No Incumbent on School Ballot

Crump, Shafer, Weber Retiring

Three school board posts—two for four-year terms and one for an unexpired one-year term—appear to be “up for grabs” in Northville as all three incumbents have indicated they do not intend to run for re-election June 13.

Robert Shafer, senior member on the board who has served since 1956, announced last week that he does not plan to run again. William Crump, who came on the board in 1956, earlier this year indicated he will not seek re-election. Crump presently is board treasurer; both he and Shafer have served as board presidents.

E. O. Weber, who was appointed to fill the unexpired term of Edward Angove after his death in December, announced this week that he will not run for the one-year remaining on the term nor for a full term.

Petitions for the posts now are available at the board of education office or from any board member. The office reports none has been filed to date. Robert C. Froehlich, 369 Maplewood, has taken a petition and announced he intends to run for one of the four-year terms. Deadline for filing is 4 p.m., May 14.

Shafer, who had indicated earlier he would not seek another term, said last week he would be completing 17 years of school and community service. He has had 10 years of service with the township zoning board and has been chairman of the board of appeals.

He pointed out that he began working with citizen school groups at the time the district was consolidating into its present size. “I am proud of our school system,” he said, citing specifically the high school building in which he said Northville pioneered in creating flexibility of classrooms. Because of this original design, he said, he feels the upcoming addition will become a new segment relatively inexpensively.

“I hope I have made a contribution to the schools,” he said, “it has been a fine experience but I decided two years ago that I would no longer let it interfere with my business interests after the finish of my present term.”

Crump, whose engineering business interests in Troy, Michigan, have been in an expansion program, also said earlier that he would not run again because of

the time pressures of his business. He was not available for further comment this week as he is vacationing with his family.

Before leaving on a business trip to Salt Lake City for Ford Motor company Sunday, Weber issued the following statement:

“I will not be seeking re-election this spring for a number of reasons. The time required for school board activities is so extensive as to be incompatible with other demands on my time—including an obligation to my family. During the time I was off the board (last summer and fall) I accepted several other civic obligations which I feel I should fulfill. Also the time demands of my employment position have increased significantly.

“Since I have a continuing interest in the education of our youth, I may consider running at some time in the future.”

Weber said that the time pressures of his job have “never been greater.” He is division salaries’ personnel manager at Ford Motor company’s general parts division at Ford Rawsonville plant. He was appointed in January to fill the unexpired portion of the late Edward Angove’s term until the next election. Weber said he had felt an “obligation to Ed” to fill the post as they had served together previously after Weber ran for and won a one-year unexpired term in 1964.

Easter Hunt Hours Set

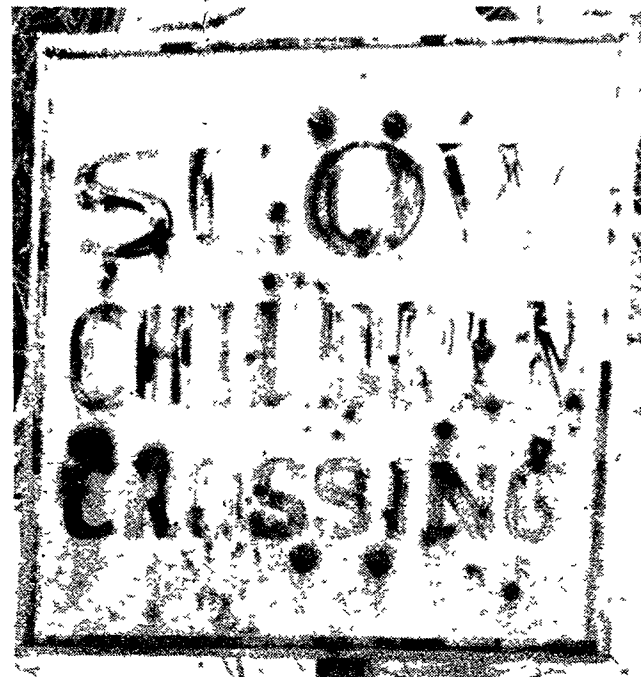

Get on your mark, get set . . . go!

That’s the signal for all area youngsters to start the annual Jaycee-sponsored Easter Egg Hunt.

It’ll take place Saturday at the high school baseball diamond, unless it rains. In that case it will be held Sunday at 2 p.m.

Saturday’s schedule calls for pre-school age youngsters to start the search from 10:30 until 10:45 a.m.; second and third graders will hunt from 11 until 11:15; and fourth and fifth graders take to the fields from 11:15 until 11:30 a.m.

There will be candy and prizes to award the egg hunters.

SORRY SIGN—This is one of 14 Main street traffic signs found to be defective by the team of inspectors that visited Northville last week. Amazingly, they discovered there are 134 traffic signs on Main street between Clement and Seven Mile. Fire inspection of mercantile and public buildings was also included in the day-long safety check sponsored by the Plymouth Community Chamber of Commerce. The inspection was undertaken by the Michigan Capital Stock Insurance Association. For more of their findings see page 9A.

City to Romney: ‘Help Settle Downs Dispute’

Mayor A. M. Allen sent a telegram to Governor George Romney Tuesday appealing for help in bringing about settlement of the differences between Northville Downs, the Michigan Harness Horsemen’s Association and the Building Services Employees’ Union.

Scheduled to open on March 25 for a 25-night spring harness racing meet, the Downs has been beset by labor problems that now appear to have doomed any hope of spring racing locally.

The loss of the spring meet is costing the city of Northville between \$2,500 and \$3,000 nightly. It costs the state of Michigan four times that much.

The city of Northville receives 20 per cent of the state’s share of the pari-mutuel handle.

Monday night the council approved the mayor’s proposal to wire the Governor. The telegram said:

“The City Council of the City of Northville, on behalf of the citizens and businessmen of our community, strongly urges that you use your good offices to bring about the earliest settlement between Northville Downs, the Michigan Harness Horsemen’s Association and the Building Services Employees’ Union.

“Fifteen per cent of the Northville racing season has already been lost, causing an unredeemable decline in local retail business as well as direct loss in taxes to the City of Northville and the State of Michigan of over \$100,000.

“We are ready and willing to give any assistance necessary to resolve this matter.”

A copy of the telegram was sent to the state racing commissioner, Berry Beaman.

Northville is scheduled to hold a 35-night summer meet beginning June 27, which accounts for the city’s reference to “15 per cent loss”. Actually, more than half of the spring meet dates will have been lost through this Saturday.

Downs’ Executive Manager John Carlo has all but given up

hope of settlement with either the horsemen or the money clerks. “I can’t get anywhere. At our meeting this week there wasn’t any sign of progress,” Carlo stated.

He said it would take at least three days to get the races started once agreement was reached and he questioned the advisability of running for an abbreviated meet.

The Downs’ is paying \$6,000 per week for totalization equipment on a standby basis, Carlo noted in pointing to expenses that continue though the track is idle.

He said he would contact the racing commissioner “in a day or two” and ask that the spring meet at the Downs be officially cancelled.

Suit Intent Filed Against Assessment

The city of Northville received official notice Monday night that its special assessment for the improvement of Randolph street will be opposed in court.

A notice of intention to file suit “for the purpose of contesting and enjoining the collection of special assessments” was presented to the city Monday. It contained the signatures of 48 residents representing 29 of the 44 properties on the assessment roll.

The council is scheduled to open bids for the Randolph improvement project April 25. Specifically, the project calls for widening the street to 33-feet, installation of a storm sewer, concrete paving, curbs and gutters, repair of a culvert and removal of a curve.

Residents of Randolph street have opposed the assessment since its introduction on the basis that the street is a main thoroughfare and that the improvement should be made totally from general funds. They have also opposed the widening of the road to 33-feet and the use of concrete instead of asphalt.

The council has defended the project on the basis that the improvement is needed and should be assessed the same as previous city street improvements.

The council has declared that it plans to assess the property owners for 25 per cent of the cost of paving the street to a width of 30-feet and as if asphalt were used instead of concrete. This has been the basis for assessments in the past. The widening, curve removal and culvert repair will not be a part of the assessment.

In the notice to contest and enjoin the collection of special assessments the attorney for the protesting Randolph street residents, Ferris H. Fitch of Detroit, lists some 15 objections. Among them are:

—the project benefits the general public, not especially the undersigned as required by provisions

of the charter of the city; —that the project will be detrimental to the undersigned . . . changing Randolph from a quiet, narrow, short, peaceful, tree-lined, quaint, winding roadway of unusual esthetic beauty . . . into a dirty, noisy and dangerous through traffic highway . . . for convenience of general public . . . and real estate developers.

—that the present asphalt paving is adequate for the purposes and needs of the undersigned; —that all that is required is that present paving be periodically repaired and maintained;

—that the assessment so levied operates as an illegal taking of private property for public use without due process of law;

—that the project will greatly lessen values for residential use of the properties;

—that the project will greatly increase the danger of accidents on Randolph street.

In addition to opening bids for the Randolph street improvement April 25, the council will also examine bids for installation of a sanitary sewer extending the length of Randolph from a point some 100 feet west of Taft road on Eight Mile along Randolph to Center and then north under the sidewalk on the west side of Center street to Rayson and east to Horton at the millpond.

The sanitary sewer will serve the city’s northwest section and specifically the new Thompson-Brown development of homes and apartments planned for Eight Mile at Taft road. The council plans to coordinate the two improvement projects so that sewer lines are installed during the same time street improvements are being made.

It is not anticipated that the court action by residents will delay city plans to complete the project this summer. The question to be determined by the court is whether or not residents must pay the 25 per cent assessment.

Churches Observe Holy Week

Holy Week is being observed by Christians of the Northville, Novi and Wixom area with special services Maundy Thursday and Good Friday and will climax with the eternal message of hope that is easter, “He Is Risen”.

Maundy Thursday (today) will commemorate the Last Supper, at evening services in many churches as bread and wine is consecrated in the sacrament of the Last Supper. Good Friday services in the area include several united community services in the Protestant churches. Sunrise services in addition to regular Sunday morning sermons have become a traditional part of the Easter observance.

and 12:15 p.m. Three hundred children were confirmed at services at Our Lady of Victory church last Saturday by Bishop Donovan.

The Holy Week schedule at St. William’s Catholic church in Walled Lake, at which more than 200 Novi families are members, includes Holy Thursday children’s Mass, 11:30 a.m.; 8 p.m. evening Mass; Good Friday Stations of the Cross at noon with sermon, liturgy, and Holy Communion and Stations of the Cross; at 8 p.m. Holy Saturday Easter Vigil Mass at 11 p.m. and Easter Sunday Masses at 7:30, 9, 11 a.m. and 12:15 p.m.

Maundy Thursday Services

Maundy Thursday services with Holy Communion will begin at 7:30 p.m. tonight at St. Paul’s Evangelical Lutheran church. Theme of the Reverend Charles F. Boerger’s meditation will be “A Solemn Contract.” Maundy Thursday service and Holy Communion also will be held at 7:30 p.m. at Evangelical Lutheran Church of the Epiphany.

Other Maundy Thursday services today are 7:30 p.m. Holy

Area Catholic Services

At Our Lady of Victory Catholic church Holy Communion will be at 8 p.m. Low Mass and at the 8 p.m. High Mass. At 2 p.m. Friday there will be Liturgical Services, Holy Communion and Veneration of the Cross. Public Way of the Cross will be at 7:30 p.m. Friday. Easter Vigil services will be held at 11 p.m. Saturday with Easter Mass and Holy Communion at midnight. Easter Sunday there will be Masses at 8:30 and 10:30 a.m.

Lunch Hour Pay Controversy Stirs Up Township Meeting

The salary for the deputy clerk and whether or not payment should be made for lunch hours monopolized most of the discussion at the Northville township annual meeting Saturday.

An audience of 30 citizens and a half dozen officials attended the session, which adjourned in two hours.

In official action the voters approved the proposed budget with one slight change—the salary of the deputy clerk.

It was also decided to start regular monthly board meetings one-half hour earlier. Official board sessions will now be held at 7:30 p.m. on the first Tuesday of each month. The normal one mill tax levy was again approved and Manufacturers National Bank designated as depository for township funds.

In approving its budget the township also gave an okay to the new recreation department budget. The township’s share of the 1966-67 recreation program was increased from \$4,300 to \$6,202. The total recreation budget has been increased from \$14,420 last year to \$17,105 for the coming year.

The city, which approves its budget in May, will be called upon to contribute \$9,303 to the new budget, compared to \$6,500 previously.

Supervisor R. D. Merriam opened the annual meeting and explained that the new budget appeared much larger than previous years only because of a change in bookkeeping procedures. He pointed out that Trustee Wilson Tyler, a banking official, had sug-

gested that all the money handled by the township should be reflected in the budget. In previous years the water and sewer commission funds as well as building department—both self-supporting—had not been listed in the budget with general fund expenditures and receipts.

Including these departments increased this year’s budget figure from some \$81,000 last year to an estimated \$155,652 in 1966-67.

