

Citizens' Report On Millage Vote

EDITOR'S NOTE—This is the second of a series of articles which will run weekly until Northville votes on school millage on May 9th. It has been prepared by the Northville schools' citizen millage committee.

Budgeting is complicated enough without being confused with extraneous issues. Unfortunately, the Northville school millage vote on May 9th is complicated by other community matters.

The request for 18 mills (only eight are an increase) has nothing to do with any educational programs being discussed in the community.

It should also be pointed out that none of the present members of the school board has indicated any public desire to return to the board by running for office in the school election scheduled for June.

Consequently, a YES vote on the millage request will not constitute an endorsement of the present board's actions or support for any particular proposed program.

What a YES vote will do is provide money to meet the continuing needs of a growing and expanding Northville school system.

Brochure Available

To back up the need, the school system has prepared a complete mimeographed information packet, which is available on request at the Board of Education offices.

Most of the information contained in it will be presented in these articles, but the citizen who wants all the figures in detail is urged and invited to contact the board offices for the brochure.

The estimated increased budget needs for the 1966-67 Northville school system is \$282,900.

Of this total \$212,554 will go for instruction and \$55,542 for operation of the system's physical plant. Transportation costs are estimated at \$14,936.

Eighteen additional teachers have been recommended. Of these, eight will be assigned to regular classroom duties: four to elementary classroom duties, one to the high school and three to the junior high school.

Of the remaining ten, there is one elementary art teacher, one elementary music teacher, one elementary physical education teacher, one foreign language teacher, one remedial reading teacher, one elementary librarian, one speech correctionist, one visiting teacher, one junior high Guidance Counselor, and one junior and senior high school special education teacher.

Part of the increased cost of transportation is due to the auxiliary services law passed by the legislature, which requires that bus transportation in State school districts be provided to non-public as well as public school children.

Where Money Goes

Another way of looking at the costs is to show that \$97,000 of the increased costs will go for 18 new teachers, \$17,800 will be required for three custodians and one secretary. Another 130,000 increase is projected for custodial supplies and utilities at the new elementary school.

It should be pointed out that all figures being discussed are part of the total increase mentioned above.

One hundred thousand, eight hundred dollars of the increase provides \$20,000 for step increases for the present instruction staff. Two thousand of this will provide increases for ten secretaries; \$3,500 will provide increases for ten bus drivers; \$5,300 will go for increases for 17 custodians, while \$9,000 will be spent for increases for nine administrators. Salary schedule up-grading for teaching personnel accounts for another \$61,000.

Materials and equipment are budgeted for \$21,500 increases, mostly in library and resource equipment, and instructional materials and supplies. In service work-shops take \$15,000 of the increase.

These are the dry, but important figures that help back up the continuing need for sound education in Northville. Next week, this report will concern itself with comparisons between school districts.

R.T. Martin Enters School Board Race

Richard T. Martin, 20173 Whipple drive, took out a petition Monday to run for one of the two four-year Northville board of education posts in the June 13 election.

Martin, an owner of Warren Products, Incorporated, of Northville, has lived in the community for 25 years.

In taking out the petition, he explained that he has been active in the Naval Reserve since World War II and will retire the beginning of May and now would like to make a local contribution. He indicated he felt his business background could make a contribution on the board. He is a graduate mechanical engineer of the University of Michigan class of 1933.

Martin and his wife, Rhoda, have two sons, Richard G., a student at Bradley College in Peoria, Illinois, and a Northville high school graduate, and Frank W., a student at Cranbrook school in Bloomfield Hills. Both boys at times attended the Northville Lutheran school, also.

Only other candidate to take out a petition for a four-year term by the first of the week was Robert Froelich. Donald Bauerle is filling out a petition for the one one-year term voters also will be asked to fill in the June election.

Deadline for filing petitions for the three posts is 4 p.m. May 14. In response to questions from election supervisors and city officials this week, The Record checked with Superintendent Alexander Nelson, who confirmed that 20 signatures are required, suggesting candidates get perhaps 10 more.

The number, he said, is in accord with school laws changed last year requiring one per cent of the number of ballots cast at the last school board member election, or four per cent of the number of votes received by the highest candidate, but not less than 20. It makes no difference now a woman signs a petition, he added, whether it is with her own first name or with her husband's, prefixed by Mrs., as long as the name is "identifiable."

If a woman is a candidate, she should file under her own first name, however, Nelson stated. Candidates, or their spouses, must be property owners in the school district and fulfill resident time limits.

City to Buy Detroit Water; Switch Planned by Summer

NEW WARNING SIGNALS—Overhead extended flashing signals have now been installed on the Seven Mile road grade crossing. The Chesapeake & Ohio Railroad was ordered to install the additional signals by the Public Service Commission following a series of three train-truck accidents in three years. The lights are designed to provide visibility of the warning even though the standard signals may be obstructed by large trucks.

Council Decides Against Expanding Well System

Detroit water will flow through city of Northville taps this summer.

The decision to convert from over-taxed well sources to Detroit water was reached Monday night by the city council.

Target date for change-over is early summer before hot weather and the peak water demand.

Councilman John Canterbury, who has been charged with the responsibility of studying the acquisition of Detroit water, recommended to the council Monday night that the city proceed at once.

Two alternatives were open to the council: either to develop a new well source immediately, or switch over to Detroit water.

City Manager Frank Ollendorff pointed out that pumps on the city's two well sources are presently operating more than 20 hours daily. "We must have an additional source this summer," he emphasized. "By then the situation could become critical."

Rates remain to be negotiated, but users can expect a substantial boost, perhaps 80 per cent.

A recent water study of the Northville system points out, however, that additional costs are inevitable whichever decision the council might make.

Cost of development of a new well source was estimated at \$128,000, while estimated charges for tapping into the Detroit system were set at \$38,000.

By comparison, the study made by the consulting firm of Ayres, Lewis, Norris and May indicates that operation and maintenance of the system of untreated water from wells costs \$39,000 annually, while the cost with Detroit water will be \$61,245 annually.

After improvements are made that will be necessary for either the expansion of the present well supply or with Detroit water, the comparison shows that annual costs will be \$89,000 for well water and \$105,445 for Detroit water.

It was pointed out by Councilman Canterbury Monday night, however, that many of the improvements recommended are not needed immediately. Some \$250,000 in distribution main im-

provements are listed, but more than half will be paid by private developers or by special assessment to serve areas of the city still undeveloped.

Only such system improvements deemed necessary to provide adequate transmission and pressure will be undertaken initially by the city.

Two advantages of Detroit water were noted—supply and softness.

While one additional well is needed immediately, the survey report shows that two new wells would be required by 1985. The report notes that "the supply from Detroit would furnish an adequate volume of water for ultimate development of the city. The water would be of excellent bacteriological quality and chemical quality approximately equal to softened water."

In 1964 metered water use in Northville was recorded at 143,372,000 gallons. By 1985 it is estimated that the number of

gallons required annually will jump to over 400,000,000 gallons.

Noting that a treatment plant to soften water would cost an estimated \$600,000, the report concluded that "if a first-quality water is to be required in Northville, which would include softening treatment, a substantial savings would result in the community buying from Detroit."

Under present plans Northville would receive its water through a recently-constructed Detroit main which enters the community along Eight Mile road and extends south from Baseline along Center street to Five Mile road.

It is anticipated that the water will be pumped to the city's 400,000 gallon elevated storage tank and adjacent 520,000 gallon ground reservoir. The city's northern portion will be served from the elevated tank. The remaining areas would be served directly from the Detroit water main.

Mobile Home Rezoning Up for Public Hearing

A request for rezoning of a 50-acre parcel on the northwest corner of Six Mile and Beck roads to permit construction of a proposed 800,000 mobile home community comes before the Northville township planning board Tuesday evening.

The proposed project has met with some resident resistance in previous airings before the board and is expected to attract a large audience at Tuesday's 8 p.m. at the township hall.

Initially a request to construct the 325-lot mobile home site was made to planners last September by Charles and James Lapham, Rodney Grover and Gilbert Pearson. It was delayed to permit completion and adoption of the township's new zoning ordinance.

Presently the land is zoned R-2

(one family residential). A change to R-M (multiple family) would be required to permit the mobile home development.

Technically, the present rezoning request, if granted, would allow multiple dwellings, not mobile home units, on the 50-acre parcel. The petitioners would then be required to meet other specifications relating to mobile home developments before such a project could be undertaken. The latter requirements would not necessitate rezoning, however, and could therefore be accomplished without public hearing.

Mobile home developments are permitted within R-M and I-1 (industrial) zoned areas, subject to certain conditions. Among these are a 450-foot setback from any public thoroughfare, a public access

road of 60-feet width from the nearest major thoroughfare, and a minimum lot area of 4,000 square feet.

Lapham has stated that the 450-foot setback from Beck road would be possible, but that an appeal would be made to reduce the setback requirement from Six Mile road.

In his appearances before the planners Lapham has noted that none of the abutting property owners object to the proposed development. He stated that several have written letters of support to the project.

Should the planning commission approve the rezoning, the action requires approval from the board of trustees. The planning commission is an appointed advisory body.

Board, Citizens View Plans

Larger Junior High Sought

Lacking a quorum, the Northville board of education Monday night reviewed proposed plans to give additional room to the new junior high gymnasium, shop, arts and crafts, and music rooms and took an initial look at projected additions for the senior high school but did not give formal approval.

Pressed by the architects, Robert Shafer informally told Joseph Stout and Robert Tucker, of O'Dell, Hewlett and Luckenbach Associates, to continue on the assumption that the plans for the larger gymnasium, expanded in the plans to 70 by 80 feet, and the larger shop space, arts and music rooms would be approved when the board meets again next Monday night.

Shafer said it seemed to be the opinion of the board at its meeting

last week that area should not be sacrificed to try to keep costs within voted millage allotments. He and Eugene Cook, only other board member present after Board President W. C. Becker and Assistant Superintendent Raymond Spear left at 8 p.m. to speak at an Amerman school PTA meeting, indicated they were in favor of leaving classrooms until later, if necessary, rather than build a "too small" school that would not accommodate students when it opens. He added that seemed to be the feeling of members of the audience who spoke during the session. Thirteen citizens attended.

The revised enlargements, it was estimated, will add \$63,496 to bring the total estimate for the new junior high to \$1,482,719. From the audience Blake Couse questioned per foot costs, finding

that they varied with the gym area being \$34. Dr. O. J. Robinson expressed concern that the building will be at capacity of 600 students as soon as it is built. Mrs. Norman Frid suggested the possibility of "putting the sixth grade back in the elementary" as it appears there will be room available there for about two years and she felt "it's cheaper to build an elementary school."

Eugene Cook stated he hoped this step will not be necessary as he had found the sixth grade experience in junior high "enriching" as his son has been exposed to varied subjects with several teachers.

As the board viewed preliminary senior high plans that will add nine teaching stations to increase capacity from 600 to 835 students, William Secord asked

if a timetable were being established for the high school expansion and was assured that it would not be finalized until after the junior high is pushed.

It was pointed out that the \$500,000 for the high school swimming pool was voted separately from the other school expansions and, therefore, will be built with this money. Shafer and Cook pointed out that some other portions of the \$3.3 million bond issue may not be achieved in the face of rising costs, however.

Preliminary plans of the ratorium showed an L-shape pool of poured concrete and ceramic tile with shower, locker and teacher office areas. Basic add-on areas at the high school will be for a shop, classrooms and a new library with the present library area being used to expand the cafeteria.

SIGN RIGHT THERE—As chairman of Northville's beautification campaign, Mrs. Beatrice Carlson made certain that Mayor A. M. Allen declared April 24-30 Arbor Week. The city plans to take the lead in tree planting and is urging all citizens to follow suit. More emphasis will be placed on tree-planting during "clean-up month" in May.

Engaged

Larita A. Spooner

A summer wedding is being planned by Larita A. Spooner, whose engagement to George Ralph Sizemore is announced this week by her mother, Mrs. Leslie Spooner, 250 Rayson street, Northville. Her fiancé is the son of Mr. and Mrs. William Sizemore of Hyden, Kentucky.

The bride-elect is a 1963 graduate of Margaret Hall school, Versailles, Kentucky, and now is attending Eastern Kentucky State College, Richmond, Kentucky.

