boerger up.

Kucher's mound corps is strong enough to permit him to put Inmsland on first base for full time duty. And should Kucher need more pitching help, he can call on Primeau.

But there may be no need of such action, for in strong armed Steve Evans, Mike Grant and Kehrer, Northville has the pitchers. Evans, who joined a Detroit Tiger touring team of talented prepsters during the summer, will head the mound corps. He is one of Northville's brightest prospects.

Grant came on strong late last year to help bolster the Mustangs' tired pitchers, and he turned in a top-notch job with his good control and change-up. Kehrer, besides being a lefty, is also a control pitcher.

Handling the pitchers is probably the best backstop in the area, Junior Doug Swiss. Like Evans, Swiss was picked as a member of the Tigers' traveling prep exhibition squad, and he got stronger as the season progressed. Back of him will be Pohlman.

"This team definitely has the ability," said Kucher. "We just need to put it all together, and work real hard. Attitude is the key."

Without too much trouble, Northville should improve on last year's mark. Milford won the title last year, and Northville placed second.

TENNIS

"We're the team to beat," said Tennis Coach Dick Norton. "I don't see how any other team could be considered as strong as we are."

Such optimism is warranted with the top four singles men returning for another year of competition after barely being edged for the W-O title last year. Northville went into the league meet leading the pack by a point, but Bloomfield Hills, studded with veterans, won and beat Northville in the combined team total to win the title by a point.

Northville's top netmen are, in order, Tom Long, Norbert Parent, Larry Thibos and Randy Caliguiri. And in the doubles, where the local netters were weak last year because of inexperience, there are veterans on hand, including Steve Quay and Randy Burnett.

"We're going to hold our challenge matches this week," declared Norton, "to find out what position the boys will assume on the team." Twenty-four will compete, including 10 freshmen.

The netters will be the first Northville team to see action, taking on Holly here April 4.

STRENGTH IN NUMBERS—Northville's track hopes got a real shot in the arm when 65 thincadrs reported for workouts under the supervision of Coaches Ralph Red-

mond and John Hyde. Here an eager throng—count 'em—sprints for the camera, and gives off with the enthusiasm that has marked drills.

VANCE PACKARD, center, chats with his Northville Town Hall hosts before bringing last Thursday's audience up-to-date on "Status Seekers," title of his best-selling book in which he chronicled sociological desires for recognition. With him are, from left, Mrs. George Merwin, transportation chairman; Mrs. Walter Couse, who presided at the celebrity luncheon; and Mr. Couse, who introduced Packard to the Town Hall audience.

Says Vance Packard

There's Less 'Status Seeking'

"Status Seeking" is less prevalent today than it was a few years ago, in the opinion of author Vance Packard, who in his best-selling book of that title pinpointed a trend toward a more rigid class system in supposedly classless America in 1959.

In chronicling changes taking place in our society today which show the impact of "our opulence", Packard told last Thursday's Northville Town Hall audience that not all status seeking is bad. "We crave and need recognition to be emotionally healthy," he said, defending status seeking through personal worth and service to others.

however, by pointing out that it "not emotionally good to be completely preoccupied by such 'productified' indications of status as a good address or prestige car." He poked quiet fun at the way subdivisions gain "status" by advertising they are "fairways estates" as it is a prestige location to be near a country club. In Hollywood, he added, status comes from knowing "Whose house was it?"

The author of the "Status Seekers," "The Naked Society," "The Hidden Persuaders," "The Waste Makers" and "The Pyramid Climbers" revealed at the celebrity luncheon at the Mayflower Meeting House in Plymouth that his latest sociological study is concerned with "what is happening to people today as a result of our changed values and evaluates, how our life is being changed in relationship to marriage and sex roles."

Packard said he has spent twice as long "walking around the individual" for this current work as he has on any other book. His study, he said, includes a survey of 15 American college campuses.

In his talk Packard cited the way homes are decorated as one of the continuing status symbols. He mentioned gold bath fixtures and kitchen carpeting as well as the purchase of "books by the yard" with the proper color backs. Gaslights and old portraits, he added, are popular as they suggest "old wealth" by their antiquity.

Offices of large organizations, he stated, give visible signs of who-is-who by their floor level, size, number of windows, and whether the furniture is metal or wood. He added that carpet color also is an indication of executive status, going from plain grey to thick, lush pastels in top-level suites. In Washington, he continued, there are the most definite status steps between numbered executive grade levels.

Packard suggested to his Town Hall audience that they "work to recognize the pressures that make us irrational and to help others by making them proud of what they are doing."

"We all need fulfillment," he pointed out, suggesting also that it is good to broaden one's association of friends and to present widening opportunities for young people.

"Studies show, he said "that 90 per cent of us feel inadequate; so I think we should learn to relax regarding this whole business of status."

Fire, Traffic Sign Inspection Slated for City

A chamber of commerce sponsored "safety survey" will be made in Northville next Wednesday, March 30.

In addition to a previously announced fire inspection of all mercantile and public buildings, the inspection will include a survey of condition of all traffic signs within the city limits.

The inspections will be made by the Michigan Capital Stock Insurance Association.

A team of inspectors will be accompanied by Herman "Bud" Hartner, Northville's director

of public works and fire chief. A record will be made of all buildings inspected for fire safety and compiled for the benefit of the fire department.

The sign survey will consist of an examination of all traffic control and other traffic signs with a report on signs which do not meet uniform standards or are obscured by tree or shrub growth or buildings and signs which are in unreadable condition.