Clerk Marguerite Young read the minutes of last year’s annual meeting and Treasurer Alex Lawrence reported the “best collections ever” with township taxpayers responding to payment of school, county and township at a rate of 96.2 per cent. Of a total levy of some \$567,000, the treasurer reported a delinquency of \$21,000.

A breakdown of the township taxpayer’s dollar by the treasurer showed \$122,555 for the county, \$364,226 for Northville schools, \$41,764 for Plymouth schools, \$15,612 each for the township and Schoolcraft Community college.

The subject of the deputy clerk’s salary came up when Supervisor Merriam explained that the budget appeared to show an increase in pay from \$3,500 to \$4,200. Actually, he pointed out, a portion of the deputy clerk’s salary was paid from building department funds because part of the duties of the position were in that department. He noted that about \$600 of the total salary of the deputy clerk came from building department collections. He also pointed out that with a raise given last year the salary of the deputy clerk should have been recorded as \$4,277 in the budget, rather than \$4,200. He called for a motion for the correction.

Trustee Tyler then noted that he had “for a long time taken exception to payment to the deputy clerk for lunch hours”. He explained that when he discovered the deputy clerk, Mrs. Margaret Tegge, was being paid on an hourly basis for seven hours per day and that this included one hour off for lunch he had objected. He said that he thought this was poor policy and that the annual salary adjustment last fall had corrected this.

Engagement Announced

The engagement of Barbara Lynn Wallace to William Michael Ross is announced by her parents, Mr. and Mrs. Charles G. Wallace, Jr., of 1012 Canterbury. He is the son of William Smith Ross, 15745 Pinehurst, Detroit.

The bride-to-be is a 1963 Northville high school graduate. She attended Henry Ford Community college and presently is studying at Schoolcraft Community college in the evenings while she is employed as a secretary at the Ford Motor company Wixom plant. Her fiancé, who is a former Novi resident, is employed by Standard Oil Company.

A May 28 wedding is planned.

News Around Northville

"Alterations Made Here" is the special P.S.A. presentation to be given at the Northville Camera club meeting at 7:45 p.m. Wednesday, April 13, at the Wayne County Training school.

Mrs. John Wortman, 231 West street, is the new secretary at the Carrington-Johnson Agency, Carl Johnson announced this week.

Airman First Class Sherry Manning and her husband, Technical Sergeant Ellwood Manning, have been transferred to Scott Field, Illinois. Their address there is 119 Philecia drive, Belleville, Illinois, 62220.

Sherry is the daughter of Mr. and Mrs. Guy Coykendall, 47150 Seven Mile road.

Four Northville Girl Scouts of Troop 1497 were among the 13 teenage girls who left April 1 on a two-week spring vacation to Mexico, where they are to visit Cuernavaca, Acapulco and Mexico City.

The girls are Betty and Ellen Klein and Sue and Sally Schlieff. One of the two chaperones was Mrs. Leonard Klein, Betty and Ellen's mother. The girls will participate in "Our Cabana," a meeting of Girl Scouts and Girl Guides from around the world in Cuernavaca.

A potluck dinner for members and their families Wednesday evening was to precede the meeting of the Wayne County High Priests association and Union Chapter No. 55, Royal Arch Masons, at the Northville Masonic Temple.

On March 30 the Union Chapter put on the Royal Arch Widows Degree at Dearborn Masonic Temple for both chapters. A social hour with refreshments followed in the dining room.

Advance reservations indicate the annual Tri-Club luncheon to be held Tuesday at Lofy's in Plymouth will be a sell-out. Participating will be Northville, Plymouth and Rosedale Gardens chapters of the Farm and Garden association. Professor Robert Inglehart is to be guest speaker for the event at which the Plymouth club is hostess.

Barbara L. Zerbel, daughter of Mr. and Mrs. G. H. Zerbel of Northville, was recently pledged to Alpha Gamma Delta, International Fraternity for college and university women. Barbara is a freshman at Parsons College in Iowa.

Bennett-Haynes Vows Spoken in Terre Haute

Charles H. Haynes, Jr., son of Mr. and Mrs. Charles Haynes of West Main street, claimed Elizabeth Rae Bennett of Terre Haute, Indiana, as his bride in a 10 a.m. ceremony last Saturday in Maple Avenue Methodist church in Terre Haute.

The bride, daughter of Robert Bennett of Terre Haute and the late Mrs. Bennett, was given in marriage by her father in a floral setting of white stock, gladioli

and daisies. Also decorating the altar were palms and candelabra. The Reverend Chester Mahon officiated.

The bride's gown of candlelight organza-over-silk was fashioned with long sleeves and was appliqued with Irish lace. The skirt extended into a cathedral train. Her tulle veil was shoulder-length, and she carried a stream of white daisies.

Mary Blake of Terre Haute

was honor maid. Bridesmaids were Barbara and Roberta Bennett, sisters of the bride, Mrs. William Reynolds of Indianapolis, a cousin, and Mrs. William Hansen, also of Indianapolis. Their long, powder-blue silk taffeta gowns were styled with Empire waists and short sleeves. They wore white gloves and carried spring bouquets of blue and white daisies. Their headpieces were of tulle.

Best man was William Hansen, while ushers were Peter Henshaw, Christopher Ogilby, William Roberts and John Reharrt, all fraternity brothers of the bridegroom in Tau Kappa Epsilon fraternity. The bridegroom's mother chose a powder blue silk ensemble for the wedding. Mrs. Ada Bennett, the bride's grandmother, wore navy and white. Their corsages were of blue and white daisies.

A reception for 150 guests was given in the formal lounge of the Tiley Memorial Union building of Indiana State university. For a wedding trip to Woodland Shores, Michigan, the bride changed to a white wool dress with mint green coat and accessories.

The newlyweds both are Indiana State university graduates. The bridegroom presently is on a teaching fellowship in the science department of the university. The bride, a member of Gamma Phi Beta sorority, is teaching English at Honey Creek high school in Terre Haute. They will make their home in that city.

MARIAN ANDERSON, "The Lady From Philadelphia," will be seen in Northville at 8 p.m. this coming Monday night as the See-It-Now film presentation of her State Department tour of Southern Asia is sponsored by the Alpha Nu Chapter of Delta Kappa Gamma international professional fraternity for teachers. Feeling that the film should be viewed by the entire community, the chapter has invited all local clubs to be its guests at the showing in the Northville high school auditorium.

Because Miss Ruth M. Knapp, an active and long-time member of the chapter, was deeply impressed when she first saw "The Lady From Philadelphia" in Detroit, she agreed to be chairman of a project to bring it here. Working with her as co-chairman has been Mrs. Myrtle Funk.

The film, Miss Knapp enthusiastically relates, reveals not only Miss Anderson's "rare gift as one of the world's great singers, but also her equally inspiring ability to communicate through the spoken word." On the trip, made between 1957-1960, Miss Anderson entertained Asian young people and also visited Ghandi's tomb for the State Department.

Special guests will be members of the Northville high school future teachers' club. Northville Mothers club has cancelled its regular meeting scheduled for Monday night to attend the special showing.

WSCS To Elect Officers

Election of officers heads the business agenda for the general meeting of the Woman's Society of Christian Service of Northville First Methodist church scheduled for Tuesday.

The meeting will be preceded by a Chapel Moments devotion at noon and a luncheon to be served by the Grace Tremper circle at 12:30 p.m. Devotions at the meeting will be led by Mrs. William Canfield.

Mrs. Paul Beard, chairman, announces that the program is to include excerpts from a recording by TRAFCO's Man With the Mike, dealing with such questions as, "What is the church's stand on Red China's proposed admission to the UN?", "What is youth thinking today?" and "Do Women Have a Mission in the church?"

Plans also will be completed for a WSCS rummage sale to be given at the church from 9 a.m. to 8 p.m., April 22. Donations now are being accepted. For pickup anyone with donations is asked to call Mrs. Warren Fittery, 349-3218, Mrs. Jessie Boyd, 349-3093, or Mrs. Floyd Gregory, 349-0795.

Also on the WSCS calendar is a mother-daughter tea to be given May 1.

Births

Mr. and Mrs. Sidney Lewis of Wolverine Lake, Michigan, announce the birth of a son, Doran Llewellyn, March 21 at Mt. Carmel hospital, Detroit. The baby weighed six pounds. Mrs. Lewis is the former Patti Owens.

Grandparents are Mr. and Mrs. Pierce Owens of Linden court and Mr. and Mrs. Thomas Boytarian of Pontiac.

Miss Knapp also relates that three teachers have been honored by the state organization as outstanding in their field. One of them, Miss Irene Ayars, of Hillsdale was Miss Knapp's eighth grade teacher there in 1908. She was cited for her "ability to inculcate into her pupils the desire to learn and the tested principles of patriotism--." There can be little doubt that Miss Knapp was among those influenced.

In digging for background information about Marian Anderson, Miss Knapp discovered a little noted sidelight to the publicized refusal of the DAR to allow Miss Anderson to sing in Washington's DAR Constitution Hall in 1939.

The DAR brochure points out that the dates sought already were reserved although the "Whites Only Clause" was the point made by the press. At the time the clause was in Constitution Hall contracts in conformity with District of Columbia laws and customs. Later the DAR and Miss Anderson did give a benefit concert in Constitution Hall. She since appeared there in 1954, 1955, 1956, in 1958 and 1960. The DAR also points out that its Constitution Hall was the only private place in Washington for many years where there was no racial segregation in the audiences. This policy has been in force during its entire operation.

The point today, however, is that Miss Anderson will be heard HERE Monday night ... and you are welcome.

CORNER

Mr. and Mrs. Larry McGlade and son Mark Steven.

It took three tries to schedule a picture of Mr. and Mrs. Larry McGlade and their four-year-old son, Mark Steven, in their new home at 551 Reed avenue. Larry McGlade, the fast-moving young fleet sales manager for Perkins Engines, Inc., in Wixom, was willing, but he first was sent to the west coast. Next a quick trip south intervened. Finally the smiling trio was captured at lunch hour.

His being able to come home for lunch is one of the things the McGlades like about living in Northville. Apartment dwellers until now, they are in process of settling their first home and enthusiastically report they like it here and hope to stay in the area. They already have entertained his parents, who came from Peoria for a visit - just as Mark was coming down with the chicken pox!

Kathleen McGlade's parents live in Niagara, Wisconsin. She was graduated from Milwaukee's Marquette University and is a registered technologist. She worked for the Milwaukee City Health department before her marriage in April, 1961.

After they were married, Larry McGlade served as an officer of the Army Ordnance Corps in Anniston, Alabama, and at the Aberdeen, Maryland, Proving Grounds. (He had been a second lieutenant in Purdue's ROTC). He then went to Lockheed Aircraft in Los Angeles in engineering and sales. The next move was to Columbus, Indiana, where McGlade was assistant to the director of construction and industrial sales.

In Columbus McGlade was active in the Junior Chamber of Commerce in which he served as committee chairman and director. He was state chairman of the JC-sponsored tennis tournament. He and Mrs. McGlade escorted the winning youngsters to the national tournament in Houston, Texas.

McGlade was a tennis enthusiast in college at Purdue, playing on the varsity team for four years. He also served on the university's yearbook staff, was senior class vice-president and a member of Theta Chi fraternity. He was named to Skull and Crescent activity honorary. He received his degree in 1960 in mechanical engineering.

At the university he also affiliated with ASME and SAE professional engineering societies. He was SAE president at Purdue in 1960.

In Columbus McGlade became a member of the Masonic Blue Lodge and hopes to continue his Masonic activities, going into the Scottish Rite Masonry. Both he and Kathy were active members of the Columbus Newcomers' club. Mrs. McGlade also affiliated with the AAUW and Welcome Wagon. She shares an interest in golf with her husband and also likes such active sports as ice skating, skiing and tennis. They also are bridge players.

This energetic young couple hopes to continue many of these activities in Northville. Larry McGlade's spring plans already include sightseeing trips to the lakes west of Northville - as well as a fifth wedding anniversary celebration to come next month.

Fort Gordon, GA. - Pvt. Robert L. Donnelly, son of Mr. and Mrs. Rene C. Donnelly, 45350 W. Ten Mile road, Northville, completed a lineman course at the Army Southeastern Signal School, Fort Gordon, Georgia, April 1. During his six weeks of training, Donnelly learned to lay and maintain open wire, lead and rubber-covered cable, and field communications wire.

The 20-year-old soldier entered the Army in November 1965 and completed basic combat training at Fort Knox, Kentucky. He is a 1963 graduate of Northville high school.

Miss Sharon Ann Johnson, daughter of Mr. and Mrs. Alex H. Johnson, 404 Dubuar street, Northville, has just received her oath of office as a second lieutenant in the United States Air Force Nurse Corps.

Capt. Dolores Kallinick, Air Force Nurse Selection Officer for Michigan, administered the oath of office. The commissioning ceremony was observed by the Johnson family in their home.