Her fiancé is to be graduated from Eastern Kentucky State College in June and expects to teach at Miamisburg, Ohio.

Mr. and Mrs. Freeman Faulkner of Taylor announce the engagement of their daughter, Marsha Bugg, and Ralph Michael Rivers, son of Mr. and Mrs. Ralph Rivers of Ripple Creek, Willowbrook.

Card Party Set

A benefit card party to raise funds to sponsor a boy to Boys' State will be held Saturday, April 23 in the Novi Community Building beginning at 8 p.m.

Sponsoring the party, which will feature all types of games as well as cards, is the Novi-Walled Lake Farm Bureau.

Carrol Elizabeth Crupi Weds Charles Beals

A Spanish influence was reflected in the ivory peau de sole gown and Alencon lace mantilla worn by Carrol Elizabeth Crupi for her marriage to Charles Douglas Beals at 11:30 a.m., Saturday, April 16, at Our Lady of Victory church. The Reverend John Wittstock officiated.

The bride is the daughter of Mr. and Mrs. Joseph L. Crupi, 23790 Maude Lea, Novi. Mr. Crupi is president of the Village of Novi. The bridegroom is the son of Mr. and Mrs. Maurice D. Beals of Decatur, Illinois.

The bodice of the bride's gown was fashioned of Alencon lace over peau de sole and frosted with pearl tracery. It was styled with

a crescent neckline, Angelica sleeves and a scalloped peplum-effect at the waistline. Godets of Alencon lace flared out from each side of the slender skirt. Bows trimmed the circular court train. Her mantilla veil fell to just below the waistline.

The bride carried a long cascade of Happiness red roses and heather, designed to complement the Spanish mood of her gown.

Sandra Lee Crupi, maid of honor, and Susan Darling, Mrs. Robert Schlenker (Maureen O'Brien) and Jo Ann Crupi, bridesmaids, all wore long, pastel pink sheath gowns of organza-over-tulle with flared sleeves to harmonize with the bride's. Cathleen Crupi, the flower girl, wore a short version of the bridesmaids' costumes.

The honor maid carried a long cascade of lilies, heather and Escourt red sweetheart roses. Bridesmaids carried cascades of lilies and heather while the flower girl's basket was filled with the same flowers. Arrangements of lilies and mums also adorned the altar as the couple exchanged vows.

J. Donald Schaffer was best man with John Kent, Richard Patton, Phillip Patton and Ronald Beals seating the guests.

For the ceremony and reception following at the Capistrano the bride's mother chose a pink silk jacket costume with which she wore a corsage of Escort red sweetheart roses. The bride-

groom's mother wore a blue suit-dress and a corsage of pink sweetheart roses.

The newlyweds left on a wedding trip to Lexington, Kentucky, and other points south. They will make their home in New Jersey as the bridegroom, who is receiving his doctorate in chemical engineering from Michigan State University, plans to affiliate with the Esso Research corporation in New Jersey. The bride also is a Michigan State University graduate, having majored in television work.

Women Attend Dem Meeting

Three Northville-area women, Mrs. C. E. Woodruff, Mrs. Eugene Guido and Mrs. Robert Dwyer, attended the Second District Woman's Day Program last Friday at the Ann Arbor Woman's City Club.

The event, sponsored by the Democratic Woman's club of Ann Arbor, was designed to allow women of the district to voice their opinions concerning community and national issues.

Main speakers were Mrs. G. Mennen Williams and Congressman Wes Vivian. Mrs. Jerome Cavanagh was invited but was unable to appear.

Junior Band Plans Concert

Annual spring band concert of the Northville junior high school band will be presented at 7:30 p.m. Thursday, April 28, in the junior high boys' gymnasium. The 75-80 member band is under the direction of Robert Williams.

The concert program is to include selections from "Mary Poppins," "Impressions of a Scottish Air," and Norwegian folk songs. Refreshments will be served after the concert.

Senior Citizens 'Get Acquainted'

Northville Senior Citizens' club members have been invited to be guests of the Plymouth club at a "Get-Acquainted Party" from 7:30 to 10 p.m. next Tuesday evening in the Plymouth high school auditorium. Cards, dancing and visiting will be offered. Other senior clubs invited include Jackson, Ypsilanti and Ann Arbor.

Since April 26 is the date for the members club's regular meeting, members first will meet here at the Scout-Recreation building for dinner at 6:30 p.m. and then continue on to the Plymouth fete.

Concert Tuesday

The Madrigal club of Detroit will present its spring concert at 8:30 p.m., Tuesday, April 26, in the Detroit Institute of Arts auditorium. August Maekelberge is the conductor.

Tickets are available locally from Mrs. Kent Mathes, 349-1649.

In Our Town

By Jean Day

AN OLD-FASHIONED kitchen will be a feature at the spring card party and dessert to be given by the Northville State Hospital Auxiliary at 12:30 p.m.

Tuesday, May 10, in the terrace room of the O. T. building. Because all proceeds will be earmarked for the newly established chapel fund, auxiliary members are hoping to make the event a sell-out.

Mrs. Herbert Weston, Mrs. Charles Fountain and Mrs. C. E. Ratliff, auxiliary ways and means committee, are in charge of arrangements. Mrs. Weston, chairman, already has invitations to all auxiliary members to make up tables.

The country store bake sale is under the direction of Mrs. Robert Lang, auxiliary president, who is asking members to look out favorite recipes to bake. Mrs. R. D. Nesbitt of Plymouth is in charge of the country store's white elephant counter - and there's a large caupon in the auxiliary's room at the hospital being filled with old vases, dishes and jewelry.

THE AUXILIARY at Northville State Hospital is unique in that it is the only auxiliary to be formed at a state hospital in Michigan. At the group's annual meeting this month Mrs. Robert Lang was re-elected president for the 1966-67 year.

Other new officers are Mrs. George Schueder, first vice-president; Mrs. John McGraw, second vice-president; Mrs. Kendal Kaufman, auxiliary treasurer; Mrs. C. O. Brosius, gift shop treasurer; Mrs. James Sugrue, Jr., recording secretary; Mrs. Allen Buckley, correspondence secretary.

Efficient Ann Lang has announced her standing committees (whose titles reflect some of the work the auxiliary accomplishes at the hospital): Mrs. Weston, ways and means; Mrs. Ratliff, hospitality; Mrs. McGraw, membership; Mrs. Schueder, newsletter; Mrs. Robert Gaines, publicity; Mrs. Buckley, "sunshine;" Mrs. Merl Korn, volunteer hours; Mrs. L. M. Eaton, book sale; Mrs. Harold Bloom, magazine project; Mrs. Philip Nauman, tour guides; Mrs. Sugrue, chairman of gift shop volunteers; Mrs. Orin Hove and Mrs. Joseph Fiorilli, ward cart service.

BY STRETCHING Easter vacation a few days several Northville families were able to take rather extensive springtime vacations. When Dr. Harold Wright was invited to present a paper at the American orthopsychiatry conference in San Francisco last week, the Wrights decided to make the trip a family excursion. With David, Lisa and Peter they went by train to Los Angeles and then San Francisco. Dr. Wright afterward went on to a consultant session in Portland, Oregon, where Mrs. Wright and the children flew home.

The Donald E. Schwendemanns with daughters Sandy and Sheryl returned this week from a combined business-pleasure trip that took them to Williamsburg, Virginia, and Washington, D.C. While flowers were in bloom, Mrs. Schwendemann reports that it was cooler-than-usual in the southland, too. Added excitement at Williamsburg was seeing Hugh Downs and cast of the television Today show making films that were scheduled to be shown this Friday.

A quick trip to Phoenix and Scottsdale, Arizona, gave the John Begle family a few relaxing days in the sunshine before Mr. Begle was called home by business. There was time, however, for Mrs. Begle and daughter Lucy Byard to acquire a tan and explore the wonderful shopping at Scottsdale.

The Arthur Hempes of West Fanner court, just recently unpacked from a jaunt to Jamaica, are packed again for a trip to Europe. They leave today for Belgium, France, Germany, Switzerland and England. In Brussels they hope to visit the John Walker family, their Northville neighbors, who are in Belgium for Ford motor company.

While they are away Mrs. Hempe's mother and stepfather, Mr. and Mrs. Frank Graham of Shreveport, Louisiana, who arrived this week, will be staying with their children.

REUNION IN NORTHVILLE—Elsa Couse, right, finds she still is fluent enough in the German language to visit with Mr. and Mrs. Horst Schnatmeier who visited at the Walter Couse home last week. They were her hosts in Melle, Germany when she was a Youth for Understanding exchange student. Luckily, their visit here coincided with Easter vacation in the Livonia schools, where Elsa now is a teacher; so she was able to tour Detroit with the Schnatmeiers, who are German industrialists.

German Visitors Mix Pleasure, Business

Two German industrialists and their hosts, Mr. and Mrs. Walter Couse and daughter Elsa, toured Detroit last week, but their sight-seeing was not of the usual tourist attractions.

Because both Mr. and Mrs. Horst Schnatmeier are partners in their own, separate industrial concerns, their interest was in seeing automotive spring, and dry cleaning-garment industry equipment. Mr. Couse, as host, escorted the energetic couple on a full tour of industrial Detroit.

The Couse family became acquainted with the Schnatmeiers when Elsa lived with them during the summer of 1957 as a Youth for Understanding exchange student. She also returned to their home at Melle, near Bremen and Hanover, Germany, for a visit after she had spent a year in Switzerland as part of her Albion college student program.

Horst Schnatmeier is a partner in the firm of Heinrich Schomacker and company in the heavy trucking industry. It has three flat leaf spring plants, a chain and a trailer plant.

Anna-Sophie Schnatmeier, a partner of A. S. Rimpau, KG, already was operating her own firm when she met and married her husband. The firm supplies

dry cleaning, washing and pressing machinery for the German garment industry. She estimated that the United States is four years ahead of Germany in this field.

The Schnatmeiers have been observing and doing business in South America and the Middle East. Leaving Northville for Wichita, Kansas, last Wednesday, the global travelers were making a stop enroute to visit a spring factory in Cleveland whose machines they had seen "all over the world."

As Mrs. Schnatmeier speaks Spanish, French and English in addition to her native German, they are able to converse almost anywhere. Her husband also speaks English.

In Detroit they were impressed with the volume of truck and trailer traffic and observed the railroads in Germany carry much of the merchandise trucks do here with a tax on certain goods actually penalizing truck traffic.

When Mrs. Schnatmeier married her husband, she became the mother of two boys and two girls. The couple also has an 11-month-old son; so a family ranging from the baby to a thirteen-year-old waits for them in Melle. Mrs. Schnatmeier admitted that she is "fortunate" in having good help at home, including a cook. In Germany, just like in the United States, she said, help is becoming very hard to find.

News Around Northville

Filling the April-May calendar are dates for annual spring card parties, luncheons and dinners of local organizations.

The annual spring luncheon and bazaar of the Mizpah chapter, King's Daughters, will be held from 11:30 a.m. to 1:30 p.m., Thursday, May 12, at Northville First Methodist church.

Under the direction of Mrs. Herbert Famuliner and her committees final plans are taking shape for the annual card party sponsored by the Women's Auxiliary of the Royal Arch Masons. It is to be given at 8 p.m. Saturday, April 23, at the Northville Masonic Temple. There will be table and door prizes with a smorgasbord following the card games.

Dancing to the music of Bob Freeman's orchestra will follow the buffet-banquet planned by the women of Our Lady of Victory church from 7 p.m. to 1 a.m. Saturday, April 23, at Roma Hall. A special project of the third annual dinner-dance is to provide educational television for Our Lady of Victory school.

Union Chapter No. 55, Royal Arch Masons of Northville, will have a Past High Priests Night April 27. A dinner at 6:30 p.m. will precede the work. Reservations should be made by Friday by calling FI 9-0924.

Mrs. Richard Juday, 304 Lake street, is a patient at Traverse Osteopathic hospital in Traverse City. She has been hospitalized for two weeks following surgery.

Northville Camera Club will hold a competition night meeting at 7:45 p.m. Wednesday, April 27, at the Wayne County Training School. Subject will be "Six Mile Challenge."