Chairman of the safety survey for the chamber is Dave Biery.

FOR SAFETY'S SAKE—Chamber President Essie Nirider points to a fire prevention sign which tells why the chamber of commerce is sponsoring an inspection of all business and public buildings in Northville next Wednesday: namely, to prevent fires. A survey of traffic signs will also be made by a professional team of inspectors from insurance companies. In the picture with Nirider (l. to r.) are Carl Johnson and Dave Biery, members of the chamber's fire prevention committee, and Richard Polson, agent for the insurance companies.

Area Atom Plant Site Among Six Considered

The nearby site proposed for location of a \$375 million atomic accelerator has been listed among the final six still in the running, according to an announcement made Tuesday by the National Academy of Sciences (NAS).

Lying just five miles south of South Lyon in Washtenaw county's Northfield township, the site thus has survived eliminations from among an original field of 200 across the nation.

Several more months have been said will be needed to pick a final winner of the "economic plum", "scientific prize of the century."

Other sites that remain contenders, according to the announcement, are: Denver, Colorado; Madison, Wisconsin; Sacramento, California; South Barrington, or Weston, Illinois near Chicago; and Brookhaven National Laboratory, Long Island, New York.

Proximity of the University of Michigan plus geological factors and the advantages of the Detroit industrial complex and its environs have been spotlighted as strong points of the Northfield township site.

Politics may enter into the final choice, however. And mid-western states are making a strong bid to lure the prize away from the coasts.

Meanwhile, Northfield township residents are in suspense as to how best to treat their property, which may become part and parcel of a major international science giant or revert suddenly to its former ignoble farm and residential favor on the strength of the next decision in Washington, D. C.

Break-Ins Alike

Northville police report no new clues to a pair of break-ins which occurred in Northville on the evening of March 10.

Forced entries were made both at Northville high school and John Mach Ford Sales.

At the high school about \$140 in damage was done by breaking three door windows and one large window. Entry was gained into the home economics department and \$2 in cash was stolen.

Police report the same method of entry at Mach's, a broken window. An attempt was made to enter a cigarette machine. Nothing was taken, however.

Collision Hurts Two

Mrs. Leona Elizabeth Bowen, 45, of 23849 Forest Park, Northville, and a Detroit youth were hospitalized Tuesday with injuries sustained when their cars collided head-on on Ten Mile road.

Extent of the injuries was not known by Novi police officer Ronald Arbour, who investigated the accident. It happened about 1:21 p.m. about one-half mile east of Napier road in Novi.

The Detroit youth is Ronald Stuart Wabeke, 16. He was headed westbound at about 40 miles per hour and Mrs. Bowen was headed in the opposite direction about 50 miles per hour, police said.

"No one witnessed it and neither driver knew what happened," said Arbour. The cars ended both astraddle the centerline of the road.

It Brightens Main Street

The Town Hall Touch

It's always easy to identify "Town Hall Day" in Northville. Shortly before 11 a.m. businessmen are seen peering from their windows at the welcome attraction.

Northville's Main Street is not accustomed to fashionable hats, high heels, and colorful fabrics.

Housewives who might normally stroll downtown in less glamorous garb for routine shopping make "Town Hall Day" a treat for more than just those attending the lecture and luncheon.

It's like a touch of spring. And so it was last Thursday when the Town Hall-ers gathered to hear Vance Packard.

George Tiefel, Pastor
Immanuel Lutheran Church, South Lyon

The word "metamorphosis" is familiar to our high-school students as meaning a series of life-changes through which insects and certain other animals pass. Bees, beetles, ants, flies, and butterflies, for instance, exhibit this phenomenon. A moth, also, is not always in the form of a moth; its egg hatches first into the worm-like larva-form of a caterpillar; next it goes into a resting stage as a pupa, or doll, encased in a silken cocoon. Only after this life-form has become the adult moth, totally different, internally and externally, from the preceding forms.

We Christians believe that such a metamorphosis has also taken place at the highest level: God himself has gone through different life-forms in order to redeem sinners. St. Paul says that our Lord Jesus Christ was "in the form of God," with all the freedom, unbounded power, and immortality that goes with such a life-form. This was like the busy, active stage of a caterpillar.

But Jesus "did not count equality with God a thing to be grasped." He was not greedily thinking only of himself and how he could enjoy his splendid God-life all for himself. He had compassion, instead, upon us in our lostness. That's just how different God is from sinful men, for "God is love" (1 John 4,8).

So Jesus Christ decided to take a lower life-form and come among us human beings like any other human being. He "emptied himself" of the exercise of his divine privileges and took the life-form of a "servant." This was like the life-stage of the pupa in the cocoon: no longer active like the caterpillar stage, not yet beautiful like the butterfly stage, but covered and confined in the cocoon. In such a manner the eternal Son of God was "born in the likeness of men" — and though all the universe was made by him and under his command, yet now a lowly Virgin cradled him in her arms. And though he was "holy, blameless, unstained, separated from sinners, exalted above the heavens" (Hebrews 7,26) he now became subject to sorrow and suffering like every sinful human being. In fact, so

completely fashioned like us humans was he, that in deepest humility he was even subject to death itself; yes, a slave's death on a cross. Such self-emptying love speaks for itself. And at least must come the butterfly-stage. After the larva and after the cocoon, then the beauty, the color, the flight to freedom of the butterfly. So with Jesus Christ: "God has highly exalted him and bestowed on him the name which is above every name." For God has given this name to all of us to be our Savior; that all men should draw near to God alone through Mary's Son and find salvation through faith in him. His life-form now is at the right hand of God himself, sharing in God's own glory, and having God's own exalted, adorable, most holy name. To Jesus, therefore, "every knee should

bow" and "every tongue confess that Jesus Christ is Lord, to the glory of God the Father." These things are written in Ephesians 2, 6-11.