The Air Force is not new to Sharon's relationship. Her uncle, Kenneth Martens, is a retired Air Force Lt. Col. presently assigned to the American Embassy in Saigon, South Viet Nam.

Lt. Johnson, a graduate of Harper hospital, Detroit, is presently employed at a staff nurse at the Maybury Sanitarium, North-

ville. She expects to report to Sheppard Air Force Base, Texas in August for the medical officer orientation course.

USS Ranger - Airman Randal K. Famie, USN, son of Mr. and Mrs. Albert Famie of 38028 Tralee Trail, Northville was awarded the Vietnam Service Medal while serving off the coast of Vietnam aboard the attack aircraft carrier USS Ranger, currently on her second combat cruise to the Vietnam war zone.

With the aircraft of Carrier Air Wing 14 aboard the Ranger, the ship is a mobile landing field for air strikes against communist

City Seeks to Reduce Drainage into Sewers

The Northville city council approved the first reading of a long-sought storm drainage ordinance.

Specifically, the ordinance is designed to prevent the drainage of storm waters into the sanitary sewers.

A public hearing on passage of the ordinance has been called for April 18. If it wins approval, the council intends to make the ordinance immediately effective.

The ordinance has been under consideration for several months and has had strong backing from

City Councilman Del Black. Storm water drainage has caused flooding of city sanitary sewers in the northern portions of the community and source of the problem has been determined to be weeping tiles and sunken patios.

The new ordinance provides that "no surface or storm water from any source shall be allowed or permitted to enter the sanitary system of the city".

In addition to flooding the sanitary sewers with the possible result of backing up into base-

ments, the storm water uses up capacity in the interceptor sewer system which is metered by the county and thereby counted as part of the city's allocation in the system.

The ordinance provides that all downspouts must be constructed so that water is discharged a sufficient distance from the building to insure that it does not flow back into the footing tiles. It provides that violations can be ordered reconstructed.

It is also ordered that all improved surfaces be so constructed or altered that they drain away from the building. In the case of an existing condition determined to be causing a problem, the city manager may require alteration.

In other business Monday night the council approved May 7 and May 14, if required, for a joint city-township dog clinic at the city's fire department.

Township to Vacate Trailers

Trailer residents in the Gerald avenue area will be asked to vacate the premises by June 30.

The action was taken by the Northville township board Tuesday night and involves more than a dozen trailer units which have served as residences for several years.

The board was advised by its attorney, John Ashton, that the residences were in violation of the township's zoning ordinance. He proposed letters of notifica-

tion to the residents followed by legal action if necessary.

A request from the Mathier Trucking firm, which intends to build installations in the area, prompted the board's action.

Board members decided to proceed with a special assessment project to install a sanitary sewer line along the east side of Northville road serving several residences south of Seven Mile road. County health authorities have declared that one of the residences must connect to a sanitary sewer or rebuild its faulty septic field.

The area residents objected to the original assessment proposal, which was estimated at near \$17,000 for the seven properties. Tuesday night the board decided to pay the cost of the "outfall" sewer leading under Northville road to the interceptor and the legal and engineering fees from general funds and assess the pro-

perty for the lateral line in front of their homes. This is expected to reduce the assessment in half. A public hearing will be called on the assessment.

Future Nurses Club Receives its Charter

The Future Nurses club of Northville High school has just received a national charter from the National League for Nursing, New York. Through its charter, the club takes its place among some 2,100 high school groups exploring careers in nursing and health in the United States to achieve national status.

The charter signifies that the Future Nurses club fulfills requirements established by a national advisory committee on Future Nurses Clubs. It was granted on the recommendation of Principal F. Stefanski.

As a chartered club, the Future Nurses club is participating in a national youth program to help the nation meet future nursing needs. The club's activities are designed to enable members to explore career opportunities in nursing and the other health fields.

Nurses, student nurses, and various health workers discuss career opportunities with members and answer questions. Films illustrate different aspects of health care. Field trips to nursing schools, hospitals, and other community health agencies expand career horizons.

Members have visited Grace Hospital, Harper School of Nursing, Plymouth State Home & Training School during the past year to observe nurses at work.

Community projects also help club members gain insight into nursing and health work. Members are now taking part in volunteer work at Plymouth State Home & Training School and supporting a little orphan girl in Ecuador.

The Future Nurses club has 14 members this term. Club officers are: Patti Wachtel, president; Tammy Fust, vice president; Di-

ane Howard, secretary, and Jeanne Barnes, treasurer. Miss Meroe Stanley, home economics teacher, is faculty adviser to the club.

The Future Nurses club is one of about 4,600 Future Nurses and other health careers clubs across the country. Total membership is approximately 140,000. The majority of clubs have been organized since 1950, many of them with the active help of the woman's auxiliaries to the local medical societies and other civic groups. The clubs became nationally sponsored in 1954 by the Committee on Careers, National League for Nursing, New York.

In Our Courts

In a jury trial Monday Fred McKernan was found guilty of violating a Northville city ordinance in keeping junk and debris on the rear of his property at 210 South Rogers street.

The fine was set at \$100 and \$20 costs or 10 days by Judge Charles McDonald. At press time Tuesday the fine had not been paid pending the decision of the defendant and his attorney, Charles Toy of Milford, to appeal. If the decision is made to do so, bond was set by Judge McDonald at \$200.

The much-delayed case originally was brought January 12 of this year on complaint of Oscar Hammond. McKernan was ar-

raigned January 17. The case was adjourned to January 31, then to February 14, February 21 and to March 21 after the demand was made for a jury trial on March 18. Jurors were William Asher, Stuart Campbell, Harry Smith, Russell Amerman, Fred Casterline and Levi Eaton.

A bench warrant was issued Tuesday for Truman Howard, a Northville township resident, for failure to appear at arraignment March 28 before Judge McDonald. He was charged with assault with intent to do great bodily harm in

an incident at the track on March 23.

Two driving violations also came before Judge McDonald Monday. Mary Poynter, 15036 Evergreen, Detroit, was charged with driving without due care and caution on Seven Mile road March 18. She pleaded guilty and paid a \$10 fine and \$10 costs.

David D. Obrenovich, 504 West Liberty, South Lyon, was found guilty of speeding 70 miles an hour in a 50-mile zone on Eight Mile road between Taft and Beck roads March 27. He paid \$20 fine and \$10 costs.

ADVERTISEMENT for Sanitary Sewer and Meter Pit for the Northwest Area Outlet and Interceptor Sewer for the City of Northville, Michigan

Sealed proposals will be received by the City of Northville, Michigan, up to 8:00 P.M. Eastern Standard Time, on April 25, 1966 and promptly thereafter, the proposals will be publicly opened and read aloud. The proposals will be reviewed by the City Engineer and the award of the contract will be made by the City Council at the earliest time possible.

The work to be performed consists of furnishing and installing approximately the following quantities:

Table with 2 columns: Item description and Quantity. Includes 15" C-200 Vit. Pipe (4940 lf), 6"-20" Deep St'd manholes (14 ea), 8"-16" Deep Drop manholes (7 ea), Meter pit w/12" parabolic flume, elec. transmitter and recording receiver (1 ea), and All with necessary appurtenances.

No bidder may withdraw his bid within 30 days after the date set for the opening thereof. Proposals shall be submitted on forms furnished by the Owner.

Each proposal must be accompanied by a certified check, money order, or bid bond by a recognized Surety Company in the amount of at least 5% of the amount of the total bid. Payable to the City of Northville, Mich., upon failure of the accepted bidder to enter into a contract with the City of Northville within 15 days after the award of the contract to the accepted bidder.

The successful bidder will be required to furnish 100% Performance and 100% Labor & Material Bonds.

The Contract Documents, Plans and Specifications will be on file and open to public inspection at the office of the City Clerk, 215 W. Main St., Northville, Michigan, or at the office of the City Engineer, H. W. Penn-Engineers, 100 W. Dunlap, Northville, Michigan. Documents may be obtained at both of the above locations.

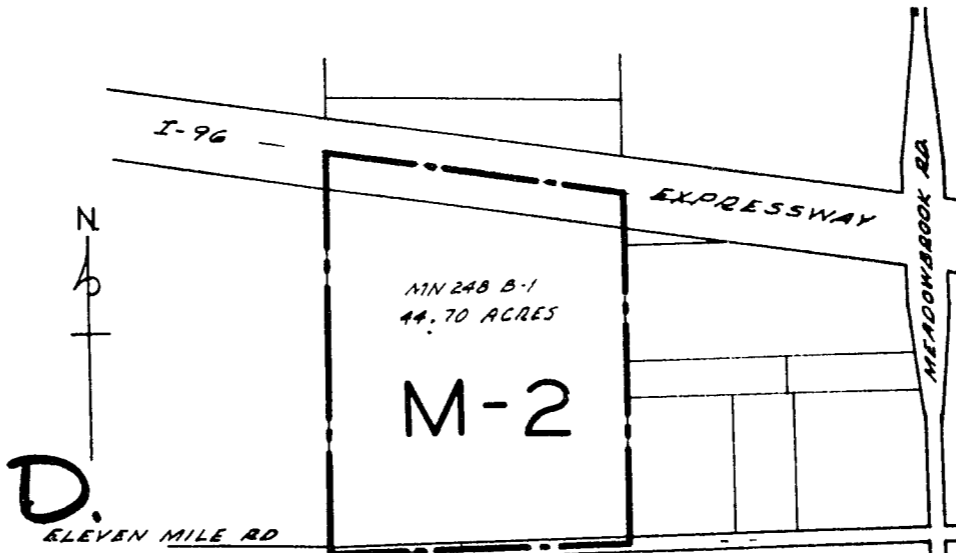

A deposit in the amount of \$20.00 is required for each set of Plans and Specifications, and will be refunded upon return of the Plans and Specifications in good condition within 10 days after the opening of the bids.

The right is reserved by the City of Northville to accept the lowest qualified bid, to reject any or all bids, or to waive informalities in bidding in the best interests of the City.

City of Northville, Michigan
Martha M. Milne, City Clerk

D. On petition of Charles Van Every the Board has been requested to rezone Item MN248B-1 being the south 60 acres of the west 1/2 of the S. E. 1/4 of Section 14, T. 1 N., R. 8 E., Village of Novi, Oakland County, Michigan, except that part lying north of the southerly line of U. S. 16 (I-96) Highway as relocated 44.70 acres from an R-1-F, Small Farms District to an M-2, Restricted Manufacturing District.

This parcel is located between Eleven Mile Road and I-96 about 1/4 of a mile west of Meadowbrook Road.

This hearing will be held at 8:00 o'clock P.M. Eastern Standard Time at the Novi Village Community Building, located at 26350 Novi Road, April 25, 1966.

NOTICE IS FURTHER GIVEN that a copy of the proposed Amendments to the Zoning Map may be examined at the Village Office at the Village Hall during the regular office hours until the date of the Public Hearing.

Men's Club To Hear Red Jones

One of baseball's most colorful umpires, Nicholas "Red" Jones, will be principal speaker at a dinner meeting of the Presbyterian Men's Club, April 14 at 8:30 p.m. at the church.

Northville's spring sports program officially made its debut, and a winning one at that on a cold Monday afternoon this week as the netmen edged past visiting Holly, 3-2.

Only one of Northville's top tennis hands who wasn't shaking from the chill wind was number one singles man, Jim Long. He was long gone on a vacation trip down south, where spring actually means warmer weather.

But back on the home front his mates warmed to the task and took up the slack left by his absence. Norbert Parent, the number two singles player, moved up to the top spot and beat Duane Addis, 6-4, 6-3.

Larry Thibos likewise moved up a notch to number two, polishing off Bill Husted, 6-1, 6-3, however, Steve Quay, who normally plays doubles, found his opponent, Ron Ranger, a little too tough to handle. Quay lost, 6-4, 6-2.

A 7-5, 6-1, victory by the top doubles team of Randy Caliguri and Bill Hart actually nailed down the win for Coach Dick Norton's netters, who are one of the favorites to cop the Wayne-Oakland Conference title. The second duo of Dave Eberhart and Randy Burnett, after a convincing, 6-2, win in the first set, was upended in two straight sets, 3-6, 2-6.

The season will get into full swing beginning today as the tennis and baseball squads see action. Norton's charges will travel to Milford for their second straight W-O encounter, and the baseball team will get its baptism against Brighton, also on the road.

"On paper we're strong," said Diamond Mentor Bob Kucher, "but there are a lot of intangibles in this game." Some of those intangibles just might make themselves manifest today.

As usual, it's expected that the moundsmen will have the edge on the batters, but if one of Northville's hurlers does not measure up to pre-season predictions, the Mustangs could have trouble, even though Brighton isn't one of the stronger nines in the conference.

Kucher has picked his top pitcher, Senior Steve Evans, to face the Bulldogs. He is one of nine veteran ball players who will start in the opening game.

Jerry Insland, a powerful stick man, will get the call at first base. Senior Bob Bartski will play second, Senior John Jameson will be back at his old position, short stop. He was Northville's top RBI man last year. Fielding the hot shots down the line will be Third Baseman, Senior Dave Boerger, another letterman.