Northville Mothers' Club will hold a business meeting at 8 p.m. Monday at the home of Mrs. Stan Schaefer, 47000 Six Mile road. Co-hostesses will be Mrs. Bernard Bach, Mrs. William Secord and Mrs. Blake Couse.

Gerald L. Jerome, R.M.S.N., has returned to his base in Norfolk, Virginia, after spending two weeks with his parents, Mr. and Mrs. Clarence Jerome. He is stationed aboard the destroyer, the Robert L. Wilson, D.D. 847.

About 150 people were expected to attend the benefit games and housewares demonstration to be given Wednesday evening by Beta Sigma Phi sorority at the Plymouth credit union to raise money for teenage projects at the Plymouth State Home and Training school. Among upcoming activities planned for teenagers at the home is a street dance May 26 at which the Disciples will play.

TOPS Honor Member With 'Your Life' Skit

Mrs. Clarence Jerome of Du-buar street was guest of honor at a "This Is Your Life" program following a regular Monday night meeting of the Northville TOPS.

Mrs. Jerome joined the local Take Off Pounds Sensibly Club eight years ago and, after reaching her reducing goal, has never shown a gain at weekly weigh-ins. Taking part in the skit were her

husband and son, Jerry, home on leave from the Navy; a sister, Mrs. Arla Riley of Livonia; and Mrs. J. F. Boyd, Mrs. C. C. Winters and Mrs. Forrest Lemmon, all of Northville. A note was read from Councilwoman Beatrice Carlson as she was unable to attend.

Gifts from the club were presented by Mrs. Victor Lonn, leader, and Mrs. Foster Ashby, weight recorder. Mrs. Herbert Bissa was in charge of the program.

5 percen% interest

Effective April 15, 1966 Manufacturers Bank Special Time Accounts earn a new high rate—five percent interest on amounts of \$1,000 or more, on deposit for a minimum of six months.

Deposits of \$100 or more may be added at any time.

Manufacturers Bank 5% Special Time Accounts are in passbook form, or certificates are available if you prefer.

Effective this same date, the higher 5% interest will also automatically apply to existing one-year 4% Special Time Accounts issued after February 28, 1966. All Special Time Accounts may be redeemed prior to their maturity on 30-days written notice at a lower interest rate.

Regular Savings Accounts at Manufacturers Bank will continue to earn 4% interest compounded quarterly. Both the 5% Special Time Accounts and 4% Regular Savings Accounts are available at all 63 offices of Manufacturers Bank.

Our Want Ads Work Like Magic

1-Card of Thanks

Thanks to everyone for their flowers, cards and good wishes in my hospitalization and especially to Dr. Ross Griswold, Ron Timmins H16c

I wish to extend my thanks and appreciation to my friends and neighbors for the many cards and good wishes received during my hospitalization in Florida. St. Clair Hamlin H16c

2-In Memoriam

In loving memory of Helen Robertson who passed away one year ago April 24. She is missed so much by all of us. The words are hard to find. The wonderful memories she has given us will help now that we are left behind. To know the happiness she must have reunited with her mate. Will help us all to bear the grief. Till we can join them at the gate. Sadly missed by her children and grandchildren

Punchless Mustangs Survive on Pitching

Pitching's the thing. No question about that, unless Northville's bats, which have been strangely silent, speak with more authority in games to come.

Coach Bob Kucher couldn't ask any more from his pitching staff. They have given up only seven runs in four games, and no more than six hits in any one game.

Heading the staff is Senior Steve Evans who turned in the best game of his prep pitching career last week when he mowed down the Clarkston Wolves with monotonous regularity in a no hit, no win effort. Northville won, 3-0.

It was a brilliant bit of hurling, which should send local sports buffs to the record book to find one to match it. And they probably won't find it.

Evans was in complete control all the way, striking out 16. Three Wolves reached first base. Two on walks, one by error, and they all died there as Evans poured the ball over the plate like a shot.

There's good reason why opposing batters quiver in the batter's box when Evans is on the mound. He has whiffed 32 batters in 15 innings. Only two have been credited with hits, both singles. One was a bloop single in the opening game, and the other was a single in last Saturday's loss to Brighton.

Behind Evans comes promising young sophomore, Dennis Primeau. In his first prep start, Primeau was tough in the clutch to post a 3-2 victory over visiting Walled Lake last Wednesday.

Another hurler who made his debut for Northville wasn't as successful as he dropped a 4-3 decision to Brighton last Saturday. Northville's first loss of the season. He was Junior Steve Kehrer, but Kehrer pitched well enough to win. He was a victim of the Mustangs big problem — lack of hitting.

"We're simply not getting the hits," said Kucher. Especially painful to Kucher is the fact that

his charges aren't hitting the ball; they're tacking up more than their share of strike outs. There have been 29 in four games.

So far (through four ball games), Northville has garnered only 19 hits and two players, John Jameson and Dave Boerger, have accounted for all but seven, a pretty poor showing in anybody's league.

It was Jameson who broke up the Walled Lake game with a bases loaded double, and he was also instrumental in the Clarkston contest by banging out a run producing double. Boerger tripled against Brighton to drive in a run, and he scored later.

The Brighton loss was tough to take, despite the poor Northville hitting. Northville led, 3-0, until the sixth when Brighton bunched five of its six hits and three walks to score four times.

Lutheran West's John Potts wins the 440, with Northville's Bill Harrison taking second and Jon Kaake third in a hotly contested race.

Netmen Flash Winning Form

What had been predicted for the Northville netmen has come to pass, and in the process, Coach Dick Norton has had some pleasant surprises.

Northville has streaked to four victories in five ventures, and the only loss the local netmen suffered they averaged two days later, beating Dearborn Riverside.

Before a ball had been served officially this year, Norton was solid in the singles, with Jim Long, Larry Thibos and Norbert Parent, all veterans, back to serve another year. They've come through.

The second line strength is where the surprise comes in. Norton has been getting a solid performance from Steve Quay in the number four singles spot.

Randy Caliguiri, a senior letterman, can play either singles or doubles, and behind him are Bill Hart, another senior, Randy Burnett, a junior, Jim Hill, a senior, and underclassmen, Bruce Durham, George Kohs and Ken Boerger.

Northville is tied with Bloomfield Hills for the conference lead with a 3-0 mark.

Considered a threat, but not a potent force in the league, Clarkston was the most recent victim of the local netters, 4-1. The match was actually closer than the score would indicate.

Long had finished off Mike Dougherty, 6-3, 6-4, and Thibos had taken care of his end of the bargain by dumping Mel Green, 6-3, 6-3. Parent was waiting for an open court.

And it looked like Parent would be the difference between victory and defeat, for Clarkston had clinched one doubles victory and was even in the other. But Norton got a pleasant surprise. Cal-

iguiri and Hart, after dropping the opening set, 4-6, surged to 6-2, 6-4 victories and took the set for Northville's third win. It clinched the match.

No matter that Burnett and Quay were beaten 3-6, 5-7, by Kim Beattie and Tom Bullard. A little icing was added to the cake by Parent, who simply overwhelmed Mark Erickson in the final match of the day.

In back to back meets with Riverside, the teams split. Riverside edged Northville on its home court last week Wednesday, 4-3.

After a brief, two-day respite, Northville traveled to Riverside and squared the score by taking the meet, 4-3.

Golfers Split Openers

In their first two outings of the season, the Northville linksters broke even.

Coach Al Jones' golfers lost their opener last week Wednesday to Walled Lake by a 229-220 margin as three freshmen got their first taste of varsity competition.

Leading the Mustangs was the veteran, Rick Talbot. He shot a 40, and was followed by Keith Muller's 42, Mike Hohenic's 47, Bill Thomas' 49 and Tom Fagan's 51. Not counted in the best of five scores was George Neisch's 52. Thomas, Fagan and Neisch are freshmen.

On the friendlier greens of Meadowbrook Country Club course, Northville fared much better Monday, beating Livonia Franklin, 175-179.

Three seniors, Talbot, Bob Regenhart and Hohenic paced the attack by finishing one, two, three for Northville. Talbot fired a 40, Hohenic a 44, and Regenhart, a 45. Junior Keith Muller rounded out the quartet with a 46.

Game Thinclads Show Promise

Competition the backbone of free enterprise? Well, it also figures strongly in track, at least that was the impetus for a record breaking performance at Northville last week.

Lutheran West's amazing miler, Ron Strang, came to town, and he figured to lap the field on his way to beating his own personal record of 4:26 in the mile.

He didn't fall far short of it, sprinting, that's right, sprinting through the mile in 4:27.8. There was no one within 25 yards of him as he broke across the finish line.

First place was wrapped up, but the race wasn't over, nor the excitement as Northville's Dave Orphan, gritting his teeth and swinging his arms, strided for the finish line. He finished gamely, and in so doing, set a new local high school mark for the mile, 4:40.1, breaking the old record of 4:47.3.

Nothing spectacular in the time alone. Buried under the statistics is the story of desire. A tireless worker, Orphan trains hard, but still his best time in the mile in practice was 5:03, that is, until the meet with Lutheran West. Orphan matched Strang stride

for stride for over two laps, and although he couldn't match Strang's blazing kick for the final lap, Orphan virtually ran for his life — and set a new record. And there's a long season ahead to improve on it.

That wasn't the only exciting event as Northville lost its opening meet to Lutheran West last week Wednesday, 68-41.

The 440 had the crowd yelling as three preppers fought for the lead with Lutheran West's John Potts coping the event in 53.5. He barely finished ahead of Mustang Bill Harrison (53.6), who burst ahead of teammate, Jon Kaake (53.9), near the tape. Kaake had led the field for over a lap, when Potts and Harrison put on the steam.

Northville's Jim Peterson, just a sophomore, was a winner in his first meet. He leaped over the crossbar to take the high jump at 5'8" in one less leap than a rival from Lutheran West.

The only other first place won by Northville was grabbed by Bill McDermid in the shotput. Lutheran West took 11 firsts.

In the dashes, where Northville was predicted to be stronger, Lutheran West's Joe Keller flashed good form to win both the 100 and 220, in times of 10:8 and 23:7, respectively.

Northville won second and third in each, with Jim Trotter posting 10:9 and Jeff Crawford 11:3 in the 100. Crawford placed second in the 220 with a time of 24 seconds and Trotter third at 24:1.

In a triangular meet last Friday, Northville copped second with 35 points. Clarenceville posted 88 and Holly 11.

Once again it was a showdown in the 440. Harrison nipped teammate Kaake. Winning time was 52.5 to Harrison's 53:4 and Kaake's 53:7.

There were improved times in the 100 yard dash, too. Joe Sterns, Clarenceville, won the event in 10:6, while Crawford clocked 10:7 and Trotter 10:7.5. In the mile relay, Northville's team of Harrison, Kaake, Roger Kline and Jack Winner placed second with a time of 3:41.1. Winning time was 3:38.

AMENDMENT TO THE CITY ORDINANCES CITY OF NORTHVILLE, MICHIGAN

THE CITY OF NORTHVILLE ORDAINS:
That the present code be amended by adopting the following Section to Chapter 7:
Sec. 7.4

THE CITY OF NORTHVILLE ORDAINS:

Section 1. That no surface or storm water from any source shall be allowed or permitted to enter the Sanitary Sewer System of the City of Northville and no connections shall be made or permitted, which would allow other than sanitary sewage to flow into said System except as is hereinafter provided.

Section 2. The Sanitary Sewer System of the City of Northville is hereby defined to be that system of sewers and appurtenances which directly or indirectly connects with and discharges into the Middle Rouge Sanitary Sewer System.

Section 3. On existing construction, all downspouts shall be so constructed or reconstructed so that they discharge their water a sufficient distance from the building to insure that it does not flow back into the footing tiles.

Section 4. In all cases of improved surfaces at or above the building grade line, including, but not being limited to, driveways, courts, patios and sidewalks, they shall be so constructed or altered so that any water on same shall drain away from the building and in a direction approved by the City. In the case of existing construction, the City Manager, or his representative, may require the alteration of said improved surfaces if he finds that the existing condition is causing storm and surface water to drain into the City Sanitary Sewer System.

Section 5. In all cases of below grade drainage, including, but not being limited to, footing tiles, sunken patios and underground springs, such drainage shall be constructed in such a manner, that is approved by the City, as to preclude their draining into the Sanitary Sewer System. In the case of existing construction the City Manager, or his representative, may require the alteration of said drainage system if he finds that it is causing water to flow into the Sanitary Sewer System.