"The Singing Cop"

Flint's Singing Cop To Appear in Wixom

Lieut. Wilburn Legree, known nationally as "Flint's Singing Cop," will be at the First Baptist Church of Wixom on Sunday, March 27, at 9:45 a.m. Lieut. Legree was a regular police officer for 25 years with the Flint Police Department. He was in charge of the Child Safety Division, being the traffic supervisor at 35,000 youngsters in public and parochial schools.

After retiring in 1959, he presented school safety assemblies throughout Michigan for the next four years as a school safety consultant for the Associated Petroleum Industries of Michigan. At the present time Lieut. Legree holds this same position on the staff of the Genesee County Intermediate School District.

As a consecrated Christian, he has sung on radio and television, as well as in numerous churches across the nation. He presents sacred concerts, community singings, youth and children rallies, father-and-son banquets, and family night

programs. Lieut. Legree has been authorized to wear his police uniform when he speaks or sings in churches or for other public meetings.

Lieut. Legree will be leading in a time of chorus singing, as well as singing a number of gospel songs during the Sunday School Hour. He will also tell of some of his police experiences, as well as presenting an object lesson using his police handcuffs. Along with Lieut. Legree, Wixom's own police chief, D'Arcy Young, will be present, and talk to the children regarding safety.

The First Baptist Church throughout the month of March will be competing in a statewide Sunday School Contest attempting to break their old record high in attendance set last September of "402." The pastor of First Baptist, Rev. Robert V. Warren, extends a friendly invitation for all to attend this Giant Sunday School Rally.

We might imagine this is a squirrel assuming a prayerful pose while satisfying his appetite . . . like a man pretending to be religious in order to gain the respect of others.

We are not often fooled by falsity, nor do we let it blind us to truth. We know our religion is our richest treasure. But we rate it worthless unless sincere.

Today millions are talking about the world's spiritual needs. Is talking enough?

Isn't faith more than a word . . . prayer more than a pose?

Attend church every week with your entire family. Support the Church with willing sacrifice. Offer your time and talents to God in your congregation's busy life. And live each day the truths you cherish.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

How to add a room . . .

without cooling off the rest of the house

consider electric heat

Give your new room its own heating system—a modern flameless electric heating system. Electric heat is clean, comfortable, perfectly controllable. Simply dial the warmth you want and you get it exactly—without stealing heat from the rest of the house. How much will electric heat cost to install and operate? That depends on your particular home. One thing sure, it won't cost you a cent to find out. An Edison Heating Specialist will gladly come out to discuss equipment and cost of operation with you. No obligation for this estimate, of course. Just give us a call.

Arch Bishop John Dearden will administer the Sacrament of Confirmation to the children and teens of St. Williams parish, Walled Lake on Saturday, April 16th. All sponsors are asked to submit their names before that date.

Mr. and Mrs. Byron Rogers were honored by the Herbert Abrams' at a dinner at the Abrams' home on Monday evening, March 21st, honoring the Rogers on their 36th wedding anniversary.

Mrs. Charles McCall has been confined to her home with the flu. Mrs. Larry Raurke was a guest of the Charles McCalls on Saturday, March 19.

Mrs. Charles Ware attended the St. Patrick's day Mass in the Holy Trinity church, Detroit, and followed the Mass.

Charles Ware and son, John, and Miss Barbara Schell were in Pittsburgh over the week-end to visit Mr. Ware's relatives.

Mrs. Rollin Porter spent three days in Detroit as the guest of her sister, Mrs. Russell Bloom.

On Monday, March 14, Mr. and Mrs. Pete Buck from Farmington were visitors at the Abbott home. On Sunday, March 20, the Abbotts were guests of Mr. and Mrs. Lowell Rice in Detroit.

On Sunday evening, the Abbotts were dinner guests of Mr. and Mrs. Wayne Mayhue of Southfield.

Mr. and Mrs. Merritt Marshall and Pat drove to Ann Arbor Saturday, to watch Dennis and Sherry Vanglessen perform in the Ann Arbor Melody on Ice. Both Dennis and Sherry did solos. Dr. and Mrs. Vanglessen were in Ann Arbor Sunday to watch the ice show.

Mrs. Dewey Schneider, from Temperance, and Virgil Gibson, from Toledo were guests of Mrs. Lottie Chambers over the week-end. Mrs. Schneider is still a guest of Mrs. Chambers.

Dogs Kill 3 Sheep Worth \$115

Although a record 550 dogs were licensed at a recent clinic held in Novi, two who were not were the desperadoes in a triple sheep killing in the village Thursday.

Novi police officers Richard Randolph and Gordon Nelson witnessed one dog carry away a lamb after being called to the scene by the sheep owner.

Mrs. Janet Gammel, 40705 13 Mile road, told police an ewe worth \$75 and two lambs worth \$20 each had been killed by a German Shepherd and a Boxer. Randolph and Nelson witnessed the Boxer carry a lamb from Mrs. Gammel's field across lots to the home of Ray Kascobowski, 41060 13 Mile road, where it met the German Shepherd.