Junior Pat Hall, Northville's best defensive outfielder, will play left field, Senior Mike Turnbull will shag flies in center, and

Senior Phil Andrews, out last year because of injury, will get the starting call in right field. Andrews has been hitting the ball solidly in practice.

Back of the plate will be Junior Doug Swiss, a rugged defensive specialist, who handles pitchers with special aplomb. If Evans should falter in his first try, Kucher will call in Sophomore Dennis Primeau, a fire baller with a sinking fast ball.

Back of Primeau are Juniors Mike Grant and Steve Kehrer, and Sophomore Bill Skelly. "If Skelly remains our number five pitcher, I'll switch him back and forth between the JVs and varsity to help him develop," Kucher pointed out.

Other varsity players who will give Kucher some depth are Junior Chris Holman, a good defensive man. Infielders Dave Anglin and Tom Frountelzer, and Catcher-outfielder Randy Pohlman. All are untried.

In 6'6" Bruce Evenson, Brighton has an experienced pitcher, who could give the Mustangs trouble. "When he's on, he can be tough," said Kucher.

Northville will get back into action again next Tuesday and Wednesday when it meets Clarenceville on the road and Walled Lake home, respectively.

Like Brighton, Clarenceville is short on experienced ball players, having lost its strong right handed pitcher, Danny Freels, one of the league's best last year. Primeau will pitch against the Trojans.

When Walled Lake comes to town, Kucher hopes to use his three remaining hurlers, Skelly, Grant and Kehrer, each for a two inning stint.

Novi Sports Schedule

Table with 2 columns: Date, Game. Includes April 14 Northville-Home, 21 Clarenceville-Away, etc.

Table with 2 columns: Date, Game. Includes April 22 Northville - 7 & 8th grades, A, 28 Milford -9th grade, A, etc.

TRACK The thinclads will face some stiff competition the first time out next Wednesday at home. Lutheran West, with its top miler Ron Strang leading the way, will be a real test. Strang is one of the best milers in the state, having turned in a time of 4:26 this early in the year.

For the first time in many years, Northville has a full complement of trackmen -- 65. But most of them are untried.

Eagerly awaiting Strang's visit will be former teammate, Roger Kline, who now wears the orange and black of Northville. Kline, a transfer last year from Lutheran West, holds the local high school record in the mile. In his second attempt in the event last year, Kline broke the record with a time of 4:47.

Coaches Ralph Redmond and John Hyde got some good news this week. Their top pole vaulter, Dennis Cook, sidelined by illness recently, will definitely be ready for Lutheran West. Besides that, three hurdlers, Randy Simpson, Greg Carr and Jim Kleinsorge, have been improving with each practice in an event in which Northville looked weak before the start of the season.

Suffering most from the inclement weather has been Coach Al Jones' linksters. They've been out only five days thus far, and there's much to be done before they open the season Monday against Bloomfield Hills, the perennial powerhouse of the W-O League.

Within a few short days, Jones must cut the turnout of 35 to 11 or 12. He's hoping to find two or three solid golfers who can team up with his three veterans, Rick Talbot, Bob Regenhart and Mike Hlohenic.

There was some optimism on the course this week, however, for one of the strongest group of freshmen has reported for practice. "They're the best freshmen bunch as a group that I have had," said Jones.

In the running for a spot on the team are Freshmen Billy Thomas, Tom Fagan, George Neisch, Brent Snelgrove and Jim Sanders, Sophomore Jerry Asher and Juniors Rick Davis and John Bunn. Jones said not until the newcomers get in a match will he definitely be able to size them up.

TOP TWIRLERS—On the arms of these four youths rides much of the success Northville is looking for in the upcoming baseball season. Heading the mound corps is Steve Evans (left), a veteran who toured with a prep team selected by the Detroit Tigers last year. Next to Evans is another veteran, Mike Grant, who is a control specialist. Newcomers to the staff are Dennis Primeau and Steve Kehrer, the only southpaw.

DRAWS FLYING SAUCER-David Severance, formerly of Northville and now serving as a corporal with the Wash-tenaw county sheriff's department, was in charge of the shift during the weekend when over 40 persons reported seeing flying saucers in the Dexter area. From descriptions which crackled over the department radio, and especially one given by a fellow officer, Severance sketched the objects for newsmen. "I guess you could say I'm not a believer," he said, however.

ATTENTION: Residents Of Salem Township

The Salem Township Fire Ordinance requires that a fire permit be obtained before burning any grass or brush when ground is not snow-covered. Permits can be obtained without charge by calling your fire chief, Charles Raymor, at FI 9-1741, or if you are unable to reach him, by calling the fire department at FI 9-1155.

A fire permit is not required to burn trash in a container with a cover. However, if the fire is allowed to escape from the container all cost to the township for the suppression of said fire shall be billed to the party responsible.

A few safety rules to be followed if you have a permit are as follows:

1. Confine your burning to early morning or late evening
2. Never start a fire when the wind is blowing
3. Have enough help on hand to control the fire
4. Have water and brooms handy
5. NEVER LEAVE A FIRE UNTIL IT IS OUT!

SAFETY SURVEY—When the team of insurance inspectors visited Northville Wednesday, March 30, they spent the entire day checking traffic signs and inspecting buildings for fire hazards. Their report will be compiled and turned over to the Northville Community Chamber of Commerce, sponsors of the project. The Chamber will in turn give the information to the city for consideration and improvements, where needed. The program included a luncheon at which Lt. Ray Mackie (above) of the fire prevention department of the Detroit Fire Department demonstrated a number of common fire hazards. He told his audience that smoke inhalation is the biggest killer, not fire. And he advised all homeowners to have a family plan for escape that includes two ways out of the home. The sign inspection, which was also undertaken by the insurance company representatives, was the first such survey in the state of Michigan. Among the signs found defective was the one below that has been defaced. Evans Brown, public relations director for the Michigan Capital Stock Insurance Association, points to the sign, while Patrick Stainsby, state agent for the Hanover Insurance Group, looks on. Still another sign is shown bent nearly to the ground.

Two Given Great Books Certificate

Mrs. George Glenn and Mrs. Jack Slotnick Monday received their Junior Great Books leader certificates from the Great Books Foundation in Chicago. The presentation was made by Mrs. Albert Myers, parent-secretary of the Northville, group, who pointed out they signify successful completion of an intensive eight-week training course.

"They are a delightful addition to our organization," Mrs. Myers said, adding that they will make it possible to have additional discussion groups next year for school-age children.

Though considered challenging and time consuming, the course was called "rewarding and mentally stimulating" by the new leaders. "The Socratic dialectic form of questioning can be used in other areas as well as Junior Great Books discussion groups," Mrs. Glenn, who also is a substitute teacher in the Northville schools, pointed out. During the eight week-course the leader-trainees meet two hours weekly.

No Incumbents

Ironically, he was defeated in seeking a full term in 1965 by the man whose term he first filled out. Donald Lawrence ran for the post against him when he was transferred back to the area.

Although none of the board members specifically mentioned the number or length of recent board sessions, it was felt that they were most time-consuming. In addition to two regularly scheduled monthly sessions, there have been additional public and executive sessions. In one week earlier this year the board was reported to have met six out of eight nights to deal with expansion plans, personnel problems, millage and budget items and teacher salary negotiations.

In announcing his candidacy, Froelich said he hoped it would "spur responsible people to run for responsible jobs."

Froelich, who is director of campus services for Oakland

Community college, has three children in Northville schools, Robert, Jr., 15; Sue, 13 and Heidi, 10.

He has an AB degree in economics and business administration from Hope college and a master's degree in school business management from the University of Michigan. Froelich, who had been assistant to the director of the Toledo Museum of Art, returned to Michigan to be assistant to the president at Schoolcraft Community college. He also has been affiliated with Ford Motor Company in Michigan and Ohio.

While in Avon Lake, Ohio, Froelich said he had served as a Red Cross board member, on the YMCA board and as chairman of the Avon Lake mayor's civic service committee.

School district voters also will be going to the polls in a millage election May 9.

Lunch Hour Pay

Continued from Page 1

Several members of the audience spoke in behalf of the deputy clerk and noted her 11 years' service warranted more pay. Mrs. Carl Wilson moved for approval of \$4,300 salary. Eugene Guido called for a substitute motion at \$4,500.

Trustee James Tellam defended Trustee Tyler's position by pointing out that it had been reported last year that the deputy clerk was being paid \$2.35 per hour and deserved a raise. But, Tellam stated, it was discovered that the \$2.35 was figured on a basis of a seven hour day, which included a lunch hour. He said this actually figured out to \$2.75 per hour worked.

He said that \$4,200 per year would amount to \$2.70 per hour for a 30-hour week and that a rate of \$2.75 per hour would be paid for all time over 30 hours per week.

Joseph Fiorilli said he believed it was "extravagance to begin overtime at 30 hours. Let me put it this way. I must work a 40-hour week to get taxes to you, I don't think it's too much to expect to have those working for us to do the same."

Supervisor Merriam explained that obtaining clerical help was difficult and that the township offices worked a short week for that reason.

Trustee Tyler said he "didn't care how much Mrs. Tegge is paid. I just think the structure is flimsy."

Supervisor Merriam then called a voice vote on the substitute motion - for a \$4,500 salary.

He proclaimed that the motion had passed, but a member of the audience asked for a show of hands.

It revealed that the vote had been 18-15 against the \$4,500 salary. The \$4,300 salary passed unanimously.

Raises for the supervisor, clerk and treasurer were questioned, but approved.

William McDermott, chairman of the water and sewer commission, then pointed out the township's existing water and sewer system and noted that the trend throughout the suburban area is to purchase Detroit water. Through the use of maps he pointed out existing and projected future water and sewer lines. Clerk Young explained the expansion of the township board to

"Banjo Playing Priest" Appearing at OLV Dance

Father Joseph Dustin, the "Banjo Playing Priest", will be a featured attraction at the annual dinner dance sponsored by Our Lady's League of Our Lady of Victory church of Northville.

The dinner dance will be held at the Roma Hall in Livonia and will begin at 7 p.m. Music for dancing will be provided by Bob Freeman and his orchestra.

Father Dustin is a Roman Catholic priest in the Redemptorist Order who was born and raised in St. Louis, Missouri, once a center of ragtime activity. Coming from a musical and theatrical family, his love for music - and particularly jazz - was a natural result.

Father Dustin has recorded two albums, "Songs Father Taught Me", and his second album "More Songs Father Taught Me" is rated as "one of the fastest selling discs in town". The priest is making a strenuous effort to display the capabilities of the plectrum banjo - the only American instrument developed by the American Negro.

Some of the national television programs in which he has participated are "What's My Line", "To Tell The Truth", the "Tonight" show and many other local television shows. He has appeared twice at the American Festival of Music in Detroit's Cobo Arena and at Detroit's Town Hall, Fisher Theatre and many other too numerous to mention.

All of Father Dustin's musical engagements take place in his free time between a schedule of preaching assignments.

Proceeds derived from his musical endeavors - be it a fee for a radio, television, personal appearance, or royalties from the sale of his two albums - are earmarked for the Redemptorist Missions in Brazil and Thailand. Having the vow of poverty, Father is allowed no personal possessions of his own - including his plectrum banjo which, in keeping with his religious rule, belongs to the Redemptorist Order.

Northville High Students Win Forensic Honors

Thirteen Northville high school youths who survived district forensics competition last Thursday at Clarkston earned the right to compete for honors in the regional contest April 19 at Dearborn high school.

Topping the list of winners was last year's winner of the state humorous reading contest, Glenn Deibert. The Junior took first place in the district with his humorous rendition of "Cyrano De Bergerac".

Other first place winners were Sarah Lindberg in girls' extemporaneous speaking and Mark Hesse in radio news analyst.

Those who finished second and also gained a regional berth were Sue Hill in interpretive reading, Pam Smith in girls' extemporaneous speaking, Ray Waldron in boys' extemporaneous speaking, Jim Kleinsorge in radio news analyst, the group of Larry Thibos, David Orphan, Bruce Martin, Bill Hart and Norbert Parent in multiple reading, and Steve Hughes in declamation.

Over 400 high school students participated in this year's local forensic program, supervised by Miss Florence Panatoni and Miss Bat Dorrian. Eliminations were held first at the class level, then those chosen vied for the right to represent the school in the district.

Besides those who took honors in the districts, other winners at the high school were Cristie Becker in declamation, Rosemary Joughin in interpretive reading, Tom Baughman and Mike Turn-

bull in oratory and Jack Crawford in humorous reading.

Glenn Deibert, a winner last year in the state forensic contest, is well on his way to duplicating the feat this year.

The high school junior swept through five elimination rounds at Battle Creek last Saturday in a special invitational speech contest to win first place and earn a berth in the state finals to be held later this month in Ann Arbor.