Section 6. For the purpose of the enforcement of this Ordinance, the City Manager, or his representative, is hereby authorized to go upon private property for the purpose of making tests or ascertaining whether there exists a condition which violates the provisions of this Ordinance.

Section 7. This Ordinance specifically supercedes and repeals any provisions of our City Plumbing Code, or any other Code or Ordinance which conflict with the provisions of this Ordinance.

This amendment was approved by the Northville City Council and becomes immediately effective April 18, 1966.

The "Chantones," a quartet of the Utica-Rochester Chapter of the Sweet Adelines, Inc., will appear at the annual spring concert sponsored by the Men's club of the Northville Presbyterian church. The program will be held at the Northville high school auditorium Sunday, May 1 at 7:30 p.m. The "Chantones" are (l-r) Mrs. Jack Levick, Mrs. Bob Heltsley, Mrs. Richard Heltsley and Mrs. Jack Lingenfelter (in front).

Men's Club to Present Barber Shop Harmony

Sunday, May 1, 1966 at 7:30 p.m. the Men's Club of the Northville Presbyterian church will present its annual Spring Concert.

This year the concert will feature a "Barber Shop Extravaganza", in which four well known singing groups will perform musical harmony numbers such as "Coney Island Baby", "Dear Old Girl", and "Meet Me in St. Louis, Louis".

The "Chantones", a quartet of four gals was organized in 1964 and joined the Utica-Rochester Chapter of Sweet Adelines Inc., competed in the annual Novice Quartet Contest in Kalamazoo this year in January and walked off with the first place award.

Also appearing will be the "Teen Tones", a quartet of girls from Southfield High school and the "Smithsonians", a quartet composed of an entire family of singers. The Metro-D Chapter of Sweet Adelines, Inc. will have a chorus of fifty-four enthusiastic girls who will add sparkle to an evening of harmony.

Tickets for the program can be obtained from members of the Men's Club or by calling the church office.

The program will be held at the Northville high school auditorium.

Millage On Tap At PTA

Millage will be the subject of the Main Street Elementary school PTA meeting at 8 p.m. today in the junior high boys' gymnasium.

"All About Millage" will be discussed by Clyde Vadner, member of the citizens millage committee. Raymond Spear, assistant superintendent of Northville schools, also is to speak. A question and answer period will follow the program. Because of the interest in the upcoming election for additional operating millage on May 9, the Main Street elementary PTA board is inviting everyone interested in the community to attend. Coffee and refreshments will follow.

Bill Forney Succumbs In Florida

Word has been received in Northville of the death Monday of William "Bill" Forney, who had been in the coal business here for more than 20 years before he and Mrs. Forney retired to Florida about eight years ago.

Mrs. Jean Cole of Northville flew to Florida for services for her brother-in-law to be held at Eustis, his Florida home. In addition to his wife he leaves a nephew. Mrs. Forney was active in Red Cross activities while in Northville.

On Zantop Flight Team

Jim Strange

Jim Strange, a 1959 graduate of Northville high school, recently gained note at International Airport in Ontario, California where he is flight control manager for Zantop airlines.

Strange is the son of Mr. and Mrs. H. M. (Curly) Strange of 590 Grace street.

Novi Inn Owner Dies

Funeral services were to be held at 3 p.m. Wednesday at Casterline funeral home for Benedict S. Tinkham, 86, of 25974 Novi road, Novi, who died Saturday at Annapolis hospital, Wayne, after an illness of five years.

A Novi resident for more than 30 years, Mr. Tinkham was the owner of the Novi Inn since 1935. He was a charter member of BPOE, Farmington Lodge No. 1886.

Mr. Tinkham is survived by his wife, Esther, whom he married November 23, 1927. He was the son of Enoch and Jane Harper Tinkham and was born April 26, 1879, at Waterbury, Connecticut.

The Reverend LaVere Webster of Novi First Methodist church officiated at the services. Interment was to be at Oakland Hills Memorial Park cemetery, Novi.

Wins Honors

Cadet David King, who is a student in the Roosevelt Military Academy Aledo, Illinois, was cited for excellence at special ceremonies honoring award winners for the second quarter of the school year. Cadet King is the son of Mr. and Mrs. Eugene King, 512 W. Dunlap. Cadet King was presented an award for excellence in conduct and concert band. He is a freshman.

Gill Glasson Succumbs

Gillian W. Glasson, 370 Fairbrook, died Wednesday, April 28 at 8:20 a.m. at University hospital in Ann Arbor.

He had been a sergeant on the Northville police force until five years ago when he suffered a stroke. Mr. Glasson is survived by his wife, Aurelie, and a son, Larry.

Funeral services will be held Saturday, April 23 at 1 p.m. at the Casterline Funeral Home.

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards. To arrange for a Goodwill Industries truck pickup, ask the operator for toll-free Enterprise 7002.

Art Chosen For Journal

Art study has paid off for Charles Van Every III, a graduate of Northville high school now in his freshman year at Schoolcraft college.

A drawing of the college administration building which he made was accepted as the flyleaf for Technical Arts Journal. His contribution was recognized at a coffee hour hosted by College President Dr. Eric Bradner.

He is the son of Mr. and Mrs. Charles Van Every of 42100 11 Mile road, and is studying liberal arts at Schoolcraft.

Students Attend FHA Meeting

Margaret Godley and Barbara Bogart, students at Northville high school, will attend the Future Homemakers of America State Convention today and Friday, April 21 and 22, in Grand Rapids.

The convention, with headquarters in the Pantlind Hotel, Civic Auditorium, will draw over 1,500 delegates, members, and advisers from throughout Michigan to follow a theme of "FHA - Cast A Tall Shadow". Mrs. Robert Bogart will accompany the girls.

Purposes of this state convention are to summarize the year's accomplishments, to set plans for

future projects and to carry out the business of the state organization including election of officers and the yearly awards of scholarship and honors. The meeting is also held to help members understand better the FHA goals and inspire them to higher achievements.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Public Hearing on the Proposed Budget for the coming fiscal year for the Village of Novi will be held on Wednesday, May 4, 1966, at 8:00 P.M. at the Village Hall, located at 25850 Novi Road.

A summary of the Proposed Budget is as follows:

ANTICIPATED REVENUES:

Sales Tax Diversion	\$60,000.00
Property Taxes	79,500.00
Miscellaneous	62,000.00
	\$201,500.00
Gas and Weight Tax Distribution	\$75,000.00
Miscellaneous	7,000.00
	\$82,000.00
	\$283,500.00

ESTIMATED EXPENDITURES:

Administrative Expenses	\$68,265.00
Police Dept. Expenses	72,699.00
Justice Court Expenses	18,500.00
Fire Dept. Expenses	11,900.00
Village Hall Expenses	7,100.00
Street and Road Construction	6,000.00
Hydrant Rental (per ordinance)	16,800.00
Unknown Contingencies	186.00
	\$201,500.00
Direct Highway Expenses	\$74,088.00
Administrative Expenses	7,550.00
Unknown Contingencies	362.00
	\$82,000.00
	\$283,500.00

NOTICE IS FURTHER GIVEN that a complete copy of the Proposed Budget will be on file for public inspection at the office of the Village Clerk at the Village Hall, 25850 Novi Road, during regular office hours from April 21, 1966, to the date of this hearing.

Mabel Ash, Village Clerk

NOTE: This budget is based on an ad valorem tax of three mills and if approved in substantially its present form, it will mean a tax of \$3.00 per thousand assessment on the real and personal property within the Village.

Strolling Through the Park

Sure, and it was a fine spring day Sunday. Into the sunshine strolled picnickers, tennis buffs, bicycle riders and two Northville boys who couldn't care less that the ponies are not running at Northville Downs.

They had their own trusty mounts upon which to canter through the trails of Cass Benton woods. Frank Konopaski, left, was one of many who took the opportunity to wear shorts in the balmy 60-degree weather. His companion is Alan Abrams.

THE TOUCH OF FAITH

"And a woman having an issue of blood twelve years, which had spent all her living upon physicians, neither could be healed of any, came behind (Jesus), and touched the border of his garment; and immediately her issue of blood stancheth."

Dr. Luke's record of this medical case is found in chapter eight of the Gospel of St. Luke. For this woman's sake, I am glad she did not live in our day when the issue of blood most likely could have been cured by the hand of skilled 20th Century surgeons. You say, "Preacher, you're awful hearted! What a mean you are to wish this woman did not live today when she could be cared for by some of the greatest specialists the world has ever known."

It may be true that a quickly scheduled operation may have saved her twelve years of doctor bills and treatments. But for her sake I am glad she did not have what we have available today. I am pleased to know she was without a University of Michigan hospital staff and a Mayo Clinic to do what the ancient physicians could not do.

No doubt modern medical knowledge would have spared her suffering many things of many physicians, and spending all she had to be nothing bettered, but to grow the worse, as Mark 5:26 puts it. Modern science may have spared her all of that. But it also may have spared her coming to Jesus. She may have been healed twelve years

sooner, but not found Jesus twelve years later.

When this woman touched the hem of Jesus' garment it was a touch of faith. This touch of faith brought not only healing, but also salvation. After it was discovered what had happened, Jesus told her, "Thy faith hath made thee whole; go in peace." She was not only healed of her sickness, but also her sin. Wasn't that much better than what modern science could have done. By coming to Jesus her issue of sin was cured the same time her issue of blood was healed. Painless healing and peace with God all in one operation ... the operation of faith in Jesus Christ, the Son of God.

Strange how a landscape sets the imagination to work. Right now, looking at this scene, I can imagine all sorts of things.

Winged steeds riding to heavy music . . . pioneers in the wilderness . . . castles on the cliffs . . . boating at high speeds.

Look at the magic that enables the lake to mirror the rocky mountain peak and the heavens! The vastness and stillness of the scene sets my mind to wondering about time and space and things I will never understand.

But in standing here and wondering so, I feel like I've been near God.

There is a place where I can find Him always—in Church. Will you come with me?

M Seeks Nominees For Awards

The University of Michigan will celebrate its 150th Anniversary beginning January 1, 1967. One of the special aspects of this celebration will be the selection of recipients for the University of Michigan Sesquicentennial Award.

Nominations for this distinction are desired from U-M Alumni throughout the world. To make as widespread availability of the nomination forms as possible, they will be available from Presidents of local Alumni Clubs throughout the nation. Those alumni desiring a form to nominate a person may obtain one by writing the president of the Livingston County University of Michigan Alumni Club, Herbert L. Munzel at 222 W. Grand River, Brighton.

Criteria for selection will be any kind of the following; (1) Notable contribution to mankind, a state or nation, a community, the University, a business, profession or discipline; (2) Dedication to World Peace, the dignity of the individual, the preservation of American Democracy and its institutions or man's right to free inquiry and expression; (3) Devotion to the highest standards of scholarly achievement and demonstrated competence in the discovery and/or dissemination of knowledge.

**You bought a house
to keep your child off the street.
Why keep him off the lawn?**

After all, a lawn is to enjoy. This is why you should know about Agrico Grass Food. Most people think a fertilizer just greens grass. Fact is, many fertilizers do little more. But Agrico Grass Food is different. Agrico contains a special combination of ingredients that not only greens your grass, but more important, enriches your soil. Only nutrient-rich soil can adequately feed a grass plant and its root system.

2 out of 3 professional grass growers use Agrico

Agrico Grass Food produces thick, hardy lawns that can resist wear and tear by kids and cookouts. Agrico is used almost exclusively by professional grass growers—golf course superintendents, landscape gardeners, nurserymen and sod growers. They rely on Agrico because it builds thick, vigorous turf that withstands rough treatment. A \$4.95 bag of Agrico Grass Food enriches 5300 sq. ft. of grass and soil. This season, apply Agrico Grass Food. And throw away your "Keep-off-the-grass" signs. The Nation's Leading Fertilizer

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SERVICE AWARDS—Northville Police Chief David LaFond presented awards to February and March Service Girls and Patrol Boys Friday. Honored were, left to right, Joan Batzer, fifth grade; Bill Schuchard, fourth; Karen Sepp, fifth; Dan Purton, fourth; Debra Fronfelter, fourth; Jamie Dougherty, fifth; Raymeta White-sell, fifth, and Dan Ledgerwood, fourth.