Kascobowski, according to the officers, admitted the dogs were his and said that they were neither licensed nor inoculated against rabies. He agreed to reimburse Mrs. Gammel for the sheep, Police reported.

LET'S HEAR IT PAUL FOLINO WHAT WERE YOU DOING AT THE STATE FARM PROFILE OF ACHIEVEMENT CONVENTION?

You were invited there for your outstanding sales record and because of the fine service you've been giving policyholders. But own up... is that really why you were at the convention?

Or was it to attend those business sessions that helped you keep current with the latest happenings in the insurance industry? Information that'll make you even better prepared to give knowledgeable service to all your policyholders.

Just as we thought.

When it comes to serving policyholders a State Farm agent is anything but conventional. Even at conventions. Congratulations, Paul.

PROPOSED CHARTER AMENDMENTS, City of Wixom

THE BALLOT FOR THE APRIL 4, 1966 CITY OF WIXOM ELECTION WILL INCLUDE SIX PROPOSITIONS RELATIVE TO AMENDING THE CITY CHARTER. PURSUANT TO THE LAW REQUIRING PUBLICATION OF THE PROPOSED CHARTER CHANGES AND ALSO THE EXISTING SECTION WHICH WOULD BE ALTERED OR ABROGATED THE FOLLOWING INFORMATION IS SUBMITTED TO THE ELECTORS OF THE CITY OF WIXOM:

PROPOSITION NO. 1

Section 4.3

Should Section 4.3 be amended to increase the Mayor's salary from \$150 per annum to \$2,400 per annum without a City Manager or \$600 with a City Manager. Should a Councilman's compensation be increased from \$100 per annum to \$10 per meeting with a limit of 30 meetings per annum?

PRESENT

PROPOSED

COMPENSATION OF MAYOR AND COUNCILMEN:

Section 4.3. The compensation of the Mayor shall be \$150.00 per annum. The compensation for each member of the Council shall be \$100.00 per annum. Such compensation shall be paid monthly and except as otherwise provided in this charter, shall constitute the only compensation which may be paid the Mayor and Council for the discharge of any official duty for and on behalf of the City during their tenure of office, except in case of Councilmen who are members of the volunteer fire department. However, the Mayor and Councilmen may, upon order of the Council, be paid such bona fide expenses incurred in service in behalf of the City as are authorized, itemized and approved by the Council.

COMPENSATION OF MAYOR AND COUNCILMEN:

Section 4.3. The compensation of the Mayor shall be \$2,400.00 per annum; provided, however, that should the Council under Section 4.11 create the office of City Manager, and so hire such a City Manager that the Mayor's salary shall be reduced to a sum of \$600.00 per annum. In the absence or disability of the Mayor for a period extending beyond two weeks, the Mayor Pro-tem shall receive on a pro-rata basis that portion of the Mayor's salary for the period of time such absence or disability continues. The compensation for each member of the Council in attendance shall be \$10.00 a meeting with a limit of 30 meetings per annum. Such compensation shall be paid monthly and except as otherwise provided in this charter, shall constitute the only compensation shall be paid monthly and except as otherwise provided in this charter, shall constitute the only compensation which may be paid the Mayor and Council for the discharge of any official duty for and on behalf of the City during their tenure of office, except in case of Councilmen who are members of the volunteer fire department. However, the Mayor and Councilmen may, upon order of the Council, be paid such bona fide expenses incurred in service in behalf of the City as are authorized, itemized and approved by the Council.

PROPOSITION NO. 2

Sections 4.8 and 4.12

Should section 4.8 and section 4.12 be amended to provide for the appointment of the City Attorney by a majority vote of the Council rather than by the Mayor with the approval of the Council, and to remove restrictions on a City Attorney who would be a resident of the City?

PRESENT

PROPOSED

ADMINISTRATIVE SERVICES:

Section 4.8. The administrative elective officer of the City shall be the Mayor, and the following administrative appointive officers shall be: the City Clerk, City Assessor and City Treasurer, City Attorney, Chief of Police, Fire Chief, and Director of Public Works, and such additional administrative officers or departments as may be created by ordinance. The Council may by ordinance create additional administrative offices and departments, and may by ordinance combine any administrative offices and departments in any manner it deems necessary or advisable for the proper and efficient operation of the City, and shall prescribe the functions of each office and department and the duties, authorities and responsibilities of the officers of each department.

ADMINISTRATIVE SERVICES:

Section 4.8. The administrative elective officer of the City shall be the Mayor, and the appointive administrative officers shall be the following: the City Clerk, City Assessor and City Treasurer, Chief of Police, Fire Chief, and Director of Public Works, and such additional appointive administrative officers or departments as may be created by ordinance. The Council may by ordinance create additional administrative offices and departments, and may by ordinance combine any administrative offices and departments in any manner it deems necessary or advisable for the proper and efficient operation of the City, and shall prescribe the functions of each office and department and the duties, authorities and responsibilities of the officers of each department.

Except as otherwise provided in this charter, the Mayor shall within thirty days after his taking of office following his election for the office of Mayor, appoint all administrative officers and department heads of the City Government, whether the office be established by this charter or as may be created by ordinance. Provided however, that the City Attorney shall be appointed by the Mayor, but such appointment shall not be effective until it is confirmed by majority vote of the City Council. In case the Mayor fails to make any appointments within the herein provided thirty days within which such appointments may be made, the Council shall make such appointments, as the case may be.