A junior, Deibert was the only Northville entry. He joined a bus load of Dearborn youths to make the trip.

His winning selection was a humorous reading of an excerpt from "Cyrano De Bergerac," the famous Frenchman with an intrusive nose and a bombastic temperament to match. A sophomore last year, Deibert topped the state's humorous readers with his rendition of "Huckleberry Finn."

Celebrate 60th Anniversary

Mr. and Mrs. Clyde Poulson celebrated their 60th wedding anniversary, Sunday, April 3. The family get-together will be held at the home of their son, Charles, and family in Milford on Easter Sunday.

The Poulsons have 4 children, 10 grandchildren and 11 great-grandchildren. All will be present at the get together except their son Harold and family who live in California.

In One Month City Building Hits \$916,554

The city's building department reports local business booming. Inspector C. Oscar Hammond reported the biggest month in the city's history in March with building projects totaling \$916,554, which yielded some \$2,000 in building fees.

The total for the entire year in 1965 was \$1,672,000. Biggest item on the month's report was the issuance of 54 new house permits to Dave Pink Builders, Inc., developers of Northville Heights No. 2. These permits amounted to \$887,000.

Churches Observe

Communion at Northville Methodist church and 8 p.m. Communion at Northville Presbyterian church. Novy Methodist church will hold Maundy Thursday services with the New Hudson church at the latter church at 8 p.m.

Good Friday Services

United community Good Friday services will be held in Northville at the First Methodist church from 1:30 to 2:30 p.m. with the Reverend Lloyd Brasure, minister of the First Presbyterian church, giving the sermon, "No Cross, No Crown." The offering will be given to the Northville King's Daughters for local charity.

Good Friday Tenebrae service at St. Paul's Lutheran church in Northville will be held at 7:30 p.m. with brief meditations on "The Seven Words From the Cross" interspersed with singing by the congregation and the church choirs.

United Good Friday services will be held at Northville First Baptist church at 1:30 p.m. with the First Baptist churches of Wixom and Novi participating. The Reverend Robert Warren of the Wixom church will deliver the sermon, "It Is Finished." Special music is planned by Dewey Gardner, director of music for the Northville church.

A combined service will be held at Novi Methodist church at 1 p.m. Friday with the Reverend Marvin Rickert of Willowbrook Community church speaking. Evangelical Lutheran Church of the Epiphany will join in Good Friday community service sponsored by the Plymouth Ministerial association at the First Methodist church in Plymouth from noon to 3 p.m.

Easter Services

At Northville Presbyterian church the 7 a.m. Easter morning early service will be led by the senior high church school class under the direction of Mrs. George Weiss and by the youth choir with Mrs. George Jerome. Breakfast will follow. The Reverend Lloyd Brasure will deliver the Easter message at 9:30 and 11 a.m. services.

Fun Jobs Available!

A call is out this week for PTA Clown Town Carnival workers to man booths at the annual PTA event to be held this year on May 20 at the Main street schools. Sam McSevery, general chairman, is asking parents and friends to sign up for one-hour stints at the fun booths of the midway. The carnival is the joint money-raising event of the Northville schools' PTAs and finances all the year's activities. Anyone willing to participate is asked to call McSevery at 349-2313.

Leslie Lee To Retire

The resignation of Leslie G. Lee, director of music at Northville high school, was accepted last week by the Northville board of education. Lee, who wrote that he was retiring after 36 years in the Northville system, said he had enjoyed his teaching here. The board expressed its appreciation of his service.

The action was one of many on a full agenda which was topped with the upcoming millage issue. Other items handled during the four-hour session included: School bus bids from eight firms were opened and referred to the administration for recommendation. They ranged from \$2,975 to \$3,739 for a 60-passenger chassis to \$3,125 to \$3,979 for a 66-passenger chassis.

A 1966-7 leave of absence for Susan Taylor to continue working on her master's degree was approved "persuant to regulations." Elroy Ellison, administrative assistant, was authorized to attend the Michigan school business officials conference in Grand Rapids April 13-15. Election inspectors were approved with the suggestion that a shift system be used to shorten their day at the polls. The board received a report from its attorney, James Littell, that he was in process of revamping the purchase terminology to conform with the land survey for the new junior high.

John Stewart, CPA from the Port Huron area, was interviewed as a candidate for school auditor. The board also received a question from Louis Wallenaier of Wash Oak school district regarding possibility of its students going to Northville. The board pointed out it adopted the policy of phasing out all non-resident students a year ago. Approval and encouragement of the annual September Stratford, Ontario, Shakespeare festival trip for 180 high school students was given. Fred Stefanski, high school principal, reported that Northville has the highest percentage of students of any school in the state attending.

At Northville St. Paul's Lutheran church a sunrise service with Holy Communion is scheduled for 7 a.m. The Easter Festival Service begins at 10:30 a.m. with the Reverend Charles F. Boerger's sermon theme being "Real Easter Excitement." An Easter breakfast will be served from 8 to 10:15 a.m. Instead of regular Sunday school sessions a special children's Easter service will feature a colored, sound filmstrip, "He Is Risen", beginning at 9:15 a.m.

At the Evangelical Lutheran church of the Epiphany there will be a 6:30 a.m. sunrise service with Holy Communion followed by a breakfast. Special choir music will be a feature of the 11 a.m. service at which Pastor David Strang will deliver the Easter sermon. There will be no 8:30 a.m. service.

Northville First Baptist church will hold a sunrise service at 6:30 a.m. and regular Sunday school at 10 a.m. and service at 11 a.m. A special program by the choir and musical groups will be presented at 7 p.m. the Reverend Robert Spradling has announced.

Novi Baptist church will hold an Easter sunrise service at 7:30 a.m. with missionary interne, Gerald Reimer, presiding. Departing Pastor Paul Barnes will be in charge of the 11 a.m. and 7 p.m. services. A breakfast for young people of the church will be held at the Pancake House in Wixom.

Orchard Hills Baptist church will hold sunrise service at 6:30 a.m. with the devotional message being brought by Arthur Rhoads. Mrs. Ray York and Mr. and Mrs. Rhoads are planning special music. A breakfast is to follow at 7:30 a.m. The Reverend Fred Trachsel has planned a parent dedication of children to the Lord at the 11 a.m. service. There is to be a baptismal service at 7 p.m. Trinity (Baptist) church will hold Easter service at 11 a.m.

Northville First Methodist church will hold a sunrise service at 7 a.m. under the direction of the Methodist Youth Fellowship. Breakfast is to follow. The sermon, "Christ Chose Judas," will be presented by the Reverend S. D. Kinde at the 8:30 and 11:30 a.m. Easter worship services.

Novi Methodist church youth will sponsor the sunrise service at 7 a.m. with breakfast at 8 a.m. Easter service will be at 9 a.m. Willowbrook Community church will hold sunrise service at 7 a.m. with breakfast, sponsored by the youth fellowship. Special anthems will be presented by the chancel and children's choirs. At Holy Cross Episcopal mission Easter service will be at 11 a.m. with the Reverend John J. Fricke officiating. The mission dedicated ground for its church at Ten Mile near Taft road last Sunday. Easter will be observed at regular services at the Full Salvation Union church.

Obituaries

Mrs. Charles Altman, Sr.

Funeral services were held Wednesday afternoon for Mrs. Charles A. (Anna M.) Altman, Sr., a resident of Northville since 1917 and the co-owner of a grocery and party store business here since 1933.

Mrs. Altman died Monday at Sinal hospital in Detroit. She had been ill for more than one year. Although not active in the day-to-day operation of the business, Mrs. Altman was a partner in the Good Time Party Store, 567 Seven Mile road, with her son, Charles, Jr.

The business was started in Northville by the late Charles A. Altman, Sr., who died in 1954. An advertising manager for a chain of theaters which included the Garrick, Shubert-Detroit Opera House, Lafayette and Cass, Mr. Altman opened the Center Street Grocery in Northville in 1933, when the depression curtailed activity in show business.

Originally, the store was located in the old Northville opera house at Center and Dunlap. It was later moved to two other locations in the Center street block between Main and Dunlap before a new building was constructed on South Center street, now the home of the Eagles Lodge.

The Center Street Grocery became The Good Time Party Store in November, 1961, when the business was moved to its present location. In addition to her son, Mrs. Altman is survived by a daughter, Mrs. Howard F. Hunt of Ardsley Park, Avon-on-the-Hudson, New York, and three sisters, one brother and seven grandchildren.

She resided at 790 Grace and was a life member of the Northville chapter of the National Farm and Garden Club and the Woman's Club.

Funeral services were held at 2 p.m. Wednesday at the Ebert Funeral Home with the Reverend S. D. Kinde of the First Methodist church of Northville officiating. Burial was at Grandlawn cemetery in Detroit.

RICHARD K. ESHELMAN
Richard Kitchell Eshelman, 1052 Grace Court, Northville, died Tuesday, April 5, at Oakwood hospital in Dearborn. He had been ill since March 1. Born July 1, 1925 in Hastings, Nebraska, he was 40 years of age. His parents were Clifford F. and Ruth E. Johnston Eshelman. He is survived by his wife, Laura Dell; his mother of Riverton, Nebraska; a daughter, Lynn Marie, and a son, Craig Richard, both of Northville; two sisters, Mrs. Doris Pupper of Monument, Colorado and Mrs. Elizabeth Yelken of Riverton, Nebraska; and a brother, Phillip of Southfield. He came to Northville in July 1965 and was an engineer with Ford Motor company staff department, Dearborn. He was a member of the Northville First Methodist church and the Society of Automotive Engineers. Visitation is at Casterline Funeral Home in Northville. Funeral services will be held Friday at the Methodist church, Northville, at 10 a.m., the Rev. S. D. Kinde officiating. Interment will be in Oakland Hills Memorial Gardens, Novi.

ment will be in Oakland Hills Memorial Gardens, Novi.

LOUIS C. GIRARDIN
Death took Louis C. Girardin, 74, March 29, at his Santa Monica, California home. He had been a lifelong resident of Northville prior to retirement from the Ford Motor Company. His wife Ruth; three daughters, Mrs. Lillian Ingram of North Hollywood, California, Mrs. Ruth Merchant of Denver, Colorado and Miss Susan Girardin of North Hollywood; three sons, Louis of Northville, William of Santa Monica and Joseph of Novi; and seven grandchildren survive. The Rosary was recited Sunday, April 3, and prayer services were held Monday, April 4, at Moeller, Murphy and Moeller funeral parlor, Santa Monica. Interment was in Fort Reservoir National cemetery.

THOMAS W. MCCARDLE
A former Northville businessman, Thomas William McCardle died Sunday, April 3 at home after an illness of several years. He lived at 213 Cheriton, Walled Lake. Born March 2, 1888 in Meaton, Ontario in Canada, he was 78. He was preceded in death by his wife, Minnie, and his parents John and Ann Rafferty McCardle. Survivors include a daughter, Mrs. Winifred Mummy of Northville; two sons, Thomas J. of St. Thomas, Ontario and Robert of Pfallzer-Wald, Germany; and two sisters, Mary Ann Lorraine of Waterloo, Ontario, and Sarah Gannon of St. Mary's, Ontario; five grandchildren and three great-grandchildren. McCardle came to Northville in 1908 and operated a plumbing and heating business here for many years. He was a member of St. Williams Catholic church of Walled Lake and a former member of Our Lady of Victory church, Northville. Funeral services were held Tuesday, April 5, at Our Lady of Victory church, the Rev. Father John Wittstock officiating. The Rosary was recited Monday at Casterline Funeral Home. Burial was in Rural Hill cemetery.

JAMES R. RITCHIE
James Roy Ritchie, 83, died Friday, April 1, at West Trail Nursing Home in Plymouth after an illness of about a year. Born in Watford, Ontario in Canada, he lived in Detroit from 1918 until 1931 at which time he and his family moved to Northville. From 1949 until his illness he had lived in Tampa, Florida. Surviving are his wife, Winifred; one brother, John I. of Ontario; three sons, Harvey P. and Richard C. of Northville and James A. of Plymouth; and five grandchildren. Following cremation, his ashes will be returned to Florida.

Local Officials Invited To Inter-Area Meeting

The city and township of Northville have been invited to participate in a meeting of area officials for the purpose of discussing means for developing improved inter-community cooperation.

Sponsored by the Plymouth chamber of commerce, the dinner meeting will be held at 7:30 p.m. at the Thunderbird Inn on Wednesday, April 27. Representatives of the city and

township of Plymouth and Canton township have been invited to participate in the discussion, which will be chaired by Dr. Howard Y. McClusky of the University of Michigan.

Invitations have been issued to Mayor A. M. Allen and City Manager Frank Ollendorff from the city and Supervisor R. D. Merriam and Clerk Marguerite Young from the township.

What's Cooking

Following is the Northville high school cafeteria menu for the week of April 11 with hamburger-on-bun and French fries as an alternate choice daily.

Monday - meat pie, muffins-butter, or mushroom soup, meat sandwich; all with lettuce and apple salad, prune spice cake, milk.