Girl Scout News

Northville Girl Scout Neighborhood council will have its second potluck dinner at 7 p.m. Monday, May 9, at the Scout-Recreation building. All registered, adult Girl Scouts are invited and are asked to contact the leader under whom they are registered for details.

Junior Troop No. 407
Members of Junior Troop No. 407 met Governor George Romney and were escorted through his office during an all-day trip to Lansing April 6. The troop left by train from Plymouth. They visited the house and senate in session and had lunch in the Mason cafeteria. They toured the historical museum before returning by train to Plymouth with their lead-

ers, Mrs. Ralph Mannisto and Mrs. John Rogers.
Girls in the troop made place cards for the installation dinner of the Northville Jayettes, the troop sponsor.
The troop's "Promise in Action" project is Whitehall convalescent home where troop members are pledged to visit at least one hour every two weeks. Each patrol is responsible for sending a birthday card during an assigned month.

Troop No. 209
Girl Scouts of Troop No. 209 made 12-inch, stuffed Easter bunnies for children in ward B-2 at Plymouth State Home and Training School.
The girls are working on their World Understanding badge and

in conjunction have written to Washington for information. Mrs. W. F. Schlieff and Mary Lou Horsfall have discussed International Scouting at a troop session. The troop decided to work on this badge as a result of its contact with Chatham, Ontario, Girl Guide Company 8. The girls also are working on the Active Citizen challenge, emergency preparedness challenge and the weather badge.

The last of four roller skating parties was held by the troop at Lakeside arena and was limited to eighth grade boys and girls with parochial students also invited. The troop reports having a "wonderful time" with about 75 present.

Banker to Speak On Mayor's Day

Lawrence Good, an officer of the National Bank of Detroit and a recognized student of Michigan, will be the featured speaker at a public luncheon here during Michigan Week.

Good will speak Monday, May 16, at the Northville Presbyterian church while the exchange mayor from Lapeer is governing the town.

Fort Huachuca, Arizona—Army Pvt. Robert L. Donnelly, son of Mr. and Mrs. Rene C. Donnelly, 45350 W. Ten Mile road, Northville, Michigan, was assigned to the 459th Signal Battalion at Fort Huachuca, Arizona, April 4.

Donnelly, a lineman in Headquarters Company of the battalion, entered the Army in November 1965, completed basic training at Fort Knox, Kentucky and was last assigned at Fort Gordon, Georgia.

The 20-year-old soldier was graduated from Northville high school in 1963.

Chu Lai, Vietnam—Marine Corporal Richard J. Burton, son of Mr. and Mrs. Robert Burton of 109 N. Rogers, Northville, is serving with Marine Air Base Squadron 12 of Marine Aircraft Group 12 at Chu Lai, Vietnam. Marine Aircraft Group 12 is a unit of the 1st Marine Aircraft Wing and uses the A4E "Skyhawk" jet aircraft.

His squadron furnishes airbase facilities and services (except airfield construction) for support units of the aircraft group, and supplements airbase facilities and services when attached to air stations or facilities.

Another Protest
The Associated Students of California State College sponsored a "Gripe-In" recently. The protest meeting was for students who failed to make their grievances public through sit-ins, teach-ins or other demonstrations.

NOVI HIGHLIGHTS

By Mrs. H. D. Henderson
FI 9-2428

Mr. and Mrs. Alvin Killeen and daughters Gloria and Cristie have returned from a two week vacation at Indian Rocks Beach and St. Petersburg, Florida. On the trip to and from Florida they visited relatives in Alabama and spent one day at St. Augustine and one day in the Smokies.

Mr. and Mrs. Ed Behrendt and Mr. and Mrs. George Kahrl attended the wedding and reception of their niece in Plymouth Saturday evening.

Mr. and Mrs. Karl Erbacher and son Billy of Olathe, Kansas, spent their Easter vacation week with the latter's parents, Mr. and Mrs. Jack Smith.

Mr. and Mrs. Aaron Oliver of Eleven Mile road returned to their home last week after spending the winter months at Palm Springs, California. They visited Mrs. Betty Cotter last Friday.

Mr. and Mrs. George Mairs and daughter, Claudia, of Saginaw had Sunday dinner together at Frankenmuth.

Ed Putnam and his fishing companion spent this past weekend at the Putnam cabin near Lewiston.

Mr. and Mrs. Hugh Crawford had as Easter Sunday dinner guests the former's relatives and the latter's grandmother, Mrs. Betty Cotter.

Novi Mothers' Club is sponsoring a rummage sale May 3-4. Rummage may be taken to the Novi school any time for the club has reserved a room to store rummage until the sale.

Louise Sigbee, 12-year-old daughter of Mr. and Mrs. Harold Sigbee, was confirmed in St. William's Church at Walled Lake Saturday. After the confirmation Louise, her mother and her sponsor, Mrs. Barbara Coleman, had dinner at the Rosewood Restaurant. Later, mother and daughter visited the Boy Scouts at the Bishop Lake camp. As a surprise Louise was presented with the gift of a little kitten.

The Reverend and Mrs. Paul Barnes and children have moved to Grosse Pointe where they will remain until September when Mr. and Mrs. Barnes will go to California for a year's training in Missionary work.

David Ruhland, son of Mr. and Mrs. Samuel Battiatia, will be graduated from the University of Michigan this month, with a Bachelor of Science degree in psychology, with Honors and Distinction. He has accepted a scholarship to U.C.L.A. next fall.

Mr. and Mrs. Battiatia are the proprietors of the Novi Party store on East Grand River.

John Leavenworth, son of Mrs. Ev. Behrendt is a patient at St. Joseph hospital in Ann Arbor.

Ben Tinkham, who has been a

Novi resident for many years, died at the Annapolis hospital in Wayne Saturday after a long illness.

Novi Superintendent of Schools Thomas Dale and his family will move into the Frank Martin house as soon as it is ready for occupancy.

Mr. and Mrs. Alfred Gow spent Easter Sunday with their son-in-law and daughter, Mr. and Mrs. Robert Marr and sons in Livonia.

Hal Farah, who is a senior at Valparaiso College in Indiana, spent three days of his Easter vacation with his parents, Mr. and Mrs. Herbert Farah.

Sunday, Mrs. Hattie Garlick, Mrs. George Atkinson and Mrs. Frances Denton of Redford went to Port Huron where they attended a pre-nuptial shower honoring Mary Lozano who will become the bride of Jimmy Hagle in the near future.

The Anthony Skeltis family and the John Tymensky family were camping at Post Crescent this past weekend.

WILLOWBROOK NEWS

Mr. and Mrs. Emery Jacques attended a cocktail party at the home of Mr. and Mrs. George Du Gann in Farmington Saturday evening. Later the group went to a dinner-dance at the Armenian hall in Southfield. The dinner-dance was an annual event sponsored by the Farmington Field Organization.

Mr. and Mrs. Steve Bruce and Mr. and Mrs. Bruce Duke of Farmington accompanied Mr. and Mrs. Jacques to the dinner dance.

WILLOWBROOK COMMUNITY CHURCH

Friday at 3:30 p.m. there will be Jr. Fellowship at Willowbrook Community church with Jr. Catechism at 9 a.m. Saturday and 10:15 Senior Catechism.

Sunday, April 24, reception of members will be followed by an informal reception in the Fellowship Hall of the church.

NOVI METHODIST CHURCH

The W.S.C.S. of the Novi Methodist church held its monthly meeting at the hall Wednesday.

In the afternoon members served a dinner for the relatives and friends returning from funeral services for Ben Tinkham.

HOLY CROSS EPISCOPAL MISSION

The Holy Cross Mission Sunday service will be held at the Orchard Hills school with the Reverend John J. Fricke II presiding.

The women of Holy Cross Mission would like to say thank you to the people of Northville and Novi communities who helped to make the bake sale at Manufacturers Bank a huge success.

A bazaar workshop will be held next week. Anyone who would like to come, contact Mrs. Fred Lutes.

A parish dinner will be held May 2 at St. Paul's Memorial church on Grand River. Reservations are necessary since the dinner will be served family style. For information or reservations call Mrs. Lutes.

NOVI MOTHERS CLUB

The Novi Mothers' club met Monday evening in the Novi community building.

There were two parts to the program. The first speaker was Leo Van Bonn, Novi school transportation supervisor. After speak-

ing he answered questions. The second speaker was Paul Holler, school representative of the Oakland county juvenile court. A social worker, he explained his role in relation to the school and also answered questions.

The Novi School Fair program is progressing nicely. Monday charts were sent home by the children so the parents would know what each room will be doing at the fair and what they will need in way of donations and help.

Call the officers for information — Dorothy Farah, 349-5194, Eleanor Smith, 349-2003, Joan Ward, 349-2824, Phyllis Ritter, 349-2366.

NOVI REBEKAH LODGE

The Past Noble Grands meet at the hall tonight. They will start the meeting with a potluck dinner with co-hostesses Mrs. Irene Staman and Mrs. Sue Watson.

The next regular meeting will be held Thursday, April 28, at 7 p.m. A visitation will follow at South Lyon at 8 p.m.

The Rebekahs had a successful bake sale at the Community hall last Saturday. Proceeds of the sale will go to the medical center at the Rebekah and IOOF Home in Jackson.

NOVI SCHOOL MENU

Monday — Homemade vegetable soup, crackers, meat sandwiches, pumpkin pie, milk.

Tuesday — beef stew, molded grapefruit-and-orange salad, hot biscuits, butter, peach halves, cookies, milk.

Wednesday — sloppy joes hamburgers on bun, potato chips, buttered beets, apple sauce cake, milk.

Thursday — individual meat pies potatoes, gravy, bread, butter, buttered vegetable, jello, milk.

Friday — spaghetti, tomato sauce, tuna salad sandwich, cabbage raisin slaw, ice cream, milk.

SCOUT NEWS

Novi Girl Scouts
Jr. Scout troop No. 913 presented membership stars to girls who had been Brownies. Merit badge presentations also were made. They made plans for camping the first part of June and discussed planting a tree or shrub.

Jr. Troop No. 1027 is still working on dance badges.

Brownie troop No. 161 is making puppets. Brownie Troop No. 315 planted seeds in egg shells.

Last Thursday Mrs. Edna Miller attended a citation presentation at the Ford Motor company in Dearborn. She received the Community service award for her work with the scouts and other community services.

The Reverend and Mrs. Marvin Rickert spent three days last week at Grand Island, New York, visiting relatives.

On Tuesday of this week Mrs. Ralph Rivers entertained 22 ladies of the Vera Vaughn Missionary circle of Novi Baptist church. Mrs. Barbara Warren of the Wixom Baptist church was the speaker.

Other visitors at the home of Mr. and Mrs. Ralph Rivers were the latter's sister, Mrs. Dwight Crist of Lansing, Thursday.

Friday Mr. and Mrs. Leo Bondy of Wayne were dinner guests of the Ralph Rivers. They recently returned from a trip to Florida. Saturday evening Mr. and Mrs.

Rivers were dinner guests of Mr. and Mrs. Lester Coffey in Windsor. Recent house guests at the home of Mr. and Mrs. Ralph Rivers were Mrs. Rivers' parents, Mr. and Mrs. George Swengel from Napoleon, Michigan.

The Willowbrook Community association general meeting will be held tonight, April 21, at the Novi Community hall. All are welcome.

Tuesday evening Mrs. J. F. Buck assisted by Mrs. Claude Earl honored Mrs. Joe Hay (former Carol Conrad) at a baby shower at the home of Mrs. Buck. Approximately 30 friends and neighbors were present.

NOVI BAPTIST CHURCH NEWS

All teenagers are encouraged to attend the Rally April 23 at 7:30 p.m. at Denby high school auditorium featuring Mel Johnson. His daily radio broadcast, "Tips for Teens," has won national awards. He also has written two teenage books, "One Hundred and One Questions Teenagers Ask" and "Going Steady."

Vera Vaughn Circle met at the home of Mrs. Rivers and elected new officers. They are president, Eileen Coburn; vice president, Charlotte Munro; secretary, Marian Presnell; and treasurer, Bea Diem. They made plans to purchase chairs and tables for use in the Sunday school. Following the meeting they packed Viet Kits which were taken to Michigan S.S. Association office for delivery to the West Coast. The ladies met at the home of Betty Anglin Monday to make plans for the mother and daughter tea to be held May 26.