Except as otherwise provided in this charter, the Mayor shall within thirty days after his taking of office following his election for the office of Mayor, appoint all administrative officers of the City Government, whether the office be established by this charter or as may be created by ordinance. In case the Mayor fails to make any appointments within the herein provided thirty days, the Council shall have the option of making such appointments.

CITY ATTORNEY:

Section 4.12. (a) The Attorney shall be attorney and counsel for the City, and shall be responsible solely to the Council. He shall act as legal advisor to, and be attorney and counsel for the Council and all of its members relating to their official duties. He shall give written opinions to any officer or department head of the City when requested in writing by the Mayor or the Council so to do, and shall file a copy of the same with the City Clerk.

(e) Same

(f) Omit

(g) Same

(Note specifically "t" on original charter is being omitted)

(c) He shall prepare or review all ordinances, regulations, contracts, bonds, and shall promptly give his opinion as to the legality thereof.

(d) He shall attend all meetings of the Council.

(e) Upon recommendation of the attorney, or upon its own initiative, the Council may retain special legal counsel to handle any matter in which the City has an interest, or to assist in counsel with the City attorney therein.

(f) In matters involving litigation in the Circuit Court for the County of Oakland, in which the City is a litigant concerning local matters in which the City has an interest, the Council shall retain special legal counsel who is a non-resident and whose established office is without the limits of the City to handle such matters, provided, however, the City Attorney shall assist and co-operate with the special legal counsel.

(g) He shall perform such other duties as may be prescribed for him by this charter or the Council.

FILLING VACANCIES IN APPOINTIVE OFFICES:

Section 5.7 Vacancies in appointive offices shall be filled in the manner provided for making the original appointment. In the case of members of boards or commissions appointed for a definite term, such appointments shall be for the unexpired term.

FILLING VACANCIES IN APPOINTIVE OFFICES:

Section 5.7. Vacancies in appointive administrative offices and boards and commissions shall be filled in the manner provided for making the original appointment. In the case of members or boards or commissions appointed for a definite term, such appointments shall be for the unexpired term.

RESIDENCE REQUIREMENTS FOR APPOINTIVE OFFICERS:

Section 5.8. All full time administrative officers of the City if not residents of the City at the time of their appointment, shall become residents thereof within six months thereafter, and shall so remain while so serving.

RESIDENCE REQUIREMENTS FOR APPOINTIVE OFFICERS:

Section 5.8. All appointive administrative officers of the City, as outlined in Section 4.8, if not residents of the City at the time of their appointment, shall become residents thereof within six months thereafter, and shall so remain while so serving.

PROPOSITION NO. 6

Section 4.21 and 4.23
Should sections 4.21 and 4.23 of the Charter be amended to require confirmation by the Mayor before the appointment of deputy administrative officers by appointive administrative officers and be amended to provide for a 30 day limit in which appointments of boards and commissions must be made by the Mayor, otherwise appointments may be made by the Council?

PRESENT

DEPUTY ADMINISTRATIVE OFFICERS:
Section 4.21. The administrative officers, with the consent of the Council, may appoint to office, and terminate from office, their respective deputies. Such deputies shall in any case, possess all the powers and authorities of their superior officers, except as the same may be from time to time limited by their superiors.

INDEPENDENT BOARDS AND COMMISSIONS:
Section 4.23. The Council may not create any board or commission, other than those provided for in this charter, to administer any activity, department or agency of the City government except (a) municipal hospital, (b) a municipal cemetery, (c) recreation, or (d) any activity which by statute is required to be so administered. The Council may, however, establish (a) quasi judicial appeal boards, and (b) boards or commissions to serve solely in an advisory capacity.

All members of the City Boards and Commissions shall be appointed by the Mayor, but such appointment shall not be effective until it is confirmed by majority vote of the City Council.

SERVICE HONORED—The Southeastern Michigan chapter of the American Red Cross honored its community volunteers with special service pins at ceremonies last week at the Northwest Service office in Livonia. Mrs. Clifford Winter of Northville (center) received a 25-year pin from her minister, the Reverend Donald Williams of the First Baptist church of Plymouth. Looking on is Mrs. Beatrice Carlson, herself a longtime leader in Red Cross activities. Two other Northville residents received five year pins. They were Mrs. Clarence Jerome and Miss Helen Schofield, R.N.

Northville Township Minutes

Township Hall
Saturday, March 12, 1966
Meeting called to order 10:05 p.m.

Members present: Marguerite N. Young, Clerk; Alex M. Lawrence, Treasurer; Wilson D. Tyler, Trustee; James H. Tellam, Trustee.

PURPOSE OF MEETING:
Township Budget for fiscal year 1966-67.

It was decided that the Deputy Clerk would be put on salary and Tellam moved that any overtime hours put in by the Deputy Clerk be subsidized at the rate of \$2.75 per hour. Tyler seconded. Motion carried unanimously.

Discussion of hourly rates for part time office help followed. Tellam moved that the Township increase Frances Mattison's hourly rate by 15¢ bringing her hourly rate to \$1.90 and increase Eleanor Hammond's hourly rate from \$1.50 to \$1.75, starting the fiscal year of April 1, 1966. Lawrence seconded. Motion carried unanimously.