Tuesday - John Marzetti, rolls-butter; or bean soup, meat sandwich; all with lettuce wedge, pineapple- upside-down-cake, milk.

Wednesday - hot dogs-on-bun, baked beans; or green vegetable soup, meat sandwich; all with relishes, apple crisp, milk.

Thursday - meat loaf, gravy, mashed potatoes, buttered green beans, rolls-butter; or chicken noodle soup, meat sandwich, relishes; all with pears, milk.

Friday - Fishie-in-a-Blanket, French fries; or tomato soup, egg salad sandwich; all with cole slaw, cherry pudding, milk.

Goodwill

Local contributors to the Goodwill Industries will no longer have to go out of town to place goods in a drop box.

Soon such a box will be provided at the Northville Kroger store, it has been announced by Paul E. Field, Goodwill community relations director.

To be a white box with a blue peaked roof and blue lettering "Courtesy of Krogers", it will help employ almost 500 handicapped employees of Goodwill. Two boxes such as this will keep 175 workers busy continually, said Field.

EASTER

Sing "Alleluia!" Christ is Risen... and the Divine Miracle of Easter, the glorious message of Easter live forevermore. At this holy, happy season, voices raised in song and prayer are eloquent with gratitude for God's great gift to man, for hope fulfilled and faith triumphant, for spiritual blessings manifold, and joy everlasting.

At Eastertide, the light that shines in a youngster's eyes, the sound of a young voice joyously proclaiming the glory of the Day may well symbolize for all of us the hope and promise that is Easter. As we gather in the House of the Lord, with our family and friends, may the Easter season bring to us spiritual strength and joy.

from the PASTOR'S STUDY

Pastor Fred Neal
Salem Congregational Church

"There is a God in Heaven"
The six words that form the
title of this study are found in
Daniel 2:28. Daniel was address-
ing King Nebuchadnezzar and em-
phasizing the fact that there are
certain things that man cannot do,
and then Daniel said "But there
is a God in Heaven". These six
words constitute one of the key
phrases in the Book of Daniel.
Incidentally, it is so-called ath-
eist, agnostic or one who believes
in the recent "God is dead" the-
ory, let him read and re-read the
book of Daniel; for this surely is
a prescription for the banishment
of atheism, agnosticism, and of
infidelity as well.

How are we so sure there is a
God in Heaven, and what is God
like? For an answer to our ques-
tion let us carefully consider
some truths from the Book of
Daniel:

(1) There is a God in Heaven
who is sovereign in the lives of
men and of nations.

This is the big thing that im-
presses us when we read the book
of Daniel: that God is high over
all, that He is all-powerful and
active, and that He has the last
word in the affairs of men, of
nations and in the lives of His
own children. This truth is amply
summed up in Daniel 4:26: "The
most high ruler in the kingdom
of men." Yes, the words of a
recent popular song are true;
"He's got the whole world in His
hand." Consider if you will the
following words by J. N. Darby:
"God's ways are behind the
scenes, but He moves all the
scenes which He is behind. We
have to learn this and let Him
work and get much of man's
best attributes. They will ac-
complish God's. The rest of them
all perish and disappear. Some-
one has rightly said all history
is His story. But perhaps the
most startling truth of all is
that God is sovereign in the
lives of His own people. And
we know that all things work
together for good to them that
love God, to them that are called
according to His purpose." Rom:
8:28

(2) There is a God in Heaven
who hears and answers
prayer.

Anyone who wants practical
instruction upon the subject of
prayer should read the Book of
Daniel to discover the power of
prayer, the possibilities of prayer
and the procedure of prayer. The
book is full of illustrations of
what prayer can do and God's
willingness to hear and answer
the prayers of His people. For
example, in chapter 1, we read
of Daniel's testing and of his
firm purpose to be true to the
Lord. What did he do? He prayed
and God heard and answered his
prayer. In chapter 2 we read of
the king's dream and of the re-
quest that was made to Daniel to

tell the king what he (the king)
had dreamed and to interpret the
dream. What did Daniel do? He
prayed and God answered his
prayers. In chapter 3 we read of
Daniel's friends in the fiery fur-
nace. What did they do? They
prayed and God answered their
prayers. In chapter 6 Daniel is
cast into a lion's den and again
he prayed and God heard and
answered his prayer. Yes, it is
reassuring to know there is a God
in Heaven who hears and answers
prayer.

(3) There is a God in Heaven
who sustains His people in
times of trial and testing.
Daniel's long life was filled
with the most terrific trials and
testings but throughout the whole
book we read of how God sus-
tained him and comforted him
amidst them. We believe a care-

ful reading of the Book of Daniel
will reveal how God gave to Dan-
iel in the midst of all this a
special realization of His pres-
ence, His protection and most of
all His peace. It is interesting to
note that the Lord never promises
us deliverance from trouble, but
He does guarantee us that we may
have peace in the midst of our
troubles, if we put our trust in
Him.

"There is a God in Heaven";
a great God, a holy God, a loving
God. In this study we hope that
you have caught a glimpse of Him.
We have said little about His
holiness, His mercy, His saving
grace, His glorious Son, and His
Holy Spirit. But as we conclude
this study we ask you this ques-
tion:
Is this God your God?

Easter AND CHICKS

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of
character and good citizenship. It is a storehouse of spiritual
values. Without a strong Church, neither democracy nor civiliza-
tion can survive. There are four sound reasons why every
person should attend services regularly and support the Church:
They are (1) For his own sake (2) For his children's sake
(3) For the sake of his community and nation (4) For the sake
of the Church itself, which needs his moral and material support.
Plan to go to church regularly and read your Bible daily.

Michigan Week Plans Well Underway Here

Michigan Week plans for Northville began taking shape this past week as the Michigan Week Committee met to coordinate members' ideas.

Chairman Kenneth Rathert announced to the committee, also, that new City Manager Frank Ollendorf would be the city's representative and that Mrs. Irvin Marburger would act as coordinator of women's activities.

Mayors' Exchange on Government Day, Monday, May 16, will be one highlight of the week-long activities here. Another will be window displays in downtown stores highlighting Michigan heritage.

Government Day Chairman Russell Amerman outlined plans to meet the mayor of Lapeer outside of town for an escort to

the city hall in the morning. Before noon the visiting dignitaries will be treated to a mock city council session and a report of Northville's characteristics, attractions and current events.

After a luncheon hosted by the Northville Rotary club, to which the public will be invited on advance ticket sales, the visiting party will be conducted on a tour of the city.

Edmund Yerkes, chairman of Heritage Day, reported that the Northville Historical Society will award a \$25 first prize to the store window having the best "Michigan" display. He said the displays will remain all Michigan Week, but that judging will be Heritage Day, Tuesday, May 17.

Also on that day a rededication of the city hall marker stone

will be conducted by the Historical Society, he said. An attempt is being made to find someone who can replace the marker in the stone using molten lead.

The stone, which originated at the old city hall, was recently salvaged from the dump after the marker had been dislodged from it. It was originally a dedication of the Women's Relief Corps.

During Michigan Week two movies of Michigan history will be shown in the schools.

Milt Jacobi, Education Day chairman, said other school activities will include high school students taking over city council seats on Education Day, Thursday, May 19; special emphasis on Michigan in classrooms all week and presentation of Michigan Week buttons to elementary students.

A BIRTHDAY PARTY meeting Monday night of the Northville Business and Professional Women's club marked the 18th anniversary of the group's founding. Mrs. Hester Gow, president, cuts the cake as about 25 members watch. To her left in the picture is Mrs. Julia Jewell, president of District 9, in which the Northville club is a member.

Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday March 21, 1966, 8:00 p.m. at the Northville City Hall.

Present: Black, Allen, Canterbury, Carlson and Kester. Absent: None.

Minutes of the March 7, 1966 meeting were approved with one correction.

Mayor Allen introduced the newly-appointed City Manager, Mr. Frank Ollendorff.

Relative to bills, Mr. Ollendorff mentioned Check #755 for the Honeywell Maintenance Contract and recommended that this be held until he has an opportunity to talk to the company. Bills, checks #709 and 730 are final payment on repair street work in the city.

Moved by Kester, supported by Carlson to pay bills in the following amounts:
 General \$20,161.98
 Water 7,760.45
 Unanimously carried.

Communications:
 A letter from Kenneth Rathert, Chairman, Michigan Week for the city of Northville, listing committee chairman and requesting an advance of \$50 from the city for their work.

Moved by Black, supported by Canterbury that \$50 be advanced to the Michigan Week (1966) chairman, Kenneth Rathert, for attendant expenses. Unanimously carried.

A letter received from William Davis, 352 Orchard drive, resigning from the Planning Commission, March 14, 1966. City Mgr. is to write letter of appreciation for Mr. Davis' services on Planning Commission.

A letter from Michigan Jaycees Organization explaining that April 17-23 is Michigan Jaycees Opportunity Week. This to be held over until City manager can contact local organization for fuller explanation.

Communications from Citizens:
 Mr. Sidney Frid, 865 Grace St., asked for any assistance or letters from Council supporting

County Home Rule; these to be sent to State Affairs Committee and Mr. Cary, lobbyist for Wayne county at state level. City manager and clerk to develop properly stated resolution.

Mr. Frid also spoke about the fence around the A&P Store and Ford Field that is piled with debris. City manager to check this. Mrs. Carlson reported that Home Beautification committee has included this in their tentative plans.

Mrs. Irene Boyd, Dubuar St. presented pictures taken on March 18, 1966 of greenhouse on Dubuar street, showing unusual amount of debris. City manager is to check this and report back to council - also for fire inspection.

Mr. John Stubenvoll, Grace St. present to speak about budget for Municipal Parking authority, in answer to Mr. Canterbury's question. Mr. Stubenvoll answered that MPA had been in operation for 4 months and that an interim report of the committee's work would be given at the time their budget is formally presented to council.

The minutes of the Planning Commission for March 15, 1966 were received. City manager is to check with Chairman George Zerbel regarding the rezoning request of Mr. Charles Lapham at the Public Hearing in Novi on Monday, March 28, 1966.

City Manager was asked to review the format of the Financial Statement. He reported that he has been examining it and suggested that this be done at the beginning of the fiscal year (new).

Old Business:

1. City manager recommended the purchase of the 1966 Allis Chalmers 10 hp. garden tractor from C. R. Ely & Sons at \$756.12 for the cemetery work. He also mentioned the possibility of a trade-in or selling the old machine for about \$50. Additional equipment may be obtained, thus making this a year-around usable machine. Moved by Carlson, supported by Kester that a 1966 Allis Chalmers 10 hp. garden tractor

be purchased from C. R. Ely & Sons for \$756.12. Unanimously carried.

2. The Weeping Tile Ordinance is to be discussed at next meeting. Mayor Allen received Council's approval of a Special Meeting being held on Monday, March 28, 1966; the ordinance to be on this agenda.

3. City Attorney and City Mgr. to check into legality of proposed Water Ordinance amendment relative to required deposits.

4. The city manager reported no reservations as to requested taxi-cab rate increase from Suburban Checker Cab Co. but would like to check into other items concerning cleanliness, safety, etc. of these cabs.

New Business:

1. City manager recommended a city-wide trash pick-up later than suggested April 1, 1966. Councilwoman Carlson, city manager and DPW superintendent are to confer on this the first of the week.

2. Moved by Black, supported by Kester to adopt standard resolution naming Frank Ollendorff as Treasurer on all accounts for the City of Northville at Manufacturer's National Bank. Unanimously carried.

The special meeting of the Northville City Council was called to order by Mayor Allen on Monday, March 28, 1966, 8:00 p.m. at the Northville City Hall.

Present: Allen, Black, Canterbury, Carlson and Kester. Absent: None.

A letter from George Zerbel, chairman of the Planning Commission, regarding the re-zoning of property of Charles Lapham in Novi Township, was read. This letter was sent by messenger to the Novi Township Hall to be read at their Public Hearing the same evening.

Mr. Tucker, vice-president of the Suburban Taxi Cab (Checker) Co. was present to discuss the proposed rate increase requested by his company for cabs operating within the City of Northville.

The City Manager recommended this rate increase. He also explained that these cabs will be checked mechanically for safety.

Moved by Canterbury, supported by Carlson that the resolution approving the new recommended rate increase be adopted: (Suburban Checker Taxi Cab Co.).

Meter throw - from 40¢ to 50¢; 10¢ - for each 1/4 mile instead of 1/3 mile.

Waiting time - from \$3.00 to \$4.00.

This to be effective April 8, 1966. Unanimously carried.

2. Final payment for design and development of Randolph street improvement (paving, storm sewer and concrete culvert) be paid to city engineer in the amount of \$390 was approved unanimously.

Moved by Canterbury, supported by Black to approve engineering contract for sanitary sewer and meter pit for the northwest area outlet and interceptor sewer and pay \$2241, leaving balance of \$2789. Unanimously carried.

City manager to check engineer's contract in future.