Dr. Piper's evangelistic meetings will begin next Sunday morning and continue throughout the week. There will also be special music. Nursery facilities will be provided, and anyone wishing a ride can call the church office. There will be special cottage prayer meeting throughout the week — Monday at the home of Mrs. Lorenz, Wednesday at the church and Friday night at the parsonage.

April 29 marks end of missionary intern training this year and the concluding program for the 120 who are enrolled in the program, including Gerald and Mavis Reimer, will be at Inter-City Baptist church at Allen Park. Theme will be "God Is Working Salvation on Earth". This will be presented by music and testimonies and message. There is a limited number of reservations; so contact Gerald Reimer. The church family will have a potluck dinner following morning worship service Sunday, April 24 for the Reimers.

All teachers and workers are reminded of the workshop to be held April 29 and 30 in Ann Arbor, sponsored by the Michigan S.S. association from 9 a.m. until 3:45 p.m. The morning speaker will be the Reverend Jack Bradford. Morning workshops will include, Reaching the Sick and Shut Ins, Recruiting and Training Workers, Reaching the Junior Department, Teaching Techniques in All Departments, How to Handle Discipline in the Sunday School, Holding Tactics to Sustain Growth.

Lunch reservations are available and registration fees for the day should be given to Mrs. Presnell by April 24.

Novi Boy Scouts

Twenty-nine Boy Scouts of troop No. 54 had campout at Bishop Lake Friday, Saturday and Sunday.

With the help of Mr. Ritter the boys have another school bus repaired and in use. Two boys won camping merit badges and one boy met the second requirement. Twenty-three boys went on two five mile hikes. Dan Sigbee and Lev Tafralian made two cakes and Cris Bowman, Lev Tafralian Bob Collins and Richard and Dan Sigbee made pies.

Novi Cub Scouts

A committee and den mother meeting was held Tuesday night. Cub Scout Den 5 went on a hike in the woods off Dixon road at their last meeting. Cub Scout Den 7 met last week. Billy Stowell brought treats, and Donny Wilenius told a story. Then they all went frog hunting.

What's Cooking

Following is the Northville High school cafeteria menu for the week beginning April 25 with hamburger on bun and French fries offered as an alternate main course choice daily:

Monday — Spaghetti, rolls-butter; or beef vegetable soup, meat sandwich; all with tossed salad, peaches, milk.

Tuesday — chicken pie, biscuits-butter; or bean soup, meat sandwich; all with grapefruit salad, chocolate cake, milk.

Wednesday — Potato salad, slice ham-and-cheese, homemade bread-butter; or chicken noodle soup, meat sandwich; all with orange salad, applesauce and cookie, milk.

Thursday — Swedish meat balls-and-gravy, mashed potatoes, peas-carrots, bread-butter; or split pea soup, meat sandwich, relishes; all with apple kuchen, milk.

Friday — Pizza; or mushroom soup, tuna salad sandwich; all with rainbow fruit cake, apple cole slaw, milk.

Rh Negative? Don't Panic

If you're among the 15 per cent of people who have Rh negative blood, don't panic. This inherited characteristic in no way affects your health. What's more, your chance of having an "Rh baby" is very slim indeed, reports the Oakland County Medical Society.

Actually, there is no chance at all of having an Rh baby if both parents have either Rh negative or Rh positive blood. There also is no problem when the father is Rh negative.

Only when the mother is Rh negative and the father Rh positive is there a chance that they will have an Rh baby — and this chance is less than one in 200.

A so-called Rh baby or "blue baby" is one who has developed a severe anemia before birth known as erythroblastosis fetalis. The condition develops because the baby's Rh positive blood — some of which escapes through the placenta into the mother's circulation — is incompatible with the mother's Rh negative blood.

To protect against this Rh incompatibility, the mother's blood forms protective antibodies, much like the antibodies formed when persons are immunized against diphtheria, whooping cough or polio. It is these antibodies — passing through the placenta into the infant's circulation — which destroy the infant's red blood cells to cause severe anemia.

If you are an Rh negative mother-to-be having your first child, don't worry. It usually takes two or three pregnancies before you can manufacture sufficient antibodies to do any harm.

During subsequent pregnancies, however, regular blood tests should be made a ritual. Through these tests your doctor can determine exactly when and if

sufficient antibodies have formed to cause real trouble.

If trouble is imminent, he'll arrange for an exchange transfusion to be given the baby as soon as possible after birth. This life-saving procedure replaces the baby's Rh positive blood with Rh negative blood, coincidentally removing the antibodies which passed from mother to baby before birth.

To impress Rh negative mothers-to-be with the importance of regular blood tests, I ask them to remember this: "Rh" also means "Really High-tail" it to your physician. It could save your baby's life.

NOTICE OF REFUND TO GAS CUSTOMERS

With the approval of the Michigan Public Service Commission, Consumers Power Company will refund to its gas customers during the next few weeks a pro rata share of refunds recently received by Consumers Power from its suppliers of natural gas. Refunds are to be made in the form of credits on customer bills mailed after April 4, 1966.

To be eligible for a refund, the customer must have received gas service from Consumers Power Company during October, November and December, 1965 and must have been a customer of the Company on March 25, 1966. The amount of individual refunds will be based on each customer's gas usage during the last three months of 1965. Customers using gas to heat their homes during that period will receive refunds averaging \$1.50; non space heating customers will receive refunds averaging 30 cents.

Customers who moved since December may not receive the refund automatically in the form of a credit on their next bill, because of their change of address. To obtain their refund, these customers should apply to their nearest Consumers Power Company office no later than July 1, 1966. The Company urges these customers to contact Consumers Power Company as soon as possible.

Student, Teacher Attend Lab

Jon Kaake, Northville high school senior, and Robert Scharer, high school science teacher, were guests Monday and Tuesday at the Murray Hill Laboratories of the Bell System in Murray Hill, New Jersey. Kaake, the first Northville high school student to be selected for the honor, is among outstanding high school students throughout the nation invited to observe the functions of the laboratories and to meet and attend lectures given by the laboratories' scientists.

Jon Kaake, son of Mr. and Mrs. Elwyn Kaake, 46234 West Finner court, was selected through Superintendent of Schools Alexander Nelson, High School Principal Fred Stefanski and the high school science department. Scharer, who teaches chemistry and physics, lives in Plymouth.

Each year outstanding high school students are invited to come to the Bell laboratories to visit the three main technical areas of endeavor—research, development and systems engineering. Students interested in chemistry and physics hear lectures on these disciplines while those interested in mathematics attend sessions dealing with computers—their use in communications, research and development.

Electronics sessions are scheduled to deal with semi-conductors and semi-conductor applications. All expenses for the trip are paid by the Michigan Bell Telephone company.

In Justice Court

Jail sentences were handed out to three persons in the Novi Justice of the Peace Court of Robert K. Anderson this past week.

For two 1963 offenses, Donald A. Filoon, 30, Wayne, will spend 50 days in the Oakland county jail. He pleaded guilty April 11 at arraignment to failure to transfer license plates, to operating a motor vehicle without a license and to speeding 75 miles-per-hour in a 55 mph zone.

Reginald Dean Walker, Detroit, will spend 15 days in jail for driving on a revoked license, an offense to which he pleaded guilty at arraignment April 11.

Two days behind bars were meted to Lee James Stockton, 51, Lachine, in lieu of \$15 fine and \$10 costs which he could not pay. He pleaded guilty April 14 to driving on a revoked license.

Twenty-dollar fines were given two other offenders by Justice Anderson.

Paul Stephen Miemieci, 26, Garden City, drew his for speeding 60 miles-per-hour in a 40 mph zone; and Frederick Simmons, 18, Detroit, was tapped for driving without due care and caution in the Paragon parking lot.

Justice Emery Jacques meted a \$20 fine and \$5 costs to Clarence Alan Malesky, 19, Detroit, for being a minor in possession of liquor; and a \$25 fine and \$10 costs to Don Oliver Luter, 21, Detroit for furnishing liquor to minors. Each pleaded guilty as charged at arraignment April 14.

Novi police said two under-aged girls found with the offenders were dismissed by the court due to a "reasonable doubt" that they had knowledge of the liquor (vodka and beer). The foursome were apprehended on Grand River west of Haggerty road in the car which contained open vodka and beer, police said.

Northville Township Minutes

Northville Township hall, Tuesday, April 5, 1966. Meeting called to order at 7:35 p.m.

Members present: R. D. Merriam, Supervisor, Marguerite N. Young, Clerk, Alex M. Lawrence, Treasurer, James H. Tellam, trustee.

Consultant: John Ashton, township attorney. Visitors: Mr. Bud Mather of the Mather Trucking Co., Mr. William Sliger of the Northville Record.

No questions or corrections, the minutes of the regular meeting of March 1, 1966, special meeting of March 12, 1966 and Settlement Day meeting of March 22, 1966 were accepted as written.

Office receipts and Water & Sewer Commission receipts for March 1966 were reviewed. Township bills payable and Water & Sewer Commission bills payable were reviewed.

Trustee Tellam moved, supported by Treasurer Lawrence, that the bills submitted be paid. Motion carried.

Building Inspector's report for March 1966 was reviewed.

No questions or corrections to the Planning Commission minutes of Public Hearing of March 15, 1966—Regular Planning Commission meeting of March 29, 1966—Appeal Board minutes of March 8, 1966. Trustee Tyler joined the meeting at this time.

Correspondence:

1. Letter—Junior Chamber of Commerce of Northville.

After discussion and legal advice, it was decided that a letter be written to the Junior Chamber of Commerce advising that in the past it had been the Township policy not to make contributions such as this due to the fact that the township is not empowered to do so.

Old Business:

1. Meeting table purchase.

Trustee Tyler reported that he and Trustee Tellam had looked at some tables at the Silver Office Supply Co. on Woodward Avenue that could be purchased in size 36" x 60" and both thought two tables of this size would answer the township's problem of enough size for the Planning Commission and a seven man township board. The price of one table was quoted at \$65.

Trustee Tyler moved, supported by Trustee Tellam, that the township purchase two tables as described at the approximate cost of \$130. Motion carried.

With Mr. Mather waiting, Supervisor Merriam asked the board to take up Item 3 under New Business.

New Business:

1. Mather Trucking.

Supervisor Merriam informed the board that Mr. Mather was in the trucking and excavating business, and he would like to buy some property on Gerald Avenue and build a garage for his trucking business.

Mr. Mather addressed the board, saying that the Gerald Avenue area could be developed into a very sound industrial area and that he was negotiating for some property there but he hesitated to build because of the type of buildings. If the Township Board would consider trying to remove some of the trailers and make the area more desirable, he would consider it a good location for his business. He also felt other people would be more interested.

There was discussion of the road which is a private one, the land being owned by Mrs. Fons.

Mr. Mather was glad to be informed regarding the road and said he would check the title of any property purchased for egress and ingress.

After further discussion, Trustee Tyler moved, supported by Trustee Tellam, that a letter be written to all trailer residents on Gerald Avenue and all owners of the properties giving them until June 30, 1966 to move the trailers off. Motion carried.

Old Business:

2. Special Assessment District—Sewer Northville road.

Discussion of the problems of this sewer installation followed.

The fact that the sewer would service only the east side of Northville road inasmuch as the west side was public property, making the special assessment cost double.

The fact that for the public health, welfare and safety the sewer should be installed to service all parties petitioning.

The fact that over assessment might lead to problems for the township.

Trustee Tellam moved that the township proceed with the special assessment district by adopting Resolution #3 S-1 and that the township pay all legal and engineering costs and for the fallout sewer of this special assessment district, pro-rating the balance of cost on an area benefit. Trustee Tyler seconded. Motion carried.

3. Dump Contract—City of Northville.

Inasmuch as the township had been waiting for a year for the city of Northville contract for usage of the city dump, the township attorney was instructed to draw a new contract and present it to the Board for their consideration at the regular May meeting.

New Business:

1. Board of Appeals appointment—John Miller's term expired.

2. Board of Review appointment—David H. Dodge one year term expired.

Trustee Tyler moved, supported by Trustee Tellam, that John Miller be reappointed to the Board of Appeals for a three year term and David H. Dodge be reappointed to the Board of Review for a three year term. Motion carried.