Trustee Tyler suggested that the water and sewer maps that the Township Engineers were drawing for the Annual Meeting, be explained to the residents. The Clerk was instructed to contact William McDermott, Chairman of the Water & Sewer Commission and ask if he would be willing to do this.

Trustee Tyler also suggested that it might be well if someone explained the Township Dog Ordinance and under what conditions dogs could be picked up.

The Board discussed the cost of the publication of the new zoning ordinance and the copies which would be furnished the office for distribution.

Tyler moved that the Township Office charge 50¢ for the newspaper copy of the new Zoning Ordinance. Tellam seconded. Motion carried unanimously.

The budgeted amounts for all departments were discussed by item with some changes being made.

Salaries of elected officials was brought under discussion with the following action:

Tyler moved to set salaries for the elected officials for the fiscal year 1966-67 as follows:

Supervisor	-\$5,700.00 per year
Clerk	-\$5,000.00 per year
Treasurer	-\$4,500.00 per year

Tellam seconded. Motion carried unanimously. Meeting adjourned at 1:30 p.m.

Pay Hikes Due Top State Administrators

LANSING - Total cost of top-level state administration will jump sharply next year if the State Civil Service Commission's

recommendations are accepted by the Legislature.

Under the 1963 Constitution, the Commission is responsible for recommending pay levels for all executive appointive positions which are not classified, plus the few elected posts.

The present salary levels for these posts range from \$16,000 for the head of the Licensing and Regulation Department, to \$30,000 each for the Governor and Mental Health Director.

as junior colleges, listed enrollments of about 13,500. Last fall some 61,275 students were enrolled.

CITIZEN SIBLEY

"SINCE YOU DIDN'T ANSWER WHEN I CALLED YOU I BROUGHT OVER YOUR LUNCH--OUR KITCHEN'S TOO HOT---IT'S ON FIRE!"

LEGISLATORS and the Governor have previously discussed raising the salaries for these top 20 posts. Another 70-odd positions are involved in the Commission plan because each of the department heads has one or more deputies not classified by civil service.

Currently the nearly 100 posts involve an expenditure of \$1,221,000. The recommended changes

would boost this by \$220,000. Only two of the 20 department heads would remain at present levels, \$20,000 each for the elected Secretary of State and Attorney General.

creation and expansion of community college facilities. This year the capital outlay allotment is expected to be at least double that, and possibly triple or more.

A SPENDING ceiling on State Senate committees was put into effect this year. It was viewed with mixed reactions by lawmakers and others.

England Inflating

BABSON PARK, Mass.—Prime Minister Wilson of England has been staggering from vote to vote in Parliament on the thinnest of margins. Success by Labor in recent by-elections has encouraged him to call for general voting on March 31.

own money speculators — then called the "Gnomes of Zurich" — were beaten back. But the feeling is now growing in responsible money circles, both here and abroad, that the pound will be in deep trouble again during the months ahead.

spending. Since chances of a large payments gain by the British are small, it is becoming apparent that the U.S. may have to bear the burden of defense and aid cuts.

However, there is grave doubt in financial London that — even with a strong majority — Mr. Wilson will be able to pull England out of the economic swamp into which it has fallen. The whole Free World is chasing after the rainbow of inflation.

Fact is that Great Britain has been and still is enjoying a boom at home. Both prices and wages have been climbing. Mr. Wilson had to sit hard on labor recently to avoid a crippling rail strike. The government even had to invoke fines against both unions and management to dampen inflation trends.

At the moment, the Labor party is saying very little about the pound. Every effort is directed at keeping inflation from bursting its bounds before the elections. Financial circles in London, however, know the problem will not be cured by wage and price restraints.

Signs of defeatism are seen in recent political developments. The Labor government has moved to pull back from once-vaunted naval bases in the East. The decision to buy military superplanes from the U.S. — rather than to expand Her Majesty's air arm — is the clearest signal of all that John Bull is willing to become more and more a protectorate of Uncle Sam.

When the current wave of trouble for the pound started in 1964, the government moved to check imports by placing a 10% tariff on them. Surprisingly, this does not seem to have caused any big slowdown in consumption. Evidently things have been too prosperous. Trade figures for January were disturbing, with imports running \$110 million ahead of exports.

NEW MOVES are starting in England to raise "user taxes" ... to dampen the consumer boom. At the same time, spokesmen are warning the U.S. that if the British balance of payments does not improve by the end of 1966, England will have to cut back on her foreign aid and defense

LAST YEAR the pound was saved from devaluation by massive financial help from the Free World, especially the U.S. For-

SPEAKING for The Record

By BILL SLIGER

Once a year township residents have an opportunity to find out what's been happening during the past year out at the township hall.

They also learn what is proposed for the coming year and what their elected officials are seeking in the way of a budget to run the government.

It's a fading bit of Americana that exists only at the township level, and in many townships -- such as Novi and Plymouth -- the practice has been dropped by popular vote.

I'm talking about the Township Annual Meeting. It's scheduled this year for Saturday, April 2 at 1 p.m. in the Northville Community building.

Personally, so long as township form of government exists and can meet the needs of its residents, I think the annual meeting concept should be retained. Many voters are unable, too busy or just not interested enough to attend regular monthly meetings. But they can set aside time one day per year for a resume and refresher.

They meet their officials face-to-face and hear reports from the supervisor, clerk and treasurer. By ballot voters approve board meetings times, set forth the township's official depository and approve the budget.