3. Weeping Tile Ordinance tabled for further study.

4. Report on financing sewer construction and Oakland County rates tabled for further study.

5. City Engineer Penn reviewed specifications for Randolph St. improvements.

Moved by Black, supported by Kester that bids for the Sewer line on Eight Mile road be advertised, bids to come in Monday, April 25, 1966, 8:00 p.m. Northville City Hall. Unanimously carried.

Moved by Kester, supported by Carlson that bids for storm sewer, paving with integral curbs on Randolph street be advertised; asking for alternate prices on asphalt and concrete; bids to come in on Monday, April 25, 1966, 8:00 p.m., Northville City Hall. Unanimously carried.

Mr. Richard Ambler was present to discuss communication he had received regarding possible

acquisition of the Fish Hatchery property on Seven Mile road. He reported his conversation with George Kopacka, US government real estate representative.

City manager to draft proposed letter and Mayor Allen and Township board to be consulted. Possible meeting with school and township officials suggested.

Notices should be posted in conspicuous places.

3. City manager presented his report on use for storm drainage ordinance. City Manager is to check with other cities on any court actions they may have had on such an ordinance.

City manager and city attorney to put above into ordinance form for April 4, 1966 meeting.

There being no further business, the meeting adjourned at 11:35 p.m.

Respectfully submitted
 Martha M. Milne
 City Clerk

MEMO:

LET'S HEAR IT
 PAUL FOLINO
 WHAT WERE YOU DOING
 AT THE STATE FARM
 PROFILE OF ACHIEVEMENT
 CONVENTION?

You were invited there for your outstanding sales record and because of the fine service you've been giving policyholders. But own up... is that really why you were at the convention?

Or was it to attend those business sessions that helped you keep current with the latest happenings in the insurance industry? Information that'll make you even better prepared to give knowledgeable service to all your policyholders.

Just as we thought...

When it comes to serving policyholders a State Farm agent is anything but conventional. Even at conventions. Congratulations, Paul.

NOVI HIGHLIGHTS

By Mrs. H. D. Henderson
FI 9-2428

A family gathering last weekend celebrated four birthdays. Mr. and Mrs. Clarence Smith and family, Mr. and Mrs. Laurence Smith and children, Mrs. Ethel Smith and Raiza and Edith spent Sunday at the home of the Don Andersons in South Lyon. Four birthdays were marked - Laurence Smith's birthday was Saturday and son, Larry's, Sunday. The recent birthdays of George Fletcher and son, Oran, also were celebrated.

Mrs. Ted Slentz is on the sick list this week.

Fred Smith and son, Freddie, and Dick Story spent several days working on the Smith cottage at Au Gres.

Miss Lynn MacDermaid a student at Hillsdale college, spent spring vacation with her parents, Mr. and Mrs. William MacDermaid. Saturday evening Lynn was a bridesmaid in the Balette-Curtis wedding in Novi Baptist church. Peter Wilford, also a student at Hillsdale college, was the weekend house guest of the MacDermaids. He too attended the wedding. Both students returned to Hillsdale Sunday.

Mr. and Mrs. Kenneth Cook plan to have a family gathering and Easter Sunday dinner at their home on Twelve Mile road. Other

than the children at home will be Mr. and Mrs. John Measel of Northville and Mr. and Mrs. Dale Cook and family from Milford.

Seven ladies of the Coffee Cup bowling league had luncheon at the Correll in Berkley last Wednesday. Helen Skeltis is the leader of this group that meets for bowling at the Northville Lanes every Tuesday morning.

Mrs. Betty Cotter was the weekend guest of her nephew at his farm country home near Leonard. Friday evening Mrs. Betty Cotter entertained at pinocle. Her guests were Mrs. Ed Putnam, Mrs. George Mairs, Mrs. Mary Asher, Mr. Lester Blakeman and Mr. and Mrs. Hugh Crawford. The Roger Pelchat family will dine out Easter Sunday with their parents. Mr. and Mrs. Earl Miller of Dearborn Heights, and Mrs. Ethel Zacharias of Redford.

On March 27 Mr. and Mrs. Lawrence Boyd visited their son, Lawrence Jr., and his wife in Ann Arbor to help celebrate the birthday of Lawrence, Jr.

Mr. and Mrs. Lawrence Boyd, Sr., are invited to attend Easter services at St. John Episcopal church in Royal Oak, then have dinner with their son-in-law and daughter, Mr. and Mrs. Gerald Dalder.

Mr. and Mrs. Brent Canup have purchased the William Paquette

home on Durson street. Mr. and Mrs. Paquette are building a new home in Brighton and will soon be leaving Novi.

Mrs. Hildred Hunt returned Tuesday evening from a three-week vacation in Florida. She made the trip with Mrs. Florence Atchinson and Mr. and Mrs. Marvin Macomber. They visited many interesting places in Florida and they watched the Tigers win two games.

Mr. and Mrs. Jack Morris will entertain Easter Sunday the latter's relatives, Mr. and Mrs. Leo Harrowood, Mr. and Mrs. Brent Canup and Mr. and Mrs. John Wilk, also Mrs. Jean Wickline from Detroit.

Tim Bell was 14 years old last Saturday. He was the honored guest at a steak roast with his parents Mr. and Mrs. Duane Bell and his sister, Kathleen, and brothers, Tom and Steve.

Diane Skeltis, eleven years old, and her twin brothers, Jim and Tim, ten years old, made Confirmation at Our Lady of Victory church in Northville Saturday. Their cousin, Brenda Tymensky, who is eleven, also was confirmed. In the evening the parents, Mr. and Mrs. Anthony Skeltis and Mr. and Mrs. John Tymensky, and families had supper at the Skeltis home for 30 members of the family.

Eleven Novi AmVets had their first organizational meeting last Wednesday at Saratoga where they had dinner. They will have another meeting in the near future. Interested vets may call or contact Lee BeGole, Hadley Bacher or Duane Bell for any information.

Mr. and Mrs. Clyde Wyatt returned Monday from a long weekend with the former's nephew and his wife, Mr. and Mrs. Louis Gallup at Muskegon.

Mrs. Clyde Wyatt and Mrs. Hildred Hunt attended the Oakland county Women's Farm Bureau at Utica on Tuesday of this week. After the meeting they went on a tour.

Mrs. Charlene Hare, president of the Pin Pointers Bowling league, announces a coming meeting of the league at the home of Mrs. Claire Mitchell at 40573 Ten Mile road at 1 p.m. April 21. The league is looking for new lead members for the 1966-67 season.

At present they have 20 members and four teams but would like to have more. They bowl for fun and have free baby sitting. For information call Mrs. Jackie Wilentz, 349-2056; Caroline Muscof, MA 4-3742, Jean Muscof, MA 4-1798, or Charlene Hale, 476-5686.

WILLOWBROOK COMMUNITY NEWS
The Willowbrook Community Association will hold its annual Easter egg hunt this Saturday at 10 a.m. in Cass Benton Park.

Last Thursday Mrs. Charles Collocott, Mrs. Robert Wilkins, Mrs. C. Hare, Mrs. Don Rock, Mrs. L. Carter, Mrs. Joe Garuffi, Mrs. Richard Lippert and Mrs. Arnold Bell attended a Fiesta show, card party and fashion show at Farmington.

Mr. and Mrs. Robert Wilkins left on Monday for Pennsylvania to visit their parents, whom they will bring back to their home in Willowbrook for a visit.

NOVI REBEKAH LODGE

The Novi Independent Rebekah club is scheduled to meet next Monday at the home of Mrs. Rowena Salow on Novi road. Josephine Salow will act as co-hostess. Members are to meet at noon and bring sandwiches and table service.

The next regular lodge meet will be held next Thursday, April 14 at the hall.

The Rebekahs will have a bake sale at the community hall Saturday, April 16 from 10 a.m. to 2 p.m. Mrs. Mary Ann Atkinson and Mrs. Rowena Salow will have charge. A light lunch will be served.

The Past Noble Grands will have their monthly meeting Thursday, April 21, at 6:30 p.m. They will have a planned potluck dinner with Mrs. Irene Staman and Mrs. Sue Watson as co-hostesses.

NEWS FROM THE CHURCHES
NOVI METHODIST
The Wesley choir sang at the church service this past Sunday. Holy week services were combined with those at the New Hudson church.

Donations received from the Easter breakfast will be used for the youth activities.

WILLOWBROOK COMMUNITY
Next Thursday, April 14, the local conference will be held at the church.

The junior fellowship met Monday and made favors for the Easter breakfast. Junior Catechism will be at 9 a.m. and Senior Catechism, at 10:15 a.m. Saturday morning.

HOLY CROSS
EPISCOPAL MISSION
The Holy Cross will sponsor a bake sale Friday, April 15, at the Manufacturers National bank in Northville. Mrs. Everett Bailey will have charge.

NOVI BAPTIST
CHURCH NEWS
The Junior Hi group presented a play, entitled "Live Under Communism." The following young people took part: Steve Lorenz, Ken Warren, Dennis Diem, Patty Bellefeville, Sue Presnell, Glenda Diem and Linda Bellefeville.

The Junior choir met Saturday and started preparing music for the Easter morning service. They will be presenting "He Lives" and "Mighty Army of the Young." All children, grades two-six, are invited to meet for practice from 10:30-11:30 a.m. Saturday. If transportation is needed, call church office.

"Without Onions" is the name of the film to be presented at VCY Rally at Masonic Temple next Saturday evening. All young people who want to go are urged to meet at the church for transportation. Call Gerald Reimer at the church office mornings for additional information.

Vera Vaughn circle will meet at the home of Mrs. Ralph Rivers Tuesday, April 21. The ladies plan to pack the Viet Kits and will have election of officers. Nominating committee is Mrs. Ruth Norwood, Mrs. Charlene French and Mrs. Barbara Warren.

Thursday, April 14, Women-to-women will be meeting at the home of Mrs. Laurence Smith at 10 a.m. Baby sitter is furnished. They are continuing Bible Study of Phillipians under the direction of Mrs. Thompson for Missionary Internship.

April 15 is the date for the next Billy Walker Rally at Davison at 8 p.m. Special music will be presented by John Shev, Lansing quartet and Hilding Halverson. There will be a \$10 gift certificate from Grand Bible and Book shop to the individual bringing the largest delegation.

NOVI GIRL SCOUTS
All of the Brownie and Junior troops had an Easter party at their meetings last week and also finished work on their Easter projects.

Junior Troop No. 1027 attended the theatre to see "Sound of Music" Wednesday.

CUB SCOUTS
Last week all the dens started to work on their new theme of the month; Nature. No meetings are scheduled for this week.

Wixom News

Mrs. Charles Ware
MA 4-1601

The Wixom elementary school and St. Williams Catholic school will close for Easter vacation on Thursday, April 7, and reopen on Thursday, April 14.

On Wednesday, April 13, Dr. W. R. Reeh will address the St. Williams altar society on venereal disease. Because of the prevalence of this disease and the need for better understanding of this subject any interested person is invited to attend. There is no charge for this meeting.

On Tuesday, March 29, the Holy Family Guild of St. Williams met at the home of Mrs. Norman Moore of North Wixom road and planned several projects for the coming year. After the meeting coffee and cake were served the guests.

Mr. and Mrs. Merritt Marshall have returned from a ten day trip to Virginia, West Virginia, Washington D.C. and Pennsylvania. They had a wonderful trip but found the weather rather cold.

On Saturday, March 2, Miss Hilda Furman attended the marriage of Miss Pamela Parmeter of Howell and Lt. Lynn McKenny, USN, at the Grace Lutheran church in Howell and the reception at the Chemung Hills Country club.

Mrs. Elmer Geyer from Drummond Island was a guest of Mrs. Delbert Geyer of West Maple road for one week.

All people attending the Easter vigil Mass at St. Williams on Saturday night, April 9, are invited to coffee and donuts in the parish hall as the guests of Father Jones and the Rosary Altar Society.

SPEAKING for The Record

By BILL SLIGER

Business is booming at city hall. And in some respects this is good; in others, it is questionable.

The hum of activity in the police department, for example, is becoming cause for raised eyebrows.

It isn't the rate of crime that is flooding the offices of the police station. It's driver's license applications.

Last year when Northville was named one of the area communities for installation of the new camera facilities for driver's licenses, it was considered a plus factor.

While the council realized that some additional expense would be experienced with the new system, it took the position that local taxpayers were entitled to the convenience and shouldn't be forced to travel out of town for a driver's license.

Meanwhile, however, other community officials were not equally taken by the responsibility of public service. Instead, they eyed the new service as a nuisance and additional expense that should rightfully be borne by the state, not the local government.

Most notable case in point is the city of Detroit. Its police department ceased issuing driver's licenses this year forcing the state to take over the service.

And in this area the cities of Plymouth and South Lyon do not issue driver's licenses.

Consequently, Northville has become a center for a rather unprofitable enterprise.

The city now provides this service for residents of the township of Northville, Walled Lake, South Lyon, Whitmore Lake, Novi and Plymouth city and township. Even many Livonia residents, where licenses are issued, find Northville a little more convenient.