4. Renewal of contract—Draugelis & Ashton.

After discussion, Mr. Ashton was asked to write a letter to the Township Board changing the name on the agreement from Edward Draugelis to Draugelis & Ashton.

5. Contract—Vilican Leman & Associates.

Discussion of Vilican Leman charges was entered into.

The thinking was that the monthly retainer charge was high and there was question of whether the Planning Commission needed a planning consultant at all meetings now that the 701 Program was completed.

Decision reached—Supervisor Merriam was asked to discuss the contract with Vilican-Leman.

6. Fees for sewer taps—water taps—service charges for multi-dwellings as recommended by the Water & Sewer Commission.

Trustee Tyler moved the adoption of 65% of monthly cost for water and sewer service but that 60% be maintained for the tap in cost.

Trustee Tellam seconded. Motion carried.

7. Trustee Tellam addressed the board stating that he wished to resign from the Planning Commission as he felt there was a conflict of interests between this appointment and his employed position.

Trustee Tyler moved that subject to submission of a written resignation, the board accept Trustee Tellam's resignation. Lawrence seconded. Motion carried.

8. There was discussion of the Fish Hatchery surplus property and the joint meeting of the School board, city and township scheduled for Wednesday, April 6, 1966 at the council room of the City of Northville.

9. The clerk was instructed to write the chairman of the Police Study committee and ask that their report be submitted to the township board at the regular meeting in May 1966.

Trustee Tyler made the following comments and asked that they be recorded in the minutes—

He indicated he did not think we looked too good in the handling of our Deputy Clerk's salary discussion at the Annual Meeting, but hoped that the establishment of the \$4300 figure was an acknowledgment of a step in the direction of providing salary on the basis of the value of the job. The matter of overtime should not have become involved and the only extra payment involved with this assignment would be for such things as the extra Saturday work at the Dog Clinic.

Trustee Tyler also referred to the letter he sent to Representative Stempien, copies of which were sent to each Board member, asking if there had been any knowledge by any of the Board members in any way of the material that became part of House Bill 4026. This Bill introduced on March 23 provides for an appropriation of \$60,000 to the township for police protection to state lands and facilities. Trustee Tyler felt this forced the hand of the township providing this

service prior to our considerations of interest, capacity, and other alternatives. Upon learning Mr. Guido (Chairman of our Police Study Committee) had had some discussion with Representative Stempien and had sent a letter of recommendation on this subject to another State Representative, Trustee Tyler stated he thought Mr. Guido exceeded his authority on this committee assignment, and that his thoughts and recommendations in the matter should have first been reported back to the Township Board for review. Trustee Tyler, however, did not take exception to Mr. Guido's right to communicate with his State Representative on a personal basis.

No further business Trustee Tellam moved for adjournment. Meeting was adjourned at 11:00 p.m.

Marguerite N. Young, Clerk

Cliff Smart

To Seek Re-Election

State Representative Clifford H. Smart, Republican, has announced his candidacy for re-election to the 60th District of the Michigan House.

The 60th District includes the townships of Brandon, Commerce, Groveland, Highland, Holly, Lyon, Milford, Novi, Rose, and that part of Northville which is in Oakland County, the cities of South Lyon, Walled Lake and Wixom, plus the townships of Argente, Fenton and Mundy in Genesee County.

Seeking his second term, Smart is presently serving on four Legislative committees: Education, Roads and Bridges, State Library and Marine Affairs.

Prior to his election to the State Legislature in November, 1964, Representative Smart was superintendent of schools in Walled Lake for more than 19 years. Since his election he has devoted full-time to the office of State Representative.

Smart resides in Walled Lake. His family consists of his wife, Martha; a daughter, Mrs. William Herrell of St. Johns; and sons, William of Clarkston, and Robert a student at the University of Michigan.

She's the picture of her father and the sound track of her mother.

You've reached middle age when your weight lifting consists of standing up.

WE DID IT! Easter Seal Drive Chairman Kenneth Rathert signals triumph upon announcing that the Northville campaign went "over the top" of its \$1,200 goal.

Easter Sale Tops Goal

Northville residents contributed \$1,240.56 to the Easter Seal Drive just completed, reported local chairman Kenneth Rathert.

"This puts us \$40.56 over our quota toward helping handicapped children through our Western Wayne County Center in Inkster," he said and thanked all who gave support.

The local drive was sponsored by the Northville Rotary club. Collections included \$102.24 in canisters, \$112.10 in the Easter Lily sale and \$1,026.22 in mail solicitation.

Northville City Council Minutes

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, April 4, 1966, 8:00 p.m. at the Northville City hall.

Present: Allen, Black, Carlson and Kester. Absent: Canterbury.

Minutes of the regular meeting of March 21 and special meeting of March 28 were approved with two corrections.

Moved by Kester, supported by Carlson that bills in the following amounts be paid:

General \$12,900.61

Water 822.31

Other Government 206,011.87 plus check #755 (Honeywell Maintenance Contract) from previous meeting in the amount of \$615.50. Unanimously carried.

Notice of Intent to File, Institute and Maintain Suit or Action for the Purpose of Contesting and Enjoining the Collection of Special Assessment for Randolph street improvement was given to clerk by Mr. and Mrs. Paul Steencken, 562 Randolph street. Communications:

A letter received from Chesapeake and Ohio Railway Co. requesting that "Stop" signs at all grade crossings be erected within the city of Northville. City manager instructed to reply to this letter, referring to earlier ruling of the State Commission.

Council approved the request of the Plymouth Lions' Club, Plymouth, Michigan to solicit

In the Northville Downtown Business district the week of April 24, 1966. Mr. Michael Periah, chairman, to receive letter of approval.

Mr. Essie Nirider, President of the Northville Chamber of Commerce was present relative to the recent Fire Inspection in the business district and stated that a detailed report would be made in the near future on the findings and results.

Building report for the month

The fellow who thinks he knows it all is especially annoying to those of us who do.

of March, 1966, received. Fire call report for month of March, 1966 was received.

Police Department report for the month of March, 1966, was received.

The Financial Statement for the month of February, 1966, was received.

Moved by Black, supported by Kester that the Storm Drainage Ordinance be approved for publication and Public Hearing set for Monday, April 18, 1966, 8 p.m. at the Northville City Hall and to become effective immediately. Unanimously carried.

After the City attorney explained the new law which became effective April, 1966, and stated that the Police Department recommends its adoption, it was moved by Kester, supported by Black to approve adoption of the Uniform Traffic Code for Cities and Villages and Townships, for publication and the Public Hearing be set for Monday, April 18, 1966—to become effective immediately upon adoption. Unanimously carried.

It was unanimously agreed that a telegram was to be sent to Governor Romney urging him to attempt to bring the factions in the present disagreement of horsemen and striking racetrack employees in Northville together, copy to Racing Commissioner, Berry Beaman.

The City Manager reported that further discussion would be necessary on the two summaries which he presented to Council on Solid Waste Disposal and Air Pollution control.

The manager also mentioned a communication from the Michigan Municipal Employees' Retirement secretary regarding a bill before the State Legislature which would allow the State Treasurer to make investments of the retirement monies.

Tues. & Sat. 10 to 12 by Appt.

There being no further business, the meeting adjourned at 9:30 p.m.

Respectfully submitted
Martha M. Milne
City Clerk

Miscellaneous:
The City manager stated that there will be a report within the next few weeks regarding future subdivision plats.

Councilman Kester reported that at a recent meeting of the Northville Economic Development Corporation, the matter of how long the city would be renting the property at 117 W. Main street for shelter of DPW equipment was discussed. The NEDC would like to have this building torn down; city manager is to have a recommendation on this for the next meeting.

Councilwoman Carlston stated that the Northville Beautification Committee met on Saturday, April 2 and that there would be another committee meeting on April 23.

Councilman Black asked that an attempt be made to obtain information on business district street lighting as requested of Detroit Edison Company some time ago.

He also asked that a commitment be obtained from Thompson Brown company on financing of improvements for their development of Eight Mile road. Councilman Black stated that the Northville Township Board had approved their Recreation Budget as requested in the amount of \$6202.

The city attorney is to check on a new law regarding property not occupied for a period of time and what steps can be taken relative to such property.

NOTICE OF PUBLIC HEARING PLANNING COMMISSION TOWNSHIP OF NORTHVILLE

At a meeting of the Northville Township Planning Commission to be held in the Township Hall on TUESDAY, APRIL 26, 1966, a Public Hearing will be held at 8:00 p.m. to consider the following:

TO REZONE FROM R-2 (ONE FAMILY RESIDENTIAL) to R-M (MULTIPLE FAMILY) property described as: (Northwest corner of Six Mile and Beck Rds.)

Item-08N2a—

The E. 1/2 of the W. 1/2 of the S. E. 1/4 of Sec. 8 except the north part thereof measuring 982.01 ft. on the W. line and 981.82 ft. on the E. line of said parcel; also except that part thereof described as beginning at a point on the S. line of said section distant S87 degrees 28'50"W, 1220.25 ft. from the S. E. corner of Section 8 and proceeding thence S 87 degrees 28'50" W along said S. line 146.75 ft. thence N. 11 degrees 36'30" E, 221.72 ft.; thence N 32 degrees 24'30" E, 52.30 ft.; thence N 47 degrees 23'50" E, 98.50 ft.; thence S 0 degrees 18'10" W, 319.60 ft. to the point beginning 28.31 acres.

Item-08N3

08S2

08T1

That part of the S. E. 1/4 of Sec. 8 described as beginning at a point on the S. line of said section distant S 87 degrees 28'50"W, 1325.75 ft. from the S. E. corner of Section 8 and proceeding thence S 87 degrees 28'50"W, along said S. line, 41.25 ft. thence N 11 degrees 36'30" E, 221.72 ft.; thence N 32 degrees 24'30" E, 52.30 ft.; thence N. 47 degrees 23'50" E, 98.50 ft.; thence N 0 degrees 18'10" W, 918.90 ft.; thence N 87 degrees 40'20" E, 555.86 ft.; thence S 0 degrees 55'50" E, 494.52 ft.; thence S 69 degrees 08' W, 23.83 ft.; thence S 23 degrees 33'40" W, 392.34 ft.; thence S 51 degrees 11'30" W, 217.72 ft.; thence N 74 degrees 39'50" W, 170.40 ft.; thence S 47 degrees 23'50" W, 118.29 ft.; thence S 32 degrees 24'30" W, 39.70 ft.; thence S 11 degrees 36'30" W, 204.31 ft. to the point of beginning 11.22 acres.

Item-08N4

08T2

That part of the S. E. 1/4 of Section 8 described as beginning at a point on the S. line of said section distant S 87 degrees 28'50"W, 650.75 ft. from the S. E. corner of Section 8 and proceeding thence S 87 degrees 28'50"W, along said S. line, 675.0 ft.; thence N 11 degrees 36'30" E, 204.31 ft.; thence N 32 degrees 24'30" E, 39.70 ft.; thence N 47 degrees 23'50" E, 118.29 ft.; thence S 74 degrees 39'50" E, 170.40 ft.; thence N 51 degrees 11'30" E, 217.72 ft.; thence N 23 degrees 33'40" E, 392.34 ft.; thence N 69 degrees 08' E, 504.84 ft.; thence S24 degrees 28' 40" E, 114.79 ft.; thence S 71 degrees 35" E, 170.38 ft. to the E. line of section 8; thence S 0 degrees 16'30" E, along said line, 303.57 ft.; thence S 87 degrees 06'20" W, 655.72 ft.; thence S 0 degrees 55'50" E, 418.0 ft. to the point of beginning. 11.30 acres

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.

A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination.

CITIZEN SIBLEY

"NO, NO, MR. SIBLEY, I'M JANE, THIS IS JOAN AND THAT'S JEAN AND SHE'S JILL."

Roger Babson

Farm Outlook Good

BABSON PARK, Mass.—American farmers last year grossed almost \$45 billion. This was a record income and marked a 50% increase over 1949. Will the luck of the growers hold out in 1966?

Neither Vietnam nor the specter of hunger abroad appears to have had much influence on farmers as they made their 1966 crop plans. If their March plantings intentions can be taken as a measure, their course is set in much the same direction as in 1965.