Within the budget, for example, the voters approve how much their officials shall be paid. And last year the voters present at the annual meeting changed the proposed salary schedule.

So you can have a voice in your local government. And it is possible to have personal proposals aired that might improve the community in which you live without going through a lot of red tape. Just attend your annual meeting... April 2, 1 p.m., community building.

Schoolcraft college trustees and the Livonia city council do not see eye-to-eye on the path of the newly proposed I-96 expressway paralleling Haggerty highway.

The state highway commission proposal has the route running slightly east of Haggerty and east of the college campus. That's exactly where the college wants the route because that's where it was told the highway would be before the campus was planned.

Livonia officials feel the route "isolates" a portion of their city. They'd prefer moving it westward (into Northville township) or along the present Haggerty route.

Schoolcraft officials point out this could cost the college hundreds of thousands of dollars in changing entrances and building plans. It would cost the campus its faculty parking lot, a portion of the student parking lot and a share of the campus.

Livonia and college officials have reached an agreement, however. Both are adamant in their positions but neither will meet with state highway officials without the other present.

Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, March 7, 1966, 8:00 p.m. at the Northville City Hall.

Present: Allen, Black, Canterbury, Carlson and Black. Absent: None. Others; Randolph St. residents.

Minutes of the previous meeting of February 21, 1966 were approved.

Moved by Kester, supported by Carlson to pay bills in the following amounts:

General \$16,288.99

Water 2,277.84

Other Government 2,637.76

Unanimously carried.

Communications:

The clerk reminded Council of the Michigan Municipal League, Region III, meeting to be held in Livonia on Thursday, March 24, 1966 -- reservations to be made by March 18, 1966.

Clerk reported on suggestions regarding placement of mailboxes as recommended; postmaster reporting that it would not be possible to place an additional box on E. Main street by parking lot as this was almost directly opposite the present one in front of Manufacturers' Bank on E. Main street.

Mr. Kenneth Rathert's request to stage annual "Lily Parade" on Saturday, April 2, 1966 or if necessary, Friday, April 8, 1966 (9-12 and 3-6). Permission granted.

Letter from Mr. Frank Pauli, 508 Gardner street, expressing interest in any action that may have been taken by the city relative to announcement by Northville Downs of plans for track expansion. Council instructed that a letter be written to Mr. Pauli that Council has taken no action in this respect.

Letter from Mr. Robert Hart, 945 N. Center street in answer to council's request for east 10 feet of his property for sidewalk purposes. The attorney and engineer were asked to follow through on requests to above other 3 property owners.

Letter from Poole, Warren and Littell (Mr. James Littell) saying he had been authorized by Northville School Board to express their willingness to participate equally with Thompson-Brown company and the City of Northville in the legal costs attendant to the preparation, filing, and processing of a petition to abandon the Bernhardt Water Line, so called.

Minutes of March 1, 1966 meeting of Planning Commission received.

Building Report for February, 1966 received.

Police Report for February, 1966 received.

Old Business:

Mayor Allen reviewed the background for Special Assessment Roll 66-1, Improvements to Randolph street (storm sewer, concrete paving with integral curb).

Mrs. Paul Steencken, 562 Randolph street presented the original petition with 37 signatures of the 44 property owners affected by the assessment who are objecting to said assessment. She also reviewed the objections of the petition signers referring to the two page report presented at a previous meeting. Mr. Sydney Moase, 436 Randolph street, thanked the council for taking action to improve Randolph street, complimented the engineer on his fine plans and said he was concerned about the following two matters:

(1) increased traffic flow in view of the closeness of his home to the road

(2) concerned with law enforcement on this street relative to speeding.

Mr. Harold Hartley, 630 Baseline (Randolph street) was interested in keeping street and neighborhood as much as possible the way it presently is; wondered about increased traffic being routed to avoid business district.

Mrs. K. Edgerton, 571 Randolph, supporting petition because the cost of the assessment represents benefit for the city instead of to residents.

Mr. Paul Steencken, 562 Randolph, supports Mr. Hartley in that he believes traffic coming into Randolph street will be through traffic.

Mr. Hollis, 516 Randolph street interested in law enforcement relative to speeding.

Mayor Allen and Councilman Canterbury spoke at some length answering these comments that (1) present subdivision roads require 6 and 8" concrete (2) council is actively engaged in attempting to obtain a north-south route to alleviate possible traffic problem (3) council has banned truck traffic on Eight Mile by-pass. (4) A 1962 list of street improvement showed Randolph street as one needing priority.

Councilman Kester commented that since High street where he lives has been improved traffic is greater but better able to serve normally increased traffic.

Mr. John Hlohinec, 529 Randolph street, objected to improvement relative to width of street and 8" concrete.

Mr. Ambler, former Councilman, said he had watched the development of special assessments, and mentioned North Center street where residents were assessed on basis of black-topping but concrete was installed (a similar situation).

The matter of the possibility of 30' wide street instead of 33' was discussed, also the matter of bidding being necessary for both concrete and asphalt streets for comparison figures.

The attorney asked that 30 or 33' wide street be discussed (this would not change the assessment).

Moved by Canterbury, supported by Black that the Resolution confirming the Special Assessment Roll 66-1 be adopted. Unanimously carried. (These to be due and on 1966 Tax Roll).

1. Board of Review dates presented as follows:

Tuesday, March 15, 1966 - 1 to 4 p.m.; 7 - 9 p.m.