The Northville office is open daily for applications. Plymouth township provides the service one day per week for 4 1/2 hours.

A clear picture of what has happened as a result can be seen in the March statistics issued this week by the local police department.

Original licenses issued: 102 in March, 265 to date this year, compared to 9 during the same month last year and a total of 32 during the first three months of 1965.

Operator's renewals: 532 in March, 1,618 this year, compared to 187 during the same month last year and a total of 545 during the first three months of 1965.

Chauffeur's licenses: 140 in March, 353 this year, compared to 48 in March, 1965, and 132 in January through March, 1965.

Duplicates, corrections, changes of address and temporary permits are also double and triple last year's totals.

But even more time-consuming and costly are the number of written tests and road tests given.

Look at these figures: in March this year 142 written tests were given along with 69 road tests, while the totals to date for the year are 354 and 152, respectively.

During the same period last year the figures for these activities were ZERO.

The city's compensation from the state fails to pay for the additional costs in clerical help. The city receives \$2 for new operator's license and 50¢ for renewals.

Chief David LaFond reports that "all I do on Saturdays from 8 a.m. until 2 p.m. is give road tests".

While community service is desirable, it isn't fair to expect the taxpayers of the city to foot the entire bill.

Obviously, the state must take another look at its licensing procedure and probably come up with a more generous commission to local license stations, so that additional help can be hired.

Otherwise, the state may find other cities following Detroit's lead.

Congratulations to Russ Amerman. The retired school superintendent is the Rotary district governor-elect for district 640. This includes 43 clubs and some 2,600 members.

Russ doesn't take over until July, 1967, when he succeeds the new district governor, Steven Boyan of Monroe.

The job calls for a great deal of traveling and in preparation for the responsibility, there's a 10-day training course that normally has been given at Lake Placid, New York.

Russ was "bemoaning" the fact that when he reports for his course in May, 1967, the locale will be changed -- to Nice, France!

Incidentally, the training course also includes wives. So a fine trip is in store for Mrs. Amerman, too.

Let's Acquire Fish Hatchery

Dear Editor:

As you must already know, last Thursday the hatchery property was declared surplus by the Federal government and local governments were given the option to purchase the buildings and surrounding lands. As presented, this is a perfect opportunity for the city and township of Northville to acquire their own recreation and park facilities. We, the Northville Teen Club known as The Cavern, have expressed our interest to the city about taking on the task of renovating the main building on

the property. The teens with the support of the Mother's Club, envision the main building as eventually becoming a community building and social center providing a Teen Club building and a meeting place for other local organizations.

In an interview with Weston E. Vivian, representatives of the Teen club and Mother's club were told that if Northville decides not to purchase the hatchery property, there is a very strong possibility that Plymouth would purchase it. Nothing has been conjectured

about its use in such a case. Both Northville and Plymouth could derive large benefits from the property. However, we feel that because the hatchery is within the boundaries of Northville, it would be more appropriate if Northville would develop it into a park and recreation area. Northville has an April 15 deadline by which time they must decide if they are interested in the property or not. Because the need exists, and because the opportunity has presented itself, we hope that the city and township of Northville will

decide to acquire the hatchery. Steven P. Jordan (Pres. of The Cavern)

EDITOR'S NOTE - The statement that the city of Plymouth is interested in the fish hatchery property came as a surprise to the Plymouth city manager. He told The Record this week he'd never heard of the property and knew of no interest in its acquisition by Plymouth.

Salem Residents Object to Landfill

More than 75 persons crowded into the Salem Township hall for the annual meeting Saturday night. Most were on a mission of abolishing a township board agreement which allows a large scale landfill operation at Chubb and Five Mile road.

Many of the same residents, who live near the landfill, are currently behind a suit in Washtenaw county circuit court seeking to restrain the board action. Actual plaintiff is Ralph Dehnbostel, 7800 Chubb road. They claim the board had no right to allow the operation to enlarge.

It had formerly operated as a joint Salem township-City of Plymouth dump only. The township board claims that as an existing use prior to the zoning ordinance the dump operation is exempt from necessity to appeal for enlargement permission from the board of appeals.

When a new state law recently set exacting requirements for all landfill-dump operations the City of Plymouth, which had operated the dump under an agreement with the township, requested that it be turned over to a private operator and be open to all comers. Otherwise operation would not be feasible and would force the public service to be abandoned, it was claimed.

Salem's board gave a verbal go-ahead and an agreement was drafted. It is as yet unsigned awaiting the decision of the court.

But, commercial haulers have been pounding the roads to the landfill on the strength of the verbal agreement. They travel along Five Mile, Six Mile and Napier roads. It is this "objectionable" traffic which was cited as being the greatest cause of concern to township residents and one adjacent neighbor.

They claim that giant trucks numbering 70 to 80 per day travel the route from daybreak until after sunset causing excessive traffic, noise, and road damage.

Complaints were voiced that on occasion trucks had dumped late at night after operations of

compacting and earth covering had ceased, and that the raw refuse had thus lain as much as two days untended. Some residents said that generally care of the landfill had been good. Sheldon Hayes is the operator.

When Township Supervisor Floyd Taylor stood firm in his opinion that the township board could not rescind its agreement, but that "it must be decided by the judge," the people took action of their own Saturday.

Two motions were entered. One, moved by Glenn Burnham and seconded, was not brought to a vote. Taylor interceded saying, "...everyone here is protesting. Those that aren't here aren't protesting because they have no problem." And none called the question. Burnham had called for closing the dump.

After further discussion a new motion was entered by Mrs. Wilfred C. Hammond, 7050 Salem road, a leading spokesman of the anti-agreement cause. She moved that the proposed agreement be rescinded and that the township board petition the court to drop the pending case on the basis of the agreement being rescinded by action of the people.

The motion was carried by a 51-7 show of hands. During the discussion Taylor

gave the following information: Cost of operating the landfill is too great for the limited Salem-Plymouth operation; Although the refuse is known to be coming from Detroit and other metropolitan areas, "under our agreement we have no jurisdiction over where this refuse comes from;" The new agreement does not require Plymouth to be concerned with roads;

The operator furnishes road gravel and brine and the county grades the roads routinely; The 1954 interim zoning board gave the township board authority to go into an agreement with Plymouth, renewable every two years.

John Miller, owner of Green Ridge Nursery and a resident in Northville township on a road traveled by the commercial landfill haulers, objected to the traffic and questioned the township board about what it would do if a land fill were requested at Six Mile and Napier roads.

He was told that all new requests for landfill must be decided by the zoning board of appeals.

Others emphasized the arguments raised against truck traffic and dump caretaking.

Minds Show Increasing Signs of Wear

LANSING — Growth of and demand for mental health services in Michigan continue at an annually increasing rate, with no peak in sight.

A two-year study of activities by the State Mental Health Department shows sharp increases in all areas. A 23 per cent increase was recorded during the past two years in the number of people served by the department's various units.

Last fiscal year count was 79,087 people involved in some facet of mental health care under the department's jurisdiction.

INCREASES in mentally ill and retarded contacts were 4,500 in 1965 over the previous year and 8,500 more than the 1963 count.

A sharp proportion of this re-

sulted from the relatively new community care programs. More than 22,800 people were served in community based state programs or jointly funded local clinics and day care centers.

The department also measures its growth in other terms. It recorded payments of \$2.7 million in 1965 for patients from various special programs such as social security, railroad retirement and Veterans Administration. In 1964, these receipts totaled \$1.8 million.

About half of these special benefit funds are for personal needs of the patients: clothing, candy, dentures, wheel chairs, etc.

A third measure of growth of what might be called mental

health consciousness is found in the second edition of the "Directory of Michigan's Psychiatric Services," a publication of the Michigan Society for Mental Health.

Where the first edition, published in 1960, listed 61 agencies, the new volume lists 116 agencies which provide 185 different services.

Included is a completely new category, listing 22 community general hospitals offering psychiatric services. Six years ago these were practically nonexistent except in the Detroit metropolitan area.

A "CLAIM to Fame" has been made on behalf of the 1963 State Constitution by Claud R. Erickson

of Lansing, who served as a delegate to the 1961-62 Constitutional Convention.

He notes the new document has remained intact without amendment longer than the Constitution it replaced. It seems the 1908 basic law went into effect in 1909 and was amended a year later and again in 1911.

Longevity of the present Constitution may be short despite Erickson's present claim. The Legislature has before it several proposals for amendment and present indications are that at least one or two will be put to the voters in November.

SERIOUS consideration is being given a proposal to once again allow the Governor to appoint judicial vacancies by fulfillment. The provision calling for use of retired judges in vacant bench posts has proved unworkable. The vacancies are in much greater supply than the retired jurists.

A change in the voting age requirement, from 21 to 18, was expected to get full debate this year also. This may be out of the picture now since a statewide survey has shown the greatest percentage of teenagers polled

do not favor the change.

Makeup of the State Apportionment Commission and selection of the Highway Commissioner are other areas which would be affected by still other Constitutional amendment proposals before the 1966 Legislature.

ELEMENTARY school enrollments statewide have for the past three years been experiencing the start of a decade of a slump although it has not been apparent in most districts.

The slump is caused by the decreased birth rates in Michigan. Low rates are expected to continue for another two years. After that the rise is due to duplicate the monumental World War II baby boom.

Most school districts have not shown the relative drop, however, largely because of the shifting population trend. Urban cores have continued to face school enrollment pressures. Only a few schools in the large cities have experienced drops in class size because of shifting population.

Growth and development of suburban areas has been almost unbelievable. School problems in these areas have just begun in

this eight year period of low birth rates, for the most part. As the children of this low cycle reach school age the suburban district problems will become greater.

It can be readily seen why the low birth rates have not had the effect which might be expected: a leveling off of school district problems and pressures. Only if Michigan's school-age population was evenly distributed would this be seen.

By 1968 the experts say the World War II babies will be having their own children en masse. Needless to say, the financial problems caused by this spurt will be tremendous when these children reach school age.

Roger Babson Can Our Hospitals Handle Big Medicare Avalanche

BABSON PARK, Mass. — Just a short while ago, Look Magazine published a very revealing article on the type of care which Americans can expect from hospitals generally throughout the land. It was frightening, to say the least. Inefficiency, ineptness, and down-

right carelessness on the part of both nurses and doctors were featured. Many have since rushed to the defense of the profession. But what we should all be worrying about is the added coming impact of medicare.

If the quality and the quantity of medical care are open to criticism now... what will be the situation when the avalanche of elderly patients needing treatment starts hitting the wards and nursing homes July 1st? That is less than three short months away. Studies of statistical data suggest that conditions may become chaotic in some areas.

The first wave of our senior citizens who will seek "free" hospitalization under medicare will be a big one. Naturally those who can postpone a visit until Uncle Sam will pay the bill are going to wait for July 1. But doctors look for an even bigger flood tide of the elderly to knock on hospital doors at the first cold blasts of autumn. That is the season when aches, pains, and respiratory diseases really kick up.

HOSPITAL beds in non-federal-government institutions are estimated to be about 790,000. Right

now about 76% of these are occupied. But that figure is an "average". Like other "averages," it is misleading; for in many areas shortages of hospital facilities are already critical. Furthermore, there is no guarantee that big demands will not be made in precisely the spots where beds are scarcest.

But every hospital bed would not solve the overcrowding problem. They would be of little value without an adequate nursing staff. And this is the weakest link in the medical-care chain; 100,000 job vacancies are reported in this field. The figures are broken down as follows: 75,000 openings for registered nurses and a need for 25,000 practical nurses. One of the most vexing shortages may be in the field of visiting nurses. Visiting nurses are slated to play a big part under medicare. Judging from the situation at present, it appears inevitable that the supply will be far short of needs.

So much for the availability—or lack of it—of doctors and nurses. An even bigger question mark is the probable size of the rush of senior citizens for "free" care. Some government officials pooh-pooh the seriousness of the overcrowding threat. But the Surgeon General feels that the surge will be large. What is definitely known is that patients over age 65 now take up about one-quarter of all hospital beds. What if this figure jumps to 35%, or even to 40%?

OUR ONLY close guidepost to what may be expected is the history of socialized medicine in Saskatchewan, Canada. There, reports say, demand doubled when government medicine came in... and in some areas applicants for care trembled. The feeling is beginning to grow here that any such rush in the U.S. could create a condition bordering on chaos. If this should happen, it would of course affect not only those over 65, but also everyone else — from babies on up... everyone in need of hospitalization.

One thing is certain. It will take cool heads at all medical and administrative levels to prevent a jam-up that could harm the image of the medical profession and bring down anger on the heads of politicians who voted so hurriedly for the "leap forward" ... without first looking to see if the machine could carry the new load.

It is none too early to set up screening boards. These would attempt to keep the flow of senior citizens toward hospitals from becoming an engulfing flood. Unless this or similar advance moves are taken at the local level, we may find that medicare has become no care!