Highlighting the official government report is an estimated increase of nearly 5% in soybean acreage and a probable boost of about 2 1/2% in land to be sown to corn. Apparently, expanding markets for soybean and soybean products—here in the U.S. and in foreign markets—have convinced growers that it would be smart to plant more acres to this crop. Not so clearly evident is the reason behind the increase in corn acreage. Perhaps farmers figure

this move will be profitable because hog farrowings are expected to be substantially higher later this year. Oddly enough, despite broadening demand for wheat on a worldwide basis, U.S. farmers intend to plant only slightly more durum than last year, and plan to cut other spring wheat seedings 5% below the 1965 level.

ALTHOUGH acreage to be seeded to the 17 major crops is almost the same as that of last year, land to be planted to all 59 crops in 1966 may lag the 1965 total by about 2,000,000 acres. Even with this overall cutback, there is a very good chance that the U.S. 1966 crop outturn will be of bumper size. It could very well set a new record!

In addition to the prospective increase in corn and soybean acreage, more land will be sown this year than last to barley, rice, potatoes, tobacco, dry beans, dry peas, and sugar beets, as well as to durum wheat. On the other hand, besides the promised curtailment in spring wheat plantings (other than durum), growers currently intend to cut back on the amount of land they will sow to oats, flaxseed, sorghum, hay, peanuts, and sweet potatoes.

Our own Babson survey of crop prospects suggests a corn outturn this year that will approach 4 1/2 billion bushels, about 5% above the 1965 record. We forecast that soybean output may exceed the government prediction of 882 million bushels, though perhaps by only a small margin. And it appears now that oats output may be down some 5% from last year, and that all wheat production may slide off 6%.

FARM PRICES—Which had been in the doldrums for some years—showed considerable improvement in 1965. They should make additional good gains this year in view of broadening demand which reflects record employment and record personal income. Another very favorable factor is the restraint of plantings with respect to crop plantings.

Michigan Mirror

Dems Look to Ferency

LANSING—Cycles of activity can be seen in several facets of state government. The ups and downs of economic activity have produced fairly regular peaks and dips in the state's financial stability over the past 20 years or so.

A new cycle may now be recurring in the field of political activity. G. Mennen Williams started one cyclical change in 1948 when he was elected governor against tremendous odds.

As the terms he served added up, Republicans began to have difficulty finding people to place on the ticket against this seemingly unbeatable incumbent. Now the Democrats have to attempt to change the cycle but they are encountering the same difficulty in finding a winner.

WHEN WILLIAMS decided not to run in 1960 the GOP had great hopes of changing the cycle, but Williams' popularity helped his protege, John B. Swainson, get elected.

Two years later, Swainson had had time to make a few mistakes on his own. All during that term the Republican masterminds were searching for a candidate to go against Swainson on his own record. Forward came present Gov. George Romney, a winner in his every effort, it seemed.

Now going into the end of his second term, Romney looms as unbeatable as Williams during his long tenure.

So the Democrats have been searching for a giant-killer. Unfortunately for the Democrats, there are few party vote-getters who view Romney as beatable as the Republicans appraised Swainson in 1962. There has not been a winner willing to come forward.

PUBLICLY, each of the popular, known office-holders have said Romney can be defeated. They just are happy with their present posts and wish to remain there.

Privately, most of those who

became dropouts will admit Romney is still too popular for them to risk defeat.

The only one apparently willing to try, Party Chairman Zolton A. Ferency, met with little enthusiasm for his candidacy back last summer when he first made his interest known in small circles.

As the party's official hatchet man, the chairmanship usually doesn't lend itself to candidacy. When the proven vote getters started backing out, however, more and more party people started looking to Ferency as a man who has had some successes in chipping away at the golden image of the present chief executive.

HIGH SCHOOL and college graduates going into the labor force this year should find many good opportunities awaiting them.

One indicator, state civil service employment, will have the welcome mat out for these newcomers even more unusual. This area of job potential has traditionally been viewed as a fertile field for youth just completing school.

The good times which have opened new jobs in private industry have proved somewhat of a headache to the state civil service operation. It has been considerably harder to fill even the normal amount of vacancies occurring in a given year.

THIS PROBLEM has been magnified considerably because many state employees left the service in the past year for other jobs in private enterprise. Turnover in 1965 reached 16.3 per cent as compared to about 10 per cent each of the past several years.

The 1965 figure represents more than 5,500 people. Of course this includes some losses for retirements, deaths and other causes for leaving the labor force.

The greatest portion of the loss, however, was to other job opportunities despite an average six per cent pay hike due state workers this July.

NOTICE SALEM TOWNSHIP

A Public Hearing will be held before the Salem Township Board of Appeals TUESDAY, MAY 3, 1966 at 8 P.M. at the Salem Town Hall to hear a request by Mr. Fred D. Szalay, agent for the Salem Land Co., for a permit to remove sand and gravel from property located at 10665 and 10690 West Six Mile Rd., formerly owned by Mr. J. J. Rummel.

SPEAKING for The Record

By BILL SLIGER

The Northville Community Chamber of Commerce has compiled the results of a survey of its membership that asked the following questions:

1. Are you in favor of developing the Central Business District as outlined by the Planning Board?

2. Are you in favor of continuing Griswold street to Beal street and widening of Beal street?

3. Are you in favor of continuing Wing street south into the Edward Hines Drive?

To question number one the vote was 26 YES, 23 NO;

Question number two - 37 YES; 13 NO; Question number three, 28 YES; 22 NO.

Many of the return ballots contained comments that indicated opposition to the CBD plan, for example, was conditional and would be reversed if certain revisions were considered.

Personally, I had expected stronger opposition to the planning commission's central business district plan. The indication that local businessmen do approve of a plan for the future improvement of our commercial area should be heartening to planners, who have lived with the idea for several years.

The vote on questions two and three clearly indicate a recognition of north-south traffic problems on Center street.

Survey results have been passed along by the Chamber of Commerce to the city council.

The Northville city council voted Monday night to adopt a resolution of opposition to four bills currently under consideration by the state legislature. Each of the proposed bills would reduce the power of the local government and it was on this basis that the council was moved to direct the city manager to send official word of opposition.

The proposed legislation included:

-a collective bargaining bill that would make supervisory police officers members of the union;

-compulsory arbitration for police and fire departments - which would remove from the council the power to set salaries, inasmuch as an arbitrator would be empowered to settle disputes;

-mandatory referendum for municipal income tax, which would remove the right of the local council to determine whether or not a vote should be sought on a local-level income tax;

-deletion of a one per cent tax collection fee, which goes to local municipalities serving as collection agent for school and county taxes.

The city council heard three letters from area citizens Monday night concerning the Northville police and fire departments.

This in itself isn't so unusual ... until you realize all three letters were written to praise the action of the departments.

The communications brought smiles to the faces of the councilmen and prompted City Attorney Philip Ogilvie to crack, "I think we ought to adjourn while we're ahead".

One resident sent an expression of deepest appreciation for the fast action of Officers Gus Aleck and Bill Wortman in saving their one-year-old daughter from strangulation. The officers replied immediately to the call after the family had been unable to dislodge a piece of candy from the child's throat. One good thump on the back by Aleck did the trick and, said the letter-writer, "made me realize that there is more to a police department than chasing automobile drivers and bank robbers".

Officer Louis Westfall was praised for taking time to patiently explain the reason a violation ticket had been issued. Although not happy about being ticketed, the motorist appreciated the officer's courtesy.

And finally, a township resident praised the fire department for stopping a grass fire before it caused serious property damage to neighboring homes.

Take a bow, fellows ... and brace yourself for the inevitable slaps that aren't on the back.

Opposes Connemara Assessment

Beware!
Taxes in Connemara Subdivision just went into orbit.

After much thought and consideration I have decided to write this letter in behalf of my family.

We bought the old Miller farm home at 45385 Nine Mile road last August and moved into it in March. We were able to purchase this home because we had saved and sacrificed a lot of things. When you buy an older home (125 years) you cannot get a large mortgage therefore we saved what we thought was a large enough sum of money to buy this home. We have been here for three weeks and in this period of time we discover we are going to have to pay out approximately another \$5,600 plus 6% interest to live here because a sewer is coming down Taft and Nine Mile road to service this area. This means our taxes will increase \$548.48 next year and it will take 15 years to pay off this assessment.

We attended a public hearing with the Novi Council on Monday April 11, held to determine the proper assessment for sewers in Connemara Hills Subdivision. Only three people to my knowledge that attended this meeting want sewers. Twelve people were there to tell their particular concern against the cost and whether there is a need for sewers. Where were all the other families Monday that tried to establish the need that is suppose to be so great?

It seems to us the council has taken into consideration only the opinion of a recently defeated councilman and the wishes of Mr. Keating the developer who will benefit the most by sewers.

When the meeting was called to order Mr. Fuller who is new on the council and who appeared for the first time at the council meeting on this matter had to be

given information as to what the meeting was about. Two hours later Mr. Fuller made a motion that the assessment be accepted. We do not feel he was right to do so with so little knowledge and only hearsay.

Mr. Harrawood who also is a new councilman is the only member of the council who has ever been out to the area voted no when the motion was made. We thank Mr. Harrawood for being honest and fair to the families concerned.

The council has therefore taken on the responsibility of saying sewers are needed when only a few people have inadequate tile fields.

Each half acre lot in Connemara is being assessed for \$2,066.84 plus 6% interest and people with 2 lots pay double even though the lots are developed as one. Our restrictions state that when two lots are developed as one they become one lot and we feel only one charge is to be assessed to the families with two lots developed as one.

We feel the developer Mr. Keating who will gain the most when sewers go through should pay the most. The sewer is to be installed west of Taft road and south of Nine Mile road. The people of Connemara must pay the entire cost minus what the village has set aside to use.

The vacant property that is owned by Taft Company and two other homes on Taft road only have to pay tap in fees which is not what we feel is their entire share. Also, the same procedure is being carried out along the north side of Nine Mile road.

In Connemara Subdivision all building has been stopped because the lots will not perk. We feel the Keating Company will benefit greatly by sewers as he can sell the lots at a larger sum of money and therefore benefit more by sewers. We feel he should pay more money than the average homeowner that has already invested in a good working septic system.

We feel the council did not give the ordinary homeowner much consideration as they only listened to a few opinions from people who will greatly benefit by having sewers. I'm sure the Taft Company and the Keating Company and all these people combined feel it is a necessity even though 3/4 of the other homeowners do not want sewers. These people who stand to gain the most want a hand out of many dollars so they can enjoy what they have persuaded the council to believe is a necessity.

I wonder what procedure the council will take when we inform them we do not want, need and cannot and will not pay for sewers.

Sincerely,
An Unhappy New Homeowner
Merle R. Duey

★ ★ Likes Editorial

To the Editor:

Hooray for this week's editorial! Unfortunately, our letter, which appeared a couple of weeks ago, has never been answered and we doubt that it will. Our question was, how come we don't hear from the schools who dislike the ungraded system? We feel that it can't be a perfect system and that there must be some criticism around this big country somewhere and we'd like to hear it before supporting it. The whole situation seems to be something which is being rammed down our throats without benefit of inspection to the negative. With your editorial has nothing to do with our editorial on the surface but the attitude of the school board on all these matters seems to tie in.

I am beginning to wonder how many frills are in these new schools. I would prefer quality education in an old building, which is quite possible. Just like an old home can have a happy and well taken care of family in it, so can't a school. Inflation is no excuse - why not stop inflation? Why go along with it? It would be quite

heroic if Northville could stand up against inflation right here. No one really has to go along with it all the way. Since our family lives optimistically, we don't go by the excuse that "it can't be done." If we had listened to such people we would never have had the experience, for example, of going up to Alaska on \$300!! If anyone knows economy, it is the Nortons. And so, we don't believe that it takes either a new school or an expensive one to educate our children well. It is true we need more room so why not look into a "mobile" classroom unit as well?

My last suggestion may not be an intelligent one, it is strictly off the cuff with no experience in the matter, but I am all for economy so willing to look into this area. All I can say is, that education itself needs upgrading badly, not the "shell".

We support your editorial and hope that it does some good.
Sincerely,
Mrs. Ann Norton
(Mr. Norton agrees, too!)