Tuesday, March 29, 1966 - 9 a.m. to 4 p.m.

Moved by Kester, supported by Carlson that the above dates be approved for Board of Review for the City of Northville for 1966 and published in Northville Record. Unanimously carried.

2. The clerk read the letter from Suburban Checker Cab Co. requesting the following rate increases:

Meter throw - from present 40¢ to 50¢

From present 10¢ for each 1/3 mile thereafter to 10¢ for each 1/4 mile thereafter

Waiting time be increased from present \$3.00 to \$4.00 per hour.

Discussion as to quality and promptness of present service resulted in the appointment of Councilman Black and Kester (co-chairman) as a committee to meet with representatives of this cab company and talk about service, etc. A letter is to be written to the company.

3. Moved by Black, supported by Kester that Kenneth Rathert be appointed chairman of 1966 Michigan Week. Unanimously

carried.

4. Moved by Canterbury, supported by Black to approve recommendation of the Northville City Planning Commission to accept the low bid of the Northville Record to print 250 copies of the Master Plan for the City of Northville for \$764 and \$206 for colored maps. Unanimously carried.

5. The purchase of a garden tractor for the DPW was tabled until Mr. Hartner can be present at a council meeting to discuss same.

6. The engineer reported that he had recommendations from the Oakland County DPW and had consulted various resource books on land development for the Weeping Tile Ordinance which was presented to Council - this to appear on March 21 agenda.

Clerk was instructed to determine what other communities observe in this matter.

The Building Inspector is to talk to Mr. Pink regarding weeping tile ordinance.

There being no further business, the meeting adjourned at 10:40 p.m.

Respectfully submitted
Martha M. Milne
City Clerk

Compare! Whatever car you may be considering as your next, you should investigate the many superiorities of Cadillac. Its performance, luxury, distinction and lasting value will convince you that you could make no better motor car investment.

Match Cadillac against any other car at or near its price and it will prove its extra value beyond a doubt. For example, you'll find no other car of Cadillac's size that performs so nimbly or handles so deftly. Cadillac is respected by authoritative automotive writers as a "driver's car" for its outstanding road capabilities. No other automobile offers such a satisfying combination of comfort, roominess, luxury and conveniences. Cadillac is unexcelled in the motoring safeguards it offers as stand-

ard equipment. Finally, no other car in its class comes close to Cadillac in popularity, owner loyalty or high resale value. Only your personal experience at the wheel of a Cadillac can completely demonstrate how elegant, excellent and exciting your next automobile investment can be. See your nearby authorized dealer at your earliest opportunity. No one else knows Cadillac motor cars better... or is better prepared to offer the superior kind of service a fine car like Cadillac truly deserves.

Seven Years in a Growing Economy

Here's the John Mach Story

A seven-year dream was realized last September when the new John Mach building was opened in time for introduction of the 1966 models.

USED CAR LOT—There's always a top selection of used cars at John Mach Ford Sales. More than just a slogan, the Ford A-1 used car means that it has been completely reconditioned before going on the lot for sale. Most John Mach used cars carry a six-

month guarantee. In addition to the new lot adjacent to the John Mach agency, the used car lot at Center and Dunlap streets will continue to operate, giving used car buyers a selection of some 60 used cars from which to choose.

It was seven years ago...May 1, 1959 to be exact that John Mach became a Ford dealer in Northville.

The agency was then located in a building that had seen better days at 117 West Main street, right in the heart of the downtown business district.

The Northville Ford dealership in those days was selling about 340 new cars and trucks annually. And it employed about 10 people.

Last September the John Mach agency realized an ambition that had begun that May day in 1959. A brand new facility on spacious grounds with modern service equipment was completed at 550 West Seven Mile road.

But even then Mach knew the new building was too small to meet the challenge of a growing economy, so plans began immediately to expand.

Soon additions will provide more service stalls and a complete body shop.

The new Mach agency building was designed by the Cuthbert and Cuthbert architectural firm of Dearborn. Personal attention was given to the project by Ivan Cuthbert.

It is a completely new concept in automobile dealerships and is the first one east of the Mississippi of this particular design.

While the shell is composed of concrete blocks and steel, the super-structure within employs the use of wooden beams. It is pointed out that the huge wood beams provide greater protection against fire damage. And besides, John Mach likes wood.

The 15,500 square foot building is designed for both customer convenience and efficiency of operation. The showroom provides some 2,400 square feet, enough to display six cars conveniently.

A second level is used for storage of parts and office space for sales' meetings.

With expansion plans in mind Mach expects the floor area to increase to 21,000 square feet. Added will be the service stalls which will feature the new "quick service department" — a boon to the motorist who wants to come in for a quick adjustment and drive out a few moments later.

The body shop will also answer a demand that could not be met before because of lack of space.

In 1965 the John Mach agency sold well over 700 new cars and trucks. The employment roll increased to 20. With the planned expansion Mach sees the need for 10 more employees and he freely predicts that 1966 will be a 1,000 car and truck sale year for his agency.

Mach is well aware that the growth of his business can be greatly attributed to the loyalty of his many customers throughout the area.

That's why he's holding an open house celebration ... so that his customers can see firsthand what their business helped provide in the form of improved facilities.

Keeping everything in order is a big job, but with efficient office help and a spacious, well lighted office things go much easier.

We are proud of our new showroom. This well-lighted, spacious showroom allows us to display more cars and give the customer more room to move around.
